Northville to Honor Mayor Eno Monday

Northville will roll out its official red carpet Monday for Mayor Harvey Eno of Millington who will preside over the city's government during the state-wide observance of Mayor's Exchange Day.

At the same time Northville Mayor Claude N. Ely will journey to Millington, a small community in the thumb area of Michigan, to take up the honorary gavel for the day.

The exchange of mayors Monday will highlight Northville's annual observance of Michigan Week. Events have been planned for several other days during the week-long celebration.

Michigan Week Highlights

- Sunday:
 - Church observances of "Spiritual Day"
- Monday:
 - "Mayor's Exchange Day" parade at 10:30 a.m. for Mayor Eno
 - Luncheon with Coordinating Council
 - Visit to Northville Downs, other points of interest
 - Public banquet at Community building
- Tuesday:
 - "Hospitality Day" with free parking downtown.
- Wednesday:
 - "Livelihood Day"
- Thursday:
 - Students take over city government for "Education Day"
- Friday:
 - "Heritage Day"
- Saturday:
 - "New Frontiers Day"

Novi Plans School, Hikes Teacher Pay

The Novi school board this week announced plans to construct a new 14-room elementary school near Willowbrook Village.

The board also revealed it has given teachers a down-the-line pay increase for next year.

Novi will vote in June or July on a bond issue to raise funds for the new school. Estimated cost has not yet been determined.

Construction will begin this fall, with hopes it will be completed in time for classes in the fall of 1958. It will accommodate some 420 children.

The pay increases set starting salaries at \$4,300 (bachelor's degree, no experience) and \$4,400 (master's degree, no experience). Annual increments for bachelor degree holders will be \$225, and for those with master's degrees, \$250.

Township Dogs — Get That License!

Warning to owners of unlicensed and unvaccinated dogs in Northville township: Roy Utley, township dog warden has issued over 30 violation tickets during the past week.

According to township clerk D. J. Stark, the two dollar fine for the first violation will be waived if a license is obtained within 72 hours of the violation.

If tickets are not settled within that time, violators will be subject to prosecution under the township dog ordinance.

From city hall, Mayor Eno will travel to Black's White House for luncheon with the Northville Coordinating Council.

In the afternoon, he will be a guest of Northville Downs, where a special program celebrating harness racing will be conducted.

Later in the afternoon, the mayor will tour other points of interest in and around Northville.

That evening, the public will be invited to attend a banquet at the Northville Community building in honor of Mayor Eno. Highlight of the program will be an address by Professor Howard V. McClusky, University of Michigan educational psychology expert who helped establish the Northville Coordinating Council.

Tickets for the banquet are available from the Northville Junior Chamber of Commerce, sponsor of the event.

Merchants have been requested to display their American flags throughout the week — especially on Mayor's Exchange Day Monday.

Education Day on Thursday will see Northville high school students participating in a city government program. Students will elect a mayor and councilmen who will appoint other city officers.

X-Rays Cancelled After Study Shows Youth Free of TB

Northville children have proved to be so healthy that further testing for tuberculosis has been called off.

Of the nearly 850 school children tested for TB two weeks ago, only three showed a positive reaction, according to Dr. Howard Cadwell, director of the Wayne county health department.

As a result, follow-up X-ray tests scheduled for today have been cancelled.

Dr. Cadwell added that even the three children who showed a positive reaction to the initial test "almost surely" do not have TB. It only means that they have had contact with tuberculosis germs, he said.

Normally, Dr. Cadwell said, a group of 850 school children should have shown nearly 40 positive reactions.

"Northville is to be commended on its fine health status," Dr. Cadwell said.

He noted, however, that provisions will be made for the three positive-reacting children and their families to have follow-up X-ray tests at the health department offices.

In addition, other persons wishing to get a chest X-ray have been advised to go to the department, Henry Ruff road at Michigan avenue in Elioise, between 8:30 and 11 a.m. and 1 and 3:30 p.m. daily.

Northville was selected by the department to take part in a special pilot study to determine the incidence of tuberculosis in Wayne county residents.

Petitions Filed For School Election

School board secretary Robert Shafer announced this week that the petitions of four school board candidates have been certified by him.

As named last week in the Record, they are Clifton Hill, Adrian Willis, Francis Gazlay and Dr. Waldo Johnson.

The deadline for filing petitions for the June 10 election was last Saturday.

To be eligible to vote in the election, citizens must be registered voters and residents of the Northville school district.

The deadline for registering for the election is Friday, May 31, at 5 p.m.

Rotarians Promote Benefit Show

Northville Rotarians plan a two-day ticket selling campaign this week-end to help promote the Benefit Building show scheduled to begin next Thursday at the Detroit Race Course.

The huge show will feature more than 180 exhibits from building firms and home furnishing companies. Sponsored by the Western Wayne County Rotary clubs, all proceeds of the four-day exhibit will be used for the new crippled children's home.

Gil Glasson, local ticket sales chairman, said that Rotarians will conduct a street sale on Friday and Saturday. The show will feature a carnival, horse show and many prizes in addition to the building exhibits. The program opens daily at 2 p.m. and continues until midnight.

May Change Budget To Compensate For Downs Revenue

If betting at Northville Downs maintains its same pace for the final 16 days of the meet, the city of Northville can expect to receive \$84,673 in returns from the state.

The figure is just \$139 more than last year's return for a season that was three days shorter. Through the first 22 days of the season, the city's share of each night's betting has averaged \$2,227.

Councilmen may find this figure alarming when they meet this evening to approve the 1957-58 budget. In the proposed budget of \$278,828.76 funds from racing are estimated at \$90,000.

If weather during the latter part of the season improves, the city's estimate may prove to be a good one. It is doubtful, however, that city fathers will care to predict the whims of mother nature.

The adjustment would be a minor one in a highly conservative budget prepared by City Manager John Robertson. In most cases he has estimated revenues somewhat lower than expected.

Taxpayers in the city will not face a tax increase under budget recommendations, although an additional source of revenue can be expected from higher assessed valuation figures. The city's total assessed valuation for 1957 is \$4,984,915 or \$560,000 more than last year. This includes an assessment of \$33,500 for the 88 acres north of Eight Mile road and west of Center street annexed from Novi township.

Applying the same millage as last year, the city can expect to collect \$92,000 in taxes (at 95% collection). No salary increases have been recommended in the budget.

Councilmen will meet at 8:00 this evening (Thursday) for a public hearing and approval of the budget.

Calendar

Thursday, May 16

11:30 a.m. — King's Daughters luncheon, Methodist church house.
8 p.m. — Coordinating Council
8 p.m. — Junior Chamber of Commerce
AAUW — Home of Mrs. L. H. Goddard, Beck road, Plymouth.

Friday, May 17

5 p.m. — 7 p.m. — Boy Scout Troop 731 smelt supper, Methodist church house.

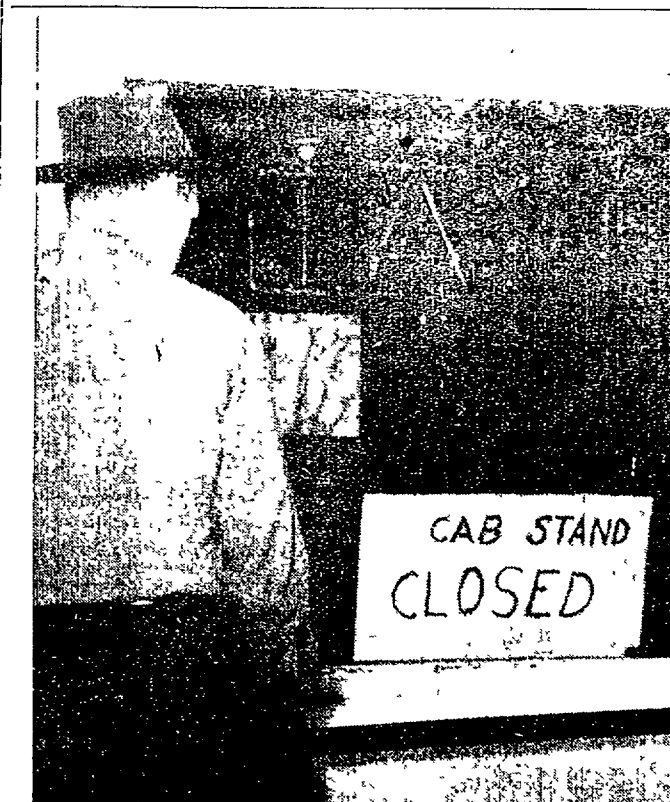

Monday, May 20

Sarah Ann Cochran Chapter, DAR, home of Mrs. Earl Mastick, Lone Pine road, Milford.

Wednesday, May 22

American Legion Auxiliary, home of Mrs. Catherine Johnston, Orchard drive.

SEE LITTLE HOPE FOR SCHOOL FUNDS

TAXI CUSTOMERS had to find other means of transportation in Northville Saturday. City Manager John Robertson stated that officials of the Northville Taxi Company announced their intentions of curtailing business suddenly Friday. Arrangements were quickly made to have Plymouth cabs service the area. He pointed out that the city council must issue any new local license. At least two bids, including one from Theodore Johnson of the Plymouth Taxi company, have been made for the local franchise, Robertson stated.

Northville P-TA to Hear Renowned Dr. Rabinovitch

Dr. Ralph D. Rabinovitch, director of Hawthorn Center in Northville and one of the foremost children's psychiatrists in the nation, will address the Northville Parent-Teachers association next Thursday.

His address will concern "Some Problems in Meeting Children's Needs."

The meeting will begin (on May 23) at 8 p.m. in the Northville Community Building. It is open to the public.

Before coming to Hawthorn in 1956, Dr. Rabinovitch was chief of children's service at the University of Michigan and an associate professor of psychiatry from 1949 to 1956.

He previously served as a research fellow in child psychiatry at Bellevue hospital in New York City.

A graduate in medicine from McGill university in Montreal, Dr. Rabinovitch took psychiatric training at Toronto university and New York university.

He has written research publications covering a wide variety of subjects as foster home placement and adoption, childhood schizophrenia, children's graphic art, juvenile delinquency and reading retardation in emotionally disturbed children.

A delegation headed by members of Northville's Parent-Teacher association attempted to bring about relief of the school's financial squeeze this week.

The quarter found slim hope of immediate aid after calling upon state legislators in Lansing Tuesday. Headed by Harold Bartley, president of the P-TA, the group included Mrs. Francis Stroud, representing the P-TA, Richard Kay, principal of Amerman school, and John Robertson, city manager.

Lack of funds in the local school district resulted from a drop in sales' tax returns which reportedly will cut the quarterly state aid revenue by four-fifths. The clash has left nearly every school district in the state virtually without operating funds.

Russell Amerman, superintendent of the Northville schools, stated Tuesday that there are not sufficient funds to meet the teacher payroll on May 24. "I am hopeful that the reduced state-aid check of approximately \$4,000 will arrive in time so that we can pay the teachers," Amerman said.

Loss of the state-aid funds, which were expected to total about \$20,000 plus another \$20,000 delinquency in local taxes, prompted Amerman to ask the school to approve sale of \$50,000 in local tax anticipation notes.

Even with this approval, Amerman pointed out, it is highly doubtful that the money will be available for the June 7 payroll. "Teachers will probably have to wait and get two paychecks at once later in June," Amerman said.

Hartley told The Record Wednesday that a bill in the state senate calling for an emergency appropriation for the state schools was not released from committee.

The local delegation was hopeful that the emergency appropriation could be voted out of committee.

Hartley urged residents to write state senators Hutchinson, Beadle or DeHmel to request immediate emergency funds for the schools. "These men are in the best position to see that action is taken," he said.

The executive board of the P-TA has recommended that the \$1700 collected at the recent carnival be loaned to the schools for emergency operating funds.

University Women to Discuss Convention at Last Meeting

The last meeting for the season of the Plymouth branch of the American Association of University Women, will be held this evening at the home of Mrs. L. H. Goddard on Beck road, Plymouth. Her co-hostesses will be Mrs. D. H. Sutherland, chairman, Mrs. Claude Waterman and Mrs. J. W. Sponseller.

Displays by the various study groups and chairmen will highlight the Achievement Day program. Along with a few annual reports, the seven members who attended the convention in Grand Rapids on April 26-27 will share with the group their experiences.

The seven delegates heard Mrs. Maxine Virtue, convention speaker, discuss the family court in Michigan.

Mrs. Virtue is assistant to the attorney general in Lansing.

The afternoon of the convention was divided into workshops for the various study group chairmen and board members.

What's Cooking?

FAVORITE RECIPES OF NORTHVILLE HOMEMAKERS

LITTLE GIRLS LIKE COOKIES — and little girls like Pattie Hoffman, four, especially like our sour cream cookies when they're made by her mother, Mrs. Cass Hoffman. The Hoffmans live on West Cady.

When a recipe as good as this one comes along, anyone has an excuse to let a cup of cream sour to try it. For "Sour Cream Cookies", it was contributed by Mrs. Cass Hoffman of West Cady street. The Hoffmans have one daughter, four-year-old Pattie.

SOUR CREAM COOKIES
1 cup sour cream
1 level teaspoon baking soda
¾ cup butter or shortening
1½ cups granulated sugar
2 eggs
salt and nutmeg to taste
4 cups flour
Sugar and raisins for top
Stir soda into cream. Add to creamed sugar and shortening. Add beaten eggs and flour with salt and nutmeg.
Drop from spoon and flatten. Sprinkle sugar on top and center with raisin. Bake quickly in a moderate oven, 350 degrees for 10 to 12 minutes.

Nancy Williams Is Engaged To Earl White

Mr. and Mrs. Fred Williams of Frederick street announce the engagement of their daughter, Nancy, to Earl C. White. He is the son of Mrs. Victoria White of Walled Lake. An early fall wedding is planned.

Miss Kaiser To Marry In August

Mr. and Mrs. Martin Kaiser of Main street announce the engagement of their daughter, Carol Marie, to John Ambrose Rennell. He is the son of Mr. and Mrs. Ambrose Rennell of Detroit.

The bride-elect is a senior at Mercy college, division of nursing. Her fiancé was graduated from the University of Detroit.

An August wedding is planned.

News Around Northville

Mrs. Fred Gotts of North Center street visited son Larry last week end at Michigan State university where his fraternity, Phi Kappa Psi, was holding parent's week end.

Lynn R. Matzen, son of Mr. and Mrs. Donald Matzen of Novi road, has been named to the Honor's List at Michigan State university for the winter term. The honor is given students who have maintained a B plus or higher average.

A farewell luncheon was given last week for Jean Johnstone, a former employee of Eastlawn Convalescent home at the home of Bessie and Anne C. Adahl of Livonia. Miss Johnstone sailed Tuesday on the S.S. Scotland for an extended visit in Grangemouth, Scotland. Guests included Mrs. Grace McMath, Elsie Sossi, Ann Mountain and Peggy Kane and daughter, Barbara, of Livonia, Mrs. Zada Riley and Lela Hagedorn of Northville.

Mrs. Lucille Bell and Lee Williams of Livonia Convalescent home, Mrs. Opal Immonen, Paula Prunty, Alva Mikelson, Grace MacMurtre of the Eastlawn Convalescent home.

Reverend John O. Taxis of the First Presbyterian church leaves today for Omaha, Nebraska where he will attend the grand assembly of the Presbyterian church of the United States. The conference ends next Wednesday.

The Northville Review club will meet next Thursday, May 2 at the home of Mrs. Richard Krafve in Bloomfield Hills. Mrs. Fred Butler will review "The Turquoise" by Anya Seton.

A bridal shower given last week by Mrs. Royce Snow of Novi road honored Suzanne Mairs of Grand River. Suzanne will be married to Thomas Zopif on June 1.

Leila White, Thomas Lute United in Friday Ceremony

An evening ceremony last Friday united in marriage Leila Mae White, daughter of Mr. and Mrs. Arthur Ash of West Dunlap street and Thomas B. Lute, son of Charles Lute and the late Mrs. Lute of Livonia.

The ceremony was performed at St. Paul's Evangelical Lutheran church in Livonia, Pastor Winfred Keoplin officiating.

Given in marriage by her father, the bride wore a white lace and net ballerina length gown. Her bouquet of white carnations, which was centered with a white orchid, matched the flowers decorating the church.

Vera Lute, sister of the bridegroom, was maid of honor in a blue ballerina length gown. Bridesmaids Elizabeth Light, Claudette Algero and Janese Robinson wore similar gowns of yellow, salmon and orchid. All had wrist flowers of white carnations.

Mrs. Ash, mother of the bride, wore an aqua dress with white accessories. Her corsage was of white carnations.

The bridegroom chose his brother, William Lute, as his best man, while his brothers, Donald and Homer, and George Van Hallman served as ushers.

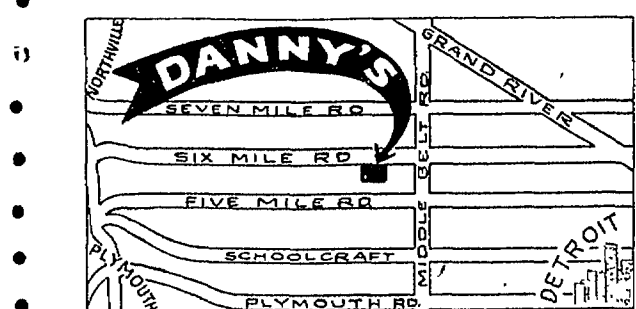

A reception for 300 guests was held after the ceremony at the Northville Veteran's of Foreign Wars hall.

A blue suit with white accessories was the choice of the new Mrs. Lute for her wedding trip. When they return, the couple will make their home on South Center street in Northville.

Garden Club Reviews Year; Plans Fall Flower Show

A beautifully decorated birthday cake was served at Monday's meeting of the Northville branch of the Woman's National Farm and Garden club in honor of the organization's 22nd birthday.

Mrs. Arlo Hauger made the cake, served at the home of Mrs. John Burkman. Hostesses included Mrs. Howard Whipple, Mrs. A. E. Northup, Mrs. John Northup, Mrs. Carl Bryan and Mrs. Robert Niemi.

This being the annual meeting, reports were the order of the day with president Mrs. Glenn Cummings presiding.

It was announced that Mrs. Bradshaw, elementary school teacher, would be sent by the group to Higgins lake conservation school this summer, and that Murray G. Lyke, high school student from Salem, would be the recipient of the garden club scholarship. He will attend Eastern Michigan college and expects to become a teacher.

During the discussion of the fall flower show, "September Symphony", it was suggested that members save fancy buttons, tin can tops and odd earrings and bring them to the June meeting, when there will be a flower arranging workshop under the direction of Mrs. Frank Webb of Birmingham. The workshop will be held at the home of Mrs. Glenn Cummings.

On Monday, May 27 the group is to tour William Hudson's Gardens

and will meet at the Community building at 12:30 for transportation. Before the meeting was adjourned, the prize winning litter bug posters were displayed, and Mrs. Cummings showed slides of some of the arrangements displayed at last year's flower show, and some of Mrs. William B. Walker's Gardens.

ARE PRE-WALKING SHOES IMPORTANT?

The harm done by outgrown pre-walkers is very important. The younger the child the softer the bones. Many children have the beginnings of bunions before they wear any shoes because their feet were bound in the feet of outgrown pajamas.

Pre-walking children should wear shoes only when the house is cold enough that he needs mittens on his hands. Parents marvel at the way their babies flex their toes when they take their shoes off but they seldom think of the fact that using those muscles is the only way known to strengthen them. Even good fitting shoes discourage exercise.

We have a tradition that feet should be hurt and not seen. It comes to us from our ancestors whose feet were a sickening sight but have you noticed pictures of the royal family of England? The baby's feet hanging out? Hail the Queen! If it ever becomes stylish to wear shoes only when shoes are needed we will all have healthier feet and shoemen will not be faced with the impossible task of making abnormal feet comfortable in normal shoes.

Nurses' Week Observed at Northville State

WARD CONFERENCE — Nurses and attendants at Northville state hospital meet regularly with John Wick, director of nursing at the hospital for ward conferences. Here problems met on the job are discussed, bringing to reality the group thinking and group participation emphasized in training at the hospital.

ATTENDING CLASSES — Student nurses from six schools of nursing in the Detroit area spend three months completing requirements for psychiatric nursing at Northville state hospital. Here Mrs. Betty Klingelsmith, R.N., instructs a class of students, part of the 58 now training at the hospital.

National Professional Nurse Week established by presidential proclamation, May 12 through 18 is being recognized by the nurses of Northville State hospital.

The week's activities include a display of caps and pins from each of the schools of nursing whose graduates are employed at the state hospital. The display may be seen at Northville Drug, in Northville.

The tribute to professional nurses will be highlighted by a tea on Friday afternoon at the hospital.

The week, which includes May 12, is significantly and appropriately selected for this recognition in honor of the birth of Florence Nightingale.

Although the life and contributions of Miss Nightingale tend to become glamorized in retrospect, her sincere and abiding interest in human well-being remains the essence of the nursing profession today. Here again are a few facing an almost overwhelming task. Although there has been a constant increase in the number of professional nurses through the years, the even greater increase in demands made upon the nursing profession continually bankrupt the supply.

Although the nurses at Northville number 40, a larger group than available to most state hospitals, this number is inadequate to provide the desired nursing care for 50 wards housing a total of 2200 patients. On the 18 wards that do have professional nurses, many activities have been initiated and are proving beneficial.

By working closely with doctors in implementing therapeutic attitudes, the professional nurses extend to many beneficial contacts which are thus provided help to establish the emotional climate essential to the recovery of the mentally ill.

Preparation for this kind of nursing participation is encouraged through in-service staff conferences, case presentations and supervision. Emphasis on group thinking, group participation and functioning is essential not only in the development of the nurse, but also promoting group activities with patients.

Many citizens recognize their responsibility in care for the mentally ill by working directly with the patients through volunteer groups, extending social experiences. Others recognize their responsibilities by supporting legislation designed to promote the welfare of the mentally ill. Still more are needed in both citizen groups if all patients are to be reached.

The nursing profession accepts its responsibility in including an educational experience geared to this type of care. Here again, Northville State hospital plays an active part. A program in basic psychiatric nursing is provided at Northville for six schools of nursing. Students from Harper, Henry Ford, Mercy college, Mercy school of nursing of Detroit, Mercy Central of Grand Rapids and Michigan State university schools of nursing are represented in this program.

Eleven Classmates Gather for Reunion

A reunion of Northville high school graduates who hadn't been together in 16 years occurred last Saturday at the E. B. Cavell residence on Griswold avenue.

The Cavell's daughter, Mrs. Robert Cassidy of San Diego, California entertained 11 former classmates last week at a luncheon. Guests included Mrs. Clayton Myers, Mrs. Phyllis Coulter and Mrs. Francis Clinton of Northville; Mrs. Ben Williams and Mrs. Carl Hosier of Plymouth; Mrs. Doug Miller of Detroit; Mrs. Lindy Leuker of Farmington, Mrs. Lois Eaton of Howell, Mrs. Robert Parmenter of Grosse Pointe and Mrs. Samuel David and Mrs. Bruce Arnold of Livonia.

Of this group, nine are from the 1941 graduating class of N.H.S. All came with pictures of their children and enjoyed the afternoon recalling memories and filling their old friends in on the interval passed since they last met.

Story-teller Delights Kiddies At Mother-Daughter Dinner

Nearly 160 mothers, daughters and grandmothers attended the annual Mother-Daughter banquet of the Woman's Society of the Methodist church last Thursday evening.

The dinner was planned by Mrs. Wilson Clark, Mrs. Jessie Boyd and Mrs. F. R. Lanning.

Speaker for the occasion was Mrs. Clifford Ketchum of Ferndale, a member of the Story Tellers' league. She delighted the children in attendance with stories designed for them.

Welcome for the evening was given by Mrs. Wilson Clark. Mrs. Wilfred Becker was toastmistress. The toast to daughters was given by Mrs. Michael Willing, and the toast to mothers by Patsy Willing. Community singing and songs by the girl's chorus added music to the event.

The speaker was introduced by Mrs. William Brown, who also planned the evening's program.

Gifts were given to Mrs. Shirley Clark of Big Rapids, the mother who traveled the longest distance; Mrs. Sophie Huegel, the oldest mother; Mrs. Betty Lonn, mother with the most daughters; Mrs. David Hazlett, the youngest mother,

Couple Married By Justice Bogart

Miss Loretta Jane Gearhart and W. Russell Cole, both of Belleville, were married last Friday by Justice E. M. Bogart.

Mr. and Mrs. Orville R. McMullen of Orlando, Florida, were the attending witnesses.

Numerous compliments have been received at the Manufacturers National Bank, Northville Office, after a Certified Lighting installation was made. Contractor for the installation was DeKay Electric. Presenting the Certified Lighting certificate, which represents conformance to high illumination standards are (left to right): Elmer DeKay of DeKay Electric; A. Russell Clarke, Vice President of the Manufacturers National Bank; Elmer Will, Detroit Edison representative.

Third Generation at the Wheel!

"Like father, like son", the poets say.

And never was it truer than in the case of a great many fine Cadillac families.

For there are, in our land today, a number of families that currently boast as many as three generations at the wheel.

We mention this simply to underscore a great and dramatic truth about Cadillac—that, of course, is its *unchanging* goodness and quality.

For fifty-five years, the Cadillac name has signified one and the same thing to motorists everywhere—a motor car created at the highest level that automotive science would permit.

Over that time, Cadillac has attracted to the ranks of its owners the finest list of names to be

found anywhere on the American motoring scene.

And, those who have followed the path to Cadillac in 1957 are enjoying the most abundant blessings of this ceaseless crusade for quality.

The new "car of cars", with coachcraft by Fleetwood, is beautiful and luxurious to an unprecedented degree. And its performance and handling ease are a revelation!

Certainly, the Cadillac car has now become an even wiser investment for an even wider circle of America's motorists.

If you have yet to acquaint yourself with these brilliant Cadillac virtues for 1957, your dealer will be delighted to tell you how easily you can make Cadillac a fine family custom of your own!

MUSTANG HOOF PRINTS

News of Northville High School

Oratory Student Places Third

Frank G. Muller, 15, Northville Junior Optimist, won third place in state oratorical competition Saturday in Grand Rapids.

Young Muller, born in Germany

and brought to this country by his parents just five years ago, weathered the semi-finals of the Optimist sponsored Junior Optimist Oratorical contest Saturday morning.

Four Northville Teachers Win Conservation Course

Four Northville teachers will attend conservation training school at Higgins lake this summer as part of a program sponsored by the state conservation commission and the Michigan division of the Woman's National Farm and Garden association.

Attending will be Mrs. Helen Bradshaw and Lucy Miller from the elementary school, Mrs. Jean Fitzgerald and Robert Williams from the high school.

Sponsoring organizations pay \$30

of the school tuition for each teacher and the conservation commission bears the additional cost. The Garden club is sponsoring Mrs. Bradshaw. The other three will be sponsored by the Northville Parent-Teachers association.

The school lasts for one week periods and attempts to give a thorough background for understanding the problems of both indoor and outdoor classes and field trips to adjacent areas.

He lost top honors to Ronald Schelp, 15, Pontiac Junior Optimist, first place winner, and Richard O. Barton, 11, Ludington Junior Optimist.

Muller and 17 other Junior Optimists in Grand Rapids for the contest were kept very busy when not orating — swimming, bowling, visiting a television station and a camp and attending a movie.

The oratorical contest was a highlight of a two day convention for Michigan Optimists.

Five Northville Optimists represented the local service club at the convention at Grand Rapids Friday and Saturday. Dr. L. W. Snow, president; Al Skow, vice president; Donald Lawrence, president-elect; Monroe Weston and William Taft, were among the more than 300 Michigan Optimists gathering for general business sessions and the election of new district officers.

Speech Students Get Inside Look At Radio and TV

A chance to see themselves on television and get a first hand look at television and radio operations was in store for Northville high school speech students recently.

Under the supervision of Miss Florence Panatoni, the speech classes visited Ann Arbor to see the University of Michigan radio and television studios.

The group observed the U. of M. students experiment with lighting effects, after which their guide explained the various uses of the cameras and other equipment. Each student was then allowed to see himself on television.

Following this interesting visit, all 6 students filed down the street to Angell Hall where they saw a demonstration of radio mechanics. As they watched the radio broadcast rehearsal, the group became more familiar with the terms and signals used in broadcasting.

G.A.L. Members Attend Playday

Eight G.A.L. members and Miss Pat Bubel, G.A.L. sponsor, attended the annual League Softball Play Day at Milford last Thursday.

Mary MacDermid and Wanda White were the representatives from the senior class; Becky Coolman, Laura Bell and Janet Malott were chosen from the junior class; sophomores Sharon Myers, Myrl Douglas and Jayne Hammond were present; Linda Heltinen represented the freshman class.

OFF FOR WASHINGTON — They're back now with only memories of their wonderful trip, but 69 excited seniors boarded buses for the train station only last Saturday. Mr. and Mrs. Ed Mollema and Mr. and Mrs. Leslie Lee accompanied them on the rail trip from Detroit to Washington, D.C.

Tired But Happy Seniors Return from Four Day Trip

Last Saturday at 4 p.m., the senior class left from Northville high school via Greyhound bus for Detroit, where they boarded the Baltimore and Ohio railroad, which would take them to Washington, D.C.

After passing the night on the train, they arrived in the nation's capital eager to begin sightseeing.

The first tour took them to Capitol Hill, where they visited the Capitol building, Congressional Library, Supreme Court, and the White House. Following a hearty lunch, they visited the Bureau of Engraving and Printing, the Washington Monument and the Smithsonian Institution.

Evening entertainment included

dining and dancing at the Lotus Supper club. After a night with a minimum amount of sleep, they toured Virginia, via the Skyline Drive, and visited the Bull Run battle fields, Falls Church, Blue Ridge Mountains and the Skyline Caverns. That same evening, they went on the moonlight tour of the city.

The following day was free until noon, when they were taken to the Arlington National cemetery, Alexandria, Mount Vernon, the Pentagon building the Jefferson and Lincoln.

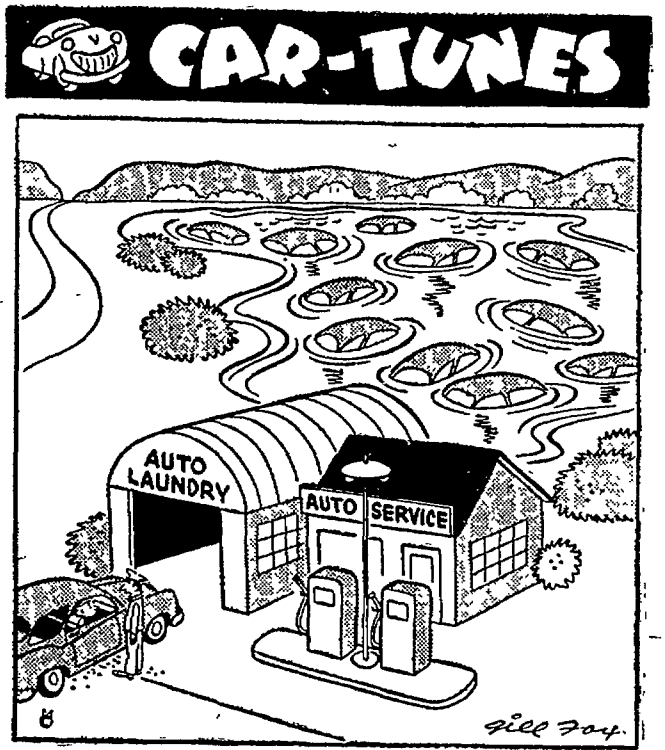

That night a very tired but happy group of seniors boarded the train for the return trip to Detroit and home.

Holly Students Spend Day at NHS

Last Wednesday, May 8, the Northville high student council was host to two council representatives from Holly high school. Various NHS council members took over the pleasant task of showing the Holly boys around the school in order that they might observe how Northville high is run.

Several times per year, a similar student council exchange day is held with council members from each school in the league visiting other schools for one day, for the purpose of exchanging ideas on the handling of student problems.

The Holly representatives commented as they were leaving that they felt Northville high had dealt with the over-crowded situation very wisely.

Three Trackmen in State Finals

NHS Stars To Compete In 4 Events

Northville high school tracksters will go into the state track meet at East Lansing Saturday with their best chance in years of picking up a title.

Three NHS thinclads will carry the Orange and Black in four events, with a strong possibility of at least a couple of them bringing home a medal.

The three who have qualified are Bob Wagenschutz in the shot put, Dick Biery in the 440 and broad jump, and Bill Yahne in the 880.

Biery and Yahne are repeaters. Both reached the state finals last year, with Biery going in the 440 and Yahne in the 880.

The thinclad foursome qualified for the state meet last Saturday when Northville battled five other area Class B schools in the regional meet.

The Mustangs came out on the short end as king-sized Walled Lake made off with the regional title. The score

Walled Lake	37
Willow Run	32½
Albion	31½
Adrian	18½
NORTHVILLE	17
Farmington	14

Even so, the performances of Wagenschutz, Biery and Yahne stood out.

Wagenschutz took the regional shot put title with a toss of 47' 3½". Biery won his heat of the 440 in 52.8, and captured a third in the broad jump. Yahne took a second in his heat of the 880, running the course in 2:09.

"It was our best showing in the past 10 or 12 years," said Northville coach Charles Yahne.

Yahne was not making any predictions about Saturday's outcome, but other track enthusiasts had high hopes that the three Mustangs might make a go of it at East Lansing.

Three of the four events — all except Biery's broad jump — have set NHS records as far as can be determined.

In other track action last week, the cinder squad ran off an earlier meet against Oak Park that had been rained out.

Though Northville grabbed eight of the 13 first places, Oak Park's depth enabled them to pull even and tie the Mustangs, 50-50.

First were taken by Wagenschutz in the shot put, Yahne in the high jump and 880, Biery in the 100 and 220, Dave Adams in the 440, and Jim Collie, Mike Cassel, Joe Gotro and Brian Pretzer in the mile relay.

Seconds were won by Yahne in the broad jump, Bob Starnes in the mile and Gary Wakenhut in the 880.

Novi AMVETS Plan Softball League

Novi AMVETS are working out plans for a softball league in Novi township.

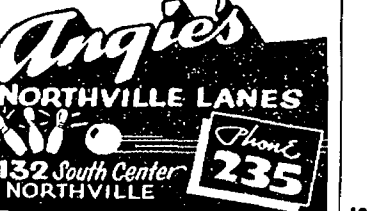

The league will be for players from "14 to 60", including boys too old to play in the new Novi Little League.

Complete details will be announced soon, according to AMVETS' spokesmen.

OFF TO EAST LANSING — Dick Biery and Bill Yahne work out behind Northville high school in preparation for the state finals at East Lansing Saturday. They, along with Bob Wagenschutz, won the right to make the trip by qualifying in the regional finals at Ann Arbor last Saturday. Wagenschutz, on the senior trip to Washington, was not available for the picture.

Busiest Week Yet in Store For Four Mustang Teams

The biggest week in spring sports is in store for Northville high school athletes, with three of the teams scheduled to engage in league, regional and state competition.

In all, 13 events are on the card for the four Mustang teams.

The Northville track squad faces perhaps the toughest grind. The Mustang thinclads will journey to Lansing Saturday for the state track championships, and three days later will do battle again in the league trials at Milford.

Mustang golfers also have a championship test in store with the Wayne-Oakland league meet scheduled at Brighton next Wednesday. In addition, the linksters will meet Plymouth today and Milford Tuesday. Both games will be at home.

The Northville tennis team faces a tough two-day regional battle tomorrow and Saturday and has

Northville Netmen Drop Four in Row

The Northville high school tennis season continued to be bleak this week as the Mustangs went down to their fourth straight defeat.

Plymouth registered the latest win over Northville, repeating an earlier 5-2 victory.

In other recent games, Bentley shellacked the Mustangs, 7-0, and Oak Park edged past Northville 4-3.

In the four contests, Northville salvaged only one doubles win — a 6-3 victory by Dennis Fallon and Dave Janetzke.

In singles events, Bob Bake was the most effective of the Mustang netmen, Bake won three of his matches, tumbling only to his opponent on the powerful Bentley team.

Jim Hammond picked up two singles victories and Tom Williams took one for Northville's only other wins.

Coach Ron Schipper's team now has a 1-4 record for the season, which will continue this week end with regional playoffs. After three matches next week, the Northville team will shoot for the state finals on May 31.

Home Runs Net Victory For 'Nine'

The Northville Mustangs broke loose with a barrage of home runs to win their first game in four starts last week, but slipped in two other games to end up with a 2-1 mark for their week's efforts.

Jeff Goodrich socked two round-trippers, and Wade Deal and Tom Morgan each got one as the Mustangs pounced on Brighton with a vengeance, 11-2.

But earlier, Northville fell to West Bloomfield, 9-3, and followed it up by barely losing to Holly, 2-1.

In addition to slugging Brighton into submission, Goodrich hurled a masterful game. He struck out 12 and allowed only five hits.

Cap Pethers, working against West Bloomfield, allowed five runs in the first inning, but then settled down and struck out 10 until relieved by Joe Kritch in the sixth.

Deal posted another home run among his three hits, but the effort was in vain.

Against Holly, Northville squeezed out only four hits but nevertheless was in contention all the way. On four different occasions, Mustang runners were picked off base to end their chances.

Goodrich went the distance, giving up only two hits and striking out seven.

Goodrich also shared batting honors for Northville. He and John White both collected two hits — the only Mustangs to knock out safeties.

Northville's lone run came in the sixth after Holly was ahead 2-0.

Golfers Take 2nd Over Clarenceville

Northville Mustang golfers won their second match of the season last Friday by downing the same team that had fallen victim for Northville's first win.

The Mustangs defeated Clarenceville, 198-217, after having posted an earlier 193-222 loss on the Trojans.

It gives coach Merritt Meaker's squad a 2-5 record for the season. Match medalist for Northville was captain Bill Chizmar who had a 44—his best showing of the year. Fred Schwartz had 50, Pete Gross 51 and Roger Atchison 53.

The schedule for the coming week:

- GOLF:
 - Plymouth here today
 - Milford here Tuesday
 - League at Brighton Wednesday
- TENNIS:
 - Clarenceville here today
 - Regionals Friday and Saturday
 - Birmingham here Monday
 - Southfield there Wednesday
- BASEBALL:
 - West Bloomfield here today
 - Bloomfield there Monday
 - Plymouth here Wednesday
 - Clarenceville here Thursday
- TRACK:
 - State meet Saturday
 - League meet at Milford Tuesday

Downs Schedules Two Stake Races

Harness fans will be treated to two outstanding stake races at Northville Downs next week.

The \$5,000 Wolverine Trot on Wednesday (May 22) and the \$10,000 added Transamerica Pace on Friday (May 24) will wind up the series of five big stakes of the current Northville meeting which closes June 1.

The Wolverine Trot is for horses who raced in 1956 but did not win \$10,000. Nineteen have been nominated for this event.

Sports

THE NORTHVILLE RECORD—Thursday, May 16, 1957—5

Novi Little League Season To Get Underway May 27

The newly-formed Novi Little League will kick off its season May 27—with the possibility of a major league celebrity coming out to get the junior baseballers off to a good start.

Meanwhile, four teams and managers have been selected from some 90 Novi youngsters who have been trying out the past few days. Each team now has 22 players,

but will be cut to the 15-player limit after further practice and try-outs. Those who do not make the regular Little League teams will be assigned to "minor league" teams under the management of Bill Trotter and Charles Trickey Jr.

The four managers — Phil Simonton, Roy Hallock, Len Berardi and Earl Birchfield — will be assigned to a sponsor within the next week. The sponsors are Detroit Fiberglass, Young Door, Paragon Construction and National Bank of Detroit.

The Little League diamond behind Novi school is now in shape for the first game. Fully complete, it features a regulation backstop furnished by Paragon Construction company.

Midget League Calls Tryouts

Young baseball players in Northville had better start oiling their milts and limbering up their batting stances — cause midget league baseball is coming up fast.

Recreation director Stan Johnston has issued a call for try-outs this Saturday morning for boys 8 to 12 who would like to play on one of the recreation league's hardball and softball teams this summer.

The tryouts will be held at 9:30 a.m. at Cass Benton park — or at the scout hall in case of rain.

Johnston noted that youngsters who can't make it to the session Saturday need not worry. There will be plenty of time to try out for positions before the season actually gets underway.

Boys presently playing junior high ball may not, under current state regulations, try out for the recreation league until the end of school, he added.

Johnston said the midget league program has been expanded this year to include two hardball teams and as many softball teams as necessary to accommodate those interested in playing.

Plans for teams for boys in the under-14 and under-16 age brackets will be announced next week.

Merchants Take Season's Opener

The Northville Merchants got their season off to a good start Sunday by downing a tough Chelsea nine, 4-1, with three pitchers sharing game honors.

Don Thomson and Bob Gow paced the Merchants with two hits apiece. Big blow for Northville was Gow's game-sealing triple.

Jim McIntyre, Ted Kapucinski and Ken Kisabeth each hurled three innings in leading Northville to the win over Chelsea — which had a 32-6 record last year.

Elsewhere in Inter-County play, Plymouth Merchants defeated Redford, 12-3, River Rouge slaughtered Plymouth Elks, 18-1 and Romulus and Detroit Control were rained out.

The Northville Merchants, managed by Steve Folino and Joe Kritch, will take on Romulus this Sunday in that team's home season opener. Romulus won the Inter-County title last year.

Before YOU settle for a small car...

READ THIS STARTLING FACT

5 out of 10 smaller cars wear a Pontiac price tag —yet none give you any of Pontiac's advantages

PONTIAC GIVES YOU MORE SOLID CAR PER DOLLAR THAN THE BIGGEST OF THE SMALLER JOBS!

The so-called "low-price" numbers just aren't in it—Pontiac gives you up to 8.9% more solid car per dollar! And your Pontiac dealer can prove it—with official specifications. Check them yourself. Starting with Pontiac's rugged X-member frame and continuing through every inch of the car, you'll discover engineering advances and advantages the smaller cars haven't even thought of. Then put the facts and figures to a test—with you behind the wheel. Feel the safe, solid security of Pontiac's extra-rugged heft... the way it holds the road... the absence of bounce and shake. More important, you'll discover that this big heavyweight handles like a dream in traffic or on the open road, because only Pontiac offers you Precision-Touch Controls, for almost effortless steering and braking. No doubt about it—here's driving that puts the smaller cars in the shade!

NO SMALLER CAR EVEN APPROACHES PONTIAC'S 122-INCH WHEELBASE!

You can't ride on overhang—but you can on wheelbase! Pontiac gives you from 4 to 7 inches more length between the wheels where it counts! From bump-smoothing comfort to interior stretch-out room, this is real man-size bigness! Add to this extra length Pontiac's exclusive Level-Line Ride and you have a car that makes the smaller jobs seem like toys!

NOTHING ON WHEELS PERFORMS LIKE A PONTIAC... THE SMALLER CARS DON'T EVEN COME CLOSE!

Your Pontiac dealer can show you on-the-record proof that Pontiac is America's Number One Road Car. And he can give you a point-by-point comparison to show you why no smaller car can hope to imitate Pontiac's alert, effortless response to every driving demand from stop-and-go traffic to superhighway cruising... why Pontiac loafs while smaller cars strain... how Pontiac's all-around performance superiority has made it the talk of the automotive writers! But don't stop with facts and figures—prove it yourself behind the wheel. You'll be spoiled for the smaller cars forever!

PONTIAC'S TOP TRADE-IN VALUE IS FAMOUS!

Pontiac's high trade-in value is a tradition in the industry! A quick check with your Pontiac dealer for his eye-opening offer will prove beyond a shadow of a doubt that you're getting not only a wonderful buy but a wonderful investment! So, before you spend your hard-earned dollars on a smaller car—check Pontiac and discover the easy way to break the small-car habit.

"Can You See, Steer, Stop Safely?... Check Your Car—Check Accidents."

PREACH

THE WORD

This column today is addressed to my fellow ministers. We are happy from time to time to hear from ministers who are regular readers of our columns in the State. If we have been of some help and blessing to you we are happy. Recently I read a news item which told of four Protestant Clergymen from four different denominations who said, regarding the present day needs of the pulpit — "More forceful presentation of hard and fast biblical rules with a 'Thus saith the Lord' emphasis, instead of man's opinion, is needed to meet modern world needs." This is the same advice that the Apostle Paul gave to the young preacher by the name of Timothy when he said, "I charge thee therefore before God, and the Lord Jesus Christ, preach the word." For men who believe the Holy Scriptures to be the foundation of our Christian faith why should we resort to "the wisdom of this world" in our preaching. Surely His word is the SWORD OF THE SPIRIT and is more powerful than a two edged sword. One of my early teachers said, "Peter, remember people will not come to Church to hear what you have to say, they will come to hear what God has to say through you!" What a responsibility!

Local Girl's Work In Madonna Exhibit

A Northville student attending Madonna college in Livonia will exhibit her work in an exhibit of projects of Madonna's art students May 19 through May 25.

Elizabeth Bush of Northville will take part in the annual exhibit to be displayed in the college study hall. Projects to be displayed are all student-made and deal chiefly with still life, landscape, portraits and figure drawings.

"Festival of Arts" To Be Tonight

A display of arts and crafts titled "A Festival of Arts" will be shown this evening in the Community building by the Northville schools. Exhibiting their work will be members of the high school art, home economics and shop classes, and the elementary school art department.

Local Music Pupils To Give Recitals

The pupils of Henry Schmutz, local music instructor, will give a recital next Friday, May 24 at St. Paul's Lutheran church hall.

Freshmen Plan Another Dance, Another Bake Sale

Winding up their freshmen year with a surge of activity, the Northville high school class of 1950 is planning both a bake sale and another record hop.

Taking orders from house to house, class members will cover the area next Thursday night (May 23) from seven to nine p.m. Home baked goods will be delivered the following Saturday, May 25.

For their next disc jockey dance, to be held Friday, May 31, the class has again invited Detroit disc jockey Clark Reid from radio station WJBK. Accompanying him will be a guest recording artist. There will be prizes for dancing to both the music of records and the high school dance band.

Tickets for the dance will be available from any freshman or at the door of the Community building.

Northville Optimists Elect New Officers

Don Lawrence has been named president of the Northville Optimist club for the coming year.

Other officers named in the Optimist's recent election were:

Don Hannabarger, first vice president; Bill Taft, second vice president; Max Austin, secretary; George Clark, treasurer; Dayton Deal, sergeant at arms; Rev. B. Pankow, chaplain; Adrian Willis, Merrill Sweet and Lawrence LeFevre, directors.

The Optimists and their wives have been invited to attend the races at Northville Downs next Wednesday. Members are to assemble at 8 p.m. by the driveway behind the main grandstand. Membership pins should be worn for identification.

"Jazz Unlimited" Tomorrow Night

Whether your musical tastes lean toward the "cool" school of Stan Kenton and the truly modern jazz renditions — or to the "hot", toe-tapping Dixieland beat — there'll be solid tones to please you at the "Jazz Unlimited" show tomorrow night at the Community building.

The Northville dance and jazz band will also give the dancers in the audience a treat with "String of Pearls" and several other famous band numbers.

Bob Williams, who will lead the band tomorrow night, reported that this should be one of the "swingiest" nights in the history of the annual show.

The music begins at 8 p.m. at the Community building. Tickets will be available at the door.

Car Strikes Tree; Local Man Injured

Three drivers were fined by Judge E. M. Bogart last week and another case is pending as the result of an accident that occurred when a car struck a tree.

Clarence E. Johnson, 45, of Highland Park, was fined \$25 and sentenced to pay \$400 damages done to the car of William Earl Shelton, of Detroit. Shelton's car was parked in the lot next to the First Presbyterian church and was struck in the rear by Johnson when he entered the lot.

In another accident occurring last week, Haywood Beasley, 43, of Pontiac, struck a tree while driving east on Randolph street. Beasley suffered a broken arm and a passenger in his car, Lyman R. Larsen, 35, of 23633 Taft road, a broken ankle. Both were taken to Sessions hospital.

According to police, the car was traveling about 35 miles per hour. They said that Beasley will be charged with reckless driving.

Two drivers, Keith E. Steinhel, 18, of 16845 Meade street, Northville, and Kenneth R. Woolley of Plymouth were each fined \$10 for negligent operation of a motor vehicle.

Edison Official Addresses Exchange

A representative of the Detroit Edison company, E. M. Witt, addressed the Northville Exchange club last Wednesday on the topic, "How's Your Housepower?"

Mr. Witt explained the "heat-pump", a device that replaces the conventional heating plant in a house and which is a combined air conditioner and heating plant.

Senior students present at the meeting were John Schwartz, Richard Mitchell and Delano Skow.

Attends Monticello For Dad's Weekend

J. P. Malley, 21633 Beck road, recently attended Dad's Weekend at Monticello college in Alton, Illinois where his daughter, Frances, is a sophomore.

Dads were treated to a full schedule of entertainment on the campus and then reciprocated by taking their daughters on "dinner and dancing" dates in Alton and in nearby St. Louis.

Monticello is one of the oldest women's junior colleges in the nation. It will open its 120th year in the fall.

Presbyterian Men To Hear Burroughs Vice President

Speaking to members of the Presbyterian Men's club and their wives next Thursday night will be Ray R. Eppert, executive vice president of Burroughs corporation.

He will be introduced by Walter

Ray R. Eppert

Couse at the "Ladies Night" Presbyterian church dinner meeting.

Eppert joined Burroughs in 1921, when he began work as a shipping clerk. After various positions in the sales department, he successively served as vice president in charge of marketing and a director of the company. In June, 1956, he received the honorary degree of Doctor of Humanities from Hillsdale college.

He was elected to chairman of the board of the United Foundation of Metropolitan Detroit just this year, and also serves in an executive capacity with the Detroit area boy scouts, the Detroit Tomorrow committee, Harper hospital, and the Michigan United Fund.

The door to

Health and Freedom

The Christian Science Reading Room in your community is maintained by your Christian Science neighbors in gratitude for health and freedom found.

Release from disease, from fear and limitation, has come for multitudes as they have quietly pondered Bible teachings in the great new light of

SCIENCE AND HEALTH
with Key to the Scriptures
By Mary Baker Eddy

Through thoughtful study of this book the actual Science of Christ is made plain. This door to health and freedom is open for all.

Science and Health may be read, borrowed free of charge, or purchased for \$3 at

LEGAL NOTICE

CHANGE IN
RULES AND REGULATIONS
Savings Accounts Formerly in
Depositors State Bank, Northville
Notice is hereby given that the "Rules
and Regulations Governing Savings De-
posits" as promulgated by Depositors
State Bank, Northville, are repealed in
their entirety effective the close of
business May 31, 1957. Effective June
1, 1957, all savings accounts opened
with and formerly governed by said
rules of Depositors State Bank, North-
ville, shall be governed by the "Rules
and Regulations Governing Savings De-
posits" as promulgated by Manufactur-
ers National Bank of Detroit and now
in force, a copy of which appears be-
low:

On the first business day of June,
1957, there will be credited to all ac-
counts governed by such repealed rules
interest for the six-month period De-
cember 1, 1956 to May 31, 1957. Such
interest to be paid under the interest
formula as practiced by Manufacturers
National Bank, or such interest to be
paid under the interest formula as prac-
ticed by the Depositors State Bank,
whichever is greater.

MANUFACTURERS NATIONAL
BANK OF DETROIT
April 12, 1957
OTTO A. LILL, Cashier

RULES AND REGULATIONS
GOVERNING SAVINGS DEPOSITS
Manufacturers National Bank
of Detroit

SECTION 1. The Bank reserves the
right to refuse to accept any deposit
at any time, the right to return all or
part of any deposit or deposits, the
right to limit the amount of the bal-
ance which any depositor may have to
his credit in one account, or the aggre-
gate of his balances in two or more ac-
counts, whenever it shall deem "such
action expedient."

SECTION 2. Each depositor opening
a savings account shall receive a pass
book, and must sign or place his or her
finger prints on a signature card. By
the acceptance of such pass book or
the signing of such signature card, the
depositor shall be deemed to have giv-
en unconditional assent to these rules
and regulations and any and all addi-
tions, alterations, amendments or re-
peals thereof as provided for in sec-
tion twelve (12).

SECTION 3. All deposits and with-
drawals shall be entered in the books
of the bank and the pass book which
shall be the depositor's voucher or evi-
dence of deposit. When deposits or
withdrawals are made, the pass book
shall be presented for entry of such de-
posit or withdrawal; provided, however,
that upon assurances satisfactory to an
authorized representative of the bank
payment may be made to the depositor
himself but not to any other person
whether or not acting for the depositor
without the presentation of the pass
book. All payments to depositors may
be made in current funds.

SECTION 4. Money will be paid to
the depositor in person, or to the order
of the depositor, provided the order is

LEGAL NOTICE

In form satisfactory to the bank and
accompanied by the pass book. The
bank reserves the right to require ninety
(90) days written notice of all with-
drawals of deposits. All payments shall
be made in accordance with the require-
ments of the applicable Laws, Rules
and Regulations.

SECTION 5. If the pass book is mis-
laid, stolen or lost, the depositor must
give immediate notice of the fact to
the bank. Upon satisfactory proof to
the bank of such loss or theft of the
pass book, and upon delivery to the
bank of such security or bond of in-
demnify as shall be required by the
bank for its protection, the amount of
the deposit then standing to the credit
of the depositor shall be transferred to
a new account and a new pass book
issued therefor.

SECTION 6. An account may be open-
ed (a) by a minor, or (b) by any per-
son in the name of and for the benefit
of a minor, and in either case with-
drawals may be made (as provided for
in these rules and regulations) by such
minor, unless, in case (b), the person
opening the account shall otherwise di-
rect.

SECTION 7. The Bank will pay in-
terest on savings deposits as from time
to time determined by the Board of Di-
rectors.

A schedule showing the basis for pay-
ing interest will be displayed in the
lobby of each office of the Bank begin-
ning two weeks prior to the effective
date of such schedule.

SECTION 8. Accounts in which no
deposit, except in the credits of in-
terest, and from which no withdrawal
shall have been made for a period of
ten consecutive years, shall not be en-
titled to any further payment of inter-
est, except in case of special agreement
to the contrary.

SECTION 9. Bank reserves the right
to make such service charges on sav-
ings accounts for excessive activity or
otherwise as may be fixed from time
to time by the Board of Directors.

SECTION 10. All items are credited
subject to final payment in cash or sol-
vent credits. The liability of the deposi-
tor as endorser or otherwise shall not
be affected by failure to give notice of
dishonor or non-payment, nor by cer-
tification obtained by the bank of any
deposited check.

In receiving items for deposit or col-
lection, in cashing checks and in any
other transaction between the depositor
and the bank within the purview there-
of the provisions of "The Bank Collec-
tion Code" being Act 240 of the Public
Acts of Michigan of 1931, and any
amendments or additions thereto, shall
(except where inconsistent with any
specific provisions hereof) govern and
apply in respect of every act or event
in the course of or arising out of such
relation whether done or occurring with-
in or without the State of Michigan,
provided that any items transmitted
for collection to any Federal Reserve
Bank shall be subject to the rules and
regulations thereof and of the Federal
Reserve Board then in force. Any item
drawn on this bank not good at the
close of business on the business day
following the day of deposit may be
charged back.

SECTION 11. Upon the closing of an
account by the depositor, or the bank
the pass book shall be returned to the
depositor, which act shall constitute
a full acquittance and release by the
depositor of the bank of all sums due
to the depositor.

SECTION 12. These Rules and Regu-
lations may be added to, altered, amend-
ed, or repealed at any time by resolution
of the Board of Directors and such addi-
tions, alterations, amendments, or re-
peals shall be binding upon each de-
positor after notice of the same shall
have been given to him by posting such
notice in the lobby of the Main Office
and the lobby of each branch office of
the bank.

Schedule of Interest and Charges
For Savings Deposits
The Bank will pay interest at the rate
of 1% per annum, compounded semi-
annually, on the interest bearing balance.
The interest bearing balance will be
determined for each six month period
ending May 31 and November 30, as
follows:

1. Take the lowest balance throughout
the first three months and the low-
est balance throughout the last
three months, considering deposits
made on or before the fifth day of
either three month period as made
on the first day of such period;

2. Add these two lowest balances and
divide by two;

3. Subtract \$100.00, which does not
bear interest.
Interest will be paid on the amount
so determined.

Interest earned will be computed dur-
ing the first fifteen days of June and
December, and the net amount will be
available for entry in pass books after
June 15 and December 15.
Member Federal Deposit Insurance
Corporation

LEGAL NOTICE

Donald B. Severance, Attorney
707 Federal Bldg.
Detroit 26, Michigan
STATE OF MICHIGAN
ss. 444,117
County of Wayne

At a session of the Probate Court
for said County of Wayne, held at
the Probate Court Room in the
City of Detroit, on the Second day
of May, in the year one thousand
nine hundred and fifty-seven.

Present, James H. Sexton, Judge
of Probate.

In the Matter of the Estate of
MAE LANNING, Deceased.

Helen M. Sweet, administratrix
of said estate, having rendered to
this Court her first and final ac-
count in said matter and filed there-
with her petition praying that the
residue of said estate be assigned
to the person or persons entitled
thereto:

It is ordered, That the Twenty-
fifth day of June, next at ten o'clock
in the forenoon at said Court Room
be appointed for examining and al-
lowing said account and hearing
said petition.

And it is further Ordered, That
a copy of this order be published
once in each week for three weeks
consecutively previous to said time
of hearing, in the Northville Rec-
ord, a newspaper printed and cir-
culated in said County of Wayne.

James H. Sexton,
Judge of Probate

I do hereby certify that I have
compared the foregoing copy with
the original record thereof and have
found the same to be a correct
transcript of such original record.

Northville Student Attacked by Gang

Novi police this week are seeking three youths who beat a Northville high school student while he waited in a stranded car for his companions to return with a can of gas.

Beaten was Keith Steinhebel, 16845 Meade, Northville, a student at Northville high school.

According to Novi police chief Lee BeGole, the beating occurred after Steinhebel and two companions — Frances Dempsey, 413 Beal, Northville, and Bill Allen, 16895 Homer, Plymouth — ran out of gas late at night on 10 Mile between Taft and Beck roads.

Dempsey and Allen caught a ride into Novi with a carload of five or six youths, BeGole said, but suddenly were told to get out.

The carload of youths then apparently turned around and returned to the stranded car where Steinhebel waited, BeGole said.

Catching Steinhebel unaware, they yanked the door open and struck him over the head. With Steinhebel feigning unconsciousness, they rifled his glove compartment and removed fender skirts and hub caps from the car, BeGole said.

When another car approached, they jumped into a ditch. Steinhebel locked his doors and flashed a spotlight to attract the attention of the passing car, but the car failed to stop, BeGole said.

The youths returned, smashed the spotlight, broke several windows and then left.

Northville Students Honored by U-M

Two Northville students at the University of Michigan were honored for scholastic achievement last Friday at the university's annual honors convocation.

William B. Chase, III, son of Mr. and Mrs. W. B. Chase of 43300 Eight Mile road, a senior in the school of business administration, received the Association of the United States Army medal.

Marlene Weiss Harrington, daughter of Mr. and Mrs. George Weiss, 925 Grace, won senior honors in the school of music.

The honored students, their parents, faculty members, deans of the schools and colleges and the public attended the convocation, which ranks second only to commencement

in the university's yearly events. Following the convocation, students and their families were guests of President and Mrs. Harlan Hatch at their home.

"Paradise" at the Senior Prom

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Thursday, May 16, 1957—11

AUSTRIA MEETS YUGOSLAVIA at the senior prom in the persons of Hedi Trithart and Nick Zvolinski. Hedi, an exchange student from Austria, is nearing the end of her year-long stay in Northville. Nick is just beginning his, however, after escaping from Yugoslavia and coming to live with his aunt, Mrs. Peter Stolanoff, of Salem. While the prom itself occupied most of their time, chances were that their thoughts and conversation often went back to Europe and experiences there. —Photos by Harold D. Hartley

With the end of four years of high school in sight, Northville high school seniors turned out in splendor last Friday for their gayest function as a class — the senior prom.

And, they all admit, the theme wasn't far off when it proclaimed that the prom would be "almost paradise".

The girls in their formals . . . the fellows in their tuxes and dinner jackets . . . the decorations . . . the music . . . the corsages . . . the after-dance parties and snacks . . . they all went toward making it an evening to remember.

The gymnasium where many of them had starred in basketball, practiced their cheerleading, or taken part in a physical education class suddenly became a garden brimming with color, flowers, Japanese lanterns and even a wishing well.

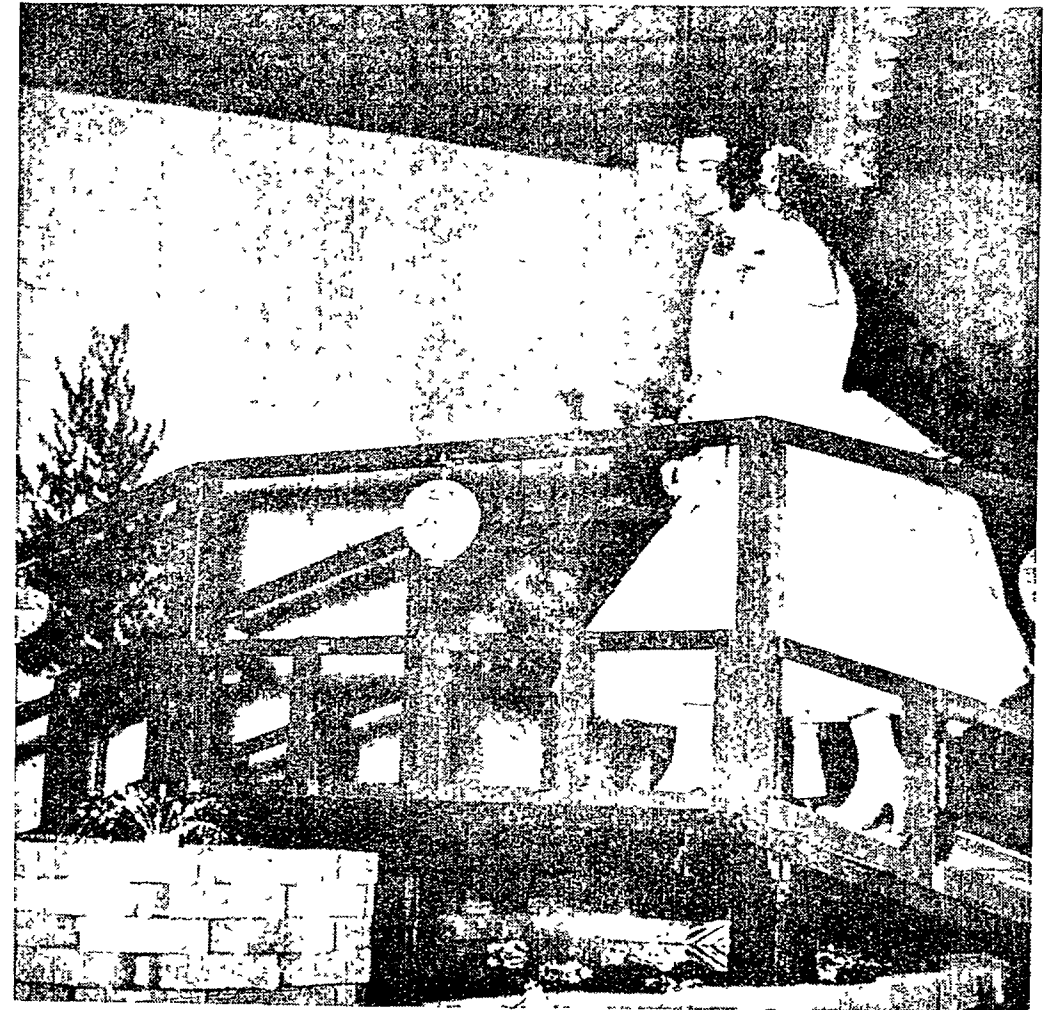

With the end of the dance came the beginning of nearly a month of pre-commencement activities. In the coming weeks, there will be honors convocations, sports banquets, final exams, and of course the last two big functions of the class — baccalaureate and commencement.

Mixed in with these will be plans for summer vocations, applications for college, or interviews for jobs. For others, it may mean a trip to the induction center. And for still others, wedding bells will ring.

And somewhere along the line, the seniors will begin to realize the truth of something they had heard often but probably never really believed — that the four years they are now completing will indeed be among the best years of their lives.

COOL DRINKS AND A QUICK SNACK helped keep the many couples in dancing trim throughout the evening. Many of those who attended ended the evening by going out to nearby restaurants and clubs for a late meal and entertainment.

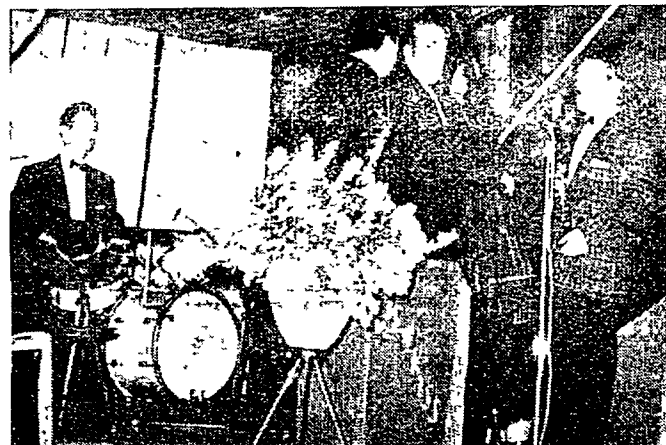

WISHING AT THE WISHING WELL — Willard Bellinger and Charlotte Foster stroll over the wishing well which helped to transform the community center gymnasium into a paradise on earth for one evening. The prom is the beginning of the long — but really short — finale to four years of high school.

Madonna College

Plans Senior Prom

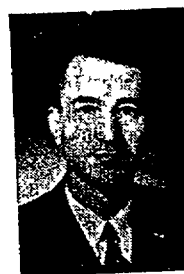

Madonna college, Livonia, will hold its senior prom this year at the Prince Edward Hotel in Windsor this Friday night.

The public is invited to attend the semi-formal dance.

Highlight of the festive affair will be the coronation of the senior queen Eileen Murphy. Forming the queen's court are class representatives: Agnes Witkowski, junior; Leona Gieda, sophomore, and Barbara Fronczak, freshman.

from the PASTOR'S STUDY

By the Rev. B. J. Pankow, Pastor
St. Paul's Lutheran Church of Northville

"... AND THE LIFE EVERLASTING"

In Christ's resurrection from the dead centers our greatest hope: life and immortality. "Our Saviour Jesus Christ... hath abolished death, and hath brought life and immortality to light through the Gospel." (2 Timothy 1:10). Therefore, in our hearts the Easter festival is never past. We remember it every time we confess in the Apostles' Creed: "On the third day He rose again from the dead." Indeed, on the third day Christ gave us life immortal. Hence, we close the Creed by confessing our faith in the life everlasting. "I believe... in the forgiveness of sins, the resurrection of the body, AND THE LIFE EVERLASTING. Amen."

Someone very aptly commented that all the declarations of the Apostles' Creed would be meaningless without the great chord struck in the final sentence: "AND THE LIFE EVERLASTING." The Creed would be like a huge cathedral wrapped in gloom and darkness of night. But with the affirmation, "and the life everlasting," the Creed is like that same cathedral illuminated by the sun and showing all the harmony and beauty of the combined work of architect, sculptor and painter.

Yes, the one chief purpose for which Christ came to this earth was to give us life everlasting. He led a perfect life, suffered, died, and rose again to open to us the doors of eternal bliss. This life is available to all who accept Christ by faith.

It will be a life so wonderful, so glorious, that nothing that we could say or write

would be able to describe it fully. We do know that in God's presence there is "fullness of joy" and that at His right hand there are "pleasures forevermore." (Psalm 16:11). But with our mind's eye we can only get a partial view of what we might expect in the hereafter. Perhaps an incident will make this clear.

It was discovered that a surgical operation might give sight to a blind girl who had never looked upon the beauties of nature. After the delicate operation her eyes were bandaged, and she was kept in a dark room for several days. When the moment came for her to look upon the world for the first time, it was decided to take her out into the open after dark and remove the bandages from her eyes. As she beheld the moon and the stars in their glory, she cried: "Oh, mother, is this heaven?" "No," the mother replied, "this is earth, and that is the sky above us there." "Oh, why didn't you tell me it was so beautiful and so grand?" she asked. The mother answered: "I tried to, my darling, but it was impossible. You have to see it for yourself to understand."

So it is with heaven and immortality. Although in Holy Writ it is portrayed to us in the most beautiful colors, we cannot fully grasp its beauty until we shall see it for ourselves. That is why the Apostle Paul once said: "For now we see through a glass, darkly; but then face to face. Now I know in part; but then shall I know even as also I am known." (I Corinthians 13:12.)

Northville Girl Scout News

Girl Scout Troop 14—

At their last meeting, Troop 14 planned a trip to Greenfield Village. They will go with Troop 12 on May 10 and 11.

Girl Scout Troop 17—

Members of Troop 17 put on activities skits Friday night at the Presbyterian church to complete their hospitality merit badge. Their leader is Mrs. LeFevre.

Brownie Troop 4—

For their last two meetings, members of Troop 4 have taken advantage of the nice weather. They walked to the Ford factory to feed bread to the ducks, and they found a nest of ducklings. This week they bought ice cream cones and walked to the big hill in the park.

Canadian Smelt On Dinner Menu

There'll be large Canadian smelt as the main course for the Boy Scout Troop 731 dinner Friday night with French fries and all the trimmings.

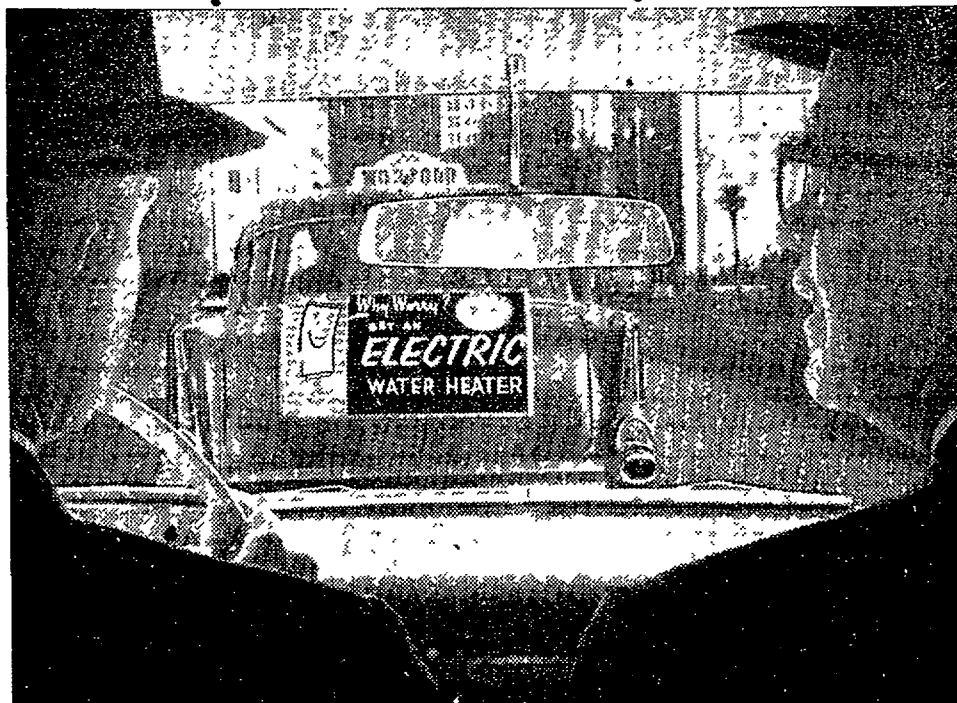

The smelt have been frozen and waiting for the frying pan since April 26, when six members of the Methodist Men's club, sponsors of the troop, brought them back from Point Pelie in Ontario.

Making the trip were Douglas Bolton, Charles Logeman, Ancil Felker, Harold Penn, Jake Morgan, D. J. Stark and Greg Penn. Men's club members and their wives took a day off to clean the fish.

The dinner begins at 5 p.m. and will be served until 7 p.m. at the Methodist church. Tickets are available from boy scouts of Troop 731, members of the Methodist Men's club, through the church office or at the door.

"How come you're getting an electric water heater?"

"There's your reason on the sign ahead. We'll always have all the hot water we need!"

SOMETHING NEW IN ELECTRIC WATER HEATING!

Only electric water heaters give you all these important advantages:

- ☑ Safest water heater built—flameless
- ☑ Plenty of hot water—24 hours a day
- ☑ Install anywhere—no flame, no flue
- ☑ Efficient—no heat wasted up a flue
- ☑ Cleanest—no soot, it's all-electric
- ☑ Cool to the touch—top to bottom
- ☑ Long lasting—built to rigid Edison standards

They add up to the finest hot water service ever offered in Southeastern Michigan

Clean Carpets Save You Money

IF RUGS and carpets are to wear well and stay attractive they must be kept clean. Dirt on the surface dulls the color of the rug. Embedded grit wears and cuts the fibers. Damage from clothes moths and carpet beetles is less likely to occur when rugs are kept clean. The time to spray rugs against these insects is after they have been thoroughly cleaned.

Forest Conservation Means Wise Usage

Forest conservation means wise use of the forests and the growing of young stands to increase their growth and quality, and reforestation by planting or natural means.

BROAD EXPANSE OF THE NEWLY ERECTED addition to Burroughs Corporation's Plymouth Division is revealed in this photograph taken upon its completion, May 1. The picture was snapped looking east from Haggerty road. The new structure features specially tinted glare-proof glass on west and south sides, more over-all window space, better ventilation, and a cafeteria seating 350. Manufacturing operations have already begun in the new building.

Burroughs Opens New Plant

A 204,000 square foot addition to the Burroughs Corporation's Plymouth Manufacturing and Engineering Division was completed and put into operation May 1, it was announced by general manager Robert A. Niemi of Northville.

Completion of the new structure came just 12 months after President John S. Coleman announced building plans.

The new, modern, one story brick, steel and glass structure increases the Plymouth Division's total floor

space to 84,000 square feet or 19 acres of manufacturing and office area.

The building will house assembly operations of the recently released typing sensimatic accounting machine, sensimatic and bank proof accounting machines, a special parts fabrication department, an electrical components assembly operation and tape perforator machine assembly.

The new Plymouth addition is the second Burroughs expansion in the

Detroit area this year. Last month a 104,000 square feet addition was completed at Burroughs' Tireman plant in Detroit, doubling its manufacturing space. This plant has figured prominently in the corporation's defense goods production record.

Burroughs hold substantial government contracts for production, maintenance and installation of electronic data processing and transmitting equipment for SAGE, a system of continental air defense.

Currently involved in the largest expansion program in its 71-year history, Burroughs' building schedule includes new structures at its Research Center, Paoli, Pennsylvania; ElectroData Division, Pasadena, California; Acme Carbon and Ribbon Company, Ltd., a wholly-owned subsidiary, Toronto, Ontario; and in the newly established community of Cumbernauld, Scotland.

Wood for Ceiling

A new trend toward the use of wood for paneling ceiling is growing. One method involves the use of 16-inch by 32-inch hardwood plywood panels, one-eighth or one-quarter inch thick. The panels are attached to a furring strip framework with either nails or contact cement.

SPEAKING

for the Record

By BILL SLIGER

Recent meetings in Northville and Novi, though entirely unrelated, bear a strong resemblance. They both arose as the result of misunderstanding and grievances that parties concerned figured could only be resolved by "laying their cards on the table".

The Northville meeting was fully reported in The Record last week. It concerned representatives of the city, Downs and Driving Club. Their relations were, we believe, greatly improved by the session. Councilmen were sympathetic to track needs and the racing representatives seemed ready to cooperate with the city to see that future track expansion does not hinder surrounding property values.

The results of this meeting can only serve to help the community, if for no other reason than bringing about closer understanding of a highly important local matter.

* * *

In Novi the meeting has not been reported. It was an "off the record" affair called to clear the air and bring some harmony to the township board.

We might have let it slip by unreported; especially, if we thought it had accomplished its point. But because we fear the meeting may have fallen short, we'll relate an "off the record" account of the problem.

It's no secret to anyone even mildly interested in Novi township affairs that all is not serene on the board. Since the election a definite three to two split has existed on nearly every issue.

The controlling faction (Balon, Harrison and Bachert) maintains it was elected on a platform. Apparently they mean to stick to this as a mandate.

Meanwhile Supervisor Staman and Trustee Clark, veteran board members, stand opposed to many of the changes suggested. They point to the fact that they, too, were elected and have support for their views.

While Balon, Bachert and Harrison appear receptive to compromise, Staman cannot believe they are doing their own bargaining. Here in, perhaps lies the greatest stumbling block to harmony and progress in Novi.

The supervisor has openly charged that Charles Trickey, Jr., former treasurer, is pulling the strings behind the scenes. Trickey's part in the campaign, in which he backed a slate against Staman, gives the supervisor ample reason to suspect the puppet act.

Nevertheless, Balon, Bachert and Harrison vehemently deny any connection with Trickey. They admit an adherence to the principles of their platform, which Trickey helped draft, but here his influence ends. He is a friend and nothing more, they contend.

Trickey takes the same position, but we suspect is gaining some pleasure from the torment he is causing Staman.

* * *

It's difficult to sort these pieces and put them together so that everything runs smoothly in Novi. Three or four disinterested parties tried as guests at the informal meeting of the board. How successful they were remains to be seen.

Actually, it's a matter for the board to settle among themselves. We have confidence that it can be done. We only point to the problem now because we believe that not enough sincere effort is being extended to solve the differences.

When you look at them in the light of the future growth of Novi they become mighty trivial. They should be brushed aside and the board concentrate its capabilities on more constructive matters.

Deeper Detroit River

START OF A \$136 MILLION project which has an economic importance to every person in Michigan and the entire area of the Great Lakes will be marked with a full day ceremony May 28 on the Detroit River.

Then work will begin on the Great Lakes Connecting Channels. This five year project will deepen the waterways between the lakes so that modern ships can navigate.

Every inch deeper means 90 more tons that can pass through the lakes. Present channels are dredged to permit depths of 21 feet for light cargoes carried by upbound traffic and 25 feet for the heavier downbound channels. The new depth will be 27 and 30 feet minimum along the 1200 mile waterway.

The deeper channel means lower transportation costs. It is estimated that more than \$10 million per year will be realized by U.S. shipping alone; similar savings will result to Canadian shippers.

The deeper channel will also permit each port along the Great Lakes to develop fully its opportunity for expanding foreign trade. Any ship which can pass the St. Lawrence Seaway and the Welland Canal will be able to sail the Connecting Channels without difficulty.

Official ceremonies include 1,500 national and international leaders in government, business, industry and civil affairs. Walker L. Cisler, chairman for the Channels project, announced that the program will begin at the Detroit Woodward Ave. dock where guests will board the boat to Bob-Lo Island. A reception will take place and lunch will be served on the boat. Then the party will go ashore at Amherstburg, Canada.

There will be short speeches and dedication remarks as well as a parade on the river of all types of shipping using the lakes.

At the proper moment, a whistle blast will signal beginning of work. Groups cooperating in arrangements for the dedication ceremonies include the U.S. Army Corps of Engineers, Great Lakes Harbors Association, Lake Carriers Association and the Great Lakes St. Lawrence Association.

A BITTER BATTLE ABOUT taxing corporation profits has waxed and waned in Michigan for several years. And fighting is renewed during this legislative session.

Attacks consist mostly of verbal blasts released by proponents or opponents of the idea.

Gov. Williams has tried with a grim, recurring determination to tax corporate profits. He claims that industry is growing rich in Michigan, is happy to be here and is paying less than its share.

Spokesmen for Michigan manufacturers paint a gloomier picture of their lot, reminding that all taxes are ultimately paid by consumers, pointing to other increased costs and warning that higher taxes may force them to move to other states.

It is doubtful that either side convinces the other. It is also doubtful that arguments make much impression on the "average" Michigan citizen. He has heard too much shouting on this subject for too long.

What seems certain is that Michigan as a state is suffering in the existing competition to entice investors to locate new plants within its boundaries. It is not difficult to imagine a company which wants to select a new site eliminating Michigan as a potential spot because "they say the tax rate is too high."

There seems a real need for a new spirit of working together in solving the tax problem and selling the state as a good place for industry say representatives of the Michigan Economic Development Department. This office is charged with the job of securing new industry, and through it has no part in the tax fight, its efforts are hampered by the battle.

It is difficult to know exactly what is the effect of the present or proposed taxation program. In Michigan, as in other states, some industries leave, some return.

There is much to indicate, and it is logical to conclude, that taxes is one of several important factors which determine where a new industry will be located.

A Bureau of Census report on manufacturing for the period 1947-1954, when Michigan had no corporate profits tax, shows that Michigan gained 2,819 manufacturing establishments. This is more than any other state except California; 570 more than Ohio.

The most recent figures available show that in 1954 Michigan industry spent \$870 million for new plants and equipment, more than any other state.

Figures also show that Michigan's gain has been mostly in smaller industries. Employment in auto industry has fluctuated during the past 10 years.

Roger Babson

Diversify Trust Funds for Maximum Protection

Babson Park, Mass. — I believe in Trust Funds, for both children and grandchildren. The ideal method is to leave one half of your money in trust, and one half outright. In the case of children or grandchildren, you save an inheritance tax by leaving the money in trust for them and providing that your wife will have a life interest in the income. There are three reasons for forming such trusts: (1) For the protection of your estate; (2) for the saving of inheritance taxes; and (3) to be sure your children and grandchildren get what you want them to have. All of this will be explained to you without charge by the trust officer of any bank.

What About Diversification?
A trust officer will properly diversify your holdings as to securities. This is also true of any money you put into Mutual Funds. Such Trust Funds, however, do not provide for diversification of management. My appeal this week is that you have several Trust Funds, each in a different bank so as to get diversification of management, as well as diversification of securities.

Trust officers are supposed to protect you against inflation. To do this they buy either convertible bonds or common stocks. Buying common stocks today, however, may be rather risky. This especially applies to the "Blue Chips", which trust officers like to buy in order to protect their own reputations. This also applies to bankers and committees who are investing Pension Funds for corporations. Few of these trustees invest with the idea of making a profit for you or your heirs, but rather with the sole purpose of providing safety and protection against possible inflation.

Investing For Profit
In previous weeks this column has shown how you can build \$10,000 up to \$1,000,000 in 25 years without borrowing any money or without buying anything on margin. This would be by investing in new industries before the brokers and the public woke up to their possibilities. To accomplish this I believe that the \$10,000 should be divided into four Trust Funds of \$2,500 each in order to get competition between the different Trustees. A bank does not wish to be bothered with such small Trust Funds. Hence, it will be practically impossible to get four banks to do this. This means that you must get four individuals to serve as Trustees.

These individuals should be young college instructors, — one in physics, one in chemistry, one in biology, and one in business administration. If you have a son or daughter who is in college, have him or her pick out four bright, forward-

looking instructors to serve as such trustees. Otherwise, write the United Information Service, 6 Maiden Lane, New York City, which will help you. These individuals should be paid a good commission for their services, based on the results which they secure for you. This will make them more interested in serving you. Having a number of trustees will also create competition and rivalry between these four college instructors.

Importance Of Youth
I advise a selection of young college instructors, rather than older professors, because the older men are usually more interested in their own reputations and have more fear of making a mistake. The Trust Agreements will, however, provide that the Trustees will not be held responsible for any losses. It will be assumed that one or two of the four trustees will lose money; but your goal will be in the total result of the four. No one person can foresee in advance which of the four will "hit the jackpot". This is the principle upon which you must work if you expect to turn \$10,000

into \$1,000,000 in 25 years. I am interested in having young people as Trustees for these "speculative" funds for another reason. Older men are constantly looking backward rather than forward. They want to see the audits of companies for previous years. These audits are more like autopsies. They are useful in helping him make a fortune by investing in new industries. Youth looks forward; youth is willing to take a chance; and youth is the hope of America, especially as to new developments and new industries. I would also like to see one of these Trustees a young woman. The President of the well-known investment house, A.M. Kidder & Co., is a woman. In fact, the majority of our nation's stockholders are women.

Complete Insurance Service

Here is the most popular property improvement loan plan ever offered:

Homeowners can borrow direct from any office of Manufacturers National Bank to repair, modernize or enlarge their homes...under very favorable FHA terms.

► You can borrow amounts up to \$3500
...take as long as five years to pay
...at low FHA rates...for such purposes as these:

- PAINTING AND PLASTERING • NEW ROOFING
AND SIDING • ADDING NEW ROOMS • NEW BATHROOM OR KITCHEN • NEW HEATING SYSTEM
NEW LAUNDRY OR PLAYROOM • ELECTRIC REWIRING
INSULATION • PLUMBING • NEW GARAGE
STRUCTURAL REPAIRS

Check these Low Costs AND Convenient Payments:

IF YOU NEED	YOU PAY MONTHLY		
	18 MOS.	36 MOS.	60 MOS.
\$ 500	\$ 29.91	\$ 15.97	\$ 10.40
1,000	59.82	31.94	20.79
2,000	119.65	63.88	41.57
2,500	149.57	79.85	51.96
3,500	208.50	110.91	71.87

You can complete your loan arrangements at any office or write or phone for a loan application. If you prefer, tell your dealer to arrange financing through MNB. Offices open Friday evenings until 6 P. M.

TELEPHONE: WOODWARD 5-4000, OR VISIT YOUR NEIGHBORHOOD OFFICE.
