# Here's the Winner

**KEYS TO THE WINNER** — Mrs. Paul Folino receives the keys to the 1957 Ford she won for placing first in The Northville Record-News subscription contest which ended Saturday. Presenting the keys is John Mack, general manager of the Marr Taylor Ford dealership in Northville. Circulation of the two papers was increased by 1,482 subscriptions — or 5,928 readers. See page nine for complete results.

Mrs. Paul Folino of 350 East Cady street, Northville, finished with the largest vote total in The Northville Record-News \$3,500 Subscription contest to win the new 1957 Ford sedan, first grand prize. It was delivered to her Monday morning by Marr Taylor Ford Sales of Northville.

The \$500 cash prize was won by Joe Kritch, 370 Rayson, Northville, who finished a close second.

Miss Dolores Teshka of 215 West Main street won the \$500 Savings Bond in the Northville prize area and Mrs. Russell Button of 44109 Grand River won the \$500 Savings Bond offered in the Novi area.

Mrs. Lois McAllister, who resides at 15674 Lakeside drive, Northville, township, finished with the next largest vote total and won the \$169.95 Philco television set.

The contest closed at seven o'clock Saturday night following a hectic eight-week battle for subscriptions by 17 contestants who remained in the race until the finish.

All votes issued to contestants during the contest were deposited in a secret ballot box together with their final reports.

A board of impartial judges made the final vote count. They were A. Russell Clarke, vice president of the Manufacturers National Bank in Northville; Rev. John O. Taxis, pastor of the First Presbyterian Church of Northville; and Hadley Bachert, clerk of Novi township.

## Final Contest Results Show Tight Race for Top Prizes

We, the undersigned, acting as official judges for The Northville Record and The Novi News \$3,500 Subscription Contest, which came to a close this 21st day of September, 1957, at 7 p.m., hereby certify that we have checked the records and tabulated the votes polled in the secret ballot box by the various contestants, and award the prizes as follows:

## Football Contest Starts Today

Who are you picking to win the Notre Dame-Purdue game Saturday? How about the Michigan-Southern California, Penn-Penn State, Northville-Thurston or Michigan State-Indiana game?

Think you know the answers? If so, you can win cash prizes in the annual football contest beginning on page 11 of this edition.

The feature proved to be popular with fans of all ages and sexes last year and promises to offer the same interest again. Fourteen merchants

are sponsoring the contest and it takes nothing to enter but a sharp pencil and a little time.

Contestants must only pick out their selections of 14 games each week and bring or mail the entries to The Northville Record office by 5 p.m. Friday. While a contestant may enter but once each week, he may compete in every contest even though he has won before. Top prize is \$10 and the runner-up gets \$5.00.

Sponsors of this year's contest are: Atchinson Service, Cloverdale

Farms Dairy, E.M.B. Market, Frisbie Refrigeration, Famous Stores, Gamble's, Harrowood's Service, G. E. Miller Sales, Northville Electric, Northville Lanes, Northville Refrigeration, Old Mill Restaurant, Paul's Sweet Shop and Spagy's Grocery.

Remember, you can't win every contest unless you win the first one. So turn to page 11 and, oh yes, a final tip from the contest manager... Purdue to trip Notre Dame. No more help, your on your own!

## Novi Ends Dispute By Appointing Watza as Trustee

The Novi township board was back to strength this week with the appointment Monday night of Frank Watza, a prominent Novi realtor, as trustee.

Watza will fill the vacancy caused by the death of former trustee Frank Clark in July.

At the same time, the board rehired Glen Salow, Jr. as building inspector until October 1.

Watza's appointment was made quickly and quietly, in sharp contrast with a raucous meeting two weeks ago in which tempers flew and five names were tossed into the running.

The appointment came as somewhat of a surprise. Watza had not been mentioned previously, and he was given the nod over Salow even though the former building inspector was once cited by all the board members as their first choice for trustee.

Though he was nominated as a "compromise" candidate, Watza did not have the support of all board members. Supervisor Frazer Staman cast the lone dissenting vote in a roll call ballot demanded by clerk Hadley Bachert.

When Staman's name was called, he responded, "I vote no," and after a moment's silence, added, "Well, I guess it's carried."

In appointing Watza, the board disregarded the names of Herbert Koester, Jack Crawford and Glenn Salow, Sr., who had nominated themselves for trustee two weeks ago. They also overlooked Gordon Promo, who withdrew from the running last week.

Until the meeting, Salow Jr. seemed to be the strongest candidate, although he fell out of favor with Bachert, Harrison and Balon two weeks ago when he resigned as building inspector. The three claimed Salow was trying to force them either to name him trustee or raise his salary as building inspector.

## Legion Presents Award to Yahne

An honor student and outstanding athlete at Northville-high school was honored Tuesday night as the young man who contributed most to Wolverine Boys' State this year. Bill Yahne, a senior at NHS, has chosen for the honor among 1,055 Michigan boys who attended the week-long conference this summer.

The award was presented to him by the American Legion Tuesday night in behalf of the Wolverine Boys' State committee in Lansing.

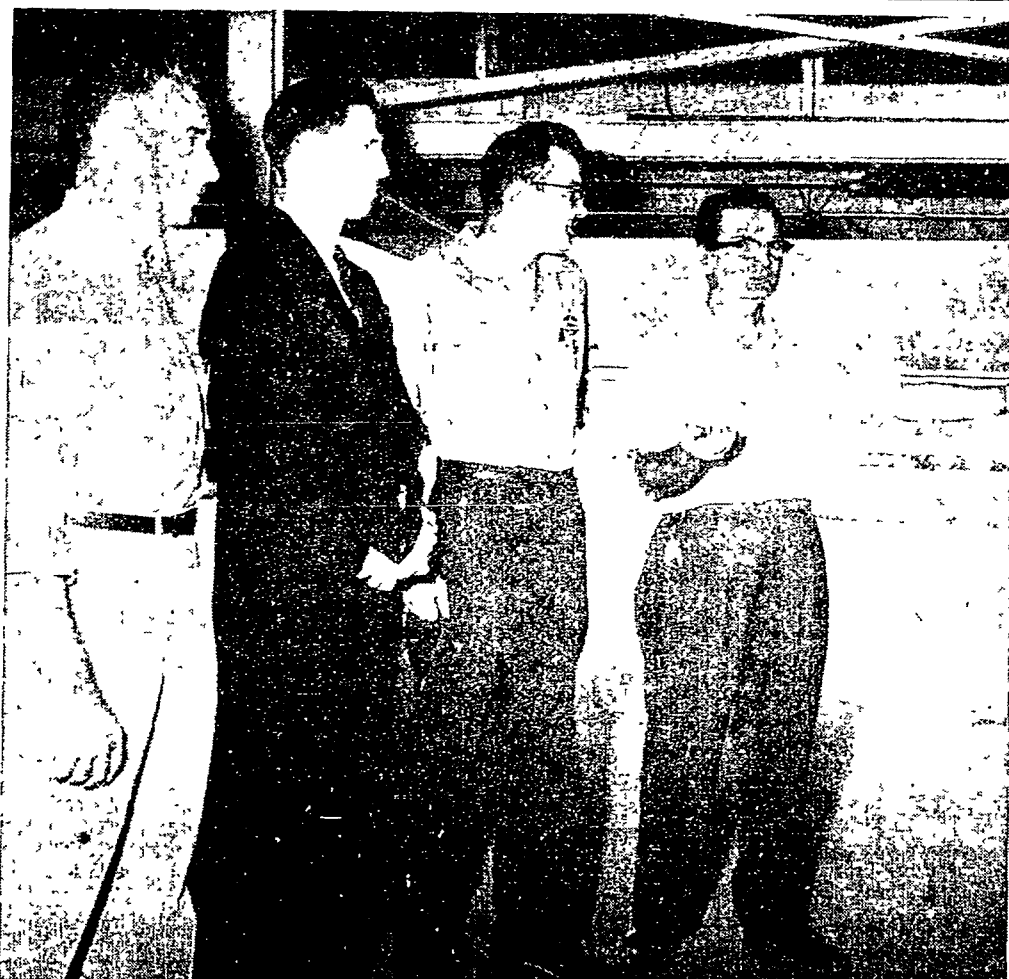

At the same time, the Legion and its auxiliary initiated seven new members.

Yahne, whose father is a teacher at NHS, has a consistent record of A's and B's throughout high school. In sports, he was an all-league end in football, all-league center in basketball, and a qualifier for the state 880-yard track championship.

Wolverine Boys' State is an annual conference in which Michigan high school students learn how their government operates by actually setting up a state government of their own. Yahne served as chief justice of the supreme court.

Nine other Northville students who attended Boys' and Girls' State were honored by the Legion. They were Mike Petz, Mike Willis; Bob Bake, Dan Howell, Ed Wittenberg, Elsa Couse, Lillian Zinnecker, Frances Walter and Sally Lemke. Another Northville delegate, Clair St. John, has since moved from the area.

The seven new Legion and auxiliary members who were initiated Tuesday were: Miss Ruth Knapp, R.N., Miss Janice Young, R.N., Miss Anne Burlison, R.N., Dave MacGillivray, Wynn Wakenhut, William Wright and Kenneth Newman.

**RUMMAGE SALESMEN** — This quartet of Northville Rotarians is shown at the Downs grandstand making final preparations for the annual Rotary Rummage Sale. The three-day event started today and will continue through Saturday. Proceeds from the huge sale will be used for charitable activities of the club. Shown above are: (l. to r.) Ed Devine, Bruce Turnbull, Bob Green and Wally Westerfield, chairman of the event.

## P-TA Set to Hear Taped Questions

Northville's own "candid microphone" will have its moment tonight, presenting a series of searching questions on all aspects of the city's schools.

The questions, tape-recorded in Northville homes this week, will be played back and answered tonight at the first fall meeting of the Northville Parent-Teacher association.

The meeting will begin at 7:30 p.m. in the Northville Community building. P-TA officials have urged that all parents plan to attend.

Some 14 new teachers in the three Northville schools will be introduced as part of the program.

The "inquiring reporter" method is the P-TA's way of trying to bring out questions which Northville parents may have hesitated to ask in public in the past.

One interviewer said this week that a number of "very revealing, and very searching" questions have been recorded. They refer to subjects ranging from bus transportation and the lunch program to parent conferences and the high school program.

"The questions represent a good cross-section of interest and opinion," he said.

"We actually have more than enough for one meeting, but we'll get in as many as possible," he added.

The questions will be answered by appropriate school officials, whether superintendent, teacher, bus director or coach.

"We feel that, through this program, we can reach many people who have been reluctant to speak up at past meetings," said P-TA program chairman Mrs. Chris Hammond. "And parents who have not attended meetings regularly in the past will find this an excellent opportunity to catch up on problems and policies with which they may not be familiar."

City sidewalks were being given a "face-lifting" this week and in some cases new walks were installed.

City manager John Robertson stated that in particular walks in the Wing and First street area damaged by the installation of curbs, gutters and storm sewers this summer were being fixed. A new walk was also installed in front of the city hall along the curb to allow passengers of cars to step from the car onto the walk.

Another sidewalk improvement was made along Center street next to Gussell Drugs where a step was removed and the walk leveled.

## Schools Publish Financial Reports

Detailed reports of the financial and statistical condition of the Northville and Novi school districts are published this week on page 14.

The reports cover the fiscal year ending June 30 and are supplemented by a review and recommendations by the school superintendents. Both reports point out serious financial difficulties. While R. H. Amerman, Northville superintendent, forecasts the possibility of making up a \$35,000 deficit from last year, William H. Medlyn, Novi superintendent, predicts that a voted increase in operational funds will be necessary to maintain current expenses.

## St. John's Confers Major Holy Orders

The major Holy Order of the deaconate was conferred last week on 26 Michigan seminarians by auxiliary Bishop John A. Donovan in ordination rites at St. John's Provincial Seminary in Northville.

At the same time the minor orders of exorcist and acolyte were conferred on 33 others at the seminary on Phoenix road near Sheldon.

The September 15 ordinations followed a week-long retreat conducted by Fr. Thomas J. Bolger of the Grand Rapids diocese. The retreat opened St. John's ninth scholastic year.

This year, 148 theologians are candidates for the priesthood at St. John's.

## Detroit Boy Killed In 75-mph Chase

One youth met death and his companion was injured when the stolen automobile in which they were driving careened into a tree on Hines drive near Six Mile road early last Friday morning.

The car was being pursued by Northville policemen Eugene King and Gill Glässon when the crash occurred.

Dead was Danny Smith, 16, driver of the car, who lived at 10359 American, Detroit. His parents are Virgil and Gladys Smith.

His companion was Rodric Olson, also 16, who lived at 1843 Kimberly, Detroit.

According to police, the car was stolen early Thursday evening from Edward Hise, 13175 Newburg, Livonia.

Northville police began pursuit when they saw the car run a stop street at Rogers street and Edward Hines drive at 3:10 a.m. Friday. They then ran a second stop street at South Center and Hines drive, and were chased by police through the park drive at speeds of 70 to 75 miles per hour.

Police said the youth lost control of the car when approaching the Six Mile road intersection. They first crashed into a large rock on the left side of the road, then into the tree.

Smith was then thrown from the car and pinned to the tree by the wrecked auto. He died at 5:35 a.m. at Wayne County General Hospital.

Found on the ground near the wreck was a fully loaded 30-30 rifle. Wayne county officials have not yet determined the owner of the gun.

## NHS to Meet Thurston Tomorrow Afternoon

With their hopes for a perfect season abruptly shattered in a 13-12 opening game loss to Plymouth Friday night, the Northville Mustangs this week prepared to get back on the winning trail.

The Mustangs will meet Thurston tomorrow afternoon in their first day game in four years. Game time is 4 p.m. at Thurston field, Schoolcraft near Inkster.

The contest will be their second straight non-league game, and the first of three consecutive away games.

While the Mustangs were tumbling to Plymouth Friday night, the Thurston eleven was absorbing its first loss of the season in a 6-0 thriller against Monroe Catholic Central.

Last year, Northville handed

Thurston its only loss of the season, 18-6, in one of the Mustangs' best efforts of the year.

The game was marked by a stunning run by Northville halfback Dick Biery, who went 64 yards for a touchdown only moments after being knocked unconscious at mid-field.

Coach Ron Schipper had plenty of work cut out for his charges this week. The Plymouth game revealed a number of glaring defensive weaknesses, and Thurston scouts were on hand to catch them all.

Yet both Schipper and the Mustangs were confident that they could match up to Thurston tomorrow.

"Plymouth was Plymouth; now we have the rest of the season," said one Mustang linesman.

Hopes for fall harness racing dates at Northville Downs this year rose to an all-time high Wednesday with a decision rendered by Frank FitzGerald, Wayne county circuit judge.

Judge FitzGerald reversed the decision of James Inglis, state racing commissioner, denying a request by the Michigan Horseman's Racing Club, Inc., for 24 harness racing dates at Northville Downs beginning October 7.

In his opinion Judge FitzGerald stated that Inglis had "abused his discretion in denying application and in failing to grant a license."

Hearing on the twice-postponed case was held Monday. Inglis' office was represented by Wilbur DeYoung, assistant attorney general assigned to boards and commissions, while Louis J. Colombo, Jr., was attorney for the horseman's group.

Neither Inglis or DeYoung knew of the judge's decision when contacted by The Record Wednesday and would not comment on possible appeal steps. DeYoung indicated that in his opinion a "test" of the decision should be made. "I have not read the opinion, but if there are borderline reasons that are not clear or interpretations that we consider wrong, then I believe it's a matter for the higher court to decide," he stated.

DeYoung emphasized that the state legislature has left the matter of controlling racing in the state to the commissioner's office. "Now the question is, who sets racing dates?" he added.

Inglis' main objection to additional dates at the Downs appeared to stem from the principle of planning. He pointed out that dates are set in the winter and that more dates were granted in the Detroit area this year than last. DeYoung also added that the late running dates were acceptable at the MRA this year because there would be no competition from harness racing.

News of the reversal brought a jubilant reaction from officials of the horseman's club. One director called the possibility of fall racing dates "in Northville 'excellent'." "This is what the Detroit area needs. It will compensate for the void in fall harness racing and provide horsemen with bigger purses," he added. "Racing at the fairs is now closed and the harness horsemen need an opportunity to win top purses," he concluded.

Officers of the racing club requesting the Downs' dates are: George McIntyre, president; William Brown, vice president; Charles Coon, secretary-treasurer; and Mac McQuarrie and Franklin Meharg, directors. A spokesman for the group indicated that they would "work day and night to be ready for the opening" if the license is granted. They also stated that in the event of an appeal to the supreme court, an "immediate hearing" would be requested.

The 38-night season held at the Downs this spring brought \$87,000 into the city treasury. Prospects of the additional 24 dates could bolster the local budget by another \$50,000.

## Special Election For Wayne County

A special election to issue bonds and raise the tax rate limitation will come before Wayne county voters November 5.

The election will ask voters to decide two propositions: shall the Port Commission of the Port of Detroit be allowed to borrow a sum not to exceed \$5,500,000 and issue general obligation bonds for sites and necessary improvements?

And, shall the limit on the total amount of taxes levied against all property in the county of Wayne for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932 be increased by 16/100th of one mill on each \$1,000 of assessed valuation as equalized on all property in Wayne county for 16 years, 1958 to 1973, both inclusive.

Only property owners who are qualified voters may vote on the bonding proposition, while all qualified voters are eligible to vote on the tax increase.

City and township residents of Northville living in Wayne county have until Monday, October 7, to register for the election. If they are not already registered, in the township registrations may be made at the township hall, 16810 Franklin road, while city residents register at the city hall, 102 South Wing.

## Friends and Fellow Employees Fete Mayor Upon Retirement from Detroit Edison Post

Mayor Claude Ely—who probably knows Northville as well as anyone—will get to know it even better from now on.

After 37 long and rewarding years, the mayor will retire Monday from his "other" job as a substation operator for the Detroit Edison company.

To honor the occasion, nearly 150 fellow employees and friends turned out last week for a rousing farewell party sponsored by the Linkage club—the substation department's social and recreational group.

"I knew about the party, of course," said the mayor, "but what surprised me was the appearance of half of Northville and the city council."

Among those who attended from Northville were councilmen Earl Reed and Mike Allen, city attorney Philip Ogilvie, police chief Joseph Denton, public works superintendent Bud Hartner and attorney Clifton Hill.

A host of Edison employees and friends from the Northville area were also on hand. They included Harry and Harold Wagenschutz, Ray Van Valkenburg, Bud DeKay, Merrill Sweet, Paul Terry, Jim Green, Howard Green and Walter Hawkins.

By the time he left the party, the mayor had been presented with a gold ring from Edison inscribed with the dates of his service, a portable electric saw to help him build his cabin in the north woods, life memberships in various Edison organizations, and a letter from the city council congratulating him on his retirement.

While the mayor was being feted, a bouquet of two dozen roses arrived at the Ely home. A card, addressed to Mrs. Ely, read:

"In appreciation of your help and assistance to Pete during his 37 years of service with us."

One more gift is yet to come—a photo album showing scenes of the former Northville substation where he worked with VanValkenburg, of other substations where he worked, of familiar faces and scenes, and of the banquet in his honor.

What will he be doing after Monday? One thing is certain: he won't be sitting still.

"There's plenty of work to do as mayor," he said. "And then, when the weather is nice, we'll be spending a lot of our time at Rifle Lake near Rose City. We just finished grading our land up there, and I plan to start in on our cabin next year."

Mrs. Ely had one thing to add: travel. The Elys hope to make it to Florida, Arizona and California as soon as they can arrange it.

"We've looked forward to this day for 37 years," she said. "It's here now, and we're going to enjoy it."

Mrs. Alice Shambaugh is now a patient at the Novi Convalescent Home. She is the mother of Mrs. Marie Travis of Cady street and grandmother of Mrs. Jean Clarke of Taft road, Novi.

Judge and Mrs. E. M. Bogart of North Center street returned last Wednesday from a trip to Ottawa, Canada. They returned by way of New York and Vermont.

Mayor and Mrs. Claude Ely . . . looking forward to retirement

RELAXING AT HOME — Enjoying an evening with his family is Mr. Billie Thomas, whose business often takes him on the road. Enjoying their cat, "Rusty", and dog "Molly", are Christopher, Billie, Penny and Mrs. Thomas.

They had always wanted to live in Northville — so it was a happy day last April when the family of Mr. and Mrs. Billie Thomas moved into their new home on Fairway III, just off Meadowbrook road.

The Thomas' are avid golfers during the warmer months, so nearby Meadowbrook Country club was an added incentive to their choice of locations.

Mr. and Mrs. Thomas and their three children, Penny, 8; Billie, 6, and Christopher, 3, are former residents of Lathrup Village in Southfield township. They are not native "Michiganers", however, originally migrating from Cleveland, Ohio seven and one-half years ago.

During the winter months, skiing takes the place of golf for three sports enthusiasts. The Thomases

are members of Otsego Ski club in Gaylord, and try to work in a trip to Sun Valley each winter.

Mr. Thomas is a manufacturer's representative. He attended Bowl-

ing Green university in Ohio.

During their leisure hours at home Mr. Thomas enjoys listening to his record collection and his wife likes to do a little oil painting.

### Girl Scouts Plan Calendar Sales

The year is quickly creeping to an end and Girl Scouts in the Northville and Novi areas are getting ready to help you be prepared for 1958 with bright new Girl Scout calendars.

Northville scouts will be ready to take orders near the end of next month, while Novi girls will be canvassing their neighborhoods between September 30 and October 8.

Profits of the calendar sales are used exclusively for camp sites, buildings and equipment. Too, with each purchase of a calendar you have underwritten costs of more buildings and equipment for the Council's present camps, Indianwood Day Camp and Narrin, the established camp.

Without your help, camping fees would have to be increased; higher fees would prevent some Girl Scouts from experiencing the benefits and fun of camping.

## To the Man Postponing a Dream!

The man you see above—watching a beautiful new 1957 Cadillac as it takes the sweep o' the boulevard—is representative of a goodly number of American motorists.

He is a gentleman who would like *ever* so much to own a Cadillac car—but who feels the time is not quite propitious for him to do so.

Well, we have some sound advice for this gentleman, and for those like him, and it is this: *Come in, sir, and see for yourself!*

First of all, you will find that today's Cadillac car is exceptionally practical to own and to enjoy.

In fact, its relatively modest cost, its wonderful efficiency of operation, its great dependability and its marvelous resale value mark it unmistakably as one of motordom's soundest investments.

And then you will discover that your dealer is currently prepared to give you a most generous allowance on your present car. In fact, the transition to Cadillac is easier today than it has been in many, many years.

And, as if this were not sufficiently gratifying in itself, your dealer can assure you of prompt delivery on your favorite model.

In short, if you are the man postponing his dream of a Cadillac, then the odds are that the "golden moment" has arrived!

You should visit your dealer today—take the wheel for yourself—experience the marvels of Fleetwood luxury—and listen to the revealing facts about Cadillac practicality.

He'll be waiting to welcome you—soon!

### In Willowbrook:

## Community Group Meets

By Mrs. John Parent — Greenleaf 4-2060

The Willowbrook Community association met September 19 at the Novi Community hall. Some of the subjects discussed were water, control of speed on Ten Mile, the garbage dump on Ten Mile and the garbage pickup.

The Bud Brines of Meadowbrook announced the birth of Kimberly Elizabeth on September 16 at New Grace hospital. The baby weighed seven pounds, eight ounces at birth. The Richard Holmes of East LeBost announced the birth of Paula Cunnard on September 16 at New Grace hospital. The baby weighed eight pounds, six ounces. The grandparents are Mr. and Mrs. Harry Holmes of Marblehead, Massachusetts and Mr. and Mrs. Thomas Evans of Pittsfield, Massachusetts. The baby's great-grandmother is Mrs. Mathilda Holmes of Marblehead.

We have a much belated birth announcement. The Leonard Vinkins of East LeBost have a cute little daughter, Kathleen Virginia, born June 12.

Margaret Louise McKeon was christened Sunday, September 15 at Our Lady of Victory church in Northville. The sponsors were Patricia Berry of Howell and Patrick McGuire of Oak Park. There was a dinner afterwards at the Robert McKeon home on Meadowbrook with the grandparents, Mr. and Mrs. Thomas McGuire of Detroit, and Mr. and Mrs. Howard McKeon, attending.

A baby shower was given by Jean McClelland of East LeBost for Eleanor Wingard. The neighbors who attended were Ann Diebel, Marian Closs, Ann Holmes, Audrey Blackburn, Mary Frutchey, Jo Jacques, Eleanor Foley, Gwen LaBarge and Elaine Anderson.

Gayle Smelt of Ten Mile is taking instructor training for Sunday school teaching at St. Mathias church in Detroit.

Mr. and Mrs. Donald Campbell of Boston visited the Cameron Campbells of Malott for four days.

last week. Cindy Campbell celebrated her third birthday Saturday. Her party guests were Del and Cathy Peterson, Denny and Davy Nelson, Andy Anderson, Patty Dukes, Skip and Robin Diebel, Karen McMahon, Mickey Greene, Heather Campbell and Bruce Coan.

Oliver Rose of South McMahon is home from his European trip where he visited Germany, Sweden and Denmark. He was a counselor for the teen-age exchange program sponsored by the Michigan Council of Churches. On his return home, he received a promotion to assistant principal of Walled Lake high school.

Those who attended the Republican dinner at the Novi Pizzeria were the Robert McKeons, the Louis Chismarks, the Jim Newtons, the Bob Andersons, the Don Wingards, the Gordon Promos and the Robert McClellands.

Dennis Diem of LeBost was five years old September 16. There was a picnic supper in his honor at Waterford Bend where color movies were taken as he opened his gifts. He was accompanied to the park by his parents, the Lewis Diems, and Brenda and Debbie, Eleanor and Dan Freytag and their three children and Skip and Chuck Boyer and their four children and Denny's grandmother, Mrs. Mende, of Livonia.

The James McCormicks of McMahon had as their guests, Irene's sister and her husband, Mr. and Mrs. Howard Seebach, who have just returned from Germany.

The Philip Rannos of McMahon have been busy entertaining out-of-town guests. Lieut. and Mrs. Charles Zangas and family stopped for a week enroute from New York to Hawaii. They are pleased to have as their guest this week the Rev. Thomas J. Swarbrick of Richmond Hill, New York.

Visitors to see the new son of the John Zavicars of LeBost were Mr. and Mrs. Harold Osterich of Dearborn, Mr. and Mrs. Carl Zavicar of Allen Park and Mr. and Mrs. Charles Faybik.

The William Crowells of Meadowbrook had a steak roast Saturday night. Their guests were North and Norma Carey of Birmingham and Jim and Mary Lou Beckman of Royal Oak.

Vickie Broderson of Meadowbrook celebrated her third birthday last Wednesday. Mr. and Mrs. Norman Brugman of Farmington and Mr. and Mrs. Stanley Smith and family of Redford came to help her celebrate the occasion.

New in Willowbrook are Harold and Eve Terwell of 24222 LeBost. They have one son, George, who just turned nine and attends Novi school. Mr. Terwell works for a company out of Trenton, New Jersey. They both enjoy golfing and swimming. The Terwells moved here from Dallas, Texas but Eve is originally from Winnipeg, Canada and Harold is from Chicago, where he attended Northwestern university.

New also are Harold and Elaine Young of 40989 Holly Dale. Their daughter, Karen Lee, is two and one-half years old. Howard is employed by the Triple A and enjoys golf and fishing. The Youngs moved here from Farmington.

The Willowbrook Pinchle club met last Tuesday at Connie Atkins' home on Willow Lane. The first three winners were Gladys Earl, Jean Huston and Aldean Carter. The consolation prize went to a guest player, Millie DeHayes. The next meeting will be at Kay Buck's home October 1.

## Church Plans Round-Up

Mrs. Charles Ware — Market 4-1601

The Sunday School of the Wixom Baptist church will sponsor a round-up for all Sunday school pupils on October 5 between 1:30 and 3:30 p.m. There will be a period of games, a surprise visit by Rev. Hubert Karl, and also refreshments. October 6 is rally day. Mr. Karl will speak to the Sunday school; you will remember that he directed the vacation Bible school. There will be a prize given to the person who brings the most new visitors or new members.

On September 10 Mrs. Jess Birchard gave a surprise birthday party for her sister, Mrs. James Paten. There were 10 guests present from Wixom and Commerce.

Mr. and Mrs. Lonnie Olomkowski are celebrating the birth of a baby girl, their second. Mr. Olomkowski is a Wixom volunteer policeman.

Total enrollment of Walled Lake Consolidated School system is 5,546 pupils. Wixom elementary school has an enrollment of 227.

There is still time to join any of the adult classes being offered at Walled Lake high school on Commerce road.

The Walled Lake chapter of the Eastern Star realized \$225 profit from their recent rummage and bake sale.

Sunday guests of Mr. and Mrs. John Bannerman were their sons, Elmer Bannerman of Winterhaven, Florida, Mr. and Mrs. Kenneth Bannerman of Frankenthum, Michigan and Mr. and Mrs. Milfer Bannerman of Highland.

On Sunday, September 22, Mrs. Burr Decker was honored at a birthday dinner at the home of her daughter, Mrs. Lucetta Ruggles. Guests were Burr Decker of Wixom, the George Morris of Detroit, the Glen Line, family of Livonia and the George Woods of Dearborn. From Wixom there were also Mr. and Mrs. John Chambers, Mr. and Mrs. John Ruggles, Bill Ruggles and Robert Thiel.

On Sunday, September 22 Mr. and Mrs. Stuart Sauber of 12 Mile celebrated their 28th wedding anniversary. To help them celebrate were their children, Mr. and Mrs. Stuart Sauber, Jr. and their three children, Mr. and Mrs. Kenneth Birdsall and children and Bill Sauber.

On December 9, 1946 the Handling Equipment Manufacturing corporation started in Wixom with four employees. The company has pioneered in the research and development of the Bowen electric and gas water heaters in Wixom. Mr. Bowen is president of the company, which now has an employment of 40, most of whom live in the immediate locality and a great many of whom have been with the company since it was founded. The heaters are most supplied to mobile homes. Prior to coming to Wixom, the company built handling equipment for General Motors.

Pfc. Bill Sauber spent two weeks in Santa Anna, California with the Marine Air Corps Reserve. While there he visited Disneyland and found it very interesting. Bill is employed at American Motors as a draftsman and is studying architectural drawing at Lawrence Institute of Technology.

On Wednesday, Mrs. Stuart Sauber had as her guests her parents, Mr. and Mrs. Frank Kachn of Grosse Isle.

On Sunday, September 15, 40 friends from Flint, Holly, Pontiac, Detroit and Wixom were entertained by Norman Brillinger and Paul Poschas, to celebrate the completion of their new home on Lakeridge, Loon lake, which they built themselves.

Peter Nomil has been transferred from Cub Scout Pack 223 in Detroit to Mrs. Joseph Stadnik's Den Pack 108. There are five active scout packs in Wixom. Den mothers besides Mrs. Stadnik are Mrs. Pozey, Mrs. Frysinger, Mrs. Burke,

Mrs. Batzer and Mrs. Abrams.

This week Mrs. Stadnik will take her pack to the planetarium at Cranbrook.

The week of September 8, Mr. and Mrs. Ray York went to Oblong, Illinois to attend the funeral of Mrs. York's mother, Mrs. Ruth Lansberg.

Novi Mother's Club

Ninety-two mothers were present for the first meeting of the season last Monday. There were several new members and guests present. Mrs. Dorothy MacDermid acted as chairman of refreshments.

## Boys Republic Has Double Celebration

Boys Republic reached a double milestone Saturday when it dedicated its new campus and buildings on West Nine Mile road in Farmington and observed its 50th anniversary of work with delinquent boys.

A golden-anniversary dinner for civic leaders and friends of Boys Republic followed brief ceremonies dedicating the institution's new \$1,000,000 facilities on an 80-acre tract.

Guests of honor included sportscaster Red Barber, Governor G. Mennen Williams, Mayor Louis C. Miriani of Detroit and Detroit Tiger outfielder Al Kaline and Van Patrick, popular Detroit sportscaster. The modernistic structures — designed by Minoru Yamasaki, includes three residence cottages with a combined capacity for 70 boys.

## On Campus Again?

If you're going back back on campus soon, or have a son or daughter who has returned to the college whirl, let us know where the students are.

Either drop a line to the Record office or phone Northville 200, and include where and year in college.

**Northville Council Proceedings**

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Sept. 16, 1957, at 8:00 P.M.  
Present: Mayor Ely, Councilmen Allen, Canterbury, Reed and Welch. Minutes of last regular meeting, also of special meeting held Sept. 11th, 1957, were read and approved.  
Bills amounting to \$10,774.56 from the General Fund and \$515.80 from the Water Fund were presented for payment, and it was moved by Welch, supported by Reed, that same be paid. Carried.  
It was moved by Ely, supported by Welch, that in compliance with electrical regulations as outlined by Elec. Inspector George L. Young, the City of Northville would buy 12 new light poles at \$30.00 each, pay for having these poles set at a cost of \$20.00 each and also pay for one-half of the service wire to connect light strings, the City to own the poles and wire. (This is for the purpose of properly taking care of the Christmas holiday street lighting.) Motion was carried.  
The Planning Commission will hold a public hearing on Friday, Oct. 4th, 1957, at 8:00 P.M. at the City Hall for the purpose of considering an amendment to the Zoning Ordinance covering the changing of the 8,500 sq. ft. requirement for lots in new subdivisions to 7,500 sq. ft.; also to reduce side lot requirements from 25 ft. to 20 ft.  
The City Council granted tentative approval of the plats of the Northville Heights Sub. in order that the subdividers could proceed with their engineering.  
Mgr. Robertson presented the surveyor's bill covering the survey of the Chase and Manning & Locklin properties, and recommended its payment. Moved by Allen, supported by Reed, that the bill be paid. Carried.  
Atty. Ogilvie reported on the several proposals which had been received covering the cost of codification of ordinances and charter. The one recommended as being most acceptable was submitted by the Municipal Publishers Corp. of Detroit. Atty. Ogilvie was instructed to check with other cities who had used the service of this company, and if reports were favorable, that he ask for a contract to be presented by them in time for the next regular meeting.  
Mgr. Robertson and Mayor Ely gave some very informative and interesting reports on the Michigan Municipal League convention which they attended at Mackinac Island.  
No further business appearing, meeting was adjourned.

## Novi Highlights:

### Scouts Recruiting Leaders

By Mrs. Luther Rix — Fieldbrook 9-2428

Applications are now being taken by the Novi Girl Scouts Neighborhood association from mothers, neighbors and friends who are interested in the youth of our community. At the present time reorganization is taking place because of the growth of Novi school system. They are interested in contacting either new people or former leaders. A leader is needed for the Senior Troop. There are nine girls from 14 to 16 years of age and they meet Wednesday evenings from 7 to 9 p.m. either at the home of the leader or one of the scouts.

Novi chapter of the Blue Star Mothers will have their bazaar and luncheon Wednesday, October 9 in the Novi Community building. Doors will be open to the public at 11:30.

Mrs. Henrietta Hicks of Detroit spent the past week with her daughter, Mrs. Erwin F. Geppert.

Janine Miller, 3-year-old daughter of Mr. and Mrs. Willis Miller, came home from Sessions hospital last week and is doing nicely.

Mrs. Ida Miller celebrated her birthday Sunday by having dinner with her son and daughter-in-law, Mr. and Mrs. Harold Miller. Margaret Miller also had a birthday last week. She was 11 years old Friday. The Willis Millers are her parents.

Mr. and Mrs. Gordon Blakeslee and son, Rickie, of Lansing were Sunday dinner guests of the Russell Buttons.

Mrs. Alice Shambaugh is now a patient at Novi Convalescent home.

Tommy Darling entered Atchison hospital, Northville, where he will have treatments and tests.

Guests of the Kenneth Cooks last week were the latter's relatives from Elyria, Ohio, Mr. and Mrs. LeRoy Gotro, Mrs. Earl Sandrock and Mrs. Fred Gotro.

Gayle Porter of Dearborn spent the week end with Linda Cook.

Mike Miller of Charlotte is visiting his grandparents, the Gerald Udylls on 12 Mile road this week.

W. G. Doan of West Grand River is ill at Atchison hospital where he entered last Tuesday.

Mr. and Mrs. Frazer Staman returned Monday from a week end at their cottage on Mullet lake. They and their several guests spent the time fishing.

At the regular monthly meeting of the Novi Methodist WSCS last Wednesday Mrs. R. E. Ward was presented with a going-away gift by the Society.

Charles Trickey, Jr. and his son, Chuck, of Carleton were in town one day last week. While here Chuck and Lynn MacDermid celebrated their 10th birthdays by having lunch at Saratoga Farms with Chuck's father.

The George Atkinsons and the Glen Salows spent the week end at their cottages near Lewiston. From there they took a trip to Vandenberg to see the elk which now inhabit that territory.

Mrs. Ruth Starkweather of West Seven Mile road, Northville, entertained the Novi Poincille club Saturday evening. The Russell Races took home the first prizes.

Novi Cub Scouts

Cub Scout leaders met last Wed-

nesday evening for their first fall meeting. Philip Simenton is Cubmaster, Russ Taylor, chairman; George Mairs, secretary-treasurer; and George Ciot, committeeman. The den mothers are Mrs. Ciot, Mrs. L. Ward, Mrs. Taylor, Mrs. Probst and Mrs. Arnold.

### Methodist Church News

The Youth Fellowship will start their meetings next Wednesday, October 2 at 7:30 p.m. Those who are 12 years and over are invited to come and bring a friend. Mrs. John Klaserer and Mrs. Glen Schenniman will have charge of the meeting.

Novi Rebekah Lodge News  
The next regular meeting is Thursday (tonight). Mary Ann Atkinson is planning a program to observe the Rebekah anniversary. Several Oddfellows will take part in the program. Lunch will be served at the close of the meeting by Laree Bell, vice Grand, and her right and left supporters, Lillian Trickey and Alice Hopkins.

Tonight (Thursday), Kathryn Bacher, vice president of the district, will attend the anniversary dinner of Clarenceville lodge.

The annual bazaar was held Wednesday at Novi Community building.

Novi School News  
The Novi Faculty club met for their first business meeting September 17 with president Iva Crane presiding.

Novi school's annual magazine sale is now in progress. There are six teams with a captain and co-captain. They are: captains, Bobby Taylor, Dennis Gilbert, Tommy Doan, Christine Boretti, Christine Martin and Donna Lien; co-captains, Pam Harnden, Sue Pharo, Rosetta Putnam, Sue F. Geppert, Jimmy Driscoll and Russell Stevenson.

This is the only sale by the school children during the year with the profits used to buy the things the children want at school. Last year they bought a tape recorder and a PA system and record player. Total sale for the first three days is \$875.81.

Pictures were taken Friday of all the school children.

Third Grade—  
Mrs. Crane's class is enjoying a unit on the preparation of animals and plants for the winter. Billy Bailey has been home sick.

Mrs. French's Fifth Grade—  
Monday, Veronica Rayborn visited the fifth grade class. She is from St. Louis, Missouri and a cousin of Linda Burdoff.

The class will sponsor the Junior Red Cross drive. Stanley Geer and Michael Schott are taking care of the money donated.

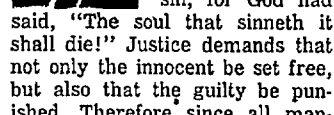

Howard McAllister of Midland is the new boy in the class. A parakeet, pigion and a salamander were brought to school by the children this week.

Mrs. Penhale's Sixth Grade—  
Magazine totals for the first two days of the campaign was \$262.50. High salesmen were Michael Gotro and Michael Brady.

James McAllister enrolled in the class on Wednesday.

## JUSTICE OR GRACE?

Perhaps you have never considered the problem that faced God when He sought to redeem fallen man. Consider it with me for a few moments. God's justice demanded that the sinner be punished for his sin, for God had said, "The soul that sinneth it shall die!" Justice demands that not only the innocent be set free, but also that the guilty be punished. Therefore since all mankind had sinned, all mankind came under the sentence of death. If God would remain just, He must carry out that sentence. The love of God reached out to fallen man. He did not want man to suffer the just penalty for his sinning. How could justice and love both be satisfied? The answer to this is the theme of the entire Bible from Genesis to Revelation. In the O.T. we see the substitutionary sacrifice of animals which pointed forward to the sacrifice to be made on Calvary. Then in 3 AD, God's Son died on the cross bearing man's sin redemptively. God's justice was now satisfied, the sinner died in the person of an acceptable substitute and His love could reach out and be reconciled with the sinner. However, God would not force anyone to accept His love, it must be voluntary. You must yield your heart to Him.

# History Repeats in Mustangs' Opening Loss

## Rocks Squeeze by, 13-12 For Second Year in Row

It was the same sad story as last year for the Northville Mustangs Friday night.

From the final score right on down to the punting averages, the result of the Mustangs' annual opening encounter with the Plymouth Rocks was almost a repeat performance of the 1956 battle.

## SCORING

NORTHVILLE	0	6	0	6-12
Plymouth	0	6	0	7-13

## STATISTICS

	N	P
First downs rushing	3	12
First downs passing	1	0
First downs penalties	1	1
Total first downs	5	13
Yards rushing	167	175
Yards passing	111	4
Total yardage	218	179
Passes attempted	8	5
Passes completed	4	1
Punts	4	3
Punting average	26	32
Penalties	9	3
Yards penalized	65	25
Fumbles	1	0
Fumbles lost	1	0

For example:

—the final score ended with Plymouth on top, 13-12.

—yet in both, the Mustangs outgained the Rocks in total yardage.

—in both, Northville was hot in the first half, then cooled off in the second.

—in both, Northville scored first and last, with two Plymouth TD's in between.

—in both, Northville scored its second touchdown on a freak play (a goal-line fumble by Plymouth last year, a spectacular pass this year) but was unable to push across the tying point.

—and in both, the Mustangs were severely hurt by their own penalties (nine for 65 yards).

But unlike last year, the Mustangs had a struggle on their hands throughout the game.

Where the Mustangs outgained Plymouth by 321 to 183 yards last year, they settled for a 218-179 advantage this year — and 60 of those were on one play. And where Northville had half a dozen more scoring chances than the Rocks in 1956, they were held even Friday night.

For awhile, it looked as if Plymouth might make a run-away of it. Midway through the first quarter the Rocks moved from their own 12 to the Northville 39. But despite four offside penalties against the Mustangs, Plymouth ran out of steam and punted to the Northville 12.

The Mustangs then had their moment. With quarterback Ed Wittenberg hitting Dick Biery for a 35-yard pass, and with Biery going 18 yards on a shifty dash around end, the Mustangs moved quickly to the Rock 14.

Plymouth returned the penalty favor, jumping offside twice in a row. Then fullback Spike Walker smashed into the line for 3, and Biery capped the 82-yard drive with a one-yard plunge for the first Mustangs' score of the year.

But as Wade Deal's attempted conversion was blocked, the Mustangs were socked with a 15-yard penalty and kicked off from their own 25. Deal's kick dribbled 12 yards to the Northville 37, and seven plays later LaRoche cracked over with the tying TD.

After a listless third quarter, Plymouth sparked to life when a Rock linesman smashed in to block Bob Starnes' punt. The ball rolled dead on the Mustang 18, and despite a desperate goal-line stand, Ken Knipschild broke across on fourth down for the score.

The great eye-opener came moments later. On the first play after the kickoff, Wittenberg dropped back and threw long and deep to Biery. The ball arched down, caromed off the Rock safety's helmet and bounded perfectly into the streaking Biery's hands. In five steps he was into the end zone with a 60-yard score.

Northville's joy died soon, however, as Starnes' attempted conversion fell short.

Plymouth controlled the ball until only 18 seconds remained on the clock. The Mustangs, with no timeouts left, got off only one play before the final gun.

Though both teams showed early-season rough spots, Northville fans could take heart in solid performances from most of the veterans. Biery, in addition to scoring two touchdowns, picked up 44 yards rushing and 123 in the air. The Mustangs' big line held well for the most part, though the Rocks found little to stop them from going around end.

**THE POINT THAT HURT** — Plymouth halfback Dave Walasky is somewhere on the bottom of this piled-up after scoring what proved to be the winning point in the Rocks' narrow 13-12 win over Northville Friday night.

## Hills Off to Good Start In First W-O Season

Bloomfield Hills, competing in the Wayne-Oakland league for the first time this year, made an auspicious start Friday night by dumping Clarenceville in one of two league games played.

Bloomfield ran over the Trojans, 19-0, while Milford outlasted West Bloomfield, 28-20, in the other loop contest.

The Hills squad was paced by fullback Jim Kearney, who took the opening kickoff for 85 yards, scored again on a 40-yard dash, and piled up 117 yards from scrimmage.

Milford and West Bloomfield slugged it out on even terms until end Frank Redman pushed across his third touchdown of the evening in the fourth quarter, to give the Redskins the win.

In non-league games involving Wayne-Oakland teams, —Clarkston subdued a strong Oxford team, 13-0. Oxford failed to penetrate the Wolves' 40 yard line. —Brighton barely got past South Lyon, 6-0, for the first win over the Lions in three years.

Holly missed three attempted field goals and had to settle for a 6-6 tie with Grand Blanc, a moral victory for the underdog Broncos.

—Northville was edged by Plymouth, 13-12, for the second time in two years.

## STANDINGS

Milford	1-0
Bloomfield Hills	1-0
NORTHVILLE	0-0
Clarkston	0-0
Holly	0-0
Brighton	0-0
West Bloomfield	0-1
Clarenceville	0-1

**OUT AT ALLEGHENY** — Dave Adams, former Northville all-league halfback, is showing up well in grid drills at the Pennsylvania college, his coaches report. Last year, Allegheny had a 4-3-1 record.

## Pheasant Hunters To Have Good Year

Michigan pheasant hunters will have as good a season this fall as they had last year. This year, all checks add up to the prediction of another 1,000,000-plus season. If this happens, it will be the fifth consecutive year hunters have bagged more than a million birds.

## Amendment To Zoning Ordinance

### Public Hearing — City Hall

Friday, October 4, 1957 — 8:00 P.M.

Please take notice that the Planning Commission for the City of Northville shall conduct a public hearing at the time and place specified above for the purpose of considering amendments to the City Zoning Ordinance pertaining to the lot area and side yard requirements. The specific amendments are as follows:

Article IV. R-1 District. Section 4.04. LOT AREA to change the lot area minimum from eight thousand five hundred (8,500) to seven thousand five hundred (7,500) square feet.

Section 4.07 SIDE YARDS. To change the minimum side yard requirements from twenty-five (25) feet to twenty (20) feet with the proviso that the minimum side yard width shall be eight (8) feet and that in new subdivisions the minimum distance between houses shall be twenty (20) feet.

Article V. R-2 District. Section 5.04. LOT AREA to change the lot area minimum from eight thousand five hundred (8,500) to seven thousand five hundred (7,500) square feet.

Section 5.07. SIDE YARD. To change the minimum side yard requirements from twenty-five (25) feet to twenty (20) feet with the proviso that the minimum side yard width shall be eight (8) feet and that in new subdivisions the minimum distance between houses shall be twenty (20) feet.

Article VI. R-3 District. Section 6.04. LOT AREA PER FAMILY. To change the overall lot area requirement from eight thousand five hundred (8,500) to seven thousand five hundred (7,500) square feet.

This notice being given pursuant to the requirements of the zoning ordinance for the City of Northville and the Statute of the State of Michigan pertaining thereto.

T. R. CARRINGTON, Chairman  
Northville Planning Commission

# Merchants Miss Title; To Try It Again Sunday

The Northville Merchants will try again Sunday to wrap up the Inter-County playoff championship, after narrowly missing it Sunday in a 4-2 thriller against Romulus.

The same two teams will meet at 2:30 p.m. at Cass Benton park in the final contest of the three-game series.

Romulus evened the count at one game apiece after Northville had won the first game, 3-2, the week before. The loss was Northville's first in 12 games.

After getting off to a 1-0 lead in the third, Romulus pushed across two more runs in the sixth when Northville second baseman Dick Tanner slipped on the rain-muddled

infield and missed a routine ground-

er. Tanner came back in the sixth to double Darwin Snyder home, and Jim McIntyre's fielder's choice scored Bob Mrozinski from third.

But Romulus came up with a fourth run in the eighth to sew up the win.

Manager Steve Folino won a flip of the coin to get the final game at Cass Benton park, a stroke of luck that may help the Merchants and is certain to draw a crowd of partisan fans.

Northville and Romulus entered the two-game knockout finals by eliminating three other teams. Romulus is the defending I-C playoff champion.

## The Coach's Corner

by RON SCHIPPER  
Northville High School Football Coach

Our 1957 football season started off last Friday night in a manner very similar to that of 1956. We only hope we can duplicate or even improve on the rest of our 1956 record in the eight games we have left to play.

After two consecutive losses to Plymouth by the same 13-12 score, the time is ripe to stop and analyze just what has happened.

This year, as was true last year, our total yardage exceeded Plymouth's. Our passing attack, completing 4 for 8, gave us 111 yards and one touchdown. Plymouth was limited to one completion in four attempts, had one intercepted, and registered only four yards. The rushing yardage was something different. Plymouth gained 175 yards on the ground compared to our 100 yards. Dave Walasky, Plymouth's workhorse, alone gained more yardage than our combined backfield.

Our balanced attack — 111 yards passing and 100 yards rushing — is one of the pleasant notes on the ball game. This is one factor we strive for, because it constantly keeps our opponent aware that we can move by both methods. I strongly feel it was one of the major factors in our success last season.

But why, with more total yardage and a balanced attack, have we failed to win against Plymouth the past two years? The real secret is ball control. In both games, Plymouth has run more plays and controlled the ball for a greater part of the game. Last Friday we spent much of the game on defense, with our backs against the wall.

Of course, we made things easy for Plymouth with unnecessary penalties, bad kicks and a blocked punt. Plymouth's two touchdowns came on drives of only 38 and 18 yards, while ours were the result of an 82-yard drive and a 60-yard pass play.

But then, the so-called "breaks" are not always the result of mistakes. Often they come because of good tough play on the part of the opposition.

\* \* \*

This Friday we play our first afternoon game in four years, with Thurston furnishing the opposition. Last season, Thurston had a very good ball team and lost only one game—to Northville.

They feature the multiple offense used by Michigan and Michigan State, and will thoroughly test our defense—which had its ups and downs Friday night. We have spent the week sharpening up our offense, adding a few new plays, and working to overcome the defensive errors of the Plymouth game.

Again, may I invite and encourage you to attend our game Friday afternoon. We feel that we have the makings of a good team at Northville, and that means we intend to play good, hard, interesting football.

## AMVETS to Sponsor Skeet Shoot Sunday

Novi and Northville hunters will have a chance to get the itchiness out of their trigger fingers this Sunday.

While waiting for the real birds to come into season, they can practice up their eye on clay pigeons in a skeet shoot sponsored by Novi AMVETS.

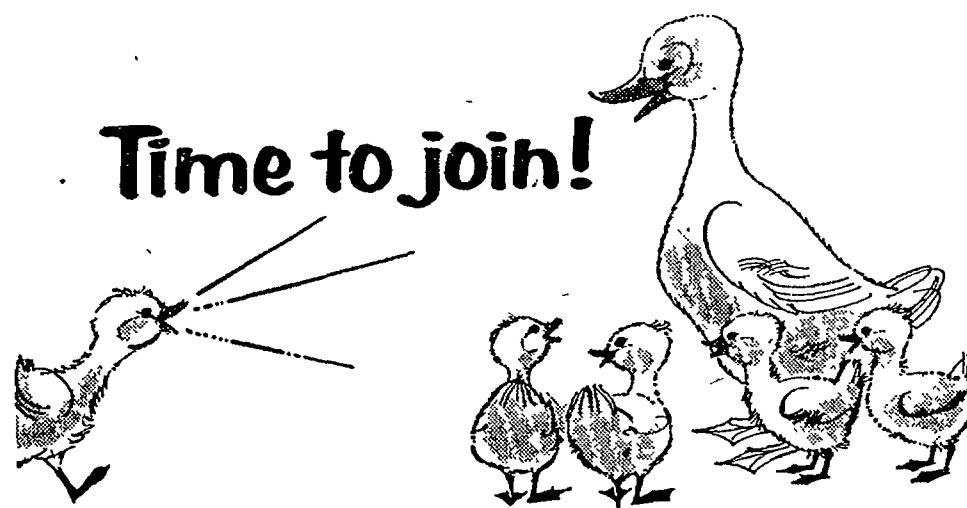

The shoot will begin Sunday at 1 p.m. Registrations will be taken at Trickey's Sporting Goods on Grand River, east of Novi road. The shoot will be held behind the store.

Three prizes of hunting equipment will go to the top shooters. Contestants must supply their own guns and ammunition.

**SEASON FINALE** — More than 30 members of the Northville Golf League climaxed a season of play Saturday afternoon at the annual league tournament at Brae-Burn Golf Club. Tourney honors in the regular Tuesday night businessmen's league went to Ed Blood, while H. Parsons and B. Jackman took the team championship. Runners-up for the team championship were Ed and Harry Welch. After golf and a steak dinner the players elected Ed Sprunk president of the league for the coming year. Shown above ready to tee-off in Saturday's round are: (l. to r.) Bill Williams, Frank Stanford, Ed Welch, and George Weiss.

## Time to join!

Here's your once-a-year opportunity to get Blue Cross • Blue Shield protection without enrolling in a group

Now, for a two-week period—September 16 to 30—those who are not eligible to join Michigan Blue Cross • Blue Shield through a group can join through this special non-group plan.

No red tape . . . no physical examination needed. The only requirement is that you be a Michigan resident under 65 years of age.

If you are married, Blue Cross • Blue Shield coverage will protect your entire family . . . if you are single, you will be covered individually.

And remember . . . the non-group plan provides many of the broad benefits usually available only under group coverage. They include, after six months' membership, the same new out-patient benefits just made available to Group Members.

But you must act now. This special non-group offer cannot be repeated for at least another year. Clip and mail the attached coupon . . . no later than September 30 . . . and we'll send you complete information on rates and benefits.

### THE BILLY GRAHAM CAMPAIGN

The Billy Graham New York campaign ended with a mass gathering of an estimated 200,000 people jamming into Times Square to hear the evangelist. It has been reported that there were 58,000 decisions for Christ made during the weeks of the campaign. Newspapers and magazines have given much attention to this phenomenal evangelistic movement in our day. Naturally there has been much discussion pro and con on the various details of the campaign. I wish to comment upon just one aspect of the campaign in our column today.

Many people have been utterly amazed at the size of the crowd which packed Madison Square Gardens night after night. Perhaps they were more amazed at the number of decisions made on each night. Who are these people? Where did they come from? To be sure a number of the people who attended were already Christians and came to hear and help in the campaign. Many came out of curiosity and love—the thrill of a large crowd and excitement which often attends such a gathering. But the vast majority of those present were people who already attended churches. Most likely a good many of them were church members. From this vast multitude of religious minded people came thousands who accepted Jesus Christ as their Saviour. Why didn't these people make their decision for Christ in their own churches? Why was it necessary to come to the Graham

meetings? The answer is simple, although a sad commentary on the preaching in many of our churches today. The truth is that the simple Gospel as Graham preached it is not being preached in many churches in our day. The basic preaching on sin, condemnation, the need for being born again, the realities of heaven and hell are left out altogether or lost in the maze of lofty words. And socially, an opportunity was given to express their faith by the giving of a simple invitation. I'm afraid that we have become so ritualistic, so formal in our services that we are afraid to break the "Order of Worship" by having a sinner under conviction walk down the aisle in tears of repentance and a sincere desire to get right with the Lord.

It is refreshing to know that here and there the Gospel is being preached in its simplicity and it is not uncommon in those churches to see people under deep conviction and making a genuine decision to receive Christ as their Saviour and become Christians. It is regrettable to know, on the other hand, that there are literally thousands of our churches where no decisions for Christ have been made in years.

All of us ought to take this one aspect of the Graham campaign to heart and realize that there is still a real thirsting for the Simple Gospel that Graham preaches. If preachers would preach the same Gospel and give an invitation they would have the same results in their own church services. This is the kind of Evangelistic Revival we need!

## Northville Students Attend Reading Clinic at Madonna

The psycho-educational center at Madonna college will open for its fifth year of service this Saturday.

Thirty students from Northville, Livonia, Plymouth, Wayne, Garden City and Detroit are enrolled for the fall semester.

Most classes will be held on Saturdays with some being scheduled on Monday and Thursday according to arrangements made with the individuals.

Upon its establishment in 1952, the center offered mainly remedial services in reading. Because of special cases and referrals in succeeding years, the Center expanded its services to include those of a psychological and consultative nature.

In its short existence the center has already served more than 300 clients.

Among the services offered by the center are diagnosis of educational and psychological difficulties, corrective and remedial treatment

in a developmental program of reading, consultative service in child guidance, laboratory experiences for pre-service and in-service teachers in diagnostic and remedial teaching and lectures to inform the public of various reading difficulties and their proper correction.

The center's professional approach to dealing with reading difficulties attracts a number of visitors each year.

Just recently two educators from Milwaukee visited the center to obtain information from Sister M. Martina, CSSF, director, on the organization and administration of the clinic. The visitors were Lester Van Gilder, instructor at Marquette university associated with its reading clinic and Norbert Riegart, guidance director at Plus XI high school in Milwaukee. Both were interested in obtaining suggestions for the expansion of Marquette's reading services to include elementary school pupils.

## Cargos To Hold Open House At Parsonage

The Methodist parsonage at 139 West Dunlap street will be an open house to members and friends of the First Methodist church of Northville Saturday, September 28 from three to five o'clock in the afternoon and from seven to nine o'clock in the evening.

The parsonage is now the home of Rev. and Mrs. Paul M. Cargo and family, who began life in Northville last June.

Recently purchased by the church, the house has been improved by carpeting throughout, papering, wiring and a new heating unit. The living room now extends the full width of the house and with a fireplace at the east end makes an ideal place for the entertainment of small groups.

The house also includes four bedrooms, a full bath and a half bath, and a mahogany paneled study with entrance off the hall.

(C) GENERAL CONDITION AND RECOMMENDATIONS	
This report represents the first annual report of the Novi Community School District.	
The financial condition of the district the past year was relatively good. However, the district is receiving less money from local allocated funds and from state aid. It is the only district in Oakland County that does not levy extra operating millages. It is doubtful whether the financial condition will remain in the black with increases in costs of operation and less money being allocated. It will probably be necessary to ask for a voted increase in operational funds if current services are to be maintained.	
The pupil population of the district is expected to continue to increase. The new elementary school will provide for the anticipated growth of the next few years.

NORTHVILLE PUBLIC SCHOOLS	
Northville, Michigan	
TO THE BOARD OF EDUCATION	
This supplement to the "Annual Statistical and Financial Report" of the Northville school district will deal with the general conditions of the school system as of June 30, 1957, together with a few immediate and long-range recommendations.	
An inspection of the above report will point to a steady growth in student population from year to year. New residential construction under way and planned will be reflected in even greater numbers of students in the immediate future.	
To meet this current and future growth in school population the school district is proceeding with a building schedule based upon careful population studies made by a citizens' advisory group. To date no children are on half-day schedules and no elementary school classrooms are overloaded.	
The high school situation is somewhat more critical and will remain so until the new high school is completed. Every available space in the high school, Community Center and Main Street Grade School is being utilized to the fullest. For the year 1957-58 there should be no need for half-day sessions for high school students, but the following year does not look as favorable. Every effort is being made to hasten the completion of the new building to alleviate this situation.	
With a teaching staff of 60 persons to handle a student population of 1,550 children, the teacher-pupil ratio has been satisfactory. Few classes have had more than 30 pupils per class period.	
Finances have been in a rather precarious condition during the 1956-57 school year, due largely to increased costs and loss of expected state revenues. The deficit for the year ending June 30, 1957 will approximate \$35,000. However, with careful planning it will be possible to make this up next year.	
Bonds on the school indebtedness are being paid on time, and, in fact, bonds in the amount of \$45,000 have been called and paid ahead of maturity dates during the year.	
A Citizens' Committee on Curriculum has completed a study of the program for grades 9-12 and presented their recommendations which have been accepted by the school board for guidance in setting up the schedule of studies for the new high school. The committee is now at work on a similar report in grades 7-8.	
Our school has been aware of the need for special services for boys and girls in the area of special education. Particular attention is being given to the gifted child as well as the physically and mentally handicapped. We have supplied these services in speech correction, reading, health, etcetera, many times through the sharing of these programs with other schools and agencies. More are being planned for the near future.	
It is satisfying to report that our school is and has been accredited continuously for many years by the North Central Association of Colleges and Secondary Schools and the University of Michigan.	
Careful consideration has been given to the many needs of the school system occasioned by changing educational trends, ever increasing school population, the new building construction program and other influences.	
In order to better meet the challenge of these situations, I recommend that the following items be given priority during the 1957-58 school year.	

1. That the Board of Education employ an assistant to the superintendent who will serve in any capacity as directed by the superintendent.	
2. That more attention be given to programs for the gifted child, the mentally and physically handicapped, through the continued cooperation with other school districts, the County Board of Education, office and other agencies. A good beginning has been made and there is more to be accomplished. Specific suggestions will be forthcoming from time to time.	
3. That a counseling service in the high school be developed and made ready as soon as space and funds will permit.	
4. That we continue to study the possibilities for establishing Community College services in cooperation with adjoining school systems.	
5. That additional office space be provided for the board of education meeting room and for the office staff.	
6. That an additional employee be added to the superintendent's staff to help care for the many new and expanding responsibilities of that office. Specifically, I recommend the employment of a part-time payroll clerk and bookkeeper to handle the duties associated with this operation. We have been advised several times by representatives from the University of Michigan and others that the superintendent's office is understaffed.	

Respectfully submitted,	
R. H. Amerman, Superintendent

## UPHOLDS LOCAL RACIAL OUTLOOK

Dear Editor:

This is in answer to the article in last week's paper "Asks for Racial Tolerance".

The Hartley family journeyed 719 miles this summer and observed racial tolerance. I haven't been out of Northville all summer and let me tell you what I observed.

Last week a member of my family opened a new business in Northville and as an added attraction had her electric organ in the store. One of the first visitors was our City Manager who demonstrated he is quite a musician. Later two Negro women came in, saw the organ and one remarked she had owned an organ but because she became so emotional when playing spirituals and folk songs she sold it. She was invited to play and did.

431 YERKES NORTHVILLE

Getting a little more personal; I was in a local grocery store a few days ago shopping, minding my own business when I realized someone was speaking to me—"please, mam, could you tell me where I will find the rice?" I pointed to the rack, another white woman in front of it heard the question, picked up a package and explained, this is Minute Rice, is that what you want? He thanked her and took the package.

And, I can tell you another incident. Last winter a Negro girl was found on Main street in labor pains. Two of my own family got her to one of our local hospitals in a new beautifully upholstered car just in time for her to give birth to her baby. The baby was premature and died, but the mother is fine and back to work, in fact calls once in a while just to find out—how's everyone.

Racial Tolerance... if the "DO-GOODER" whites start minding their own business God in his heavens will watch over ALL of his children and in HIS own time there will be no Racial Prejudice and in the meantime I am sure there will be no racial problems in Northville unless some agitator creates a racial situation.

Mrs. A. C. Carlson

## Social Security To Visit Today

The Social Security representative of the Detroit-Northwest office will hold visiting hours at the Plymouth, Michigan Employment Security commission office, 987 Lilley road today (Thursday) between 1 and 4 p.m. These visits will continue to be on the second and fourth Thursday of each month.

The energy released in a tropical hurricane has been calculated to be the equivalent of 150 atom bombs every minute, according to the Navy's Hurricane Hunters.

## MICHIGAN BELL

IF YOUR TEEN-AGERS are like everybody else's teen-agers, they'll be busier than ever now that school's open again. Why not have an extension phone installed for them—right in their own room? Then they'll be able to keep up with their hectic

school and social activities in privacy, and the rest of the family will love the peace and quiet. An extension telephone in your home would cost less than four cents a day. And in a teen-ager's family, there's hardly an easier way to make everybody happy.

OF COURSE, the kids aren't the only ones who'll be busy this fall. With P.T.A., service clubs and church affairs all going strong, the whole family is pretty active. Think how hard it would be to make plans and keep track of things without your telephone! And wouldn't you be lost without the day-to-day help your phone gives you with all the little important things? Like that call to the hairdresser's for an appointment; or the call from your youngster, telling you he's stopping at Billy's after school.

THIS MONTH marks the 60th Anniversary of the United States Independent Telephone Association, representing more than 4,400 companies across the nation. They serve over nine million telephones, working in partnership with the Bell System to provide Americans with the best telephone service in the world. In Michigan, 116 telephone companies joined in celebrating Independent Telephone Week, September 8 to 14. Michigan Bell salutes these independent companies on the 60th birthday of their association. Side by side we build for Michigan's future, working together to bring people together.

## SPEAKING for the Record

By BILL SLIGER

Now that our circulation campaign is over, we'll confess that it has been a new and enlightening experience to us. Under the professional guidance of Bill Lancaster we set out to gain 1,000 new subscribers to The Record and News. This goal was passed by more than 400.

We doubt that there's a home or business address in the Northville-Nowi-Wixom-Southern Walled Lake area that wasn't contacted by one of our contestants. They did such a thorough job that we can claim at least 95 per cent coverage of the area without fear of contradiction.

While every contestant did his or her best to win one of the top prizes, they also displayed a genuine desire to help secure wider readership of their hometown newspaper. For this we extend sincere appreciation from every member of our organization.

And we also realize now that the contestants have finished their job, it's up to us to provide the kind of community newspapers readers will enjoy; newspapers that will gain greater numbers of readers as the area grows.

An interesting but unfortunate sidelight to the campaign occurred last week when Mrs. Lois McAllister came up with the best reason for winning the top prize, a new Ford. Her car was stolen from the parking lot of the Northland shopping center on Friday. As fourth prize winner, Lois has a portable TV but still no car!

An interested last-row spectator at Friday night's Northville-Plymouth football game was former U of M All-American gridder Al Wistert. Just like everyone else in the stadium, Al shook his head in disbelief when Biery streaked for a touchdown after catching a pass off the head of a Plymouth defender. (Which proves it doesn't always pay to use your head).

Seats were at a premium at the game and the John Robertsons did more shifting than any of the players. Comfortably settled to enjoy the game, they found themselves grouped with a number of other spectators in seats reserved for the Plymouth band. Obeying the loud speaker, they moved. A first-hand view from the sidelines didn't last long either. The loudspeaker soon caught up with them again. After that they just began looking for a spot where they couldn't be seen by the guy with the loudspeaker.

While not much has been said lately about the proposed alley and parking facilities behind Center street stores between Dunlap and Main, an active committee has been meeting weekly on the subject. With John Canterbury as chairman, the committee includes the city manager, Carl Johnson, Essie Nirider and Malcolm Allen. The group still hasn't come up with a plan for financing the project, but several possibilities will probably be presented to the city council in the near future. A "guesstimate" of the cost: nearly \$50,000.

Our congratulations to Mayor Claude Ely upon his retirement from Detroit Edison this month. A substation operator, the mayor has been with the Edison company for 37 years. He isn't planning to take it easy, but intends to devote more time to city affairs. Several councilmen, local officials and friends surprised him by showing up at his company retirement party last week.

## GOP Seeks Winner

REPUBLICANS are looking for a corollary of candidates for governor. The party made motions toward the "Big Switch" at a Mackinac Island rally of leaders originally expected to designate one or two potential candidates.

When the questions came, John B. Martin, Jr. of Grand Rapids — once a Republican auditor general and later candidate for other posts — sizzled.

"If you mean when are a few men going to select the party's candidate for 1958, never," he snapped.

Martin is the Republican National Committeeman and the organizer of the Mackinac Island meeting. Postmaster General Arthur Summerfield did not attend.

Martin's election to the top party organization position was seen as a rebuff to Summerfield's leadership of the past.

Party speculators figure House Speaker George M. Van Pelt, a young Zeeland lawyer, might be the choice to run against the Democrat. Everybody is convinced it will be Gov. Williams.

Rep. George Sallade, of Ann Arbor, is an announced hopeful. There are others, none of whom have gotten enough of a nod to rise above the others.

Van Pelt was handed a summer speaking tour on behalf of the Republican legislature. He turned the job over to others when his voice gave out, and the campaign has been quiet since.

Williams, meantime, has the advantage of incumbency and the element of surprise working for him. He doesn't have to announce what he's going to do next year.

But bets now are that Williams will go for another term as governor with Lt. Gov. Philip A. Hart opposing Senator Charles Potter for the U.S. Senate.

Potter, whose strength next year will depend, in part, on the strength of the party organization and its candidate for governor, sides with Martin's idea.

He opposes the idea of picking a

gubernatorial candidate now.

It has been done in the past and Republicans have lost, taking nothing away from Williams.

The late Mayor Albert E. Cobo, of Detroit, was drafted. Donald S. Leonard was a front-runner from the start two years before.

Fred Alger was handpicked before Leonard and Harry F. Kelly, now on the Michigan Supreme Court, was recalled in 1950 after the Kim Sigler defeat to Williams.

Kelly had won before, had served as governor, and was the No. 1 vote-getter. He lost.

This time, Republicans contend, the push should be toward a young man who has never lost an election, one the party can unite behind.

Maybe the switch will work — nothing else has in the past decade. The next general election will be held November 4, 1958.

WHETHER THERE will be another telephone rate increase this year is in the hands of the Michigan Public Service Commission.

Michigan Bell Telephone company has asked for a re-hearing of its original request for a \$125,000,000 boost, after the commission approved \$2,835,000 several weeks ago.

William M. Day, company president, said the increase fell far short of the needs of the company to expand and improve its services.

EFFORTS are being made again to sell state-owned property under the Great Lakes to private citizens. The property was dedicated more than half a century ago to be reserved for hunting and fishing and other recreational activities.

Private developers have filled in parts of the lake near the shore for their own purposes. The state, still working under the law, has taken more than 30 into court.

The reasoning is that some of the land is no longer needed for its original purpose and, by selling or leasing it, the state can be assured of a constant and continuing income.

The proposals will be made to the 1958 legislature.

## Big Cars, Little Homes

Babson Park, Mass. — The automobile is not only revolutionizing highways, retailing and financing; but also the style of buildings and homes. Simple arithmetic will prove that with the narrow business streets in the older cities, one of three things will happen: (1) The fifty-year-old brick buildings will be torn down and replaced by modern one-story buildings; or (2) the streets will be widened; or (3) all stores will be open evenings. New shopping centers are otherwise inevitable.

**SMALLER HOMES WILL BE BUILT**  
Another example of simple mathematics: — People can borrow only so much money. This limit is fast being reached. If families are to have one or two larger automobiles, these families must be satisfied with smaller and fewer rooms in their home. As autos become larger and more expensive, homes must become smaller and less expensive. I therefore forecast that many of my readers will turn their present houses into apartments.

All new homes will not have garages; but all will have enough land so that the family cars can be kept off the streets. The new style of architecture will be based on the Cape Cod house of one and one-half stories, or else people will live in duplex or co-operative apartments. People gave up their "horse and buggy" when the bought an automobile. They will learn to give up their present style of homes. Putting more money into the automobile may result in putting less money into the home. This will especially be true if we are facing either war or disarmament.

**WHAT ROOMS WILL BE RETAINED**  
The future home will have no "dining room"; and the orthodox "parlor" is definitely doomed. Weddings, funerals and receptions will be held outside the home in places which have proper parking space. There will be one large "living room" in which the family will live, cook and eat. There will be no "kitchen". With frozen foods and infra-red cooking, only a few minutes will be needed to prepare a meal. From such cooking there will be no mess or odor.

Every house will, however, have two bathrooms, — one for the parents, who will sleep on the first floor; one for the children, who will sleep on the second floor. Typical bathtubs of the present day will be seen only in museums. Bedrooms will be much smaller, comparing more with the staterooms on ocean liners or on deluxe trains. Heating and air-conditioning will be much cheaper and more common. Both hot and cold air will come into the houses through underground pipes as gas and water now come. Electricity will be very much cheaper. "Bottled gas" will be used more.

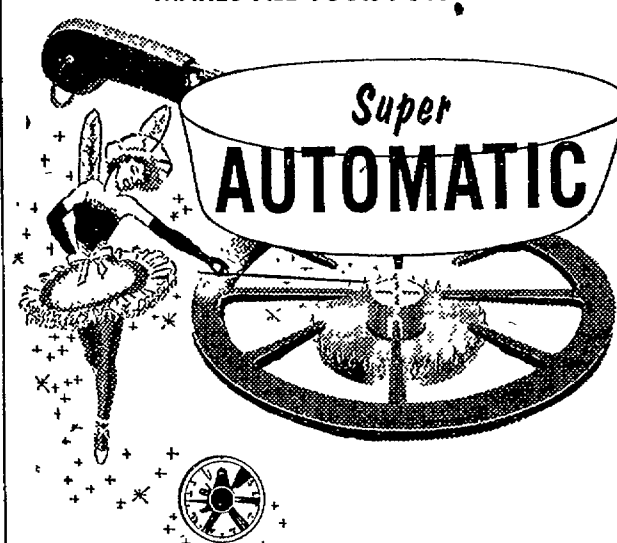

**WHAT ABOUT CLOTHES?**  
Clothes can be much cheaper. Cloth will no longer be woven as cloth is today. Cloth will be made like paper cellophane. This unwoven new "synthetic cloth" will come out of a machine as finished dresses for the women and children, or as finished suits for the men. Some women readers will say, "Impossible, women will insist on wearing different dresses and hats." These, of course, can differ in colors, but women will then be satisfied with standard clothes. The automobile will standardize clothing. There will be a few different makes of clothes at different price ranges. Auto dealers and gas stations may carry clothing.

Yes, revolutionary changes to be caused by the automobile have just commenced. Far greater changes are ahead. As "drive-in theatres" are following indoor theatres, so "drive-in schools" and "drive-in churches" will follow. Banks are now taking many of their deposits direct from customers who drive up in automobiles to a special window. Store show-windows, which have been a fruitful source of advertising for their merchants, will become of less value as more people pass in autos. More duplex and co-operative apartment houses are coming. Renting automobiles will largely take the place of buying them. This same may apply to furniture, and even clothes. This will especially be true if our nation is facing either War or Disarmament due to the threat of Russian Fallout.

## COAST-TO-COAST ECONOMY RUN PROVES IT— CHEVY COSTS LESS TO DRIVE!

Test run from Los Angeles to New York by the three leading low-priced cars showed Chevrolet costs less to operate, with up to 17% greater fuel economy!

When fuel and operating costs for cars are officially checked from Los Angeles to New York, that's an economy comparison! And what happened?

In certified NATA\* findings, Chevy delivered up to 17% greater fuel economy, and lower total cost for the trip—proof that Chevrolet costs least to operate of the three leading low-priced cars that were tested! But that's not surprising. You expect Chevrolet engines to wring extra miles out of a gallon of gas—just as you expect finer craftsmanship in the way a Chevy is built.
