HUNTER'S PRIZE - W. A. Bartski had ample proof of his hunting trip at Brimley in the Upper Peninsula last week. His prize included this 140-pound bear and eight point, 170-pound buck. Bartski is an avid hunter and has bagged his buck in six of the last seven years. Another member of his hunting party shot a 200-pound bear and another eight point buck. The Bartskis and their two sons, David and Robert, are pictured above with the prize catch. They reside at 22126 Beck road.

Basketball-Faris: It's Your Night

Don't forget that basketball clinic tonight!

You'll not only get a look at the co-champion Northville Mustang cagers, but you'll be caught up to date on the most sweeping revision of the basketball rulebook in years.

Northville athletic officials and players will explain the rules, demonstrate violations, clarify new floor markings, and then run through a couple quarters of basketball just to get the season off

That's at 7:30 tonight (Tuesday) the Northville community uilding. And all fans are invited. For a pre-clinic look at the

There may be some sleepy merchants in Northville Saturday, but Friday night they'll be wide awake.

At least 17 stores will greet the opening of the Christmas shopping season with an allnight "Sell-a-Thon". To lure shoppers into their stores after midnight the merchants are offering special reductions, and in many cases, free gifts.

Chairman Leland Smith says the kiddies haven't been forgotten, either. By special arrangement with the North Pole, Smith has secured Santa Claus for a one night stand Friday. He'll be stationed in the office of Alex Lyke Plumbing & Heating at the Main and Center street parking lot. Polaroid pictures of the children with Santa will be taken and given to each child free. Smith stated.

Santa Claus is scheduled to return to Northville December 13 and after that he'll stroll from store to store throughout the Christmas, shopping Friday's Sell-a-Thon also marks

the opening of evening shopping in Northville. Most stores will remain open evenings until Christmas following Thanksgiving.

The Christmas opening promotion is being sponsored by the Northville Retail Merchants Association. "Even the merchants who are not staying open all night Friday will have their new Christmas merchan dise well displayed," said Smith. The joint effort by the Merchants' association is aimed at encourage ing area residents to inspect Northville's variety of well-chosen Christ mas merchandise. "We hope that many more will shop early while selections are more complete and avoid the usual last-minute rush. Smith said. As postmaster, he'd probably like to add that by buying gifts early, mailing can also be done éarlier, too!

This marks the third all-night sell-a-thon effort by local retail merchants. The stunt has created a carnival-like atmosphere among shoppers and provided enjoyment as well as outstanding bargains for the careful buyer.

So if you're not doing anything Friday evening, say along about 1:30 a.m., why not drive into town. ly, but sleepy-eyed clerks to greet

Ready Day School For Slow Students

Final details to provide day school training for mentally retarded children were being completed this week at the Wayne County Training school.

The program, approved and sup ported by the State Board of Public Instruction, will serve the Northville, Plymouth, Livonia, South Redford, Redford Union and Wayne school areas. Northville is serving as the administrative office for the

A teacher, trained in the field of education for the mentally slow, will conduct the class. Children between the ages of four and eight will be accepted at the school.

Parents wishing to enter children in the school may contact the office of Kenneth McLeod, administrative assistant of Northville schools.

Letters to Santa Ready Next Week

for a minimum increase of 60% when they open their winter tax envelopes December 1. The boost is bound to hit every property owner, but some

Northville school district tax-

payers should brace themselves

harder than others.

Specifically, the school and county tax take for 1957 will be approximately \$468,000 as compared to \$280,500 last year.

The boost comes from a higher state equalized valuation of the school district. From a valuation of S10,461,512 last year, the state has boosted the local district to \$18,018,257 for 1957. While normal growth and new building would increase the district's value slightly, most of the additional dollars to be raised from the district will come from tax increases.

The city of Northville and Northville township will receive the largest increase. It was in this area that the state equalized valuation

In effect, the state has said that every piece of property in Northville is worth approximately 60 percent more than it was evaluated last year.

Therefore, property evaluated at \$1000 last year, becomes \$1600 this year. And even a decrease in millage by the school board from 22.45 to 21 mills does not offset the boost. Actually, the schools will collect approximately \$378,000 this year as compared to \$230,700 in 1956.

The tax notices are sent by the city treasurer and are payable at the city hall. They are due December 1, but may be paid in January before a penalty is applied.

Plus 2 New "MONEY-AHEAD" PLYMOUTHS every week for 9 weeks 450 other valuable prizes

Fantastic? It's mighty near unbelievable! But true — just read this:

You can win \$500 a month for the rest of your life. You can win a gleaming new "Money-Ahead" '58 Plymouth. You can win other valuable prizes.

It's the Plymouth "Money-Ahead" Contest, where a lifetime of financial security is ripe for the taking. Few things are more substantial than money, and a lot of money is the grand prize. But this is a contest where you can win big without hauling down first prize . . . for 18 sparkling new Plymouths and 450 other valuable prizes will be awarded.

Now here's what you do:

Go into your Plymouth Dealer's and ask him for a contest blank. You don't have to be a mental giant to shoot for the big money. This contest is fun, and it's easy.

You simply unscramble seven easy words and terms, like the one you see in the example to the right. Then add your own short version of why you'd be money ahead in a '58 Plymouth. Believe us, there are plenty of good reasons you can use: Torsion-Aire, Total-Contact Brakes, Silver Dart Style, Push-Button Driving, new Golden Commando engines, etc. Unscramble or scramble - but you better not amble - to your Plymouth Dealer soon. The fun starts Monday, Nov. 25.

Glasson Wins Final Football Contest

The 1957 season football contest ended last week with Gil-Glasson, Northville police sergeant, winning top honors. A regular entrant, Glasson has come close several times this year, but had to wait until the final week to win a prize.

Young Joe Kritch, Northville high school quarterback, finished in the money for the second week in a row. Last week Kritch won the contest, but this week he had to be content with second place

Glasson and Kritch both missed but one game. Glasson called the Lions Bears outcome almost to the point, however, and edged Kritch for first place. Dayton Deal, 20116 Springwood, and Sylvia Wilkinson, both picked the Lions to down the Bears, however.

A daughter was born Sunday, Noember 24 at 1:15 a.m. to Mr. and Mrs. Kent Esbaugh of Grand Rapids. The baby weighed seven pounds, nine ounces. Mrs. Esbaugh is the former Peggy Ely, daughter of Mr. and Mrs. Claude Ely of 502 Gardner.

Mr. and Mrs. A. Nicosia of Waukesha, Wisconsin announce the arrival of a son, Augie Joseph, Jr. on November 2. Mrs. Nicosia is the former Maxine Wick of Northville.

Drive for Funds To Be December 5

Mrs. Kenneth Conley, Northville chairman for the March of Muscular Dystrophy, has announced that the drive will be held on Thursday, December 5 rather than on Decem ber 3 as announced last week.

The march will be a "porch-light" drive, workers calling on homes that have porch lights on that night.

Narrowly Misses Injury in Crash

Mrs. Kathleen Somerville of Ghar lotte street, Walled Lake, escaped serious injury Saturday afternoon when her car collided with a DSR bus at Grand River and Telegrap in Redford.

Mrs. Somerville was treated for shock at Atchison hospital.

Recently a Methodist Bishop pointed out the present dangerous trend of "attempting to use God as a sleeping pill, a shot in the arm, or an Aladdin's lamp." He went on to say that in the pres-

ent day songs the theme seems to be "My will be done with Thy help" instead of "Thy will be done with my help." "Man de-cides what he wants, then calls God in to help." All of this is but the product of psychiatric unbelief in the reality of the true and living God and His willingness to be in contact with man. Our thinking would be greatly improved if we would emember that "All things were created by Him and FOR HIM" We are not the center of attraction! Further the Bishop said, "In true religion, God decides and man seeks God's will and follows whether or not its immediate results pay off in increased sales or personal success." He is not the Alpha and Omega in order that I may be guaranteed success in my new job. Yes, the present trend indicates a need for people to go back to their Bibles to discover once again who God is and what His characteristics are. The true God has revealed Himself to us in the

SIGNS OF THINGS TO COME - It took only fifteen minutes for this winter scene to materialize in Cass Benton park last Thursday. A blizzard-like snow that pelled many drivers on their way to work covered Northville and Novi in just a few minutes, and then melted away almost as quickly. The snews continued the next day, and it was apparent to all that winter is coming for sure.

Mr. and Mrs. George Clark of West Main street will be the guests of Mrs. Clark's sister and brotherin-law, Mr. and Mrs. Owen Todd, of Flint for Thanksgiving.

Approved by the AMA? The American Medical Association does not approve or disapprove of any shoe, book, or toy Shoemen seldom rate compliments but I believe that here is one that should be appreciated. By refusing to pass judgment on shoes the medical profession implies what one doctor told me personally — "Look, my medical school didn't teach shoemaking and I never spend more than 15 minutes in a shoe store. Why should I set myself un as an authority on a subject that I have never studied? I tell my patients that no shoe is any good unless it is properly fitted so the choice of a good shoefitter is more important than the brand of shoes he may sell.'

Love that mandate.

3 Grid Stars Coming Here Monday

Three big names in collegiate and professional football will be in Northville next Monday to honor the Mustangs at the 1957 Northville football bust.

Tobin Rote, who came to the De-troit Lions from Green Bay this year, is regarded as one of the National Football League's leading passers. With Bobby Layne, he gives Detroit the greatest quarter back combination in the league.

Joe Schmidt, captain of the Lions, has been a unanimous all-pro selection for the past three years. The former Pitt star made twice as many solo and assisted tackles last year as any Lion player.

Doug Weaver, a former linebacker on the great Michigan State teams of 1950-52, is now an assistant coach for the Spartans. In addition to winning actual football hon-ors, he twice won the Spartan "Oil Can", given annually to the player with the best attitude and sense of humor toward football.

Doug Weaver

Cagers Get Set For Title Defense

The Northville Mustangs traded football togs for basketball uniforms last week and began making ready for the 1957-58 cage

With 12 of his 15 varsity players also on the football team, coach Stan Johnston had to delay full-time practice until after the

football finale against Clarencevilla

last Wednesday. But on Thursday, the Mustangs vere working out on the court.

Another Great Season Is Now History for Champion Mustangs

How Did '57 Team Compare with '56?

Just how good were the 1957 Northville Mustangs? Before the season began, coach Ron Schipper felt they would equal or surpass his 1956 championship squad. Most Northville fans and all newspapers shared that confidence.

The reasoning was that the Mustangs lost a minimum of seniors last year, that they retained two all-league players in halfback

Dick Biery and end Bill Yahne, that they had balance, and that Rocks went on to an undefeated seaabove all they had perhaps the son and a Suburban Six championfastest backfield in suburban ship. Tied 6-6 at the half, North-

For example, they scored higher this year (206 points against 169 ed easily for three scores and 247 in 1956) but yielded more scores yards. (84-46). They rushed better (1.913) yards against 1,417 last year) but did not pass as well (632-1,272). Both offensively, (2,545 yards offense finally jelled. Biery crashed against 2,689) and defensively (1,598 for a 16-yard average (including a slipped a bit.

The Mustangs this year could have no complaints about their runners. With Biery and Starnes on the outside and Walker on the inside, they were near-unstoppable. All had over a 6-yard average, and when one was halted the other took over.

If Northville had any weaknesses, they would probably be a weak defensive letdown.

A Masterpiece ... Even by Cadillac Standards!

The magnificent Cadillac car for 1958 is, without question, a rare masterpiece in all the things that make a Cadillac . . . a Cadillac!

Certainly, it has had no precedent insofar as beauty is concerned. In its graceful symmetry of line and in its remarkable look of stature and substance, it is in a class all of its own.

Unquestionably, it is without counterpart by the way of interior elegance. Never before have Fleetwood coachcrafters combined such graciousness and luxury and spaciousness in a single interior design.

And, most assuredly, it has set its own extraordinary pace in modern motor car performance. Its dynamic new engine, its more responsive transmission, and its new air suspension, now available as an extra-cost option, are simply a revelation.

We carnestly hope that you will take the time to see and drive this extraordinary new Cadillac at your earliest possible convenience.

Your Cadillac dealer will be delighted to give you full details on Cadillac's twelve new models, including the incomparable Eldorado Brougham.

> By the Rev. B. J. Pankow, Paston St. Paul's Lutheran Church of Northville

The following letter received from the Rev. Werner Kuntz, a director of world relief, deserves to be circulated on Thanksgiv-

ing Day. He writes: human suffering in our world. The number of people for whom life is a day-after-day repetition of pain, poverty and horror is incredible. Dare to get the facts, and you will be jarred - deep down. You'll want to give thanks for what you have and to share with those less richly blessed!

"Half of our human brothers are underfed. Sheer starvation is not a matter of isclated exceptions. It is the world's greatest and most savage killer.

"It is difficult to picture extreme poverty and want to the American mind. This is the land of the big paunch, glutted, stretched, stuffed full. Elsewhere, especially in Asia, much of the world walks on spindle legs and winces sullenly from the pain that throbs in a shrunken stomach. Bodies cry out for bread where there is no bread, and disease moves

"All of this involves us very directly, because we are Christians. The most recognizable earmark of God's people in our world is love. It is the automatic product of the Christian faith, the fulfillment of God's will, the demonstration of God's ultimate scheme for

of the Savior. It must be that for us, too ' Our space does not permit us to quote more. However, the statements made should be sufficient to grip our hearts and stir us Few people understand the magnitude of to be more thankful. Let us fall on our knees and thank God for the undeserved mercy He has shown to us in America.

HOW MUCH OF "THANKS"
IN THANKSGIVING?

How much "thanks" do we keep in Thanksgiving Day? Isn't it true that so often the thanks" is left out just as "Christ" is left out of Christmas?

Man's failure to give thanks can be traced to the fact that he really leaves Christ out of his life. Being conscious of what God has done for us will motivate us to thank God not only on one day of the year but throughout our lives. Once we begin to recognize that all blessings, both material and spiritual, come from God, once we begin to realize what love it required of Christ to sacrifice Himself for our sins, we will also want to show our appreciation. This the believer will do by worshiping God regularly and by relieving the suffering of those millions to whom Jesus referred, when He said:

"Inasmuch as ye have done it unto one of the least of my brethren, ye have done it unto Me."

Science Teachers May Apply Now For Fellowships

High school teachers of physics, chemistry and mathematics may now apply for 100 fellowships that will be provided next summer by Shell Companies Foundation, Incorporated.

The Foundation said the program is designed to help check the nation's shortage of scientists by strengthening the teaching of high school chemistry, physics, and mathematics and thus encouraging more young people to plan scientific careers.

Half the fellowship teachers will attend full summer sessions at Stanford university, and half go to Cornell.

Applications for both Stanford and Cornell fellowships close February 1, the foundation said.

Fellowship teachers received allowances for travel, tuition, living expenses, and \$500 in cash to offset the loss of other summer earnings. Teachers attend lectures and laboratory sessions, hold group discussions with scientists, and visit nearby research installations.

SPEAKING for the Record

The speech given in New York last week by Herbert Hoover sounds very much like a record of Dr. Charles Lowery's remarks at the annual reception for new Northville teachers held at the First Presbyterian church November 10.

Dr. Lowery, founder and chairman of the Foundation for Religious Action in the Social and Civil Order, talked on the "Cold War in the Classroom."

Said Lowery: "The weak point of our country is the moral and physical condition of our youth; teachers of America and teachers of teachers must overhaul our philosophy of education; students today shy away from 'hard' subjects."

Said Hoover: "In my view there is a fundamental weakness from the too prevalent high school system of allowing a 13 or 14 year old kid to choose most of his studies. Academic freedom seems to begin at 14. You simply cannot expect kids of those ages to determine the sort of education

Dr. Lowery's remarks brought some rebutal from teachers attending the local meeting. One teacher pointed out that "you can't get a student to do something he doesn't want to." It was gently suggested by Dr. Lowery that most children do not know what they will like unless they have been made

It seems to me that the point revolves around the present day philosophy of education. In recent weeks, particularly, the idea of "making the student the center of activity" and creating a "home atmosphere in the school" has been the frequent expression of educators.

I hope at my young age I'm not already an "old fuddy-duddy". But I'm afraid I'll have to go along with Dr. Lowery, who seemed to be saying, "they don't teach like they used to." If our children are so sensitive that we cannot disturb them with a sound, rigid and thought-provoking academic schedule, then our nation is in a sorry state, indeed.

The more I think of it, the madder it makes me. Matter of fact, I'm going home tonight and see that my eight-yearold boy hits those books . . . that is, if he will. But then, I'm sure he can't. "Rin Tin Tin", "Jim Bowie" and "Leave It

Just try one! Power ranges from the budgetminded 145-h.p. Blue-Flame 6 to Chevy's radical 280-h.p. Super Turbo-Thrust V8.* Delrays, like other models, have a new Full Coil suspension—a softer, road-leveling ride. You can have a real air ride* to make the going even smoother-and Overdrive* to make it even thriftier. See all that's new at your Chevrolet dealer's. *Optional at extra cost
