

'Challenge of Progress' Faces Northville in 1958

The arrival of a New Year should be reason enough for community leaders of Northville to evaluate what has happened during 1957 and look forward to what may develop in 1958.

To The Record it seems that our area is just approaching an important transition. The comparative calm that has kept the area at a status quo for many years is being disturbed by a wave of expansion which will bring new homes, families and business.

For the first time in many years the city has two new subdivisions under construction. The township, too, has been invaded by land development programs. And there is every indication that this is just the beginning. Northville has become one of the most attractive "untapped" resources for subdividers in the metropolitan area. Land is still available and relatively inexpensive.

Industry, too, has moved to the area. Ford's Lincoln-Mercury plant promises to be the first of many to locate

where all the pre-requisites exist: land, railroads, highways and proximity to a good market.

This growth brings with it tremendous problems for our city, township and school officials. But the problems are not insurmountable. Most important, they must be acknowledged, and then tackled with a courage that comes from knowing that the plans are necessary for the proper development of our community.

Therefore, we believe that 1958 should be a year of action and accomplishment. And most of the responsibility for preparing our community for a new era will fall upon the city council. It must lead the way and show by example that Northville is ready to accept this challenge. Yet, it must be certain of its decisions and stand ready to prove that they are the best for the majority.

There are, undoubtedly, many steps that can, and must be taken by the city in 1958. But basically, from close observation of every city council meeting during 1957, we believe there are five points that should not be ignored.

So for its resolutions for 1958, The Record would recommend the city council give serious consideration to the following.

1. Sale of the Community Building to the School District.
2. Erection of a new City Hall.
3. Issuing bonds for a city-wide street improvement program.
4. An improvement of working relations with the School Board.
5. Organization of a City-Township community planning commission.

These ideas are by no means original to The Record. Each has come up for discussion by the council in the past. But always they have been tabled or postponed for action at some hazy date in the future.

Let's look at our recommendations step by step.

Today the Community Building is used almost exclusively by the school system. School officials freely admit that it fig-

ures prominently in their plans for the future. City officials admit they cannot afford to maintain the building solely for "community" use.

We believe it would be illogical and highly expensive to convert the building into a city hall. Neither is it good practical business for the city to continue a lease arrangement with the schools that merely pays the cost of maintenance.

While there may be legal complications which we are not qualified to know, we believe the building could be sold by the council to the school board without a vote of the people under the present school bond.

Attorneys for the city and schools could determine this.

Certainly, the school board could not be criticized for buying a facility as badly needed as the Community Building for a price that would be far below its true value. Likewise, the city would be unloading a financial burden and receiving needed dollars in exchange. And yet, the building would remain as much a "community" building as it is today.

This leads us into point two, erection of a new City Hall.

Whatever the sale price of the Community Building, it should be approximately enough to erect new city offices on the same site of the present City Hall.

At first glance there may be considerable resistance to the idea of erecting a new municipal building. Yet, who could argue that our present building is not both inadequate and inefficient? Besides proper offices for city employees and police, Northville badly needs a jail. Police must take law violators to Plymouth for jailing, and who can expect another community to want our troublemakers?

The location of our City Hall is ideal. The setting could be further improved to provide parking behind the City Hall and still retain the beauty of trees and summer band concert programs.

Moreover, the council chambers could serve as a meeting place for official committees and certain civic organizations. There is something more than a "tangible" reason behind building a City Hall, however. You might call it civic pride, but just the spirit of progress and initiative would be enough for us.

City fathers have avoided point three like the scourge. Somehow an observer gets the impression bonded indebtedness would bring a hoard of angry citizens bearing down on City Hall.

We cannot believe that this is the case. Especially where the city would almost certainly save thousands of dollars with a full-scale street improvement program over the next three years.

In addition Northville has a means for selling the bonds and placing little or no added tax burden on the taxpayers. It has been estimated that the city has between \$400,000 and \$500,000 in sewer, curb and gutter and paving work to complete improvement of its streets. So far, we have taken pride in a "pay as you go" policy, but admittedly, we're not going very fast.

As we move slowly, the costs rise steadily. So while our estimates may be \$400,000 this year they may be higher two years from now. Meanwhile, we pour thousands of dollars into stop-gap maintenance of roads that become more deeply gutted every year and subsequently more expensive to maintain.

We seriously doubt that any councilman would want to assure any resident on an unimproved street that his street will EVER be paved. Certainly the city cannot say that Orchard drive, River street, Walnut or Grace will receive attention in 1958 . . . or 1968!

How can these improvements be guaranteed?

The city council has within its power the right to issue bonds enough to complete the entire project in three years. A resolution could be attached to the bond issue obligating the city to earmark a sizeable share of the race track revenue for retirement of the bonds.

It is already the aim of the council to use these funds for capital improvements. This resolution would merely insure the completion of that aim.

Specifically, the bond issue would have to be secured by pledging the faith of the city. It would not be necessary to assess the millage against the taxpayer, however, unless track funds were not forthcoming, or fell below the required payment needed. At most, the yearly payments necessary on a 10-year \$500,000 bond issue would be \$70,000 including interest.

It is our interpretation of the city charter that the council could issue these bonds without a vote. Regardless, we believe that most citizens would prefer a definite street improvement program that would give an answer to their question, "when will our street be improved?"

We cannot believe the citizens of Northville would oppose a three or four mill increase, if necessary. This would amount to about \$10 per year for the average taxpayer. At least he would have the assurance that he could enjoy the improvements now, while the cost was spread over future years.

Admittedly, the city would be depending on track revenue continuing for 10 years. The odds would certainly indicate that the sport is not losing favor. But, as added insurance, the city would not have to sell all its bonds at one time.

In this area the city might follow the lead of the School Board. School officials have tackled their problem realistically and have set upon a program for the future.

Which leads us into point four, city-school relations. This delicate problem may be denied in some quarters, especially by the school board. Nevertheless, liaison between the two bodies is poor. Many factors enter into the reasons behind the inability of the two groups to function together properly, but it should be sufficient to say that there is a need for improvement.

City and school problems dove-tail too closely for one body to act completely independently of the other. Results of this condition can be costly to taxpayers.

Finally, what about the future?

This brings us to point five. Here again we must strive for greater cooperation. The proper development and complete preservation of our community may depend on how well we plan together.

City-township planning, especially in the areas of zoning and long-range provision of water and sewer facilities, are essential. We do not believe it is beyond the realm of reason for the city and township to empower a body to study these matters together.

We have skipped over many other areas including industrial development, off-street parking and improvement of our business section. Each is important, but somehow we believe they will follow naturally. Our community is crying for leadership that is willing to advance without trembling at each word of criticism. We must stop examining flyspecks. If mistakes are to be made, let them come while moving forward.

The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

Volume 87, Number 32 12 Pages

Northville, Michigan, Thursday, January 2, 1958

10c Per Copy, \$3.00 Per Year In Advance

March of Dimes Opens in Northville

A concentrated fight on polio begins today in Northville. The attack — in the form of collecting funds for the March of Dimes — will find workers under the leadership of Mrs. J.W. Reynolds giving an all-out effort on many fronts throughout the month of January.

Let's Go, Storks! The Race Is On

Storks are circling nervously over Northville, Novi and Wixom nowadays.

They're trying to time their arrival just right — as close to 12:01 a.m. on January 1 as possible.

The stork that delivers the first baby of 1958 will insure his passenger of a host of presents — diapers, a month's supply of milk, a case of baby food, and the like — from eight Northville merchants.

Parents living in Northville, Northville township, Novi township and Wixom are eligible. Entries should be submitted to The Record-News at Northville 200.

Since it's hard to say what will happen in such matters, judges will accept entries until 5 p.m. next Tuesday. The winner, if all goes well, will be announced in next week's edition.

But if something goes wrong with the storks' calendars, they'll have another week to come up with the first baby of 1958.

Legion and Auxiliary Remember Veterans

Members of the local American Legion post and auxiliary remembered 152 veteran patients at hospitals and convalescent homes on December 23 with Christmas gifts and other comfort articles.

Each veteran was visited by groups of Legion post and auxiliary members and presented with gifts of pajamas, cartons of cigarettes and other items.

Members of the Northville, Farmington, Plymouth, Redford township and Livonia Legion posts and auxiliaries cooperated in the effort under the direction of local hospital representative Mrs. C. Oscar Hammond.

Joy Rider Smashes Race Track Fence

A ride on the Northville Downs race track resulted in a \$35 fine and \$300 in damage to his car — in addition to \$184.65 in damages to the race track fence for one of fender.

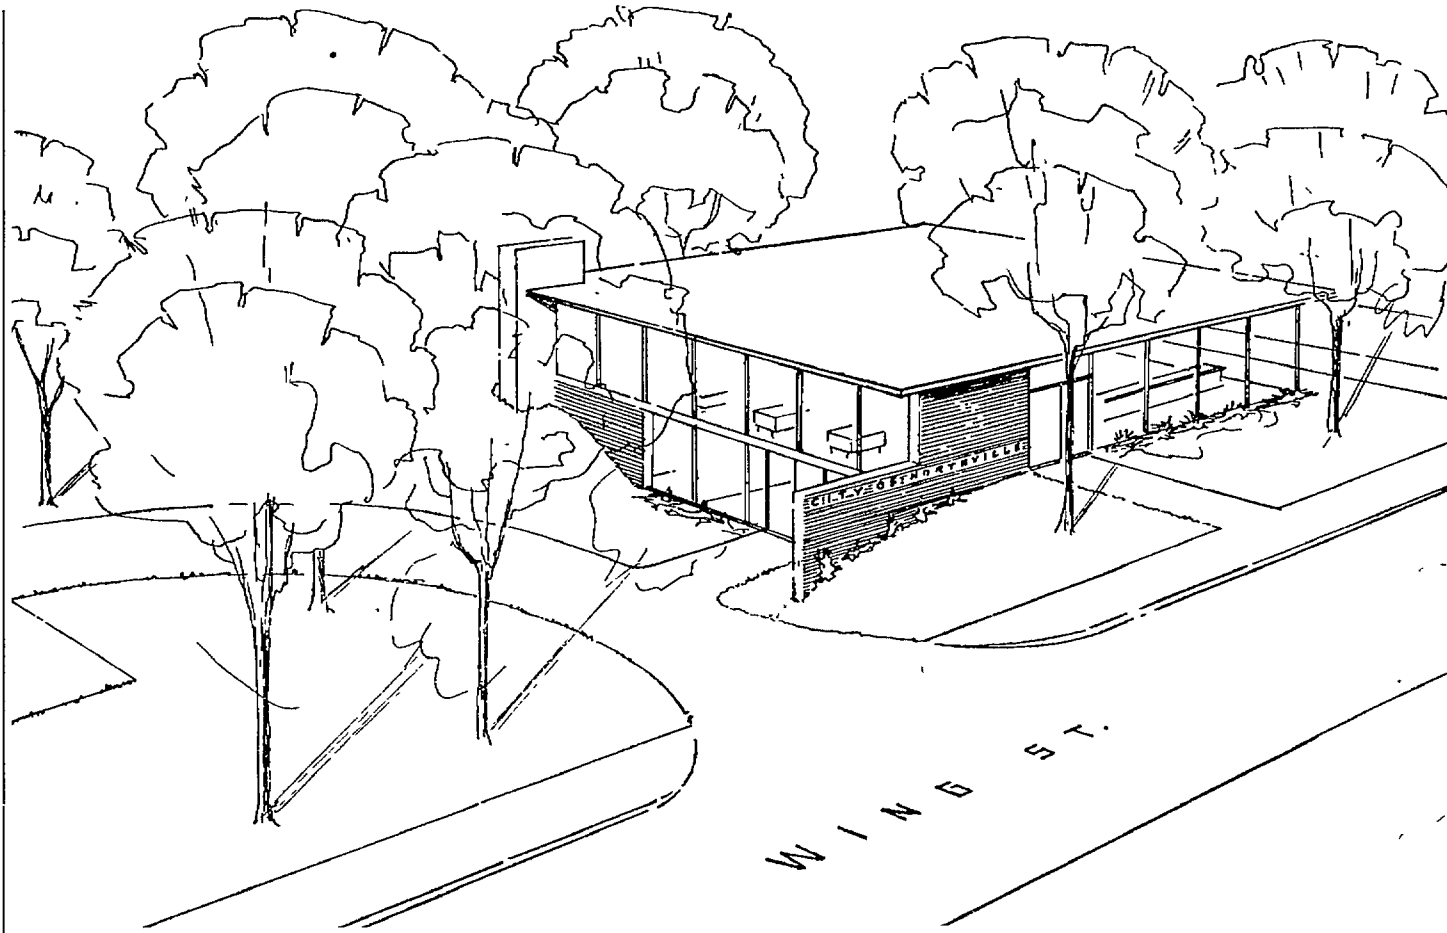

Daniel Aloysius Turner of Detroit pleaded guilty Monday to charges of reckless driving when he admitted that he drove his car onto the track, raced around the oval, and ended up careening into the fence.

Stork Answers S.O.S. From Santa

Santa Claus had a little help from the stork in delivering one Christmas gift in Northville on Christmas day.

This precious package weighed nine pounds, four ounces, measured 21 inches in length — and was delivered to Mr. and Mrs. Terry Gates of High street.

The new arrival's name is Tommy Lee Gates.

A new City Hall for Northville in 1958? It's possible if city fathers are willing to launch a progressive program of improvement.

Youth Finally Paid For Christmas Tree

A Northville youth who admitted cutting down a beautiful spruce tree in Novi to use it as a Christmas tree found out last week it would have been cheaper to buy one.

Peter Fairfield, 19, was fined \$40, given a suspended 90-day jail sentence, put on one year probation, and ordered to repay his father within a year for replacing the tree.

Fairfield admitted he cut down the Colorado spruce in front of the home of Dr. and Mrs. James W. Taylor, 24141 Novi road. He said he had promised his girl friend a tree but didn't have enough money.

Fairfield was apprehended after an undisclosed source gave Novi police chief Lee BeGole the description of a car he had seen near the Taylor residence the night of the crime. BeGole, after looking for several days, finally located the right car.

The girl friend was absolved entirely. The 30-foot spruce was one of a group on the Taylor's front lawn. A patrolman who saw the spruce after it was decorated said it made "a beautiful Christmas tree."

So Long, '57; Hello '58

With this issue, The Record rings down the curtain on 1957 and raises a new one on 1958.

Throughout our pages this week, readers will find reviews of the past year and a look at the coming one.

On page 8 is a round-up of the many developments that made news in Northville, Novi and Wixom in 1957. It's surprising, when you look back on it, that so much happened last year.

And on page 5, there's a review on the sports year — which saw

team after team take its championship as Northville enjoyed one of the most successful years in its sports history.

As for the future, The Record makes several proposals for the coming year on this page. And one of the nation's leading business and financial experts forecasts a year of trial for the nation in many respects.

So with the New Year underway, The Record and its staff join in wishing its readers a very happy and successful 1958.

Mustangs Return Home Tuesday

After a month of playing on foreign courts, the Northville Mustangs will return to the familiar hardwood of the community building next Tuesday night.

It will be the first home game for the Mustangs since their season opener against West Bloomfield on December 6.

Since then, they have had mixed success in three road games — losing to Plymouth and Brighton, then evening their season's record with a win over Clarenceville.

Tuesday night, they'll host a Bloomfield Hills squad which has yet to win in league play this year. Game time for the junior varsity contest is 6:30 p.m. The varsity will take to the court shortly after 7:30.

After Bloomfield, the Mustangs face one of the most crucial periods in their schedule. A week from Friday, a powerful Holly team will visit Northville and two weeks later an equally tough Clarkston team will invade the community building. The two teams are now undefeated and tied for the conference lead.

Three Injured In Christmas Crash

A two-car accident resulted in three injuries Christmas day on Randolph street east of Taft road.

Richard Gibson Nelson of Napier road told police he was traveling west on Randolph when his car was struck in the front end by Elias Haddad, driving east on Randolph.

Haddad, from Dearborn, told police he did not see the sharp curve

on Randolph, struck a utility pole and then struck Nelson's car.

Nelson, Haddad, and his passenger, Richard Haddad, were treated at Atchison Memorial hospital for cuts and bruises.

Haddad was found guilty and fined \$30 for reckless operation of a motor vehicle and had his driver's license suspended for 90 days.

Healthy Ike Most Important for 1958: Roger Babson

Next to the Russian situation, President Eisenhower's condition will be of supreme importance. What its influence upon Russia will be, nobody knows. It probably will not affect general business. I believe that for some time our President has not been making important policies and, much to his disappointment, his recommendations have been largely ignored. The major effect of the President's condition will be political. Those close to the President, for both friendship and political reasons, are hoping for his recovery both in health and in memory. Others

in charge of the Republican party, anxious about his possible incapacitation or death, would like to see him resign and drop out of the picture in order to give Vice President Nixon a good buildup in the hope of re-electing the Republican party again in 1960.

For evident reasons, the Democrats are hoping that Vice President Nixon will not have an opportunity to function as president before the coming election. Therefore, President Eisenhower's condition could greatly influence the political situation during the next few years. This would cause uncertainty and retard large corporate expansion programs as well as consumer buy-

ing.

I cannot believe that Russia wants World War III; in fact, I am confident that Russia will go to some lengths to avoid World War III. In case of any retaliation by us, Russia would suffer great losses. Moreover, if Russia has any hope of conquering our country, she certainly wishes to preserve our cities, industries, and other valuable assets. Russia has land enough now; it is our industries which Russia wants. This also applies to England and Western Europe as well as the United States. Therefore, my forecasts for 1958 are as follows:

1. The present cold war will be intensified during 1958. This will increase fear of war, which could greatly affect retail sales.

2. Russian policy will be aimed at securing control of the United States, the countries of Western Europe, and the Middle East by infiltration.

3. The cold war costs the United States billions of dollars annually. This can be paid for only through increased taxes or inflation, or by the adoption of the Hoover Commission's recommendations for radical economy.

4. Profits will be further squeezed during 1958, as a result of higher costs and pressure for lower prices.

5. Competition at all levels will increase during 1958.

6. Only more advertising by both manufacturers and retailers will enable them to keep up their present gross volume during 1958.

7. Failures will increase in 1958. These will apply mostly to small concerns, but some one of the big companies in the Dow-Jones Averages may collapse.

8. Predicting a lower total volume of business for 1958, compared with 1957, I forecast a moderately lower trend, on average, for wholesale commodity prices. Expect a gradual decrease in the cost-of-living during 1958.

9. Wise labor leaders will hesitate to fight for higher wages, but will try for shorter hours, pensions, and other "fringes."

10. European countries will have less to spend for American goods, and foreign trade will decline in 1958 compared with 1957.

(Continued on page 12)

Rites Read in Candlelight Ceremony

Marriage vows were solemnized in Sheldon Methodist church at 7:30 o'clock Saturday evening, November 30 as a double-ring ceremony was performed by Rev. Louie Cain, uniting Shirley Place and George M. Gardner.

The bride is the daughter of Mr. and Mrs. Grover Place of Canton Center road and the bridegroom is the son of Mrs. J. Gardner of Wigtown, Scotland and the late Mr. Gardner, and the brother of Mrs. Thomas Campbell of Wing court, Northville.

The altar was decorated with Fugi chrysanthemums, gladioli, palms and candelabra. Mrs. L. Burnette of Northville presided at the organ. Mrs. John Angell, niece of the bridegroom, sang "Because" and "I'll Walk With God."

Given in marriage by her father, the bride wore a gown of bridal satin with a chintilly lace bodice, featuring a sabrina neckline of scalloped lace. The full nylon tulle skirt was decorated with insets of lace.

Her finger-tip veil hung from a headress of seed pearls. She carried a bouquet of Fugi chrysanthemums centered with tea roses. Mrs. Myrtle Cather, sister of the bride, served as matron of honor. She was gowned in shrimp-colored taffeta with an overdress of white figured horsehair lace. A matching shrimp-colored cummerbund and a headress of seed pearls completed the costume. She carried a cascade of fuchsia Fugi chrysanthemums.

Bridesmaids, Jean Klinske, sister of the bride, Jean Polley and Peggy

McFarlane of Plymouth, were gowned in turquoise taffeta with an overdress of horsehair lace and matching cummerbunds and headpieces. They carried cascades of yellow Fugi chrysanthemums.

Cheryl Cather, niece of the bride, was flower girl. She was also dressed in shrimp-colored taffeta with headpiece to match. She carried a miniature bird cage containing yellow Fugi chrysanthemums.

Thomas M. Campbell, nephew of the bridegroom, was best man. Seating the guests were James Burger, William Burger and Stanford Place of Plymouth.

For her daughter's wedding, the bride's mother chose a dress of

light blue chintilly lace over blue taffeta with navy blue accessories. Mrs. Campbell chose a silver grey nylon tulle skirt and a lace bodice studded with sequins over rose taffeta with white accessories. Both ladies wore white orchids.

One hundred and seventy-five guests attended the reception held in the church parlor.

The new Mrs. Gardner donned a turquoise dress with black accessories and wore a corsage of tea roses from her bouquet for her going-away outfit. The couple spent two weeks honeymooning in Florida.

The bride was feted with three showers previous to her wedding.

Mr. and Mrs. George M. Gardner

Hospital Patients Thanked For Presents to Orphanage

Last fall, patients at Northville state hospital proudly wrapped up packages of toys and dolls which they had made themselves and sent them off to an orphanage in Haiti.

The orphans finally had a chance to thank the patients last week when William T. Vrooman, a retired navy commander whose unique country club in Haiti helps support the orphanage, presented the orphans appreciation during a two-week visit to Northville.

Vrooman was the guest of Mr. and Mrs. Arnold E. Seefeldt, who are employed at Northville state hospital. He operates the International country club in Port-au-Prince, a social club and tourist resort that supports the Foundation Vincent Orphanage operated by the Salician Roman Catholic Sisters.

Eleven months ago, Sister Cayoli, who is in charge, had started a 20-week Bible study class for non-residents of the orphanage. She promised a graduation present for each pupil with perfect attendance, hoping that some presents would arrive.

When none did, because of the political situation and absence of visitors, it was necessary to extend the course until the package from Northville arrived.

This, of course, meant the 104 girls in the orphanage would have no Christmas presents. With the help of friends and neighbors of the Seefeldts, Mr. Vrooman sent over 150 pounds of present to Haiti. With airlines' cooperation, they arrived in time for Christmas, and were shared with the School for Crippled Children, which is sponsored by the Episcopal church.

Mr. and Mrs. Seefeldt are looking forward to their third consecutive February vacation at the International Country Club, where they are members. A unique club, the only requirement for membership is an interest in Haiti.

Accompanying the Seefeldts will be Mrs. Ella Elfer, of the Northville State Hospital, Social Service Department, and Mr. Walter Irving, of Detroit, who is one of the hospital's most active volunteers. They will visit the Albert Schweitzer hospital, run by Dr. Larrimer Mellon, as well as the Crippled Children's School and the Vincent orphanage.

Karen Bayless To Marry On February 1

Karen Bayless

Mr. and Mrs. Fred Bayless of Fennville, Michigan announce the engagement of their daughter, Karen, to Richard Ian Davis of Walled Lake, son of Mrs. George Cumberworth of Walled Lake and Mr. David Davis of Novi.

Karen is a 1957 graduate of Northville high school. The couple plans a February 1 wedding in the First Presbyterian church of Northville.

Couple Married By Justice Bogart

Miss Jean Ellen Crovier of Plymouth and Peter William Bousseur of Fry road, Northville, were united in marriage by Justice E. M. Bogart Thursday evening, December 26. Mr. and Mrs. Paul G. Bousseur, parents of the groom were the attending witnesses.

NEWS AROUND NORTHVILLE

Mrs. Glenn Cummings of Six Mile road returned this week from Kissimmee, Florida where she had been visiting an aunt who is ill.

Mr. and Mrs. Kent Esbaugh and daughters, Wendy, Susan and Claudia, Mr. and Mrs. Ernest Esbaugh and son, James, all of Grand Rapids, spent Christmas week with Mr. and Mrs. Claude R. Ely. Christmas day guests of the Claude Elys were Mr. and Mrs. Ivan Campbell and children of Howell, Mr. and Mrs. Tracey Ely of Farmington, Mrs. J. H. Roman and Miss Dorothy Roman, Mrs. Francis Clinton and children of Northville and Mr. and Mrs. Robert Ely.

Sandra Kay York is home for the holidays from Cleary college to spend her vacation with her mother, Mrs. Leonard Johnson.

Mr. and Mrs. T. H. Bray and family of Boyne City spent the Christmas holiday with her mother, Mrs. Mary Alexander of Linden street.

Mrs. Ida Grover of Saginaw spent the Christmas holiday with Mr. and Mrs. Leonard Johnson and family of East Main street.

Mr. and Mrs. Gerald Woodworth of Thayer boulevard had as guests during the Christmas holidays Mr. and Mrs. Cec Nirder of Rochester, Mr. and Mrs. Essie Nirder and family, Mr. and Mrs. Harry German, Mr. and Mrs. Fred Kidman, Mr. and Mrs. Fred Coulter and children of Florida, Mr. and Mrs. Irvin Marburger and children and Mr. and Mrs. C. Ferguson.

Bill Hiltz, son of Mr. and Mrs. Lawrence Hiltz of West Main, was named to the dean's December scholastic honor roll for the third consecutive month this year at Kemper military school in Boonville, Missouri. Hiltz is a high school freshman attending Kemper for his first year.

Mr. and Mrs. Julius Feole of West Six Mile road were hosts at a dinner party Sunday in honor of the birthdays of their daughter, Delores, who will be 16 on New Year's day and their granddaughter, Rebecca, who was one year old on December 27. The guest list included Mr. and Mrs. Herman Brinkley and son, Richard, of Royal Oak; Henry Brinkley and son, Henry, Jr., also of Royal Oak; Arlene Maier of Lansing; Mr. and Mrs. Orville Hoop of Hazel Park, Mr. and Mrs. Robert Hoop and daughter, Cheryl, of Fort Sill, Oklahoma, and Mrs. Howard Feole and children, John and Rebecca, of Detroit. First Lt. Howard Feole, stationed with the army in Munich, Germany, will join his family here in about six weeks.

CAROLERS A'CALLIN' — The weather was as balmy as a spring eve, but the sounds in the air were full of the Christmas spirit. Here, a group of Northville freshmen, accompanied by class sponsor Jack VanHaren, carol on a Northville doorstep. Another group, led by Miss Patricia Dorrian, carolled elsewhere in the city.

NEWS AROUND NORTHVILLE

Guests during the Christmas holidays of Mr. and Mrs. Russell Clarke was John Reincke from Jonesville, Michigan.

Mr. and Mrs. Arthur Litsenberger spent Christmas at the home of their daughter, Mr. and Mrs. William Holdsworth. Others at the gathering were Mr. and Mrs. Charles Strautz and children, Mrs. Fred Laird and Mr. and Mrs. James Honey of Plymouth.

Christmas dinner guests of Mr. and Mrs. J. W. Blackburn of Orchard drive were Mr. and Mrs. George Keske and family of Detroit and Mr. and Mrs. Robert Scheffer and son from Centerline.

Mr. and Mrs. W. Chizmar, Mr. and Mrs. Melvin Mitchell and family, and Mrs. Richards spent Sunday at the home of Rev. William Richards in Clarkston for a belated Christmas.

Virginia Beeks spent the holidays at the home of her parents, Dr. and Mrs. Beeks. She will return to Hollins college near Roanoke, Virginia to attend classes on January 6.

Dr. and Mrs. Cavell entertained 19 on Christmas day. Those from out-of-town were Mr. and Mrs. Casey Cavell and family of Lansing, Mr. and Mrs. Richard Palmer of Plymouth and Mr. and Mrs. Robert Casady and children of San Diego, California. Mr. Casady has returned to San Diego while his family extends their visit.

Christmas Eve guests of Mr. and Mrs. E. M. Bogart were their children and families.

Mrs. Glenn Beach spent the holidays at the home of Mr. and Mrs. E. F. Clark.

Mr. and Mrs. Joseph Denton had Christmas dinner with Mr. and Mrs. Carl Stephens of Norton street. The afternoon was spent with their sons in Detroit.

Mr. and Mrs. E. V. Ellison left December 26 for Florida. Among the places they expect to visit are Fort Meyers and Bradenton. They will return the week of January 5.

Guests of the Howard Atwoods of High street for Christmas were their son and family, Mr. and Mrs. Donald Atwood and Scott of Seven Mile road, and Mrs. Lois Baker and family of Williamston. Mrs. Baker is Mrs. Atwood's sister.

Dinner guests on Christmas day of Mr. and Mrs. Harry Atchinson were Mr. and Mrs. Orson Atchinson and family of Orchard drive, Mr. and Mrs. Norman Atchinson and family of Plymouth, Mr. and Mrs. Louis Stipe and family of Howell and Mrs. Edna Butler and daughter, Jackie, of Detroit.

Belascos Host 100 Rotarians and Guests At Annual New Years Morning Breakfast

New Years being what it is, many Northville homes yesterday morning were silent until well on toward noon.

But in one home, nearly 100 persons joined together for an early, hearty breakfast of pancakes and sausage and a round of pleasant conversation to get the New Year off right.

It was the annual New Years breakfast of the Northville Rotary club, held yesterday for the 24th straight year.

Hosts this year, as for the past four years, were Dr. and Mrs. Walter Belasco, who turned their home at 790 West Main into a breakfast hall for the Rotarians, their wives and their guests.

It's a custom that goes back to 1934, when Mr. and Mrs. Charles E. Rogers had the first breakfast in their home on Nine Mile, now the residence of Mr. and Mrs. Claude Crusoe.

Since then, recalls Rotarian Ed Bogart, it has been held at the homes of Mr. and Mrs. H. B. Clark, Mr. and Mrs. Percy Angove and others.

During the rationing days of World War II, the breakfast often saw members pooling ration stamps to get sausage or using honey butter on their pancakes.

Guests began arriving at the Belascos yesterday shortly after 8 a.m. But the breakfast began long before that for Mrs. Belasco and the women who helped her.

Mrs. Belasco usually devotes all

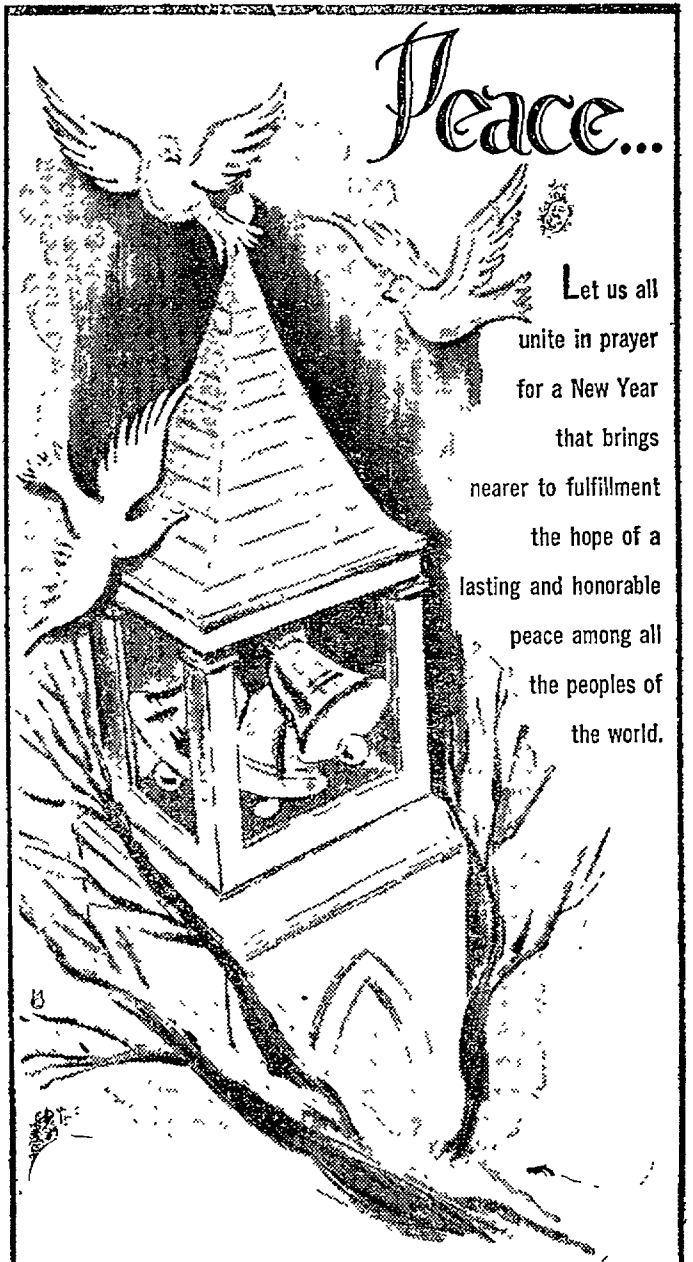

of New Years Eve to the meal, and seldom gets any sleep at all.

"It's often 4 a.m. before the fruit salad is ready," she said, "and then it's time to start cooking the 50 pounds of sausage. And by then, everyone starts arriving."

For the Belascos, the breakfast will be the last of three large gatherings during the holidays.

On December 18 they were hosts at a breakfast for the doctors and staff members at Atchison Memorial hospital. In all, 22 persons attended the breakfast at the Belascos' home.

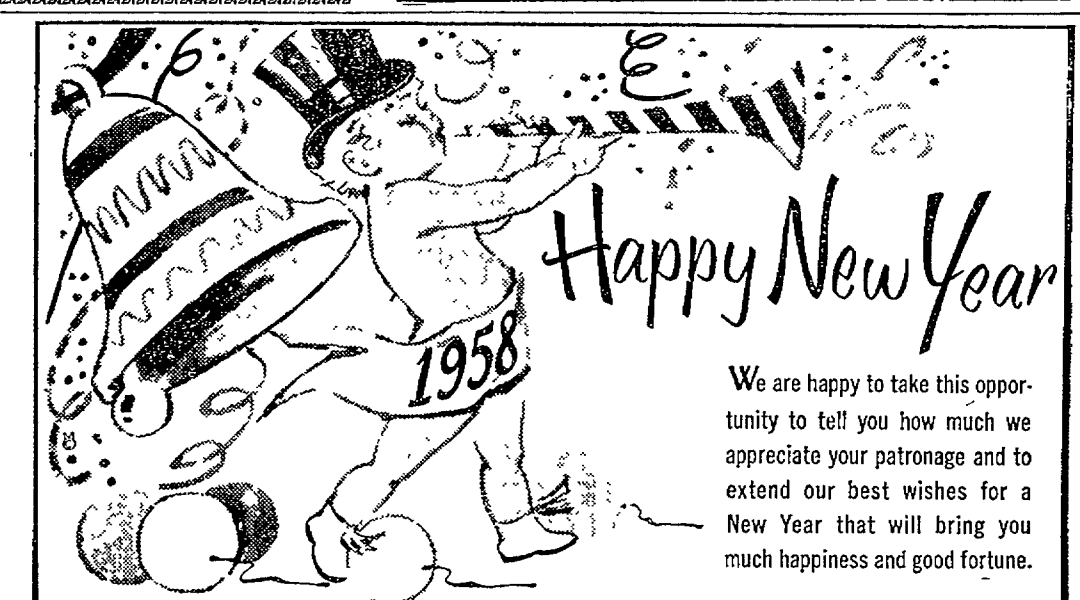

Four days later, they again hosted a get-together — this time for employees of Bel-Nor drive-in restaurant.

THE EYES OF THE HEART

Have you ever heard of "heart blindness"? This malady is far more prevalent than commonly supposed. Most of us miss much in life because we do not take the trouble to understand the things we see. When we do not see with loving understanding the things which we look upon we suffer from "heart blindness".

I talked with quick hasty words to a store clerk yesterday when she became impatient with my indecision concerning a purchase. The unpleasant situation was purely her fault, I reasoned. I later learned this clerk had just lost her husband in a tragic auto accident which also left her only two children in the hospital. I felt ashamed of the unpleasant hasty words. Understanding of the clerk's problem changed my whole attitude. Working far into the night, a college

student was trying to meet the morning deadline on an important assignment. Across the way a dog was barking incessantly which made study almost impossible. The student became angry and decided to stop the bark one way or another. With a big stick in hand he came upon the barking dog. What he saw caused him to drop the stick, for the dog was in real trouble. His leash had become entangled in a small tree so the dog was forced to stand on its hind feet or be choked by its collar. Understanding of the situation cleared the way for a happy solution to both problems.

Seeing things through the eyes of love and understanding makes everyone happier and richer. Much unhappiness comes to us because we do not act with understanding. Jesus gives to everyone who asks, the gift of loving insight.

LEGAL NOTICE

Atty. Donald B. Severance
707 Federal Building
Detroit 26, Michigan

STATE OF MICHIGAN
County of Wayne
ss 437,352
At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the seventeenth day of December in the year one thousand nine hundred fifty-seven, Present James H. Sexton, Judge of Probate.
In the Matter of the Estate of

CATHERINE COOK, Deceased.
On reading and filing the petition, duly verified, of Carl J. Wagenschutz, Executor under the last Will and Testament of said deceased, praying that he may be licensed to sell certain real estate of said deceased for the purpose of paying the debts of said deceased, the charges of administering said estate and carrying out the provisions under said will;

It is Ordered, That the twenty-first day of January, next, at ten o'clock in the forenoon, at said Court Room be appointed for

hearing said petition, and that all persons interested in said estate appear before said Court at said time and place to show cause why a license should not be granted to said executor, to sell real estate as prayed for in said petition. And it is further Ordered to be published once in each week for three weeks consecutively previous to said time of hearing, in The Northville Record, a newspaper printed and circulating in said County of Wayne.

JAMES H. SEXTON,
Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
Joseph S. Werlsmith,
Deputy Probate Register
Dated December 17, 1957. 31-33

It's Time for Skating -- Almost

Northville recreation officials began making plans this week for a winter skating program at the Northville fish hatchery.

Only two things are standing in the way: confirmation that the hatchery ponds can be used, and a good cold spell. The first is on its way, but the second — it's anybody's guess.

Recreation director Stan Johnston received word last week that the U.S. fish and wildlife division, which has jurisdiction over the hatchery, has approved use of it for skating.

But until written confirmation comes from regional headquarters in Minneapolis, skating must wait. Johnston has already started making plans for the program, however.

The ponds, on West Seven Mile, will be open for skating from the time school gets out until 8:30 p.m. each week day, and all day Saturday and Sunday. Skating will be supervised at all times.

Probably three or four of the ponds will be used, he said. One will be set aside for hockey, another for beginners, and the others for accomplished skaters. Ponds can be re-surfaced when they become scratched and chewed up.

Johnston said skaters will not be allowed to change in the hatchery quarters.

Other than that, the only major problem is parking. There's room for no more than half a dozen cars in front of the hatchery.

The fate of the recreation department's annual skating races also is in doubt, but Johnston indicated they probably will be held.

"We'll at least have short races for the youngsters," he said. "And some of the larger ponds may allow events for older skaters. We'll have to wait and try to work things out."

We Recommend:

POINTS TO CHECK:

- ☐ Check engine: timing, suspension system, plugs, carburetor.
- ☐ Check steering and replace bad parts.
- ☐ Check wheel balance and alignment.

YOUR FRIENDLY FORD DEALER

MARR TAYLOR

117 E. MAIN NORTHVILLE
PHONE 1320

SHARPEN UP YOUR SKATES, because as soon as it gets cold there'll be skating at the fish hatchery on Seven Mile. The U.S. fish and wildlife division gave approval for its use as a skating pond, after congresswoman Martha W. Griffiths had made the request on behalf of the Northville recreation department. The fish hatchery replaces the mill pond, which was closed to skating because of a dangerous open channel.

The Coach's Corner

by STAN JOHNSTON
Northville High School Basketball Coach

What are the advantages of using a zone defense? When do you find it a good idea to shift to a man-to-man? Could you give an example in one of Northville's recent games? —W.F.W.

The zone defense is a little like a common cold: you don't know quite what to do with it. As long as it is a legitimate part of the game it must be dealt with.

When the zone is used, each member of the defending team moves as a single unit toward the ball each time it is passed by the offense. Defending players hold arms high and outstretched in order to knock the ball down or force the offensive team to throw the ball recklessly. The player closest to the man with the ball guards him aggressively in order to force him to shoot or pass the ball from an unnatural or off-balance position.

Proper use of the zone defense requires exceptional team unit and understanding. It involves almost continuous movement and players must know what they are doing in order to follow the ball and defend their particular areas.

The zone defense makes it more difficult for the opposing team to get in close for short shots. Opportunities for pass interceptions are more numerous since a player knows his teammate is backing his play.

The zone also has its faults. It is not effective against a fast breaking team. It fails to defend against the outside shot if the opposition has a couple of men who are good shots from these areas. It also succumbs to the delayed and sometimes allows the attacking team to throw two men into an area defended by only one.

We used a 2-3 zone against Clarenceville. We started the game with a man to man but we could see that they were employing an offense which drew our big men away from the boards. With the two men out front chasing the ball and the bigger men playing under the basket we controlled their board almost completely.

Clarenceville showed an inability to move the ball well against the zone and their shooting from the outside was poor during the first half. In the fourth quarter our boys did not move with the ball fast enough. This gave Clarenceville more time to get set for short shots around the free throw line — which proves that a team must move quickly and aggressively when employing a zone defense.

Questions for the Coach's Corner should be submitted to The Record or to Stan Johnston (phone 576-J) each week not later than Saturday noon.

1957 Was a Year of Championships

Whatever the sport, it was a championship year for Northville, Novi and Wixom.

Nearly a dozen titles were rung up as the area enjoyed its most successful sports year.

Spectator sports drew near record crowds, and recreation activities went over bigger than ever. Local, state and even national honors came to the area.

Northville high school had one of its best sports years of all time. The Mustangs took the league title in three sports (football, basketball and tennis), came in second in track, fourth in golf, and fifth in baseball.

Honors went to individual stars too, including Dick Biery (state class B 440 silver medal, all-state class B halfback), Bill Yahnke (all-league end, all-league forward, regional 680 title holder), N. C. Schradler (all-league tackle), Bud Bell (all-league basketball guard) and Bob Wagenschütz (regional shot-

put champ, all-state center).

One of the year's best performances came from Don Van Ingen's NHS freshmen, who went through a 10-game undefeated season.

In the Wixom area, Walled Lake's mighty Vikings took the Inter-Lakes basketball title and advanced well into the state tourney before finally bowing out.

Baseball took over in the summer, and two of Northville's four teams (Class E and the midget Braves) nailed down championships. The class F squad finished second, the midget Orioles came in third. In all, the first three won 31 and lost only 3.

In Novi, the newly-formed Little League was going great guns under a group of fathers headed by Bill Hanson. When it was over, the Paragon Steelers captured the crown, the Fiberglas Sluggers won the "World Series" and Paul Rose and Ron Bearden took the pitching and batting titles.

Wixom's Little Leaguers were just as adept, as they fought their way to the Walled Lake Little League championship.

Two other Northville teams were champs. The Class B VFW team won the "Milk Can" trophy with a 9-1 record, and the Northville Merchants weathered a slow start to take the Inter-City league playoff title.

In golf, a Novi man — Bill Benjamin — surprised himself and others by taking the Plymouth city tournament.

The summer recreation program was expanded, with a larger day camp, more baseball teams, and a new softball program, to go with the usual swimming program, turtle races, pet and doll parade, and archery contest.

Last winter, the department's annual skating races drew more than 100 skaters.

Northville Downs, despite early dates, had one of its best seasons,

and featured the \$10,000 Trans-America — one of the nation's top harness races.

The Downs also was the scene of a thrilling fight for second place in the first auto race there in years — the Northville '100'. Promoter Mel Larson also staged two motorcycle races. They met opposition from neighbors, but proved successful from a sports standpoint.

Northville Optimists changed their annual horse show to a rodeo, and hundreds of young hearts beat faster as Sagebrush Shorty rode onto the track.

There were other celebrities, too. The Red Wings' Jimmie Peters and Sid Abel came out, as did the Lions' Tobin Rotz and Joe Schmidt and the Tigers' Reno Bertoia.

Northville had a special interest in the 1958 Rose Bowl when Tony Skovler, a Big 10 official for years, handled the referee's job.

And so it went in Northville, Novi and Wixom throughout the year.

1—CARD OF THANKS

The family of William F. Witt wishes to thank their friends for their expression of sympathy during their recent bereavement.

We wish to extend our sincere thanks to all our friends and neighbors for their many acts of kindness and floral offerings at the time of the loss of our wife and mother, Josephine Croft. Special thanks to Fred and Emily Castlerline and the Rev. Paul Cargio for his comforting words.

S. B. Croft
Mr. and Mrs. I. E. Slougher and family
Mr. and Mrs. Floyd Croft and family
Mr. and Mrs. Stanley Croft and family

Many thanks to our friends, relatives and co-workers for their kind visits, cards and gifts during our recent illness.

Mr. and Mrs. Herman F. Reinhackel

THE GREAT ATLANTIC & PACIFIC TEA COMPANY

1957: A Year of Progress, Tragedy, Growing-Pains

In Novi and Wixom

JANUARY

The largest field of candidates in Novi history — 33 — filed for the February township primary.

More than \$1,000 was collected in the annual Mothers' March against polio.

Pre-primary campaigning became bitter, especially between supervisor Frazer Staman and treasurer Charles Trickey, Jr., who decided not to run for re-election but formed a complete GOP slate in opposition to Staman.

FEBRUARY

Wixom voted 253-166 to incorporate as a village and named a six-man charter committee.

Paragon Construction company announced plans for an addition that nearly doubled the plant's size.

Rezoning of a site of Grand River was approved by voters, making way for a giant race track and sports pavilion. Staman and trustee Frank Clark were re-nominated as GOP candidates, but three members of an opposing slate — clerk Hadley Bachert, Ray Harrison and Stan Balon — also made the grade.

Novi decided to contest Wixom's incorporation election on grounds that the 64-64 vote in the Novi section of Wixom was inconclusive.

MARCH

Salaried employees occupied their offices at the new Lincoln plant.

Novi won a suit challenging the annexation of some 200 acres of its territory to Northville on grounds of vote fraud.

The school board lost a bid to expand its district by nine square miles — including the Lincoln plant — and settled for 232 acres instead.

Novi's suit challenging the Wixom incorporation election was thrown out by circuit Judge Clark J. Adams.

A full-time clerk was disapproved at the annual meeting. Staman led a sweep of Republican candidates who piled up a 5-3 margin in the township election.

APRIL

Novi's \$93,875 budget set an all-time record.

The new board fired building inspector Cameron Lodge as a split on the board reached a crisis.

The Lincoln plant was officially opened — an occasion marked by a special 16-page edition of The Record and News. Glenn Salow, Jr. was appointed building inspector.

MAY

Hundreds attended the Novi school fair.

Attorney Arch Leonard was dismissed, and Anthony Renne was given the job in the midst of another split between Staman and other board members.

Plans for a new elementary school near Willowbrook were announced.

Planning experts predicted "boom town" growth for Wixom.

The school district weathered a money crisis that threatened to leave it in the red.

The Novi Specials failed again to bring home the bacon in the Indianapolis '500.

The newly-formed Novi Little League began its first summer of baseball.

JUNE

Novi withdrew a suit against Northville which challenged the annexation of some 82 acres to the city.

AMVETS named Miss Betty Wilson of Northville as their queen.

Officials of the proposed Novi race track anticipated racing in 1958, but racing commissioner James Inglis' prediction that this was "optimistic" later proved accurate, for not a spade of dirt for the track was turned in 1957.

Voters approved \$825,000 for the new school.

JULY

A 'tornado' swept through the township, causing considerable property damage.

Wixom approved village status, 201-149, and named Joseph Stadnik and a six-member commission to office.

Three boys were killed on Grand River in the worst accident in months.

National Bank of Detroit announced plans for a permanent branch office in Novi.

Trustee Frank D. Clark, long-time Novi supervisor and trustee, died at 79 after a lingering illness.

AUGUST

A committee began working on plans for incorporation of Novi as a village.

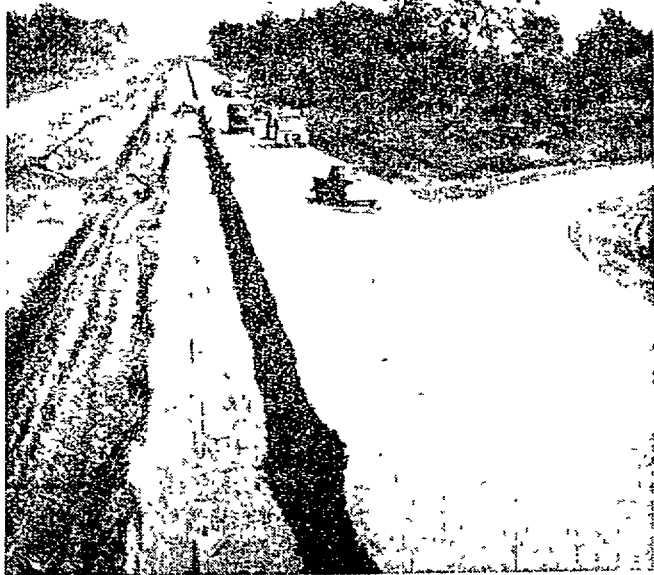

A temporary fourth lane was added to US-16 to relieve week end traffic jams.

Patrolman Vernon Loeffler was suspended for allegedly engaging in political activities while on duty.

Two Detroit boys drowned in Walled Lake near the Ship-Ahoy beach raft, bringing renewed demands from some board members that the raft be removed because of being unsafe. It finally was taken out.

Novi schools largest enrollment — 575 students — prepared for school.

Trickey moved from Novi, but his opponents claimed he was continuing to "run the board".

Expressway Opening Was Both Good and Bad News

SEPTEMBER

Dial telephone service began for 600 Novi users.

Mrs. Adell Richardson, 101, was honored as Novi's oldest voter.

Frank Watza was appointed trustee, ending a two-month squabble in which Gordon Promo and Glenn Salow, Jr. came near getting the job.

OCTOBER

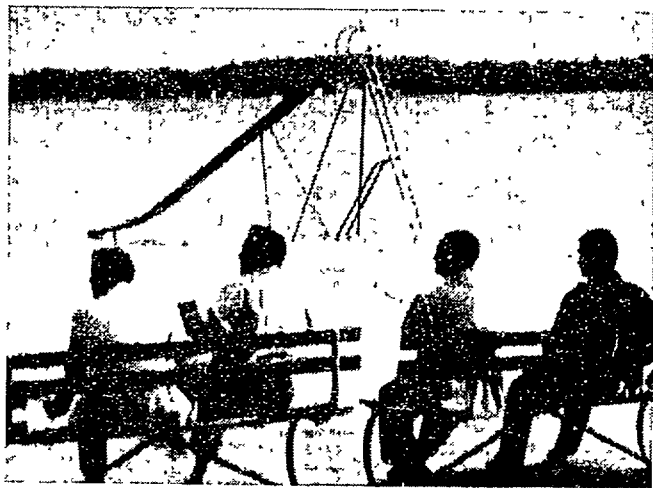

The lingering question of whether justices of the peace should pay for clerical help provided by the township dwindled out, after justice Edmund Yerkes resigned during the squabble and justice William MacDermid threatened to remove his court from the township hall rather than pay.

An eight-part interpretive history of Novi by William O'Brien began in The News.

Two young children burned to death in a "tar-paper shanty" near Walled Lake, bringing demands for condemnation of several nearby homes owned by the same man.

The 1958 Lincolns and Continentals were introduced. Fog caused 21 accidents in Novi.

Asian flu passed its peak at Novi school.

They Waited for Divers to Find Sons' Bodies

NOVEMBER

National Bank of Detroit opened its permanent office.

Plans for Lincoln Village — a 2,000-home development in west Novi — were announced.

Another attempt to annex 220 acres to Northville was approved by voters.

A straw vote showed Novi voters favoring incorporation as a village by 50-32.

DECEMBER

Novi joined Warren Products in challenging the annexation of 220 acres to Northville on grounds that the entire township should have voted. Northville then asked dismissal of the suit.

Wixom approved city status, 267-61, and named a nine-member charter commission.

The Novi board decided to refuse to divide assets with Wixom because such a division would "bankrupt" the township.

Petitions were filed for a village incorporation election in Novi.

The Farmington-Brighton expressway opened, causing concern among businessmen along Grand River who saw traffic dwindle to a trickle.

The board agreed to build a new fire hall near Walled Lake, partly so as to reduce cash assets which would be divided with Wixom if the issue should go to court.

The long-standing building inspector problem still was not settled, and a "temporary" inspector went into his fourth month on the job.

In Northville

JANUARY

Five men filed for two city council seats, and Mayor Claude Ely went unopposed for re-election.

Three Hungarians, fleeing in the aftermath of their rebellion began working at Eastlawn Resthaven.

The council agreed to provide water and sewer service for a 200-home D and R subdivision since the area would soon be annexed to the city.

More than \$1,500 was collected in the Mother's March against polio.

FEBRUARY

Council candidates had to file again after it was learned that the deadline had been set too early.

Northville township agreed to pay the city \$21,160 under a division-of-assets proceeding, which resulted from incorporation of Northville as a city in 1955.

The Northville Mustangs tied for the league co-championship after posting a 10-game winning streak.

Less than 10 percent of the voters turned out for a primary which had little at stake.

MARCH

Depositors State Bank was merged with Manufacturers National Bank.

City officials estimated it will cost \$400,000 to improve and pave the 10 miles of city streets which are still unimproved.

Contracts totaling more than \$39,000 were signed by the council for sewers, curbs and gutters on Wing and Fairbrook.

The board of appeals approved immediate use of new horse barns to allow horsemen time to get their horses in shape.

APRIL

Earl Reed and Ed Welch won council seats over three other candidates.

A. Russell Clarke retired as city treasurer.

The city council asked Wayne county not to sell a River street site to Northville Downs because nearby residents feared it would affect property values.

Northville Downs opened a 38-night meeting on the earliest date in its history.

The board of appeals rezoned a North Center street site to allow construction of a dial telephone exchange building.

MAY

City manager John Robertson was appointed city treasurer and assessor, saving the city \$2,475 a year in salaries. State officials discounted rumors that a boys' vocational home would be built in Northville.

The annual P-TA Fair realized \$1,700 in profits to be used on school projects.

A \$278,828 budget was approved by the council.

Tuberculin X-rays showed that only three of 850 Northville children had a positive reaction to TB, and even these probably did not have the disease.

Northville merged with the Detroit metropolitan Torch Drive.

The summer recreation program was expanded to provide more activities and include more children.

Mayor Ely and Mayor Harvey Eno of Millington changed offices during Michigan Week.

Police chief Joseph E. Denton was named Northville's "Citizen of the Year."

The state legislature approved \$2,826,000 to start a home for mentally retarded children on Phoenix road.

The school board sold \$50,000 in tax anticipation notes as a state-wide financial squeeze hit schools.

JUNE

Racing ended at the Downs. Betting averaged a healthy \$249,917 a night, although attendance dropped. Of the total \$9,496,850, Northville was to get \$90,289 in tax revenues from the state.

Adrian Willis and Dr. Waldo Johnson were elected to the school board, as Robert Coolman and Donald Severance retired from the board. Voters also agreed to let the school board sell seven acres of land for the Eight Mile cutoff, in turn for certain safety guarantees and for improvements on North Center.

Rev. Paul Cargo replaced Rev. Ivan E. Hodgson as pastor of the First Methodist church.

JULY

The Northville '100' auto race was staged at Northville Downs.

Northville Optimists put on a junior rodeo, replacing their traditional horse show.

Final plans for the new high school were approved.

A chemical was added to Northville water to improve its taste, and two new test wells were drilled.

AUGUST

A \$1,000,000 fire destroyed Allied Products' Northville plant, putting 65 persons out of work.

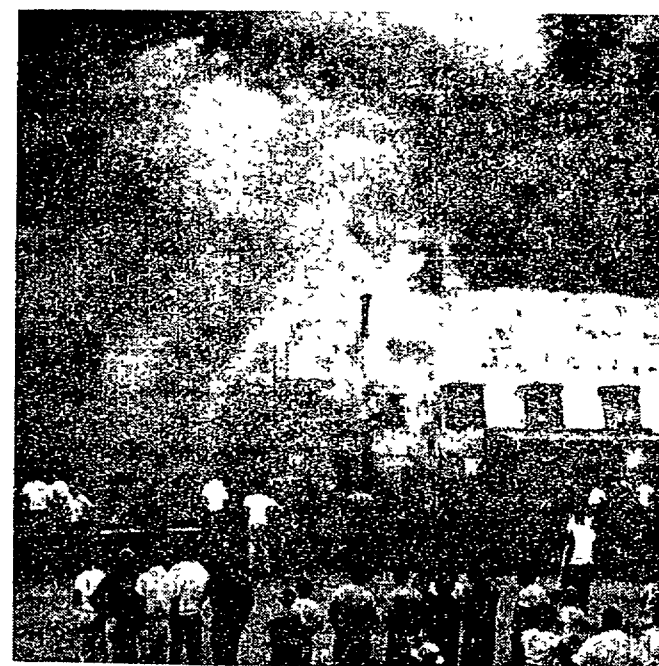

Harold Penn was appointed city engineer.

The Northville school board joined with four other communities in establishing a day school for mentally retarded children.

SEPTEMBER

K and G Construction company announced plans for a 110-home subdivision in Northville.

Two motorcycle races were staged at Northville Downs.

Second Largest Industry Went Up In Smoke

bringing protests from neighbors to the city council which agreed to write an ordinance limiting the number of races in the future.

Mrs. Paul Folino won The Record's \$3,500 subscription contest which boosted circulation by 1,482 copies.

OCTOBER

The state supreme court in effect blocked plans for a fall racing meet at Northville Downs after Wayne county circuit court had ruled that state racing commissioner James Inglis must grant the dates.

Asian flu hit Northville schools hard.

The old Our Lady of Victory church building was razed as a new building neared completion.

The council ordered a re-appraisal of all city property to end tax inequities, after the state earlier had refused to yield to a Northville plan for changing the equalization factor in the Oakland county section of the city.

John Coleman, president of Burroughs and week end resident of Northville, was knighted by Queen Elizabeth and suffered a mild heart attack two days later.

The Northville Torch Drive topped its goal by 116 per cent.

An auto club survey indicated Northville has enough parking places but should improve the looks and serviceability of its existing facilities.

NOVEMBER

The Amerman school addition opened.

Merchants disagreed with the AAA parking report, claiming parking is not adequate.

The Northville Mustangs won their second straight league football title with an 8-1 record, and placed halfback Dick Biery on the all-state class B squad.

DECEMBER

School and county taxes were boosted by nearly 60 per cent because of an increased state equalization factor.

Ford Motor company closed its Waterford plant and sold it to Haller Incorporated for a powdered metals operation.

City employees were given a 10-cent-an-hour across-the-board pay raise despite objections from some councilmen that it would only add to existing pay inequities.

The city prepared to buy the River street site and re-sell it to Northville Downs with restrictions on its use (for parking and an entrance) written into the deed.

The federal government agreed to pay for \$21,000 worth of improvements on North Center street, thus ending a problem which had perturbed the school board and city for months. Wayne and Oakland counties will add another \$9,000, giving Northville \$30,000 worth of road free.

New Lincoln Plant Was a Blessing, But Found Itself in Midst of a Tug-of-War

First Step in School Building Program

OUT OF THE PAST

ONE YEAR AGO

Northville patrolman Ramon Nowicki apprehended a Nebraska penitentiary escapee on Plymouth road. Plans for a 3-week attack on polio in Northville throughout the month of January were announced by Mrs. J. W. Reynolds, chairman.

James Mitchell was elected president of the Novi board of education at a special meeting.

Northville Mustangs had first place all to themselves in the Wayne Oakland league after downing a strong Brighton team 82-67.

FIVE YEARS AGO

No parking signs were to be put on most Northville streets barring parking of automobiles between the hours of 2:30 a.m. and 6:30 a.m.

The Wayne County Training school on Sheldon road held a Christmas open house for the 27th time on December 21.

The Veterans of Foreign Wars Post 4012 held their annual New Year's eve party at the VFW hall on Plymouth avenue.

TEN YEARS AGO

The village of Northville lost its oldest resident with the passing of Mrs. Mary A. Horsfall.

Nelson Schrader, Jr. was appointed chairman of the annual March of Dimes campaign.

FIFTEEN YEARS AGO

The first bond and stamp drive to buy a jeep, sponsored by the senior student council of the high school appeared to reach a successful climax.

Three shifts of Goodfellows were arranged to peddle papers on the four corners of Main and Center street.

Harriet Carlson and Pat Johnson won their bronze medal for roller skating dances at the Arcadia Roller Rink in Detroit.

The marriage of Mary Marie Gots, daughter of Mr. and Mrs. Arthur Gots of Franklin road and Lt. Harold Ebersole, son of Mr. and Mrs. Gladys Ebersole of Plymouth, was solemnized at the First Methodist church.

Mrs. Eldon Biery was hostess at the home of her parents, Mr. and Mrs. H. R. Richardson at a shower given in honor of Catherine Stetler, bride-elect of Harvey Winston.

Tom Martino, sports writer for the Orange and Black, reported the election of Charles Bishop as captain of the 1937-38 basketball team.

TWENTY-FIVE YEARS AGO

Michigan State students home for the holiday season were Bernice Clark, Ted Cavell, Foster Van Atta, Free Kerr, Herbert Behrendt, Ivan Ely, Elmer J. Perrin and Louis Woodman.

FORTY YEARS AGO

Fred Lyke took temporary possession of the store vacated by A.E. Stanley while waiting to move into the Steers store.

Aliens Must Report Addresses Soon

Aliens in the U.S. will be required to report their addresses to the Attorney General within the near future.

All aliens, with few exceptions, who are in the United States on January 1 each year must report their addresses by the end of that month. Only the following classes of aliens are excused from this requirement: (1) accredited diplomats; (2) persons accredited to certain international organizations; and (3) those admitted temporarily as agricultural laborers.

Forms with which to make the report can be obtained from any post office or immigration office during the month of January.

Furlong Gets Post For Michigan Week

Robert J. Furlong, executive secretary of the Michigan Tourist Council, was named this week as chairman of the Program Board for the 1958 Michigan Week, by Edward J. Hekman, Grand Rapids, general chairman for the fifth annual state celebration.

Furlong will organize and coordinate the operations of committees dealing with special theme days of Michigan Week as well as the committees on Michigan-in-Sports, the tourist and resort industry, and the annual Wolverine Frontiersman Award Board.

REALTOR PRESIDENT — Charles W. Emlaw (r.) of Belleville, president-elect of the Western Wayne County Board of Realtors accepts the gavel from John McFarlane, past president of Garden City. Emlaw was elected at the board's annual banquet in Plymouth last week. Northville board members are: Don Merritt, treasurer; D. J. Stark, F. L. Doren, Garrett Barry, E. M. Bogart, C. H. Bryan and L. M. Eaton.

Mary Ellen Crusoe, daughter of Mr. and Mrs. C. Crusoe, spent the holiday at home. She will return to Marquette university in Milwaukee January 5.

TRAILER COACH PARK ORDINANCE

VILLAGE OF WIXOM

ORDINANCE NO. 31

An Ordinance to regulate the use of land, natural resources for trailer coach parks; to regulate the operation and maintenance of said trailer parks and the land on which they are located or to be located; to regulate and determine the area of yards, courts and other open spaces in which trailer parks coaches are to be located and to provide for the administration and enforcement of the provisions of this Ordinance and to prescribe penalties for any violation thereof.

The People of the Village of Wixom hereby Ordain:

PART I

Purpose

Section 1.01. In pursuance of authority conferred by the Public Acts of the State of Michigan, being Act 143, of the Public Acts of 1939 and Act 252 of the Public Acts of 1941 and Act 255 of the Public Acts of 1949 and Act 216 of the Public Acts of 1955, being M.S.A. 5.278, or as amended, in such case made and provided for the purpose of promoting the health, safety, morals and general welfare of the inhabitants of the Village of Wixom, by lessening of congestion in the streets, securing safety from fire, panic and other dangers; providing adequate light and air; preventing the overcrowding of land on which trailer coach parks are established, avoiding undue congestion of population; facilitating the adequate provisions of transportation, water, sewage, schools, parks and other public requirements and by other means, in accordance with a comprehensive plan.

(a) STATE ACTS. Trailer Coach Parks shall comply with Act 143, of the P.A. of 1939 and Act 255 of the P.A. of 1941 and Act 252 of the P.A. of 1949 and Act 216 of the P.A. of 1955, being M.S.A. 5.278, or as amended.

(b) BUILDING HEIGHT. No building or structure, hereafter erected or altered in a Trailer Coach Park, shall exceed one and one-half (1½) stories or twenty-five (25) feet.

(c) SIZE OF TRAILER COACH PARKS. Any Trailer Coach Park, hereinafter established after the effective date of this Ordinance, shall contain not less than fifty (50) trailer coach lots complying with the area requirements as specified below under (d) 1.

(d) So as to maintain yard space for the different sizes of trailer coaches or trailers, the following minimums shall be required.

1. An open area shall be provided on each trailer coach lot, to insure privacy, adequate natural light and ventilation to each trailer and to provide sufficient area for outdoor uses essential to the trailer coach, eighty (80%) per cent of the lots in any one Trailer Coach Park shall be less than three thousand (3,000) square feet in area and twenty (20%) per cent of the lots in any one trailer coach park shall not be less than two thousand four hundred (2,400) square feet in area.

2. The sum of the side yards at the entry side and non-entry side of a trailer coach stand shall be not less than thirty two (32) feet, except that for twenty (20%) per cent of the lots having not less than twenty-four hundred (2,400) square feet of lot area, the minimum sum of side yards shall be not less than twenty-five (25) feet. Provided, however, there shall be a side yard of not less than fifteen (15) feet at the entry side of the trailer coach stand. There shall be a rear yard of not less than five (5) feet at the rear end of the stand and a front yard of not less than ten (10) feet at the front end of the trailer coach stand. For irregularly shaped side yards, the sum is determined as the sum of the average width of each side yard, provided that the required minimum above are maintained at all points in the side yard.

3. No trailer coach shall be located closer than fifty (50) feet to the right-of-way line of a main public highway, or twenty (20) feet to the Trailer Coach Park property line.

4. Paved, off-street car parking spaces shall be provided in sufficient number to meet the needs of the occupants of the property and their guests, without interference with normal movement of traffic. Such facilities shall be provided at the rate of at least one and one-quarter (1¼) car spaces for each trailer coach lot.

5. Each trailer coach lot shall be provided with a stand consisting of a solid concrete apron eight (8) feet wide by forty-five (45) feet long or two (2) concrete ribbons each not less than twenty-four (24) inches wide and forty-five (45) feet long and such apron or ribbons shall be five (5) inches in thickness and shall be of Grade A Concrete. Where concrete ribbons are used the area between the ribbons must be filled in with a six (6) inch layer of crushed rock or slag.

6. Enclosed canopies or skirting shall not be permitted on any trailer coach, provided, however, a uniform skirting supplied by the Trailer Coach Management may be permitted on approval of the Village of Wixom Zoning Board. Each Trailer Coach shall be jacked up on a uniform jack or block which shall be supplied by the Trailer Coach Park. No trailer coach shall have its wheels removed (except for repair), be placed on blocks, posts, walls or any other temporary or permanent foundations; and no other building or structure shall be attached to it other than one (1) metal utility cabinet. This shall not prevent the use of an awning of aluminum, canvas or fiber glass, which space may be screened in with mesh screen. Such screened area shall not be greater than nine (9) feet in

width and not greater than fifteen (15) feet in length, nor shall said area be enclosed or glassed in.

(e) In order that a Trailer Coach Park may be harmonious within itself and also with its surrounding neighbors, the following regulations shall be required:

1. Streets shall be provided on the site where necessary to furnish principal traffic-ways for convenient access to the trailer coach site, and other important facilities on the property. The street system shall provide convenient circulation by means of minor streets and properly located collector and arterial streets. Closed ends of dead-end streets shall be provided with a turning circle of not less than forty (40) feet outside radius.

The rights-of-way shall be of adequate width to accommodate the contemplated widths of pavement, sidewalks and planting strips, but shall not be less than sixty (60) feet for main drives or entrance drives and not less than fifty (50) feet for minor or secondary streets.

Streets shall be paved and such pavement shall be of adequate widths to accommodate the contemplated parking and traffic load in accordance with the type of streets, but shall not be less than thirty (30) feet in width for main drives or entrance drives for two way traffic and not less than twenty (20) feet for minor or secondary streets limited to one way traffic.

Curbing shall be required, provided, however, the Village of Wixom Zoning Board may approve plans without curbs where such plans show other adequate means for the control of surface drainage, protection of the edges of the pavement and the roadway shoulder and for the prevention of erosion along the shoulder and dem of the roadway.

All streets and appurtenant structures shall comply with the standards as required by the Village of Wixom and the Oakland County Road Commission for subdivision streets.

2. The Trailer Coach Primary walk system, including walks along main drives and secondary streets shall be not less than four (4) feet in width and not less than four (4) inches thick. The secondary walk system, including walks from each trailer coach entrance to facilities on the lot and connections to the primary walk system, shall not be less than thirty (30) inches wide and not less than four (4) inches thick. All walks shall be of Grade A concrete.

3. All electric lines, from supply poles and leading to each trailer coach stand, shall be underground and shall be provided with a 3 wire balanced 115-230 volt supply. When separate meters are installed, each meter shall be located on a uniform standard post on the lot line of each trailer coach stand. Wiring shall comply with Detroit Edison Code for Trailer Coach Parks.

4. There shall be provided an area of not less than one hundred (100) square feet for recreation for each trailer coach lot in the Trailer Coach Park, with a minimum area of not less than five thousand (5,000) square feet which shall be no longer than two (2) times its width, located not more than five hundred (500) feet from the furthest trailer coach lot served. Such area shall be developed and maintained by the management so as to provide healthful recreation for the children of the Trailer Coach Park. The following playground equipment shall be required for each area of five thousand or more square feet:

2 benches about 6' long
1 bench for children
1 sand box at least 100 square feet in area
2 swings and 1 slide for pre-school children
1 slide for school children.

5. A greenbelt planting strip, not less than twenty (20) feet in width, shall be located and continually maintained along all exterior boundary lot lines not bordering a street. Such greenbelt shall be composed of one (1) row of deciduous and/or evergreen trees, spaced not more than forty (40) feet apart and not less than three (3) rows of shrubs spaced not more than eight (8) feet apart and which grow at least to a height of five (5) feet or more after one (1) full growing season and which shrubs will eventually grow to a height of not less than twelve (12) feet.

6. The front yard and the side yard adjacent to a street shall be landscaped and the entire Trailer Coach Park shall be maintained in a good, clean, presentable condition at all times.

7. No business, of any kind, shall be conducted in any Trailer Coach, Trailer or Building or on the premises of the Trailer Coach Park.

8. Street and yard lights, sufficient in number and intensity to permit the safe movement of vehicles and pedestrians at night shall be provided and shall be effectively related to buildings, trees, walks, steps and ramps, but shall be so located as to direct the light away from adjacent properties.

9. All fuel oil and all gas tanks shall be located on each trailer coach lot in a uniform manner. All tanks shall be of an approved type to comply with the building code standards and shall be equipped with vent pipes and with fused valves. All tanks shall be elevated on non-combustible stands and placed on a concrete base.

10. Each trailer coach may be provided with one (1) metal utility cabinet, which shall not exceed four (4) feet in width, three (3) feet in depth and five (5) feet

in height, which shall be uniform as to size and location throughout the Trailer Coach Park. All cabinets shall be kept clean and shall be maintained in a good condition.

11. There shall be no storage underneath any Trailer Coach and each trailer coach lot shall be maintained in a clean and presentable condition at all times.

12. Trailer coach lot line fences shall be uniform in height and shall not exceed thirty (30) inches in height and shall be constructed in such a manner as to provide firemen access to all sides of each trailer coach.

13. The grounds of the Trailer Coach Park shall be graded to drain properly.

(f) BUILDINGS. All buildings shall meet the requirements of the Village of Wixom Building Code and the requirements of the State of Michigan or the Federal Housing Administration whichever is the most restrictive.

(g) ENTRANCES AND EXIT APPROVAL. Entrances and exits from County or State highways shall have the prior written approval of the Highway Authority having jurisdiction within the Village.

(h) OCCUPANCY. No trailer coach shall be permitted to occupy space in a Trailer Park until the concrete stands are in place, all streets have been paved and properly drained, parking areas are complete, walks are in place, street and yard lights installed and electric connections to each trailer coach stand is provided for. The greenbelt also shall be in place or a bond or certified check is made available to the Village Council, and in sufficient amount to assure the completion of the greenbelt planting.

PART II

TRAILER COACH PARKS

Section 2.01. The Village of Wixom Zoning Board may permit a Trailer Coach Park to be established or extended in an R-3 District, when it is found, after a review of the plans, the State Application, and any other pertinent information, that such Trailer Coach Park will meet all the district requirements and the laws of the State of Michigan, and that such location, when fully developed and landscaped, will be in harmony with other uses in the district, and provided that the necessary community facilities are available to furnish services for the Trailer Coach Park.

PART III

VALIDITY

Section 3.01. Should any section, clause or provision of this Ordinance be declared by the Courts to be invalid, the same shall not affect the validity of the Ordinance as a whole or any part thereof other than the part so declared to be invalid.

PART IV

CONFLICTING PROVISIONS

Section 4.01. Any Ordinance or parts of any Ordinance in conflict with any provisions of this Ordinance are hereby repealed.

PART V

PENALTY

Section 5.01. Any person, persons, groups of persons, associations or corporations or other agents, who violate any of the provisions of this Ordinance, shall, upon conviction thereof, for each day of said violation, be punished by a fine not exceeding One Hundred (\$100.00) Dollars or to be imprisoned in the County Jail of Oakland County for not more than ninety (90) days, or by both said fine or imprisonment in the discretion of the Court.

PART VI

EFFECTIVE DATE

Section 6.01. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby Ordered to take immediate effect after final enactment and publication.

VILLAGE OF WIXOM
By: Joseph T. Stadnik,
President
COUNTERSIGNED
By: Lillian Byrd
Clerk

I, Lillian Byrd, Clerk of the Village of Wixom, do hereby certify that the above Ordinance was approved and adopted by the Village of Wixom at the regular meeting thereof held on the 12th days of November, A.D., 1957, and was Ordered to be given publication in the manner prescribed by law.

Lillian Byrd, Clerk

LITTERING OF STREETS AND PUBLIC PLACES

VILLAGE OF WIXOM

ORDINANCE NO. 32

An Ordinance to prevent the cumbering and littering of the streets and public places in the Village of Wixom, with dirt, ashes, filth or other substances.

The People of the Village of Wixom hereby Ordain:

PART I

PROHIBITION

Section 1.01. No person shall himself, or by another, scatter, leave, deposit, or distribute in any street, lane, alley, park or public places within the limits of the Village any earth, ashes, mortar, papers, stone, brick, ice, dirt, manure, filth, excrement, chips or rubbish of any description, and any person in charge of wagons, carts, sleighs, or other vehicles used for carting or hauling the substances above named, or either of them, shall not load the same above the side or end boards thereof; and the box of any wagon, cart, sleigh, or other vehicle so used, shall be constructed with tight, close, sound boards and kept in such manner as to prevent the scattering or dropping of the contents thereof in the streets or alleys or other public places and in case of carting or hauling shavings, sawdust, dry ashes, dirt or other substance liable to be blown off or about by the wind, the same shall be safely and securely covered and secured by canvas or other suitable and sufficient material.

PART II

PENALTY

Section 2.01. Any person violating any of the provisions of this Ordinance shall upon conviction thereof, be punished by a fine not exceeding one hundred (\$100.00) Dollars or to be imprisoned in the County Jail of Oakland County for not more than sixty days, or by both said fine and imprisonment in the discretion of the Court.

PART III

CONFLICTING PROVISIONS

Section 3.01. That all Ordinances and parts of Ordinances inconsistent herewith are hereby repealed.

PART IV

EFFECTIVE DATE

Section 4.01. This Ordinance shall take effect thirty (30) days after the passage thereof by the Village Council of the Village of Wixom.

VILLAGE OF WIXOM
By: Joseph T. Stadnik,
President
COUNTERSIGNED:
By: Lillian Byrd,
Clerk

I, Lillian Byrd, Clerk of the Village of Wixom, do hereby certify that the above Ordinance was approved and adopted by the Village of Wixom at the regular meeting thereof held on the 23rd day of December, A.D., 1957, and was Ordered to be given publication in the manner prescribed by law.

Science Speed Up

EDUCATORS are finding the answers to the challenge of the Russian Sputnik.

They concede the answers may be coming late but they retort to their critics that the nation was unexcited about academic achievements before that fateful satellite was launched October 4.

New sudden demands for a change-over from the arts and literature in the schools to raw science and mathematics have created their own problems.

Educators, while working desperately to help the United States catch up, are warning the nation against panic and a loss of other values in the quest for scientific supremacy.

Through the fall, with Sputnik beeping around the earth at 18,000 miles an hour, Dr. Lynn M. Bartlett, state superintendent of public instruction warned:

Russia has concentrated more on science in the classroom; has graduated thousands more engineers each year.

Michigan educators did not wait long after Sputnik.

Dr. Harlan H. Hatcher, president of the University of Michigan, announced the formation of a special institute of scientific minds to advise him on curricula.

The thought was to superimpose the thinking of brilliant men over the university's academic activities.

In addition, the university has stepped up the work of the Phoenix Project, seeking peacetime uses of atomic energy.

Michigan State university is planning a cyclotron as the hub of a

new quest into basic research in the field of nuclear physics.

This program will be added to another which has experimented for several years into the uses of nuclear energy in peacetime fields.

Bartlett's office has taken another major step toward working out an expanded science program for the high schools.

A special committee of educators and scientists, among them leaders of the Phoenix project, has developed a special bulletin for teachers.

The thick volume was inspected and approved by leading educators at a recent Lansing meeting.

"We think this is the first such attempt in the nation," said Bartlett.

All of these programs take money, and prospects for increased state aid in most of the educational fields is growing dimmer under the cloud of one of the state's worst financial crises.

Republicans and Democrats are resigned to a deficit for next year, ranging from \$20,000,000 to \$50,000,000 even without increasing present services or creating new ones.

Legislators claim the general fund deficit will go that high by itself, not counting a \$10,000,000 deficit in school aid and the need for another \$14,000,000 just to handle increased enrollments.

Both sides agree new taxes will be impossible this year with three groups still conducting studies to determine the impact of taxes on business and industry and how to realign the entire structure.

Without saying so, both sides also are looking to 1958 as an election year.

LABOR UNIONS face another attack on their autonomy in the economy during the 1958 session of the legislature.

Senator Robert E. Faulkner (R-Coloma) plans a bill requiring unions to incorporate and become subject to the same regulations and laws governing incorporated business and industries.

These include periodic audits of their books and a requirement that no corporation can make direct political contributions.

As an added feature of Faulkner's proposal, he said, will be a ban on the secondary boycott, a union order barring members from buying the products of a struck plant.

Faulkner, chairman of the Senate Labor committee, is considering a right-to-work law for Michigan—the long-feared and long-fought foe of labor unions in all states.

It would enable a worker to work without the requirement of joining a union, knocking out the union shop in which an employee must join to stay on the job.

Neither is expected to pass this year, but the pressure is on now.

In Wixom Village:

Association Meet Postponed

Mrs. Charles Ware — Market 4-1601

Everett Pearsall has announced that the January meeting of the Wixom Civic Association which was scheduled for January 2 has been postponed until January 9, 1958 at 8 p.m. An interesting program has been planned and refreshments will be served.

On Monday, January 29, Hilda Fuman will be entertained at a luncheon and cards at the City club of Detroit. Hostess will be Agnes Teresa Murray.

Mr. and Mrs. Bernard Kitson had as their guests on Christmas day, their families, Mrs. Joseph Potvin and Joe Lee, Mr. and Mrs. Clarence Shelton of Walled Lake and family.

Mrs. Max Schoenburg spent Christmas day with Mr. and Mrs. Harold Schoenburg of Farmington. Mr. and Mrs. Charles Johnson spent Christmas day with their daughter and son-in-law, Mr. and Mrs. Frazer Hultz.

Mrs. John Chambers is in St. Joseph's hospital in Pontiac for observation.

James Slaughter and boys have returned to Coulee Dam, Washington having been in Michigan for the funeral of Mrs. Slaughter's mother, Mrs. Peter Croft. Mrs. Slaughter is still in Wixom with her father, Peter Croft.

Wixom elementary school will reopen Thursday, January 2.

Mr. and Mrs. Harry Seuhr spent Christmas day in Walled Lake with their daughter, Mrs. Newbound.

Mr. and Mrs. Fred Wagnitz had a family reunion on December 29. Those present were Mr. and Mrs. Myron Pickard and four girls, Robert and family, Gerald and family, Don and family and Pvt. Marvin Wagnitz and Patricia Hopkins.

Mr. and Mrs. Harry Scott of Florida and Mr. and Mrs. Roy Rudburg of California spent the Christmas vacation with the George Sherlocks of Farmington.

The Jess Birchards had as their guests on Christmas day Mrs. Victoria Payton and her four children.

Christmas day guests of the Joe Stadnik family were Lt. and Mrs. Francis Breckridge of Sacramento, Mr. and Mrs. Fred Thayer, Mr. and Mrs. George Campbell and family, Mr. and Mrs. George Campbell, Jr. and family, Pvt. Richard Campbell and family, Pvt. and Mrs. Dallas Dagenais.

Mr. and Mrs. Fred Thayer will honor Joseph Stadnik at a birthday dinner.

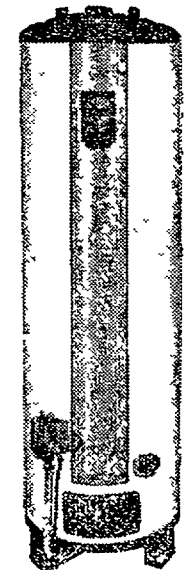

Ferndale Mayor Heads Mayor's Day

Mayor Bruce D. Garbutt of Ferndale has been named chairman of the Mayors Exchange Day, one of the highlights of Michigan Week, May 4 to 10.

Mayor Garbutt served as president of the Michigan Municipal League in 1954 and previously had served two terms on the board of directors. He was a member of the Mayors Exchange committee in the two previous Michigan Weeks.

Nearly every city and village in Michigan participates in the exchange of mayors. Pairings for the exchange will be announced following the drawing which will be held in Lansing this month.

TRAILER COACH PARK ORDINANCE VILLAGE OF WIXOM ORDINANCE NO. 31

An Ordinance to regulate the use of land, natural resources for trailer coach parks; to regulate the operation and maintenance of said trailer parks and the land on which they are located or to be located; to regulate and determine the area of yards, courts and other open spaces in which trailer parks coaches are to be located and to provide for the administration and enforcement of the provisions of this Ordinance and to prescribe penalties for any violation thereof.

The People of the Village of Wixom hereby Ordain:

PART I Purpose

Section 1.01. In pursuance of authority conferred by the Public Acts of the State of Michigan, being Act 143, of the Public Acts of 1939 and Act 255 of the Public Acts of 1941 and Act 52 of the Public Acts of 1949 and Act 216 of the Public Acts of 1955, being M.S.A. 5.278, or as amended, in such case made and provided for the purpose of promoting the health, safety, morals and general welfare of the inhabitants of the Village of Wixom, by lessening of congestion in the streets, reducing safety from fire, panic and such other dangers; providing adequate light and air; preventing the overcrowding of land on which trailer coach parks are established, avoiding undue congestion of population; facilitating the adequate provisions of transportation, water, sewage, schools, parks and other public requirements and by other means, in accordance with a comprehensive plan.

(a) STATE ACTS. Trailer Coach Parks shall comply with Act 143, of the P.A. of 1939 and Act 255 of the P.A. 1941 and Act 52 of the P.A. of 1949 and Act 216 of the P.A. of 1955, being M.S.A. 5.278, or as amended.

(b) BUILDING HEIGHT. No building or structure, hereafter erected or altered in a Trailer Coach Park, shall exceed one and one-half (1½) stories or twenty-five (25) feet.

(c) SIZE OF TRAILER COACH PARKS. Any Trailer Coach Park, hereinafter established after the effective date of this Ordinance, shall contain not less than fifty (50) trailer coach lots complying with the area requirements as specified below under (d) 1.

(d) So as to maintain yard space for the different sizes of trailer coaches or trailers, the following minimums shall be required.

1. An open area shall be provided on each trailer coach lot, to insure privacy, adequate natural light and ventilation to each trailer and to provide sufficient area for outdoor uses essential to the trailer coach, eighty (80%) per cent of the area of any one trailer coach Park shall not be less than three thousand (3,000) square feet in area and twenty (20%) per cent of the lots in any one trailer coach Park shall not be less than two thousand four hundred (2,400) square feet in area.

2. The sum of the side yards at the entry side and non-entry side of a trailer coach stand shall be not less than thirty two (32) feet, except that for twenty (20%) per cent of the lots having not less than twenty-four hundred (2,400) square feet of lot area, the minimum sum of side yards shall be not less than twenty-five (25) feet. Provided, however, there shall be a side yard of not less than fifteen (15) feet at the entry side of the trailer coach stand. There shall be a rear yard of not less than five (5) feet at the rear end of the stand and a front yard of not less than ten (10) feet at the front end of the trailer coach stand. For irregularly shaped side yards, the sum is determined as the sum of the average width of each side yard, provided that the required minimum above are maintained at all points in the side yard.

3. No trailer coach shall be located closer than fifty (50) feet to the right-of-way line of a main public highway, or twenty (20) feet to the Trailer Coach Park property line.

4. Paved, off-street car parking spaces shall be provided in sufficient number to meet the needs of the occupants of the property and their guests, without interference with normal movement of traffic. Such facilities shall be provided at the rate of at least one and one-quarter (1¼) car spaces for each trailer coach lot.

5. Each trailer coach lot shall be provided with a stand consisting of a solid concrete apron eight (8) feet wide by forty-five (45) feet long or two (2) concrete ribbons each not less than twenty-four (24) inches wide and forty-five (45) feet long and such apron or ribbons shall be five (5) inches in thickness and shall be of Grade A Concrete. Where concrete ribbons are used the area between the ribbons must be filled in with a six (6) inch layer of crushed rock or slag.

6. Enclosed canopies or skirting shall not be permitted on any trailer coach, provided, however, a uniform skirting supplied by the Trailer Coach Management may be permitted on approval of the Village of Wixom Zoning Board. Each Trailer Coach shall be jacked up on a uniform jack or block which shall be supplied by the Trailer Coach Park. No trailer coach shall have its wheels removed (except for repair), be placed on blocks, posts, walls or any other temporary or permanent foundations; and no other building or structure shall be attached to it other than one (1) metal utility cabinet. This shall not prevent the use of an awning of aluminum, canvas or fiber glass, which space may be screened in with mesh screen. Such screened area shall not be greater than nine (9) feet in

width and not greater than fifteen (15) feet in length, nor shall said area be enclosed or glassed in.

(e) In order that a Trailer Coach Park may be harmonious within itself and also with its surrounding neighbors, the following regulations shall be required:

1. Streets shall be provided on the site where necessary to furnish principal traffic-ways for convenient access to the trailer coach site, and other important facilities on the property. The street system shall provide convenient circulation by means of minor streets and properly located collector and arterial streets. Closed ends of dead-end streets shall be provided with a turning circle of not less than forty (40) feet outside radius.

The rights-of-way shall be of adequate width to accommodate the contemplated widths of pavement, sidewalk and planting strips, but shall not be less than sixty (60) feet for main drives or entrance drives and not less than fifty (50) feet for minor or secondary streets.

Streets shall be paved and such pavement shall be of adequate width to accommodate the contemplated parking and traffic load in accordance with the type of streets, but shall not be less than thirty (30) feet in width for main drives or entrance drives for two way traffic and not less than twenty (20) feet for minor or secondary streets limited to one way traffic.

Curbing shall be required, provided, however, the Village of Wixom Zoning Board may approve plans without curbs where such plans show other adequate means for the control of surface drainage, protection of the edges of the pavement and the roadway shoulder and for the prevention of erosion along the shoulder and derm of the roadway.

All streets and appurtenant structures shall comply with the standards as required by the Village of Wixom and the Oakland County Road Commission for subdivision streets.

2. The Trailer Coach Primary walk system, including walks along main drives and secondary streets, shall be not less than four (4) feet in width and not less than four (4) inches thick. The secondary walk system, including walks from each trailer coach entrance to facilities on the lot and connections to the primary walk system, shall not be less than thirty (30) inches wide and not less than four (4) inches thick. All walks shall be of Grade A concrete.

3. All electric lines, from supply poles and leading to each trailer coach stand, shall be underground and shall be located with a 3 wire balanced 115-230 volt supply. When separate meters are installed, each meter shall be located on a uniform standard post on the lot line of each trailer coach stand. Wiring shall comply with Detroit Edison Code for Trailer Coach Parks.

4. There shall be provided an area of not less than one hundred (100) square feet for recreation for each trailer coach lot in the Trailer Coach Park, with a minimum area of not less than five thousand (5,000) square feet, which shall be no longer than two (2) times its width, located not more than five hundred (500) feet from the furthest trailer coach lot served. Such area shall be developed and maintained by the management so as to provide healthful recreation for the children of the Trailer Coach Park. The following playground equipment shall be required for each area of five thousand or more square feet:

1 bench for children
1 sand box at least 100 square feet in area
2 swings and 1 slide for pre-school children
1 slide for school children.

5. A greenbelt planting strip, not less than twenty (20) feet in width, shall be located and continually maintained along all exterior boundary lot lines not bordering a street. Such greenbelt shall be composed of one (1) row of deciduous and/or evergreen trees spaced not more than forty (40) feet apart and not less than three (3) rows of shrubs spaced not more than eight (8) feet apart and which grow at least to a height of five (5) feet or more after one (1) full growing season and which shrubs will eventually grow to a height of not less than twelve (12) feet.

6. The front yard and the side yard adjacent to a street shall be landscaped and the entire Trailer Coach Park shall be maintained in a good, clean, presentable condition at all times.

7. No business, of any kind, shall be conducted in any Trailer Coach, Trailer or Building or on the premises of the Trailer Coach Park.

8. Street and yard lights, sufficient in number and intensity to permit the safe movement of vehicles and pedestrians at night shall be provided and shall be effectively related to buildings, trees, walks, steps and ramps, but shall be so located as to direct the light away from adjacent properties.

9. All fuel oil and all gas tanks shall be located on each trailer coach lot in a uniform manner. All tanks shall be of an approved type to comply with the building code standards and shall be equipped with vent pipes and with fused valves. All tanks shall be elevated on non-combustible stands and placed on a concrete base.

10. Each trailer coach may be provided with one (1) metal utility cabinet, which shall not exceed four (4) feet in width, three (3) feet in depth and five (5) feet

in height, which shall be uniform as to size and location throughout the Trailer Coach Park. All cabinets shall be kept clean and shall be maintained in a good condition.

11. There shall be no storage underneath any Trailer Coach and each trailer coach lot shall be maintained in a clean and presentable condition at all times.

12. Trailer coach lot line fences shall be uniform in height and shall not exceed thirty (30) inches in height and shall be constructed in such a manner as to provide firemen access to all sides of each trailer coach.

13. The grounds of the Trailer Coach Park shall be graded to drain properly.

(f) BUILDINGS. All buildings shall meet the requirements of the Village of Wixom Building Code and the requirements of the State of Michigan or the Federal Housing Administration whichever is the most restrictive.

(g) ENTRANCE AND EXIT APPROVAL. Entrances and exits from County or State highways shall have the prior written approval of the Highway Authority having jurisdiction within the Village.

(h) OCCUPANCY. No trailer coach shall be permitted to occupy space in a Trailer Park until the concrete stands are in place, all streets have been paved and properly drained, parking areas are complete, walks are in place, street and yard lights installed and electrical connections to each trailer coach stand is provided for. The greenbelt also shall be in place or a bond or certified check is made available to the Village Council, and in sufficient amount to assure the completion of the greenbelt planting.

PART II TRAILER COACH PARKS

Section 2.01. The Village of Wixom Zoning Board may permit a Trailer Coach Park to be established or extended in an R-3 District, when it is found, after a review of the plans, the State Application, and any other pertinent information, that such Trailer Coach Park will meet all the district requirements and the laws of the State of Michigan, and that such location, when fully developed and landscaped, will be in harmony with other uses in the district, and provided that the necessary community facilities are available to furnish services for the Trailer Coach Park.

PART III VALIDITY

Section 3.01. Should any section, clause or provision of this Ordinance be declared by the Courts to be invalid, the same shall not affect the validity of the Ordinance as a whole or any part thereof other than the part so declared to be invalid.

PART IV CONFLICTING PROVISIONS

Section 4.01. Any Ordinance or parts of any Ordinance in conflict with any provisions of this Ordinance are hereby repealed.

PART V PENALTY

Section 5.01. Any person, persons, groups of persons, associations or corporations or other agents, who violate any of the provisions of this Ordinance, shall, upon conviction thereof, for each day of said violation, be punished by a fine not exceeding One Hundred (\$100.00) Dollars or to be imprisoned in the County Jail of Oakland County for not more than ninety (90) days, or by both said fine or imprisonment in the discretion of the Court.

PART VI EFFECTIVE DATE

Section 6.01. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby Ordered to take immediate effect after final enactment and publication.

VILLAGE OF WIXOM
By: Joseph T. Stadnik,
President
COUNTERSIGNED
By: Lillian Byrd
Clerk

I, Lillian Byrd, Clerk of the Village of Wixom, do hereby certify that the above Ordinance was approved and adopted by the Village of Wixom at the regular meeting thereof held on the 12th days of November, A.D., 1957, and was Ordered to be given publication in the manner prescribed by law.

Lillian Byrd, Clerk
LITTERING OF STREETS
AND PUBLIC PLACES
VILLAGE OF WIXOM
ORDINANCE NO. 32

An Ordinance to prevent the cum-berring and littering of the streets and public places in the Village of Wixom, with dirt, ashes, filth or other substances.

The People of the Village of Wixom hereby Ordain:

PART I PROHIBITION

Section 1.01. No person shall himself, or by another, scatter, leave, deposit, or distribute in any street, lane, alley, park or public places within the limits of the Village any earth, ashes, mortar, papers, stone, brick, ice, dirt, manure, filth, excrement, chips or rubbish of any description, and any person in charge of wagons, carts, sleighs, or other vehicles used for carting or hauling the substances above named, or either of them, shall not load the same above the side or end boards thereof; and the box of any wagon, cart, sleigh, or other vehicle so used, shall be constructed with tight, close, sound boards and kept in such manner as to prevent the scattering or dropping of the contents thereof in the streets or alleys or other public places and in case of carting or hauling shavings, sawdust, dry ashes, dirt or other substance liable to be blown off or about by the wind, the same shall be safely and securely covered and secured by canvas or other suitable and sufficient material.

PART II PENALTY

Section 2.01. Any person violating any of the provisions of this Ordinance shall upon conviction thereof, be punished by a fine not exceeding one hundred (\$100.00) Dollars or to be imprisoned in the County Jail of Oakland County for not more than sixty days, or by both said fine and imprisonment in the discretion of the Court.

PART III CONFLICTING PROVISIONS

Section 3.01. That all Ordinances and parts of Ordinances inconsistent herewith are hereby repealed.

PART IV EFFECTIVE DATE

Section 4.01. This Ordinance shall take effect thirty (30) days after the passage thereof by the Village Council of the Village of Wixom.

VILLAGE OF WIXOM
By: Joseph T. Stadnik,
President
COUNTERSIGNED:
By: Lillian Byrd,
Clerk

I, Lillian Byrd, Clerk of the Village of Wixom, do hereby certify that the above Ordinance was approved and adopted by the Village of Wixom at the regular meeting thereof held on the 23rd day of December, A.D., 1957, and was Ordered to be given publication in the manner prescribed by law.

Science Speed Up

EDUCATORS are finding the answers to the challenge of the Russian Sputnik.

They concede the answers may be coming late but they retort to their critics that the nation was unexcited about academic achievements before that fateful satellite was launched October 4.

New sudden demands for a change-over from the arts and literature in the schools to raw science and mathematics have created their own problems.

Educators, while working desperately to help the United States catch up, are warning the nation against panic and a loss of other values in the quest for scientific supremacy.

Through the fall, with Sputnik beeping around the earth at 18,000 miles an hour, Dr. Lynn M. Bartlett, state superintendent of public instruction warned:

Russia has concentrated more on science in the classroom; has graduated thousands more engineers each year.

Michigan educators did not wait long after Sputnik.

Dr. Harlan H. Hatcher, president of the University of Michigan, announced the formation of a special institute of scientific minds to advise him on curricula.

The thought was to superimpose the thinking of brilliant men over the university's academic activities.

In addition, the university has stepped up the work of the Phoenix Project, seeking peacetime uses of atomic energy.

Michigan State university is planning a cyclotron as the hub of a

new quest into basic research in the field of nuclear physics.

This program will be added to another which has experimented for several years into the uses of nuclear energy in peacetime fields.

Bartlett's office has taken another major step toward working out an expanded science program for the high schools.

A special committee of educators and scientists, among them leaders of the Phoenix project, has developed a special bulletin for teachers.

The thick volume was inspected and approved by leading educators at a recent Lansing meeting.

"We think this is the first such attempt in the nation," said Bartlett.

All of these programs take money, and prospects for increased state aid in most of the educational fields is growing dimmer under the cloud of one of the state's worst financial crises.

Republicans and Democrats are resigned to a deficit for next year, ranging from \$20,000,000 to \$50,000,000 even without increasing present services or creating new ones.

Legislators claim the general fund deficit will go that high by itself, not counting a \$10,000,000 deficit in school aid and the need for another \$14,000,000 just to handle increased enrollments.

Both sides agree new taxes will be impossible this year with three groups still conducting studies to determine the impact of taxes on business and industry and how to realign the entire structure.

Without saying so, both sides also are looking to 1958 as an election year.

LABOR UNIONS face another attack on their autonomy in the economy during the 1958 session of the legislature.

Senator Robert E. Faulkner (R-Coloma) plans a bill requiring unions to incorporate and become subject to the same regulations and laws governing incorporated business and industries.

These include periodic audits of their books and a requirement that no corporation can make direct political contributions.

As an added feature of Faulkner's proposal, he said, will be a ban on the secondary boycott, a union order barring members from buying the products of a struck plant.

Faulkner, chairman of the Senate Labor committee, is considering a right-to-work law for Michigan—the long-feared and long-fought foe of labor unions in all states.

It would enable a worker to work without the requirement of joining a union, knocking out the union shop in which an employee must join to stay on the job.

Neither is expected to pass this year, but the pressure is on now.

In Wixom Village:

Association Meet Postponed

Mrs. Charles Ware — Market 4-1601

Everett Pearsall has announced that the January meeting of the Wixom Civic Association which was scheduled for January 2 has been postponed until January 9, 1958 at 8 p.m. An interesting program has been planned and refreshments will be served.

On Monday, January 29, Hilda Fuman will be entertained at a luncheon and cards at the City club of Detroit. Hostess will be Agnes Teresa Murray.

Mr. and Mrs. Bernard Kitson had as their guests on Christmas day, their families, Mrs. Joseph Potvin and Joe Lee, Mr. and Mrs. Clarence Shelton of Walled Lake and family.

Mrs. Max Schoenburg spent Christmas day with Mr. and Mrs. Harold Schoenburg of Farmington. Mr. and Mrs. Charles Johnson spent Christmas day with their daughter and son-in-law, Mr. and Mrs. Frazer Hultz.

Mrs. John Chambers is in St. Joseph's hospital in Pontiac for observation.

James Slaughter and boys have returned to Coulee Dam, Washington having been in Michigan for the funeral of Mrs. Slaughter's mother, Mrs. Peter Croft. Mrs. Slaughter is still in Wixom with her father, Peter Croft.

Wixom elementary school will reopen Thursday, January 2.

Mr. and Mrs. Harry Seuhr spent Christmas day in Walled Lake with their daughter, Mrs. Newbound.

Mr. and Mrs. Fred Wagnitz had a family reunion on December 29. Those present were Mr. and Mrs. Myron Pickard and four girls, Robert and family, Gerald and family, Don and family and Pvt. Marvin Wagnitz and Patricia Hopkins.

Mr. and Mrs. Harry Scott of Florida and Mr. and Mrs. Roy Rudburg of California spent the Christmas vacation with the George Sherlocks of Farmington.

The Jess Birchards had as their guests on Christmas day Mrs. Victoria Payton and her four children. Christmas day guests of the Joe Stadnik family were Lt. and Mrs. Francis Breckeridge of Sacramento, Mr. and Mrs. Fred Thayer, Mr. and Mrs. George Campbell and family, Mr. and Mrs. George Campbell, Jr. and family, Pvt. Richard Campbell and family, Pvt. and Mrs. Dallas Dagenais.

Mr. and Mrs. Fred Thayer will honor Joseph Stadnik at a birthday dinner.

Ferndale Mayor Heads Mayor's Day

Mayor Bruce D. Garbutt of Ferndale has been named chairman of the Mayors Exchange Day, one of the highlights of Michigan Week, May 4 to 10.

Mayor Garbutt served as president of the Michigan Municipal League in 1954 and previously had served two terms on the board of directors. He was a member of the Mayors Exchange committee in the two previous Michigan Weeks.

Nearly every city and village in Michigan participates in the exchange of mayors. Pairings for the exchange will be announced following the drawing which will be held in Lansing this month.

News Around Northville

Ronald Niece of Seven Mile road will return Saturday to Western Military academy in Alden, Illinois where he will begin the second semester as a private first class. His promotion was granted before his Christmas leave.

Mrs. William Cansfield of West Dunlap street returned Sunday from Wayland, Michigan where she had spent Christmas visiting her daughter and son-in-law and new grandson, Rev. and Mrs. Wayne Smith and Stephen Edward.

Auxiliary Plans For Girls' State

Members of the local American Legion ladies' auxiliary took action at their December meeting to reserve five Girls' States delegates for Wolverine Girls' State held in June in Ann Arbor.

Four other local women's groups also sponsor delegates in addition to the auxiliary.

President Hazel Wright urges all members to attend the next regular meeting on January 9 at 8 p.m. at the Veterans' Memorial hall. Plans will be made for the coming six month's programs.

Mr. and Mrs. Richard Somers and Chuck of Grace street spent Christmas week with Mr. Somers' parents, Mr. and Mrs. Wilbur Somers, near Spencer, Iowa.

Penny Niece of Seven Mile road returned last week end to MacMurray college in Jacksonville, Illinois.

Mr. and Mrs. Louis Nagy of Fredrick street entertained the following guests at a Christmas dinner party last Thursday evening: Mr. and Mrs. Julius Feole and daughter, Delores; Mr. and Mrs. William Asher of Northville, Mr. and Mrs. Leslie Nagy of Livonia, Mr. and Mrs. Harold Dayton and daughters, Carolyn, Susan and Deborah of South Lyon and Michael Nagy of Florida.

Cub Scouts Meet Monday

The regular meeting of Cub Scout Pack 721 will be held next Monday, January 6 at 7:15 p.m. at the VFW hall.

The meeting will be under the direction of Cubmaster Robert Hunter with Arthur Prodrger in charge of Webelos.

Roger Babson's Forecast for 1958

(Continued)

Money Outlook

11. Money will continue to be "tight" during 1958 for new borrowers who have not established a satisfactory line of credit.

12. Owing to declining demands for funds, interest rates will decline in 1958.

13. Concerns with large numbers of employees will receive first consideration both by banks and by the government.

14. For fear of World War III, and due to declining business, many plans for expansion of plants will be postponed.

15. Money rates may be "fixed" during 1958 by an economic dictator.

16. Lower money rates will make it easier to sell long-term bonds during 1958.

17. The supply of non-taxable state, municipal, turnpike, and other "Authority" bonds will increase during 1958.

18. I forecast higher prices for many corporate bonds.

19. Investors will continue, during 1958, to switch from stocks to attractive bond issues; fear of war will rule all markets.

20. Bankers will fear that the government — as a part of the cold war — will appoint a dictator to direct the policies of all national banks, the leading stock exchanges, and investment dealers.

Labor Outlook

21. There will be a general fear that the government — as a part of the cold war — will fix wages in many industries and prevent further increases during 1958.

22. The revelations brought about by the investigation of the Teamsters Union may lead to important new labor legislation.

23. The Taft-Hartley Law will not be repealed in 1958, and may be made more severe. Much, however, will depend upon President Eisenhower's physical and mental condition.

24. Congressional attempt will be made to eliminate the present exemption of labor unions from anti-monopoly laws.

25. 1958 will be a sad year for labor leaders. I forecast that there will be an increase of unemployment during 1958.

26. I forecast that with the possible exception of the auto industry, there will be no national strikes during 1958.

27. I forecast that automation will slowly increase during 1958.

28. If wages should be fixed as a part of the cold-war program, retail prices will also be fixed.

29. All workers, especially office workers, will be more efficient in 1958. It will be more difficult for the next group of college graduates to get good positions at high wages.

30. For the past few years labor has been sitting in the driver's seat. Many industrialists and political leaders have feared that the country is now headed for a socialist or labor government. A cheerful sign now is that such fears may, temporarily at least, be forgotten. The American working man is himself becoming disgusted with too powerful labor leaders. This should be good news to all honest employers.

Outlook for Real Estate

31. Land adjoining cities and towns will increase in value during 1958.

ing 1958. This especially applies to small farms.

32. Large commercial farms will continue to prosper during 1958, but the small farmer will continue to suffer if dependent on farming.

33. Under an economic dictator, farmers would receive no increased price supports. If farm prices are fixed, they will be at lower levels.

34. Large cities may continue to lose in population. Large city real estate will sell for less, for fear of Russian missiles.

35. The growth of suburbs will continue, although many houses now occupied by well-paid executives will be forced on the market as their owners lose their present high-salaried positions.

36. Construction activity in many communities will decline. Older houses will come on the market.

37. In many sections of the country there will be a greater demand for co-operative modern apartments than for single houses, although old apartment houses will sell for less. More young people and old people will insist upon every modern convenience and upon locations not absolutely dependent on automobiles.

38. Well-located woodlands will continue to increase in price. This certainly applies to pine wood tracts, especially in the South.

39. Canadian oil reserves should begin to recover in price unless there is rationing of gasoline in the United States in late 1958.

40. The most important factor in connection with real estate is the parking problem, which is a curse of almost every city. Suburban real estate and farms owe much to the automobile, but the automobile industry is now reaching a stage where it could revolutionize present real estate prices. We owe the automobile industry a debt of gratitude for our present prosperity. It is a bellwether of general business for 1958. It is, however, like everything else, subject to the business cycle and may be a cause of the next depression. Another probable cause will be the failure of one of the big corporations whose stock is among the "30 Blue Chips" of the Dow-Jones Industrials.

Stock Market Outlook

41. The "bloom is off the stock market." We will have rallies and reactions during 1958, but the broad trend will be downward. This is the first time in many years that I have said this in my annual report. There is too much talk about missiles, bombs and fallout.

42. While the stock market has been going up during the past few years, the bond market has been going down. The reverse will take place during 1958. While the stock market is going down, the bond market will begin to creep upward. This especially applies to tax-free bonds, the purchase of which I strongly recommend.

43. Good cumulative non-callable preferred stocks will also be in demand during 1958. Owing to the money market, they recently suffered in price; but owing to lack of supply, they will be the first stocks to recover. Remember, I am now recommending only high-grade cumulative non-callable preferreds.

44. The large fortunes made in the stock market have come from buying non-dividend paying stocks at \$5.00 a share or under. These will be the first to reach a buying level. If you are to buy these low-priced stocks, you should seek companies without too much cumulative preferred stock outstanding. This is the opposite of the "preferred" recommendation in paragraph 43!

45. Large bank balances will continue to be a good investment in 1958. Many savings banks are now paying 3% to 3 1/2% interest. These balances, however, should not be looked upon as permanent investments, but rather as a means of enabling you to have cash available when common stocks reach a low level. This time may NOT come in 1958. Here again, much depends upon President Eisenhower's condition.

46. Although many corporations interested in atomic energy, electronics, rare metals, and other growth industries will become more prosperous and profitable to investors, some of these new companies will be wiped out. Hence, investors should be very careful in connection therewith.

47. Utility stocks should hold their own with regard to dividends and marketability. Electric power will always be in demand.

48. Most railroad stocks should be avoided. Most passenger business is now being operated at a loss. Trucks, buses, airplanes and private automobiles will ultimately force the government to take over the railroads. In the meantime, the securities of the long-haul railroads, which specialize in heavy freight, will be the best to own. The short-haul roads should be avoided by investors.

49. Notwithstanding the above, we cannot now become panicky or too bearish. Our country is not now operating on the Gold Standard which was responsible for many of our national crises, but is now on a Political Standard. Although Newton's law of Action and Reaction must continue to operate, yet Congress can for a while lengthen the prosperity cycles. This it will attempt to do even if it requires an economic dictator to temporarily

BIRTH

Mr. and Mrs. Arthur J. Donnelly announce the birth of a daughter, Deborah Lynn, on December 26 at Mt. Carmel Mercy hospital. She weighed six pounds, nine ounces. Mrs. Donnelly is the former Janie Beckel.
