

## Petitions Due this Month For City, Township Posts

With election date more than three months away, Northville's city and township elected officials and prospective candidates were picking up petitions this week that must be filed by 4:00 p.m. December 31.

In the township a full slate of offices will be up for election.

No indication has been made by present office holders of their intentions to run again. Clerk D. J. Stark said that some petitions had been given out, but he was not sure in whose name they would be circulated.

Township offices for which petitions must be filed and names of present officials are: Supervisor (Mollie Lawrence), Treasurer (Roy Terrill), Clerk (D. J. Stark), two Trustees (A. M. Lawrence and Robert Merriam), Justice of the Peace (Paul Schulz) and Constable (Robert Hazlett).

In the city of Northville two councilmen, John Stubenvold and Earl Reed and Mayor Claude Ely will complete terms in April.

The two council vacancies carry terms of four years, while the mayor's term is two years. According to Clerk Mary Alexander, no petitions have been given out as yet.

The office of Justice of the Peace will also be on the April 1 ballot. It is a four year term, currently held by E. M. Bogart.

A state ruling stating that all petitions must be filed on the seventh Monday prior to election makes the early filing of petitions necessary. In many communities a primary election is held in February, therefore December 31 is set for the filing deadline to allow voting machine ballots to be printed.

## Merchants Seek Decorations Funds

Collections were under way this week by the Northville Retail Merchants association to underwrite the Christmas displays which decorate the city's streets.

Christmas program chairman Paul Folino said that thus far wide support had been given to the project, but that many businesses had not yet been contacted. Among the new decorations this year, Folino pointed to the large, red "Season's Greetings" signs which are displayed at the east and west approach to the city on Main street. The letters were made by Willard Renard's high school shop class and painted by G. E. Miller auto agency.

Folino reported that home decorations in Northville will be judged between Christmas and New Year's and that four turkeys will be given as prizes. One winner in each of the four sections of Northville divided by Main and Center streets will be named.

The following firms were reported by Folino as having contributed to this year's street decorations fund: Northville Lumber, Northville Catering, Northville Laundry, Clara Broda, Rathburn Chevrolet, Cloverdale Farm Dairy, Gussell Drugs, Northville Shoe Repair, Northville Record, Northville Men's Shop, Johnson's Jewelry and Gift shop, Northville Realty, Clark Insurance, Masonio Lodge and Paul's Sweet Shop.

## Curriculum Group Presents Findings To School Board

A report of studies of high school curricula, grades nine through 12, was recently presented to the Northville board of education by the Northville Curriculum Study committee.

The study group, established by the board of education to advise and make recommendations regarding a desirable curriculum, represents a cross section of Northville citizens on occupational, educational and Northville area levels.

Headed by James Schiefer, the committee of 30 has been working on the report since last May. It summarizes the basic minimum curriculum to be required of the high school student plus a suggested elective course of study to further the student's desired vocation.

In addition to findings and recommendations for curriculum, the report includes notations on practices for consideration for grades nine through 12.

Requirements of four years of English (including journalism, speech and dramatics), one year of fine arts, one year of mathematics, three years of physical education and three years of social science have been suggested by the group.

Courses in business practices, industrial arts, homemaking and languages have all been suggested as elective studies.

Suggestions as to high school counseling, vocational guidance and extra-curricular activities are also included in the report.

To continue their study and add to its completeness, the study committee has prepared a new questionnaire for citizens of Northville. Copies will be available in Depositors State Bank, Gussell Drugs, the Post Office, the community building and the Northville Record office.

A "multiple choice" and "yes-or-no" answer type questionnaire, the form can be easily and quickly answered. Questions pertain to course material, aims of high school education and comments on Northville high school.

They will also be sent home with school children next week. The committee asks that they be returned to the office of the superintendent of schools within two weeks.

## Harry Sedan Suffers Heart Attack

Recovering in Atchison Memorial hospital from a heart attack is Harry Sedan, 504 Horton street.

Sedan suffered the attack about 8 a.m. Thursday while getting ready to go to work. He is general manager of Schrader's Home Furnishings on North Center.

## November Is Quiet For Local Police

Northville police answered only 107 calls in November as compared to 122 for the same month last year.

Traffic violations numbered 65, a little more than half of the 118 recorded last year, while parking violations totaled 244—more than twice as many as those meter free days of November 1955. Eleven accidents were investigated.

One incident each was recorded of grand larceny, petty larceny and breaking and entering. Of two bicycles reported stolen, one was recovered.

There were no reports last month of stolen automobiles, vandalism, forgery, uttering and publishing or juvenile cases.

Three persons were reported missing last month and were recovered. Nine arrests were made and nine cases came to court.

## Set January 3 Date For Warren Trial

Trial date to hear the controversial Warren Products case was set Monday by Oakland county circuit court for January 3.

The Novi township firm has charged that the special June election annexing some 100 acres including the Yerkes farm and properties of John Burkman and Warren Products to Northville was illegal. Residents of the annexed area voted 5 to 1 for annexation, while Northville city voters supported it 256 to 32.

## Pageant Planned By Training School

The annual Christmas pageant of the Wayne county training school will be presented next Sunday at 2 p.m.

Augmented by a vested choir, children at the school will tell "The Story of the Nativity". The program, presented annually, is sponsored by the Rotary club.

A new plan at the school permits children to spend Christmas in their homes. Those unable to be home will still be able to enjoy the holiday at the school with bright decorations, Christmas trees and gifts on Christmas morning.

# TO DECIDE SCHOOL BOND ISSUE TUESDAY

GETTING OUT THE VOTE — Fred Lyke, former Northville township clerk and Northville school board member, gets ready to cast his vote in next Tuesday's bond issue election. Pinning on a tag is Nancy Lawrence of Northville high school. The election proposal requests a \$3,000,000 bond issue for four school construction projects.

## Voters Asked to Approve \$3,000,000 Program

The fate of the proposed new Northville high school will be decided next Tuesday when hundreds of voters cast ballots for or against a \$3,000,000 bond issue.

Polls in the Northville community building will be open from 7 a.m. to 8 p.m. School district property owners and spouse may vote.

Voters, in balloting on the \$3,000,000 bond issue proposal, will be deciding on four school programs. They are:

—a new high school (\$2,450,160)

—an eight-room addition to Amerman school (\$274,705)

—renovation of the present high school building (\$150,000)

—purchase of a future site for an elementary school (\$60,000)

The remainder—some \$65,000—would be set aside for contingencies.

In explaining their request, Northville educators have pointed to a severe situation of overcrowding in Northville schools. It was pointed out that the schools have a present capacity of 1,165 students but are actually handling 1,558 pupils. That figure probably will reach 1,906 by 1959, they have estimated.

In addition to the overcrowding, Northville school officials have said the present facilities lack many features needed in modern education. The result, they add, has been that students often are unable to study subjects which they desire in preparation for a vocational or professional career.

Part of the answer, they have said, would come simply from more classrooms. The proposed Northville high school would accommodate 950 students and could easily be expanded to 950 students in the future.

The Amerman school addition would take other students, and Northville's overcrowding would be a thing of the past, they add.

Plans also call for some Main Street school students to attend the enlarged Amerman school, and for high school students to use the vacated Main Street facilities until the new high school is built.

The rest of the answer, school officials have stated, lies in the facilities of the proposed high school building. Ultra-modern in design, the building would consist of two clusters of classrooms and other specialized departments for music, physical education, dramatics, homemaking and vocational studies.

In answer to questions about cost of the entire program to the individual taxpayer, school officials have pointed out that the proposed Northville program would fall under a state school loan program. To receive a state loan, however, school districts can assess only a total of 13 mills for all school construction.

Northville taxpayers, school officials have said, are therefore assured that they will be required to pay no more than \$13 per \$1,000 for new school construction even if new bond issues are voted in the future.

Actually, they add, next year's school taxes would jump only by \$8.50, since a current bond issue will be paid off by then.

## Urge Diphtheria Immunization Now

The Wayne county board of health recommends that all children between the ages of one and fifteen be immunized now for diphtheria.

In addition, all children from infancy through five years of age should have three doses of triple vaccine (diphtheria, whooping cough and tetanus) three weeks apart.

Miss Ruth Knapp, R.N., has announced that no cases of diphtheria have been reported in Northville.

Children from five to 11 years who have had the recommended three doses should have had a booster shot within two years of the doses.

Miss Ruth Knapp, R.N., and school nurse, has announced that as soon as possible a school health report will be sent home with report cards to inform parents of years of toxoid and vaccination inoculations.

## Stockholders OK Manufacturers, Depositors Merger

Stockholders of Depositors State Bank of Northville and Manufacturers National Bank of Detroit gave approval Friday to the proposed merger of the two institutions.

The merger, subject to final approval by the Comptroller of the Currency, will become effective at the close of business December 31.

Announcement that the two banks would merge came November 8. Stockholders' approval made it official.

The merger will bring to Northville services vitally needed to serve the growing area. Depositors president A. Russell Clarke commended the merger by declaring that "people of Northville will be provided with an even wider range of banking and trust facilities."

Northville will become the 14th suburban office and will be known as the Northville Office of Manufacturers National Bank.

There are 21 offices in Detroit. Local management will continue in Northville and present directors of Depositors will become members of the Advisory committee.

## Novi to Elect School Board

Voters will go to the polls Monday to elect the first permanent board of education for the newly-formed Novi community school district.

The election will bring to a close many months of working toward consolidating four Novi township school districts covering some 15 square miles.

The election will bring to a close many months of working toward consolidating four Novi township school districts covering some 15 square miles.

polling places in the Novi school will be open Monday from 10 a.m. to 8 p.m.

Voters will elect five board members from among 10 candidates. All candidates have had school experience in some form, many of them serving on school boards of the four districts which now comprise the Novi district.

Candidates are:

One year term (choose one): George W. Mairs, James D. Mitchell.

Two year term (choose two): Arthur Heslip, Georgia Larson, William MacDermaid and Richard Ritter.

Three year term (choose two): Kenneth Bernard, Jack Crawford, Edward Erwin, Donald Hines.

In addition, voters will decide whether school board members shall be paid \$100 per year.

To vote, residents must be 21, a U.S. citizen, resident of Michigan for six months and a resident of the school district for 30 days.

The school board election became necessary on October 29 when residents of four districts voted 404-82 to consolidate into the present Novi community school district. The former districts were Novi No. 8, East Novi No. 2, Putnam and Durfee.

At the same time, voters agreed to assume the debts of Novi No. 8 and to raise additional school taxes to pay off the debts.

In the meantime, an interim school board has been serving the new district. Appointed by the Oakland county superintendent of schools, the temporary board includes Mitchell as president, Mrs. Larson as secretary, Bernard as treasurer and Heslip and Ross Correll as trustees.

Board members elected Monday will take office immediately, but their terms of office will run until July of the year of expiration, according to superintendent William Medley.

Brief biographical sketches and statements of the 10 candidates appear elsewhere on this page.

## Report No Trace Of Mrs. Chauvin

The search for Mrs. Yvonne Chauvin continued this week as Detective Jack Woolley of the Michigan State Police reported "no new developments."

Mrs. Chauvin, whose exploits in Northville were reported exclusively in The Record last week, allegedly obtained upwards of \$10,000 from Northville residents. She moved to Northville in April directly from the Detroit House of Correction and has a long record including forgery, larceny by trick and insufficient funds. She reportedly left \$85,000 in checks in the hands of Northville residents.

A warrant for her arrest was signed Tuesday by Justice John Mokersky of Inkster and issued by the Wayne county prosecutor's office. Detective Woolley said previous reports that Mrs. Chauvin may have fled to Cleveland could not be verified. He said one report claimed she was in Lansing.

## Community Chorus To Sing "Messiah"

Seventy-five voices from the Northville area will present George Frederick Handel's "Messiah" next Sunday in the First Presbyterian church at 7:30 p.m.

This marks the 22nd time that local singers have presented the world famous oratorio. The public is cordially invited to attend.

Mrs. Ruth Jerome of Northville will sing the soprano solos. Other soloists include Mary Matfield, alto; Dan Pressley, tenor; and Elmer Thomas, bass—all of Ann Arbor.

At the piano will be Kathleen Bosch. Mrs. Gladys Connors will play the organ and Leslie G. Lee will direct.

The "Messiah" was composed in 1741 in 24 days. It was first performed in Dublin, Ireland on April 13, 1742 with Handel conducting the performance.

## Names Are Sought By King's Daughters

King's Daughters of the Mizpah Circle have again asked the help of Northville residents in providing names of persons needing Christmas baskets.

Names should be turned in to Mrs. Clifford Winter (Northville 370), Mrs. Clifford Pollings (771-J) or Mrs. N. C. Schrader, Jr. (515)

NEWLY-CHARTERED MEMBERS of the Northville Junior Chamber of Commerce are: (L. to R., top row) Al Meyers, Bob Green, Mac Pierce, Bob German, Ted Masters, Charles Ely and

Charles Lapham. Bottom row: Bob Beckel, Skip Burkman, Merle Parsons, Fred Kester, Charles Dickinson and Hugh Black. The charter was received Saturday evening at a special dinner-dance.

## Christmas Activities of Northville Women

### O.L.V. MOTHER'S CLUB

The home of Mrs. Andrew A. Bertoni was the scene of the annual Christmas party of Our Lady of Victory Mother's club December 4.

Gifts were exchanged after a short discussion on the Holiday House Party. Mrs. Hugh Godfrey reported that the affair was successful and that prizewinners, in addition to those in Northville, included guests from Detroit, Livonia, Hazel Park and Plymouth.

\* \* \*

### CHURCH CHOIRS HONORED

The Fellowship Hall in the First Presbyterian church was the scene of a Christmas Tea last Sunday when the youth choirs of the church and their director, Mrs. Bart Connors, were honored.

Mrs. V. Johnson and Mrs. E. C. Cavey, Jr. poured at the tea table while Mrs. William B. Secord served punch and cookies to members of the three choirs.

Following the tea, the choirs sang Christmas selections for their parents. About 125 parents and children attended.

Hostesses were choir mothers Mrs. Jack Blackburn, Mrs. William Williams, Mrs. George Hill, Mrs. A. C. Parmenter, Mrs. Jim Cowie, Mrs. R. G. Nelson and Mrs. Howard Meyer.

\* \* \*

### D.A.R.

Christmas will be the theme in story and song at the December 17 party of the Sarah Ann Cochrane chapter of the D.A.R.

Mrs. Ada Murray will tell the story, "Christmas at the Tremble's" by Ruth McEnry Stewart.

The musical program, under the leadership of Mrs. Drake Older, will feature Mrs. Ruth Jerome and Miss Julie Older as soloists. Mrs. Jerome will sing, "I Wonder as I Wander," "At Christmastime" and "Go Tell It On the Mountain". Miss Older will play the Suite in A Major for flute and piano. Both will be accompanied by Mrs. William G. Williams.

Mrs. Kenneth G. Hulsing, social hostess, has announced that tea will be served. Festivities begin at 1 o'clock at the home of Mrs. Carroll J. Mulligan, 42565 Eight Mile road.

\* \* \*

### PRESBYTERIAN WOMEN'S ASSOCIATION

The annual Christmas tea of the Women's Association of the First Presbyterian church was held yesterday, December 12.

Following the call to worship by Mrs. Charles Hall, the chairman of the day, Mrs. Howard Meyer presented a program entitled "The Light that Followed All the Way", featuring two tableaux by the P.W.O., sponsored Brownie Troop 3.

The Nativity was illustrated in one, and the other portrayed a Hungarian family on Christmas Eve. Mrs. John O. Taxis was the narrator.

Guests at the tea were Gloria Pert and Kathleen Ferguson, student nurses from Jamaica. The girls will return to Jamaica Friday.

Mrs. C. Troenenberg and Mrs. Sidney Wood were the reception committee.

\* \* \*

### NORTHVILLE WOMAN'S CLUB

Eight new members of the Northville Women's club will be honored at the annual Christmas tea on December 21.

To add to the Christmas spirit, Dicken's "Christmas Carol" will be presented in story and pictures by chalk artist Arthur J. Sinclair.

Incidental Christmas music will be presented by a guest soloist from Farmington, Mrs. June Strombach.

\* \* \*

### MOTHER'S CLUB

Christmas films were shown at the Holiday meeting of the Northville Mother's club last Monday evening.

The Bell Telephone company presented two films, one on Santa Claus and another on the Nativity at the meeting at Mrs. Rano Papini's home.

A collection to send CARE packages to the needy in Hungary was taken at the meeting.

\* \* \*

### GARDEN CLUB

A guest speaker from the Audubon Society, Mrs. Harriet Woolfender appeared at the Christmas meeting of the Garden club last Monday with information on identifying and attracting winter birds.

Other guests at the meeting were Lillias Mair, the Garden club scholarship student now attending Michigan State university, and Girl Scout Troop 15 and their leader, Mrs. Begle. The scouts presented each member with a sparkly pine cone Christmas corsage made by them.

Mrs. Edwin Mueller, who recently attended a workshop in Birmingham on making Christmas decorations from household articles, demonstrated to members some of the clever ideas she learned.

The cooperative luncheon meeting was held at the home of Mrs. Hurd Clark.

\* \* \*

### WESLEYAN SERVICE GUILD

The Christmas party of the Wesleyan Service Guild will be held next Tuesday evening, December 18 at the home of Mrs. Walter Belasco at 8 p.m. Members are reminded to bring gifts for exchange and also big sister gifts.

\* \* \*

### KING'S DAUGHTERS

Members of King's Daughters gathered at Mrs. Fred Casterline's home December 4 to wrap gifts for hospitalized children at the University of Michigan hospital in Ann Arbor. Each member brought gifts and wrappings.

The organization will also present their annual gifts to persons at the King's Daughters old people's home.

\* \* \*

### B.P.W.

The three choirs of the Presbyterian church will present a program of Christmas music for the Northville Business and Professional Women's club next Monday evening.

Mr. William Williams will direct the Bell choir, while the Carol and Harmony choirs will be led by Mrs. Bart Connors. The program will be held in the Fellowship Hall of the First Presbyterian church.

## News Around Northville

## Wit and Humor Sparkle Reviews At Woman's Club

A clever wit and sense of humor was brought to last Friday's meeting of the Northville Woman's club by Gail Jordan Tousey, guest speaker and director of the J. L. Hudson speaker's bureau.

Suggesting books to read and to give as Christmas gifts, Mrs. Tousey gave brief resume's of her choices and read excerpts to tempt the appetites of prospective readers.

Among the books she listed as worthy of consideration were two humorous works, "Fables of Our Time" by James Thurber and "Life of the Party" by Ben-net Cerf.

The biography of Alexander Dumas, "King of Paris" by Guy Endore, also rated high on the list.

Among the novels Mrs. Tousey suggested were "Don't Go Near the Water" by William Brinkley and "Captain MacCargo", an historical novel of the Great Lakes region.

## Local Man Makes Auto Show Decor

When the New York auto show was presented over television last Sunday afternoon, at least one Northville family had a special interest in it.

The Wilfred C. Beckers of Dubuair street kept their eyes peeled for glimpses of the decorations—decorations made in their own barn.

For three months last summer,

**CARRYING OUT THE THEME** (at left) of the National Automobile Show in New York is this plaster motif, duplicates of which are now decorating the New York Coliseum. The job was done by Wilfred C. Becker of Dubuair street, shown here with a four foot motif. It rests on the rubber mold used to make the six foot casts, which weighed over 200 pounds each.

**BELOW — THE FINISHED MOTIF** rests on the original wooden pattern. A rubber mold in which to pour the plaster was cast from the pattern.

the building was the scene of the activity of mixing over four tons of plaster—now providing atmosphere for the 42nd National Automobile Show in the Coliseum—the first since 1940—in New York City.

Bill Becker, who is assistant professor of art at Wayne State university, teaches industrial design. He took the job of making the decorations for the show on a bid to the George P. Johnson Display company in Detroit, who decorated the entire coliseum for the event.

With the help of two former students, his wife Audrey, and almost anyone who chanced to drop in, more than 150 plaster cases were completed—of which 135 were used. The extras were ordered as replacements in case of breakage in shipment to New York.

With the design before him on paper, his first job was to make a wooden pattern. Next, a rubber mold in which the plaster was poured was formed from the pattern. The molds were then filled with plaster for the final motifs—those now hanging in the coliseum.

The motifs were made in three sizes: six feet long (weighing over 200 pounds each), four feet (over 60 pounds), and 15 by 21-inch plaques (20 pounds each).

When the plaster casts were hardened, the job was still unfinished. Each had to be reinforced so it could be properly displayed.

The motifs were shipped in stark white, and trimmed with red and gold paint after arrival in New York. Unfortunately, the Beckers will be unable to go to New York to see them in full dress.

In addition to his wife, Bill had four other regular helpers and observers while doing the job—their four children. Gary, the only boy in the family, is six; Cristie is five, Merilee is 11 months and Margaret Ann is eight.

When the last of the motifs were off to the big city, Margaret Ann lamented: "And after they're through with them, they're just going to throw them away."

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Mrs. George Frazier cuts into her "Vinegar Pie" in the kitchen of her lovely new home on West Six Mile road. Mr. and Mrs. Frazier have one son, Jim, eight years old.

An unusual dessert this week—"Vinegar Pie"—from Mrs. George B. Frazier of West Six Mile road. "It's very simple to make," she said, "and my husband likes it very much." Mr. and Mrs. Frazier have a son, Jim, who is eight years old and a student at American school.

**VINEGAR PIE**  
1½ cups water  
1 cup sugar

2 tablespoons vinegar  
3 tablespoons flour or corn starch  
2 egg yolks  
1 tablespoon butter  
Bring water, sugar and vinegar to boil. Add flour or corn starch mixed with a little water and cook until thickened. Add egg yolks and butter. Let cool. Pour into baked shell. Cover with meringue and brown under grill.

## "PEACE ON EARTH"

The Bible plainly tells us of a day when men shall "beat their swords into plowshares and their spears into pruning hooks. Nation shall not rise up against nation, neither shall they learn war any more." This blessed day will not come until

He, who is the Prince of Peace, returns to personally rule over this earth at the world capital in Jerusalem. Much suffering will still be experienced by man before that day. In Matt. 24:6-7 we learn that wars shall continue until the very end of this age. In spite of men's best and noble efforts through the League of Nations and United Nations, we will never be without the horrible blight of war. My generation alone has experienced three terrible wars involving most of the nations in the world. In 1918 World War I; 1941 World War II and 1951 The Korean War. As I write this article the fuse may be lighted which will plunge the world into another war. What's the reason for this periodic blood letting? Is it not due to the fact that the peoples of this world are still rejecting Him who is the Prince of Peace? A heart that is at peace with God through Jesus Christ is a heart that wants to live peaceably with his fellow men.

### BROWNIE TROOP 3 —

Brownie Troop 3 met Thursday at the Presbyterian church. Their guests were Mrs. Taxis and Mrs. Meyers. They rehearsed their Christmas pageant which they gave for the Women's Association last Wednesday. Officers as named in last week's record were in error: Sandy Parmenter is president of the troop and Sherry Meyers is vice-president.

### GIRL SCOUT TROOP 14 —

At their last meeting, Troop 14 made Christmas decorations.

### GIRL SCOUT TROOP 15 —

Troop 15 is making secret Christmas gifts. Mrs. Rodgers, assistant leader, will no longer be with the troop. Shirley Custer is also leaving.

### GIRL SCOUT TROOP 17 —

Members of Troop 17 made Christmas gifts for their mothers at their last meeting. They also discussed the show which was attended on Saturday to complete their drama badges.

### GIRL SCOUT TROOP 19 —

Troop 19 made angels at their last meeting. They had the nibble and closed with the friendship circle.

### GIRL SCOUT TROOP 11 —

The last meeting of Troop 11 was held at the Scout Building with our co-leader, Mrs. Small. There are four new members in the troop. After the business at hand was taken care of, members listened to records.

### BROWNIE TROOP 7 —

Troop seven held its fifth meeting in the Main Street school lunch room. The leader is Mrs. Johnson, co-leader is Mrs. Burden. This week they made a clown lapel pin and Christmas tree decorations. A nice treat was enjoyed by the 20 girls who were at the meeting.

Glenda Diem of West LeBoist was six years old December 10. She celebrated her birthday with her mother who had a birthday December 11. They had cake and treats and took home-movies of the occasion.

Mr. and Mrs. Arthur Walker of East Lansing spent the week end with their parents, the Walkers in South Lyon and the Gows of Novi road.

## Novi Highlights

William Sohn of Champaign, Illinois has been visiting his sister, Mrs. Andy Kozak for a few days this week.

Mr. and Mrs. Alfred Gow, Jr. and sons, Michael and Craig, spent Sunday with the former's parents, Mr. and Mrs. Alfred Gow, Sr. The occasion was Michael's fourth birthday.

Mrs. Andy Kozak will be hostess to the members of her birthday club Thursday evening. It will be their annual Christmas party. For entertainment they will make Christmas tree centerpieces after which they will exchange gifts. Present will be Mesdames Harold Ortwine, Russell Ortwine, Kenneth Rippey, William Paquette, Gene McHale, Douglas Watson and Robert Brown.

Mrs. George Kahrl entertained at a luncheon Saturday honoring her sister, Mrs. Nellie Tibble, whose birthday occurs December 13 and her sister, Mrs. Angie Oliver whose birthday was December 4. Others present were another sister, Mrs. Eve Behrendt, Mrs. Marjory Thompson and Mrs. Lydia Ebersole.

Rebekah - Oddfellow News  
The Novi IOOF will sponsor a teenage dance at the IOOF hall Saturday, December 15 from 7 to 11 p.m. Free lunch and pop will be served. Chaperons will be Mr. and Mrs. Hadley Bachert, Mr. and Mrs. Ed Branch and Mr. and Mrs. George Kahrl.

Regular Rebekah Lodge will be Thursday, December 13. The Past Noble Grands will have their Christmas party at the Mayflower hotel in Plymouth Thursday, December 20 at 7 p.m.

Novi Methodist Church  
The WSCS will have their Christmas meeting Wednesday, December 19 at the church. For the 12 o'clock pot-luck dinner bring a passing dish and table service, also a 50c gift for exchange of gifts and a tree ornament for the primary department Christmas tree.

The study group will not meet this month but will meet the third Wednesday in January at 10 a.m.

The Methodist Sunday school party will be held Sunday, December 23 at 7:30 p.m. in the community building. A program will be given by the several Sunday school classes followed by Santa, a Christmas tree and gifts. There also will be caroling.

The Methodist men's newly organized Sunday school class would gladly welcome new members.

Novi Baptist Church  
Friday, December 21 the Baptist Sunday school and church programs will be held at the church beginning at 7:30. A

Christmas tree will be a feature of the program. The B.Y.F. will have their Christmas party Thursday, December 20 at the home of Mrs. Eby on 12 Mile road.

Girl Scout News  
Brownie Troop 602 sang songs and made presents for mothers. Treats were brownies brought by Lynn MacDermaid. They closed with the "Tunnel Closing". Kay Gilbert, Scribe.

Intermediate Troop 493 finished their Christmas project of a gift for every member of the family. This troop will be open after Christmas for new members. Girls have to be ten or in the fifth grade and must call Mrs. Hayes, 1317-J before coming to a meeting. Leaders of this newly created intermediate troop are Mrs. Dora Eby and Mrs. Elsie Hall.

Intermediate Troop 491 met in the kitchen of the Community building to make and decorate cookies for use at the Eastlawn convalescent home tray favors. Sharon Gatrell, Scribe.

Brownie Troop 149 elected officers: president, Helen Jean Fox; secretary, Joan Boanham; treasurer, Freda Baize. They made styrofoam angels for the family Christmas trees. Plans were made for the Christmas party next week. Each girl is to bring a 25c gift. The troop said good-bye to Dana Crawford, who is moving to Pontiac.

Senior Troop met at the home of leader Pauline Bassett. Plans were made to go caroling Sunday night, December 23. All Intermediate and Seniors planning to go are to meet at the Community building at 5:30. Transportation is needed to go to the Ten Mile convalescent home after caroling at the Novi convalescent home. Plans indicate that caroling should last 1½ hours. Then Seniors worked on their Christmas project and planned distribution to Rebekahs. Plans were also made to contact additional girls interested in senior scouting. Claudia Mairs brought treats

## "Hansel and Gretel" Again On Plymouth Symphony Bill

The magic of the gingerbread house of Hansel and Gretel will enchant audiences again this year when the Plymouth Symphony orchestra repeats the production. Wayne Dunlap, conductor of the symphony, has announced that with one exception, the cast will be the same that pleased over 2600 people last year. Carolyn Austin, who played the part of the mother in last year's production, will be double cast as both the mother and the witch.

Other members of the cast include Ana Martinez-Casado as Gretel, Joan Lucke as Hansel, Robert Waterstripe as Peter, the father, and Ann Welch as the

sandman. Assisting in the production will be the Bird school sixth grade chorus under the direction of Lynn Johnson, and 20 members of the Cherub choir of the First Presbyterian church under the direction of Mrs. Hugh Law. The 90-member Plymouth Symphony will accompany the production.

Sets for the production were designed and executed by Mr. and Mrs. T. J. Kelly of Penniman avenue. Costumes and props are being assembled by the Symphony Women's committee under the direction of Mrs. Margaret Hough.

## HAVE YOU BEEN REPRESENTED IN NOVI TOWNSHIP AFFAIRS!

# NO!

Consulting Engineers Johnson and Anderson were retained by Supervisor Staman to conduct a survey on a sewage system for the township which will cost you, the people of the township, hundreds of dollars. This action was taken by Staman outside an official Township Board meeting. When questioned by Trickey, the Township Treasurer, regarding the hiring of the engineers and his authority to do so, Staman's reply was that he had the approval of Trustees Miller and Clark, which, with himself made a board majority to carry out this action. This is just one of several cases in which the Treasurer and Clerk were never consulted concerning important Township affairs that directly affect the welfare of your growing community.

## It tames a tornado of torque!

It unleashes a hurricane of power  
It breaks through the vibration barrier  
It is swept-wing mastery of motion

Ahead of you, the hushed purr of a muted engine throbs with power.

And at your fingertips, the push-button magic of new TorqueFlite automatic transmission stands ready to convert this power to surging take-off.

A touch of the "Drive" button triggers the newest, slickest, most responsive "get up and go" on the road. You sweep to cruising speed through an extra speed range that gives silk-smooth breakaway acceleration.

Here is push-button driving that packs a thrilling new "1-2 punch" for complete and effortless command of

every driving situation. You break away from the pack when the light says "go." Romp through stop-and-go 5 o'clock rushes. Breeze past "highway crawlers."

Push-button driving is just one of the exciting experiences that await you in the Swept-Wing Dodge.

There's a mighty new aircraft-type 310 hp. Super D-500 V-8 Engine. New Total-Contact Brakes that match stopping power with horsepower. New Torston-Aire Ride that cushions you in a "Realm of Silence."

All this is yours in a low-slung, swept-wing beauty only 4½ feet high. See and drive it today!

## AN ANSWER FROM TRICKEY

To the Editor:

I will prove that the attempt by Mrs. Virginia Noble to discredit my position and action as Novi township treasurer in her letter that appeared in this paper a week ago was more than just the act of an "interested taxpayer" as she signed it.

As treasurer, it is not just my duty to write checks and keep the books of the township, but to act at board meetings on policies and programs that affect the welfare of the citizens of our community.

In the case of building inspector Cameron Lodge, it is a well known fact that this man has spread discontent not only among our citizens but also with the people who serve you at the township hall.

I will not go into full detail at this time concerning all the facts to the above statement but I will mention one incident that happened before I was elected to the township board two years ago. Lee BeGole, the chief of police, issued an order that Lodge was to keep out of the township police car and if he resisted he was to be handcuffed. For this action, pressure was started to rid the township of BeGole's services. There is no need for me to run around after Mr. Lodge because many complaints reach my ears.

Mrs. Noble stated that I said I did not have time to make a proper financial report. The records will show and citizens on hand at the last meeting will tell you, I was not asked to make a report or was any report mentioned except by myself when I told Mr. Staman before the meeting and privately, I might add, that I had not had time to do so because of the late date that he turn the tax rolls over to me. Because I did not receive the tax rolls until Thanksgiving — November 22 — and because the

tax bills are supposed to be in the mail by December 1, my wife and I had to devote many hours of continuous work in order to make the deadline.

I have checked the clerk's records and found that I have missed giving a report only once (not "many") — at the October 1 meeting. I should mention the fact that the auditor told me one report a month was sufficient but because the supervisor requested it I have two reports a month.

The fact that no report was asked at the last meeting or even mentioned proves that Mrs. Noble either approached Staman or he approached her with the fact that I did not have time to prepare a statement.

I believe Mrs. Noble had ulterior motives for writing her letter — namely to make the position of her husband, a township policeman, more secure or to try to further her own political ambitions or both.

Charles Trickey, Jr.

### Opposes Tax Jump

To the Editor:

I notice by your paper that our schools are overcrowded.

What causes this? You also printed that the population of Northville has increased 380 in six years.

We have built one large school building. Do we have to build another to accommodate pupils from the outside?

No wonder people are building outside to avoid heavy taxes. Not until the city's valuation is increased by new homes and factories can the people of Northville afford to have their taxes increased for a number of years. You taxpayers better think before you vote.

John Graham

### Willowbrook Group Plans Meeting

There will be a general meeting of the Willowbrook association Tuesday, January 8 at the Novi Community hall. Proceedings will begin at 8:30 p.m.

### Farmington Elks Have Toy Drive

"Toys for Tots" night at Farmington Elks Lodge 1986 will be December 19. Members who can't attend the meeting are requested to forward toys via brother Elks or call R. E. Spidel at Greenleaf 4-2290 for pickup.

### Fires Perfect 50 For 'Sure Shots'

A perfect 50 out of 50 was fired by Dennis Snow of the Novi Sure Shots junior rifle club last week.

The 25 club members fire at two targets at each meeting, held Tuesdays at 6:30 and 7:30 p.m.

Leaders last week were Hugh Crawford and Dennis Snow, 97; Willard Springel, and Susan Phare, 87; Bill Boyd and Mike Ely, 86; Robert Smith, 80; Donald Coleman and Russell Stevenson, 79.

**Proceedings of the Northville City Council**

ing were read and approved.

Bills amounting to \$7,733.55 on the General Fund and \$595.96 on the Water Fund were presented,

and it was moved by Stubbenvoll, seconded by Canterbury, that same be allowed and paid. Carried unanimously.

The zoning ordinance amendment on off-street parking was not acted upon at this meeting,

as scheduled, due to the fact that the statute provides that same must be published 15 days before enactment. Action on this amendment will be taken at the regular meeting to be held Jan. 7th, 1957.

First reading of ordinance regarding the moving of old buildings was heard, and it was moved by Ely, seconded by Stubbenvoll, that same be published as required and the hearing set for Jan. 7th, 1957. Carried unanimously.

After hearing the reading of the proposed ordinance about the moving of buildings or other bulky objects over the streets of the City, it was decided that some changes were necessary and same was tabled until the next regular meeting.

Atty Ogilvie gave the first reading of the amendment to Sec. 11.04 of the Zoning Ordinance regarding the Zoning Board of Appeals, and it was moved by Allen, supported by Canterbury, that same be published as required and hearing set for Jan. 7th, 1957. Carried unanimously.

A resolution prepared by City Mgr. Robertson, to be sent to the Michigan Public Service Commission regarding the limited service which is being furnished

to this community for space heating by Consumers Power Co. was presented, and it was moved by Canterbury, seconded by Ely, that this resolution be adopted and submitted to the Michigan Public Service Commission. Carried unanimously.

Motion was made by Stubbenvoll, seconded by Allen, that the case of Novi Twp. vs. the City of Northville regarding annexation, be appealed to the State Supreme Court. Carried unanimously.

A resolution prepared by Mgr. Robertson designating himself, as Purchasing Agent, to be the individual responsible for accepting Federal Surplus property and authorized to sign for and authorized payment from local funds for service charges to cover cost of transportation and operating expenses, was presented for action by the Council, and it was moved by Stubbenvoll, seconded by Ely, that this resolution be adopted. Carried unanimously.

It was reported that the Baxter property purchase agreement has been signed, which is over the \$1,000.00 limit; therefore it was moved by Allen, supported by Stubbenvoll, that following resolution be adopted:

WHEREAS, The City of Northville Council has determined that no advantage to the City would result from competitive bidding for the Baxter property, Lot 3 of Green Valley Acres, the requirement for sealed bids on same is hereby waived.

Carried unanimously.

Mgr. Robertson submitted the electrical fee schedule adjustment as prepared by George L.

Young, Electrical Inspector, and also reported that Mr. Young has requested a salary increase from \$75 to \$85 per month. Mr. Robertson stated that a meeting had been held last week with the electrical contractors doing most of the work in this vicinity, at which a number of problems were ironed out, and the adjusted fee schedule met with approval of these contractors. Upon the recommendation of Mr. Robertson, it was moved by Stubbenvoll, supported by Canterbury, that the fee schedule be adopted. Carried unanimously.

It was also moved by Canterbury, supported by Allen, that Mr. Young's salary be increased to \$85 per month, effective Dec. 1st, 1956. Carried unanimously.

Mr. Canterbury has asked to resign from the electrical board and Mr. Robertson requested that he be appointed to this Board to replace Mr. Canterbury. Moved by Canterbury, seconded by Allen, that this appointment be made. Carried unanimously.

Moved by Ely, supported by Canterbury, that the City Mgr. talk with Novi Township on division of assets. Carried unanimously.

Mr. Robertson recommended that \$50,000 of the General Fund monies be invested in 91-day U.S. Treasury bills. Moved by Ely, supported by Canterbury, that such investment be made. Carried unanimously.

No further business appearing, meeting was adjourned at 11:45 p.m.

(Signed) Mary Alexander, Clerk

## Problems Discussed At 'Parents Night'

Report cards, homework and students' reading habits were subjects of another "Parents Night" meeting of Northville parents and teachers last night. Also to be discussed was the question of why new students' grades sometimes decline after coming to Northville schools and whether that would indicate stringent scholastic standards in the local school system.

The teachers' panel included LaGene Quay, William Renard, Mrs. Gertrude Fey, Mrs. Violet Bradford and Merritt Meaker.

## Santa and Puppets At Optimist Party

Santa Claus and a puppet show, those special symbols of fun for children during the holiday season, will be part of the gayety of the Northville Optimist club Christmas party.

In addition to children of the Optimists, guest children have been invited. Harold Ramm, marionette artist, will present the puppet show for the kids at the December 19 affair.

## Photo Note

All slides from the recent photo contest in Northville are available at the Record office and should be picked up as soon as possible.

### BERTHA DONELSON LYON

Funeral services were held December 8 for Bertha Donelson Lyon, 2741 Novi road, who died December 5 at Mt. Sinai hospital in Detroit. Mrs. Lyon had been in failing health for the last year. She was born February 9, 1883, in Auburn Heights, Michigan, the daughter of Deaton and Dora Batherick Donelson. Her husband was the late Rev. Otto J. Lyon. Surviving is a son, Russell, of Oak Park and three grandchildren, Jimmy, John and David. Mrs. Lyon had lived in Novi for the past 20 years. She was a member of the Novi Methodist church and the John Shackett chapter of the D.A.R., Redford. Services were from the Casterline Funeral home, Rev. G. T. Nevin of the Novi Methodist church officiating. Burial was in Novi cemetery.

### ANDREW MCGILLIVRAY

Funeral services will be held Saturday at 10 a.m. from Our Lady of Victory church for Andrew McGillivray, who died December 9 at Wayne county general hospital. Mr. McGillivray was born May 17, 1884 in Canada. He was the son of Hugh and Anna Gills McGillivray. A retired guard from the Detroit House of Correction, he had lived in Northville for 33 years. His home was at 402 Randolph street. Surviving is a cousin, Mrs. Katherine McGillivray of Detroit. Father Wittstock will officiate at the Saturday services. Burial will be at 9 p.m. Friday at the Casterline Funeral home. Burial will be in Holy Sepulchre cemetery, Detroit.

## Brothers in Service Meet in Japan

Brothers Harvey and William Russell, sons of Mr. and Mrs. Frank Russell of Carpenter street, hadn't seen each other in over a year when they met in Nagoya, Japan last week.

Harvey is stationed in Honolulu with the Coast Guard weather ship Chataqua, and William is stationed in Nagoya with the air force where he is a radar operator.

After 21 days at sea, Harvey is spending his 14-day leave in Japan where he is the guest of William and the Fifth Air Force division.

Mr. and Mrs. Russell, with the aid of the navy, knew when Harvey would reach Nagoya and notified William so that he could contact his brother.

## Readers Speak Up: Says Tax Unfair

865 Grace Avenue  
December 10, 1956

To the Editor:

To the taxpayers of Oakwood Subdivision of the City of Northville and the taxpayers of Oakland County in Fractional District No. 2 (Northville School District):

We are in agreement that a new high school is needed, but under the present circumstances, it should wait until the taxes of the whole school district are adjusted to an equal basis for the whole area.

To be equalized at the present time, tax assessments are multiplied in Wayne County's school district by 1.07% and in Oakland County's portion of the Northville school district, assessments are multiplied by 1.82%. This means that all people in the Oakland County portion of the school district pay approximately 55% more school taxes than the people in the Wayne County portion of the Northville school district. And they call this equalization!

Example: One the new \$3,000, 000 bond issue, the 850 mills proposed to be assessed would cost Wayne County's taxpayers 850 mills per \$1,000, and the Oakland County portion approximately 13. mills per \$1,000. In other words, the Oakland County portion would be paying at all times, approximately 55% more school taxes!

According to the above figures, which have been checked against recent tax statements, the people of the City of Northville of the Oakland County portion of the Northville school district cannot afford to assume this unequal financial responsibility of the \$3,000,000 bond issue.

Please bear in mind that the above mentioned \$3,000,000 bond issue is merely for buildings and school site and does not include the operating expenses which will result in extra millage for the taxpayer!

## Concert Is Planned By Community Band

Members of the Northville school and community band have been hard at work since the end of the football season preparing for a concert to be given Tuesday at 8 p.m. in the community building.

Marches, overtures and other selections of a varied nature — from the "Finale" of Dvorak's "New World Symphony" to "Sleigh Ride" by Leroy Anderson — will be presented.

In addition to the regular band selections, special solos and ensembles will be presented. No admission will be charged, but a collection will be taken during the program.

## George Clark Opens Insurance Agency

George Clark, who recently opened the Clark Insurance agency at 106 East Main street, has announced that he will deal in fire, auto and casualty insurance and bonds.

The agency is located in the Northville Realty company building.

As preparation for his venture, Mr. Clark took insurance courses at Michigan State university. He is the former owner of the George Clark Hardware company, now the Northville Hardware.

# There's Christmas in the Air . . .

## Highlight of Yule Preparation Is Selection of the Right Tree

When Northville residents perform the ritual of selecting the Christmas tree, they might well remember that fragrance is one of the most noticeable features of an evergreen. All of the pines, the white pine in particular, have a very pleasing smell.

Firs also have quite a pleasing fragrance, but that of the spruce is sometimes objectionable.

But a tree without needles will give no pleasure — fragrant or otherwise — at all. If your tree often sheds its needles before you want to take it down, here are a few tips on the selection and care of your Christmas tree to help you get the most enjoyment from it.

Some trees hold their needles much longer than others. Red, white and Scotch pines have excellent needle holding ability. In the low humidity and high temperature of your home, you may expect these trees to hold their needles from the second week of December into January. Firs will hold their needles through the holidays; spruce are the first to shed their needles.

After you have decided whether a pine, spruce or fir best suits your needs, you must choose your individual tree. The most attractive tree is quite dense and has good balance. The setting for the tree will dictate what type of balance you need.

A tree with full sides and one rather flat side is perfect to use against a wall. A tree in a corner needs only two full sides while a tree in a picture window must have four attractive sides. A good

taper is also important. The sides of a perfect tree taper at a 30 degree angle from the bottom straight to the top. The more closely a tree resembles a symmetrical cone the more attractive is its shape.

A dark green to blue-green tree is the most beautiful, while a greenish-yellow tree may look pale. Watch for trees that look pressed together; they probably have been cut very early and stored. These trees are not fresh and will not be attractive.

Just a reminder that the average ceiling is eight feet high; when you have to cut the top off to make it fit, the tree looks chopped off. Unless you plan to cut the bottom off to use as foliage, buy a tree that fits the room.

After you choose just the right tree, take care of it. Cut one and one-half inches from the trunk and place the tree in a pail of water until you are ready to set it up. Use a stand which holds water to keep the tree fresh and safe, and replenish the water frequently. Water is as effective a fire retardant as the latex base sprays.

For the safest, most-attractive tree, make a wise selection and give it lots of water.

## Apple Wood Proves Best for Fireplace

Burning logs add a serenity to the indoor pleasures of Christmas. But there's a practical side to the fireplace blaze — so here are a few pointers on the purchase of fire wood.

Apple wood is one of the finest fireplace woods. It holds well in the fireplace and gives a lot of heat. Apple wood also has a very pleasant aroma.

If you like a crackling fire, white birch is what you need. Elm and aspen are rather poor burning woods, but oak is highly desirable.

Though limb wood is less expensive it is more porous and body or trunk wood is a better buy. You will get more units of heat from the trunk wood so you can use less of it. Bark removed at the sawmill is sold very inexpensively as slab wood. As a bargain product it is reasonably good. The thick bark and this wood burn with a smoky fire.

PUTTING THE FINISHING TOUCHES on her Christmas centerpiece is Mrs. Louese Cansfield of Dunlap street. This unique decoration is merely an inverted cake plate — trimmed with traditional pine cones, tiny Christmas balls and set off with a single candle.

## Time to Get Under The "Kissing Ring"

The gaiety in the air during the holidays can be even more fun with mistletoe — especially when it's made more attractive with a "kissing ring".

Wind an embroidery hoop or a circle of cardboard with white crepe paper or satin ribbon. Then cover the ring with colored tape or ribbon. Place the mistletoe spray in the ring and fasten it with a big bow at the top.

Suspend the kissing ring in a doorway, or arch — and let the mistletoe do the rest!

**CRANBERRIES FOR COLOR.** Hot Christmas muffins may be made by adding cranberries to any good plain whole wheat or bran muffin recipe that you have. Use the raw berries either ground or whole. Add about one cup of berries to two cups of flour.

**FOIL WRAPPED TURKEY** If you are planning to cover your holiday turkey with foil while it is baking, remember to use a temperature of 450-degrees F., or your turkey won't be done in time for dinner. To brown the turkey, remove the foil.

## Perk Up Gifts With Extra Trim

Package wrappings can literally add the "sparkle" to the Christmas atmosphere, even before the awaited day dawns.

Here are a few suggestions for making your packages distinctive and exciting — your choice of paper and ribbon can put a little of your own personality into each wrapping.

Wrapping packages in the same color scheme is very interesting; try using shades of pinks and reds together. Or, gold paper with accents of moss green is attractive. Remember, never have your paper fighting for dominance over the ribbon. The ribbon and paper should complement each other.

Cotton or rayon ribbon that will stick by moistening is now available on the market. Because there isn't any need to tie this ribbon, you can do much more with it. Free leaflets on how to make bows are available at most ribbon counters.

Much of your originality shows up in the trim you add to your packages. Children's gifts may have a pom-pom of ribbon or a candy cane or bells tied on them. Sequins or tinsel applied on a ribbon with rubber cement always add highlight to a gift.

Another decorative trim is made by outlining a cane or writing out a name with rubber cement on a wrapping paper and then dusting with glitter. This trim looks best on plain papers or foil paper and makes the package easy to pack for mailing.

Man's capacities have never been measured; nor are we to judge of what he can do by any precedents so little has been tried.

## Pre-stuffed Birds Must be Kept Cold

Wondering about the new pre-stuffed turkeys that are on the market now? According to Dr. Dena Cederquist, head of the foods and nutrition department at Michigan State university, they are safe up to the point they are sold and taken from the dealer. Your handling of them determines their degree of safety so remember to keep them under refrigeration at all times to prevent growth of food poisoning bacteria.

Dr. Cederquist also advises to take regular turkeys out of the refrigerator only if they are frozen and need to be thawed.

Winners

COLD WEATHER and snow didn't stop these hardy Novi school children from competing in the dog show sponsored by Mrs. Helen Moloney, Novi Community school fifth grade teacher. Pictured to the right holding their trophies (l. to r.) are Kathleen Casey and her toy collie, second smallest of show; Christine Boretti, with largest dog of show, a German shepherd and Sharon Hazelton, whose toy collie was termed "prettiest" of show. With the children is Mrs. Moloney, who arranged and conducted the show for pupils of the third through the sixth grade.

# Deadeye Mustangs Pick Up First Win by Dropping Holly, 76-66

## Sharp Shooting, Hustle Give Northville Victory

Deadly accurate shooting and plenty of hustle gave the Northville Mustangs a solid 76-66 victory over Holly Friday night in the opening league game for both schools.

In contrast to their off-and-on play against Plymouth the previous Friday, the Mustangs were sharp and fast as they outshone Holly on both offense and defense.

Northville came up with an amazing shooting average of 46 percent — a figure considered exceptional even for college and professional basketball. Northville connected on 34 of 74 shots.

High point man for Northville was forward Dick Biery with 21. At one point early in the game, Biery made six consecutive lay-ups before the Holly defense was switched to stop him.

Behind him came guard Bud Bell with 18, scoring 14 in the first half alone.

Northville jumped to an early lead, making the score 23-10 at the first quarter. By half time the margin had reached 45-26. And midway through the third quarter, the Mustangs led 61-41.

But with the game in the bag, coach Stan Johnston substituted freely and allowed Holly to close the gap. Holly outscored Northville 22-18 in the third quarter and 18-13 in the final period.

For the losers, center George McDaniel scored 24 and guard Amos Bradsher dumped in 19.

Johnston's strategy — to get ahead, force the opponents to come after the ball, and then sail in to the open center for a basket — worked well for the Mustangs. Time and again Northville opened up center court and went in to score.

With big 8' 8" forward Jeff Goodrich and center Bill Yahne controlling the backboard at both ends of the court, the Mustangs consistently bottled up Holly's efforts to get an offense going.

"If the team plays like this from now on," Johnston said, "we'll have no worries. They moved the ball, they kept control of it, they broke fast — and their shooting was next to phenomenal."

"Part of our defeat by Plymouth resulted from our failure to keep the ball moving," he added. "But against Holly, we ran fast and broke well, and after only a few minutes had passed we were able to move in for good shots."

The only department in which Holly had the upper hand was in free throws. Holly converted a surprising total of 20 of 28 tosses

from the foul line, while Northville made eight of 16 — a good effort in itself.

Neither team fouled out a man, though Goodrich came close with four and Bradsher for Holly matched his total.

Northville's shooting percentage of 46 percent was even more spectacular in the first half than in the entire contest, as the Mustangs dumped in 51 percent of their tosses — 20 of 39. In the third period they scored 43 percent and in the final quarter on 36 percent.

Holly, with the pressure on throughout the game, used only one substitute. Northville, on the other hand, used all 10 of its players.

### Coaches Rifleman At Military School

Rick Atchison, son of Dr. and Mrs. R. M. Atchison, 332 South Rogers, served as an assistant coach of rifle in the intramural athletic program this fall at Kemper Military school in Boonville, Missouri.

He is a letterman in the sport. He was given high recognition for his ability by Lt. Col. J. G. Kralovec, director of athletics.

Love for God and man is the true incentive in both healing and teaching.

### Cager of the Week

GUARD MAC BURNS is out to win his third letter in basketball this year. Injured last year, he saw limited action. But this year he is back in the starting lineup. A senior, he has won two football letters but did not play this year. He is the son of Mr. and Mrs. Gerald Burns, 401 Dunlap street.

### NHS Ball Players Meet In Germany

Two former Northville baseball team-mates recently met in Germany where both are stationed in the Army.

Lamar Nalley, who graduated from Northville high school in 1953, played for the Northville team with Kenneth Rowe, a 1952 graduate. Nalley was relief pitcher for Rowe in 1952.

The two met in Mannheim, a heavy industrial center on the Rhine.

The new is but the old come true, each sunrise sees a new year born.

## Northville Ties for First In Early W-O Standings

Northville joined three other teams this week at the top of the Wayne-Oakland league standings as six of the seven squads opened conference play last Friday.

Tied with 1-0 records are Northville, Clarkston and Brighton. Second division teams, with 0-1 records are Holly, West Bloomfield and Milford.

Clarkston at Brighton  
\*non-conference game

Clarenceville, at 0-0, has not played a conference game. Northville opened its conference season with a convincing win, 76-66 over Holly. Clarkston pulled a surprise by dropping defending champion Milford, 60-38. And Brighton, starting slowly, came on to conquer West Bloomfield, 48-41, in a low-scoring contest.

Clarenceville slipped by Farmington, 47-35 in the only non-league game of the night.

Results of Tuesday night's games appear on page 1. Scores and standings as of last Friday night are:

### STANDINGS

NORTHVILLE	1	0	0
Clarkston	1	0	0
Brighton	1	0	0

## Colts Wallop Holly, After Opening Loss

The Mustang Colts got off to a flying start in league competition last Friday as they overpowered Holly, 56-29, in a walk-away.

The junior varsity team had previously lost its first game of the season — a non-conference contest — against Plymouth, 48-35.

Against Holly, coach Al Jones' squad ran up a 29-7 halftime edge, and then — even with substitutes on the court for most of the second half — moved on easily to the victory.

High point men for Northville were Bob Starnes with 14, Fred Schwarze with 11, and Dennis Fallon with 10. All but three of the 14 Colts entered the scoring column.

Against Plymouth, Northville ran up a 12-6 first-quarter lead, but after Starnes fouled out, Plymouth began controlling the ball and finally built up the winning margin. Schwarze, with 11, and Starnes with 9, led the Colts.

## Free Press Picks Bob Wagenschutz To All-State Team

More football honors came to Northville last week as Mustang center Bob Wagenschutz was named to still another all-state team.

The Detroit Free Press picked Wagenschutz as its first team class B center.

The Free Press all-state squad, picked by high school coaches throughout the state, is regarded as official.

Wagenschutz had previously named to the Detroit Times second class B all-state team and to all-league and all-suburban teams by both the Times and Detroit News. Other Mustang players to receive honors included halfback Dick Biery and end Bill Yahne.

## ANNOUNCEMENT of OPENING

Northville's Newest  
INSURANCE SERVICE

Fire . . . Auto . . . Casualty . . . Bonds

TO BE KNOWN AS

**CLARK INSURANCE AGENCY**

AND LOCATED IN

Northville Realty Building

160 E. Main St. . . Phone 404 . . . Northville

TO ALL MY NORTHVILLE FRIENDS:

It is a pleasure to announce the opening of my new insurance agency and to ask you to stop in to say hello. For many months I have prepared for this business by studying company training programs, and by taking insurance courses at Michigan State University. I have devoted much time to the selection of the companies I will represent, and am proud to announce that I have chosen two of the oldest, largest, and best rated companies in the business; namely the *Aetna Casualty and Surety Company*, and the *United States Fire Insurance Company*. I will be pleased to put my P.S. (Personal Service) to work for you, for your family, your home, your car, your business.

Very sincerely yours,

George L. Clark

(Former owner of the George Clark Hardware Company, now known as Northville Hardware).

ALL THE OTHERS SIMPLY PROVE . . .

**The '57 Pontiac is  
America's Number 1 Road Car!**

Months ago, Pontiac set its '57 sights on producing an engineering classic—the greatest road car in automotive history! How well did they succeed? One answer is pictured here, the all-new '57 Pontiac itself, a car so advanced in concept that other new cars merely emphasize its outstanding design, its brilliant array of first-time features! The other answer is the public's response to this road-ruling beauty. From every quarter of the nation has come wave after wave of confirming praise. Praise for Pontiac's styling—its crisp, colorful lines and flowing contours that accent beauty built in, not hung on! Praise for new Level-Line Ride—the advanced suspension system that cradles you in cloud-soft comfort. Praise for Pontiac's ease of handling! Praise for the brisk and eager response of its all-new Strato-Streak V-8 engine! And underlying this tremendous voice of approval is the confidence felt in a car which has undergone the greatest road test in history . . . Pontiac's grueling 100,000-Mile Marathon Run! Yes, this year it's Pontiac all the way! Come in and see it! Come take the wheel of America's No. 1 Road Car!

IT'S COMPLETELY NEW FROM POWER TO PERSONALITY—COME IN AND SEE IT

## Madonna College Christmas Activities To Begin Tuesday

"Twas the week before Christ-  
mas, when all through the house  
every creature was stirring..."  
There will be many creatures  
stirring before the Christmas re-  
cess will silence the Madonna col-  
lege campus on December 18.

Highlighting the traditional  
Nativity celebrations will be the  
lighting of the outdoor crib next  
Sunday at 7 p.m. Mother M. An-  
nuncia, OSSF, president of the  
college board of trustees, will  
pull the switch that will light  
the manger scene greeting auto-  
gators on Schoolcraft highway.

Much stirring on campus will  
take place the following day. A  
candlelight procession will take  
place in the late afternoon.  
Leading the group with a can-  
dle lit from the sanctuary lamp,  
Theresa Sternicki, president, will  
direct the students to DeSales  
auditorium. Here, class presidents  
will extend their Christmas  
greetings.

College rings will mark the  
fingers of the seniors that same  
evening. Father James T. Shan-  
non, head of the theology and  
philosophy department, will be  
celebrant at the ceremony. The  
traditional Christmas dinner will  
follow.

"...the stockings were hung  
by the chimney with care..."  
And Saint Nicholas will certainly  
come next Monday evening as  
Madonnites exchange gifts be-  
neath the Christmas tree.

Preparing the way for the fes-  
tivities in the preceding weeks  
will be the annual Advent  
wreath ceremony. Unlike preced-  
ing years, the wreath will not be  
placed in the dining room but on  
the first floor hall of the dorm.  
The lighting of the candles and  
recitation of prayers will take  
place every evening before bed-  
time. Marjorie Krist, Sodality  
prefect, will direct the ceremony.

## from the PASTOR'S STUDY

By the Reverend Ivan E. Hodgson  
First Methodist Church of Northville

**THE LIFE**  
"Jesus saith unto him (Thom-  
as), I am the way, the truth, and  
the life: no man cometh unto the  
Father, but by me. This is the  
third article from my study on  
this text. Jesus was saying to  
Thomas that he was about to de-  
part and return to the Father,  
and that he might follow &  
enjoy it too, if he would have  
faith in His claims, 'as the  
one mediator between God and  
man (the Way), the one teacher  
authorized to reveal the things of  
God (the Truth), and the one au-  
thor of spiritual as of natural  
life (the Life).'"

Our thought for the day has  
elevance in the Advent of Christ.  
"In the beginning was the Word,  
and the Word was with God, and  
the Word was God...All things  
were made by him; and without  
him was not any thing made that  
was made. In him was life; and  
the life was the light of men."  
The main objective for the com-  
ing of Christ into the world was  
that men might obtain life. "I am  
come that they might have life,"  
said Jesus, "and that they might  
have it more abundantly." He  
was addressing people who had  
ample physical life with all of  
its appurtenances; yet, they were  
quite baffled at the special type  
of life to which Jesus made ref-  
erence. According to the Bible  
Jesus Christ is the author of all  
true life.

There are four distinct levels  
of life upon which man might be  
residing: (1) Vegetable life. Man  
is viewed as being merely a ma-  
chine. He is mostly what he is  
by virtue of heredity and envi-  
ronment. At times, he functions  
as an unconscious being. Some-  
times man's behavior is referred  
to in these words "He hasn't a  
brain in his head." A percentage  
of people residing in our institu-  
tions for the feeble minded is of  
this class. (2) Animal life. Here  
man would live almost entirely  
by glandular action and selfish  
ambition, with little sense of  
moral responsibility. If this were  
all that man was, he would not

be responsible for his acts. The  
little love that he demonstrated  
would find its counterpart in an-  
imal-horse's concern for its colt,  
or the male for its mate. The  
animal lives to eat. Paul speaks  
of just such people that, "serve  
their own bellies." (3) Moral life.  
This is the stratum of man's life  
where human behavior is con-  
trolled by some moral inhibitions.  
He expects to achieve the good-  
life by virtue of self-effort. He  
has been called a 'humanist,' or  
naturalist. He might be the man  
or woman in our community who  
makes a good neighbor, and is  
well respected among his fellow-  
men, but has never sensed 'his  
need of a change of heart through  
the power of the gospel of Jesus  
Christ. He has never recognized  
morality's debt to Christianity.  
Living on this plain means that  
the soul and body are active,  
while that part of man's being  
capable of loving and serving  
Him with a glad heart, the spirit,  
is dormant. He is described in  
the Bible as being 'dead in tres-  
passes and sins'. To the claims  
of the spirit he is dead. He cannot  
see beyond the skies nor within  
the confines of his own heart.  
(4) Spiritual Life, or the life of  
the God-fearing man. Any man  
that has any knowledge of God  
whatsoever should seek this life.  
To those who have witnessed the  
knowledge of the historic Jesus  
should feel forever condemned of  
living short of it. It is the life  
made real through the new-birth  
of the soul. The spirit of man  
must be quickened and trans-  
formed by the power of God un-  
til he is, indeed a Son of God in  
reality. This is the stratum that  
God would have us see and seek  
to live. Let us see how it works  
out in human conduct.

A few years ago I saw a car-  
toon representing the last three  
levels mentioned. The Animal  
Life expressed in human conduct  
is pictured by a minister inter-  
viewing an overly comfortable  
man, indifferent to God and man.  
This corpulent person is sitting  
in a comfortable chair with a big  
ogjar in his mouth and a glass in  
his hand. He is saying to the  
minister, "Sorry reverend—but  
I, etc." He is the man who does  
less for others than he would  
have them do unto him. The

Moral Life is depicted by the  
clasping of two hands in the con-  
ventional handshake. This is the  
Golden Rule Level—do unto  
others as you would have them  
do unto you. The Life of the  
God-fearing Man is pictured by  
a man holding the hand of a lit-  
tle girl, with pig-tails. Immedi-  
ately back of her is a mother  
with a baby in her arms and a  
man with a crutch. The servant  
of the Lord is here doing more  
for others than he would have  
them do unto him. The late Dr.  
Einstein expressed a great insight  
to a young man who was seeking  
his formula for success. This was  
his counsel, "Put more into life  
than you ever expect to take  
out of it." Was this not what  
Jesus meant when he said, "He  
that findeth his life shall lose  
it; and he that loseth his life  
for my sake shall find it." Isn't  
this the story of Van Dyke's  
"The Other Wiseman"? This is  
the meaning of Advent. THIS IS  
THE LIFE. Do we have it?

To awaken interest and kindle  
enthusiasm is the sure way to  
teach easily and successfully.

**HOW MANY TELEPHONE** companies beside Michigan Bell would you say there are in this state? Five, ten, fifty? More than that; a lot more. Actually there are 121 telephone companies here, and they serve some 250,000 subscribers. These phone companies, operating in

areas throughout the state, help to link your telephone to all the others in Michigan.

**IT IS OFTEN SAID** that the best gifts you can give are those you'd like to receive yourself. Wouldn't you like to receive, as a Christmas present, a bedroom or kitchen phone, or a phone for the den or workshop? Then wouldn't they make great gifts for Mother, Dad, or the teen-agers in your family? We can tell they've become popular as Christmas gifts because we're receiving more orders than ever before. And the cost is only a few cents a day after a small installation charge. To order beautifully packaged gift telephones for delivery before Christmas (to be placed under trees), just call your telephone Business Office.

**CHRISTMAS IS GETTING** closer and closer and you probably have a hundred and one things to do—presents to buy, holiday parties to plan, and lots of errands to run. Just the spot for your telephone to come to the rescue. You can shop around by phone and find out if certain items are still available and what they cost. And for planning holiday get-togethers, there's no faster, easier way than doing it by phone. Holidays and every day, there's just no end to your telephone's usefulness.

**Minutes of the Northville Board of Education**

The regular monthly meeting of the Northville Board of Education was held in the Board Room on December 3, 1956 at 7:30 p.m.

Present: R. F. Coolman, Robert H. Shafer, Nelson C. Schrader, Eural F. Clark, Superintendent R. H. Amerman, School Attorney James Littell.

Absent: Donald B. Severance.

Others Present: E. C. Mollema and John Van Haren, representing the Teachers' Club, James Schiefer, William Crump and Ray Gregerson, of the Citizens' Curriculum Committee, and Mrs. Terry Secord of the PTA.

The minutes of the last regular meeting and the special meetings of November 13 and 25 were reviewed, after which it was moved by Mr. Schrader and seconded by Mr. Shafer that these minutes be approved as written. Carried.

**Communications:**

Department of Public Instruction, requesting re-statement of board's policy on acceptance of non-resident students so long as adequate space might be available, also asking if this district is willing to consider further study of area reorganization of school districts, provided such is deemed to be desirable. Tuition payment in full from Salem District No. 1 Fr., \$1,024.10. Novi delinquent tax receipts, \$587.83. Boy Scouts of America, thanks for use of Community Center in November.

Board instructed Secretary Shafer to reply to the Department of Public Instruction that we would accept tuition students when space is available, and that we would also cooperate in a study of area reorganization needs if and when invited to do so.

Mr. James Schiefer, Chairman, presented a partial written report of the Curriculum Committee, with the statement that the final and complete report of this first phase of the study will be submitted in January.

Upon motion by Mr. Schrader and second by Mr. Clark, permission was granted for the senior class trip to Washington, D.C. on May 11 to May 16, 1957.

Treasurer, Clark reported receipts and balances as follows:

Cash received during month of November, 1956	\$53,815.18
Balance in General Fund, November 30, 1956	\$23,671.32
Balance in 1949 Debt Retirement Fund, November 30, 1956	\$5,791.63
Balance in 1954 Debt Retirement Fund, November 30, 1956	\$1,679.25
Balance in 1954 Building and Site Fund, November 30, 1956	\$1,335.72

It was moved by Mr. Shafer and seconded by Mr. Schrader that the report of the treasurer be accepted and that the following vouchers be paid: Bills, \$5,694.90; Payrolls, \$37,280.84. Carried.

President Coolman called a special meeting for December 6, 1956 at 7:30 p.m., to decide on the contents of a proposed booklet of factual material pertaining to the \$3,000,000 bond election on December 18, 1956.

Upon motion by Mr. Clark and second by Mr. Shafer, the meeting was adjourned at 11 p.m.

Mrs. French's fifth and fourth grades prepared a little skit showing how to use books for "Good Book Week". The children responsible were Dianne Eby, Judy Dye, Joe Dinsler, Patty Hilderbank, Zeola Neely, Violet McQueen, June Loynes, Steve Chishak, Jimmy Schingek, Regina Ferguson and Christine Martin.

**SIXTH GRADE NEWS**

Mrs. Salow's sixth graders, who arranged books for Book Display Week were Jeff Crawford, Bobby Taylor, Sharon LaFond, Dennis Paquette, Claude Earl, Carolyn Mairs, Candy Ronk, Virginia Pounders, Mike Deaton, Paul Rose, Barbara Wallace, Larry McCollum, Pam Harnden and Riekey Duvall while Claude Earl, and Jeff Crawford brought 25 books from their own library.

In the month of November there were three birthdays: Sharon Pounders, Kenny Hays and

Diana Harrawood.

Earl Collins III is now a pupil in Novi school. He is a transfer from Starkweather school, Plymouth.

Diane McCollum spent Thanksgiving with her grandmother in Rochester, New York.

Richard Shoemake went deer hunting with his family for two weeks in the Upper Peninsula.

Carol Newbegin visited her grandmother at Clifford over the holiday week end.

Gerritt Steenhagen went to New York with his family recently.

**SEVENTH GRADE**

Miss Peterson's seventh grade has a new pupil, Susan Collins, who recently transferred from a Plymouth school.

**EIGHTH GRADE**

Mr. McMillan's eighth grade class has a new pupil, Carol Simons. She went to Thurston school before coming to Novi.

You can see that Ford's longer, lower Sculptured Look makes other cars look downright old-fashioned. But the part you can't see—the new "Inner Ford"—is what shows its stuff when you drive a Ford. It's revolutionary from the wheels up! And it feels it.

Ford's wider frame lets you sit sweet and low. It lets Ford hug the roads because of its lower center of gravity. And Ford's new front suspension, rear springs and new easy handling are part of the scheme to make you think every road is cloud-smooth.

The magic touch of the new Ford power plants makes mountains disappear. What looks like uphill feels like downhill. You get this surging power in a wide choice of new Silver Anniversary V-8 engines. Or you can choose Ford's new, more economical Mileage Maker Six, the most powerful Six ever offered in the low-price field.

There's magic in Ford's price tag, too! You won't believe this big new Ford is still priced Ford-low. But it is. Come in and test the magic of the new kind of Ford. It's a real "Wizard of Ah-h-h-h's!"

## Nearly \$100 Given By Northville Pupils For Christmas Seals

Almost \$100 has been dropped into Christmas Seal canisters by students in Northville schools.

Canisters were placed in each of the school rooms in the elementary schools and in high school homerooms. Students were given ten seals and contributed what they wished.

Amerman school contributions totaled \$25.95, Main Street students gave \$38.92 and those at the high school \$30.70, a total of \$95.57.

## Students List 22 Reasons In Favor of Bond Issue

Students in Northville schools have cited 22 advantages to be gained in voting for the proposed \$3,000,000 bond issue next Tuesday, according to the Northville Teachers' club.

Club president Diana Lance has reported that students have listed these advantages as:

- opportunity to purchase a suitable site for a future elementary building so that children would be closer to home.
- an addition to the Amerman school would relieve congestion at the Main Street school.
- better lighting, heating, sanitation and equipment in the renovated old building.
- a richer program for the junior high.
- all high school classes in one building.
- adequate locker space.
- reduce danger of accidents by having more adequate passing space in everyday traffic and in case of fire.
- better location in that high school and elementary students will not be using the same grounds.
- relief of congestion on Main street during noon hours.
- better library facilities because of conference rooms, work room and storage room for magazine files.
- in home economics, more work area and equipment per student and increased work area for specific units of study.
- in science, more facilities for individual laboratory work.
- more opportunity to take courses offered in the commercial department.
- facilities for physical education much improved.
- lunch program much better because of cafeteria.
- practice rooms for both speech and band.
- because of space, a better developed cultural program.
- visual aids program will be much improved.
- the auditorium would permit scheduling better assembly programs.
- better possibilities to participate in before-audience activities.
- by having rooms and halls sound-proofed, would mean less distraction from outside noises.
- in the high school, the sanitary conditions, lighting and heating would be better.

PLEASE FOR A "YES" VOTE will be posted around Northville as the school bond issue election approaches. Here Susie Price (left) and Penny Niece show a couple of the posters made by NHS students. They are holding a poster painted by Nancy Lawrence, while Susie's is on the table.

## Junior High Students In Unique Program

The seventh and eighth grades may seem a bit confused but don't mind it.

It's just that every six weeks they are changing classes. Each student spends six weeks in art, music and either shop or home economics.

This gives them a chance to find out what the classes are like so they know what they want to take in future years. The plan seems to be very successful from all reports.

# SPECIAL SCHOOL ELECTION

NOTICE OF SPECIAL ELECTION OF THE QUALIFIED ELECTORS OF  
NORTHVILLE PUBLIC SCHOOLS

WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN

TO BE HELD

DECEMBER 18, 1956

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that a special election of the qualified electors of said School District will be held in the Northville Community Center, in the City of Northville, Michigan, on Tuesday, December 18, 1956.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK A.M., AND CLOSE AT 8:00 O'CLOCK P.M., EASTERN STANDARD TIME.

The following proposition will be submitted to the vote of the electors at said special election.

Shall Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan, borrow the sum of not to exceed Three Million Dollars (\$3,000,000) and issue its bonds therefor, for the purpose of erecting and furnishing a new high school and an addition to the new elementary school, acquiring additional land for site purposes, and remodeling the present high school building?

Each person voting on the proposition of borrowing and issuing the bonds of said School District must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months, and in the School District 30 days next preceding the election, and have properly assessed for taxes within the School District or be the lawful husband or wife of a qualified voter of the District having property so assessed.

Only persons registered as electors in the city or township in which they reside are eligible to vote.

Take Notice that the Board of Education has estimated the total expense of erecting and furnishing a new high school and an addition to the new elementary school, acquiring additional land for site purposes, and remodeling the present high school building to be Three Million Dollars (\$3,000,000), all of which it is necessary to raise by borrowing and issuing the bonds of the District.

This Notice is given by order of the Board of Education of Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan.

## Notice of Public Hearing

MONDAY, JANUARY 7, 1957  
8:00 P. M. — CITY HALL

Please take notice that a public hearing shall be held at the date, time and place described above on the following proposed amendments to the Zoning Ordinance for the City of Northville.

1. An amendment to Article 3 of said ordinance to provide for the furnishing of off-street parking facilities by individuals who shall hereafter erect new buildings, or shall materially alter or change the use of existing buildings within the city limits.

2. An amendment to Article 3 of said ordinance to specify the conditions and requirements under which the moving of old buildings into residential districts shall be allowed, together with the procedure for obtaining a permit for same.

3. An amendment to Section 11.04 of said ordinance enlarging the jurisdiction of the Board of Appeals and specifying what is required of said Board in the way of giving notice of hearings.

**PROPOSED ZONING ORDINANCE AMENDMENTS:**  
Please take notice that the following amendments to the Zoning Ordinance for the City of Northville shall be acted upon by the City Council following a public hearing, thereon to be held on Monday, January 7, 1957 at 8 p.m. at the City Hall.

**Amendment to Zoning Ordinance MOVING OF OLD BUILDINGS INTO RESIDENTIAL DISTRICTS**

The City of Northville Ordains: That Article III of the Zoning Ordinance for the City of Northville shall be amended by adding thereto the following:

Section 3.17 The moving of old buildings into residential districts may be permitted by the Board of Appeals in accordance with the procedure established in Article XI of this Ordinance, subject to the following conditions:

A. Application for a permit of this nature shall first be made to the Building Inspector who shall refer same to the Board of Appeals.

B. There shall be submitted to the Board of Appeals with the petition the following:

1. Eight inch by ten inch photographs on glossy paper of each of the four elevations of the building proposed to be moved.  
2. A site plan drawn to scale of location of the building at its new location, said site plan to show any proposed additions or enlargements.

3. Architectural drawings of the elevations as proposed to be reconstructed.

4. Brief specification of labor and materials proposed in reconstruction.

5. Eight inch by ten inch photographs on glossy paper of existing houses on each side and opposite the lot to which proposed building is to be moved.

6. Certificate of deposit of a cash bond with the City Treasurer of the City of Northville in the amount of One Thousand (\$1,000.00) Dollars, said bond to guarantee the structure will be completed in accordance with the site plan, specifications and architectural drawing within a period of six months.

C. That the Board of Appeals shall find:

1. That the structural frame of the building is sound and after reconstruction will have substantially the life expectancy of a new structure, and

2. That the proposed exterior finish and appearance will be in reasonable harmony with and will not depreciate existing residences within 200 feet of any of the boundaries of the site upon which said building is to be moved.

This amendment shall be effective ten (10) days after passage and following publication thereof.

### AMENDMENT TO ZONING ORDINANCE

The City of Northville Ordains: That the Zoning Ordinance for the City of Northville be amended as follows:

A. That Section 11.04 thereof be amended by adding thereto the following:

Section 11.04 JURISDICTION. The Board of Appeals may, in specific cases, after due notice and hearing and subject to appropriate conditions and safeguards, determine and vary the application of the use, height and area district regulations herein established, in harmony with their general purpose and intent, as follows:

(a) Interpret the provisions of this ordinance in such a way as to carry out the intent and purpose of the plan, as shown upon the map fixing the several districts accompanying and made a part of this ordinance and where the street layout actually on the ground varies from the street layout as shown on the aforesaid map.

(b) Permit the extension of a use permitted on the less restricted portion of a lot to the portion lying in the more restricted district, where a district boundary line divides a lot of record at the time of passage of this ordinance, provided that such extension shall be for a distance of not more than fifty (50) feet beyond the district boundary line in any case.

(c) Permit in an undeveloped R district the use of a building for commerce or industry including real estate, sign boards on the premises to which they apply, incidental to the residential development, such permit to be issued in the first instance for not more than one (1) year.

(d) Permit in an R-1 or R-2 District the alteration, arrangement and use of a large detached single-family residence, existing at the time of passage of this ordinance, as a residence for not more than four (4) families, when two thousand (2000) square feet of lot area is provided for each family, and when satisfactory evidence is presented that continued R-1 or R-2 use of such building or structure is an undue hardship and that such change of use will not be unduly detrimental to surrounding property.

(e) Permit the reconstruction of a building located in a district restricted against its use, when such building has been damaged by fire, act of God, or other calamity to the extent of not more than seventy-five (75) percent assessed value. Such reconstruction shall be completed within a period not to exceed one year from the date of such fire or other calamity.

(f) Permit the erection of a one or two family dwelling on a lot held under a separate and distinct ownership from the adjacent lots and of record at the time of the passage of this ordinance, even though such lot has less area than the lot area per family requirements and even though the side yard and rear yard depths are less than the requirements of this ordinance for the district in which such lot is located, the Board of Appeals having the power in each such individual case to specify acceptable side and rear yard depths with due consideration for the style of the dwelling to be erected, the shape and size of the lot and proposed location of the building thereon with relation to the boundaries thereof and with relations to buildings on the adjoining lots.

(g) Permit the erection and use of a building or the use of premises in any location for a public service corporation or for public utility purposes, and make exceptions therefore to the height and bulk district requirements herein established, which the board considers reasonably necessary for the public convenience and welfare.

(h) Permit the erection of a building to its full height as originally planned when foundations and structural members are designed to carry such buildings higher than permitted by provisions of this ordinance.

(i) PERFORM SUCH OTHER FUNCTIONS AS ARE DELEGATED TO IT BY THE PROVISIONS OF THIS ZONING ORDINANCE.

(j) Where there are practical difficulties or unnecessary hardships in complying strictly with the provisions of this ordinance, the Board of Appeals may, in specific cases, adjust any such condition in harmony with the general purpose and intent of this ordinance so that public health, safety and general welfare may be secured and substantial justice done.

### B. Section 11.05 — NOTICE OF MEETINGS

Notice of meetings of the Board of Appeals shall be given by first class mail to all owners of property located within three hundred (300) feet of the property owned by the applicant or applicant. Written consent and waiver of notice of hearing may be obtained from said property owners.

This amendment shall be effective ten (10) days after passage and following publication thereof.

## Golfers Plug for Daylight Saving

A MOVE TO ease Michigan's doctor shortage is in the mill at Wayne State University. The school's board of governors is proposing an increase in medical student admission from 75 to 125 a year.

The plan, already approved by the board, hinges on state allocation of additional operating funds for Wayne's medical college.

The most economical way to turn out 50 more doctors a year: While other plans call for the establishment of costly new facilities, the Wayne proposal requires only the money necessary for instructors, according to Dean Gordon H. Scott.

Both medical and non-medical groups are supporting the plan. The Michigan State Medical Society has endorsed the proposed increase.

Among the first of the non-medical groups in the state to urge the increased assistance to Wayne State is the Michigan Farm Bureau.

Clark L. Brody, the Bureau's executive vice president, recently announced that its membership adopted a resolution in support of the plan.

ANOTHER TRY to put Michigan on Daylight Saving Time may be made at the next meeting of the State Legislature.

Strangely enough, the current proposal, is said to have originated with a group of Detroit golfers who want an extra hour of daylight leisure in the evening. Retailers there are now adding their support.

Biggest objectors: Mothers who must round up the kids for bed while it's still daylight and farm-

ers who appreciate the sun in the morning rather than at night.

ARE MICHIGAN residents finally recognizing the danger? Safety experts are scratching their heads and crossing their fingers as they point out that traffic deaths in the state have turned downward for the first time in several years.

For the first 10 months of 1956, the road death total is 1,426, a saving of 188 lives over the same period for 1955. Provisional figures for November indicate an estimated 50 less deaths in the that month compared to a year ago.

The trend is nationwide. Deaths for 1956 traffic accidents are lower in almost every state, ruling out possible local factors. Safety officials hope their long campaign is bearing fruit.

More enforcement of moving traffic violations may be one of the factors promoting better driving. In Michigan the new speed limit, increased size of the State Police and a stepped-up enforcement policy are reflected in the year's traffic arrests.

For the first 10 months of 1956 State Police made 185,298 arrests for traffic violations — an increase of 47 percent.

More than 200 lives saved — almost 2,000 lives lost. That's the way the state's traffic record is shaping up for the year. The improvement is good, but much remains to be done.

For 1957, the Michigan Citizens Traffic Safety Committee is urging every motorist in Michigan to sign a safe driving pledge. Windshield emblems pledging

motorists to drive with care will be distributed by gasoline dealers who are members of the Michigan Retail Gasoline Dealers Association. Some 5,000 trucks belonging to members of the Michigan Trucking Association are joining actively in the campaign and will display signs reading, "Take the Pledge, Drive With Care".

The Committee warns that the winter months bring dangerous driving conditions and is asking the cooperation of every motorist in cutting down the death toll.

THE STATE MAY need its own Navy to settle the latest controversy in its home waters. Under attack is a business venture new to Michigan, the "Hotel" or floating hotel.

At the request of Gerald M. Eddy, director of the Michigan Conservation Department, the attorney general's office is seeking an injunction against the first float — the S.S. Western States, docked at Tawas City.

The question: Do floating hotels moored permanently in water above state held lands violate the law?

State officials believe there is a violation. Submerged land under the Great Lakes is controlled by the Conservation Department according to an 1899 law. One of the requirements: Protect the public interest.

The request for an injunction to prevent the operation of the S.S. Western States is based on the assumption that the ship is not for navigation. If not, it may be permanently and unlawfully occupying submerged lands in violation of the public interest.

It's a Whiz at Everything  
a car should do

It turns out that the 1957 Buick is far more than just a brand-new automobile.

It turns out that this new '57 Buick is winning the raves with a new kind of going and a new kind of stopping—a new kind of handling and a new kind of road sureness—a new kind of safety and a new kind of comfort.

We'll be specific.

When you press the pedal of a new '57 Buick, the response is literally instant . . .

Because the high-torque power of a new 364-cubic-inch V8 engine is delivered in the split of a second through a new full-range Variable Pitch Dynaflo\* that's immediate in its oil-smooth action.

When you brake to a stop, you and the car stay on a level plane . . .

Because an ingenious new ball-joint suspension in every '57 Buick virtually ends the down-in-front dip that cars have on sudden stops.

When you take a turn or swing into an "S" curve, you still hug the road like a streamliner on rails—

Because under you is a massive wide-frame new chassis that "nests" the whole car inches closer to the road with the lowest center of gravity in Buick history—yet with no change in road clearance.

And when you sit in the deep comfort of those soft wide seats, you can drive with the pleasant ease of a clear conscience, without watching the speedometer . . .

Because only in Buick today can you have an ingenious new Safety-Minder\* that acts as a warning sentinel for the miles-per-hour you preset for yourself.

There are many other new things that make this gorgeous Buick a car of limitless wonders—from the bigger and more rakish windshield that makes seeing more relieving, to the extra roominess that's so surprising in this beauty with the sports-car lowness.

But there's nothing like a firsthand sampling to know how modern the newest thing on wheels really is. Come in today for your meeting with the newest Buick yet.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety-Minder standard on Roadmaster, optional other Series.
