

New NHS Bond Issue Faces Voters Next Month

OPTIMIST OF THE YEAR — Police Chief Joseph E. Denton was honored Monday by Northville Optimists for his work with Northville boys during the past 13 years during which he has served with the Northville police department.

Chief Denton Is Honored As 'Optimist' of the Year

Police Chief Joseph E. Denton, whose career has included service in the Boer War and duty with the Royal Canadian Mounted Police was honored Monday as the Northville Optimist of the Month.

Chief Denton received the honor for his outstanding work with Northville boys.

The occasion was marked by a joint meeting of the Northville Optimists and Northville Detroit Optimists at a Detroit restaurant. Chief Denton was presented an engraved copy of the Optimist's Creed and a plaque citing him for his work with youth.

In his 13 years with the Northville police department, Chief Denton has begun and supervised all Junior Police activities of Northville youth. More than 875 boys have participated in the program under him, including 100 at present.

For them he has organized such events as annual Christmas parties and trips to Detroit Tiger games, police field days and circuses.

Chief Denton also has charge of establishing and training traffic police in Northville schools. Born in England, Chief Denton served as a bugler with the South African Mounted Police in the 1903 Boer War. He went to western Canada in 1904 and joined the Royal Canadian Mounted Police.

He entered the regular army during World War I and served for 14 months, rising to the rank of major.

He came to the U.S. in 1921 and worked on a stock farm and dairy in the Northville area.

Police Calls Higher This Past October

Police calls in Northville increased slightly last month compared with October of last year. Figures compiled by police chief Joseph E. Denton showed that Northville police answered 119 calls last month against 110 a year ago.

Denton's report also showed a 700 percent jump in the number of parking violations issued, as the figure rose from 36 to 213. There was a sharp 82-54 decline in traffic violations, however.

Only six accidents were investigated last month as compared with 10 last October.

Decreases were also shown in juvenile cases (2-1), missing persons, (2-1), stolen autos (1-0), uttering and publishing (5-1), dog bites (2-1), petty larceny (8-2), prowler cases (2-1), forgery (2-0) and summons issued (79-53).

Increases were recorded in grand larceny (0-1), breaking and entering (0-2), stolen bicycles (1-3), arrests (6-7) and court cases (6-7).

A total of \$873 in fines were collected last month as compared with \$503 in October of last year.

Novi Voters to Elect Permanent Board For School District

A special election to name a permanent five-member school board for the newly-formed Novi community school districts will be held December 18.

The election was called last week by a temporary school board appointed for 45 days by the Oakland county school superintendent.

The action followed the recent consolidation of four Novi township school districts — Novi 8, East Novi 2, Putnam, and Durfee — into a new district known as District No. 1 Fractional, Novi and Farmington townships. It will commonly be designated as "Novi community school district."

The five temporary officers appointed last week are:

—president, James Mitchell — former president of the Novi 8 school board, and a holder of a University of Michigan masters degree in school administration.

—secretary, Georgia Larson — a Michigan State graduate and a former secretary of the Novi 8 school board.

—treasurer, Kenneth Bernard — former secretary of the East Novi 2 school board.

—trustee, Arthur Heslip, former member of the Durfee district board of education.

—trustee, Ross Correll — former industrial arts teacher and former member of the Putnam school board.

Petitions for the election may be obtained from Novi school superintendent William Medlyn and must be filed with Mrs. Larson by 4 p.m. November 26.

Medlyn said two terms will be for three years, two for two years, and one for one year. All terms will officially begin next July, however, and will run until July of the expiration year, he added.

Voters will cast ballots only for positions on the school board, Medlyn said. The five members will vote among themselves for the particular officers.

The temporary board last week took over all duties and responsibilities of the four former districts and signed Medlyn to a new three-year contract as superintendent of the new district.

Christmas Checks Hit Record \$117,149

Welcome Christmas checks will arrive in 1192 mailboxes today—for the foresighted people who began saving last year at this time.

John F. Stubenvoll, cashier of Depositors State Bank, announced that a total of \$117,149 was mailed yesterday to the 1192 members of the Christmas Club. The total breaks last year's record by over \$4600.

Applications for Christmas club savings for next year will be taken beginning today (November 15).

Board Postpones Zoning Of Proposed Track Site

That old bugaboo "race track" popped up again Monday evening to haunt members of the Novi township board.

In a regular meeting that breezed along in routine fashion members suddenly found themselves snagged when the question of rezoning some 600 acres north of Grand River between Meadowbrook and Seeley roads from M-1 to M-3 took its turn on the agenda.

An audience of approximately 30 persons sat quietly until Supervisor Frazer Staman asked the board to consider the rezoning. At this point a silence fell over board members and audience alike. The lull was short-lived, however, as an hour-long barrage of questions and explanations finally ended in tabling of the matter.

First to speak on the question was Clerk Hadley Bachert who asked if he was correct in assuming that board members were voting on "rezoning, not approval of a race track."

Trustee Frank Clark then asked, "what is the procedure if we rezoned the property. Will those opposed to the track get a chance to vote?" Other questions in this vein followed from the floor before Attorney Archie Leonard began the first of a series of explanations and legal opinions.

Stating that in zoning procedures each particular case is weighed on its own merits, Leonard gave the opinion that the "safest action for persons opposed to the track is to petition for a vote on the re-zoning action within 30 days of the action." This

opinion was given in answer to a question by Treasurer Charles Trickey who asked if it were not true that "once we rezone it, there's nothing that can be done to oppose a track."

Leonard further explained that if the property were rezoned and later a track permit was sought for the site, those objecting to the track could appeal to the zoning board of appeals. "The zoning inspector could also deny the permit, if he did not feel the business complied with the zoning ordinance," he added.

Leonard was asked from the floor if it would be possible to approve the rezoning with an amendment prohibiting a race track. He said this was possible, but questioned the legality of prohibiting a legitimate business which met the requirements of the zoning.

After an opinion by Supervisor Staman that the public would have an opportunity to vote for or against a track if, and when, such a permit was sought, Leonard stated that he would rather have more time to study the problem.

The board then agreed to postpone action on the rezoning until the December meeting. It appeared that the board was ready to approve the rezoning for heavy industrial purposes if this action did not eliminate the possibility of an election by the people.

On October 19 the township zoning board gave its approval to the rezoning amid a shower of questions from a capacity audience at the Community building.

NEW LICENSE PLATES went on sale throughout the state yesterday. Northville distributor of the maroon-and-white plates will be John Litsenberger (above) who advises all vehicle owners to get their plates early, well in advance of the February 28 deadline.

1957 License Plates on Sale

The new 1957 license plates are on sale now, and the man who distributes them in Northville has just one bit of advice: the sooner you get 'em, the better.

He is John Litsenberger, who operates a service station on North Center street and has handled new license plates for the past three years.

Litsenberger and hundreds of other distributors throughout

"Lady Mayor" Wins Good Citizen Award

The "lady mayor" of Northville high school has been selected as the student to receive the "Good Citizen" award of the Sarah Ann Cochrane chapter, DAR, of Plymouth and Northville.

Members of the faculty selected Janice Howarth of Seven Mile road, from three girls chosen for the award by the senior class. Janice will be given an examination on American history and civic improvement by High School Principal E. V. Ellison. She will be competing with other local winners in the state for a \$100 savings bond.

"Janice is a very outstanding young lady and deserving of the honor bestowed upon her," Ellison said.

A "good citizenship" pin will be presented to Janice next February at a tea to be given in her honor by the local chapter of the DAR. She will also join other winners at a luncheon in Grand Rapids next March, when the state winner will be announced.

Entries Pouring In For Photo Contest

Entries are pouring in for the "free-for-all" amateur photo contest sponsored by the Northville Optimist club.

The contest is under the auspices of the two Northville camera clubs who will act as judges at an Optimist dinner meeting November 28.

Contestants are reminded that they will be limited to four 35mm slides for each entry, and that the first 200 slides entered will be shown at the November 28 meeting, with the balance used in a later contest.

It is important that entries be left in a sealed envelope at the Record office before Saturday noon, November 24.

Each slide must bear the contestant's name so that proper credit and returns may be made.

The Optimist club meeting is open at 7 p.m. to the public and all contestants, so that they may watch projection of the slides. After the contest, four prizes will be awarded to the top four winners.

Four Projects Included In \$3,000,000 Request

Months of planning for the new Northville high school will reach a climax on December 18 when voters will be asked to approve a bond issue of nearly \$3,000,000 for the building and three other projects.

Northville school officials decided last week to call the special election in December in hopes of providing relief from school overcrowding in time for the opening of classes next fall.

The \$2,934,865 package bond issue will include four projects. They are:

—the new Northville high school, including site, building and equipment (\$2,450,160).

—an eight-room addition to the Amerman school (\$274,705).

—rehabilitation of the present high school for use as a future junior high (\$150,000).

—purchase of a site for a new elementary school to be built sometime in the future (\$80,000).

Meanwhile, administrators have asked all voters to make certain they are properly registered for the vote. Persons who registered for the November 6 general election need not re-register, but unregistered voters must register either at the Northville city hall or the Northville township hall.

To become a member, men need only be between 21 and 35 and live in the Northville area. It is not necessary to work in Northville.

The junior chamber of commerce is an organization designed to cultivate social, civic and service ties with community.

The December 8 charter night program will be conducted by state JCC officers. Members of neighboring chapters will attend. The affair is open to the public.

Other officers include: vice president, Robert German; treasurer, Marle Parson; directors, Robert Green and Charles Ely; membership chairman, Charles Lapham, and publicity chairman, Paul Folino.

Calendar

November 15 — Co-ordinating Council.

November 15 — Adult Camera club, 7:30, library.

November 16 — Orient chapter, OES, business meeting, 7:45.

Worthy matron Mrs. Beatrice Boldt will conduct the meeting.

November 16 — Legion feather party.

November 16 — Woman's club guest day, Mrs. Frances Steencken, of Michigan Bell Telephone company, will speak.

November 19 — DAR, home of Mrs. Carl Bryan.

November 20 — Wesleyan Service Guild birthday dinner at Methodist church.

November 20 — Girl Scout Council, 8 p.m.

November 21 — Past Matrons club, 12:30, home of Mrs. H. A. Boyden, First street.

November 22 — PTA.

The proposed Northville high school is scheduled to be built just north of the city limits between North Center and Taft road.

If the bond issue is approved, said School Superintendent R. H. Amerman, construction could possibly start early next year. Based on present estimates and barring complications, classes could probably begin in the new school in the fall of 1958.

Though plans for the structure are not yet completed, it is expected the building will be ultra-modern in design and make use of many innovations in school architecture.

With a proposed capacity of 650-700 students, the structure would consist basically of a group of small classroom units joined by enclosed corridors. Plans and artist's sketches will be shown to the public as soon as they are available, Amerman said.

The Amerman school addition is hoped to relieve crowded conditions in all Northville schools by next fall. With the addition, some present Main Street students would be transferred to the Amerman school, allowing high school students to use the vacated Main Street school facilities.

Amerman said construction of the addition also could start early next year and probably be completed in time to handle classes next fall.

Rehabilitation of the present 40-year-old high school building is becoming urgently necessary, Amerman said, and much work must be done before it can serve adequately as a junior high. Full details of the rehabilitation program are now being determined.

In proposing to purchase a site for a future school, Amerman said, the school board hopes merely to secure property while suitable sites are still available. No plans for actual construction are being considered at present, he added.

As the bond issue vote nears, school officials plan a full campaign to inform voters of the needs for the projects, details of the financing, and complete descriptions of the Amerman addition and the new high school.

Northville Optimists To Host Daughters

Members of the Northville Optimist club will play host to their daughters next Wednesday when the first Father and Daughter banquet will be held at the regular club meeting that evening.

Harold Ramm, nationally-known marionette artist in Northville and on TV, will appear.

CHAMPIONS AND THEIR TROPHIES — The four co-captains of the Northville Mustangs pose with the Wayne-Oakland League trophy (left) and Detroit Times league trophy at a football busi Monday night. Left to right are: Jim Burrell, Bud Boll, Bob Wagenschutz and Gary Holman. (See story, pictures on page 11.)

Shirley Ann Adcox Wed in Candle-light Rites

Candlelight, white gladioli and mums provided atmosphere for the October 27 wedding of Shirley Ann Adcox and Charles Pickeral. Shirley is the daughter of Mr. and Mrs. Raymond Adcox of Seven Mile road, and Charles is the son of the late Mr. and Mrs. Clarence Pickeral of Virginia.

The double ring ceremony was performed by Rev. John Taxis in the First Presbyterian church of Northville. Sara Bryant sang "The Lord's Prayer" and "Walk Hand in Hand" accompanied by Mrs. Barton Connors at the organ.

The bride wore a ballerina-length gown of white satin and Chantilly lace and carried a bouquet of white mums and orchids. Maid of honor, Jackie Ling, wore a ballerina length dress of dark blue velvet and carried a bouquet of light blue carnations. Brenda Adcox, sister of the bride, and Ruth Croll, bridesmaids, wore light blue taffeta dresses with dark blue velvet trim. Their bouquets were pink button roses.

The groom chose Dick Morris for his best man. Ted Vantall, Aubrey King, Jim Strange and Bob Mapes were ushers.

For her daughter's wedding, Mrs. Adcox chose a brown velvet dress with beige accessories and wore a corsage of yellow roses. The reception was held in the church immediately following the ceremony.

When they return from a Canadian wedding trip, the couple will reside on Main street in Northville.

Assisting the hosts were Mrs. W. H. Canfield, Mrs. R. G. Nelson, Mrs. E. V. Ellison, Mrs. Howard Meyer and Mrs. Ralph Hay, Sr. Mrs. Glenn Cummings, president, reminded club members not to forget the Thanksgiving swags for their front doors.

Garden Club Sees Wild Flower Slides

Color slides of wild flowers were shown by Dr. Wilbur Steininger at the November meeting of the National Farm and Garden Association last Monday.

Dr. Steininger's illustrated talk, given at the home of Mrs. W. L. Howard, was a spring-through-fall wild flower tour. Most of his pictures were taken on the grounds of Maybury Sanatorium, where he is a staff member.

Assisting the hosts were Mrs. W. H. Canfield, Mrs. R. G. Nelson, Mrs. E. V. Ellison, Mrs. Howard Meyer and Mrs. Ralph Hay, Sr. Mrs. Glenn Cummings, president, reminded club members not to forget the Thanksgiving swags for their front doors.

DAR Guest Speaker To Discuss Projects

The next meeting of the DAR, Sarah Ann Cochran, chapter of Plymouth and Northville, will be November 19 at 1 p.m. at the home of Mrs. Carl Bryan.

Mrs. Clarence W. Wacker, state DAR regent, will discuss various DAR projects. Assisting with the refreshments will be Mrs. Kenneth Hulsing, Mrs. Irving Blunk and Mrs. Sterling Eaton.

Children's Pictures At WIL Art Exhibit

An exhibit of pictures done by children the world over sponsored by the Art for World Friendship committee of the Women's International League for Peace and Freedom, has been on display in the Northville library for the past two weeks.

The committee was established ten years ago to enable children of different lands to become acquainted through exchange of pictures.

Children of any age can draw pictures about their lives, their homes and their friends for distribution in other countries and in turn receive one from someone his own age in another land.

Because the committee sends art supplies to children who cannot buy them, funds are solicited for this purpose and also for mailing costs.

Children interested in taking part in the project may contact Mrs. C. E. Woodruff, 589-R.

News Around Northville

George Pless of 13 Mile road is in St. Joseph's Mercy hospital in Pontiac. He expects to undergo surgery next week.

Mr. and Mrs. Parker Holden entertained Mr. and Mrs. Ed Perkins of Detroit and their daughter and son-in-law, Mr. and Mrs. Richard Hackett, of Grandview last week when they had dinner at the University Club and saw the play, "Inherit the Wind".

The ninth birthday of Cynthia Anderson, daughter of the Ronald Andersons of Ridge road, was celebrated last Sunday at a family party.

Helping Cristie Becker celebrate her fifth birthday Sunday were her grandparents, Mr. and Mrs. M. Book of Detroit. Cristie is the daughter of Mr. and Mrs. W. C. Becker of Dubuque street.

Hostess at the first of a series of fund raising card parties for the DAR on Wednesday was Mrs. Claude Crusoe of West Nine Mile road. She was assisted by Mrs. Ernest Shave. The second party will be November 30 at the home of Mrs. Carl Bryan, who will be assisted by Mrs. Maxwell Austin. Proceeds will be used for various DAR projects.

Mrs. Joseph Denton entertained Mrs. Matheson, Mrs. Holm and Mrs. Carrington for lunch Tuesday.

Dr. and Mrs. E. B. Cavell left Tuesday for Tawas City where they joined Dr. and Mrs. Ted Cavell and other guests for the deer hunting season.

A week end guest of Dr. and Mrs. E. B. Cavell was Mrs. R. W. Cavell of Dearborn.

James Rambeau has pledged Alpha Delta Phi fraternity at Kenyon college, Ohio.

Mrs. William Richards and her daughter and son-in-law, Mr. and Mrs. William Chizmar of Maxwell road went to Clarkston this week to celebrate Mrs. Richards' birthday with her son, the Rev. William Richards of the Methodist church there.

Mr. and Mrs. Eural Clark visited Mrs. William Heeney in Marlette last week.

Mr. and Mrs. George Price of North Center street attended the football game at East Lansing last Saturday and afterwards had dinner at Kellogg Center.

Twenty-one guests gathered at a shower at the home of Mrs. Del Hahn last Friday to honor bride-to-be Nancy Littell.

Cliff Turnbull, G. T. Barry, Charles Freydl, Sr. and Charles Freydl, Jr. left Wednesday for a deer hunting trip in northern Michigan.

Mrs. Mark Gardner of Randolph street was called to Detroit.

Couple Wed In Florida Rites

Harry B. Bray and Maude C. Arthur were united in marriage in the chapel of the Community church of Miami Beach, Florida, November 1.

Serving as bridesmaids and best man were Mr. and Mrs. Wilford A. Ely of Dania, Florida, the daughter and son-in-law of Mrs. Bray.

The couple were later honored at a reception at the Boulevard Hotel by Mr. and Mrs. Ely and son, Kurt. Mr. and Mrs. Bray expect to return to Northville next May and will live on West Seven Mile road.

AAUW to Hear School Reports

Reports from four of the committees of the Plymouth Community School Planning Group will be presented to members of the AAUW at their monthly meeting to be held tonight (Thursday) at 8 p.m.

The program is under the direction of the Educational Study Group, chaired by Mrs. K. L. Hulsing. Ray Hulse will present the conclusions reached last year by the Teacher Relations committee, Willis McCabe the findings of the Curriculum committee, Carvel Bentley those of the Extended School Year committee and Mrs. R. N. Fritz the work of the Exceptional Child committee.

Mrs. R. F. Webber of 190 Blunk street, Plymouth, will entertain the group at her home. Co-hostesses for the evening will be Miss Mildred Field, chairman; Mrs. Arthur Haar and Mrs. R. N. Fritz assisting.

Any interested women holding degrees from an approved college are invited to attend. Mrs. W. V. Clarke, membership chairman, will be glad to furnish additional information about the colleges and membership.

Engaged

Nancy Jane Littell's engagement to Ronald D. Wickson of Mr. and Mrs. Walter Wick of Duluth, Minnesota, is announced by her parents, Mr. and Mrs. James Littell of West Seven Mile road.

"Pioneer Girls" Now Organized

The organizational meeting of the Pioneer Girls was held Monday at the First Baptist church of Northville with 28 girls joining. Subsequent meetings will be held each Thursday, beginning November 15, from 8:45 to 8:30 p.m. All girls grades three through nine are welcome to participate in this program.

The broad aims of Pioneer Girls are to train the girls in good habits of Christian living, to equip them for Christian leadership and service, and to encourage the development of well rounded, lives and gracious personalities by the provision of interesting and worth-while activities for their leisure time. There is an achievement program geared to the needs and interests of every girl, with a system of awarding ranks and badges.

The first organization of Pioneer Girls in 1941, was carried on entirely by volunteers for nearly two years, to answer the demand of girls in a small suburb of Chicago for a Christian

program for girls. In the summer of 1943, the first board of directors was formed and the organization was placed on a business basis with a salaried general secretary to direct its affairs. In December of that same year, Pioneer Girls was incorporated under the laws of the state of Illinois. Its growth has been steady until groups ranged from Maine to California, as well as across Canada and in several foreign countries.

Local leaders are: Pilgrims, grades 3-6, Mrs. Charles Haynes and Miss Janet Kimball; Colonists, grades 7-9, Mrs. Wilbur Berlyman and Mrs. Peter Nienwkoop.

Winter Wonderland At Rummage Sale

The theme, "Winter Wonderland" will be the setting for the annual bazaar at St. John's Episcopal church of Plymouth on Friday, November 30 and Saturday, December 1.

Chairman Mrs. Lawrence Hills and co-chairman Mrs. James McNiece announce that light refreshments will be served at the sale. Mrs. William Bray directed the workshop sewing.

Among the items for sale will be Christmas decorations and novelties, English bone china, cups and saucers, jewelry, aprons, doll clothes, baked goods, candies, jellies and jams. Featured this year will be many items for the small fry to purchase.

Background music will be provided by Melody House.

Book Club Reviews "A Thing of Beauty"

The Tuesday Book club met at the home of Mrs. T. M. Kampf last week. Mrs. Walter Couse reviewed "A Thing of Beauty" by A. J. Cronin, the June choice of the Literary Guild.

Dr. Cronin writes of a great painter whose search for beauty led him to give up everything for art—family, friends, social position, career and ultimately his very life.

Attending the Children's Book Fair at the Detroit Historical Museum last week were Mrs. Carl Bryan, Miss Florence Keith, Miss Ruth Knapp and Ione Palmer.

Mrs. Lila Collins of Cady street recently returned from a trip to Colorado.

What Northville Girl Scouts Are Doing

Brownie Troop 4...
The project of these Brownies for the last two weeks has been making Brownie kerchiefs. After cutting out their yellow material, they traced and colored the Brownie emblem on them and then traced their nicknames below the emblem.

Brownie Troop 5...
Troop 5 met at Amerman school on November 7 with leaders Mrs. Gregerson and Mrs. Petz. They made place mats and learned two new songs. Refreshments were enjoyed by the 12 members present.

Girl Scout Troop 6...
At the November 7 meeting, Troop 6 decided on the star of Bethlehem as their crest. They also decided on what crafts they would work on toward their second class rank.

Girl Scout Troop 17...
Troop 17 discussed badges and talked about the picnic that had been planned for Friday but has now been postponed until Saturday.

Girl Scout Troop 19...
At their last meeting, Troop 19 made Christmas presents. They had the nibble and closed with the friendship circle.

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

A LITTLE BIT O' IRELAND is evident in the James Craw family of Mayo drive. Michael, 8; Kevin, 5; Meredith Kathleen (Meri-Kay) and Anne Elizabeth, 1, have lived in Northville since October 8 with their parents and pet boxer, Greta.

When the James Craws heard about what a pleasant community Northville was, they came out to take a look and decided that it lived up to all they had heard.

Now living at 45041 Mayo drive in Connemara Hills with their four children, the Craws have found the community a good one for their interests. Mrs. Craw, who was a home economics teacher for two years, loves to garden and sew. Her husband is a baseball fan and enjoys golf in his spare time. He also likes to try his hand at refinishing furniture—also in that "spare time" that is so rare.

Formerly of Rosedale Gardens, the Craws are now nearer to where Mr. Craw is employed—he will be the industrial relations manager of the Lincoln plant in Novi.

The Craws both hail from Flint, but claim rival alma maters—she attended Michigan State and he the University of Michigan.

Guests of Mr. and Mrs. James Spagnuolo last week end were Mr. and Mrs. Henry Reynolds of Kitchener, Ontario.

The Northville Record

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

CORN RING AND SAUTEED MUSHROOMS will be the result of Mrs. Claude Crusoe's work in the kitchen. It's easy to make and will be a colorful addition to an autumn table setting.

Mrs. Claude Crusoe of West Nine Mile road suggests serving her "Corn Ring" recipe as part of a buffet dinner or with a standing rib roast dinner.

Mrs. Crusoe, regent of the Sarah Ann Cochrane chapter of the DAR of Plymouth and Northville, has a daughter, Mary Ellen, who attends Marquette university in Milwaukee, Wisconsin, and a son, John, who attends U. of D. high school.

CORN RING

1 can kernel corn
1 cup cream
4 eggs, separated
1 teaspoon salt
Chop or grind corn, add well-beaten egg yolks and salt, white

SAUTEED MUSHROOMS

1 pound mushrooms
2 tablespoons butter
¼ teaspoon salt
Wash mushrooms, cut thin slices off stems. Drain. Place in skillet with butter and seasoning. Cover and cook about 20 minutes, tossing them. Serve in center of corn ring.

Novi Twp. Zoning Ordinance Amendment

THE TOWNSHIP OF NOVI ORDAINS:

PART I. That Ordinance No. 2, known as the Zoning Ordinance of the Township of Novi, is hereby amended by amending the Amended Zoning Map No. 13 attached hereto and made a part of this Ordinance.

PART II. That Ordinance No. 2 of the Township of Novi, as amended, is hereby amended by the addition of a new section to appear and become a part of said Ordinance, as Section 3.23 of Article III as follows:

Section 3.23 BILLBOARDS AND SIGNS. The erection and maintenance of billboards and outdoor advertising signs on any parcel of land within the Township of Novi, or the use of any such parcel for said purpose, are hereby prohibited from all Agricultural, Small Farms and Residential Districts.

A free standing ground sign, to be used during a project development, by a project builder, may be permitted in any district by the Building Inspector, provided such permit is granted for a period of not more than one (1) year and that such sign shall not be greater than sixty (60) square feet in area, and shall be set back from any street line a distance of not less than twenty-five (25) feet.

Signs having illumination of floodlight character, or sign which uses visible green, yellow or red colors, which might be confused with any official traffic control devices, are prohibited within seven hundred and fifty (750) feet, measured along the highway of such traffic control devices or railroad crossing.

PART III. That Ordinance No. 2 of the Township of Novi, as amended, by amending Section 8.02 to read as follows:

Section 8.02 SIGNS. The following signs are permitted in a C-1 District:

1. One (1) ground sign, used for advertising the sale or rental of the premises or any business conducted thereon, on which the same is erected. Such sign shall not exceed ten (10) square feet in area and shall not exceed six (6) feet in height above the ground level and no part of such sign shall extend beyond the street or highway right-of-way line.

2. A sign or signs, used for advertising, or the rental of the premises on which the same is erected, or pertaining to goods sold or services provided, or activities conducted therein. Such sign may be displayed or painted on or applied or attached to each wall of a building or store front facing on a public street and shall not project more than eighteen (18) inches beyond the face of the wall and/or front or side property line. The maximum overall dimensions of such attached sign shall not exceed the following:

On a building wall or store front having a street frontage of twenty-five (25) feet or less, the sign shall have a maximum vertical measurement of two (2) feet six (6) inches and a maximum horizontal measurement of eighty (80) per cent of the street frontage of the building.

On a building wall or store front having a street frontage of more than twenty-five (25) feet and not more than seventy-five (75) feet, the sign shall have a maximum vertical measurement of two (2) feet six (6) inches and a maximum horizontal measurement of seventy (70) per cent of the street frontage whichever is the greater.

On a building wall or store front having a street frontage in excess of seventy-five (75) feet, a maximum vertical measurement of two (2) feet six (6) inches and a maximum horizontal measurement of fifty-five (55) feet or fifty (50) per cent of the street frontage, whichever is the greater.

3. One (1) pole sign pertaining to the use of the premises, or business conducted therein, on which the same is erected, and no part of such sign shall extend beyond the street or highway right-of-way line and shall not exceed, in display surface, an area of thirty-five (35) square feet and shall have a clear space of not less than ten (10) feet under such sign.

4. Billboards and outdoor poster panels on approval of the Board of Appeals and subject to the requirements of Section 12.05 (c).

PART IV. That Ordinance No. 2 of the Township of Novi, as amended, is hereby amended by amending paragraph (c) of Section 12.05 to read as follows: (c) Permit billboards and outdoor poster panels in C-1 and C-2 Districts when they comply with the following requirements:

(1) Billboards and outdoor poster panels shall comply with the Building Code of the Township of Novi.

(2) Billboards and outdoor poster panels shall be so located that the natural light and air of any conforming or non-conforming building or use shall not be reduced.

(3) Two (2) billboards or poster panels may be permitted on a lot or parcel for each three hundred (300) feet or less of frontage.

(4) No billboard shall be located within three hundred (300) feet from any church, school, public building or public park.

(5) No single billboard or poster panel shall provide a display surface of more than three hundred (300) square feet in area.

PART V. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of any Ordinance in conflict with any of the provisions of this Ordinance are hereby repealed.

PART VI. WHEN EFFECTIVE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect thirty (30) days after final enactment and publication.

PART VII. VALIDITY. Should any section, clause or provisions of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole or any part thereof, other than the part so declared to be invalid.

Frazer Staman, Supervisor

Hadley J. Bachert, Clerk of the Township of Novi, do hereby certify that the above Ordinance was approved and adopted by the Novi Township Board at a regular meeting thereof duly called and held on the 12th day of November A.D., 1956, and was ordered to be given publication in the manner prescribed by law.

Hadley J. Bachert, Clerk

CURIOSITY — Little Marilyn Holman doesn't seem to mind the smallpox vaccination given her by Dr. George Chabut, but she certainly is curious as to what it's all about. Helping the doctor is Mrs. Mildred Lockman, R.N.

Champion U-M Tumblers Please Northville Crowd

A small but enthusiastic crowd gathered at the Northville community building last week to watch the national champion University of Michigan gymnasts in an arousing display of skill on the tumbling bars and trampolines.

Edward Gagnier, a national champion who will represent Canada in the 1956 Olympics, stole the show with both his gymnastic work and prowess as a juggler and monocyolist.

Other highlights of the evening was a trampoline finale, complete with one clowning gymnast who bounced and flipped his way around on the springy canvas.

The Northville high school band, directed by Robert Williams, accompanied the gymnasts with suitable music, drum rolls and cymbal clashes.

Newt Loken, coach of the champion Wolverine team, added a running commentary. Reaction to the event was enthusiastic, and hope was expressed that more people would see the gymnasts if they make a return to Northville.

The exhibitions are given by the Wolverine gymnasts to help pay their expenses to the national championship meet at Sarasota, Florida.

A share of the proceeds also went to the Children of the American Revolution, Plymouth Corners Society, to use in helping needy children in mountain and India schools.

Equipment for the exhibition was loaned by Plymouth high school.

230 School Children Get Vaccinations, Toxoid Shots

Some 200 Northville school children received smallpox vaccinations last week, and another 30 were given "booster shots" of multi-purpose toxoid.

The inoculations, part of the Northville school system's continuing health program, was organized by Miss Ruth Knapp, R.N., school nurse.

The multi-purpose toxoid inoculations will help ward off typhoid, whooping cough and diphtheria.

Administering the inoculations were Dr. V. George Chabut and Dr. Irene Sparling. They were assisted by registered nurses Mrs. M. J. Willing, Mrs. Triva Bariski, Mrs. T. C. McKernan and Mrs. E. F. Lochman.

Also assisting were Mrs. Clayton Myers, Mrs. W. F. Weidner, Mrs. F. J. Hicks, Mrs. Larry Hill and Mrs. Harry Small.

The NORTHVILLE Record

101 N. Center Street

Northville City Proceedings

Regular meeting of the Northville City Council was held at City Hall Monday Eve., Nov. 5th, 1956 at 8:00 P.M.

Present: Mayor Claude N. Ely, Councilmen Canterbury, Reed and Stubenvoll.

Absent: Councilman Allen. Minutes of last regular meeting were read and approved.

Bills amounting to \$11,519.94 on the General Fund and \$1301.10 on the Water Fund were presented, and it was moved by Canterbury, seconded by Reed, that same be allowed and paid. Carried unanimously.

Contract for rental of one additional Shoup Voting Machine was duly approved.

Resolution adopted by the Wayne County Library Board as to the distribution of cost of operation of their library branches throughout the County was discussed, and it was felt that the percentage of the cost of operation of our local library allotted to the City of Northville as compared to that allocated to Northville Township was not equitable, and the matter was laid over until the next regular meeting of the Council to give Atty. Ogilvie an opportunity to get the answer to the question as to why the big difference between the City and Township.

Mayor Ely reported on a meeting he had with Mr. Hiltz of the Wayne County Road Commission regarding the resolution passed by the Council of Garden City as to the recent flooding conditions which have plagued the metropolitan area, of which the City of Northville had received a copy, and it was urged that a similar resolution be adopted by our City Council asking that the Housing and Home Finance Agency of the Federal Government be contacted and asked for assistance in devising federal home finance regulations that will provide for the elimination of flood hazards in this area. Mr. Hiltz stated he had seen the resolution, and that it might be well if the City of Northville adopted a similar one.

Mr. Smith, owner of Lot No. 8 of Green Valley Acres, was present to ask the Council whether or not they had decided to acquire some property on the other side of Gerald St. for him in exchange for Lot No. 8 which the City wishes to acquire. Atty. Ogilvie reported that he had talked with Mr. Smith about this matter, but was unable to arrive at any figure as to what the property is worth. The Council is not inclined to agree to acquire property in exchange.

Regarding the Baxter property in Green Valley Acres, Mr. Baxter is willing to sell at \$2,000.00, claiming he has a buyer at that price. Atty. Ogilvie asked if the Council is prepared to set a maximum figure which they are willing to pay for the property. It was decided they were not in a position to act at this time. An informal meeting will be held Monday Eve., Nov. 12th, of the

Council as a whole to discuss this matter.

Councilman Reed inquired as to what progress had been made about the division of Northville Township assets, and was informed that the auditor's report has not yet been received, but it was expected that same would be received early this month; when a meeting will be arranged to complete these negotiations.

Letter was read from the Michigan State Health Dept. containing their recommendations on various water sites for the City.

Councilman Stubenvoll reported regarding a change in parking meter fines and method of collection. The tentative proposal includes a charge of only 50c if paid within 48 hrs., and the new parking tickets will be printed in envelope form which can be deposited in boxes which will be conveniently located in the business district. The fine if not paid within 48 hrs. would be raised to \$2.00.

Councilman Canterbury moved that it would be a good idea to publish a summarized version of the minutes of Council proceedings in the Northville Record, seconded by Councilman Reed. Carried unanimously.

Councilman Canterbury brought up the subject of the usage of the Community Bldg. and proposed that a meeting between the City Council and the School Board be arranged to discuss the matter.

Atty. Ogilvie reported on the progress of negotiations regarding the dedication of street leading into Fairbrook Court; he reported that arrangements would be completed in the near future.

No further business appearing, meeting was adjourned at 10:07 P.M.

WATER SOFTENERS
Factory rebuilt and refinished softeners of many well known makes at sensational prices. Sizes from 30,000 grains to 100,000 grains — from \$50.00. All guaranteed. It is better to buy a good reconditioned well known make of softener than a new one of unknown quality. These softeners have been traded in on new Reynolds Automatic softeners and we stand back of them.

It will pay you to see us before you buy any softener. Every type and size of manually controlled, semi-automatic and the wonderful Reynolds fully automatic softeners on display. You can't beat the best and you can't beat our values. Come to see us or call collect for a representative to see you.

NOTICE OF SALE
\$65,000
Northville Public Schools
School District
Wayne, Oakland, Washtenaw
Counties, Michigan

NOTES

Sealed bids for the purchase of tax anticipation notes of (3) Northville Public Schools School District, Michigan, of the par value of (4) \$65,000 will be received by the undersigned at (5) the Board of Education office, 501 W. Main Street, Northville, Michigan until (6) 8:00 o'clock (7) p.m., (8) Eastern Standard Time, on the (9) 26th day of (10) November, 1956 (11), at which time and place they will be publicly opened and read.
The notes will be dated (12) November 1, 1956, will mature (13) May 1, 1957 and will bear interest at a rate or rates not exceeding (14) 5 percent per annum. Both principal and interest will be payable at the (15) such place as may be agreed upon by the purchaser. Denominations and form of notes to be at the option of the purchaser. Accrued interest to date of delivery of such notes must be paid by the purchaser at the time of delivery.
For the purpose of awarding the notes the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the notes from (16) December 1, 1956 to their maturity and deducting therefrom any premium. The notes will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the (17) Northville Public Schools School District. No proposal for the purchase of less than all of the notes or at a price less than their par value will be considered.
The loan is in anticipation of the (18) 1956 tax.
Envelopes containing the bids should be plainly marked "Proposal for Notes".
A certified or cashier's check in the amount of 2 percent of the par value of the notes, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of (19) Northville Public Schools School District must accompany each bid as a guarantee of good faith on the part of the bidder. Checks of unsuccessful bidders will be promptly returned.
Bids shall be conditioned upon the unqualified opinion of the purchaser's attorney approving the legality of the notes, to be secured at the purchaser's expense. The purchaser shall furnish notes ready for execution at his expense. Notes will be delivered at (20) Northville Board of Education, 501 West Main Street, Northville, Michigan.
The right is reserved to reject any and all bids.
(21) Robert H. Shafer
(22) Secretary

Slides of Straits At Camera Club

"Moods of the Straits", a collection of slides covering the flowers and weather of Mackinac Straits will be shown by Dr. Wilbur Steininger at tonight's meeting of the Adult Camera club.

Further discussion of the art of Christmas card making is on the agenda and also discussion of the Optimist club slide contest. The club will meet at 7:30 p.m. at the library (use side entrance).

Books are the lighthouses erected in the great sea of time.

Swept-Wing '57 Dodge Custom Royal 4-Door Sedan

Step into the wonderful world of AUTODYNAMICS

SWEPT-WING '57 Dodge

It unleashes a hurricane of power
It breaks through the vibration barrier
It is swept-wing mastery of motion

Your eyes immediately tell you that this new Swept-Wing Dodge is a thing of real beauty! Daring in concept, low in silhouette, sleek and rakish of line! And every promise of exhilarating performance you sense in its low-slung, racy lines is brilliantly fulfilled on the road. This Swept-Wing Dodge is a spitfire in action!

- It unleashes a hurricane of power from a mighty new aircraft-type V-8 engine, tamed by new TorqueFlite Push-Button Drive.

- It breaks through the vibration barrier with a new rubber-mounted suspension system—Dodge Torsion-Aire—that features race car torsion-bar springing.
- It is swept-wing mastery of motion in a sweet-heart of a car only 4½ feet high that has no equal in the way it corners, handles, and rides.

The wonderful world of Autodynamics is waiting for you at your nearby Dodge dealer's. See and drive the Swept-Wing Dodge today!

Christmas Season To Be Heralded By 'Sparkle House'

Christmas glitter will decorate the home of Mrs. Joseph Crupi, 41600 9 Mile road, "Sparkle House" of this year's Holiday House Party.

The annual affair, sponsored by the Our Lady of Victory Mother's Club, will start Northville's Christmas activities on November 29 from 1 to 5 p.m.

Mrs. Hugh G. Godfrey, named general chairman by Mrs. Lewis W. Alexander, president of the club, has selected the home of Mrs. Andrew A. Bertoni, 40640 8 Mile road, as "Bazaar House", the home of Mrs. Patrick J. Brady, 41380 8 Mile road, as "Cookie House" and the home of Mrs. George W. Kohs, 473 West Cady street as "Tea House".

For many weeks groups have been making arrangements to make this a more interesting and successful affair than ever before. These groups include Christmas Decorations committee led by Mrs. Richard Jones; baked goods committee led by Mrs. Carroll J. Mulligan; bazaar committee led by Mrs. Eugene A. Kampmah, Mrs. Clifford Bunker and Mrs. Herman Harner, and ticket committee led by Mrs. Frank Bosak.

Since the number of guests is limited, tickets can be obtained only by calling Mrs. Frank Bosak at Northville 980-J1.

TAKE A PILL & BE HAPPY

I suppose one would be utterly amazed if they knew how many carloads of pills Americans swallow every day.

We have a pill for most everything. The most recent discovery in pills are called "Happy Pills". When persons are worried, discouraged or depressed, they take a "Happy Pill" and Presto, they feel better right away. One psychiatrist refers to them as "peace of mind" pills. Another speaks more truthfully when he says, "These people are looking for an aspirin of the soul and they think they have found it in the tranquilizing drug. They are mistaken; drugs will never cure their neurosis". If people would only realize that so much of their mental depression, the dependency and frustrated lives is but the fruit of the sin of leaving Christ out of their lives. There can be no real peace to the wicked. God says, "The way of the transgressor is hard". When one's mind and heart is properly adjusted to God through belief and acceptance of the Gospel there will be real peace which will surpass all human ability to understand. Then as the believers mind is stayed on Him, he shall be kept in perfect peace (Isa. 26:3). Receiving Christ as your Saviour will give direction and purpose for living. This is the lasting foundation for happiness.

PLANS FOR PROPOSED RACE TRACK in Novi township are shown to a public meeting in Novi last week. Holding the artist's sketch are (left) George Kovacs, one of the track backers, and Frank Laucomer, an engineer. In front, left, is Clarence Manser, another engineer. Laucomer points to the grandstand and racing oval, which would lie along Meadowbrook road. Above his wrist are horse barns. Grand River runs along left of sketch. The proposed track has been the subject of a controversy in Novi for several months. (See story, page 1.)

ing oval, which would lie along Meadowbrook road. Above his wrist are horse barns. Grand River runs along left of sketch. The proposed track has been the subject of a controversy in Novi for several months. (See story, page 1.)

Trickey Seeks Post As Treasurer Again

Novi township treasurer Charles Trickey, Jr. became the first candidate for township office in the February 18 election when he filed a petition last week for re-election to the post of treasurer.

Township clerk Hadley Bachert said deadline for petitions is 4 p.m. on December 31. Petitions must contain 26 to 101 signatures (one to four percent of the 2,506 registered township voters), Bachert said.

Trickey was elected trustee in 1954 and was appointed to fill the treasurer vacancy caused by the death of Russell Woodward last year.

Truth has only to change hands a few times to become fiction.

Northville Residents In Nearby Theater Groups

Plymouth Theatre Guild

Seven Northville residents will have a hand in the first of three major productions scheduled by the Plymouth Theatre Guild, "Strange Boarders."

The three-act comedy-mystery will be presented at Plymouth high school November 28, 29 and December 1.

Mr. and Mrs. Don Hollinger, Joanne Seida, Mr. and Mrs. Duane Branch and Jack Van Haren are members of the group from the Northville area. Jeneane Dahlager, formerly of Northville and now of Plymouth, is prompter and assistant director for the play.

The plot centers about the antics of a scatter-brained spinster named Cordelia who runs a boarding house that is peopled by an absent-minded professor, a sea captain and two adopted daughters.

Tickets for the play will be available at the door. Anyone who wishes to become experienced in the various phases of stagecraft is cordially invited to attend the next meeting of the group, November 19 in the Plymouth junior high school auditorium. New members may join at any meeting.

For further information, call J. Scott, Plymouth 1557-R; Duane Branch, Greenleaf 4-8087, or J. Aubrey, Plymouth 123-R.

Michigan Bell Plans Dial Service In Novi Next Year

Approximately 600 telephone customers in Novi township will have dial service by next August if plans of the Michigan Bell Telephone company materialize.

This was revealed Monday evening at a meeting of the Township board by representatives of the company. After obtaining approval of the board to lease a 20 by 40 foot parcel of land next to the township hall to locate a mobile equipment unit, Robert Maurer, area manager, stated that dial service was being planned for the area.

"We hope to provide at least 600 customers in the immediate area of our unit with dial service as soon as possible," Maurer stated. He pointed out that the dial phones would also provide better service for customers still on the manual by relieving the system. Cost of the project was estimated at \$150,000.

Maurer revealed that dial service for the whole Novi-Northville area was scheduled for 1958. Board members agreed to lease the property to the company for \$25 per month.

Farmington Players

Northville members of the Farmington Players, who will present the comedy, "Lo and Behold" as their first production of the season, are Mr. and Mrs. Joseph Bruns of Meadowbrook road. Written by Nobel prize winner John Patrick, author of "The House of the August Moon" and "The Hasty Heart", the play is the story of a writer who, tired of his restricted diet of lemon juice and toast, commits suicide by eating a rich dinner in order that he may return to his home as a ghost.

Unfortunately for him (or it), three other spirits have joined him and refuse to leave. Hilarious situations occur when living characters, who cannot see or hear them, are none-the-less influenced by the ghosts.

The play will be presented November 16 and 17 at 8:30 p.m. and November 18 at 3:30 p.m. at the Farmington junior high auditorium — one block north of Grand River and two blocks west of Farmington road. Tickets are available at the box office or by calling Greenleaf 4-5561.

Novi United Fund Soars Over Top, Leads Townships

The Novi township United Fund campaign soared over the top in its final days last week and came up with a rousing contribution of nearly 150 percent of its goal.

The percentage was high enough to lead all other townships in Oakland county.

With still some returns to come in, Novi had contributed \$5,776—or 144 percent of its \$4,000 goal. It was the first time Novi had reached the 100 percent mark since the United Fund was started several years ago, and was 100 percent better than its best previous effort.

Township chairman Wes Cohn again expressed his gratitude to the scores of volunteer workers who made the drive a success.

Speaking of Cohn, Oakland county chairman Dwyer Sump said, "As a personal acknowledgment to a fine chairman, I can only say that he knew it could be done and he did it. Our congratulations."

Three other Oakland county townships went over the top this year — Oxford, Commerce and Groveland. West Bloomfield and Addison townships almost appeared near the top—with some contributions to come in.

The United Fund is a give-or-for-all campaign to aid scores of charitable organizations on the state, county and township level.

Novi Adds Officer; Buys Fire Equipment

Director of Public Safety Lee BeGole received additional equipment and more help at the Novi township board meeting Monday evening.

Board members voted to allow BeGole to employ an additional officer on his police force. It was indicated that BeGole would hire Richard Noble, who served with the force previously. The addition of Noble will bring the police force staff to four.

Purchase of an electric hose drier for the fire department was also approved. It was pointed out that the unit, costing \$695, would save the department fire hose from deterioration.

Apartment Building Near Completion

A new 5-unit apartment building is nearing completion this week at 229 Hutton. The brick structure is owned by Donald Ware of 219 Hutton, who has planned and directed construction of the building.

Ware, a safety and traffic engineer for the Wayne county road commission, undertook the project as a sideline to his regular job. Units will be semi-furnished with ranges and refrigerators. The building will be open for occupancy around January 1.

Boulders in our paths can be stumbling blocks or stepping-stones.

Atom Age Comes To Northville

The atomic age has come to Northville — heralded by a spark-shooting device made of cupcake tins and mixing bowls that could pack enough wallop to kill a cow or light a house.

The device goes by various names among scientists. Some call it a "particle accelerator". Others say it's an "electrostatic generator."

To the layman, however, there's a simpler term for it: an atom smasher.

But its maker, Northville high school senior Bernhard Mueller, is quick to assure neighbors and fellow students that he does not intend to go around smashing atoms. The device is purely for demonstration and has been built so as to be harmless.

Bernhard constructed the atom smasher in six weeks, using materials that could be found in most homes: two cupcake tins, a pair of metal mixing bowls, a vacuum cleaner motor, a few strips of felt and a couple pieces of plastic. Total cost of the home-made power plant: \$20.

Theoretically capable of putting out 380,000 volts, the atom smasher plays many tricks on those who get too close to it. Hair suddenly stands on end. A tie can be whisked up parallel to the ground. And though it doesn't try it too often, it can deliver a jolting poke of electricity.

Bernhard says he modeled it after the first atom smasher built years ago by Professor R. J. VanDeGraaff of the Massachusetts Institute of Technology. His model has since become obsolete, however. Gigantic cyclotrons and synchrotrons do the job nowadays.

HOT STUFF — Some 380,000 volts can be produced by this home-made atom-smasher made by NHS senior Bernhard Mueller. Electrons transported by a felt belt from the base to the dome, are shot into the air and collected by the electrode Bernhard holds in his hand.

Northville physical science teacher, LaGene Quay, has complimented Bernhard on the atom smasher, saying, "It shows not only a good understanding of the theory, but also an ability to take the theory.

For such an awesome device, the atom smasher is basically simple. A vacuum cleaner motor drives a felt belt which rubs on a piece of plastic and creates a positive charge. Electrons (negative particles) then attempt to rush up a ground wire to neutralize the positive charge, but are intercepted by the moving felt belt.

The belt transports the electrons up to a dome made of joined mixing bowls. There they are collected and discharged—glowing eerily—into surrounding air. In a full-scale atom smasher, the electrons would be gathered and bombarded against the element being "smashed." But in Bernhard's device, they are collected by a grounded electrode made of two cupcake tins and transported harmlessly back to the ground.

The generator, which could well have come from the workshop of Rube Goldberg, is Bernhard's biggest effort to date. In the past, he has limited himself to setting up an involved model train layout and putting in his own chemistry laboratory.

Bernhard, 17, is the son of Mr. and Mrs. F. W. Mueller of 27707 Novi road. Future plans of the science-minded senior call for enrollment at the University of Michigan where he will take up physics or chemistry in preparation for later study in either medicine or dentistry.

It's a Laugh a Day at Amerman School

Few sayings have more truth in them than the familiar "Out of the mouths of babes oft times come gems."

And it's no different in Northville than anywhere else. A generation of junior comedians is sprouting right under the amused eyes of Principal Richard Kay and the teachers at Amerman school.

In recent weeks, Kay and Secretary Marian Zayti have collected these gems that have come from the mouths of their babes:

A girl introducing two DAR speakers at a school assembly: "I'd like to introduce Mr. and Mrs. — of the Daughters of the American Revolution who will make a presentation of a flag to our school. I would also like the other ladies of the Revolution to stand."

A teacher asked a girl if she had any brothers or sisters at home.

She replied, "No, no brothers or sisters, but we're going to get some animals."

After the second day of quizzing a little kindergarten girl as to what she learned in school, her parents had received only the

same disappointing answer: "Nothing."

On the third day, when mother asked the same question, this was the reply: "Nothing. Oh yes, I did. I learned which is the boys' bathroom."

Little girl: "Would you raise the shades down, please?"

A first grader was late for school regularly, and with each tardiness he seemed to have a different excuse. One day, his teacher stood at her door with a "I wonder what the reason will be this time" look on her face as she saw the little guy come scurrying down the empty hall with his coat half on and half off and dragging his lunch box with him.

She was left with nothing but a smile and a deeper sense of affection for her little problem when he looked up at her and said, "Am I late for recess yet?"

Another little girl: "Shall I plug out the toaster?"

In telling about her summer vacation a young girl went into enraptured descriptions of the wonderful time she had had at "Yellowrock National Park."

As the first graders entered their room, noise and confusion filled it from floor to ceiling. Their teacher looked at one youngster and said, "Why are we so noisy when we enter the room?"

"I don't know," was the reply. "Just nervous, I guess."

A Northville exchange teacher in France had been telling her class the intricacies of democratic procedure.

One day, when a child brought a guinea pig to school, another student asked if it were a boy or girl guinea pig.

The flustered teacher couldn't answer. But little Pierre in the back of the room called out, "I know how we can tell, teacher."

The teacher sensed danger, but asked for his answer anyway.

Pierre remembering the lessons of a few days before, replied thoughtfully, "We can vote on it."

After reading about the psychological analysis of children's drawings and of hidden implications contained in them, a mother was concerned to see her three-year-old drawing pictures of the entire family. The reason for her concern was that, minutes before, she had had to spank the

child. Horror filled her heart as she watched the little girl color her picture of Mommie in very deliberate and careful strokes of black. Finally the mother could stand it no longer, and she asked: "Why did you color your picture of me in black, darling?"

Fearing the worst, and with heavy heart, the mother saw her smiling daughter turn to her and say:

"Why, mommie. Don't you know that's the only long crayon I got?"

A teacher was investigating a child's complaint that the boy next to him had scribbled on a get-well card for another student. She asked him why he had done that.

"I didn't scribble," he replied. "I writ mine in Chinese."

What puts the Mark of Tomorrow in the new kind of FORD?

Here's what puts the Mark of Tomorrow in the new kind of Ford!

It's the sculptured look. You'll see it the moment your eyes wander over this fine car. In a '57 Ford you belong . . . anywhere.

It's the long, lean lines. There's a greyhound grace to this Ford. No useless "fat," no showy "padding." It's as trim as a jet fighter.

It's the hardtop styling. Fairlane sedans have the hardtop look of Victorias! Superthin, superstrong center pillars are smartly concealed to give hardtop beauty when doors are closed.

It's the freedom of choice. Colors? Fabrics? Accessories? Far more than that! Ford gives you a choice of two new, bigger sizes . . . longer, lower, roomier!

It's the ride that stays gentle. With a new frame that rides sweeter and lower, new springs, new suspension all around, even the roughest roads can't ruffle the poise of the new Ford.

It's the Thunderbird power. Ford celebrates its Silver Anniversary of V-8 leadership with the biggest selection of V-8's in Ford history.* In addition to all this Thunderbird GO, there's a new and more powerful Mileage Maker Six.

Just looking at this Fairlane Club Sedan is a special kind of fun!

It's the record-breaking performance. On the Salt Flats at Bonneville, Utah, a '57 Ford traveled 50,000 miles in less than 20 days . . . an average speed of 108.16 mph, including all pit stops! Another Ford averaged over 107 mph. Altogether, 458 national and international performance records were smashed as Ford rewrote the record book.

It's the big dollar value that lasts and lasts. Styled for tomorrow, a new Ford keeps its value longer. And wonder of wonders, all this extra strength, extra beauty, extra length is yours at low Ford prices!

*Included is a special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 312 Super V-8 delivering up to 285 hp!

Wise man say: "Don't wait for TOMORROW

when you can get it today!"

'57 FORD

Mustangs Take Finale over West Bloomfield

Topsy-Turvy W-O Standings Show Strange Results

Northville Coach Ron Schipper's pre-season prediction that no Wayne-Oakland team would go undefeated proved to be wrong — for his own Mustangs went through their schedule with only a tie marring their record.

V.F.W.
Northville Post 4012
438 Plymouth Ave.

Regular Meetings:
First and Third Tuesday
of Each Month

But Schipper's forecast did point up one fact: that the league was in for some rough-tough football.

That's just what happened. Except for the champion Mustangs, member teams of the Wayne-Oakland league were at each other's throats constantly, with the result that league standings changed almost every week.

And with the end of the season, there were some strange results in the standings:

—the second place team lost half its games.
—the third place team won only two of its six games.

—only two of the league's seven teams could win more than two games.

How did it happen? Partly because the league was almost perfectly balanced except for first-place Northville. Partly because three tie games were played. And partly because—like the Big 10—any given team (excluding North-

ville again) could beat any other team on any given Friday night.

Standings

	W	L	T
NORTHVILLE	5	0	1
Holly	3	3	0
Milford	2	2	2
Clarenceville	2	3	1
W. Bloomfield	2	3	1
Brighton	2	3	1
Clarkston	2	4	0

Kritch and Gotro
Click for 14 TDs
In Colts' Season

A spectacular passing combination—picking up steam with each game—has led the Northville Colts to a strong 6-2 winning season.

With almost monotonous regularity, quarterback Joe Kritch passed to left end Joe Gotro for no less than 14 touchdowns in the eight-game season.

And to make the record even more remarkable, all 14 touchdowns came on the same play—Kritch faking to his fullback and then passing to Gotro in the flat.

Kritch—who, according to Coach Stan Johnston, has never thrown a bad pass—also passed for four more scores to other Colt receivers to give him an amazing season's record of 18 touchdown passes.

The Colts wound up their season last week by dumping Brighton 25-6. Kritch passed to Gotro for three touchdowns and to Larry Nitzel for the fourth.

A week earlier, the Colts dropped Holly handily, 33-19. As usual, Kritch and Gotro teamed up for a pair of touchdowns. Others were scored on runs by Kritch, Nitzel and Gary Morgan.

Northville Triumphs 20-7
As Biery Goes for 75, 89

Northville's play was almost as cold as the weather last Friday night, but with the aid of halfback Dick Biery's running the Mustangs managed to pull out a satisfying — though not spectacular — 20-7 win over West Bloomfield.

The Mustangs, playing their last game of the season with the championship already in their possession looked as if they had only one thing on their minds: to get the game over with and find warmth somewhere.

But in so doing, they almost forgot about football—until West Bloomfield came dangerously close to tying the score and perhaps walking off with the contest.

It was probably the Mustangs' feeblest game since the Milford 7-7 tie early in the season. The Mustangs rolled up only six first downs, and had constant trouble containing West Bloomfield's triple-threat quarterback.

But before it was over, Northville had recovered its breath and punched across for the clinching touchdown.

Going off the field at halftime, the Mustangs held a comfortable 14-0 lead. Fullback Gary Holman had scored from the 1 the first time Northville had the ball. And Biery had streaked 75 yards — behind the best down field blocking Northville showed all season — for the second score.

But before Northville could run a play from scrimmage in the second half, West Bloomfield had scored. After recovering a Mustang fumble on the 48, the Keego gridders moved the entire distance in five plays, scoring on a 20-yard pass into the end zone.

West Bloomfield kept the pressure on until well into the fourth quarter, but could not score. After recovering a fumble on the Northville 29, West Bloomfield picked up only one yard in four downs. Again they drove deep to the Northville 10, but lost the ball on a fumble.

Biery chose this situation to break away again, going 89 yards for a touchdown, as his teammates led the way in another devastating show of downfield blocking.

West Bloomfield, banking on the passing arm of its quarterback, went for 44 quick yards in the final minutes, but a 15 yard penalty ended the threat. Northville gained control of the ball and ran the clock out on its last game of 1956.

Biery once again led the Mustangs offensively, picking up 195 yards in 11 rushes, scoring two touchdowns and gathering in two passes for 46 yards.

Statistically, Northville outplayed West Bloomfield. But if Biery's two long jaunts were discounted, the statistics—and the score—could have been much closer.

It's Football Night in Northville

LETTER WINNER — "Cap" Pethers, Northville end who suffered a broken leg in the Mustangs' opener against Plymouth, gets his letter from Coach Ron Schipper at the football banquet Monday night. Rumor has it that Cap may not be through with football after all.

GUEST SPEAKER — Clarence Peaks, star halfback for the Michigan State Spartans until he was injured, addresses the Northville football players at the banquet.

Honors, awards and words of praise filled a banquet hall Monday night as Northville paid tribute to its three football teams—all of which came through the season with winning records.

Highlighted by the appearance of two Michigan State stars, the banquet saw numerals and letters presented to nearly 100 young gridders.

The banquet — first of a series honoring all Northville athletes, including high school girls — was held in the First Methodist church building under sponsorship of the Northville Exchange club and four local "boosters": Allen Buckley, Gil Glasson, Dr. L. W. Snow and Dr. J. K. Eastland.

Receiving tribute were the Northville high school Mustangs (7-1-1) and the Wayne-Oakland championship, the junior varsity Colts (6-2), and the junior varsity team (3-2).

Among the awards and honors presented were:

—the Wayne-Oakland League trophy to the champion Mustangs.

—the Detroit Times league championship trophy (to be formally presented to Coach Ron Schipper at another banquet next week).

—the Mustangs most valuable player award to co-captain and fullback Gary Holman.

—the Mustang sportsmanship award to center Henry Fisher, the first time the award has been made.

—Northville 'N's' to Dr. O. J. Robinson and Dr. R. M. Atchison for their services at Northville games. (Dr. Snow was not able to be present.)

—letters and team photos to all Mustangs, presented by coaches Schipper and Don Van Ingen.

—small letters or numerals to the Northville Colts junior varsity, presented by Coach Stan Johnston.

—Numerals to the members of

Coach Jim Madigan's junior high team.

With Exchange Club President Elroy Ellison and Toastmaster Russell Bingley handling the chores at the speakers' table, the banquet moved smoothly and humorously.

Northville athletic director introduced two Michigan State stars who later narrated films of MSU's 3-6 conquest of Indiana—a "good offensive showing", as one of them said. They were Clarence Peaks, all-American candi-

date and star left halfback, and Pat Burke, first-string Spartan tackle. Both are injured and out for the season.

Both players were obviously impressed by the Mustangs' size, as Northville's hulking linemen and ends stepped forward one by one to receive their letters.

Said Peaks: "I thought I was looking at the Cleveland Browns".

Program chairman for the event was Exchange member Wilson Funk.

It's that new V8 in the '57 Chevrolet. It's as quiet as a contented cat and as smooth as cream . . . and it's cat-quick in response when you call for action!

No household tabby sitting in a sunny window ever purred more softly than Chevy's new V8 engine. It's so kitten-quiet and cream-smooth that you can scarcely even tell when it's idling.

But when you nudge the accelerator, you know it's there, all right! Its right-now response keeps

you out of highway emergencies. It overpowers steep hills with such ease they seem like level landscape.

This new Chevrolet V8 puts up to 245 high-compression horsepower* under your command! It's sassy, sure—but as tame to your touch as a purring pussycat.

Come try the smoothest V8 you ever put a toe to, and all the good things that go with it. Like new Turboglide—the first and only triple-turbine automatic drive (an extra-cost option). And Chevy's own special sweet and solid way of going.

that purr you hear is no pussycat!

Sweet, smooth and sassy! The Bel Air Sport Coupe. Body by Fisher, of course, with all that means in extra fineness of construction, materials and details.

Only franchised Chevrolet dealers display this famous trademark

Introducing "KLEEN AIR" . . .
A NEW FURNACE CLEANING SERVICE FOR THIS AREA

SAVE UP TO 20% ON FUEL COSTS!
CLEAN YOUR FURNACE THE NEW, MODERN, KLEEN AIR WAY!

We have received many letters from home owners with gas, oil, and coal furnaces stating that the cost of their fuel has been up to 20% less AFTER having their furnace cleaned by KLEEN AIR. The giant power suction vacuum cleaner, used exclusively by KLEEN AIR, cleans your furnace, chimney, pipes, and registers thoroughly. We guarantee satisfaction! From the chimney top to the ash pit, all dirt and soot is removed and HAULED AWAY.

*PATENT PENDING • REG. U. S. TRADEMARK

KLEEN AIR DOES MORE THAN CLEAN YOUR FURNACE!

And, KLEEN AIR does more than save you money on fuel. A KLEEN AIR cleaning makes housework easier because all furnace dirt and soot has been removed. You will not need to redecorate, or wash walls as often if you have your furnace cleaned by KLEEN AIR. Fire hazards are greatly reduced because clean pipes and chimney assures proper passage of air. You'll save on furnace repairs too! don't wait, call your KLEEN AIR dealer today!

KLEEN AIR IS A CLEANING SERVICE — WE DO NOT SELL FURNACES

CHRISTIAN SCIENCE CHURCHES
Main and Dodge Streets
Plymouth, Michigan
How Christ Jesus healed sickness and discord of every kind will be brought out at Christian Science services Sunday.
The Master's healing of the woman who had "a spirit of infirmity 18 years, and was bowed together, and could in no wise lift up herself" (Luke 13), will be included in the scriptural readings in the Lesson-Sermon entitled "Soul and Body".
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following selection will be among those read (210:11-16): "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation."

What Northville Girl Scouts Are Doing
Brownie Troop 4...
The present project of Troop 4 is making Brownie kerchiefs. Last week they cut them out and traced the Brownie label on them.

Girl Scout Troop 10...
Girl Scout Troop 10 held its last meeting on October 30 at Nancy Beard's house. They made final arrangements for the baby-sitting service on November 6 and talked about the possibility of going to the Plymouth Cabin.

Girl Scout Troop 19...
Troop 19 had a Halloween party at their Wednesday meeting. The Marigold patrol was in charge of the games. The Daisy patrol in charge of a play, and refreshments were served by the Wild Rose patrol.

Girl Scout Troop 17...
Last week Troop 17 went to Girl Scout camp. Two senior scouts went along to help the leaders. The girls decided to send a relief package to Korea. They also decided to work on their badges alone.

Girl Scout Troop 15...
At their last meeting, Troop 15 elected Donna Williams, president; Vicki Stroh, vice-president; Pam Kay, secretary scribe, and Carol Leavenworth, scribe. They also discussed their badge work and selected the Mountain Laurel as their crest.

High up in the western mountains, ice and snow around railroad switches are melted in bitter winter weather by flames from gas burners ignited by the flip of a switch in a dispatcher's office 200 miles away.

Freshmen to Attend Investiture Rites At Madonna College
Academic caps and gowns will be formal attire for freshmen at Madonna college in Livonia next Sunday at Investiture ceremonies officiated by Fr. Paul C. Zelaff, chaplain.
Assisting the freshmen in putting on the caps and togas will be Theresa Sternicki, student association president, and Majorie Krist, sodality prefect.
Rev. William J. Ziemia, professor and librarian at St. Mary's college of Orchard Lake, will deliver the investiture address at a program in DeSales auditorium following the chapel ceremony.
The Madonna Choral group will render several vocal numbers during the program. A reception for the parents of the freshmen will follow.

TRUTH
One of the nightmares of an election campaign is the absence of the whole truth as expressed by the various candidates. It is a time in the nation's history when half-truths appear to serve the desired end, but its victims soon learn that it is twice as hard to crush a half-truth as a whole lie. If one took the speeches too seriously, he would have little confidence in the capacity of our leaders to guide the ship of state.

Now that this quadrennial exercise is over, most of us agree with Plato who said, "There is nothing so delightful as the hearing or the speaking of truth"—for all of us like the breath of confidence which is forthcoming from the man of integrity, who hears without any intention to betray, and speaks without any intention to deceive his fellow-men.

"What is truth?" was asked by a politician many years ago. Although history hasn't conceived us that he was honest in his search; yet, it has long proved that he asked it of the right person. Only Jesus Christ could say without reservation, "I am the Truth." From the prologue of John's Gospel to the question of Pilate, "What is truth?" there is no question as to the center of truth and the power of truth. "And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth" (John 1:14). "And ye shall know the truth, and the truth shall make you free" (John 8:32). Jesus not only assured us of this liberty releasing force but that true followers would be granted "the Spirit of truth" with the promise, "He will guide you into all truth." The great problem is not the finding of truth as much as possessing the courage to follow it. One has well said that it is easier to find a score of men wise enough to discover the truth than to find one intrepid enough, in the face of opposition, to stand up for it.

Truth is character. Christ did not simply speak the truth; he was truth; truth, through and through; for truth is a thing not of words, but of life and being. Writing this article in the heat of political combat, it is most refreshing to read about the life of a man who proved that the grand character of truth is its capability of enduring the test of universal experience, and coming unchanged out of every possible form of fair discussion. Although, Abraham Lincoln was

entirely human in his seeking public honors; yet, his desire for political preferment was hedged about by a sense of obligation to the truth which nothing could shake. This fidelity to truth was ingrained and unchangeable. One has commented that in all the speeches he ever heard him make—and they were many—he never even insinuated an untruth, nor did he ever fall when stating his opponent's positions to state them fully and fairly. He often stated his opponent's position better than his opponent did or could. To say what was false, or even to leave his hearers under a wrong impression, was impossible to him. Within this high inclosure he was as ambitious of earth honors as any man of his time.

Love and truth go hand in hand. Said Phillips Brooks, "Christianity knows no truth which is not the child of love and the parent of duty." Lincoln's paramount concern was a love for truth. Against the advice of his friends, Lincoln decided to make a speech which defeated him for the Senate in 1858. "If it is decreed," he said, "that I go down because of this speech, then let me go down linked to the truth." May our love for truth be such that when we have found it we will courageously follow it. All wish to have truth on his side, but too few are willing to be on the side of truth. Pilate wasn't. Are You?

Truth is eternal and if we are to inherit "the Way, the TRUTH, and the Life," we must allow God to plant its seed in our hearts and encourage it to grow into spiritual manhood. Truth that is merely acquired from others only clings to us as a limb added to the body, or as a false tooth, or a wax nose. The truth that endures becomes a part of us—our eyes, ears, mouth, hands, limbs, brain and our soul. "Truth crushed to earth will rise again; the eternal years of God are hers; but error wounded writhes in pain, and died amid her worshippers." (Bryant).

From the cowardice that shrinks from new truth,
From the laziness that thinks it knows all truth,
O God of Truth, deliver us.

AN ACTIVE TRAVELER after she passed the 70 mark. Mrs. Cora McDonald of Novi will be 81 December 19. She is as spry as pal "Skippy", who led her a merry chase before he calmed down for the camera.

Novi Senior Citizen Sees U.S. After Seventy

It's hard to believe that Mrs. Cora McDonald will be 81 on December 19.

In fact, it's hard to believe that this little lady has even seen 70, but it's true.

It's also true that Mrs. McDonald did most of her extensive traveling after she passed the 70 mark. Two trips to California and two to Florida are to her credit, the traveling to each state done by a different route.

The South and West aren't the only places this clear-eyed lady has seen, however. Also after she was 70, Mrs. McDonald traveled through New England and made the "Thousand Island" trip up the St. Lawrence river, going as far as Montreal, Canada. She's also been to Georgian Bay and the Soo, and to Washington, D.C. via the Atlantic coast.

Born in the village of Crosswell to Wesley and Eliza Stoner in 1875, Mrs. McDonald moved with her family to Alpena when she was four years old.

She married Frank McDonald in 1909 and in 1919 they moved to a farm at Seely and Eleven Mile roads.

After her husband's death in 1936, Mrs. McDonald worked as a housekeeper in Detroit and Northville. Not until this past year did she discontinue working.

Mrs. McDonald is now living at her home on Eleven Mile road in Novi with her sister and brother-in-law.

Men and Women In Uniform

PVT. VAN BONN

Pvt. Harold L. Van Bonn, son of Mr. and Mrs. Leo A. Van Bonn of Pontiac trail, Northville, is receiving 16 weeks of basic training with the 9th Infantry Division at Fort Carson, Colorado.

Van Bonn, a 1952 graduate of South Lyon high school, was employed by the Sheenan Conveyor company, Plymouth, before entering the Army last month.

JAMES WILEY

James Wiley, one of four honor students in a graduating class of 32 from the U.S. Naval hospital school in Portsmouth, Virginia last March, has been promoted to the rank of HM 3rd Class Petty Officer.

James is now stationed at Camp Lejeune, North Carolina. He is the son of Mr. and Mrs. Otto Wiley of Eight Mile road.

PVT. JAMES M. ALLEN

Pvt. James M. Allen, son of Mr. and Mrs. A. M. Allen of East Main street, was graduated November 2 from a basic army administration course at Fort-Leonard Wood, Missouri.

Allen, who attended the course after completing basic combat training at the fort, received instruction in typing, Army clerical procedure and record keeping. He is a 1956 graduate of Northville high school.

Merchants Plan Christmas Lighting

Although Christmas may seem far away to the average shopper, it's near at hand to Northville merchants.

The Retail Merchants Association Christmas committee was completing plans this week to dress up the business district for the Yuletide season.

General Chairman Paul Folino said Christmas lights will go on Friday, November 23. Arrangements to have Santa Claus visit stores and greet shoppers on the streets of Northville have also been made, he stated.

Special prizes will again be awarded to the four homes having the finest Christmas displays, Folino said.

Assisting Folino are: Roy Stone and Charles Lapham, street decorations; Nelson Schrader, Fred Kester, Charles Altman, Charles Ely, Gladys Wallace and Charles Frey, Jr., solicitations; Alfred Sibley, Mrs. Nellie Barry, George Miller and Mrs. Lila Collins, home decorations, and William Sliger, publicity.

Folino stated that merchants will be contacted to donate to the street decorations fund.

In the 1890's, to circumvent the laws of a certain state which prohibited freight train operations on Sunday unless livestock was carried, resourceful railroaders put one mule aboard each Sunday freight.

Burroughs Names Northville Man as Superintendent

Arthur Graham, 9944 West Six Mile road, Northville, has been appointed superintendent of commercial product assembly at the Burroughs corporation's Plymouth division, it has been announced by Robert A. Niemi, general manager.

Graham began working with Burroughs in 1936, when he joined the Detroit plant as an assembler on the typewriter accounting machine. He transferred to the Plymouth division in 1939, and shortly thereafter entered the armed forces.

In 1948, he returned to the Detroit plant and was assigned to

ARTHUR GRAHAM

assist in the planning of the assembly of the Sensimatic accounting machine. He transferred back to the Plymouth division when Sensimatic production began a year later.

Graham was named assistant foreman of Sensimatic assembly in 1950, and in 1952, was promoted to foreman of two Sensimatic assembly plants.

Be philosophical about what you don't like but can't change.

The man of few words doesn't have to take so many back.

Debate Squad Picks Teams, Prepares for Meets Soon

The debate squad, with Miss Florence Panattoni as coach, met last Wednesday morning and selected the affirmative and negative teams.

On November 19, the squad will have a practice debate with Farmington.

On December 1, Northville debaters will go to Thurston for a day of practice debating with various other schools. This will enable them to gain experience in debating and also give them an opportunity to meet others interested in this activity.

December 11 will find Northville at Holly in the first round of scheduled debates. The NHS affirmative will meet the West Bloomfield negative, while the NHS negative will meet Clarenceville's affirmative. This year Northville hopes to get the title in high school debating.

At Holly the Northville affirmative will be upheld by Becky Coolman and Lillian Zinnecker; the Northville negative will be represented by Sandra Strasen and Bernhard Mueller, all members of Northville's varsity squad.

Northville's junior varsity

Freshman Class Plans Bake Sale

If a group approaches your door tonight, don't wonder if it's Halloween once more.

It's only some members of the freshman class trying to take orders for a coming bake sale.

This bake sale will be different and should be helpful to the busy housewife.

The freshman class will go out between seven and nine o'clock to take orders for homemade baked goods. Fifty percent of the total price will be collected at this time.

On Saturday morning the class will deliver the baked goods and collect the remaining cost.

There will be homemade cakes, pies and cookies and good bargains for all.

members are Diane Luchtman, Chuck Hix, Marianne King, Fred Schwarze, Bill Chizmar, Richard Drew, Kathy Farley, Carol Krezel, Joan Baskins, Phyllis Buon-iconto, Mike Petz, Claire St. John.

Some members of the junior varsity will join the varsity before the season gets under way.

Library Members Have Busy Meeting

At the last staff meeting the members of the library discussed such topics as the new books ready for student reading and the decorations to be put up for Book Week.

One problem that was talked over was the trouble the students have in checking out books. Many library patrons are still doubtful as to how a book is checked out. The library staff is now trying to correct the problem.

There are about 15 members on the library staff. Miss Ione B. Palmer and two assistants, Penny Niece and Margaret McGee head the staff meetings. Miss Palmer and the two girls are planning to visit a distant high school to view the running of its library.

"Hoof Prints"

"Mustang Hoof Prints" is prepared and written by the Northville high school students under the supervision of Miss Florence Panattoni.

News of Northville High School

PTA Told of 'Special Classes'

Members of the Northville Parent Teachers Association last week heard a panel discussion of a number of "special classes" in the Northville school system.

The PTA meeting was held last Wednesday in the Community Center meeting room.

The panel consisted of Mrs. Rosella Lee, Miss Patricia Dorian, Mr. Don Van Ingen and Mr. Frederick Stefanski, with Principal Elroy Ellison as moderator. Mrs. Lee told of her six weeks reading class in which those students who have difficulty in reading may receive special and individual attention.

Also reviewed was Miss Dorrian's ninth grade English class which uses a number of text books rather than just one, so each person may progress at his own level.

Charles Yahne and Clarence Mason, both high school teachers, were in the audience and helped to answer questions pertaining to

reading problems on the high school level.

Such subjects as school philosophy, curriculum, English program, music and health have been discussed.

The group was slightly smaller at this meeting but there was not a lack of enthusiasm among the parents.

Meetings are open to all parents and persons interested. Mr. Ellison expressed the hope that they soon would reach the point where parents would participate on the panel.

The next meeting is to be held December 12 when grading and homework problems will be discussed.

College Night Draws 500

Representatives of 24 colleges were present at Walled Lake high school last Thursday to answer questions about college put to them by parents and juniors and seniors of five high schools.

Some 500 parents and students were present.

Northville high school played host, but due to inadequate facilities the meeting was held in the new Walled Lake school. Students from the five schools acted as aides to the college representatives.

Comments were written on comment sheets which will be used for reference next year.

A number of the representatives stated it was the best group of students they had ever worked with.

FTA Plans to Sell Christmas Cards

The Future Teachers of America, with Mrs. Violet Bradford as sponsor, have been busy selling Christmas cards.

They will use the money from this project for the FTA scholarship. Tuesday evening found FTA members ushering at the American Education Week open house.

They also plan to have a meeting November 28 and have invited members from Brighton, Walled Lake and Clarenceville to attend. The program for that evening is still undecided, but they hope to obtain a speaker.

Juniors Prepare For Annual J-Hop On November 23

The J-Hop sponsored by the junior class is looming up in the future.

It will be held November 23 in the Community Building with Floyd Snyder and his band playing for it.

The juniors are keeping in suspense as to what the theme is. They have decided not to reveal it until the night of the J-Hop itself.

The decorating and planning committee have come up with new ideas to decorate the Community Building and expect that no one will be able to recognize it.

For the boys, juniors have this word: If you haven't asked your favorite girl as yet, be sure to do so soon for the time is getting closer and closer.

Dewey Button Wins For Nancy Beard

Nancy Beard, freshman at NHS, made a two cent investment in a post card and received a \$50 dividend recently.

She entered the Toby David radio program Crazy Cash contest, which offered a prize to the person who could produce a Dewey campaign button if his name were drawn.

Nancy didn't hear her name announced over the radio, but Mrs. N. C. Schrader of West Main street did. She called Nancy and offered a Dewey button she had so that Nancy could collect.

Nancy is the daughter of Mr. and Mrs. Paul Beard of Eight Mile road.

Methodist Church Thanksgiving Service

The Community Thanksgiving service is being held at the First Methodist church Wednesday, November 21 at 7:30 p.m.

Rev. John O. Taxis of the First Presbyterian church will deliver the message to the theme of "The Voice of Thanksgiving".

Music will be furnished by Mrs. Richard Somers and Mrs. M. J. Willing on organ and piano. The Harmony and Sanctuary choirs will sing Thanksgiving selection of hymns.

Northville Marine Asks Help For Orphans

Editor's Note: The following is an excerpt from a letter written recently by Marine Private Nelson Stratton, now stationed in Japan, to his mother, Mrs. Clarence Stratton of Gerald street.

"...We have approximately 500 kids here at a TB sanatorium for orphans. In charge is a young Christian minister just getting started with his work — and he needs help. The men in the chap-

el group have elected me as one of the committee to help them.

...Would you talk to the people at church and see if they have any used children's clothing they could send me?

...Mom, if you could just see them faces of these kids when we walk in the hospital — you can't explain it, or put it into writing, or even say it or think about it without getting a lump

in your throat."

If anyone has any discards they would like to send Private Stratton, his address is:

Michigan Mirror

State Officials Face Huge Tax Refund

A \$50 MILLION HEADACHE confronts state officials and all Michigan taxpayers.

This is money the state might be forced to refund to several out-of-state corporations. Furthermore, future revenue may also be reduced by \$20 million a year.

In a further purge of FSBA influence group the delegates voted that agitators and men with opinions contrary to the best interests of MMPPA, could not serve in any official capacity.

Compared to past years when meetings were torn apart by dissection over low milk prices, this year's meeting was relatively peaceful. Howard F. Simmons, secretary-manager of the MMPPA credited the new price of \$5.35 per hundredweight for raw milk as the basic cause for the harmony.

Annual reports presented by Simmons noted that an all time high was reached this year. Farmers received \$89 million for milk, an increase of \$7 million over 1955.

IF AN APPLE A DAY keeps the doctor away, business may drop off considerably in the medical profession during the months ahead.

A bumper crop—some 10,500,000 bushels of Michigan apples—is reported by Holland F. Patterson, executive secretary of the Michigan State Apple Commission. The yield is valued between \$20 and \$21 million.

"The crop would reach halfway to the moon if laid end to end," Patterson reported as growers in the state harvested more than one and one-half billion apples.

The Michigan crop is the third largest in the nation. Only Washington and New York produce more.

While such favorites as Jonathan, McIntosh, Northern Spy, Red Delicious and wealthy continue to be the most prominent Michigan apples, there are 40 varieties marketed from our state.

"Because this year's apple crop is superior in quality, flavor and color and because nationwide apple production is down, Michigan growers are in a favorable spot," Patterson concluded.

Big concern of state officials is that the decision establishes a precedent. It might apply to other firms. Future decisions could cover Michigan's business receipts tax. Estimates of the \$50 million loss are based on this interpretation.

Some capitol spokesmen believe the decision may touch off a rash of claims against the state, requiring considerable litigation.

A Michigan income tax is mentioned as an alternative if considerable revenue is lost by the state through the Supreme Court decision.

State fiscal experts told the United States Supreme Court that if the decision is allowed to stand, it would give impetus to passage of an income tax act to regain lost revenue.

Michigan officials watched the problem develop slowly, but relentlessly, through the courts. Now they can only wait while time answers the question of what effect the decision will have on the state's finances.

A STRONG non-unionization resolution faced the annual meeting of the Michigan Milk Producers association held recently in East Lansing. Some 490 delegates representing 60,500 farmers throughout the state, unanimously passed a resolution opposing "all efforts of organized labor to gain control of farm groups for any purpose."

A direct rebuff of the Fair Share Bargaining association which had vigorously attempted to unite farmers in the ranks of labor, the MMPPA action declared that many of the goals of union organizations are directly opposed to the interest of the farmer.

DEPOSITORS STATE BANK
NORTHVILLE, MICHIGAN

NOTICE OF SPECIAL MEETING
OF SHAREHOLDERS

To Our Shareholders:

You are hereby notified that on Friday, December 7, 1956 at nine o'clock A.M., Eastern Standard Time, pursuant to action of the Board of Directors, a special meeting of the shareholders of this Bank will be held at its office at 129 E. Main Street, Northville, Michigan, to consider and vote upon the following proposal and matters incidental thereto which properly may come before that meeting:

1. Ratify, confirm and adopt the Agreement of Merger heretofore entered into on behalf of this Bank (pursuant to authorization of its Board of Directors) with The Manufacturers National Bank of Detroit, Detroit, Michigan, dated November 1, 1956, whereby Depositors State Bank will merge with and into The Manufacturers National Bank of Detroit pursuant to authorization given by and in accordance with Sections 4 and 5 of an Act of Congress of the United States entitled "An Act to Provide for the Consolidation of National Banking Associations", approved November 7, 1918, as amended (Title 12, U.S.C., Sections 34b and 34c), the name of the resulting institution after the merger to be "Manufacturers National Bank of Detroit."
2. To authorize the Board of Directors of this Bank to take such action and give such authorization to the Officers of this Bank as said Board of Directors may deem necessary or advisable in order to determine whether the conditions precedent to the completion of such Agreement of Merger have been satisfied, and to take such other and further action and give such other and further authorizations to the Officers of this Bank as said Board of Directors may deem necessary and advisable in order to carry out the provisions of such Agreement of Merger.
3. To transact such other business incidental to the foregoing proposals as may properly come before such meeting or any adjournment or adjournments thereof.

John F. Stubenvoll, Cashier

November 5, 1956
A copy of the Agreement of Merger referred to in the above notice to be offered for your consideration and vote at the aforesaid meeting is on file in the office of the Cashier of this Bank and may be examined by any shareholder at any time during office hours prior to the aforesaid meeting.

Whether or not you contemplate attending the meeting it is suggested that the enclosed proxy be executed properly and returned promptly. If you attend the meeting you may withdraw your proxy.

A Stitch in Time

Three significant events, reported separately in current editions of The Record; are most closely related.

They are bound together by one common cause—their very reason for existence—a growing Northville.

November 1st a city manager shouldered the business responsibilities of the community;

November 8 a proposed merger of Depositors State and Manufacturers National Bank of Detroit was announced;

November 1 it was revealed that voters of the community will be asked to approve a \$3,000,000 bond issue for the construction of a new high school.

The invasion of hundreds of new residents to the area is bound to tax the facilities of the community. It is to the credit of the city council, the school board and directors of the bank that they have not stood idly by and watched the inevitable growth creep upon us.

Their planning and preparedness should serve as a guide to each of us, as businessmen or citizens of the community. Nearly every resident will have a part to play in this "preparedness program".

Most important to the average citizen is the active interest he, or she, takes in activities of our governing bodies. Their plans need our careful consideration before approval. Members of the school board and city council welcome this interest and often look to citizens for support and advice.

Elsewhere in this edition of The Record you'll find minutes of the last city council meeting. From this date minutes of each meeting will appear the week following council meetings.

On the motion of John Canterbury the council approved this action unanimously. In doing so, Councilman Canterbury expressed the hope that residents would show more interest in business of the city and attend meetings. We'll echo this thought by pointing out that the council meets the first and third Monday at 8 p.m. in the City Hall.

While you can read reports of the meetings, as well as detailed minutes, first hand attendance is even better. Why not show your interest in your community and elected officials? You'll enjoy the experience.

DETROIT EDISON

STOCKHOLDERS' INFORMATIONAL MEETING

Brilliantly new in Beauty...Brilliantly new in Performance!

Represented above are the most significant advancements we have ever been privileged to present.

This is Cadillac for 1957—entirely new in design and engineering... and bringing to the world's highways a wholly new standard of motor car quality and excellence.

Cadillac's renowned stylists have created a brilliant new Cadillac beauty... majestically graceful of line... wonderfully exciting in spirit and in concept... and with a new balance of chrome and glass and steel.

Cadillac's master coachcrafters have brought a new measure of luxury to the car's interiors... with gorgeous new fabrics and leathers... with inspiring new colors and patterns... and with marvelous new appointments and conveniences on every hand.

And Cadillac's world-famous engineers have introduced a sensational new concept of automotive performance... with two great new engines... with an even smoother, more responsive Hydra-Matic Drive... with

greatly improved power steering and power braking... with a revolutionary new frame design... and with a host of other equally vital engineering advancements.

These dramatic Cadillac achievements are being presented for 1957 in ten individual body styles, including the breath-taking Eldorado series.

We cordially invite you to see... to inspect... and to drive the brilliantly new 1957 Cadillac at your very first convenience. You'll be welcome at any time.
