

DEATH CAR. A 21 year old Northville man was killed in this car Friday evening. The car struck a road sign, tree and pole before coming to a stop. See story on this page.

Electrical Experiments Conducted at Hatchery

A. L. McClain, research biologist representing the Great Lakes Fisheries, concluded a series of electrical experiments at the fish hatchery on 7-Mile Rd. last week.

The tests are not yet complete, but according to Oscar Thompson, superintendent at the hatchery, McClain was satisfied with the results obtained so far.

Object of Experiment
The object of the experiment, according to McClain, was to find a practical way to keep undesirable fish out of hatchery water supplies.

Thompson said that many green sun fish have made their way from the river to the hatch-

ery ponds. "The sun fish eat the food that the bass should be eating and they even eat the bass," he said.

McClain said that other methods have been used to eliminate the undesirable fish, such as putting screens over the pipe, but the screens usually plug up and there is the possibility that the sun fish might also squeeze through the screen.

McClain said the system of using electrical weirs has been most successful in other places. "They are used in the majority of stream distributors to Lake Superior and several at the northern end of Lake Michigan,"

he said, "in an effort to control the sea lamprey in the Great Lakes." McClain was a member of that research project.

Several Species Used

McClain conducted his experiments in the hatchery troughs. Several species of fish were used including sun fish, bass, blue gills and minnows.

McClain electrocuted the fish and then bottled them in formaldehyde. He took the samples with him for further experimentation.

Items in Report

McClain's job was to report on the amount of power needed to make the installation of such a project a success. Also, the conditions needed to control the supply. "My report is sent to the main office," he said, "and the decision is theirs."

The experiment was in accordance with a statement issued last year by Ernest O. Rogers, regional supervisor of game, fish and hatcheries in Minneapolis.

"The branch of Fishery Biology will probably make use of a considerable part of the buildings in Northville in connection with their Great Lakes program," he said.

Water Supply O.K.

Thompson said that the water supply at the hatchery is "enormous" and "...as good as its ever been."

"We still don't know if we're going to begin raising trout again," he said, "we were on limited production this year because our water supply dwindled. We had no trout this year."

The year before, 30,000 legal trout and 200,000 smaller trout were supplied by the Northville hatchery for lakes and streams. Also approximately 400,000 bass. This year the hatchery can boast only of 100,000 bass and as many blue gills.

"We'll know by November if we're going to have trout next year," Thompson said, "because we'll get out trout eggs then."

Northville Man Killed 9 Days Before Wedding

Rubin K. Caudle, 21, 19404 Gerald Ave., was killed in an automobile accident Friday evening, nine days before his wedding day.

be married July 30.

The Wayne County Sheriff's Dept. said that Caudle was driving west on 6-Mile Rd. when his car left the road ten feet west of Beck Rd.

The car struck a road sign, a tree, and rode in a ditch before striking an Edison pole and coming to a stop. The Sheriff's men said that the car was driven 225 feet after it left the road. There were no witnesses.

Caudle was taken to Sessions hospital and then transferred to University hospital in Ann Arbor where he died soon after admission.

Caudle had lived in Northville for four years and was an employee of the Wordens Specialty and Machine Co.

He is survived by three brothers: Paul, Herschel and Wilbur, all of Northville.

The body was sent to Union City, Tenn. for burial earlier this week.

Rubin K. Caudle

According to his fiancée Jeanne Gardner of South Lyon, the young couple were planning to

Seriously Injured In Auto Mishap

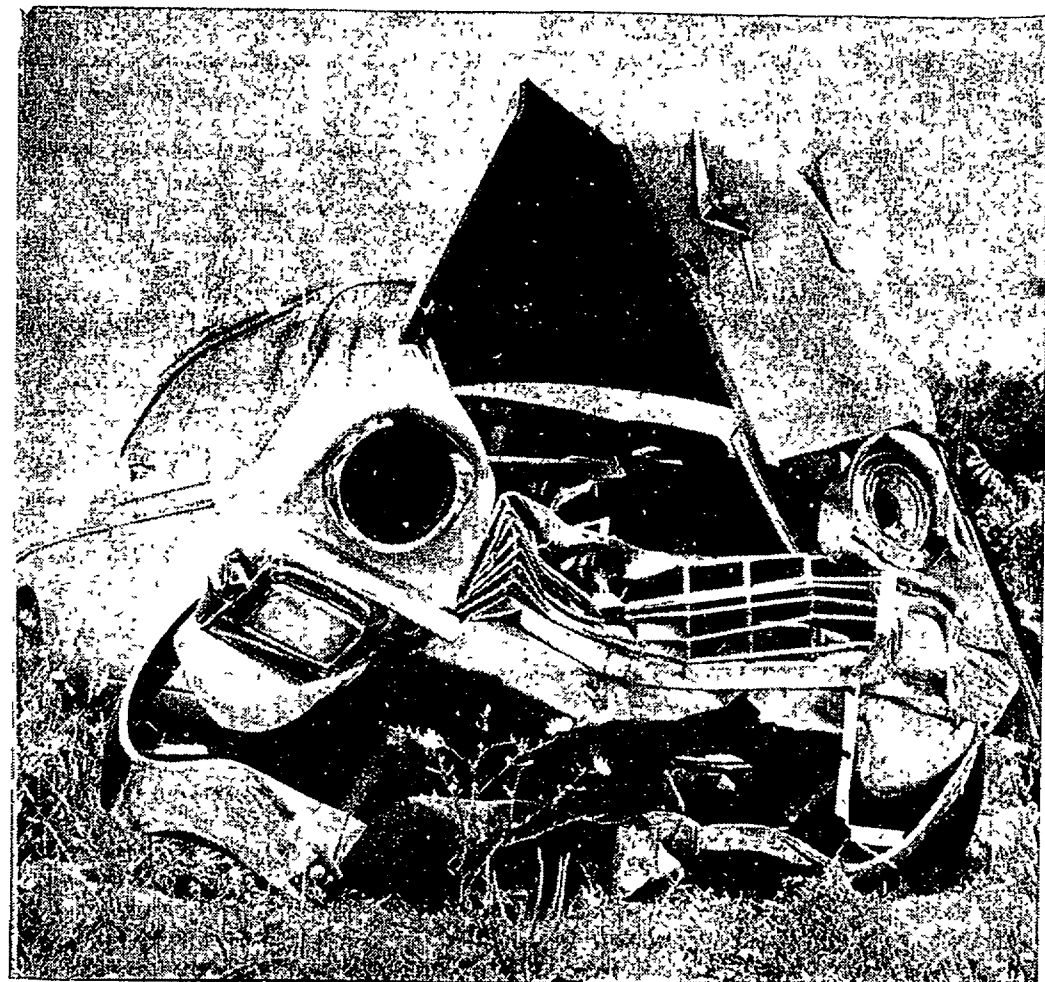

A 21-year old Livonia girl was seriously injured Sunday night in an automobile accident on Novi Rd. at Nine Mile Rd.

Barbara May Slater of 33805 Orangelawn, Livonia, was taken to Mt. Carmel hospital in Detroit suffering from serious back and arm injuries.

The accident occurred when Miss Slater's car, traveling on Novi Rd., was hit by a car driven by Lonnie H. Dennis, 27, of Detroit.

According to Novi police, Dennis' car was traveling east on Nine Mile Rd. and failed to make the required stop at the intersection. Dennis was not injured. He is scheduled to be arraigned in Novi Justice Court today.

Damage to each car was estimated by police at \$600.

A YOUNG GIRL was seriously injured in an automobile accident on Novi Rd. at Nine Mile last Sunday night. Barbara May Slater of Livonia was driving her late model car (above) along Novi Rd. when another car driven by Lonnie H. Dennis ran through a stop sign and collided with her car. Miss Slater is in serious condition at Mt. Carmel hospital.

Latest Word G.S. Troop 8: "Just Fine"

"Troop 8 is just fine."

That's the latest word from the 21 Northville girl scouts and leaders at Yellowstone National park.

When Mrs. Alex M. Lawrence, troop leader, and Miss Elizabeth Beard, assistant, phoned Mrs. Glenn H. Cummings Monday evening they said that the group was having a wonderful time watching Old Faithful erupt. "The girls will no doubt be writing home about this sight," they said.

The girls broke camp at Old Faithful July 25 and left for the Canyon camp grounds. The girl scouts send their love to their parents and big kelloes to their friends. The girls also mentioned that if some of their parents receive a C.O.D. box containing a buffalo or a bear it is hoped that the gift will be accepted.

An additional story about these girl scouts will be found on page 3.

\$385 Worth of Tools Stolen from Car

An electric drill and furnace tools valued at \$385 were stolen from a parked car last Thursday evening.

Daniel Duquet, 29434 Orchard Lake Rd., Farmington, said that he parked his car near the race track and left it there from 8:30 p.m.-11 p.m. Someone broke the ventilator window and stole the equipment.

Northville police are working on the case.

Public Hearing for City Manager Friday, July 30

A public hearing concerning the city manager ordinance will be held at the city hall Monday, July 30 at 8 p.m.

All citizens of Northville are invited to attend.

Members of the city manager committee recommended the adoption of the ordinance at their last regular meeting and the city council will vote on it at their Aug. 6 meeting.

If the ordinance is passed, advertisements for a city manager will be inserted nation-wide with the hope of having a selected man in office by Oct. 1. The salary range will be \$6,500-\$8,000.

Novi School Supt. Urges Consolidation of Four Districts

"We must plan now for the population increase which is certain to come, and the consolidation of the four Novi districts is the first step toward this future planning," Novi School Supt. William Medlyn emphasized in a plea issued to Novi residents this week.

"For the past several months," he continued, "efforts have been under way to bring about the consolidation of Novi's four school districts (Durfee, Putnam, East Novi and Novi No. 8).

"These efforts have resulted in approval of the proposed consolidation by Dr. William Emerson, Oakland County superintendent of schools; the state department of public instruction, and the municipal finance commission.

"Currently petitions are being circulated in the individual dis-

16-Yr. Old Escapees Give Police Chase

Two 16-year old escapees from the Boy's Vocational School in Lansing gave Novi, Detroit and state police a busy time last week end before being recaptured.

Novi police first entered the case when they were called to the William Harris home, 40500 W. 10-Mile Rd. shortly after dark on July 19.

Harris said his family had just returned from a short trip to Farmington and found a French door at the rear of their home broken and footprints inside the house. Their dog was barking excitedly.

However, a close inspection failed to reveal anything missing and Novi police officers suspected that the burglars had fled through back fields upon seeing the Harris car come in the driveway.

Novi Chief Lee BeGole searched the nearby fields and found a track leading in the direction of Spicer's Orchards, 39999 Grand River. They investigated several houses in the vicinity but found no traces of the intruders.

However, shortly after midnight, Robert Spicer called to report his 1955 pick-up truck stolen. The report was relayed to state police who had information on the two escapees.

Novi police also picked up a 1949 sedan found abandoned on Grand River near the scene of the theft. A check failed to report it stolen. However, Monday morning the owner in Lansing reported it stolen and it was identified as the get-away car used by the boys in leaving Lansing.

Meanwhile, the boys were picked up by Detroit police who had been alerted. The pair confessed to taking the automobile, breaking into the Harris house, and stealing the pick-up truck.

CONNECTING THE electrical equipment used in his experiments at the fish hatchery last week is A. L. McClain, research biologist.

Jr. Horse Show Aug. 11 - 12 To Mark 40th Anniversary

When the Northville Junior Horse Show gets under way at Northville Downs track Aug. 11 and 12, it will mark the 40th anniversary of horse show competition in Northville.

The show, traditionally the highlight of the season's activities, has been a junior affair for the past eight years. It is sponsored by the Northville Optimist club for the benefit of youth activities.

The 25 classes are divided into six divisions to cover all types of horses. Equitation events cover English, Western and Hunter seat. Saddle Horse classes are for 3' and 5' gaited. Western horses, Standardbred, Hunters and Jumpers and ponies make up the balance of classes.

The featured event of the show is the Junior Olympic Team competition. This year there are 14 teams entered in the season long jumping competition, in which the junior riding teams vie for the title of the champions of Michigan, and the right to defend the title of International Champions against the top team of the Canadian Pony Clubs.

The Northville competition will be the third of the season's six trials. With four members to a team, there are 56 riders making up the personnel of the league.

4-H competition is included in the horsemanship events and many of the 4-H club members from Plymouth, Belleville and

South Lyon will be on hand to compete for the trophies.

The finals of the show, on Sunday afternoon, will be the Michigan Junior Equitation championship class, in which the winner will receive the Harry B. Clark Memorial Challenge trophy, presented in honor of one of the founders of the Northville Horse Show 40 years ago.

The executive committee in charge of the show includes J. P. Malley, general chairman; Dr. J. K. Eastland, Dr. Waldo Johnson, Maxwell Austin, Robert Coolman, Stanton Schaefer, Adrian Willis, John Canterbury, Willis McCarthy and Dr. L. W. Snow.

2-Year Old Drowns In Swimming Pool

Norma Eva Sparks, 2-year old daughter of Mr. and Mrs. John Sparks, Walled Lake, drowned Tuesday afternoon when she fell into a swimming pool in her backyard.

The girl's mother, Mrs. Loretta Sparks, and a brother, Mac, attempted to apply artificial respiration but soon rushed her to a Walled Lake doctor when their attempts proved unsuccessful. The doctor was unable to revive the small girl.

Norma was a granddaughter of Logan Sparks, retired Walled Lake justice of the peace.

Twp Officials Asked About Annexation

"No comment" was the word from Novi's Township Hall this week in answer to questions concerning the progress of the reported legal action protesting the Aug. 7 special annexation election.

Officials said only that Archie Leonard, township attorney, had been instructed to prepare for a legal battle on the annexation question.

The election is to be challenged, township officials stated, on the grounds that the law allowing such annexation of the property is "unconstitutional."

They cite the fact that the assets of the township must be proportionately divided with any area voting to withdraw from the township. The township hall is now debt free, they point out. However, if much land is taken away from the township, the required division of assets would force the township to mortgage

the township hall and once again go through the process of paying it off.

Township officials have gone on record as saying that they feel that as long as all of the township residents are financially affected to the above extent by the annexations, it is unconstitutional to give them no voice or vote in the matter.

The Novi land proposed for annexation to the City of Northville lies between the 8 and 8½-Mile lines and extends westward approximately one quarter mile from Center St. The area includes proposed sites for a new high school and a subdivision.

Turkey On Menu for Carol Ann Dinner Slated August 26

Roast turkey and all the trimmings will be on the menu Aug. 26 at the American Legion Hall in Northville. All of the proceeds from the dinner will be contributed to the Carol Ann Donnelly fund to aid the three-year old leukemia victim.

Sponsored by the ladies auxiliary of the Fraternal Order of Eagles, the dinner will be open to the public.

Members of the dinner committee include: Mrs. Helen Robertson, Mrs. Erna Perez, Mrs. Eva Hanna, Mrs. Reva Spitz, Mrs. Gloria Brown and Mrs. Jo Allison. Tickets will go on sale at the end of this week: \$1.25 for adults and 75 cents for children. They may be purchased from club members or at the Northville Record office.

Carol Ann is still in a state of remission. Her parents take her to the hospital for a check-up every ten days now instead of every week. Right now Carol Ann is looking forward to a picnic next Tuesday at Belle Isle. The picnic will be sponsored by the Leukemia Foundation and it is expected that all parents and leukemia victims in the Detroit area will attend.

MICHIGAN WOMEN dropped their duties as wives and mothers last week, July 17-20, and headed for Michigan State university campus to attend the 29th annual Homemakers' Conference. Living in dormitories, attending classes, hearing nationally-known speakers and attending a tea was the fare for the 1,300 women during the four-day session. Visitors from Wayne county included: (left to right) Mrs. Eleanor Mullikin, home demonstration agent; Elizabeth Peca, Northville; Mrs. H. C. Sedan, Northville; Mrs. Frank Platz, Farmington; Mrs. W. Hillebrand, Livonia; Mrs. Lloyd Anderson, Garden City.

News Around Northville

House guests this week of Mrs. Mary Alexander are her daughter, Mrs. T. H. Bray and children, Paul and Patsy of Boyne City.

Mr. and Mrs. N. W. Hopkins have just returned from a trip to Boston.

Mr. and Mrs. Herbert Frogner left last Thursday for a motor trip through the Georgian Bay area on their way to Duluth.

Dr. and Mrs. E. B. Cavell spent Sunday at the C. R. Fox home in Redford.

Mrs. Carey Dalrymple of Atlanta, Ga. is at the home of her daughter and son-in-law, Mr. and Mrs. Drake Older, of Rogers St. for an indefinite visit.

George Rambeau, son of Mr. and Mrs. L. D. Rambeau spent the week end with his former classmate, Russell V. T. Grabby, in Pittsburgh, Pa.

Mr. and Mrs. J. L. McKinney of W. Dunlap St. returned last week end from a months vacation in Florida and Havana, Cuba. While in Florida they visited friends in Clearwater and Fort Meyers.

Bruce and Mary Godfrey, son and daughter of Dr. and Mrs. H. G. Godfrey, will leave today for Camp Chippewa Ranch, near Mt. Pleasant for four weeks.

Mr. Harris Newton from San Antonio, Tex. visited his sister, Miss Ada Newton who is a guest of Mr. and Mrs. Glenn H. Cummings.

Engagement Announced

The engagement of Joyce Evelyn Wilson to George Carroll was announced this week.

Miss Wilson is the daughter of Mrs. Robert Wilson, 6-Mile Rd. and the late Robert Wilson.

Mr. Carroll is the son of Mr. and Mrs. Clarence Carroll, 8-Mile Rd.

An October wedding is being planned.

Open House Tea Held To Introduce Mrs. Chas. Ely, Jr.

Approximately 60 persons attended an open house tea at the home of Mrs. C. Harold Bloom Thursday afternoon, July 19.

The tea was given to introduce Mrs. Charles Ely, Jr., niece of Mrs. Bloom. The Elys were married recently in Big Rapids and intend to make their home in Northville.

Pouring tea for the guests were Mrs. William St. Lawrence, Mrs. Robert Williams, Mrs. Orson Atchinson and Mrs. C. M. Goodrich.

Mr. and Mrs. Victor Lumley and their daughter, Phylinda, were week end guests of Mr. and Mrs. Fred Gotts of North Center St. The Lumleys, former residents of Northville, now live in Grand Rapids. Phylinda attends the University of Michigan in Ann Arbor where she is studying nursing training. The Gotts' son, Larry, was also home for the week end from Michigan State.

Mr. and Mrs. Drake Older, Debbie and Julie, returned Sunday night from a two week vacation. They toured the state of New York, visited the Corning Glass Works and the grounds where the Battle of Gettysburg was fought.

Mr. and Mrs. Carl B. Hunt of 642 Center St., returned home Saturday night after a three weeks vacation. They took the Clipper from Muskegon to Milwaukee, and then motored on to Washington, California, Colorado and Salt Lake City. They visited friends in Los Angeles and Santa Barbara and went as far as the outskirts of Mexico.

Donald E. Starr, 323 River St., was pleasantly surprised on his birthday last week Wednesday. Mrs. Starr invited 40 relatives and friends from Livonia, Plymouth and Northville for a backyard picnic supper. Later in the evening, movies were shown outdoors.

Patsy Mulligan, Joan Raubar, Sandy Brondstetter Janet Pauli, Judy Zayti, classmates at Our Lady of Victory school, left Sunday for CYO camp at Lake Huron. They will be gone two weeks.

One of our subscribers, Eturia D. Stalker, from Hinsdale, Ill. sent us the following news item: "George H. Stalker, Jr. (Turk) and Miss Betty Arthur were married Saturday, June 30 in the First Methodist church in Western Springs, Ill. The young couple is living in Key West, Fla., where "Turk" is stationed. He is on the USS Balao."

Dr. and Mrs. R. M. Atchison, Rick, Rusty, Rhonda and Roxanne, returned Sunday from a two weeks vacation at Douglas lake.

Rhonda Atchinson, daughter of Dr. and Mrs. R. M. Atchison will leave today for Camp Chippewa Ranch for four weeks.

Mrs. Flora Maloin returned this week after spending a week with relatives in Detroit.

Dr. and Mrs. O. J. Robinson and family returned Sunday after spending a week at a cottage at Crystal Falls in the upper peninsula.

House guest of the Richard W. Ambler is Mrs. Ambler's mother, Mrs. Anna Atchinson of Wallaceburg, Can.

Michael Goodrich, son of Mr. and Mrs. C. M. Goodrich left Monday for Camp Hayo-Went-Ha on Torch lake for a month.

Mrs. R. M. Atchinson and children went to Albion Monday to visit Mrs. Atchinson's mother, Mrs. Don Harrington (Baldwin).

Mrs. Harry C. Duerson vacationed at Coldwater lake last week as the guest of Mrs. M. W. Cole of Detroit. She is in Lansing this week visiting Mrs. Joseph W. Planck.

Sixteen persons, including Mr. and Mrs. J. W. Straus of Beck Rd. enjoyed a pot-luck hamburger roast Saturday night at Nankin Mills. Mr. and Mrs. Ralph Closson entertained the group at their home in Garden City with a square dance following the picnic.

Fred C. Weihe has been transferred from the Veterans' hospital in Ann Arbor to Hines V.A. hospital, Ill. We are sure he will be pleased to hear from his Northville friends.

Mrs. R. W. Cavell of Dearborn spent last week at the E. B. Cavell home.

Mrs. W. A. Wininger, who has been visiting her daughter and son-in-law, Mr. and Mrs. E. V. Ellison for two months, has returned to her home in El Monte, Calif.

Mr. and Mrs. Charles Yahne and family returned this past week after vacationing three weeks on Lake Michigan above Muskegon.

The meeting of the Book club will be held at the home of Mrs. Emmett Wirth on Chubb Rd. today, July 26. The book, "Russian Journey" by William O. Douglas, will be reviewed by Mrs. Carl Bryan. The book relates the travels of Justice William O. Douglas through Russia in 1955.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Our recipe this week, contributed by Mrs. Andrew Bertoni, is perfect for this time of the year because it uses in-season berries.

Mrs. Bertoni said that she makes this summer dessert often since it requires little time to prepare and offers the cook much leeway in substituting ingredients. One change in the fruit, jello, or cake will produce an entirely different tasting dessert.

Mr. and Mrs. Andrew Bertoni reside at 40640 E. 8-Mile Rd. They have four lovely children: Giannine, 17; Corinne, 13; John, 10, and James, 8.

BERRY ICE-BOX CAKE
(serves 10 to 12 people)

1½ doz. lady fingers
2 boxes jello - Any of the red variety
1 pint fresh strawberries or raspberries
1 cup sugar
½ pt. whipping cream

Make jello, following directions on package-but decreasing water by about one cup to allow for juice from berries. While jello is thickening in refrigerator, hull and wash strawberries or raspberries, crush slightly and add sugar.

When jello has thickened but is not set, add berries and mix thoroughly. Whip cream until stiff and fold into jello mixture.

Cut off bottoms of lady fingers, about one inch and split. Save all pieces. Line spring-mold pan (pan should not have the center tube usually used when making angel-food or sponge cake) with large pieces, using all leftover pieces for bottom of pan. Fill with jello mixture and let set overnight. When ready to serve, remove outside of pan for easy cutting into wedge-shaped pieces.

When berries are not in season, frozen ones may be used, or use your ingenuity and substitute other fruits. Crushed pineapple is a very good substitute. Also, if you are one of those families who seem to have a small amount of ice cream left over when serving a group from a half-gallon carton, save it in your frozen food compartment of your refrigerator and let it substitute for the whipped cream. Of course, as you become accustomed to making this cake you will learn to substitute pound cake, jelly roll, etc. for the lady fingers.

POURING water over the jello, Mrs. Andrew Bertoni begins the first step in the preparation of her Berry Ice Box Cake.

Visitors this past week at the Noble Dahlagers of Grace Ave. were Mrs. Dahlager's mother, Mrs. Eyk and sister, Mrs. Svalsten of Chatek, Wis. Also, Mrs. Merriman of Racine, Mrs. Abrahamson of Blower, Wis. and Helen Eyk of Montevideo, Minn., all sisters of Mrs. Dahlager.

NORTHVILLE SENIOR GIRL SCOUTS were excited about starting their trip last week. This picture was taken just before the Greyhound bus arrived to whisk them away to Yellowstone park.

Two Year Dream Becomes Reality As Girl Scouts Leave For Yellowstone

By Mrs. Alex Lawrence

(This article was written the day before Mrs. Lawrence and her 'safari' left for Yellowstone park)

Two years of concentrated effort paid off last Tuesday, July 17, when Senior Girl Scout Troop No. 8 assembled at the Community Bldg. at 3 p.m. to board a bus bound for Yellowstone National Park. Twenty-one girls, four leaders and two young Boy Scout brothers left for the two weeks trip.

Since June 1954, when the idea first took root, the girls have planned and worked to raise the \$5,000 needed to take the group on this westward journey. Al-

most the entire amount has been earned by the girls themselves. As a troop, they put about \$600 into the treasury by giving plays, sponsoring a dance class, selling cookies and candy, baking cakes.

The troop treasury pays for their stay in Yellowstone, including transportation within the park, plus a night at Buffalo Bill Scout camp near Cody, Wyo., and 24 hours in Cheyenne, Wyo. to attend the annual "Frontier Days" rodeo.

In addition, each girl earned \$150 on her own, to finance the round trip Greyhound bus fare to the park, food for the two weeks and incidentals such as horseback rides and postcards

saying "wish you were here".

Riding "round-the-clock" for 48 hours the girls will have their first night's real sleep in a hotel in Livingston, Mont., a half-day's ride from Gardiner, northern entrance to Yellowstone. In the park, they stay two days at Mammoth, two at Old Faithful and two at Canyon.

Then, leaving by the Cody, Wyo. exit they will spend a day and a night camping at Buffalo Bill Scout camp, where their host will be Mr. C. R. Rice (brother of Mrs. George Chabot of Northville). Mr. Rice is manager of the camp.

From Cody, the group goes to Cheyenne for the final day of the annual rodeo. Judging from whispered conversation on the subject, it is a question which rates higher, the rodeo or the fact that Arthur Godfrey will be there at the same time.

On Sunday, July 29 the troop

begins the final homeward lap, boarding the bus for another 48 hours of round-the-clock riding. They arrive back in Northville about noon Tuesday, July 31, just two weeks from the day they started.

The members of Girl Scout Troop No. 8, now 12th graders, begin their final year of scouting this fall. They have been together as a troop for ten years, since they were in the second grade. Three-fourths of the original members still belong. Mrs. Alex M. Lawrence, who has been troop leader for the entire ten years, is in charge of the Yellowstone safari. Her co-leaders are Mrs. James Howarth and Mrs. Alfred Millington.

Assisting Mrs. Lawrence in supervising the trip will be Mrs. Millington, Mrs. George Weiss and Miss Elizabeth Beard.

Senior Aides going along are Carol Ann Sparling and Ruth Pullen. Carol Ann has camped with the group for the past five years, acting as life guard whenever swimming was part of the program.

A boy scout note will be added to the group by Jim Lawrence and Tim Weiss, the only male escorts invited along.

The following members of Troop No. 8 are taking the Yellowstone trip: Sally Ainsworth, Karen Bayless, Giannine Bertoni, Martha Bloom, Janice Howarth, Janice Kimball, Nancy Lawrence, Deanna Millington, Penny Niece, Roseanne Perrault, Lucille Pullen, Lois Rody, Linda Smith, Barbara Weiss, Dorothy Welch, Wanda White, Nancy Williams, Rosemarie Willis and Brenda Wortman.

All wisdom is not new wisdom, and the past should be studied if the future is to be successfully encountered.

—Winston Churchill

Methodists To Start Bible School Mon.

The Methodist daily vacation bible school will open Monday, July 30 and will be in session each morning from 9 a.m. to 11:30 a.m. through Saturday, Aug. 4. All children of the community are invited to attend.

Registration may be obtained through Mrs. Paul Beard. The theme for this year is "The Study of the Bible".

The teaching staff will be composed of the following persons: Administration: Mrs. Paul Beard.

Kindergarten: Mrs. Andrew Orphan, Mrs. Douglas Bolton, Mrs. Harold Marks and Mrs. Donald Hannabarger.

Primary Dept.: first grade, Miss Ione Palmer and Mrs. O. F. Reng; second grade, Mrs. Joseph Malik and Mrs. Lee Bowring; third grade, Mrs. Kenneth Caulkins and Mrs. Fred Hicks, Jr.

Junior Dept.: Mrs. Russell Clarke and Mrs. R. M. Atchison.

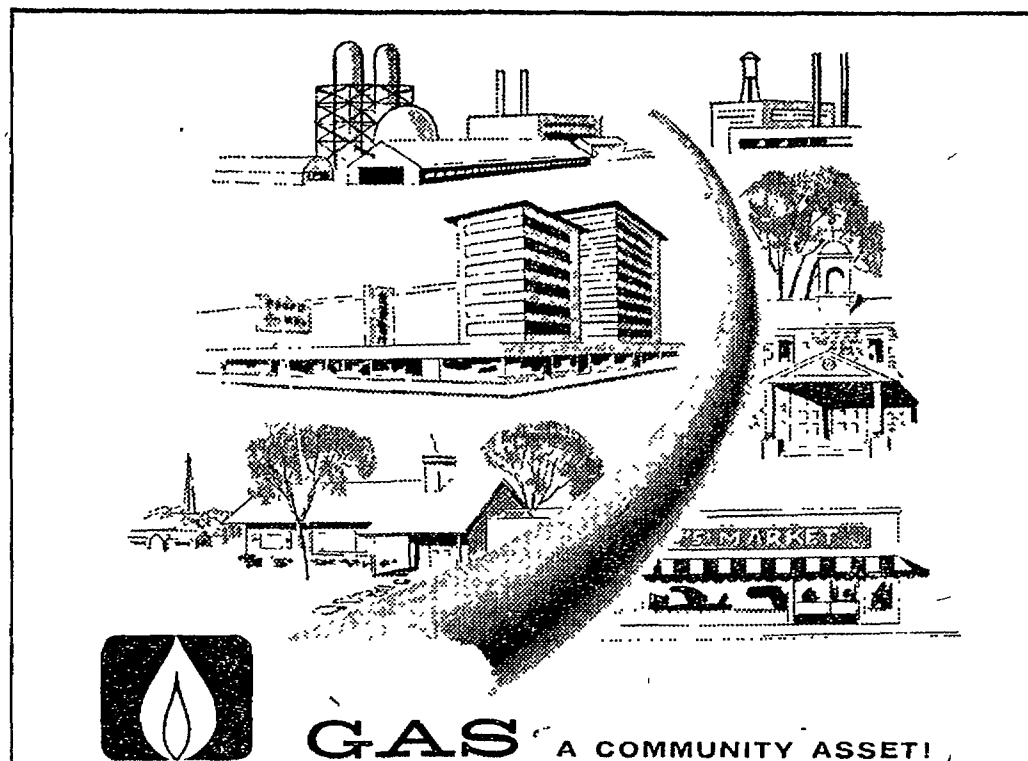

Intermediate Dept.: Mrs. Drake Older and Mrs. George Bradford.

Assistants: Mrs. C. T. Wheaton and Mrs. Richard Ambler.

Mrs. William Chizmar will conduct the opening exercises in the sanctuary each morning.

We all recognize the obvious benefits of Natural Gas as a safe, dependable servant in the home. Not as obvious, however, is the fact that your job and your neighbor's job often depend upon this silent, wonder fuel.

In every community to which it is piped Natural Gas provides employment. The location of new industry is often dependent upon the availability of Natural Gas for industrial processing. Many industries are located where they are today because good, dependable Natural Gas service was available. As good Natural Gas service helps industry grow, there are bigger payrolls, more jobs and more home-owners. Everyone benefits from this inexpensive wonder fuel and the resultant community expansion.

LOOKING FOR THE
LOWEST-COST TRUCK?

Take a tip from the men who buy trucks every year!

The big truck fleets buy more Fords than any other make!

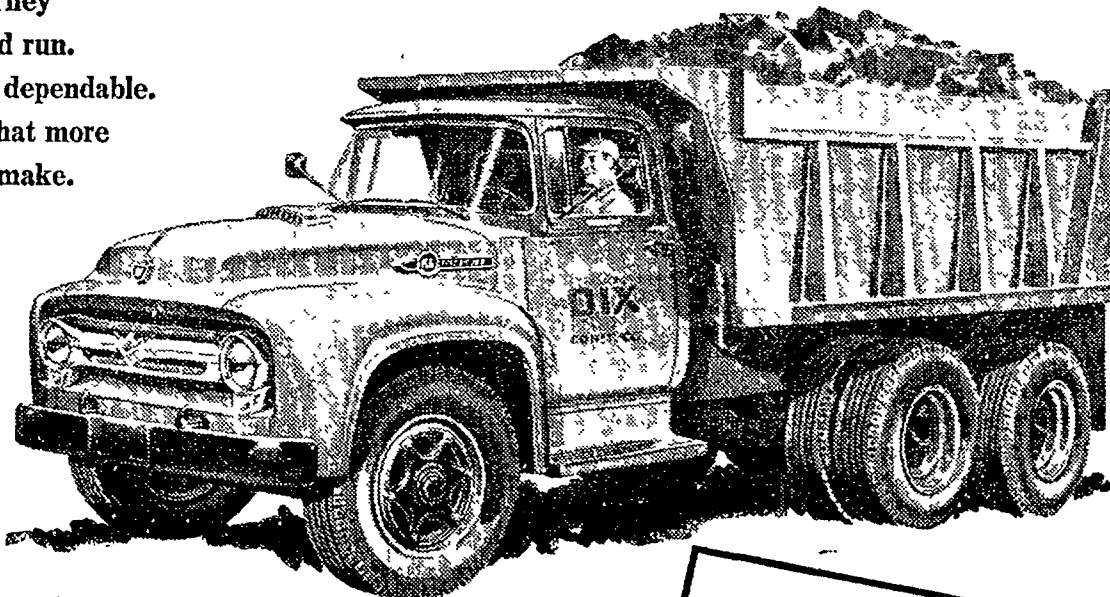

The big fleets have the cost records. They know which trucks cost less to buy and run. They know which trucks are the most dependable. And official registration figures show that more big fleets choose Ford than any other make.

When you decide to go Ford, you certainly get comforting assurance that you've picked the right truck!

Low truck costs are just as important to big fleet users as they are to you. And, when fleet buyers favor Ford, you can be sure they've checked all cost factors. You can be sure they've found that Ford trucks cost less.

First cost is low. Resale values are high. Ford's modern Short Stroke engines keep running costs down. And a 10-million truck study proves that Ford trucks last longer.

See your Ford Dealer soon. Buy with confidence, drive with confidence, and SAVE with confidence.

Ford's rugged T-800 is a real money-maker! Choose from two heavy-duty V-8's, developing 200 and 212 horsepower. Both are equipped with sodium-cooled exhaust valves that last as much as five times longer! Power steering and tachometer standard at no extra cost.

Come in
and see us
NOW!

Ford Trucks cost less—last longer

Using latest registration data on 10,502,351 trucks, life insurance experts prove Ford Trucks last longer.

CHRISTIAN SCIENCE CHURCHES
Main and Dodge Streets
Plymouth, Michigan

The value and importance of right motives in daily living will be emphasized at Christian Science services this Sunday.

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy in the Lesson-Sermon entitled "Love" will include the following (454:17-21): "Love for God and man is the true incentive in both healing and teaching. Love inspires, illumines, designates, and leads the way. Right motives give pinions to thought, and strength and freedom to speech and action."

The freedom-giving power of divine Love will also be brought out in the Scriptural readings which include the following (1 John 4:18): "There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

Look at what only Plymouth offers you!

(no other low-price car has these value features)

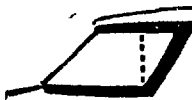

LARGEST SIZE in the low-price 3. Plymouth is biggest, longest, roomiest of "all 3," with the smooth ride only a big car can give.

LARGEST TRUNK SPACE in the low-price 3. A full 33.8 cubic feet! Low-price car "A" has only 20 cubic feet; low-price car "B" has only 27 cubic feet.

PUSH-BUTTON DRIVING, exclusive in the low-price 3. This positive, mechanical control makes all other forms of driving old-fashioned. Optional on all models.

GREATEST VISIBILITY in the low-price 3. Note Plymouth's swept-back design. No corner blind spot (right of dotted line), as results from straight up-and-down posts on the other two low-price cars.

TOP PERFORMANCE in the low-price 3. Plymouth holds official NASCAR speed record for cars in its class, acceleration record for all U. S. stock cars!

ELECTRIC WINDSHIELD WIPERS, exclusive as standard equipment in the low-price 3. Plymouth's electric wipers also help keep you out of accidents, since they DON'T slow down when you step on the gas.

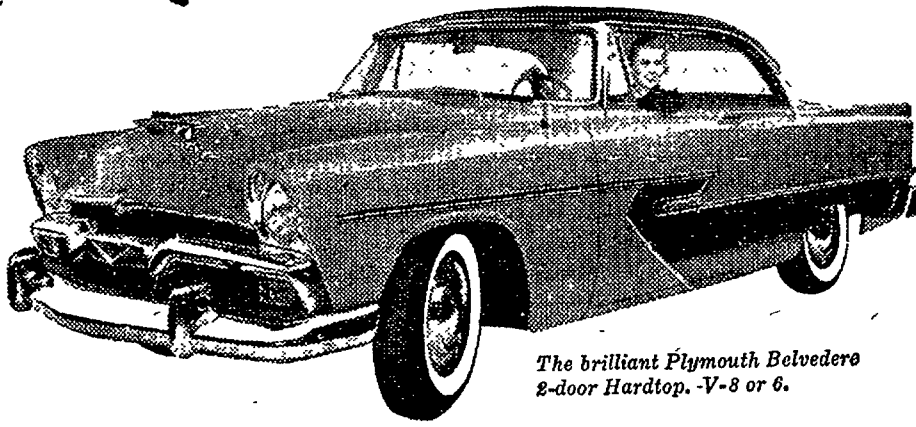

NEWEST STYLING in the low-price 3. All-new Aerodynamic Design, exclusively Plymouth's, brings you tomorrow's look today.

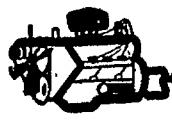

SAFETY-RIM WHEELS, exclusive in the low-price 3. Protect you from accidents by helping to hold tire on rim in case of blowout.

TWIN-CYLINDER FRONT BRAKES, exclusive in the low-price 3. TWO hydraulic brake cylinders in each front wheel give you safer, surer stops, reduce the chance of accidents.

The brilliant Plymouth Belvedere 2-door Hardtop, V-8 or 6.

NEWEST V-8s in the low-price 3. New airplane-type Hy-Fire V-8s (up to 200 hp) from Plymouth's new \$50,000,000 Qualimatic engine plant. And in Plymouth's new Fury—a blazing 240 hp!

Now discover firsthand the rest of Plymouth's value...

Double your recipe for the family's favorite stew. Cook it. Then freeze half. It stays fresh and savory for months in a home food freezer or two-in-one refrigerator-freezer—chili, soups, sauces do, too. No wonder smart homemakers say:

"Freezer Living is Leisure Living."

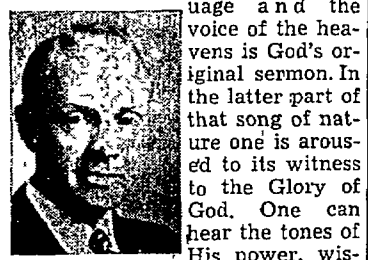

SEE YOUR ELECTRIC APPLIANCE DEALER

from the PASTOR'S STUDY

By the Reverend Ivan E. Hodgson
First Methodist Church of Northville

The Heavens Speak
The last time I had the privilege to speak from the Pastor's Study I spoke on the "Symphony of the Heavens", basing my thoughts upon the first portion of the 19th Psalm. The music of the heavens is an universal language and the voice of the heavens is God's original sermon. In the latter part of that song of nature one is aroused to its witness to the Glory of God. One can hear the tones of His power, wisdom, goodness, punctuality, faithfulness and greatness. Since 1947 the scientific achievement of the 200-inch telescope has brought still greater wonders of God's universe. These 'unlimited diamonds in the sky' tell us a number of things about God. Let us look at them.

It speaks of His POWER. Although the sun has mean distance of 92,800,000 miles from the earth, yet it generates continuously energy equivalent to 70,000 horse power per square yard.

Think of the force required to keep the earth from flying off by centrifugal force—a weight 66x10 to the 21st power, tons. Think of the power that holds the solar system in the galaxy of which it is a part. The sun is a dwarf star of the 5th magnitude. Beyond this system are "islands of universe" which appear to be reaching out into infinite space. God circumscribes them all. May we be rebuked for our little faith in the Almighty.

The heavens speak of His WISDOM. Think of the infinite skill it takes to run the celestial system. It is the acme of precision. A perfectly uniform motion or periodicity is the prerequisite for the ideal time keeper. We set our clocks by the star (transit instrument). Our solar system is a model atom. With the sun as the center the planets revolve around in exact astronomical distances—0.4, 0.7, 1.0, 1.6, 2.8. Numbers obtained by writing 0, 3, 6, 12, 24, doubling the number each time to obtain the next one, then by adding 4 to each number and dividing the sums by 10. The Earth is prepared for life—right distance from the sun; correct declination (seasons), atmos-

phere to serve as a blanket. Such is the wisdom of God and a pure understanding of it comes in the appreciation of Jesus Christ who has become unto us of The Father, Wisdom.

The Heavens speak of the GOODNESS of God. The entire universe is subservient to the needs and pleasure of man. For the most part the universe is friendly to man. One cannot read the 8th Psalm without a renewed appreciation for the place that man has in the structure and purpose of the universe. God has made him, in spite of his moral failure, to "lack little of a god." God's benevolent nature is seen in the sunshine and the rain upon the unjust as well as the just.

The Heavens speak of the PUNCTUALITY of God. Halley's Comet (first known periodic comet) made its first appearance (observed) in 1682; 1759, 1835, and in 1910, it appeared as predicted. It has made its appearance 28 times since 240 B.C. It appeared in 1066 at the time of the Norman conquest. Its next visit will occur in 1985. Some of you will be here to see it or hear of its appearance. God is never late; He is always on time. "God is

not slack concerning His promises as some men count slackness, but is longsuffering to usward, not willing that any should perish, but that all should come to the knowledge of the truth." The Heavens speak of the FAITHFULNESS of God. God is more faithful than the returning sun but most of us have exercised more confidence in the objects of nature than we do in their creator. "While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease" (Genesis 8:22). The Heavens speak of the GREATNESS of God. The Universe but most of us have exercised

ed more confidence in the objects of nature than we do in their creator. "While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease" (Genesis 8:22). The Heavens speak of the GREATNESS of God. The Universe but most of us have exercised

MARY ALEXANDER,
City Clerk

Dated July 23rd, 1956

City Mgr. Ordinance

AN ORDINANCE CREATING THE OFFICE OF CITY MANAGER OF NORTHVILLE AND PROVIDING FOR HIS POWERS AND DUTIES.

BE IT ORDAINED by the City Council of Northville:

SECTION 1. Creation of Office. The office of city manager is hereby created.

SECTION 2. Appointment of City Manager. The city manager shall be appointed by majority vote of the city council for an indefinite term. He shall be chosen by the council solely on the basis of his executive and administrative qualifications with special reference to his actual experience in or his knowledge of accepted practice in respect to the duties of his office hereinafter set forth. At the time of his appointment he need not be a resident of the city or the state, but shall become a resident of the city as soon as possible, and at least within six months from the date of his appointment and shall remain a resident of the city during his tenure of office. No councilman shall receive such appointment during the term for which he shall have been elected nor within one year after the expiration of his term.

SECTION 3. Removal of City Manager. The city council may remove the city manager at any time by a majority vote of its members. If requested, the council shall grant him a public hearing within thirty days following notice of removal. During the interim the council may suspend the manager from duty, but shall continue his salary and, if the removal becomes final, shall pay his salary for two calendar months following the final removal date.

SECTION 4. Powers and Duties of City Manager. The city manager shall be the chief administrative officer of the city. He may head one or more departments and shall be responsible to the city council for the proper administration of all affairs of the city. To that end, he shall have power and shall be required to:

A. Appoint and, when necessary for the good of the service, suspend or remove all officers and employees of the city except as otherwise provided by the city charter or law, and except as he may authorize the head of a department or office to appoint, suspend, or remove subordinates in such department or office.

B. Prepare the budget annually and submit it to the council together with a message describing the important features and be responsible for its administration after adoption.

C. Prepare and submit to the council as of the end of the fiscal year a complete report on the finances and administrative activities of the city for the preceding year.

D. Keep the council advised of the financial condition and future needs of the city, and make such recommendations as he may deem desirable.

E. Recommend to the governing body a standard schedule of pay for each appointive office and position in the city service, including minimum, intermediate, and maximum rates.

F. Recommend to the governing body (from time to time) adoption of such measures as he may deem necessary or expedient for the health, safety or welfare of the community or for the improvement of administrative services.

G. Consolidate or combine offices, positions, departments, or

units under his jurisdiction, with the approval of the city council. The city manager may be the head of one or more departments. H. Attend all meetings of the city council unless excused therefrom and take part in the discussion of all matters coming before the council. He shall be entitled to notice of all regular and special meetings of the council.

I. Supervise the purchase of all materials, supplies, and equipment for which funds are provided in the budget; let contracts necessary for operation or maintenance of city services for amounts up to and including \$500.00, solicit, receive and present to the city council open bids for purchases or contracts which call for expenditures in excess of \$500.00, but not more than \$1,000.00, together with recommendations regarding same, and receive sealed bids for purchases or contracts in excess of \$1,000.00 and present them to the council for approval, and advise the council on the advantages or disadvantages of contract and bid proposals. No purchase shall be made, contract let or obligation incurred for any item or service which exceeds the current budget appropriation without a supplemental appropriation by the council. No contract in excess of \$1,000.00 and no contract for new construction shall be let except by the city council. The manager may issue such rules governing purchasing procedures within the administrative organization as the council shall approve.

J. See that all laws and ordinances are duly enforced.

K. Investigate the affairs of the city or any department or division thereof. Investigate all complaints in relation to matters concerning the administration of the government of the city, and in regard to service maintained by the public utilities in the city, and see that all franchises, permits, and privileges granted by the city are faithfully observed.

L. Devote his entire time to the discharge of his official duties.

M. Perform such other duties as may be required by the council, not inconsistent with the city charter, law, or ordinances.

SECTION 5. Council Not to Interfere with Appointments or Removals. Neither the council nor any of its members shall direct or request the appointment of any person to, or his removal from, office by the city manager or any of his subordinates, or in any manner take part in the appointment or removal of officers and employees in the administrative services of the city. Except for the purpose of inquiry, the council and its members shall deal with the administrative service solely through the city manager and neither the council nor any member thereof shall give orders to any subordinates of the city manager, either publicly or privately.

SECTION 6. Emergencies. In case of accident, disaster, or other circumstance creating a public emergency, the city manager may award contracts and make purchases for the purpose of meeting said emergency; but he shall file promptly with the council a certificate showing such emergency and the necessity for such action, together with an itemized account of all expenditures.

SECTION 7. Bond. The city manager shall furnish a surety bond to be approved by the council, said bond to be conditioned on the faithful performance of his duties. The premium of the bond shall be paid by the city.

SECTION 8. Compensation. The city manager shall receive such compensation as the council shall

Make wisdom your provision for the journey from youth to old age, for it is a more certain support than all other possessions.

—Dioegenes

NOVI CITIZENS OPPOSE TRACK

According to last week's replies Novi citizens do not want to be supported by gambling.

They feel that their children's character development will suffer.

Signed...

Herbert Koester

Pastor's Study

(Continued)

verse is so large that astronomers have chosen to speak of it in terms of "Islands of Universes."

"In the beginning God" is a small concept. It is the very beginning of our faith. "It is the that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in" (Isaiah 40:22). When one begins to delineate the size of the earth, sun, galaxy, extra-galactic nebulae and beyond that GOD, he is moving in the direction of faith for "Without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him (Hebrews 11:6).

Obituaries

VERMER E. BAGGOTT

Vermer E. Baggott, 66, Northville resident for 20 years, passed away July 20 at Acheson Memorial hospital. He was born March 10, 1890 in Springfield, Tenn. His parents were Joseph and J. D. Baggott. The body was in state at the Casterline Funeral Home until Saturday evening, July 21 and then was sent to Springfield, Tenn. Services were held Tuesday afternoon at the Bethlehem church in Springfield and burial was in the church cemetery. Survivors include his wife, Ila, 46001 W. 8-Mile Rd.; three sons, Oliver, Delbert and Othal (Bim), all of Northville; one daughter, Mrs. Robert Dowlen of Springfield, Tenn., and

My Neighbors

"Help! Get a landing net. Get a gaff hook. Get a witness!"

three sisters, Mrs. Hattie Jones, Greenbrier, Tenn.; Mrs. Asie Harper and Mrs. Nannie Jones of Springfield, Tenn.; also nine grandchildren.

WILLIAM DYE

Funeral services were held in Mecosta, Mich. July 20 for William Dye, 63, resident of Novi for the past 14 years. He lived at 23425 Novi Rd. Mr. Dye was born March 7, 1873. His parents were Morris and Cynthia Dye. He passed away July 17. Survivors include four brothers, John, Mia-

mi Beach, Fla.; Jacob, Novi; Amos, Kingsford, Mich., and Ray, Elk Rapids, Mich. Also three sisters, Mrs. N. C. Dubler, Richmond, Va.; Mrs. A. G. Supernau, Edgewater, Fla., and Mrs. A. R. Detweiler, Shermanstown, Pa.

RUBIN K. CAUDLE

Rubin K. Caudle, 21, died July 20 in University hospital, Ann Arbor, from injuries received in an automobile accident. He was born October 7, 1934 in Union City, Tenn. His parents were Cecil and Ethel Caudle. The body

was sent from the Casterline Funeral home to Union City, Tenn. for interment. Survivors include three brothers, Paul, Herschel and Wilbur, residents of Northville.

As we said before—

It's a Great Time to Buy a Buick

WE'VE BEEN SAYING for some weeks now that you really ought to come see us for the buy of your life—and we're not fooling.

There's never been a better time to buy a new Buick than right now—and we list here 3 solid facts that make this gospel.

Fact No. 1: Since it's only July, you have a lot of wonderful driving weather ahead.

Fact No. 2: Your present car is at its peak worth right now.

Fact No. 3: Buick gives you more solid automobile for your money than ever before—as witness how Buick outsells every other car in America except two of the well-known smaller ones.

So why hold back another week, another day?

Why deny yourself the fun of bossing the mightiest Buick V8 yet?

Why pass up the world's most luxurious ride—and the magnificent ease of handling that goes with Buick's great new travel?

Most pointedly, why miss out on the most modern thing on wheels—Variable Pitch Dynaflo*...

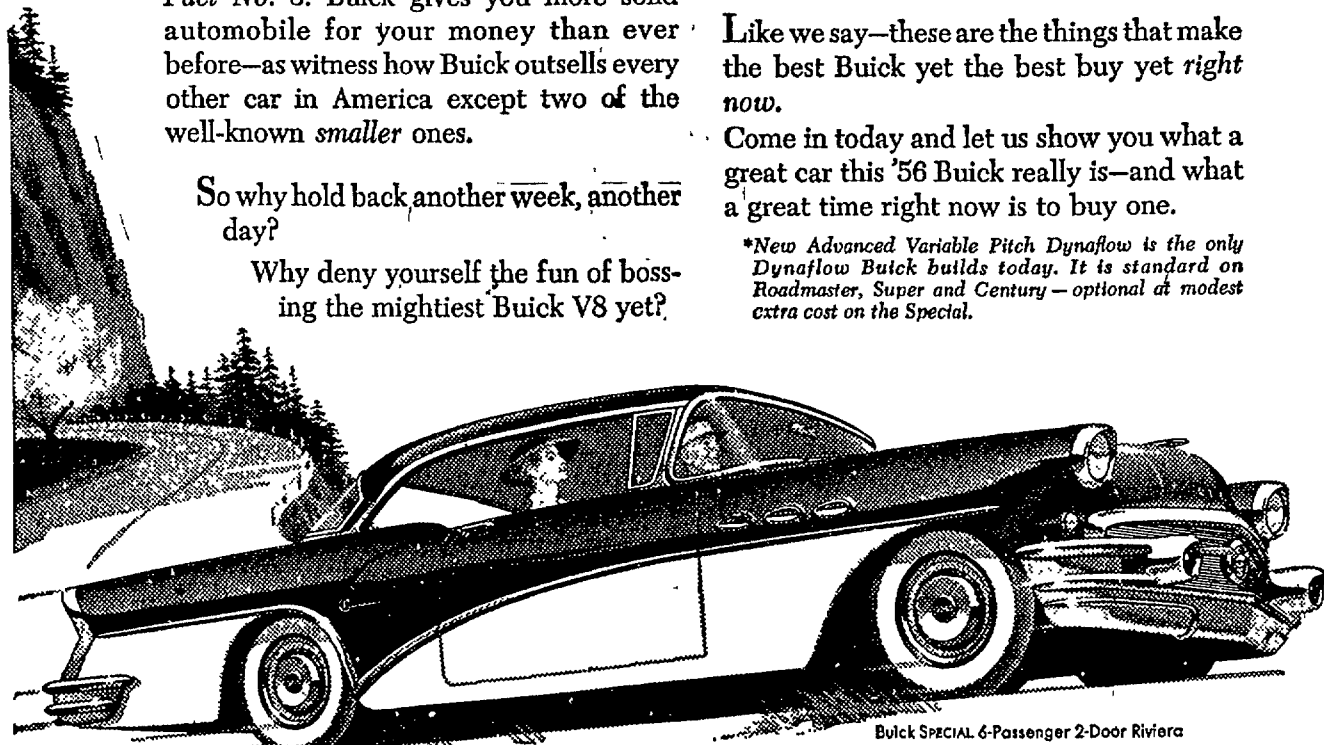

Where the top inch of pedal travel gives you brand-new getaway, plus brand-new gas savings...

And where you can switch the pitch—like a pilot does—for a blazing new safety-surge of full power.

Like we say—these are the things that make the best Buick yet the best buy yet right now.

Come in today and let us show you what a great car this '56 Buick really is—and what a great time right now is to buy one.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

THE OLD TIMER

"One thing about these gadgets that are so simple a child can operate them—the kids usually do!"

THE OLD TIMER

"Sometimes confidence is that feeling you have before you know better!"

Jehovah's Witnesses Plan Convention

The Plymouth (Mich.) congregation of Jehovah's Witnesses is making plans to attend a four-day major Bible conference at Lansing, Mich. July 26-29, according to C. Harold Coonce, presiding minister here.

Upwards of 10,000 are expected to attend with 65 delegates from the local area participating.

"The purpose of the meet," said Mr. Coonce, "is to aid all of Jehovah's Witnesses and those attending, to become adequately qualified for the ministry of announcing Jehovah's (God's) Kingdom."

The convention is sponsored by the Watchtower Bible Society of New York and is one of 24 conferences being held throughout the United States and Canada this summer.

Always begin somewhere. You can't build a reputation on what you are going to do.

1941 NHS Graduate Named Vet. Chief In Denver, Colo.

Dr. J. D. McCluskie, 33, son
of Mr. and Mrs. Joseph McClus-
kie, 753 Grace St., was named
chief of the veterinary services
for the city of Denver, Colo., de-
partment of health and hospitals
last week. Dr. McCluskie was the
assistant chief for the past three
years.

Dr. McCluskie graduated from
Northville high school in 1941
and received a doctor of veteri-
nary medicine degree from Michi-
gan State university in 1946.
From 1947 to 1950 he was the
public health veterinarian for the
Detroit city health department.

From 1950 to 1953, while on
active duty with the army as a
captain, he served as officer in
charge of food inspection serv-
ices for the Denver office of the
army veterinary corps.

Following his discharge, Dr.
McCluskie was engaged in the
private practice of veterinary
medicine in Detroit for a short
time before being appointed as-
sistant chief of veterinary serv-
ices for the city of Denver.

He is married to the former
Dorothy Bogart, niece of Judge
E. M. Bogart, Northville, and
daughter of Mr. and Mrs. Ray
Bogart, Detroit. Dr. McCluskie
and his wife have two children,
Craig 8 and Jody Rae, 2.

I consider your very testy and
quarrelsome people as I do a
loaded gun, which may, by ac-
cident, at any time go off and kill
people.

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—

Northville residents and the city itself have received more than \$400,000 from the 38-day harness meet.

A Fairchild Scan-A-Graver machine was installed in the office of the Northville Record this week. The Record will now make its own cuts for the paper.

Patients of Northville State hospital were formally presented with a 35-passenger bus by the Citizens Auxiliary committee.

FIVE YEARS AGO—

The United States Senate approved Leland V. Smith as postmaster of Northville. He has been serving as acting postmaster for nearly two years.

Elsa Couse of W. 7-Mile is attending Camp Arbutus.

Mrs. Ida M. Cook observed her 82nd birthday this week at the home of her daughter, Mrs. E. B. Cavell.

Kathryn Ann Perrin and Jack

Reinhardt were married July 21 at the First Methodist church. Rev. Adolph Bergman, Methodist minister from Carleton and a native of Latvia, spoke at the Exchange club meeting Wednesday. Rev. Bergman was born within czarist Russia and was a close observer of the ascendancy of Lenin. He fled to the USA when the Nazis invaded Russia.

TEN YEARS AGO—

Dedication of the Veterans' Memorial hall will be the highlight of V-J day celebration with sports, games and dances for everyone.

Marjorie Chase and Donald Crawford were married at the Presbyterian church Saturday.

Above average yield for grain, beans, potatoes and sugar beets are in prospect for Michigan this year.

Miss Myra Gibson received a degree from Michigan State college.

Dr. Victoria Lovewell of Main St. flew to Denver, Colo. Saturday to take post-graduate work at the Denver Poly-Clinic.

TWENTY YEARS AGO—

Mr. and Mrs. D. P. Yerkes, Sr. are spending a few weeks at Long lake near Traverse City where they are the guests of Mrs. Yer-

kes' sister, Mrs. H. L. Weaver.

Mr. and Mrs. W. J. Chapman, Mrs. Chapman, Sr. and Betty Schrader will spend the week end at Oscoda. Lois Chapman who has been at Oscoda for the past two weeks will return with them.

Mr. and Mrs. Clifford Turnbull, Marion and Bruce and Earl Warner left this week for a ten day trip through the Canadian wilds. They expect to visit the Dionne quintuplets.

FORTY YEARS AGO—

Twenty-six valuable sheep were killed and nine badly injured by dogs on the Wallin farm west of town.

FIFTY YEARS AGO—

Ralph Horton held the record for catching the biggest fish at Cooley lake last week hooking one 31 inches long.

Northville has a second lady chauffeur in the person of Mrs. R. C. Yerkes who has very quickly learned to handle the auto with great skill.

Ray Bogart was badly hurt last week when the team he was driving started unexpectedly and threw him from the seat of the mowing machine onto the machinery.

Exchange Club Hears Lecture About The "Fabulous Midget"

Northville Exchange club members were on the receiving end of a talk and demonstration last week about "That Fabulous Midget...the Transistor". The program was presented by Harold Young, sales representative of the Michigan Bell Telephone Co.

Young said that the transistor will eventually replace the vacuum tubes in radio and television. At the present time the transistor is used by the telephone company to a great extent in their automatic long-distance dialing. It is also used for guided missiles and other things very compact.

Young demonstrated the minute amount of power the transistor uses as an amplifier. Young wet a piece of blotting paper and placed a 50-cent piece on it, producing what is known as a wet-cell battery. He then placed wires on the half-dollar and blotting paper, connected them to a transistor and then to a telephone receiver. The connection produced a tone that was heard in the entire meeting room.

Young showed members a small radio that fit inside his breast coat pocket; also, hearing aids that were fit into eye glass frames. The tiny size was made possible with the use of the "fabulous midget transistor," according to Young.

Cadillac

No Reason to Wait Any Longer!

There's not much question about what this man and his young son have on their minds.

They're thinking about Cadillac—and about how wonderful it would be to have one in their own driveway!

And because dreams of a Cadillac are hard to put aside, we suspect that it won't be too long now before we'll have an opportunity to give them the facts about Cadillac ownership.

And when that time arrives, they'll find that we have some wonderful news for them about how practical Cadillac ownership has recently become.

We will explain that it is now possible to become the happy owner of a 1956 Cadillac for little more than the cost of far lesser cars.

We will also tell them how economical a Cadillac is to operate—and how extraordinarily free it

is from the ordinary requirements of service.

And we will show them how, at resale time, Cadillac returns a greater share of its owner's original investment than any other motor car.

But the best news will be yet to come. For then we will talk about the generous allowance we can give them on their present car—and how short the waiting period is on the Cadillac of their choice.

They will find, we feel certain, that they have lost their last logical reason for waiting any longer to enjoy a new Cadillac.

Incidentally, have you considered how wonderful a Cadillac would look in your driveway? If you have, then we sincerely urge you to come in soon and get the facts.

We'll be waiting for you with the car and the keys—and a story too wonderful to resist!

N'ville. Merchants To Meet Romulus

The next game scheduled for the Northville Merchants baseball team is Sunday, July 29 at Cass Benton park. The Northville team will meet the league leader, Romulus, at 3:30 p.m.

Manager Joe Kritch said that Wally Dzurus will be the starting pitcher and Wally Sharp will catch.

League Standings

Romulus—10-1
Northville—8-4
Lincoln Park—7-4
Plymouth—5-4
River Rouge—5-4
Granddale—5-6
Saline—1-8
Pressler—0-9

The Northville team whipped the Pressler team last Sunday 22-8.

Archery Contest At Ford Field Friday

The Northville Recreation Dept. will sponsor an archery contest this Friday at Ford Field. Starting the contest at 10 a.m. will be

the six years and under group. Prizes will be awarded to the 1st, 2nd and 3rd place winners in each age group.

The age groups are as follows: 6 and under, 7 and 8, 9 and 10, 11 and 12, 13 and 14; and 15 years and older. Distances and size of targets will vary with the age groups. All youngsters are urged to attend even if their archery training is limited.

Water Carnival Set for Aug. 10

Plans for the big water carnival at Groom's Beach Aug. 10 are about completed, according to Stanley Johnston, recreation director. Four buses will be used in transporting the youngsters to the beach. The buses will leave about 9:30 a.m. and return to Northville about 4:30 p.m.

A big day of contests and picnics will be offered. Parents are invited to come along with the youngsters and enjoy the fun. Bring your own picnic basket and the rest will be planned by the recreation department.

Many games and contests will be offered for youngsters in all age groups. Prizes will be awarded to the winners. The cost will be 15 cents.

Gov. Williams To Present Trophy At Downs Aug. 1

The annual \$10,000 Governor's Cup Trot will be held Wednesday, Aug. 1, the last of five stakes of this season's program at Northville Downs.

It will come three nights before the closing of Northville's 13th season on Saturday night, Aug. 4.

Gov. G. Mennen Williams will make his first appearance at the Downs this season to present the trophy to the winner.

Racing Secretary Harry Hatch reports that ten horses were entered for this classic event. There will be two entries: Excellul and Johanna Averill and the other of Mr. Shelt, the Ohio-Kentucky champion, and Little Dannie. Other nominations are Elby Hanover, Lord Pick, Rhythmic Song, Imperial Gallon, Lord Stewart and Scotch Valley.

The free for all will be raced in two dashes of one mile each. The first racing for the Governor's Cup at Northville, was in 1945. The record is held by the great Proximity who trotted the mile in 2:02 4/5 in 1948.

Correction

A U.S. Army release about Pvt. William Tierney was printed in this paper last week. According to the boy's mother, Mrs. Grover Prough, there were several errors.

1. Pvt. Tierney is the son of Mrs. Grover Prough and the late Mark Tierney.
2. He is 19 years old, not 22.
3. He graduated from Northville high school last year and did not attend Michigan State university.

News Around Northville

Mr. and Mrs. George Clark spent the week end at the Nelson Schraders cottage at Gaylord.

Mr. and Mrs. E. V. Ellison and family left Monday for their cottage at Rifle lake.

Guests of Mr. and Mrs. L. J. Marcoux of 8-Mile Rd. this week are Mr. and Mrs. Michael Marcoux and daughter, Roxanne, of Los Angeles, Calif.

The Tuesday Bridge club met this week at the home of Mrs. Theo. N. Kampf, Jr. on Haggerty Rd. for dessert luncheon.

Mr. and Mrs. William J. Mar-

coux of Jackson announce the arrival of a son, William Clare, born July 12 and weighing seven pounds. Mr. Marcoux is the son of Mr. and Mrs. L. J. Marcoux of 8-Mile Rd.

There is music wherever there is harmony, order, or proportion; and thus far we may maintain the music of the spheres.

—Edmund Waller

Consolidation ...

(Continued)

tricts to determine whether an election can be held on the question of consolidation. Each of the four districts concerned must file a petition containing the signatures of 51% of the qualified electors in said districts.

"The consolidation of these districts has been proposed because of two important considerations.

"First, the expected growth of the area. It is virtually impossible to cite any figures that would indicate the number of children who will be living within the area two or three years from now. However, these children must have schools to attend.

"Second, the present school facilities of Novi and Northville have a definite capacity. Any increase, above the designed capacity of a school results in either increased pupil-teacher loads or half-day sessions for some grades.

"Many school districts in the metropolitan area have already been hit with the type of population growth we are about to receive. If we are to provide for the proper instruction of the children, we must pool our present resources and efforts in order to plan together for the future."

Novi Highlights ...

(Continued)

Mrs. Luther Rix visited her mother, Mrs. George Tobias, and other relatives at Williamston last week.

Mr. and Mrs. James Erwin have received word from San Diego, Calif. that they have a new granddaughter, Barbara Grace, born July 19 to Dr. and Mrs. C. W. Gilman. Barbara Grace has three sisters and one brother.

Mrs. Edna Hill is visiting her daughter, Mrs. Milton Hanks at Romney Depot, New Hampshire, for about a month this summer.

Mr. and Mrs. Milton Hanks have a new daughter, Nancy Ann, born July 2 Mrs. Hanks was the former Margaret Ann Hill of Novi.

Mr. and Mrs. Alfred Gow spent Tuesday visiting Mrs. Gow's sister, Mrs. G. A. Stever in Owosso and Mr. and Mrs. Gow's daughter, Mr. and Mrs. Arthur Walker in East Lansing.

Mr. and Mrs. Glen Salow, Sr. motored to Vicksburg, Mich. the past week to see Mrs. Salow's aunt and uncle, Mr. and Mrs. Walter Lamerson whom she had not seen for 42 years.

Economy is half the battle of life; it is not so hard to earn money as to spend it wisely.

Auto manufacturers plan to make a million station wagons this year in '57 models; they sold 700,000 in 1955.

Corner

Mr. and Mrs. George Marinoff, Eddie and Jay Ann, just got back from a two week stay in Kincardine, Ont. On July 14 and 15 they had 26 guests visit them at their cabin. Those families who visited were the George Millers, Milton Watsons, Karl Mortens, Dave Elseys, Arthur Homers, Robert Valades and Joseph Murphys.

Phyllis and Len Berardi of 10-Mile Rd. took a short trip up north to Traverse City and Mackinaw City. They were gone three days. They returned home earlier than expected because Mr. Berardi's mother wasn't feeling well.

Mr. and Mrs. Jack Parent went to a steak roast last Saturday evening at the home of the Verniers, who live in Fairhaven.

Last Sunday was Mr. Parent's birthday and it was celebrated by a birthday party held for him at the home of Stanley Johnson in Detroit.

Mrs. Hurlburt, Richard and Larry just returned from their two month stay with Mrs. Hurlburt's mother in Miami, Fla.

On Saturday afternoon Jerry Martin, Richard Hurlburt, Tommy Morrison and Martin Klerkx enjoyed a few hours of swimming at Walled Lake.

Mr. and Mrs. William Caldwell and granddaughter, Mary Ann Cortes, left Saturday morning for their home in Buffalo, N.Y. They were house guests of Mr. and Mrs. Angus Ferguson of Le-Bost Dr.

Last Wednesday the Morrisons, Mrs. Ferguson, Mr. and Mrs. William Caldwell and Mary Ann were guests of Mr. and Mrs. Andrew Richardson of Flint.

Friday afternoon Mrs. Ferguson, Mr. and Mrs. Caldwell, Tom Morrison, Nancy and Mary Ann all enjoyed a visit to the Ford Rotunda in Dearborn.

Happy birthday to Randy Pohlman who will be six July 30.

Happy birthday to Denise Labram who will be four July 25.

Happy birthday to Steven Berard who will be 13 July 29.

Mr. Klerkx' mother left last week after a two week stay with her son and family.

On July 4th the Klerkx' entertained Mr. Klerkx' brother, John and his wife and four children at a barbecue dinner.

House guest of Jay Ann Wittenberg for a few days is Lynda Heltenen.

Mr. and Mrs. Clair Keating of Inlay City visited their son and his family, the Robert Keatings, of McMahon Circle last Sunday.

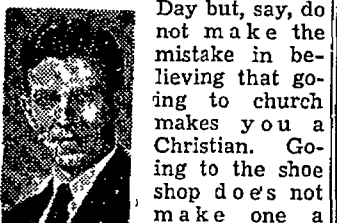

Mr. and Mrs. Johns of Coral Lane are expecting their son to return this week from a six week stay in California.

On their visit to Motor City Speedway last Monday evening, Tom Morrison won two tickets to Saturday night's auto races.

Tommy, Mr. and Mrs. Morrison enjoyed the races.

DO YOU GO TO CHURCH?

I'm pleased to hear that you go to Church on the Lord's Day but, say, do not make the mistake in believing that going to church makes you a Christian. Going to the shoe shop does not make one a shoemaker, neither does going to church make one a Christian. And do not make the mistake of believing that because you go to Church you deserve God's favor and that He will blot out your sins. It's not the church going that blots out the multitude of our sins. A sinner is never justified in God's sight because he parks on a church pew when the bell rings. There is the tendency today to think that if one goes to church (once is enough for most who think this way) all is right between themselves and God for the rest of the week. What a poor conception of the righteousness of God! My friend, I trust that you are not making this fatal mistake. There is only one thing that can make us right in God's sight and that is "Faith in the blood of the Lord Jesus Christ" which was shed on Calvary's cross. It's "not by works of righteousness which we have done" (Titus 3:5) or anything we can do, church going included. Christ is the Saviour!

When worthy men fall out, only one of them may be faulty at first; but if the strife continue long, both commonly become guilty.

Eighty-five per cent of the vehicles involved in accidents were passenger cars.

Life is ten per cent what you make it and ninety per cent how you take it.

—Thomas Fuller

In 1955, 8,130 pedestrians were killed in U.S. traffic accidents.

Saturday is the most dangerous day of the week to drive.

SPEAKING & CARDS

"OPEN SESAME!"

Probably the most widely known of two-pack Solitaires and one exceedingly difficult to win is the game of Forty Thieves, whose aliases are Napoleon at St. Helena, Big Forty, and Roosevelt at San Juan.

To play this Solitaire, shuffle together two full decks of 52 cards and lay out a row of ten cards face up. Deal three more rows of ten cards each face up on the first, the cards overlapping so that all ten cards show. These forty cards form the tableau. Put the rest of the pack face down at your left to form the stock. Now turn over the top card of the stock and pretend you're Ali Baba. You'll quickly discover it takes more than "open sesame" to win this Solitaire.

Move the eight aces, as they become available, to a row above the tableau. They are the foundations and are to be built up in the same suit and in upward sequence to the King. Object of play is to get all

104 cards built on to the foundations. You may build on the tableau by moving cards from pile to pile. But here you must build in downward sequence and in the same suit. Only one card may be transferred at a time from one pile to another; that is, only the card nearest to you of each pile is available for play.

Turn the stock cards up one by one and lay them in an overlapping line toward the right. Top card of this line is always available for building on to the foundations or the tableau. When a card is so removed from the stock, the card next below it becomes available. You may run through the stock only once.

Whenever all cards from one of the ten piles of the tableau are moved elsewhere, forming a space, any card available for play may be put in that space. Unless you get spaces early and often, the game cannot be won. Making the best use of spaces is one of the two points at which the skill of the player may be utilized.

The other point is in building on the tableau. To win the game, you must make a build, as a rule, only when you see an immediate advantage to be gained.

Official rules for playing Forty Thieves, along with those of five other popular games of Solitaire, Pyramid, Golf, Calculation, Tournament, and Spider—may be obtained free of charge by addressing a card or letter to the Playing Card Association, 420 Lexington Avenue, New York 17, N. Y.

Ford goes first with the goingest V-8!

Ford has sold more V-8's than any other manufacturer ... by millions. And with good reason! Ford's far out front with the biggest engine in its field!

When one make of V-8 takes the lion's share of the honors in performance and economy, then you know you've got a real winner! And that's exactly what Ford's V-8's have done. After beating everything in its field in major stock car events, a Ford V-8 set a new stock car record for 500 miles at the famous Indianapolis Speedway. Earlier Ford proved its economy by finishing first in its class in the famous Mobilgas Economy Run. Of course, Ford's special ability to handle smoothly, efficiently, and safely over the toughest terrain helped keep Ford on top! No wonder Ford's the world's best-selling eight. Stop in and give one a try!

Now up to 225 h.p.

V-8 power! You name it. The big 225-h.p. Thunderbird Special V-8 is available in Fordomatic Fairlane and Station Wagon models ... the mighty 202-h.p. Thunderbird V-8 is standard. And the 202 is also available in Mainline and Customline models at low extra cost.
