

WATCHMAKERS — Harry Edsall of Northville, Goodwill representative at Maybury Sanatorium, gets a part order from two tuberculosis patients who are taking part in the new Maybury program. Edsall coordinates Goodwill's part of the program with officials at the sanatorium, and works hand in hand with the patients.

Maybury Lauded for Program

A new rehabilitation program that helps tuberculosis patients back to a normal life nearly half a year sooner than was once possible has gained national recognition for Maybury Sanatorium in Northville.

And if possible, the program will soon be expanded so that Northville and other nearby communities can take part in it.

Maybury's recognition came in the form of an award to Detroit Goodwill Industries, which participates with Maybury in the program. The award, conferred by the National Conference of Goodwill Industries, cited the Maybury program as the best of 120 projects conducted by Goodwill organizations throughout the U.S.

The program is as simple as it is

successful. Its heart is a group of well-furnished workshops where some 20 men repair watches, re-sole shoes, fix radios, or construct projects out of wood and metal.

These are men who have entered the "negative" stage of tuberculosis—the stage at which the disease is checked and recovery is within reach.

But before patients can return to their former life—a full-time job, normal recreation, ordinary exercise—doctors must first be certain that they can bear up to the strain. If not completely cured, they may suffer a relapse and again be subdued by the lung-infesting TB bacilli.

In the past, doctors have made sure of complete cure by enforcing a four-to-six month "safety period" in which former patients continued to rest and lead an inactive life.

But through the new Maybury program patients are given work to do shortly after they reach the negative stage. Charts are kept, X-rays are taken, examinations are made—and through it doctors know exactly how quickly a patient is gaining his strength back.

Then when the patient's "work tolerance" is sufficiently high, he is released. In most cases, this has done away with the "safety period" and former patients can return to their normal lives immediately, knowing that they are cured.

To make sure they do not suffer a relapse even then, patients are required to return to Herman Keif-

er hospital for check-ups and further X-rays for five years. But so far, not one patient has tumbled into a relapse.

Says Dr. W. L. Howard, medical superintendent of the hospital, "We feel rather proud to have pioneered this program for the first time in a tuberculosis sanatorium. It has been tried before in some cases—notably veterans' hospitals—but never before has it been directed specifically at TB patients and their particular type of disease and recovery."

The project has proved so successful that an expansion program is planned. Some 26 patients—paralytics, cardiacs, amputees, polio victims and mild psychotics—will soon come to Maybury for a study of their work tolerance.

In addition, Dr. Howard will open a new craftshop next month to provide time-passing activity for patients who probably never will leave Maybury.

Now Dr. Howard wants to expand the program even further—and bring Northville and other nearby communities into it.

As he sees the new program, various organizations in the Northville area could bring projects to Maybury for the patients to work on. In that way, he feels, the communities around Maybury will be giving patients something worthwhile to do, and at the same time they will find a ready labor force to carry out many of their routine projects.

Merchants, City Plan Committee For Parking Study

Thirteen Northville merchants unanimously agreed Tuesday evening that the financial burden of providing offstreet parking should be shared between the city and businessmen.

Meeting with the city council the Retail Merchants Association members called for the formation of a joint city-merchant committee to work out a long-range plan for providing offstreet parking in Northville.

The session, called by the merchants' association, came after a preliminary meeting with the city manager last week. At the first meeting, merchants in the area bounded by Wing, Dunlap, Center and Main streets had called for a general assessment of all business to help provide parking. In particular, these merchants are anxious to complete alley and parking plans directly behind their stores.

When Tuesday's meeting got down to bare details it was evident that some difference of opinion existed between the merchants. Those in the Main street area who had already helped provide parking behind their own stores were reluctant to commit themselves to help pay for parking behind the stores on the west side of Center street.

Nelson Schrader, furniture store owner, opened the meeting by calling for a long range plan, supported by the city and merchants, that would provide parking now and for the future. He called for the council to provide the leadership for a "cooperative plan with cooperative financing."

Councilman John Canterbury pointed to legal difficulties in as-

(Continued on Page 12)

Langfields Rescue Drifting Teenagers

Northville's former mayor, C. E. Langfield, emerged Wednesday as the hero in a rescue of two boys adrift on Lake Michigan.

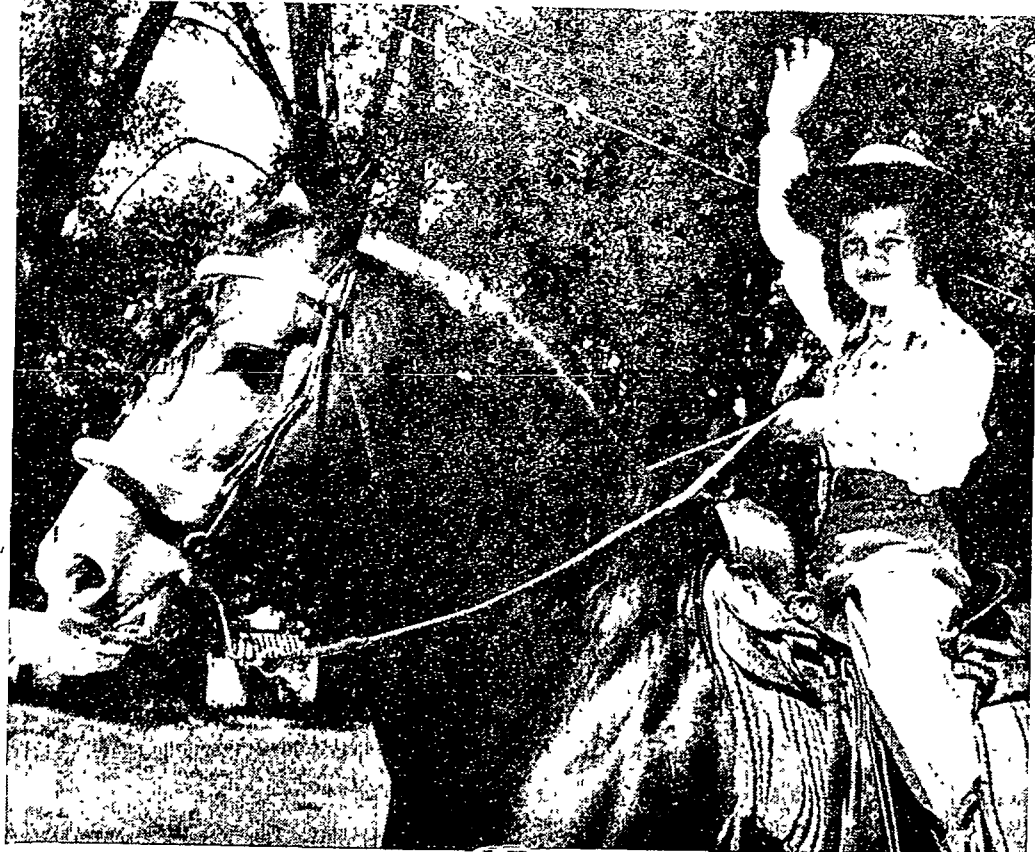

Langfield, president of Northville Laboratories, was credited with saving the lives of two Kenosha, Wis.-born boys, age 13 and 15, who had been drifting for 40 hours on a "Huck Finn" type raft.

The boys, hungry and munched on seaweed, were picked up about 5 miles from Waukegan, Illinois by Langfield's yacht "No-La-Van". Mr. and Mrs. Langfield, taking a business trip to Chicago, fed the boys and notified the Coast Guard by radio of the rescue.

YUM SLURP... OH BOY, WATERMELON — Big mouthfuls of watermelon went down the hatch at the American Legion melon-fest on the Fourth of July. Here, David Wright takes aim at the waste can, while Ricky Martin and Bill Straud (on the right) get ready to dig in again. As for the little guy on the left and the fellow in the center, they were too busy with their watermelon to give us their names.

Here Comes the Rodeo, Podners

PRINCESS AND HER PONY — Judy Williams, seven-year-old daughter of Mr. and Mrs. John Williams of Eight Mile road, waves an invitation to the Northville Optimist rodeo and junior horse show at Northville Downs this Sunday. Judy will serve as princess of the rodeo. With her is her prize-winning mount "Quiz Kid."

Nearly 100 young riders will saddle up in Northville Sunday afternoon for a dust-kickin', bronc-bustin' rodeo the likes of which hasn't been seen since Buffalo Bill hung up his spurs.

The Northville Optimist rodeo and junior horse show will have everything from crack drill teams and fancy riders to comic events and traditional riding competition.

The gala western afternoon will begin at noon Sunday when riders assemble for a high-strutting parade through the city to Northville Downs. The rodeo itself will begin at 1 p.m.

The rodeo will mark a departure from the traditional Optimist junior horse show which, for the past eight years, featured formal riding events and equitation competition.

Highlights of the rodeo will be the appearance of "Sagebrush Shorty", popular cowboy star of a children's television program, and the crack Oakland county sheriff's posse, one of the best drill teams in the state. The Detroit police mounted drill team will be unable to attend the rodeo as originally planned.

In all, 13 events are planned. They are expected to attract more than 100 of the best junior riders in the state. Contestants will range in age up to and including 17 years.

The show will include stiff 4-H horsemanship competition between members of clubs from Plymouth, Ann Arbor, Inkster, South Lyon and Belleville.

Other events include: —bare back bronc riding for professional riders only (three sections).

—rescue race, in which riders race to the end of a course, pick up a "stranded" sidekick, and return.

—bending race, in which riders lead their mounts through an intricate keg-march course.

—musical chairs, a horseback version of the popular childhood game.

—quarter horse race over a half-mile distance.

First-place winners will receive trophies and ribbons while second and third place finishers will be presented ribbons.

A rodeo queen will be crowned during the show on the basis of points earned by participation in the afternoon's program. The queen will receive a trophy for her title as well as other prizes.

Judy Williams, seven-year-old daughter of Mr. and Mrs. John Williams, will reign as princess of the rodeo.

The rodeo will mark the 41st year of horse shows in Northville.

Proceeds from the shows are used by the Optimists in their traditional youth activities.

General chairman this year is Max Austin, and rodeo manager is Lincoln Friend. J. P. Malley is serving as technical advisor.

Other chairmen for the Optimists: George Clark, advertising; Don Hammabarger, concessions; Dr. L. W. Snow and Gerald Taft, trophies; Dr. Waldo Johnson, club ticket sales; Harry Richardson, tickets and gate; Merrill Sweet, boxes.

Tickets may be purchased at the gate or from members of the Optimist club.

Citizenship Dinner Plans Underway

Plans were underway this week for the annual citizenship banquet of the Northville Coordinating council to be held in early September.

Sponsors for this year's affair are the three men's service clubs of Northville—the Rotary club, Exchange club and Optimists.

The dinner is presented annually to honor residents who have become 21 years of age during the past year and those who have become naturalized citizens of the United States.

Sponsor for last year's banquet was the Sarah Ann Cochrane chapter of the Daughters of the American Revolution.

At that time, 28 and 4 naturalized citizens were presented certificates of recognition.

Committee members for the next banquet are anxious to receive the names of those who are eligible for recognition at the affair. Everyone is asked to submit the names of those they know who have turned 21 or have become naturalized citizens to "21ers", Post Office box 277, Northville.

Storms Go Easy On Northville

Windstorms that lashed areas to the north on the Fourth of July and rains that flooded basements and highways to the east on Monday were relatively easy on Northville.

No violent damage was reported in Northville's holiday storm although it sent several thousand auto race fans home from Northville Downs (see page 5). In Novi winds damaged homes, garages and uprooted trees. It also caused one of the worst traffic jams in Michigan history on Grand River avenue. The highway was strewn with trees causing a line of cars from Detroit to New Hudson.

Bob-O-Link golf course on Grand River had several large elms uprooted and scattered over its fairways. Power failures occurred in Wixom and at the new Lincoln plant.

City Manager John Robertson reported that only two calls of flooded basements were reported following Monday's downpour of more than two inches of rain. Detroit Edison had one power break. Falling limbs apparently broke a power line at East Baseline and Novi road. Service was out from 9:00 a.m. until 2:00 p.m. from Napier to Meadowbrook and in the Oakwood subdivision area.

H. Ray Richardson Dies After Illness

Funeral services were held Saturday for H. Ray Richardson, former local businessman who was active in Northville community affairs.

Mr. Richardson died Friday at Atchinson Memorial hospital after a long illness.

He was manager of the Warner-Richardson Condensory in Northville and a building contractor.

In addition to being former member of the Northville board of education he had been on the Northville-Wayne County Fair board and a member of the Northville Driving club.

Mr. Richardson was born in Northville on October 7, 1883 to Thomas G. and Jennie Richardson. He was married on March 2, 1910 to Coral Ruthruff, who survives him.

Other survivors include a daughter, Mrs. Arline Biery, a son Harry, sisters Mrs. Maude Bennett and Mrs. Charles Murphy and a brother, Glen E. Richardson, all of Northville.

Also surviving are five grandchildren.

Services were held from the Dempsey B. Ebert funeral home, Mr. George Spriggs, student assistant of the First Presbyterian church of Northville officiating. Burial was in Rural Hill cemetery.

Watch That Meter!

Persons using 15 minute parking meters on Sundays and holidays from now on will be subject to violation tickets for overtime parking, police chief Joseph Denison announced this week.

In order to assure available parking spaces for these days, the city council has asked that violations be more strictly enforced.

Merchants Publish Book for Newcomers

A booklet of current information about Northville has been published by the Retail Merchants Association for distribution among new residents of the area.

Leland Smith, president of the merchants' group, stated that the books will be given out by churches, schools, real estate agencies and by members of the merchants association.

The book contains a message of greeting from Mayor Claude Ely and from the merchants. A description of the city's churches is accompanied by a message from each of the local pastors.

THE WINNER GETS HIS TROPHY — Les Snow was a happy man Friday night when he completed the 100th lap at the Northville "100". Here, Betty Wilson — Miss Northville Speedway — presents the winner's trophy to Snow. For story and more pictures, see sports page.

William C. Sliger, Publisher

They're newcomers to Northville
for the second time now, and just
getting settled in their Dunlap street
home.

That's the Ralph Gallagher fam-
ily, who lived in Northville once
before — and liked our town so well
they decided to return.

Mr. and Mrs. Gallagher and their
three children returned from Liv-
onia, where they have been mak-
ing their home for the past 5 years,
to 549 West Dunlap street — where
they hope to stay.

Moving into the former Methodist
parsonage were Eileen, 16 years

old, William, 14, and Kathleen, 12.
And of course Mr. and Mrs. Gallag-
her and a small beagle hound
named Patty.

An avid scout, Mr. Gallagher
has been a scoutmaster in North-
ville and is now Explorer advisor
for Troop 731 of the Methodist
church. A relatively new troop, it
was started three years ago.

During working hours, he is
found in the engineering research
department of the Chrysler Engi-
neering division.

Mrs. Gallagher is employed as a
hair stylist in Birmingham.

Robert B. Freydl's Honeymoon in Ontario

June Carolyn Roberts, daughter
of Mr. and Mrs. Curt W. Roberts
of Detroit and Robert B. Freydl
repeated marriage vows on Satur-
day, June 29 at Bethel Evangelical
and Reformed church in Detroit.

Robert is the son of Mr. and Mrs.
Charles M. Freydl of Eaton Drive.
For the evening ceremony, the
church was decorated with large
vases of white gladioli and white
delphinium and candelabra. Barton
Connors sang "Because" and "The
Lord's Prayer". Rites were read
by the Rev. David T. Davies.

The former Miss Roberts chose a
short sleeved, full skirted gown for
her wedding. Fashioned of white
tulle, the gown was accented with a
scallop lace neckline and a circle
of lace midway on the skirt. She
also wore lace gauntlets, and her
fingertip length veil was held in
place by a dainty headpiece fash-
ioned of tiny butterfly petals.

She carried a cascade bouquet of

white gladioli, stephanotis and ivy.
Matron of honor was Mrs. Ralph
Hay, Jr. of Northville. She wore a
ballerina length gown of orchid
crystallite styled along princess
lines. Her headpiece was of match-
ing braided nylon with a nylon tulle
veil trimmed with pearls. She car-
ried a cascade bouquet of yellow
gladioli.

Wearing identical gowns of Nile
green crystallite were Dorothy
Hart of Pontiac, Sheila Knutson of
Detroit, and Sharon Hill of Beck-
road. Their headpieces were simi-
lar to that of the matron of hon-
or, and they carried cascade bou-
quets of yellow glads.

Best man for the ceremony was
Richard Scharchburg of Northville.
Ushers included Charles Freydl of
Northville, brother of the bride-
groom, Richard Coolman of Walled
Lake and James Nelson of Flint,
cousin of the bridegroom.

For her daughter's wedding, Mrs.
Roberts chose a gown of delectable
lace over taffeta with white acces-
sories. Her flowers were a corsage
of white gladioli accented with blue
nylon puffs.

Mrs. Freydl, mother of the bride-
groom, chose a mauve dress fash-
ioned of lace and taffeta. She wore
a hat of ice blue, French sequins
and mauve accessories. Her cor-
sage was of pale pink and mauve
glads highlighted with mauve nylon
puffs.

Over 200 guests from Northville,
Plymouth, Flint, Detroit, East Jer-
dan and Mio attended the reception
following the ceremony in the
church parlors.

Present were both grandmothers
of the bridegroom, Mrs. Nellie
Freydl and Mrs. Dora Nelson, and
Mrs. Alida Hutton, grandmother of
the bride, who were presented with
flowers. Also present was Bert Nel-
son, grandfather of the bridegroom.

For her wedding trip through
Northern Ontario, the new Mrs.
Freydl wore a gray tweed raw silk
sheath dress with jacket and white
accessories.

The bride was graduated from
Eastern Michigan college last Jan-

uary and at present teaches Span-
ish at Newton elementary school in
Detroit.

The bridegroom is a 1956 grad-
uate of Michigan State university.
He is employed by the Detroit Edi-
son company as a wood use tech-
nologist.

The couple will be making their
home in Northville.

about WOMEN

THE NORTHVILLE RECORD—Thursday, July 11, 1957—3

From West Point to Princeton For Local Couple's Son-in-law

For a young man from Michigan, who has spent the past two years living in a parsonage in Jericho Center, Vt., the road to a career as a college teacher has led from West Point to Japan, to the University of Vermont and to Yale and Princeton Universities.

He is John Willard Shy, son of Mr. and Mrs. Willard A. Shy of Lathrup, Michigan. His wife is the former Sally Masselink, daughter of Mr. and Mrs. Laurence A. Masselink of 47230 West Seven Mile Road, Northville.

In June of 1952, Shy graduated from West Point and was commissioned a second lieutenant in the Infantry. In June of 1957, Shy received the degree of master of arts in history from the University of Vermont. In between came military service, including a tour of duty in Japan.

His average for two years of study at UVM, where he had a graduate fellowship which paid his tuition and \$400 per year, was over 95.

For Shy, the desire to teach history began in his fourth year at West Point, where he graduated fourth in a class of over 500.

"Giving up a good career in the Army was a tough decision," he confides, "especially with a growing family. But the idea of doing graduate work and then teaching seemed attractive and worthwhile."

"My wife and I traveled through New England shortly after we were married, and I liked it so well that, when we decided on graduate work, we decided it had to be in New

England. I chose UVM because I was offered a fellowship, and because it filled our geographical inclinations.

"We were fortunate in being able to rent the parsonage in Jericho Center and, frankly, are a little unhappy to be leaving."

For Mr. and Mrs. Shy, and four-year-old daughter Betsy, and one-half year old Tim, the road to Shy's teaching career now leads from Vermont to Yale University, where he will attend the Summer Language Institute "to work on both French and German," and to Princeton, where Shy has won a fellowship for study toward the doctor's degree. The fellowship, given by the New Jersey Society of Colonial Wars, will cover Shy's tuition and also carries a stipend.

In addition, he was nominated by the University of Vermont and is one of four students in the country to receive a \$250 scholarship given by the National Patriotic Service Committee of the Society of Colonial Dames of America.

Rounding out his record of academic achievement is the fact that Shy's Master's thesis, "James Abercromby and the Campaign of 1758," will be published by the Fort Ticonderoga Museum Bulletin next January. The thesis is the result of work begun by Shy during the summer of 1956 when he received the fifth annual Fort Ticonderoga fellowship to serve as assistant librarian at the historic site.

What's Cooking?

FAVORITE RECIPES OF NORTHVILLE HOMEMAKERS

SLICING INTO her special cheese-cake is Mrs. Joseph Zbikowski of Stratford Court. She suggests whole frozen strawberries or crushed pineapple for the final touch to this mouth-watering dessert.

Friends and neighbors of Mrs. Joseph Zbikowski of Stratford Court have a special treat when they're served her delicious cheese-cake. Usually topped with juicy strawberries, the cheese-cake is a treat for special occasions and easy enough to make for a daily dessert. Dr. and Mrs. Zbikowski are the parents of a 15 month old son, Mark. They live at 46900 Stratford Court.

Cheese Cake Crust
16 graham crackers
1/4 cup melted butter

SIGNE'S BEAUTY SHOP

TUES. through SAT.
Hair Cutting A Specialty

310 High St. off Baseline
NORTHVILLE 453

4 tablespoons sugar
Crush crackers until very fine. Add sugar and melted butter. Stir until evenly distributed. Press into 8 or 9 inch pie plate.

Filling
1 large package cream cheese
2 eggs, well beaten
1/2 cup sugar
1/2 teaspoon vanilla

Whip cheese until soft and smooth. Add the eggs, sugar and vanilla in that order. Beat until smooth. Pour into crust and bake in oven at 350 degrees for 20 minutes. Remove and set to cool.

Topping
1/2 pint sour cream
1/2 teaspoon vanilla
Beat sour cream until fluffy. Add vanilla and spread on top of cooled cheese cake.
Return for five minutes to oven heated to 450 degrees.
Cool and place in refrigerator. Just before serving, pour whole frozen strawberries on top. (Crushed pineapple also makes a good topping.)

NEWS AROUND NORTHVILLE

Miss Elizabeth Etz of Northville and Miss Mary Beck, Detroit councilwoman, greeted national officers of the National Federation of Business and Professional Women at Willow Run airport last Monday. They were President Hazel Palmer and Rose Leibbrand, executive director of the organization. Miss Etz entertained the group at a luncheon at the Detroit Woman's City Club.

Dr. and Mrs. E. B. Cavell of Griswold avenue had dinner last Sunday with their daughter and son-in-law, Mr. and Mrs. Sterling Eaton of Plymouth.

Mrs. J. W. Blackburn of Orchard Drive returned last weekend from Monroe where she attended the funeral of her mother, Mrs. A. M. Snyder.

Suzanne Blackburn, daughter of Mr. and Mrs. J. W. Blackburn of Orchard Drive, is now in Dayton, Ohio with her aunt Mrs. George Keskey, and Kay.

Robert Scheffer, son-in-law of Mr. and Mrs. J. W. Blackburn returned last week-end from Camp McCoy, Wisconsin, where he attended a two week session of army reserve camp. John Funk, son of Mr. and Mrs. Wilson Funk of Yerkes avenue, also attended the camp.

Members of the past matrons club will meet at the N. K. Pattison home on Valencia road Saturday evening for a picnic supper. Guests on this occasion will include husbands of members and past patrons and their wives.

Mr. and Mrs. Fred Gotts of North Center street were in East Lansing over the fourth visiting son Larry, now attending summer school at Michigan State University.

Mr. and Mrs. Harold Atwood of High street spent last week at their cottage at Ore Lake, Michigan. This week they left for Canada where they will spend several weeks visiting friends and relatives.

Visiting Dr. and Mrs. E. B. Cavell over the Fourth of July were Mr. and Mrs. F. J. Broad of Detroit.

Six-year-old Peggy Bacon of Sacramento, California is now visiting her grandmother, Mrs. Maxwell Austin of Walnut street.

Visiting with the Eldon Biery family over the fourth were Mr. and Mrs. Harvey Winston and family of Detroit and Mr. and Mrs. Wayne Squires and family of Dearborn.

Alvin Skow of Horton street is doing graduate work this summer at Eastern Michigan college in Ypsilanti. He is taking courses in "The Making of the Modern Mind," core curriculum, and play production. He is also a cast member in a play to be produced soon titled "Born Yesterday."

Mr. and Mrs. J. W. Cheetham spent the week-end of the fourth of July at the C. A. Crusoe summer home on Mullet lake.

The ladies auxiliary of the Eagles, Arie 2504, are having a membership drive for new members. Anyone interested is asked to contact president Erna Perez or any member.

Mr. and Mrs. Carl Hunt of North Center street are motoring to California and will return by way of the Rocky Mountains.

Mr. and Mrs. Harry Atchinson of Northville entertained at a family dinner on Sunday. Guests included Mr. and Mrs. Norman Atchinson and Kurt and Jill, Mrs. Edna Butler and Jackie of Detroit, and Mr. and Mrs. Orson Atchinson and Rick and Roger of Northville. Celebrating their birthdays were Rick Atchinson and Jackie Butler.

8:30 p.m., Adult choir rehearsal.

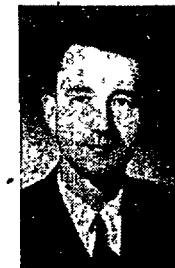

For Polio Fight Northville Praised

Charles L. Gehringer, Wayne County campaign director for the 1957 March of Dimes, has announced that Northville contributed \$2,098 toward the county total of \$741,329.06.

"This generous and voluntary support of the fight against polio by citizens of Wayne County—through their gifts of money, time and effort—must surely be as gratifying to them as it is to the National Foundation for Infantile Paralysis," Gehringer said.

from the PASTOR'S STUDY

By the Rev. B. J. Pankow, Pastor
St. Paul's Lutheran Church of Northville

No Need To Thirst

It is told of a ship that its supply of fresh water was exhausted. The passengers and crew on board were at the point of perishing. For several days they had lacked water and were almost ready to despair of all hope of being saved. At last a vessel was sighted in the distance. They raised their cry, "Give us water, water; we are dying for want of water!" The unexpected reply came back, "Let down your buckets. You are in the mouth of the Amazon. You have fresh water all around you." They had been floating in fresh water and knew it not.

It is so spiritually. The Christian churches are like vast reservoirs and pumping stations which are seeking to supply humanity with the saving knowledge of Christ. But the masses are floating as perishing souls in the midst of this water of salvation without taking advantage of it.

The only thing that can save us from suffering eternal thirst is the knowledge that Christ died for our sins and rose again for our justification. This water of life is made available in every church that faithfully preaches and teaches the Gospel of Christ.

D. C. F. W. Walther, the great American church leader, once said: "Do not wait, wil-

fully and contumaciously, till your death. Therefore it is also no trifle to stay away from church at times, even if it be but once. Many think, "Oh, it will not depend upon that one time that I miss church." Ah, poor soul, do you know for a certainty that today a sermon will not be preached which was most specially intended and prepared for you, through which God desired to save you from a great danger threatening your soul, to rekindle your dying faith, to give you strength to overcome a strong temptation? See you have closed the door at which your God stood and knocked; you have missed the hour of grace; perhaps it will never return."

The Savior calls; let ev'ry ear
Attend the heav'nly sound.
Ye doubting souls, dismiss your fear;
Hope smiles reviving round.
For ev'ry thirsty, longing heart
Here streams of bounty flow
And life and health and bliss impart
To banish mortal woe.
Here springs of sacred pleasures rise
To ease your ev'ry pain;
Immortal fountain, full supplies!
Nor shall you thirst in vain.
(ANNE STEELE).

Pastor Declines Call

The Rev. B. J. Pankow, pastor of St. Paul's Lutheran Church in Northville, has declined a call extended to him by Mt. Olive Lutheran Church of San Antonio, Texas.

The San Antonio church also maintains a Christian day school with an enrollment of 135 pupils and staffed by five teachers.

Rev. Pankow became pastor of St. Paul's in November, 1954. Previously he had been a missionary and pastor in Mexico City for ten years.

MORE HOT WATER WITH EDISON'S NEW ELECTRIC WATER HEATING SERVICE

Only electric water heaters give you all these important advantages:

- ☑ Plenty of hot water—24 hours a day
- ☑ Safe—flameless
- ☑ Install anywhere—no flame, no fume
- ☑ Long-lasting—meets Edison's rigid standards
- ☑ Clean—no smoke, no soot
- ☑ Outer shell—cool to the touch all over
- ☑ Easy financing—up to 3 years to pay
- ☑ Efficient—no heat wasted up a flue

All this adds up to the best water heating service ever provided in Southeastern Michigan

Ask your plumber or appliance dealer • **DETROIT EDISON**

CONVINCED the small-car field is your limit?

READ THIS STARTLING FACT

5 out of 10 Smaller Cars wear a Pontiac Price Tag—yet none gives you Any of Pontiac's Advantages

YOUR MONEY ACTUALLY BUYS, UP TO 8.9% MORE SOLID CAR PER DOLLAR IN A PONTIAC!

The so-called "low-price" cars fall far short of Pontiac in actual, measurable car—and your Pontiac dealer has official specification comparisons to prove it! No smaller car comes even close to Pontiac's rock-solid construction . . . from its rugged X-member frame through every inch of its heavy-duty running gear Pontiac is muscle all the way! This extra heft means Pontiac holds the road like no smaller car you've ever driven . . . gives you a ride remarkably free of bounce, shake and noise! Put all the facts and figures to your own personal road test. Call your own shots and see how Pontiac's Precision-Touch Controls let you relax to steering, braking and parking ease out of reach of the small jobs!

WITH 4 TO 7 EXTRA INCHES OF WHEELBASE, PONTIAC OUTCLASSES THE SMALLER CARS IN RIDE AND ROADABILITY!

Pontiac's length is built in—not hung on! Smaller cars extend bumpers and fenders to look big, but Pontiac doesn't need camouflage . . . it is big! Its man-sized 122-inch wheelbase strides over the bumps instead of riding on them. This extra length, plus a carload of new suspension ideas, results in Pontiac's exclusive Level-Line Ride that no car at any price can surpass! Sample a few miles—and you'll never re-enlist in the small-car army again!

NO CAR AT ANY PRICE PERFORMS LIKE A PONTIAC . . . SMALLER CARS AREN'T EVEN IN THE RUNNING!

If it's proof you want, your Pontiac dealer is loaded with it—point-by-point engineering comparisons and on-the-record facts and figures. No smaller car is designed or built to come close to Pontiac's eye-opening response . . . its smooth, effortless mastery of every driving demand. Put the facts on America's Number One Road Car to a test and you'll leave the little league for good!

PONTIAC HAS ALWAYS COMMANDED A HIGH TRADE-IN DOLLAR!

When you put your money in a Pontiac you know your investment will be riding high for a long time to come! In fact, over the years, no car has a better reputation for being a top-demand used car. So before you sign on the dotted line for a smaller job at Pontiac's price—get the dollar-stretching good news your Pontiac dealer has waiting for you. Here in the easiest move of your life are the car and the value that will get you out of the small-car class for keeps!

NOW! If you want the ultimate in both economy and extraordinary performance, new Tri-Power Carburetor is available at extra cost on even the lowest priced Pontiac models! It's America's newest power advance and exclusively Pontiac's at so low a cost!

Battle for Second Place Steals Show at '100'

ON TO VICTORY — Les Snow (35) roars past Tom Horner's Thunderbird in the Northville '100' Friday night. Snow lapped the entire field except for the second, third and fourth place cars. He took the checkered flag a half-lap ahead of second-place Bob James.

A last-minute entry walked off with top honors in the Northville '100' Friday night, but most of the thrills came from a bumper-to-bumper battle for second place.

Les Snow, an Illinois driver who wasn't even listed on the program, powered his 1957 Chevrolet to victory in the 100-lap feature which marked the return of auto racing to Northville Downs.

Snow also pushed across the best qualifying time—29:65 for the half-mile oval—and won the 3-lap trophy dash between the fastest Chevrolet, Ford and Plymouth.

It was a big evening for Chevrolet. The Chevies, habitual winners of new car races this year, came in one-two-three-four.

Northville Chevrolet dealer Kenneth Rathburn, sponsor of the winning car, was one of the first to congratulate Snow for his masterful drive.

Snow started in the pole position and never relinquished his lead. Untouchable on the straightaway and skillful in the turns, Snow lapped the entire field except for the second, third and fourth place cars.

Snow's driving was so perfect as to be almost uninteresting. The real thrills came from Iggy Katona and Bob James in the red-hot struggle for second.

For nearly 20 laps, third-place James dogged Katona so closely that he actually pushed him around the turns much of the time. But on the straightaway, Katona managed to pull away each time.

Finally, on the 72nd lap, with the crowd outroaring the racers, James edged past Katona for second place. Katona later fell back to fourth, as William Holt moved up to finish third.

The race, postponed from Thursday night because of heavy rain, got off to a late start because of the still-wet track. Drivers hurtled their cars around the oval for nearly an hour before getting it into racing shape.

The '100' saw only two near-accidents, as the drivers played it safe on the somewhat damp track. One car spun out of control on a turn and smashed into a retaining wall.

CONGRATULATIONS — Northville Chevrolet dealer Kenneth Rathburn (left), who sponsored the winning car, gives Snow a "well done". Chevrolets took the first four places in the '100'.

In another pile-up, two cars dived off the far side of the track but quickly came to a right-side-up halt.

Promoter Mel Larson said the drivers were unanimous in their praise of the track—which stayed fast, smooth, and ruthless to the end.

Larson, who also took the wheel as a driver, was pleased with the race even though the postponement from Thursday kept the crowd down to about 4,000 Friday. He is now considering plans for a sports car race at the Downs later this year.

An unexpected visitor at the '100' was Troy Rutman—1952 winner of the Indianapolis '500' and second-place finisher in the world-famous run at Monza, Italy this year. Rutman was to have driven Snow's car, but an upset stomach kept him out.

Pretty Betty Wilson—Miss Northville Speedway and Miss Novi AMVETS—presented the winner's trophy to Snow. After the feature, sparkling fireworks lit up the sky over Northville.

Sports

THE NORTHVILLE RECORD—Thursday, July 11, 1957—5

Track Workers Vie At Annual Tourney

Some 63 track golfers turned out at Plymouth Country Club last Sunday for the 1957 Track Workers Golf tournament and dinner.

Low score was Buzz Weir's 77. The Wolverine golfer beat out M. Michalek, 78, and Hazel Park's Al Keifer, 78. Then came M.R.A.'s Paul Ryder 79, Val Walker 80, and horse owners Rex Elliott 82 and S. W. Shapoff 89.

Northville Down's starter Dave Hoyer was in the 90's along with auditor Sid Anton and assistant secretary Tom Engleman.

As in previous years the owners of the race tracks in this area provided a list of prizes, arranged by mutuels men Tom Prosser and Bud Rooney so that a drawing based on players scores gave a golfer who got 100 the same chance as one who shot 80.

STOP at NOVI INN COCKTAIL LOUNGE

Baseball Teams Riding on Top

Four Northville baseball teams were flying high last week as the Livonia recreation league settled down to a full summer schedule.

Three of the four squads were undefeated and in first place in their respective leagues, while the fourth won its fourth game against two losses.

The program, carried out by the Northville recreation department in cooperation with the Livonia league, offers baseball to nearly 60 Northville boys. Another 60 boys play softball in the department program.

Big Jeff Goodrich hurled the Class E nine to their second straight victory—a 5-3 win over Davis and Lent in which he gave up only four hits and struck out 12. Roger Atch-

inson blasted a triple and scored three runs to pace Northville at the plate.

In Class F competition, the Northville nine was on top with three straight wins in the nine-team league.

Northville midgets came up with a couple of whopping scores last week to maintain their winning ways.

The midget Braves pounced on Garfield for seven runs in the second to manhandle the Athletics, 19-0, as Bill Weidner and Dennis Johnston limited the opposition to one

hit. Northville came up with only six hits—but made them stretch almost to the breaking point.

The midget Orioles, undefeated so far this season, picked up another win over Pierson, winning 12-2 on the strength of nine runs in the fifth.

Craig Bell starred both as a pitcher and a batsman for Northville. He limited Pierson to one hit and smashed out three himself, including a double.

Long led Northville at the plate, driving out four safeties including two doubles. In all, the Orioles collected 18 tallies.

In the new pee-wee softball program, scheduled this year for the first time, the standings this week were:

Team	W	L
Panthers	4	0
Bears	2	2
Lions	2	2
Tigers	0	4

Recreation Schedule

RECREATION EVENTS

Day Camp — Arts, crafts, games at Ford Field daily from 9 a.m. to noon. For elementary school boys and girls. Registration every day at Scout hall.

August 8 — Detroit Tigers versus Cleveland Indians. Sign up now. Room for 100 boys and 10 adult supervisors.

Fiberglass Moves Into Second Place

The Fiberglass Sluggers won their fourth straight last week to move into second place in the Novi Little League.

At the same time, the Paragon Steelers took two victories to increase their hold on the league lead.

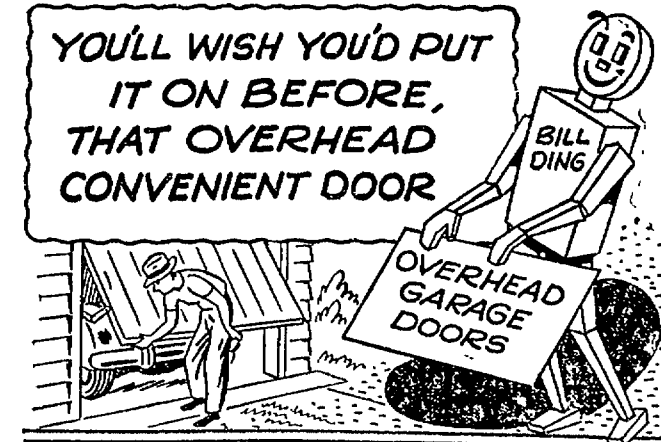

The Sluggers moved into the runner-up position on two solid pitching and hitting performances. They dropped first-place Paragon, 18-11, with Paul Rose hurling a four-hitter and striking out six.

Then Fiberglass turned back National Bank, 10-3, as Randy Caligiuri tossed a five-hitter and whiffed 11.

Paragon, despite its first loss last week, picked up two wins as Tom Morrison pitched the Steelers to a two-hit, 19-2, victory over Young Door and a four-hit, 16-7, triumph over National Bank.

The standings:

	W	L
Paragon	7	2
Fiberglass	5	4
National Bank	4	4
Young Door	1	7

We will sell you just the door for your own installation or have the opening checked and give you a price completely installed. Just a phone call will get things started.

An angry man is Sylvester T. Bly,

Who today was sold a piece of "blue sky."

He'd stepped in a showroom—out of the rain,

Was sold a new car before he could explain!

How he hated the styling—so high and square

And in new features it was really bare.

"I got a real bargain—the buy of my life—

But how do I ever convince my own wife?"

Moral: You're paying for a new car... make sure you get one!

When you buy a new car, put your money on tomorrow—not yesterday. Swept-Wing Dodge actually *obsoletes* other cars in its field. Should you invest in high, boxy styling when Dodge offers the low, low look of tomorrow? Should you invest in outmoded coil springs when Dodge offers new Torsion-Aire Ride? Should you invest in an old-fashioned lever-type transmission when Dodge offers the ease of Push-Button Driving? In other things, too—engines, brakes, interiors—Dodge is years ahead. So put your money on tomorrow. See your Dodge dealer. Join the swing to the Swept-Wing Dodge!

Biggest Wardrobe Made
Extra Heavy Gauge Steel

We bought a full truck-load to get you this sensational low price on these big, rugged and handsome steel wardrobes, ideal for home or office. They actually have more storage capacity inside than the average closet. Tall enough for dresses and winter coats, yet the full-width storage shelf is easy to reach. Buy several at this special sale saving!

- Beautiful walnut grain effect
- Reinforced doors. Spot-welded extra-rigid frame.
- Super-strong hinges. Strong garment bar.

A handsome addition to any room, with streamlined modern styling, recessed handles, flush to floor base and recessed toe space.

Obituary

Robyn Mary Atchison

Private services were held last Sunday for Robyn Mary, four-day-old daughter of Dr. and Mrs. R. W. Atchison of 32 South Rogers street. Born on July 1, at University of Michigan hospital, she succumbed on Friday, July 5. Mrs. Atchison is the former Ruth Mary Baldwin. Surviving are brothers Richard and Russell, and sisters Rhonda and Roxanne. Services were held from the Casterline Funeral Home, Reverend Paul Cargo of the First Methodist church of Northville officiating. Burial was in Salem Walker cemetery.

Charles Kirchoff

Charles Kirchoff, of 7600 Pontiac Trail, Salem, died July 6 at St. Joseph's hospital in Ann Arbor. He was the son of Elmer and Margery Kirchoff, and was born on October 19, 1942. Surviving are his parents and his grandparents, Mr. and Mrs. John Bodnar. Charles moved with his family to his present address from Southfield Township. He attended the Salem Federated church. Services were held on Tuesday, July 9 from the Casterline Funeral Home, Rev. Richard Burgess of the Salem church officiating. Burial was in Salem Walker cemetery.

Charles A. Wade

Mr. Wade who lived at 19410 Rensselaer, Livonia, died July 1 at his home. He was born on July 20, 1877 in Taylor Township to William and Sophia Wade, and was 79 years old. A former resident of Northville, he moved to Livonia from Northville 12 years ago. He was a retired Wayne County Parks attendant. Mr. Wade was a member of the First Methodist church of Farmington.

Music Program
Draws Three
Local Students

Three Northville students are participating in the 12th annual Youth Music Program at Michigan State university June 23-July 14. Those attending from Northville are Becky Kellogg of Orchard Drive, Joann Himman of Yerkes street and Barbara Rollings of Thayer boulevard. More than 260 high school musicians from Michigan, Indiana, Illinois, Ohio and other states are enrolled in the three-week summer workshop.

Students receive instruction in concert band, training band, orchestra and chorus under the direction of outstanding Michigan high school music directors and M.S.U. faculty members. Other activities include classes in ensembles, theory, composition and conducting.

Band Continues
Outdoor Concerts

Outdoor concerts by the Northville school and community band will continue through the month of July, each Wednesday night in the park behind the city hall.

Under the direction of Robert Williams and student conductors, the band will play a variety of music including well-known marches and overtures.

Starting time for all concerts is 7:30 p.m.

Madigan Heads
American Legion

Jim Madigan, Northville teacher and junior varsity coach, has been installed as commander of the Northville American Legion for the coming year.

Other new officers for the Lloyd H. Green Post 147 includes: John Steimel, senior vice commander; J. Howard Wright, junior vice commander; Robert Miller, adjutant; L. W. Snow, Jr., finance officer; Wynn Wakenbut, sergeant at arms; Frank Lewis, chaplain; and John Steimel, historian.

The installation was conducted by C. Oscar Hammond, department vice commander for the third zone. Assisting him were past Post 147 commanders Murphy, Altenberg, Stevens, McDougall and Chedrick.

Refreshments and a light lunch were served following the ceremony.

BAD DISTRIBUTION OF FURNITURE

Don't group too many large pieces of furniture in a single area, or have all the high points in the room confined to one wall. This makes a room appear clumsy, lopsided and upsets the balance. When properly distributed the furniture will bring out the room's good points, and at the same time . . .

CREATE A PLEASING BALANCE

Plan your furniture arrangement so that the height and weight of each group or piece is counter-balanced by another group (or architectural feature) that appears equal in size and height. Color plays an important part in room balance, too. Dark colors appear heavier than lighter shades. Strive for an even distribution of colors.

You Can Be SURE
of TOP QUALITY!
At Reasonable Prices.

We want you to think of us as "your home store" because we have fine furnishings for every type home . . . every piece hand-picked to give you beauty, durability and comfort at value-giving prices. So pay us a visit soon, make your selections where satisfaction is assured.

MUSICAL QUANDRY — Joann Hinman, 415 Yerkes, seems to be in a quandry about how to transport her alto saxophone and other "essentials" to her dormitory room at Michigan State university. Joann is participating in the annual Youth Music Program, June 23-July 14, on the Spartan campus. Ready to assist her are her parents, Mr. and Mrs. Clyde Hinman, and Tom Ritter.

OUT OF THE PAST

ONE YEAR AGO

An \$800 safe was destroyed and its \$15 contents stolen when burglars entered offices of the Titan Pump and Engineering Company on Grand River.

Inflation reared its ugly head as the price per copy of the Northville Record rose from 7 cents to ten cents.

A hat parade was featured at a picnic party of the Northville Branch of the National Farm and Garden Association.

Charles Lapham assumed the position of manager of the Northville Men's Shop.

FIVE YEARS AGO

The Committee on city incorporation made the decision to circulate petitions for an early vote on incorporation in the fall.

Conrad Springer of Lake street was elected commander of Lloyd H. Green Post of the American Legion.

Rev. Fr. Anthony J. Heraty was assigned as pastor of Our Lady of Victory parish.

A citizens committee was named to review plans for a Community building and the need for such a building.

TEN YEARS AGO

Baseball interest increased in Northville with the entrance of the Lloyd H. Green post in the 17th district American Legion junior league.

Mrs. Wilbur Johnson of Dunlap street was named one of the vice-presidents of the State American Legion Auxiliary.

The Texaco softball team lead the Northville recreation softball league with a record of 3 wins against no defeats.

During the gala Fourth of July celebration in the village, a grass skirt was the only reported casualty—one of the goats in the parade was found to be happily eating Miss Ely's Hula costume.

FIFTEEN YEARS AGO

Six of Sam Pickard's pigeons were in the army—stationed on the west coast where they underwent special training for messenger service.

Two thousand five hundred Northville persons participated in and witnessed the Fourth of July celebration sponsored by the township and village.

The Northville Wayne County fair committee made final plans for the event, planned to be in swing from August 19 through August 23.

TWENTY YEARS AGO

Northville looked ahead to a new bank. Announcement that the plan for a merger of the closed Lapham and Northville State Savings banks had been successfully achieved.

Foreign Exchange Students To Be Honored by Rotary

It will be "bon voyage" in a big way on July 22 for 11 exchange students who have been attending high school in Michigan for the past year.

Rotary sponsored foreign students, studying in the United States on scholarships, will be feted at a farewell dinner by the Northville Rotary club on that night.

Included in the group is Hedi Trutthart, who has been living with Mr. and Mrs. Al Jones and family, of Horton street.

Hedi just completed her senior year at Northville high school and graduated with the June class. She is originally from Graz, Austria.

Hedi, with her fellow foreign students, will embark for her home the following morning, July 2.

Also invited to the affair are Rotary wives and foster parents of the students.

General chairman for the Rotary affair is Lynn Sullivan. Dinner be-

gins at the First Presbyterian church at 6:30 p.m.

Garden Club Holds Picnic Meeting

Plans for the fall flower show were discussed at the July picnic meeting of the Northville Branch of the National Farm and Garden Association.

The club will hold the show on Saturday, September 14 at the Northville Community Building.

Monday's picnic was held at the home of Mrs. T. G. Hegge.

Mrs. Gertrude Bigelow of Houston, Texas was the houseguest last week of Mr. and Mrs. Cass Bolton of South Wing street.

Mr. and Mrs. B. J. Horton of Middletown, N. Y. have been visiting with Mr. and Mrs. Richard Horton of Grace Street.

News Around Northville

In Northville this week from Elkhart, Indiana are Mr. and Mrs. Christie Miller and Mrs. Miller's sister, Bonnie, who is spending the summer with them. They are visiting Mrs. Miller's parents, Mr. and Mrs. W. Lee Walker of Seven Mile road and her grandparents, Mr. and Mrs. William B. Walker of Eight Mile road.

Spagnuolo and Mrs. Monroe Weston of Northville were in Lansing last week attending the funeral of former Northville businessman Frank Coscarelli.

Attending the Conference School of Missions at Albion college are Mrs. Ward Schultz, Mrs. William Cansfield and Miss Ethel Cameron of the First Methodist church of Northville.

Northville Township Building Code Ordinance

An Ordinance enacted pursuant to Act No. 185, Public Acts of 1943, as amended to regulate the erection, construction, enlargement, equipment, alteration, repair, moving, removal, demolition, conversion, use, height, area and maintenance of all buildings and structures in the unincorporated portions of the Township of Northville; to provide for the issuance of permits and collection of fees therefor; to provide declaring and establishing fire penalties for the violation thereof; limits; defining the scope and authority of the Building Inspector; and repealing all Ordinances and parts of Ordinances in conflict therewith except the Ordinance known as the Zoning Ordinance of the Township of Northville.

THE TOWNSHIP OF NORTHVILLE ORDINANCES

Section 1. Adoption of Building Code. Certain documents, copies of which are on file in the Office of the Clerk of the Township of Northville, available for inspection by the distribution to the public at all times, and which are marked and designated as the "Abridged Building Code" and the "Basic Building Code", 1955 Editions, together with Supplements thereto, and approved by the Building Official Conference of America, Incorporated, with the additions, insertions, deletions and changes as adopted by the Board of Supervisors of the County of Wayne, October 8, 1951, and known as the "County Building Code", and the "Plumbing Code of the State of Michigan", as written, are hereby adopted, and are to be used, considered and enforced jointly, with the "Basic Building Code" serving as a supplement to the "Abridged Building Code", with the additions, insertions, deletions and changes prescribed in Section 3 of the "County Building Code", the "Plumbing Code of the State of Michigan", as written, in regulating the erection, construction, enlargement, equipment, alteration, repair, moving, removal, demolition, conversion, use, height, area and maintenance of all buildings and structures in the unincorporated portions of the Township of Northville, and including the penalties for violating the provisions of said Code and establishing the fire limits; and each and all of the regulations, provisions, penalties, conditions and terms of said "Abridged Building Code" and "Basic Building Code" 1955 Editions, together with Supplements thereto, approved by the Building Official Conference of America, Incorporated, with the additions, insertions, deletions and changes prescribed in Section 3 of the "County Building Code" as adopted by the Board of Supervisors of the County of Wayne, October 8, 1951, and on file in the office of the Wayne County Clerk; and the "Plumbing Code of the State of Michigan", as written, are hereby referred to, adopted and made a part hereof as if fully set out in this Ordinance, except as herein otherwise stated.

Section 2. Purpose. The purpose of this Ordinance and Code is to provide minimum standards to safeguard life and limb, health, property and public welfare, by regulating and controlling the design, construction, quality of materials, use and occupancy, location and maintenance of all buildings and structures within the Township of Northville and certain equipment specifically regulated by this Ordinance.

Section 3. Additions, Amendments and Clarification of Reference Ordinance.

(1) Wherever, in said Reference Ordinance, a municipality is mentioned and no name is therein given, said municipality shall be construed to mean the Township of Northville, and wherever, in said Reference Ordinance, a state is mentioned without giving the name thereof, such state shall be construed to be the State of Michigan.

(2) Wherever, in this Ordinance, the term "Building Official" is used, same shall be deemed to mean such person, persons or organization as may be designated by the Northville Township Board as "Building Inspector".

(3) Wherever, in this Ordinance, reference is made to the Basic Building Code, said reference shall be deemed to refer to the latest amended Basic Building Code adopted by the Building Official Conference of America, Incorporated.

(4) Wherever, in this Ordinance, there appears to be a requirement that certain documents and papers including the Abridged Building Code, the Basic Building Code and the State Plumbing Code, shall be kept on file in the office of the Building Official or other person, it shall be deemed sufficient compliance if said documents and papers are on file in the office of the Township Clerk, in the Northville Township Hall.

(5) Section 101.0 of the Abridged Building Code is hereby amended by amending the definition of "Minimum Habitable Room Height" to read as follows:

101.0 MINIMUM HABITABLE ROOM HEIGHT. A clear height from finished floor to finished ceiling of not less than seven and one-half (7½) feet in the basement, seven and one-half (7½) feet in

the first story and of not less than seven and one-third (7⅓) feet in the second and third stories.

(6) Section 104.13 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 104.13, is hereby amended to read as follows:

104.13 BOARD OF APPEALS. The Board of Appeals, as established under the Zoning Ordinance of the Township of Northville, shall be the Board of Appeals on matters arising out of the enforcement of the provisions of this Ordinance.

CHAIRMAN OF THE BOARD.

The Board shall select one of its members to serve as chairman, and the Building Official shall serve as secretary to the Board and shall keep a detailed record of all proceedings on file in the Department of Building Inspection.

EXEMPTION OF MEMBER. No member of the Board shall pass on any question in which he is engaged as contractor or material dealer, or in the preparation of plans or specifications, or in which he has any personal interest.

COMPENSATION OF BOARD OF APPEALS. Compensation of appointed members of the Board shall be determined by the Township Board.

APPLICATION FOR APPEAL.

In case of dissatisfaction with the Building Official, the question in dispute may be referred to the Board of Appeals, and such Board shall proceed to hear and determine the appeal. Provided, however, that the Building Official shall have the right to order the immediate abatement and correction of any eminently dangerous condition to life or property within the scope of this Ordinance. Application for appeal may also be made when it is claimed that the true intent of this Code, or rules legally adopted thereunder, have been incorrectly interpreted; the provisions of the Code do not fully apply, or an equally good or better form of construction can be used.

NOTICE OF MEETING. The Board shall meet upon notice of the chairman within ten (10) days of the filing of an appeal or at stated periodic meetings if warranted by the volume of work.

PUBLIC HEARING. All hearings shall be public, and the appellant, his representative, the official of the municipality and any other person whose interests may be affected by the matter of appeal, shall be given an opportunity to be heard.

ADJOURNED MEETING. Two (2) qualified members shall constitute a quorum, but when three (3) qualified members are not present to consider a specific appeal, either the appellant, the Building Official or their representatives may request a postponement of the hearing.

(7) Section 104.5 of the Abridged Building Code, as amended by the Wayne County Code, is hereby amended to provide penalties on conviction of One Hundred Dollars (\$100.00) fine or imprisonment for not more than ninety (90) days, or both.

(8) Section 104.6 of the Abridged Code, is hereby amended to provide the following schedule of permit fees:

TABLE 1 SCHEDULE OF PERMIT FEES	
Valuation of work	Fee
\$1,000.00 or less	\$.38
Each additional \$1,000.00 or fraction up to and including \$10,000.00	\$.55
Each additional \$1,000.00 or fraction over \$10,000.00	\$.11
Zoning Fee	\$.25

(9) Section 104.0 of the Abridged Code as amended by the Wayne County Code through the addition of a new section appearing as Section 104.61, is hereby amended to read as follows:

104.61 MOVING OF BUILDINGS. No building shall be moved into, or from one lot to another in a district, when such building is not of a type permitted in that district. A permit for the moving of a building shall not be issued until a cash deposit, in the amount of Five Hundred Dollars (\$500.00) shall have been deposited with the Township Treasurer to cover any damages suffered or expenses incurred by the Township arising from the moving of the building, and to guarantee the removal of all debris from the property and leveling of the lot in a manner satisfactory to the Building Official. The making of such cash deposit shall not prevent the Township from the collection of further damages in excess of the amount deposited in the event further damages are sustained. Such deposit, less any amount retained by the Township for damages and/or expenses incurred hereunder, shall be returned upon supplying satisfactory evidence that the moving operation has been completed. Such cash deposit shall not be required when a building is to be moved within the limits of the property on which the building is located.

(10) Section 106.1 of the Abridged Code is hereby amended to read as follows:

106.1 EXISTING USE UNCHANGED. The legal use, and occupancy of any building or structure existing on the effective date of this Ordinance, or for which it had been

heretofore approved, may be continued without change when such use is not detrimental to the general safety and welfare of the public, provided the building is not enlarged in height or area and the exit facilities are adequate for a new building of the same use and occupancy load. (See sections 106, 306, 406, 506, 606, 706, 1006, 1106, 1206, 1306, 1406, 1506, 1606, 1706, 1806, and 1906 of the Basic Building Code.)

(11) The Fire District Subdivision set forth in Section 107.1, of the Abridged Code, shall be deemed to be the business, and/or commercial and manufacturing districts as established by the Northville Township Zoning Ordinance and Zoning Map, and amendments thereto.

(12) Section 110.0 of the Abridged Building Code is hereby amended by the addition of a new section to appear and become Section 110.10 to read as follows:

110.10 BASEMENTLESS HOUSES. The foundation of all basementless houses, with a crawl space below the first floor, shall be plastered with one-half (½) inch of cement (4) inch drain tile shall be laid plaster and water proofed. A four around the inside of and below the top of the footings. The ground area under the first floor shall be covered with a four (4) inch layer of pea gravel. The tile shall drain into storm sewers or open ditches. If no sewer or open ditch is available the tile shall drain to a sump, inside of the foundation wall, in which a sump pump is installed to pump the water away from the building.

(13) Section 111.43 of the Abridged Building Code is hereby amended to read as follows:

111.43 FRAMING OVER OPENINGS. Lintels over openings in bearing walls or partitions of one and two family dwellings, shall consist of double joists not less than herein specified or trussed construction bearing on jack studs, or other approved construction affording adequate strength:

Spans less than four (4) feet	two 2 x 4
Spans four (4) feet to six (6) feet	two 2 x 6
Spans six (6) feet to eight (8) feet	two 2 x 8
Spans eight (8) feet to ten (10) feet	two 2 x 10
Spans ten (10) feet to twelve (12) feet	two 2 x 12
Spans twelve (12) feet to fourteen (14) feet	three 2 x 12
Spans fourteen (14) feet and over two 2 x 12 with a ¼" x 11" continuous steel plate placed between 2 x 12's and bolted together with staggered 3/8 inch bolts eighteen (18) inches apart.	

(14) Section 113.23 of the Abridged Code is hereby deleted from this Ordinance.

(15) Section 115.4 of the Abridged Building Code, as amended by the Wayne County Code, is hereby amended to read as follows:

115.4 CRAWL SPACES. Access spaces under grade floor construction and wherever wood, gypsum, metal or other floor construction subject to corrosion or deterioration is installed, above the ground without basements, shall be provided not less than twenty-four (24) inches in depth. Such spaces shall be vented with screened openings having a clear area of not less than one-half (½) of one (1) per cent of the enclosed building area or shall be provided with other equivalent means of artificial ventilation. The screens shall be corrosion-resistant and rodent-proof complying with Section 116.43. When floating mat foundations are provided in accordance with Section 110.3, the requirement for ventilation shall not apply.

(16) Section 117.12 of the Abridged Building Code, as amended by the Wayne County Code, is hereby amended to read as follows:

117.12 All sewage disposal systems installed in the Township of Northville shall conform to the Wayne County Health Department standards for construction, inspection and approval.

(17) Section 117.13 of the Abridged Building Code, as amended by the Wayne County Code, is hereby amended to read as follows:

I, D. J. Stark, Clerk of the Township of Northville do hereby certify that the foregoing is a correct copy of an Ordinance as passed by the Township Board of the Township of Northville, at its regular meeting held July 2, 1957.

D. J. Stark
Township Clerk

Nelson Schrader Elected President Of School Board

Heads School Board

Newly elected president of the Northville board of education is Nelson C. Schrader, Jr. of Orchard Drive.

Schrader took over the gavel formerly held by Robert Coolman, who retired from the board after nine years of service.

Schrader begins his eighth year on the board, having served as vice-president during the past year.

He is a graduate of Northville high school and has always lived in Northville. He has two children now attending Northville schools.

Other newly elected officers include Adrian Willis, vice-president and new member, and Eural Clark and Robert Shafer, treasurer and secretary respectively.

Dr. Waldo Johnson is the remaining member of the board, elected in the June balloting.

The board meets the first Monday evening of each month in the board of education office at 7:30 p.m.

FOR LONGER RUG LIFE

WHEN YOU use a carpet sweeper or vacuum cleaner on small rugs, run the cleaner diagonally across the rug instead of lengthwise. The rug is less apt to wrinkle and get caught in the cleaner. Never shake or snap small throw rugs. The snapping action may break yarns in the backing or loosen the bindings.

PLYMOUTH RUG CLEANERS

Phone Plymouth 3290

Now you can have

SOFT WATER

Automatically with the

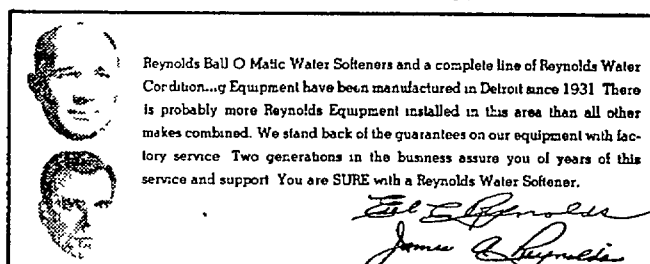

REYNOLDS Automatic WATER SOFTENER

The greatest water softener ever built!

1. Adjustable to almost any type of problem water. Does a better job on all hard waters. Will do things you never dreamed could be done with any water softener.
2. Will soften water containing up to 100 grains of hardness per gallon (5 times as hard as the average).
3. Will remove up to 10 parts per million of iron.
4. Contains 1-1/8 cu. ft. of Davex assuring high capacity and adequate flow rate of zero-salt, rust-free water at all fixtures at the same time.
5. Brine under pressure in closed tank instead of in unsightly open type brine tank. No more leaky float valves and bad appearance. More dependable regeneration.
6. Automatic bypass permits use of water during regeneration.
7. No troublesome top screen to clean.
8. Operates on any home water pressure, high or low.
9. Fibre glass insulation prevents sweating.
10. Time clock or switch operation.
11. Made in Detroit—factory service.

There is no other water softener like it, or that even compares with it. It is fully guaranteed and covered by patents. At only \$399.00, it is the greatest value in the water conditioning industry. Larger sizes also available.

"YOU CAN'T BEAT THE BEST"

See your nearest dealer, or call collect, Webster 3-3800, for free water analysis and full information. We have a popular rental plan. Ask about it.

Labor to Remain Scarce

Babson Park, Mass. Like it or not, labor is a commodity depending on supply and demand. Labor unions can raise wages temporarily just as a dam can raise the height of a stream. But the dam does not destroy the water; sooner or later the water flows over the dam, or the stream dries up.

Let Us Look At Birth Rates

During the thirties, birth rates in the U.S. had been running about 17 per thousand. Just before World War II, in 1938, the birth rate was 17.6 per thousand, and in 1943 it was 21.5. Then it began to fall, and slipped lower through the rest of the war years. This was accompanied by a scarcity of men due to the draft, with a surplus of women workers. While normal manufacturing was greatly curtailed, the war created an excessive demand for labor for war industries. Therefore, labor adjusted itself fairly well.

The war had two closings, but the boys began to return from Europe in May 1945 and babies began to arrive in 1946. This means the postwar crop of babies is now under twelve years of age. The birth rate is now running around 24.2 per thousand and the schools are becoming crowded, especially in the elementary grades. As the women who went to work during the war become older, they are dropping out of the job market. This accounts in part, for the shortage of labor, the increased wages, and the inefficiency of much of the labor. Every employer complains about it; but I see nothing that can be done.

What About The Outlook?

As the oldest of this postwar crop of babies is now under twelve years of age, no relief can be expected (without a severe business depression) for at least five years. The situation is being tinkered with still further by minimum wage and other labor legislation. In the meantime, business is prosperous and production is close to an all-time high. This means that the supply of labor is low and the demand for labor is

abnormally high. I repeat that — barring a business depression — I see no relief until after 1960.

Labor-Saving Machinery

As a result of the above conditions, there is constant demand for labor-saving machinery of all kinds. This especially applies to all forms of office labor-saving devices. We hear much talk about automation, that is running of a factory or office automatically with very few employees; but this is for some time in the future. Changing to automation is both slow and an expensive process and requires considerable capital investment.

The most practical means of bridging the next five years is to take greater care in the selection of employees and to treat them well. There seems to be a natural average wage for given work in a given community. There is no use attempting to buck this wage during the next five years and little point in arguing as to the efficiency of the worker. Wages, however, are not all! Workers have pride and self-respect. They like reasonable hours, good clothes, and a comfortable place to work. Furthermore, the location of the plant or office often demands the expense of an automobile.

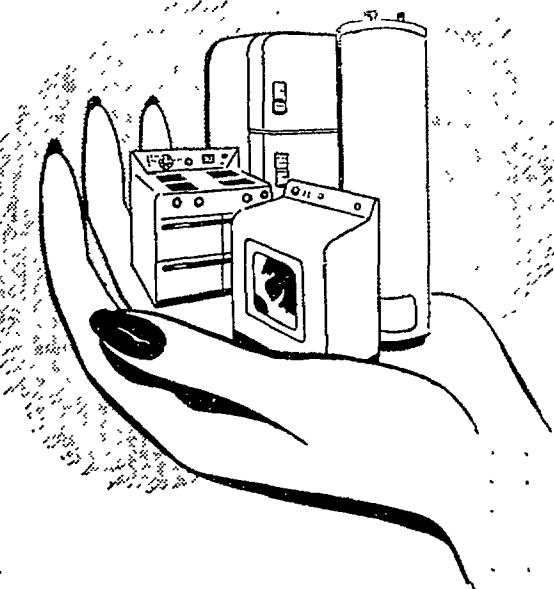

Advice To June Graduates

Just now the new graduates are "sitting in the driver's seat." It will be fairly easy for most of this year's graduates to get positions. Moreover, many of them will be paid more than they are worth. This is no reason for them to be careless or to think that their job is secure. They will be watched most carefully, with the idea of a big weeding out after 1960.

Every reader should remember that the labor cycle is constantly revolving, — the same as the stock market cycle, the money cycle, and the housing cycle. Many June graduates who now find it easy to get jobs will be out of jobs or be "sitting on the tailboard of the cart" in about five years. Therefore parents as well as June graduates, should realize that the present labor situation will not continue unless their "darling" makes good. The present "honeymoon" will continue for a few years more. But it will surely be followed by a period when employers will "clean house," trim down their personnel, and keep only the most efficient. This applies to both men and women.

GAS LENDS A "HELPING HAND"

Yes, when gas appliances are in the home, things get done—fast! Each gas appliance you own is like having an extra pair of "helping hands" around the house. The hours of time and work saved, mean fun and relaxation for you and your family. Gas, the silent wonder-fuel, cooks food to perfection, cools and heats our homes, supplies hot water, dries clothes, consumes garbage and trash—all automatically. Gas has made possible more comfortable, more leisurely living for more people. Natural Gas Service is one of today's greatest household bargains.

SPEAKING

for the Record

By BILL SLIGER

Twice in recent months Northville's city council and school board have gotten together to discuss problems that are of mutual concern. They have tossed around a few ideas about the Community Building, talked about sewer and water facilities and exchanged views on the proposed Eight Mile cut-off.

Almost without exception the members have come out of the meetings with a better understanding of one another's problems. And, more important, it appears that their discussions have led to better relations between the two groups.

In a period when school boards and community governing bodies are being criticized for their lack of cooperation it seems noteworthy that in Northville this gap is being bridged. We hope it continues until it becomes automatic to consult well in advance of projects where there is dual responsibility.

Northville Postmaster Leland Smith just returned from his vacation. A fisherman of some note, "Smitty" has this sad tale to tell of his "rest" at Black Lake: one 12 H.P. outboard motor lost in the bottom of the lake; a sheared pin on another motor borrowed from a neighbor; a broken spring on still a third motor that flew off and broke his glasses. And to make matters worse, it rained all week and "Smitty" ended up with one fish.

About the funniest thing we ever heard happened to our capable and usually very alert bookkeeper, Mary Donovan.

Early Monday morning she was awakened by the heavy downpour that struck Northville. Drowsily, she stumbled out of bed to check all the windows, including those on the back porch. The heavy wind slammed the back door shut just as Mary had stepped onto the porch. And there she stood, hardly dressed for a morning walk, locked out.

Unshaken, and still unawake, Mary simply stepped out from her back porch, took off a screen and opened a window. And after climbing through the window, there she was, right back on the porch!

Monday they replaced the broken window in Mary's back door.

Dems Take Over Schools, Highways in State

REPUBLICANS HAVE DEPARTED from their last two top elective posts in state government.

The party is already working to win back the highway department and the department of public instruction from the Democrats but, for now, they are on the outside looking in.

Highway Commissioner Charles M. Ziegler, in office for 13 years, said he was going fishing, far from the scenes of some of the bitterest political battles in state history.

Dr. Clair L. Taylor, superintendent of public instruction, on July 1 became director of the summer school and the evening college at Michigan State University.

ZIEGLER'S FAREWELL was a yeiled challenge to his Democratic successor, Highway Commissioner John C. Mackie.

He hinted broadly that Mackie could not take credit for the \$88,800,000 in trunkline construction contracts awarded before June 30 for completion later this year.

Ziegler said another \$64,000,000 in highway building has been planned.

Major projects are being worked out for U.S.-31, U.S.-131, M-20, U.S.-12, U.S.-27, U.S.-2, U.S.-23, U.S.-10, U.S.-16, U.S.-112, M-53, U.S.-24 and the Detroit expressways.

"I am proud of the condition of the highway department as I turn it over to the incoming administration," Ziegler said.

DEMOCRATS ALSO ARE PROUD of their new highway commissioner and the start he is making to reorganize the department.

They claim a good administrator can do as well or better as commissioner than an engineer—though a state law requires an engineer. Mackie is a graduate engineer, but not a member of certain engineering groups which demand their standards be met.

Mackie already is getting started on a five-year plan of highway construction. Michigan Society of Professional Engineers announced they

will file with the State Supreme Court to determine if Mackie is legally qualified to hold the job he won in the election.

TAYLOR POINTED TO the problems that will face his Democratic successor, Dr. Lynn C. Bartlett.

Since Taylor joined the department 20 years ago, he said Michigan's public school enrollment has increased from 959,147 to 1,451,832. The state's share of the cost of public schools has increased from \$37,400,000 to \$256,501,592.

The need for education has grown tremendously in an increasingly complex society, Taylor said, adding that Michigan's educators are faced with the problem of keeping pace.

"I extend my greetings to my successor, and I am confident you will accord him the same fine cooperation which I have enjoyed," Taylor said.

Bartlett, too, has been in Lansing for weeks since the April 1 election, conferring, reading, checking, and getting ready to take the state's top educational post.

PRISONS NEED SPACE.

More than 10,000 now populate the state's penal institutions and, with the growth of the general population, the need for room to hold prisoners is growing.

THE PROBLEM IS MORE than one of space and cells.

Modern penology is moving toward specialized institutions that concentrate more on rehabilitation than sheer punishment.

Part of Michigan's program calls for a \$20,000,000 prison medical center to treat the psychotic, the mentally disturbed, sex deviates and those with physical illnesses.

Because of a shortage of money at the state level and a quiet rebellion against increased taxes, the program may have to wait for years, but this is the direction the prisons are going.

See actual road-test proof!

DODGE outpulls

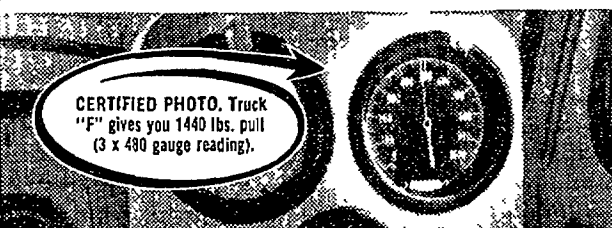

"other two" low-priced trucks!

Here's the scientific way to measure the actual pulling power a truck can deliver to its rear wheels. All three low-priced trucks were hooked up, one by one, to a special dynamometer truck. Each was comparably equipped and test-loaded.

Super-sensitive gauges inside the dynamometer truck register the maximum pull of each truck at 10 m.p.h. Insets in photos above show actual gauge readings in each case. To convert these readings into pounds, simply multiply them by three.

The results are conclusive evidence that Dodge Power Giants give you a third more pulling power than either of the "other two" low-priced makes. And this is just one of a series of tests that prove Dodge is the best truck of the low-priced three.

⊗ Your Dodge truck dealer has proof that Dodge leads in many ways. Come in... see other certified test-photo sequences... and take a demonstration ride!

A Look at the Record Of 1957 Legislature

Editors Note. The 1957 state legislative session is over, and state senators and congressmen are now enjoying a vacation from their chores in Lansing. Since now is a good time to review the record of the recent session, The Record-News here presents a brief rundown on legislative action which pertains to the Northville, Novi and metropolitan Detroit area.

STATE AFFAIRS

License plates to stay with owner — not the car.
Alter municipal finance act to coincide with a new law permitting counties to issue bonds to finance special assessment projects in inter-county improvements.

Added two lay members to State Board of Equalization and took Director of Agriculture and Auditor General off.

Legislative Pension Act. May receive \$2,000 a year after 16 years of service at the age of 60.

Raise salary of Labor-Mediation Board Chairman to \$8,000 and other members to \$7,000; increased from \$5,000.

Raise Public Service Commission Chairman to \$11,500 and others to \$11,000; \$2,500 increase.

Allow revenue commissioner's salary to be fixed by legislature.

Authorize acquisition of historic clerks' quarters on Mackinac Island as state shrine.

Allow credit to state police pension claimants for prior services in the insurance department.

Authorize conveyance of 3,400 acres of state land in Chippewa county to federal government for Kinross Air Base expansion.

CONSERVATION

Registration of powerboats on inland waters and order for boat operators much the same safety rules under which motorists drive. Effective January 1—\$2 permanent registration for each powerboat. Sold through Secretary of State or sheriffs. Fees used to employ officers assigned to marine safety duties.

An increase of \$2,200,000 per year in hunting and fishing license fees; effective October 1 for hunters; January 1 for anglers. Fishing licenses \$1.00 to \$2.00—non-resident \$3.00 to \$5.00.

Revived idea of private game preserves.

COURTS

Dividing line of misdemeanor and felony raised to \$100 from \$50 in cases involving malicious destruction, embezzlement, larceny and certain others.

Probate judges, maximum pension of \$6,000 instead of \$4,000.

Increase time for appeal in justice courts of cities of more than 80,000 population from five to ten days and raise juror's fees from \$4 to \$6 a day.

Add an extra circuit judge in Bay county.

Provide that negotiable instruments be payable to the bearer if it is made out to a fictitious or non-existent person and such fact is known to the person who issued the instrument.

Allow circuit judges to hold court in Niles as well as Centerville.

Conciliation division in municipal courts to receive and informally settle claims of \$100 or less.

LIQUOR

Misdemeanor to sell minors beverages with any alcoholic content under a name or condition which gives the impression it is beer. Prohibit "near beer" sales to minors.

Add two members to the liquor commission after abolishing two

present hearing examiners; raise salaries to \$10,500 for Chairman and \$9,500 for others.

Permit liquor licenses in resort areas to be used for nine instead of eight months.

AGRICULTURE

Authorize issuance of agricultural fair premiums to exhibitors from another state providing the other state reciprocates with respect to Michigan exhibitors.

Increase bond requirements for livestock auctioneers as a result of large embezzlements in the Jackson area.

Definition of forest tree seeds and require packages or containers to have the right labels.

Exempt vegetable seeds from the statute requiring dyeing of small grains which have been treated with poisonous substance.

DETROIT—Metropolitan Area

It can charge more than local rates for water sold suburbs more than 10 miles away.

A major boost toward \$33,000,000 in blighted area rehabilitation projects.

A \$44,000,000 slum clearance program. Allow Detroit to finance part of the project with private funds at a saving of \$101,000 in interest charges.

Two bills to help speed urban renewal and blight elimination projects.

Carol Ann Progresses Well, Suffers Occasional Relapse

The battle for the life of four-year-old Carol Ann Donnelly has been waged for over a year now, since dread leukemia was first detected in the little blonde in May, 1956.

According to her mother, Mrs. Rene Donnelly of West Ten Mile road in Northville township, she has been doing well — most of the time as healthy and normal appearing as the little friends she plays with.

Occasionally, however — as happened last January and is now happening again — doctors detect a

relapse. The first sign is a very low blood count, usually found quickly enough in a weekly check-up.

When a relapse is foreseen, Mr. and Mrs. Donnelly must give Carol Ann several prescribed medicines, more than the usual amount every four hours around the clock.

Then, in a week or so, the disease is arrested again for a while and she appears to be normal and healthy.

As the disease progresses, however, relapses become more frequent and of longer duration.

The Donnellys are still receiving help from the Leukemia foundation, which has been supplying blood for transfusions since Carol Ann first became ill. They have also received financial aid from the Northville Eagles, who staged several fund raising projects for the little girl whose hold on life is slim.

The Water That Satisfies

Jesus was tired and thirsty. He sat by the well near the ancient city of Samaria.

While the disciples went into the city to buy something for their lunch, a woman from the City came out to draw water. A very interesting conversation started

when Jesus asked her for a drink for he had nothing to draw the water with. He used the occasion to point out to the woman of Samaria that there was a water of life which would refresh the soul, just as water from the well refreshes the body. This water of life is none other than the Lord Jesus Christ who satisfies the deepest longing and need of the soul. A Missionary in India had been speaking on this subject. A Moslem bystander said, "Your religion may be compared to a little stream of water, but Islam is like the great sea."

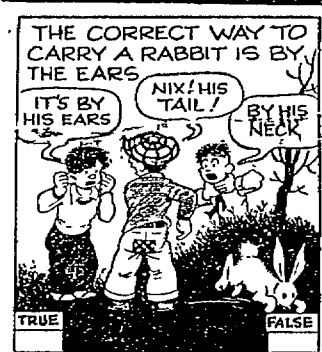

"Yes," said the Missionary, "but there is a difference; men drink sea water and die of thirst, while they drink of the living water and live." Thousands have come to the wells of various religions or the ocean of popular beliefs but never have found satisfaction for their souls. It is alone through saving faith in the Lord Jesus Christ that men shall find what their souls are looking for.

Merchants . . .

sessing for parking, but added that for paving or alleys the procedure was clear-cut.

On these points the group was in agreement:

Too many employees use choice parking spaces that should be left open for customers;

Metered parking is best; customers are willing to pay if the parking is convenient;

New sites should be sought and their cost determined;

More parking is needed if Northville is to stay abreast of predicted growth for the area.

Several ideas for possible parking sites were suggested during the meeting. Leland Smith, president of the merchants' group, pointed to the park area at the city hall. "This could be gravelled and used by employees," he stated. Mayor Claude Ely took a dim view of this suggestion, but pointed to another possible location. He stated that plans now call for the moving of the public works area from Cady street in the future and that this land could be turned over to parking. Schrader thought this would be more valuable to the city tax-wise if used for an apartment building.

Others pointed to the track parking area. One suggestion called for a walkway from the northern section of the track parking area to Main street. Still another idea was to provide driver parking service from the Main street taxi stand. Cars would be parked at the track but could be left and called for at Main and Center streets.

While all 13 merchants thought they should share in parking expense, only two felt they had any obligation to help pay for alleys. Druggist M. C. Gunsell dropped the only hint as to what proportion the merchants should pay for parking. "Merchants should pay half the expense of parking," he said, concluding that he believed most businessmen would contribute voluntarily.

Gunsell dropped the only hint as to what proportion the merchants should pay for parking. "Merchants should pay half the expense of parking," he said, concluding that he believed most businessmen would contribute voluntarily.

Others pointed to the track parking area. One suggestion called for a walkway from the northern section of the track parking area to Main street. Still another idea was to provide driver parking service from the Main street taxi stand. Cars would be parked at the track but could be left and called for at Main and Center streets.

While all 13 merchants thought they should share in parking expense, only two felt they had any obligation to help pay for alleys. Druggist M. C. Gunsell dropped the only hint as to what proportion the merchants should pay for parking. "Merchants should pay half the expense of parking," he said, concluding that he believed most businessmen would contribute voluntarily.

Bank Shareholders Vote Stock Increase

At a special meeting today, shareholders of Manufacturers National Bank of Detroit ratified the proposal to increase the common stock by 156,600 shares, to be offered to shareholders at \$35.00 per share. The book value of the bank's shares outstanding on June 30 was \$39.66.

Under the proposal, which is subject to approval by the Comptroller of the Currency, each shareholder will be given the opportunity to buy one new share for each seven shares held. Rights will expire on July 26, at 6 p.m., E.S.T. This offering will be underwritten by a group headed by Blyth & Co. Inc., First of Michigan Corporation and Watling Larcher & Co.

William A. Mayberry, bank president, reported that \$1,566,000 of the proceeds of the sale would be added to Capital, \$2,434,000 to Surplus, and \$1,481,000 to Undivided Profits. Total Capital Funds of the bank would then be \$48,953,835, including \$13,553,835 of Undivided Profits.

Philip Ogilvie Confined to Hospital

City attorney Philip Ogilvie is confined this week to Atchison Memorial hospital where he was taken with a severe back ailment.

Ogilvie was taken to the hospital after an attack of the ailment that has been recurring for the past several years.

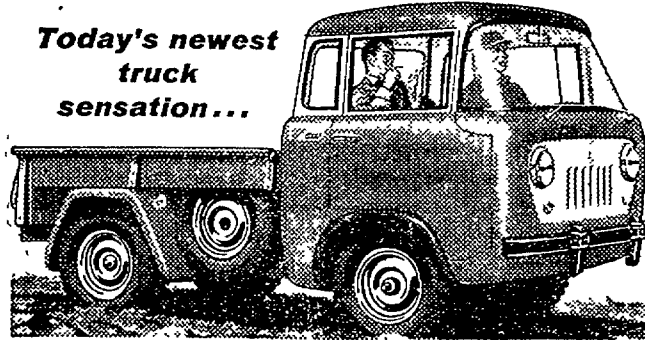

Doctors planned to X-ray on Tuesday to determine what further treatment will be necessary.

Amerman Enters Mayo Clinic

Superintendent of schools R. H. Amerman left Northville Monday for Rochester, Minnesota, where he will enter the Mayo clinic.

Amerman has been on the ailing list for some time.

Today's newest
truck
sensation...

The All-New
**Forward Control
Jeep FC-150**

- New Forward Control design
- Maximum cargo space on minimum wheelbase
- "Go-anywhere" maneuverability

E. L. Devine Named Rotary President

The new president of the Northville Rotary club for the coming year is E. L. Devine. He took over the gavel from Leland Smith in an installation meeting last week.

E. M. Bogart, who has served as Rotary's secretary for 12 years, turned over his duties to the Rev. John O. Taxis. Smith and Bogart were both commended for their service to the club.

New vice president is Douglas Lorenz, while Arthur Schmutz will continue as treasurer. Members of the board of directors are L. M. Eaton, A. E. Jones, Joseph Revitzer, Rev. Taxis, Smith, Lorenz and Devine.
