Mayor Proclaims Constitution Week

Constitution Week will begin in Northville this Sunday, dedicated in commemoration of "the greatest document for human liberty in two thousand years of recorded history."

The week of September 17-23 has been so proclaimed by Mayor Claude N. Ely.

Observances of Constitution Week will be under direction of the Sarah Ann Cochran chapter of the Daughters of the Revolution, according to Mrs. Claude Crusoe, chapter regent.

Merchants will display American flags in front of their stores during the week.

A flag will be presented to Amerman school in ceremonies next Thursday.

Constitution Week stickers will be placed in store windows. The Northville library will display a series of documents, folders and pamphlets explaining the Constitution and what it means to the citizen.

Restaurant and hotel tables will display placards bearing excerpts from George Washington's first thanksgiving proclamation in 1789 and other documents.

The proclamation issued by Mayor Ely:

PROCLAMATION

WHEREAS, the basic need in our Nation today is the preservation of Constitutional Government; and WHEREAS, in order to protect our priceless heritage under our unique form of government, it is essential to support our Constitution, "The most wonderful work ever struck off at a given time by the brain and purpose of man," and WHEREAS, for its proper support, it is necessary that our citizens understand its provisions and principles and appreciate its values and benefits as "The greatest document for human liberty in two thousand years of recorded history," and WHEREAS, the Daughters of the American Revolution are, sponsoring the observance of Constitution Week, September 17-23, 1956, in commemoration of the 169th Anniversary of the adoption of the Constitution;

NOW, therefore, I, Claude N. Ely, by virtue of the authority vested in me as Mayor of the City of Northville, in the state of Michigan, do hereby proclaim the week of September 17-23, 1956 as

CONSTITUTION WEEK

in the City of Northville, and urge all our citizens to pay special attention during the week to our Federal Constitution and the advantages of American citizenship, honoring United States Flags and especially emphasizing the purposes of Good Government as set forth in the Constitution's Preamble and the duty of all persons in our Republic to protect our Constitution and the freedoms in its Bill of Rights, so that it may continue to protect us and our posterity in "This nation under God."

Court Rebuffs City On Annexation Suit

Northville and Wayne county attorneys learned this week that their motion to dismiss a bill of complaint against the so-called Yerkes Farm annexation has been denied by Oakland county circuit court.

The attorneys met yesterday to discuss new plans for meeting the challenge that would, if successful, prevent the annexation of three Novi township properties to Northville.

Council Awards Paving Contract

City councilmen Friday night awarded a \$2,200 contract for paving an alley behind stores fronting on the north side of Main street just east of Center street.

The paving is expected to be started within a week or ten days.

To be paved is an alley running off East Dunlap in back of stores on North Center and turning behind stores facing on Main street.

The contract was awarded to the A and A Asphalt Paving Co. of Detroit. Councilmen had waived bids for the paving under a provision allowing them to do so in certain cases.

It was explained that the same company has done satisfactory work previously and that \$2,200 was considered "an excellent price."

The paving will provide a completely blacktopped area behind the stores, part of which was recently paved by the store owners.

Calendar

September 17, 8 p.m.—Sarah Ann Cochran Chapter of DAR first meeting of the year at home of Mrs. Edw. A. Zipse, 1345 Park Place, Plymouth.

September 19, 12:30 p.m.—Past Matrons of OES will meet for luncheon at home of Mrs. William Monroe, 48385 Eight Mile road, with assistant chairman, Mrs. Esther Stone.

September 20, 8 p.m.—Meeting of the Northville Coordinating Council at the City Hall.

September 20, 8 p.m.—Meeting to organize a local junior chamber of commerce at Northville high school.

September 24, 8 p.m.—Northville Mother's club at the home of Mrs. Jean Handorf, 300 Wing court.

September 27, 8 p.m.—Meeting of the Northville P-TA at the Community Building.

The areas in dispute are the Yerkes farm and the John Burkman and Warren Products properties.

Voters approved annexation of the three areas in a special election on July 21. Northville favored it by 256-32 and residents of the areas by 5-1.

Owners of Warren Products immediately challenged the election on grounds that petitions for it were eight months old, that voters received a "consideration" for voting in favor of it, and that boundaries of area in question were drawn so as to exclude other residents from voting.

Northville and Wayne county responded to the bill of complaint by asking circuit court to dismiss it on a legal technicality.

Specifically, city and county attorneys asked for a dismissal on grounds that the suit was brought "in chancery," rather than in "quo warranto." The former provides for an injunction to stop annexation proceedings whereas the latter does not.

It was this argument that was denied by Oakland County Circuit Court Judge Clark J. Adams.

Northville Attorney Philip Ogilvie admitted that Adams' action apparently means the judge wishes to try the suit on its merits rather than throwing it out on a legal technicality.

Ogilvie said the city-county attorneys now have two courses of action: to contest the denial in a higher court, or to accept the denial and fight the annexation "in chancery" but with a new approach.

Meanwhile, a report that the suit was voluntarily withdrawn by Warren Products appeared to be only a rumor. Spokesmen at circuit court and Richard Martin, one of the complainants, both denied the suit was withdrawn.

Police Investigating Theft of Reflector

Arthur Prodder, 450 Griswold, Northville, reported to police this week that a tail-light reflector was stolen from his car over the week end.

Police are investigating the alleged theft.

COME AND GET IT — Andy Benoit lets loose with the call to chow that won him a second straight title as champion hog-caller at the Michigan State Fair.

He Sure Can Call Hogs, But Andy Tells No More

The King of the Michigan Hog Callers wants it known he is no publicity seeker.

In fact, the less known about him, the better.

Andy Benoit, who won the state hog calling crown at the Michigan State Fair last week, is a 49-year-old expert animal handler who works on the Emil Huck farm near Wixom.

It was his second straight championship.

Unlike most royalty, Andy goes out of his way to keep his private life to himself. He admits his age, and that he can call hogs like nobody else in the state, but that's where the information ends.

"If I want a story about myself," he says, "I'll do my own writing. Why, I could tell about years and years of training hogs, raising champion hogs, and ..."

Then he stops talking, warily realizing that he may be letting slip too much biographical data.

Photographs are okay with Andy. And so are appearances on television — such as the one after he was crowned last week. But a story — that's his business.

About the only hard and fast admission that Andy will make is that he does deserve the title. And he proves it by pointing to a barn a mile away and saying:

"See that barn? Why, I've called hogs from over there without half trying. In fact, I've called

them from even further than that."

For those who are skeptical, there is confirmation of those wonderful deeds from neighbors of Andy.

"He just lets loose with a call, and the hogs come running from every which direction," said one. Sometimes the far-reaching mealtime call attracts other ears than the hogs, however. It occasionally drifts into the bedrooms of neighboring farms — often as early as 6 a.m.

But neighbors don't seem to mind, for the blast has proved almost as dependable as an alarm clock — and generally twice as effective.

One report has it that at least several motorists have been startled by the ghoully, faraway cry drifting through a dusky sky and have found themselves floundering in a ditch with hearts beating wildly.

Andy doesn't speculate about such matters. All he will say is that when it comes to calling hogs he knows his stuff.

Carlo Offers Aid In Probe of Fix

The state's top racing official stated emphatically yesterday that Northville Downs and those associated with it are innocent bystanders in the racing-fix scandal that rocked the track early this week.

State Racing Commissioner James H. Inglis said the alleged incident "could have happened at any of the three harness tracks in the state."

The scandal broke Monday night when Inglis revealed he

JCC Chapter To Organize In Northville

All young men in the Northville area have been invited to attend a meeting next Thursday to organize a local junior chamber of commerce chapter.

The meeting will begin at 8 p.m. in Northville high school.

Officers of the Farmington junior chamber of commerce chapter will explain the organization's purposes and assist in setting up a Northville chapter, according to Farmington project chairman, Fred Hamlin.

Hamlin said the new group would be open to men between 21 and 35, who live in the Northville area, whether they work in the city or not. He stressed that Northville men who work in Detroit will have a chance to develop social and civic ties in the community.

Purpose of the junior chamber of commerce, Hamlin said, is to develop leadership, promote civic projects and further social ties.

Optimists To Hear Noted P.R. Speaker

Edward Littlejohn, director of public relations for the Burroughs corporation, will address a meeting next Wednesday of the Northville Optimist club.

He will discuss "Business Aspects of One World."

Littlejohn has been with Burroughs since 1948, after previously serving with the Australian Embassy in Washington and the Australian Vice Consulate in New York.

A noted public speaker, Littlejohn recently addressed the Economic club of Detroit.

"These drivers race at other tracks in Michigan," Inglis said when questioned by The Record, "and it's no reflection on Northville Downs that the apparent fix occurred there."

General Manager John Carlo of the Northville Driving club, owners of the track, said he and other officers were unaware of the scandal until hours after it broke.

Carlo promised full cooperation in clearing up the matter.

Carlo said he has turned over records of the race to Inglis, presumably so they may be checked for excessive betting. Inglis made a special trip to Northville Tuesday to get the records and talk with Driving club officials.

Suspended by Inglis was driver Duane Hoose who reportedly confessed "blocking the rest of the field to enable horse Cherry Adam and driver Foy Funderbunk to win the fifth race that night."

The maximum penalty for Hoose, according to Inglis, could be a lifetime ban from racing.

Other drivers in the race were Jack Williams, Jr., Mel Stump, Eddie Barnes, Jr., Jack Aldrich, Don Hall and William Jones.

The drivers have been ordered to appear at a hearing Friday morning in Inglis' office at the Hazel Park track. Also to appear is Samuel J. Reeves, owner of Miss M. Direct, the horse Hoose drove on the night in question.

Inglis said he would investigate reports that Hoose and Reeves bet heavily on the winning horse in the race and that Reeves waved a \$50 win ticket at Funderbunk after the race.

Reeves denied this at an informal hearing before Inglis Monday night.

Inglis indicated that other "wrongdoings" may be uncovered during the investigation. He declined to say what the wrongdoings might be.

The alleged fix came to light through a tape recording made in the barn area after the race by one of Inglis' investigators. Inglis said the recording involved a conversation by Hoose and an unidentified party.

Such special investigators have been stationed at Michigan harness tracks for the past two years, Inglis said. Other tracks have had them even longer.

Six Motorists Fined On Driving Counts

Six motorists appeared before Judge E. M. Bogart last week on charges of reckless driving and negligent driving involving an accident.

Those fined for negligent driving involving an accident were: Marcela Schaffner, of Detroit, \$5 and costs.

Etola P. Cain, 3769 Millard, Wayne, \$5 and costs.

Warren Atchinson, 9847 Six Mile road, Northville, \$15 and costs.

Joseph R. Gagnon, Highland Park, \$10 and costs.

Those fined for reckless driving were: Barney Cakaskkan, 1375 Brookline, Plymouth, \$50 and costs.

Francis F. Young, Dearborn, \$40 and costs.

Mustangs Meet Rocks in Opener Tomorrow

The Northville Mustangs kick off their 1956 season against Plymouth tomorrow night in a game that could possibly be the beginning of a joyous year for local grid fans.

Though few predictions were being made, it appeared that the Mustangs are not apt to be shellacked by Plymouth as they were last year in a 36-0 romp.

Game time is 8 p.m. under the lights at the Plymouth high school field.

As the Mustangs ran through final drills in preparation for Plymouth, Coach Ron Schipper fought against overconfidence and blasted predictions that Northville would win the Wayne-Oakland league title this year. (See story, page 6).

Schipper's main worries are still a lack of depth and several weaknesses at key positions. The Mustang squad will number less than 30 men when it trots onto the field tomorrow night.

But the Mustang coach admitted that what his offensive team lacks, his defensive squad may well provide. The bruising defensemen — including a line that averages over 210 pounds — have pleased Schipper during recent practices.

"If our defensive line decides

it doesn't want to be moved," Schipper said, "you can be sure it WON'T be moved."

Standouts on the hulking defensive line this past week have included middle guard Bob Wag-

enschutz at 235 and end Jeff Goodrich at 220. Completing the line are end Nelson Schrader, and tackles Jim Burrell and John Hoose.

Northville scimmaged against

Belleville Saturday morning with both good and bad results, Schipper said.

Though the Mustangs looked good defensively their offensive

play was sloppy and marred by fumbles, he commented.

First string quarterback Bud Bell suffered several bruised ribs in the game and has gone through light workouts this week. Schipper said the injury does not appear to be serious and that Bell should start against Plymouth.

The Mustangs were pointing toward two Plymouth backfield stars as they sharpened up for the encounter. Schipper said pre-season indications are that the Rocks will have plenty of punch with quarterback Ken Calhoun and halfback Jerry King.

Northville will offer football fans a new offensive attack this year as they unfold a series of balanced-line T-formation plays instead of the multiple-offense they used last year.

PROBABLE OFFENSIVE STARTERS — Named as likely starters when Northville has the ball are, (in stance, left to right), RE, Bill Yahne; RT, Nelson Schrader; RG, Bob Neim; C, Bob Wagenschutz; LG, Dick Buckley; LT, Jim Burrell; LE, Cap Pethers; (backfield, left to right), RH, Dave Adams; FB, Gary Holman; QB, Bud Bell; LH, Dick Biery.

Thirty-Two Northville Residents Honored at Annual Citizenship Dinner

Constitution Week begins next Monday — and 32 citizens of Northville who can vote for the first time this November will have the significance of that document fresh in their minds.

For they were given a copy of the constitution, along with a facsimile of the Bill of Rights and the pledge of allegiance and its history following the 16th annual Citizenship dinner of the Northville Coordinating Council Wednesday night.

Twenty-eight persons who have reached the age of 21 and four naturalized citizens were honored at the banquet. The total of 32 makes this the largest number ever to be so honored.

After the invocation by the Rev. Father John Wittstock, Mrs. Drake Older sang the national anthem. The pledge of allegiance to the flag was led by the Girl Scouts, who also served the dinner for the evening.

An address by the Rev. David T. Davies highlighted the occasion, preceding which certificates signed by Claude Ely, mayor; Russell Amerman, superintendent of schools; Ed Welch, president of the council, and Mrs. Ernest Shave, chairman of the dinner, were presented by Mrs. Shave.

The benediction was delivered by the Rev. John O. Taxis.

Three local residents completed work for their bachelor's degree at Michigan State university this summer. Mary Anne Witwer of Plymouth received a B.S. in nursing education; Richard A. Sands of Napier Rd. received a B.A. in economics and Richard Lyon of Cady street received a B.A. in political science.

Leanna Doeksen Wed In Lansing

Leanna Rae Doeksen, daughter of Mr. and Mrs. R. W. Doeksen, carried the Rainbow Bible as she became the bride of James Edward Callis of Clarksburg, West Virginia at a ceremony in the chapel at East Lansing.

The couple was attended by Marcia Doeksen, the bride's sister; and David Severance.

After a brief honeymoon, the couple will be at home in East Lansing to continue their studies. Mr. Callis, a graduate of Greenbrier Military school, is a senior in hotel administration at Michigan State university.

Mrs. Lawrence Hiltz and son, Bill, of West Main street attended the Canadian National exhibition last week. Mr. and Mrs. Hiltz joined them in Canada and the three returned home last week.

Family rivalry in the Kalmars home begins with the hockey season — Herb is a Red Wing fan and Mrs. Kalmars, from Canada, pledges her allegiance to the Toronto Maple Leafs.

But they both agree that Willowbrook Village, where they have lived for two weeks now, is a pretty nice place.

The Kalmars moved to 23605 W. LeBost, Willowbrook, with their 2½-year-old daughter, Cathy, about two weeks ago. Mr. Kalmars, a graduate automotive engineer of Michigan State college, is with the Cadillac division of General Motors.

The Kalmars enjoy sports — both as spectators and participants, and are also among the travel-minded. They formerly lived in Ferndale.

Dr. and Mrs. J. K. Eastland recently returned from a two weeks vacation during which they traveled by car to Key West, Florida.

University Women Seek Members from Northville

An invitation to all qualified women in the Plymouth-Northville area to join the American Association of University Women was issued this week by Mrs. A. E. Gulick, president of the Plymouth branch and Mrs. William Clarke, membership chairman.

The first meeting of the club will be held Thursday night, September 20 at the home of Mrs. K. L. Hulsing, 101 Church street, Plymouth. Highlighting the program will be a welcome to new members and an introduction of study group chairmen.

The AAUW accepts as members all women holders of approved degrees from a list of over 300 colleges and universities. Mrs. Clarke explained. To be on this list, a college must have a high academic rating, provide a basic foundation of general or liberal arts education, make adequate provision for women students, give significant recognition to women on its faculty and administration and maintain academic freedom in its administrative and teaching bodies.

Throughout its 72 years as an organization, the AAUW has worked for higher standards in education and particularly for better education for women and greater recognition of women as teachers and administrators. All colleges seeking to be added to the AAUW list of approved institutions must have good housing for women students, treat women students on an equal basis with men, have on its faculty a reasonable number of well trained women and accord them the same salary and promotion arrangements as are granted to men and give some recognition to women in the administrative organization, Mrs. Clarke said.

Eleven colleges in Michigan are approved by the AAUW. They are Albion college, Central Michigan, Hope, Kalamazoo, Marygrove, Michigan State university, Eastern Michigan, Northern Michigan, University of Michigan, Wayne university and Western Michigan college.

Information concerning other colleges on the approved list may be secured by calling the membership chairman.

Shirley Snow Marries

At a double ring ceremony in St. Paul's Presbyterian church in Livonia, Shirley J. Snow of Novi and Benjamin C. Foor of Livonia were married by the Reverend John G. Davies August 24.

White gladioli placed in twin vases decorated the altar.

Miss Marjorie McIntyre played the wedding march and recessional on the organ and Mrs. Henry Laughlin, Jr. sang "The Lord's Prayer" and "Because".

The bride's wedding gown was fashioned of white lace and tulle. The bodice was of lace with a Peter Pan collar with the sleeves long and pointed to cover the backs of her hands.

The full tulle, over satin, skirt was waltz length and had lace panels in front and back. The head dress was of white lace and tulle decorated with seed pearls. A lace, handmade French veil that is a family heirloom was fastened to the headpiece.

A corsage of white stephanotis and streamers centered on a white bible, a gift from the bridegroom, was carried by the bride.

The bride's mother, Mrs. Royal Snow of Novi road, wore an aqua lace princess style dress with white accessories and white stephanotis corsage. Mrs. Clair Foor, the groom's mother, wore a pale green chiffon net dress with white accessories and pink stephanotis.

The maid of honor, Miss Nancy Bowen, wore a blue chiffon net dress and carried yellow roses. Miss Priscilla Blackburn, wearing a coral chiffon net dress with a coral rose bouquet, was the bridesmaid.

Best man was William Schmidt. Ushers were Henry Laughlin, Jr., Dennis Snow and John Syler.

A reception was held at the Parish Hall, Punch, cake and coffee were served by Novi Rebekah lodge.

The new Mrs. Foor is a graduate of Northville high school. The groom, a 1955 graduate of Bentley high school, Livonia, is employed by Holcomb Industries.

The newlyweds are making their home at 129 N. Wing street, Northville.

WILLING TO BE DIFFERENT

A person who would be a Christian must be willing to be different! That is not easy in a world where men and women go any length to be "one of the crowd". When a sinner genuinely repents and puts his faith in Jesus Christ that very moment God gives that person a new spiritual life and also sends the Holy Spirit to dwell within him to motivate and to control him. If he is truly born again he cannot help but be different.

This difference is evident in many different ways —

A Different Way of Believing

Take the first brothers, Cain and Abel. The acceptable offering before God was a blood offering. Cain, the type of the modern thinker, found a "bloodless sacrifice". Abel's simple faith was obedient to the revelation of God. Cain would worship in his own way. Just so today, those who are the real children of God believe the teachings of the Scripture about the blood atonement, while others reject this way and pursue a way of their own making.

A Different Way of Living

Enoch dared to be different than the people of his day. Enoch walked with God. He, too, lived in a time when sin abounded on every hand. It wasn't popular in his day to be godly. There were but few who followed the Lord. But Enoch lived close to God. The Christian draws close to God in the secret chamber. He loves

the preaching of the Word of God.

The Christian hates sin and refuses to be dragged down by it. Since this is true, how can he help but be different than the godless of this world?

A Difference In His Choices

Moses chose "rather to suffer affliction with the people of God than to enjoy the pleasures of sin for a season." Such a choice is indeed difficult in this pleasure-mad generation. As one has said, "We are so concerned about earning more for doing less and making sure that we get all the honor due us that there is no time or desire left for sacrifice." The Christian who sets his affection upon the things above and looks at the things which are eternal, is bound to make different choices than those of the world. A pastor of my acquaintance accepted a call to a mission field in Alaska. An unsaved friend of mine said to me, "I just cannot understand why he would leave a growing church here to go away off there!" The difference in choices is hard for the world to understand.

Different As To His Body

The Christian looks upon his body as the instrument in God's hand to use as God sees fit. He is taught in scripture that the body becomes the temple (dwelling place) of the Holy Spirit. For this reason he ought to keep this body clean. Young Daniel proposed in his heart that he would not defile himself with the fare of the king. The Apostle Paul, said, "I keep my body under" — that is, in control! Drinking and smoking and other abuses of the body is out for the Christian.

Different Because They

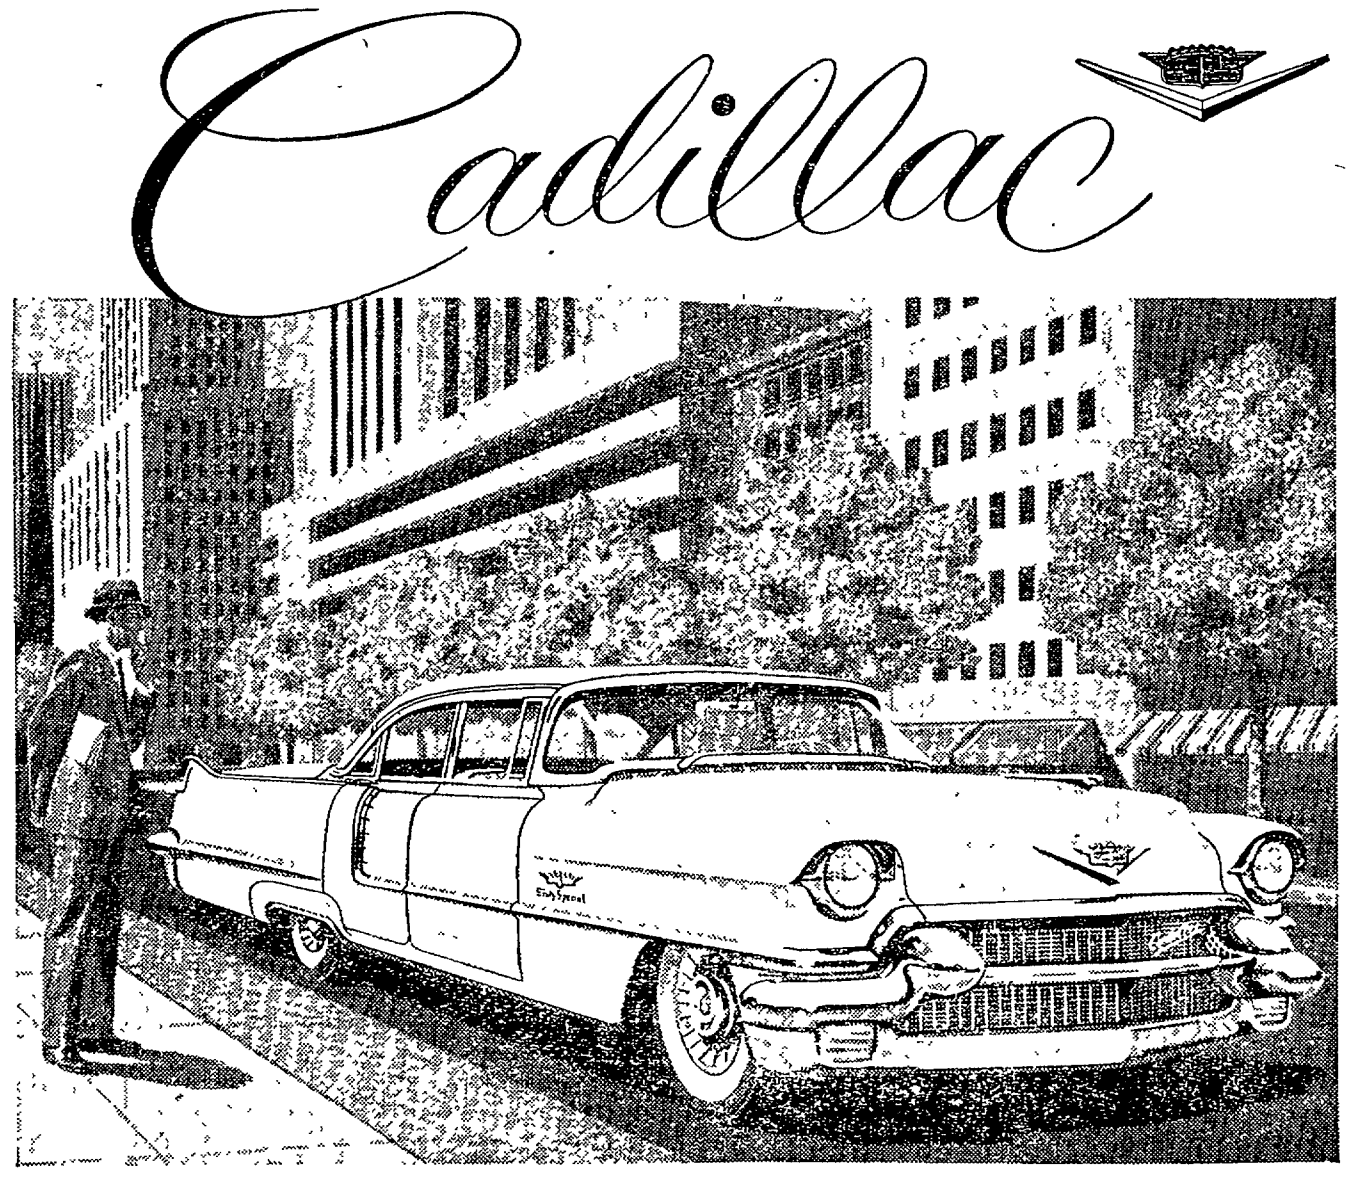

Are Willing To Stand Alone

Sometimes some people get the idea that Christians are "sissies". That Christianity is for the weak and ailing. But tell me, how many men of the world would stand up to the abuse that Christians have taken. How many would patiently accept the ridicule? How many would dare to stand alone for what they believe as many Christians have? As some have said, "Any old dead fish can float downstream with the current, it takes a live one to swim-upstream against the current." Our histories are full of examples of Christians who dared to buck the current of ungodliness of their day.

For This Reason —

Unless you are willing to be different, there is little hope of becoming a Christian. And even if this difference were waived, and they died and went to heaven, they would not be happy there. You see, this difference on earth is but a taste of the great difference that there will be over there. As God's chosen people, He makes them to be different.

To the Man Who is Hesitating...

There are many motorists here in this community who have given serious consideration to the purchase of a new Cadillac car this year—and yet, for one reason or another, have not made the move.

If you are among them, we hope that you will pause to read the little message that follows. For we are sure you will find it interesting.

* * *

Ordinarily, when a man hesitates to make the move to Cadillac, it is because he is not familiar with the practical aspects of Cadillac ownership.

Insofar as original cost is concerned, a Cadillac is eminently practical. Several models, in fact, are actually priced competitively with the so-called "medium-priced" makes.

Operating and maintenance costs are also remarkably low. We have heard it said by new

owners that Cadillac is the most economical automobile they have ever owned.

And as for resale value—well, Cadillac traditionally retains a greater share of its worth through the years than any other motor car in the land.

In short, the great Cadillac car represents one of the wisest and soundest automotive investments on the highway today.

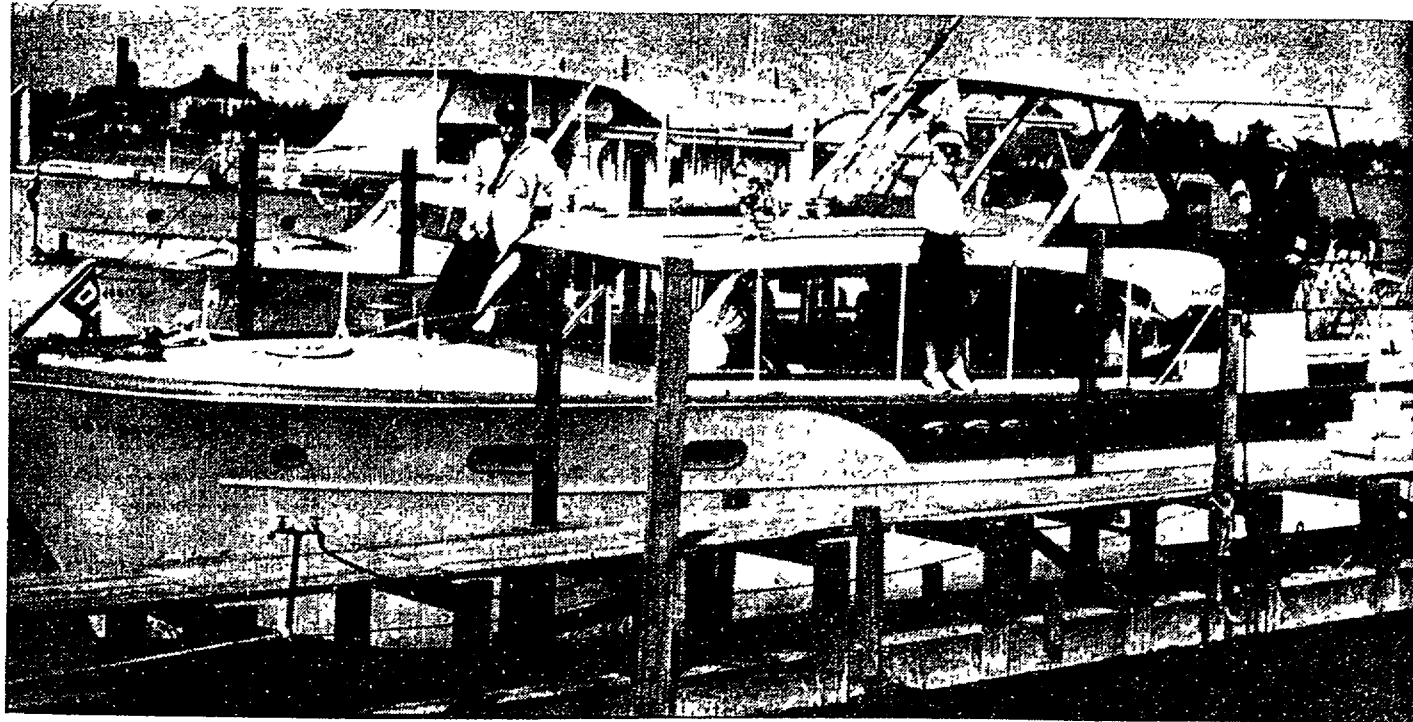

* * *

The moral of our message is this: It is still not too late to set things right in a 1956 Cadillac of your own!

We have a selection of new Cadillacs on hand—and we can promise you both prompt delivery and a generous trade-in allowance.

Why not come in today?

MIXING BUSINESS and pleasure is a neat trick, but that's exactly what Northville Laboratories President C. E. Langfield did recently when he called on customers in Chicago and Milwaukee. Mr. and Mrs. Langfield, shown above with Captain George Airey, journeyed to Chicago aboard their 42-foot Constellation yacht via the Straits of Mackinac. They made stops at Ludington and Sheboygan, Wisconsin and returned up the west coast of Michigan. The Langfields enjoyed fishing along the way and returned to Northville last week after the month-long trip.

Miss Judith Tetzlaff, originally from Germany, made her home with the Rev. and Mrs. Harold Fredsell, former pastor of the Northville church, and his wife.

She is now in the surgical department of Deaconess hospital. All three girls have been associated with various community organizations and have spoken on a number of occasions in Northville high school.

Also announced is the appointment of Richard E. King as manager of the store in Ypsilanti. Mr. King has been with the Ypsilanti store for the past five years as a salesman, although he is probably best known in this area for his various appearances as an organist.

King's background includes bachelor's and master's of music degrees from the University of Michigan.

Qualifying Starts Saturday In City Golf Tournament

Forty-eight contestants from Northville and Plymouth will tour Brae-Burn golf club Saturday in the 18-hole qualifying round of the two-city golf tournament.

Possibilities of a larger field arose as tourney-manager Jerry Walsh stated that post entries would be accepted.

Players will vie for more than \$600 in prizes and possession of the championship trophy currently held by Jim McAllister of Plymouth.

The tournament, sponsored by merchants of both cities, promises to offer keen competition between an array of at least a dozen players, all capable of carrying away top honors. McAllister is expected to experience most trouble from former champions, Ralph Lorenz and Tom Lock, as well as Elton McAllister, Bill Benjamin, Ray Hartner, Ty Caplin, Tom Carmichael and Jerry Walsh. After Saturday's qualifying round, the players will be divided into flights for two 18-hole rounds scheduled for Sunday, September 16 and 23.

An added highlight to the tourney this Sunday will be the appearance of Meadowbrook's Chick Harbert, former PGA champion and long one of the top flight golf professionals in the country. Walsh stated that there is a possibility Harbert will join one of the threesomes for an exhibition round.

In addition to the Northville Record-Plymouth Mail trophies, players will compete for the following prizes: Championship flight—winner, set of eight irons; runner-up, golf shoes; First flight—winner, set of eight irons; runner-up, set of three woods; Second flight—winner, set of four woods; runner-up, golf bag; Third flight—winner, caddy cart; runner-up, golf bag; Fourth flight—winner, caddy cart; runner-up, golf bag. The player turning in the lowest qualifying round Saturday will receive an electric clock, while second and third qualifiers will win one-dozen and one-half dozen golf balls, respectively.

Another feature of the tournament will be a hole-in-one competition sponsored by the Junior Chamber of Commerce of Plymouth.

A golf bag, putter and golf balls will be given the three contestants coming closest to scoring an ace. A special hole will be designated for the contest.

Walsh stated that open times from 7:30 a.m. to 8:00 a.m. and from 8:30 a.m. until 9:00 a.m. are available for players wishing to make late entries. Afternoon times are also open.

CO-CO-CO-CO-CAPTAINS of the Northville Mustangs this year are, left to right, fullback Gary Holman, tackle Jim Burrell, quarterback Bud Bell and center Bob Wagenschutz. The unusual situation resulted from a tie vote when the Mustangs balloted Tuesday evening. Coach on Schipper says the captain's chores will be rotated while the team is on the field.

PROBABLE DEFENSIVE STARTERS — Those named to start as defenders against Plymouth are (lineman, left to right), RE Nelson Schrader; RT, John Hoose; G, Bob Wagenschutz; LT, Jim Burrell; LE, Jeff Goodrich; (backfield, left to right), HB, Bud Bell; safety, Cap Pethers; linebacker, Jim Hammond; linebacker, Dick Buckley; safety, Dick Biery; HB, Bill Yahne.

Schipper Scoffs as Papers Choose Mustangs for Title

Predictions that the Northville Mustangs would win the Wayne-Oakland League championship and draw a ninth place rating in the state brought pessimistic comment from Coach Ron Schipper this week.

Over the week end, two Detroit newspapers named the Mustangs as the team to beat in the league, while a third named Northville and Holly as co-champions.

One paper event named Northville as the state's ninth-ranked Class B team.

"That's just short of nonsense," Schipper said.

The Mustang coach said he had not been contacted by the papers, but assumed the articles were based on opinions of coaches at rival schools.

"I don't want to sell our team short," Schipper said, "but on the other hand, I don't want people to think we're better than we are."

Main cause for his "pessimism," he said, was a severe lack of depth.

Pointing at his charges limbering up, Schipper said:

Look — there of 25 of them out there. How can you say that a team with only that many players will win a championship and rank ninth in the state?"

Schipper was not all pessimism, however.

Cautiously, he said Northville could very well be rough this year — even rougher than he hopes — if injuries do not sap the Mustangs' strength.

No matter what other effects school may have on youngsters, this much is certain: appetites of budding scholars burst into full bloom in September.

That's why A&P has gone "all out" to obtain bountiful supplies of scholar-favored, dollar-stretching foods for hearty meals and nourishing snacks. And we did it with the idea of helping mothers who want to do the same right about now.

If your youngster, like so many others, tends to associate the school bell with the dinner bell—come see, you'll save at A&P!

Card of Thanks

To my friends: During the many weeks I have been con-
valescing from my accident, I
have had such comfort reading
the lovely cards and letters re-
ceived as well as flowers and
gifts to pass away the hours ly-
ing in bed. All these kind
thoughts helped my rapid pro-
gress in recovering and to make
me realize what it means to have
so many friends wishing me a
speedy recovery. The promptness
of the Northville police, and am-
bulance service rendered by Mr.
Bammiller, is to be highly com-
mended.

The care I received at Sessions
hospital was beyond expectations
and I feel I owe a great deal to
my recovery to the hospital staff
and Drs. Snow and Holcomb for
their faithfulness in watching
over me during the critical hours.
All these things together with
the competent help I have in my
business have kept my faith and
courage to get well.

To say "thank you" is a very
small way to express my appre-
ciation to everyone.

Nellie Barry

Americans Prefer Homes With Beauty For Beauty's Sake

Americans want more beauty in their homes and are yearning for a way of life that is not necessarily connected with automatic dishwashers, disposals or new electric gadgets, says Mrs. Elsie Doty Sopp, A.I.D., prominent western decorating authority.

"I do not mean to infer that the average housewife doesn't have all the latest gadgets and time-saving conveniences scheduled for her new home, or in mind for her older home," the decorator remarked.

"Uppermost in the minds of most women who come to me for advice," she says, "is the thought of creating a thing of beauty from their home."

The elegance of wood paneled walls and natural finished wood-bookcases, storage walls and woodwork has an almost universal appeal, Mrs. Sopp points out. More women want wood in their home because it has warmth, informality and individuality.

"Many times my job is to develop a decorative plan that will conform to walls of Douglas fir or west coast hemlock," says this decorating expert. "The housewife may want some stain in her wood, an antique finish, or just lovely natural wood. But whatever her mood, these walls of incomparable beauty make a perfect backdrop for any decorative scheme."

Mrs. Sopp finds that the soft neutral tones of most of these western softwoods work well with almost any color combination in the development of a room or an entire home with exquisite charm and beauty.

HERE'S HOW... MAKE AN EXPANDABLE PLAYPEN

A safe place to play is provided by an outdoor playpen. It can be expanded as the child grows. The sections can be used later for a garden trellis or fence.

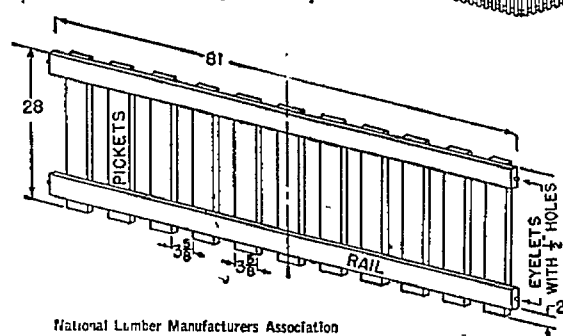

The rails and pickets are of 1 by 4-inch lumber cut to the dimensions shown. Use a miter box to make the ends square. Two eyelets are needed in each rail. Center the eyelets by drawing diagonal lines from the corners on the ends of the rails and drilling pilot holes at the intersections. Screw the eyelets in place.

Assemble each section by first finding the mid-point on

the rails. Place the middle picket on the rails at the mid-point. Space the other pickets equally along each rail. Fasten with waterproof glue and 8-penny rustproof nails.

Connect each section with a 1/2 by 3/8-inch rod. Drive the rod 10 inches into the ground to anchor the playpen. Bend the top of the rod to form a small eye.

Sand smooth and round all exposed edges. Finish with a non-toxic paint, or varnish.

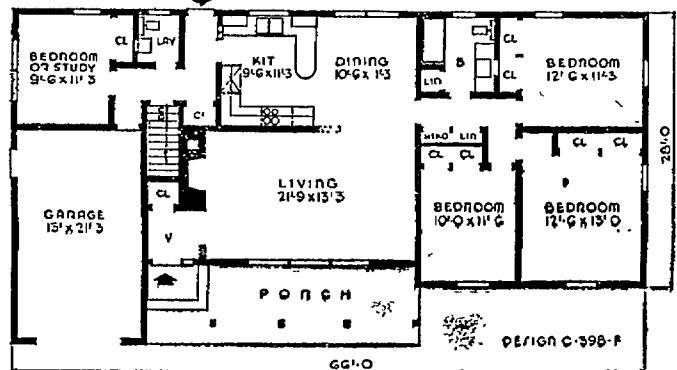

National Lumber Manufacturers Association

Even Tool Sheds Can Be Beautiful

Sheds for garden tools and outdoor equipment can be beautiful. That's what home owners are discovering. They can be simple structures framed with fir 2x4s, covered with wood siding to match fences or siding of the home. Western red cedar or Douglas fir siding can be allowed to weather to a lovely gray, or can be stained to retain grain and texture. Husband, wife or handyman can build these sheds against the home, or opt of the way back in one corner.

A SMALL HOUSE PLANNING BUREAU DESIGN NO. C-398-F

DESIGN C-398-F. The exterior of this ranch type house is finished with wood shingle siding and asphalt shingle roof. Design also calls for picture windows, front and rear, covered terrace in front, broken roof line and shutters.

Floor plan shows through living-dining room combination with folding doors, four bedrooms, bath, lavatory, lavatory, plenty of closet space and attached garage. There is a full basement.

Kitchen cabinets occupy three walls of the kitchen with a snack bar between dining room and kitchen.

Floor area on the ground is 1582 sq. ft. with cubage of 30,058 cu. ft., not including garage or terrace.

Neutral Tone Wood Complements Color In Modern Homes

Popularity of wood paneled walls in contemporary residence design is justified, says Keith Woolen, western architect, whose home designs are widely admired.

"The subdued pattern of wood such as west coast hemlock," Woolen said, "when used for paneling or interior trim is always interesting and never monotonous. You don't have a wall that is so noisy you soon get tired of it."

The warm, neutral colors of hemlock will not clash with any color, Woolen pointed out. You can use any shade or tone in drapes, wall coverings, floor coverings and furniture, and never worry about conflict with the friendly neutral tones of your wood paneling.

"You can stain hemlock," Woolen observed, "to bring out in stronger relief the soft and interesting patterns of the grain and texture. The great beauty of wood is in its never-duplicated variety of naturally grown tracings of the rings."

"There is an elegance about wood paneling in the home," Woolen said, "that has no relation to price. Even the most modest home can be made to look lovely and not out of character with a judicious use of exposed wood."

Finishing Paneling

When it comes to finishing wood paneling, the home owner has many choices. He can paint the paneling to blend or contrast with other room decorations. He can use a clear finish—varnish, or shellac—to retain all the natural markings and coloring of the wood. Or he can use one of the many different stains now being sold, to give the wood more color and highlight its built-in warmth and beauty.

DEATH CAR — Robert C. Evans, 31, of Ferndale, was killed Friday when his car went out of control on Northville road and smashed into a car driven by Clarence Stratton, Northville. Witnesses said Evans was traveling about 70 mph when the accident occurred.

1 Killed on Northville Rd.

A two-car collision last Friday on Northville road south of Seven Mile took the life of a Ferndale man and injured a Northville resident.

Dead was Robert C. Evans, 31, of Ferndale. He was pronounced dead on arrival at Wayne County General hospital.

The injured man was Clarence Stratton, 43, 19455 Gerald, Northville. Stratton was released from Wayne county General hospital the next day after treatment.

According to police, Evans lost

control of his 1955 convertible as he rounded a sharp curve and skidded sideways into Stratton's path. Evans' car was a total wreck.

Evans was "going over 70," ac-

cording to Bernice Long, an eye witness. She said Evans lost control, skidded along the pavement and finally slammed into Stratton's car in front of her fruit and vegetable stand at 18405 Northville road.

New Tenting Sites

To meet the ever-growing demands for more camping facilities at Council camps, additional tent sites are being provided at both the D-Bar-A Scout Ranch and the Charles Howell Scout Reservation.

At the Ranch, a 1,500 acre camp near Metamora, 22 more tents will be established; 7 near the new skill center and 15 near the cow camp.

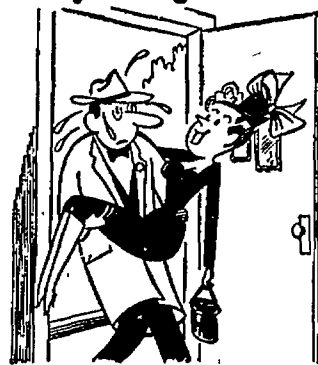

The 700-acre reservation, surrounding a large portion of Brighton lake, will be increased by six tents at the Davey Crockett site and 15 tents at the Chief Okemos site.

These sites will have cooking and dining tent flies for protection against normally inclement weather; also tables and benches. Cooking will be done with wood or charcoal briquettes supplied by the camping unit. Approved latrine facilities and state tested water are convenient to each site.

A minimum of 10 campers is required to reserve one of these new sites, which are practical for all fall, early winter, early spring and all summer.

Week end camping at both camps, especially during the fall, has increased to where all previously available facilities are in full use. The Council Camping committee is attempting to keep pace with Scouting's rapidly growing membership. The 1956 summer season just ended recorded the highest number of campers in the council's history.

OHIO FINALLY
ADMITTED

Many of us were unaware that the state of Ohio actually had never been admitted to the Union. For 150 years this state has been acting as a state in the United States without ever having really belonged.

It was not until President Eisenhower signed a recent bill that Ohio officially became one of the states. As I thought about this, I thought about the many people who have been acting like Christians for so long without ever having belonged to the family of God or the Universal Church of Jesus Christ. They have acted like Christians. They have become members of the churches in their community but never have been born into God's family by personal faith in Jesus Christ. The reason for this failure is that they have missed the way so plainly outlined for us by Christ and those who taught the gospel after him. That way is described in Acts 20:21. "Repentance toward God and faith toward our Lord Jesus Christ." This is the only way anyone is accepted! I realize such limitations are not at all according to the popular trend of religious thinking; nevertheless, it is according to the unchangeable Word of God. Do you belong to God's family according to the scriptural way?
