

School Board Discusses:

Building, Enlarging, Remodeling Schools

Discussion of problems involved in building a new Northville high school, enlarging the Amerman elementary school and remodeling the present high school for use as a junior high monopolized most of this week's session of the Northville board of education.

No definite conclusions were reached on major points under consideration but the following assumptions appeared fairly well established when the board adjourned at 1 a.m. Tuesday after a continuous 5½-hour session.

1. The Amerman school must be enlarged as soon as possible to care for present pupils and new ones who will be enrolling in 1957 and later years. A 14,182 square foot addition tentatively proposed by Eberle M. Smith Associates, architects, would cost approximately \$225,000. Mr. Welch of that firm told the board of education. This was based upon estimated cost of \$16 per square foot compared with \$14.30 when the present Amerman building was built.

2. The school district probably will find it financially necessary to remodel and use the present high school for a junior high school. It is far from ideal for the purpose, however, and probably will be so crowded a year or two after it is remodeled that more space will be needed. The present playground is so limited that enlargement of the building to accommodate more pupils may be impractical. Welch recommended that present remodeling costs be held to a minimum so that any balance of funds raised may be used later for a new junior high school.

3. Welch suggested that the proposed new high school site on the Manning & Lockin property south of Amerman school and west of Center St. will be large enough for a new high school building and the district's physical education program.

For baseball, football and major sports requiring large playing fields and sizable stadium facilities the district would have to buy land north of the proposed Baseline Rd. cut-off which is now scheduled to cut through the Manning & Lockin property just south of Amerman school, Welch said. (Councilman A. Malcolm Allen told the city council this week that the Wayne County Road commission plans a cut,

35 feet deep, through the property for the Baseline cut-off).

4. Basic decisions that must be made before the architects can start drawing plans for a new high school are complicated and rendered difficult by the unsuitability of the present high school building for enlargement into an adequate junior high building. Its limited adaptability raises the question whether to use it for just 7th and 8th grades, and build a high school for 9th, 10th, 11th and 12th grades. The ideal situation would be a 3-year junior high to care for 7th, 8th and 9th grades, with only the three top grades in high school, according to Welch and Dr. Arthur Wohlers, school plan consultant to the Wayne county board of education.

Richard Davis, treasurer of Novi No. 6 (Durfee) school district, told the Northville board of education that approximately 40% of the district's voters have

Vandals Break Store Window

"Strictly a case of vandalism," said Police Chief Joseph Denton this week in reference to breaking of a store window on Main St.

A rock was thrown through the bay window of Paul's Sweet Shop early Thursday morning, May 30. Patrolman Alex Funke said that the rock weighed 2 pounds, 15 ounces.

"The rock must have been thrown with terrific force because the hole in the window was slightly larger in area than the rock itself, and it went quite a distance, 12 feet, before landing on the glass top showcase and breaking it," Funke said.

The broken window was discovered at 8:45 a.m. by Monroe Weston, cousin of owner Paul Folino. Folino said that certain persons told him that they hear a crash about 2 a.m. and saw a car speeding away from the store. "They thought it was an accident," Folino said.

Northville police have a description of the car among other clues.

Property damages, according to Folino amount to approximately \$200.

School Board Hopefuls State Qualifications

Four Seek 2 Posts At June 11 Election

As has been its custom in previous elections, the Northville Record has offered the several candidates for election to the board of education the use of its columns to tell the voters their qualifications for the posts they seek. Their statements follow.

Nelson Schrader

In answering this question I

would like to consider it from three (3) viewpoints:

Qualifications, Experience and Ability.

Good qualifications for a school board member are not necessarily college and high school education. A board member must be willing to sacrifice time and energy to the educational program in the community and must have intelligent judgment. Our education is close to the people not just for a few or certain groups, and the people have a right to have a hand in it. A school board member is a representative of the community and must have an open mind and exercise good judgment.

From the standpoint of experience I would like to list some of my experiences that I believe may be pertinent in this issue:

- a—Lived entire life in this community,
- b—Graduated from Northville high school,
- c—Active in community development and in community organizations,
- d—Five years in state universities,
- e—Awareness of public reactions through constant contact with public,
- f—Own and operate my own business in the community,
- g—Two children in the Northville school,
- h—Interest and livelihood centered in Northville,
- i—Six years experience on the board of education.

As to my ability to be a valuable asset to the board of education I believe that:

I can aid in planning a long range school program, at the educational and physical facilities level, due to my knowledge of community planning.

To assist in the financial planning of the school program through experiences in operating my own business.

I think I have the ability to absorb what the people of the district as a whole want and to apply common sense principles as to what is best for the school in its planning and operation.

Robert Shafer

I have been a resident of the township of Northville for ten years, during which time I have been an executive of Daisy Mfg. Co.

I cannot claim formal experience directly concerned with the operation of a school. However, because the operation of our

school system is becoming big business, I feel that my experience in business provides me with an opportunity to contribute to the business operation of the school system.

Further, because of my activity in the Northville Township planning with associate studies, including Detroit Metropolitan Regional Planning Authority, for the past six years, I consider myself to be as well or perhaps better informed than any other individual as to the future growth-development within our school district.

This concerns several important factors in the expansion of our school system. The primary factors being number of pupils to be expected, important social demands and the economic base which must support the school system.

My participation in the Northville-Novi Area study is a matter of record and has contributed to my qualifications. My participation in and contribution to the Northville Schools Advisory committee is also a matter of record and provides me with considerable basic material concerning the planning phases and economic status of our school system.

The problems confronting education in general are nothing new to me, for I have studied them over a period of many years. My deceased father was a teacher and my mother is still a teacher. Many members of my immediate family are or have been teachers, principals and superintendents as well as board of education members.

I consider my life's experiences to be of such calibre and diversification that I can contribute considerable to our school system with a modern, sound and practical concept.

Mrs. Martha Milne

My interest in and close association with educational groups has fostered my regard for a good educational program for Northville schools and the following reasons are why I believe I am qualified to serve as a member of the Northville Board of Education.

I am married, the mother of two boys, 8 and 12 years, both enrolled in Northville schools. We have lived in Northville for 10 years.

I helped found the Northville Cooperative Nursery School and was active in this group for five years. Through this interest I joined the Northville PTA in which I have been an active worker for six years and am a past president of this organization.

Two years ago I was appointed to the Northville-Novi Area Study and served until its termination when I was appointed to the Citizens' Advisory committee to the Northville School Board. My service on this group was for one year until this committee was dissolved. I am now a member of the Educational Specifications committee, working on the proposed Northville high school.

I was employed as a secretary by the Wayne County Extension service for 10 years, prior to moving to Northville, where I had considerable business experience. I am a charter member of the Northville Community Development Course which is concerned with community problems of the Northville area. I have served on various committees in the past five years working with Northville community activities. I am also a member of the Adult Education Ass'n. of Michigan and am a member of the Northville Woman's club.

Our family are members of St. John's Episcopal church, Plymouth, where I am a Sunday School teacher. I have just finished

(Continued on Page 10)

E. Jane Wagenschutz

I have been a member of the Board of Education for three years. If the voters care to have me continue, I would be glad to give my services and time to the community.

City To Vote On Annexation Aug. 7

Annexation of an area at the northwest corner of Baseline Rd. and Center St. to Northville will be voted upon by residents of the city and the area at the primary election Aug. 7.

The land, proposed for annexation extends north along the west side of Center St. from Baseline to the 8½ Mile line and west slightly more than one-quarter mile. It included the present Amerman school site, the Manning & Lockin property upon which Northville hopes to build a new high school, and approximately 20 acres north of the Amerman school property which is said to be owned or under option to Elmer Wilson and associates for a proposed real estate subdivision.

Petitions for annexation were filed some time ago with the Michigan secretary of state's office because the property to be annexed is in Oakland county while Northville is in Wayne county. Both the City of Northville and Novi township were notified last week that the election is to be held at the same as the primary election Aug. 7.

Council Votes 4-1 To Purchase Fire Engine

The Northville city council voted 4-1 in favor of ordering a \$23,400 American LaFrance fire engine Monday evening.

In favor of purchasing a new fire engine, but wary of acting hastily, Councilman John Canterbury cast the one dissenting vote.

The main point of dissatisfaction resulted from the written list of specifications for the fire engine. Councilman Canterbury thought that the list should be written to encourage competitive bidding among several companies.

At the last meeting, May 22, Councilman Earl Reed assured the council that the proposed specifications were used by Plymouth and they received five bids; however, at the Monday evening meeting it was mentioned by the American LaFrance representative that "...there are only two basic fire engine manufacturers who could meet the written specifications that requested an engine and pump of the builder's manufacture and design and carry a five year warranty."

"So," Councilman Canterbury said, "there could really be just two companies who could bid and of the two, certain preferred features in the bid leaned toward one of those companies."

The American LaFrance representative agreed that the specifications leaned toward his company, but he also said that any company could substitute items and make application.

"Ask anyone on the Board of Fire Underwriters and they will tell you off-the-record that a custom built fire engine is preferred," Councilman Reed said. Mayor Ely questioned, "If other concerns are so good why don't the big cities buy those fire engines?"

"I don't know," Councilman Canterbury said, "I'm just inquiring. I'm trying to find some answers too."

The American LaFrance representative said that an American LaFrance fire truck with a Continental engine would be about \$1,000-\$1,500 cheaper.

Canterbury asked Plymouth Fire Chief Robert McAllister if his department hadn't purchased a Continental engine recently.

"No sir," Chief McAllister said, "you can't replace parts on a commercial type engine after

seven years. We bought an American LaFrance engine."

The Seagrave Co. representative mentioned that some items included in the bid were not necessary accessories on his company's product and as a result added cost and no value. "For example," he said, "the manual radiator is not needed on our machine. We'll put it on, but it's of no value and costs \$100. The shock absorbers are not needed. Frankly, we'd put them on but fix them so they wouldn't work."

Councilman Reed asked both representatives, "Aren't these common specifications? Haven't you run into them before?"

The Seagrave man said, "yes". The American LaFrance man said, "Yes, and fortunately or luckily they tend to lean toward our company."

The Seagrave representative suggested that the city might save money if they re-issued bids and advertised separately for a (Continued on Page 10)

P-TA Carnival Nets \$1,319.48 Profit

The Northville P-TA sponsored community carnival which was held recently netted a profit of \$1,319.48.

The financial report included carnival receipts totaling \$2,220.74 and carnival expenses at \$901.26.

An itemized budget for the P-TA for the coming year will be printed in the June 21 edition of the Record.

Annexation Gets Stop Signal from Prosecuting Atty.

It has been learned by the Northville Record this week that the Prosecuting Attorney's office has written an opinion advising the Wayne County Board of Supervisors to disapprove the petition by the City of Plymouth for the annexation of a portion of the Township of Plymouth.

According to opinion, which has been filed by the Board of Supervisors, the city of Plymouth failed to comply with jurisdiction requirements of Act No. 279, Public Act of 1909, as amended, in that petitioners are not owners of record of certain of the land involved in the proposed annexation. The opinion has been stated that the petition contains inaccurate statements.

The Prosecuting Attorney's office has recommended that no further action be taken by the supervisors.

The following statement was made by R. A. Niemi, general manager of Burroughs Corporation's Plymouth division Wednesday, June 6:

"As a corporate citizen of the Plymouth area, we recognize that we have well defined responsibilities to the community. It has always been our objective to take (Continued on Page 10)

N'ville Twp. Residents Claim Bldg. Violations On Beck Rd.

Eleven residents from Northville Hills subdivision appeared before the Northville township board Tuesday evening to issue a complaint against the building of a house on Beck Rd. south of Main St.

The residents asked the board to enforce the zoning ordinance in reference to a house being built on the property of Lester Jiggins. The house is being constructed by E. Comerford, son-in-law of Jiggins.

Three alleged violations were

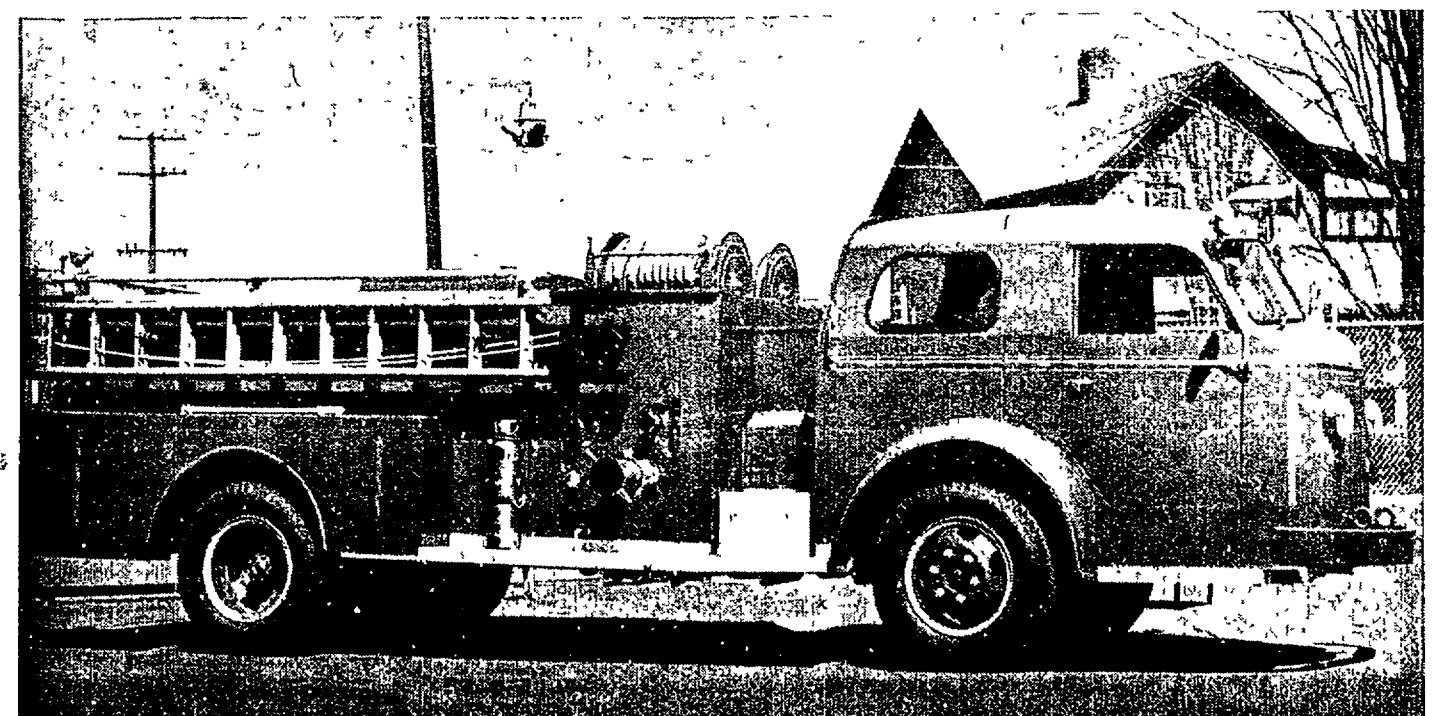

brought against the builder by the residents:

- 1. Inadequate frontage,
- 2. Obtained permit by misrepresentation, and
- 3. Encroachment upon interceptor sewer.

It was mentioned that the southwest corner of the basement being constructed by Comerford is one foot from the center line of the interceptor sewer. "If the encroachment upon the easement of the interceptor sewer is true," (Continued on Page 10)

SOUNDS FISHY but Lee Lemmon and Chris Krauter (right) claim it's really true. As city officials drained the water out of the mill pond early this week, these two Northville lads went fishing with bows and arrows. The water was less than three feet deep in places and the day's shooting netted the boys eight fish weighing 34 pounds. A 26-inch carp was the longest. (In case you're wondering how they got their arrows and the fish back to shore, it's like any fish story... there were strings attached.)

LOOK AT WHAT YOU'RE BUYING! The City of Northville ordered this American LaFrance fire engine at the council meeting Monday evening. Delivery is expected before the end of this year. See story above.

2 Showers Honor Arlene Jerome

Two showers were given last week in honor of Arlene Jerome who will marry Richard Hooker June 23.

Naomi Wessels of Clawson, cousin of Arlene's, gave a kitchen shower at the Jerome home May 31 for 22 relatives and friends. Naomi will be Arlene's maid of honor.

The bride elect's future mother-in-law, Mrs. Joseph Hooker, gave a miscellaneous shower in Kalamazoo Friday. The guests included several of Arlene's classmates from Bronson Methodist hospital school of nursing. Mr. and Mrs. Jerome and Jerry went to Kalamazoo for the shower. Mr. Hooker entertained the men while their wives attended Arlene's party.

Japanese Lanterns Decorate Lawn for Wedding Reception

Mrs. Eleanor Dethloff and William Windhorst were united in marriage at St. Paul's Lutheran church Saturday at 7 o'clock in the evening. Rev. E. E. Rossow of Saginaw performed the ceremony.

Mrs. Dethloff's parents are Mr. and Mrs. Charles Westphal of High St. Mr. Windhorst is the son of Mrs. William Windhorst and the late William Windhorst of Fraser, Mich.

The bride wore a pale yellow gown of net over taffeta with a picture hat of the same shade. She wore a white orchid corsage and carried a white bible. Matron of honor was Mrs. Richard Lane who was gowned in pink taffeta, net and lace. She carried a bouquet of pink carnations.

Mr. R. Spaunburg of Livonia was best man. Ushers were

George Westphal, Dr. Howard Cadwell and Otto Schock.

Junior attendants were the bride's daughter, Shirley, who wore blue net over taffeta and a corsage of pink rosebuds, and Michael Goodrich.

Mrs. Westphal wore a gown of medium blue lace. Mrs. Windhorst wore a black and white print gown.

Mr. and Mrs. Clifton Hill were hosts to over 200 guests at a garden party at their home on Beck Rd. The bridal couple received the guests under an archway of bridal wreath and white gladioli which was floodlighted with blue lights. The Hill's swimming pool was surrounded with lighted Japanese lanterns and arrangements of lilacs and bridal wreath.

Following a wedding trip to Florida, Mr. and Mrs. Windhorst will reside in Fraser, Mich.

Wagenschutz-Lovett Rites Read in Candlelight Service

—Photo by J. Stark

Mr. and Mrs. William Lovett, Jr.

Gowned in frosty white embroidered nylon, Sally Jean Wagenschutz became the bride of William L. Lovett, Jr. in an impressive candlelight service at the First Presbyterian church Saturday at 8 o'clock in the evening.

The Rev. John O. Taxis performed the double ring ceremony before an altar decorated with cathedral candles and large bouquets of white peonies.

Sally is the daughter of Mr. and Mrs. Harry F. Wagenschutz of 341 Beal St. and William is the son of Mr. and Mrs. William L. Lovett of 29850 Clark St., Novi. William G. Williams sang "Because" and "The Lord's Prayer" accompanied by Mrs. Bart Connors.

The bride's floor length gown was fashioned with a bouffant skirt. The fitted bodice featured a bateau neckline embroidered with pearlescent sequins and short sleeves. Her finger tip veil fell from a cap which matched the embroidery of her gown and it was embroidered in sequins and seed pearls. The bridal bouquet of lilies of the valley was in perfect harmony with the simplicity of the bridal gown. Sally wore a pearl ring, wedding gift of the bridegroom.

Mrs. John Winkler was matron of honor and Mrs. Bruce Wagenschutz and Marilyn McCarthy were bridesmaids. They are all from Northville. They were gowned alike in Cotillion blue silk organza and carried cascade bouquets of majestic white daisies.

Arland K. Lovett, brother of the bridegroom was best man. Bruce Wagenschutz, brother of the bride, Lyle G. Jensen of Inkster, John Severance of Melvin and William Crandall of Bellaire ushered.

Mrs. Wagenschutz wore a toast gown and long coat of silk organza with a matching hat. Her corsage was fashioned of pale green Cymbidium orchids. Mrs. Lovett wore a navy sheath of lace with a hat to match. Her corsage was a white orchid.

A reception in the church hall for 275 guests followed the marriage ceremony. Mrs. Lyle Jensen presided at the punch table and Mrs. John Severance, sister of the bridegroom and Miss Alice A. Hosback poured at the tea table. Miss Elise Ann Wagenschutz and Miss Elaine Ann Hunter, cousins of the bride, had charge of the guest book.

The new Mrs. Lovett is a graduate of Northville high school and has been assistant secretary in the superintendent's office of the high school this past year. Her husband graduated from Bellaire high school and attended Michigan State university.

Mrs. Lovett's going away outfit was a navy blue suit and white accessories. The young couple left for two weeks wedding trip in northern Michigan. Following their return they will reside at 229 1/2 High St.

Out of town guests were present from South Bend, Ind., Milwaukee and Fond du Lac, Wis.

BPW Hosts 60 Guests At Last Meeting

Approximately 60 guests attended the May 28 meeting of the Northville Business and Professional Women's club.

Guests of honor included the Rev. and Mrs. John Taxis, Mr. and Mrs. R. H. Amerman, and Mr. and Mrs. Elroy Ellison. Members from BPW clubs in Livonia, Ypsilanti and Garden City were also present as were 38 girls from the Northville high school senior class.

Miniature girl graduates decorated each girls place setting and corsages were presented to each one.

The Rev. Taxis gave the invocation and later gave a message entitled "The Spirit of '56". Two songs were sung by Mrs. Ruth Jerome accompanied by Mrs. Gladys Connors.

One of the highlights of the evening was the unveiling of the BPW scholarship trophy and plaque. These will be presented the night of graduation by the club president, to the girl graduate meeting the qualifications set up by the scholarship committee.

The winner will not know about the award until the night of graduation. Her name will be engraved on the trophy and it will remain in the school; however, the plaque will be given to the graduate to keep. This will be an annual award.

The five past-presidents of the BPW were present at one table. They were Beatrice Carlson, Marcella Douglas, Elizabeth Etz, Evelyn Ware, Mabel Cooley and the present president, Mabel Stenson.

Marcella Douglas installed the new officers: Mabel Stenson, re-elected president; Florabel Sullivan, vice-president; Isabel Schultz, recording secretary; Alice Ritchie, treasurer, and Irene Kernizek, corresponding secretary.

A.L. Aux. Changes Meeting Date

After many years of meeting the second and fourth Tuesday of each month, the ladies of the American Legion Auxiliary voted recently to change their meetings to the second and fourth Wednesday of each month according to Mrs. Lena Hammond, publicity chairman.

According to Mrs. Hammond this change was made in the hopes that it would solve the baby sitting problem for the younger members.

The first meeting will be held Wednesday, 8 p.m., June 13 at Veterans' Memorial hall.

The agenda of business will be nomination of candidates for office, convention plans and coming district dates.

Mr. and Mrs. Linwood Snow, Jr. are enjoying a two week's vacation in Florida.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Cooking is an art and certainly one that receives world wide appreciation from both sexes.

Ask any husband about his wife's talents and if the little woman can cook, that will be one of the first things he'll announce.

Because of business reasons Mr. and Mrs. G. F. Hollinger, 46625 Stratford Ct., find it necessary to eat many of their meals away from home, but when Mrs. Hollinger does cook it's something "different".

Mrs. Hollinger, or Dawn as she is called by her friends, likes to experiment with different recipes. "I like to fix things out of the ordinary," Mrs. Hollinger said, "and my husband just loves the different surprises."

Mrs. Hollinger was a fashion and photographers model before her marriage and continued in that field full-time until she and her husband moved to Cincinnati, O. While there she did some modeling and television commercial work. She also found time to start a millinery and fashion accessories shop.

Since moving to Northville three years ago, Mrs. Hollinger has been kept quite busy decorating their new home, entertaining and doing some free-lance modeling.

Her recipes for a summer lunch designed to stimulate an appetite follow:

Picnic Potato Salad
(salad dressing optional)
2 slices of bacon cubed
2 eggs beaten
1 tablespoon sugar
Add sugar to beaten eggs. Fry

Mrs. G. F. Hollinger displays her idea of a cool summer supper: cranberry chicken mold, potato salad and spiced tea essence.

cubed bacon. When crisp, add eggs, stir, remove from fire and allow to slightly cool. Add to mixture of

2 cold cubed boiled potatoes
1 hard boiled egg diced
1 cubed tomato
1/2 cup diced celery lettuce
1/2 teaspoon celery seed
1/2 teaspoon mustard seed
Serves two generously

Spiced Tea Essence
4 cups water
4 cups sugar
1 teaspoon cloves

1 teaspoon cinnamon
grated rind of 2 lemons
1 cup orange juice
1 cup frozen lemonade
1 cup pineapple juice
12 bags black tea
2 quarts boiling water
Combine sugar, water, cloves, cinnamon (last two ingredients tied in cheesecloth) and boil for five minutes. Add rind and juice. Cool and place in refrigerator. Steep tea for three minutes in quart of boiling water. When ready to serve add remaining boiling water and spiced essence. Serve hot or cold.

Engaged

Mrs. Grace Bowen of 376 Pennington, Plymouth, announces the engagement of her daughter, Nancy Kay, to William Runge, son of Mr. and Mrs. Frederick Runge of 47787 Cherry Hill, Plymouth. The wedding is planned for October.

Tea Honors Visitor

Mrs. Clyde Schoultz of 495 W. Cady St. will honor a visitor from California Saturday afternoon with a tea. Mrs. Elizabeth Ambler, sister-in-law of Mrs. Schoultz arrived Tuesday and will divide her time between Mrs. Schoultz and her aunt, Mrs. James A. Huff of West St.

Mrs. Ambler was brought up in Northville and lived here for many years before moving to California.

"YOU CAN'T BEAT THE BEST"

youth, beauty,
Chevrolet,
action!

The new Bel Air Convertible—one of 20 sassy-styled new Chevrolets.

Want to take the wheel of one of America's few great road cars?
Want to send pleasant little tingles up and down your spine? Want to drive
the new car that politely murmurs "Move over, big boy" to the
high-priced jobs? Then hustle on in and try out a new Chevrolet V8!

Now showing—the happiest "double feature" of the year! One part is bold, new Motoramic styling. The other is record-breaking V8 action.

Hollywood has a heap of words that describe it: colossal, stupendous, magnificent. We'll settle for just the name—Chevrolet.

Because once you've driven this sweet-handling showboat, the adjectives will take

care of themselves. Once you've sampled Chevy's hair-trigger reflexes and nailed-down stability, you'll see why it's one of the few great road cars built today!

Horsepower that ranges up to 225 makes hills flatter and saves precious seconds for safer passing. And this new Chevrolet clings to curves like part of the pavement.

Stop in sometime soon and highway-test this record-breaking new Chevrolet.

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE.

There isn't fisherman who does not appreciate the frustration of these disciples in their "fish story". Sometimes I wonder what they told their friends when they came back — do you suppose they made the famous retort that, "you shoulda seen the one that got away?" Being humans, I suppose they said something comparable. Well, anyway, they didn't have much luck at fishing.

Yet there is something else in this fish story that is also understood by all who are followers of Izaak Walton. That is the idea of "getting away from it all" or "getting a new viewpoint on things" which is a value of quiet fishing away from routines. It is

Boys In 3rd Grade Are Spelling Champs

Are boys or girls better spellers? Third grade students at the Main St. elementary school found out this week that the boys are. Boys and girls from the three 3rd grades had a spello-down and the class winners from each room were boys: Larry Hurlburt, David Thomas and David Schmidt. The three boys then entered the finals and David Schmidt emerged the champ. The teachers said that the children were very interested and enjoyed the competition.

Open House Honors Guests from Boston

An open house for 60 guests Saturday at the F. Alden Shaw home on W. Nine Mile Rd., honored the Shaw's son, Joseph, his wife and their two children, Alden and Billy, who have been visiting here from Boston. Another son of the Shaw's, Dan, who is with the Shell Oil Co. in Houston, Tex., was here for the week end. Mrs. Shaw, Alden and Billy returned to Boston this week but Joseph will remain here for another three weeks.

YOUTH CONFIRMATION class received at St. Paul's Lutheran church May 20, 1956. From left to right: Delores Feole, Joyce Balko, Edith Witt, Carolyn Van Atta, William Petz, Rev. B. J. Pankow, pastor, Carole Tabor, Joann Hinman, Chris Krauter, Cecilia Newton and Arlene Wittrick. The group received Holy Communion for the first time Sunday, June 3. On the same day 12 adults were received into membership.

Another Friendly Service THE ELY BUDGET PLAN Takes the BUMP Out of Winter Fuel Costs!

WHY BE AT WINTER'S MERCY?

The weather is no respecter of your pocketbook. If the temperature drops, you have to safeguard the health and comfort of your family. That's why there are bound to be some months when your bill for heating fuel soars a lot higher than you ever expected... and this can really upset your plans!

THE ELY BUDGET PLAN

is based upon the simple principle that the average family's total fuel oil bills for the entire heating season can be estimated with close accuracy. It's not an installment plan—and it doesn't cost you a penny more than you'd normally pay for the fuel oil needed. CALL US TODAY AT NORTHVILLE 190 FOR FULL DETAILS ON HOW THE ELY BUDGET PLAN CAN HELP YOU.

FORD is the world's largest-selling "8"!

The figures are in for another year! During the past year Ford sold over half a million more eight-cylinder engines than its nearest competitor... more, in fact, than its two low-priced competitors combined. This victory is the latest in a long string of similar victories. For Ford has led the world in V-8 sales and V-8 manufacturing experience over the past 24 years.

We're celebrating our greatest year with even more of the V-8 "soup" that's become a Ford trademark. Now you can have the terrific 225-h.p. V-8 in any Fairlane or Station Wagon model with Fordomatic Drive... or get the mighty 202-h.p. V-8 as the standard eight, at no extra cost. Also, the 202-h.p. V-8 is available in Fordomatic Mainline and Customline models, at modest extra cost.

THIS '56 FORD V-8 "MAINLINER SPECIAL"

AROUND AN INDIAN CAMPFIRE are sixth grade students from the Main St. school, left to right, Joe Lawrence, Daryl Hopper and Fred Runstrom. According to the report given at the school's Michigan Day assembly, "Indians were the first people in Michigan. Nobody knows when they arrived, but they occupied the land for several thousand years before the coming of the white man." Over 150 students took part in the program.

signed petitions asking for annexation of the entire district to Northville. Many others would sign, he told the board, but they have been away from home when those circulating petitions called. Davis explained that his purpose in coming to the Northville board was to learn if it would favor annexation of the entire Durfee district if that district held an election to vote on the matter.

Nelson Schrader of the Northville board said the Durfee annexation would be advantageous to Northville but expressed fear that it might upset plans of the four school districts in Novi township to consolidate into one district that eventually would have its own high school.

At this point the Northville board told Davis that it could not get into the position of telling a group of private individuals

its official stand on annexation but if it received a formal annexation request from the Durfee board of education it would have to act upon the matter.

Davis left the meeting then but returned about 11 o'clock with a letter from Paul Beard, Durfee board moderator, formally asking for annexation of the entire district.

Schrader again questioned how Durfee annexation would affect other Novi districts. After some discussion it was agreed that the Durfee petitions and the letter from the Durfee board of education would make it necessary for Northville to take a stand for or against the annexation. Board member Eliza Wagenschutz then moved that Northville accept the request of Novi No. 6 Frl. district (Durfee) for annexation subject to approval of the state superintendent of education. The motion was seconded by Schrader and approved by the board.

Early Tuesday morning, however, Paul Beard and Edmund Yerkes of Durfee district telephoned Northville Superintendent Russell H. Amerman to ask that the Northville board "forget" the entire episode until it received further word from the Durfee board. Beard expressed fear that he had acted hastily in writing the formal request for annexation.

A hurried canvass of Northville board members by telephone brought agreement to forget the matter unless it is brought up again. Amerman said he was told the Durfee board may hold a special meeting this week.

Novi School Notes

The AMVET Auxiliary presented a good citizenship award to Dorothy Boyer, eighth grader. They also presented a good citizenship award to Willard Springer, eighth grade pupil.

Teachers Leaving

Three teachers are leaving Novi school faculty this year. They are Richard Griffith, seventh grade teacher; Mrs. Mabel Schwartz, second and third grade teacher, and Foster Calahan, ninth grade teacher.

News In the Grades

In the sixth grade at an honor assembly Wilfred Ramsey, Larry Snow and Roy Rice were awarded certificates for having perfect attendance and not being tardy all year. Freda Angel, Russell Stevenson, Shirley Coleman, Jack Boyd and Dennis Marshall were awarded buttons for four 6-week periods of being neither absent nor tardy.

Mrs. Atkinson, principal presented ribbons to all librarians.

Fifth Grade

Mrs. French, fifth grade teacher supplied drinks, candy bars and cup cakes to pupils on their trip to the woods last Tuesday. Carol Ann Newbegin acted as chairman and others on the committee were Bobby Taylor, Jimmy Jones, Dickie Geer, Ginger Cheeseman and Diane McCollum. The five pupils with perfect attendance were Billy Adams, Jeff Crawford, Kenny Hayes, Sue Geppert and Bobby Taylor.

Artist's View of New Lincoln Plant

A LOT OF PLANT - AND A LOT OF MONEY. This architectural drawing shows the multi-million dollar general office building and assembly plant of the Lincoln Division of Ford Motor Co. now under construction on Wixom Rd. north of Grand River. A check for \$8,000 was received by Supervisor Frazer Staman (left photo) early this week as payment for a building permit issued to the company recently. Occupancy of the 200,000 square-foot office building, which incorporates the life-slab type of construction, is planned for January, 1957. The 1,300,000 square-foot plant, with an annual capacity of 90,000 cars on a straight-time basis, is scheduled to go into operation in mid-1957. The new Lincoln headquarters will employ about 5,000 people, with an annual payroll between \$25,000,000 and \$30,000,000. The architectural and engineering work was done by Smith, Hinchman and Grylls, Inc. of Detroit.

Farmington Man Is Found Dead on US-16

A Farmington resident, John E. McKenzie, was found dead in his car on Grand River May 31 by Novi police.

McKenzie was believed to have suffered a heart attack while loading dirt into a trailer beside the road, police said. Efforts to revive the victim with a resuscitator failed. His address was listed as 24025 Middlebelt Rd.

Building Permits Hit \$25 Million Mark

Twenty-nine building permits totaling a record \$25,292,790 were issued by Novi township during the month of May. One building permit alone, that of the new Lincoln plant, accounted for approximately \$25,000,000 of the total amount.

A check for \$8,000, the fee charged for the permit, was received by township officials early this week.

Turtle's Tale

Evicted From Life-long Home

The police report merely listed the case as "trouble with turtle". The turtle, had he been consulted, might have listed the case as "trouble with builders".

At any rate, a 30-pound snapping turtle found himself homeless a few days ago in the midst of the township's biggest home development, Willowbrook Village.

It seems that the turtle's home,

a pond, had been filled in to make room for more houses. This in itself wasn't so bad, except that Mr. Turtle found himself definitely unwelcome in other newly-built homes nearby.

Homeless and feeling rather mean after several days without a home, the creature showed up at the home of Mr. and Mrs. Paul White, 23872 W. LeBost Dr. Mrs. White promptly called Novi police who gingerly placed him in a bushel basket with the aid of a long-handled shovel.

They then released him at the edge of a nearby creek and he swam away to live happily ever after... until the builders come along and fill in the creek.

Methodists Install Officers & Teachers

The Novi Methodist Sunday School officers and teachers were installed at the church Sunday. They were: organist, Mrs. Celia Sharpe, superintendent; Mrs. Russell Button, assistant superintendent; Mrs. James Mitchell; secretary-treasurer, Mrs. Glen Schenimann.

Nursery classes, Mrs. Rose and Mrs. Duane Bell; beginners, Mrs. Robert Skellenger and Mrs. Doyce Ward; substitute, Mrs. Harold Ortwine; primary and second grade, Mrs. Radcliffe; and substitute, Mrs. Andy Kozak; primary, third grade, Mrs. Vernon Martin; substitute, Mrs. Angel.

Junior class, Mrs. Charles Trickey, Jr. and Mrs. W. A. Wadland; fifth grade, Mrs. Jack Crawford and Mrs. John Klaser; sixth grade girls, Mrs. R. E. Ward and Mrs. Jene McHale; sixth grade boys, Mrs. Claude Swift.

Young people, Mrs. Louisa Larson and Mr. and Mrs. Robert Kirkwood; adult class, Mrs. James Cotter and Mrs. A. McCollum.

Change Choir Practice
Methodist choir practice will now be held at 8 o'clock Wednesday evenings through June.

Baptist Church To Have Children's Day

Children's Day will be celebrated next Sunday at Novi Baptist church. The children will have full charge of an open session in the church service.

Daily Vacation Bible School will be held at the church June 19-22, inclusive, and June 26-29, inclusive. The theme will be "The Living Bible". The times will be 9 to 11:30 a.m. on the above dates. There will be classes for all ages.

Rebekahs Meet for Pot-Luck Luncheon

The Past Noble Grands will meet at the home of Doris Darling June 14 for a pot-luck luncheon at noon.

The regular lodge meeting will be June 14.

Memorial services for IOOF and Rebekahs will be held at Novi Methodist church Sunday. The IOOF and Rebekahs will meet at the church hall in a group to attend services.

Question "Irregularities" In Court, Atty. Advises

Democrats Delighted . . .

\$64 Question-Is Treasurer "Appointed" or "Elected"

On the heels of a Monday night statement by Novi Township Attorney Archie Leonard that vacancies in the office of township treasurer must be filled by special election, the Novi Democratic club announced Tuesday that it would request a special election to fill the post.

Leonard's Monday night statement came as a surprise to township officials, including Charles Trickey, Jr., who was appointed by the board following the death of Treasurer Russell Woodworth a year ago.

Mrs. Bernard Marchetti of Novi Rd. was honored at a pink and blue shower last Tuesday evening. Mrs. Ross acted as hostess for the occasion.

Novi Girl Scouts

Several leaders and committee people of the Novi Girl Scouts attended a Thank You tea at Farmington high school Monday night. Those who attended were Mrs. Vincent Hayes, Mrs. Kenneth Bassett, Mrs. William McDermald, Mrs. Dan MacGillivray, Mrs. Bernard Marchetti, Mrs. William Paquette and Mrs. Lester Clarke.

The Senior Scouts attended a "Scouts Own" at Farmington last week. This week they plan to go on their bike hike.

Outlines Bd. Policy For Twp. Meetings

A standing-room-only crowd heard Township Attorney Archie Leonard pour oil on troubled waters at Monday night's Novi township board meeting.

At the request of board members, Leonard told the spectators present that "... the township board performs its duties in good faith ..." and that actions taken by the board are to be questioned according to parliamentary procedure and in a manner prescribed by law. He suggested that citizens having grievances could accomplish much more through private talks with board members on a neighbor-to-neighbor basis.

Thus, in a 15-minute talk Leonard brought to peaceful conclusion a meeting which many observers thought would last well into the night.

Reliable sources reported that a number of citizens planned to attend Monday's meeting to protest the speed with which the Novi branch of the National Bank of Detroit was recently built and alleged irregularities in the issuance of the building permit.

Referring to the bank building, Leonard said, "The license to build has been issued by the proper officer."

"It is claimed by certain interested parties," he continued, "that this is a case of irregularity... the township board performs its duties in good faith and the burden lies on those who question whether these irregularities do exist to question them in court if necessary."

"Actions taken by the township board are not to be challenged at board meetings... by indulgence in public discussion."

Novi businessman Leo Harwood rose to his feet at this point and asked Leonard, "Do you mean to tell us that for anything we wish to bring up, (before the board) we have to get an injunction or go to court?"

"Not at all," Leonard replied. "You have the right to approach any member of the board individually. They're your neighbors... They are people who have been elected and put in office."

He also pointed out to Harwood that elections are held every two years, and he further emphasized that the courts are only a last resort if an individual feels the board's action has damaged him and other methods of

recourse have failed.

Other important matters coming up for discussion during the evening concerned additional annexation, a liquor license and "appointment" of a treasurer.

Clerk Hadley Bachert read a letter from the secretary of state notifying the board that the question of annexing additional land in Novi township to the city of Northville would appear on the Aug. 7 election ballot. The land proposed for annexation lies west of Center St. between the 8-Mile and 8½-Mile lines and extends westward slightly more than a quarter mile.

Five houses and the Amerman school now occupy the site. The property is also being considered as a possible site for the proposed new high school.

A liquor license request by Bob-O-Link golf course on Grand River west of Beck Rd. was tabled by the board. The owner had requested a license permitting sale of liquor eight months during the year. Board members did not favor granting a license. Staman pointed out that six other long-time residents in the township have applied for licenses in the past and been turned down.

Attorney Leonard made a surprising statement during a question and answer period following his statement of board policy. When asked how board vacancies should be filled for unexpired terms, Leonard said that all positions are filled by appointment except the position of treasurer which requires a special election.

Present treasurer, Charles Trickey, Jr., was appointed by the board slightly less than a year ago following the death of Treasurer Russell Woodworth.

The fact that meeting procedure had been well planned was evident. Board members held a 15-minute private get-together preceding the regular meeting.

A rather untimely humorous incident occurred at 8:15, shortly after the meeting got under way. Following reading of the building inspector's report, Trickey said, "I make a motion to adjourn."

Fellow board members cast inquiring glances at him and Clerk Bachert hurriedly asked, "How about the bills?" The meeting then proceeded in order until Leonard had finished his statement of board policy. At that time, Trickey asked for (and received) a second to his adjournment motion.

IT'S A TOUGH JOB being eighth grade class president when all the other officers are girls, according to John Early. Other Novi school eighth grade officers surrounding John are (left to right) Vice-President Bonnie Pratt, Secretary Mary Schenimann and Treasurer Joyce Klein.

Student-Pastor To Be Introduced At Services June 10

George H. Spriggs will be in-
troduced to the congregation of the
First Presbyterian church
June 10 as the student-pastor for
the summer months. Mr. Spriggs
is the recipient of the church's
\$300 dollar scholarship awarded
to a summer student-pastor who
is preparing for the gospel min-
istry.

George H. Spriggs

Mr. Spriggs is a graduate of
Alma college, graduating with
honors, Magna Cum Laude; the
faculty and student body of the
college, selected him as the out-
standing senior of the graduating
class, and as such he received
the coveted Barlow trophy at
commencement season. At this
time also, Mr. Spriggs received
his certificate of membership in
"Who's Who In American Col-
leges and Universities", marking
the achievement of his four years
of undergraduate study. Mr.
Spriggs will enter Princeton The-
ological Seminary, Princeton,
N.J. in the fall and will occupy
the pulpit at the First Church
here in Northville throughout
June, July and August.

He will preach his first sermon
to the congregation as student-
pastor Sunday, June 10 at the
9 and 11 a.m. worship services.
He will assist the pastor of the
church, the Rev. Mr. Taxis, at
the Sacrament of Holy Commu-
nion Sunday, June 24 at both ser-
vices. During the month of July,
while the pastor is on vacation
Mr. Spriggs will occupy the pul-
pit for the regular Sunday ser-
vice at 9 a.m. only. This schedule
of one service per Sunday will
continue from July 1 to Sept. 9 at
which time the Session will re-
sume dual services.

Daily Vacation Bible School
The annual Daily Vacation Bi-
ble School will open June 11.
This school is open for boys and
girls of any denomination from
five years and upward and will
be in session from 9 a.m. until
12 noon each week day, Monday
through Friday, June 11 to 22.

Through the Church School
Council, special plans are under
way to prepare a series of ex-
cursions or field trips for mem-
bers of the kindergarten and pri-
mary departments of the Sunday
School. These trips will be open
for boys and girls of these two
departments who have received

fire hose, accessories and fire
truck.

Councilman Stubenvoll said
that perhaps that would be a
good idea. "Bidding separately
may be to our advantage," he
said, "we might save money and
get the same quality."

Councilman Reed asked for the
Northville fire chief's opinion.
Chief Bill McGee said that he
needed at least 2,000 feet of hose
immediately. "We use the same
type hose that American La-
France is bidding on now. If we
had a separate bid I don't know
if it would be cheaper," he said.
The committee recessed for 25
minutes.

After returning to the room
Mayor Ely said, "We discussed
this matter thoroughly. Does any-
one have a motion?" Councilman
Reed made a motion to accept
the bid of American LaFrance
as specified except that the tank
capacity be changed from 400 to
500 gallons since the company
does not make a 400 gallon tank.
Councilman Allen seconded the
motion.

The contract was post-dated
effective July 2. Councilman
Reed advised the council that
there might be a possibility of
receiving Civil Defense aid in
the purchase. "The program has
been discontinued for a few
years," he said, "but it might
start again after July 1." Reed
continued, "to receive any-reim-
bursement the fire engine must
be paid for in full."

Police Car Bids

Before the bids for police cars
were opened, Councilman Can-
terbury requested that he be ex-
cused from voting in view of his
employment (he is a Ford Motor
Co. executive). The request was
in order with the charter, a mo-
tion was made, and the council
granted his request.

Two bids were received for a
police car and the council voted
to purchase a Plymouth Plaza,
200 h.p., for \$1,208 and the 1955
Plymouth police car in trade.
Reasons for the purchase in-
cluded, "It's the low bid," and
"last year's model has been out
of the repair shop more than
other cars in the past." The bid
was submitted by G. E. Miller
Sales and Service.

Rezoned

Upon recommendation from
the planning commission, the
council rezoned lots 110, 111 and
that part of 112 that appears as
112 a1a on the Wayne County
Board of Taxation plats from
residential to commercial. The
property is north of the 7-Mile
cut-off on Plymouth Rd.

The council also rezoned lots
680, 681, 684, 685, 686 and 687
from residential to commercial.
This land is in back of the Boy
Scout Bldg. facing Hutton St.

a "pass" at Sunday School the
preceding Sunday, and will en-
title them to bring one guest to
accompany them on the trip each
week.

Each trip is planned to leave
from the church parking lot at
about 9 a.m. on Wednesday and
the group is to return about 4
p.m. in the afternoon.

Full details will be made avail-
able to all interested parents by
calling the church office.

Bldg. Violation ...

(Continued)

Littell said, "it might interfere
with public use of the sewer and
that is the township's business."

Robert Shafer, zoning board
chairman, suggested that this be
checked with the Wayne County
Road commission.

"Why don't you order the man
to stop any further work," one
resident asked.

"Why don't you cancel his per-
mit?" another said.

"Why was it issued?" ques-
tioned a third.

Building Inspector Don Nutten
said that when the application
for building was filed the infor-
mation was acceptable; however,
since then certain specifications
have been found to be false.

Township Attorney James Lit-
tell said, "If it is true that the
permit is one and a half years
old it should be revoked."

"I renewed it this year," Nut-
ten said.

"You're chargeable for knowl-
edge in the existing records," Lit-
tell explained, "and if you gave
him a permit that permit was
given in error."

"The job is stopped," Nutten
said, "and he is going to appeal
it. That's all there is to it."

Littell said that Comerford
should go before the zoning board
or board of appeals and ask for
relief. "He should follow a cer-
tain procedure now and Don
should put the cease work order
in writing."

Attorney Littell explained to
Nutten that since the plats were
in the possession of the township
they should have been checked
before issuing the permit.

"They're not at my house,"
Nutten said.

"You could have come to the
township office to see them,"
Littell said.

"Well, what should I do in the
future," Nutten asked.

"Hold up issuing any permits
until you know that they're
right," Trustee Robert Merriam
ventured.

Treasurer Roy Terrill suggest-
ed that maybe Nutten should
have plat copies in his home. "He
has to do a lot of running," Ter-
rill said.

"He gets paid for running,"
Merriam said, "and one little trip
down here would have saved us
all this trouble."

"There's no reason to get all
lathered up," Nutten said, "the
man is going to appeal it and he
said that he stopped working."

Clerk D. J. Stark made a mo-
tion that Nutten should submit
all pertinent data to Attorney
Littell and if there is an apparent
violation Littell is to proceed ac-
cordingly.

an active interest of community
welfare, economic health and
cultural progress.

"During the annexation con-
trovery in 1955, we were con-
vinced that consolidation of Ply-
mouth township into the city of
Plymouth would not have been
in the best interests of township
residents. The overwhelming vote
against annexation Nov. 1 has
borne out this opinion.

"Therefore, we believe that it
is not only reasonable but our re-
sponsibility to oppose annexation
of all or a part of the township
to the city of Plymouth at this
time for the following reasons:
(1) We sincerely believe interests
of the Plymouth township com-
munity would be better served
with its present form of govern-
ment until the services of a city-
type government are more ob-
viously necessary. (2) The tre-
mendous cost of higher taxes to
Burroughs. (3) Because township
residents are overwhelmingly
not in favor of such a move and
to oppose the clearly expressed
desires of our own community
would certainly not be in the in-
terests of good corporate citizen-
ship."

I'M NOT SO BAD

The first step toward be-
coming a Christian is so in-
sulting to people that they
immediately turn from the
truth to seek something more
comforting and less humbling.
As is stated in the old catech-
ism, the first step is to learn
how great our sins and mis-
eries are. The Bible plainly
states "For there is no dif-
ference for all have sinned and
come short of the glory of
God" (Romans 3; 22-23), and
again "There is none right-
eous no not one... they are to-
gether become unprofitable;
there is none that doeth good,
no not one" Romans 3; 10-12.
But don't get the idea that we
always seem that bad to our-
selves. We are quite capable
of considerable discipline. We
can learn that "honesty is the
best policy" and that it doesn't
pay to lie because you get
found out. To live the "Golden
Rule" as far as possible will
make you a good neighbor and
you shall have bushels of
flowers at your funeral. Yet
in God's sight such a one is
still a sinner and worthy of
death and hell. When one ac-
knowledges that this is true,
that he is a sinner and can do
nothing but sin, then he is in
the proper frame of mind to
listen to the remedy God has
provided through Jesus Christ.

Frank Pauli and Mr. and Mrs. Robert Herter arrived at the Bertonis' newly purchased home opposite Meadowbrook Country club in the early evening. Shortly afterward, some of the guests accompanied Mr. Bertonis to inspect the barn in the rear of the property and discovered that the barn was on fire.

Mr. Bertonis was testing a refrigerator in the barn. The refrigerator developed a short and

NHS To Graduate Three Sets of Twins

Three sets of twins will be among the 91 Northville high school seniors who will receive diplomas at commencement exercises tonight, June 7.

The twins include Harold and Farrell Moore, James and David Mosher and Dolores and Darwin Teshka.

Each twin expressed the desire to be separated from his twin after graduation. "Eighteen years has been long enough," the Teshkas said, "and 17 years has been long enough for us," echoed the Moores and Moshers.

Harold Moore plans to enlist in the U.S. Army Air Force immediately for the four year program. "I want to be a mechanic," he said. His older (15 minutes older) brother, Farrell, studied commercial subjects in high school and plans to enter the commercial field. "I'll wait and be drafted," he commented.

James and David Mosher intend to begin college studies this fall. David, the oldest by 20 minutes, plans to follow a liberal arts course and become a Baptist minister. James would like to be a chemistry teacher.

Dolores Teshka plans to follow a commercial art course at the Detroit Society of Arts and Crafts. Her brother, Darwin, 10 minutes older, is going to enter the U.S. Army, under the eight year reserve program. He will be on active duty for six months and in the reserves for the remaining time. "After my six months hitch," Darwin said, "I plan to enroll in Wayne university and major in music."

OLV Building Fund Soars Over Goal

Our Lady of Victory parish held the first general report meeting of its new church building fund campaign last Thursday. To the satisfaction of all concerned the report showed that \$87,000 has been realized thus far. With still another week to go before the active phase of the drive comes to a close, the total is expected to go even higher.

Father Heraty, pastor of Our Lady of Victory Parish, in a short talk to the workers, stated that he was extremely pleased with results of the campaign.

TWENTY YEARS AGO—

Because no funds have been received from the federal government, work on the PWA water reservoir project has been indefinitely halted as a result of a vote taken Monday evening by members of the village commission.

Michigan farmers were treated to a million dollar rain storm Monday and Tuesday. The earth was drenched, thoroughly soaked, by one of the heaviest and most intense storms of recent years in showers that lasted no more than eight minutes. The storms ended a semi-drought that had been retarding the development of crops.

Bible School To Be Held June 11-22

St. Paul's Lutheran church, High and Elm streets, Northville, will again conduct a vacation Bible school this summer. The school has been scheduled for two weeks, June 11-22, from 9 to 11:45 a.m., Monday through Friday. Children entering kindergarten this fall and older may be enrolled by their parents on Saturday, June 9 from 2 to 4 p.m. or before or after the Sunday school hour (11:15 a.m. to 12:15) on Sunday, in the Sunday school office of the church. Mrs. Norman Witt and Mrs. Carl Zinnecker are in charge of registration.

"God's Children Pray" will be the theme of the vacation Bible school this year. The two weeks of Christ-centered lessons are intended to give children personal experience with prayer. There will be four separate departments of youngsters from age five to 14.

The school will close with a special service on Friday, June 22 at 7:30 p.m. Parents and friends are invited. More information may be obtained by telephoning Northville 151.

New C.S. President

Clifford A. Woodard of Cambridge, Mass. was named president of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. June 4.

Mr. Woodard's appointment was announced by The Christian Science board of directors at the annual meeting of the denomination attended by thousands of Christian Scientists from many parts of the world. The term of office is for one year.

An authorized teacher and practitioner of Christian Science,

Mr. Woodard holds degrees from Harvard college, Harvard graduate school of arts and sciences and Harvard law school.

A native of Warren, Pa., he became interested in Christian Science through a healing received as a boy. He joined The Mother Church in 1903 and has been active in various capacities in the Christian Science movement for many years.

Baptist Youths Have Banquet

The Senior Baptist Youth Fellowship held a banquet Tuesday evening at the First Baptist church of Northville, culminating the year's activities. All those who had attended the noon day luncheons throughout the year were invited.

The young people were presented wrist corsages or lapel carnations as they entered the church dining room, which was decorated with spring flowers and Japanese lanterns.

Tribute was paid to Mrs. Ray Custer, leader of BYF, for her part in cooking and serving the noon day luncheons, and to all the ladies of the church who assisted her.

Special music was furnished by James Steenson of West Bloomfield Baptist church, who played several trumpet solos, accompanied at the piano by his mother.

The speaker of the evening was Vernal Shannon of Detroit, director of the Christian Witness to the Jews. Mr. Shannon is a highly entertaining speaker and

June's best buys are Dairy Foods!

Look for the gay Dairy Month pennants wherever you go—in food stores, restaurants, dairies, everywhere. Let them remind you to eat more, serve more; milk, real butter and ice cream. To enjoy cheese and real cream more often; to enrich your recipes with evaporated milk and nonfat dry milk. In short, to get more of all the good things America's dairy farmers provide at a time when they are, more than ever, June's Best Buys! When visiting Walt Disney's fabulous Disneyland see the exciting dairy foods display in "Tomorrowland." Learn how easy it is to eat better for less! Recreation Department Hopes To Form Own Baseball League, Says Stanley Johnston

An invitation is issued to all boys between the ages of 10 and 12 years to join the Northville Midgets Baseball league.

"Last Saturday 44 boys turned out for the first practice," Stanley Johnston, recreational director said, "and this number makes it possible for the recreation department to form its own league."

Four teams will be formed and more boys are needed to complete the 12 to 14 years team.

The best 15 players from the entire group will be chosen to form a separate team to represent Northville in the Livonia Recreation Midget league.

The next practice will be held at Cass Benton park Saturday, June 9 at 9:30 a.m. In case of rain the teams will be chosen at the Scout hall.

"Any boy can join the Midgets regardless of ability," Johnston said. "If the boy is 13 years old before Sept. 1 he has to play with the Class E, or 14 years and under group," Johnston continued. "The Class E group and the 16 and under will have its first meeting at Cass Benton park June 11 at 9:30 a.m."

"If there are any adult men interested in coaching one of the midget teams, I wish that they could come to the park Saturday morning," Johnston said.
