

## Land Assessments Lowered in City and Township

### To Start St. Mary's Hospital on April 5 Retain Building Values As Boards End Review

Ground will be broken a week from Monday for the long-awaited St. Mary's hospital in Livonia.

The \$3,600,000 structure — the first major hospital in western Wayne county — is scheduled for completion within 18 to 24 months. Even before the first sod is turned, however, plans are being made to double the hospital's bed capacity to 350 within five years.

The initial unit — a five-story structure with adjoining power plant — will offer 174 beds and the latest in medical and surgical facilities to Northville, Plymouth, Livonia, Redford township and Farmington.

It will be built at Levan and Five Mile road, on a 40-acre site donated by the Order of the Felician Sisters. The site is part of the 320-acre Madonna college complex.

Financial problems which have held up construction for several years are now apparently solved. The Felician Sisters who conceived the project, have a guarantee of a \$3,000,000 loan if needed.

But Sister Mary Columbine said the building fund is only some \$750,000 short. A new fund drive, due to begin shortly after the ground-breaking, may make the loan unnecessary, she said.

The initial drive in 1953 fell short of its goal when expected industrial and charitable contributions failed to materialize.

Since then, the Felician Sisters have donated \$400,000 of their own, and a \$700,000 grant was obtained from the federal Hill-Burton act last April.

The unit now ready for construction will be a complete hospital in itself, offering medical, surgical, maternity and pediatrics facilities. But Sister Columbine said it already appears that the 174 beds will not be adequate. Some 80 doctors have already applied to practice at the hospital.

For this reason, she said, plans are now being drawn up to add two more stories and another 180 surgical and medical beds, possibly within five years.

The first unit will be built with this expansion in mind, she said. Except for additional X-ray and operating facilities, no new facilities will be required to serve the 180-bed addition.

The first unit will cover some 98,000 square feet of floor space and will be designed in contemporary style by Ellerbe and Co. of St. Paul, Minnesota, specialists in hospital planning.

The layout of the hospital includes: Basement: storage, physical therapy, autopsy, employees lockers, laundry and mechanical services. First floor: administration, information desk, emergency kitchen, dining room, chapel, coffee shop and lobby.

Second floor: surgical suite, laboratories, x-ray, recovery, diagnostic, therapy, supply, and pharmacy. Third floor: delivery suite, maternity wards, nursery.

Fourth floor: medical beds, pediatrics.

Fifth floor: surgical beds. The breakdown of beds is as follows: surgical, 70; medical, 48; maternity, 36; and pediatrics, 20. In addition, the hospital will have 40 nursery bassinets.

COMING SOON — Northville and surrounding communities will have their first major hospital within the next two years. Shown here is an artist's sketch of the 174-bed St. Mary's hospital as it was envisioned last year. Some modifications have been made to allow a separate power house and eventual construction of two more floors. The first five-floor unit will cost \$3,600,000.

Sweeping reductions in the assessments on land were initiated in both the city and township this week.

Township cuts were as high as 50 per cent as nearly every piece of land in the entire area was lowered at least 10 per cent.

The change came after several days of study by the board of review members in what has resulted in the most thorough study of assessments ever made in Northville.

Both city and township officials left building values unchanged except where individual errors were made in the recent reappraisal program.

A final tabulation on the total reduction made in assessed valuation was not yet ready as both boards expected to complete their work Wednesday.

According to Supervisor Mollie Lawrence, the biggest cuts in township land values came along Five Mile road between Hagerly and Bradner. Land assessments in this area were found to be higher than current selling prices.

Changes in the land assessments came after two weeks of daily study by the boards. Several hundred individual complaints were processed by both bodies in the biggest taxpayer protest ever made locally.

While all individual complaints were reviewed, the boards did not make any changes without studying the entire roll. Officials emphasized that all reductions were made uniformly in comparison with similar properties to preserve the purpose of reassessment: equalization.

Therefore, hundreds of reductions were made although complaints may not have been issued on the properties.

"We sincerely tried to treat everyone alike," said Mrs. Lawrence. She pointed out that every piece of land in the township had been reviewed by the board. The township board has worked eight full days making their review, while city board members have studied the roll for 15 days.

City and township tax assessments must now be reviewed by the county. Authorities from the county tax bureau had earlier assured local officials that there would be no county "equalization factor" applied against Northville if reassessment figures were adopted. Local officials must prove to the county that the reductions were justified and hope that they will be allowed to stand without boosting.

School, township and county taxes are based on the state equalized assessment values. The state assesses approximately 10 percent higher than Wayne county. Therefore, residents may expect that, if the county accepts the reduced assessments as sufficient, their taxable assessment will be raised 10 percent by the state. Thus, school, township and county taxes will be based on an assessment 10 percent higher than the new assessed valuations.

City taxes are collected against local assessments. The millage, which was 19.5 last year, is expected to be reduced substantially by the council in light of the higher assessments.

### These 'Copters Didn't Crash

The helicopter which exploded, crashed, and took the three lives near Detroit Monday was not one of those involved in a photo feature appearing on page nine of The Record today.

The ill-fated chopper belonged to a Detroit construction firm. But those in today's feature both belong to commercial charter services.

The first crash bulletins stunned Record staff members however, for only four helicopters are registered in the Detroit area and the odds seemed to point to the charter helicopters.

But as far as is known, both men and the helicopters involved in today's feature are still safe, sound and airborne.

### P-TA to Discuss Grading System

Northville's report card system will come under careful scrutiny tonight (Thursday) at the March meeting of the Parent-Teachers association.

It will begin at 7:30 p.m. in the Northville community building. Dr. Chester McCormick of Wayne State university, who has appeared in Northville in the past, will moderate the program — the third in a continuing series on how children learn.

He will compare progress reporting in Northville schools with other available methods.

Northville's elementary schools use a non-competitive system rather than traditional A-B-C grades as in many schools. The system has both its backers and its opponents, and tonight's meeting will examine both positions.

### Choir to Present 'Calvary' Sunday

The sacred cantata "Calvary" will be presented in special Palm Sunday services at the First Methodist church of Northville at 7:30 p.m. Sunday evening.

A 22-voice chorus, directed by Ervin Nichols and accompanied by organ and piano, will interpret the passion and triumph of Christ. Soloists will be Geraldine Mills, Audrey Westphal, Audrey Becker and Charles Strautz.

All Northville residents have been invited to attend.

### Life Is Still A Surprise Even For Belle McColl, 85

For someone who has traveled extensively and lived a full rich life there are few surprises.

But Mrs. Belle McColl was truly taken unaware on Wednesday afternoon when she thought she was attending a regular business meeting of one of the Presbyterian church circles.

The group had met alright — but to surprise Mrs. McColl in honor of her birthday which is March 30. The guest of honor will be 85 years old.

A well-known, loved and honored person in the community, Mrs. McColl was born in St. Johns. After graduating from Smith college in 1897 she taught for one year at Olivet college.

She married Jay Robert McColl and lived in Detroit for many years. There she was active in such community affairs as conducting current events, lectures, traveling through 4 of the United States and making three trips to Europe.

In 1942 Mrs. McColl played a real life "The Lady Who Came to Dinner." She came to Northville for a week end and has stayed here ever since with her daughter and family.

### Calendar

Thursday, March 27:  
Northville P-TA meeting at 8 p.m. in the Community building.  
Clean-up Committee at 8 p.m. in the city hall.  
Saturday, March 29:  
Story Hour at 10:30 a.m. in the library.  
Forensic club play at 8 p.m. in the Community building.  
Lloyd H. Green Post of the American Legion pot-luck dinner at 6:30 p.m. in Veterans hall.  
Monday, March 31:  
Our Lady of Victory Mothers club at the church social hall, 8 p.m.

### Township Wins Trailer Dispute

A long-standing dispute between the Bernard Orchard company and Northville township concerning the use of 80 acres for a trailer camp site was won this week by the township.

In an opinion handed down March 21 by Circuit Judge Victor Targonski the township was upheld in its decision to refuse rezoning for trailer park use.

The suit was brought more than a year ago when the Bernard Orchard company sought rezoning of the parcel north of Six Mile road and east of the C & O railroad at Waterford lake.

The zoning was refused when the board ruled that a suitable plan had not been submitted and that the location did not provide proper ingress and egress for a trailer park.

In stating the township's position Attorney James Littell had pointed out that the only access to the park was a narrow bridge which would become a bottleneck for any emergency use.

Judge Targonski's opinion supported the township contention.

### U-M Minister to Give Good Friday Service

Dr. William S. Baker, director of student work for the University of Michigan Presbyterian corporation, will conduct Good Friday services at the First Presbyterian church a week from tomorrow.

Services have been scheduled for 1:30 p.m. in the church, according to Rev. John O. Taxis.

Dr. Baker received his education at the University of Illinois and received his doctorate in divinity from the University of Edinburgh, Scotland. Currently he heads the Presbyterian Corporation at the university, where he estimates there are 2,000 Presbyterian preference students.

It is his job to give religious counsel, advise the Westminster Student Fellowship in their programming, preach, and act as a liaison between students and church people throughout the state.

In addition to this Dr. Baker does a great deal of public speaking, besides communicating each year with the parents of every Presbyterian student.

### New Zoning Requests Denied by Planners

Two requests for rezoning R-3 lots on Cady street to C-2 were denied Tuesday night by the Northville planning commission.

Both lots are located on the north side of Cady between Center and Church. Lot 46 is owned by Roy Stone and the zoning change was requested jointly with William C. Silger. A request for rezoning lot 48 was made by Paul Palmer, owner.

Nearly all of the residents along Cady street had protested the change.

### Northville Nursery Exhibits Garden at State Fair Show

A beautiful garden dominated by firs and birches — the work of a Northville landscaper — is on display at the Michigan Flower and Home Show in Detroit.

Galled simply "Firs and Birches", the exhibit was prepared by John Miller and his associates at Green Ridge nursery in Northville. It's the first time that Miller has been selected to create a display for the show.

Sunday will be the last day to see the show and Miller's garden. The show will end its annual run at the Michigan State Fair grounds on that day.

The 20 by 23 foot garden features, in addition to firs and birches, varieties of flowering shrubs, ornamental evergreens and lilies, daffodils, and tulips in full bloom.

The displays are judged by the public, with each visitor marking a ballot on the back of his ticket. To get his display in shape for the show, Miller and his staff worked upwards of 16 hours a day last week.

Sponsored by the Michigan Horticultural Society, the show opened last Saturday and has drawn thousands of visitors.

### Pleads Guilty To Store Break-in

Thomas Galuccie pleaded guilty in Wayne county circuit court Wednesday morning to an attempted break-in of Corbin's Jewelry store, 126 North Center street.

The attempt was made January 26, Galuccie was apprehended by Northville police after they recalled seeing a man sleeping in a car behind the jewelry store on the night of the attempt. Officer Leonard Mazuchowski had recorded the license number of the car which was traced to Galuccie in Dearborn.

The attempted break-in was discovered by Harold Corbin, store owner. Corbin found several large holes drilled in the back door. A set of tools were also found near the door, apparently left in a hasty exit.

### Clean-up Committee To Meet Tonight

Committee chairman for the "Beautify Northville" campaign will meet this evening (Thursday) at 8 o'clock at the city hall.

Chairman John Canterbury reports that the group will organize its community-wide program for a month-long drive during May.

CUT-OFF PATH — A public hearing at the Northville city hall last week cleared the way for activity on the proposed Eight Mile road cut-off. County, school and city officials made statements at the hearing supporting the proposed project, while Sidney Frid spoke on behalf of residents of Oakwood subdivision to protest the path of the road through their residential area. The county is expected to complete the purchases necessary to obtain the required 120 foot right-of-way this year. Some grading and drainage work may also begin this year. The above sketch shows the path of the cut-off which will connect to Eight Mile road at Taft road and on East Eight Mile east of the intersection of Eight Mile and Novi roads. The cut-off will be bridged over the railroad track. A new entrance from Novi road will connect at Novi street. Center street from Baseline to Oakley (which will become a part of the cut-off) will be widened and paved to provide the main entrance into Northville from Novi.

### Man Behind 'Explorer' To Address Teachers

One of the nation's top missile brains will be a guest speaker next week in Northville.

Lovell Lawrence, Jr., head of the Chrysler corporation's missile division, will address the staff of

### Democrats to Form Club in Northville

A Northville Democratic organizational meeting will be held Monday, March 31 at the UAW-CIO hall, 123 East Main street.

According to Herbert Koester, a representative of the state Democratic party headquarters will address the group. All interested persons are urged to attend at 8 p.m.

### Two Indonesian Officials Pay Visit to Novi Township

Two distinguished government officials from Indonesia stopped off in Novi this week to get a first-hand look at how America runs its local affairs.

By the time they left, they had gathered a mountain of information on taxes, roads and sewers to take back to their sprawling island republic in the middle of the Pacific.

Both men are on a one-year leave of absence from their native country, as part of a joint U.S.-Indonesia program of international cooperation.

Franciscus Walandouw is deputy regent, or second-in-command, of the county of Daerah Minahasa. Medado in the state of Sulawesi-Utara (formerly the Celebes). As such, he represents some 500,000 persons.

Raden Aboebakar is a public relations officers for the governor of Java.

### Anderson Gets Seat On Novi Charter Group

J. Philip Anderson became the fifth member of Novi's village charter commission Thursday when he drew a lucky lot against Dirk Groenenberg.

Anderson, who owns an extensive orchard near Northville, had tied with Groenenberg for the fifth seat in Novi's village election last week.

The commission now has 60 days to complete a charter.

the Northville public schools and student science majors on Wednesday, April 2.

The group will meet in the American school all-purpose room at 2:15 to hear the man who is the past president of the American Rocket Society and one of the county's first leaders in rocket building.

Lawrence headed the group that sent the first United States Explorer rocket soaring into outer space on January 31.

Besides this noted speaker, two faculty members will give science demonstrations. LaGene Quay will demonstrate a chemistry project, while Russell Reimer will conduct an experiment in biology.

## Legion Auxiliary Hosts Pot-luck Dinner

The 39th birthday of the American Legion will be observed this week by local members.

On Saturday evening, March 29 the auxiliary to the Lloyd H. Green Post will host a pot-luck dinner at the Veterans' Memorial building.

The dinner will begin at 6:30 p.m. Entertainment has been planned for the evening as well as honoring all past commanders and presidents of the post.

All members and their families have been cordially invited to attend.

## Garden Club Members To Hear Noted Speaker

Local members of the Federated Organic Farm and Garden clubs of Michigan are expected to attend a lecture in East Lansing on March 30.

Lady Eve Balfour of Suffolk, England will speak in the Union building ballroom at Michigan State university.

The speaker, niece of the former Prime Minister of England, is the author of "Our Living Soil".

Troop 14 held a regular meeting Thursday, March 20 at the home of Mrs. Dayton Deal, 2511 Springwood drive.

## Mary Anderson Weds Charles Freydl

Mary J. Anderson became the bride of Charles M. Freydl, Jr. last Saturday evening in a candlelight ceremony at the First Presbyterian church. Officiating at the double ring rites was the Rev. John Taxis.

The bride is the daughter of Mr. and Mrs. Harry S. Johnson, 46500 Eleven Mile road, Novi, and the bridegroom is the son of Mr. and Mrs. Charles Freydl, 455 Eaton drive.

Given in marriage by her father the bride was attired in a pastel pink princess style gown of taffeta. The waist length bouffant dress featured a bateau neckline and the bodice was of lace over taffeta. Her headband was of pink shirred nylon attached to a wisp veil. The bridal bouquet was arranged in a cascade effect of phalaenopsis orchids, mixed with pink carnations and surrounded by eucalyptus leaves.

The church was lighted by pink taper candles and decorated with white gladioli and pink carnations. Mrs. William J. Williams was the organist. Among the musical selections was Litz's "Wedding Prelude". The maid of honor was Janet E. Julian wearing an aqua blue and white striped crystalettae waltz length dress. The neckline was fitted with a matching shrug jacket.

Robert Freydl served his brother as best man and ushers were John James and Steimel Nelson.

The bride's mother was dressed in a navy blue sheath dress accented by pink gloves and a satin hat. Her accessories were in blue. To her shoulder Mrs. Johnson pinned a corsage of pink and white carnations mixed with phalaenopsis orchids.

The bridegroom's mother wore an identical corsage on a mauve chiffon dress over taffeta. The bodice was of chantilly lace and her tiny hat was of French sequins and ice blue.

Immediately following the ceremony a reception was held for 200 guests in the Fellowship hall. Special guests were the bridegroom's grandparents, who were all over 80 years old. They were Mr. and Mrs. Burt A. Nelson of Five Mile road and Mrs. Bruno Freydl of Northville. The couple will be "at home" to their friends at 122 Main street.

Mr. and Mrs. Charles M. Freydl, Jr.

## Local Group to Hear Art Institute Speaker

The Northville Co-operative Playgroup have scheduled the coordinator of the extension services of the Detroit Institute of Arts to speak at their March 31 meeting.

William McGonagle will discuss "Art and the Pre-School Child" at the 8 o'clock meeting. Bringing an extension service from the institute to the Northville area will also be discussed.

Election of officers has been slated the same evening during the regular business meeting.

Mrs. William Coulter will open her home at 229 Linden for the meeting. Hostesses will be Mrs. William Frank, Mrs. George Shores and Mrs. Orland Bumann.

## Schedule Class For Leader Training

A girl scout leader training course will be held this spring, according to education chairman, Mrs. F. S. Jennings, of the Northville Girl Scout Council.

It was announced this week that the training course will begin April 15 at the Plymouth Presbyterian church. The 20-hour course will be held each Tuesday thereafter from 9:30 a.m. until 2:30 p.m.

The course is open to all area residents who are interested in any phase of scout work. For more information or to enroll call Mrs. Jennings at Fieldbrook 9-2529.

## Births

Mr. and Mrs. Donald M. Burkhardt, 46957 Five Mile road, Plymouth, announce the birth of a daughter, Susan Jean, born March 17 in Sessions hospital. The baby weighed seven pounds, six ounces. Mrs. Burkhardt is the former Betty Hintz of Northville.

## Garden Clinic In Livonia Next Week

Gardeners in the area can get their green thumbs back in shape at four free garden clinics during April.

The first clinic will be held in the Bentley high school auditorium in Livonia on April 8 at 8 p.m. with P. R. Biebesheimer, Wayne county extension director, as chairman.

Donald D. Juchartz, county extension agent, will demonstrate "Planting Around and Near Your House", and Isabel Zucker, Detroit Times garden editor, will talk on "Improving Your Soil". N.A. Smith, county extension agent, will discuss "Controlling Garden Pests" and Irving Faltier, forestry division of the county road commission, will speak on "Becoming A Successful Tree Owner".

The second clinic will be held at 8 p.m. in the gymnasium of the Lakeview high school, 21100 11 Mile road, St. Clair Shores, on Tuesday April 15.

Clinic number three is on Wednesday, April 16, 8 p.m., at the Adams school, Birmingham. The fourth clinic will also be at 8 o'clock in the auditorium of the Henry Ford Museum Theatre.

These clinics are free to anyone interested in gardening. Free tickets may be obtained by sending a stamped, self-addressed envelope to Isabel Zucker, garden editor, Detroit Times, Detroit 31. When writing for tickets specify which clinic you are interested in attending. There is no charge for tickets.

## BPW Celebrates 10th Birthday

There were 55 members and guests attending the tenth birthday of the Northville Business and Professional Women's club last Monday evening at the Presbyterian church.

Following a candlelight ceremony performed by the past presidents, Florabelle Sullivan cut the birthday cake.

Among the evening's guests were State President Viola Wolfe, May K. Burk, Past State President Evelyn Burke, State Second Vice President and members of the South Lyon chapter.

The program for the evening was headed by the civil defense committee, with Beatrice Carlson, chairman, and Beatrice Braniman, chairman of the health and safety committee. Speaker of the evening was Stanley Mann of the Metropolitan Life Insurance company, who showed an amusing film and gave some information about being overweight.

## Wixom Teens Hold First Dance Saturday

Last Saturday evening the Wixom Youth club held its first dance in the Wixom elementary school building. This was the first such affair for the newly organized group.

Ray Tillery and his orchestra provided the dance music. Chaperones for the evening were Mr. and Mrs. Herbert Abrams and Mr. and Mrs. William Abrams and Mr. and Mrs. W. S. Tuck.

The group have cordially invited other teen-agers to join them and anyone interested may contact Dorothy Hamlin or Sherry Hubill, teen club president and vice president.

## Town Club Sponsors Spring Fashion Show

The Town club of Farmington will have a spring card party and fashion show tomorrow, March 28.

The event will be held at 8 o'clock in the Farmington junior high school gymnasium with dessert and coffee served during the evening. Gifts this year will be a mink scarf and a wing chair.

Tickets may be purchased from any Town club member or by calling GR-4-5752.

## Mothers Club Plans Meeting April 1

Announcement of the new slate of officers will highlight the regular business meeting of Our Lady of Victory Mothers club April 1.

Members urge that all who are interested to be in attendance. The meeting will be held in the social hall.

The group also is sponsoring a special lecture at 8 p.m. on April 8 by the Rev. Father Rudolph Hodik, of Casco, Wisconsin. In connection there will be slides of the famous Padre Pio, the stigmatist at the San Giovanni Rotondo Monastery, Foggio, Italy.

The Mothers club has invited everyone to attend.

## Girls Make Easter Baskets

Easter baskets was the main project for the Pioneer Girls when they met March 20 at the Northville Baptist church. The baskets made during the crafts hour were for the Eastlawn Rest Home and the primary classes at the church.

## Nearly New Sale Termed Success

Mrs. C. M. Goodrich, chairman of the Nearly New Sale, announced this week that the group has netted to date over \$200 from the sale.

The sale was sponsored by the Mothers club and proceeds from this sale will be used to buy special furnishings for the school. Mrs. Goodrich said that this may become a yearly event as they considered it a great success.

The sale was held in the scout hall last Friday.

Aiding the chairman were the following committee members: Mrs. Frank Pauli, Mrs. Elden Biery, Mrs. Stuart Campbell, Mrs. Richard Kay and Mrs. Clifford Rollings.

## BROWNIE TROOP 1

All members would like to thank their mothers for making their bake sale a success and making it possible to buy some chairs for the scout building.

## Fun and Fashion for Women's Club

The controversy over the sack dresses and the chemise is fading now, but they're still good for an occasional laugh.

Especially if the "sack" is made up of burlap, such as was modeled last Friday afternoon before the Northville Woman's club.

Mrs. Belle McColl and Mrs. Alex Lawrence donned the stunning—but scratchy—mother-daughter combination as part of the club's tribute to fashion at its final meeting of the season.

Not all the fashions were for chuckles, however. Along with the sacks and ancient dusters were the latest spring modes from Freydl's Women's Wear. And when they were on stage, the chuckles turned quickly to words of admiration.

Modeling the creations, both comic and chic, were Mrs. Lawrence, Mrs. McColl, Mrs. Wayne Wilcox, Mrs. Alfred Parmenter, Mrs. Karl Karg, Mrs. Clifton Hill and Mrs. James Littell.

One of the show's highlights was an 80-year-old duster, complete with goggles for wind protection in the new high speed sport cars.

### Elects Officers Same Afternoon

After the fashion show reports were given and an election of new officers was held.

Named to the post as president was Mrs. Charles Yahne. Other officers include: Mrs. Charles Woodruff, vice-president; Mrs. A. J. Verschaeve, recording secretary; Mrs. L. Rambeau, corresponding secretary, and Mrs. Donald Severance, treasurer.

Board members who will serve for the coming year are outgoing president Mrs. E. A. Chapman and Mrs. Frank Beeks Mrs. R. J. Scott, Mrs. Paul Schulz and Mrs. J. P. Green.

The new program committee named was Mrs. Harvey Whipple, Mrs. A. M. Lawrence, Mrs. F. D. Sober, Mrs. H. H. Handorf, Mrs. Adrian Willis Mrs. Glenn H. Cummings and Mrs. C. W. Rodgers.

Mrs. Rano Papini, while acting as commentator, tried on several hats in an effort to find a suitable chapeau for Easter. The headgear ranged from duck-billed caps to a huge flowered affair, and each brought an appropriate humorous comment from Mrs. Papini.

The fashion show was under the guidance of Mrs. John Begle, who served as coordinator. While models showed their outfits, Mrs. William G. Williams played a musical accompaniment.

During the regular business meeting, plans were made for a dessert booth at the annual P-TA carnival in May. Each year, the group makes and donates refreshments. Mrs. Douglas Bathey will be chairman this year.

LET'S COMMUNE WITH NATURE — And if you decided to with this outfit on you would be prepared for anything along the way. Reading material, time piece and fishnet plus a portable radio gives one all the comforts of home while blazing a trail. Behind the binoculars and under the pith helmet is Mrs. Wayne Wilcox.

FRESH AS A SPRING DAY — These two outfits were part of the fashions shown last Friday when the Woman's club met at the Presbyterian church for their final meeting of the club year. Clothing was provided by Freydl's Women's Wear. Seated left to right are Mrs. R. M. Atchinson, Mrs. Fred Van Atta, Mrs. E. V. Ellison and Mrs. L. E. Hills. Standing are the attractive models, Mrs. Alfred Parmenter and Mrs. Karl Karg.

Liaison officers and counselors representing every medical specialty and related fields participate in planning and directing all Easter Seal programs of care, treatment and rehabilitation.

### King's Daughters Meet at Luncheon

The Mizpah Circle of the King's Daughters will meet Tuesday, April 1 at the home of Mrs. William B. Walker, Jr., 39900 East Eight Mile road.

A luncheon will begin at 12:30 and a business meeting has been scheduled for two o'clock. Members are asked to bring a passing dish and their own table service.

### NEWS AROUND NORTHVILLE

Virgil Houtz, son of Mr. and Mrs. George Houtz, 447 Butler, is currently stationed in Germany with the army. Recently he spent a furlough in Holland.

Mrs. F. S. Jennings, 4411 West 11 Mile road, plans to spend several days visiting with her sister in East Lansing.

Mrs. Anne Young, of Cady street, entered Harper hospital, Detroit, this week for surgery.

David Hartner, son of Mr. and Mrs. Herman Hartner, 416 Plymouth, left Tuesday from East Lansing with the Michigan State university concert band to tour the state. The band will present nine concerts in five days. David, a sophomore at MSU, is also a member of the marching band.

Miss Ada Fritz, fourth grade teacher, was out of town last week due to the death of her father, Joseph L. Fritz. Miss Fritz attended the funeral in Rose City.

Phyllis, daughter of Dr. and Mrs. Pasquale Buoniconto, 2005 Sheldon road, will arrive home April 2 for Easter vacation. Phyllis is a freshman at Purdue university.

Kenneth Rowe, son of Mrs. D. V. Rowe, of Northville, returned home since being discharged from the service. He served in Germany. On Saturday he left for Vera Beach, Florida for spring training with the Dodgers.

WHICH ONE? — Mrs. Rano Papini, commentator at the Northville Woman's club fashion show tried on a number of hats in an effort to find something effective for spring outfits. Wry comments about each one added to the program.

SACKS ARE IN FASHION — At the very height of style is this mother and daughter ensemble. In a sly poke at the latest thing in sack and chemise dresses Mrs. A.M. Lawrence, left, and her mother Mrs. Belle McColl, right, made these dresses from burlap commonly used for sacks. Also note the modish pointed-toe shoes and rope heads, also the latest fashion note this spring.

## Northville Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Mar. 17th, 1958 at 8:00 P.M.

Present: Mayor Ely, Councilmen Allen, Canterbury and Reed.  
Absent: Councilman Welch.

Minutes of last regular meeting were read and approved.

Bills amounting to \$6,668.09 from the General Fund and \$4,806.07 from the Water Fund were presented for payment. Moved by Canterbury, supported by Reed, that these bills be allowed and paid. Carried.

Moved by Ely, supported by Allen, that the Northville City Council go on record as opposing the passage of Senate Bill 1117, which is designed to place at least 80 percent of the cost of at least 60 percent of the uniformed department of the State Police on the State Trunkline Fund. This fund contains the highway monies which are returned to local units of government, and would create a precedent for raiding highway funds. Motion was carried.

Moved by Canterbury, supported by Ely, that the City Manager and Attorney negotiate for 3.4 acres of land, to provide the necessary isolation for the well on the D. & R. Building Co. property. Carried.

The fee schedule for plumbing inspections was the next item to be considered. Al Williams, the new plumbing inspector, was introduced to the Council by Mgr. Robertson, and he suggested a few changes that he felt could be made in the fees as presented. After going over the schedule and incorporating the suggested changes, it was moved by Allen, supported by Reed, that same be adopted. Carried.

It was then moved by Allen, supported by Canterbury, that the City Manager notify the State Plumbing Board that the City of Northville has employed as plumbing inspector for the City of Northville as of March 3rd, 1958. Mr. Alfred E. Williams, 15153 Northville Road, Plymouth, Michigan, so that the State will not accept any more fees from this area. Carried.

After carefully examining Plat No. 1 of Northville Heights Subdivision, with the changes made as recommended by the City Planning Commission, it was moved by Reed, supported by Canterbury, that same be approved as recommended and the City Clerk be instructed to sign the Plat upon the furnishing of the bond and the agreement regarding Lot 54. Carried.

Ordinance No. 138 relative to the parking of vehicles all night on the streets of the City of Northville having been published as required by the City Charter, same was again read prior to the public hearing scheduled for this date, Mar. 17th, 1958. There being no one present to raise objections to its passage, it was moved by Canterbury, supported by Allen, that this ordinance be repealed, to become effective ten days after date of passage. Carried.

Under new business, the subject of Michigan Week was brought up for discussion. Mayor Ely asked that the members of the Council consider themselves on the committee for planning Michigan Week activities, and he appointed Wm. Sliger as General Chairman for this committee. Clerk was instructed to write to the Business & Prof. Women's Club, Rotary Club, Exchange Club, Optimist Club, V.F.W., American Legion, Retail Merchants Ass'n. and Jr. Chamber of Commerce asking them to appoint a member of their organization to act on this committee.

A public hearing will be held Wednesday Eve., Mar. 19th, 1958, to comply with federal regulations, regarding the Eight Mile Rd. relocation, meeting to be held at the Community Bldg. The City Manager was instructed to prepare a resolution to be presented by the City of Northville at this hearing expressing the reasons why the City of Northville feels the relocation of Eight Mile Rd. is in the best interests of the City.

There being no further business to come before the meeting, same was adjourned at 11 P.M.

Signed Mary Alexander, Clerk

**NEW OWNER** — Carle's Market, 148 North Center street, has a new owner this week. He's Roy Lewis, shown above inspecting one of his Easter hams. Lewis is from Redford township and formerly operated his own market in Livonia. The market will feature quality meats and he known in the future as Lewis Meat Market. Lewis' wife, Louise, will work in the market also. They hope to move to Northville soon.

## Obituary

### Thorvald A. Roed

Services for Mr. Roed were held on March 22 at the Casterline Funeral home after death at Atchison Memorial hospital in Northville.

Mr. Roed is survived by his wife, Nettie, who lives at 1891 Myron, Livonia. He passed away on March 21 at the age of 75. The deceased was born July 8, 1882 in Garfield township, Minnesota. A carpenter by trade he came to the community in 1941. Other survivors are his sons, Everett of Mentor, Minnesota; Loris and Lowell of Waterford, Wisconsin, and Carus of Grand Forks, North Dakota. His daughters include Mrs. Jack Mullen of Inkster, Mrs. Elmer Wesby of Warren, Wisconsin and Mrs. Arnold Wesby of Cheboygan Falls, Wisconsin. Surviving also are two brothers, Claude and Jergen, both of Fertile, Minnesota, and a sister, Miss Mable Roed, also of Fertile. Interment will be at the Maple Lake cemetery, Pope county, Wisconsin, through the services of the Erickson Funeral home in Fertile at 2 o'clock. The Rev. W. B. Scavie of Detroit officiated at the rites held in Northville.

### WILLIAM A. LIEBETRAU

Mr. Liebetrau died suddenly at his home, 223 Linden street, on March 23. He was born November 22, 1888 in Detroit. Mr. Liebetrau is survived by his wife Ella. They were Northville residents for 35 years. The deceased was a retired engineer of the Ford Motor company. Survivors also include a daughter Mrs. Faith Orphan, of Northville, and two grandchildren, David and Dale; two brothers, Max and Ferdinand, both of Richmond, and Mrs. Helene Nack, a sister, of Allen Park. Services were March 26 at Casterline Funeral Home with the Rev. Paul Cargo officiating at the rites. Burial was in Rural Hill cemetery.

### IVIE LAMSON

Mrs. Ivie Lamson was buried March 24 at the Rural Hill cemetery. She was originally a resident of Mt. Clemens. Death occurred at the Northville State hospital. Mrs. Lamson was born March 25, 1882. She is survived by her husband, Charles and a son M. R. Wade, both of Uhrichville, Ohio. Another son, Kenneth Wade, a resident of Las Vegas, Nevada. There are also two grandchildren. Services were conducted by the Rev. Paul Cargo. Arrangements were made by the Casterline Funeral home.

## Readers Speak Up:

## Burden of Taxes Getting Too Heavy

It is with great interest that I read the comments and listen to the personal views made by the taxpayers of this community concerning the assessment plans of our State, County, Township and the City of Northville.

I am one of the taxpayers.

Taxes are a necessary evil if we intend to maintain a normal form of government in our Republican or Democratic system.

However, when we get to the present situation, which might be considered as confiscation, then we have reached the point of saturation.

When it requires four to six months of a man's or woman's pay to handle the direct and indirect taxes, as it does, then it is time for another Boston Tea Party.

This country of ours was formulated on the theory that taxation without representation was not justified, and we surely have it.

We are over-governed. In fact, our government, both State and Federal, has become parasitic.

We must revise our thinking and remember the speech made by Abraham Lincoln, "Government of the people, by the people and for the people shall not perish from this earth."

It is perishing.  
Let's change it.

ORDINANCE NO. 38

AN Ordinance Prohibiting

Children In The Streets

The Township of Novi, Oakland County, Michigan Ordains:

SECTION 1. No child under the age of twelve years shall be permitted, caused or suffered to be upon the public streets or in any public place between the hours of ten o'clock p.m. and six o'clock a.m., unless such child is accompanied by his or her parent or guardian,

or some adult delegated by the parent or guardian to accompany such child.

SECTION 2. No child under the age of twelve years shall be permitted, caused or suffered to be engaged or employed as a bootblack, or in the selling of magazines, periodicals, newspapers, goods, wares, or merchandise, of any kind or nature upon the public streets or in any public place between the hours of ten o'clock p.m. and six o'clock a.m., or to accompany any person so engaged or employed.

SECTION 3. The parent or guardian of the child shall be held responsible for the enforcement of SECTION 1 and SECTION 2 of this ordinance.

Each violation of the provisions of SECTION 1 and SECTION 2 shall constitute a separate offense.

SECTION 4. Any parent or guardian found guilty of violating any of the provisions of this ordinance shall be punished by a fine of One Hundred (\$100.00) Dollars or Ninety (90) days in Oakland County Jail or both such fine and imprisonment in the discretion of the Court.

SECTION 5. It shall be unlawful for any minor under the age of seventeen (17) years to loiter, idle, congregate, or otherwise be in, or on any public street, highway, alley, park or any public place, between the hours of 12:00 o'clock midnight and 6:00 a.m. immediately following, except where the said minor is accompanied by a parent or guardian, or some adult above twenty-one (21) years of age is delegated by the parent or guardian to accompany such child, or where the presence of said minor in place or places is connected with and required by some legitimate work, trade, profession, or occupation in which said minor is engaged, or where such minor is upon an emergency errand or other legitimate business directed by his or her parent or guardian.

The Police Department is hereby authorized to issue work permits under such regulations and restrictions as it may deem proper, to permit minors to engage in certain occupations, which permits may except them from the restrictions of this section.

SECTION 6. Any person assisting, aiding, abetting, or encouraging any minor under the age of seventeen (17) years to violate the provisions of SECTION 5, hereof, shall be guilty of a violation of this ordinance, and when any minor is found violating the provisions of said SECTION 5, a presumption shall arise that the parent or legal guardian having the care and custody of the said minor assisted, aided, abetted, and encouraged such minor in so violating said section.

SECTION 7. It shall not constitute a defense hereto, that the parent, guardian, or other person having legal care and custody of a minor who violates any of the provisions of this ordinance, did not have the knowledge of the presence of said minor in and upon any of the streets, alleys, public places, vacant lots, or other unsupervised places prohibited in SECTION 1 and SECTION 5.

SECTION 8. It shall be the duty of the Justice of the Peace upon the arrest of any such child or minor where the parent, guardian, or other legal custodian refuses to become responsible for such minor for the violation of the provisions of SECTION 1 and SECTION 5, to inquire into the facts of such arrest and the conditions and circumstances of such child or minor person and if it appears that such minor or person for want of proper parental care, guardianship, or control, is growing up in mendicancy or vagrancy, or is incorrigible, to cause the proper proceedings to be had and taken as authorized by the State of Michigan in such cases.

SECTION 9. This ordinance shall take effect when thirty (30) days shall have elapsed after publication of a true copy, thereof, in the Northville Record, a newspaper having the qualifications prescribed by Act No. 191 of the Public Acts of Michigan of 1939, same being SECTION 5.6 (2) of Michigan Statutes Annotated, which publication shall be made within ten (10) days after passage hereof.

VALIDITY. Should any section, clause, or provisions of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole or any part thereof, other than the Part so declared to be invalid.

Frazer W. Staman, Supervisor  
Hadley Bachert, Clerk

I, Hadley Bachert, Clerk of the Township of Novi, do hereby certify that the above Ordinance as approved and adopted by the Novi Township Board at a regular meeting thereof, duly called and held on the 24th day of March A.D. 1958 and was ordered to be given publication in the manner prescribed by law.

Mrs. Eva Hillis and Byron Webster of Chicago were houseguests of Bud and Elizabeth Brines for the week end.

Ronald and Delores Jennings of Hollydale dined recently at the Milford home of Mr. and Mrs. Clyde Poulson. Saturday, they attended a party in Livonia at the home of Mr. and Mrs. Hugh Niven.

One year old on March 13 was Beth Rasmussen of Malott. There was a brunch given in her honor on Saturday. Her great grandmother Hulda Braysher attended along with Mr. and Mrs. Lloyd Braysher, Sr., Mr. and Mrs. Robert Rasmussen, Mr. and Mrs. Norman Petrak and their two children, Mr. and Mrs. Lloyd Braysher, Jr. and daughter and Alan Braysher.

Sandra Proctor of LeBost has been ill with chicken pox.

Joe and Gil Ardito of LeBost dined Sunday, March 16 at the home of Mr. and Mrs. Robert Bevis of East Detroit.

Fred and Anna Costello of Willowlame made a trip to Huntington, West Virginia to visit Anna's father who is ill.

David Ames of Mooringside spent the week end at the home of his grandmother, Jane Rothwell of Detroit.

The Jack Parents of LeBost entertained their bridge club Saturday night. Their guests were Mr. and Mrs. Henry Brems of Southfield, Mr. and Mrs. James Johnson of Oak Park and Mr. and Mrs. Robert Gregory of Dearborn.

Mr. L. T. Sumner of Memphis, Tennessee is a house guest of his daughter and son-in-law, Mr. and Mrs. Gordon Peterson of McMahon. He was here to help Francis celebrate her birthday March 21.

The Robert McKeons of Meadowbrook and the Richard Millers of LeBost saw the Edsel's division version of "Charley's Aunt" Friday night.

The Willowbrook Pinochle club met March 18 at Millie DeHayes' home on Mill Stream. Gladys Earl was the co-hostess. Virginia Hauk, a guest, won the first prize and Gladys Earl won the second prize. Aldean Carter had the third prize score and Pat Iwaniec had the low score for the evening. Esther Lippert was also a guest for the evening. The group will meet again April 1 at the home of Jean Huston.

The Thursday night bridge club met at Ann Diehl's home on East LeBost. Mitzi Olson and Irene McCormick held the high scores for the evening.

**PAST PRESIDENTS** — When the Business and Professional Women's club celebrated its 10th anniversary Monday night, five of its six past presidents were present. From left to right are: Miss Evelyn Ware, Mrs. Mabel Stenson, Mrs. Florabelle Sullivan (present president), Miss Elizabeth Etz, Mrs. Marcella Douglas, and Mrs. Beatrice Carlson. Past president Mrs. Mabel Cooley was unable to attend because of illness in her family.

## FELL FROM SAME PLACE

A news item some time ago told of a mother in Los Angeles who had just returned from the hospital with her son, Richard, age 12, only to be confronted by a police man informing her that her older son, 14, had just been killed. The fatal accident occurred as the result of a fall received from the same bridge where two weeks before Richard had been injured. How often this is true in life as well. People are all acquainted with the fact that the saloon, the gambling places, the sensual dance and vile movies have been the ruin and downfall of thousands. All one needs to do is to pick up the daily papers and read of the wrecked and ruined lives which were started on the downward course toward hell at these very places. They wind up by spending the rest of their lives in jails, mental institutions, sanatoriums or skid row. But like Richard's brother, they fell from the same place! Many preachers lift their voices against the wickedness that ruins lives and point them to the all loving and powerful Saviour who can save them from the penalty and power of sin. All of us need Christ, not only to save us from sin but also to keep us from sin.

## In Wixom Village:

## New City to Map Out Zoning

Mrs. Charles Warp — Market 4-1601

The Wixom Civic association will hold its monthly meeting Thursday, April 3 at 8 p.m. at which time a map of the planned zoning of Wixom will be shown.

Any person that intends to run for council seats in the new city of Wixom is advised to file their petition by April 21.

There will also be a village-wide registration before the May 19 election.

Burr Decker, who has been confined to his home because of illness, is improving.

Mrs. Burton Graves has returned home from St. Joseph's hospital, Pontiac, where she underwent surgery.

The Misses Eva Park, Cad Trelour and Jay Sodergrin of Detroit and the Misses Benetta and Philipa Trelour of Pontiac will be guests of Hilda Furman the week end of March 29. Occasion will be Miss Furman's birthday.

Mr. and Mrs. Richard Banfield had all their family home last Sunday for the 15th wedding anniversary of their daughter and son-in-law, Mr. and Mrs. Richard Heliker.

Carl Algrim and housekeeper, Isobe Livingston, have returned home to Wixom from Estro, Florida. While there they witnessed the fruit freeze.

Sunday guests of Mr. and Mrs. Everett Pearsall were Mr. and Mrs. Luther Pearsall of Highland and Mr. and Mrs. Pate of Pontiac.

Mrs. Audrey Roach entertained her bowling companions to a smorgasbord lunch Sunday evening after returning from Detroit where they took part in a bowling tournament.

## Novi Highlights

on facilities for day camp in Novi, and Mrs. Robert Skellenger gave a verbal thank you to all 55 members of the Novi Girl Scout association.

Mrs. Dorothy Snow, president of the Mothers club presented girl scout leaders and co-leaders with gifts of appreciation for volunteer services. Mrs. Dorothy MacDermid thanked the Novi Com. Council, school board and faculty and presented bus drivers with gifts of appreciation.

The Senior Scouts then retired the flag and refreshments were served by committee members.

Cookie money must be in to the leaders by April 1.

Special training registration must be in to Dorothy MacDermid immediately.

Course 60, indoor workshop for outdoor skills on April 9 from 10 a.m. to 2:30 p.m. at Berkley, Brownie outdoor activity on April 15 at Jensen park, Royal Oak, 10 a.m. to 2:30 p.m. Intermediate outdoor activity April 22-23, Jensen park, Royal Oak, 10 a.m.-2:30 p.m.

Brownie Troop 1027 made friendship books at their meeting recently. Treats were furnished by Lynn Bentley.

Intermediate Troop 493 received cookies and instruction for delivering and then went outside to play baseball.

Intermediate Troop 491 received cookies, worked on mocassins and discussed badge work. Mrs. Gom-basy was a special guest.

Intermediate Troop 482 planted snapdragons and zinnias in flats for the school fair. Received cookies and planned a cook-out. Candy Runk brought treats.

Brownie Troop 456 made tray favors for childrens hospital, planned Easter egg hunt and Kathy Erwin brought treats.

Brownie Troop 1027 made friendship books. Kathleen Schneider brought treats.

Senior Troop 494 received cookies, made plans for a summer camp trip and discussed making scuffles, and pen pals.

Brownie Troop 149 made place mats while working on their tenderfoot requirements.

# Novi Lunch Stop, a la Future

## The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1863 Thursday, March 27, 1958—9

Four men walked out of Saratoga Farms restaurant a few days ago, strode across the parking lot and stood before two gleaming helicopters.

After two final words, they climbed aboard and sent the rotor blades spinning into action.

Then, as if some futuristic artist's sketch of Novi in 2000 A.D., the whirlybirds climbed swiftly aloft, hovered momentarily, and disappeared into the sky over the expressway.

With that, another aspect of "tomorrow" had come to Novi.

To waitresses and customers at Saratoga Farms, the noon-hour visit was a rather startling experience. Earth satellites somewhere out in space are one thing, but when a couple of helicopters drop down at your doorstep, well, the future is coming pretty close to home.

To the four passengers, however, it was a routine stop. They've whirled down for chow at scores of

restaurants in the midwest, and think no more of it than millions of motorists who pull up in their "outmoded" automobiles.

It's not just for kicks that they hop-scoot across the countryside in their birds, however. The novelty wore off long ago, and to them the helicopter is now strictly business.

Two of them are with Helicopter Airways, a relatively new service that offers chartered flights to almost anywhere, as well as a regu-

larly scheduled transit hop between Willow Run airport and downtown Detroit. (Travel time: about 18 minutes.)

Bob Van Cleave is assistant to the president, and Andy Hedges — a World War II and Korean War pilot — is general manager and chief pilot.

With them were Bill Meyers, pilot for Whirl Air (the state's first charter service), and Lee Smith, field engineer for Bell Aircraft.

Their luncheon visit to Saratoga Farms came after a business flight out to the General Motors proving ground near Milford, where they had taken nearly 200 executives up for short hops to show them what a "bird" can do.

On the way back, as thousands of motorists do, one had said, "That looks like a good place to eat. Let's stop. . . or rather, let's drop."

All four are quick to claim, understandably, that helicopters are just about the last word in transportation.

"There's no easier way to get around," said Hedges. "No traffic, no bad roads, no detours. If you want convenience, this is it. Detroit, for example, is only 15 minutes from Novi by air."

At the same time, they concede that it's too early to expect a whirlybird in every garage. A modest four-passenger job with comfortable trimmings would set a young family man back about \$75,000 right now.

"But their day will come," said Hedges. "As with every innovation, the price will eventually come down to where more and more people can afford them."

Flying a helicopter does present hazards, they admit, but they're not worse than those which confront the average driver many times a year. "The weather can be a headache," said Hedges. "This morning we took off from Detroit in a clear sky. But over Birmingham, it was so thick that we had to detour around it. Of course, you can't drive a car through fog, either."

Night flying is generally no problem, but does offer an occasional bad moment. Meyers mentioned a friend who tried to follow car taillights on the highway below, only to find that the road curved so much that the zig-zag chase nearly made him air-sick.

The whirlybirds can match an auto even in such traditional past-times as romance, Hedges claims.

"A friend of ours took a gal up for a ride one time," he said. "When they came back an hour later, she had an armful of flowers and they were talking about getting married."

"See," he added, "the birds have everything. They can even play cupid."

With that, he and his three flying friends climbed aboard their 'copters and soared away with less trouble than it takes to pull out onto a busy highway.

UP AND AWAY — Kicking up a small whirlwind, two helicopters take off from Saratoga Farms restaurant in Novi after a noon-time stopover last Thursday. The one in the air is the same model delivered

to President Eisenhower last year. Fifteen minutes after they left Novi, the 'copters were in Detroit. And they hadn't been halted by a single red light or traffic jam.

## AMERICA'S FAVORITE FAMILY WAGON...PLYMOUTH

Plymouth carries more . . . does more . . . provides more family fun than any other wagon in the low-price 3 because it's BIGGEST IN THE LOW-PRICE 3. You can't buy bigger at any price!

Maybe you're a station wagon family right now. More Americans are each day! But do you know all the really astonishing facts about the Plymouth wagon . . . how much more it gives you than other wagons, at a low budget price?

Size alone is only part of it! The Plymouth wagon is big as wagons in the high-price field that cost \$5500 and more . . . but, in addition to extra size, this glamorous beauty offers a wagonload of other features that are exclusively Plymouth in the low-price 3!

You simply can't get 'em anywhere else in the field. And once you try them . . . learn how little the years-ahead Plymouth wagon costs . . . you'll never settle for less! Why should you? Your Plymouth dealer has the money-saving story, and he's waiting for your visit.

5 big reasons why your wagon should be a Plymouth:

- 1 BIGGEST OF THE LOW-PRICE THREE:** Big as wagons costing thousands of dollars more. You can't buy bigger at any price! 122" wheelbase.
- 2 HOLDS SO MUCH MORE THAN THE "OTHER TWO":** Over 7 cu. ft. more passenger and cargo space. Extra "secret luggage" compartment in 6-passenger models.
- 3 REAR-FACING 3rd SEAT:** Folds flush into the floor; you don't have to store it outside when it's not in use. Easy to enter.
- 4 DISAPPEARING REAR WINDOW:** Rolls down into tailgate. Doesn't get in the way. Only Plymouth has it in the low-price field.
- 5 TORSION-AIRE RIDE—AT NO EXTRA COST:** Only on Plymouth in the low-price 3. Big-car luxury. No sidesway on turns or nose-dive on stops.

They don't come any bigger... *Plymouth* station wagons

ONE FOR THE ROAD — or rather for the sky. With their 'copters parked outside (in distance) Bob Van Cleave (left to right), Bill Meyers, Lee Smith and Andy Hedges get an extra cup of coffee from Mary Ann Nelson, 1015 North Wixom road. Customers were startled at first, but went right on eating as if nothing had happened.

## Perfection Laundry & Dry Cleaning Co.

875 WING STREET PLYMOUTH, MICHIGAN PHONE 403

## AN INVITATION . . .

TO OUR FRIENDS  
AND CUSTOMERS:

We would personally like to invite you and your family to come in and look over our completely new laundry. You are welcome to our new Coin Operated Do-It-Yourself Laundry Store, which will be completed soon!

These new facilities will allow you to set back and relax or go shopping while you do your entire week's laundry in one hour.

We will be open every day 7 a.m. until midnight, 365 days a year.

You will enjoy the way our coin operated laundry store works. There are no attendants. You and your neighbors run the machines yourselves by putting nickles and dimes in the coin meters of the washers and driers. One washer load — 8 pounds of wash — for 20 cents and 10 cents to dry.

It is as simple as using a cigarette machine.

However, if you would like any part or all of your laundry washed or finished by us, just drop off the bundle at our office — open Monday thru Saturday, 8 a.m. till 8 p.m., or drop into our dry cleaning and laundry drop box.

Sincerely yours,

J. A. "PACKY" and DELITE McALLISTER

# The Rite of Spring: Kites, Sunday Drives, a Stop in the Park

TRYING OUT the slides near their home-to-be last week end were Kathy and Joey Boland. They and their parents now live in Oak Park but will move into a new home in Northville Heights as soon as its finished.

It was beginning to look a lot like spring this week.

If the calendar wasn't enough to prove that it was here, a glance around you should have done it.

In Northville, for example, 37 different boys argued with their mothers that it was too warm to wear a jacket. The mothers won in 36 cases.

Several dozen piles of leaves were burned in various backyards and driveways, and the air was the smokiest since last fall.

At a restaurant in Wixom, a woman ordered coffee, then changed her mind and asked for a cool ginger ale instead.

For the first time in weeks, one family missed "Omnibus" last Sunday. It was too nice to stay in, and they decided to go for a drive.

Cass Benton park looked more like a car wash than a recreation area Sunday afternoon.

In Novi, one driver had to wait three minutes and 12 seconds before he could find an opening and pull out onto Novi road. His wife just said, "Temper, dear."

A woman on Dunlap went out to look for the first sign of her perennials, but didn't see any. She decided it was either too early, or her husband was right about her green thumb.

A five-year-old girl tried to put on her skates for the first time

since last fall but her daddy had to adjust them a half-inch longer.

She was pleased that she had become such a big girl during the winter.

One fellow decided it was so warm that he didn't need the electric blanket on. His wife woke him up at 2:30 a.m. and told him he

was wrong and to hurry up and turn that thing on.

One family went looking for a frozen custard stand. It took them 45 minutes, but they found one.

Roughly two out of three drivers had at least one window down as they drove along Sunday afternoon.

A mother began digging out the spring clothing, and debated whether to make her light green coat last another year or send it to the cleaners.

That's how it went. Just about everywhere you turned, it was beginning to look a lot like spring.

AIR AGE PROBLEM — Cass Benton park had more kites Sunday than Cape Canaveral had missiles, and sometimes the results were just as frustrating as those in Florida. Here, Terry and Tim Hayes ponder the fate of their grounded kite-nik while little sister Delores smugly awaits their decision. They're the children of Mr. and Mrs. Stanley Hayes of Livonia.

CLEAN UP TIME — While many people were raking their own backyards and weeding out their flower beds, Oda S. Nipp was getting Cass Benton park back in shape after the long winter. Leaves were burned, tables were unstacked, the wading pool was cleaned out, and — a sure sign of spring — the tennis courts were opened.

# Plan Bowling Tourney

SHIFTY — Sandy Niles (right) steps past a Bloomfield Hills guard to take a pass during the Northville G.A.L.'s final game of its first organized basketball season. Miss Patricia Bubel, faculty adviser for G.A.L., said the new program went over very well and will be held again next year.

## It's Spring Again, Anglers, The Smelt Are Coming

Smelt spawning runs, usually in late March or early April, attract thousands of persons to Michigan streams to net these tasty little fish.

The exact time of spawning runs is influenced greatly by water temperatures and varies from year to year, but smelt activity in streams usually gets under way near the beginning of April and reaches a peak in the latter part of the month.

Normally, the best spots to dip smelt are in streams flowing into the northern third of Lake Michigan, including Green Bay. The next best spots are in streams and cuts draining into the Saginaw Bay area.

Hand nets, net more than five feet in circumference, may be used to take smelt in designated waters from March 1 to May 31. Lists of

these designated waters are available from the Conservation Department's Lansing office, or at field district headquarters.

Other fishing activity also will be in full swing during April as sucker, northern pike and walleye spawning runs begin.

Sucker runs are expected about April 1 in the southern lower peninsula and near mid-April in northern portions of the peninsula, depending on weather conditions. These runs also usually hit their peak during the latter part of April.

The main walleye run, in the Muskegon river, usually gets under way in early April, although some walleyes are in the stream before the actual spawning run and good catches often are reported during March.

Bowling pins will soon be flying faster than ever in Northville.

A new doubles tournament — which may become a local classic — begins this week at Northville Lanes.

From now until June 30, scores of bowlers will have a crack at the \$500 first prize put up by Angie Gadioli, proprietor of Northville Lanes.

Gadioli is patterning his tournament after the famous "Peterson's Classic" in Chicago, which is offering a \$20,000 first prize this year and so far has drawn more than 9,000 entries.

While he doesn't expect to reach such proportions in Northville, Gadioli is confident that the tournament can become an annual favorite among bowlers in Northville and nearby communities.

He already is making plans to expand the tournament next year if it proves successful this year.

Any bowler with a league sanctioned average may enter. Each doubles team may bowl as often as it wishes, and each bowler can team up with as many partners as he wishes. Each different team will be eligible for the prizes.

Men, women's and mixed doubles may participate.

Northville Lanes will be open for tournament competition at all times from now until June 30.

### Pep Club, N Club Have Joint Banquet

More than 60 students attended a banquet of the NHS Pep club and N club at the community building last Thursday.

After the banquet, games such as volleyball, basketball, ping pong, and shuffleboard were played.

At its next meeting, the Pep club will hold election of officers for the coming year.

### Novi Golf Range Open for Season

Jimmy Johnson's golf range, one of the finest and most complete in the Detroit area, is now open.

The Novi range, located on Grand River just west of Haggerty, will be open both during the day and at night.

Johnson, who resigned as pro at Farmington golf course after last year's season, will devote full time to his range.

Johnson will give both individual and group lessons to both men and women.

The range will have a new practice putting green and sand trap later this spring. Its lighting plant makes it one of the best night ranges in the area.

## Junior Optimists Win Cage Crown

The Northville Junior Optimists have won the regular and playoff championships of a recreation basketball league composed of teams from Northville, Plymouth, and the Wayne County Training school.

The team, composed of boys 15 and under, had an overall record of nine wins and one loss.

The team, sponsored by the Northville Optimist club and the Northville recreation department, was coached by George Kohn and aided by Ken Eastland.

On the team were: Gary Howell, Chuck Yerkes, Jon Batzer, Mike Baggott, John Baggott, Curtis Kohn, Bill Ruefer, Frank Bosak and captain Mike Eastland.

In addition to the care, treatment and rehabilitation programs, Easter Seals help maintain equally important national programs of research and education. By making your contribution through Easter Seals, you help further this vital work.

## Recreation Fee Set at \$8 For Non-Northville Youth

Northville's recreation program will be open to youngsters from outside the city and township this year — but it won't be free as in the past.

An \$8 registration fee will be charged for all children except those in Northville and Northville township.

Until this year, the program was offered free to outside communities. But the Northville recreation committee felt it was no longer fair for the city and township to support several hundred outside youngsters.

An effort to get financial help from the Novi township board failed. Most of the non-Northville youngsters are from Novi.

In other recreation news, Director Stan Johnston reminded boys that registration for this summer's basketball leagues is now in progress.

Registrations are accepted each Saturday morning at the scout hall. Teams are: midjets (13 and under), class F (15 and under), and class E (18 and under).

The spring recreation program will kick off on April 5 when scores of junior bowlers are expected to take part in a tournament at Northville Lanes.

Youngsters 10 through 14 may bowl. No registration is needed. Each bowler will roll two games.

Trophies will be provided by the recreation department.

By The Reverend Paul M. Cargo,  
First Methodist Church of Northville

## PALM SUNDAY — DECISIVE ACTION

Palm Sunday has an undying appeal, and part of the reason for it is that it is a day of action. Entering into Jerusalem was decisive action for Jesus. We Americans understand action.

It must be said of the Christian religion that it is a life action gathered 'round a man of action. I cannot imagine that the idol Buddha, seated in a mood of reflection, would ever have any appeal for Americans. Confucius was a wise man, his wisdom the distillation of the wisdom of China, but I think that he has no appeal to Americans beyond a few serious quotations we might draw from his philosophy or the humorous sport, "Confucius say . . ." But Christ is on the move. He is a man of action. We understand that.

To His disciples Jesus said, "Behold, we go up to Jerusalem." It was written of Him, "He steadfastly set his face to go to Jerusalem." The determination of Jesus could not be beaten down. He had set his course. The decisions were planned decisions. He layed down his life on the belief that what he believed about God and man and the future was true. There can be betrayal, the mockery of a trial under a cowardly judge, and the raving mob as a jury. Enemies can do their dirty work. Yet Christ is confident. He trusts in God, and one with God is a majority. You can't defeat a spirit like that.

Acts are decisive. The last touch that can be put on the delivery of a bowling ball cannot be altered. No amount of twisting or

squirming of the bowler, no amount of talking as the ball speeds on its way can alter the course of the ball as it does its work among the pins or in the gutter does nothing but come up against the backstop with a plop. Actions of moral conduct are decisive.

When Abraham Lincoln saw slaves at work on the levees in the south where he poled a raft on the Mississippi he saw a system that was not right, and he said, "If I ever get a chance to hit that thing, I'll hit it hard." So there was born the conviction which with a chain of events eventually brought to President Lincoln the title of Emancipator.

Walter Russell Bowie has a fine description of Jesus as Galilee lay farther and farther behind and as Jerusalem comes nearer. "Nothing drove him forth, yet he must go. The eagle in him stretched its wings and sought the sky. From those who would have protected him, he must fare forth to the perilous chances of his mightier world. He must meet the challenge of the hard reality which drew the utmost in him to expression; and though that challenge pierced him through like a sword, he found the combat good."

How often we think of Palm Sunday as the only the rather gay occasion when Jesus entered Jerusalem to the accompaniment of the Hosannas of the crowd and the joy of the children who put garments and branches of trees before Him as befitting a king. Palm Sunday is this, but it is overwhelmingly a time of decisive action.

# The Meanings of Easter Week

Year by year the Christian church throughout the world relives with great wonder and devotion, the Last Supper on Maundy Thursday, the betrayal by Judas Iscariot, the Crucifixion on Good Friday and the Resurrection on Easter morning.

It is through worship, singing happy hymns on Palm Sunday, watching by the cross on Good Friday, attending the Eucharist on Easter, that Christians learn what this final expression of His love means to Him and Christians.

In the moving drama of the New Testament one event stands, out above all other: the event which Christians feel proves Jesus Christ to be the Son of God. This event was His resurrection from the dead. Witnesses to the resurrection founded the fellowship which became the Church.

More than any other part of the

story of Christ, His rising triumphantly over death gives to Christian men and women encouragement and hope.

In living the Lenten Season and the Eastertide they identify themselves with the Church and with other believers who are on the

same pilgrimage as well as saints of the early days in the church.

Lent is a period of 40 days of abstinence, and extra devotion in preparation for Easter. Ash Wednesday marks the first day of Lent and is observed usually by strict fasting.

The Sunday before Easter, Palm Sunday, celebrates Christ's entry into Jerusalem, where death awaited him.

On the Thursday before Easter, which is called "Maundy Thursday," reminds Christians of Christ's last supper with His disciples and His betrayal that night by Judas Iscariot.

Good Friday commemorates the day Christ was tried before government officials and the public, then sentenced to death by hanging on a cross until dead.

Easter Even, Saturday, is significant because it is the time when Christ's body is placed in the tomb.

The climax of Lent is Christ's resurrection from the dead on Easter Day. At this time Christians draw guidance and strength, realizing God's grace and forgiveness.

Choirs offer thankful praises in Alleluias to Christ for the love he bore man when he died on the cross.

For other Palm Sunday services, see church notices on this page.

## Easter Services To be Listed Here

A complete listing of Maundy Thursday, Good Friday and Easter Sunday services will appear on this page next week.

Information on these special services should be sent in to The Record by next Monday noon at the latest.

Next Sunday, most Northville and Novi churches will observe Palm Sunday with traditional services.

At St. Paul's Lutheran church, the 10 a.m. Palm Sunday services will see Rev. B. J. Pankow conclude his series of sermons on the Beatitudes of Jesus. A mixed choir, under Glenn Deibert, will sing "All Glory, Laud and Honor," an anthem by M. Teschner.

At the First Methodist church, Rev. Paul Cargo's special Palm Sunday sermon will be "Palms and Praises."

For other Palm Sunday services, see church notices on this page.

## Cardinal Mooney Gets Michigan Week Position

Edward Cardinal Mooney, Catholic Archbishop of Detroit, has accepted chairmanship of Spiritual Foundations Day which will open Michigan Week, May 4 to 10.

"Historically our foundations are spiritual," he said. The second white man to set foot on Michigan soil was a missionary in 1641. The first permanent settlements were made at Sault Ste. Marie and St. Ignace by Fathers Dablon and Marquette in 1668 and 1671.

## ST. PAUL'S EVANGELICAL LUTHERAN CHURCH

# House Plan Versatile

A SMALL HOUSE PLANNING BUREAU DESIGN NO. C-477-F

DESIGN C-477-F. Versatility is the keynote of this plan. The dual bath combines economy in plumbing with an accessibility of location. The kitchen allows ample space for dining and access to the front vestibule. An attached garage is indicated on the blueprint plans and helps show how the covered flagstone porch serves as a covered passage to the house and lets the garage, if desired, become integral part of the exterior design. Family needs would determine whether you would want a four bedroom house or a three bedroom house with an excellently located family room. The all-brick exterior is combined with hip roof and colorful asphalt shingles. Floor area is 1444 square feet, cubage 25,992 cubic feet.

## Color Important to Room Impression

Choice of color, dark or light, warm or cool, can make your rooms seem larger or smaller.

Colors can also appear to change the proportion of a room to give them a suitable — or unsuitable — character for their location, and for their purpose.

Long and narrow rooms — to make a long and narrow room more equal in proportion, paint the end walls in a darker color than the long side walls. Use a light color on the ceiling.

High ceiling — Use a dark color if you want a ceiling to appear lower, and a lighter color on the walls. If you wish, bring the ceiling color down 12 inches onto the walls.

North, south, east west exposures — In north and east exposure rooms that receive a small amount of natural light, use warm colors such as tints of yellow, orange and red. In rooms with south and west exposures, use cool colors such as blues and grays and greens.

Small Kitchens and Bathrooms — In small kitchens and bathrooms, use contrast between walls and ceilings sparingly. Larger rooms, of course, can be more colorful and contrasting. Use warm colors in bathrooms; cool colors in kitchens.

Square rooms — A square, box-type room can be made to appear more spacious and interesting by painting one wall in a different color than the other three. Ceiling should be a lighter tone.

Light colors — In selecting a color scheme, use light colors for the general area and bright, striking colors for accent feature strips. Avoid large areas for bright colors on walls unless the walls are broken up by openings.

## Paint Brightens Softwood Floors

One way to brighten a softwood floor that is old and worn and not worth refinishing is to paint it. It is economical in the long run to use a good quality floor paint or enamel that will stand up, and if the floor is to be subjected to heavy traffic use three coats.

Even the best of paints will show wear, however, and therefore it is necessary to keep the surface protected with a polishing wax. If you have one of the new type electric polisher-scrubbers the job can be done quickly and effectively.

### Sowing Tubing

Mounting two blades on your hacksaw with teeth pointing in opposite directions will prevent the saw from grabbing on the return stroke. This will make the job of sawing thin wall metal tubing easy.

**MORE HOMES FOR NORTHVILLE** — The biggest building boom in the city's history went ahead this week as nearly 10 homes neared completion at the new Yerkes subdivision. Models will be open next month. Motorists driving by on Baseline probably do not realize that the development is as extensive as is shown here from Carlyle and Novi streets.

**FURNISHED MODEL** — Two of the three models now on display at the Northville Heights subdivision have been completely furnished by Schrader's Home Furnishings of Northville. Pictured above is the living room of the tri-level model. It features Early American furnishings, while the other model has been done in contemporary style.

## Many Shrubs Bear Fragrant Flowers

Ordinarily the home owner thinks of flowering shrubs for decorative purposes only when planting them in the yard, but many also have delightful fragrances.

Here are a few of them, according to the American Association of Nurserymen.

Glossy Abelia (Abelia Grandiflora) is valued for its beautiful foliage and flowers that appear all summer. It has a wide range of growth.

Deutzia is easy to grow, delightful in bloom, largely free of disease or insect problems.

Gardenia is grown in the warmer climates, has a striking white flower with an enticing aroma. It will stand some frost, but not severe cold.

No article on fragrant flowers could leave out roses. Practically everybody is familiar with the perfume of roses, which needs no description.

Lonicera, or honeysuckle, has a sweet aroma that perfumes the whole area around the plants. Many varieties of Philadelphus, or mock-orange, are lovely in flower and they have an extremely wide range of growth.

Natural GAS

YOUR SILENT SERVANT

## Gas Water Heaters Heat Water Faster

National sales records show an overwhelming preference for automatic gas water-heaters over any other run by an all-automatic fuel. Gas does a better job—actually replaces water 3 times faster.

An ample supply of hot water, once a luxury that only the wealthy could afford, is a necessity of modern living.

More than 75 manufacturers make gas heaters. You can find every type of construction, every sort of tank lining, every product advantage you can think of—in gas.

More than 17 and a half million families use gas water heaters. They can testify that gas heaters cost less to buy, use and install.

Only GAS does so much, so well... the modern fuel for automatic cooking... refrigeration... water-heating... house-heating... air conditioning... clothes-drying... incineration.

# MUSTANG HOOF PRINTS

News of Northville High School

THE NORTHVILLE RECORD—Thursday, March 27, 1958—15

**SWING YOUR PARTNER** — Rock 'n' roll had to take a back seat in Northville Friday night, as the freshman class got out its bluejeans and gingham skirts for an Early American dance. Instead of the "chicken", they went round and round with the square dance and the Virginia reel. Class advisers are Miss Patricia Dorrian and Jack Van Haren.

## NHS Goes On Stage Saturday

Three short plays — a farce, a dramatic comedy and a super-natural drama — will be presented Saturday night by members of the Forensic club.

The playbill will begin at 8 p.m. in the community building. Admission is 60 cents for adults and 40 cents for students.

"Antic Spring", directed by Lilian Zinnecker, is a comedy situa-

tion of six teenagers on a picnic. The play is to be done in theatre-in-the-round and completely without props.

Mary Welch is directing a comedy-drama, "The Old Lady Shows Her Medals". This is the touching and warm story of an English lady who pretends that she has a son in the war.

Quite innocently the old lady picks

a name out of the paper to match her own last name and later regrets it. Her picked "son" comes "home" and causes some very interesting and delightful situations.

A drama, "Strange Road", directed by Becky Coolman, is the story of a strange love affair. The scene is set in a small fishing village. A touch of the supernatural combines with a fine story to make a very entertaining drama.

## League Council Members Exchange Variety of Ideas

Wayne-Oakland student council members recently swapped ideas on everything from sportsmanship to foreign students.

The league council, which included Northville representatives Dick Stuber, Elsa Couse, Ray Dahl and Talbot Harper, met at Northville high school.

Council members were enthused about Northville's sportsmanship questionnaire, and made plans to use it in their own schools.

Clarkston reported a plan to fur-

nish a scholarship to a senior and to give pins to deserving students would have not received other recognition.

West Bloomfield asked for ideas of how to raise money to bring a foreign student to the high school. Clarkston was congratulated for winning the basketball title.

Bloomfield Hills is forming a rocket club to work on an outer space program. Clarenceville already has formed a club and has sent a rocket about 1,500 feet into the air.

The next meeting will be held on April 10 at Milford. Members will tour the new high school and examine its facilities.

## F.T.A. to Hear Report On Overseas Teaching

Members of the Future Teachers of America will hear a description of overseas teaching at a potluck supper on April 16.

Addressing them will be Miss Joan Mishika, who taught in France before coming to Northville as a teacher last fall.

A number of F.T.A. members will soon visit Eastern Michigan college in Ypsilanti to look over teaching facilities there.

The F.T.A. also is offering a \$200 scholarship for a club member who plans a career in teaching.

## English Valuable, Engineers Advised

Jesse Hise, a teacher at Northville high school and advisor for Mustang Hoof Prints, addressed the Engineers club last week, explaining the value of English to engineers.

He also told them what courses would be best to follow. Teachers from other fields will address the club in the future.

The club is now making plans for a field trip and discussing ways of increasing membership.

## ANNUAL TOWNSHIP MEETING NOTICE

There will be an annual meeting of electors of Northville Township at 1:00 P.M. April 5, 1958 at the Township Hall to transact such business as is usually transacted at township meetings by viva voce vote.

This notice in accordance with Sec. 370, State of Michigan Election Laws.

D. J. STARK, Clerk

## FOOT- SAVING EDUCATION

By  
JIM  
HOUK

## DO CHILDREN'S FEET GROW FASTER IN SUMMER THAN IN WINTER?

Yes, at Easter time it is common to find that the feet of a child have grown only a half size since September but at back-to-school time the same child may need a size or a size and a half larger shoe than was fitted five months before.

It is customary to blame the rapid growth on going barefoot but the fact is that children who go barefoot most of the time (eg Hawaii) have very short broad feet.

The important thing to remember is that, after infancy, foot growth is quite unpredictable so it is a very bad practice to buy shoes without bringing the child to the store to be fitted.

## SPEAKING

## for the Record

By BILL SLIGER

If numbers mean anything, the "Beautify Northville" campaign ought to be a whopping success.

Twelve committees of four and five persons each have been organized. They will concentrate on completing all details of the area-wide program in April. The campaign itself will last throughout the month of May.

You get some idea of the far-reaching plans of the program when you look at a list of the committees:

Eyesore, Health and Safety, Retail and Commercial, Industrial, School and Student, Rural Beautification, Alley, Street and Highway, Vacant Lot, Contest and Stunt, Publicity, Residential and Special Projects."

John Canterbury is acting as general chairman for the campaign. His helpers have already demonstrated enthusiastic interest and have accumulated a host of ideas.

They have discovered that such programs have been very successful in other communities and have even resulted in a year-around campaign against litter.

Their object is to get every single person in the community interested in the clean-up drive. They believe that a combined effort to clean yards, alleys, streets, sidewalks, business places and homes will mark a big difference in the appearance of the area. The campaign is not confined to the city, but is community-wide.

Mrs. Louise Cansfield, publicity chairman, has already supplied us with a mountain of material and promises that there is more to come.

For a starter we'll reprint one of the editorials which aptly points out how everyone can "Keep Northville Beautiful."

Nothing is worse for a city — like a person — than the "I don't care" attitude. And a city is, after all, only the sum total of its parts, people, you and I. With Clean Up time approaching, it is time for us individually and collectively to rid ourselves of any indifference and get ready to support the coming campaign.

If we continue to dump trash on that vacant lot down the block, scatter fruit peels and wrappers from car windows, and ignore garbage and trash regulations, we will soon have a reputation for messy unconcern.

Tourists, visitors, new businesses are not attracted to that kind of city any more than you want to become better acquainted with an untidy person.

Let's each make a firm resolution to obey our city's disposal ordinances, stop littering streets and sidewalks, and otherwise blemishing our collective property. If we do, and then clean, paint, and repair our individual share of the city, whether it be room, apartment or house, apathy's curse will be soundly defeated by energy's dividends.

## All Agencies Need Money

STORMY WINDS of the economic climate have toppled thrones and crushed empires.

Historians report that Herbert Hoover was a good president but a victim of the times. The possible application to Michigan politics and government is as haunting as Black Friday in 1929.

Universities and colleges have critical need for more money to meet the need for their services.

Prisons, mental health institutions, public welfare, elementary schools and other functions the public has come to consider a responsibility of government are all crying for help.

"The only answer is increased taxes or fewer services. It is as plain as that," said a leading Democrat.

"We must live within our income," said Senator Clyde H. Geerlings (R-Holland) Senate tax committee chairman.

The impact on partisan politics, always a factor of some sort over the past decade, will be more severe in 1958 as Democrats seek to control the legislature and Republicans seek to recapture the executive side of state government.

The voter — and the taxpayer — will give Michigan the final answer next November.

Republicans, realizing that a tax increase when more than 250,000 are jobless in the state will hurt more than help, are fighting to hold the line and cut government spending.

One proposal in the House to cut the number of state employees already is in trouble.

Even some Republicans in both the House and Senate are certain the budget cannot be cut from current spending. There are tax bills waiting for action.

The only major proposal is Gov. Williams' \$20,000 intangibles tax increase. Republicans claim this will hit the small depositor and those with fixed incomes from securities; but the governor holds that the tax will hit only the holder of many assets.

Republicans are fighting for recaptured funds to help chop down the extra expense to a "manageable deficit," less than \$15,000,000, to wait for the results of a revenue study next year.

The main bill has been a plan to delay payment for liquor purchased by the state's monopoly for 90 days. This procedure may or may not be practical.

Optimistic estimates were that this would bring an extra \$20,000,000, but delays in enacting the proposal have dropped the estimate to \$8,000,000 at the end of May.

The bill was passed by both houses and Williams said there "will be no delay" in putting the delayed payment plan into operation from this point.

## The political impact?

When the voter goes to the polls in November, he will, in effect, be making his decision whether Williams and the Democrats or the Republicans were right.

Does he want more government or more economy? The answer will decide who inhabits the capitol for the next two years.

Economy threats and maneuvers have made a difference in Lansing. Six weeks ago, Senator Elmer R. Porter (R-Blissfield) estimated that coffee breaks, late breakfasts and extra time off costs the state up to \$15,000,000 a year in employee time.

Administrative executives, noting the economic recession, claim that workers have become more conscientious — especially since January 1.

Porter's attack on the coffee break has had its impact, too. "I understand abuses have been reduced since then," he said.

MICHIGAN has another Fitzgerald waiting in the wings for his try at politics.

First there was John W. Fitzgerald, the number of the House who held office. Then came Frank D. Fitzgerald, his son, who was the state's Republican governor in the 1930's.

Now comes the second John W. Fitzgerald, the son of the former governor, who has announced his candidacy for the State Senate in the 15th district.

He will run in the primary against two political veterans, Jay Terbush, Shiawassee county prosecutor, and Rep. Adrian de Boon, a House member for several years. Both are from Owosso.

## Broomfield Urges Science Academy In Oakland County

Congressman William Broomfield has proposed that a national science academy, along the lines of West Point and Annapolis, be built in Oakland county.

Broomfield, Republican representative from Oakland county, introduced a bill to that effect in Washington recently.

"Oakland county is a logical place for a new national science academy," he said. "It is in the heart of the auto industry, which is receiving an ever-increasing share of new missile work, and many of the nation's top scientists live in Oakland county."

He noted that Oakland county is the site of General Motors Technical Center, Bendix Research Laboratories, and Lawrence Institute of Technology. The University of Michigan, Michigan State university and Wayne State university are close at hand.

"Further predictions also indicate that the Detroit area will be the electronics center of the world," he said.

Broomfield also urged income tax relief for teachers who want to continue their educations.

He said he will co-sponsor legislation permitting teachers to deduct from their gross income the cost of college courses they take while teaching.

## Roger Babson

## Spending vs. Saving

Babson Park, Mass. — Bread lines which have now sprung up in some of our cities only six months after prosperity was booming along last summer suggest that something is pretty radically wrong with people's economics! What, really, is the matter?

How Big Is Your Pocketbook? For several years, I have been warning that we could not continue to live it up forever without one day paying the piper. I often wonder when I am driving around in an eight-year-old automobile how the average factory worker could afford his one or two shiny new cars.

Strong appetites have been whetted for housing and cars and appliances and luxuries; and consumers have jeopardized the family finances by overbuying. Don't get me wrong. I am all for as many new homes and TV's and cars as the family pocketbook can stand. All these represent a higher standard of living. But I am for these things only after the worker has first set aside a portion of his weekly pay check in some form of liquid savings.

Bread Lines vs. Bank Accounts When are you spending too much and not saving enough? When you have extended yourself to the point that you don't know where next month's rent is coming from if you lose your job this week, then you have obviously overextended. Unemployment insurance, or tax-cutting, or any form of "pump-priming" is like relieving pain with a mustard plaster when a surgical operation is really needed.

From the stories of bread lines in places like Detroit, Michigan; Saco and Biddeford, Maine; Long Island; the West Coast; and a number of other areas where major industries have slowed down, it seems that consumers have greatly overextended themselves. Frankly, this kind of situation scares me to death. I have talked with merchants in some of these areas. One, a typical hardware store operator who gives the outward appearance of being very successful, says that he could be folded up very easily. All that has to happen is for a few of his creditors to press him for the payment of a few bills and he is done. The situation in many areas of our country parallels the old game you used to play with dominoes. Remember how you used to stand the dominoes on end next to one another in a long line, then knock the first one down, and away went all? A business depression is like many an illness; only a change in our habits and attitude toward life can permanently cure it.

Who Is To Blame? Without much doubt much of our current recession was precipitated by our labor leaders. I believe in labor unions and once was assistant to the Secretary of Labor in Wash-

ington. We could count on full employment as long as wages and production kept in balance. When, however, wages were dragging behind production, we had severe strikes; but when production did not keep up with wages, we had recessions. Both labor and management will now take a licking until prices again come down and we consumers get a fair deal. This is nature's cure; government plasters will not help the situation.

It is easy to blame our present difficulties on Mr. Eisenhower, or the Republicans, or the Federal Reserve for their attempts to balance our economy. But I personally believe our problem goes back a lot further than the Eisenhower administration. It started when labor leaders were exempted from the Anti-Trust Laws. Economic trouble was also spawned for us all at the point back in the thirties when we demanded "womb-to-tomb" security. When we shrugged off the responsibility for our own welfare and held the government accountable for our jobs, the education of our children, and what happens to us in our old-age, we headed for trouble. We have lost our sense of values and justice. We don't save for that "rainy day" any more; we don't bother about a nest egg for the education of our children; we don't purchase adequate life insurance, but depend instead upon social security.

## NOTICE TO ALL NORTHVILLE MOTORISTS

In accordance with an agreement between the nine Northville Gasoline Stations to alternate staying open Sundays please note that the following stations will be

## OPEN THIS SUNDAY

RUSS' MOBIL SERVICE  
19091 NORTHVILLE ROAD

H and H STANDARD SERVICE  
302 EAST MAIN STREET

MAIN SUPER SERVICE  
CORNER MAIN AND WING STREETS

THESE FIVE STATIONS WILL BE CLOSED THIS SUNDAY

ATCHINSON GULF SERVICE  
CORNER MAIN AND WING STREETS

SHAY'S SHELL SERVICE  
446 SOUTH MAIN STREET
