Scout Jon Batzer Gets God and Country Award

One of scouting's highest honors—the God and Country award — was presented to a Northville youth Sunday in recognition of his outstanding service to his church and practice of Christianity.

Jon Batzer, 15, received his medal from Rev. John O. Taxis during services at the First Presbyterian church of Northville.

Novi Offers Polio Shots

Northville adults and children will have an opportunity for polio shots at a special clinic at the Novi community building on February 20 and 25.

The inoculations are offered through a clinic sponsored by the Novi Mothers' club.

The first shot in the series will be given on February 20 and 25, the second next month, and the third later this summer. Hours are 10 a.m.-noon, 1-5 p.m., and 7-10 p.m. Each costs one dollar. Registration is not required, but Mothers' club officials have urged interested persons to sign up so that enough vaccine is available. Names will be taken by any Novi store, the post office, township hall, or Mrs. Richard Ritter (FI-9-2638), Mrs. Jack Crawford (FI-9-2712) or Mrs. Russell Taylor (FI-9-2714).

A Dream Comes True; Charles Off to College

Charles Wursching bade "auf wiedersehen" to Northville for awhile Sunday.

He packed his bags and left for Western Michigan university in Kalamazoo, where he will at last begin the education for which he has waited since 1952.

Charles returned to Northville from his native Germany in December, more than four years after

he had studied as an exchange student at Northville high school.

From the day he set foot in Germany, he had made plans and saved money for a return trip across the ocean. Finally, last fall, he made the journey.

Since his return, he has scraped hard to get funds to put himself through his first year at Western. Most of his hours were spent at the post office, but he also worked at the Old Mill restaurant and at such odd jobs as cleaning bee frames and checking insurance statistics.

With the help of a state scholarship, he feels he can now make it. "I'm the type of guy who can go two weeks with a dime in my pocket," he said.

His pockets may jingle a bit more loudly after Kalamazoo civic groups hear of him. He already has several engagements to address local organizations and show his slides of Germany.

Charles plans to emphasize history and political science at Western, possibly aiming for a master's degree. At present, he intends to make teaching his career.

Since coming to Northville, he has lived with the families of James Littell, Mike Gussell and Thomas Carrington, and has spent many hours renewing old acquaintances. "Now it's time to be off again," he said last week. "But spring vacation will come along soon... and this time it won't be quite so difficult to get back to Northville."

Dog Clinic Saturday For City, Township

Both city and township residents owning dogs may bring their pets to the city fire hall this Saturday between 10 a.m. and noon for vaccinations.

All owners are required to have their dogs vaccinated each year. Licenses must also be obtained before February 28 in the township and March 31 in the city. Licenses are available at the city hall and township hall.

'57 Was Good Year At Northville Downs

Attendance and betting fell off at Northville Downs last year, but thanks to a longer meeting, both the track and the city had a better year than in 1956.

That was the picture that emerged this week from the annual report of State Racing Commissioner James H. Inglis to the governor.

Inglis noted that attendance and betting were down at all tracks and that only a longer season enabled the tracks to show an improved year.

At the Downs, average nightly attendance skidded from 5,782 in 1956 to 4,736 last year — a decline of 18 percent.

And the average nightly handle dipped slightly from \$255,843 to \$249,917 — a reduction of 2.3 percent in wagering.

But the jump from 35 nights of racing in 1956 to 38 last year helped increase the total handle from \$8,854,509 to \$9,496,850.

As a result, the city received \$90,289 in pari-mutuel tax rebates last year as against about \$85,000 in 1956.

The Downs' earnings leaped to \$145,929 last year, compared with 1956 earnings of \$983 — seemingly a 14,500 percent gain!

But the low 1956 figure resulted from a huge depreciation writeoff. If the depreciation were included, the 1956 earnings would have been somewhere around \$120,000.

Even so, 1957 was apparently a good year for the Downs, earning-wise.

Despite the lower crowds and handles, the Downs managed to gain on Hazel Park in both respects. In 1956, Hazel Park led Northville by about 300 persons and \$45,000 per night, but last year the difference dropped to about 180 persons and \$22,000.

Northville still ranked well behind Wolverine, however.

Other notations in Inglis' fact-cramped report:

— leading drivers were Dana Irving, Ham Adams, George Kile, Carl Quinn and Dick Buxton in that order.

— best post positions were No. 1 (won 21 percent of the time) and No. 7 (won 13 percent).

— total handle at all state harness tracks was more than \$124,000,000 and total attendance was more than 2,105,000, both figures representing slight declines.

— the Downs' income from track commission, admission and concessions amounted to \$1,118,664, and purses totalled \$346,042.

The report also traced Inglis' successful fight against a fall racing meet at the Downs last year. The case went to the state supreme court, which granted a stay of the hearing two days after the meet was to open, thereby killing the proposed program.

Set Heating Fees

Inspection fees for installation of heating equipment in the township were adopted last week by the Northville township board.

The fees were set following recent adoption of the reciprocal heating code. They cover oil and gas burners, alterations and fuel oil tanks. The fees range from \$3 to \$75. A listing is carried on page six.

BANQUET GUEST — Noted TV entertainer "Sagebrush Shorty", shown here at the Optimist Rodeo last summer, will appear at the Northville Methodist church Father-Son banquet next Monday night. The dinner begins at 6:30 p.m. in the church fellowship hall.

Mustangs Win In Whistle Tooter

"The whistles are still ringing in my ears," said coach Stan Johnston Wednesday morning after his Mustangs had racked up a 57-44 win over West Bloomfield to move within a half game of first-place Clarkston.

A total of 49 fouls were called against the two teams, accounting for 47 of the 101 points scored.

Bloomfield led 9-7 at the quarter and 23-20 at the half, but Northville bounced back in the final half to win with ease.

Bill Yahne netted 17 points and Cap Pethers and Bob Starnes each had 11, as Rog Atchinson's scrappy defensive work held Bloomfield in check.

Tomorrow night, the Mustangs go to Holly.

Award Contract For High School To Walter Couse

Walter L. Couse and company of Detroit has been named general contractor for the new Northville high school by the board of education as one of three contracts which have been awarded.

Couse was the third lowest of 18 bidders for the contract at \$1,034,000.

Lower bids were from Smith and Andrews Construction company, \$1,013,000, and Henry M. Martens company, \$1,019,875.

The Couse bid was \$21,000 or two percent higher than the Smith and Andrews bid.

Speaking for the school board, president Nelson Schrader said that the Couse firm was chosen for the project because of satisfaction with past work for the school district and high qualifications for this type of job.

The Couse firm constructed the present Northville high school addition in 1950.

Contracts were awarded last week and the announcement made after the school board reviewed their decision with the low bidder Monday night.

Contracting for mechanical work was awarded to Howard Contractors, Inc., and electrical contracting went to E. H. Dean Electric company. Both were low bidders, Howard at \$345,900 and Dean at \$155,872.

Couse stated in his bid that the building would be completed in about a year, shorter than the 400-day construction period in contract specifications.

Tax Equalization Sought Under New Assessments

COURT-GOING HAYBURNER — Dusty Diana, Michigan's most famous pony of late, returned to Northville Downs this week. She's been the object of a court struggle between her owner, Hoyt Wilson, and her trainer, Ben Simms. Simms tried to keep Dusty Diana in settlement for delinquent training fees from Wilson, but a judge — after much delay — ordered her returned to Wilson. Diana's owner, Robert Delaney of Plymouth, still plans to pursue the case to the supreme court if necessary. Here she is shown with temporary trainer Dean Kaereher.

Novi Faces \$75,000 Law Suit

Novi township this week faced a stunning \$75,000 suit for refusing to allow dumping on a farm near Willowbrook Village.

Chris Nielson, owner of the farm on 10 Mile road west of Meadowbrook, said Friday he intended to sue the township for that amount.

Nielson was in Florida this week, but his attorney indicated to The Novi News Tuesday that suit would be filed soon.

Nielson charges that a decision Thursday night to refuse a dumping permit was "cut and dried" and that there is no valid reason for the denial.

Zoners Table Cady St. Request

One request for rezoning was granted and another tabled Tuesday night at a public hearing of the Northville Planning commission.

Property owned by the First Presbyterian church on Church street near Cady was rezoned C-2 to conform with present church zoning so that the property may be used for Christian education.

A request by Roy Stone and William C. Sliger to rezone lot 46 on Cady street from R-3 to C-2 was tabled by the commission.

Approximately one dozen residents of the area attended the session to object to the change. They presented a petition indicating the majority opposed rezoning.

In voicing their opinions before the planning group the residents objected principally to the rezoning of a single lot. Some residents asked that the entire street between Center and Church on the north side be zoned C-2. Others objected to the proposal that the site might be used for a printing plant.

Chairman Thomas Carrington stated that the matter would again be taken up by the commission at its next regular meeting, March 23.

Time Changed For Circus Trip

Buses will leave the rear of the Community building for the Shrine Circus at 11 a.m. Saturday morning, rather than 12:30 as previously announced.

According to Northville chief of police Joseph Denton, nearly 90 boys and girls have signed up for the trip.

The decision was made by the Novi board of appeals, acting on Nielson's application for a permit.

The board denied the application on grounds that the dump could easily turn into a nuisance and that, because of a high water table, it might pollute the water supply for nearby Willowbrook Village.

Nearly 60 Willowbrook residents packed the township hall to argue against the permit, but their presence wasn't needed after listening to Nielson's arguments, the board quickly voted to deny the permit.

After the decision, Nielson warned, "You haven't heard the last of this."

The trouble began two weeks ago when Willowbrook residents complained to the township board that the dumping was causing a stench in the neighborhood and endangering their health.

The township board quickly ordered police to stop the dumping, and the next morning (a week ago) dump trucks were turned away.

Up to that time, Nielson had not sought a dumping permit. He claims

he did not know one was required. He then filed an application for a permit, which set the stage for Thursday night's appeal board meeting.

In a polite, almost friendly atmosphere, Nielson told the board he intended only to fill in low spots on farm land and that the rubbish would be covered with three feet of dirt as soon as it was hauled in. "It's not a public dump," he said. "I'm only trying to beautify the land."

13 in Novi File For Charter Group

A total of 13 candidates will seek five charter commission seats on March 17 when Novi votes on whether to become a village.

The 13 who had filed by the deadline Monday were: Philip Anderson, Hadley Bachert, Mrs. Marion Boatman, Russell Butten, Robert H. Davey, David Fried, Dirk Groenberger, Herbert Koester, Bram LeBluts, Archie Marsh, Dicon Trafalran, Walter Tuck and Harry Watson.

Butten, Groenberger, Trafalran, Tuck and Watson are on the incorporation committee. Bachert is Novi township clerk. Koester is chairman of a group opposing incorporation.

Unregistered voters have until next Monday to register at the township hall.

Northville Schools Ready For Annual 'Bundle Week'

Northville children will be helping other children throughout the world next week during the annual "Bundle Week" clothing drive.

All three schools will participate in the drive next Monday through Friday.

Parents have been urged to round up used, warm clothing and give it to their children for the classroom campaign. There will be no door-to-door drive.

The drive is sponsored by the national Save the Children federation, which distributes to needy youngsters throughout the U.S. and Europe and in Korea.

"Clothing no longer needed by Northville families can become a 'new wardrobe' to children in under-

privileged areas," said Northville Superintendent Russell Amerman. Especially needed are flat shoes, serviceable coats and dresses, dungarees, pants, overshoes and rubbers. Infant and adult clothing — including diapers, blankets, jackets, caps, boots and underwear — are also welcome.

The Save the Children federation has held Bundle Day drives in American schools for 15 years. Northville has participated for the past several years.

Clothing donated to the drive should be clean, mended and wearable. Shoes should be tied together in pairs.

Donations should be brought to school in bags or cardboard boxes.

City councilmen took a close look at Northville's tax situation Monday night and began a careful study of the city's nearly completed re-appraisal program.

The new assessments are scheduled to be placed on the 1958 tax roll for every piece of property in the city limits. Only a handful of homes in the Oakland county section of the city remain to be appraised. These were scheduled for completion this week.

The purpose of the re-assessment is three-fold:

- 1 To bring properties up to standard and eliminate inequities that have existed for many years;
- 2 To reduce the state equalization factor applied against local property;
- 3 To eliminate, or greatly reduce, the differential in Wayne and Oakland county equalization within the city.

The re-appraisal of the Wayne county section of the city was completed last year by county tax bureau appraisers. The Oakland county section has been checked by the same method by the city assessor.

The responsibility of establishing an assessment percentage to be applied against the new valuation weighs heavily upon the council. In addition to city taxes, these assessments are also used for application of school and county taxes.

In all probability the council will adopt Wayne county's assessment ratio of 40 percent on land and 43 percent on building valuation. Specifically, this means that if an acre of land is appraised at \$1000 its taxable valuation would be \$400; and a \$1000 building would have an assessed valuation of \$430.

The council must also adopt a ratio on personal property, an assessment against inventories, equipment, etc., of business establishments. Councilmen discovered that this ratio has varied all the way from 50 to 100 percent.

Complexity of the tax system makes the task of re-assessment highly complicated, especially with Northville's unique problem of having two counties within its city limits.

Northville councilmen have tackled the problem soberly and seriously, however. In a committee-of-the-whole meeting Monday night they discovered that re-appraisal might boost the assessed valuation of some real estate properties as much as five times. Others would find no change.

Councilmen placed heavy emphasis on the following points outlining the taxation problem in Northville:

1. The city's assessed valuation in 1957 was \$4,977,000, equalized to \$8,890,000 by the state;
2. The state equalization factor in the Wayne county section of the city was 1.73 and 2.42 in the Oakland county section;
3. The equalization factor amplifies the inequities in assessment by penalizing the taxpayer who is paying his fair share far more severely than the under-assessed property owner;
4. Re-assessment, using county standards, would tend to reduce the equalization factor, while standardizing the ratio of assessment, would eliminate entirely any inequities between properties;
5. The city applies its taxes against the city assessed valuation and not the state equalized; therefore, raising the assessed valuation would also prompt a reduction in city millage (currently 19.5 mills);
6. School and county taxes, which represent more than 70 percent of the local tax dollars, are levied against the state equalized valuation; the city merely acts as a collection agency for these sources and therefore has no control over what millage might be applied;
7. County tax authorities point out that the city's personal property valuation was less realistic than the real property values; therefore, the equalization factor was somewhat more penalizing to the homeowner because of this personal property declaration lag.

Councilmen are expected to come up with assessment ratios on both real and personal property soon. Meanwhile, they will study a new millage rate for city taxes based on the new assessed valuation of the city and the demands of the 1958 fiscal year budget.

Calendar

Saturday, February 15
10:30 a.m. — Story Hour, Northville Library.
9:00 p.m. — Our Lady of Victory Men's club dance.

Monday, February 17
6:30 p.m. — Methodist Father-Son banquet, Methodist church.

Tuesday, February 18
8:00 p.m. — Girl Scout Council meeting, home of Mrs. H. Handorf, 300 Wing court.

Thursday, February 20
8:00 p.m. — Coordinating Council, City Hall.
9:00 a.m.-6:00 p.m. — Legion Auxiliary Rummage Sale, Legion hall.

9:00 a.m.-6 p.m. — Legion Auxiliary Rummage Sale, Legion hall

about WOMEN

2—Thursday, February 13, 1958—THE NORTHVILLE RECORD

NEWS AROUND NORTHVILLE

Mrs. Margaret Reynolds of Kitchener, Ontario returned home this week after spending ten days with Mrs. James Spagnuolo of Main street.

E. V. Ellison of West Dunlap street, principal of Northville high school, flew to Richmond, Virginia and Washington, D.C. last week to look at school furniture.

Mr. and Mrs. Raymond Denton of Detroit were Sunday dinner guests of his parents, Mr. and Mrs. Joseph Denton, of Randolph street.

Otis Tewksbury of North Center street is vacationing in Largo, Florida as guest of his parents, Mr. and Mrs. Otis Tewksbury, Sr. He will return home next week end.

Sgt. and Mrs. Albert Banks and son, Danny, spent last week end at the home of the former's parents, Mr. and Mrs. Russell Banks of 11 Mile road.

Stacey Ann Schaefer, daughter of Mr. and Mrs. Stanton Schaefer of Six Mile road, celebrated her third birthday Friday with a party for six little guests. Attending were Robin and Eve Williams, Stephanie Butler, and Maggie, Jennie and Marna Owen.

Doug Tegge, son of Mr. and Mrs. George Tegge of Franklin road, is one of several first year cadets at Kemper Military school, Boonville, Missouri, advanced to Phase II New Cadet in a special order. Cadets are advanced to Phase II on the basis of efficiency, attitude and conduct.

Mr. and Mrs. Clarence Jerome and Jerry of Dubuar street spent last Sunday afternoon with Mr. and Mrs. Arnold Wessels and family of Clawson.

Saturday dinner guests of Mr. and Mrs. D. E. Hannabarger of North Wing street were Mr. and Mrs. Calvin Long and Mr. and Mrs. Roy Budd, both of Inkster.

Houseguests of Mrs. Paul Schulz of Seven Mile road last week end were her sister and brother-in-law, Mr. and Mrs. Sherwood Seckell of Grand Rapids.

BONDS AWARDED — Dr. Philip Brown, superintendent of Northville State hospital, awards \$100 savings bonds to Mrs. Mary L. Schimmel and Walter Williams, volunteer aids at the hospital. Mrs. Schimmel and Williams were awarded the bonds by a vote of patients. The occasion was a tea held Monday for volunteer aids at the hospital.

Combined Prayer Service Planned by Church Women

Women of the Presbyterian and Methodist churches of Northville will join to observe the World Day of Prayer on Friday, February 21, the first Friday of Lent.

Services this year will be held at the First Presbyterian church at 1:30 and 7:30 p.m.

Chairman of the joint planning committee is Mrs. Robert Niemi. Assisting her are Mrs. W. H. Cansfield, Mrs. Edith Crier and Miss Ethel Cameron.

Course in "Heritage" Discussed by Speaker

Explaining a college course in "American Heritage" to the Northville Woman's club last Friday was Scott Cole, former Northville resident who is an instructor at Hillsdale college.

Mr. Cole originated the course, a study of American ideals, philosophy, and democratic concepts.

He explained to his audience that the course is designed to fill a need not satisfied by courses in American history, an explanation to students of the roots of democratic ideals and government.

The next meeting of the Woman's club will be February 28.

Mr. and Mrs. George Stalker of Hinsdale, Illinois, former residents of Northville, will visit here this week with the C. Harold Blooms of West Main street. On the week end both couples will visit Mr. and Mrs. Jack Taylor in Rochester.

Mrs. Edward Cavey of Horton street will entertain at a bridge luncheon next Wednesday for 11 guests.

DAR to Hear Book Review

Sarah Ann Cochran chapter of the Daughters of the American Revolution will meet next Monday, February 17 at the home of Mrs. David Mather, 1303 Park Place Plymouth. Speaker for the afternoon will be Mrs. Theron Pauline, Wayne county librarian in Plymouth. She will review "The Roosevelts of Sagamore Hill" by Hermann Hagerdorn. Meeting time is 1 p.m.

"Blue and Gold" Banquet Is Tonight

The annual Blue and Gold banquet honoring scouting will be held by the Presbyterian Men's club tonight (Thursday) at the First Presbyterian church. Guests will be members of Cub Scout Pack 753, sponsored by the club. Fathers have also been invited to attend. The dinner begins at 6:30 p.m.

Is he curious?

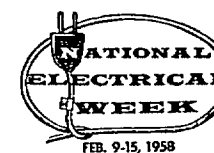

The world awaits another Edison.
He could be your son.

During his lifetime Thomas Alva Edison "lighted the world" with the electric light, reproduced voices and sounds with the phonograph, pioneered in developing movies and radio. Over 1100 important inventions were his because—like your boy—he simply wanted to know.

But, we are told, one Thomas Edison in a generation is no longer enough to sustain our kind of progress. The need is for thousands—educated young people, trained to harness their curiosity about the unknown.

Right now American industries are trying to encourage the natural curiosity of the young—with assistance in education and training and good-paying jobs, as well. You can be sure your electric light and power company is a part of this movement.

We owe a lot to Tom Edison. We'd like to help your boy to be like him. We salute both on February 11th, 1958—SCIENCE YOUTH DAY—and also Mr. Edison's 111th Birthday.

GIFTS FROM GIRL SCOUTS — Members of Troop 492 work on a pint-sized trousseau that will go to the first Novi baby born on or before (not after) the national Girl Scout birthday on March 12. Included are booties, diapers, bonnets, nighties, kimono, blankets and the like. Mothers who think their new babies may qualify should call Mrs. William MacDermaid, Fieldbrook 9-2205. Left to right are: Candy Ronk, Sue F'Geppert, Brenda Coburn, Barbara Wallace, Diane McCollum, Sharon White, Pam Harnden, Mrs. Richard Rifter, troop co-leader, Lois Martin, Ellen Harsh, Nancy Christensen, Troop Leader Mrs. Rex LaPlante, Ginger Cheeseman, Carolyn Mairs and Nancy Hansor.

Karen Ann Bayless Married At First Presbyterian Church

At a morning ceremony on Saturday, February 1, Karen Ann Bayless became the bride of Richard Ian Davis at the First Presbyterian church of Northville.

Karen is the daughter of Mr. and Mrs. Paul Bayless, former residents of Northville who now make their home in Fennville, Michigan.

Her husband is the son of Mrs. George Cumberworth of Walled Lake and David Davis of Novi.

Reverend John O. Taxis performed the ceremony. Mrs. William G. Williams was organist for the wedding.

Miss Bayless chose a white lace sheath with satin trim and matching jacket for her wedding. Her corsage was of white rosebuds with a touch of yellow.

Matron of honor was Mrs. Bruce Wagenschutz, who wore an emerald green waltz length dress. Her corsage was of yellow roses.

Bet man for Mr. Davis was Earl

White. Ushering was Bruce Wagenschutz.

Mrs. Bayless wore an aqua lace dress with matching hat and accessories for her daughter's wedding. Mrs. Davis chose a cocoa brown dress with matching hat and accessories. Both wore identical corsages of carnations.

A luncheon for 18 guests was held at Black's White house immediately after the ceremony.

The couple is making their home at 133 East Dunlap street in Northville.

Northville Girl Scouts

GIRL SCOUT TROOP 19

Members of Troop 19 went ice skating at Melinda McKernan's home. For a nibble they had doughnuts, hot chocolate and toasted marshmallows.

BROWNIE TROOP 1

The members held their monthly election and chose Linda Allen as president, Linda Russell, scribe, and Mary Louise Horsfall, Debbie Leavenworth and Linda Nagy, unit leaders. Then they started on their Brownie scarfs.

Hints to be Given On Shrub Pruning

Practical hints on pruning and trimming fruit trees, vines, shrubs and canes will be given at the February meeting of the Wayne County Organic Gardening and Farming club meeting next Saturday, February 18.

Speaker for the evening will be Mr. Herig of Herig's Nursery in Wayne. He will answer individual questions following his talk.

Refreshments will be served and everyone is welcome to attend. The meeting will be held at Mach's Greenhouse, 7608 South Merriman road, Romulus township, at 8 p.m.

Practical Nursing Course to Begin

Northville women between 18 and 50 years of age have five more chances this year to begin one year training in practical nursing at the Detroit practical nursing center.

Students from Wayne, Oakland and Macomb counties may begin their year's study on each of the following dates: February 24, April 28, June 23, September 3 and October 27.

This one-year training includes four months of class instruction and eight months of supervised bedside experience in Henry Ford, Herman Kiefer, Harper, Women's, Receiving, Detroit Memorial and the Jewish Home for the Aged.

The expenses involved for each student are more than covered by the maintenance allowance which comes to approximately \$600 during the weeks of hospital experience.

Students live at home and there are four weeks of vacation during the year's training. Eighth grade education is the minimum requirement depending upon the age of the applicant.

Further information is available by writing the Detroit and Tri-County league of nursing or telephone TEmple 1-1600.

Pioneer Girls Meet At Baptist Church

The Colonists group of the Northville Pioneer Girls met last Thursday at the First Baptist church.

They had their column council and then worked on their handicrafts. The girls are making woven belts.

Mrs. Rano Papini, leader, led in bible study. The good-bye song was sung. Carol Lamp furnished refreshments.

Art Guild Plans Exhibit

A special meeting of the Creative Art Guild of Livonia was held February 3 at Bentley high school.

Tentative plans were made for the annual art exhibit to be held April 11 and 12. Several new members were accepted at the meeting.

Annual Ball Planned By Masonic Groups

Orient Chapter 77, Order of the Eastern Star and Northville Lodge 186, F. & A. M., will hold their annual ball Saturday, February 22 from 9 p.m. until 1 a.m. at the Northville community building.

Refreshments will be served and dress is optional. There will be both round and square dancing.

BIRTHS

Mr. and Mrs. Ted Mapes of Clement road announce the birth of a son, Gary Michael, on February 6 at Florence Crittendon hospital. The new arrival weighed six pounds, seven ounces.

Speaker to Discuss Nuclear Power

The dangers of atomic radiation—the newest uses of radiation—the harnessing of fission and fusion—these topics and others will be discussed in the first "Evening of Science" program to be held in the Plymouth high school auditorium at 7:30 p.m. tonight (Thursday), February 13.

The answers will be provided by Dr. Henry J. Gomberg, young assistant director of the University of Michigan's Phoenix Project, and

professor of nuclear and electrical engineering.

The program is to be the first of a yearly series titled the "Edge of Knowledge". Each year the programs will present mankind's most recent development in different branches of knowledge.

They will serve as a memorial to a ten-year-old Plymouth boy, Kim Worland, who died last September. The program is sponsored by the boy's parents, Mr. and Mrs. Charles Worland of Sunset avenue, Plymouth. Plymouth friends contributed funds, now used for the programs.

Robert Smith, Plymouth high school counselor and former science teacher, will conduct the 20-minute audience question period following the hour presentation. Slides will supplement Dr. Gomberg's talk.

Books for laymen on atomic energy will be available for the audience to look through. All members of the audience who wish to see atomic energy in action will be invited by Dr. Gomberg to visit the

Marine Pvt. David K. Waterloo, son of Mr. and Mrs. J. S. Waterloo of 134 Rayson, Northville, is scheduled to finish four weeks of individual combat training February 10 at the Marine Corps Base, Camp Pendleton, California. The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Army PFC William F. Hirth of Northville is participating in maneuvers with the 39th Infantry at Fort Greely, Alaska, one of the coldest spots on the North American continent. The maneuvers consist of simulated combat situations in which mobility on snow and training in tactics are being stressed. Hirth, son of Mr. and Mrs. Oscar A. Hirth, 6646 West Six Mile road, is regularly assigned as a machine gunner in the 39th's Company A at Fort Lewis, Washington. He entered the Army in March 1957 and received basic training at Fort Lewis.

Pvt. Roger E. Brooks, son of Mr. and Mrs. Kermit R. Brooks, 724 Horton, Northville, recently completed the 6-week spare parts supply course at the Engineer School, Fort Belvoir, Virginia. Brooks entered the Army last June and completed basic training at Fort Polk, Louisiana. The 18-year-old soldier was graduated from Newberry high school in 1957.

Pvt. Phillip S. Gardella, 18, son of Mr. and Mrs. Joseph Gardella, 47540 12 Mile, Novi, recently was graduated from the six-week metal body repair course at the Army Ordnance school, Aberdeen Proving Ground, Maryland. Gardella entered the Army last June and completed basic training at Fort Polk, La.

Ladywood Students Win Writing Awards
Six students at Ladywood high school in Livonia have won awards for original poetry and prose compositions.
National High School Poetry Association awards went to Marjorie Sprague ("Of Life and Death"), Mary Ann Patterson ("I Wish I Were a Giant Tree"), Pamela Boyd ("Autumn"), Kathleen Genniss ("Winter"), and Patricia St. Amour ("The Wind").
A National Essay Association award went to Jackie Cleary for her essay, "Rain".

from the PASTOR'S STUDY

by the Rev. Byron E. Chapman
Willowbrook Community EUB Church

THE MAIN LINE

When the trans-continental railroad was being built across the vast stretches of the west the story is told of a separate crew that hauled rails and ties to an isolated spot and began construction in both directions to meet the other construction crews from east and west. The crews worked diligently and built several miles of track. Weeks passed before they recognized their surveyor had made a mistake on right-of-way. They were several miles too far south of the main line and they had built an isolated piece of track that could not be connected to the main line.

This story is similar in meaning to the way many of us live. Romans 10:3 reads "For they being ignorant of God's righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of God."

When we build our lives according to

our own plans and around our own ideas we miss the plan and purpose of God for our lives. We have built our track in an isolated place and it is not on the main line of God's right-of-way.

The will of God includes a definite plan and purpose for every life. We find our happiness only in the fulfillment of the plan of God in our lives. A life that is not pleasing to God very quickly becomes unpleasing to man, for in the long run a man most pleases himself when he lives to please God. Jeremiah 9:23-24 "A wise man must not glory in his wisdom, nor a warrior in his strength, nor the rich man in his riches: He who glories is to glory in this; that he has insight into me, that he knows I am the eternal dealing in kindness, justice, and goodness upon earth — for these are my delight; thus saith the Lord". Every man would do well to build his life on the main-line of God's eternal purposes

Methodist Youth Attend Institute

Five representatives of the Northville Methodist Youth Fellowship attended the Ann Arbor district MYF mid-winter institute at Adrian from January 31 to February 2. They were Janice Dixon, Julie Older, Elsie Sedan, Nancy Beard and Sharon Hensch. They were accompanied by Mr. and Mrs. Charles King, counselors.

Men and Women In Uniform

Marine Pvt. David K. Waterloo, son of Mr. and Mrs. J. S. Waterloo of 134 Rayson, Northville, is scheduled to finish four weeks of individual combat training February 10 at the Marine Corps Base, Camp Pendleton, California. Strong Finish Saves Mustangs

Northville's cagers are taking a cue from their counterparts on the gridiron.

Last fall, as the Mustangs went through the football wars, they

more than once had to depend on a strong final period to bring them through.

After an early Northville lead, their foes closed in. But the Mus-

tangs always steadied in the last period, usually ripping off a clinching touchdown.

And so it's gone in basketball in recent weeks — a first half lead, a letdown, a final push. It was no exception Friday night against Clarenceville.

The Mustangs roared off to a 12-4 lead, built it to 17-6, 26-13, and finally 36-23 at the half.

Then came the cooling-off period. The Trojans romped for 14 points while holding the Mustangs to four, and narrowed the difference to 41-37.

And seconds after the final period started, Clarenceville netted another bucket to pull within two points of Northville.

But Coach Stan Johnston, anxious to win for a change without sweating out the last few minutes, ordered his team to get down to business. They responded.

In the remaining minutes, the Mustangs poured 20 points through the hoop and held the Trojans to a meager two.

The result: a solid but hardly convincing 61-41 win.

At the start, Northville appeared to have shaken its big 1957-58 headache: its ability to connect with the net. The Mustangs whipped in a fat 20 points in the opening quart-

seemed as if it had been much of a contest.

Clarkston Squeezes By; Rest of League Falls Off

Clarkston got back on the winning path Friday night, but giant-killing Brighton — which had dealt the Wolves their only defeat of the year — faded against last-place Bloomfield Hills.

Meanwhile, Northville remained only one game behind the league-leading Wolves with a 61-41 conquest of Clarenceville.

Clarkston had a far from easy time with pesky Milford, but held on for a 76-69 win. The Wolves netted 25 points in the second quarter to provide an early cushion. Milford was within three points of Clarkston in the fourth quarter, but faded.

Brighton, after its stunning upset of Clarkston last Tuesday, was humbled by last-place Bloomfield Hills, 48-45.

Holly, which won its first five and then lost its next five, finally

picked up another win by downing West Bloomfield, 75-62.

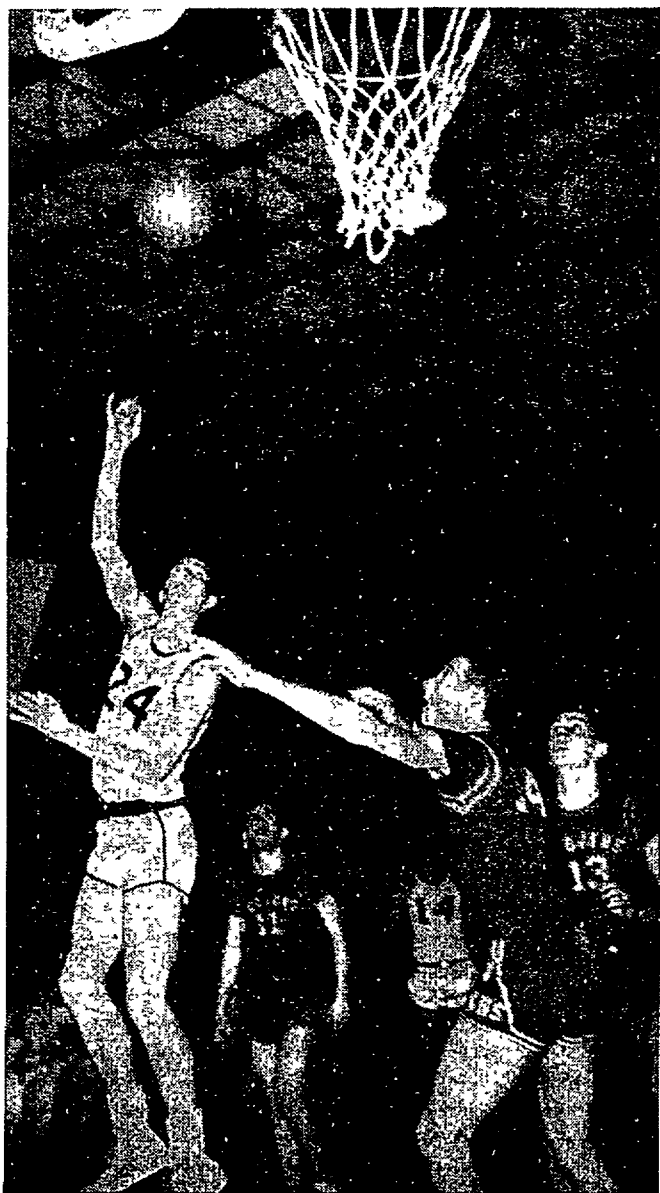

The combination of wins and losses left Northville with the only chance of catching Clarkston, and gave only those two teams a better-than-500 record in the cutthroat Wayne-Oakland campaign.

The standings:

Clarkston	9	1
NORTHVILLE	8	2
Brighton	5	5
Holly	5	5
West Bloomfield	4	6
Clarenceville	3	7
Milford	3	7
Bloomfield Hills	3	7

REGULAR MEETING
Second Monday of each month
WILFRED HAWBECKER, W.M.
R.F. COOLMAN, Secretary

THAT'S MORE LIKE IT — After a cold, cold third quarter, Northville burst forth with 20 points in the final period to down Clarenceville Friday night. Typical of the Mustangs' performance in the last eight minutes was this hook by Bill Yahne as the Trojans closed in on him.

More Sports on Page 11

er, as Guard Dick Biery drilled in his usual quick three-from-the-corner and Center Cap Pethers hooked and tipped in several beauties.

But in the second quarter, the Mustangs could only meet the Trojans on even terms.

The near-disastrous third period belonged to the Trojans' pesky Larry Andrews, a guard whose hands hold a magnetism for the ball and whose basketball mind operates with the speed of Univac.

Behind Andrews, the Trojans picked up 14 points and held the Mustangs to five.

But early in the fourth period, Andrews missed a pass and the ball scooted out of bounds. With that, the Trojans' evening ended — a quarter too soon.

Northville caught fire behind the scrappy ball-stealing of Rog Atchinson. Bob Starnes started the Mustang scoring, burst with a faking lay-up, and from there on Northville had its own way.

Some 20 points later, it never

Goodrich Back After 'Mono' Bout

Big Jeff Goodrich, whose height was expected to play a big part in Northville championship hopes, is back in uniform.

The 6' 8" forward had been out of action since before New Year's, laid low with a strength-sapping blood breakdown called mononucleosis.

Goodrich dressed for Friday night's encounter with Clarenceville, but saw no action.

Coach Stan Johnston originally had not expected Goodrich to be in uniform until tournament time.

Colts Win 2 More With Early Spurts

Northville's junior varsity was guaranteed of a winning season Friday night.

The Colts put on a strong first quarter and then played Clarenceville even for the rest of the game to come out on top, 44-38.

The win put the Colts' record at 8-3 for the year.

Gary Morgan led the Northville attack in the first period and settled for 17 points for the game. He was followed by Dennis Fallon with 10 and Larry Nitzel with 8.

Last week, the Colts picked up their seventh win by downing West Bloomfield, 39-30. Wade Deal, with 8, and Joe Gotro, with 7, led the way.

The Coach's Corner

by STAN JOHNSTON
Northville High School Basketball Coach

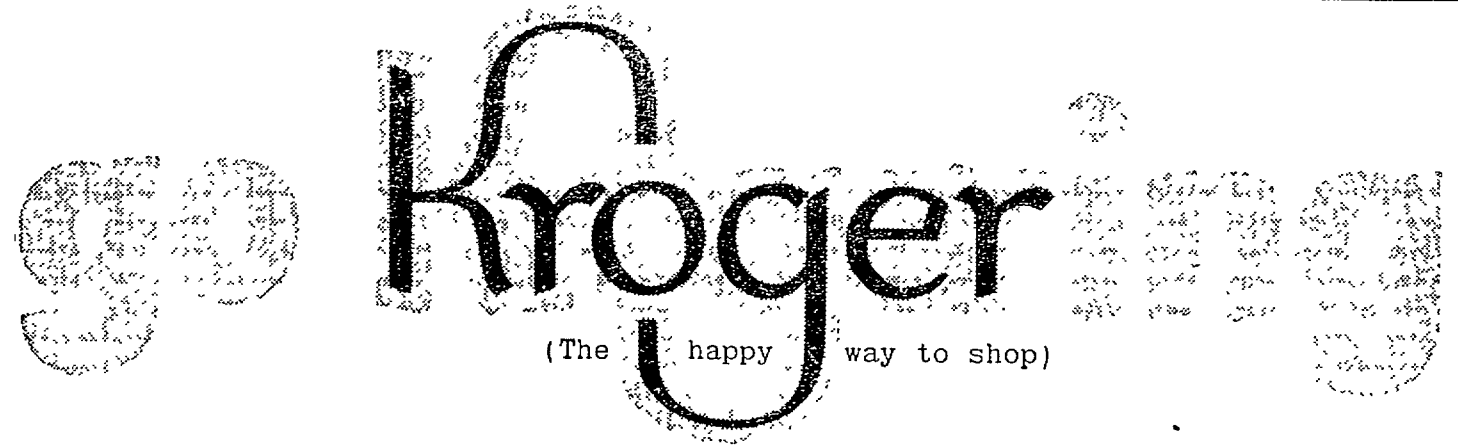

There isn't anyone that feels worse about the mistakes he makes in a game than the player who commits the error. I have seen a boy cry because of the one little mistake he made, which in his mind cost the team a ball game. Actually, when you lose there are many things which contribute to the loss, but the lad can't see that part. Only one thing remains in his mind, his mistakes.

In basketball, more than any of the other three major sports, a player is under close scrutiny by those fans watching the contest. The playing area is confined so that the eye can follow the play more closely. The spectators are much nearer to the action, and there are only five players on the team to be observed. For these reasons it is much easier for the fans to see the good and bad parts of the team's play and also individual performances.

The locker room is a happy place most of the time after a team wins. Sometimes there are a couple of boys who, even though the team won, aren't too happy. Sometimes this is true because they did not play a particularly good game and they knew it. Another reason for a player's unhappy disposition might be because he happened to hear some uncomplimentary remark some fan cast his way after he pulled a boner in the ball game. The latter has happened many times during the last two years. The players wonder why this has to happen. They feel like trying harder if they receive encouragement. Jeers project their spirit downward and this results in self-consciousness. There isn't much doubt what happens then.

If you like to paint, our stock of DuPont Flowkote Rubber base paint will give you a wide range of colors in a very easy to use finish. DuLux Super Gloss and Eggshell whites are old standbys for the whitest job you ever saw. Flows on smoothly and never yellows. You should use DuPont.

Church to Sponsor Lenten Family Nights

A series of family nights centering around the theme, "Japan", will begin Wednesday night, February 19 at the First Presbyterian church.

Leading of the planning committee are Mrs. Howard Meyer, program chairman, and Mrs. L. M. Eaton, secretary of missionary education.

They will present a film, "Younger Brother", the story of a young

man who breaks through the Japanese Culture pattern to become a Christian, next Wednesday night.

Other programs include a Japanese student panel on comparative religions; a review of experiences of Japanese Christian leaders; and an Alma college student, Miss Lois Welberry, who lived with a Japanese family in Tokyo for a year while attending the International Christian university.

Members and friends are invited to attend the family nights which begin at 6:30 with a cooperative dinner. Those attending are asked to bring a passing dish and table service.

Programs will last from 7:30 to 8:45 p.m. on February 19, February 25, March 5, 12 and 19.

INTERESTED LISTENERS — Novi community leaders were keen listeners to the words of Ross Campbell, Thompson-Brown vice president, and speaker at the board of commerce dinner meeting last week. Shown above discussing Novi's future with the land development official are: (l. to r.) William Medlyn, Frazer Staman, Keith Metcalf, Frank Watza, Sam Fishman, Campbell and Dieron Taffalian.

Obituary

AXEL DAVIDSON

Funeral services were held February 11 for Axel (Davey) Davidson, who passed away February 6 at the Oakland County Infirmary. Mr. Davidson was born November 4, 1896 in St. Paul, Minnesota. He had lived in Wixom for the past 25 years, making his home for the last 20 years with Mr. and Mrs. John Chambers of 49085 Pontiac Trail. He had been ill for the past two years. Funeral services were held from the Richardson-Bird Funeral home in Walled Lake, Rev. Edmund Caes of the First Baptist church of Wixom officiating. Burial was in the Chambers lot, Wixom cemetery.

WILLIAM THOMAS

Funeral services were held last Monday for Mr. Thomas who passed away February 7. He lived on Gerald avenue. Mr. Thomas was born 84 years ago in White Water, Wisconsin, to James and Cecilia Thomas. He had lived in Northville nearly all his life. Survivors include a brother, George, of Northville; and sisters, Mrs. Sarah Babcock of Detroit and Mrs. Mabel Snow of Detroit. Funeral services were held

from the Casterline Funeral home, Rev. Paul Cargo of the First Methodist church of Northville officiating. Burial was in Rural Hill cemetery.

FREDERICK J. COCHRAN

Funeral services were held February 7 for Mr. Cochran, who passed away February 4 at the Arnold Convalescent home in Detroit. He had lived there the past five years, formerly making his home at 41125 Eight Mile road, Northville. Mr. Cochran was born on July 10, 1869 in Parma, Michigan. He married Kate Beard on November 11, 1897. She preceded him in death in 1952. Mr. Cochran came to Northville in 1908, and was active in his law practice, the Northville Masonic lodge and was at one time a Rotarian. He was also a member of the First Presbyterian church. Survivors include a daughter, Mrs. Marian Peterson of Taylor Center, four grandchildren and one great-grandchild. Funeral services were held from the Casterline Funeral home, Rev. John O. Taxis officiating. Burial was in Oakland Hills Memorial Gardens. Pallbearers were James Spaulding, Carl Peterson, Elwood Peterson, Paul Beard, Allen Beard and William Shenk, Jr.

Church to Observe Brotherhood Week

In observance of Brotherhood Week which begins Sunday, the choir and organist of the Berea Methodist church in Highland Park, a Negro church, will serve in the Northville Methodist church next Sunday while the choir and organist of the local church will travel to Highland Park.

Both the youth choir and the united choir of the Berea church will come to Northville. The youth choir will sing a spiritual, "I Don't Feel No Ways Tired", and an anthem, "Soft Were Your Hands, Dear Jesus". The united choir will sing "Come Thou Almighty King" and "Great and Marvelous".

A coffee hour will be held following the service. Plans to exchange ministers for Sunday were postponed when the pastor of the Berea church was called out of the state.

Tour Lincoln Plant

Nearly 50 top parts and service managers from Lincoln and Mercury dealerships throughout the nation toured the Lincoln plant in Wixom last week.

The delegates, representing the leading parts manager and leading service manager from dealerships in each of 23 sales districts were selected for their outstanding sales achievements during the past year.

Willowbrook ...

Robert and Peggy MacIsaac moved into their new home at 24031 Glen Ridge in December. They are former Detroiters. Robert is a self-employed commercial artist and enjoys Dixieland music and boating. Peggy, being practically a new bride, is still busy testing new recipes and sewing curtains for the new home.

Clifford and Bonnie Elkins of 24009 Glen Ridge are former Detroiters. They have three children: Lynn, 8; Vickie, 6, and Steven, who is three. Clifford works in the engineering department of the Ford Motor company.

Eddie Frutchey of Malott celebrated his seventh birthday February 1. The children had a party and then went to the movies. His guests were Douglas Keith, Buddy and Douglas George and Tom and Karen Frutchey.

Bobbie Stine of McMahon and her son, Jimmy, have been busy visiting this past week. Tuesday, they drove into Plymouth to visit Jim and Lynn McMahon, and then drove to Wayne to visit John and Ruth Sesock. Wednesday, they took off for Dearborn to spend the day with Lottie Colquene.

Birthday greetings go to Mrs. William Gallagher of Ten Mile who is celebrating her birthday today. Joe and Betty Crane of East LeBost spent the week end before last skiing near Traverse City.

Barbara Zavicar of LeBost celebrated her 11th birthday on February 7.

A family dinner was given Friday in honor of Andy Anderson's fifth birthday. Her guests were Mr. and Mrs. Axel Anderson and Mr. and Mrs. Clyde Anderson of Detroit.

Walt and Pat Pinner of West LeBost celebrated their sixth wedding anniversary on February 4 with a lobster dinner.

The Willowbrook Pincoble club met February 4 at Clare Miller's home on LeBost. The first and second place prize winners were Shirley Hurlburt and Aldean Carter. Jackie Frere, a guest for the evening, walked away with the third prize.

The consolation prize was won by Gladys Earl. The next meeting will be at Gladys Earls on February 18.

The Thursday night bridge club met at Irene McCormick's home on McMahon. Nancy Milliken won first prize and Ginny Andreason, a guest, won the second prize. Mitzi Olson took home the consolation prize.

Virginia Barnes was hostess to the Wednesday night bridge club. The winners were Marg Parent, first; Zan Bronstetter, second, and Dorothy Richmond, consolation prize.

Rev. John Gynan, vicar of Trinity Episcopal church in Farmington, will lead the discussion.

There is no obligation for attendance, but it is recommended that the entire Lenten series be attended.

Architect Discusses Outdoor Living

Five important considerations for outdoor living were given by landscape architect Robert Davis at Monday's meeting of the Northville branch of the Woman's National Farm and Garden Association.

Mr. Davis titled his talk "Every-one Can Live Outdoors".

Most important, he said, was design. The four other points he discussed were the patio and terrace, planning for full-time outdoor use, outdoor lighting, and activities.

He also suggested use of outdoor torches, both for lighting and repelling insects.

The meeting was held at the home of Dr. Irene Sparling. Assisting the hostess were Mrs. Ralph Hay, Sr., Mrs. Herbert Frogner, Mrs. T. J. Knapp, Mrs. E. E. Miller and Mrs. C. H. Bryan.

Girl Scouts

GIRL SCOUT TROOP 14

Members of Troop 14 worked on their conservation badge. They are also considering a trip to Greenfield Village.

GIRL SCOUT TROOP 17

Members of Troop 17 completed their Valentine service project for the patients at Whitehall Convalescent home at their last meeting.

Heading West

Councilman and Mrs. Malcolm Allen left this week for a three-weeks' vacation to Texas and Arizona.

Allen, a member of the board of directors of the Monument Builders of America, will attend a convention of the national organization in Dallas for four days. The Allens will then visit their brother and sister-in-law, Mr. and Mrs. Hoy Allen of Tucson, Arizona.

BIRTHS

Mr. and Mrs. Harold Penn of West Main street announce the birth of a daughter, Margaret Anne, on February 10 at Woman's hospital in Detroit. The Penns have four other children three boys and a girl.

Budapest Quarter To Appear Soon

The Detroit Institute of Arts concert series will present the Budapest Quartet on February 24 at 8:30 p.m. in the institute auditorium.

Tickets are on sale at Grinnell's downtown and at the Art Institute. The famed group, which has always drawn throngs in its Detroit appearances, will play works by Haydn, Bartok and Beethoven.

Mrs. Michael Freeman, chairman of the Institute Concert Series committee, said she anticipated a sell-out of the 1200-seat auditorium. The series will conclude March 17 with Agneta Enters, celebrated dancer and mime.

News of Northville High School

Debate Tournament Is Next Thursday

The general public is invited to see the Regional Class A tournament debates to be held in the Presbyterian church next Thursday, February 20 from 9:30 a.m. to 6 p.m.

In preparation for the debates, Northville is participating in a series of practice debates. They met Hazel Park last week and are planning to meet Jackson, Ann Arbor and Belleville.

In the tournament debates, the Northville affirmative will meet the Berkley negative. Auburn Heights affirmative will debate with Pontiac Waterford negative. Oak Park will debate with the Mt. Morris team. Flint Northern drew a bye, which means they will meet one of the winning first round teams in the second round.

Elementary Faculty Studies Gifted Child

For the past several weeks six members of the Northville elementary school faculty and administration have been meeting during the noon hour at the Amerman school to discuss programs for gifted pupils.

They are Mrs. L. Waterman, Mrs. E. Johnson, Madigan, Gene Alexander, Richard Kay and Dr. Kenneth MacLeod.

They hope to formulate a philosophy and plans in order to better help gifted pupils in Northville's elementary schools.

Scholarships Now Available To Northville High Seniors

College scholarships ranging in value from \$200 to \$2,000 may now be applied for by Northville high school students.

Michigan Blue Cross announced this week that all Michigan high school seniors and graduates are eligible for the eighth annual nursing scholarship contest which began February 1.

William S. McNary, executive vice president, said that Blue Cross will sponsor 10 nursing scholarships of \$300 each. Winners will be chosen on a competitive basis by the Michigan League for Nursing.

Application blanks with rules and instructions are available through high school principals, Future Nurses Clubs, Michigan schools of nursing, all Blue Cross-Blue Shield offices or by writing directly to the Michigan League for Nursing, 567 Hollister Building, Lansing 8.

Four-year college scholarships are also available from AMVets to high school seniors whose fathers are totally disabled as a result of their military service in World War II or Korea — or who served in World War II or Korea and are now deceased.

Commander Gordon Promo of Novi AmVets Post 76 explained that the AmVets Memorial Scholarships may be used for undergraduate study at any accredited college.

Application forms are available from Gordon Promo, 23893 LeBost drive, Willowbrook Village, Novi township. The deadline for candi-

dates to submit applications to AmVets National Headquarters in Washington, D.C., is February 20, 1958. In March, a competitive college aptitude examination will be given in all high schools where there are eligible candidates for the scholarships, Commander Promo said.

Commander Promo also announced that a 4-year \$1,000 scholarship is available to a high school senior whose father was killed or totally disabled in the Burma campaigns of World War II. This scholarship is based on a gift of the Burmese nation to assist children of American servicemen who participated in the Burma campaign. AmVets have supplemented the gift to provide scholarships. Application procedures are the same as for the AmVets Memorial scholarships.

Students Enthused Over Friday Dances

Northville high has been noted for having Friday night dances after home sports activities, especially following football and basketball games. These dances are very popular with NHS students.

Every Friday night a different club sponsors a dance, but always with the Northville high school dance band playing the music.

On Friday, January 31 the student council sponsored the dance. All the proceeds went to the "March of Dimes" and the dance band played without charge.

Decorations included a little black pot labeled "Pitch for Polio", which proved a hit with teachers and students alike as they took aim with their dimes for the polio fund.

Last Friday night the Girls Athletic league sponsored a dance titled the "Skit Skat Scramble".

Decorations included cardboard boxes hanging from streamers with questions written on them. A prize was presented during the evening by Mary Welch, GAL president. It was a white basketball signed by all the team members, a real souvenir for the winner.

High School Faculty Forms Study Groups

Three active committees of the Northville high school faculty have been meeting regularly to formulate plans for the new high school in the areas of guidance, block time, education of the gifted.

Chairman of the guidance committee is Miss Mazzie Markham. Four subcommittees have been formed; committee to review materials and procedures and present use in NHS; committee to formulate provisions for a counseling guidance program adapted to Northville; committee to investigate the type and range of testing program desirable; committee to study records needed and forms suitable.

Chairman of the committee studying block time is Jesse Hise. C. D. Yahne is chairman of the education for the gifted committee.

Commercial Club Plans Candy Sale

The Commercial club is planning a two-day candy sale to be held in the latter part of March.

Their proposed trip to Manufacturers National bank in Detroit has been changed to February 19. The club has been discussing giving a \$100 scholarship and also renting an adding machine for a semester. Their treasury is progressing very well, totaling \$237.46.

Readers Speak Up:

BUS QUESTION GETS A REPLY

To the Editor:

I do not speak as an unofficial head of a minority group, but as a public citizen.

But, majority or minority, I feel Mr. Edward Pilarz has the right to an answer concerning the transportation of children to O.L.V. school, which he questioned in a letter to you last week.

I assume that our school board is acting in good faith in not providing the questioned transportation. This school is not public.

Why does the school board (public) not provide transportation for a private school system? The answer is quite evident. They have no right to even if they wanted to. There is a very definite State Aid Act that provides for monies concerning transportation to and from public schools. The actions and judgments of the school board are not arbitrary! There are definite limitations and provisions for school board operation.

In addition the public school board does not refuse to transport children to public schools; it is the parents that refuse to use their tax money to transport their children to public schools. Let's keep the facts straight here!!

Constitutionally every public citizen is directed by democracy to support a public education, thereby assuring future generations which are educated for constitutional democracy.

Mr. Pilarz also asks if it is justice to levy taxes then refuse services that the taxes are levied for. Again let's stick to the facts! It would be unconstitutional to levy taxes and then support a private school — no matter what its ethics. Private schools may well be political as well as religious, or shall we be prejudiced and select THE private school to be so favored?

Spending money for private education is a constitutional privilege, the same as any other private enterprise is — just as long as the private enterprise does not move counter to established constitutional values.

George N. Bennett
46950 Six Mile Road

STILL MORE ON THE SAME

To the Editor:

Mr. Edward Pilarz demands that the taxpayer provide transportation for other than public school children. As a taxpayer I object to the additional public expense.

Those who prefer to be discriminating and send their children to segregated schools, should be willing to pay for the privilege and not expect public funds to support school systems which are in competition to our public school system which provides an education for all Americans who are willing to accept it.

Ervin A. Sedlow, Sr.

Mrs. A. M. Lawrence of Meadowbrook road entertained at a luncheon for 20 guests before the Northville Woman's club meeting last Friday.

Bel-Nor Drive-in manager Jane Cogan, returned January 31 from a month's tour of Florida and Cuba, traveling by car.

FOOT-
SAVING
EDUCATION
By
JIM
HOUK

Why Should My Son's Arches Suddenly Become Weak?

It has been the custom to attribute the condition to a high fever but too many of the children are uncooperative — no fever. Shoemen seek an answer to the question because good customers are lost when parents blame shoes for the occurrence. If a certain shoe was responsible most of the children who wear that kind of shoes would develop the weakness. That just doesn't happen.

The most acceptable reason is that periods of weakening and strengthening should be expected because children's feet grow in spurts. Growth of a size or a size-and-a-half is usually followed by a period of slow growth or no growth at all. We believe that rapid growth causes the weakness which is overcome by exercise during the period of slow growth. That may not be the whole answer or the correct answer but it sure beats the high fever story and being told by the mother that her child has been disgustingly healthy.

In Wixom Village:

Cub Scouts Give Program

Mrs. Charles Ware — Market 4-1601

On Thursday, February 6, 35 cub scouts made up of six packs, gave a very enjoyable performance at the Wixom Civic Association meeting. Mr. Bill Abrams is scoutmaster. Del Bourgeois is assistant scoutmaster and Mrs. Del Bourgeois is secretary. Den members are Den 1, Sadie Green; Den 2, Lillian Nelson; Den 3, Grace Byrd; Den 4, Violet Mettala; Den 5, Evelyn McCall, and Den 6, Jean Baltzer.

On Sunday, February 9, Mrs. Joseph Stadnik of Wixom and Mrs. George Campbell of Pontiac served a family dinner at the home of Mrs. Fred Thayer. The occasion was Mrs. Thayer's birthday.

Oscar Simmons of Hazel avenue is in St. Joseph's hospital, Pontiac, for surgery.

On Friday, February 7, Mr. and Mrs. Farley had as their guests, Mr. and Mrs. Gunnar Mettala and Eric, Mr. and Mrs. Ray Lahti, Mr. and Mrs. Stafford and two children and Mrs. Wahamaki. The Farleys have returned from an extensive trip through Canada and Western United States. They entertained their guests by showing color slides of their trip.

On Wednesday, February 19, the cancer committee of St. William's will meet at the home of Charles Verhaag on 12 Mile road to sew on cancer pads. These pads can be had free of charge to anybody needing them by calling Mrs. Verhaag, FI-9-2158 or calling the Oakland county hospital.

The men of St. William's are reminded of their mission starting in church February 16 preached by the Dominican Order.

On February 1, 20 boy scouts from Troop B-25 of Pembroke school felled trees for a bridge building project at the Lamberts Acres of Wixom.

They had been invited by Mr. John Lambert to his place for this purpose. They constructed a 20-foot bridge of logs and rope over the overflow creek from Loon lake. A more enthusiastic work crew would be hard to find. Frank Ward stood by with a first aid kit which was not needed. Ben Robertson kept the fires going to dry anyone who got a dunking. The Lamberts served pails of cocoa and baskets of donuts before a camp fire.

Mrs. Jack Chambers, who had been in Toledo because of illness in her family, was called home Saturday when Axel (Davy) Davidson died in the Pontiac infirmary. Davy had lived with the Chambers for 20 years.

Wixom school was closed February 10 owing to a break down in the heating system.

Mr. and Mrs. Ben Dean have purchased the former John Bzovi home at Wixom and will move in after alterations and decorating take place. Mr. Dean is principal of Wixom and Gleggary schools.

On Saturday evening, Mr. and Mrs. Jesse Birchard attended the semi-annual dinner-dance at the Glen Oaks Country club.

On Sunday, February 9, Jesse Birchard competed in the bowling tournament at Auburn Heights held in aid of the polio drive.

On Saturday, February 8, Mr. and Mrs. Herbert Abrams attended a postmasters testimonial dinner at St. Louis, Michigan.

Harry Himmelstein, proprietor of Brader's Department store, is confined to his home because of illness.

for all-weather comfort. Get a demonstration!

Newer and finer in every way. Yet—

CHEVROLET IS LOWEST PRICED OF THE LOW-PRICED THREE IN THE MODELS MOST PEOPLE BUY!

Chevrolet is by far the newest, nicest car in its field—the only one that's new from ride to roof. And in the models most people prefer, Chevy costs you less than the other two low-priced cars.*

Chevrolet does more for your dollars than any other car in the low-price field. Even the lowest priced models share in Chevy's unique new beauty and costly car feel.

Every Chevrolet's a full nine inches longer—lower and wider, too. When you hitch these new dimensions to

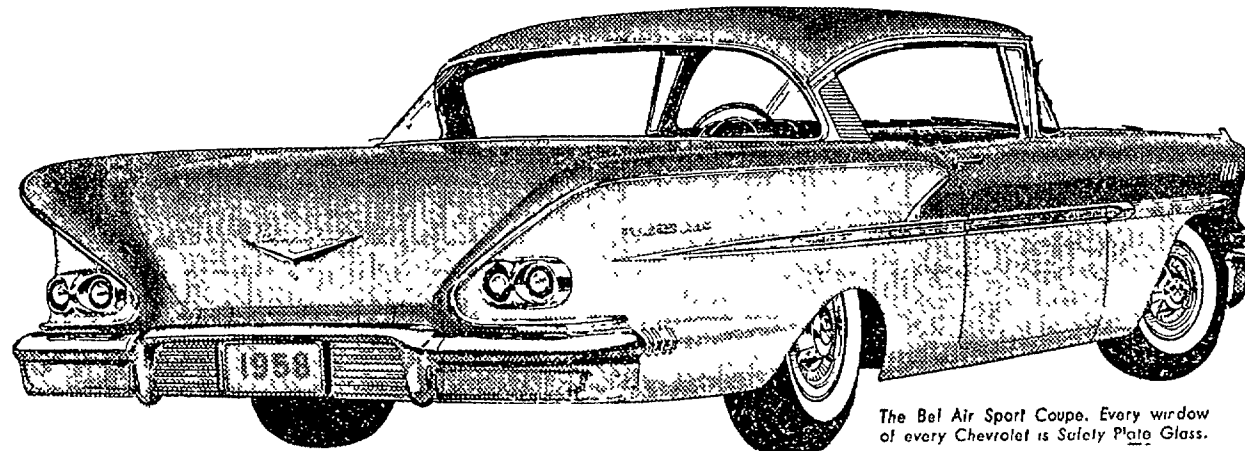

any of Chevy's new engines, you've got a big serving of spirited action.

See your dealer to find out how little Chevy's brand of fun will cost you. You get more for your money in every model—and Chevrolet is the lowest priced of the low-priced three in the models most people buy!

Only franchised Chevrolet dealers

display this famous trademark

The Bel Air Sport Coupe. Every window of every Chevrolet is Safety Plate Glass.

See your local authorized Chevrolet dealer for quick appraisal—prompt delivery!

*BASED ON FACTORY LIST PRICES FOR COMPARABLE SEDAN AND HARDTOP MODELS.

WATER SOFTENERS
Factory rebuilt and refinished softeners of many well known makes at sensational prices. Sizes from 30,000 grains to 100,000 grains — from \$50. All guaranteed. It is better to buy a good reconditioned well known make of softener than a new one of unknown quality. These softeners have been traded in on new Reynolds Automatic softeners and we stand back of them.

It will pay you to see us before you buy any softener. Every type and size of manually controlled, semi-automatic and the wonderful Reynolds fully automatic softeners on display. You can't beat the best and you can't beat our values. Come to see us or call collect for a representative to see you.

We have a sales opportunity open in this community for a capable man of character.

REGISTRATION NOTICE

FOR

SPECIAL ELECTION Monday March 17, 1958

To the Qualified Electors of the Township of Novi
COUNTY OF OAKLAND, STATE OF MICHIGAN
Residing In The Following Described Territory:

"The entire Novi Township, Oakland County, Michigan, EXCEPTING that portion of said Township heretofore incorporated as part of the Village of Wilcox, Oakland County, Michigan, more particularly described as beginning at the Northwest corner of Section 4 said Novi Township, thence Southerly along the West line of said Section 4 to the Northwest corner of the Southwest quarter of the Northwest quarter of said Section 4, thence Easterly along the one-eighth line to the North and South one-eighth line, thence Southerly along the North and South one-eighth line of Sections 4 and 9 to the Southeast corner of the West one-half of the Southwest quarter of Section 9, thence Westerly along the South line of Sections 9, 8 and 7 to the Southwest corner of Section 7, thence Northerly along the West line of Sections 7 and 6 to the Northwest corner of Section 6, the same being the Northwest corner of Novi Township, thence Easterly along the North line of Section 6 and 5 to the point of beginning, and also EXCEPTING that portion of Sections 33 and 34 described as beginning at a point on the South line of Section 33 distant 973.5 ft. West of the Southeast corner of said Section, thence North parallel to the East line of said Section 198.0 ft. thence West parallel to the South line of said Section 115.5 ft., thence North parallel to the East line of said Section 2442 ft. to the East and West one-quarter line of said Section, thence East along said East and West one-quarter line 1089 ft. to the East one-quarter corner of Section 33, which is also the West one-quarter corner of Section 34, thence East along the East and West one-quarter line of Section 34, 5347.07 ft. to the East one-quarter corner of said Section, thence Southerly along the East line of said Section to the Southeast corner thereof, thence Westerly along the South lines of Sections 34 and 33 to point of beginning, and also further EXCEPTING "Brookland Farms No. 1", a subdivision of part of the South one-half of Section 27, as per the plat thereof recorded in Liber 86, Pages 8 and 9 of Plats, Oakland County, Michigan records, and "Northville Estates Sub-division", of part of the Southwest one-quarter of Section 33, as per the plat thereof recorded in Liber 85, pages 3, 4 and 5 of Plats, Oakland County, Michigan records."

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

Notice Is Hereby Given That I Will Be At The
Following Places On

NOVI TOWNSHIP — Novi Township Hall, 25850 Novi
Road, Monday through Friday, except holidays from
2 P.M. until 5 P.M.

and on

MONDAY, FEB. 17, 1958 — LAST DAY
The Thirtieth Day Preceding Said Election

As provided by Section 498, Act No. 116, Public Acts of 1954
From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING
the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP,
CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of
registration, and entitled under the Constitution, if remaining such resident, to vote at the
next election, shall be entered in the registration book.

ELECTOR UNABLE TO MAKE PERSONAL APPLICATION, PROCEDURE

SEC. 504. Any elector who is unable to make personal application for registration
because of physical disability or absence from the Township, City or Village in which his
legal residence is located, may be registered prior to the close of registration before any
election or primary election by securing from the Clerk of the Township, City or Village
in which is located his legal residence, duplicate registration cards and executing in duplicate
the registration affidavit before a notary public or other officer legally authorized to
administer oaths and returning such registration cards to the Clerk of the Township,
City or Village before the close of office hours on the last day of registration prior to
any election or primary election. The notary public or other officer administering the
oath shall sign his name on the line for the signature of the registration officer and designate
his title.

UNREGISTERED PERSONS NOT ENTITLED TO VOTE

SEC. 491. The inspectors of election at any election or primary election in this State,
or in any District County, Township, City or Village thereof, shall not receive the vote of
any person whose name is not registered in the registration book of the Township, Ward
or Precinct in which he offers to vote. (As provided under Act 116, P.A. 1954).

TRANSFER OF REGISTRATION, APPLICATION, TIME

SEC. 506. Any registered elector may upon change of residence within the Township,
City or Village cause his registration to be transferred to his new address by sending to
the Clerk a signed request, stating his present address, the date he moved thereto, and
the address from which he was last registered, or by applying in person for a transfer.
The Clerk shall strike through the last address, ward and precinct number and record
the new address, ward and precinct number on the original and duplicate registration
cards, and shall place the original registration card in proper precinct file. Such transfers
shall not be made within the (30) days next preceding any election or primary election,
(unless such 30th day shall fall on a Saturday, Sunday, or legal holiday in which event
registration shall be accepted during the next full working day), provided that no such
transfer shall permit any person to vote in any Township, City or Village in which he had
not resided (30) days next preceding any election or primary election.

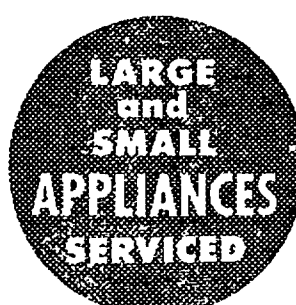

TRANSFER OF REGISTRATION ON ELECTION DAY

SEC. 507. Any registered elector who has removed from one election precinct of a
Township, City or Village to another election precinct of the same Township, City or Village
shall have the right to make application to have his registration transferred on any
election or primary election day by executing a request over his or her signature for such
transfer and presenting the same to the election board in the precinct in which he is registered.
Upon receiving such request the inspector of election in charge of the registration
records shall compare the signature thereon with the signature upon the applicant's registration
record and if the signatures correspond then the inspector shall certify such fact upon
said request and the applicant for transfer shall then be permitted to vote in such
precinct for that election only. The application for transfer shall be filed with the Township,
City or Village Clerk who shall transfer such voter's registration in accordance with
the application. When the name of any street in a Township, City or Village has been
changed, it shall be the duty of the Township, City or Village Clerk to make the change
to show the proper name of street in the registration records, and it shall not be necessary
for the elector to change his registration with respect thereto in order to be eligible to vote.

HADLEY J. BACHERT, Township Clerk

State Seeks School Aid

REPUBLICANS and Gov. Williams started the 1958 legislative session agreeing only that schools need money for new buildings and operations.

They disagreed on everything else. With a \$6,000,000 deficit in the current-year state aid fund, the legislature face the task of raising that amount and an additional \$14,000,000 to maintain the \$190 per student formula.

"This is what we can promise the schools, but we can't do what Williams wants," said Senator Frank D. Beadle (R-St. Clair).

Williams proposed raising the state aid level to \$197 per student, tacking another \$30,000,000 load on the \$6,000,000 deficit this year.

The real fight over the two plans will come in the House of Representatives. The Republicans, with two votes to spare, were able to pass their version in the Senate.

They said the estimated \$20,000,000 shortage under the present system would be made up for the schools from the state general fund—and therein lies another problem.

Finance leaders are predicting a \$5,000,000 deficit without any increases for next year, even before considering the school problems.

Williams and others in the legislature are proposing long term bond issues to meet the problems.

Republicans, pledging "no new taxes," are looking — along with Williams — for some way to keep the state from bankruptcy without increasing levies.

Rep. Rollo G. Conlin (R-Tipton) has proposed buying state liquor supplies on a 90-day credit basis, picking up \$16,000,000 and \$18,000,000 immediately.

Williams called this a "temporary stopgap" plan, but it became an "out." He quietly but quickly settled his \$20,000,000 intangible tax proposal.

Republicans, remembering troubles in the past are pushing for their own version of the school aid program.

Schoolmen for years have fretted that the decision usually is delayed until spring and they are held back in making budgets for the next year.

Most schoolmen have expressed enthusiasm for the Republican plan, banking on the promise of \$190 per student as the basis for their negotiations this spring.

Another factor in the state's economic picture this winter was the

Bartlett Gets Post For Michigan Week

Increased participation by schools in the fifth annual Michigan Week is foreseen by Dr. Lynn M. Bartlett, state superintendent of public instruction, whose appointment as chairman of the Michigan Week School Activities Board was announced this week.

Education will share the top theme position along with water resources in this year's celebration.

"The fact that Michigan Week will be observed two weeks earlier this year, from May 4 to 10, will give all schools an opportunity to participate," Dr. Bartlett declared.

Roger Babson

Bolster "Off Seasons"

Babson Park, Florida — A few weeks ago I was asked by a friend to go 20 miles from here and look at a piece of Florida property. The weather here had been wretched, cold and rain with constant fog. Very few people were on the streets or in the stores. The restaurant where I expected to get luncheon was closed, with a sign that it would be open "when the sun comes out." Even the real estate offices that I visited were closed. When I found one of the men at his home, he said that it was impossible to sell real estate "during weather like this."

Weather and Land Sales

Apparently most people lack vision. When it is sunny, they think it will always be sunny; but when it has rained for a week, they think it will always rain. They lack vision as to temperature. The real estate men claim that their business is "seasonable"; that most real estate buyers lack reason and foresight. This is why most sellers of real estate are obliged to work on a commission basis. The weather primarily explains why the real estate business is so cyclical.

Every business is more or less cyclical, constantly revolving like a wheel. Most people buy at the top and sell at the bottom; a few buy at the bottom and sell at the top. These, however, who get aboard the wheel at any point and stay with it, dealing with honest brokers, usually come out satisfactorily. This applies to land and buildings as well as to stocks and bonds. It means that the shrewd buyer buys during periods of bad weather and bad news. This, moreover, applies to all sections of the country as some section is always suffering from long rains, or long droughts, or long cold spells, or long hot spells. These, however, are the periods when it is best to buy real estate.

Swampy Lands Should Become More Valuable

Up to the present time, pasture land or raw land that is swampy has sold at a very low price — probably only one-quarter of what well-located pasture land would bring. Wet land cannot successfully grow orchards of fruit trees. Cattle like ponds in their pasture; but they must have dry land to feed upon. Rice and cranberries are about the only commercial crops which can use wet land.

Statistics show, however, that the water table of most states is gradually but seriously falling. Most states now have commissions which are engaged in studying the water table. This decline in the supply of water is due to various causes; one owner will drain his property and forget that he is also draining his neighbors' property which needs more water. Every state is endeavoring to get more industries, and yet most industries are large consumers of water. This means that water will become of great value some day. Cheap swamp land should, therefore, constantly become more valuable and should be a good purchase today for those who have the patience to wait.

Surplus Water from Canada I have already spoken in this column of the "John Powers, Jr. Plan" to bring surplus water from Western Canada down through North Dakota into the dry sections near our Rocky Mountains. Tremendous reserves of fresh water are now running northward into the Arctic Ocean. Mr. Powers shows that, with the permission of Canada, these waters could be turned southerly to irrigate, at slight cost, the "Great American Desert." It would cost no more than it costs to build modern turnpikes for automobiles. As this may come about sooner than most people realize, I advise people not to sacrifice such waste land they might now own in Utah, New Mexico and Arizona.

Northville Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Feb. 3, 1958 at 8:00 P.M.

Present: Mayor Ely, Councilmen Allen, Canterbury, Reed and Welch. Minutes of last regular meeting were read and approved.

Bills amounting to \$54,780.97 from the General Fund and \$1,094.33 from

the Water Fund were presented for payment, and it was moved by Allen, supported by Reed, that same be allowed and paid. Carried.

Applications for renewal of three taxi licenses by Ernest Seaman, dba, of Center Cab Co. were presented for approval, and it was moved by Canterbury, supported by Reed, that these licenses be issued, with the understanding that the Council should consider revocation of same at the next meeting if it is found that Mr. Seaman is not living up to his agreement not to pick up passengers at Maybury Sanatorium except at spots designated by the Sanatorium and upon calls from their switchboard. Carried.

Engineer Harold Penn presented his plans and specifications for the storm sewer on High street. After discussing the difficulties involved in going across the Lutheran Church property with this sewer, if an easement could be obtained, it was decided that the original plans should be followed bringing the storm sewer down High St. to the bridge; and it was moved by Welch, supported by Canterbury that the Engineer prepare advertisement and include in the specifications that corrugated steel piling be installed on the south side of the creek east of the bridge where sewer will empty into creek — advertisement to be placed in the Michigan Contractor and Builder at the earliest possible date, and bids to be opened at a special meeting to be held Monday Eve., Feb. 24th, at 8:00 P.M. at the City Hall. Motion was carried.

The Automobile and Motor Cycle ordinance was read for the second time by Atty. Ogilvie, and there being no citizens present at the public hearing scheduled for this date to raise objections to its adoption, it was moved by Allen, supported by Reed, that this Ordinance be adopted. Carried.

It was moved by Reed, supported by Allen, that the City Manager be instructed to contact Ayres, Lewis, Norris & May, Water Consultants, and get specifications drawn up for pump for new well. Carried.

Moved by Allen, supported by Ely, that Levi M. Eaton be appointed to succeed himself, for a three year term on the Board of Review for the City of Northville. Carried.

No further business appearing meeting was adjourned (Signed)

Mary Alexander, City Clerk

GOD'S SPUTNIKS

Well, man really thinks he has done it now! He has launched a man made planet into the orbit about the earth and it has circled the earth for a number of days now. As I write this article the U.S. is preparing to launch its own sputnik tomorrow. Wonderful indeed — but what is this compared to what God has already done. Astronomers have estimated the weight of this earth to be 6,000,000,000,000,000,000 tons. It's hard for us to comprehend this but the Scripture says that God "Comprehended the dust of the earth in a measure and weighed the mountains in scales, and the hills in a balance." The earth is one of the smallest members of the solar system. Look at Jupiter, the greatest of all planets and is larger than all the other members of the solar system but together! Jupiter is thirteen hundred times the size of the earth. And yet, Jupiter shrinks almost into insignificance when compared to the sun which is more than one million, three hundred thousand times greater than these proportions. Think of that! All the heavenly bodies have been in space for thousands of years, upheld by His wonderful power. Truly we can but exclaim of God. "How great thou art! How great thou art!"

READY FOR BUNDLE WEEK — Enid Penn and Robert Wilson get the jump on next week's clothing drive in Northville's three schools. The clothes will be distributed to needy American, European and Korean children. Northville has joined in the annual campaign for the past several years.

ACHIEVEMENT DISPLAY — Cub scouts of Novi Pack 54 displayed their handiwork in the window of The Decorator's in Novi this week. The project was part of the cub pack's observance of national scout week. Shown above (left) straightening the hat on a Cub "window dummy" is George Simonton, while Kenny Little studies the display intently before deciding where to place an array of badges. Looking on is Mrs. Lester Ward, den mother.

Teachers' Society Meets for Dinner

Seventeen members of the Northville Alpha Nu chapter of Delta Kappa Gamma, teaching society, met at the home of Mrs. Ruth Carter on Rouge street for a pot luck dinner Monday.

Mrs. Arthur Donavon of South Lyon, chairman of the legislative committee, introduced Thomas J. Northey, field representative of the Michigan Education association in Lansing.

He spoke of current legislation measures pertaining to education. Members of the legislative group are Miss Diane Lance and Miss Ruth Knapp.

'57 Home Building Was Down in City, Up in Township

New home construction dropped off by nearly half in the city of Northville but doubled in Northville township during 1958.

Northville showed a decline from 39 permits in 1956 to only 22 last year, while Northville township increased from 19 in 1956 to 38 last year.

The figures were released this week by the Detroit Metropolitan Area Planning Commission.

The Detroit area showed a 17 percent decline in building during 1957, the report said. It was the worst year since 1949.

The drop was felt even more to the north, where Novi went down from 274 in 1956 to only 65 last year. Walled Lake dropped from 184 to 47, and Farmington township slipped from 641 to 385.

But to the south, Plymouth gained from 24 to 69 and Plymouth township jumped from 68 to 146.

Northville and Northville township continued to be two of the slowest growing communities in the Detroit area. Northville ranked 34th of 45 Wayne county communities, and the township was 39th.

Northville should show considerable improvement in 1958, with two subdivisions now under construction on the north side of the city.

Optimists Assist Exchange Students

Three Northville students who will travel to Europe as exchange students this summer will receive \$50 donations from the Northville Optimist club to assist in their travels.

The three are Carol Krezel, Ray Dahl and Chris Krauter.

Optimists also plan to establish a new program of working with Northville boys in such activities as round table discussions, speech, creative thinking, personal interviews, and similar functions.

Robbery Attempted At Warren Products

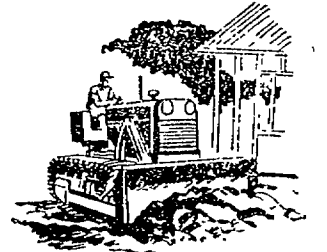

A ringing alarm apparently stopped a burglary attempt Sunday at Warren Products, Inc. on Baseline road.

Police received a call at 11:15 a.m. from Frank Martin, one of the owners of Warren Products. Martin was notified of the alarm by a Baseline road resident.

Upon investigation, they found that someone had entered by smashing a window on the north side of the building, then entering the office below by cutting a hole in the floor.

The alarm went off when an attempt was made to pry open a closet door that contained the alarm switch.
