

Council Gets Look At 1957-58 Budget

Northville's proposed budget for 1957-58 made its first appearance before the city council Monday evening and revealed:

An assessed valuation increase of approximately \$560,000 for a total of \$4,984,915;

A suggested budget of \$232,903.02 with a contingent fund of \$42,630.15;

A surplus this year of \$90,265.02.

City manager John Robertson in presenting the budget to the council pointed out that the half million dollar valuation increase came principally from the Ford plant addition and personal property and the newly constructed Northville Downs barns. An increase in the valuation of all vacant lots to a minimum of \$500 and the annexation of Novi township property also added to the city's valuation.

Robertson was quick to point out that the surplus was due to the early-rising rates at the Downs. Revenues this year will be received before the end of the fiscal year, June 30. The revenue will be transferred to next year's budget. The division of assets with Northville township also provided monies to the city surplus.

A study of Robertson's proposed budget will be made by the council before adoption, which is due by May 20. The budget, highly conservative as to revenues and expenditures, is approximately \$30,000 less than the estimate for 1956-57.

Councilmen gave approval to the final reading of Ordinance 137, the forestry ordinance. Study first began on this ordinance in 1954. It contains provisions for the planting and care of trees and shrubs on or near public property. The complete

text of the ordinance may be found on page nine.

In other business the council heard a report from Councilman Malcolm Allen on a proposed alley behind stores facing Center and Main street at the northwest intersection. Allen stated that the committee suggested the city investigate the possibility of an alley from Dunlay street with a possible exit on Wing street. He stated that because of the difficulty of entrance from Main street and the value of Main street property for business use the committee favored this plan. Earlier the council had expressed interest in the Hills' property at 114 East Main street for alley use.

In a second report Councilman Allen revealed that Wayne county would probably come to the rescue of Harold Hartley, 602 Randolph, whose home lies almost in the path of the proposed Eight Mile cut-off. Because the highway would take away Hartley's field, he had requested the city to provide sewer service to his Novi township home. Allen said that after discussions with Wayne county road commission officials that he believed the house would be purchased and torn down.

Two committees were appointed by Mayor Claude Ely to meet with township officials concerning payment for city dump use and fire protection. Robertson's proposed budget revealed that last year 48 per cent of the fire calls were in the township Robertson pointed out that this year the ratio would be higher.

The council will meet again tonight (Thursday) to canvass the election ballots and also on Monday to swear in incumbent Earl Reed and Ed Welch.

Ruth Knapp to Retire; Ends 16 Years Service

Sixteen years of service to Northville school children will end this June for Miss Ruth Knapp, R.N., who will retire at the close of the current school year.

Her years in Northville have not been limited to her work, however. Miss Knapp is a member of Our Lady of Victory church, League of Catholic Women, the OLV Altar Society, American Legion, Bystness and Professional Woman's club; Delta Kappa Gamma, honorary teaching sorority; DAR, and the Teachers' club, which has represented several times on the Coordinating Council.

Miss Knapp claims Hillsdale, Michigan as her home town. A graduate of Harper hospital school of nursing, she served in Dijon, France with a Harper hospital unit for two years in World War I.

For several years she was engaged in maternal and child welfare, working with the Urban League, the Franklin Street Settlement House and doing field work in slum districts.

As a school nurse, she worked at the Stephens open-air school, on the Boy's Club dental program, and with T.B., heart and cancer patients. In Des Moines, Iowa, she taught at

an opportunity school for the handicapped. She has also taught Red Cross home nursing and first aid in a junior high school there.

After working in Des Moines, she returned to Hillsdale where she was a school nurse for ten years. She worked in cooperation with the judge of probate, the attendance officer and county poor commissioner. At one time, Miss Knapp served as deputy health officer.

During this time, she took extension work in public health from the New York state health department. A graduate of Hillsdale college, Miss Knapp holds a bachelor of science degree and life teaching certificate. She also has done work at the University of Minnesota, the University of Michigan and Wayne university.

During WPA days, she was Hillsdale library supervisor and set up a book mending project. During this time, she helped establish nine rural libraries.

Miss Knapp, who will continue to make her home in Northville, does not expect retirement to end her activity. "I expect to keep busy every minute," she said. "I hope that I shall not be forgotten by the boys and girls at school," she added.

Councilmen Honor John Stubenvoll

The city council of Northville officially bade farewell to John Stubenvoll Monday evening with a reading into the minutes of a special commendation.

Stubenvoll, who has completed 11 years on the village and city council, did not run for re-election last Monday.

Mayor Claude Ely expressed the appreciation of the council for Stubenvoll's service and added that "I have served on every commission with John and it has been a sincere pleasure... his service to the community has been outstanding."

Set Hearing Date For Phone Rezoning

A hearing to consider a petition for the rezoning of property for a dial telephone exchange building has been set for April 23.

Announcement of the hearing was made this week by T. R. Carrington, chairman of the nine-man planning commission.

Officials of the telephone company had requested at an unofficial hearing on February 26 that the property one-half mile north of Baseline on the west side of Center street be rezoned to use for a public utility.

At that time, the board favored the change. A petition has also been circulated by Elmer Wilson, owner of the property, to secure approval of residents in the area.

The property is part of the area annexed from Novi township. Until the Oakland county circuit court rules on a suit calling the annexation illegal, it is not certain in which governmental area the land lies.

Telephone representatives indicated at the earlier hearing that they would seek approval from both Northville and Novi township so that construction could begin this month. The Novi section of the land is zoned residential.

Frank Butler, superintendent of real estate for Michigan Bell, stated at the first meeting that the portion on which the company would build would have to permit use for a public utility telephone exchange only, and would not allow any commercial development.

Novi Loses Suit Against Wixom

Novi township has lost out in its effort to invalidate the incorporation of Wixom as a village.

A suit which sought to have the Wixom incorporation election declared void was dismissed Wednesday by Oakland county circuit court judge Clark J. Adams.

Adams said he dismissed the suit because state election laws clearly indicate the election was legal and proper.

The suit — brought by two township residents — claimed the February 5 election was invalid because it resulted in a 64-64 tie vote in the Novi section of Wixom even though the Commerce township section carried it.

Reed, Welch Win Council Seats

THE WINNERS! Councilman Earl Reed, Mayor Claude Ely and Ed C. Welch, candidate for council, didn't wait long to find out the results. They went right to the polls Monday evening and were given a first hand view of the results by Mrs. Harry Wagenschutz, chairman of precinct one election board. Reed led the field of five council candidates. Welch won the second council seat defeating Ritchie by 14 votes. Mayor Ely was unopposed for re-election.

Salem Inquires About Merger With Northville School District

An official visit from the five-member Salem school board was paid the Northville board of education Monday to discuss consolidation with the Northville district.

Students from the Salem district are now attending both Northville schools and South Lyon schools on a tuition basis.

Two questions were put before the Northville board by Salem board members: If Salem consolidated with Northville, would the North-

ville district allow some of its students to continue attending South Lyon schools; or if the Salem district decided to consolidate with South Lyon, would Salem students now attending Northville schools be permitted to remain.

The Northville board indicated that they would be receptive to a plan for consolidation if Salem showed a desire to consolidate. However, board members indicated that they would be reluctant to pay tuition for all students now attending South Lyon schools, with the exception of 11th and 12th graders.

There are now 35 students from Salem now attending Northville schools, four elementary and 31 secondary students.

In other business, the board — announced that East Novi school district had paid its delinquent tuition bill, amounting to approximately \$9,000, in full. (East Novi passed a special millage in August, 1956, to facilitate paying the bill.)

—appointed a committee consisting of Eural Clark and Nelson Schrader to investigate possibilities of changing the present school insurance policies from a three year to a five year basis, which could mean a financial saving;

—reported that Mrs. Eural Clark and several assistants would be taking the annual school census throughout the school district in the near future;

—formally accepted the report of the Northville curriculum study committee, to be used by the board as a guide in setting up the curriculum;

—instructed attorney James Little to ask the Wayne County Road commission for a suitable meeting

date to discuss purchase of right of way by the commission for the Eight Mile cutoff. Considerations entering the meeting would include the improvement of Center street, construction of some sort of overpass to assure safe crossing for students and the per acre price of the land.

Optimist Bowlers Win State Meet

Five Northville bowlers emerged last week as team champions of the 17th district Optimist tournament held in Adrian.

Local Optimists Orson Atchinson, Paul Folino, Lorne LeFevre, Art Mitchell and Earl Reed were members of the team. They compiled a total of 3,119 in the handicap match to lead a field of 46 teams.

The new champion won individual trophies and wrist watches. A team trophy will become the property of the Northville Optimist club throughout the year.

Another local team competed but did not finish among the winners. Eldon Biery, Dr. Stuart Campbell, Dr. Kenneth Eastland, Harry Richardson and William Taft made up the second quintet. The tournament was held Saturday and Sunday.

Need a Car Wash?

To finance a field trip to Chicago, science students of Northville high school will hold a car wash Saturday at Miller's garage from 1 to 5:30 p.m.

Ritchie's Bid Fails By Fourteen Votes

Earl L. Reed and Ed C. Welch topped a field of five candidates for two city council seats Monday in an election which attracted 51 per cent of the registered voters to the polls.

Incumbent Reed easily led the candidates with 442 votes while Welch edged out Harvey Ritchie for the second vacancy, 360 to 346.

Mayor Claude N. Ely and Edward M. Bogart, justice of the peace, were both unopposed in the only other city offices on the ballot. Despite rainy weather 1,001 voters went to the polls. The 1955 city council election attracted but 653 votes.

The race between Ritchie and Welch was extremely close and was not decided until last results from precinct three were reported. In precincts one and two, Ritchie held an 11-vote lead over Welch. The Oakwood subdivision area gave Welch 49 votes to Ritchie's 24, however.

It was in precinct three that Sidney Frid received his greatest support. Frid, who followed Ritchie with 339 votes, picked up 105 of the 135 votes cast in his home precinct.

Clarence A. Hoffman, fifth candidate for council, received a total of 297 votes. The win for Welch comes on his second try. In 1955 Welch lost, by eight votes. He has previously served as a member of the village commission.

Reed, elected for a two year term in 1955, will be starting his second term of office. Reed and Welch were elected for four years. Mayor Ely was elected for two years. In statements following the results both Reed and Welch expressed pleasure in winning the closely contested race. "I'm most grateful again to the many voters who supported me and will do my best to warrant this confidence," Reed stated. Welch also expressed appreciation for winning and added "with God's help it is my intention and hope that I may continue to serve you so that Northville may always be a better place to live and raise your family."

The new council will be officially recognized Thursday evening when the council will meet to canvass votes. Reed and Welch will be sworn in at an official meeting Monday evening. In state and county races Northville remained Republican departing from the Democratic sweep throughout the state.

How Northville Voted:
City Council
Precinct One — Ely-322, Frid-109, Hoffman-138, Reed-211, Ritchie-169, Welch-20, Bogart-276.
Precinct Two — Ely-255, Frid-125, Hoffman-139, Reed-194, Ritchie-153, Welch-111, Bogart-226.
Precinct Three — Ely-107, Frid-105, Hoffman-20, Reed-37, Ritchie-24, Welch-49, Bogart-88.

State and County
All Precincts — Regents of U-M: Murphy-373, Brable-341, Connable-468, Watt-497; Supt. Public Instruction — Bartlett-358, Harden-481; State Board of Education — Magnusson-336, Dean-506; State Board of Agriculture — Stevens-364, Vanderploeg-348, Mueller-484, Merri-man-495; State Highway Commissioner — Mackie-364, Foster-523; County Auditor — Edgcomb-333, Ledbetter-428; Supreme Court Justice (term ending Dec. 31, 1965) — Childs-218, Kavanagh-347, O'Hara-256, Smith-370; Supreme Court Justice (term ending December 31, 1959) — Moynihan-299, Voelker-257; Circuit Court — Baum-250, Bowles-323, Gilmore-213, Kaufman-301, Lincoln-172, McNally-165, Raship-282, Wise-172; Judge of Probate — Boehm-248, O'Brien-198.

Staman Wins In GOP Sweep

Novi township voters returned supervisor Frazer Staman to office Monday as every Republican candidate on the ballot won by a 5-3 margin.

Staman, bidding for his third term, defeated Democratic candidate Herbert Koester, 590-342.

Other members of the new township board are: incumbent clerk Hadley Bachert, treasurer Ray Harrison, incumbent trustee Frank Clark, and trustee Stan Baton.

A total of 1,073 voters cast ballots — a record for a township spring election.

All-League Band to Give Concert Here Wednesday

The All-Wayne-Oakland-League band, representing the class of eight schools, will present a concert in Northville next Wednesday evening.

Included on the program are a variety of compositions from "The New World Symphony" to selections from "South Pacific". The performance will begin at 8 p.m. in the Northville Community building.

Under director Leslie Lee and assistant director Robert Williams, Northville high school placed 27 musicians in the select group of 66 bandsmen at all-league judgments several months ago.

It was the highest total ever recorded by a single school — even by Northville which has consistently swept all-league honors.

The concert Wednesday will be the last of the season for the brilliant group. Previously, the band played at Clarenceville, West Bloomfield and Clarkston.

Directors from the eight schools will each direct a composition.

The program:
—The Star Spangled Banner — Smith
—Manhattan Beach — March
—Morning, Noon and Night in Vienna — Von Suppe
—Perpetual Motion — Strauss
—New World Symphony Finale — Dvorak

Recording Star To be Guest

Dancing, prizes and a special visit from a popular recording star will all be part of the freshman class dance tomorrow night at the Community building.

Clark Reid, WJBK disc jockey, will spin records for dancing and bring with him recording star Bunny Paul. There will also be the live music of the dance band.

Prizes of records and merchandise certificates will be awarded to the best dancers.

Adults are cordially invited by the class to attend the dance. Tickets will be available at the door.

EASTER ENVELOPES — Northville Rotarians spent last Tuesday noon stuffing thousands of envelopes with written appeals for Easter Seal contributions. The envelopes will reach Northville homes this week, according to Easter Seal chairman John Stubenvoll (standing). On April 12 and 13, local Rainbow Girls will join in the campaign by selling Easter Seals in downtown Northville. Other Rotarians above are (left to right): Gil Glasson, Joe Revitzer, Roy Terrill, Eldred Huff of Plymouth, and Tom Carrington.

Miss Ruth Knapp, R.N.

Garden Club Sparks Anti-Litter Drive; Students Cooperate

Voting to cooperate with the Northville branch of the Women's National Farm and Garden Association in their campaign against littering, the senior high student council will paint and place oil drums at strategic places in the business and school areas.

"Keep Northville Beautiful", the slogan of the campaign which will be promoted from April 29 until May 4, can only be realized if everyone shares the responsibility for outdoor "good housekeeping".

Mrs. William Cansfield, chairman of the local drive, suggests that there are several things each of us can do:

- dispose of trash in a proper receptacle;
 - carry a litter bag in our automobile;
 - set a good example for children.
- A poster contest will be conducted at the high school in the near future to promote "Keep Northville Beautiful" week.

Engaged

Mr. and Mrs. O. H. Butler of Neeson street announce the engagement of their daughter, Elaine, to William T. Phalen, son of Mr. and Mrs. William H. Phalen of Whitby drive, Livonia.

Activity, Travel Keep Belle McColl Young

The softly waved silver hair of Mrs. Belle McColl frames an almost unlined face - the face of a woman with unlimited mental and physical vigor.

Her 84th birthday was last Saturday, when she was honored by some 80 members of the circles of the Presbyterian Woman's Association at a "special" party that truly honored "someone special".

With her background of travel and continuous activity, the answer to her youthful appearance and actions seems obvious: Belle's youth comes from a vital interest in people and a desire to keep learning about them and the world.

Her activities in Detroit, where she moved with her husband when he joined the American Blower company there as engineer, included—

—presidency of the New Century club. In that office, she began giving five minute lectures on current events. They became so popular that requests started coming in from women's clubs in the Detroit area to continue them — which she did for over 20 years.

—editor of "The Detroit Club-woman", official organ of the Detroit Association of Woman's clubs.

—membership in the International Institute, the Detroit League of Women Voters — and a "million and one committees."

She was also chosen "Woman of Achievement" several years ago by the Detroit Soroptimist club.

Her cosmopolitan background included:

—a trip to Hawaii as a school-girl with her family, a place then known as the "Sandwich Islands". Her father's uncle, Dwight Baldwin, was one of the early missionaries there.

—three trips to Europe: one with her daughter when she graduated from high school; one with a group of friends, and another which included seeing the Oberammergau passion play and a visit to her daughter, who then had a seat in the press gallery at the League of Nations in Geneva.

—Motoring in 42 of the 48 states. She's been in 47 altogether, Arkansas being the only one she has missed.

At age 76, she drove alone to Puget Sound to visit her brother and his family and drove home via Arizona and Texas, a 7,000 mile jaunt.

In her 82nd year, she drove alone to Miami where she spent the winter with her niece, Madeline McColl Crandall.

(She says that no-one is safer on the road than a gray-haired woman in an old Ford.)

But for all her travels, Mrs. McColl must think Michigan the best

VFW Auxiliary Elects Officers

Election of officers to the Ladies' Auxiliary of the Veterans of Foreign Wars took place March 20, the following being elected: Dorothy Perry, president; Doris Williams, senior vice president; Betty Kups, junior vice president; Clara Broda, chaplain; Lee McArthur, treasurer and Bebe Myers, secretary.

A joint installation, open to the public, will be held next Sunday, April 7 at 2 p.m.

Farmington Couple Wed Saturday

Georgia Regentik and Paul Young, both of Farmington, were united in marriage last Saturday by the Rev. John O. Taxis.

Mr. and Mrs. Jack Mohoney, also of Farmington, were the attending witnesses.

A small family dinner given by Mrs. Emil Kups, mother of the new Mrs. Young, followed the ceremony.

ALL THE TRIMMINGS — Approximately 80 members of the Presbyterian church gathered last week to honor Mrs. Belle McColl on her 84th birthday. There was cake, a corsage and a special gift — a hand-painted plaque with a personalized verse, painted and composed by Mrs. Dirk Groeneweg.

and places — for she was born here and now calls it home.

Her birthplace was St. Johns, on March 30, 84 years ago. She completed high school there, then went on to a private school in Indianapolis. She graduated from Smith college in 1897, and spent the following winter in California with several schoolmates.

Her career began as a teacher at Olivet college, where she remained for one year.

She then married Jay Robert McColl, who was head of the mechanical engineering department at the University of Tennessee at Knoxville. After taking another position at Purdue university, he was called to Detroit. He passed away in 1936.

Visiting her daughter in Northville in 1942, Mrs. McColl had planned to spend only a few days — her birthday week end. But she's been here ever since — living with her daughter's family, Mr. and Mrs. Alex Lawrence, daughter Nancy, 17, and son, Jim, 12.

Here she has continued her role as an activity-minded woman — as member of the Woman's club, Garden club, Tuesday Book club and the Presbyterian church.

Most recently, she proved energetic chairman of the Thrift Shop of the Presbyterian Woman's Association — putting in eight hours a day for the 15 days the shop was open.

And now that the shop is closed for another year, you can bet Mrs. Belle McColl is now looking for some worthwhile project to devote herself to. Bet she's found one already!

Garden Clubs Hold Joint Meeting

The Garden Clubs of Northville, Plymouth and Rosedale Gardens will have a joint meeting at Meadowbrook Country Club Tuesday, April 9.

Guest speaker for the afternoon is Mrs. Douglas A. Graham, who has chosen as her topic "Black Magic in Herbs".

The Plymouth club will be hostess for the annual tri-club affair.

Brownie Troop 4—

Troop 4 has been working on woven baskets and selling Girl Scout cookies. At their last meeting, they celebrated their first birthday.

Parents of handsome and intelligent children always believe in heredity.

Clean Carpets Save You Money

IF RUGS and carpets are to wear well and stay attractive they must be kept clean. Dirt on the surface dulls the color of the rug. Embedded grit wears and cuts the fibers. Damage from clothes moths and carpet beetles is less likely to occur when rugs are kept clean. The time to spray rugs against these insects is after they have been thoroughly cleaned.

Smorgasbord To Feature International Food Array

A sneak preview of the menu—or rather "menus" to be offered at the "spring food style show" and smorgasbord to be presented this Sunday by Black's White House promises to be a gourmet's delight.

The affair will be presented for the Metropolitan Detroit chapter of the National Cystic Fibrosis Research Foundation. Mrs. William Black is executive secretary of the Detroit chapter of the foundation.

Those attending will be able to sample foods from around the world.

Main dishes to be featured from the British Isles include Cornish pastries, Irish stew, Irish soda bread and Scotch sausage pie. From France, there will be beef burgundy, and from Germany, sauer braten and herring salad.

Even the "cosmopolitan" United States will have a place, with tables of roast turkey with stuffing, Virginia baked ham and sweet potato casserole, roast prime rib of beef and shrimp jambalaya.

From south of the border, there will be arroz con pollo (chicken with rice) and guacamole.

Oriental tastes will be tempted by chicken and almond casserole from China, curried shrimp from India, and sukiyaki from Japan. From Hawaii, sweet and sour pork and pineapple will be featured.

In addition to the cosmopolitan tables, tables celebrating special occasions — weddings, showers, Easter — will be showing decorated cakes and appropriate flowers.

The affair will be held at the Community building from noon to nine p.m.

Here to attend the funeral of Clifton Nutter were relatives, Mr. and Mrs. Arthur Brooks and daughter, Betty, of Belpre, Ohio; Mr. and Mrs. William Gehring of Reynoldsville, Ohio and Mrs. James Gard of Neward, Ohio.

News Around Northville

Mr. and Mrs. Burton Munro of Taft road returned last week after a five week's visit to LaVerne, California where they visited his sister, Mrs. Via Huffman. They traveled extensively through the southwest and also visited their son, James, in Rio Hondo, Texas.

Entertaining at her first-tea party last week was Mary Elizabeth Stephens, daughter of Mr. and Mrs. Carl Stephens. Her guests were Joy Barnum, Christie Becker, Merilee Becker and Barbara Taxis.

Celebrating her birthdays Monday were a mother and daughter,

Mrs. Carl Stephens and daughter, Mary Elizabeth. They were honored at a family luncheon at the home of Mr. and Mrs. Joseph Denton, Mrs. Stephens' parents.

Ron Dahlager, recently discharged from the army at Fort Benning, Georgia was met there by his parents, Mr. and Mrs. N. C. Dahlager, and fiancée, Sue Cantrell. The group went to Cypress Gardens, Florida for a week before returning to Northville.

Celebrating her ninth birthday at a family dinner Saturday was Margaret Becker, daughter of Mr. and

Mrs. W. C. Becker of Dubuar street. Out of town guests included grandparents, Mr. and Mrs. M. R. Book of Detroit, aunt and uncle Mr. and Mrs. F. Gault of Detroit and daughter, Sally, and aunt and uncle, Mr. and Mrs. C. J. Revell of Hamilton, Ontario. Margaret also took a treat to Brownie Troop 4 Monday.

Honored at a stork shower Tuesday at the home of Mrs. Kenneth Cockin of Smock road was Mrs. Charles Strautz. Twenty-nine guests attended from Detroit, Royal Oak, Plymouth and Northville.

Carolyn Burkman, daughter of Mr. and Mrs. John Burkman, will be home tomorrow for spring vacation from the University of Michigan.

Mrs. Ruth Starkweather of West Seven Mile road entertained her bridge club today.

Attending a Presbyterial in Ann Arbor Tuesday were Mrs. Howard Meyer, Mrs. Charles Hall, Mrs. R.G. Nelson, Mrs. Carl Bryan, Mrs. George Ramshaw, Mrs. Lee Shipley, Mrs. William Walker, Mrs. Ruth Jerome, Mrs. John Taxis, Mrs. Alfred Parmenter, Sr., Mrs. James Cowie and Mrs. Philip Fisher. Theme of the afternoon program will be "Christ Is the Way of Peace"

Mr. and Mrs. Arthur Cansfield of Bay City and Mr. and Mrs. Kenneth Price of Royal Oak spent Sunday with Mrs. William Cansfield.

Gene Melbourne and family of Ypsilanti were dinner guests Sunday of Mr. and Mrs. Jim Spagnuolo of Center street. Their daughter, Lola Esther and Mrs. Spagnuolo celebrated their birthdays together.

The Senior Hi Westminster Youth Fellowship of the Presbyterian church attended "The Ten Commandments" in Detroit Sunday with their advisors, Mr. and Mrs. Karl Weiss. Attending were Betsy Merriam, Mary Welch, Ardy Atwood, Cynthia Mellen, Gary Wakenhut, Jeff Goodrich, Henry Fisher, John Fisher, Tucker Williams, Susie Blackburn, Clare St. John, Barbara Weiss, James Cowie, Ann McKeel and Sandie DeLaGardie. The group returned to the Weiss home for dinner.

Clifford Cranson of South Center street is recovering from a heart attack at Beyer Memorial hospital, Ypsilanti.

Legion, Auxiliary To Meet Tomorrow

The 17th District American Legion and Auxiliary will meet at the Veterans' Memorial Hall tomorrow (Friday) at 8:30 p.m.

The Northville Legion will be hosting Mrs. Adah Langmaid of Plymouth, who will give a talk on Honduras to the auxiliary.

ONE OF THE LARGEST BROWNIE TROOPS in Northville celebrated its first birthday recently with a special brownie birthday cake. Gathered around the cake are 23 of the 25 members of Troop 4. Standing in the rear are co-leaders Mrs. Mary Conley and Mrs. Marie Lemon and leader Mrs. Betty Gibson.

CELEBRATING THEIR GOLDEN ANNIVERSARY Tuesday were Mr. and Mrs. George Dixon of 401 Yerkes avenue. They were married April 2, 1907 in Detroit and have lived in Northville for 43 years. Mrs. Dixon is originally from Detroit, and her husband was born in Cincinnati, Ohio. He retired from Novi Equipment company in 1946, and until recently has operated a greenhouse in Northville. The Dixons have three children: Robert, who lives on North Rogers street; Howard, of Plymouth, and George, Jr., of North Wing street. They have two grandchildren, Robert and Janice. The Dixons were honored at a small family dinner last Sunday.

News of Northville High School

Students Attend Model U. N.

Editor's Note:

Sally Lemke, Dave Adams, Ed Wittenberg and Hedi Trithart were the four Northville students who attended the eighth annual session of the Model United Nations Assembly at Hillsdale college. We thought our readers might be interested in reading the reactions of Hedi Trithart, our German Exchange student, who has written several previous articles for our page.

The Model United Nations Assembly met for the eighth time in the College Church. Our school represented the country Yemen and we four were her delegates. At 12:30 p.m., all delegates from the different schools met for the first plenary session of the Assembly where all the countries representing the UN were assembled.

We elected our president and a chairman to guide the general debate which followed. At 3:30, we

had a committee meeting. Sally was Yemen's delegate in the Disarmament committee, Dave and Ed, delegates to the Ad Hoc Political committee, and I, delegate to the Security Council.

In all the committees we had to vote on proposals, which were already set up. Two speakers were allowed to speak for and two against. Our committee voted on Hungarian Independence, and USSR and Hungarian censure. We had a big discussion going on.

I thought the U.S. delegate was excellent, and apparently the Hungarian and Russian delegates did too, because they challenged him all the time. It was very interesting to listen to as they were all good speakers and were always ready with answers.

At 6:30, we had a Rotary banquet and from 9 to 12 we were left to enjoy ourselves. We would choose between swimming, basketball, ping-pong or dancing. Since I like music, I picked the dance. I had a good time.

On Saturday morning, we had a committee meeting from 9 to 11, and then all the delegates met again in the Assembly. Each committee presented different proposals and we had to vote on them. Our president, who was excellent, was a boy from Ann Arbor. After the Assembly, we had lunch and left for home.

It is amazing how much I learned in those two days. Parliamentary procedure is one thing. Another is that I became acquainted with the work of the UN. Also, I learned the viewpoints of different countries, which is very important and helps us to understand each other. I think I have gained much knowledge and I am sure I will not forget those two days at Hillsdale college.

Dollar for dollar and man for man, the submarine is this country's most economical weapon. Comprising 1.6 per cent of the Navy's World War II personnel, the submarine service accounted for 55 per cent of all enemy shipping destroyed.

BRINGING SHAKESPEARE'S JULIUS CAESAR to life last week were students in Miss Florence Panattoni's tenth grade English classes. Here Brutus, played by Richard Drew, scrutinizes Portia, played by Karla Johnson.

One Act Plays To Be Presented By Forensic Club

The Forensic club is planning to present three one-act plays this spring.

The first one, "Ladies of the Mop", directed by Susie Dewsbury, has already been cast. The part of Bessie is being played by Becky Coolman, Mattie by Marianne King, Hattie by Judy Junod and Annie by Giannine Bertoni. The play, which takes place in a theater, is about four old scrubwomen with thwarted theatrical ambitions.

The second, "Pink and Patches", directed by Dorothy Welch, has not yet been cast. The third, to be directed by Bernhard Muller and Barbara Weiss, has not yet been chosen.

"Magic" Assembly Presented to Students

An assembly entitled "House of Magic" was last week's feature attraction for the students of NHS. The "House", which is produced by General Electric and sponsored by the Detroit Edison company, is a show devoted to demonstrating feats of scientific magic.

To the students, the event was educational as well as entertaining because it provided them with a means of understanding the ways in which electricity is used to help make man's work easier and more pleasant.

All League Choir In Holly Tomorrow

The Wayne-Oakland County All-League choir has been giving concerts for the public. They have presented three concerts at three of the various towns in the league and tomorrow night at eight, they will perform at Holly.

The choir sings such songs as "This Is My Country" and "Jubal" with the choir instructors from each of the eight choirs in the league directing one piece. Several numbers were rendered by the separate school groups. For instance, there were the "Jills", a group of six girls from Bloomfield Hills who sang "In The Still of the Night".

The Northville choral ensemble sang "Oh Gentle Heart", under the direction of Leslie Lee, choral director.

Robert Fulton, inventor of the steamboat, was an avid submarine enthusiast. He built several submarine warships, one of which was known as the Nautilus.

Club Awards Scholarship

The latest venture of the Commercial club is a \$100 scholarship, to be given to a student with commercial interests who meets qualifications set by members of the club.

Now almost four years old, the club was formed for those interested in either teaching or doing commercial work vocationally.

Some time ago, members went on a tour through the Burroughs

plant, seeing offices as well as machines used. Another favorite tour is the Northville branch of Manufacturers National Bank. The local branch is also sponsoring a plan for the club to travel to the Manufacturers National Bank in Detroit on April 25.

"Hoof Prints"

"Mustang Hoof Prints" is prepared and written by the Northville high school students under the supervision of Miss Florence Panattoni.

Editor — Emilie Seguin

Associate Editors — Michael Peitz, Nancy Lawrence;

Sociology Students Visit State Hospital

Last Tuesday Merritt Meaker took his sociology class on the semi-annual trip to the Northville State Mental Hospital.

The students were escorted on a tour through the building and shown different methods of treatment, such as electro-shock and hydrotherapy. The group was also given a talk on general psychology in the auditorium.

It was an interesting and informative experience for the class.

Forecast for Spring Sports: Good, Fair, So-So

Inexperience May Hurt NHS Chances in Baseball

Unless a whole new infield can be found in the next week or so, the baseball picture at Northville high school is not expected to be too bright this spring.

Coach Al Jones surveyed the situation this week and admitted that the Mustangs are plenty weak in experience.

To make matters worse, the Northville baseball drills have drawn a lighter-than-usual turnout of 30 potentials — out of which both varsity and junior varsity teams must be formed.

As if that isn't enough, Mustangs practice has been confined mostly to the gymnasium since it began two weeks ago. Unless the weatherman comes through with a helping hand, Jones said, the Northville squad may not have time to work out the kinks before its opener a week from Monday.

Scanning his squad from position to position, Jones had this to say: —pitching: in fairly good shape, with three returning lettermen including Jeff Goodrich, Aubrey King and "Cap" Pethers. Newcomer Charles Gow also is turning in some good practice sessions.

—outfield: also promising, with lettermen Joe Kritch and Tom Andrews expected to handle two of the positions capably.

—catching: no lettermen returning, but a couple of good prospects in Wade Deal and Bill Boyd.

—infield: the Mustangs' most troublesome spot, with no regulars from last year's squad on hand. Jones is jockeying his players around in hopes of finding a combination that can fill in for last year's experienced field.

In league competition, Jones expects Clarenceville — perennial champion of the Wayne-Oakland circuit — to be the top contender again this year. But he also looks for a battle from Clarkson and Brighton.

"Except for those three," he says, "we'll be as good as any team in the league."

The schedule may benefit the Mustangs this year. The W-O league was split last fall into two divisions, similar to the new basketball divisions established last month.

As a result, Northville will play two-thirds of its games with Clarenceville, West Bloomfield and Bloomfield Hills, and only one-third against the other four league teams. Thus Northville possibly could take a strong second in its division — which might amount to a second in the entire league.

Last year's Mustang nine had an off-again-on-again season and wound up in a fourth-place tie with Milford.

All home games this year will be played at 4 p.m. at Cass Benton Park.

Miller Witnesses Record Driveway

G. E. Miller, Northville Dodge dealer, was among nearly 300 Dodge dealers from all over the Midwest who were on hand last week when the largest truck driveway in the division's history was staged in Detroit.

GETTING IN SHAPE — The Northville Community Building has been a-buzz lately with athletes preparing for a full schedule of spring sports. The mad melee finds pitchers winding up at one side, tennis players batting balls along another, and trackmen puffing their way down the middle.

Golf Squad Eyes Return to Form

Northville high school golfers hope to get back to their championship ways this year after going through a slower-than-usual season in 1956.

Coach Merritt Meaker's team, usually a top contender in the Wayne-Oakland League, appears highly improved over last year's squad.

Meaker said his current team of 14 tryouts includes eight veterans of last year's group: Bill Chizmar, Rick Atchinson, Mike Eastland, Soike Walker, Fred Mitchell, John Hoese, Roger Rathburn and Jerry Schnute.

Among W-O opponents, Meaker looks for West Bloomfield to field the strongest team. The Lakers took the league title last year, and have retained a number of the golfers who led them to it.

Northville will open its schedule on April 16 against Bloomfield Hills. In all, the Mustangs face a 12-event schedule broken by the regional, state and league meets.

All Northville home games will be played at Idlewild golf course and will begin at 3:30 p.m.

The Mustangs have captured the W-O championship in golf twice since the league was formed.

There've Been Some Changes

Two major changes in the Wayne-Oakland League will go into effect with the beginning of the 1957 baseball season.

Bloomfield Hills high school will enter league competition for the first time, making the league an eight-team circuit.

The move was approved last year, but schedule commitments forced the school to wait until this spring before actually beginning athletic competition.

Bloomfield Hills will compete in all league varsity sports from now on.

Under the second change, league baseball squads will compete in two separate divisions, and there will be no play-off series at season's end.

The policy agreed upon last fall, calls for these alignments: southern division: Northville, West Bloomfield, Bloomfield Hills and Clarenceville; northern division: Clarkson; Holly, Brighton and Milford.

The champion will be determined on a straight percentage basis, with the title going to the team with the best record for the season. The three-game playoff series has been eliminated.

Netters Grooming For Best Year Yet

Three years of grooming the Northville high school tennis team may finally bear fruit this spring. "We're going to be better than we've ever been before," said Coach Ron Schipper, watching his squad working out indoors.

Schipper has a strong 13-man team of sophomores and juniors, many of whom have spent the past three years learning the game's fundamentals from scratch. The NHS tennis fortunes have improved each year with the same players.

Heading the list are Tom Williams, Jim Hammond and Ed Wittenberg, while other lettermen include Bob Baker, Dave Janetzke and Dick Buckley — although Buckley is a doubtful regular because of a bad knee.

The Mustang net squad faces a tough 12-event schedule, primarily against Class A schools. Clarenceville is the only other Wayne-Oakland school that plays tennis.

Track Hopes Bolstered By Turnouts

Track prospects at Northville high school have been given a boost this spring by the largest turnout of candidates in recent years.

While Coach Charles Yahne is not predicting spectacular results this early in the season, he does say the Mustang track squad should improve on last year's record.

Some 26 trackmen are now working out in preparation for their opening meet next Wednesday.

The Mustangs are bolstered by the return of five veterans, all of whom showed good promise last year. The letter-winners: Dick Biery, 440; Henry Fisher, 880 mile; Dick Stuber, mile; Bob Wagen-schutz, shot put, and Bill Yahne, 880.

Biery and Yahne went on to the state meet last year as sophomores, and stand a good chance to repeat this year. Yahne indicated that Northville should send even more cindermen to the state event in East Lansing this year.

The Mustangs have been hampered in the past two weeks by the unseasonable weather, but Yahne hopes his squad can begin working outside as soon as the skies clear.

Northville has five meets on tap this year in addition to the Wayne-Oakland, regional and state meets. Because of a lack of track facilities in Northville, all meets will be hosted by other schools.

Quadruple meets are planned at West Bloomfield, Thurston and Clarenceville, while a triangular event is scheduled for Oak Park.

Yahne expects the most trouble to come from Milford and Clarkson, both of which are year-in-year-out favorites in the W-O league. Milford captured the cinder championship last year.

As usual, the Mustangs will compete in 13 events: 100, 120, high hurdles, 160 low hurdles, 220, 440, 880, mile, two relays, shot put, pole vault, high jump and broad jump.

Scores of 89, 82 Pace 'Sure Shots'

Scores of 89 and 82 in the prone and kneeling position took top honors last week among members of the Novi Sure Shots.

The junior rifle club was paced by William Kraist with 89 in the prone and Ronnie Loynes with 82 in the kneeling.

Other high scorers were Jack Kolk, 85, and Susan Pharo, 83, in the prone position, and Jerry Coleman, 78, and Bill Trotter, 76, in the kneeling position.

The Sure Shots meets every Tuesday evening from 6:30 to 9 p.m. Visitors are welcome.

The decision

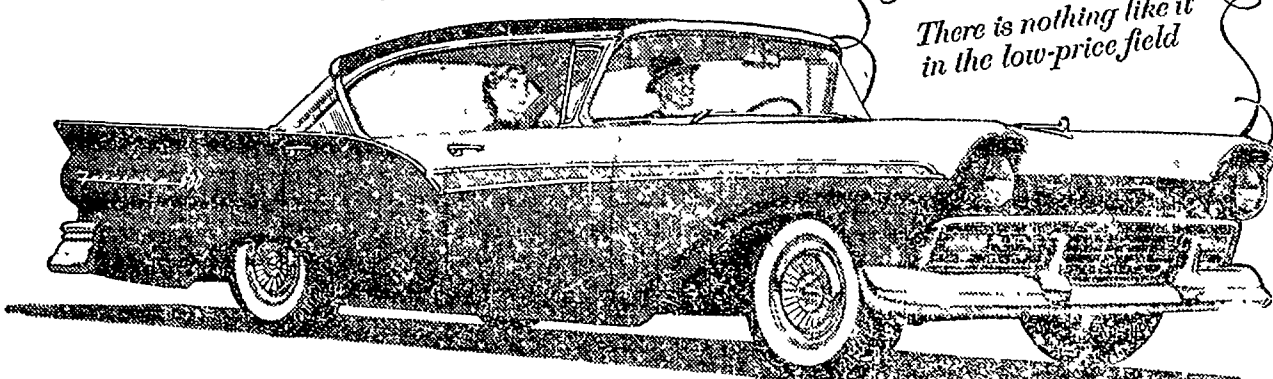

of Arthur Maxwell

There once was an intelligent young man named Arthur Maxwell. He thought he would like to "step up" to a "medium-priced" car. So he went and looked at a model just "a few dollars more" than a Ford. At first glance it looked good. But when he got inside he exclaimed, "No radio? No heater? No automatic transmission?" You call this *Luxury??* He soon saw that a "medium-priced" car with equipment he wanted became a *HIGH-priced* car. So, being an intelligent young man he dashed off to his Ford Dealer and bought a *Ford Fairlane 500*—the true luxury car in the low-price field—with all the equipment he wanted for less money than the stripped-down model he had thought he wanted.

Why don't you do as Arthur did?

The luxurious
Ford Fairlane 500
There is nothing like it

Howell Promoted To Inspector

New honors have been added to the record of H. F. Howell of Base-line road, promoted on March 22 from lieutenant to inspector with the Detroit police department.

A member of the department for 20 years, Inspector Howell's service record includes 22 precinct citations, two unit citations, two departmental citations with gold medals and the Walter Scott medal for valor, highest award given in the department.

Calls Increase For Local Police

Parking violations recorded by Northville police jumped from 52 in March 1956 to 482 for the same month this year. Traffic violations also increased, from 81 in 1956 to 112 in March, 1957.

Police answered a total of 141 calls for the month as compared to 111 for the same month last year. Nine accidents were investigated, and 111 summons issued. Six cases of petty larceny were recorded, one breaking and entering and one case of vandalism. Police made 15 arrests, marked one case of uttering and publishing and sent one person to the Detroit House of Correction. Court cases in March numbered 15.

A total of \$1,398.50 was collected in fines, more than twice the \$628 figure recorded for March of last year.

Beverly Bergdolf is a new pupil of Mrs. Boyd's second grade. Beverly comes from Belleville. Richard Bentley was another recent victim of chicken pox.

NOTICE OF PUBLIC HEARING Tuesday, April 23, 1957, 8:00 P.M. City Hall

Please take notice that the Planning Commission for the City of Northville shall conduct a Public Hearing at the time and place above specified for the purpose of considering and acting upon a petition for the re-zoning of the following described property from R-1 to C-2 classification.

The legal description of this property is as follows:

All of that piece or parcel of property which is located in the southwest ¼ of Section 34, T1N, R8E, Novi Township, Oakland County, Michigan and being described as beginning at a point which is distant along the north-south ¼ line of 50° 01' 45" W 272.09 feet from the center of said section and traversing thence south 0° 01' 45" west along said ¼ line of 206.00 feet; thence south 89° 42' 49" west, 435.79 feet; thence north 0° 01' 45" east, 209.41 feet to a line which is parallel to and distant 272.09 feet from the east-west ¼ line of said section; thence north 89° 56' 39" east, along said line which is parallel to the east-west ¼ line 435.77 feet to the point of beginning.

This property is located on the west side of North Center Street and is the east part of the property more commonly known as 1035 North Center Street. (Formerly H. Toussaint property).

T. R. CARRINGTON
Chairman, City Planning Commission

Novi Highlights

Mr. and Mrs. Charles Trickey, Sr. returned last Thursday from a five weeks vacation at Coral Gables and Marco Island, Florida. They visited two of the former's nephews and some old neighbors while there.

Mr. and Mrs. Sidney Maidment of Indian River and Mr. and Mrs. James Barber of Plymouth were visitors at the Charles Trickey, Sr. home on Monday.

Rebekah and IOOF News

The Rebekahs report a very successful card party and style show last Friday evening. Many lovely and useful prizes were received by the guests.

The models taking part in the style show were Mrs. Myrza Ward, Mrs. Alma Klaserner, Mrs. Helen Olivich, Mrs. Marjorie Watson, Mrs. Grace Frisbie, Mrs. Gertrude Enders, Mrs. Ruth Woodworth, Mrs. Kathryn Bachert, Mrs. Flossie Eno, Mrs. Alice Hopkins, Patricia Kahrl and Patricia Enders.

Children models were Sandra Pelkey, Kathleen Bell, April Trickey, Kim and Dahna Kozak, Donna Burgess, Gayle Watson and Pam Harnden.

Sixty-three fifth and sixth graders attended the dance at the IOOF hall Saturday night and they thoroughly enjoyed themselves.

Several Rebekahs attended a visitation at Brighton Tuesday evening.

A family night and pot-luck dinner for the Novi Odd Fellows was held Tuesday evening. Mrs. Kathryn Bachert was in charge of the dinner.

Mrs. Kathryn Bachert will attend the district Rebekah meeting at Port Huron Tuesday, April 8.

The IOOF sponsored talent show will be held at the Community hall at 8 p.m. Friday, April 5. Tryouts took place last Friday night.

Blue Star Mothers

Novi chapter 47, Blue Star Mothers, will meet at the home of Mrs. R. E. Ward Monday, April 8.

Baptist Church News

Rev. Arnold Cook of Lookout, West Virginia will be the guest speaker at the Novi Baptist church next Sunday, April 7.

Wednesday, April 10 the quarterly business meeting will be held in the Baptist church at 7:45.

Novi Methodist Church News
Novi Methodist church will be represented at the district meeting in Midland on Wednesday of this week.

Three choirs are practicing for Easter services Tuesday evenings. Jr. Youth choir at 8:30; regular choir at 7:00 and Youth Fellowship choir at 7:30.

Cancer Society

The goal of the 1957 Cancer Crusade in the southeastern division is two-fold:

1. To intensify and bring to a climax our year-round public education program by attempting to reach everyone in the tri-county area, and especially low-income groups, minority and non-joiner.

2. To raise \$200,000 in addition to the \$711,398 allocated by the United Foundation of Greater Detroit.

An active public education program will be conducted during the Crusade by means of posters and displays. Look for displays in the stores and public buildings. The Crusade will end with a film showing in the Novi Community hall Wednesday, April 24 at 1 p.m. Dr. Atchison will be present to lecture and answer questions.

Novi Girl Scouts

Wednesday afternoon, the Novi girl scouts received their cookies for distribution.

Mrs. Benjamin Foor led the combined troop in a song fest.

A survey has been made and on the waiting list are enough girls for three new troops.

On Thursday of this week the leaders will meet with neighborhood chairman, Mrs. Vincent Hayes, to discuss the organization of the new troop for girls seven years old.

Novi School Fair

Mrs. French's and Mrs. Wilcox's fourth and fifth grades are featuring 50c suppers at the fair. On the committee are Mesdames McDermid, Putnam, Martin, Mairs, Dye and McGilvray.

Mrs. Souliere's fifth grade will sell candy and ice cream. On the committee are Mrs. A. Gillett, Mrs. D. Ward and Mrs. M. Hines.

Mrs. Moloney's fifth grade will have charge of the parcel post and ring toss game. On the committee are Mrs. Harrawood, Mrs. Killen and Mrs. Loynes. Parcel post items of 25c value are to come through the mail to Mrs. Harrawood or Mrs. Loynes.

Detroit News Spelling Bee

The following are winners in the grade spelling bees which were held Tuesday, March 26 and are eligible to compete in the spelling bee on Tuesday, April 9.

Fifth grade: Christine Martin, winner; Jimmy Driscoll, runner-up; Christine Larson, Cathy Bentley, Diane Ramsey, Jimmy Schingeeck, Diane Morse, Gary-Mobrak, Mike Brady and Kathleen Probst.

Seventh grade: Sue Pharo, winner; Shirley Coleman, runner-up; Catherine Noble, Dennis Gilbert, Freda Angel, Barbara Ferguson, Lillian Rackov, Sue Shaw, Judy Ritter and Jack Boyd.

Sixth grade: Frank Steinberger, winner; Carol Newbegin, Bobby Taylor, Gerrit Steenhagen, Eileen Harsh, Jeff Crawford, Christine Boretti, Sue F'Geppert, Sharon White and Joanne Miller.

Eighth grade: Carol Simon, winner; Noel F'Geppert, Harry Schenmann, Walter Doan, John Jackson, Bill Trotter, Tom Darling, Mike Eby, Ellen Parks and Charles Early.

Seventh Grade News

Mr. Knodle's seventh grade class have five pupils who have been neither absent nor tardy so far this school year. They are Jim Holmes, Freda Angel, Lois Hendrickson, Veronica Pietron and Roy Rice.

Fourth and Fifth Grades:
Mrs. French's fourth and fifth graders are very proud of their classmate, Danny Simonsen. He wrote a letter for English class to the Detroit Football company and his letter was published in The Detroit Times. It was captioned "Out of Season" in which Danny made known his interest in football and the Detroit Lions.

The fourth and fifth graders met for their regular business meeting Thursday, March 28 at 12:40 p.m. They voted to change the name of their club and it is now called "The Happy Fourth and Fifth Club". President Dianne appointed a new program committee. They are: chairman, Zeola Neely, Danny Simonsen and Sue MacGilvray.

R. C. Rew, the magician entertained at Novi school March 29.

Second Grade

Linda Burgdolf from Sheldon school in Belleville is a new pupil.

The following boys and girls in Mrs. McDonough's second grade have been neither absent nor tardy the past marking period: William Arnold, Lillian Barton, Edward Blackwell, Devereux Earl, Michael Grant, Peter Willacker and Patricia Shunatona.

First Grade

Mrs. Garner's first graders are having chicken pox and measles. Lynn Bentley and Karen Takas are back after a chicken pox bout. Robin Nelson and John Alexander now have chicken pox. Voss Guntz-viller has recovered from the flu and is back in school again and Gregory Krist has just developed the measles.

The first graders recorded some of the songs that they have learned. After hearing their voices again after reading stories, many found they had improved since the last recording.

Fifth Grade

Mrs. Moloney's fifth grade began their art projects for the Easter holiday. Projects completed by the children are "Know Your Neighbors", a study of foreign countries, and "Empty Heads", making caricatures out of milk cartons.

Diane Morse and Charles Van Every recently celebrated their 11th birthdays.

Eighth Grade

Mr. McMillan's eighth grade class will go to Canada the first week in April. They are going over the bridge and through the tunnel for a geography excursion.

Sixth Grade

Mrs. Salow's sixth grade wrote letters to Virginia Pounders, who had been ill for two weeks. In the letters each classmate wrote a description of another classmate to send to Virginia so she could try to guess who they described.

Mrs. Salow's pupils have been kept busy trying to guess the names of 50 bird silhouettes on their bulletin board.

News from Willowbrook

A birthday party was given Saturday for Sue Dean of East LeBost by her parents, Mr. and Mrs. Samuel Glass of Detroit. The guests helping her to celebrate were Bill Dean, Sally Glass, Dick Ford and Bill and Joan Gould of Glen Ridge. A fifth birthday party was given Saturday for Tommy Frutcher of Malott. His young friends who enjoyed the party were Eddie and Jeffrey Blackwell, Skippy Diebel, Denise Jacques, Danny and Kenny Closs, Buddy and Doug, George,

FOOT-SAVING EDUCATION
By
JIM HOUK

WHY DO SHOES HAVE HEELS?

To assume that our feet need heels one must assume that God gave us a heelbone that is too short. It is hardly a safe assumption to make. Children get around beautifully in their bare feet. Their heelbones are just as long in winter as they are in summer.

Primitive man had the best reason for wearing heels. He or Mrs. Primitive made his foot covering of skins, as we do, except that the only way they had to tan the leather was to chew it. In no time at all the heel wore through and once it was worn out it was difficult to patch. Some jaw-weary cavemen put the patch on when he made the shoe and when the patch wore through he still had a shoe that could be fixed. From that common sense beginning we have drifted upward until we raise the heel of a three year old a half inch, a six year old an inch, and the really stylish shoes for women hit three inches.

One and a half inch heels used to be considered as necessary as a good strong corset. Fortunately young people have their feet on the ground.

They wear heels for dress occasions but most of the time they wear sport shoes or moccasins which, if fitted with toe freedom, do not hurt a normal foot. Boys especially are fortunate in that all their shoes have low heels and broad toes which give the foot freedom of movement for maximum comfort.

Fisher's

Your Family Shoe Store in Plymouth

Richard and Ann Holmes of East LeBost are entertaining Mr. and Mrs. Roy Jarmin of Farmington for dinner and bridge Friday night.

The lucky Bob McKeons of Meadowbrook road have tickets for "My Fair Lady" on April 7.

Mr. and Mrs. Gordon Petersen and family of South McMahon flew to Memphis, Tennessee last Saturday to attend the funeral of Mrs. Petersen's mother.

Ray and Jackie Frere of LeBost had company Saturday night. Their guests were John and Betty Steele of Roseville and Mel and Betty Smith of Dearborn.

The Clifford Bunker family of Mooringside attended the Flower show Saturday evening.

Mr. and Mrs. Philip Ranno of McMahon have returned home from Florida. They motored down with Mr. and Mrs. Elwood Engel of Bloomfield Hills and were guests at the Jolly Roger hotel in Fort Lauderdale.

A trip to Grand Blanc for dinner and an evening with friends was enjoyed Saturday night by Ed and Barb Coan of Malott.

Mrs. Donald Campbell of Needham, Massachusetts has been a house guest of the Cameron Campbells of Malott.

Entertaining Mr. and Mrs. Norman Kane of Redford Saturday night were Donna and Bill Crowell of Meadowbrook.

Irene McCormick of McMahon was hostess to her bridge club on Tuesday night. Ann Hawley, guest player, won the first prize. Fay Dukes won the second prize and Irene received the booby prize for the first time.

Bridge club was held Wednesday night at Nancy Milliken's home on McMahon. The first prize winner was Penny Adickes and the second winner was Mitzi Olson. The consolation prize went to Jane Cor-scadden.

The Decorator

BRUCE McALLISTER

presents

A decorating scheme in the home of Mr. and Mrs. Stanley Smith of Northville

The above bedroom belonging to the young daughter of Mr. and Mrs. Smith is color-coordinated in pastel shades of pink, turquoise and white. The wall covering is Dugaree Dolls" by Birge, which is the focal point for the decorating scheme. The walls are painted Merrie pink and the wall covering is a pastel pink with turquoise figures. The cafe curtains are a pink and white stripe. The room was color-coordinated by "The Decorator", a "Decorating Studio For Modern Living", of Novi.

Articles will appear at a later date on the new office of Clifford D. Hill, attorney, and the new contemporary residence of Mr. and Mrs. Beerbower of Valley road.

1A—IN MEMORIAM

In loving memory of our dear son and brother, Perry J. Kenner, who gave his life April 6, 1945 at Okinawa.
 Time does not heal an aching heart.
 This we know is true
 For twelve long years have passed dear son
 And our hearts still ache for you.
 Always remembered by
 Mother, Dad and Sisters

1—CARD OF THANKS

We wish to thank all our neighbors and friends for the gifts given us on our 50th anniversary. This was gratefully appreciated.
 Mr. and Mrs. George Dixon

We wish to thank friends, neighbors, relatives, Dr. Sparling, nurses and staff at Sessions and University hospitals. Rev. Hodgson, Methodist church, Plymouth; Masonic Lodge, Filkins Circle; Casterline Funeral Home, for kindness and sympathy extended during the illness and death of our beloved husband, father and grandfather, Clifton Nutter. We also extend thanks for beautiful flowers, the gifts, food, and to those who tendered cars and the pallbearers.
 Mrs. Clifton Nutter
 Mr. and Mrs. M.W. Crouch and Judy
 J. P. Brooks

The family of N. E. Allison wish to extend thanks for the many kind acts of sympathy expressed by friends and neighbors during our recent bereavement. Also thanks to Rev. Hodgson and the Ebert Funeral Home.

Delores Doren
 Donovan Hamilton

To those who expressed their sympathy in so many beautiful and practical ways during our recent bereavement we extend our heartfelt thanks.
 Mr. and Mrs. Jesse Boyd
 Mrs. George McClelland

"AN ORDINANCE TO PROVIDE FOR THE PLANTING, CARE AND REMOVAL OF TREES AND SHRUBS IN AND ADJACENT TO PUBLIC STREETS, HIGHWAYS, AVENUES, PARKWAYS, PARKS AND OTHER PUBLIC AREAS OF THE CITY OF NORTHVILLE, MICHIGAN, TO PROVIDE FOR ALL OR PART OF THE COST OF PLANTING AND REMOVAL OF TREES AND SHRUBS IN THE PUBLIC STREETS, HIGHWAYS AND AVENUES OF SAID CITY BY SPECIAL ASSESSMENT, AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF SAID ORDINANCE."

THE CITY OF NORTHVILLE ORDAINS:

SECTION 1. DEFINITIONS.—The word "person" as used in this Ordinance, shall include individuals, groups of individuals, firms, associations, corporations and public utilities and their servants, agents or employees.

The phrase "Right of Way" shall mean any public street, highway, alley or avenue of the City.

The word "park" shall include all public parks having individual names, and all areas owned by the City, or to which the public has free access.

The words "Trees and Shrubs" shall include all woody vegetation.

"City Manager" or Manager" when used herein shall mean the City Manager of the City of Northville or his representative designated for purposes of the enforcement of this Ordinance.

The terms of this Ordinance, unless otherwise specifically stated, shall apply only to public streets, alleys, highways, parkways, easements, parkways, parks and other land publicly owned and located within the boundaries of the City of Northville, Michigan.

The words "public utility" shall mean any person, organization, firm or corporation, public or private, duly authorized to supply electric, gas, telephone, telegraph or water service to, or for the general benefit of, the public.

SECTION 2. The Department of Public Works shall be charged with the duty of enforcing the provisions of this Ordinance and shall discharge all duties that may be required or imposed by the City Manager.

SECTION 3. The City Manager shall have control over all trees, shrubs and plants in the streets, alleys and parks of Northville and is empowered to plant, prune, spray, cultivate and preserve all trees and shrubs within the confines of the streets, alleys, parks and public areas of the City. No person shall prune, spray, plant or remove any shrubs or trees upon the rights of way or parks without first obtaining a written permit from the City Manager. No person shall cut or break down or destroy any trees or shrubs in the rights of way or parks at any time without first obtaining the written permission of the Manager. No person shall plant any shade or ornamental trees in the rights of way or parks except by permission of the Manager, and then only if they are of a variety or size acceptable to the Department of Public Works, and, in no event, shall any tree be planted in the rights of way where police, fire, street lighting, traffic signal or public utility, overhead wires and equipment are located that will exceed a maximum growth height of forty (40) feet.

SECTION 4. No person shall have the right to plant any variety of poplar trees, willows, box elders, soft maples, tree of heaven, or cottonwood, or other quick-growing trees in such a location that their roots are likely to injure sewers or heavy walk or street surfaces.

The City Manager, and those working under his direction, shall have the right to enter upon private property for the purpose of inspecting trees, plants and shrubs located thereon and to facilitate the caring for trees, plants and shrubs located upon public streets, easements and rights of way. Should any tree, plant or shrub located upon private property be found to be decayed or diseased or to be in such other condition or location as to constitute a menace to the health, safety and welfare of the public, the City Manager is empowered to give written notice to the owner or agent of the property whereon same is located requiring that said tree, plant or shrub be treated or removed so as to correct the unsatisfactory condition within ten (10) days from the receipt of said notice. Should the said owner or agent fail to comply with the provisions of this notice, then the required work shall be done by the Department of Public Works and the cost of same, as certified by the Superintendent of Public Works, shall be a charge and lien upon the real property and shall be assessed against said property in accordance with the provisions of Chapter 11 of the Charter for the City of Northville. The City may, at its own discretion, sue to recover said costs in an action at law, rather than making same a charge against the real property.

SECTION 5. It shall be unlawful

for any person to use any tree as an anchor, except as a temporary measure, and in such cases permission must be first obtained from the City Manager. No signs, posters or other material, except temporary traffic control signs, shall be fastened or hung on any trees in any rights of way.

SECTION 6. Excavations and driveways shall not be placed within 6 feet of any tree without a written permit from the City Manager or his authorized agent. Any person making such excavation or construction shall guard any tree within 6 feet thereof with a good substantial frame box to be approved by the Department of Public Works, and all building material or other debris shall be kept at least 4 feet from any tree.

Notwithstanding anything to the contrary contained in this Ordinance, a written permit shall be required from the City Manager or his authorized agent in all instances where excavations running parallel to rights of way are to be made within any tree or trees and running closer thereto, than 12 feet. This permit may specify a method of excavating in order to insure that the adjacent trees will not be injured or destroyed and may, at the discretion of the City Manager, require that a deposit be made with the City Treasurer of a sum sufficient to cover the cost of inspection and any damage which may result from the excavating.

SECTION 7. Every owner of any tree, shrub or plant, overhanging the streets or rights of way within the City of Northville may be required to trim the branches so that such branches shall not obstruct the light from any street lamp or obstruct the view of any street intersection and so that there shall be a clear space of eighteen (18) feet above the surface of the street, alley, or rights of way. Said owners shall remove all dead, diseased or dangerous trees, or broken or decayed limbs which constitute a menace to the safety of the public.

The City shall have the right to trim any tree or shrub on private property when it interferes with the proper spread of light along the street from a street light, or interferes with visibility of any traffic control device or sign, or interferes with any public utility wires or equipment necessary to serve police or fire communication systems, or street lighting or traffic control systems, such trimming to be confined to the area immediately above the rights of way. All trees, shrubs, or plants located on the triangle formed by two rights of way lines at the intersection of two streets, and extending for a distance of 25 feet each way from the intersection of the rights of way lines on any corner lot within the City of Northville, shall not be permitted to grow to a height of more than 3 feet above the surface of the roadway, in order that the view of the driver of a vehicle approaching a street intersection shall not be obstructed. Trees may be planted and maintained in this area, provided that all branches are trimmed to maintain a clear vision for a vertical height of 18 feet above the roadway surface.

SECTION 8. Placing materials on public property — No person shall place on public property any stone, brick, sand, concrete or other material which will in any way impede the full and free passage of water, air or fertilizer to the roots of any tree subject to the provisions of this Ordinance.

SECTION 9. Gas pipes or mains within any public rights of way or on any public property shall be so maintained as to avoid any leakage therefrom. In the event a leak exists or occurs, it shall be reported to the owner of such pipe and main, and the leak shall be repaired within 24 hours. Any damage to trees, shrubbery or grass result-

ing from the escape of gas from a pipe or main shall be repaired, and the cost of the work, including the cost of removal and the replacement of any trees, shall be levied against the owner of the pipe or main causing the damage.

SECTION 10. Protection of trees and shrubs — No person shall break, injure, mutilate, kill or destroy any tree or shrub, or set any fire, or permit any fire, or the heat thereof, to injure any portion of any tree. No toxic chemicals or other injurious materials shall be allowed to seep, drain or be emptied on, near or about any tree, provided, however, that this shall not prohibit the use of City approved chemical control of trees and brush growth. No electric wires, or installation, or any other lines or wires shall be attached to any tree in any manner that shall cause damage thereto. All persons having under their care, custody or control, facilities which may interfere with the trimming or removal of any tree subject to this Ordinance, shall, after notice thereof by the Superintendent of the Department of Public Works, promptly abate such interference in such a manner as shall permit the trimming or removal of any tree by the Superintendent of the Department of Public Works.

SECTION 11. The planting and/or removal of trees and shrubs in the public rights of way, parkways, parks and other public areas of the City may be done either upon resolution of the City Council or by order of the City Manager upon recommendation of the Department of Public Works.

SECTION 12. Whenever deemed necessary by the City Manager to lay out and plant trees and shrubs upon any public rights of way within the City of Northville or to remove undesirable species of trees, other than those so specified in this Ordinance, it shall be the duty of said City Manager to report such fact to the City Council. Such planting or removal shall be deemed to be a public improvement. The cost thereof may be paid in whole or in part, by levying and collecting special assessment upon property especially benefitted thereby, in accordance with the provisions in the charter governing special assessments.

SECTION 13. Spacing of shade trees and distances from curbs and sidewalks — In all future planting of shade trees in the rights of way, such trees shall be spaced not less than fifty (50) feet apart, except that trees may be planted less than fifty (50) feet from an existing tree in the rights of way, provided the existing tree has been approved for removal within a period of two years from the date of planting of the new tree, and except that in exceptional cases, any owner of a single lot may, in order to provide a shade or ornamental tree in front of his lot, secure special permission from the Department of Public Works to have a tree planted closer than fifty (50) feet from an existing tree. No trees shall be planted nearer to the intersection of any two or more streets than twenty-five (25) feet from the point of intersection of two rights of way lines.

SECTION 14. All dead trees and trees afflicted with any fatal or communicable disease shall be removed by the Superintendent of the Department of Public Works with the approval of the Manager. Living trees may be removed in accordance with the requirements of this Ordinance, when the owner of the property in front of which said tree is situated, shall in writing, request the removal of such tree. The abutting property owner shall be notified, in the event of the intended removal of any living tree. In the event of an objection from the abutting property owners, the trees shall not be removed until after a public hearing has been held by the City Council to consider its removal.

Ordinance No. 137 - City of Northville

Where an owner of property requests the removal of a tree the Manager is authorized in his discretion, to require as a condition precedent to granting of approval for such removal, that such property owner make the removal in accordance with regulations established by the Department of Public Works, assume all or any part of the costs of removing such tree, and also to further require that such tree be replaced at some other location in the immediate vicinity, by planting another tree of a type permitted under this ordinance.

SECTION 15. The City Manager shall, upon this Ordinance becoming effective, and upon request of any interested public utility, issue an annual permit, and shall annually thereafter renew such permit, granting permission to said public utility to chemically control and trim and keep trimmed all trees and shrubs intruding into the air spaces over, or growing within the confines of, the streets, alleys, parks, rights of way and public places of the City in such a manner as shall keep the overhead lines and equipment of said public utilities safe and accessible, and clear of all tree growth which endangers or may endanger said overhead lines or equipment and the public health and safety. Such chemical control and trimming shall be done in accordance with approved practices and under the general direction of the Superintendent of the Public Works Department. Said permit, as provided for in this section, shall require reasonable prior notice to the City before any work is commenced thereunder. Provided, however, that in the event of an emergency requiring immediate maintenance work on the overhead lines of said public utility, prior notice of commencing work under said permit shall not be required. The word "emergency" as used in this Section, shall be defined to mean the occurrence or happening of an event which could not be expected or prevented by the exercise of reasonable care and foresight and

which endangers or may endanger the overhead lines of the public utilities and the public health and safety.

SECTION 16. The City Manager is hereby authorized to direct the Department of Public Works to remove any trees or shrubs growing on any rights of way, park or public place in the City of Northville when such trees or shrubs are interfering with fire hydrants, sewers and water mains, visibility at street intersections, traffic control devices or construction affecting the public health and safety within rights of way.

SECTION 17. Any person who shall violate any provision of the Ordinance, or lawful order or requirement adopted pursuant to the provisions hereof, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not to exceed \$100.00, or by imprisonment in the City or County jail for not to exceed 90 days, or by both such fine and jail sentence in the discretion of the court.

SECTION 18. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed, only to the extent necessary to give the terms of the within Ordinance full force and effect.

SECTION 19. Provisions of this Ordinance are hereby declared to be severable, and the holding as invalid of any section hereof shall not, of itself, impair or invalidate remaining sections hereof. Made and passed by the Council of the City of Northville, this second day of April, 1937.

SECTION 20. This Ordinance shall be effective ten (10) days after passage and following publication thereof.

I, Mary Alexander, duly qualified City Clerk of the City of Northville, do hereby certify that the above is a true and correct copy of an Ordinance made and passed by the City Council of the City of Northville, on the second day of April, 1937.

NOTICE OF PUBLIC HEARING ON PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NOVI, MICHIGAN

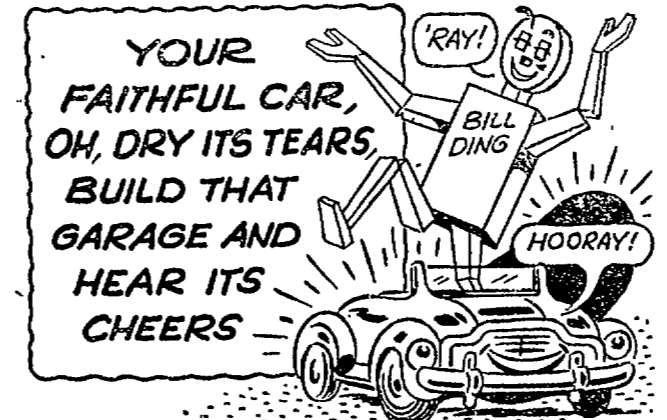

NOTICE IS HEREBY GIVEN that a Public Hearing will be held on a proposed Amendment to the Map and Text of the Zoning Ordinance of the Township of Novi to include the changes as follows:

- To change all of Section 6, and all of that part of Section 7 lying north of the Brighton-Farmington Expressway now zoned AG and M-1 to M-3.
- To change all of Section 5, except part of the N.W. ¼; part of the S.E. ¼ and part of the S.W. ¼ described as (c) below.
- To change the N.E. corner of West Lake Road and Wixom Road in Section 5, 500 feet square from AG to C-2.
- To change the west ½ of the West ½ of Section 8 lying south of West Lake Drive and north of the Brighton-Farmington Expressway now zoned M-1 to M-2.
- To change a part of the West ½ of the N.W. ¼ of Section 16, lying south of the Brighton-Farmington Expressway, east of Beck Road and north of the C-2 District on the north side of Grand River and west of the north and south 1/8 line now zoned R-1-F to M-2.
- To change that area lying between Seeley Road and Haggerty Highway and north of the C-2 District on the north side of Grand River to the Brighton-Farmington Road, from an R-1-F, and AG District to an R-4 District.
- The addition to the Text of the Zoning Ordinance of a new Article to be known as Article VI B- R-4 Multiple Family Residential District.

This hearing will be held at 8:00 O'CLOCK P.M., Eastern Standard Time, at the TOWNSHIP HALL, located at 28580 Novi Road, APRIL 20, 1937.

NOTICE IS FURTHER GIVEN that a copy of the Text and Map may be examined at the Township Hall during the office hours each Monday through Saturday, until the date of the Public Hearing.

NOVI TOWNSHIP ZONING BOARD
William Flynn, Secretary

Appearance of your old car influences trade in price and a car that stands out constantly will surely bring less than one well protected. How many times last winter did you have to clean off ice, snow or frost before you could safely get started? Are you going through the same old routine another winter?

Camera Club to See Enlarging Series

Tonight's meeting of the Northville Adult Camera club will feature enlarged prints from the Kodak Masters series.

Such scenes as ship wrecks, boat wharves, etc., are included, with explanations as to why the picture was made, why a definite camera angle was used, how a problem was solved, what filter was necessary and how the title was worked out.

Impressions gained from the set are summarized, with emphasis on the importance of analyzing the work of others.

Tonight is assignment night, each member being asked to bring four

titled slides of Christmas scenes, architecture, old age or story telling. The meeting will be at 7:30 at the Northville library.

WW1 Veterans To Meet Sunday

The first meeting of the newly-elected officers of Benton Parkway Barracks No. 267, Veterans of World War I, and ladies auxiliary, will be held Sunday at 3 p.m. at the Veterans' Memorial center, 173 North Main street, Plymouth.

The Barracks meets the first Sunday of each month. A pot luck dinner will be served.

Doctor Chabut Stricken in Florida; To Return Soon

Dr. V. George Chabut, until recently vacationing in Florida, has sent the following letter to our readers:

"My vacation was interrupted due to illness. The illness was an inflammation of the pancreas.

Under the advice of my physician, I came to Lahey Clinic (Boston, Mass.) Surgery was performed March 25 for a severe infection of the pancreas by Dr. R. B. Cattell. Post operative conditions are reported satisfactory.

"I will return to Northville shortly to continue convalescence." (Signed) Dr. V. George Chabut

At Corpus Christi, Texas, Kenneth Peery, 8, used his toy printing press to publish eight copies of a story about the death of a parakeet. He sold each copy for five cents, added a dime to make a total of 50 cents, then donated full amount to the Red Cross.

Obituaries

MRS. MARIE H. GAGNON

Mrs. Gagnon, 27916 Orchard Lake road, Farmington, passed away in University hospital, Ann Arbor, March 27 following an illness of several months. She was born in West Bloomfield, Michigan March 20, 1904, the daughter of George and Louise (Gow) McClelland and was united in marriage to Godfrey Gagnon June 1, 1951. Funeral services were held from the Spencer J. Heeney Funeral Home, Farmington, Saturday with the Rev. Carl H. Schultz of the Salem Evangelical and Reformed church, Farmington, officiating. Interment was in Oakland Hills Memorial Park. Mrs. Gagnon leaves her husband, Godfrey; one son, LeRoy Wixom, Wall Lake; her parents, Mr. and Mrs. George McClelland, Wall Lake; two sisters, Mrs. Jesse (Irene) Boyd, Northville, and Mrs. Elvin (Ellen) Fisher, Brighton, and five brothers, Arthur, Harold, Francis and Glenn, all of Wall Lake and Carl McClelland of Grayling; also 23 nieces and nephews.

MRS. MEHPARE SOZENER

Mrs. Sozener, who had been visiting her son, Talat, for the past six months at 42855 Ridge court, died March 27 at his home. She had been living in Ankara, Turkey. Mrs. Sozener was born in Istanbul and was 57 years old. Surviving are her husband, Cemalattin; son, Talat, and two sons and two daughters in Turkey. Her body lay in state at the Dempsey B. Ebert funeral home until last Sunday evening. Interment will be in Ankara, Turkey.

CLIFTON NUTTER

Funeral services were held Monday for Mr. Nutter, who lived at 122 East Dunlap. He died March 29 at his home. He was born February 8, 1895 in Salem, West Virginia to Rhessa and Ida Nutter. He is survived by his wife, Marie, and daughter, Mrs. Merlin (Monica) Crouch of Plymouth. Also surviving is a granddaughter, Judy. Mr. Nutter, who was a carpenter with the W. L. Couse Construction company, had lived in Northville for 12 years. He was a life member of F. & A. M. Lodge No. 186. Services were from the Casterline funeral home under the auspices of Lodge No. 186, Rev. Ivan Hodgson of the First Methodist church officiating.

ETTA MULLIGAN

Mrs. Mulligan, who lived at 42565 Eight Mile road, died March 28 at Kenwood Convalescent hospital, Southfield township. She was born May 16, 1875 in St. Catherine, On-

tario to Charles and Mary Dyne. Her husband, Martin J. Mulligan, preceded her in death 25 years ago. Surviving are sons Clarence R. of Detroit and Carroll J. of Northville, with whom she had been making her home; and a daughter, Mrs. Gladys Friedrich of Detroit. Also surviving are two sisters, Mrs. James Biggar of Guelph, Ontario and Miss Sarah Dyne, of Cleveland, Ohio; five grandchildren and one great-grandchild. Mrs. Mulligan was a member of the Church of the Incarnation, Detroit. Services were held Saturday from the Casterline funeral home, Rev. James B. Guimanan of Trinity Episcopal church, Detroit, officiating. Burial was in Woodlawn cemetery, Detroit.

Earns All A's at U-M

A Northville student was among 171 University of Michigan students who received perfect grades during the fall semester of the 1956-57 academic year.

He is J. Douglas McCluskie, 753 Grace, a public health student.

The 171 "perfect" students were among over 21,000 enrolled in campus courses for the fall semester at the U-M.

LIQUOR FIRMS MAKE THREATS

The head of a large liquor firm called in the representatives from 160 newspapers and told them bluntly that they could expect less advertising from his company unless they played down the drunken driving reports in their paper. May God give the editors the moral stamina and courage to print the whole truth about this soul damning business. Such threats as these show the utter disregard such unholly interests have in the welfare of our nation. These sophisticated immoral thugs have no concern for the trail of broken homes, orphaned children, moral rotteness and miseries created by their wares. They traffic in human blood far worse than slavery! The Christ whom I represent is against this vice! The Church I pastor stands firmly against the use of liquor by its membership. We firmly believe that when Jesus Christ takes over in the heart, there will be no more room for lusts that are so depraving. And now a record to those who have already become slaves to drink. Jesus Christ can and will save you from a drunkard's grave and a drunkard's hell if you'll surrender yourself to Him. He can cure drunkards that could not be helped by A.A. or psychiatric treatments. He'll change your life completely if you give Him a chance. See His Promise in Romans 8:3.

Snowy Chaos on Seven Mile

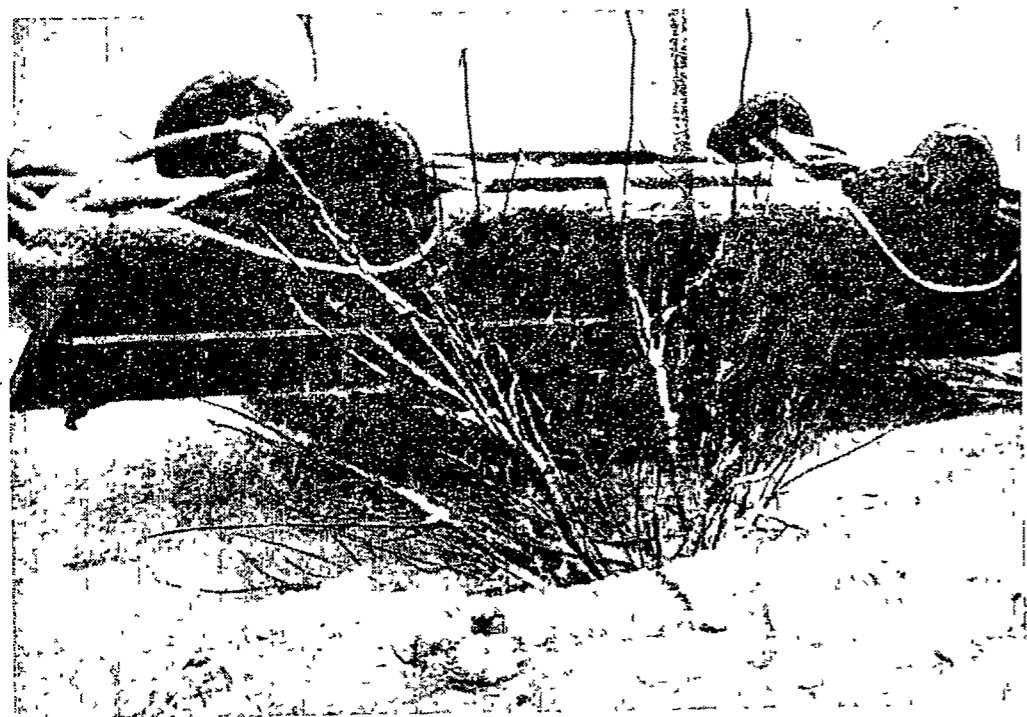

The Northville Record

SECOND OLDEST NEWSPAPER IN WAYNE COUNTY — EST. 1868 —

Thursday, April 4, 1957—11

START OF IT ALL — With its front and rear ends pointing the same way, a huge gasoline truck sprawls helplessly on Seven Mile road. Police directed traffic around the behemoth, but even so, the accident soon included seven other vehicles.

THE RESTING PLACE — Most seriously damaged of all the cars was this one that went into a skid and pitched into a ditch about 200 feet from the jackknifed truck. Police reported that no one was seriously injured, however.

According to weather reports on the radio, last Friday was to be merely another bleak spring day—"high of 46, with a possibility of rain."

But residents of Northville and Novi knew better. They had only to look out their windows to see that winter had returned for a final slap of its icy hand.

No one knew it better than a dozen or so drivers who had the misfortune of choosing Seven Mile road, just outside Northville, as their route to work, school or wherever they were going.

As they inched along on the glare-ice road, with heavy blobs of snow falling onto their windshields and obscuring their vision, one after another piled up on a quarter-mile stretch of Seven Mile just east of Northville road.

By the time it was all over, at least eight different vehicles had run into trouble — including a mammoth gasoline truck and a heavy gravel truck. One car rammed into a tree, and another ended up on its roof in a ditch.

Fortunately, no one was injured severely.

Wayne county sheriff's deputies are not able to recount exactly what happened, but it apparently went something like this:

Sometime around 8 a.m., a mammoth gasoline truck hauling two tank-trailers went into a skid on the snow and ice and jackknifed to the side of the road, ending up with its front and back ends pointing the same way.

Two cars coming up from behind put on their brakes, and likewise skidded into various objects.

Police arrived and moved traffic around the triple pile-up. Most of the traffic, that is.

But three vehicles — including a gravel truck — didn't see the commotion in time. So police had three more accident reports to make out.

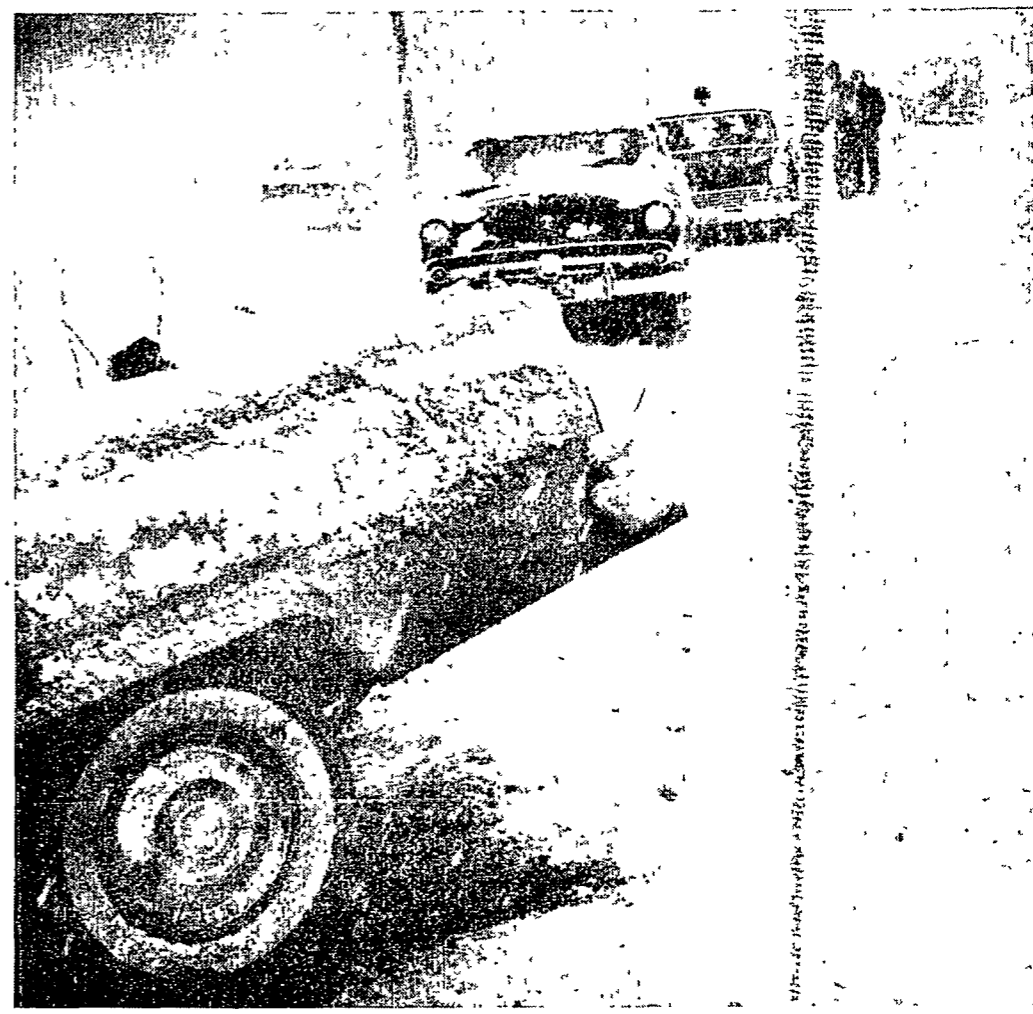

The snow kept coming down, and the cars kept inching by. Awhile later, a car sat waiting for the policeman's signal to move around the accident — but another car came up behind it and rammed into its rear end.

That was a total of eight. And there may have been more.

To an observer on the scene, it was difficult to tell which cars were involved in accidents, which were simply waiting to move through the mess, and which merely belonged to gaping spectators.

But in any case, it was a spectacular sight — a blinding snow storm in which a 1,000-foot stretch of Seven Mile was clogged full of cars on their back or against a tree, and hulking trucks sitting helpless like whales out of water.

Meanwhile, the radio continued to give forth its weather reports from snowless Detroit — "a high of 46, with possibly a few showers."

PATH OF DESTRUCTION — Seven Mile road looked as if a tornado had swept along it Friday morning, scattering cars and trucks before it. At least two cars and two trucks were badly damaged in the holocaust.

"These new electric water heaters sound great, don't they?"

"Sure do. Built to Edison's own specifications, backed by a new Edison service to give you all the hot water you need. How can you go wrong with that?"

Who rates what for performance and smoother riding in the low-priced three? Chevrolet has laid the answer and the proof on the line!

First, Chevrolet won the Auto Decathlon over every car in its field, and over the higher priced cars that were tested, too. This rugged ten-way test (right, below) showed Chevrolet was the champ in handling ease, braking, acceleration, passing ability, smooth-

ness of ride and other driving qualities you want in a car.

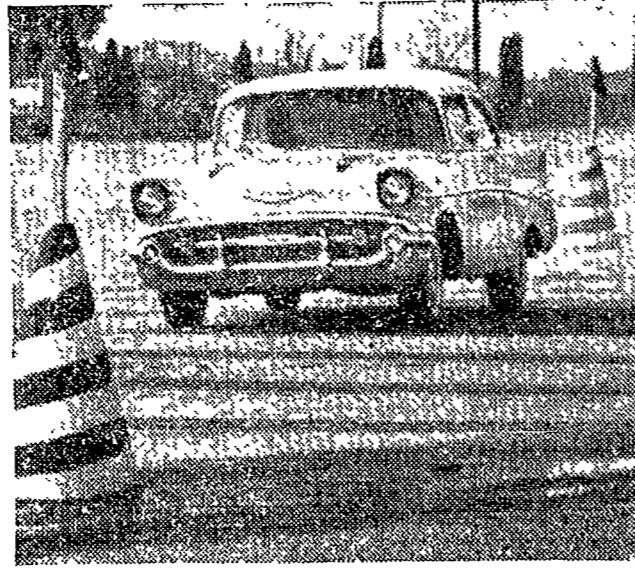

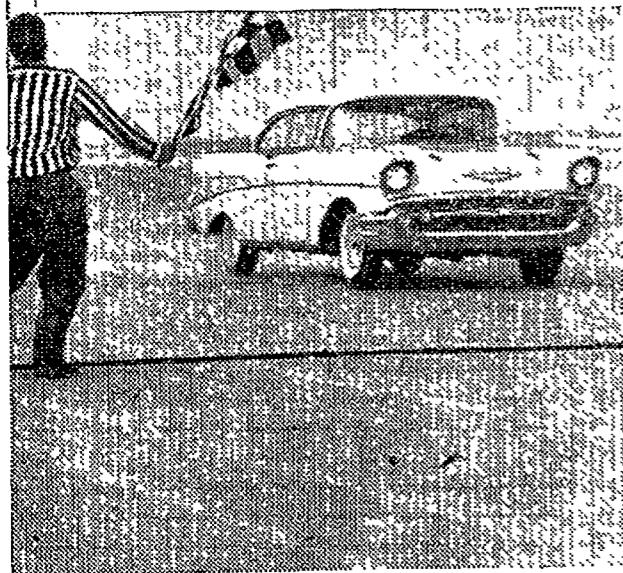

Then, Chevy won the Pure Oil Performance Trophy at Daytona (left, below) as "best performing U. S. automobile."

It's quite a feeling to know that you are driving a car that performs so well, responds so beautifully and is so finely built. You feel proud, of course. But you also enjoy a surer, smoother, steadier way of going, a keen

cat-quick response of power, and the easiest handling you've ever experienced behind a wheel. Just try this Chevrolet (V8 or Six) and see!

Chevy showed it's still the champ... at Daytona... and in the Decathlon!

Maybury Hospital
91 Percent Filled With TB Patients
Maybury Sanatorium in Northville has more beds available for tuberculosis than any other hospital in southern Michigan, but even so has 91 percent of its beds occupied.
This was shown last week in a study of available beds in Michigan tuberculosis hospitals.
Maybury—the second largest TB sanatorium in the state—has 718 of its 788 beds occupied, the study showed.
It was topped only by Herman Kiefer hospital in Detroit, where 99 per cent of the 1,037 beds were occupied.
The study, conducted by the Michigan State Department of Health and compiled by the Tuberculosis and Health Society, showed that the 12 hospitals in Wayne county had an average of only nine per cent empty beds. The ten hospitals in the rest of the state, however, had only 73 per cent occupancy.
Yet another state study showed that Michigan has 2,856 active cases of tuberculosis that are not in hospitals.
The 716 patients at Maybury as of January 31 represent an increase of 23 over last August 31 when 693 patients were under treatment.

Plymouth Symphony to Play Final Concert of the Season

Sunday, the Plymouth Symphony will play its final concert for the 1956-57 season, the 11th in the orchestra's history.

A feature of the concert will be the performance of the rarely heard "Triple Concerto for Piano, Violin and 'Cello" by Beethoven. The soloists in this work will be three members of the Plymouth Symphony, Miss Evelyn Wood, piano; Mr. Joseph Lazaroff, violin, and Mr. Douglas Marsh, 'cello.

Miss Wood, a soloist on many occasions with the Plymouth Symphony and other symphony orchestras in this area, is a graduate of the Julliard School of Music. Mr. Lazaroff is the concertmaster of the Plymouth Symphony and was formerly a member of the Cleveland Symphony Orchestra. Mr. Marsh, first 'cellist and often a soloist with the Plymouth Symphony, is a member of the Detroit Symphony Orchestra.

Other music to be heard on the April 7 concert will be the Overture to "Il Seraglio" of Mozart, March and Scherzo from "The Love of Three Oranges" by Prokofiev, the orchestra suite from Pellaeus and Melisande of Faure, and the Tannhauser Overture of Wagner.

This is the last regular concert of the current season and the second concert to be played in the orchestra's newly-constructed shell. This shell which has received much favorable comment is located in the gymnasium of Plymouth high school.

During the intermission, the shell will be presented to the president

A FACT OF FAITH

Very soon across all of the Christian world, will ring out the glorious words of life and hope: "He is not here; He is Risen as He said". This Christian affirmation of fact will be echoed and re-echoed through devotions, sermons, anthems and cantatas so that all people irrespective of their special interests, shall know this fact of faith.

To most of us it is a fundamental fact of revelation attesting to the power of God and the Love of God, that death is not the end but rather the beginning. It is also interesting to note that many men of science confirm the fact of this event. Some of them, it is true, approach the fact of this event from an intellectual avenue, but even so, they give sure evidence that "they cannot deny it (the resurrection). Because to do so (that is deny it) means that he can prove that it did not occur.

In the wider scope of this event (if indeed anything could be "wider") we see an equally important fundamental principle of our Christian faith, namely that we are expected

to support our faith with knowledge. This means that each of us is enjoined to continue constantly in the learning process . . . the acts of study . . . the disciple of prayer, the exercise of worship and the stimulation of discussion to the end that we might come to "know Him, whom to know aright is life everlasting."

The resultant effects of such endeavors would make each of us less dependent upon the "seasonal" events of our faith to keep us "inspired" to real discipleship. Rather we know that we act upon fact, and that we respond to fact, and our faith in Jesus Christ is stimulated toward "in-season and out-of-season" discipleship. It thus becomes evident that God through this fact of history is challenging us to a continual discipleship. We can now see the reality of another man of science as he reverently comments upon the resurrection saying, "We are surely still actively participating in each of us." Perhaps, the Christian says more simply and less articulately when he proclaims from his heart the fact of his faith saying: "He Is Risen!"

Goodwill Pickup Planned Monday

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for next Monday.

Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

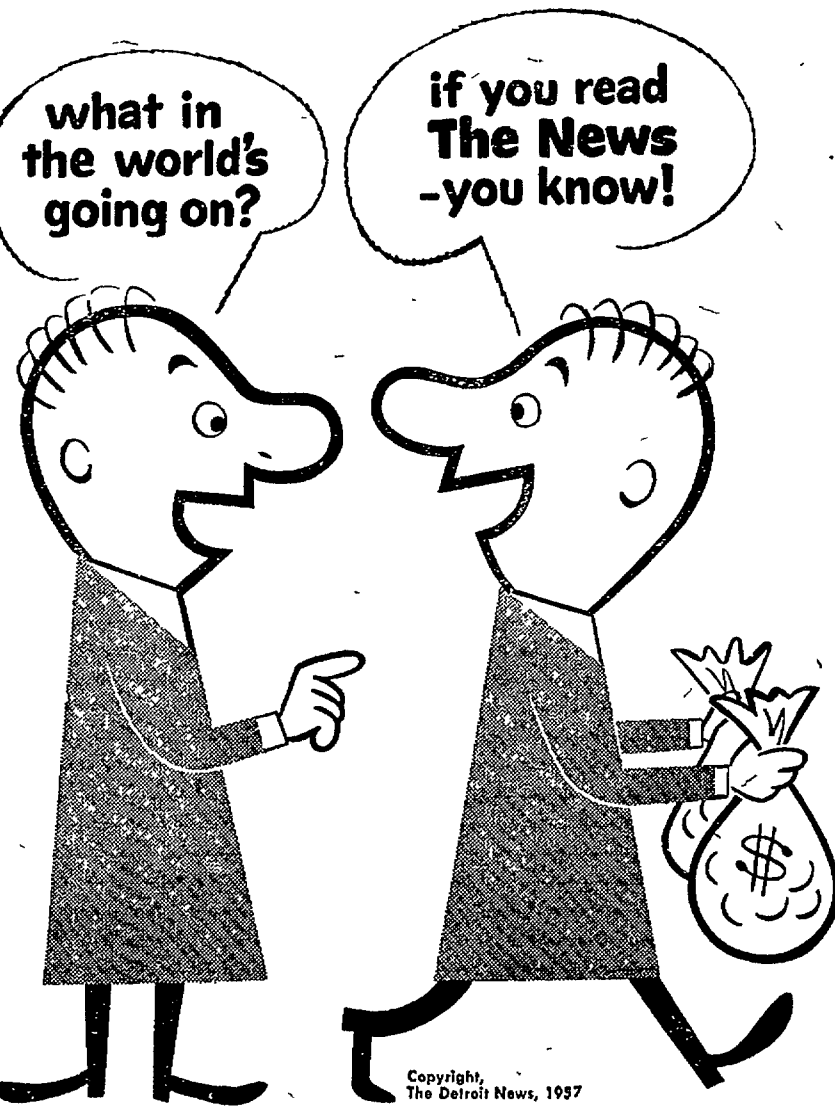

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative Miss Edith Sorenson at Northville 571.

NAME THEM!

49 CASH PRIZES for the BEST NAMES

You've seen these two "look-alike" cartoon characters on Detroit News billboards and in Detroit News ads. Now, The News wants names for them. Here's your chance to win cash and have fun.

49 cash prizes (as listed below) will be given to those who send in the best names for both. Make them funny or clever, if you wish. Make them rhyme, if you want. For example, their names might be "Nosey One and Nosey Too" . . . or "Jack and Mack."

Send as many names as you wish. Contest is open to everyone except employees of The News, members of their families, and its advertising agency. Use the Entry Blank in The Detroit News or a facsimile.

Entries must be postmarked no later than Saturday, April 27, 1957. One prize per family. Decision of the judges will be final. All entries become the property of The Detroit News.

1st PRIZE \$150 CASH
2nd PRIZE \$100 CASH
3rd PRIZE \$75 CASH
4th PRIZE \$50 CASH

Plus 45 Other Prizes:
5 Prizes of \$25 EACH
10 Prizes of \$10 EACH
30 Prizes of \$5 EACH

A Report to the People

State Senator John B. Swainson. Among the bills which I have sponsored this year, and they have been varied, is one which would correct a present fault in the law relating to sentencing of criminals. There has been legal confusion over the meaning of sentences fixed by the courts where the phrase "minimum of x years or maximum of y years" is involved.

The present law permits the court discretion to fix the maximum sentence as "life or any number of years." To permit the Parole Board to act in valid cases, our new bill would have the court fix both the minimum and maximum sentence. The maximum may be for life or a number of years. The need for this change was made decisive by a Supreme Court decision which tied the hands of the Parole Board on a number of cases where they would otherwise have been able to act.

It is in instances like this that the power of a word becomes striking. This is, of course, one of thou-

sands of times where the need for clarification is pointed out as a result of a Supreme Court ruling based on the original interpretation of a law. To the lawyer, this is an everyday problem. To the prison inmate whose record merits Parole Board action in his favor, this can be an immense tragedy. Although there are not a great many prisoners involved, this bill will eliminate future confusion.

In an entirely different vein, I sponsored another bill this past week which may affect some of the communities in our Senatorial district. This legislation would provide financial relief for certain local units incurring extraordinary population increases since the 1950 decennial census. If passed, this bill would grant official recognition of the special problems imposed on certain local units where the population has increased with extraordinary rapidity. The financial relief granted would be limited to the calendar years of 1957, 1958 and 1959 and would not affect the existing provisions for apportionment of the State sales tax. Eligibility would be based on a special census of such city, village or township concerned in which a population increase is more than 20 per cent over the 1950 census has occurred.

It was good to hear from a number of readers last week and I hope more of you will write or call me. Address your letters to me in care of the Northville Record.

Northville Officials Tell of Red Cross Work In Disasters

Disaster does strike in Michigan. Detroit Red Cross officials and two Northville disaster chairmen last week announced that 1956 saw six separate disaster relief operations in the state.

According to Northville co-chairmen Charles Carrington and Conrad Springer, Michigan suffered two tornadoes, two major fire disasters, a building collapse and a windstorm so severe it could not be handled locally.

In these instances, the Red Cross spent \$571,201 to assist the victims at the time of the emergency.

"The fact that people had been recruited and trained by the Red Cross for such emergencies — and that supplies and equipment were on hand within ten minutes after the disaster occurred — is of inestimable value in creating confidence and lessening shock of victims of such experiences," Carrington said.

Local Red Cross officials currently are seeking funds and volunteers for first aid and home nursing courses.

Nash Completes Pre-flight Training

Eddie J. Nash, 21, son of Mr. and Mrs. William V. Nash of Northville has successfully completed the initial phase of his aviation cadet training program and has been graduated from the USAF pre-flight school at Lackland Air Force Base in San Antonio, Texas.

The graduation was marked at a parade and assembly of the USAF Pre-Flight school. This organization conducts the introductory course for all students enrolled in both pilot or navigator training.

Having completed the 12-week pre-flight course, he will enter the first flying training phases of the program at bases of the Flying Training Air Force.

TO OBSERVE Robinson Crusoe Month, Den 1, Pack 721 went right to the field for an all-day exploring-outing. Members of the den shown above are: (l. to r.) Bill Wilson, John Callaghan, Bob Holman, Dave Chabul, John Gibson and Bob Sproule. Den mother is Mrs. F. R. Sproule.

PAST PRESIDENTS of the Northville Business and Professional Women's club joined the club in celebrating its ninth birthday recently. Mrs. Arthur Carlson, Mrs. Marcella Douglas, Miss Elizabeth Eitz, Miss Beatrice Ware, Mrs. Mabel Cooley and Mrs. Mabel Stenson each lighted candles for their years of service.

Service Manager Complete Course

Carroll Baker, service manager for G. E. Miller Sales & Service, Northville Dodge dealership, has completed a two-day advanced course in service department merchandising and management at the Chrysler Corporation Training Center in Detroit.

Step into a new world of Pure Luxury

ROADMASTER 75

Custom Built by Buick NOW ON DISPLAY

A NEW CONCEPT in motorcar excellence awaits your inspection in the ROADMASTER 75 just introduced.

You will see what we mean the first time you glimpse the interior.

The impeccable tailoring and taste of the rich appointments are as obvious as the comfort is opulent.

The seats, for example.

They are meticulously fashioned in glove-finished fabrics of broadcloth or Nylon, with backs topped in supple, hand-buffed leather. They are thickly layered with contoured foam rubber. They are wide, deep, superbly soft.

The doors present a new standard of luxury and restfulness—fully uphol-

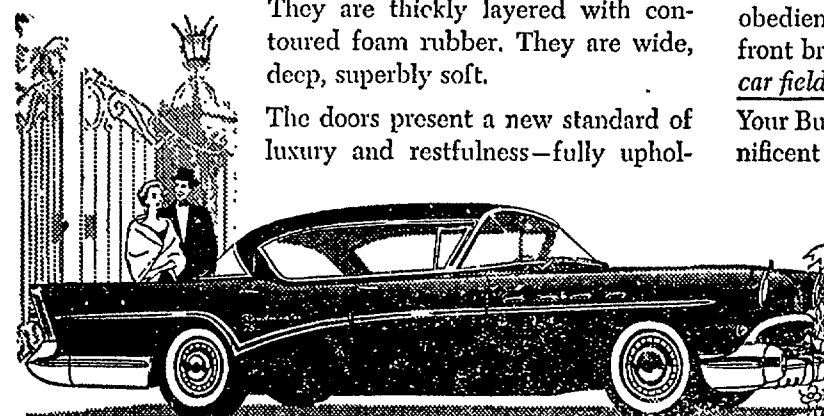

stered and softly cushioned from floor line to window.

The instrument panel, below the safety cushion, is chromed from end to end. The deep-pile carpeting is backed by foam. The integral armrests are fully in keeping with the spacious grace of the car.

The complete interior is matched by the mechanical excellence that is ROADMASTER tradition.

Indeed, nowhere else among the world's fine cars can you enjoy superb performance quite like that of a ROADMASTER 75—from the instant response of its brilliant new Dynaflo, to the smooth obedience of its all-new air-cooled aluminum front brakes — newest and the finest in the fine-car field.

Your Buick dealer is ready to show you this magnificent new automobile. See him this week.

SPEAKING

for the Record

By BILL SLIGER

We ran across the picture shown at the bottom of the column several weeks ago. It should bring back memories to old timers of the area.

It is interesting to us because the picture was taken on Main street at Center where our offices are located today. According to Ed Yerkes, the picture must have been taken about 1915.

At the extreme left is the old Northville hotel, which burned down around 1927. According to Yerkes, the hotel was managed by Ed Shafer.

Next to the hotel is a combination doctor's office and shoe repair shop. Yerkes says Dr. Turner's office was on the east side and Raynes Shoe Repair to the west. A close look at the picture reveals a boot hanging above the entrance of the shoe shop.

The bell and tower is the old city hall, where Peanut's restaurant is now located. Next comes a garage and gas station, now the home of Marr Taylor's Ford agency. Appropriately enough, a Ford of that era seems to be parked across the street.

According to Yerkes, this garage was once the Perrin Livery Stable.

Starting on the corner at right in the present Record office, is the James A. Huff hardware. Downstairs, instead of our printing plant, is Ambler's restaurant operated by Mrs. Clyde Shultz. In the back of the building where our newspaper press is now located was the Fred W. Lyke plumbing shop.

The old water fountain shown at the corner served both horse and people. A trough faces the cobble-stone lined dirt street, while passers-by could "wet their whistle" from the sidewalk side.

Old pictures pop up often around newspaper offices, and I suppose many residents have similar pictures tucked away in old albums. Next time any of our readers discovers an old local scene in good enough condition to reproduce, we wish they'd bring it to our office. If you'll supply the background history, we'll print the information and periodically take our readers back to the "good old days".

State Expects Boom In Tourist Business

MORE MICHIGAN TOURISTS and more competition for the tourist's dollar are predicted for Michigan's recreation trade in the near future. Already drawing some five million out-of-state visitors annually, plus countless residents, the tourist industry foresees additional advantages developing on the horizon.

Most tangible factor is the announcement that construction on the Straits of Mackinac Bridge is proceeding rapidly and, according to Director Prentiss M. Brown, should be open for deer season next November.

Elaborate dedication ceremonies planned for June, 1958 are expected to draw nationwide attention and thousands of tourists who want a first hand view of the bridge.

Not to be overlooked from the tourist industry viewpoint: bigger and better retail business all along the line.

The continued success of the Michigan Tourist Council under Director Robert J. Furlong to promote winter sports and lengthen the tourist season is another big factor in expansion. Formerly, only the short time from the end of June through Labor Day could be normally counted on as the "tourist season". Coupled with the longer season are the new developments which

stimulate outdoor recreation and more travel. Boat trailers and water skiing, almost non-existent five years ago, are boosting summer water sports to new heights. Conventional winter skiing is proving so popular that 28 resort areas opened to enthusiasts last winter.

Biggest potential for the tourist trade may be "just around the corner" now that labor unions are settling their sights on a shorter work-week.

Michigan recreational facilities would be one of the first to enjoy additional benefits should the state's large labor force have more leisure time.

Meanwhile, all efforts are being directed towards the biggest tourist potential in history: the more than 40 million possible tourists who live within 600 miles of northern Michigan and the Upper Peninsula.

PUT THE KIDS TO WORK on Michigan Week activities.

That's the opinion of a committee of public school, college and university officials that met recently to discuss plans for their participation in the Michigan Week celebration, May 19-25.

"School age boys and girls are not well enough acquainted with their own home communities," Don Weeks, director of the sponsoring Economic Development Department, told the group.

"Most of them don't know the color of the Michigan flag and few know the state has a motto or a song," Weeks said.

A state flag will be received by every school in Michigan for display during Michigan Week to help overcome this lack, and all teachers are asked to form classroom committees to arrange programs in conjunction with the celebration.

Dr. Clair L. Taylor, Superintendent of Public Instruction, adds that school lunch menus will serve only Michigan grown foods one day.

A little too late in the school year, is the only objection heard against full educational participation. Education day is now scheduled for Thursday, May 23, when many rural classrooms are winding up activities before summer vacation.

However, educators agree that students should know the essential facts about their state.

By the way, do you know the color of the Michigan flag?

WAS 1956 A LUCKY YEAR? Many persons point with pride to the fact that traffic deaths were down by 269 compared to 1955. But they overlook another fact: the actual number of accidents rose by 1,183.

This means there were 1,183 more chances that people would be killed during 1956 than in 1955. They were not, but was this just luck?

A possible answer may develop this year. Deaths from traffic accidents totaled 2,016 in 1955. Last year they dropped to 1,747. If the number of accidents can again be reduced, safety experts might then feel that people are beginning to drive more carefully.

The biggest decrease in deaths last year was achieved in rural areas. There it was down 15 per cent, compared with only a 10 per cent decrease in the cities.

Actually, traffic danger continues to grow due to increase in "exposure factors." An exposure factor is the number of chances or possibilities that exist for accidents.

The number of miles driven in the state is an important exposure factor. So is the number of drivers; the number of cars.

Last year drivers covered some 587 million miles more than in 1955. There was a substantial increase in cars and licensed drivers.

Whether 1956 was a lucky year or not, the important fact is that the death and injury rate is improved.

An even more important fact: The death rate is still as high and the risk is so great that there can be no relaxing in the battle to save lives.

Roger Babson

Good Bank Directors Should be "Egg Heads"

Babson Park, Mass.—I have great respect for bankers. My father was a country banker in Gloucester, Mass. It is safe to trust a banker for the protection of your deposit. His first and foremost aim is to protect the money which you leave with him. Based on my large acquaintance with leading bankers all over the world, I unequivocally support their 100 per cent desire to protect your savings. Furthermore, barring the ravages of war over which they have no control, they will give you back every dollar you deposit with them. Never criticize a banker for refusing to make a loan.

WHAT ABOUT INFLATION?

When you draw your dollars out of a bank, whether your dollars will buy as much in food, clothing and shelter as they would have when you put them in is another question. The bankers have little control over what your dollars will buy in the future. It, however, is only fair to say that the bankers are fighting inflation in every possible way. Inflation hurts not only the value of your deposits but also the value of every bond which the bank holds.

Furthermore, it should be remembered that a bank should naturally be conservative. It is said that only one thing is more easily frightened than a banker, — namely, a "pair of bankers". Bankers brag of their deposits; but the greater their deposits, the more they owe! In their hearts they realize that deposits represent debts. The depositors sit in the driver's seat. The depositors of any bank could close the bank in a week. Hence, I repeat we should not blame bankers for being cautious.

ASKING BANKERS FOR INVESTMENT ADVICE

Bankers may be making a mistake associating so much with other

bankers. Instead of attending Bankers' Conventions, they perhaps should attend conventions of physicists, chemists and other scientists. Instead of asking the advice of other bankers who are remembering 1929, they should perhaps ask the advice of those who are looking into the future rather than the past.

If you ask some bankers for investment advice, they look up the company in an investment manual and study only its balance sheets and earnings statements. They ask to see the accountant's audit. Yet, accountants are only students of the past. Their business is to make autopsies, — not forecasts. Accountants may be classified as "undertakers", — not as "doctors".

OFFICERS OF BANKS

In my humble judgment, the president of a bank should be a graduate of some highly professional school, such as the Massachusetts Institute of Technology, if he is to give investment advice. He needs to know what is ahead, the wonders which are now on drawing boards and in test tubes.

He should read scientific journals and associate with men who are acquainted with the wonderful changes which will come about during the next 50 years. Furthermore, there should be more "egg-heads" on bank boards of directors, whose knowledge is not limited to existing industries.

THINK BACK 50 YEARS

Fifty years ago, the telephone companies had comparatively few subscribers. There were only 140,000 automobiles compared with 54,000,000 today. Then there were no radios, televisions, electric refrigerators or stoves, and only a few chain stores. Over half our present national income and wages come

from industries not even dreamed of 50 years ago.

My first job was surveying for a horse car line in Gloucester, Mass. A half century ago this changed to an electric car line, and now the tracks have been ripped up and buses provide the only public transportation. My second job was as bookkeeper for Andrew's Spar Yard, which brought great spars from Oregon to serve as masts for the fishing vessels. The chief industry of Cape Ann was making paving stones. These industries have now vanished.

WHAT ABOUT DOW-JONES AVERAGES

These averages will soon become obsolete, as are horse cars, the Oregon masts, and the paving blocks. The Dow-Jones Averages which so many bankers now worship are only tombstones of fading great industries. These "Averages" will be eroded and decline, while the basic wealth of our nation —

barring war — will continue to climb higher and higher.

HOW TO MAKE A FORTUNE

I scarcely dare to tell you again in this column about a little non-profit organization in New Boston, N.H., known as the Information Center, which will show you for \$3.00 how a fortune could be made. Old Boston, Mass. will tell you old ways of getting 4 per cent interest, but go to New Boston, N.H. for the coming ways of making millions by investing in nuclear power, electronics, rare metals and other miraculous industries of the future.

One thing more: Give attention to Church Averages rather than Dow-Jones Averages. Consider the graduates from our colleges and the work being done by youth organizations. The hearts and the brains of our young people are what will determine employment and business conditions.

Now... get in on our big Dodge Truck ...

EXTRA DIVIDEND MONTH

WATCH FOR THIS
SPECIAL EXTRA-DIVIDEND
TRUCK DEMONSTRATOR

Your truck investment will
pay you extra dividends
APRIL 1ST TO 30TH

Right now is the time to get that new truck you need. April is Dodge Truck Extra-Dividend Month... and it's your chance to get a real Extra-Dividend Deal on the most powerful truck of the low-priced three. What's more, the money you save is just part of the bonus you get when you invest in a Dodge. You also get:

Extra Dividends in Power: Dodge gives you the most V-8 power of the low-priced three. In fact, up to 31% more power than the "other two".

Extra Dividends in Economy: Extra power reduces engine strain... means less wear, fewer repairs.

Extra Dividends in Payload: You can haul far more in a Dodge... nearly a third more in a low-tonnage pick-up, for instance.

Extra Dividends in Easier Driving: Dodge has the shortest turning radius of the low-priced three and

power steering is available on most models. What's more, only Dodge offers the extra convenience of a push-button automatic transmission.*

There are still more Extra Dividends waiting for you. Your dealer will tell you about them. Make sure to see him soon for your Extra-Dividend Deal.

*Available on all low-tonnage and Forward-Control models.
