

## Association Acts On Improvements For Gerald Street

Gerald street is a better road today as a result of action taken by a number of its residents in recent weeks.

Forming an organization known as "Green Valley Acres Association", they have had the street improved and have set up several regulations governing use of the private road.

Among the steps taken:  
—grading and scraping, paid for by residents themselves.  
—posting of "private road" signs at the Seven Mile road entrance.  
—prohibition of parking on the street and adjoining property.  
—establishment of a 15-mile speed limit.

The association has elected officers to carry out its mandates. They include: R. J. Gravelle, president; Mrs. Manuel Perez, secretary-treasurer; and Albert Scott and Kenneth Hopkins, trustees.

The association plans to maintain the road through funds collected from the 50 families living in the area, a spokesman said.

At present, the group has rejected a plan to bring it up to county road specifications and then dedicate it to the county. Cost of such a project was said to be about \$5,000.

Northville township board members had suggested that approach last month when several Gerald street residents came to a board meeting to demand township service for the washboard road.

The board explained that Gerald street is a private road and, therefore out of the township's jurisdiction. But they advised residents that the county would maintain the road if it could be brought up to specifications and turned over to the county.

In recent weeks, board members have helped the Gerald street residents figure out other means of meeting the problem. The association has issued a formal letter of appreciation for the township board's help.

## Bids Accepted For Construction Of School Addition

Acceptance of the three lowest bids for construction of the American school addition was voted on Monday evening at a special session of the Northville board of education.

It is hoped that ground may be broken for the addition before the next two weeks have passed.

Bids accepted were from Solomon Construction company, Detroit, \$136,488, for general construction; Caulzeo Plumbing and Heating, Detroit, \$39,184 for mechanical work, and Gill Electric company, Detroit, \$15,840, for electrical work.

Lower than previously estimated costs of \$232,000 for the building, the total of the three lowest bids is \$191,512. The bids are now subject to approval of Eberle M. Smith Associates, architects, for the new school addition.

## Mrs. Chauvin Is Sentenced To 5-10 Years for Swindle

An elderly woman who came to Northville a year ago and left in November with thousands of dollars billed from Northville merchants is back in the Detroit House of Correction.

Mrs. Evonne Chauvin, 65, was sentenced to 5 to 10 years in DeHoCo last week by Wayne County Circuit Judge Robert M. Toms.

The judge described Mrs. Chauvin as a "career swindler". In sentencing her, he added:

"For 20 years you have made no effort to live within the law. You have shown no redeeming characteristics."

Mrs. Chauvin has a police record dating back to 1936. It includes sentences for forgery, larceny by trick, uttering and publishing and parole violation.

Though Mrs. Chauvin was sentenced on only one count — swindling a Northville resident of \$2,500 — police believe she may have swindled other Northville businessmen of upwards of \$80,000.

The motherly-appearing woman lived at 238 Church street during her seven months in Northville and

## Earmark \$700,000 For Area Hospital

A campaign that began in 1953 to provide an area hospital for Northville, Livonia, Farmington, Plymouth and Redford township, took a giant stride towards reality again this week.

Announcement of \$700,000 federal grant to the St. Mary hospital fund was made by the board of trustees of the proposed hospital to be located at Levan and Five Mile roads in Livonia.

The grant was made through the federal Hill-Burton funds.

Land for the hospital was originally donated by the Felician Sisters order of Madonna college. An area-wide campaign launched in 1953 fell short of necessary funds to begin construction and the program has moved slowly since that time. According to administrators of the campaign, funds originally collected and still pledged will now be combined with the new grant and a \$400,000 pledge by the Felician Sisters.

Although arrangements have been completed for additional necessary financing, more funds will be sought throughout the communities to complete the project.

Survey of the land and completed schematic plans have been reviewed by the Board of Trustees and the Office of Hospital Survey and Construction of Lansing. Blueprints of the 174-bed general hospital are now being developed and will be ready for review by October.

The five-story structure is being designed by Ellerbe and Company of St. Paul, Minnesota, specialists in hospital planning. Designed along contemporary architectural lines, the hospital will have approximately 98,000 square feet of floor space.

The hospital, to be built at an estimated cost of \$3,396,500, has been a dream of leaders of the area for many years. Concentrated efforts began in 1953 in an area-wide campaign headed by Sterling Eaton of Plymouth. While contributions from residents and industries of all the communities were pledged and collected, the single large contribution hoped for from industry or charitable foundations failed to materialize.

A detailed schedule of funds collected to date will be announced in the near future. Meanwhile, building committee members point out that new contributions as well as previous pledges will be sought to help complete the project.

Confirmation of the federal grant came to the Board of Trustees by telegrams from Senator Charles Potter and Congresswoman Martha W. Griffiths.

Facilities and services to be provided in the new hospital include:

Basement — Storage, Physical Therapy, Autopsy, Employee Lockers, Laundry, Mechanical Equipment or Boiler Room.

First Floor — Administration, Emergency, Kitchen, Dining Rooms, Chapel.

Second Floor — Surgery, Laboratory, X-ray, Diagnostic and Therapy, Central Supply and Pharmacy.

Third Floor — Delivery Suite, Maternity Beds, Nurseries.

Fourth Floor — Medical Beds, Pediatrics.

Fifth Floor — Surgical Beds.

Central services will be provided at the present time to serve only the number of beds to be constructed. The master plan, however, outlines in detail a design which provides for expansion of central services as additional units are added.

The in-patient nursing units will have the following number of beds: Maternity 96, Nurseries 40 bassinets, Medical and Surgical 116, Pediatric 12 beds and 8 bassinets, Isolation 2.

An architect's drawing of the proposed general hospital appears on page eight.

Mrs. Chauvin

## Meeting Next Week To Discuss Merger Of Charity Drives

The possibility of merging local charity fund-raising drives with the Metropolitan United Fund Torch drive will come up for consideration next Thursday.

Two members of the foundation will discuss the proposed consolidation with the Northville Coordinating Council at the city hall.

Many residents who advocate joining the foundation contribute to the organization through their jobs in local industries, and feel that they contribute more than the city receives.

At the present time, a total of \$1,125 is given by the foundation to four Northville organizations: the girl scouts, boy scouts, King's Daughters and the city recreation program. UF officials have indicated that these organizations would continue to receive their funds if consolidation is decided upon.

Opposition to the merger comes from the fact that the United Foundation distributes funds to a community according to its needs rather than based on its contributions.

Not included in United Foundations are such drives as seal sales, poppy drives and Goodfellow newspaper sales. Both the American Red Cross and cancer drives are part of the United Foundation.

Services the community could avail itself of as part of the United Foundation include a full-time public health nurse, the Detroit Hearing Clinic and the Detroit Orthopedic Clinic.

Other organizations which derive part of their funds from the foundation include Leader Dogs for the Blind and the Sister Kenny Foundation.

United Foundation officials have indicated that becoming part of UF does not have to be permanent. A community may withdraw if the arrangement appears unsatisfactory after a time.

All Northville organizations wishing to express themselves on the proposition have been invited and are urged to attend the meeting, which begins at 8 p.m. at the city hall.

## Petition Deadline Set for June Election

The deadline for filing petitions for the June board of education election was announced this week by Robert H. Shafer, secretary of the board.

Two three-year terms, beginning in June, are open. Terms of Robert Coolman, board president, and Donald Severance will expire at that time.

All petitions must be in the hands of the board by Saturday, May 11 at 4 p.m. They may be obtained from and returned to Shafer, 18101 Sheldon road, or superintendent Russell Amerman at the board of education office.

Signers of the petitions must be residents, registered voters and property owners of the school district. A minimum of 50 signatures of qualified and registered voters of the district is required for a valid petition.

## Easter Parade, Cancer Campaign Planned

### Tag Day, Canister Collection Set

A three-way thrust against cancer began last week at an organizational meeting of the local crusade committee at the home of local chairman Mrs. Otto Wiley.

The drive will include tag days, to be held April 26 and 27, canister placement in local stores and house-to-house canvas.

Mrs. Wiley was named Northville chairman by Fred A. Knorr, president of the Detroit Baseball company and general chairman of the Cancer Crusade for the Southeastern Michigan Division of the American Cancer Society.

The public education aspect of cancer control is emphasized," Mrs. Wiley said, "because thousands of persons who have died of cancer could have been saved by prompt treatment had they known the life-saving facts and acted in time. We urge all persons to have regular health examinations as a protection against the disease," she added.

Volunteers who will work with Mrs. Wiley are Mrs. Merritt Meaker, service and supply chairman; Mrs. W. H. McCarthy, finance; and Mrs. William Canfield, education. Section chairmen, who will con-

## CITY BLOCKS LAND SALE TO NORTHVILLE DOWNS

ONE IN AND ONE OUT! Mayor Claude Ely (left) congratulates John Stubenvolt as he officially leaves his seat as councilman for the city of Northville. Ed Welch, standing next to Stubenvolt, is ready to take over his seat. While Earl Reed (second from left) and Ely were sworn in as incumbents, Welch became a city councilman for the first time.

## Committee Named For Michigan Week

Preparations for "Michigan Week" in Northville next month got off to a fast start last week with the naming of a nine-member committee to handle the program.

In addition, a three-man executive body was named.

"Michigan Week" will be observed throughout the state from May 19-25.

It will be highlighted on May 19 when several hundred mayors and village presidents trade office for the day. Northville Mayor Claude Ely will go to Millington, a small town near Vassar, while Millington Mayor Harvey Eno will come to Northville.

The Northville executive committee includes John Robertson and Charles Ely, Jr. as co-chairman and Dick Ritchie as secretary.

On the nine-member committee are: Eldon Biery (Optimists), Mike Gussell (Rotary), Charles Lapham (Exchange), Al Smith (VFW), Howard Wright (American Legion), Mrs. Lynn Sullivan (BPW), Ritchie (Retail Merchants), Ely (Junior Chamber of Commerce), and Robertson and Ed Welch (City of Northville).

Meeting Friday night, the group set up chairmen for each of the seven days of "Michigan Week". They are:

Sunday (Spiritual)—Welch; Monday (Mayor Exchange)—all members; Tuesday (Hospitality)—Smith; Wednesday (Livelihood)—Biery; Thursday (Education)—Mrs. Sullivan; Friday (Heritage)—Gussell; Saturday (New Frontiers)—John Canterbury.

## Suit Filed

State racing commissioner James H. Inglis has denied fast racing dates at Northville Downs, but it will be up to Wayne county circuit court to make a final decision.

Suit was filed Tuesday against Inglis' decision by the Michigan Horsemen's Racing Club.

Inglis denied the requested dates of October 7-November 1 on ten grounds including: that other racing associations already had requested additional dates; the racing club application was made too late.

## Clarke to Retire As City Treasurer

For 15 years A. Russell Clarke has been adding, subtracting, multiplying and doing whatever else is necessary to keep accurate books for the city of Northville.

This week he asked Mayor Claude Ely to be relieved of his duties as city treasurer on May 1.

Clarke, vice president of the Manufacturers National Bank of Detroit, stated that the treasurer's job is becoming more than "part time" and that added responsibilities at the bank prompted his request.

He was elected village treasurer in 1942 and has served the village and city continuously since.

The council accepted his request "with regrets" Monday evening and announced that a replacement would be named in the near future.

## Councilman Allen Is Mayor Pro-Tem

Northville got a new assistant mayor Monday evening at the special council meeting called to swear in newly-elected Councilman Ed Welch and Earl Reed, incumbent.

After the official ceremonies and "goodbyes" to John Stubenvolt, retiring councilman, Mayor Claude Ely pointed out that Stubenvolt had been mayor pro-tem. He immediately appointed Malcolm Allen, senior councilman, to become the acting mayor in the absence of Mayor Ely.

In other business on the abbreviated agenda councilmen adopted a resolution to condemn seven parcels of land in the Gerald avenue area. The lots, located in the city dump area, will be purchased by the city for future use of the public works department. A well site has always been determined in the area for the city's water supply.

Councilmen briefly reviewed plat number one submitted by the D&R Building company for its proposed subdivision in the 100-acre area recently returned to Novi township. The land, west of Baseline and south of Novi road, was annexed to Northville by election last summer. The election was declared illegal by the Oakland county circuit court.

D&R plans to begin building in the subdivision this spring. Their plat will come before the council Monday evening after examination by the city planning commission.

Insisting that the city should block the sale now "so that we may get our oar in and catch up," Canterbury added that the action was not being taken because of an opposition to racing. "I am not opposed to racing. Some people are, others would like to have racing all year long. In between are those who recognize its legal right and tax revenue benefits. It is my belief that the track should lean over backwards to improve its public relations with the community and let us know what they are doing. I believe, and the president of the Driving club didn't disagree, that we can settle this matter together."

If the track lost out in the discussion of the property, it gained stature in its public relations by the appearance of Malcolm J. Linehan and C. A. Hoffman.

Linehan, previously a member of the state racing commission for eight years, recently purchased one-sixth interest in the Downs of Mrs. Cecile Goldberg. He holds the interest with his brother, Al. Both reside in Adrian.

Agreeing with Councilman Canterbury's analysis, Linehan said he was "completely unaware of the public resentment" and agreed that steps should be taken to improve appearances bordering the track. He added that he didn't believe the city's action would hurt the Downs and that he hoped something could

An innocent appearing resolution at the very bottom of the agenda at last week's city council meeting proved to be a veritable bombshell. Its presence brought about the first split among councilmen in recent months and also packed the council chambers with intently interested spectators.

The action was brought about by maneuvering of Mayor Claude Ely. The resolution, drawn up to block the sale of approximately two acres of land along River street near the Seven Mile cut-off to the Northville Driving club, was prepared at Ely's request.

In announcing the resolution, Ely informed members of the council that he had become aware last week of the proposed sale. The property is owned by the Wayne County Road Commission. He further stated that after learning of the plan he took immediate steps to block it "in the interests of River street residents who have bought and earned their homes the hard way."

Ely was steadfast in his position and would not consider any compromise. He was backed up by the presence of seven residents of River street whose homes face the Downs and property in between.

The proposal received its strongest opposition from Councilman Earl Reed, who urged councilmen to table the matter "until you learn what the racing interests intend to do with this property."

In further discussion by councilmen, River street residents and representatives of the Downs and Driving club, the proposed use of the property was made clear.

River street residents were fearful that barns would be constructed on the land. They pointed to "unsightly conditions" now existing in the barn area and further claimed that "14 years have brought nothing but promises" from track officials.

Track representatives then explained that the property would be used only to provide a roadway from the track to Seven Mile road. They pointed out that new barns must be constructed and the track widened. In doing this the present track roadway, along Seven Mile road, would be lost. A road entrance and exit extending in a southeasterly direction from the track to Seven Mile road would then be constructed through the property in question.

An analysis of the problem and a proposal by Councilman John Canterbury set the pattern that eventually led to the adoption of the resolution.

Relating a conversation with Dr. L. W. Snow, Driving club president, Canterbury pointed out that "eventual purchase of the property by the city would not eliminate the possibility of satisfying the track's need." He added that Dr. Snow was in agreement that "the Driving club would just as soon pay the city for the necessary property as the county."

Insisting that the city should block the sale now "so that we may get our oar in and catch up," Canterbury added that the action was not being taken because of an opposition to racing. "I am not opposed to racing. Some people are, others would like to have racing all year long. In between are those who recognize its legal right and tax revenue benefits. It is my belief that the track should lean over backwards to improve its public relations with the community and let us know what they are doing. I believe, and the president of the Driving club didn't disagree, that we can settle this matter together."

## Creative Art Guild Plans Third Exhibit

The Creative Art Guild, in cooperation with the department of parks and recreation in Livonia, is holding its third annual exhibit on Friday, April 26 from 2 until 9 p.m. and on Saturday, April 27 from 10 a.m. until 9 p.m.

The exhibit will be held in Bentley high school, Livonia. Northville members of the guild are urged to contact their section leaders to make early arrangements for their displays.

The following classifications will be exhibited: weaving, leatherwork, sculpture, water colors, oil painting, china painting, crocheting and knitting, ceramics, jewelry, cake decorating and textile painting.

Flower arranging, sponsored by the Rosedale Gardens branch of the Women's National Farm and Garden Association, will follow the theme "Song of Spring", announces chairman Mrs. Mary Grismer.

Further information may be had by calling Mrs. A. T. M. Petersen, president, in Livonia.

Non-members of the guild will be charged a small fee to exhibit.

Obedience is the mother of success, and is wedded to safety. —Aeschylus

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

This week's recipe for Pineapple Ice-Box Cake was contributed by Mrs. Otto Regentik of Neeson street. Daughter Christine, four, thinks Mom is a pretty good cook, judging from her admiring glance.

A treat for any springtime table—whether to top off the family dinner or for a special party dessert—is this pineapple ice-box cake contributed this week by Mrs. Otto Regentik of Neeson street.

Mr. and Mrs. Regentik are the parents of three children—Christine, four; Michael, two, and a brand new baby, Joyce Marie.

### PINEAPPLE ICE-BOX CAKE

1½ tablespoons cornstarch  
1 No. 2 can pineapple juice  
1 cup sugar  
1 tablespoon butter

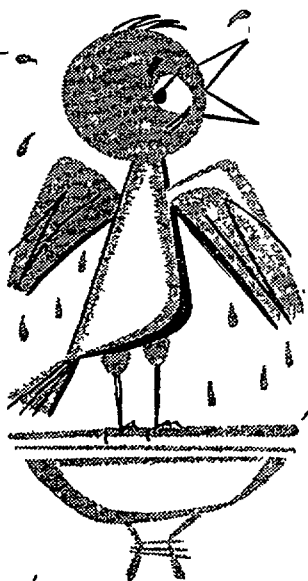

1 package plain gelatin  
¼ cup water  
2 eggs (separated)  
½ pint whipping cream  
maraschino cherries  
angel food cake

Sift cornstarch and sugar together four times. Add to boiling pineapple juice and boil five minutes. Add butter and cook until thick. Beat egg yolks and add to custard very slowly, continue cooking for a few minutes.

Dissolve gelatin in ¼ cup cold water and let stand five minutes. Add to hot custard and let cool. Beat egg whites and whipping cream, mix together and add to cool custard.

Cut cake in serving size pieces and line in glass cake dish. Pour mixture over cake and put cherries on each piece of cake. Put in ice box to set.

Facilities for treatment of cancer in this country have increased by 6 per cent in the last decade, according to the American Cancer Society.

## Garden Club Makes Final Plans For Clean-Up Drive

Preparations for "Keep Northville Beautiful" week, to run from April 29 to May 4, are now almost completed by the local drive committee under the leadership of Mrs. William Cansfield.

Devoted to making Northville a neater, cleaner city, "Keep Northville Beautiful" week is sponsored by the local branch of the Woman's National Farm and Garden Association.

Efforts by the senior student council of Northville high school will assure trash cans in strategic places in the school and business

area (see picture, page 14). Poster and slogan contests are being conducted in the schools, winners of which will be announced next week.

Although the official drive against litter-bugs doesn't begin until the end of the month, Northville citizens could well begin planning their own clean-up projects—for each has a share in "Keeping Northville Beautiful."

## Police Chief Denton To Be CAR Guest

An open discussion of traffic safety and driver responsibilities will be led by Chief of Police Joseph Denton at next Wednesday's meeting of the Plymouth Corners Society of the Children of the American Revolution.

Martha and Patsy Mulligan will be co-hostesses for the meeting at their home, 42565 Eight Mile road. The meeting begins at 5 p.m.

The University of Michigan is the nation's largest state university in resident credit enrollment located on one campus. It is also the largest state university without an agricultural college. (California is spread over several cities; Illinois has large program in Chicago as well as Urbana, Minnesota is in Minneapolis, Duluth and St. Paul.

## Engaged

Mr. and Mrs. Sam J. Dianuko of Houston, Texas have announced the engagement of their daughter, Felo, to Daniel Ellis Shaw, son of Mr. and Mrs. F. Alden Shaw, of West Nine Mile road.

A June 16 wedding date has been set.

## The Decorator

BRUCE McALLISTER presents

A decorating scheme in the new office of Clifton D. Hill, attorney, of Northville

The above "Scenic" wall covering was recently completed in the new office of Mr. Hill. The "Scenic" is a dramatization of the Albert Van Luit Collection from California. The color tones are on a tawny beige background with shades of brown, gold, tan and burnt orange predominating. The Decorator "A decorating Studio for Modern Living" of Novi offers the selection of fine "Scenic" wall covering by Albert Van Luit of California.

## News Around Northville

Mrs. Jean Cole, recently injured in an accident, flew to San Antonio, Texas Tuesday morning and will be recuperating at her daughter's home, Mrs. John Todd.

Dr. J. K. Eastland attended the dental convention at the Statler hotel in Detroit this week.

Mr. and Mrs. Donald Yerkes returned recently from a vacation in South Pine, North Carolina.

Mr. and Mrs. Harry Duerson of Dunlap street, who celebrated their 25th wedding anniversary Tuesday, were honored at a surprise dinner last Sunday by daughter Gay and Mrs. Stanton Schaefer of Six Mile road at Mrs. Schaefer's home. Out-of-town guests included Mr. and Mrs. James Conway and son Jim, Miss Molly Spencer and Mrs. Thomas H. Ball of Lansing, and Mrs. Des Bennetts of Detroit. A total of 25 guests were present.

Mrs. William Horsfall of Horton street was called to Bay City last week to attend the funeral of her brother, George Mackeldy, and her niece, Mrs. Mildred Grant Fanger. Mrs. Fanger was the daughter of Mrs. Horsfall's sister. Accompanying Mrs. Horsfall was Mrs. Fred Mackeldy of Walled Lake.

Mrs. S. F. Campbell recently returned from a six week visit to her parents and brother in Los Angeles. She traveled by plane and included some side trips to Tia Juana, Mexico and a visit to other relatives in Mesa, Arizona.

Dr. Stuart F. Campbell is attending the meeting of the Michigan Chapter of the American Academy of Optometry in Lansing today.

Mr. and Mrs. Eural Clark and daughter, Corinne Kay, will be dinner guests this evening of Mrs. William Heeneey of Royal Oak.

Mrs. Ernest J. Shave and Mrs. Claude Cruse will leave April 15 for the 65th annual Daughter's of the American Revolution Continental Congress to be held in Washington, D.C.

The meeting of the DAR, Sarah Ann Cochran chapter, has been postponed until April 22 at the home of Mrs. Walter Gempertine, 4747 North Territorial road, Plymouth.

In celebration of the Joseph Denton's wedding anniversary, they were taken to Detroit to see "Around the World in 80 Days" and then to dinner by their daughter and son-in-law, Mr. and Mrs. Carl Stephens, and grandchildren Carl and Mary Elizabeth.

Phyllis Howard, daughter of Dr. and Mrs. W. L. Howard of Eight Mile road was home last week end from Central Michigan college at Mt. Pleasant.

Mr. and Mrs. Leonard R. Howard of Ann Arbor spent last week end in New York City. Their son, Brian, stayed with his grandparents, Dr. and Mrs. W. L. Howard of Eight Mile road.

Mr. and Mrs. Richard Ambler of Dunlap street and Mr. and Mrs. E.J. McClendon of Plymouth attended "The Ten Commandments" in Detroit last week.

Mr. and Mrs. J. P. Anderson of

West Eight Mile road spent Sunday in Lapeer visiting their daughter and son-in-law, Mr. and Mrs. Stewart Thiemkey.

Several members of Northville Council No. 89 were the guests of the Williamston council at a pancake supper Saturday night. Attending were Mr. and Mrs. Howard Atwood, Mr. and Mrs. Ray Van Valkenburg, George Stanford, Mr. and Mrs. Lawrence Miller and Mr. and Mrs. Tom Quinn.

Pot-luck bridge club will gather Saturday night at the home of the Clifford Rollings. Attending will be the Paul Beards, the Don Robinsons and the Eldon Bierys.

Dr. and Mrs. E. B. Cavell entertained the Bolivia club for an evening of canasta Saturday.

Bob Watson, son of Mr. and Mrs. Earl W. Johnson, formerly of Northville and now of Detroit, is a member of the Kemper Guardsmen, special drill platoon at Kemper Military school in Boonville, Missouri, which participated in the 32nd annual ROTC circus recently in Kansas City, Missouri.

Mr. and Mrs. James McCluskie of Grace street, celebrated their 36th wedding anniversary March 30 at a dinner given by their children and grandchildren. Honoring their parents were Dr. and Mrs. J. D. McCluskie and children, Craig and Jody, of Denver, Colorado; Mr. and Mrs. Robert McCluskie and children, Gordon and Diane, of Detroit; and Mr. and Mrs. E. Erickson and daughter, Linda, of Royal Oak.

Mr. and Mrs. Thomas M. Holmes of Beck road, who have spent the winter in California, are now en route to Florida and expect to be back home May 1.

Miss Fran Malley, daughter of Mr. and Mrs. J. P. Malley of Beck road, will be one of a group of students who will tour New York and Washington, D.C. during the spring vacation at Monticello college, Alton, Illinois.

Mrs. Mary Jones accompanied Harry German when he visited his new grandson in Davenport, Iowa recently.

Mrs. Louis Polino of Center street underwent surgery at Mt. Carmel Mercy hospital last week.

Mrs. Jim Spagnuolo attended the seventh birthday party of her grandson, Eugene Melbourne, in Ypsilanti Saturday.

Mrs. W. L. Howard and Mrs. Leonard R. Howard honored Barbara Couse at a luncheon and bridal shower Saturday at the former's Eight Mile road home. Attending were 32 guests.

First Lt. Richard K. Somers, instrument flight instructor at Perrin Air Force Base, Sherman, Texas, landed at Wayne Major Airport in an F86 D Saturday. He spent until Sunday afternoon with his parents, the R.I. Somers of Grace street, then made the return flight to his base.

Mrs. Donald Sober and Mrs. Glenn Cummings were hostesses last week for the Tuesday Book club. Club members brought shower gifts for Barbara Couse, who was the honored guest.

### Clean Carpets Save You Money

IF RUGS and carpets are to wear well and stay attractive they must be kept clean. Dirt on the surface dulls the color of the rug. Embedded grit wears and cuts the fibers. Damage from clothes moths and carpet beetles is less likely to occur when rugs are kept clean. The time to spray rugs against these insects is after they have been thoroughly cleaned.

**SHOWBOAT TIME** — A minstrel show is the current project of Girl Scout Troop 12, who will strum banjos, sing and dance at their show April 26 at the Presbyterian church. Scout end-men Sue Cowie, Carolyn Langtry and Bonnie Jordan look to interloper Benda Wortman for the down beat. Scout leader Mrs. Edwin Langtry will direct a total of 14 girls in the production.

## Carnival Plans Underway For PTA Sponsored Project

Plans for the midway, prizes, food — and a full evening of fun at the PTA Carnival to be held Friday evening, May 3, are beginning to take final form. Annual features that will be repeated include Russell Reimer's "walking" fish pond, "Clown Alley", sponsored by the VFW, the "Cake Walk", sponsored by the BPW and the VFW Auxiliary, "Pitch-To-Win" to be operated by the Rotary club, a fudge booth, pony rides, weight guessing and a pie-eating contest sponsored by the Our Lady of Victory Mothers' club.

A complete dinner menu has been planned by Mrs. Shirley Lipa and her food committee: Macaroni and cheese, spaghetti, hot dogs, cole slaw and French bread will be served in the Community building.

## BIRTHS

Mr. and Mrs. Otto Regentik of Neeson street announce the birth of a daughter, Joyce Marie, March 22. Born at Sessions hospital, she weighed eight pounds, one ounce.

**Trudy Hall Jr.'s Gift for Spring**

A Dacron cotton gingham with boat neckline outlined by black grosgrained, white collar... rhinestone centered buttons wink from the bodice and again at the shoulder... white cuffed dolman sleeves, patent belt... full, shirred skirt. Sizes 5 to 15 in Yellow, Aqua, Pink. A beautiful way to look — for so little.

## What Northville Girl Scouts Are Doing

**Girl Scout Troop 17**— Members of Troop 17 celebrated their fifth birthday at their last meeting with birthday cake and ice cream.

**Girl Scout Troop 10**— Troop 10 met at Carol Krezel's house on March 26. They entertained their mothers and two other guests, Miss Pat Bubel and Miss Elizabeth Beard. They also discussed plans for their trip to Black Lake in June.

## Luck was a Lady To the Ladies

One hand in 5,000 was dealt Mrs. Chester Henning of Livonia and her Northville partner recently.

The Philip Andersons of Eight Mile road were playing the game at the Henning home, the ladies leading in games.

Mr. Henning dealt. His wife made the bid, calling clubs trump. When she put her meld on the table, the other three players gasped.

She held all eight aces — plus a marriage and nine in clubs. Her partner, Mrs. Anderson, added points with a marriage in clubs, one in hearts and a pinochle.

Mrs. Henning was hardly impressed at all when she was dealt a double pinochle a few hands later.

## Quarterly Meeting Ahead for BPW

The quarterly meeting of District No. 2, Business and Professional Women, will be held at Dearborn Inn Sunday, April 28. State officers will be the special guests.

Reservations should be sent to Mrs. Vera Todd, treasurer, 209 North Mildred street, Dearborn, by April 15. The registration fee is \$3.60. Schedule for the day is: 10 a.m., coffee; 10:45 to 1 p.m., meeting, and 1:30 p.m., luncheon.

# Pontiac Springs Another "First!"

**-Lowest Priced Car with Tri-Power Carburetion!**

Pontiac started 'em all talking by tagging this eye-popping Chieftain below 30 models of the low-price three. Now Pontiac has tossed another firecracker into the low-price field... with Tri-Power Carburetion available at extra cost on any model. Pontiac alone at so low a cost offers this sensational track-proved\* carburetion system that has officially outperformed super-charged and fuel injection cars. Here's how it works: For normal driving, only one of three double-barrel carburetors is in operation. When you want a safety-surge of power, press your toe and pronto! — the other two carburetors pour out a bonus of go as long as you need it. Ease up... and you're back to the gas-saving economy of one-carburetor operation! In short — your new Pontiac Chieftain can be tame or terrific — at the touch of a toe! Try it, and you'll see why they're biting their nails in the low-price field. Check the car... check the price... and all bets are that you'll graduate to Pontiac with plenty left over in your budget to celebrate the occasion!

## In Willowbrook:

### Local Boy Wins Talent Prize

By Mrs. John Parent — Greenleaf 4-2060

Congratulations to Jerry Martin of Willow Lane who won third prize in the Novi Odd Fellow talent show Friday night. Jerry won playing the "Beer Barrel Polka" on the accordion. His sister, Christine, also participated in the program.

Walter and Pat Pinner of West LeBost announce the birth of Michael William born April 2 at Harper hospital. The baby weighed in at nine pounds, six ounces.

Robert and Carolyn Pohlman of McMahon have a new seven pound daughter, Sherry Ann, born March 28 at Detroit Osteopathic hospital.

The ladies from Our Lady of Victory gathered at Margaret Bunker's home on Mooringside Thursday to sew doll clothes for next year's bazaar. The workers were Rita Turnbull, Lucille James, Mary Ann, Lillian Kretzel, Evelyn Bertoni, Betty Hubbard, Virginia Barnes, Mrs. Heslop and Mrs. Ceida.

Teresa Henry of Malott spent several days in Howell visiting her cousin Julie Fellows.

Eleanor and Don Wingard of Malott went to see "My Fair Lady" last night with Mr. and Mrs. Donald Weldon of Detroit and Mr. and Mrs. Lawrence Mayer of Farmington.

Arlene Rippey of Glen Ridge had a party Tuesday night for some of her neighbors and friends. The neighbors from Glen Ridge who attended were Marge Williams, Adele Coliguri, Ethel Stover, Alice LeWitter and Joan Gould. Other guests present were Dorothy McDermott, Audrey Ortwein, Mrs. R. Wendland and Doris Callan.

The Jack Parents of LeBost had a bridge party Saturday night. The guests included Bob and Lou Gregory of Dearborn, Jim and Betty Johnson of Oak Park and Jack and Jo Brannock of Pontiac.

Earl and Virginia Barnes of Mooringside had a family dinner party last Sunday. Their guests were Mr. and Mrs. John Clark of Detroit, Mr. and Mrs. Marvin Grawburg of Southfield township, Mrs. Earl Barnes, Edward Barnes, Pat Campbell, Mr. and Mrs. Dan O'Leary, Mr. and Mrs. Harry Wilkinson and daughter, Pat, of Detroit and Mr. and Mrs. Michael Tobin and daughter, Delores, of Alma.

Marion and Karl Weiss of Mooringside attended the wedding Saturday of Ethel Stewart and Gerald Ferte at the Redford Avenue Presbyterian church. The reception followed at Guffin's House of Beef. Marion and Karl then went to their pinocle club at the home of Mr. and Mrs. John "Red" Doran of Detroit.

Joe and Gil Ardito of West LeBost served a birthday dinner Monday to Mr. and Mrs. Joseph Boucke of Detroit in honor of Mr. Boucke's birthday.

Bill and Kay Reiss of West LeBost celebrated Kay's birthday by dining out Saturday at Huck's. Sunday, they spent the day with Kay's family, the Michael Freemans.

Attending the lecture by Dr. Mary Martina given by the OLV Mothers' club April 2 were Betty LeButt, Eileen Miklos, Margaret Bunker, Virginia Barnes, Dorothy Richmond and Dorothy Plattner.

## Novi Highlights:

### Mothers Plan School Fair

By Mrs. Luther Rix — Phone Northville 2741

Members of the Novi school Mothers' club are busy working on the annual school fair plans.

Mrs. Soulliere's fifth grade committee members are taking orders for home made candy. They will also have ice cream and pop.

On the committee in Mr. Allen's seventh grade are Mrs. Ritter, Mrs. Pauls, Mrs. Coleman and Mrs. White. They have charge of the games. Rifle range for nine years and up and cork gun range, no age limit. Get your balloons from the seventh grade balloon man.

Mr. McMillan's eighth grade committee consists of Mrs. Scheinmann, Mrs. Fox, Mrs. M. Trotter, Mrs. F. Geppert and Mrs. LaPlante. They will also have game: nickel toss, dart game and pound-nail. A thoroughbred collie puppy will belong to the one with the lucky number.

Dishes that are not chipped or cracked are needed as prizes for the nickel toss game. Please save your odd dishes for the eighth grade.

Mr. and Mrs. Robert Ellette of Fonda street were called to Alabama last Monday by the death of the latter's brother. They returned home Sunday.

Frank Watzka underwent major surgery at Henry Ford hospital last week.

Mr. and Mrs. Erwin F. Geppert and daughters, Noel and Sue, spent Saturday with a friend at St. Clair Shores.

George Gardella is spending a two weeks vacation in California where he visited his sister, Mrs. Laura Buxton near Pomona. Philip Gardella went with his brother to California and he is planning to stay through with his sister, Mrs. Laura Buxton.

Mrs. Gertie Lee returned last Friday from a vacation at St. Petersburg and other places in Florida. She returned to Michigan with her sister and brother-in-law, Mr. and Mrs. Henry Hill. Mrs. Lee visited her niece and other relatives while in Florida.

Mr. and Mrs. Gordon Blakeslee and son, Ricky, spent Sunday with the latter's brother and his wife, Mr. and Mrs. Russell Button.

Mrs. William Paquette of Durson street entertained her pinocle club on Monday. Present were Mrs. Vincent Hayes, Mrs. J. D. Mitchell, Mrs. George Lien, Mrs. Dirk Groenbergh, Mrs. Kenneth Cook, Mrs. H. White and Mrs. Viola Seeley.

(Continued on Page 5)

# Novi Budget Sets All-Time Record

## Wild Dog Taken In Willowbrook; Residents Warned

Willowbrook Village's dog problem took on a grisly aspect this week after county dog warden officials came out Saturday to round up as many strays as possible.

One wild dog was captured, but three escaped.

In the meantime, county dog officials warned that the remaining strays are "extremely vicious" and that Willowbrook residents should not try to apprehend them.

It was discovered that the strays have been living in a vacant barn near Willowbrook. In it were found the remains of several smaller animals — indicating that the dogs were even wilder than had been presumed.

The county dog officials advised a local Willowbrook posse to try to trap the dogs in the barn and then call the county to have them picked up.

They emphasized, however, that individual residents should stay away from them.

Willowbrook residents also were advised to have their own pets vaccinated and keep garbage out of reach of the strays.

Robert McKeon, president of the Willowbrook Community Association, reported that residents were very cooperative in keeping their pets tied up during the round-up.

McKeon also advised anyone seeing strays in Willowbrook to call a member of the association board of directors. The dog would then presumably be sought out by the local posse.

Among those participating in the round-up Saturday were McKeon, Howard Swick, Bob Nelson, Al Diebel, Jim Newton, Don Wingard, Vince Miklas, Bob Plattner, Dave Fried and Ed Frutchey.

## 3 Brighton Men Admit Break-In

Three Brighton men are awaiting sentence this week for an armed robbery that was part of a series of crimes in Novi township and elsewhere in southeastern Michigan.

The three have admitted breaking into Holcomb Industries last month, according to state police.

William Hatswell, 20; David Spencer, 20, and Charles Metcalf, 31, are held in Oakland county jail after pleading guilty to holding up and beating a Farmington man to get his identification.

NEW TOWNSHIP BOARD MEMBERS were sworn in last Saturday in ceremonies at the township hall. The officers (left to right): trustee Frank Clark, trustee Stan Balon, treasurer Ray Harrison, clerk Hadley Bachert and supervisor Frazer Staman. Outgoing treasurer Charles Trickey, Jr. (right) gave the oath of office. The new American flag in the background was given to the township by the Balon family.

## Wixom Completes Charter

The Wixom village charter has been completed on schedule and is due to go before Governor G. Mennen Williams for approval in the next few weeks.

The charter, drawn up by a five-man commission, was scheduled for adoption last night.

If approved by the governor, the charter will face a public vote in the middle of June. At the same time, Wixom voters will name their first six-man village commission and a village president.

Meanwhile, rumors circulated that further action may be taken to contest the February 5 election by which Wixom became a village.

A suit against the election was dismissed last week by Oakland county circuit court judge Clark J. Adams on grounds that the election was valid and proper.

But one source this week said "something still may be done" about the election. He did not indicate what approach might be taken.

So far, however, there has been no indication of an appeal from the

## Western Union Ends Operations in Novi

Western Union has announced it will close its Novi office in the near future.

Application to close the office on Grand River west of Novi road was made to the Federal Communications Commission on March 28.

Western Union said Novi residents will be able to receive telegraph service through its Plymouth office.

Persons wishing to protest the closure have until May 1 to contact the Federal Communications Commission, Washington 25, D. C.

two Novi residents who brought the suit.

Wixom officials also were reportedly disturbed by Novi's plans to rezone nearly the entire Novi section of the village to a "heavy industry" classification. A hearing on the rezoning will be held April 29 by the township zoning board.

If approved, nearly three square miles of Wixom territory would be rezoned.

Herbert Abrams, Wixom charter commissioner, said this week that local officials intend to look into the rezoning to see what it means for Wixom. Abrams added that the rezoning "certainly is not intended to help Wixom."

The rezoning calls for all of section 6, most of section 7, and all of section 5 except the northwest and southwest corners to be changed to heavy industry.

Last week, Novi supervisor Frazer Staman said the rezoning is designed primarily to bring the area up to its previous zoning under the former Novi code. Much of the site had been zoned M-1, a category then suitable for all industry.

But with creation of the new M-3 (heavy industry) distinction, that land could only be used for light industry.

Staman said the upcoming rezoning is intended to restore the heavy industry classification to the area.

Only two firms are known to plan construction in the area at this time. Both are transport companies, which intend to set up haul-away service adjacent to the new Lincoln plant.

A map of the proposed zoning changes is on display at the Novi township hall.

## Harry Wolfe Opens Novi Realty Office

Harry S. Wolfe, well known realtor of Livonia, opened a new office in Novi last week adjoining the post office on Novi road.

According to Wolfe, the office will handle sales of land, homes and lots. Shirley Bernard, Helen Litzberger and Howard Taylor, all experienced in real estate business in the area, will represent the Wolfe firm.

Wolfe has two other offices in Livonia on Five Mile and Seven Mile road. His firm is associated with the United Northwestern Realty association which boasts 150 member offices in the northwestern metropolitan area. Meadowbrook Manor on Eight Mile road, subdivision project of Mr. Wolfe's son, Harry E. Wolfe, is exclusively listed by the Wolfe realty office.

tion 6, most of section 7, and all of section 5 except the northwest and southwest corners to be changed to heavy industry.

Last week, Novi supervisor Frazer Staman said the rezoning is designed primarily to bring the area up to its previous zoning under the former Novi code. Much of the site had been zoned M-1, a category then suitable for all industry.

But with creation of the new M-3 (heavy industry) distinction, that land could only be used for light industry.

Staman said the upcoming rezoning is intended to restore the heavy industry classification to the area.

Only two firms are known to plan construction in the area at this time. Both are transport companies, which intend to set up haul-away service adjacent to the new Lincoln plant.

A map of the proposed zoning changes is on display at the Novi township hall.

## Novi Golf League Plans New Season

A meeting to begin plans for the Novi Men's Golf league was held Wednesday night at the Bob-O-Link golf course.

Chairman Bill MacDermald said that the league will be organized for the second year and that one night a week members will play nine holes of golf. Exact night of play has not been decided but all play will begin after 5 p.m. Golfers interested in playing may contact MacDermald.

## \$93,875 Expenditure Scheduled by Township

Novi township's 1957-58 budget — like almost everything else in the township this year — has established a record.

If expenditures go as expected this fiscal year, Novi will spend \$93,875 — some \$3,000 more than was budgeted in the previous record high year of 1955-56.

On the receipt side, Novi expects to get \$76,332 during the year, coupled with a balance of \$20,526 from 1956-57.

This gives Novi an expected \$96,858 to work with as against its \$93,875 in expected expenses — a slim difference of \$2,983.

The budget, approved two weeks ago at the annual township meeting, contains several vague areas in both the receipt and expenditure columns.

Under receipts, no amount is mentioned for the categories of "delinquent tax collections," "fines and fees," and "miscellaneous." In 1956-57, these totalled more than \$13,000.

Under disbursements, the "street lights" category has no amount set aside.

According to Supervisor Frazer Staman, the receipt omissions were necessary because there is no way of knowing what will be received in those categories.

Staman added that the street light disbursement is not actually omitted, but included in the overall "telephone - heat - lights - building - and ground - maintenance" category.

Novi will spend most of its budget money on salaries (\$26,000), police protection (\$20,000) and general expenses (\$12,000).

Only one item represents a major increase, however. That is the salary category, in which the \$26,000 is more than a \$7,000 jump over last year.

According to Staman, the bulk of the \$7,000 would go for a full-time assessor.

The salary hike does not include raises for board members, however. A motion to increase the salaries of the supervisor and clerk positions was voted down at the annual meeting.

Another major item calls for \$7,500 for a new fire truck. Staman noted that the entire budget is speculative — especially in the salary and fire truck expenditures.

"If we don't get our anticipated receipts, then we can't afford these two items," he said.

Staman further pointed out that the budget makes no provision for division of township assets with Northville. A meeting between Northville and Novi officials this month will look into the question of how much Novi owes Northville for the city's share of township assets as a result of the Oakwood subdivision annexation to Northville.

On the receipt side, Novi expects to take in \$83,332 — or some \$10,000 less than in 1956-57. Yet anticipated tax collections total \$26,750 — about \$11,000 more than last year.

This seeming conflict is accounted for by an \$11,000 decline in licenses and permits (from \$19,607 last year to \$8,600 this year) and by the omission of the three categories from the receipt side of the budget.

Ed Branch served as master of ceremonies for the event, first of its kind in Novi.

## Need a Book on Gardening? Drop a Line to Broomfield

Any Novi resident who wants some free information on planting grass or watering gardens can get lots of it by writing Congressman William Broomfield.

The Royal Oak legislator was spring-cleaning his Washington office the other day when he discovered he had "inherited" a large number of bound volumes from his predecessor, Congressman George Dondero.

So Broomfield is offering the volumes, mostly yearbooks put out by the Agriculture Department, to any Oakland county residents who want them on a first-come, first-serve basis.

"These books have given me some ideas on where the budget might be cut," said Broomfield. "We could start right here, in these publications."

Broomfield said a quantity of yearbooks are sent to all Congressmen, whether they need them or not.

The "surplus" books can be obtained by writing Broomfield at the House of Representatives, Washington, D.C.

Subjects are: Grass — When and how to plant; its uses both as lawn and forage; diseases and insects; and its aid to conservation.

Water — Proper use in home gardens, orchards and farms; drainage; where we get it; pollution.

Plant Diseases — How to use chemicals for control; flowers and fruit tree controls; threats to plants and trees.

Marketing — Both wholesale and retail; storage; processing; prices and pricing.

Animal Diseases — Their effect on both farm animals and house pets; symptoms; treatment; protection; the use of antibiotics, sulfa and other drugs.

Crops in War and Peace — Use of basic crops in industry, medicine and food; natural and manmade fibers; science and agriculture.

All volumes are handsomely bound and profusely illustrated.

## Early Deadline Next Week!

# Biggest Record-News Edition To Welcome Lincoln Division

There'll be no shortage of reading material in Northville-Novi area homes next week.

The largest edition of The Northville Record-News ever published will be distributed to more than 6,500 homes covering the entire area on April 18.

Highlight of the special edition will be a 16-page section heralding the opening of Ford Motor company's Lincoln division. This highly interesting section will contain a history of Lincoln, pictures of its cars and executives as well as first inside pictures taken at the huge, new plant.

The edition is the result of more than two months' work by staff members of the Record and News with representatives of the Lincoln Motor company.

So that this complete 36-page newspaper may be delivered to EVERY HOME ON TIME next week we must request that ALL COPY, both news and advertising, be submitted not later than MONDAY, APRIL 15.

GRASS FIRE EQUIPMENT was received at the Novi fire hall this week, although March had already seen 20 field blazes. Checking over the new portable pumps and brooms are William MacDermald (left), Novi volunteer fireman, and Vernon Loeffler, Novi policeman and constable.

## Novi Highlights

Mr. and Mrs. William Rackov visited the former's father, Mike Rackov, who is a patient in St. Joseph's hospital, Ann Arbor, on Monday.

Rev. John Dosh will be the guest speaker at the Novi Baptist church Sunday, April 14 for the morning service.

A. D. McIntyre is under observation at Mt. Sinai hospital, Detroit. Sharon Pounders, who has been ill in Mt. Carmel hospital, returned home last week and has been able to return to school.

Gay Bingham, daughter of Mr. and Mrs. Don Bingham, is on the sick list.

Donald LaFond, who has been ill with pneumonia in Aitchison hospital for the past two weeks, has been transferred to Mt. Carmel hospital, Detroit.

Blue Star Mothers  
Novi Chapter 47, Blue Star Mothers, met at the home of Mrs. R. E. Ward Monday evening with 12 members present. The Mothers will take Easter baskets to veterans at Maybury sanatorium the Thursday before Easter. They will have a luncheon and card party at the home of Mrs. Gertie Lee some time in May.

The May meeting is scheduled to be held at the home of Mrs. Russell Race, 12 Mile road.  
Cancer Society Campaign  
Vigorous public education program is of special importance in federated fund areas. Division wide projects include: (a) division education trailer (films, literature), (b) Neighbor to neighbor education project (distribution of printed material), (c) Film showings, displays, posters, mass media. A film will be shown in the Novi Community building Wednesday, April 24 at 1 p.m. Dr. R. M. Aitchison will be on hand to answer questions.

Methodist Church  
The Novi Methodists prayer meetings are held at the church on Wednesday at one o'clock.  
The WSCS of the Novi Methodist church provided the food and served dinner to the family at the home of Ernest Pitchford on Friday. After funeral services for Mrs. Ernest Pitchford Saturday the WSCS helped the Rebekahs serve dinner to the relatives at Rebekah hall.

The Methodists will sponsor another church and community family night gathering Tuesday, April 16 at the Community hall at 7 p.m. Meat, rolls and beverage will be

provided by the WSCS. Bring your own table service and a dish to share. The program will be musical. Invite your friends and neighbors.

On Wednesday, April 10, ladies of the WSCS and their husbands are invited to have pot luck with the Brighton church group. The speaker will be Rev. George Kennedy, Methodist University pastor and director of the Wesley Foundation at MSU.

Palm Sunday there will be baptismal services and reception of new members. Anyone having children to be baptized or who wishes to join the church contact the pastor, Rev. Nevin.

Good Friday services will be held in the Novi Methodist church from 12 to 1 o'clock.

First Easter service will be 8:15 to 9:15 a.m. and the second service at 9:45 a.m.

Novi Rebekahs  
The regular meeting will be held Thursday, April 11 with degree team practice following.

Mrs. Margaret Marshall and Mrs. Kathryn Bachert attended a meeting at Wayne Temple in Detroit April 10.

The Past Noble Grands will meet at the home of Mrs. Grace Frisbie Tuesday, April 16 with a pot-luck dinner at noon.

Odd Fellows of this district will have visitation here Tuesday, April 16. All members of Novi lodge are urged to be present. Lunch will be served after the meeting.

Novi Girl Scouts  
Brownie Troop No. 602 made sock puppets for their project April 8. Kay Gillett brought treats. Scribe, Lynn MacDermid.

Intermediate Troop No. 492 made additional plans to visit the theater Wednesday to see "The Ten Commandments". Cookie money was turned in.

Intermediate Troop No. 491 learned how to whip the ends of a rope and practiced tying knots. Two new girls, Lois Hendrickson and Carol Moody were welcomed into the troop. Treats were brought by Sharon Gattrell and Donna Mae Lien.

The senior troop worked on posters for the Novi School Fair. They also welcomed a new girl, Carol Simons, into the troop.

Intermediate Troop No. 493 collected cookie money and gave international friendship reports. In the absence of Mrs. Eby and Mrs. Hall, Mrs. McCollum assisted with the girls.

Brownie Troop No. 149 received cookie money, made plans to visit the police station, received registration money and made babushkas. Mrs. Altaffer helped with the troop.

Mothers of the newest Brownie troop held a meeting at the home of Mrs. V. Hayes, neighborhood chairman, last week, Thursday. Plans were made for a new troop to start Wednesday, April 10 under the leadership of Mrs. McCormick

and Mrs. Clarke. Mothers who volunteered to become committee members are Mrs. Pliss, Mrs. Freitag and Mrs. Morse.

Mr. and Mrs. Alan Gotro of Clark's subdivision have a new baby daughter, Sally, born March 28.

Novi School News

Novi school kindergarten boys and girls have planted nasturtium, marigold and aster seeds and are enjoying watching them grow.

First grade pupil Linda Williams is home ill with the chicken pox and Ken Bernard has a broken collar bone and has been out of school for two weeks.

Fourth Grade  
Mrs. Wilcox's and Mrs. French's fourth grade pupils had a spell down which ended in a tie. The winners are Lynn MacDermid and Ellen Shunatona from Mrs. Wilcox's room and Regina Ferguson and Nancy Cook from Mrs. French's room.

Mrs. French's fourth and fifth grades are giving reports for their language class on things in their social studies book. Jackie Fritz and Danny Simonsen have made an interesting replica of Boonesborough, complete with fort, soldiers, scouts, Indians and wagon.

Four fourth graders from Mrs. French's room were in the talent show. They are Chuck Trickey, June Loynes, Diane Eby and Christine Martin.

Mrs. French's fourth grade pupils are making posters for the Novi school fair.

Sixth Grade  
Mrs. Salow's niece, Adrena Risner visited the sixth grade room Monday afternoon.

Sharon LaFond, Barbara Wallace, Alan Spicer and Bobby Taylor have not been absent or tardy so far this year.

Mrs. Babbitt substituted for Mrs. Salow on Wednesday this week.

The sixth graders are writing a history of what they have done during the school year.

Fourth Grade  
Fourth grade pupils Lynn MacDermid and Ellen Shunatona of Mrs. Wilcox's fourth grade tied Larry Hurburt and Stanley Gillett of Mrs. Soulliere's fourth grade in a spell down. The winner will be determined in another spell down Friday.

Eighth Grade  
Mr. McMillan's eighth grade class went to Canada April 2. They went over on the bridge and came back through the tunnel. They also went past the Jack Miner bird sanctuary.

## Optimists to Hear Ford Vocal Group

Special entertainment has been set for the Optimist club "Ladies Night" meeting next Wednesday. A popular vocal group from the Ford division will be on hand to render songs old and new for the Optimists and their wives.

WORLD TRAVELER AND EXPLORER George F. Pierrot will be on hand next Tuesday to speak to the Northville Rotary club. Pierrot is managing director and founder of the World Adventure Series at the Detroit Institute of Arts, a member of the famed Explorer's club and writer on travel.

## News from Willowbrook

We are introducing this week John and Bernetta Butler of 24060 Glen Ridge. They have three children: Debby, 4; Johnny, 2; and Denny Mike, who is one. Mr. Butler is a state policeman and enjoys hunting and fishing. The family moved here from Fowlerville.

### Clubs

The Sixteen Pinochle club met Monday night at Clare Miller's home on LeBost. The winners were Joan LaBram, first; Helen Waugh, second; Joyce Benjamin, third; Marie Good, fourth, and Kay Buck, booby prize.

Pinochle club was held Wednesday night at Joan Anderson's home on Malott. The hostess won first prize and Clare Ronk won the second prize. Edith Schott took home the consolation prize.

## 1-CARD OF THANKS

We wish to thank our friends and neighbors for the lovely cards and messages sent to us after the passing of our loved one.

Mrs. Clifton Nutter and family

Many thanks to doctors and staff of Atchison Memorial Hospital, friends at the Methodist church, and other Northville neighbors for their kindness during my recent illness.

Mrs. Harry Sedan

I wish to thank the staff at Atchison Memorial Hospital for their many kindnesses shown me during my recent confinement.

I. Paul Terry

I want to thank my family, neighbors and friends for the gifts, prayers and the many acts of kindness shown during my illness. A special thanks to Rev. B. J. Pankow for his visits and prayers both at the hospital and at home.

Mrs. Haldor Burden

Midnight Sale Results  
Stump Four Merchants

"I wouldn't have believed it if I hadn't seen it with my own eyes!" That's the way Roy Stone reacted to the results of the 36-hour "Sell-A-Thon" conducted by four Northville merchants last week.

Stone got plenty of support in his surprise from Charles Freydl, Otis Tewksbury and Howard Mitchell, merchants who also kept their doors open all night last Friday.

All four store owners reported brisk business from midnight until

**City Proceedings**  
A regular meeting of the Northville City Council was held at the City Hall Tuesday Evening, April 2nd, 1957 at 8:00 P.M.

Present: Mayor Claude N. Ely, Councilmen Allen, Canterbury, Reed and Stubbenvoll.

Minutes of last regular meeting were read and approved.

Bills amounting to \$19,830.96 from the General Fund and \$632.21 from the Water Fund were presented, and it was moved by Reed, supported by Allen, that these bills be paid. Carried.

Mgr. Robertson was instructed to draw up a resolution in recognition of "Keep Northville Beautiful Week" which will be celebrated April 29 to May 4.

Moved by Reed, supported by Allen, that Mayor Ely remain the member of the Wayne County Board of Supervisors. Carried.

Atty. Ogilvie again read the Forestry Ordinance before final action on same, and it was moved by Canterbury, supported by Stubbenvoll, that this ordinance be adopted. Carried.

Mgr. Robertson presented to the Council the 1957-58 budget which he had prepared, for their consideration. He recommended that they study same before going into a detailed discussion of its contents.

Mayor Ely appointed Councilmen Allen and Reed, together with the City Manager, to meet with the Township Board to talk over matters pertaining to fire calls and equipment, use of City Dump and such other items regarding which it is necessary to reach a financial agreement.

Moved by Reed, supported by Allen, that a letter of appreciation be written to John F. Stubbenvoll for the service he has rendered the City of Northville during his years as a Village Commissioner and City Councilman. Carried.

Problems pertaining to the City Dump were discussed, and the City Atty. was instructed to contact the owners of the property which the City wishes to acquire to ascertain if same can be purchased. He was also instructed to draw up a resolution and determination of necessity for the taking of private property by condemnation in this connection.

Atty. Ogilvie was also authorized to start suit against Mr. Caffery, the owner of the temporary real estate office at the corner of 7-Mile cut-off and Plymouth Ave. which was to have been removed from that location by Mar. 20th, 1957, for failure to comply with this agreement.

No further business appearing, meeting was adjourned.  
Signed, Mary Alexander, Clerk

3 a.m. Gambles and Freydl's Men's store handled more sales after midnight than they had all day Friday. At Tewksbury Jewelry everyone was "in a very festive mood" and "buying continued very good until 3 a.m.," reported owner Otis Tewksbury.

Customers poured into Mitchell's Old Mill restaurant for a 25-cent breakfast and five cent coffee. Several times between midnight and dawn every seat was occupied by all night shoppers. Freydl's reported that "people were buying everything, not just specials". At Stone's Gambles store lawn mowers, garden hose and rural mail boxes were the big sellers. "I can't understand it," exclaimed Stone. "I walked in-

to the store at midnight and it's jammed with about 40 customers and who can figure out why they'd be buying mail boxes at midnight?"

The unique sale was undertaken by the four merchants who ran a half page advertisement last week offering several specials plus an extra 10 per cent reduction between midnight and 6 a.m. Saturday. One merchant's reaction: "Maybe we ought to close days and open nights!"

**NOTICE —**  
**Readers — Residents — Voters — Taxpayers**

The entire Michigan Nursery Industry has gone on record as opposing the building of another nursery in Southern Michigan by the Michigan Conservation Department, Forestry Division, for the following reasons:

Commercial nurseries in the same temperature zones can and will produce all the stock needed — without spending one cent of tax money! Michigan Conservation nurseries already sell over 75% of the stock produced by them to the public — some 30 million.

Private nurserymen feel it is a waste of money for the state to increase production one-third or to 40 million. The cost of a state-built nursery is too high; \$181,000 of Soil Bank money through the Clarke-McNary Act will be granted and government payrolls will be expanded.

Businessmen claim they can build the same production facilities for approximately 25% of the amount wanted by the state and some nurserymen can expand for \$10,000.

All the nurserymen want to do is to stay in business without government competition, while paying taxes.

If you don't feel you should help your neighbor plant trees with your tax money, write to your Representative, % The House, Lansing, Michigan and your Senator, % The Senate, Lansing, Michigan. A postcard will do — but do it now!

**Behalf of: Michigan Seedling Growers and the Nursery Industry by Gordon McCurdy (Adv.)**

EASTER BUNNIES? No but these Northville Rainbow Girls will be hopping around the city Friday and Saturday selling Easter lilies for crippled children. The sale is the climax to the local drive in the annual Easter Seal campaign chairmaned this year by John Stuben-

voll. All the girls will be adorned in "bunny hats" shown on (l. to r.) Linda and Janice McKinney, Connie Springer, Ardith Robertson and Patty Willing.

THE PROPOSED \$3,396,500 St. Mary hospital will look like this when completed. Possibility that construction of the 174-bed area hospital would begin late this year became greater with the announcement of a \$700,000 federal grant this week. Proposed to serve as a general hospital for the western Wayne county area, it will be built on land donated by the Felician Sisters at the corner of Levan and Five Mile roads in Livonia. (See story page one).

### Consulting Psychiatrist Speaks

Dr. Howard B. Haynes, Consulting Psychiatrist, Traverse City State Hospital, addressing a group gathered at the annual meeting of the Saint Louis Childrens' Home stated that every man who has not settled his eternal destiny (salvation) is unsettled, unhappy and fearful. He listed the natural man's basic urges to kill, to secure power, prestige and to covet. He attempts to satisfy some of these urges by substitution, he sublimates some of them and inhabits others. Concerning children, Dr. Haynes stated that they are basically the same as adults. We all desire attention, prestige, to feel useful and to be loved. Man is constantly attempting to alleviate his frustrations, and ease his conscience without God. He stated that many attempts to "heal the mind" without transforming the soul is simply patching the fig leaf apron of self righteousness which Adam made after he had sinned against God. Dr. Haynes gave as the only real solution to man's problems, the acceptance of Christ and His atonement for sin. "We are most happy for this report taken from The Childrens' Home News. We are happy because Dr. Haynes has analyzed the situation in its true scriptural light. God made man to live in fellowship with Himself, yet reconciliation to God through Jesus Christ gives this life real meaning and purpose."

Peter F. Nieuwkoop, Pastor  
First Baptist Church  
NORTHVILLE  
Bible School ..... 10 a.m.  
Morning Worship ..... 11 a.m.  
Evening Worship .. 7:30 p.m.

A FOGGY FRIDAY morning and another accident resulted in this banged-up hood. While one driver waited for a train to pass at the C & O crossing on Novi road, a second motorist turned to view another fog-caused collision. Result: The curious motorist slammed his car into the rear end of the car pictured above, which—(you guessed it)—smashed into the rear end of still a third car.

### City Blocks Land Sale to Downs

(Continued)  
be done to improve public relations.

Hoffman, speaking on behalf of Dr. Snow and the Driving club, stated that he, too, felt that better understanding could exist between track and city. He pointed out that it was necessary, however, for the track to make improvements for the future of racing in the community and urged the council to reconsider immediate adoption of the resolution.

The resolution, which requested the Wayne County Road Commission "not to sell the property to the Driving club," was brought to a vote on a motion and second by Councilman Canterbury and Mayor Ely.

While Canterbury and Ely voted "yes," Reed voted "no." Welch inserted a provision in his vote calling for a guarantee that the track

would get its roadway. Told by Mayor Ely he must vote yes or no, Welch replied in the affirmative. Allen also voted for the proposal.

Reed stated that his main objection was that the county might deed the property to the city in such a manner that a roadway could not be sold to the Downs. Councilmen pointed out that this matter could be investigated before any negotiations were made for the land.

NEXT WEEK  
IT'S  
S-O-S  
DAYS  
IN NORTHVILLE!

### Obituaries

#### BRIAN DEAN REYMROR

Funeral services were held Saturday for Brian Dean, infant son of Mr. and Mrs. Donald Reymor, 7894 Dickinson, Salem. He died April 5 at Beyer Memorial hospital, Ypsilanti. Survivors include grandparents, Mr. and Mrs. Charles Reymor and grandmother, Mrs. Anna Sewar of Dearborn. Services were held from Our Lady of Victory church, Father John Wittstock officiating. Interment was in Rural Hill cemetery.

#### MRS. GLADYS PITCHFORD

Mrs. Pitchford, who lived at 1367 East Shore Drive, Walled Lake, died April 4 at Pontiac Osteopathic hospital. She had been ill for the past year. Mrs. Pitchford was born February 21, 1903, in Dallas, Pennsylvania to Joseph and Sarah Souder. She was a member of the Novi Methodist church, the WSCS of the Novi Methodist church, and Rebekahs No. 486 of Novi. She had lived in Walled Lake since 1946.

She is survived by her husband, Ernest; a son, Ernest, Jr.; a sister, Mrs. Thelma Hargraves of Shickshinny, Pennsylvania and two brothers: Correy Souder of Forty Fort, Pennsylvania, and Alvin Souder of Ashley, Pennsylvania. Also surviving are two grandchildren, Deborah Ann and Carol Lynn. Services were held Saturday at the Casterline Funeral home, Rev. G. T. Nevin of the Novi Methodist church officiating. Interment was in Parkview Memorial cemetery, Livonia.

#### MRS. MABEL OLDENBURG

Funeral services will be held today for Mrs. Oldenburg, who died April 9 at Sessions hospital after a long illness. Born in Detroit on September 5, 1881, she lived at 288 Blunk street, Plymouth. She had also lived in Northville and Newburg. Her parents were the late Clarence and Mary Rutter. Surviving are her husband, Frank; one daughter, Mrs. Mariette Goodale of Plymouth, and three sons, Donald F. Secord of Northville, Harold A. Secord of Plymouth and Robert E. Secord of Livonia. Also surviving are two stepchildren, John M. Oldenburg of Plymouth and Mrs. Lillian G. Barker of Farmington; a sister, Mrs. Bessie Daveys of Detroit; seven grandchildren and three great-grandchildren. Mrs. Oldenburg was a member of the Plymouth Grange. Services will be held at 2 p.m. today at the Schrader Funeral home, Plymouth, Rev. Edgar Hoenecke officiating. Interment will be in Newburg cemetery.

#### MERVIN T. GREEN

Mr. Green of 621 Fairbrook died Tuesday at Henry Ford hospital. For time of services call the Casterline Funeral home. A complete obituary will follow next week.

WE ARE comparative newcomers in this community, and to many of neighbors only our name and the building we operate are known. Before establishing ourselves here, however, we had many years experience in the profession and we are thoroughly qualified. We would be pleased if you would drop in, anytime, and become acquainted.

## Here's what makes it a new kind of Ford

The frame is wider... wheels are lower  
(Let's you ride sweet and low)

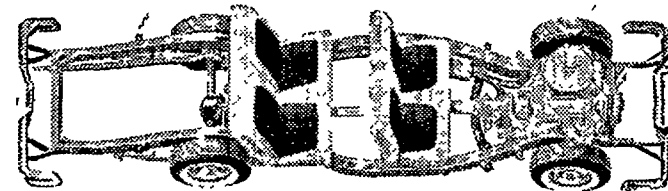

Never before has a low-priced car hugged the road so well. Partly, it's because the frame is sturdier. Partly, it's because the wheels are smaller. Partly, it's the way front and rear suspensions take tilt out of turns. Mostly, it's because there's a whole new smoother-riding quieter-going "Inner Ford."

The power is bigger

(Most power in Ford's 25 years of V-8 leadership)

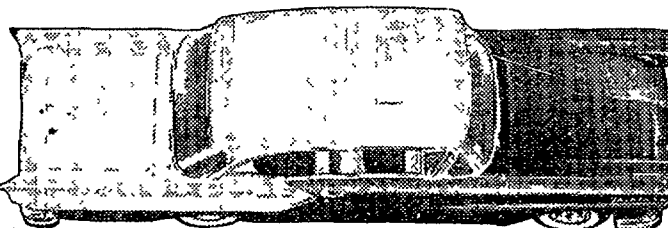

And what a V-8 engine! You can have the kind of Thunderbird power that smashed records at Daytona... set a new stock car mark at Indianapolis... traveled 50,000 miles in just 20 days at Bonneville, Utah!

The comfort is greater

(You've never had it so plush)

You sit in the lap of luxury. There's head room, hip room, leg room galore. And wait till you get a load of those new upholsteries and color schemes!

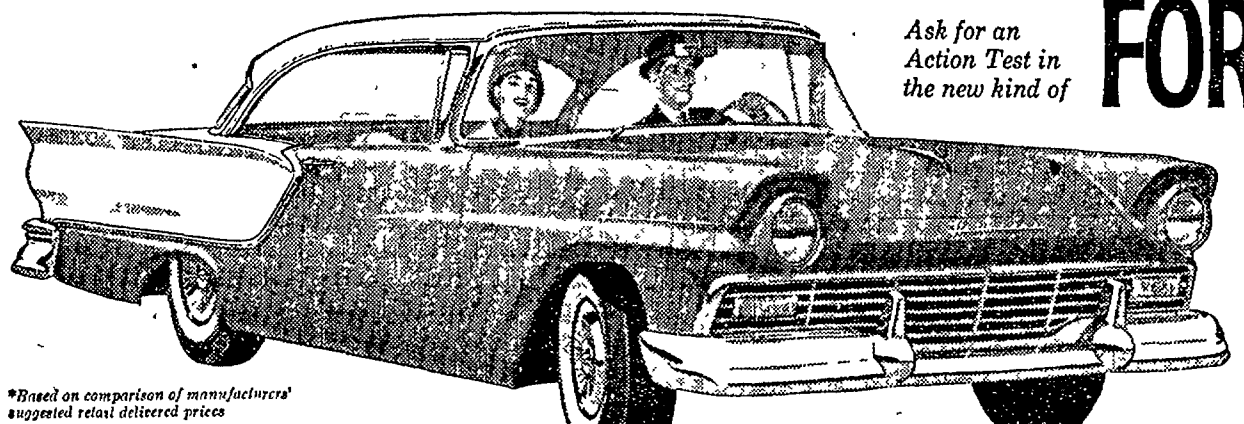

The body is "beefier"

(Up to 9 inches longer, 4 inches lower, with full head room, full road clearance)

From top to floor, front to rear, this body is built like a "battleship." You ride surrounded by new strength.

...and best of all it's the lowest priced  
of the low-price three!

Ask for an  
Action Test in  
the new kind of

# They Could've Danced All Night

The Northville Record

SECOND OLDEST NEWSPAPER IN WAYNE COUNTY — EST. 1868 —

Thursday, April 11, 1957—9

**DOWNBEAT** — Bob Williams gives the cue to the Northville high school dance band which provided the music at the freshman class dance Friday night. Though sponsored by the freshmen, scores of upper classmen and graduates turned out. Williams and Russell Reimer are class sponsors.

**CHAPERONE** — Northville assistant principal Fred Stefanski (left) chats with another couple at the dance. The dance is one of the highlights of the year at NHS.

It was one of those nights when everything just seemed to be perfect.

There was the right kind of music, the right guy (or gal) and the right atmosphere. It could hardly have been better for the 400 young people who attended the freshmen class dance last Friday night.

To make the evening even happier, a couple of "names" were on hand to add a luster of prominence to the affair.

Bunny Paul, whose records are big business in the teen-age world, stopped by to offer a few of her more popular numbers.

Joining the dazzling blond was one of the best-known disc-jockeys in the Detroit area — WJBK's popular Clark Reid.

The entertainment didn't stop there. Other performers stepped into the limelight — like Jack Scott, who set the place jumping

with the rhythm of his guitar-strumming and singing.

But primarily, it was a dance. Live music came from the Northville high school dance band under the direction of Bob Williams. And when the band took a break, music was provided by a juke-box playing the latest popular hits.

For the couples who showed the greatest grace, agility, determination, imagination or whatever it is that makes a good teen-age dancer, there were gift certificates from Northville merchants.

When it was all over, everyone — whether stag or drag, whether student or teacher, whether freshman or upper classman — agreed that the dance had been just about "it".

For the freshmen, their biggest class project to date had been quite a success.

**GUEST STARS**—As if the dance itself wasn't enough, those attending were treated to the songs of Bunny Paul, popular recording star, and the introductions of Clark Reid, disc jockey from WJBK. Bunny is one of the newest pop singers, already has several hits to her credit. Reid is a long-time Detroit favorite.

**ROCK 'N' ROLLER** — The rhythm's the same, but the face is different. This is not the Tennessee twister, but Jack Scott — a guitar-strumming singer in his own right.

**SPIRIT OF THE BALLET?** Nope, just the daze of the jitterbug — though teen-agers probably have a more precise term for this step executed by Mike Castle and Sandy Monse. At other times, however, the beat calmed down to the more subdued rhythms of the fox trot and rumba. There was even a rumor that somehow a waltz sneaked into one of the sets.

## Minutes of the Board of Education

April 1, 1957  
The regular monthly meeting of the Northville Board of Education was held on Monday, April 1, 1957 at 7:30 p.m.

Present: R. F. Coolman, Robert H. Shafer, E. F. Clark and Superintendent R. H. Amerman.  
Absent: N. C. Schrader, D. B. Severance.

The minutes of the last regular and special meetings were reviewed and upon motion by Mr. Clark and second by Mr. Shafer were approved as written and published.

Communications:  
1. Oakland County Board of Education confirming transfer of property on Nine Mile road from Novi School District to Northville School District.

2. Professor R. W. Smittle, Wayne University suggesting creation of an office of Director of Instruction to be responsible for curriculum and instruction matters.

3. Mr. Carroll Munshaw, Deputy Wayne County Superintendent of Schools reporting that his survey of residents of the Plymouth School District along Haggerty Road, north of 5 Mile were opposed 10 to 2 to transfer to the Northville District.

4. Card of thanks from Kathryn Giltner.

5. Tax receipts and state aid received \$16,900.95.

Reported by Supt. Amerman that specifications for the new high school are nearly completed and that the architects are preparing the basic drawings. Also that bonds have been called as follows:

1949 Debt — \$20,000 — balance of \$25,000 owing will be called in October.

1954 Debt — Called \$15,000 April 1st which were due in 1972.

Upon motion by Mr. Shafer and second by Mr. Clark, Mrs. Eural Clark was appointed to take the annual school census count in May. She is to appoint her own assistants.

Mr. Shafer and Mr. Coolman reported on their meeting with other boards of education on March 27 to consider the problems of the Community College program.

Motion by Mr. Clark that vouchers be paid as follows: Bills 5,280.45 payrolls \$57,219.50. Second by Mr. Shafer. Carried.

Discussed annexation with the Salem School Board members and indicated a willingness to consider any formal request from that district.

Upon motion by Mr. Shafer and second by Mr. Clark, President Coolman was authorized to appoint a two man committee to review the school insurance program, including insurance on new construction, and report their recommendations.

at another meeting. President Coolman appointed Mr. Schrader and Mr. Clark to this committee.

Upon motion by Mr. Clark and second by Mr. Shafer the Final Report on High School Curriculum by the Northville Curriculum Study Committee was officially accepted and the committee thanked for their many hours of hard work in preparing this excellent study.

Closed the transaction with Manning and Locklin for purchase of the high school site for \$72,916.00.

Motion by Mr. Clark and second by Mr. Shafer that the \$500,000 proceeds from the sale of bonds be invested with the Manufacturers' National Bank until needed for building and site purposes.

Upon motion by Mr. Shafer and second by Mr. Clark that the meeting be adjourned, 11:10 p.m. Carried.

Robert H. Shafer, Secretary

## Local Farmers Told of Changes In Income Reports

Farmers of the Northville and Plymouth area have been reminded that the social security provisions for reporting farm income have been changed to further benefit the farmer, Harry Baltuck, district manager of the Detroit-Northwest social security office, said this week.

"The revisions are designed to provide the small farmer with a more favorable basis for figuring his social security payments," he said.

The new law permits a farmer with a gross income of \$1800 or less during 1956 to use either his actual net earnings for social security purposes, or two-thirds of his gross farm income.

If his gross income exceeds \$1800, but his net earnings are less than \$1200, he may report his net earnings as \$1200.

This new method may be used by farm partners as well as by individual farm operators. It applies to all farmers whether they keep their records on the accrual basis or on the cash method.

The self-employment tax on 1956 farm income is three percent of the net earnings up to the maximum of \$4,200. For 1957 through 1959 farmers will pay three and three-eighths percent of their taxable farm income.

While the 1956 social security law increased the self-employed tax rate starting with 1957, farmers this year will be reporting on 1956 income and therefore the tax rate is three percent.

## Maybury Head Cites TB Fund Waste

A study at Maybury Sanatorium in Northville has indicated that uncooperative tuberculosis patients are wasting thousands of tax dollars.

The cost of care for some uncooperative patients runs as high as \$30,000 each as compared to the \$4,000 average cost for cooperative patients, according to the Michigan Tuberculosis Association.

The study was made by Dr. W. Leonard Howard, medical superintendent of Maybury.

Dr. Howard studied 182 patients who were admitted to his sanatorium in 1955 and who had previously walked out of a TB hospital against medical advice.

He found an average of \$5,000 had been spent treating these patients. For 23 of them, more than \$10,000 each had been spent; for five of them, more than \$20,000 each, and for two of them, more than \$30,000 each.

This is compared in the MTA statement with an average of \$4,000 spent on TB patients who remain in the sanatorium until their hospital treatment is completed.

The statement added that this was not the complete hospital cost for the uncooperative patients, for all were back in the hospital for another period of treatment.

The association speculated that

several hundred thousand dollars could be saved taxpayers if a bill now before the House public health committee is passed. The bill would close loopholes that now let uncooperative patients committed to TB hospitals by court order leave the sanatoriums against medical advice.

# Spring Sports Underway This Week

THE NORTHVILLE RECORD—Thursday, April 11, 1957—11

## Golf League Seeking 7 Members

Golf time is just around the corner in Northville.

A call went out this week for applications for spots in the Northville Golf League — scheduled to begin play on April 30 at Brae Burn Golf club.

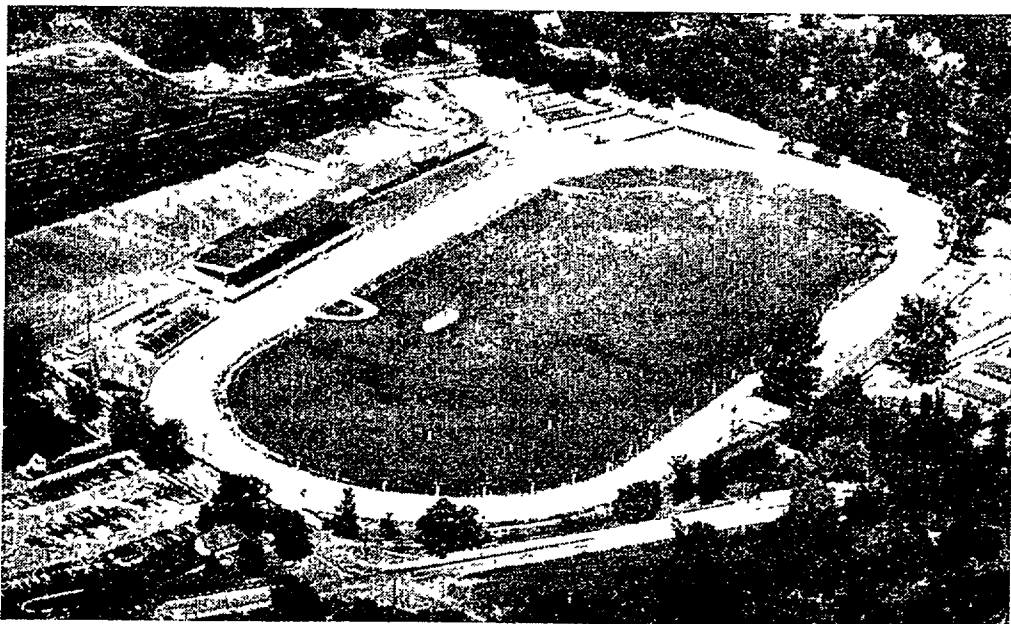

The league consists of Northville businessmen and residents who play twilight golf on Tuesday evenings from 4:30 to 5:30 p.m.

According to William Crump, some seven positions are still open in the 40-member league.

"Members range from 'hasher' to 'scratch golfers', so we use a good handicap system to match everybody equally," Crump said.

Crump added that all members should be signed up by April 20 to insure a strong start for the league 10 days later.

Further details can be had by calling Crump at Northville 1463-J.

**HARNESS FANS** across the state will have their eyes on Northville Downs next Thursday when the local track opens its 1957 meeting. The Downs, with a 38-night schedule, will be the only state harness track in operation until the last week of its meet. In the meantime, horses and trainers are continuing to work out at the track in preparation for opening night.

## Downs to Open a Week from Tonight

Preparations were at a fever pitch at Northville Downs this week as the track got ready for opening night next Thursday.

General manager John J. Carlo predicts there will be 800 horses on the grounds when the starter sends off the first race for the earliest meeting in Michigan history.

It will be the only Michigan racing until runners open at Hazel Park on May 24. Northville, which races 38 nights through June 1, finds it-

self without competition except for its final week.

Some 200 horses have wintered and put in early training at the Downs despite the snow, rain and cold which has plagued horsemen in recent weeks. Another 300 horses arrived over the week end and early this week.

Busiest man on the grounds is Charlie Coon whose job is to have the track in shape by opening night and yet allow the anxious horsemen to use the track in the meanwhile. The pressure is on as they clamor

to sharpen up their pacers and trotters in time for the first "they're off".

Meantime, racing secretary Bill Connors foresees one of Northville's best racing seasons with any kind of a break in the weather. He reports an influx of at least 50 new Canadian horses which are expected to give Michigan horses and other regulars top competition.

Connors is returning to the Northville scene after an absence of four years. He succeeds Harry Hatch who made commitments on the west coast before the early Northville dates were announced.

The Northville meeting also will bring John DuCharme back to the Michigan scene. The presiding judge at Wolverine Raceway last year, he replaces the veteran Malcolm Linehan of Adrian as state steward. Linehan resigned last September when he and his brother, Albert Jr., purchased a partnership in the Downs.

DuCharme will represent the State at all of Michigan's parimutuel harness racing meetings.

Because Good Friday comes on April 19, the Downs actually will begin its 14th season with two openings. After opening Thursday night, Carlo will close the track the next night on Good Friday and re-open Saturday, April 20.

## Merchants to Hold Practice Sunday

The Northville Merchants baseball team of the Class A Inter-County League will hold its first practice this Sunday at 1 p.m. at Cass Benton park.

Players wishing to try out should contact managers Joe Kritch and Steve Folino.

Some 14 teams were represented at an organizational meeting in Plymouth last Sunday, Kritch said.

The season opens in May. All teams will play doubleheaders on all holidays during the summer.

Northville finished in third place in 1956.

## Four Teams To Lift Lids On Seasons

The 1957 spring sports schedule was due to begin at Northville high school yesterday despite blustery weather which has kept Mustang athletes inside for much of the pre-season training period.

The Northville track squad was scheduled to raise the curtain yesterday in a dual meet at Clarenceville. Results were not available at press time.

Meanwhile, all four Northville varsity squads are scheduled to get into action next Monday and Tuesday.

On Monday, the Mustang baseball squad will take on South Lyon in a non-conference contest at Cass Benton park, while the tennis team is due to meet Oak Park on the local courts.

On Tuesday, Mustang golfers will take off their wraps against Bloomfield Hills and the cinder squad will compete in its second meet by traveling to West Bloomfield.

Mustang athletes will continue the pace, Wednesday, with both the baseball and tennis squads scheduled to compete. The Mustang nine will meet Thurston at home, while the court team will travel to Birmingham for one of its toughest events of the year.

Cold, rainy, snowy weather the past few weeks has not helped the Mustang spring sport crews. Much of their training has been carried out in the Northville Community building, though coaches have taken their squads outside on several occasions.

The season will open with prospects for a better than average results in at least three of the four sports.

Track coach Charles Yabne, tennis coach Ron Schipper, and golf coach Merritt Meaker all expect improvements over their records last year.

The complete schedule for next week:

Monday:  
—Baseball with South Lyon—here  
—Tennis with Oak Park—here

Tuesday:  
—Track with W. Bloomfield—here  
—Golf with Bloomfield Hills—here

Wednesday:  
—Tennis with Birmingham—here  
—Baseball with Thurston—here

## John Starkweather On Yale Tank Squad

John Starkweather of Northville is a member of the swimming squad at Trumbull college — one of the ten residential colleges at Yale. The intercollegiate athletic plan at Yale provides various levels of competition for upper classmen throughout the year. Intercollegiate competition involves a total of 15 different sports.

Starkweather, a member of the class of 1958, is majoring in mechanical engineering at Yale.

## Madonna to Host Conference Sunday

An orientation, continuity and leadership workshop for all members of the Detroit-Cleveland region of the National Federation of Catholic College Students will be hosted at Madonna college in Livonia this Sunday.  
A uniform system of orientation of officers and personnel to their duties and responsibilities is the main purpose of the workshop. Recently elected regional officers will also have the opportunity to become acquainted, to discuss plans for the next school year and to pick up ideas from retiring officers.  
The college held its annual honors convocation last Sunday, April 7. Mary Ann Braczak, Marjorie Krist and Geraldine M. Spryva received awards at the convocation.

## Fellowship to Give Sacred Drama

The Senior Youth Fellowship of the Northville Methodist church will present a sacred drama, "The Challenge of the Cross" in the church sanctuary on Palm Sunday evening at 7:30.  
The girls presenting the drama are Sandra Moase, Marianne King, Julie Older, Kathryn Hodgson, Pat Willing, Roberta Schroeder and Janice Dixon.  
The public is invited to attend.

## NOTICE OF PUBLIC HEARING Tuesday, April 23, 1957, 8:00 P.M. City Hall

Please take notice that the Planning Commission for the City of Northville shall conduct a Public Hearing at the time and place above specified for the purpose of considering and acting upon a petition for the re-zoning of the following described property from R-1 to C-2 classification.

The legal description of this property is as follows:

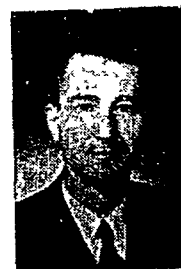

All of that piece or parcel of property which is located in the southwest ¼ of Section 34, T1N, R8E, Novi Township, Oakland County, Michigan and being described as beginning at a point which is distant along the north-south ¼ line of 50' 01' 45" W 272.09 feet from the center of said section and traversing thence south 0° 01' 45" west along said ¼ line of 206.00 feet; thence south 89° 42' 49" west, 435.79 feet; thence north 0° 01' 45" east, 209.41 feet to a line which is parallel to and distant 272.09 feet from the east-west ¼ line of said section; thence north 89° 56' 39" east, along said line which is parallel to the east-west ¼ line 435.77 feet to the point of beginning.

This property is located on the west side of North Center Street and is the east part of the property more commonly known as 1035 North Center Street. (Formerly H. Toussaint property).

T. R. CARRINGTON  
Chairman, City Planning Commission

## from the PASTOR'S STUDY

By the Rev. B. J. Pankow, Pastor  
St. Paul's Lutheran Church of Northville

### "ROCK OF AGES, CLEFT FOR ME"

"No other English hymn can be named which has laid so broad and firm a grasp upon the English-speaking world as Rock of Ages." This is the evaluation of Julian, noted hymn critic. We are sure that there are few readers who have never come into contact with this well-known hymn by Augustus Toplady. It is even included in popular collections of songs. Perhaps you sang this hymn or hummed its melody today.

Who or what is the "Rock of Ages?" By this expression the author, of course, was referring to Christ. Since He is the eternal God, He is called the "Rock of AGES." This eternal God chose to take the human nature into His divine nature. He became a man and lived and died on this earth. Why? In order to keep the Commandments which we had broken in order to suffer and die for our sins. That is why He was "cleft" for us.

By this hymn we recall what once happened in the wilderness of Arabia about 1500 years before the Incarnation of Christ. Moses relates that he on two different occasions, by God's command, smote a rock with the result that water sprang up to quench the thirst of the Israelites.

These miracles were possible because Christ the Spiritual Rock was present. Therefore, we read in the New Testament: that the Israelites "did all drink the same spiritual drink; for they drank of that spiritual Rock, which followed them; and that Rock was Christ." I Cor. 10:4.

In like manner Christ was cleft for us when on the first Good Friday His holy side was pierced by one of the soldiers. From His riven side then flowed "blood and water," as the

Apostle John records in chapter 19:34 of his Gospel. This is additional proof that Christ actually DIED. In fact, we are informed in the sacred account that He was dead already before the soldier pierced His side.

What comfort is there in the death of Christ and in the shedding of His blood? This. His death and blood alone could reconcile us to God and become the payment for our sins. Very aptly Dr. Martin Luther wrote: "The blood, which flows from the side of our Lord Jesus is the treasurer of our redemption, the payment and atonement for our sins... that same blood of Christ is our advocate with God and without ceasing cries for us to God: mercy, mercy, forgive, forgive!"

The second and third stanzas of Toplady's hymn remind us that

"Not the labors of my hands  
Can fulfill Thy Law's demands" and  
"Nothing in my hand I bring,  
Simply to Thy cross I cling."

Our own righteousness is absolutely worthless in the eyes of God, but Christ's blood and righteousness can cleanse us, therefore,  
"Foul I to the fountain fly—  
Wash me, Savior, or I die!"

By looking in faith to Jesus, His perfect righteousness becomes ours.

At death and on Judgment Day the fact that Christ died for us and rose again will be our only refuge. The hymn writer impresses this upon us in the fourth and last stanza, closing his hymn, as he began it:

"Rock of Ages, cleft for me,  
Let me hide myself in Thee."

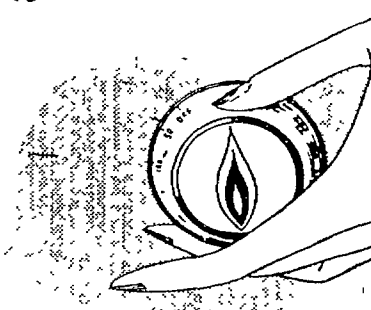

Meditating on this meaningful hymn is certainly a fine preparation for Holy Week.

# SOFT WATER

Automatically with the

## REYNOLDS Automatic WATER SOFTENER

The greatest water softener ever built!

1. Adjustable to almost any type of problem water. Does a better job on all hard waters. Will do things you never dreamed could be done with any water softener.
2. Will soften water containing up to 100 grains of hardness per gallon (5 times as hard as the average).
3. Will remove up to 10 parts per million of iron.
4. Contains 1-1/2 cu. ft. of Doves ensuring high capacity and adequate flow rate of zero-soft, rust-free water at all fixtures at the same time.
5. Brine under pressure in closed tank instead of in unsightly open type brine tank. No more leaky float valves and bad appearance. More dependable regeneration.
6. Automatic bypass permits use of water during regeneration.
7. No troublesome top screen to clean.
8. Operates on any home water pressure, high or low.
9. Fibre glass insulation prevents sweating.
10. Time clock or switch operation.
11. Made in Detroit—factory service.

There is no other water softener like it, or that even compares with it. It is fully guaranteed and covered by patents. At only \$399.00, it is the greatest value in the water conditioning industry. Larger sizes also available.

"YOU CAN'T BEAT THE BEST"

Reynolds Ball O-Matic Water Softeners and a complete line of Reynolds Water Conditioning Equipment have been manufactured in Detroit since 1931. There is probably more Reynolds Equipment installed in this area than all other makes combined. We stand back of the guarantee on our equipment with factory service. Two generations in the business assure you of years of this service and support. You are SURE with a Reynolds Water Softener.

## State Senator Reports

Senator John B. Swainson

A short time ago I wrote some thoughts on the subject of our present election of a highway commissioner. At the time, both in the legislature and in political circles of both parties, it had been agreed that it was too late this year to change from an elected highway commissioner to one appointed by the Governor.

The following commentary is a candid appraisal of the situation. It would be normal for me, as a Democrat, to be pleased, at the decisions made by the voters on April 1. The size of the vote, outstripping all predictions, makes clear that this was no decision by 'default'.

Despite the outcome of the election, there is need for continuing our thinking and discussion of the question of election or appointment. This is the case not only for the highway commissioner but, also for the superintendent of schools.

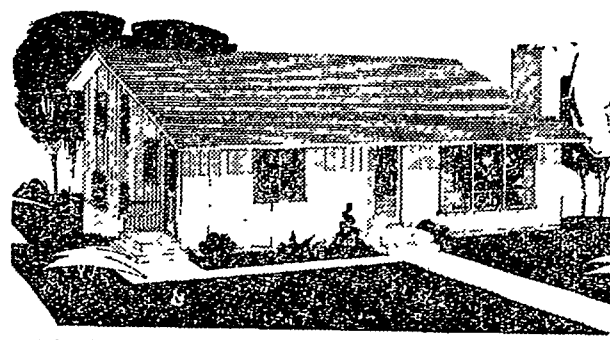

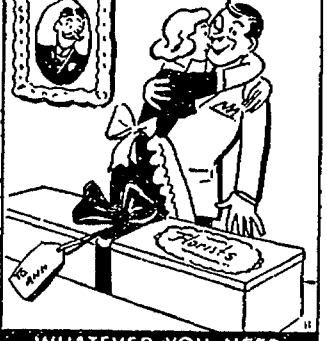

In the overwhelming majority of the United States, both the school superintendents and the highway commissioners are appointed members of the Governor's "cabinet". This is logical because it is the governor of a state to whom the people look most for the basic program of the administration of that state. The other members of his administration are expected to implement that program, make it live and make it vital for the people.

If I were merely a 'politician', this would be a time to forget the principle and let party interests predominate. But such narrowness is what weakens the best of political parties. Now that the 1957 spring election is over, it would be logical for us to think ahead to the future without waiting to see which way the wind will shift in two years. We are the only State in the Union left which elects a highway commissioner. The superintendency of education should be taken "out of politics" not for the political expediency of the losing or winning side but because it is right and logical that the superintendent of education become an appointed office in the future. I recall that there was an effort made in 1956 to accomplish the latter. The proposal to create an appointive post of superintendent of education was such a complex one, so difficult to effect, that it fell of its own weight when it failed to achieve enough signatures for placement on the fall ballot.

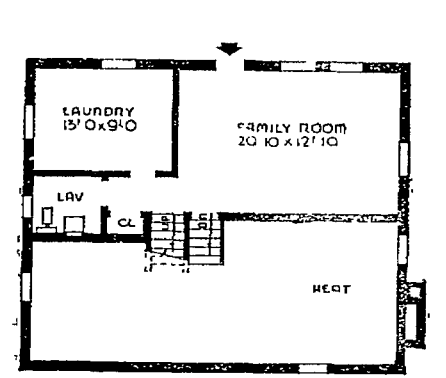

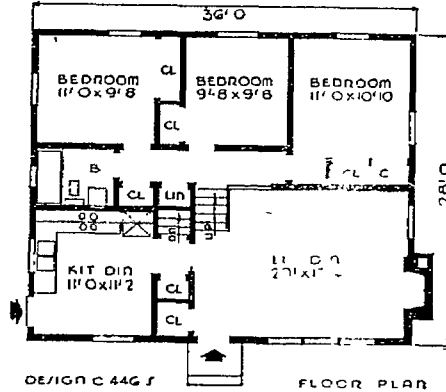

I have that bi-partisan efforts can succeed in the next two years to accomplish these changes. Required are simple legislative proposals to be subsequently confirmed, or rejected by the voters. If the effort is unselfish and bi-partisan, it can succeed and, in so doing, we will have taken another step forward in the direction of better state administration.

In long-run terms, this will affect us right where we live and where our children go to school. I will look forward to hearing from you on this item of potential legislation.

A submarine navigates by sound when submerged. Sound can travel 4,000 nautical miles or more under water.

A SMALL HOUSE PLANNING BUREAU DESIGN NO. C-446-S

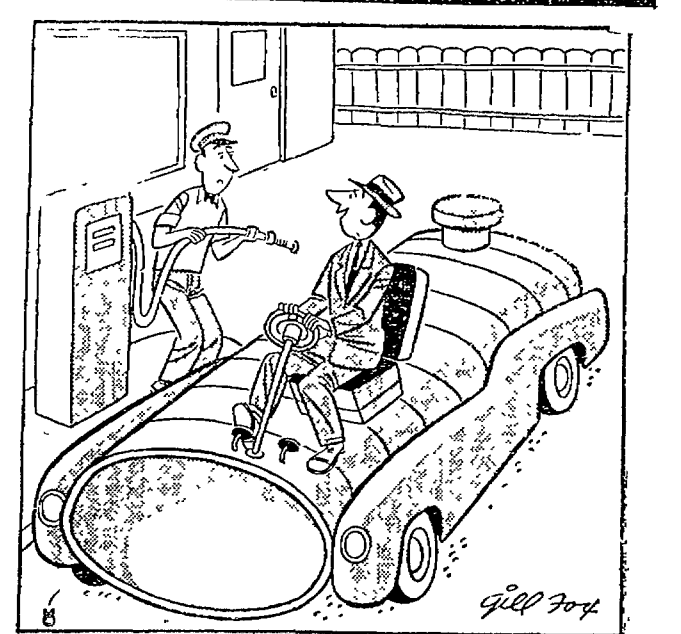

DESIGN C 446 S. A modern front-to-back split level that takes maximum advantage of a lot that slopes toward the back.

On the ground floor level is a kitchen-dinette and unusual living room with sloping ceiling, fireplace and wrought iron railing. The hall is partially open to form a balcony that overlooks the living area. Seven steps down to the rear grade level is the family or recreation room laundry and lavatory. The lower or basement level, six steps down, provides work, heater and storage space. The exterior is clean-cut with simple roof line, V-joint vertical siding and casement type windows. Floor area is 1,008 square feet, cubage 18,648 cubic feet. For further information on DESIGN C 446 S, write the Small House Planning Bureau, St. Cloud, Minnesota.

# Cadillac

## The Choice That is Never Challenged!

Drive a Cadillac over any period of time you wish—and the odds are that no one will ever question your choice of a motor car.

For almost everyone understands the instincts that lead a man to Cadillac. Rare is the motorist, in fact, who does not have his own heart set on the "car of cars".

Certainly, this is as it should be. For Cadillac's virtues are simply too numerous to be overlooked—and too apparent to be misunderstood.

Who, for instance, could behold a new Cadillac and not proclaim it the most beautiful and majestic of automobiles?

Who could ride in a new Cadillac and not recognize its extraordinary luxury and comfort?

Who could drive a new Cadillac and not pronounce it the crowning achievement of automotive engineering?

And who—knowing of Cadillac's many economies of ownership could fail to recognize it as the finest investment in all motordom?

Indeed, the reasons for choosing Cadillac are as valid as they are numerous—and we urge you to visit your dealer at your first opportunity and discover all of them for yourself.

Why not spend an hour at the wheel—and select your favorite Cadillac model as your own?

You can rest assured—the whole world will approve your choice!

News of Northville High School

## Junior Play Monday, Tuesday

### Sociology Students Learn Of Mental Illness and Cures

Mr. Meaker's sociology class took a trip to the Northville State Mental hospital recently, where they were taken on an escorted tour around the building and shown various activities and therapies for the mentally ill.

The group of about 30 students were shown the modern and comfortable main building in which the convalescing patients stay. They

viewed the occupational therapy section and the auditorium.

Previous to this project, the class arranged an explanatory talk about mental illness and the cures now in use. Two staff members from the hospital came to the school for this purpose.

### "Hoof Prints"

"Mustang Hoof Prints" is prepared and written by the Northville high school students under the supervision of Miss Florence Panattoni.

Editor — Emilie Seguin

Associate Editors — Michael Peitz, Nancy Lawrence

Staff: Penny Niece, Nancy Morrison, Gary Holman, Brenda Wortman and Bernhard Muller.

### Student Honored

Bernhard Muller was recently nominated one of 38 outstanding science students from the suburban Detroit area to vie for a \$500 scholarship to the college of his choice.

To be presented by the Downriver and Detroit Chemical Industries, the award is for the pursuance of any scientific field. Bernhard was selected by the Wyandotte Chemical company.

The junior class held a class meeting last week Tuesday, April 2 at which reports were given by the chairmen of the various committees working on the junior play, "One Foot in Heaven".

The play will be presented April 15 and 16, Monday and Tuesday evening, at the Community building.

The story concerns the problems of a minister and his family when they move into a new community—and promises many humorous incidents.

The scenery committee began to work on their part of the project last week Monday.

Tickets are now on sale and can be purchased from any of the juniors. No definite plans for future class activities have been made in order that every junior may work his hardest on the present dramatic project.

### "Truck" Wash Is Last Project Of Science Students

On March 23, eleven members of LaGene Quay's science classes undertook a car-washing project at Miller's garage. The students earned close to \$4 apiece.

This money will be counted as a payment on the total cost of the long-planned Chicago trip which all the science classes will take on April 17. The car wash is the second money-making project that these high school "scientists" have engineered.

The final business venture which the students undertook to fill up their trip fund was held last Saturday, April 6th. Willing students from each of the various science classes washed oil trucks belonging to C. R. Ely and Sons.

Many of the students have completely paid up their part of the total cost of the excursion through their industrious assistance and co-operation during each fund-raising project.

### NEA Celebration Last Thursday

The 100th birthday of the National Education Association was celebrated last Thursday night when a dinner was held in the Community building.

Guests were welcomed by Miss Lance.

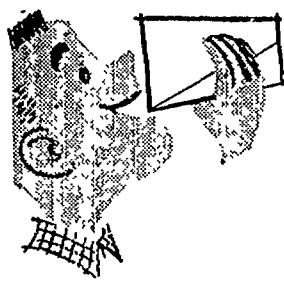

The speakers were Mrs. R. B. Larkins, who spoke about teaching in city schools; S. S. Stalter, who spoke about teaching in rural schools; Russell Amerman, who spoke on the directors report of 1957, which included the fact that teachers then received only \$45 a month; Mr. Meaker told of the history of Northville schools, and T.R. Carrington reminisced about Northville's past.

The dinner was served by the Future Teachers of America members of Northville high school.

**KEEP NORTHVILLE BEAUTIFUL** — Members of the senior student council Dick Stuber and Bob Starnes were part of the crew painting and lettering trash cans for "Keep Northville Beautiful" week beginning April 29. Part of the campaign sponsored by the Northville branch of the Woman's National Farm and Garden Association, the oil-barrels-turned-trash-cans will be placed at strategic spots around the schools and business section.

### Music at Assembly Given by Glee Club

Among the more student-favored high school activities are the occasional assembly programs. Such an event is always welcomed, but last week's program proved to be exceptionally well received — the Men's Glee club from the Michigan Institute of Technology.

The glee club offered a variety of selections, from Rachmaninoff's "Creation Hymn" to college songs, spirituals and a Broadway show tune.

They also featured a bass soloist and a quartet which sang several numbers.

# Plenty of hot water with DETROIT EDISON'S NEW ELECTRIC WATER-HEATING SERVICE

Bath time is fun time with lots of hot water

1957 electric water heaters, built to Edison's rigid specifications, give you all the hot water you want!

Now Detroit Edison has joined with leading electric water heater manufacturers to bring you the most advanced electric water heating method at down-to-earth cost. With Edison's new Super-Supply Plan you get much more hot water than ever before for only pennies a day. No waiting for water to heat. No hot water shortages.

#### How Does It Work?

Now 1957 electric water heaters are built to give you large quantities of piping hot water automatically. The tank has two elements—one near the top, one near the bottom—with greatly

increased wattages. In fact, because they are designed to supply hotter water faster, you can get more than twice the supply from the same size tank. And operation is completely automatic.

#### What Is Edison's Super-Supply Plan?

To make these 1957 electric water heaters more economical, Edison is offering a new plan. The new Super-Supply Plan provides much more hot water than ever before, at a surprisingly low flat-rate charge. This means you have plenty of hot, hot water on tap all of the time to meet all of your family's needs.

#### Why Buy an Electric Water Heater?

Electric water heaters are the safest water heaters ever built. And these new models offer other advantages, too. There's no soot to clog heaters. No flues to limit where the heater must be installed. Put your new electric water heater where you want it, even in the kitchen or utility room. There's no flame to worry about. No odor from fumes. And insulation makes them cool, and they're noiseless. You can put your confidence in an electric heater built to Detroit Edison's rigid specifications for years of trouble-free operation.

Reddy Kilowatt invites you to check these tremendous advantages of ELECTRIC water heating before you buy.

## New Business Machine Produced by Burroughs

A major new addition to the Burroughs line of business machines is now being produced at the firm's Plymouth Manufacturing and Engineering Division.

Announcement of the new product was made this week by general manager Robert A. Niemi.

The versatile new machine called the Typing Sensimatic combines an 84-character, full-keyboard electric typewriter with a high-speed accumulating register accounting machine and is capable of handling a broad range of descriptive and numerical accounting jobs.

According to Ken T. Bement, general sales manager for Burroughs

Division of Burroughs Corporation, "The Typing Sensimatic was designed to meet increasing demands for flexibility in the handling of office paper work, particularly in the areas of posting and accounting."

The Typing Sensimatic will be available in the United States and Canada in 10 models. It has been both laboratory and field tested and Bement noted that the "reaction of operators who used the experimental models was enthusiastic."

He pointed out that the primary considerations in the design of the new machine were operator convenience and versatility of application.

"The Typing Sensimatic features a natural slope typewriter keyboard with 42 keys scientifically placed for speed and ease of operation; overall size only slightly larger than the conventional Sensimatic accounting machine; and space on the typing line of the carriage for 182 characters to permit complete alphabetic description," Bement said.

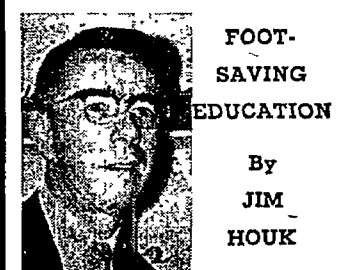

"Because of its design, the new machine can be used with standard forms as well as customer-designed posting and accounting systems," he added. "This is another step in Burroughs' effort to provide a high level of automation in the operation of the modern office."

FOOT-  
SAVING  
EDUCATION  
By  
JIM  
HOUK

ARE SHOES THAT ARE  
OUTGROWN BY ONE CHILD  
SAFE FOR ANOTHER?

Yes and No. The accepted reason for not using handed-down shoes is that the foot defect of the first child can be inflicted on the second. This is true.

But if the first user had normal feet, isn't his good wear-pattern just as likely to encourage good foot function? It is.

When the budget is hurting it is a lot safer to use brother's cast-offs than to cramp feet in his own outgrown shoes.

It would be wise to go to your local shoe store and choose your new Easter Shoes for the family while selections are at their best.

Use a Layaway Plan if your budget does not permit the purchase at this time, to avoid last-minute disappointment.

### Readers Speak Up:

## SEEKS CLOTHES FOR PATIENT'S RUG-MAKING

To the Editor:

Patients at Northville State hospital get 75 cents a week for spending, but a few find ways to earn their own spending money.

There is "George the Rug Man" who works in his spare time weaving rugs and then sells them to the employees for \$3.

I have tried to get him old clothes—dresses, coats, pants, anything to keep him busy.

I thought maybe some kind Northville women would bring a bundle to him. It takes quite a bit to make a rug.

If anyone couldn't take the clothing, drop me a card and I'll pick it up.

Thank you,

## SPEAKING

# for the Record

By BILL SLIGER

Two long-time officials of the city of Northville were honored Tuesday evening at a special dinner held at Danny's Chop House.

Members of the city's official family and their wives turned out to express their individual appreciation for the outstanding contribution retiring Councilman John Stubenvoll and Treasurer Russ Clarke have made to Northville.

Clarke became village treasurer in 1942 and Stubenvoll was first elected to the commission in 1946. Clarke has asked to be relieved of his duties on May 1 and Stubenvoll did not run for re-election. Both are officials of the Manufacturers National Bank and have assumed new responsibilities since the merger that leave less time for outside activities.

Just how well they performed their duties was evidenced from the expression of the people who have worked with them.

While Northville is bound to miss Clarke and Stubenvoll, some comfort can be garnered from the fact that they'll be around for counsel and advice.

\* \* \*

A close look at the highly-sensitive relations existing between Northville and Novi is being taken by officials on both sides. There has been no real action that would raise any hope that a solution to this touchy problem is near, but the signs are there.

Elections, lawsuits and appeals cost money. The results of such actions are never satisfactory to both sides and always leave deep scars. Yet the pressure of expansion and the need to provide services for new residents is constant upon both areas. They cannot stand still.

Northville needs more area. Novi needs more services. Novi, feeling unprotected from land annexation, is fearful of losing its identity completely. Northville, ready and willing to provide services to newly developed residential areas, will not do so unless these residents pay city taxes.

It's a situation that exists wherever there are cities and townships. Even now new laws are being studied that would change, but probably not solve, the problem. The possibility of solving the differences across the table is undoubtedly very slim. Still, it could be tried.

# State Bar Takes Long Look at JP Status

ANOTHER LOOK AT Michigan's justice of the peace machinery occurred when Francis E. Barron, a Howell attorney recently charged that JP's often conduct a "racket system" to collect fines and costs. The justice of the peace operation has been controversial previously. Usually the issue involved is whether these elected officials are qualified to administer their jobs properly?

The new charges take a different tack. In a letter to State Bar Association President John W. Cumiskey, Barron took issue with the fact that some justices seem to make "too good" a living pursuing the duties of their office.

Particularly singled out are two Oakland County JP's, Willis D. Lefurgy of Waterford Township and Allen C. Ingle of Farmington Township. Both these men earned more than \$25,000 from their share of fees last year.

Lefurgy's case developed from charges made by the Automobile Club of Michigan that Waterford Township police are conducting a "speed trap" along the busy Dixie Highway between Pontiac and Flint.

Last year's tickets produced more than \$100,000 income for Waterford Township. Lefurgy's share reached \$33,202.10, AAA says.

In my opinion, such courts are not courts at all, but merely a racket system for collecting fines and costs for the benefit of the justice and the township," Barron wrote in his letter.

This left the next move up to the State Bar. Officials of that group indicated that the charge would be carefully considered in its committee.

JULIE HARRIS, Edgar Guest, Governor Williams — these are all familiar names to Michigan residents.

Today, stories of Michigan actresses, poets, politicians and others who achieved success in their chosen fields are available for the asking. Recognizing that today's "names in the news" will be part of Michigan's history tomorrow, the State Library in Lansing embarked on a program to preserve personal biographies for future generations.

Some 1,000 biographies are already on file. Each is prepared by the "personality" himself. Each covers both factual material, and human interest sidelights that are often lost when a generation dies.

The library sends a form directly to "picked" personalities. This includes information and photographs of historical importance.

The collection is more than a Michigan's "Who's Who". The goal is to preserve records direct from persons who have contributed to Michigan's development.

A look through the biographies on file discloses many names not generally known — and many not recorded elsewhere.

The unique project began two years ago on a small scale. At first the library collected information only on elected state officials. Then the staff turned its attention to Michigan authors.

Now, under the direction of Mrs. Esther Laughlin the scope of the collection is enlarged. Names are secured through mention in newspapers, from directories and from suggestions of people throughout the state.

That's where you can help. Suggestion of additional names are welcomed by Mrs. Laughlin. Persons in business, in sciences, the arts, education and in every field are needed.

Send your suggestions to Mrs. Es-

ther Laughlin at the Michigan State Library, 125 East Shiawassee St., Lansing.

A ROYAL TOUR awaits some Michigan Miss picked by county dairy committees as a candidate for the statewide Michigan Dairy Princess selection.

On May 7 and 8, county Dairy Princess winners from some 40 counties will gather at Michigan State University for selection of the state princess who will represent Michigan and dairy farmers and processors for the coming year.

"Interest in the event is very enthusiastic," says Charles Stone, State director for the American Dairy Association, the program's major sponsor. Competition among entrants for the County Dairy Princess contests is keen. In Huron County for example, there are 44 girls entered.

The princess is selected in conjunction with the "June is Dairy Month" program sponsored by five statewide milk producer and processing groups.

The lucky lass picked in the May finals will find a busy year ahead of her. She will immediately tour the eastern United States as an ambassador for Michigan Week. The trip will take her to Washington, D.C. and New York City.

Later, her summer will be filled with trips to county celebrations and fairs. Her biggest event comes in October when Michigan's Dairy

## Roger Babson

# Citrus Growers Set Good Example

Babson Park, Mass. When a very small boy I remember my father driving his horse and buggy to Salem, 15 miles away, to get an orange for his very sick aunt. Those were the days when no Christmas was complete unless we found an orange in the toe of the stocking which we hung by the fireside before going to bed on Christmas Eve. I remember later one orange was given by the public school principal as a reward for having perfect attendance for the entire school year.

### How The Orange Industry Has Grown

In 1900 the entire State of Florida produced only 1,000,000 boxes of oranges. In 1923, when I first came to Florida, production was only 10,000,000 boxes. This year it will be 95,000,000 or 100,000,000 boxes. With babies continuing to be given orange juice as their first food and with continued heavy advertising, nothing can stop the demand for orange juice. Furthermore, there have been great improvements and developments in the industry.

When I first came to Florida winters only. "whole fruit" was shipped out of the state and sold. Then, about 25 years ago, the co-operatives were developed and some orange juice was then canned. This, however, always had a little bitter taste. Some 10 years ago the "frozen concentrate" was invented. This gives exactly the same taste as the fresh juice and has greatly increased the consumption of orange juice as well as the health of the entire nation.

The American Habit Most orange juice is drunk just before breakfast. This means that the frozen concentrate must be mixed with water and thoroughly melted some ten minutes before serving. This has caused a growing demand for a new product known as "chilled" orange juice. As soon as this juice is squeezed from the orange it is stored and transported to the large cities of the North in refrigerated trucks at about 40 degree temperature, so that the juice holds its perfect flavor. It is then put in paper cartons and delivered by the dairy companies along with the morning milk. As a result, the housewife can lie in bed ten minutes longer! This is taking like wild fire.

Although citrus fruits can be safely raised in only a small part of Florida and the United States, yet there is competition between Florida, Texas, Arizona and especially

California. The latter state, however, is growing so fast that orange groves are becoming more valuable as home sites and citrus production is decreasing.

### Keeping Up To Date

All of this competition results in constantly improved quality and in keeping the price within reach of all families. Hence, with the constant growth in population, demand will continue to increase. But North America is not the only market for citrus juices. Foreign governments are also recognizing their great health value.

The English government is buying the juice in a super-concentrated non-refrigerated form, like molasses, and distributing it to its babies to supplement a small supply received from Spain, Italy and other Mediterranean sources. To get good products, however, these countries must import phosphate and other fertilizer chemicals, most of which come from Florida close by the center of the Florida citrus industry. This gives Florida an advantage over all the world.

Great Opportunities Are Elsewhere I, however, am not telling this story about the citrus industry just to boom Florida. I am telling it to show what a group of farmers can do by uniting in co-operatives and getting the help of research and advertising. The citrus industry has never had subsidies or price guarantees. It has fought its own battles without any limiting of acreage.
