

Track Group Eyes Harness Racing in Novi Next Year

"Offer Plan, We'll Pay"

Retailers Prod City For More Parking

Seven Northville merchants and the city manager got down to some serious talk about offstreet parking Tuesday afternoon at the city hall.

The meeting was called by the city manager to determine how local retail businessmen felt about parking development. Specifically in question was the area behind stores in the block bounded by Main, Wing, Dunlap and Center streets.

Their reaction may come as somewhat of a surprise to city councilmen. It may even cause some raised eyebrows among other merchants.

The consensus of the merchants present was that offstreet parking was an obligation of both business and city. The expense of providing parking spaces anywhere in the shopping district should be shared by all merchants with the city, they stated.

Because they believed that not all local merchants would agree with this theory, they urged the city manager to recommend a general assessment. "Let those merchants who are willing to contribute to a parking fund do so immediately," they urged. "Then assess those businesses not willing to contribute," they concluded.

No one suggested in what ratio the merchants should share the expense with the city. Nor did anyone come up with a practical idea of fair assessment. The merchants did criticize the city, however, for not having presented a clear cut policy on offstreet parking in the past.

On these points the merchants seemed positive:

More parking is needed for present peak loads and future growth;

Businesses that have already contributed to offstreet parking should be given credit on any future assessment plan;

Alleys are not the responsibility of the merchants and should be provided by the city;

The council should adopt a plan for providing offstreet parking including possible areas, costs and suggested formula for payment.

The city manager is expected to bring his report before councilmen at the next regular meeting. In the past city fathers have been reluctant to impose any general assessment on businessmen. This invitation may give them new courage.

Some immediate action is expected, however. The city has just completed signing a contract with the First Methodist church to lease property next to the church for parking and alley entrance behind the stores in the block. Some negotiations have been conducted for the Geraghty property at 122 North Wing street. It is no secret that if the city expects to complete this project this summer, some financial help from businessmen will be needed.

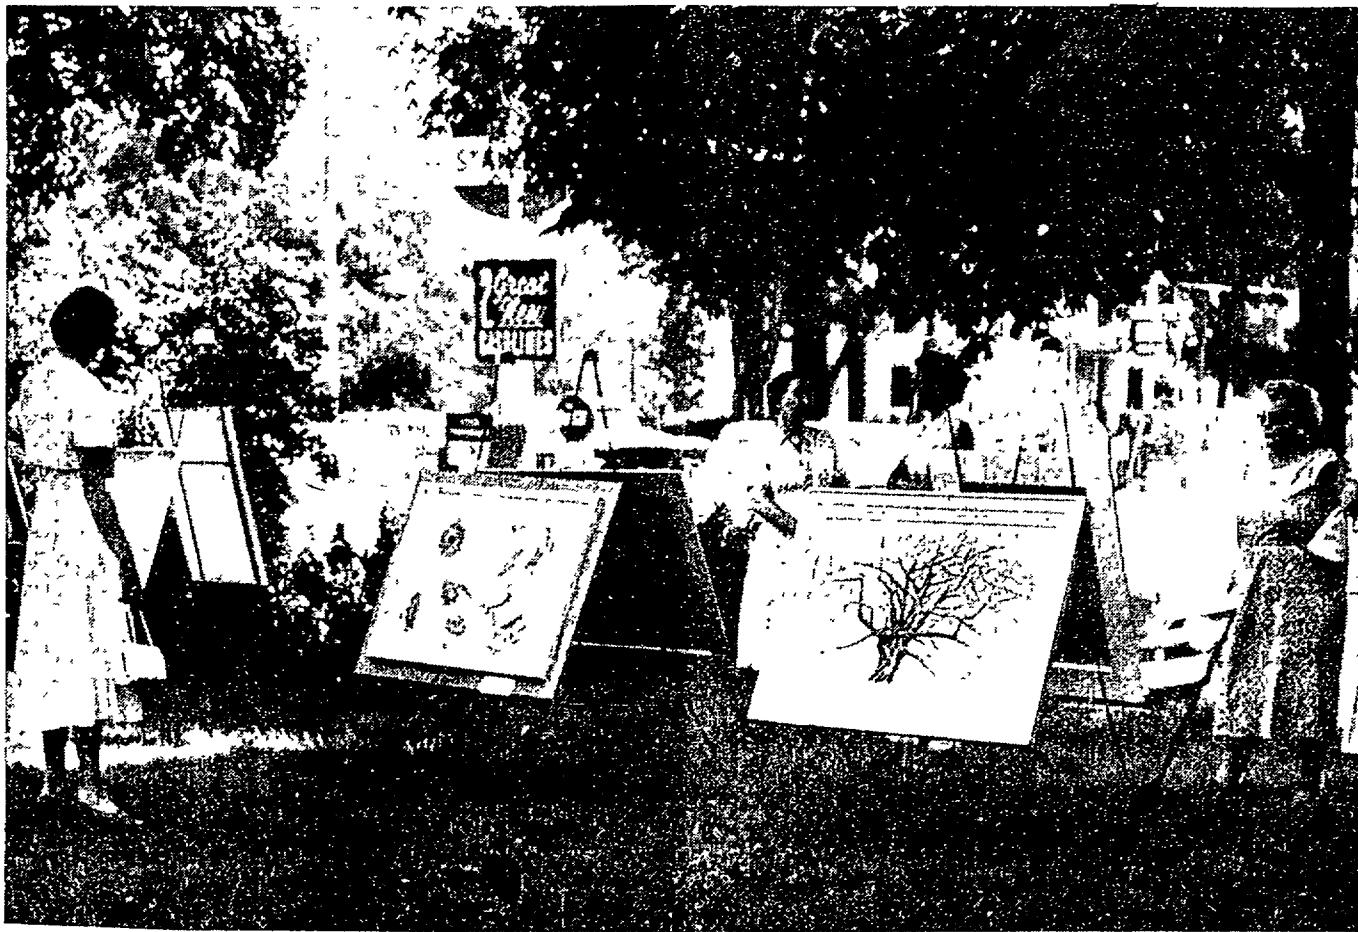

First Band Concert Tonight in Park

The first of a series of six summer band concerts by the Northville high school and community band will be presented tonight in the park behind the city hall.

Under the direction of Robert Williams and student conductors, the band will play a variety of music including well-known marches and overtures.

At tonight's concert, student conductor Richard Drew will lead "Victory at Sea". Gary Wakenhut will conduct "The Syncopated Clock" and "Lassus Trombone", featuring the trombone section, will be directed by Jeff Schoof.

Future concerts are scheduled for each Wednesday in July — the 3, 10, 17, 24 and 31. All concerts will begin at 7:30 p.m.

OUTDOOR ART EXHIBIT — Members of the Three Cities Art club, many of them from Northville, staged the third of a series of outdoor showings in Northville Saturday. Held on the lawn of the First Presbyterian church, the show featured 50 paintings, displays of silver

jewelry, mobiles and mosaics. While some visitors sauntered among the paintings, others paused to watch demonstrations of water color painting, pastel work and the creation of a ceramic tile table. See additional pictures and story on page 8.

Outdoor Concert Scheduled Sunday

The first of three outdoor concerts scheduled for this summer will be presented Sunday by the Plymouth Symphony orchestra. Featured soloist will be Norma Heyde, well known soprano.

The Plymouth Colony farm of Dr. Ralph Pino will be the site of the unique concert. Located at Ann Arbor trail and Ann Arbor road in Plymouth township, entrance to the concert will be from Joy road.

The orchestra, under the direction of Wayne Dunlap, will open the five o'clock concert with Handel's "Water Music". The selection will be appropriate for the setting overlooking a clear, mirror lake.

Miss Heyde will sing the difficult "Summer Nights" by Berlioz. Also included on the program will be Mozart's "Batti, Batti", "Dove Sono", "Alleluja", "The Moldau" by Smetana, "Tocata" by Frescobaldi-Kindler and "Overture to Tannhauser" by Wagner.

Northville will be represented in the orchestra by Miss Lynn Johnson.

Here's a Chance to Help The 'Forgotten' Patients

Northville residents will have a chance to remember the "forgotten" patient at Northville State Hospital this Saturday.

The Citizens Auxiliary committee of the hospital will sponsor a rummage sale then to help bolster the Indigent Patient Fund — a fund designed to aid such patients financially and to let them know the community is interested in them and wants them to get well.

The rummage sale will be held at Highland Park, from 9 a.m. to 2 p.m. The Highland Park Hotel, 45 Victor, But for those who can't make it, the committee noted that contributions of usable discards may be turned in at the hospital itself.

The Indigent Patient Fund, started in 1935 by Dr. Philip N. Brown, medical director, and Dr. Gordon Forrer, clinical director, helps maintain the dignity and independence of patients who have no source of income.

It has been a valuable aid to the hospital program, officials say, but is now running low because of the increased number of patients requiring the service.

The fund is supported solely by public contribution, such as the rummage sale planned Saturday.

Early Deadline

Because of the Fourth of July holiday next Thursday, The Northville Record will publish early next week.

Deadline for news and advertising copy will be Monday noon.

The Record will be on the newsstands Tuesday evening and will be delivered in the mail Wednesday.

City, School Board To Meet Tonight

Northville's city council and school board will get together this evening at the city hall to discuss mutual problems concerning the proposed Eight Mile road cut-off.

The school board is currently in the middle of negotiations with Wayne county road commission authorities for the sale of school property for the cut-off. Its path will divide the Amerman elementary school and the proposed high school.

Board members have asked for certain concessions from the road commission to insure the construction of safety precautions on the cut-off. They have also asked for improvement of North Center street where heavier traffic loads will be caused by the cut-off and the construction of the high school.

City officials are concerned with drainage problems from the high school as well as the Center street traffic.

But Inglis Terms Plans 'Optimistic at This Time'

Novi township may have harness racing by next year, a spokesman for the proposed Novi race track said this week.

But state racing commissioner James H. Inglis called the forecast "a little optimistic at this time."

B. F. Gregoric, a leading figure in the syndicate which hopes to build the track, said ground for the structure would probably be broken next month unless unforeseen complications develop.

Gregoric said most of the stumbling blocks which have held up construction for several months have now been overcome—including the problem of providing sewer facilities for crowds of 20,000 people or more.

The \$5,500,000 race track and sports center would be located at Grand River and Meadowbrook. It would feature an elaborate grandstand with an all-weather sliding roof to allow use of facilities throughout the year.

Gregoric said Detroit Edison has agreed to give service, and that Michigan Bell will run coaxial cables out of the site to serve Detroit television studios. In addition, he said, the track would be able to tie into new gas mains running to the area.

The track's sewer problem is apparently solved, he said. Under present plans, the track would tie in with a sewer network currently being studied by Novi township officials and land developers.

"We would extend a line from the track to the western part of the township, and property owners would be able to tie into that line," he said. "Thus we would help make sewer facilities possible for the people, and the people in turn would help defray part of the expense for us."

Further announcement of the sewer plans is expected within the next few weeks.

Gregoric said he intends to file an application for a track with the racing commissioner soon, but that no license can actually be issued until the track is well along and the syndicate's financial structure is proved sound. In the meantime, he said, the syndicate would go ahead on "good faith."

Inglis himself said he has not been approached officially on the track question.

Asked if he would consider extending the racing season to provide dates for the Novi track, the racing commissioner said he could not anticipate what might happen until he knows more about the proposed track. He seemed skeptical of the possibility of enclosing and heating a half-mile harness track for pre- or post-season racing.

Inglis also noted that he cannot take action on a new track application until a current application for a track in Mount Clemens is settled. Macomb county circuit court has enjoined him from issuing a fourth—and last—Detroit metropolitan area license until the Mount Clemens case is heard this fall.

In this connection, Inglis said he received a check for an application fee from Gregoric, but returned it when the application itself did not follow within several weeks.

Inglis added that the Novi track, if it should be licensed, probably would be entitled to racing dates.

Gregoric said racing would be only part of the program at the track site.

"After all, there are 365 days in a year, and racing would take up only 30 or 40 days," he said.

Gregoric said the sports center could host boat shows, conventions, automobile panoramas, polo games and other sports events and exhibitions.

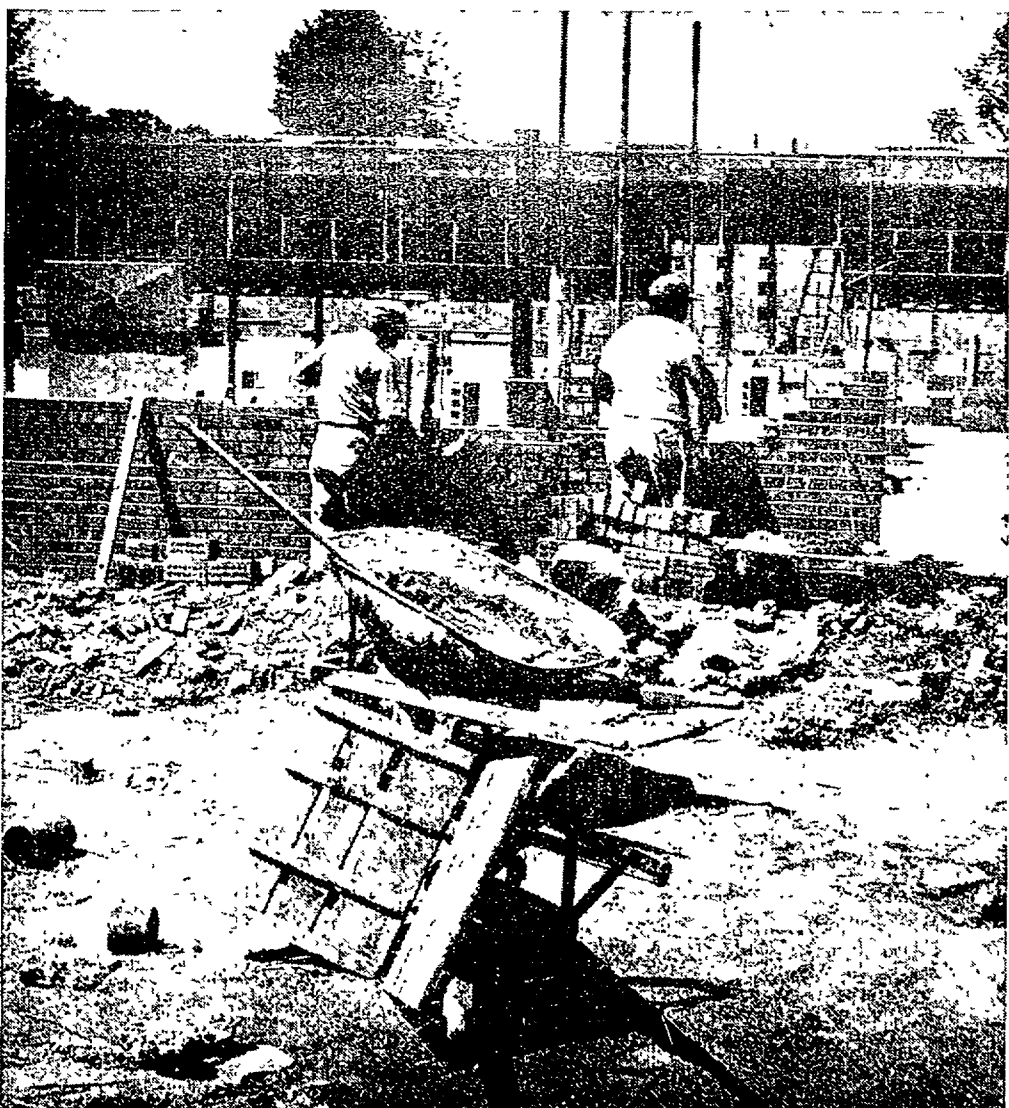

He also hinted again at the possibility of baseball and football games at the center.

"We'll have 18 acres under one roof and a 250 foot ceiling," he said. "Few baseballs are hit higher than 120 feet into the air, and not many punts climb over 60 feet."

Local Phone Accounts Now At Farmington

Michigan Bell Telephone company has announced that all Northville and Novi accounts are now being handled from the Farmington business office.

Previously, accounts for local users were kept in Plymouth and bills paid at that office. Bills will now be payable by mail at the Farmington office.

GOING UP FAST — Amerman school students would hardly recognize their alma mater today, even though they left it just a couple weeks ago. Walls for a 13-room addition are already taking shape, and door frames have been set in place. The \$191,000 addition is expected to be completed later this year.

TRENCHING for storm sewers on Wing, First and Fairbrook streets was well underway this week. The work began the first of June and will be completed by August 31. Curbs and gutters will be installed when storm sewers are completed. The above picture was taken on Wing street.

2—Thursday, June 27, 1957—THE NORTHVILLE RECORD

Green-Bemish Rites Are Read At Nuptial High Mass Saturday

Miss Eugenie Green, daughter of Mr. and Mrs. William L. Green of Napier road, became the bride of Lawrence Bemish in Our Lady of Victory church last Saturday, June 22.

Radio Hosts Local DAR and CAR

Members of the Daughters of the American Revolution, Sarah Ann Cochran chapter, and the Children of the American Revolution, Plymouth Corners Society, were guests on the Tuesday morning radio broadcast from the Mayflower hotel in Plymouth. Interviewed were Mrs. W. C. Gemperline of Plymouth, regent of the DAR, Mrs. Claude Cruse of Northville, past regent; Betsey Merriam, Becky Coolman and Jack Cruse, all Northville members of the CAR. The program is MC'd by Joe Gentile and Ralph Bingay.

The bridegroom is the son of Mr. and Mrs. Leslie Bemish of Northville.

Father John Wittstock read the rites and offered nuptial high mass which solemnized the ceremony. Carl Stephens sang the "Lord's Prayer" and "Ave Maria".

The bride wore a dainty, floor-length white organdy gown with a fingertip veil held in place by a Juliet cap of seed pearls. She carried a bouquet of stephanotis and white carnations.

The bride was attended by Judith Huff, maid of honor, and bridesmaids Gail Lawrence and Leslie Sheehan. They wore matching gowns of white organdy with yellow accents and carried baskets of daisies.

Mr. Bemish chose as his best man Michael Green, twin brother of the bride. Ushers included George Miller and Lawrence Green, also a brother of the bride.

A reception was held at the home of the bride's parents immediately following the ceremony, attended by family and friends, many of whom came from as far as Pittsburgh, Pennsylvania.

Following a honeymoon at Mackinac Island, the newlyweds will reside in Ypsilanti where they will complete studies at Eastern Michigan college.

Mrs. Lawrence Bemish

A FRIENDLY GAME — Past-time at the Daniel DeBow household on Thornapple Lane is a fast game of cribbage. Here, Julann, seven, kibitzes with her mother while Christine, ten, works out strategy for the next play with dad.

Though they moved to Northville from Detroit, the Daniel DeBows are originally easterners, having come from Trenton, New Jersey only a year ago.

They have lived in their Thornapple Lane home since May 31, happy at last to get to the suburbs. Since its only been a few weeks she's been in her new home, Mrs. DeBow is still busy getting things in order and settled.

But the family has had time to become members of Meadowbrook Country club, where Mr. DeBow can indulge in his favorite sport — golf, of course. During working hours he is a salesman with the Continental Diamond Fiber company, a division of the Budd Corporation.

The DeBows have two daughters, Christine, who is 10, and Julann, 7. The fifth member of the DeBow family is a handsome collie, Sandy, glad to be out in the open spaces of Northville.

News Around Northville

There will be a business meeting of the Three Cities Art club on Tuesday, July 9 at the home of Mrs. Earl Becker, 47040 Timberlane.

Mr. and Mrs. John Burkman of Eight Mile road celebrated their 25th wedding anniversary Tuesday.

Carolynn Burkman, daughter of Mr. and Mrs. John Burkman, is home for the summer from studies at the University of Michigan.

Entertaining this week in honor of Mrs. Alfred Kelley, sister of Mrs. L. M. Eaton who is visiting from Portland, Oregon are Mrs. R. J. Wright of Fairbrook, Mrs. C. H. Bryan of Main street, Mrs. Clarence Davis of Cambridge drive and Mrs. Glenn Cummings of West Six Mile road.

Pamela Smith and Karen Myers spent last week on a farm at Hillsdale with their grandparents, Mr. and Mrs. Frank Myers. Karen is the daughter of Mr. and Mrs. Clayton Myers of First street. Pamela's parents are Mr. and Mrs. William Smith of Livonia.

President Dorothy Perry, Marge Rager and Florence Russell of the Northville Ladies Auxiliary of the Veterans of Foreign Wars, spent last week end in Grand Rapids at an encampment.

Kenny and Mike Myers, sons of Mr. and Mrs. Clayton Myers, are enjoying a two week vacation in Crystal Falls, Michigan with their aunt and uncle, Mr. and Mrs. Don

Hamilton, who have a cabin there.

Jerry White, son of Mr. and Mrs. Arthur Ash of West Dunlap, is on a two week trip to Florida with his sister and brother-in-law, Mr. and Mrs. Frank Light.

Hospital Corpsman and Mrs. James Wiley and son, Mark, are on their way to be stationed at the Naval Air Base at Whidbey Island, Oak Harbor, Washington where Mr. Wiley has been transferred.

Mrs. Howard Meyer of Eight Mile road spent three days last week attending the annual meeting of the Michigan Presbyterian Synodical Society at Alma college. She was the leader of a discussion group titled "The World in Revolution".

Mr. and Mrs. Eldon Biery and family of West Dunlap street returned Sunday from Burroughs Farms near Brighton, where they spent a week.

Mrs. John Rogers returned to her home in Deerfield Sunday accompanied by her daughter, Mrs. H. E. Moore, after spending two weeks with her daughter and son-in-law, Mr. and Mrs. Perry P. Taylor of Pennell street.

A family picnic was enjoyed last Sunday by the Robert Dearing's of Caldwell drive. Guests were Mrs. Dearing's three sisters, their husbands and children Mr. and Mrs. David Waara of Highland Park; Mr. and Mrs. Wilbert Aho and family of Highland Park and Mr. and Mrs. Carl Malmquist and daughter of Royal Oak.

Daniel Shaw Married in Texas

A ceremony in Houston, Texas on June 16 united in marriage Daniel E. Shaw, son of Mr. and Mrs. F. Alden Shaw of West Nine Mile road and Foto Gianukos, daughter of Mr. and Mrs. Sam J. Gianukos of Houston.

Rites were read in the Hellenic Eastern Orthodox church in Houston.

Bridesmaid for her new sister-in-law was Miss Elizabeth Shaw, sister of the bridegroom. Charles Shaw of Syracuse, New York was the best man for his brother, and

another brother, Joseph Shaw, of Longview, Washington ushered the guests to their seats.

Mr. and Mrs. F. Alden Shaw journeyed to Texas for the wedding. After their wedding trip to Nassau, the newlyweds will live in Houston where Mr. Shaw is employed by the Shell Oil company.

Married in Somerset, Kentucky recently were Miss Joyce Ann Burgess and Homer L. Profit, son of Mrs. Glen L. Salow, Sr. of Novi. The former Miss Burgess is the daughter of Mr. and Mrs. Joseph W. Burgess of Somerset. The couple will make their home in Michigan until next fall when they will return to Richmond, Kentucky to continue their studies at Eastern Kentucky State college.

Mr. and Mrs. William Milne and sons, Bill and Rick, of West Dunlap street have just returned from a ten day trip to Williamsburg and Jamestown, Virginia. One of the highlights of the Jamestown Festival, which they saw, was the International Naval Review at Hampton Roads and Norfolk, Virginia.

Four Graduate from MSU

Four local graduates were among the more than 2,000 who received degrees at Michigan State university commencement exercises on June 9.

Robert J. Barber, son of Mr. and Mrs. A. V. Barber of Nine Mile road, received his bachelor of science degree in mechanical engineering.

Leslie D. Lee, son of Mr. and Mrs. Leslie G. Lee of Fairbrook, was granted a bachelor of science degree in agricultural engineering.

Receiving her bachelor of science degree in physical education was Margaret H. Taylor, daughter of Mr. and Mrs. Floyd E. Taylor of West Eight Mile road.

Carolyn A. Schlegel, daughter of Mr. and Mrs. John M. Miller of Napier road was granted a bachelor of arts degree in psychology.

Vice president Richard M. Nixon was the commencement speaker. The spring graduating class included approximately 1,965 bachelor degree candidates and 277 candidates for advanced degrees. The diplomas were conferred by MSU president John A. Hannah.

The total of all degrees was second largest in Michigan State's history. The 1950 class was largest with 2,432 graduates.

WHY put your money in a small car?

READ THIS
STARTLING FACT

5 out of 10 Smaller Cars wear a Pontiac Price Tag —yet none gives you Any of Pontiac's Advantages

PONTIAC GIVES YOU MORE SOLID CAR PER DOLLAR THAN THE BIGGEST OF THE SMALLER JOBS!

The so-called "low-price" numbers just aren't in it—Pontiac gives you up to 8.9% more solid car per dollar! And your Pontiac dealer can prove it—with official specifications. Check them yourself. Starting with Pontiac's rugged X-member frame and continuing through every inch of the car, you'll discover engineering advances and advantages the smaller cars haven't even thought of. Then put the facts and figures to a test—with you behind the wheel. Feel the safe, solid security of Pontiac's extra-rugged heft... the way it holds the road... the absence of bounce and shake. More important, you'll discover that this big heavyweight handles like a dream in traffic or on the open road, because only Pontiac offers you Precision-Touch Controls for almost effortless steering and braking. No doubt about it—here's driving that puts the smaller cars in the shade!

NO SMALLER CAR EVEN APPROACHES PONTIAC'S 122-INCH WHEELBASE!

You can't ride on overhang—but you can on wheelbase! Pontiac gives you from 4 to 7 inches more length between the wheels where it counts! From bump-smoothing comfort to interior stretch-out room, this is real man-size bigness! Add Pontiac's exclusive Level-Line Ride suspension system and you have a car that makes the smaller jobs seem undersized and overpriced!

NOTHING ON WHEELS PERFORMS LIKE A PONTIAC... THE SMALLER CARS DON'T EVEN COME CLOSE!

Your Pontiac dealer can show you on-the-record proof that Pontiac is America's Number One Road Car. And he can give you a point-by-point comparison to show you why no smaller car can hope to imitate Pontiac's alert, effortless response to every driving demand from stop-and-go traffic to superhighway cruising... why Pontiac loads while smaller cars strain... how Pontiac's all-around performance superiority has made it the talk of the automotive writers! But don't stop with facts and figures—prove it yourself at the wheel. You'll be spoiled for smaller cars forever!

PONTIAC'S TOP TRADE-IN VALUE IS FAMOUS!

Pontiac's high trade-in value is a tradition in the industry! A quick check with your Pontiac dealer for his eye-opening offer will prove beyond a shadow of a doubt that you're getting not only a wonderful buy but a wonderful investment! So, before you spend your hard-earned dollars on a smaller car—check Pontiac and discover the easy way to break the small-car habit.

NOW! If you want the ultimate in both economy and extraordinary performance, the Tri Power Carburetion is available at extra cost on even the lowest priced Pontiac model. It's America's newest power advance and exclusively Pontiac's at so low a cost.

A Tribute To Mature Husbands and Wives

Every day the public is exposed to newspaper, movie and television stories dealing with married people who have not grown up onto maturity. Letters to marriage counselors are publicly printed wherein one spouse is seeking advice concerning solutions to problems of divorce, separation, unfaithfulness, etc. Happily married people, and there are millions of them in the world, can give a ready answer to these questions and propose a solution to these problems. Being mature people, they tell us that the most important factor contributing to a happy marriage is a good preparation for marriage.

A good preparation entails more than a beautiful courtship where the two involved get to know each other well. It goes deeper than that. A young man or woman starts very early in life by the practice of the different virtues and by self-discipline. It is much easier to grow up before 21 years of age than after the age of majority. Many men and women who know the weakness of their intended spouse during courtship erroneously concluded that they would be miracle-workers once the marriage vows were exchanged. A few, with the help of prayer, have been able to effect a change for the better on the immature spouse. But, generally speaking, a man or woman is much the same after marriage as before.

That is why emphasis must be placed on the importance of good marriage preparation. Immaturity, where a man fails to provide for the family, or a woman no longer loves her husband, or the children are neglected, springs from self-love. This self-love started long before the wedding day.

Many husbands and wives are successfully married because self-love is non-existent in their own personal lives. Each is always willing to make sacrifices for the other. Sacrifice makes love easy and perfect sacrifice makes it a joy. Look about you and see the husbands who bear patiently the cross of having a spouse who perhaps is an invalid. Love even grows stronger in cases like this because basically that man has a sincere love of God. Then, too, see the thousands of women who daily make sacrifices in a home where a husband and father is incapacitated. They do not flee but take their responsibilities well, for they are mature women. They do not pity themselves and seek another's love, because long before marriage they trained themselves with high ideals, and self-discipline and sacrifice for others.

We pay tribute, especially in this wedding month of June, to the vast majority of American people who have grown up onto mature manhood and womanhood. May God continue to bless their lives!

Conference Delegates Are Commissioned

Next Sunday during the 11:15 a.m. worship of the First Presbyterian church, recognition will be given to youths of various ages.

The following young people are among those to be "commissioned" as delegates to Church Camp and Conference for 1957:

Presbytery Point, Miss Elise Wagenschutz, John Batzer, Miss Judith Marden.
Junior Camp at Clear Lake, Ronald Lee McCollum and Larry Paul McCollum.

Sarah Grindly Camp, Miss Sherry Lee Meyer, Miss Theresa Kistler, Miss Linda Hall, John Blackburn, William M. Davis, Garrett G. Davis and Pat Meyer.

In addition to these junior high and senior high youths, older young people of the church are serving in special capacity in the church at large. Miss Barbara Weiss will be serving on the staff of the Sarah Grindly camp. Miss Priscilla Blackburn is serving on the staff at Presbyterian headquarters in Detroit. Others are serving in our community in fields of special training, including Miss Peggy Hammond, who is serving as supervisor and in the care of children at the Wayne

County Training School, and John Fisher who will be the first young adult to be sent on a "Traveling Conference".

This type of conference is composed of young men and women of the Synod of Michigan who have

served actively in their respective churches and who have some interest in the mission work of the church in the U.S.A.

Bring on the mountains! This new Chevrolet takes steep grades with such an easygoing stride you hardly even give them a thought. There's new lean-muscle power tucked away under that hood, just rarin' to handle any hill you aim it at.

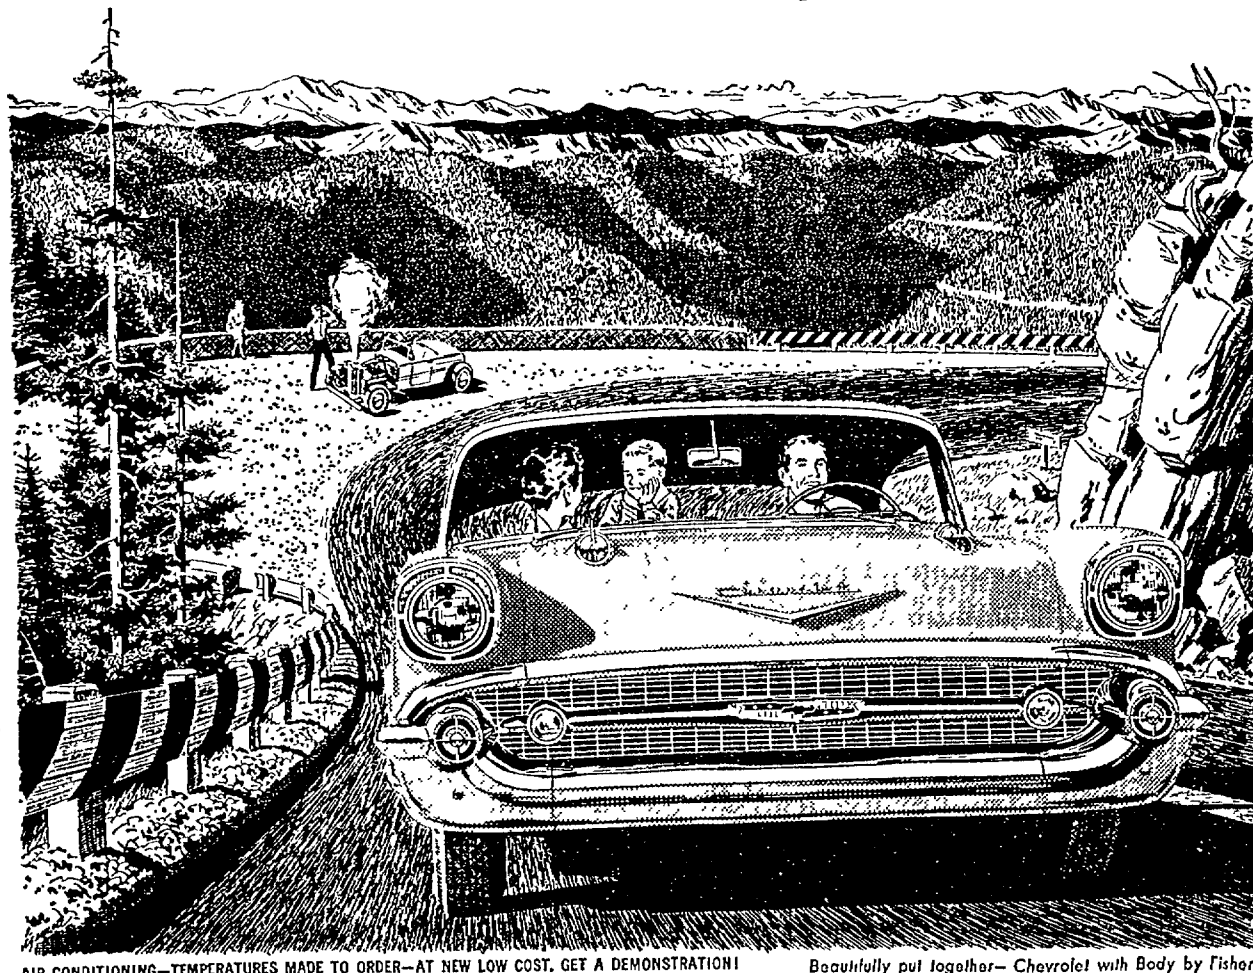

And no matter how curvy the road, a light touch keeps Chevrolet right on

course. You'll like the solid, even-keel way it stays put on sharp turns.

A car has to have a special kind of build to handle and ride and run like a Chevy. It has to have Chevrolet's low, wide stance, its outrigger rear springs and well-balanced weight! Drive this sweet, smooth and sassy performer at your Chevrolet dealer's.

Hills don't mean a thing to a Chevy!

Northville '100' Shaping Up as Battle of 'Big Three'

YOUNG ROBIN HOODS — Four archers draw their bows and take aim during archery instruction at Ford Field. Some 40 youngsters turned out for the first day of instruction last week. Left to right are: Jennifer Ratliff, Gregory Fowler, Dale Wolfran and Ray Casterline.

Recreation Notes

Are Your Kids Too Young?

Parents were reminded this week that under-age children cannot be accepted for Northville recreation department swimming trips.

"We've been getting a number of children around three and four years old," said recreation director Stan Johnston, "and we simply can't handle them."

Johnston said the daily swimming program at Whitmore lake is for children seven years or older.

"Younger children can attend, but only if they are accompanied by someone of at least junior high school age," Johnston said. "We

can't take them if they are sent with a younger child."

Johnston also noted that children under five years should not be sent to the day camp at Ford Field. Instructors there do not have time or facilities for looking after children that young, Johnston said.

A telephone has been installed at recreation headquarters in the scout hall for the convenience of parents and youngsters who have questions pertaining to the recreation program. The number is Northville 507.

Day swims last week attracted an all-time record turnout, as 886

youngsters took part in the daily trips to Whitmore lake.

Night swims have not drawn comparable attendance, however. Johnston said they may be cancelled unless more swimmers turn out in the next few weeks.

Northville recreation T-shirts are now on sale at the scout hall. Youngsters who purchase a shirt are entitled to admission-free swimming each Wednesday.

As of Monday, 684 children of all ages were registered in the program — surpassing the original estimate of 600.

Midget league baseball was well underway last week, with the playing of six league games by the 12-and-under teams. The summer schedule for older teams began this week.

The Record will begin its coverage of recreation league baseball next week.

Large turnouts were recorded in other recreation activities this week. Some 40 boys and girls attended archery instruction at Ford Field, and more than 100 were on hand for the day camp Monday.

Youngsters may still register at the scout hall for the recreation program. A charge of 10 cents is made for registration cards.

STOP THAT ITCH!

The Northville '100' is shaping up as a battle of the "big three".

If past performances are any indication, the July 4 race at Northville Downs should see either a Chevrolet, Plymouth or Ford walk off with the roses — with Chevrolet the heavy favorite.

That was the word this week from Mel Larson, a top racing driver and promoter of the 100-lap, 50-mile race for 1956 and 1957 models. Chevrolets have dominated the Midwest Association of Racing Cars (MARC) new car races so far this season, with Fords and Plymouths slipping in for occasional victories, Larson said.

The recent Automobile Manufacturers Association ban on auto companies participating directly in races will not be noticed at the '100', Larson said. MARC drivers have raced as independents all along, and the factory-support ban will have little effect on them.

Larson noted that Chevrolet — with its new fuel injection capable of producing 283 horsepower and "terrific" acceleration — has had a substantial advantage over other cars. But he expected stiff competition from two 1957 Fords with 300 horsepower supercharged engines.

Factory-supplied horsepower and suspension kits which are available through normal parts outlets may be used. Wheels, springs, shocks, axles and steering parts may be reinforced for safety. And all cars must have a roll and safety belt.

Larson also has seen to it that the spectator's safety is insured. Guard rails and fences will be reinforced around the track, and the track will be specially coated to keep down dust and allow good vision for the drivers.

Time trials will start at 7 p.m. At 8:30 p.m., a three-lap trophy dash will feature the fastest Ford, Chevrolet and Plymouth. It will be followed by two 10-lap heat races and the 100-lap feature.

Tickets are now on sale at Northville Downs. Reservations may be made by phoning Plymouth 1892-W2 or Northville 1140.

A fireworks display will be held during the racing program, and Betty Wilson — "Miss Northville Speedway" — will present the prizes to the winning drivers.

In the Pit

Vic Miller, son of Northville Dodge-Plymouth dealer, G. E. Miller, signed on last week as chief mechanic for Mel Larson, driver and promoter of the Northville '100'.

In his first job in the pits Miller serviced Larson's entry in a 300-mile race in Trenton, New Jersey Sunday. A burned-out wheel bearing forced Larson out of the race after holding a fifth place in a field of 40 cars at the 100-mile mark. Winner of the event was Sam Hanks of Indianapolis fame. Troy Rutman, Johnny Parsons and Marshall Teague were among the other well-known drivers competing.

Bob Gillick of Northville assisted Miller in the pits.

A TOP DRIVER in the Northville '100' on July 4 will be Jack Farris of Columbus, Ohio, who won the Canfield '100' in that state two weeks ago. Farris will drive a 1957 fuel-injection Chevrolet, sponsored by Northville's Rathburn Chevrolet dealership. Farris is recognized as a leading driver throughout the U.S.

Paragon Steelers Lead Little League

The Paragon Steelers moved into first place in the Novi Little League this week, as the previously undefeated National Bank Bandits went down to two consecutive losses.

The Steelers took over the league lead by edging Young Door, 13-14, and burying National Bank.

Earlier, Fiberglass handed the Bandits their first loss by downing them 6-3.

Paragon's victory over Young Door saw Jeff Crawford smash out a triple and home run, as the Steelers marked up five runs in both the first and fourth innings. Young Door came on for five in the fifth, but never quite headed the rampaging Steelers.

Against National Bank, the Steelers had the benefit of some wild Bandit pitching. Paragon picked up 10 runs in the third inning as National Bank pitchers walked eight batters.

Fiberglass, which had won only one game previously, had little trouble with unbeaten National Bank. The Sluggers were paced by hard-hitting Ron Bearden, who slammed out two triples, and Larry McCollum, who added another three-bagger.

First place Paragon has lost only one game — its opening 16-10 loss to National Bank.

The standings:	W	L
Team		
Paragon	5	1
National Bank	4	2
Fiberglass	2	4
Young Door	1	5

It is better to buy a good reconditioned well known make of softener than a new one of unknown quality. These softeners have been traded in on new Reynolds Automatic softeners and we stand back of them.

It will pay you to see us before you buy any softener. Every type and size of manually controlled, semi-automatic and the wonderful Reynolds fully automatic softeners on display. You can't beat the best and you can't beat our values. Come to see us or call collect for a representative to see you.

Learn about the unique Reynolds Rental plan.

Readers Speak Up:

An Eye to Give?

To The Editor:

It was recently announced that Mrs. Eleanor Roosevelt was among the many thousands who have generously donated their eyes to the National Eye Bank. Unfortunately, many people are still under the impression that eyes are "willed"; i.e., they believe it necessary to put this bequest in their wills.

I should like to point out once again that the wish to donate one's eyes to the Eye Bank must never be placed in a will. Time is the most vital factor and any delay makes it impossible for the Eye Bank to carry out the donor's wish.

The correct eye donor form, with an informative booklet, can be obtained by sending a post card to the Eye Bank for Sight Restoration, Inc., 210 E. 64th, New York 21, N.Y. or to myself.

There are over 25,000 known cases today who could have had their sight restored or improved through corneal transplants and therefore we hope those interested in the program will write to the Eye Bank for the eye donor pledge and information.

Mrs. Kathleen Somerville
111 Charlotte St.
Walled Lake, Mich.

Woman Loses Arm When Car Overturns

A Detroit woman lost her right arm last week when the car in which she was riding overturned on 10 Mile west of Taft road.

Mrs. Mary Kasperowicz, 61, was pinned under the wreckage and was taken to University hospital in Ann Arbor where her arm was amputated between the elbow and wrist.

Mrs. Kasperowicz also suffered a broken left arm, two broken legs and skull injuries.

The driver, Michael Spaak, told police the car overturned when he

Lightning Keeps Firemen Hopping

Novi firemen had a busy day last week as lightning storms played havoc all over the township.

In rapid succession, three homes were struck by lightning. All escaped with minor damage to their electrical systems.

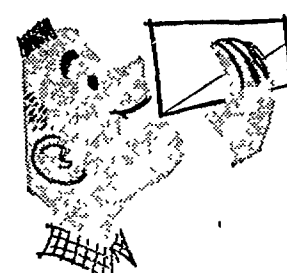

Later, lightning struck a man at Bob-O-Link golf course. He was taken to Sessions hospital in Northville and University hospital in Ann Arbor, where he was reported recuperating.

Boy Nearly Drowns

A Detroit boy narrowly escaped drowning in Walled lake last week when he injured his neck after sliding headfirst down a slide and hitting the lake bottom.

Charles Grant, 12, was rescued by the Novi emergency car crew and taken to Pontiac General hospital where doctors said he had pinched a nerve in his neck.

TRAVELOGUE

Local Artists Exhibit Works

Spotlighted only by the sun, 50 paintings and displays of silver jewelry, mobiles and mosaics went on exhibit in Northville last Saturday. They were works of members of the Three Cities Art club, displayed in an outdoor exhibit on the lawn of the First Presbyterian church. Paintings of local scenes, in Northville, Plymouth and Livonia, areas from which the club draws most of its members were included in the showing. They were placed on easels especially designed for an outdoor exhibit by Wilfred Becker, Northville member of the club.

Tied for first place in the popular vote contest in the Northville show were Marion Sober's pastel portrait, "Waiting," and Harold Stein's oil painting, "South Lyon Depot".

Popular vote winner in the two earlier shows in Plymouth and Livonia was a painting of Christ done by Herman Gabriel, Northville artist and photographer who passed

away last week. Other Northville artists who exhibited include Mrs. Harold Hartley, Mrs. Hilda Sands, Marge Owens, Astrid Wagenschutz and Mrs. Earl Becker.

For those interested in water color, Mrs. Hartley demonstrated painting with this medium. How to make tiles and design a mosaic coffee table was shown by Hilma Auvion, a painting of Christ done by Herman Gabriel, Northville artist and photographer who passed

PORTRAIT OF CHRIST — Mrs. Herman Gabriel of Northville stands by a painting done by her husband and exhibited in the three recent outdoor exhibits of the Three Cities Art club. This painting was the winner of the popularity vote in both the Plymouth and Livonia shows held several weeks ago.

BY POPULAR CHOICE — "South Lyon Depot", a painting by Harold Stein of Plymouth, tied in the popular vote contest at the Three Cities Art club show on Saturday. To the left of the painting are club member Mrs. Olive Zick of Livonia, and a friend. The other winner in the vote was a portrait titled "Waiting" by Plymouth artist Marion Sober.

Moving's No Problem for McKinneys

THE NORTHVILLE RECORD—Thursday, June 27, 1957—9

ONLY the basement hole remains and McKinney (right) ponders the problem of removing a large food freezer. At left is the Rev. Ivan Hodgson, former minister of the local church.

STARTING out on its trip to a new location, the house makes a careful turn at Center and Dunlap as workman (top of picture) watches power line clearance.

When the James McKinneys move, they believe in going all out.

Last Wednesday they changed their addresses, but not houses. While curious passers-by watched, the McKinneys leisurely "rode" from 115 West Dunlap to 131 Rayson in their house. It wasn't necessary to pack a single dish or suitcase. Even the pictures remained on the walls as house-movers tugged the large frame home to its new address.

The McKinneys sold their "lot", but not their house, to the First Methodist church. The lot will be used for city parking until needed by the church for expansion.

PERSONAL LOANS

"Got some bad news last night. Our water heater sprung a leak."

"You ought to get a new electric heater. Gives you all the hot water you want—long lasting, too."

SOMETHING NEW IN ELECTRIC WATER HEATING!

Only electric water heaters give you all these important advantages:

- ☑ Safest water heater built—flameless
- ☑ Plenty of hot water—24 hours a day
- ☑ Install anywhere—no flame, no flue
- ☑ Efficient—no heat wasted up a flue
- ☑ Cleanest—no soot, it's all-electric
- ☑ Cool to the touch—top to bottom
- ☑ Long lasting—built to rigid Edison standards

They add up to the finest hot water service ever offered in Southeastern Michigan

See them at your dealer's, plumber's or Edison Office

NOTICE OF PUBLIC HEARING ON PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NOVI NOVI, MICHIGAN

NOTICE IS HEREBY GIVEN that a Public Hearing will be held on a proposed amendment to the Map and Text of the Zoning Ordinance of the Township of Novi to include the changes as follows:

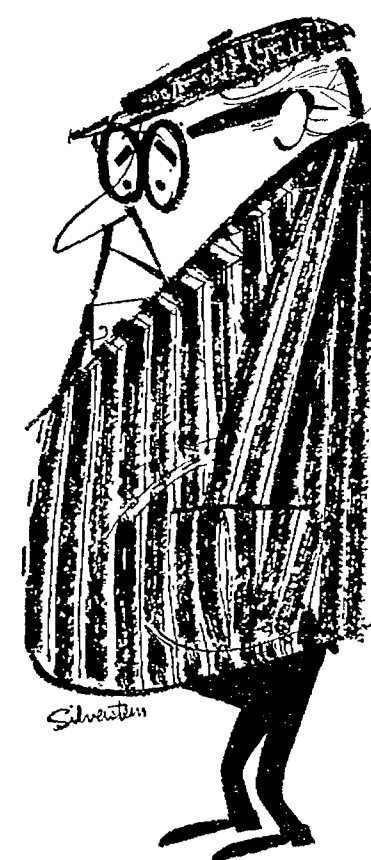

- (a) To change all of the area in the south ½ of Section 24 now zoned R-1-F lying south of Grand River to an R-1 Classification.
- (b) To change all of Section 25 now zoned AG to an R-1 Classification.
- (c) To change that part of the N.E. ¼ of Section 26, except that part as described in (c) below, and the east portion of the S.E. ¼ of Section 26, approximate 1970 feet wide from an AG Classification to an R-1 Classification.
- (d) To change the north ½ of Section 36 from an AG Classification to a R-1 Classification.
- (e) To change that area lying west of the C-1 District at the S.W. corner of Meadowbrook Road and Ten Mile Road for a distance of 50 feet and a depth of 450 feet from an AG Classification to a C-1 Classification.
- (f) To change an area of about 9½ acres located in the S.E. corner of the N.W. ¼ of Section 2 from an R-1 Classification to an R-3 Mobile Home District Classification.

This hearing will be held at 8:00 o'clock P.M. Eastern Standard Time at the Township Hall, located at 28580 Novi Road, July 2, 1957.

NOTICE IS FURTHER GIVEN that a copy of this Map may be examined at the Township Hall during the office hours each Monday through Saturday until the date of the Public Hearing.

NOVI TOWNSHIP ZONING BOARD

William Flynn, Secretary

Our sad-faced friend is Bill McGoo,
Who thought he'd bought a car brand-new;
And while he got a "special deal"
His disappointment he can't conceal!
While others drive in Swept-Wing style
Poor Bill just mutters curses vile:
"They got new styling, features, too—
"I bought a 'deal'—boo-hoo, boo-hoo!"

Moral: Yesterday's looks and features are no bargain at any price!

No car is a bargain if it's obsolete in styling and engineering features. And the Swept-Wing Dodge actually *obsoletes* other cars in its field with its low, low look of tomorrow and revolutionary advances like Torsion-Aire Ride, Push-Button TorqueFlite and Total-Contact Brakes. So don't get "bargain-talked" into yesterday's styling and features. The *same money* buys the car that's years ahead. See your Dodge dealer. Join the swing to the Swept-Wing Dodge.

New Tax Begins July 1

CIGARETTE and liquor tax increases to collect another \$25,000,000 for school aid will go into effect July 1.

The controversy swirling about their enactment will last much longer than the law, which will expire in a year.

Gov. Williams cited "moral offensiveness" in tying the fortunes of educating the young of the state with the smoking and drinking habits of adults.

He left a lot unsaid in his message to the people and the legislature, informing them he would not veto the tax increases.

School people made it known early in the legislative session they would need more money than their two-thirds of the state sales tax is expected to provide — about 24,000,000 more.

Small groups of educators opposed liquor and cigarettes as products on which schools should depend.

The most vocal majority said they didn't care much where the money came from, just so long as programs could be continued and the 70,000 new students expected next year could be instructed.

Church leaders opposed the idea on moral grounds, Williams added that the market is too unsteady to provide a positive sum, the liquor and cigarette industries said their taxes already are too high.

The governor referred only slightly to his eight-year campaign for a corporations profits tax.

The Williams theory is that business and industry would have to absorb the tax without passing it along to the consumer, or price themselves out of the market.

Business leaders argue that this is not the case. They declare that higher taxes in Michigan puts them at a competitive disadvantage with manufacturers in other states; that the tax difference would be so great that they must sell their products at a higher price. They are concerned that they will lose much business and this they point out, would produce much unemployment.

Reaction to the governor's continuous proposal about corporate profits taxes has become so pronounced that the controversy is receiving nationwide attention. It has made it more difficult to interest new industries in locating in Michigan.

There are those who think it will also make it more difficult for Gov. Williams to win a spot on the Democratic national ticket in 1960, should he be aiming in that direction.

Unfavorable publicity for the governor has been a source of satisfaction to some of his political opponents. They feel that he has never been sympathetic to problems of industry and business and that the tax fight has dramatized this lack of harmony to his disadvantage.

But the signing of this year's tax bills created another situation which follows the government pattern in Michigan.

Two legislators have asked for complete revisions of the state tax structure, with experts, from within and outside the state to do the spadework.

Williams said he would support them "if they are unbiased," and later might appoint his own citizen's group to make another investigation.

The best bet is that the state, with a \$16,000,000 deficit staring it in the face for next year, is going to have a lot of tax wars in the next few years.

WHAT IS MICHIGAN doing about getting ready for the St. Lawrence Seaway?

There was a study by a special legislative committee last year. It came up with a series of law changes to make it easier for communities to help themselves.

Tenor of the recommendations was that cities and regions should do most of the work, get most of the business, and most of the credit for turning the state into a world trading area.

Some parts of the program were passed and signed into law, those making it easier for cities and regions to set themselves up to operate a port.

But there is still a snag — taxes. So, the legislature ordered another study made this summer of the effect of local property and personal taxes on creation of port areas.

Millions of dollars are involved in the taxes on goods stored in warehouses, the levies which include docks and the use of them by foreign freight-carrying ships.

The governmental changes to be wrought by the seaway will be many.

For instance, one state official urged that the state make certain that a certain number of acres of productive farm land be reserved, indicating that the press of business and industry for space will make food-producing land scarce.

IT FINALLY HAPPENED.

A meeting failed to show up for the speaker.

Lt. Gov. Philip A. Hart, much in demand as a speaker on varied subjects, was invited to address a group of furniture industrialists in Grand Rapids.

He arrived speech in hand. The hall was darkened. A hurried conference by telephone with the people in charge disclosed a slight error, on the part of the organization. The meeting was to be held a week later.

Hart, billed as "one of Michigan's first full-time lieutenant governors", was inconvenienced but undismayed. He returned to make the speech a week later.

Roger Babson

Atoms to Improve Farming

New Boston, N.H. — For several years a member of my organization has been attending the annual Chemurgic Conference in the Central West. These meetings are to help farmers market their crops for industrial purposes and not merely for food. People will always be able to spend money on food shelter and luxuries but a rich person can eat no more than a poor person and probably not as much. However, the percentage of fruits and green vegetables consumed increases considerably more than the demand for wheat, corn, potatoes and other staples. Progress along chemurgic lines will increase the value of much farm property.

Atomic Wonders

Atomic wonders may revolutionize farming. There is much discussion in newspapers today about the dangers of a hydrogen bomb. It is feared that these "fall-outs" may result in the birth of babies with two heads or with some other deformity. This would be very unfortunate for people, and might also affect cattle and fowl; but atomic farming may be a worthwhile new development in the case of agricultural products.

The spraying of fruit and other trees to kill destructive insects may be entirely changed. Instead of being sprayed as at present, they will be sprayed with electrical rays. This will enable the birds to come back again. These birds will soon kill off insects and enable the chemurgic cycle to progress as God intended.

The Gibberellin Wonders

Some years ago the Japanese noticed that plants which adjoined a plant with a certain fungus had a remarkable growth. This was found amongst the rice plants especially. Later this fungus was reduced to an acid and used in the ratio of 0.1

to 10 parts per million parts of solution (usually potassium salts and water). Exhibitions are reported where you can almost see the plant grow from hour to hour. The sprays are fairly cheap and — although not yet passed by the Food and Drug Administration — yet they may revolutionize fertilizers. Instead of mixing chemicals with the soil, the seeds, sprouts and leaves of the plant are sprayed.

Experiments show that this spraying results in taller forest trees, better yields for pulpwood, and improved fiber crops, such as cotton. Gibberellins also lengthen the stems of flowers, hasten development of transplants, and reduce the work of farmers and gardeners.

Improving Pasture Lands and Lengthening Seasons

Gibberellins make grass greener in pastures. In Florida, where ten acres are now needed to pasture cattle, only three acres may be needed with the use of Gibberellins. Texas cattle may be fattened in their native pastures instead of being sent to Kansas or other Central States for fattening. It is rumored that Gibberellins may reduce the price of the best steaks to one half their present price. In fact, the entire price structure of cattle, hogs and other grass-fed animals may be revolutionized.

But this is not all that the Gibberellins can do. They may make the raising of fruit, corn, and other products which are subject to frosts a safer business by extending the growing season.

Price of Farm Land

Although these developments discussed above may hold down the price of farm products, they could easily increase the price of farm land. Don't be too quick to sell your farm land. This especially applies to small farms near cities where the land could be divided up

for residential properties. Also, remember that the new highway systems to be built by the government may elongate cities. That is, instead of a city being five miles square as the average city is today, it will be one-half mile wide on each side of the new highway and 10 miles long. This should greatly improve the price of certain present unprofitable farm land. Besides, one of the new "rare earth metals" may be found on your farm — some of which I will mention: Cerium, Dysprosium, Erbium, Europium, Gadolinium, Holmium, Lanthanum, Lutetium, Niobium, Praseodymium, Promethium, Samarium, Terbium, Thulium and Ytterbium.

In less than two minutes you can actually feel the difference and see exactly how much faster the Revco freezing principle is. In two minutes you'll immediately recognize the sleek lines and beautiful design of Revco freezers. You'll be thinking how easy it will be to place it in your kitchen, utility room or any convenient spot in your home. And when the two minutes are up, you will realize how much you will save on electricity! Adding up all these advantages will prove to you that Revco is your best buy in freezers.

All styles and sizes of Revco freezers have this faster freezing action giving you wide selection to exactly meet your requirements.

Northville Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday evening, June 17 at 8 p.m.

Present: Mayor Claude N. Ely, Councilmen Allen, Canterbury, Reed, and Welch.

Minutes of the last regular meeting were read and approved.

Bills in the amount of \$28,075.96 from the General fund and \$263.95 from the Water fund were presented for payment. It was moved by Reed, supported by Welch that the bills be approved for payment. Carried.

Moved by Ely, supported by Canterbury that Mr. Larson, promoter of the automobile races at Northville Downs, meet with the City Manager, police chief and fire chief and work out police and fire protection re-imbursement and other details for the races scheduled for July 4. Carried.

The taxicab license was awarded to Mr. Ernest Seaman of Northville. It was moved by Allen, supported by Reed, that the Methodist church lease agreement be adopted. Carried.

It was moved by Reed, supported by Canterbury that city manager Robertson be granted authority to obtain proper equipment and chemicals to try and clear up the rusty water condition of Northville water. Carried.

Mayor Ely moved that the city manager be authorized to invest up to \$100,000 of general fund money

in Federal Government bonds and invest Rural Hill trust fund monies in Manufacturers National Bank savings account until some better paying investment can be found. Supported by Reed. Carried.

It was moved by Reed, supported by Canterbury that additional appropriations from cash surplus be made as follows:

Administration	6,000.00
Elections	155.00
Police	8,000.00
Insurance	220.00
Streets	10,200.00
Rural Hill Cemetery	860.00
Misc.	14,793.00
	40,228.00

Carried. It was moved by Welch, supported by Ely, that the recommended salary increase for the Building Inspector be approved. Carried.

No further business appearing, the meeting adjourned at 11:15 p.m.

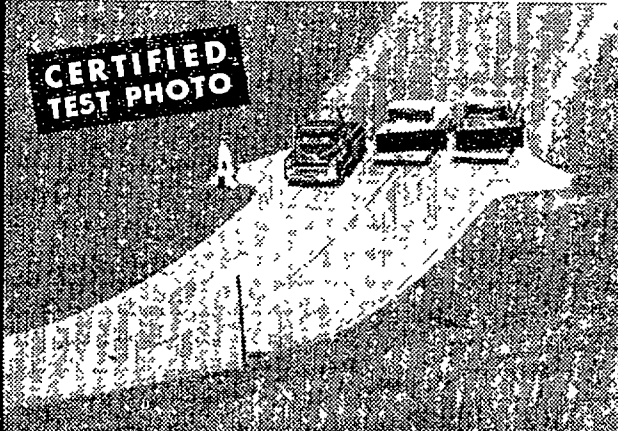

(Signed)
Lillian Duerson
Acting Clerk

Awarded Band Letter

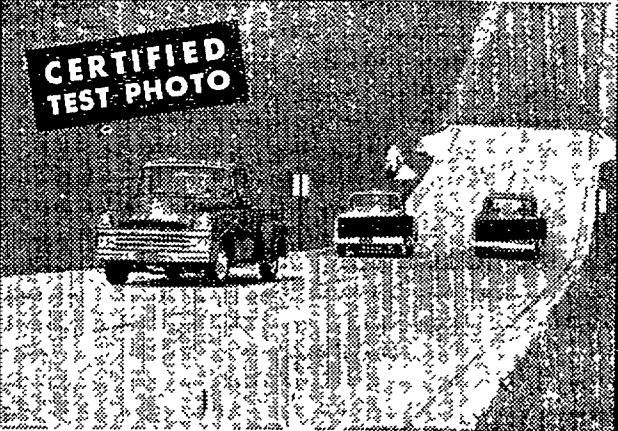

Orville Somers of Northville was among 14 Detroit area students who received special recognition at the honors assembly at Ferris Institute at Big Rapids recently. He was awarded a band letter "F" for excellent work in musical extracurricular activity.

See actual road-test proof!

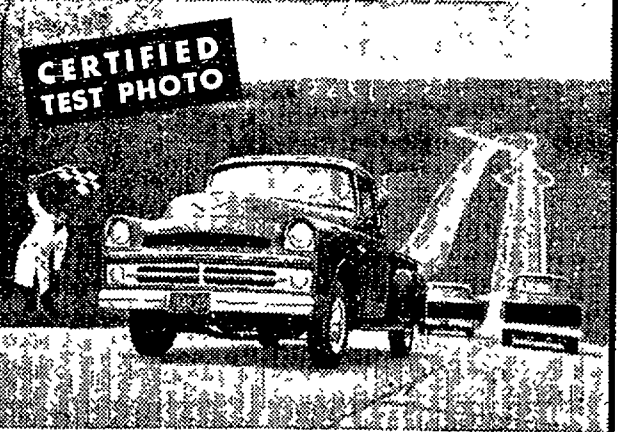

DODGE outperforms
"other two" low-priced trucks!

They're off! All three low-priced trucks are lined up at the bottom of a test grade equal to the steepest hill in San Francisco. The flag drops, and this grueling test of climbing power is officially underway. Dodge takes an early lead.

Halfway up. The extra V-8 power under the hood of the Dodge sends it quickly ahead. It's already two lengths out front. And there's a 1000-lb. test load on each one of these comparably equipped trucks. What's more, Dodge is still gaining!

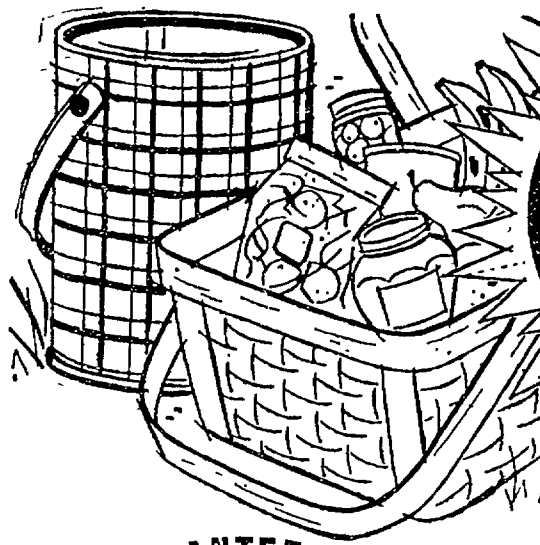

Dodge flashes past the finish five lengths ahead of competition. Truck "C" and truck "F" just couldn't match that 204-hp. Power Giant. And this is just one of a rugged series of tests that prove Dodge is best of the low-priced three.

● Your Dodge truck dealer has proof that Dodge leads in many ways. Come in ... see other certified test-photo sequences ... and take a demonstration ride!

Willowbrook...

Mrs. Ronald Jennings of Holly Dale served luncheon Thursday to Mrs. Francis Jennings of Novi and Mrs. George Scott of Lansing.

The Bill Reisses of West LeBost had as their week end guests, Bill's brother, James, of VanNuys, California.

The Cornell club sponsored a formal dinner dance at Grosse Pointe club Friday night. Cameron and Mims Campbell of Malott attended.

Bridge club was held Tuesday night at Barbara Coon's home on Malott. Nancy Blorton was a guest player. Nora Blackwell won the first prize and Fay Dukes came in second. Mary Ann Brower took home the consolation prize.

New Residents

We would like to introduce you to three new families in Willowbrook.

Donald and Ruth Pullen of 41160 Ten Mile road have moved here from Denver, Colorado. Their son, Wayne is 15 and they have eight-year-old twin girls, Diana and Darlene. Mr. Pullen is the manager of Oakland Hills Memorial Gardens and has his office in Farmington.

He is also the executive secretary and manager of the Greater Farmington Area Chamber of Commerce. The Pullens used to show horses in Colorado and are very fond of horseback riding. They plan on getting in some fishing and swimming this summer.

Gerald and Hedy Marquie of 24030 Glen Ridge Court are former residents of Allen Park. They have one daughter, Marjorie, who is six. Mr.

Marque is employed by the American Aircraft Parts Manufacturing company in Dearborn. Their many hobbies include tennis, gardening, ice skating, ballet and chess.

Dennis and Sharie Killeen of 40940 Malott moved here from Beck road in Novi. Their son, Patrick is two years old and Shannon is nine months old. Mr. Killeen is employed by Truck Transport company. They have a large gun collection and both Dennis and Sharie enjoy hunting.

Mr. and Mrs. Robert C. Bailey of 40539 West Ten Mile road have just returned from a two weeks vacation trip south. Enroute to Miami, Florida they visited Charleston, South Carolina to see their nephew, Harry R. Tear, Jr. of Evanston, Illinois, graduate from The Citadel.

Guests Honor Henry Schnute On 80th Birthday

Henry Schnute was pleasantly surprised Sunday at a dinner served at Black's White House, the occasion being his 80th birthday.

Guests included Mrs. Henry Schnute, Rev. and Mrs. A. F. Schnute, Elaine Shirley, Billy, Carol and Marilyn Schnute of Detroit, Mr. and Mrs. Arthur Schnute, Donna and Jerry Schnute, Miss Selma Schnute, Mr. and Mrs. Gilbert Susick, LuAnne and Roger Susick of Warren, Michigan, Rev. and Mrs. B. J. Pankow, David and James Pankow, Mr. and Mrs. Julius Feole, Mr. and Mrs. Harry Larkin, Danny and Jerry Larkin, Mr. and Mrs. George Lien, Tom and Donna Mae Lien, Mr. and Mrs. F. W. Sterner and John Dirker of Saginaw.

After dinner, the group gathered at Mr. Schnute's home on North Center street. Mr. Schnute was the recipient of many gifts and congratulatory messages from his friends and his music students.

Another son, Milton Schnute, lives with his wife and three children in Hot Springs, South Dakota.

A NEW PASTORATE — Beginning duties as minister of the First Methodist church of Northville this week was Reverend Paul Cargo, who came to Northville from a four year pastorate in Marquette. Seated are Mrs. Cargo, holding son Paul, five weeks old; Sarah, three, and Rev. Cargo. Standing are Elizabeth, five, William, ten, and Cynthia, eight.

Obituary

HERMAN JOHN GABRIEL

Mr. Gabriel, who lived at 109 South Wing street, died Sunday, June 22 at Atchison Memorial hospital. He was 62 years old and had lived in Northville for the past 11 years.

Mr. Gabriel was a member of the Three Cities Art club, the Scarab club of Detroit, the Northville Camera club and the Bluebell Camera club. He is survived by his wife, Beulah; a sister, Mrs. Elsie Salisbury of Detroit, and two brothers, Fred of Detroit and Theodore of Dearborn. He was a member of the Unity church of Detroit. Services were held Tuesday from the Casterline Funeral Home, Rev. Eric Butterworth of the Unity church of Detroit officiating. Cremation will take place at Evergreen cemetery.

MRS. LEONA FOX

Funeral services were held Saturday, June 22 for Mrs. Fox, who died Wednesday, June 19 at William Beaumont hospital in Royal Oak. She and her husband, Charles, who survives her, lived on High street in Northville several years ago. They moved to Novi, then to Madison Heights, Michigan where they were making their home at 545 East Dallas street. Mrs. Fox was born in Clyde, Michigan to George and Carrie Hubbard Mosher. She was 69 years old. Surviving are her husband, Charles; daughters Mrs. Arthur Moffat of Farmington, Mrs. Jesse Wheelchel of Denver, Colorado, Mrs. Glenn Smith of Ferndale, and a son, Charles Fox, Jr. of Madison Heights, Michigan. Also surviving are three brothers: Walter and Roy of Lansing and Dewey of Windsor, Ontario, and six grandchildren. Services were held from the Casterline Funeral Home, Rev. Peter Nieuwkoop of the First Baptist church officiating. Burial was in Oakland Hills Memorial Gardens.

AMVETS Parade As 'Spirit of '76'

Three Novi AMVETS will take up fife, drum and blood-stained bandages and appear as "The Spirit of '76" in the annual state AMVET convention in Detroit this week end.

Commander Bob Gazley, Gordon Promo and Stan Balon will portray the famous threesome in a spectacular parade down Woodward avenue Saturday afternoon.

The local post — Perry Kenner Post 76 — decided on the historical

motif because it coincides with the post number.

The three and Charles Trickey, Jr. will represent the Novi post and are expected to support district commander Fred Solomon for state finance officer and Anthony Renne for state judge advocate.

The convention will also feature the naming of "Miss Michigan AMVET". See separate story, this page.

TAKING TIME OUT from rifle practice at Pontiac Recreation area last week were Marine Reservists Pfc. Charles Herbert of Ypsilanti, Pfc. Henry and John Fisher of Northville (kneeling), and Pfc. Bob Riley of Milan and Pvt. John McClue of Britton (standing). Henry and John Fisher are the sons of Mr. and Mrs. Philip Fisher of Currie road. All the boys are members of the Ann Arbor platoon of the 15th Special Infantry Co. of the Marine Corps reserve in Dearborn.

How Many Miles To The Gallon Are You Actually Getting? Now You Can Know With This

"Stop guessing about your gas mileage for free. MILE-O-DIAL that enables you to make an accurate check on the gas consumption of your present car. Then accept our invitation to drive a Rambler equipped with a special gas mileage tester. See for yourself how many extra miles per gallon you can get in a Rambler, the car that costs less to buy and brings more when you trade or sell. Make this free test today. No obligation. It is a lot of fun. Come in now."

NO HEAVEN ON EARTH

Christianity was not designed to make a heaven out of this earth. Its main emphasis throughout is the preparation of individuals for the life which is to come.

The present purposes of God are made plain in Acts 15:14 where it says,

"How God at the first did visit the Gentiles to take out of them a people for his name." Through His saving and sanctifying work He is fitting a people for the place called heaven. Surely the effects of their changed life is merely the by product, not the aim. Christians shall always be the salt of the earth, acting as an anti corruption agent which retards the decay of sin, but they shall never cleanse and purify this earth so that it shall be a heaven on earth. Now all of this is so contrary to the Social Gospel advocates. This other worldliness is not at all acceptable to them for their emphasis is on man's relation to man, and not man's relation to God. They have forgotten that man's first responsibility is to God as outlined in the first commandment. Christians are like Abraham who looked for a city which hath foundations whose builder and maker is God.

Decorating

— by BLUNK'S

IDEAS No. 5

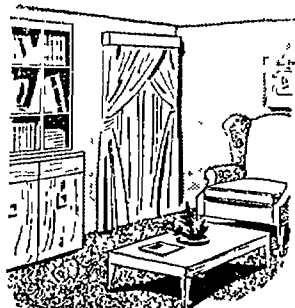

Member of the Grand Rapids Furniture Makers Guild

DON'T ACCENTUATE LOW CEILINGS...

... by having large expanses of plain vacant walls in a low-ceilinged room — or by using high massive furniture that will crowd the ceiling and make it appear lower than it really is. Avoid using too much furniture, and too many fussy accessories. Use tried-and-true decorator tricks, too.

MAKE CEILING APPEAR HIGHER...

... by painting it several shades lighter than the walls ... then hanging groups of eye-catching pictures lower than you would ordinarily. Low, sprawling modern chairs and sofas are excellent in low-ceilinged rooms. Solid color walls are best — but stripes (up-and-down) and plaid wallpaper will make good ceiling heighteners.

You Can Be SURE of TOP QUALITY! At Reasonable Prices.

Lamp tables of just the proper height for casting light on reading, work or games are one of the most important factors in living room comfort. Our new selection includes several styles in light and dark finishes. Must be seen to be really appreciated. Budget prices start at Each \$19.95

Come in and talk over your furniture problems with us. We have a wide assortment of lovely furnishings for every type room. It will be our pleasure to show them to you. Come in today!
