

for the Record

A fast trip to Indian Lake Saturday evening for a day's visit with the family kept us from attending the Northville Junior Horse Show Sunday, but we hear it was again successful. Much credit must go to local Optimists and Chairman J. P. Malley for this annual undertaking. Our special photographer, Harold Hartley, took some candid shots that appear in this edition.

After a bizarre episode Saturday morning at Indian Lake, it's very doubtful that we'll ever again choose this spot for a vacation. Not that we wouldn't like to, but... well, here's what happened. At 3:00 a.m., when every man, woman and child in each cottage was peacefully sleeping, a piercing blast broke the silence that must have awakened even the fish. It sounded strangely near, as if it might be right under our window. It was. The horn of our car had shorted and was stuck on a strong, steady note that would have done Harry James proud.

Being an able mechanic, in something like five minutes the wires to the horn were found and disconnected. Rumor around the lake the next day had it that a person was saved from drowning in the early hours of the morning by an alert cottager who honked the horn of his car until help was summoned.

Driving back Sunday afternoon, the hours were pleasantly passed listening to Northville's "Chick" Harbert narrate the World golf tournament at Chicago's Tam O' Shanter. I imagine if we hung around a golf course as much as Harbert we'd manage to outscore him on the links, but we'll have to admit that at announcing he's got us beat. Incidentally, "Chick" finished with a fine two-under-par 286 for the 72 holes and until the final day was very much in the running for top honors.

Novi readers were pretty confused — and upset — last week by an error that occurred in their edition of the Novi News. The story concerning the 60 East Novi students who are looking to Northville for schooling next semester was marked "continued from page one" on page twelve. However, it didn't even appear on page one. We won't try to explain how this happened, but we now have one full-time worker whose only duty is to see that all stories on page twelve, continued from page one, also appear on page one. Our apologies.

Speaking of errors, it's becoming apparent as we meet more residents of the area that The Record and Novi News receive careful scrutiny of trained eyes. After talking to Mrs. R. M. Atchison we learned that her late father, Richard Baldwin, was once publisher of The Record and a long-time newspaper man. Mrs. Atchison once reported for The Record as well as the Albion Evening Recorder, where we also received early training. At India House we met Mrs. L. D. Rambeau, whose husband is a graduate of the University of Missouri school of journalism, one of the finest in the nation. Finally, George Sinclair of the G. T. Barry real estate agency told us that his son is Jack Sinclair, publisher of the Hartford Day Spring. Jack is well-known in the Michigan Press Association as an active officer of the group.

We were pleased this week when young Jimmy Cowden came to the office to place a classified. He's been taking advantage of The Record's offer to run work-wanted ads for school youngsters for ten cents. Jimmy's ad simply says "boy wants yard work, phone 673-W". He's been averaging \$3.00 per week in salary for his 10-cent investment. Quite a commercial for Record classifieds... and for Jimmy's ingenuity!

This week Tom Cummings and Mrs. Harry C. Duerson bid farewell to The Record and News. As former general manager, Tom has been most helpful in getting us started in a new job. He'll vacation with his wife and two children before selecting a new position. Mrs. Duerson, for two years society editor, is just across the street at Lila's Flower and Gift shop.

Two new employees have taken up the gap, both graduates of the University of Michigan. Bob Webb will serve as news editor and report most of the general happenings of the area. Bob has worked on the Utica and Mt. Clemens papers and was just recently discharged from the army. In Heidelberg, Germany he wrote news releases at army headquarters.

Sally Ayling will report the social activities of the area and also try to brighten the pages with an occasional feature article. Sally is from Detroit, but now resides at the home of Mrs. W. H. Canfield, who as former owner of The Record should be very helpful in bringing Sally up-to-date on how to find news in Northville.

"C-F" Disease Under Attack

The first steps have been taken toward informing Northville and Novi residents about a little-known but deadly children's disease.

The disease is "cystic fibrosis" or "C-F". It has been estimated by hospital authorities in Detroit that 132 young children in southeastern Michigan are stricken with the disease.

To bring to light the facts of the disease, Mr. and Mrs. William Black of Northville invited the board of directors of the Michigan Cystic Fibrosis association to meet at their home Monday night. It was the first anti-C-F move in Northville.

New School Year To See Larger Staff In Local District

While Northville children were wistfully enjoying the final few weeks of summer vacation, educators last week turned their thoughts to the coming school year.

School Superintendent R. H. Amerman announced that 61 teachers will staff Northville schools this year, compared with 55 last year. Northville will continue to have four principals.

Three new positions will be in elementary schools and two in the high school. The sixth will be a speech correctionist.

A special session will be held Aug. 31 for 12 new teachers in the Northville system. At that time they will be oriented in the system's physical plant, methods and facilities.

The bulk of the teachers will report Sept. 4 for a session of general announcements, discussions of plans for the year and meetings with individual principals.

That afternoon, all elementary teachers will go to Haven Hill Lodge near Brighton for an overnight session of staff, committee and department meetings.

The first students will report for an all-day session Sept. 6. Only 7th, 8th, 9th and 10th graders will attend then.

Pupils in kindergarten through 6th grade will report Sept. 7. Others will not attend. Buses will run on their regular schedules during these two days. All students will report Sept. 10 — the first day of classes throughout the school system.

BULLETIN

A Walled Lake man barely missed death Wednesday when his light plane crashed into Walled Lake as he was searching for the body of a drowning victim.

James Orr, 31, was reported in good condition in Pontiac General hospital.

Orr was helping police look for the body of Raymond Siacka, 20, of Detroit, who drowned Monday, when for no apparent reason his plane plunged into the water.

He was rescued by Oakland county deputies who were diving for the body when the plane crashed near them. The plane stayed afloat for about ten minutes before settling in 10-12 feet of water.

Hopes for Crusade
Though plans are still in the talking stage, the Blacks hope that Northville residents will eventually join in the crusade against the hereditary disease — which is said to affect one of every 600 children.

The Blacks have a personal interest in the matter. Their 2-year old granddaughter died of cystic fibrosis two years ago.

Until recently, they said, many authorities were unaware of the disease existed. Those who did know thought it to be a medical rarity.

Even today, there is no known cure for the disease, Mrs. Black said. Some children are kept living for many months, but it is usually only a matter of time until they die.

Once Mistaken
C-F was once mistaken for heart disease, anemia, or infant pneumonia, she added. Its symptoms are quite similar.

Many doctors think C-F begins as a disease of the pancreas, a large gland near the stomach whose work is necessary for proper digestion and assimilation.

Children with C-F do not digest their food, and literally starve to death, a national magazine explained. Their stomachs swell with undigested food. Limbs grow thin. Bronchitis may set in. The heart may become strained. The child is pale, fatigued and highly susceptible to heat.

But little else is known of C-F, though research and experimentation are turning up new facts every day.

Must Arouse Interest
According to the Blacks, the main problem now is to educate the public and to arouse interest in the disease. Then, with public understanding and financial support, medical researchers can begin to find an answer to the strange malady.

A Michigan Cystic Fibrosis Association has been established to direct the campaign. Meeting with medical authorities and hospital representatives, the association is seeking more and more help.

Private groups already are beginning to help, Mrs. Black said. Several archery groups in Wayne county have indicated they will give proceeds of archery contests to help C-F research.

A C-F movie is being made available for use by the Northville P-TA and other local service groups. Other plans this fall, include selling fund-raising Christmas cards and working hand-in-hand with medical consultants throughout the area.

Persons interested in further information about cystic fibrosis may contact Mrs. Black at Northville 383.

Council Ready to Approve Construction of 2 Sewers

Two Northville sewer projects were one step nearer to construction Monday evening as city councilmen met in special session.

Bids for the installation of storm sewers on Wing and First streets and on Fairbrook from Center to Hines Dr. were submitted by five firms. Councilmen moved to meet again Saturday at 2 p.m. to award bids.

A contract to construct the Carlyle St. storm sewer was signed by the council with the Board of County Road Commissioners of Wayne. The contract stipulates that the city will pay 60 per cent of the cost of the project after the federal government pays its share. Councilmen estimated the city's cost at \$15,000, half of which must be paid immediately and the balance in July, 1957. Jan. 1, 1957 has been set as completion date for the project.

The Wing-First-Fairbrook storm sewer bids showed wide contrast in costs. However, it appeared that the project could be let under the estimated amount of \$45,000.

Five Bids
Bids were as follows: Monte Construction Co., St. Clair Shores, \$75,390 (complete job only); William J. Kloote, Jr., Grand Rapids, \$20,960 (curb only); G. F. Taft, Northville, \$30,028 (sewer only); \$55,899 (complete job); Novi Building Service, Novi, \$15,141.30 (sewer only); Perlongo & Tibbitts, Plymouth, \$16,608 (curb only).

The action to go ahead with the two sewer projects climaxed years of planning and waiting. Residents have urgently requested the improvements, but funds have not been available. Under the current budget, the projects can be paid without special assessment.

Councilmen estimated that the Wing-First-Fairbrook project would be completed by late October.

Detention of the project would be completed by late October.

Detention of the project would be completed by late October.

Police Have Easier Time In July Than Year Ago

Northville police were generally not as busy in July as they were a year ago, but they gave out nearly three times as many parking violations tickets as in July, 1955.

Such were the conclusions shown this week in a report of police activities for July, 1956 as compared with July, 1955.

Police answered only 117 calls in July, as against 150 last year. But parking violations soared from 52 in July, 1955 to 135 this past July.

Traffic violations dropped from 98 to 12.

Lincoln Worker Killed By Lightning

A construction worker was killed by lightning near Novi last Thursday as he ran to his car during a sudden rainstorm.

Killed instantly was Forest S. Jones, 25 of Centerline. He was single.

A companion, Earl Carie of Van Dyke, had run to the car with Jones and watched the bizarre incident. Novi township police said Carie suffered temporary shock.

Jones and Carie were among some 600 men working on the new Lincoln assembly plant on Wixom Rd. north of Grand River. All had dashed to the cars when the sudden downpour burst upon them.

More Fines Collected

A total of \$838 in fines was collected this July, compared with \$748 last July. Presumably this was due to the large increase in parking violations.

Declines were recorded in total arrests (17 in July, 1955 — 14 in July, 1956), dog-bite cases (9-1), destroyed dogs (5-3), windows found open and unsecured (11-3), and uttering and publishing (6-1).

The number of summons issued dropped from 94 to 68.

No Breaking Entering

Northville had no breaking and entering cases and no reported forgeries.

One incident each was recorded in the following: grand larceny, juvenile, missing persons, uttering and publishing, dog-bite, and prowling.

Two incidents each were reported in the following: stolen autos, stolen bicycles, petty larceny and vandalism.

Police investigated 12 accidents this year compared with 11 last year.

Tickets On Sale

Tickets are still on sale for the Carol Ann Donnelly benefit Aug. 26 at the American Legion Hall in Northville. Tickets may be purchased at the Record office and from other sellers in the area.

Novi Road Claims Two Victims in Auto Accidents

DEATH VEHICLE — A few minutes after this picture was taken, Roberta Raymal of Detroit (foreground) died on the way to a hospital. State police say the driver, Ora Zavits, of Tennessee, ran a stop sign at Novi Rd. and 12-Mile and was struck by a southbound auto.

Novi Road became a death trap twice last week as two persons lost their lives in two separate automobile accidents on successive days.

Five others were injured in the same accidents.

Dead were:

Richard R. Kallay, 27, of 12022 Beech Rd., Redford.
Roberta Raymal, 60, of 15762 Lindsey, Detroit.

Kallay was killed Thursday when his car skidded into the path of another car on Novi Rd. just north of Nine Mile Rd. Police said he died of a fractured skull and internal injuries.

Bruce Simmons, 30, of 46280 10-Mile Rd., Northville, a passenger in the other car, is in Sinai hospital, Detroit, with lacerations of the head and face.

Injured In Chest

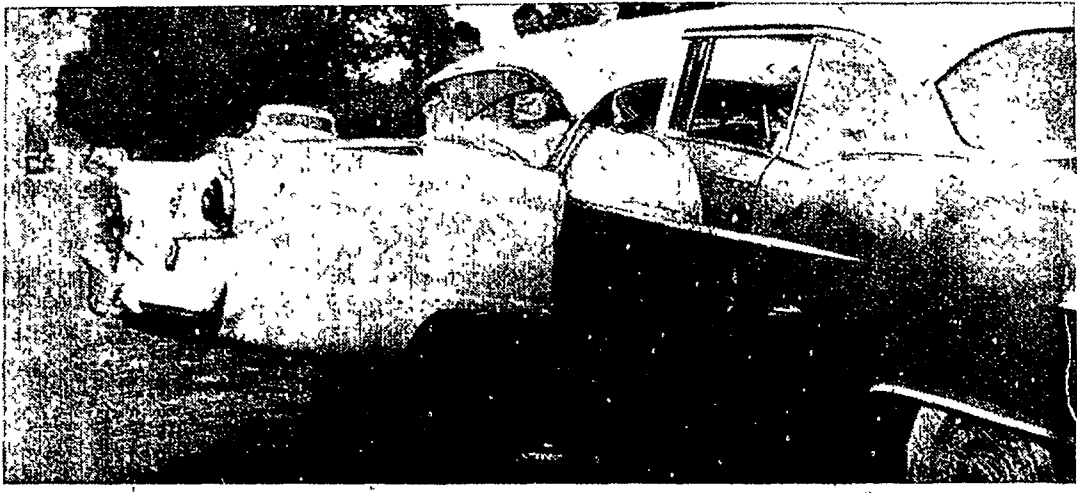

Driver of the car was Cecil Spencer of Burbank, Calif., who received chest injuries.

Miss Raymal was killed Friday afternoon in a collision at Novi and Twelve Mile roads. She was dead on arrival at Atchison Memorial hospital in Northville. Police said she died of a fractured skull and internal injuries.

Also injured were Ora Zavits, 68, of Morris, Tenn., driver of the car in which Miss Raymal was riding, and his wife, Lela, 59. Mrs. Zavits is now in University hospital, Ann Arbor, with fractures of the ribs and right hip.

Head, Leg Cut

The driver of the second car, Kenneth Potter, 29, of 623 E. (Continued on Page 12)

ANOTHER FATALITY occurred on Novi Rd. north of 9-Mile. Dead was Richard Kallay, 27, of Redford. Kallay, driving the car in the background, skidded into the path of the other car. Bruce Simmons, 30, of Northville, was injured.

Heppler-Rathburn Rites Performed Last Saturday

Baskets of white gladioli and tall white candles decorated the First Presbyterian Church for the Aug. 11 wedding of Sheila Carolyn Heppler and Craig Kenneth Rathburn.

The former Miss Heppler is the daughter of Mr. and Mrs. Rollie Heppler of 2030 Austin Dr. Her husband's parents are Mr. and Mrs. Kenneth Rathburn of 729 Grandview.

The bride wore a strapless white nylon tulle dress under a coat dress of imported French Chantilly lace with a cathedral train. Her veil of three tier illusion was held by a close fitting cap studded with pearls and French sequins.

Mrs. Margaret Wixom, Mrs. Shirley Sersch and Miss Susie Rathburn, the groom's sister, attended the bride in floor length gowns of white nylon over pastel taffeta hoop skirts with matching cummerbunds, jackets and mits. They carried cascade bouquets of bronze roses with halo headpieces to match.

The honor maid, Miss Sandra Breslin, the bride's cousin of Monroe, Mich., was distinguished by a yellow bouquet and headpiece.

Bruce Rathburn was best man for his brother. The ushers included Bruce Felker, George Rambeau, Richard Scharnhub and John Hays, all of Northville.

The bride's mother wore a pale blue crystal silk dress, with pink accessories. Her flowers were pink carnations. Mrs. Rathburn, the groom's mother, was dressed in mauve peau de soie with white accessories and flowers of white carnations and bronze mums.

Two hundred guests attended the reception immediately following the ceremony at the American Legion Hall.

For traveling, the bride wore a dress of white lace over light blue taffeta with white accessories. Her corsage was of white Amazon lilies.

After they return from a two week wedding trip in Maine, the couple will make their home at 19600 Marilyn in Northville.

The new Mrs. Rathburn has been employed at the John Hancock Insurance Co. since graduating from Northville high school. Her husband, a member of the same graduating class, attends Eastern Michigan college in Ypsilanti.

Donald Atwood, son of Mr. and Mrs. Howard Atwood of High St., is spending two weeks at Claybanks, the National Guard Camp on Lake Michigan.

Dr. and Mrs. H. Handorf and their daughter, Heidi, returned this week from six weeks in Europe. Their visit included a tour of Scandinavia.

A nine pound, four ounce son, Jeffrey Robert, was born to Mr. and Mrs. Robert Beasley of 48063 Neeson Aug. 1 at Garden City Osteopathic hospital.

Genevieve McGee visited Mr. and Mrs. Charles Roberts of Milford last week.

Sixteen guests honored Mrs. Jack Reynolds at a shower and luncheon at the home of Mrs. Orson Atchinson last Friday.

Mr. and Mrs. Arthur Cook moved into their new home on Beck Rd. this week.

William H. Aston is being honored on his birthday today at an outdoor buffet supper at the home of his niece, Mrs. Parker Holden. Guests from Detroit will make a birthday party of ten.

Mrs. Clifton Hill of 17740 Beck Rd. entertained the Mother's club Wednesday for their annual swimming party and pot-luck luncheon.

Mrs. R. D. Merriam leaves Saturday for Sarona, Wis. where she will spend two weeks attending the national meeting of the Audubon Society.

Eugene Mahoney To Wed Oct. 6

Mr. and Mrs. Lawrence O'Flaherty of Clinton, Mich. announce the engagement of their daughter, Shirley Mae, to Eugene Mahoney, son of Mr. and Mrs. C. R. Schmidt of 725 Spring Dr.

The wedding will take place Oct. 6.

Women Bowlers!

A meeting will be held Aug. 28 at 8 p.m. in the Northville VFW Hall to organize the Thursday Night Ladies League at Northville Lanes. All interested persons please attend.

Engaged

Joan Ebersole

Mr. and Mrs. Wilber H. Ebersole of 615 Starkweather Ave., Plymouth, announce the engagement of their daughter, Joan Lou, to Kenneth Dale Cook, son of Mr. and Mrs. Kenneth B. Cook of 44239 W. 12-Mile Rd., Walled Lake.

The bride-elect is a graduate of Plymouth high school. Her fiancé graduated from Northville high school.

No wedding date has been set.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Janet Kay and Renee can hardly wait for the finished product as they help their mother, Mrs. Raymond Westphall, prepare a batch of Marshmallow Creme Fudge.

So many friends requested Mrs. Raymond Westphall for her Marshmallow Creme Fudge recipe that she's making it available to all of us. It's rich, creamy and a fine treat for these warm summer evenings.

The Westphalls live at 529 Horton and have three little girls. Renee, six, and Janet Kay, two, are shown in the picture with their mother. The older daughter, Diane, is visiting in Illinois.

Marshmallow Creme Fudge

- 5 cups sugar
- 1/2 lb. butter
- 1 large can Pet Milk

Boil the above together for five to eight minutes, then pour into:

1 pint jar of marshmallow creme and 2 packages of chocolate bits (use a large bowl).

Beat until chocolate is melted and pour into buttered pan. Chill.

This makes two 8-inch square pans. Add pecans to one-half and walnuts to the other half.

GAS... Helps A Community Grow!

Natural Gas service helps community expansion by attracting industrial firms. The location of new industry is often dependent upon the availability of Natural Gas for industrial processing. Therefore, the community with Natural Gas service is an attractive one to industry.

As industry grows, there are bigger payrolls, more jobs and more homeowners. Everyone benefits from this community expansion.

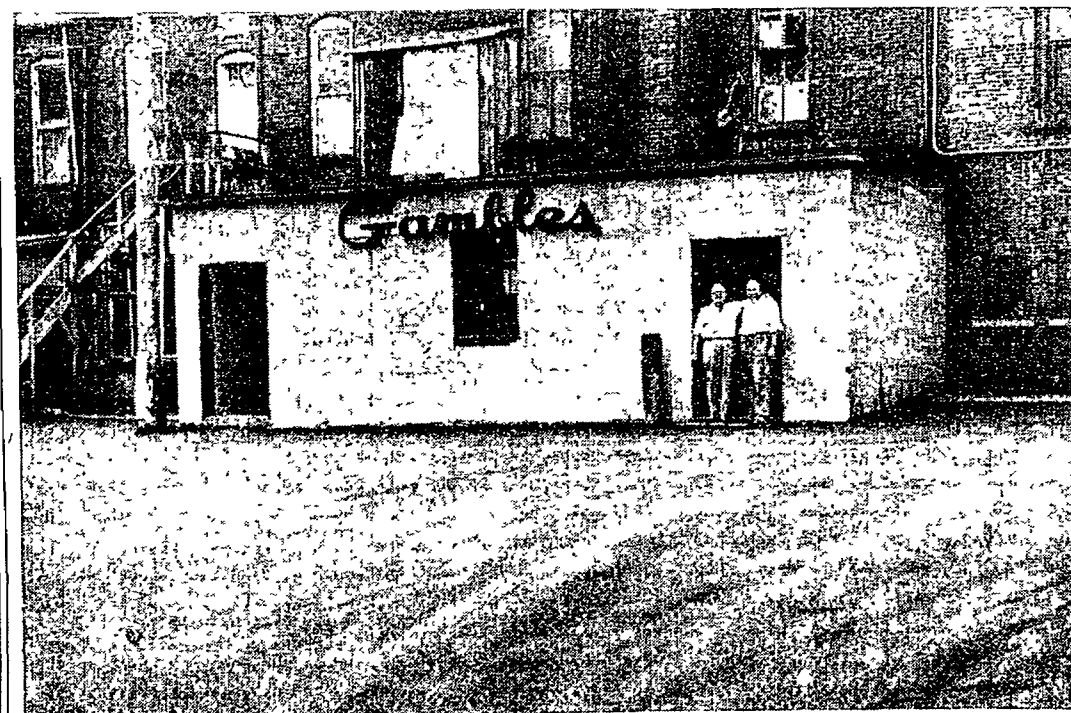

There are many reasons why industries prefer Natural Gas service. It is delivered through well-built mains—underground—safe, silent and out of sight. It is the perfect fuel—speedy, clean and easily controlled. These same factors make it a perfect fuel for the home too.

**GAS...MAKES A BETTER HOME FOR YOU

Austrian Girl to Spend Year with Northville Family

SPELLBOUND, Carol, 11, (left) and Sue Jones, 9, listen carefully to Hedi Tritthart tell them tales of Austrian heroes and beautiful maidens. Hedi will live with the Jones family, 791 Horton, for a year while attending Northville high school.

FASCINATED by the Jones' refrigerator, Hedi goes exploring. Mrs. Jones stands by to explain the mysteries of the device. Hedi plans to take many kitchen gadgets to her mother.

STAMP COLLECTING is a favorite hobby for both Hedi and Al Jones. Little Jack, 5, isn't sure what it's all about, but it looks like fun. Beside collecting stamps, Hedi finds enjoyment in playing the cello and singing in choir.

A young Austrian girl staying with a Northville family is rather hard-pressed for an answer when she is asked where her home really is.

She could say Austria, where her family is. She could say China, where she was born and lived until 1949. Or she could simply list herself as "Hedi Tritthart, World Traveler", for she has seen almost the entire world except Australia.

But for the next year, Hedi, 16, will live with Mr. and Mrs. Al Jones and their three children at 791 Horton in Northville.

Program Gives Help

Her visit has been made possible through a Department of State exchange student program, with the help of the Northville Rotary club and the Michigan Council of Churches in Ann Arbor.

Hedi arrived at the Jones' home early on July 31, less than 24 hours after leaving Vienna. Breathless then, Hedi is now relaxing for three weeks with the Jones family at their cottage at Port Elgin in Canada.

What were some of her impressions during her first week in America?

The 80-degree temperature on the day she arrived was almost unbearable. "In Austria," she says, "that is tops."

Banana Splits Delicious

Banana splits were delicious, but too much for one

person. (But, Mr. Jones rose to the occasion and helped her finish it off.)

Kitchen gadgets — most of all, the refrigerator — are especially fascinating to Hedi. She plans to take home as many kitchen articles for her mother as possible.

And remembering the thick forests in her native country, Hedi said, "I am so glad to see that there are lots of trees in America, too."

Other things about America fascinate her too — the electric-eye door at a supermarket, the prospect of the senior trip to Washington, D.C., and especially the American's enjoyment of classical music.

But Hedi isn't quite sure what she thinks of jazz. Diplomatically, she says, "I don't dislike jazz . . . but I don't especially like it either."

Hopes To Play Cello

Hedi will be a senior at Northville high school this fall. As of now, she doesn't know which activities will interest her most. But she does hope to find a way to use one of her many talents — playing the cello.

And she also hopes to find an occasional baby-sitting job. She knows the job well, for in Austria she cared for the children of an American Fulbright scholar and his wife.

When she returns from her Canadian vacation, Hedi

hopes to sing with the Presbyterian choir, as she did in her native Austria.

Plans Chemistry Career

Hedi's long range plans point at present to a career in chemistry. Probably research, she thinks.

Hedi was born in Tientsin, near the present Chinese capital of Peking, where her father worked as a civil engineer, helping to regulate and control China's mighty rivers.

Most of Hedi's memories of China are pleasant, especially of vacations on the Yellow Sea. But she does recall a few bomb-blasts and uprisings during the Japanese invasion and later the Chinese civil war that saw the communist regime come to power.

Leave China In 1949

In 1949, the Tritthart family decided to leave China. After waiting in Hong Kong for a month, they finally sailed to Southampton and then returned to Austria.

Since then Hedi and her family have lived in Graz, an Austrian city near the Hungarian and Yugoslavian borders. In addition to her parents, she has a brother, Rudi, 22, a sister, Erika, 20, and a twin sister, Friedl, who is now studying in England.

Being foster parents to a foreign student is nothing new to the Jones family. Three years ago, a young German boy named Karl Hofmann stayed with them, having much

the same experiences that Hedi now looks forward to enjoying.

Now 20, Karl has returned to this country and is now serving with the U.S. Army in Japan. When he returns next year, Karl hopes to study veterinary medicine at Michigan State University.

Is Hedi apt to return after she goes back to Austria? It's hard to say, she admits. Right now, she is only interested in finishing her education and seeing what her big, new home-for-a-year is like.

Northville Couple Richmond-Bound

A prominent Northville couple — Mr. and Mrs. Harold W. Kellogg of 18801 Sheldon Rd., will soon move to Richmond, Va. Kellogg has been promoted to Assistant Chief Engineer of construction for the eastern and central regions of the Chesapeake and Ohio railway. Associated with the C. & O. for 28 years, Kellogg previously had offices in Detroit as engineer of tracks.

He graduated from Mercersburg (Pa.) Academy in 1923 and from the University of Michigan School of Engineering in 1928.

Kellogg belongs to the Plymouth Masonic lodge and the Elks lodge of Saginaw.

Mrs. Kellogg recently retired after three years as chairman of the women's committee of the Plymouth Symphony Society. She also served on the symphony board.

Lack of cash is perhaps as strong a check on misbehavior as a strong will.

Wayne State Offers Nursing Scholarships

To help reduce the shortage of nurses in hospital administration and supervision, and of teachers in colleges of nursing, the U.S. Public Health Service has granted scholarship funds to Wayne State university for 14 scholarships.

Each scholarship covers full tuition and fees, a living allowance of \$200-\$250 a month and an allowance for legal dependants.

While nurse shortages are great in all branches of nursing, the lack of nurses qualified for advanced positions affects the work of all other nurses and therefore is the most hampering and serious. Congress appropriated funds to increase, as rapidly as possible, the number of nurse leaders available for the hundreds of vacancies in U.S. hospitals and health agencies.

The act also provides funds to encourage nurses to study full time for preparation for staff positions in public health nursing.

The college also has similar scholarships for nurses in psychiatric nursing. Graduate nurses should get in touch at once with the Dean, College of Nursing, Wayne State University, Detroit 2, Mich.

ajo Indian Mission will be pre-
sented by Rev. and Mrs. Ward
Clark of Chamber, Ariz. Every-
one is welcome to attend.

Goodwill Group Asks for Clothes To Help Needy

According to the State tourist
societies, August has become the
top vacation month in Michigan.
This fact naturally affects the
contributions given to Goodwill
Industries, which depends on
usable discards to keep nearly
400 handicapped people gainfully
employed.

In a district that is so depend-
ent on the automobile industry,
which has its ups and downs as
far as production is concerned,
it is not hard for the average
housewife to know what a slow
period in industry means to any
individual or family.

For these reasons Goodwill In-
dustries of Detroit has asked its
friends and contributors, who are
not on vacation, to make an ad-
ded effort in contributing their
discards between now and Labor
Day.

Missionaries To Speak On Work With Indians

Rev. and Mrs. Ward Clark will
speak and show slides next Tues-
day of their work among Navaho
Indians at the Chambers (Ariz.)
Mission.

The program will begin at 8
p.m. at the Methodist Fellowship
Hall. Anyone interested is invit-
ed to attend.

Rev. Clark graduated from
Northville high school.

Ford Museum Shows Rare Documents

A special exhibit of valuable
historical documents and rare
maps and books loaned by the Li-
brary of Congress is now being
shown at Henry Ford Museum
and Greenfield Village in Dear-
born.

The exhibit, "Our Michigan
Heritage," will be shown from
today through Aug. 22. The mu-
seum and village are open every
day from 9 a.m. to 6:30 p.m.

The exhibit includes a map
which used the name Michigan
for the first time, the Indian
treaty which ceded southeastern
Michigan to the United States,
and a copy of the first edition of
Michigan's constitution.

Also featured is a special ex-
hibit on "The War of the Rebel-
lion." It includes manuscripts,
prints, photos, maps and docu-
ments relating to the Civil War.

Other special attractions in-
clude a 600-ton locomotive, one
of the largest ever built, and
rides on the historic steamboat
Suwanee.

On Sept. 8, Greenfield Village
will sponsor its sixth annual Old
Car Festival.

Regular Meetings:
First and Third Tuesday
of Each Month

from the PASTOR'S STUDY

The Rev. Peter Nieuwkoop, Pastor
First Baptist Church, Northville

"IT IS THE LORD'S DAY"

Man's contempt for God is
chiefly expressed by the viola-
tion of two commandments. In

the one man ex-
presses his con-
tempt for
God by the im-
proper use of
His name by
cursing, thereby
violating the
commandment
which says,
"Thou shalt not
take the name of
the Lord thy God in vain." (That
is lightly, without thought, im-
properly). The other command-
ment is the fourth which says,
"Remember the Sabbath Day to
keep it holy." This is violated
when men made no distinction
between the days of the week.

Thus they despise that which
God has set aside as sacred and
knowingly and willfully disobeys
the commandment of the Al-
mighty to sanctify one day as a
holy day. By their actions men
say to God, "We will do as we
please!" The break down of the
Holy Day is a grievous sin here
in America. Right here in our
own City we see men working as
usual. The lawn must be cut, the
hedges trimmed, the car washed
and hundreds of odd jobs are
left for the week end. Or, it be-
comes the week end holiday in-
stead of a holy day. The beach,
the park or the crowded high-
ways. In any case, God is im-
poverished.

Have You Considered, My Friend

That God has made laws for
your spiritual and physical well
being? God did not set up these
bounds for man's behaviour as
children make up rules for some
playful game. God gave these
laws because He who created
man knew what was best for
him. Break these laws and you
are bound to suffer one way or
another. Oh, it may not seem to
you now that you suffer for
breaking some of them. Because
the lower standards of a sinful
society does not punish you for
breaking God's Holy Day as it
would for stealing or murder, do
not think for a moment that such

violation does not carry with it
a penalty. If I violate a rule of
health, then my body shall surely
pay. If we, as a nation, violate
the rules of security, then as a
nation we will some day by be-
coming a vassal nation. If a
scientist violates a law of nat-
ure (which is really a law of
God) he may be blown to bits.
Just so, when we disregard the
keeping of one day in seven as
a Holy Day we shall reap the ill
effects both now and in eternity.

Let Me Spell It Out For You
When we fail to set aside one
day in seven as a Holy Day in
which we especially remember
our God, and Saviour, we are
bound to neglect the spiritual
welfare of our souls. Six days of
the week are taken up with work
and recreation for the body. Even
during the "idle hours" we are
thinking about the things of this
world, legitimate as they may be.

Even among Christians, very lit-
tle time is set apart during the
week for prayer, and study of
God's word. By having one day
as a Holy Day, in which we are
urged to set aside our secular
labors, to give up for a few hours
our own pleasures, that our souls
might be attentive about our God
and our relationship to Him.

When man does this, by attend-
ing a Church where the gospel
is preached and by special read-
ing of the Bible, he soon discov-
ers that he is a sinner and needs
a Saviour. Should he yield him-
self to the Saviour, he discovers
his need for spiritual growth
which comes by the process of
education in the things of God.

His Holy Day becomes then, not
only a day of rest and quietness
for his body but a day of spiri-
tual recreation for his soul.

Neglect the day and you will
discover that you will drift farth-
er and farther from the Lord and
thoughts of your souls will be-
ing. During the war when the
military and industry thought it
necessary to step up production
by working seven days it wasn't
long before those who were once
nominally interested in spiritual
things forgot all about it and
often those who were interested
became mild in their devotions.

One of the first acts of the lead-
ers in the French Revolution, and
is also true today where Com-
munism rules, is to abolish the
one day in seven as a holy day.
Why? Because they know such a
day will promote religious be-
liefs among the people.

And Yet A More Tragic Result—

To spend our days down here
without ever having made prep-
arations for eternity. If we have
lived without Him, we must all
so die without Him and shall
spend eternity without Him! The
rite of a Christian funeral shall
by no means change the destiny
of the soul of those who have
despised their God and Saviour
by their neglect while on this
earth. Those who remember
God's rule, of one sacred day in
seven are much more apt to find
their souls needs and to ponder
the Saviour, than those who pay
no attention.

MICHIGAN BELL

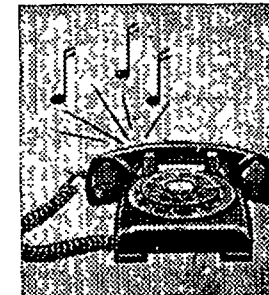

TELEPHONE lines

EVER HAPPEN to you?
You drive about fifty miles
on your vacation trip and
suddenly think of some-
thing you forgot to do.
Happily in most cases you
don't have to turn back.
Just stop at a convenient
Public Telephone and set
things right with a tele-
phone call. And if you're going to arrive later or
earlier than expected, Public Telephones make it easy
for you to call ahead and tell your host. Outdoor phone
booths are open 24 hours a day, every day of the year.

ACCORDING to old rec-
ords, back in 1902 people
were charged for the first
15 seconds of a Long Dis-
tance call, with an extra
charge for each additional
two seconds. Over the
years the price of Long
Distance calls has come
down and down. After
6 P.M. or any time Sundays you can make a three-min-
ute call clear across the country for about \$2. A three-
minute call that far in 1915 (when transcontinental
service began) would have cost you over \$20.

IF YOU OR SOMEONE
you know plays a clari-
net, listen to C two oc-
taves above middle C.
This is one of eight
musical tones being tried
out in a test in 300 homes
near Chicago as a possi-
ble successor to the
familiar telephone bell.

The tone comes from a small loud-speaker in the
phone and is interrupted about fourteen times a sec-
ond to give an attention-getting but pleasant "chirp-
chirp" effect. Don't call and ask for one now because
the "tone ringer," as it is called, is still in the testing
stage and isn't available except in the trial area.

NOTICE OF PUBLIC HEARING OF PROPOSED AMENDMENT TO THE ZONING MAP BEING PART OF THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE

Notice is hereby given that the Zoning Commission
of the Township of Northville will hold a Public Hear-
ing on Tuesday Evening, September 11, 1956 at 8:00
o'clock P.M., in the Township Hall, Northville, Michi-
gan, for the purpose of considering a proposal to amend
the zoning map, said map being a part of the Zoning
Ordinance, as amended, of the Township of Northville.
The amendment to the zoning map as proposed, con-
templates the creation of an R-3 District in that
part of the West one half (1/2) of Section 11, Town 1
South, Range 8 East, Northville Township, said premis-
es lying north of Six Mile Road and adjoining the east
line of Chesapeake and Ohio Railway right-of-way and
containing approximately 80 acres.

The proposed amended zoning map may be inspect-
ed any weekday except Saturday, between the hours
of 1:00 o'clock P.M., and 5:00 o'clock P.M. at the
Township Hall, Northville, Michigan.

This notice is given pursuant to Section 14 of Act
184 of Public Acts of 1943 as amended.

MRS. C. OSCAR HAMMOND, who will be installed as 17th District President of the American Legion Auxiliary at ceremonies this Friday evening.

American Legion Installation Friday

The Elks Hall on Ann Arbor Rd. will be the scene this Friday, Aug. 17 of the installation of officers of the American Legion and its Auxiliary.

At ceremonies beginning at 8 p.m., Mrs. C. Oscar Hammond, local auxiliary past president of Lloyd H. Green Unit No. 147, will be installed as 17th District president of the auxiliary association.

Mrs. Hammond has held various offices and chairmanships in both unit and district for the past 15 years.

Under her jurisdiction will be 810 auxiliary members from Plymouth, Livonia, Redford township, Redford Detroit, Rosedale Park and Northville.

Harold Wilson of Plymouth will be installed as commander at the joint ceremonies, which will be conducted by district past commanders and past presidents.

John Claran of Detroit, new state commander, and Mrs. Ann Gillman of state auxiliary president from Petoskey, will be among the distinguished guests present. Friends of the Legion and the public are welcome to attend the installation.

Fewer Fishermen Seen In 1956

Lansing — Fishing license sales for 1956 show a slight decrease from sales last year.

Through July 31 of this year, resident fishing licenses totaled 583,000 — a four percent decline from the 1955 total for the same period.

Nonresident license sales also are running below the 1955 level. Annual nonresident license sales reported through July were 81,000, a decrease of more than four percent from last season's figures for the same period. Temporary nonresident license sales — 22,000 through July — were more than three percent below 1955 sales.

Sales of trout stamps showed a slight increase, however, with 141,700 reported through July 31. During the same period last year, 141,300 sales were reported.

While 10,000 theaters have closed in the last three years, more than that many new church buildings have been erected.

4-H Fair Fun Is Under Way

The Wayne County 4-H Fair opened its gates Tuesday, Aug. 14. The fairgrounds are located on Quirk Rd. just off Expressway north of Belleville.

This, the 10th annual fair, will be an outstanding one because of the large number of 4-H pleasure horses on exhibition. One hundred twenty horses owned and trained by 4-H club members of this county will be on exhibition.

The exhibitors at this fair consist chiefly of 4-H club boys and girls. They will be showing in addition to their horses, dairy cattle, beef cattle, sheep, swine, goats, poultry, rabbits, handicraft clothing exhibits and all other 4-H projects.

The Fair will close on Sunday night, Aug. 19 with the traditional charcoal broiled chicken dinner served by Fair Board of Directors and their wives.

Baton Twirlers To Vie At Fair

Talented drum majors and majorettes from every section of Michigan will again compete in the Drum Major Contest for State Championships at the 1956 Michigan State Fair, Aug. 31 through Sept. 9.

Entries must be made on official blanks which may be obtained by writing to the Michigan State Fair, Detroit 3, Michigan. All entries must be returned by Monday, Aug. 24.

Contestants will be required to appear in uniform, and twirl through a 10-inch march record of their own selection. There also will be team twirling competition.

All contestants will be divided into age groups, and each age group will be graded or judged into five divisions. Medals will be awarded to winners of the first three places in all events.

Every effort will be made to see that competing drum majors and majorettes enjoy themselves. They will participate in the daily Fairgrounds Parade and also will be given free tickets to all activities sponsored by the State Fair management, according to Donald L. Swanson, general manager.

Most of us like a person who comes right out and says what he thinks — especially when they think what we think.

Midget Leaguers Dump Garfield; Get Invitation to Play in Tourney

NEARING THE END of a triumphant season is the Northville Midget League team. Team members are (back row, left to right) Tommy Daniels, Tommy Long, "Butch" Willing, "Andy" Anderson, Bob Hansen, Steve Juday, Danny Patterson and Jim Riley; (front row, left to right) Jimmy Juday, Phil Jerome, Gary Stobbe, Johnny Kahler, Don Biery and Danny Brown. Missing are Craig Bell, Mike Zayti, Dennis Johnston and Bill Milne.

With the season's schedule drawing near an end, Northville's mighty midget leaguers blasted their way to an impressive 19-6 win over Garfield of Livonia last Friday.

The win left them tied with Livonia Center for first place in the Livonia Recreation League. It also meant an invitation to play in the Inter-City tournament in Wyandotte Tuesday. (See other story.)

Sparkplug for the victors in the game against Garfield was

As many have said to me and to others, "The story of my life would astound you." But they (and I) are afraid to tell it, and don't know how to start, finish, or what to do about the 300 pages in the middle.

Richard "Butch" Willing, who handled the pitching chores for Northville and smashed a long home run.

It was Northville's 16th straight win, after having lost the first four games of the season.

Catcher Steve Juday continued

to pace the team's batters, as he maintained a .462 average for the season.

Coincidentally, the Northville team didn't start winning games this year until Juday and his brother, Jim, returned from vacation.

Oscar Hammond Gets State Legion Office

A Northville man has been installed as state vice-commander of the American Legion.

Oscar Hammond, 511 N. Center, Northville, was installed in ceremonies Aug. 5 at the state American Legion convention in Lansing.

Hammond is a past commander of Lloyd H. Green Unit No. 147

and of the 17th District. Hammond's wife was recently installed as president of the 17th District auxiliary association. (See story, page 5).

R. D. Merriam of Beck Rd. returned from a two weeks fishing trip at Camp Beaverland, St. Francis, Ontario.

Records Set at Junior Horse Show

—Photos by H. D. Hartley

EASING HER MOUNT over a jump at the Northville Junior Horse Show last week end is Randie Grant, 13, of Birmingham. More than 250 young riders and 200 horses were entered in the show. Randie placed first in the equitation hunter seat event.

Despite off-and-on rain, the colorful Northville Junior Horse Show last week end drew more entries than ever before and was termed a "definite success" by officials.

More than 250 young riders were on hand for the event, coming from all over Michigan, Illinois, Ohio and Indiana.

Almost 200 horses were entered in the 26 events, making a total of 595 class entries. Both figures are records for the 8-year history of the show, according to General Chairman J.F. Malley. Malley estimated that 2,000 persons attended the show during its two days. Proceeds from the event will be used by the Northville Optimist club to benefit youth projects in the area.

Results are as follows:
Class 1—Lead Rein Class
Special prize to youngest rider, Casey St. Lawrence, 15 months
Class 2—Equitation, for Children of Optimist Club Members' Children:

Susie Eastland, Northville
Kathy Kellogg, Northville
Sarah Schrader, Northville
Class 3 — Equitation, Saddle Horse Seat (13 and under)
Linda Sinkule, 10, Ann Arbor

Obituaries

MATHEW E. NIXON

Mathew Ellis Nixon, 56, of 42750 Grand River, died Aug. 13 at the U.S. Naval hospital, San Diego, Calif.

Before moving to LaMesa, Calif. last December, Mr. Nixon had lived in Northville for eight years. He moved here from Novi in 1948. Born Feb. 8, 1900 in Duluth, Minn., he had been ill for about three years before his death.

Among his survivors are his wife, Elizabeth, and four children, William of Detroit; Norman, U.S.A.F., San Antonio, Tex.; Kenneth Roberts of Northville, and Mrs. Marian Seely of Wyandotte.

Also surviving are six grandchildren. The funeral will be from Cast-erline Funeral Home Saturday, Aug. 18 at 1 p.m. Burial will be in Novi cemetery.

MRS. MABEL SCHOOF

After a two week illness, Mrs. Mabel Schoof, 79, a former resident of Beck Rd. in Northville, died Aug. 1 in University hospital in Ann Arbor.

Mrs. Schoof lived in Plymouth since 1940. She was born Feb. 7, 1877 in Illinois and later lived in Akron, O.

She is survived by her husband, Hugh H.; a son, Lyle Rakestraw, of Northville; two sisters, Mrs. Una Long of Grand Rapids and Mrs. Winifred Johnson of Mishawaka, Wisc.; and a granddaughter, Mrs. Lila Miller of Chicago.

Services were conducted by the Rev. Richard Burgess Aug. 4 from the Schrader Funeral Home. Burial was in Rural Hill cemetery, Northville.

Midget League Wins from Ecorse, 12-4

The Northville midget leaguers moved a step closer to the Inter-City championship Tuesday by beating Ecorse 12-4.

The hard-hitting junior baseballers met Wyandotte today in the semi-finals. If they get past Wyandotte, they will play tomorrow for the championship.

Northville won the right to appear in the Inter-City championship tournament by chalking up a sparkling 16-4 record so far in regular season play in the Livonia Recreation League. (See other story on page 5.)

BOWLING LEAGUES TO ORGANIZE SOON

A special meeting to form a ladies' bowling league at the oyal Recreation alleys will be held there next Tuesday and Thursday, Aug. 21 and 23, at 8 p.m. Meetings of the men's league will be held Aug. 22 and 27 at

The newlyweds, Mr. and Mrs. Conrad Burkman, are shown leaving the First Presbyterian Church in Northville August 4. Mrs. Burkman is the former Nina Freytag of Newberry.

Richard Gray To Marry

Mrs. Hazel Baldwin, 309 W. Highway 'St., Vicksburg, Mich., announces the engagement of her daughter, Nancy Ruth Pinkerton, to Richard Allen Gray, son of Mr. and Mrs. Clifford Gray.

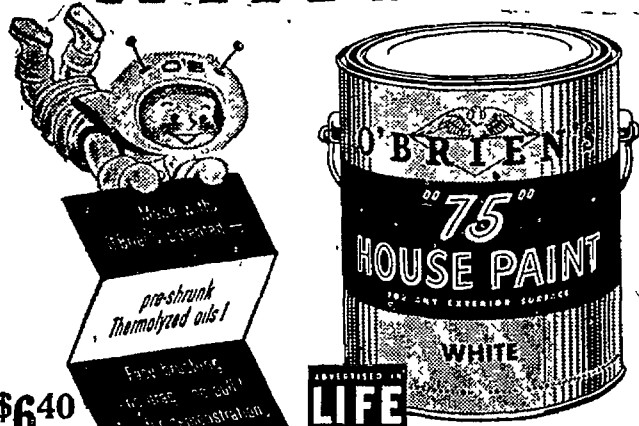

Miss Pinkerton is a senior at Eastern Michigan college, Ypsilanti, and is affiliated with Sigma

Sigma Sigma sorority. Mr. Gray was graduated from Northville high school, was in the armed forces for two years and will be a junior at Eastern Michigan college this fall. He is affiliated with a local fraternity.

The wedding date has been set for Sept. 1.

New "75" House Paint Gets

WHITER WHITER WHITER

SETS WHITE HOMES APART FROM ALL OTHERS!
One coat of O'Brien's "75" will make your home the whitest in the neighborhood. It's whiter when it's applied — and gets whiter the longer it's on.

As soon as you flow on your first brushful of O'Brien's "75", you will realize there is something "special" about this fine house paint — the way it brushes — the way it covers in just one coat.

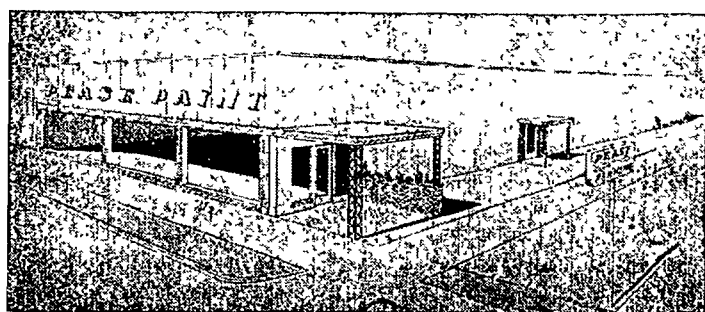

Important too, is its unique formulation with zinc, lead, titanium and patented Pre-Shrink Oils, giving it a "built-in" quality that insures extra years of service.

Make "75" your No. 1 choice on your house paint parade this year... Excellent selection of many redi-mixed colors.

FREE Present this coupon to your dealer for COLOR GUIDE FOR HOME DECORATING BOOKLET. Many color schemes.

It doesn't cost a cent to
Take a Ford Test Drive . . .
and you may save hundreds!

**Would you
trade 20 minutes of your time
for a saving of hundreds?**

August is Saving Season at your
Ford Dealer's. Bag a deal while he
clears his decks for the '57 models.

Why put off the fun of a Ford Test Drive for
a single day? As you know, it puts you under
absolutely no obligation. And it may save you
literally hundreds of dollars—we'll get to that
a little further on.

By a Test Drive we mean more than a once-
around-the-block "spin."

We want you to test the power that rocketed
Ford to a 500-mile stock car record at Indian-
apolis . . . the GO that won the grand prize at
NASCAR's Daytona Championships. We want
you to feel how this Ford seat pays off in your
kind of driving: in traffic, passing on the high-
way, getting going at traffic lights. We'll put
either a Ford Six or a mighty V-8 with up to 225
h.p. at your disposal.

We want you to drive and listen—drive and
feel.

That fine-car quiet results from sound insula-
tion under the hood, under the roof, in door and
body panels—the most insulation in any car at

anywhere near Ford's low price.

Some other things that contribute to that
smooth, silent, luxury-car ride are things which
Ford's leading competitor certainly can't boast:
Ball-Joint suspension with wide base control
arms for better steering, more stabilized wheel
alignment . . . shock absorbers that are mounted
to the frame rather than the body.

"Sure," you'll say as you drive along the road.
"Feels pretty good—but after all, this car is new."

Well sir, when you come in from your drive
we'll show you why Ford will stay like new for a
long, long time.

We'll show you how Ford has five cross-mem-
bers (including a "K" member) in its frame.
Ford's leading competitor only has two. We'll
show you the deep-block V-like engine design
which enables Ford engines to take it.

Now—what you've been waiting for. How can
you save hundreds of dollars by taking a Ford
Test Drive?

Simply by proving to yourself that there really
is a fine car in the low-price field.

You see, the reason a Ford does not cost hun-
dreds of dollars more than it does, is Ford's huge
production and the huge volume which we Ford
Dealers sell.

There are many cases where "medium-priced"
cars claim to be priced within a few hundred
dollars of Ford. Remember, however, these prices
are usually arrived at by comparing their lowest-
priced models—stripped—with Ford's most ex-
pensive models that include all of the comforts
of driving.

But enough of this talk. Come in. And you do
the driving and the talking. Bring the family, too.

FORD
goes first

NOW! A FORD with AIR CONDITIONING costs less than many
medium-priced cars without it. TRY ONE TODAY!

Based on a comparison
of suggested list prices.

DETROIT EDISON

Forests Are Big Business In Michigan

Detroit — The forest industries through manufacture, paid out of Michigan are adding more than \$269.3 million in payrolls and \$775 million annually to the state's wealth, according to Chas. G. Allen of Detroit, chairman of the Michigan Forest Industries.

Allen, whose committee sponsors the Michigan Tree Farm program of private timberland management, said the Department of Commerce's newest Census of Manufacturers shows forest industries of the state in 1954 added \$470 million in value

The \$470 million value added through manufacture represented an increase of 39 per cent since 1947, Allen said.

Michigan forest industries, the report shows, employ nearly 66,000 persons. Forest industries are those which manufacture lumber, furniture and fixtures, pulp, paper, excelsior, utility poles, fence posts and other wood products.

The industry chairman said expansion of the Michigan Tree Farm program, which aims to assure continuous production of tree crops through protection and careful management of privately owned, taxpaying woodlands, will broaden the base of the state's vast forest economy.

Michigan presently ranks sixth in the number of certified Tree Farms, with 431 tracts embracing nearly 1 million acres of well-managed timberland enrolled in the industry-sponsored program to grow timber as a crop.

Winter Weather Ahead . . . Get Set Now

The temperature will be dropping soon and the time to get ready for those cool fall days is right now! Take advantage of our BUDGET PLAN.

It is based upon the simple principle that the average family's total fuel oil bills for the entire heating season can be estimated with close accuracy. It's not an installment plan—and it doesn't cost you a penny more than you'd normally pay for the fuel oil needed.

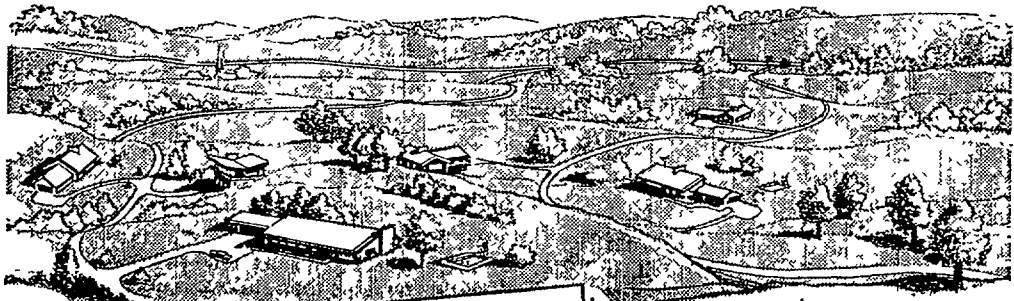

CALL US TODAY AT NORTHVILLE 190 for Full Details On How the ELY BUDGET PLAN Can Help You

PURCHASED BY the city for \$13,000 last week, this house at 118 East Dunlap will soon be moved or torn down so that more city parking may be provided. The property, measuring 68 feet by 131 feet, abuts newly blacktopped parking space behind Main St. stores and will add approximately 25 spaces to the lot.

Milk Program Goes Well In Most Michigan Schools

Ninety-six per cent of Michigan's school districts took part in the federal government's special school milk program last year.

Michigan school children drank more than 73 million half pints under the plan.

Without the system the milk might have been sold for non-fluid consumption, says Dale Butz, Michigan State University agricultural economist. And, he points out, that would have meant a lower return for dairy farmers.

But children benefited nutrition-wise and they probably acquired a "milk habit" that will stay with them all their lives, Butz adds.

The school milk plan has recently been extended for another two years by Congress with only minor changes from last year. The government will reimburse the school three or four cents for each half pint served to children. Whether the school gets three or four cents depends on the type

of hot lunch program provided. In return for the reimbursement, the school must reduce the price of milk to the children.

If a school was not enrolled last year, suggests Butz, agreement-application forms should be sent in for this year. School officials, county agricultural agent or county dairy committees may be consulted.

The school can be reimbursed for all fluid milk used in cooking, and all milk consumed by children, whether during regular school hours or not. This includes meetings, social events and athletic contests.

Pear Crop In State Expected To Be Big

The heaviest production of pears in many years, particularly of the popular Bartlett variety, are in prospect in Michigan this year.

July 1 estimates of 1,150,000 bushels may be exceeded because of excellent growing conditions in the state's major producing areas.

Michigan's crop will be the largest east of the Pacific coast unless unfavorable weather changes the present outlook. The bulk of the national crop is raised in California, Washington and Oregon. Michigan's expected yield this year is three to five times larger than that of some of the other eastern and midwestern states.

States in the pear producing picture this year behind Michigan are New York, Illinois and Ohio.

Mail Trucks Help Fight Forest Fires

Lansing — More than 25,000 U.S. mail trucks are carrying "Smokey Bear" posters this month, reminding Americans of the importance of forest fire prevention.

The Post Office Department is cooperating with the U.S. Forest Service and state conservation departments in a program to reduce fire losses as millions of persons go to the woods on vacation trips.

Post Office officials estimate that the familiar Smokey Bear emblem will be seen by more than 50 million persons as the trucks make their regular mail deliveries.

August is a big month for vacations and the danger of forest fires increases along with the number of persons using the outdoors. Of the 145,180 forest fires reported in the nation last year, the U.S. Forest Service estimates that more than 90 percent were caused by humans.

Total area burned in the U.S. last year was more than 8,000,000 acres. Michigan had 1151 fires that damaged 7204 acres of public and private land.

Two Moose (Or Mooses) Seen In North

Marquette — Two moose sightings were reported recently in the upper peninsula.

A bull moose was seen in 16 Mile lake, Alger county, and another in Crane lake, Iron county.

Conservation Dept. game biologists estimate that there probably are no more than 10 moose in the entire upper peninsula.

Approximately 70 of the animals were released in the Upper Peninsula about 20 years ago, but the population dwindled. The moose now in the upper peninsula either are remnants of those early releases, or animals that have come across the ice from Canada.

Life begins at 40, and soon thereafter the grandchildren need sitters.

Mind-Reading? Just A Trick, Says Mich. State Prof.

East Lansing — There is no such thing as "mind reading".

There are people who claim to read minds — some of them make a living at it in public performances — but their skill is based usually on perception of muscle movements and other "tricks," according to a Michigan State University psychology professor.

"Much of mind reading actually is muscle reading," says Prof. Milton Rokeach. "Barely noticeable muscle movements account for many tricks that pass for mind-reading or 'extrasensory' perception."

One of history's most outstanding muscle readers, Dr. Rokeach pointed out, was Clever Hans, a German horse who amazed many people at the turn of the century.

Clever Hans was schooled by his owner — who believed the horse had near-human intelligence — in arithmetic, spelling, music and other subjects. The horse could tap out correct answers to questions with his hoofs.

Long and careful inspection by interested scientists finally revealed that the horse had learned to watch for small movements, usually of the head, which told the horse when he had arrived at the correct answer. Even the owner had not known he made them.

In the same way, a person concentrating on a letter of the alphabet may, in spite of himself, form the letter with his lips unconsciously. The trained observer may read it easily.

A parlor trick done by skilled mind readers is to guess the location of a secretly hidden object while holding a handkerchief tied to his subject's wrist.

"Told to concentrate on the hiding place, the subject literally leads the mind reader to the hiding place by imperceptible movements," Dr. Rokeach stated.

Coincidence is involved in the dreams which foretell real tragedy, the psychologist explained. Most people have dreams regularly, but the only ones talked about are those which, by coincidence, depict something which later does happen. The millions unverified dreams are forgotten.

Stage performers who "read minds" often obtain information about their subjects through such things as simple observation, secretly made carbon copies of submitted questions and information contained in ticket requests.

SOFT WATER

Automatically with the

REYNOLDS Automatic WATER SOFTENER

A fully automatic 35,000 grain capacity water softener featuring the time-tried Reynolds Quadra-Flow Controller . . . MOTORIZED to give you completely dependable automatic regeneration.

You set a clock or press a button. That's all you have to do. Reynolds Automatic does the rest. It's the kind of automatic softener you'd expect from Reynolds Water Conditioning Company, as the result of more than 25 years' experience in the development and manufacture of water conditioning equipment.

There's no other water softener like it. Reynolds is designed to give you every feature you should have in a 100% automatic water softener. And it's fully covered by patents. Doves is the softening medium.

Now you can enjoy the benefits of this sensational advance in water conditioning. It's proved in service and guaranteed to give you soft water AUTOMATICALLY!

You can't afford to be without soft water. Call today for complete information, including free water analysis.

Reynolds Ball-O-Matic Water Softeners and a complete line of Reynolds Water Conditioning Equipment have been manufactured in Detroit since 1931. There is probably more Reynolds Equipment installed in this area than all other makes combined. We stand back of the guarantees on our equipment with factory service. Two generations in the business assure you of years of this service and support. You are SURE with a Reynolds Water Softener.

"YOU CAN'T BEAT THE BEST"

Minutes of the Board of Education

The meeting was called to order by President Coolman at 7:45 p.m. in the Board Room.

Present: R. F. Coolman, R. H. Shafer, E. R. Clark, N. C. Schrader, Superintendent Amerman.

Absent: D. B. Severance.

Others Present: Mr. Webb of the Northville Record, Mr. and Mrs. Crump representing the Curriculum Committee, Mr. Bernard, Mr. White and Mr. Byrd of Novi-Farmington School District No. 2 Fr.

The minutes of the last regular meeting were reviewed and Mr. Schrader moved that they be approved as read. Mr. Clark seconded the motion, which was carried.

Communications:

1. Summary of meeting held on June 28th with Dr. Wohlers and administrators, re plans for new high school.

2. State Department of Agriculture, re diseased trees at Amerman School, requiring us to destroy thirty-five diseased elms.

3. Delinquent tax collections, Northville Township, \$202.44.

4. Wayne County Board of Education, advance payment of State Aid, \$80,000.00.

5. State Department of Public Instruction, reimbursement of adult driver education program, \$175.12.

Superintendent's Report:

1. Superintendent advised the Board that Dr. Buoniconti, superintendent of the Wayne County Training School, has proposed that Northville Public Schools share the services of a speech correctionist, and jointly sponsor a program of instruction for Type A children. State will reimburse us to the extent of \$4,750 for each program.

2. Portions of Novi School District No. 6 Fr. and Novi District No. 4 Fr. are now officially annexed to this district.

3. Equalized valuation is \$10,454,869 for this year, not including annexed portions of Novi District No. 4 Fr.

4. Final bill for architectural services on Amerman School, \$3,796.39. Superintendent recommends payment of this bill.

Unfinished Business:

1. In the absence of Mr. Littell, the school's attorney, Mr. Coolman reported on his progress in attempting to acquire the Manning and Locklin site for the new high school. Mr. Schrader moved that Mr. Littell be given authority to employ a firm of appraisers of his own choosing for the purpose of having the Manning and Locklin property appraised. Mr. Clark supported the motion, which was carried.

2. Mr. Schrader reported the purchase of two driver training cars as follows: Plymouth 4-door sedan for \$1,577.02 less last year's car traded in for \$1,038.00, making a net expenditure of \$539.02; and a Chevrolet station wagon for \$1,769.00. Mr. Shafer moved that the purchases of these cars be approved by the Board. Mr. Clark seconded. Motion carried.

3. Mr. Schrader reported conference with Mr. Wallace of the Fidelity Appraisal Co., which proposes to inventory buildings and equipment of the schools for a tentative cost of \$1,325, such an appraisal to be used as proof of loss in the event of disaster. Matter tabled for further study.

New Business:

1. Trees at Amerman School: Board discussed the possibilities of replacement of trees removed because of disease. Mr. Schrader suggested the Board get some pine seedlings from M.S.U., and that possibly the school children might be able to plant them.

2. Mr. Crump presented the Curriculum Committee report for the month of June. Mr. Schrader moved that the report be accepted as presented. Mr. Shafer supported. Motion carried.

3. Mr. Stefanski and Dr. Wohlers, of the Wayne County Board of Education, gave a report on further plans for the new high school, and explained the architect's tentative sketches and drawings to the board. These plans are designed for a 4-year high school program of 600 students, with the thought that the old building may be able to house 7th and 8th grades for a few years more.

4. Mr. Bernard, Mr. White and Mr. Byrd of the Novi-Farmington School District No. 2 Fr., approached the Board with a request that thirteen 7th and nine 8th graders from their district be allowed to attend Northville this year. After considerable discussion, the Board requested the superintendent's recommendation. Mr. Amerman advised the visitors and the Board that this district would prefer not to have any of these children, but that, if there is absolutely no other solution to East Novi's problem, Northville will try to absorb the nine 8th graders.

Mr. Shafer suggested that, since the East Novi district still owes Northville Public Schools \$8,537.23 on last year's tuition bill, the Board should further investigate the whole matter and hold a special meeting two weeks from this night, at which time the Board will try to resolve this

problem. President Coolman then called a special meeting for August 20, 1956 at 8:00 p.m.

The Board also indicated that Northville will take the nine 8th graders, providing the back tuition is either paid or some attempt thereto is made.

5. September meeting: It was decided to hold the September meeting on Thursday, the 13th, because the regular meeting night falls on Labor Day.

6. Fence at Waterford School: Mrs. Tegge wishes permission to erect a fence between her property and Waterford School. She would like to know the Board's wishes as to whether this land should be surveyed before the fence is erected.

6. Board instructed Superintendent to advise Mrs. Tegge that it perfectly alright with the Board if she puts up the fence, using the line of the Edison poles.

7. Joint speech correction and Type A programs with Wayne County Training School: Mr. Shafer moved that we accept Dr. Buoniconti's offer of joint sponsorship of these programs. Mr. Schrader seconded the motion. Carried.

8. Final bill owing Eberle M. Smith for architectural services at Amerman School: Board instructed superintendent to pay this bill.

Treasurer's Report:

Treasurer E. F. Clark reported receipts and balances as follows: Cash received during month of July, 1956, \$80,730.74;

Balance in General Fund, July 31, 1956, \$72,756.87;

Balance in 1936 Bond and Coupon Account, July 31, 1956, \$230;

Balance in 1949 Debt Retirement Fund, July 31, 1956, \$5,717.40;

Balance in 1954 Debt Retirement Fund, July 31, 1956, \$22,794.01;

Balance in Building and Site Fund, July 31, 1956, \$5,132.11.

Mr. Schrader moved that the treasurer's report be accepted as presented. Mr. Shafer supported the motion, which was carried.

Auditing Committee:

The Auditing Committee approved bills and payrolls for payment as follows: bills, \$9,522.31; payrolls, \$24,817.28.

Mr. Schrader moved that these bills and payrolls be paid. Mr. Shafer seconded the motion. Carried.

Adjournment:

Mr. Schrader moved the meeting be adjourned at 11:55 p.m. Mr. Clark seconded the motion. Carried.

R. H. Shafer, Secretary

CITY PROCEEDINGS

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Aug. 6th, 1956 at 8:00 P.M.

Present: Mayor Claude N. Ely, Councilmen Allen, Canterbury, Reed and Stubenvoll.

Minutes of last regular meeting were read and approved.

Bills amounting to \$44,705.73 were presented for payment, and it was moved by Reed, supported by Stubenvoll, that same be allowed and paid. Carried.

July 1956 reports of the Police and Fire Departments were submitted, and it was moved by Canterbury, supported by Reed, that same be accepted and placed on file. Carried.

Councilman Stubenvoll reported for committee on negotiations with George Miller relative to purchase of property at 118 E. Dunlap St., which the City wants to purchase for parking lot. They recommend the purchase of this lot for \$13,000.00, with the provision that the City allow the fur-

nace and hot water heater to be removed from the house at this location; the City to pay all costs connected with the transfer of property, as well as install sewer connection and 25 ft. of sewer line to the Henry property at 128 E. Dunlap. Canterbury stated he thought the original idea was to pay \$12,000.00 for this property, and the committee indicated that had been a starting point, but consideration had to be given to money Mr. Miller had expended on property since its purchase, also the price Mr. Miller must pay for property necessary to replace it in order to carry on his business, as well as the probable cost of condemnation should that become necessary. After fully discussing the matter, it was moved by Allen, seconded by Stubenvoll, that the property be purchased according to the terms set forth by the Committee on negotiations. Carried.

Councilman Canterbury reported on proposal to revise parking

ticket and fine schedule, to make it possible for violators to pay a modest penalty, for example 50c, if the ticket was settled immediately. This revision would be a convenience to the public, as well as eliminating collection problems. Councilmen indicated they were in favor of this plan, and Stubenvoll was instructed to study the matter further and to report back at the first meeting in September.

Councilman Allen reported that Mr. Hiltz, of the Wayne Co. Road Comm., had stated that bids for storm sewer on Carlyle St. were to be advertised Aug. 8th and the contract would probably be let ten days later.

Councilman Allen also reported that the Dog Warden had stated he was receiving a great many calls on barking dogs from people who refused to identify themselves. The opinion of the Council was that such calls should not be recognized.

Councilman Canterbury stated he thought the Public Works Dept. should be commended for the fine job done in cleaning up the boulevard on Plymouth Ave.

THE NORTHVILLE RECORD—Thursday, August 16, 1956—11

He also stated that he had received a number of inquiries to flushing of hydrants at regular intervals, and suggested that it be done on a schedule.

The City Manager Ordinance was then brought up to be acted upon, and it was moved by Canterbury, seconded by Reed; that this ordinance be adopted as published in the July 26th, 1956 issue of the Northville Record, Inc. Carried.

Councilman Canterbury was asked to continue work with his committee relative to setting up methods for advertising for and hiring a City Manager.

At the suggestion of Councilman Allen, Mayor Ely instructed him to contact Mr. C. Martin of the Parks Dept. of Wayne Co. Road Comm. regarding the County's participating in the construction of Fairbrook storm sewer.

Mayor Ely asked for a report from the City Attorney on suit started by Warren Products Co. Atty Ogilvie reported that all briefs were in the hands of the Judge and a decision could prob-

ably be expected within a week.

The Council agreed to an advance of \$200.00 to the owner of Lot 4 of Green Valley Acres to enable him to make a down payment on property he must purchase to replace Lot 4.

No further business appearing, the meeting was adjourned at 10:12 P.M.

Northville Notes

Dr. Gonzola Martinet, from Columbia, South America, was a guest last Sunday of Mrs. Paul Schulz of Seven Mile Rd. A pediatrician, Dr. Martinet is taking a summer course in English at the University of Michigan. In September he begins a year's study of advanced pediatrics at the University of Pennsylvania, following which he will return to South America.

The new son of Mr. and Mrs. R. C. Ritchie of Plymouth Ave. is named David Harvey, not David Henry as printed in last week's Record. He was born July 31 at Mt. Carmel hospital and weighed seven pounds, nine ounces.

The J. E. Straus home on Beck Rd. was the center of much activity this past week. The Strauses were entertaining cousins, Mrs. Charles Jackson and her three-year old daughter, Martha, and four-year old son, Michael, who spent the week enroute from San Francisco to Minneapolis.

Guests of Mrs. Mary Alexander Tuesday night were Mr. and Mrs. Howard Bray and children, Paul and Patsy. They stopped on their way home from Omaha, Neb., where they visited Mr. Bray's brother and family. Mrs. Alexander left yesterday for Boyne City where she will spend two weeks with the Brays.

Mrs. V. George Chabut returned home last Thursday where she is convalescing following an operation.

Mayor and Wife Invited To Attend Festival In Detroit

Mayor and Mrs. Claude N. Ely of Northville will join the mayors of more than 100 other Michigan cities participating in the opening ceremonies of Detroit's 1956 Riverama Civic Festival tomorrow.

Their day's schedule calls for attendance at a civic luncheon at noon, an inspection of the new Civic Center on the waterfront and the new City-County Building, finest of its type in the country. They will also view the plans and models of the exhibits and convention hall, largest in the nation, now under construction.

Mayor and Mrs. Ely also will be guests of the management of S.S. Aquarama, the new ocean-type cruise ship. The party will be conducted on a tour of the ship.

"Topping the day's events for Mayor and Mrs. Ely will be an evening at Aqua Follies, world famous stage and water show with a cast of over 100 well known swimmers, divers, dancers and singers. Each of these forms of entertainment will be set to music with startling lighting effects.

For those who are able to remain and for thousands of other visitors there will be 15 more days, through Sept. 1, of fun and excitement. The Silver Cup, Gold Cup and Harnsworth Trophy races, outdoor racing, Dancing Waters, a boat show and many other colorful events will be offered to the public.

Nancy Cort

Northville Girl Wins Scholarship

Nancy Cort, June graduate of South Lyon high school, has recently done herself proud with honors.

In addition to receiving many awards from her local 4-H club, 17-year old Nancy was recently notified that she has won a Future Homemakers of America scholarship to Michigan State university.

One of ten Michigan girls selected by a Michigan State home economics faculty committee, Nancy will receive tuition and fees amounting to \$204 for her freshman year. The ten girls were chosen for their outstanding records in high school F.H.A. and other activities, good scholarship and their intent to study home economics at college level.

The daughter of Mr. and Mrs. Dravton J. Cort of Six Mile Rd., Northville, Nancy intends to specialize in vocational education.

School Leaders Consider Hiring Special Teacher

Educators in this area will meet today to discuss plans for pooling their efforts in setting up a day school for mentally handicapped children at Wayne County Training School.

Northville School Superintendent R. H. Amerman and six to ten superintendents from other nearby school districts will meet with Dr. Charles Brake, Wayne Co. Superintendent of Schools and Dr. P. Buoniconti, medical superintendent at the training school.

Under discussion will be a plan that would provide a full-time teacher at the training school for mentally-handicapped children in the area.

Northville school officials learned recently that the state will provide \$4,750 toward such a project — if at least 100 children need the facilities. Part of the meeting will be to determine whether that many children in the area need such facilities.

The educators will also discuss the problem of transportation. Children would be brought to the school each day, presumably by bus, and would return to their homes at night.

Novi Highlights...

Mr. and Mrs. Steven Stephans have returned from a vacation in Pennsylvania.

Mrs. Grace Thompson of Niagara Falls, N.Y. was the week end guest of Mr. and Mrs. Art Trotter.

Mr. and Mrs. William Rackov attended a family gathering in Detroit last Tuesday in honor of the birthday of Mrs. Rackov's brother, Walter Chmura. The party was held at the home of a sister, Mrs. John Langa. The men played softball at Janefield in the evening.

Mr. and Mrs. Hadley Bachert are having a few days of vacationing in northern Michigan.

Patty Ann, daughter of Mr. and Mrs. Gerald Trotter, celebrated her sixth birthday belatedly last Wednesday. The little playmates who were invited to the party were Kim Kozak, Billy MacDermid, Delbert Ortwin, Gay Anne Bingham, Mary Lynn, Van Sickle, Jack Crawford, Cary Joe Stevenson, Chuckle and April Trickey, Larry and Mary Ann Syrett, Linda Killeen, Ginger Cheeseman and Kathy Gorman.

Julie Ann, infant daughter of Mr. and Mrs. Joe Cicirelli, was christened in Our Lady of Victory Catholic church in Northville last Sunday. The godparents of Julie Ann are her uncle and aunt, Mr. and Mrs. Michael Cicirelli. After the christening a dinner was served for approximately 30 relatives.

A lot of territory was covered last week end by Mrs. Hildred Hunt, Mrs. Florence Bingham and Mr. and Mrs. James Smart, all of Novi. They left early Saturday morning for a tour of northern Michigan, visiting at Houghton Lake, Cadillac, Manistee and Lake Michigan. They returned Sunday night.

The Novi Girl Scouts and their leaders would like to thank everyone in the community who helped make their first year of day camp at Camp Mindokwin a success.

AND NEW CHAMPION — A prize heifer owned by Dick Mitchell, 17, 19355 Fry, Northville, took top honors in the white-faced Hereford class at the Pontiac Fair last week. Young Mitchell will now take the prize-winner to other judgments in the state.

Blue Star Mothers Attend Church

The Novi Chapter No. 47 of the Blue Star Mothers attended services in Novi Baptist church Sunday morning. Those who attended were Mrs. Ethel Smith, Mrs. Ralph Walden, Mrs. Luther Rix, Mrs. R. E. Ward, Mrs. Joe Gardella and Mrs. Fred Mandell.

Mrs. R. E. Ward and Mrs. Joe Gardella also attended memorial services at the "White Chapel" in the afternoon.

Mrs. Ernest Black entertained the Novi chapter at a picnic on Monday with 11 members and two visitors, Mrs. Garland Killeen of Beck Rd. and Mrs. Robert Betzing of Cincinnati, O.

A FREE GIFT

When Mrs. Madeline Sauder

of Pasadena, answered her door bell, a magazine salesman said "Good morning, Madam. Did you receive your free cook book yet?"

Mrs. Sauder answered in the negative, so Marvin Hersh, the salesman offered her one. "There's usually a catch to this sort of thing," the woman said. "Oh, no," the salesman assured her. "It's absolutely free." Whereupon Mrs. Sauder kept the book and closed the door without hearing the sales talk. Hersh rapped vigorously at front and rear doors, but all to no avail. Mrs. Sauder called the police. The salesman told Sergeant Gerald Wilson: "The cook book is free only when one subscribes for a magazine." The sergeant was unimpressed. He decided to keep the cook book. If more folks would do like Mrs. Sauder, some salesmen would learn to tell their listeners at once about the "catch" or the "string" attached to their "free" gifts. When the Lord offers a gift, it is absolutely free. He said to the Samaritan woman at the well: "If thou knewest the gift of God and who it is that saith to thee, 'Give me to drink,' thou wouldst have asked of Him, and He would have given thee living water." Why not accept the gift and thank the Giver? From Examiner
