

Salem Takes Look

A group of Salem educators and parents visited Northville schools Monday night to help decide whether they want to merge with the Northville school district or go with South Lyon.

The tour of Northville facilities was duplicated when they also took a look at what South Lyon has to offer.

Salem sends most of its children to either the Northville or South Lyon districts even now. And when Salem's four-grade school, closes down for good this summer, the rest will have to go somewhere.

For this reason, Salem is planning to merge with one of the districts—and at present, opinion is reportedly divided in the community.

Salem school officials will present the results of their investigations to the public soon, and then an election will be scheduled to decide which school district to join.

In all, some 100 children are involved.

PREVIEW LOOK — A pretty young Salem girl and her mother take a look at a doll house in the Main Street kindergarten where she may soon attend classes.

KINDERGARTEN FACILITIES at Main Street school were studied by Salem parents and educators in a visit Monday night. At present, Salem's kindergarten through fourth grade students attend a school in the community, but it will close down permanently this summer.

Board of Appeals Okays Building For Dial Exchange

Northville's planning and zoning board voted five to two Tuesday evening to approve rezoning of a parcel of land on North Center street to allow construction of a dial telephone exchange building.

The board's recommendation will go to the city council May 6 for final approval. Officials of the Michigan Bell Telephone company have indicated that when the zoning change is approved construction will begin almost immediately.

Because the proposed site lies in an area annexed from Novi township, the company will ask Novi board members to okay the zoning change Friday evening. Novi is contesting the legality of the annexation election and the case has not yet come before the Oakland county circuit court.

The area, measuring 206 feet by 400 feet, is approximately one-half mile north of Base Line on Center street. The 93 feet by 148 feet building will be located on the west side of the street.

The building would house automatic dial service equipment for the Northville-Nowi area. Service is scheduled to begin in August, 1958.

Before approving the change the board heard a description of the building and plans from Frank Butler, superintendent of real estate for the telephone company. He pointed out that the facility would be used exclusively for exchange service. He added that there would be no garage or storage of equipment and that only five or six employees would work in the building. "We would not propose a building of this type in a residential area unless we were confident from past experience that it will not hurt the surrounding residences," Butler said. He said that Grand Rapids allows construction of exchange buildings in any residential area.

Biggest objection to the building came from Robert Krue of D & R Building company. The firm plans a subdivision across from the proposed exchange site. "As developers in a residential area, the building is objectionable to us," Krue stated.

Elmer Wilson, owner of the property on which the exchange will be built, stated that he, too, plans a subdivision in the area and does not feel that it will be detrimental to homesites.

Wilson had obtained a petition favoring the building signed by the majority of homeowners in the area.

Board members Gerald Woodworth and George Zerbelt opposed the proposal on the grounds that they did not approve of spot zoning. "Also, I am not convinced that a better site, not in a residential area, could not be found," Zerbelt added.

Supporting the re-zoning were Chairman Tom Carrington, L. M. Eaton, E. W. Ebert, Lynn Sullivan and Harry Wagenschutz.

The board's recommendation stipulated that the building must be of masonry construction with brick facing in the front and on two sides, single story, suitably landscaped, offering no storage of truck or materials and set back at least 75 feet from Center street.

Robertson therefore judged Northville would get somewhere around \$1,000.

In 1955-56, Northville received \$17,663 from the two programs and in fiscal 1956-57 the city probably will receive some \$20,000, Robertson estimated.

Meanwhile, the legislature is wrestling with the redistribution bill — as well as with a last minute revision, proposed by Governor G. Menen Williams, which would cut the amount from \$12,000,000 to about \$6,000,000.

850 Northville Children To Get Tuberculin Tests

LAST OF THE LAST-MINUTE DETAILS — Construction of the new addition to Amerman school will begin Monday when engineers begin staking out the area. This week, architects, consultants and Northville school officials looked over the site and took care of the last remaining pre-construction details of the \$191,000 project.

Some 850 Northville school children will be tested for exposure to tuberculosis early next month in a major pilot study by the Wayne County Health Department.

All elementary school children with the permission of their parents — will be tested on May 7 and 8, according to Dr. Howard Cadwell, director of the department.

Those who show a positive reaction and their families will then be X-rayed by a department mobile unit on May 16.

Dr. Cadwell will attend the Northville P-TA meeting tonight to explain the tuberculin testing program to parents and teachers.

The tuberculin test is a simple skin test which can show whether a person has tuberculosis germs in his body.

"But if it is positive, it does not necessarily mean you have tuberculosis," Dr. Cadwell said. "It only means that some tuberculosis germs have entered your body at some time or other."

Dr. Cadwell explained that a healthy body usually fights off TB germs.

"But those with a positive reaction should have a chest X-ray to be sure — for it will show if any actual harm has been done," he said.

Letters and consent cards will be sent home with Northville children next Monday. All parents have been urged to support the program, sponsored jointly by the health department and Northville Board of Education.

The mobile X-ray unit for those who show a positive reaction will be at the Northville school grounds on May 16 from 11 a.m. to 7 p.m.

Dr. Cadwell said anyone in Northville who wishes an annual chest X-ray can get it at the mobile unit after 1 p.m. that day.

The program is part of the department's effort to find improved methods of TB case-finding.

The past few mass X-ray surveys have turned up progressively fewer active TB cases, the doctor said, and it is felt that a more selective group should be X-rayed.

"Therefore, it has been decided that elementary school children will be tuberculin tested," he said, "and then the families of those who react positively, as well as the positive children themselves, will be X-rayed. Northville has been selected as a pilot area for such a program."

Community Band To Give Concert

The 75-piece Northville high school and community band will present its annual concert next Tuesday, featuring a program ranging from the compositions of Leroy Anderson to the master works of Schubert and Tchaikovsky.

The program will begin at 8 p.m. in the Northville Community building.

The concert will feature the second appearance of the Northville junior band. Janice Howarth and Judy Leavenworth, both seniors, will guest conduct the group.

Marlene Weiss Harrington, a former band member and a graduate of the University of Michigan school of music, who is practicing teaching in Northville schools, will conduct "Serenata" by Leroy Anderson.

Miss Leavenworth, a senior cornetist, will play the well-known "Trumpeter's Lullaby" by Anderson.

Von Weber's "Concertino" will feature Gary Wakenhut as clarinet soloist.

The band will be under the direction of Leslie G. Lee and Robert Williams.

Following the concert, the Mothers' club will sponsor refreshments to raise funds for the band's benefit. During the days before the concert band members will campaign for donations for band equipment and activities.

Salem Notified Of New Fire Number

Residents of Salem were notified this week of a change in the telephone number of their fire department. Chief Charles Raynor reminded residents that the new number is Northville 900.

Council Hopes To Make Decision On UF Merger

Representatives of the Northville Coordinating Council who met with United Foundation officials last week unanimously agreed that Northville would benefit from joining the "Give Once For All" program.

Because there were not enough representatives present to vote approval of the merger, a special meeting of the council has been called for next Thursday to reach a decision.

The Metropolitan Detroit United Foundation is making an effort to incorporate most of Wayne, Oakland and Macomb counties into its program to facilitate more efficient fund raising. The Oakland county township drives recently announced a merger with the organization.

In Northville, the merger would mean one fund drive replacing the present Red Cross and Cancer solicitations.

The agreement to be signed by the council and the United Foundation would also mean that —

—the United Foundation would direct all solicitations;

—Residents would be entitled to participate in the 152 health, welfare and recreational agencies of the UF;

—the city would continue its present budgeting and programming of local agencies;

—Northville would be entitled to name at least two representatives to the United Fund advisory committee covering the region;

—Both Northville and the United Foundation would have the option to withdraw on one year's notice.

At the present time, a total of \$1,125 is given by the Foundation to four Northville organizations: the girl scouts, boy scouts, King's Daughters and the city recreation program. UF officials have indicated that these organizations would continue to receive their funds if consolidation is decided upon.

New Gas Tax Rebate Bill Would Help City -- a Little

A bill is now before the state legislature which would give Michigan cities an additional \$12,000,000 annually for road and street work, but Northville apparently has nothing to get excited about.

City manager John Robertson this week estimated that Northville's share — if this bill is passed — would amount to only \$1,000 or \$1,200.

The bill, now through both house and senate committees, calls for redistribution of a special state gasoline tax refund so as to give cities and counties a bigger share.

At question is a 1955 state law which divides the special 1½ cent per gallon tax between the state highway department (75%) and city and county road commissions (25%). Under the revised distribution, proposed by Representative Emil Peltz of Rogers City, the state would get 44%, the counties 37%, and the villages and cities 19%.

This is the same breakdown used in distributing the 1951 4½ cents per gallon gas tax. The 1951 law would remain unchanged.

Robertson pointed out, however, that the new law would not benefit Northville to any great degree.

Under the present set up, he explained, cities get about one third of the 25% allocated to cities and counties or about 8%.

The jump to 19% would seemingly mean an increase of two and one-half times, Robertson said. But this is misleading, he added, because new villages and cities — as well as growing cities — will reduce Northville's current "slice of the pie."

Robertson therefore judged Northville would get somewhere around \$1,000.

In 1955-56, Northville received \$17,663 from the two programs and in fiscal 1956-57 the city probably will receive some \$20,000, Robertson estimated.

Meanwhile, the legislature is wrestling with the redistribution bill — as well as with a last minute revision, proposed by Governor G. Menen Williams, which would cut the amount from \$12,000,000 to about \$6,000,000.

Calendar

Thursday, April 25

8 p.m., P-TA, Community building.

Friday, April 26

Minstrel Show, Girl Scout Troop 12, Presbyterian church.

Monday, April 29

Business and Professional Woman's club. Guest night.

Plans All Set for PTA Carnival

Three Main Street buildings — the grade school, high school and Community building — are seeing the first of preparations for the annual Parent-Teachers Association carnival to be held Friday, May 3.

Both the buildings and grounds will receive the carnival treatment for the affair, which will run from 6 to 10 p.m. that evening.

According to George Clark, chairman of this year's carnival, over \$1200 was realized at the 1956 event. A breakdown of distribution of funds shows that \$245 went for playground equipment at the Amerman school; \$200 toward the P-TA scholarship; \$100 to the safety patrol; \$100 capital outlay for carnival equipment;

\$100 for P-TA social activities; \$85 to the Northville Cooperative nursery school; \$50 for advertising for the school bond issue last fall; \$30 for a conservation scholarship; \$75 for P-TA program speakers; \$113 for miscellaneous expenses, and \$200 for a cash reserve.

At the carnival, each purchaser of ten 10-cent tickets is entitled to a ticket for the drawing. About 60 gifts have been donated by local merchants for the event.

School children are urged to start bringing items to school for the white elephant sale. Miss Ruth Knapp, school nurse, has charge of that at the Main Street school and Mr. Kinnard will take them at the

Amerman school. Each item a child brings entitles him to one 10-cent carnival ticket.

Carnival tickets will be sold next week to the school children 22 for one dollar. Carnival night the charge will be ten cents each.

The food committee, headed by Mrs. Pearl Stephens and Mrs. Shirley Lipa, have worked out a complete meal which will be served in the Community building starting at 6 p.m. The menu includes spaghetti, macaroni and cheese, cole slaw, French bread, coffee and milk.

For dessert, cake, ice cream and coffee will be served by the Woman's club.

Downs Is Off to Good Start

If opening night was any indication, Northville Downs is in for one of the best years in its history.

Despite foggy weather and the earliest start in Michigan racing annals, the Downs' opener last Thursday topped the 1956 event by

a wide margin and barely missed setting an all-time record.

Some 6,151 fans wagered \$270,051 on opening night — as compared with \$213,494 last year. The all-time mark was set in 1955 when \$296,621 was bet.

The Downs kept up the pace Saturday night, after its Good Friday holiday layoff.

An all-time record attendance of 8,031 jammed the track and wagered \$339,651 — the second-best night in Northville history. It fell only \$10,000 shy of the one-night handle record of \$349,150 established in 1955.

For the two nights, that meant 14,182 customers wagered \$609,702. The \$304,851 average was 19 percent higher than the 1956 average handle of \$255,843.

Looking at it by comparing opening nights and first Saturdays, the Downs is up 18 percent over 1956.

On Monday and Tuesday, third and fourth evenings of the meet, betting fell behind last year's dates. On Monday 4,111 customers wagered \$203,012, while on Tuesday an attendance of 3,814 bet \$203,811. Last year the third and fourth nights fell on the second and third of July, pre-holiday dates which traditionally attract large crowds.

While weather at the track has been ideal, rains throughout the Detroit area have undoubtedly held down the crowds. Tuesday evening downpours occurred in Plymouth, Livonia and Detroit, but missed Northville.

General manager John J. Carlo

Northville Traffic To be Surveyed

A traffic engineering research team from the Automobile Club of Michigan will make a comprehensive traffic and parking survey of Northville this summer.

The program was announced this week by Ernest P. Davis, director of the Auto Club's safety and traffic department.

Requiring two weeks of field work, the study is aimed at aiding Northville in establishing a sound program of curb parking and making plans for acquiring land for off-street facilities.

In addition, the study will survey the flow of traffic in the city with an eye toward clearing up any congested areas.

The \$1500 study is being made without cost to the city as an Auto club public service. It was requested by the city council in January upon the suggestion of city manager John Robertson.

The Auto club has retained a firm of Detroit traffic engineers to serve as consultants on the project. Charles I. Wixson, club traffic research supervisor, will head the study team.

A full report of findings and recommendations will be made to city officials and civic leaders later this year.

The Auto club has conducted cost-free traffic surveys in nearly 100 Michigan cities since 1935. Surveys also will be made this year in East Detroit, Flat Rock, Holland, Monroe and Bay City.

Service Restored At Post Office

Postal service was nearly back to normal in Northville this week after operations were curtailed last week on orders of Postmaster General Arthur Summerfield.

The post office is again open from 8 a.m. to 6 p.m. and delivery is being made on Saturdays.

Only curtailment still in effect is a shorter period for window service. The window will be open only from 8:30 a.m. to 5 p.m.

The post office will be open from 8:30 to 12 on Saturdays, as usual.

Northville Safety Patroller Awaits Washington Trip

John Manica, 13, of Our Lady of Victory school has been named to represent Northville safety patrol boys at the 21st National AAA Safety Patrol Rally in Washington, D.C. next week end.

John, who lives at 212 Plymouth road, will make the four-day all-expense trip along with 100 other safety patrollers from the state as guests of Automobile Club of Michigan.

The youngsters were selected as the most outstanding of the 50,000 patrol boys who daily safeguard their classmates at crossings at 2,200 Michigan elementary schools.

During the honor trip to Washington, they will join 30,000 other patrollers from across the United States and Canada for the traditional march down Constitution avenue. The giant parade, which covers five miles, is the largest held annually in the Capital.

The Michigan delegation will meet congressmen from their home

Election Challenge Settled in Salem

A post election mix-up over incorrectly set voting machines in Salem township was settled peacefully this week when a petition for a recount was withdrawn.

The petition was submitted and withdrawn by Fred C. Verran, candidate for trustee in the April 1 township election.

In it, Verran charged that the township voting machines were set so that certain combinations could not be voted. Later the voting machine custodian and several voters backed up Verran's statements.

Verran indicated he believes the whole mix-up was an honest error, however, and withdrew his recount petition. He urged voters and residents of the community to "live together as good friends and good citizens."

The township board, headed by supervisor William Scheel, has issued assurances that the machines and all other phases of elections will be more carefully supervised to prevent an occurrence.

2—Thursday, April 25, 1957—THE NORTHVILLE RECORD

Plymouth Theater Presents "Over 21"

Opening last night and running through Saturday is the Plymouth Theatre Guild presentation of "Over 21".

The play tells the story of a brilliant and patriotic magazine editor who enlists in the army against the wishes of his publisher (who thinks his magazine work is more useful to the war effort). He takes his wife, a noted novelist herself, with him to an aviation officers candidate school. Making the grade in competition with his youthful buddies is a puffing ordeal for the fortyish editor, who finds himself a camp celebrity.

As co-stars for the presentation, Russ Creel and Jeannine Dahlger have the roles of the publisher, Jack Wilcox, the role of a Hollywood character, and Shirley Andrews and Bob Young as young lovers, Jack Scott, Jean Scott, Alice Wright, Phyllis Kelly and Dean

Saxton will be seen in other roles. Hal Young will be director for the presentation and Loretta Young is the producer.

The play is being presented in the Plymouth high school auditorium.

Fordson Class of '37 Plans Reunion

All graduates of the June, 1937 class at Fordson high school are urged to attend the 20th anniversary reunion on June 22nd. Tentative plans call for a festive dinner-dance to be held at the Dearborn hotel at 7 p.m.

Space being limited those interested are urged to phone Mrs. Alberta Fluckey at Plymouth 1097 by May 1 and express intention to attend. If response is sufficiently great, it will be necessary to make arrangements for another location.

Engaged

Mr. and Mrs. Chester Dix of Salem announce the engagement of their daughter, Marjorie, to S. Edward Kranz, Jr., son of Mr. and Mrs. Sylvester Kranz of Plymouth. No definite date has been set for the wedding.

Phone local news items — parties, dinners, trips — or just a friendly get-together with the neighbors — to the society editor, Northville 200.

Plymouth Orchestra To Present Concert In Farmington

Farmington music lovers have a special treat in store for them April 28 when the Plymouth Symphony orchestra will present a family concert in the high school auditorium on Shiawassee street at 4 p.m.

The Farmington branch of the American Association of University Women are sponsoring the concert to provide an opportunity for whole families to see a symphony orchestra in action right in their own home town.

Wayne Dunlap, conductor of the 85-piece symphony orchestra, has announced that the program has been planned to appeal to all ages.

This will be the second appearance of the Plymouth Symphony orchestra in Farmington.

'Heart Saving' Course Open for Registration

Northville homemakers can still register for the free "Heart of the Home" classes of the Michigan Heart Association to be held in the Northwestern area of Wayne county, according to Mrs. Hannah R. Pretzer of Wayne State university, who conducts the classes.

The opening class will be held on Thursday, May 2 and will meet at the Rosedale Gardens Civic Association, 9611 Hubbard, Livonia, from 1 to 3 p.m. There will be a series of four classes.

Those interested are urged to register by calling the Michigan Heart Association, Doctors' Building, 3919 John R, Detroit 1, Temple 1-8550.

ROTARY SPONSORED STUDENT — Mrs. Ingeborg Rothenpieler Knott recently returned to Northville after spending the past two years in Germany. Her husband, Karl-Helz Knott, is a civilian employee of the American occupation forces in Germany, and will soon join his wife in the United States. Mrs. Knott and their young son, Frank, are temporarily living at the home of Mr. and Mrs. Lynn Sullivan on Eaton drive. Mrs. Knott first visited Northville as a Rotary sponsored exchange student at the home of Mr. and Mrs. Sullivan.

ALTERATIONS

324 Yerkes Ph. 1355-J

Visiting with Mr. and Mrs. Richard Ambler and family on Dunlap street this week is Mrs. Ambler's mother, Mrs. R. E. Atchison of Wallaceburg, Ontario.

Mrs. E. V. Ellison of West Dunlap will be entertaining 30 guests at a spring breakfast tomorrow.

Mr. and Mrs. F. A. Fry of Seven Mile road and Mr. and Mrs. J. A. Fry of Southfield have just returned from Penn Yan, New York where they visited Mr. Fry Sr.'s only nephew, Robert, and his wife for a few days. Many interesting spots among the Finger Lakes were visited, including Corning, Geneva and Niagara Falls.

Mr. and Mrs. Ward Cook returned April 11 from a two month's visit with Mrs. Cook's sister and brother-in-law who winter in Sarasota, Florida.

A family buffet supper was held at the George Price home on Center street Easter Sunday evening. Those attending were Mr. and Mrs. G. Merrill Emery and daughters Linda and Esther; Captain and Mrs. Cloyce A. Myers and children, George, Richard and Debra; Mr. and Mrs. Eber W. Lester, Jr. and son, Ebert, of Port Huron; Mr. and Mrs. Lawrence Parmenter and children, Gary, Cheryl and Patricia; Mr. and Mrs. Earl S. Collins, Jr. and children, Earl, Peggy, Virginia and Marjory; and Peggy Ann Price and her fiancé, Charles H. Heiney of Plymouth. Also present was Mrs. Price's aunt, Lottie Cosbey of Detroit.

Mr. and Mrs. Fred Gotts of North Center street spent Easter Sunday in East Lansing with son, Larry, who attends Michigan State university. They attended church there and enjoyed dinner at Kellogg Center.

Diane and Janet Eilber of Detroit are visiting their grandparents, Mr. and Mrs. Eilber over the Easter holiday.

Mrs. Herbert Brown of West Main street, who has been ill in Sessions hospital, returned home last Monday.

Mrs. Merner Eilber left this morning for Hyde Park, Ontario to visit an aunt. Mr. Eilber joined her on Sunday to return home.

Mr. and Mrs. Bart Connors of Spring drive spent Easter Sunday at the home of Mr. and Mrs. W. MacAuley in Birmingham. Other guests were Mr. and Mrs. B. J. Connors.

Mr. and Mrs. Joseph Denton of Randolph street spent Easter Sunday with their daughter and family, Mr. and Mrs. Carl Stephens of Norton street.

Mr. and Mrs. Charles Ely, Jr. spent the Easter week end in Big Rapids visiting Mrs. Ely's mother, Mrs. Teresa Shannessy. Mrs. Ely

will remain there until the end of the week.

The Elizabeth Thayer Circle of the Presbyterian church met yesterday at the home of Mrs. Carl Bryan on West Main street.

Attending the sorority Mother's Weekend in Ann Arbor next week end will be Mrs. Burckman of Eight Mile road. She will be the guest of daughter Carolyn, a member of Phi Mu. The occasion will include hearing a performance of Roger Williams in Hill auditorium.

Dr. and Mrs. E. B. Cavell of Griswold were the Easter Sunday dinner guests of their daughter and family, Mr. and Mrs. Sterling Eaton of Plymouth.

Mrs. R. W. Casady, daughter of Dr. and Mrs. E. B. Cavell, arrived at Willow Run airport Sunday with sons, Warren and Brooks, for a six week visit with the Cavells. Mr. Casady will arrive May 18.

Mr. and Mrs. L. J. Marcoux spent Easter with their daughter and son-in-law, Mr. and Mrs. B. L. Danielson of Highland Park. Other guests were Mr. and Mrs. Marcoux of Jackson, Mr. and Mrs. Arko Danielson of Utica, Mrs. Esther Danielson of Roseville, Mr. and Mrs. Clem Danielson of Royal Oak and their families.

The Presbyterian women of Northville are invited to be guests of the Plymouth Presbyterian association at a luncheon May 8. Dr. Carl Martenson of the Grand Rapids Congregational church will speak on social education in action.

Howie Meyer, son of Mr. and Mrs. Howard Meyer will leave May 8 for

his naval cadet training program at Pensacola, Florida.

Mrs. Russell Bingley of West Cady street returned last week from Tacoma, Washington where she had been visiting her son and his family, Mr. and Mrs. William Bingley and their new daughter, Kimberley Ann.

Visiting with Mrs. William Cansfield of Dunlap street last week were her daughter and son-in-law, Mr. and Mrs. Wayne Smith of Oberlin, Ohio.

Mr. and Mrs. Russell Bingley, Mr.

and Mrs. Robert Bingley and son, Rick, and Mrs. Cleo Mack of Plymouth spent Easter Sunday with Mrs. John W. Bingley of Burlington, Michigan.

A magic show was held in the I. Paul Perry basement on Carpenter street last week — put on by Ronny, Larry and Jimmy Horton, Chris Altman and Mike Perry. The boys collected \$1.05 from admissions which they donated to the Red Cross.

Mrs. R. M. Atchison of South Rogers street will entertain eight guests at a luncheon tomorrow.

HONORED BY THE RED CROSS — Ceremonies last week honored Miss Ruth Knapp, R.N., for 40 years service to the American Red Cross. Miss Knapp received her 40 year pin for work dating back to service in Dijon, France during World War I. Shown with her are Richard Kogel of the Red Cross chapter of Detroit, and Mrs. Edith McKenna, canteen chairman of the Northville Red Cross.

Rainbow Girls Hold 29th Assembly

The 29th Grand Assembly, Order of Rainbow for Girls in Michigan, opened in the Masonic Temple at Kalamazoo, Michigan March 28th through 31st.

Those attending from Northville were, Mrs. Ida B. Cooke who served on the state registration board; Miss Carol Lemmon, grand representative to Nevada, and Mrs. Betty Willing, mother advisor from Northville Assembly No. 29, who served as a grand guardian and on the committee on appreciation.

Others attending on Saturday, March 30 were Penny Young, Mrs. Mary Young, Mrs. Virginia Dunsford and Miss Dunsford, Miss Joan Dunsford, Miss Anna Mae Taylor of Detroit is the new Grand Worthy Advisor of the Grand Assembly of Rainbow for Girls in Michigan.

Miss Joan Dunsford of the Northville Assembly will serve as the grand representative to Iowa from Michigan.

Mrs. Ida B. Cooke will again serve on the state registration board. The Grand Assembly in 1958 will convene in Detroit.

Mr. and Mrs. Phillip Anderson, Mr. and Mrs. Ronald Anderson and Mr. and Mrs. Howard Whipple spent the Easter week end in Lapeer visiting Mr. and Mrs. Stuart Thiemkey.

Mr. and Mrs. Ed Angove of Valencia road and Mrs. Mary Alexander spent the Easter week end in Boyne City visiting Mrs. Angove's sister and family, Mr. and Mrs. T. H. Bray. While there, they also did some smelt fishing.

Guests of the Arthur Schnute's of Grandview last week end were Mr. and Mrs. Elmer Shalhorn of Saginaw.

Phone local news items — parties, dinners, trips — or just a friendly get-together with the neighbors — to the society editor, Northville 200.

BIRTHS

Mr. and Mrs. William Medlyn of Novi announce the birth of a son, Craig, April 19 at University hospital, Ann Arbor. The Medlyns are the parents of another son, Mark, who is 18 months old.

Mr. and Mrs. James E. Callis of Lansing, announce the birth of a daughter, Leanna Louise, on April 12. The new arrival weighed five pounds, 13 ounces. Mrs. Callis is the daughter of Mr. and Mrs. Ray W. Doeksen of Orchard drive.

Herbert Philbrick Is Guest Speaker In Redford Series

As a non-profit community project, a handful of Redford township citizens have incorporated to bring a new kind of culture to Redford township in the form of a Town Hall series.

The eventual aim of the group is to use any excess funds to build a community center building.

The first and only speaker of the current season is Herbert A. Philbrick, author of "I Led Three Lives", who will appear at Thurston-high school, 2625 Schoolcraft, May 3 at 8 p.m. Tickets may be purchased at the door.

In the fall a series of six lectures is planned with Mrs. Franklin D. Roosevelt as the tentative first speaker commencing in October.

Organic Farm Club To Meet Saturday

The Wayne County Organic Gardening and Farming club will meet Saturday, April 27, 8 p.m. at the service room of Mach's Flowers, 7608 South Merriman road in Romulus township.

Miss Gloria Laginess of Belleville, who teaches in Romulus school district will speak on her experiences while she was an exchange teacher last year in the rural parts of France. She will show color slides, and her talk will cover observations of farming and gardening in that country.

Reports on the state federation meeting held last month at Holt, Michigan and the participation of club in the flower show will be heard. An organic lunch will close the meeting.

What Northville Girl Scouts Are Doing

BROWNIE TROOP 3—Brownie Troop 3 will receive their wings on Thursday at 4 p.m. at the Presbyterian church.

GIRL SCOUT TROOP 6—At their last meeting Troop 6 finished their Mother's Day gifts and discussed going to the minstrel show. All girls of Troop 6 will meet at Mrs. Canterbury's at 7 p.m. Friday, April 26.

Peter Pletsch Wed in Oklahoma

Rites on Wednesday, April 17 at the University Methodist church in Tulsa, Oklahoma, united in marriage Peter Randall Pletsch and Elizabeth Lee White.

Peter is the nephew of Mrs. Charles H. Walker of Everseal Farm, Northville.

The bride, daughter of Boyce White of Tulsa, is a graduate of Oklahoma A and M college, where her fiance majored in automotive engineering.

Farmington Group Rehearsing for Play

Tickets are available now for the Farmington Players presentation of "Two Blind Mice", now being rehearsed in the theater group's new home at Twelve Mile and Powers road.

The "two blind mice" are a pair of sweet old ladies, never expected to start a Washington scandal. The army, the navy, the state department, and even the White House get cause in the most hilarious hoax ever put over on official Washington.

The comedy will be presented for four performances — May 10, 11, 17 and 18 at the Farmington junior high school auditorium on School street, one block north of Grand River and two blocks east of Farmington road.

Tickets are available from ticket chairman, Kay Cavanaugh, Greenleaf 4-4466.

AAUW CONVENTION DELEGATES — Six local women will represent the Plymouth branch of the American Association of University Women at the annual state convention to be held in Grand Rapids tomorrow and Saturday. Seated delegates are Mrs. A. E. Gulick, president, and Mrs. K. L. Hulsing. Standing are Mrs. C. C. Wiltse, Mrs. J. R. Barnes, Mrs. R. E. Houston and Mrs. B. W. Secord of Northville.

Whatcha Know . . . Spring is Here

SURE SIGN OF SPRING (VACATION) — It wouldn't be vacationtime without a ball game and a dog. And it didn't take long to find both in Willowbrook subdivision this week. Enjoying every minute of their days away from the books are Bobby Johns (umpire), Richard Hurlburt, (catcher), Pete Wharton at bat and Bill Johns, holding fast to "Stinky". Alas, the four-day vacation ended Wednesday and it was "back to the old grind" until June.

In Willowbrook:

Association Holds Egg Hunt

By Mrs. John Parent — Greenleaf 4-2060

A very successful Easter Egg Hunt was held Saturday at Cass Benton park. The hunt was sponsored by the Willowbrook Community association. Members of the association contributed eggs dyed in various colors and prizes were awarded to the children who found them, according to the color of the eggs.

The John Parents of West LeBost are happy to announce the adoption of a baby girl, Mary Kay, on April 18. The new member of the family is just five weeks old, but has lost no time in making herself the center of an admiring circle of relatives, friends and neighbors.

The first women's auxiliary meeting of the new Episcopal Mission in Novi was held Tuesday April 25 at the home of Joan Gould.

Marty Ames spent last week end as a guest of her mother, Mrs. Jane Rothwell of Highland Park. They concluded an enjoyable time with dinner at the new Howard Johnson's on Grand River.

Guests of the Robert Byrds of Mooringside were Mr. and Mrs. John Utley of Toledo. They had dinner at Huck's and went to see "Damn Yankees" at the Riviera theatre.

The Robert Flatterys of LeBost drive had guests for Easter dinner. Among those present were Mr. and Mrs. John Flattery and their children, Lynn and Gary.

Having dinner at the Clifford Bunker's on Easter were Mr. and Mrs. Harold Bunker, Mr. and Mrs.

Novi Highlights:

Crusade Ends With Film

By Mrs. Luther Rix — Phone Northville 2741

The Novi township cancer crusade for the month of April came to a close with a film showing in the Novi Community building Wednesday afternoon with Dr. Atchison of Northville present to ask and answer questions. In the evening the film was shown again with Dr. Delaney of Farmington on hand to answer questions.

Mrs. Wallace Doan has been the chairman and the co-chairmen are Mrs. Howard Miller, Mrs. George Waite and Mrs. Dick Noble. Some of the surrounding communities were also invited to be present for the film showing.

Easter Sunday dinner guests of Mr. and Mrs. Russell Taylor were their relatives, Mr. Taylor's mother and step-father, Mr. and Mrs. Paul White of Northville, and Mrs. Taylor's sister's family, Mr. and Mrs. Erwin F. Geppert and daughters, Noel and Sue, and their mother, Mrs. Henrietta Hicks of Detroit.

Mr. and Mrs. Homer Kent, Mr. and Mrs. Archie Kent and Mr. and Mrs. Royal Snow and family had their Easter family gathering at the home of Mr. and Mrs. Homer Cheeseman in Wixom.

Mr. and Mrs. Roy Schram and their daughter, Mrs. Harvey Bush and children, spent Easter Sunday with Mr. and Mrs. Hugh Schram and children in Lansing.

(Continued on Page 5)

Northville Decides Not to Appeal Annexation Case

Northville has decided not to appeal the Oakland county circuit court decision that returned 95 acres annexed from Novi township back to the township.

But at the same time, the Northville city council indicated it would seek another election to annex the area so that the new D & R subdivision can become part of the city.

The city council let the April 22 appeal deadline pass without taking action after attorney Philip Ogilvie told the council that chances for a reversal of the court decision were slim. The decision, made by Judge Frank L. Doty, cited a vote fraud in ruling the annexation election illegal.

The suit against the election was filed by Warren Products company, whose plant lies in the disputed area.

The territory lying north of Base Line and west of Novi road, is the site of the proposed 250-home D & R subdivision. Northville has already agreed to supply water and sewerage facilities for the subdivision, and therefore wants political jurisdiction over it.

"D & R representatives and councilmen will meet soon to plan the next step."

The territory lying north of Base Line and west of Novi road, is the site of the proposed 250-home D & R subdivision. Northville has already agreed to supply water and sewerage facilities for the subdivision, and therefore wants political jurisdiction over it.

"D & R representatives and councilmen will meet soon to plan the next step."

AMVETS Ponder Home, Parade, Sale

Novi AMVETS are looking for a new home.

Perry Kenner Post, Inc. sold the former post home in Wixom last week and will set up a study committee at its next meeting to look into acquisition of a new building, according to Charles Trickey, Jr.

The post may attempt to negotiate with National Bank of Detroit to use its temporary building after the bank moves into new quarters. Scheduled to be built soon.

The AMVETS have notified all Novi township organizations that the annual Memorial Day parade will begin at 10 a.m. on May 30.

Parade planners are considering plans to make the parade route longer, possibly from the Novi township hall to Oakland Hills Memorial Gardens.

Further details will be announced later.

The Novi AMVETS also are making plans for their annual White Clover sale in conjunction with the Poppy Sale sponsored by other veterans' organizations. Exact details will be announced soon.

Salow New Building Inspector

Is Harmony On Horizon For Board?

A special meeting of the Novi township board Tuesday night may have been the first step toward increased harmony among members of the new group.

The meeting was called to appoint a temporary township building inspector (see other story, this page) but more than an hour of it was devoted to discussing ways of improving relations among the board members.

Foremost decision was to hold a series of private meetings at which the five members would inform themselves of the background of Novi problems and possibly thrash out any personal differences that would otherwise mar public board meetings.

Just how the private meetings would be held was not determined specifically.

Trustee Frank Clark offered the use of his home, but made it clear that such meetings would be for board members only.

Trustee Stan Balon asked that such meetings be attended by "one, two, or maybe three disinterested parties." The only one he mentioned was The Novi News.

No plans for such a meeting have yet been made, but supervisor Frazer Staman indicated Wednesday morning that some get-together would definitely be scheduled.

Staman agreed that a series of meetings might produce better understanding. He noted the Pontiac city council often meets privately to discuss current issues.

But Staman also noted that the Pontiac group has often come under criticism for allegedly conducting official business at such "secret meetings."

Staman also suggested that board members meet half an hour before each board meeting to brief themselves on the evening's business.

Balon and Bachert said they would prefer a written agenda rather than such a meeting.

Similar pre-meeting get-togethers by the former township board often drew criticism — especially when some board members were not invited. These occasionally led to charges of "railroading."

In other business Tuesday night, trustee Frank Clark was re-appointed as the board's representative on the township zoning board of appeals.

His appointment came after he himself had suggested trustee Stan Balon for the post. But after Balon returned the nomination, Clark was unanimously elected to the position.

Novi Postal Service Returns to Normal

After weathering the recent high-level postal feud in Washington, post office service in Novi township is almost back to normal.

Saturday delivery has been resumed and the window is now open from 8:30 a.m. to 5 p.m. Money orders, however, will be sold only from 9 a.m. to 5 p.m.

According to postmaster Mrs. Marjorie Watson, the postal curtailment did not result in any extreme hardship for the Novi post office.

PROPOSED ZONING CHANGES which will be considered Monday night by the Novi township zoning board are shown on this sectional map. Section in the upper left corner shows the Wixom area, where most of the changes would be made. Section in the lower left shows the southeast corner of Novi township where one large area is up for rezoning.

Rezoning Package to be Heard

One of the largest rezoning packages in Novi township history will come up for a public hearing next Monday.

The township zoning board, meeting at 8 p.m. in the township offices, will consider six separate zoning changes that would make the Wixom area of Novi a heavy industrial section.

Proposed are the following six changes:

- rezoning all of section 6 and parts of sections 5 and 7 from M-1 to M-3 (light to heavy industry);
- rezoning a section at Wixom and West roads from agriculture to commercial for a small shopping area.

—rezoning a quarter section southeast of West and Wixom roads from M-1 to M-2.

—rezoning an area east of Beck road between US-16 and the new expressway from residential to manufacturing.

—rezoning a large section between the two highways and between Haggerty and Seelye roads from residential and agriculture to R-4.

In addition, the hearing will look into creating an R-4 classification which would include multiple dwellings, charitable institutions, motels, private clubs, hospitals, and the like.

While Novi officials have treated the proposed rezonings as routine

matters, Wixom leaders have indicated they are suspicious of Novi's motives.

The rezoning would affect nearly all of the Novi part of Wixom, and the village's officials apparently feel that any rezoning should be left up to them. They have pointed out that the village — as soon as its village status is confirmed and a government is established — will be able to rezone the area as it sees fit.

Novi officials have brushed aside Wixom's fears, however.

Supervisor Frazer Staman and zoning board secretary William Flynn have both stated that the rezoning is merely in keeping with Novi's plans of establishing a manufacturing belt to attract new industry in the vicinity of the Lincoln plant.

Only two actual industries, however, are now known to have definite plans in the area at this time. Both are haulway companies which intend to build adjacent to the Lincoln plant.

Staman also said the reclassification from M-1 to M-3 is necessary to bring the area back up to its original land-use category. With the recent creation of a separate M-3 category, he said, the area became ineligible for heavy industry. The proposed rezoning would restore that category to the area.

Flynn added that the other rezonings are part of Novi's long-range plan to create an industrial and commercial strip between the old and new Grand River highways.

Such a belt would give Novi a strong industrial area in the heart of the township, and at the same time would keep it apart from residential areas.

Only tragedy of the adventure was, as BeGole put it: "When the posse got back to the township hall, we counted noses and discovered that two of us were missing."

Another Wild-West Posse Rounds Up 2 Bird Hunters

Another posse came to the defense of law and order in Novi township last week.

This time the posse of local vigilantes came up with two young men who were taking pot shots at Novi's huge nesting of great blue herons in a game refuge north of Grand River near Wixom road.

It was the second time in a month that a Novi posse has been formed by police chief Lee BeGole to route out offenders. In February, a posse rounded up five youths who had forced a woman's car to the road and then had run into the woods.

The manhunt Saturday occurred after Vernon Spencer, 51225 Pontiac Trail, heard sounds of shooting in the game refuge.

BeGole formed the 10-man posse, and the group struck out into the woods. With Spencer flying overhead in his airplane and dipping his wings when he spotted the culprits, the posse rounded up the pair within several hours.

They were taken before Justice William MacDermid who warned them against violating the federal migratory bird law.

"But if you had hit one of them," MacDermid said, "you would probably have found yourselves in jail."

Only tragedy of the adventure was, as BeGole put it: "When the posse got back to the township hall, we counted noses and discovered that two of us were missing."

Vacant Job Halts Okay Of Permits

Novi township has a building-heating-electrical inspector again after a week-long void in which a number of crucial building permits were held up because no one could approve them.

The township board, meeting in special session Tuesday night, unanimously appointed Glen Salow, Jr. to the post on a temporary basis.

Indications were that Salow probably would become the permanent building inspector.

The board's action followed the discharge last week of former inspector Cameron Lodge. The board set Lodge's dismissal date at May 1, but Lodge countered by resigning the following day.

Since then, nearly a dozen building permits have come up for approval but were stalled by the absence of an inspector. Among them were permits for construction of the new addition to Paragon Construction company, a new permanent building for the Novi branch of the National Bank of Detroit, and an addition to the Amerman school near Northville.

Though all major permits were held up, several home-builders were told to go ahead with their projects without waiting for inspection, according to supervisor Frazer Staman.

In contrast with last week's stormy meeting, which saw a sharp split between board members, Tuesday's action was taken in an atmosphere of apparent unanimity and friendliness.

After a brief discussion of Salow's qualification, a motion was made and seconded to appoint him to the post. Clerk Hadley Bachert, and trustees Frank Clark and Stan Balon voted in favor of it. Treasurer Ray Harrison was absent.

There were no spectators at the meeting. Only other persons present beside the board members were Detroit Edison electrical consultant Jack Fitzgerald and newspaper representatives.

Whether Salow will be the permanent building inspector apparently depends on whether further applications are made for the post. The opening has been advertised in local papers.

But according to supervisor Frazer Staman, there were no applicants for the combined building-heating-electrical post as of meeting time. One person reportedly applied for the electrical job, but was told the township wants one man for all three positions.

Staman said no deadline has been set for receiving applications.

"In fact," he said, "I would be surprised to get any applications for this job, because the qualifications are strict and the pay is not comparable with what a man could get in private or industrial work."

Balon said that if further applications are received, they will be thoroughly screened and applicants will be interviewed.

Salow, a well-known electrical contractor in Novi township, has served as a volunteer fire chief for several years and has been a township constable. He was a candidate for trustee in the township primary in February.

Telephone Dial Service Hinges on Hearing Friday

DIAL EXCHANGE CENTER—If Northville and Novi officials approve a zoning change, Michigan Bell Telephone company will construct the above exchange building for area service this summer. The

building will be located on Center street, one-half mile north of Base Line. Dial service is scheduled to begin in August, 1958.

A request for permission to erect a dial telephone exchange building near the Northville limits will come before the Novi township board of appeals tomorrow night.

The board will meet in the township hall at 8 p.m.

The petition would allow Michigan Bell Telephone company to construct the building in a residential area on North Center street, just north of Base Line. It would not permit further commercial construction.

The same permission was granted Tuesday night by the Northville planning commission.

The site lies in the area currently disputed in court by the city and township. Until Oakland county circuit court decides the issue, it is not certain in which jurisdiction the land lies.

News from Willowbrook

The Blorton family of McMahon Circle are off for a Florida vacation.

Mr. and Mrs. William Reiss entertained Mr. and Mrs. Michael Freeman, Nancy Freeman and Wayne Kraft at Easter dinner.

The Northville Cooperative school held an Easter party on Wednesday. Guests from Willowbrook in-

cluded Steve Hawley, Mary Ellen Riess and Ann Gallagher.

Errol Myers, Jr. flew in from Canton, Ohio to spend the Easter week end with his parents, Mr. and Mrs. Errol Myers of Border Hill.

Lou and Mary Chismark had an exciting week end, guests at Sunday dinner were Mr. and Mrs. Nelson and Mrs. Truce of Allen Park. Then they had a phone call from Australia. Mary's brother, Dr. Ray Woods, called to inquire about his new niece and to tell Mary her mother is not too well.

The Tuesday bridge club met at Virginia Andreassen's home last week. Barbara Coan took first prize and Charlotte Rasmussen won second.

Agnes Morrison was hostess for the "Sixteen Pinocle Club" Wednesday, April 17. Gladys Earl won first prize, Sylvia Klerkx, second; Jane Marloff, third; Claire Miller, fourth, and Agnes Morrison took booby.

Home Broken Into In Brookland Farms

Brookland Farms subdivision in Novi township recorded its first break-in Friday when a wristwatch was stolen from a home at 43051 Cottisford Drive.

According to police chief Lee BeGole the break-in occurred while occupants were attending Good Friday services.

BeGole said the thief or thieves entered through a window after smashing it with a rock.

A portable radio-phonograph was moved from a bedroom to the living room where it was left by the culprits after they apparently were frightened off by the approaching police patrol, BeGole said.

Easter Lily Sales Net \$148 Locally

Northville shoppers contributed \$148.67 to members of Rainbow Girls Assembly No. 29 in the annual Easter Lily Sale last week.

Mrs. M. J. Willing was chairman of the sale and Mrs. Lucille McKinney acted as coordinator for Northville and surrounding communities.

The girls in their bunny hats were stationed on busy street corners from 9 a.m. to 4 p.m. offering the paper Easter lilies made by homebound physically handicapped persons in Michigan.

John Stubbenvoll, Easter Seal chairman, Northville Rotary club, stated that a total of \$936.53 has been received thus far from the appeal letters recently mailed.

As the 1957 Easter Seal campaign nears a close, Stubbenvoll declared, "So much depends upon the success of the appeal. The future of every crippled child in Western Wayne county is at stake. Contributions are expected to continue coming in during the next several weeks."

All monies donated to the annual Easter Seal campaign go to support the services of the Wayne Out-County chapter, who furnish braces, crutches, wheel chairs, diagnostic clinic fees, transportation to hospitals and brace shops. They conduct a month-long day camp and recreational programs for the homebound crippled.

If residents have lost the return envelope which they received with their Easter Seal appeal letter, they can make out their contribution to "Crippled Children" and mail to the Wayne Out-County Chapter, Michigan Society for Crippled Children and Adults, P.O. Box No. 207, Garden City, Michigan. Please put your return address on the back of your envelope so the chapter may credit Northville area drive with your contribution. (See picture on page 7).

Novi Highlights

Billy and David Butler of Sandusky, Ohio have been visiting their grandparents, Mr. and Mrs. Ernest Black, for several days.

Mr. and Mrs. Ernest Black's guests for Easter Sunday were the latter's mother, Mrs. Ida Latham, and her sister, Mrs. Pat Stevens, and daughter, Molly.

An eight pound daughter, Elaine Rose, was born to Mr. and Mrs. Mathew Staman, at Mt. Carmel hospital Wednesday, April 17. The grandparents are Mr. and Mrs. Frazier Staman and Mr. and Mrs. William Tamm.

Mike Rackov came home in time to spend Easter with his parents, Mr. and Mrs. William Rackov. Mike left for his work in Missouri Wednesday of this week.

Mrs. Earl Banks, who has been on the sick list for several days is now improving.

Mr. and Mrs. Will Flint were the dinner guests of the former's sister, Miss Mary Flint Easter Sunday.

Mr. and Mrs. David O'Leary and son, Randy of New Hudson and Mrs. Edward Rix and son, David of Plymouth spent Easter Sunday with Mr. and Mrs. Luther Rix.

Mr. and Mrs. George Dingman of 11 Mile road entertained their relatives on Easter Sunday. They were Mr. and Mrs. Eugene Dingman and Mr. and Mrs. Clarence Lindsay and children of Walled Lake, Mr. and Mrs. L. Lindemuth and children and Mr. and Mrs. Harry Eastman of Detroit, Mr. and Mrs. Preston Sampson and sons of Warren, Ohio and Mr. and Mrs. D.J. Mitchell and son, Jim, of Whipple street, Novi.

Blue Star Mothers, Mrs. Joe Gardella, Mrs. Russell Race, Mrs. R.E. Ward, Mrs. Ralph Walden and Mrs. L. C. Rix took Easter baskets to the veterans at Maybury sanatorium last Thursday. On Thursday of this week some of the Mothers will attend the orientation class at Veterans' hospital in Ann Arbor.

Rebekah News
Mrs. Nellie Tibble of Northville will entertain the Independent Rebekah club at her home next Wednesday, May 1.
Regular lodge meeting Thursday evening. Degree team practice will follow.

Novi Baptist Church
Sunday, April 28, Rev. James O'Neill will be the speaker at the 10:30 service. Sunday school as usual.

Methodist Church News
Choir practice at the Novi Methodist church will be held Tuesday evenings. Junior choir at 6:30; Youth Fellowship choir at 7 and the adult choir at 8:15.

The MYF Spring Rally will be held August 28 at the Plymouth Methodist church. Registration at 3:30 p.m. Lunch will be served in the evening for 75 cents. Those

wishing transportation meet at Novi church at 2:30 p.m.

Dinner for Ann Arbor District Laymen on Thursday, April 25 at the First Methodist church in Ann Arbor at 6:30 p.m. Contact church lay-leader James Mitchell.

School Fair

Novi school fair plans are progressing nicely. A few reminders are as follows:

In Mrs. Garner's first grade, Mrs. Grove would like to remind everyone that baked goods are wanted for the bake sale. In Mrs. McDonald's third grade, Mrs. Arnold would like canned goods for the mystery bingo. In Mrs. Soulliere's fourth grade, Mrs. Ward is asking for home-made candy. In Mrs. Hart and Mrs. Sharpe's kindergarten many items are needed for the gift shop. In Mrs. Boyd's second grade the "Apron Shop" would greatly appreciate aprons. In Mrs. Crane's third grade room clothing for the rummage sale may be brought in any time now so that it will be possible for the school children to buy clothing. Your cooperation will be greatly appreciated.

Novi School News

Mrs. Doris Darling attended the district meeting of lunchroom managers Wednesday at Farmington high school. The subject of the meeting was "Evaluation of Type A Lunches". Mrs. Darling and staff served a special luncheon Wednesday for Easter: turkey and dressing, hot biscuits, cabbage salad, milk and decorated cup cakes. Two hundred and fifty children participated with hearty appetites. Teachers also enjoyed it. Assistants in the lunchroom are Mrs. Behrendt and Mrs. Kahrl.

First Grade

First graders are all back in school again except Gay Ann Bingham and Kathleen Schneider who still have chicken pox.

The kindergarten boys and girls made Easter baskets with cottage cheese cartons. Each child also decorated an egg.

Fourth Grade

Miss Soulliere's fourth grade class celebrated Easter vacation with a treat. Miss Soulliere's fourth grade pupils gave her a surprise party on her birthday April 17.

SPECIALIZED

PHOTOGRAPHY

HAROLD D. HARTLEY

Phone 215-W

Fourth and Fifth Grades

Mrs. French's fourth and fifth grades made Easter baskets for Easter. Sixth graders Dianne McCollum and Lana Whistle judged the baskets. First prize, blue ribbon, was won by Judy Dye; second prize red ribbon, was given to Danny Simonsen and third prize, a green ribbon, given to Nancy Cook. From the fifth grade, blue ribbon to Diane Ramsey; red ribbon to Arthur Atkinson and green ribbon given to Sue MacGillvrey.

Sixth Grade

Mrs. Salow's sixth grade class had Easter treats from Mrs. Penhale's room after gym class on Wednesday. Virginia Pounders is a patient in Detroit Osteopathic hospital.

Eighth Grade

The eighth graders are taking orders on their year book; which is a dollar down and a \$1.25 when received. The editor is Carol Simon. The assistant editors are Martha Goodfellow, Karen Schneider and Noel P'Geppert.

Be sure to see the Tom Thumb Minstrel Show at the school fair May 10 at 7 p.m.

Recent victims of the chicken pox in the grades were Kathleen Schneider, Robin Nelson, and John Alexander.

Lynn McDermaid of Mrs. Wilcox's fourth grade was champion speller between Mrs. Soulliere's fourth grade and Mrs. Wilcox's fourth grade.

Novi Sure Shots

Junior Rifle Club

This week everyone advanced to a higher position, thus those who shot prone before are shooting kneeling now and those who shot kneeling before are shooting sitting now.

High for kneeling this week were Tom Morrison 81-49, Larry Snow 57-30, William Krist 49-47 and Dennis Gilbert 42. High for sitting position were Robert Smith 87-83, Don Coleman 84-78, Dennis Snow 84-81, Jerry Coleman 82-81.

For the girl's shooting in kneeling position Sue Pharo 60, Carol Moody 67 and Sue Shaw 23. Meetings on Tuesday.

Novi Girl Scouts

Intermediate Troop No. 491 plan-

ned an Easter party. Treats were brought by Sue Collins and Lois Hendrickson. Guest was Judy Ritter.

Intermediate Troop No. 492 held court of wards. Received cooking badges. Made Easter baskets for Wayne County Training school.

The new Brownie troop made Easter baskets from construction paper. Lynn McCormick brought treats.

Brownie Troop No. 602 are working on Mother's Day project. Treats by Mrs. McGillivray and Velma Pounders. Guest was Ellen Shuntatona.

Senior troop visited the home of Mrs. Vincent Hayes, had song session and received camp folders. Made plans to attend Senior Conference at Highland recreation area on May 18. Jackue Bailey brought treats.

Intermediate Troop No. 493 are working on Mother's Day project and planned for a special party on Monday at Novi Pizzeria.

Brownie Troop No. 149 planted Begonia bulbs for mothers for Easter. Linda Jackson brought treats.

New troop met in the Community building under leadership of Florence Hayes. The girls are working on tenderfoot requirements and are preparing to fly up. Treats were furnished by Mrs. Hayes.

4-HOUR Wash & Fluff Dry Laundry Service

Insurance Rates Lowered in Village

Willowbrook residents were advised this week that lower insurance rates have been established for homes in the village.

The rate reductions result from an increase in fire-fighting equipment and fire-plug hookups, according to the Willowbrook Community association.

The announcement was made after several months of study between Willowbrook officials and insurance agents.

For further information, Willowbrook residents should call their insurance agents.
A special membership meeting of the association will be held in the Novi Community building May 14 at 8:30 p.m.

NORTHVILLE REALTY

For one or a couple this modest neat home of 4 rooms and basement provides modern conveniences and minimum maintenance. \$10,500.

Another small family home—a sparkling bungalow, 2 blocks from shopping, 2 bedrooms, nice basement, 1 1/2 car garage. Landscaped lot and garden space. \$15,750.

For the 3 bedroom family this ranch home with partial basement offers proven value at \$16,250. Spacious living-dining room 14x31, fireplace. Kitchen disposal, dishwasher and dryer included in the price. Large utility room. 1 1/2 car garage. 100 ft. lot.

A dignified old and structurally sound home of 7 rooms at only \$12,500. Now undervalued due to recent new siding, roof, kitchen panelling and decorating. Terms are cash to existing \$8200 mortgage at 5 percent.

SUBURBAN HOMES

On 7 Mile Rd. just west of Pontiac Trail. On one acre this one floor home has 2 bedrooms, 12x28 combination living-dining room, kitchen, bath and large utility. Only \$10,500.

On 5 Mile Rd. near Beck. Excellent condition Mackey home on 3/4 acre. Gas heat and city water. 12x20 living room, ledge rock fireplace. 2 bedrooms and a den (or third bedroom), spacious kitchen with lots of cupboards and snack bar. Garage and utility. Immediate occupancy. Bonafide value at \$16,800.

On 6 Mile Rd. Custom built brick ranch home on 3/4 acre, woods and stream. 6 rooms, basement recreation 12x33. 2 fireplaces, carpeted living and dining rooms, 2 car plastered garage. At \$32,500 this property represents the best value we ever offered, considering quality and location.

NOTE

If interested in any of the above you are welcome to inspect the photographs of same, as well as the many other properties offered thru the M. L. S. of the Western Wayne County Board of Realtors.

PRIVATE PLAY GROUND
This full acre on beautiful wooded lot 165x259. Well constructed 2-story 3-bedroom home nestles beneath stately trees. Oak floors newly finished kitchen basement, rec. room makes happy living for children and parents. \$14,500 is the full price — \$3500 down — \$75 mo. at 5 percent.

Other nice homes — building lots and acreage.

D. J. STARK, Realtor

900 Scott Northville Ph. 406

Member Multiple Listing Service

One of the nicest family homes in Oakwood N. of Northville. Two story, 3 bedrooms, carpeted up and down, large family room with fireplace plus basement recreation room with fireplace, economical gas heat, 2 car garage, 120 ft. frontage on Grace St. Lots of trees and shrubs; close to schools — well worth the price of \$18,875.00.

Very attractive 2 bedroom home on large landscaped lot, 2-car garage with cement drive, nearly new oil heating plant. Near school. \$13,900.00 — low down payment.

3-bedroom home near public and parochial schools, hot water heat, fenced yard — good neighborhood, \$13,700.00.

4-Bedroom older home on good location. Gas heat. House is a little rough, but low in price. \$9,500. Terms.

5 acres with 35x30 basement all ready to build on. Two bedroom temporary home to live in while you build. Deep well, septic tank — chicken house. \$8,500 — low down payment.

We have some very desirable lots and acreage for building sites for really fine homes.

"Keep Northville Beautiful"

Beware the Litterbug! He's the creature that's responsible for throwing his trash — waste paper, bottles, cans — anywhere that's convenient for him.

Fortunately, his numbers are few in Northville. But the swarm is large enough for citizens to take notice and join in the week-long fight that begins April 29. That's the date when the Northville Garden club begins its sponsorship of "Keep Northville Beautiful" week, proclaimed by the city council last week.

Posters made by the grade and high school students in Northville will serve as reminders that it's everyone's job to fight litter.

Over 3,000 auto litter bags will be distributed to fight unsightly road-sides in the city — and from some of the pictures on this page, it looks as if they're necessary.

The Garden club is also working to educate citizens to the state law concerning litter-bugs, which reads in part: "If any person or persons unless duly authorized by the highway commissioner shall put any garbage, rubbish or waste material of any kind into any highway of this state, with the intent to permit the same to remain thereon, to the injury in any way of said highway, every person so offending shall be deemed guilty of a misdemeanor, and upon conviction thereof shall forfeit and pay a sum not less than \$5.00 nor more than \$100, together with the costs of prosecution . . ."

Helping to keep Northville Beautiful not only will add to the pride you can take in a clean, well kept town, but indirectly can add to your pocketbook. The cost of collecting litter in the United States has reached a staggering \$50,000,000 annually.

Several suggestions for cutting the cost that can be followed locally include —

- disposing of trash in a proper receptacle;
- carrying a litter bag in automobiles;
- setting a good example for the younger generation.

A vow to follow the prizewinning slogan — "Pick Up Litter, Make Northville Glitter" — would be a good start in observing "Keep Northville Beautiful" week.

THERE'S ROOM FOR IMPROVEMENT — Waste papers thrown from passing cars mar the attractive Plymouth avenue entrance to Northville.

The Bel Air Convertible—one of 20 new Chevies!

There's more to be proud of in this one!

You'll be proud of Chevy's sweet, smooth and sassy way of going. And you'll take extra pride in Chevy's look of substance and character, its careful construction, its fine finishing touches you don't find in other low-priced cars. For one thing, the others don't have Body by Fisher. For another, they can't hold a candle to

Chevy when it comes to performance. Chevrolet, you know, won the Pure Oil Performance Trophy at Daytona Beach as "best performing U. S. automobile." Automotive experts decided that. Bet you agree with them once you stop by your dealer's and drive a new Chevrolet yourself! Soon maybe?

Come in now—get a winning deal on the champion!  Only franchised Chevrolet dealers display this famous trademark.

See Your Authorized Chevrolet Dealer

THOUGHTLESSNESS — Persons who wouldn't think of throwing trash on their own front lawns add to the litter problem by emptying the rubbish can in the city's "front yard".

Calls of birds can rarely be reproduced in musical notation; many sing above the piano's highest note, and few follow human rules of composition.

Novi Little League Shaping Up Well As Season Nears

The Novi Little League is almost ready to roll.
All four teams in the new junior baseball program now have sponsors, and league officials will meet tonight to make plans for actually getting competition underway.

According to present plans, league play will start sometime early in June. Tryouts for the four teams will be held within the next few weeks.

The program is open to Novi boys between 8 and 12. It will offer a full schedule of games this summer, all conducted under rules of the national Little League organization.

The Novi league has been in the process of organization since last winter, when William Hansor, Jr. and a group of other township men first began looking into the possibility of a local program.

Sponsorship of a Little League team requires an initial donation of \$275 plus an additional \$80 to \$1000 in succeeding years. This covers uniforms, equipment, umpire fees, charter registration, and other league costs.

In Novi, as with all Little Leagues, teams will have 15 members each.

Some 90 Novi boys have indicated a desire to play in the local league, however. To provide opportunities for all to play, Novi officials are studying plans for a "minor league" that would help take care of those not assigned to a regular Little League team.

Novi Golf League To Play Tonight

Members of the Novi Men's Golf League will have an informal session on the fairways tonight, after which they will discuss further plans for their 1957 season.

According to William MacDermid, final plans for the league have not been made, but it now appears that league members will play on their own at Bob-O-Link Golf Club. MacDermid said the league will still accept new members. Men interested should call him at Northville 2877-W.

So far more than 20 men have shown an interest in the league, including several who contacted MacDermid last week.

Goodrich Comes Close to No-Hitter

OVERFLOW CROWD at Northville Downs last Saturday set an all-time record when 8,031 fans turned out and wagered \$339,651 — the second-highest one-night handle in Northville history. In all, 11,182 persons attended the races at the Downs in its first two nights of the 1957 meeting.

FOGGY OPENING NIGHT at Northville Downs last Thursday created an eerie effect as the horses sped around in the diffused light. Despite the weather, opening night was one of the best in Northville history. The Downs' meeting will continue through June 1. —Photos by Harold D. Hartley

7th Inning Single Hurts As Mustangs Edge Wolves

Only two outs stood between Jeff Goodrich and a no-hit game Monday as the Northville Mustangs edged Clarkston, 1-0 in their opening league game of the 1957 season.

Goodrich held the Wolves powerless until the upper half of the seventh when Ray Gaddis slammed a solid single to left field for Clarkston's only hit.

In addition, Goodrich struck out 14 batters as he was in complete mastery on the contest from the start.

The win gave Northville a 2-0 record for the young season. The Mustangs had earlier beaten South Lyon, 7-6, and were rained out last Wednesday against Thurston.

Northville had a topsy-turvy day at the plate. A total of 12 batters went down on strikes, but at the same time the Mustangs came through for six solid hits divided among six players.

Tom Andrews, Joe Kritch, Bill Boyd, Aubrey King, Goodrich and Cap Pethers each connected for Northville.

It was a pitcher's battle all the way, although Northville was in scoring position several times before actually crossing the plate with its winning run.

On two different occasions, Northville had two runners on base only to see them die there. Another time, Northville loaded the bases with one out, then watched the next two Mustang batters fan.

Finally in the fifth inning, Andrews reached first and moved up to second. Goodrich slashed a grounder toward the Clarkston third-sacker who bobbled the ball and then threw wide to first. Andrews came across with the winning marker.

Goodrich was close to perfection throughout the game. Except for the Wolves' lone hit, only three Clarkston batters reached base — one on a walk, one on an error and one on a wild pitch that clipped his shirt.

Coach Al Jones' team has a full schedule this week. The Mustangs will meet three league opponents and non-conference Thurston between tonight and next Wednesday.

Though both of Northville's victories have been by one run, they have raised hopes that the inexperienced Mustangs might be a better team than pre-season guesses indicated. Clarkston was one of three teams which Jones cited last month as being among the top contenders for the Wayne-Oakland crown.

14 Games on Tap For Mustang Squads

Northville high school athletes face a busy time of it next week, with 14 contests scheduled for the six spring sports teams.

The Mustang baseball squad will be the busiest. Coach Al Jones' crew faces four contests in the seven-day period — including three against Wayne-Oakland league opponents.

The junior varsity nine has a pair of games scheduled, and the junior high team kicks off its six-game slate with two contests.

Coach Merritt Meaker's golf team will take on three opponents and the Northville tennis team faces two.

The schedule rounds out with a single track meet against Oak Park.

The schedule for the coming week
Golf — at Oak Park today
— Brighton here Tuesday
— at Clarenceville Wednesday
Tennis — at Clarenceville Friday
— at Plymouth Wednesday
Track — at Oak Park Friday
Varsity Baseball — at West Bloomfield today
— Thurston here Friday
— Bloomfield Hills here Mon.
— at Plymouth Wednesday

Northville Golfers Begin Play Tuesday

The Northville Men's Golf league will swing into action Tuesday when upwards of 40 golfers take to the course for the first day of organized play.

The league, composed primarily of Northville businessmen, will play every Tuesday afternoon at Brae Burn golf course. Play will begin at 4:30 p.m.

Sportsmen to Honor Johnson at Banquet

Jimmy Johnson, 1957 Michigan PGA champion, will be honored tonight at the first annual sportsmen banquet at the Farmington Country club.

Johnson, pro at the Farmington course, will be paid tribute by a number of Michigan sports personalities, including Al Watrous and Horton Smith.

The Farmington club is entering its second year. It was opened last July 1.

2 Top Colts to Meet In Northville Pace

Two of the best colts in the state will renew their rivalry next Wednesday in the \$5,000 Northville Pace

at Northville Downs.

John Toner's Royal Ensign and Bill Brown's Royal Melody will be among the field in the race — the first of five stake races scheduled at the Downs this year.

Royal Ensign finished first in 13 of 26 starts in 1956 and Royal Melody went to the winner's circle 11 times in 23 outings.

The Northville Pace is a 14 class pace. Also eligible are 12 class or slower who raced in 1956 and did not win \$7,000 that year. It will go two dashes at one mile each.

The 1956 winner was Chief Lenawee.

The Downs is also grooming for the \$5,000 Northville Trot a week later and the \$5,000 Wayne County Pace on May 15.

Clean Carpets Save You Money

IF RUGS and carpets are to wear well and stay attractive they must be kept clean. Dirt on the surface dulls the color of the rug. Embedded grit wears and cuts the fibers. Damage from clothes moths and carpet beetles is less likely to occur when rugs are kept clean. The time to spray rugs against these insects is after they have been thoroughly cleaned.

8 p.m., Board of Trustees meeting.

Membership Drive Won by Northville Baptist Church
A Sunday School contest lasting three months between the First Baptist church of Livonia and the First Baptist church of Northville closed on April 14.
Last Sunday the climax was reached when a representative of the First Baptist in Livonia presented Herbert Ware, superintendent of the Northville Sunday school, with a trophy and congratulations.
The final score for the three month period was Northville 450.1% and Livonia 393.6%. Last year the Northville Baptists lost to Livonia. Already they are looking forward to a tie breaking contest next year.
An all time high of 308 was reached by the Northville church on April 7. This has broken all existing records of Sunday school attendance.
Two new English bicycles were awarded to the boy and girl bringing in the most new members to the Sunday school.

from the PASTOR'S STUDY

The Rev. Peter Nieuwkoop, Pastor
First Baptist Church, Northville

Birthdays are usually happy mile stones for children and teen agers. They eagerly look forward to the day when they will be a "little" older. It is not until we reach the phrase "Life's Short Day" really means. The Bible pictures our stay upon earth in various ways. James says our life is "a vapour that appeareth for a little while, and then vanisheth away". The Psalmist compares our life to a night of sleep. How short that is especially when we are tired. Again the Psalmist compares our life to "grass, as the floor of the field so it flourisheth, for the wind passeth over it and it is gone; and the place thereof shall know it no more". In other words, life is but for a season. Actually we are "Here today and gone tomorrow!"

As I reflected upon this well known fact, I became convinced that the wisest way to use our time here could be outlined in two simple points.

(1) To prepare for eternity. (2) To so live that what we do will count for eternity. We recognize that the first point is of utmost importance. When we realize that someday we will make a one way trip, that the time of this trip is unknown to me and I must go if I want to or not then proper preparation

is in order. The Bible plainly declares that after death comes a time of judgment.

We cannot live in God's world, eat God's food, breathe of God's air and partake of God's common graces without having to give an account. When we review our own life's record filled with mistakes, sins and short comings, I'm sure we will realize how unprepared we are. Surely we cannot hope to stand before God on our poor record. How good the Gospel message is when we learn that God has provided for the forgiveness of our sins through the sacrifice made by His Son. To those who claim Him by faith, there shall be no condemning at the judgment of God. (Romans 8:1). He who has Jesus Christ as His Lord and Saviour is prepared.

Next in importance is the kind of life I lead after I become a Christian. Shall I like selfishly for my own comfort and pleasure? Or shall I join the rescuing squad to help others to know the Saviour and to lend a helping hand where needed? I trust that we may be able to say with the Apostle, "I have fought a good fight, I have finished my course, I have kept the faith."

Only one life 'twill soon be passed.
Only what's done for Christ will last!

Local Jehovah's Witnesses Protest USSR Enslavement

Charging that Soviet officials "may perhaps be found fighters 'actually against God', a strongly worded letter of protest from officials of the Watch Tower Bible and Tract Society, legal governing body of Jehovah's Witnesses, has been sent to Premier Nikolai A. Bulganin of the U.S.S.R.
C. C. Connce, presiding minister of the Plymouth congregation of Jehovah's Witnesses, in announcing the contents of this letter, cited the wholesale arrests and mass movements of Jehovah's Witnesses, to "slave labor camps in Siberia."
"For many years now," Connce quoted the letter as saying, "Jehovah's Witnesses within the Soviet Union have endured great difficulties and heavy persecution."
"They have constituted committees and delegations from among their own ministers for the purpose of registering their religious organization according to the statutes in force, but on each occasion they have been rebuffed and instead of being allowed to register their Christian organization they have had ministers in the delegations arrested," he continued.
The letter was written to accompany a composite petition that had been adopted over a period of nine months by a total of 462,936 of Jehovah's Witnesses, meeting in 199 assemblies throughout the world. It called attention to the 7,000 Jehovah's Witnesses known to be in slave camps in the Soviet Union and requesting their release, proposed that a delegation be permitted to proceed from the Society's headquarters in Brooklyn, New York to Moscow to fully acquaint the Soviet government with the true aims and purposes of Jehovah's Witnesses.

RECEIVING tenderfoot badges recently from Charles Strantz, their new leader, were members of Boy Scout Troop 731. The troop is sponsored by the First Methodist church of Northville.

NOTICE OF PUBLIC HEARING ON PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NOVI, MICHIGAN

NOTICE IS HEREBY GIVEN that a Public Hearing will be held on a proposed Amendment to the Map and Text of the Zoning Ordinance of the Township of Novi to include the changes as follows:

- To change all of Section 6, and all of that part of Section 7 lying north of the Brighton-Farmington Expressway now zoned AG and M-1 to M-3.
- To change all of Section 5, except part of the N.W. ¼; part of the S.E. ¼ and part of the S.W. ¼ described as (c) below.
- To change the N.E. corner of West Lake Road and Wixom Road in Section 5, 500 feet square from AG to C-2.
- To change the west ½ of the West ½ of Section 8 lying south of West Lake Drive and north of the Brighton-Farmington Expressway now zoned M-1 to M-2.
- To change a part of the West ½ of the N.W. ¼ of Section 16, lying south of the Brighton-Farmington Expressway, east of Beck Road and north of the C-2 District on the north side of Grand River and west of the north and south 1/8 line now zoned R-1-F to M-2.
- To change that area lying between Seeley Road and Haggerty Highway and north of the C-2 District on the north side of Grand River to the Brighton-Farmington Road, from an R-1-F, and AG District to an R-4 District.
- The addition to the Text of the Zoning Ordinance of a new Article to be known as Article VI B-R-4 Multiple Family Residential District.

This hearing will be held at 8:00 O'CLOCK P.M., Eastern Standard Time, at the TOWNSHIP HALL, located at 28580 Novi Road, APRIL 29, 1957.

NOTICE IS FURTHER GIVEN that a copy of the Text and Map may be examined at the Township Hall during the office hours each Monday through Saturday, until the date of the Public Hearing.

THE NORTHVILLE RECORD—Thursday, April 25, 1957—13

Expect Americans to Have Remodelling Spree in 1957

Americans may go on the greatest home remodelling spree in history in 1957.

This is the word from the West Coast Lumbermen's Association which points out that more than 25 million United States homes are over 30 years old and in need of some repair or improvement.

The biggest boon to owners of older homes, the lumbermen say, is the easing of FHA rules on Title I home improvement loans. Borrowers may now pay off loans in five years instead of three, and may now borrow \$3500 instead of \$2500 allowed under previous rules. Monthly payments, therefore will be less.

The easier FHA terms will enable growing families to enlarge small homes, and permit owners of older homes to do a face lifting job, the lumbermen observe.

Most smaller houses can be enlarged by a room or two for the \$3500 sum, for frame houses are easy to remodel, and materials like

Douglas fir framing and finishing lumber, an important item in remodelling, is plentiful and prices are the lowest in years.

Older homes can be changed from ugly ducklings to things of charm and beauty with very little expense. A new outer covering of western red cedar or west coast hemlock siding will work wonders. Inside the home, the entire character can be changed by the addition of a few paneled walls of either fir or hemlock, and by the installation of attractive built-in units for bookcases and other storage.

Emptying Vacuum Needn't Be Messy

There's no need to make a production out of emptying the vacuum cleaner. The process of dumping the dust-filled bag into a wastebasket or onto a newspaper, then carrying the mess out to the rubbish can is time-consuming and creates more work when dust spills onto the floor.

Save time and trouble by inverting the bag over galvanized steel garbage can and dumping the contents directly into the can. Then replace the can's cover. This way, dust is prevented from being re-spread through the house and is kept from blowing over the backyard. Replacing the cover is important to prevent a breeze from drawing the dust out of the can.

A SMALL HOUSE PLANNING BUREAU DESIGN NO. A-409-F

DESIGN A-409-F. This four bedroom house is of frame construction on an insulated concrete floor slab, without basement. A utility room provides for storage, laundry and heating equipment. The floor plan consists of a large combination living-dining room, kitchen with dinette, dual bathroom and four bedrooms, all opening into a central hall. Closets are large and numerous and include coat closets, linen cabinet, storage

closets and wardrobes in the bedrooms. Exterior finish calls for vertical siding throughout with a touch of stone or face brick in front, wide eaves, picture window and planter. Floor area is 1620 square feet, cubage is 17,820 cubic feet. For more information about DESIGN A-409-F, write the Small House Planning Bureau, St. Cloud, Minnesota.

Plants Improve Unightly Views

Unightly views around the home can easily be changed into pleasing vistas with wise placing of trees and flowering shrubs. Often a shrub only four feet high will attract the eye to it to the exclusion of the unsightly area. A living fence or hedge may be desirable, or one can place shrubs or trees at intervals to focus attention on them, rather than the view to be cut off.

Here's a suggestion from the American Association of Nurserymen:

In turn, stand on all four sides of your home and look to the north, south, east or west, as the case may be. Then visualize in your mind the exact location for shrub or tree, noting the height that is most desirable to improve your view.

Place a stake in each location, then consult with your nurseryman as to the plants that best fit the purpose. One thing to remember: if you wish view fully shut off both winter and summer plant evergreens, though even when bare of leaves trees and shrubs will obscure an unsightly view to some extent.

Cedar Wainscoting Beautifies Bedroom

When remodeling time comes, and cedar closets in the bedrooms are part of the plan, consider using red cedar for wainscoting in the bedrooms to carry out the closet decor. Tongued-and-grooved aromatic red cedar closet lining is easy to work with and has lasting qualities rarely equalled by other woods. It is impervious to rot and does not shrink or warp.

Cedar used to line a closet should not be finished, since paint or varnish seals in the moth-repelling cedar aroma. When used as wainscoting, however, cedar may be finished with clear varnish or shellac. The rich, rose-colored wood will add warmth to the decor of any bedroom, and will remain beautiful for years.

It's Time to Spring-Clean Again

The accumulation of rubbish and litter is a major factor in thousands of building fires every year and often results in loss of life. Destroyed, or badly damaged, are dwellings, manufacturing plants, commercial establishments and storage warehouses.

The National Board of Fire Underwriters offers these Spring Clean-Up suggestions:

Clear out debris — Get rid of rubbish or anything combustible that you're not going to use that is now in attics, closets, cellars, garages.

Watch outside fires — Clean up your yard. Keep grass cut low around buildings. Never burn papers on a windy day when there's danger of sparks setting fire to any house, shrubbery, clothing or out-buildings.

Clear out paint and oil rags — Destroy rags or keep in closed metal container; hang up mops and paint-soiled clothing so air can circulate around them.

Check your fuses — Use 15 ampere fuses in regular household circuits, and don't use a substitute for fuses; keep wiring in good repair; have all work done by an expert electrician.

Avoid flammable liquids — Remove them from your house. Many persons are killed annually trying to clean with gasoline, benzene or naphtha. A tiny flame or spark — even from static electricity — will ignite gasoline vapor.

Check stoves — Clean and check all heaters and have repair work done. Radiated heat from hot stove pipes, furnaces and stoves will char beams or partitions too near them, causing a fire that will damage or destroy the house.

Portable heaters — Place portable openflame heaters so they can't be knocked over or tipped. Avoid using rubber hose as fuel conductor.

Check pipes and chimney — Clean soot out of chimneys and smokepipes. Check for cracks and holes; have chimneys repaired — where mortar or bricks are loose — and replace pipes if necessary.

Check ash receptacles — Always put ashes in covered metal containers. Hot ashes in wood boxes set fire to many buildings.

Plenty of hot water with DETROIT EDISON'S NEW ELECTRIC WATER-HEATING SERVICE

New, more efficient water heaters—built to Edison's specifications. New water-heating plan from Edison. Together they make the finest hot water service ever offered in Southeastern Michigan.

Completely new, completely different, the electric water heaters for 1957 are not only the safest kind you can buy—they're the most practical, too. Built to Detroit Edison's own rigid specifications, dollar for dollar these new electric water heaters last longer than any other heater you can buy.

What's so new about the new electric water heaters? Redesigned from top to bottom to give you more hot water for your money, the new type electric water heaters for '57 now include two

higher wattage heating units that operate completely automatically. As your hot water supply goes down, one unit automatically goes on—quickly heating up more water for you to use when you need it. No waiting, no worries. There's always plenty of hot water on tap. And because of this unique new design, you can get more hot water than ever before from the same size heater. Then, too, since it's built to Edison's own specifications, you know you can rely on the quality and depend on it to operate better, last longer.

For still greater economy—Edison's new Super-Supply Plan. To make the new electric water heaters even more economical, Detroit Edison has introduced its Super-Supply Plan. This simply means that now, for a surprisingly low flat monthly rate, you can get much more hot water than ever before for just pennies per day.

Safer... no flame, no fumes. There's automatic safety always built into an electric water heater. No flame, no fume. It's even safe enough, and good-looking enough, to go right in your kitchen or utility room. Because of its excellent insulation, it's cool to the touch—top to bottom. And only electric water heaters are so clean, noiseless and odorless.

Here is new proof that you always live better, electrically.

Reddy Kilowatt invites you to inspect these tremendous advantages of ELECTRIC water heating before you buy.

Fully Automatic	Yes
Location Anywhere	Yes
Flameless	Yes

News of Northville High School

GAL Members Attend Playday

On April 12 and 13, Miss Patricia Babel, sponsor of G.A.L., and four senior girls, Giannine Bertoni, Janice Howarth, Dorothy Welch and Mary MacDermaid, traveled 140 miles to Central Michigan college, where they attended an All-State playday.

Northville was only one of 30 schools represented at the playday, which was sponsored by the Delta Psi Kappa organization of physical education majors.

The Northville girls arrived on campus at 5:05 Friday afternoon

and registered at the field house. From there they went to Bernhard Hall, where they were to spend the night. The girls had dinner at Keeler Union.

After dinner, entertainment was provided by the modern dance club of CMC. The girls had some free time and visited the Northville high graduates that now attend Central. They also attended a skating party at the field house and then returned to their dorm to retire.

The following morning the girls

took part in numerous sports activities. After a fun-packed morning, they started home.

Better than a 'B'

Two Northville students at Central Michigan college received averages of better than 'B' last semester, the college has announced. They are Kathleen Heatley and Carol Sparling, who had averages of 2.31 and 2.04, respectively.

Michigan borders on four of the five Great Lakes. No place in Michigan is more than 85 miles from an inexhaustible supply of fresh water for industry, recreation and sanitation.

NHS Honor Society Chapter Plans Induction Ceremony

The Northville high school chapter of the National Honor Society held its first regularly scheduled meeting Thursday, April 11.

As called for in the constitution, an executive committee meeting, consisting of the officers and sponsors, was held the previous day to determine an agenda of business.

A committee was chosen to set up the program of the induction ceremony to be held during the honors assembly, being presented this year on June 7 in the evening. The group

also offered to help in the planning of the assembly.

Preliminary arrangements were also made for the members to help students needing scholastic assistance. The presentation of certificates and pins was also discussed.

Young Artists Busy Planning for Exhibit

For the past few weeks, the high school art classes taught by Mrs. Van Ingen, have been far from idle. At present, they are working on day projects, such as vases, jars, teapots and any other objects which attract their creative imaginations.

Each student is required to make a mosaic tray or small table, which consists of glazed and fired clay tiles cemented to this project and each student must complete at least one other clay object, such as a jar, vase or figurine of his own choosing.

The finished trays and other clay creations, as well as various paintings and sketches, will be exhibited at the annual school art show on May 16.

League Councils Meet for Discussion

Thursday, April 11, student councils of all the member high schools of the Wayne-Oakland County league met at Northville high for their monthly departure from the trials and tribulations of governing a school.

The group gathered in the Community building for an entertaining afternoon spent in informal discussion of mutual problems, followed by dancing and various games. The students exchanged some worthwhile hints for future council procedures, as well as thoroughly enjoying the funfest.

CELEBRATING EASTER — Rev. John O. Taxis presided at the Easter observance at Northville high school before spring vacation began, aided by Barbara Weiss and Janice Howarth.

All's in Order in Speech Class In Study of Procedure Rules

"Madam Chairman, I rise to point of order!"

"Madam Chairman, I move we table the motion until the next meeting!"

"Madam Chairman, I move we adjourn this meeting!"

The speech classes of Northville high school, taught by Miss Florence Panattoni, are mixing fun with learning by studying and practicing the above-mentioned and other verbal tools of parliamentary procedure.

Parliamentary procedure is a device used to allow the majority to triumph while still protecting the rights of the minority. All clubs and organizations should follow the rules of order, to facilitate business proceedings. Thus, the speech classes are doing their best to understand the method through practical experience. If at times they seem to be out of order, or appear to be acting contrary to the rules, the situation can soon be remedied through a protest, or "rise to the point of order", on the part of an alert student.

The classes have formed imaginary societies and are now attempting to enact the rules and activities connected with their respective groups.

Besides its educational value, it is also very entertaining. The classes are having a wonderful time resolving into "committees of the whole", "amending motions", "calling for the previous question" and impeaching the officers.

Learning the rudiments of parliamentary procedure will prove to be a valuable background for the students throughout their lives. All of them, at one time or another, will be forced into situations where being acquainted with parliamentary procedure will protect the rights of the minority and let the majority rule.

A Report to the People

State Sen. Swainson

As this is written, it would be premature to estimate how much of the bills proposed this year will be alive within the next week. The deadline for reporting bills out of committee is almost on us and it has been estimated that as many as 700 bills may die in committee. A number of the current bills deal with health. One is almost certain to pass and will help make available much needed hospital beds. This is the bill that would permit tuberculosis sanatoria to make available wards not needed for T.B. patients for the treatment of other diseases.

Another bill that should be passed this year deals with a more difficult set of circumstances. Involved here are tubercular patients who leave the sanatorium without completing treatment. It is proposed that such persons be returned to complete treatment with sufficient authority to compel them to remain until cured. A minimum "security" arrangement would be established to effect this.

Nothing is less palatable than to add mental misery to the suffering of persons already afflicted with a serious illness. On the contrary, the circumstances which have brought this need about needs to be understood and faced clearly. In past years it was not altogether uncommon for a tubercular patient to become concerned about his family, especially about their economic welfare. Instead of "sticking it out," he would return home and attempt to provide for his family again. With his cure unrealized, such a patient was likely to spread the disease to other members of his family or persons with whom he worked most closely. This was bad enough. While our sympathies were great for the patient whose anxiety had brought suffering to others, at least each of the persons involved could be cured if treated in time.

Now a new medical problem has been added and has brought new urgency to the situation around the

uncured patient who leaves the sanatorium. Certain of the newer miracle drugs that do such wonders towards treating tuberculosis can have exactly the opposite effect on what might be considered 'the innocent bystander' in this instance. It has been determined that when the disease is contracted by a new person from one who has been treated with these drugs, it is far more difficult to cure the new person of tuberculosis.

To make this most clear, let's follow an example: John Doe has tuberculosis and has spent eight months in Northville at Maybury Sanatorium. He is feeling better physically but he is very worried about his family. One day, he simply manages to leave the sanatorium grounds and goes home. He looks better, he feels better and his family and neighbors assume he is 'cured'. He goes back to work. But he is still a carrier of T.B. because he has not completed his cure. Should one of his children now contract the disease from him, it will be harder to cure, the child than the parent who passed on the disease. The child has the T.B. germs in somewhat changed form, than those which sent his father to the sanatorium in the first place, because of the miracle drugs.

T.B. is rapidly becoming extinct in Michigan. Improved treatment and the miracle drugs have done wonders. Obviously, the answer is not to quit using the drugs since they do the job for which they are intended. But it is vital that present patients do not become free carriers of the disease under these circumstances. Consequently, security regulation is being proposed to minimize this danger.

English Classes See "The Tempest" At Wayne State

On Thursday, April 11, the sophomore classes, under the supervision of Miss Panattoni and Mrs. Fitzgerald, visited the Wayne State university theater, where they attended a student performance of Shakespeare's play, "The Tempest".

Other faculty members attending the play with the classes were Miss Lance and Mrs. Lee. Mrs. Ronald Schipper and several juniors and seniors also accompanied the group. The students were especially impressed by the subtle musical background, in which violins and timpani drums were the dominant instruments, and by the clever lighting effects.

Since the Wayne drama students make their own costumes and build the various sets for each production from scratch, the play was doubly enjoyable to the NHS group, for it afforded a feeling of closer contact with the young actors.

Ice Cream Social To Follow Concert

On Tuesday, April 30 at 8 p.m. the Northville high school band will present a concert for the enjoyment of the community. Mr. Lee and Mr. Williams will direct the band in such pieces as "The Conqueror March", "Unfinished Symphony" and "Serenata".

The members of the band will pass out tickets to those who wish to make a donation. After the concert the Northville Mother's club plans to give an ice cream social to which all attending the concert is invited. The proceeds from the social will go to the band fund in order to finance new instruments and equipment.

SPEAKING

for the Record

By BILL SLIGER

The mystery of what constitutes a pipe contest was cleared up last week by Phil Ogilvie, Northville city attorney. After reading a small article in last week's paper about such a contest, Phil dropped in to tell us just how they are conducted.

Speaking confidently with pipe in hand, Phil explained that each contestant is given 3½ grams of the same kind of tobacco and two matches. They compete to see who can keep his pipe glowing the longest. Two hours, five and one-half minutes is the record, he added.

Just as we were becoming convinced that we were listening to a real authority on pipe smoking, he admitted that he had just heard the explanation on Bud Guest's radio program.

To Cliff Hill vacationing in Mexico . . . we can always use a correspondent, but keep the communiques in English. A "Tarjeta Postal" from the Northville attorney, vacationing with his wife in Mexico City, pictured Juarez avenue, "the Broadway of Mexico City".

Orson Atchinson is back in the automobile business. The former local Chrysler dealer is now associated with his brother's Pontiac agency, Berry & Atchinson of Plymouth. He'll sell from his Northville office.

Two weeks ago we ran an old picture of Northville's Main street. Since then, two more scenes of early days in Northville have been brought to our attention by Mrs. Betty Kupsky and Mrs. Charles Smith. The top photo, shown below was taken around 1908, while the bottom picture shows Main street looking east from Center about 43 years ago.

Roger Babson

Shall I Move to Florida?

Babson Park, Florida — Nearly every day I get letters from people asking if I would recommend locating in Florida. As I leave for the North tomorrow, I will try to answer these questions in this week's column. My answer is "No", if you are hoping to get something for nothing; but "Yes", if you are "retiring" and receive a pension check from the North each month or have sufficient income of your own.

Mild Climate Lures Thousands

Although lacking in a number of important natural resources, Florida has an abundance of sunshine, plenty of water, large amounts of phosphate, and sufficient limestone for cement. It can compete with California and other sections as a mecca for tourists, vacationists and retired folk. I am told that more

than 2,000 people come into Florida each week intending to settle here. Many live on pensions or annuities or income from investments, and therefore have no need to seek employment. Others do need jobs, but not all can find them today.

In my observation, it is rather difficult to get a job in Florida unless you have special skills which the state's few industries can use. However, efforts to get natural gas by pipeline from Texas are now on the verge of succeeding. I predict that part of the state will have natural gas by the summer of 1958. When the supply of this fuel is assured, industry should move into Florida at a very rapid pace.

New Boom in Real Estate

Mild climate has always been an attraction to prospective buyers of land for homes or businesses. Now that atomic energy is to be an added attraction, I forecast an even further boom in Florida real estate. The present boom will be far different from the "boom and bust" of the 1920's when sellers and buyers alike went just plain crazy. Sharp real estate operators, whose methods are questionable, cannot be eliminated entirely, but Florida does attempt to curb land and stock frauds.

I am bullish on well-located Florida homes which are already built. I do not hesitate to advise those interested to buy a house, or a lot, in an already settled community. However, I urge prospective settlers in Florida or those anxious to buy land there for investment or speculation to proceed very cautiously. Before buying lots in a new subdivision, you should first see them. Florida offers plenty of opportunity to those who are alert to its possibilities and willing to work hard to get ahead. At this time it is not a good place in which to speculate.

Shopping For Industrial Sites
Florida's lack of oil, coal and waterpower has been a serious handicap to the development of heavy industry. Actually, light industry has been moving into the state at an increasing rate. Many industrial concerns in the North and Middle West ask me how to go about buying land for industrial use in Florida. My first answer is to buy for cash only, and to use the same common sense they would use when buying land in their own home state. Second — buy something which they feel sure they could rent or sell promptly if they cannot use it themselves.

Florida is growing fast. Where good land in a settled community can now be bought cheap, I advise buying it; but I have a word of caution for those who are in the market anywhere for land for office buildings, factories, or apartments. Plan for much more parking space than you now feel you will ever need. The success of business ventures in any state will depend largely on ease of access and parking facilities. Provide ample parking for employees, customers and suppliers. In less than twenty years, I predict that the present number of registered cars will be doubled. What About The Citrus Business?

After spending some 35 winters in Florida, I believe an experienced and hard-working citrus grower can do well. In recent years the citrus industry has prospered. It should do better in future years as new and less expensive methods for cultivating, picking, extracting, shipping and preserving the flavor of fruit juices are discovered.

However, do not let citrus prosperity lure you to Florida to grow fruit unless you know something about the business or are prepared to have your interests cared for by an experienced co-operative citrus organization. Also be sure you invest in a frostproof grove that can turnish you a 20-year record. Don't buy new groves now. Look before you leap!

Whitmore Residents Still Oppose Boys School

CONTINUED resistance on the part of Whitmore Lake residents and continued frustration in the Michigan Department of Social Welfare points up an issue which must soon be resolved.

The tangled problem involves a new location for the State Boys Vocational School.

Points of view differ radically. The Social Welfare Department received a legislative appropriation last year to purchase 320 acres of land at Whitmore Lake for a new BVS home — a training school for delinquent boys. According to Social Welfare Director W. J. Maxey, the site is ideally located, near medical facilities at Ann Arbor and also near Detroit, home of a majority of the boys.

At that time it looked like the department's goal of moving BVS out of cramped quarters in Lansing would be accomplished without any difficulty.

The violent reaction of Whitmore Lake residents was not expected. Some 95 percent of them organized to fight the relocation of BVS within their midst. They point out that police protection is inadequate; that building costs are high in their expanding, resort area; that the population growth in the area is so great that the problems encountered in Lansing would quickly develop at Whitmore Lake. They restate the U-M position that its medical school is already so overtaxed it cannot provide medical care to BVS inmates.

More important — residents took the cause to their legislators. Residents, then engaged in a legislative duel with the Social Welfare Department to stop the appropriation of further funds. If successful, this would effectively bar development of the Whitmore Lake site.

A new approach was taken by Whitmore Lake people last week. They proposed that serious consid-

eration be given to the establishment of BVS on state owned lands at Northville. These are now partially occupied by a hospital for mentally ill patients and a clinic for emotionally disturbed children.

At Northville, Whitmore residents believe, there is suitable land. They point out that a psychiatric and medical staff is available there; a power plant and laundry facilities are already built and can be enlarged if necessary. The site is even closer to Detroit.

At present, the state owns 502 acres of lands at Northville. The Michigan Department of Mental Health directs the operation of these institutions.

According to Charles F. Wagg, department director, there are facilities available for 2,300 patients in the Northville state hospital. Future plans call for enlarging these accommodations to 3,340.

In addition, Hawthorn Center Clinic provides highly specialized facilities for the care of 80 children.

Several outstate communities have indicated they would welcome the establishment of BVS in their area. Ionia, Mecosta County (Big Rapids), Beaver Island and Grayling all contacted the Social Welfare Department with requests for BVS.

Maxey turned "thumbs down" in each case on the basis that these communities are located too far

from Detroit and lack adequate medical and social care.

The Northville location fulfills Maxey's requirements according to Whitmore Lake residents. In addition, they stress the state already owns this land; that since some facilities are installed, costs would be lower for Michigan taxpayers. At weeks end, both sides remained uncompromised.

BIRTHS AND DEATHS in Michigan during 1956 are providing new records at the Michigan Department of Health.

For example, in 1956:

1. A new all time high was set for the state's birth rate.

2. A new low was established for the death rate.

It adds up to the fact that for every five deaths recorded in Michigan, 16 babies were increasing the state's population — a rate of better than 3 to 1.

Well ahead of the national average, the Michigan birth rate was 27.4 for every 1,000 population. According to provisional figures issued by the Health Department, this rate accounts for some 205,650 new babies.

Michigan's record low death rate was 6.5 persons for every 1,000 population. Around the nation the average for births was 24.9 per 1,000 (24% less than in Michigan). Deaths averaged 9.4, or almost one more per 1,000.

Previous records were established in 1954. All were broken by the new figures. The 1956 rates give Michigan a "Vital Index" of 320. According to Health Department officials, this means that there were 320 births for every 100 deaths. Nationally, the Vital Index is 266 — some 54 points lower.

The Vital Index will be referred to many times in the years ahead by educators planning school facilities; by towns and cities charting growth; by manufacturers when estimating the size of their market. In view of the high birth rate, all are planning for a "big" future.

Cadillac

Listen to What Its Silence Says!

Ever hear a motor car tell its own story?

Well, just get behind the wheel of a new 1957 Cadillac—head for your favorite stretch of highway—and listen!

Of course, the truth of the matter is that you won't actually hear anything. For a 1957 Cadillac in operation is as quiet as human skill and ingenuity can make it.

But imagine, if you will, all the wonderful things the car will be telling you through the voice of its own silence!

First of all, it will speak—and most eloquently so—of the soundness of Cadillac styling. For the car is so scientifically designed that even the rushing wind is reduced to a gentle whisper.

It will tell you of the genius of Cadillac engineering. For every aspect of the car's brilliant performance goes about its work in soundless harmony.

And it will reveal the care and the skill of Cadillac craftsmanship. For even when it travels the most neglected of byways, the car remains wonderfully silent.

If you have yet to sit at the wheel of a 1957 Cadillac and hear this wonderful story for yourself, then we urge you to delay no longer in doing so.

We hope you will visit your Cadillac dealer soon—spend an hour on the highway—and listen to the most eloquent message a motor car ever delivered on its own behalf!

VISIT YOUR AUTHORIZED CADILLAC DEALER
