## SHAFER, SCHRADER ELECTED TO SCHOOL BOARD

### Baby Boy, 20 Mos., Drowns In Creek

A 20-months old Northville township boy tumbled into a creek in Cass Benton park Sunday and drowned.

The victim, Randal Lee Deen, 16745 Northville Rd., was with his brother Richard, 3, when he fell into the creek about 600 yards west of his home.

The boys stole out of their home early Sunday morning, still dressed in their pajamas.

Their mother, Shirley, 19, was asleep. Their father, Iar, 23, had gone to work at the Ford Motor Co., Livonia plant.

The youngsters toddled across Mead Mill Dr. and into the park. About an hour later Richard awakened his mother and said, "Randy fell in the water."

Shirley ran to the park and searched for a half hour, but she couldn't find Randal. She called her husband at work. Iar called Northville firemen who recovered the body.

"They had started walking toward the creek before," Shirley said, "but I'd always managed to catch them before they got to it. They were just too young to explain things to."

The baby was taken to the Schrader Funeral home in Plymouth and then sent to Tennessee for burial. Funeral services will be held today, June 14.

Besides his parents and brother, Randal is survived by his maternal grandparents, Mr. and Mrs. Sam Applewhite of Samburg, Tenn.; and his paternal grandparents, Mr. and Mrs. Fred L. Deen, Hornbeck, Tenn.

### T. C. Chappell To Graduate June 16

Terry C. Chappell, 816 N. Center St., will be graduating from Cleary college, Ypsilanti, June 16.

The 72nd annual commencement exercises will be held at 2 p.m. on Saturday at which Tom King of Michigan State university will deliver the commencement address. Mr. King's topic will be "The Relationship Between Education and Leadership". The public is invited to attend.

Following the commencement exercises, a reception will be held in the Alumni room of Cleary college for the students, their families and friends.

### Fr. A. Heraty Transferred To Hazel Park

The Rev. Father Anthony Heraty, pastor of Our Lady of Victory church, received word this week from the Detroit Diocese that he will be transferred from his present parish to St. Mary Magdalen in Hazel Park. Father Heraty will leave June 22.

Father Heraty has served the Northville parish for four years and although he is sad to be leaving his parishioners, his new post is in the form of a promotion.

He will have two assistants to help him. There are approximately 3,000 families attending the St. Mary Magdalen church and 800 children in the school compared to 320 families at Our Lady of Victory church and 167 students in the school.

"I enjoyed the work in Northville," Father Heraty said. "It was a challenge coming here. There was a \$63,000 debt four years ago...now there is only \$10,000 left to pay. There were no special collections, no drives, the people just knew it had to be paid and gave generously."

"Not too long ago," Father Heraty continued, "I told the parishioners that Our Lady of Victory church was the saddest in the diocese...well, I can tell you, it won't be a year from now. Our new church building fund started just a few weeks ago and we already have \$109,000 pledged. The new building will seat 700 comfortably. The people here are wonderful," Father Heraty said, "and I have just one regret...I won't have a hand in this building. At least I was privileged to start the ball rolling," he smiled.

During Father Heraty's tenure, the OLV Mother's club was organized in 1952 and the Men's club was organized early this year.

Replacing Father Heraty will be Father John Wittstock.

Father Wittstock has been engaged in youth work for the past 20 years at the CYO Youth home. He has also been a big brother at the juvenile court and an active leader in Girl Scout and Boy Scout work.

COUNTING THE BALLOTS after the June 11 school board election were (clockwise left to right) Mrs. Claude Ely, Mrs. Herman Hartner, Mrs. Clifford Winter and Mrs. Emma Reid. In a vote almost double last year's, Nelson Schrader was elected to his third term on the school board with 349 votes and Robert Shafer was elected to his first term with 440 votes.

### Seventeen Scholarships Given To 8 Northville High School Seniors

Lillias Mairs

Gerald Dresselhouse

James Mosher

Carolyn Burkman

Eight Northville high school seniors shared in 17 scholarships, ranging from \$150-\$250, at commencement exercises Thursday, June 7.

Leading the list with three scholarships each were Lillias Mairs and David Hartner. Lillias received scholarships from the Future Teachers of America club, the Northville branch of the National Farm and Garden Ass'n., and the Business and Professional Women's club award.

David received the Driving club scholarship, the P-TA scholarship and a four year tuition award to Wayne university which he has declined.

Following with two scholarships each are Judy Thompson, Gerald Dresselhouse, Carolyn Burkman, James Mosher and David Mosher.

Judy received the Optimist club nursing scholarship and the Detroit Times oratory award; Gerald received the William H. Cansfield scholarship offered by the Northville Exchange club and also a scholarship to Lawrence Institute of Technology; Carolyn shared in the Danforth award and received the E.C. Stephenson scholarship; James won the Junior Student Council award and the Bausch and Lomb science award, his twin brother, David, shared in the latter award and also shared in the Danforth award.

Roger Nieuwkoop was the recipient of the Woman's club scholarship.

Other special awards which were announced May 29 include the State Board of Education scholarship to Central Michigan college of Education to Kathleen Heatley...

Wayne university music scholarships to Donna Frisbie, Kathleen Heatley and Shirley Snow...

and the American Legion oratory award to Ken Krezel.

### Local Teacher Listed In Who's Who

Alvin Skow, Northville junior high school social studies teacher, has been listed in "Who's Who in American Education" for the second time.

The book, which is published every two years, lists approximately 9,000 persons in the field of education.

Skow has the honor of being the only Northville educator listed in the book. He was first mentioned in the 1953-54 edition because of his counselling and safety court at the Portsmouth junior high school.

His mention and picture in the 1955-56 edition was for his work with the Northville junior high school social studies class, which, with his guidance, developed a printed history of Northville. Skow received national recognition for that project as well as complete coverage in the Mich. Education Ass'n. Journal. Skow said that the majority of persons listed in this book have published or have had things published about them in educational journals.

Skow received his B.S. degree from the University of Omaha in 1944 and his Master of Education degree from the University of Washington in 1947.

He is married and the father of four children.

Skow is a delegate to the Michigan Educational Ass'n. and a N.E.A. delegate.

He is a member of the Purple Mask Literary club, Masons, Saturday Luncheon club, Optimists and Kiwanis.

### Newcomer to Board Gets Highest Vote

707 Cast 1,322 Votes for Candidates

Robert Shafer

Nelson Schrader

Seven hundred and seven persons marked up 1,322 votes out of a possible 1,414 at the Northville School Board election Monday, June 11 and elected a newcomer, Robert Shafer, and incumbent Nelson Schrader to fill the two offices for a three year term.

Results of the election follow:

Robert Shafer—440

Nelson Schrader—349

(incumbent)

Martha Milne—267

E. Jane Wagenschutz—266

(incumbent)

Schrader will be serving his third term with the Board of Education.

Voting this year, practically doubled in comparison to last year's election returns. A total of 373 votes were cast last year.

The 1954 election was a mere formality since the incumbents were unopposed.

A special school board meeting was held Wednesday night, June 13 at the Board of Education office to certify the election. The newly elected board members also signed an acceptance of office form.

### Eaton 1st To File for State Representative

The Northville Record received word early Wednesday morning that Sterling Eaton, Republican, was the first candidate to file for the office of State Representative from the 21st district.

Eaton filed Wednesday morning with County Clerk Edward Brannigan in Detroit.

The deadline for filing is Tuesday, June 19.

### Joint Boards O.K. Split for Durfee School District

The portion of Novi's Durfee School District No. 6 located south of 8-Mile Rd. was transferred to the Northville school district June 7 at a joint meeting of the Wayne, Oakland and Washtenaw county boards of education.

The transfer, which received the unanimous approval of the 17 board members present, paves the way for a Novi consolidation involving the remainder of the Durfee district, the East Novi District, the Putnam District and Novi School District No. 8.

The joint boards' action followed a special election meeting held May 16 by members of the Durfee District in an effort to determine the boundaries along which a split should be made.

At that election, the residents voted 34 to 22 in favor of permitting the Northville district to annex the area south of 8-Mile Rd.

### Former Resident Combines Scraps of Iron To Invent Wire Laying Machine

A former Northville man, George Shoebridge, son of Mr. and Mrs. George Shoebridge of 18010 S. Beck Rd., is reported to have made quite a name for himself in Milford with a contraption he rigged up to lay electrical wiring.

Shoebridge was awarded a contract to lay more than 20,000 feet of underground wiring at the International Girl Scout Encampment at Highland Recreation area. His two-man operating machine is said to have saved the state both time and money.

Shoebridge says the machine can lay wiring in the ground and cover it up at the rate of a hundred feet in a minute and a half. Attaching another shoe...he can reverse the process in the same amount of time.

In order to operate the wire planter, Shoebridge had to design and hand-build a small tractor to pull the invention. This he calls the "Little Monster" and

it is built entirely from combinations of scrap iron.

It is a miniature scale model of an Allison-Chalmers tractor and is made up of parts of a Crosley, Model-T and Harley-Davidson motorcycle.

The planter does not damage a lawn as it plants the underground wire, Shoebridge claims. A Colter blade slices a three-inch swath in the sod, then a reel feeds the wire down to the desired depth. A roller immediately pushes the sod back into position.

After the encampment at Highland Recreation area, the underground wiring will be removed by reversing the planting operation.

Shoebridge lives at White Lake and operates his electrical sales and service business in Milford. He was born and raised in Northville and attended school here. He has one brother, Clifford, who is in business in Northville.

SCHOLARSHIPS were awarded to three eighth grade graduating students at Our Lady of Victory school June 6. In the picture above the winners are, left to right, Sally Plamondon, daughter of Mrs. Beatrice Plamondon, 124 High St.; Frank Bosak, son of Mr. and Mrs. Frank Bosak, 43000 9-Mile Rd., and Mary Lou Jones, daughter of Mr. and Mrs. Richard Jones, 46155 W. 7-Mile Rd. The scholarships that Mary Lou and Frank received were presented by the OLV Mother's club to further the graduates' education in the parochial schools. The awards were given for outstanding achievement. Sally won her scholarship to Ladywood high school in a competitive examination.

B.S., R.N. and M.D. are all titles that Mrs. Jo Ann Gorton Levitt can write after her name starting Sunday, June 16.

A former employee at Sessions hospital, Mrs. Levitt will graduate from the University of Michigan Medical school this week.

She will intern at Edward W. Sparrow hospital in Lansing, the hospital where she received her nursing degree in 1949.

Mrs. Levitt earned a bachelor of science degree at Michigan State university. She is a 1943 graduate of Plymouth high school. The daughter of Mrs.

Mrs. Levitt  
B.S., R.N., M.D.

Frances Gorton and the late Forrest Gorton of Plymouth, Mrs. Levitt is married to U.S. Army Capt. Robert Levitt, now stationed at Fort Knox, Ky.

She is affiliated with Alpha Epsilon Iota, women's medical sorority.

An open house will be held in her honor at 679 Forrest St., Plymouth, Saturday at 8 p.m.

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Mothers of the college set have no doubt been sending all kinds of cookies to be consumed in dorms, sororities and fraternities — each student probably having his own favorite brand that "Mother makes". Cut out this recipe for Chocolate Chews and save it for next year for it's a good one. The recipe makes three dozen cookies which won't last as long as it takes to say "three dozen" when they arrive at college.

Mrs. Fred Gotts made two kinds the day the above picture was taken, the Chocolate Chews and some brown sugar cookies, too. She and Mr. Gotts took them to their son, Larry, who just completed his third year at Michigan State university. Larry is steward at his fraternity, Phi Kappa Psi. The Gotts drove to East Lansing to see the Water Carnival — the exciting annual event staged on the Cedar River at MSU.

The Gotts live at 836 N. Center St.

Mrs. Gotts Removing Chocolate Chews from the Oven

1/2 cup sifted confectioners sugar  
Chill two to three hours. Form in balls one inch in diameter. Roll in confectioners sugar. Place on greased baking sheet two to three inches apart. Bake in moderate oven (350 degrees) about 20 minutes. Makes 3 dozen.

## Garden Club Members Make Gifts For Flower Show June 15

Members of the work committee of the Northville Woman's National Farm and Garden club, met at the home of Mrs. D. Hurd Clark last Wednesday to make raffia dolls, door stops and other attractive garden gifts which will be sold at the flower show Friday, June 15. The show will be

open from 2:30 to 9 p.m. in the Community Bldg.

According to Club President Mrs. Glenn H. Cummings, the proceeds from the flower show will go toward a \$250 scholarship fund to send a girl or boy from Northville high school to a state college of their choice.

This year's scholarship from the Northville branch of the Woman's National Farm and Garden Ass'n. was awarded to NHS senior Lillias Mairs.

Lillias will enroll in the home economics department of Michigan State college in September.

This is the first year for the Northville branch to award a scholarship locally. Previous to this the club donated \$100 to the Michigan Division fund.

## Madame Volpert Honored With Bon Voyage Tea

Mrs. John H. Begle and Mrs. Rano Papini are giving a bon voyage tea for Madame Denise Volpert who leaves Northville June 16 for seven weeks vacation in France. The tea for the 40 guests will be at the home of Mrs. Begle on 9-Mile Rd.

Madame Volpert, who resides with her son-in-law and daughter, Mr. and Mrs. George Muller of 215 Hill St., will attend a wedding in Paris June 23 and then go to Biarritz to visit her mother and two sisters who have a villa on the sea there. She will fly back about Aug. 8.

## Officers Elected At D.A.R. Meeting

The following officers were elected at the May meeting of the Sarah Ann Cochrane chapter, Daughters of the American Revolution. The officers' term will expire in one year:

Takes the BUMP Out of Winter Fuel Costs!

## WHY BE AT WINTER'S MERCY?

The weather is no respecter of your pocketbook. If the temperature drops, you have to safeguard the health and comfort of your family. That's why there are bound to be some months when your bill for heating fuel soars a lot higher than you ever expected . . . and this can really upset your plans!

## THE ELY BUDGET PLAN

is based upon the simple principle that the average family's total fuel oil bills for the entire heating season can be estimated with close accuracy. It's not an installment plan—and it doesn't cost you a penny more than you'd normally pay for the fuel oil needed.

# THE HEAT'S ON, BUT.....

NEW LINCOLNS will be rolling past these structural steel beams late next year, according to the present construction schedule. Erection of the steel framework for Novi's multi-million dollar Lincoln plant got under way last week. Workmen for W. E. Wood, general contractors, began erecting the northern portion of the assembly plant housing the final car preparation area (left). Cars will be given a check-up in this area after coming off the assembly lines.

## Even Novi Police Dept. Found Life Uneventful

Even the Novi police couldn't find much to talk about and called last week one of the quietest on record, according to Police Chief Lee BeGole.

To emphasize the sudden arrival of the summer doldrums, BeGole outlined the activities of a typical day, in this case, Monday, June 11.

## Novi Highlights

By MRS. LUTHER RIX  
Phone Northville 245-J

Mr. and Mrs. Jack Eby have returned to their home on 12-Mile Rd. after a three weeks vacation in Florida.

Mrs. Ralph Walden is visiting her sister and other relatives in Connecticut for a couple weeks. Seaman 3rd Class Bob LaPlante has been discharged from the Navy and came home this week. He has been at the New London Connecticut base for the past four years.

Mr. and Mrs. Frank Arnett, formerly of Novi and now living in Jamaica are visiting the latter's father and mother, Mr. and Mrs. Vern Loesler while on their vacation in Michigan.

Rev. and Mrs. James Travis and children who have been visiting relatives in Novi and Northville for the past week have returned to their home at Hennessey, Okla. where Rev. Travis is pastor of the Baptist church.

On Sunday, Rev. Travis preached at the Novi Baptist church of which he was a former member. Rev. Travis also presided at the dedication service for James Michael O'Neil, son of Rev. and Mrs. James O'Neil.

Bible School at Novi Baptist church begins next week and will be held for four days from 9 to 11:30, June 19-22 inclusive and for four days June 26-29 inclusive with classes for all ages.

Mrs. Howard Greer is a patient at Atchison hospital in Northville.

Mr. and Mrs. Anthony Skeltis held open house Sunday at their home on Whipple St. The occasion was to celebrate their son, Bill's graduation, also a pre-father's day. One hundred of their friends and relatives from Wyandotte, Livonia, Ecorse, Detroit, Royal Oak, Brighton, Farmington and Novi were present.

The Novi Methodist church WSCS will meet for the last time until fall at 12 noon June 20 in the church basement.

Mrs. Florence Hayes attended the monthly business meeting of the Novi Girl Scouts at the home of Mrs. Wendell Brown in Farmington Tuesday.

## Blue Star Mothers To Visit Vets Today

Mrs. R. E. Ward entertained the Novi chapter of Blue Star Mothers at her home Monday evening.

Reports were given by Mrs. Ward and Mrs. Fred Mandik who attended the Department of Michigan convention in Saginaw for four days last week.

On Thursday, some of the Mothers will go to Veterans' hospital, Ann Arbor, and others will cook and serve the Board of Commerce dinner in the evening.

## Pvt. Tillery Sent To Fort Hood, Tex.

Army Pvt. James H. Tillery, 19, son of Mr. and Mrs. James H. Tillery, 908 Brushwood, Walled Lake, is receiving advanced infantry training in the 4th Armored Division at Fort Hood, Tex.

The division, reactivated in June 1954, is now undergoing a comprehensive training program. The unit won fame in Normandy and Bastogne in World War II.

Tillery, assigned to Co. B of the division's 553d Infantry Bn., entered the Army last January and received basic training at Fort Leonard Wood, Mo.

RECORD CROWDS tried to beat the heat Sunday afternoon at the Novi township park and bathing beach on Walled Lake. Located on South Lake Dr. approximately one-half mile west of the Casino, the park offers complete camping, picnicking and swimming facilities to Novi residents.

## the Willowbrook Corner

by MRS. THOMAS MORRISON  
PHONE Greenleaf 4-2523

Leading off the list of eight new families in Willowbrook this week are Dan and Pat Sheldner of 40930 W. 10-Mile Rd. and their three children, Terry 5, Debbie 3 and Kathy one. They are former residents of Traverse City and Grand Rapids. Dan is assistant district manager of the Carnation Co., Detroit. He served in the army engineers and Pat served in the Air Corps. Dan was born in Cadillac and Pat is a native Detroit.

Robert and Carolyn Pohlman of 41119 McMahon Circle are former residents of Cincinnati, O. Mr. Pohlman is a designer for Ford Motor Co. at the transmission division. Their children are Carol Jo 8, Randy 6 and Dale 4. The Pohlmans like to bowl and golf. Bob attended the University of Cincinnati and served in the Marine Corps. Carolyn was born in Iowa and Bob in Cincinnati.

Jerry and Barbara Laub, 41065 S. McMahon, former residents of Detroit, have one son, Joseph Albert, two months old. Jerry works for Reilly Plastics in Detroit as a stereotyper and his hobby is fishing. He served in the army.

While waiting for their home in Willowbrook to be finished Wayne and Lee Ball are living in Berkley. They will reside at 41081 S. McMahon Circle. They are former residents of Hicksville, N.Y. They have one son, Clarke who is nine. Wayne attended Western Michigan college in Kalamazoo and works for the Chrysler Corp., Highland Park.

Wayne was a Navy pilot. They are great enthusiasts of do-it-yourself and like dancing and outdoor activities. Wayne likes to paint. Mrs. Ball is very interested in getting adult couples of single dance class going. She is an original Arthur Murray teacher of ballroom dancing in New York City.

Ken and Nancy Milliken of 41032 S. McMahon Circle are formerly from Maryland and moved to Willowbrook from Alton Park. They have two children, Bill 21 months, and Jeff who is two months old. They both enjoy golf and are interested in joining a bridge club. Ken served in the Navy. The both attended the University of Maryland.

Bill and Elaine Carlson join our newlyweds in Willowbrook as they were married in October. They moved into their new home at 41051 S. McMahon Circle in March. They were interested in all sports. Bill works for Koltconbar Engineering Co., Hazel Park. He served in the Navy and attended Wayne university and Michigan School of Applied Engineering in Detroit.

Formerly of Altoona, Pa. Claud and Thelma Bentley moved to 41011 S. McMahon Circle from Northville after having lived there for a year. They have two children Cathy 10, Claud 7, Lynne 5, and Gail 22 months old. Ken works for the Ford Motor Co. in Livonia and served in the Air Force.

James and Irene McCormick of 41024 N. McMahon Circle are formerly of Oak Park. Jim works at General Motors Tech. Center as director of clay modeling school. They have two children, Lynn 7 and Kim 5. Irene likes to bowl and play bridge and is very much interested in joining a bridge club for couples or ladies. Jim likes golf. Jim received his masters degree from Cranbrook in Bloomfield Hills.

Guests of Mr. and Mrs. Lewis Chismark for dinner Sunday were Dr. and Mrs. Madara Bailey and their children, Christine and Bobby, from Beverly Hills.

Mr. and Mrs. Walter Klerkx and Mr. Martin of Mill Stream attended the graduation party of Mr. Klerkx' nephew, Edward Whyte, from St. Vincens Sunday. Last week Martin Klerkx went to the junior high dance. His date for the evening was Janet Thompson from Northville.

Friday, Mrs. Klerkx took a few of the boys from Willowbrook swimming at Walled Lake. They were Dave Thayer, Jerry Martin, Tommy Morrison and Steven Bernard.

## Township Meeting Monday Afternoon

The regular meeting of the Novi Township board will be held Monday, June 18 according to an announcement made early this week. The scheduled time and place of the meeting is 2 p.m. at the Township hall.

Thursday and Monday Gary Thompson loaded up his car with a gang of boys and they went swimming at the Novi section of Walled Lake. They were Bill Johns, Jerry Martin, Richard Hurlburt, Pete Carter, Steve Barnard, Tommy Morrison, Martin Klerkx and Dave Thayer.

Mr. and Mrs. Freytag and family and Edward Freytag went to Ohio Sunday. They were guests of their cousins, the Fred Freytags, of Napoleon, O.

Mr. and Mrs. Keating of McMahon Circle had their sons, Kevin and Mark, baptized in the Methodist church in Imlay City Sunday. Imlay City is Mr. Keating's home town.

Mr. and Mrs. Thomas Morrison and Nancy and Ronny were dinner guests of Mr. Morrison's mother, Mrs. Louise Morrison, of Detroit Sunday. After dinner they took a ride to see the new state park near Monroe.

Mr. and Mrs. A. Ferguson, Jr. and children, Kerry and Susan, were dinner guests of Mr. and Mrs. A. Ferguson, Sr. Wednesday. The Bert LaBrams had quite addition to their household. Their boxer "Duchess" gave birth to six pups Friday.

Tommy Morrison, Jerry Martin and Tina Seestratt attended the junior high dance Friday.

Nancy Morrison, Jay Wittenberg and Sharon Williams spent Monday afternoon at Whitmore lake. They went with the bus load that leaves Northville.

The Rickleys of Mooringside returned from Daytona Beach, Fla.

Mrs. Irene McCormick is interested in getting a bowling league started. Any ladies interested should get in touch with her at GR-4-7553.

Mrs. Lee Ball is interested in getting youth activities started. She is interested in teaching them ballroom dancing, etc. Her number is GR-4-7185.

(Continued on Page 8)

## Bd. of Commerce To Meet Tonight

The Novi Board of Commerce will hold their last meeting of the summer tonight, according to President Leo Harrawood.

It will be a general meeting, Harrawood said, and dinner will be served by the Blue Star Mothers at 7 o'clock. The business meeting will follow.

## Where To ???

"Where are we going, how are we going, what are we going to do?" asked 30 members of the Rebekah degree team this week. The program chairman offered no clue.

The members are slated to take a mystery trip Friday evening, June 15. A report has been promised for next week's edition.

## Mrs. Harrawood Honored With Baby Shower

Mrs. Leo Harrawood was honored at a baby shower last Friday evening in the basement of the Novi Methodist church.

Approximately 50 guests were present.

Mrs. Mary Wickline, mother of the honoree and her sister, Mrs. Mary Lou Morris and Mrs. John Klasner, Sr. were hostesses. Games were played and lunch was served later.

Mrs. Harrawood received many lovely and useful gifts. The out-of-town relatives were Mrs. Gladys Petri of Dearborn, Mrs. Linda Wickline of Highland Park and Mrs. Alice Boundy of Detroit.

## Recognition Pins Awarded At Meet of Mother's Club

CONSTRUCTION WORK on a new 40-bed colonial ranch-style nursing home got under way recently as earth moving equipment began preparing the 6¼-acre future site of Whitehall Convalescent Home on 10-Mile Rd., just west of Novi Rd. Designed by the owner and his wife, Mr. and Mrs. Lloyd Johnson, the home will be in addition to the present home now operated by the couple on Grand River, east of Novi. The new building will feature a "dead level" roof built to hold approximately one inch of water for cooling purposes in the summer and fire protection. Of brick veneer construction, the building will be one-story and contain 18 2-bedroom units in addition to four private rooms. Johnson said he expects the building to be ready for occupancy by September 1. Johnson and his wife, Mabel, have owned and operated the Whitehall Home for the past five years.

# Leukemia Strikes 3 Yr. Old Girl In Northville Twp.

Carol Ann Donnelly  
"... smiles come hard"

Carol Ann Donnelly is a tiny 3-year old girl with fair skin and golden curls. Her eyes are big, blue and searching. She has dimples when she smiles, but smiles do not come easily anymore. Carol Ann has leukemia.

Three weeks have passed since Carol Ann's condition was first known to her parents, Rene and Lorene Donnelly. Of course, Carol doesn't know. How can you tell a three year old...and how can you make her understand that she is going to die?

Carol Ann doesn't realize the seriousness of her illness, but she does know that something is wrong. The attention she has been receiving lately from doctors and nurses has been confusing. The visits to the hospital, the needles, the medicine and the transfusions have all contributed to her bewilderment.

Carol Ann had chubby little arms and legs and the spirit to match the healthiest child in this area...until January.

It was at that time that she became ill with the flu. An attack of tonsillitis followed and she began losing weight.

Carol Ann lost her vitality and the inquisitive nature of a typical three year old. She spent more time than usual just sitting and playing with her dolls. She always seemed to be tired.

"Matter of Months"  
Carol Ann's parents worried about her long-time recovery and consulted their doctor May

25 at Detroit Osteopathic hospital. After taking a blood count, the doctor knew that something was wrong and had Carol Ann admitted to Children's hospital immediately.

Tests were made that afternoon and the next morning a member of the staff in the Hematology clinic at the hospital broke the news to the Donnellys.

"One doctor told us it was a matter of months," said Donnelly, "another doctor gave us six months to a year. We just don't know from week to week."

Carol Ann stayed in the hospital five days. She received blood transfusions and medicines to build her appetite and strength.

"Carol Ann has gained two pounds in the last week," Mrs. Donnelly said. "She weighs 29 pounds now and the doctors expect her to reach a normal level soon. She has been responding to the medicine very well."

As Mrs. Donnelly explained, the medicine that Carol Ann is now receiving, doses every two hours from 6 a.m. to 6 p.m. and another dose at midnight, will bring her little body to the normal point; however, it is only a matter of time until she becomes immune to the drugs. "There are three drugs that may be alternated," Donnelly said, "and when they have all been tried and Carol Ann's body resists

## The Northville Record

their assistance there will be nothing left to do."

Carol Ann made her weekly visit to the hospital Monday. "She had a blood count," her father said, "and she didn't need a transfusion this time."

**Expensive Disease**  
Leukemia is an expensive disease and the Donnelly's have no hospitalization. "The Leukemia Foundation furnishes blood," Mrs. Donnelly said, "but the medicines cost about \$60 a week."

"We received \$100 from the Oakland County Veterans trust fund," Donnelly said, "but we're at the end of our reserves now."

"We wanted our children, Carol Ann and Robert, 11, to grow up in the country, with lots of room to play..." Donnelly reminisced.

The Donnelly's have lived in their Northville township home at 45350 W. 10-Mile Rd., for one year, moving there from Redford township. "We had the shell put up last summer," Donnelly said, "and have been trying to finish it ourselves."

Right now the work has stopped and all attention is being focused on Carol Ann.

Donnelly is a salesman, but because of the slack season now he has only been working part time. "I've got a couple of leads on some full-time work," he said,

"and I've been trying to follow through on them this week."

**Likes "Pretty Cards"**  
The Donnellys would like to thank everyone who has been concerned about Carol Ann. "We appreciate the generosity of our friends and neighbors and even strangers who have sent her cards," they said. Carol Ann enjoys receiving mail and loves to look at "pretty cards."

The Donnelly's are heartbroken, but what can they do? "We have accepted the situation," Donnelly said, "and we're grateful that we've been told what to expect."

Mr. and Mrs. Donnelly speak calmly about their daughter's fate, but their eyes betray the sleepless nights they have spent watching over their baby, preparing her special diet, giving her the medicine which will help them to keep her a little while longer.

"The doctors said that they're making great gains in the research of the disease," Mrs. Donnelly said, "and someday they will have a cure for it."

Yes...someday...but too late for Carol Ann.

All you want in a hardtop  
...including a lower price!

The lines of the Ford Customline Victoria are low—and so's the price

## Ford's New Customline Victoria

Open-air smartness of a convertible...carefree GO of Ford's great V-8!

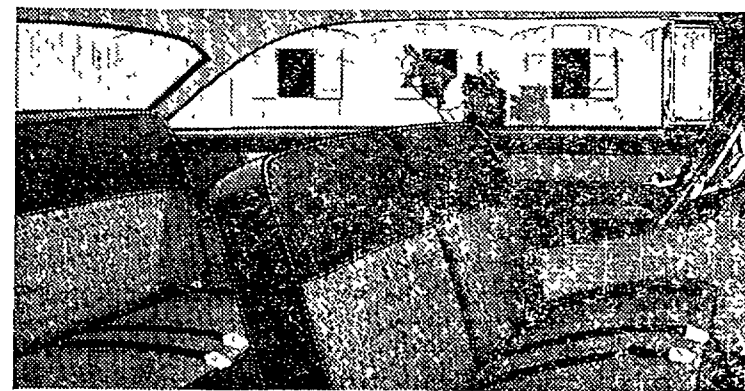

If you've admired the wide-open beauty of hardtops but have always been a little "gun shy" of their price, then this new Ford Customline Victoria was meant for you. For here is all you have dreamed of in a hardtop—including a price tag that will be a pleasant surprise!

But this car's economy only begins with its low price. Its low operating cost will delight you, too! In fact, this very model with its standard V-8 engine won the Mobilgas Award for delivering the greatest gas economy per pound in Ford's field! Or, you may order the mighty 202-h.p. Thunderbird V-8 engine that's now available in all Fordomatic Fords. This is the same basic engine that powered Ford to victory at Daytona.

Like its Fairlane running-mate, this Customline hardtop has quarter windows that roll down completely, leaving nothing between you and the view but fresh air. You get the open-air smartness of a convertible, the trim lines of a Thunderbird, and, when you want it, all the snug comfort of a sedan.

As for safety, you drive surrounded by Ford's Lifeguard safety features. You may never need the extra protection of Ford's deep-center steering wheel, double-grip door locks and other Lifeguard features...but it's nice to have them just in case!

This new Customline Victoria already is setting a fast sales pace. Better arrange your "driving date" soon. Slide behind the wheel and head for the wide open spaces. Then you'll understand why Ford is the V-8 with the world's biggest following.

You'll ride like royalty in the luxurious interior of the Ford Customline Victoria. Virtually a "living room" on wheels, it features deep-cushioned seats upholstered in exquisite new fabrics. Each fabric is color harmonized with the interior trim and exterior finish.

## Temperance Foun. Director To Speak At Methodist Church

Ross J. McLennan, executive director of The Michigan Temperance Foundation will speak at the First Methodist church Sunday, June 17 at 8:45 and 11 a.m. Mr. McLennan, member of the Detroit Methodist conference of the Methodist church, returned to Michigan after serving as vice-president of Taylor university, Upland, Ind. He has been a leader for the "drys" since graduating from Garrett Biblical Institute in Evanston, Ill. He spent several years lecturing for the National Prohibition committee, and has been a special lecturer on alcohol education for the United Presbyterian church temperance committee.

According to a release for the Record this week, "Mr. McLennan's message is far from the old type of 'dry' propaganda since he has the up-to-date facts and presents them in a sane, sensible manner, with unusual flare of humor which makes him a popular speaker among the youth of the state."

## from the PASTOR'S STUDY

The Rev. Peter Nieuwkoop, Pastor  
First Baptist Church, Northville

### WORLDLINESS AND SEPARATION

The problem of friendships, habits and amusements is one with which people, who profess to be Christians, are constantly wrestling with. Such amusements as mixed dancing, card playing, movies, horse racing and the like were unknown in Bible times. Even smoking and chewing of tobacco is but a few hundred years old. What should be the proper attitude of a Christian toward these and other things of like nature is the problem.

A truly born again child of God does not judge such matters by 'what other people think' nor by 'what I like to do' but is careful to search the mind of God as revealed in the scriptures. What does the Bible have to say? Directly—it has nothing to say. Indirectly—it has much to say. The Bible often times lays down a principle which can be applied to many actions of a very different nature. Christians then are to apply this principle by means of the Holy Spirit which dwells within him. One of the principles which governs this matter of worldliness and separation is found in I John 2:15-17.

### HERE GOD SAYS —

"Love not the world, neither the things which are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the

world. And the world passeth away, and the lusts thereof; but he that doeth the will of God abideth forever."

According to this verse the "world" consists of three things—  
"LUST OF THE FLESH"—The word "lust" means desires or cravings. The word "flesh" is used of our bodies in some cases and others as describing the lower sensual depraved nature which is common to human beings. It is evident that the meaning here is in the second sense. That is, to gratify all unholy desires, not only sensual desires but all types of fleshly lusts.

"LUST OF THE EYE"—by this he means that fierce passion to see and enjoy that which God has forbidden. Some people who would not think of committing some sin, yet would be an eager bystander and viewer of others who commit such sins. In the first chapter of the book of Romans beginning at verse 29-31 we have a list of sins common to man and for which man will be judged and condemned. The last verse says, "Who knowing the judgment of God, that they which commit such things are worthy of death, not only to do the same, but to have pleasure in them that do them." Even the pleasure of viewing such things is hereby condemned of God. In other words, the person who presses his nose against the glass, though not actually partaking of this evil, is just as guilty.

"VAIN GLORY"—the pride of life. The show and the pomp by which others are put in a lower class than ourselves. To be "somebody" in this world without regard to our responsibility to God.

### CHRISTIANS ARE TO BE DIFFERENT

We are called a "peculiar people". Not because we are to dress strangely and be eccentric. We are to be different because (1) We want always to do that which shall please God and (2) that which shall not be injurious to others, and (3) that which shall be best for us now and for all eternity. Billy Graham, nationally known Baptist evangelist, suggests asking six questions as a test of our behavior. "Does it violate any particular part of scripture? Does it take the keenness off my spirituality? Can I ask God's blessing on it? Will it be a stumbling block? Would I like to be doing that thing when Christ comes? Is it the best thing?"

Some people seem to be so afraid of being narrow, separated and different from others. But let us not forget that according to the Lord Jesus in Matt. 7:13-14 that the Christian way is described as a narrow gate and a narrow way that leads to life eternal. The broadway, the way most people are going and the things most people are doing

## Best Seller that's hard to beat

This '56 Buick is packed  
with new features—  
and priced close to  
the smaller cars!

WANT SOME QUICK FACTS on the big news in automobiles today—news that can guide you to a smart move and a real smart buy?

Then listen—it won't take long.

The 1956 Buick has so many new developments—in styling—in power—in performance—in ride and handling—that it is, literally, the best Buick yet. That's Fact No. 1.

And Fact No. 2 proves it: Buick today is more strongly entrenched than ever in the top three of the nation's best sellers—outselling all other cars in America except two of the well-known smaller cars.

One big reason for this success is the strapping new Buick SPECIAL—like the one pictured here.

It's priced right close to those smaller cars—but, like every '56 Buick, it's a whale of a lot more new car for the money.

Buick SPECIAL  
6-Passenger  
4-Door Riviera

It cradles a big, new 322-cubic-inch V8 engine that's record-high in power and compression, and crammed with engineering news even the costly cars can't claim.

It makes the most of every bit of power with a new version of Variable Pitch Dynaflo\* that's the most efficient yet. With a new development the engineers call "double regeneration," Dynaflo gives you great new acceleration from the first thrifty inch of pedal pressure. Even before you switch the pitch.

And this '56 Buick cushions you in the

softest ride ever. Shows an uncanny sense of direction on every curve and turn. Puts a whole new feeling of safety, security and solidity into every mile you drive.

So before you buy any car—catch up on the latest news. Come try a '56 Buick. When you see how much new automobile your money can buy, we don't think you'll ever settle for less.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

## Tennis Instructions Start June 15

Tennis instructions, a part of the summer recreation program, will start on Friday, June 15.

Instructions will be given at Cass Benton park beginning at 9 a.m. The instructor will be Miss Julie King. She will be at the park every day, Monday through Friday until July 2, at which time a different schedule will be announced.

It is important that the following time and age group schedule be followed:

- 12 to 13 years — 9 a.m. to 10.
- 14 to 15 years — 10 a.m. to 11
- 16 to 18 years — 11 a.m. to 12

Boys and girls will be instructed at the same time. All tennis balls and racquets must be furnished by the participant. The instructions are free.

Miss King is a graduate of Northville high school where she participated in G.A.L. activities. She is now attending Michigan State Normal college at Ypsilanti. She is majoring in physical education and plans on being a teacher.

Just Graduated...To a Cadillac!

It's graduation time! And this happy gentleman—appropriately enough—has just gone through some important graduation exercises of his own.

It was just a few minutes ago, in fact, that he stood in his dealer's showroom and accepted the keys to his first Cadillac car.

But even though he now holds his final degree, so to speak, in motor car ownership, his education in all the good things of motordom is only beginning.

Take performance, for instance. The car is so smooth and powerful, and so nimble and obedient that it automatically revises a man's standards of automotive performance.

Consider comfort. Rolling along the broadest boulevard or taking the roughest bylane, the car is incredibly smooth and level in ride.

And think about pride and satisfaction. What an extraordinary feeling it is to sit in command of the "car of cars"—and find yourself the subject of admiring glances on every hand.

Have you ever considered how wonderful it would be to "graduate" to Cadillac? If you have, then this is a marvelous time to make the move.

Certainly, it has never been easier to sign your name to the title. We are, happily, in a position to offer you prompt delivery on your favorite model—and we know you will be pleased to learn how practical Cadillac ownership has now become.

Why not stop in while the springtime is still with us—and spend an hour at the wheel?

It's a wonderful season and a wonderful car—and a wonderful opportunity to enjoy them both!

## Safety Patrol Girls Receive Certificates

APPROXIMATELY 60 safety patrol girls from Northville grade school received certificates this week after completing their first year of service. The girls were recruited from the third, fifth and sixth grade classes. Teacher supervisors were Mrs. Helen T. Bradshaw, back row left, and Mrs. Ora Lee Carroll, back row right. This group is part of the sixth grade group.

ADDITIONAL sixth grade girls who received safety certificates. The safety patrol captain was Gloria Hollis, front row left. The lieutenant was Pamela Parmenter, front row right. All of the girls were chosen for their jobs because they had good marks, could exercise self-control and had their parents' approval.

The youngest group of safety girls included these third graders.

These fifth grade students received safety certificates.

# Vote ☒ 'YES' on Annexation - Thursday, June 21

**After careful deliberation and investigation, it is the considered opinion of the City Council of Northville that annexation of the Yerkes property to the City of Northville will be to the best interests of the City**

This type of controlled growth, at little cost to the City, should be most beneficial to the residents of our community. The increase in population should aid our local merchants.

CLAUDE R. ELY  
Mayor

My primary interest in the new Yerkes estate subdivision is from a public works point of view. First, this would be a very fine improvement to the city of Northville to have a development of this kind with all of the utilities and improved streets completed at one time. Second, the new subdivision will make it possible for the city to construct sanitary and storm sewers for about 40 lots in the present Oakwood Subdivision. This is impossible at present because of the terrain. These sewers and drains will be tied in with the new subdivision.

A. MALCOLM ALLEN  
Councilman

The annexation of this property will provide an additional market for our local merchants of about 250 families. This will not only help the merchants directly, but by reason of the increased market they will then be able to give better service to the community as a whole.

EARL L. REED  
Councilman

The addition to the city of a well planned subdivision appears advantageous when all public improvements therein are paid for by the subdividers, thus there is no unfair financial drain on the city. The city can properly control the area in the public interest, and the tax base of the city is increased. Areas immediately adjacent to the city will inevitably be developed and if they are not a part of the city, they do, in fact, benefit indirectly at the expense of the city taxpayers.

JOHN S. CANTERBURY  
Councilman

The orderly growth of a community is contingent on control and planning. This complete new subdivision will permit proper expansion at little additional cost to the present city residents, a tax-wise feature non-existent in past years.

JOHN F. STUBENVOEL  
Councilman

## Vote 'YES' ☒ for ALL these Salient Reasons:

### PROTECTION OF PROPERTY VALUES... ASSURING ATTRACTIVE APPEARANCE OF CITY

The area to be annexed is directly adjacent to Northville, touching its border on two sides. It is distant from the center of Novi Township. Northville's Building Code and Zoning Requirements are among the highest in the state. Control of Building and Zoning by Northville's City Planning Commission and City Council, would provide the strongest form of insurance against unsightly structures and undesirable types of commercial and industrial installations rising on the City's borders and environs. No greater security can exist for Northville residents than to have controls for protection of property values and for standards of area appearance in Northville, rather than elsewhere!

### OPPORTUNITY for CAPITAL IMPROVEMENT

Amount of capital improvement the City will inherit with annexation will be in excess of a half-million dollars! This is an unparalleled opportunity for Northville to take over a developed area of 91 acres with water and sewer lines, paved streets, curbs, gutters, sidewalks, and some landscaping — all paid by developer and without expense to the City or its taxpayers.

### MEETING AN ISSUE SQUARELY

Enlargement and increased maintenance costs of Northville's sewer system is only a matter of time. It cannot be claimed reasonably that annexation means an increase in city sewer expenses. Such expenses are inevitable without annexation. As much as 75 years old now, sewer lines will have to be replaced in any event — and because of past growth and increased current use, replacement will have to be with larger lines — with or without annexation.

### BETTER SERVICE FOR A PRESENT CITY AREA

Annexation will mean that Northville can service with water and sewers that portion of Oakwood Subdivision within present city limits, which has not and cannot now be serviced because of land contour — and will not be able to be serviced in the foreseeable future in any other way that is economically feasible.

### INCREASED MARKET for LOCAL MERCHANTS

Annexation of this developed land will soon add 250 families with local loyalties to the City's trading area, and bring them as good customers to local merchants.

### OPPORTUNITY FOR GROWTH WITH NET GAIN TO THE CITY

Presently, \$87,000 is raised annually by direct personal and property taxes — including industrial and commercial, as well as residential levies. If annexed, \$25,000 additional will be raised by the completed new residential development alone. This is an increase of almost 30% of all direct taxes, and nearly 75% increase in the current levy against residential property!

When the area is fully occupied, cost of service — garbage and trash collection, police and fire protection, etc., will be much smaller than the anticipated \$25,000 additional annual revenue!

Moreover, Sales and Intangible Tax Diversion from the state is divided on a per capita basis. A conservative estimate of 1,000 additional residents in the annexed area in the coming few years, will mean approximately \$10,000 annually received by the City from the state!

In addition, certain net gains will accrue to the City from charges against the developer for services ordinarily provided by the City, but which the City will not have to provide.

## New Mixing Plant In Full Operation

The Oakland Paving Co., Inc. announced this week their purchase and modernization of an asphalt mixing plant located in the A.M. Thompson gravel pit at 48393 W. 7-Mile Rd., Northville.

"The plant is in its first week of full operation," said Paul Hoover, general manager. "We will make asphalt materials and lay residential driveways, commercial parking lots and industrial areas."

Hoover, who is in charge of general management and sales, said employment in his company will increase to 50 people in the near future. There are 12 employees at present. The company expects to cover the Northville and Detroit area.

"We have spent about \$75,000 so far in plant offices and equipment," Hoover said, "and that is only a portion of our expenditures."

General offices are located at Telegraph Rd. near 9-Mile Rd.

## Merchants Team To Battle for First Position Sunday

The Northville Merchants baseball team defeated the Pressler team of Detroit by a score of 17-3 last Sunday at Cass-Benton park.

Five thousand people were at the game," said Joe Kritch, Northville team manager, "maybe more. It was the biggest crowd I ever saw."

Three home runs by the Northville team were hit by Wally Dzurus, pitcher; Tom Kritch, left fielder, and Robert Turczyn, second baseman.

The team will play Romulus at Romulus Sunday for a battle for first place in the league.

### Red Wing Mgr. To Speak At Rotary

Jack Adams, general manager of Detroit's Red Wing hockey team, will make a personal appearance before the Northville Rotary club at the Northville Presbyterian church house Tuesday, June 26 at noon.

Appropriately termed "Mr. Hockey", Adams is probably the best known figure in professional hockey today. He has an outstanding record of 30 years with the Detroit Red Wings and prior to that a ten year record as a player with Toronto.

Adams is noted for developing the most extensive farm system

Jack Adams

in hockey, and for being the only man who has his name on the Stanley Cup in capacities of player, coach and manager.

The program will include film highlights of the 1956 Detroit Red Wing Stanley Cup playoff games, plus sidelights of hockey. A round table discussion will be held following the presentation.

The appearance of Adams is part of a state-wide tour designed to enlighten sports enthusiasts concerning the world's fastest game. The tour, sponsored by Stroh Brewery Co., will continue through June and July.

Harry B. Smith, Northville grade school principal, is the chairman in charge of arrangements for the special sports program.

### \$25,000 At Stake In Motor City Race At Wolverine Tonight

A band of the fleetest 15 class pacers in the country will face the starting gate in the \$25,000 Motor City Race which the Wolverine Harness Raceway will present tonight, June 14, at Detroit Race Course.

The early favorite is the famed Frisco Creed, world champion three year old pacing gelding last year with a dazzling 1:59. But he will have to be at his peak to win this time. Among his challengers will likely be such standouts as Adioleto, Hunderd Proof, Selka's King, Mac Primrose and Blue Goose.

This stake will be raced in three dashes — and possibly four. The first five horses in each of the first two dashes will return for the third heat. If a third horse wins this dash, the winners will come back again for a fourth try.

This has never happened in a pacing stake at a night pari-mutuel track in Michigan, but it could.

The fleet pacers will also be shooting at the Motor City record of 2:02 3/5 which is now held jointly by Meadow Gene and Warpath.

Nine races are presented each night, with the first race starting at 8:30. The meeting will continue through Saturday, June 23.

### Recreation Notes

"The Recreation Dept. will have competent supervisors for all of its activities," Stan Johnston, recreation director said this week.

"The safety and welfare of the youngsters will be the first concern; however accidents sometimes happen and the Recreation Dept. will not be held responsible," he said.

### Rodeo-Horse Show Planned for June 17

The second annual rodeo and horse show sponsored by the Livonia Kiwanis will be held Sunday, June 17 at Lone Pine Riding Stables, 30325 W. 6-Mile Rd., just west of Farmington Rd.

Starting at 10 a.m., the rodeo will feature saddle bronc riding, bareback riding, trick riding and steer roping, with entries from all over the country participating. The horse show segment will be conducted under the rules of the Michigan Ass'n. of Western Horse clubs.

All proceeds from the event will be used by Livonia Kiwanis for its work with mentally retarded children of Livonia. Admission is \$1, tax included. Children under 12, free. Tickets will be available at the grounds on show day, or may be obtained now by calling GARfield-1-9653 or KENwood-7-1015.

### SWIMMING —

Swimming every day Monday through Friday. Bus will leave at 1 p.m. and the charge is 15c. Children under eight should be accompanied by an older person. One bus will pick up at Ammerman school and one at Main St. school.

### BASEBALL —

"Pee Wee" baseball will start Friday, June 15. The first meeting will be at 10 a.m. on the north diamond in Cass Benton park.

This is for boys in the age group of 7 to 9 years. Fundamentals of baseball will be taught.

### DAY CAMPS —

Day camps will start June 18 at both elementary school playgrounds. This is for children of elementary school age. Every day Monday through Friday, 9 a.m. to 12 noon.

No charge except for some of the materials used in crafts.

It is suggested that the youngsters north of Rayson St. use the Ammerman camp. It was placed there for their convenience.

### ZOO TRIPS —

Zoo trips will start June 21. Bus will leave Main St. school at 9:30 a.m. Charge of 10c will be made for train ride and chimp show. Ten cents includes everything. Bring your lunch or money to purchase same. Parents are welcome.

### ARCHERY —

Archery will start June 22, 9:30 a.m. at Ford Field. Equipment and instruction will be furnished. Adults and youngsters are invited.

## Events of the Past in Northville

News Items Taken From the Files of the Record

### ONE YEAR AGO —

David Waterloo, Bernhardt Mueller, Roger Nieuwkoop, Gary Holman, Walter Palmer and David Harner represented Northville high school at Boys' State at Michigan State university.

Jack Gray, 120 W. Cady, was appointed full-time treasurer-manager of the Burroughs Plymouth plant employee credit union.

Patricia Beyer Chase and Ernst Jan Hartmann were married June 10 in Christ Church, Cranbrook.

Betty Wilson and Leslie Nagy were married June 4 at the First Presbyterian church.

Charles Freydl, Jr. and Ila Mae Newton were graduated from Cleary college, Ypsilanti.

### FIVE YEARS AGO —

Sixty-one seniors received diplomas at commencement exercises June 14 at Northville high school.

Dick Gussell and Jim Lapham will travel abroad this summer when they attend the World

### Scout Jamboree at Bad-Ischyl, Austria from Aug. 3-10.

Alice Newton and John Rackov were valedictorian and salutatorian of the 1951 graduating class.

More than 150 Rotarians and guests will celebrate the 25th anniversary of the founding of the club June 19.

Barbara Rutten and Helen Meaker were severely injured in an automobile accident on Northville Rd. Both girls are hospitalized at University hospital, Ann Arbor.

### TEN YEARS AGO —

George McCollum, Gene Ruttenbar and Myron Whipple left yesterday for Michigan State college to attend Boys' State.

The American Legion reports \$700 was received from the recent Poppy Day sales.

Beginning with this issue of Northville Record, Volume 76, No. 1 starts a new year for the oldest paper in Wayne county which was the first weekly paper published consecutively since 1870.

Dean Griswold of Dunlap St. is the oldest living graduate of Michigan State college. He is a graduate of the class of 1875. This year's commencement is the first this 93-year old MSC alumnus has missed attending.

### TWENTY YEARS AGO —

Representatives of the Wayne County Highway commission came to Northville to investigate the condition of our Main St. with regard to better traffic regulations. The improvement will provide for widening the street and it will be raised to eliminate steps at the curb as now.

Darrel Nollar was burned in a gasoline explosion at the Schrader store Tuesday. He was burning gasoline soaked clothes in the

furnace. Ray Casterline was knocked down, striking his head on a cement block and losing consciousness. The north plate glass window at the front of the store was broken by the blast.

Approval of a loan and grant was given by PWA offices for a new grade school building in Northville.

### FORTY YEARS AGO —

Northville seems to be about the only town of its size that does not have a business men's organization.

Another Northville boy who has gone out in the world and making good is William G. Carson, son of Mr. and Mrs. George Carson of this village. Young Carson is now attending Army Medical college at Washington, having been chosen for that privilege by Surgeon General O'Reilly himself.

The King's Daughters held their quarterly "spread" in the form of a porch party at Mrs. Frank Harmon's Tuesday and had an extremely enjoyable time.

Mesdames Alice Hinkley, Kittle Harmon, Nellie Cameron and Miss Frances Coldren were elected delegates to the convention at Jackson in September.

### FIFTY YEARS AGO —

There will be 21 in the graduating class this year.

The poorest lot of highway commissioners doubtless live in Novi. For want of a little scrapping the worst roads in the state prevail all over the town and to the detriment of farm property and the driving public.

## Letter To The Editor

To the Editor:

As this is the sixth or seventh time that teenagers have tramped upon and damaged our property at 20144 Beck Rd., we are reluctant to disturb the local police and county sheriff with this new vandalism which occurred between Memorial Day and last Sunday, June 3rd. Instead, we would like to appeal, through your newspaper to the parents, school teachers and principal and Sunday School authorities to bring home to the teenagers and children of the community, the importance of respecting the personal property of others, even when left unprotected in your community.

We serve our community by teaching dressmaking and design in Detroit as well as devoting a great deal of our leisure to cultural and religious activity. Our

modest summer dwelling in your lovely countryside would be our greatest source of relaxation and inspiration if your youngsters would spare us this constant, thoughtless vandalism.

Yours very truly,  
Nvart S. Hampikian

"YOU CAN'T BEAT THE BEST"

by MEL OTT

A DAY IN the life of a baseball player is considerably different from those of most other occupations. For one thing, ball players frequently go without lunch or else their heaviest meal is in mid-afternoon.

The explanation for this strange existence follows, but taking the day of a major leaguer in chronological order, it begins with his arising for a heavy breakfast.

Family men usually get up earlier than bachelor players, around 8 a.m., to allow time to play with the children or do a few household chores. Single players generally arise an hour or so later.

In any event, breakfast for them all frequently consists of something like fruit, cereal, eggs, hot cakes and milk or coffee or both.

#### Voluntary Sessions

Most of the team arrive at the clubhouse between 11 and 11:30 a.m., but batters in a slump will already have finished a voluntary hitting session, starting as early as 10 o'clock, by the time their teammates straggle in.

(Some clubs mandatorily require players to report three hours before game time when at home, an hour later when on the road.)

After reading fan mail and undergoing treatment for any physical ailments, the players change into uniforms for batting practice, beginning with a 30-minute session by the home team pitchers at 11:30.

#### Three Brief Segments

The rest of the home club then gets an hour's hitting workout,

the "scrubbin'" batting the first 20 or 30 minutes, the regulars hitting the remainder of the time.

After the visiting team takes the field for a half-hour's batting at 1 o'clock, the final half-hour before game time is split into three 10-minute segments.

The first 10 minutes is devoted to the visiting team's fielding practice, the second 10 to the home club's fielding and the final segment to ground crew work while the opposing pitchers warm up.

Inasmuch as they're busy with batting and fielding practice and have had a comparatively late breakfast anyway, most of the players forsake lunch. Only the early risers eat the middle meal, and then just a fast sandwich in the clubhouse.

#### Like Steak Dinners

The big repast is saved for after the game. Then, after cooling off for 20 minutes or so and taking a shower, the boys go home to a dinner that frequently consists of large shrimp cocktail, big steak, potatoes and salad. Virtually all ball players enjoy heavy steak dinners.

A quiet evening of cards or watching television or going to the movies precedes a comparatively early bedtime. Boxing and wrestling matches, particularly when the team is on the road, are a favorite spectator sports diversion.

As for that heaviest meal in mid-afternoon, the players devour it on the day of a night game. After the contest, win or lose, they settle for a light lunch and a good night's sleep.

#### A POT NEVER BOILS

over when the housewife is nearby. That's one of the best reasons for having a kitchen telephone. When the phone rings you can keep an eye on what's cooking in the kitchen, and you can keep the children in sight, too. A phone within reach saves countless steps and precious time. The housewife needn't run when the phone rings; she can just reach. An extension telephone in your kitchen will cost you about \$1 a month. Call our business office to order yours.

days, one of the best things about rural life is that you can always count on the neighbors to pitch in and help in an emergency. In the same spirit, your Michigan Bell "neighbors" showed up when tornadoes hit Michigan recently. The winds had barely died down when telephone people from nearby towns started arriving, bringing trucks loaded with material, to help local telephone folks get the phones working again. From other parts of the state, telephone people started new poles, wire and cable rolling toward the stricken area. In times of emergency—and in everyday things, too—telephone people hope you can count on them to be good neighbors.

HAVE YOU been watching the new Bell System TV show, "Telephone Time"? John Nesbitt, the famous storyteller, who won so many awards for his well-known "Passing Parade" films, is the host. His stories on "Telephone Time" are all true. They're fascinating accounts of everyday people, past and present, who for a brief moment rise to great heights. Your whole family will enjoy watching "Telephone Time." It's on CBS-TV every Sunday at 5 P.M.
