

Plan New Mental Hospital South of Northville

SEVENTEENTH DISTRICT Congresswoman Martha Griffiths visited Northville Tuesday as guest of the Rotary club. She is shown above with Program Chairman Nelson Schrader (left) and Rotary President Leland Smith. Mrs. Griffiths' Republican opponent is George E. Smith.

Martha Shuns Politics In Rotary Address Here

Congresswoman Martha Griffiths took her turn at visiting Northville Tuesday noon as guest speaker of the Rotary club. Those who may have expected a slam-bang type of political address from the trim, deliberate-speaking Democratic congresswoman were disappointed.

Failing once to mention her Republican opponent for the 17th district office, Mrs. Griffiths preferred to stand on her record and point to the duties of her office. She was pleased at the introduction accorded her by Nelson Schrader, who pointed out that Redbook magazine had named her one of the 10 outstanding congressmen from the House and Senate.

Mrs. Griffiths, first Democrat to be sent to congress from the 17th district, told Rotarians what she, as congresswoman, could do to expedite their executive business. She pointed to short cuts that can be taken through her office, adding that sometimes requests become a little strange. She cited the example of a young constituent studying in Spain who asked Mrs. Griffiths to send flowers to his fiancée in Washington. "He thanked us and said that this was really bringing government close to home," she remarked.

Deep concern for the nation's water problem was shown by Mrs. Griffiths who termed it as "most critical." She also called for more funds and manpower for civil defense. "We spend more money on the zoo in Washington, D.C. than we do on the defense of the city," she exclaimed.

In answer to questions from the floor, Mrs. Griffiths seemed

to agree with the current Democratic thinking that hydrogen bomb experiments should cease, but expressed concern that all countries should discontinue experiments. "Radio-active fall-outs, dropping disease and death from the clouds can remain for 10 to 20 years," she concluded.

Calendar

October 18—Camera Club, 8 p.m., library.
October 18—Coordinating Council.
October 18—AAUW meeting, at home of Mrs. C. C. Gracey, 16200 Homer, 8 p.m.

Baseball Scout Knows Football, Too; Tops Huge Entry with Single Miss

Competition in the weekly football contest is becoming stiffer! A deluge of entries swamped Ye Olde Contest Editor, but there was no doubt in his mind about

the winner. Joe Kritch, Sr., sports fan, Yankee baseball scout, and father of Northville's JV star quarterback was "cooled by only one of

JOE KRITCH, Sr. and Jr., study over their football entries as Dad tells Son where he slipped up. Joe, Sr. won first prize money of \$10 as he missed only one selection. Bob Galli, seventh grader of 19851 Maxwell road, won \$5 for his second place entry.

the games. Joe was not alone here. Not one of the hundreds of entries picked Purdue to trip Notre Dame. But Joe was right on all his other selections and therefore edged Bob Galli of 19851 Maxwell road. Bob is a seventh grader. He missed the Notre Dame upset and the Tulane win over Navy. Eight contestants tied with Bob for second place, but his prediction of the Detroit Lions-Los Angeles score was closest to the 24 to 21 outcome.

Aside from the Notre Dame game, the Navy-Tulane and Princeton - Pennsylvania games were the most often missed.

Winner Kritch, a devoted sports fan, says he plans to enter every week and hopes he can win again. His son was one of the eight contestants to tie for second. He could have tied his father for first place if he hadn't decided that Thurston would romp over Northville.

Ye Olde Contest Editor was quite upset by the fact that no contestant followed his advice about the Notre Dame game. "At least I called it a tie," he boasted last week. When reminded that he also predicted Illinois would down Ohio State, he ignored words and blurted out these "inside tips" for next week.

Miami to trip Georgia, Illinois to surprise Minnesota and Notre Dame...to lose number 3 to Michigan State!

SWEETEST DAY won't roll around until Saturday, but Marilyn Logeman and Mike Willis decided a celebration couldn't wait. Both are juniors at Northville high school and Marilyn will be Mike's belle of the evening when their J-Hop comes along next month.

'Murder' Comes to Town

Someone will go on trial for murder in Northville next Wednesday.

He will face stiff prosecution, have a strong counsel for the defense and eventually put himself at the mercy of a group of Northville residents sitting on the jury.

But when it's all over, the defendant — guilty or not — will join Northville Optimists for refreshments and a post-trial discussion about the affair.

The "trial" will be a mock — though accurate — reproduction of an actual murder case and will be presented by Northville Optimists after their regular meeting next Wednesday.

The public is invited to attend the procedure at the Lutheran church house.

A cast of notables will conduct

the trial. Wayne county circuit Judge Victor Targonski will sit as trial judge. Prosecutor will be

Committee Studies Curriculum Needs For High School

A comprehensive citizens report on Northville's school needs — based on many months of study — soon will be submitted to the board of education.

The report will be made known by Northville's "curriculum study committee"—a little-known group composed primarily of lay citizens and charged with evaluating future curriculum needs in the city's public schools.

Composed of some 40 members, the committee includes five teachers and four students as well as a cross-section of Northville's population according to geographical, economic, educational and vocational standards.

The committee has been working since last spring under chairman James Schiefer and has divided itself into three subcommittees to study different phases of Northville school affairs:

—an educational needs subcommittee has considered content of courses now taught and those proposed;

—a fact-finding subcommittee has gathered information based on questionnaires sent to high school graduates and students who dropped out before completing school;

—a teaching staff coordinating subcommittee has conducted a self-evaluation of the present curriculum.

Weekly meetings of these subcommittees soon will bear fruit when their reports are coordinated into a single comprehensive report and submitted to the board of education for use in planning the proposed new high school.

The report, expected to be ready by December 1, will be used in initial plans for the high school. The committee will then prepare a more detailed report to be ready in time for actual assignment of curriculum facilities at the school.

The committee will meet tonight (Thursday) at 8 p.m. in the Northville Community building to discuss with Dearborn school officials various problems the two areas have in common. The public is invited.

Attorney Joseph Rashid, prominent trial lawyer for the prosecutor's office for 10 years.

The jury will be chosen from members of the audience. Defense lawyers will be assigned by the court.

Detroit and Northville police will offer testimony, and medical evidence will be submitted by the Wayne County Medical Examiner.

A clerk, officers-in-attendance, stenographer and other court members, will be present from Wayne county circuit court.

The entire case will be taken from facts in the files of the county prosecutor's office and will be based on a similar case conducted in Detroit within the past two years.

Ralph W. Garber, chief assistant prosecutor, will explain different phases of the prosecution and defense to observers.

\$5,000,000 First Unit May be Started in Spring

State officials this week announced tentative plans for a 2,500-bed hospital for mentally-deficient children to be built south of Northville during the next few years.

It was hoped that construction of a \$5,000,000 first unit could be started in the spring.

The hospital, to be known as the "Plymouth State Home and Training School," will be constructed on Phoenix road, extending west from Hines drive and straddling Sheldon road.

Firecracker Puts Damper On Grid Joy

Horseplay that caused a serious accident marred the gaily of the Northville-Thurston homecoming football game last Friday evening.

Patricia Russell, 16 year old cheerleader from Thurston high school, suffered burns from a firecracker thrown from the stands by a Detroit youth.

The firecracker landed on her skirt as she was kneeling, police said, and exploded when she stood, burning her severely behind the knees. She was taken to Aitchison Memorial hospital, where she received tetanus shots and gas antitoxin to prevent lockjaw. Five stitches were required for the wounds, they said.

The youth who threw the firecracker was not a student at Thurston high school. He told police that he threw it because another boy, who is a student at Thurston, "gave it to me and told me to toss it."

Police are now trying to discover where the fireworks were obtained.

Miss Russell, of 11402 Rockland, Detroit, is now in satisfactory condition, police said.

Open New Laundry In Northville, Novi

A new laundry and dry cleaning service was opened last week in Northville by the owners of Perfection Laundry and Dry Cleaning company of Plymouth.

Mr. and Mrs. John (Packy) McAllister initiated the drive-in service at Main and Wing streets last Thursday in the showroom formerly occupied by Aitchison Motor Sales. Perfection specializes in dry cleaning and complete laundry service. Mr. and Mrs. McAllister also announced this week that another office will be opened next week in Novi on Grand River near Novi road.

The site will cover 250 acres of Wayne County Training School property which would be turned over to the state for a token price.

A. N. Langius, state director of buildings and construction, said the legislature will be asked in January to approve \$5,000,000 for construction of the hospital's first unit. It would include a 550-bed custodial unit, service utilities, power plant and administration building.

If approved, Langius said, construction could be started in March and probably finished in early 1959.

Long-range plans call for the Wayne County Training School to be transferred to the state and merged with the new hospital. The proposed 2,500-person capacity includes 800 from the training school and 1,700 mental-deficient children.

Dr. P. Buoniconto, director of the training school, said the programs would probably be kept separate, however. The training school deals with work and training programs, whereas the hospital itself would deal with custodial mental patients.

Buoniconto indicated that the training school officials prefer that the institutions not be merged unless the programs definitely are kept separate.

Buoniconto said the new hospital will be large but not as large as similar institutions in other states. He noted that two hospitals in Illinois handle upwards of 5,000 patients each.

Charles F. Wagg, state director of mental health, called the timing "excellent."

He said the new hospital should open in time to relieve facilities at the Fort Custer Station hospital in Battle Creek and the Farmington Children's hospital. The former soon will begin caring for 800 patients under a new state lease.

PTA Plans Dance "With a Purpose" For NHS Students

Students at Northville high school have been invited to a "dance with a purpose" this Saturday.

The dance is sponsored by the youth committee of the Parent-Teachers Association and, in the words of one member, is designed to show the students "that we are definitely interested in them."

In return, students have been asked to attend the next PTA meeting on October 25 to join in a panel discussion on "The Northville Teen Ager." The panel will include teenagers, Recreation Director Stan Johnston and Dr. R. R. Yoder as moderator.

Scheduled to begin Saturday at 8 p.m. in the Community Building, the dance is open to high school students and their guests from the classes of '55 and '56.

In addition to music by the high school dance band, it will feature an intermission floor show and square dance lessons by Don and Dorothy Merrick.

Refreshments will be served by the student council.

A nominal admission fee of 85 cents for "stags" and 50 cents for "dragons" will be charged. Proceeds will go to the dance band for new music.

Mrs. Sidney Junod, a member of the youth committee, explained that similar efforts in the past have been only partially successful, "but through this dance," said Mrs. Junod, "we hope to show our children that we are willing to work for and with them, and that our interests and their interests are the same."

CAUGHT IN THE ACT? Nope, this raccoon has nothing to hide. Just passing through town the other day when a photographer happened to come along. Must admit, though—he certainly looks like he might be up to something.

Dolls and Antiques At Rummage Sale

Salt and pepper shakers, antiques and dolls will be among the items on sale at the American Legion auxiliary rummage sale on October 25, 26 and 27 at the Veterans' Memorial Hall.

Co-chairmen for the event are Hazel Severence and Lila Chapman.

The auxiliary would also like to announce, that sales of National Defense Stamps are now taking place in the schools each Thursday morning. Children may bring their money on Wednesday and give it to the teacher or on Thursday.

A piquant sauce for cauliflower is made by heating catsup and a piece of butter together and pouring this over the vegetable at serving time. Brussel sprouts can be dressed up with crumbled, crisp bacon and creamed spinach with onion juice, salt or a dash of nutmeg.

Mrs. Carl Bryan To Address Women's Club

Mrs. Carl Bryan will be the speaker at the next meeting of the Northville Women's club October 19.

Her subject will be "As Seen From A Freighter", bringing recollections of a two month trip she and her husband took to Latin America last winter.

Continuing the south-of-the-border theme, Mrs. George Jerome will sing a group of Latin American folk songs.

Also at the meeting will be representatives from Wolverine Girls' State, who will talk briefly on their experiences in Ann Arbor where they attended Girls' State.

Orient Chapter Meets Friday

The annual meeting of Orient chapter will be held Friday evening at 7:30. Election of officers, annual reports, payment of dues and voting on life memberships will be the order of business.

All members are invited to attend. A social hour with refreshments will follow the meeting.

Swing Your Partner!

The Plymouth recreation department is sponsoring a square dance class for adults who are beginners the first and third Wednesdays of each month.

Meetings will be held in the Plymouth junior high school gym (at the rear of the high school) from 8 to 11 p.m. starting Wednesday, October 24 at which time you may register. A small fee is payable in advance.

For further information phone Plymouth 484-J.

Pottery is a type of ceramics which is of the earthenware variety; that is, it is not translucent. Pottery can be formed in three ways: by hand, on a potter's wheel or by casting or molding.

What Northville Girl Scouts Are Doing

BROWNIE TROOP 3—

Troop 3 met at Mrs. Nelson's farm for a hike and peanut hunt on Thursday, October 11. Twenty two girls and three leaders enjoyed the outing. Linda Nelson was hostess for the day and served the nibble. They closed with the Indian sign version of taps.

BROWNIE TROOP 4—

Troop 4 hiked to the park at their last meeting. They had their treat, played games and walked through the woods. Then they came back to the scout building and went home.

GIRL SCOUT TROOP 6—

Troop six met at the Canterbury home and practiced for their investiture which will be held this week.

GIRL SCOUT TROOP 17—

Girl Scout Troop 17 met at the Presbyterian church on Friday to make plans for attending the Girl Scout camp on October 28 and 29.

GIRL SCOUT TROOP 19—

Troop 19 went on a hike at their last meeting. Patricia Riley's troop laid a trail and other troops followed it. After the nibble they went back to the church and closed with the circle.

BROWNIE TROOP 5—

Brownie Troop 5 met at Lynn Laird's house on Tuesday. After petting Lynn's horse they played games and roasted marshmallows. They want to thank Mrs. Laird for letting them meet there.

Camera Club Meets Tonight

Pictures he took on a recent trip to Washington, D.C. will be shown tonight at the Camera club by Edward Grieger.

Mrs. R. Dearing, president of the club, extends a welcome to guests to bring their own "problem" slides for constructive criticism. The meeting begins at 8 p.m. at the Northville Library on Wing street.

BIRTHS

John William Hackett II was born on October 7 at Harper hospital in Detroit to Mr. and Mrs. Richard Lewis Hackett of Grandview. He weighed seven pounds, 11 ounces.

Mr. and Mrs. Horace Aenbach of Randolph street announce the birth of twins at Garden City Osteopathic hospital on October 14. Patrick Ray weighed four pounds, six ounces, and Patricia Kay weighed three pounds, 12 ounces.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Peggy Hanna, five, is sure to be a good cook if she always watches her mother, Mrs. John Hanna of Willowbrook Village at work in the kitchen. The Hannas have two other children, Martha (Marty), seven, and Jack, nine months.

Mrs. John Hanna of 41151 Mc Mahon Circle, Willowbrook Village, gives us this tangy tomato aspic recipe that will go so perfectly with fall meals.

TOMATO ASPIC WITH CHEESE BALLS

2 cups tomato juice
2 tablespoons vinegar
1/4 teaspoon salt
2 teaspoons sugar
1 package lemon gelatin
1 3 oz. package cream cheese
1 teaspoon grated onion and juice

Heat tomato juice with vinegar, salt and sugar and add lemon gelatin.

Fill salad molds half full and place in refrigerator until firm. Mix cream cheese and onions into balls and place in center of each mold. Fill with remaining mixture.

If plain gelatin is used, add two tablespoons of lemon juice to first mixture. Instead of two full cups of tomato juice, measure out one full cup — but on the second cup put vinegar and lemon juice in first and fill remainder with tomato juice. Put gelatin in two tablespoons of water, mix and add after tomato juice.

Lucky Leaf 4-H Plans Halloween Fun

The Lucky Leaf 4-H club elected officers at their meeting September 22. The new president is Henry Fisher; vice-president, Dick Heslip; secretary, Eugene Clark, and treasurer, Barbara Clark. Recreation leader is Priscilla Clark and the reporter is Marilyn Engel.

At the October 6 meeting a committee was set up to plan a Halloween party. Chairman of the refreshment committee is Marilyn Engel. Other committee members are Linda Bulmon and Arthur Fisher. Chairman of the recreation committee is Priscilla Clark, assisted by Karen Hill.

The next meeting will be held October 20.

Blue Star Mothers' Bazaar Successful

The Novi chapter, Blue Star Mothers wish to report on a very successful luncheon and bazaar last Tuesday. They made a profit of approximately \$300 and

served dinner to 90 persons.

Mrs. James Mair won the Afghan and Mrs. John Klaserer, Jr. won the stole. Duane Bell won the puppy and the door prize was won by Mr. Humble.

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

Joining in while mother plays are Kurt, six, and Mark, four, children of Mr. and Mrs. William C. Wiley, of 41845 West Eight Mile road.

The urge to have a little more "living room" prompted the William Wileys to move from Detroit to Northville where they settled at 41845 West Eight Mile road with their two children, Kurt, six, and Mark, four.

Mrs. Wiley, whose hobby is gardening, was president of a co-operative nursery school group in Detroit last year.

A Yankee fan, Mr. Wiley was—needless to say—pleased with the results of the recent World Series. His more active past-time is photography.

Mr. Wiley is a physicist with the Bendix Aviation Research Corporation. He recently directed a research group which perfected a machine for industrial use called a "mass spectrometer". Although this is not the first mass spectrometer that's been developed, he said, it works much faster than previous types and will be a great aid in certain fields, the chemical industry, for example.

Adult Scouters To Meet Here

Scouting achievements in 1956 and objectives for 1957 are to be reviewed at the annual meeting of adult scouters of the Sunset District Thursday, November 1 at the Northville Community Center. The annual meeting is to be preceded by a buffet dinner for approximately 400 scouters and their ladies.

All institutional representatives of sponsoring organizations, post, troop, or post committee chairmen and all other adult leaders have been invited to attend this important and festive meeting this year.

The Sunset District is the largest district of the Detroit Area Council, the largest Boy Scout Council in the United States. The district gets its name from its location on the western side of Wayne county.

It includes all of Wayne county west of Inkster road with a jog to the east to include all of the Village of Inkster. More than 1000 adults are engaged in scouting activities within the Sunset district.

FOUR GENERATIONS — at Butch Casterline's birthday celebration at Hillside Inn in Plymouth on October 4 are, from left to right: Butch, Ray J. Casterline, Fred A. Casterline and Mrs. Louise Casterline. Mrs. Casterline, 86, is one of Butch's great-grandmothers

who was present, the other being Mrs. Sophie Huegel, 92. Other guests included Mr. and Mrs. Frank Motto of Pasadena, California, Albert Huegel of Plymouth; Mr. and Mrs. Ray Casterline of Plymouth, and Butch's parents, Mr. and Mrs. Fred Casterline.

News Around Northville

Mrs. Recka Sallow of 412 Dunlap street, entered Sessions hospital last Saturday and would enjoy hearing from her friends.

Mr. and Mrs. Otto Wiley and sons, William and Robert, returned Tuesday, October 9 from Camp Lejeune, North Carolina where they visited their son, James, who is stationed there.

An open house was held last Thursday at the E. V. Ellison home to celebrate the first birthday of the Ellison's twin daughters.

Bud Cansfield, son of Mrs. William Cansfield of Dunlap street, is home on a ten day furlough from Fort Gordon, Georgia.

Houseguests last week at the home of Mrs. Harper Britton were Mr. and Mrs. Roswell Martin of Porterville, California. Other guests included Mr. and Mrs. Walter Hoshal and family of Centerville, Michigan and Mr. and Mrs. Edward Wood of Redford.

Mrs. Leslie Mitchell and Mrs. Robert Hunt were in Detroit last week Sunday to see "Oklahoma".

Mr. and Mrs. D. H. Clark were guests of Blanche Parent Wise of the Common Council last Sunday evening for the dedication of the Henry and Edsel Ford auditorium and the telecast of the Ed Sullivan show.

Mr. and Mrs. William Walker, Jr. of Eight Mile road left Sunday for a week's stay in New York. On Wednesday and Thursday, Mrs. Walker will attend the national council meeting of the Woman's National Farm and Garden Association.

Joan Florence Ports of 21120 Halsted, recently pledged Alpha Delta Pi sorority at the University of Michigan.

Carolyn Ann Burkman of Baseline road pledged Phi Mu sorority at the University of Michigan.

Dr. and Mrs. Leonard Howard of Eight Mile road were in Charlevoix, Michigan last Thursday where Dr. Howard spoke at a medical meeting, following which they were the week end guests of Mr. and Mrs. J. E. Littell in Glen Arbor.

Mary Lee Bryan, a freshman at the University of Michigan, has been appointed athletic co-chairman of Angel House, Alice Lloyd Hall.

Mrs. Marion Weiss of Novi is a new member of the Record staff. She will be with us Monday through Wednesday each week.

Mrs. Jennie York, Mrs. W. C. Wendover and Mrs. Mabel Cool-

ey are attending the Michigan State Nurse's Association meeting at Lansing this week.

An invitation is extended to all friends of the James Burr Lyke's to attend an open house from 3-5 on Sunday at their home at 53853 West Eight Mile road in honor of their 40th wedding anniversary.

The Tuesday Book club met at the home of Mrs. Walter Couse. Mrs. C. E. Woodruff reviewed John Kennedy's book, "Profiles In Courage", a collection of biographical sketches of political leaders in our American history.

Mr. and Mrs. Glenn Cummings just returned from a motor trip through New York state.

Mr. and Mrs. Frank Hamill returned last Tuesday morning from a visit in Hollywood, California where they enjoyed good weather after a high of 110 degrees recorded the week before they arrived.

Mr. and Mrs. Conrad Langfield attended the dedication of the Henry and Edsel Ford auditorium in Detroit Sunday evening.

Plymouth Symphony Features Soloist

Featured with the 90-piece Plymouth Symphony orchestra when it opens its 11th season on Sunday, October 21, will be William Doppman, 21-year-old pianist from the University of Michigan.

Mr. Doppman, who appeared with the symphony with great success two years ago, was a child prodigy, appearing with the Cincinnati Symphony at the age of ten. In 1934, he won the coveted Walter W. Naumburg Musical Foundation award and the Michaels Memorial award.

In addition, he won the Town Hall performance award, where critics labeled his performance as "brilliant" and "literally spine-tling". Still a student at the University, he will appear this year with the Cincinnati Symphony, the Battle Creek, Grand Rapids, Muskegon and South Bend symphonies.

In this Sunday's concert, Mr. Doppman will be the soloist in the Rhapsody in Blue by George Gershwin and the Concerto by Mozart.

All concerts by the Plymouth Symphony are at 4 p.m., Sun-

days, in the Plymouth high school auditorium and are open to the public free of charge.

Novi M.Y.F. Plans Bake Sale

The Methodist Youth Fellowship numbering 38, went on a hay-ride last Thursday evening. Mrs. Marvin Guntzville was the driver and the sponsors were Floyd Darling, Mrs. R. H. Kirkwood and Mrs. Gerald Trotter. After the hayride they gathered at the church for cider and donuts.

The young people are planning a bake sale in the near future.

Junior High Dumps Clarenceville, 12-0

Northville junior high gridders ground out their second straight win last Wednesday by dropping Clarenceville 12-0.

The victory gave Coach Jim Madigan's squad a perfect unbeaten, unscored-upon record for the season.

Bob Bryant ran 30 yards for

one Northville score, after David Hay has set the touchdown with a 31-yard dash. Kent Frid scored the second Northville touchdown from six yards out.

Northville met Dearborn Ford last night. The score was not available at press time.

Juniors Earn Funds With Popcorn Sales

Sometimes on late afternoons just before the school bell rings students lift their heads from studying to inhale the taste-tempting cent of fresh-buttered popcorn.

"What," a stranger might ask, "is that frivolous odor doing in the halls of learning?"

A good question. It is merely the advertisement for a money-making project, sponsored by the junior high.

They operate a popcorn machine similar to those seen in theaters. The popcorn is also sold at football games, the average consumption for a Friday night being 348 bags.

"Some people judge every opportunity by asking, 'What's in it for me?' But when we start fulfilling the teaching of the Sermon on the Mount we forget personal benefit and ask instead, 'How much good can I do?'"

—Good Business

The average person eats about 104 pounds of potatoes a year.

Forensic Club Plans To Produce Plays To Help Earn Funds

The Forensic club plans to present a few plays in the future for the double purpose of gaining dramatic experience and earning money.

The play selection committee is already working in cooperation with the sponsors, Miss Florence Panattoni and Alvin Skow, to choose several good plays for this objective.

Club members began their dramatic presentations at their Thursday meeting by putting on two skits, using props, provided by the entertainment committee. The skits were part of a game which consisted of dividing up into two groups, being given a bag full of the props and devising a short story revolving around the props.

The Forensic club was organized with a purpose in mind—that of teaching young people the basic skills of acting and public speaking and to provide recreation for them.

Although the club already has a large membership, more interested teen-agers are always welcome. Sponsors and members feel that anyone who wants to join the club will gain a useful and pleasant experience.

Magazine Profits Go for Senior Trip

Northville high school is bustling with salesmen.

The junior class drive is underway to sell magazines with the profit to go toward their senior trip.

The drive started a week ago Tuesday and will continue until next Monday.

If the set goal is reached two watches will be given to the highest boy and highest girl salesmen.

Board of Commerce Hears Director Of Insurance Group

Member of the Novi board of commerce heard Thomas Paton, a director of the Michigan Medical Service, discuss the Blue Cross and Blue Shield insurance plans at their monthly meeting last Thursday evening.

Paton first pointed out the distinction between the two plans. The Blue Cross, he said, offered hospitalization benefits, while the Blue Shield plan was initiated to provide for doctor fees.

According to Paton, the plans were organized as a non-profit enterprise with the approval and endorsement of hospitals and medical doctors. Answering questions concerning the rates of insurance, Paton pointed to rising service and labor costs as factors in boosting rates. "People want more service now when they are confined to a hospital; competent attendants must also be paid more money," he pointed out.

Board of Commerce President Leo Harrawood introduced the speaker and later called upon Township Supervisor Frazer Staman to address the group. Staman complied with a plea to Commerce members to consider two problems facing the township. "We should begin now to plan for incorporation as a city," he said. This, Staman said, was necessary to prevent further annexation movements. He also called for consideration of a sewage disposal plant.

Superintendent of Schools William Medlyn also reminded members of the school consolidation vote scheduled for October 30. He said an open meeting will be held October 24 in the Novi Community building to answer any questions on the proposed consolidation.

Novi 4-H Club Plans Christmas Festivity

Members of the Ivon Novi 4-H club accepted their last member for this project year at their meeting October 2. The group will now begin work for the achievement day next April.

Definite plans have been made for a Christmas party and exchange December 21 at the home of one of the members.

The recreation committee consists of John Darnell, Tom Lien, Launa Darnell, Shirley Mayner and Katherine Thamm. Serving on the decoration committee are Edith Siminski, Pamela Willis, Pat Prebich, Ann Thamm and Donna Lien.

Goodwill Industries Plan Pickup Monday

Goodwill Industries trucks will visit Northville again next Monday to pick up household discards of clothing, shoes, hats, toys and furniture.

To arrange for a pick-up of discards, call the local Goodwill representative, Miss Edith Sorenson, at Northville 571.

STATE OF MICHIGAN
THE PROBATE COURT FOR
THE COUNTY OF WAYNE
No. 444,117

In the Matter of the Estate of
MAE LANNING, Deceased.
Notice is hereby given that all
creditors of said deceased are requested to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon HELEN M. SWEET, Administratrix of said estate, at 765 Grace Street, Northville, Michigan, on or before the 19th day of December, A.D., 1956, and that such claims will be heard by said court, before Judge James H. Sexton in Court Room No. 1221, City County Building in the City of Detroit, in said County, on the 19th day of December, A.D., 1956 at 2:30 o'clock in the afternoon. Dated October 8, 1956
JAMES H. SEXTON,
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
Dated October 8, 1956

Ordinance No. 135

DUTCH ELM DISEASE CONTROL ORDINANCE

AN ORDINANCE TO PROVIDE FOR THE CONTROL OF THE DUTCH ELM DISEASE, SO-CALLED, TO DECLARE TREES INFECTED THEREWITH A NUISANCE, TO PROVIDE FOR THE REMOVAL AND DESTRUCTION OF ANY DISEASED TREES, TO PROVIDE FOR ASSESSING THE COST OF SUCH REMOVAL AND DESTRUCTION AGAINST PRIVATE PROPERTY WHEREON SITUATED, TO PROVIDE FOR THE INSPECTION OF TREES ON PRIVATE PROPERTY TO DETERMINE THE EXISTENCE OF SAID DISEASE, AND TO PROVIDE FOR PENALTIES FOR VIOLATIONS HEREOF.

THE CITY OF NORTHVILLE ORDAINS:

Section 1. Trees of all species and varieties of elm, zelkova and planera affected with the fungus Ceratostomella ulmi, as determined by laboratory analysis, are hereby declared to be a public nuisance, and shall be removed and burned within ten days following notification of the discovery of such infection. It shall be unlawful for any person, firm or corporation, being the owner of property whereon such a tree is situated, to possess or keep such a tree after the expiration of ten (10) days following notification of the discovery of said infection.

Section 2. Trees or parts thereof of elm, zelkova, or planera in a dead or dying condition that may serve as breeding places for the European Elm Bark Beetle, Scolytus Multistriatus, are hereby declared to be public nuisances, and it shall be unlawful for the person, firm, or corporation, owning property whereon the same is situated to possess or keep the same.

Section 3. The City Manager is charged with enforcement of this ordinance, and to that end he or those working under his direction may enter upon private property at all reasonable hours for purposes of inspecting trees thereon, and may remove such specimens as are required for purposes of analysis to determine whether or not the same are infected. It shall be unlawful for any person, firm or corporation to prevent the City Manager or those working under his direction from entering on private property for purposes of carrying out his duties hereunder or to interfere with them in the lawful performance of their duties under the provisions of this ordinance.

Section 4. If trees on private property are found to be infected, the City Manager shall give to the owner of the premises where such tree or trees are situated written notice of the existence of such disease, and requiring the removal and burning of such tree within a period of ten days following such notice, such removal and burning to be under the direction and supervision of the City Manager. Such notice shall also notify the owner of said premises that unless such tree is removed and burned in compliance with the terms thereof within such ten day period, the City will proceed with the removal and burning of such tree, and assess the cost thereof against the property in accordance with the provisions of Chapter 11 of the Charter of the City of Northville.

Section 5. Service of such notice shall be by personal service where the owner of said premises is a resident of the City of Northville; where the owner is a non-resident of the City of Northville, said notice shall be served by registered mail, addressed to said owner at his last known address as shown on the records in the office of the City Assessor of the City of Northville, and by publication at least one time in a newspaper of general circulation in the City of Northville.

Section 6. It shall thereupon become the duty of the owner of said premises to cause such tree to be removed and burned, under the direction and supervision of the City Manager, or his authorized deputy or employee. In lieu thereof, the person charged with such removal and burning may request that the same be done by the City Manager. If the City shall remove and burn any tree, all expenses incurred in connection therewith shall be reported to the City Commission, for assessment against the lands whereon said tree was situated, in accordance with the provisions of Chapter 11 of the Charter of the City of Northville.

Section 7. Trees on public lands within the City of Northville shall be removed in accordance with the provisions of Ordinance No. 135 of the City of Northville.

Section 8. Any persons who shall violate any provision of this ordinance or any lawful order issued in pursuance of the provisions hereof shall be guilty of a misdemeanor, and upon conviction thereof before a court of competent jurisdiction shall be punished by a fine of not to exceed \$100.00 or by imprisonment in the City or County jail for not to exceed ninety (90) days, or by both such fine and jail sentence in the discretion of the court. Imposition of any penalty for a violation of this ordinance shall not be construed as a waiver of the right of the City to collect the costs of removal of such tree in accordance with the provisions of this ordinance and the provisions of the Charter in such case made and provided, where it is necessary for the City to remove such tree in accordance with provisions of this ordinance.

Section 9. Provisions of this ordinance are hereby declared to be severable, and the holding as unconstitutional of any section or provision hereof shall not thereby impair the remaining sections of this ordinance.

This ordinance shall be effective ten (10) days after passage and following publication thereof.

Made and passed by the City Commission of the City of Northville, Michigan, this 15th day of October, A.D., 1956.

Board to Purchase Police Car, Awning

Novi township board members voted Monday night to buy a new police car and to purchase new awnings for the township hall.

The police car will cost \$1,010 plus trade-in of a 1956 car. It was the lowest bid received.

The awnings and installation will cost \$1,290 and will be fitted to all windows at the township hall. A second bid for \$1,575 was received.

NEW ARRIVAL

A son was born to Mr. and Mrs. Fred Adickes at Sinai hospital on September 15. The new arrival weighed seven pounds, 11 ounces at birth and was named Joseph Fredrick. He will be baptized at the First Methodist church, Farmington.

SIX PROUD SCOUTS of Northville Troop N-5 received their Tenderfoot badges Tuesday, October 9. Presenting the badges is Scoutmaster Earl Collins, while Frank Bozak, assistant scoutmaster, looks on. Those receiving them are (left to right) Johnny Waters, Walter White, Bobby Budd, Earl Collins, Jr., Joe Hay and Bobby Krauter.

Obituaries

CHARLES WILCOX

Charles Wilcox of 129 West Cady street, died October 11 after an illness of a few months. He was born in Northville January 20, 1900, the son of Fred P. and Mary A. Wilcox. He was 56 years old. Surviving is his wife, Rhea Lyon Wilcox, whom he married June 26, 1955. Also surviving is his sister, Mrs. Forrest Hubert, of Birmingham; and brothers, O. Lewis Wilcox, of Cape Girardeau, Missouri; George of Arlington, Virginia; and Kenneth of Dearborn. Mr. Wilcox was a member of Our Lady of Victory church. He graduated from Northville high school and the University of Michigan. He was a retired office manager of the Pratt Whitney Tool corporation. Rosary was held October 12 at the Casterline Funeral Home. Funeral services were October 13 at Our Lady of Victory church with the Father John Wittstock officiating. Interment was in Rural Hill cemetery.

RAY D. BELL

Ray D. Bell of 29100 Wixom road, Wixom, died October 9 at Pontiac Osteopathic hospital. He had been ill for five months. Mr. Bell was born February 25, 1902, at Masslin, Ohio, the son of William and Nettie Bell. He was 54 years old. He is survived by his wife, Flossie, and seven children: Ronald, of Wixom; James Townes, of Wixom; Ray, Jr., of Glennie, Michigan; Duane, of Walled Lake; Mrs. Winifred Minche, of St. Clair Shores; Mrs. Margaret Esch, of Howell; and Miss Donna Bell, of Glennie. Also surviving are 12 grandchildren. Mr. Bell came to Wixom in 1920, where he owned and operated the Bell Greenhouse on Wixom road. Funeral services were held at the Casterline Funeral Home October 12. Officiating was the Reverend Green of the Wixom Baptist church. Interment was in Oakland Hills Memorial Gardens.

ANTHONY RANEY

Anthony Raney of 48081 11 Mile road, Northville, died October 12 at his home. He had been ill for several months. Mr. Raney was born in Poland on September 8, 1889. He was 67 years old. He is survived by his wife, Cora, and son, Raymond of 10 Mile Rd. Also surviving are three grandchildren. Mr. Raney lived his entire life in Northville as a farmer. He was a member of Our Lady of Victory church. Rosary was held at 8 30 Monday evening at the Casterline Funeral Home. Funeral services were held Tuesday at 10 a.m. at Our Lady of Victory church with the Father John Wittstock officiating. In-

terment was in Holy Sepulchre cemetery.

WILLIAM A. HANERT

William A. Hanert of 49349 West Seven Mile road, died October 14 at 4:45 a.m. at his home. He had been ill for several months. He was born February 8, 1877 in Forestville, New York, the son of Emil and Sophia Hanert. He was 79 years old. He is survived by his wife, Emily, and sons, Charles E. of South Lyon, and Walter M. of Detroit. Also surviving are a sister, Mrs. Grace L. Sullivan of Buffalo, New York; six grandchildren and two great-grandchildren. Mr. Hanert came to the community in 1948 and was a retired designer draftsman. He was a member of the Methodist church. Funeral services were held October 17 from the Casterline Funeral Home with Rev. Patrick Clifford officiating. Interment was in Salem Walker cemetery.

MRS. ALMA NAGEL

Mrs. Alma Nagel, 59, of 13997 Michigan avenue, Clinton, formerly of Northville, died of a cerebral hemorrhage on October 9 at 12 p.m. at the Bixbie hospital in Adrian, Michigan. She had been ill for some time. She is survived by her husband, Hugo, three daughters, Mrs. Loretta Ritchie, Clinton; Mrs. Betty Lea, Plymouth; Miss Ruth Nagel, Plymouth; and one son, Richard Nagel, of Plymouth. Also surviving are two sisters, Mrs. Helen Marks of Polmyra and Mrs. Ella Duerr, of Adrian, and six grandchildren. Mrs. Nagel moved to Clinton one year ago from Plymouth. Funeral services were held Friday, October 12 at St. Paul's Lutheran church, Northville, with the Rev. B. J. Pankow officiating. Interment was in Glen Eden cemetery.

The way some business executives sign a routine letter you'd think it was a death warrant.

How poor are they that have no patience!

Firm Remodels; To Change Name

Construction of a new sales office and work rooms along with the complete remodeling of the greenhouses is well underway at Jones Floral company, 417 Du-buar street.

The firm, purchased last summer by Lawrence Mayer of Farmington, will soon become known as Lawrence Mayer, Florist and will specialize in flowers, imported gifts and studio cards.

Mr. Mayer, who operates a florist firm in Farmington, said that he expected his new building to be opened within two weeks. Actual completion of the renovation program will not take place until spring, he said. Mayer has been continuing business as usual offering delivery service throughout the metropolitan area.

Experience is victor, never the vanquished; and out of defeat comes the secret of victory. That tomorrow starts from today and is one day beyond it, robes the future with hope's rainbow hues.

NO REAL LOVE

There is no real love for Christianity today! The world may at times be tolerant because of the benefits it receives but underneath it hates what the Christian faith stands for. Its dislike centers around three things. First, it hates Christianity because it humbles man in the dust. It declares that he is a sinner by nature and practice and "there is none that doeth good, no, not one" (Romans 3:12-23). It humbles him in that it declares he can do nothing but plead the mercies of God through Jesus Christ for salvation. How distasteful this is to the worlding who insists upon coming in his own way. The second hatred for the faith stems from its opposition to the pleasures of the senses which are not in harmony with God's holiness. Drunkenness, immorality, filthy talking, nakedness, abuse of the body, and the like are condemned in no uncertain terms. Naturally the world fights back to maintain her pleasures. Then third, their hatred is derived from the "other-worldliness" of the Christian. The world is trying to make a heaven of their own dimensions here on earth. They adapt enough of the Christian principles to make it look religious. When a Christian doesn't go along with their program, naturally they become an offence to them.

Parents, Too, Learn at Nursery

LET'S DRESS UP — And let's dress up our dolls, too. These little mothers take advantage of the toys furnished for them at the Cooperative Nursery.

THIS MEMBER of the four-year-old group tries her hand with brush and paint — another of the many activities available at the nursery.

"Let's play dolls."

"I want to work puzzles."

A disagreement — and there's a conflict to resolve for the little people at the Northville Cooperative Nursery school.

The "students" who learn most from this school, however, are not the children. Primarily a parent education program, the group requires parent attendance at a monthly educational meeting.

At these meetings, mothers, fathers and even grandparents hear educators, child psychologists, doctors and other experts speak on such subjects as child care and marriage.

Parents also learn to keep order among the children and gain a better understanding of their own children who range in age from two and a half to five.

Four mothers help the two

qualified teachers each Monday, Wednesday and Friday mornings when school is in session, from 9 a.m. to 11:30 a.m. Their service averages once a month. Fathers help out by repairing worn and damaged equipment that receives heavy wear.

The local nursery is housed in the Presbyterian church building, but the group itself is non-sectarian. Costs are lower than a private nursery, within reach of the average family. The fees are used for teachers, new play equipment and morning refreshments.

The co-op program began on the West coast about 25 years ago, and has been very active in Michigan for about 10 years. Of the more than 70 groups in Michigan, between 55 and 60 are in Wayne county, under the guid-

ance of the area council for Wayne and Oakland counties.

Each Monday evening, a television program on cooperative nurseries is presented on Channel 56 under the direction of Mrs. Maxine Nordquist of Wayne university. The Allen Park group, which presented a dramatization on the show, soon will repeat their performance before the Northville group.

President of the local group is Mrs. Gwen Marburger of Thayer street. The advisory group for the community consists of Dr. V. George Chabut, Rev. John Taxis, minister; Harold Hartley, president of the P-TA; Clifton Hill, attorney; Carl Johnson, representative of the Retail Merchants Association; Joseph Denton, chief of police, and Mrs. Sherry Meyer, chairman of the board.

SHOPPING IS SUCH A CHORE — Especially when there's a long line, as these three-year-olds are finding out.

The Northville Record

SECOND OLDEST NEWSPAPER IN WAYNE COUNTY—EST 1868— Thursday, October 18, 1956—9

"THAT GOES RIGHT THERE" — In the Cooperative Nursery, children learn that it takes working together to get things done. These two four-year-olds are part of the group that spends three mornings a week at the nursery sessions held in the Presbyterian church. Their activities are supervised in part by mothers who help in this program that emphasizes parent education.

No sooner said than done ...by telephone

It was only a light drizzle at first. But then the rain started coming down in buckets.

You hesitate to have Jimmy walk to school in such a down-pour. You don't have the car. But you do have the telephone.

You call Ann. Yes, she's driving and will be glad to take Jimmy. You're thankful for good neighbors—and for your telephone.

Let your telephone help you get things done fast. Use it to run your errands, plan get-togethers, keep you in touch with friends and loved ones. There's just no end to its usefulness.

Mustangs Take W-O Lead As Brighton, Milford Lose

Northville backed into first place in the Wayne-Oakland County League last week end as the previous week's leaders were both defeated.

The Mustangs, playing Thurston in a non-conference game, took over first place with a 1-0-1 record.

Brighton and Milford, last week's leaders, both lost. West Bloomfield surprised Brighton, 26-20, while Holly sank Milford 18-0.

Northville can clinch the league title by winning its four remaining games. Those include contests with Clarkston, Holly, Brighton and West Bloomfield.

Northville Gives Thurston Season's First Loss, 18-6

Even a knockout couldn't stop Northville left halfback Dick Biery last Friday night as he paced the Mustangs to a stunning 18-6 victory over previously-unbeaten, unscored-upon Thurston.

Biery, who has made a habit of spectacular play in recent games, once again put on almost a one man show in dumping the highly-regarded Thurston 11.

Among his accomplishments, Biery:

—scored once on an electrifying 64-yard pas play less than two minutes after being knocked cold on the midfield stripe.

—set up a second touchdown by passing to end Bill Yahne for 32 yards.

—set up another touchdown by galloping 43 yards to the Thurston 28.

—rushed for 73 yards in eight carries, for a respectable nine-yard average.

—pulled down two passes good for 91 yards.

—passed once for 32 yards.

—returned two punts for a total of 78 yards and a kickoff for 27.

Thurston, entering the game with a perfect record for the season, scored first but was never really on a par with Northville.

The Mustangs ran up 304 yards

PUSHING? Looks like it, but the penalty was never called. Northville end Bill Yahne was just about to intercept a Thurston pass when the incident occurred. If you think it's just the camera angle, notice that the Thurston player's hand is inside Yahne's elbow.

—Photos by Russell Reimer
ON HIS WAY — Halfback Dick Biery streaks toward a 64-yard touchdown minutes after he was knocked unconscious. Center Bob Wagenschutz runs along to block for Biery.

Scoring

Northville	0	12	6	0—18
Thurston	0	6	0	0—6

Punts	3	5
Punting average	27	35
Penalties	2	5
Yards penalized	20	25
Fumbles	2	1
Fumbles lost	1	1

on total offense, against 206 for Thurston. But 77 of Thurston's yardage came late in the fourth quarter, long after Northville had sealed the victory.

Northville had three good scoring opportunities in the first quarter, but lost the ball twice on interceptions and once on a fumble. Thurston converted the fumble into a 52-yard touchdown drive, and led temporarily.

Then Northville and Biery went to work.

In rapid succession, Biery ran back a kickoff for 27 yards, dashed around end for another 14 and passed to Yahne for 32. The ball rested on the Thurston 12.

In two quick plays, fullback Gary Holman crashed across.

After the kickoff Thurston got nowhere, and again Biery ran wild. His 43-yard sprint took the ball to Thurston's 28. In five plays, he and Holman worked the ball to the 2 and Holman bulled across again.

Northville's Jim Starnes missed his second conversion and Northville led 12-6 at halftime.

The second half opened slowly, as neither team could make headway until Thurston finally drove deep to the Northville 14. But a fumble erased the threat and gave the Mustangs control on their own 16.

Northville began to move again and quarterback Ed Wittenberg hit Biery with a 27-yard pass on the Mustang 47. As the whistle blew, Biery slumped to the ground, unconscious from the tackle.

Two plays later, however, the still-woozy halfback was back in the game. Quarterback Bud Bell faded and tossed to Biery who gathered in the ball and dashed 64 yards for Northville's final score.

The play broke Thurston's back. In the remaining minutes Northville's opponents could get off only one respectable play—a surprising 69-yard pass that carried to the Northville 14. But another fumble killed Thurston's chances.

Despite Biery's fine performance, Northville counted heavily on the always-steady play of fullback Gary Holman and end Bill Yahne. Holman picked up 75 yards in 20 carries and Yahne gathered in three passes for 65 yards.

Bell, alternating at quarterback with Wittenberg, saw his first action in two weeks and came through with two completed passes for 91 yards.

Northville's defense had trouble at first shifting into various formations, but, spearheaded by center Bob Wagenschutz and guard Dick Buckley, the line-men eventually managed to bottle up Thurston.

TOUCHDOWN — Somewhere in this jumbled heap is Mustang fullback Gary Holman who just crashed over for Northville's first score. Holman also scored a second touchdown to give Northville a 12-6 halftime lead.

A Queen is Chosen

Perhaps there was more pageantry when Elizabeth was crowned, but it could have hardly been more exciting than the coronation of Judy Junod as Homecoming Queen of Northville High school.

It was a time of tension, thrill and delight... a time of riding in an open car through the city streets, of accepting homage of her subjects and of humor mixed with an insurpassable pride.

It began weeks ago when Judy and three senior classmates were nominated for the honor. Then suddenly, on Thursday, it was time to cast ballots. And the students designated that Judy should wear the crown this year.

Her court was named — one girl from each class. Sandy Gotro represented the ninth grade; Barbara Mapes, the tenth; Mary Hill, the 11th, and Virginia Sutton, the 12th.

The Queen's first official function was to preside over a pep rally before the big football game Friday night.

From then on, events moved rapidly. Smiling gracefully from an open car, she rode through the crowd-packed streets to the football field. In front of her stepped

Queen Judy Junod

the marching band, playing the school's fight songs and alma mater. Her court rode in another car. Behind her marched a throng of fellow students, cheering and singing praises of their queen and school.

The coronation itself had to wait until half-time at the game.

It came, and the royal party stepped from their cars and faced the crowd. Four burly football players — the Northville co-captains, still smeared with mud from the first half — trudged for-

ward. Fullback Gary Holman carried a floral crown and a bouquet and presented them to the new queen.

Then the kissing began. How or why, no one knew. But before it was over, the queen and her court were each roundly kissed by the football stars — not once, but twice, and possibly more. The stands jingled with laughter and applause. It had been a long time since royalty had been so fittingly honored.

The only question was whether the co-captains would still be in shape for the second half. (They later proved they were.)

And so it went. Queen Judy returned to the high school and presided over the homecoming dance, and girl friends and "the guys" congratulated her for her honor.

And then it was over. All that remained was to paste a picture in a scrapbook, or preserve a flower between pages of a yearbook. But the memories of the night will never be put aside — neither by the Queen herself nor by the hundreds of students who gave her the honor.

THE QUEEN AND HER COURT — Shortly before the coronation, Judy and her ladies-in-waiting greet the crowd at Ford Field. Left to right are: Sandy Gotro, ninth grade; Barbara Mapes, tenth grade; Judy; Virginia Sutton, 12th grade; and Mary Hill, 11th grade.

NOTICE OF MEETING OF SCHOOL ELECTORS

A PUBLIC MEETING FOR ELECTORS OF EAST NOVI, DURFEE, PUTNAM AND NOVI 8 SCHOOL DISTRICTS WILL BE HELD AT

NOVI COMMUNITY BUILDING
WEDNESDAY, OCTOBER 24 - 8 P.M.

MEMBERS OF THE SCHOOL BOARD, AND SUPERINTENDENT WILLIAM MEDLYN WILL ANSWER YOUR QUESTIONS CONCERNING CONSOLIDATION OF SCHOOLS

ROYAL PROCESSION to the stadium began the queen's reign. In front of her marched the Northville band, while several hundred fellow students — led by cheerleaders — sang and cheered down the city's streets.

Mustang Marching Band Invited to U-M Band Day

Saturday will be "Band Day" for the Northville high school marching band and bands from 170 other high schools from throughout the state.

Under the direction of Leslie Lee and Robert Williams, they and the other bandmen will join the University of Michigan Marching Band in a big half-time performance at the Michigan stadium between halves of the Northwestern-Michigan football game.

A total of 10,500 performers will be in action during the Eighth Annual Band Day. This will be under last year's record-breaking performance when 181 high school bands and 11,500 performers took part.

The reduction is intentional, according to William D. Revelli, conductor of University Bands. Last year's turnout proved to be too big to fit nicely into the football field.

CHRISTIAN SCIENCE CHURCHES

Main and Dodge Streets

Mankind's need for spiritual growth and progress will be stressed at Christian Science services this Sunday.

Readings from the King James Version of the Bible and "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will comprise the Lesson-Sermon entitled "Probation After Death."

Scriptural passages will include the following from Psalms (37:37): "Mark the perfect man, and behold the upright: for the end of that man is peace."

Among the selections to be read from Science and Health is the following (21:12-13): "Universal salvation rests on progression and probation, and is unattainable without them."

The Golden Text is from John (5:25): "The hour is coming, and now is, when the dead shall hear the voice of the Son of God; and they that hear shall live."

THE FIRST PRESBYTERIAN CHURCH OF NORTHVILLE

Corner E. Main and Church Sts.

Rev. John O. Taxis, Pastor

Sunday, October 21:
9 a.m., Early Worship service.
10 a.m., Sunday Church school.
11 a.m., Second Worship service with Chancel choir.

AN UNKNOWN ASSIST

A former FBI agent with his assistant were assigned to "trail" a car driven by two men who were wanted for robbery.

As they pursued the car, they noticed suddenly that the thieves' car had stalled on a bridge leading to another state. Soon the agents came upon the car and

were flagged down by the robbers and asked if they would mind pushing them across the bridge. Since it was not in the "master plan" to arrest them at this point in their flight, the FBI agents (their identity still unknown) pushed them across the bridge to the point where the next agents were to take up

the "tail" that would lead them to the rest of the robber band.

The agent who told me this story said "I often wonder what they would have said if THEY HAD KNOWN whom they had asked to push their stalled car!"

This is an intriguing incongruity that happens in our daily lives often, and suggests to the

Packages Planned For 2 Institutions On "Sweetest Day"

Children at two Northville institutions will be feted at "Sweetest Day" observances this Saturday, it was announced this week.

Packages of candy will be distributed to some 800 children at Wayne County Training School and to 129 children at Maybury Sanatorium by representatives of merchants in the metropolitan Detroit area.

Similar packages will be distributed to some 5,000 orphans, shut-ins and needy persons in the area.

Sweetest Day originated 30 years ago when a Cleveland resident conceived the idea of showing shut-ins and orphans that they were not forgotten. The day has since become an occasion for remembering not only the sick, aged and needy, but also friends, relatives and associates.

Several local laymen will assist Mr. Hulcher in the service.

Northville Invited To UN Program

Northville residents have been invited to attend a program next Wednesday in honor of the 11th anniversary of the United Nations.

The program will be held in the Plymouth high school auditorium and will begin at 8 p.m.

Guest speaker will be Mrs. Philip Gentile, a University of Michigan lecturer and official UN observer for the Ford Foundation.

Also on the program is Charles Westover, a student who recently represented Plymouth high school in an enactment of a United Nations session at Hillsdale college.

Westover will describe the state of youth in the UN.

Admission to the program is free.

Notice of

PUBLIC HEARING

ON PROPOSED AMENDMENT TO THE ZONING

ORDINANCE OF THE TOWNSHIP OF NOVI,

NOVI, MICHIGAN

Notice is hereby given that a public hearing will be held on a proposed amendment to the map and text of the zoning ordinance of the Township of Novi to include the changes as follows:

(A) To change the dimensions of the C-1 area lying on the S.E., S.W. and N.W. corners of 10 Mile Rd. and Meadowbrook Rd. from 350 ft. to 450 ft. and to extend the area at the N.E. corner to include lots 2 and 3 of Willowbrook Estates Subdivision.

(B) To change that area lying north of Grand River, east of Meadowbrook, south of 11 Mile Rd. and west of Seeley Rd. excepting a strip 160 feet wide along 11 Mile Rd. and Seeley Rd. from an M-1 district to a M-3 district.

(C) The addition to the text of the Zoning Ordinance of a new section 3.23 for the regulations of billboard and signs and the amendment of Section 8.02 and 12.05 (c) for the control of signs in business districts.

This hearing will be held at 8 P.M. E.S.T. at the Township Hall located at 28580 Novi Rd., October 19, 1956. Notice is further given that a copy of the text and map may be examined at the Township Hall during the office hours each Monday through Saturday until the date of the public hearing.

Painting Can Often Bring New Beauty to Old Rooms

The next best thing to building a new home is decorating an old one. New paint can make old rooms look bigger, cheer up dark corners, lend fresh life to furniture, draperies and rugs.

Surveys indicate that more than 60% of all American families have become "week end

decorators," doing all or part of their home painting themselves. The clue to the lift you get from a room you've painted comes from the colors you selected. The right colors can bring restfulness to bedrooms, sparkling freshness to kitchens and new beauty to dreary rooms.

As a general rule-of-thumb, plan your color combinations around some related group of colors. If yellow makes you feel cheerful, use it for your main room treatment, and add variety and interest with yellow-orange and yellow-green, either as contrasting colors on one wall or in your draperies or on wood trim.

Most paint manufacturers have color booklets available that will give you basic color schemes in sufficient variety to suit your own taste. With these modern paint color systems, you can get any one of hundreds of tints and deep colors from your paint dealer.

It's fun to be a "week-end decorator" and easy, too, because modern paints have painting skill "built-in".

If you follow a few basic steps, the job of wall painting can be done correctly and in a surprisingly short time.

First, cover the floors with newspapers or drop cloth. Then remove all electrical switches and outlet plates. Start with the trim around the doors and windows. For protection, speed and efficiency, use either masking tape or a trim guard.

Whether you use a roller or a brush (4 or 5-inch) spread your paint on evenly, with sweeping to-and-fro strokes. Start each stroke where the paint is dry and work toward and into wet areas.

Start an upper corner of the wall and paint an easy arm's length across, parallel to the ceiling to baseboard. Continue the same method across the wall, working in strips a yard wide so that you can come back and paint into an area you've just painted.

For baseboards, begin in a corner of the room. First apply paint to the center of the board then work toward the edges.

When you paint the ceiling, paint in stripes—the width, not the long way of the room. This allows you to join the next strip with the last one before the paint has started to set. Keep the strips narrow. Paint toward the light wherever possible.

A SMALL HOUSE PLANNING BUREAU DESIGN NO. C-376

DESIGN C-376 features low roof lines, wide eaves and attached garage. Plans call for a full basement (except under garage) three bedrooms, bath, large living room and a combination kitchen-dinette, conveniently located in front. A covered passage connects the garage and the house and pro-

jects entrances of both. Other features include a variety of closets, linen and towel cabinets, coat closets, fireplace and glazed window wall.

Exterior finish consists of combination bevel and vertical siding, planter, flower pot shelf and shutters. Floor area is 1224 cu. ft. and cubage is 22,844 cu. ft.

For further information about DESIGN C-376, write to the Small House Planning Bureau, St. Cloud, Minnesota.

Do-It-Yourself Fad Can Even be Applied To Finishing Floors

Floor finishing, heretofore largely in the province of the professional, is fast becoming one of the most popular do-it-yourself projects.

Unless the floors are warped or buckled or the old finish is extremely dark and thick, the homeowner can refinish his own floors successfully with the new floor finishes, such as Fabulon, made by Pierce & Stevens, Buffalo, New York.

The first step is the proper preparation of the wood surface. All previous finishes must be completely removed and the surface must be bare, clean, smooth, dustfree and dry.

Power sanding is by far the most widely used method of preparing wood floors. Many dealers are prepared to rent a sander in good operating condition, along with an ample supply of sandpaper and instructions for use.

Old floors require three sandings with sandpapers of progressive degrees of fineness. After sanding, it is important to remove all dust from floor with a vacuum cleaner, dry cloth, or dry mop.

When the floor surface has been prepared, 90 percent of the operation has been completed. The modern surface coating flows over the pre-sanded surface and requires no wood filler.

Within one hour after applying, the first coat is dry. The floor should then be hand sanded before the second and final coat is applied.

If a brilliant high gloss is desired, a third coat can be applied, after allowing the second to dry at least four hours, preferably overnight.

New Products Help Paint Removing Job

For many week end decorating projects, the old paint should be removed first.

Today's paint removers are fast-working, non-inflammable and easy to use.

Just lay on a heavy even coat of the remover, brushing in one direction only. Do NOT brush back and forth like paint.

When the paint is broken from the surface, remove with regular paint scraper or putty knife (for flat surfaces) or steel wool or rags (for rounded or carved surfaces).

Any small spots that remain can be touched again with steel wool dipped in remover.

After old finish is removed, wipe surface clean and dry. It is then ready for application of new finish.

Marlite Gives Glamor

GLAMOR in a basement is relatively simple to acquire nowadays. The main elements needed in transforming an ugly area into an attractive recreation room is a wall covering and a new ceiling.

Marlite planks and blocks are ideal for such a conversion, because they are economical in cost,

simple to install and self-maintaining. They never need redecorating, as they have a plastic finish over a durable Masonite hardboard base. Occasional wiping with a damp cloth is all that's needed.

Planks in the illustration are one of the handsome woodgrains available in Marlite plank and block. Ceiling blocks and those in the area over the fireplace are one of the pastel shades, also available in a large variety.

These planks and blocks are wonderful for the do-it-yourself craftsman. Tongue and grooved edges and metal clips make their installation easy and quick. A simple nailing method holds the planking securely in place over old walls or furring strips. The convenient size of the planks, 16"x8", and blocks, 16" square, makes it simple for one person to apply the materials. All nails are hidden.

SOFT WATER

Automatically with the

REYNOLDS Automatic WATER SOFTENER

The greatest water softener ever built!

1. Adjustable to almost any type of problem water. Does a better job on all hard waters. Will do things you never dreamed could be done with any water softener.
2. Will soften water containing up to 100 grains of hardness per gallon (5 times as hard as the average).
3. Will remove up to 10 parts per million of iron.
4. Contains 1-1/6 cu. ft. of Dowex assuring high capacity and adequate flow rate of zero-soft, rust-free water at all fixtures at the same time.
5. Brine under pressure in closed tank instead of in unsightly open type brine tank. No more leaky float valves and bad appearance. More dependable regeneration.
6. Automatic bypass permits use of water during regeneration.
7. No troublesome top screen to clean.
8. Operates on any home water pressure, high or low.
9. Fibre glass insulation prevents sweating.
10. Time clock or switch operation.
11. Made in Detroit—factory service.

There is no other water softener like it, or that even compares with it. It is fully guaranteed and covered by patents. At only \$399.00, it is the greatest value in the water conditioning industry. Larger sizes also available.

"YOU CAN'T BEAT THE BEST!"

Reynolds Ball O-Matic Water Softeners and a complete line of Reynolds Water Conditioning Equipment have been manufactured in Detroit since 1931. There is probably more Reynolds Equipment installed in this area than all other makes combined. We stand back of the guarantee on our equipment with factory service. Two generations in the business assure you of years of this service and support. You are SURE with a Reynolds Water Softener.

Seniors Choose Play Cast

The seniors chose as their class play this year, "The Barretts of Wimpole Street".

Tryouts were held October 3-5, with 24 students receiving parts. Susie Dewsbury and Emilie Segun were given the lead part of Elizabeth Barrett Browning.

Chosen to play the role of Robert Browning were Dave Adams and Brody Humphries. Mr. Barrett will be portrayed by Tom Slavens and Bernhard Mueller.

"The Barretts of Wimpole Street" is a dramatic story about the life of Elizabeth Barrett Browning. Such a play has never before been attempted by any class at Northville high school.

Miss Florence Panattoni is the director with Mary Palmer, Betty Wilson and Nancy Lawrence as assistant directors.

The seniors have already had two play practices. They are looking for antique furniture. If you know of any they might use contact Mary Palmer.

The play will be held December 5 and 6 at the Community building.

Seniors To Take Scholarship Tests

Several seniors at Northville and others from high schools around the nation will participate next Wednesday in a scholarship test which, if won, will enable them to attend any college they choose.

Even the taking of the test will be especially helpful in entering many colleges.

The test will last two hours and will cover such subjects as science, mathematics and English. The questions are designed to be especially difficult for the student taking the test. The chances of completing the test, much less getting all the questions correct, are very small.

E. V. Ellison, high school principal, warned the seniors in advance about the test and pointed out the toughness of the questions. His remarks, however, seemed not to have dulled the enthusiasm of several of the seniors, for they are planning to take the test, no matter what the risk.

"Hoof Prints"

"Mustang Hoof Prints" is prepared and written by the Northville high school students under the supervision of Miss Florence Panattoni.

Austrian Student Finds First Dance Surprising

Editors Note: This is an article written by Hedi Trithart, Northville High's exchange student from Austria. Through her eyes, we are shown how something commonplace to us may be an unusual and exciting experience for her.

It happened last Friday night after the football game that I had my very first dance. Since I didn't expect to get a scholarship as an exchange student, I never thought my first one would be here in America.

Well, when the football game was over and everybody was happy that we had won, I got shivering with cold in the car. This might be, because I didn't wear warm slacks, but rather a skirt and nylons, which weren't warm at all.

Mr. Al Jones, my father in America, went with me to the dance party, which took place in the gym at our school. I went in and saw a lot of girls and boys standing around and talking.

Just a few couples were dancing. I waited. Several dances were played, but not of the kids didn't dance. What a dance party, I thought!

I talked with more friends and they showed me some dances. When Mr. Jones came in, I was well prepared to try my first dance. They played all kinds of quick ones, but it was not until the last number that we found what we wanted. So Mr. Jones took me and I had my first dance, which I really enjoyed.

I can dance waltzes, which I like so much, but our band didn't play any. This disappointed me a little. Well, perhaps there will be some at the next dance party.

New Student Likes Football And Friendship at Northville

A newcomer to the senior class of Northville high school is Dave Adams.

Upon meeting Dave one immediately notices his confident, yet congenial personality. This might be a contributing factor to Dave's quick adaptation to the swing of things.

He occupies the position of right halfback on the football team and more recently, he was chosen as one of the leading men in the senior play cast.

Dave was asked the usual questions, such as "What is your favorite food, song, subject and teacher?" Rather than give routine answers to such routine questions, he asked if he might give his impressions as a new student of N.H.S.

Of course, his first thought was of the football team. He felt that the high school has one of the finest he has seen.

Since he knew only football players, the first day of school was Dave's hardest. But he went on to say, "My bewilderment was soon gone and I began to feel at home. The kids here are among the friendliest I have ever known. Instead of ignoring and leaving me with a left-out feeling, they came to make friends with me. Another thing I especially like about N.H.S. is the campus. Oh, and something else, too...the girls!"

Teachers who comprised the adult part of the panel were Miss Patricia Dorrian, Mrs. Violet Bradford, Ronald Schipper, Robert Williams, Clarence Mason and Fredrick Stefanski.

Scholarship Offer Made by Magazine

Any student interested in earning part or all of their costs for a college education may be interested to know that this year Time magazine, in cooperation with Life and Sports Illustrated magazines, is sponsoring a program enabling students to earn money through selling magazines in their spare time.

Here's how it works: when a student has sold five 1-year subscriptions to Time for \$6 each, he has earned \$15, and in addition Time will award him \$7.50 so he will have a scholarship credit of \$22.50. For 20 such subscriptions, his credits would total \$90 and so on.

All subscribers are billed by the publisher of the magazine so that the students are not responsible for handling any money.

The program is not a "contest". Each student can earn as much or as little toward his scholarship as his time allows.

He will get a 50 per cent commission for each sale. Any money earned by the student is kept in a fund by the magazine company until the student is ready to enter college.

Roy K. Wilson, executive secretary of the National School Public Relations Association, writes:

"The Earned Scholarship program is a wonderful opportunity for high school principals to team up with Time magazine in coming to the aid of parents who are hard-pressed to raise the funds for a college education for their sons and daughters."

This program is open to all students through grades 9 to 12. A certain number of students will be nominated for the opportunity. If interested, contact the high school office for more detailed information. The program will

run from October 15 to March 31.

All students entering the program while in high school are also permitted to continue selling after they are in college.

Panel Discusses Teenage Problems

Miss Corine Clark's home and family living class recently sponsored a teenage-adult panel in the grade school lunchroom.

The class had been discussing the various phases of teenage-adult relationships for a few weeks and decided to get the adult viewpoints on the subject.

Miss Margaret Bondy acted as chief organizer and panel moderator. The questions under discussion included "What is a reasonable hour for teenagers to come home at night?" "Should parents take a hand in their son's or daughter's social life?" and "Should teenagers smoke?"

Teachers who comprised the adult part of the panel were Miss Patricia Dorrian, Mrs. Violet Bradford, Ronald Schipper, Robert Williams, Clarence Mason and Fredrick Stefanski.

Students Conduct Honor Study Hall Without Teachers

Due to the overcrowded conditions of the study halls in Northville high school, Principal E. V. Ellison has set up an honor study hall.

This study hall is made up of students who were chosen from seventh hour study hall. It is conducted by the students without the attendance of an instructor or a faculty member to supervise them.

The students take roll and are free to use hall passes as they see fit. The rules that prevail in the normal study hall also prevail there.

This study hall is an experiment to see if there may be others like it.

Students feel that it is working out fine, as they seem to get more work done in the honor study hall than they did in the regular study hall. It is hoped that the study hall will be able to continue as it helps solve the overcrowded conditions in the high school.

Calendar

October 17—The Junior Varsity will play at Oak Park. Kick off—4:00.

October 18—Junior High will play at Dearborn Ford. Kick off—4:00.

October 18—Linen party, sponsored by seniors. 8:00 p.m. at Community Building.

October 26—Dance sponsored by sophomores after football game, high school gym.

December 4 and 5—Senior Class play in Community Building—"Barretts of Wimpole Street", a comedy in three acts.

'Senior of the Week' Likes Running Model Railroads

The senior boy of the week stands 5 feet 10 inches and has light brown hair and brown eyes. He was born in Detroit on June 17, 1939. Before coming to Northville four years ago he attended Lindburg school and Bryant junior high in Dearborn.

As far as his school life goes, he says he likes all his subjects and enjoys every one of his teachers. He emphasizes the fact that he has no favorites — he likes them all!

This senior has one special hobby on which he says he could spend his whole day "puttering"—building and running model railroads.

Of course, he has some favorite types of entertainment, such as movies ("Carouse!"); books, ("Prince of Egypt") and music, (Ravel's "Bolero").

When asked what one quality he felt was absolutely necessary in a friend, he replied, "Sincerity."

His pet peeve is a driver who doesn't signal when he's turning a corner.

His future plans include going to college and possibly studying to be a high school math or science teacher.

Now, if you don't already know who our senior boy is, we'll put you in the know. His name is John Schwartz.

What put the magic in the new kind of FORD?

The new Ford Fairlane 500 (118-inch wheelbase). Longer, lower, larger than many medium-priced cars, yet lower in price than most of them!

The roof got lower. And it's designed to let you make the easy entries and graceful exits you've always known.

The body got quieter. It's the strongest body ever built for a low-priced car. And no car in Ford's field has such generous sound-proofing.

The room got bigger. There's head room to spare for a tycoon-type hat. There's real stretch-out leg room, too.

The lines got sweeter. Ford gives you the longest, lowest, low-priced car ever. Each graceful contour of its sculptured-in-steel body says, "Let's go!"

The style got smarter. With this new-look Ford you have a car that belongs anywhere! Example: all Fairlane models, including sedans, have the look of a hardtop.

The value got greater... and the price is still Ford-low. The result—even more promise of buying a car that will keep its value high... a car that will stay worth more.

Coon Hunt in Thirties Near Northville Turned Out to Be Wild Adventure

A coon hunt in the woods near Northville in the 1930s ended in an all-out screaming adventure when wolves surrounded the hunters.

In account now in the possession of the University of Michigan Historical Collections, the

PHONE 200
TO RENT—BUY—SELL

Reverend Norton Taylor says a boyhood coon hunt between Plymouth and Northville quickly changed character when he and his friends found themselves "entirely surrounded by a choir of serenading wolves."

"We spent most of the night chopping wood and keeping up a great fire (in the forest)," he states. "We kept poles with one end in the fire so that we could have fire-brands as well as guns

to fight with. Every little while, we would see the wolf-forms moving about us and see their eyes glaring in the fire light."

Eventually, the wolves moved away in the night. When young Taylor returned home, he found the wolves had "had several fights with the cattle in the yard, clambered over the fence, and howled around the sheep pen." He states his father had shot one of the wolves, "a great gray wolf

seven feet long from the tip of his nose to the end of his tail."

Whitmore Lake Residents Oppose Boys Institute in Area

THE PROPOSED EXPENDITURE OF \$15 MILLION when \$500,000 could fill a need as well will receive staunch objections from residents in the Whitmore Lake area, 10 miles north of Ann Arbor.

Their specific concern: Boys Vocational School, an institution caring for boys with criminal records.

Their issue: BVS should not be moved from its present Lansing location to Whitmore Lake.

Whitmore residents are organizing opposition. A meeting of persons who object to plans to relocate BVS less than a mile from this established resort center will be held October 23. Also attending will be W. J. Maxey, director of the Michigan Department of Social Welfare, whose office is responsible for BVS, and James Miller, state controller, who will explain the position of the state administrative board.

Most Whitmore Lake residents do not want the school in their vicinity. However, Maxey says the school must be moved somewhere, that the proposed site is ideal.

BVS history is long, and suggests that legislatures through the years failed to deal decisively with the institution.

The school is 101 years old. It now houses some 375 boys. Originally, BVS occupied 1,000 acres of land and buildings on the outskirts of Lansing. As Lansing grew and the

area developed, newcomers objected to the school. Gradually, parcels of the original plot were given away or sold. Recent transactions reduced land holdings to the present 90 acres. Most of this is undeveloped.

In 1926 the Legislature purchased a 1,000 acre plot to the west of Lansing. This was to house the "new" boys school. But the land was diverted to other uses. At present it houses a motor pool, state highway and state health buildings.

For the last three years Maxey has attempted to get a \$500,000 appropriation for a security unit on the present grounds. This was not approved by the Legislature. The reasoning was that no more money should be spent on the present site.

Last session, with support from Lansing residents who want the school moved, Maxey was successful in getting an appropriation to buy new land. After the approval, he was further successful in closing a transaction for property near Whitmore Lake. Expected cost of developing the site into a new BVS is \$15 million.

Maxey insists that the proposed site is a good one. He lists its advantages as being close to Detroit, home of many of the boys; near U-M psychiatric aid; big enough to permit the development of the most modern institution possible.

Whitmore people object strongly. They hold that every

argument advanced by Lansing residents will soon apply to the Whitmore area. They further argue that Lansing people who object to BVS, chose to move into the school's locality. By moving the school into the lake area, residents are deprived of any choice in residing near it. They also point to the field house, swimming pool and other facilities at the present site, which cannot be replaced for years.

Some Whitmore people are anxious to express their strong feelings in hopes that state officials will reconsider submitting the problem to the next Legislature. They want either a new and different site for BVS—or the development of the present site as the most economic move.

Although primary concern to areas involved is the location of BVS, all Michigan taxpayers have a deeper financial interest. Perhaps \$15 million will be spent to provide an institution that could be equally maintained for less than \$1 million if legislatures over recent years had dealt differently with the problem.

SALISBURY, N.C., POST, "Things are really looking up for the Soviet worker. Now he can no longer be thrown in jail for quitting his job . . . Under the new labor decrees those guilty of infractions of work discipline will not be hauled into court. Instead they can be fined, fired, demoted or deprived of bonuses and seniority by management. Grand, isn't it?"

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

Here are the trucks that conquered the ALCAN Highway—one of the world's most challenging roads! Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B. C., through 1,520 miles of mountains and mire, rain and hail—every conceivable natural roadblock—to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours.

Like a carelessly unwound ribbon, the Alcan Highway twists and reels for 1,520 miles. It tumbles over towering mountains of awesome beauty and wanders through desolate Yukon forests.

It's the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts jolt and jar each chassis unit.

This is the road that was chosen to give the new '57 Chevrolet trucks a supreme test of stamina, performance and handling ease. The results of that test made hauling history!

Six new Chevrolet trucks—representing light-, medium- and heavy-duty models—traveled the length of the Alcan highway in less than 45 hours. They ran day and night—but this was no test of speed. The Chevrolet Alcan fleet

made normal stops, and maintained safe and legal speeds all the way. As a special additional test during the run, two of the trucks went the entire distance without once having their engines stopped!

It's all down in the AAA record book. Never before has a new truck been so thoroughly proved. Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES!

New 283-cubic-inch Taskmaster V8 delivers 160 high-torque horsepower. Standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines. Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks—is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate the C.O.E. because they're lower, hand-somer, easier to get into and out of, and save time in routine engine maintenance. Yet they offer all C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 GCW. And Chevrolet's advanced tandem axle unit offers a built-in three-speed power divider.

The Chevrolet Alcan run was sanctioned and official results certified—by the AAA.

Proved on the Alcan Highway . . . **CHEVROLET** Champs of every weight class!

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

New Super Taskmaster V8 flattens Yukon mountains! This Series 5000 truck with its new 283-cubic-inch V8 climbed towering grades with ease.

Only franchised Chevrolet dealers **CHEVROLET** display this famous trademark
