A BRIEFING BEFORE THE TOUR is given members of the Northville Women's Club by Robert Niemi, general manager of the Burroughs Plymouth Division plant. The tour through the plant was made last Friday.

## Newlywed Bruce Butlers Make Trip To Kentucky

Palms, candelabra, gladioli and mums decorated the First Presbyterian church of Northville for the October 20 wedding of Antoinette Zakul and Bruce H. Butler.

The new Mrs. Butler is the daughter of Mr. and Mrs. Walter C. Zakul of Plymouth. Her husband's parents are Mr. and Mrs. Obie H. Butler of Neeson street, Northville.

The bride was given in marriage by her father at the seven o'clock ceremony performed by Rev. John O. Taxis. With Mrs. Bart Connors at the organ, Marjorie Thomas sang "The Greatest of These Is Love" and "The Lord's Prayer".

The bride's gown was of nylon tulle and imported Chantilly lace, with a scalloped neckline accented by iridescent sequins and pearls. The full skirt of nylon tulle had a scalloped apron of lace that softly flowed into a cathedral train.

Her fingertip veil of French illusion was held in place by a cap of nylon tulle and lace with sequins and pearls. She carried a Bible on which were white fugi mums and green and white ivy and stephanotis.

Elene Zakul was maid of honor for her sister and bridesmaids were Elaine Butler, sister of the

bridegroom, and Marjorie Byers. The three wore identical ballerina length gowns of coral crystal. Their flowers were bouquets of white fugi mums.

Bruce chose Donald Graham as his best man, and Huston Butler, brother of the bridegroom, and Richard Gray were ushers.

Mrs. Zakul, mother of the bride, selected a princess style dress of beige lace over taffeta with beige and black accessories. Her corsage was of yellow and bronze mums. A street length dress of dusty rose lace over taffeta was the choice of Mrs. Butler for her son's wedding. Her accessories were black and white and her corsage was of white mums.

Three hundred guests from Wayne, Dearborn, Detroit, Plymouth and Northville attended the reception held at the Wayne County Conservation hall.

For her wedding trip to Kentucky the bride wore a three-piece camel brown ensemble with matching accessories.

The former Miss Zakul was graduated from Plymouth high school in 1953. Her husband is a 1951 graduate of Northville high school, presently employed by a Plymouth contractor. The couple will make their home at 8445 Lilley road, Plymouth.

## Garden Club to See Wild Flower Photos

Dr. Wilbur Steinger will be the speaker at the November 12 meeting of the Northville branch of the National Farm and Garden association at the Eight Mile road home of Mrs. W. L. Howard.

Taking pictures of wild flowers in their natural habitats in Michigan and other states has been Dr. Steinger's hobby for several years.

Assisting Mrs. Howard as hostesses will be Mrs. W. H. Cansfield, Mrs. R. G. Nelson, Mrs. E. V.

Ellison, Mrs. Howard Meyer and Mrs. Ralph Hay, Sr.

## Woman's Club Guest To Discuss "Voice"

"Your Voice Is You" will be the topic of Michigan Bell Telephone company representative, Mrs. Frances Steencken, when she speaks to the Northville Woman's club November 16.

It will be guest day at the Friday meeting of the club.

# Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

THREE SMILING FACES make up the family of Mr. and Mrs. Fred Kester, newcomers to High street. Ruth is six, tow-haired Joan is five, and Freddy is three. Barely visible, but perched on Joan's finger is the family's pet parakeet. Mr. Kester is president of the newly organized Northville Junior Chamber of Commerce.

The Fred Kesters have been in Northville since January, but they just last week moved into their own home at 349 High street.

Mr. Kester managed the D&C store in Tecumseh, Michigan, and was transferred to the same position at the Northville branch. The new president of the new

Northville Junior Chamber of Commerce and his wife have three children — Ruth, 6; Joan, 5; and Freddy, 3. Oh yes — they also have a parakeet. Stamp collecting and golf are the interests of Mr. Kester, and Mrs. Kester, like many mothers

of small children, finds sewing occupying most of her spare time. Though the Kesters lived in Tecumseh, neither were born there. Mrs. Kester is originally from the upper peninsula, while her husband claims Kalamazoo as his home town.

## News Around Northville

Mr. and Mrs. Harold Kellogg, formerly of Northville, are now residing in Richmond, Virginia.

Attending the alumni bazaar of Highland Park General hospital today are Mrs. R. N. Niemi of Woodhill and Mrs. Ray Barber of Plymouth. Both are graduates of the nursing school.

Miss Arlene Nelson, a senior at Eastern Michigan college, was the director of a play at the school last week.

Mrs. Garrett Barry of Main street returned this week from a visit with her daughter and son-in-law, Dr. and Mrs. R. V. Brunner of Portsmouth, Ohio.

Mr. and Mrs. Clarence Stratton of Gerald street has as guests this week end Mrs. Stratton's brother and sister-in-law, Mr. and Mrs. Lawrence Goodrich of Mentor, Ohio and also Mrs. Dorothy Gunkell from Willoughby, Ohio.

Mr. and Mrs. O. Baggett took their son and daughter to the Ice Follies last Friday.

Guests at the O. Baggett home Sunday were Mr. and Mrs. Van Helemont, godparents to daughter Shirley Jean who was baptized October 7. Other guests were: Mrs. Baggett's father, C. Lute; her uncle, Fred Lute; her sister, Vera Lute, and Mr. and Mrs. Homer Lute and family.

Twenty-four guests attended a "watch and wait" party of election returns Tuesday evening at the home of Dr. and Mrs. R. M. Atchison.

The third grade class of Mrs. Upihegrove held a tea and musical program for their mothers last Monday.

H. F. Wagenschutz returned to

his home from the hospital last Friday evening.

Mrs. Recka Salow, who was in Atchison hospital for three weeks is now at the Whitehall Convalescent Home.

The new home of Mr. and Mrs. E. F. Richter, formerly of East Seven Mile road, is South Lyon.

Rick Atchison, son of Dr. and Mrs. R. M. Atchison of South Rogers street, was named squad leader and issued the rank of corporal in the ROTC battalion at Kemper Military school in Boonville, Missouri.

Named assistant squad leader with a private first class rank at Kemper Military school was Bob Watson, son of Mr. and Mrs. Earl W. Johnson, formerly of Northville and now of Detroit.

M. T. Green of Fairbrook road has just returned from a ten day stay at Ford hospital.

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

When served with baked potatoes, this cabbage dish recipe contributed by Mrs. William Rackov of 43456 Fonda street in Novi, makes a complete meal. File it now for use in the cold days ahead when hot, filling dishes are the best hunger satisfiers.

### POLISH STUFFED CABBAGE

- 1 head cabbage
- 1 pound ground meat (beef, pork or veal)
- 1 cup uncooked rice
- 1 onion (chopped)
- 1 egg
- tomatoes or tomato paste
- salt and pepper

Core the cabbage and parboil carefully removing a few leaves at a time.

Mix together the ground meat, rice, beaten egg, chopped onion, and salt and pepper to taste.

Put one or two tablespoons of mixture on each cabbage leaf and fold over.

Put rolls in baking dish or roaster. Cover with canned tomatoes or tomato paste (diluted with water to barely cover).

Bake at 350 degrees about 1 1/2 hours.

SHE JUST HAS TO PUT IT TOGETHER, and Mrs. Wm. Rackov, of Fonda street, Novi, will have almost a complete meal — Polish Stuffed Cabbage.

### Couple Plans December Rites

The engagement of Patricia Ann McGuire to Lynn T. Becker is announced by her parents, Mr. and Mrs. Robert Amos McGuire.

Mr. Becker is the son of Mr. and Mrs. Earl Becker of Timberlane avenue.

The couple plans a December 22 wedding.

**STATE OF MICHIGAN THE PROBATE COURT FOR THE COUNTY OF WAYNE No. 444,117**

In the Matter of the Estate of MAE LANNING, Deceased.

Notice is hereby given that all creditors of said deceased are requested to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon HELEN M. SWEET, Administratrix of said estate, at 765 Grace Street, Northville, Michigan, on or before the 19th day of December, A.D., 1956, and that such claims will be heard by said court, before Judge James H. Sexton in Court Room No. 1221, City County Building in the City of Detroit, in said County, on the 19th day of December, A.D., 1956 at 2:30 o'clock in the afternoon.

Dated October 8, 1956  
JAMES H. SEXTON,  
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated October 8, 1956  
ALLEN R. EDISON,  
Deputy Probate Register

Published in Northville Record once each week for three weeks successively, within thirty days from the date hereof.

**Obituaries**

**ONALEE A. HUKILL**

Funeral services were held in Perry, Michigan last Friday for Onalee A. Hukill, 44, 19205 Gerald street, who died October 30 in a Belleville hospital. She had been there for 11 days. She was born at Perry on August 26, 1912, the daughter of Henry and Florence Hasford. Surviving are her husband, William; a son, Seymour W. Cobb Perry; a daughter, Carolyn Greiser of Northville; her father of Perry; and a grandchild. Burial was in Rose-lawn cemetery.

**RANDY THOMAS ROSSELLE**

Randy Thomas Roselle, infant son of Mr. and Mrs. Pamphile Roselle, died at New Grace hospital, Detroit, October 30. He was one day old. He is survived by his parents, and grandparents, Mr. and Mrs. Charles Buttermore of Northville and Mr. and Mrs. Pamphile Roselle, of Detroit. Funeral services were held November 2 from Our Lady of Wittstock officiating. Until services the body was at the Casterline Funeral Home. Interment was in Holy Sepulchre cemetery.

**RAY CURRIER**

Funeral services were held October 29 for Ray Currier, formerly of Northville and now of Plymouth, who died of a heart ailment at Sessions hospital October 25. Mr. Currier had owned and operated a service station in Northville before moving to Plymouth in 1944. He had been a custodian at Bentley high school in Livonia before his death. Surviving are his wife, Lutie M. Currier; a daughter, Mrs. Bertha Pervine of Augusta, Michigan; a son, Fred Currier of Pontiac, and a sister, Mrs. Rene Marten of Woodstock, Illinois. Also surviving are eight grandchildren and five great-grandchildren. Mr. Currier was a member of St. Andrew's Episcopal church, Livonia. Services were held at Schrader's Funeral Home, Plymouth, with the Rev. Jay Coulton officiating. Interment was at Hillcrest Memorial Park, Jackson, Michigan.

**Dodge Four-Door Lancer for 1957**

EXTENSIVE STYLING CHANGES from front to rear give the 1957 Dodge the distinction of having more outstanding improvements than any new model in the company's history. In the Custom Royal four-door Lancer hardtop shown above, the striking rear fenders accent the styling theme for the 1957 Swept-wing Dodge. Duo-level front bumpers afford complete protection and also serve as a grille. Overall height of the Dodge Lancer hardtop has been reduced as much as five inches. Glass area of the new hardtop model is 53 per cent greater than last year.

The Studebaker Golden Hawk for 1957 was introduced this week at Petz Bros. showroom, 200 Plymouth avenue. The sleek model boasts Supercharged Power, Twin Traction, Slipstream Styling and Luxury-Level Ride. Bigger interior provides ample room for five. Three series of station wagons and 15 sedans in the President, Commander and Champion series have also been introduced.

**More New Cars  
For 1957**

The new 1957 Plymouths are low, wide, ground-hugging and powerful. They have a revolutionary new Torsion-Aire ride, said to be the most important advancement in automotive design since the introduction of independent front suspensions. The parking-turn signal light is positioned parallel to the headlight to give a dual headlight effect.

**ON THE WARPATH**—Cubs of Clarenceville Pack 279 whoop it up at a meeting of the Sunset District in Northville last week. The meeting drew more than 400 scouts. Directing the Cubs in their war dance was William Yockey, plant superintendent of the Record.

**TEAMMATES** on Northville junior high school's football team, Jay Leavenworth, left, and Steve Juday, shared honors in last week's grid contest. Jay, 14, of 588 Randolph took \$10 first prize money, while Steve, 12, of 304 Lake, won \$5. Both boys missed only the Purdue-Illinois tie, but Jay edged Steve in predicting the Detroit Lions-San Francisco score.

**Readers Speak Up:**

**NHS STUDENTS PRAISED FOR CONDUCT**

The following letter, written by the proprietor of a Detroit drive-in restaurant, was received last week by Northville school Superintendent R. H. Amerman:

Dear Sir:  
 It was my pleasure to have your school bus No. 3 in charge of Mr. (Al) Jones, stop at my place of business for refreshments on October 29. I feel that I would be remiss if I did not take time to compliment you, the man in charge, and the group themselves on their fine conduct while being served. They were without a doubt the most orderly and best behaved group of youngsters that it has been my pleasure to meet in many years.

Our compliments to all of you, and if you deem it advisable you may compliment them for me.  
 Respectfully,  
 Lloyd M. Russell

**MORE ABOUT RACE TRACK**

Dear Sir:  
 I am wondering if the people who are so interested in getting a race track in Novi have to drive Grand River seven days a week like most of us?

As for the tax we would get from it, about three years ago I was told they changed the building restrictions so that a new factory could be built. We were to get more taxes. I haven't seen them. Our roads are no better.

D. M. Parkinson

**THANK YOU, MR. SCHIPPER**

Dear Editor,  
 On behalf of the players and coaches of Northville high school I would like to thank your paper, its staff and in particular Mr. Webb for the fine coverage you have given our football teams this season. The cooperation you have received throughout this year has been the very best. The stories have been accurate, informative and a pleasure to read. We appreciate your good work.  
 Sincerely yours,  
 Ron Schipper,  
 Football Coach

**Co-op Nursery Treated to Play By Allen Parkers**

A young mother about to join a "co-op" nursery may ask: Is the nursery really worth while? Is it necessary for my child? How much of my time will it take?

Anticipating these questions, a dramatization completely organized by the Allen Park Cooperative Nursery group was presented to members of the Northville Co-op last Monday evening.

The play portrays a discussion between two old and two new members of the co-op. The story of a co-op unfolds as the new members learn how the group is organized, what the mother's responsibilities are, what the teacher's job is and what the aims and goals of a co-op are. Originally written to be a unit of study for the Michigan Child Study Commission, the play was performed for their spring planning meeting in 1954 for an audience of approximately 400.

It was later performed before the Mason, Michigan Child Study club, who voted the night they saw it to begin the Mason City Co-op.

The play took to television on October 1 when it served as the introduction to the training program of the Greater Detroit Cooperative Nursery Council on WTVS, Channel 56.

**Enrolls in ROTC At Michigan State**

A Northville student at Michigan State university has recently enrolled in the Air Force ROTC program which will lead in four years to flying duty as an air force lieutenant.

Greig Chapman, son of Mr. and Mrs. E. A. Chapman of 239 High street, will study such courses as global geography, international tensions and aerial warfare.

He also will have an opportunity to fly in air force aircraft, visit air force bases, and participate with rifle teams, drill teams and air police squadrons.

A Northville high school graduate, Chapman is majoring in business administration at MSU.

**Local Men Named To AMVETS Posts**

Three local men have been named to key positions in the AMVET state organization, it was announced this week.

Charles Trickey, Jr. of Novi will head the veterans affairs committee and will serve on the honor and awards committee.

Fred Solomon of Northville has been named to the membership committee and the veterans affairs committee.

Leo Harrawood of Novi will serve on the aviation committee. The appointments were announced by Michigan AMVETS commander Edmund Gulewicz.

**Auxiliary To Hear Girls' State Reports**

Reports of girls who attended Girls' State will be given at the next regular meeting of the American Legion Auxiliary November 14. They will begin promptly at 8 p.m.

On November 11, auxiliary women will join Legion members in delivering service baskets to veterans at Maybury, in honor of Veterans' day. Anyone desiring to join them is welcome.

**SUNDAY SELLING**

Last week's Time magazine brought to the attention of their readers the hot dispute on Sunday selling. Chain stores of all sorts are beginning to keep their stores open on Sunday.

Some auto dealers report that 50 per cent of their business is on Sunday. One Cleveland housewife says, "Getting up last Sunday and shopping with the kids after a slow breakfast is fun. It's like going to the fair."

The president of "World's Largest Ford Dealer" in Chicago said, "It's no sin. As long as saloons are open on Sunday, I don't see anything wrong with selling automobiles."

Sunday selling cannot help but hasten the moral breakdown of our nation. Mark 2:27 says "The Sabbath was made for man, and not man for the Sabbath".

In other words it was ordained for man's physical and spiritual benefit. A day where he could set aside the business and cares of daily toil that he might rest the body and refresh his soul. Surely a nation who so recently voted to add "Under God" to its pledge ought to be respectful enough to set aside the day as a special day for rest and worship.

I urge you to keep Sunday the holy day under Grace by refraining from buying and selling on that day.

At Mock Trial:

# Murder or Mercy? Jury Can't Decide

A "mercy killer" went on trial in Northville recently, accused of murdering his cancer-stricken wife while she slept.

For two hours attorneys for the prosecution and defense placed the issues before a jury of Northville residents and admonished them to decide whether "Stephen Gregory" had slain his doomed wife in cold blood or in a moment of amnesia.

But moments after the trial ended, the defendant — and

members of the "hung" jury — smilingly rejoined a group of some 150 Northville Optimists and Rotarians and their wives who had come to see the startlingly realistic mock murder trial.

Much of the realism came from a professional cast of players that included Wayne county circuit court judge Violor Targonski and assistant county prosecutors Joseph Rashid, Ralph Garber, John Gilmore and Stephen Danielson. With Targonski and later Garber

presiding, Rashid served as prosecutor, Gilmore as defense counsel, and Stephen Danielson as defendant.

Twelve Northville residents composed the jury, while a trio of local experts took the witness stand. William Clinton, a homicide detective for the Detroit police force, gave ballistics and fingerprinting testimony. Dr. L. W. Snow, a county medical examiner, swore as to the cause of death. Dr. Robert Yoder, of the

Northville State Mental hospital, testified under rigorous cross-examination that the defendant suffered from "disassociative reaction" — or amnesia — at the time of the killing.

Except for several chuckle-evoking incidents, the trial was conducted within full legal procedure and in deadly earnest.

Prosecutor Rashid and defense counsel Gilmore, who ordinarily work together on Wayne county's criminal cases, were at each other's throats throughout the entire trial. Fully familiar with the other's methods and line of approach, the lawyers were able repeatedly to counter arguments, dispel tactics and confuse the jurors to the point where no verdict was possible.

Aside from giving the Optimists and Rotarians a vivid look at trial proceedings, the mock affair brought the controversial matter of euthenasia or "mercy killing" squarely to the fore.

Dramatic highlight of the evening probably came when Dr. Yoder underwent a brutal cross-examination on his testimony that the defendant "blacked out" during the actual killing. A veteran of more than 30 sanity hearings, the psychiatrist stuck strong to his opinion that the defendant was temporarily insane, despite Rashid's efforts to confuse and discredit him before the jury.

By contrast, the trial erupted in laughter after Dr. Snow testified inadvertently that he had performed an autopsy of the victim "on September 7". Rashid was quick to point out that "the said autopsy was apparently performed three days before the death.

EASTER IN OCTOBER? So it would seem from the perfect lily that bloomed in Miss Anne Ardahl's garden last week. What's more, three more buds were ready to bloom and even pussywillows were about to come out.

CHOW-TIME — "Chatter", a baby squirrel who somehow came into the world about five months late, guzzles warm milk while Jimmy Sanders, 5, wears a glove to make sure Chatter doesn't mistake his finger for a choice nut.

AN ACCUSING FINGER in the best courtroom tradition is pointed at "defendant" Steven Danielson by Prosecuting Attorney Joseph Rashid at a mock murder trial in Northville last week. Wayne county circuit court judge presides. Assistant Prosecutor Ralph Garber, who later sat in as judge, sits quietly as clerk.

FINAL PLANS for their 6th anniversary observance and Greater Detroit Evangelism Mission program are being made by these St. Paul's Lutheran church committee members. From left to right are: Reverend B. J. Pankow, Arthur Schnute, Fred Sterner, Jr., Chairman Floyd Taylor, Roy Marz and Ralph Williams. Stories on the November 11 through 15 plans of the committee may be found elsewhere in this edition.

## Balmy Days Baffle Even Mother Nature

Those who were amazed at last month's magnificent Indian Summer can take consolation in the fact that even Mother Nature was somewhat confused by her own handiwork.

So confused was she that the good Mother came up with two undeniable signs of spring — a full six months before (or after) she should have.

East of Northville, there suddenly bloomed — in all its April glory — a perfect Easter lily.

What's more, other strange things are happening nature-wise in the garden of Miss Anne and Miss Bessie Ardahl, 19261 Newburg. Three more lilies are ready to bloom. Strawberries are in blossom. And even pussywillows are beginning to peek through, yawning — to themselves, "My, what a short winter."

In Northville itself, there appeared a second — and highly-vocal — indication that even Mrs. Nature can't keep the seasons straight.

He is "Chatter", a baby red squirrel who wholeheartedly lives up to his name. The noisome youngster was discovered by Mrs. Harry Sanders, 504 North Center, clutched firmly between the jaws of a pet cat. Apparently Tabby

too couldn't believe that baby squirrels come along in the fall. "Must be a mouse," the cat evidently decided, and went to work to dispatch the squirrel forthwith.

Mrs. Sanders timely rescue saved "chatter", however, and the little orphan now spends his time guzzling warm milk and loudly relating the tale of his brush with death.

We got it!  
We got it!

# Newest Buick Yet

YOU know all that talk you've been hearing about the 1957 new car models being really new?

Well, in the case of the 1957 Buicks it's true — gospel true.

We mean these 1957 Buicks are new in the precise and literal sense. We mean new from the ground up, and from gleaming grille to sassy taillights.

We mean new lowness, new styling, new bodies, new windshields, new controls, new safety-padded instrument panels, new safety steering wheels, new seating, new fabrics, new colors.

We mean new front end, new rear end, new frame, new braking, new steering, new handling, new riding, new roadability — a whole new chassis of greater solidity and safety.

We mean V8 engines new from the crankshaft up — engines that deliver an all-time high in horsepower and

compression from their 364-cubic-inch displacement.

And we mean, most of all, an advanced new Variable Pitch Dynaflo\* — so instant in the starting range — so utterly smooth and so totally full-range in "Drive" — that your need for "Low" is practically eliminated.

So come take in these low-silhouette, these boldly beautiful, these instantly obedient Buicks for 1957.

Then you'll see why you can't blame us for being so fired up about it all — and how catching this excitement can be.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

# Northville Sings Praises of Mustangs -- New W-O Champs

## Doctors Thanked

Northville Coach Ron Schipper this week expressed his thanks to three local doctors who have attended Northville games regularly this season to look after injured Mustang players.

"The services of Dr. O. J. Robinson, Dr. R. M. Aichison and Dr. L. D. Snow have been appreciated by all of us — players, coaches, and especially parents," he said.

"It's reassuring to know that if Northville players are injured — such as "Cap" Pethers and Larry Clark — the doctors are there to give them medical care and calm their worry," Schipper said.

"It has given confidence to the players, taken a burden off the coaches and been a great relief to parents," he added.

## Blitzkrieg Ground Attack Dumps Brighton, 25-7

A roaring ovation filled the crisp autumn air at Ford Field Friday night as Northville hailed its marvelous Mustangs — the newly-crowned champions of the Wayne-Oakland League.

Down on the field, Mustang helmets flew into the air and Coaches Ron Schipper and Dutch VanIngen threaded their way across the gridiron, quietly accepting congratulations at each step.

With still one game remaining, the Mustangs had wrapped up the championship of the cut-throat Wayne-Oakland league with a

blitzkrieg ground attack that humbled Brighton 25-7. The Mustangs won the contest in what has come to be an almost typical manner — a calm, methodical, grind-it-out game suddenly broken open with lightning thrusts toward the goal.

As has been their habit recently, the Mustangs relied heavily on the spectacular running of halfback Dick Biery and the staunch defensive work of their massive line.

Only once did Northville let up — during a third-quarter Brighton drive for 76 yards that gave the visitors their only score. Other than that, Northville scored almost at will and played near-flawless football in between touchdowns.

With Biery and fullback Gary Holman leading the attack, the Mustangs moved for 354 yards on the ground. Their sparsely-used aerial attack brought another 80, for a total yardage of 434.

Brighton, on the other hand, was held to 169 yards in the one-sided affair.

Biery again was the game's individual star. His record for the night — one touchdown on a 25-yard pass from Bell.

—159 yards rushing in 14 carries, for an 11-yard average.

—66 yards on three pass receptions.

—a 72-yard dash that set up a Northville touchdown.

—and a 28 yard pass play that came one step from another score.

Northville jumped off to a quick lead, but only after a Brighton back had streaked 57 yards to the Mustang 17. Northville held, and took over on a fumble.

From then on, Northville banged out three quick touchdowns.

With Biery and Holman driving, the Mustangs roared 75 yards for the first marker. Bell pushed over on a quarterback sneak, with the entire Mustang line surging across the goal ahead of him.

Three minutes later, Biery took a handoff and streaked 72 yards to the Brighton 8. Dave Adams

WHOA BACK — Typical of the Northville defensive work that held Brighton to 169 yards Friday night was this pile-up. Center Bob Wagenschutz (51) is on top of the heap, making sure that Brighton goes nowhere.

moved into the end zone on the next play.

Before Brighton could catch its breath, Northville intercepted a pass on the Brighton 29. Bell passed to Biery for 25 yards, and on the next play handed off to Biery for the score.

The hungry Mustangs nearly scored again before the half was up. Biery took a pass from Bell and went 28 yards before being dropped by a shoestring tackle on the Brighton 16. The half ended three plays later.

Brighton seemed to have recovered from the shock when it took the field in the second half. Slipping into the end zone, halfback Dave Lavan took a 13-yard pass to cap a 76-yard drive and give Brighton its only score.

Early in the third quarter, after showing its only spunk of the game, Brighton tired. A fumble on its own 27 gave Northville the ball again, and in four plays Bell once more crashed across behind the big Mustang line.

That was the end of the scoring, though Northville put on two more drives of 34 yards each. One fizzled to a halt deep in Brighton territory, and the other was cut short by the final whistle.

SHOOTING A DEER with a bow and arrow is getting to be old stuff to Alfred C. Parmenter of 727 Thayer boulevard. Parmenter shown above with his kill, downed the 112-pound doe last week while hunting at the lodge of Nelson Schrader, east of Gaylord. Parmenter shot the doe from 85 yards away. Three years ago he shot a buck with bow and arrow. Parmenter was hunting with his wife and Mr. and Mrs. Schrader, also of Northville.

# FOOTBALL CONTEST

## WIN CASH PRIZES!

IT'S FUN... IT'S EASY... ANYONE

CAN WIN... NOTHING TO BUY!

**\$10<sup>00</sup>** First Prize **\$5<sup>00</sup>** Second Prize  
**EVERY WEEK**  
 • HERE'S ALL YOU DO:

In each of the 11 spaces provided below place a circle around the team you believe will win. Be sure to pick a winner in all 11 games. Note that in one game it is necessary to pick the probable score. This will be used only in case a tie occurs and then the contestant whose score is closest to the actual score will be declared the winner.

All entries must be postmarked not later than 5:00 p.m. Friday. Entries may also be brought directly to The Record office before 5:00 p.m. Mail your entries to: Sports Dept., The Northville Record, Northville, Michigan.

Enter just once each week, but you may enter as many weeks as you desire. In case of ties, prize money will be split. Be sure to write your name, address and phone number plainly in the space provided. Free entries are available at the Record. Employees of the Record or sponsoring merchants are not eligible to enter.

## New Task-Force 57 Chevrolet Trucks!

They "flattened" Yukon mountains with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous ALCAN Highway to Alaska—in less than 45 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!

Whatever your job, there's an Alcan-proved Chevrolet Task-Force truck ready right now to save you time and money!

Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they hummed along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!

Alcan run supervised, certified by the AAA.

Proved on the Alcan Highway Champs of every weight class!

## Only W-O Battle Left Now Is Over Runner-Up Spot

West Bloomfield will do battle Friday night against champion Northville in a game that will see the Keego Harbor school end its season either in second place or a tie for fourth.

Northville and West Bloomfield are the only two teams to have games left on their league schedule. All other Wayne-Oakland teams play non-conference games.

If Northville wins, the league will have the unusual situation of all teams but the champion being beaten at least twice and most of them three times. The topsy-turvy results this year have seen a complete reshuffling of standings after almost every Friday night.

## Win Ends Season For Junior High

Northville's junior high grid-ers ended their season last week with a 3-2 record by dropping Clarenceville, 20-13.

Kent Frid sparked the Northville squad with two lightning touchdown dashes — one for 55 yards, the other for 86. Bob Bryant scored the third tally on a 74-yard jaunt.

David Hay converted twice for Coach Jim Madigan's charges. 177.

## Wayfaring Pointer Back in Northville

A wandering bird dog recently was returned to its Northville home after some lengthy and puzzling travels.

The dog, a pointer owned by Russell Sears, 407 Yerkes, was found running loose at Gratiot-Saginaw state game area (by three hunters from Ohio. The hunters notified two Conservation Department game men who picked up the dog and transported it to Rose Lake wildlife experiment station near East Lansing. There, game workers fed and cared for the frightened animal while they tried to locate the owner through the Northville license the dog was wearing.

When notified of the dog's whereabouts, Sears gratefully claimed him at Rose Lake and told how the dog had been lost three weeks earlier during the opening day of the grouse season near St. Helen—more than 75 miles north of the Gratiot-Saginaw area where it was recovered.

## Senior Girls Win Speedball Crown

G.A.L. speedball came to a close October 22 as the senior team won the championship by defeating the junior team in a playoff.

Bowling started last Monday and Wednesday. Teams signed up for the sport at a special meeting held during school recently. The use of the Northville Bowling alley was confirmed and practice started Monday.

# THE NEW Pontiac is Completely New from Power to Personality!

Fresh from 100,000 miles of testing, the '57 Pontiac goes on display tomorrow! Even a brief once-over of Pontiac's sleek new styling tells you that you're in at the start of a revolution. Those taut, wind-tunnel lines literally point the way for the others to follow.

And there's plenty for them to follow—a carload of engineering "firsts"—all polished to watch-work perfection in the toughest test ever given a new car.

A prototype of this '57 Pontiac pounded the road through 100,000 miles of tests over country lanes, city streets and superhighways.

Through it all Pontiac engineers refined and perfected every facet and feature. They made Pontiac's big, new power plant even more efficient than its predecessor, the engine that set over fifty new world records and led all eights in miles per gallon! They perfected the new suspension system, new controls and new Strato-Flight Hydra-Matic\* to give you the smoothest riding, easiest handling—and safest—new car ever to hit the road!

Try it . . . sample in a single mile all that's been proved by 100,000 miles of testing.

\*An extra-cost option.

AND THE FIRST CAR AT ANY PRICE WITH . . .

**STAR FLIGHT BODY DESIGN**—a Pontiac Exclusive—longer and lower than ever before—the year's most distinctive new automotive styling.

**NEW INTERIOR STYLING**—the "Off-the-Shoulder" Look—a fashion "first" for '57—perfectly color-matched with the exterior of your choice.

**NEW STRATO-STREAK V-8**—270 h.p. in the Star Chief and Super Chief, 252 h.p. in the Chieftain—with smoother Strato-Flight Hydra-Matic.

**CLOUD-SOFT, LEVEL-LINE RIDE**—the ride sensation of the year—a new suspension system based on a big 124- or 122-inch wheelbase.

3 POPULAR-PRICED SERIES—Star Chief • Super Chief • Chieftain.

## Church To Observe Education Week

The First Methodist church will be host to members of the school system Sunday evening, November 11 at 7 p.m.

The event is sponsored each year alternately with the First Presbyterian church as the religious emphasis of National Education Week.

Speaker for the occasion will be the president of Adrian college, Dr. John H. Dawson, who will speak on the subject "The Teacher and The Community". Paul Beard, chairman of the Official Board of the host church, will give the welcome with Russell Amerman, superintendent of schools, responding.

After the service in the Sanctuary, there will be a tea in Fellowship Hall.

## Artists Portray Northville in Paint

Northville will be put on canvas during the next few months.

A series of painting—showing both the city's growth and its old historic sights—will be done by members of the Three Cities' Art club in preparation for its spring exhibit.

A similar series of paintings will show scenes of Plymouth and Livonia.

The club is composed of enthusiastic amateur and professional artists who live in the three communities. Mrs. Hilda Sands of Northville, a well-known artist both locally and in Detroit, is president of the group.

**What Northville Girl Scouts Are Doing**

**BROWNIE TROOP 3—**  
Thursday, October 18 was a beautiful autumn day to hike to Panmenter's Cider Mill for cider and doughnuts, a treat of Mrs. Hall's. On returning to the Presbyterian church for taps, Mrs. Hall announced that she and Mrs. Crump would plan a "surprise meeting" for next week.

**GIRL SCOUT TROOP 6—**  
Members of Troop 6 invited their mothers to their investiture Wednesday, October 17. Refreshments of tea, coffee, milk and cookies and candy were served. The meeting was closed with a circle.

**GIRL SCOUT TROOP 12—**  
At their last meeting, Troop 12 went on a hike and picked wild flowers. At their next meeting, the girls will have a guest who will show them how to make bouquets of them. The meeting will be at Mrs. Langtry's home.

**GIRL SCOUT TROOP 17—**  
Further plans for attending Girl Scout camp were made at the last meeting of Troop 17. Each patrol decided when it would be called and that sashes would be worn.

**GIRL SCOUT TROOP 19—**  
Troop 19 met Wednesday and made plans for a Halloween party. Patsy Riley brought the nibble box. Later they did some square dancing and closed the meeting with the Friendship circle.

Rev. Martin L. Frenk

## Joliet Pastor to Address St. Paul Misson Services

The Rev. Martin L. Frenk of Joliet, Illinois, has been assigned as the guest missionary for the special Preaching-Teaching-Reaching Mission which will be observed by St. Paul's Evangelical Lutheran church of Northville during the week beginning this Sunday.

About 50 other Lutheran churches of greater Detroit are participating in the same effort.

In addition to the Sunday morning service, services will be held nightly, Sunday through Thursday at 8 p.m.

Monday night will be set aside especially for the men of the church, Tuesday for the ladies, Wednesday for the youth, and Thursday for the children.

## Parishioners Meet To Approve Budget

Parishioners of the First Presbyterian church were called to the annual corporate meeting of the church last night, presided over by Rev. John Taxis.

Members were called upon to approve a current expense budget of \$29,734, prepared by the finance committee, and a benevolent budget prepared by Treasurer Ray Van Valkenburgh.

The benevolent works of the church include chaplaincies at Maybury Sanatorium and the Northville State hospital, community houses in Detroit, a Presbytery in Iran, support of Alma college and a Presbyterian home for the aged.

Following approval, the stewardship campaign will begin under an executive committee of deacons, composed of William Davis, chairman; Fred Hart and John Begie.

Also to be considered last night were a unified budget proposal, a recommendation of the board of trustees and the report of the nominating committee, Mrs. Alice Eaton, chairman. Rev. John Taxis presided at the meeting.

The Rev. Frenk is co-pastor, together with his father, of St. Peter's Lutheran church of Joliet, Illinois. He was graduated from Concordia Seminary, St. Louis, Missouri in 1947. While a student there he served as organist at several Lutheran churches, was a member of the library staff of the seminary, sang with both the St. Louis Lutheran Hour A Cappella Choir and the Seminary Chorus, and played a 15-minute organ program every day over Station KFUP located on the

## from the PASTOR'S STUDY

The Rev. John O. Taxis, Pastor  
First Presbyterian Church, Northville

A POST-ELECTION PRAYER  
"The shouting and the tumult have died"...the peoples of a great Nation have spoken their will...they have declared their leader! The time is now therefore for all people within the scope of this electorate to join heart and voice in supplication toward God our Father that He may continue to find within us cause for His Continued Blessings. To that end therefore let us join with the Psalmist of old in these thoughts for Divine guidance:

"Blessed is the man that walketh not in the counsel of the ungodly; Nor standeth in the way of sinners Nor sitteth in the seat of the scornful. But his delight is in the Law of the Lord And in his law doth he meditate, Day and Night..."  
Psalm 1

This we, the people, offer for the inner strength of our President and those he counsel with him.

And for their strength of judgment we further offer the answer of another great statesman to God:

"And now O Lord, My God thou hast made Thy servant king...and I am but a Little Child; I know not how to go out Or Come in. And thy Servant is in the midst of thy people which thou hast chosen, a great people, that Cannot be numbered nor counted for multitude. GIVE THY SERVANT, THEREFORE AN UNDERSTANDING HEART TO JUDGE THY PEOPLE; THAT I MAY DISCERN BETWEEN GOOD AND EVIL; FOR WHO IS ABLE TO JUDGE THY GREAT PEOPLE?"  
I Kings 3:7-9

"And the speech pleased the Lord!"...to this end we offer the

**New Applications  
For Academies  
Now Being Taken**

Young men may now apply for appointments to three of the four U.S. service academies, Congresswoman Martha W. Griffiths of the 17th district announced this week.

Appointments to the Naval Academy, the Air Force Academy and to the Merchant Marine Academy are available to qualified young men of the 17th district, Mrs. Griffiths said. There are no vacancies for the 17th district this year for West Point.

Young men should be between the ages of 17 and 21, single, an American citizen, and a high school graduate.

"This is a wonderful opportunity for qualified young men in our district to obtain an outstanding education and to serve their country. Our service schools are among the finest in the world."

Under a new law nominations for the Merchant Marine Academy are being made by members of Congress this year for the first time, Mrs. Griffiths said.

Interested young men may apply to Mrs. Griffiths at her district office, 16849 Grand River, Detroit 27. The telephone number is BRoadway 3-9151.

**Nightly Bout is a Habit  
With 'Pops' and Rooster**

There's nothing quite like a good fight before going to sleep for the night.

At least that's the opinion of a couple of burly Grand River residents — a frazzled wild rabbit named "Pops" and a smart-aleck rooster who prefers to be anonymous.

During the day, the two scrappers seem to be the best of friends. Or perhaps they just stay clear of each other. But in any case, they live their daily lives in comparative quiet behind Jansen's Drive-In on Grand River.

But as dusk falls, a startling Jekyll-Hyde change comes over them. Pops' bedraggled brown coat starts to bristle and a formidable look comes to his eyes. The rooster develops a twitching comb and fairly spoils for a fight.

Tension fills the air as the combatants approach each other. Their audience — usually consisting of an amused duck, a somewhat bored hound, a hero-worshipping hen and any number of amazed humans — waits for the one-round affair to begin.

With a sudden flurry of feathers and fur, Pops and the rooster engage in combat. Dust billows up from the gravel driveway and above it there comes a glimpse of the two duellists — locking in battle some three feet off the ground.

For all their aggressiveness,

however, neither Pops nor the incognito rooster ever suffers much. There seems to be more feinting and finessing than actual blows. (Some have even claimed the fights are fixed beforehand, but their managers deny this wholeheartedly.)

In two months of daily competition, neither grappler has inflicted much noticeable damage to the other aside from an occasional lost feather or scrap of fur.

"In fact," says one steady fan, "I kind of think they've really lost interest in the bouts. It's now just a matter of pleasing their fans."

**New kind of Ford makes record run  
of decisive importance to '57 car buyers!**

A new 1957 Ford traveled 50,000 miles at an average speed of better than 108 mph... including all pit stops... to smash 458 National and International records in a single test! Never before has any car been so severely tested... so successfully proved!

Just recently—on the Bonneville Salt Flats in Utah, two new '57 Fords completed the most exhaustive endurance test in history—under supervision of the United States Auto Club and the Federation Internationale de Automobile. They were Ford-prepared pre-production models, exact duplicates of models which your Ford Dealer now has for sale.

These Fords completed the 50,000 mile run in less than

20 days. One averaged 108.16 mph for the entire run... the other over 107 mph. These averages include time for all pit stops.

The test shows without qualification what Ford's new Thunderbird V-8 engines\* will do. But this was no mere demonstration of speed! It was a convincing demonstration of the superior quality of the whole Ford car.

It shows the superior endurance of Ford's running gear, brakes, body materials, steering—every part of the car. For without such built-in stamina, Ford could never possibly survive such torturous treatment.

Such a test can't help but make the decision easier for people who prize truly outstanding performance and durability in a new automobile... and who want the fullest possible value from their new-car dollars.

\*Available in a wide range of horsepower to meet every need. Includes a special 270-hp Thunderbird 812 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 812 Super V-8 engine delivering up to 286 hp.

## Council Officers Visit U-M

High school student council officers from many cities and towns in Michigan met at the University of Michigan in Ann Arbor October 30 for a National Student Council Day.

Northville high delegates to this meeting were Janice Howarth, mayor of the Student Council, Judy Junod, secretary, and Jim Hammond, treasurer.

The students met in the impressive Rackham Lecture Hall where they heard a lecture on general student council business. After the lecture everyone disbanded and formed smaller discussion groups in order to talk over new ideas and old obstacles to a student council's proper functioning.

They "hashed over" such problems as school morale, how to launch a new student council in a school which does not have

one, how to finance a student council, what projects a council should sponsor for raising funds and other purposes, and how to make council meetings more interesting to the members. The students felt this portion of the program was the most profitable in new and worthwhile plans to use back in their own schools.

**SHADY CHARACTERS** — Costumes were the order of the night at the Northville high school Halloween dance last Wednesday, as students dressed to resemble everything from a grizzled hobo to Mickey Mouse.

## Halloween Was Surprise To Exchange Student

(The following account of Halloween was written by Hedi Tritthart, an exchange student from Austria who is living with Mr. and Mrs. Al Jones.)

Halloween was a holiday about

which I hadn't heard in Austria. I was very anxious to see what this holiday was going to be like, since already, weeks ago, my "sisters" and "brothers" talked about it and tried to explain.

My brother asked every day: "When is Halloween?" and the day before we could tell him: "Tomorrow," "Oh boy," was his answer. He tried his costume on, which made him look like a red little devil, but a real cute one.

The night before, we cut a face in a pumpkin and put it on the windowsill with a lighted candle inside it. Other houses had skeletons looking out of their window and all kinds of decorations.

Halloween, the big day for every one had come at last and the whole afternoon and evening our doorbell rang. Children were dressed up like ghosts and witches. These little fairy-tale characters came and begged for candy. My brother went, of course, too, and brought home a bag full of sweets.

When I went to town, I saw lots of windows smeared full of soap. One was smeared so bad we couldn't even see through it. Windows of all the houses were dirty. This, I was told, is a custom! Poor mothers. What a cleaning they must have to do!

This holiday was soon over. I don't know if I'll ever be able to celebrate it again—I mean here in America. I liked Halloween a lot. It is a holiday that children especially like.

## Senior Linen Party Brings \$60 Profit

The senior class of Northville high school, made a \$60 profit at its linen party, last Thursday evening.

The idea was prompted by a plastic party two years ago, which also turned out successfully.

## Fourteen Students Attend U-M Debate Conference

### Assembly Features 2 Speakers, Film

The high school student body attended an assembly last Thursday that featured two speakers and a film on the production of rifles.

Janice Howarth, high school mayor, opened the program by introducing the first speaker, Dr. H. L. D. Smith, who spoke briefly on some of the civil defense problems we face today.

The next speaker, Hugh McMann, president of the National Rifle Association, demonstrated to the assembly some of the various makes and functions of rifles, shotguns and pistols. He emphasized how dangerous the rifle can be if not handled in the right way. He also pointed out the many correct and incorrect ways of handling rifles, shot guns and pistols.

A film was shown on the production of rifles and shells, pointing out the methods of making and assembling the parts of the rifle and its ammunition.

### Halloween Party Features Costumes

Witches, goblins, ghosts and a few hobos were seen at the Northville Community building last Wednesday at a Halloween party held for grades 7-12.

The Northville high school band played for the affair. Band members all wore costumes, ranging from a hula-dancer to a cowboy wearing Bermuda shorts.

Prizes were given for the best costumes. Prizes were won by Mary Welch, Marsha Rodocker and Jacqueline Campbell. However, not all students at the dance wore costumes since it wasn't compulsory.

## Many Surprises Are Being Planned In New Palladium

The Palladium staff has been working steadily on the Palladium—the NHS yearbook—for '57.

Charles Yahn, yearbook advisor, has supervised the meetings, held Monday, Tuesday and Thursday of each week.

The committee, which is composed of seniors, has come forth with several new ideas for the Palladium. For instance, they are considering the use of the school colors of orange and black for the cover of the book.

Committee members have also discussed the possibility of changing the name of the yearbook from "Palladium" to something else. But their other names and ideas are "top secret" and will not be revealed until the issuance of the yearbook.

## Commercial Club Plans Bank Trips

The Commercial club is in the process of planning several trips to various local and district banks.

The officers — Judy Junod, president; Wanda White, vice-president; Janice Kimball, secretary, and B. G. Wilson, treasurer — are leading the club in the framing of a new constitution. This is being done under the supervision of the club's sponsor, Miss Kathryn Giltner.

The club is also giving a dance December 21 and all are invited to attend.

## New Speech Correctionist Works With 130 Students

Mrs. Patricia Elias, new speech correctionist, is working with about 130 students in four different schools including the high school.

Some of the various speech defects Mrs. Elias runs across are stuttering, lisping, articulation, hearing problems and voice and breathing defects. When asked how some of these "defects" are overcome Mrs. Elias replied that no two people can be cured of a defect in one prescribed manner.

is as follows: Monday and Wednesday, Main Street grade school from 8:15 a.m. to 11:30 a.m., and high school from 1 to 4 p.m.; Tuesday and Thursday, Wayne County Training school from 8:15 to 11:30 a.m., and Amerman grade school from 12:40 to 4 p.m. On Friday, Mrs. Elias interviews parents and teachers, and brings up to date a record of each child under her supervision.

Beware of the man who talks about what he did instead of what he's doing.

Long time 36 months easy payments are available for all repair and remodel home improvements. We will help in figuring costs and assist you in your financing. Aluminum or wood combination windows and doors should be on soon. Let us quote on your requirements.

**Halloween Is Calm As Store Windows Get Worst of It**

Many store windows in Northville got a good soaping Halloween eve, but for the most part everything and everyone came through without a ghost of a scratch.

Police Chief Joseph Denton said no serious accidents or vandalism were reported. But one person received a summons and was subsequently fined for setting off firecrackers.

Merchants spent Thursday morning cleaning heavily-soaped and waxed windows, but reported that inscriptions this year ranged from "mild" to "just plain" funny, with only a smattering of unprintable comments.

Smashed pumpkins were strewn on many streets and roads, but were quickly cleaned up.

Part of the calmness was attributed to enforced police protection which patrolled the city un-

til late at night. All regular and auxiliary policemen were on duty.

Credit was given to Halloween celebrations planned for Northville youth by the Retail Merchants Association, Northville Recreation department and the Northville Optimists. From immediately after school until late in the evening, large groups of youngsters attended free movies,

planned parties and Halloween dances.

Many persons reported a surprising number of "thank you's" from young children after receiving "trick or treat" handouts. Some attributed it to school training, others home training.

# State's Resort Areas to Boost Volume

**BIGGER PROFITS** from lower prices is the new trend in Michigan resorting. The "trick" is a longer tourist season which enables resort owners to spread their cost of operation a good deal thinner.

Common complaint in the past is "We only work a five month." This refers to the period from May to September when vacationers abound. But it leaves many towns and areas with virtually no livelihood for the balance of the year.

A positive approach is now evident. In several areas of the state things are taking place which will improve the "off season"

bugaboo. These, naturally enough are encouraged, stimulated and tabulated with a good deal of satisfaction by the Michigan Tourist Council.

Skiing and other winter sports offer Michigan resort owners an opportunity to build business during seasons when things used to be "dead". Interest in skiing is picking up rapidly. In 1954-55, it is estimated that 65,000 people journeyed north to ski. In 1955-56 the number increased to 80,000.

This winter more than 100,000 snow enthusiasts are expected to visit Michigan's "winter wonderland", and to spend up to \$10 million dollars.

Outstanding in its efforts to develop skiing as a local industry is Cadillac community. There a band of local people organized one of the state's most popular ski attractions. It is called Caberfae and it brings a growing number of skiers into the Cadillac area each winter.

Caberfae enjoys fantastic success. If favored with suitable weather, this year will see more people than ever before on its slopes. Caberfae is expanding too. This winter skiers will find three new slopes, (a total of 28) new tow, electrically lighted play areas, a new lounge and ski shop. In short, everything is modernized and improved.

At least nine other ski areas are developing rapidly. They are Ward Hills, Ludington; Brule area, Iron River; Black Mountain, Cheboygan; Gay-El-Rancho near Gaylord; Snow Bowl at Houghton Lake; Lovell's and Lake Valley, both in the Grayling area; Pioneer Hills, Roscommon; Holly area in Bloomfield Hills.

"Stretching the season" to include the entire year is another solution to winter problems. Leo Murray, owner of the Murray Inn at White Lake, in west Michigan, met with wide interest when he announced the opening of the new balcony apartments. These he is offering to summer guests who want a place to stay while they return to enjoy fall, winter or spring seasons. Rooms are similar to motels but include kitchenettes.

Murray's idea received attention from the Bay City Times, which editorialized; "Old hands in resort areas have known for years that some of the finest vacations are those that come in the so-called off-season. Maybe it's only a weekend, but returning to a favorite haunt or exploring a new one can be a most pleasant experience in winter as much as any season."

Resort experts think Michigan's new trend will pay big dividends. They point to a growing tendency for people to take vacations in months other than summer. With more people, more spare time, longer vacations; with advantages of "off season" vacations promoted and made more economical than previously, they predict that resort areas are on their way up. Resort operation will become 10 or 12 month business each year instead of offering an income for only five months.

**YOUR TREES ARE IN danger** of dying of thirst, warned Karl Dressel, professor of forestry at Michigan State university. Expressing grim concern over fall drought conditions, Prof. Dressel said that thousands of trees will not last through the winter unless there is much natural moisture soon.

Homeowners can protect trees on their property by liberal watering during the next two weeks, he said. Prof. Dressel emphasized that bushes, shrubs and all trees, particularly evergreens, need this care if they are to be properly prepared for winter.

**MICHIGAN'S STRINGENT** laws for processing of sausage may cause "innocent violators" headaches but there is one re-

deeming feature. Michigan's consumption of sausage is higher than that of any other state.

Two suspensions of operations were announced by the Michigan Department of Agriculture. They were the first such penalties in several years.

One company was ordered to keep its products off the market for 10 days because they showed insufficient amounts of protein. The other suspension was for two days. This was the penalty against the company whose product showed excess water, ascorbic acid, cereal and stomach tissue in cold meats.

Companies involved serve the Kalamazoo, Coldwater, Pontiac, Caro and Benton Harbor areas.

More demanding than Federal law, Michigan's strict regulations permit only skeletal meat to be used in sausage. This means that packers in nearby states must take special care to ship into Michigan only sausage especially prepared to meet these higher standards. Now and then, a mix up in a shipping department can cause an "innocent violation".

Recommended procedure for people who want to be sure they have sausage products prepared according to highest standards, says the Michigan Department of Agriculture, is for them to always buy products made within state boundaries.

## Four NHS Alumni Attending Ferris

Four Northville high school alumni are now attending Ferris Institute at Big Rapids.

In attendance are James Clark, George Miller, Florence Raub and Norman Somers.

Trains were delayed on one of the big railroads recently when beavers felled a tree across the track.

## Challenge of Schools

To residents of Northville and Novi who take their school matters very seriously it should be of more than passing interest that next week is American Education Week.

Seven days from November 11 to 17 have been set aside to salute our nation's schools, administrators, teachers, students and parents associated with them.

To observe the week, communities the nation over are planning open houses, special programs and discussions with emphasis on particular aspects of education. A report elsewhere in this edition outlines the activities local groups have planned for the observance.

The manner in which school problems of our area have been met by administrators of both Northville and Novi indicates that they do not mean to be caught with "too little and too late" when it comes to providing proper educational facilities for our children.

This has not been true in other rapid growing communities. Half-days sessions and public buildings converted to school rooms are not unusual. Neither are they conducive to easy learning.

In Northville the zeal with which administrators, teachers and parent-groups have tackled local school problems would seem to leave little doubt that their future plans will receive enthusiastic approval. Soon residents will be given an opportunity to show their appreciation of this work and planning by granting permission—and funds—to build a new high school.

In Novi alert administrators have taken the initiative by proposing—and gaining—consolidation of a new school district. They point out that this will pave the way to proper planning of adequate educational facilities for Novi's rapidly expanding populace.

In the light of these activities it would seem that during American Education Week we might pause long enough to say "well done". But less anyone of us should feel ourselves become complacent with the ever-growing need for more and better education, we'll add "keep up the good work".

DEPOSITORS STATE BANK NORTHVILLE, MICHIGAN

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

To Our Shareholders:

You are hereby notified that on Friday, December 7, 1956 at nine o'clock A.M., Eastern Standard Time, pursuant to action of the Board of Directors, a special meeting of the shareholders of this Bank will be held at its office at 129 E. Main Street, Northville, Michigan, to consider and vote upon the following proposal and matters incidental thereto which properly may come before that meeting:

1. Ratify, confirm and adopt the Agreement of Merger heretofore entered into on behalf of this Bank (pursuant to authorization of its Board of Directors) with The Manufacturers National Bank of Detroit, Detroit, Michigan, dated November 1, 1956, whereby Depositors State Bank will merge with and into The Manufacturers National Bank of Detroit pursuant to authorization given by and in accordance with Sections 4 and 5 of an Act of Congress of the United States entitled "An Act to Provide for the Consolidation of National Banking Associations", approved November 7, 1918, as amended (Title 12, U.S.C., Sections 34b and 34c), the name of the resulting institution after the merger to be "Manufacturers National Bank of Detroit."
2. To authorize the Board of Directors of this Bank to take such action and give such authorization to the Officers of this Bank as said Board of Directors may deem necessary or advisable in order to determine whether the conditions precedent to the completion of such Agreement of Merger have been satisfied, and to take such other and further action and give such other and further authorizations to the Officers of this Bank as said Board of Directors may deem necessary and advisable in order to carry out the provisions of such Agreement of Merger.
3. To transact such other business incidental to the foregoing proposals as may properly come before such meeting or any adjournment or adjournments thereof.

John F. Stubenvoll, Cashier

November 5, 1956

A copy of the Agreement of Merger referred to in the above notice to be offered for your consideration and vote at the aforesaid meeting is on file in the office of the Cashier of this Bank and may be examined by any shareholder at any time during office hours prior to the aforesaid meeting.

Whether or not you contemplate attending the meeting it is suggested that the enclosed proxy be executed properly and returned promptly. If you attend the meeting you may withdraw your proxy.
