## SEEK ZONING OKAY FOR DIAL EXCHANGE

### Horsemen Also Urge Early Use of New Barns

Requests for "unofficial approval" on two different issues were presented members of the Northville planning and zoning board Tuesday evening.

Both matters, though unrelated, have a direct bearing on the welfare of the community.

Officials of Michigan Bell Telephone company asked that a zoning exception be made so that construction could begin on a new telephone exchange building.

### Polio Vaccine Available for All In Northville Area

Every person in Northville could be immunized against polio between March 1 and March 10, according to local Wayne County Health Officer Dr. Howard Cadwell.

"Supplies of the vaccine are plentiful," he said. "Local physicians can get all they need for children between 1 and 14 years of age free."

The ten day period has been set by State and Wayne county medical societies for an all-out drive for immunization in Michigan.

Dr. Arch Walls, president of the Michigan Medical society, said that a first shot in March

Dr. L. W. Snow urged members to allow earlier use of the new Northville Downs' barns on the St. Lawrence property this year so that horsemen could train their horses for the early racing dates. Zoning restrictions now call for the barns to be used 15 days before and 15 days after the local racing season.

Frank Buter and John Kamego presented plans and pictures of the proposed telephone exchange building which would bring dial service to the area. The building would be located on the west side of Center street approximately one-half mile north of Baseline. The property is owned by Elmer Wilson, 860 West Main street, and is part of the area annexed from Novi township. Wilson has indicated plans to subdivide the area, while D & R Building company plan a subdivision directly across from the proposed site.

The telephone representatives indicated they would seek approval for the building from both Northville and Novi township so that construction could begin in April. Until the Oakland county circuit court rules on a suit calling the annexation illegal, it is not certain in which governmental area the land lies.

The area is zoned residential in Novi and presumably would carry this classification as a part of Northville. Buter, superintendent of real estate for Michigan Bell, stated that the zoning of the area would not have to be changed. "The portion on which we would build would have to permit use for a public utility telephone exchange only," he added. This would not allow any commercial development, he pointed out.

Members of the board, called together by Chairman Thomas Carrington, were impressed with the appearance of the building. It would ordinarily have only six employees and would be landscaped to harmonize with the area. The one-story building is designed to appear much like a school building.

Its dimensions are 93 feet by 148 feet. It would be built on a parcel covering 206 feet by 400 feet.

Officials of the company pointed out that it is ideally located for an exchange building. "Our engineers indicate that this spot is the cable center for the new dial operation," Buter said. He emphasized that this was very important to proper service for the area. There would be no customers, no garage, no large vehicles or storage on the area, Buter told the committee.

Only one member of the board voiced objections when called upon for opinions by Chairman Carrington. Gerald Woodworth stated that he "did not like spot zoning." "If it is to be zoned residential, let's keep it that way," he urged.

Other comments favored the building, generally approving of its appearance and recognizing the need for dial service in the area. Other members attending the meeting were L. M. Eaton, Ernest Ebert, Harvey Ritchie, Lynn Sullivan and Harry Wagenschutz.

Dr. Snow appeared before the board "on behalf of horsemen who wish to race at Northville this year."

He explained that the early racing dates (which begin April 18) make it almost impossible for Michigan horses to be properly trained to race here. "The commissioner's decision to give us these early dates will definitely hurt us financially and also is unfair to the Michigan harness horsemen," Snow said. He indicated that one stable is withdrawing four horses and another 10 of its 16 horses because of the early dates here.

At one point Carrington asked, (Continued on Page 8)

**NORTHVILLE'S NEWEST POLICEMAN** — Harry Pate checks over the log book to familiarize himself with Northville police activities prior to going on duty this Saturday. Pate, a former pilot and criminal investigator, was chosen from 14 applicants.

### Former RCAF Pilot Dons Northville Police Uniform

A former bomber pilot and criminal investigator has been appointed Northville's newest policeman.

Harry A. Pate, 36, was selected this week from among 14 applicants for the job. He will begin duties Saturday.

### Local Clubs Asked To Name Delegates For P-TA Carnival

The first wheels began to turn this week in the organization of the annual Northville P-TA carnival.

P-TA President Harold S. Hartley sent out letters to all Northville organizations, asking for their assistance in helping to put over the gala May event.

"The letter asked all club presidents to appoint representatives for a meeting March 25 at which general organizational details will be decided. The meeting will begin at 8 p.m. at the Crispin Hammond home, 46100 Timberlane."

"But if the letters do not reach club presidents in time for their next meeting, I hope they will accept this announcement in the Record as an invitation for them to participate," Hartley said. "We would like to see representatives of all Northville organizations at the meeting."

The annual carnival, one of the most popular events in Northville, is scheduled for May 4 this year. It will be held in the Northville Community Building and two adjoining school buildings.

Hartley noted that the 1956 carnival brought proceeds of more than \$1,300 which was used for four projects: increasing the scholarship fund, buying equipment for Amerman school, improving the carnival itself, and financing other educational needs.

### Review Boards Set Meeting Dates

Schedules for board of review meetings in Northville and Northville township were announced this week.

The hearings allow taxpayers who may have reason to question real estate or personal property tax assessments an opportunity to protest.

Hearings in the city will be held at the city hall on March 12, 13, 14, 15 and 26 from 9 a.m. until 4 p.m. Members of the board are G. T. Barry, L. M. Eaton, C. N. Frid and E. M. Bogart, assessor.

The township will hold its hearings at the township hall from 9 a.m. until 4 p.m. on March 5, 6, 11 and 12. Mrs. Mollie Lawrence, Ralph Gibson and Fred Fry make up the board.

### Drivers Fined By Judge Bogart

Two drivers were brought before Judge E. M. Bogart recently and fined for traffic violations.

For reckless driving, William Parmenter, 17, of 28055 West Six Mile, Livonia, was fined \$25 and deprived of his driver's license for 60 days.

Truman Caldwell, 26, was found guilty of driving under the influence of alcohol and fined \$75. Caldwell lives at 19444 Gerald avenue, Northville.

### New Schedule Of Traffic Fines Told By Denton

It will cost you more to forget 1957 license plates this year than it did for the same violation in 1956.

A new schedule of fines for traffic violations released this week by Judge E. M. Bogart and Chief of Police Joseph Denton levys five dollars, two dollars higher than last year's.

Chief Denton warned that drivers with 1956 plates will be ticketed after today's deadline.

Other fines that have been raised from \$3 to \$5 include: failure to stop at a stop street, driving without registration, driving without an operator's license, driving the wrong way on a one way street, no signalling for a turn, and obscure or dirty license plates.

Fines raised from \$5 to \$10 include improper parking lights, such as blue or green, and prohibited turns.

Fines for speeding remain the same as last year's, at \$1 a mile up to and including 10 miles over the speed limit, and \$2 a mile in excess of 10 miles over the limit. Any speeding violation over \$10 automatically becomes a court case.

According to Judge Bogart, Northville fines are comparable to those in Livonia and Plymouth.

### Mustangs Get Tourney Date

Tournament time is nearing for the Northville Mustangs.

With the end of their season tomorrow night, the Mustangs will begin turning thoughts to the tourney road that will take them to Walled Lake, possibly Pontiac, and perhaps even to the state finals in East Lansing.

The first round of play, according to drawings last Tuesday, will pit Northville against Milford next Friday. The contest will be played at Walled Lake, beginning at 7:15 p.m.

On the same card, powerful Walled Lake will meet Brighton.

The two winners that night will meet the next evening for the district championship. And the champion then will go on to the regional event in Pontiac the following week.

Coach Stan Johnston was pleased with the drawings, and had hopes that Brighton could defeat — or at least tire — the Walled Lake squad while Northville takes on Milford.

**SOME WEATHER** — It looks like poor "Pamper the Lamb" is going to miss his big opportunity tomorrow. He fattened up all winter, getting ready to help March come in. But according to the weatherman, he's going to have to make room for the lion instead. The forecast: the same miserable rain that here disgusts his master and mistress, Johnny and Peggy Gibson, 4420 6-Mile.

### School Bonds Go at 3.6% Rate

Northville school officials this week were looking toward a possible April 1 ground-breaking for the new Amerman school addition after the successful sale last week of \$500,000 worth of bonds.

The board accepted a bid of 3.63 percent interest on the issue — reportedly one of the lowest rates in the area in recent months.

Low bidder on the issue was Friday and Company of Detroit. Five other agencies entered bids, ranging from 3.74 percent to 4.03 percent. Manufacturers National Bank has been appointed paying agent and trustee.

Superintendent Russell Amerman called the bid "extremely pleasing." He said other districts have had to accept rates ranging from 3.9 to 4.5 and even 5 percent in recent months.

Total interest cost to the school district, if the issue is outstanding

### Congressional Record Now at Library

The Northville library is now receiving regularly the Congressional Record, librarian Mrs. Rhea Wilcox announced this week.

The publication may be checked out for home reading.

for its full 30-year limit, will be \$331,335.

The school board met Tuesday night to go over last-minute changes in plans for the Amerman addition. Architects are now incorporating the suggested changes into their blueprints.

### Red Cross Drive Gets Under Way

People helping people, the slogan of the American Red Cross, will be brought before Northville residents this week as the organization makes its annual drive for funds and members.

Mrs. Arthur Carlson, chairman of the local branch, said this week that many do not realize the number of Red Cross services available. Home service, which continues to be the connecting link between servicemen and their families, and Nursing service, which enrolls nurses for community service and conducts home nursing courses, are only two of the ten distinct services available.

In their headquarters in the office of the Carrington Insurance agency on North Center street, members will register anyone interested in receiving home nursing or first aid training.

If enough interest is shown, special classes will be conducted in Northville. Persons will also be registered for Gray Lady Service and Community Blood Bank.

The drive for funds will be conducted by mail throughout the residential area. Mrs. Clifford Winter and Mrs. Claude Ely have been named to direct business district and school campaigns.

### Calendar

February 28

8 p.m.—P-TA, Community Bldg.

March 2

9 p.m.—1 a.m.—OLV Men's club annual pre-Lenten round and square dance, Community Bldg.

March 4

8 p.m.—Pre-school play group, home of Mrs. Douglas Bathey, 43905 West Six Mile. Speaker: Mrs. Sally Thomas of Rosedale Gardens nursery group.

March 5

2 p.m.—King's Daughters, regular business meeting, home of Mrs. Merner Eilber, 321 Rayson.

March 7

8 p.m.—Junior Chamber of Commerce.

Amerman said the board now is waiting for the bonds to be printed and signed. When that is done, the board can advertise for construction bids on the school addition.

Actual construction would be somewhat dependent on the weather, he added, but should begin shortly after the bids are accepted.

Amerman said a 180-day construction limit has been placed on the new addition. This would set the completion date around October 1 — probably not in time for the addition to be used at the beginning of the fall semester.

If a shorter construction period were set, Amerman added, it would probably result in considerable expense for overtime and week end work.

The \$500,000 bond issue is the initial block of some \$3,000,000 worth of bonds which will be issued to provide the new addition, a new high school, renovation of the present high school for a junior high, and a future elementary school site. The issue was approved by voters in December.

And a second a month later will provide protection for the coming polio "season."

For the highest level of protection, he said, the third shot should be given seven months later. He suggested a nominal fee for physicians of \$2 per shot for children and \$3 for adults.

Adults are strongly urged to have shots as soon as possible, as the disease strikes them harder when it does hit.

The Northville township board is expected to spend considerable time next Tuesday discussing a startling proposal that the township join in forming the nation's second largest city.

But the odds that board members would go for the proposal appear slim.

The suggestion came last week from Dearborn Mayor Orville Hubbard. In letters to 15 townships in southeast Michigan, Hubbard proposed that they join together in forming a single city.

The total area, including Dearborn, would amount to 400 square miles.

The proposed city would be "almost three times the area of Detroit, nearly twice that of Chicago, bigger than New York, and second only to Los Angeles," Hubbard said.

Northville supervisor Mrs. Mollie Lawrence said board members had not discussed the proposal but would probably take it up at their meeting Tuesday.

A total of \$2,092.46 was collected during the January March of Dimes drive in Northville, it was announced this week by Mrs. J. C. Reynolds, drive chairman.

From the Mothers' March came \$1,323.69, and canisters in town totaled \$251.62.

The school breakdown is as follows: Main Street, \$62.39; Amerman, \$25.80; Our Lady of Victory, \$26.50, and the high school, \$77.62.

Last Friday night's high school dance netted \$63.20, and the Peanut Sale in town and at basketball games totaled \$175.33.

The Junior Chamber of Commerce dance proceeds were \$36.10, Eagle Auxiliary 2504 gave \$31.20, and the Northville VFW, \$5. A memorial contribution was \$20.

Last year's total was \$2,705.22.

### What Does Future Hold: Northborn or Dearville?

The Northville township board is expected to spend considerable time next Tuesday discussing a startling proposal that the township join in forming the nation's second largest city.

But the odds that board members would go for the proposal appear slim.

The suggestion came last week from Dearborn Mayor Orville Hubbard. In letters to 15 townships in southeast Michigan, Hubbard proposed that they join together in forming a single city.

The total area, including Dearborn, would amount to 400 square miles.

The proposed city would be "almost three times the area of Detroit, nearly twice that of Chicago, bigger than New York, and second only to Los Angeles," Hubbard said.

Northville supervisor Mrs. Mollie Lawrence said board members had not discussed the proposal but would probably take it up at their meeting Tuesday.

Mrs. Lawrence said the proposal would be given serious consideration, but that it now appears to leave a number of questions unanswered.

There seems to be little likelihood that other townships will favor the proposal, she added.

Mrs. Lawrence also indicated that Hubbard's proposal for an "advisory vote" of township residents probably cannot be acted

## AAUW Book Sale Today in Plymouth

Values in used books will be offered local residents at the American Association of University Women's book sale scheduled for today (Thursday) and Friday and Saturday, February 28, March 1 and 2. The sale, to be held at Krogers in Plymouth, will commence at 10 o'clock according to Mrs. L. T. Scharmen, book sale chairman.

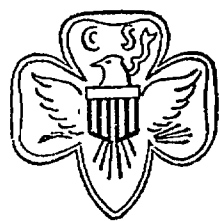

The books have all been sorted and a good sampling in reading will be represented, Mrs. Scharmen added. Other members of the book sale committee are Mrs. C. C. Wiltse, Mrs. J. R. Barnes, Mrs. Woodrow Tichy, Mrs. R. V. Probeck and Mrs. R. E. Houston.

Proceeds from the sale will go into the local branch's fellowship fund which helps offer fellowships to outstanding women scholars throughout the country.

Miss Virginia Rock, a Plymouth high graduate of the class of 1941, was a recipient of a fellowship in 1955. Miss Rock is working on her Ph. D. at the University of Minnesota.

MAPPING RED CROSS DRIVE PLANS this week were members of the Northville Member Recruiting and Fund Committee at Mrs. Clifford Winter's North Rogers street home. Seated, left to right are Mrs. Winter, Mrs. Arthur Carlson, chairman, Mrs. Clifford Turnbull and Mrs. J. R. Cunningham. Standing are Mrs. Claude Ely and Mrs. Robert Dixon. (See story, page 1).

## Chorus and Soloists In Concert Sunday

Featured at next Sunday's concert of the Plymouth Symphony orchestra will be "Requiem" by Faure, with chorus and soloists.

Also on the program is the Fantastic Symphony by Berlioz, to be performed by the orchestra for the first time in Plymouth.

Soprano soloist will be Joanne Hulce of Plymouth, whose background includes opera and concert work in Chicago and two years as soprano soloist with Phil Spitalny's "Hour of Charm" weekly nationwide radio broadcasts. Plymouth audiences have heard her in occasional church solos.

Nat Sibbold, also of Plymouth, will be baritone soloist. He spent three years as master of ceremonies and singer with the Skating Vanities, traveling throughout the United States, Canada, Cuba, England, France and Switzerland. Presently employed with WWJ-TV, Mr. Sibbold has made many appearances in Plymouth in church, civic affairs, and with the Plymouth Symphony.

Fred Nelson, director of music at Plymouth high school, will direct the 60-member civic chorus.

Open to the public without charge, the concert will begin at 4 p.m. in the Plymouth high school auditorium.

## News Around Northville

Mr. and Mrs. Bart Connors and Mrs. Iva Tabor went to Clarkston Sunday to visit the Connors' son, Mr. and Mrs. Banton J. Connors.

Mrs. L. M. Eaton entertained at luncheon last Wednesday and at dinner last Saturday evening. Her guests Saturday were Mr. and Mrs. C. E. Lewis of Birmingham.

Larry Gotts, son of Mr. and Mrs. Fred Gotts of North Center street, was home from Michigan State university last week end visiting his parents.

Celebrating his eighth birthday with a tobogganing party recently was Michael Daley, son of Mr. and Mrs. Clifton Hill. Ten guests attended the party.

Entertaining eight guests at a pre-Woman's club luncheon Friday will be Mrs. W. L. Howard of Eight Mile road.

Miss Florence Keith and Miss Ruth Knapp entertained at a shower Saturday afternoon at Miss Knapp's home on Orchard Drive for Mrs. Keith Burton of Plymouth. Mrs. Burton formerly taught music in Northville grade school. The shower was attended by 24 of her friends.

Mrs. R. M. Atchison will be entertaining seven guests at a luncheon before the Woman's club meeting tomorrow.

Ruth Mary Lyke, now of Coldwater and formerly of Northville, was the week end guest of Mr. and Mrs. Fred Lyke of East Main.

J. P. Anderson of West Eight Mile road is now home and convalescing after surgery.

Mr. and Mrs. Emmett Wirth, who will be moving soon to Salt Lake City, Utah, were honored Tuesday at a dinner party at the home of Mr. and Mrs. Alex Lawrence of Meadowbrook road.

Dave Biery, son of Mr. and Mrs. Eldon Biery of West Dunlap was home last week end from Hope college. With him was a friend from school, Bob Hoffman from New Jersey.

Attending the University of Michigan-MSU hockey game in Ann Arbor Saturday evening were Mr. and Mrs. Robert Yerkes, Mr. and Mrs. Conrad Burkan and Mr. and Mrs. John Burkan.

Honored guests at a cocktail party at the home of Mr. and Mrs. J. W. Cheatham Sunday evening were Mr. and Mrs. Emmet Wirth.

Mr. and Mrs. E. F. Clark of High street visited last week end in Mecosta, Michigan with Mr. and Mrs. Glenn Jewell, formerly of Plymouth.

Mr. and Mrs. John Gotro, Jr. and daughter, Sandra Ann Renee of Hutton were Sunday dinner guests of Mrs. Gotro's brother and family, Mr. and Mrs. Robert Stevenson, of Ann Arbor.

Mr. and Mrs. Ed Strolle of Gaylord and Mrs. Ernest Chapin of Manhattan, Kansas were week end visitors of Mr. and Mrs. C. C. Boyd of Bloomcrest drive. Mrs. Chapin returned to Kansas yesterday.

Mrs. E. B. Cavell will be hostess today to the eight members of her bridge club.

Mr. and Mrs. F. J. Broad and Mrs. A. M. Southworth were Sunday guests of Dr. and Mrs. E. B. Cavell of Griswold avenue.

Mr. and Mrs. L. J. Marcoux of Eight Mile road spent last week end in Jackson visiting their son and his family, the William J. Marcoux.

Luncheon guests at the Eight Mile road home of Mr. and Mrs. C. E. Randall will be their son and daughter-in-law, Mr. and Mrs. L. E. Randall of Livonia and Mrs. Ruth Starkweather of West Seven Mile road.

Mrs. Ruth Starkweather of Seven Mile road will be the dinner guest Tuesday evening of Mr. and Mrs. Don Nelson of Delaware avenue, Redford.

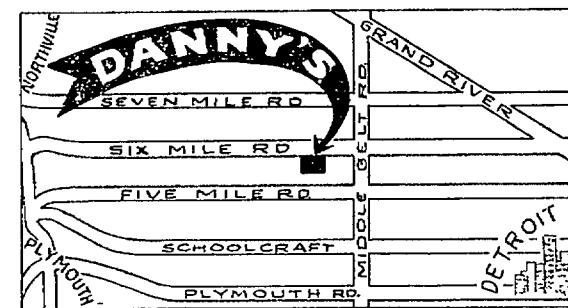

Mr. and Mrs. Charles Eilber and family were Sunday guests of Mr. and Mrs. M-rner Eilber of Rayson street.

Mr. and Mrs. H. A. Willis of Thorn Apple spent last week end in Battle Creek visiting Mrs. Willis' sister, Mrs. James Dick.

The Otis Tewksburys arrived home Sunday after a two weeks vacation at Clearwater, Florida. On their way down they visited Mrs. Tewksbury's sister in Tennessee for a few days.

## What Northville Girl Scouts Are Doing

### Brownie Troop 5—

Troop 5 met last week at Mrs. Petz's house. They had a party, pinned flowers on their mothers, sang songs and then had a ceremony. Cake and punch were served.

### Brownie Troop 7—

At their last meeting, members of Troop 7 said their Brownie promise. Then they had their treat of cupcakes and candy. Then they sang songs and did dances. They closed the meeting by joining hands in a circle and singing a song.

### Girl Scout Troop 6—

Members of Troop 6 are beginning a study of agriculture. At their last meeting they sang songs, had the treat and closed the meeting.

### Girl Scout Troop 17—

Troop 17 finished their adventure badge which they had been working on for several weeks. Games were taught by two girls who were working on their game badges.

### Girl Scout Troop 19—

Girl Scout Troop 19 continued working on their marionettes. They had the nibble and closed with the friendship circle.

### Girl Scout Troop 14—

Troop 14 discussed the camp-out they had recently and decided it was a success. They were given copies of the preamble to the charter of the United Nations for their World Neighbor badge. They also read from their "Good Grooming" books working toward their Good Grooming badges.

### Girl Scout Troop 15—

At their last meeting, members of Troop 15 had badge inspection and continued on their badge work. Some girls completed two or three badges. Also discussed was the skating party of February 4. The meeting was closed with the good-night circle.

# Over 200 Attend Girl Scout Council Card Party

MAKING PUPPETS FROM SOCKS was a project of Brownies Judy Gregersen and Cathy George, who demonstrated the finished product while making their display for last Thursday's Girl Scout Council card party.

Playing bridge, pinochle or canasta — or learning to play them — at last week's Girl Scout Council card party — were over 200 guests, according to Mrs. Matt Hauser, chairman of the affair.

At some tables, everyone went home with one of the 81 prizes donated by Northville merchants. At some, only the holder of the highest tally was lucky and received one of the handsome house plants that decorated each table.

Master of ceremonies for the evening was Ed Angove, who announced the lucky winners.

But everyone enjoyed refreshments of coffee and cake that preceded settling down to the serious business of card playing.

Annually sponsored by the Council, the card party is the only fund raising event during the year for Northville girl scouts. Appropriations are made for scout and brownie troops in Northville, for leader training, and for special projects — sending girls to scout camps and conventions.

SETTING UP SCOUT DISPLAYS before the Council card party last Thursday were senior scout Brenda Wortman and leader Mrs. E. E. Langtry. Scouts and Brownie displays greeted card players as they entered the lobby of the Community Bldg.

## Bazaar Planned Sunday

The annual mission benefit bazaar will be held at Madonna college in Livonia this Sunday from 1:30 to 4:30 p.m.

The affair will be held in DeSales auditorium, on the campus located at 36800 Schoolcraft road. Proceeds will go to the Felician missions in Brazil and in West Germany.

General chairman of the affair is Shirley Prusinski, chairman of the Apostolic Committee. Sisters M. Hugoline and M. Danutha, moderators of the Sodality Committee, are directing plans for the bazaar.

Today the Felician Sisters conduct five mission places in Brazil. Conducting schools, teaching Christian doctrine, visiting the sick and the poor and the main missionary tasks of the Felician band of 18 American Sisters and 3 native Brazilians. At present, at the Mission headquarters in Nit-aro, an elementary school is under construction and plans are under way to provide a normal training school for native teachers.

Another project aided by Ma-

donna college's mission activities is the Felician mission in Carlsberg, West Germany, where the Sisters carry on Catechetical work, retreats and a series of camp sessions for youngsters between the ages of four and ten.

## OLV Mothers' Club To Meet Tuesday

The March meeting of Our Lady of Victory Mothers' club will be held next Tuesday at 8 p.m. at the church hall.

Arrangements will be handled by Mrs. John Siok, Mrs. Dale R. Richmond, Mrs. Frederick W. Solomon, Mrs. Joseph Scida, Mrs. John W. Swain, Jr. and Mrs. Samuel Stremick.

## CAR Meeting Held Last Wednesday

A "George Washington" program highlighted last Wednesday's meeting of the Plymouth Corners Society of the CAR at the home of Beaky Coolman.

A new member, Dean Herman, joined the group for the first time. The next meeting will be March 20, with Jack Crusoe as

## Students Name Northville Girl To Queen Court

A Northville girl has been named to the court of "Miss Heartbeat" of Cleary college in Ypsilanti.

She is Denise Brady, who with three other girls was named to the court of Joan Losey, the 1956 queen of the Heartbeat Ball.

The crowning was held as part of the annual ball last Saturday night. Some 340 student couples observed the colorful coronation.

Denise Brady

## Schultzes Mark Golden Wedding

Mr. and Mrs. August Schultz of 49780 Hanford road, Ypsilanti, will celebrate their 50th wedding anniversary next Sunday, March 3.

They will be holding open house from 2 to 5 p.m.

The Schultzes are the parents of Elmer of Cherry Hill, Russell of Tecumseh, Roy of Plymouth and Melvin of Lansing, and Mrs. Arnold Heidt of Plymouth and Mrs. Howard Balke of Northville.

## News Around Northville

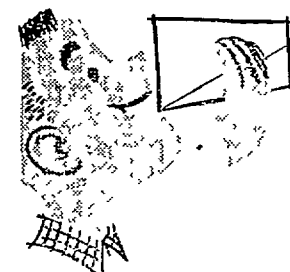

Mrs. Preston Fuller of North Center street entertained eight guests for bridge last Thursday afternoon.

Mrs. Emma Parmenter of Orchard Drive recently returned from an extended vacation in Virginia.

Mary Jane Orlick of Beck road recently joined Mrs. R. G. Nelson of Napier road in Tucson, Arizona. They will drive back to Northville together, returning sometime in March.

Mrs. Louise Cansfield returns today from a two week trip to Florida with her son, Bud.

## Meet Your Michigan

LUMBERING IN MICHIGAN: LUMBERING IN MICHIGAN BEGAN TO ASSUME THE PROPORTIONS OF A MAJOR INDUSTRY IN 1849 WHEN 550 MILLS WERE OPERATING. HOWEVER, THE INDUSTRY REACHED FULL MATURITY IN 1860 WITH 1000 MILLS PRODUCING NEARLY 800 MILLION BOARD FEET OF LUMBER.

EFFICIENCY PLUS: THE MICHIGAN FARMER IS ONE OF THE MOST EFFICIENT PRODUCERS OF SUGAR BEETS IN THE U.S., OR ANYWHERE IN THE WORLD. IN THE PAST 7 YEARS, MICHIGAN GROWERS HAVE INCREASED THEIR PRODUCTION PER ACRE BY BETTER THAN 30 PER CENT, AS COMPARED WITH THE NATIONAL AVERAGE OF 20 PER CENT.

HOW SAGINAW NAME ORIGINATED: THE ENTIRE SAGINAW SECTION ORIGINALLY WAS KNOWN AS "SA-GIN-A-WIE" OR "LAND OF THE SAUKS." THOUGH THE CHIPPEWA TRIBE DROVE THE SAUKS FROM THE REGION, THE SAUK LEGENDS PERSISTED AND THE NAME REMAINED.

MICHIGAN FEATURE SERIES prepared by MICHIGAN TOURIST COUNCIL, No. 93

## Board Instructs Attorney To Fight Incorporation

The Novi township board has decided to contest the February 5 election in which Wixom gained incorporation as a village.

In a special meeting last Saturday, the board gave township attorney Archie Leonard power to fight the incorporation by whatever method he deems best.

The board based its decision to contest the election on grounds that the 64-64 tie vote in the Novi section of Wixom was inconclusive.

(Wixom lies in both Novi and Commerce townships. Despite the tie vote in Novi, Commerce voters carried the issue by voting 189-102 in favor of it.)

The decision to contest the election did not gain unanimous support of the board. Treasurer Charles Trickey, Jr. and clerk Hadley Bachert abstained from voting on grounds that the board should not give unlimited power to Leonard.

Novi officials have opposed the incorporation of Wixom from the beginning, viewing it as still another effort to "chisel away" at the township boundaries. Novi already has two suits pending against the annexation of two township sites to the city of Northville.

Novi's biggest stake in the Wixom question, however, is the multi-million dollar Lincoln plant now under construction within the new village limits. The plant will be the biggest source

of tax money in the area when it is completed.

As long as Wixom remains a village, Novi can continue to tax the plant. But if Wixom ever becomes a city, Novi would lose all taxation power over the giant facility.

Supervisor Frazer Staman said Saturday that Novi might "go bankrupt" if the incorporation goes through. In addition to losing the tax revenue, Novi would have to turn over thousands of dollars to Wixom in division-of-assets proceedings, he said.

"It simply doesn't seem right that part of the township should be taken away without the people themselves favoring it," Staman said. "And a tie vote is certainly not a vote in favor of the incorporation."

The board's action came only two days before Frank Davis, a candidate for trustee nomination two weeks ago, was to begin similar proceedings against the incorporation. Davis had planned to file for an injunction Monday in Oakland county circuit court.

Davis said he would not file a separate action, but would volunteer to serve as the complainant on behalf of the township. This, he said, would avoid a legal argument over the question of whether a township can begin proceedings as a "citizen" — an argument which has held up one of the Northville annexation suits.

Leonard said he hoped to contest the election on the basis of a decision involving a similar incorporation of Walled Lake two years ago. At that time, Circuit Court Judge Frank Doty ruled that a Novi township section could not be taken in as part of Walled Lake.

Doty based his decision on the fact that the Novi section voted down the incorporation, even though the rest of the area in question favored it.

## Students to Sell Fire Extinguishers For Science Trip

Northville high school students will begin selling home fire extinguishers this week end to sponsor a proposed trip to several science museums in Chicago.

Some 43 students in the chemistry, physics and physical science classes of LaGene Quay will participate in the door-to-door drive. The carbon dioxide extinguishers will sell for \$2. Quay describes them as "the best item available for home protection against fire."

The science trip to Chicago is planned for April 17-18. Students will spend most of their time at the city's famed Museum of Science and Industry, and also will visit the University of Chicago, the Museum of Natural History, the Navy Pier planetarium and Buckingham Fountain.

The students will travel to Chicago by train, staying at the Palmer House while in Chicago.

Total cost for each student is estimated at \$29. Part will come from their own pockets and part from the fire extinguisher sale.

## Novi Highlights

Don't forget the Blue Star Mothers card party at the Community Building Friday evening, March 1. Many lovely prizes for the lucky ones as well as table prizes will be yours if you get your ticket. A luncheon will also be served by the committee. For information call chairman, Mrs. Helen Hallaman.

## Novi School Faculty

The Novi school faculty met for their regular monthly business meeting on Wednesday, February 21 with president Ruth Wilcox in charge. New officers elected for the coming year are president, Iva Crane; vice-president, Katherine Penhale; secretary, Marian Boyd and treasurer, Gloria Soulliere.

The band gave a short recital at lunch time Thursday, February 21. The following pupils participated: Ginger Cheeseman, Carol Newbegin, Bobby Taylor, Kenny Hayes, Sharon White, Noel and Sue F'Geppert, Tommy Doan, Jeff Crawford, Roland Goodfellow, David Leavenworth, Christine Larson and Rita Crawford. Mr. Hansor is the instructor.

## Eighth Grade

Mr. McMillan's eighth grade class is having a bake sale Friday, March 1 to help earn money for their class trip.

## Sixth Grade

Mrs. Salow's and Mrs. Penhale's sixth grade pupils went to the Henry Ford museum February 15. Several mothers also attended. They were: Mrs. White, Mrs. LaFond, Mrs. F'Geppert and Mrs. Gombasy, as well as the class teacher, Mrs. Penhale.

Reports on the trip will be given by the pupils for their language class.

Mrs. Salow's sixth grade class appreciated very much the birthday treats of cup cakes, ice cream and candy that Bobby Taylor brought February 10.

Mrs. Salow's class is playing a game in social studies called, "Information Please". Jeff Crawford was champion Friday on questions about Holland and the Netherlands.

Lana Whistle returned from her trip to Florida last Monday.

Fourth and Fifth Grades Mrs. French's fourth and fifth grades met for their regular business meeting February 14 at 2:30 p.m.

The program committee had a talent show. Patty Hildebrand won first prize singing "Zippity Do Da". George Burchfield won second prize by pantomiming "Hound Dog". June Loynes, Diane Eby and Christine Martin won third prize. They sang "To night You Belong to Me".

Mrs. Maloney's fifth grade class has a new boy in their room. His name is Melvin Spicer and he came from Oxford school in Oxford. He arrived at Novi school February 20.

Kindergarten Mrs. Hart's kindergarten children made some butter which they served with crackers to all the children in the room.

Baptist Church News Rev. William Spence of Pontiac was a guest speaker for the morning service at Novi Baptist church. Rev. Spence is a member of the Gideon Society.

Methodist Youth The MYM of the Novi Methodist church are planning a dance for March 23 at the Novi Community Building. The dance will be held for 7:30 to 11:30 for young people over 13 years old. Several boys and girls are tak-

ing roller skating lessons on Saturdays.

## Girl 4-H Club

The Country Slicks will have their next meeting Tuesday, March 5 when plans for pre-achievement day will continue. They will work on their sewing and pantomime.

## Novi Sure Shots

High man for kneeling this week was Robert Smith, 81 out of 100 score.

High man for prone was William Kraist with 94 out of 100 score.

The Sure Shots saw a movie last Tuesday on "Gun Safety". Visitors are welcome.

## Girl Scout News

March 10th, the beginning of Girl Scout Week, the girls will attend the church of their choice in full uniform.

Intermediate Troop No. 494 worked on their skirts at their meeting. Marian Slentz brought treats.

Intermediate Troop No. 492 brought white materials for cancer pads, and also used clothing for flood victims in Huntington, West Virginia.

Brownie Troop No. 602 worked on Girl Scout laws and tenderfoot requirements. Treats were brought by Lynn McDermaid and Lulu Whittington.

Intermediate Troop No. 493 evaluated their valentine party and checked on their cookie sales. Girls are to bring in projects for Mother's Day gifts.

Senior Troop worked on plans for their next Christmas project and completed plans for the birthday party. Jackie Bailey brought treats.

Brownie Troop No. 149 received their World pins. Helen Jean Steenhagen brought the treat

Rebekahs The next regular meeting of the Novi Rebekahs is tonight, Thursday, February 28.

Odd-Fellows The Odd-Fellows are planning a pot-luck dinner and family night for March 5 at 6:30 p.m.

## New Service Manager

The Marr Taylor Ford agency announced this week that Cliff Boyd has been named service manager. Boyd has been an employee of the local automobile agency for nine years.

## Do You Have Any Talent? Here's a Chance to Shine

The Novi Oddfellows are looking for erstwhile township residents who can do back-bends, swallow swords, play ragtime or imitate bird calls.

For that matter, they would like to hear from anyone in Novi who has any talent at all.

The object of their township-wide search for amateur performers is the first annual Novi Oddfellow Talent Show which will kick off sometime late in March at the Novi Community Building. The auditions are open to anyone who cares to take the stage — young or old, male or female, serious performers or off-beat entertainers.

Full details of the extravaganza will be decided on later. Right

now, they merely want to find out who can do what.

A full list of 23 cash awards is ready for the winning performers. The prizes have been donated by Oddfellow members and businesses with which they are associated.

Township residents who are interested in competing in the gala event have been asked to contact Al Porritt (Northville 995-J1), George Kahrl (Market 4-3243)

for the purpose of hearing on assessments  
and for the transaction of other business  
which may legally come before said board.

Frazer Staman, Supervisor

**DOUBLE WINNERS** — Two of Our Lady of Victory students smile over letters telling them they have won scholarships to Ladywood high school in Livonia. Sandy Phillips (sitting), 461 River street, and Maureen O'Brien, 18831 Beck road, are eighth graders at OLV and will begin classes at the all-girl school next fall. The girls competed against dozens of other girls from other communities.

### Freshman Cagers Take 8th Straight

The Northville freshman basketball team rolled up its eighth straight win Monday night as it defeated the Brighton team in a sloppy game by the score of 36-28.

Rog Atchinson was high scorer with 13 points followed by Jim Patterson with 9, Joe Gotro and Wade Deal 6, and Larry Nitzel with 2.

Northville found it hard to hit the basket as they repeatedly missed easy shots from underneath the basket. The foul shooting of Northville was way off as they hit on only four out of 19 tries.

A week ago Wednesday the freshmen defeated West Bloomfield on the home court by a score of 47-26. Coach Don Vaningen used his regulars less than half the game as everyone got a chance to see plenty of action.

Once again it was Atchinson who lead in the scoring with eight points.

### Vets, Auxiliary To Install Officers Sunday Afternoon

Benton Parkway Barracks No. 267, Veterans of World War I, and the ladies auxiliary will hold a joint installation of newly elected officers Sunday at 4 p.m. at Memorial Community Veterans' Center, Plymouth.

World War I veterans and their wives are invited to attend. Refreshments will be served.

Edwin Slater, 6th District, senior vice commander, and Mrs. Emma Wheaton, department president, will install the new officers.

The following officers will be installed: commander, Thomas Harney, Farmington; senior vice-commander, Arthur Carlson, of Northville; junior vice-commander, Herbert Treadwell, Plymouth; quartermaster, Edwin N. Brown, Plymouth; chaplain, Arthur Adamson, Plymouth; judge advocate, Leo J. Richert, Livonia; two year trustee, Earl P. Hanlan, Garden City; three-year trustee, Vincent Sheline, Livonia.

Ladies auxiliary officers elected are: president, Violet Brown (re-elected), Plymouth; senior vice-president, Lila Hagadorn, Northville; junior vice-president, Agnes Sheline, Livonia; treasurer, Mary Harney, Farmington; chaplain, Bea Carlson, Northville; conductress, Irene Treadwell, Plymouth; guard, Renie Boyce, Dearborn; three-year trustee, Isabel Luke, Plymouth.

The purpose of the World War I organization is to secure for all World War I veterans a pension of \$100 per month at the age of 60 years with no strings attached and hospitalization in veterans' hospitals without signing a pauper's oath.

## Paul Keeps 'Em Guessing With Weekly Cage Contest

Basketball continues to be big business at Paul's Sweet Shop these days.

More than 30 Northville students have gobbled down banana splits, malteds and sodas in the past few weeks for their skill in picking the scores of Mustang basketball games.

An average of 125 students take a crack at the scores each week, according to proprietor Paul Folino.

In recent weeks, competition has been so keen that as many as six students have tied for a prize. Winners get banana splits, while runners-up and third place winners receive malteds and sodas.

Closest game recently was the Northville-Milford contest. The winners — Mike Myers and Richard Milne — were only one point off.

But in the Clarkston-Northville guessing, only three students picked Northville to lose. The loss was their win, of course.

Winners in the past five contests:

Clarenceville game: 1 — Bernice Walker and Jim Burrell; 2 — Bill Smith, Pat Meyer, Dick Buckley and Harry Sedan; 3 — Frank Bosak and Jim Strange.

Milford game: 1 — Mike Myers and Richard Milne; 2 — Max Dillenback and Gloria Hollis; 3 — N. C. Schrader and Larry Nitzel.

Holly game: 1 — Glen Grammont; 2 — Roy Homer; 3 — Dick Buckley.

Clarkston game: 1 — Jack Bailey; 2 — Jerry Segler; 3 — Harry Sedan.

Thurston game: 1 — Dick Burton and Tom Andrews; 2 — Sandy Mooney, Bonnie Burnham, Bob Starnes and Spike Walker; 3 — Rusty Weston, Don Saunders, Karen Shipley, Sue Blackburn, Kay Miller and Priscilla Hill.

## 1—CARD OF THANKS

Many thanks to doctors and  
staff at Atchison Memorial Hos-  
pital for the kindnesses shown  
me during my stay. The care re-  
ceived made me think I was in  
Ford Hospital for they were so  
wonderful there, too.  
Esther Barehart

We wish to thank the Rebekah  
Lodge, Heene Funeral Home,  
friends and neighbors for their  
many acts of kindness after the  
loss of our husband and father.  
Also Rev. Schultz for his com-  
forting words.  
Anna Ortwin  
and family

We are sincerely grateful to  
Sessions hospital, Rev. Hodgson,  
friends and neighbors for their  
many kind acts of sympathy dur-  
ing our sad bereavement. Our  
appreciation cannot be adequate-  
ly expressed.  
The William Smith Family

## WATER SOFTENERS

Factory rebuilt and refinished  
softeners of many well known  
makes at sensational prices.  
Sizes from 30,000 grains to  
100,000 grains — from \$50.00.  
All guaranteed. It is better to  
buy a good reconditioned well  
known make of softener than  
a new one of unknown quality.  
These softeners have been  
traded in on new Reynolds  
Automatic softeners and we  
stand back of them.

It will pay you to see us be-  
fore you buy any softener.  
Every type and size of manu-  
ally controlled, semi-automatic  
and the wonderful Reynolds  
fully automatic softeners on  
display. You can't beat the  
best and you can't beat our  
values. Come to see us or call  
collect for a representative to  
see you.

## Senator Potter reports

... the latest news from Washington of special interest to Michigan ...

A BARRAGE of budget mail has hit Capitol Hill and my office is no exception. Scores of letters are pouring across my desk, expressing all shades of concern — from mild disapproval to grave apprehension — at the size of the federal budget.

I share that concern. Seventy-two billion dollars is quite a bit of change for Mr. and Mrs. America to spend in a single year. While I am confident that Congress will be able to whittle this out-size spending program, I would be less than candid if I predicted monumental savings.

As a member of the Committee on Appropriations, I have the task of trying to effect economies on the President's money requests. You may be sure that I shall work vigorously to trim the budget, without detriment to our national defense and essential government services, and with the aim of providing some well-deserved relief for the American taxpayer.

My thanks go to every one of you who have written me about this. Opinions from home are precisely what I want and need to perform satisfactorily as your Senator.

QUETLY, but very effectively, in 15 Michigan cities, and across the nation, Recovery, Incorporated has been working wonders with nervous and former mental patients. I was so impressed with Recovery's self-help system that I asked the National Institute of Mental Health to study their work.

Now under way, the study will determine whether Recovery's methods should be adopted by hospitals and mental institutions. Since 1937, when the late Dr. Abraham A. Low developed the self-help technique, Michigan has

played a leading role in the work. Mrs. Treasure Rice of Brighton, who has spearheaded Recovery in our State, reports that 1,200 persons in 90 groups are meeting weekly in Michigan alone. Recovery has operated without public financing or appeals for funds. If the NIMH study team reports favorably, Recovery's pioneering methods will be brought within reach of additional thousands of people, a significant advance on the frontier of mental health.

A NEW-PANGLED four-syllable word — automation — lies behind legislation which I am sponsoring. Automation is bringing greater miracles of production within our reach, but it is doing so by replacing men with machines. It wipes out certain types of jobs at the same time it creates a need for more highly-skilled positions. Last summer, for example, the United Automobile Workers listed these highly skilled jobs as needed for the age of automation: tool and die, millwright, machine repair, hydraulic, electricians, sheet metal, metal patternmaking and pipefitting.

There is a distinct shortage of facilities to train people for such jobs. Last week I joined 34 other Senators of both parties in sponsoring a measure to assist the states to expand vocational training facilities. The measure encourages States and local communities to develop vocational programs of less than college grade in keeping with local, state and national needs and sets up a system of matching-fund assistance.

The future of America is tied to the skills and productivity of our people. Any effort to build these deserves prompt Congressional action.

## A Report to the People

**JOHN B. SWAINSON**  
State Senator  
There has been considerable discussion on whether or not the State Highway Commissioner should be elected or selected by appointment.

Did you know that Michigan has the unique distinction of being the only State in the Union that elects its highway commissioner? Unfortunately, there would be no pride in distinction unless its benefits Michigan's people.

There have been claims that the administration has been overly critical of the present highway commissioner. Let's examine the picture more closely: We elect our Governor and we also elect our highway commissioner. At present, they happen to be of different political faiths. What is more, we elect our highway commissioner for a longer term despite the fact that he, actually, becomes a member of what constitutes the Governor's "cabinet". In consequence, an explosive political situation is created by the very procedure involved, regardless of the individuals concerned.

To date the singularly great power vested in the highway commissioner has resulted in less highway construction and repair for the people of Michigan who pay for highway construction and maintenance. If the Governor, any governor, says he can build the needed network of highways more quickly and economically — and if the people of the State

elect and re-elect that governor on the basis of his program — it would seem the wiser risk to give him the chance, and we can do this only by letting him have the authority to do the job. Obviously, he would shoulder the blame if the needed roads are not built.

Regardless of politics, we allow the President of the United States to appoint his cabinet, and — regardless of their performance — he is responsible for the total effect of the whole cabinet and its individual members. This is based on the sound recognition of the fact that the President represents a program for which the people have voted, one they believe he will accomplish. The cabinet is part of the executive branch of the federal government responsible to the President.

Cabinet status for the highway commissioner (and the Superintendent of Education) would be as appropriate in Michigan as it is in the United States. The other 47 states have come to this conclusion after a variety of experiences. It is time — judging from our present highway, over-time — that we do the same.

It should be noted that the proposal to do this was brought up in the legislature this month. Unfortunately, the change in status, from the elective to the appointive highway commissioner, could not have been completed before the spring election. We agreed to wait until after April 1 to decide on legislative action on the issue.

**NORTHVILLE TOWNSHIP BOARD OF REVIEW WILL MEET**  
**MARCH 5th, 6th, 11th, 12th**  
at the TOWNSHIP HALL  
16860 Franklin

### Readers Speak Up:

## EX-NHS TEACHER IN MISSILE WORK

To the editor:  
Effective March 8, my address will be as follows:  
Carl H. Zwinck  
Apt. 101  
1708 Race Street  
Philadelphia 3, Penn.

I am moving downtown because the offices for the Missile and Ordnance Systems Department of the General Electric Company are moving March 8 to the Suburban Station Building, directly across the street from the new Sheraton Hotel in the Penn Center area.

As the Education and Training Specialist there, I am in charge of 30 classes we teach within the Department and various other programs. Our co-operative students include graduate engineers from M.I.T. and local schools. We recently added three students from the University of Detroit.

Our research and development activities on IOBM and other defense contracts will move into new buildings at Valley Forge in about two years. We have over 2,000 employees each in Pittsfield, Massachusetts, and Philadelphia.

I am also in charge of an "Opportunities Unlimited" program which will present television programs, motion pictures and demonstrations to junior and senior high schools in five Pennsylvania and five New Jersey counties. Lectures by engineers will be included. This program is designed to encourage students to study mathematics and science so that they can enter careers in the electronics industries. The program is sponsored by the Franklin Institute, Institute of Radio Engineers, and most major electronics industries in the Delaware Valley area.

As a former NHS science teacher, I am glad to know Northville will soon have a new high school. The Record has been supporting worthwhile projects such as better schools and has an important part in shaping the destiny of the community and its citizens.

Sincerely,  
Carl H. Zwinck

**WHO IS HERB KOESTER?**

Because so many residents of Novi Township have asked for more information about the Democratic candidate for supervisor, we are publishing this article written about Mr. Koester in the May 1949 edition of "Tuebor", Detroit Police organization official newspaper.

**Herb Koester Was a POLICEMAN --- First, Last and Always!**  
By PATR. BERNARD DAVIDSON

In Patr. Herbert Koester, we found the kind of man it takes to be a POLICEMAN. Honest, efficient, progressive and hard working. To those who knew him — or at least thought they did — he was always fighting for the rights of others.

This applied primarily to police work. He did his job well and thoroughly, forever striving to do better. There were those who did not think so—but opinions, based on personal likes or dislikes are rarely correct. But Herb was liked by almost everyone with whom he made contact.

Those who were close to Herb in his work as Representative of the D.P.O.A.—both at the Motor Division and at No. 13—and later as Vice-President of the D.P.O.A., were the only persons who really actually knew him. Even some of these only knew the part of him that he wanted them to know.

An easy going guy, Herb was strong willed and underneath it all knew what he wanted and how he intended to get it. He never used any officer as a stepping stone to further his ideas and he never sold anyone down the river.

Herb spent many years on the City Pension Board, fighting for the rights of both his fellow-officers and the City. There were many times he knew, deep in his heart, that some officer was trying to get a pension that he didn't deserve, and in sticking up for the City in such cases, he probably made a few enemies—but by the same token, he made many more friends. Those who had a pension coming, by virtue of a legitimate claim, always received a vote from him in their favor.

Better known to most officers for his work on the various D.P.O.A. committees and in particular as chairman of the initial Hospitalization Committee, Herb reached the peak of his career as chairman of the Executive Board and later as Vice-President of the Association.

Many are the achievements of the Association and, with proper approach to those in authority, there can be many more. More than likely there will be many of us who will retire or leave the Department before some of these things are achieved—but while we are here, let's use our right to vote into office those officers who will continue to do as have men like Herbert Koester.

## Outdoor Art Show Planned for June

Paintings of people and places of interest in Northville, Plymouth and Livonia will highlight the June outdoor art exhibit to be given by the Three Cities Art Club.

Also exhibited will be ceramic mosaics, silver jewelry, and designs in wood, executed by this group of amateur and professional artists and craftsmen.

Rev. John Taxis of the First Presbyterian church has offered use of the church front lawn and parking lot for the first exhibit of the group during the third and fourth week ends in June.

At their last meeting at the home of Mrs. Harold Hartley, members brought paintings for general discussion and criticism. On March 12, they will conduct a workshop in ceramics and a "little show" of what members plan to exhibit at the outdoor show.

## Northville Portrait

Northville will get a good look at itself in today's Detroit News.

As part of a weekly series on suburban communities, the News today is portraying Northville in a picture-story on the back page.

The story was done by Don Tschirhart, the News' suburban reporter for the Northville area, and photographer Eric Stylander.

## To Meet Next Week

Novi township Republicans will assemble next Thursday to lay the groundwork for the coming township election campaign.

The meeting is open to all township Republicans. It will begin at 8:30 p.m. in the Novi Community building.

The assembly was called by Dirk Groenenberg, president of the Novi Township Republican club.

**MUSTANG MOUTHFULS** — Heaping portions of pizza pie and spaghetti go down the gullet at the annual eat-all-you-want supper that Northville basketball coach Stan Johnston has for his team each year. Johnston picks up the tab, and Paul Polino makes the grub at his Sweet Shop. (Says Johnston: "We do this in the middle of the week so that they have a couple days to work it off before the next game.")

## Approve 96-Home Subdivision in Novi

Novi township board members gave final approval Saturday afternoon to a 96-home subdivision to be located at Beck and Eleven Mile roads.

It marks the first major subdivision to get underway in Novi since construction began at Willowbrook Village two years ago.

The project, to be developed by the Keith Metcalf company of Farmington and Novi, will be known as "Pioneer Meadows". It covers 40 acres of land purchased by Metcalf from Andrew Burgess.

Metcalf stated that building will begin immediately and that models will be ready in April. Approximately 45 homes will be constructed this year.

According to Metcalf, various contractors will build the homes. The subdivision itself will have blacktop roads. Average lot size will be 100 feet by 120 feet.

The homes will be three-bedroom ranch style and of brick construction. They will have attached garages, individual septic tanks and wells. Price of the homes will range from \$14,500 to \$17,500, Metcalf said.

The subdivision extends more than 2,000 feet along Beck road and nearly 800 feet along Eleven Mile road. First models constructed will face the roads. Blacktop roads within the subdivision will extend the length and form a "figure 8".

The plat was first presented to the township board last December. It was approved as members met in special session Saturday afternoon. The new homes are expected to attract many new residents brought to the area by the new Lincoln plant, scheduled to open in April.

## FOOT-SAVING EDUCATION

By JIM HOUK

In a national publication, a famous foot doctor reported that three out of every four develops foot trouble in the first twenty years.

He said, "Since most foot trouble is caused by ill-fitting shoes, parents should learn how to select the right shoes for their children as they grow up."

To help interested parents, this writer will answer questions in a weekly column. Mail your question to

## Dial Exchange

(Continued)

"Dr. Snow, do you honestly feel that this will mean dollars and cents to Northville?"

"It certainly does," replied Snow. "It's an emergency. Northville has been given these early dates and now must provide stables so the horses can train here." The drivers would like to bring horses in immediately, he said. One hundred horses are now housed in the old barns. Approximately 240 could be accommodated using the new barns.

Members of the committee were sympathetic but stated that it was not within their power to grant immediate change to zoning. Ebert pointed out that the new barns were available for limited use mainly because the racing commissioner said the old barns should be rebuilt.

The meeting closed with the suggestion that emergency use of the barns this spring might be granted by the council. Dr. Snow stated that he would take his appeal to the council when it meets next Monday evening.

## POPULAR CHRISTIANITY!

In my devotions this morning I came across this verse in John 7:7.

"The world cannot hate you; but me it hateth, because I testify of it, that the works thereof are evil." That generation of people who lived in Christ's day hated God's Son because His holiness of life condemned the worldliness of theirs. And, if the Lord Jesus lived on earth today the results would be the same. How long will it take churches and Christians to realize that there can be no popularity with the world if they would be truly Christian? The world has not changed. It will still hate those who condemn the evils which they practice. When a Church or a Christian is popular with the world it is indeed an evil omen, for they have compromised to where they no longer reprove the sins of the world. There are those who have attempted to affect a compromise by teaching what the Bible teaches and practicing what the worldly crowd approves — others have watered down their messages so that they are neither for Christ nor against Him. Such should heed solemn warning given to the Laodicean Church in Rev. 3:16, "So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth."

## NHS Band Plays Its Way To Highest District Honors

The Northville high school band added another feather to its musical cap last week.

The band was one of three groups to take highest honors in the district judgments of the Michigan School Band and Association in Plymouth Saturday.

As a result, the three bands will go on to the state judgments in Ann Arbor April 27.

Each of the three bands — Oxford and Clawson, in addition to Northville — received the highest possible rating from each of four judges.

In the judgments, each band played a march, overture and required number before a concealed trio of judges. Afterward, each band played two numbers from sight before a fourth judge.

The four judges were: George Cavender, University of Michigan; Al Wright, Purdue University; Roy Miller, Wayne State University and William Johnson. Last year, the Northville band

took top honors in the district judgments and went on to take a high rating in the state judgments.

Earlier this year, the 65-member band, conducted by Leslie Lee and Robert Williams, dominated the all-Wayne-Oakland league selections. Northville took 12 of 16 first places.

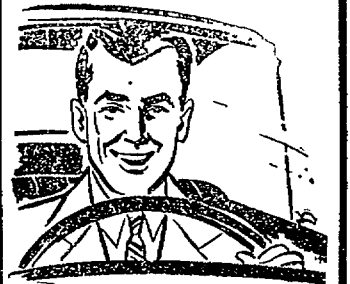

The competition in Plymouth Saturday included schools from out-Wayne, Macomb, Oakland, Monroe and Washtenaw counties. Among the Class B schools represented were: Warren, Lake Orion, Ypsilanti, Lincoln, Thurston, Clarkston, South Lyon, Willow Run, Warren, St. Clair Shores, Oxford, Milford, Clawson, Troy, Harper Woods and Milan.

On Monday, the band travelled to Redford Union high school to present an assembly before the student body. Bandsmen were hosted at lunch by the Redford Union students.

# Nick's New Life in Northville

The Northville Record

SECOND OLDEST NEWSPAPER IN WAYNE COUNTY—EST 1868—Thursday, February 28, 1957—9

TALE OF ESCAPE — Young Nikolas Zvolinski tells his aunt, Mrs. Peter Stoianoff, how he fled his native Yugoslavia after nearly being thwarted by two secret police detectives. Nick now is looking for a job as a barber in the Northville area. Meanwhile, he is content to catch on to American life.

If it hadn't been for a few quarts of wine and two greedy secret policemen, Nikola Zvolinski probably would not be in Northville today.

Young Nikola, 19, arrived two weeks ago at the home of his aunt, Mrs. Peter Stoianoff, 10045 Six Mile road. It was the end of a long escape road that brought "Nick" from his home in a small Yugoslav village, through Austria, and finally to America.

But one day more than a year ago, Nick was not certain he would make it.

He was on a west-bound train, going to meet a friend in a village near the Austrian border. The two young men had made deliberate plans to escape. Nick's friend had taken a job as a cabinet maker in the village two weeks before, and was to scout the border area. When Nick arrived, they would leave together.

But on the train, two secret service detectives entered Nick's compartment. What, they asked, did Nick have in his suitcases? Nick's reply was truthful: wine and clothes.

Without bothering to check his papers or question him further, the secret agents opened his suitcase and seized a bottle of wine. Miles later, as the train pulled into its destination, the detectives were in no condition to worry about the young school-boy. Nick got off the train, met his friend and two days later they crossed through the mountain wilderness into Austria.

Nick stayed in Austria for more than a year, working off and on as a barber and farm hand. It was a drifting period in his life, as he wondered what the next step would be.

Finally, he contacted the American consulate in Vienna — and surprised the officials with proof that his mother had been

born in America. Though she had since returned to Yugoslavia, her sister — Nick's aunt — was still in the U.S., living in Northville.

With the National Catholic Welfare Conference coming to his aid, papers were arranged for his entry into the U.S. But then came the Hungarian revolt, and all available transportation was requisitioned to carry the weary freedom fighters to the States.

But Nick's turn finally came, and on February 12, after more than a year of trying, Nick arrived at his aunt's home near Salem.

Nick has spent the past two weeks getting accustomed to life here. But soon he hopes to begin working. A barber by trade, Nick would like to follow his profession here. But neither he nor his aunt knows just where to begin.

Meanwhile, Nick's thoughts constantly go back to his family in Tito's Yugoslavia. His father, mother, sister and two brothers still must endure the life he fled.

He remembers how Tito spoke of the "glory of the worker," but dressed in gold brocade and lived in sumptuous palaces. He remembers how his family had to stand in line for food — food that was often provided by American shipments, at that.

He remembers all the aspects of tyranny there, and believes it will not last long. A revolt, Nick feels, is certain. And Tito, too, knows it is coming, Nick says, for the Yugoslav dictator has acquired a palatial hideout in Switzerland for a haven to which to flee.

Now, however, it is in the past. And Nick already is becoming used to American life. To prove it, the smiling young Yugoslav proudly points to his new wardrobe. Among his new clothes: a smart new Ivy league shirt and a pair of shining black loafers.

YOU'D CRY TOO — if you were only three weeks old and already had a couple of teeth to worry about. Little Ronald Buck went to the dentist to have them out, but the dentist decided it would be best simply to file them down. Ronald has the first set of premature choppers ever known in his family, according to his mother Mrs. J. F. Buck, 24350 LeBost, Willowbrook Village.

## Easter Seals to Have 'New Look'

A new look in Easter Seals will be introduced when the 1957 messengers for crippled children and adults go into the mail in Northville on March 15.

A sheet of assorted seals consisting of two sizes and designs as well as a "We Have Given" sticker for contributors to display are included in the new combination.

The sticker, which appears in

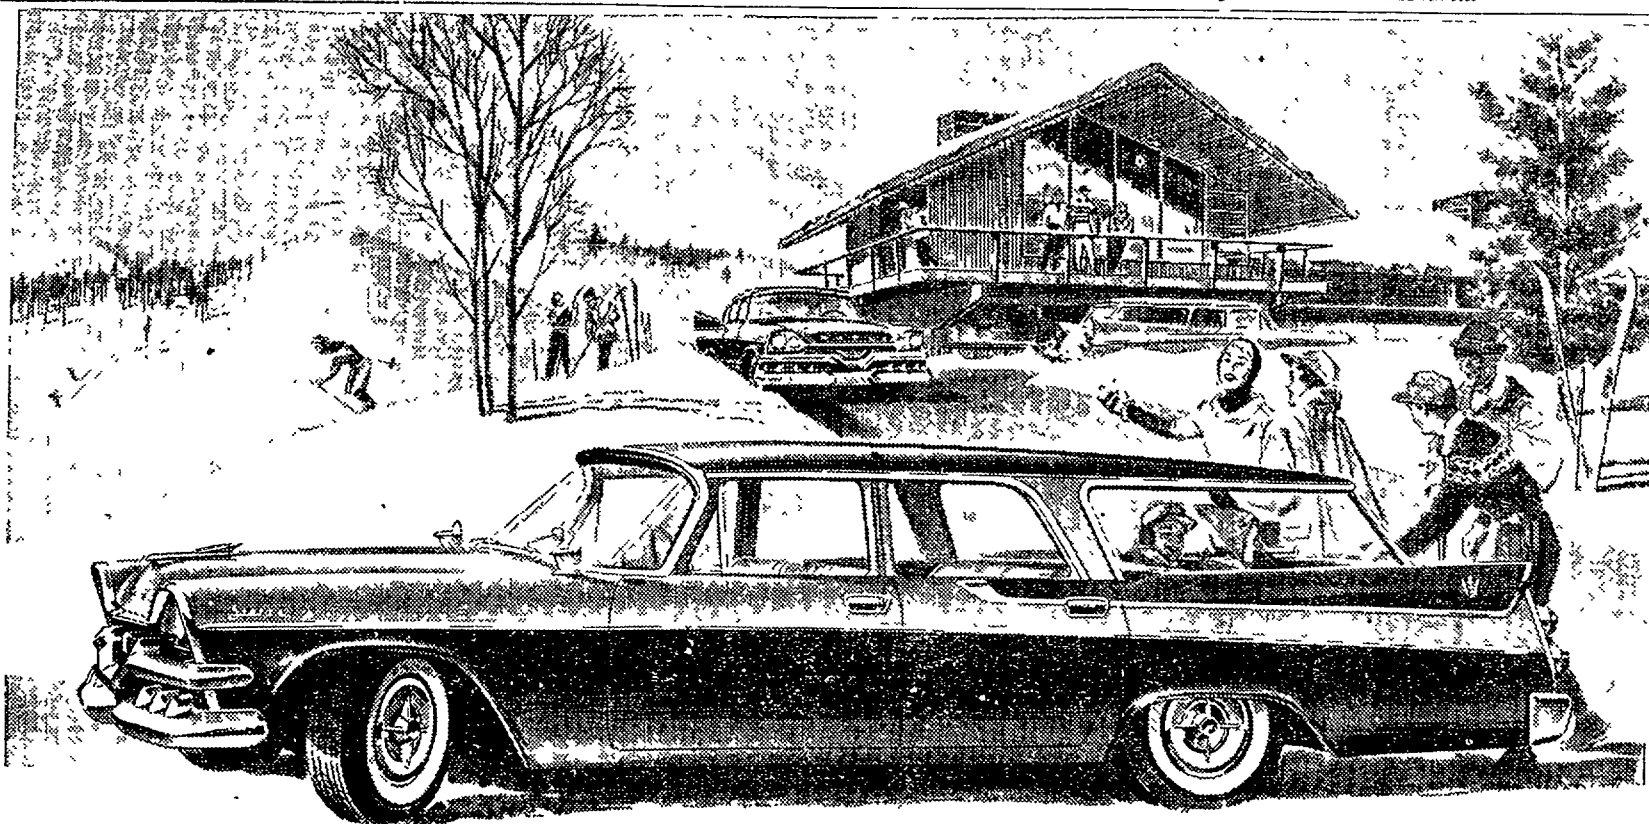

the center of the sheet, is a duplicate of the billboard and other posters which will be used in promoting the campaign. It shows an inviting boy with a crutch asking contributors to "Give Easter Seals".

Contributors are urged to help promote the campaign by displaying the sticker on windows or doors when they have mailed

their Easter Seal contributions.

Highly stylized with floral motif, the 1957 Easter Seals are in tones of red and blue.

Approximately 90 per cent of the funds raised during the annual Easter Seal campaign finances services within the state where raised. The remainder goes to help support a national program of service, education and research.

## Coaches to Go Against Lions Wednesday

A fearless foursome of Northville coaches — aided by a couple of their counterparts from Plymouth — will meet the mighty Detroit Lions on the basketball court here next Wednesday.

The local all-stars and Lions cagers will tangle at the North-

ville Community Building at 8 p.m.

The star-studded Northville-Plymouth lineup was unveiled this week. It includes:

Al Jones — Northville athletic director

Ron Schipper — NHS football coach

Stan Johnston — NHS basketball coach

"Dutch" VanLingen — NHS assistant football coach

John Sandmann — Plymouth athletic director

Mike Hobin — PHS football coach

Glen Howarth — former NHS basketball star

Darwin Teschka — former NHS cager

Opposing them will be a select squad of Detroit Lions who have spent the past few weeks on the special-event circuit. Among the

Lions will be: Sonny Gandee, Charlie Ane, Dorne Dibble, Norm Swanson and Jug Girard.

Said Northville's Johnston, working out this week in a sweat suit:

"We may not (puff) beat the Lions (puff), but we'll sure give them a (puff) battle. We plan to run them (puff) off their feet."

The benefit game is sponsored by the Northville Exchange club under the chairmanship of Doug Slessor.

All proceeds from the event will be used by the Exchange club for its charity work with Northville youth. According to Slessor, half will go to a scholarship fund and half to the Northville Modified Auto club.

Tickets may be purchased from Exchange members, from many Northville businessmen, or at the door.

Halftime will feature a game between two junior squads from Northville elementary schools. The contest will see either seventh graders oppose eighth graders, or fifth graders going against sixth graders.

Slessor explained that the Lions' exhibition schedule is designed to help keep the pro football stars in good physical shape during the off-season.

## Track Mark Tied By Northville Colt

A Northville-bred colt recently equaled the track record in winning an added stakes race at New Orleans fair ground.

He's First, two-year-old colt bred at the Kosiba farm outside Northville, covered the five-sixteenths mile track in :26 1-5 to take the \$5,000 added Duncan F. Kenner Stakes.

It was the colt's second start of his career. He went to the post at odds of 20-1 and paid \$49, \$10 and \$5.80.

"He's First" is the first offspring by former Detroit favorite "Hezahoney" to reach the races. He is owned by Grace Kosiba of Detroit.

## Cager of the Week

JOE-EARLY is playing his first varsity sport for Northville as a member of the Mustang basketball team. A guard, Early is 5' 11" and weighs 155. Early is a senior and expects to enter the navy after he graduates. He is the son of Mr. and Mrs. Charles Early, 27730 Novi road.

# Mustangs Get Back on Winning Path

## Clarkston Takes Share Of W-O Title

The Northville Mustangs got back on the winning path Friday night with a nonconference triumph over Thurston, but saw their last hopes for an outright league championship disappear.

The Mustangs downed Thurston, 61-59, in a thriller fighting off two desperate attempts to overcome commanding Northville leads.

Meanwhile, Clarkston ended its season by walloping Holly and taking a share of the Wayne-Oakland title. Northville can now hope for a tie at best.

Northville's win over Thurston was the second of the season. The Mustangs had dropped the same squad, 71-52, in early January.

The Mustangs twice saw strong leads vanish in the contest Friday night. After building up a 16-6 first-quarter lead, Northville lapsed during the second period and allowed Thurston to make the half-time count a narrow 28-27.

In the third quarter, the Mustangs again moved ahead, leading 48-39 at the end of the period. But once more Thurston's oases began pressing, and fell short by only two points at game's end.

Northville forward Dick Biery, returning to action for the first time since mid-January when he was put out of action with a bad knee, paced both teams with 23 points.

Biery played the entire game without committing a foul.

Forward Jeff Goodrich was at his best in Northville's third-period push when he bucketed nine rapid points.

Hottest shot for the entire game, however, was Thurston forward Joe Bird, who put in five quick baskets in the second period. Bird hit again in the fourth quarter to net a game total of 21 points.

The Northville guards again found fouls mounting up against them. Mac Burns went out in the fourth period, while Bell managed to hang on with four fouls. In the Mustangs' first league loss to Holly, both guards had to leave the game on fouls.

Ironically, Northville was at its shooting best in the second period. Though Thurston took that period to move in on the Mustangs, Northville sank 40 per cent of its shots—its best mark of the evening. In the other periods, Northville hovered close to the 33 per cent mark.

Northville's winning margin may have come on the free throw line. The Mustangs converted a strong 61 per cent of their shots (11 of 18) while Thurston was able to hit on only 42 per cent (nine of 21).

### IS IT TRUE?

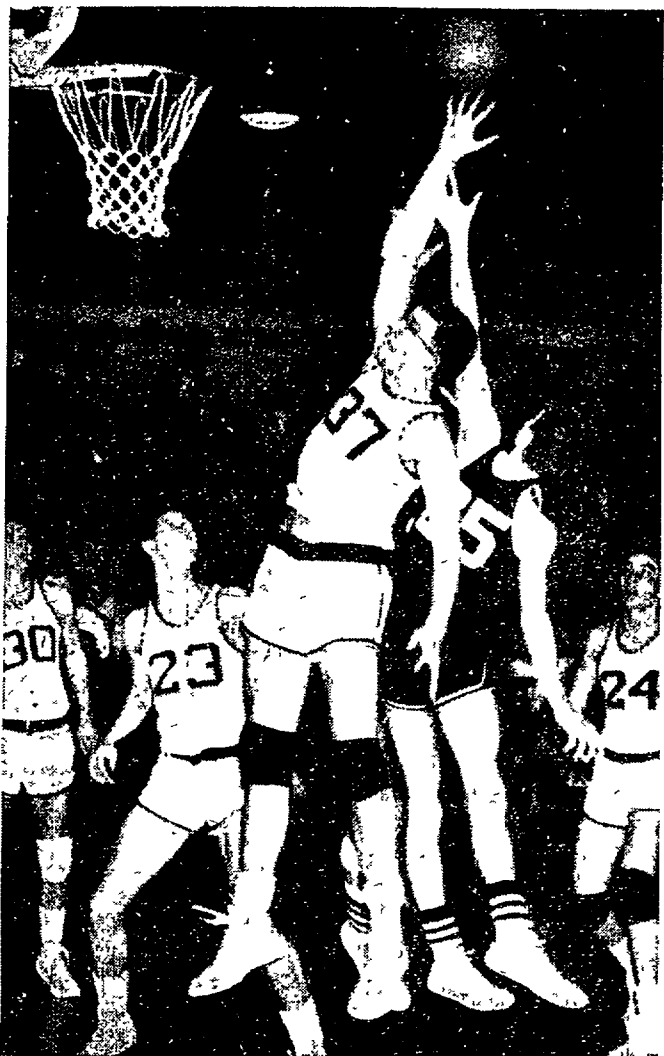

Customers always come back for more, once they try us. We always have time to assure your complete satisfaction.

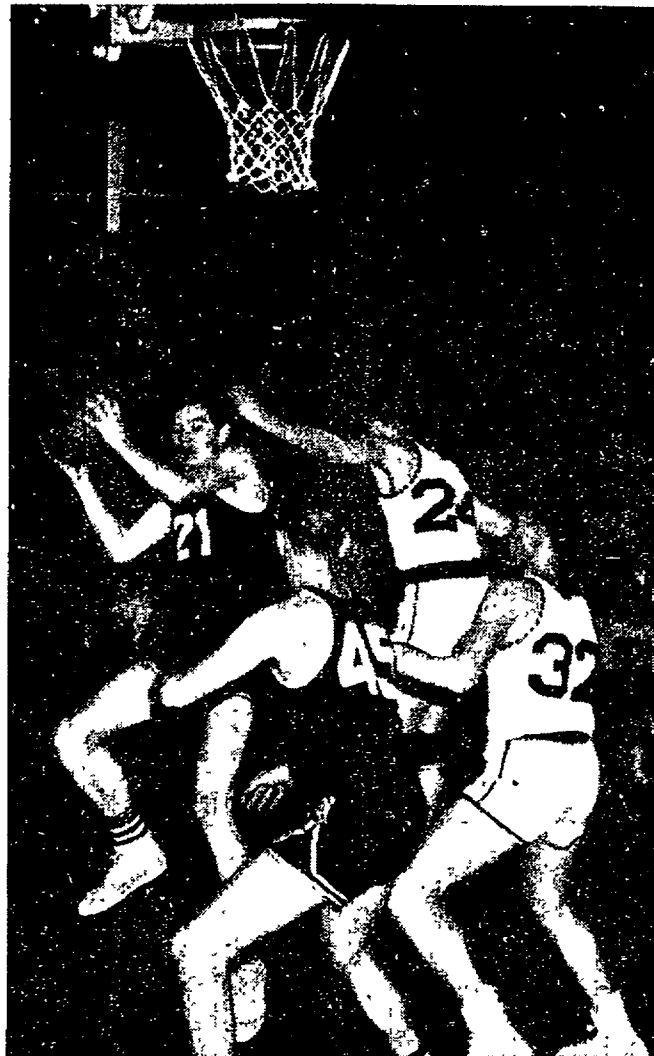

Answer  
**TRUE**

### NOVIBUILDING SERVICE

NORTHVILLE 783-J  
FARMINGTON GR 4-6695  
44109 GRAND RIVER

**ONE MAN AGAINST THE MUSTANGS** — Thurston's Joe Bird seems to be fighting a one-man battle against Northville, especially against giant Jeff Goodrich who is outjumping him by almost a foot. Bird had his better moments, however, and scored 21 points for Thurston. The effort was in vain, though.

**ME SCALPUM** — Dick Biery (24) looks ready to apply a tomahawk to a Thurston player's hair-do. Actually, Biery doesn't have a handful of hair; it's just the camera angle. Biery did scalp the Thurston squad by dumping in 23 points, however.

### Gets Exclusive Use Of Holstein Name

Harry Pinson of Northville has been given exclusive use of the name "Pinson" as a herd name in registering his purebred Holstein-Friesian cattle.

The prefix name was granted and will be recorded by The Holstein-Friesian Association of America in Brattleboro, Vermont.

Over 1170 prefixes were reserved for breeders in 1956.

### Mayoral Exchange Being Worked On

The groundwork is being laid for another exchange of more than 500 mayors and village presidents during the annual "Michigan Week" celebration in May.

Northville again will participate in the program. Last year, Mayor Claude Ely exchanged office with Saline Mayor Henry Leuthener.

Michigan Week will be observed May 19-25. The actual exchange of mayors will occur on May 20.

A committee headed by Mayor Anthony Balice of Ionia will meet in Lansing March 11 to conduct a drawing to determine which cities will exchange mayors.

During Michigan Week, communities plan and carry out a program of events for the visiting mayors.

### Third-Quarter Spurt Gives Colts Victory

The Northville Colts broke open a tight ball game with a third-quarter spurt Friday night to down the Thurston junior varsity, 53-37.

The Colts held a 22-20 half-time margin, but outscored Thurston 21-4 in the third period to wrap up the game.

Bob Starnes, with 15 points, and Pete Gross, with 14, led the Colts.

## FORD IS AMERICA'S WINNINGEST CAR!

For 1957, Ford's off to a flying start on the NASCAR Short Track, Convertible and Grand National Race Circuit—with more points than all other cars combined!

And now—just in from Daytona—seven more Ford firsts!

- A 300-hp 1957 Ford V-8 out-accelerated all other low-priced cars in the standing mile competition.
- A 1957 Ford Sunliner outclassed all other low-priced cars in the 160-mile National Convertible Championship Race.
- A modified Ford Thunderbird, running in the Experimental Class, out-accelerated every other car in NASCAR history.
- A modified Thunderbird topped every American Sports Car, finished first in its class and placed second to Europe's fastest sports car at the National Amateur Sports Car Race.
- A standard production Thunderbird took first place in the flying mile—outperforming all sports cars made in America.
- A modified Thunderbird won the flying mile in the fastest time made by any car at Daytona this year.
- And a Ford Thunderbird topped the field in acceleration from a standing start in Modified Sports Car Class B.

It was Ford Thunderbird power that set a new stock car record at Indianapolis, too... and powered the '57 Ford to 458 world endurance records at Bonneville, Utah.

## Northville Can Tie for Title

The 1956 basketball season will come to a close tomorrow night with the Northville Mustangs highly favored to tie for the Wayne-Oakland championship.

Northville will take on weak West Bloomfield at Keego Harbor while the rest of the league rounds out its season's schedule.

A win for Northville over West Bloomfield — which has a 1-10 league record — would give the Mustangs a share of the W-O title with Clarkston.

The Wolves assured themselves of a co-championship Friday night when they dropped Holly, 65-51, for their sixth straight league win. Clarkston has not lost since Northville posted a 43-37 defeat on them in January.

Northville's tingling 61-59 defeat of non-conference Thurston Friday night did not affect the league standings, though it put the Mustangs back on the winning track after two successive league losses the previous week.

In other games Friday, Brighton took a strong hold on third-place by downing Clarenceville, 63-62. Clarenceville coach John Trulo announced after the game that he would quit coaching the hapless Trojan squad "because I just can't seem to get my boys to win."

Milford pushed West Bloomfield into the W-O cellar by handing the Keego squad its ninth straight loss, 63-48.

The schedule tomorrow night also will see battles for third and fifth positions in the league.

Brighton (7-4) will take on Milford, and Holly (6-5) will meet Clarenceville. Brighton and Holly are vying for the third spot in the league, while Milford and Clarenceville are neck and neck for fifth.

Clarkston has completed its regular schedule and will not see

action again until tournament time.

**CHRISTIAN SCIENCE CHURCHES**  
Main and Dodge Streets  
Plymouth, Michigan  
The vital significance for people today of Jesus' healing works will be emphasized at Christian

Science services this Sunday.

Scriptural passages in the Lesson-Sermon entitled "Christ Jesus" will include the Master's reply to the disciples of John Baptist who questioned his mission (Luke 7:22): "Then Jesus answering said unto them, Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read (131:26-30): "The mission of Jesus confirmed prophecy, and explained the so-called miracles of olden time as natural demonstrations of the divine power, demonstrations which were not understood. Jesus' works established his claim to the Messiahship."

## from the PASTOR'S STUDY

The Rev. John O. Taxis, Pastor  
First Presbyterian Church, Northville

Too often the young people of our Land are accused of being "shallow and scatterbrained" when it comes to their religious attitudes. I confess, at times, they would "try the patience of a saint" and that at such times I too am inclined to agree with the charge.

It was therefore with a good deal of pleasure that I read a resume of impressions formed by a rather distinguished visitor to our country when asked about the American youth. The Reverend Mr. W. Scott Morton from Scotland visited our Land last summer under the sponsorship of the World Council of Churches and upon his return home summarized his impressions of our youth and youth program.

About our youth he reflects "they are frank and free young people. Their freedom of expression in high jinks has its counterpart in freedom of expression in religion. They expressed themselves in short spontaneous prayers of their

own construction and uttered these prayers aloud within their various groups."

The Reverend Morton visited many of our young people at worship in the local churches, while they were at retreats and on the campuses of our colleges and he came away with this major impression concerning our young people's ability to freely express themselves in their religious attitudes.

He concludes his resume in these words "finally I was left with the strong feeling of gratitude for all the great common heritage in Christ which unites our great Lands . . . so it is more than ever vital that the young people of both Lands find in Christ the bond which will unite them and make possible their selfless service together for the world for which Christ died."

Sorta makes every effort we spend on our own young people a little more worthwhile, doesn't it?

## Northville To Observe World Day of Prayer

Northville will bow its head with millions throughout the world in observance of the World Day of Prayer on March 8, the first Friday in Lent.

At 10:30 a.m. the city siren will sound to denote a moment of silent prayer throughout the city. The observance has been passed by the city council, and a proclamation will be issued by Mayor Claude Ely to make the day official.

The joint sponsoring committee, headed by Mrs. Ivan Hodgson, includes the W.S.C.S. of the Methodist church and the P.W.O. of the Presbyterian church. Co-chairman is Mrs. Robert Niemi.

This will mark the 71st anniversary of an institution which had its birth as a United States observance sponsored by a small group of church women and which has spread to the far corners of the globe touching 143 different areas in six continents.

As we review the small though significant beginning and trace its growth to its present scope, we realize its dramatic impact which accounts for such phenomenal expansion. The global prayer chain, which will begin at daybreak in the Fiji and Tonga Islands just west of the International Date Line where Queen Salote leads her subjects in prayer, will progress until the sun sets 24 hours later on St. Lawrence Island in the Bering Sea midway between Alaska and Samoa. At no time during the day-long

journey of the sun will the prayerful vigil be broken.

This international ceremony, a striking manifestation of the world brotherhood and universality that man is more and more earnestly seeking, will be repeated in some 60 languages and more than 1,000 dialects.

The theme of this year's service is based on a New Testament text, Romans 8:35: "Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?"

In the United States, where observances will be held in 20,000 communities, an order of service

## 75 Attend Recent Father, Son Dinner

Some 75 men and boys attended a father and son smorgasbord dinner at the First Baptist church of Northville on Valentine's day evening.

Pastor Peter Nieuwkoop acted as master of ceremonies. The principal address was given by Pastor Harold Engel.

The banquet room was decorated in a ship-board motif, carrying out the program's nautical theme. The Pioneer Girls executed the decorations and served the dinner.

# PONTIAC IS GRAND NATIONAL CHAMP!

**Wins NASCAR Grand National Championship Race Against All Cars  
Regardless of Size, Power or Price—Setting New Track  
Record in Biggest Stock Car Event of Year Following Clean  
Sweep of Its Class in Flying Mile and Acceleration Runs.**

Here's why it's important to you! You can buy the same model Pontiac right here in town with the same ruggedness, safety and precision-handling that outclassed all the others at Daytona. Remember, this was a strictly production model Chieftain Pontiac powered by the spectacular 317 h.p. Strato-Streak engine — and introducing Pontiac's revolutionary Tri-Power Carburetion, a great new advance, optional at extra cost on any Pontiac model. This amazing carburetion system literally gives you 2 engines for the price of 1... tame or terrific at a touch of your foot! For normal driving the engine operates on a standard two-jet carburetor (the same type that won the economy tests last year). A little extra pressure automatically cuts in four more carburetor jets for instant response when you need more power. Come on in and drive America's Number One Road Car. You can easily afford it—prices actually start below 30 models of the low-price three!

NOW IT'S OFFICIAL

**Pontiac is America's  
Number 1 Road Car!**

**NUMBER 1 IN PERFORMANCE!  
NUMBER 1 IN ROADABILITY!  
NUMBER 1 IN HANDLING!  
NUMBER 1 IN SAFETY!**

SEE YOUR PONTIAC DEALER • DRIVE THE SURPRISE CAR OF THE YEAR!

## Novi School News . . .

### Eighth Grade—

Mr. McMillan's room had a valentine dance to earn money for their trip to Lansing.

Donald Coleman is ill with pneumonia.

### Sixth Grades—

Mrs. Penhale's and Mrs. Salow's sixth grade pupils went to Henry Ford Museum February 15.

Mrs. Salow's sixth grade had a discussion about prisons. On the panel were Wallace White, Dennis Paquette, Claude Earl, Mike Deaton and Christine Boratti.

The sixth graders in Mrs. Salow's room decorated the library. The theme was "The Development of the United States Flag".

Mrs. Salow's sixth grade pupils were the guests of Mrs. Penhale's sixth grade for a valentine party.

### Fifth Grade News—

Mrs. French's fourth and fifth grades had a talent show which was as follows: Violet McQueen sang the hymn, "Praise Him" and Eddie Karschick sang "The Old Baldheaded Chinese"; Michael recited a poem "The Swing"; Ronnie Rice did some magic.

June Loynes, Christine Martin and Diane Eby sang "Tonight, You Belong To Me" and Suzanne MacGillivray pantomimed "Mr. Sand Man". Arthur Atkinson and Jimmy Schingock did a pantomime, "To Much" and Leola Neely did a pantomime of "The Bus Stop Song". Chuck Trickey sang "It's a Grand Old Flag", George Burchfield sang "Wriggle Wriggle" and Patty Hildebrand sang "Zippity Do Da".

Nancy Cook and Regina Ferguson did a dance; Denny Simonsen, Peter Wharton and Dinsler told jokes. Gilbert VanSickle asked questions.

Diane Ramsey has returned to Mrs. French's fifth grade from Dearborn school.

Mrs. Maloney's fifth grade enjoyed a valentine party and a dance sponsored by the eighth grade class.

### Fourth Grade—

Larry Galvin is a new pupil in Mrs. Wilcox's fourth grade. They had a valentine party Thursday. Lynn McDermid, Rosetta Putnam, Sandy Ronk, Kay Gillett, Dixie Daque and Carol Wicks made a large heart for the game, "pin the dart on the heart". On the program were Bill Mairs, Dixie Daque, Peggy Angel, Burt Altaffer and Ronnie Stiles.

In Miss Soulliere's fourth grade, pupil Cheryl Richards had her ninth birthday February 15. She had a birthday party at her home and invited several of her classmates.

### Third Grade—

Mrs. Crane's third grade enjoyed a valentine party last Thursday afternoon. They had treats and many valentines were received by all the children.

### Second Grade—

In Mrs. Donough's second grade Kathleen Freytag celebrated her eighth birthday on Valentine's day.

The boys and girls are busy writing letters to each other and mailing them in their room post office.

### First Grade—

Mrs. Hood's first grade welcomed Todd Van Every back from Florida February 14. He told the class about the many things he saw on his trip.

Thursday afternoon the class had their valentine party.

Mrs. Garner's first grade also had a valentine party Thursday afternoon.

Gary Cockrum left on a vacation with his parents to Kansas.

### Kindergarten—

Both sessions of kindergarten enjoyed valentine parties on February 14.

### Readers Speak Up:

## DRAIN PROBLEM COMES UP AGAIN

To the Editor:

It looks like Soapy has to do it again! Since 1955 I have been trying to get a dam removed from this stream that runs out of Walled Lake. Nothing was ever done about it. It is a health problem.

When the fish began to die in the drought that year I got a hold of Jack Van Coevering of the Free Press. He said to have the township supervisor have the dam removed, I tried, and got little out of that. Since then there has been tons of gravel filled in with a beat-up 18-inch tube about 300 feet north of the new road. I sent pictures of it to the drain commissioner. The answer was that they had no jurisdiction over the stream. In January of 1957 I wrote to Soapy and told him we have health problems and would like to know who has the jurisdiction over the stream.

On February 14, I went to a township meeting to bring this up—but who knows when the meeting starts or is over with. You can't hear anything—it's all whisper. The only way you know the meeting is over is when you see them leaving with the books.

The Supervisor stopped me on his way out and asked about the new culvert and I asked him about the dam and fill-in. I gave him pictures of. I asked him who had the jurisdiction over this stream. Attorney Leonard told me he thought I had it and that I would have to sue. I told him after all the fuss over this stream in the past ten months, no one knows any more than last fall. I left being told they thought I would have to sue.

I don't care how many septic tanks are run into this stream. If that is what causes the smell in the summer time, I don't want it backed up on my place in my backyard where I have to clean out muck and slime every summer to get rid of it.

When I left I told Mr. Leonard and the Supervisor that I had written the Governor that we had a health problem. Leonard said he didn't think the Governor would bother with a little matter like this. (Soapy is the only man that has time for the little fellow.)

I told them that if I didn't hear from anyone in a week I would send the full details to the Governor. It has been a week now so this is the do-it-yourself age. I didn't see why we maintain these officers when you have to do it yourself.

D. M. Parkinson  
P.S.—I am enclosing a copy of the letter received from the Governor's office, which states:

"The principal responsibility over the stream you mention rests with the county drain commissioner, although culverts under the highway are controlled by the State Highway Department. If you have any problems concerning the stream itself, I suggest that you call them to the attention of the drain commissioner." Now we know.

# REGISTRATION NOTICE

— FOR —

**BIENNIAL SPRING ELECTION  
MONDAY, APRIL 1, 1957**

To the Qualified Electors of the Township of Novi  
(Precinct No. 1-2) County of Oakland, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

Notice Is Hereby Given That I Will Be at the Following Places on

TUESDAY, FEBRUARY 26, 1957, from 2:00 to 5:00,

WEDNESDAY, FEBRUARY 27, 1957, from 2 to 5,

THURSDAY, FEBRUARY 28, 1957 from 2 to 5,

FRIDAY, APRIL 1, 1957 from 2:00 to 5:00,

at NOVI TOWNSHIP HALL — 25850 NOVI ROAD

AND ON

**Monday, March 4, 1957 — Last Day**

**The Thirtieth day preceding said Election**

AS PROVIDED BY SECTION 498, ACT NO. 116, PUBLIC ACTS OF 1954

From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

### Elector Unable To Make Personal Application, Procedure

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

### Unregistered Persons Not Entitled To Vote

SEC. 491. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote. (As provided under Act 116, P.A. 1954.)

### Transfer of Registration, Application, Time

SEC. 506. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto, and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the (30) days next preceding any election or primary election, (unless such 30th day shall fall on Saturday, Sunday, or legal holiday in which event registration shall be accepted during the next full working day), provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided (30) days next preceding any election or primary election.

### Transfer of Registration On Election Day

SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

HADLEY J. BACHERT, Township Clerk

## MUSTANG HOOF PRINTS

News of Northville High School

### School Library Staff Holds Surprise Party

Library staff members were busy keeping a secret until February 15 — when they held a surprise party for Miss Palmer, librarian.

The party plans were started in January and all staff members worked hard to make it a success. Mr. Ellison and Mr. Stefanski attended the party. Cake, ice cream, pop and potato chips which were furnished by various staff members helped make the party complete.

The winner of a recent book mark contest which the club sponsored, were judged as follows: first place, Mary Palmer, who won \$1.50; second, Jerry Stratton, who won 75c; third, Jolene Ferguson, who won 50c; honorable mention, Jackie Verville.

The first and second place bookmarks will be given to each student as they take out a book. It is hoped that this will prevent some of the wear and tear on books. The library would like to thank Mrs. VanNingen, NHS art teacher, who did the final judging of the bookmarks.

The senior staff members are now clipping all magazines dated 1951 and back, and also all duplicate copies. These clippings will be placed in the files for the use of the students in all research work.

PRIZE-WINNING BOOKMARK DESIGNERS Jolene Ferguson, Jackie Verville and Mary Palmer, library staff members, joined in surprising Miss Palmer (second from right) with a birthday party.

### Band Concert Well Attended

The Northville high school band presented a band concert Tuesday evening at 8 o'clock in the Community Building gym.

Many people attended to hear selections ranging from "Gardes de Corps", "Carmen" and "Dude Ranch" to "Barber of Seville" and the "Ballet Overture from William Tell."

The 65-member group was under the baton of both Leslie Lee and Robert Williams.

### "Hoof Prints"

"Mustang Hoof Prints" is prepared and written by the Northville high school students under the supervision of Miss Florence Panattoni.

Editor — Emilie Seguin  
Associate Editor — Michael Peiz, Nancy Lawrence  
Staff: Penny Niece, Nancy Morrison, Gary Holman, Brenda Woriman and Bernhard Muller.

### Class Representatives Attend Funeral Of Ralph Panattoni

Nine student representatives of NHS attended funeral services for Ralph Panattoni, the father of Northville high school's "Miss Pann", at Our Lady of Good Counsel in Plymouth last Wednesday.

Representing the speech classes were Susie Dewsbury and Mary MacDermaid, Lou Ann Comer and Cherie Krauter represented the English classes. The Student Council representative was Judy Junod. In addition, the four varsity debaters, Sandy Strasen, Lillian Zinnecker, Becky Coolman and Bernhard Muller, also attended.

### Brighton Students Visit Northville

The senior high student council had some visitors last February 18, and those visitors came from Brighton. On what might be classified as an exchange day, members of the Brighton student council ventured to Northville for the day. Members of Northville's student council took them to different classes to view the way classes were conducted.

Next week members of the Northville student council will journey to Bloomfield Hills to do approximately what the Brighton students did.

The junior student council held a meeting recently and discussed the possibility of starting a small newspaper of their own. Although this is not yet in full operation, it is hoped that they will be able to put out a newspaper.

Also discussed was the problem of throwing snowballs on the school grounds. The junior student council has cautioned the students about the danger of this sport.

### Northville Debaters Lose In Regional Tournaments

The debate season ended recently for Northville high. At the regional tournament at Marshall February 16, the varsity debaters were Lillian Zinnecker, Becky Coolman, Sandra Strasen and Bernhard Muller. The junior varsity was represented by Carol Krezel and Dick Drew.

In the first round, the Northville negative, Sandra and Bernhard met and defeated the East Grand Rapids affirmative. In the second round, Northville again drew negative against the Marshall affirmative. This time they were not so fortunate, however,

and were defeated.

Since the regional tournaments are sudden death, the loss ended Northville's chances for higher honors this year. Last year NHS made it through the regionals by defeating Mt. Morris, Walled Lake and Birmingham, but were defeated in the quarter finals by Ann Arbor.

### Graduation Day Creeping Closer!

The imminent graduation of the Northville high school senior class seemed even closer last week Friday. President of the senior student council, Janice Horwarth, announced that the formal graduation announcements have been chosen by a committee set up for that purpose.

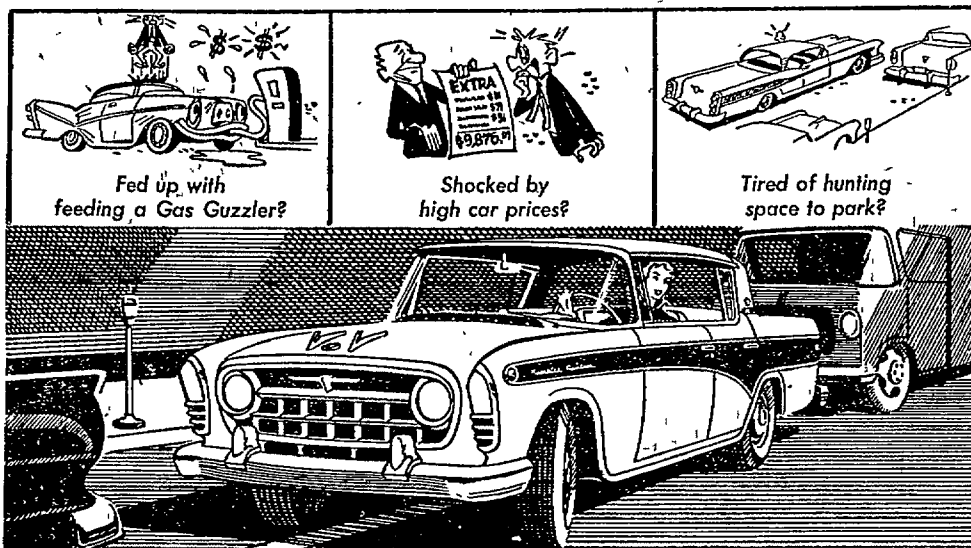

Each card will be adorned by the high school crest in gold on a black background. The announcements will cost 16 cents each. Along with the graduation cards, each senior will receive a memory book for pictures and autographs free.

Seniors also may buy printed calling cards to attach to the formal announcements and to give to friends as a memento of the senior year. The price for the calling cards is \$2.80 for the first 100 purchased and \$1.50 more for each additional 100 cards.

To The Citizens  
of Novi Township!

THANK YOU

## Northville Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall, Monday evening, Feb. 18, 1957 at 8 p.m.

Present: Mayor Claude Ely, Councilmen Allen, Canterbury, Reed and Stubenvoll.

Minutes of the last regular meeting were read and approved.

Bills in the amount of \$5,319.07 from the General Fund and \$235.87 from the water were presented and approved for payment.

At the request of Mayor Ely, Mrs. Ivan Hodgeson appeared before the Council regarding World Day of Prayer. She requested cooperation of the City by issuance of a proclamation and blowing of the siren for one minute at 10:30 a.m. March 8. Retail merchants have agreed to suspend business for one minute at the same time. Forty-two countries will hold identical services on that same day. Mayor Ely asked that the Council cooperate and that the City Manager draw up a proclamation to be printed in the Northville Record on March 7th. Also, that the Fire Department be notified in advance. Councilman Allen suggested the proclamation be made a part of the minutes of the next Council meeting.

The Taxicab Ordinance was again discussed. It was moved by Allen, supported by Reed that the amendment to the Taxicab Ordinance be adopted. Carried.

A discussion of the building code followed with Building Inspector Stanley Waterloo. It was moved not to act on the Ordinance until the City Attorney checked it for legality and publication.

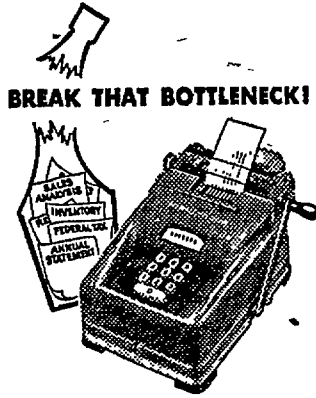

The request for 15 minute parking meters in the business district was deferred as the committee did not have time to meet. A report will be made at the next Council meeting.

Justice Court schedule of fines was read and recommended changes were suggested.

Cy Frid was appointed to the Board of Review for three years to fill a vacancy.

Attorney Ogilvie reported on the annexation and advised that he was denied his application of Leave to Appeal to the Supreme Court. The Attorney will now file an answer to the original bill and proceed to trial in the Oakland County Circuit Court. No further business appearing, the meeting was adjourned at 10:50 p.m.

## SPEAKING for the Record

By BILL SLIGER

We thought our day of reckoning had arrived last week when Glenn Cummings, former Record publisher, invited us to have lunch with four Northville ministers. Instead, the local clergy were not one bit concerned with our shortcomings, which is good, for they had a much more important matter to consider.

A sixth guest of Mr. Cummings was Mrs. Opal Imonen of Eastlawn Resthaven. During our most enjoyable luncheon Mrs. Imonen explained the problem of providing religious services for convalescents.

It was with the thought of finding a solution to the problem that Mr. Cummings brought the ministers together. It took them very little time to come up with an answer. Henceforth, each of the ministers will be responsible for one month to see that a program is provided for the aged residents of Resthaven.

We think the ministers, and our predecessor, displayed real evidence of cooperation and in the matter of one lunch hour ended a serious problem for Mrs. Imonen.

Speaking of ministers, the Rev. John Taxis, as most residents know, is an avid sports fan. He's more than just slightly interested in the physical education program for children. Presently, Rev. Taxis would like to see arrangements for a girls' field hockey team.

But beyond that, we believe he reflects the thoughts of several residents who are bent upon seeing that the new high school plans include adequate physical education facilities.

We're sure these won't be overlooked, but we also think Rev. Taxis has a good idea. He has suggested a "physical education study group" of sorts, probably made up of persons interested in proper emphasis on school athletic activities. He's already asked Al Jones, athletic director, to outline his thoughts to such a group.

Anyone interested? If so, call Rev. Taxis.

All kinds of national committees for this and that send releases out regularly to newspapers. Generally the material is merely "publicity" for some enterprising company. We generally read it, then properly file it away.

We can't help notice, however, what a bang-up job the National Father's Day Committee is doing. We imagine that some national men's wear organization is behind the project, but even so, they're well on their way to making Dad a national hero.

What's happened to the Mother's Day committee? We're not complaining. The official poster for the year shows a typical father with a halo over his head. This looks entirely appropriate to us. Probably Dads have been overlooked and unappreciated too long. Still, for the sake of harmony at home, we hope the Mother's Day boosters will hurry up and send out their literature. After all, Mother's Day is in May and Father's Day isn't until June.

## Get a GAS clothes dryer

### END CLOTHESLINE CONFUSION

Don't put up with the inconvenience of hanging your clothes in a damp, crowded basement. Don't make the family duck and dodge soggy laundry. Get an automatic Gas clothes dryer today and enjoy perfect drying conditions always. A Gas dryer dries clothes in minutes, eliminates the extra work and inconvenience of old-fashioned clothesline drying. Gas dryers cut down on ironing time too. Clothes come out soft and fluffy. Many pieces are ready to put away.

## To Remodel State Laws

MICHIGAN'S CRIMINAL code needs some changes say the State Corrections Commission. Placing its recommendations before the Legislature last week, the commission suggested that some laws don't provide equitable penalties; others are no longer necessary and at least one needs clarification.

A good example of an outmoded law, the commission point out, is the 100 year old statute against inciting Indians to violate peace treaties.

Other laws, such as those covering counterfeiting, are no longer needed because federal agencies have assumed control and the prosecution of such offenses.

Laws prescribing "indeterminate sentences" require clarification according to the Corrections Commission report. The intent of an indeterminate sentence is to provide a flexible means of placing a man in prison until he can once again become a useful member of society. Such a sentence may carry a minimum prison term of two years and a maximum of life imprisonment in some cases.

The Michigan Supreme Court interprets indeterminate sentences where a life sentence is the maximum to actually mean life imprisonment. Possible parole hearings are thus held off until an inmate serves at least 10 years even though the sentence "could" be completed in as little as two years.

Some 545 persons are now serving life sentences in Michigan prisons, the report states. At least 102 of them did not actually commit murder. Many were involved in other offenses such as robbery at the time the killing occurred.

State prison population continues to rise steadily the report to the legislature concludes. At the end of 1956 there were 9,527 inmates in state correctional institutions, plus 510 at the Detroit House of Correction. This places prison population above the 10,000 mark.

The criminal courts now handle more than 13,000 cases annually compared to approximately 9,000 in 1948.

THE CONSERVATION of human lives — in and on water will come in for some practical study at a state-wide conference to be held at the University of Michigan, May 17 and 18.

Problems involving the safety and use of swimming pools, beaches and small watercraft will be aired at the two day meeting.

Swimming and diving safety, pool maintenance and sanitation, safe handling of small watercraft, ski diving and common rescue techniques are on the conference agenda says Edward Slezak, chairman.

Diving exhibitions and synchronized swimming will form part of the program. Discussions on conducting swimming meets and waterfront events are also scheduled.

The entire program is offered as a free service to aid municipal and school officials, recreation leaders, camp directors and others who administer beaches and pools. It is sponsored jointly by the U-M and the Michigan

Inter-Agency Council for Recreation under the coordination of Ernest V. Blohm, the Michigan Health Department, Michigan Waterways Commission, Michigan Department of Public Instruction, Michigan Recreation Association and the Michigan Camping Association are cooperating in planning the conference.

Anyone interested in obtaining further information should contact Mr. Edward J. Slezak, Conference Chairman, Waterman Gymnasium, University of Michigan, Ann Arbor.

THIRTY Republican leaders have tightened the party's purse strings around the proposal to put the GOP state chairmanship on a full time yearly salary of \$20,000. At least the idea is temporarily shelved. Instead, the new state chairman, Lawrence B. Lindemer, 35 year old Stockbridge lawyer, will receive the same compensation as his predecessor, \$75 a day for each day he works.

The question of where the money would come from appears to be at the root of decision. "We have no way of knowing how much money we can raise for the party," says Berry N. Beaman, the Republican's finance director.

The decision is in sharp contrast to recommendations made by the GOP campaign committee. In addition to the full time salary proposed for the state chairman, it was also agreed that a professional campaign director be hired and the present party staff be increased.

The State Central Committee is holding off a decision on this question for the moment. However, party leaders promise to "take another look at the situation after the April elections."

## Roger Babson

## Parents Blamed for High Cost of Schools

Babson Park, Mass. Total taxes for the year, including Federal, State and Local Taxes, will amount to more than \$100,000,000 for 170,000,000 people. There is very little possibility of relief from Federal or City Taxes. On the other hand, if we would really put up a fight, we should be able to keep down State and Local Taxes. State Taxes amount to about \$90 an individual. They range from a low of about \$50 in New Jersey (where city taxes are relatively high) to a top of about \$135 in the State of Washington (where city taxes are especially low.)

### State Tax Revenue Sources

More than thirty states have income taxes or sales taxes, or both. The states also get a big amount from automobile taxes, with cuts on alcohol and tobacco taxes. Unfortunately, most states are careless in their expenditures because their money comes so easily.

As a result, total state debts have increased almost fivefold during the last ten years, from about \$2½ billion to over \$11 billion. Now there is a row on as to who should pay for the new schools. School costs are really the responsibility of the cities and counties, but they are being passed on to the states, which in turn are trying to hand

them over to the Federal Government.

### What About Teachers' Salaries?

It is generally agreed that cities, towns and counties should pay teachers' salaries. It is unfair to believe that pressure for higher teachers' salaries is coming from the teachers themselves. Almost all good school teachers could get more money in industry, department stores or offices, but they are sticking by their teaching from loyalty and because they have shorter hours and longer vacations.

This means that the cut in school costs must come from a change in the curriculum or in school building maintenance, and especially in the high interest on building costs. This latter is particularly important now, when it is so difficult for municipalities to sell their bonds.

### The Fundamental Question

When discussing taxes for schools, we should avoid talking only about saving money. We must remember the old adage, "penny wise — pound foolish." If I felt that luxurious schools produced better students, I would be the last to criticize the present craze for "bigger and better" school buildings. From my careful observation, however, I am sure such school buildings

do not produce better and more efficient students. Schools were so crowded in my youth that we were obliged to have three grades in each classroom. Furthermore, we had two sessions—morning and afternoon—and no bus to take us to school! I really believe these rough conditions were a good part of our education.

Talking with students, I do not find much objection to having the schools used more or the curriculum made more practical. They welcome the use of television and radio. It is the teachers who complain about longer hours a day and working 11 months. The State Legislatures are also responsible for passing various laws regulating teachers' professional requirements and sanitary conditions in schools. These laws are actively promoted by PTAs as well as by professional men and tradesmen who have interests at stake. Increased State Taxes are due not only to the cost of luxury buildings, but also to all these laws supposed to benefit the "health and comfort" of the children. The facts are

that the graduates today need to be made tougher rather than softer. This is the way to cut costs, reduce taxes, and graduate better students.

### What About Parking?

Although the automobile has given the state and counties more income, yet it has vastly increased their expenses for roads, police protection, and parking facilities. This last is becoming a most important question. Good downtown parking facilities must be provided to enable retailers to continue prosperous. However, parents not only believe that the city should provide parking facilities for their automobiles but also parking for their children!

I believe the present school system is luxurious and expensive because of the desire of parents for places to park their children while they are at club meetings or out working. I therefore forecast a complete revolution in school construction, in school maintenance, in the number of teachers required, and in the school curriculum.

# Cadillac

## Relaxing... Across America!

Behind them are the majestic mountain roadways of Southern California and the picturesque desert drive through Arizona.

And ahead lie the broad highways of Texas . . . the scenic roads that wind through Oklahoma and Missouri . . . and the great Midwestern turnpikes that lead to the Eastern Seaboard.

What's it like to spend the better part of a week in a 1957 Cadillac?

Well, first of all, there is the restfulness a Cadillac provides. The car is so incredibly smooth and quiet and comfortable that even the longest journey is an occasion for glorious relaxation.

And for the lucky gentleman in the driver's seat, there is the added reward of Cadillac's brilliant new performance.

In fact, the car is so nimble and eager, so responsive and alert that day's end will usually

find them well beyond their morning's destination!

And then there will be the many other Cadillac virtues to enhance the pleasure of their journey . . .

. . . its vast areas of vision to give them the full panorama of America's great beauty and grandeur

. . . its extraordinary safety and dependability to add to their contentment and peace of mind

. . . and its remarkable operating economy to remind them how practical their odyssey is.

So there they are—seeing our wonderful land from the finest vantage point on the American road: through the windshield of a 1957 Cadillac

Of course, you don't have to travel 3,000 miles in this newest "car of cars" to realize why its owners call it "the greatest of all Cadillacs".

The evidence is in our showroom now—and an hour at the wheel will tell you the whole story.
