

Need for New NHS Shown in Statistics

(Editor's note: This is the first in a series of four articles in which Northville school officials will present the background of their request for a \$3,000,000 bond issue. Next week's article will describe facilities that would be offered in the new school and addition.)

One simple set of figures represents the big reason why Northville school administrators are asking \$3,000,000 for a new school construction program.

The figures:

- present schools have a capacity of 1,165 students.
- the schools actually are handling 1,558 at present.
- by 1959, they must accommodate 1,906 students.

That is why, school officials say, they will ask voters to approve a \$3,000,000 bond issue on December 18. The funds would cover four projects designed to relieve present overcrowding and to provide for future needs.

Most would go for an ultra-modern high school with the latest facilities and equipment. Other money would go for an eight-room addition to the present Amerman elementary school. Some would be used to rehabilitate the present high school for use as a junior high. The rest would pay for a future site for a fourth school.

Figures don't tell the whole story, however. Overcrowding becomes a very realistic thing when one enters the halls of Northville high school.

There can be seen winter clothing hanging on open

Registration Note

Voters have been reminded to register for the school election by 5 p.m. December 7. Those registered for the November 6 general election need not re-register. Registration may be done at the Northville city hall or the various township halls — depending on where residents live. Only property taxpayers and their spouses who reside in the district may vote.

lockers because of inadequate space. A smattering of pilfering occasionally results from the open lockers.

Classrooms are crowded to the point where students cannot see blackboards, or must sit at ordinary chairs instead of at work tables in science laboratories.

Noises from a machine shop clatter and roar into an algebra class, with only a glass partition in between. In the community building, band practice can be heard — cannot be ignored — by other students studying from textbooks.

Hallways are so crowded that extra passing time must be allowed between classes, and one-way traffic only is allowed on staircases.

With winter approaching, students must shuttle back and forth between the high school and community building — usually in their shirt sleeves because there isn't time to grab their coats and get to class.

Worst of all, students often may not take desired courses simply because there isn't room for all of them.

Throughout the high school, the story is the same — overcrowding, makeshift facilities, inadequate equipment, interrupted classes.

And figures show it will get worse. In addition to the trend toward 1,908 students within the next three years, there are needs for more room and (Continued on Page 8)

DIGGING OUT THEIR BOOKS at overcrowded Northville high school are Corrine Dickerson (below) and Judy Robinson. Such situations are typical, as many as four students share a locker and must drape winter clothes over opened locker doors.

TIME TO CLEAR TOWN — Tom Turkey casts a wary eye at the calendar, and slowly realizes what all the excitement has been about lately. Dozens of his fellow feathered friends have made hasty exits recently from the Ray Honsinger turkey ranch on Eight Mile road. Tom thought they were just taking a vacation—until he looked at the calendar.

Northville Awaits Thanksgiving

"We gather together..."

So begin the lines of the "Hymn of Thanksgiving" — and so traditionally begins the observance of the first uniquely American holiday...we gather together.

School children across the country will join in singing Thanksgiving songs. Before the halls of Northville schools are left empty for a happy week end, students will gather for chapel services — as is the custom before Christmas and Easter as well as Thanksgiving.

Those who wish to attend from grades seven through 12 will hear the high school choir — an address by Father John Wittstock of Our Lady of Victory church...and reading of scriptures by Giannine Bertoni in their program. The people of Northville are invited to join them as they give thanks.

Amerman elementary school children joined by those from Main street school will have guests for their Thanksgiving observance — the children of Our Lady of Victory school will present a program for them — one

recently presented for their parents.

We gather together...in our churches.

Wednesday evening will find several congregations holding Thanksgiving services. Members of the First Baptist church will be joined by their fellow parishioners from South Lyon. Speaking to them will be Guest Pastor Elmer Steenson of the Bloomfield Baptist church of Orchard Lake.

Services will also be held Wednesday for members of the North-

ville Methodist and Presbyterian churches, whose annual combined worship will be held this year in the Methodist church. Reverend John Taxis will address the group.

At Our Lady of Victory church Thanksgiving Mass and benediction will be at 8:15 Thursday morning.

Thursday morning also, a special Thanksgiving service will be observed at St. Paul's Lutheran church.

Holy communion will be a part of the observance at St. John's Episcopal church in Plymouth.

We gather together...to ask the Lord's blessing...and to give thanks...in church, in school, and in our homes with our families...for the feast which commemorates the first one...the First Thanksgiving.

St. Paul's Offers Lecture Course

A course of 20 lectures for adults entitled "What Does the Bible Teach?" was begun last Sunday at St. Paul's Lutheran church by the pastor, the Rev. B. J. Panikow.

The subject of this Sunday's lecture will be "What Does the Bible Teach about Commandments 1, 2 and 3?"

The lectures are conducted in an informal manner and opportunity is given for questions and discussion. The lectures are held in the church's meeting room from 11:15 a.m. to 12:15 during the Sunday school hour and immediately after the church service.

A ten-minute period of each hour which is dedicated to a rapid survey of the entire Bible. By means of this survey the class is made familiar with the chapters and verses of the Bible which are particularly important.

The lectures are open to the public.

City Audit Report

Appearing on pages 12 and 13 is the audit report of the village of Northville for the four-month period ending on June 30, 1956 — the last four months as a village.

Exhibit D, appearing on page 13, shows in a comparative summary that the village left a legacy of \$13,840 to the new-born city. The estimated budget was \$102,600, exceeding disbursements of \$70,537.

A letter from the auditing firm of Iccerman, Johnson & Hoffman appears with the report.

First Annexation Test Lost

The city of Northville has lost the first round of a legal fight to annex part of Novi township to the city.

The defeat came November 13 when Oakland county circuit court upheld the legality of a Novi township suit contesting an election three months ago in which residents of the disputed territory voted to annex to Northville.

The land in question lies adjacent to the northern limit of Northville and includes some 82 acres surrounding the Amerman school.

Residents of the area voted unanimously for annexation on August 7.

Novi township filed suit shortly thereafter to have the election invalidated on grounds that the rest of the township should have been allowed to vote in the election. It is claimed in the suit that the township would be deprived

of part of its tax base without having a voice in the matter.

Northville countered with a motion to dismiss the suit on grounds that such action must be brought by a "citizen," according to law, and that Novi township is not such a citizen.

It was this interpretation that was denied by Oakland county circuit court judge Clark J. Adams November 13. Adams called it a "rather technical" point.

"Reason should indicate that if one citizen can bring such proceedings, certainly a group of citizens should have a similar right," Adams said in his court opinion.

"No strained construction of the statutes should be allowed to take this fundamental right of inquiry from any segment of our society," he added.

Northville attorney Philip Ogilvie had argued before the court that the law specifies the word "citizen" and thus implies that a suit-bringer should have citizen-

Phones, Natural Gas Bring Council Protests

Ordinance Covers Parking Provisions For New Buildings

Three ordinances were presented to the Northville council for study Monday evening, two of which were tabled and the third approved for publication.

A new zoning amendment won approval of councilmen. It outlines requirements for providing offstreet parking facilities by firms building new businesses, or established concerns making alterations amounting to more than 50 per cent of the value of the building. Mayor Claude Ely, objecting to provisions in the ordinance concerning the type of fence required around parking lots, voted against passing of the amendment.

Ordinances dealing with "house moving through the streets" and "moving houses on a lot" were tabled for further study after councilmen raised questions concerning dimensions of objects to be moved.

City Manager John Robertson told councilmen that approximately 15 water bills were delinquent amounting to \$441 in revenue. He pointed out that under the city charter bills more than 10 days past due call for water service to be discontinued. Mayor Ely asked that cases be reviewed by Councilman Allen, Mayor Ely and Robertson.

The city manager further requested that the city consider a system for frequent checking of water meters for accuracy. He pointed out that eventually necessary testing equipment will have to be purchased.

Councilmen approved construction of a temporary black-top sidewalk on Griswold road in front of the Leslie Alger residence. The walk will be provided by the city until a permanent installation can be made.

An audit of the accounts and records of Northville township as of May 26, 1955 was read to councilmen. It revealed that the city's share of the assets on the date of incorporation is \$26,817. This amount would be transferred from the township to city. A report of the audit has been sent to the township and it was indicated that governing bodies of township and city will meet in the near future.

The meeting closed with the adoption of a resolution to encourage flood control procedures by the federal government for the Rouge river. Northville took the action after a similar move by Garden City.

Two public utilities serving Northville residents came in for sharp criticism Monday evening from members of the city council.

Councilman John Canterbury started the action which resulted in the council proposing that letters of protest be sent to Michigan Bell Telephone company and Consumers Power company. A third letter, or resolution, will be sent to the Michigan Public Service Commission.

Canterbury recommended the following action:

Youths and Parents Invited to Meeting On Military Service

Northville will join with four other communities soon in a meeting designed to offer youths and their parents information on the armed forces and duty with them.

A military information meeting will be held December 10 at Bentley high school in Livonia for young men and parents in Northville, Livonia, Plymouth, Clarenceville and Redford township.

A top service official in Michigan will explain the various laws and regulations surrounding military duty, after which each branch of the service will set up shop in separate rooms to discuss that branch with interested youths and parents. Military displays will help explain the opportunities and obligations of military duty.

All PTA groups, service organizations and other local bodies have been asked to back the military information meeting.

"During the last few years," said a spokesman, "there have been many heartache and disappointment in households throughout the land because the young men of the family have made a hasty choice for enlistment in the armed services only to find that it was not what he pictured it to be."

"In these instances," it was added, "he has voiced his disappointment in his letters and his payments have suffered heartaches because their boys have been unhappy and would be for some time. Many of these cases can be avoided through such military information meetings as these."

Hospital Employees Join in Pay Hike Bid

Pay increases and fringe benefits totaling \$22,000,000 soon will be asked for thousands of state employees, including upwards of 1,000 employees of Northville State hospital, it was announced this week.

The pay hike and benefits will be requested on November 21 by the Michigan State Employees Council No. 7, American Federation of State, County and Municipal Employees, AFL-CIO.

According to Conrad Springer, president of local 980 at the Northville hospital, the union is asking for these pay raises:

- 1) An across-the-board increase of 10 cents per hour effective January 1, 1957.
- 2) An increase of 6 cents per hour, or 2½ per cent, whichever is greatest, effective July 1, 1957.
- 3) An across-the-board increase of five cents per hour also effective July 1, 1957.

"The 10-cent raise would enable state employees to catch up with prevailing 1956 pattern of general cost of living increases," Springer said.

"The six-cent increase would keep pace with the pattern of pay increases in private industry scheduled to take effect in 1957," he added. "And the five-cent increase would go toward closing the gap between state rates and those in private industry."

Fringe benefits requested by the union include establishment of a hospitalization and life insurance program, premium pay for "overtime, late shifts, Sundays and holidays" and elimination of the C (lowest) classification of employment, said Springer.

In his protest to the telephone rate hike Canterbury pointed out that "service in this community is of utmost concern." He added that the council "wishes to do everything within our province to help insure the installation of modern equipment without fail at the earliest possible date." He said the pending application for increased rates (see story page 15) and the recent announcement regarding dial equipment in Novi prompted the protest action.

The council, in adopting Canterbury's proposal, indicated that City Manager John Robertson and City Attorney Philip Ogilvie would represent the city at the December hearing of the rate increase before the Public Service Commission.

In reply to word of the protest action Michigan Bell Area Manager Robert Maurer told The Record that Northville would have "the best service available in August of 1958."

Maurer added that the temporary mobile-unit installation to provide automatic service in Novi next year would also provide relief for users in Northville. He said that complete dial service could not be provided for the area sooner than 1958 because construction of a building and manufacture of equipment would take nearly that long.

"It should also be pointed out, that while every attempt is being made to improve service, the rates are based on the number of people that Northville residents can call, not on service," Maurer concluded.

The matter of adequate gas for space heating likewise brought little hope of relief from William Whitfield, Consumers district manager. "The company is extremely concerned about this year's lack of fuel gas," he commented, pointing out that for seven previous years releases had been made. "No permits have been issued in 1956," Whitfield stated.

"Gas is still available for all industrial and residential uses other than heating," he added. Gas from Northville fields has been helpful in allowing the company to keep pace with growing household and industrial demands for gas, Whitfield remarked.

Canterbury's objections included a claim that no permits had been issued since October 1954. Whitfield had indicated that 30,000 were issued in 1955, but it could not be learned what proportion of these permits were given in Northville. Canterbury further pointed out that "Display billboards in Detroit urge people to apply for unlimited supply of fuel gas for space heating."

City Manager Robertson indicated that the letters would be prepared and delivered this week.

NHS Deer Hunters Set School Record

The state's light turnout of deer hunters hasn't held true at Northville high school.

As of Monday, 26 boys had registered with assistant principal Frederick Stefanski for deer hunting. It was believed to be the largest group in the school's history.

When they return — bucks or not — they will have to forget their adventures and hit the books, however. It's all part of the arrangement.

NEWS AROUND NORTHVILLE

Mr. and Mrs. Perry Taylor and Mrs. Laura Morse spent Sunday in Adrian with Mr. and Mrs. Harry Dusseau and family. Mr. and Mrs. Taylor visited the latter's sister, Margaret Moore who is in the Emma L. Bixby hospital; also Laurence Moore, of California, called here by the sudden illness of his mother. The Moores are former residents of Northville.

Richard Bale of Randolph street, son of Mr. and Mrs. Harry Bale of Ontario, Canada, has received his final discharge from the army. He had been stationed in Korea.

Mr. and Mrs. E. V. Ellison will visit Mrs. Ellison's mother, Mrs. Carl Gasper in Ionia on

the Thanksgiving holiday.

Mrs. William Hensch and her daughter, Sharon, are now in Iowa to be with Mrs. Hensch's parents, Mr. and Mrs. Ilo Wilson, for their 50th anniversary.

Miss Pat Bubel, physical education teacher at the high school, will play left wing position for the Great Lakes field hockey team in Philadelphia this Wednesday.

Visiting Dr. and Mrs. R. M. Atchison last week end was Mrs. Atchison's mother, Mrs. Don Harrington, of Albion.

The Andrew Orphans, formerly of Carlisle street, have moved to South Rogers street.

Western Electric only recently broke ground for their new local plant, but company supervisors have already begun settling in the area. The D. R. Browns have been in their new home on Whipple drive for two months and the family of W. W. McKeel moved into their new home on Whipple last week.

Daniel MacDermid of Horton street and his brother-in-law, Duane Small, formerly of Northville and now of Detroit, each bagged a buck within the first hour of the opening of deer season.

Mr. and Mrs. Frank Swiss and boys, and Mrs. Hartung returned from a hunting trip Sunday and brought with them an 11-point buck.

Alvin Skow of Horton street returned Friday from Esterville, Iowa where he attended the funeral of an aunt, Mrs. Hans Gaarde, with whom he had made his home as a child.

Attending mass and breakfast at the Rosary high school auditorium in Detroit Sunday were Mrs. James Spagnuolo and her granddaughter, Lola Melbourne.

Hunting in Gaylord over the week end were Mr. and Mrs. A. Willis and Mr. and Mrs. Nelson Schrader, Jr., who stayed at the Schrader camp. B. L. Thomas, Mrs. Willis' father, stayed with the Willis children here in Northville.

James Hollis, son of Mr. and Mrs. Roy Hollis of Randolph street, has received his final discharge and is now home from Germany where he was stationed with the army.

Polio Protection For Next Summer Should Begin Now

Persons desiring polio protection against polio during the disease's peak months next summer were urged by the Michigan Department of Health today to start their vaccine shots immediately.

Dr. Albert E. Heustis, state health commissioner, said the three shots given as a series to provide immunity against polio should cover at least a seven-month interval with a one-month wait between the first and second shots and a six-month wait between the second and third shots.

Full beneficial effects of the vaccine are not offered until after the third shot, Dr. Heustis pointed out.

The polio "season" in Michigan begins about July 1, when the number of polio cases usually begins a climb toward a high for the year in mid-August.

Dr. Heustis said that in order for a person to obtain maximum protection against polio by next July 1 he should receive his first shot in the series by December 1.

Sixteen polio deaths have been reported in Michigan so far this year. Fifteen of the 16 had not received polio shots and the 16th had not received a full course of the shots.

About 300,000 persons in Michigan — most of them between 6 and 10 years of age — have received their third polio shots, and 1,000,000 persons have received at least two shots.

To date in 1956, only one case of paralytic polio has been reported among persons who have received all three shots.

Polio vaccine is now in plentiful supply and no one need go without protection, Dr. Heustis said.

No formal dinner is complete without nuts. Always invite a few.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

LENDING A HELPING HAND in preparing the Thanksgiving centerpiece is Wink, two-year-old son of Mrs. Richard Hackett. The Hacketts, who live on Grandview, have another, son, John, 5 weeks old.

If the joy of knowing that Thanksgiving dinner is prepared and stowed away is often dimmed by thoughts of "and now what am I going to do with that leftover turkey?" — set your mind at ease right now.

This recipe for Turkey Casserole will solve the problem — a magical way to make Friday's turkey dinner as tempting as Thursday's. This recipe was submitted by Mrs. Richard Hackett,

of Grandview, mother of two — Wink (Richard), two, and Johnny, five weeks.

TURKEY CASSEROLE

In a saucepan heat 3 tablespoons butter and stir in 1 generous tablespoon flour. When bubbling, gradually add 1 cup chicken, stock (or bullion cube) and 3 tablespoons sherry. Cook three minutes, add salt and pepper to taste. Bring sauce to boil and stir in 1 cup light cream. After bringing to boil again, add 1 cup mushrooms sauteed in butter. Add three egg yolks beaten with a little cold milk, 1 teaspoon minced onion, 1 tablespoon chopped green pepper and 3 cups leftover turkey meat. Put mixture in greased casserole and sprinkle with bread crumbs and grated cheese. Dot with butter. Brown under broiler flame or in moderate oven.

What Northville Girl Scouts Are Doing

Brownie Troop 3—
At the November 15 meeting, members of troop three all received their second year pins and some girls were also invested.

They made pine cone turkeys for Thanksgiving favors. At the next meeting, each girl will bring a large cloth to practice for the Christmas tableau costumes. They will also have an election of officers.

Girl Scout Troop 6—
Members of troop six had a test on music and also decided to go to the Plymouth Symphony. They are going to work on arts and crafts.

Girl Scout Troop 19—
At their last meeting troop 19 started some potato printing. They had the nibble and closed with the friendship circle.

Brownie Troop 5—
Brownie troop five met at the Amerman school at their last meeting with leaders Mrs. Gregersen and Mrs. Petz. Nancy Logeman was invested into the troop. The project at this meeting was making Christmas tree ornaments. Refreshments were enjoyed by the 13 members present. The meeting adjourned with the singing of "Girl Scouts Together".

Girl Scout Troop 17—
Troop 17 went on a cookout at Mrs. Lemmon's house. They learned how to make foundation fire and one pot meal so each scout can earn another badge.

Pre-Christmas Planning Is Underway

MAKING FINAL ARRANGEMENTS for opening their homes for the annual bazaar and tea of the Our Lady of Victory Mother's club are Mrs. Patrick Brady, Mrs. Andrew Bertoni, Mrs. George Kohs and Mrs. Joseph Crupi. The four homes will be transformed into "Cookie House", "Bazaar House", "Tea House" and "Sparkle House", respectively, for the affair that will take place November 29 between one and five o'clock.

First All Orchestral Concert By Plymouth Symphony Sunday

The first all-orchestral concert in the eleven year history of the Plymouth Symphony orchestra will be presented Sunday, November 25 in the Plymouth high school auditorium.

Featured in this concert will be the suite for orchestra, *Louisiana Story*, by Virgil Thompson, a well known American composer and former music critic of the New York Herald Tribune.

Other works to be presented are:

Hebrides Overture
by Mendelssohn

Symphony No. 4
by Brahms

Capriccio Espagnol
by Rimsky-Korsakoff

Wayne Dunlap, conductor of the orchestra for the past six years, is a graduate of the Eastman School of Music and was a student of Pierre Monteux. He was also conductor of the University of Michigan symphony orchestra and director of the opera workshop.

The past two years Dunlap has been conductor of the Grosse Pointe Symphony, and at present

is conductor of the West Shore symphony in Muskegon, Michigan.

Growing from a nucleus of 12 players to its present membership of 95, the symphony spends about 2700 man hours of preparation, excluding individual practice time, for each concert.

This season marks the first the orchestra has been able to list a harpist as one of its regular members. Mrs. Joseph Martin, harpist from Ann Arbor, will appear with the orchestra in all of the concerts. Another new member is Miss Heidi Trithart, an exchange student from Graz Austria, and a senior at Northville high school.

For the added enjoyment of concert-goers next Sunday, an exhibit of paintings done by the adult education oil painting class will be in the hall. The class project has been old houses, buildings and churches of Plymouth painted in primitive style.

The next presentation of the symphony will be a production of the opera *Hansel and Gretel* on December 16.

All concerts are open to the public without charge.

Artist's Club To Host Painter

The Palette and Brush club will hold its monthly meeting at the Westlawn Methodist church, Ohio and Grand River avenues, Tuesday, November 27. There will be a business meeting at 12 noon with luncheon at 1 p.m.

The speaker for the afternoon program at 2 p.m. will be Hughie Lee Smith, outstanding Detroit painter and consistent winner in many competitions. He has won prizes in the Michigan Artists' Exhibitions the coveted Founders' Prize, also prizes in Michigan State Exhibitions and the Kirk-of-the-Hills show. A mural depicting the history of the Negro in the United States Navy done for the Great Lakes Naval Station in Illinois is one of Mr. Smith's outstanding achievements.

Making a fool of oneself isn't so bad if you know who did it.

Defeat isn't bitter if you don't swallow it.

Though Errol Myers still works in Detroit, he and Mrs. Myers recently moved from the city to 2445 Border Hill road in Willowbrook Village.

He is chief engineer of the H. O. Trerice Co. in Detroit. For his spare time, Mr. Myers occupies himself with his metal lathe—the chief machine in his workshop. He has made modern lamps and various other articles for their home.

Mrs. Myers enjoys bowling, and now has time for her favorite sport since her two children are grown. Errol Myers, Jr. lives in Canton, Ohio, and their daughter, Mrs. Christopher Luce, of Clawson, Michigan, recently presented her parents with a new grandchild, Cheryl Ann.

The Myers spend their vacation each year at Paradise Michigan, in the upper peninsula, where they purchased their own cabin this year.

Errol Myers of Willowbrook Village explains his metal lathe to his wife, who has been able to add modern lamps and other items to their home as a result of his work.

Introducing "KLEEN AIR"
A NEW FURNACE CLEANING SERVICE FOR THIS AREA

SAVE UP TO 20% ON FUEL COSTS!

CLEAN YOUR FURNACE THE NEW, MODERN, KLEEN AIR WAY!

We have received many letters from home owners with gas, oil, and coal furnaces stating that the cost of their fuel has been up to 20% less AFTER having their furnace cleaned by Kleen Air. The giant power suction vacuum cleaner, used exclusively by Kleen Air, cleans your furnace, chimney, pipes, and registers thoroughly. We guarantee satisfaction! From the chimney top to the ash pit, all dirt and soot is removed and HAULED AWAY. **SAFETY - NO FIRE!**

KLEEN AIR DOES MORE THAN CLEAN YOUR FURNACE
And Kleen Air does more than save you money on fuel. A Kleen Air cleaning makes housework easier because all furnace dirt and soot has been removed. You will not need to redecorate, or wash walls as often if you have your furnace cleaned by Kleen Air. Fire hazards are greatly reduced because clean pipes and chimney assures proper passage of air. You'll save on furnace repairs too... don't wait, call your Kleen Air dealer today!

Association Elects Officers

By Mrs. Louis Chismark
Phone GR-4-2604

Willowbrook Community association held its first executive meeting at the home of Robert McClelland, East LeBost drive. Temporary officers elected by the board members were Robert McKeon, president; Robert McClelland, vice-president; John Hood, secretary; and Howard Swick, treasurer. These officers are to be approved by active members at a general meeting to be announced later.

Mrs. Ann Law of Mill Stream has entered Florence Crittenton hospital Tuesday for surgery. Mrs. Elizabeth Ferguson is taking care of "Ricky" and Mary while Dick "batches".

Mrs. H. W. Hawk had her mother, Mrs. S. J. Szalkowski, Sr., as a house guest over the week end while her husband went deer hunting for the week end at Rose City. On Sunday her mother-in-law, Mrs. M. W. Hawk; her sister-in-law, Mrs. R. L. Range and her two daughters, Susan and Janet, were over for the afternoon.

Mr. and Mrs. William F. Carr of Holly Dale Drive had her mother, Mrs. Ann Hicks; nephew, Gordon; Mr. and Mrs. E. C. L. Black, aunt and uncle; Mrs. Kaye Gainer, sister; and Mr. and Mrs. Perley Carr, Mr. Carr's parents, for dinner recently.

The Holiday House Party bazaar of the Our Lady of Victory Mother's club will be held November 29. Those interested in purchasing tickets and information on how to get to different places may contact Dorothy Flattery or call GR-4-0312.

Mr. and Mrs. T. J. Linsdau of Coral Lane and their three children left this week to make their new home in Chicago where Mr. Linsdau was transferred from Detroit.

Josephine Flattery celebrated her ninth birthday with a party. Her guests had ice cream and cake and then attended a Walt Disney movie in Northville. The girls present were Paula Mekla, Nancy Bosak, Beth Grayson, Dawn Swensen and Janis Waugh.

Eight couples of Willowbrook had a hilarious evening November 3 at the home of Sylvia and Walter Klerick on Mill Stream Lane. Everyone had so much fun that they hope to continue meeting every four to six weeks. Perhaps doing something different each time. This was pot-luck with everyone helping, themselves and being completed at home. They played guessing games and charades. Attending were Mr. and Mrs. Tom Morrison, Mr. and Mrs. Larry Good, Mr. and Mrs. Richard Miller, Mr. and Mrs. Buck, Mr. and Mrs. Fred Costello, Ken and Millie DeHayes and of course the host and hostess.

Mr. and Mrs. Dick Richard of East LeBost drive are driving to Pennsylvania for Thanksgiving.

William Gallagher of 10 Mile road celebrated his birthday on Monday evening.

Clubs

The pinocle club, held regularly every other Monday, was held Tuesday night this week at Glennia Grants of Willow Lane. On November 5 the pinocle club met at Mildred DeHays' home on Mill Stream Lane. Winners were Virginia Hawk, first; Sophia Martin, second; Kay Buck, third; Audrey Wenger, fourth, and Paula Swensen, fifth.

Mrs. Robert Flattery entertained her Northville bridge club Monday night.

Sewerage System
Still Being Studied
By Novi Engineers

Engineers this week were continuing to investigate the feasibility of a Novi township-sewerage system, but it was called "doubtful" that much would be done about it until the spring.

Novi township supervisor Frazer Staman said the township has retained engineers and that they have been making preliminary studies during recent weeks.

But he added that no decision is apt to be made until after the township elections February 18, after which time the sewerage project would become the problem of members either elected or re-elected to the board.

Staman said the biggest hurdle will be passing qualifications of the state health department. The engineers retained by the township are making their studies within the framework of state regulations.

Initial steps toward the sewerage system were taken a month ago when Staman disclosed that it had been determined that a \$3,000,000 - \$4,000,000 sewerage system could be financed. He said the network would probably be paid for by subdivision developers.

The system would also include a sewage disposal plant costing about \$300,000. The plant would be paid for by revenue bonds, with the initial money coming from private investors.

When completed, Staman said, the system could serve up to 15,000 customers in the township and would be so designed that more lines could be added in the future.

Staman estimated that the system would cost between \$30,000 and \$50,000 a mile.

Church Observes
100th Anniversary

Willowbrook Community church is one of 15 Evangelical United Brethren churches celebrating the anniversary of 100 years of service in Detroit and surrounding communities.

The Willowbrook church, started only a few months ago, has grown to an attendance of some 75 persons.

The church is located at 10 Mile and Meadowbrook roads.

Sunday School services begin at 10 a.m., worship at 11.

The work of this denomination in Detroit actually began in May, 1856. The first regularly appointed minister was Benjamin Keller, Detroit, at that time, had a population of 60,000 people.

The places of worship in those early years consisted of a public schoolhouse, the Old City Hall at Cadillac Square, a Reformed Church, a dance hall and private homes. The longest period of residence in the early years for the church was in the Second Baptist church. Even in those days a Negro congregation worshipped there and they generously gave the use of their building to the Evangelical United Brethren denomination. They extended to the congregation a friendly and wholesome welcome.

The first church of the denomination was dedicated in August, 1858.

There are, at the present time, the 15 Evangelical United Brethren churches in the metropolitan area have a combined membership of 5470.

Letters Ready Soon
For Northville Santas

This Christmas season marks the ninth consecutive one that "Letters to Santa" will be answered by Northville residents.

These particular letters will come from about 140 children at Maybury Sanatorium—and when Mrs. V. George Chabut announced this week that the letters will be ready for Northville's Santas by this week end, she said, "We always have more Santas than letters."

Anyone who would like to be a Santa this year call Mrs. Chabut, Northville 131, for a letter.

WHEN JAY Leavenworth won the Record's weekly football contest recently, he reported that the \$10 prize money would help pay for a deer-hunting trip. The 14-year-old youth returned Monday and the results can be seen in the above picture. Hunting with his father, J.B. Leavenworth (left) near Traverse City, Jay was the only member of the camp to bag his buck last week end. What's more, he used a .22 rifle! The Leavenworths reside at 588 Randolph.

Novi Attorney Says:

Zoning Would End Track Fight

Novi township residents very likely will be unable to prevent establishment of a race track in the township if rezoning of the proposed site goes through.

That opinion is expected to be given township board members at their next meeting by township attorney Archie Leonard.

Leonard said this week he has determined that such a race track would be a legitimate business in a "heavy industry" area and that it could not be barred without risking a legal suit.

Leonard was asked to determine this matter last week when the township board was confronted by local citizens demanding to know how they could fight the race track proposal. Leonard is to report his findings to the board.

Behind the question is a controversial proposal to build a \$5,000,000 race track north of Grand River between Meadowbrook and Seeley roads. To do so, the site must be rezoned from M-1 (light industry) to M-3 (heavy industry). The rezoning has been passed by the township zoning board and the Oakland county coordinating committee and now must be passed only by the township board becoming effective.

The board brought up the rezoning for approval last week, but citizens present asked if approval would prevent them from fighting it further.

The answer, according to Leonard, is apparently "yes" — with one exception. Township citizens can petition for a vote on the rezoning within 30 days after it is approved by the township board, Leonard said. If the rezoning is voted down, that action is final.

But Leonard stressed that if the rezoning is approved and not contested, the race track apparently cannot be barred.

"A race track would be just as legitimate in the eyes of the law as a factory," Leonard said. "The law does not allow exceptions to be made simply because a given industry might be unpopular. As long as a race track is not expressly forbidden in the zoning ordinance, it must be allowed."

Leonard pointed to the recent township zoning amendment permitting trailer parks in the township.

"It was the same in that case," he said, "We could not legally prohibit trailer parks, since they are legitimate businesses, and so we passed an amendment with very strict regulations instead."

Township board members have taken the attitude that the rezoning request is only for unspecified "heavy industry" and that the possibility of a race track should not be considered in their decision to approve or deny the rezoning.

It is common knowledge, however, that a track is planned for the site if the rezoning is approved. Backers have publicly revealed extensive plans, including artists' sketches, of the track.

Free chest X-rays will be available November 30 and December 3 when the Mobile X-ray unit of the Oakland County Board of Health visits Novi.

The unit will be at the Township hall all day on both dates.

Ailments such as tuberculosis and heart disease can be detected through the x-rays. Last year, a severe heart condition was detected in at least one woman who is still alive as a result of an operation which corrected it.

The x-rays are free to anyone.

Mobile X-Ray Unit In Novi Next Week

Offer Driver Tests At Township Hall

Examinations for drivers licenses will again be offered at the Novi township hall next Wednesday.

Applicants may be examined at the hall from 1 to 8 p.m.

Tests are being given every second Wednesday under a new program in cooperation with the Oakland county sheriff's department.

Novi 4-H Members Receive Awards

Project awards were presented to two members of the Iyon-Nov 4-H club at its meeting November 17.

Awards were presented to Laura Darnell for a health exhibit and to John Darnell for an electrical project. In addition, sponsor Sue Tobin received honor pins for leadership and achievement.

All members received fair premiums.

Plans are being made for attendance at the Michigan State football game this Saturday, to which all 4-Hers have been invited.

Because this is the last week of the contest (see contest form on page 14), Ye' Olde Contest Editor has again decided to provide contestants with his accurate predictions. Take these down as the gospel: Washington to humble Cleveland by two touchdowns; Indiana to rise up and down Purdue; Wisconsin to surprise mighty Minnesota, and at Columbus, Michigan and Ohio State to tie — (13-13).

John Holman, 17961 Beck, shows son Gary how he picked the winners to take first place in the weekly football contest. Holman missed only two contests, picking the Michigan State and Ohio State upsets. While Dad took the contest honors, Gary has been winning football laurels. Chosen as Northville's most valuable player, Gary also won all-league fullback honors. And Dad turned over the \$10 prize money, too! Second prize went to Dayton Deal.

John Holman Wins Football Contest

There were upsets aplenty in last week's football contest but not enough to trip John Holman, 17961 Beck and Dayton Deal, Springwood drive.

Holman and Deal led all other contestants by far as five and six misses were not uncommon. Holman's close prediction of the Detroit Lions - Baltimore Colts' score gave him first prize money. Both missed only two games.

Most often missed were the Michigan State-Minnesota, Iowa-Ohio State and Purdue-Northwestern games. Oregon's win over Southern California also caused trouble for many contestants.

Holman is the father of Northville high school's all-league fullback and most valuable player, Gary Holman. Both father and son entered the contest for the first time. Deal, a sports fan and Northville backfield performer in the thirties, is a regular contestant. His entries have come close in past weeks, but never in the money.

Because this is the last week of the contest (see contest form on page 14), Ye' Olde Contest Editor has again decided to provide contestants with his accurate predictions. Take these down as the gospel: Washington to humble Cleveland by two touchdowns; Indiana to rise up and down Purdue; Wisconsin to surprise mighty Minnesota, and at Columbus, Michigan and Ohio State to tie — (13-13).

Novi Girl Scouts

Brownie Troop No. 602 met at Novi school November 14. They practiced the flag ceremony and sang songs. For service, project they made favors for Cerebral Palsy Center. Treats were life-savers. Meeting closed with the Friendship Circle.

Intermediate Troop No. 493 met at Novi school under the supervision of leader Dora Eby and Elsie Hall. The girls sold a total of 87 calendars. They sang songs and had discussion of uniforms. This troop will be bringing in their Brownie uniforms to be sold to new Brownies at nominal cost. They would appreciate if anybody desiring to sell full intermediate dresses would get in touch with their leader, Northville 1223-W.

Senior Scouts met at the home of Sharon Clarke. They held a short business meeting and discussed sale of Christmas project, had calendar report and made plans for concession sale at the square dance Saturday night in (Continued on Page 8)

Novi Highlights:

Auxiliary Fetes Servicemen

By MRS. LUTHER RIX
Phone Northville 245-J

The Novi AmVet Auxiliary served lunch at the Missile and Radar Base near Union Lake to about 100 service men Monday evening. Auxiliary members who worked were Laere Bell, Doris Callan and Lulu Whittington. Lottie Race, Novi chapter, Blue Star Mother, accompanied them.

William Borchart of Plymouth, formerly of Ten Mile road, Novi, is now a patient in the White

Hall Convalescent Home. He had previously spent three weeks in Sessions hospital, Northville.

Mr. and Mrs. Arthur Walker of East Lansing spent Sunday with the latter's parents, Mr. and Mrs. Alfred Gove.

Mrs. Bertha Wood celebrated her birthday last Thursday when a group of friends, the Sunshine club, of which Mrs. Wood is a member, came in with a birthday cake and ice cream. Those who came were Mrs. B. F. Davis of Northville, Mrs. Charles Perry and Mrs. Bunker of Pontiac, Mrs. Harry Newman of Livonia and Mrs. Fred Garlock, Mrs. George Glesson, Mrs. William Mairs, Mrs. Andrew McCollum and Miss Mariette Goble of Novi.

Mr. and Mrs. Tom Cardle of Walled Lake and Mr. and Mrs. Will Flint will spend Thanksgiving Day with Miss Mary Flint.

Mr. and Mrs. Russell Race entertained the members of their pinocle club Saturday evening at their home on 12 Mile road. Mr. and Mrs. Otis Tewksbury won top honors for the evening. Mr. and Mrs. Gerald Race substituted for Mr. and Mrs. Luther Rix who were unable to be present.

Ed Calleñ, Charles Trickey, Sr. and Duane Bell returned Sunday from a five-day hunting trip near Glennie. They stayed at the home of the latter's mother in Glennie.

Mr. and Mrs. Charles Trickey, Sr. left Monday for deer hunting in northern Michigan.

Anthony Skeltis left last Wednesday for deer hunting near St. Helen. He returned Sunday evening with his buck.

Don Bingham is in the Upper Peninsula on a two weeks hunting trip.

Billy Skeltis and his brother-in-law, John Tymensky of Wyandotte, were week end hunters in northern Michigan. Mr. Tymensky brought back an 8-point buck.

Novi AmVet Auxiliary entertained the district representatives at their meeting last week at the home of Mrs. Charles Trickey, Sr.

Novi Girl Scouts

Drainage Problem Back at Beginning

A drainage problem concerning the new expressway in Novi township is right back where it started two months ago.

Contrary to reports two weeks ago that the problem was cleared up by the installation of a new culvert, it was admitted that no such culvert was installed.

Heart of the problem is an inadequate pair of culverts at the expressway, and Taft road. They reportedly have caused water to back up a number of times during the summer, causing residents' property to be flooded for days at a stretch.

Two weeks ago an Oakland county drain commission spokesman said another culvert had been installed. But the statement was claimed to be false by residents.

The drain commission this week said the error had apparently resulted from a misunderstanding when an engineer had investigated the report and advised that a "second" — instead of third — culvert be installed. Drain commission records showed that a second culvert had been installed, and it was assumed the problem was cleared up.

Commission spokesmen said they would look further into the matter.

Meanwhile, cement is ready to be poured for the expressway within the next week or two.

Novi township supervisor Frazer Staman said he had contacted county and state officials about the problem, but still felt a civil suit to stop the expressway construction would be the most effective course of action.

Novi 4-H Members Receive Awards

Project awards were presented to two members of the Iyon-Nov 4-H club at its meeting November 17.

Awards were presented to Laura Darnell for a health exhibit and to John Darnell for an electrical project. In addition, sponsor Sue Tobin received honor pins for leadership and achievement.

All members received fair premiums.

Plans are being made for attendance at the Michigan State football game this Saturday, to which all 4-Hers have been invited.

Week End Accidents Kill 1, Injure 3

One man was killed and three injured in three automobile accidents over the week end.

Dead was Samuel Gumm, 27, of 335 Arvida, Walled Lake. According to police chief Lee BeGole, Gumm apparently fell asleep while driving east on Grand River early Saturday morning. His car swerved to the left and hit a tree, BeGole said. William Marshall, 24, of 48578 Pontiac Trail, Wixom, was in the car with Gumm. Both were taken to Pontiac General hospital where Marshall was treated for concussion.

The accident occurred west of Beck road, near Bob-O-Link golf course.

Carol Ann Semke, 18, 34865 West 12 Mile road, Farmington, was treated for cuts and bruises Friday evening after her car collided head-on with one driven by Walter Perry, 3083 Gotfredson, Plymouth. Miss Semke, a telephone operator, was driving north on Novi road.

Ferry, 66, was treated at Beyer Memorial hospital in Ypsilanti for rib injuries.

Announce Purchase of Bahn Miller's

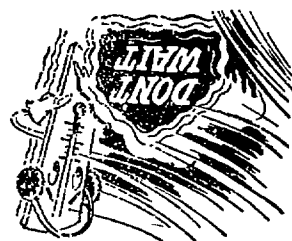

Announcement was made this week that the Charles W. Bahn Miller Funeral Home, 404 West Main street, has been purchased by Dempsey B. Ebert of St. Johns.

Ebert, who has been associated with the Frazier Funeral Home in Detroit since 1951, was formerly funeral director with his father in St. Johns. He will take over operation of Bahn Miller's this week.

Ebert will be assisted by his wife, a graduate of the University of Michigan where she received a master's degree in psychiatric social work.

Active in community affairs in St. Johns, Ebert is a past president of the Rotary club and was chairman of the St. Johns Red Cross and Cancer Society drives.

Mr. and Mrs. Ebert will reside at the funeral home.

League Band Clinic To Meet in Northville

Hundreds of bandmen will converge on Northville next Wednesday for a Wayne-Oakland league massed band clinic.

All seven league schools will participate in the day-long clinic, to be presided over by faculty members and music students from Michigan State university.

High school bandmen will split up into sectional groups, meeting in local church buildings and other halls, and will later mass for a final session.

Ellison Interviews Northville Students Now at U-M, MSU

Northville is keeping tabs on former students now attending the University of Michigan and Michigan State university.

Principal E. V. Ellison will journey to East Lansing next week to interview Dave Hartner, Harold Wilson, Greig Chapman and Lillian Mair, all former Northville students now enrolled at MSU.

More than 375 principals from throughout the state will talk

with some 3,000 of their former pupils as part of the 20th annual high school and junior college follow-up conference sponsored by MSU.

Earlier this month, Ellison attended a similar conference in Ann Arbor, where he talked to Elvin Newton, Carolyn Burkman and Ken Krezel, now attending the University of Michigan. Occasion was the 28th annual principal-freshman and junior college

conference. Ellison will continue on to Lansing next week after the MSU meeting for the annual fall conference of the Michigan Secondary School Association. There he will moderate a panel on state and independent scholarships.

Open Mon., Fri. Evenings

Minutes of the Board of Education

November 5, 1956
The regular monthly meeting
of the Northville Board of Edu-
cation was held in the board room
at 7:30 p.m. on Monday, Novem-
ber 5, 1956.

Present: R. F. Coolman, E. F.
Clark, D. B. Severance, N. C.
Schrader, Robert H. Shafer.

Absent: R. H. Amerman, Sup-
erintendent.

Others Present: James Littell,
Mr. Russell Reimer, of the high
school staff, Mr. William Crump
of the Curriculum Committee,
Mr. James Schiefer, of the Curri-
culum Committee, Mr. Kay, Mr.
Webb of the Northville Record,
Mr. Smith.

The minutes of the last regular
meeting and the October 10 spe-
cial meeting were reviewed and
upon motion by Mr. Severance
and second by Mr. Clark they
were approved as published.

Communications:
E. C. Mollena asking that pay
for door service at school dances
be increased from \$1.50 to \$2.50;

McFadden Corporation notifica-
tion that the contract for pay-
ment of the new school bus has
been accepted by the Michigan
National Bank; Letter of com-
mendation from "Jack's Seven-
Spot Drive Inn" for good con-
duct displayed by a group of
Northville High School students;
Women International League for
Peace requesting space for ex-
hibit of Art for Friendship; De-
linquent tax collections as fol-
lows: Northville Township,
\$3,763.33, Novi Township, \$625.46

Old Business:

Bids on fuel oil for Community
Building were received as fol-
lows: Eckles, 13.75 cents per gal-
lon; Ely, 13.80 and 13.95; Aurora
Gasoline, 11.75; Fuel Oil Corpora-
tion, 12.00 cents per gallon, max-
imum.

Moved by Mr. Severance that
the bid of the Fuel Oil Corpora-
tion be accepted. Supported by
Mr. Shafer. Carried.

Mr. Amerman advised that the
Municipal Finance Commission
has granted permission for the
school to borrow funds against
the 1956 tax collections.

New Business:

Motion by Mr. Severance to
increase pay for doormen at
dances to \$2.50 per hour. Second
by Mr. Shafer. Carried.

Upon motion by Mr. Clark and
second by Mr. Severance it was
decided that the schools be closed
at 2:00 p.m. on Tuesday, the 13th
of November in preparation for
"Open House". Mr. Coolman and

Mr. Clark reported to the Board
the results of their trip to Lan-
sing on November 2 to discuss our
application for approval of our
pending bond issue with the De-
partment of Public Instruction.
The request was found to be in
order and we were assured that
it would be formally approved
on November 15, 1956. It was then
moved by Mr. Shafer that a spe-
cial election of the school district
be held on December 18, 1956,
to vote on a \$3,000,000 bond issue
for the purpose of construction
of a new high school, an addition
to the Amerman elementary
school, renovation of the present
high school building, the pur-
chase of the new high school site,
and another elementary school
site. Mr. Clark seconded the mo-
tion. Carried.

The Board considered request
for use of Community Building
facilities during school hours and
instructed school authorities to
grant such requests when they
do not interfere with operation
of high school classes.

Motion by Mr. Schrader, sec-
ond by Mr. Severance that letters
of appreciation be sent to Drs.
Atchison, Robinson and Snow for
their voluntary professional ser-
vices at the football games dur-
ing the football season. Carried.

The auditing committee pre-
sented vouchers for payment as
follows: payrolls \$37,011.71; bills,
\$9,503.31.

Treasurer Clark gave this re-
port for the month of October as
follows:

Received during month,
\$21,712.16;
Balance in General Fund,
\$16,844.39;
Balance in 1949 Debt Service,
\$5,734.06;
Balance in 1954 Debt Service,
\$1,576.62;
Balance in Building and Site
Fund, \$1,335.72.

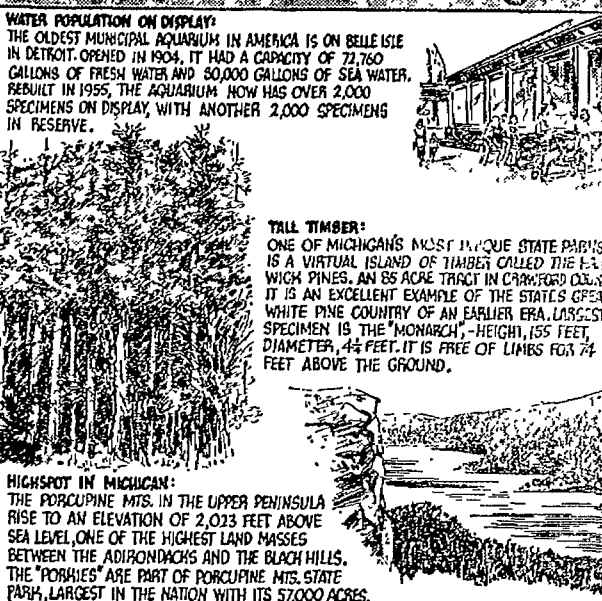

Upon motion by Mr. Severance
and second by Mr. Shafer the re-
port of the treasurer was ac-
cepted and bills and payrolls were
approved for payment when
funds are available.
Carried.

Received and filed the monthly
report of the Curriculum Com-
mittee as presented by Mr. James
Schiefer, Chairman.

Moved by Mr. Clark and sec-
onded by Mr. Schrader that the
meeting be adjourned, 10:15 p.m.

Robert H. Shafer,
Secretary

Meet Your Michigan

WATER POPULATION ON DISPLAY:
THE OLDEST MUNICIPAL AQUARIUM IN AMERICA IS ON BELLE ISLE
IN DETROIT. OPENED IN 1924, IT HAS A CAPACITY OF 71,760
GALLONS OF FRESH WATER AND 50,000 GALLONS OF SEA WATER.
REBUILT IN 1955, THE AQUARIUM NOW HAS OVER 2,000
SPECIMENS ON DISPLAY WITH ANOTHER 2,000 SPECIMENS
IN RESERVE.

TALL TIMBER:
ONE OF MICHIGAN'S MOST UNIQUE STATE PARKS
IS A VIRTUAL ISLAND OF TIMBER CALLED THE EAST-
WICH PINES. AN 85 ACRE TRACT IN CHARLEVOIX COUNTY,
IT IS AN EXCELLENT EXAMPLE OF THE STATE'S GREAT
WHITE PINE COUNTRY OF AN EARLIER ERA. LARGEST
SPECIMEN IS THE "MONARCH", HEIGHT, 155 FEET,
DIAMETER, 44 FEET. IT IS FREE OF LIMBS FOR 74
FEET ABOVE THE GROUND.

HIGHSPOT IN MICHIGAN:
THE PORCUPINE MTS. IN THE UPPER PENINSULA
RISE TO AN ELEVATION OF 2,033 FEET ABOVE
SEA LEVEL, ONE OF THE HIGHEST LAND MASSSES
BETWEEN THE ADIRONDACKS AND THE BLACK HILLS.
THE "PORCHES" ARE PART OF PORCUPINE MTS. STATE
PARK, LARGEST IN THE NATION WITH ITS 57,000 ACRES.

"The Unguarded Moment"

Combination Fan and Limit Switch—Starts and stops blower automatically as comfort requires. Limits furnace temperature to safe and comfortable range . . . automatically.

G-E Non-Clog, Low-Pressure Burner Head—Provides easily combustible "atomized" oil spray. Measures and prepares fuel and air to do more work, burn cleaner.

Ignition Transformer—Shielded to eliminate radio and TV interference.

G-E Motor Compressor—Supplies air for combustion, pumps oil and air to burner; guards against oil overflow. Self-lubricating, single-shaft construction, built to last.

G-E Master Control—"Brain of the Furnace". Reliable thermal control coordinates all starting, running, and stopping operations.

G-E Automatic Shut-Off Valve—Prevents oil flow when unit is not operating. Filters oil.

G-E Blower Motor — G-E's newest fractional HP motor. Dependable, quiet, long-lived.

Giant-Size Blower — Rubber-cushioned, quiet. Circulates air for your comfort.

Sturdy Framework, Cabinet—Steel jacket and frame; rigid.

G-E THERMOSTAT—Just set it and forget it. No seesawing temperatures, with the G-E "Comfort Dial".

Warm Air Outlet — Warm, clean air leaves here for your home.

Flame Detector — Shuts down unit in five seconds if oil flame fails.

Famous G-E "Turn-Back" Flame — Cushioned in air, it transfers heat directly to Spira-Flow element. Burns oil better, saves you money.

Heat-Retaining Insulation — Foil-faced glass fibre reflects heat back into unit, muffles sound, permits minimum wall clearance.

G-E "Spira-Flow" Heat Transfer Section — Heavy-gauge, corrosion-protected steel, welded to prevent leakage. Baffled-in surface gives quick heat.

Triple Air Supply—Measured air enters at three different points to assure complete combustion and fuel economy.

Internally Mounted Glass Wool Filter—Reduces dirt, dust and pollen in circulated air — cuts housework.

Lift-Off Panel — For easy-filter-changing and adjustments.

THE BALMY week end weather didn't discourage Paul Folino. As chairman of the Retail Merchants association Christmas committee, he saw to it that Northville was ready for Christmas. He's shown above pointing out where street decorations should be displayed. With him are Marvin Dunlap, Morley Carroll, Herb Fisher and Larry Burnette of the Northville Electric Co. Christmas lights will be turned on in the business district this Friday evening.

Manager Named At Northville Plant

Appointment of Robert A. Winder as manager of Ford Motor company's specialty products plants of Northville, Waterford, Brooklyn and Manchester has been announced by Paul A. Miller, general manufacturing manager of the Parts and Equipment Manufacturing division.

Winder replaces Walter H. Simpson who has resigned. Winder formerly was superintendent of the Manchester plant. He joined the company in 1939 as an hourly employee at Manchester and was named plant superintendent in March, 1954.

CHURCHES AFIRE!

It is surprising the number of fires which occur in churches in the United States and Canada. According to the National Fire Protection Assn. churches in these two countries burn down at the rate of 12 a day. Now it's too bad when this happens because it throws a financial burden upon the congregation in which is difficult to bear. But there is another kind of fire that would be a boon and a blessing to most churches and that is some of the fire the early church experienced on the day of Pentecost. This experience can never be duplicated since the Holy Spirit has come into the world to remain until the church is raptured — but the results of the Pentecostal fire should be repeated over and over again. This fire is nothing less than Holy Spirit prompted, holy enthusiasm to see the Gospel spread abroad and souls gathered into the fold. It is nothing short of tragic that some of our churches have not had a real conversion in years. Still more tragic than that—they are not concerned about it. Oh may God by His Holy Spirit stir up the dying embers that we may have more churches aflame with holy zeal to reach a lost generation, before it is everlastingly too late.

Novi Highlights

(Continued)

the Community building. This money to go towards camping next year. Boston coolers were served by the hostess, after which they worked on star project.

Brownie Troop No. 149 made Thanksgiving favors in form of miniature pilgrim hats for use on trays at Novi Convalescent Home. Ann Altatter brought treats. Mrs. Altatter was special guest and helped with craft work.

Intermediate Troop No. 492 met in the basement of the school. The girls had their calendar report, 91 calendars sold, and finished with playing Girl Scout records. The troop presented five calendars purchased from troop funds to various employees of the school who have helped make their meetings possible.

Intermediate Troop No. 491 made Thanksgiving favors for Eastlawn Hospital in Northville. The favors were tiny cornucopias in fall colors. The girls sold 33 calendars. Mrs. F. Geppert presided over the meeting in the absence of Mrs. Coleman. Sharon LaFond and Sharon Gattrell brought treats.

Calendars are still available from calendar chairman Mrs. Robert Skellenger of 12 Mile road. This will be the last week of calendar sales. Troops are allowed to keep 2c for their profit and the remainder goes toward better camping facilities. The calendars sell for 35c.

Methodist Church
Please bring your donation for the aged at Chelsea home to the church or call one of the Methodist Youth Fellowship members or Northville 1220-J1 for pick-up before Saturday, November 24.

Thanksgiving services will be held at 7:30 p.m. Wednesday evening, November 21 in the Brighton Methodist church. Rev. Andrew Hows of the Federated church will deliver the message. Brighton Methodist choir will furnish the music. The people of Novi church are invited to worship.

ship with Brighton at this special Thanksgiving service.

Novi School News Open House

Novi school open house was very well attended last Monday evening. The classrooms were attractive with displays of work done by the children.

Mrs. McDonough's second graders with 68 per cent of the parents won the prize for grades: kindergarten, first and second.

Mrs. Schwartz' third grade with 65 per cent won for grades three, four and five.

Mrs. Salow's sixth grade with 58 per cent won high in grades six, seven and eight.

After room visits the guests enjoyed refreshments and social hour in the Community building. The Novi Mother's club sponsored this part of the program.

Third Grade
Patty Brady and Vickie Burgess are two new pupils in Mrs. Crane's third grade room.

The new science shelves are much appreciated. Their collections include stones, shells, porcupine quills and cactuses.

Second Grade
Gary Spencer, pupil in Mrs. Boyd's second grade room, has moved to Northville.

Larry Joe Key is a new second grader in Mrs. McDonough's room. Larry comes from Walled Lake school.

Kindergarten
The kindergarten pupils wish to thank Mr. Presley for lettering signs for their rooms.

Fourth Grade
Linda Bokakor from Rockland, Massachusetts is a new pupil in Mrs. Wilcox's fourth grade.

Judy Dye, Patty Hildebrandt, Regina Ferguson, Chuck Trickey, Eddie Karschnick and Stephan Chismark have been transferred to another fourth grade with Mrs. French as their teacher. Twenty-eight parents visited Mrs. Wilcox's room for open house.

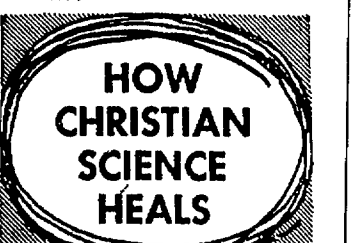

Four pupils from Mrs. Suilliere's have been transferred to Mrs. French's room. They are George Burchfield, Joe Dinsler, Jackie Fritz and Gilbert Van-Sickle.

Mrs. Moloney received ten transfers from Mrs. French's fifth grade class. They are Danny Dague, James Driscoll, Linda Early, Roland Goodfellow, Debra Harrawood, Jerry Killeen, Larry Long, James Mazel, Nora Pense and Gretchen Schneider.

Sixth Grade
Mrs. Penhale's sixth graders are interested in their library table. They are bringing books from home to display and they are keeping a card file containing summaries of books read during the year. They are reading "Little Women" as a group.

Mrs. Penhale's grade had 54 per cent attendance by parents at the school open house during American Education Week. Window decorations were of a Thanksgiving theme. Arithmetic, language, penmanship and art work was on display in the room.

Eighth Grade
Mr. McMillan's eighth grade English class has been writing to the various embassies of different countries including South America.

NEED FOR NEW NHS

(Continued)

facilities to keep pace with modern educational concepts that include home economics, shop work and other practical subjects.

Whereas Northville now has 1,558 students, it is expected that the city will have at least 2,397 students by 1965. And that figure, reliable studies show, may even reach as high as 3,161.

Meanwhile, Northville administrators have determined that their building program would correct the situation adequately if they get the go-ahead from voters on December 18.

Here's how it would work:
The Amerman addition would be started in the spring and could be completed by next fall. Some students at the present Main Street school would attend Amerman school, leaving room for the high school overflow to attend classes at Main Street.

By the time the new high school would be completed (the fall of 1958), there would be enough elementary students in Northville to fill both elementary schools. And the school situation would then be in balance. Northville students would have the facilities they need.

The present high school would then serve as a junior high. But it would first need rehabilitation, for wear and strain has crept in during its 40 years. For this reason, administrators are asking money for a revamping program.

Even this program won't be enough for the future—even 1965, when between 2,300 and 3,100 students will be in attendance. So the school board also has decided to ask funds to buy a future site—knowing the time will eventually come when another school is necessary.

Altogether, these facilities would cost \$3,000,000. And that's what voters will be asked to approve on December 18.

Obituaries

ANDREW CARLSON

Funeral services will be held Wednesday afternoon (today) for Andrew Carlson, who died Monday at the age of 87. A retired railroad man, Mr. Carlson had lived in Northville for the past seven years with his son, Arthur Carlson, of 201 Fairbrook. Mr. Carlson's wife, Carrie, preceded him in death six months ago. Both were originally from St. Paul, Minnesota. Surviving are three sons, Arthur, Harry of Cavalier, North Dakota and Walter of Covington, Ohio. Also surviving are ten grandchildren and 15 great-grandchildren. Officiating at the services at the Casterline Funeral Home will be the Rev. Peter Nieuwkoop.

MANLEY HOYSRADT

Funeral services were held November 20 for Manley L. Hoysradt, 65, of 42680 Waterford road. Mr. Hoysradt died November 19. He had been a master baker for the Farcrest Bakery for 40 years. He was a member of Army and Navy F. & A. M. No. 512, the VFW and the First Presbyterian church of Plymouth. Surviving are his wife, Ruth; a daughter, Ruth Jean, and a brother, Frank Haight. Services were held at the Casterline Funeral Home with the Rev. Henry Walsh of the First Presbyterian church of Plymouth officiating. Burial will be in Forest Home cemetery, Chicago, Illinois on November 21.

FRANK OLM

Frank Olm of 410 Lake street, died Tuesday, November 20. For time of funeral call Casterline Funeral Home, 265. A complete obituary will follow next week.

Their Job Is Safety, Service

The Northville Record

SECOND OLDEST NEWSPAPER IN WAYNE COUNTY—EST 1868— Thursday, November 22, 1956—9

LUNCHROOM DUTIES at Amerman School are handled by the service girls. Here Judy Lonn watches over a table of children, while Patty Lemke opens a thermos for one young fellow.

READY FOR DUTY at Amerman school are captain Chuck Somers (left) and Wally Addis. Safety boys must be out on their corners regardless of the weather. Raincoats are provided to them by safety organizations.

PLANNING SHIFTS at different corners are noon captain Jim Jiggins of Main Street school and advisor Mrs. Myrtle Funk. The school's good safety record has brought it a number of awards from local and regional safety organizations.

KEEPING STATISTICS is a never-ending part of lieutenant Eddie Austin's job at Main Street school.

Charged with the responsibility of protecting and assisting their fellow students, several score students at Northville's two elementary schools are again quietly performing their jobs this year.

There is seldom anything spectacular about their job. It is usually a matter of guarding a corner, or helping a younger student open his lunchbox if it sticks.

But they know their job is necessary. And its value is pointed up by the lack of headlines telling of a boy struck by a car or of a girl injured in falling down a stairway at school.

At Main Street school, says safety patrol advisor Mrs. Myrtle Funk, the boys take pride in their work. Their reward is small, but they eagerly accept such extra duty as ushering at football games. And the story is the same for Main street service girls, supervised by Mrs. Helen Bradshaw.

Amerman school safety boys, under William Kinnaird, go quietly about their work despite the oncoming cold winter days. In the lunchrooms and on the playground, service girls under Mrs. Eva Donovan, assist teachers in keeping order and helping students when they need it.

To parents, the work of the safety patrol and service squad is a great relief. It is comforting to know that someone is looking after their youngsters almost from the moment they leave the house until they return.

GUARDING A CORNER often seems a routine task, but safety boys themselves know their unsung job brings results — namely, an absence of broken bones and battered bodies. Taking report (left) is lieutenant Mark Byard while Dale Parton holds back a group of school bound youngsters.

CHRISTIAN SCIENCE CHURCHES
Main and Dodge Streets
Plymouth, Michigan
November 22, 1956
Spontaneous expressions of gratitude for God's goodness will be featured at the Thanksgiving service announced by First Church of Christ, Scientist, 187 S. Main, Plymouth, for 10:30 A.M. on Thanksgiving Day.

All are invited to this special service. The voluntary testimonies from the floor will include gratitude for spiritual growth, physical healings and other blessings.

A lesson-Sermon for the day entitled "Thanksgiving" will emphasize the importance of living one's gratitude to God. To be read in all Christian Science churches, the Lesson-Sermon will consist of selections from the King James Version of the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

The service is open to the public and local church members have invited everyone to attend.

ST. JOHN'S EPISCOPAL CHURCH

Madonna College To Feature Artist In Vocal Concert

A vocal concert, featuring a guest artist, will be sponsored by Madonna college on December 2 at 8 p.m. The performance will take place at Bentley high school located on Five Mile road near Farmington in Livonia.

The public is cordially invited to attend this full evening of vocal music.

Miss Angelica Lozada, a lyric coloratura, will star in the concert, which is the first in Madonna's program, designated to increase the musical culture of the students. Richard Woitach, her accompanist who is a graduate of Eastman, is a accomplished artist in his own right.

At Madonna's concert, Miss Lozada will sing, among others, "Amor" by Strauss, Verdi's "Caro Nome", Mozart's "Welche Wonne" and a selection of Latin American numbers by Galindo, Lurina and Granados. In addition, her accompanist, will play piano selections by Granados, Debussy and Scarlatti.

Northville Student Makes Tau Beta Pi

Robert J. Barber, son of Mr. and Mrs. A. V. Barber, 39040 Nine Mile road, Northville, has been initiated into Tau Beta Pi, the highest national engineering honorary.

Tau Beta Pi was founded in 1885 at Lehigh university when Phi Beta Kappa decided that engineers weren't qualified for membership. Michigan Alpha, at Michigan State university, where Bob was initiated, was the second chapter, being founded in 1892.

To be a Tau Beta Pi means not only high academic attainments, but also a high moral character. The man must be steady, dependable and honest. His integrity must be above reproach and he must have high ethical standards.

from the PASTOR'S STUDY

The Rev. Peter Nieuwkoop, Pastor
First Baptist Church, Northville

What People Need To Hear

"That was a lovely sermon Pastor! I thoroughly enjoyed it," said the Modern Church goer, as he paused to shake the Pastor's hand at the close of the service. Well, now that's fine — but such compliments may not always be a compliment!

In fact it may well be a denunciation of a preacher who made a miserable sinner feel very comfortable in his sin. People are made to enjoy themselves instead of being convicted and brought to repentance. Allow me to quote from a recent article which I read. It was written by Pastor John S. Kennedy, Editor of the Hartford Transcript—

Pastor Kennedy Says—
"When I was younger I preached a series of Lenten sermons in a neighboring parish. Filled with learned references from men like Cardinal Newman and Christopher Dawson, the sermons, I thought were pretty good. But when I was finished the Pastor coldly told me, 'You tried to be intellectual and you didn't mention sin and repentance, the things people really need to hear.' He didn't ask me back to preach the following year."

The criticism that wise old pastor made of my sermons years ago applies to much of the peace-of-mind religion that flows like an after shave lotion from books, pulpits and TV today.

Christian Scientists To Present Lecture

The "open door to progress—unlimited spiritual good"—will be the topic of a public lecture by Theodore Wallach of Chicago, on Monday evening November 26th.

Open to the public without charge, the lecture will be sponsored by the members of Eighth Church of Christ, Scientist, Detroit. Mr. Wallach will speak in the church auditorium, 20011 Grand River Ave., at 8 o'clock. His subject will be "Christian Science: The Open Door to Progress."

A member of The Christian Board of Lectureship, Mr. Wallach recently completed a three year term as First Reader of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

DEPOSITORS STATE BANK
NORTHVILLE, MICHIGAN

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

To Our Shareholders:

You are hereby notified that on Friday, December 7, 1956 at nine o'clock A.M., Eastern Standard Time, pursuant to action of the Board of Directors, a special meeting of the shareholders of this Bank will be held at its office at 129 E. Main Street, Northville, Michigan, to consider and vote upon the following proposal and matters incidental thereto which properly may come before that meeting:

1. Ratify, confirm and adopt the Agreement of Merger heretofore entered into on behalf of this Bank (pursuant to authorization of its Board of Directors) with The Manufacturers National Bank of Detroit, Michigan, dated November 1, 1956, whereby Depositors State Bank will merge with and into The Manufacturers National Bank of Detroit pursuant to authorization given by and in accordance with Sections 4 and 5 of an Act of Congress of the United States entitled "An Act to Provide for the Consolidation of National Banking Associations", approved November 7, 1918, as amended (Title 12, U.S.C., Sections 34b and 34c), the name of the resulting institution after the merger to be "Manufacturers National Bank of Detroit."
2. To authorize the Board of Directors of this Bank to take such action and give such authorization to the Officers of this Bank as said Board of Directors may deem necessary or advisable in order to determine whether the conditions precedent to the completion of such Agreement of Merger have been satisfied, and to take such other and further action and give such other and further authorizations to the Officers of this Bank as said Board of Directors may deem necessary and advisable in order to carry out the provisions of such Agreement of Merger.
3. To transact such other business incidental to the foregoing proposals as may properly come before such meeting or any adjournment or adjournments thereof.

John F. Strubenvoll, Cashier

November 5, 1956

A copy of the Agreement of Merger referred to in the above notice is to be offered for your consideration and vote at the aforesaid meeting is on file in the office of the Cashier of this Bank and may be examined by any shareholder at any time during office hours prior to the aforesaid meeting.

Whether or not you contemplate attending the meeting it is suggested that the enclosed proxy be executed properly and returned promptly. If you attend the meeting you may withdraw your proxy.

Champion Mustangs Place Five Players on All-League Team

Season Roundup Shows Northville Had the Stuff

As Northville's football hopefuls drew their equipment three months ago and began working out under the heavy August sun, a number of onlookers nodded sagely and agreed that the Mustangs were in for a good season.

Like most coaches, Northville mentor Ron Schipper was publicly pessimistic. The Mustangs, he felt, were too few in number and had too many weak positions.

But privately, Schipper was pleased. His Mustangs were taking to the T-formation easily, and a massive defensive line — averaging more than 210 pounds — was getting down to business.

But despite its promise, the team had to be tested.

PLYMOUTH, 12-13

The Mustangs were high, but a smattering of bad breaks went against them. End "Cap" Pethers broke his leg and was out for the season, and a staggering total of eight penalties, four fumbles and three interceptions stopped at least three touchdown drives. Out-gained 321-183 yards, Plymouth nevertheless staggered off the winner.

HOWELL, 6-0

In a rock-and-sock defensive game, Northville snapped Howell's 11-game winning streak. The real credit went to the line, which repeatedly opened holes for Mustang backs and stopped Howell in its tracks.

MILFORD, 7-7

Two successive weeks of being "up" drained the Mustangs. Against a Milford team doomed to win only two league games, only the pass-receiving of end Bill Yahne brightened an otherwise dismal display of missed blocks, half-hearted charges and sloppy tackling.

CLARENCEVILLE, 25-6

Clarenceville was the first to feel the new Mustang fury. Half-back Dick Biery, and fullback Gary Holman ate up yardage and quarterback Ed Wittenberg guided the team nicely. Sluggish Clarenceville moved only in the fourth quarter — against the Mustang second team — to gain its only score and half its yardage.

THURSTON, 18-6

Thurston came to Northville with an unbeaten and unscored-upon record. It left with its tail between its legs. Biery and Holman again paced the Mustangs offensively, while center Bob Wagenschutz spearheaded the line in holding vaunted Thurston to five first downs and 60 yards rushing.

CLARKSTON, 24-0

Against Clarkston, quarterback Bud Bell and end Yahne clicked for six completions and two touchdowns. The Northville line held the Wolves to 92 yards, and opened holes for two other Mustang scores. The result: an easy victory.

HOLLY, 32-0

Holly, billed as the greatest threat to Mustang title hopes, made the mistake of roughhousing instead of playing football. Disregarding scratched faces and aching ribs, the Mustangs put forth their best team effort of the season. The line held hapless Holly to 77 yards total offense. It was a happy win.

BRIGHTON, 25-7

Brighton stood between Northville and the championship — for 14:52 minutes. It was a running game all the way, with the massive line opening holes for 354 Mustang yards and limiting Brighton to 137.

WEST BLOOMFIELD, 20-7

Champion Northville ended its season in a freezing anti-climax against West Bloomfield. With the trophy theirs, the Northville gridders forgetfully watched West Bloomfield gather steam and drive desperately toward an upset. But the line again came around and stopped the foe late in the game.

After its uninspired 7-7 tie against Milford, Northville developed suddenly into a juggernaut possessed of all-round power and ability. There was no stopping the Mustangs after that.

Probably no team was more amazed at Northville's power than the Mustangs themselves. As their list of victories grew longer, player after player began to realize that he could play football, and with each week the opposition began to feel it even more.

Statistics perhaps show more than the scores. An indication of Northville's steadiness is shown by the spread of its scoring — distributed evenly over all four quarters. The same fact shows another Mustang advantage: the ability to keep its opponents on guard for 48 minutes of football.

By contrast, Northville's defense allowed only one touchdown (by Thurston) in the cumulative first half, and none in the first quarter. The Mustangs were never behind at half-time.

Mustang defensesmen allowed only 46 points in the entire season, about 18 of them "giveaways" late in the fourth quarter. And at least a dozen times, the hulking line steered within its own 10-yard line.

Pass defense and fumble recovery were other Mustang specialties. Linebackers and safety men intercepted one of every 10 passes (12 of 124) thrown by their opponents, and covered the bulk of fumbles made both by themselves (18 of 29) and their opposition (14 of 19).

Offensively, Northville was a well-balanced power. If an opponent bottled up the running attack, Northville took to the air. And if neither seemed to work the Mustangs were always able to spring loose a man for a long gain at a crucial moment.

Dividing its attack evenly between ground and air (1,453 and 1,272 yards) Northville nearly doubled the output of its opposition. The Mustang passing attack was especially decisive, as it completed 64 of 124 for 1,272 yards while opponents completed only a weak 35 of 127 for 568 yards.

If Northville slipped anywhere, it was probably in penalties. The Mustangs had 59 whistles blown against them, losing 555 yards altogether. At least eight touchdown drives were nipped by penalties, and in one game (Plymouth) it may have been enough to keep victory from Northville.

CHAMPION PILOTS — Northville assistant coach "Dutch" Van Ingen (left) and head coach Ron Schipper, shown in early September as they plotted the strategy that was to take their Mustangs to the Wayne-Oakland league title two months later.

22 Named By Coaches

The champion Northville Mustangs have placed five men — a center, an end and three backs — on the 1956 Wayne-Oakland all-league team.

Named to the 22-man squad were center Bob Wagenschutz, end Bill Yahne, fullback Gary Holman, and halfbacks Dick Biery and Dave Adams.

It was the first year that an official league team has been named by coaches and athletic directors. Northville won five positions as champion, runners-up Milford and Holly took four, and so on down the line.

The Mustang selections: Center Bob Wagenschutz — At 235 pounds, Wagenschutz was the biggest man on a 225-pound average line. At offense center, he never made a bad pass, and consistently opened holes for runners. As defensive middle guard, Wagenschutz helped limit opponents to 115 rushing yards per game and blocked several punts and conversions.

End Bill Yahne — Snaring 25 passes for 494 yards, Yahne was a constant offensive threat. Four passes went for touchdowns, to make him the Mustangs third-ranked scorer. On defense, Yahne helped seal up the right side of the line.

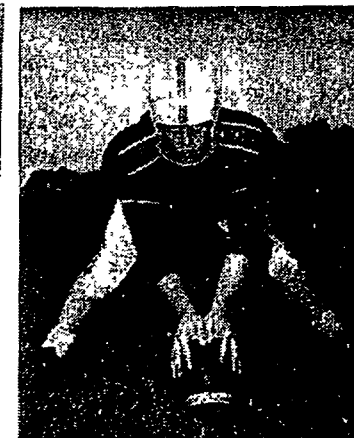

Fullback Gary Holman — the Mustangs "most valuable player" and a co-captain, Holman rushed for a 4.2 average, picked up 470 yards, and scored 30 points. Holman also served as the Mustang signal caller.

Halfback Dick Biery — The Mustangs' most dangerous breakaway runner, Biery led his team in rushing (7.5), pass receiving (29 for 616 yards) and point scored (54). His touchdowns included jaunts of 75, 64, 57, 75 and 89 yards.

corner to Northville, Adams developed into one of the workhorses of the Mustang backfield. Rushing for a 2.1 average, Adams scored three touchdowns and snagged a pass to set up another.

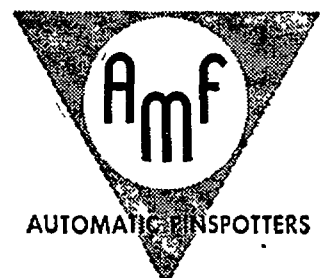

All-league, all-suburban and all-state selections will be made by Detroit newspapers this week end. Northville appears a cinch to place men on several teams.

One of the most exacting railroad jobs is transporting large numbers of carrier racing pigeons from any section of the country to any designated point and releasing them simultaneously at the precise minute and second specified by the owners.

Iceman, Johnson & Hoffman Certified Public Accountants

203 State Savings Bank Building Ann Arbor, Michigan

August 20, 1956

The Honorable Council
City of Northville, Michigan

We have examined the balance sheet of the City of Northville as of June 30, 1956 and the statements of receipts and disbursements and income for the four-month period then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. We did not consider it necessary to verify taxes and accounts receivable by direct communication with the debtors.

The accounts of the Water Department Fund are kept on the accrual basis. The accounts for all other funds are kept on a modified cash receipts and disbursements basis; all assets and liabilities are recognized in the accounts, but revenues are recognized only when cash is received.

In our opinion, the accompanying balance sheet and related statements of income or receipts and disbursements present fairly the position of the City of Northville at June 30, 1956 and the results of operations for the period then ended, in conformity with generally accepted governmental accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours
ICEMAN, JOHNSON & HOFFMAN
By C. A. Hoffman

HERE'S HOW...

MAKE A FOLDING CAR BED

A useful accessory for the family car is a portable car bed. It can be folded for storage when not in use.

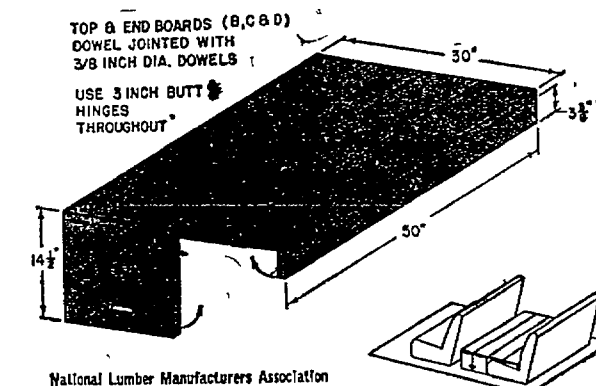

The top is two pairs of boards joined together with dowel rods and hinged at the center. Cut the boards as shown. Use a miter box to square the ends. Clamp the individual pairs together so that in making the dowel holes they will be perfectly aligned. Bore holes 2 inches deep using a No. 6 auger bit. Make at least six evenly-spaced holes starting 2 1/2 inches in from each end. The dowels are cut 3 1/2 inches

long and rounded on the ends to prevent binding. Groove the dowels for a tighter joint.

The sides are made of 1 by 8-inch lumber dowel-jointed together at three places; one in the center, and one 2 inches from each end. Hand holes may be made if desired.

The narrow side board is made of 1 by 4-inch lumber. The car bed is assembled with 3-inch butt hinges. All hinges are recessed.

Round all sharp edges and sand smooth; paint or stain and varnish. A pad or mattress completes the project.

How to Get FHA Loans

The government-sponsored and insured FHA Title 1 loans for home modernization and repairs are available through most banks and building and loan associations.

You fill out a simple application form. It is processed by the lending agency. Within a few

days your check is ready.

No mortgage is involved. No title examinations. No extra charges or service fees.

Loans range from \$100 to \$2500. You can take from six months to three years to repay.

Interest rate, fixed by the government, is 5%, deducted at time loan is made.

FILL FOUNDATION CRACKS

Cracks in foundation walls can be filled with ready-mixed cement. Cracks should be cut to V-shape with a cold chisel, cleaned thoroughly with a brush, well wetted down before filling.

LAST DAY OF REGISTRATION

SCHOOL ELECTION

Notice of Last Day of Registration To The Qualified Electors of Northville Public Schools
Wayne, Oakland and Washtenaw Counties, Michigan

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the Board of Education of Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan, has called a special election to be held in said School District on Tuesday, December 18, 1956.

Section 532 of the School Code of 1955, provide as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides."

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE CITY OR TOWNSHIP CLERKS IN ORDER TO BE ELIGIBLE TO VOTE AT THE SPECIAL ELECTION CALLED TO BE HELD ON TUESDAY, DECEMBER 18, 1956, IS FRIDAY, DECEMBER 7, 1956. PERSONS REGISTERING AFTER 5:00 O'CLOCK, P.M. EASTERN STANDARD TIME, ON THE SAID FRIDAY, DECEMBER 7, 1956, ARE NOT ELIGIBLE TO VOTE AT SAID SPECIAL SCHOOL ELECTION.

Under the provisions of the School Code of 1955, registrations will not be taken by school officials and only persons who have registered as general electors with the city or township clerk of the city or township in which they reside are registered school electors. Persons planning to register with the respective clerks must ascertain the days and hours on which the clerk's offices are open for registration.

This Notice is given by order of the Board of Education of Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan.

Robert H. Shafer
Secretary, Board of Education

IT BEGAN AS A BARN FOR HORSES — but this far from "barnish" looking building at 41520 W. Eight Mile road is now the comfortable home of Mr. and Mrs. Jan Reef. The horses in question belonged to the Reef's daughter who lives across the street. When she decided to keep them no longer, her parents decided that the spot was a fine one for a home.

News of Northville High School

Parents Attend Open House

The PTA again sponsored its annual open house for the parents of grade and high school students last Tuesday.

Each year, during National Education Week, the schools are opened for the parents to come and see their children's school work and to discuss their progress with the teachers.

The teachers' rooms were open to visitors from 7 to 9 p.m. after which the PTA served light refreshments in the Community building meeting room. It is estimated that more than 500 parents visited the high school alone. The number of visitors at the two grade schools were too numerous to count accurately.

The school facilities were highly pleased with the excellent turnout of interested parents. Their only regret was that there was not enough time in the evening to devote individual attention to the discussion of each child.

Students Get Tips At WSU Theater

The Wayne State University Theatre invited a small group of high school students to attend one of its college productions on November 15.

Students attending the performance were Nancy Lawrence, Roseanne Ferrault, Lynn Smith, Emilie Seguin, Tom Slavens and Delano Skow.

These students were chosen for their interest in dramatic activities both now and as a possible college major.

The theatre has set up the program for the purpose of familiarizing future students with the theatre, its prospective advantages and the facilities which the university course offers.

The play, "The Italian Straw Hat," was a musical comedy with an all-college cast of 32. After the performance the young people were escorted back stage where they had the opportunity to meet the cast and inspect the stage settings and props.

Senior Candy Sale To Provide Funds For Annual Trip

The senior class of Northville high is doing its best to earn money for the senior trip which will take place in the early spring.

In their attempt to earn money they are now selling five varieties of Christmas candy: butter crunch, mint, caramel, cream filled chocolates and the popular peanut brittle. The candies all sell for \$1.00 per pound box.

In the near future, they will canvas the town.

Anyone interested in purchasing some of this candy may contact any NHS senior.

Many Northville seniors are also writing letters of application to colleges of all types. The seniors have received notices from a number of accredited colleges.

WORKING ON PROPS for the senior play, "The Barretts of Wimpole Street", are left to right, Al Newbegin and Bill Frost. Seniors are rehearsing now for the drama, to be performed December 5 and 6 in the Community Building.

Visitors See Book Display

Last week during the National Education Week open house, the high school library displayed an interesting array of books.

Two student librarians, Carol Johnson and Jackie Verville, were hostesses for the occasion.

There were four tables with book displays and a table pertaining to Africa and books of Africa. Miss Ione B. Palmer, the school librarian, had figurines from Africa on the table, giving it the extra touch.

One display had sports books, which are in large demand by much of the male portion of Northville high. Another table was about animals and included an exhibit with stories about horses, cats and wild animals.

The third table was for girls

and contained books about romance and careers.

The last table dealt mostly with reference books. These were mainly on biographies and etiquette.

Miss Palmer says that the largest reading age is between the seventh and ninth grades. After this, she believes people are working mainly for their future and have little time to spend reading books.

"Hoof Prints"

"Mustang Hoof Prints" is prepared and written by the Northville high school students under the supervision of Miss Florence Panattoni.

NHS Science Class Visits Observatory

For the past few weeks, LaGene Quay's physical science class has been studying a course in astronomy. In keeping with the subject, the class decided to take a trip to the observatory at the University of Michigan.

Upon arrival at the observatory the class was met by a graduate student who had consented to give a lecture to the students. As the lecture progressed, the students were led from room to room where the various telescopes and other astronomical instruments were housed.

A high point was a climb to the top of the building where a 32-inch telescope was seen.

Initiation Planned For All Members

The Pep club decided last week to initiate all new members.

They have also planned to give membership cards to all members. Club members of two years or over would initiate the prospective new ones.

By doing this they hope to arouse interest in the Pep club, and raise the general spirit of the school.

NHS Alumni Are Guests At Another 'Teen Dance'

A teen age dance was held November 17 for grades 9-12 and alumni of the last three years.

Music was provided by the Northville dance band.

Mr. and Mrs. Sidney Junod and Mr. and Mrs. Richard Kay sponsored the dance. They would like to get the teen dances on a teen club basis if possible.

At the dance two members from each class were elected to serve on a committee. This committee will work together to handle the arrangements for floor shows. They will also set up a system of rules and regulations

for the dances. They will be aided by the PTA Youth committee.

Proud Papa

Mr. and Mrs. Stanley Johnston are the proud parents of a baby girl, Patricia Anne.

She was born at 6:50 a.m. on November 12. The baby arrived tipping the scales at eight pounds, eight ounces.

They are also the parents of two boys, Paul, 4, and David, who is 5.

The Johnstons reside at 17966 Beck road.

Junior High to Pick New Cheerleaders

Thursday afternoon the junior high held a pre-tryout cheerleading meeting.

At this session all persons interested in cheerleading in either the 7th or 8th grades attended.

Judy Junod and Giannine Bertoni, two varsity cheerleaders, explained what is necessary to make a good cheerleader. They presented the various qualities of a cheerleader—personality, enthusiasm and sportsmanship.

They were also told of what goes into the cheers at a game. A cheer must be planned, practiced and presented.

In about a week, six cheerleaders and one alternate will be selected to represent the junior high at the home games and possibly a few away games.

Photography Tips Told Camera Club

The Camera club, sponsored by Russell Reimer, held a meeting last week, discussing current picture taking tips.

Members of the club are entering 20 of their best colored slides in a contest, put on by the Northville Optimist club. The slides may be taken of any subject and will be judged on November 28.

The club has also made arrangements with the Eastman Kodak company to have two movies showing ways of taking better pictures.

FOOTBALL CONTEST

WIN CASH PRIZES!

IT'S FUN . . . IT'S EASY . . . ANYONE

CAN WIN . . . NOTHING TO BUY!

\$10⁰⁰ First Prize \$5⁰⁰ Second Prize

FINAL WEEK

• HERE'S ALL YOU DO:

In each of the 11 spaces provided below place a circle around the team you believe will win. Be sure to pick a winner in all 11 games. Note that in one game it is necessary to pick the probable score. This will be used only in case a tie occurs and then the contestant whose score is closest to the actual score will be declared the winner.

All entries must be postmarked not later than 5:00 p.m. Friday. Entries may also be brought directly to The Record office before 5:00 p.m. Mail your entries to: Sports Dept., The Northville Record, Northville, Michigan.

Enter just once each week, but you may enter as many weeks as you desire. In case of ties, prize money will be split.

Be sure to write your name, address and phone number plainly in the space provided. Free entries are available at the Record. Employees of the Record or sponsoring merchants are not eligible to enter.

CRITIQUE — Professor Kenneth Stewart (left) of the University of Michigan department of journalism goes over some of the fine points of the Northville Record and Novi News with news editor Robert Webb. The papers are included in a display of work now being done by graduates of the department. Webb graduated in 1953 and society editor Sally Ayling last June.

Michigan Bell Seeks 5 Per Cent Increase

The Michigan Bell Telephone company has filed a petition with the Public Service Commission for an intrastate rate increase calling for a 5 per cent rise in company revenues.

Robert D. Maurer, local area manager, said the increase "is needed to cover two upward wage adjustments for company employees and other increased costs."

"The pay adjustments were necessary to keep wages of our employees in line with those paid by outside industry so that we can continue to attract and keep the type of employees required to furnish food service."

Maurer also emphasized the company "is taking the opportunity at this time to ask for a re-balancing of its rate schedules to reflect the growing value of the service in growing communities. Existing rates are based upon a telephone census of 1948. Since that time, the number of telephones in the Northville local calling area has increased from 14,731 to 39,289."

Under the proposed rate schedules the various types of service at Northville would be increased per month as follows:

Residence Service — Individual line, 80c; two party line, 75c; four party line, 70c; Rural, 25c. **Business Service** — PBX Trunk, \$2.75; Individual line, \$1.75; two party line, 75c; Rural, 25c.

Installation and move charges, extra directory listings and some other miscellaneous services would also be increased.

The increase for most services largely reflect the increased number of telephones in the local calling area.

The requested revenue increase would approximate \$12,500,000 a year, 52 per cent of which would go to the Federal Government in taxes.

Since the last rate adjustment, Maurer said the company's total wage costs have gone up \$13,500,000 a year — \$6,300,000 in 1955 and the \$7,200,000 pay increase of last month. Nearly \$10,000,000 of these added payroll costs, he said, are applicable to the company's intrastate services and should be covered by rates for such services. He pointed out that other costs of doing business also have gone up such as taxes, materials and supplies.

Maurer stated that the last rate adjustment was made in 1955. He recently announced that dial service would begin in this area next August with Novi township getting the first installation. By 1958 the complete Northville-Nowi-Plymouth area will have dial service, he indicated.

Madonna College To Sponsor Dance

The Student Association of Madonna college, Livonia, will sponsor an informal dance to be held at San-Marine Hall, 11350 East McNichols, November 30 from 9 to 1. Bob Roach, and his band will furnish the music. The public is invited.

Northville Student At Oklahoma A&M

Peter Pletsch of Northville is one of 401 students enrolled this year in the Oklahoma A&M College school of technical training, a two-year school on the Stillwater campus.

Pletsch is enrolled as a freshman in the department of aviation technician training, one of 11 departments at A&M that trains students for highly specialized positions as engineering technicians.

A&M's school of technical training, directed by Prof. H. P. Adams, has drawn students this year from 25 states, Hawaii, Alaska and four foreign countries: Mexico, Thailand, Colombia and Iran. One hundred and 21 Oklahoma towns and cities are represented by 307 students.

Two year courses offered in the tech school are fire protection, air conditioning and refrigeration, aviation technician training, building construction, drafting and design, diesel and stationary engines, electrical technology, automotive technology and service management, machine shop, radio and electronics and welding and metallurgy.

You Pay Less

TRUCKS ARE VITAL to every industry in Michigan, and no service or commodity which affects your day-to-day living could reach you without trucks.

That is the basic way in which trucks serve you. But they benefit you in other important ways, too.

For example—latest available figures show that Michigan's trucks pay over \$50,000,000 annually in State registration fees and gasoline taxes alone, plus several millions more in mileage taxes and special taxes levied on the larger vehicles. In addition, of course, trucks pay all the other taxes charged against any business enterprise in Michigan—real estate property taxes, personal property taxes, business activities taxes, sales taxes, intangible taxes, franchise taxes.

All these millions in taxes the trucks pay go to support the general welfare, to help pay for modern roads, hospitals, schools and colleges, parks and playgrounds, police and fire protection.

So, you see, thanks to the trucks, you pay less.

School Annexation Statewide Problem

HOT ARGUMENTS ABOUT SCHOOL ANNEXATION are developing in many parts of the state. Crowded schools, new laws and court decisions are forcing parents and taxpayers in districts without adequate schools to become part of better equipped school districts.

Previously, things ran rather quietly. The better developed school district operated a high school with a capacity for more students than it numbered, within its own borders. The less populated district sent students into this area. The district where the school was located was paid by the student's school board at a rate determined by a state formula.

There were advantages for both areas. The "poorer" district got by without taxing its residents for school buildings. The district with the school found a source of revenue in "tuition" students with little extra expense in capital outlay.

Recently districts with schools found themselves in a new situation. Increased enrollments from within their area left no room for students from outside. Districts with no schools now have no place to send their children; are faced with prospects of building expensive structures for relatively few students.

To help remedy this, a law was passed which requires that some 1,100 closed districts (those having no schools) join with a nearby operating school system by July 1, 1957. Alternative: the

County Board of Education will designate new district lines.

State Superintendent of Public Instruction Clair L. Taylor states that his office is receiving notification of annexations at an average of one per day. Remaining, however, are about 500 districts which must take action before the end of June.

In some of these there is bitter controversy about what steps to take.

The state revised the formula which determines tuition when a student is sent to a neighboring district. The sending unit must pay substantially more.

The Supreme Court has ruled that a system need not accept tuition students. As school population grows, more and more schools are expected to close their doors to outsiders.

The annexation dilemma amounts to this: districts with inadequate schools are faced on the one hand with laws requiring that children be educated, on the other with a court decision that neighboring districts need not accept outside students.

The only course is to consolidate with other communities or be annexed.

"A high school in every district" is the aim of the State Board of Education. If a district does not have or cannot economically support a high school, state officials must see that it joins with one which does.

Actually, the state school system has moved rapidly toward this goal. Twenty years ago there

were about 6,300 school districts in Michigan. Now there are 3,300. And in the next six months, another 500 will disappear as a result of the law.

Educators point out that the law merely hastens the process. The greatest single factor in "forced" annexation is the rising population and the growing need to provide expensive but necessary school facilities to children in Michigan.

A JUICY POLITICAL PRIZE will fall to Governor Williams Dec. 1. On that date some 20 Supreme Court Justices, Circuit and Probate Judges must express their willingness to retire within 30 days or forfeit all rights to retirement benefits. Power to fill these vacancies is in the hands of the governor.

Judges affected are those who began their present term after reaching 70 years of age. In recent interpretation of the Michigan Judicial Retirement Act, Attorney General Thomas M. Kavanagh ruled that these judges must give 30 days notice by Nov. 30 if they intend to step down from the bench. Those who continue to hold their positions lose pension rights.

Two-fold advantages accrue to Williams. First—the opportunity to appoint deserving Democrats to high judicial posts.

Since these judicial openings are important positions, it is probable that the governor can name men now holding lesser posts. This in turn will create new openings at lower levels, and a series of "chain-reaction" appointments are likely to follow.

The second advantage is less tangible, although more important. Party philosophy is often expressed through judicial opinions. While all judges run on "non-partisan" tickets to conform with state election laws, they can be identified with one of the political parties.

For the first time Williams will have a majority of Democrats in most of the state judicial system.

An agonizing decision must be made by Supreme Court Justice Emerson R. Boyles. That court is evenly split between Republicans and Democrats, 4-4. Boyles is a Republican. A Democratic replacement will tip the scales in Williams' favor.

Four Detroit Circuit Judges likewise must step down or face the loss of retirement privileges. Outstates, one Circuit Judge—Clayton C. Golden of Monroe already announced his decision to retire.

Thanksgiving . . .

"Enter into His gates with thanksgiving,
And into His courts with praise;
Be thankful unto Him, and bless His name."—
Psalms 100:4.

Church attendance in America reached an all-time high last year—nearly 50 million adults a week—and indications are that 1956 attendance will exceed even that great multitude.

The highest attendance, a survey showed, was found in America's hometowns.

Easter Sunday church attendance was greatest, with six out of every ten adult Americans present at services.

Surely TEN of our every ten Americans have bountiful reason to thank God for blessings received—not just once a year, but daily, hourly. And especially, at Thanksgiving.
