

Hearing Set May 26 To Remove Trailers

Three owners of house trailers on Gerald avenue who have failed to comply with a Wayne county board of health order to move their trailers are scheduled to appear in court here May 26.

The order for a trial was issued yesterday by Justice E. M. Bogart. A request for a 60-day adjournment by Attorney John L. Crandall, representing the defendants, was denied by Judge Bogart.

Plan Hearing On Novi Charter

A second meeting designed to familiarize Novi residents with their proposed village charter is scheduled for next Thursday (May 22).

It will begin at 8 p.m. in the Novi community building.

Last Thursday, more than 100 persons attended the first public hearing on the charter. Though generally well-received, it came in for several criticisms.

For some of the questions and answers which came up at the meeting see page 5.

Hey, Where Are All the Beauties?

Everything's all set for the Novi AMVET's annual beauty contest next month except for one minor item: the beauties.

So far, entries have been slow — probably because potential contestants haven't realized that the time is slipping by.

Chairman Stan Balon suggested the girls who wish to enter the contest fill out an application form immediately and submit it to an AMVET member.

"And remember that you don't have to be a professional model to stand a chance in the contest," he added. "In fact, last year a Northville high school student won over 12 others in the contest even though two models were entered against her."

Contestants do not necessarily have to be from Novi or Northville. Anyone who knows of a possible candidate, whatever her home town, was asked to contact Balon at FI. 9-2329.

The contest, to be held June 13 at the Walled Lake Casino, will feature the in-person Glenn Miller orchestra, led by Ray McKinley. The Miller orchestra will play for dancing both before and after the judging.

The winner of the Novi contest will go on to seek the state AMVET title. The state winner will then enter the national contest.

To enter, candidates must be residents of Michigan, unmarried, and between 17 and 26. Photographs must accompany applications.

Application blanks and contest tickets are available through Balon, The Record office, or any member of the AMVETS.

Using that Ticket?

Persons who have tickets for the Presbyterian Mother-Daughter banquet Friday night and who do not plan to attend have been asked to turn them in to Mrs. Ed Langtry.

Even last minute cancellations will be accepted, she said, to allow late-comers to attend. Her phone number is 1419.

NEW PARKING METERS? Drivers, police and merchants will be keeping their eyes on two new meters installed on Main street this week to see if they meet expectations during a 60-day trial period. They're supposed to do away with several headaches: they won't jam; they'll take dimes as well as pennies and nickles; and police won't have to spend two hours a day winding the city's nearly 300 meters. Here Sergeant Gil Glasson finishes installing one of the new meters.

New City Budget Holds Lid on Taxes

11.5 Mill Rate to Produce Nearly Same Revenues

A tightly-written budget calling for expenditures of \$289,900 for 1958-59 was ready this week for public hearing before the city council on Monday night.

Under the proposed budget as submitted by City Manager John Robertson the city would levy 11.5 mills against city-assessed valuations.

This is a drop of 8 mills from last year, made possible by the re-appraisal of all properties last winter. Actually, the taxpayer will notice very little change in his city tax bill.

Under the reassessment Northville was boosted from \$4,984,915 last year to \$8,609,780 this year. The 11.5 mills levied against the new assessments will raise only \$2,000 more in taxes for the city. Included in the new assessed valuation is some 200 acres annexed from Novi township.

Specifically, the budget provides for no major improvement programs, although it does allow:

Pay increases to most city employees under a plan submitted by council salaries' study committee: \$10,000 for off-street parking development; Development of Gerald street dump area into a public works equipment yard;

A contingent fund of \$16,000.

Actually, the 11.5 mills levied against the new city assessed valuation will produce \$99,012.47 in revenue as compared to \$97,203.84 collected with 19.5 mills last year. The remaining money comes from other revenues other than taxes, including an anticipated \$90,000 in returns from the state for racing.

Busy councilmen met last week Wednesday, again Monday and plan one more session this week to complete the budget study.

Last week the council spent considerable time reviewing the capital improvements immediately facing the community. At the suggestion of Councilman Ed Welch a study committee was appointed composed of Councilmen Earl Reed and Welch to consider a full-scale improvement program. Sewer and street improvements must almost certainly be given attention this year, councilmen generally agreed.

In other matters coming before the council consideration was given special assessment for residents of the Oakland county area of the city. Payments to Wayne county for use of the Middle-Rouge interceptor sewer are due at the rate of \$100 per acre. Wayne county residents have been paying this fee for four years at \$3.00 per year. An agreement has already been reached with the school and subdividers for payment of their share. Homeowners in the area will probably face a charge similar to that paid in Wayne county.

City Manager Robertson noted that the city's bill from Wayne county for the library has jumped from \$2,800 last year to \$8,000. No provision for the increase appears in the new budget.

Proposed City Budget

Revenues		
From Taxes	\$ 97,300	
Other	192,600	
Total	\$289,900	
Expenses		
Administration	\$29,810	
Elections	2,400	
Buildings and Property	9,050	
Police	53,530

Recreation	6,000	
Garbage Coll.	6,600	
Parking Meters	1,900	
Special Security	2,100	
Voting Machine	1,625	
Library	3,100	
Retirement	7,600	
Wayne Co. Sewer Charge	7,800	
Contingent Fund	16,362	
Miscellaneous	3,815	
Total	\$289,900	

Urge Registration For Kindergarten

A slowdown in kindergarten registration this week prompted Northville school officials to request parents to register their children as soon as possible.

At a special registration meeting last Monday, some 79 children were registered for classes next fall. Richard Kay, principal of American school, estimated that another 60 children are still unregistered. Children not registered will not be accepted for a special "visitation day" at the elementary schools on May 23. The visitation period is designed to acquaint them with their teachers and future classmates.

Registrations will be taken daily at both elementary schools. Parents should take proof that their children will be five years old before next December 1.

Goodwill Visit Set

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for next Tuesday.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative, Mrs. Lora Ault at GR-4294.

Novi Development To be Postponed Until Next Year

Construction of the proposed 2,000-home Lincoln Village development in western Novi township has been delayed "nine months to a year" because of the current recession.

But a spokesman for Thompson-Brown company, which plans to build the \$40,000,000 subdivision, said Lincoln Village "definitely has not been abandoned."

"The only change in our plans is the timing," said Ross Campbell, vice president of Thompson-Brown. "Except for a delay of a few months we intend to follow our original plans to the letter."

Those original plans call for some 2,000 homes to be built within the next five years on a 700-acre site immediately south of Wixom, straddling Wixom road. It would eventually include a shopping center, apartment house area, and community water and sewer system.

Lincoln Village would be one of the largest developments in Detroit history, and the biggest boon yet to Novi's growth.

Campbell said the decision to delay construction is based on "current unsettled economic conditions — especially in the automobile industry."

He said Thompson-Brown is not concerned with the possibility that many potential home owners would be connected with the auto industry, but more with the fact that the auto industry determines the Detroit area's general economic situation.

"It wouldn't be good business to invest this much money until we see signs that Detroit is getting back on its feet," said Campbell.

Plans for the huge development were announced last November, shortly before the recession began taking shape. At that time, Thompson-Brown hoped to have several hundred homes built by the end of this year.

So far, no work has been done on the site except for the drilling of one well.

Campbell revealed that plans for a revolutionary new sewage disposal plant have been dropped. The plant, based on the so-called "Hayes system", failed to get approval of the state health department.

"But we've virtually completed engineering plans for a new type of plant, and are in the process of getting them approved," he added.

Plan Two Concerts Here Next Week

Music will be in the air in Northville next week.

Two concerts — one by the mixed high school choir and the other by the high school dance band — are scheduled.

The 40-voice choir, conducted by Leslie Lee, will present a program of varied numbers at 8 p.m. Wednesday in the community building. Separate numbers will be sung by both the boys and girls.

The dance band will present its annual "Jazz Unlimited" next Friday (May 23) at 8 p.m. in the community building. The concert will feature a guest artist.

HALLER FOR FORD — First noticeable change in the appearance of the Ford Waterford plant took place last week with the erection of the new Haller sign. John Haller, owner of Haller, Inc., with sales' offices in Plymouth, purchased the plant from Ford last winter. Extensive remodeling is now underway inside the plant to prepare for manufacturing operations scheduled to begin later this summer.

It's Herter versus Lawrence

An attorney and a sales manager will compete in the June 9 election for the single vacancy on the Northville school board.

Donald Lawrence, 522 West Dunlap street, is manager of sales at Evans Products company in Plymouth. His candidacy and a brief biography were reported in The Record last week.

Like Lawrence, Attorney Robert J. Herter is a parent with interest in school problems.

Herter resides at 46327 West Seven Mile road. In addition to having law offices in his home, he is a member of the legal department of the State Farm Insurance company in Detroit.

A graduate of Concord college of Athens, West Virginia and the University of Michigan law school, Herter has been a resident of Northville for five years. His wife, the former Wanda Bender, is a native of Northville. The Herters have three children, two attending Our Lady of Victory and one not yet school age.

Herter and Lawrence will seek the board position now held by Eural Clark, who is retiring after 18 years. Clark has held both the presidency and treasurer's post on the board.

Notices were posted this week of the final day for registration for the election. Qualified school district voters who are not registered have until 5 p.m., June 2. The election will be held at the Community Building.

Wixom Gets Set For City Election

Wixom will determine Monday whether the once-obscure crossroads community shall become the state's newest city.

Hundreds of voters are expected to go to the polls to decide:

— whether a proposed city charter shall be accepted.

— and who shall serve as the city's first mayor, council and justice of the peace.

Odds are that Wixom will approve the charter by a wide margin. It has been thoroughly aired at public meetings, and has incurred little opposition.

But who will end up in the mayoral and council seats is not clear out by any means.

Spirited campaigning by the three mayoral candidates — incumbent Village President Joseph Stadnik, Wesley McAtee and Lawrence Schradt — has been going on for some weeks and probably will continue through election day.

Dog Bite Warning

A warning to parents to beware of vicious dogs was issued this week by Police Chief Joseph Denton. He also requested that all cases of dog bites be reported to police.

"Warmer weather always brings several cases of dog bites," Chief Denton pointed out. He said that two eight-year-old boys had been bitten last week.

He asked that all cases be reported to police. A careful check is made of dogs on the fifth and tenth day following the attack, Denton stated.

Two Art Teachers Win in Exhibitions

Two Northville teachers were named winners in recent creative arts competitions in Detroit and South Bend, Indiana.

Roy Pederson, who teaches art in Northville elementary schools, won a \$25 award for a ceramic bowl which he entered in the Michigan Ceramic Exhibition in South Bend.

Two other works by Pederson were broken in shipment to the exhibition.

Jack Van Haren, art teacher at Northville high school, entered three ceramic pots in the same exhibition.

VanHaren also won four honorable mentions at the eighth annual religious exhibit of the Detroit Ecumenical Art Guild. His winning entry was a silver holy water font which he made while working for his master's degree.

The other winners are now on display at the J. L. Hudson galleries in Detroit.

Seek Ely Donations Now

Member organizations of the Coordinating Council received letters this week seeking contributions to the Claude N. Ely Memorial Fund.

The move to create a fund of approximately \$1000 through contributions from as many groups or individuals as possible started soon

after Mayor Ely's sudden death April 27.

Organizers of the fund hope that an annual award made from the interest of the invested fund will provide an incentive for residents to contribute to the improvement of our community. The fund will also stand to perpetuate the memory of

Northville's last village president and first mayor of the city.

So that the project may be established for an award next year, the committee has set a June 20 deadline for contributions. Friends, business and civic organizations are urged to send or bring their contributions to the Manufacturers National Bank in Northville without solicitation.

Meeting Tuesday evening a planning committee of Russell Amerman, Malcolm Allen, John Canterbury, Russell Clarke, Nelson Schrader and William Sliger completed preliminary plans for the fund.

It was decided that the award would be made by a committee composed of five persons including the mayor, superintendent of schools, president of the school board and two more elected by the trio of officials. Nominees will be reviewed each year by the committee. They will be selected on the basis of the contribution they have made to the improvement of the community.

CONTRIBUTION To the Claude N. Ely Memorial Fund

Enclosed find my contribution of \$..... to the Claude N. Ely Memorial Fund. I understand interest from the fund will be used for an annual award in a manner to be determined by the Fund Committee.

Name

Address

All contributions should be mailed or taken to the Manufacturers National Bank in Northville. Any amount, no matter how small, is welcome. Names of contributors, but not the amount given, will be published in The Record at the close of the campaign, June 20.

TRASH PICK-UP — Chairman Donald Hannabarger makes a final check of one of the trucks that will go into service this Saturday. The city-wide trash pick-up is being sponsored by the "Beautify Northville" committee. Several trucks with volunteer workers will canvass the city Saturday morning picking up any material, except garbage, residents wish to throw away. Items should be left near the curb.

about WOMEN

2-Thursday, May 15, 1958—THE NORTHVILLE RECORD

NEWS AROUND NORTHVILLE

Mrs. Charles Smith is recovering at her home on 448 River street after being confined for three weeks with bronchitis.

Dinner guests of Mr. and Mrs. Richard Somers of Grace street Monday evening were the Rev. and Mrs. Paul Cargo and Mr. and Mrs. Chuck Logeman.

Mr. and Mrs. James Spagnuolo attended the first communion of their grandson, Eugene Gordon Melbourne, Sunday at Willow Run.

Members of the Northville-Detroit bridge club will meet Thursday at Hillside Inn for luncheon. Those attending from Northville are Mrs.

Arlo Hauger, Mrs. Clyde Schoultz, Mrs. Lee Heaton, Mrs. Mary Marburger and Mrs. Charles Altman, Sr.

Members of the Past Matrons club will attend the luncheon and card party sponsored by Orient chapter officers on May 21 at the Masonic Temple.

Dinner guests of Mr. and Mrs. J. E. Straus of Beck road last Sunday were Mr. and Mrs. Clifford Herater and family of Ferndale.

Mr. and Mrs. Elmer Wilson of West Main street went to Lansing last Saturday to attend the open house at Michigan State university.

Their son, Harold, a Beta Phi, with the other members of the fraternity, broiled chicken in the yard for their parents.

Mrs. Harry G. Richardson is at home on West Main street convalescing after undergoing surgery at the People's Community Authority hospital in Wayne last Friday.

Greig Chapman was home from Michigan State university last week end to be with his parents, Mr. and Mrs. E. A. Chapman of High street for Mother's Day.

Mr. and Mrs. Herman Hartner, Jr. and Gail Ann attended the open house at Michigan State university in Lansing last week end. Their son, David, is a student there.

Dr. and Mrs. W. L. Howard of Seven Mile road attended the Mother's Day picnic given by Phi Kappa sorority at Central Michigan college in Mt. Pleasant last Sunday. Their daughter is a member.

Guests of the Wilson Funks on Yerkes street this next week end will be their daughter, Mrs. Leonard R. Howard, and son, Bryan, from Grand Rapids.

Dr. and Mrs. Stuart F. Campbell, Mr. and Mrs. J. W. Cheatham and Mr. and Mrs. Donald B. Lawrence attended the Pops concert at Plymouth last Saturday night.

Mrs. Hugh Campbell of Detroit, mother of Dr. Stuart F. Campbell, will join Mrs. Campbell and daughter at the mother-daughter banquet at the Presbyterian church this Friday night.

Mr. and Mrs. David Severance of Ann Arbor, (the former Cynthia Melen) are vacationing in Texas and are guests of Mrs. Severance's brother, Mr. and Mrs. Peter Mellen.

Mr. and Mrs. Ward Schultz of South Rogers street, went to Toledo over last week end to take Mrs. Schultz' mother, Mrs. Theresa Fisher, home. She had been visiting them for the past three weeks.

Marcia Doeksen, daughter of Mr. and Mrs. R. W. Doeksen of Orchard drive, has been initiated into Epsilon Kappa chapter of Kappa Delta Pi, an honorary society for education students at Michigan State university.

Mr. and Mrs. J. W. Cheatham of Thayer returned home recently from a three weeks vacation. They visited Clearwater, Florida; Charleston, South Carolina and Washington, D.C.

AAUW Ends Year At Meeting Today

The last meeting of the club year of the Plymouth AAUW will be held today (Thursday) at the home of Mrs. C. C. Gracey, 16200 Homer road.

Co-hostesses will be Mrs. C. D. Levering, Mrs. W. Schmidt and Mrs. Mark Wehmeyer.

The theme of the meeting will be "The Achievement of the Club Year". The various study groups will display their wares and progress made during the year.

Mrs. J. M. Hopkins, chairman of the art study group, will explain the basic steps involved in making mosaic tables and trays. Mrs. A. E. Guelick, club president, will give the annual president's report and Mrs. D. H. Sutherland, the incoming president, will report on her recent trip to the regional conference held in Cincinnati.

A report will be given by Mrs. K. L. Hulsing on a talk given by Dr. James Conant, entitled "The American High School", which she heard while attending a school board convention in Miami Beach recently.

The social hour will begin at 7:45 p.m. and the program at 8:30.

Northville Women Head Mercy's 'Family Day'

Two Northville women were busy this week preparing for the annual "family day" at Mercy college from 2 to 4 p.m. Sunday.

Rosemary Dolan, class of '46 and a Northville resident is president of the alumni group. Donna Pelech, of the Northville State hospital staff, is general chairman.

Family day, rated by graduates as the most popular alumnae activity, will be held on the campus, 8200 West Outer drive.

Northville alumnae can get further information by calling Miss Pelech.

To Show Color Film On Mackinac Bridge

"Michigan's Mighty Mackinac — The Vacationland Bridge," a film produced by Herman D. Ellis, official photographer of the Mackinac Bridge Authority, will be shown in Ann Arbor this month.

The Washtenaw Audubon Society and the public schools adult education will co-sponsor the presentation next Tuesday at 8 p.m. in the Ann Arbor high school auditorium.

The film is the first all-color feature-length film to be made on the Straits bridge project and shows the complete story of the construction.

Construction scenes — including the erection of the towers to the height of a 46-story building, installing the suspended catwalks, cable-spinning and lifting and placing the 100-ton suspended-span sections — are shown on the film.

Wins Honors At Michigan

Beverly Stone

Beverly C. Stone, daughter of Mr. and Mrs. Roy Stone of Seven Mile road, was recently named as a winner of one of the Oregon E. Scott Freshman awards at the University of Michigan.

The prize is a book which the recipient may select from a special list prepared by the awards' committee. Each book has the University of Michigan seal embossed in gold on the front cover.

The Oregon E. Scott awards are presented to students selected from the top 10 percent of the freshman class on the academic record made during the first semester.

Beverly was also honored at the 35th annual Honors Convocation when recognition is given undergraduate students for academic records.

The announcement of Beverly's awards was made by the committee on University Scholarships. Mr. and Mrs. Stone attended the awards' ceremonies last week.

Girl Scouts

The girls of Troop 19 went to Cass Benton park for a one-pot cook-out. This helped toward the completion of our Adventure badge.

Mrs. N. K. Pattison Heads Garden Club

Mrs. N. K. Pattison assumed the office of president of the Northville branch of the Woman's National Farm and Garden association at the annual meeting Monday at the Beck road home of Mrs. Clifton Hill.

Other officers for the coming year are: first vice president, Mrs. D. H. Clark; second vice president, Mrs. George Kohls; recording secretary, Mrs. Paul Shulz; treasurer, Mrs. Merner Eilber, and corresponding secretary, Mrs. C. H. Bryan.

The meeting marked the club's 22nd anniversary. A sandwich loaf in the form of a birthday cake was served by Mrs. W. Leonard Howard and Mrs. John Burkman poured.

Assistant hostesses were Mrs. Albert E. Northup, Mrs. C. A. Lipa, Mrs. John Northup, Mrs. Edwin Mueller and Mrs. W. Leonard Howard.

Former Resident Dies

Rev. Ward Clark of Chambers, Arizona and Mrs. Kenneth Dario of Cleveland, Ohio arrived at the Wilson Carl home on Cady street last Monday night for the funeral of their sister and aunt, Mrs. Muriel Clark Sweet, formerly of Northville and Grant, Michigan.

Mrs. Sweet passed away last Saturday at Blodgett hospital in Grand Rapids. Besides her husband, her son, Louie, who is in service, survives. Also surviving are her father and two brothers.

Burial was Tuesday at Grant.

Oakland Girl Scouts To Hold Annual Meeting

Some 300 delegates will attend the annual meeting of Southern Oakland girl scouts next Tuesday at 7:45 p.m. in the Little Theatre of Birmingham high school.

The business session will include the election of officers, the revision of the By-Laws, presentation of the 1959 Plan of Work and Budget and the Installation of officers.

Engagement Announced

Mr. and Mrs. John Bauer of Livonia have announced the engagement of their daughter, Betty Lou, to Richard Lake, son of the late Mr. and Mrs. Martin Lake, of Novi. Betty Lou is employed at the A. & P. store in Northville. Her fiancé works at Northville State hospital. The couple will be wed October 25.

Host to Sorority

The Alpha Nu chapter of Delta Kappa Gamma met at the home of Mrs. Louva Waterman, 43493 Reservoir road, Monday evening.

A program honoring many nationally famous teachers who founded the society was presented by the group under leadership of Mrs. Lucille Reeves and Miss Lemoynne Markham.

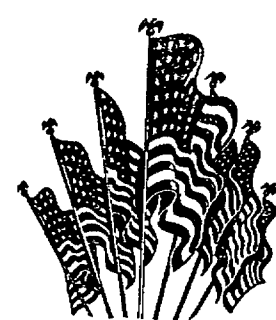

Refreshments of birthday cake and ice cream marked the first birthday of the local chapter.

Classes Begin Today In 'Heart of the Home'

Women interested in saving time and energy in their home by putting into practice work-simplification principles may register for free "Heart of the Home" classes now being held in Rosedale Gardens.

The classes will be held on May 15, May 29 and June 5 from 1-3 p.m. Registrations will be accepted at the May 15 class (today) to be held at the Rosedale Gardens Civic Center, 9611 Hubbard.

Restoring Antiques Is Just One Benefit

ALMOST LIKE NEW — Mrs. Lyman F. Joslin poses with three of the antique chairs she has restored in the past two years. The small footstool is next. She was presented a pin last week for 25 years in home extension study.

Mrs. F. Lyman Joslin set aside a partially-restored antique chair long enough last week to accept a small gold pin in Pontiac.

It marked 25 years of achievement in home extension work for Mrs. Joslin, who lives in Lyon township but calls Northville her church and shopping home.

The pin, presented to only three of the more than 3,000 home extension members in Oakland county, was awarded to Mrs. Joslin at the Oakland County Home Demonstration Group's annual achievement day.

In her 25 years with the Lyon Township Senior Homemakers, Mrs. Joslin has studied Michigan State university courses in everything from food and clothing and home furnishings to child development and home management.

But her most interesting study has been antique restoration. She has become so adept at her hobby that last winter alone, she restored 11 different antique pieces for her friends.

Her own living room is a show-place of antiques — several chairs that once belonged to her grandmother, a 100-year-old rocker, a small footstool that she is now restoring and will finish off with a needlepoint cover.

"My husband says he can't understand what I see in antiques," she says with a smile, "but he's agreed to expand our living room so I can have groupings of the pieces I've restored."

In all, Mrs. Joslin has brought some 30 different pieces back from dusty, scarred oblivion to nearly-new perfection.

Mrs. Joslin, who lives at 54299 ine Mile, doesn't confine her interests to home extension work alone. Right now, she is awaiting some 500 turkeys and 1,000 chickens. They — and their eggs — will keep her busy until the holidays.

In addition, she has been active with the First Baptist church of Northville, has served as an officer of both her local and county Farm Bureau, and has received a 10-year certificate for her work with the United Foundation.

But her first love is antique restoration.

And once she gets the incoming turkeys and chickens set up in their new home, it won't be long before she goes to work on that small footstool and its needlepoint cover.

Engagement Announced

Janet Ruth Bates

Mr. and Mrs. Oscar Bates of Ithaca have announced the engagement of their daughter, Janet Ruth, to David Hartner, son of Mr. and Mrs. Herman Hartner of Plymouth avenue.

Both David and Janet are students at Michigan State university. A fall wedding is planned.

It's Sclerosis Week

Governor Williams has proclaimed May 11-15 "Multiple Sclerosis Education Week".

The Michigan chapter, supported in the Detroit area by the Torch Drive, supports scientific research to find the cause and cure of this chronic disabling disease. It maintains clinical centers in Detroit, Battle Creek and Grand Rapids.

University Hospital Plans Open House

More than 60 displays, exhibits and actual demonstrations of "hospital care, yesterday and today" will be opened to public inspection Sunday when the University hospital in Ann Arbor holds its annual open house.

Exhibits range from 1881 medical records to the ultra-modern diagnostic use of radioisotopes.

The open house will be held from 2 to 4:30 p.m. in the out-patient building on the east side of the main university hospital.

Madonna College Plans Art Exhibit

Miss Elizabeth Bush of Maybury sanatorium who takes art classes at Madonna college in Livonia, is pictured above putting the final touches on her painting in preparation for the art exhibit to be held at the college May 18-25.

The annual student art exhibit, organized by Sister M. Angeline,

head of Madonna's art department, will be held from 3 to 5 and from 7 to 9 p.m. daily in the exhibit hall.

A special treat for the art connoisseurs will be offered by Detroit resident, Bernard Wolff, one of the country's most famous leathercrafters. He will display some of his rare works at the college.

Jan Porath to Reign At Bridge Dedication

Jan Porath, the Northville township girl who reigns as National Rodeo Queen, will help dedicate Michigan's Mackinac Bridge next month.

Jan will preside at the agricultural show in Cheboygan during the dedication festival from June 26-28.

The festival also will feature historical exhibits, displays of military equipment, automotive exhibits, parades, a paratroop drop, sports demonstrations, and a spectacular fireworks display.

Jan lives at 6646 West Six Mile.

D.A.R. to Hear Eaton

Sarah Ann Cochran chapter of the D.A.R. will meet next Monday at 1 p.m. at the home of Mrs. Sherwin Hill, "Green Mead", on East Eight Mile road.

Annual reports of officers and committee chairman will be given and officers will be elected and installed.

Representative Sterling Eaton will be the guest speaker. He will discuss bills passed by the state legislature. There will be a question and answer period before the serving of tea.

Northville Women At BPW Convention

Two Northville women will attend the 40th annual state convention of the Michigan Federation of Business and Professional Women's clubs in Detroit this week end.

Representing the Northville BPW are Mrs. Florabel Sullivan, 405 East on drive, and Beatrice Ware, 49209 West Seven Mile road.

George E. Gullen, Jr., director of labor relations for American Motors corporation, and Mrs. Daphne Leeds, assistant U.S. commissioner of patents, will be the featured speakers.

"The Future of the Michigan Federation" is the convention theme. All presidents who served from 1918 to 1938 will be honored at the Saturday luncheon and recognition will be made at the banquet to all those who served from 1939 to 1958.

VOTE "NO" on Village Incorporation

Actually village government would increase taxes to the benefit of a select group. But service to the taxpayer would be unchanged.

— Paid Pol. Adv. —

Story Hours End for Year

The P-TA-sponsored children's story hour which began last November 23 held its final session of the year last Saturday.

Approximately 20 children between the ages of four and 11 attended each of the story hours. Stories and poems selected by volunteer readers were told to the group.

Ten P-TA members rotated in conducting the 25 classes which

were held between 10:30 and 11 a.m. at the library. The readers were Ione Palmer, Martha Milne, Audrey Gots, Hazel Severance, Raye Hill, Annette Hubbard, Helen McCarthy, Laura Hicks, Luetta Reng and Barbara Yoder.

Chairman of the program for the P-TA was Mrs. William Sliger.

Review Club to Meet

The Northville Review club will meet on Friday, May 23 at the home of Mrs. A. M. Lawrence. Mrs. R. J. Wright will review "Face to Face" by Mehta. Please note change in day of week.

Northville Council Proceedings

A postponed regular meeting of the Northville City Council was held at the City Hall Wednesday evening, May 7, 1958 at 8 p.m.

Present: Mayor Allen, Councilmen Stubbenvoll, Canterbury, Reed and Welch.

Minutes of the last regular meeting and of the Special Mayors' Day meeting were read and approved.

The following bills were presented for payment:

General Fund, \$10,124.21
Other Government, \$555.56
Water Fund, \$314.58

Moved by Reed, seconded by Canterbury that these bills be allowed and paid. Carried.

Mayor Allen welcomed a group of students from Mr. Meaker's class who were present to observe, and introduced them to the members of the City Council.

Under the heading of communications, a card of thanks was read from Mrs. Claude N. Ely and family. A letter was also read from Michigan Week headquarters asking that a report be sent to them on the meeting attended by our representatives.

The City Clerk reported that she had received a call from Mrs. Ida Cooke, of 516 Rouge St., again requesting that the City sell her the alley on the West side of her house as it is an eyesore in its present condition and her neighbor is piling stones and tree trunks in it. The City Manager was asked to look the situation over and report back his findings to the Council.

Under the heading of communications from the audience, James Green, of 126 E. Cady St., expressed the opinion that so long as the City was having "Clean-up week" he wished to call their attention to the partially burned-down house belonging to Paul Palmer, located at 135 E. Cady. This property has been an eyesore even before it was burned and Mr. Green feels that in its present condition the City should require Mr. Palmer to demolish the house. He was informed that Mr. Robertson had written the owner during the month of April to the effect that it would be necessary for him to take steps to remove the house as he would not be allowed to rebuild it and Mr. Palmer has promised to do so within a week. However, up to the present time he has taken no steps in that direction. The City Attorney was instructed to send written notice to Mr. Palmer to the effect that the building must be torn down within 30 days, as under the provisions of our code the City has authority to order its removal.

Sam Bongiovanni, of 320 N. Center St. was present to ask the Council what they were going to do with the creek running across N. Center St., which is adjacent to his property and into which the City is now proposing to empty the storm sewer from the new high school. The creek is already washing away the bank on his property and he is wondering what is going to happen when additional water is emptied into it. He was assured that the situation would be investigated and the legal angles looked up before the next regular meeting.

Mr. Penn also reported on the requirements for pumping water to the high school and the equipment that would be necessary to do the job satisfactorily.

The following resolution was then presented:

"WHEREAS, the City of Northville has requested that the proprietor of the Northville Heights Subdivision increase the size of a water main through their subdivision in order that other areas of the City might be better serviced, and

WHEREAS, the contractor who has the job of installing said water line has agreed to install the larger water main and to charge the City only for the increase in cost of the materials and labor occasioned through the installation of the larger water main,

NOW, THEREFORE, the Council for the City of Northville does hereby resolve that there is no benefit to the City to be had in advertising for sealed bids for the above work and therefore waive the require-

ment for advertising for sealed bids as set forth in the City Purchasing Ordinance."

Moved by Reed, supported by Welch that this resolution be adopted. Carried.

Motion was then made by Allen, supported by Reed that the City pay \$2.47 per foot of the cost of the 10" water main running through Northville Heights Subdivision. Carried.

It was moved by Reed, supported by Welch, that Mr. Penn be instructed to advertise for bids on the water main from reservoir to Northville Heights Subdivision and from the subdivision to North Center St., and then down Hill St. to Novi. Carried.

Following action on this motion, Councilman Stubbenvoll was excused because of being ill, and the two preceding motions were passed following Mr. Stubbenvoll's departure.

The next matter to be discussed was the appointment of Mr. Al Williams as Heating Inspector at 75 percent of fees. Mr. Waterloo, Building Inspector, who has been making these inspections, feels that Mr. Williams is better qualified to do this work, and Mr. Williams is willing to take it over. It was moved by Welch, supported by Reed, that Mr. Williams be appointed Heating Inspector at 75 percent of fees as recommended by the City Manager. Carried.

Councilman Canterbury, Chairman of the "Beautify Northville" Committee, reported on the work that is being and has been done by his committee. He stated that there are a number of old buildings that should be torn down, and he felt that Council should pass a resolution to that effect.

Moved by Canterbury, seconded by Allen that the City Council pass a resolution requiring that such buildings be torn down (to give the Building Inspector authority to go to the owners of these buildings with more official backing.) Carried.

In connection with keeping the streets clean, Supt. Hartner reported that the streets are swept every morning, but that there are certain spots that it is impossible to reach because cars are parked there all night. It was agreed that the ordinance prohibiting parking in the business district between the hours of 3 a.m. to 5 a.m. should be put into effect as soon as possible, and the committee who were appointed originally to formulate the street parking ordinance which was repealed, is asked to take action on this matter as soon as possible.

Councilman Welch feels that this City Council should be figuring ways and means to provide needed capital improvements within the foreseeable future, such as improvement of all the remaining unimproved streets in the City, the new public works buildings, City Hall, Fire Hall, jail, etc., and it is his suggestion that a committee be appointed to find out what the total costs of these improvements might be and that the question of floating bonds to finance such improvements be put on the ballot at the next City election. It was felt by other members of the Council that this was not the time to approach the voters with such a program because of the high school taxes with which they are now faced.

However, it was moved by Canterbury, supported by Allen, that a study committee consisting of Welch and Reed, be established to study this question and consider the possibilities of a bond issue to pay for the capital improvements it is felt are necessary. Carried.

Councilmen Reed and Welch then reported on their visit to Roosevelt Park which they reported was a most informative and enjoyable occasion.

Because of the lateness of the hour, it was decided that the presentation of the budget would be postponed until Monday evening, May 12th, 1958 at 8 p.m. when an informal meeting will be held to carefully consider the proposed budget item for item. However, before adjourning the meeting, Atty. Ogilvie read the bill from the Wayne County Library Board for the year 1958, which amounts to more than \$8,000. As this is more than \$5,000 in excess of last year's bill, the City Manager was instructed to look into reason for such a jump.

No further business appearing, meeting was adjourned at 11:15 p.m.

(Signed) Mary Alexander, City Clerk

Novi Highlights...

WSOS Approximately 50 ladies attended the luncheon and experience social last Wednesday at the church.

Mrs. Victor Gillett showed a film, and group singing and experience donations were on the program.

Ladies who still have the experience aprons please return to Mrs. John Klaserer to save for next year's experience social.

Novi Baptist Church News The Junior BYF of the Novi Baptist church sponsored a funny hat party Saturday night for the teenagers. There were 17 present.

The ladies auxiliary of the Baptist church will meet Thursday evening at 7:30 at the church.

During the past week the Baptist church basement has been petitioned for Sunday school rooms. There are now seven separate rooms. An annex at the back of the church is in the process of being built for four more Sunday school rooms.

Tops Club Eighteen ladies are now members of the "TOPS club," a national organization to take off pounds sensibly. They meet every Tuesday night at 7:30 at the school. The rule is to be back at their homes by 9:30.

Novi Rebekah News The Past Noble Grand club will meet next Wednesday, May 15 at the home of Mrs. Alice Hopkins for a six o'clock dinner.

Novi Rebekah's visitation will be held at Holly Wednesday, May 21.

Novi Girl Scouts Senior Troop met at the home of Mrs. Bassett Wednesday night. They visited the tentative day camp site in Bassett's woods following which they made additional plans for their

camping trip in June. Permission slips were sent home to the parents for the trip at this time. They also made plans for their delegates, Sharon Clarke and Jan McKinney to attend the Planning board in Royal Oak on Thursday evening. Claudia Mairs furnished treats.

Intermediate Troop 491 practiced croquet at their meeting. Treats were furnished by their leader, Mrs. Coleman. They discussed a service project to help serve a dinner in Farmington May 22.

Intermediate Troop 492 made Mother's Day gifts. This troop is registering at this time and registrations may be turned in immediately.

Intermediate Troop 493 made Mother's Day gifts. Treats were by Marguerite Miller and June Loynes.

Intermediate Troop 602 discussed remaining badge work, practiced knots and learned a new song, "Jogging Along".

Brownie Troop 149 made Mother's day gifts of cameo earrings and necklaces. Senior Scout Noel F. Gelpert helped in absence of co-leader Mrs. Marchetti. The girls had cookies for treats. Permission slips were given out.

Novi School News Frank Steinberger, Novi school spelling bee champion, was one of the five runner-ups at the district spelling bee at Milford. There were 17 contestants.

The eighth grade baseball team played Dublin Thursday, May 8. Dublin won 3-2.

In the poster contest sponsored by the Farmington Elks lodge, the winners were: first prize, \$5, Claude Earl; second, \$3, Nancy Christensen; third, \$2, Lynn Mogridge.

Children for kindergarten may be registered at the school office any day after May 15. The child's birth certificate should be brought for proof of age.

Danny Brazleton has come to the afternoon kindergarten from Oxford. The kindergarten room has a new easel and doll bed. Dorothy Brazleton is a new member of the second grade in Mrs. Boyd's room. She also came from Oxford.

Mrs. Bower's third graders have been learning many things about Michigan during Michigan Week. At the beginning they knew only seven facts about Michigan. Now they know about 25.

Mrs. Coe's fourth grade pupils have learned many new things about Michigan especially about the early days. They made scrap books and saw film strips about lumbering, manufacturing and farming.

Carl Payton is back in Mrs. Coe's room after a three week absence.

Seven years old May 6 was Susan Vivian of McMahon. Her birthday guests were Kim and Lynn McCormick, Del Peterson, Denise Ardill, Lynn Bentley, Melinda Needham and Bobbie and Mike Vivian.

Ray and Jackie Frere and Jo Ellen of LeBost spent a week fishing in Grayling. Their trip was very successful.

The Lewis Diems of LeBost spent Mother's Day in Livonia with Mrs. Viola Mende.

Bob and Ethel Stover of Glen Ridge spent Sunday in Battle Creek visiting their grandparents, Mr. and Mrs. John Robertson. It was the first time the Robertsons had seen their new great grandson.

The Chester Pietrons of LeBost entertained recently Leonard Gladkowski of Detroit and Mr. and Mrs. Casmir Pietron of Detroit. They and Mike and Ed Pietron of LeBost spent Mother's Day in Detroit with Mr. and Mrs. Peter Pietron.

Pinocle club was held May 5 at the home of Clare Miller on LeBost. The winners were Phyllis Berardi, first; Agnes Morrison, second; Sylvia Klerkx, third, and Clare Miller, consolation prize. Gladys Earl was a guest player. The group will meet May 19 at Paula Swensons.

The Thursday night bridge club met May 8 at Nancy Milliken's home on McMahon. The first and second place winners were Jean Cromer and Irene McCormick.

In Mrs. Wilcox's fourth grade room Clifford Hawley and George Simonton made a map of Michigan vacationland. Kenneth Smith, Randy Caliguri and Ricky Fox made a map of Michigan industry. All of the class made books for Michigan Week and sent letters to the chambers of commerce of different states. They have been receiving information about each of the states to whom letters were written.

Mrs. French's fifth graders have written poems on Michigan Week. Judy Dye, Larry Hurlburt and Timmy Krug had the best poems.

Joe Dinser was out of school last week. He underwent a tonsilectomy. Those who made the best posters on Michigan last week were Mike King and Stanley Gilet.

The girls in Mrs. French's room have been selling potato chips to the school for fair money for their room. Cheryl Snyder was the chairman. Sandra Fried was absent most of last week, ill with the flu.

Novi Blue Star Mothers Mrs. Fred Mandilk, hospital chairman, submits the following report from May 1, 1957 to May 1, 1958: Patients visited 1,472; hours worked 267; miles traveled 683; cookies 320 dozen; candy 15 pounds; magazines 225; \$35 donated to veterans' hospital in Florida, and \$25 donated to veterans' hospital in Iron Mountain.

Novi Man Fined A Novi man was fined \$75 this week after pleading guilty to charges of driving under the influence of liquor.

Ernest D. Desarmeaux, 1260 East Lake drive, was ordered to pay the fine or spend 30 days in jail by Justice William MacDermid.

Police said Desarmeaux was weaving from side to side on Novi road when apprehended.

Hot Time at Chuck Wagon A grease fire at the Chuck Wagon restaurant in Wixom was put out after causing minor damage early Monday morning.

Three Novi township engines rushed to the fire, which apparently started when grease on the kitchen grill became overheated.

4-H POT AND PAN CLUB We held our third meeting at 10 p.m. We made a mamba shake. We had 3 groups. Each group made 4 mamba shakes. Each group served another group. The mamba shakes were good. Mrs. L. Campbell suggested that we play a game and we did.

Eve B., Reporter

In Wixom Village:

5 Generations of Nicolleys Get Together

Mrs. Charles Ware — Market 4-1601

A five generation reunion was held at the Lowel Nicolley home on Pontiac Trail. Participants were Connie O'Dell, her mother Mrs. Clarke O'Dell, grandfather Lowell Nicolley, great-grandfather Lloyd Nicolley and great-great-grandmother Barbara Nicolley.

Mr. and Mrs. Lloyd Nicolley came from Kansas for the occasion and were guests at the Lowel Nicolley home for a week.

Mr. and Mrs. Joseph Callahan of Pontiac Trail are the proud parents of a new daughter, Maureen, born Saturday, May 10. She weighed eight pounds, five ounces and has one other sister and two brothers.

On Friday evening, the hot rod club of Walled Lake held a poker run. This is on the order of a "scavenger hunt" with cards being placed at different areas. John Ware won first prize. Dean Qualls of Walled Lake won second prize. There were nine entries and each carried a copilot to read directions which were clearly marked.

Mrs. Ruth Madigan, RN, and Mrs. Johns, RN, of Whitehall Nursing home, 10 Mile and Novi road, attended a home nursing school at Hotel Fort Shelby in Detroit Tuesday and Wednesday.

Seventy-four children made their first Holy Communion at the nine o'clock mass at St. William's church last Sunday.

The Wixom Youth club had as their chaperones at their Saturday night dance Mr. and Mrs. Philip Keenan, Mr. and Mrs. Jesse Birchard, Mrs. Lottie Chambers and Hilda Furman.

On Sunday, Miss Furman had dinner at Devon Gables with friends. On Monday she had as her dinner guests Mr. and Mrs. Tom Barry of Detroit and Mrs. Charles Ware.

On Mother's Day, Mr. and Mrs. Bernard Kitten were the dinner guests of their daughter and family, Mr. and Mrs. Clarence Shelton of Walled Lake.

Sunday guests of the Delbert Geysers were Mr. and Mrs. Howard Randolph and family from Grand Ledge and Mr. and Mrs. Howard Randolph senior, also Mr. and Mrs. Harold Ortwin of Novi and their family.

On Saturday, Mr. and Mrs. Geyer had a visit from Mr. and Mrs. Floyd Close of Hazel Park, Mr. and Mrs. George Campbell of Pontiac were hosts to Mrs. Campbell's parents, Mr. and Mrs. Fred Thayer, and Mr. Campbell's sister

and brother-in-law, Mr. and Mrs. Joseph Stadnik.

Mr. and Mrs. Wesley McAtee were guests of Mrs. McAtee's mother, Mrs. Richard Backett of Howell, and sister, Mrs. Merrill Austin of Howell.

Mr. and Mrs. Stuart Sauber and Bill were guests of their daughter and son-in-law, Mr. and Mrs. Kenneth Birdsall of Livonia.

Mr. and Mrs. Charles Ware and John had dinner at the Walled Lake OES.

Today's Ascension Thursday masses at St. William's church will be

at 7, 9 and 10 a.m. and an evening mass at 8 p.m. The 40-hour devotion will start Sunday, May 18 and close Tuesday evening. The devotion commemorates the 40 hours the Jesus remained in the tomb after his crucifixion.

The Knights of Columbus will hold a pancake supper at St. William's parish Wednesday, May 21 from 5 to 8 p.m.

Miss Wendt, daughter of the Ed Wendts, of North Wixom road will return home from Washington, D.C. to visit with her parents for one week.

Around the West Shore

West Shore Column Starts

Editor's Note: A new correspondent's column begins today in The Novi News. Written by Mrs. Harper Dunlap, 144 Rexton, it will cover events in the growing area on the west shore of Walled Lake in Novi township. Local news items or tips on feature stories and pictures may be phoned in to Mrs. Dunlap at Market 4-3200.

Mrs. Harper Dunlap

Mr. and Mrs. Don Woodward, Mrs. William Van Gordon, Mr. and Mrs. Harry Ramey and Mr. and Mrs. Lumsden, friends of the Ramey's, attended a square dance at Berkley high school recently.

Charles Jones, son of Mr. and Mrs. Maxwell Jones of West Lake drive, will start his studies in September at Concordia Seminary in Milwaukee for the Lutheran ministry.

Friday, May 9, Miss Pat Graham, Miss Darlene Harkless and Miss

Muriel Van Gordon gave a bridal shower at 260 Northaven for Miss Shirley Harkless, who will be married July 26 to Jerry Harter.

Mr. and Mrs. William Van Gordon spent last week end visiting Mrs. Van Gordon's family in Manistee. They stayed with Mr. and Mrs. Fink, Mrs. Van Gordon's parents.

Mr. and Mrs. Bill Turner are the parents of a new daughter born April 30 at St. Joseph's hospital in Pontiac. Phyllis Ann was born at 5:45 a.m. and weighed eight pounds, eight ounces.

Mr. and Mrs. Emil Arbour of Northaven had as their guest, Pat Jones of Ferndale. Pat attended the graduation play at Walled Lake high school with the Arbour family.

Jack Brace from Muskegon visited Mr. and Mrs. Burt Fisher of Northaven last Thursday, then went on to attend a realtors' meeting in Birmingham.

Mr. and Mrs. Harper Dunlap accompanied by Mr. Skinner, Mrs. Dunlap's father, visited Mr. and Mrs. Wendell Steele in Highland Thursday evening.

Friday, May 16 at the Walled Lake high school elementary school Don Woodward and Henry Ramey will give instructions in square dancing.

Sunday, May 18, residents of the subdivision will join together to paint the dock and diving raft for the subdivision.

George Pulford returned home last Monday from a business trip for St. Matthew's Lutheran church in Walled Lake. Mr. Pulford spent four days in Sebewaing, one day in Kinde and two days at Port Hope.

Questions and Answers
On Proposed Novi Charter

The 100 or more persons who attended Thursday night's charter hearing had some penetrating questions on their minds. Here are some of the queries tossed at the charter commission and some of the answers which it in turn tossed back.

Q. Should not the clerk, treasurer and possibly other officers be elected rather than appointed? Wouldn't this make them more responsible to the public?

A. This would be unwieldy. Such officers then could be removed only by a lengthy, expensive public recall rather than simply by firing them. In addition the public has control over them through the elected council. Besides, these officers should be directly responsible to the council.

Q. Shouldn't all appointees be residents of Novi?

A. Some appointed jobs (attorney, public works superintendent) require special training. What if no one in Novi has the requirements? And what if no one in Novi wants the job?

Q. What does a village manager do?

A. He handles everyday village business, carries out the council's decisions, and generally does what the township supervisor now does — with approval of the council.

Q. Why not elect councilmen by districts or wards instead of at large, so as to prevent the more populous areas from controlling the council?

A. It would be hard to tell where growth is coming and where to establish such wards. Representation will take care of itself, if candidates get out and campaign as they should. (An informal show of hands favored at-large balloting by about 25-6.)

Q. Why not have an elected president instead of appointing him? Wouldn't an appointed president be subject to ouster in a dispute?

A. No. Once he's appointed, he can't be ousted from the two-year term.

Q. As for roads, wouldn't a lot of the expected income have to be spent on equipment?

A. Yes, but it could be spread over a period of years. Technically, the money can't be used for buying equipment — only maintenance. But the village could buy it out of general funds and then rent it to itself, paying the rent out of road money. It all amounts to the same thing.

Q. Wouldn't the township lose the \$17,000 in road money that it now gets?

A. Yes, but the village would gain it — plus another \$48,000 from the state.

Mrs. Woodruff Heads City Democratic Club

Mrs. C. E. Woodruff was named Monday to head the newly-formed Northville Democratic club.

Some 2 persons attended the meeting and passed a resolution allowing

Herbert Koester to be named secretary-treasurer. Koester is a Novi resident, but his home on Eight Mile is a few feet outside Northville. The club's next meeting will be held June 2 in the UAW-CIO hall.

190 Attend Banquet

Approximately 190 members and wives heard United States Representative Alvin Bentley speak at the annual Presbyterian Men's club Ladies' Night banquet last Thursday.

Rep. Bentley reviewed the importance of the Arctic region and all discussed the proposed Summit talks between Russia and the United States. He forecast little change in the U.S.-Russia relationship from either side. Rep. Bentley also allowed a long period at the close of his address to questions from the floor.

Chairman of the program was President Ed Langtry, while John Workman introduced the speaker.

Births

Mr. and Mrs. R. C. Ritchie of Dubuque street announce the birth of a girl, Barbara Anne was born May 12 at Mt. Carmel hospital and weighed six pounds and 12 ounces. The Ritchies also have two boys, Douglas and David.

REPENTANCE
IS NEEDED

There seems to be a shying away from the preaching of Repentance in these days. Even among churches which profess to be true to the Word there seems to be a soft peddling on this prerequisite of salvation. In Acts 17:30 "And the times of this ignorance God winked at; but now commandeth men everywhere to repent." Again in Luke 24:47 "And that repentance and remission of sins should be preached in His name among all nations." Repentance is the conviction of sin, it is condition for and the confession of our guilt before God. We must change our minds about ourselves, about our sins and about the need of a Saviour. By way of an example, suppose a man was a bank robber. He hears the Gospel and wants to become a Christian. Surely he cannot become a Christian and continue to rob banks. Neither can anyone else become a Christian as long as they wish to continue in their sins. They must come to the place where they will label sin what God labels sin. They must be willing, by God's enabling power, to set it aside and to live in God's way of right living. This determination is called "Repentance" and precedes salvation as a decision to be married precedes the marriage ceremony.

1-CARD OF THANKS

I wish to thank my many friends for their kindness, flowers and cards sent me while I was in the hospital.

Mrs. Arthur Mitchell

We wish to thank the many friends, neighbors and relatives for the many acts of kindness and for the cards and beautiful flowers received during the illness and death of our beloved husband and father. Special thanks to Rev. Cargo, the Casterline Funeral Home and the Masons.

Mrs. Arthur Junod and Family

Johnny Long Opens Walled Lake Season

The grand opening of the dancing
season at Walled Lake Casino ball-
room takes place this Saturday with
Johnny Long and his orchestra.
There will be dancing on Saturday
nights only through May 31. Begin-
ning Friday, June 6, there will be
dancing every Friday and Saturday.
Among the name bands that will
appear at the ballroom this year
are Tommy Dorsey's orchestra, di-
rected by Warren Covington, Tex
Benke, Russ Carlyle and the Glenn
Miller orchestra directed by Ray
McKinley.

On Dean's Honor Roll

Rick Atchison, son of Dr. and Mrs.
R. M. Atchison, 322 South Rogers,
and Bill Hilt, son of Mr. and Mrs.
Lawrence Hilt, 46501 West Main,
were named to the dean's scholastic
honor roll for the third grade month
of the second semester at Kemper
Military school in Boonville, Mis-
souri.

Hilt, a high school freshman at
Kemper, also received the high rat-
ing of two in elementary algebra in
the Central Missouri district high
school interscholastic contests at
Central Missouri State college. He
competed against high school stu-
dents from a large section of Mis-
souri.

Notice of Last Day Of Registration OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT

WAYNE, OAKLAND AND WASHTENAW COUNTIES,
MICHIGAN

To the Qualified Electors of said School District:

PLEASE TAKE NOTICE that the Annual School Election of the
Northville Public Schools School District, Wayne, Oakland and
Washtenaw Counties, Michigan, will be held on Monday, June 9,
1958.

Section 532 of Chapter 8 of the Michigan School Code pro-
vides as follows:

"The inspectors of election at any annual or special election
shall not receive the vote of any person residing in a regis-
tration school district whose name is not registered as an elec-
tor in the city or township in which he resides . . ."

THE LAST DAY on which persons may register with the appro-
priate Township Clerk or City Clerk in order to be eligible to vote
at the Annual Election to be held on Monday, June 9, 1958 is
MONDAY, JUNE 2, 1958. Persons registering after 5:00 o'clock
p.m., Eastern Standard Time, on the said Monday, June 2, 1958
are not eligible to vote at said Annual Election.

Under the provisions of the Michigan School Code, registra-
tions will not be taken by school officials and only persons who
have registered as general electors with the township clerk of the
township in which they reside or the city clerk of the city in which
they reside are registered school electors. Persons planning to reg-
ister with the township or city clerks must ascertain the days and
hours on which the clerks' offices are open for registration.

This notice is given by order of the Board of Education of
Northville Public Schools School District, Wayne, Oakland and
Washtenaw Counties, Michigan.

Robert H. Shafer, Secretary
Board of Education

Dated this 30th day of April, 1958

AT THE PENTAGON — On a four-day trip to Washington, two safety patrol leaders are shown a model of a Michigan-built Jupiter C missile by Secretary of the Army Wilber M. Brucker. Left to right are Gary Lee Stobbe, Main Street school, Northville, and Douglas Sutherland, Smith school, Plymouth. The 100-member delegation from Michigan joined 30,000 patrollers from United States and Canada at 22nd AAA National Safety Patrol Rally.

German Named Jaycee President

Robert M. German will head the Northville Junior Chamber of Commerce during the coming year. German and other new officers will be installed at a banquet late next month or early in July. They include: Charles Lapham, vice president; Tom Stanford, secretary; Paul Steuckle, treasurer; Charles Ely, Jr. and Dave McElravy, directors. State Vice President Don Miliken of Dearborn township was a visitor at the election meeting, his last official visit before the state Jaycee convention in Grand Rapids this week end. The Jaycees will meet tonight (Thursday) at 8 p.m. in the scout hall. Officers have invited young men between 21 and 35 who live or work in the Northville area to attend. Latest project of the Northville Jaycees has been the painting and landscaping the scout hall as part of the city-wide clean-up campaign.

Registration Starts

Kindergarten registration for Novi schools begins today. From now until June 4, parents will be able to register their children from 9 a.m. to 3 p.m. daily at the Novi school office. Parents should take proof of their child's birth date when they go to register. To be eligible for kindergarten next fall, children must reach their fifth birthday by next December 1.

FLOWERS FOR THE TEACHER — Education Day was observed in Northville Thursday when the VFW auxiliary presented corsages and buttonieres to 79 teachers at Northville schools and Our Lady of Victory school. Here, Alvin Skow takes time out from his high school class to accept a buttoniere from Mrs. Dorothy Perry, president of the auxiliary.

Visits Paris

A visit to Paris, France was recently enjoyed by Specialist Second Class and Mrs. Warren Battle, who are now living in Nuremberg, Germany where Warren is stationed. Mrs. Battle is the former Darlene Nagel, daughter of Mr. and Mrs. John Nagel of Six Mile road.

By the Sea at the Senior Prom

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Thursday, May 15, 1958—9

Tom Weidner and Penny Graham pause for a look at the decorations

Under South Sea palms, the Northville senior class set out Friday night on the path toward graduation next month. It was the Senior Prom, and for a night the community building became a Polynesian paradise of sandy beaches and flowery coves.

Scores of young couples in formals and dinner jackets danced to the music of Jack Braun, whose orchestra played in the shadows of a huge sea shell.

They walked along a tropical beach studded with driftwood and shells, and sipped punch served from a bowl of ice imbedded with flowers.

Senior President Jim Hammond and Julie Older led the grand march under a sky of fish netting. The march was joined by chaperones and members of the administration, faculty and school board.

Two days later, the seniors gathered again and left for their annual trip to Washington and New York. After their return today, they will continue with the traditional round of activities that will complete their high school days early in June.

Linda McKinney and Joe Gotro chat with friends above.

Punch time for Jackie Campbell, Ardyce Atwood, Jo Ann Schollett, Mary Hill and Bill Yabne.

Dance floor was crowded most of the evening

Barbara Mapes and Jim Strange in flowered corner at far left.

Janet Malott and Mike Willis on the beach at left.

His Photo's a Winner, But It Wasn't Easy

AWARD WINNER — This striking photo of Greenwich Village at night won an honorable mention for Harold Hartley, Jr. in the annual National Scholastic Arts competition. Harold, 16, is the son of Mr. and Mrs. Harold Hartley, 602 Randolph street.

Prize-winning photographs don't come easy.

For Harold Hartley, Jr., who this week was named a winner in the National Scholastic Arts competition, there were two especially trying moments.

One was last summer, when he took his award-winning photo of a Greenwich Village street at night. To get it, he set up his camera on a tripod and perched precariously atop a fire hydrant, waiting for the right scene to unfold.

"I stood there awhile, taking different shots," he said. "Suddenly I looked down, and there a few feet away was another photographer — taking a picture of me!"

The second bad moment came last week when contest judges notified him that he had won a prize but that they had not received his biographical sketch and negative. Unless they were submitted pronto, Harold would lose out.

Harold and his parents were certain the material had been sent off but double-checked anyway. As they searched futilely a second telegram came from New York: the sketch and negative had been found.

Harold's photo is one of 675 artistic works which won awards in the 1958 competition. They were culled from more than 100,000 entries across the nation.

It will be on exhibit at New York's Rockefeller Center next month.

The Greenwich Village photo was one of three which took prizes for Harold in the regional competition in Detroit two months ago. The others were scenes of a New York subway platform at night and a Northville Merchants baseball game at Cass Benton park.

Harold, a student at Northville high school, shoots and processes photos for The Record (including the Senior Prom pictures on page 9). In addition he does commercial photography, including wedding and baby portraits.

With one contest out of the way, Harold now is awaiting results of the national Kodak competition for high school students. He's already been notified that one of his photos is a winner and should know the final results any day now.

Harold Hartley, Jr.

in home after home after home...

there's always plenty of hot water

the new electric water heater way

In home after home there's a new electric water heater. And the families in these homes enjoy all the hot water they want.

You can be confident that an electric water heater, plus Edison's new Super Supply Plan, will provide round-the-clock hot water for all your family's needs, too. Then you can plan your day more efficiently—do the laundry, wash dishes, schedule showers when you want to.

Here's the convenient, modern way to GET IT HOT... GET A LOT for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

- ☒ Efficient—the heat goes into the water
- ☒ Fast—new, more efficient heating units
- ☒ Install anywhere—need not be near a chimney
- ☒ Outer shell—cool to the touch all over
- ☒ Long life—meet Edison's rigid standards
- ☒ Edison maintains electrical parts without charge
- ☒ Automatic—all the time
- ☒ Safe—clean—quiet—modern

Batter Up for Novi Little League

The Novi Little League — which again numbers more than 90 young ballplayers — will begin its second season tonight. The National Bank Bandits and Young Door Tigers will lift the lid on the 1958 season when they square off at the Novi school diamond at 6 p.m.

From now until August 13, four

teams will meet headlong in 52 games — 26 apiece — in the championship race. At season's end, they will vie in a miniature world's series.

Little has been changed since Novi's Little League came into existence last year. The teams again will be sponsored by National Bank of Detroit, Fiberglas, Young Flush

Door and Paragon Construction. Bill Hansor is again serving as president and treasurer. He is assisted by John Springer, vice president; Ken Rippey, secretary; John Williams, players' agent, and Lester Ward, umpire in chief.

(For team rosters, managers and assistant managers, see below.)

Two minor league teams will compete in a regular schedule again

this year. The General Filters team will be managed by Williams, with Matt Staman scheduled to manage a squad sponsored by Trickey's Hunting and Fishing.

The rejuvenated Novi diamond will be busy every Monday through Thursday with all games scheduled for 6 p.m.

Last year, Paragon took the regular season title, with Fiberglas a close second. But in the post-season playoffs, Fiberglas turned the tables and walked off with the crown.

Tryouts and practice sessions began three weeks ago with more than 100 boys turning out. League officials then set up the teams so as to make competition as keen as possible and to give all interested boys a chance to play.

Little League, a world-wide program, is for boys eight through 12 years. Teams are limited to 15 players, and games are conducted under strict rules of play and sportsmanship.

NIPPED BY A STEP — Gary Morgan nearly beats out a drive to third in Monday's game against Holly. But the ball reached first a split-second before he did. Holly scored four times in the last inning to take it, 7-2.

Mustangs Split 3 Close Ones

A last inning rally by Holly broke up a tight duel between two pitching giants Monday and ended the Northville Mustangs' three-game winning streak.

Northville's Jeff Goodrich and Holly's George McDaniel — who both top 6' 8" — were even-steven until the Broncos pounced on the

Thinclads Do Better, But Bow in Close One

Northville put on its best track showing of the year last week Wednesday, but tumbled to Bloomfield Hills and West Bloomfield in a triangular meet.

Dick took in the 440 and broad jump, and tied for first in the high jump to lead Northville's point-getters. Northville's only other first came from N. C. Schrader in the shot put.

Other points were registered by Dick Stuber (second in broad jump), Hugh Crawford (third in broad jump and third in the 100), Bill Yabne (second in 880), Spike Walker (fourth in shot put), Larry Clark (third in low hurdles), Roger Cheeseman (fourth in low hurdles), Kent Frid (fourth in 220), Dick Ritter (third in mile) and the 880 relay team (second).

tiring Goodrich for four runs in the seventh.

Northville got one back in its half of the inning, but the final score read 7-2 against them.

Goodrich was his own biggest gun at the plate as he walloped a long home run in the fifth to score the Mustangs' first run.

Last week, Goodrich and Joe Kritch teamed up to give Northville two tight wins.

Kritch had to go into extra innings against Oak Park before winning. It was his own single that drove in Bill Boyd with the winning run. Kritch, Northville's most effective pitcher to date, allowed but five hits in his nine-inning stint.

Goodrich placed up his win with a six-hitter against Brighton, setting the Bulldogs down 4-2 and fanning eight of them in the process.

Bob Starnes led the Mustang attack, slamming out a triple and single. Goodrich added two safeties as the Mustangs hung up one run at a time.

Northville now has a 5-5 season's record and a 4-3 showing in league play. After today's game against West Bloomfield, only two more league contests remain on the conference schedule for Northville.

The Mustangs end their year against Plymouth a week from Tuesday on their home diamond at Cass Benton park.

Golfers in Tourney After Splitting Two

Northville's golf squad heads into the regional tournament this Saturday, with the league and state tournaments scheduled for next Thursday and Saturday.

Last week, the Mustangs all shot in the 40's to take a triangular match from West Bloomfield and Bloomfield Hills, 180-188-192. Medalist Bill Chizmar had a 42.

On Monday, the Mustangs were dropped by powerful Milford, 197-174. Mike Eastland was medalist.

Sports

Gals in Action

Northville's newly-formed girls' softball team will get into action this afternoon in a practice game against Garden City.

The game will start at 6 p.m. on the diamond at the foot of First street.

Three positions on the 18-girl Inter City league team are still open. Tryouts can be arranged through Stan Johnston, 576-J.

C. A. Smith of Smith Products in Northville, has signed up to sponsor a share of the team but Johnston said at least one other sponsor is needed.

Hoffman-McAllister

Lead Doubles Tourney

C. A. Hoffman and Bill McAllister, both of Northville, topped all bowlers in Northville Lanes' double tourney as competition approached the halfway point.

Hoffman and McAllister racked up a score of 1315 last week to take a slim one-pin lead. Northville Lanes is offering a total of \$500 in prizes with a top prize of \$300. The handicapped tourney runs until June 30.

To Present Show

The famed Oakland County Sheriff's Posse will present its eighth annual day-long horse show May 25.

Catholic Charities Week To Aid Northville School

Catholic Charities Week, being observed for the first time in the Archdiocese of Detroit, begins Sunday, May 18.
Among institutions which benefit from Catholic Charities is Our Lady of Providence school on Beck road south of Six Mile in Northville. The school is for retarded girls.

HOW CHRISTIAN SCIENCE HEALS

The 29 other organizations which will benefit are located in the counties of Wayne, St. Clair, Macomb, Lapeer, Oakland, Washtenaw and Monroe.
With the theme "and thy neighbor as thyself" as a backdrop events of the week will include spiritual exercises, charities dinner and various interpretive tours and open house programs at the social agencies.

from the PASTOR'S STUDY

By The Reverend Paul M. Cargo,
First Methodist Church of Northville

TURNING THE SHADOW

"Seek him that maketh the seven stars into the morning . . . the Lord is his name."
Amos 5:8

To be introduced to the mysteries of the heavens is a great experience. If one can locate a few constellations in the sky and find the Big Dipper and the North Star he begins to feel that all is not utterly strange above. The seven stars are the Pleiades, the seven sisters of ancient myth, while Orion, the hunter, is plainly seen with his wide belt and dagger formed by the pattern of the stars. The God of the Universe is the one that turns the shadow.

(1) He turns the shadow of darkness into the light of His judgment. Would we really prefer a world in which wrong did not produce certain and very understandable consequences, a world in which men might deal unjustly and cruelly with one another and do it with impunity, a world in which there would not be a judgment on men's defiance of God's will? With God a man knows where he stands! Yet judgment is not the last word. Redemption is. God's great purpose for us

is not that "we should perish, but have everlasting life."

(2) He turns the shadow of sin into the beauty of Christian character. Billy Sunday came from the gutter to occupy the place of an evangelist. Delia Loughlin of the Mott Street opium den, New York, became the humble, pure-hearted Christian worker. God's grace functions in a marvelous way. "Though your sins be as scarlet, they shall be white as snow; though they be red like crimson, they shall be as wool."

(3) He turns the shadow of doubt and despair into the glow of certainty and hope. It is written, And I, if I be lifted up, will draw all men unto me." When you lift up Christ, exalt him in your life. He will bring you from the shadows to Himself.

I once came upon a Church in Detroit named "The Church of the Morning Star". I like that. Not the Church of the Evening Star, or the Church of the setting Sun, but The Church of the Morning Star that speaks of light and the day and the dawn, of the fullness of God's light brought to bear on some shadow of sin, or fear, or doubt.

"Seek him that maketh the seven stars into the morning . . . the Lord is his name."

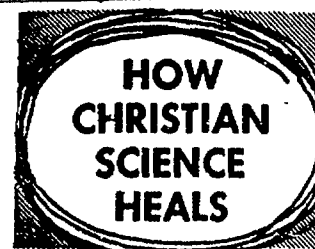

VISITOR FROM BOMBAY — K.N.M. Pillai (right), feature editor from the U.S. Information Agency in Bombay, India, dropped by at The Record office Saturday for a look at how an American weekly newspaper is run. Pillai is visiting cities from coast-to-coast, and has stopped off at such newspapers as the New York Times and Pulitzer prize-winning Little Rock Gazette. The Record is the only weekly paper he will visit. With Record Publisher William C. Sliger (left) is Richard Horton, 846 Grace, of the Ford Motor company, which sponsored Pillai's visit to Detroit.

Local Students in Cast Of 'The Merry Widow'

The naughty Can-Can, the spirited Moravian dance, and the beautiful waltzing melody of "Velia" will be held again this week end in Mercy college's production of Franz Lehár's musical "The Merry Widow".

Three night performances — Friday, Saturday and Sunday at 8:30 — matinee Saturday at 2:30 p.m. have been scheduled in McAuley auditorium on campus, 8200 West Outer drive.

Included in the 85 active members of the cast are: Patricia Madigan, 42777 Eight Mile, and student nurses at Northville State hospital.

NOTICE OF PUBLIC HEARING ON THE PROPOSED AMENDMENT TO ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE

Please take notice that the Northville Township Zoning Board will hold a public hearing on Tuesday evening, May 20, 1958 at 8:00 o'clock P.M. in the Northville Township Hall for the purpose of hearing and considering a proposed reclassification of an approximate 5-acre parcel of land located on the West side of Haggerty Road with a frontage of approximately 380 ft. thereon and 300 ft. approximately North of the intersection of Haggerty Road and -5 Mile Road, from an R-1-F Small Farms district to an C General Commercial district for the specific purpose of establishing and constructing a Convalescent Home thereon.

The above proposal may be examined on any week day during the hours of 1:00 P.M. to 5:00 P.M. at the Northville Township Hall.

This notice is given pursuant to Act 184 of Public Acts of 1943 as amended.

NORTHVILLE TOWNSHIP ZONING BOARD
Robert H. Shafer, Chairman
Members:
J. Ralph Gibson
J. Martin Miller
Harold B. Putnam

NOTICE OF PUBLIC HEARING ON PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NOVI, MICHIGAN

NOTICE IS HEREBY GIVEN that a Public Hearing will be held on a proposed Amendment to the Zoning Map and Text of the Zoning Ordinance of the Township of Novi to include the following proposed changes:

(a) To change the east one-half of the N.W. 1/4 of Section of Section 9; the N. E. 1/4 of Section 9; that part of the S.E. 1/4 of Section 9, north of a line 1200 feet north of and parallel to the centerline of Twelve Mile Rd.; and the east 1/2 of the S.W. 1/4 of Section 9, north of a line 1200 feet north of and parallel to the centerline of Twelve Mile Road, to be changed from an R-1-F and AG District to an M-3 General Manufacturing District.

the first paragraph of Section 3.23 to allow signs along the Brighton - Farmington Road subject to certain prescribed conditions.

This hearing will be held at 8:00 o'clock p.m. Eastern Standard Time at the Township Hall, located at 28580 Novi Road, May 26th, 1958.

NOTICE IS FURTHER GIVEN that a copy of the Map and Text may be examined at the Township Hall during the office hours each Monday through Saturday, until the date of the Public Hearing.

THE TOWNSHIP OF NORTHVILLE

SECTION 1

Before work is commenced on the construction of a private swimming pool or wading pool or on any alteration, addition, remodeling or other improvement to a swimming pool or wading pool, an application for a permit to construct and the plans and specifications and pertinent explanatory data shall be submitted to the Building Inspector for his approval, and no part of the work shall be commenced until the Building Inspector has granted such approval by a written permit to construct and has further evidenced its approval by a suitable endorsement

upon such plans and specifications. An inspection fee shall be paid in an amount determined by the schedule established for building permits by resolution of the Township Board.

SECTION 2

For the protection of the citizens and general public, all private swimming or wading pools now existing, or hereafter constructed shall be completely enclosed by a substantial wall or fence of not less than four (4) feet in height. Such wall or fence shall be so constructed so as not to have openings, holes, or gaps larger than four (4) inches in any dimension, except for doors and gates, provided, however, if a picket fence is erected or maintained, the horizontal dimension between pickets shall not exceed four (4) inches. A dwelling house or accessory building may be used as part of such enclosure. All gates or doors opening through such enclosure shall be equipped with a self-closing and self-latching device for keeping the gate or door securely closed at all times when not in actual use, except that the door of any dwelling, which forms a part of the enclosure, need not be so equipped.

SECTION 3

Electric service conductors and other overhead wires shall be located a minimum of twenty (20) feet above the topmost grade of the pool.

Existing conductors shall be re-routed, if interference is unavoidable, either overhead to avoid confusion or installed underground.

Any electrical outlets or appliances or devices shall be water-proof and grounded in accordance with prevailing "Electrical Codes," if installed or used within eight (8) feet of the perimeter of the pool.

SECTION 4

All swimming or wading pools hereafter constructed shall be placed not less than ten (10) feet from any rear lot line, or side lot line, and in the rear yard of the premises. Side lot line, rear lot line and rear yard, shall be given the same meaning in this Ordinance as defined respectively in Sections 1.37, 1.38 and 1.60 of the Zoning Ordinance of the Township of Northville, as amended.

SECTION 5

The several provisions of this Ordinance are declared to be severable and the holding as invalid of any section or provision hereof, shall not impair or invalidate the remaining sections or provisions hereof.

SECTION 6

Any person, firm or corporation who shall fail to comply with any of the provisions hereof, shall upon conviction thereof, be subject to a fine of not more than \$100.00 or imprisonment in the Detroit House of Correction in the discretion of the Court for a period not to exceed ninety (90) days, or by both such fine and imprisonment in the discretion of the Court, unless otherwise provided in this Ordinance.

SECTION 7

The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect thirty (30) days after final enactment and publication.

Made and passed by the TOWNSHIP BOARD of the TOWNSHIP OF NORTHVILLE, MICHIGAN, this 6th day of May A.D., 1958.

NORTHVILLE TOWNSHIP BOARD

Mollie Lawrence, Supervisor
Countersigned:
D. J. Stark, Clerk

IT'S A START - Northville's new high school began taking shape last week with the erection of walls for the power plant wing. Also in the wing will be driver training headquarters and manual training shops. Work is coming along well on other buildings at the North Center street site.

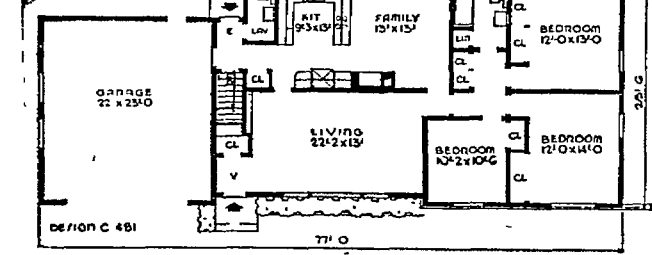

Planning Bedroom For Better Study

A child's bedroom can be conducive to study and concentration, or it can be a distracting influence. Children usually receive better grades in school when their bedroom offers a quiet, restful atmosphere for both study and sleeping. A child's room should contain ample storage for toys and games, so that they may be put away during study hours. Several storage plans designed specifically for youngsters' rooms are available.

The decor of the room should be cheerful without being distracting. Figured wallpaper or cowboy and Indian murals steal the child's attention from his textbooks.

A SMALL HOUSE PLANNING BUREAU DESIGN NO. C-481

DESIGN C-481. This plan features a large family room and a modern kitchen with built-in oven range and adjustable charcoal broiler. A lavatory is located at the rear entry, and there is a back entrance to the double garage and a covered rear stoop.

Three bedrooms with wardrobe type closets, the main bathroom and hall storage closets comprise the sleeping area. There are built-in book shelves near the front vestibule, and a full basement is included.

The exterior combines pleasing contrasts between board and batten siding framing the front entrance and living room, stone planter and wainscot wide horizontal siding and low pitched asphalt shingles. Floor area is 1480 square feet, cubage 27,380 cubic feet.

For further information about DESIGN C-481, write the Small

House Planning Bureau, St. Cloud, Minnesota.

Homeowners may gain additional bedroom space by converting an attic, garage, porch or breezeway. Because part of the structure already exists, such conversions can often be made by the average do-it-yourselfer in a couple of week ends at moderate cost.

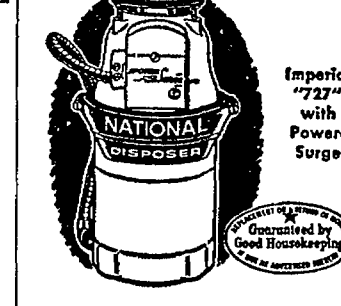

Bedroom additions are increasing in popularity, because they substantially increase the resale of the home. When carefully planned, these enhance the exterior appearance of the home which increases its market value.

Northville Township Electrical Ordinance No. 9

ORDINANCE NO. 9

AN ORDINANCE FOR SAFEGUARDING LIFE AND PROPERTY BY REGULATING AND PROVIDING FOR THE INSPECTION OF THE INSTALLATION AND MAINTENANCE OF ELECTRICAL WIRING, ELECTRICAL DEVICES AND ELECTRICAL MATERIAL; TO PROVIDE FOR THE LICENSING AND REGISTRATION OF ELECTRICAL CONTRACTORS AND THE LICENSING OF JOURNEYMEN ELECTRICIANS IN THE TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN; TO PROVIDE A RECIPROCAL ARRANGEMENT FOR THE RECOGNITION OF EXAMINATIONS AND LICENSES ISSUED BY OTHER MUNICIPALITIES IN THE STATE OF MICHIGAN VOLUNTARILY COOPERATING IN THE ENFORCEMENT OF THIS ORDINANCE; TO PROVIDE A PENALTY FOR VIOLATIONS THEREOF.

The TOWNSHIP of NORTHVILLE ordains:

SECTION 1 ELECTRICAL INSPECTION

A. The Northville Township Board hereinafter called the Inspection Authority shall have and hereby is given jurisdiction, subject to review as hereinafter provided, over the inspection of all electrical installations, including changes, repairs and additions thereto within the Township of Northville, Wayne County, Michigan. The Township Board shall appoint an Electrical Inspector who shall inspect all electrical installations and report to the Inspection Authority. This jurisdiction shall apply to the installation of wiring devices, apparatus and equipment for connection to electricity supply systems having voltages over 30 volts, except as provided in Section 4.

SECTION 2 FEES FOR INSPECTION

A. When an application is made for a permit required under the terms of this ordinance, a fee shall be paid in an amount as prescribed by the Township Board of the Township of Northville.

SECTION 3 RIGHT OF ACCESS TO BUILDING

A. The Electrical Inspector and/or his deputy shall have the right during reasonable hours to enter any building in the discharge of his official duties or for the purpose of making any inspection or test of the installation of electric wiring, electric devices and/or electric material contained wherein and shall have the authority to cause the turning off of all electric supply and cut or disconnect, in cases of emergency, any wire where such electrical currents are dangerous to life or property or may interfere with the work of the Fire Department.

SECTION 4 PERMITS

A. No alterations or additions shall be made in the existing wiring of any building, nor shall any building be wired for the placing of any electric lights, motors, heating devices, or any apparatus requiring the use of electrical current at a potential over 30 volts, nor shall any alterations be made in the wiring in any building after inspection, without first notifying the Clerk of the Township of Northville and securing a permit therefor. Applications for such permit, describing such work, shall be made by the person, firm, or corporation installing same and permit when issued shall be to such applicant.

B. This section shall not apply to maintenance and repairs on the premises of a person, firm or corporation regularly employing qualified electricians for that purpose, nor such minor repair work as replacing fuses and snap switches, replacing flush, changing lamp sockets and receptacles, taping bare joints or repairing drop cords.

SECTION 5 INSPECTION

A. Upon the completion of the wiring of any building, it shall be the duty of the person, firm or corporation installing the same to notify the Clerk of the Township of Northville, who shall notify the Electrical Inspector to inspect the installation as soon as possible, and if it is found to be fully in compliance with this ordinance and does not constitute a hazard to life and property, he shall issue to such person, firm, or corporation for delivery to the owner a certificate of inspection authorizing connection to the electrical service and the turning on of the current. All wires which are to be hidden from view shall be inspected before concealment and any person, firm or corporation installing such wires shall notify the Clerk of the Township of Northville, giving sufficient time in which to make the required inspection before such wires are concealed.

SECTION 6 RE-INSPECTION

A. The Electrical Inspector may make periodically a thorough re-inspection of the installation in

buildings of all electric wiring, electric devices and electrical material now installed or that may hereafter be installed, within the Township of Northville and when the installation of any such wiring, devices, and/or material is found to be in a dangerous or unsafe condition, the person, firm or corporation owning, using, or operating the same shall be notified and shall make the necessary repairs or changes requiring to place such wiring, devices and material in a safe condition and have such work completed within fifteen days, or any longer period specified by the Electrical Inspector in said notice. The Electrical Inspector is hereby empowered to disconnect or order the discontinuance of electrical service to such wiring, devices, and/or material so found to be defectively installed until the installation of such wiring, devices and material has been made safe as directed by the Electrical Inspector.

SECTION 7 CONSTRUCTION REQUIREMENTS

A. No certificate of inspection shall be issued unless the electrical installation is in strict conformity with the provisions of this ordinance, the statutes of the State of Michigan, the rules and regulations issued by the Michigan Public Utilities Commission under the authority of the State statutes, and unless they are in conformity with approved methods of construction for safety to persons and property. The regulations as laid down in the National Electrical Code, as approved by the American Standards Association and in the National Electrical Safety Code, as approved by the American Standards Association, and in the rules and regulations established as hereinafter provided (Section 10, par. D) shall be prima facie evidence of such approved methods.

B. WIRING BY OWNER. Nothing contained in this ordinance shall be deemed to prohibit any person from installing, altering or repairing electrical wiring and apparatus in or on a single family residence owned and occupied by the person performing the work, provided the necessary permit for the electrical work has been secured. All the work done under the provision of this Paragraph shall be subject to inspection.

SECTION 8 APPROVED MATERIALS

A. It shall be unlawful to install or use any electrical device, apparatus, or equipment designed for attachment to, or installation on any electrical circuit or system for heat, light or power that is not of good design and construction and safe and adequate for its intended use. The Electrical Inspector shall have power to disapprove the use or installation of devices not fulfilling these requirements. Devices, apparatus and equipment approved by such generally recognized authorities as United States Bureau of Standards, Electrical Testing Laboratories of New York, or Underwriters Laboratories shall be held to have the approval of the Electrical Inspector unless explicitly disapproved by said Authority for reasons of faulty design and poor construction involving danger to persons and/or property.

B. It shall be the duty of the Electrical Inspector from time to time to inspect devices, apparatus and equipment offered to the public for use in installation to see that such items conform to the above requirements.

SECTION 9 RECORD AND REVIEW

A. The Clerk of the Township of Northville shall keep complete records of all permits issued and inspections made and other official work performed under the provisions of this ordinance.

B. When the Electrical Inspector condemns all or part of any electrical installation, the owner may within five days after receiving written notice from the Electrical Inspector or file a petition, in writing for review of said action of the Electrical Inspector with the Board of Examiners, upon receipt of which the said Board of Examiners shall at once proceed to determine whether said electrical installation complies with this ordinance, and within three days shall make a decision in accordance with its findings.

SECTION 10 LICENSE FOR ELECTRICAL WORK

A. It shall be unlawful for any person, firm or corporation to engage as an independent contractor in the installation, alteration, maintenance or repair of electrical wiring, equipment, apparatus or fixtures for light, heat or power purposes where the electromotive force exceeds 30 volts in or about buildings and/or structures located within the Township of Northville without first having procured a license. Persons making application must be 21 years of age, shall have held a license as a Journeyman electrician for a period of at least 2 years, and shall have passed a suitable

examination for Contractor's License. Persons, firms or corporations applying for Contractor's License must have at least one member of the firm with the above qualifications and experience or may have one or more men employed with the above qualifications and experience.

A Board of Examiners is hereby constituted consisting of the Electrical Inspector of the Township of Northville, a representative of the Detroit Edison Company, a licensed Electrical Contractor and a licensed Journeyman Electrician, and the said Electrical Contractor and Journeyman Electrician shall have had at least 10 years experience in electrical work. The members of said Board of Examiners shall be appointed by the Northville Township Board for such terms as shall be designated at the time of appointment. This Board shall examine all applicants for either Contractor's or Journeyman electrician's licenses. Applicants failing to pass will not be eligible for re-examination in any reciprocating Municipality for a period of thirty days. All applicants for licenses shall designate their legal address as the location of their residence in the case of Journeyman electricians, and their legal address as the principal place of business in the case of electrical contractors. All electrical contractors and journeyman electricians having their legal address within the corporate limits of the Township of Northville shall secure their license from the said Clerk of the Township of Northville.

The Board shall prepare the application blanks, prescribe the examination and meet at least once a month or on call of the Township of Northville to hold examinations. Due notice shall be given applicants of the date of examination.

B. It shall be unlawful for any person to engage in the occupation or trade of Journeyman electrician in the installation, alteration, maintenance or repair of electrical wiring equipment, apparatus or fixtures for light, heat, power or medical purposes where the electromotive force exceeds 30 volts in or about buildings and/or structures within the Township of Northville without having first taken the examination and obtained a license as herein provided. This provision shall not apply to helpers and apprentices, provided such work as they may do is performed under the direction and supervision of licensed Journeyman electricians who shall be on the premises at all times when such helpers or apprentices are performing such work on the premises.

All applications for said examination shall be in writing. The examination shall consist of an oral or written examination as the Examining Board shall determine, and such other practical tests in examination at the discretion of the Examining Board. Stenographic notes shall be taken of all oral examinations.

Minimum qualifications for examinations for Journeyman electricians shall be four years of practical experience. Time spent in trade school attendance shall be credited as apprentice experience. Four years in technical school and one year technical experience shall also qualify for examination.

C. The fee for an Electrical Contractor's license shall be \$25.00 per year. The fee for a Journeyman Electrician's license shall be \$1.00 per year. Licenses shall expire on December 31st of each year, and shall be renewed upon application by the licensee, together with the payment of the required fee. After March 1st all licenses not renewed shall be considered cancelled and may not be renewed except on approval by the Examining Board. Electrical Contractors' licenses and Journeyman electricians' licenses shall be issued by the Clerk of the Township of Northville upon recommendation of the Examining Board. Licenses issued under this ordinance shall be non-transferable and shall be displayed when requested. Electrical Contractors' licenses shall not secure permits for work to be done by any person not employed by said electrical contractor, and license may be revoked for violation of this rule.

No license shall be recognized by the Township of Northville unless such licenses are issued by a co-operating Municipality having an Examining Board.

The Township of Northville shall permit Electrical Contractors lawfully licensed by other municipalities of the State of Michigan to install, alter or repair electrical wiring, equipment, apparatus or fixtures for light, heat or power purposes within the corporate limits of the Township of Northville, upon payment of a One Dollar registration fee, provided that such municipalities reciprocate in recognizing Electrical Contractors who are duly licensed under the provisions of this ordinance by granting them the same privilege and charging the same uniform license and registration fees. Provided further, that the licensing ordinances are substantially equal to the requirements of this ordinance.

Journeyman electricians duly licensed by any municipality co-operating in the reciprocal arrangement shall be permitted to work in the Township of Northville without the payment of a registration fee; provided, however, that any Journeyman electrician doing work within the Township of Northville, and holding a license from a co-operating municipality, shall register with the Township of Northville.

No Electrical Contractor's license shall be recognized, for the purpose of registration, by the Township of Northville of applicants who maintain their principal place of business in a municipality which fails to approve, by affirmative action of its Legislative Body, the reciprocal and mutually interchangeable licensing arrangements covered by this ordinance.

Corporations applying for Electrical Contractors' licenses, whose principal place of business is not in the State of Michigan, may obtain such license from the Township of Northville upon approval by the Examining Board and the payment of the prescribed fee. Provided, that the applicant shall file a duly executed bond in the penal sum of \$1,000.00 running to the Township of Northville conditioned for the faithful performance and observance of the ordinance and rules and regulations made and approved as hereinafter provided by controlling the installation of electrical wiring and equipment. Such bond shall be a surety bond from a recognized and approved Surety Company authorized to transact business in the State of Michigan.

Any Electrical Contractor's or Journeyman electrician's license may, after a hearing, be suspended or revoked by the Examining Board having issued such license upon evidence presented that false statements have been made upon application for license or upon evidence presented that the person, firm or corporation holding such license willfully or by reason of incompetence repeatedly violates any rules and regulations relating to the inspection, maintenance, alteration or repair of electrical wiring, devices, appliances or equipment.

D. The Board of Examiners is hereby empowered and it shall be their duty to make such rules and regulations, concerning electrical work in the Township of Northville as may be required to properly provide for the situation therein. The rules and regulations so made shall be effective upon approval by the Northville Township Board, and shall take precedence over plans, specifications and National Electric Code Rules.

SECTION 11 EXEMPTIONS

The provisions of this ordinance shall not apply to the following:

A. The installing of radio receiving sets and equipment. (The installation of convenience outlets for power supply to a radio set shall be subject to such rules and regulations.)

B. This ordinance and its provisions shall not apply to apparatus and equipment installed by or for any public utility operating under jurisdiction of the Michigan Public Service Commission and used primarily for the generation or distribution of electric current or for signal or communication purposes.

SECTION 12 PENALTY

A. Any person, firm or corporation who shall fail to comply with any of the provisions hereof, shall upon conviction thereof, be subject to a fine of not more than \$100.00 or imprisonment in the Detroit House of Correction in the discretion of the Court for a period not to exceed ninety (90) days, or by both such fine and imprisonment in the discretion of the Court unless otherwise provided in this ordinance.

SECTION 13 REPEAL OF CONFLICTING ORDINANCES

A. All ordinances or parts of ordinances conflicting with the provisions of this ordinance are hereby

repealed. Should any section, subdivision, sentence, clause or phrase of this ordinance be declared by the Courts to be invalid the same shall not affect the validity of the ordinance as a whole or any part thereof other than the part so invalidated.

SECTION 14 LIABILITY

A. This ordinance shall not be construed to relieve from or lessen the responsibility or liability of any party owning, operating, controlling or installing any electric wiring, electric devices and/or electric material for damages to person or property caused by any defect therein nor shall the Township of Northville be held as assuming any such liability by reason of the in-

spection authorized herein, or certificate of inspection issued as herein provided.

SECTION 15 EFFECTIVE DATE

The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect thirty (30) days after final enactment and publication.

Made and passed by the TOWNSHIP BOARD of the TOWNSHIP OF NORTHVILLE, MICHIGAN, this 6th day of May, A.D., 1958.

SPEAKING

for the Record

By BILL SLIGER

One of the high points of the month-long "Beautify Northville" campaign will take place this Saturday when a city-wide collection of trash will be sponsored by the committee.

Several trucks acquired from local industry and the city will be manned by volunteers who will canvass the entire city. Anyone wishing to get rid of old building materials, brush, cans — in fact, almost anything except garbage — may leave it at the curb for pick-up.

All the energetic pick-up committee asks is that the trash is light enough to be lifted onto the trucks without mechanical help.

It would be a fitting climax to the fine efforts of the clean-up workers if everyone would make Saturday, May 17 "Clean-up Northville Day". Besides getting rid of all the old discards that have been cluttering up yards, attics, garages, etc., it would also show immediate results in the appearance of our community.

And think of the "fun" the volunteer pick-up committee will have!

* * *

Tom Carrington told us today that he can remember reading the records of the first assessor in the early days when Northville became a village. Largest assessment (this was around 1870) was \$39 and the lowest was 50 cents. Total collection was \$500.

* * *

June 20 is the deadline for contributions to the Claude N. Ely Memorial Fund. Purpose and details of the fund have been explained in news stories, but perhaps it hasn't been pointed out that contributions of any amount, large or small, are welcome. The committee has asked The Record to publish the list of those who give. Only the names, not the amount of contribution, will be listed. The grand total will be made public, of course.

Those interested in giving should do so as soon as possible. Use the coupon on page one of The Record, or go directly to the Manufacturers National Bank in Northville where an account has been opened.

Bracing For Inflation

Babson Park, Mass. — Because of the increased government expenditures for missiles, etc., there is much talk about more inflation coming. If Congress would accept the recommendation of the Hoover Commission, there would be no need of increasing the budget. We could save enough on unnecessary and wasteful spending to offset any increase in defense outlays. However, as all the Congressmen are up for re-election this year, there is little chance of their making these recommended savings.

Stocks As A Hedge

The general feeling is that stocks are the best hedge against inflation. Let us look at the record: — This talk about inflation started in 1951. Here is what has happened to eight stocks since then. But many readers will say that these are hand-picked. O.K., but let me follow this 1951-1957 list with a more recent one covering 12 other popular stocks with an average 1957 drop of 65-70 percent. In fact, the entire stock market declined about 20 percent. Surely, none of the stocks below would have been good hedges against inflation.

DECLINES VARIOUS WELL-KNOWN STOCKS 1951-1957

New Jersey Zinc
High 83% October 1951
Low 17 5/8 December 1957
Decline 79 percent

Masonite Corp.

LAND AS A HEDGE

A careful study of different forms of investment teaches me that raw land on dry ground ten miles or less from a small city or town has the best record as an inflation hedge. To secure such at the right price, it should be purchased before it is thought of for lots for development. However, even then, with roads, electricity, water and sewage, it gives one real security. This may be more important than profit. Such land or small farms just outside a town limit should be excellent hedges.

If you do not want to be bothered with the taxes and care of such land which you do not expect to occupy but are to hold for speculation your broker will name some land companies whose stocks are listed on a stock exchange. In fact, some railroads are worth more as land companies than as railroads. Some Canadian mining companies with valuable underground deposits of ore should also be good hedges against inflation if bought at low depreciated prices. They are off now about 50 percent — suffering from the big boom of a few years ago.

CASH IN THE BANK

Personally, I like best now putting my savings in the bank at 3 1/2 percent interest. Of course, your broker may tell you such bank deposits are poor hedges against inflation. It is true that the purchasing power of a bank account for food, clothing and shelter will decline as the cost of living increases. Therefore, I would not want to leave my funds in a bank account too long. But such a loss of interest or decline in purchasing power, over a few years, is not notable compared with the possible decline in stock prices during said period. When people ask me the best fertilizer for an orange grove I always say: "The footprints of the owner." Hence, I believe that the best of all possible land purchases for an inflation hedge is land adjoining what you now own. This you can watch and make more valuable. Of course, you would not buy land anywhere that you did not first see. There is much land "outdoors" and no reader will see anyone get a monopoly of it. In short, I believe inflation is slowly coming as it always has been; but it is nothing to get panicky about.

Michigan Mirror

Night Visitors at Northville State

GOVERNMENT economy has lost a few skirmishes but has won a major battle in Michigan.

When the dust cleared following the 1958 legislative session which stuck to reduced spending programs the lawmakers who hold the purse-strings seemed to have come out on top.

Dr. John A. Hannah, president of Michigan State University, was the first to announce revised plans for operation.

He made it clear that the more than \$1,000,000 cut from the 1957-58 budget crimped programs at the university; that the going would be tougher next year. He also showed continued concern over inability to prepare properly for increased student loads expected in the near future.

"But we still can operate a good university without major damage to our programs," he said.

Hannah predicted that less important programs and some of the services that are valuable but not basic can be dropped or reduced in scope to fit the budget cuts.

More agreement came from Dr. Albert E. Heustis, state health commissioner, whose budget cuts hurt his agency as much or more than they did some others.

Even programs as small (\$10,000) but important as the fight against "swimmer's itch" were abolished. Dr. Heustis called for all people to reconsider the impact of the taxpayer before complaining about less money to spend in state government.

"We should all do some soul-searching before throwing up our hands," he said.

Heustis' statements are important. He is an appointee of Gov. Williams, who has argued for years that the state should expand its services and levy taxes to finance them.

GOV. WILLIAMS' reasons for trying for his sixth consecutive term as chief executive made more news than the announcement of his candidacy.

No one was surprised when he said he would run. Anyone who didn't know it just hasn't been paying attention.

The stage was set months ago when Williams said that he and Lt. Gov. Philip A. Hart would run for senator and governor, but refrained from saying who would do what. Hart then announced for the U.S.

Senate seat now held by Senator Charles E. Potter, Republican. Senator John B. Swainson (D-Detroit) announced for Lieutenant governor.

That left Williams, Two years ago, he broke his traditionally long silence to announce he would go for his fifth term "to finish the job".

Now, pointing directly at Republican budget cuts, Williams said he wants a sixth term to prevent "Republicans from making a shambles" of state government.

Republicans, in a needling mood, said the line suggested Williams believes he has already "finished the job." Now he wants to protect the result, they say, which is the "shambles" and the unbalanced budget.

Republicans, sharpening their weapons for the campaign ahead, retorted that Michigan is broke and is running a deficit after 10 years of Williams' regime.

They criticized the governor's nationwide trips, his 10-day absence following the 1958 session and threatened to make the "governor's

symbol: the empty chair" a campaign issue.

INVESTIGATORS sent by the House to check on reports of mistreatment of mental hospital patients pulled a surprise night-time visit at Northville State Hospital. They found a 60-bed unit had been idle for months.

Hospital authorities said they lacked money to staff the unit, despite a finding that staff positions have not been filled from authorized money.

Rep. Harry J. Phillips (R-Port Huron) said the other major mental hospitals in the state would get surprise visits.

"We don't want them to doll the place up just for us," he said.

Here's why Plymouth, America's favorite family wagon, is

TODAY'S BEST BUY-TOMORROW'S BEST TRADE

You get more wagon for your money today...more money for your wagon tomorrow!

Any way you look at it, you can't find a better wagon buy than Plymouth! So big—it carries more, does more, provides more room for family fun. So beautiful—just look at those long, years-ahead lines. So economical—Plymouth is priced right in the low-price "3", yet you can't buy a bigger wagon at any price. And further proof: Plymouth beat every car in the low-price class in the 1958 Mobilgas Economy Run; Plymouth's second consecutive victory!

Get the biggest wagonload of value at a price far lower than you would expect. See your Plymouth dealer today.

FIVE BIG REASONS WHY YOUR NEXT WAGON SHOULD BE A PLYMOUTH

- 1. Biggest of the low-price "3".** Big as wagons costing thousands of dollars more. You can't buy a bigger wagon at any price!
- 2. Holds so much more than the "other two".** Over 7 cu. ft. extra passenger and cargo space. Optional "secret" luggage compartment available in 6-passenger models.
- 3. Rear-facing 3rd seat.** Folds flush into floor. You don't store it outside when it's not in use. Easy to enter, has convenient back step.
- 4. Disappearing rear window.** Rolls down into the one-piece tailgate. Doesn't jut out. Only on Plymouth wagons in the low-price "3".
- 5. Torsion-Aire Ride at no extra cost.** Only Plymouth has it in the low-price "3". No sidesway on turns...no nose-dive on stops.

They don't come any bigger than *Plymouth* station wagons

Complete the circle of safety...check your car...check your driving...check accidents
