

Final Vote Report To Decide Winners

As contestants go into the final days of The Northville Record-
Novi News \$3,500 Subscription Contest, the standings are so close
that the winners will be decided by the vote reports made in the
secret ballot box by 7 p.m. Saturday.

At the close of the third vote period Saturday night, contest-
ants were "lined up" for the prizes as shown after their names
below. This DOES NOT INCLUDE VOTE BALLOTS WON during this
period for making the largest cash subscription reports. Vote ballots
won will be added to the total votes of the contestants winning them
in the final vote count Saturday night.

WHO WILL WIN IN THE FINAL VOTE COUNT?

When the contest ends at 7 p.m. Saturday, WHO WILL WIN?
That question can't be answered until the final reports are made
in the secret ballot box and the votes are counted by the contest
judges. Contestants will know how many votes they deposited in the
secret ballot but they will not know how many will be deposited
by their competitors. This insures absolute fairness and makes it
impossible for anyone to know who will win the prizes in the final
count.

Now You Can Go on Tape With Questions on Schools

Don't be surprised during the next
week if you hear the doorbell ring
and find a microphone staring you
in the face when you answer it.

At the other end of the micro-
phone will be a tape recorder, and
holding it will be a representative
of the Northville Parent-Teachers
association.

He will ask if you have a ques-
tion, comment, opinion or gripe per-
taining in any respect to Northville
schools. That will be your chance.
The recorded questions will be
played back next Thursday at a
meeting of the P-T-A. Each will
then be answered by whatever
school official can best do it —
whether superintendent or football
coach.

The "inquiring reporter" method
is the P-T-A's way of trying both to
bolster interest in the organization
and to bring out problems that may
exist without school officials know-
ing it.

"We feel that many people have
questions in mind," said Mrs. Chris
Hammond, P-T-A program chair-
man, "but that they never have a
chance to ask them either because
they do not attend meetings or be-
cause they don't wish to speak up."

Interviewees need not identify
themselves when they record their
questions, she said.

At least one team of interviewers,
and possibly several, will make the
rounds in Northville, attempting to
reach as many persons as possible
before next Thursday.

Mrs. Hammond advised that ques-
tions be considered in advance so
that they may be intelligently asked
when the interviewers arrive. They
may cover any school subject in
which interviewees are interested,
from building plans and curriculum
to sports and administration.

The answer session next Thurs-
day (September 26) will begin at
7:30 p.m. in the Northville Com-
munity building.

INFORMATION, PLEASE — Mrs. Chris Hammond (left) records a
question about school affairs from Mrs. Philip Chase, 19760 Clement.
The question will be played back and answered at a P-T-A meeting
next week. Interviewers will visit many Northville homes during the
coming week to record additional questions.

May Start Work On New Subdivision Later This Year

Prospects that a 124-home subdivi-
sion may get underway this year
were strengthened Monday night by
the city council's tentative approval
of the planning commission's zoning
change recommendation.

Plans for the "Northville Heights"
subdivision were revealed two weeks
ago by the K & G Construction com-
pany of Detroit. The site is located
on North Center street immediately
north of the Amerman elementary
school.

A hearing to reduce the lot area
and side yard requirement has been
called by T. R. Carrington, chair-
man of the planning commission,
for October 4. Carrington stated
that the nine-member commission
unanimously approved of the
change. He added that the proposed
lot area requirement of 7500 square
feet was more realistic and brought
the city's required lot size into line
with neighboring communities.

Carrington and Fred Kaye, K & G
secretary-treasurer, appeared be-
fore the council Monday evening.
Kaye told councilmen that his firm
would begin subdivision plans im-
mediately if he was "reasonably cer-
tain" that the zoning change
would be adopted. He showed coun-
cilmen sketches of a 124-home plan
that averaged more than the 7500
square feet minimum.

In other business Monday evening
the city agreed to help local retail
merchants in providing lighting dis-
plays during the Christmas season.
Leland Smith and Paul Polino, re-
presenting the Retail Merchants as-
sociation, asked councilmen to as-
sume the responsibility of holiday
decorations with the assurance that
the merchants would donate at least
\$1000 annually to the program. They
pointed out that permanent poles
for hanging lights must be installed
this year to conform with electrical
regulations. This requirement, they
pointed out, would bring the cost of
Christmas lighting to \$1800.

At the suggestion of John Rob-
ertson, city manager, the council
agreed to purchase and erect poles
and share in the cost of feeder
wires. Robertson cautioned against
the city assuming full responsibility
for erection and maintenance of the
lights, however.

The council also began proced-
ures for codification of the city
charter and ordinances. They in-
structed the city attorney and city
manager to investigate firms pro-
viding this service and report their
findings at the next council meet-
ing. The process of compiling, in-
dexing, correcting and expanding
of the city's ordinances will prob-
ably take one year.

In final business the council heard
a report from Mayor Claude Ely
and the city manager on the annual
meeting of the Michigan Municipal
League. They attended the conven-
tion last week at Mackinac Island.

Both attended special sessions for
mayors and city managers and re-
ported attendance at the convention
set an all time record. The annual
event offers city officials an oppor-
tunity to exchange ideas and dis-
cuss problems.

Represents Hospital At State Meeting

Walter Zells of Fry road attended
a meeting of the institutions com-
mittee of the Michigan State Em-
ployees association held in the ad-
ministration building of the Cold-
water State home and training
school Friday.

Mr. Zells is employed by North-
ville State hospital.

Members representing 17 institu-
tions throughout the state were wel-
comed by Mayor Max Olds of Cold-
water and heard recommendations
to the state board regarding employ-
ment relations and training pro-
grams.

Adult Classes Set in Plymouth

Kickoff date for fall activities in
Plymouth community schools, when
the first recreational and educa-
tional instructions begin, is Mon-
day, September 30.

A total of 49 different courses
grouped under nine general classi-
fications will be offered in the adult
education department.

In addition, two courses will be

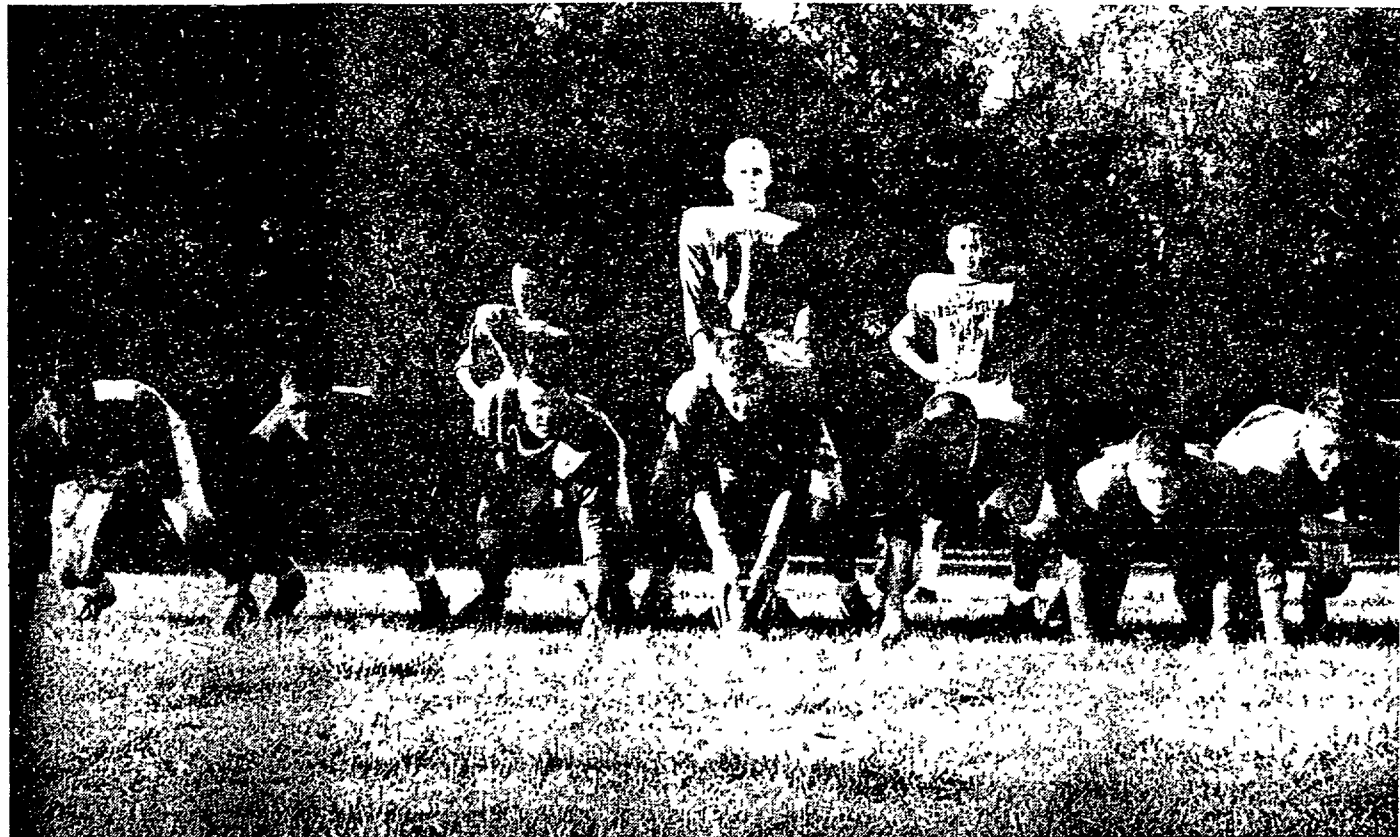

offered for the first time through
Eastern Michigan college credit.
They are education and exceptional
children and mental hygiene.

New courses offered this year in-
clude knitting (which will be given
on Tuesday rather than on Monday
as previously announced), meat
preparation, World Travel Series
(six outstanding adventures narrat-
ing their own color films), German,

traffic safety clinic, house building,
creative poetry, business machines
and rush weaving.

A 17-page booklet with details of
each course and registration blanks
can be secured in Northville at
the library and high school recrea-
tion office.

Registrations began last Monday
and will continue through tomorrow
at Plymouth high school.

READY FOR THE KICKOFF — Here is the starting lineup that will
take the field for the Northville Mustangs tomorrow night when they
open their season against Plymouth. From left in the line: Bill Yahnke,
RE; Nelson Schrader, RT; Bob Niemi, RG; Jeff Goodrich, C; Dick

Buckley, LG; Bill Chizmar, LT, and Jim Hammond, captain and LE.
In the backfield are Spike Walker, FB; Ed Wittenberg, QB, and Dick
Biery, LH. Missing is right half Bob Starnes.

Mustangs Primed for Opener with Rocks

The potentially powerful North-
ville Mustangs will kick off their
1957 season tomorrow night in a
game that could possibly herald
another joyous year for local foot-
ball fans.

The Mustangs will trot onto the
Ford Field gridiron at 8 p.m. to
meet their traditional first-game
foes, the Rocks from Plymouth high
school.

It will be the first and last 1957
home game until the Mustangs re-
turn from a three-game road trip
on October 18 to meet Bloomfield
Hills. A capacity crowd is expected.
The Mustangs, who smashed their
through to the championship of the
Wayne-Oakland league last year,
are again picked as the class of the
conference.

But such recognition means little
in their annual encounter with non-
league Plymouth, which has man-
aged to edge past Northville even
in the years in which Northville
"should have won."

Last year, the Rocks recovered
from a first-half clobbering at the
hands of Northville to squeeze out

a face-saving 13-12 win. The Mus-
tangs outgained Plymouth 321-183
yards, but Northville was hurt by
eight penalties for 70 yards, four
fumbles and three pass intercep-
tions in the last two quarters.

This year, the Mustangs rate at
least equal to Plymouth on paper.

The Rocks have only two starting
lettermen and their roster is packed
with 13 sophomores, but coach Mike
Hoben nevertheless is encouraged
with his team's showing.

"We're green but we have good
balance," he said. "In scrimmages
against Highland Park, we laid our

own, and our backs — especially
halfbacks Ed LaRoche and Dave
Walasky and fullback Randy Egloff
— looked good."

"But from what we hear about
Northville," he added, "there's not
much reason for us to show up!
If the 'Mustangs' go against us, we
could be in for a rough time."

Northville coach Ron Schipper
was not so pessimistic about Plym-
outh, however.

"Plymouth has enough experienc-
ed players to hurt us, and the Rocks
have tremendous speed throughout
their lineup," he said. "I'm convin-
ced Plymouth is more powerful than
it was last year when it beat us."

Whatever the second-guessing
about the teams' relative strength,
the answer will be known only after
the skirmish tomorrow night.

End Jim Hammond, one of the
most improved players on the
squad, will captain the Mustangs
tomorrow night. A new captain will
be named for each game.

Rate Decision May Delay Dial Phones in Northville

A hint that Northville may not receive dial telephone service
by next August as promised was dropped by the Michigan Bell
Telephone company this week.

Smarting under a decision by the Public Service Commission
to allow but \$2,835,000 of the \$12,500,000 annual increase re-
quested, the company has petitioned for a hearing of its rate

Phone Strike Doesn't Hurt Here

The strike of Western Electric
equipment installers will not af-
fect local telephone service in
Northville or Novi, a Michigan
Bell spokesman said this week.

"The strikers cannot picket
buildings in which they do not
work—including those in North-
ville and Plymouth," said district
manager John Kamego.

TORCH DRIVE LEADER—James
L. Crow of Northville, industrial
relations manager at the Lincoln
plant in Wixom, has been named
general vice chairman of the Oak-
land county Torch Drive this year.

Scholarship Fund To Be Established

An art scholarship fund to aid a
student from Northville, Plymouth
or Livonia will be established by
members of the Three Cities Art
club in the near future.

Members voted at their last meet-
ing to plan a sale of paintings dur-
ing Thanksgiving week as a start.

Mrs. Barbara McKenzie of North-
ville is chairman of the exhibit,
which will run concurrently at the
Hillside Inn, Lofy's Arbor Lili and
the Mayflower hotel in Plymouth.

The group is also planning to show
paintings at the Plymouth Symphony
concerts. Mrs. Katherine Hartley,
also of Northville will be in charge
of the display at the first concert
October 13 at Plymouth high school.

New members recently welcomed
into the club are Stanley Hench of
Plymouth schools, Robert Clark and
Walter Maurus of Livonia schools
and Orville Barron of Livonia.

A demonstration of the silk screen
process as an art medium by Mrs.
Margaret Cramer will be featured
at the next meeting of the club on
Tuesday, October 8.

As contestants in The Northville-
Record-News \$3500 Subscrip-
tion Contest go into the final days
of the drive for subscriptions and
votes, there is much speculation
as to who will finish with the larg-
est vote total and be declared the
winner of the new Ford when the
contest ends at 7 p.m. Saturday,
September 21.

With the official judges selected
and the vote records ready for the
final count, contestants will make
their last, determined effort to get
subscriptions toward the maximum
required to win more than \$3500 in
prizes and commissions that will be
awarded after the final count of
votes is completed.

7 P.M. Deadline Saturday
Promptly at 7 p.m. Saturday, a
secret ballot box will go into the
hands of the official judges for the
last count of votes. All subscrip-
tions turned in for the final report,
together with receipts and cash to
cover, plus a statement of votes
already earned, must be in the
ballot box by the closing hour. Af-
ter the judges have completed the
final vote count, the winners will
be notified. The prizes won will be
delivered Monday morning. Com-
mission checks will be mailed to
non-prize winners who do not call
for them by Monday noon.

The Official Judges
Official judges selected to super-
vise the final count of votes are:
A. Russell Clarke, the Rev. John
Taxis and Hadley Bachert. Clarke
is vice president of the Manufac-
turers National Bank in Northville;
Rev. Taxis, pastor of the First Pres-
byterian church, and Bachert, clerk
of Novi township.

Few Trying To Win
Only a few of the contestants re-
maining in the race, are making a
hard drive to achieve success. More
than 65 entered, but the majority
of them did not show any activity.
Several who started have been drop-
ped as contestants in accordance
with the rules requiring regular
weekly subscription reports. The
votes of all who dropped have been
cancelled and cannot be transferred.
They also forfeit all right to a prize
or commission.

More than half of the contestants
in for the finish are reporting only
enough subscriptions to remain ac-
tive and get their earned commis-
sions. But the leaders are fighting
it out to the finish. Five of these
will win prizes. The remainder will
be paid cash commissions on the
amount of money they have turned
in for subscriptions, providing that
their cash and vote statements are
deposited in the secret ballot box
with their final cash subscription
report.

What Can Be Won
First of the prizes to be won is
a new 1957 Ford sedan, which was
secured from Marr Taylor Ford
Sales of Northville. The contestant
finishing with the largest vote total
will win this prize. All that it costs
is to pay the state sales tax and
buy the license plates.

The second prize is \$500 in cash.
The winner of this prize will re-
ceive this amount from The North-
ville Record, Inc. The contestant,
regardless of districts, who finishes
with the second largest vote total
gets the \$500 cash.

After the first and second prizes
are awarded, the contestant with
the next largest vote residing in
District One — the Northville area —
will win the district prize — a \$500
U.S. Savings Bond. It will be de-
livered by The Manufacturers Na-
tional Bank of Northville.

After the first and second prizes
are awarded, the contestant resid-
ing in District Two — The Novi area —
with the next largest vote will win
the district prize — a \$500 U.S.
Savings Bond. It will be delivered
by the Novi office of the National
Bank of Detroit.

The contestant with the next
largest vote total, regardless of dis-
tricts, will win the \$169.95 Philco
portable television. It will be de-
livered by Northville Electric Shop.

Northville to Host Meeting Of Area City Managers

City managers from eight com-
munities will attend the first meet-
ing this year of the Municipal Per-
sonnel Administration organization in
Northville next Wednesday after-
noon.

Chairman of the group is John
Robertson, Northville city manager.
According to Robertson the mem-
bers meet annually in each of the
communities to study various cour-
ses offered by the International City
Managers association. Wednesday,
the group will meet at the city hall
to organize a program for the com-
ing year.

Each manager will select a course
of study and prepare a paper which
will be graded by an authority on
the topic. The papers will be pre-
sented to the group and discussions
held by the members. The meetings
are held every two weeks and
courses contain 13 lessons, Robert-
son stated.

Communities belonging to the
group are Plymouth, Farmington,
Wayne, Garden City, Ypsilanti, Ann
Arbor, Lathrup Village and North-
ville.

Over 500 Attend Colorful Flower Show

Approximately 500 persons attended the 18th annual flower show, sponsored by the Northville branch, Woman's National Farm and Garden association in the Community building last Saturday.

Mrs. Edwin Mueller, chairman, and Mrs. George Alexander, co-chairman, with the combined efforts of the association's 65 members, transformed the gymnasium into a colorful garden. Mrs. George Kohs, staging chairman, was responsible for the pool in its woody setting, with a deer and a bear peering from the background of trees and shrubs.

Background music by Mrs. R. J. Wright on a Baldwin organ furnished by the Smith Music company, Plymouth, gave added atmosphere to the show. Much interest also centered on the colorful "flowers in ice" punch bowl contributed by Charles and Ivan Ely.

One section of the show was devoted to arrangements brought by neighboring garden clubs. Awards in this section were given to Mrs. Richard Gerathy, Redford; Mrs. Mary Reinke, Milford; Mrs. W. Rolen, Rosedale Gardens; Mrs. George Schmeman, Plymouth; Mrs. Lindsay, Plymouth; Mrs. Tuck, Livonia.

A Thanksgiving table setting by Mrs. John Burkman was one of the show's highlights and received a special honor award in addition to a blue ribbon. Mrs. Carl Bryan's table setting, "Tea for Two", was a blue ribbon winner. "Breakfast Before the Football Game", by Mrs. Clifton Hill, was colorful and original. It was awarded a second. "Vacation Chit Chat" by Mrs. Fred Clark created a great deal of interest and won her second.

Among conversation pieces for a coffee table, first awards went to Mrs. George Kohs, Mrs. R. J. Wright and Mrs. Shin, Myun. Second awards went to Mrs. Ware, Mrs. E. Lawrence Hill, Mrs. Fred Sterner, Jr., Mrs. W. L. Howard, Mrs. Charles Altman and Mrs. D. J. O'Leary. Third awards went to Mrs. Hopper and Mrs. Glenn Cummings.

In Thanksgiving buffet arrangements first awards were given to Mrs. Albert Northrup, Mrs. D. Hurd Clark, Mrs. Glenn Cummings, Mrs. T. G. Hegge won a second and Mrs. Thomas J. Smith received a third award.

For arrangements or compositions using dried materials, first awards went to Mrs. Ruth Hoystradt, Mrs. N. W. Hopkins, Mrs. John Haller, Mrs. R. D. Merriam and Mrs. Edwin Mueller; seconds went to Mrs.

W. B. Chase and Mrs. Candlish, and third to Mrs. Arthur Verschaave. Other awards were as follows: Monochromatic arrangements—first to Mrs. Orson Atchinson, Mrs. N. W. Hopkins, Mrs. Edwin Mueller; second to Mrs. Charles Altman, Mrs. H. J. Douglas; third to Mrs. John Burkman.

Arrangements or compositions in metal containers—first to Mrs. Meda Eilber, Mrs. Ellen Scott; second to Mrs. Samuel Geraci, Mrs. Norwood Balko; third to Mrs. T. G. Hegge.

Arrangements featuring gladioli—first to Mrs. Herbert Frognier, Mrs. John Burkman; second to Mrs. D. J. O'Leary; third to Mrs. Thomas N. Cummings.

Arrangements featuring mums—first to Mrs. George Alexander, second to Mrs. Howard Whipple and Mrs. Glenn Cummings.

Arrangements in a kitchen container—first to Mrs. R. G. Wright, second to Mrs. John Burkman, third to Mrs. N. W. Hopkins.

Miniature arrangements—first to Mrs. E. O. Whittington, Betsy Mer-

An Oriental Touch

A breath of the Orient was evident in Saturday's flower show. Mrs. Shin Myun, better known as Dr. Ian at Maybury sanatorium, was given a first award for her arrangement for a coffee table. Dr. Ian and her husband, Dr. Shin are natives of Korea and are here on medical visas.

Arrangements featuring mums—first to Mrs. R. D. Merriam; second to Mrs. John Haller, Mrs. John Burkman.

MANY ADMIRING GLANCES were given the displays at Saturday's flower show sponsored by the Northville Garden club. Here show chairman Mrs. Edwin Mueller makes a final check before the judges took over to award the ribbons.

Miscellaneous arrangements—first to Mrs. D. Hurd Clark, Mrs. Edwin Mueller; second to Mrs. D. Hurd Clark, Mrs. Samuel Geraci, Mrs. Thomas Cummings, Mrs. Norwood Balko; third to Mrs. Levi Eaton, Mrs. Harvey Whipple, Mrs. John Burkman; honorable mention to Murray Lyke, Mrs. Luther Rix, Mrs. George Kohs, Mrs. E. B. Cavell.

In the section devoted to flower and vegetable specimens, Mrs. W. B. Chase received five first awards and two honorable mentions; Mrs. Roy Matheson three firsts, two seconds, Mrs. G. H. Huxley (Ann Arbor) four firsts, two seconds, one third, one third and one honorable mention; Mrs. Robert Hansor four firsts;

Other awards for specimen flowers and vegetable follow: firsts, Carl Shelter (2), Mrs. Arthur Verschaave, Mrs. R. D. Merriam, Mrs. T. J. Smith, Dr. W. H. Steininger, Mrs. M. Eilber, Mrs. Charles Altman; seconds, Mrs. John Haller, Mrs. E. B. Cavell (2), Mrs. R. J. Wright (2), Mrs. Fred Sterner, Dr. W. H. Steininger, Mrs. Frank Clark, Mrs. Charles Altman, Mrs. Norwood Balko, Mrs. Carl Bryan (2), Mrs. D. J. O'Leary; thirds, Mrs. C. H. Tremble, Dr. W. H. Steininger; honorable mention, Mrs. D. Hurd Clark, Mrs. Tom Carrington, Mrs. E. B. Cavell, Mrs. R. J. Wright.

In the Junior Gardener section the Wide-Awake 4-H group of Washenaw county lived up to their name by walking away with blue ribbon awards galore. So great was the interest in the exhibits of animals made from vegetables that Mrs. Lorenz of Plymouth arranged for the exhibit to be moved to the lobby of the Mayflower hotel over the week end.

Junior awards were: first—Richard Cort (6), Suzanne Cort (6), Linda Kelly (3), Ray Morred (2), Karin Hodgson (5), Carol Klopfenstein (6), Michael Goodrich (3), Sharon Beck, Ivan Morred, Mary Morred, Sharon Hlohenic, Wendy Cummings, Mary Wetterstroem, Pam Kay, Kay Deibert, Keith Mueller, Chris Wistert, Mary Langtry, Marcia Lipa, Carol Lipa, Dwight Hopper, Donna Richardson, John R. Alexander, David Schmidt.

Seconds—Sigmund Cort (2), Crale Papini (2), Richard Cort, Sharon Beck, Linda Kelly, Carol Klopfenstein, Pam Kay, Sonja Clarke, Mark Byard, Kay Deibert, Chris Wistert, Heide Handorf, Mark Lipa, P. Liesowski.

Thirds—Saron Hlohenic, Wendy Cummings, Anita Wetterstroem, Michael Hlohenic, Larry Hill.

Nancy Gable Married in St. Williams Church

St. William's Catholic church in Walled Lake was the scene of the wedding of Nancy Gable, daughter of Mr. and Mrs. Andrew Gable of Wixom and Patrick Henry McLeod of Dexter on Saturday, September 7.

He is the son of Mrs. John McLeod of Dexter and the late John McLeod.

White gladioli trimmed the church as Rev. Father John Foley read the ceremony.

The bride was given in marriage by her brother, Ronald Gable. Miss Selby provided the organ music.

For her wedding, Miss Gable chose a gown of white nylon chiffon appliqued with lace and trimmed with sequins. Her fingertip veil was held in place by a pill-box cap trimmed with pearls and sequins. She carried a bouquet of white roses and baby mums.

Maid of honor was Jane Clarke, who wore a street-length gown of green taffeta with a matching tiara. Her flowers were of pink and white mums.

Bridesmaids included Lane Hammer, Geraldine Malick, Barbara Hoggart and Sandra Lesley. They were gowned in identical dresses of street length pink taffeta and their bouquets were of pink and white mums.

Patrick chose as his best man his brother, Robert McLeod. Ushers included Richard Kern of Dexter, John Ponczale of Detroit and John McLeod of Ypsilanti.

Mrs. Gable chose a dress of mist blue shantung with a matching hat for her daughter's wedding. Mrs. McLeod, mother of the bridegroom, wore a red and black silkprint dress

with matching accessories. After the ceremony, breakfast was served for 136 guests at Rotunda Inn. A reception was held at the home of the bride, at which 200 guests greeted the couple. Out-of-town-guests were from Philadelphia, Detroit, California, Delaware, Grosse Pointe and Dearborn.

The new Mrs. McLeod wore a brown tweed dress with matching accessories for her wedding trip to Quebec, Canada.

She is a graduate of Walled Lake high school and attended Ferris Institute in Big Rapids. Her husband is a graduate of the Ferris school of pharmacy and is employed at his mother's drug store in Dexter.

The newlyweds will make their home in Dexter.

Kenneth Cook Wed Saturday To Joan Ebersole of Plymouth

A double ring ceremony last Saturday united in marriage Joan Lois Ebersole, daughter of Mr. and Mrs. Wilbur Ebersole of Plymouth, and Kenneth Dale Cook, son of Mr. and Mrs. Kenneth Cook of 13 Mile road.

Rites were read by Father John Foley in St. William's church, Walled Lake, which was decorated for the occasion with white gladioli.

Miss Ebersole chose a gown of white satin and lace trimmed with sequins, fashioned with a floor-length skirt and long sleeves.

Her fingertip veil of illusion was held in place by a crown trimmed with seed pearls and sequins. Her bouquet was of tiny white mums centered with a white orchid.

Mrs. Clarence Renn, Jr. of Novi served as matron of honor, wearing a floor length taffeta gown of emerald green. Wearing identical gowns of gold taffeta were bridesmaids Mrs. William Hahn of Plymouth and Linda Cook, sister of the bridegroom. All three carried baskets of gold and brown mums.

Junior bridesmaid Nancy Peck of Plymouth wore a dress of brown taffeta and flower girl Linda Baugh-

man, also of Plymouth, wore a dress of a lighter shade of brown. Best man for Mr. Cook was Clarence Renn, Jr. of Novi. Ushers included Jerry Davis of Northville, and Anthony Olivich, Joe Hayes and Dennis Ireland of Novi. Ring bearer was Robbie Janes.

For the wedding, both the mother of the bride and mother of the bridegroom wore taupe lace dresses with beige gloves and sequin hats. Their shoes matched their gowns.

A wedding breakfast was held after the ceremony at Saratoga Farms in Novi. Nearly 400 guests attended the reception Saturday evening at the Masonic Temple in Plymouth.

For their trip to Niagara Falls, the new Mrs. Cook wore a black and white dress with black and white accessories. She pinned the white orchid from her bridal bouquet to her dress.

The bride will continue studies at Eastern Michigan college of education. Her husband attended the Detroit College of Applied Science.

The couple will make their home in Northville.

NEW RESIDENTS of Northville Estates subdivision since May have been Mr. and Mrs. William Slattery and children Tommy, 13; Nancy, 10, and Michael, 14, standing.

Moving from Detroit last spring in plenty of time to take advantage of the summer recreation program in Northville — were Michael, Tommy and Nancy Slattery and their parents, Mr. and Mrs. William Slattery.

They've been living in their new home on Dunsany drive in Northville Estates since May, so they had a full season of baseball and swimming and a good chance to get acquainted with their new schoolmates.

Mr. Slattery is manager of plant engineering at the Lincoln plant in Wixom, and in off-duty hours enjoys golf, photography and discussing astronomy with son Michael, who is 14.

Michael and Tommy, 13, are also football minded, both playing on school teams this year.

Nancy, 10, besides liking to swim, has a pretty collection of dolls.

Both Mr. and Mrs. Slattery are native Detroiters. She is a graduate of Wayne university, where she majored in education, and Mr. Slattery graduated from Lawrence Institute of Technology.

PLANNING COMMISSION

Ordinance No. 28

GENERAL PROVISIONS

An ordinance enacted under Act No. 285, public acts of 1931 as amended to provide for the Village Planning Commission; the creation, organization, powers and duties of the Planning Commission; the regulation and subdivision of land and to provide penalties for the violation of the provisions of this ordinance.

The VILLAGE COUNCIL of the VILLAGE OF WIXOM, Oakland County, Michigan, Ordains:

Section 101. TITLE

This ordinance shall be known as the Planning Commission ordinance for the Village of Wixom, Oakland County, Michigan, and will be referred to in this ordinance as The Plan.

Section 101. APPLICATION

AND SCOPE

101.1 The purpose of this code is set forth in the PREFACE hereto attached and same is made a part hereof.

101.2 The commission shall except as provided in the following paragraph consist of nine (9) members who shall represent in so far as is possible different professions or occupations who shall be appointed by the President, if the President be an elective officer, otherwise by such officer as council may in the ordinance creating the commission designate as the appointing power, but such appointment shall always be subject to the approval by a majority vote of the members elect of the Village Council. All members of the commission shall serve as such without compensation and shall hold no other Village office except that one (1) of the members may be a member of the zoning board of adjustment or appeals. The term of each member shall be three (3) years, except that three (3) members of the first (1st) commission to be so appointed shall serve for the term of one (1) year, three (3) for a term of two (2) years and three (3) for a term of three (3) years. All members shall hold office until their successors are appointed. Members may, after a public hearing, be removed by the President for inefficiency, neglect of duty or malfeasance in office. All members of the commission shall serve as such without compensation and in this case also the appointed members shall hold no other Village office except that one (1) of such appointed members may be a member of the zoning board of adjustment or appeals. The terms of ex officio members shall correspond to their respective official tenures, except that the term of the administrative official selected by the President shall terminate with the term of the President selecting him.

101.3 The commission shall elect its chairman from amongst the appointed members and create and fill such other offices as it may determine. The term of chairman shall be one (1) year, with eligibility for reelection. The commission shall hold at least one (1) regular meeting in each month. It shall adopt rules for transaction of business and shall keep a record of its resolutions, transactions, findings, and determinations, which record shall be a public record.

101.4 The commission may appoint such employees as it may deem necessary for its work, whose appointment, promotion, demotion and removal shall be subject to the same provisions of law as govern other corresponding civil employees of the Village. The commission may also contract with Village planners, engineers, architects and other consultants for such services as it may require. The expenditures of the commission, exclusive of gifts, shall be within the amounts appropriated for the purpose by council, which shall provide the funds, equipment and accommodations necessary for the commission's work.

101.5 It shall be the function and duty of the commission to make and adopt a master plan for the physical development of the Village of Wixom, including any areas outside of its boundaries which, in the commission's judgment, bear relation to the planning of such Village. Such plan, with the accompanying maps, plats, charts and descriptive material shall show the commission's recommendations for the development of said territory, including, among other things, the general location, character and extent of streets, viaducts, subways, bridges, waterways, waterfronts, boulevards, parkways, playgrounds and open spaces, the general location and extent of public utilities and terminals, whether publicly or privately owned or operated, for water, light, sanitation, power and other purposes; also the removal, relocation, widening, narrowing, vacating, abandonment, change of use or extension of any of the foregoing ways, grounds, open spaces, buildings, property, utilities or terminals; as well as a zoning plan for the control of the height, area, bulk, location, and use of buildings and premises. As the work of making the whole master plan progresses, the commission may from time to time adopt and publish a part or parts thereof, any such part to cover one or more major sections or divisions of the Village of Wixom or one or more of the aforesaid or other functional matters to be included in the

Plan. The commission may from time to time amend, extend, or add to the Plan.

101.6 In the preparation of such plan the commission shall make careful and comprehensive surveys and studies of present conditions and future growth of the Village of Wixom and with due regard to its relation to the neighboring territory. The plan shall be made with the general purpose of guiding and accomplishing a coordinated adjustment and harmonious development of the Village of Wixom and its environs which will, in accordance with present and future needs, best promote health, safety, morals, order, convenience, prosperity, and general welfare, as well as efficiency and economy in the process of development; including, among other things, adequate provision for traffic, the promotion of safety from fire and other dangers, adequate provisions for light and air, the promotion of the healthful and convenient distribution of population, the promotion of good civic design and arrangement, wise and efficient expenditure of public funds and adequate provision of public utilities and other public requirements.

101.7 The commission may adopt the plan as a whole by a single resolution or may by successive resolutions adopt successive parts of the plan, said parts corresponding with major geographical sections or divisions of the Village of Wixom or with functional subdivisions of the subject matter of the plan, and may adopt any amendment or extension thereof or addition thereto. Before the adoption of the plan or any such part, amendment, extension or addition the commission shall hold at least one (1) public hearing thereon, notice of the time and place of which shall be given, not less than 15 days prior to such hearing, by one (1) publication in a newspaper of general circulation in the Village of Wixom and in the official gazette, if any, of the Village of Wixom, and by registered United States mail to each railroad company and to each utility company and to each railroad company owning or operating any public utility or railroad within the geographical sections or divisions of the Village of Wixom affected. The adoption of the plan or of any such part or amendment or extension or addition shall be by resolution of the commission carried by the affirmative votes of not less than six (6) members of the commission. The resolution shall refer expressly to the maps and descriptive and other matter intended by the commission to form the whole or part of the plan, and the action taken shall be recorded on the map and plan and descriptive matter by the identifying signature of the chairman and/or secretary of the commission. An attested copy of the plan or part thereof shall be certified to council and to the county register of deeds.

101.8 Whenever the commission shall have adopted the master plan of the Village of Wixom or of one or more major sections or districts thereof no street, square, park or other public way, ground or open space, or public building or structure, shall be constructed or authorized in the Village of Wixom or in such planned section and district until the location, character, and extent thereof shall have been submitted to and approved by the commission: Provided, That in case of disapproval the commission shall communicate its reasons to council, which shall have the power to overrule such disapproval by a recorded vote of not less than two-thirds (2/3) of its entire membership; Provided, however, That if the public way, ground, space, building, structure, or utility be one of the authorization or financing of which does not under the law or charter provisions governing same, fall within the province of the Village council, then the submission to the planning commission shall be by the board, commission or body having such jurisdiction, and the planning commission's disapproval may be overruled by said board, commission, or body by a vote of not less than two-thirds (2/3) of its membership. The failure of the commission to act within 60 days from and after the date of official submission to the commission shall be deemed approval. For the purpose of furthering the desirable future development of the Village under the master plan the Village planning commission, after the commission shall have adopted as master plan, shall prepare coordinated and comprehensive programs of public structures and improvements. The commission shall annually prepare such a program for the ensuing six years, which program shall show those public structures and improvements, in the general order of their priority, which in the commission's judgment will be needed or desirable and can be undertaken within the six year period. The above comprehensive coordinated programs shall be based upon the requirements of the community for all types of public improvements, and to that end, each agency or department of such village concerned with such improvements shall upon request furnish the commission with lists, plans and estimates of time and cost of public structures and improvements within the purview of such department.

101.9 Whenever the council or village council of any Village shall have ordered the opening, widening or extension of any street, avenue or boulevard, or whenever the

council or other Village council shall have ordered that proceedings be instituted for the acquisition or enlargement of any park, playground, playfield or other public open space, such resolution shall not be rescinded until after the matter has been referred back to the Village planning commission for a report and until after a public hearing shall have been held. The council shall have power to overrule the recommendation of the Village planning commission by a vote of not less than two-thirds (2/3) of its entire membership.

101.10 The commission shall have the power to promote public interest and understanding of the plan and to that end may publish and distribute copies of the plan or of any report and may employ such other means of publicity and education as it may determine. Members of the commission, when duly authorized by the commission, may attend Village planning conferences or meetings of Village Planning institutes, or hearings upon pending Village planning legislation, and the commission may, by resolution spread upon its minutes pay the reasonable traveling expenses incident to such attendance. The commission shall, from time to time, recommend to the appropriate public officials programs for public structures and improvements and for the financing thereof. It shall be part of its duties to consult and advise with public officials and agencies, public utility companies, civic, educational, professional, and other organizations, and with citizens with relation to the protecting or carrying out the plan. The commission shall have the right to accept and use gifts for the exercise of its functions. All public officials shall, upon request, furnish to the commission, within reasonable time, such available information as it may require for its work. The commission, its members, officers and employees in the performance of their functions, may enter upon any land and make examinations and surveys and place and maintain necessary monuments, and marks thereon. In general, the commission shall have powers as may be necessary to enable it to fulfill its functions, promote village planning, or carry out the purposes of this act.

101.11 Whenever (the) planning commission shall have adopted that sort of a master plan relating to the major street system of the territory within its subdivision, jurisdiction or part thereof and shall have filed a certified copy of such plan in the office of the county register of deeds of the county in which such territory or part is located, then no plat of a subdivision of land within such territory or part shall be filed or recorded until it shall have been approved by such planning commission and such approval entered in writing on the plat by the chairman or secretary of the commission.

101.12 Before exercising the powers referred to in section thirteen (13), the planning commission shall adopt regulations governing the subdivision of land within its jurisdiction. Such regulations may provide for the proper arrangement of streets in relation to other existing or planned streets and to the master plan, for adequate and convenient open spaces for traffic, utilities, access of fire-fighting apparatus, recreation, light and air, and for the avoidance of congestion of population, including minimum width and area of lots.

Such regulations may include provisions as to the extent to which streets and other ways shall be graded and improved and to which water and sewer and other utility mains, piping or other facilities shall be installed as a condition precedent to the approval of the plat. The regulations or practice of the commission may provide for a tentative approval of the plat previous to such installation; but any such tentative approval shall be revocable and shall not be entered on the plat. In lieu of the completion of such improvements and utilities prior to the final approval of the plat, the commission may accept a bond with surety to secure to the village the actual construction and installation of such improvements or utilities at a time and according to specifications fixed by or in accordance with the regulations of the commission. The municipality is hereby granted the power to enforce such bond by all appropriate legal and equitable remedies.

All such regulations shall be published as provided by law for the publication of ordinances, and before adoption a public hearing shall be held thereon. A copy thereof shall be certified by the commission to the recorders of the counties in which the village and territory are located.

101.13 The planning commission shall approve, modify or disapprove a plat within sixty (60) days after the submission thereof to it; otherwise such plat shall be deemed to have been approved, and a certificate to that effect shall be issued by the commission on demand: Provided, however, that the applicant for the commission's approval may waive this requirement and consent to an extension of such period. The ground of disapproval of any plat shall be stated upon the records of the commission. Any plat submitted to the commission shall contain the name and address of a person to whom notice of a hearing shall be sent; and no plat shall be acted on by the commission without affording a hearing thereon. Notice shall be sent to the said ad-

dress by registered mail of the time and place of such hearing not less than five (5) days before the date fixed therefor. Similar notices shall be mailed to the owners of land immediately adjoining the platted land, as their names appear upon the plats in the county auditor's office and their addresses appear in the directory of the village or on the tax records of the village or county. Every plat approved by the commission shall, by virtue of such approval, be deemed to be an amendment of or an addition to or a detail of the village plan and a part thereof. Approval of a plat shall not be deemed to constitute or effect an acceptance by the public of any street or other open space shown upon the plat. The planning commission may, from time to time, recommend to council amendments of the zoning ordinance or map or additions thereto to conform to the zoning regulation of the territory comprised within approved subdivisions. The commission shall have the power to agree with the applicant upon use, height, area or bulk requirements or restrictions governing buildings and premises within the subdivision, provided such requirements or restrictions do not authorize the violation of the then effective zoning ordinance of the village. Such requirements or restrictions shall be stated upon the plat prior to the approval and recording thereof and shall have the same force of law and be enforceable in the same manner and with the same sanctions and penalties and subject to the same power of amendment or repeal as though set out as a part of the zoning ordinance or map of the village.

101.14 The village council of any city or village may by ordinance adopt any such precise plat certified to it by the planning commission as provided in Section 1: Provided, that notice of time and place when and where it shall be considered for final passage shall be sent by mail to the record owners of land located within or abutting on the new lines of such proposed streets, ways, places, parks, playgrounds or other public grounds or extensions thereof, designated on the plat. Any modification of such certified plat before passage of the adopting ordinance, and any amendment originating in the village council shall be submitted to the planning commission for approval: Provided, That in case of disapproval the commission shall communicate its reasons therefor to the village council which shall thereafter have the power to overrule such disapproval by a recorded vote of not less than two-thirds (2/3) of its entire membership. Failure of the commission to report on any such modification or amendment within 30 days shall be deemed to constitute an approval thereof. The adoption of any such certified plat by ordinance, or by amendment or ordinance, shall not in itself constitute the opening or establishment of any street or the taking or acceptance of any land for any of the aforesaid purposes.

Amendments or modifications to such certified plats, in conformity with lawfully adopted changes, or additions to the adopted master plan may be made and certified by the commission to the village council, and ordinances embodying amendments to or changes in such certified plats may be adopted by the village council, in accordance with the procedure prescribed by law for the enactment of village ordinances: Provided, that notice of the time and place when and where it shall be considered by final passage shall be sent by mail to the record owners of land located within or abutting on the lines of proposed streets, ways, places, parks, playgrounds, or other public grounds. Any such proposed amendment or change shall be submitted to and approved by the planning commission: Provided, That in case of disapproval the commission shall communicate its reasons to the village council which shall have the power to overrule such disapproval by a recorded vote of not less than two-thirds (2/3) of its entire membership. Any plat of a street, park, playground, or public ground certified by the planning commission to the village council under this act shall be deemed approved by the commission without further submission thereof to said commission.

For the purpose of accomplishing a coordinated, adjusted and harmonious development of the village and its environs which will, in accordance with present and future needs, best promote health, safety, morals, order, convenience, prosperity and general welfare, as well as efficiency and economy in the

process of development; including, among other things, adequate provision for traffic, the promotion of safety from fire and other dangers, adequate provision of light and air, the promotion of the healthful and convenient distribution of population, the promotion of good civic design and arrangement, wise and efficient expenditure of public funds, and the adequate provision of public utilities and other public requirements, the village council of any village may provide by ordinance that no permit shall be issued for, or no building or structure or part thereof shall be erected on any land located within the proposed future outside lines of any new, extended or widened street, avenue, place or other public way, or of any park, playground or other public grounds or extension thereof shown on any such certified and adopted plat. Any such ordinance shall provide that the zoning board of appeals, if the village has such a board or if not, that a board of appeals created for the purpose in such ordinance, shall have the power on appeal filed with it by the owner of such land to authorize the granting of a permit for and the erection of a building or structure, or part thereof, within the lines of any such mapped street, park, playground, or other public ground in any case in which such board finds, upon the evidence and arguments presented to it on such appeal, (a) that the entire property of the appellant located in whole, or in part, within the lines of such mapped street, park, playground, or other public ground cannot yield a reasonable return to the owner unless such permit be granted, and (b) that, balancing the interest of the village in preserving the integrity of the adopted map, and the interest of the owner of the property in the use and benefits of his property, the granting of such permit is required by considerations of justice and equity. Before taking any such action, the board of appeals shall hold a public hearing thereon, at least 10 days' notice of the time and place of which shall be given to the appellant by mail at the address specified by the appellant in his appeal petition. In the event that the board of appeals decides to authorize a building permit and erection, it shall have the power to specify the exact location, ground area, height and other details and conditions of size, character and construction, and also the duration of the building, structure, or part thereof to be permitted.

The proposed future outside lines of streets, parks, playgrounds and other public grounds shown on any plat certified and adopted as hereinbefore provided, may for convenience be shown, wholly or in part, by appropriate symbols on any official map or other map of the village: Provided, that showing such lines on any map shall not in itself constitute or be deemed to constitute the opening or establishment of any street or the taking or acceptance of any land for any of the aforesaid purposes.

DeKay a Winner In Wiring Contest

Elmer DeKay of DeKay Electric in Northville has been awarded honorable mention in a national contest for electrical contractors and their employees.

The contest was conducted by Better Homes & Gardens magazine. Entrants told how they made their best sale this year of a home wiring job that provided adequate electrical service for present needs and future expansion in the home.

To be eligible each job must have involved a service entrance conversion plus the addition of at least two branch circuits.

In Wixom Village:

Planning Commission Meets

Mrs. Charles Ware — Market 4-1601

On Thursday, September 12 the Wixom planning commission met informally with village president Joseph Stadnik who briefed them on their duties. He cautioned them that future Wixom progress was to be in great measure due to their honest, unselfish decisions. The commission elected Herbert Abrams as president; John Erikson, vice-president, and Bob Wagnitz, secretary.

Funeral services were held for Joseph F. Reimer of West Maple road Monday, September 16 at the Richardson-Bird funeral home in Walled Lake. Rev. John Lieder officiated. Burial was in Walled Lake cemetery. Mr. Reimer was born in Pittsfield, Wisconsin and had lived in Commerce township for several years. He is survived by his wife and 10 children and their families.

During the week of September 8, Mrs. Audrey Roach of Pontiac trail had as her guests Mrs. Lorne Hood and two sons of Tucson, Arizona. Mr. and Mrs. Clarke O'Dell (Lois Nicolay) and daughter, Conie, have moved to Cleveland.

Mr. and Mrs. Joseph Keenan and daughter, Elizabeth, of Chester, Pennsylvania, have returned home after visiting for a week with his family at the Keenan residence on North Wixom road. On September 22 Elizabeth begins here freshman year at Immaculate college in West Chester, Pennsylvania.

Willard Stocker of Dryden has been a house guest at the Bernard Kilsons for one week. On Sunday, the Kilsons had as their guests Mr. and Mrs. Jack Compion of Royal Oak.

Mr. and Mrs. Henry Madigan have purchased the Elmer Clarke home on Pontiac trail.

Mr. and Mrs. John Bannerman of Wixom were hosts at a pot-luck dinner September 8 to the Sunny Circle club which has been in existence several years. Games were played. Present were Miss Janet Goodell and Mr. and Mrs. Lester Kidder of Detroit, Miss Hannah Goodman of Ecorse, Mr. and Mrs. Joe Karmen of Ypsilanti, Miss Joyce Maples, Mrs. Emma Brandt and Mr. and Mrs. Edward Kerman of Dearborn.

The Wixom PTA will meet at the Wixom school Thursday, September 26 at 8 p.m. Wesley McAttee is president.

Ten young friends helped Linda Jayne Berley celebrate her eighth birthday at the home of her grandparents, Mr. and Mrs. Lee Larison of Pontiac trail. Those present were Linda Cheeseman, Linda Aubrey, Linda Porter, Diane Collins, Cathy Adelitz, Mary Kepka, Margaret Kepka, Linda Kinney, Jill Woodworth and Ellen Mustonen.

Mr. and Mrs. Jessie Byrd were in Detroit Friday evening to visit Mrs. Byrd's brother, Charles Muethner, who underwent surgery at Mt. Sinai hospital.

Burton Graves is a patient in St. Joseph's hospital in Pontiac. He has been very ill for a year.

RETIRED — Perry P. Taylor, 340 Pennell, retired recently after nearly 30 years as an employee of the Ford Motor company. Taylor is shown above enjoying the results of his gardening hobby. Employed at the Northville valve plant as a final inspector, Taylor began with Ford in February, 1928.

C. O. Hammonds In Atlantic City At Legion Conclave

Mr. and Mrs. C. O. Hammond of North Center street are now in Atlantic City, New Jersey attending the 39th national convention of the American Legion and Auxiliary.

The convention began September 14 and ends today, September 19.

Besides attending meetings, the Hammonds will see a junior drum and bugle competition, senior drum and bugle competition, firing squad competition and the national chorus contest.

They motored to New Jersey with Mr. and Mrs. Harold Wilson of Plymouth. They plan to make side trips on the return trip.

Social Notes

Mrs. Alex Lawrence, Nancy and Jim Lawrence and Mrs. Belle McColl drove to Richmond, Indiana last Sunday where Nancy entered Earlham college.

Mrs. William Cansfield of West Dunlap street returned Tuesday from Wayland where she spent the week end visiting with her daughter and son-in-law, Rev. and Mrs. Wayne Smith. Mrs. Smith returned to Northville to spend a few days.

Dr. and Mrs. R. M. Atchison of South Rogers street were in Marshall, Michigan last week visiting Mr. and Mrs. Robert Leary, former residents of Northville. Mr. Leary recently received honorable mention for one of his modern paintings which he exhibited in Battle Creek.

The Winona club will hold their annual dinner for their husbands on Sunday, September 22 at Black's White House. Dinner will be served at 12:30.

Robert Cantrell of Nine Mile road returned home from Mt. Carmel hospital in Detroit September 11 and is reported to be doing very well. Mr. Cantrell suffered a heart attack several weeks ago.

Mrs. Bruce McAllister of Timberlane was hostess last Wednesday at a toy party. Sixteen guests attended. Mrs. Louise Bowman of Plymouth was the toy demonstrator.

Obituary

AMANDA ELIZABETH PERRY

Amanda Elizabeth Perry, 84, widow of Charles A. Perry and mother of Mrs. H. N. Frogner of Sheldon road, passed away Monday, September 16 at Sessions hospital after a brief illness. Mrs. Perry was born in Oslo, Norway in 1873 and came to Rhinelander, Wisconsin with her parents in 1890. She was married three years later to Charles A. Perry. They moved to Detroit in 1915 and resided there until 1950, when they came to Northville to make their home with the Frogners. Besides Mrs. Frogner she leaves two other daughters, Mrs. W. H. Grismer of Detroit and Mrs. Lawrence Egan of Dearborn; a sister, Mrs. Hogan Olson of Redford; five grandchildren and eight great-grandchildren. The funeral was held at 3 p.m. Wednesday in St. Olaf's church, Detroit, of which she had been a member for many years. William R. Hamilton company had charge of the funeral arrangements.

Novi Highlights . . .

Mrs. Bob Brown entertained her birthday club Wednesday evening. Her guests were Mesdames William Paquette, Russell Ortwin, Harold Ortwin, Andy Kozak, Gene McHale, Douglas Watson and Kenneth Rippey.

Don't forget the Blue Star Mother Daisy Day Saturday, September 21.

Mrs. A. McCollum will entertain at an Experience tea at her home on 11 Mile road September 27 from 2 to 5 p.m.

Girl Scout News

The Senior Scouts met last Wednesday at the home of their leader, Mrs. Kenneth Bassett. Nine girls from 14 to 16 years are registered. Noel F. Geppert is a new member of the group.

Mrs. Florence Hayes and Mrs. Dorothy MacDermid attended the district meeting of the girl scouts in Farmington Tuesday. The girl scouts, including all groups, will start their fall meetings on Wednesday in the Community building. Mrs. Fran Jennings will lead the song fest. Calendar sales will begin September 30. The girls will receive their order blanks September 25 and deliveries made November 8. Mrs. James Wharton is in charge of the distribution of the calendars.

Rebekah Lodge News

The annual bazaar will be held Wednesday, September 25 at the Novi Community building with luncheon to be served at 11:30.

There is visitation of lodges of the district at Holly Wednesday evening.

Several members assisted in serving dinner after the funeral of Mike Rackov September 11.

Novi School News

The enrollment in Novi school is now 559. One hundred are in kindergarten.

James and Howard Leonard and Donald McAllister are latest to enroll.

First Grade

Nancy Fliss has left Mrs. Hamill's first grade and has entered a parochial school. Mrs. Hamill's first graders are studying the importance of using soap and water.

Second Grade

Marvin and Melvin Miller enrolled in Mrs. McDonough's second grade this week. Others newly enrolled are Judy Bingham, William Christiansen, Stephen Foster, William Yerkes, John Dickinson and Michael Greiner. Total number is now 30.

Danny Groves celebrated his birthday September 11. He passed treats out to the children in his class.

Mrs. Penhale's room has 31 enrolled and of this number three

are new to Novi school. Pamela Cummings formerly attended Warren Consolidated school in Warren, Michigan; Jay Warren comes from Farmington and Mark Byard comes from Northville.

Seventh Grade

Mr. Knodle's science classes have been studying weeds found in lawns and gardens. They have learned to identify 20 plants.

Eighth Grade

New pupil in Mr. McMillan's room is Rosemary Pogen.

Mr. McMillan is the sponsor of the Safety Patrol. Gregg Larson was elected captain; Philip Simonton, Russell Stevenson and Roy Rice, lieutenants.

The newest member of Mr. Perkins' class is Carol Sue Lee. She came here from Illinois.

School Library

The library has been moved from its quarters of last year to the old building upstairs due to the large enrollment. In spite of the small quarters it is Mrs. Allen's hope to give as much service as possible to the teachers and pupils. She expects to be helped considerably by the members of the Library club which is now being organized.

Willowbrook . . .

Alaska was the vacation spot for Dick and Marilyn Vykdyal of West LeBost. They drove and spent five weeks on their trip. They visited Anchorage and Fairbanks and found the weather very much warmer than they had anticipated.

Mrs. B. F. Cromer of Cleveland was a houseguest of the Richard Cromers of 10 Mile recently.

The Great Books program has added to its membership two couples from Willowbrook, the Bob LeWitters of Glen Ridge and the David Frieds of Holly Dale.

John Ridge Brower III was christened September 8 at Our Lady of Victory church in Northville. The sponsors were Mr. and Mrs. Victor Moore of Plymouth. There was a dinner following at the Brower's home on East LeBost.

Saturday night the Walter Pinnors of West LeBost entertained Mr. and Mrs. Les Howie and Jeanette of Pontiac and Mr. and Mrs. Herb Michaels and Denise of Royal Oak.

Mr. and Mrs. Gerald Laub of South McMahon spent their vacation at Tahquamenon Falls.

Gloria Stroutsos and Adelle Calliguri of Glen Ridge attended "Ladies Day" on TV in Detroit Wednesday. Adelle was chosen as a contestant.

Mr. and Mrs. Layne Robinson of Neenah, Wisconsin are houseguests of the Clifford Bunkers of Mooring-side this week.

The Mother's club of Our Lady of Victory church met a week ago Tuesday at Mrs. Weston's home in Northville. The Mothers who attended from Willowbrook were Eileen Miklas, Dottie Flattery, Dorothy Richmond, Virginia Barnes, Margaret Bunker, Carol Pohlman and Ruth George.

Mr. and Mrs. Heinz Wenger of Millstream had as guests from Three Rivers, Mr. and Mrs. George Baker, Doug Baker and Harding Pavalich. The boys enjoyed their visit with Audrey's brother, Gerald Lefler.

Paul Wickham of North McMahon has been transferred to Cleveland by the Ford Motor company. They have a new home in Ohio and Connie is hoping to join him soon.

NEW VOTER — Mike Collins was one of the 35 young Northville men and women who were honored last week at the 17th annual Northville citizenship dinner sponsored by the Northville Coordinating Council, and three service clubs. Presenting a certificate to him are Mrs. Ernest Shave (left) and Mrs. William Cansfield. Some 200 persons attended the banquet and heard an address by Rev. Robert Richards.

Gets MA at U-M

A Northville man was one of 1,003 University of Michigan students who received degrees at the end of the recent summer session.

Henry M. Fallon, 496 West Cady, was awarded a master of arts degree.

Last year, 924 degrees were presented after the summer session. In addition to this year's 1,003, another 10 students will receive degrees in natural resources within the next few weeks.

Ann Williams of Millstream returned home from her European trip Sunday. She then had to hurry

right to Ann Arbor to register for her sophomore year in nursing at University of Michigan.

New in Willowbrook are Ivo and Vivian Musselman of 24400 LeBost. They have two children, Terry, 16, who attends Northville high, and Jerry, 9, who attends Novi school. They own a beagle who answers to the name of "Lucky". The Musselmans are from Kenosha, Wisconsin but lived in Farmington a few months before moving here. Mr. Musselman works for the Lincoln division and takes movies as a hobby.

Time to join!

Here's your once-a-year opportunity
to get Blue Cross • Blue Shield protection
without enrolling in a group

Now, for a two-week period—September 16 to 30—those who are not eligible to join Michigan Blue Cross • Blue Shield through a group can join through this special non-group plan.

No red tape . . . no physical examination needed. The only requirement is that you be a Michigan resident under 65 years of age.

If you are married, Blue Cross • Blue Shield coverage will protect your entire family . . . if you are single, you will be covered individually.

And remember . . . the non-group plan provides many of the broad benefits usually available only under group coverage. They include, after six months' membership, the same new out-patient benefits just made available to Group Members.

But you must act now. This special non-group offer cannot be repeated for at least another year. Clip and mail the attached coupon . . . no later than September 30 . . . and we'll send you complete information on rates and benefits.

Farm Club Hears MSU Professor

The Wayne county Organic Gardening and Farming club will hear Dr. Paul A. Herbert of the Michigan Department of Economic Development, formerly of the Division of Conservation, Michigan State university, when he addresses the fifth annual fall roundup of the Federated Organic clubs of Michigan on Saturday afternoon, September 14 at four o'clock in the Civic auditorium, Grand Rapids.

His subject will be "Man As A Member of the Natural Community". He will be followed in the evening by Walter P. Nickell, naturalist of Cranbrook Institute of Science, who will talk on "Nature In Our Back Yards".

These are part of a two-day program that will attract some 800 organic farmers and gardeners from Michigan and neighboring states.

A display of produce grown by members will be a feature of the conclave. The Federated Organic clubs of Michigan is composed of 17 organic farm and garden clubs scattered throughout the state, and a membership-at-large reaching into several neighboring states.

Extension Group Meets in Wixom

The Hi-Fi Home Extension group consisting of members from Hickory Hill subdivision in Wixom held its first meeting of the year last Thursday.

After hearing a report from Mrs. Ollie Wohamaki of her attendance at the 30th annual Homemakers conference at Lansing, a number of the members expressed a desire to attend next year's conference. Among the topics she reported on were "Putting Your Money to Work", "Learning to be Creative", "Comparing Homemaking to Business" and "How to Make Decisions".

Mrs. Wahamaki gave a brief resume of the talks given by home extension agents from Norway, Okinawa, Pakistan and British West Indies.

Mrs. George Weeks and Mrs. Ollie Wahamaki gave a lesson on making flower name tags to be used at the Rally Day on September 25 at the Milford Presbyterian church.

"Learning About Family Life" will be presented at the October meeting by extension leaders, Mrs. George Weeks and Mrs. Robert Smith.

Mrs. Oscar Simmons of Hazel avenue was accepted as a new member. Mrs. William Smith of Lakeridge avenue was a guest.

Palette and Brush To Meet Tuesday

The Palette and Brush club will hold its monthly meeting at the Westlawn Methodist church, Ohio and Grand River avenue, Tuesday, September 24.

There will be a business meeting at 12 noon with a luncheon to follow at 1 p.m.

The speaker and critic for the afternoon program at 2 will be William A. Bostick, executive secretary of the Detroit Institute of Arts.

Travel Series Coming to Plymouth

A series of six world travel lectures and color motion pictures will be presented this winter in Plymouth by the chamber of commerce in conjunction with the Travel Centre agency.

The Sunday afternoon series will begin October 27 with John M. Goddard, who will present "Bongos Down the Congo". Subsequent programs will offer Gordon Palmquist, "Norway, Sweden and Denmark"; Aria Parke Schawe, "South America Summons"; Col. John Craig, "Adventure in Europe"; Aubert Lavastida, "South Sea Holiday"; and Malcolm Miller, "In Search of Wonders".

Season tickets to the series may be obtained from the Travel Centre. The programs are designed for family entertainment and should prove interesting to both children and adults, Kurt Thrun, Travel Centre owner, stated. All of the speakers are world travelers and authorities on the areas which they will present, he added.

COMING ALONG — It's still a long way from finished, but at last the Wixom road widening project is beginning to take shape as a modern new highway. Nearly half of the Grand River to West road pavement has been laid, and work is going ahead on the rest of it.

Extension Courses Begins Next Week at U of M

Courses in engineering, English literature, fine arts, geography, history, mathematics, psychology and speech are being offered in Ann Arbor this fall by the University of Michigan Extension service. Classes open the week of September 23.

Each of the courses may be elected for two hours of extension credit on the undergraduate level, which may, under certain circumstances, be applied toward a degree at the University of Michigan.

Of special interest to the layman, however, are "Introduction to Literature: Short Story and Poetry" and "Introduction to the History of Art."

A third course that has general appeal is "Lands and People of the World," a course in geography focused on man and his problems in Anglo-America, Latin-America, Europe, the Soviet Union, the Orient, the Near East and Africa.

Hunting Seasons Begin October 1

Waterfowl and several small game seasons will open in various parts of Michigan on October 1.

Those included are:

—waterfowl, through December 9, statewide.

—grouse, through November 10, zone 1 (upper peninsula) and zone 2 (lower peninsula north of highway M-20).

—squirrel and rabbit, zones 1 and 2.

—sharp-tailed grouse and prairie chickens, through November 10, upper peninsula only.

In zone 3 (southern lower peninsula), grouse and small game seasons open October 21 and end November 19.

Bear season for firearms and archery will begin throughout the state on October 1 and last through November 5. Deer also are legal game for archers during that period.

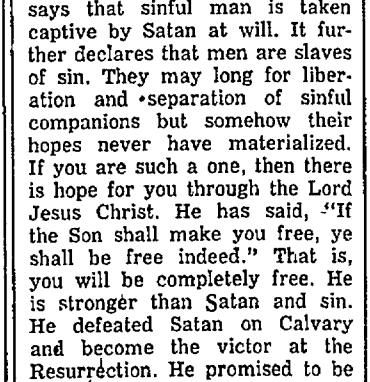

A special bear season in the upper peninsula ended last Saturday.

GIVE ME LIBERTY!

Feelings were running high. The air was tense with indecision. Then suddenly Patrick Henry sprang to his feet and shouted, "Give me liberty or give me death!" These famous words spoken by this man of conviction and courage became the battle cry of the Revolution. How important it is to have liberty, not only from earthly tyrants who would enslave us, but from the mastery of Satan and habits of sin that would drag us on the downward course. The Bible says that sinful man is taken captive by Satan at will. It further declares that men are slaves of sin. They may long for liberation and separation of sinful companions but somehow their hopes never have materialized. If you are such a one, then there is hope for you through the Lord Jesus Christ. He has said, "If the Son shall make you free, ye shall be free indeed." That is, you will be completely free. He is stronger than Satan and sin. He defeated Satan on Calvary and become the victor at the Resurrection. He promised to be your Saviour, your helper, yes—everything you need for time and eternity will be found when you unite with Him. Thousands have found relief from drink, from lust, from drugs, and every other form of evil.

ASKS FOR RACIAL TOLERANCE

To the Editor:

Our family recently enjoyed a short vacation in New York City, traveling there by way of the Ohio, Pennsylvania and New Jersey turnpikes. It turned out to be exactly 719 miles from our house in Northville to the apartment of relatives on upper Broadway, a long trip even on super highways; and the traffic is so heavy and fast that it is difficult to enjoy the countryside as you might wish.

However, the restaurants on the turnpikes were very good.

Because of the current happenings in Little Rock, Arkansas, I want to state that there was no discrimination in any of these restaurants on account of race, and it was a pleasure to eat, knowing that others were not denied a similar right; so that after a few such stops you forgot that prejudice existed.

In New York too, there has been a great change in this respect. Visiting Greenwich Village in 1928 I saw no Negroes, but two weeks ago, rambling about the Village during two evenings (while young Harold took pictures, and others took pictures of him taking pictures) I saw numbers of Negroes, clearly residents of the area, chatting on doorsteps with Whites in the natural manner of friends.

Of course, Detroit is undergoing a similar change. In fact, I can't

help observing that the great population centers are experiencing an expansion of democracy with respect to race, but that the villages of our country remain apart from this growth, in the main. Certainly the 20 million Negroes in the United States must be given full civic rights, and it is my personal feeling that until the small villages and cities, such as Northville, welcome good residents — regardless of race or religion — the crime of prejudice will be handed down through many innocent children, making the future difficult.

News Occurs Elsewhere, Too

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Thursday, September 19, 1957—9

PLANNING FOR UNITED FUND — Mrs. Paul Clark of Northville (front row, right), Torch Drive residential and small business chairman for Lyon township, confers with campaign leaders regarding the annual fund-raising campaign to be held October 15 through November 7.

Not everything of interest to Northville, Novi and Wixom happens right in the backyards of the three communities.

Many of the most important developments take place many miles away, in cities where governmental bodies have headquarters, where major industries are located, or where significant civic organizations center their operations.

Last week, for example, news of interest to this area was being made in at least three other parts of the state. In Detroit, Automobile Club of Michigan officials began analyzing data gathered in a recent study of Northville traffic and parking. And the archi-

ects who designed the new Northville high school went on television.

In Pontiac, officials of the United Foundation Torch Drive — which this year for the first time will include Northville and Novi — planned their coming campaign.

And in Lansing, a Willowbrook Village man symbolically presented a tax bundle to state officials, to show what his organization contributes to the welfare of Michigan.

True, they are "odds and ends" of news. But they help show that each week more and more attention is being focused on the growing Northville-Novi-Wixom area.

"INDUSTRY ON PARADE" — Detroit architects Eberle M. Smith and C. Wendell Smith, whose firm designed the new Northville high school, study school models as part of public service television program prepared by National Association of Manufacturers for national showing.

PARKING FACTS AND FIGURES — Charles I. Wixson, Automobile Club of Michigan traffic research supervisor, compiles a report of a 1,500 study of Northville parking which will be presented to city officials in late October.

TRAIN LOAD OF TAXES — Fred Costello (right) of Willowbrook Village, turns over \$3,365,000 in taxes to state tax commissioner Louis J. Nims in front of the state capitol. The money represents the semi-annual payment of eight Detroit area railroads — which pay some \$8,000,000 annually to the state primary school fund, or enough to educate 211,500 children. Costello is chairman of the Railroad Community Committee of Greater Detroit. (The "train" is actually a converted bus.)

THE WIXOM ORIOLES, who came within one game of winning the Walled Lake Little League crown last year, finally made it this year in a Labor Day double victory. The team has been sponsored by the C. F. Longs and Sons Transit company of Walled Lake for four years. The roster: (top row, left to right) manager Walter Tuck, Bob McKay, Dave Taylor, Bob Tuck, Jim Hughes, Jim Byrd, Dave Rickard, Roy Pierce, Vic Burwell and coach Bob Hughes; (bottom row, left to right) Greg Bourgeois, Mike Pilo, Jim Burke, Rick Hughes, Doug Coe, Dave Middleton and Butch McCall.

They'll Be in the Limelight

The accent will be on youth in Northville tomorrow night when the colorful pageantry of football returns for another year. Sons will become linebusting fullbacks, daughters will turn out to be saucy majorettes, and the young fellow next door will march 110 steps a minute with a clarinet at his lips.

Most of the attention will go to a small handful of Northville's sons and daughters—the starting backfield as it crashes the line or skirts an end, the four plumed and baton-twirling majorettes as they step smartly into position, and the peppy quintet of cheerleaders whose routines are often as intricate as

the plays on the gridiron itself.

All of them, of course, must share their glory. The backfield must share with the linemen up front and the second and third stringers on the bench; the majorettes, with the unsung ranks of the marching band, and the cheerleaders, with the hundreds of students whose spirit they personify as well as guide.

Ideally, football is a game for all students, and in Northville it meets that ideal. But when the crowd gathers and the kick-off comes, the limelight must fall on a chosen few. Here, then, are those on whom it will fall tomorrow night.

BALL-CARRIERS — Northville's opponents will never see four ball carriers coming at them at once, but at times it may seem that way. Right half Bob Starnes and left half Dick Biery take off around end, while quarterback Ed Wittenberg goes back to pass and fullback Spike Walker smashes through.

PEPPER-UPPERS — Pom-poms in hand Northville's five cheerleaders quiet down long enough for a smile into the camera. From front to rear are: Mary Welch, Mary Hill, Mary Byrne, Priscilla Hilton and Jayne Hammond.

HIGH-STEPPERS — Back again this year are four veterans of the 1956 majorette campaign. From left to right are: Elsa Couse, Sandy Gotro, Alice Sutton and Jay Ann Wittenberg.

Mustangs 'Up' - - But Too Far?

Squad Good, But Overconfidence Worries Coach

The Northville Mustangs went through their final pre-season drills this week surrounded by plaudits from fans on one hand and "overconfidence" warnings from their coach on the other.

As their opener with Plymouth tomorrow night drew near, the Mustangs were picked by most sources as the probable champions of the Wayne-Oakland league this year.

But coach Ron Schipper was spending his time trying to convince the Mustangs that it will be no easy road and that they had better be prepared for a couple of early non-league struggles before they worry about a championship.

Though generally satisfied with his team's showing so far, Schipper was distraught Saturday when the Mustangs went through a listless scrimmage against Belleville.

"We have four days left," he said grimly Monday, "and we're going to work - hard."

After Plymouth, Northville will face Thurston and then pitch into a seven-game league schedule. By then, everyone should know more about their chances.

Schipper expects the W-O league

to be tighter than ever, with at least five teams in contention - Brighton, Clarenceville, West Bloomfield, and, of course, Northville. But, he points out, five league schools have new coaches and the pre-season guessing is hazardous.

The probable starting lineup, though Schipper said changes may be made, will have Bill Yahne and Jim Hammond at ends, Nelson Schrader and Bill Chizmar at tack-

les, Dick Buckley and Bob Niemi at guards, Jeff Goodrich at center, Ed Wittenberg at quarterback, Bob Starnes and Dick Biery at the halves, and Spike Walker at full-back.

All are letter-winners, and seven were starters on last year's squad. The Mustangs will be an "iron-man" squad this year, with nine of the 11 starters scheduled to go both ways. Harry Sedan and Dick Stuber

will go in at tackle and linebacker on defense, replacing Wittenberg and Walker.

Last year, in grinding out a 7-1-1 season and a league title, the Mustangs grew into a formidable football power, reaching their finest hour in a 32-0 rout of tough Holly.

Only the Plymouth loss and a humiliating tie with Milford marred their record.

Northville scored 169 points to 46 for their opponents and gave up only one first-half touchdown.

They piled up 96 first downs against 68 for the opposition, and outgained their opponents by 2,689 to 1,497 yards. They completed 64 of 124 passes for 1,272 yards.

Whether they can do it again remains to be seen.

On the credit side, they have all-league halfback Biery who led the Mustangs in rushing (7.5 yard average for 683 total yards), touchdowns (nine), and pass receiving (29 for 616 yards) and all-league end Yahne who hauled in 25 passes for 494 yards and was a bearcat on defense.

Elsewhere in the backfield, Wittenberg passed for nine completions in 16 efforts and Walker piled up a 4.1 rushing average.

In addition, the fleet-footed Starnes - a trackman in the spring - and Hammond, one of the most improved players this year, give Schipper reason to cheer.

On the line, the Mustangs are down from a hulking 225-pound average to a still impressive 200 pounds. Goodrich, Buckley, Niemi, Chizmar and Schrader are seasoned and have the makings of a good forward wall.

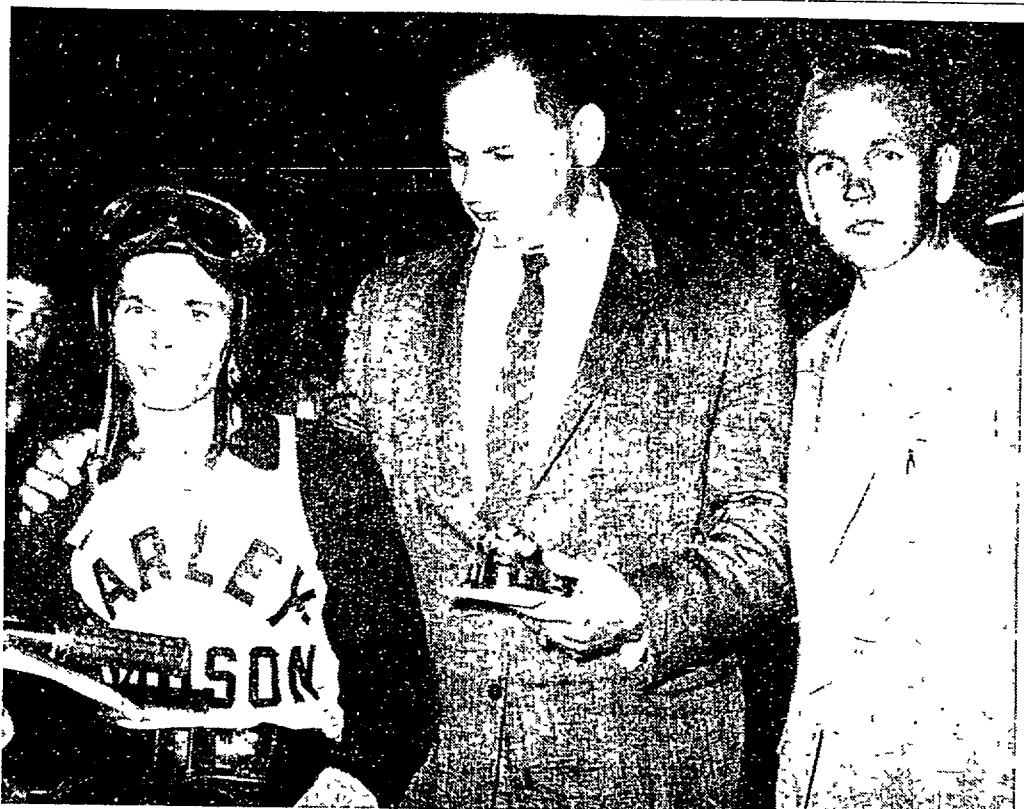

On the debit side, the Mustangs can't help but miss all-state center Bob Wagners and all-league backs Dave Adams and Gary Holman. In addition, the Mustangs are considered somewhat weak on depth, although many second-stringers need only a few quarters of experience before making the grade.

Then, again, there is that bugaboo of overconfidence. With all the favorable publicity lately, plus the obvious fact of good material, the Mustangs know they are a strong team. But what worries Schipper is that they may already think they have an unbeaten season chalked up in the record books.

The Coach's Corner

by RON SCHIPPER
Northville High School Football Coach

This week *The Record* begins a weekly column by Northville football coach Ron Schipper in which he will present an inside view of Mustang football doings. Questions and comments from arm-chair quarterbacks and fans in general are welcomed. They should be addressed to "The Coach's Corner" and should be received by Monday morning after each game.

Welcome aboard to what I hope will be a new and interesting experience for everyone during the 1957 football season in Northville.

In beginning this column, I think it would be well to explain our basic offensive and defensive formations. This will give you an insight into what is happening down on the field and will help you follow the game and its strategy as it unfolds.

This season we will once again run from a balanced line T-formation using flankers and split ends to give variation to our attack. By flanker, we mean the movement of a half-back from his regular position in the backfield to a position one to 15 yards outside our end and within a yard of the line of scrimmage. The use of flankers strengthens our passing attack since we have three men (two ends and the flanker) who can quickly get downfield as pass receivers, but it also removes a running threat from our backfield.

As in any T-formation offense, the quarterback is the key man. His signal calling, ball-handling, and faking are necessary if the offense is to have any punch. Of course, since this position is so important, it is the one which receives most of the fans' attention. Just remember: second guessing is easy, but calling the right play at the right time is most difficult.

The defensive signal caller, although seldom talked about, has the very important job of trying to stop the opponents' attack and gain control of the ball. His job is important because one mistake by the defense may find you six points behind, while an offensive error usually leads to nothing more than a poorly-executed play.

Defensively, you will see us play a four, five, six or even eight-man line again, depending on the play situation. The defensive quarterback must know the play situation, the down, the yardage, position of the ball on the field, time remaining in the game, and so on. Each must be figured in calling defensive signals.

There has been a general feeling of enthusiasm and optimism throughout the community whenever our football team is mentioned. We share the enthusiasm, but are not as optimistic as the Detroit papers or even some of our fans. Potentially, we have the makings of a fine team but there is still a great deal of work to be done. Plymouth will bring to Northville a team of experienced players with tremendous speed throughout the lineup. We are convinced that the 1957 Plymouth team will be stronger than the one that edged us, 13-12 last season.

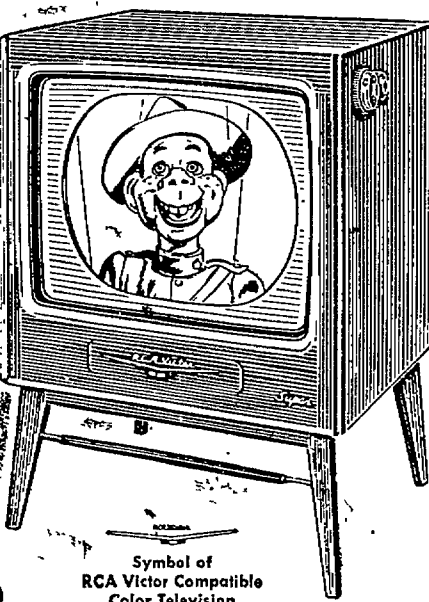

Meanwhile, we are working hard for a successful season and promise that the football played by our team will be something of which you can be proud.

See you tomorrow night and again next week.

Merchants Near Crown; To Meet Romulus Sunday

The Northville Merchants moved within one game of the Inter-County playoff championship Sunday as they edged past defending champion Romulus, 3-2.

The Merchants will meet Romulus again Sunday at 2:30 p.m. on the Cass Benton park diamond in what could be the deciding game.

A win would give Northville the title for the first time since 1950. A loss would put Northville and Romulus even in the two-game knockout series and force a final game the following Sunday.

The two teams won their way into the finals by eliminating three other contending squads in recent weeks.

The victory Sunday was Northville's 11th straight, including four in the playoffs, and gave manager

Steve Folino's team a record of 15-6 for the year.

For five innings it looked as if Northville was in for a rough time, as Romulus jumped off to a 2-0 in the first inning on the strength of three walks and a single.

But Northville hurler Ken Kisabeth bore down, allowing only three other safeties to Romulus.

The Merchants tied the count in the fifth when George Newton doubled Darwin Snyder and Dick Tanner home. Then in the seventh, Kisabeth reached base on a fielder's choice. Don Thompson singled and Ron Bender blasted out a base hit to score Kisabeth with the winning run.

Northville racked up seven hits off Romulus in the light-hitting contest.

THE NORTHVILLE RECORD—Thursday, September 19, 1957—11

Top Runners to Go In 'Michigan Mile'

Michigan's richest race — the \$50,000 Michigan Mile — will be run Saturday at the Detroit Race Course.

Swoon's Son, regarded in racing as "Old Money Bags Himself", will be one of 66 nominees for the event, highlight of the state racing season.

Since the purse for the mile-and-one-sixteenth race was raised to \$50,000 in 1953, the Michigan Mile has annually attracted some of the best running talent from other tracks around the nation.

This year is no exception. Among the turf greats nominated for the 1957 edition of the classic are the Kentucky-Derby-winning Needles,

Gallant Man, 1956 Michigan Mile winner Nonnie Jo and Derby runner Shan Pac.

According to Pat Farrell, track racing secretary, the 1957 race Saturday promises to be one of the top events on the American racing scene.

from the PASTOR'S STUDY

By the Rev. Fr. John Wittstock
Our Lady of Victory Church

MAN IS FREE TO CHOOSE —

When Christ, the Son of God, atoned for the sin of our first parents, it did not signify that from that moment men would be forced to be good. Our Blessed Savior did not take away the freedom of the human will. If we are to be capable of proving our love for God by our obedience to God, then we must be left free for the choice that obedience involves.

In addition to Original Sin, which we inherit we are accountable for the sins we commit by our own acts. This sin we call actual sin.

We understand that there are degrees of gravity in disobedience. A youth who disobeys his parents in things that are petty or ways that are thoughtless is not convicted of lack of love for his parents. His love may be a less perfect love, but the love still is present. However, if that same son should disobey his parents deliberately in a matter that is of grave importance to them, a matter which would hurt them and grieve them very deeply, then we should conclude that the youth does not really love his parents; at least we should conclude that the youth loves himself more than he loves them.

The same thing may be said of our relationship to God. If we disobey God in a

small matter, then it is not necessarily a denial of our love for God. Such an act of disobedience, in which the matter is not grave, we call venial sin. A small or simple lie which harms no one, is then a small matter and does not break our friendship with God. However we must remember that every small sin lessens a little the love of God in our hearts and weakens our resistance to temptation.

All too many of us excuse our daily faults by saying, "I'm only human, its only natural to commit sin," and so with this philosophy of mind we carelessly go in day after day without striving to improve our relationship with God. Each day man chooses his actions, good or bad. No one is forced to be good. No one religion ever had a police force to compel its people to obey laws. A man is free to choose good and decent language every day; he is free also to choose to curse and swear. If a man chooses to be good and decent he deserves a reward which is given for effort, and effort depends on the will of a person. Yes, it is more difficult to choose the good because the evil is always so tempting and seemingly pleasing. It is easy to choose the evil and the indecent; that is why there is no reward for this choice of the human will.

Madonna College Opens With New Classes, Teachers

Madonna college opened its fall semester today with several new courses offered for the first time. These include directed reading, interior decoration, physical chemistry, history of journalism, art orientation through crafts, and mental health.

At the request of several adults who wished to matriculate at the college and begin a regular sequence of courses, a class in freshman rhetoric and composition will be offered Tuesday evenings. Other adults are also registered as special students for various late afternoon and evening classes.

New faculty members on the teaching staff at Madonna this year include Dr. Anthony L. Kar in the history department, and Miss Barbara Sowers, a physical education instructor.

Douglas Campbell, special representative for station WXYZ, has assumed the position of director of public relations for the current year. Miss Beatrice Czenkusz, a Madonna graduate of '56, will serve as his assistant.

New business manager for the college is Sister M. Bertha, CSSF, a commercial teacher at local high schools for a number of years.

For any further information on Madonna college, you may call GA-2-7320, public relations office, or GA-1-5290, administrative office.

MSU to Conduct School Bus Series

Wayne county will be the site for the next Michigan school bus driver education program.

MSU is conducting a series of 12-hour county-wide programs, designed for school bus drivers who have not yet taken any class in bus driver education. The class will be held at Taylor township school bus garage September 9, 16, 23 and 30.

SHOP IN NORTHVILLE

When it comes to brand names in tools and hardware, you can find all the leading brands at Northville Hardware, 107 North Center street. Owner Essie Nirder is shown above displaying the well known Skill portable hand drill to Mrs. Vernon Biddle, whose daughter Verna seems more entranced by the photographer than the tools. Northville Hardware also offers a new line of Christmas toys and other suitable gifts for the home.

Shirts laundered and pressed the way you want them is just one of the many services offered at Ritchie Bros. Laundromat. Mrs. Ruth MacInnes (above) receives her order neatly bundled from "Skip" Ritchie, co-owner of the 144 North Center street Laundromat. In addition to complete home laundry service, Ritchie's also features dry cleaning service.

There's more than one reason why it pays to do your shopping locally:

• **CONVENIENCE**

It's so easy to shop in Northville, only a few minutes from your home and parking right near the stores.

• **QUALITY**

All the nationally known brands you prefer are available right in Northville.

• **RELIABILITY**

DON'T FAIL TO VOTE CONTEST VOTES

In Ballot Box At The Northville Record and Novi News Office

BY 7 p. m. SATURDAY SEPTEMBER 21

FINAL DAY AND HOUR OF \$3,500 CONTEST

LAST CHANCE TO WIN OR LOSE THESE BIG PRIZES

FINAL INSTRUCTIONS AND CLOSING RULES

As a matter of caution and to guard against loss to contestants during these last few days, final instructions and closing rules are herewith appended. All contestants should read and weigh every line carefully.

1. All subscriptions secured for the final report must be placed in sealed envelope, together with receipts and cash to cover and deposited in secret ballot box which will be in the Record office until 7 p.m., Saturday, September 21, 1957.

2. Examine all your vote receipts carefully and total your own votes and bring them to the contest office, NOT LATER than 5 p.m. Saturday, September 21 and get your CASH and VOTE STATEMENT. All votes issued to contestants since starting must be deposited in ballot box with final report. Contestants failing to do this before 5 p.m., Saturday, September 21 MUST ACCEPT the OFFICE STATEMENT as correct and forfeit all right to make claims or corrections.

3. Under no condition will votes be transferred from one contestant to another. This is an absolute rule and will be strictly enforced.

4. "Second Payment" subscriptions must be marked plainly on subscription receipt by writing votes on the margin to earn votes under the second payment schedule. Subscriptions which are not "second payments" will earn votes under the final period schedule on receipt book.

5. All remittances deposited in ballot box must be either postal money order or cash. No individual check will be accepted for more than \$14.00. Larger checks must be certified. Only bonafide subscriptions, together with receipts and cash, will count in sealed ballot box.

6. Absolutely NO MONEY will be refunded on subscriptions sold during this contest.

7. The winners of the prizes will be determined by the total earned vote, which includes votes issued on subscription payments in the various periods, club votes, votes for making reports, extra ballot votes for turning in most money in third vote period, "second payment" votes, and free vote coupons.

8. The contestant finishing with the largest vote total will win the new 1957 Ford Sedan. The next highest will receive the \$500 cash prize, and the next two highest the bonds and TV Set. Non-prize winners will receive a total of ten percent (10%) of the cash turned in for subscriptions, including cash bonus paid.

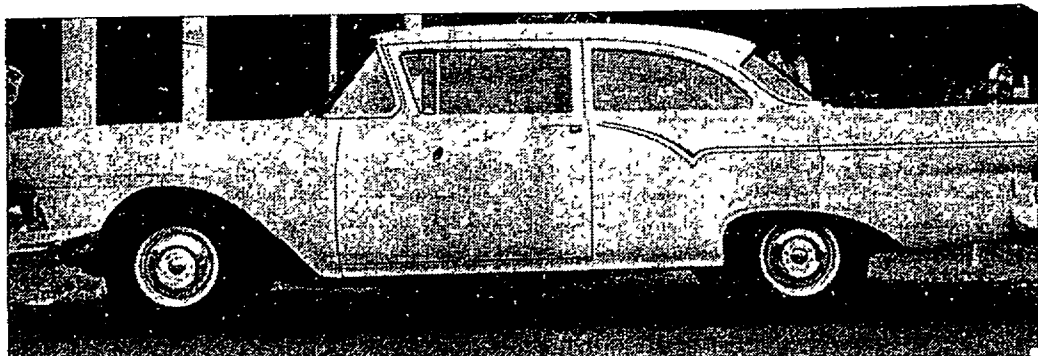

9. The decision of the official contest judges will be absolute and final and permits no appeal. Contestants must accept the prize or commission the votes and cash turned in shows them to have won. Contestants failing to report regularly each week and who fail to have statements of cash and votes in ballot box forfeit all right to a prize or commission and their votes will not be counted.

NOTICE - CONTESTANTS

1. DON'T FAIL to read this page. During these days, no excuse will be accepted for not knowing what to do.
2. Report votes as usual Wednesday.
3. Subscriptions reported Saturday must be placed in envelope with money and deposited in secret ballot box by the closing hour. Contestants can make out own vote receipt.
4. Vote receipts for the final report will be issued or okayed by the contest judges and the votes earned added to the total vote shown on your CASH AND VOTE STATEMENT.
5. DO NOT fail to have cash and vote statement in envelope with final report.
6. DO NOT turn in any individual checks for more than \$14.00.
7. DO NOT fail to have ALL YOUR VOTES in ballot box by closing time.

HOW PRIZES WILL BE AWARDED

Under the rules, contestants can win prizes as follows:
The area covered by The Northville Record and The Novi News will be divided into TWO DISTRICTS:

DISTRICT ONE - The Northville Record District - will include Northville and Northville Township or entrants residing North of Five Mile Road and South of Nine Mile Road, East of Haggerty Road and West to Currie Road, inclusive. Entrants from this district will be eligible to win all prizes with the exception of the District Two Prize. After the Ford and \$500 cash prizes are awarded, the entrant from this district with the next largest vote total will win the District One Prize - a \$500 U.S. Savings Bond.

DISTRICT TWO - The Novi News District - will include Novi Township, all of Wixom or all entrants residing North of Nine Mile Road and South of Fourteen Mile Road, East to Haggerty Road and West to Currie-South Hill Road. After the Ford and \$500 cash prizes are awarded, the entrant from this district with the next largest vote total will win the District Two Prize - a \$500 U.S. Savings Bond.

The entrants accumulating the largest vote totals regardless of districts will win the new 1957 Ford and \$500 cash prizes. The district prizes must be won by entrants residing within the villages, towns, townships or boundaries comprising districts, but no entrant will be eligible to win two prizes. After the two main prizes and the district prizes are awarded, the entrant with the next largest vote total will be awarded the \$169.95 Philco portable television regardless of districts.

ENTRANTS NOT WINNING PRIZES will be paid ten percent (10%) cash commission on the amount of money they turn in for subscriptions, according to Contest Rule No. 13.

WIN WITH SECOND PAYMENTS

HERE IS A TABLE WHICH WILL GIVE AN IDEA HOW FAST VOTES WILL STACK UP ON "SECOND PAYMENTS" SUBSCRIPTIONS THIS WEEK

The contestant who is determined to win will study this table, make his or her plans and set a goal for a large number of "second payment" subscriptions and get them this week. This is merely an estimate of what a few second payments would give in votes, including 200,000 club votes, extended subscriptions and report votes.

HERE'S HOW MANY VOTES 60 SECOND PAYMENTS EARN:

60 \$7.00 "Second Payments" (\$420.00) would give a total of	8,325,000 VOTES
60 \$5.00 "Second Payments" (\$300.00) would give a total of	5,625,000 VOTES
60 \$2.00 "Second Payments" (\$120.00) would give a total of	2,425,000 VOTES
A \$7.00 "Second Payment" is an extension of \$3.00 subscription to a \$10.00 payment.	
A \$5.00 "Second Payment" is an extension of a \$5.00 subscription to a \$10.00 payment.	
A \$2.00 "Second Payment" is an extension of a \$3.00 subscription to a \$5.00 payment.	

WHAT YOU WIN NOW IS ENTIRELY UP TO YOU. Set a goal for so many "Second Payments" - then work to get them. You'll win.

SUBSCRIBER: Here's Your Chance To Help Your Real Favorite and Help Yourself By Extending Your Subscription To 4 Years In Advance at Reduced Prices.

(SECOND PAYMENTS ARE EXTENSION PAYMENTS ON SUBSCRIPTIONS ALREADY TAKEN)

Any person who has already given a subscription to the credit of any contestant for \$3.00, may make a "SECOND PAYMENT" up to \$7.00 and the contestant credited with the "Second Payment" will receive votes ACCORDING TO THE FOLLOWING SCHEDULE

"SECOND PAYMENT" VOTE SCHEDULE

Anyone who has given a \$3.00 subscription prior to September 16, can make a "Second Payment" of \$7.00, get 4 years credit, and give contestant (taking payment)	90,000 votes
\$2.00, get 2 years credit, and give contestant (taking payment)	30,000 votes
Anyone who has given a \$5.00 subscription prior to September 16, can make a "Second Payment" of \$5.00, get 4 years credit, and give contestant (taking payment)	60,000 votes

INSTRUCTIONS

- 1-The extension or "Second Payment" vote offer applies only on subscriptions turned in during a prior vote period. Subscriptions can't be turned in Wednesday of this week and extended Saturday, neither can they be written up in two receipts to get extension votes. No credit will be given for subscriptions turned in during the first or second vote period that were not marked extensions, but if they were marked credit was given.
- 2-If the FIRST PAYMENT was NEW, then mark the extension or "second payment" RENEWAL, as credit has already been given on the original subscriptions, and the time due subscriber making the second payment will be added.
- 3-The word "EXT" or "2nd PAY" must be marked plainly on subscription receipts. This must be followed by the number of votes due on the extended subscription as shown in the table above. In order to be sure that a subscription is an extension, ask person giving it how much was paid and make certain that you have the right amount to make the subscription the full two or four years. BE SURE that a subscription is an extension before marking it "EXT." Securing subscriptions and marking them extension or second payments when they are not will result in a loss in votes when checked back against the record of subscriptions already turned in.

Minutes of the Board of Education

Regular meeting, September 9, 1957
The regular meeting of the Board of Education was called to order at 7:30 p.m. by President Nelson C. Schrader.

Present: Nelson C. Schrader, Waldo T. Johnson, Adrian Willis, Robert H. Shafer, Eural F. Clark, Superintendent Russell H. Amerman.

Others: William Crump, chairman of the Junior High Curriculum Committee, Principals E. V. Ellison, H. B. Smith, R. W. Kay; Miss Sally Ayling of The Northville Record; A. Gazley.

The minutes of the last meeting, a special meeting held on August 21, 1957, were read by the secretary. There were two corrections to the minutes, after which they were approved.

Communications:

1. Automatic Caterers, Inc., giving terms of installation of three soup-vending machines in the school system, on a trial basis.

2. Eberle M. Smith Associates, giving estimates of sewer and water facility costs for the new high school.

3. Mr. Robert Davis, of Novi School District No. 1 Fr., requesting that his children be allowed to attend Northville on a tuition basis.

4. The Robert Coolman family, acknowledgement card for funeral spray.

5. Michigan Bell Telephone Co., receipts from pay telephone in high school, \$9.72.

6. Kenower, MacArthur Company, offering bonds of our 1954 issue for sale.

7. Bank statement of Cass P. Benton Student Loan Fund, showing balance of \$1,705.00.

Superintendent's Report:

1. Opening of School — enrollment figures at present are 870 in Grades Kindergarten through Sixth and 757 in Grades Seven through Twelve, or a total of 1,627 in the entire system.

2. Grade School Lunchroom — Mr. Smith and Mr. Kay have a problem involving the number of children eating lunches at school. They request authority to issue a statement to the effect that only bus children may eat their lunches at school.

3. Practice Teacher — the University of Michigan has requested our cooperation in permitting a practice teacher to work in our school this year for one-half day each day. They specifically wish to send us an art teaching candidate to teach in the high school.

New Business:

1. Robinson Property — negotiations for purchase of the Frank Robinson property adjacent to the new high school site having been fruitless, the Board passed a resolution to condemn, moved by Mr. Clark and supported by Mr. Willis.

2. Curriculum Committee — Mr. William Crump, chairman, reported to the Board the activities of the Committee during August, and announced that there will be a meeting on the 15th of the month in the Community Building, at which Mr. William McMurry of the Livonia Public Schools will be the speaker. Attendance at the meetings is good and the committee is operating at full strength.

3. Grade School Lunchroom — Board discussed the problem and the policy recommended by the elementary principals and it was moved by Mr. Shafer that this policy be endorsed by the Board. Mr. Johnson supported. Motion carried.

4. Amerman School Site — the Board and the Administration feeling that some improvement is needed at this time in the grounds at the Amerman School, Mr. Schrader proposed that as many of the members as possible should meet with him and Mr. Clark, who are the Board's Building Committee, and with Mr. Amerman and Mr. Kay, at the Amerman School on Sunday, day, September 15th at 1:00 p.m., to review the situation.

5. Bleachers — the new bleachers purchased for the east side of the athletic field have arrived and are installed. They appear to be very satisfactory but additional seating space is still needed. After discussion, Mr. Clark moved that two more sections of these bleachers be purchased at once, at the price of \$604.20 plus transportation costs. Mr. Willis supported. Motion carried.

6. Practice Teacher — Board instructed the Superintendent to cooperate with the University of Michigan in this project. They heartily approve of the program.

Treasurer's Report:

Balance in General Fund, August 30, 1957, \$98,121.21.

Balance in 1956 Bond and Coupon Account, August 30, 1957, \$210.00.

Balance in 1949 Debt Retirement Fund, August 30, 1957, \$4,775.90.

Balance in 1954 Debt Retirement Fund, August 30, 1957, \$3,881.12.

Balance in 1957 Debt Retirement Fund, August 30, 1957, \$100,457.01.

Balance in 1954 Building and Site Fund, August 30, 1957 (Cleared in August) — 0.00.

Balance in 1957 Building and Site Fund, August 30, 1957, \$9,100.00.

Balance in all accounts, August 30, 1957, \$216,545.24.

Mr. Johnson moved that the treasurer's report be accepted as presented. Mr. Willis supported. Motion carried.

Auditing Committee: The Auditing Committee approved bills and payrolls for payment as follows: Bills, \$3,801.77; Payrolls, \$43,095.92. Mr. Johnson moved that bills and payrolls be paid. Mr. Willis supported. Motion carried.

Adjournment: Mr. Johnson moved that the meeting be adjourned at 11:15 p.m. Mr. Clark supported. Motion carried.

LOCAL BUSINESS BRIEFS

A contract to finish furniture in the new Multi-Color paint process has been awarded to Bruce McAllister by the J. L. Hudson company. McAllister is the owner of The Decorator shop in Novi and conducts his furniture finishing business at 128 West Main street in Northville. He is recognized as the originator of applying the new paint material to furniture finishing. The furniture will be on display at Hudson's downtown and Northland this week.

Eugene Maloney and Harry Sedan, salesmen for Schrader's Furnishings, attended the Mohawk Carpet Mills educational clinic in Amsterdam, New York last week. They studied the latest techniques of manufacture in every phase of carpet making.

An expanding business activity will be maintained at least into the early months of 1958 says Business and Real Estate TRENDS, quarterly issue of First Federal Savings of Detroit. The September issue points to high personal incomes, strong consumer markets, record expenditures by business firms and the appearance soon of 1958 automobile models as biggest factors.

September marks the 30th anniversary of the Air Express and U.S. Scheduled Air Transport system. According to Leonard Millross, agent for the area express agency, the event will be observed throughout the month by the Scheduled Airlines and Railway Express.

New customer convenience and service will soon be provided with the completion of a new and attractive rear entrance at the Manufacturers National Bank in Northville. The entrance will face the blacktopped parking area behind Main Street stores.

Politics on the Bench

JUSTICE IS UNDERGOING subtle changes in Michigan.

Judges nominated by Democrats and elected in non-partisan contests will hold six of the eight seats on the Michigan Supreme Court January 1.

That is the day when Thomas M. Kavanagh, now attorney general, will take his seat on the bench.

In three years, the former Carson City lawyer and a state leader of the Knights of Columbus, has risen with other Democrats to take control of the state's highest court.

Republicans charge that the five justices with Democratic backgrounds already have changed the traditional conservative tone of the rulings to more liberal interpretations.

The problem that is putting furrows in the brows of legal thinkers is whether the changes can be attributed to Democrats or a general evolution of philosophy in the courts.

An example is the changes in workmen's compensation cases.

Workers hurt on the job receive weekly benefits — for life, if totally and permanently disabled. Until this year, the criterion was whether the condition existed previously.

The court, in recent decisions, has ruled that it makes no difference if the physical condition existed before an injury.

Another change in the making is the trend toward the doctrine of contributory negligence in auto accident cases.

The latest decision, 4 to 3, retained the doctrine that negligence must be proved. Democrats contend that the fact an accident happened proves there is negligence on the part of both drivers.

Republicans charged that when two candidates — John D. Voelker and Kavanagh — publicly campaigned as Democrats last year that the court lost some of its non-partisanship.

The charge was made despite the fact that John R. Dethmers, chief

justice, was once Republican state chairman and Republican attorney general before his election to the court.

Republicans said, however, that Dethmers never campaigned for the court as a partisan.

Justice George Edwards, also nominated by Democrats, objected strenuously to being connected with the partisan campaign last year. He continues to insist on non-partisanship.

Incidentally, there will be three former attorney generals on the court January 1. They will be Dethmers, Justice Eugene F. Black, who held the office as a Republican under former Gov. Kim Sigler, and Kavanagh. However, no one is prepared to say if this is good or bad.

COMPLETION OF the Mackinac Straits Bridge and its opening for traffic November 1 will end 34 years of service for the state ferry fleet.

The first boat to be retired was the "Straits of Mackinac", the smallest of the fleet.

The others will go into drydock when the bridge is completed, though agitation is rising to keep one or two of them prepared for emergencies in case something goes wrong with the bridge.

Gov. Williams will be the first man across the bridge when it is completed and opened to traffic. He will pay the toll, to dramatize the way the bridge is being financed.

The \$100,000,000 span is being financed by a bond issue, which will be paid off from tolls.

For a time, it appeared that Michigan might get Federal aid for the bridge starting next year because it links highways that are a part of the interstate network qualifying for the help.

But U.S. Bureau of Public Roads officials said last week it will be a year before Michigan can be certain of the plan and, even then, the prospects are dim.

PRELIMINARY reports on the 1957 tourist season show that more people visited the state but spent less money.

The state tourist council is working on plans to extend the summer tourist season into the fall and winter — and eventually advertise Michigan as a year-around resort area.

The usual summer attractions then will be linked with hunting and fishing in the fall, and winter, the skiing and other winter sports. Then comes summer and the cycle starts again.

Prosperity in Hands of Retailers

Babson Park, Mass. — Competition will increase constantly and severely during the next few years. This "few years" probably means until a severe business depression comes which will wipe out the weak concerns and leave the field only to the strong.

Reasons For Severe Competition

The basic reason is that manufacturers — in order to counteract increased wage demands — are constantly reducing their other costs of production. Although the retail prices of most goods have gone up, yet, except for labor, the cost of actual manufacturing has declined. New machinery, electronics, automation and other new developments are seeking to overcome the effects of higher wages. As a result, there is a constant struggle between the labor-leader and the inventor. This results in increased production and a surplus of goods. Manufacturers then are forced to create more customers and sell more goods in order to keep their plants running at full volume. Only as a manufacturer is running at full capacity is he able to pay higher wages and produce goods at lower cost.

Certainly if farmers — who are really manufacturers — receive subsidies and other helps from Congress, many manufacturers are entitled to the same help. All of this, however, results in severe competition which is profitable to no one. To keep labor employed and the factory working at full volume, manufacturers have encouraged installment sales and other means of coaxing people to buy more goods than they really need, or to buy them before they need them. This means that when unemployment begins, housewives will be so stocked with new furniture, electric utilities, and clothes that they will be able to stop buying almost everything other than food. Furthermore, the food bill can be greatly cut, probably resulting in better health for the family.

The future of employment is therefore in the hands of the consumers. As long as consumers continue to increase their purchases, conservative manufacturers will get on satisfactorily. When, however, consumers begin to economize, then unemployment will follow and most manufacturers will be headed for trouble. This means that retailers have a great responsibility. Although retailers are dependent on the consumers, who are the source of real power, yet consumer buying is largely influenced by the attitude of retailers.

Most retailers are now not doing their part to prolong prosperity. Golf courses, luncheon dates, bowling alleys, boating and automobilizing are taking the time of retailers who ought to be in their stores. Customers are not being given the individual attention which they like. Merchants are making it harder to buy through self-service, poorly arranged stock, and careless advertising.

What Retailers Should Do

The next depression will be brought on by automobile congestion or by the fear of Fallout due to the threatened Russian "tests". Parking meters are helpful in preventing all-day parkers from hogging the streets; but parking meters may reduce the amount of merchandising sold. After I drop my

coin into a parking meter, I cannot forget the meter. I have it constantly in mind as I am shopping. This worry about the parking meter causes me to buy fewer goods than I would buy if it were not for my parking meter worry. All of this means that downtown retailing is in a chaotic condition. Evening shopping may be an answer to the parking problem.

I once asked John D. Rockefeller, Sr. how a retailer could make more money. He replied, "Live over the store and be available to customers from 6 o'clock in the morning until 9 o'clock at night." This does not necessarily mean that the store will be "open" or that the retailer will

spend more money for more employees. (Mr. Rockefeller, of course, was a great believer in better lighting, whether by candles, kerosene, gas, oil or electricity). Then he continued: — "Next to well-trained employees and proper lighting and advertising, merchants should keep their stores open longer hours. Evening shopping is coming."
