

Plan Lutheran School Here; To Construct Building in 1959

Plans for the establishment of a Christian day school in Northville were announced this week by the Reverend B. J. Pankow of St. Paul's Lutheran church.

Approval was given by the congregation after unanimous recommendations from the Board of Christian Education, Board of Elders and the Church Council, Rev. Pankow stated.

While definite plans for construction of a school building have not yet been undertaken, a two or four

STAY UP THERE, PLEASE — Residents of apartments at 312-316 Griswold had some uneasy moments last Thursday when the top of a Detroit Edison 40,000-volt high line pole burned off and fell toward the roof of the building. Wires suspended it in mid-air, however. Edison crews worked until past midnight to put up a new pole and switch the lines over. Service was not interrupted.

Northville Women Third In State Bowling Tourney

Ten years of trying paid off last week end for five Northville women bowlers who captured third place in the state women's bowling tournament at St. Joseph.

The team, sponsored by Manica's Hotel and Bar, bowled a 2934 series to take the honor against 1,130 other teams entered in the Michigan tourney of the Women's International Bowling Congress.

The Northville team trailed the tourney winner by only 55 pins.

On the team are Mrs. Howard Beller, Mrs. Abie Bauer, Mrs. Harold Smith, Mrs. Clarence Schwab and Miss Ruth Brown.

Mrs. Beller took team honors with a 164-211-182 — 557 series. She had a 22-pin handicap to add to it.

Mrs. Beller and her teammates are awaiting complete results of the tournament. There's a good chance they may take other individual and team honors.

The tourney drew the top women bowlers in the state, including nationally-known Marion Ladewig of Grand Rapids. Mrs. Ladewig's team, bowling without a handicap, registered a 2810.

The Northville team bowled during the winter in the Thursday night women's league at Northville Lanes, losing out on the championship on the last night of competition.

This Thursday, the team will compete in the Champion of Champions tournament in Detroit.

Eaton Seeks House Seat Again

Sterling Eaton, Republican representative in the state legislature for the 21st district, this week announced his candidacy for re-election to office.

Eaton, former newspaper publisher and resident of Plymouth, represents Northville, Plymouth, Livonia and Redford township. In his first attempt to hold public office two years ago he defeated Harvey J. Beadle. As a member of the state affairs committee, Eaton was recently named chairman of a three-man study group to reorganize Michigan's racing laws.

His statement of candidacy follows: "After long consideration and serious deliberation, I have decided to

ask for re-election as state representative from Wayne county's 21st District.

"During the two years that I have served in the House of Representatives in Lansing, I was first amazed and then seriously alarmed at the shocking irresponsibility of the entrenched Democratic administration. In the past ten years, Michigan and the nation have generally enjoyed an unprecedented period of growth and prosperity. One then would normally suspect that Michigan would be in a solvent position and facing the future with confidence. But unfortunately, as we have all learned, this is not the case. "The State of Michigan today

room building will be constructed on the present church grounds for use in September, 1959.

According to Rev. Pankow, the school has been under consideration for two years. It will accommodate eight grades and the size of the building will depend on funds available.

Actually, it marks the re-opening for the local Lutherans. Less than a month after the founding of the congregation here in 1896 a school was opened. An excerpt of a historical survey prepared by the Rev. E. E. Rossow, former pastor of the church, states: "The young congregation, mindful of its duty toward the younger generation growing up, and conscious of the fact that 'the fear of the Lord is the beginning of wisdom', and that Christian training is the backbone of civilization, began conducting its first Christian day school with seven children on September 14, 1896."

Thus, more than 60 years later, St. Paul's has decided to re-establish the parochial school.

The Lutheran Church - Missouri Synod, with which St. Paul's of Northville is affiliated, maintains about 1,400 schools. Lutheran congregations in this area which support parochial schools are the following: St. Paul's at Eight Mile and Middlebelt; Faith at Five Mile and Middlebelt; St. Paul's (Wisconsin Synod) at Five Mile and Farmington; St. Peter's (Wisconsin Synod) in Plymouth, and St. Matthew's in Walled Lake.

Complete Plans For Optimist Rodeo

Details are being completed for the annual Rodeo and Junior Western Horse Show presented by the Northville Optimist club. The event will feature quarter horse races, steer roping, bronc busting and a full complement of western events.

A 21-inch color television set and bicycle will be given away to top off the day's entertainment. The event will be held at Northville Downs Sunday, June 15, beginning at 1 p.m.

The rodeo is the major financial venture of the year for the club. Profits from the program are used to sponsor educational and developmental activities for boys and girls in the community. Projects supported by the club in the past year include: baseball and basketball teams, scouting activities, forensic contest, Boys' State and Girls' State and other educational and recreational events.

Tickets for the rodeo are now on sale at Hobson's Soda Bar (formerly Paul's Sweet Shop) and by all members of the Optimist club.

Trash Pick-Up Thursday

The regular trash collection scheduled for Friday on the south side of the city of Northville will be made Thursday because of Memorial Day.

Grant Delay In Removal Of Trailers

Gerald avenue house trailer owners gained a delay to comply with a Wayne county board of health order to move Monday. At the same time the prosecutor's office ruled that the trailers could stay if the area meets the specifications of the state trailer park act.

The order to move was issued against three trailer owners last month after a complaint was signed by Jack Adelson of the Wayne county board of health. At a hearing before Justice E. M. Bogart Monday charges were dropped against R.J. Gravelle, who complied with the order by removing one of the three trailers on his property. Under the state act more than two trailers on a lot constitutes a trailer park.

William Hukill, who reportedly has seven trailers on his property, and Manuel Perez with three, were the other two defendants.

Justice Bogart granted a delay in the trial until July 14 after Attorney John Crandell, representing the defendants, indicated there had been definite steps taken to comply with the order.

A conflict in regulations appeared possible between a township ordinance and a ruling issued by an assistant prosecutor representing the county at the hearing. According to the prosecutor, the trailers may remain in any number so long as they comply with health regulations and the state act governing trailer parks. Earlier the township board had indicated it would enforce its ordinance prohibiting any trailers except on a 60-day permit basis. According to Justice Bogart, the state act takes precedence over the township ruling.

Applaud Rotary's Easter Seal Work

A certificate of appreciation was presented to the Northville Rotary club last week for its support of the 1958 Easter Seal drive.

The Northville area contributed \$1,302.71 during the month-long campaign to raise funds to aid crippled children and adults.

A letter sent with the certificate to Rotary President Edward Devine said:

"Under the leadership of Cyril Frid, an area chairman for the campaign as well as a member of our board of directors, and John Stuenkel, the chairman of your crippled children's committee, your community has responded generously to meet the needs of our handicapped neighbors."

The letter came from headquarters of the Easter Seal Society of western Wayne county.

Novi Teacher Honored On Eve of Retirement

A Northville woman was honored Sunday night on the eve of her retirement from teaching the fifth grade at Novi school.

Mrs. Douglas French, 46078 Frederick, will retire in June after teaching for 34 years, including 12 at Novi school.

She and her husband were guests of honor Sunday at a banquet attended by members of the board of education and several close friends. She was presented with an emerald ring, orchid corsage and other gifts.

Also honored was Mrs. George Atkinson, principal of Novi school, who will retire next month after 42 years of teaching.

City's Industrial Future Aired

A hopeful work about industrial expansion in the Northville area came this week from the Detroit metropolitan area planning commission.

The gist of it: Northville has expanded little in recent years but is in one of the most promising areas in metropolitan Detroit.

Manufacturing growth in the area between here and Detroit since 1950 has made it "one of the most important industrial cores in out- Wayne county," a commission report said.

The area referred to is the so-called "Detroit-Plymouth" industrial corridor — which includes Redford township, Livonia, Plymouth city and township, and Northville city and township.

Between 1950 and 1956, the number of plants in the area jumped from 141 to 209, and employment in those plants rose from 6,772 to 27,940.

But Northville itself saw little of the gain. In fact, the city and township showed a net loss in both number of plants and numbers of employees.

The city and township had 12 plants with 550 employees in 1950. In 1953, there were 10 plants and 733 employees. But by 1956, probably because of automation and post-Korea cutbacks in production, there were still only 11 plants and a meager 158 employees.

(The 1955-56 report does not include statistics on the burned-down Allied Products plant or the recently-vacated Ford Waterford plant, which together employed some 180 persons — indicating that Northville's employment had climbed considerably from the 1956 figure of 158.)

By contrast with Northville, Livonia and Redford township boomed. Livonia, during the six-year

period, gained 12 new plants and saw employment jump from 579 to 13,828. Redford township had 65 plants in 1950 and 125 in 1956, and employment rose from 428 to 6,044.

Employment in the city of Plymouth stayed roughly the same (1,622 employees in 1956) but the number of plants dropped from 37 to 28 (not including Daisy Manufacturing company's departure this year.)

Plymouth township more than doubled its plants (from 5 to 11) and employment increased from 3,534 to 6,288.

What all this means for Northville is difficult to say, especially since the report was more than a year old when issued.

On one hand, the commission concludes that plants are not moving out from Detroit as rapidly as they did in 1950-56.

But on the other hand, it concludes that the Detroit-Plymouth corridor has shown — and may still show — "the most significant gain in manufacturing employment in Wayne county."

Until now at least, Northville has been on the far end of this corridor and has not benefited from its growth.

But the time may come when the corridor includes Northville not only statistically but realistically — in terms of plants and jobs as well as in terms of charts and graphs.

Freddy Fox Is on TV

Freddy Fox is now a television personality.

His debut will come Thursday night when Outdoorsman Mort Neff shows films of the little fox on "Michigan Outdoors" over Channel 4 at 7 p.m.

Neff took pictures Sunday afternoon at the Wardell Lyke home, 46300 12 Mile, where Freddy is now a permanent resident.

The Lykes have had several dozen visitors and phone calls since the Record-News told in pictures last week how Freddy — a two-month-old and presumably wild fox — arrived at the Lyke household and struck up a friendship with a big young collie named Teddy.

Ceremonies Planned at Cemeteries

Northville will honor its dead of three wars Friday during a traditional Memorial Day parade and ceremonies at two cemeteries.

Veterans groups, mothers of veterans, a firing squad, scout units and the Northville high school band will join in the line of march through the city.

The parade will halt at the community building for special memorial services before proceeding to the cemeteries.

Organizations in the parade will assemble at 9:30 a.m. in front of the Veterans' Memorial building. From there, they will march east on Dunlap to Hutton, turn south to Main and parade west to the community building.

After the memorial program, the parade will reform, march to the Cady street cemetery and conduct services there.

From the Cady street cemetery, the parade will move west on Cady to Rogers and march to the bridge at the entrance to Rural Hill cemetery. A volley will be fired and a banquet will be dropped into the creek, honoring veterans who died at sea.

The parade will then march to the veterans' plot inside Rural Hill cemetery for final ceremonies.

In the line of march will be the American Legion, Veterans of Foreign Wars, their Auxiliaries, Gold Star Mothers, Blue Star Mothers, color bearers and color guards, a firing squad, a Musket Loaders unit, and the Northville marching band.

Completing the line of march will be a Michigan National Guard unit, Boy Scouts, Cub Scouts, Girl Scouts, Brownies, Camp Fire Girls, and Northville school children.

Services in the community building are scheduled to begin at 10 a.m.

Al Smith, commander of the VFW, will serve as master of ceremonies. After a prelude by the band and advancement of colors, the audience will sing the national anthem.

Frank Lewis, chaplain of the American Legion, will deliver the invocation, followed by a tribute to the war dead by Charles Hix.

Carl Stephens will offer a vocal solo, accompanied by Mrs. William Williams.

The main address will be delivered by Joseph Kanthack, past commander of the VFW fourth district and currently Americanism chairman for the VFW Wayne county council.

After the benediction, taps will be played by Jeff Schoof and Roberta Schroeder. The colors will then be retired, and marching organizations will reform in front of the building.

In Novi, a Memorial Day parade will leave Oakland Hills cemetery at 10:15 a.m. and march down Novi road to the Novi cemetery across from the township hall. Memorial services will be conducted in both cemeteries.

Taft New President Of Optimist Club

William Taft has been installed as president of the Northville Optimist club for the coming year.

Other new officers inducted by Ed Bush, state Optimist lieutenant governor, include George Kohs, first vice president; George Clark, second vice president; Dick Ambler, secretary; Otis Tewksbury, treasurer; and Paul Folino, sergeant-at-arms.

New directors are Lawrence LeFevre, Delbert Steigerwald and Bob Hart.

Bank, Stores Open Thursday Night

Northville's retail stores and the Manufacturers National Bank will remain open Thursday evening to accommodate late shoppers.

Most stores will remain open until 9 p.m. The bank will open at 9:30 a.m. and close at 7:30 p.m.

Nearly all local business establishments will be closed Friday, Memorial Day.

Northville Artists Prepare for Exhibit

Artists from Northville, Plymouth and Livonia were making final preparations this week for their annual outdoor show in Plymouth a week from Saturday.

Scores of original works will be on display at the Three Cities Art club exhibit, to be held in Kellogg park from 10 a.m. to 6 p.m.

The show, which annually features work by the best creative talent in the area, draws hundreds of viewers from throughout southeastern Michigan.

Members of the club will be on hand to talk with the public and demonstrate their approach in the various media on display.

Among the Northville artists whose work will be shown are Mrs. Don McKenzie, 21404 Summerside Lane, and Jack Van Haren, an art teacher at Northville high school.

Mrs. McKenzie, a former designer for Hallmark cards in Kansas City, was a member of the Richmond Civic Art center in California before moving to Northville.

Her paintings, she says, are "derived from an expression not seen with the eye or an impression not voiced." One such painting — "Kitty's World" — is an interpretation of a cat's view of life.

Van Haren, despite a busy teaching and coaching schedule, finds time to turn out jewelry and ceramics as well as painting.

His ceramic and jewelry works have been displayed in Michigan, Wisconsin, Illinois, New York and Indiana. A holy water font recently won an award in the Detroit Ecclesiastical exhibit.

Many of his paintings are based on sketches of Japan and Korea which he made during four years with the air force.

Though most of his paintings would be classified as realistic, he often takes a theme and attempts to create a visual image of it.

"Contemporary artists are criticized by the public for not painting 'real' things," he says. "But who can tell us all the 'real' things that exist. Science, through the microscope, camera, telescope and the like, has revealed many realities that were only illusions a few years ago."

GETTING READY for the Tri-City Art club exhibit in Plymouth a week from Saturday are Jack Van Haren and Barbara McKenzie, who will be among Northville artists represented in the show. The above paintings will be displayed.

Hi-Fi Group Holds Monthly Meeting

Last week the monthly meeting of the Hi-Fi Extension was held at the VFW hall, Post 3932.

Mrs. George Weeks demonstrated how to set in sleeves, gather and make pointed collars on the sewing machine. Guest for the day was Mrs. James Rollo of Lakeridge avenue.

A report on the Hi-Fi achievement day held at the Methodist church in Pontiac was given by Mrs. Weeks.

A demonstration on outdoor cooking will be given at the next meeting next Wednesday at 9:30 a.m. at Hickory Beach.

AFTER THREE YEARS of waiting, these 26 Brownies have become full-fledged Intermediate Girl Scouts. The ceremony, along with a potluck dinner, took place at the Community Building last Wednesday evening. Families and friends were on hand to help the girls celebrate their achievement. To become intermediate scouts the Brownies had to participate in the Fly-Up, a ceremony in which they received their pins from their leaders, Mrs. Marie Lenon and Mrs. Mary Conley, after symbolically crossing over a bridge.

Huron Girl Scouts Now Re-organizing

The Huron Valley girl scout organization committee, after 10 months of work, has completed the job of bringing six former councils and many lone troops into one area council serving approximately 6,000 girls.

The new Huron Valley Girl Scout Council represents the counties of western Wayne, Washtenaw and Livingston.

The first meeting of the new council will be held June 3 at 9:45 a.m. in the Emmanuel Lutheran church basement, 201 River street, Ypsilanti.

The program will include the adoption of the by-laws, the election of board of directors, and membership-nominating committee, the plan of work, the budget, and the signing of the charter application.

All adult girl scout members will be present and visitors will be welcome.

Watercolor Course Offered in Summer

Classes in water color painting will be offered in Northville again this summer.

Jack Van Haren, art teacher at Northville high school, will conduct the classes, which are designed to introduce novices to basic techniques of painting.

Tentative plans call for 10 two-to-three-hour lessons. Classes probably will be held twice a week, either in the morning or afternoon.

Van Haren said he would like a class of about 10 persons.

Arrangements for enrolling in the class may be made by calling the school switchboard at 1130 and leaving a message for Van Haren to call back.

Former Resident Wed in Illinois

Mrs. Virginia Burnham, a former Northville resident, was married last Friday to Edwin W. Swick of Evanston, Illinois.

The wedding took place at the home of Mrs. Basil T. Church of Glenview, Illinois.

Mrs. Burnham's son, Jim, Mrs. I. R. Kimball and Mrs. Swick's parents, Mr. and Mrs. Marcus Bernstein, were present at the wedding. Also present were Mr. and Mrs. William Swick of Kansas City, Missouri, cousins of the bridegroom.

Mrs. Burnham has been studying at the University of Michigan.

SALVATION — RELIGION

Salvation is an experience in inward conscious realization. Religion is a theoretical conception of the mind.

Even a child knows when he is saved from hatred or malice. If he has a quarrel and gets mad at his little playmate he knows what it means to be filled with such conscious realization. If some peace-maker patches up the quarrel so that a spirit of forgiveness and reconciliation takes the place of that sense of anger the child is soon again heard to shout for joy in his play because of the changed realization within himself. He has been saved from a bad state of mind.

God's desire is to save us from everything that is bad to everything that is good. He has a peace and a rest and a joy which he desires to give to you.

Think of God. There is nothing that disturbs him. He has no fear. Nothing ever causes him one anxious moment. He is all powerful. Everything is under his control. He is filled with perfect peace and rest and joy. And he desires to give you that same rest — His rest; that same peace — His peace; that same joy — His joy.

Oh, it is so wonderful beyond the power of words to express! The only way anyone knows about it is to experience such a heavenly state.

Religion has divided God's people. It has caused the bloodiest wars in the history of the world. It has been the instigator of the greatest crimes against humanity. Read

your church history. Turn its bloody pages. Hear again the cries of the millions who have been tortured and murdered in the name of religion. Why, right here in America just a relatively short time ago, it hung Mary Dyer by the neck on Boston common until she was dead. Think of it! Our puritan fathers came to this country seeking a place where they could worship God according to the dictates of their own conscience. And yet simply because Mary Dyer didn't have the same religion that they did, they hung her up by the neck as a flag of warning, so they said, to others.

If ever anyone had a right to be dogmatic Jonah did. If ever anyone had a message right from God he did. His inspiration from the Almighty was good but his religion was bad. It caused him to pout instead of rejoicing over the salvation that had come to Nineveh.

And men are still just like that. If God blesses someone who believes in a different system of religion than that to which they subscribe they are not pleased.

They would rather have their religion stand and all the world go down to hell than to have their religion fall and the world to be saved.

We believe in Salvation. We want more and more of it. That is what the world needs. We don't need to worry about our religion. God has an eternity to get us all straightened out as to our theories. But today is the day of Salvation! If ye hear his voice, harden not your hearts.

Walther League Installs Officers

New officers of the Walther League — the youth organization of St. Paul's Lutheran church in Northville — were installed in a candle-lighting ceremony at the church recently.

The new officers are: Chris Krauter, president; Marilyn Hunt, vice president; Delores Peole, secretary; Thomas Lien, treasurer, and Marilyn Bernhardt, Christian Growth chairman.

The following young people helped make arrangements for the occasion: Margaret and Edith Witt, Linda Bell, Carolyn Van Atta, Joyce Balko and Lillian Zinnecker, past president.

The candlelighting was preceded by this announcement of the pastor: "The one candle on the altar represents our Lord Jesus Christ, the Light that has come into the darkness of this world. From this candle each Leaguer will receive light for his candle saying the words: Lord Jesus, help me be Thy light that cannot be hid."

This prayer was then repeated by each Leaguer as the individual candles were lit.

A social hour followed the ceremony.

Next Sunday — Trinity Sunday — in the 8 a.m. Communion service, there will be a reunion of young people and adults who during the period of 1948-1958 were confirmed in St. Paul's Lutheran church, or elsewhere, and now members. The group is requested to meet in the parish hall 15 minutes before the service.

Rev. Seiss Is New Pastor For Northville Institutions

Rev. Clarence H. Seiss was recently installed as Lutheran institutional pastor of Northville State hospital, the Detroit House of Correction and other institutions in the Northville area.

The solemn service of installation took place in St. Paul's Lutheran church in Northville, with about 20 pastors participating in the service.

Pastor Seiss' son, the Rev. Kenneth Seiss of Christ Church in Milford, and the Rev. B. J. Pankow, pastor of St. Paul's in Northville, were in charge of the altar service. The installation sermon was preached by the Rev. John Angle, director of the chaplaincy service in Michigan for the Lutheran Church - Missouri Synod. The rite of installation was in charge of the Rev. Theodore Wuggazer, pastor of Redeemer Lutheran church in Birmingham and chairman of the board of chaplaincy. The combined choirs of Faith of Livonia, Outer Drive Faith of Detroit, St. Paul's of Farmington, St.

Recreation Program Expanded

Plans for a bigger-than-ever recreation program in Northville this summer were announced this week.

The eight-week program will get underway in the middle of June after school is out.

"This year, the program will give every youngster from eight to 18 something to do all day long and every day," said Recreation Director Stan Johnston.

"In addition, there'll be day camp for younger children and night swims for older youngsters," he added.

The summer-long program includes:

— an expanded baseball and softball program that will put upwards of 300 boys in action on 14 teams.

— a new program for girls, including organized softball, tennis, archery and golf for the first time.

— traditional recreation activities, including day and night swimming, day camp, and such special events as trips to Detroit Tiger games and the Detroit Zoo.

The program is made possible by grants of \$6,000 from Northville and \$3,000 from Northville township.

This year, Johnston will be assisted by five newcomers on the recreation staff: Bob Visser, Miss Pat Bubel and Miss Patricia Dorrian, teachers at NHS, and Julie Hammond and Carol Ann Sparling, currently in college.

They will join five members of last year's staff: Ken Conley, a teacher at Oak Park high school, Marcia Doeksen, a Michigan State student, and NHS students Mary Welch and Mary Hill.

The program for this summer includes:

Baseball

Some 250 boys from 6-18 years will play organized baseball and learn fundamentals in five classes.

1) Pee-wee. Boys 6-8. Every Thursday morning from June 26 - August 7. Location announced later. Includes instruction in baseball but no organized competition.

2) Knot Hole. Boys 9-13 who do not qualify for midget teams. Some 75-80 boys now organized into new four-team league. Play Monday and Tuesday mornings under Visser and

Joe Kritch, Jr.
3) Midgets. Already in action (see below). Some 34 boys 9-13. Orioles and Braves play in organized leagues. Games four mornings a week.

4) Class E. Boys 15 and under. Play starts when school is out. Compete in Livonia league.

5) Class F. Boys 18 and under. Starts when school is out. Compete in Livonia league.

Softball

Six-team league for some 90 boys between 7 and 9 years. June 25 - August 7. Will play Wednesday and Thursday mornings under Visser and Kritch. Fundamentals will be stressed, but inter-team competition will be strong. Northville Optimists to furnish softball shirts. Use diamonds in park and at foot of First street.

Girls Activities

Completely new program under Miss Bubel and Miss Sparling. Includes instruction and organized competition in softball (Monday and Tuesday mornings at First street diamond), tennis (Wednesday and Thursday mornings at park), and archery and golf (Friday mornings at Ford Field). For girls 10 and older. (See Miss Bubel for exact times.)

Day Camp

For youngsters 5-12. From June 30 - August 8 (starting later to avoid conflict with Bible school). From 9 to 11:30 a.m. daily. Includes arts and crafts, games, and educational-recreational activities. Under Miss Doeksen, Miss Dorrian, Miss Welch and Miss Hammond.

Swimming

Daily each afternoon from June 16 to August 15. For children 8 years and older. (Younger one must be accompanied by person of at least high school age.) Buses leave school on Cady street at 1 p.m., go to Grooms Beach at Whitmore lake. Beach charge is 15 cents; bus transportation is free.

Registered life guards on duty plus four to six members of recreation staff. Swimmers must bring own suits and towels.

Night Swimming

Tuesday and Thursday nights from June 17 to August 7. Boys and girls 13 and older. Buses leave for Whitmore lake at 6:30 from playground behind high school, return about 9:30 p.m. Cost is 30 cents per person. No trip unless at least 20 swimmers are present at 6:30. Same safety precautions hold true.

Special Events

Zoo trips on June 26, July 10, July 24 and August 7. Bus leaves at 9:15 a.m. from playground. Whole family invited. Bring own lunch or buy it at zoo. A 25-cent charge covers train ride and chimp show.

Dates for other special events (turtle race, Tiger games, Detroit Police Field Day, Water Carnival, picnics, pet and doll show, and archery contest) will be announced later.

Registration

No child may participate in the program until he or she registers at the Northville scout hall. Charge for Northville and Northville township youngsters is 25 cents; for those from Novi and other communities, it is \$3 for the full year.

Scout Hall

The scout hall will serve as headquarters of the program. Registrations will be taken there every Saturday from 8 a.m. to 3 p.m. until school ends in June, and from 8 a.m. to 1 p.m. daily after June 16. Miss Hill will be on duty.

Information

Contact Johnston at 576-J or the scout hall at 507. Weekly reports of coming activities will be published in The Record.

GOOD YEAR FOR GOLFERS — Here's the Northville high school golf squad that finished a surprising second place in the Wayne-Oakland league tourney last Thursday. From right to left are Pete Gross, 93; Mike Eastland, 91; Bill Chizmar, 93; and second medalist Fred Schwarze, 86. In back is Coach Merritt Meaker.

Golfers Are 2nd In League Tourney

Northville high school's golf squad found the Meadowbrook Country club to its liking last Thursday and finished the Wayne-Oakland league golf tournament in a surprising second place.

The Mustangs had a 363 to trail league champion Bloomfield Hills (356) by only seven strokes.

Bloomfield Hills' Al Badger, the 1957 state class B medalist, took medalist honors with a class 34-40-78.

Second medalist honors went to Northville's Fred Schwarze, who shot a 43-43-86 to tie Bob Thompson of Bloomfield Hills. Schwarze later bested Thompson on the second hole of their sudden death playoff.

Northville was expected to do no better than fourth or fifth. But when the final foursome came in, Coach Merritt Meaker's squad had registered its highest standing in recent years.

Millford, expected to be a strong contender, ended up with a fourth place 380 to trail behind third-place Brighton's 367. Other scores: West Bloomfield, 382; Holly, 387; Clarkston, 408; Clarenceville, 464.

The Orioles' scores so far: 12-4, 16-3, 34-2, 7-7, 9-3 and 19-4.

The Braves' scores: 20-2, 7-1, 5-1, 8-8, 10-4 and 9-4.

Junior High Ends Perfect Season

Northville's junior high baseball team made it a perfect season last week by downing South Lyon, 7-0, after winning the league title.

In six games, Coach Joe Wilkerson's team rang up 91 runs to 13 for their opponents.

In the league are Thurston, Fells, and Dearborn Roosevelt.

Craig Bell and Steve Juday shared pitching and catching honors. Dan Pattison held hitting honors with a .571 average, followed by Juday (.536), Bell (.467), Jim Anderson (.458), and Bob Hansen (.312).

Also on the team were Eddie Beard, Tom Daniels, Jim Jiggins, Jim Juday, John Kahler, Mike Myers, Tom Slattery and Tom Swiss. Dick Bathey, out of action with an injured leg, continued on as scorekeeper. Marvin Lemmon and Jerry Jerome served as managers.

Awarded Letter

Doug Tegge, son of Mr. and Mrs. George Tegge, 16530 Franklin, was awarded a company softball letter at Kemper Military school, Boonville, Missouri, for outstanding performance on his team this season.

He was awarded the letter in an athletic assembly and was given high recognition for his playing ability by his coach.

NHS '9' Finishes Fast, Takes Division Crown

Northville took its seventh game in eight starts last Friday to close the 1957 league season and capture its division baseball championship.

The Mustangs' 6-2 win over Clarenceville was their fourth straight victory and gave them a 7-3 record in league play.

But though Northville took first place in the southern Wayne-Oakland division, the conference title went to unbeaten Milford. The league standings:

Southern Division

NORTHVILLE	7 3
Clarenceville	5 5
Bloomfield Hills	5 5
West Bloomfield	1 9

Northern Division

Milford	10 0
Clarkston	6 4
Holly	5 5
Brighton	1 9

Northville closed out its season Tuesday in a non-conference game against Plymouth. Results were not available at press time.

In downing Clarenceville, Pitchers Jeff Goodrich and Joe Kritch teamed up to allow the Trojans only three hits while they and their teammates were banging out 10.

Kritch, Goodrich and Bob Starnes each had two apiece.

After Clarenceville jumped off to a 2-0 lead, Northville evened the score in the third inning on Rog Atchinson's triple, singles by John White and Wade Deal and an error.

Northville went ahead in the fourth when Bill Juday reached first on a fielder's choice and came home on a double by Goodrich.

The Mustangs iced it with three runs in the sixth when Juday walked, Goodrich and Kritch singled, and John White got on base via an error.

Hammond and Williams won seven straight sets in taking four matches, and won their last match against a twosome from Oak Park by scores of 10-8, 4-6 and 6-4.

Competing in the regionals were Clarenceville, Dearborn Lowry, Oak Park, Ecorse, River Rouge and Northville. Oak Park took the title with 12½ points to edge out Dearborn Lowry (10½) and Northville (9½).

Bob Bake, Dave Janetzke and Dennis Fallon were eliminated in first rounds of single play, while a second doubles team of Ed Wittenberg and Dick Buckley bowed out in its semi-final round.

Northville's showing in the regionals was its best in recent years, according to Coach Ron Schipper.

Earlier last week, the Mustangs dropped Bloomfield Hills, 4-1, but fell to Southfield, 3-2.

Wins Drag Race

Travelling at speeds up to 90 mph, George Miller of Northville won a sanctioned stock car race Sunday at the Michigan Hot Rod Association drag strip near New Baltimore.

Miller eliminated six other cars in the automatic super stock class to take the trophy. His best time was 15.15 seconds for the quarter mile strip.

NOTICE OF BUDGET HEARING

CITY OF WIXOM, MICHIGAN

Notice is hereby given that a public hearing
on the 1958-59 budget of the City of Wixom will
held in the City Hall on June 5th, 1958 at 8:00 p.m.

All interested persons are urged to attend this
public hearing where ample opportunity will be
given for all citizens to participate, all requests for
added municipal services or improvements or cur-
tailments in any items of service or other municipal
functions should be presented at this hearing in
order that considerations may be given the same
before the approval of the budget by the City
Council.

Lillian Byrd, Clerk
City of Wixom

ADVERTISEMENT

**INSTALLING WATER SUPPLY
MAINS**
for the
City of Northville, Michigan

Sections 1 and 2

Sealed proposals will be received
by the City of Northville, Michigan,
at the office of the City Clerk, City
Hall, Northville, Michigan up to
8 p.m. Eastern Standard Time, on
June 2, 1958 and promptly there-
after the proposals will be publicly
opened and read aloud.

The work shall consist of INSTAL-
LING approximately 2,810 lineal
feet of 10" diameter water pipe in-
cluding gate valves, fittings, thrust
blocks, connections to existing water
lines, and all other appurtenances and
details as called for on the drawings
and in the specifications. Prior to
installation of the pipe in Section 1,
approximately 4,600 C.Y. of earth
will have to be removed as indi-
cated on the plans.

All pipe fittings and appurtenan-
ces will be furnished the contractor
by the City of Northville.

Bids are solicited for the work
under this contract on the basis of
unit prices for each item installed
and with a total estimated cost for
the entire work.

No bidder may withdraw his bid
within thirty (30) days after the date
set for the opening thereof. Propo-
sals shall be submitted on forms fur-
nished by the owner.

Each proposal shall be accom-
panied by a certified check or a bid
bond by a recognized Surety Com-
pany in the amount of at least five
per-cent (5%) of the amount of the
total estimated cost, payable to the
City of Northville, Michigan which
check or bond will be forfeited to
the City of Northville by the accept-
ed bidder upon his failure to enter
into a contract with the City of
Northville within fifteen (15) days
after the award of the contract to
him.

The successful bidder will be re-
quired to furnish one hundred per-
cent (100%) performance and one
hundred per-cent (100%) labor and
material bonds.

The contract documents, plans
and specifications will be on file and
open to public inspection at the of-
fice of the City Clerk, City Hall,
Northville, Michigan and may be
obtained at the above office; or at
the office of the City Engineer, La-
porte & Penn, 1470 Holden Avenue,
Detroit 8, Michigan; and will be on
file at the Builders & Traders Ex-
change, Detroit; and at the F. W.
Dodge Corporation Plan Room in
Detroit.

A certified check deposit in the
sum of Ten Dollars (\$10.00) is re-
quired for each set of plans and
specifications obtained. This amount
will be refunded upon the return of
each set in good condition within
ten days after the opening of the
bids.

The right is reserved by the City
of Northville to accept the lowest
qualified bid, to reject any or all
bids, or to waive informalities in
bidding in the interest of the City.

Northville Council Proceedings

A regular meeting of the North-
ville City Council was held at the
City Hall Monday Eve., May 19,
1958 at 8 P.M.

Present: Mayor A. Malcolm Al-
len, Councilmen Stubenvoll, Canter-
bury, Reed and Welch.

Minutes of the last regular meet-
ing were read and approved.

The following bills were presented
for payment:
General Fund, \$14,181.35
Northville Heights Escrow
Acct., \$14,260.15
Other Govt., \$16,635.96
Water, \$1,491.63

It was moved by Welch, supported
by Reed that these bills be allowed
and paid. Carried.

Andrew Torok, of 328 N. Center
street, was present to talk with the
council about his sewer problem
and to inquire if he would be grant-
ed permission to install a septic
tank and tile field. In discussing the
problem it was the consensus of
opinion that under existing condi-
tions it is impossible for Mr. Torok
to be connected to the existing sew-
ers; and it was moved by Canter-
bury supported by Stubenvoll, that
he be authorized to construct a proper
septic tank and drain field, sub-
ject to the approval of the city
manager, because of the impracti-
cability of reaching any existing city
sewer line from his property. Car-
ried.

Sam Bongiovanni of 320 N. Center
St., was again present to find
out what the decision was regard-
ing the creek running beside his
property. Attorney Ogilvie asked for
a couple of weeks time to prepare
a written opinion on this matter.

Communication was read from the
Michigan Public Service Commis-
sion regarding a hearing to be held
August 7, 1958, requiring the Con-
sumers Power Co., to remove re-
strictions on space heating. Mgr.
Robertson was instructed to write
a letter to the Public Service Com-
mission expressing that the City of
Northville favored the removal of
such restrictions.

Mr. Penn, Engineer, gave a re-
port on what the city of Northville
would be required to do in order to
furnish sanitary sewer to the pro-
posed Taft Sub., as well as to the
further development of Yerkes Es-
tates subdivision. If and when this
development takes place, the sub-
dividers will have to assume the
cost of enlarging the system.

The next item of old business was
the public hearing on the proposed
1958-59 budget. Mgr. Robertson went
over same item by item after which
Mayor Allen gave the audience pres-
ent an opportunity to present their
views on the budget. Sydney Frid
called attention to the fact that while
this is the highest budget the city has
ever had, nothing is figured for
major improvements. He stated that
at the time the City was incorporat-
ed the citizens were promised that
the race track money would be used
for street improvements and other
such projects, but instead it has
been used for general city govern-
ment. He feels the people are en-
titled to receive the services which
have been promised them by former
councils. Cyril Frid concurred in
this view. Mgr. Robertson named
some of the major improvements
planned to be made with the mon-
ies to be raised, but Mr. Frid did
not feel that these improvements
were as essential as, for instance,
the improvement of Walnut street.
After listening to the arguments

pro and con, it was moved by Can-
terbury, supported by Reed, that
the budget for 1958-59 as presented
be adopted. Carried.

Mgr. Robertson reported that the
City Planning Commission had rec-
ommended that the zoning of Lots
108, 107 and the south one-half of
Lot 106, be changed from R-2 to
C-2. This is the property at the cor-
ner of South Main and Gardner
streets owned by the J. Austin Oil
Co. and the VFW property to the
north of same, the following amend-
ment to the Zoning Ordinance was
proposed:

"The City of Northville ordains:

That Lots 108, 107 and the S. 1/2 of
106, Assessors Northville Plat No.
1, be changed from zone R-2 to C-2.

This ordinance will take effect ten
days after final passage."

It was moved by Reed, supported
by Stubenvoll, that the proposed
ordinance above be published in the
Northville Record as required by
Charter and that a public hearing
be held on same at the next regu-
lar council meeting. Carried.

Mgr. Robertson also stated that
the 1956 Edition of the National Elec-
trical Code, along with the supple-
mentary to the 1956 Code, should be
adopted, and the following resolu-
tion was presented:

"The City of Northville ordains:
That the 1956 edition of the Na-
tional Electrical Code, along with
the supplementary to the 1956 edi-
tion of the National Electrical Code
be adopted by reference as the City
of Northville Electrical Code."

Moved by Canterbury, supported
by Allen, that this resolution be pub-
lished in the Northville Record and
a public hearing on same be held
at the next regular meeting. Car-
ried.

Councilman Canterbury stated that
in regard to the sale of the Com-
munity Building, the Board of Edu-
cation has asked that they be not-
ified in writing that the City Coun-
cil has the right to sell the building.
The City Manager was requested
to inform them by letter of the City
Attorney's opinion, and also that
the committee previously appointed
by the City Council to negotiate for
this sale is to meet with representa-
tives of the School Board to proceed
further in these discussions.

Because of the small number of
dog licenses that have been issued
in the City for the year 1958, it was
decided that the police should call
at homes to check on whether or
not they have dogs and to warn
them unless they obtain such li-
censes within 48 hours, a summons
will be served upon them and they
will be fined for failing to comply
with the City Ordinance.

Mgr. Robertson was also instruct-
ed to contact the Edison Co. to have
them check on the adequacy of
lights in public parking lots and es-
pecially in the one at the rear of
the bank and store buildings on the
north side of E. Main St.

Regarding the alley beside Mrs.
Ida Cooke's property at 516 Rouge,
the City Manager will report on
this matter at the next regular
meeting.

It was moved by Reed, supported
by Welch, that a resolution be adopt-
ed to condemn the Dump property
which the City wishes to acquire.
Carried.

No further business, meeting ad-
journed.

Novi Highlights...

Fifty Oddfellows and Rebekahs were entertained by the Kingsville, Ontario lodges last Friday evening. A bus was chartered for the trip.

The Rebekahs will meet at the home of Marcella Richards on Wixom road next Wednesday at noon for a pot-luck luncheon.

The next regular meeting of Rebekahs will be June 12. It will start promptly at 7 p.m. so that members may attend visitation of lodges of the district at South Lyon after the meeting.

Novi Baptist Church News

Approximately 100 attended the open house at the Baptist church Friday evening. The film, "Off the Record," was shown to the children by a state policeman from Redford. Mrs. Charles Steward sang, "My Task," accompanied by Mrs. Arnold Cook. Mrs. W. F. Martin acted as chairman of the refreshment committee.

Mrs. Jeanne Clarke's Sunday school class, Bible Believers, had the most visitors and won a free outing paid by the Sunday school teachers.

Mr. and Mrs. Ronald Ozark entertained the adult fellowship class at a party Saturday night. There were games and refreshments were served.

Twelve Baptist young people went to the Masonic Temple Saturday evening to see the Billy Graham film, "The Heart Is a Rebel".

Novi School News

Mrs. Pletsch's fifth grade class is planning a picnic this week. Each child will bring their lunch and they will play games.

The band is practicing for the Memorial Day parade. Fifth grade members are Sharol Presley, Bill Mairs, Bill Hansor and Burl Altatfer.

Mrs. French's fifth graders, Linda Scott, has been ill with the flu.

Judy Dye made a Memorial Day poster for the class. It has a picture of the tomb of the "Unknown Soldier".

Jack Anglin has not been absent from school all this year.

Mrs. Effie Garner, a former Novi school teacher, called on Mrs. French's class Friday.

Mrs. Dounough's second graders, Douglas Anlin, Kenneth Bernard, William Christiansen, John Dickin, Stephen Foster, Linda Killeen, Virginia Munro and Tommy Young have had perfect attendance for the past marking period.

Kim Kozak and Karen Takas are confined to their homes with the measles.

Last Friday, Mrs. Bower's third grade class went to Kensington park where they looked for butterfly specimens and birds they had studied.

Ronald Radtke is absent this week with the mumps.

Mr. and Mrs. W. G. Doan had a family dinner for 20 relatives on Sunday honoring Mrs. Doan's sister-in-law, Mrs. Fay Meadows, of Asheville, North Carolina. Relatives other than their sons, daughters and grandchildren were Mrs. Blanche Christy and son, Lowe, and his fiancée Carol Currie of Ferndale and Mr. and Mrs. Edsel Williams of Royal Oak.

Two Novi young men will be graduated from Michigan State university June 8. They are John Robert Burgess, son of Mr. and Mrs. Andrew Burgess in "Personnel Management" and Jim Mitchell, son of Mr. and Mrs. D. J. Mitchell, in electrical engineering.

W. G. Doan came home from Atchison hospital last Wednesday. He had been a patient there for one week.

Mr. and Mrs. Harold Miller and their daughter, Mrs. Stanley Orzechowski spent the week end with their aunt, Mrs. Martha Bogner in Chicago.

Mr. and Mrs. Etanley Klink of Plymouth and their guests, Mr. and Mrs. Ronald Frye of Adrian were in town Sunday and attended the Novi Baptist church services.

Mr. and Mrs. Robert Clemens, Mr. and Mrs. Alfred Saincome and daughter Betty and son Mark attended the wedding reception following the wedding of Mr. Saincome's niece, Dolores Toplin in Detroit Saturday evening.

Minutes of the Board of Education

May 5, 1958

The meeting was called to order at 7:30 p.m. by President Nelson C. Schrader.

Present: Nelson C. Schrader, Waldo T. Johnson, Robert H. Shafer, H. Adrian Willis, Eural F. Clark, Superintendent R. H. Amerman.

Absent: None.

Others Present: Several interested citizens.

The minutes of the last regular meeting and a special meeting were read by the secretary and there being no additions or corrections, the minutes were approved as read.

Communications:

1. Wayne County Tax Allocation Board, announcing date of hearing on school budget May 9, 1958.

2. Wayne County Board of Education, 5th payment of State Aid, \$25,510.00.

3. Clark Insurance Agency, letter of appreciation for award of partial insurance coverage on new high school.

4. Family of Mayor Claude Ely, acknowledgement of expression of sympathy.

5. Mrs. Martha Erwin, elementary music teacher, letter of resignation.

6. Michigan Bell Telephone Company, commission on public telephone receipts.

7. City of Northville, delinquent taxes: 1956, \$140.15; 1957, \$76.07.

8. Wayne County Board of Education, delinquent Northville Township taxes, \$437.12 and \$351.74.

9. Northville-Plymouth Democratic Club, payment for rental of Amerman School multi-purpose room, \$20.00.

10. Wayne County Board of Education, milk reimbursement for March, \$327.48.

11. Eberle M. Smith Associates, Architects, requests for signatures indicating Board approval of seven different categories of equipment manufacturers, etc., for the new high school. All were approved by the Board.

Report of the Superintendent:

1. By-Laws and Policies of the Board: Reviewed and tabled for action later.

2. Superintendent reported several teachers leaving. There appears to be somewhat of a shortage of elementary teachers and these positions may be difficult to fill. High school teachers are more plentiful.

Superintendent is recommending two teachers tonight, both local, Mrs. Elizabeth Chapman for high school English, Mrs. Helen McCarthy for elementary. Board approved both recommendations.

3. Annual School Election: Superintendent reported that all details are being cared for.

4. Mr. Alex Lawrence appeared before the Board on behalf of Northville Taxpayers Association to request an exact accounting of school funds. He advised the Board to break down their budget figures into exact items of expenditure, and to publish these figures. Mrs. Carl Wilson and Mr. and Mrs. Hurd Clark also appeared, and all of these people were most emphatic in their demands to be told how the school's money is being spent.

5. State Aid: Fifth payment has just arrived. No way of knowing whether any more will be forthcoming.

6. Hydrant: has been installed at high school site, purchased from the City, will lower fire insurance rates. Purchased from City of Northville at a price of \$250.00, installed by Howard Contractors at a cost of \$50.00.

7. Site Development: discussed development of Amerman School site, sidewalks, blacktop, etc. Board authorized Superintendent to call for bids on these needs.

Report of the Treasurer:

Balance in General Fund, April 30, 1958, \$1,977.47

Balance in 1936 Bond and Coupon Account, April 30, 1958, \$180.00

Balance in 1949 Debt Retirement Fund, April 30, 1958, \$2,002.82

Balance in 1954 Debt Retirement Fund, April 30, 1958, \$12,494.01

Balance in 1957 Debt Retirement Fund, April 30, 1958, \$25,997.43

Balance in 1957 Debt Retirement Fund, Series B, 4-30-58, \$67,400.00

Balance in 1957 Building and Site Fund, April 30, 1958, \$14,252.65

Total Balance in all accounts, April 30, 1958, \$125,304.38

Moved by Mr. Willis, supported by Mr. Shafer, that the report of the treasurer be accepted as presented. Motion carried.

Report of Special Committees:

1. Curriculum: Mr. William Crump presented a final written report of the complete activities of the Junior High School Curriculum Committee, and suggested that the Committee would like to meet with the Board at some time in the near future, at which time a round table discussion might take place concerning some of the recommendations in the report. The evening of Monday, May 26, was decided upon for this meeting. Mr. Crump also suggested that the Committee is willing to continue to function in an examination of the elementary school curriculum, should the Board so desire. Board indicated approval of this suggestion.

Report of the Auditing Committee:

Auditing Committee approved bills and payrolls as follows: General Fund — Payrolls, \$41,995.90; Bills, \$6,316.79. Building and Site Fund — Bills, \$126,731.35. Motion by Willis, supported by Johnson, that the bills and payrolls be paid as funds become available. Motion carried.

New Business:

1. Office Machines: Superintendent recommends purchase of Thermo-Fax Copying Machine for the Board of Education office. Mr. Willis moved this machine be purchased, on a payment plan to be worked out by the Superintendent with the seller. Mr. Shafer supported. Motion carried. A used Burroughs bookkeeping machine is also available to us, from another school district, at a cost of \$500.00, and the

Board indicated approval of this purchase and instructed the Superintendent to proceed with its investigation.

2. Mr. Schrader reported to the Board of the results of some inquiries he has made regarding plans for an athletic field at the new high school site. He has obtained a layout and estimate of costs from a surveyor and engineer, Nere D. Alix. It was decided that Mr. Harold Penn, of Northville, should also be approached for a plan for the athletic field.

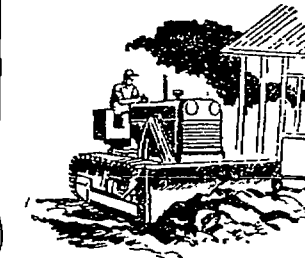

3. Mr. Littell advised that the Wayne County Road Commission is ready to sign the papers relative to their purchase of right-of-way from the school. Sale will be consummated as soon as deeds are ready.

4. Laboratory Equipment: there is still a question concerning awarding of laboratory furniture contract for the new high school. Attorney Littell and the architects will make further study and advise the Board at another date.

5. Mr. Littell advised the Board that he has examined the proposed contract for kitchen equipment with the Great Lakes Hotel Supply Co., and finds it in order.

Adjournment: Mr. Shafer moved the meeting be adjourned at 1:30 a.m. Mr. Clark supported. Motion carried.

FOR LITTLE Helen Stevenson Friday was a very special day. She went to school with her big brother, Mike, a fourth grader at Main street elementary. On her way to visit kindergarten she also learned about safety patrol boys, like Mark Lipa, who checks traffic before allowing Mike and Helen to cross.

Selling on Sunday

Babson Park, Mass. — There is no one who wants to see a prosperous America more than I do. But if the only way to more business is to convert Sunday into just another work day, then America is in worse shape than I had thought.

Our Sunday Sales Problem
People in puritanical New England where only one percent of the supermarkets are open on Sundays are probably unaware that 78 percent of these markets are open Sundays in the Mountain and Pacific States. In California, stores of all kinds never close. The real reason for this is competition for the everlasting sales dollar.

There are a number of causes for the inroads the merchant is making on the Sabbath: (1) The long-term pattern of business from 9 to 5 gave way to wartime needs when stores in certain manufacturing areas remained open evenings to cater to round-the-clock defense workers. (2) The mass movement to Suburbia following the war radically changed consumers' buying habits; it was much more convenient to stay at home and shop in Suburbia, especially if the stores remained open nights. (3) When competition for consumer dollars stiffened, it was but a short step into Sunday from Saturday afternoon — particularly in those parts of our country where Sunday Blue Laws either are weak or receive only token enforcement.

Is Sunday Selling Good
For Merchants?

That depends on who and where you are! The now famous case of Hess Brothers, Allentown, Pennsylvania's largest department store, points up one answer to this question. Last October, a large discount house, "Two Guys From Harrison, Inc.," began drawing away the Hess sales volume. Hess Brothers finally threatened to keep its doors open on Sunday, too. Hess' threat caused a Pennsylvania district attorney not only to fine the owners of "Two Guys From Harrison, Inc." but also to fine each of the 100 or so employees of the discount house for violation of a 160-year-old Pennsylvania Sunday statute. This is one side of a typical problem confronting many communities today.

Another look, however, reveals that more and more merchants remaining open on Sundays count on their Sunday sales to make the difference between the week's profit

and loss. These merchants argue that times change, and with changing times must come changing merchandising techniques. In short, Sunday selling, they say, has become a matter of economic survival.

The Case Against Sunday Selling
The very fact that so many favor Sunday selling is a reasonably good index of how materialistic our culture has become. The paths of history are strewn with the wreckage of cultures that neglected their spiritual development. The place for our families on Sunday is in God's House, not in a Discount House. Surely in a country where the work week becomes constantly shorter and leisure ever greater, we ought to be able to find a little time during the week for reflection and spiritual regeneration.

Parents, law enforcement officials, educators — all who work with young people — are concerned with the many symptoms of maladjustment: juvenile delinquency, divorce, cheating, etc. But, these are indications of a deeper problem: lack of adequate standards and values.

Better Homes Needed

We parents need to bring into much sharper focus the standards of right and wrong, and we need a philosophy of life much less ego-centered and a lot more others centered. Dare I say that most of our youth are what our homes have made them? This is where the church comes in. Where, if not in the church and in the church-oriented home, is the average youth going to develop sound moral and spiritual fibre?

As a businessman, I believe the business community owes more to its constituents than just making it easy for people to buy what they want when they want it. The balance sheet must be scrutinized for spiritual losses that may do far greater harm in the long run, than the immediate material gains. We may need a "business depression" to bring us to our senses — and perhaps something more serious.

Budget Cuts Peril State Police Force

MICHIGAN'S 1958 legislature will return June 12-13 still in confusion over the kind of record it will write in an election year.

Still hanging fire are the State Police budget and a change in unemployment compensation benefits.

Strangely, the fights on both points are among Republicans with the Democrats waiting on the sidelines for campaign issues if Republicans fail to answer the needs of the state.

Major issues of the budget are all settled: the state will cut services and layoff employees in a time of desperate need for economy.

There remains the most delicate area of all, the State Police. The Senate says the state must slash the budget equally among agencies or face financial disaster.

House members, headed by Rep. Harry J. Phillips (R-Port Huron) are insisting on the restoration of the slashed funds as administrative sources say it will mean 100 less troopers.

"The Senate just doesn't understand the need," said Phillips.

The State Police have achieved a national and world reputation as a top law enforcement agency.

Troopers work an average of nine hours a day. They must write their reports that extra-hour after eight of, patrolling highways, answering trouble calls, fighting crime.

Perhaps most important is the enviable record in reduction of death and accidents on the highways since the State Police Department was expanded two years ago. While it is not claimed that the entire improvement can be credited to the State Police, it is easy to see they played an important part.

Reduction of death from traffic accidents began to improve immediately.

In 1956, when more State Police took to the highways, there was an improvement of 269 in the death records. This is 13.3 percent. In 1957, there were 209 fewer deaths than in 1956. Through May 1 this year, there is another improvement of 93, or a 21 percent gain.

Since State Police ranks were increased, 571 people are alive who

would have been killed if the death rate from accidents had continued its 1955 pace.

After weeks of dispute, the House and Senate are \$116,000 apart on the State Police budget. Phillips said the House would stick with the higher figure, the Senate insists on the cut.

The Senate position represents a compromise while the House figure is its original demand. Even if the House wins, the State Police will get less than last year.

The issue must be settled in the June 12-13 session. The fiscal year ends June 30 and the State Police will have no funds with which to operate if no action is taken.

Unemployment Compensation is the second issue of the session June 12-13.

Republicans have been holding off on anything definite, waiting for Congress to act. They hope to make the best use of monies which may be available in federal plans not yet determined.

There is controversy about the federal plan: whether to send the lump-sum money to the states for distribution or whether to use it as a supplement bearing the federal tag.

Republicans in Michigan have sponsored a maximum nine-week extension of benefits at 75 percent of the rate of present benefits.

Now a behind-the-scenes move is expected to produce a new Republican bill at the two-day session in June. It will propose extending 100 percent benefits for 13 weeks.

"We're still hopeful that Congress will act before the legislature reconvenes," said Senator Frank D. Beadle (R-St. Clair).

If Congress delays action, the legislature will be forced into action without knowing what readjustments will be necessary if a flood of federal money becomes available.

Included in the same budget bill with the State Police is a \$25,000 budget for the State Safety Commission.

The Commission is composed of top state officials, including Gov. Williams, but most of the money goes for the state safety director,

Gerald E. Shipman, and his staff. "If this is cut out, I believe the state will pay in the numbers of lives lost on the highway," said Gov. Williams.

The Senate cut out the entire budget for the commission, but political seers about the Capitol believe it will be restored before the final version goes to Williams. The expenditure is so small and the benefit so dramatic, it is hard to believe the issue will be lost.

Highway maps, the victim of a whimsical amendment in the Senate, will not be printed by the state after June 30.

The development occurred after Republicans rammed through the amendments barring the expenditure of highway money for a new radio system some claimed would cost several million dollars and a \$135,000 state airplane for the department.

Senator George C. Steeh (D-Mt. Clemens) then proposed that highway maps be included in the ban. Everybody agreed.

The House kept the amendment and the final issue of official state

maps will be made June 30. There has been an indication gasoline companies are willing to bid for the official map.

MICHIGAN BELL

ANOTHER SATELLITE rocketed into orbit! Exciting news to read about, isn't it? And did you know that the Bell Telephone System plays a big part in these historical events? The transmitters inside the miniature "moons" use transistors, an invention of the Bell Telephone Laboratories. And a satellite radio that is supposed to transmit indefinitely — years and years — gets its power from solar batteries,

which Bell Telephone scientists invented to turn the sun's energy to electricity. These Bell System skills that contribute so much to the Space Age are the same ones that help make your telephone service the best in the world.

PLANNING A TRIP FOR MEMORIAL DAY WEEK END?

If so, you'll want to make the most of every free minute and leave all your worries behind. So plan the details in advance, by telephone. Make Long Distance calls to fix up reservations and settle the other details of travel. They're worth far more than their modest cost. And, if you happen to be delayed along the way, telephone ahead to say you'll be late in arriving.

MAYBE YOU'VE SEEN

this unusual motor vehicle carrying the telephone company emblem. Unusual, because it has three wheels and is only a third the length of a family car. Because it is economical to run, can "turn on a dime," park almost anywhere, and get a repairman to his destination quickly, Michigan Bell is trying them out in larger cities... another example of how the company tries to keep down the cost of telephone service.

SPEAKING

for the Record

By BILL SLIGER

Northville has arrived at the 'hour of decision' concerning future plans for capital improvements.

The council has known this for some time. It became clearly evident, however, at a hearing on the budget last week.

Councilman John Stubenvoll said it plainly and emphatically when needed by critics seeking more capital improvements on a smaller budget.

"We've reached the point where we can't make any progress on major improvements without raising taxes", he stated flatly.

There has been a reluctance on the part of the city fathers to assume any indebtedness. At the same time an awareness that this policy was near its end has been generally accepted and discussed by the council.

Soon after he accepted the late Mayor Ely's responsibilities Mayor Allen admitted that Northville could no longer evade a bond issue, or similar program of major expenditure.

Water, sewers, streets, curbs, sidewalks, alleys and parking facilities are pressing problems that cannot be ignored. The community cannot lock its limits and refuse to grow; and if new people are to come, existing facilities cannot stand up under the strain.

Recently Mayor Allen appointed Councilmen Reed and Welch to study the possibility of a major improvement program for Northville. What progress they have made has not yet been reported.

The council has done a remarkable job of providing improvements and still holding the line on taxes. But each year it has become more and more difficult to meet maintenance costs, provide for emergencies and meet the higher costs of employment and still make improvements from the general fund.

In the light of rising school taxes it is only natural that city officials hesitate to spend money. But this condition should not cloud their good judgment.

The council's decision to embark upon a sound program of capital improvements may well be the spark that our community needs. This expression of confidence in the future of Northville could provide the business district with the impetus to make improvements of its own.

But it remains for the council to adopt a master plan and designate an order of importance to the many pending projects. We still believe that voters will recognize that it takes money to run a city as well as schools. A program logically and wisely planned for long-range economy will receive their support.

Mrs. Jesse Byrd, Mrs. John Chambers, Mrs. Fred Dumka and Mrs. William Brown attended the garden club luncheon at Farmington last Saturday.

Willowbrook...

Our best wishes and hope for a speedy recovery go to Albert Borgetti of Border Hill who was injured in an automobile accident May 18 and is in Mt. Carmel hospital. Ray Peltier of Meadowbrook who spent two weeks in Sinai hospital following an operation. Rosemary Yaco of McMahon who has spent two weeks in Florence Crittenton hospital.

We are glad to hear little Chris Bowman of Willowbrook drive is feeling fine after his automobile accident.

Dale and Ardis Henry of Malott spent the week end before last in Atlanta, Michigan visiting with Mrs. Henry's family.

James Riess of Van Nuys, California was a house guest of the Bill Reisses of LeBost over the past week end.

The Novi eighth grade trip to Lansing was enjoyed Friday by Roni Pietron of LeBost and Tina Secrist of Willowlane.

Cam and Mims Campbell of Malott entertained Harvey and June Sanderson of Birmingham Saturday with bridge and dessert.

The Chester Pietrons of LeBost entertained Mr. and Mrs. Casimir Pietron of Dearborn on Sunday. Nancy Broderson of Meadowbrook enjoyed an evening out last Thursday with her girls' club. The group dined at Victor Lims and then went to see "South Pacific".

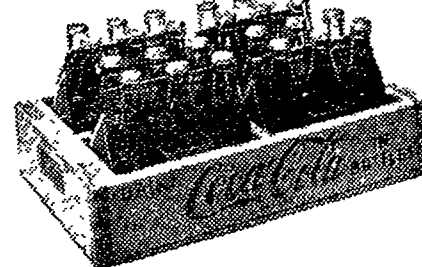

Newcomers to Willowbrook are Jim and Lee Dalton of 24360 Willowlane. Jim works for the Employers Mutual of Wausau and Lee works for Daniel W. Underdown Insurance company of Detroit. The Daltons are New Yorkers but lived in Detroit two years before moving here. They enjoy all sports.

The Thursday night bridge club met at Jean McClelland's home on East LeBost. Jane Corscadden and Irene McCormick won the two top prizes.

Pinocle club met May 19 at Paula Swenson's home on LeBost. Sarah Soule was co-hostess. This is the last meeting of the group until fall. The winners were Sarah Soule, first; Sylvia Klerkx, second; Paula Swenson, third, and Phyllis Berardi, consolation prize.

ing in Michigan while increasing in other states. "Over the opposition of some members of my own party, I was successful in saving the homeowners of Northville and Livonia hundreds of thousands of dollars in state rebates of race track revenue. Again in the interest of my district, I broke with my party and succeeded in securing a \$2½-million appropriation from the legislature to start construction on the \$16-million Plymouth Home and Training School which will provide some 2,000 jobs for people in my district. "While I am proud that my record shows he to be a party regular, and I have worked most earnestly with and for my party, I can further say that these two instances show I am motivated to act in all good faith for the best interests of my district rather than in blind, slavish adherence to a party position that would be detrimental to the people in my area. "I humbly believe that I can continue to give the citizens of Wayne county's 21st District the same caliber of courageous and responsive representation in the next two crucial years as my record shows I have in the past."

Road Money Due

Northville will receive \$8,975 from the state this month for road work within the city. The money represents Northville's share of weight and gas tax rebates for the first quarter of 1958.

Plan Goodwill Pickup

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for next Tuesday. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards. To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative Mrs. Lora Ault at GR. 4-4294.

Leslie Charles, 211 Faywood, is a patient at the Achison Memorial hospital in Northville. Mr. Charles has a heart condition which is expected to keep him in the hospital four to six weeks. Miss Shirley Harkless was the guest of honor at a personal bridal shower May 24 given by her fiancé's sister, Gloria Harter. Also present were Muriel Van Gordon, Darlene Harkless, Pat Graham and Sandy Harter.

Dennis Van Sichlin, son of Mr. and Mrs. Harold Van Sichlin, 1175 West Lake drive, won the Inter-Lakes Conference Wrestling contest in the 175-pound division. Dennis was also chosen as the outstanding senior by the faculty of the Walled Lake high school senior high school. At a banquet given for senior lettermen, Dennis was presented with an engraved watch by the president of the Walled Lake Rotary club. During his high school years Dennis has had perfect attendance, maintained a B average, taken part in many other activities and won many other honors.

Visitors at the Van Gordon home May 18 were Mr. and Mrs. Val Anderson of Marion, Indiana. Mrs. Anderson is Mr. Van Gordon's sister. Visitors at the home of Mr. and Mrs. Ken Haney of Rexton May 18 were Mr. and Mrs. John Dabis of Highland Park. Mike Haney, son of Mr. and Mrs. Ken Haney, received his Lion badge May 22. Mike now enters the Boy Scouts preparatory to entering the Boy Scouts this fall.

Obituary

EDWARD MacFARLAND

Edward MacFarland of 111 West Main, died suddenly of a stroke at work at Maybury sanatorium. Mr. MacFarland was born June 9, 1886 at Xenia, Ohio. He came to Northville 19 years ago. He is survived by his sister, Mrs. Fred (Nanie) Caddy, and brother, Frances MacFarland, both of Cincinnati. Funeral services were held May 22 at the Casterline Funeral home with the Reverend John O. Taxis officiating. Burial was in the Oak Hill cemetery at Glendale, Ohio.

SCOTT ALLEN RORABACHER

Eighteen-day-old Scott Allen Rorabacher died May 26 at St. Joseph Mercy hospital, Ann Arbor. Scott was the son of Mr. and Mrs. Herbert Rorabacher, Jr. of 50285 West Seven Mile road, Northville. Scott is survived by three sisters, Carolyn, Bonnie and Beverly, and a brother, Randy. Living also are paternal grandparents, Mr. and Mrs. Herbert Rorabacher, Sr. of Plymouth, and maternal grandmother, Mrs. Ruby Passow of Ann Arbor. In addition are two surviving great-grandparents, Sara Helmer and Wesley Wilson, both of Plymouth. The funeral will be held today (Wednesday) at 2 p.m. at the Casterline Funeral home with burial at Thayer cemetery. Reverend Henry Lewis will officiate at the services.

ADULTERY IS A CRIME!

The seventh commandment says "Thou shalt not commit adultery." The Lord Jesus outlined the meaning of this commandment in two verses. Matt. 19:9. "Whoever shall put away his wife, except it be for fornication, & shall marry another, committeth adultery; and whoever marrieth her which is put away doth commit adultery." Matt. 5:28, "That whosoever looketh upon a woman to lust after her hath committed adultery with her already in his heart." plainly then, divorce and remarriage, except for immorality on the part of either party, and the lustful look, is adultery. This sin plagues our country. According to the latest figures I have, one out of every four marriages end in divorce. Think what this means. Go down the street and count the houses by saying "1-2-3 Divorce, 1-2-3 Divorce, etc." and you will begin to get the magnitude of this sin. Some people seem to think that divorce and remarriage is just a matter of church regulation. This is not so — this is the holy law of God. All those who break it are guilty before God. Marriage is sacred since it is ordained by God. God expects everyone to live up to their marriage vows. For those who have sinned, they may have forgiveness by repenting and receiving the Lord Jesus Christ as their Saviour.

ALL CLEANED UP — An example of what can be done to improve the appearance of rear quarters of Northville establishments was shown this week by Howard Anderson (above), proprietor of the Old Mill restaurant. Last week, a trash fire smoked up the back entrance and made a mess in general. Anderson not only cleaned up after the fire, but painted the back wall and removed accumulated trash. The improvement has brought a number of pleased comments.

At Optimist Parley

Representing the Northville Optimist club at the recent state convention at Holland were William Taft, president-elect, and Paul Folino, sergeant-at-arms, and Mrs. Folino. They saw Edward J. Vogt, a Battle Creek industrialist promoted to the governor's job. Jon Patterson, Waterford high school student, defeated the winners of the five regional competitions in the annual Optimist oratorical contest.

Shutterbug Harold Gets Second Award

Still another photography award was received this week by Harold Hartley, Jr., 16, a student at Northville high school.

A photo showing action during a Northville Merchants baseball game at Cass Benton park last summer has received a commendation in the sports category of the National Scholastic Arts judgments in New York. Earlier, a photo of Greenwich village at night won an honorable mention in the same judging. Both photos have appeared in The Record within the past two months.

BAG BEARS — A hunting trip in Canada last week proved successful for both of these Northville sportsmen. Dr. L. W. Snow (right) and C. A. Hoffman each killed their black bear with a single shot. Dr. Snow's prize weighed in at more than 300 pounds, a record for the hunting lodge where they stayed. Both Dr. Snow and Hoffman intend to have rugs made from the skins. The animals attracted a crowd of avid youngsters.

Girls' Ball Team Lacks a Sponsor

Northville's new senior girls' softball teams is all set to swing into a summer of action on the diamond. The girls, 18 and older, will compete in a full league schedule starting next week. The exact schedule has not been decided on.

Home games will be played on Fridays at 6:15 at diamond 2 on Cass Benton park. Most away games will be played under the lights in other cities.

The girls team, organized this year for the first time, will compete in a league against teams from Ann Arbor, Garden City, Plymouth, Ypsilanti, Wayne and Detroit House of Correction. The league has been organized by the Garden City Recreation department.

Johnston is still looking for a merchant or organization to sponsor half of the team. C. A. Smith, of Smith Products, has already agreed to sponsor a share of the team.

With Hill and Johnson in Europe

Life is Leisurely in Vienna

Looking back on Vienna, Austria, I believe that it is one of the show places of Europe and a "must" for the average tourists such as Carl and I.

The city is only in its third year out of the occupation and its "Tri Partiti" division of the city.

Unemployment and localized inflation plague the people but they are cheerful and apparently grateful to be on their own again. The rate of exchange is 24 schillings to the U.S. dollar and thus the prices for an American are quite reasonable.

Cliff Hill and Carl Johnson returned to Northville this week. A report of their impressions of Russia and other highlights will be published next week.

able. Like other European cities, a black market for U.S. hard cash exists (but not for traveller's cheques) on this illegal transaction, you may get as high as 60 schillings for one U.S. dollar.

Vienna is trying desperately to recapture its old pre-war charm. Coffee houses line the sidewalks with a new way of making coffee by forcing steam through freshly ground coffee at high pressures — they are called "Espressos".

These Expressos sell only coffee, tea, and one or two varieties of cake — I'm afraid they'd "go for broke" in the U.S. but the leisurely Viennese keep them crowded from noon till midnight.

Local management has imported the LaScala opera company from Milan, Italy. We attended Rigoletto there and, while I am no great opera fan, I must admit that it was very good. The scenery and costumes looked "fired" but the music was wonderful.

Cars are prohibited by law from blowing their horns unless an emergency exists. However, from the sounds I noticed many emergencies must occur each five minutes.

During the day all traffic lights

are operated manually by the traffic cop in charge of the corner. At night the same light becomes only a caution blinker. I think the flow of traffic is thus better regulated than in the United States. Certainly there is no jam of traffic against a red light while a green light is wasted on a traffic free side street.

Horse lovers in Northville would enjoy the Sunday morning show at the Spanish Riding school held in an old palace, once the riding hall of the Austrian Kaiser. They use only Arabian stallions and they are excellent performers. I was told an American purchased one of their best horses for \$20,000 in U.S. currency this last April.

The Austrian apparently is not too worried about the plight of his country or its living conditions or finances. He is strongly anti-communist, leans slightly toward Socialism, is devoutly religious. The American tourist is heartily welcomed in Vienna, not only for the money he may spend but for the friendship he creates between the two countries.

The more I see of Europe, the more convinced I am that if the little people of the world could visit together and understand each other the dangers of war would greatly diminish.

Aluminum Windows & Doors SOLVED THEIR PROBLEM

BEFORE — Windows on the porch of the R. E. Parmenter residence, 708 East Baseline, had to be removed. What's more, installation of screens in the summer usually meant the porch got wet when it rained.

AFTER — Now in seconds windows can be closed from the inside, or changed to screens for summer enjoyment. Notice, too, how aluminum windows and doors brighten the home. For free estimates on your home call us today. We bring samples to your home and each window is measured and pre-built to fit.
