ANNEXATION WINS BY WIDE VOTE MARGIN

On Opening Night

Race Fans & Betting Below 1955 Record

\$6,000 Northville Pace Slated for July 4th

Despite tornado warnings and heavy rains, 4,337 harness racing fans wagered \$213,494 on an eight race card Tuesday, June 26 at Northville Downs.

The opening night crowd fell short of 3,080 fans to match the 1955 record of 7,415. Betting was off by \$83,000.

The first winner at the track this season was Vickie Kay, owned and driven by Lou Grime of Archbold, O. She paced the mile at 2:08 3/5 and paid \$5.40 to win.

The feature race was won by the favorite, Gold Rise who beat Russet Hal by a head. Gold Rise was in eighth position at the top of the stretch and thrilled the fans as she gained speed and crossed the finish line first. The horse is owned and driven by Paul Hungerbird of Shelbyville, Ind.

Northville Horse Wins Fifth
A horse owned by a Northville man won the fifth race. The horse, Van's Pride, owned by Burrell Downing, raced in the rain and was clocked at 2:14. He paid \$4.40 to win.

Independence Day Card
The \$6,000 Northville Pace, the first of five major Wednesday night stakes races, will be held July 4 at Northville Downs.

It will be the opening event in the most extensive stakes program in Northville Downs history, designed to attract the nation's top horses and drivers.

In the past several years, Northville Downs limited its stakes to the two big ones — the Michigan Pacing Derby and the

Governors Cup Trot, each at \$10,000. But three additional stakes are on the schedule this year.

The Northville Pace will be for 14 class Pacers with 12 class or slower also eligible. It will be raced in two dashes at one mile.

For this early closing event there are 28 nominations including such outstanding side-wheelers as Chief Lenawee, owned by Dr. and Mrs. James Blanchard of Morenci; Chief Star, who has done very well in the East; Mighty Brewer, the 1954 aged Michigan pacing champion; Fennella Hal, John Toner's speedy pacer, and Howard McAras' Russett Hal.

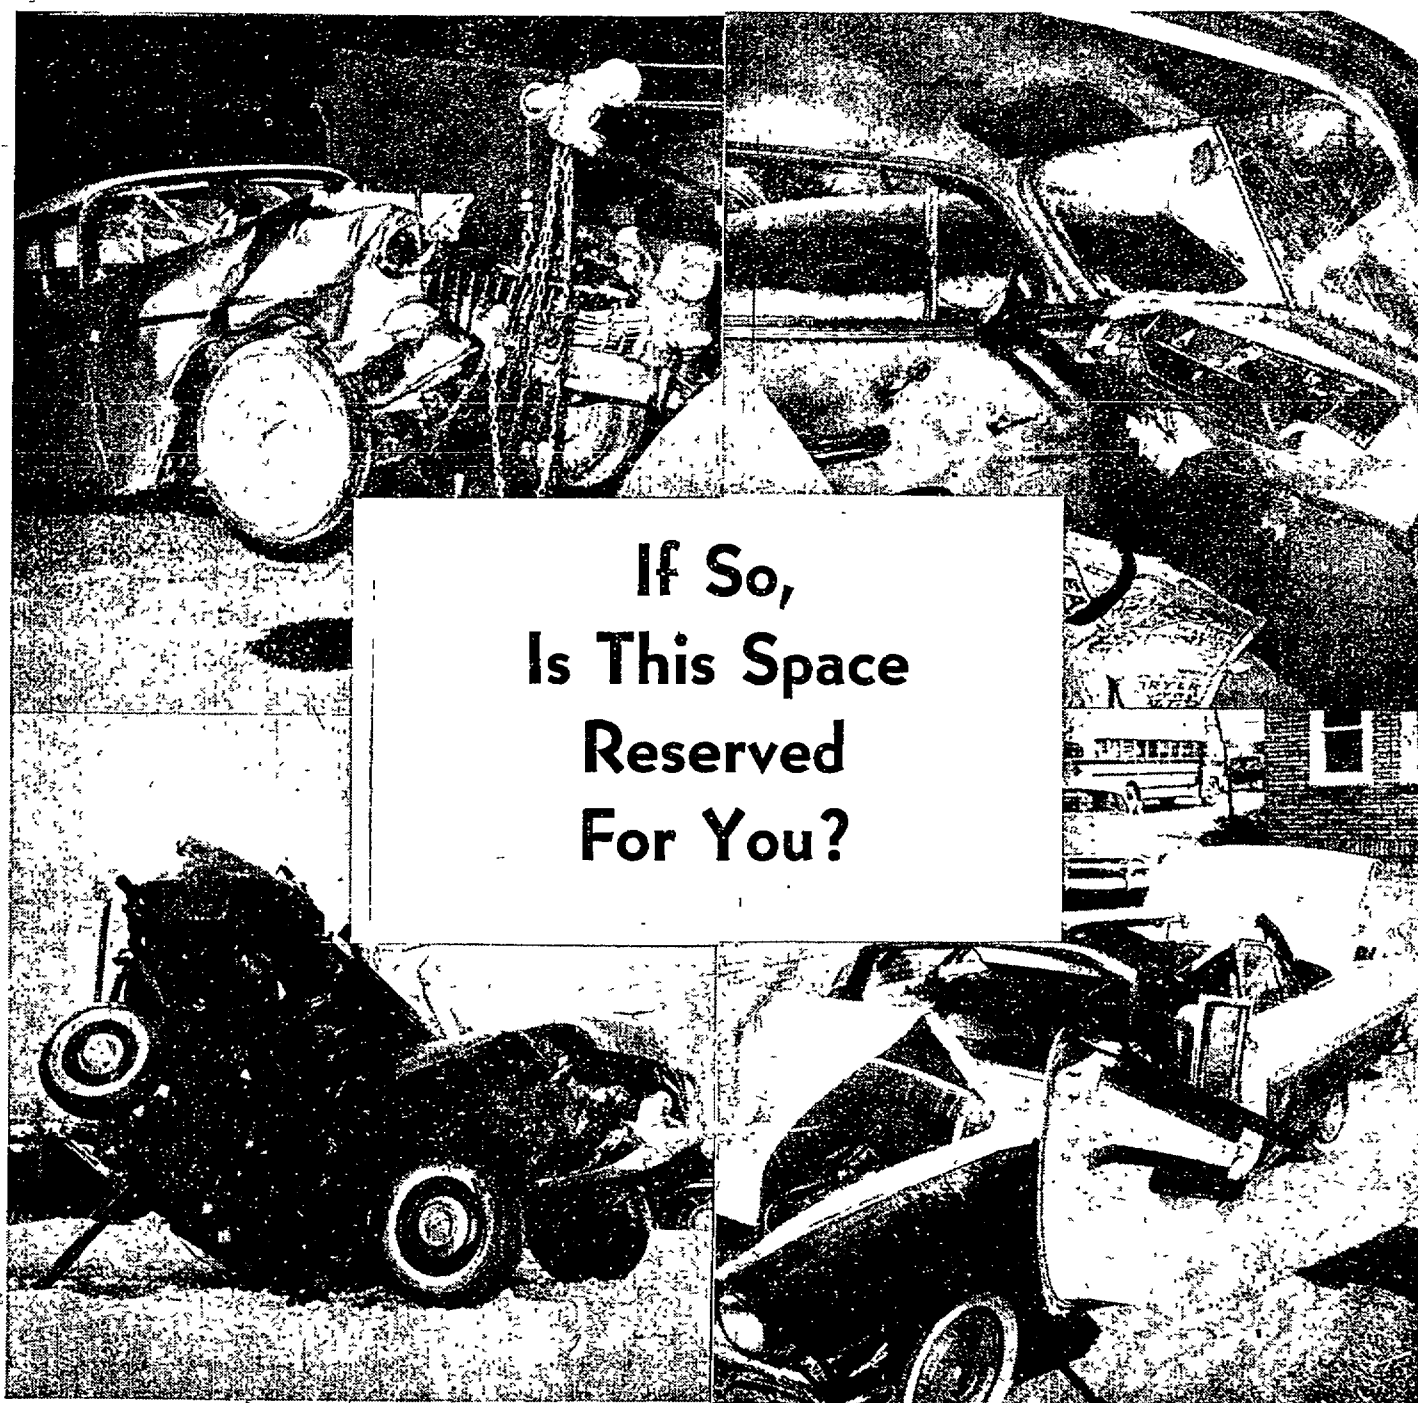

Record Office Closed July 4

Due to the Independence Day Holiday the Northville Record will be printed Tuesday evening, July 3 and the office will be closed Wednesday, July 4.

The Record staff asks the co-operation of all new contributors. News copy must be in the Record office no later than Monday morning, July 2, 11 a.m.

If you are in town during the week end your news can be left at the Record office by putting it through the mail slot.

Warren Products Challenges Legality of Special Election

Temporary Restraining Order Issued; Hearing On Injunction Set for July 2

Annexation of the former Yerkes farm and the John Burkan and Warren Products properties to the city of Northville was overwhelmingly approved by voters at a special election held June 21 in the face of a last minute move by Warren Products, Inc. to have the election invalidated.

The Warren Products plant is located in the area to be annexed from Novi township and will be subject to higher city taxes if the annexation goes through.

Big "Yes" Vote
The vote in the city was 255 in favor of annexation to 32 opposed. Five residents of the area up for annexation voted "yes". There was one "no" vote.

Warren Products attorneys petitioned the Oakland County Circuit court the day before the election was to be held to restrain election officials in the city of Northville and Novi township from holding the election on the grounds that it would be in violation of election laws and petition procedures.

Start Court Action
The court issued a "temporary restraining order" and an "order to protect and preserve the ballots" until a hearing can be held July 2 to determine the merits of the Warren Products case.

Specifically, Warren Products contended that the Secretary of State acted in an unlawful manner in withholding action on the original petitions filed more than eight months ago and then, eight months later acting upon them after the statutory procedure for calling a special election had been materially changed by amendment.

Petitions 8 Months Old
In other words, the law in force when the original petitions were filed last summer did not allow a special election at this time to vote on the annexation. The law was subsequently changed by an amendment this spring, after which the secretary of state accepted the original petitions filed eight months previously under the earlier law. No new petitions were filed.

A second alleged violation centers around the purchase agreement between the D & R Building Co. and John Burkan, seller of part of the property up for annexation. The plaintiff corporation charged that "owners of property in the territory proposed to be annexed violated the provisions of the Michigan election law by agreeing to vote for the proposal... for an unlawful consideration."

Photostatic Copy
To substantiate this charge, Warren Products submitted a photostatic copy of a purchase agreement on file in Oakland county. The company claims that in the purchase agreement "... D & R Building Co. entered into an option to purchase a portion of such territory for the sum of \$2,000 per acre, but as a condition thereof bound the owners who were residents of such territory to ... unlawful requirements."

A third charge filed by Warren Products alleges that the boundary lines of the territory up for annexation "were so drawn as to unlawfully, and unreasonably exclude adjacent residents..." This referred to two small pieces of property immediately southwest of the intersection of Novi Rd. and the C & O railroad track a quarter mile north of Baseline Rd. which were not included in the area up for annexation. Presumably the owners were thought to be opposed to annexation, and their negative votes could have conceivably made a difference in the outcome of the election.

Novi Township Cooperates
An interesting aspect of the election in Novi township was the registration of two Novi police officers and two part-time Novi township employees as legal residents at 637 Baseline Rd., which is the address of Warren Products. They were Police Chief Lee DeGole, Patrolman Leonard Mazuchowski, Larry Kubiak and Jack Paige. Kubiak was the only one of the four to vote, however, and his was the sixth ballot cast in Novi township. Other Novi voters were Mr. and Mrs. John Burkan, who were leaders in opposing annexation three years ago, their son, Conrad, and Mr. and Mrs. William Sample, tenants living on the Burkan property that was up for annexation.

Although named as defendant in the Warren Products suit, Novi township has been openly opposed to the annexation since it involves loss of township territory. Township officials had previously discussed ways of legally blocking the election.

Local Girl Scouts To Attend Nat'l. Roundup

A city of 6,000 people will spring up over night June 29 when 5,000 girl scouts from 18 nations and 1,000 adults assemble for the first national Girl Scout Senior Roundup at Highland State Recreation Area near Milford.

Lucille Pullen and Rosemarie Willis will be the delegates from Northville attending this camp-out. Lucille is the daughter of Mr. and Mrs. David Pullen of E. 8-Mile Rd. and Rosemarie is the daughter of James Willis of Livonia. The Willis family lived in Northville until a few months ago and Rosemarie received all of her scout training here.

The girls were chosen last December by a Selections committee appointed by the Girl Scout Council President Mrs. W. E. McCarthy. Among the skills necessary to qualify for the Roundup are: General program skills such as singing, dancing, crafts, ceremonies, etc.; primitive camping; constructing charcoal burning fireplaces, cooking in all kinds of weather; Food service; cooking foods over charcoal in various ways; Cleanup; maintain hot water supply, constructing drains; primitive campsite; planning cooking, dining, cleanup and sanitation areas; pitching various tent, etc.; toolcraft, campcraft, packing, health and safety and various other skills.

Regular meetings have been held for several months with the leaders, delegates and alternates of Northville, Jackson and Ann Arbor at which times they practiced camping skills. These delegates will meet Thursday and go to the Highland Recreation together, although, the Roundup officially starts Friday. Thirty-two delegates will form a troop and will camp together. Two leaders are assigned to each

Lucille Pullen and Rosemarie Willis with duffel bag and box which contain their clothes and supplies for the 12-day Girl Scout Roundup at Milford starting Friday. Some 5,000 scouts and 1,000 adults are expected to assemble there. The U.S. Army will transport all equipment from headquarters in Ann Arbor to Milford.

Turtle Race To Be Held In 3 Weeks

"The turtles will go to the post promptly at 10 a.m. Wednesday, July 18 at Main St. Elementary school playground," said Stanley Johnston, recreational director, this week.

Yes, indeed, boys and girls, it's almost time for the third annual turtle race.

Cash prizes will be offered for each race. There will be five winners in each race. Age groups for the five races are: 5-6 years; 7-8 years; 9-10 years; 11-12 years and 13-14 years. All the boys and girls in the area are invited to participate.

"Go after those turtles now, kids," Johnston said, and added that prizes will also be offered for the most original turtle-back design in each age group.

Polio Vaccine Now Available from Drs. for 2nd Injections

Enough polio vaccine is now available to doctors to give children up to 14 years of age their second shot of Salk polio preventive vaccine, or, if they have not had any injections, two shots, according to Wayne county health officials.

This report was received from Leila Bracy, publicity director for the Wayne county chapter of the National Foundation for Infantile Paralysis, Inc.

To date about 30 million shots of the Salk vaccine have been given to children and pregnant women, according to Bracy.

"America's contributions to the annual March of Dimes each January paid for the research as well as the field testing of the vaccine and the free injections given to children in the first and second grades of school last year," Bracy said.

Campaign To End July 11

\$250 Donated To Fund For Leukemia Victim

Two hundred and fifty dollars has been contributed to the Carol Ann Donnelly fund since its beginning last week, Thursday.

The story of 3-year old Carol Ann was printed in the June 14 issue of this paper. June 21 the

Carol Ann

campaign fund was started due to the need of the Donnelly family.

Medicines for Carol Ann cost approximately \$60 a week. "The Gussell Drug store is filling our prescriptions at the wholesale cost price," Mr. Donnelly said, "people are good to us."

As was pointed out before, \$60 a week is a large amount to budget from a full pay check, and Mr. Donnelly has only a part-time job.

LIST OF CONTRIBUTORS

The Donnelly's would like to thank the following persons and organizations who have contributed during the first week of the campaign:

Mrs. William Horsfall, Mr. and Mrs. John K. Klasner, Viola Lockhart, Tom Cummings, Our Lady of Victory Mothers' club, Mrs. Isabel Spooner, Novi Board of Commerce and the Novi Goodfellows.

Through the year, residents are asked to contribute to various organizations and they do so generously. They donate to charities even though they or their neighbors do not benefit directly. Now everyone in this area has the opportunity to see their donation in action. When you give to this fund you will be helping a child... a child in your community who needs your money for medicines to keep her alive.

Persons wishing to contribute may do so by sending a check or mail order, payable to the Carol Ann Donnelly Fund, Box 187, Northville, or by leaving their donation in an envelope at the office of this newspaper.

Drivers Fined In 2 Hit-Run Cases

Two men were fined in Northville this week after being involved in hit and run accidents. Jack Robinson, 44, Hawkinsville, Ga., was charged with failure to stop after hitting a car Sunday evening.

The complainant, Clifford B. LeFevre, 124 High St., said that Robinson struck his car which was parked on N. Center, north of Main St.

Robinson's car was found at the Northville race track between two barns. He said that he had just left a local bar and didn't remember striking any car. Judge E. M. Bogart fined Robinson \$80 and court costs plus \$19.24 for damages to LeFevre's car.

Second Case

Finis F. Fowlkes, 50, 8504 Gray St., Plymouth, pleaded guilty before Judge E. M. Bogart and was fined \$25 and costs in connection with hit and run property damage.

Dorothy L. Wollens, 23191 Cass, Farmington, said that she parked her car at the curb on Hutton St. north of E. Main. After looking back and seeing no one coming, Mrs. Wollens said she opened the door and it was struck by Fowlkes's car. She said she called to him to stop but he turned in the alley and kept going.

Patrolman King found Fowlkes who said that he turned right from E. Main to Hutton at 10 m.p.h. and Mrs. Wollens opened the door as his car approached. He said that he didn't realize that he scraped her car.

School Board President Gets Second Term

Robert Coolman was re-elected president of the Northville school board Monday, June 25 at an organizational meeting in the board of education office.

Other members elected to office were Eural Clark, treasurer, and Robert Shafer, secretary.

Other items discussed were meeting dates and bank funds. The board agreed to conduct their regular meetings on the first Monday of each month as has been the practice. A motion was also made to continue the deposition of all school funds in Northville Depositors State bank.

Police Chief Puts Up "Wanted" Sign

Police Chief Joseph Denton said this week that he's looking for some fathers or other interested men to help him organize and direct his junior policemen every Saturday afternoon.

Men willing to volunteer for this activity are asked to call Chief Denton for more information. Call Northville 51 Monday through Saturday, 8 a.m.-4 p.m.

Entry Blanks Ready for Pet & Doll Show

Entry blanks and a list of categories for exhibits in the third annual pet and doll show, sponsored by the Northville Recreation Dept., will be available at day camps starting Monday, July 2, according to Stan Johnston, recreation director.

The day camps are held at both Amsman and Main Street schools from 9 a.m. until 12 noon.

The pet and doll show will be held at Ford Field Wednesday, Aug. 1 at 6:30 p.m.

Salem Man Loses More Than His Shirt

Police Chief Joseph Denton said that his department had no lead to follow in the grand larceny case last Thursday.

A shirt and billfold containing \$200 was stolen from a car owned by John French, 8092 Ulcide, Salem.

French said that he had his car parked on E. Main and Hutton. He had been working and when the weather turned warm he took his shirt off and threw it on the front seat of his car. Besides the money, French said that there were valuable papers in the billfold.

Weiss-Harrington Vows Said In Double-Ring Ceremony

Mrs. Shelby A. Harrington

In a lace and taffeta gown, fashioned by herself, Marlene Ruth Weiss was married June 23 in the First Presbyterian church at eight o'clock in the evening. Rev. John O. Taxis and Dr. Harold Fredsell officiated in the double ring ceremony before an altar of daisies and white roses.

Marlene is the daughter of Mr. and Mrs. George Weiss of 925 Grace Ave., and the bridegroom is the son of Mr. and Mrs. Shelby A. Harrington of 1520 Longfellow, Detroit.

The bride's gown had a strapless white taffeta underdress with

full gathered skirt. The over-dress was made of white nylon chantilly lace and featured a torso waistline. The bouffant skirt descended into a chapel length train. The fitted bodice had long sleeves and a portrait neckline with standing collar coming to a deep V in front. A tiny lace bonnet held her fingertip veil. She wore a string of pearls, the gift of the bridegroom and carried a white bible with a bouquet of white roses and stephanotis.

Barbara Weiss, sister of the bride, was maid of honor and wore yellow. The bridesmaids were Ellen Harrington of Detroit and Judith Tetzloff of Huntington Woods, and they wore green. The attendants' gowns were identical and were made of white nylon over colored slips. They were ballerina length and were empire style with sashes to match, picture hats and matching gloves. Tiny wreaths of yellow and green flowers crowned their hair. They all carried colonial bouquets of yellow roses. Young Timothy Weiss, brother of the bride, ring bearer, escorted his mother down the aisle.

Mrs. Weiss wore ivory frosty nylon embossed with daisies and gold leaves. She wore gold accessories and a corsage of daisies and white roses. Mrs. Harrington wore a pink linen and lace gown and corsage of deep pink roses.

Curtis Lundy of Lansing was best man and Garth Dewey of Milford and Don Smith of Ann Arbor acted as groomsmen.

A reception for the 250 guests was held in the church house immediately following the ceremony. Dorothy and Mary Welch assisted at the punch table and Winifred Welch and Sally Davis poured at the tea table. Joan Gessaway and Janet Ruffner had charge of the guest book.

Mrs. Harrington wore a yellow linen sheath dress and jacket with white accessories for her honeymoon. Following a motor trip in northern Michigan, the couple will make their home in Ann Arbor. Mrs. Harrington will complete her senior year at the School of Music, University of Michigan and her husband will complete work on his master's degree in aeronautical engineering at U-M.

Mrs. Ella Welch of Miami, Fla. and Mrs. Mary Weiss of Dexter, maternal and paternal grandmothers of the bride, were here for the wedding. Mrs. Welch will remain here this week.

Foods baked in glass are usually crusty and rather heavily browned. If you do not want the heavy crust you can use an oven temperature 25 degrees lower than for baking in pans of light colored metal. (Recipe temperatures are usually based on the use of aluminum containers.)

Granddaughter Here To Visit Austins

Six-year old Peggy Bacon arrived from Sacramento, Calif. Wednesday and was met by her grandparents, Mr. and Mrs. Max Austin of Walnut St., at Willow Run Airport.

The young visitor's father, Robert Bacon, is a civilian attachment to the air force at McClellan Air Base near Sacramento.

He is the son of Mrs. Max Austin. Peggy will spend her summer vacation in Northville.

A United Air Lines employee was assigned to Miss Peggy as far as Chicago, after that she was alone but didn't mind a bit.

Peggy and her older brother, Perry 9, have appeared in television programs in California several times. Peggy dances and Perry accompanies her.

Jerome-Hooker Wedding Vows Spoken Saturday

Mr. and Mrs. Richard Hooker

Before an altar of white gladioli, daisies and palms, Arlene Joanne Jerome became the bride of Richard Hooker Saturday afternoon at two o'clock in the First Methodist church. The Rev. Ivan E. Hodgson assisted by the Rev. Beckett of the Millwood Methodist church near Kalamazoo, performed the double ring service.

Arlene is the daughter of Mr. and Mrs. Clarence Jerome of DuBuair St. and her husband is the son of Mr. and Mrs. Joseph Hooker of Kalamazoo.

The bride, given in marriage by her father, wore a floor length gown of net and lace over satin. The sleeves of the fitted bodice were long and tight and formed points over her wrists. The neckline was round and the bodice buttoned down the back with sequins and pearls held her fingertip veil. Points of lace fell from the waist half way down the bouffant skirt and a full skirt of nylon net covered the lace. She wore a necklace of pearls, the gift of the bridegroom, and carried a white bible with white roses and stephanotis.

Two of the bridesmaids were former classmates of Arlene's at Bronson Methodist hospital. The third bridesmaid was Carol Ann Sparling of Northville. Naomi Wessels of Clawson, cousin of the bride, was maid of honor and wore pink. Bridesmaids Bonnie Hopinstall of Midland wore pink; Alice Hayes of Flint and Miss Sparling wore aqua. The dresses were all fashioned alike and were made ballerina length of dotted Swiss nylon over colored slips. They carried baskets of large white daisies and wore headbands of white daisies.

For her daughter's wedding, Mrs. Jerome chose a powder blue lace gown and wore a corsage of pink carnations. Mrs. Hooker

wore a beige linen sheath gown with pink carnation corsage.

The bridegroom's brother, Douglas, was best man. Ushers were Jack Wooden, James Noggle of Kalamazoo, and the bride's brother, Gerald.

A reception for 250 guests was held in the church house following the ceremony and was in charge of the ladies of the Elizabeth Cobb Circle of the Methodist church.

Ann Drilling of Kalamazoo sang "I Love You Truly" and "The Lord's Prayer" accompanied by Mrs. Richard Somers.

Dorothy and Carol Sampson, cousins of the bride, served punch. Attending at the tea table were Mrs. Frank Andre and Miss Patricia Wessels, also cousins of the bride. Aunt of the bridegroom, Mrs. Lloyd Belman, served the wedding cake. Mrs. Frank Riley, aunt of the bride, and Mrs. James Huff had charge of the guest book.

Guests were present from Millwood, Three Rivers, Kalamazoo, Bad Axe, Kinde, Livonia, Plymouth, Detroit, Roseville and Flint.

The new Mrs. Hooker wore a polished cotton print dress with pink linen jacket for her honeymoon by car in northern Michigan. Mr. Hooker will be a senior at Western Michigan college next year and in September of 1957 he will enter Garrett Biblical Institute in Evanston, Ill. He will continue as student pastor at Sparling while attending the Seminary. Mrs. Hooker was graduated from Northville high school and attended Bronson Methodist hospital in Kalamazoo for a year and a half. She will work as a licensed practical nurse while her husband attends school.

Mr. and Mrs. Hooker will live at the Methodist parsonage, 3334 Chime St., Oshtemo, Mich.

Lt. R. Somers of Northville And Eva White Wed June 16

Lt. and Mrs. Richard Somers

White embroidered organdy fashioned the wedding gown of Eva White for her marriage to Lt. Richard Somers, Jr. June 16 at the Novi Baptist church. The Rev. J. A. O'Neill performed the double ring ceremony before an altar decorated with white peonies and gladioli.

The bride is the daughter of Mrs. Victoria White of Austin Dr., Walled Lake, and her husband is the son of Mr. and Mrs. Richard Somers of 777 Grace St., Northville.

The waltz length bridal gown featured a scalloped neckline and she wore a necklace of pearls, gift of the bridegroom. A bandeau of flowers secured her fingertip veil. She carried a white bible and a bouquet of white gladioli and stephanotis.

Carol Davis of Lansing, uncle of the bridegroom, sang "Walk Hand and Hand With Me" and "The Lord's Prayer".

Wanda White, sister of the bride, was maid of honor and wore pale green. Arlene Nelson of Waterford and Linda Shubach, classmates of the bride at Michigan State Normal college in Ypsilanti, were bridesmaids and they wore pink. The attendants' gowns were identical and were

made of ballerina length sheer cotton. They carried bouquets of pink carnations. Seven year old Linda Kainey, cousin of the bride, was flower girl and wore white organdy and carried pink carnations. The six year old brother of the bride, William, was ring bearer and was dressed in navy blue trousers and a pink linen jacket.

Jack Wilson of Northville was best man. Ushers were the bridegroom's brother, Norman, and Gerald Graham of Northville.

Mrs. White chose a pink gown for her daughter's wedding and wore a corsage of pink carnations. Mrs. Somers wore soft blue nylon lace and a pink carnation corsage.

A reception for 100 guests was held in the church parlors following the wedding.

Lt. and Mrs. Somers left for Texas immediately following the reception. Lt. Somers is stationed at Perrin Air Force Base.

Carl Stephens celebrated his sixth birthday Saturday with nine of his little friends who were invited for luncheon. Movie cartoons games and the opening of gifts followed the luncheon. Carl is the son of Mr. and Mrs. Carl Stephens of Norton Ave.

Grandmothers and grandfathers are wonderful people to visit. They let children do a lot of things parents won't allow.

Cynthia and Sylvia, shown above with their grandmother, the daughters of Mr. and Mrs. Ronald Anderson of Ridge Rd., are lucky little girls for they live just a short distance from their grandparents, Mr. and Mrs. Philip Anderson of W. 8-Mile Rd. The Philip Andersons own a farm well known for its delicious fruit. Mrs. Anderson says her specialty is apple pie and a little later in the fall when the Anderson Northern Spies are ripe, she has promised to give us her recipe.

Cynthia, who is eight years old, is responsible for the Chocolate cake recipe for she saw it, sometime ago, colorfully illustrated, in a magazine. She decided it would be just the cake for her grandfather's birthday party. With the help of her grandmother, the cake was made and was delicious. Sylvia is six and it won't be long before she will be doing some baking in grandmother's kitchen too.

2 1/4 cups plus 2 T.
sifted cake flour
1 3/4 cups plus 2 T. sugar
1 t. soda
1 t. salt
2/3 cup shortening
1 1/4 cups buttermilk
3 eggs, unbeaten
2 3/4 sqs. unsweetened
melted chocolate

Sift the first four ingredients, add shortening and about one-half of buttermilk. Beat two minutes. Add rest of buttermilk, eggs and then the melted chocolate. Blend until smooth. Bake in greased and floured pans...two 8x9 inch pans, 35 minutes or 13x9 pan at 350 degrees for 40 to 45 minutes.

Frost with your favorite frost-

ing or use the Chocolate Mallow icing given below.

Chocolate Mallow Icing

1/2 lb. marshmallows
4 oz. sweet chocolate
1/2 t. salt
3/4 cup butter
1/2 cup evaporated milk
Combine all in top of double boiler. Cover and heat until

marshmallows are melted. Stir occasionally. Remove from fire and cool slightly until consistency is just right for spreading. Makes enough for filling and icing for a two layer cake and does not crystallize or become hard.

Most modern truck V8's ...and the pounds prove it!

Pound for pound, the most powerful truck V8's today are Chevrolets. That's one way you can tell they're the most modern V8's going!

Chevrolet's modern short-stroke V8 truck engines do more work for their weight than any other V8 in any truck today!

That means they carry around fewer pounds for power they develop. (They weigh up to 200 pounds less than other comparable engines!) It means, too, that less of the maximum truck G.V.W. consists of engine weight—and more is devoted to payload.

Stop by and let us give you the facts on Chevrolet's compact, super-efficient truck V8's.

Weigh the facts...
and you'll choose today's most modern trucks

Wasted weight is engineered out of Chevrolet truck V8's! The ultra short-stroke of Chevrolet's truck V8's makes possible a rugged yet compact cylinder block. Modern design cuts down engine weight and increases engine efficiency.

More power per pound means more power for your payload! Since less power is used in moving engine weight, a bigger proportion is available for moving your payloads. You get hour-saving performance on the job. And modern V8 power saves dollars, too!

There's a modern V8 for every Chevrolet Task-Force truck! There's a powerful, deep-breathing V8—either standard, or optional at extra cost—in every Chevrolet truck model. Horsepower ranges as high as 195 for fast, efficient high-tonnage hauling.

"THE UNFINISHED FURROWS"

We are always interested in the stories whose endings are not well marked. It gives us a sense of anticipation and provides us some measure of

freedom to speculate on the ending we would like to add. The Gospels are full of such stories, ones that point the way but leave the "furrow" unfinished, and thereby offer us a challenge to complete the story in our own lives. For example: The Prodigal Son story is one among such—for we are challenged with the unanswered question about the future attitude of the elder son as well as the actions of the younger son. Here is an "unfin-

ished furrow" in the story of these two young men. Another is the "Visit of Nicodemus" for it opens the way for our minds to speculate on the reactions of this Night Visitor to the Challenging teaching of the Master. What was the subject of their conversation? How long did he visit with Jesus? What was the effect of this visit on his relationship to his friends? It's another "unfinished furrow" that leaves its trail fading off into the horizon. Yet another comes to mind, The Samaritan Story even though it is rather full in its details and its lesson is quite clear, our inquisitive minds still wonder What happened when the traveler returned to his own village? after this kind treatment... What did he tell his friends about this experience?

Now of course we all realize the Jesus is telling these stories to point out a truth, to define the right path of the way we should act or go in our living. He leaves the "furrows unfinished" in order that we ourselves might associate these circumstances with our own lives and set our hand to the plow with faith and courage to complete the furrow in our own lives. The effect on us is something like the Master saying: "This is the

way to go, that is how others have reacted to certain circumstances, now it is your task as my disciples to complete the furrow. All of us can see many unfinished furrows in our lives today, to which the Master calls to lay our hands to the plow and look steadily forward. There are a few furrows that are unfinished that our mutual concern that need our constant energy and vibrant faith to complete together... there is the furrow of service to our fellow man, our loved ones, that the Kingdom of God that lies before us to be completed. There is the furrow of full discipleship which challenges each of us to "take up the cross daily" and follow Him. There is the unfinished furrow of prayer that leads us to understand His words "pray without ceasing"...

So today and every day "look to the fields that are white with the harvest" and see the unfinished furrows of service, discipleship, prayer, devotion, worship, then lay your hand to the plow spending yourself to complete these furrows in your life."

What's New in Getaway? Try a '56 Buick and See!

Buick SUPER 6-Door Passenger 4-Door Riviera

You've probably heard us say a lot, recently, about the 1956 Buick's new Variable Pitch Dynaflo.*

And maybe you've wondered just what that "new" means.

Well, it means a brand-new principle in transmission design. A new way to make whirling oil add to its own velocity and produce fast torque build-up at only part throttle.

What does it do for you?

It gives you a quick new getaway response right in the first inch of pedal travel—right where you do most of your normal driving—and right where you get better gas mileage every inch of the way.

It gives you more safety—surge break-away when you floor the pedal and switch the pitch—more electrifying full-power acceleration to pull out of a tight spot.

And it gives you all this with absolute smoothness—because no gears ever shift in Dynaflo.

But if you think this great new getaway is the only reason for Buick's strong position in the Top 3 of America's best sellers—listen:

In every 1956 Buick there's newness from end to end.

New .322-cubic-inch V8 engines. New brakes, new frame, new rear end. A new deep-oil cushioned ride. New handling

ease, new quiet, new comfort. New carburetor "deicing." New exhaust manifold. New interlocking safety door latches. New Safety-Aim headlights. New features everywhere you look—including new styling and beauty inside and out.

What it all adds up to is the Best Buick Yet, by far. And we cordially invite you to come see and sample all the new thrills a '56 Buick has in store for you.

You'll find them packaged in a price that makes any model you choose your smartest buy yet. Can you make it this week?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Ordinance No. 29 Township of Novi

AN ORDINANCE TO PROVIDE FOR THE ACQUISITION, CONSTRUCTION, IMPROVEMENT, ENLARGEMENT, EXTENSION AND/OR REPAIR OF THE WATER SUPPLY SYSTEM OF THE TOWNSHIP OF NOVI, OAKLAND COUNTY, MICHIGAN, AND TO PROVIDE FOR THE OWNING AND OPERATION OF SAID SYSTEM; AND TO PROVIDE FOR THE IMPOSITION AND COLLECTION OF CHARGES, FEES, RENTALS AND/OR RATES FOR THE SERVICE, FACILITIES AND COMMODITIES FURNISHED BY THE SAID SYSTEM; AND TO PROVIDE FOR THE RETIREMENT AND SECURITY OF BONDS THAT MAY BE HEREAFTER ISSUED HEREUNDER; AND TO PROVIDE FOR OTHER MATTERS RELATIVE TO SAID SYSTEM AND SAID BONDS.

Whereas, Act 94 of the Public Acts of 1933, (M.S.A. 5.2731, et seq.) as amended, authorizes the Township to acquire, purchase, construct, improve, enlarge, extend and/or repair, a Water Supply System and to own and operate the "System" within or without its corporate limits, and to furnish the service, facilities and commodities for such public improvement to users within or without its corporate limits;

And Whereas, The Township Board of said Township of Novi deems it necessary that a water supply system be established:

THE TOWNSHIP OF NOVI,
Oakland County, Michigan,

ORDAINS:

Section 1. It is hereby determined to be necessary to establish, acquire, and operate a Water Supply System in and for the Township of Novi, and to acquire, purchase, and construct extensions, enlargements, improvements, replacements, and repairs to any Water Supply System now existing or hereafter acquired by the Township of Novi.

Section 2. Whenever used in this Ordinance, except when otherwise indicated by the context

(a) The term "System" shall be construed to mean the complete water supply system of the Township of Novi, and all appurtenances thereto, including all the extensions and improvements authorized by the provisions of this Ordinance.

(b) The term "rates" shall be construed to mean the charges, fees, rentals and rates which may be fixed and imposed for the services.

(c) The term "revenues" shall be construed to mean all the income derived from the rates, charges for the services, facilities and commodities furnished by any public improvement.

(d) The term "net revenues" shall be construed to mean the revenues of any public improvement remaining after deducting the reasonable expenses of administration, operation and maintenance of such public improvement.

(e) The term "public improvement" shall be construed to mean the whole or any part of the water supply system including all plants, works, instrumentalities and properties used or useful in connection with obtaining a water supply, the treatment of water and/or the distribution of water, or any combination thereof.

Section 3. The construction, alteration, repair and management of the System shall be under the supervision and control of the Township Board of the Township of Novi. The Township Board may appoint and designate an officer, board or commission to operate and manage the System and may employ such person or persons in such capacity or capacities as it deems advisable to carry on the efficient management of the System. The Township Board may make such rules, orders and regulations as it deems advisable and necessary to assure the efficient management and operation of the System.

Section 4. The System shall be operated on the basis of an operating year, commencing on July 1st and ending on June 30th.

Section 5. The rates to be charged for water service furnished by the System shall be prescribed by the Township Board.

Each lot, parcel of land or building, or any portion thereof, occupied or used for a separate purpose, or by a separate tenant or family shall be considered as a separate premises for the purposes of this Ordinance.

The Township shall pay for all water used by it or any of its departments at the prevailing rates.

For fire protection or other use of water through fire hydrants, the Township shall pay out of

its appropriate fund the sum of 1 (one) dollar per year payable in equal quarterly installments.

Special Rates

For water furnished otherwise than through meters or through meters of a larger than 2", the Township Board shall fix a special rate. Where several families or consumers are using one meter the Township Board, in its discretion, may establish special rates for each family or consumer.

Deposit

A cash Deposit of \$25 as security for payment of water bills shall be required of each user in such cases as the Township Board shall deem such security to be advisable, or in such cases where deposit is required by the provisions of Section 21 of Act 94 of the Public Acts of Michigan, 1933, as amended.

Billing

Charges for water service shall be collected quarterly. Bills shall become due and payable on the date specified in said bills, and if not paid within 15 days thereafter a ten (10%) percent penalty shall be added thereto.

Enforcement

Charges for water service shall constitute a lien on the property served, and if not paid within six (6) months, shall be placed on the next general tax-roll and collected as a part of the general township taxes. The Township shall have the right to shut off and discontinue the supply of water to any premises for nonpayment when due, or water rates. In the event any water bill is not paid within thirty (30) days after its due date, the water to such premises shall be shut off and service not restored until said delinquent bill and penalty plus a One (1.00) Dollar "turn on charge" has been paid.

Section 6. No free service shall be furnished by said System to any person, firm or corporation, public or private, or to any public agency or instrumentality. Any such services furnished, the Township, except water furnished through fire hydrants, shall be charged against the Township at the established rates; and shall be paid for quarterly as the services accrue, from current funds, or from the proceeds of taxes which the Township is authorized and required to levy in an amount sufficient for that purpose.

Section 7. The rates hereby fixed are estimated to be sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of said System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures of funds for said System as this Ordinance may require. Such rates shall be fixed and revised from time to time as may be necessary to produce these amounts, and it is hereby covenanted and agreed, at all times, to fix and maintain such rates for services furnished by the System as shall be sufficient to provide for the foregoing and to provide for the payment of the interest upon and the principal of bonds which may be hereinafter issued as and when the same become due and payable.

Section 8. The revenues of the System are hereby ordered to be set aside, as collected, and deposited in the Novi Branch of the First National Bank of Detroit, Michigan, in an account to be designated "WATER SUPPLY SYSTEM RECEIVING FUND" (hereinafter referred to as the "Receiving Fund"), and said revenues so deposited are pledged for the purposes of the following funds and shall be transferred from the Receiving Fund periodically in the manner and at the times hereinafter specified.

(A) Operation and Maintenance Funds:

Out of the revenues in the Receiving Fund there shall be first set aside, quarterly, into an operating depository account designated "Operating and Maintenance Fund", a sum sufficient to provide for the payment of the next quarterly current expense of administration and operation of the System and such current expense for the maintenance thereof as may be necessary to preserve the same in good repair and working order.

A budget, showing in detail the estimated cost of the administration, operation and maintenance of the System for the next ensuing operating year shall be prepared, submitted and approved by the Township Board at least thirty (30) days prior to the commencement of each ensuing operating year. The amounts transferred to the Operating and Maintenance Fund during each operating year shall not exceed said budget unless approved by a four-fifths (4/5ths) vote of the Township Board.

(B) Bond and Interest Redemption Fund:

There shall next be established

and maintained an operating depository account designated "The Bond and Interest Redemption Fund", which shall be used solely and only for the purpose of paying the principal of and interest on the bonds hereby authorized. The money in the Bond and Interest Redemption Fund (including the Bond Reserve Account hereinafter established) shall be kept on hand with the Bank or Trust Company where the principal and interest on the Bonds herein authorized are currently payable.

Out of the revenues remaining in the Receiving Fund after provision has been made for expense of operating and maintenance of the System, there shall next be set aside sums proportionately sufficient to provide for the payment of the principal and interest upon all bonds payable from the revenues in the System. The amount so set aside for interest on the Bonds that may be hereafter authorized in each quarter during the first six (6) months of each operating year, shall be not less than one-half (1/2) of the total amount of interest (not capitalized) maturing on the following January 1st, and during the last six (6) months of each operating year, shall be not less than one-half (1/2) of the total amount of interest (not capitalized) maturing on the following July 1st. The amount so set aside for principal in each quarter during each operating year shall be not less than one-quarter (1/4) of the amount of principal maturing on the July 1st immediately following such operating year. If there shall be any deficiency in the amount previously set aside, then the amount of such deficiency shall be added to the current requirement.

There is hereby established in the Bond and Interest Redemption Fund, a separate account, to be known as the "Bond Reserve Account", into which shall be set aside one-quarter (1/4) of all the revenues of the System after the required payments have been made for the Operation and Maintenance Fund and the Bond and Interest Redemption Fund, until such time as there shall have been accumulated in said Bond Reserve Account a sum to be determined by the Township Board. Moneys in said Bond Reserve Account shall be used solely for the payment of the principal and interest on said bonds as to which there would otherwise be default.

If at any time it shall be necessary to use moneys in the Bond Reserve Account for such payment, then the moneys so used shall be replaced from the net revenues first received thereafter which are not required by this Ordinance to be used for operation and maintenance or for current principal and interest requirements: Provided, however, that such bond reserve shall not be regarded as moneys otherwise appropriated or pledged for the purpose of determining the sufficiency of funds available for redemption of callable bonds.

No further payment need be made into the Bond and Interest Redemption Fund after enough of the bonds have been retired so that the amount then held in said fund (including the Bond Reserve Account) is equal to the entire amount of principal and interest which will be payable at the time of maturity of all the bonds then remaining outstanding.

Provided Further, However, That no payment need be made into the Bond and Interest Redemption Fund or the Bond Reserve Account when there are no outstanding bonds or when no bonds have been issued.

(C) Replacement Fund:

There shall next be established and maintained an operating depository account designated the "Replacement Fund", which shall be used solely and only for the purpose of making major repairs and replacements to the System for which funds in the Operating and Maintenance Fund are not available or sufficient. There shall be set aside into said account, quarterly, out of the revenues remaining in the Receiving Fund, after provision has been made for the Operating and Maintenance Fund and the Bond and Interest Redemption Fund (including the Bond Reserve Account), all of the revenues so remaining until such time as there has been accumulated in said replacement fund a sum to be determined by the Township Board. Whenever money shall be used from said Fund for making such major repairs and replacements, the moneys so used shall be replaced from the net revenues in the Receiving Fund which are not required by this Ordinance to be used for the Operating and Maintenance Fund or the Bond and Interest Redemption Fund (including the Bond Reserve Account).

(D) Improvement and Extension Fund:

Out of the remaining revenues in the Receiving Fund there may be set aside in any quarter, after meeting the requirements of the

foregoing funds, in an operating depository account to be designated "Improvement Fund" such sums as the Township Board may deem advisable to be used for improvements, enlargements, extensions and repairs to the System.

(E) Surplus Fund

Moneys remaining in the Receiving Fund at the end of any operating year, after full satisfaction of the requirements of the foregoing funds, may be transferred to the Operating Depository Account to be designated Surplus funds. Moneys from time to time in the Surplus Fund may be transferred, in the discretion of the Township Board, to the Bond and Interest Redemption Fund for the purposes of calling bonds, or to the Improvement and Extension Fund; Provided, However, that if there shall be any deficit in the Operation and Maintenance Fund, Bond and Interest Redemption Fund, (including the Bond Reserve Account), or the Replacement Fund on account of default in setting aside therein the amounts hereinafter required, then transfers shall be made from the Surplus Fund to such funds in the priority and order named, to the extent of such deficits.

Section 9. After the surrender and cancellation of all Water Supply System Revenue Refunding Bonds issued pursuant to the provisions of this Ordinance of the Township of Novi, as described in the preamble hereto, all moneys remaining in the funds of the existing System as established by said Ordinance shall be transferred to the Receiving Fund to be subject to all of the requirements therefore established by this Ordinance.

Section 10. In the event the moneys in the Receiving Fund are insufficient to provide for the current requirements of the Operating and Maintenance Fund or the Bond and Interest Redemption Fund, and money and/or securities in other funds of the System shall be transferred.

First: To the Operation and Maintenance Fund, and
Second: To the Bond and Interest Redemption Fund to the extent of any default therein.

Section 11. The Township of Novi covenants and agrees with the future and successive holders of bonds and coupons that so long as any of the bonds remain outstanding and unpaid as to either principal and interest

(a). The Township will maintain the System in good repair and working order and will operate the same efficiently and will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State of Michigan, including the making and collecting of such rates for water services rendered by the System and the segregation and application of revenues of the System in the manner provided in this Ordinance.

(b). The Township will fix and collect rates and charges for water service supplied by the System in order to obtain revenues fully sufficient to provide for the payment of expenses and administration, operation and maintenance of the System, to provide for the payment of interest on and the principal of all obligations payable therefrom, including the bonds herein or hereafter authorized, if and when the same become due and payable, and to create the bond reserve account and provide for the replacement fund herein required. Such rates shall be fixed and revised from time to time as may be necessary to produce these amounts.

The Township will not reduce the rates herein established in any event until such time as the Bond Reserve Account and Replacement Fund are established in the full amount herein required.

(c). The Township will not permit free water service to be supplied by the System to the Township or any Department or Agency thereof, or to any person, firm or corporation, public or private, or to any public agency or instrumentality. The reasonable cost and value of all water service rendered to the Township and its various Departments shall be charged against the Township and shall be paid as the services accrue. All payments so made shall be considered revenues of the System and shall be applied in the manner herein provided for the application of the revenues of the System.

(d). The Township will maintain and keep proper books and records of accounts, in which shall be made full and correct entries of all transactions relating to the System. Not later than three (3) months after the close of each operating year, the Township Board will cause to be prepared on forms furnished by the Municipal Finance Commission, if such forms be available, a statement in reasonable detail,

sworn to by its Chief Executive Officer, showing the cash income and disbursements of the System during such operating year, the assets and liabilities of the System at the beginning and close of the fiscal year, and such other information as is necessary to enable any taxpayer, user of the services furnished, or any holder or owner of the bonds or anyone acting in their behalf to be fully informed as to all matters pertaining to the financial operation of the System during each year. A certified copy of such statement shall be filed with the Municipal Finance Commission and such statement and books of records and accounts shall at all reasonable times be open to inspection by any taxpayer, user of the services or holder or owners of any bonds or anyone acting in their behalf. The said Township Board will also cause a financial audit of such books of records and accounts for the preceding operating year to be made by a recognized, independent, public accountant and will make such audit available to the holders of any of the bonds.

(e). The Township will maintain and carry for the benefit of the holders of the bonds, insurance on all physical properties of the System of the kinds and in the amounts normally carried by public utility companies or municipalities engaged in the operation of water supply systems. All moneys received for losses under any such insurance policies shall be applied solely to the replacement and restoration of the property damaged or destroyed, and to the extent not so used, shall be used for the purpose of calling bonds.

(f). The Township will not sell, lease or dispose of the System or any substantial part thereof, until all the bonds have been paid in full both as to the principal and interest. The Township, further, will cause the operation of the System to be carried on as economically as possible, will cause to be made to the System all repairs and replacements necessary to keep the same in good repair and working order, and will not do or suffer to be done any act which would affect the System in such a way as to impair or affect unfavorably the security of the bonds.

Section 12. The right is reserved, in accordance with the provisions of Act 94, P.A. of Michigan, 1933, as amended, to issue additional bonds payable from the revenues of said System which shall be of equal standing with the bonds herein authorized for the following purpose: for the subsequent extension and improvement of the System: Provided, that no such additional bonds shall be issued unless the net revenues for the last preceding operating year shall be equal to at least one and one-half (1 1/2) times the average annual requirements for principal and interest thereafter maturing on the bonds herein authorized, on any outstanding bonds of prior issue having equal standing with those herein authorized and on such additional bonds then being issued. Permission of the Municipal Finance Commission, (or such other Commission as shall have jurisdiction over the issuance of municipal bonds), to issue such additional bonds shall constitute a conclusive presumption of the existence of conditions permitting the issuance thereof.

Section 13. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 14. All Ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

Section 15. This Ordinance shall be published in full in a newspaper of general circulation in the Township of Novi, qualified under State Laws to publish legal notices, within ten (10) days of its adoption.

Section 16. This Ordinance shall become effective immediately upon its adoption.

THE FOREGOING ORDINANCE WAS MADE, PASSED AND ADOPTED AT A MEETING OF THE TOWNSHIP BOARD OF NOVI TOWNSHIP, OAKLAND COUNTY, MICHIGAN, HELD ON 18th DAY OF JUNE, 1956 AT 2 P.M.; ALL MEMBERS OF THE TOWNSHIP BOARD BEING PRESENT AND VOTING IN FAVOR THEREOF.

SCHOOL DISTRICT ELECTION

Notice Is Hereby Given to the Qualified Electors of
NOVI SCHOOL DISTRICT NO. 8
NOVI TOWNSHIP, OAKLAND COUNTY
THAT THE ANNUAL ELECTION WILL BE HELD
ON JULY 9, 1956

IN THE
TOWNSHIP OF NOVI

The place or places of ELECTION are indicated below

NOVI SCHOOL

26350 NOVI ROAD

The following TRUSTEES will be elected:

JACK CRAWFORD — 3 Years

DOROTHE S. SNOW — 3 Years

The Polls for the said Election will be open from 12 o'clock Noon, and remain open until 8 o'clock P.M., of the same Election day.

Georgia H. Larson,
Secretary, Board of Education

Dated June 15, 1956

No Annual Meeting; School Election July 7

Because of a change in the Michigan laws governing school districts, Novi School District No. 8 will NOT hold an annual meeting this year, Superintendent William Medlyn announced Tuesday.

Medlyn explained that the classification of School District No. 8 had been changed and that the new law made no provision for the annual meetings which were formerly held early each July.

However, the school board is holding an election July 9 to fill the three year term of trustee. Incumbent Dorothe S. Snow and former board member Jack Crawford are seeking the position.

The election will be held at Novi school, 26350 Novi Rd. and the polls will be open from noon until 8 p.m., according to Georgia Larson, secretary of the school board.

Mrs. Snow was first elected to the board in 1954 to fill an unexpired term. For the past year she has been treasurer of the board.

A lifelong resident of Novi, she has four children. Active in the Rebekah Lodge and Girl Scouts she is both a past president and the president-elect of the Novi Mother's club.

Crawford, who also served the board as treasurer, has lived in Novi 16 years. He served on the board for two terms, from 1947 to 1955. He has three sons in school. A director of the Board of Commerce and trustee of the Methodist church, he is also a 32nd degree Mason.

Zoning Bd. Proposes Trailer Ordinance

An amendment to regulate mobile homes and trailer coaches in the township was proposed by the Novi township zoning board at the June 25 monthly meeting.

The amendment, which would set up a new district classification known as R-3, will be discussed at a public hearing July 23, according to George Lien, secretary.

The board also discussed and proposed new legislation covering buildings to be moved.

Children Find Day Camp Activities Varied

MANY DAY CAMPERS were lined up for some plaster of paris last week in back of Amerman school. The plaster hardens in the molds and the children paint the figurines. The instructor, Marsha Doeksen, is shown spooning the freshly made plaster.

Approximately 30 guests were present at a pink and blue shower honoring Mrs. Lillian Cierelli (nee Lillian Hansor) at the home of Mrs. Marvin Guntzville Sunday afternoon.

Burglar Takes Motor, Gas Can (But No Gas)

A burglar, evidently too tired to paddle his own canoe, broke into Ward's service station, Grand River and Beck Rd., early Tuesday morning and took off with a 30-horsepower outboard motor.

The foresighted thief also took along a new 6-gallon gasoline can. There is some speculation that he preferred a different brand of gasoline since he did not bother to fill the can before leaving.

Novi police say that a side window was broken some time between 9 o'clock Monday evening when the station closed and one o'clock Tuesday morning when the theft was discovered.

Services Held for Harrawood Infant

Funeral services were held June 23 for Greg Harrawood, 5-day old son of Mr. and Mrs. Leo Harrawood.

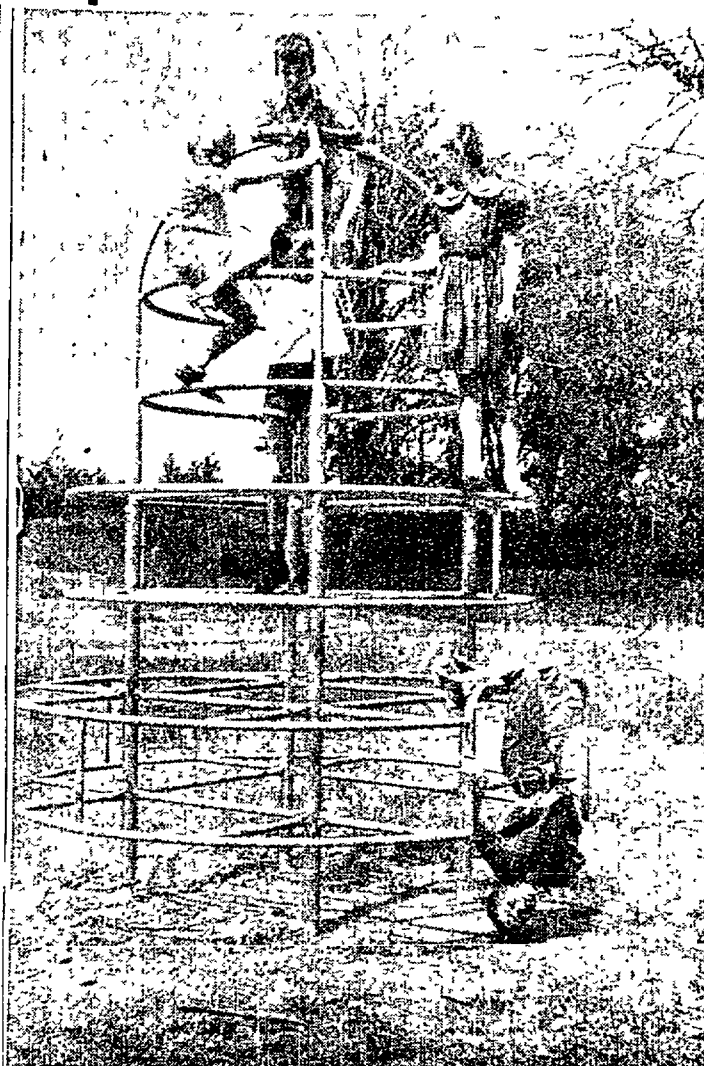

Born prematurely June 15, the infant died five days later at Mt. Carmel hospital in Detroit.

Burial was at Oakland Hills Memorial Gardens following services at Casterline Funeral Home in Northville. The Reverend A. Schellhase officiated at the rites. The Harrawoods, who live at 27000 Novi Rd., have two daughters, Diana Lee and Debra Lou.

Church Program Ends Bible School

The Novi Baptist church's Daily Vacation Bible school will close tomorrow night, June 29, with an evening program at the church.

Scheduled for 7:30, the program will be staged by the children and is open to the general public, according to a church spokesman.

CLIMBING and turning upside-down, these youngsters are doing just what you'd expect them to do on monkey bars. Besides physical activity the children learn a variety of crafts.

TAKING TIME OUT to smile for us, (left), this little girl poses with a piece of leather which she is making into a coin purse.

UP IN THE SWING (far left), these little boys are enjoying the play equipment at the day camp at Amerman school.

IT'S UNCLE'S BIRTHDAY

The Fourth of July is the day our Uncle Sam celebrates his birthday. And more and more, in addition to making speeches and parading and displaying the American flag, we celebrate the day of Independence with a picnic.

It's a birthday party. And what is more fitting than to observe a natal day with another tradition—the birthday cake, also an excellent picnic menu fare.

The baker is equal to the occasion. His holiday cakes are just what is in order for the day. He'll have little cakes and big cakes with a patriotic motif on the frosting. Or you can order one special.

Set a small flag on the top. It's the 180th anniversary of the founding of these United States, which would mean a lot of candles! This July 4th will find more people getting out of the house to find a little spot in the country, on the beach or in the mountains to hold the family picnic. It also means traffic on the roads.

Make the Fourth a safe and sane one, drive carefully. And it will be a truly happy birthday for our Uncle Sam.

Roses for Summer

AN ARRANGEMENT of roses gives a cool appearance for summertime living. Roses are appealing for entertaining, for sending to weekend hostesses, and for telegraphing to friends and family for graduations, wedding anniversaries, and other seasonal events.

The rose is the flower-of-the-month, selected for its reasonable price and wide availability by the Florists' Telegraph Delivery Association, the 20,000 florists all over the world who can send flowers almost anywhere in a matter of hours.

Willowbrook Beauty Wins Second Place

Ann Williams, 17-year old Willowbrook girl, placed second in the state-wide AMVET beauty contest at Grand Rapids last week end.

A girl from Kalamazoo won top honors after a 20-minute

deadlock by the judges who were faced with a tie vote, according to AMVET Charles Trickey, Jr.

Miss Williams, who lives on Mill Stream Rd., plans to enter the U. of M. school of nursing this fall.

Miller's Married 25 Years

150 Attend Anniversary Party

25 YEARS AGO on June 27, Mr. and Mrs. Harold Miller of Novi were married in St. Paul's Lutheran church in Clarenceville. Sunday, at an open house held in their home, many of the original wedding guests and all of the wedding party but one, who is deceased, were present to help them celebrate the 25th anniversary of their marriage. Over 150 guests signed the guest book and a six o'clock dinner was served to 90 friends and relatives. The Millers received many beautiful gifts of silver. Mr. Miller was born in Novi and Mrs. Miller was born in Detroit. They have a son, William, who is 17; a married daughter, Mrs. Stanley Orzechowski, of Beck Rd., and one grandson, Michael, who is 2½. Out-of-town relatives and friends came from Detroit, Pinckney, Flint, Farmington, Northville and Chicago. Guests from the longest distance away were Mrs. Miller's sister, Mrs. Pearl Ross and her daughter, Diane, from California. Shown in the above picture, left to right: Mrs. Mildred Main of Detroit, Mr. and Mrs. Miller and Mrs. Pearl Ross.

Father Fetes Five At Lodge Banquet

W. G. Doan, 44480 Grand River, received recognition at the Odd-fellows' Father and Son banquet June 18 for having the most sons in attendance.

The five sons attending the dinner with Doan were Wally, Bob, Conrad, Walter and Tommy. The Doans have one girl, Claudette.

Al Porritt, Sr. acted as master of ceremonies for the evening. Carolyn Smith sang and played the guitar and J. Drew played several selections on the piano.

George Hines was the guest from the farthest distance, Largo, Florida.

The Swiss steak dinner was served by Novi Rebekahs.

THERE'S MORE THAN ONE WAY to beat the heat this summer, especially if you're only five years old and have plenty of time to play in the water and on the beach at Novi Township park. Although wearing a life preserver just in case, the young lady shown above found plenty of pint-size thrills last week end on the slides and swings located in the park's shallow water play area.

Obituaries

HARRY L. WEAVER

Word was received this week of the death Monday of Harry L. Weaver of Traverse City. The Weavers were frequent visitors in Northville in the past and were well known here. Mr. Weaver was the uncle of Mrs. Allen Buckley, Mrs. John Burkman and Donald P. Yerkes, Jr.

MARIE BARNES

Marie Barnes of W. 7-Mile Rd. died June 23 at the age of 56. She was born in Altoona, Pa. and her parents were Martin and Josephine Laubacker. One sister, Rosealia Laubacker of Altoona, survives. The body was taken from the Bahnmiller Funeral Home for burial in Rural Hill cemetery Tuesday.

Conservation Dept. Offers Free Booklet

Lansing, June 28 — "The Red Foxes of Michigan," a new 48-page Conservation Dept. publication is off the press and available free to the public.

The book is the result of a Pittman-Robertson project that has been under way for the last several years and was written by David A. Arnold, now Escanaba district game supervisor. The illustrations are by Oscar War-

bach, game division biologist and cartoonist.

"The project has been conducted for the public benefit and this report is intended for the layman rather than the technical researcher," announces a preface in the booklet.

The book purposely has not been copyrighted, to encourage wider use of the material. Requests for the book should be sent to Conservation Dept. Publications, Lansing 26.

SOFT WATER

Automatically with the

REYNOLDS Automatic WATER SOFTENER

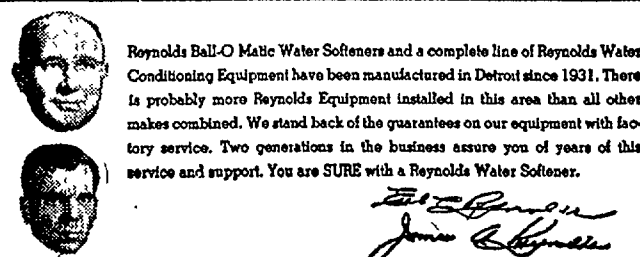

A fully automatic 35,000 grain capacity water softener featuring the time-tried Reynolds Quadra-Flow Controller . . . MOTORIZED to give you completely dependable automatic regeneration.

You set a clock or press a button. That's all you have to do. Reynolds Automatic does the rest. It's the kind of automatic softener you'd expect from Reynolds Water Conditioning Company, as the result of more than 25 years' experience in the development and manufacture of water conditioning equipment.

There's no other water softener like it. Reynolds is designed to give you every feature you should have in a 100% automatic water softener. And it's fully covered by patents. Dowex is the softening medium.

Now you can enjoy the benefits of this sensational advance in water conditioning. It's proved in service and guaranteed to give you soft water AUTOMATICALLY!

You can't afford to be without soft water. Call today for complete information, including free water analysis.

Reynolds Ball-O-Matic Water Softeners and a complete line of Reynolds Water Conditioning Equipment have been manufactured in Detroit since 1931. There is probably more Reynolds Equipment installed in this area than all other makes combined. We stand back of the guarantees on our equipment with factory service. Two generations in the business assure you of years of this service and support. You are SURE with a Reynolds Water Softener.

troop. The girls ages range from 14 to 18.

The camp will have a swim-ming area, 20 first-aid stations, a wildlife sanctuary, five food commissaries and a bank where money will be exchanged for Roundup scrip.

Helicopters supplied by the U.S. Navy and Marine Corps will salute the Wing Scouts.

Three pageants will be pre-sented July 4, 7 and 9 in an out-door arena made by the U. S. Army Engineers. The arena will seat 10,000.

Speakers July 4 will be Jac-queline Cochran, aviatrix; Lillian Gilbreth, engineer and mother of authors of "Cheaper By The Dozen", and Charleton Heston, actor. Jo Anne Warren, 15, of Lubbock, Tex., will read her prize-winning Americana essay.

A farewell ceremony pointing up the development and ideals of scouting will be presented July 9. The final pageant has been written by Dorothy Fields, au-thor of "Anne, Get Your Gun".

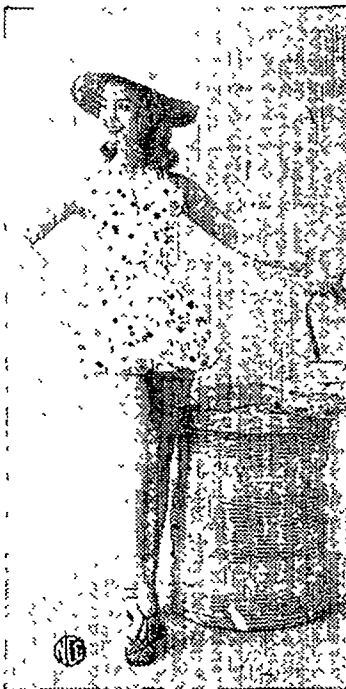

The purpose of the Roundup is to give scout s a greater ap-preciation of American traditions.

SUN FUN!

Ready for fun in the sun, this happy vacationer is comfortable and smartly dressed in his cotton plaid beach ensemble by Catalina. Casual cottons like this are favor-ites for masculine vacation ward-robos this summer, the National Cotton Council reports.

DOTS WITH DASH!

Becoming and practical for bat-ling in sun or water is this brief, two-piece romper suit made from cotton bags at a cost of a few pen-nies. Two 100-lb. feed bags in col-ored polka dot print were used to make up McCall's pattern 3169 in size 14. This is one of the summer fashions featured in the loan ward-robe collections offered for style show programs by the National Cot-ton Council, P. O. Box 9905, Mem-phus, Tennessee.

Boy's Haircut a "Shear" Joy at Home

That first haircut is a big event in a little boy's life, but it can be a terrifying experience as well. Barber Albert Guilone, of Little Neck, L. I., shown here with 16-month-old customer Liam Brennan, suggests you use a little psychology—and do it yourself. And here is some professional advice to make your barbering project easier:

1. Divert your child with toys or picture book, or let him watch TV as you cut. Take care that the scissors don't nip him should he turn his head suddenly.

2. Cut before you shampoo. Clean hair is too soft and fluffy, and difficult to cut. Take a small bunch of hair in one hand, and with the other, cut off the longer excess hair, little by little. Cut with an up-and-down motion, never straight across, which leaves the ends blunt and uneven. Do the side first, then the back, and finally the top.

3. Shampoo. Draw a line of petroleum jelly across the fore-head to keep soap from getting into the eyes. Rinse thoroughly and towel-dry. While the hair is still damp, sprinkle on a little pure hair tonic to help shape the hair for the last steps in cutting. Barber Guilone recommends a pure non-alcoholic petrolatum hair tonic, such as the Vaseline brand, which won't harm young hair.

4. Use the shears to snip the last few uneven hairs at the nape of the neck. Part his hair, comb it, and don't forget the tip—a lollipop—to make the whole ordeal worth while!

"I'm growing beans, peas, tomatoes and squash — and tired already!"

K. Krezel Returns from Explorer Meeting In Illinois

Kenneth Krezel, 22000 Meadowbrook, was among eight young men chosen to represent the Detroit Area Council, Boy Scouts of America in Champaign, Ill. last week.

Krezel was one in a selected group of over 600 Explorers, young men from 14 to 18 years of age, who attended the conference June 21, 22 and 23 at the University of Illinois.

Called "Citizens Now", the conference emphasized the important and real participating role of the teenager in his home and community now, as well as in the future, with full knowledge of his privileges and obligations. Through a series of assemblies and discussion periods, the Explorers endeavored to analyze

their individual relationships to society.

Most important phase was the specifics developed by the Explorers and the conclusions they reached, for these 600 young men formed a "pilot group" from the four states of Illinois, Indiana, Michigan and Wisconsin who will within the next eight months, conduct similar "Citizens Now"

Letter To The Editor

New York City
June 19, 1956

Dear Editor:

Enclosed you will find a check on the New York Savings Bank for \$3.00, which will continue my subscription...for another year.

I look eagerly for the Record each week since it is news from home, and the Record has been coming into our home for 50 years...

It is now, in my estimation, the finest paper it has ever been, and certainly under the present ownership the best edited.

I have been much intrigued by the "Teenagers" section, which I deem most interesting. I also read the Novi News with special interest, since that town was part of my early childhood...and I often wonder if Northville will not become the Novi "backyard" as someone facetiously remarked recently.

I can only wish the Record continued success...and trust that Northville people realize the excellent paper in their midst as it comes to their door each week.

Very truly yours,
H.H. White
323 West 14th Street
New York 14, N.Y.

P.S. What happened to the very clever "File Basket?"

conferences in their own communities.

Locally, the Detroit Area Council's "Citizens Now" conference will be held Aug. 30, 31 and Sept. 1 at Cranbrook School for Boys, Bloomfield Hills

On The 4th of July

Born on the Fourth of July were George M. Cohan, American actor-playright, who wrote a song about it ("I'm A Yankee Doodle Dandy"), and Iacome Calvin Coolidge, 30th president of the United States (who never said much about it).

Three presidents died on Independence Day — John Adams and Thomas Jefferson in 1826, and James Monroe died in 1831.

Nathaniel Hawthorne, who wrote "The Scarlet Letter" and "The House of the Seven Gables", was born July 4, 1804. On Independence Day, 1894, French sculptor Berthold's famed monument, "Liberty Enlightening the

World", known to us as the Statue of Liberty, was formally presented to the United States, in Paris.

25 Week Radio Course Ends for Pfc. Cansfield

Fort Gordon, Ga. — Pfc. William B. Cansfield, son of Mrs. W. H. Cansfield, 404 W. Dunlap St., recently was graduated from the field radio repair course at the Army's Southeastern Signal School, Fort Gordon, Ga.

The 25-week course trained Cansfield in the fundamentals of electricity and radio, the service and repair of radio transmitters and receivers and the use of radio testing equipment.

Cansfield entered the Army in September 1955 and completed basic training at Fort Ord, Calif. He is a 1954 graduate of Albion college and attended the University of Michigan.

**N'ville. Merchants To
Play Double Header**

The Northville Merchants baseball team will play a double header July 4 at Cass Benton park, according to Team Manager Joe Kritch.

The first game will be an exhibition game between the Pepsi Cola team, Class A Detroit Baseball Federation champs at 1 p.m. The regular league game will be played against Saline at 3:30. Kritch said that July 4 will be like old home day. "I managed

the Pepsi Cola team from 1940-45," Kritch said. Kritch will pitch Dick Hein, 19, against the Pepsi Cola team.

Two Local Boys Signed
Buddy Bell, outfielder, and Clayton Pethers, pitcher, were signed by Kritch this week and will play in the July 4 games.

The games will be held at Cass Benton park. "Everyone is welcome," Kritch said, "and after the game there will be a picnic. Free sandwiches, pop, hot dogs and a lot of other things. Come out everyone. See two good games and have some free refreshments," Kritch said.

The Merchants team will play the Plymouth team this Sunday, July 1 at Cass Benton park.

Muskegon Man Named New M. E. A. President

Francis W. Beedon, instructor of political science and sociology at Muskegon Community college since 1946 and social studies teacher in Muskegon schools since 1923, assumes the presidency of the 45,000-member Michigan Education Ass'n. July 1, according to an announcement from the M.E.A. headquarters in Lansing.

Francis W. Beedon

Beedon, who succeeds John W. English, superintendent of schools from Inkster, becomes the M.E.A.'s 101st president.

"The improvement of the teaching profession and of its individual members is the great aim of the Michigan Education Ass'n," says Beedon in a statement to the press upon his assumption of presidential duties.

"The M.E.A.'s immediate task is the vigorous promotion of the amendment to the Michigan constitution designed to remove the state education system from partisan politics," he noted.

"Better prepared teachers, improved teaching in the school-rooms of Michigan, and more adequate compensations for those who devote their lives and talents to education are continual goals of the M.E.A.," Beedon said.

Beedon's new position makes him presiding officer of the M.E.A.'s board of directors, of which he has been a member since 1949. Beedon has served education as a member of the M.E.A. publications commission, the M.E.A. professional problems commission, the M.E.A. tenure committee, and recently as a member of the M.E.A. resolutions committee which codified M.E.A. policy for the first time this year.

In 1953-54 Beedon served as chairman of the National Education Ass'n's powerful resolutions committee.

He recently chaired the legislative committee of the Michigan

RIGHT OR WRONG?

The Bible clearly states that the closing age will be one when deceptions shall flourish. It would therefore behoove every sincere believer to be on guard against being influenced by religious errors being passed off as "Gospel Truth". To aid you in detecting this deception let me pass on to you a few hints that I read in a Christian magazine. "There are 3 ways in which a teaching may be wrong (1) It can be wrong in what it affirms. (2) It can be wrong in what it denies. (3) It can be wrong in what it omits (and of course this is most subtle). Prophets may be false in their affirmations or in their denial or in their omission. They may be wrong in any one of the three—in all three or in any combination of them." The most dangerous counterfeit is one that has the most silver in it and yet is not genuine. There are many religions, cults, sects and faiths today that contain a great deal of Bible truth, yet depart from the scriptures in very vital doctrines. Just because one may be true about the Inspiration of the Scriptures, the Dicty of Christ does not mean that they may hold the truth about the Doctrine of Salvation.
