# COUNCIL CONTEST SPURS ELECTION INTEREST

## City Council To Ponder Suit Action

Northville has not yet given up on the annexation of some 95 acres of Novi township to the city.

City councilmen will meet informally tonight to discuss steps that might be taken to retrieve the territory, site of a proposed 200-home subdivision.

The area was almost a part of Northville until last week when Oakland county circuit court Judge Frank L. Doty invalidated the election last year in which it was annexed to the city from Novi township.

Doty cited a vote fraud in voiding the election, and also noted that petitions had been filed under one state law and the election held under another.

Primary problem for Northville, in addition to losing a promising section of land, is that the city already has granted water and sewer facilities for the 200-home subdivision which will be built there starting this year.

Regardless of the annexation outcome, the city's contract with builders will stand and water and sewer facilities will be provided.

The council apparently has three alternatives in looking into the matter: acceptance of the court decision; appealing the decision to the state supreme court; or holding a new election.

It appeared unlikely that councilmen would leave the situation as is and accept the court decision. In the past, they have expressed disapproval of any plans for extending water and sewer facilities outside of the city limits, and there is no indication they want to do it this time.

The second possibility — appealing to the supreme court — appeared to have some merit, but at the same time contained a bugaboo. If the supreme court upheld the circuit court and a new election were called, new residents of the subdivision — which almost certainly would be partially built by then — probably would not vote to come into the city and pay taxes for services they already would be receiving.

For these reasons, the third possibility — scheduling a new election — seemed to be a likelihood. A new vote could be called in short order, and the eligible voters are basically the same ones who favored the annexation last June 21.

Meanwhile, Northville is still awaiting a decision on a second annexation suit brought by Novi against the city. In it, Novi contends that the 88-acre Yerkes Farm area was illegally annexed last year by Northville.

## Full Slates Face Novi Voters Monday

Novi township will vote Monday on a full slate of township officers ranging from supervisor to board of review.

Incumbent Republican Supervisor Frazer Staman and Democratic candidate Herbert Koester head their respective tickets.

All posts are contested except that of clerk — for which Republican incumbent Hadley Bachert is the only candidate.

The election will bring to an end one of the most vigorous campaigns in township history.

## Calendar

**Tuesday**  
12:30 — King's Daughters, home of Mrs. Del Hahn, 548 West Main. Pot luck "spring spread". Bring passing dish and own service.  
8:00 — Wesleyan Service Guild, home of Irene Boyd.  
**Thursday**  
8:00 p.m. — Junior Chamber of Commerce.

## Candidates Comment on City Problems

CLAUDE N. ELY

Mayor Ely is 64 years old and a lifelong resident of Northville. He is married and has a daughter and two granddaughters. He has been a subdivision operator for 37 years and will retire next September. He has served on the village and city commission since 1941. He has been mayor since 1954. Mayor Ely is a past commander of the American Legion, past master of Northville Lodge F. & A.M. and a Rotarian.

The most pressing problems facing Northville today are that we hope to continue our street program as before, which includes curbs, gutters and black top surface, without floating bonds, which we haven't had to do in the past. Another problem is planning and need of additional increase to our water supply. Two new sites have been picked for test wells for this year. Three wells have been drilled in the past two years, which were unsuccessful. We hope that the new sites will bring us much more success this year.

I would appreciate your vote of confidence in my time of office serving the city of Northville.

## 250 Hear Picard's "Trial of Christ"

A crowd of nearly 250 persons filled the Lutheran church house last Thursday evening to hear U.S. District Judge Frank A. Picard describe the "greatest criminal trial in the history of civilization," the Trial of Christ.

Speaking before members of the Optimist, Exchange and Rotary clubs and their wives, Picard rendered his interpretation of the trial which "violated 10 points of the law of that day."

Judge Picard blamed "political pressure of the time" for turning opinion against Jesus. "Probably neither the Jews or the Romans knew Jesus was the son of God," Picard commented. He pointed out, however, that under the law Jesus was entitled to the same safeguards as any man. But because of the inference that Jesus was an enemy of Caesar, Pontius Pilate was driven to charging Jesus with treason under Roman law.

Examining the trial point by point, Judge Picard cited these illegalities in the trial of Jesus: conspiracy by trial judges; betrayal by Judas; arrest at night; beginning trial at night with possibility of capital punishment; holding trial on day before Sabbath; no witnesses for Jesus; and judges voting as one, rather than by prescribed order.

Picard's discourse is nationally famous and highly interesting as a lawyer's viewpoint on the manner in which this most famous of trials was conducted. Judge Picard was introduced by Don Severance, Dr. L. W. Snow, president of the host Optimist club, was master of ceremonies.

SYDNEY FRID

A former village commissioner, Frid was born in Grays Essex, England in 1893. He attended elementary school in England and high school in Canada. As a member of the Canadian army, he served overseas in World War I until 1919. He was a lieutenant. Frid came to Detroit in 1922 after being trained as an electrician for the telephone company. He is married and has a son and a daughter. From 1925 until 1948 he operated the Northville Laundry with his brother, Cy. Since then Frid has built homes and operated rental property.

I am interested in any improvements that will make Northville a better place in which to live. Water, sewers and streets are of first importance. My experience as a builder and construction worker has made me familiar with these problems.

As a regular attendant of the council meetings, I have taken a keen interest in our community. From 1942 until 1946 I served as village commissioner. During my term as president of the Exchange club the organization promoted and equipped Ford Field.

I am at present serving on the Oakland county board of supervisors, having been appointed by the present city council.

I have been an employee, business and service man. I have the time, capability and interest to make a good commissioner.

C. A. HOFFMAN

A resident of 132 West Cady, Hoffman has lived in Northville six years. He is a graduate of Plymouth high school and Alma college where he received a B.A. degree in business administration and economics. He is an employee of the Sheldon Land company in the field of land development, home building and sales. Hoffman is a veteran, married and has one daughter. He is 29 years old.

In the past our city has done pretty much everything on a pay-as-you-go basis. To a large degree, there is merit in operating in this manner. A possible disadvantage is that we are limited in what can be done or accomplished in any given year. Especially, if annexation is to be considered in the near future.

No one individual has all the answers; however, through the combined efforts of a cooperative council and administration along with the backing and understanding of our citizens, Northville will continue in the future as in the past to be one of Michigan's most pleasant cities in which to live.

I consider the water, sewer and paving problems of Northville to be of utmost importance. These should be given the continued and concentrated attention of the council. I should also like to re-emphasize the possibilities of providing shelter for our public works equipment, recreation area for the community and a civil service plan for city employees.

EARL L. REED

Councilman Reed moved to Northville in 1948. He is married and has one daughter. Reed received his education at Cass Technical high school, Detroit Institute of Technology and Detroit College of Law. He is manager of the Livonia office of the Abstract and Title Guaranty company of Detroit. He has been associated with the firm for 30 years. He is a member of the Edsel E. Clapper and Masonic Lodge, the national American Right of Way Association, Western Wayne County Board of Realtors and Optimist club.

Once again, I want to take this opportunity to thank you, one and all, for allowing me to serve both as your village commissioner and as city councilman. It has been an honor I will always cherish.

If re-elected I will continue in the future as I have in the past, to give to you the best possible representation for the benefit of all and not for the benefit of one or two families.

From my past and current experience on the city council, I realize many of the problems facing our community.

Definitely sewer and water, paving and parking facilities play a large part in the development of our area.

Due to the great influx of people around the city of Northville it has made our city situated in a strategic position for a shopping area. We will lose this position thereby losing additional real and personal property tax if we do not act promptly on improving any of the above mentioned problems.

There are many more problems, some of equal importance, others playing a more minor role, but all have to be sifted with considerable foresight and thought.

I believe from my past record I have these qualifications and desire to accomplish that which will make Northville and keep Northville the envy of other communities, "The Little Switzerland of America."

## Junior College Under Discussion

The possibility of establishing a junior college in the Northville area was scheduled for discussion by local school leaders at a special meeting yesterday.

Northville superintendent Russell H. Amerman was to meet with school officials of the Plymouth, Livonia, Redford Union, and South Redford at Thurston high school.

All of the districts have expressed interest in setting up a "Northwestern Wayne Community Junior College".

At a recent meeting of superintendents, it was noted that the districts might find collective action more feasible than attempting the project individually.

HARVEY P. RITCHIE

A businessman who is co-owner of Ritchie Bros. Laundromat with his brother, Ritchie is 35 years old. He has resided in Northville for 26 years and now lives at 821 Spring drive. He is married and has one son. He is a graduate of Northville high school and is active as an officer of the Retail Merchants association and the Automatic Laundry Association of Michigan. He was a member of the committee for city incorporation, city charter commission and presently serves on the city planning commission.

I believe that of the problems facing the city government, the one with highest priority, and probably the least glamour, is the quality of the water being served our residents and the condition of the water distribution system. The damage to the householder's investment in water heating equipment, plumbing and clothing is considerable, to say nothing of the annoyance of bad drinking water. Adequacy of the water supply is also a problem since it was pointed out by water research consultants, retained by the city water, that in case of a major fire, the water resources would be exhausted in a matter of a couple of hours. Although there are other problems more visible to the citizens, I believe this is our most pressing problem.

Other projects facing our city are the programs of improving our streets, sidewalks, alleys and off-street parking. The present and past administrations have done a good job toward these objectives and they only need continuous effort and more long-range planning.

If the voters of Northville see fit to elect me, I will welcome the opportunity of serving them to the best of my ability to keep Northville a fine and pleasant community.

## Election Returns

As a service to Northville voters, The Record has made arrangements to stay open Monday night to report returns of the city and township spring elections.

Anyone wishing to obtain the returns may call The Record office at Northville 200 — between 9 and 11 p.m.

## Washington Trip in Store For Northville Safety Boy

Northville was named this week by the Automobile Club of Michigan as one of the cities selected to send a schoolboy representative to the 21st AAA National Safety Patrol Rally in Washington, D.C. on May 4.

The Northville delegate, to be selected from safety patrol ranks in the next two weeks, will join nearly 100 other Michigan patrolers in Detroit May 2 for a four-day all-expense trip to the nation's capital as the guest of Auto Club.

The Northville school judged by the Auto Club to have the most effective overall safety program will be invited to name its outstanding

ED C. WELCH

A resident of 222 South Wing, Welch is married and has three daughters. Born in Detroit in 1911, his family moved to Colorado where he attended elementary school. He attended Southeastern high school in Detroit and studied industrial engineering at Detroit Institute of Technology. Welch later instructed evening classes at Detroit Tech. A resident of Northville since 1944, he is an advertising consultant for Brown and Bigelow. He was formerly associated with the Ford Motor company as a cost analyst, with Cadillac Motor Car division and Detroit Aluminum and Brass company as an industrial engineer. For a number of years he worked for Kaiser Motors as a tool engineer. Welch also has experience as an industrial engineer for a management consulting firm and as a field manager for a national sales organization. He is a former village councilman, and a member of the charter commission. He has also served on the Board of Review and is president of the Coordinating Council and vice president of the Community Study Group. In addition Welch is an active member of the Presbyterian church and has served as trustee and president of the local chapter of National Council of Presbyterian Men. He is presently an elder of the church and is associated with the Detroit Area Council of Boy Scouts and Northville Masonic Lodge.

In talking with the people I have learned that their first desire is an efficient local government, responsive to the people and their needs, such as paved streets throughout Northville and an improved water system, also sidewalks, parking areas, adequate sewers, recreation and playground facilities. I feel there should continue to be close, friendly and efficient coordination with surrounding communities to plan for the future development of this area to provide for schools, good homes, light industry and all the other things that go to make up a desirable community in which to live.

If elected to the office of councilman, I will devote my time and energies to the end that Northville will prosper and become "a good place to live and raise your family".

## Large Vote Expected On Monday

A lively contest between five candidates for two city council seats promises to draw Northville voters to the polls Monday.

Township voters will have less to get excited about as the full slate of officials will be returned to office without opposition.

Both city and township voters in Wayne county will also elect candidates for five state offices, three justices of the supreme court, four circuit court judges, a county auditor and a judge of probate.

City voters will also re-elect Mayor Claude Ely and Justice of the Peace Edward M. Bogart, who are unopposed.

In the race for the city council, Earl L. Reed, incumbent, will find competition from Sydney Frid, Clarence A. Hoffman, Harvey P. Ritchie and Ed C. Welch. Councilman John Stubbenvoll, whose term ends April 1, is not seeking re-election. Stubbenvoll has served for 11 years as a member of the village and city council.

Both Frid and Welch have served previously as members of the village commission. Welch failed in his bid to become a member of the first city council in December 1955 by a slim margin of eight votes. Reed was elected to a two-year term along with Stubbenvoll in the 1955 election while councilmen Malcolm Allen and John Canterbury won four-year terms. The two winners in Monday's election will serve four-year terms. The office of mayor carries a two year term.

The 1955 election, which also saw adoption of the city charter, attracted 653 voters, a 40 percent turnout.

Stated to return to their township posts without opposition are Mrs. Mollie Lawrence, supervisor; Roy Terrill, treasurer; D. J. Stark, clerk; R. D. Merriam, A. M. Lawrence, trustee; J. R. Gibson, board of review, and Justice of the Peace Paul Schultz.

Probably the liveliest of the campaigns for state offices exists between John C. Mackie, Democrat, and George M. Foster, Republican, who seek the state highway commissioner post. Much ado has been stirred both inside and out of the Democratic party over the selection of Mackie because he is not a registered engineer.

Other state and county candidates are: U. of M. Regents (2) — Carl Brablec (D), Irene E. Murphy (D), Alfred B. Connable (R), Ethel Jocelyn Watt (R). Superintendent of Public Instruction — Lynn M. Bartlett (D), Edgar L. Harden (R).

State Board of Education — Chris M. Magnusson (D), George W. Dean (R). State Board of Agriculture (2) — Don Stevens (D), Jan B. Vanderploeg (D), Frederick H. Mueller (R), Frank Merriman (R).

County Auditor — Charles Edgecomb (D), Thomas D. Ledbetter (R).

Non-Partisan  
Supreme Court Justice (8-year term) — Robert E. Childs, Thomas M. Kavanagh, Michael D. O'Hara, Talbot Smith. (To fill vacancy, term ending December 31, 1959) — Joseph A. Moynihan, John D. Voelker.  
Circuit Court Judge — Victor J. Baum, George E. Bowles, Horace W. Gilmore, Ira G. Kaufman, James H. Lincoln, James N. McNally, Joseph G. Rashid and John M. Wise.  
Judge of Probate — Ernest C. Boehm and D. Patrick O'Brien.  
Polls will be open from 7 a.m. until 8 p.m. City precincts one and two will vote at the Community Center and precinct three at the Amerman elementary school. Township voters in precinct one vote at the Northville grade school on Main street and precinct two residents at the township hall.

### Orient Chapter Plans East and West Night

The Orient chapter of the Order of the Eastern Star will meet April 5 for East and West night.

Dinner will be served at 6:30. Reservations must be made with the secretary by April 3.

## BIRTHS

Mr. and Mrs. Jack Boyd announce the arrival of a son, Scott Vernon, on March 19. He was born at Beyer Memorial hospital in Ypsilanti and weighs six pounds, 12 ounces.

Mr. and Mrs. John C. Ledford of Ten Mile road announce the birth of a son, John Harlan, March 22 at University hospital, Ann Arbor. He weighed five pounds, 14 ounces.

Mr. and Mrs. Ron Warren Colon of Cheboygan announce the birth of a son, Lewis Lawrence, March 4. Mrs. Colon is the daughter of Mr. and Mrs. L. D. Rambeau of Eight Mile road.

A daughter, Kimberley Ann, was born March 16 to Mr. and Mrs. William Bingley of Tacoma, Washington. Mrs. Bingley is the daughter of Mr. and Mrs. Earl Chappell of North Center street. William's parents are Mr. and Mrs. Russell Bingley of West Cady.

Mr. and Mrs. John Steimel of Hill street announce the birth of a son, Bryan Frederick March 13 at Sessions hospital.

### Speaker to Revisit OLV Mothers' Club

The Mother's club of Our Lady of Victory school has scheduled a talk by Sister Mary Martina, CSSS, at the Legion Hall, April 20 at 8 p.m.

Sister Mary Martina, head of teacher training, and director of the reading clinic of Madonna college, will discuss "Habits Forming in Young Children".

Mrs. Lewis W. Alexander, club president, said, "we are pleased to have a speaker as interesting and informative as Sister Mary Martina. Because of the success of her earlier talk in Northville, we are again inviting all parents and teachers in the area to attend."

Meeting arrangements are being handled by Mrs. Frank Pauli, Jr., Mrs. Eugene A. Kampman, and Mrs. Gordon Hubbert.

A SNEAK PREVIEW of the Easter displays to be shown at the Cystle Fibrosis benefit is given this week by Mrs. William Black. In addition to special occasion displays there will be an international smorgasbord (open to sampling) of foods from around the world. The affair will be at the Community building from noon until 9 p.m., April 7, and is being presented by Black's White House.

### BPW Celebrates Ninth Birthday

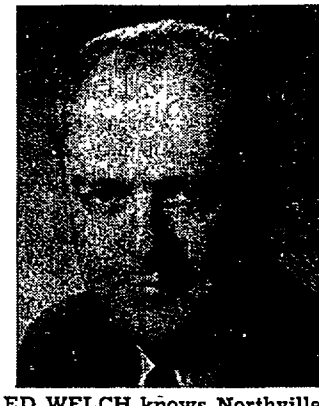

A three-tiered birthday cake helped members of the Northville Business and Professional Woman's club celebrate the ninth anniversary of its founding Monday evening.

Past presidents of the club were honored at the meeting, each lighting a candle for the number of years she had served.

Speaker for the evening was Mrs. Lucille McKinney, who explained the fundamental theories of grapho-analysis to the group.

Dinner was served preceding the program. Chairman for the evening was Mrs. Gladys Wallace.

### Ed Welch Qualified For Council Post

ED WELCH knows Northville's needs. Former Village Commissioner. Member of Charter Commission, Board of Review, Pres. of Coordinating Council, V.P. of Community Study Group and other civic activities.

### Wixom Scene of Marriage Ceremony

Keith J. Coykendall of Novi recently claimed as his bride, Evonne M. VanAmberg, daughter of Mr. and Mrs. Melvin E. VanAmberg of Wixom. Keith is the son of Mr. and Mrs. Fred Coykendall of Novi.

The Rev. Archie Corvin of Pontiac performed a candlelight ceremony at the Wixom Baptist church before 250 guests. The reception was held in the Novi Community Hall.

### Art Club Holds Ceramics Workshop

At the March meeting of the Three Cities Art Club, all members tried their hands at working with clay. Hilma Aubert, ceramist and artist, guided hands more used to brushes and paint into pinching, wedging, modelling hunks of clay into figures, animals and pots.

Members saw the tiles Mrs. Aubert made in preparation for her mosaic of Livonia's city hall, to be exhibited in the club's outdoor June show of art scheduled for Plymouth, Livonia and Northville, respectively.

Before the workshop began a short business meeting was held during which Wilfred Becker of Northville was elected exhibition chairman. For several years, he has designed the Wayne State University Fine Arts show of students' work held each spring at the Detroit Institute of Art. The next meeting of the Three Cities' Art club will be held at the home of Mrs. Aubert in Livonia on April 9.

### A SHREWD YOUNGSTER

Down in Cedar Bluff, Virginia the town sergeant was questioning a fifth grader when he suspected of breaking into a service station.

He really didn't have a ny evidence against him so he decided he would play a bluff. Looking at the youngster seated before him he said, "We know all about this service station break-in. We took fingerprints and all we have to do is to compare them with yours to complete the case." To which the 13-year-old boy replied, "You can have my fingerprints but they won't prove a thing because I wore gloves!"

Man has ever been trying to cover up the fact that he is a guilty sinner. He has invented many explanations, religions and philosophies that have somewhat eased his guilty conscience. Surely a person would be foolish to think that God will not be able to discover this deception when the sinner stands before Him at the judgment bar. All his explanation which sounded so plausible down here will somehow become exceedingly foolish. All his twisting of the plain teachings of the scriptures into a denial of his sin and punishment to follow will somehow be strangely stilled. Romans 3:19 says that every mouth will be stopped and all the world will become guilty before God. ADMIT YOUR GUILT AND RECEIVE HIS MERCY.

Peter F. Nieuwkoop, Pastor  
First Baptist Church  
NORTHVILLE.

## King's Daughters and Sons Report Successful Year

At a recent meeting of the Mizpah Circle, King's Daughters and Sons, the annual report of various charitable activities of the group were given by committee chairmen.

Approximately \$257 was spent for local charity during the year, plus \$92 at Christmas time. Included were food- and clothing for ten needy families when needed, two food baskets at Thanksgiving, ten baskets of food as well as toys and clothing at Christmastime, and bedding and clothing provided for a family suffering loss from fire in their home.

Many shut-ins and individuals were also visited throughout the

year and fruit plates were distributed to some of these same people during the holidays.

In other work, magazine subscriptions and gifts were sent to the University of Michigan Children's hospital school and \$235 was spent on items sent to the King's Daughters and Sons Home in Redford. A donation of \$411 was sent to the camp in northern Michigan maintained by the organization.

As in the past, Mizpah Circle will again this year be in charge of the Good Friday service. The collection will be used for local charity.

Proceeds from the annual luncheon and bazaar, to be held in May at the Methodist church will be added to donations received from local citizens and will also be used only for charity in Northville. The organization greatly appreciates the generous response of local citizens and hopes their interest will continue throughout the present year.

### News Around Northville

Visiting Mr. and Mrs. James Mahoney from Fayetteville, Tennessee this week is Mr. Cecil Johnson, Mrs. Mahoney's aunt. Mrs. Johnson is also visiting her daughter, Miss Sally Johnson of Plymouth.

Mrs. Robert Schultz, formerly of Northville and now of Kalamazoo, visited last week with her daughter, Mrs. Don Bingham of Novi.

Attending the YWCA regional conference in Chicago April 26 through April 28 will be Mrs. Carl Zinnecker of Ridge Court.

The portrait of Mrs. J. R. McCall of Meadowbrook road is being shown at the Biennial International Photographer's Exhibition held for the first time in the United States in Washington, D.C. until March 31.

Mr. and Mrs. L. D. Rambeau of Eight Mile road were in Cheboygan last week end visiting their daughter and son-in-law, Mr. and Mrs. Ron Warren Colon and a new grandson, Lewis Lawrence.

Russell Atchison, son of Dr. and Mrs. R. M. Atchison of South Rogers street, is home for a vacation from school. He will return April 11 to Pembroke Place, School for boys in Suncook, New Hampshire.

Mrs. G. L. Alexander and son, John, attended the flower show at the Michigan state fair grounds Sunday.

Mrs. Orson Atchinson and Mrs. G. L. Alexander joined Mrs. Elmer Houston of Birmingham Wednesday to see the production of "My Fair Lady".

Dave Biery, son of Mr. and Mrs. Elden Biery of Dunlap street, will be home this week end for his spring vacation from Hope college.

Betsy Denton, nine year old granddaughter of Mr. and Mrs. Joseph Denton, spent the week end with her grandparents to help celebrate her ninth birthday, which was Monday.

Attending the lecture at Hill auditorium Sunday evening will be Mr. and Mrs. Harold Bloom, Mr. and Mrs. Del Hahn, Mrs. William Cansfield, Mrs. Beth Lapham, Mrs. Vance Masters and Mr. and Mrs. Clifton Hill. They hope to hear Dr. Ralph Buhe, who was scheduled earlier to speak but whose visit had been postponed.

Harry German made a trip to Eldridge, Michigan this week to pick up Mrs. German, who had

Alice Ritchie of 821 Spring Dr. endorses her husband (Harvey (Red) Ritchie, for City Council Harvey attends all of the meetings anyway, and I think he will do a very good job as a voting member. (Pol. Adv. paid by Alice Ritchie)

## Pilgrim Shrine Plans Installation

Pilgrim Shrine No. 55 of the White Shrine of Jerusalem, will hold a semi-public installation ceremony Monday, April 1 at the Plymouth Masonic temple at 8 p.m.

Dorthea Schaffer, supreme worthy herald, will be installing officer assisted by past worthy high priestess and past watchman of shepherds of Pilgrim Shrine.

Julie Kenny will be installed as worthy high priestess. Serving with her will be Roland Kenny, watchman of shepherds; Florence Vetal, noble prophetess; Harvey Vetal, associate watchman of shepherds; Lucille Reeves, worthy chaplain; Betty Higgins, worthy shepherdess; and Ruth Burton, worthy guide.

Attending yesterday's performance of "My Fair Lady" in Detroit were Mrs. Del Hahn, Mrs. W. Leonard Howard, Mrs. William Cansfield and Mrs. Mark Gardner.

Jimmie Ritchie Speaks Wisely

Jimmie Ritchie, age 9, says, "Sure, I am campaigning for Harvey Ritchie. He's my daddy and I know he will be a great Councilman."

(Pol. Adv. paid by a friend)

## An Open Letter To The Citizens Of Northville:

About three weeks ago I devoted a full page in The Record expressing my thoughts and ideas that could benefit our city to a large degree.

The pictures and written articles provided every citizen with a clear insight as to my "stand" or "position" on many of our more important problems, such as water, sewer, recreation, parking, paving, etc. I feel it's something each citizen wants to know of a candidate before casting a ballot.

The time, thought and effort in preparing that publication is indicative of the manner in which I will work if elected by you to the office of council.

In the last few weeks, I have had the privilege and enjoyment of speaking with many of you in your homes, some in your places of business, as well as before your local Exchange club. My sincere thanks to all of you for permitting me to do so.

In addition I want to express my deep appreciation to the many people who have supported me as generously in both time and effort.

There's an old saying — that to really get something, you must "earn" it. I hope that after careful analysis, I have "earned" your vote on Monday, April 1.

C. A. HOFFMAN  
Candidate for Council

### News from Willowbrook

On the sick list are Jimmy Barnes of Mooringside who has bronchial pneumonia and Bill Johns of Coral Lane who has strep throat. A party at the American Pilot club house at the city airport was attended Saturday by Karl and Marian Weiss of Mooringside. They were the guests of Mr. and Mrs. Douglas Huff of Rosedale Park. Marion and Karl will be chaperons for the Senior Youth Fellowship group of the Presbyterian church in Northville March 31 when the group goes to see "The Ten Commandments". The group will go back to the Weiss' for dinner afterwards.

**Newcomers**  
Newcomers to Willowbrook are Bart and Helen Strahley of 41151 McMahon. They have one son, Jimmy, who is four. They are from Ft. Wayne, Indiana but ed here from Toledo, Ohio. Mr. Strahley is the district manager for Oldsmobile and his hobby is model cars. Helen spends her spare time sewing. Helen's mother, Mrs. H. A. Hoyt, of Wilmington, Delaware is visiting.

New also are Bram and Betty LeButt of 23901 West LeBost. They have three daughters, Marianne, 8, and Kathleen, 6, who attend Our Lady of Victory school. Their youngest daughter, Janet, is three years old. They are former Detroiters and Mr. LeButt is employed by Burroughs. They are avid golfers and spend their summers at the Burroughs farm in Brighton.

Jim and Jerry Galvin of 23951 Willowbrook have five children: Larry, 10; Kathy, 7; Brian, 6; Libby, 4, and Greg, 2. Mr. Galvin is employed by Detroit Fiberglas Insulation. They moved here from Cleveland, Ohio. Jim is a player agent of the Little League and is sponsoring one of the teams. Jerry spends her leisure time reading and painting.

24065 Glen Ridge have one son, Gary, who is 2. Mr. Stroutsois is a sales representative for the Cook, Watkins and Patch Company of Boston. They are from Barre, Vermont. Ray belongs to the K. of C. in Royal Oak and enjoys hunting. Gloria likes to ski and bowl.

**Clubs**  
Dorothy Flattery of LeBost had bridge club at her home on Wednesday night. Eileen Miklos was a guest player. The winners were Marg Parent and Virginia Barnes. Margaret Bunker took home the consolation prize.

The Sixteen Pinochle club was held Monday night at Sophie Martin's home on Willow Lane. Winning prizes this week were Sylvia Clerck, first; Agnes Morrison, second; Helen Waugh, third; Clare Miller, fourth; and Glenna Grant, fifth. The next meeting of the group will be at Clare Miller's.

Vi Newton of Malott was hostess to her pinochle club Wednesday night. Clare Ronk won the first prize and Joan Anderson won second prize. Booby prize went to the hostess.

### VOTE FOR THE BEST QUALIFIED

FOR SUPREME COURT JUSTICE

MICHAEL D. O'HARA  
 JOSEPH A. MOYNIHAN  
 ROBERT E. CHILDS

REPUBLICAN STATE CENTRAL COMMITTEE  
Lansing, Michigan

VOTE APRIL 1st

NON-PARTISAN BALLOT

Elect SIDNEY FRID

To The Northville City Council

- 4 Years Experience On Village Council
- 32 Years Resident & Businessman of Northville.

Vote for Frid April 1

### To The Voters Of Northville:

To acquaint you with my background: I was born in Grays Essex, England, December 27, 1893.

The eldest of seven children, I received my grade school training there. My parents with their children came to Canada, where I received my high school education. I worked on construction until 1915 when I joined the Canadian Army. I served overseas until 1919, when I came home a Lieutenant. I was employed by the Telephone Company as a lineman, and also worked as an electrician. I came to Detroit in 1922 where I worked at construction until 1925.

I married Louise Rudolph of Au Gres, Michigan. We have two children, Patricia 28, now Mrs. Ray Plaunt, who with her husband and three children reside on Bois Blanc Island, Michigan. Russell, 26, a teacher in Pontiac, who with wife and two children reside in Drayton Plains, Michigan.

In 1925, my brother Cy and I took over the then bankrupt Northville Laundry, and operated same successfully until 1946. Since then I have built five houses and operate rental property.

I served on the Council in 1944 to 1948. Being well-acquainted with functions of same, having taken a keen interest, and attended their meetings very regular through the years.

I was president of the Exchange Club when the Ford Field was promoted and equipped. The club members and I worked hard on same.

I am at present supervisor on Oakland Board of Supervisors, appointed by present Council, having been an employee, business and serviceman, having the capability, interest and time to serve you on the City Council.

The first problem facing the new council is to get a new water supply which is a must, also we have some bad streets to attend to. The \$21,000 the city received from township should be used for the above purpose. All improvements depend on finances and can only move as fast as available. I am strictly independent.

Sincerely

SIDNEY FRID

## DAR Conference Delegates Hear Outstanding Speakers

Seven delegates from the Sarah Ann Cochrane chapter of the DAR attended the organization's state conference in Grand Rapids last week and returned with reports of several outstanding speakers heard during the meetings.

Attending the conference from the local chapter were Mrs. Claude A. Crusoe, regent; Mrs. Harry N. Deyo, past regent and state honor roll chairman; Mrs. Robert D. Willoughby, state treasurer; Mrs. Kenneth Hulsing, Mrs. Walter Gemperline, Mrs. Sidney Strong and Mrs. Earl Mastick, state chairman of friends of the museum.

Speaking at the opening luncheon was Russell Kirk author and educator who is originally from Plymouth and a graduate of Plymouth high school.

Mr. Kirk discussed "Federal Aid to Education", and felt that a large proportion of funds used to construct more buildings could be used to advantage investigating and improving curricula.

Mrs. Ray L. Erb, national

chairman of national defense, spoke to the group at its opening session. Mrs. Erb's message to the delegates stated that two threats to individual freedom imminent today were world government and centralization of federal government.

Other speakers heard by the group of over 200 delegates were Mrs. Ralph W. Newland, state chairman of approved schools and national curator general and Dr. Carl S. Winters, former crime commissioner of the state of Michigan and now a Baptist clergyman; Dr. Winter's talk was titled "What's Right With America".

Present at the conference were the high school "good citizens" chosen throughout the state by local chapters, including Janice Howarth of Northville, winner of the state "good citizen" award was Helen Frances Duke of Mt. Clemens. Speaker at the luncheon honoring the girls was Miss Aubrey Wilbur, dean of women of Albion college.

# A LOOK AT THE RECORD OF COUNCILMAN EARL REED!

Earl Reed's service during two terms of office, both as Village Commissioner and as City Councilman, has been a credit to our community.

He has given generously of his time and effort to conduct city affairs to the best of his ability and for the benefit of city and community at large.

Mr. Reed spent a great deal of time in acquisition of a portion of the title, for the alley, on the north side of Main Street, after it seemingly had bogged down. This title was acquired by him at very little expense to the city and opened up a much needed area in the rear of our business district.

Due to his connections with the Abstract and Title Guaranty Company in an executive capacity he has been of invaluable assistance in the clearing of title for the City of Northville, such as Dubuar Street, Fairbrook Court, the handling of the Handorf sale, etc. His experience in these matters has saved the city considerable time and expense and in turn saving you, the tax payer, money that would have come out of your own pocket.

Reed has helped many citizens clear up title to their land. In so doing, it has helped straighten out the city's tax rolls. He has done this for the community at large, as an assistance to all individuals.

Mr. Reed was strongly in favor of the purchase of new fire equipment. In so obtaining, he saved you rate insurance increases that the city was faced with because of its obsolete equipment.

He has made and supported suggestions that have benefited the development of our city, such as parking, annexation, sewer and water, paving, recreation and many others.

Mr. Reed sponsored the sending of a letter to a certain company welcoming any contemplated expansion of its local plant. A reply was received by the Council, assuring the city that it would be considered in such a program. A part of that has already been accomplished.

He served as a member of the Finance Committee which met with the Township officials and settled the division of assets between the Township and City in a fair and amicable manner.

He has in the past and will in the future work for the building up of the morale of the various city departments. In regards to this he advocates the following:

1. Pay increases that compare to that or better than the surrounding communities.
2. A forty or forty-four hour work week.
3. A pension plan.
4. Proper and adequate insurance.
5. Compensatory time for the police in their appearance in court and many other social benefits, for the various departments.

Mr. Reed also advocates:

1. A short wave radio for both the police and fire departments, thereby eliminating the obsolete and inefficient light at the four corners.
2. An equitable solution to the expense of operation of our fire department and the city dump as now shared with township.
3. A possible agreement of a joint police department with the township, thereby giving us, as well as the township, better police protection.
4. A study of streets that should be paved in a definite order under a long range program. This could be accomplished by the use of counters borrowed from Wayne County, giving us the amount of traffic on each street, so contemplated for improvement. Also, taking into consideration other factors such as the cost and how long residents of those particular streets have been paying taxes on such unimproved roads. In other words making a thorough study of this problem, and coming up with the answer and why one street should be paved before another.

He has and will continue to support the means of any additional revenue that the city is now receiving from other sources than those of direct taxation. When you consider that on paving and surface drainage alone for our streets, would roughly cost over one half million dollars we certainly need that revenue for such a gigantic program. Also, to accomplish other needed improvements with less taxation to you the taxpayer.

There are many other problems to face but we feel sure that with a man of Reed's caliber, honesty and integrity we will again be well represented.

Therefore, we sincerely urge you to analyze his accomplishments and foresight and vote for our number one choice of the candidates, Earl L. Reed, on April 1, 1957, election day.

### 1-CARD OF THANKS

We would like to thank our many friends and neighbors for their many acts of kindness during the illness and death of our beloved sister, Ida O'Neil. We want to thank those who sent flowers and to all who were so comforting and considerate. May we gratefully express our appreciation to Rev. Taxis, Dr. Craig Barlow and nurses at St. Joseph Hospital, and to the Casterline Funeral Home.

Wava Lee  
William H. Good

We extend deepest thanks for the many kind acts of sympathy expressed by friends and neighbors during our recent bereavement.

Readers Speak Up:

NOVI RESIDENT SAYS STREAM IS DAMMED UP

To the Editor: In regard to our drainage problem here, the Oakland county drain commissioner recently wrote a letter to me in which he kept referring to a "flooding problem". I did not write him about flooding. It was about a health problem. If the tax payers will look back to last fall, they will remember the "dredge" problem brought up by the commissioner. That would be our tax money they were talking about kicking around. We do not need a dredge job. There is a 10 to 12 foot drop from 12 Mile road to the new expressway. How come the drain commissioner and our township supervisor had so much criticism about this stream of water last fall if they have no jurisdiction over it? This is a natural stream and no one has any right to dam or change it in any way. I have not had time to hear from the governor, so I sent a copy of the drain commissioner's letter and photos of the fill-in and the rest of the dam. He always has time for the little fellow. Thank you, D. M. Parkinson

intentions of severing his present connections with the Driving Club and I am quite sure he could not be expected to sever his connection with his father-in-law, Dr. L.W. Snow, president of the Driving Club. Obviously, a man in the position of Mr. Hoffman would be more than human if he were able to view a request from the track interests with an impartial eye.

The small, but highly vocal, group that most benefits from the presence of a track in Northville had suffered few reversals at the hands of the town or city council until a year ago when their plans to move all horses to a section of the city they had not previously legally occupied so that they might enlarge the facilities at the old location were thwarted. It would appear that this first major refusal has filled this small group with a determination to lessen the odds of a recurrence of the incident. Full page ads don't come cheap, but one does wish the boys could have been a bit more subtle. Intentional or not, the inspiring message of incumbent Councilman Reed aligned on the same page with that of Mr. Hoffman's in your last edition was a vision of things to come. You may rest assured that every citizen of Northville who derives a real or imagined benefit from the track will plunk for Messrs. Hoffman and Reed. The only hope for those citizens of Northville who wish to counteract this small but united block of votes is to get out the largest vote in the history of Northville. Only with a large turn-out vote can we hope to have the will of the majority expressed. A vote for any of the three remaining candidates will not constitute a rejection of the track in Northville — each of us enjoys the revenue given us by the State to compensate for its presence here — but it will be a vote of confidence for the men who intend to keep a vigilant eye on the behaviour of an institution which so deeply affects all of our community. Arthur J. Prodger 450 Griswold Avenue

PRIVATE PROPERTY and so far we have a right to do with it as we see fit in this land of ours, at least if zoning requirements are met. Further I might point out to "Home Owner" that it takes two or three million dollars to develop a modest shopping center and if he is willing to come up with the money a shopping center would soon spring up on the corner he criticizes. And I might add that more has been accomplished to benefit the township in the last four years than was done for many years before that. The person that wrote the letter last week would be the first one to squawk loudly if taxes were raised a lot to do many of the things that are on the program to be done. As it is, the problem is to accomplish as much as possible each year without too abrupt a raise in taxes — or then the supervisor is accused of ruining the taxpayer. As it has happened in the past few years the rapid tax increase has been caused by the schools over which the Supervisor and the township board have no control. However they are always blamed for the school tax increase.

If "Home Owner" doesn't like the board to whisper before or at meetings why not get elected to the board. I suppose it never occurs to such person that the township board meets to carry on the business of the township and not for the purpose of creating amusement for those attending as spectators and that unlimited speaking from the spectators would wind up in nothing but chaos. Why does "Home Owner" write such a letter and not sign his or her name? Are they ashamed? I would be. Frank Davis

Expresses Views On City Candidates

To the Editor: As pointed out in your editorial in the March 21st edition of The Northville Record, the election of April 1st will have a profound effect in the City of Northville and each of its residents. Unlike yourself, I am not a newcomer to our local political scene and, as a consequence, do not share your reticence in speaking of the candidates for seats on our City Council for the next four years. Contrary to usual practice, I wish to speak against, rather than for, the election of two candidates. I found the intentions of Mr. Hoffman, as stated in his full page advertisement in your paper, commendable — I doubt that any citizen of Northville would fail to support these improvements at such time as they become economically feasible. I applaud his stated intentions but, what are his plans concerning the exercise of lawful control over the track and keeping it within due bounds? I am reasonably sure he has no

Answers 'HOME OWNER'

In answer to the letter in last week's News signed by "Home Owner", let me say that in the first place the property in question is

Clean Carpets Save You Money

IF RUGS and carpets are to wear well and stay attractive they must be kept clean. Dirt on the surface dulls the color of the rug. Embedded grit wears and cuts the fibers. Damage from clothes moths and carpet beetles is less likely to occur when rugs are kept clean. The time to spray rugs against these insects is after they have been thoroughly cleaned. PLYMOUTH RUG CLEANERS PH. PLYM. 3290

### Mailed Contributions Credited to Northville

Residents who made Red Cross donations with envelopes sent from the Northville chapter may feel certain that their contributions will be credited to the local chapter, chairman Mrs. Arthur Carlson said this week.

"Questions have been asked concerning the Detroit address on the envelopes," she said. "Some residents have wondered whether Northville will get credit for the funds."

"A code number on each envelope assures that the Northville chapter will get credit for donations contributed this way."

Mrs. Carlson added that Northville still needs trainees for home-nursing and first aid, and at least ten station wagons to be used as emergency ambulances in case of a disaster.

### McArthur Named VFW Commander

Northville Veterans of Foreign Wars have elected Lawrence McArthur to the office of post commander for the coming year.

Other offices elected last week by Northville Post 4012 were:

Senior vice commander, Homer Hodge; junior vice commander, Joseph Bongiovanni; quartermaster, Alfred H. Smith, Jr.; post advocate, Charles Willgues; chaplain, Ernest Ash; surgeon, Arthur Carlson; trustees, Barnaby J. Bird, Astley Carlson, Charles Ash.

The new officers will be installed at a public ceremony April 7 at 2 p.m. in the post home, 438 Plymouth avenue. Officers of the ladies auxiliary will be installed at the same time.

### What Northville Girl Scouts Are Doing

**Brownie Troop 4—**  
At their last meeting, members of Troop 4 made a plaque in the shape of a girl scout emblem. On the emblem in two inch relief they made the head and shoulders of a Brownie. To indicate the hat and uniform, they used brown tape, and for hair they used large yellow pipe cleaners. The eyes, nose and mouth were made of sequins.

**Brownie Troop 5—**  
Troop 5 opened their meeting with roll call and dues and had their flag drill. Their project was money pouches with painted designs on them. They had the nibble box and closed the meeting with the friendship circle and singing of "The Golden Sun".

**Girl Scout Troop 8—**  
At present Troop 8 is making and taking orders for selling of ceramic jewelry. They had Mrs. Verschaeve instruct them in the making of the jewelry. The troop is also discussing the possibility of camping out in Sleeper's State Park again this summer.

**Girl Scout Troop 19—**  
Troop 19 continued working their marionettes. They heard a report by Roberta Herter on the seven basic foods. They had the nibble and closed with the friendship circle.

### Obituaries

**JAMES T. ROUSE**  
Mr. Rouse, who lived at 455 West Willis, Detroit, died March 24 at Northville State hospital. He was born September 15, 1897 at Tampa, Florida, the son of Thomas and Ellen Rouse. Surviving are his wife, Elizabeth; a son, Clyde, of Detroit, and two grandchildren. Mr. Rouse was an auto mechanic, and had lived in Detroit for 21 years. Services were held Tuesday from the Casterline Funeral Home, Rev. Hugh Clements of the Interdenominational church officiating.

**PERRY WOODWORTH**  
Mr. Woodworth died Tuesday at Eastlawn Resthaven after a two-year illness. He was born November 23, 1882 to Zachary and Jessie Woodworth. He had lived in Northville for 10 years, and had been a real estate broker. Surviving are a son, Harold, of Los Angeles; two daughters, Mrs. Jean Buttermore, of Plymouth, and Mrs. Virginia Bake, of Northville, and one sister, Mrs. Florence Miller, of Portland, Indiana. Also surviving are one grandchild and one great-grandchild. Rev. Ivan E. Hodgson of the First Methodist church officiated at services at the Dempsey B. Ebert Funeral Home. Graveside services at Pennington on Tuesday were under the auspices of the Portland Masonic lodge.

**NOAH E. ALLISON**  
Funeral services were held Monday for Mr. Allison, who died March 20 at Pomona, California. He was born January 6, 1885 at Pennville, Indiana, and lived in Northville at 376 First street. His wife, Stella, preceded him in death in 1955. Surviving are a son, Donovan, of Northville; a daughter, Mrs. DeLorez Doren, of Northville; a brother, William, of Pomona, and a sister, Mrs. Florence Miller, of Portland, Indiana. Also surviving are one grandchild and one great-grandchild. Rev. Ivan E. Hodgson of the First Methodist church officiated at services at the Dempsey B. Ebert Funeral Home. Graveside services at Pennington on Tuesday were under the auspices of the Portland Masonic lodge.

**Marine Recruiters On Duty in Plymouth**  
The U.S. Marine Corps announced this week that a recruiting office has been established at the Michigan Employment Security Office, 987 Mill street, Plymouth. Staff Sergeant Frank Kane will be on duty daily from 9 a.m. to 3:30 p.m.

CIRCUS SOUNDS come from the miniature calliope played by sixth grade students Pam Kay and Heidi Handorf, members of Miss Gertrude Martin's class. Observing the science class' experiment in air and sounds are Rickie Rebitzke, Carol Budak and Rosemary Hawood.

### Novi Highlights

Mr. and Mrs. Russell Button and daughter, Estelle, returned Friday night from a month's vacation in the south. They visited the latter's mother and stepfather, Mr. and Mrs. Wirt Lee, and her sister, Mrs. M. D. Perkins and family at Winter Park, Florida. They also visited Springfield, Missouri; Springfield, Illinois; visited a friend in Alabama; attended the Mardi Gras at New Orleans; toured along the coast of the Gulf of Mexico, and the Blue Ridge Mountains.

Mr. and Mrs. George Atkinson and Mr. and Mrs. Glen C. Salow spent the week end at their cottages near Lewiston.

Mrs. R. E. Ward, Mrs. Celia Sharpe, Mrs. Evelyn Cotter, Mrs. Ernest Black and Mrs. Glen Schenimann and Mrs. Ward's Youth Sunday School class, Jackie Sharpe, Mary Schenimann, Harry Lee Schenimann, Kathleen Cotter, Nancy Cotter, Gregory Larson and Freda Angel attended the Madison theatre in Detroit where they saw "The Ten Commandments" Sunday.

Mr. and Mrs. Vincent Hayes of 12 Mile road had an open house Sunday March 24 in honor of their son and daughter-in-law, Mr. and Mrs. Joseph Hayes. The bride, former Carol Ann Henry, is the daughter of Mr. and Mrs. Lloyd Henry of Coleridge, Nebraska. The young couple were married February 26. Over 100 were present for the open house. The guests came from Detroit, Marine City, Milford, Northville, Plymouth, Farmington and Novi. Mr. and Mrs. Joseph Hayes are at home to their friends on Wixom road.

**School Fair Plans**  
Mrs. Hood's first grade will have the fish pond at the fair. Mothers have been asked to donate ten cents gifts or money to buy gifts wholesale. Gifts to be wrapped and marked to specify for a boy or girl. On the committee for Mrs. Hood's room are Mesdames Claude Earle, Harold Ortwine and Andy Kozak. They would appreciate it if any room mother would donate a half hour of their time to work at the fish pond on fair night.

Mrs. Garner's first grade will have charge of the bake sale. The Mrs. Groves, Mrs. VanSickle and Mrs. Rippey are busy calling mothers and others who wish to donate baked goods.

**Farm Bureau**  
Mr. and Mrs. Vincent Hayes entertained 42 members of the New Hudson Farm Bureau at their home last Thursday evening. The discussion, led by leader, Ed Bhorms, was on "School Problems". Cornell Elkow is the present acting chairman.

**Methodist Church**  
Lenten prayer service Wednesday afternoon from 1 to 2 p.m.

Mrs. Arline Gillett and Darrell Fredrick attended the Ann Arbor district bible school instruction work shop at the vacation church school in Howell Tuesday.

**Baptist Church**  
Guest speaker at the Novi Baptist church will be Rev. R. J. Karney. Bible Heirs will meet at 3:15 at the church. The leader is Mrs. Newbegin.

**AmVet Auxiliary**  
The Novi AmVet Auxiliary served sandwiches and cake to about 100 servicemen at the radar army base near Union Lake Monday evening. Members on the committee were Arlene Rippey, Doris Callan, Nellie Rackov and Lois Rackov.

**Rebekah and IOOF News**  
Don't forget the card party, and style show sponsored by the Rebekahs this Friday evening at the Community hall.

**Regular meeting of the Novi Rebekahs, Thursday evening this week. Meeting starts at 7, after the meeting of the Novi lodge will have a visitation at Clarenceville.**

**Saturday evening, March 30, the Novi Oddfellows will sponsor a dance for the fifth and sixth graders from 7 to 10 p.m. Free admission and free lunch. Mr. and Mrs. Douglas French, Mr. and Mrs. Glen C. Salow and Mr. and Mrs. George Atkinson will act as chaperons for the evening.**

**Novi Girl Scouts**  
Intermediate Troop No. 491 met at Novi school March 30. The girls worked on cancer pads. Sharon Gattrell and Donna Lien will bring treats next week.

**Intermediate Troop No. 492 worked on cancer pads at the March 20 meeting. Their leaders assisted by cutting the cellulose and white material. They made 56 pads.**

**Intermediate Troop No. 493 worked on their second class badge and made plans for Mother's Day.**

**Brownie Troop No. 149 celebrated their first birthday March 20. Rene Gattrell brought fudge in the treat pail. Mrs. Altaffer assisted in presenting most of the girls with their first stars.**

**Senior Troop met at the home of Mrs. Ken Bassett March 20. They made plans for attending the flower show March 27. Martha Goodfellow brought treats.**

**Brownie Troop No. 602 practiced on flag ceremony. Linda Sneary was invested. Mrs. Whittington read a story about Lord Baden Powell for tenderfoot requirement. Scribe, Lynn MacDermaid.**

**Blue Star Mothers**  
The Novi chapter feels that the success of their card party this March was in part due to door prizes generously donated by the following merchants in Northville: Krogers, Northville Electric, A&P, Tewksbury Jewelers, Freydl Cleaners, Carl's Meat Market, Stone's Gamble Store, Lila's Flowers, and Johnson's Gift Shop. In Novi: Frisbie Refrigeration, Harrowood's Standard Service, Stentz Shell Station, Mrs. Harrawood, Trickey's Fishing and Hunting, Trotter's Barber Shop, Decorator Shop, Watson Mobil Service, Ward's Super Service, Novi Shoe Repair, Mrs. Gaddella, Mrs. F. Hayes and Ed Putnam. In Farmington: Detroit Edison and Lewis' Inn. In Walled Lake: Mrs. G. Lee and Mrs. Thomas, and Sorby's Groceries.

**Investigate Theft Of Radio, TV Set**  
The Oakland county sheriff's department this week is investigating the theft of a television set and portable radio from a Walled Lake cottage.

The theft was discovered last Sunday by Nick Palalan of Pontiac, owner of the cottage at 1534 East Lake drive.

According to Novi township police chief Lee BeGole, the break-in occurred on the lake side of the cottage.

# Report Stresses Counseling; Asks Elimination of Study Halls

After nearly a year of meetings, fact finding and detailed study, the Northville Curriculum Study Committee has presented its final report to the Board of Education.

The report was officially accepted by the board at a special session last week, when it was discussed point by point with committee members.

Originally composed of about 40 persons, the group officially began in May, 1956, and was directed "to advise and make recommendations to the Northville Board of Education regarding a desirable curriculum for Northville schools."

**Strong Counseling Program**  
Running through the entire curriculum outlined by the committee was a program of intensive counseling throughout the four years of high school. The counseling plan

suggested is based on one adopted in the Edsel Ford high school after an extensive two and one-half year study.

Other special recommendations of the committee include—

—exploration of a student's vocation aptitudes;

—direction toward an integrated course of study, each area of the curriculum stressing its relation to others;

—a cooperative work experience program;

—helping the student prepare for military life;

—psychological services, and

—elimination of the traditional study hall period.

The counseling program calls for full time grade counselors and "teacher counselors" who would spend only one-third of their time teaching. Both counselors would be

assigned a specific group of 30 students whom they would retain throughout their four years in high school.

A basic curriculum, to be required of all students, calls for four years of English, one year of mathematics, two years of science, three years of social studies, three years of physical education and health, one year of fine arts, and driver education.

**More English Added**

Present requirements for English in Northville high school are three years. The added year requested by the report was one which was strongly favored by the Bureau of School Services of the University of Michigan and by questionnaires sent to former students, parents and citizens. Included in the requirements are alternates of journalism, radio speech and dramatics, and reading improvement.

Fine arts requirements of one year included a plan for a leisure arts course, defined as one which would "lead a student to the first steps of understanding and appreciation of the fine arts."

Plans for the mathematics program, in addition to a one year requirement, included provision for a general mathematics proficiency test to be given at the end of the 11th grade to help the counselor decide a student's need for a refresher course in fundamentals and application. Besides the refresher course second year algebra and advanced mathematics courses were added to the program.

**Credit Asked For GAL**

The physical education program outlined by the group requires three years, with a fourth as an elective.

Committee members felt that girls participating in the Girls' Athletic League should receive course credits in physical education, as the boys now do for activities in varsity sports.

The committee also recommended that general physical education classes should provide training in individual participation activities, and that the intra-mural program

## Questions? Ask P-TA Tonight

So enthusiastic was the reaction of the Board of Education to the study committee report that the services of a "director of instruction" to implement recommendations — before completion of the new high school — are being considered.

Questions about the proposed curriculum will be answered tonight at the P-TA meeting, to be held in the Community Building. Persons desiring further information are most welcome to attend. Meeting time is 8 p.m.

should be expanded to include activities that would appeal to every student.

Two additions to the present science program at Northville high school were made by the committee: advanced biology and a course in conservation of natural resources, the latter favored by 89 per cent of the questionnaire responses. The choice of courses for the two year requirement, the report points out, should be made with the advice of the student's counselor.

Courses in economics and geography were added in the social studies field, encouraging use of local facilities, such as student council, and city and township offices, as social science laboratories for the entire social studies program.

**More Electives Added**

For the special interest and elective curriculum, the report has added several courses not presently included in the high school curriculum. In the business study course for example, courses in personal typing, office practice and machines, and general business (such subjects as personal law, insurance, consumer buying, etc.) have been suggested.

The report also includes a list of facilities which would have to be established or improved for the implementation of the committee's recommendations.

**Cross Section Represented**

Total membership in the group, which was headed by James Schiefer, represented a cross section of the Northville citizenry with respect to occupation, education, and Northville area of residence. It included five teachers, Elroy Ellison, principal of the high school; Fred Stefanski, assistant principal; four high school students, and parents and citizens.

Four subcommittees — a school-community fact finding committee, an educational needs committee, a teaching staff committee and a steering committee — spent long hours at weekly meetings discussing material for the report.

Four surveys of former students and Northville citizens aided the group in reaching their final conclusions. A poll of the graduates and drop-out students from the classes of 1951, 1952, 1955 and 1956, and a survey of parents and citizens were taken by means of written questionnaires — the resulting data carefully weighed and interpreted in the final report.

During their study, the group received help from two members of the Wayne County Board of Education, Dr. Arthur Wohlers and Mr. D. DellaDora. The final findings were reviewed by representatives of the Bureau of School Services, University of Michigan.

## Oakland Discusses UF Merger

Plans are under way to merge the annual Oakland county township United Fund drive with the United Foundation of Detroit, it was announced this week.

Representatives from both groups met last week to discuss the value of Oakland county of the merger. American Red Cross officials, whose organization does not come under United Fund activities, explained that the Red Cross had successfully merged its Wayne and Oakland county efforts.

He pointed out that Northland Center, with ties in both counties, helped break the barrier between the two United Fund jurisdictions.

Township representatives were instructed to take the information back to their local organizations for discussion.

## Downs' Four Stake Races Draw Near-Record Entry

Four stake races have been scheduled for Northville Downs in its 38-night racing season which opens three weeks from tonight.

The four events have drawn near-record fields, according to racing secretary Bill Connors.

The \$5,000 Northville Trot on May 8 has drawn 20 entries including such consistent winners as Paul Jackson, Gladys Volo and Kimberly Way.

Other stakes are the \$5,000 Northville Pace, with 12 nominees; the \$5,000 Wayne County Pace with 13 entries, and the \$5,000 Wolverine Trot with 19.

The Downs also will hold a \$10,000 event as part of the national Trans-America series.

The Downs will begin its season April 18 and will have a second "first night" on April 20 because of the intervening Good Friday holiday.

The pioneer harness track will be

the only track — either harness or running — operating in Michigan until May 24. Only for the final week of its meeting will the Downs have competition.

Meanwhile, State Racing Commissioner is yet to make a decision on a request for additional racing dates at the Downs this fall. Another "final hearing" was scheduled for yesterday.

With the approval of an emergency measure by the Northville board of appeals, horsemen already are working out the horses at the Downs in preparation for opening night.

Some 300 horses now are quartered at the Downs, and 500 more are expected to be on hand by the time the races start.

Lots of fun: Records inform us that 5,000 animals and 'hundreds' of gladiators were killed during the dedications games of the Roman Colosseum in 80 A.D.

\$800 RICHER! Meadowbrook's Chick Harbert turned in rounds of \$7-71 to cop second place and \$800 in the Miami Beach Open last week end. Harbert finished one stroke behind Canada's Al Balding.

The time to dig a well is before you get thirsty; to save money before you are broke.

## More Honors for Bell, Yahne

Northville's Bud Bell and Bill Yahne earned further plaudits for their basketball work this week as the official Wayne-Oakland All-League team was named.

Bell and Yahne also were named to post-season teams last week by the three Detroit newspapers.

The All W-O team was chosen by coaches of the seven league schools and approved by the league board of control.

Northville and Clarkston, co-champions of the league, joined with third-place Holly in placing two players on the squad. Each of the other four teams placed one man each.

Bell, a senior, also was named to the Detroit Times All W-O and All-Suburban teams. His 206 points led the Mustangs in scoring this year, and his aggressive playmaking earned him a reputation as one of the best guards in the league's recent history.

Yahne, who also picked up all-league honors on football last fall, had been named to the Detroit News All W-O squad and the Detroit Free Press All-State honorable mention team. A junior, Yahne was the third-ranked Mustang scorer with an average of 12.7 points. He led Northville with 49 free throws for the season.

# JV, Freshmen Cagers Post Winning Season

## Colts Tie for Second Place With Best Record in Years

After a slow start in which they split their first eight games, the Northville Colts came on strong to gain a second-place tie in the Wayne-Oakland League this year.

The Colts ended up their 1956-57 basketball year with a 9-3 league record — the best mark in recent years for the junior varsity cagers.

Northville tied with Clarkston for second place, only a game behind champion Brighton.

The Colts had the honor, however, of handing Brighton its only loss of the season — a close 41-38 thriller which snapped Brighton's win streak at nine.

Among the other season's highlights for Northville:

—and overall 10-5 record for the year.

—a 43-28 victory over Milford in which the Colts held the Redskin JV to three points in the last quarter.

—a phenomenal first half against Holly in which Northville allowed only a single point in the entire two period while racking up a devastating 51-16 victory.

—the satisfaction of at least one victory over every team they played except for Plymouth against which they played only one game.

Coach Al Jones' squad was inconsistent in the first round of play, winning three and losing four. But beginning with the first game of the second round, the Colts were near unstoppable.

They took seven of their eight remaining contests, including a 5-game winning streak. The only loss was a disappointing affair against Clarkston which the CHS-JV took 43-37.

According to Jones, the 1956-57 Colt squad "learned a lot of basketball, had a good attitude, and above all — got a lot of fun out of the season."

Jones said four or five of his cagers will help the varsity next year, and at the same time the Colts will be bolstered by several freshman stars moving up from Coach Don VanIngen's undefeated ninth-grade team.

Leading scorer for the Colts was little Fred Schwarze who averaged 11 points a game. Bob Starnes, with 10 and N. C. Schrader, with 8, were close behind.

The Colts rounded out their season with a spaghetti dinner under the auspices of Chef Jones. Afterwards, the Colts split up into "Michigan" and "Michigan State" squads.

After an hour of play, the junior Spartan team accomplished what its big brothers from East Lansing were unable to do in two contests against the Wolverines this year: they posted a 102-82 victory over the junior Michigan five.

In addition to Schwarze, Starnes and Schrader, other members of the Colts' squad were: Mike Willis, Bill Boyd, Jim Strange, Pete Gross, Ed Wittenberg, Larry Clark, Hugh Crawford, Dennis Fallon, Jay Skowden, Jack Bailey, Dick Buckley, Tom Williams and Gary Wakenhut.

The Colts' season record:

- Plymouth 43, NORTHVILLE 35
- NORTHVILLE 56, Holly 29
- NORTHVILLE 40, W. Bloom. 26
- Milford 66, NORTHVILLE 58
- Brighton 46, NORTHVILLE 45
- NORTHVILLE 42, Clarenceville 21
- Thurston 49, NORTHVILLE 41
- NORTHVILLE 45, Clarkston 27
- NORTHVILLE 41, Brighton 38
- NORTHVILLE 60, Clarenceville 44
- NORTHVILLE 43, Milford 28
- NORTHVILLE 51, Holly 16
- Clarkston 42, NORTHVILLE 37
- NORTHVILLE 53, Thurston 37
- NORTHVILLE 45, W. Bloom. 32

### Varsity Cheerleaders Chosen Last Week

Miss Patricia Dorrian, cheerleading coach, announced after tryouts were held last week that next year's varsity cheerleaders would be Mary Welch, Priscilla Hilton, Mary Hill, Susie Blackburn, Bonnie Walker, Jayne Hammond and alternate Mary Byrne.

Tryouts for reserve cheerleaders were held last Tuesday.

**PERFECT SEASON** — The Northville high school freshman cage squad completed a perfect season last week by dumping South Lyon. The unbeaten team members: (front row, left to right): Blaine Ashby, Bob Stuber, David Nash, John Early, Roger Atchinson; (top row, left to right): Coach Don Van Ingen, Chuck Hix, Larry Nitzel, Fred Mitchell, Barion Stader, Joe Gotro, Jim Patterson, Gary Howell, Gary Morgan, Wade Deal, Bill Juday, Mike Janchick, Mike Eastland, Woody, Aenchbacher and John White.

## Freshmen Cagers Undefeated

An undefeated season is something that all teams dream about and only a few ever achieve.

For the past two seasons the Northville freshmen basketball teams came close to this reality but this year it happened. By defeating South Lyon last week, 39-34, the freshmen ended their season with 10 straight victories.

The final win of the season was the toughest as Northville just managed to slip by a team that they had previously beaten easily by 19 points on their home court earlier in the season. Northville maintained a slim lead most of the game but could never pull away to a comfortable lead.

With two minutes remaining in the game the NHS five held a slim two-point lead. Bob Stuber was fouled twice and had four free throws but could only connect on one to gain a three point lead. With less than one minute to go, John White came through

with a layup to put the game away.

Roger Atchinson, who had been ill with the flu for two days previous to the game, led in the scoring department with 18 points.

This was the highest number of points by any member in a single game during the season and enabled him to take the scoring championship away from Jim Patterson who was high in that department the entire season. Atchinson ended the season with 108 points and Jim finished with 102.

Other leading scorers were Wade Deal 66, Joe Gotro-63, Larry Nitzel 47 and John Early 29.

This season's club proved to be well balanced as each of the five starters was high scorer in one of the games. Every member of the 18 man team got in, the scoring column with the exception of one who played in only two games

because of injury and illness.

The freshmen ended the season with 477 points for a 47.7 average as against 309 points for a 30.9 average for their opponents. The single high game was 61 points against Brighton in the first game and oddly enough their low effort for the season was 36 points against this same team.

In the past two seasons, the freshmen squads have ended the season with identical 9-1 records. This season along with the past two gives the freshmen teams a 28-2 record for the last three years.

Coaches Stan Johnston and Al Jones will now receive the play-ers coach Don Van Ingen loses.

- The freshman season record:
- Northville 59, Clarenceville 51
  - Northville 43, Milford 29
  - Northville 61, Brighton 29
  - Northville 57, South Lyon 38
  - Northville 39, W. Bloomfield 17
  - Northville 39, Clarenceville 27
  - Northville 47, W. Bloomfield 26
  - Northville 36, Brighton 28
  - Northville 57, Milford 30
  - Northville 39, South Lyon 34

### Season's End

The record books have closed on the most successful season in Northville basketball history.

All three teams had outstanding records. The varsity Mustangs tied for the league title. The junior varsity Colts tied for second. And the freshmen completed their year without a loss.

To round out its coverage of the 1956-57 basketball season in Northville, The Record here tells the stories of the success of the JV and freshman squads.

Next week, it will be time for spring sports. And The Record will give its readers a look at what they can expect from the Northville baseball, track and golf squads.

### Do Tennis Shoes Cause Flat Feet

No. Thinking of shoes of any kind causing flat feet is as backward as treating tuberculosis by shutting the patient up in a dark airless room. All feet are weak at first and whether they strengthen or not depends upon the exercise of good foot function.

Probably the world's worst record of foot health was compiled by selectees for military service in World War I. These young men had not worn tennis shoes because they were not popular yet and because their parents were so sure that children must wear stiff shoes to "strengthen their ankles."

When tennis shoes did become popular among the children they were blamed for causing flat feet. The feet were flat before but stiff shoes concealed the condition. Blaming tennis shoes for causing the trouble is as wrong as attributing baldness to the removal of a hat.

## Your Natural Gas Comes A Long Way

The natural gas you get at the turn of a valve has traveled hundreds of miles. Laying pipelines to carry it to you presents many engineering problems.

Rivers are only one of the hazards which must be overcome on the pipeline's cross country journey. Since gas is lighter than air, 30 pounds of ballast are used for each foot of 30-inch pipe in a water crossing.

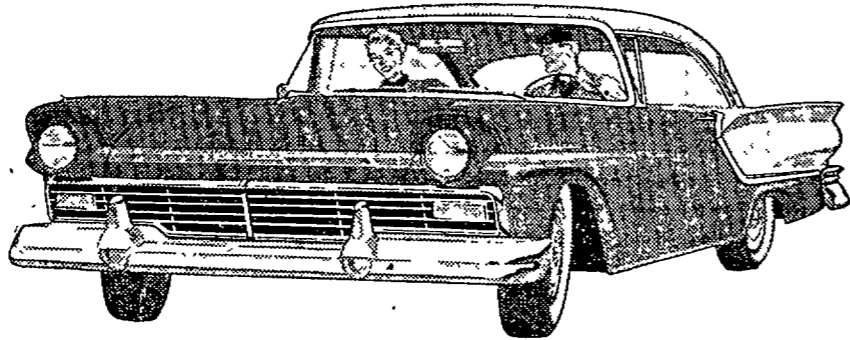

Corrosion is another headache engineers have minimized by coating and wrapping the pipe before it goes into the ground.

Millions of dollars in equipment join with labor and know-how to keep natural gas flowing to your home or place of business. Natural gas is your dependable low-cost servant.

Only GAS does so much, so well . . . the modern fuel for automatic cooking . . . refrigeration . . . water-heating . . . house-heating . . . air conditioning . . . clothes-drying . . . incineration.

**CONSUMERS POWER COMPANY**

Model for model, right across the board

The Fairlane Club Victoria is a brilliant example of the Mark of Tomorrow styling and built-in plus-values that have made Ford the best-selling car in the nation.

# FORD is the lowest priced of the low-price three!

Everywhere you look in the new Ford, you see plus-value features. And these advanced features that make Ford your best buy today . . . also make it your best buy for the years ahead.

There are many plus-values in the all-new "Inner Ford!" You don't ordinarily see many of the plus-value features that are built deep down into the all-new "Inner Ford." For example, such features as the new, sturdier, contoured frame and new suspensions, front and rear.

There's a big plus-value in Ford power for '57! This year, you can pick a Ford engine to suit your power needs from a whole new family of mightier Ford V-8's. Or you may choose the new Mileage Maker Six.

### Ford is worth more when you sell it!

The years-ahead styling and rugged "Inner Ford" features that make Ford worth more now are the features that will make it worth more when you are finally ready to sell it or trade it in.

### Ford is priced right!

Comparison of manufacturers' suggested retail delivered prices proves that model for model, Ford is the lowest-priced, full-size car.

### Action Test a Ford . . . and see for yourself!

The only way to get fully acquainted with a car is to get behind the wheel and drive it. And we will be happy to have you come in and Action Test a '57 Ford at any time.

COME IN TODAY...get a great deal on the **NEW KIND** of FORD!

## from the PASTOR'S STUDY

By the Reverend Ivan E. Hodgson  
First Methodist Church of Northville

### Thoughts of Spring

Lord Tennyson set a young man's heart to music when he phrased this spring-time thought, "In the spring man's fancy lightly turns to thoughts of love." Who can think of love in its proper perspective without thinking of God. In pre-marital counseling, I often remind the young couple that out of sheer gratitude to God for the gift of each other and the joyful and promising fellowship of married life, they should adore and worship Him. A failure to do so is indicative of our blindness and ingratitude.

Spring speaks to me of God and the Christian Life. It portrays God's power, life and beauty. Each of these reminds a thoughtful soul that our world is not a chance creation. It is the product of a powerful, thoughtful and loving Creator. Man claims much for himself, such as the required skill in plant selection and arranging gardens and furnishing the necessary labor for the planting of seeds and working the beds; but only God can make the seeds and give us intelligence to develop them. Man can set the date for the beginning of spring but only God can send the rain, warm the earth, and through the mysterious resurrection of life cause the little seed to burst out and stretch its finger toward the sky:

*"We plow the fields and scatter  
the good seed on the land,  
But it is fed and watered by God's  
almighty hand;  
He sends the snow in winter,  
the warmth to swell the grain,  
The breezes and the sunshine, and  
soft refreshing rain."*

*"He only is the maker of all things  
near and far;  
He paints the wayside flower, He  
lights the evening star;  
The winds and waves obey Him,  
by Him the birds are fed;  
Much more to us, His children,  
He gives our daily bread."*

The forces released in Spring suggest the irresistible power of God and His promised annual return of the seasons. The opening of nature's great concert is announced with the passing of winter:  
*"For lo, the winter is past, the rain is over and gone; the flowers appear on the earth; the time of the singing of birds is come, and the voice of the turtle is heard in our land; the fig tree putteth forth her green figs, and the vines with the tender grape give a good smell. Arise, my love, my fair one, and come away."*  
(Song of Solomon 2:11-13).

Spring is a symbol of spiritual birth and Christian joy. Jesus said: "Except a corn of wheat fall into the ground and die, it abideth alone; but if it die, it bringeth forth much fruit." The death of winter must precede the quickening new life of Spring. The victorious life of the Christian, based upon the power of His resurrection, is symbolized by nature:

*"Let the fields rejoice, and all that is therein."  
"The flowers appear on the earth; the time of the singing of birds is come."  
"The desert shall rejoice and blossom as the rose."*

May our highest thoughts of spring be that the dreariness, cloudiness, and death of winter be transformed into the joy and hope of the Spring of His Resurrection.

# PROPOSED ORDINANCE --- CITY of NORTHVILLE

Please take notice that the following ordinance has been presented to the Council of the City of Northville and that action upon same is proposed to be taken on Tuesday evening, April 2, 1957 at 8:00.

**(AN ORDINANCE TO PROVIDE FOR THE PLANTING, CARE AND REMOVAL OF TREES AND SHRUBS IN AND ADJACENT TO PUBLIC STREETS, HIGHWAYS, AVENUES, PARKWAYS, PARKS AND OTHER PUBLIC AREAS OF THE CITY OF NORTHVILLE, MICHIGAN, TO PROVIDE FOR ALL OR PART OF THE COST OF PLANTING AND REMOVAL OF TREES AND SHRUBS IN THE PUBLIC STREETS, HIGHWAYS AND AVENUES OF SAID CITY BY SPECIAL ASSESSMENT, AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF SAID ORDINANCE.)**

**THE CITY OF NORTHVILLE ORDAINS:**

**SECTION 1. DEFINITIONS.**—The word "person" as used in this Ordinance, shall include individuals, groups of individuals, firms, associations, corporations and public utilities and their servants, agents or employees.

The phrase "Right of Way" shall mean any public street, highway, alley or avenue of the City.

The word "park" shall include all public parks having individual names, and all areas owned by the City, or to which the public has free access.

The words "Trees and Shrubs" shall include all woody vegetation.

"City Manager" or "Manager" when used herein shall mean the City Manager of the City of Northville or his representative designated for purposes of the enforcement of this Ordinance.

The terms of this Ordinance, unless otherwise specifically stated, shall apply only to public streets, alleys, highways, highway easements, parkways, parks and other land publicly owned and located within the boundaries of the City of Northville, Michigan.

The words "public utility" shall mean any person, organization, firm or corporation, public or private, duly authorized to supply electric, gas, telephone, telegraph or water service to, or for the general benefit of, the public.

**SECTION 2.** The Department of Public Works shall be charged with the duty of enforcing the provisions of this Ordinance and shall discharge all duties that may be required or imposed by the City Manager.

**SECTION 3.** The City Manager shall have control over all trees, shrubs and plants in the streets, alleys and parks of Northville and is empowered to plant, prune, spray, cultivate and preserve all trees and shrubs within the confines of the streets, alleys, parks and public areas of the City. No person shall prune, spray, plant or remove any shrubs or trees upon the rights of way or parks without first obtaining a written permit from the City Manager. No person shall cut or break down or destroy any trees or shrubs in the rights of way or parks at any time without first obtaining the written permission of the Manager. No person shall plant any shade or ornamental trees in the rights of way or parks except by permission of the Manager, and then only if they are of a variety or size acceptable to the Department of Public Works, and, in no event, shall any tree be planted in the rights of way where police, fire, street lighting, traffic signal or public utility, overhead wires, and equipment are located that will exceed a maximum growth height of forty (40) feet.

**SECTION 4.** No person shall have the right to plant any variety of poplar trees, willows, box elders, soft maples, tree of heaven, or cottonwood, or other quick-growing trees in such a location that their roots are likely to injure sewers or heave walk or street surfaces.

The City Manager, and those working under his direction, shall have the right to enter upon private property for the purpose of inspecting trees, plants and shrubs located thereon and to facilitate the caring for trees, plants and shrubs located upon public streets, easements and rights of way. Should any tree, plant or shrub located upon private property be found to be decayed or diseased or to be in such other condition or location as to constitute a menace to the health, safety and welfare of the public, the City Manager is empowered to give written notice to the owner or agent of the property whereon same is located requiring that said tree, plant or shrub be treated or removed so as to correct the unsatisfactory condition within ten (10) days from the receipt of said notice. Should the said owner or agent fail to comply with the provisions of this notice, then the required work shall be done by the Department of Public Works and the cost of same, as certified by the Superintendent of Public Works, shall be a charge and lien upon the real property and shall be assessed against said property in accordance with the provisions of Chapter 11 of the Charter for the City of Northville. The City

may, at its own discretion, sue to recover said costs in an action at law, rather than making same a charge against the real property.

**SECTION 5.** It shall be unlawful for any person to use any tree as an anchor, except as a temporary measure, and in such cases permission must be first obtained from the City Manager. No signs, posters or other material, except temporary traffic control signs, shall be fastened or hung on any trees in any rights of way.

**SECTION 6.** Excavations and driveways shall not be placed within 6 feet of any tree without a written permit from the City Manager or his authorized agent. Any person making such excavation or construction shall guard any tree within 6 feet thereof with a good substantial frame box to be approved by the Department of Public Works, and all building material or other debris shall be kept at least 4 feet from any tree.

Notwithstanding anything to the contrary contained in this Ordinance, a written permit shall be required from the City Manager, or his authorized agent in all instances where excavations running parallel to rights of way are to be made which run alongside of any traverse by any tree or trees, and running closer thereto than 12 feet. This permit may specify a method of excavating in order to insure that the adjacent trees will not be injured or destroyed and may, at the discretion of the City Manager, require that a deposit be made with the City Treasurer of a sum sufficient to cover the cost of inspection and any damage which may result from the excavating.

**SECTION 7.** Every owner of any tree, shrub or plant, overhanging the streets or rights of way within the City of Northville may be required to trim the branches so that such branches shall not obstruct the light from any street lamp or obstruct the view of any street intersection and so that there shall be a clear space of eighteen (18) feet above the surface of the street, alley, or rights of way. Said owners shall remove all dead, diseased or dangerous trees, or broken or decayed limbs which constitute a menace to the safety of the public.

The City shall have the right to trim any tree or shrub on private property when it interferes with the proper spread of light along the street from a street light, or interferes with visibility of any traffic control device or sign, or interferes with any public utility wires or equipment necessary to serve police or fire communication systems, or street lighting or traffic control systems, such trimming to be confined to the area immediately above the rights of way. All trees, shrubs, or plants located on the triangle formed by two rights of way lines at the intersection of two streets, and extending for a distance of 25 feet each way from the intersection of the rights of way lines on any corner lot within the City of Northville, shall not be permitted to grow to a height of more than 3 feet above the surface of the roadway, or order that the view of the driver of a vehicle approaching a street intersection shall not be obstructed. Trees may be planted and maintained in this area, provided that all branches are trimmed to maintain a clear vision for a vertical height of 18 feet above the roadway surface.

**SECTION 8.** Placing materials on public property — No person shall place on public property any stone, brick, sand, concrete or other material which will in any way impede the full and free passage of water, air or fertilizer to the roots of any tree subject to the provisions of this Ordinance.

**SECTION 9.** Gas pipes or mains within any public rights of way or on any public property shall be so maintained as to avoid any leakage therefrom. In the event a leak exists or occurs, it shall be reported to the owner of such pipe and main, and the leak shall be repaired within 24 hours. Any damage to trees, shrubbery or grass resulting from the escape of gas from a pipe or main shall be repaired, and the cost of the work, including the cost of removal and the replacement of any trees, shall be levied against the owner of the pipe or main causing the damage.

**SECTION 10.** Protection of trees and shrubs — No person shall break, injure, mutilate, kill or destroy any tree or shrub, or set any fire, or permit any fire, or the heat thereof, to injure any portion of any tree. No toxic chemicals or other injurious materials shall be allowed to seep, drain or be emptied on, near or about any tree, provided, however, that this shall not prohibit the use of City approved chemical control of trees and brush growth. No electric wires, or installation, or any other lines or wires shall be attached to any tree in any manner that shall cause damage thereto. All persons having under their care, custody or control, facilities which may interfere with the trimming or removal of any tree subject to this Ordinance, shall, after notice thereof by the Superintendent of the Department of Public Works, promptly abate such interference in such a manner as shall permit the trim-

ming or removal of any tree by the Superintendent of the Department of Public Works.

**SECTION 11.** The planting and/or removal of trees and shrubs in the public rights of way, parkways, parks and other public areas of the City may be done either upon resolution of the City Council or by order of the City Manager upon recommendation of the Department of Public Works.

**SECTION 12.** Whenever deemed necessary by the City Manager to lay out and plant trees and shrubs upon any public rights of way within the City of Northville or to remove undesirable species of trees, other than those so specified in this Ordinance, it shall be the duty of said City Manager to report such fact to the City Council. Such planting or removal shall be deemed to be a public improvement. The cost thereof may be paid in whole or in part, by levying and collecting special assessment upon property especially benefited thereby, in accordance with the provisions in the charter governing special assessments.

**SECTION 13.** Spacing of shade trees and distances from curbs and sidewalks — In all future planting of shade trees in the rights of way, such trees shall be spaced not less than fifty (50) feet apart, except that trees may be planted less than fifty (50) feet from an existing tree in the rights of way, provided the existing tree has been approved for removal within a period of two years from the date of planting of the new tree, and except that in exceptional cases, any owner of a single lot may, in order to provide a shade or ornamental tree in front of his lot, secure special permission from the Department of Public Works to have a tree planted closer than fifty (50) feet from an existing tree. No trees shall be planted nearer to the intersection of two or more streets than twenty-five (25) feet from the point of intersection of two rights of way lines.

**SECTION 14.** All dead trees and trees afflicted with any fatal or communicable disease shall be removed by the Superintendent of the Department of Public Works with the approval of the Manager. Living trees may be removed in accordance with the requirements of this Ordinance, when the owner of the property in front of which said tree is situated, shall in writing, request the removal of such tree. The abutting property owner shall be notified, in the event of the intended removal of any living tree. In the event of an objection from the abutting property owners, the trees shall not be removed until

after a public hearing has been held by the City Council to consider its removal.

Where an owner of property requests the removal of a tree the Manager is authorized in his discretion, to require as a condition precedent to granting of approval for such removal, that such property owner make the removal in accordance with regulations established by the Department of Public Works, assume all or any part of the costs of removing such tree, and also to further require that such tree be replaced at some other location in the immediate vicinity, by planting another tree of a type permitted under this ordinance.

**SECTION 15.** The City Manager shall, upon this Ordinance becoming effective, and upon request of any interested public utility, issue an annual permit, and shall annually thereafter renew such permit, granting permission to said public utility to chemically control and trim and keep trimmed all trees and shrubs intruding into the air spaces over, or growing within the confines of, the streets, alleys, parks, rights of way and public places of the City in such a manner as shall keep the overhead lines and equipment of said public utilities safe and accessible, and clear of all tree growth which endangers or may endanger said overhead lines or equipment and the public health and safety. Such chemical control and trimming shall be done in accordance with approved practices and under the general direction of the Superintendent of the Public Works Department. Said permit, as provided for in this section, shall require reasonable prior notice to the City before any work is commenced thereunder. Provided, however, that in the event of an emergency requiring immediate maintenance work on the overhead lines of said public utility, prior notice of commencing work under said permit shall not be required. The word "emergency" as used in this Section, shall be defined to mean the occurrence or happening of an event which could not be expected or prevented by the exercise of reasonable care and foresight and which endangers or may endanger the overhead lines of the public utilities and the public health and safety.

**SECTION 16.** The City Manager is hereby authorized to direct the Department of Public Works to remove any trees or shrubs growing on any rights of way, park or public place in the City of Northville when such trees or shrubs are interfering with fire hydrants, sewers and water mains, visibility at

street intersections, traffic control devices or construction affecting the public health and safety within rights of way.

**SECTION 17.** Any person who shall violate any provision of the Ordinance, or lawful order or requirement adopted pursuant to the provisions hereof, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not to exceed \$100.00, or by imprisonment in the City or County jail for not to exceed 90 days, or by both such fine and jail sentence, in the discretion of the court.

**SECTION 18.** All Ordinances or parts of Ordinances in conflict herewith are hereby repealed, only to the extent necessary to give the terms of the within Ordinance full force and effect.

**SECTION 19.** Provisions of this Ordinance are hereby declared to be severable, and the holding as invalid of any section hereof shall not, of itself, impair or invalidate remaining sections hereof. Made and passed by the Council of the City of Northville, this \_\_\_\_\_

**SECTION 20.** This Ordinance shall be effective ten (10) days after passage and following publication thereof.

I, \_\_\_\_\_, duly qualified City Clerk of the City of Northville, do hereby certify that the above is a true and correct copy of an Ordinance made and passed by the City Council of the City of Northville on the \_\_\_\_\_

- Highway Commissioner
- 4 Constables (Not to Exceed Four)
- Member of the Board of Review

Also Any Additional Amendments or Propositions That May Be Submitted

NOTICE RELATIVE TO OPENING AND CLOSING OF THE POLLS  
Election Law, Act 116, P.A. 1954

SECTION 720. On the day of any election the polls shall be opened at 7 o'clock in the forenoon, and shall be continuously open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

THE POLLS of said election will be open at 7 o'clock a.m. and will remain open until 8 o'clock p.m. of said day of election.

HADLEY J. BACHERT, Township Clerk

### City Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Mar. 18th, 1957 at 8:00 P.M.

Present: Mayor Ely, Councilmen Allen, Canterbury, Reed and Stubbenvoll.

Minutes of last regular meeting were read and approved.

Bills amounting to \$23,530.66 from the General Fund and \$1,236.13 from the Water Fund were presented for payment, and it was moved by Allen, supported by Canterbury that same be allowed and paid. Carried.

Mgr. Robertson reported that the tabulation of bids for Storm Sewer and Curb and Gutter work on S. Wing, Fairbrook and First Sts. had been studied by the committee and after due consideration of the qualifications of the low bidders, it was their recommendation that Ray L. Welch, of Allen Park, be awarded the contract for storm sewer and Wm. J. Kloote, Jr. of Pleasant Ridge, Michigan, be given the contract for curb and gutter, total cost to be \$39,869.00. Moved by Reed, supported by Allen that the recommendation of committee be accepted. Carried.

Building Code was again read as required by charter and it was moved by Canterbury, supported by Allen, that this ordinance be adopted. Carried.

The Forestry Ordinance was read before publication, and it was moved by Stubbenvoll, supported by Reed, that same be published in the Northville Record and action taken on same at the next regular meeting. Carried.

Moved by Reed, supported by Ely, that the request of Rev. Wittstock asking that the fee for building permit for the new Catholic Church be waived, be granted. Carried.

Moved by Ely, supported by Allen, that the Rainbow Girls be permitted to sell Easter Lily pins on the streets of Northville on April 12th and 13th, in connection with the Easter seal campaign. Carried.

Moved by Mayor Ely, supported by Councilman Canterbury that the City Council write to our State Senator, Mr. Swainson, urging him to vote against H.B. No. 79 (the 40-hour police measure) as it violates the principle of Home rule. It was also voted that Mgr. Robertson should make personal contact with Mr. Swainson. Carried.

Mgr. Robertson recommended that the compensation of the Board of Review be raised to \$15.00 per day, and it was moved by Canterbury, supported by Allen, that this increase be allowed. Carried.

Moved by Canterbury, supported by Allen, that the City Manager write a letter to the Northville Downs (copy to be sent to the Northville Driving Club) asking what their intentions are to abate the unsightly condition existing around and adjacent to the track. Carried.

Moved by Allen, supported by Ely, that the next regular meeting be postponed to Tuesday, April 2nd, 1957, because of the Election on Monday, April 1st. Carried.

No further business appearing, meeting was adjourned.

(Signed) Mary Alexander, Clerk

News of Northville High School

## Honor Society Chapter Instituted

Recently Northville high school instituted the Hi "N" chapter of the National Honor Society. Primarily a high school organization, the Honor Society has long been discussed by the faculty as a very worthwhile society for both student members and Northville high.

Its purpose is to encourage scholarship, citizenship, leadership, courtesy and character. Heading the Society is a Chapter Council consisting of seven faculty members. They

are Elroy Ellison, principal; Fred Stefanski, assistant principal; Clarence Mason, Miss Florence Panatoni, Miss Diane Lane; Miss Le-moyne Markham and Bob Williams. Requirements for membership are rather stiff. Students must have at least a B average, must be able to maintain this average even though participating in many extracurricular activities, must be dependable and honest, must be a good worker in everything he does, and must have a good personality and well-adjusted attitude.

Only sophomores, juniors and seniors are eligible to join the Society. A maximum of 10 percent of the junior class, five percent of the sophomore class and 15 percent of the senior class are allowed membership. Sophomores are probationary members; juniors and seniors are permanent members. Seniors will be allowed to keep the special Honor Society pin presented to all members.

The Society held its first meeting March 7 in the Community building, where the excited new members were treated to an informal tea given by the Chapter Council and to an explanation of the society's purpose.

On March 14, the members met again for the purpose of choosing their officers. Elected were Bernhard Muller, president; John Schwartz, vice president; Elsa Couse, secretary, and Dick Stuber, treasurer. The Honor Society will meet regularly once a month.

One Syllable Words Are Hardest English-speaking peoples usually think of Chinese as being the most difficult tongue. Yet, it is made up entirely of words of one syllable. Each sound though, may have ten or more different meanings.

An education is what you have left after you have forgotten all you ever learned.

The divisions were: original oratory, humorous reading, interpretive reading, declamation and extemporaneous speaking.

Winners from NHS were: oratory, Marianne King, Bernhard Muller; humorous reading, Betsy Merriam, Becky Coolman; interpretive reading, Susie Dewsbury, Julie Older; declamation, Nancy Beard, Mary Lamp; extemporaneous speaking, Lillian Zinnecker, Sandra Strasen.

In interpretive reading, Susie Dewsbury won first place and Julie Older won second. In original oratory Bernhard Muller won first place. In humorous reading Becky Coolman won second place. And in extemporaneous speaking, Sandra Strasen won first place.

These people each received an engraved dictionary.

The first and second place winners will now be able to participate in the regional contest with the possibility of winning a regional banner.

Contestants in humorous reading and declamation were coached by Alvin P. Skow. Contestants in interpretive reading, oratory and extemporaneous speaking were coached by Miss Florence Panatoni.

Louis Pasteur, the French chemist, became assistant mathematical master in the college in which he secured the baccalaureate in sciences with "mediocre" in chemistry attached to his diploma.

## Students Visit Campus For Principal-Freshman Day

Last week on Tuesday, Principal Elroy Ellison and four NHS senior girls visited the campus of Central Michigan college at Mt. Pleasant, 134 miles from Northville, for Principal-Freshman Day.

The day gives principals an opportunity to discuss college adjustment with the freshmen who were former students in their schools. Mr. Ellison had conferences with Kathleen Heatley and Phyllis Howard, freshmen and NHS alumnae.

The four girls, Roseanne Perrault, Giannine Bertoni, Mary MacDermid and Brenda Wortman, went because of interest in Central and hopes of entering in the fall.

The girls first went to Keeler Union, a building where many students congregate and meet socially. There they registered for a tour of the campus. Their guide pointed out various buildings and let each person go to the one of his own choosing.

There were the impressive new library, opened just after Christmas, physical education buildings, science building and many others.

## Juniors Seek Flapper Costumes For Class Play

The junior play, "One Foot In Heaven" is coming along very well. The cast is down to business and working hard.

The costume committee has started their search for clothes. The chairman, Sandy Strasen, called a meeting last Saturday to discuss their problem. If any one has any clothing of the style of the middle twenties, will you please contact Sandy.

The advertising committee under the direction of Janice Dixon has really made progress. A sign hanging across Main street in front of the Community building was put up March 18, to advertise the play. The sign for the study hall is done, and the committee is now working on the small signs to be displayed in town.

The program committee, under the leadership of Elinor Kroeger, has started planning the programs. They have two ideas for the cover of the program and are going to start contacting people in the near future for advertising space.

The furniture and stage equipment committee under the direction of Ruth Clark has had some trouble scouting up settings.

After the tour everyone gathered to hear speakers talk of Central. From the auditorium, everyone went to Sloan Hall cafeteria and enjoyed a delicious lunch.

At the cafeteria the girls from Northville met Kathleen and Phyllis who escorted the girls through the four women's dormitories, Tate, Sloan, Ronan and Barnard. After the tour, the four visitors went back to Keeler Union to rejoin Mr. Ellison for the journey back to Northville.

## Parents Enjoy Saturday Dance

A floor show topped off by Dixieland session highlighted the "Parent's Night" Teen club dance at the Community building on Saturday.

Parents and other Northville adults were especially invited by the newly formed teen club to the affair — to get an inside look into the club's activities.

Dancing and enjoying the floor show, which included songs by Richard Dwyer and dancing by Cynthia Mellen were Mr. and Mrs. C. M. Goodrich. "It's certainly a wonderful way for our teen-agers to spend a Saturday night," they commented, and added that more parents should attend the affairs.

A surprise gift of flowers was made by the club to Mr. and Mrs. Sid Junod, who have helped them organize, to Jerry Freydl and Jackie Keyes, who have chaperoned the dances, and to Bob Williams, orchestra leader.

In two weeks, the club is planning a square dance and has booked Ed Davis of Plymouth as caller.

## Job Exhibit Planned

Northville students will have an opportunity soon to visit the fourth annual exhibition of job opportunities, "Careers Unlimited", at the University of Detroit Memorial Building April 1 through 11.

The exhibit is sponsored by schools in the Detroit area in cooperation with the Institute for Economic Education.

## Five to Attend Girls' State in June

Five girls were recently chosen by the Women's Auxiliary of the American Legion to attend Girls' State in Ann Arbor in June.

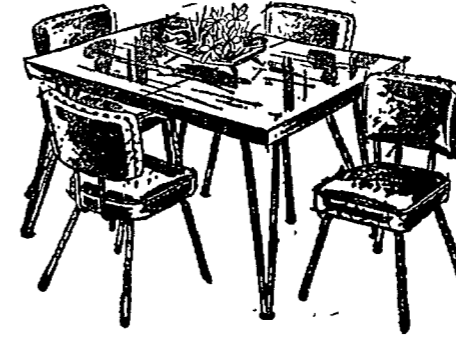

Picked from a group of 16 recommended by the high school faculty were Elsa Couse, Sally Lemke, Francis Walters, Clair St. John and Lillian Zinnecker.

They were chosen on the basis of leadership, scholastic ability, morality, vigor, honesty, industry, responsibility and cooperation.

Los Angeles is the world's largest city — in area. It covers 457 square miles, or about half the area of Rhode Island.

## DODGE PowerGiants

### Most Power of the Low-Priced 3!

Everybody agrees . . . the main reason for buying a truck is to haul a payload. That being the case, doesn't it make sense to get the truck that's powered and built to carry the most in its weight class? Of course it does! That's why so many truck owners are switching to Dodge.

Dodge gives you the most powerful V-8's of the low-priced three, ranging from 204-hp. pick-ups to 232-hp. tandems. And Dodge trucks are built especially tough to handle bigger loads. For instance, Dodge pick-ups can haul up to one-third more than other competitive makes.

Dodge makes hauling these bigger loads easier, too. Shorter turning radius lets you needle in and out of tough traffic spots in a jiffy. Power steering is available on most models, and the extra convenience of a push-button transmission\* can be yours only with Dodge.

Think it over. After all, it's just plain good business to get the most for your money . . . and your dealer can prove the most truck for your money is Dodge.

\*Available in all low-tonnage and Forward-Control models.

Actual Payload Capacity 1825 lbs.	Actual Payload Capacity 1400 lbs.	Actual Payload Capacity 1500 lbs.

Facts prove the Dodge D100 pick-up beats both competitive low-priced models in payload. Model compared is a Dodge 6, 100 pick-up, 7½-foot body. In larger pick-ups the Dodge lead is even greater.

APRIL IS EXTRA-DIVIDEND MONTH... BIG SAVINGS!

**Michigan Mirror**

**April 1st Worries GOP**

MORE THAN election victories is at stake for Republicans in the April 1 balloting. They could lose party pipelines into state administration.

It would be bad enough, from the GOP standpoint, to lose control of the State Highway Commissioner and Superintendent of Public Instruction posts. Since these two officials are the only remaining Republicans on the State Administrative Board, their defeat would put the "little legislature" completely in the hands of Democrats.

The State Ad Board consists of the governor, lieutenant governor, secretary of state, auditor general, attorney general, treasurer and the two posts involved in the coming election. It has substantial power, particularly when the regular legislature is not in session.

Outstate votes can be the vital factor.

Republican leaders are confident they can win if only half the non-metropolitan residents who voted in the presidential race will go to the polls April 1. Since the Wayne County area is heavily Democratic, the GOP knows it must build a strong outstate lead.

Democrats, on the other hand, are aiming to get out the vote especially in Wayne, Macomb and Oakland counties. Their leaders state they want a heavy vote everywhere, but that they count on southeastern Michigan for a victory, if it is to materialize.

Lack of interest which often characterizes this type of election disturbs many leading citizens. The candidates elected have important functions. The nature of the state's educational system is designed by winners of the balloting. How local schools will be administered; the operation of MSU, U. of M. and Wayne State University, as well as other state controlled colleges, is determined by people selected in this voting.

It's trite but politically true: Many an undesirable candidate has been elected with a small turnout—and by the voter who stayed away from the polls.

MOST CITIZENS are hazy about

the way a state law is born. The operation of the legislature seems remote from most households.

Actually, this is not the case. Every voter is directly represented by a person in each of the two legislative chambers: a representative and a senator.

Machinery for making laws has developed over the years.

**Here's how it works:**

Any member of the legislature can introduce a proposal he wishes to recommend to become law. When he does so, the proposal is called a bill and is assigned a number. Senate bills are numbered starting at 1000; House bill starts with one.

The bill is read twice (usually by title only) to the chamber where it originates. It is then assigned to one of several standing committees of legislators appointed at the beginning of the session. These groups of five to 15 men give the proposed law close examination. Unless a public hearing is called for testimony, the committees meet in private.

About half the bills die in committee. This means that the committee does nothing officially with them. The bills a committee approves are reported to the full chamber with a recommendation for favorable action.

The committee can report a bill "unfavorably" or with no recommendation, but this seldom happens. No report at all prevents the entire chamber from discussing the bill.

After on chamber of the legislature approves a proposal, it goes to the other chamber for a similar work-out.

If it then passes this procedure, it then goes before the governor. He can veto it, in which case both the house and the senate must go through the procedure again. And this time the bill must pass by a two-thirds vote instead of a simple majority.

The governor can also sign the bill which makes it a law. Or he can do nothing, in which case the bill automatically becomes law after 10 days.

**SPEAKING  
for the Record**

By BILL SLIGER

Although you may not notice it, we're wearing a new face this week — type face, that is.

The lines you are now reading are not new but if you'll just glance over at the "Roger Babson" column, or any of our general news stories or classified ads, you'll see its Majestic lines.

We say Majestic because that's what it is called. It may not make our stories more interesting, but we hope at least they'll be easier to read.

Back from four weeks on the west coast, Harold Church of Nowels Lumber was telling us of his fishing luck in the Pacific. He said that one member of their party caught four "Groupers" in a single haul. They weigh about seven or eight pounds. One day's trip netted four burlap bags full of Groupers and Sole. The Churches visited their daughter and son-in-law in San Diego.

I guess we'll have to ask Mary Alexander to leave the time of adjournment out of the official city council minutes published in The Record. Simple addition tips off councilmen's wives how long the post-meeting session at Dr. Belasco's Bel-Nor Drive Inn lasted.

Tom Carrington gave us a copy of the first edition of Lebanon, Ohio's Western Star dated February 13, 1807. The 150-year-old newspaper is celebrating the event by sending photostats of the original publication to all subscribers. Among the important news items was a foreign report of the defeat of the Prussian armies by Bonaparte's French armies.

Meadowbrook's Chick Harbert put two fine rounds of golf together last week end to collect \$800 for second place in the Miami Beach Open. It's getting warmer every day!

**Roger Babson**

**How to Make a Fortune on the Stock Market**

Babson Park, Mass. Ninety per cent of investments are made haphazardly. Sometimes they are made on the advice of employees of brokerage firms. It, however, will usually be found that these men have been unable to make and KEEP any money for themselves.

The selfish, shortsighted person seldom makes much money in the stock market, and keeps it only by sheer luck. Most of the real fortunes of today came from the fundamental desire to render service and give "for value received" help to: (1) A panicky market or (2) a new and useful industry. The first can be accomplished by anyone with patience and hope; the second sometimes fails because of poor judgment or because one is too early or too late.

Both of the above methods of making money require courage, hope and patience. It takes courage to sell stocks and "store up" cash during a bull market when most people are very optimistic; and it takes COURAGE to buy stocks again, one or two years later, when most people are bearish. Furthermore, the waiting period between these right times to sell and buy requires PATIENCE and hope. However, the person who follows either of the above methods renders an important service; namely, his selling helps make the boom less dangerous, and his buying helps check the panic. For this service an investor always receives a handsome reward.

**Method No. 1**

Selling High and Buying Low

It is important that an investor decide in advance which of the

**Method No. 2—**

Buying Into New Industries

Howard N. Feist, Jr. of the Business Statistics Organization of Wellesley Hills, Mass. has made an analysis of what could have been accomplished by investing only \$100 in automobile stocks in 1915 and then making 22 successive switches into various industries, at the right time. This results in a most amazing figure of over two billion dollars!

As a practical matter, it would have been very difficult to have picked the right groups at the right time; but if you chose 90 percent wrong and only 10 percent right (provided all else was 100 percent correct), the \$100 could have resulted in over \$200,000,000, disregarding both taxes and dividends. Any "Doubting Thomas" may get a copy of this analysis with list of groups by sending two dollars to the Information Center, New Boston, New Hampshire.

Results of Certain Trustees

I also have a copy of what E.L.
