

Mothers to March Next Wednesday

READY FOR THE MARCH — Necessary equipment for the Mothers' March on Polio — to be held next Wednesday evening, January 29 — is received by (l. to r.) Mrs. Phyllis Coulter, Mrs. Robert Beerbawer and Mrs. Frank Pauli from Mrs. Edward Angove, chairman of the march.

Northville mothers will again make their annual march against polio next Wednesday night.

Several score mothers will set out at 7 p.m., stopping wherever a porchlight is turned on.

The Mothers' March is North-

ville's primary fund-raising activity during the annual March of Dimes drive, which began January 2 and will end a week from Friday.

Mrs. J. W. Reynolds, chairman of the month-long drive and of the Mothers' March, said no goal is es-

tablished. But she was hopeful that Northville's contribution would exceed the \$1,500 given last year.

"With the success of the Saik vaccine," she said, "many persons feel that infantile paralysis is now a thing of the past. But they forget the hundreds of victims who are still crippled and who need continuing treatment."

The 1958 slogan points up that fact: "Survival Is Not Enough".

One stop for the mothers will be at the home of Ron Richardson, 814 West Main. Now 14, Ron was stricken with polio in 1948 and was cured through the national foundation and March of Dimes contributions.

Ron has 86 dimes — which equal his 5'11" height — ready to give to the Mothers' March next Wednesday.

A similar Mothers' March will be conducted in Novi township, with more than 35 mothers scheduled to stop at all homes where a porchlight glows. Last year, Novi residents gave more than \$500, and another \$500 was contributed by the township community fund.

Meanwhile, in Northville, a second major March of Dimes function was gathering momentum. The annual March of Dimes bowling tournament, conducted locally at Northville Lanes, already has drawn more than 200 bowlers. For further information, see story on page 10.

Gas Prices Down; Stations Announce New Credit Policy

Northville gasoline buyers are enjoying a 2.2-cent per gallon decrease in price this week, but must cough up the cash beginning February 1.

Eleven gasoline station operators announced to customers this week that no more credit would be allowed on their own books. They emphasized that company credit cards would be honored, however.

A letter sent by the station owners to customers pointed out that small profit margins and "labor cost, tax and insurance advances," had prompted the action to discontinue station credit.

All premiums, such as trading stamps, and discounts will also be curtailed the letter said.

The price cut took place on all grades of gasoline.

The 11 Northville area stations announcing the new policy are: Aitchinson Service, Biddle's Garage, H & H Standard Service, Main Super Service, Russ's Mobil Service, Shay's Northville Shell Service, Center Street Service, Sid & Walt's Service, Vern & Morris Service, Feele & Asher Service and West Seven Service.

High School Attracts 87 Bidders

Two Sewer Projects On Tap for City In North Section

Two major sewer projects were given tentative approval by the city council Monday night, both in the city's north section.

Engineer Harold Penn outlined plans and costs for storm and sanitary sewers down East street to provide service for the new high school.

Another storm sewer down Hill street with laterals on Grace, Carpenter, Horton and Novi streets was also detailed by Penn. The sewer will extend from the new Northville Heights subdivision on North Center street eastward down Hill and across Novi street.

While final estimates were not yet completed, the total cost of the projects is expected to reach \$70,000. Most of the cost of the East street sewer will be paid by the school board, while K & G Construction company, subdividers of Northville Heights, will participate in the Hill street project.

Total cost to the city will probably be nearly \$40,000.

Mayor Claude Ely directed the city engineer to consult with school engineers to expedite a final meeting with the school board on the sewer project. Councilmen hope to advertise for bids on the two projects in February.

In other business councilmen heard a letter from R. H. Amerman, Northville schools superintendent, concerning the Community Building. Amerman's letter was in answer to Councilman John Canterbury who sought a meeting on the matter. Presently, the school leases the building from the city. Some consideration has been given to the possible sale of the building to the school. Amerman's letter said that preliminary investigation into the possibility of purchase by the schools was in progress.

Mayor Ely directed Canterbury to arrange a meeting with the board of education in the near future.

In final business the council passed a motor vehicle racing ordinance (see page four), passed a resolution banning parking on the north side of Dubuar between Linden and Rogers, and approved the installation of two 15-minute parking meters in front of Gussell Drugs at Main and Center streets.

They also directed the city manager to join Plymouth in a program to obtain a joint plumbing inspector.

More Plans Made For Clean-up Drive

Primary campaign plans for "A More Beautiful Northville" campaign to be held in the spring got underway last week with the second meeting of the steering committee under chairman John Canterbury.

The committee established a sub-committee and defined their roles, and elected Joseph Crupi as vice chairman of the steering committee and Mrs. Peter Cuchetti as treasurer.

One specific project for the campaign — complete renovation of the city-owned clock located on the Methodist church tower — was suggested by Mrs. Harry Bray, representative of the Eastern Star and brought enthusiastic response from Coordinating council members.

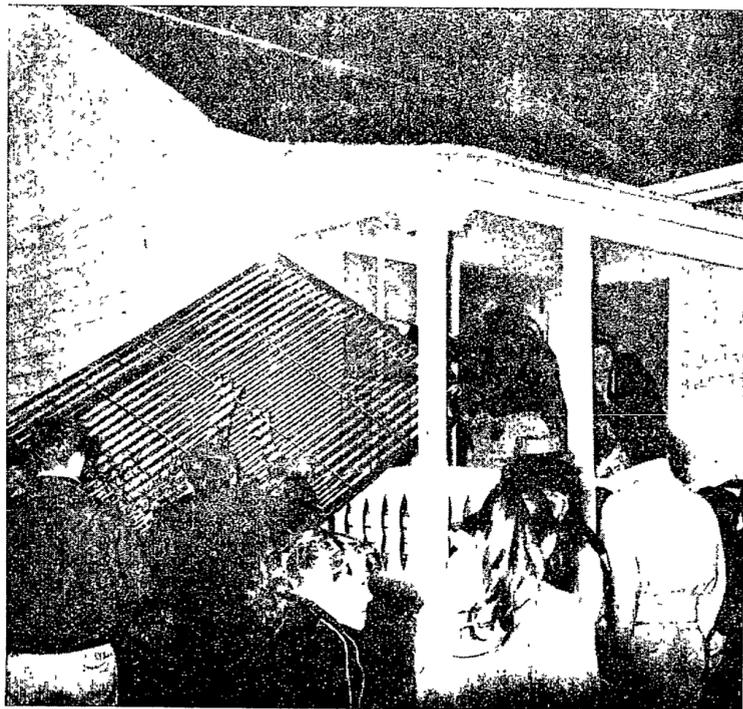

Let's Hear Those Parking Grips

City residents who have complaints concerning the new all-night parking ban in Northville may air their grips next Monday at 8 p.m. at the city hall.

Mayor Claude Ely designated the night for parking grievances after a delegation of businessmen appeared before the council last Monday.

Meanwhile, courtesy tickets are being placed on cars parking on the streets between 2 and 6 a.m. as a reminder of the new ordinance. Mayor Ely promised that no violation tickets would be issued until after Monday's hearing.

Police reported that 110 courtesy tickets were issued on January 18, then 47 and 23 on the following two nights.

EVERYONE PITCHED in to help the Harley Wolfram family save all the furnishings possible Sunday night before fire finally gutted the interior of their 358 East Main street home. Northville firemen battled the blaze for five hours Sunday night before the last spark was extinguished shortly before midnight. No one was injured although Mr. and Mrs. Wolfram and their children, Carolyn and Dale, were watching television when their furnace reportedly exploded directly below them. For more details and views of the interior after the fire did its damage, see page 8.

Court Orders Novi Suit Heard

Northville's request for dismissal of the Warren Products annexation suit was denied last Monday by Judge Clark J. Adams in the Oakland county circuit court.

Warren brought the suit following a November 19 election annexing 220 acres of Novi township to the city of Northville. Their suit claims that all voters of Novi township, not just those in the area to be annexed, should vote. Therefore, they claim the election was improperly called.

Northville Police Take FBI Course

Northville policemen last week began an intensive course in police work under supervision of instructors from the FBI.

Conducted in Plymouth, the course will last until March 4 and cover all phases of police work from the handling of mental cases, evidence search and arrests, to family trouble, search and seizure procedures, and analysis of a crime scene.

Northville asked for dismissal on the basis that the election was called by the secretary of state, not the city, and therefore Northville was an improper party to bring charges against.

Judge Adams denied the request and promised an early hearing on the case. He listened to oral arguments from attorneys representing Warren and the city and stated that the case should be tried on its merits, not dismissed on a technicality.

The 220-acre site extends west from Novi road to a line 1000 feet west of Taft road. It extends north from the city to the 8 1/2-mile line. Included in the area is Warren Products, Northville Lumber company and the new Yerkes Estates subdivision.

Ely New President Of Exchange Club

Officers for the first six months of 1958 were installed at last week's meeting of the Northville Exchange club.

The newly installed president is Charles Ely, Jr. Other officers include Eugene King, first vice president; Charles Lapham, second vice president; Merritt Meaker, secretary; Harold Bloom, treasurer, and Mike Green, sergeant-at-arms.

May Mean \$500,000 Lower Cost

Nearly 100 representatives of contracting firms jammed Board of Education offices to overflowing Monday night to submit competitive bids for the new Northville high school.

The keen bidding elated school officials who predicted that the entire high school project might fall \$500,000 below initial estimates.

Only \$80,000 separated the high and low bidders among the 20 general contractors. A low of \$1,013,000 was submitted by Smith & Andrews Construction company. Competition was nearly as close among the mechanical and electrical contractors.

Although all bids are being examined by school officials and architects before contracts are awarded, the low general, mechanical and electrical bids would place the cost of constructing the high school at \$1,514,772.

School officials estimate that this would bring the total cost of the high school building project, (including land acquisition, development and other miscellaneous costs) to less than \$2 million.

Before seeking the \$3 million bond issue in December, 1956, school administrators had predicted the high school would cost \$2,450,000. The entire bond issue was passed to provide an addition to the Amerman school (already completed), conversion of the present high school into a junior high school, and site purchase for a future school.

Architect Lynn Welch, representing Eberle M. Smith Associates, called the bidding the most competitive he had ever seen. Actually, 87 bids were submitted on nine contracts to be let.

Other bidding Monday night included kitchen equipment, home-making and arts and crafts equipment, laboratory equipment, gymnasium bleachers, auditorium seating and site development.

Low bids in these categories added to the building construction cost would bring the total to \$1,694,191.95.

Decisions on terrazo flooring, stage, gymnasium, sound system and switchboard equipment remain to be made by the board. This could bring the total to \$1,728,951.95.

Bids on the \$1,850,000 in Series B bonds to pay for construction were scheduled to be opened last night (Wednesday). A \$500,000 Series A bond issue was sold last year and covered costs of the Amerman elementary addition and certain architect and site development costs for the high school.

Work on the high school is scheduled to begin March 1. Ground preparations are already underway at the North Center street site. Architects estimate that construction will require 400 days setting April, 1959 as a likely completion date.

Low bids submitted Monday were as follows:

- Smith & Andrews Construction company, general contractor, \$1,013,000 bid.
- Howard Contractors, Inc., mechanical contractor, \$345,900 bid.
- E. H. Dean Electric, electrical contractor, \$155,872 bid.
- A. J. Marshall company, kitchen equipment, \$44,590 bid.
- University School Equipment company, home-making and arts and crafts equipment, \$27,608.95.
- W. D. Gardon company, laboratory equipment, \$26,650 bid.
- Clyde Bickel company, gymnasium bleachers, \$18,966.
- Superior School Equipment company, auditorium seating, \$12,035 bid.
- G. A. Morrison company, site development, \$49,570.

New P-TA Series Begins Tonight

The first in a new series of Northville P-TA programs exploring current theories of education and their application in the classroom will be presented tonight.

Dr. Chester McCormick, of the Wayne State university college of education, will conduct the program. The meeting tonight (Thursday) will begin at 8 p.m. in the Northville community building. Refreshments will be served after the program.

Mustangs Meet Wolves In Showdown of Year

The game of the year awaits Northville basketball fans tomorrow night.

Clarkston's powerful Wolves, fresh from an overwhelming 92-65 defeat of Holly, will invade the community building for their first tangle with the Mustangs.

Clarkston is rated eighth in the state among class B schools, and second in the Detroit area.

The league-leading Wolves hold an

8-0 record for the year and their 72-point scoring average is one of the highest in the Detroit area.

Last year, Clarkston tied Northville for the Wayne-Oakland league championship after a slow start. The Wolves and Mustangs split in their two meetings.

Northville coach Stan Johnston wasn't making any predictions or letting any strategic plans slip out this week, but the challenge facing him and the Mustangs was available for all to see.

To stop the Wolves, Northville must battle up three outstanding players: 6-3 center Dick Leppert, who notched 34 points last week; diminutive guard Leroy Parks, the "brains" of the Clarkston team; and big Bill Note, who has had several 20-point nights this year.

Whether Northville can do it won't be known until late Friday night. After a slow start, the Mustangs have rounded into form and have shown a steady improvement in each of their last four or five games.

Furthermore, Clarkston will be playing on a foreign court for the first time in three games — a factor which might aid the Mustangs.

Next week, the Mustangs will end their current five-game home stand against Brighton. After that they will play five of their last six games on the road.

Game time tomorrow night is 7 p.m. for the junior varsity and approximately 8 p.m. for the varsity.

Calendar

- Thursday, January 23
8 p.m. — Junior Chamber of Commerce.
- Saturday, January 25
10:30 a.m. — Story Hour, Northville Library.
- 9 p.m. to 1 a.m. — Northville Mother's club "Snow Ball", Northville Community building.
- Monday, January 27
6:30 p.m. — Business and Professional Women, First Presbyterian church.
- Wednesday, January 29
MOTHERS MARCH ON POLIO
- Wednesday, February 12
8 p.m. — BPW card party, Veterans' hall.

Let's Go Township

City residents are paying their school and county taxes at a faster rate than their township neighbors.

Clerk Mary Alexander reported that \$202,000 in taxes had been collected from city residents for an 85 percent total.

Treasurer Roy Terrill has collected \$151,000, or approximately 70 percent of the school, county and Northville township total. Residents of the city may pay their tax bills at the city hall, while township collections are made at the Manufacturers National Bank in Northville on Tuesdays and Fridays. February 28 is the final date for payment without penalty.

Shafer to Remain Resident of Area

Organizational changes announced last week by the Daisy Manufacturing company of Plymouth revealed that Robert H. Shafer, 18101 Sheldon road, had resigned as production manager of the air rifle firm.

Shafer submitted his resignation last November to become effective in March.

An active participant in community affairs, Shafer is a member of the Northville school board and township zoning commission. Shafer stated that his future plans are not yet definite, but that he will remain a resident of Northville.

Daisy, which will move to Rogers, Arkansas this year, announced the appointment of Robert O. Wesley, Ciro R. Scalingi and Russell M. Daane to vice president posts with the firm.

2—Thursday, January 23, 1958—THE NORTHVILLE RECORD

Order of Rainbow Installs Pat Willing

Pat Willing will be installed as worthy advisor of the Northville Order of the Rainbow at a public installation ceremony scheduled for 7.30 p.m. on Tuesday, January 28 at the Masonic Temple.

Penny Young is the out-going worthy advisor. Installed as the new worthy associate advisor will be Carole Lemmon.

Newton-Pioch Troth Announced

Mr. and Mrs. J. V. Newton of First street announce the engagement of their daughter, Ila, to Kenneth A. Pioch, son of Mr. and Mrs. Herman Pioch of South Haven, Michigan.

No date has been set for the wedding.

The new mother advisor will be Mrs. Lillian Cutright.

Other new officers include Barbara Rollings, charity; Ardith Robertson, hope; Janice McKinney, faith; Connie Springer, recorder;

Pat Willing

Linda McKinney, treasurer; Pat Robertson, chaplain; Joan Dunsford, drill leader; Carole Hawley, assistant drill leader; Suzanne Cowie, love; Betty Peterson, religion; Sharon Tanner, nature; Linda Cutright, immortality; Rita Bradford, fidelity; Sharon Newton, patriotism; Janet Famuliner, service; Penny Young, confidential observer; Steffie Reed, outer observer, and Judy Bridge, prompter.

Joyce Lemmon Weds Guy Brandt In Home Ceremony

Members and their immediate families and a few close friends witnessed the marriage ceremony of Joyce Lemmon and Guy M. Brandt, III, on Friday, January 10.

Parents of the couple are Mr. and Mrs. Bud Lemmon of Novi avenue and Guy M. Brandt, Jr. of Pontiac and the late Mrs. Brandt.

Attending the couple were Norma Lemmon of Grand Rapids, sister of the bride, and Bob Robinson of Pontiac, brother-in-law of the bridegroom.

Performing the ceremony at the bride's home was the Reverend Walter Ballagh, pastor of the First Baptist church of Lake Orion and former pastor of the Northville Baptist church.

The couple left for Fort Eustis, Virginia where they will make their home while Mr. Brandt is stationed in the army.

Miss Marianne King of Woodhill, a junior at Northville high school, was installed as first messenger in formal ceremonies of the International Order of Job's Daughters last Saturday evening in Farmington Bethel 55.

PLANNING A SNOW BALL — Comparing ticket sales last week for the Mothers' club dance, the "Snow Ball", to be held this Saturday night at the Community building, were Mrs. William Davis, Mrs. Edwin Langtry, Mrs. O. J. Robinson, Mrs. Alfred Parmenter, Mrs. William Weidner and Mrs. Richard Kay. Music for dancing will be provided by Tom Houghton's orchestra. Proceeds will be used to buy equipment for Northville schools. The dance will be held from 9 p.m. to 1 a.m.

Scott Cole to Speak On "Art in Japan"

"Art in Japan" will be the topic of Scott Cole when he speaks before the February 7 meeting of the Northville Woman's club.

Mr. Cole now teaches at Hillsdale college. He was with the 1st Cavalry in Korea and later a military aide in Japan.

Since the World Day of Prayer falls on February 21, the regular Woman's club meeting has been postponed until February 28.

At that time Mrs. L. M. Eaton will review "Bridge to the Sun"; a book by Gwen Terasaki.

Mrs. Howard Meyer of Eight Mile road showed and narrated mission slides at St. Andrew's Presbyterian church in Detroit last Wednesday night. The slides were taken during a Friendship Caravan trip through the south last year sponsored by the board of national missions of Presbyterian churches.

Three Cities Art Club Elects Northville Woman as President

The newly elected president of the Three Cities Art club is Mrs. Marjorie Becker of Timberlane drive, Northville, art coordinator for Livonia schools.

The club, composed of members from Northville, Livonia and Plymouth, elected officers at its last meeting on Tuesday, January 14 at the home of Mrs. Hilma Aubert in Livonia.

Stanley Hench, art teacher in Plymouth community schools, is vice president, Mrs. Myrth Fishbeck of Plymouth, secretary, and Mrs. Mable Bacon of Plymouth, treasurer.

Mrs. Catherine Hartley of Northville remains as membership chairman and Mrs. Margaret Cramer of Wayne and Robert Clark of Livonia will be in charge of programs. Corresponding secretary is Mrs. Betty Spaeth of Northville.

A new office of business manager was created, to be filled by Mrs. Barbara McKenzie of Summerside Lane, Northville. She will handle all requests for public speaking engagements, portrait commissions, mural painting, etc. for members of the club. Mrs. Amy Edmunds of Plymouth is publicity chairman.

Plans for an exhibit at the new Plymouth library were discussed. Mrs. Sam Hudson of Plymouth is chairman for this show to be ready for the open house celebration of the new addition.

The by-laws of the club were reviewed and several changes made, including rules of membership. To remain in good standing members must attend eight of the 12 yearly meetings, pay the annual dues, and exhibit in the annual spring outdoor art show.

Candidates for membership should be over 21, proposed by a member in good standing, with three examples of original art work to be submitted.

Novi Justice Performs Ceremony

Married January 11 by Justice William H. MacDermid in Novi were John W. Miller of Walled Lake and Joyce Parshall Meisner of Howell.

The ceremony was conducted at the home of the justice. Attending witnesses were Miss Meredith Parshall of Ypsilanti and Joseph Stubbe of Walled Lake.

Local Red Cross Committee Begins Work on City Survey

The Northville branch of the American Red Cross held its annual election at the home of chairman Mrs. A. C. Carlson, Wednesday evening, January 15, 1958.

Miss Tarr will be working particularly with Red Cross volunteers in communities serving the Northwest area of Wayne county.

Officers for 1958-59 are: Mrs. A. C. Carlson and Mrs. Frank Beeks, co-chairmen; Mrs. Donald Severance, secretary; Mrs. Samuel Geraci, treasurer; Mrs. Clifford Turnbull, Mrs. Emma Reid and Mrs. J. R. Cunningham, board of directors; home service chairman, Mrs. William Canfield; canteen, Mrs. Edith McKenna, Mrs. Donald Secord; disaster, Charles Carrington, Al Jones; volunteer service, Mrs. Clifford Turnbull; blood co-chairmen, Mrs. C. Winter and Mrs. Robert Dixon.

Last night the disaster committee of the local Red Cross met at Mrs. Carlson's home to begin work on a city survey to get an idea of what Red Cross classes are wanted and needed in Northville. Miss Tarr has had 14 years with the National Red Cross Disaster Service Staff and she will aid disaster chairman Charles Carrington and co-chairman Al Jones in this survey.

Eighteen members were present to meet Miss Lillian Tarr, new Detroit chapter field service representative. The highlight of the evening was the film, "Disaster Dallas", shown and explained by Miss Tarr. She said that last year American National Red Cross spent more than \$32,000,000 on 295 disaster relief operations, averaging six each week, at a cost of \$46,000 per day.

Visiting Mrs. William Canfield of West Dunlap street this week were her daughter and son-in-law, Rev. and Mrs. Wayne Smith, grandson Stephen, and Rev. William Torrey of Wayland. Rev. Smith and Rev. Torrey attended the three-day Michigan Pastor's Conference held in Ann Arbor, sponsored by the Michigan Council of Churches. Presiding at one of the sessions on Tuesday was Dr. Harold Fredsell, former pastor of the First Presbyterian church of Northville.

**David Hamilton
Is Engaged
To Ann Arbor Girl**

Shirley Ann Birtles

Mr. and Mrs. Charles Vukin of Ann Arbor announce the engagement of their daughter, Shirley Ann Birtles, to David Austin Hamilton, son of Mr. and Mrs. Frank Hamilton of Plymouth avenue, Northville.

Miss Birtles is a graduate of Ann Arbor high school and is employed at King-Seeley corporation in Ann Arbor. Mr. Hamilton is a graduate of Northville high school and is employed at the Ford Valve plant near Northville.

No date has been set for the wedding.

**University Women
Plan Bake Sale**

The American Association of University Women, Plymouth branch, is now making plans for its annual used book sale to be held February 27, 28 and March 1 at the Kroger store in Plymouth.

Proceeds of the sale will be used for the club's fellowship fund for deserving students. Members are now seeking all types of books, but especially desire children's books and reference works.

Chairman for the sale is Mrs. Leon Scharmen of Plymouth, who may be reached at Plymouth 161-R11, or books may be dropped at the Forest Laundromat in Plymouth.

Last Thursday's meeting was held at the home of Mrs. R. V. Probeck in Plymouth. Co-hostesses for the evening were Mrs. Howard Raafaub, Mrs. John Demott and Mrs. N. J. Stanhope.

A panel of chairmen of study groups provided the programs.

**Northville
Girl Scouts**

GIRL SCOUT TROOP 17
At their last meeting members of Troop 17 held their court of awards and also had uniform inspection.

GIRL SCOUT TROOP 19
Troop 19 finished their puppets and put on the shows of Cinderella and Snow White. They popped popcorn and closed the meeting with a circle.

BROWNIE TROOP 1
Members of Troop 1 played bingo and made plans for a skating party in two weeks.

BROWNIE TROOP 4
Members of Troop 4 met at Carol Lipa's house to go ice skating on her pond. Their leaders, Mrs. Gibson, Mrs. Conley and Mrs. Atchison, were with them. Refreshments were hot cocoa and donuts.

**Symphony to Play
Family Concert**

"Fairy Tales in Music" is the theme of the fourth concert in the season's series by the Plymouth Symphony orchestra to be presented Sunday, January 26.

This family concert is a tradition with the 90-piece Plymouth orchestra and its conductor, Wayne Dunlap. Aimed at introducing the young people of the community into the world of great music, this program has proved to be one of the most popular of the season.

Three of the selections to be performed have been played on this program other years and are being repeated by "popular demand," Duke's "Sorcerer's Apprentice," Kleinsinger's "Pee Wee The Piccolo," and Ravel's "Mother Goose Suite."

Other selections include the overture to "The Magic Flute" by Mozart; Quilter's "Children's Overture," and "Through the Looking Glass" by Taylor.

For those who are too young to attend the concert, there will be a baby-sitting service at the high school, with trained Girl Scouts to serve as nursemaids.

The program will be at 4 p.m. Sunday and there will be no admission charge.

**Idaho Girl
To Marry
Larry Wing**

Sandra Bullington

Mr. and Mrs. Gale Bullington of Moscow, Idaho have announced the engagement of their daughter, Sandra, to Larry Wing, son of Mr. and Mrs. Willis Stafford of Spring Drive.

They are both students at the University of Idaho in Moscow.

No date has been set for the wedding.

**NEWS
AROUND
NORTHVILLE**

Mrs. E. B. Cavell is now making her home at 312 West Main street. She formerly lived at 315 Griswold.

Mrs. Elizabeth Cobb of Grace street is now a patient at Sessions hospital after a fall Sunday which resulted in a broken hip.

Mrs. J. R. McColl is driving to St. Johns Thursday to attend the funeral of her cousin, Dewitt H. Hunt, who died Monday at the age of 93. Mr. Hunt was the oldest Knight Templar in Michigan and it will be a Masonic funeral.

Miss Alayne Austin was feted at a miscellaneous wedding shower on Tuesday night by employes and former employes of Manufacturers National Bank at the home of Miss Pauline Graham of Seven Mile road. Co-hostess was Mrs. Bernice Newhouse. Among the guests were former bank employes Mrs. Faye Raeburn, Mrs. Gloria Erwin and Mrs. Gwen LaBarge and Alayne's sister, Karen, and her mother, Mrs. Edward Austin.

Bill Hiltz, son of Mr. and Mrs. Lawrence Hiltz of West Main, is one of several first year cadets at Kemper Military school in Boonville, Missouri, advanced to Phase II New Cadet. Cadets receive this rating on the basis of efficiency, attitude and conduct.

LOCAL GOOD CITIZENS — Selected by her classmates and faculty for outstanding work as a student good citizen, each girl here received a "Good Citizen" pin and certificate from the Sarah Ann Cochran chapter of the Daughters of the American Revolution on Monday. Shown left to right are Mrs. Walter Gempertine, regent, and good citizens Sulette Strader of Garden City, Suzanne Cook of Livonia Bentley, Janet Spigarelli of Plymouth, Sandra Pollock of South Lyon, Elsa Couse of Northville and Mrs. Kenneth Hulsing, Good Citizen chairman. A state-wide good citizen will be selected later.

**Palette and Brush
To Meet Tuesday**

The Palette and Brush club will have its regular meeting at the Westlawn Methodist church, corner Grand River and Ohio, Tuesday, January 28, 1958.

There will be a business meeting at 12 noon with luncheon to follow at one o'clock. The speaker will be Sarkis Sarkisian, director of the Society of Arts and Crafts school. His topic will be "The Trend in Contemporary Painting".

Members from Northville are Mrs. Joseph Sands, Miss Irene Kaluzny and Miss Virginia Kaluzny.

Plan Card Party

The Hill and Dale Garden club of Farmington is planning a card party to be held February 15 at 8 p.m. at the meeting room of the Farmington Savings and Loan association.

Tickets are available at the door or may be obtained by calling Mrs. R. R. Miller, Greenleaf 4-5303.

PROPOSED ORDINANCE
City of Northville
AN ORDINANCE TO REGULATE
AND LICENSE MECHANICALLY
PROPELLED VEHICULAR
RACING WITHIN THE CITY
OF NORTHVILLE

THE CITY OF NORTHVILLE
ORDAINS:

Section 1. No person (meaning individual, firm or corporation as the case may be) shall engage in conducting automobile, motorcycle, or any other type of vehicle racing within the City of Northville without first having obtained a license therefor. The granting of this license and the conducting of any such racing shall be subject to all of the conditions and regulations herein contained.

Section 2. All racing or speed contests in which mechanically propelled vehicles, of whatever nature or description, compete shall be deemed within the purview of this ordinance and subject to the licensing and regulatory provisions thereof. The basic license fee for the conducting of said races shall be as follows:

The base license fee shall be \$250.00 per day or for any fraction thereof; provided, however, that if the gross receipts for any such race, or contest, exceed \$2,000.00, an additional over-riding fee equivalent to 5% of the gross receipts in excess thereof shall be charged. In computing gross receipts any sums charged in addition to the regular admission price by way of admission or similar excise tax, shall not be included. The base license fee shall be payable to the City Clerk at the time of application therefor, the over-riding fee shall be payable to the City Clerk within 72 hours after the completion of any race or contest. It shall be the duty of the promoter or persons in charge of any race or contest to maintain true and accurate books and records indicating the gross receipts for any race or contest, which books and records shall be made available for examination or audit by the City Manager or his authorized agents or employees, upon request.

Section 3. No races which come under the purview of this ordinance, or racing activity, including warming up or time or qualifying trials, so called, shall commence before noon of any day for which a license has been issued under the terms hereof and all racing activity shall be completed by 11:00 P.M. of such day. Further, all such races or racing activity shall be completed within 5 hours from the time of the starting of same.

Section 4. The granting of licenses for the conducting of races which come under the purview of this ordinance shall be limited as follows:

A. No more than 4 of said licenses shall be granted within any one calendar year.

B. No races shall be allowed to be conducted upon Sunday or Memorial Day.

Section 5. Before any license is granted for the holding of any race, which comes under the purview of this ordinance, the individual, corporation, or association holding, conducting or operating such race shall execute and deposit with the City Clerk a good and sufficient surety bond or public liability insurance policy carrying the limits set forth below, executed by a surety company or insurance company authorized to do business in the State of Michigan; which bond or insurance policy shall meet the approval of the City Manager.

Policy or bond limits:
Public Liability — \$100,000.00 for each person, \$300,000.00 for each accident.

Property Damage — \$10,000.00 for each accident.

Said bond or insurance policy shall be conditioned upon the payment of any claim or claims of whatsoever nature arising out of the conduct of such races and for the payment of any judgment that may be obtained against the holder, conductor or promoter of such races, or against any driver, chauffeur, employee or agent connected with such races, arising out of any claim or claims for damages for injuries occurring as a result of such races during the time such persons shall remain in the area designated for viewing races and during the time they are approaching or leaving said designated area from the entrances to the grounds where such races are being held in the usual passageways permitted and used by pedestrians to reach such designated areas. Said bond or insurance policy shall be deemed to be for the protection of the public. The promoter, holder, or conductor shall be responsible for the safety of the persons attending the races and shall determine the areas wherein they shall be permitted to view the races.

Section 6. Before any applicant shall be granted a license for the holding or conducting of any race which comes under the purview of this ordinance, he shall state in his application his full name and address and he shall be fully responsible for the safe and proper conduct of said race. If such applicant be other than a resident of Wayne County, Michigan, he shall appoint some responsible agent or attorney within the City of Northville upon whom service of process may be made for the commencement of any suit or proceeding arising out of the conduct of such race. Such

agent or attorney shall be named in the application and the applicant will, before license be granted, agree in his application to accept service by process in the manner provided. The agent or attorney named in the application shall also acknowledge in writing that he agrees to accept and perform the duties required of him.

Section 7. Every licensee holding or operating any races under the provisions of this Ordinance shall, before entering upon the conduct thereof, spread or place upon the track upon which such races are to be held, calcium chloride, or other substance of like effect, in quantities sufficient to prevent the raising of dust as the result of such races; and such licensee shall during the conducting of such races, take such steps, by use of water sprinklers or other devices, as shall be necessary to maintain the track in such moistened condition.

Section 8. All admission tickets to any such races shall include admission to the area designated for viewing of the races and all persons entering the premises by admission ticket shall promptly proceed to and enter such designated area. In no case shall any person entering the premises be allowed to view the same except from the designated area unless such person or persons shall be conductors, promoters, officers, drivers and/or mechanics, actually engaged in the conduct of the races, or their agents, or persons authorized by such holders, conductors, or promoters, to police and enforce the provisions of this Ordinance and assist in the orderly conduct of such races, and it shall be unlawful for the holder, conductor or promoter of such races or their agents, to allow or permit persons to view said races except as herein provided.

No license shall be granted to hold any such races upon any premises which are not equipped with a grandstand for the seating and protection of the persons viewing such races.

Section 9. Every person who shall hold or attempt to hold any race which comes under the purview of this ordinance, contrary to the provisions of this ordinance and without first complying with the terms hereof; and any driver, chauffeur, agent or employee who shall participate in any race, which comes under the purview of this ordinance, held contrary to the provisions of said ordinance; and any person viewing such race, and holder, conductor or promoter, or agent of such holder, conductor, or promoter, who shall permit any person to view such race, except as herein provided; or any persons violating any of the other terms hereof; shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not exceeding One Hundred (\$100.00) Dollars, or imprisonment not exceeding Ninety (90) Days, or by both such fine and imprisonment in the discretion of the Court.

A public hearing will be held on the above ordinance at the next regular meeting of the city council at 8 p.m. on February 3, 1958 at the City Hall, City of Northville.

Willowbrook . . .

Emmanuel Amorgan of Detroit is a houseguest of his daughter and son-in-law, Mr. and Mrs. Ed Maloney of Ten Mile for a few weeks.

Bill and Joan Gould of Glen Ridge court entertained Ron and Maggie Kammer of Madison Heights Saturday night. Monday night they gave a birthday dinner for Joan's mother, Mrs. Samuel Glass of Detroit. Other guests were Mr. Glass and Bill and Sue Dean of LeBost. Bob Anderson of Malott is busy with his J.P. duties. The past two Fridays he has been busy performing marriage ceremonies at home. The Marygrove Alumnae had a chapter meeting January 18. Kay Pettier of Meadowbrook attended with Vi Cheeseman of Northville.

John and Marilyn Jamieson of West LeBost spent the week end before last skiing at Snow Valley near Gaylord. They were accompanied by Connie Cowhick of Lathrop Village and Dick Messick of Detroit.

Dennis Nelson of Malott is recovering from the mumps.

Bill and Donna Crowell of Meadowbrook went dancing January 11 at Oxbow Lake with 12 other couples.

The birthday club met January 9 at Arlene Rippey's home on Glen Ridge. Marge Williams of Glen Ridge was a guest for the evening. The members of Novi who attended were Audrey Ortwine, Chris Watson, Aida Brown, Millie McHale, Pat Kozak and Dorothy Paquette.

Eight years old January 11 was Bobbie Byrd of Mooringside. Their was a family party in her honor.

Clarence and Jean Greene of Meadowbrook spent Sunday afternoon at the home of the Alec James on LeBost.

Mr. and Mrs. Edgar Reeves of Detroit were the guests of the George Ames of Mooringside on Sunday.

The Calico Squares met Saturday, January 11 in Oak Park. The Howard Swicks of Meadowbrook attended. On Sunday, the Swicks entertained Mr. and Mrs. Harry Petty and Mr. and Mrs. Ed Fraleigh of Ann Arbor.

We are introducing this week Ralph and Leah Miller of 41135 McMahon. The Millers moved here from Farmington and Mr. Miller operates the Calumet Manufacturing company in Farmington. They both enjoy golfing, dancing and swimming.

Pinocle club met Monday, January 13 at Clare Miller's home on LeBost. Sophie Martin won the first prize and Jean DeWaard won the second prize. The third prize went to Jane Marinoff and Agnes Morrison won the consolation prize. The group will meet again January 27 at Agnes Morrison's.

In Wixom Village:

Judge To Speak to PTA

Mrs. Charles Ware — Market 4-1601

It is hoped that the PTA group of Wixom will have a full house on Thursday evening, January 30. Judge Arthur Moore of Pontiac will be guest speaker and will talk on juvenile delinquency.

Mr. and Mrs. Howard Randolph and daughter spent Sunday with their parents, the Delbert Geysers of West Maple road.

Sunday guests of the Julius Nelsons were the Bob Tomsetts of Detroit.

Bob Olson and John Ware spent the week end at Cadillac at the Olsen cottage.

Mr. and Mrs. Jess Birchard attended a skating party at Oakland lake, Pontiac, last Saturday.

The Wixom Planning commission met Monday night with Mr. Jewell, regional planner, who advised and counseled them for three hours. The commission will meet again this evening (Thursday) with Geer Consultants at 7:30 p.m.

Mr. and Mrs. Jess Birchard were dinner guests of Mr. and Mrs. Robert Sumpston of Plymouth last Sunday.

George Luorin is spending a week in California.

Mr. and Mrs. Gunnar Mettala celebrated their 12th wedding anniversary by going out to dinner and then going to the Masonic Temple to hear Andria Sogunira.

Mr. and Mrs. Delbert Geyer had as their guests last week, Mr. Geyer's brother and wife, Mr. and Mrs. Elmer Geyer of Drummond Island. On Friday the Del Geysers took them to Ithaca to visit their daughter, Mrs. Robert Monroe.

The ladies of the St. William's RAV are planning a smorgasbord dinner in the near future. The committees are in the process of formation. The cancer committee will meet at the home of Mrs. Charles Verhaag on 12 Mile, Novi, on Wednesday, January 22. This will be their first meeting in 1958 and it is hoped that a good crowd will be in attendance.

There will be a two week mission preached at St. Williams by the Dominican Father starting February 9. The first week is for the women and the second week is for the men. All are invited to attend.

On Sunday evening, January 19, when Dr. and Mrs. Vangieson were driving west on the new US-16 they discovered a young doe that had been accidentally hit by a motorist. They took her home and discovered that she had a broken pelvis. Dr. Vangieson has her in his hospital and is trying to save her.

Mrs. Midred Sanderson spent Saturday with Mr. and Mrs. Jack

Chambers. Mrs. Bernard Kitson has been confined to her home with the flu. Mrs. M. Marshall has recovered from the flu.

Wixom School News
The pupils of Wixom school are busy at their semester exams this week. The sixth grade group are taking social dancing.

The fourth graders are going on a field trip to the Ford museum this week.

Residents Form New Association

Residents of Brookland Farms subdivision No. 1 gathered last Saturday to form an association at the home of Mr. and Mrs. Delbert Steigerwald.

The subdivision and Northville Estates are the lone areas excluded from the proposed Novi incorporation.

During the combined social and business evening, the following officers were elected: Delbert Steigerwald, president; Julie Saut, vice president; Richard Huston, secretary, and E. E. (Bud) Adams, treasurer.

Horticulture Clinic Seeks Youngsters

A program outlining career opportunities in ornamental horticulture will be presented for the benefit of high school students next Wednesday as a part of the annual convention of the Michigan Association of Nurserymen in Detroit.

John Miller, owner of Green Ridge Nursery in Northville, has assisted in arranging the program for prospective nurserymen. Miller stated that any interested youngsters of the area may attend the panel discussion Wednesday, January 29 at the WWJ auditorium, 622 West Lafayette at 8 p.m.

Chairman of the program will be Dr. Don Watson, professor of horticulture at Michigan State university.

Miller will serve as moderator of several discussions during the three day convention including those on Dutch Elm disease and lawns.

Bake Sale Funds To Go to Polio

The Lawrence A. Sims auxiliary to VFW Post No. 3952, Walled Lake, is holding a bake sale on January 25 at Van's store on Main street.

The entire proceeds of this sale will be sent to the March of Dimes. Anyone wishing to donate may call the chairman, Mrs. W. Asch at Market 4-2266.

Couple Married

By Justice Bogart

Miss Marjorie Ann Gagne of Orchard Lake and Colon Dale Hurst of Farmington were united in marriage by Justice E. M. Bogart on Monday, January 20. Mrs. Bogart and Mrs. Grace Jenkins were the attending witnesses.

Mark Byard spent part of his vacation in Florida with his parents. They made the trip by plane and returned January 4.

Novi Driver Fined For Hitting Car

A Novi man was fined \$100, given a suspended 90-day jail sentence, and put on probation for a year for running into another car last month.

Raymond Fugate, 103 Pickford, pleaded guilty to a charge of reckless driving when he appeared before justice William MacDermaid.

Novi police chief Lee BeGole said Fugate struck a car driven by Lloyd Brewer, 657 Lucille, Walled Lake, at Novi road and 12 Mile on December 16.

CLASSIFIED ADVERTISEMENT RATES: 4 cents per word (minimum 70 cents). 10 cent discount on subsequent insertions of same advertisement. 10 cents per line extra for bold face or capital letters. CLASSIFIED DISPLAY ADVERTISING RATE: \$1.00 per column inch for first insertion, 90c per column inch for subsequent insertions of same advertisement.

1—CARD OF THANKS

For the many cards, flowers and visits that helped shorten the long hours of my hospital stay and to Chuck Hall for the television set, a heartfelt "thank you".
Leland Smith

The Novi Senior Girl Scouts would like to thank everyone who helped with their record hop Saturday night, especially those attending from Northville.

Dear People of Northville

We wish to thank the Northville fire department for their very prompt response to our call for help Sunday night. Feel safe in saying they were at our place in a matter of minutes, set up and ready for business. Never again will we complain of our taxes, not after the services received — the police directing, everyone helping to get our things out. We especially wish to thank all our friends and relatives who rallied around, some returning Monday to help out again. A special thanks to Mr. and Mrs. Herman Hartner, Sr., our next-door neighbors who turned over their garage and house to us for storage, even though some of the things were very smoky. To everyone who made coffee and passed it around to those who were helping in the icy night. All the offers we had of places to stay, things to wear, telephone to use. How can we ever express our gratitude to all who helped. Some we knew, some were perfect strangers. All we can say is, we would do the same for you.
The Harley Wolfram Family

DEAD ??

Over 1 million \$ of homes were purchased through the Western Wayne County Multiple Listing Service the last 3 mo. of 1957. I am proud to be a part of this group and to have participated in these fine sales. Business is NOT dead — all that is needed is a LIVE salesman. Let it be me. Glad to explain the Multiple Listing plan to you.

FARM ?

A dandy 60 acres at \$350 per acre. 2000 ft. frontage on paved road. Fine investment and a sure fire money maker.

NORTHVILLE ESTATES ?

Yes, one of those wonderful ranch homes, complete in every way — and at a price you will really listen to. See it today.

\$2,000.00 ?

will put you in this 3-bedroom home right in the city. Rent-like payments

\$75.00 Per Mo. ?

Yes, you can buy a lovely cinder block home on a full 1 1/2 acre lot with the school bus going right by the front door. Pretty soft.

HANDY HOME ?

This is it. Only 2 blks. from town on semi-private street. Enjoy closeness without noise. In this exciting 3 bedroom retreat.

\$1,000.00 ?

Yes, 2 homes with this small down payment.

BLDG. LOTS ?

High and dry in the country. All over 1 acre.

WATER SOFTENERS
Factory rebuilt and refinished softeners of many well known makes at sensational prices. Sizes from 30,000 grains to 100,000 grains — from \$50. All guaranteed. It is better to buy a good reconditioned well known make of softener than a new one of unknown quality. These softeners have been traded in on new Reynolds Automatic softeners and we stand back of them.

It will pay you to see us before you buy any softener. Every type and size of manually controlled, semi-automatic and the wonderful Reynolds fully automatic softeners on display. You can't beat the best and you can't beat our values. Come to see us or call collect for a representative to see you. We have a sales opportunity open in this community for a capable man of character.

Rolls 693 Series

Northville may have a budding Andy Varipapa on its bowling lanes. Mike Eastland, 15, recently put together one of the best three-game scores ever rolled by a junior bowler in Northville.

Bowling at Northville Lanes, Mike recorded 253, 220 and 221 for a 693 series. His 253 game included seven straight strikes.

ADVERTISEMENT FOR BIDS

for
Novi Community School District
Novi, Michigan

The Board of Education, Novi Community School District, will receive sealed proposals until 8:00 p.m., E.S.T., February 5, 1958, for the construction of an elementary school, located in Novi Township, Oakland County, at which time and place the proposals will be publicly opened and read aloud.

Separate Proposals will be accepted as follows:

Proposal A — General Construction Work

Proposal B — Plumbing, heating and Ventilating Work

Proposal C — Electrical Work

Proposal D — Site Development

Proposal E — Well and Pump

Proposals are to be delivered to the Office of Superintendent, Novi Community School District, Novi, Michigan, before the bid opening time. Proposals may be mailed to the Board of Education, Novi Community School District, Novi, Michigan, but must be received before 4:30 p.m. E.S.T. of the day of the bid opening.

PLANS AND SPECIFICATIONS may be obtained at the office of the Architect, Charles W. Lane and Associates, 3866 Washtenaw Road, Ann Arbor, Michigan.

PLAN DEPOSIT — A deposit of \$50.00 will be required for each set of plans and specifications. The deposit will be returned if the plans and specifications are returned in good condition within 10 days after opening of bids.

ACCESS TO PLANS — Plans and specifications will be on file for reference at the following locations:

1. Office of the Board of Education, Novi, Michigan.
2. Office of Charles W. Lane & Associates, 3866 Washtenaw Road, Ann Arbor, Michigan.
3. F. W. Dodge Corporation at Detroit and Flint, Michigan.
4. Builders and Traders Exchange at Detroit and Lansing, Michigan.

PROPOSALS are to be submitted on forms furnished by the Architect and be sealed in an opaque envelope with the name of the school and the bidder's name clearly written on the envelope.

A proposal guaranty is to accompany each bid. The guaranty is to be in the form of a Certified Check or Bidder's Bond for 5% of the amount of the proposal and made payable to the Board of Education, Novi, Michigan.

If the successful bidder fails to enter into a contract within fifteen (15) days after his acceptance, the proposal guaranty will be forfeited to the Board of Education as liquidated damages.

The accepted bidders will be required to furnish a satisfactory Performance Bond, and a Labor and Material Bond, both in the amount of one hundred percent (100%) of the contract.

No bid may be withdrawn for thirty (30) days after the official opening of the bids.

The Board of Education reserves the right to reject any or all bids in whole or in part and to waive any informalities therein.

January 8, 1958

Northville Board of Education Minutes

January 6, 1958

The meeting was called to order at 7:40 p.m. by President Nelson C. Schrader.

Present: Nelson C. Schrader, Waldo T. Johnson, Robert H. Shafer, Eural F. Clark, Superintendent R. H. Amerman.

Absent: H. Adrian Willis.

The minutes of the last regular meeting were read by the Secretary. There being no additions or corrections to the minutes, they were approved as read.

Communication:

1. Department of Public Instruction, advising that the fee due them from this District for the qualification of high school bonds is \$200.00.
2. Municipal Finance Commission, approving Series B bond issue of \$1,850,000.
3. Wayne State University, announcing Ninth Annual School Board Associations Conference.
4. Mr. John Canterbury, Northville City Council, re Community Center building.
5. Plymouth Community School District, re Community College.
6. Cash Receipts, as follows: \$26,637.87.

Report of Superintendent:

1. Dr. MacLeod has made a study of subjects studied by the last three graduating classes from Northville High School. Results of the study have been most enlightening and tie in very well with the work of the Junior High Curriculum Committee. Copies of the report may be found in the files.
2. William Russell has completed the requirements for graduation through off-campus courses, and is recommended for a diploma. On Superintendent's recommendation, moved by Mr. Johnson, supported by Mr. Clark, that diploma be granted to William Russell. Motion carried.

Unfinished Business:

1. Easement for water main: School attorney advised the Board that such an easement could not be granted without a vote of the people.
2. Robinson Property: School attorney was instructed to continue with negotiation.

New Business:

1. Community Center: Board discussed the offer of the City Council to sell the Community Center building to the school district at a reasonable price. Superintendent was instructed to reply to the City's letter, indicating that the Board would be interested in meeting with the Council's committee on this matter.

Report of the Treasurer:

Balance in General Fund,	December 31, 1957	\$18,704.35
Balance in 1949 Debt Retirement Fund,	December 31, 1957	\$1607.68
Balance in 1954 Debt Retirement Fund,	December 31, 1957	\$2,304.20
Balance in 1957 Debt Retirement Fund,	December 31, 1957	\$18.75
Balance in 1957 Building and Site Fund,	December 31, 1957	\$2,775.85

Mover by Mr. Johnson, supported by Mr. Shafer, that the report of the Treasurer be accepted. Motion carried.

Special Committees:

1. Junior High Curriculum: Mr.

William Crump, Chairman, presented regular monthly report of this committee to the Board. Motion by Mr. Shafer, supported by Mr. Clark, that report be accepted. Motion carried.

2. Report was given by Mr. Clark on the grading being done on the high school site. Progress is satisfactory and access road is now being graveled.

Report of Auditing Committee:

Bills and Payrolls approved as follows: Bills, \$13,691.92; Payrolls, \$46,714.41. Moved by Mr. Clark, supported by Mr. Shafer, that bills and payrolls be paid when funds become available.

Adjournment:

Motion by Mr. Shafer that the meeting be adjourned at 10:50 p.m. Mr. Johnson supported. Motion carried.

Robert H. Shafer, Secretary

Starts Wednesday, January 29 . . . Jeffrey Hunter and Sherree North in "NO DOWN PAYMENT"

IT STARTED harmlessly enough as a small blaze in the basement. But the flames quickly rose throughout the entire Hatley Wolfram home at 358 East Main street Sunday night leaving a total loss. Intense smoke in the basement made it impossible for firemen to enter without oxygen equipment. The view of the kitchen shows the refrigerator partially sunk in the burned out floor. Wolfram reported hearing an explosion in the basement and finding flames and smoke immediately. Local firemen were joined by the Plymouth department after it became apparent that the interior burning could not be snuffed out. Firemen worked from 6:40 until nearly midnight. A crowd of more than 100 persons watched the activity in freezing weather. The Wolframs are now residing with Mrs. Wolfram's mother, Mrs. Elizabeth Clark, 647 Thayer. Another picture on page 1.

Novi Highlights . . .

A large crowd attended the installation of officers at Novi IOOF Lodge on Tuesday, January 14. Earl Gray and his staff from Plymouth installed the following officers: George Kahl, NG; William Richards, VG; Leslie Mitchell, RS; Jack Kahl, FS; Hadley Bachert, treasurer; James Frisbie, chaplain; Russell Button, PNG; George Atkinson, RNSG; Glenn Salow, LSVG; William Mairs, RS; Julius Bow, LSVG; Roy Marshall, warden; Gail Enders, conductor; Erwin Martin, IG; Allyn Champion, OG; Frank Martin, RSS; and Edward Slentz, LSS.

Music was provided for the occasion by Irene Staman. A lunch followed the installation with Mrs. James Smart at the piano, assisted by her husband Jim who led the group in singing.

The IOOF lodge will have a visitation at Clarenceville on January 27. All members are to meet at the hall at 7:30.

Novi School News

Kindergarten — Bradford Bernard spent the holidays in Boston visiting his grandparents. Brenda Turner is a new pupil from Wixom.

Second Grades — David Rippey celebrated his birthday January 6 with treats for his classmates. Kenneth Bernard has returned from a visit with his grandparents in Boston. The second graders took a trip recently to the Guernsey Creamery and the Northville library. The children wish to thank Mr. McGuire and Mrs. Wilcox for their hospitality.

Fifth Grades — Morsella Doyle from Kentucky is a new student. The secretary and news reporter, Ellen Shunatona, has moved to Livonia. Bill Jansen is spending some time in Florida. Jack Alglin spent the holidays in Sunbury, Pennsylvania and Michael Watkins went to Beaville, Kentucky. Judy Dye is the new news reporter and Gail Fomes is substituting as class secretary.

New officers in Mrs. Pletsch's fifth grade class are: president Rickey White, vice president Tom Bingham, secretary Dave Keenon and treasurer Peter Wharton. James Doyle is a new pupil in the class and he comes from Manchester, Kentucky.

Fifth and sixth graders in Mrs. Salow's class were pleasantly surprised when Mr. Knodle paid an unexpected visit with prize money for the winners in the Goodfellow poster contest. Zeola Neely and Keith Crawford received \$5 each. Violet McQueen, Charles VanEvery and Tommy Doan each received a \$1.

Friday, January 10 was Barbara Atkinson's last day in Mrs. Salow's class. She will move to Detroit with her parents where she will attend Portland school.

Mrs. Penhale's sixth grade has lost one of its pupils, Janice Wobeck. She came to Novi from Bloomington, Illinois and has moved to Williams street in Plymouth.

Display Wins Award

A new neon sign will soon be glowing at Northville Men's shop as an award for a prize-winning window display.

Designed by Charles Lapham, the display featured luggage, shown filled for traveling. Competition in the contest was nationwide.

THE CHURCH OR CHRIST?

Perhaps you may think it strange that we put the Church and Christ in opposition to one another since Christ and the real Church are so closely connected. I believe you will understand what I mean when I tell you that the outward conformity of Churchianity is taking the place of Christ in so many places today. People seem to desire membership in a Church but see no need of repenting and accepting Christ as Saviour. They are careful about regular Church attendance (usually Sunday morning only) but they are careless about attending to those commandments of Christ which are to be practiced on week days as well. They are careful to keep up their reputation among the congregation but care little about the appearances of their lives before the all seeing Saviour. People are ready to defend their particular Church or Denomination against any attacks but remain strangely silent when Christ or His Word are under attack. And thus, the Church is taking the place of Christ in so many lives today. Reader friend, if you are a Christian your first alliance is to Jesus Christ. He should be first in our love, first in our devotion, first in our defense, first in service. Indeed let us crown Him the Lord of all in our lives.

NORTHVILLE

NEW CANDYMAN — James Hobson and his wife have purchased Paul's Sweet Shop from Paul Polino. A candymaker with Fanny Farmer for four years and with Ira Wilson Dairy for eight years, Hobson will continue making candy in his new shop. The Hobsons specialize in "Mackinac Island fudge," which they made for several years at the Michigan State Fair. They live in Dearborn at present.

Attends Conference

The Northville Exchange club was represented at the organization's national mid-winter conference in Lansing last week by Eugene King, vice president.

Community projects sponsored by Exchange were studied and reviewed at the convention.

The local club heard Thomas Rossotti of the Wayne County Training school staff at its Wednesday noon meeting this week.

First and Third Tuesday
of Each Month

Phone local news items in to the Society Editor, Northville 200.

Fire Department Answers Four Calls

Four calls were answered this week by the Northville fire department.

A home under construction on Fairway drive near Meadowbrook road was slightly damaged by fire last Thursday, and a fire in an automobile parked on Gerald avenue was put out on Friday.

Details of two others, one at the Douglas Bathey residence at 43905 Six Mile road on Thursday and another at 358 East Main on Sunday, will be found elsewhere in the Record.

BPW Members Plan Card Party

On Wednesday, February 12 at 8 p.m., the Northville Business and Professional Women are sponsoring a card party at the VFW hall on South Main.

Dawn Holcomb, chairman of the affair, has announced there will be table prizes and refreshments, there will be door prizes.

Tickets are \$1.25 and will be available at Freydl's Ladies' Store, Villa Dress Shoppe, or from any BPW member.

Goodwill Pickup Planned Tuesday

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for next Tuesday.

Goodwill trucks collect household discards of clothing, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up call the local Goodwill representative Mrs. Lora Ault at GR-4-4294.

Cars Damaged On East Main Street

An accident on Sunday afternoon on East Main street near Hutton involved cars belonging to Roger McClain of West Nine Mile road and Helen Forrette of Walled Lake. McClain told police that Mrs. Forrette's car indicated a left turn into the city parking lot. He started to overtake her car on the right when she turned right toward Hutton street. Mrs. Forrette said she signaled for a right turn and did not see McClain's car approaching on the right. Neither driver was injured.

Phone local news items — parties, dinners, trips — or just a friendly get-together with the neighbors — to the society editor, Northville 200.

Obituary

EUGENE PRINGLE STOCKING

Mr. Stocking, who had lived in Northville with his niece, Ione Palmer of Northville for some time, passed away January 17 at the Methodist home. He was born in Stockbridge in 1869 to Hiram and Mary Annie Meighan Stocking. He attended Michigan State university and had owned dairy farms near Perry, Owosso and Williamston before his retirement. He is survived by a brother, Professor C. H. Stocking; three nieces and three nephews. Rev. David Hills and Rev. Edwin Weiss had charge of the memorial service at the Methodist Home chapel. Burial was in Oak Lawn cemetery, Stockbridge.

THEODORE PARVU

Funeral services were held Tuesday for Mr. Parvu, who passed away January 18 at Pontiac hospital after an illness of five years. He made his home with his son, John, on West Maple road in Wixom. Mr. Parvu was born in Rumania in 1881 and had retired from farming 14 years ago. Surviving besides his son John are sons, Justin of Wixom, Emil of Seattle, Washington and Nick of Sioux City, Iowa; and a daughter, Mary Parvu of Sioux City, Iowa. Also surviving are 20 grandchildren. Services were held from the Richardson-Bird funeral home, Rev. C. Muraru of the Rumanian Orthodox church officiating. Burial was in Wixom cemetery.

Jerry McSafety Is In Novi Today

Jerry McSafety, whose talks on safety have delighted and instructed Detroit area children for more than a decade, will be in Novi today.

He and his master, patrolman Wayne Fernelus, are to appear at Novi school at 9:30 a.m.

Jerry is a puppet, and through him Fernelus gets across his message on all manner of safety practices. They are being presented by Northville auto dealer Marr Taylor.

C'mon Out - - - the Ice Is Fine

STEP - SLIDE - STEP - SLIDE—
In another 10 or 12 years, Doug Simpson will probably be teaching his daughter how to drive, but nowadays he's concentrating on helping her skate. That's her—Kathy—on the right, and on the left is Sandy Northup.

SKATERS ON SLED-BACK —
Debbie Older and Lynne Dickey couldn't decide whether to go skating or sledding, so they compromised: they'd do both. Trouble is, ice doesn't slope like a hill does, so the girls had to do all the work.

For years, the fish hatchery in Northville has been a quiet place. Beneath its surface, fish are developed, bred and made ready for restocking of distant streams and lakes.

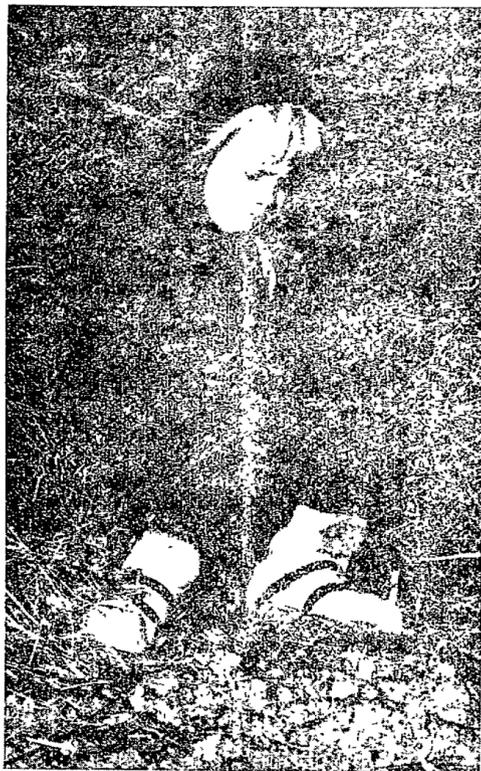

But this year, for the first time, there's activity above the ice as well as below it.

Thanks to the U.S. government and local recreation officials, the hatchery has become a good place for would-be Hans Brinkers and Sonja Henies to get in a few hours on the blades.

After school and on week ends, as many as three or four hundred skaters drive or trek out to the ponds. Skating, of course, can mean anything from pure precision on ice to downright incredible gymnastics, and all kinds are found at the hatchery.

Soon, there'll be speed skating and hockey. And if arrangements can be made, Northville will again have its annual skating races.

All in all, it's a lot of fun. Probably the only objection comes from the fish down below, who very likely aren't yet accustomed to those new upstairs neighbors who go swishing by so swiftly overhead.

TOO POOPED TO PERSIST —
Skating can tucker a young lady out, especially if she's just learning. Little Sazie Northup thought it was great fun, but after awhile she just had to take a breather.

GETTING READY FOR ACTION —
Gretchen and Mary Ann Sutton lace on their skates at benches provided along the pond's edge. The hatchery is open daily from 3:30 to 8:30 p.m. and on Saturday and Sunday from 9 a.m. to 3:30 p.m. Skating is supervised at all times.

ICY MONKEYSHINES —
Even skating doesn't wear the youngsters down. So Linda Bogart (left) and Cindy Smith pitched into a free-for-all on the ice. And when it was over, as you might guess, they went right back and started skating circles around their panting elders again.

Rust-Free Soft Water

with a

REYNOLDS
Softstream
WATER SOFTENER

"... We Need 'em Fast!"

THE SCENE IS the traffic department of any of the hundreds of manufacturing plants in Michigan. The time is 4:00 P.M. on any day of the week. The traffic manager is talking long distance to a supplier in another state about some parts needed for production.

"Send 'em by truck," he says, as he prepares to hang up, "we need 'em fast!"

He knows from experience that motor transport is the fastest link between shipping and receiving. He knows he can depend on it. In fact, he and thousands of his fellow traffic managers have been the men most responsible for the rapid growth of motor transport. Once they experienced the efficiency and speed of trucks, there was no satisfying them with anything less—and today their companies could not operate successfully without truck transport!

That's something for every wage earner in Michigan to think about.

March of Dimes Tourney Draws 200 Keglers Here

Nearly 200 Northville bowlers have participated so far in the annual March of Dimes bowling tournament—an event that may win them a trip to Mexico or a new car, and that is certain to aid hundreds of polio patients around the county.

The tournament is sponsored by the Wayne county March of Dimes chapter and is conducted locally at Northville Lanes.

Tournament chairman Angie Gadioli said more than 300 Northville bowlers are expected to take part before it ends.

The two Wayne county winners—one man and one woman—will each receive a new 1958 Ford. And the state winners will each get a six-day, expense-paid trip for two persons to Mexico City.

To enter, bowlers must be members of leagues which bowl at Northville Lanes. The \$1 entry fee will

go to the Wayne county March of Dimes fund, and will be credited to the Northville drive.

Bowlers may enter each night that their league bowls, up through February 1. They roll three games each night, and are entitled to a handicap.

Last year, the Wayne county tournament netted more than \$40,000 for the March of Dimes. This year, county officials expect some 150,000 bowlers to take part.

The March of Dimes tourney originated in Detroit last year and has spread to many other cities this year.

In the Detroit area, it is conducted by the Bowling Proprietors' Association of Greater Detroit in cooperation with the Detroit Bowling Association and the Detroit Women's Bowling Association.

Survival

IS NOT ENOUGH

This is Johnny Fulwiler, of Atlanta, Ga. For three of his six years this gallant little guy has been fighting his way back from one of the most shattering blows being can sustain and live—an attack of bulbar-spinal polio that paralyzed his breathing, both his arms, both his legs, and his neck, diaphragm and abdomen.

Once it was hard to believe he'd live at all. He did. Then it seemed impossible he'd ever get out of his iron lung. But he did. Once that hurdle was overcome, it hardly appeared likely he'd some day run and play. But he did that, too.

You see, Johnny's initial survival was just the BEGINNING. It was far from enough for him or for his doctors or for the March of Dimes. And survival is not enough for thousands upon thousands of youngsters and adults still desperately disabled by polio.

The same March of Dimes that capped 20 years of saving lives with the development of the Salk vaccine must now enrich these saved lives by the magic of MODERN rehabilitation. That's why the March of Dimes needs your support today.

Milford Is Still Northville's Pal

It would get rather dull after awhile, but the Northville Mustangs probably wouldn't mind playing the rest of their schedule against Milford.

The Mustangs, despite a flurry of fouls that sent them to the bench one after another, picked up their fourth victory in two years over the Redskins Friday night with an easy 66-43 conquest.

The Redskins, class of the Wayne-Oakland league two years ago, were powerless as they dropped their fifth game in six starts this year.

The Mustangs were never at full strength after the first quarter, but played one of their better games of the year. The win was their fourth straight.

Milford made a game of it during the first period, but slipped in

the second and was routed in the third, when the Mustangs outpointed them, 24-3.

Cap Pethers again dominated the Mustangs' offense. The center netted 20 points, the second week in a row he cracked the charmed mark, and had near-complete control of the backboards.

Bob Starnes, whose two first-period baskets put the Mustangs ahead for the first time, sank 15 before fouling out. He put in nine points in the Mustangs' big third period alone.

From the start, Northville had trouble with fouls. Dick Biery had three early in the first quarter and was taken out. Bill Yahne had three in the second and finally went to the bench for good.

Starnes picked up his fourth in the third quarter and left permanently in the third quarter. And Pete Gross, coming in with less

than three minutes left, managed to squeeze in a quick four fouls before the final buzzer.

Milford scored first and was able to keep a point or two ahead until late in the first period. Then Starnes arched his two long shots to put Northville out in front.

In the second period, Milford's defense halted Northville long enough for the Redskins to move to a brief 20-20 tie. But, as Pethers began grabbing rebounds, the Mustangs suddenly found their mark. Outsourcing Milford 10-2, Northville ran up a 32-22 halftime margin.

The Mustangs came on strong in the third period. Bottling up Milford completely, Northville's lead soared to 21 points.

The fourth quarter saw Northville pad its lead to 25 points before the reserves took over with nearly four minutes left to play.

NORTHVILLE 16 16 24 10-66
Milford 14 8 3 18-43

Durocher to Speak At Meadowbrook

Leo Durocher, fiery ex-manager of the Brooklyn Dodgers and New York Giants baseball teams, will be the featured speaker at Meadowbrook Country club next month.

The occasion is the third annual Sportsman's Night Friday, February 7. Chairman of the program is George Rice, director of the club, while Bob Reynolds, well-known Detroit sportscaster, will MC the affair.

Gene Rawlins, Meadowbrook manager, expects upwards of 350 members, friends and guests to attend the program with a liberal sprinkling of athletes representing football, baseball, golf and hockey.

Sports

THE NORTHVILLE RECORD—Thursday, January 23, 1958—11

High-Scoring Colts Roll To Their Fourth Straight

The Northville junior varsity made it four in a row Friday night with a resounding 70-34 trouncing of Milford.

After a pair of heart-breakers earlier in the season, coach Al Jones' squad has now pulled up to a 5-2 record for the year.

Milford played Northville on even terms for the first quarter, but then the Colts lowered the boom. They piled up 58 points in the last three quarters, allowing Milford only six

points apiece in the second and fourth periods.

Gary Morgan, who collected eight points in the Colts' big third quarter, led Northville with 16. Dennis Fallon netted 14.

Larry Clark garnered 10 of Northville's 18 points in the final period, including two free throws three seconds before the game-ending buzzer.

Northville 12 18 22 18-70
Milford 11 6 11 6-34

STOP at NOVI INN COCKTAIL LOUNGE

HE'S GOIN' THATAWAY — Milford's Redskins screech to a halt as Cap Pethers intercepts a pass and takes off downcourt. Even teammate Bill Yahne seems to wonder what happened. Between them, Pethers and Yahne pretty much had their way under the boards.

Clarkston's Wolves Make Like Pros

Several score "gulps" could be heard around the Wayne-Oakland league late Friday night.

They came from the league's players and coaches as they heard the news of Clarkston's awesome 92-65 win over a highly-rated Holly squad.

It was a school record for Clarkston and the highest score in recent league history. And it gave the unbeaten Wolves an 8-0 mark for the year.

Clarkston was led by 6-3 center Dick Lippert who bucketed 30 points in the first half alone and finally ran his total to 34 while seeing limited action in the second half. Hot-shooting Leroy Parks came up with another 15 points.

The Clarkston victory all but spelled the end of the road for Holly, which was undefeated and tied for first place until meeting Northville two weeks ago. With two losses, Holly faces an uphill battle for the top position.

Northville, on the other hand, was boosted into undisputed possession of second place by the Clarkston win — the Mustangs' highest standing since the first night of action this season.

In other action around the league, West Bloomfield surprised Brighton, 63-43, as big Ralph Gordhammer sank 22 points. Brian Watson had 23 for the losers.

Bloomfield Hills took its first win of the season with a 44-39 decision over Clarenceville. The standings:

Clarkston	6 0
NORTHVILLE	5 1
Holly	4 2
Brighton	3 3
West Bloomfield	3 3
Milford	1 5
Clarenceville	1 5
Bloomfield Hills	1 5

The Coach's Corner

by STAN JOHNSTON
Northville High School Basketball Coach

The most crucial game of our half expired basketball season is facing our boys this Friday night on the home court. Clarkston sits on top of the league with a very commanding 6-0 record.

They have handled the other teams in the league with very little trouble and are coming to Northville this Friday night with strong confidence in picking up their seventh win to end the first round of league play.

Naturally, the drafters of the league schedule could not foresee this Friday night coming up when they dated the schedule two years ago. Northville with a five and one league record will be challenging Clarkston for a share of the top seat.

Both teams have played every other team in the league but each other. That is how the ball has bounced — each bounce building just a little more tension, anticipation and pressure on each team.

Clarkston has had a great scoring year. They haven't had to rely on a strong defense to win their ball games because their average of over 70 points a game has been all the defense they have needed.

Northville has not had a 70 point game yet this year. Our defense has had to pull us through many of our games. Our seven opponents have scored an average of 44 points against us which speaks well for our boys' ability to keep the opponent away from our basket. We hope our defense can hold up against the Wolves this Friday and that we can have as good or better night on offense.

Our team is looking forward meeting the boys from Clarkston because they have the scrap and determination to give Clarkston all they want in a night of basketball.

Wiggle-Wimp?

If it's not in the Yellow Pages maybe there's no such thing.

75 YEARS AND STILL

Maybe they couldn't tell you to the day when they first stepped into a Kroger store years ago. But they can tell you what they found. They found the people at Kroger made their shopping easy, pleasant, friendly. The years have brought a lot of exciting and progressive changes in Krogering—bigger stores, the newest in shopping conveniences, and even greater Kroger values to let you buy more and still go home with savings jingling in your pocketbook. But one thing hasn't changed—the friendliness at Kroger and the spirit of service. That is Krogering—the happy way to shop.

 Rev. George T. Neylan
 "Do Whatever He Tells You!"
 Universally, adults young and old, and
 children love a wedding. We all want to
 share in the happiness of the young wedded
 couple. Indeed it is a solemn, sacred occasion
 because it was instituted by God.
 When God instituted marriage in the
 Garden of Paradise it was as beautiful and
 sacred as in the church today. During the
 centuries that followed, the people intro-
 duced strange marriage customs.
 The state of married life, lost almost all
 of its sacredness and its dignity until Christ
 emphasized the unity and dignity of holy
 marriage. It was at the marriage feast of Cana
 that marriage was raised to the dignity of a
 Sacrament and restored all that was lost
 through the ages.
 At Cana, Mary, the mother of Jesus, told
 Him about the shortage of wine and the em-
 barrassment of the bride and bridegroom.
 Jesus did not say immediately that He would
 do something. But Mary said to the servants
 at the wedding: "Do whatever He tells you."
 She was confident that Jesus would ask
 the servants to fill the wine jugs with water

"Do Whatever He Tells You!"

Universally, adults young and old, and children love a wedding. We all want to share in the happiness of the young wedded couple. Indeed it is a solemn, sacred occasion because it was instituted by God.

When God instituted marriage in the Garden of Paradise it was as beautiful and sacred as in the church today. During the centuries that followed, the people introduced strange marriage customs.

The state of married life, lost almost all of its sacredness and its dignity until Christ emphasized the unity and dignity of holy marriage. It was at the marriage feast of Cana that marriage was raised to the dignity of a Sacrament and restored all that was lost through the ages.

At Cana, Mary, the mother of Jesus, told Him about the shortage of wine and the embarrassment of the bride and bridegroom. Jesus did not say immediately that He would do something. But Mary said to the servants at the wedding: "Do whatever He tells you."

She was confident that Jesus would ask the servants to fill the wine jugs with water

so that He might perform a miracle. She wanted to prepare the servants so they would not refuse Our Blessed Lord's strange request.

Today, the story is repeated. Mary has several times made known the Will of her Divine Son. She has said to us: "Please, do what He asks!" Pray! Make sacrifices! Repent of your sins! Pray for peace!"

Universally, the servants of the world are not heeding Mary's plea. Here in America too we find millions of people disregarding the Mother of Good completely. Unlike the obedient and reverent servants at Cana they ask: "Who is she, anyway?" That is why each day in our country we find marriage a thing of convenience. If it doesn't work out the first time you can always try again. That is why the moral fiber of America and the rest of the world is weak. There are all too many servants full of stubbornness and pride. Where there are such servants will be found a weak household.

If we want the future to be bright and if we sincerely desire peace in the world we must all get down on our knees and listen humbly to the Mother of God: "Do Whatever He Tells You!"

Events Out of the Past

ONE YEAR AGO

Northville had its biggest building year in history as more than \$732,000 worth of new construction went up in the city.

Northville board of education members took another step toward a new high school when they signed documents agreeing to purchase the Manning-Lockin site.

Novi was to vote February 18 on its so-called "race track" rezoning amendment unless effort was made to block it because of irregular petitions.

FIVE YEARS AGO

An attempt by the Township Improvement Association to stop circulation of petitions which would place the city-village question on the ballot was defeated by the Village Commission.

As part of the music appreciation program of the grade school, 22 sixth graders attended the Detroit Children's Symphony concert at the Masonic Temple in Detroit.

TEN YEARS AGO

Over 100 friends and relatives attended an open house at the home of Mr. and Mrs. Elmer Heichman of Farmington to extend their congratulations to Mr. and Mrs. Peter Keller of Randolph street who observed the golden anniversary of their wedding.

Six Northville boys who served together on Guam during World War II met for a reunion at Huck's Inn—Robert Ely, Gene Nitzel, Alex Funke, Robert Streng, Harold Tuck, and Bill Sutton were all present to put the pieces of a torn dollar bill together which they had divided among themselves on Guam.

Mr. and Mrs. G. P. Rooks moved into their home at 39033 Seven Mile road on New Year's Day.

FIFTEEN YEARS AGO

Mr. and Mrs. Edward Musloff of Nine Mile road celebrated their 50th wedding anniversary on January 6.

A. Russell Clarke was the newly elected president of the Northville Exchange club, succeeding George A. Locke to the office.

Northville Township taxes represented a total spread of \$57,326.50 on a total assessed valuation of \$3,786,202, according to the books of Roy Terrill, treasurer.

TWENTY YEARS AGO

Dayton B. Bunn took over the secretaryship of the Northville Wayne County Fair, succeeding Floyd A. Northrop who had held the post for 12 years. Elmer R. Smith was president. Elton R. Eaton, vice president and Fred Lyke, treasurer.

Mr. and Mrs. H. G. Marburger entertained at a dinner party in

honor of Miss Marguerita and Edmund Dowling a week before their marriage at Our Lady of Victory church.

A. Russell Clarke was appointed cashier of the Depositors State bank.

TWENTY-FIVE YEARS AGO

The second fire within six months razed the newly rebuilt barn on the Russell Walker farm.

Charles E. Rogers and Roy Clark as cooks, Leslie G. Lee in charge of the coffee percolator and Sherrill W. Ambler as head waiter served a pancake and sausage supper at the Methodist church.

FORTY YEARS AGO

F. N. Perrin and Sons added to their garage conveniences a new battery recharging outfit and a tire and tube vulcanizing apparatus.

NORTHVILLE TOWNSHIP TAX NOTICE 1957

NORTHVILLE TOWNSHIP TAXES ARE NOW DUE AND PAYABLE

I WILL COLLECT AT THE MANUFACTURERS NATIONAL BANK TUESDAYS AND FRIDAYS, STARTING FRIDAY, DECEMBER 13, 1957, THROUGH DECEMBER, JANUARY AND FEBRUARY. ANYONE WISHING CAN PAY BY MAIL ENCLOSING TAX BILL AND CHECK. RECEIPT WILL BE MAILED BACK. FEBRUARY 23 IS THE FINAL DAY TAXES ARE PAYABLE.

ROY M. TERRILL,
 TOWNSHIP TREASURER
 PHONE 2864

Schools receive an important part of the \$6,903,462 tax payments made by Edison in Wayne County in 1957

For the year 1957 Detroit Edison's total tax payments will be about \$38,201,000 to local, state and federal governments. Over half of this sum will stay right here in Michigan with \$7,478,014 going to local school districts in our service area.

The balance of these Edison tax dollars helps to build needed public projects and to support

police, fire and other vital services in your community.

As your electric company supplying your electric service, and as a corporate citizen paying taxes, we like to think that we are truly partners in the progress and growth of the 400 communities we serve in Southeastern Michigan.

Atchison Memorial Hospital Marks Seventh Year

Election of officers to its official board last week marked the beginning of the eighth year of Atchison Memorial hospital, which opened its doors to patients on December 11, 1950.

Five of the six board members have served since the hospital's beginning — Mrs. Walter Couse, Mrs. R. M. Atchison, Edward Angove, A. Russell Clarke and Edmund Yerkes.

HOSPITAL BOARD MEETING — Election of officers was the main order of business at the annual meeting of the official board of Atchison Memorial hospital last week. From left to right are A. Russell Clarke, vice president; Edmund Yerkes, Edward Angove, retiring president; Paul Beard, president; Mrs. R. M. Atchison, secretary, and Mrs. Walter Couse, treasurer.

Although small in size, approximately 4,000 patients have been admitted to the hospital for medical treatment since 1950. Strictly a medical hospital, the building has no operating room or obstetrical facilities.

The hospital is a non-profit corporation approved by Blue Cross, Michigan Medical service and the State Board of Health. Policies and finances are directed by the board.

First Robin Spotted in Town

The early bird has already arrived in Northville — and was spotted by an observant resident last Thursday.

Oscar Sulkowski of Railroad street reported to The Record that he saw what is probably the first robin to fly north in a Randolph street back yard.

Initiated into Eagles

On January 8 the Eagles Auxiliary of Northville initiated Rose Lomono and Vivian Aldrich.

Texan Gets Post For Michigan Week

Durward B. Varner, a native son of Texas, who in 1955 became the first vice president in the 100-year-old history of Michigan State university, will serve as chairman of the organization board for the 1958 Michigan Week celebration, May 4-10.

The board will mobilize all organizations and groups in the state for participation in the annual observance.

WORSE THAN IT LOOKED — From the outside, a fire Friday in a building behind the Douglas Bathey home, 43905 Sixe Mile, didn't appear too serious. But the building housed a craft shop, recreation room, and expensive lawn equipment. Among other things, a hi-fi system, power tools, and gardening tools were damaged in the estimated \$4,000 fire. It started when a oil furnace burst into flame, Bathey said.

GM Livonia Plants Top 1956 Payroll

The two General Motors plants in Livonia, which include a number of Northville residents on their payrolls, paid out \$3,000,000 more in wages during 1957 than in 1956.

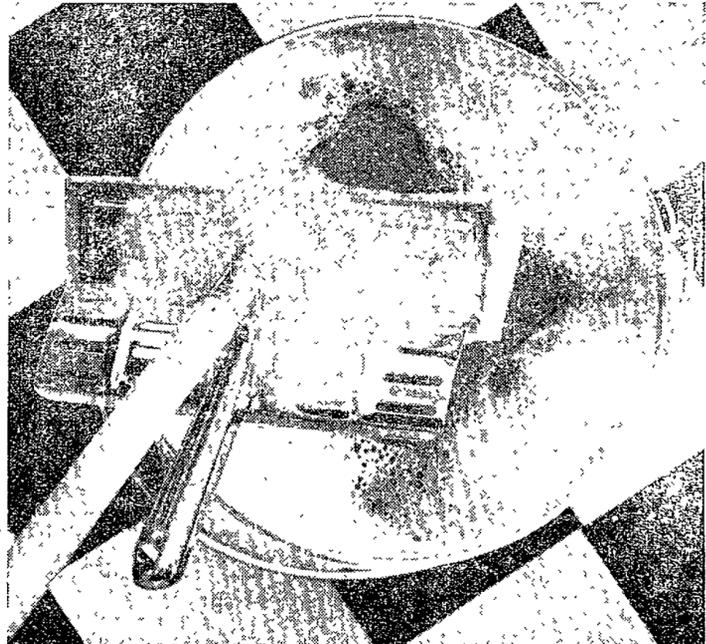

The two plants' 5,700 employees received paychecks totalling \$24,190,767 last year.

Plant officials also noted that the two plants — Chevrolet Spring and Bumper, on Eckles road, and the Fisher Body plant on Plymouth road, made substantial contributions to general business activity in the area. The plants purchased more than \$38,000,000 worth of materials from more than 1,000 suppliers in 1957.

Employees at the plants invested \$592,646 in U.S. savings bonds, and received more than \$23,000 in awards under the GM employees' suggestion plan.

The Fisher Body operation, under plant manager Donald W. Fleser, produces cushions, padding, sun visors, inside door trim and other interior trim.

The Chevrolet Spring and Bumper plant, headed by manager Robert B. Dow, manufacture leaf and coil chassis springs and bumpers for autos and trucks.

Sticky spots disappear easily when the water's hot.

MORE HOT WATER WITH EDISON'S NEW ELECTRIC WATER HEATING SERVICE

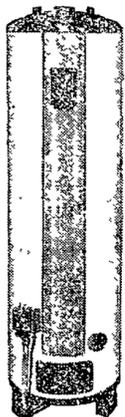

Only electric water heaters give you all these important advantages:

- ☑ Efficient—the heat goes into the water
- ☑ Install anywhere—need not be near a chimney
- ☑ Long life—meets rigid Edison standards
- ☑ Fast—new, more efficient heating elements
- ☑ Automatic—hot water always on tap
- ☑ Outer shell—cool to the touch all over
- ☑ Safe—clean—quiet—modern
- ☑ Edison maintains electrical parts without charge

All this adds up to the best water heating service ever provided in Southeastern Michigan

Cadillac

World's Best Answer to a Detour!

Pretty rough road, you'd say? Well, you certainly wouldn't be aware of it if you were sitting where these happy travelers are.

For they're in a 1958 Cadillac—and here, beyond a doubt, is the world's best substitute for a new highway!

Just what is this special Cadillac magic that works such wonders on a rough roadway? Well, let's take a look and see what happens to a bump when it meets the wheels of a new 1958 Cadillac.

First of all, it is softened by those big, buoyant, full-sized Cadillac tires

. . . then it is gently cushioned by those massive, perfectly balanced Cadillac coil springs

. . . or, if the extra-cost option of air suspension is

present, it is subdued by that miraculous cushion of air that cradles the entire frame

. . . then it is diminished still further by Cadillac's new hydraulic shock absorbers and by its specially engineered system of rubber body mountings.

And, of course, should any suggestion of it still remain, it meets its final demise in those deep, luxurious, Fleetwood-crafted seat cushions . . . and in the car's marvelous steadiness and balance.

All in all, it's the reason why a journey in a new Cadillac is the finest distance between any two points.

We invite you to try it for yourself—and to get the full facts about all of the beautiful Cadillacs, including the distinguished Eldorado Brougham.

News of Northville High School

N-Club Initiates New Members

The annual initiation ceremony inducting new members into the varsity club of Northville high school provided unusual doings and excitement Thursday and Friday, January 9 and 10.

The happenings were topped off during the halftime of the Northville-Holly basketball game Friday night when the new members dressed as women and did everything from providing wheel-barrow races

to singing for the packed house. Teachers, N-club members and other students all profited from the initiation. The new members polished the teachers' shoes, helped them clean up their rooms after school and did other things "their masters' " desired.

The new members wore burlap underwear, lipstick and their pants, shirts and tie backwards. During the course of a day those initiated did everything from carrying their master's books, singing before students in study halls, to rolling peanuts along the hall with their noses and kissing the girls.

The "N" club treasury swelled \$39.50 as a result of the auctioning off of slaves last Thursday night. Also adding to funds is the sale of programs at home basketball games by members.

Forensic Club Schedules Series of One Act Plays

At the last Forensic club meeting, tryouts were held for a series of three one-act plays to be presented in February.

The three student directors, Mary Welch, Becky Coolman and Lillian Zinnecker directed the tryouts. Becky Coolman is directing a

drama, "The Strange Road". Cast members of the play are Frank Muller, Sally Nelson, Marianne King and Julie Older.

In order to have variety in the club's presentation, Lillian Zinnecker chose the comedy, "Antic Spring". Members of the cast are Priscilla Hilton, Carol Tabor, Sandy Strasen, Doug Whiteford, Chuck Hix and Tucker Williams.

Mary Welch decided to have the comedy-drama "The Old Lady Shows Her Medals". The cast includes Betsy Merriam, Nancy Beard, Susan Clarke, Elise Wagenschutz, Ron Lahr and Jim Cowie.

This is the first presentation of one-act plays this year. The club plans to have another presentation in the spring.

Debaters Eye League Title

Last Tuesday the debate squad journeyed to Brighton for a league tournament debate.

Northville's second teams debated against the Milford and Brighton varsity squads. Julie Older and Bob Niemi debated affirmative against Brighton's negative team. Unfortunately, Julie and Bob lost, but our negative team, Carole Tabor and Chuck Hix defeated the Milford affirmative.

The debate coach, Miss Florence Panattoni, said that since Northville has won seven out of eight debates, we will either win the Wayne-Oakland league championship, or tie for it, since Milford hasn't finished their debates.

Commercial Club Plans Bank Trip

There are now approximately 20 members in the Commercial club. The program committee, Laura Bell, Judy White, Karen Thibos, Kathy Farley and Barbara Williams have planned a trip to the First National Bank of Detroit in February.

At the last meeting, the club announced a total of \$237.46 in the treasury. A motion was discussed that an adding machine be bought for the use of the school rather than using the money for a scholarship.

Pep Club Members Draw Constitution

Copies of the new constitution were handed out to members at last week's meeting of the Pep club.

Officers are now busily planning to initiate new members, which will take place on January 30.

Council Works On Polio Drive

From Friday, January 10 to Friday, January 31 the Northville high school student council will sell polio peanuts for the March of Dimes.

The slogan for this year is "T.A.P.", which means "Teams Against Polio".

The student council is also sponsoring a dance on Friday, January 31 after the Brighton basketball game with proceeds going to the March of Dimes.

Exams for this semester were held Tuesday, January 21 and Wednesday, January 22. Exams will run in the same order as classes, for example, Tuesday from 8.30 to 10 a.m. will be the exam for the first hour class, etc.

On January 27 and 28 the Alkston Studios will be at Northville high school to take student pictures. This photo program is sponsored by the student council.

Mr. Jones' seventh hour driver education class went to traffic court Monday, January 13 to observe traffic violation cases.

Miss Clark's home and family living class will soon be visiting new homes in Livonia.

On January 30, Mr. Quay's physics class will visit the Chrysler engineering plant. They plan to spend the whole day there.

G.A.L. Requests Use of Pool

A Girls' Athletic League board meeting was called to order by president Mary Welch last Thursday after school.

Some of the subjects discussed were membership cards, amendments to the G.A.L. constitution, and a party for all members to be held during the second semester.

Secretary Jayne Hammond is writing to the Wayne County Training school for permission to use their swimming pool. Active members of the club may participate. They will be supervised by Miss Patricia Bubel and Carol Sparling, who will act as assistant and life guard.

League Council Meets at Clarkston

On January 9, 1958 Dick Stuber, Elsa Couse, Carol Tabor, Susie Clarke, Janet Malott and Ardy Attwood went to a league student council meeting held at Clarkston high school.

Other students attended from all the schools in the Wayne-Oakland league. At the meeting the president was absent so vice president Dick Stuber conducted the meeting. They discussed the value of league student council; how hard it is to get parents to chaperon school affairs; how to increase interest in student council.

The Northville students who were at the meeting are now considering an assembly, at which a student council meeting would be held. More students would learn how the student council is run and how important it is to have one in a high school.

Students to See Katherine Hepburn

In addition to having rehearsals for the presentation of three one-act plays to be put on in February the Forensic club is planning to attend a play in Detroit this week.

The play, "Much Ado About Nothing" stars the famed actress, Miss Katherine Hepburn. This will be the second time the club has attended such a performance during the school year.

"Hoof Prints"

"Mustang Hoof Prints" is prepared and written by students of Northville high school under the supervision of Jesse Hise.

Acting Editor—Charles Parton
Staff members who prepared this week's Mustang Hoof Prints are Kay Spicer, Marilyn Miller, Joan Baskins, Jayne Hammond, Dennis Fallon, Sandra DeLaGardie, Sue Wallace, Kathy Farley, Shirley Schoof, Sharon Myers and Shirlynn Ellison.

Check Your Supply of Printing Needs BEFORE You Run Out.

Scouts Mush Their Way to the Yukon

Northville boy scouts joined with scores of others recently in the Sunset District's annual "Yukon Trek" at Warren Valley golf course.

Some 258 boys and 39 adult leaders took part in the winter scouting program, viewed by more than 100 spectators.

Adult leaders from Northville and Plymouth included Chris Hammond, Sid Strong and Ken Hulsing.

Each participating patrol 'mushed' with a homemade sledge from Fairbanks City to Yukon Plains by way of Copper Center, Fort St. Michael, Tik Chik Lake, Tanana Crossing, Mt. Drum, Mt. McKinley, Moose Creek and Kugruk.

On the way they demonstrated their skill in compass work, first

aid, ice rescues and tree recognition.

Awards were presented to the winning patrol and to the patrol with the best sledge.

The sledges were judged for safe-

Edison's Taxes Top \$14,000,000

Detroit Edison has turned over checks totaling \$14,921,609.52 as the company's share of 1957 property taxes in Wayne county communities.

The money will go into funds for public education, street and road improvements, fire and police protection and other activities in communities like Northville.

ty, originality and workmanship. Because of the interest of the scouts in this midwinter event some designs were very original. The sledges were pulled over the course by the members of each patrol. Personal gear of the patrol was loaded on the sledge.

Strong, director of the event, said "This Malemute Mush was the biggest, most successful midwinter event ever held in the Sunset District. The boys got a little cold but we checked their clothing to be sure no boy was not properly dressed for the conditions. We wanted them to have a lot of safe fun, learn something and have the satisfaction of accomplishment."

Ford Local to Send Students to Parleys

Employees of the Northville Ford plant, through UAW Local 896, will send Northville students to Boys

State and Girls State this summer. One boy and one girl will be sent to the conventions, where students from throughout the state gather to learn about Michigan's government by actually setting up a legislature and official family.

Local president William Wilson said the local sponsored a boy last summer and felt the idea was so successful that it should be expanded this year.

New Church Seen By Wixom Baptists

A spring ground-breaking date for a new church has been tentatively set by members of the First Baptist church of Wixom.

A special business meeting was called last Wednesday, January 15, at which membership decided to employ Chris Stekete, architect from Grand Rapids to design and supervise the building of a new church.

Initially he will present a master plan of the church's five acres and preliminary sketches of the first unit to be built.

SPEAKING for the Record

By BILL SLIGER

Farmington's city council is deeply concerned about the lack of proper development of its downtown shopping area.

Two weeks ago they decided it was time to do something about it. Consequently, Geer Associates, a Birmingham planning firm, was hired to suggest a complete program for the re-development of downtown Farmington.

According to Earl Scherffius, Farmington city manager, the council means to stand behind the findings of Geer.

While the council has taken the preliminary steps alone, Scherffius added that it has had the backing of many businessmen and would seek their cooperation in the completion of the program.

Like many other suburban communities, Farmington apparently fears loss of business to outside shopping centers, more attractive to the housewife who likes to shop in modern surroundings with convenient parking.

Specifically, the council has asked the consultants to tell them where to provide parking, improve or build streets, tear down buildings, erect new ones.

The planning alone will probably take three years and cost \$7,000. Some constructive changes may be made this year, however. The Farmington city manager said that the council is determined to back up the recommendations of the consultants with condemnation proceedings if necessary. "Naturally we hope to get the complete cooperation of the businessmen," he added.

Tentative plans call for a perimeter street around the downtown shopping area. Offstreet parking would be provided at strategic quadrants.

Scherffius said that the council hopes that by creating a more favorable climate in downtown Farmington, more business will be induced into the community.

"Already we have had several inquiries from businesses interested in locating here as a result of the announcement of this plan," the city manager added.

Financing a project of this scope will undoubtedly be the major stumbling block, although Scherffius said that there is a possibility of Federal aid.

The progress of Farmington's plan bears watching. Planning is one thing; application another. The road to the rosy end will present many knotty problems. How they cope with them will undoubtedly interest local councilmen and planners who have already recognized the need for certain improvements in our business section.

Roger Babson

Gravity in Our Lives

Babson Park, Mass. — For some years I have been contributing large sums to the Gravity Research Foundation of New Boston, New Hampshire. We have been trying to learn what gravity is — whether it can be controlled. Gravity influences everything from the lightest feather to the heaviest metal. Thus far, no INSULATOR has been found for gravity. To hold anything up against the force of gravity requires force.

Gravity May Be A Spirit

Some believe that everything — including thoughts, prices, morals, ambition and faith — are being constantly pulled down by gravity. I surely believe that such gravity has a constant downward pull on the stock market. As constant force is needed to keep up an airplane, kite or balloon, so constant buying is needed to keep up prices. Force can raise prices as it can raise a load in an elevator. Furthermore, prices will fall as soon as this force is removed. Sir Isaac Newton's Law of Gravitation will be found to apply to the actions of the stock market.

We hear much about "value lines", "Dow Theories" and various statistical formulas to forecast markets; but I believe they are all helpless to keep stocks up, or make them rise, except as they increase buying. By the law of gravitation, prices of all kinds, including real estate, bonds, and interest rates will fall unless supported. Thus the successful inventor usually need only wait until the artificial supports are removed and he can then get stocks at his own price. This is why General Electric, General Motors, and other good stocks sold for only a few dollars per share in 1932. They kept declining until support came. This will again repeat itself.

Outlook For World War III

Newton's Law of Gravitation will determine the future of international affairs. Conditions will continue to become worse until some nation falls. This need not be Russia. This fall will shorten the cold war, and either hasten peace or World War III. What Secretary Dulles, or

Churchill, or the Pope may say has very little bearing. What nation will be first to fail we do not now know, any more than we now know which of our big corporations will be the first to fail. It will be the first one from which support is withdrawn.

The same fact applies to our national politics. Every political party in power, remains in power until the public withdraws support. Then, by Newton's Law, it falls whether its principles are right or wrong. As the seed corn naturally falls to the ground so does everything else — good and bad. England and France won World War II because of the support of the U.S. The outcome of World War III, if it comes, will likewise depend upon the support of our present allies.

Gravitation of Morals

When I was a boy in church and Sunday School, I was seriously taught about a "personal devil" who was continually pulling me down morally. Now this "personal devil" has gone out of fashion in most modern thinking; but we are constantly being pulled down morally nevertheless. One great trouble with our nation today is that this "personal devil" is no longer popular and few preachers have given us anything worthwhile in its place. They should frankly tell us that "gravitation" is constantly pulling us down MORALLY as it is pulling us down PHYSICALLY. It finally pulls us into the grave.

All the above means that there is no ultimate protection in any stocks, bonds, mortgages, real estate, or anything else, but constant supervision, proper diversification, and courage to act. Hence, the rule is "from shirt sleeves to shirt sleeves in three generations" for those who neglect such support. Nature does not provide security for any of us. It is impossible to "retire" without rotting away. Constant struggle against evil is necessary for self-preservation, both for individuals and nations. This law of gravitation not money, missiles or other military equipment will decide our future.

GOP Going 'All Out' to Get Williams

REPUBLICANS ARE looking for a candidate seven months before they try again to wrest the state's top office from the Democrats. Many will come but only one will be chosen. The party is working on its "new look" as 1958 gets underway — setting up a \$228,700 budget and getting issues organized for the campaign.

They believe Gov. Williams, five terms in office and expected to try for a sixth, is in a more vulnerable spot than at any time in his history-making career in Michigan politics. Democrats, remembering the land-slides, cannot be budged from their confidence in Williams, who brought the party off the back streets and peopled state government from top to near bottom with the party faithful.

Every appointive office is held by Democrats, all administrative offices are in their hands. The last bastion of Republicanism — the legislature — is the party's next major target.

There has been an almost complete turnabout since Williams, appointed by a Republican governor as a member of the liquor control commission, made his debut in 1948 with a victory.

He was the only Democrat at the inaugural January 1, 1949.

Now, Republicans claim they are reviving in their party the same spirit Democrats brought into their first 10 years of political dominance.

Republicans have a budget for next year and an organization—rebuilt from the ground up in all of Michigan's 83 counties.

They will pay state chairman Lawrence L. Lindemer \$21,000 this year, plus a \$9,000 expense account. They will keep their publicist, Arnold J. Levin, and give him an assistant.

Democrats have shown the way of modern politics with professional-type television shows, statewide tours and year-around campaigning.

But most important, Republicans say, are the issues.

"After 10 years in office, the gov-

ernor admits, the state is bankrupt—he admits he is a failure," said Senator Edward Hutchinson (R-Fennville).

They point to the flight of business and industry to other states, changing that the moves are being made to escape Williams' proposed tax increases. They talk sincerely about the "unhealthy economic climate" produced by Williams' long record of little sympathy for businessmen's problems. They remind it is not so much what business faces today as what might be thrown at them anytime while Williams holds the whip-hand.

Democrats deny the assertions pointing to valid surveys showing that taxes are only a minor factor in the moves.

"But the businesses and industries are moving out anyway — perhaps not so much because they are threatened with ruin, but because they have been led to believe they might be," said one observer. The most potent issue, one that Republicans have ignored or only lightly considered in the past, is that Williams has been in office for 10 years.

Few officeholders can come up with a convincing answer to the "time-for-a-change" argument.

Even some Democrats are uneasy about the latest Williams proposal. The governor first said tax boosts should not be forthcoming this year. Within two months, he proposed a \$21,000,000 a year increase in the state intangible tax.

This, of course, was aimed at the wealthy coupon clippers who live off vast stores of corporate wealth and those whose fortunes are invested.

Shortly after the announcement, protests started flooding Lansing from the widows and the age retired citizens whose early thrift and wide investments are keeping them solvent and off welfare rolls.

About 57,000 individuals now file intangible tax returns, according to Gerrit Van Coevering, director of Inheritance and Intangible Tax division. And it is suspected many more should be doing so. It is dif-

icult to enforce collection of this type of tax. . . .

Regardless of other factors, the intangible tax has certain political advantages because it hits a relatively small proportion of the population. But a large percentage of those affected are retired, having saved their money when the dollar bought more than it does today.

About 40 percent of the taxpayers pay less than \$50 each. This equals 3 1/2 percent of total revenue. Only 4 percent pay more than \$1,000 which makes up 60 percent of the tax.

. . . .

Many now exempt because their savings return are too low, would be caught if the present proposal becomes law; those already covered would be paying about one-third more.

"This Williams idea is merely a tax on thrift," said Hutchinson.

LAW ENFORCEMENT agencies are trying again this year to repeal a 1956 law which enabled youths to be licensed to drive motor scooters at the age of 14.

It was proposed by the permanent committee of law enforcement officials because of the number of deaths resulting from motor scooter accidents.

The repealer would require that the drivers have driver education training in the schools and obtain licenses only when they become 16, on a restricted basis, or 18.

MICHIGAN BELL

TELEPHONE lines

SNOW IS FUN for the kids. But it sure can be disappointing for grown-ups, especially when it means that trips to visit friends and relatives have to be called off. Don't let the miles keep you apart when blizzards blow and the weather isn't fit for man or beast. Get together by telephone. Long Distance rates are low and you can talk as long as you want. Remember, when Old Man Winter spoils your trip, enjoy a visit the comfortable way—by telephone.

IF YOU'RE BUILDING or buying a new home you'll want to make sure it's "Telephone Planned." In a Telephone Planned home you can move your telephones around as easily as lamps. The telephone wires are built in by Michigan Bell (while the house is under construction) with convenient phone outlets, like electrical outlets, placed throughout the house. And the telephones are equipped with plug-in cords. Then you can rearrange the furniture wherever you want, and plug in the phones wherever they're most handy. For more information just call our Business Office.

SCIENCE can give us great entertainment, as the Bell System's television Science Series has shown. These shows have been awarded the Edison Foundation award as "The Best Science Television Program for Youth in 1957." What is more, they are helping to interest young people in scientific careers—careers which may well affect the future of our country. Be sure to tune to the latest in our series, "The Unchained Goddess"—the story of weather—next month on the NBC television network.

With a Gas Clothes
Dryer just a step from
her washer...

MRS. MODERN
Saves Herself Tons
Of Walking... Ends
Bending, Lifting, Lugging

LIVE THE MODERN WAY

A Gas Clothes Dryer
Saves Tons of Lifting,
Saves Miles of Walking,
Cuts Ironing Time,
Dries Clothes Faster

A Gas Clothes Dryer in the home laundry means an end to the tiresome task of lugging a heavy laundry basket out to the clothes lines. Never again will you carry 2 to 3 tons of wash a year. And you'll save up to 17 miles of walking every year, too. Besides the effort you'll conserve, a gas dryer will save time and do a better, cleaner job of drying your clothes.
