

New Subscription Contest Offers \$3,500 in Prizes

DELIVERY OF A NEW 1957 Ford Tudor sedan as first grand prize in the \$3,500 Northville Record-Novis subscription contest was guaranteed Tuesday when John Mach, center, general manager of Marr Taylor Ford Sales of Northville, and William C. Sliger, left, publisher of the two newspapers, exchanged papers for delivery of the car to the contest winner in the presence of contest manager William G. Lancaster. The Ford to be awarded appears in the background. It will be on display at the Ford dealer's showroom, 117 West Main street, Northville, during the contest. For further details, see pages 9, 12 and 13.

Next Band Concert Offers Dessert With Your Music

A program of refreshments, musical and otherwise, will be served up in the park behind the city hall next Wednesday night.

This is the date of the final concert by the Northville school and community band, the last of six presented for community enjoyment this summer.

Directing the band will be Robert Williams, aided by several student conductors. The program will consist of marches, light concert pieces and novelty numbers, and begins at 7:30 p.m.

After the concert, the old-fashioned ice cream social will be presented by last year's freshman class of Northville high school. Cake and ice cream will be on hand as dessert for a musical evening.

Tickets for the social are available from members of the freshman class or on the evening of the concert.

A special invitation to attend is extended to those who will enter Northville high school as seventh graders in the fall.

Highlighting the final program will be parts of Tchaikowski's "Overture to 1812", stirring music commemorating the Russian defeat of Napoleon's army in that year. Selections from the Rodgers and Hammerstein musical comedy "Carousel" will also be played.

And turning to true band music, the musicians will top off the evening with ever popular Sousa marches by the master bandsman of them all.

R. H. Amerman Returns to Mayo's

Superintendent of schools R. H. Amerman will return to the Mayo clinic in Rochester, Minnesota, on August 1 for a final treatment before he returns to Northville.

Amerman had undergone treatment at Mayo's last week for a back ailment before visiting relatives in Polson, Montana. He expects to return to Northville soon.

Carol Ann Is Resting Now

Carol Ann Donnelly, her blonde hair still in pretty curls, died Tuesday.

She asked her father to be sure to care for her little pup, and told her mother with a hug that she really loved her. And then she took a nap.

She didn't know it, but most four-year-old girls didn't make as many trips to the hospital as she did. They didn't get all the gifts from nice people. They didn't see quite as many tender looks in their mother's and father's eyes.

But then most four-year-old girls didn't have leukemia.

And for 14 months, Carol Ann was just about the only person who didn't know she would soon die.

Carol Ann wasn't even aware of what was happening last Saturday when they rushed her to the hospital for a transfusion. She had been there so often. But her parents and the doctors knew.

She returned to the hospital Sunday for the last time. Yet even until a few minutes before her death, she was cheerful except that she kept asking, "Mommy, when am I getting out? When can I go home?"

She knew she was fighting something. But she didn't know what. Leukemia doesn't mean much to a four-year-old. Nor does the word death. So Carol Ann thought she was just taking another nap.

For her parents, Mr. and Mrs. Rene Donnelly, 45350 W. 10 Mile road, it was the most trying time of a trying year.

They were stunned when they first learned of her incurable illness, but they made up their minds

... she alone didn't know to make Carol Ann's life as happy as possible.

It wasn't easy. The Donnellys, new to the area, were not yet settled. Mr. Donnelly, a salesman, was still looking for the right kind of job. Then Carol Ann came down sick.

Her treatment was expensive. Medicine alone cost \$60 a week. Their savings were soon gone.

Fortunately, people they had never known suddenly became friends good friends. They offered funds to pay for her medicine, and gave her gifts. They sent cards. They gave her the little toy terrier she called "Lucy".

The Northville Eagles auxiliary was one of her closest friends. The women of that group adopted Carol Ann, and made her their official daughter. They sponsored a dinner

to raise funds for her medicine. And they helped her have a happy Christmas.

Word of the pretty little blonde went out to other communities, and soon more people were sending her dolls, a ten dollar bill, or perhaps just a good wish.

Now it's all over. But Carol Ann will have one final opportunity to thank her friends and to help other little girls and boys who might come down with leukemia. For her parents have consented to an autopsy so that the doctors and scientists might find out more about this strange disease that responds to no treatment.

Carol Ann will be laid to rest Saturday. Funeral services will be held at 10 a.m. from Casterline Funeral Home in Northville, with Father Wittstock of Our Lady of Victory church officiating. Burial will be in Holy Sepulchre cemetery.

And a rosary will be said for her at the funeral home at 9 p.m. Friday evening.

Members of the Eagles auxiliary plan to attend and pay final respects to their adopted daughter.

The women of the auxiliary also plan another dinner, for the Donnellys, after more than a year of trying to make their daughter happy while she still lived, must now start all over.

Yet they hardly know where to turn. They have lost their daughter. They are — quite admittedly and unashamedly — without a cent for funeral expenses and a burial plot. They stopped insurance payments so they could buy more medicine. They are not broken in spirit, but they need help.

Final Plans OK'd for New High School

NORTHVILLE'S NEW HIGH SCHOOL will open its doors sometime in 1959 and will look like this from the air. Numbered areas are: (1) softball diamond, (2) gymnasium unit, (3, 4 and 5) classroom

units, (6) two floor unit, (7 and 8) office units and (9) auditorium unit. Access to the office unit will be from the proposed Eight Mile cut-off. Baseline street sweeps down on the left past the gymnasium.

Final plans for the new \$2½ million Northville high school have been approved by the Northville board of education and an autumn target date has been set for groundbreaking ceremonies.

The board hopes that doors of the modern, one-story structure designed to accommodate 650-700 students will be opened early in 1959.

Remaining details to be worked out are being handled in almost weekly meetings between architects and the school board.

Drawing pencils went to work in earnest shortly after last December 18 when school district voters approved a \$3 million bond issue for the high school, the addition to Amerman school (now under construction) and purchase of a future site for an elementary school.

Site for the new school is approximately 50 acres of land between North Center street and Taft road recently annexed from Novi township. Temporary access to the building will be from Baseline road, with permanent access to the main entrance to be from the proposed Eight Mile cut-off.

Eberle M. Smith Associates have been revising and improving plans for several months, and recently presented a scale model of the school to the board (shown in accompanying photograph).

Students who will enter the new building for the first time will study in a modern, one-story structure designed to meet both material and psychological needs of the learning situation.

They will walk from one class to another along covered paths and enjoy recesses in shrub-lined patios. Academic classes will be taught in three small units (numbers 3, 4 and 5 in the photo), described by architects as "little schools" in themselves.

On the "quiet" side of the site, away from highway noises, each unit contains five classrooms which surround a larger, multi-purpose room. The central room, architects explain, utilizes space that is ordinarily used for corridors in school buildings of more conventional design.

On the "noisy" side of the site are the auditorium wing (6) the only two-floor section of the complex (9).

Near one of two parking lots — which will hold 264 cars — the auditorium is easily accessible for persons attending school dramatic and musical productions. It is convenient to music students for rehearsals, near both the large music rooms and smaller practice rooms.

In this wing also is the driver education area with an appropriate classroom handy to the parking lot and dual control cars. And perhaps the "noisiest" parts of the entire building — the shops and boiler room — are also in this wing.

On the ground floor of the two-story section are the receiving room, business education rooms (including typing and business machine areas), art and drafting room, a food lab, a combination laboratory, and a storage room.

Students will go up a ramp rather than stairs to the second level. Here are the kitchen and cafeteria. To make the most use of the large dining area, it will double as a study hall and is near the library for easy access to study materials. On this level also are the teachers' lounge and dining room.

The two small office units (7 and 8) offer a centralized yet almost private spot for school administrators. In one section are the offices of the principal and assistant principal, and in the other are located counselors' offices and the school clinic.

Shown near the gymnasium unit (2) is the softball diamond (1). Immediate plans call for a boys' and girls' gym and a smaller, auxiliary gymnasium, but in the scale model is included a future swimming pool adjacent to the gyms which would make practical use of existing locker room and shower facilities.

Because there just wasn't room on the scale board, the proposed baseball diamond, football field, tennis courts — and another parking lot holding 393 cars — couldn't be included in the model. They will be located on the other side of the proposed Eight Mile cut-off.

PTA Committee Makes Bus Survey

Eleven members of the transportation committee of the Northville Parent-Teachers association met with school officials last week to discuss the bus problem which will be facing Northville schools this fall.

The school board has adopted a policy last year requiring that only children who were reimbursable would be transported to school on school buses. The state provided that it would reimburse for children living outside of the city at least a mile away from school.

A new law this year states that only those living at least one and one-half miles from school will be reimbursable.

Attending the meeting as a representative of the school board was its president, Nelson Schrader. After hearing the problem, committee members, headed by Kenneth Conley, decided to survey the area included in the extra one-half mile as to traffic conditions, and safety hazards. They presented written reports to school administrators last night.

Another meeting is scheduled for next Wednesday when committee members will present final reports and recommendations.

Curb Work Begins On Wing, Fairbrook

Installation of storm sewers on Wing, First and Fairbrook streets neared completion this week as curb and gutter contractors prepared to begin their task.

The entire project is scheduled to be completed by August 31. Separate bids for storm sewers and curb and gutters were accepted last March by the city council with the stipulation that the work would begin after June 1 and be completed by August 31.

The storm sewers have been installed by Ray L. Welch of Allen Park, while the contract for curbs and gutters was awarded to William J. Kloote, Jr. of Pleasant Ridge.

Bids for the combined project totaled nearly \$40,000. The council has indicated that the streets would be paved, probably next year.

City Manager John Robertson stated that all existing curbs would be removed and that the width of Wing street would correspond with the width in front of the city hall. He added that dirt scraped from the top of the streets will be used to fill a small pond at Eaton drive and Seven Mile road. When filled, the site will be turned into a small park.

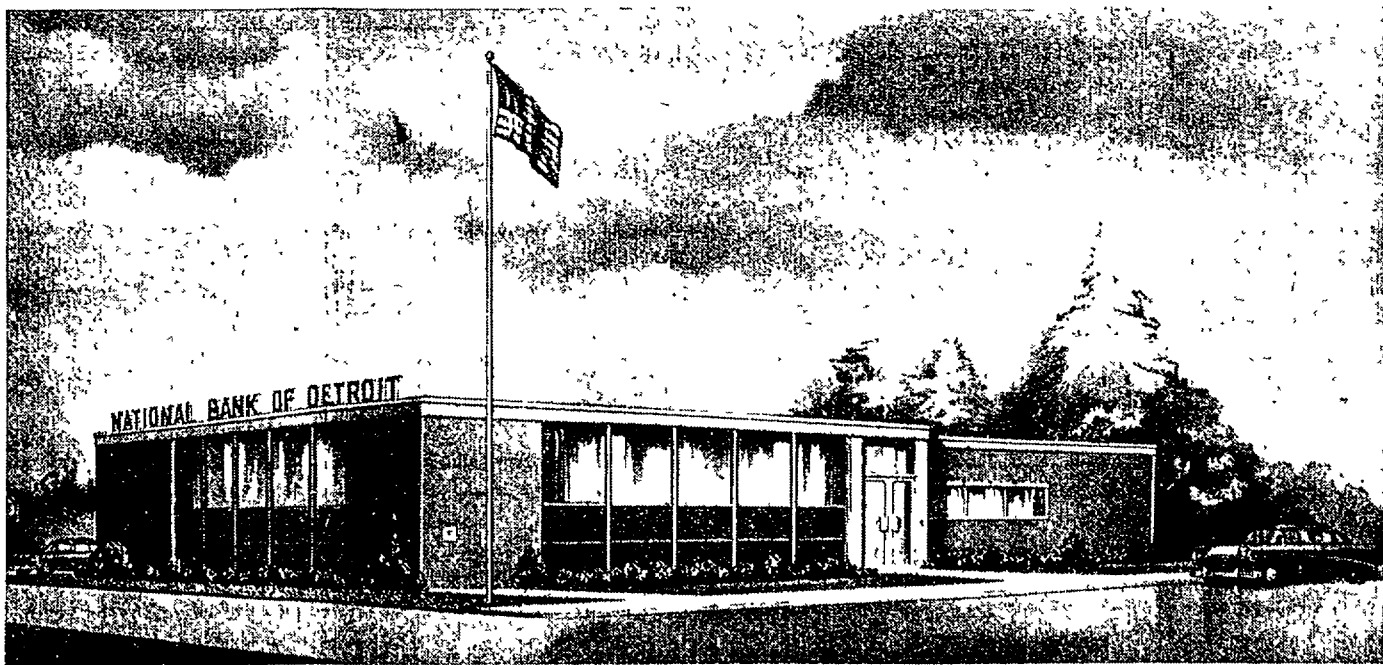

Ring Response

Five little words turned out to be real bell ringers for another satisfied user of The Record's want ad pages last week.

Not one, but 37 phone calls were produced by the following "for rent" classified advertisement:

HOUSE in Northville. Ph. 2743W.

Which should prove that the place to buy, sell, rent or trade faster is in The Record. It's easy, just phone Northville 200; and economical, only 60 cents for 15 words.

ANOTHER STEP FORWARD FOR NOVI — The proposed new National Bank of Detroit office in Novi will look like this when completed early next year. Construction of the building will begin soon. This view shows the east side of the bank. The sign will front

on Grand River, with drive-in windows located on the side away from the reader. The building will be located a short distance from the present office near Grand River and 11 Mile road.

Mr. and Mrs. Charles Hornbrook to Live in Muskegon

At an afternoon double ring ceremony last Saturday, Mary Lou Hartwick of Plymouth became the bride of Charles Taft Hornbrook.

The former Miss Hartwick is the daughter of Mr. and Mrs. Carl F. Hartwick of Clemons Drive, Plymouth. Her husband's parents are Mr. and Mrs. Charles F. Hornbrook of Tallahassee, Florida.

The Reverend Edgar Hoenecke

performed the ceremony in St. Peter's Evangelical Lutheran church in Plymouth, which was decorated for the occasion with bouquets of white gladioli and stock candelabra. Organist for the wedding was Mrs. Jan Jackson of Alma. Soloist Mrs. Margery Lindback of Detroit sang "O Perfect Love".

Mary Lou chose a bridal gown of white lace over taffeta, fashioned

with a scoop neckline, elbow length sleeves, a long fitted torso and a bouffant ballerina length skirt. Her only jewels were a single strand of pearls, a gift of the bridegroom.

Her elbow length veil of white illusion was held in place by a crown of orange blossoms and seed pearls.

She carried a bouquet of Amazon lilies and stephanotis.

Maid of honor Patricia Hyatt of Detroit and bridesmaids Connie McCall of Alma, Beverly Orr of Midland, Shirley Sexton of Plymouth were gowned identically in ballerina length dactron and cotton dresses of heavenly blue. Their gowns were accented by deep V-necklines in the back and front, cummerbunds and large bows of the same material in the back, streamers of the bows extending to the hem of the skirt. All wore white shoes, short white gloves and white headbands with face veils. They carried sprays of pale pink sweet-heart roses, the maid of honor's flowers of a deeper shade.

Carrying a tiny bouquet of the same pink roses was flower girl Glenna Mary Sullivan of White Lake, cousin of the bride. Her dress was of white cotton, fashioned with a ruffled bodice and a full skirt, with a sash and hair bow of heavenly blue satin ribbon, each having long streamers.

Best man for Mr. Hornbrook was Fred Wyngarten of Grand Rapids. Ushering were Alan Watterworth and Robert Watterworth of Caseville and Donald Jackson of Alma. For her daughter's wedding, Mrs.

Hartwick wore a dress of blue nylon over taffeta, with white accessories—Mrs. Hornbrook, mother of the bridegroom, chose a light blue sheath dress with matching accessories. Both had corsages of baby rosebuds.

About 225 guests attended the buffet supper in the church following the ceremony. Guests were from Sarasota and Tallahassee, Florida, Portsmouth and Plymouth, Ohio, Detroit, Grand Rapids, Grass Lake, White Lake, Livonia, Monroe, Alma, Webberville, Ann Arbor, Plymouth and Northville.

For her wedding trip to Tawas city, the bride wore a pink cotton shirtwaist dress with white accessories. Her corsage was of Amazon lilies.

The newlyweds are both graduates of Alma college, and will make their home in Muskegon, Michigan where both have accepted teaching positions.

Births

Mr. and Mrs. Richard I. Huston of Chedworth Drive announce the birth of a son, Richard Jr., on July 17 at Henry Ford hospital. The new arrival weighed six pounds, 14 ounces.

Mrs. Lloyd R. Quale of Palo Alto, California was the houseguest last week end of Mr. and Mrs. Drake Older of South Rogers street. Mrs. Quale is Mr. Older's sister.

James Taylor Claims Bride Saturday

An evening ceremony last Saturday united in marriage Marilyn Mae Engel and James E. Taylor, son of Mr. and Mrs. Floyd E. Taylor of West Eight Mile road.

The new Mrs. Taylor is the daughter of Mr. and Mrs. Harvey W. Engel of West Eight Mile road. Attending the double ring rites in St. Paul's Evangelical Lutheran church were 150 guests. Rev. Eugene Friedrich officiated in the church decorated with white gladioli and palms.

For her wedding, Marilyn chose a ballerina length gown of white embroidered cotton satin with a scalloped neckline and net over-

skirt. Her bouquet was of white roses centered with a white orchid. Marcia Taylor, sister of the bridegroom, was maid of honor, wearing a peach toned ballerina-length gown fashioned with an empire waistline. She also wore a crystal rhinestone necklace, a gift from the bride, and carried a bouquet of pink daisies.

Irene Engel was a bridesmaid for her sister, wearing a ballerina-length dress of pale blue, also fashioned with an empire waist. Her rhinestone necklace, also a gift from the bride, was of ice blue. She carried a bouquet of yellow daisies.

For her daughter's wedding, Mrs. Engel wore a navy blue lace and crepe dress, a semi-sheath style. Her corsage was of red roses and a rubra lily.

Mrs. Taylor, mother of the bridegroom, wore a Nile green lace and polished cotton dress of empire style, highlighted by a corsage of red roses and a rubra lily.

Best man for Mr. Taylor was Bob Engel. Ushers were Leslie Taylor and Jack Engel.

Attending the reception in the church parlors following the ceremony were guests from Gladwin, Flint, Detroit, Lincoln Park, Port Huron, Dearborn, New Hudson, Livonia, Plymouth and Northville.

When they return from a wedding trip to Colorado and points west, the couple will make their home on Chubb road.

Marilynn is a graduate of Northville high school and is employed by the Bell Telephone company. Her husband is a graduate of Fordson high school and is employed by Darrel and Armstrong, Detroit.

Priscilla Older Married Saturday In Ann Arbor

Last Saturday in a double ring ceremony in the Methodist church chapel in Ann Arbor, Priscilla Older became the bride of John F. Hayes, son of Mr. and Mrs. B. F. Hayes of Northville.

Priscilla is the daughter of Mr. and Mrs. Drake Older of South Rogers street.

For the afternoon rites, Priscilla chose a white, street length voile dress. Attendants for the couple were Mr. and Mrs. Gilbert Black of Northville.

Both young people are graduates of Northville high school. Priscilla attended Oberlin college and Eastern Michigan college in Ypsilanti. She is employed by University Microfilm in Ann Arbor.

The couple will make their home in Ypsilanti where Mr. Hayes will continue studies at Eastern Michigan.

Sharon Johnson Married Saturday

Miss Sharon Johnson of Northville, daughter of Mr. and Mrs. Jack Barry was united in marriage to Dale Lewis Swegles, also of Northville at the home of the bride's grandmother, Mrs. Ida Lewis, in Plymouth Saturday afternoon, July 20.

The wedding ceremony was performed by Justice of the Peace E. M. Bogart before a group of relatives with Miss Janice Tuchelski of Northville and Ralph Little of Plymouth as the attendants.

To Marry in August

Letia Parsons of Ann Arbor will become the bride of Donald E. Stevens, son of Mr. and Mrs. Sherwood B. Stevens of West Nine Mile Road on August 9.

The wedding will take place in Ann Arbor.

Nadal Is Lincoln's New Sales Head

Appointment of Robert R. Nadal as general sales manager for the Lincoln Division of Ford Motor Company was announced today by Ben D. Mills, company vice president and division general manager.

Nadal succeeds Henry B. Daniels, whose assignment to another position will be announced at a later date.

A veteran of 11 years with Ford Motor Company, Nadal was formerly central regional sales manager for the Mercury Division.

In his new position, he will direct the sales activities of Lincoln's 13 district sales offices and 1,375 Lincoln dealers throughout the country.

Born October 9, 1914 in Olivet, Michigan, he received his early education there. In 1934 he was graduated from Drury College in Springfield, Missouri and in 1936 received a master's degree from the Harvard Graduate School of Business Administration.

During World War II, he served in the Navy as a flying instructor. From 1941 to 1943 he was general sales manager for Culver Aircraft Corporation.

Since joining Ford Motor Company, he has served as a general sales assistant on the company's sales and advertising staff, manager of Ford used car and truck sales, Mercury manager of product sales and service, and Mercury dealer affairs manager. In April, he was appointed Mercury central regional sales manager.

New Continental Plans Announced By Lincoln

A new version of the world-famed Continental automobile will be produced next fall at the new Lincoln plant, general manager Lee Ben D. Mills announced.

Though details of the new model, the Continental Mark III, cannot be revealed until the introduction of the 1958 models, Mills emphasized:

"The Mark III will carry on the fine tradition of distinctive character and good taste that was established by earlier Continentals."

The Mark II, this year in the Edsel Division headquarters in Dearborn, completed its model run on May 15 with a total of 3,000 cars.

The date was advanced approximately six weeks as a result of an increase in sales rate and space requirements of the Edsel Division.

"Upon completion of the model run, the Continental Mark II had approximated its original two-year production goal," Mills said, "and in a span of 20 months achieved a sales total never before approached in the ultra-high priced car field."

He said there would be only a limited number of the virtually custom-built cars left in dealers' hands with which to meet an anticipated increase in demand resulting from the model change.

AMVETS Observe Tenth Anniversary

Novi AMVETS joined with thousands of their fellow AMVETS Tuesday in marking the tenth anniversary of the World War II veterans organization.

AMVETS was chartered by an act of Congress on July 23, 1947. Since then it has grown to 2,000 posts throughout the country and has gained national and international respect and recognition.

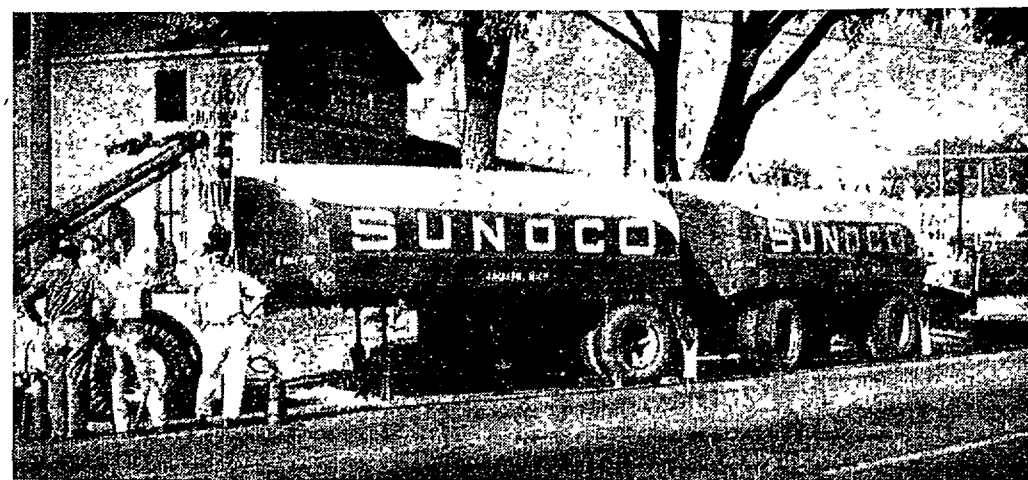

In Novi, Perry Kenner Post 76 has gained a reputation for being one of the largest and most active posts in the state.

Novi AMVETS this week heard a special message from national commander Dominick L. Strada, who said:

"We are serving the nation in many ways."

"Our Americanism program while exemplifying positive Americanism, is recognized as a strong anti-communist force; the AMVETS Memorial scholarships constitute an outstanding national education program; our rehabilitation program assists thousands of disabled veterans annually; our community service and youth programs benefit thousands of communities throughout the United States."

"All are a genuine credit to the creativeness and selflessness of our organization."

ALMOST, BUT NOT QUITE — Novi had another truck scare at Grand River and Novi road last week when a trailer came unhitched from this gasoline truck and bounced along the pavement. But, though Novi police and firemen were on the scene immediately, no trouble arose. The trailer was hitched up again and the truck was soon on its way.

Goodwill Pickup Scheduled Tuesday

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for next Tuesday.

Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative, Bert Hodge, at Plymouth 366-R.

BIDS WANTED

Novi Township is accepting bids for painting and repairs of the Novi Community Building and for repairing of the electrical wiring in Novi Township Park. Specifications may be obtained at the Township Hall, 25850 Novi Road, Novi Township. Bids will be opened August 5 at 8 P.M. The township board reserves the right to reject any and all bids.

GATHERED AROUND THE PIANO with six exchange students at the Rotary banquet last Monday night were Lynn Sullivan, chairman for the affair; Frank Henderson of Plymouth, Rotary district governor, and Oliver Rose of Novi, who will accompany the students back to Germany. About 95 persons attended the dinner at the Presbyterian church to honor the students who have been studying in Michigan for a year on scholarships. Not pictured is Hedi Trilthart, exchange student who attended Northville high school and graduated in June.

News from Willowbrook

By Mrs. John Parent
Greenleaf 4-2060

The Cub Scouts enjoyed the Tiger-Yankee game last Thursday even if the home team didn't win. Robert Horner, a troop leader from Northville obtained the free tickets and arranged for the transportation by school bus. Mrs. Thomas Needham of McMahon, the adult leader, accompanied Teddy Bunker, Jimmy Driscoll, Steve Hawley, Donald Needham, Garry Mohorek, Billy Jensen and Dick Bentley.

Disneyland was visited by Mr. and Mrs. Roland Matters and their two children of Willowbrook Drive. This was the high spot of their two week vacation in California. They stayed with Mr. and Mrs. Ralph Matters in Fullerton, California.

Mr. and Mrs. Vern Pierce of Pinellas Park, Florida are the house guests of Mr. and Mrs. William Beadle of Border Hill.

Marion Weiss of Mooringside spent the first week of her vacation

in Green Bay, Wisconsin, visiting her father, Baird Myers. She then traveled to Newberry, Michigan where Karl joined her for a week's vacation. The Weisses brought home with them their nine year old Margaret Berry to be their house guest for two weeks.

Mr. and Mrs. Donald Stewart of Holly Dale, announce the arrival of Lon Alan on July 9. The baby was born at St. Joseph's hospital and weighed eight pounds and seven ounces at birth.

The John Corscaddens of McMahon spent a week of their vacation in Farmington Center, Mass., where they visited Mr. and Mrs. Roland Avery.

Bob and Connie Atkin of Willowbrook spent last week end at a hotel in Lupton, Michigan with another couple.

The Jack Parents of LeBost and Mary Kay enjoyed a ten day vaca-

tion on Harsens Island. They were accompanied by Mr. and Mrs. Stanley Johnson and Mr. and Mrs. James Johnson and family.

The Clifford Bunkers of Mooringside have had a house full of guests for the past week. Their guests were Mrs. Paul Butterfield and her seven children and Mrs. John Huebner and her five children of Neenah, Wisconsin. The older children enjoyed trips to the Ford Rotunda, the Rouge Plant, the tunnel to Canada, Kensington Park and the zoo.

Ray and Gloria Stroutsos of Glen Ridge attended the harness races at Wolverine Park Wednesday with Mr. and Mrs. Edo Conedara of Detroit. Their son Gary celebrated his third birthday last Friday.

Jim and Jerry Calvin of Willowbrook Drive, minus their five children, are spending this week at the Wabun resort in Oscoda.

James Needham of McMahon and Mike Deaton of Wixom Road spent the past week at the Lakeside Camp at Brighton which is sponsored by the E.V.B.

The Lewis Chesmarks of LeBost dined at the Beef House in Farmington Monday night and attended a show afterwards.

The Philip Rannos of McMahon dined last Tuesday at the Gold Cup Room of the Whittier with Mr. and Mrs. Morris Messing and their son Bob of New Jersey. Thursday night the two couples were joined by Mr. and Mrs. Donald Ford for dinner at the Grosse Pointe Yacht Club.

Fred Burn and John Hendrickson of McMahon spent three days camping at the Hendrickson's farm.

Marg. Parent of LeBost was hostess to her bridge club Wed. night. Guest players for the evening were Nora Danforth, Kay Reiss and Marion Weiss. Kay Reiss won the first prize and Virginia Barnes scored second high. The consolation prize went to Dot Richmond.

Mr. and Mrs. William Carlson of McMahon Circle announce the birth of a son, Paul William, on July 19 at Mt. Carmel hospital. He weighed seven and a half pounds.

Terry Ann McKeon of Meadowbrook celebrated her first birthday Saturday at her Grandmother's farm in Fenton, Michigan.

VACATION BOUND?

Before you go, you may save yourself a lot of trouble by phoning ahead to be sure of your reservations. And if you're delayed on the way, call ahead from a handy Public Telephone and let them know. If it's friends or relatives you're planning to visit, phone and tell them when you'll arrive. They'll appreciate your thoughtfulness. Long Distance rates are low. You can call places a day's drive away for about a dollar. So don't let anything upset your vacation. Plan by Long Distance.

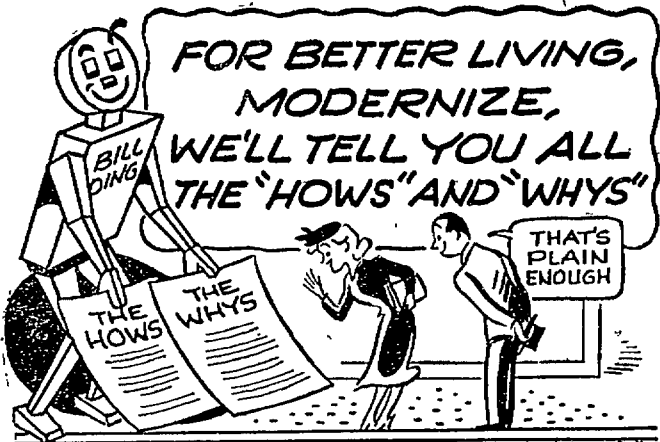

AN ADDITIONAL PHONE is an awfully handy thing, especially if it's a bedside phone. Think of all the times the phone rings while you're in the bedroom—and you have to run to another part of the house to answer it. You'd certainly save a lot of tiring steps if you had a phone in your bedroom. It's a nice quiet place to make those personal calls, too. And if you're ever ill, a bedside telephone is mighty convenient and comforting. Why not order one now? You can select from eight modern decorator colors.

CALL ANY TIME—this person's phone will be answered and messages taken whenever he's out. Many professional and business people are giving customers the convenience of Michigan Bell's telephone answering set. Soon you may make a call and hear:

"This is a recording. There's no one in the office. After you hear the two beep-tones, you'll have half a minute to leave a message, your name and phone number..." When he returns, your message will be played back and your instructions followed. Quite a service, isn't it?

Our experience in building does not cover everything but we may be able to give a few cost saving and practical suggestions. We are always ready to figure with you. Our stocks are complete. "Paint up with DuPont".

Northville Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., July 15th, 1957 at 8 p.m.

Present Mayor Claude N. Ely, Councilmen Allen, Canterbury, Reed and Welch.

Bills amounting to \$9,253.92 from the General Fund and \$533.61 from the Water Fund were presented, and it was moved by Canterbury, supported by Reed, that these bills be paid. Carried.

Moved by Reed, supported by Canterbury, that the following resolution be adopted: "WHEREAS, the City Council has determined by unanimous resolution of those present that no advantage to the City would result from competitive bidding for the collection of garbage, the requirement for sealed bids on same is hereby waived." Motion was carried.

Moved by Allen, supported by Welch, that the contract between the City of Northville and Harvey Willard for the collection of garbage be entered into for a period of one year. Carried.

It was decided that the matter of finding a location for a comfort station for the time being.

A resolution was presented by the Recreation Committee setting forth the duties and functions of this committee, its purposes, authority organization and specific responsibilities, and it was moved by Welch, supported by Reed, that this resolution be adopted. Carried.

Moved by Allen, supported by Welch, that Fred Gotts be appointed to the Zoning Board of Appeals for the term ending 1958 and Wilson Funk for the term ending in 1960. Motion was carried.

Moved by Reed, supported by Allen, that Icerman, Johnson & Hoffman, certified public accountants, of Ann Arbor, Michigan, be engaged to audit the books of the City of Northville for the fiscal year ending June 30, 1957. Carried.

Moved by Allen, supported by Welch, that the following resolution be adopted: Resolved, that the City of Northville will withhold 10 percent from the contract of Russell

Button with the City of Northville until said 10 percent is released by the Wayne Co. Road Commission. Motion was carried.

The matter of changing the name of "Plymouth Ave." in the City of Northville to "South Main St." was taken from the table, and it was moved by Allen, supported by Reed, that a resolution be adopted to change the name to S. Main St. as petitioned by the residents of Plymouth Ave. Carried.

Moved by Reed, supported by Ely, that the City Manager be sent to the conference of International City Managers Assn., to be held at Washington, D.C. Oct. 20th to 24th, 1957. Carried.

No further business appearing, meeting was adjourned.

Driver Fined By Judge Bogart

For striking a telephone pole on Beal avenue near Plymouth avenue last week, David Lee Louton of 604½ Plymouth was fined \$10 and costs by Justice E. M. Bogart.

Louton, 38, told police that a door with a faulty latch on his automobile fell open and he fell to the pavement. The car kept going, he said, until it hit the utility pole.

Charged with driving under the influence of alcohol, Richard Garnet Nettle of Hazel Park was arraigned before Judge Bogart. Nettle, 17, is charged with striking a car belonging to William Gaab which was parked in Gaab's driveway on Fairbrook Avenue. The case was adjourned for consideration till next Tuesday.

It costs you nothing to enter The Record and News \$3,500 contest.

The Reality Of Faith

A stranger came upon a lad flying a kite. "What are you doing, my boy," asked the stranger. "Flying a kite," was the reply. The man looked up, searched the sky in vain and said, "I can see no kite."

Well," answered the boy, "I'm sure it is there, 1st because I saw it go, and next, because I can feel its pull." The truly born again person can testify that his faith is real for exactly the same reasons. First, because he has enjoyed a real experience with the Lord when he entered into the covenant of eternal life with the Saviour. He remembers well the burden of sin and condemnation which rested upon his shoulders. He remembers the longing in his heart to be right with God. In his memory is stored the blessed day when he called out to God for salvation through Jesus Christ. But that's not all—since that day when he became a new creature in Christ he has experienced a sense of God's presence. Throughout the day and the night when he is free for meditation, his thoughts are upon the Lord and his wonderful word. There is an constant companionship, a tug and pull whereby he knows the Lord is with him.

Hospital Patients Stage Variety Show

Tonight at 7:30 in the Northville State hospital auditorium, the public is invited to attend the patient variety production, "County Fair". There is no admission charge.

This show is written, acted, and produced by patients at the hospital, under the auspices of the hospital's occupational therapy department.

Miss Janet Paterson, director of occupational therapy, states, "Mrs. Ann Snyder, our music therapist, has done an excellent job in producing and directing this show. She tells me that she has been delighted with the real talent she has discovered, and we all hope that people will come to see it."

Mrs. Snyder has been on the staff at the hospital since March 1957. She received her A.B. degree in music at DePauw university in Indiana, and did her psychiatric music therapy internship at Beatty Memorial state hospital in Westville, Indiana.

State Hospital Patients' Project Aids Haitian Orphans

READY FOR HAITI — Mrs. Sonya Campeau, R.N., helps three Northville State Hospital patients arrange a display of toys which were sent this week to an orphanage in Haiti for young victims of Hurricane Hazel two years ago. The toys were made by patients in the hospital's intensive treatment unit.

MERCY WORK — When these patients began making toys as part of their treatment, they had no idea of what to do with them. But when Mrs. Carolyn Seefeldt told of her visit to the Haitian orphanage, the patients enthusiastically agreed to send them to the poverty-stricken hurricane victims. The patients worked nearly two months on the 120 toys.

Over 100 toys are on their way this week to the Vincent Orphanage in Port-au-Prince, Haiti, from the patients in the intensive treatment unit of Northville State Hospital.

As a patient project, with the assistance of Mrs. Sonya Campeau, R.N., one of the nursing supervisors in that unit, the patients have been busy for the past two months making stuffed dolls and all types of articles that would appeal to young children.

They became interested in the Haitian orphanage through Mrs. Carolyn Seefeldt, director of social service who visited there last February, and who had shown slides which gave the patients an idea of the extreme poverty in a country only 750 miles from Miami.

In the orphanage — operated by the Salicacion Sisters — most of the children's families were victims of Hurricane Hazel two years ago.

In a letter to Mrs. Seefeldt, Sister Superior A. Cayoli, in charge of the orphanage writes:

"It is so good of you, dear Madam, and of American people to think to these poor children of Haiti, and I am sure that Our Lord will reward you a hundred-fold."

"You ask me what our children would appreciate . . . well, the youngest ones are fond of dolls; most of them have never had the joy to press one in their little hands. The others will be very happy to have a pair of scissors, a yard of material to make an embroidery hand-work of which they are very fond, some colored cotton, a pair of white socks to wear on festival days, little drawers, small blue cloth caps to wear as uniforms."

"But, dear Mrs. Seefeldt, be sure that with any thing, it may be the smallest present, they will be most, most happy and grateful."

"In the hope of meeting you next year, I send you kindest regards from the whole community."

The articles were on display in the hospital lobby until Tuesday when they were packaged for shipment. The International Country Club in Port-au-Prince, where the Seefeldts stayed during visits in 1956 and 1957, is the sole support of this orphanage. It houses 104 school children and has 400 pupils who attended day school but live with friends or distant relatives in the city.

The patients at the hospital frequently plan ways of helping others, and become very interested in such projects. Each Christmas, they have participated in the Ruth Alden Dress Contest (several have won prizes) and many patients have made cancer pads for the local American Cancer Society.

Dinner guests this evening of Mr. and Mrs. Parker Holden of West Main street will be Mr. and Mrs. Howard Perkins of Detroit.

Henry Beam, general chairman of the 1957 Torch Drive for the western Wayne county region, has announced the appointment of Myron P. Unger as chairman of industrial solicitation.

This is Unger's second year of service in this capacity, "except that this year the job is bigger," Beam said.

The western Wayne County Region now includes the cities of Northville, Dearborn, Wayne, Garden City, Livonia, Inkster, North and South Dearborn Townships, Canton, Redford and Nankin Townships. Unger will coordinate the activities of all Torch Drive solicitors calling on industries in the region to obtain corporate and employee contributions.

"We are very much aware that industries and their employees are the largest source of United Foundation support."

Tot Struck by Car In Dash to Lake

A three-year-old boy was seriously injured Saturday evening when he darted out in front of a car on East Lake Drive.

Dennis Kreuger, 3, of 219 W. Cornell, Pontiac, was treated at Pontiac General hospital for a broken arm and other multiple injuries.

According to Novi police chief Lee BeGole, he was struck when he ran across East Lake Drive toward Walled Lake without looking.

The driver, John F. Bazzo, 117 Maudlin, Novi, told police he was driving along and heard a woman scream. Then he felt something bump against the car and stopped.

Bazzo was going 15 mph, BeGole said, and there was no evidence of negligent driving. Bazzo was released after his statement.

Ironically, the ambulance that

took the tot to the hospital was flagged down by an Oakland county sheriff's deputy a quarter-mile down East Lake Drive and a second young boy, struck by a car under similar circumstances, was rushed to the hospital with the first one.

Attorney Ogilvie Resting at Home

Philip Ogilvie, city attorney for Northville, is now resting at home after undergoing treatment tests at the University of Michigan hospital in Ann Arbor last week.

Ogilvie was taken to the hospital after an attack of a back ailment several weeks ago. He will return for further tests and diagnosis next Monday.

\$3,500.00 Subscription Contest Begins this Week

More than \$3,500 in prizes, cash, Savings Bonds and commissions, including a new 1957 Ford Tudor sedan will be awarded by the Northville Record and Novi News in a mammoth subscription contest which opens today for the enrollment of contestants.

The \$3,500 worth of merchandise and prizes, cash or bonds will be awarded to the men and women of this area who will enter their names as contestants and use spare time taking new or renewal subscriptions to the Northville Record or the Novi News, or both, during the next eight weeks.

WHO CAN ENTER

If you reside in Northville or Novi Townships or in the area covered by the Northville Record and Novi News in the adjoining Townships of Commerce, Lyon, Salem or the village of Wixom you are invited to enter the contest and take part in this great prize-winning event. Should you enter as a contestant and fail to win a prize, you can't lose. Cash commissions or bonuses are guaranteed according to the rules of the contest. You can enter today and get paid an extra cash bonus one week from today by turning in only a few subscriptions during your first week of entry.

THIS CONTEST IS FOR INDIVIDUALS MORE THAN 18 YEARS OF AGE. SCHOOL GROUPS AND ORGANIZATIONS AS SUCH ARE NOT ELIGIBLE TO ENTER.

Under the contest plan as outlined in the advertisements on pages 12 and 13 you can enter, get a winning start the first week after you enter and get paid for doing it. No matter whether you have ever won anything in your life or not, here is a proposition where you are guaranteed against loss. If you enter the contest, there is absolutely no way for you to lose.

GET NEW OR RENEWALS

Although The Northville Record and The Novi News have a large circulation in their respective areas, the management expects to make 1957 a banner year and get every available subscription in the trade area during the contest. At the same time the most ambitious men and women of the area will have an opportunity to participate in the contest and make some extra money or win a valuable prize during their spare time. Everybody, while doing his regular work or while engaged in community activities, sees and talks with people. The contest plan is designed to attract participants who are active in community affairs.

All who want to see this area grow and prosper can help you and help themselves. All you have to do is ask them. Everybody is a prospect for a new or renewal subscription. People who take The Record or The News can pay subscriptions in advance or clip the 500 FREE VOTE COUPONS from their copies of the paper and give you vote credit toward winning the contest prizes. The thing to do is enter now and start your campaign among your friends and neighbors. You will find it easy and exciting.

WHAT CAN BE WON

The contest plan includes the most interesting and attractive prizes that could be obtained. It is designed to interest the kind of people who are interested in seeing this area make more progress. When your local paper is placed into the hands of more new readers it tends to influence

them to do more of their "buying at home" and make a keener interest in community affairs.

To attract contest entrants who realize that the use of spare time not only helps them, but this entire area a brand new 1957 Ford Tudor Sedan is offered as first grand prize. The second prize is \$500 in cash. Every entrant will be eligible to win these prizes. Then there is a \$500 Savings Bond for some entrant residing in the Northville area; also a \$500 Savings Bond for some entrant residing in the Novi area. The other prize offered is a new \$169.95 Philco portable TV. This can be won by any entrant. The prize list has been arranged so that three of the awards can be won by entrants residing in the area covered by The Northville Record or The Novi News, but there are no restrictions on where entrants can secure subscriptions and votes.

ALL ENTRANTS WIN

One of the main features of this contest is that there will be no losers. All who start and remain active to the finish are guaranteed at least ten percent of the subscription money turned into their credit, providing they fail to win prizes. This, in itself, is an excellent business proposition for spare time effort for the next eight weeks.

This is not a "lucky-drawing" or something-for-nothing affair. Instead, it is a business proposition in which every participant will be rewarded in accordance with business produced or results obtained. The only way that you can lose is to fail to enter the contest or fail to start campaigning after you enter.

LOOK AT PRIZES

The new 1957 Ford is being supplied by Marr Taylor Ford Agency of Northville and will be on display at their showroom at 117 West Main street during the contest.

The \$500 cash prize will be paid by The Northville Record and The Novi News and will go to the contest entrant with the second largest number of votes.

The Northville Record district prize — a \$500 U.S. Savings Bond will be delivered to the winner by the Manufacturers National Bank of Detroit, Northville office.

The Novi News district prize — a \$500 U.S. Savings Bond will be delivered to the winner by the National Bank of Detroit, Novi office.

The \$169.95 Philco portable television was obtained from the Northville Electric Shop and will be on display at the store at 153 East Main Street during the contest.

WORK IS EASY

One of the easiest things to do at this time will be to take new and renewal subscriptions to The Northville Record and The Novi News. These newspapers are well received everywhere. They are making every effort to be of community service, and record happenings and activities that can't be found in any other newspapers. The management plans to give even better service during the years ahead, therefore, gathering new and renewal subscriptions is just a matter of asking the people you see to give you their subscription.

All who take part in the contest will find the work easy, pleasant and profitable. Fairness will be the main feature of the drive, so don't hesitate to enter as a contestant. Remember, you can't lose. A cash bonus or commission is guaranteed.

With economic conditions as they are today, there are literally hundreds of people who will be only too glad to pay subscriptions or become subscribers to either The Northville Record or The Novi News.

In view of these facts, it was decided to use this novel method to get these newspapers into the hands of more people and thereby widen their scope of usefulness to the communities served by them.

WILL IT BE PROFITABLE?

Will such a costly subscription contest be profitable? That is a question that will come to the minds of the people who read this announcement. Yes, it will pay, not in dollars and cents immediately, but in the years ahead the added circulation will increase advertising revenue and make the venture profitable for these newspapers and the merchants who use their columns for advertising.

During the contest, every available new subscriber will be added to the subscription list. This means an immediate enhancement of The Northville Record and The Novi News as live advertising mediums.

DON'T WAIT FOR OTHERS

Many readers of this announcement will think about sharing in this huge prize and cash distribution but will hesitate to enter because of these reasons:

First, you will think that hundreds of others will enter, and hesitate to enter yourself. If you and everybody else hesitates to enter, there may not be enough entrants to take the prizes. Remember, others will have the same reasons that you have for being unable to enter. This means that by ACTING NOW, you are taking advantage of the opportunity to win while others hesitate.

Second, you will think of lots of people who you think have more time than you have and hesitate to enter. Others will do the same thing. But, remember, it's not the time you have that counts. It's how you use it.

Third, you will think that there is some catch, hook or crook to the proposition, and hesitate to enter. Others will think the same thing and hesitate without reading details or investigating.

This is YOUR OPPORTUNITY but you must make the first move to take advantage of it. People who grasp "opportunity" when it is presented are few and far between. Be one of the few to act on this one. No one can help you unless you make the first move to help yourself.

The least you can do is to clip the Entry Blank, phone Northville 200 or come to The Record and News office in Northville and get more information. It costs you nothing to enter. It costs nothing to win. If you don't make it known that you are interested, you may be passing up the opportunity of a lifetime.

ENTER NOW

During the coming week, the contest will be open for entrants. All who enter can start gathering the 500 FREE VOTE COUPONS and subscriptions from people who get The Northville Record or The Novi News. No strings are attached to the 500 FREE VOTE COUPONS. Turn in all that you can get from people who are getting the papers. The paid-in-advance subscriptions that you get will yield vote credit in accordance with the schedule published in the advertisement in this issue.

The contest is arranged so that the early entrants get the most vote credit for their efforts. The schedule is on a declining basis and will not be change during the contest. This makes it impossible for you to wait until later to enter and get the maximum vote credits for your efforts. If you want to enter and win one of the prizes, DO IT NOW.

If you are interested, you must make the first move. Waiting and then wishing that you had entered will get you nowhere. It's action that counts, not thoughts of action. It costs you nothing to put your thoughts into action. DO IT NOW and you will be successful.

Free TB X-Rays Offered Next Week

A mobile chest X-ray unit of the southeastern Michigan TB detection project will be stationed in Livonia for four days starting August 1.

The specially equipped bus will be parked at the St. Damian's Church fair and carnival, 30200 Joy, from 1 p.m. to 9 p.m. each day.

The free chest X-ray survey is aimed at uncovering unknown TB cases in the early stages of the disease when it is easiest to control and treatment is most effective.

The chest X-ray check-up is available to every adult and child seven years of age and older. Specially-trained technicians take only a minute to X-ray a chest. No undressing is necessary, and no appointments need be made.

A BURNING HEART

It was the third day after the crucifixion. Some at least had not forgotten that He had predicted that He would arise on the third day. Two men were walking from Jerusalem to their home in Emmaus. Jesus drew near and joined Himself to them. Later when they discovered it was Jesus they said, "Did not our heart burn within us, while He talked with us by the way, and while He opened to us the scriptures?" They were speaking figuratively of that jubilant satisfaction which came over them as they listened. Now there ought to be that same warm hearted response within us when God's word is expounded. I'm sure no preacher could compare with Christ in exposition, however those who are true to the Word speak the same glorious truth and it should awaken within us that ready response of a burning heart.

What caused their burning heart? It was not due to their identification of Christ. They did not know it was the Saviour, until afterwards. It was not due to any oratory or special attraction such as a miracle. It was due to the plain simple unfolding of the scriptures as he began with Moses and all the prophets and explained unto them the Old Testament scriptures which spoke of Him. The

reason for the burning heart was their intense interest in spiritual things. It caused their hearts to glow when they heard the Word.

We must confess, I'm afraid, that we see little evidence of that burning heart response in our Churches today. People need to be coaxed to come to the services. Few people care to listen to sound, deep doctrinal preaching and a preacher must exert every effort to 'keep it interesting'. Some have even departed altogether from preaching from the scriptures. Book reports, travelogues, the latest social controversy are heard from many pulpits. What is lacking? Why are spiritual appetites so lagging? Is it not because of things in the lives which are allowed to dull the appetite? We know there are certain things which will spoil our appetite for food. Presence of filth, a bad temper, sickness and the like. Just so there are things which will spoil our appetite for spiritual things and keep us from enjoying the things of God. It could be some television programs or the type of books we read or the meditations of our minds. The remedy is to get rid of these things which dull our appetites for spiritual things. Then when we hear the Word of God it will be precious to our hearts.

A FESTIVAL DAY—Instead of a daily vacation bible school for children, the Willowbrook Community church in Novi held a children's festival on Wednesday, July 17. Games and songs were the order of the day as Willowbrook children enjoyed themselves at the church at the corner of Meadowbrook and 10 Mile.

GONE TURTLE — Three Northville youngsters lost no time this week in searching for a champion turtle to enter in next Tuesday's Northville recreation department turtle race. Scanning the mill pond for entrants are Sandy Moe, Steven Smith (pointing) and Jimmie Horton.

Needed: 9 Dads on August 8

Some 100 Northville kids are keeping their fingers crossed that nine of their fathers or neighbors will give them a helping hand.

That's how many adult supervisors are needed for the Detroit Tiger-Cleveland Indian ball game on August 8.

A total of 64 youngsters had signed up for the game as of Monday, and the recreation director was certain that 35 more will decide to come along.

"We'll have 100 kids, for sure," said Johnston. "Now all we need are the fathers to go along with them."

The game will be free for all, including supervisors. Buses will leave the community building park-

ing lot at noon on August 8 (a Thursday).

Both adults and youngsters may sign up for the game at the scout hall.

Enrollment in the Northville recreation program has reached 838—the highest total ever recorded in the summer-long program.

Some 12 percent—or about 100—of the children are from Novi. A few are from Plymouth township. The bulk are from Northville and Northville township, which jointly support the \$10,000 program.

Recreation officials had predicted that 600 children would take part in the program this year.

The program is half over now,

but in some respects it's just beginning to get rolling.

The next few weeks will see four major activities that are expected to attract the largest turnouts of the year.

In addition to the turtle race next week and the Tiger game the following week, the program will feature the annual pet and doll parade on August 8 and the traditional water carnival at Whitmore Lake on August 16.

Recreation Schedule

RECREATION EVENTS

Night Swims — Daily at Whitmore Thursday. Buses leave high school at 6:15, return at 9:30 p.m. Must be 13 years old at least. Charge of 30 cents for beach admission.

Archery — Every Thursday. Beginners, 9-10 a.m. Others, 10-11 a.m. Equipment furnished.

Baseball — Four organized teams, regularly scheduled games.

SPECIAL EVENTS

July 30 — Turtle Race

August 6 — Pet and doll parade

August 8 — Trip to Detroit Tiger-Cleveland Indian game.

August 16 — Water carnival

Fiberglass Moves into 1st By Taking 7th Straight

The Fiberglass Sluggers made it. By winning their seventh straight game last week, the sizzling Sluggers moved into first place in the Novi Little League for the first time.

The Sluggers dropped National Bank, 10-8, while Young Door bumped Paragon from the league lead with a 12-11 victory.

The Sluggers have not lost a game since June 17, while National Bank—which led the league for three weeks—has been winless since June 14 and has slipped deeply into third place.

Fiberglass moved into first place on the strength on a nine-hitter

by pitcher Ron Bearden, who threw third strikes past nine Bandits.

The Sluggers collected only seven hits off National Bank's Jack Boyd, but punched out for five runs in the first inning and were never headed. Billy Adams paced Fiberglass with two hits, driving in three tallies.

Young Door won its third game of the season on Dennis Marshall's four hits. Marshall, who struck out nine, was his own big gun at the plate, banging out three hits and driving in four runs.

John Newton and John Walters hurled for Paragon, each recording three strikeouts.

Northville Teams Keep Rolling

One Northville baseball team caught fire in recreation play this week, but another squad stubbed its toe and lost a game for the first time this year.

And in the midst of it, two other teams roosted comfortably at the top of their leagues with undefeated records.

As the recreation baseball program passed the halfway mark, these results were recorded during the past week:

NORTHVILLE ORIOLES

The Orioles got back in their winning ways by winning four straight games and pushing their record to 6-3 for the season—a mark good enough for second place.

The Orioles walloped Clarenceville, 15-0, triumphed over Rosedale, 3-0, and edged Wayne County Train-

ing School, 10-9.

The Orioles were most impressive against Clarenceville, as they picked up 13 hits while pitcher Bill Weidner limited his opposition to a single safety.

Tom Swiss and Bill Lusk each knocked out three hits for the Orioles. The Orioles had considerable help from Clarenceville, as that team chalked up an embarrassing 13 errors.

NORTHVILLE BRAVES

Northville's other midget team held fast to the National League lead by picking up two more victories last week. The Braves dropped Wayne County Training School, 9-4, and squeezed past Rosedale, 2-0.

The wins gave the Braves a perfect 7-0 record for the season.

The Braves punched out only three hits against Rosedale, but two of them were crucial doubles.

Craig Bell allowed Rosedale only four hits, spacing them evenly and holding the Tigers scoreless after the first inning.

Class E

Northville's Class E squad went on to its fourth straight win by dropping American Legion, 6-1. It left Northville with a still-perfect season's record and a firm hold on

first place.

American Legion outlived Northville 5-4, but the Legionnaires were never able to put their safeties together for a rally.

Northville pitcher Jack Boyd got half his team's four hits, including a double, to lead his teammates to the win.

Class F

After winning four straight and breezing along at first place, the Northville Class F team finally tumbled to Livonia Police, 6-3.

The only other blemish on their record is a 4-4 tie with Plymouth.

The Class F squad's performance was not helped at all by the hospitalization of Dave Hay, the team's leading batter who had been carrying a .600 average.

MIDGET SOFTBALL

The Panthers held on to first place this week, but the Lions did most of the scoring—tallying 37 times in two games.

The Panthers defeated the Tigers, 6-4, and dropped the Bears, 16-5. Then the powerful Panthers walloped the Tigers, 24-8.

The standings:

Panthers	7	1
Lions	5	3
Bears	3	5
Tigers	1	7

Marker to Honor Passenger Pigeon

LANSING, July —A state historical marker commemorating the now-extinct passenger pigeon will be unveiled August 12 at the Oden state fish hatchery northeast of Petoskey.

The site overlooks Crooked Lake where millions of the birds settled to nest in 1878. It was one of the last mass nestings of the bird in Michigan.

AMVETS to Play

Novi AMVETS will pit their softball skills against each other in a game August 4 at the Novi school playground.

The game will begin at 2 p.m. Teams will be chosen at that time.

Pot luck lunches will be brought. The losing team will pay for refreshments.

Turtles Ready to Saddle Up

Nearly 100 turtles will be off and galloping next Tuesday in the 1956 running of the annual Northville Added Turtle Handicap.

Maybe they'll actually just crawl, but past experience has shown that the excitement isn't any the less for the several score youngsters who enter the race.

The annual race will begin at 10 a.m. in the Main Street school playground.

Sponsored by the Northville recreation department and The Northville Record, the race will see cash prizes go to all winners.

Six races will be run, with first, second, and third place prizes to be awarded for each race. In addition, three prizes will be awarded for the most distinctive or unusual jobs of turtle-decorating.

The turtles will be let loose in the center of a 40 foot circle. The first to cross the outside line will be the winner. In the past, many have

come close to winning, only to do an about-face at the finish line.

Children—both boys and girls—of any age can participate. Each can enter as many turtles as desired, but once a turtle wins a race it is sidelined from further competition.

Northville recreation director Stan Johnston advised that all turtles should have some sort of identification on them so that winners can claim their turtles correctly.

Johnston also suggested that contestants round up their own turtles

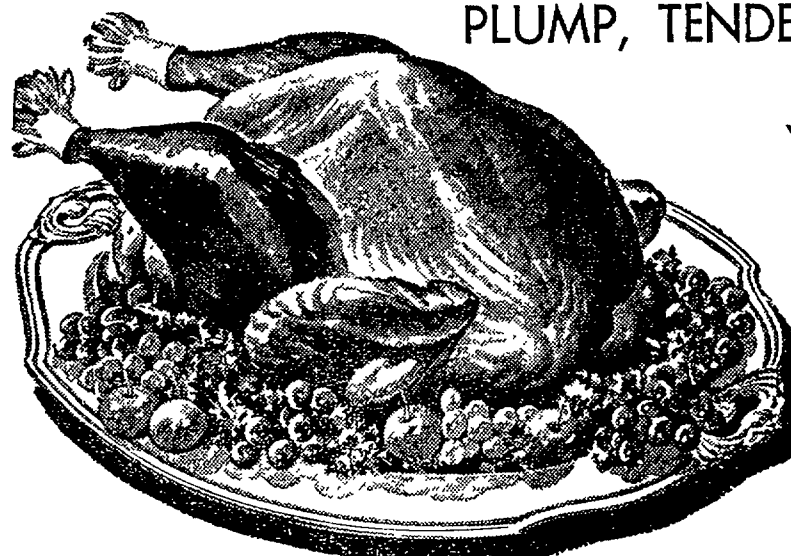

from the many lakes and streams in the Northville area. He added that some turtles will be on hand at the race for youngsters who have been unable to find one of their own.

Johnston once again cautioned young children not to go turtle-hunting alone.

"If your children plan to enter a turtle," he cautioned parents, "go out with them sometime to get it. Turtles usually must be caught from a boat, and we wouldn't want any young boy or girl getting in trouble out in deep water."

THE NORTHVILLE RECORD AND NOVI NEWS ANNOUNCE A \$3,500 Subscription Contest

WIN A NEW AUTOMOBILE, CASH, BOND OR USEFUL PRIZE IN YOUR SPARE TIME IN 8 WEEKS

**NOW
OPEN FOR
ENTRANTS**

ENTER YOUR NAME NOW

AN EARLY START IS TO YOUR ADVANTAGE

COMPETITION IS OPEN TO MEN AND WOMEN (MARRIED OR SINGLE) AND YOUNG PEOPLE OF THE MORE AMBITIOUS SORT RESIDING IN NORTHWESTERN WAYNE COUNTY OR IN NEARBY TOWNSHIPS OR VILLAGES OR TOWNS IN OAKLAND OR WASHTENAW COUNTIES SERVED BY THESE NEWSPAPERS. COSTS NOTHING TO TRY AND ALL PARTICIPANTS ARE GUARANTEED LIBERAL COMPENSATION, IN CASH, FOR EVERY RESULT OBTAINED — LARGE OR SMALL — THERE WILL BE NO LOSERS IN THIS RACE. READ THIS ANNOUNCEMENT — EVERY WORD OF IT — THEN CLIP THE COUPONS BELOW AND SEND THEM IN FOR YOURSELF OR FOR A FRIEND. REMEMBER, A GOOD START IS THE BATTLE HALF WON.

THE PLAN IS NEW — THE WORK IS EASY — THE REWARD IS BIG

**CLOSES
OFFICIALLY
SEPT. 21**

THE PLAN IS BRIEF

The object of this big prize and commission distribution is several fold: (1) primarily to increase the already large circulation of The Novi News and The Northville Record in their own circulation areas. We also envision that such tremendous circulation increases will also be of great help to the business houses of these communities; (2) to gather advance subscription payments from present and new subscribers, and at the same time afford our friends and readers an opportunity to turn their spare time into profit. So it is a plan that works both ways, and to the ultimate good of all concerned.

In order to gain these objectives quickly and advantageously the most valuable and attractive prize list ever offered by any newspapers in this section has been made ready for distribution among those who enter as contestants.

Such a contest plan is straightforward and simple. It is most impartial and is outlined on this page from start to finish. A board of impartial judges will be selected to make the final count of vote credits of the contestants. So don't hesitate to enter, because you can't lose.

RULES AND REGULATIONS

1. No salaried employees of these newspapers or their immediate families or families of firms furnishing prizes are eligible to enter this contest. This does not apply to correspondents.

2. Any reputable person over 18 years of age residing in Northwestern Wayne County or nearby in Townships or Towns or Villages in Oakland or Washtenaw Counties, is eligible to enter and compete for the prizes.

3. Contestants are not confined to their township or community in which to secure subscriptions, but may take orders anywhere in Wayne, Oakland or Washtenaw Counties or the United States.

4. Vote credits issued for subscriptions will be in accordance with the schedule published in this issue, including the first week cash and vote coupon, which will become a first period coupon minus extra cash, 1 week after a contestant makes his or her first cash report. This coupon will decrease in value 25,000 votes every week, starting one week prior to the close of the first period. Right is reserved to issue extra votes not to exceed the value of 10 each of these coupons, also on extended subscriptions.

5. Votes are not transferable. One contestant cannot withdraw in favor of another contestant or give subscriptions to another contestant. Contestants violating this rule are subject to disqualification.

6. Any collusion on the part of contestants to nullify competition or any other combination formed to the detriment of these newspapers or contestants is forbidden. Contestants taking part in such combination are subject to disqualification at the discretion of the management.

7. All votes issued to contestants may be held in reserve and be published at the discretion of these newspapers. Published standings will show only enough votes to show the leaders for the prizes.

8. The winners of the prizes will be decided by their earned vote credits, said credits represented by votes issued for cash subscription collections, extra votes for turning them in at certain intervals, and the free coupons clipped from these newspapers.

9. Contestants in this contest are authorized representatives of these newspapers but it is understood and agreed that they will be held responsible for all money collected and will remit such amounts in full on regular report days to the Contest Department. Right is reserved to take reports daily after first period.

10. No statement or promise made by any representative varying from the rules and statements appearing in these newspapers will be recognized by the publisher. In case of typographical or other error in a rule or statement, it is understood that neither the contest manager nor the publisher shall be held responsible except to make necessary corrections upon discovery of same.

11. To insure absolute fairness in awarding the prizes, the contest will be brought to a close under a sealed ballot box, in which the final returns will be placed and opened by a board of three impartial judges at a given hour. By doing this, no one — not even the contest manager, can possibly know who the prize winners will be. This precludes any possibility of favoritism and insures absolute fairness in awarding the prizes. The decision of the judges shall be final.

12. In event of a tie for any of the prizes, a prize identical in value will be given each tying contestant.

13. ALL CONTESTANTS will be paid \$3.00 for each "club" during the first week of activity. Active contestants who do not win prizes will be paid 10 percent (10%) cash commissions on the amount of cash collected for subscriptions, after first week. It is distinctly understood, however, that in event any contestant becomes INACTIVE, failing to make weekly cash report, he or she will at the discretion of the management, become disqualified and forfeit all right to a prize or commission.

14. These newspapers guarantee fair and impartial treatment of all contestants, but should any question arise the decision of the management will be final.

15. In becoming a contestant, each person agrees to abide by the above rules and conditions.

16. This contest officially opens with the first published list of contestants, and continues until September 21, 1957.

YOUR OPPORTUNITY

As a leading feature of a program of extension and expansion of the already dominating circulation, The Novi News and The Northville Record today announce a startling, amazing offer through which to reward their friends and readers who will enter as contestants and assist in the undertaking. These newspapers are going to award a new automobile, cash, prizes and commissions valued at approximately \$3,500.

This general undertaking is launched and will be conducted upon a plan worthy of the integrity and tradition of these newspapers. While there be competition for size and value of awards, yet the plan does not provide the old contest method of winning or losing. It's a business proposition from start to finish, one in which each participant will be awarded in direct proportion to the effort expended and results obtained. This is YOUR OPPORTUNITY. Enter and make the most of it. It costs nothing to enter, nothing to win.

HOW PRIZES WILL BE AWARDED

Under the rules, contestants can win prizes as follows:
The area covered by The Northville Record and The Novi News will be divided into TWO DISTRICTS:

DISTRICT ONE — The Northville Record District — will include Northville and Northville Township or entrants residing North of Five Mile Road and South of Nine Mile Road, East of Haggerty Road and West to Currie Road, inclusive. Entrants from this district will be eligible to win all prizes with the exception of the District Two Prize. After the Ford and \$500 cash prizes are awarded, the entrant from this district with the next largest vote total will win the District One Prize — a \$500 U.S. Savings Bond.

DISTRICT TWO — The Novi News District — will include Novi Township, all of Wixom or all entrants residing North of Nine Mile Road and South of Fourteen Mile Road, East to Haggerty Road and West to Currie-South Hill Road. After the Ford and \$500 cash prizes are awarded, the entrant from this district with the next largest vote total will win the District Two Prize — a \$500 U.S. Savings Bond.

The entrants accumulating the largest vote totals regardless of districts will win the new 1957 Ford and \$500 cash prizes. The district prizes must be won by entrants residing within the villages, towns, townships or boundaries comprising districts, but no entrant will be eligible to win two prizes. After the two main prizes and the district prizes are awarded, the entrant with the next largest vote total will be awarded the \$169.95 Philco portable television regardless of districts.

ENTRANTS NOT WINNING PRIZES will be paid ten percent (10%) cash commission on the amount of money they turn in for subscriptions, according to Contest Rule No. 13.

WHO CAN WIN

You MUST ENTER the contest as a contestant to win. You will never win anything unless you make the start. You can't wait until the "last minute"—like many do in "soap" contests—and win anything. The vote schedule in this contest is so arranged that every subscription turned in during the first week of entry earns four times as much vote credit as during the final week of the contest. Winning is a matter of getting started NOW and using your spare time throughout the entire contest.

The one thing that keeps many people from winning big prizes in contests of this kind is the mistaken idea that hundreds will jump at the chance to enter. The exact opposite has been found to be true. The fact that any volunteer entrant can get in and win while the newspaper's contest manager and helpers are trying to "sell" others on the fact that they have a chance to win, the spare time required for work, and what it takes to wage an aggressive campaign in their own behalf.

If you are one of those few persons who is not skeptical about the prizes being awarded and the fairness of the contest—if you are one of the rare few whose every sentence is not filled with "ifs" and "buts", if you are not one of those specimens who is always too "busy" doing nothing in your spare time to do something, then you can enter this contest and make it a point to get a few subscriptions and free votes from your friends and acquaintances each day and win one of the biggest prizes.

Think this over. Then act—right away. And you will win a new car while others hesitate and "put off" acting from day to day. You can't lose. A cash commission of not less than 10% is guaranteed.

HOW TO ENTER

The first step in order to become a contestant and compete for a prize, is to slip the nominating coupon appearing in this announcement, fill in your name and address and mail it to the Contest Manager of The Northville Record or The Novi News, Northville, Mich. This coupon entitles you, or the person whom you might nominate, to 5,000 FREE votes. These votes are given as a starter, and speed you on your way to win. Only one such nomination coupon will be accepted for each contestant entered.

HOW TO WIN

The first step is to let The Northville Record and The Novi News Contest Manager know that you want to become a contestant. Either clip the ENTRY BLANK below or phone and ask for a free working outfit, consisting of an official receipt book, sample copies of the paper and other information relative to launching an active campaign.

Thus equipped, you have to go to your friends, relatives, neighbors and acquaintances and have them subscribe or pay their subscription to these newspapers through you. Should you fail to get subscriptions or if you get them, BE SURE to ask every person you contact to give or send you the FREE VOTE COUPONS from their copy of the paper. THAT'S ALL THERE IS TO IT, except that an early start will give you an opportunity to get the most vote credit for what you do; also the chance to see your friends before someone else sees them.

The biggest step toward winning the biggest prize is to get started early and do your BEST WORK during the first week entered instead of waiting to see who else is going to enter. More votes and cash can be earned during your FIRST WEEK OF ENTRY than at any other time. In fact, we pay you to get started toward winning. During the first week you are entered, we will pay you \$30.00 CASH and give 100,000 EXTRA VOTES for each \$30.00 worth of subscriptions turned in at the contest office.

Votes issued for subscriptions are on a declining basis. The contest is divided into four periods. Subscriptions turned in during the first period earn FOUR times as many votes as in the final period. (See schedule of votes in this announcement.)

Judges Make Fairness A Feature

In order to make fairness a feature of this contest, a committee of local business men will be selected at the approval of the contestants, to act as advisors and official judges. By doing this, each contestant who enters can be assured of fairness. The official judges will check the records and make the final count and award the prizes when the contest comes to a close Sept. 21.

Do not hesitate to enter. You cannot lose, and you will be rewarded for all your votes and cash turned in. The early start is the thing that counts. Come to the newspaper office today and talk the proposition over with the contest manager.

Early Start Means Early Finish

The advantages of an early start are manifest. Not only do you have the FULL TIME in which to secure the winning votes, but now and up until the contest ends, you will receive the maximum schedule of votes on subscriptions. Then, too, the first in the field will undoubtedly get the "cream" of votes and subscriptions, while those who put off entering until a later date will have to take what is left.

Don't lose valuable time waiting to see what the other fellow is going to do, but pitch right in now and show "the other fellow" how to do it.

OUT OF THE PAST

One Year Ago...

A public hearing on the city manager ordinance was scheduled for Northville citizens.

Northville Exchange club members heard a talk on "That Fabulous Midget — the Transistor", by Harold Young, sales representative of the Michigan Bell Telephone company.

Dr. J. D. McCluskie, son of Mr. and Mrs. Joseph McCluskie of Grace street was named chief of veterinary services for the city of Denver, Colorado department of health and animals.

After a 30-day furlough, Harvey Lewis Russell, son of Mr. and Mrs. Frank Russell of Carpenter avenue, left for two years of service in Honolulu, Hawaii.

Five Years Ago...

June King of Northville was the winner in the preliminary women's match of the Detroit News novice tennis tournament.

Orlo Owen, of Northville, resigned from Northville Downs as operational manager to assume the same position with the Wolverine Raceway at MRA.

Howard Atwood and Douglas Gerrard, both of Northville, completed Air Force training in basic airman indoctrination at Lackland Air Force base in San Antonio, Texas.

The U. S. Government delivered a new green ½ ton truck to the Northville Post Office.

Ten Years Ago...

The Northville golf champion trophy match was to be played off at Brae Burn golf club, announced Monroe Weston, chairman of the tournament committee.

The 17th district American Legion held their memorial and installation services at Northville. Two of the new district officers were Northville men: George Simmons, commander-elect, and Fred Walker, adjutant elect.

The Wayne County Training school at Northville was selected as the meeting place for a seminar of the Rorschach technique conducted by Samuel J. Beck Ph. D. of the Division of Neuropsychiatry of the Michael Reese hospital in Chicago.

Fifteen Years Ago...

Headed by two acting chairmen, Mrs. Herbert Behrendt and Nelson Schrader, the USO drive got underway in Northville.

The village and high school band planned to give a series of concerts in the village park.

R. B. Duffy purchased the A. M. Whitehead plumbing company.

Fred Casterline was piling up trophy's and honors with his model airplanes.

Mrs. Harold Harchett, Mrs. Alfred Paramenter and Mrs. Joseph Hoeft were among the 200 women from Wayne county registered for the Farm Women's institute week at East Lansing.

Twenty-five Years Ago...

John Kalbfleisch was president of the Northville board of education.

David Gage, nonagenarian, died July 15 and Joseph Montgomery, a former highway commissioner, and village official; died July 16.

E. L. Millis was attending the officers reserve camp at Fort Sheridan, Illinois, for two weeks.

Forty Years Ago...

Roy Bakes lost a part of one of his fingers in attempting to remove an obstruction from the knives of a mowing machine.

Mildred Bon, 12, secured highest honors in eighth grade examinations for Oakland County with a standing of 96 per cent.

Sickness Comes High

IT WAS EASIER TO enjoy ill health until the "system" that paid the bills got sick itself.

The system got its start as a pre-paid medical insurance plan to help those who needed the services to pay doctor and hospital bills.

Logically, the doctors and hospitals then would be paid, the sick would be made well again and the economy of the whole operation would remain sound.

In recent years, the rates of Blue Cross and Blue Shield hospitalization policies have climbed — to pay for "overuses," and some abuses of the system. Even the financial experts are puzzled now.

The latest rate increase — averaging 12 per cent, came July 5 and touched off another series of investigations.

At present, the University of Michigan, a special commission named by Gov. Williams, a legislative committee, and the Michigan State Medical Society — all are investigating.

"In order to maintain solvency of the hospital plan and to assure sufficient income to provide for increased hospital costs . . ." Insurance Commissioner Joseph A. Navarre approved the rates.

He added that the "rates proposed are commensurate with the benefits provided by the medical plan."

Evidence of abuse by patients and by doctors and the hospitals has been developed by a legislative committee which reported last year, then threw up its hands.

Doctors and hospitals complained that patients were misusing the services, making needless demands on doctors and hospitals.

Patients grumbled that they received "the works," x-rays, special care and diets for relatively minor ills — after officials determined they were covered by Blue Cross and Blue Shield policies.

Navarre said that the number of Blue Cross members going to the hospital increased from 146 per

each 1,000 members to 151 since 1956.

Hospital care costs rose from \$25.96 in 1956 to \$28.60. As a result, Blue Cross paid out \$1,800,000 more than it received in the first five months of 1957.

Navarre said that Blue Cross and Blue Shield "is caught in the price spiral like other commodities which are sought and provided through social and economic instrumentalities."

The system, he said, is starting an experiment to apply insurance to outpatient care — apparently to reduce the number and extent of the abuses caused by patients going to hospitals for expensive treatment.

The Michigan Medical Society, whose members have a direct stake in the system, is launching the latest investigation. The Michigan Health Council, a voluntary health education organization, is conducting a survey.

It is designed "to find out what people want from Blue Cross and what it is expected to do," said one spokesman.

The Society will pay more than \$30,000 for the survey, using its own resources for a direct-mail poll of thousands of citizens.

The Richard Oudersluys research organization in Detroit has been engaged to make a person-to-person interview survey.

The findings will be interesting, as they have been in the past. But the Society and others feel that they will be of more than academic interest this time.

Citizens can be expected to want more, and more expensive services, more elaborate hospital care for less money. Doctors and hospital administrators — human though scientific — are expected to want what the patients want, but can be expected to be far apart on the money phase.

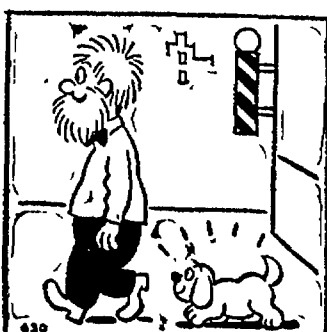

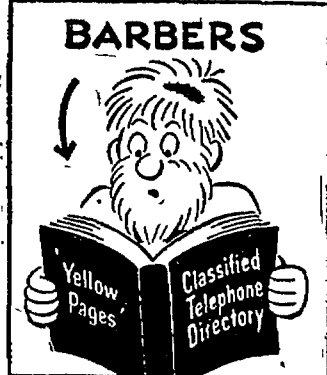

Hospital and medical care are expensive, but all sides are eager to find a practical solution.

Reports will be made in the fall to the Society, which in turn, promises to make public the findings.

Then Michigan will have a clearer idea how much it costs to be sick, who benefits most, and how much. And perhaps then there will be some indications regarding the logical paths to follow if the state's citizens are to receive proper medical care at a cost they can afford and at a price which permits hospitals and doctors to function economically.

In the meantime, thousands of mail survey blanks and hundreds of face-to-face interviews will supply millions of answers which must be tabulated by electronic business machines.

This greatest research undertaking yet in the field of medical service will provide a starting point at least in the search for a solution to the problem.

SPEAKING
for the Record

By BILL SLIGER

Last week the city council digressed briefly from its regular agenda to heap words of praise on the community recreation program.

It wasn't the first time we'd heard the remark lately. One businessman, Bruce-Turnbull of Northville Electric, said that his children were so enthused about the softball league that he finds very little time for golf. "I have to spend all my spare time playing softball," he related.

Councilman Canterbury, also a family man, was just as enthusiastic. So were other members of the council.

With an eight-year-old boy playing for the last place "Tigers" I'm also a booster of the program. As newcomers to the area it's served as an excellent means of providing our boy with a way of getting acquainted.

The recreation program provides more than just softball and baseball for boys. It has swimming, arts and crafts and many other organized activities that have attracted well over 800 children to the playgrounds. Behind Stan Johnston and his corps of supervisors is a recreation committee which helps organize and raise funds for the program. This committee is composed of city and township residents and the whole program is co-sponsored by the two governments.

Members of this committee are Robert Merriam, chairman; Mrs. Alex Lawrence, Clayton Myers, Dick Kay and Claude Ely.

There's another group that deserves recognition for their part in the program. It's the Northville Optimists. Any mother who has had to carefully launder one of the colorful baseball or softball shirts or uniforms knows just how important these items are to the youngsters.

The Optimists' sponsorship of this program has added the "big league" touch needed to provide youngsters with added incentive. There's something about playing ball in bright, new uniforms that makes it much more exciting than just playing "scrub" in blue jeans and T-shirts.

A traveling salesman was Harry G. Blowé,

Who could sell ice cubes to an eskimo,

But he fell for a line slicker than his,

From a new car salesman—wow! what a whiz!

The car had style—years out of date,

• The features were new—back in '48!

Harry's still smiling, the tears hardly show,

But how he wishes he could get back his dough!

Moral: Don't get "bargain-talked" into yesterday's styling and features!

Like a lot of people, Harry was looking for a "good buy" in a new car. But no car is a bargain if it's outmoded before you drive it a mile. For the same money, Harry could have stepped up to a dashing Swept-Wing Dodge—so new it actually obsoletes other cars in its field. Obsoletes their high, boxy design with the low, low look of tomorrow. Obsoletes their old-fashioned features with such advances as Torsion-Aire Ride, Push-Button TorqueFlite and Total-Contact Brakes. So don't do what Harry did—please. See your Dodge dealer today.

Making Prosperity

Babson Park, Mass. — During the past month many towns and cities have held high school graduations. These young people have been taught the answers to almost every question except the economics of the place in which they live. Therefore, let me this week answer six questions on this subject.

QUESTION NO. 1: Why do we find empty stores on our business streets? **ANSWER:** Because more money is going out of the community than is coming into it. This can be corrected only by the citizens producing more and selling more than they are buying. As soon as the community produces more than it consumes, every store is rented.

QUESTION NO. 2: Why are good people out of work at times? **ANSWER:** Because these people have not been trained to produce or render more than one service. Perhaps too many young people have been trained for white-collar jobs. Perhaps there are too many business offices and not enough factories, services, farms or fisheries. Perhaps those who are now employed do not take an interest in their work; hence, they will not be making money for their employers. Sometimes I feel that graduates who cannot get jobs should be returned to the schools and be properly trained. If we buy a washer, or a vacuum cleaner, or a TV set and it "does not make good," we can return it until it is satisfactory. We should be able to do this with unsatisfactory high school graduates!

QUESTION NO. 3: Why is it now difficult to borrow money from local banks? **ANSWER:** Because too many citizens are sending money to New York to be put into stocks, instead of investing it at home. This might have been a wise thing to do in the 1930's when stocks were selling so low; but it is not the thing to do today. For those buying stocks now there is more risk of a loss than chance for a profit. If we would keep the money at home, the banks would have plenty to loan.

QUESTION NO. 4: Is your community being hurt by a new shopping center? **ANSWER:** There is no use of merchants griping, or complaining, about new shopping centers. Price-cutting on the part of local retailers will not solve the problem. Free parking is the greatest attraction of shopping centers. The best way to compete with them, therefore, is for local towns and cities to supply more free parking closer to their retail stores. I would not attempt to operate a retail store unless it was close to a free parking lot. Also, the more competition a community has from a shopping center, the more that community must produce from its factories, farms, services or fisheries.

QUESTION NO. 5: Why are local taxes so high? **ANSWER:** First let me say that the taxes of most communities have not gone up any more than have wages or commodities. Most town and city governments are doing the best they can to keep taxes down; but they cannot buck the tide of population and the demand for conveniences. As young people move into a community and have children, usually only the father is a producer. Children are an asset to the community, if they will remain in the community as workers and producers after graduation. Otherwise, the community has been put to great expense to educate them and has received little in return. Cities to which these young people go for work after graduation — or the young people themselves — will some day be compelled to send money back to the city which educated them.

QUESTION NO. 6: Do you believe in Turnpike Bonds? **ANSWER:** The simplest method of avoiding Federal and State taxes is to buy turnpike bonds. Issues carrying 3½ per cent coupons can now be purchased in the 70's and 80's and should be perfectly safe and free from all Federal and State taxes. The only way I know to beat CITY taxes is to have a lot of children and get them a free education! However, the duty of paying for schools, highways, fire and police protection should be purchased by the newspapers, schools, and even churches. Ministers might more often preach from the first eight Verses of the 15th Chapter of St. John and the first 30 Verses of the 25th Chapter of St. Matthew.
