

D & R Seeks OK For Water, Sewers

A decision that may influence the future residential development of the Northville area faces the city council Monday night at its regular meeting.

A request from the D & R Building company for assurance that water and sewer facilities will be available for the development of approximately 200 homes on the Yerkes farm site has been made of the council.

The property is currently the center of a court controversy between Northville and Novi township following annexation to the city last June. It lies north of Baseline and west of Novi road.

If the property becomes a part of the city of Northville, the facilities would automatically become available. The possibility that it may revert to Novi township, however, makes the decision by the council unprecedented.

The building firm has announced plans to subdivide the property and construct modern \$15,000 to \$25,000 homes with paved streets, sidewalks, sewers and a water system. To obtain finances for the undertaking requires assurance that these facilities may become a part of the city's system, however. The company stated that it cannot delay the decision on the matter any longer.

"Not Guilty", Mrs. Chauvin Tells Court

A plea of "not guilty" to a charge of obtaining money under false pretenses was entered by Mrs. Yvonne Chauvin last Monday before Judge Frank Fitzgerald's circuit court.

The 65-year-old woman has been charged with obtaining nearly \$5000 under false pretenses.

Mrs. Chauvin, who has a long criminal record and 22 aliases, moved to Northville from the Detroit House of Correction last spring. She made headlines by fleeing Northville after allegedly bilking local residents of at least \$10,000.

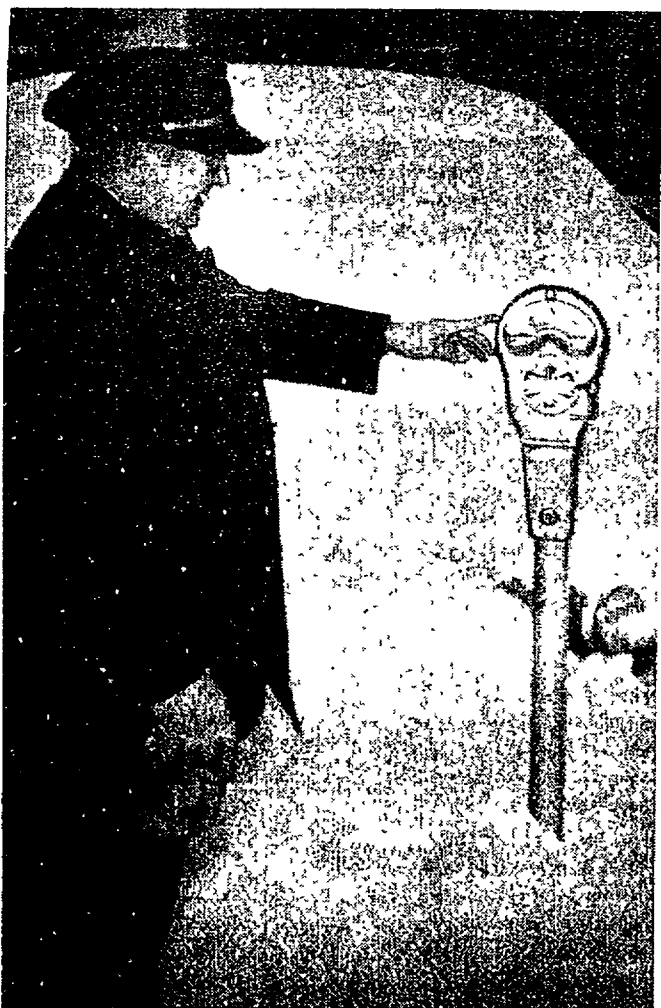

Apprehended in Parma Heights, Ohio in mid-December where she had taken a job as a maid, Mrs. Chauvin was returned for arraignment. According to Detective Jack Wooley of the Michigan State Police, she admitted her financial dealings but denied her take approached a reported \$80,000. Mrs. Chauvin was quoted as saying that she was "sorry for her swindles, but felt no remorse for her victims."

She is scheduled to appear for trial before Wayne county circuit court Tuesday, January 22.

District Governor To Visit Optimists

Optimist District Governor James Frans will be guest of the local club at its next regular meeting on January 23.

After the meeting details of the stage production "Northville, USA" will be discussed.

NO DOUBT about it, there's a car beneath that pile of snow! Police Sergeant Gil Glasson seems to be pondering whether its worth the effort to uncover the vehicle and issue an overtime parking ticket or just wait for the driver to return. Northville woke up under a white blanket last Thursday after an all-night nine-inch snowfall.

Northville Digs Out From Winter's Heaviest Snowfall

Old man winter hit Northville with vengeance last week as a reported nine inches of snow fell Wednesday evening.

While traffic was slowed down to a walk, city public works employees began an all night job of clearing the deluge. The terrific downfall was reported as the heaviest in the area in 40 years.

Temperatures also dropped below zero making clearing operations more difficult.

Public Works Supervisor Bud Hartner's crews were called out at 11 p.m. Wednesday evening. According to Hartner, they worked all night and through the next day to clear snow from city streets.

Biggest difficulty in the clearing chore arose from cars parked along streets. Final clearing of many streets was not accomplished until Wednesday, a week later, because parked cars blocked the path of the snow plows.

While there were no reports of major accidents due to the sudden snow, countless cars were stuck in ditches and heavy snow, banks and required towing services.

Only accident that could be blamed to the snowfall occurred at the Northville mill pond Saturday morning. A giant 8-ton road grader, being used to clear snow from the ice for skaters broke through the ice and had to be dragged out Saturday evening. Damages to the grader were slight. Hartner, driving the grader, jumped from the cab unhurt.

Use of the grader was employed after the smaller tractor, normally used for snow clearance on the pond, could not get traction behind the heavy piles of snow. An estimated one foot of ice was considered sufficient to carry the load of the grader.

The grader was removed Saturday at approximately 9 p.m. with a wench. Workers were able to fasten a tow line to a cable attached to the grader by Hartner before it sunk.

Local Jazz Group Planning Shows

The first appearance of a Northville jazz group, composed of members of the recreation department high school concert band, is today at the Bloomfield Hills high school.

An assembly is planned for the entire Bloomfield student body to hear the specialized group.

Numbers and arrangements will showcase individuals and sections of the band, larger than the dance orchestra and playing only jazz music.

RUTH ANN EDGIN, first baby of 1957 in the Northville-Novu area, rests undisturbed by all the attention with her proud mother, Mrs. Charles Edgin of 332 Yerkes and two brothers, Johnny Lee, 2, and Charles Ray, 3. Ruth Ann was born at 8:30 a.m., New Year's Day.

Ruth Ann Edgin Is First Baby

The first baby born to residents of the Northville-Novu area in 1957 is a girl — 7 pound, 8 ounce Ruth Ann Edgin.

The New Year's Day baby was born to Mr. and Mrs. Charles Edgin of 332 Yerkes at 8:30 a.m. in Beyer's hospital in Ypsilanti.

Ruth Ann not only won a host of prizes from eight Northville merchants, but she became the first daughter in a family of three children.

Her proud brothers are Charles Ray, 3, and Johnny Lee, 2.

Mr. Edgin is an employee of the Chevrolet spring and bumper plant in Livonia. He reported the birth to The Record office two weeks ago and has been hopeful since that his daughter would be the prize-winner.

The contest, first to be sponsored by merchants in Northville, was open to all residents of Northville and Novi. Contestants had until January 10 to report births. It was not necessary that the baby was born in Northville or Novi, only that parents resided in one of the communities.

Little Ruth Ann's early arrival in 1957 may have cost her parents a tax deduction for 1956, but it did bring these gifts from the following merchants:

A bonnet and matching sweater from Freydl's store for women; a bouquet for mother from Lawrence Mayer, Florist; a fork and spoon set from Tewksbury Jewelers; a set of baby scales from Gamble's; a blanket from S. L. Brader's; 16 half-gallons of milk from Cloverdale Farms Dairy; a case of baby food from E.M.B. Market, and from D & C Store, Inc., a pair of baby shoes.

Christmas Seal Sale Tops 1955 Total

Contributions to the Northville Christmas Seal Drive last month totalled \$335.23, announced this week by Mrs. J. W. Cheetham, chairman of the Woman's club project.

This amount topped last year's total by about \$20.

Mrs. Cheetham offers thanks to the following for making the drive a success: Miss Ruth Knapp, R.N., who headed the school drive; Sister Anita Marie of Our Lady of Victory school; Mrs. Leonard Howard at Maybury Sanatorium, Cub Scout Pack 721, who placed posters throughout the business district under the leadership of Francis Gazlay, and members of the Woman's club who staffed booths at the bank and post office.

New Dentist Opens Main Street Office

Dr. J. E. Harris of Ann Arbor opened his new office for the practice of general dentistry this week in the Northville Realty building.

A graduate of the University of Michigan school of dentistry, Dr. Harris practiced two years in the navy after graduation. He expects to continue living in Ann Arbor for a time before moving to Northville.

PSA Presentation For Camera Club

"Let's Peak Over Their Shoulders" — a tape recording and slide lecture from the Photographic Society of America will be presented at tonight's meeting of the Northville Adult Camera club by Lou Gibson and Lou Quitt.

The presentation of a field trip, the slides illustrate the endless possibilities in nature photography. Discussion of organizing a black and white group will follow.

Tonight's meeting begins at 7:30 at the Northville library.

JayCees Plan Polio Dance

Plans for the March of Dimes dance to be held January 26 at the Community building are in their final stages, Northville Junior Chamber of Commerce president Fred Kester announced this week.

Fred Stefanski, assistant principal of Northville high school, is JayCee member in charge of the dance. Tom Houghton and his band have been engaged to play for the evening, and refreshments will be served.

"We are hoping for a successful turnout," said Kester, "for we would like to make the dance an annual affair." He added that some of the spathy toward the polio fight, due in part to the availability of Salk vaccine, is unjustified in view of the many who are now fighting for recovery and persons still contracting the disease.

All proceeds of the dance will go directly to the March of Dimes fund. Tickets, at \$2.50, are available from any member of the JayCees or at the door.

School Board OKs First Bond Issue

At a special meeting of the Northville board of education Tuesday evening, board members voted to issue the first \$500,000 block of the total \$3,000,000 bond issue approved by voters in the December 18 election.

Approved at the polls last month were funds for a new high school and site, a rejuvenation of the present high school, an eight-room addition to the Amerman school, and the purchase of a site for a future elementary school.

Group Requests More Racing Dates At Northville Downs

Racing Commissioner James Inglis was considering this week a request for belated harness racing dates at Northville.

According to a spokesman at Inglis' office, an application was submitted last week by George McIntyre and William Brown in the name of the Michigan Trotting club seeking 30 nights of racing beginning October 7. The group has a lease on the track for that period.

Brown and McIntyre are well known figures in harness racing circles. McIntyre, who resides in Millington, formerly owned the Shigaw Racing Stables. Brown is a Detroit automobile dealer.

Northville Downs has been awarded 38 nights of racing to begin on April 18 and ending June 1. In past years Northville has enjoyed a late summer racing schedule.

Possibility that the new dates would be awarded appeared slim, although Inglis promised to take the request under advisement. An early decision is expected.

Exams Next Week For NHS Students

The accumulation of a semester's learning will be put to work early next week as Northville high school students prepare to take semester examinations on Tuesday, Wednesday and Thursday.

Thursday afternoon and all day Friday, teachers will wind up the semester marking examinations and preparing final grades for report cards. Registration for the new term, which begins January 28, will also be held these two days.

The driver education program of the high school will continue in full swing with another 75 students watching last semester's total. After February 1, Michigan law requires that anyone under age 18 must complete a driver training course to be eligible for a driver's license.

Under consideration now is a tuition-free summer school program, so that students who are unable to include the driving course in their schedules and local parochial high school students may complete the training.

Township Offers Library to City In Division of Assets

Ownership of the public library loomed last Friday night as the sole stumbling block standing between the city of Northville and Northville township and settlement of the division of assets between the governments.

Meeting in the township hall, representatives of the two bodies sought to reach agreement on the problem that arose when the city of Northville was incorporated in 1955.

An audit of township assets taken for the city revealed that, under a 55 to 45 per cent division for the city, the township would have to pay the city \$26,917.

Although minor questions arose concerning the division, the township announced general acceptance of the terms providing their interest in the public library could be sold to the city. According to Township Clerk D.J. Stark, the group proposed a tentative valuation of \$20,000 on the library. In approximate figures, this would deduct \$9,000 from the township's share so the city thereby dropping the amount to about \$18,000.

Under the present arrangement the city and township pay proportionate shares in Wayne county for the library and divide the cost of maintenance. Township officials contend that major use of the library is from the city and that the building is located on city property and therefore should belong to the city.

Tax Collections Hit Halfway Point, Treasurers Report

Tax collection figures for the city of Northville, Northville township and Novi township now average approximately 50 per cent of the total levy for the three areas.

Northville city treasurer A. Russell Clarke reports that \$80,622.61 of the total levy of \$150,025.82 or about 54 per cent, had been collected through January 10.

Roy Terrill, Northville township treasurer, announces that collections so far are slightly higher than a year ago, having collected about 45 per cent — \$55,821.13 of a total of \$123,619.08.

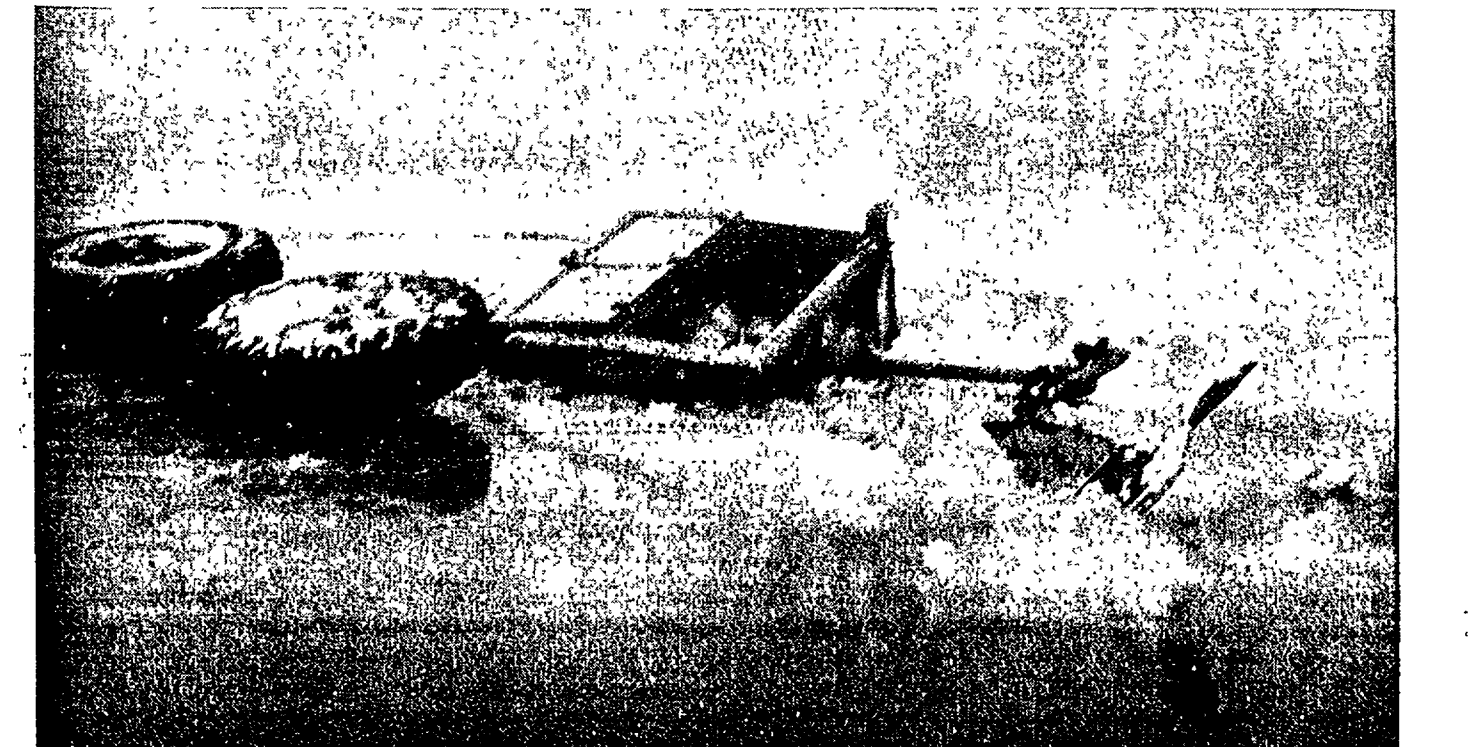

More payments than usual have been coming through the mail, according to Novi township treasurer Charles Trickey, Jr., who has collected \$162,389.70, about 50 per cent of the \$329,873.53 total. He adds that personal property taxes are now delinquent, but that real property taxes may be paid through February 28 without penalty.

To Open Jewelry In Blake Building

A new jewelry store prepared this week to open in the same location recently closed by retiring jeweler, Lucius Blake.

Harold C. Corbin announced that he would open a jewelry store and watch repair service as soon as new stock could be ordered and alterations made at 124 North Center street.

Corbin is from Montgomery county and has been doing watch repair work in Petoskey in recent years. He formerly owned a jewelry business in Detroit. He is married and has six children. The Corbins plan to move to Northville in the near future.

SUNKI Northville's eight-ton road grader really went to work and "dug-in" Saturday morning ending up right in the middle of the mill pond. Used to clear the pond of heavy snow for ice skating when the lighter tractor and snow plow failed, the

grader cracked through one foot of ice and slowly settled to the bottom. Driver Bud Hartner jumped out uninjured. To see the giant grader after it was removed, turn to page eight.

Northville Couples Celebrate Golden Years

1907-1957

OBSERVING THEIR GOLDEN WEDDING anniversary next Sunday will be Mr. and Mrs. Lewis Vradenburg, who were married on January 16, 1907. Though married in Detroit, the Vradenburgs have lived nearly all their lives in Northville, being descendants of some of the first settlers in the town. Their two children were born in Detroit and also live here in Northville — Albert, who lives on Walnut street, and Mrs. Walter Starnann, of Thayer boulevard. They are the proud grandparents of five. Their son and daughter are issuing a general invitation to an open house honoring their parents next Sunday from two to five at the Vradenburg's home, 435 Eaton drive.

1898-1957

MARRIED IN MONROE, Michigan on January 4, 1898, Mr. and Mrs. Peter J. Keller have lived in Northville 53 of their 59 years of married life. Nine of their 12 children are living. There are also 22 grandchildren and 29 great-grandchildren. Granddaughter Hester Keller baked a three-tiered wedding cake for their celebration on January 4 at the Stoneleigh road home of their daughter, Mrs. Elmer Heichman. The party was attended by 30 friends and relatives, who were also celebrating the tenth wedding anniversary of the Keller's son, Royal, and his wife of Fairbrook.

Book Reviews at Garden Club

Election of officers and a guest book reviewer rounded out last Monday's meeting of the Northville branch of the Woman's National Farm and Garden association at the Eight Mile road home of Mrs. Carroll Mulligan.

The incumbent officers of the club were re-elected: Mrs. Glenn Cummings, president; Mrs. N. K. Pattison, first vice-president; Mrs. Robert Miami, second vice-president; Mrs. Paul Schulz, recording secretary; Mrs. Carl Bryan, an, corresponding secretary, and Mrs. Merner Eilber, treasurer.

Three ladies were elected to membership: Mrs. Thomas G. Smith, Mrs. Charles Ratliff and Mrs. John Northup.

Mrs. Gail Jordan Tousey of the J. L. Hudson company speakers

bureau, was introduced by program chairman Mrs. N. K. Pattison. Mrs. Tousey presented an interesting array of books for bird and nature lovers, as well as books for gardeners, reading excerpts from several of them.

Among the many she suggested were —

—An Introduction to Trees, by John Kieran

—A Book of Wild Flowers, by Elso Felsko

—The Drunken Forest, by Gerald Durrell

—The Complete Book of Garden Magic, by Ray Biles

—Treasury of American Gardens, by Fitch and Rockwell

The garden club is planning to conduct a "Keep America Beautiful" or litter-bug campaign in the spring.

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."
—Samuel Johnson

Kay and Dale Sterling, children of Mr. and Mrs. Warren Sterling, will have a surprise to show sister Linda when she arrives from Cincinnati soon — a puppy named "Peppy". Linda is remaining to finish her semester exams in school.

It's taking a while to get the entire Warren Sterling family together in Northville, but by the end of the month they will all be reunited.

Mr. Sterling arrived last October, when he began working as a terminal manager for E. & L. Transport company. His wife and two of their children, Dale, 8, and Kay, 6, joined him December 28. Linda, 16, will be in Cincinnati,

where she is a junior in high school, until she finishes her semester exams. At the end of the month, she'll be with the family again and ready to start classes at NHS.

Linda Sterling

Mrs. Sterling, who was born in Michigan, finds that church work, sewing and summer gardening will fill most of her spare hours.

The family owns a boat, especially enjoyed by Linda and her dad. The younger members of the family are pretty well wrapped up now in a new beagle puppy, which they have christened "Peppy".

The Sterlings are now making their home at 40033 Eight Mile road.

Tuesday Book Club

The Tuesday Book club met this week with Mrs. Paul Schulz on Seven Mile road. Mrs. F. Alden Shaw reviewed "The Nun's Story" by Kathryn Hulme. This is the true story of a Belgian girl who entered a nursing order and was sent to the Congo where she found happiness in her work.

When she returned home, she was so torn between love of her country and her hate for the Germans that she was forced to make the very difficult decision to leave her order.

Local DAR To Observe Thirtieth Birthday Monday

The Daughters of the American Revolution theme, "Cherish and Maintain American Freedom", will be carried out by guest speaker J. Fred Van Dyke at the 30th annual birthday luncheon of the DAR at the Hotel Mayflower in Plymouth January 21. Mr. Van Dyke spent several months in Russia in 1932 as a representative of the Ford Motor company.

The celebration will be especially significant for charter members of the Northville-Plymouth chapter who are still active: Mrs. Henry E. Baker, Mrs. Carl H. Bryan, Mrs. Charles H. Garlett, Mrs. George Michelin, Ada Smith Murray, Mrs. Walter Nichol, Mrs. Sidney Strong and Mrs. L. Brant Warner.

BIRTHS

A baby girl, Wendy Denise, was born to Mr. and Mrs. John D. Wenker December 28.

Mr. and Mrs. Robert Conn of Plymouth avenue, announce the birth of a daughter, Barbara Sue, on January 6 at Garden City hospital. The new arrival weighed eight pounds, four ounces.

Mr. and Mrs. Stanley Orzechowski of Beck road, Novi, announce the birth of a son, Robert Harold, on January 12 at Sessions hospital. He weighed eight pounds, three ounces.

A baby boy, Larry Clifton, was born to Mr. and Mrs. Orvan Tharp of West Six Mile road on January 13. He was born at Sessions hospital and weighed eight pounds, eight ounces.

Mr. and Mrs. James Darling of Northville road, Plymouth, announce the birth of a son, James Edward, on January 11. Born at Sessions hospital, he weighed six pounds, six ounces.

A son, Roderick Eugene, was born to Mr. and Mrs. Eldon Horton of West Eight Mile road January 4. He was born at Sessions hospital and weighed five pounds, five ounces.

Mr. and Mrs. Kenneth Larkin of West Chicago in Livonia, announce the birth of a boy, Kevin Timothy, on January 4. Born at Sessions hospital, he weighed seven pounds, seven ounces.

Mr. and Mrs. Harold Wilson of Farmington announce the birth of a boy, Kem Alan, on January 7 at Sessions hospital. He weighed seven pounds, five ounces.

A daughter, Rebekah Jean, was born to Mr. and Mrs. Goble Lockard of Plymouth on January 10. She was born at Sessions hospital and weighed seven pounds, two ounces.

GIRL SCOUT TROOP 19

At their last meeting, Troop 19 went ice skating. A new girl, Gloria Wolanski, joined the troop. After skating, the girls went back to the Methodist church, where they had refreshments served by the troop committee.

BROWNIE TROOP 7

The troop meeting was at the Main Street school. Mrs. Johnson, the leader, was not able to be present because of weather conditions. Mrs. Burden, co-leader, was in charge. Christine Di- bert brought the treat which was enjoyed by the eight in attendance. Members started Brownie scarves, played games, and closed with the friendship circle.

GIRL SCOUT TROOP 11

At the last meeting of Troop 11, the following officers were elected: Carol Lemon, president; Maureen O'Brien, vice-president; Elsie Sedan, secretary and Sharon Johnson, scribe.

BROWNIE TROOP 4

This week Troop 4 made place mats for Brownies. Each girl was given a piece of yellow cloth, on which they drew any design and colored them. They put their name and troop number in the corners.

Artistic Program For AAUW Meeting

The January meeting of the AAUW will be under the auspices of the Arts group, whose co-chairmen are Mrs. F. D. Sober and Miss Irene Truesdell.

Through the use of concrete objects, a spotlight, a darkened room and the narration of Mrs. Sober, the "feel" and principles of color, line, volume and tone in both music and art will be conveyed to the audience.

One portion of the program will be a correlation between great paintings and music which complements each other. A selection of paintings by Vermeer, Van-Gog and Feininger will be used for demonstration purposes. A second portion of the program will feature Cynthia Mellen of Northville doing a modern dance with the use of flashlights to exemplify rhythm and line in the designs made by the lights. A third portion will feature one or two members of the group in the spotlight before easels painting to music with the use of big brushes and vivid colors.

Mrs. Woodrow Tichy of 1497 Penniman avenue, Plymouth, will entertain the group at her home this Thursday at 8 p.m. The co-hostesses will be Miss Irene Truesdell, chairman, and Miss Alice Demorest and Miss Alma Murphy.

Paying our way in Wayne County

New schools, new roads and other new developments spell progress in hundreds of Southeastern Michigan cities and towns. One way Detroit Edison helps in this progress of your community is through taxes.

For 1956, our local, state and federal taxes are expected to total \$37,500,000. More than 350 villages, cities and townships in Southeastern Michigan will benefit by about \$18,900,000.

Over \$7,000,000 of this amount will go to support local school districts alone.

The American system of business brings the highest standard of living and greatest development to our communities. By paying taxes, by being good citizens, Detroit Edison is a working partner in helping Southeastern Michigan grow and prosper.

A TYPICAL TRANSACTION IN WAYNE COUNTY AT THIS TIME OF YEAR.

Charles N. Williams (left), Detroit City Treasurer, receives Edison's tax check from Stewart L. Ferguson, Detroit Edison Treasurer. This is part of the \$13,061,500 in taxes Detroit Edison pays in Wayne County. Looking on is Anthony G. Mailhofer, Edison Director of Taxes.

Novi Lodges Install Officers

By MRS. LUTHER RIX
Phone Northville 245-J

The Rebekahs installed their officers at the Novi Community building Saturday evening. The following officers were installed by their own installing staff of officers:

Margaret Marshall, Noble Grand, Laree Bell; Vice Grand; Gertrude Enders, recording secretary; Nesby Button, financial secretary; Gladys Hayes, treasurer; Alice Waite, degree team captain; Rowena Salow, Lodge deputy; Ruth Woodworth, warden; Patricia Kahl, conductor; Irene Wendland, chaplain.

Sue Watson, right supporter to Noble Grand; Frances Denton, left supporter to Noble Grand; Lillian Trickey, right supporter to Vice Grand; Alice Hopkins, left supporter to Vice Grand; Thelma Cheeseman, Past Noble Grand; Grace Frisbie, outside guardian; Blanche Clertz, inside guardian.

The Novi Rebekah degree team put on the drill work at the end of the meeting. The hall was beautifully decorated with baskets of flowers and on the walls in pink and green were the letters F. L. & T. Nesby Button sang two numbers, "Bless This House" and "The Lord's Prayer" after which a buffet lunch was served. Kathryn Bachert has been elected vice-president of District No. 6.

I.O.O.F.

The Novi Oddfellow's officers were installed last Tuesday evening by the Plymouth installing team. Dinner preceded the installation. Earl Gray was in charge of the installing team.

The officers are Russell Button, Noble Grand; George Kahl, Vice Grand; Al Porritt, Jr., recording secretary; Mathew Staman, financial secretary; Hadley Bachert, treasurer; Ted Slentz, warden; Jack Kahl, conductor.

Erwin Martin, right supporter to Noble Grand; J. D. Mitchell, left supporter to Noble Grand; Fred Hayes, inside guardian; Alex Champion, outside guardian; Leslie Mitchell, chaplain; Bill Martin, right scene supporter; Frank Martin, left scene supporter; George Atkinson, right supporter to the Vice Grand; Glen Salow, left supporter to the Vice Grand.

Serving A Growing Community

Registrations Slow As Deadline Nears For Novi Primary

While interest in the February 18 primary elections and so-called "race track" rezoning issue was running high, new registrations were very low, Township Clerk Hadley Bachert reported this week.

"Since the November election we have recorded only four or five new registrations," Bachert stated Wednesday.

He emphasized that the final date for registration was Monday, January 21. "Although we are open for registrations from 8 a.m. to 8 p.m. on the 21st, citizens should not wait until the last minute," Bachert urged.

The clerk's office at the township hall is open from 2 p.m. until 5 p.m. daily except Sunday.

Clerk Bachert also redefined the precincts and polling places for Novi township voters. He reminded residents living south of 11-Mile road that they reside in Precinct 1 and vote in the Township Hall. Residents north of 11-Mile road are in precinct 2 and vote in the Community Building.

No Action Yet At School Crossing

President of the Novi Mother's club Mrs. Royal Snow reported this week that so far the group has been unable to take steps to promote safety for school children at the corner of Grand River and Novi roads.

The Mother's club has started action designed to obtain school-zone conditions at the intersection, where several dangerous accidents and near accidents have occurred recently.

The mothers are now waiting until they can meet with the township police department, Novi school officials and township board members for further action.

TREASURER CHARLES Trickey and Clerk Hadley Bachert (seated foreground) were targets of questions by an audience of 50 persons last Thursday evening at the Novi Township Board of Commerce meeting. The pair answered questions about governmental affairs in a session planned by the Board of Commerce to air issues in Novi. The meeting fell short of expectations when only members of the official family to attend were Trickey and Bachert.

Novi GOP Group Plans Open Meeting

Novi's newly formed "Republican Committee for Better Local Government" announced this week that candidates supported by their group will meet weekly at the Novi Community building.

Stan Balon, publicity director for the group, said the first meeting will be held this Thursday at 8:30 p.m. He said residents will be given an opportunity to question candidates and discuss their platform.

Wes Alcorn, chairman of the committee, earlier announced sub-committees set-up to serve the organization.

They are: Robert Anderson, Herbert Guntzwiller and Jim Newton, platform committee; Hadley Bachert, Ray Harrison and Gordon Promo, steering committee; Leo Harrawood, finance, and Charles Trickey and Balon, publicity.

Novi Cub Scouts Receive Awards

The Cub Scout pack meeting was held in the Community building Friday evening with pack leader Mr. Simenton in charge.

Each den gave a skit. Seven new boys joined the pack. They were Duane Probst, Larry Brugman, Robert Sprenger, Michael Schultz, Joe Loynes, Robert Harrison and Norman Krogg.

Wolf badges were given to Chas. Trickey and John Newton. Bear badges to Keith Crawford and Larry Long. Lion badge, one gold and one silver arrow, to Edward Brugman. Arrow awards, one gold and one silver to Ronald Ward. One gold and four silver arrows to Timmy and Terry Krug. Neckerchief slide award to Billy Mairs for selling tickets for Scoutarama.

Blue Star Mothers Install New Officers

Novi chapter No. 47, Blue Star Mothers, installed their new officers at the home of Mrs. Lanny Rix Monday evening. Past President Myra Ward installed the following officers: president, Lanny Rix; first vice-president, Alma Klaserer; second vice president, Maude St. Onge; recording secretary, Helen Hallaman; financial secretary, Alma Johnston; Elva Pennell; patriotic instructor, Ethel Smith; historian, Hazel Mandlik; parliamentarian, Myra Ward. Thyra Gardella is hospital chairman and Myra Ward on the Ways and Means committee. Other committees will be announced later.

Moral: Leap Before You Step

A decision to jump instead of step very likely saved the life of David F. Johnson, 8665 Brookville, Plymouth, Wednesday evening, January 9.

Johnson, driving a pick-up truck in a heavy snow storm, skidded into a utility pole on Novi road near the C&O railroad. The crash caused a power line to fall on the truck causing extreme arcing and charging the truck.

According to Novi Police Chief Lee BeGole, Johnson jumped from the truck to safety. BeGole said Detroit Edison officials reported that Johnson may have been electrocuted had he stepped to the ground and maintained contact with the truck.

Johnson was treated at Sessions hospital in Northville, for an injured knee. Damage to the truck amounted to \$600, BeGole said.

In Willowbrook: Committees Need Volunteers

Mrs. John Parent
GR-4-2060

The Willowbrook Community association has set up six committees to carry out our program. As everyone was not able to be present at the meeting, we would like to tell you about the committees and ask for more volunteers. A member of the board will serve on each committee and at a later date a chairman will be elected.

Membership Committee: The purpose of this committee is to secure new members and the annual soliciting of dues. The board member to contact is Bob McOlelland, 23672 East LeBost, GR-4-8514.

School Committee: John Hood, 40921 Mooringside, is the board member to contact. His telephone number is GR-4-0331.

Public Works Committee: A.L. Diebel, 23640 East LeBost, GR-4-7691, is the board member. This committee deals with proper maintenance and public service. This includes the paving of streets, collection of rubbish, proper place and fire protection.

Restrictions Committee: This has to do with the rigid enforcement of building restrictions, zoning ordinances and building codes. You can contact Bob Flattery at 24367 LeBost or phone GR-4-0312.

Entertainment Committee: Irene McCormick, 41024 McMahon, serves on this committee. If you would like to join call Irene at GR-4-7553.

Program Committee: This group is responsible for the refreshments at the general meeting. The board member to contact is Betty Johns, 24280 Coral Lane, GR-4-0600.

Choose the committee you would like to serve on and call the board member.

Home from Orlando, Florida are George and Jane Marinoff of LeBost drive. They drove down with Jane, Eddie and Mr. and Mrs. Otto Batur of Unip Lake to visit Jane's brother.

On the sick list are Mrs. James Bruce of East LeBost, who has pneumonia, and Mike Barnes of Mooringside, who has chicken-pox.

Elizabeth Ferguson of LeBost drive had her daughter and son-in-law, Betty and Joe McMasters of Garden City for dinner Sunday. Last week end Marion and Karl

Clerk, Treasurer Voice Complaints In Quiz Session

An attempt by the Novi Board of Commerce to hold an open meeting for the purpose of firing questions at township officials fell somewhat short of its mark Thursday night at the Novi Community building.

Although approximately 50 residents were on hand for the question session, Clerk Hadley Bachert and Treasurer Charles Trickey were the only officials there to give the answers.

George W. Leiter, Saratoga Manager, Dies in Car Crash

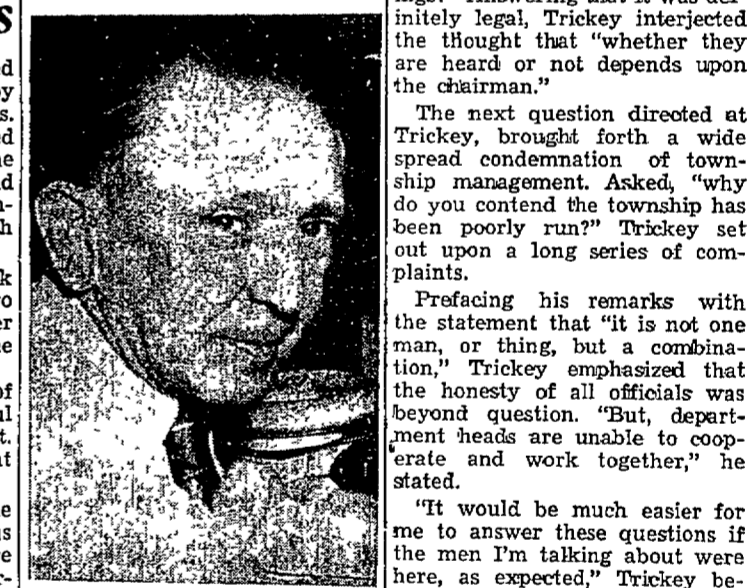

Funeral services were held Monday morning in Detroit for George W. Leiter, manager of Saratoga Farms in Novi, who was killed in an automobile accident Thursday afternoon.

Leiter, driving a borrowed car, skidded into the path of a Northville State hospital truck at Newburg and 7-Mile roads in Livonia. He was apparently unable to stop as he was traveling south on Newburg at the 7-Mile intersection. Heavy snows the evening before had made roads slippery.

Thrown from the car, Leiter was taken to Mt. Carmel hospital suffering internal injuries. He was pronounced dead at 2 p.m., approximately 40 minutes after the accident.

Leiter had been food manager at Saratoga Farms since 1951. He resided next to the restaurant at 42050 Grand River. When the accident occurred, Leiter was enroute to Livonia on business. He had borrowed the car of Mrs. William Lovett, an employee of the restaurant, when his car failed to start.

He was 59 years old and had been a resident of Novi for 10

GEORGE W. LEITER

years. He had taken an active part as a member of the group interested in establishing a race track in Novi.

Funeral services were held at the Ted C. Sullivan funeral home with the Reverend Lewey Hamner of the Fundamental Baptist Temple conducting. Burial was in his hometown of Delta, Ohio. He is survived by Donald Leiter, a brother of Detroit, and Mrs. Rollie Barnett of Redford, a sister.

Boys Admit Damage At Amusement Park

Two Walled Lake youngsters confessed to Novi police that they had broken into a storage shed at the amusement park last week end.

According to Novi Police Chief Lee BeGole the youths, ages 13 and 14, used BB guns to destroy 30 yellow bug-proof bulbs, 10 light bulbs and a window sash. The youngsters were released to their parents, who paid damages.

Board of Commerce Plans Ladies' Night

Plans for a Ladies' Night on February 2 were announced last week by the Novi Board of Commerce. Dinner, music and dancing will be featured at the annual event to be held in the Novi Community building.

All members and wives will be urged to attend.

MEMBERS of the Novi Board of Education met for the first time as the governing body of the newly formed Novi Community School District last week and discussed organizational plans of the enlarged district. Shown above in session are: (l. to r.) Superintendent William Medlyn, Kenneth Bernard, Mrs. Georgia Larson, Board President James Mitchell, Arthur Heslip and Jack Crawford.

NEW OFFICERS for 1957 were elected last Thursday evening at the Novi Board of Commerce meeting. Past President Leo Harrawood, (far right) is shown congratulating his successor, Dirk Groenenberg. Left to right are: Walter Thompson, secretary; Jack Crawford, treasurer; Groenenberg; Dr. H. L. Morris, trustee; Ray Harrison, vice-president; and Tom Arnold, trustee. Harrawood becomes a trustee of the organization.

Suffers Pneumonia

Arthur Loynes, 26560 Taft road, is confined to Sessions hospital in Northville with pneumonia. He was admitted Tuesday.

NINE WERE HOMELESS this week in this Novi township fire which destroyed the home of Mr. and Mrs. Gratis Payton and their seven children, at 45689 West road. Firemen had the blaze under control at one time, but tanker trucks ran out of water and the building burned to the ground.

After a Cold - Bed Rest Is the Only Cure

Northville mothers — fathers — well, everyone, because none of us are immune to the winter plague of colds — take heed! There's very little that the traditional hot toddy or any other treatment except bed rest can do for a cold.

That's the word from Dr. F. S. Leeder, disease control director for the Michigan Department of Health.

"The common cold probably will be with us for many years to come," Dr. Leeder said. "We know that groups of viruses cause the colds but we don't know exactly how. About all we can do it to avoid upsetting the body's equilibrium and go to bed as soon as a cold starts. Hot toddies and other home remedies provide no benefit."

Colds usually occur in three ways in Michigan — first after the season's initial severe temperature drop in late October or early November, then again around Thanksgiving or Christmas and for the third time in

the early spring. Temperature drops have no direct effect on the viruses, Dr. Leeder said. But they do lower a person's resistance and indirectly enable the virus to invade the human body through the mucous membranes of the nose and throat.

"Anything that upsets the body's equilibrium such as a sudden chilling, fatigue, overeating or emotional upset causes a drop in the mucous membranes' resistance to the cold virus. The result," Dr. Leeder said, "is that another person falls victim to a cold."

Colds are most infectious during the first 24 hours after onset, Dr. Leeder said. Effects of the virus and after 48 hours. Then secondary bacterial infections take over. Two types of cold are recognized: The sneezing and nasal variety of the fall and spring, and the winter type with symptoms of sore throat, irritated nasal membranes, and inflamed eyes.

"Vaccines which may afford protection against colds are now available," Dr. Leeder said, "but most scientific workers doubt that the vaccines will give more than temporary protection. Colds work on the surface of the respiratory system and do not create a long-lasting immunity."

Antibiotics so far haven't been effective against the viruses although they do offer relief against the bacteria causing secondary infections. "The average Michigan resident misses three days of work or school each year because of colds," Dr. Leeder said. He said the best way of avoiding colds and lost time is to keep in good physical condition, maintain the body's health equilibrium and avoid sudden temperature changes.

Avoiding contact with persons who have colds will help but it isn't a surefire guarantee because colds can be transmitted by persons who are non-symptomatic carriers of the cold viruses.

Minutes of the Board of Education

January 7, 1957

The regular monthly meeting of the Northville Board of Education was held in the board room at 7:30 p.m. on January 7, 1957.

Present: Robert F. Coolman, Robert H. Shafer, Nelson C. Schrader, Donald B. Severance, Eural F. Clark, Superintendent R. H. Amerman.

Absent: None. The minutes of the last regular meeting and the December 21 special meeting were reviewed after which it was moved by Mr. Schrader and seconded by Mr. Clark that these minutes be approved as published. Motion carried.

Communications: 1. Request from Mrs. Ruth Haskins that their daughter be excused from further school attendance.

2. Department of Public Instruction approving a cooperative children's art program on an international basis.

3. Dr. William Emerson, Oakland County Superintendent of Schools and State Superintendent of Public Instruction congratulating Northville on the success of the recent School bond election.

4. Michigan National Bank advising that interest rates on savings will be 3% as of January 1, 1957.

Treasurer Clark reported receipts and balances as follows: Cash received during month of December, 1956 - \$17,429.82

Balance in General Fund, December 31, 1956 - \$2,367.34

Balance in 1949 Debt Retirement Fund, December 31, 1956 \$5,934.93

Balance in 1954 Debt Retirement Fund, December 31, 1956 \$1,932.55

Balance in 1954 Building and Site Fund, December 31, 1956 \$1,335.72

Upon motion by Mr. Severance and second by Mr. Schrader the report of the treasurer was accepted.

Auditing Committee approved the following vouchers for payment: Bills \$6,134.62

Payrolls \$37,377.72 Moved by Mr. Severance and seconded by Mr. Schrader that the above bills and payrolls be paid. Carried.

Motion by Mr. Severance and seconded by Mr. Schrader that Shirley Haskins be excused from school attendance as per her mother's request. Carried.

The board gave considerable attention to the procedures for marketing the recently approved bond issue and the approval of the architects drawings and specifications for the new building. It was agreed to meet with the architect, Mr. Welch, on Wednesday evening to consider a timetable for construction, review of cost estimated and other details relative to the building program.

At a later date the board will then meet with the bond attorney, Mr. Fred Thrun, and determine the schedule for the sale of bonds as needed.

Mr. James Littell reported that he had reached an agreement with Manning and Locklin for the purchase of the high school site and submitted the same for their approval.

Mr. Severance moved that the president and secretary be authorized to enter into an agreement with Manning and Locklin for the purchase of approximately 41 acres in the S.W. 1/4 of Section 34 T 1 N R 8 E Novi Township, Oakland County for a high school site for the aggregate purchase price of \$72,916. Mr. Clark seconded the motion. Carried.

Upon motion by Mr. Severance and second by Mr. Shafer the meeting was adjourned at 11:20 p.m.

Robert H. Shafer Secretary

AMENDMENT TO ZONING ORDINANCES City of Northville

MOVING OF OLD BUILDINGS INTO RESIDENTIAL DISTRICTS

The City of Northville Ordains: That Article III of the Zoning Ordinance for the City of Northville shall be amended by adding thereto the following:

Section 3.17. The moving of old buildings into residential districts may be permitted by the Board of Appeals in accordance with the procedure established in Article XI of this Ordinance, subject to the following conditions:

A. Application for a permit of this nature shall first be made to the Building Inspector who shall refer same to the Board of Appeals.

B. There shall be submitted to the Board of Appeals with the petition the following:

1. Eight inch by ten inch photographs on glossy paper of each of the four elevations of the building proposed to be moved.

2. A site plan drawn to scale of location of the building at its new location, said site plan to show any proposed additions or enlargements.

3. Architectural drawings of the elevations as proposed to be reconstructed.

4. Brief specifications of labor and materials proposed in reconstruction.

5. Eight inch by ten inch photographs on glossy paper of existing houses on each side and opposite the lot to which proposed building is to be moved.

6. Certificate of deposit of a cash bond with the City Treasurer of the City of Northville in the amount of One Thousand (\$1,000.00) Dollars, said bond to guarantee the structure will be completed in accordance with the site plan, specifications and architectural drawing within a period of six months.

C. That the Board of Appeals shall find:

1. That the structural frame of the building is sound and after reconstruction will have substantially the life expectancy of a new structure, and

2. That the proposed exterior finish and appearance will be in reasonable harmony with and will not depreciate existing residences within 200 feet of any of the boundaries of the site upon which said building is to be moved.

This amendment shall be effective Jan. 18, 1957.

The following is a summary of the amendment to Article 3 of the Zoning Ordinance which will become effective on Jan. 18, 1957. Complete copies of the text of this amendment may be secured from the City Clerk's office.

"All new buildings and altered uses of buildings must comply with the off-street parking requirements of this amendment. The Ordinance sets up criteria for determining the amount of off-street parking required for various types and uses of commercial, industrial and residential buildings. Also, specifications are outlined pertaining to the requirements for off-street parking facilities."

The following is a summary of the Amendment to the Zoning Ordinance Article II, effective Jan. 18, 1957.

This amendment provides for written notice by the Board of Appeals to property owners within 300 feet of a property in question.

Copies of the full text of this amendment may be secured at the City Clerk's office.

Third Class Marvin R. Traxler White Sands Proving Ground, New Mexico — Army Specialist Third Class Marvin R. Traxler, son of Ray E. Traxler, 4154 Alston street, Walled Lake, recently returned to White Sands Proving Ground, New Mexico after five-months temporary duty in Canada.

Specilist Traxler's unit, the White Sands Signal Corps agency, helped install radar and communications systems to support the International Geographical Year missile firing scheduled to start in July.

The 20-year-old soldier, a plotting board operator, and technician, entered the army in 1954 after graduating from Jonesville high school. He received basic training at Ft. Chaffee, Arkansas.

Pvt. Gerald Kachenko Army Pvt. Gerald M. Kachenko, 20, son of Mr. and Mrs. Wil-

liam Kachenko, 28750 Plymouth road, Livonia, recently participated with the 8th Infantry Division in "War Hawk," a field training exercise in Germany.

Kachenko is a combat construction specialist in Company B of the division's 12th Engineer Battalion.

The 1954 Bentley high school graduate entered the Army in April 1956 and completed basic training at Fort Carson, Colorado before arriving overseas in November.

Teen-age group is very slow to get protection of Salk vaccine, despite fact they make up 15 percent of all polio patients. In California this fall (1956), only 7 out of every 100 in the age group 15 through 19 had received any vaccine at all. In New York City fewer than 10 of every 100 had received it.

THE BIG SNOW didn't stop members of the Northville high school student council who braved the cold and wet to sell "peanuts for polio" last Saturday. Urbain Ferrault of Beck road paused for a moment on Center street to buy from Dave Adams. Peanuts were also sold at Friday night's basketball game.

Books at Glance

From Northville Wayne County Library

NON-FICTION

Complete Guide to Florida, by Andrew Hepburn. Careful planning for your winter vacation will result in more fun and savings. With maps and photographs, this pocket-sized book gives information on where to go, what to see, what to do, how to get there, where to stay, where to eat — and how much to pay.

Mexico Revisited, by Erna Fergusson. Cold weather means thoughts of warmer places — and though this is not a travel guide, it may give you a new idea for that winter vacation. The author drove over 20,000 miles in Mexico — from border to border and from the Pacific to the Gulf — in preparation for her book.

Men in Arms, by R. A. Preson, S. F. Wise and H. O. Werner. A history of warfare and its inter-relationships with western society — for the general reader as well as those with a strong background in history.

The Inside Story, by Robert J. Donovan. With new and previously unpublished information obtained through access to cabinet officers, key men and other sources, the author deals with the workings of the Eisenhower administration.

FICTION

King of Paris, by Guy Endore. A biographical novel, this story of Alexandre Dumas portrays the life of a man whose adventures were as thrilling as the characters he created including The Three Musketeers and the Count of Monte Cristo.

The Empty Nest, by Josephine Lawrence. A novel of a woman who decided to begin working after her two children married and began homes of their own.

Our Valiant Few, by F. van Wyck Mason. A master of the historical novel, the author now tells of the American Civil war on the sea — the ports of Charleston and Savannah struggling in the grip of a Union naval blockade.

The Rival Shores, by A. R. Beverley-Giddings. Another historical novel, set in the Tidewater section of Maryland in the days just prior to the American Revolution.

CHILDREN'S BOOKS

Mission to the Moon, by Lester DeL Ray. A science fiction novel of how the first trip to the moon will be made — when it finally does take place.

For the very young reader — *Secrets and Surprises*, stories of a little girl's adventures after moving to a new town.

The Little Fire Engine, by Lois Lenski. The youngster's favorite, Mr. Small, tells how fire are put out and people saved by firemen.

EXTRA TRACTION. With the all-wheel traction of its 4-wheel drive, the Universal 'Jeep' travels through mud, sand, soft earth.

MOBILE POWER. With power take-off, it provides power to operate trenchers, winches, and many kinds of farm and industrial machinery.

TOWING. Towing heavily-loaded trailers — on or off the road — is easy for the 'Jeep', with the extra traction of its 4-wheel drive and low gear range.

HAULING. The 'Jeep' carries up to a half-ton of cargo or up to seven passengers. Takes tools, equipment and workers wherever you need to go.

Only the 'Jeep' does all these jobs!

The time-tested Universal 'Jeep' spreads its cost over jobs like these and an almost endless variety of others every day of the year. This versatile vehicle gives you additional savings through long life, low upkeep and high resale value.

Crash Victim Home To Board of Realtors

William Gaab, Jr., who suffered severe injuries in an automobile accident in Plymouth September 2, returned to his home at 105 Fairbrook last week. Gaab, hospitalized for more than four months, was a passenger in the car which left the road and overturned on Canton Center near Joy road. Donald L. Johnson, 23, of Plymouth was killed in the crash, while Dennis Curl of Northville was injured.

Name D. J. Stark To Board of Realtors

At the January meeting of the Wayne County Board of Realtors, D. J. Stark was accepted as the first new member of 1957. The board is affiliated with the National Association of Real Estate Boards and the Michigan Real Estate Association. Stark has been active in real estate sales in Northville since his retirement last April as assistant postmaster. The Board of Realtors has members in Plymouth, Wayne, Belleville, Inkster, Livonia, Garden City and Romulus as well as Northville. The Northville members are L. M. Eaton, Donnell Merritt and Garrett Barry.

Plymouth Girl Injured in Accident

A tobogganing accident at Kensington park Sunday resulted in a broken back for Patricia Gronowick, 19-year-old Plymouth girl. Miss Gronowick is now in University hospital, Ann Arbor, where she will have to remain for at least six weeks.

Christian Vocabulary!

Each issue of the Readers Digest carries a test of the reader's vocabulary for the purpose of improving his knowledge. Allow me to place before you words, or phrases which are common among true Christians. I wonder how many you can recognize and define in the light of scripture. Test yourself — () Justification by Faith () Sanctification () Regeneration () Saved () Rapture () Great Tribulation () Millennium () Repentance () Election () Predestination () Backsliding () The Virgin Birth () Law and Grace () Dispensations () Trinity () Anti-Christ () Sovereignty of God () Free will of man. () Saving Faith () Heaven () Hell () Believers Judgment () Great White Throne Judgment () Judgment of the Nations.

There you have twenty-four words or phrases that ought to mean something to you if you are an informed Christian. How did you rate? If you rated less than half, it probably would be a good idea to get a good reference Bible, a book on Simple Christian Doctrine and start paying attention during the sermon!

Fluoride Program Begins in February

A letter is being sent home this week to parents of pre-school, second, fifth and eighth grade children of Northville inviting participation in sodium fluoride treatments for their children's teeth beginning February 4.

For the past six years, the program has been conducted during the summer. This will mark the first time treatments will be given during school hours. The program has the approval of local dentists, the P-T-A and mother's clubs. A graduate dental hygienist, Mrs. Patricia Wright, will give the series of four treatments. A fee of four dollars is required prior to treatment for her services and the cost of supplies.

Children of Our Lady of Victory school and the Northville Co-operative Nursery are invited to participate.

Cub Leader Course To Begin Soon

A seven week Cub Scout leadership training course for District 7 will begin January 22 and continue each Tuesday evening from 7:30 to 9:30 through March 5.

The course will be held in Marquette school, between Merriman and Venoy roads in Garden City. The fee is \$1.25.

Den mothers, cub masters and any others interested in cub scout leadership will find the training worthwhile.

LOOKING something like a wet dog about to shake itself, Northville's road grader was pulled from its icy resting spot in the mill pond Saturday night. Members of the G. F. Taft construction firm, city employees and a huge wench combined to pull the grader out. A tow line, attached to the grader by Driver Bud Hartner before it sank was credited with making the chore possible. Extreme cold made the operation more difficult. Workers got relief in the form of hot coffee supplied by Paul's Sweet Shop.

There's No Fun Like Snow Fun

The Northville Record

SECOND OLDEST NEWSPAPER IN WAYNE COUNTY—EST 1868— Thursday, January 17, 1957—9

GETTING SET for a fast game of follow-the-leader on ice are Christina Mehornay, 6; Ronald Richardson, 12, and his sister, Donna Jean, 11. The heavy snow fall didn't stop the skaters, who flocked to Northville's mill pond to enjoy the winter fun.

IT ISN'T ALL FUN! Mike, James and Dickie Barnes, sons of Mr. and Mrs. Earl Barnes of 41025 Mooringside drive in Willowbrook Village, found snow shoveling to be tough work. Six-year-old Dickie seems to have taken over direction of the detail.

For teen-agers and tots of every home the nine inches of snow covering the area last Wednesday evening came like a second visit from Santa Claus.

They romped in its glistening beauty and sat in school rooms with eyes glued to the window and ears bent for the bell.

Their reaction was instantaneous and unanimous. As one they jumped, laughed and rolled in the mountains of white snow. For many it was the biggest snow fall they had ever seen.

Their parents were perhaps less gleeful. Snow shovels dug paths to the garage and many cars had to call for help to become mobile.

Even with the rigors brought by the heavy snow, the downfall must have brought back memories to every adult who can remember his youth, when "we really had snow".

The "call of the snow" brought out children of all ages bundled in heavy snowsuits, that took on the appearance of being just that after a few hours out-of-doors. Skates, sleds, skis and toboggans were given a real work-out, and so was the photographer who snapped these pictures on the "snow-fun" week end.

ICE SKATING at Northville's mill pond is a popular sport for all age groups. Here Teen-agers Mary Ebert, Sally Stroh and Mary Bell get ready for a spin around the rink. Cold weather

and heavy snow brought out the extra wraps for the first time this winter.

BOO! Peeking out from a snow pile twice her size is seven-year-old Kathy Miller. The photographer caught her as she was making her way home from school, carefully avoiding shovelled walks for the wonderful mountains of snow.

CAUGHT! Flat on their backs, Gary Davis, 9, and Ralph Robinson, 6, are probably wishing they hadn't tossed those snow balls at Gordy Hubbert, 14. He called off his threat to "wash their faces" when they promised to fined a new target.

**"N" Club Initiation
Holds Surprises**

Last Wednesday, the Northville high school "N" club held a banquet for the benefit of the boys who have earned their varsity letter and would like to join.

After dinner they were given the rules for joining, such as wearing odd clothing, bringing gum for members, and carrying a sash with a letter "N" attached.

When the rules had been presented, the new members were auctioned off to the highest bidders among the present members, who, in turn, will have them do special duties during the initiation this Thursday and Friday while school is in session and at half-time at the game with Clarkson.

In 1836 the Territorial Legislature asked for a "state university with branches".

Chevrolet shows you some important differences in low-priced cars just by

the look on its face!

Wouldn't you say that most of the '57 cars look good from 50 feet away, but what about from 50 inches away?

What does a close-up of the grille tell you, for example? Is it solidly made like the new Chevrolet grille? Or, in comparison does it look less rich in design—feel less strong and solid? Compare the quality and construction of the bumpers and headlights, the fit of the chrome trim.

The more closely you look all around the car, the more clearly you'll see that Chevrolet has the edge in the way it's put together. You'll find, for instance, that Chevrolet is the only

car in its field with a lacquer finish . . . that only Chevrolet Bel Air models give you foam rubber cushions in front and rear seats as standard equipment. These are just a few of the advantages of Body by Fisher. And Chevrolet, you know, is the only low-priced car that has a Fisher Body.

We'll be glad to give you a close-up, comparative look at this new Chevy any time you care to come in. This week, maybe?

Mustangs Spill Thurston; Look to League Crown

Northville's cagers prepared to get down to serious league play Friday evening by polishing off its final non-conference foe 71 to 52.

Turning in what coach Stan Johnston termed as their "top performance" of the season, the Mustangs led Thurston all the way giving the home-floor audience little to cheer about.

Coming on the heels of Tuesday's 54 to 47 win over Clarenceville, the Thurston victory gave Northville a season record of six wins and one loss. The Mustangs' winning streak, extending from the season opener which they dropped to Plymouth has brought the team seventh place in state Class B ratings.

Leadership in the Wayne-Oakland league lies in the balance Friday night as the Mustangs play the "big one" against Clarkston on the local court. "This is definitely a game we must win," said coach Johnston. "We still have to play Clarkston on their small floor," Johnston remarked. Clarkston has a 4-1 league record against Northville's 5-0 standing.

In last Friday's game at Thurston Bud Bell led all scorers with 17 points. The Mustangs' starting quintet all scored in double figures with Bill Yahne pushing Bell for honors with 16 points.

Moving the ball well, Northville was never in danger against the out-classed Thurston. The Mustangs took a total of 77 shots scoring on 28 of the efforts for a 36.4 percentage.

In the preliminary contest Thurston's junior varsity quintet dumped Northville JV's 49 to 41. Thurston's Walkowitz topped all scorers with 18 points, while Fred Schwarze and Bob Starnes scored 14 and 12, respectively, for Northville.

Cager of the Week

DICK BIERY holds down a starting forward position on the Mustangs' quintet. A consistent scorer, he has averaged 13 points per game. An all around athlete the 5' 11", 150 pound Biery turned in an outstanding season at half back for the Mustang grid squad. He also participates in track. He is the son of Mr. and Mrs. Eldon Biery of 217 West Dunlap street.

Friday's Tilt Ends 1st Round Play

Friday's game between Northville and Clarkston completes the first round in W-O league play. Its outcome could forecast the final standings of the class B cage conference. Coach Stan Johnston's cagers could all but "wrap up" the conference crown with a win over the dangerous Wolves. With a perfect 6-0 record at the half-way mark in the league round-robin, Northville would have to lose three of its final six tilts to be dethroned. By beating Clarkston, every league member would have at least two losses.

A win for Clarkston, however, would throw the league into a tie and start the second round of conference play with Clarkston in the favorite's role. Northville must meet the Wolves on their court on February 15.

Plan Skating Races At Local Mill Pond

Recreation Director Stan Johnston announced dates this week for an Optimist club sponsored speed skating event.

According to Johnston the races will be held Sunday, January 27 at 1 p.m. at the Northville mill pond. Trophies and medals will be awarded in all classes from five-year-old to open competition.

Complete classifications and events will be announced in next week's edition.

Skating Hours

Ice skating at the Northville mill pond is being supervised daily by members of the Recreation department.

According to director Stan Johnston, the pond is open daily after school until 9 p.m. Supervision is continued later Friday and Saturday evenings under the lights. The pond is open for skating all day Saturdays and Sundays.

Installs Officers
At Candlelight Rites
Following a winter "picnic" in the Fellowship hall of the First Presbyterian church, the new officers of the Presbyterian Women's association were installed January 9.

The Rev. Mr. William Reiker of the Walled Lake Presbyterian church officiated in the absence of Rev. John O. Taxis.
Mrs. Charles Hall was installed as president, Mrs. R. G. Nelson as first vice-president, Mrs. Howard Meyer as second vice-president, Mrs. L. J. Marcoux as recording secretary, Mrs. A. J. Campbell as corresponding secretary, Mrs. Lee Shipley as treasurer and Mrs. Walter Couse as financial secretary.

Incoming officers lighted white tapers at a cross of multicolor candles centered by a tall white candle. Mrs. George Jerome sang "Where He Leads Me I Will Follow" and "O Light That Follows All My Way" accompanied by Mrs. William Williams at the piano.
The P.W.O. (Presbyterian Women's Organization) orientation day will be February 13, conducted by Mrs. Bruce Fleming, president of the Michigan Synodical.

WHEN I AM TEMPTED
The other day I ran across the words "When I am tempted." Immediately two thoughts leaped up before — Man, in his right mind and conscious of his own weakness should shun temptation; yet, God has ordained it as a part of the divine discipline in the making of character. In the prayer Jesus taught his disciples the "Lord's Prayer," he instructed them to petition the Father, "Lead us not into temptation." He knew the vigors of the temptation and what was in man. Certainly this petition is the outburst of a soul who realizes his own weaknesses. Only a fool would request of God to lead him into temptation. Peter, in essence, spoke these words in his boasting in the Supper Room and asserted them in the garden when he lifted the sword and out off the ear of the servant in the High Priest. The prayer is in keeping with man's true estimate of himself and his recognition of the mighty forces about him and within him which calls for deliverance.

Why does God allow man to be tempted or tested? It is indispensable to the building of character. Without temptation, one may become a holy being but not the difference between the lives of our first parents before the temptation and the lives of the disciples after Pentecost. Someone has said that God chooses that men should be tried, but let a man beware of tempting his neighbor. Perhaps this question and answer sums up this paradox. Why pray not to be led into temptation when it is necessary to our spiritual and moral development? To dodge it when it comes is cowardly; to rush into it is foolish.

If temptation is a part of the divine pattern for man's good, essentially, what is it? The best definition I know is this: "It is an incitement of natural desires to go beyond the bounds set." The naturalness of it makes it appear so subtle and rational. Temptation, be it the experience of our first parents, our Lord, or ourselves is threefold. Let us see just how this works out by offering a few suggestions based upon the above definition:

(1) There is the innate desire to enjoy things, the appetites, appetences to be enjoyed within certain bounds set. To indulge in drink, material pleasures — these become supreme or primary this is the "lust of the flesh."

(2) There is the desire to obtain things — a God given desire. Man is placed in this beautiful world "to dress it and to keep it." This gives man from indolence and teaches industry. But if man begins to grasp, even at cost of "widows' houses," it becomes the "lust of the eyes."

(3) There is the natural desire to do things — to achieve. Leads to marvelous inventions and discoveries. If ruthlessly done — "pride of life." One versed in the study of the psychology of the temptation suggests this summary: "The desire to enjoy things has to do with all that goes out from within, and these three do occupy "all that is in the world."

The above analysis gives us a simple answer just how even a perfect sinless being could be tempted. The incitement comes within the bounds and incites to go beyond. Not until there is a disposition to respond is there sin. Our first parents heard and responded; our Lord heard within, and answered in the negative. The way of escape is through walking in the Spirit: Like Jesus, we may be ended with the Spirit and fortified with the Word as we go into that uninviting area of the Wilderness of the Temptation. St. Paul encourages us

with an inspired explanation and promise — "There hath no temptation taken you but such as is common to man; but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it."

WOMEN'S GROUP Installs Officers At Candlelight Rites
Following a winter "picnic" in the Fellowship hall of the First Presbyterian church, the new officers of the Presbyterian Women's association were installed January 9.

The Rev. Mr. William Reiker of the Walled Lake Presbyterian church officiated in the absence of Rev. John O. Taxis.
Mrs. Charles Hall was installed as president, Mrs. R. G. Nelson as first vice-president, Mrs. Howard Meyer as second vice-president, Mrs. L. J. Marcoux as recording secretary, Mrs. A. J. Campbell as corresponding secretary, Mrs. Lee Shipley as treasurer and Mrs. Walter Couse as financial secretary.

Incoming officers lighted white tapers at a cross of multicolor candles centered by a tall white candle. Mrs. George Jerome sang "Where He Leads Me I Will Follow" and "O Light That Follows All My Way" accompanied by Mrs. William Williams at the piano.
The P.W.O. (Presbyterian Women's Organization) orientation day will be February 13, conducted by Mrs. Bruce Fleming, president of the Michigan Synodical.

Why does God allow man to be tempted or tested? It is indispensable to the building of character. Without temptation, one may become a holy being but not the difference between the lives of our first parents before the temptation and the lives of the disciples after Pentecost. Someone has said that God chooses that men should be tried, but let a man beware of tempting his neighbor. Perhaps this question and answer sums up this paradox. Why pray not to be led into temptation when it is necessary to our spiritual and moral development? To dodge it when it comes is cowardly; to rush into it is foolish.

If temptation is a part of the divine pattern for man's good, essentially, what is it? The best definition I know is this: "It is an incitement of natural desires to go beyond the bounds set." The naturalness of it makes it appear so subtle and rational. Temptation, be it the experience of our first parents, our Lord, or ourselves is threefold. Let us see just how this works out by offering a few suggestions based upon the above definition:

(1) There is the innate desire to enjoy things, the appetites, appetences to be enjoyed within certain bounds set. To indulge in drink, material pleasures — these become supreme or primary this is the "lust of the flesh."

(2) There is the desire to obtain things — a God given desire. Man is placed in this beautiful world "to dress it and to keep it." This gives man from indolence and teaches industry. But if man begins to grasp, even at cost of "widows' houses," it becomes the "lust of the eyes."

(3) There is the natural desire to do things — to achieve. Leads to marvelous inventions and discoveries. If ruthlessly done — "pride of life." One versed in the study of the psychology of the temptation suggests this summary: "The desire to enjoy things has to do with all that goes out from within, and these three do occupy "all that is in the world."

The above analysis gives us a simple answer just how even a perfect sinless being could be tempted. The incitement comes within the bounds and incites to go beyond. Not until there is a disposition to respond is there sin. Our first parents heard and responded; our Lord heard within, and answered in the negative. The way of escape is through walking in the Spirit: Like Jesus, we may be ended with the Spirit and fortified with the Word as we go into that uninviting area of the Wilderness of the Temptation. St. Paul encourages us

with an inspired explanation and promise — "There hath no temptation taken you but such as is common to man; but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it."

State Police Offer Chance for Career To Northville Men

Young men in Northville this week were invited to start the new year right in a well paid career by joining the Michigan State Police.

That's the advice given by Cpl. A. Slawinski, acting officer of the Redford State Police post.

"Men between the ages of 21 and 29, inclusive, married or single, are being given a new opportunity to become members of the State Police, but they must have their applications on file by Wednesday, January 30," Slawinski said. "We strongly urge that they look into this opening, because it is a fine career with security and a future."

"The pay is excellent. In the trooper rank alone it ranges up to about \$7,000 a year and, as everyone knows, there will be a new pay raise which has already been approved by the state civil service commission and applies to everyone."

Pay increases with length of service and after two years the trooper gets a further boost by being automatically promoted one full step in classification. There are also very substantial increases with each promotion in rank.

In addition, the trooper receives longevity pay according to length of service, a subsistence allowance, two paid vacations a year which also increases in length, paid sick leave and other benefits. At the end of only 25 years of service he is eligible to retire on a pension of one half his pay which also goes to his widow.

Entrance requirements include a minimum height of five feet, nine inches and a high school education or its equivalent.

"This is really an opportunity well worth examining," Slawinski said. "Those interested are advised to call at any State Police post or write to the state civil service commission in Lansing."

TOWNSHIP ELECTION

MONDAY, FEBRUARY 18, 1957

To the Qualified Electors of the Township of Novi (Precinct No. 1 and 2), County of Oakland, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT THE FOLLOWING PLACES ON

Jan. 16, 1957, at Novi Township Hall - 2 P.M. - 5 P.M. 25850 NOVI ROAD

Jan. 17, 1957, at Novi Township Hall - 2 P.M. - 5 P.M.

Jan. 18, 1957, at Novi Township Hall - 2 P.M. - 5 P.M.

Jan. 19, 1957, at Novi Township Hall - 2 P.M. - 5 P.M.

AND ON

MONDAY, JANUARY 21, 1957

The Thirtieth day preceding said Election

As provided by Section 10, Chapter 1, Part 2 (a), Act No. 306, Public Acts of 1929, as amended by Act No. 291, Public Acts of 1945 and Act No. 108, Public Acts of 1951.

From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Elector Unable To Make Personal Application, Procedure

SEC. 16. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

Unregistered Persons Not Entitled To Vote

SEC. 1. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the precinct in which he offers to vote. (As provided under Act 108, P.A. 1951.)

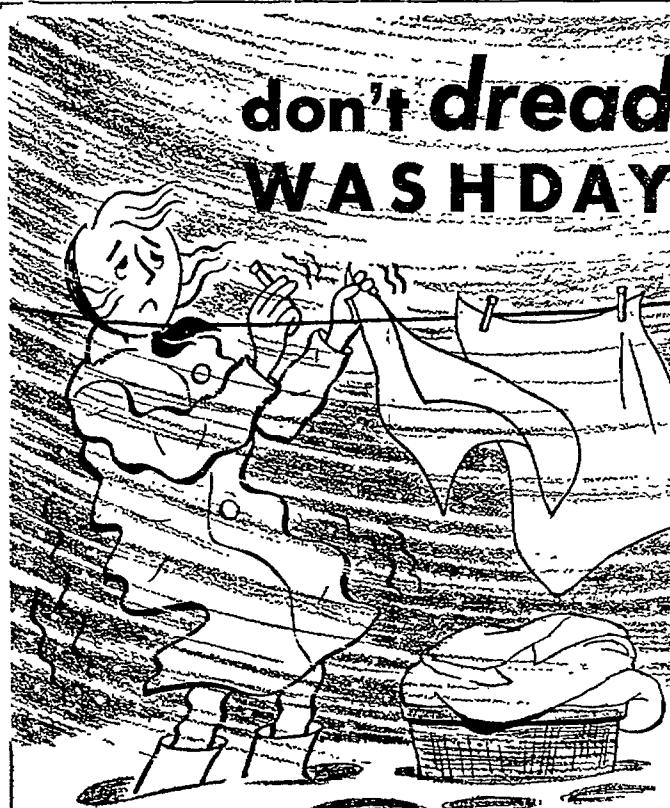

Transfer of Registration; Application, Time

SEC. 19. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the (30) days next preceding any election or primary election, (unless such 30th day shall fall on a Saturday, Sunday, or legal holiday in which event registration shall be accepted during the next full working day), provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided (30) days next preceding any election or primary election.

Transfer of Registration On Election Day

SEC. 20. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall be necessary for the elector to change his registration with respect thereto in order to be eligible to vote. When the resident house numbers of any section of a Township, City or Village have been changed, such a change shall not affect the right of such voter to cast his vote. Corresponding change in the registration records may be made by the Clerk or upon election day upon proper showing.

Program Recorded At Student Assembly

Wednesday, January 9, found all students in grades 7-12 attending an interesting assembly in the Community Center gym. A tape recording was made of a debate between four Northville high school students discussing the topic "Should the government continue its support of the farmer?" The tape will be used on WJR's "Junior Town Meeting of the Air".

Students found this assembly not only interesting but educational. It was the first time most of them had a chance to see the recording of a radio program.

Banquet Next Month For Future Teachers

The Northville chapter of the Future Teachers of America held their bi-monthly meeting Thursday morning in the Community Center lobby. The club has been growing steadily and to date there are 49 members.

At this meeting, plans were made for a banquet to be held February 13. It was decided to have a pot luck style dinner.

At this dinner, Miss Corinne Clark will introduce skits on how a teacher conducts himself in public. The new club members also will be initiated at this meeting.

Bernhardt Mueller Scholarship Finalist

Bernhardt Mueller, senior at Northville high school, has been named a finalist in the National Merit scholarship competition, according to Principal E. V. Ellison.

He is among the 7500 highest scorers in a nationwide college aptitude examination given to 162,000 seniors in 12,500 high schools on October 24.

Bernhardt now faces a stiff three-hour college board examination on January 12, plus intensive screening of leadership and extra-curricular records by a selection board.

At stake are more than 700 four-year college scholarships, many of them sponsored by business and industrial corporations.

The 700 Merit scholars choose the college they wish to attend. The value of each scholarship varies with the financial need of the student, ranging upward from \$100 per year (minimum honorary) to \$2,200 per year or more.

News of Northville High School

NHS Debaters Undefeated

Last week the Northville high school debaters were hosts to debating teams from five other high schools in the Wayne-Oakland County League. The schools in attendance were Holly, Brighton, Bloomfield Hills, Clarkston and Clarencenville.

The students again debated the topic which has been used in the competitions all year long: "Resolved, that the government should sustain the prices of major agricultural products at not less than 90% of parity." On the

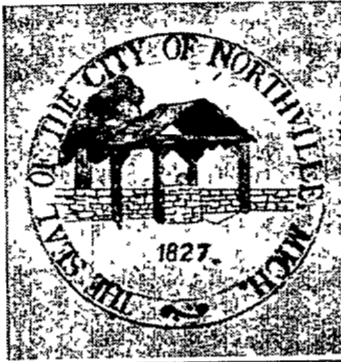

affirmative side for Northville was one of the junior varsity teams, consisting of Carol Krezel and Chuck Hix, who debated against Brighton's varsity team.

One of the other junior varsity teams, Fred Schwarze and Mariann King, debated for Northville on the negative side against the Holly varsity team. It was the first debate in inter-school competition for both Northville junior varsity teams, but they were victorious over the more experienced Holly and Brighton debaters.

This last victory continues Northville high's record of being the only undefeated school in the league. With only one more league competition coming up, the Northville debaters will definitely be in the regional competition. The final league debate will be held at Bloomfield Hills high school in about three weeks, after which regional and interstate competition will begin.

DOLORES TESHKA makes an imprint of the seal of the city of Northville, which she designed while a senior at Northville high school last year. Dolores, who now attends the Society of Arts and Crafts in Detroit, designed the seal for a contest sponsored by the city council. It will be used on all official documents.

Thanks . . .

During the past few months and again last Saturday, the students of Northville high school have been presented with "Teen Dances" sponsored by the Parent Teachers association. These dances, held from 8:30 until 11, presented a "double feature" each time, both the NHS Dance band and other varieties — impersonations of celebrities by different students, discovering "hidden" talents within the students, and, as last Saturday night, the performance of a four-piece jazz combo.

On behalf of the student body, which has greatly appreciated all the work and effort put into these dances, we would like to thank the teachers and parents of Northville's youth. —Mike Peiz

College - It's Not Impossible

By Emilie Seguin

Editor's Note: This is the personal experience of a student of NHS. It is related so that it might help others in a similar situation.

Caryl was only a freshman when she tentatively made the decision — someday she would be classified as a "College Student".

Upon reading this statement, most would ask, "What is so unusual about that? Almost everyone attends college nowadays."

But it was unique to her — because she was one of those who could have thought college an impossibility due to insufficient finances.

When she told others of her decision, they agreed that it was only a youngster's rosy dream and would shortly die from lack of encouragement. One of their fondest hopes would be to see her "fancies" succeed, but since they could offer little if any reassurance, they felt she should either drop the thought completely, or come to fully understand the hardships the proposal might bring.

Time passed — and the idea was not dropped, but instead carefully considered until the spring of her junior year in high school, when after deep thought she went into action.

Her plan of attack ran like this:

She collected and read every piece of college material she could find.

With pencil and paper in hand, she reread it, copying every name and address of people and places for possible information, or better yet, assistance.

Of course, the third step consisted of writing letters, which took her all spring and most of the summer. After all her efforts, she waited hopefully to receive an answer to her moneyless troubles.

Most replies contained little but fruitless information and discouragement. But finally, to her delight, came the answer — three of them — to her prayers. Two from colleges and one from a man whose life's work is helping youngsters gain a college education.

Where she is going to college is not significant, nor is the fact that she may even discontinue her studies, to pursue other paths of interest.

What is important is that college is possible for anyone who truly desires a higher education. A lot of thought and research, and honest hard work are required tools for the project. But then, has there ever been anything worthwhile that was attained without a good deal of sincere effort?

Service Options Discussed By Local Army Recruiter

With the highly technical requirements of the modern army, Northville high school students are urged by local army recruiting sergeant "Hank" Zalewski to complete their educations before entering the service. Following graduation, he states they are better qualified for the "push button" army.

High school graduates enlisting in the regular army may choose a school prior to their enlistment. These schools are in such fields as: electronics, shoe repair, medical and dental, radio, telephone, auto mechanics, aircraft maintenance and railroading and photography, to name only a few of the many available. Other enlistees in the regular army may choose to be in the paratroops, military police, signal corps or engineers.

The Reserve Forces Act of 1956 places a six-year military obligation on men up to the age of 26, except for those in service prior to August 9, 1956. This obligation applies whether they enter any of the armed forces by draft, or enlistment and requires certain periods of active and reserve service.

Men between the ages of 17 and 18½ may enlist in the army reserve and serve only six months active duty away from home and the balance of their obligation in their spare time, with a local reserve unit. The six months period may be deferred until after high school graduation. Also, enlistments in the army reserve with two years active duty are available. In connection with this last option, men who have completed certain periods of ROTC in school may enlist as privates first class or even as corporals, and draw increased pay.

The army recruiting office is at Grand River and Southfield and Sgt. Zalewski is in Plymouth at the Junior Achievement building each Monday and Wednesday from 10 a.m. until 3 p.m.

Northville Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday evening, Jan. 7, 1957 at 8 p.m.

Present: Mayor Claude Ely, Councilmen Allen, Canterbury, Reed and Stubenvoll.

Minutes of the last regular meeting were read and approved.

Bills amounting to \$113,115.03 from the General Fund and \$794.02 from the Water Fund were presented and it was moved by Stubenvoll, seconded by Reed that the bills be paid. Carried unanimously.

Communications were read from the Liquor Control commission regarding renewal of Class C, Tavern, B-Hotel and A-Hotel licenses, and from Senator Pat McNamara in reply to the Resolution of Nov. 19, 1956 enacted by the Northville Council relative to elimination of flood hazards in this area.

In the matter of new business, a discussion was held regarding the renewal of license for the taxicab company in Northville. The question of insurance was brought up and it was felt that insurance covering the cabs should be held by a company licensed to operate in Michigan. Mayor Ely asked Manager Robertson and Chief Denton to contact and straighten out the insurance problem before any action is taken and report at the next council meeting.

Motion was made by Ely, supported by Canterbury that the taxicab company of Northville be allowed to operate its cabs until the Manager and Police Chief make a report at the next council meeting regarding the taxicab ordinance. Carried.

Manager Robertson submitted the following resolution:

WHEREAS, the Federal Government has considerable surplus equipment supplies available for distribution and

WHEREAS, this equipment and supplies are valuable and of considerable worth to municipalities and

WHEREAS, local school districts are now given preference in purchasing of such surplus property,

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF NORTHVILLE, MICHIGAN, RESOLVES:

1. That local municipal corporations be given equal opportunity with local school boards in the purchasing of Federal Surplus Property.

Moved by Canterbury, supported by Reed that the resolution be adopted. Carried.

The Public Hearing for amendments to the Zoning Ordinance was then called to order.

Moved by Reed, supported by Stubenvoll that the amendment to Article 11 of the Zoning ordinance be adopted. Carried.

Moved by Canterbury, supported by Reed that the summary of the provisions of the amendment to Art. 11 as prepared by Manager Robertson, be approved for publication. Carried.

The amendment to Art. 3 of the Zoning ordinance pertaining to off-street parking was discussed.

Moved by Stubenvoll, supported by Allen that the amendment be adopted and a summary of said ordinance be published in the Northville Record. Carried.

The amendment to the Zoning ordinance pertaining to the moving of old buildings in residential areas was discussed. Mr. Allen brought up the question of moving houses from outside the community and the Manager was instructed to investigate a previous resolution on this subject.

Moved by Canterbury, supported by Reed that the amendment to the Zoning ordinance pertaining to the moving of old buildings be adopted. Carried.

The next matter discussed was the disposal of the old fire engine. Several suggestions were made. Manager Robertson advised he had been seeking a place to park the engine but had been unsuccessful. Mr. Reed stated he had made inquiries and that the Northville Driving club was willing to purchase the engine. He suggested that it be sold for three

or four hundred dollars with the provision that the City could use it in case of emergency. Manager Robertson was instructed to secure parking space at the race track for the old engine until a pointed Manager Robertson to be street administrator.

The matter of operating parking meters on Friday evenings when store are open was brought up by Canterbury. The Manager was instructed to contact the Retail Merchants regarding this matter to determine their wishes.

Discussion of the type of parking to be allowed in the new lot regarding the dumping of trash by Paul Palmer on Cady street. The Manager was instructed to look into this matter to determine whether council action or the abatement and nuisance will be required. It was suggested by Allen that Mr. Ashley be appointed as dog warden. The Council apinal agreement with the Driving Club is arranged.

Councilman Allen stated that he had received complaints, reon Dunlap street and the lot at the corner of Dunlap and Center streets was held. Councilman Allen and Stubenvoll along with the City Manager were appointed a committee to investigate this matter.

The Manager proposed that all City employees, including the City Manager, be bonded for faithful performance and the following resolution was made.

RESOLUTION
The City Council of the City of Northville hereby resolves that the requirement of bond for the City Manager is fulfilled by the purchase of a Faithful Performance of Duty Blanket Position bond in the amount of \$5,000. This bond to cover all city employees not required to have a separate bond by statute.

Moved by Allen supported by Canterbury that the resolution requiring bonds is adopted. Carried.

A group life insurance plan was discussed and the Manager was instructed to further investigate this plan.

Mayor Ely requested the Manager to check on a firm which maintains and services parking meters.

Manager Robertson asked for a special meeting for the purpose of going over the proposed building code. The evening of Jan. 14, was named as the meeting date and the Manager was instructed to have Mr. John Ryan of Ann Arbor present at that time.

City Attorney Ogilvie reported on the Warren Products suit and stated that written briefs are being filed and that it would possibly require one month before a decision is reached. The City Attorney reported that the Supreme Court had not ruled on the City application for Leave to Appeal the dismissal of the Novi Township suit. A decision in this matter is expected in the coming week.

No further business to come before the meeting, same was adjourned at 10:40.

SPEAKING

for the Record

By BILL SLIGER

As guest of George Clark at the Optimist club meeting last week, we heard Dr. Donald Young present some interesting facts on polio and the Salk vaccine. We came away convinced that everyone, and perhaps ESPECIALLY adults, should receive the three doses of vaccine. Dr. Young recommended persons up to 70 to receive shots. To prove his point that it is perfectly safe he asked listeners to raise their hands if they had received the series. A half-dozen visiting doctors sitting together at one table responded in unison.

Mrs. Robert Haass of Farm Crest Farms discovered a January 23, 1931 edition of The Northville Record recently. She was impressed by a story of Waterford in the days of 1899. It boomed as an industrial center with the largest flour mill in the state, three cooper shops, a sawmill, a large and blind factory and a farm implement plant. From the 1830's until its downfall at the turn of the century, Waterford outshone its neighboring communities, Plymouth and Northville. During the era of agitation against slavery it served as an "underground railway" station. Fire, which destroyed its mill for the second time, finally doomed the village pressed by growth of its neighbors.

An interesting sidelight in the addition is an editorial by Publisher Elton Eaton who defines the word "TAX". "T", he wrote, stands for "take", "A" for "away", and "X" for "the unknown quantity".

Little Freddie Steeper, whose picture appeared in The Record recently, was a little too late to buy the picture during the recent sale. Seems an admiring girl friend got here first. When she heard that Freddie's parents wanted the print, she sent it to them, affectionately. Meanwhile, the Steepers had ordered an extra print from the photographer. They'd like the little girl to know that she may have her picture back. Perhaps a courier go-between could be set up.

A number of kiddies will be disappointed if they look in the paper for their pictures this week. We spent most of last Thursday snapping pictures in Northville and Novi of children playing in the snow. Unfortunately, one whole roll of film didn't print. We're sorry, too, because we enjoyed the fun as much as the youngsters. Results of those pictures that did come out may be seen on page nine.

News For Mr. Webster

Mr. Webster defines a truck as "an automotive vehicle for . . . long distance hauling" and this is technically true. But to the millions of Americans whose everyday life is geared to the flow of motor transport, a truck is much more than this.

It's a shipment of supplies for the corner drug-store where you buy; a crate of spare parts for the auto repair garage you patronize; a load of food-stuffs for your favorite grocery; shoes for little Junior, eye-glasses for Mary, paint for that bedroom you're doing over, the TV set you've been waiting for.

Life in Michigan just couldn't go on as it does today without trucks. Agriculture and industry depend on them. So do the butcher, the baker, the candlestick maker. So do you!

Your Letters to Legislators Mean Something

YOU CAN influence legislation in Michigan more than you realize. Your State Senator and Representative wants to hear from you. He is acutely interested in the views of those he represents.

State lawmakers must vote on hundreds of bills during each session. They cannot know everything contained in all of them.

This gives your views real meaning. Legislators want to know what you think about proposed bills. An explanation of facts and your sincere opinion are therefore welcome.

Legislators can be contacted several ways. A common but efficient method is a letter. Literary eloquence is not important. He values your message most if it weighs pros and cons of a matter under consideration; gives him facts and your thinking.

Short telephone calls and telegrams are also effective. Least important are the signed form letters that are distributed for your signature. Even these have some effect, particularly if he receives large numbers of such messages.

One important "Don't". Do not demand the legislator vote a certain way or threaten him. Lawmakers are human and it is human nature to react negatively when someone tries to say "you must vote this way or else."

Lawmakers like to speak with authority. A single fact from you can give him authority. A letter is often expanded by the legislator in the impersonal, but larger "they say".

Letters to your Legislator will reach him addressed to the State House of Representatives or the State Senate at the Capitol. Direct telephone calls can be made through special legislative switchboards. To reach your Senator call Lansing, IVanhoe 4-5464. The House number is IVanhoe 4-1461.

BIGGEST ATOMIC BATTLE since the blast that rocked Hiroshima is now shaping up in Washington hearing rooms of the Atomic Energy Commission. The fight involves a \$40 million public atomic power plant now under construction near Monroe.

The question: Can this power plant operate safely or will it endanger millions of lives in the Detroit-Toledo area?

Michigan has a large stake in the answer. The Power Reactor Development Co., a non-profit corporation made up of 26 companies to build the plant insists operation will be safe. Six are Michigan corporations.

Opposing PRDC are three national unions in the AFL-CIO. All are strong in the Detroit area.

A conditional permit was issued by AEC to PRDC in August, 1955. It is limited to construction only. AEC officials are withholding a license to operate the plant until construction is completed some time in 1960 and proven safe to the satisfaction of the commission.

The bone of contention centers around a report of the Atomic Energy Commission's Advisory Committee on Reactor Safeguards.

This report stated, in effect, that not enough is known about the type of reactor now under construction at Monroe to operate one safely.

This reactor, called a "fast-breeder", creates more atomic fuel than it uses. Only one other has been built near Arco, Idaho. During a power test it "ran away" causing radioactivity to escape. No one was hurt, but things did get out of control.

Unions opposing PRDC contend that the cause of trouble has not been explained.

They believe that the Monroe reactor, which will be five times more powerful than any previously built, should be erected away from large population centers. The present location of the plant is 30 miles south of Detroit and 20 miles north of Toledo.

All safety problems should be overcome before operation is scheduled to begin in 1960 PRDC members claim. They point out that a second experimental breeder type reactor is scheduled to go into operation next year. This second atomic-energy plant will provide the group with further information.

The hassle before AEC began last week and may last well into summer. Both sides are expected to present an array of scientists and scientific testimony.

Until a final decision, public atomic energy remains "on probation."

SOFT WATER

Automatically with the

REYNOLDS Automatic WATER SOFTENER

The greatest water softener ever built!

- Adjustable to almost any type of problem water. Does a better job on all hard waters. Will do things you never dreamed could be done with any water softener.
- Will soften water containing up to 100 grains of hardness per gallon (5 times as hard as the average).
- Will remove up to 10 parts per million of iron.
- Contains 1-1/8 cu. ft. of Dowex assuring high capacity and adequate flow rate of zero-soft, rust-free water at all fixtures at the same time.
- Brine under pressure in closed tank instead of in unsightly open type brine tank. No more leaky float valves and bad appearance. More dependable regeneration.
- Automatic bypass permits use of water during regeneration.
- No troublesome top screen to clean.
- Operates on any home water pressure, high or low.
- Fibre glass insulation prevents sweating.
- Time clock or switch operation.
- Made in Detroit—factory service.

There is no other water softener like it, or that even compares with it. It is fully guaranteed and covered by patents. At only \$399.00, it is the greatest value in the water conditioning industry. Larger sizes also available.
