Council Awards Bid; Gets Good News On Equalization

In a brief formal meeting followed by a longer committee session Monday night the city council awarded earth removal contract to the Motor City Excavating company on a low bid of 20c per cubic yard. The project is a part of the water line installation along Hill street to the Northville Heights subdivision and from the subdivision to the reservoir, as well as across the new high school property. Motor City Excavating had already won the water line bid, but was called upon to bid again after the earth removal project had not been adequately covered in the original bidding. Three other contractors bid for removal of the earth.

The complete bid by Motor City now totals \$4800, less than half the original estimated cost of the project. Work on installation of the line began this week.

In other business the council learned that the difference in the state equalization factors between the Wayne and Oakland county sections of the city had been narrowed considerably.

Last year these factors, which are used to determine the state equalization of valuation of property for school tax collection purposes, were 2.41 in Oakland county and 1.73 in Wayne. The city's reassessment program last winter reduced both factors to 1.19 and 1.14, respectively. In dollars and cents, this means that Oakland county city residents who were paying approximately \$14 per thousand and dollars of assessed valuation more than their Wayne county neighbors will now have the difference narrowed to approximately 40 cents per thousand.

Local Merchants Stage Dollar Days Promotion

For the thrifty housewife who knows a bargain when she sees one, and just can't bear to pass up a real value, Friday and Saturday will be very trying days, indeed.

Twenty-eight Northville merchants have banded together to offer hundreds of outstanding savings on almost every kind of merchandise imaginable.

The occasion is the city-wide Dollar Days, sponsored by the Northville Retail Merchants association. If low prices will bring business to Northville, the retailers believe that Dollar Days will fill the stores with shoppers.

No one has been forgotten in the parade of values. There are special prices on items for every member of the family, as well as for the home. Every merchant has been urged by the committee planning the Dollar Days' event to offer the best buys possible for the two-day celebration.

Some of the items have been reduced to sell for \$1.00, while higher priced values are substantially reduced to attract the shopper.

A few of the bargains Northville shoppers can find this week end include: \$5.75 men's expansion watch band, \$1.00; set of eight glasses, \$1.00; chance to buy a television set for \$1.00; 55c men's socks, 4 pairs for \$1.00; nylon hosiery, 2 pairs for \$1.00; table lamps (with the purchase of another lamp, \$1.00); half-gallon of ice cream, 50c; men's knit shirts, \$1.00; set of three hammers for \$1.00; and on and on the list goes.

You'll find more values in the advertisements throughout the pages of The Record. Pick out your favorites and then take off on a week end shopping spree confident that you'll be saving dollars on Dollar Days in Northville.

Summer Stay in Europe Awaits 5 NHS Students

Five Northville students will be touring Europe this summer, but they won't consider themselves tourists, student Carol Krezel says. The secret is that each will be a full-time member of a part-time family there, and thereby, a kind of pressure-cooked native.

Among the many "exchanges" sponsored and selected by the Washtenaw and Ann Arbor Council of Churches are Ray Dahl, Salem Road; Chris Krauter, Rayson Street; Julie Older, South Rogers; Carol Krezel, Meadowbrook Road; and Bob Trombley, Napier Road.

The five left Northville Monday and, after stopping in Newfoundland and Ireland, disembarked in Amsterdam and separated. They won't be together again until they meet for the trip home at the World's Fair on August 22.

Ray Dahl will live with the six-member Stewner family of Nienberg, Germany. Since he has quite a few German friends already, Ray expects the experience to be "most interesting."

Bob Trombley will be part of the Hilla family in Kiel, Germany, and with a lifeguard "brother," should get at least one dip in the Baltic Sea.

Carol Krezel is especially excited about living on a Dutch farm. The Boersma family of Groningen has promised to show her most of the country, but Carol plans to return for a longer stay soon, via youth hostels.

Chris Krauter, who is already a little ancestrally acclimated, will stay in the German village of Buer, near Osnabruck, not far from his grandparents' former home. He'll be hitchhiking all summer with his "brother" Ralph Mehrpohe, through England and Scotland.

Julie Older plans a busy schedule which includes ballet and flute lessons in Hanover, near Wunstorf, Germany, where she'll be living. Half her summer will be spent with the Dr. Gauger family, and the other, with the Dr. Joswich's. But since both are dentists, Julie can be equally content.

All the students stress the influence of the Northville student exchange program on their interest in going to Europe.

They express their appreciation to Northville residents, who, by lodging foreign students here, enable local young people to learn first hand about ways of life in other parts of the world.

Begin Instruction On How to Use New Dial System

Northville telephone users are getting a sneak preview of what their service will be like when the new dial system goes into operation on July 20.

Operators have begun the job of calling every customer affected by the change. This gives users an advance opportunity to try their hand at dialing a few numbers and familiarize themselves with such things as direct distance dialing, dial tone, and busy signals.

"We know that many persons are familiar with the dial operation, but there are many others who are not," said John Kamego, area manager for Michigan Bell Telephone company. "And even those who have used dial phones probably aren't familiar with direct long distance dialing."

Kamego said the sneak preview also is valuable in that it constitutes an acid test of the new telephone equipment's readiness.

Each customer is called, then asked to dial a number. As the subscriber dials, the numbers automatically are recorded on special test equipment. Any inaccuracies in dialing or in equipment show up as ink marks on paper tape.

From such marks, specially trained operators can determine whether the equipment is working properly. If the telephone user has any trouble mastering the dial, the operator will assist with instructions.

Kamego said sneak previews have proved helpful in making the switch to dial smooth and easy in other Michigan communities.

"We've found that such trial calls and the dial demonstrations at schools and club meetings have enabled customers to learn to use the dial quickly and effortlessly," he said. "Under these circumstances, there are few cases of wrong numbers or overloads on the dial equipment."

The new Fieldbrook dial exchange includes Novi township, where many dial phones have been in service since last year.

Donations Continue To Comfort David

A woman's last wish and an Explorer troop's good deed made David Rochon a little happier last week.

Residents along Horton street had collected \$15 to send flowers for the funeral of a neighbor's sister.

But when the flower money was presented, the neighbor told them instead to give it to David because her sister "would have wanted it that way."

Ten boys of Explorer Troop 242, who have worked for months to raise money for a trip to Yellowstone Park, turned \$15 of their proceeds over to David. They promised that if any money is left after their trip, it too will go to David.

Other persons also have helped. Money was left at a drugstore for medicine. A Northville druggist offered any necessary medicine at cost.

Other money was left at The Record for the David Rochon fund.

Meanwhile, David — suffering from an incurable brain tumor — had a restful week and even managed to sit up for awhile the past few days.

Thieves Net \$300 In Two Break-Ins

Thieves made off with more than \$300 and caused another \$300 in damage in two break-ins in Northville recently.

The Bel-Nor Drive Inn on South Main street was robbed early last Thursday.

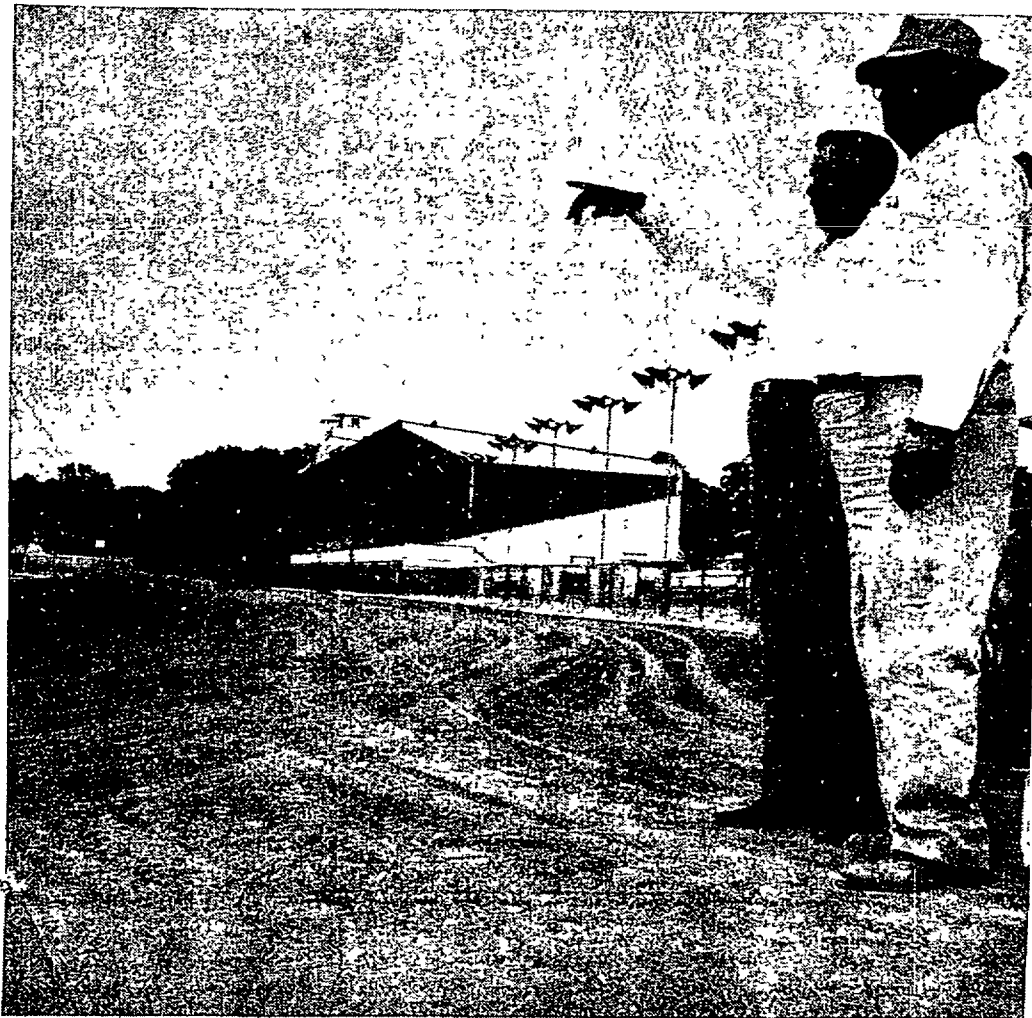

Thieves smashed a window adjoining the front door, and reached in to unlock it.

They pried open a cigarette machine, taking \$66 in change and causing approximately \$10 damage. They also made off with a cash box containing \$200 and all employee health cards.

On June 12, thieves ransacked the Amerman elementary school. Prying a door open, they entered the office, opened storage closets and desk drawers.

Principal Richard Kay said \$100 in cash was stolen. He estimated damage to be \$300.

Downs to Open Monday; May Be Best Year Ever

NEARLY READY — Northville Downs General Manager John Carlo points out a few last-minute details to Trackman Charles Coon as the Downs gets ready for its opener next Monday night. Crews have been working steadily to prepare the Downs for its 15th meeting.

Hospital One of Nation's Best

Northville State hospital received approval of the American Psychiatric association, becoming one of 13 such state institutions in the country.

It was the only Michigan hospital to be granted full approval. Hospitals in Pontiac, Ypsilanti and Traverse City were conditionally approved.

Explaining Northville's unique success, the hospital's superintendent said:

First, it is a new institution physically, and again, unlike the others, hasn't, due to its newness, been forced to accept patients to the point of overcrowding.

The greatest credit for its success, however, Dr. Brown attributes to Northville's fine clinical program in research and training. "We're really proud of the combined work of our staff," he says.

To win APA approval a state mental hospital must attain an average of at least 70 percent in all standards which the association fixes. Certain essential departments, such as medical and nursing care must rate at least 75 percent.

Conditional approval indicates some shortcomings in program or facilities, and gives the hospital three years to improve.

Northville is also exceptional on another account. It has a higher ratio of employees to patients than any of the other institutions.

The inspection committee for the state legislature has criticized this ratio from the point of appropriations, but Dr. Brown says that from the recent approval, "It's evident that the hospital is working along the right lines."

Northville hospital has previously applied to the state for funds to cover costs of the APA examinations, but has not been successful. This was the first inspection of Michigan hospitals by the APA, and financed by a private fund, the McGregor fund.

The APA examinations were held last October and November. Since then, over-all state appropriations to the hospital have been cut, and Dr. Brown declares, "Northville has been forced to take a step down." But rather than dismiss its staff in any single areas, certain departments have just been put on part-time schedules.

Future plans of the hospital include study of the possibility of setting up a vocational rehabilitation program with the aid of the state Department of Vocational Rehabilitation, for patients while they are in the hospital.

Harness racing will return to Northville Monday night when Northville Downs — the state's pioneer para - mutual harness track — begins its 1958 meeting.

With the running of the first race Monday, the Downs will embark on a 36-night schedule that will carry over until August 9.

Downs officials are hopeful that the 1958 meeting may be the most successful in history.

For one thing, Northville again is operating during traditional summer dates after having had April and May dates last year.

For another, attendance at the current Hazel Park meeting indicates that Michigan harness racing is in for a record-breaking year.

"Business is up by 25 percent at Hazel Park," said Downs General Manager John Carlo, "and usually such a trend carries through to other tracks."

Last year, despite cold and inclement weather during the early spring dates, the Downs showed less than a two percent drop in betting.

Daily average handle in 1957 was \$249,917, for a total handle of \$9,496,850. Of this, the city received \$90,289 in state tax revenue rebates. (The city's take was actually up from the shorter 1956 meeting, when it reached only \$85,000.)

More than 500 horses are already quartered on the grounds and the capacity of 750 is expected by Sunday when horses stream in from throughout the east and midwest, including Hazel Park.

In case of an overflow, Carlo has made arrangements to quarter horses at Fowlerville and Adrian.

Fans will find one major improvement at the plant. A former trailer lot across from the track has been converted into a parking lot to handle upwards of 400 cars. Last year, lots were often filled to overflowing on Friday and Saturday nights.

The 1958 stakes program is identical to last year's and promises to be the best ever staged in Northville, Carlo said. It starts with the \$10,000 added TransAmerica Pace on the Fourth of July and includes four \$5,000 events on successive Wednesday nights, starting July 16. The first race is scheduled nightly for 8:30 p.m. Nine events are listed for each program.

Jack Ackerman, from Brown Valley Farms, will be back to defend his 1957 driving championship. In 1957, he compiled a .532 average, one of the highest in the nation.

He will be joined by such favorites as Dana Irving, Tommy Winn, Don Hall, Joe Lighthill, and Don and Wally McMurray.

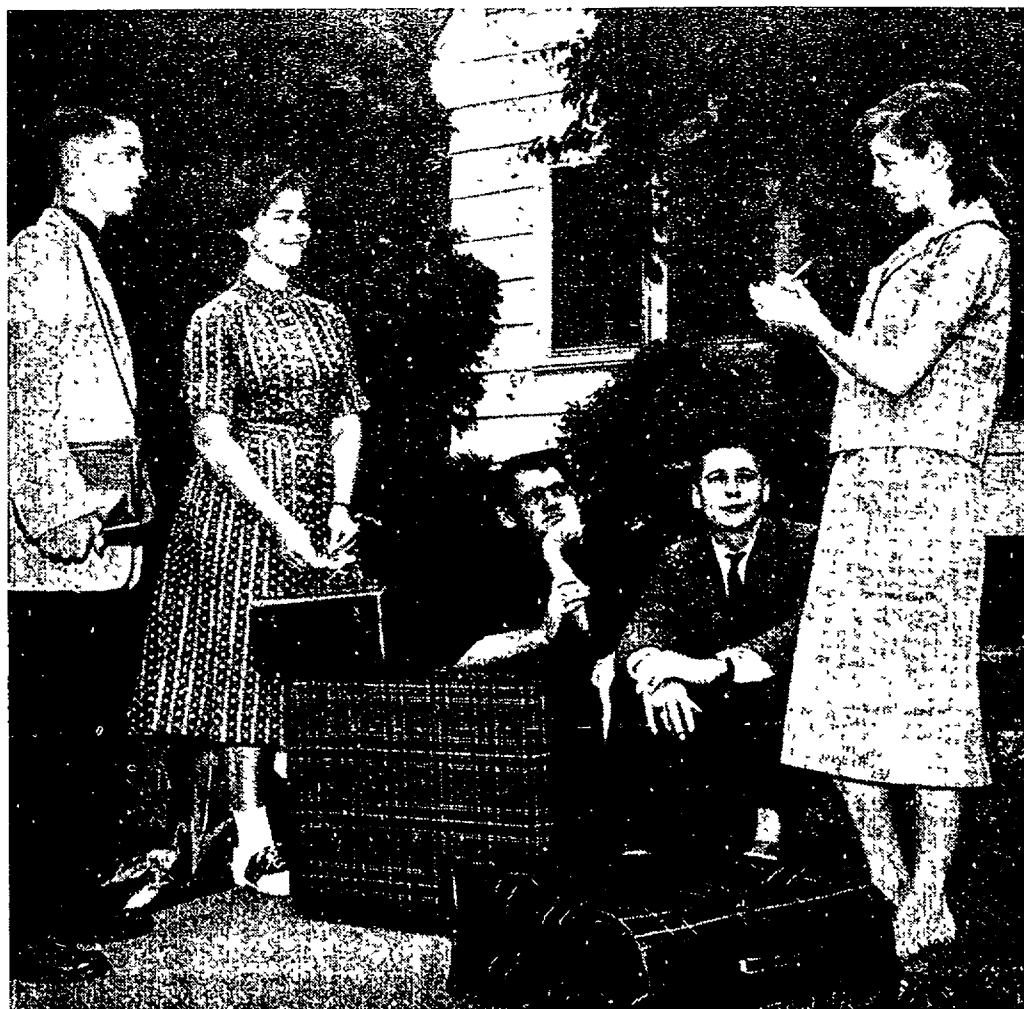

The Downs' all-time records, all set in 1955, include: largest average nightly handle: \$255,843; largest single night: \$349,150; largest opening night: \$296,621; most betting on one race: \$59,193; largest daily double pool: \$23,134.

Delay Publication Of Ely Contributors

A last minute rush of contributions to the Claude N. Ely Memorial fund has prompted committee members to delay publication of donors until next week.

A. Russell Clarke, Manufacturers National Bank vice president, pointed out that the fund was safely over its goal. He advised delay after receiving several calls indicating that contributions were to arrive later than the June 20 closing date.

Because of the late mayor's long association with Detroit Edison, the fund will be invested in company stock and interest used to make an annual cash award to a resident selected for a significant contribution to the community.

OFF FOR EUROPE — Julie Older (right) jots down addresses where she can write her four fellow Northville high school students who left for Europe Monday. Waiting to leave with Julie are (left to right) Bob Trombley, Carol Krezel, Ray Dahl and Chris Krauter.

Nancy Stamann Married To Donald E. Pounders

Nancy Ellen Stamann became the bride of Donald E. Pounders, June 14, in a pretty spring setting of white gladioli and mums, at the First Methodist church. Rev. Paul M. Cargo officiated for the evening ceremony.

Nancy, the daughter of Mr. and Mrs. Walter Stamann of Thayer Bend, was given away by her father. Her matron of honor was Mrs. Richard Davis. Judith Stamann, sister of the bride, played the wedding music.

Don, the son of Mr. and Mrs. Oather Pounders of Howell, chose Carl Locke of Royal Oak as his best man.

The bride wore an aqua sheath with an over-dress of white lace, and a white carnation corsage. Matron of honor wore a yellow and white lace sheath dress and a corsage of yellow roses.

Mrs. Stamann chose a blue embroidered silk sheath. Mrs. Pounders wore an aqua dotted Swiss dress.

A reception for fifty was held in the church. Guests came from Howell, Royal Oak, Clawson, Ypsilanti, Cheboygan, California, and Northville.

The couple will live at 219 Hutton street in Northville.

First Colony Concert Sunday

The second season of Plymouth Colony Concerts, a favorite summer activity for many Northville residents, will begin this Sunday under the direction of Wayne Dunlap.

Four programs are scheduled in all, to be held on alternating Sundays.

Modern composers as well as the old masters will be featured this year. Sunday's concert presents Schubert's "Rosamunde", Lalo's "Symphonie Espagnole", Beethoven's "Janean Symphonie", "La Oracion Del Torero", by Turina, and Borodin's "Prince Igor". Violinist Emily Mutter Adams is guest soloist.

The concert site is at the Plymouth Colony Farms, three miles west of Plymouth, between Joy and Ann Arbor Roads. It holds a natural amphitheater among willows and small lakes.

For audience convenience, the entire area is sprayed before each program. Chairs are furnished for those who don't bring blankets to spread on the ground. Refreshments and picnic facilities are available. Free parking is provided off the Joy Road entrance.

Time for the concerts has been set for 6 p.m., an hour later than last year.

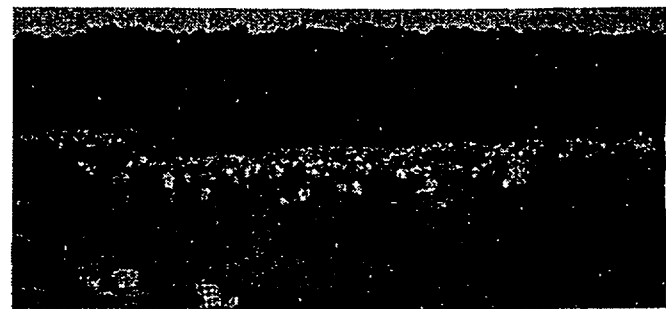

Family tickets for the Series are \$7.50; for a single concert, \$2.50. Individual tickets for the Series are \$4.50.

Art Contest, Too

An art competition will be held under the auspices of the Plymouth Colony concerts this summer. All artists in the area are invited to enter.

Painting (oil or watercolor) must be the result of on-the-spot sketches or completed work done at the scene of one of the concerts.

For further details call Mrs. Marjorie Becker, president of the Three Cities Art Club, at Northville 1463-M.

Engagement Announced

Mr. and Mrs. Calvin F. Daigle of Carlisle drive announce the engagement of their daughter Elizabeth Lynn to Harold E. Wilson, son of Mr. and Mrs. Elmer H. Wilson of West Main. The wedding date has been set for September 6.

Both the bride-elect and her fiancé attend Michigan State University.

BPW Has Jolly Time

The Northville BPW closed out the year with a June meeting in the form of a fun night Monday, with 34 members and guests going on a Greyhound mystery trip.

The group dined at the Killarney Castle Supper club in Windsor, Ontario, and members were presented with gifts and prizes by the tour's master of ceremonies. Bea Carlson won the "spoofers" medal.

The program was under the direction of the Public Affairs committee, Natalie Hiltz, chairman.

Regular meetings will resume in September.

SONG SESSION for the Maidments finds Lois at the piano with her parents and sister, Suzanne, gathered around. Both girls play the piano.

The Ray Maidments have an especially brisk time of being "just an average family" as Mrs. Maidment describes themselves.

Golf and gardening enthusiasts, Mr. and Mrs. Maidment have just finished setting up a family badminton court, while their piano-playing daughters, Suzanne, 16, and Lois,

14, look forward to horseback riding which they didn't have a chance to learn in their former home in La-Grange, Indiana. The girls, also cheerleaders in their old high school, will attend Northville High this fall. Red-head Ray Jr. ("Rusty"), 18, is studying journalism and forestry at Montana State university. The Maidments arrived two weeks

ago and live at 4355 West Six Mile road. Mr. Maidment is a buyer for the Ford Motor company in Dearborn.

"We enjoy our home with these lovely trees," says Mrs. Maidment. She and her husband are eager to start "working in the garden" and will be keeping their eyes open for golf courses nearby.

Mrs. Meyer Attends National Church Meeting

Mrs. Howard Meyer of Eight Mile Road is representing the First Presbyterian church of Northville at the fifth quadrennial national meeting of the Presbyterian women's organizations, at Purdue university, June 25 through July 1.

Highlight of the meeting will be adoption of a Charter for Christian Action, concerning Church problems on local, national, and world-wide levels.

Host Past Matrons Club

Mr. and Mrs. William Monroe and Mr. and Mrs. Walter Miller will entertain members of the Past Matrons club, Orient Chapter No. 77, OES, their husbands and past patrons and their wives, at a cooperative picnic in their adjoining homes on Pettibone lake next Sunday.

Mrs. Joseph Sands Exhibits Painting

Mrs. Joseph Sands of Napier road will be represented by her painting, "Red Moon" in the Palette and Brush club's annual exhibit of oils and water colors at the J. L. Hudson company Fine Arts Galleries, July 7 to July 19.

Goodwill Workers In Need of Discards

Goodwill pick-up trucks will be in Northville next Tuesday, July 1, for your discards of clothing, shoes, hats, toys, furniture, and other household items.

"There is always a decline in the amount of repairable discards donated to Goodwill Industries during the summer months," said Mrs. Lora Ault, Goodwill's telephone representative in Northville.

"The handicapped workers at Goodwill Industries, who depend on discards for their pay check, have issued a request for those who have Goodwill bags that are half filled to make an extra effort to fill them immediately."

There is no backlog of material at Goodwill Industries for the workers to process. They are on a day-to-day basis, and without discards, there will be no pay check for nearly 450 handicapped persons, said Mrs. Ault.

To arrange for a Goodwill Industries truck pick-up, call Mrs. Ault at GR. 4-4294.

Mark Twenty-Fifth Wedding Anniversary

Mr. and Mrs. Warren Sterling of W. Seven Mile Rd., celebrated their 25th wedding anniversary Sunday with a family gathering.

Thirty guests were present from Muskegon, Lansing, Jackson, Howell, Hartland and Ypsilanti.

A buffet dinner was served with a special treat of homemade ice cream and a four tiered anniversary cake.

Everyone enjoyed outdoor activities and movies of a recent family wedding.

Births

Mr. and Mrs. Victor Lonn of Apolo street announce the birth of a son, Victor John. He was born June 17, at Grace hospital in Detroit and weighed eight pounds and ten ounces. The baby will be welcomed at home by four sisters, Judy, Vicki, Patty and Libby.

Mr. and Mrs. Eugene King of South Rogers are parents of a boy, Charles Frederick, born June 21 at New Grace hospital in Detroit. Charlie, whose father is a Northville policeman, was a husky nine pounds, nine ounces, 21½ inches long, and came equipped with a thatch of auburn hair.

Mr. and Mrs. Barton J. Connors of Clarkston announce the arrival of a daughter, Shelley Kathleen, on June 8, 1958, at St. Joseph's hospital in Pontiac. The baby weighed seven pounds, 12 ounces.

Obituary

PVT. ROBERT R. BESSEY

Pvt. Robert R. Bessey, 19, who attended school in Northville, was killed May 29, in a car-bus crash in Heidelberg, Germany.

He is the son of Orlando Bessey, 33626 Calumet and Lucille H. Bessey, 36012 Glenwood in Wayne.

He is also survived by two brothers, Harold M. and Richard Orlando. Robert was buried at the Rural Hill cemetery.

MRS. SELMA M. SOMERS

Mrs. Sommers, 46041 West Nine Mile road, passed away June 21 at Sessions hospital. She had been ill for the past year. Mrs. Sommers was born in Millington, Michigan in 1921. She and her husband, Harry C. Jr. lived in Northville since their marriage in 1944. She leaves her husband and two children, Dale and Judy. Mrs. Sommers is also survived by her parents, Mr. and Mrs. Fred C. Heidt of South Lyon; a sister, Miss Barbara Heidt, also of South Lyon, and five brothers, Darold of Dexter, Arnold of Plymouth, Fred Jr., Raymond and Wilford, also of South Lyon. Prayers were recited by friends Tuesday at the Casterline Funeral home and services will be held today (Thursday) at 2 p.m. from St. Paul's Lutheran church, Rev. B. J. Pankow officiating. Interment will be at Glen Eden cemetery.

MRS. MARTHA LOUISE BAUM

Mrs. Martha Louise Baum, 56140 West Nine Mile Road, died suddenly of a heart attack June 13, in Ridewood hospital, Ypsilanti.

Mrs. Baum was born in Germany in 188. Her late husband, Charles, had been on the Northville police force before his death 4 years ago. She is survived by two sons and two daughters, two sisters, Mrs. Nellie Schupbach of New Philadelphia, Ohio, and Mrs. Antoinette Braun, Dover Ohio, ten grandchildren and one great grandchild. Her eldest son, Clarence, has a radio and television repair business in South Lyon and at one time was on the Northville police force.

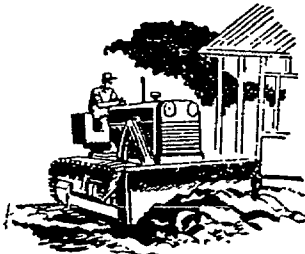

Mrs. Baum's funeral was held June 16 from the Lents Funeral Home in Wayne. Pall bearers were her grandsons: Donald Baum, Philip Rosendal, Lawrence Rosendal, Stanley Gurney; son-in-law, James Rosendal, and Frank Roberts. Interment was at the Grand Lawn Cemetery.

HARRY M. SHRIMPTON

Mr. Shrimpton, 9006 West Seven Mile road, passed away June 23 at Atchison Memorial hospital. He was born February 27, 1888 in London, Ontario, the son of Harry M. and Harmony (Davis) Shrimpton. He never married. Mr. Shrimpton is survived by one sister, Mrs. Nina S. Brown of Currie road. The funeral will be held today (Thursday) at 2 p.m. from the Casterline Funeral home with the Rev. Fred Kolbe of the First Presbyterian church officiating. Interment will be at Parkview Memorial cemetery.

C. DON HICKS

Mr. Hicks, 21411 Salfbury drive, Grosse Ile, died suddenly June 25 at his home. He was 41 years old. Mr. Hicks lived for several years on Bloomcrest drive in Northville. He is survived by his wife, Betty; his mother, Mrs. Jean Hicks of West Main street, and children, Jim, Stephen and Holly. Funeral arrangements have not been completed.

Witnesses to Hold Biggest Convention

Jehovah's Witnesses from the Plymouth congregation today announced plans are under way to attend an international convention of Jehovah's Witnesses in New York city this summer.

Mr. C. C. Connee, presiding minister of the local group, said the convention could well be the largest in the history of Jehovah's Witnesses. It is scheduled for July 27 through August 3 and will be held in Yankee Stadium and the Polo Grounds simultaneously.

The last international convention, attended by many local Witnesses, was held in 1953 in Yankee Stadium and reached a peak attendance of 165,000 including the overflow audiences. Watchtower officials, Mr. Connee said, have arranged this year for the program to be held in both places, with most program features repeated at the Polo Grounds immediately following the first presentation in Yankee Stadium.

The Watchtower Bible & Tract Society, governing agency for Jehovah's Witnesses, has been making special travel arrangements for foreign delegates. Many missionaries who have served in other lands will also be brought to the United States for the Bible convention. Purpose of the gathering is to provide stimulus for the New World society of Jehovah's Witnesses in Christian association, Bible instruction and ministerial training. This, Mr. Connee said, is in accordance with provisions made for God's people in Bible days.

Mr. Connee stated that it is not yet known how many Witnesses from the area will attend, but he added, special travel arrangements are being made by plane, train and many will travel by automobile. He said further it may be necessary to make limited meeting arrangements or cancel local meetings altogether during convention time.

Thanks from Scouts

To the Editor:

Explorer Post 242 wishes to extend its thanks to the people of Northville who contributed to the success of the rummage sale. Special thanks to Paul Palmer for the loan of his trucks and the jobs which enabled us to earn so much toward our goal; to Gerrie Graham for baking the bread for our three bake sales; to Rev. Cargo for the use of the Methodist church hall when we were forced to change locations for the rummage sale; to Mrs. J. Leavenworth and Mrs. P. Russell for conducting the rummage sale; to the merchants of Northville for their kindness and generosity; to Mrs. Ann Aenebach for her help on the car wash; to Mr. F. Howell for the use of his Jeep for our trip; to Bill Madigan for the use of his camp trailer; to our sponsors, the Optimist club, for their contributions to our fund; and last, but not least, to Bill Sliger for the publicity he has given fund raising projects in the Northville Record.

Very sincerely yours,
Explorer Post 242

Masons to Perform In York Rite Day

Northville Masons will participate with Masons of several other Michigan cities in the York Rite Day ceremonies to be held in Wayne all day July 12.

Grand High Priest of Wayne chapter No. 182 and guest speaker, Oslo Meyers, invites all Michigan Masons to attend. Wayne is an especially appropriate place for the popular ceremony now since its lodge No. 112 celebrates a 100th anniversary this year.

The Northville Commandry will put on the Mark Master Mason degree at 9:00 a.m. and Northville Union chapter No. 55 will exemplify the Past Master degree at 9:30 a.m. Luncheon will be served 11:30 to 12:30 in the dining room of the Wayne Masonic Temple. There will be a small charge. Dinner will be served at the Methodist church on Newberry and Main streets, from 6:15 to 6:30 sharp.

In Wixom Village:

To Hold Blood Bank July 29

Mrs. Charles Ware — Market 4-1601

There will be a blood bank at Wixom on July 29 from 2 to 8 p.m. Anyone interested in donating can call Mrs. Joseph Stadnik, MA-4-1606 or Mrs. Ruth Madigan, MA-4-2053.

The Wixom Council will meet tonight at 8 p.m. All of these meetings are open to the public and the public is urged to attend.

The Lincoln division of the Ford Motor company is supplying a Thunderbird with all the signs and Bob Wagnitz is designated to drive it in the Mackinac bridge celebration as Wixom's contribution toward making the celebration a success.

Henry and Jan Madigan have gone to Belmont, Massachusetts to spend the summer vacation with their aunt.

The St. William's Rosary Altar Society made a profit of \$475 on its rummage sale which was held on Friday and Saturday of last week.

On Sunday, June 22, Mr. and Mrs. Patrick Brady of Eight Mile road, Northville, with their daughter, Denise, and her fiancé, went to Detroit to watch Cleveland and Detroit play Gaelic football and see Detroit defeated 7 to 6. The Charles Wares also attended the game.

Miss Hilda Furman spent last Wednesday and Thursday in Detroit and was one of the guests attending a Thursday luncheon at Botsford Inn and a dinner at Stouffers honoring Cad Trelour on her retirement from the Detroit school system.

Mrs. Lottie Chambers has returned to home in Wixom from Mount Sinai hospital.

Mr. and Mrs. Ed Wendt will be at Hale, Michigan for a few days.

The cub scouts had their final indoor activities of the season Tuesday evening.

Ninety cub scouts accompanied by Scoutmaster Bill Abrams and Assistant Del Bourgeois and their parents will travel to Cranbrook and spend the evening at the planetarium.

On Saturday evening, the annual celebration at the Finnish camp was celebrated by the lighting of a large bonfire at midnight to usher

in summer. This is done on the eve of St. John's day which occurs June 24, or the Saturday closest to that date. It is a custom which has been brought from Europe and is celebrated in all European countries on mid-summer eve.

Last Sunday Mayor and Mrs. Joseph Stadnik and son, Jessrey, were guests of Mr. and Mrs. George Campbell, Sr. of Pontiac at a going-away party honoring Sharon Dagenais, who is traveling to Germany with her husband.

Mrs. Joseph Stadnik entertained her bridge club Tuesday.

DOOMED DEATH CURVE — A year from now, this dangerous s-curve on Northville road south of Seven Mile will be a thing of the past. The Wayne county road commission plans to straighten it out by building a new road from the far curve to a spot near Seven Mile. A four-lane bridge is also planned to replace the narrow bridge from which this picture was taken. View here looks to the south.

Concerts in Park Begin Wednesday

The Northville high school concert band will begin its summer series of concerts in the city park next Wednesday.

Concerts will be presented each Wednesday evening for the next five weeks, beginning at 7:30. In case of rain, they will be held in the community building.

Student conductors will conduct major portions of the concerts. Frank Pearson, director of bands at Albion college, will conduct at one of the Wednesday evening programs. Other guest conductors are now being contacted.

The summer concerts will feature marches, pop tunes, and Broadway musical numbers as well as selections from the classics.

City Tax Notices To Arrive July 1

City tax bills were being prepared this week for mailing on Monday. The 1958 notices will be charged at a tax rate of 11.5 mills per thousand dollars of assessed valuation.

Actually, taxpayers will be paying approximately the same amount of money to the city as they did last year under the 19.5 mill levy. A re-assessment of all property during the winter enabled the council to lower the tax rate by 8 mills and still raise the same amount of tax dollars.

City taxes are payable at the city hall through August 31 without penalty.

Optimists Conclude Sessions for Summer

Northville Optimist club members viewed a color film concerning the construction of the Mackinac bridge Wednesday night. The program was presented by William Milne.

The club learned that more than \$1,000 was earned for charitable activities at the Optimist-sponsored rodeo.

Meetings of the Optimists will be suspended for the summer until September 10.

Snakes, Planes Keep Wixom Webelos Busy

Wixom Webelos and Cub Scouts have been on the go lately.

Recently Del Bourgeois and Warren Henderson treated the Webelos to an airplane ride.

Leo Harrawood flew the plane. Boys present were David Meijnecke, Rick Brackett, Pete Noirel, Dan Burns, Guy Bourgeois, Mike Ferguson, Fred Ferguson and Jeff Stadnik.

Saturday, Bourgeois, Bob Blair, George Baltzer and Lincoln Meijnecke took 11 cub scouts to "Snakes Alive" on US-10. The boys enjoyed seeing a collection of all kinds of reptiles.

On June 24 Cub Scout Pack 113 will wind up the year's activity with a trip to Cranbrook planetarium.

THE SCIENCE OF PRAYER

"There are more rules for getting prayer answered than rules for getting a check cashed," writes the Editor of a Christian Magazine. Most people have the erroneous idea that God hears and answers all prayers. A careful study of the Doctrine of Prayer as written in the scriptures prove that God hears and answers prayer under certain conditions. The basic requirement is, the individual must have access to God. Since man is separated from God because of his sin, he stands in need of a mediator. II Tim. 2:5, "For there is one God and one mediator between God and men, the man Christ Jesus." If a man has repented of his sin and places personal faith in Christ, then and then only he has access to God. The second requirement is that he must pray in the name of Jesus. John 14:13, "And whatsoever ye shall ask in my name, that will I do —". This is more than a formula with which to close our prayers. It means that we are asking in the merits of Jesus Christ and not our own. The third rule, we must be obedient to Him. I John 3:22, "And whatsoever we ask, we receive of Him, because we keep his commandments and do those things which are pleasing in his sight."

Wixom Dodgers Win 1st; Grand-Slam Aids Orioles

The Wixom Dodgers came from behind in the final inning Sunday to trip the Walled Lake White Sox, 8-6, for their first win in Babe Ruth play.

Behind 6-5 in the seventh, Wixom loaded the bases on walks and tied the score on Bob Tuck's single to center. Two more singles by Bill Smith and Bill Keenan brought in the Dodgers' clinching runs.

Pitcher Neil Salo allowed only five hits and struck out four.

In Little League action, the Wixom Orioles won their second in a row last week by dropping the Union Lake Indians, 9-3.

Jim Hughes, on the mound for Wixom, struck out 12 batters and helped his own cause by slamming out a bases-loaded homer.

Hughes homered twice Sunday, but the four-baggers didn't prevent the Glengary Yanks from taking a 5-4 decision over the Orioles.

Don Rickard pitched for Wixom, striking out seven. Vic Burwell also homered for the Orioles.

In farm team play, Wixom collected 17 hits but fell to Westacres, 22-19. Chris McCall allowed Westacres only 10 hits.

The Wixom farm team made up for the loss Sunday by dropping Glengary, 8-7, in extra innings on Buddy Gross' seven-hitter.

Games for the coming week:

— Little League: Sunday, 4 p.m., at Multi-Lakes vs. Walled Lake; Monday, 6 p.m., at Riley field, v. Multi Lakes.

— Babe Ruth: tonight (Thursday), 6 p.m., Walled Lake junior high, v. Union Lake; Sunday, 4 p.m., Walled Lake junior high, v. Commerce.

— Farm team: Sunday, 4 p.m., Riley field, v. Walled Lake; Tuesday, 6 p.m., Riley field v. Glengary.

THE NORTHVILLE RECORD—Thursday, June 19, 1958—11

Paragon Moves into Lead By Taking Sixth Straight

The red-hot Paragon Steelers took over first place in the Novi Little League last week when they downed the National Bank Bandits in a 5-4 thriller.

It was the sixth straight win for the Steelers and gave them a full game lead over the Bandits, who had led since the season opened.

In what one veteran observer called "the best game ever played in

Braves Finally Allow Run But Still Win 13th in Row

It was a bad week for the mighty Northville Braves; they were scored on for the first time in six games.

But the single run wasn't enough to keep the Braves from winning their thirteenth straight of the season and tightening their hold on first place in midweek league play.

In their last six games (as of Monday), the Braves had racked up this phenomenal record:

Braves 18	Training School 0
Braves 18	Wilcox Redlegs 0
Braves 9	Jefferson Giants 0
Braves 24	Taft Bears 0
Braves 23	Stark Cardinals 0
Braves 2	Pierion Cubs 1

Braves 90

Opposition 1

Though the Braves' batsmen must get considerable credit for the wins, a lot of the team's success goes to Pitchers Craig Bell and Dan Brown. In those six games, the twosomes teamed up for three straight no-hitters, a one-hitter, a three-hitter, and a four-hitter.

Even so, the Braves had to sweat one out last week. It wasn't until the final inning that they pushed Larry Angove across the plate to down Pierion, 2-1.

Bell, meanwhile, was allowing only three hits and striking out 11. He had another scoreless game going until the Cubs tallied in the bottom of the seventh.

Earlier last week, the Braves unloaded a barrage of seven homers to take the 23-0 decision over Stark. Bell, leaving the pitching chores to Brown, headed the homer parade with three four-baggers, followed by Jim Juday, Brown, Mike Zayti and Rick Rebitzke with one each. Juday and Zayti each had triples to boot.

Brown allowed only one hit in the top-sided encounter.

In the meantime, the Northville Orioles picked up a scoreless win of their own to hold on to third place in their division of midweek play.

Billy Lusk allowed but four hits in the Orioles' 8-0 win over the Adams Seals.

The Orioles scored four runs on Seal errors, added another on Gary Guys' triple, and picked up three more when Tom Swiss slapped out the longest homer of the year to drive in two other runners ahead of himself.

Games for the coming week: — Braves: tonight, 6:15, Cass Benton, V. Grant; Tuesday, 6:15, at Wayne Civic, V. Wayne Civic; Thursday, 6:15, at Fisher Body diamond 3, Middlebelt and C & O tracks, V. Livonia Police.

— Orioles: Monday, 6:15, Cass Benton, V. Jefferson; Wednesday, 6:15, Wayne Civic, Wayne road south of Ford, V. Wayne Civic.

Knot-hole Program Starts for 170 Boys

Knot-hole baseball and softball began this week for upwards of 170 Northville boys.

The baseball program, in which boys 9-13 will compete in a four-team intra-city league, will be held each Monday and Tuesday morning.

The softball program is for boys 7-9 years and will be held Wednesday and Thursday mornings.

Both programs will be coached by Bob Visser and Joe Kritch, Jr.

Softball games for the coming week (all at diamond foot of First street): Wednesday — 9:00, Bobcats-Panthers; 10:15, Lions-Cubs; Thursday — 9:00, Tigers-Lions; 10:15, Bobcats-Bears.

Baseball games for the coming week (all at Cass Benton diamond 2): Monday — 9:00, Dodgers, Giants; 10:15, Yanks-Red Sox; Tuesday — 9:00, Yanks-Dodgers; 10:15, Red Sox-Giants.

All Motor Boats Must be Licensed

Boat owners this year must comply with a new boat registration law which went into effect March 1.

Under the new law, all power-driven boats — regardless of size — and all non-powered boats more than 16 feet in length must be licensed by the state and carry a license number if they are used on Michigan's inland waters.

Day Camp Coming Up

Northville's summer-long recreation program will be in full swing Monday when day camp activities begin at Ford field.

The day camp, primarily for youngsters five-twelve years old, will be open daily from now until August 8. Hours are from 9 to 11:30 a.m.

It will include games, songs, work in arts and crafts, and other recreational and educational activities. The day camp will be supervised by Miss Patricia Dorian, Miss Marcia Doeksen, Miss Julie Hammond and Miss Mary Welch.

The program will be free to all children, except for small charges for certain supplies.

Before children can take part in day camp activities, however, they must register at the scout hall (open 8 a.m. to 1 p.m. daily). Registration fee is 25 cents for Northville and Northville township youngsters and \$8 for children from other areas.

Recreation Director Stan Johnston asked parents not to send children younger than five years to the day camp.

"It requires too much supervision when we have pre-school children," Johnston said. "Our staff isn't large enough to watch them that closely, and we wouldn't want some child to be injured."

The day camp will run for only six weeks this year. It was started two weeks later than last year to avoid conflict with vacation Bible schools.

Meanwhile, other activities were going ahead full steam. Some 500 children have now registered for the program, and several hundred more are expected to sign up for day camp.

Nearly 25 Novi children have registered at the \$8 fee. Last year, they were admitted for 25 cents, but the higher registration fee was set this year to help defray the program's cost.

An all-new girls' program under Miss Pat Babel drew large numbers of girls when it began Monday. It includes softball, tennis, golf and archery. See schedule for exact times.

Johnston and several Northville children were interviewed by a WPAG mobile broadcast unit at Whitmore lake last Friday. The interview, conducted by Newscaster Pat Quinn, concerned the daily swimming trips to the lake sponsored by the recreation department.

Despite cool and rainy weather recently, swimming trips have been well-attended. Even more children are expected to go as the weather warms up.

A crowd of youngsters and their parents journeyed to the Detroit Zoo today in the first special event of the program. The next zoo trip is scheduled for July 10.

All baseball and softball teams are now in action. In all, some more than 300 Northville boys are playing ball on 14 different teams.

Class F Team Drops Opener

Northville's class F team opened its season last week on the short end of a 5-0 score.

While Livonia Center was hanging out seven hits, including a fluke three-run homer in the first, Northville was held to a single safety.

Meanwhile, the Northville class E team was due to begin its schedule this week. The league, scheduled to begin play last week, has had trouble getting organized.

Class F games for the coming week: Friday, 6:15, at Wayne Ford Civic League; Monday, 6:15, Cass Benton diamond 1, at Training School; Wednesday, 6:15, V. Bill's Market, at Bill's Market.

Pacer Set for Downs

A young pacer who trained at Northville Downs during the winter and will return to the Downs next Monday has done well for himself already.

Sky Boy, owned by Mrs. DeLorez Doren, recently took a first, two seconds and a third at Hazel Park where he has raced since the track opened May 12.

His winning time, which brought Sky Boy the M.O.B. trophy, was 207.4.

PASTOR'S STUDY

First Baptist Church, Northville

A SAMPLE OF COMING JUDGMENT

Some years ago a Missionary laboring in
the Orient told how the judgment of God
came upon certain in that country. His
report said, "Not long ago in an area where
terrible calamities have followed the wake of
war, the crops were greatly suffering from
drought. Certain Communists made an effigy
of God, had a public trial, and condemned
Him for the drought. They shot Him and
burned Him (in effigy). That evening a
hailstorm arose killing the principle lead-
ers in the case, flattening their houses, destroy-
ing what the drought had left. Those who
love His name, dwelling but a few miles
away enjoyed an abundant harvest. Surely his
judgments are still abroad in this world."

Since we are living in the age of Grace
during which God is not pouring out His
judgments on man as they deserve, trans-
gressors often forget that there is a time of
judgment coming. In Romans 14:11 he
says, "For it is written, As I live saith the
Lord, every knee shall bow to me, and every
tongue shall confess to God. So then, every-
one of us shall give an account of himself to
God". Again in Hebrews 9:27 "And as it is
appointed unto man once to die, but after
this the judgment". This seems so far off to
most people that they tremble not as its pros-
pects. And, "because sentence against an evil

work is not executed speedily, therefore the
heart of the sons of men are fully set in them
to do evil" (Eccl. 8:11). God is still on the
throne and though wickedness abounds on
every side it does not go unnoticed by Him
and will some day bring every work into
judgment.

Returning again to the thought of present
samples of judgment, allow me to suggest
that God has often warned people by wars.
by floods, by hurricanes and startling events.
How quickly we find the "Scientific Answer"
to these calamities of life. How little we are
acquainted with the ways of God in dealing
with the peoples of the earth, therefore we
are blind to God's hand in these events.

Space forbids me to print the text of scrip-
ture, so I would like to have you read Amos
4:6-11 which shows that God uses various meth-
ods to call people to repentance. Some of
these very things are visiting our country
today. We should receive them as warnings of
greater judgments to come. Oh that the blind-
ness of unbelief may be lifted from the eyes
of the people of our nation to see these are
but samples of the judgments to come.

Truth forever on the scaffold;
Wrong forever on the throne;
But that scaffold sways the future;
And, behind the dim unknown,
Standeth God within the shadow,
Keeping watch above His own.

GEORGE C. GREEN of Lambertville, New Jersey doesn't trade cars very often. He bought this 1904 Oldsmobile second hand in 1907 and last week took it for a spin to Montpelier, Ohio. He stopped in Northville to visit Thomas R. Stockton of Angle road, a fellow member of the Early Day Gasoline Engines and Tractor association. Green drove 800 miles in a week. He'll enter the small gasoline engine hooked to the rear of his car in an engines' show in Montpelier.

Graduates Are Entertained

Mrs. Harper Dunlap — Market 4-3200

Saturday, June 14 the home of Mr. and Mrs. Emil Arbour was filled with much excitement and gaiety, as there was a party for Elsie Arbour who graduated Thursday from Walled Lake high school. Out-of-town guests were Mr. and Mrs. Boyce of Windsor, Canada, Mr. and Mrs. Leo Guertin of Inkster, Mr. and Mrs. Leo Le Arry of Dearborn, Mr. and Mrs. LeVigne of Ferndale, also Elsie's brother, Bill, on leave from the Navy.

Out-of-town guests at the home of Mr. and Mrs. Ken Haney of Rexton for the graduation exercises at Walled Lake high school, were Ben Pitcher and his son, Ray, of Cheboygan. Mr. Pitcher is Mrs. Haney's father. His grandson, Ken Jr. graduated Thursday.

Mrs. Don Woodward was one of a group of mothers who chaperoned the second grade of the Walled Lake elementary school picnic June 11 at Bachelor's beach.

Jack Ellison of Berkley is spending his summer vacation with his grandparents, Mr. and Mrs. John Kubeck of West Lake drive. It is expected his sister, Linda, will join him there soon.

Darlene Woodward attended a girl scout picnic at Kensington park on June 12. Darlene is a member of Troop 122. She also had the honor to have perfect school attendance this semester.

Mrs. Ken Haney was rushed to the Pontiac Osteopathic hospital on

Wednesday, June 11 after accidentally swallowing a chicken bone. She was kept in the hospital overnight but returned home Thursday.

Mr. and Mrs. Gates of Wayne have taken a cottage on West Lake drive for the summer.

Mrs. Lil Thornly of Northaven has as her guest her grandson, Billy Elliott of Berkley.

Mr. and Mrs. Cass Bobrowski have as their summer guests, Mrs. Bobrowski's parents, Mr. and Mrs. Claude Stafford of Lakewood, Florida.

★ In Uniform ★

Marine Pfc. John D. Fisher, son of Mr. and Mrs. Phillip A. Fisher of 21501 Currie, Northville, finished four weeks of individual combat training June 20 at the Marine Corps Base, Camp Pendleton, Calif.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling of weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

Thomas Slavens and Joseph Wooten began Army basic training June 2, at Fort Benning, Georgia. Tom is the son of Mr. and Mrs. William Borowski of Maxwell street and Joe is the son of the Peter Wootens of Grace street.

'Unknown' Here, Judy's a Hit in Detroit

SINGER AND MOTHER tune up at the upright. Judy and Mrs. James Hobson enjoy "Summertime" George Gershwin style in their South Rogers avenue home.

Readers Speak Up:

WORDS SO KIND

Dear Editor:
Enclosed please find my check for Dollars Four
That I may have the Record one year more.

May I say that by far The Record is the best,
Of several weeklies which cross my desk.

The Editorials are fair and impartial and to the point.
In guiding local problems that now and then get out of joint.

I note that recently, Bea Carlson was made "Citizen of the Year" — Which to many in Northville must have brought good cheer.

Don't you think it would be mighty fine —

To have Bea Carlson, Michigan Mother of 1959.

You have another fine person, Russell Amerman, Superintendent of Schools —

Who has guided the destinies of Northville's children for 25 years, according to the best of Educational Rules.

I would like to pay tribute to your deceased mayor, Pete Ely —

Who carried the cudgel of Administration valiantly — when many times it was not too easy.

And may I wish you folks there

WE RARELY FIND

the best in this cadence of mine —
Godspeed to you Northvillites now and in the future time.

Urges U.S. Study Cystic Fibrosis

A Federal study to find a cure for the child-killer, cystic fibrosis, was sought today by Congressman William S. Broomfield of Oakland county.

In a house bill, Broomfield asked that \$200,000 be provided to coordinate the attack against the disease, to authorize research grants into the causes of the disease and to train research assistants.

Broomfield said that cystic fibrosis is a "national health menace with an exceptionally high mortality rate. Unfortunately, this disease most often strikes children."

A young coloratura soprano whose "big" voice earned her the honor of being the first girl ever to sing with the boys' glee club of Eastern High School in Detroit ("no one else could fight them") has unfortunately been leading a quiet life in Northville.

How this happens must be just oversight, because Judy Hobson's employer, Dick Fredericks, a Detroit publicity agent, informs us that she's been keeping very busy singing around Detroit. But then, Judy's been in Northville only 5 months.

Last Sunday the pretty daytime-secretary sang at commencement exercises for Lawrence Institute of Technology in Detroit, where her brother, James, is assistant to the president. The previous Friday, she gave a recital at Detroit's Metropolitan Methodist church.

Since she started formal voice study at 16, Judy has performed for a variety of audiences. She has appeared at banquets, conventions (such as the National Rotary Convention), for veterans' groups and weddings. Along with this, she's been a regular soloist for Presbyterian and Methodist churches in Detroit, for several years.

In 1955 Judy was the only soloist at the Michigan State Fair sunrise services. And in high school the busy sophomore sang daily for two months on Chuck Stanley's television show.

"How I ever got through school," she laughs, "I'll never know. I was always practicing for something."

Judy is a member of the Detroit Operatic Society, and qualified in both 1951 and 1952 semi-finals in the annual Detroit Belle Isle Concert Band competition, but her first love is light opera.

Eventually she would like to appear in a Broadway musical comedy. This fall she plans to audition for the Windsor light opera company.

Judy is also interested in television.

Mrs. Hobson, whom you've probably met at Hobson's Soda Bar on Main street, plays the piano and occasionally accompanies Judy, but only when absolutely necessary, she insists, because she gets too nervous.

Judy's calmly used to performing, and with the same seasoned composure, shows off pictures taken with Eddie Fisher, Don Cornell and Julius LaRosa, during her career.

Miss Hobson is eager to start singing in Northville. With her lovely voice, and a proper introduction now, she probably will.

BLACK-EYED SUSAN

"Advice on photographic problems?" That's my job. And when teen-age Tommy came running in with a problem of the heart, I solved his problem in stride.

"Look at his awful picture of Susan," he said. "It's terrible. She has such beautiful eyes — and all the pictures show is two black holes where her eyes ought to be. How can I get better shots?"

"Calm down, Tommy," I said, mustering my best professional air. "The deep shadows in the pictures are caused by too much lighting contrast. A typical problem, my boy, during these sunny August days."

"But what can I do?"

"Put a flash attachment on your camera."

"A flash attachment? But I take pictures outdoors — in the sunlight."

"Tommy, one of the best ways to fill-in facial shadows is to use flash outdoors," I explained.

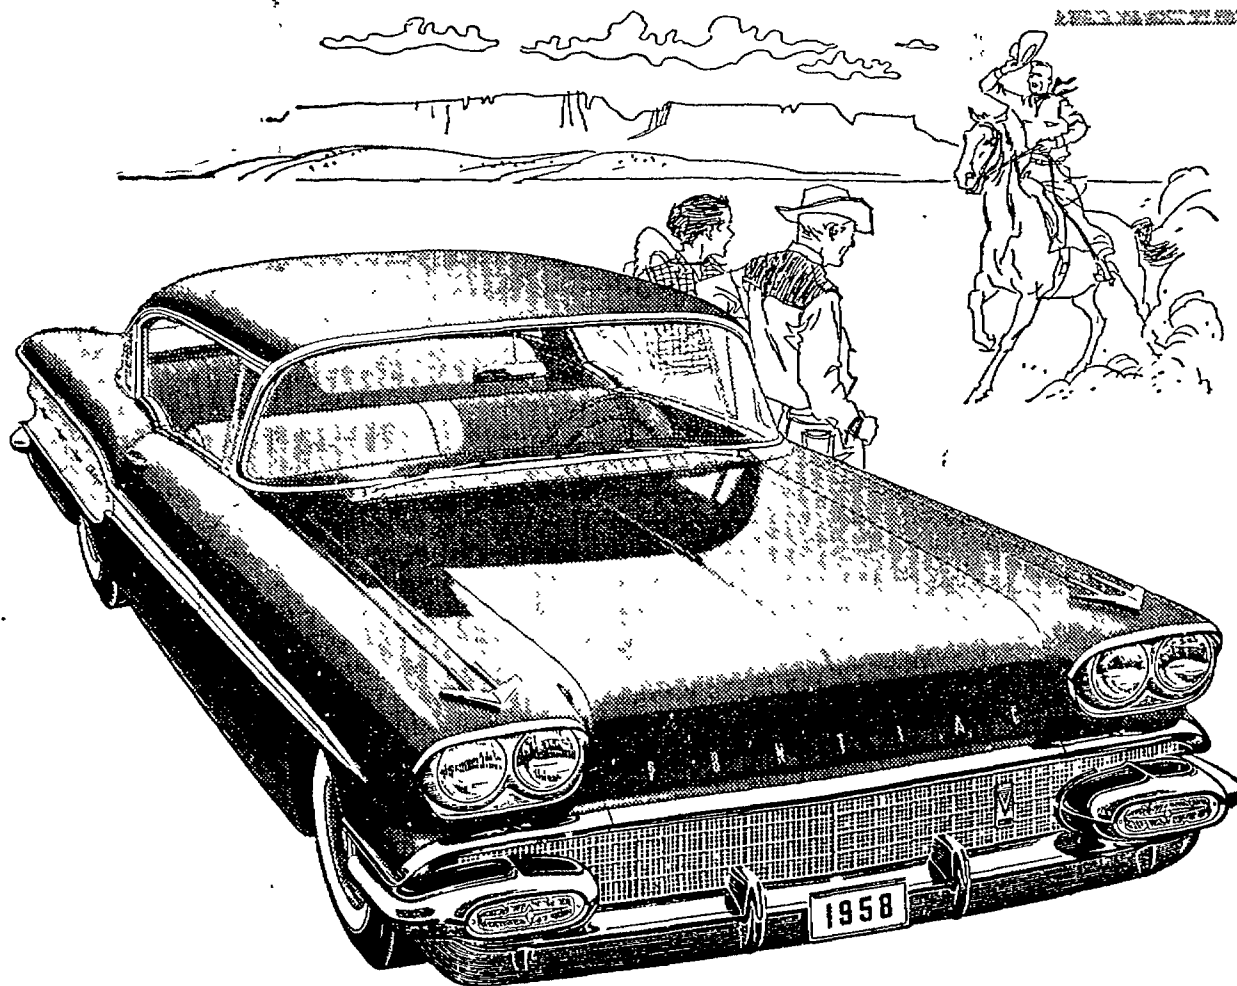

I don't know whether the relationship between Tommy and Susan will blossom into a lifelong affair. But I do know he got some really fine pictures after he started using a Kodak Flash Attachment.

P.S. Susan's eyes are beautiful! I've finished batch after batch of prints of them.

pail after pail after pail . . .

there's always plenty of hot water

the new electric water heater way

House cleaning is so much easier, so much faster when there's plenty of hot water.

You can be confident that an electric water heater, plus Edison's Super Supply Plan, will provide round-the-clock hot water for cleaning and all the rest of the family's needs, too.

Here's the convenient, modern way to **GET IT HOT . . . GET A LOT** for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

- ☒ Efficient—the heat goes into the water
- ☒ Fast—new, more efficient heating units
- ☒ Install anywhere—need not be near a chimney
- ☒ Outer shell—cool to the touch all over
- ☒ Long life—meet Edison's rigid standards
- ☒ Edison maintains electrical parts without charge
- ☒ Automatic—all the time
- ☒ Safe—clean—quiet—modern

Dems Take Bows for Benefits

REPUBLICANS, while acting prudently and in good faith, lost part of a chance for a big bow on the public stage in an election year.

Democrats stole the show when the legislature enacted a federal program to extend unemployment compensation benefits to 115,000 jobless at a cost of \$30,000,000.

The workers, the victims of the recession, will be getting their checks beyond the present 26-week maximum this summer.

It all started when Republicans sponsored a proposed extension of benefits during the legislative session but held back to wait for Congressional action.

Democrats charged that the original Republican plans were not enough.

Republicans reminded that Michigan's benefits exceeded those in all other major industrial states and ranked high in the nation. But they stuck for a time with their controversial state plans even after Congress set up an emergency system of federal loans, totaling \$30,000,000 for Michigan, to extend benefits.

Democrats, realizing they did not have the majority in the legislature to do anything more, fought for adoption of the federal program.

Then Republicans went for the federal program.

When Gov. Williams signed the bill, the Democratic delegation in the legislature was photographed behind his desk and each received a pen with which he signed the bill.

The Democratic stand, rightly or wrongly, is that they created pressure enough to force Republicans to vote for the federal plan.

Republicans point out they waited to be sure which course was best; that the Democrats could not do it without their votes.

Political experts see the situation as a ready-made political issue this year.

They predict it will be a vital vote-getter among the unemployed and those who are jittery about business and industry and their fate in the recession.

Republicans must make much more of their side of the story; that it took President Eisenhower's signature in Washington and the Republican majority in the Michigan legislature to do the job.

FEDERAL HELP is always ready for farmers whose land or crops become victims of the caprice of the weather.

It is a little-known agency with a state office in Lansing and units in every county, the Farmers Home Administration.

The agency called upon for emergency loans at a low three percent interest rate when drought wrecks crops or rain and flood conditions washes them out.

When a farmer is damaged and his financial picture is black, he may apply to a county committee for an assessment of his needs and a

recommendation for assistance.

Small loans are handled locally, but major sums are cleared through the state office and sent on to Washington for final approval.

The Lansing office is headed by Elwood Bonine, of Vandalia, in south western Michigan, and a former state senator from that district.

Small Business Crisis

Babson-Park, Mass. — There is much talk about tax cuts. Some say they are overdue, regardless of recession. Certainly, the time has come to give small business more attention.

Deficit Financing Now Means Confiscation Later

With so many governmental expenses constantly mounting, whether for national defense, for domestic welfare, or for various economic subsidies, "something's gotta give". We can be sure that so long as we are in an arms race with Russia, the "giving" will not be in the vast expenditures for Explorers and Vanderguards or for atomic submarines. I also fear that any party which advocates belt-tightening in domestic welfare measures could not be placed in office in the next election.

The above means deficit financing and borrowing from the future which, if ever paid, will be in far-distant days. Or we may repudiate the borrowings, as was done when we went off the gold standard in 1932. This would surely lead to further inflation — clipping the currency and reducing the purchasing power of the dollar.

Importance of a Just Balance Various adjustments will be made in the attempt to restore a fair balance between vital economic segments. In this connection, the organized movement to keep independent small competitive businesses in existence has been gathering momentum for 50 years, after a period of great overconcentration in big business even to the point of monopoly.

When the economic machinery goes into a tailspin, unemployment comes first and is greatest in the large industries. The small businesses, especially the 95 percent of firms which employ 20 or fewer people, operate even in times of boom with a minimum of workers and therefore cannot lay them off in times of recession.

Praise for the Federation of Independents

The lack of concerted action, until recently, by organized small business (such as the National Federation of Independent Business), has allowed many inequities and discriminations to get into our tax structures. Among the shackles placed on new and small businesses are the privileges and subsidies given to large-scale business by the government. These include research grants for defense work.

Machinery developed by these large concerns, with tax money, also works to the disadvantage of their small competitors. With research now such a vital ingredient of all business, this artificial advantage to bigness is crucial. If research grants to smaller companies, had been adequate, Russia might not have beaten us into space.
