

# Facilities Explained For Proposed NHS

(Editor's note: This is the second in a series of four articles in which Northville school officials will present background information on their request for a \$3,000,000 bond issue. Next week's article will describe the financing of the bond issue, and what it means to taxpayers.)

The proposed new Northville high school is as different from the present building as a nuclear physics textbook is from a Pilgrim primer.

Whereas the present 40-year old structure was built to educate students in an era long before homemaking and auto mechanics became sciences, the new building gives careful attention not only to these aspects of education but to the many other features of modern education as well.

That is the word from Northville school administrators and architects in presenting plans for the proposed new high school.

Whether the school will be built will be decided by voters on December 18, when they cast ballots for or against a \$3,000,000 bond issue for construction of the school and three other projects.

One factor, school officials say, is even more important than the facilities provided in the school: its size. Northville educators feel that a new building is the only answer to an intense overcrowding situation in which local schools already handle 30 percent more students than they were built for — a figure which in three years could reach nearly 100 percent.

In contrast with the present high school's capacity of 350 students, the new building would provide for 650 students and could easily be enlarged to a capacity of 950 if necessary.

Specifically, that is what the plans look like: The school would be located near the present Amerman school, facing north toward the proposed Eight Mile cutoff.

It would include two classroom clusters and several larger units separated by landscaped courtyards and grouped for common purposes (science room together, shop classes adjacent, and the like).

It would be a long, low structure designed to give students plenty of breathing room. Its classroom clusters, landscaping and

## PTA to Discuss Plans

The Northville PTA will hold its monthly meeting tonight at 8 p.m. in the Community Building.

Russell Amerman, superintendent of Northville schools, will have charge of the program. He will discuss the need for the bond issue which is to be put before the people for approval December 18 and explain the facilities which will result from this proposed building program.

surroundings would make it a campus within itself.

It would have 16 30-student classrooms with 850 feet of floor space each to serve needs of language, social studies, mathematics and science classes.

Other rooms would be larger to fit requirements of specialized classes — homemaking, music, commercial, shop, dramatics and industrial arts.

A music department would be near the auditorium and would include practice rooms, music library and instrument storage room. A vocal studio could handle 100 students and an instrumental room would hold 80 to 100 bandmen.

The homemaking unit would have two classrooms, each equipped with kitchen, sewing machines and other appliances. Facilities also call for a laundry, furniture repair, modeling and meal-planning centers.

A large arts and craft studio would accommodate classes in woodwork, metalcraft, sketching, lettering, painting, ceramics and other arts and would have one glass partition enabling passing students to see creative art displays.

The commercial unit would have two rooms equipped with 35 typewriters each and a smaller room equipped with business machines.

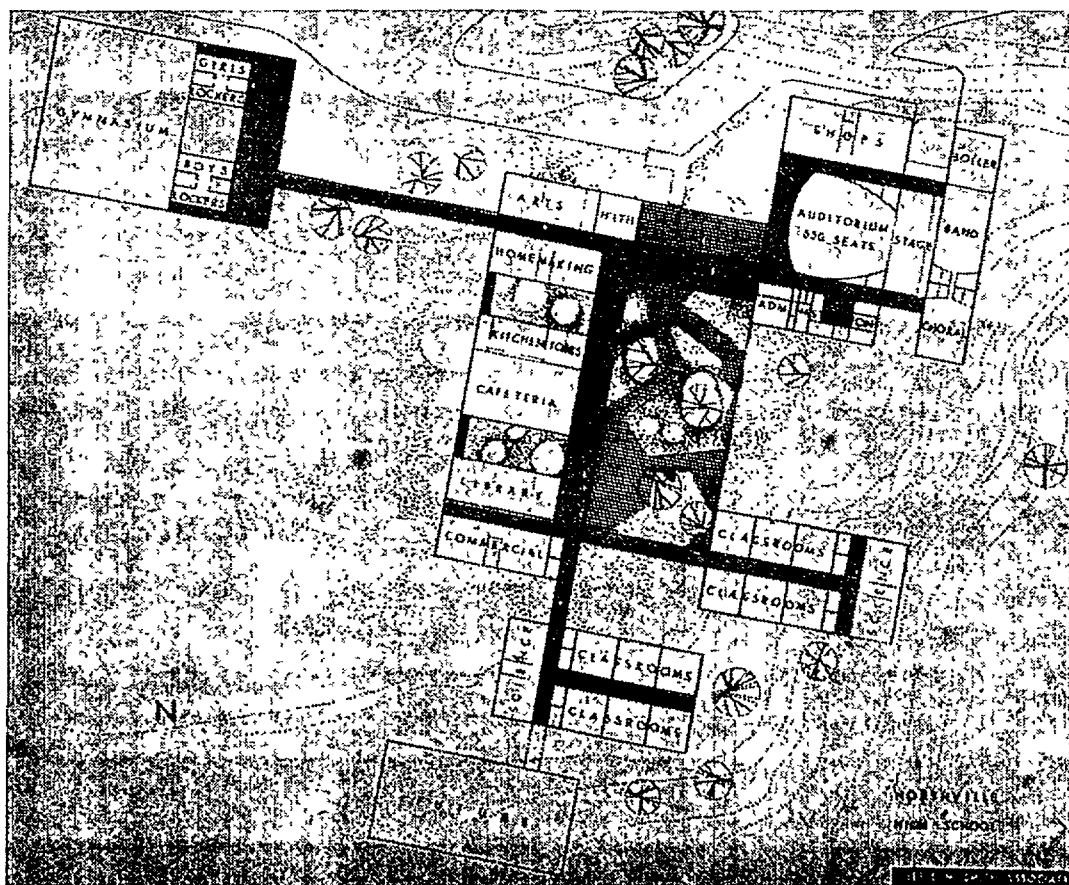

The industrial arts department would be isolated from academic and library rooms and would be located near a parking lot to allow entrance of automobiles for auto mechanics courses. Wood and metal shops would have 3,200 feet for a wide range of power tools and equipment.

The physical education plant, separated from the main cluster by a corridor, would have a 100-by-100 feet gym with a seating capacity of 1,500 to 1,750. A movable partition would divide it into sections for boys' and girls' gym classes. Both would have locker rooms, showers and a drying room. Five acres would be set aside for various athletic fields.

In addition, the school would offer such facilities as graphed blackboards in math rooms, maps and charts in social science rooms, special speech correction equipment, a convertible cafeteria-study hall and adequate shelf space for books and teaching aids.

It is with these new facilities that Northville school officials hope to correct a situation which last year prompted the University of Michigan accreditation committee to report:

"Existing facilities in all areas of the high school cannot be brought up to standard unless moved to quarters outside the present building."

MODERN DESIGN of the proposed new Northville high school is shown in this floor plan prepared by Eberle M. Smith Associates. Site is west of North Center and north of Randolph street. Top of floor plan is to the north, with front of school facing on proposed Eight Mile cutoff.

## Refuse Running Dates for Downs

### 10 Names on Ballot For School Election On December 17

A total of 10 candidates will be on the ballot December 17 when voters elect a school board for the newly-formed Novi consolidated school district.

Deadline for petitions closed Monday with these persons seeking positions on the five-member board:

One-year term (one to be named): George Mairs, James D. Mitchell.

Two-year term (two to be named): Georgia Larson, Richard Ritter, Art Heslip, William MacDermaid.

Three-year term (two to be elected): Donald Hines, Keh Bernard, Jack Crawford, Ed Erwin. (Biographical sketches of the candidates will be published next week to give voters information on all 10 candidates.)

The new school board was made necessary by the recent consolidation of four Novi township districts — Novi 8, East Novi 2, Putnam and Durfee — into the present district. In the meantime, an interim board appointed by the Oakland county school superintendent is serving.

The new school board will begin official duties immediately after the election, but terms of office will not expire until July of each expiration year, Novi superintendent William Medlyn said.

### JCC Invites Public To Dinner-Dance

The public has been invited to attend a dinner-dance December 8 as part of the Northville junior chamber of commerce charter night celebration.

Dinner begins at 6:45 p.m., followed by the charter presentation, and by the dance at 9 p.m. Tickets are available from JCC members.

Young men interested in joining the junior chamber of commerce have until that evening to become charter members of the newly-formed group.

### Jeweler To Retire

Lucius Blake, Northville jeweler for 33 years, announced this week that he will retire from business. He will begin a going-out-of-business sale this week that will continue until all stock has been sold.

Blake has been in the jewelry business for 45 years beginning at Sand Lake. Mr. and Mrs. Blake moved to Northville 33 years ago and opened their present store at 124 North Center. The couple reside at 353 North Rogers. There are no present plans for the Center street business site.

ATTENDANTS and Police Officer Eugene King help lower Kenneth D. Farrell into the ambulance shortly after he was removed from the demolished auto he had driven from the road Tuesday evening. Farrell, driving a car owned by Edward Farrell (no relation) of Northville, apparently lost control of the car. It sheared a utility pole and came to a stop in heavy brush and trees, Farrell, 27, was taken to Wayne County General hospital. He suffered multiple lacerations of the face and fractures of the right foot. The accident occurred on Seven Mile road just east of the Northville State hospital at 8:30 p.m. (See picture, page eight).

## Santa to Greet Yule Shoppers

It's official. Santa Claus will visit Northville this week and bring candies to the children and listening patiently to their Christmas requests.

Santa will undoubtedly be delighted to find Northville gaily lighted for his appearance and

local stores amply supplied with Christmas gifts.

Preparations for his arrival and the Christmas opening have been underway for weeks. The Retail Merchants' Christmas committee, headed by Paul Folino, has outlined plans to extend the spirit of the Yuletide season throughout the community.

In addition to the appearance of Santa Claus the merchants have again sponsored the lighting and decorating of the business district. Christmas greens and lights line the streets from Seven Mile road along Main street to the high school and on Center street from Cady to Dunlap.

A special Christmas display contest for homes will be judged by Alfred Sibley, Mrs. Nellie Barry, George Miller and Mrs. Lila Collins. Four prizes will be given to the residents judged to have the finest Christmas displays.

While Santa is roaming the streets of Northville, talking to children, visiting stores and distributing candy, merchants will welcome shoppers with open doors until 9:00 o'clock each evening until Christmas. According to Essie Nirider, president of the Retail Merchants' association, most stores will begin evening

openings Thursday, the 29th.

Other merchants who have assisted Folino are Charles Lapham, Roy Stone, Nelson Schrader, Fred Kester, Charles Altman, Charles Ely, Gladys Wallace, Charles Freydl, Jr., William Shiger and Bruce Turnbull.

### Highway Funds Net City \$3,922

Northville will receive \$3,922 this month as its share in two separate state highway funds, the state highway department announced this week.

A total of \$3,438 will come from the "state motor vehicle highway fund", and \$484 from the "highway construction fund".

Both amounts are for the third quarter of 1956.

The state motor vehicle fund was set up in 1951 and derives funds from weight taxes and gas taxes. Some 19 percent of the fund goes to cities for upkeep of their roads, with the remainder going to counties and the state.

The highway construction fund was established in 1955 and also gets money from weight and gas taxes. Cities receive about 13 percent of the fund, with the state and counties getting the rest.

## But Detroit Sportsman May Protest Decision

A request for 41 days of spring and fall thoroughbred racing at Northville Downs next year was turned down this week by state racing commissioner James H. Inglis, but the matter may not end there.

It was the second time in three years that such a request has been denied.

Mark Leach, Detroit businessman and sportsman who made the request, said he will decide later this week whether to pursue the request further.

Leach had asked Inglis to grant thoroughbred racing dates at the Downs next year from April 27 to May 18 and from October 7 to October 31. In his request, he said he had "the approval of leading Michigan horsemen."

Inglis denied the request on grounds that the Northville harness track and plant are inadequate for thoroughbred racing.

It was the same reason given by Inglis in 1954 when Leach made a similar request for thoroughbred racing dates at the Downs. Leach took the case to the Michigan supreme court, but the decision favored Inglis.

Leach said this week he will not decide whether to fight Inglis' denial until he receives the commissioner's reply to the request. He expected to make a statement later this week.

"But I can say this now—what is adequate for trotters is generally adequate for runners," Leach said.

Leach said he has been in racing for 20 years, is a former trainer at Northville Downs, and is connected with Green Acres stock farm near Pontiac.

Northville Downs general manager John Carlo could not be reached for comment, but Leach said he had discussed the additional racing dates with Carlo and that he was "heartily behind the proposal."

The request to Inglis was made in the name of the "Northville Racing Association." Inglis said the organization is not on record in his office, but Leach said he formed the association two years ago when he made his original request.

In the request, Leach said the Downs has spent \$400,000 on improvements since 1954, including a new barn area.

Inglis, however, said facilities still are inadequate for runners. He added that a one-mile track usually is desirable for thoroughbreds, although the Hazel Park five-eighths mile oval is an exception.

Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative, Miss Edith Sorenson, at Northville 571.

## Basketball, Drama Take NHS Spotlight

Northville high school is expected to draw large crowds at two events within the next week.

The Mustang basketball squad will open its season tomorrow night against Plymouth in a non-league contest. Coach Stan Johnston's team, including five six-footers, are out to equal or better their 1955-56 second-place standing.

Senior class dramatists will present "The Barretts of Wimpole Street" next Wednesday and Thursday. The well-known play tells the story of Robert and Elizabeth Barrett Browning.

## Calendar

November 29—Our Lady of Victory Mother's club holiday house party.

November 29—PTA meeting.

## Nancy Littell Married Saturday To Ronald Wick of Minnesota

On Saturday, November 24, Bestman for the bridegroom was Nancy Jane Littell became the bride of Ronald Dean Wick in the First Presbyterian church of Northville at an afternoon ceremony.

Nancy's parents are Mr. and Mrs. James E. Littell of West Seven Mile road. Ronald is the son of Mr. and Mrs. Walter C. Wick of Duluth, Minnesota. Jo Elyn Phillips of Kenilworth, Illinois was maid of honor.

## Woman's Club to Hear Book Reviewer Speak

Guest day at the December 7 meeting of the Northville Women's club will find as speaker

Gail Jordan Tousey, book reviewer and director of the J. L. Hudson company speaker's bureau.

Mrs. Tousey has chosen as her theme, "New Books to Read". She believes that reading is one of the great pleasures of life and enjoys sharing her own enthusiasm with others.

GAIL JORDAN TOUSEY

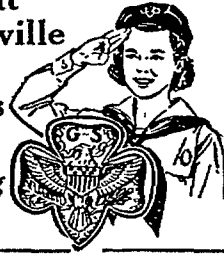

Mrs. Tousey received her undergraduate degree in English and speech from Missouri college. She also has a master's degree in speech and music from Louisiana State university. Here she taught public speaking, working also in the field of remedial reading.

After coming to Detroit in 1947, Mrs. Tousey spent four years on the faculty of the department of speech at Wayne State university. She has had extensive experience speaking before various women's clubs and professional organizations in the field of literature, music, theater and interpretation.

## King's Daughters To Meet Dec. 4

The King's Daughters will meet Tuesday, December 4 at Emily Casterline's home. Members are asked to bring gifts, wrappings and ribbon.

## What Northville Girl Scouts Are Doing

### Brownie Troop 5

Brownie Troop 5 met at Amman school Wednesday, November 21 with 11 members present. The project was making Christmas card holders. Games and songs were enjoyed by all.

### Girl Scout Troop 10

Troop 10 held its November 20 meeting at Mary Ebert's house. They are going to make a manger scene for the library. The next meeting will be December 4 at Rosie Frost's house.

### Girl Scout Troop 15

At their last meeting, troop members of Troop 15 made Christmas gifts. After the nibble box brought by Shirley Custer, merits were read.

### Girl Scout Troop 17

Each patrol met at their patrol leader's home and packed bundles for overseas relief. A CARE package will be sent for Christmas.

## "Father's Night" At Nursery Meeting

It will be "Father's Night" at the next meeting of the Northville Cooperative pre-school nursery on Monday, December 3.

Speaker of the evening will be Dr. Gordon Eady of the Wayne County Public Health Department, whose topic will be "Enjoying Your Pre-School Child". The meeting will be held at the home of Mrs. Wayne Wilcox, 54924 West Seven Mile road at 8 p.m.

Children of the nursery group made two outings recently — one to a turkey farm and another sledding behind the city hall.

## Engaged

The engagement of Jean Ann Reincke to Terry C. Chappell, son of Mr. and Mrs. Earl Chappell, is announced by her parents, Mr. and Mrs. Norman Reincke of Redford.

MISS JEAN ANN REINCKE

Jean is a graduate of Providence hospital school of nursing and Terry graduated from Cleary college in Ypsilanti.

## John Stenson To Wed Miss Flye of Oregon

Miss Leanne Flye, daughter of Mr. and Mrs. Leslie H. Flye of Portland, Oregon will be married Saturday, December 1 to

MISS LEEANNE FLYE

John Frederick Stenson, Jr., son of Mr. and Mrs. J. F. Stenson of West Six Mile road, Northville. The wedding will take place in the Salem Lutheran church in Detroit. A reception will follow at Meadowbrook Country club.

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Mrs. Robert McMillan of Dubuare street cuts into her "Mock Apple Pie" as Kathy, 7, Jill, 4, and Ricky, 3, wait for a big slice.

"Apple pie without apples" — that's the recipe submitted to us this week by Mrs. Robert McMillan of 446 Dubuare. Mrs. McMillan is the mother of three... Kathy 7, Jill 4 and Ricky 3.

### MOCK APPLE PIE

1 1/4 cups sugar  
1 1/2 cups water  
1 1/2 teaspoons cream tartar  
1/2 teaspoon cinnamon  
1/2 teaspoon salt  
1/2 teaspoon nutmeg  
Put in sauce pan and boil for one minute.  
Line pie tin with pie crust. Put 16 crackers in pie shell and dot with bits of butter. Pour hot mixture over crackers. Put strips of pie crust criss-cross over the top. Bake 25 minutes in 400 degrees oven.

Quality has everything in its favor including the price.

Tomorrow is the greatest labor-saving device of today.

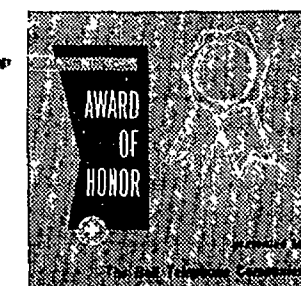

WHAT GIFTS BRING pleasure every day of the year, make life easier, and are not likely to be duplicated? Additional telephones in color, of course, a welcome solution to the "what to give" problem. Bedroom phones are wonderful for Mother. Dad would get a real kick

out of a telephone for his den or basement workshop. And teen-agers think a phone in their own room is tops. Remember, Christmas will be here before you know it — a perfect time for giving gift telephones.

## "LET'S GET THE FAMILY TOGETHER if the weather's good."

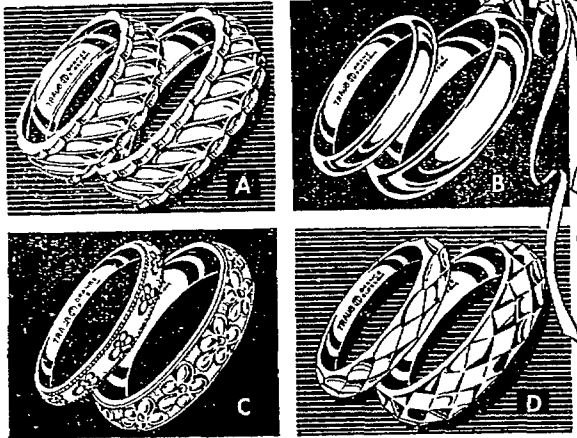

That "if" used to be a mighty big one. But now you can get the family together no matter what the weather or how far apart all of you live. A Conference Call will do it. You just give the operator the names and addresses or telephone numbers of the members of your family. She'll get them all on the line at the same time whenever you want. Call the Long Distance operator soon and have her arrange a Conference Call. It'll be fun.

PERHAPS YOU'VE NEVER thought of it as such, but a Telephone Company job ranks as about the safest job in the United States, according to the National Safety Council. The Council has given the Bell Telephone Companies its highest safety award four times in the last five years. Observance of safety practices and constant inspection of tools and buildings to eliminate accident hazards play a big part in helping us give you good, dependable telephone service.

spent Thanksgiving with Mrs. Manier's parents, Mr. and Mrs. Ernest Dayton of Waterford road.

Mrs. Elmer Heichman of Stone-leigh road shot an eight point buck the opening day of the season at Huffed lake in Alcoma.

Mr. and Mrs. Riley Allen, with Carol and Bobby, have returned from a trip to Niagara Falls and New York City. Their son, William, who accompanied them left them at Manhattan Beach air force base. William is now enroute to a base in Morocco where he will be stationed for one year.

Thanksgiving guests at the Ronald Anderson home on Ridge road were Mr. Anderson's parents Mr. and Mrs. Philip Anderson, and his sister and brother-in-law, Mr. and Mrs. Stewart Thiemky and family.

Mr. and Mrs. Conrad Langfield of Fairbrook recently spent a week in Atlantic City, New Jersey at the National Dairy convention. They then traveled to Miami Beach by yacht. After traveling to Houston, Texas, where they will attend the Southern Dairy convention the Langfields will motor to California before returning to Northville for the Christmas holidays.

Mr. and Mrs. James McNeiece and their four children of Woodhill drive returned Sunday from a trip to New York state where they spent the Thanksgiving week end with Mr. McNeiece's parents.

Co-hostesses for a dessert luncheon and card party Friday to raise funds for projects of the DAR will be Mrs. Carl Bryan and Mrs. Maxwell Austin.

Mr. and Mrs. Ralph Foreman, Jr. and children returned Sunday from Traverse City where they visited Mrs. Foreman's family, Mr. and Mrs. Charles Burke. Mrs. Foreman and the children stayed with Mrs. Burke when Mr. Foreman and Mr. Burke went hunting.

Mr. and Mrs. Russell Wynings and son, Rusty, will move Saturday to Houston, Texas where Mr. Wynings will be manager of sales for the Gulf States Tube Corporation, a subsidiary of Michigan Seamless Tube company.

### Engaged

Mr. and Mrs. Robert L. Cantrell of West Nine Mile road announce the engagement of their daughter, Caroline Sue, to Rod-

MISS SUE CANTRELL

ney Arnold Dahlager, son of Mr. and Mrs. C. Noble Dahlager, of Grace street.

Caroline Sue graduated from Northville high school in 1956 and is now employed with Marr Taylor Ford Sales. A 1956 graduate of Northville high, Rodney is now serving with the Armed Forces in Fort Benning, Georgia. No date has been set for the wedding.

## Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

The leisure activities of the B. G. Elliotts are centered around antiques — collecting them, re-finishing them and making re-productions of them.

Mrs. Elliott, whose hobby is interior decoration, finds there home at 672 Thayer in need of improvement — "but living in Northville makes up for that," she said, "and we hope eventually to have it the way we want it."

Mr. Elliott is an engineer with the Massey - Harris - Ferguson company, manufacturers of industrial equipment and farm machinery.

"The Elliotts have two children—Barbara, 9, and Mark, 7. Both attend Main Street school.

Sitting before one of their fine antiques is the family of Mr. and Mrs. B. G. Elliott — son Mark 7, and daughter Barbara 9 — who recently moved to 672 Thayer.

### WILPF Hosts National Officer

Mrs. Mildred Scott Olmstead of Philadelphia, national administrative secretary of the Women's International League for Peace and Freedom, spoke to an open meeting of the Northville branch of the WILPF Monday, November 19 at the home of the C. E. Woodruffs.

Mrs. Olmstead, for many years an official in both WILPF and the Society of Friends, visited in Northville following speaking engagements in Traverse City, Detroit and Grand Rapids.

The world's best hope for peace, she said, lies in working with and through the United Nations. The WILPF position, she explained, is that the UN can become the strongest bulwark for peace today if it will continue its role of mediator, using its police force, not as an army but to patrol areas of unrest and to take acts of violence to the World Court.

WILPF's next regular meeting will be December 20 when Mrs. Olive Beasley of Detroit will speak on the Freedom Agenda project.

### Couple Married By Justice Bogart

Miss Barbara Jean Hensen of Plymouth and Truitt Whitney of Wayne were united in marriage Monday, November 26 by Justice E. M. Bogart. Miss Marlene Lemmon of Northville and William Pruett of Plymouth were the attending witnesses.

### BPW Hears Talk On Retirement

Speaking on the problems of retirement at the monthly meeting of the Business and Professional Women's club was Mrs. Shapa Ling, director of the Senior Citizen's Guild of Ann Arbor. The meeting was held last Monday evening.

### Three Cities Club Plans Spring Show

Plans are now underway for a spring show of the work of local artists of the Three Cities Art club, who held their monthly meeting November 13 at the home of Marion Sober in Plymouth.

The show will feature places and people of interest in Northville, Livonia and Plymouth. It was voted to include at least three pictures by each member in the spring show as well as ceramic mosaics by Hilma Aubert, silver jewelry by Marge Owens and wood carving by Wilfred Becker.

At the meeting, Pat Hartt showed a water color of the Phoenix lake bridge for the show. New members of the club are Pat Hartt, Wilfred Becker of Northville, Joan Wehmyer, of Plymouth and Peter Gilleran of Livonia. Mr. Becker and Mr. Gilleran are professors of art at Wayne State university.

Universities are full of knowledge; the freshmen bring a little in and the seniors take none away, and knowledge accumulates.

—A Lawrence Lowell

### Northville Student In 'Brigadoon' Role

Pert, lovely lasses and dashing young laddies, heather and romantic Scotch ballads will mark the University of Michigan student production of "Brigadoon", next week.

One of the "laddies" will be Bruce Felker, 113 Randolph, Northville, a member of the singing chorus.

The Broadway movie and show scheduled to run December 5-7, replaces the traditional all-male Union Opera after a 50-year history.

Renamed and reorganized, the students call themselves "Musket" (Michigan Union Show, Keds, Too). The original scripts which characterized the farcical Union Opera have been replaced by the Alan Jay Lerner and Frederick Loewe musical. This arrangement is only temporary, the Musketeers say, as they encourage original script writers to contribute to future shows.

"Brigadoon" is the story of two Americans who stumble on an 18th century enchanted Scotch village, which a miracle brings to life every 100 years.

FORTUNE has been smiling on 14-year-old Jay Leavenworth, 588 Randolph, for three weeks. First the Northville lad won the weekly football contest. Next he used his winnings to go deer hunting. He returned triumphantly to pose for the cameras with his six-point buck, downed with a 22 rifle. This week he's back again, winner of the final contest. "I only entered twice," Jay revealed. "Wish you would have a basketball contest," he added hopefully. Jay has spent his latest winnings for Christmas gifts. He edged second place winners Phyllis Buoniconto, 2005 Sheldon road, and Ed Horton, 103 North Center, by predicting the Washington-Cleveland score almost exactly! Phyllis and Horton missed two games and tied on their score prediction. Phyllis is an avid sports fan and a senior at Northville high school.

### Obituaries

#### MARY JANE BREWSTER

Mary Jane Brewster of 11568 Nagel, Detroit, died November 24 at the age of 79. Her husband was the late Millard Brewster. Mrs. Brewster is survived by a daughter, Mrs. Susan Presley of Detroit, and brothers, W. P. Brewster and Luther Atchley, both of Knoxville, Tennessee. The body will be moved from the Casterline Funeral Home for burial in Woodlawn cemetery in Knoxville.

#### GILBERT HALL

Funeral services will be held today, November 29, at 1 p.m. for Gilbert Hall, 8585 West Outer Drive, Detroit, who died November 23 at the Veterans' hospital in Phoenix, Arizona. Born March 30, 1927 in Chicago to John and Carolina Hall, he was an employee of the Goodyear Rubber corporation. He is survived by his mother, Ellene; sisters, Mrs. Russell Tudhope of Detroit and Mrs. Duane Webster of Denver, Colorado, and a brother, Charles Hall of Northville. Rev. John Taxis will officiate at the services at the Casterline Funeral Home. Interment will be in Rural Hill cemetery.

#### MRS. GLADYS C. BALLARD

Funeral services were held Saturday, November 24 for Mrs. Gladys C. Ballard, 65, former Northville resident. Mrs. Ballard of 979 Fisher, Grosse Pointe, died November 22. She was a graduate of Eastern Michigan college, past president of the Southeast Women's club and a board member of the Detroit YWCA and of St. Mark Women's club. She is survived by her husband, Dr. Henry M. Ballard; daughters, Mrs. Margaret Becker of Grand Rapids and Mrs. Shirley Wigle of Royal Oak, and her mother, Mrs. Elizabeth Cobb of Grace street, Northville. Interment was in Rural Hill cemetery following services at the DeSantis Funeral Home in Detroit.

#### FRANK W. OLM

Funeral services were held November 23 for Frank W. Olm, 67, who died November 20 in University hospital, Ann Arbor. He was born in Northville May 20, 1889, the son of Frederick W. and Marie Olm. Surviving is his wife, Maude, a brother, Charles W., of Oden, Michigan; and a sister, Mrs. Paul Becker, of North Adams, Michigan. Mr. Olm lived his entire life in Northville and resided at 410 Lake street for the past 49 years. He retired in October, 1955 after 26 years with the park maintenance department of Maybury Sanatorium. Rev. Peter Nieuwkoop officiated at the services at the Casterline Funeral Home. Burial was in Oak Grove cemetery, Milford.

### Men and Women ★ In Uniform ★

#### PFC. BRANK PATE

PFC Brank Pate, on of Mrs. Roy Marz of Marilyn street is participating in Exercise Red Arrow, a major Army maneuver at Fort Riley, Kansas, ending December 6.

Pate and other members of the 1st Infantry Division's 10th Regiment were flown to the maneuver area in transport planes, representing the first landing of U.S. forces against mock enemy attack.

An infantryman in the regiment's Company L, Pate was graduated from Stockbridge (Mich.) high school before entering the Army in September 1955. He received basic training at Fort Leonard Wood, Missouri.

#### PVTS. ADAMOWICZ - LEWIS

Army Privates Arthur A. Adamowicz, 19, and Robert P. Lewis, 19, of Livonia, recently qualified as experts in firing the M-1 rifle at Fort Leonard Wood, Missouri.

Adamowicz is the son of Mr. and Mrs. Anthony E. Adamowicz of 1427 Fairfield. In civilian life he attended the University of Detroit and worked for the Michigan Bell Telephone company in Plymouth.

Lewis, son of Mr. and Mrs. L. A. Lewis, 18941 Myron avenue, is a former employee of Northville State hospital. He was graduated from Bentley high school in 1955.

Both men entered the army last October and are now receiving basic training at the fort.

### Good Citizens, These Railroads

OF ALL forms of transportation only the railroads and the pipelines fully pay their way.

The railroads build and maintain their own roadways and terminal facilities.

They have spent millions in the construction of bridges to meet the requirements of waterway navigation, used—without charge—by competing barge lines.

Untold millions of their taxes have gone into the construction and maintenance of highways used by their competitors, the trucks and busses.

They have repaid the Federal Government many times over in reduced passenger, freight and mail rates for the land grants of the 1850s-1860s.

They have repaid practically all loans from the Government and full interest on such loans and those from private investors.

And hundreds of millions of their taxes help support federal, state and local governments, help maintain military establishments and schools, and all other governmental activities.

Michigan Railroads Association

### Creative Art Guild To Meet Next Week

The Creative Art Guild, an organization recently formed to study a wide variety of arts and crafts, will hold its regular meeting on Wednesday, December 5 at 7:45 p.m. at the Bentley high school in Livonia. A guest speaker is planned for the evening.

Mrs. A. T. M. Petersen, president of the guild, will preside. The chairman of each group will report on the activities of that section—oil painting, weaving, water color, ceramics and 12 other arts and crafts.

The guild membership is composed of residents of Northville, Plymouth, Livonia and Detroit and all interested persons are cordially invited to attend this meeting and select the group in which they are most interested. Mrs. R. D. Merriam of Beck road is publicity chairman for the group.

### Muscular Dystrophy Begins Fund Drive

Muscular dystrophy, nearly always a fatal disease which has now doomed more than 200,000 victims, is beginning its drive for funds now.

Muscular dystrophy is a progressive disease of the muscle which weakens a child so that within a short time he passes from confinement to a wheel chair—to bed—and finally to death. When it strikes children between the ages of three and seven, the disease is always fatal.

Funds obtained maintain a muscular dystrophy clinic for treatment and over 100 research projects to find the cause and cure of the dread disease.

Since there is no local chairman for the Northville area to conduct the door-to-door March for Muscular Dystrophy, residents who wish to help may mail contributions to MDA, % Local Postmaster.

### Novi Highlights

Mr. and Mrs. Robert Hart spent Thanksgiving at home with their three sons.

Miss G. R. Soulliere went to her home at Lake Chemung to be with her parents for Thanksgiving.

Mr. and Mrs. John Hood visited the former's family for Thanksgiving Day. Mr. Hood's younger brother returned with them to spend the week end.

Mr. and Mrs. Thomas McDonough were the guests of friends in Farmington Thanksgiving day.

Mrs. Schwartz' pupils are going to the Plymouth Library Friday of this week to hear a story by Miss Richards and to see the children's book display for Book Week.

Mr. and Mrs. Brent Munro are the parents of a daughter, Tina Loraine born at Mt. Carmel hospital in Detroit November 18. The Munros have five other children, four girls and one boy. Several Novi Lodge Rebekahs attended a visitation at Birmingham Wednesday evening.

Michael O'Neill, infant son of Rev. and Mrs. J. A. O'Neill, is home again after spending three days in Mt. Clemens hospital.

Independent Rebekah club will meet at the home of Olive Sindén December 5 at 12 o'clock. Potluck and Christmas party and exchange of gifts.

### Willowbrook

Mr. and Mrs. Robert McKeon of Meadowbrook visited and had Thanksgiving dinner with the in-laws, Mr. and Mrs. Thomas McGuire, of Oak Park.

Mr. and Mrs. M. Eugene Davis and son Berry of McMahon spent Thanksgiving in Ohio at his parent's home, I. B. Davis. Mr. and Mrs. Davis spent a week before returning home.

Mr. and Mrs. Alwood Brines of Meadowbrook road had Alwood's father, Robert Brines, of Detroit for Thanksgiving dinner.

Mr. and Mrs. Don Richmond and family had John Holmes of Philadelphia, Pennsylvania, as a house guest Thanksgiving Day.

Mr. and Mrs. Don Richmond had their daughter, Margaret Ruth baptized last Sunday at Our Lady of Victory church of Northville. The godparents are Mr. and Mrs. James Behrendt of Detroit. They all returned to the baby's home to celebrate.

The "Thursday Morning" coffee club composed of six West LeBost ladies met for conversation and refreshments at the home of Elenore Freytag. Next week the social hour will be at Mrs. Jackie Morse on West LeBost.

Mrs. Edward Blackwell held the bridge club meeting last Tuesday. The next get-together will be at Mary Ann Brower's of East LeBost December 11.

The Wednesday night bridge group was held at Mrs. Blurton's home. Ladies attending were Mitzie Olson, Irene McCormick, Nancy Milliken, Nancy Blurton, Mary Ann Brower and Jean Cromer. Meetings will be held every other Wednesday night.

Mr. and Mrs. Daniel Freytag of LeBost drive spent Thanksgiving at Elenora Parent's home in East Detroit. Mr. and Mrs. Clarence Taylor. Mr. and Mrs. Taylor had a family dinner in the afternoon. There were Elenora's brother and sister, Shirley and Robert Taylor, and their grandmother, Mrs. Lucy Halzbrouck. After dinner the Freytags went to see the Red Wing-Toronto hockey game at the Olympia.

Mr. and Mrs. John Hanna of McMahon Circle had Mr. and Mrs. Carl Keel of Huntington Woods, Mrs. Hanna's mother and father for Thanksgiving Day. Sorry to hear that John Hanna was sick with the flu over the holiday.

### George Matthews Named President Of Protestant Men

George W. Matthews has been elected president of the Protestant Men of Detroit, an organization representing 725 churches affiliated with 31 denominations.

Matthew's wife, Edythe, is the daughter of Mr. and Mrs. Russell H. Amerman. Amerman is superintendent of Northville schools.

Protestant Men of Detroit is the official laymen's department of the Detroit Council of Churches.

Matthews, a Detroit Edison executive, served last year as president of the Detroit Junior Board of Commerce and was previously selected by that board as Detroit's Young Man of the Year.

He has served on the board of directors of the Detroit Council of Churches for several years.

### Water Trees Now, Gardeners Warned

Warning have been issued to home owners and gardeners in the Northville area to care for evergreens as soon as possible.

"If the present cold snap relents somewhat there will still be time for beneficial watering that may mean the difference between a healthy tree and a dead one come spring," said John Miller, owner of the Green Ridge Nursery here.

The recent dry condition is still critical — rainfall was four and a half inches below normal during the last two months, Miller said.

Gardeners are advised to use mulch, screens and windbreaks around evergreens after the ground freezes to conserve moisture and reduce rapid changes of temperature to save as many plants as possible.

Any day now, the temperature can go into a tailspin! Don't put off putting in your fuel supply. Get set NOW to give Jack Frost a warm reception. A phone call to us brings you top-quality fuel at low prices.

## Readers Speak Up:

### WHAT ABOUT BUS SERVICE?

To the Editor:

I see by the paper that the Northville school board wants \$3,000,000 or so for a new high school, but they can't afford to send a school bus up Clement road and down West Main street to pick up the school children residing in that area. Are they going to walk to the new high school, too?

Dave Hay

### OF DRAINAGE & BAD ROADS

To the Editor:

In regards to the drainage problem:

I see our Novi supervisor says to press a civil suit. Our township board says they can give only moral support. The county says they have no jurisdiction over this part of the county. Then why do we maintain these offices if they have nothing to say about our township or county?

Yet outsiders come in and we are to step aside and make room for progress, while they have no respect for our property. But I see they have big plans for Novi. The county did keep a grader here while they made room for progress and were hauling sand and gravel. But the roads were left as they were after two days of hauling, with no grading done.

But I guess we are only taxpayers and voters. By the way, some of you tax payers should drive down the new road. The tubes are half full of water now. If they have to pave and have to bore, you can see what you will have to pay for. Thank you,

D. M. Parkinson

## City Proceedings

Regular meeting of the Northville City Council was held at the City Hall Monday Eve., Nov. 19, 1956, at 8 p.m.

Present: Mayor Claude N. Ely, Councilmen Canterbury, Allen and Stubenvoll.

Absent: Councilman Reed.

Minutes of the last regular meeting were read and approved.

Bills amounting to \$8,014.80 on the General Fund and \$577.12 on the Water Fund were presented, and it was moved by Allen, seconded by Canterbury that same be allowed and paid. Carried unanimously.

The audit report of Township assets as of May 26, 1956 was presented as prepared by the auditors Iccerman, Johnson & Hoffman of Ann Arbor.

An Amendment to the zoning ordinance on off-street parking was presented. Moved by Canterbury, seconded by Stubenvoll that the ordinance be published and acted upon at the next regular meeting. Yeas: Canterbury, Stubenvoll and Allen. Nays: Ely. An amendment to the zoning ordinance relative to moving of buildings into residential areas was tabled until the next meeting.

An ordinance relative to moving of buildings and other bulky objects through the streets was presented and was tabled until the next regular council meeting.

The council decided to install a temporary sidewalk on Griswold street extending from the Ford Motor company to the corner of Butler street. This temporary walk will be used until such time as Butler street is improved.

A resolution requesting assistance from our Congressmen, United States Senators, Governor Williams, State Senators and Representatives relative to the flood control on the middle Rouge river was unanimously carried.

The council authorized the purchase agreement be made out for the Smith property on Gerald Ave., and this agreement submitted to the realtor handling this property.

A resolution was introduced designating the Depositors State Bank of Northville as the depository for public monies belonging to or held for the State, County and other units. Carried unanimously.

The council discussed the communication submitted by Mr. Canterbury relative to inadequate telephone service and the lack of availability of natural gas for space heating. The council requested the Manager to write the Michigan Bell Telephone Company and Consumers Power Company in an effort to receiving specific commitments relative to the improvement of service in the City of Northville.

The Council also instructed the Manager to send a resolution to the Michigan Public Service Commission relative to the inadequate telephone service and the natural gas space heating problem in Northville.

There being no further business, meeting was adjourned at 11:30 p.m.

Signed Mary Alexander, Clerk

## AMENDMENT TO ZONING ORDINANCE

The City of Northville Ordains:

That Article 3 of the Zoning Ordinance for the City of Northville shall be amended by adding thereto the following:

Section 3.15 OFF-STREET PARKING REQUIREMENTS. In all zoning districts, off-street parking facilities for the storage or parking of self-propelled motor vehicles for the use of occupants, employees, and patrons of the buildings hereafter erected, or altered, or extended to the extent of 50% or more of its assessed valuation, after the effective date of this Ordinance, shall be provided and maintained as herein prescribed.

(a) Loading space, as required in Section 3.13, shall not be construed as supplying off-street parking space.

(b) When units or measurements, determining the number of required parking spaces, result in requirement of a fractional space, any fraction up to and including one-half (1/2) shall be disregarded, and fractions over one-half (1/2) shall require one parking space.

(c) Whenever a use requiring off-street parking is increased in floor area, and such use is located in a building existing on or before the effective date of this Ordinance, additional parking space for the additional floor area shall be provided and maintained in amounts hereafter specified for that use.

Provided, however, in the central business district, where the city and the various property owners have co-operatively developed parking facilities, and additional parking space as required for the increased floor space is not available within the required three hundred (300) feet as required in the second paragraph of (c) below, the City Planning Commission may through negotiations with the owner of such property, vary the location of such required parking spaces or agree to the owners participation in other authorized parking facilities which will furnish the same amount of space as required for his increased floor space.

(d) For the purpose of this Ordinance, "Floor Area", in the case of offices, merchandising or service types of uses, shall mean the gross floor area used or intended to be used for services to the public as customers, patrons, clients or patients, or as tenants, including areas occupied for fixtures and equipment used for display or sale of merchandise.

(e) Off-street parking facilities for one and two family dwellings shall be located on the same lot or plot of ground as the building they are intended to serve.

The location of required off-street parking facilities for other than one and two family dwellings shall be within three hundred (300) feet of the building they are intended to serve, measured from the nearest point of the off-street parking facilities to the nearest point of the building.

(f) Where a use is not specifically mentioned herein, off-street parking facilities required shall be the same as those required for a use mentioned herein which is most similar or analogous to such unspecified uses.

(g) Nothing in this section shall be construed to prevent the collective provision of off-street parking facilities for two or more buildings or uses; provided, such facilities shall not be less than the sum of the requirements for the various individual uses computed separately in accordance with the following table.

(h) Each parking space shall have a minimum width of not less than ten (10) feet and shall comprise an area of not less than one hundred eighty (180) square feet exclusive of the drives and aisles giving access thereto.

(i) The minimum amount required off-street parking space for new uses or buildings, additions thereto, and additions to existing buildings as specified above shall be determined in accordance with the following table, set forth in this section and the space, so required, shall be stated in the application for a building permit and shall be irrevocably reserved for such use.

### USE

(1) One and two family dwellings or mixed occupancy.

(2) Multiple dwellings or apartment houses and efficiency apartments.

(3) Tourist homes or motels.

(4) Hospitals, sanatoriums, convalescent homes and homes for the aged or similar uses.

(5) Orphanage or similar use.

(6) Hotels

(7) Private clubs, fraternities, boarding and lodging houses.

(8) Community centers, libraries, museums, post offices, civic clubs, etc.

(9) Theaters and auditoriums (other than incidental to schools).

(10) Churches, auditoriums incidental to schools.

(11) Schools.

(12) Dance Halls, pool and billiard rooms, assembly halls and exhibition halls without fixed seats.

(13) Stadiums and sports arenas.

(14) Bowling alleys.

(15) Mortuaries or funeral homes.

(16) Establishments for sale and consumption on the premises of alcoholic beverages, food or refreshments.

(17) Drive-in restaurants.

(18) Medical or dental clinics, business or professional offices.

(19) Banks.

(20) Drive-in banks.

(21) Furniture and appliance stores (not including beauty parlor and barber shops) household equipment or furniture repair shops, clothing or shoe repair shops, or service shops, hardware stores, motor vehicle sales, wholesale stores and machinery sales.

### REQUIRED PARKING SPACE

One (1) parking space for each dwelling unit.

One (1) parking space for each dwelling unit.

One (1) parking space for each guest or sleeping room or suite in a tourist home or motel, plus, in the case of motels, two (2) additional spaces for the manager and/or service personnel.

One (1) parking space for each four (4) beds, plus one (1) space for each staff or visiting doctor, plus one (1) space for each four (4) employees including nurses.

One (1) parking space for each ten (10) beds.

One (1) parking space for each two (2) guest rooms, plus one (1) additional space for each three employees.

One (1) parking space for each two (2) guest bedrooms, plus two (2) additional spaces for owner or management.

Provide about each building an improved area other than the front yard which shall be sufficient in size to provide adequate facilities for parking and as approved by the City Planning Commission.

One (1) parking space for each four (4) seats, plus additional spaces equal in number to fifty (50) percent of the number of employees of the theater.

One (1) parking space for each eight (8) seats in the main assembly unit.

One (1) parking space for each two (2) employees (including teachers and administrators) plus sufficient off-street space for the safe and convenient loading and unloading of students and sufficient parking facilities to accommodate students permitted to drive to school.

One (1) parking space for each fifty (50) square feet of floor area used for dancing or public use.

One (1) parking space for each four (4) seats.

Five (5) parking spaces for each alley.

One (1) parking space for each fifty (50) square feet of floor space in the slumber rooms, parlors or individual funeral service rooms.

One (1) parking space for each one hundred (100) square feet of floor area, plus one (1) parking space for each four (4) employees.

One (1) parking space for each fifteen (15) square feet of floor space.

One (1) parking space for each two hundred (200) square feet of floor area.

One (1) parking space for each two hundred (200) square feet of public floor area.

Four (4) parking spaces for each teller window.

One (1) parking space for each eight hundred (800) square feet of floor space.

(22) Beauty Parlors and barber shops.

(23) All retail stores, except as otherwise specified herein.

(24) Industrial establishments, including manufacturing, research and testing laboratories, creameries, bottling works, printing and engraving shops, warehouses and storage buildings.

Two (2) parking spaces for each barber and/or beauty shop chair.

One (1) parking space area for each one hundred and fifty (150) square feet of floor space.

Provide about each industrial building, buildings or use, an improved area, other than the front yard, which shall be sufficient in size to provide adequate facilities for the parking of automobiles and other motor vehicles used by the firm or employees or persons doing business therein, such space shall not be less than one (1) parking space for each four (4) employees computed on the basis of the greatest number of persons to be employed at any one period during the day or night.

(j) The City Council in consultation with the City Planning Commission, shall make studies of various areas in the City of Northville for the purpose of determining areas within which there is need for the establishment of off-street parking facilities to be provided, wholly or in part, by the City of Northville. This study and report shall include recommendations on the site, location and other pertinent features of the proposed off-street parking facilities and the area they should be intended to serve.

(k) Whenever after the date of this ordinance, there is a change in the number of employees or business visitors or in the lawful use of the premises or in any other unit of measurement specified in any of the foregoing paragraphs of this section, and whenever such change creates a need for an increase or decrease of more than 15% of the number of off-street automobile parking spaces as determined by the requirements of this section, more or less off-street parking facilities shall be provided within a reasonable time on the basis of the adjusted needs, as determined by this section. In case of unusual hardship arising out of the requirements of this paragraph, recourse may be had to the Board of Appeals, in the manner provided by law.

Section 3.16 OFF-STREET PARKING FACILITIES. In all districts where off-street parking facilities are a permitted use as an adjunct to business and such facilities provide a service to the patrons or customers patronizing such businesses, such off-street parking lots shall be established and maintained subject to the following regulations:

(1) Adequate ingress and egress shall be provided in accordance with a plan submitted in triplicate to and approved by the City Manager.

(2) Such parking lots shall be hard surfaced with concrete or plant-mixed bituminous material or maintained in a usable dust-proof condition, and shall be graded and drained to dispose of surface water.

(3) When such parking lot boundary adjoins property zoned for residential use, a four (4) foot chain link fence or a solid masonry wall not less than two (2) feet nor more than four (4) feet in height shall be erected or maintained thereon.

(4) All street boundaries of such parking lots where residential property is located on the opposite side of the street, shall be treated the same as set forth in paragraph (3) above, except such portions as are used for entrances and exits.

(5) Necessary curbs or other protection against damage to adjoining properties, street and sidewalks shall be provided and maintained.

(6) No sign shall be erected upon such parking lots, except not more than one (1) sign at each entrance to indicate the operator, the purpose for which operated, and the parking rates. Such signs shall exceed fifteen (15) square feet in area, shall not extend more than ten (10) feet in height above the nearest curb, and shall be entirely upon the parking lots.

(7) Plans for the development of any such parking lot must be approved by the City Manager before construction is started. No such land shall be used for parking until approved by the building inspector.

This amendment shall be effective ten (10) days after passage and following publication thereof.

## Optimists to Honor Nurse With 'Bouquet for Living'

Miss Connie Lee, surgical nurse at Sessions hospital for 25 years, will receive the "Bouquets for the Living" award for December at a meeting of the Northville Optimists next Wednesday.

Miss Lee is being honored for her kindness and attention to the sick and ailing in Northville.

Miss Lee was graduated from the University of Minnesota, receiving her training at the George B. Wright hospital there. She served for a short time at the State Sanatorium of North Dakota before joining the nursing staff at Sessions hospital.

The Optimist club will present her with a plaque and bouquet of roses marking the occasion.

**TOTAL WRECK!** Little remained of the car driven by Kenneth D. Farrell, 27, of Detroit after it left the road shearing off the bottom portion of a telephone pole. The accident occurred at 8:30 p.m. Tuesday on Seven Mile road just east of Northville State hospital. Owner of the car is Edward Farrell, 370 First, of Northville, no relation to the accident victim. Both Farrells are employed by the same firm and are close friends. Edward Farrell was not aware that Kenneth had borrowed his car to return home. The hospital termed his condition "not critical".

**SANTA CLAUS** will be in Northville for the official opening of the Christmas season this Friday even if Roy Stone has to don the old gent's attire! That's the promise of Bruce Turnbull (left) and Essie Nirider who are shown above appraising the beard fellow merchant Stone has chosen. The trio are members of the Merchant's Association committee planning the Christmas program.

## Northville State Hospital Honors Helpers

Two Northville organizations and two individuals were honored by the Northville State hospital yesterday at the hospital's third annual Volunteer's Day.

Certificates of appreciation were presented to 70 individuals representing more than 1,000 persons who have volunteered time toward work for the patients in the past year.

Northville organizations honored were the Blue Star Mothers, represented by president Mrs. Arlie Smith, and the Northville Exchange club, represented by

president E. V. Ellison.

Honors also went to Lucille Tanner, 16400 Northville road, and Mrs. Arthur J. Verschaev, 19759 Clement, both individual volunteers.

Presentations were made by the chairman of the Patients' Representative Council, which includes patients from each ward in the hospital.

A former hospital staff member, Abraham Brickner, was guest speaker.

Other organization and individuals honored included: American National Red Cross (caterers, service, college units, entertainment and supply, Gray Ladies, Junior Red Cross, motor service, and other volunteer services), American Hungarian Ladies club, Berkley Woman's club, Dr. Peter M. Bernstein, B'nai B'rith Council of Greater Detroit and Citizens' Auxiliary Committee for Northville State hospital.

Others were Detroit Woman's Advertising club, Dearborn Cherryhill Presbyterian Church Woman's Association, Farmington-Eight Mile Extension Group, Grosse Pointe Unitarian Church, Highland Park Woman's club,

Walter Irving, Jenny Lind club of Detroit and Jewish House of Shelter Auxiliary.

The remainder included Lutheran Gold Star Mothers, Monica Guild, Nardin Park Reformed Church, National Council of Catholic Women, Plymouth Woman's club, Rosedale Park Progressive club, St. John's Prayer Group, Livonia, Young Women's Bichor Cholem and Zeta Tau Alpha Sorority Alumnae.

## Postmaster Gives Tips For Christmas Mailing

Postal patrons this Christmas season can speed delivery of Christmas parcels and cards by using various postal services Northville postmaster Leland Smith advised this week.

The services mentioned by the postmaster include:

1. This year, for the first time, sealed parcels may be mailed at third- or fourth-class postage rates without labels or notations, authorizing the opening of the

parcels for postal inspection. Packages sealed with sealing materials or Christmas seals carry better in the mail than unsealed ones. Strong cord should also be used.

2. Combination mail, used for the first time last Christmas season, permits a mailer to enclose a letter or message inside a gift parcel and pay appropriate postage on it plus postage for the

package itself.

3. Certified mail, also used for the first time in the 1955 season, permits mailers to have proof of delivery of Christmas letters, cards or parcels having no intrinsic value for a postal fee of 15 cents plus first-class postage.

4. Registered mail provides greater security protection to letters and parcels carrying items of real financial value.

5. Special delivery mail is given

an immediate delivery at the office of address during prescribed hours.

6. Airmail and air parcel post provides quick delivery of cards and parcels to all sections of the country.

Free postal pamphlets — available at all post offices — are entitled "Packaging and Wrapping Parcels for Mailing" and "Domestic Postage Rates and Fees."

## Three Mustang Gridders Receive All-State Honors

Football glory continued to shine on Northville this week as three members of the champion Mustangs received all-state honors.

Heading the list was center Bob Wagenschutz, who was named to the Detroit Times' second Class B all-state team.

Right behind him were end Bill Yahne and halfback Dick Biery who received honorable mention in the newspaper's all-state selections.

**V.F.W.**  
**Northville Post 4012**  
**438 Plymouth Ave.**

Regular Meetings:  
First and Third Tuesday  
of Each Month

TO RENT—BUY—SELL  
PHONE 200

Wagenschutz earlier was named to all-suburban teams picked by the Times and Detroit News. The News' all-suburban team included players from all classes of schools, while the Times' named the 235-pound center to its Class B suburban team.

To round out the grid honors, Wagenschutz, Yahne and Biery also were named to the Wayne-Oakland all-league team by both papers. Northville thus took three of the 11 positions.

Last week, the same trio and fullback Gary Holman and halfback Dave Adams were named to a 22-man all-league team picked by the coaches.

All-State Bob Wagenschutz

## Grid Outlook Bright For 1957 Mustangs

Though the 1956 football season is history in Northville, talk around the grid cracker barrel this week was already turning to prospects for next year.

And the word for 1957 was: watch out for the Mustangs again. Northville will lose only 10 seniors through graduation, and will keep most of the first-stringers who brought the Mustangs their first outright league championship this year.

In addition, a trio of stars from the 1956 junior varsity will be on hand next year to give Northville additional offensive punch.

Biggest loss for the Mustangs will be in the line, where they will be without the services of all-state center Bob Wagenschutz and bruising tackles Jim Burrell and John Moose. All weigh over 200 pounds and were mainstays in the Mustang's defense.

In the backfield, Northville will lose three starters — quarterback Bud Bell, all-leaguers Dave Adams at halfback and Gary Holman at fullback and halfback Tom Andrews.

Others lost to the Mustangs include end Rick Atchinson, center Henry Fisher and Aubrey King.

But that's where the gloomy side ends.

On the bright side, Northville will keep two players who gained all-state honorable mention this

year. They are halfback Dick Biery, Northville's leading ground gainer and most dangerous runner, and end Bill Yahne, a stand-out on both offense and defense.

In addition, the Mustang line will be bolstered by such veterans as guards Dick Buckley, Bill Chizmar and Bob Neimi and 200-pound-plus tackles Nelson Schraeder and Jeff Goodrich. Dan Howell also will be back at tackle.

Bill Walker, who developed well in the latter stages of the season, and Jim Strange will be back at fullback.

At end, in addition to Yahne, Northville will have Jim Hammond and Larry Clark. There is even a possibility that "Cap" Pethers, giant end who broke his leg in the opening game this year, may be around again.

Quarterback will be a strong position for the Mustangs, with the return of Ed Wittenberg, who handled the team well whenever he saw action this year, and little Pete Gross, a pinpoint passer.

From the junior varsity, coach Ron Schipper will get at least three players who chalked up exceptional records this year: quarterback Joe Kritch who passed for 18 touchdowns; end Joe Gotro, who snared 14 of the scoring tosses, and halfback Larry Nitzel, the Colts' leading runner.

# SOFT WATER

## Automatically with the

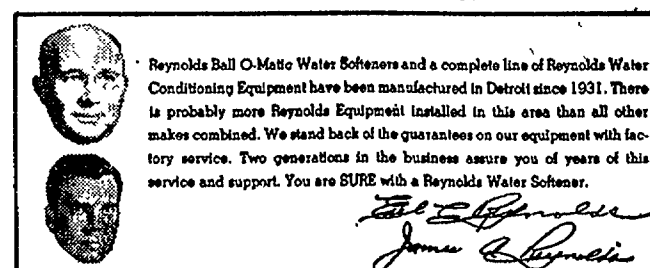

### REYNOLDS Automatic WATER SOFTENER

The greatest water softener ever built!

1. Adjustable to almost any type of problem water. Does a better job on all hard waters. Will do things you never dreamed could be done with any water softener.
2. Will soften water containing up to 100 grains of hardness per gallon (5 times as hard as the average).
3. Will remove up to 10 parts per million of iron.
4. Contains 1-1/6 cu. ft. of Dowex assuring high capacity and adequate flow rate of zero-soft, rust-free water at all fixtures at the same time.
5. Brine under pressure in closed tank instead of in unsightly open type brine tank. No more leaky float valves and bad appearance. More dependable regeneration.
6. Automatic bypass permits use of water during regeneration.
7. No troublesome top screen to clean.
8. Operates on any home water pressure, high or low.
9. Fibre glass insulation prevents sweating.
10. Time clock or switch operation.
11. Made in Detroit—factory service.

There is no other water softener like it, or that even compares with it. It is fully guaranteed and covered by patents. At only \$399.00, it is the greatest value in the water conditioning industry. Larger sizes also available.

"YOU CAN'T BEAT THE BEST"

See your nearest dealer, or call collect, WEster 3-3800, for free water analysis and full information. We have a popular rental plan. Ask about it.

# Basketball Moves into Sport Spotlight

## Mustangs Okay on Height; Inexperience Might Hurt

Basketball abruptly pushed football out of the limelight this week as Northville high school cagers polished up their play and made ready for the winter-long campaign.

Coach Stan Johnston was not making any pre-season predictions at this early date, and preferred instead to keep a wait-and-see attitude for the time being.

"We're inexperienced — but we have good potential," Johnston said.

Northville will open tomorrow night at home against Plymouth in the first of a 15-game schedule. Except for Plymouth and two contests against Thurston, all will be Wayne-Oakland games.

The Mustangs will be out to equal or improve on their 1955-56 season in which they took second place in the league with a 10-2 record, and chalked up an overall 12-5 season's record.

But whether they're able to will depend for the most part on a number of newcomers to the squad. Though four lettermen will return, only one — guard Bud Bell — saw full time action last year.

Johnston noted with satisfaction that height will be on the side of the Mustangs this year. Five Mustangs top six feet — including forward Jeff Goodrich (6' 8"), center Bill Yahne (6' 3"), forward Nelson Schrader (6' 3"), forward Dan Howell (6' 2"), and guard Mac Burns (6' 2").

The starting lineup tomorrow night will include Goodrich and Dick Biery at forwards, Yahne at center and Bell and Mac Burns at guard.

Primary play-maker for the team is expected to be Bell, who last year was named to the all-league team. In practice, Bell's passing, hand-offs and close-in work in general showed mid-season form.

Lanky Goodrich was working well on tip-ins and control of rebounds, while Yahne's fakes and hook-shots left little to be asked. Burns joined Bell in setting up plays well, and Biery was dropping in points from both near and far.

Others who will see action include Schrader, Howell and Jim Hammond at forward and Joe Krith and Joe Early at guards.

On the sidelines, however, will be giant "Cap" Pethers, an all-league star for the Mustangs last year with a 30-point plus average for the season. Pethers is out with a broken leg and is not expected to return to action this year.

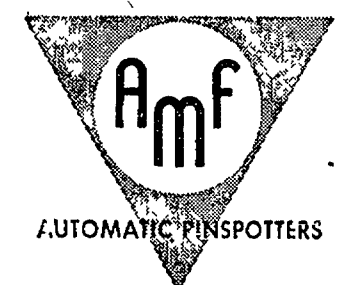

"If we had Cap..." Johnston said, shaking his head and slapping one hand against the other. Johnston said the Mustangs again will concentrate on a fast break offense and man-to-man defense, a strategy that has worked well for Northville in the past.

Most opposition in the league he forecast, will come from Milford, last year's W-O champion, and Clarkston and Brighton. But Northville, he added, should be in the thick of the fight as the season progresses.

STANDING TALL — Mustang cagers have no worries about height this year, as proved by (from left) Mac Burns (6' 2"), Bill Yahne (6' 3"), Jeff Goodrich (6' 8"), Nelson Schrader (6' 3") and Dan Howell (6' 2").

## BUT NO BUCK

Harvey C. Hodge, Jr., 127 East Dunlap, returned Sunday from a deer hunting trip in northern Michigan. He didn't get his buck. Neither did his companions: Harvey Hodge, his father; Homer Hodge, his brother, and David McLavy, his brother-in-law.

The Northville hunters are not likely to forget these experiences, however. Within 24 hours beginning Thanksgiving Day, Harvey:

1. Had his car struck by another vehicle causing \$200 damage; 2. Accidentally fired

a shot through the door of his car wounding a hunter from Birmingham; 3. In the excitement dropped his cigarette burning the interior of his car.

The victim of the gun blast was Carl Naumann. He has been released from the hospital where he was treated for a slight leg wound. Hodge was unloading his gun when it mis-fired. The mechanism of the gun was found to be faulty, Hodge reported.

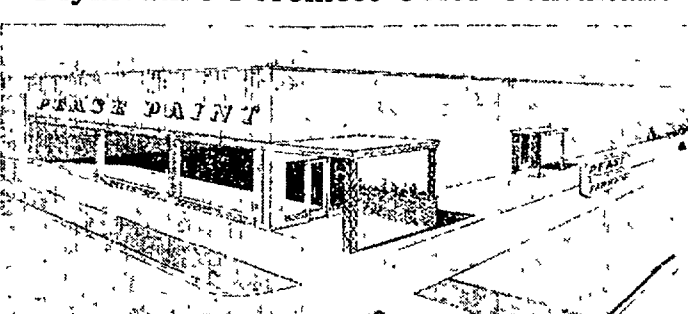

Wednesday Hodge was busy getting his car repaired and shopping for a new one. His old model hadn't been too lucky.

## TWO GIRLS, A CHEVY AND A RECORD!

*A meaningful achievement  
in automobile performance*

Most automobile performance records you read about these days are set on a track or closed course. The results are usually pretty difficult to relate to the kind of day-in, day-out driving most of us do. Running at safe and legal speeds, a '57 Chevrolet recently chalked up a new coast-to-coast record on the road. And the way it set this record is even more important than the record itself!

A new '57 Chevrolet recently proved it has the qualities most people look for in a car—and proved it on the roads you travel, under the same conditions you drive in every day. It broke the record for the coast-to-coast run from New York to Los Angeles (certified by NASCAR). It was a strictly stock, V8-powered Chevy. It was driven by two young ladies.

This last fact, we think, is even more important than the impressive new record set by Chevrolet. Oh sure, it's nice to know that a Chevrolet can cross the country in one uninterrupted span—and do it in less than 57 hours. It's a tribute to Chevrolet's great-hearted V8 engine and solid road-worthiness that it could travel day and night for 2,913 miles at safe and legal speeds—and better the existing record for the trip by more than three hours. But it's only when you consider that all the driving was done by 98-pound Betty Skelton and her friend Caroline Russ that the true significance of this record run becomes apparent.

When a pair of young ladies step into a car and drive it round the clock to a new transcontinental record, you know that car is easy to drive. You begin to see what we mean by smooth-cruising comfort... by nailed-to-the-road stability by sweet-feeling sureness of control... by quicksilver responsiveness.

We'd like you to get to know this new Chevy. Stop in and see how beautifully it does all the things a car should do.

CHRISTIAN SCIENCE CHURCHES

Main and Dodge Streets  
Plymouth, Michigan

The supremacy of spiritual law will be set forth at Christian Science services Sunday in the Lesson-Sermon entitled "God the Only Cause and Creator."

Scriptural selections will include Paul's statement to the Galatians (3:21): "Is the law then against the promises of God? God forbid: for if there had been a law given which could have given life, verily righteousness should have been by the law."

## 3 Representatives Of State Hospital Attend Workshop

Three representatives of the Northville State hospital attended an all-day workshop Monday of the Michigan Welfare League Conference in Detroit.

Attending were Mrs. Carolyn Seefeldt, director of social service; Louis J. Schult, psychiatric social work supervisor; and Donald Royal, work therapy supervisor.

Panel subject was "Vocational Rehabilitation in Psychiatric Hospitals".

Other panel members included Dr. V. A. Stehman, deputy director, Michigan Department of Mental Health, and Miss Jane Potts, assistant director of the Michigan Office of Vocational Rehabilitation.

The three-day conference, held annually, was attended by more than 1,000 social welfare workers and students from all over Michigan, and covered a variety of problems encountered by social welfare workers and administrators in their daily work.

In addition, management and union representatives discussed "Social Implications of Automation," "The Social Worker's Contribution to American Culture" and "The Future of Social Work".

THE COMING OF WINTER

There are winter days so full of sudden sunlight that they will cheat the wise crocus into squandering its gold before its time.

DEPOSITORS STATE BANK  
NORTHVILLE, MICHIGANNOTICE OF SPECIAL MEETING  
OF SHAREHOLDERS

## To Our Shareholders:

You are hereby notified that on Friday, December 7, 1956 at nine o'clock A.M., Eastern Standard Time, pursuant to action of the Board of Directors, a special meeting of the shareholders of this Bank will be held at its office at 129 E. Main Street, Northville, Michigan, to consider and vote upon the following proposal and matters incidental thereto which properly may come before that meeting:

1. Ratify, confirm and adopt the Agreement of Merger heretofore entered into on behalf of this Bank (pursuant to authorization of its Board of Directors) with The Manufacturers National Bank of Detroit, Detroit, Michigan, dated November 1, 1956, whereby Depositors State Bank will merge with and into The Manufacturers National Bank of Detroit pursuant to authorization given by and in accordance with Sections 4 and 5 of an Act of Congress of the United States entitled "An Act to Provide for the Consolidation of National Banking Associations", approved November 7, 1918, as amended (Title 12, U.S.C., Sections 34b and 34c), the name of the resulting institution after the merger to be "Manufacturers National Bank of Detroit."
2. To authorize the Board of Directors of this Bank to take such action and give such authorization to the Officers of this Bank as said Board of Directors may deem necessary or advisable in order to determine whether the conditions precedent to the completion of such Agreement of Merger have been satisfied, and to take such other and further action and give such other and further authorizations to the Officers of this Bank as said Board of Directors may deem necessary and advisable in order to carry out the provisions of such Agreement of Merger.
3. To transact such other business incidental to the foregoing proposals as may properly come before such meeting or any adjournment or adjournments thereof.

John F. Stuebenvoll, Cashier

November 5, 1956

A copy of the Agreement of Merger referred to in the above notice to be offered for your consideration and vote at the aforesaid meeting is on file in the office of the Cashier of this Bank and may be examined by any shareholder at any time during office hours prior to the aforesaid meeting.

Whether or not you contemplate attending the meeting it is suggested that the enclosed proxy be executed properly and returned promptly. If you attend the meeting you may withdraw your proxy.

SHADES OF OLD LONDON — Among the authentically-costumed players appearing in "The Barretts of Wimpole Street" next week will be (seated) Deanna Millington and Bernhard Mueller and (standing, from left) Jerry Schnute and Dave Adams. The NHS senior class is presenting the play, a drama of the lives of Robert and Elizabeth Barrett Browning.

News of Northville High School

## Seniors Ready to Go on Stage

As the night for the presentation of the senior play, "The Barretts of Wimpole Street" draws nearer, senior committees are working furiously to insure the play's success.

Florence Panattoni, the dramatics coach, selected three student directors to help her in putting the play together and to head all committees. The chosen students are Mary Palmer, B. G. Wilson and Nancy Lawrence.

Each director was assigned to be responsible for two of the six committees and to see that they functioned efficiently. Mary Palmer is in charge of the committee which obtains all the required props and the stage crew. Since no director is allowed to be the chairman of any committee, Virginia Sutton and Lucille Pullen are the heads of the prop committee.

The stage crew consists of Harry Watson, the chairman and senior class president, Roger Rathburn, Gary Holman, Allan Newbegin, Bill Frost, Tom Bailey, Bill Pratt and Bill Miller. The boys are assisted by Leonard Bogotaitis, who is loaning the use of his home for building the stage set.

B. G. Wilson supervises the advertising and ticket committees. She has chosen Carolyn Smith to be the chairman of both committees. Carolyn and her helpers have been hard at work designing posters, soliciting advertising space for the programs and tickets, and circulating the completed advertisement posters.

Nancy Lawrence heads the costume and make-up committees, and has chosen Judy Leavenworth as make-up committee chairman, and Wanda White as costume committee chairman, with Brenda Wortman as her assistant. Mrs. Van Ingen, high school art teacher, is supervising the make-up committee and is teaching them the fine points of subtle make-up used in plays. The seniors have obtained the

major part of the period costumes from the dramatics department at the University of Michigan in Ann Arbor. A few other costumes have been donated by helpful residents of Northville.

Everything seems well under control and the seniors are looking forward to presenting their play on December 5 and 6.

The play cast:  
Elizabeth Barrett Browning — Suzie Dewsbury, Emilie Seguin  
Mr. Barrett — Tom Slavens, Bernhard Muller  
Robert Browning — Brody Humphries, Dave Adams  
Henrietta — Giannine Bertoni, Judy Junod  
Bella — Dorothy Welch, Deanna Millington

Dirabel — Roseanne Perrault, Lois Rody  
Captain Surtees Cook — Vic Miller  
Ocey — Dave Dahl  
Wilson — Janice Howarth, Martha Bloom

The Brothers — Mac Burns, Dave Dahl, Vic Miller, Joe Early, Bob Wagenschutz, Rick Atchinson  
Flush — Cinder

Library to Receive  
New Book Order

Miss Ione Palmer's library staff is now working on a new book order.

It is hoped the new books can be ordered and received by Christmas. Most of the books will be non-fiction, as the last order was mostly fiction.

The staff hopes to have a meeting in the next week or so, in order to discuss new lists of books to be followed by librarians and students.

Due to the shortage of help it is asked that students refrain from asking for supplies from the library.

## "Hoof Prints"

"Mustang Hoof Prints" is prepared and written by the Northville high school students under the supervision of Miss Florence Panattoni.

Editor — Emilie Seguin

Associate Editor — Michael Peitz

Staff: Nancy Morrison, Margie Bondy, Joan Sanders, Rosalie Bailey, Nancy Lawrence, Roseanne Perrault, Betty Wilson, Brody Humphries, Carolyn Smith, Brenda Wortman, Lucille Pullen, Tom Slavens, Mary MacDermid, Hubert Black, Judy Leavenworth, Cynthia Mellen and Judy Drew.

Bake Sale Brings  
Freshmen \$300

The freshman class of NHS has been on its toes this week.

Last Thursday, Russell Reimer and Robert Williams, freshman sponsors, helped the class push the biggest and best bake sale ever put on by a class.

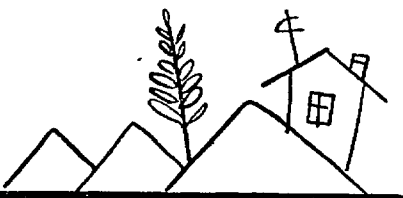

It started by canvassing the neighborhood and taking orders for the goods, after which the students went home and began filling the orders with the aid of mixing bowls and hot ovens. All told, the freshman made over \$300—as 90 percent of the class took part.

Even now, the ninth graders are planning to sponsor a dance on January 18. They've set their goal at \$1,500 for this year and at this rate, looks like they'll make it.

# Moon Glows at Northville J-Hop

THE NORTHVILLE RECORD—Thursday, November 29, 1956—15

PIZZA PARTY after the J-Hop finds Mike Castle (left) explaining the intricacies of eating the tasty pastry to Shirley Ellison, who listens attentively before tackling the task.

Northville students finally learned the secret theme of the J-Hop Friday night after weeks of being in the dark.

Their decorations revolved around the "Moon glow" theme. Glittering stars and a huge blue moon hung from the sky. The stage was decorated as an old fashion garden with white iron furniture and a brick wishing well from which a fountain bubbled forth. Into it students tossed coins and wished for their secret dreams.

The refreshment room gave the impression of a quaint sidewalk cafe. Each table had identi-

cal red and white checked tablecloths with a bottle holding a red rose. A pineapple punch, with strawberries floating in it, and assorted cookies were served.

Music was provided by Floyd Snyder and his orchestra. Such dances as the fox trot, bunny hop, polka and the all-time favorite waltz were played. The climax of the evening was the Grand March led by the president of the junior class, Dick Stuber.

The J-Hop will long be remembered, not only by the juniors who spent long hours of preparation on it but by all those who attended it.

GUEST OF HONOR — Main Street principal Harry Smith glides along with Mary Hill at the J-Hop. School board members and high school teachers also attended the dance.

—Photos by Harold D. Hartley

SIDELINE SCENE at the J-Hop as (from left) Elsa Couse, Gary Wakenhut, Jim Hammond and Judy Robinson take a look at decorations that transformed the gym into a turn-of-the-century garden.

UNDER A STARRY SKY, dancers while away the evening to the music of Floyd Snyder and his orchestra. Rhumbas, tangos, bunny-hops and the reliable fox trot—they danced to everything.

## Commercial Club Tours Local Bank, Sees How It Works

The Commercial club of Northville high toured the Depositors State Bank recently, sponsored by Miss Kathleen Giltner.

The club began its tour at noon. During this tour they

were shown the dictaphone machine, purchase or rent for school use. All who attended were also impressed by the modern switchboard machine. They also viewed the system by which a business organization is managed.

Another group will tour the bank again today under the supervision of Miss Giltner. The group would like to thank the bank officials for making the trips possible.

## State Finds Park Maintenance Is No Picnic

**TOO MANY PEOPLE** in too little space. That's the problem the Michigan Department of Conservation must face as it tries to provide adequate park facilities for residents and tourists in the years ahead.

Michigan's 59 state parks are already bulging at the seams. In 1955 some 18 million persons jammed the state's playground areas. According to Gerald Eddy, director of the Department of Conservation, this figure is expected to swell to more than 38 million persons in the next 10 years.

Crowded conditions multiply the problems. Already, parking spaces are often unavailable. Sanitary facilities are inadequate. Picnic tables are difficult to locate. On week ends the problem becomes most acute.

Equipment in parks needs constant replacement. Age, heavy usage, and weather conditions all take their toll.

To do a good job, additional funds are necessary for proper maintenance and an expansion of facilities. According to a report by the Automobile Club of Michigan, the state is falling behind the nation not only in expanding facilities, but in keeping the present park system properly maintained.

Excluding headquarters personnel, there is an average of only one employee for every 400 acres of park land, says AAA. It becomes an impossible task to keep washrooms clean, grounds free from litter, picnic tables and stoves in repair.

State Legislatures have been reluctant to increase appropriations. In 1951, the Conservation Department received approximately \$2 million to provide for both maintenance and expansion.

In 1955, appropriations were slightly more than \$3½ million. During the same period attendance shot up from 12 million to 17 million persons.

In other words, Michigan spends about 14¢ for each park visitor. The national average is 30¢ per visitor.

To spearhead a \$2 million dollar program, the Conservation Department is asking the legislature to allot \$6 million for parks in 1957. One-half this amount would be spent for new land—the rest for maintenance and improvements. In subsequent years more of the money would be spent for park improvement, less for land.

If successful, the appropriations must be spread over a five-year period. This means several future legislatures must act favorably on the bills.

What are the alternatives? The AAA makes four proposals in addition to increased legislative appropriations. 1) Sell windshield "stickers" that would permit a car to visit any state park in the system as often as desired during the year of issue, regardless of the number of people in the car. 2) Charge a parking fee. 3) Charge an admission fee for cars and passengers. 4) Sell a bond issue, to be retired out of park concession returns and oil, gas and other mineral royalties.

One final alternative: Withhold the money, let the parks decay and lose many of Michigan's recreational areas.

NOW THAT DUST is settling in the recent state political campaign, a calmer view is emerging from the political charges that industry is leaving Michigan because of high taxes and labor costs.

In a survey conducted by the Michigan chapter of the Society

of Industrial Realtors, Carl Rosman, president of the group reports that three industrial firms have moved into Michigan for every one leaving the state.

The survey indicates that Michigan is continuing to grow in industrial strength and is holding its own against competition from other states. Charges that industry is moving out of the state because of high taxes and labor costs "have either been unfounded or grossly exaggerated," Rosman states.

"Michigan has one of the most outstanding industrial development programs in the nation, and I feel it's important to show every individual that he has a share in it," Rosman concludes.

**HERE WE GO AGAIN!** With the members of the last election still glowing, both political parties are busy collecting new fuel for the spring elections, April 1.

The stakes are high. Posts to be filled include State Highway Commissioner, State Superintendent of Public Instruction, members of the Board of Regents and Board of Agriculture (governing bodies of the University of Michigan and Michigan State University) and one Supreme Court Justice.

Winners in this election will hold control over state highways, schools and the judicial system.

# Cadillac

## Surpasses its Own Great Reputation!

You're looking at a mighty surprised man.

Almost all of his adult life he has owned and driven Cadillac cars. And so, when he decided to take an hour out from his busy schedule to see and drive the new 1957 Cadillac, he thought he knew about what to expect.

Well, here he is—barely under way in the city—and already he is learning the startling truth.

He is learning that nothing could adequately prepare a man for the new "car of cars"—not even Cadillac ownership itself!

He suspected it, in fact, the instant he stepped into the showroom and caught his first glimpse of this newest Cadillac creation. This was an entirely new kind of Cadillac beauty—brilliantly fresh in line and in contour.

And then he opened the door and swung into

the driver's seat—and found added evidence all around him. On every side were new miracles of interior beauty and comfort and convenience.

And when he turned the key and put his foot on the accelerator, his sentiment grew to conviction. The car was incredibly nimble and quiet and smooth of ride.

Surprised, did we say? Just wait until he hits the open highway and receives the final verdict.

No question about it—this is the Cadillac that literally surpasses its own great reputation!

\* \* \* \* \*

We suggest that you come in soon to see and drive this most surprising new Cadillac in fifty-four years. It's an experience you shouldn't postpone—and one you'll not soon forget.
