Married at First Presbyterian Church

Janiece Alice Robertson, daughter of Mrs. Helen Robertson and the son of Mr. and Mrs. John H. Newman of South Lyon, was married June 23, 1958. The bride was given away by her brother, Robert H. Stover. Rev. John O. Taxis officiated at the evening ceremony in the First Presbyterian church.

Mr. and Mrs. William Newman

The church altar was decked with white mums and gladioli. Dean Sanford sang the wedding music. The bride's gown was white lace over satin and net. It featured a high collar and long sleeves. Her matching veil was held by a crown of pearls and sequins. She carried a bouquet of white roses and rosebuds, with an orchid center. Janet Fowler, sister of the bride, was matron of honor. She wore a ballerina length gown of yellow chiffon over taffeta, with a matching jacket, and carried a bouquet of yellow carnations.

Bridesmaids were Carole Newman, sister of the groom, Betty Langford, Connie Schoch and Agnes Burton. They wore ballerina length dresses of chiffon over taffeta with matching jackets, in pink, mint green, blue and orchid.

Sharon Newman, another sister of the groom, was flower girl, and wore a floor length dress of blue dotted swiss with a large white sash. Best man was Dick Hann. Dave Williams, Chuck Dail, John Newman and Jack Sweet served as ushers.

Linda Nolte, niece of the bride, was in charge of the guest book. Mrs. Robertson wore a blue lace jacket dress and white accessories. Her flowers were yellow rose buds. Mrs. Newman wore a dress of rose nylon with white accessories. She had a corsage of white rose buds.

A reception was held at the VFW Hall in Walled Lake. Guests came from Detroit, Battle Creek, Plymouth, South Lyon and Northville. Janiece chose a pink sheath jacket dress and white accessories for the wedding trip to northern Michigan, and pinned on an orchid from her bridal bouquet.

The groom is a body shop manager for Paul J. Wiedman Ford Sales. The couple now reside at 46099 Neesh.

G.S. Day Camp Begins Next Week

The Girl Scouts' annual day-camp in this area will begin July 15 and continue through July 25.

The scouts will camp out all day in the Kenneth Basset woods on Twelve Mile road, Tuesday through Friday each week.

Finding transportation to the Girl Scout day camp at Indianwood in Plymouth was a major problem, so local girls have established their own site on the Basset property, Camp Mindockwin, meaning Many Maples.

Fifty-three girls are registered, and volunteer adult help includes 3 program aides, 9 counselors, a nurse, business manager and shop-keeper.

Camp director is Mrs. Daniel MacGillivray, 44011 Stassen, Novi.

Says Mrs. MacGillivray, "Recruiting counselors is the tough job. All the girls want to go, but Girl Scout policy demands adequate, trained supervision. The nurse volunteers her services, and daily transportation is donated, so the cost is only \$3 per girl."

A camp open house for parents is scheduled. But since the girls will do the planning and preparation themselves, the exact date and further details will be known only after the program is in session.

Financially, this is the girls' "big event" of the year, says Mrs. Vincent Hayes, Girl Scout aid in Novi. It is subsidized by the Novi community council.

Although the program has been successful in the past, Mrs. Hayes says the group hopes for an even better one this time.

Mrs. Hadley Bachert, R.N., of Northville, will be on hand to keep the active campers this side of the skinned knee.

Kimbell-Sauber Vows Spoken

Janice Helen Kimbell and William Robert Sauber were united in marriage June 14, at the First Baptist church in Northville, Pastor Peter Nieuwkoop, officiated at the eight o'clock candlelight-double ring ceremony.

The bride is the daughter of Mr. and Mrs. Emory Kimbell of First street, Northville, and the bridegroom is the son of Mr. and Mrs. R. Stuart Sauber of West Twelve Mile Rd., Walled Lake.

The church altar and windows were decorated with lighted candelabras, white gladioli, majestic daisies, white snapdragons, ferns and

white bows.

Mrs. Edward McKeehan, at the organ, played a selection of wedding music.

Given in marriage by her father, the bride's gown featured a white chantilly lace over satin bodice, etched in pearls and sequins, a mandarin collar, and long pointed sleeves. The floor length bouffant skirt was of white silk net over white satin with wide panel inserts of chantilly lace, the lace panel in back forming a train.

Her finger-tip veil fell from a crown of pearls and sequins.

She carried a cascade arrangement of white, roses, stephanotis, and ivy leaves on a white Bible.

Mrs. James Baxter, sister of the bride, was matron of honor and Miss Dorothy Welch, former classmate of the bride, was bridesmaid. They wore identical ballerina length gowns of white dotted nylon over underskirts of mint green taffeta, their full skirts were accented in back with wide bows of mint green taffeta falling into fan-shaped streamers. Their original headpieces were fashioned of ivy leaves and they carried crescent-shaped bouquets of peach gladioli and ivy leaves.

Assisting the groom were Douglas Ware, Kenneth Birdsall, and James Baxter.

William chose his brother R. Stuart Sauber Jr., as best man.

Mrs. Kimbell wore aqua silk-organza with white accessories, and Mrs. Sauber wore white linen with pink and white accessories. Both mothers wore corsages of pink sweetheart roses.

A reception in the church parlors followed the ceremony. About 100 guests attended from Northville, Detroit, Walled Lake, and Ovid,

Michigan. Four former classmates of the bride acted as hostesses: Janice Howarth was in charge of the guest book; Giannine Bertoni served the wedding cake; Martha Bloom and Mrs. Joseph Early served the coffee and punch.

The new Mrs. Sauber donned a pink suit with white accessories and a corsage taken from her bridal bouquet for their wedding trip to Northern Michigan.

Janice is a graduate of Northville high school, class of 1957, William graduated from Walled Lake high school, class of 1956.

The couple will make their home at 400 East Main in Northville. Janice is employed by Manufacturers National Bank here, and William, by Nash-Kelvinator in Detroit.

Local Methodist Women Attend Conferences

Northville Methodist women are enjoying a busy week.

Attending the annual Albion school of missions at Albion, college now are: Mrs. Betty Willing, staff nurse; Mrs. Louise Canfield, women's society Detroit conference secretary of promotion; Mrs. Paul M. Beard; Mrs. Ward Schultz; Miss Ethel Cameron and Mrs. Lela Pell-ey.

Also, Audrey Becker, director of the Harmony Choir of the Northville Methodist church, is participating in the fourth annual church music workshop at Michigan State university.

Sponsored by the Detroit and Michigan council of churches and the university, the objective of the workshop is to provide the best practical means and materials in the field of church music.

Crippled Children Enjoy Day Camp

Northville crippled children, along with those of 19 other cities in western Wayne county, are now attending a month's day-camp, at the Easter Seal Center in Inkster.

The camp, on 2545 E. Hyde Park Drive, is open each weekday, between 9:30 a.m. and 3 p.m. from July 7 through August 1.

Northville-area children (4-12 years) attend the Monday and Wednesday sessions.

Children from the downriver area, Allen Park and Redford, attend Tuesdays and Thursdays.

Teenagers from any part of western Wayne county attend every Friday.

The program is sponsored by the Easter Seal Society of western Wayne county.

Goodwill Pick-up Trucks Coming Again Tuesday

The next visit of Goodwill Industries pick-up trucks to Northville, will be July 15.

Collectors will be picking up discards of clothing, shoes, toys, most types of furniture, and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative, Mrs. Lora Ault at GR. 4-4294.

Betrothal Announced

Suzanne Lee Blackburn

Mr. and Mrs. John W. Blackburn of Orchard Drive, announce the engagement of their daughter Suzanne Lee to William Young, the son of Mr. and Mrs. William Young Sr., of Chubb road.

The wedding date has not been decided yet.

Mrs. Harry Duerson of West Main street spent last week end in Grand Rapids visiting relatives.

YWCA Camp Cavell to Begin Second Session

With a few vacancies for 9 and 10-year-old girls remaining, the YWCA's Camp Cavell on Lake Huron will open its second two-week period July 12.

Vacancies for 9 and 10-year-old girls are also available for the third period, July 28-Aug. 8, and for the fourth and final period, Aug. 9-22, according to Elizabeth Kitchell, Camp Cavell Director.

A few vacancies for the Brookside unit for 13 to 16-year-olds are also available for the last period.

Registration for Camp Cavell may be made at Central Branch YWCA, 2230 Witherell St., or by telephone to the Branch, Miss Kitchell said.

Northville girls, Laurie Chabut, 18585 Sheldon Rd., and Janet Rior-dan, 7811 W. Six Mile Rd., have already signed up.

Teachers for the blind in residential schools earn \$500 to \$1,000 a year less than public school teachers with comparable background, according to a report released by the American Foundation for the Blind.

CHRISTIAN SCIENCE CHURCHES
Main and Dodge Streets
Plymouth, Michigan

To gain the blessings promised by Christ Jesus, man must be willing to follow his example in daily life. This is the theme to be stressed in the Lesson-Sermon entitled "Sacrament" which will be heard at Christian Science churches on Sunday.
From Galatians will be read the Golden Text (3:26,27): "Ye are all the children of God by faith in Christ Jesus. For as many of you as have been baptized into Christ have put on Christ."
The Lesson-Sermon also includes this quotation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (25:26-31): "Implicit faith in the Teacher and all the emotional love we can bestow on him, will never alone make up imitators of him. We must go and do likewise, else we are not improving the great blessings which our Master worked and suffered to bestow upon us."

Men and Women In Uniform
Pfc Robert H. Clark, son of Mr. and Mrs. Wilson J. Clark, 340 E. Cady, Northville, recently attended a five-day religious retreat at the Army's Far East retreat site near Seoul.

Protestant, Catholic and Jewish chaplains alternate planning the program of lectures, conferences and services.
Clark's a machine gunner in the 1st Cavalry Division's Headquarters Company, entered the Army in January 1957 and completed basic training at Fort Carson, Colorado.
The 23-year-old soldier is a 1952 graduate of Northville high school.

Although the minimum requirements of professional and technical jobs in work with the blind involve considerable training, experience and study, the \$3,000 — \$4,400 average annual salary level is equal to the amounts paid industrial and commercial workers whose jobs require only a relatively small amount of background preparation, according to a report released by the American Foundation for the Blind.

DIVINE DELIVERANCE
It was during the reign of King Herod Agrippa I that a bloody persecution was directed against the Christians at Jerusalem. Having beheaded James, brother of John, Agrippa next seized the Apostle Peter. The execution of Peter would mean overnight popularity for Herod. Having, therefore, apprehended him, the king made sure his prized prisoner would not escape. Sixteen soldiers, four to a watch, were detailed to guard him well.

However, man's will is not always God's will. If God has some definite purpose in mind for His Christians, not even kings can stand in the way, but He will bring to nought all attempts of the enemy and will graciously protect His Church and especially its leaders. Yes, God chose to deliver Peter; and this divine deliverance was in direct answer to prayer.

Christians Who Prayed for Each Other
While Peter was in prison, his Christian friends did not forget all about him, but instantly, earnestly, fervently, and without ceasing prayed for him.

The night before the scheduled execution a large group of Christians was assembled in the home of Mary, the mother of John Mark. Very likely they decided to stay up all night, willing to lose their sleep, that through their prayers their good friend might again be with them. Indeed, "the effectual, fervent prayer of a righteous man availeth much." (James 6:16). What to man may have seemed impossible was now made possible by God to fulfill the requests of His praying Christians.

God's Angel Sent in Answer to Prayer
While Peter, bound with two chains, was

peacefully and soundly sleeping between two prison guards, suddenly a bright light filled his cell. A strong arm raised him. In that instant his hands felt lighter and freer, the heavy chains had fallen to the floor. From the angel's lips came the command: "Cast thy garment about thee and follow me." Past the first and second guarded gate he followed his heavenly deliverer as though in a dream. Then they came to the heavy iron gate which led to the city. Could it be true? Did Peter, actually see that massive gate easily swing open by itself? He did not stop to think, but followed the angel through the gate; past the first street, where his angel visitor left him as quickly as he had come. At this place the Apostle at last fully realized what had happened, and said: "Now I know of a surety that the Lord hath sent His angel, and hath delivered me out of the hand of Herod and from all the expectation of the Jews." (Acts 12:11).

This story calls to mind a passage from the Psalms: "The angel of the Lord encampeth round about them that fear Him and delivereth them" (Ps. 34:7), and another from the Epistle to the Hebrews: "Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?" (Chapter 1:14).

Too often Christians forget that the angels of the Lord are always present and ready to help them out of numerous difficulties and dangers. The angels have been appointed by God to serve, guide, protect, and uphold those who through faith in Christ will inherit eternal salvation. And even if death should befall the believer, we know that the angels of God will carry his soul to eternal joy. What a consoling doctrine!

Although "buck" usually brings to mind a male deer, it is also the name for the male of several other species, including rabbit, caribou, antelope and trout.

Expect a Questionnaire If You're Visiting a Park

Who uses our regional parks?

Where are they from and how often do they use the parks.

What type of facility attracts these people to the parks and what do they want in our parks?

These are some of the questions that will be answered by a survey of 13,000 persons in July and August organized by the Detroit Metropolitan area regional planning commission.

The survey will use a questionnaire handed out to a random sample at the parks.

It will be carried on simultaneously at eight parks on four days during these two months — starting on the 4th of July.

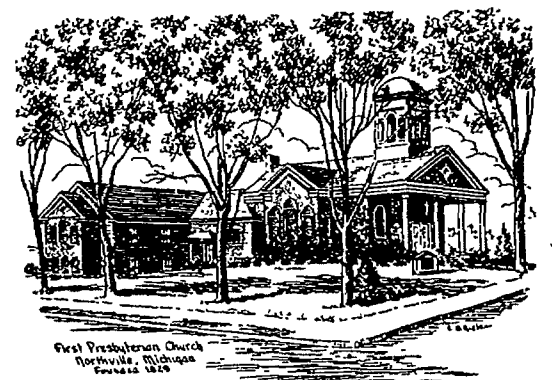

It is the first comprehensive park survey carried on in the area.

The parks selected for this survey represent a cross section of all the types of regional recreation facilities available in the area.

The parks to be surveyed are Belle Isle, Rouge Park, Middle Rouge Parkway, Kensington Metropolitan Park, Metropolitan Beach, Dodge Bros. No. 4 State Park, Sterling-Monroe State Park and the Ortonville Recreation Area.

The survey is designed to find out where the users come from, the type of facility that attracted them to the park and the desired improvements to the park.

It is necessary to know where the users originate so that access routes serving the park can be planned to provide adequate highways for recreational travel as well as for work and business trips.

Steelers Pad Lead At Half-Way Mark

The halfway mark was reached in Novi Little League play last week with the Paragon Steelers firmly in first place and showing no signs of easing up.

The Steelers added two more victories to their league-leading total to run their win string to 10 straight. Their last loss was on May 21.

Meanwhile, National Bank slipped further into second place by dropping its fourth in a row, this time to fast-improving Young Door.

Jim Schingeck starred at the plate in one of Paragon's wins and did likewise on the mound in the other.

The versatile slugger had five-for-five as Paragon downed Fiberglass, 20-7. He was joined by Bobby Jones with four-for-five, Ronnie Rice with a home run, and Dan Simonson with

three walks and two singles, as Jim Mazel struck out 11.

Marshall Rose had a double and Randy Caligiuri a triple for the losers, while Dave Ripple walked in three out of four times at bat.

Paragon won its second game 13-5 over Young Door on Schingeck's seven hits as Rice slammed out a homer, double and single in five times at the plate. Schingeck added a triple, while John Alexander and Jim Driscoll doubled.

Young Door tripped National Bank, 12-10, and added 12 more runs in the sixth which were cancelled when darkness fell. Ricky White homered for National Bank. Bob Sprenger got credit for the win.

The standings as of Friday:

Paragon	11	2
National Bank	7	5
Fiberglass	4	7
Young Door	3	10

Coming games tonight (Thursday), National Bank-Young Door; Monday, Paragon-National Bank; Tuesday, Paragon-Fiberglass; Wednesday, National Bank-Young Door; Thursday, Fiberglass-Young Door. All games at 6 p.m., Novi school diamond.

The flight of the Canada goose is heavy, but powerful. It averages about 55 miles per hour. To cut down air resistance, Canadas usually form a V-shaped flock and sometimes negotiate a non-stop flight of hundreds of miles.

BIG ATTRACTION in Novi these days are Little League games at Novi school. Games are played every Monday through Thursday at 6 p.m. and usually attract a good-sized crowd of partisans. Here, Paragon Steelers and Young Door Tigers square off.

Dates Set for Special Events

Dates have been set for five special activities to be sponsored later this summer by the Northville recreation department.

At the same time, Director Stan Johnston said positions are still open in the pee-wee softball program.

The dates for special events:

- July 28 — Tiger game
- August 6 — Tiger game
- August 11 — Turtle race

August 13 — Pet and doll show
August 15 — Water carnival
The water carnival will conclude the 1958 summer program. All other activities will end the previous day.

Boys and girls may sign up immediately for one of the two Tiger games by calling or stopping by at the scout hall (phone 507).

A total of 100 youngsters may attend the July 28 game, and 60 may

sign up for August 6. For the time being, they may sign up for only one game, but if all seats for the August 6 game are not taken, they will be made available to anyone.

Ten adults are also needed to sponsor the July 28 trip, and six for August 6. Interested fathers and other adults should contact the scout hall.

Boys interested in playing on a pee-wee softball team should inquire at the scout hall. Team shirts are still available.

16-3 Score Is a Winner For Braves and Orioles

There's something about a 16-3 score that both the Northville Braves and the Northville Orioles like.

The two midget teams each won

by that margin last week as the Braves pushed their perfect record to 16-0 for the year and the Orioles got back in the win column after a short absence.

For the Braves, however, it meant the first time in nine games that they have allowed more than two runs. Dan Brown got credit for the victory as he allowed but five scattered hits.

The Braves hammered out 18 hits, including four for five by Craig Bell. Glenn Long's three hits and homers by Bell and Mike Rebitzke added to the outburst.

The alert Braves stole 10 bases in the rout.

The Orioles picked up their 16-3 win over the Jefferson Athletics on a nifty two-hitter by Billy Elwell. He held the Athletics scoreless until the final inning.

The Orioles scored in every inning but the second as they banged out 11 hits. Six runs came in on only two hits (by Tom Swiss and Tom Weider) in the sixth as Jefferson aided the Orioles with three walks, a hit batsman and an error.

In their second game last week, the Orioles lost 9-2 and eeked out only one hit.

Coming games: tonight (Thursday) Braves v. Training School, here, 6:15 p.m.; Orioles v. Rose-dale, Wednesday, Fisher No. 1, 6:15 p.m.; Braves v. Jefferson, Thursday, Fisher No. 1, 6:15 p.m. These games end the midget season.

Is Your Child Too Young?

Parents were reminded this week that children younger than eight years are not allowed on daily recreation swimming trips unless accompanied by a person of at least high school age.

"It's for the child's safety that we make the rule," said Director Stan Johnson. "We have careful supervision at the lake, but cannot watch children younger than eight years."

Ages are checked before each trip and children who are too young are sent home.

No-Hitter Wins For Class F Nine

Butch Willing and Bob O'Leary set Wayne County Training school down without a hit and struck out 11 last week as Northville's class F team finally clicked after a slow start.

Willing hurled four innings and O'Leary two in the sparkling performance.

Northville collected its nine runs on only seven hits, including a double by Fred Steeper and a triple by Steve Juday. Juday also connected for a single to drive in two runs in the first.

Unearned runs hurt Northville three days later in a 4-3 loss to Bill's Market. Bill's netted only six hits and one earned run in the win.

Good defensive play by both teams kept the score down.

In class E play, Northville was bombed in the third inning by Willow Run's five-run outburst and fell, 6-4. Jeff Goodrich allowed only four hits for the losers.

Willow Run scored all five runs on one hit as Northville yielded two walks and five errors.

Cap Pethers homered to give Northville an early lead, and Wade Deal later tripled to drive in a run and score himself. Bob Starnes singled, stole second and came home on Deal's single for the final Northville run.

Coming games: Class E — tonight (Thursday), Plymouth Elks, Cass Benton, 6 p.m.; Tuesday, Livonia, Whitman No. 2 at West Chicago and Hubbard, 6 p.m.; Thursday, Willow Run at Willow Run high, 6 p.m. Class F: Friday, Livonia Center, Cass Benton 6 p.m.; Wednesday, Clarenceville there, 6 p.m.

Northville Pace Next Wednesday

The \$5,000 Northville Pace will be held at Northville Downs next Wednesday.

It will be the first of a series of Wednesday night stake races that continue through most of the meeting, which concludes August 9.

Knot-Hole Giants Win on One-Hitter

A one-hitter by Bobby Turnbull gave the Giants a 16-0 win over the Dodgers in knot hole baseball play last week.

Rusty Schoof doubled with the bases loaded to drive in three runs for the Giants.

Other scores:

Red Sox 6	Yankees 4
Yankees 10	Dodgers 3
Giants 17	Red Sox 1
Knot hole softball scores:	
Panthers 9	Bobcats 8
Cubs 22	Lions 9
Lions 13	Tigers 6

Vic and Hughes Brothers Are Big Trio for Wixom

The pitching of the Hughes brothers and the slugging of Victor Burwell combined to give the Wixom Orioles two more wins in Walled Lake Little League play last week.

Wixom was rained out in Babe Ruth and Little League farm team action.

Jimmy Hughes pitched Wixom to a thrilling 8-7 win over the Union Lake Indians Sunday as the Orioles came from behind in the final inning with three runs on three singles and three walks.

Burwell and Don Rickard each homered for Wixom. Burwell's came with one man on.

In a Fourth of July doubleheader, Ricky Hughes hurled the Orioles to an easy 6-1 win over Westacres. Burwell again homered with one man on to pace Wixom's six-hit attack.

In action two weeks ago, the Orioles lost to Multi-Lakes, 5-1, and the farm team fell before Walled Lake, 12-0.

Games this week: Little League — Friday, Glengary; Wednesday, Walled Lake; both games 6 p.m. at Riley field. Babe Ruth: tonight (Thursday) Union Lake; next Thursday, Walled Lake; both games 6 p.m., Walled Lake junior high.

School Candidates Speak Up

EDWARD A. ERWIN

One of the important problems in connection with the new school is the matter of getting the children to school safely. While we have a fairly large concentration of pupils close enough to walk, there are no sidewalks in the area. I think the safety of the children is of prime consideration over all economies and I don't believe it wise to have five and six-year old children walking along roads like 10 Mile.

I would like to see the curriculum of such a nature that it develops the potential of all the children, including the fast learners. I think

this can be done as the school system expands and the children can be divided into groups according to their ability to learn.

We have been very fortunate up till now in that there has always been adequate classroom space for our children and a very good educational program has been provided. If I am elected, I will try and continue in this policy of providing a good educational system for our children and at the same time strive to run the school system along good business lines so that the taxpayers will get their money's worth.

WILLIAM O'BRIEN

I seek election as a member of the Novi School Board for the following reasons:

(1) Generally, I believe, citizenship is often construed to mean only active voting participation. I feel, however, that citizenship also includes an obligation to both seek offices and actively contribute time and ideas to your community.

Obituary

Mrs. Laura S. Holmes

Mrs. Laura S. Holmes, 212 South Rogers street, passed away June 30, at Sinai Hospital in Detroit. She was born in Pudsey, England, daughter of the late Wilkinson and Martha (Ledger) Hall, and came to Northville 7 years ago from Doylestown, Pennsylvania.

Her husband, Stoney Holmes, died in 1947.

Mrs. Holmes is survived by a son, Herbert K., of Northville, and sisters, Mrs. Emily Hanert of Northville, and Miss Emma Hall of Jamestown, New York, and 3 grandchildren.

Funeral services were held July 2, from Casteline funeral home.

Interment was at White Marsh Memorial Park cemetery in Doylestown, Thursday. Rev. Patrick Clifford of the Salem Country church officiated.

Willowbrook

Congratulations to Mr. and Mrs. Robert McClelland of LeBost, whose baby daughter was born on June 29, at Beaumont Hospital in Royal Oak. The new baby's name is Nancy Jill and she weighed in at a little over seven and a half pounds.

Killers Often Lurk In Innocent Bottles

(Editor's Note: This is the first in a series of articles on home safety prepared by the National Safety Council.

Mrs. Housewife — there's a killer in your home!

But you don't need weapons to defend yourself, the National Safety Council says. Just common sense and a lot of caution.

COLOR CONSCIOUS CORA

Cora's been coming into my shop for years. She's a real photography fan, a good customer. Makes home movies, develops her own snapshots — all that sort of thing.

She brought up a very interesting point several months ago — one I'd never even thought about. She told me, "Camera companies have completely overlooked a strong selling point for giving cameras as gifts."

"What's that?" I asked in surprise.

"Color!" she answered. "Cameras make wonderful gifts. They're practical, fun to own, styled beautifully but lack the personal touch of a distinctive color. You know, like white for a wedding, blue for a new baby in the family, red for a teen-ager."

I had to admit she had something there. But I couldn't do anything about it. Now it's different. When Cora came in recently I showed her the new Brownie Starflash Outfits that come with the camera in your choice of four attractive colors: Coral Red, Stardust White, Skyline Blue and Black. "Why, aren't they wonderful," she said. "My niece has a birthday coming up. I'll take this red one." She walked out, contented as a kitten.

Won't you come in and see the New Brownie Starflash Cameras in color? Complete picture-taking outfits are priced at just \$9.95.

The killer? Poisons. They lurk everywhere — in the medicine cabinet, under the kitchen sink, on dressing tables. You'll even find them on food shelves, in the workshop, and in your cleaning closet.

These camouflaged killers in the home, the Council points out, take more than 1,000 lives annually.

Most victims are children 5 years of age or younger. But older persons are right up there as home poison victims.

The types of accidental poisoners are as varied as the containers they come in — bleach, permanent wave solution, shampoo, nail polish remover, furniture polish, art supplies, bug killers, paint removers.

Regardless of the killer, in just about every instance there's an accomplice to the crime — carelessness or ignorance.

For example, some potential poisoners are properly labeled — but a lot aren't. Doctors aren't always sure if a product is poisonous. And some ingredients, harmless to most persons, can kill others — especially children.

In many instances, the killer is an otherwise harmless object — aspirin, for example. About 1 out of 5 children treated for accidental poisoning in a recent year had swallowed aspirin, the Council reports.

Kerosene is a troublesome household commonplace, especially in rural areas and in the South.

The way to prevent poisoning? 1. "Education," the Council says. "Parents should be made aware of the dangers lurking in their homes."

2. Stricter state and federal laws. "Ingredients should be listed on bottles or cans containing poisonous substances — even products valuable to our everyday living."

FIERY FAIRYLAND—Despite rain and mist, the annual Fourth of July spectacle around Walled Lake and at Walled Lake amusement park went off on schedule. As Novi Goodfellow flares glowed around the lake, fireworks burst into the sky over the park and gave a hearty

salute to the 182nd birthday of American independence. Here is the celebration as seen from the Novi township park, looking across toward Walled Lake park.

TRUCK-CAR CRASH on West Seven Mile road near Currie occurred last Thursday when a Dearborn woman swerved to avoid a stopped car and skidded into the path of a truck driven by John Heinrich, 30, of Detroit. Heinrich suffered head lacerations and several broken ribs. The woman, Mrs. Agnes Reed, 60, had lacerations of the knee, hand and elbow and internal injuries. Both were treated at St. Joseph's hospital in Ann Arbor.

Bill Would Outlaw Switchblade Knives

Congressman William S. Broomfield (R-Oakland County) this week co-sponsored a bill to abolish the sale and manufacture of switchblade knives involved in interstate commerce.

Broomfield said he proposed the ban "to help insure the safety of our children and teen-agers."

"Far too often, these knives have been used as weapons in gang fights and incidents involving our youth. These knives most certainly should be classified as deadly, concealed weapons."

School Candidates Speak Up

EDWARD A. ERWIN

One of the important problems in connection with the new school is the matter of getting the children to school safely. While we have a fairly large concentration of pupils close enough to walk, there are no sidewalks in the area. I think the safety of the children is of prime consideration over all economies and I don't believe it wise to have five and six-year old children walking along roads like 10 Mile.

I would like to see the curriculum of such a nature that it develops the potential of all the children, including the fast learners. I think

this can be done as the school system expands and the children can be divided into groups according to their ability to learn.

We have been very fortunate up till now in that there has always been adequate classroom space for our children and a very good educational program has been provided. If I am elected, I will try and continue in this policy of providing a good educational system for our children and at the same time strive to run the school system along good business lines so that the taxpayers will get their money's worth.

WILLIAM O'BRIEN

I seek election as a member of the Novi School Board for the following reasons:

(1) Generally, I believe, citizenship is often construed to mean only active voting participation. I feel, however, that citizenship also includes an obligation to both seek offices and actively contribute time and ideas to your community.

Killers Often Lurk In Innocent Bottles

(Editor's Note: This is the first in a series of articles on home safety prepared by the National Safety Council.

Mrs. Housewife — there's a killer in your home!

But you don't need weapons to defend yourself, the National Safety Council says. Just common sense and a lot of caution.

BY LES WILSON
COLOR CONSCIOUS CORA

Cora's been coming into my shop for years. She's a real photography fan, a good customer. Makes home movies, develops her own snapshots — all that sort of thing.

She brought up a very interesting point several months ago — one I'd never even thought about. She told me, "Camera companies have completely overlooked a strong selling point for giving cameras as gifts."

"What's that?" I asked in surprise.

"Color!" she answered. "Cameras make wonderful gifts. They're practical, fun to own, styled beautifully but lack the personal touch of a distinctive color. You know, like white for a wedding, blue for a new baby in the family, red for a teen-ager."

I had to admit she had something there. But I couldn't do anything about it. Now it's different. When Cora came in recently I showed her the new Brownie Starflash Outfits that come with the camera in your choice of four attractive colors: Coral Red, Stardust White, Skyline Blue and Black. "Why, aren't they wonderful," she said. "My niece has a birthday coming up. I'll take this red one." She walked out, contented as a kitten.

Won't you come in and see the New Brownie Starflash Cameras in color? Complete picture-taking outfits are priced at just \$9.95.

The killer? Poisons. They lurk everywhere — in the medicine cabinet, under the kitchen sink, on dressing tables. You'll even find them on food shelves, in the workshop, and in your cleaning closet.

These camouflaged killers in the home, the Council points out, take more than 1,000 lives annually.

Most victims are children 5 years of age or younger. But older persons are right up there as home poison victims.

The types of accidental poisoners are as varied as the containers they come in — bleach, permanent wave solution, shampoo, nail polish remover, furniture polish, art supplies, bug killers, paint removers.

Regardless of the killer, in just about every instance there's an accomplice to the crime — carelessness or ignorance.

For example, some potential poisoners are properly labeled — but a lot aren't. Doctors aren't always sure if a product is poisonous. And some ingredients, harmless to most persons, can kill others — especially children.

In many instances, the killer is an otherwise harmless object — aspirin, for example. About 1 out of 5 children treated for accidental poisoning in a recent year had swallowed aspirin, the Council reports.

Kerosene is a troublesome household commonplace, especially in rural areas and in the South.

The way to prevent poisoning? 1. "Education," the Council says. "Parents should be made aware of the dangers lurking in their homes."

2. Stricter state and federal laws. "Ingredients should be listed on bottles or cans containing poisonous substances — even products valuable to our everyday living."

FIERY FAIRYLAND—Despite rain and mist, the annual Fourth of July spectacle around Walled Lake and at Walled Lake amusement park went off on schedule. As Novi Goodfellow flares glowed around the lake, fireworks burst into the sky over the park and gave a hearty

salute to the 182nd birthday of American independence. Here is the celebration as seen from the Novi township park, looking across toward Walled Lake park.

TRUCK-CAR CRASH on West Seven Mile road near Currie occurred last Thursday when a Dearborn woman swerved to avoid a stopped car and skidded into the path of a truck driven by John Heinrich, 30, of Detroit. Heinrich suffered head lacerations and several broken ribs. The woman, Mrs. Agnes Reed, 60, had lacerations of the knee, hand and elbow and internal injuries. Both were treated at St. Joseph's hospital in Ann Arbor.

Bill Would Outlaw Switchblade Knives

Congressman William S. Broomfield (R-Oakland County) this week co-sponsored a bill to abolish the sale and manufacture of switchblade knives involved in interstate commerce.

Broomfield said he proposed the ban "to help insure the safety of our children and teen-agers."

"Far too often, these knives have been used as weapons in gang fights and incidents involving our youth. These knives most certainly should be classified as deadly, concealed weapons."

BUSINESS BAD??

Went in the bank the other day to put in a ten spot— (and take out a five and five ones)— and was I surprised. Used to have to wait about 5 minutes in that happy line but now I only waited about 4 minutes. And other than poor me, everyone was leaving "dough", stashing it up in their bank accounts. Reports this week — "Bank savings at an all time high". Tough? It's your guess now.

But this perfect home is even better than a fat bank roll. Luxury living on 217 Ft. frontage with 2½ acres of gentlemen's estate can truthfully sum it up as the "Bestest" for the "Leastest" for this bit of heaven, fit for a king and queen— at a Teepee price. Let your dream home materialize in this one. Proud to show this at 46323 W. 7 Mile. And I DO have others that are real nice too.

Readers Speak Up:

NORTHVILLE PLAZA POPS UP AGAIN IN GRAND HAVEN

To the Editor:

Some little time ago, I wrote an article which you put in the paper suggesting changes in our Northville shopping district that I believed would increase sales and good will in Northville.

It appears that other communities have awakened from their slumbers and just dreams of good business and are not waiting for it to come to them but rather going right after it with a zest that can only end in success.

I respectfully enclose a clipping from June 22 Detroit News with reference to Grand Haven, a neighbor of ours on the west side of the state, also close to other large cities and shopping areas. It would appear from this article that this city is now just what its name implies — "Grand Haven" to shoppers — eager to shop — loyal to their community.

In my original letter, I suggested that our business area, under a new face be called "Northville Plaza". I feel now after reading the article in the paper that I would be able to simply call it a "WOW", both to the merchants and our whole community.

You were very kind to sign my name "Business Man" — I sometimes wonder when my sales go down — down — down. But I have a great deal of confidence in this community and truly, my sales haven't been as bad as you would think in this paragraph.

Again,

Business Man

GRAND HAVEN

A shopping mall, set up along two blocks of main street here, has proved such a success that it may be extended beyond its 10-day experimental period.

Delegations from other communities, including Traverse City, Kalamazoo and Elkhart, Ind., have come to this town of 9,500 on the shores of Lake Michigan, studied the mall and gone away with glowing accounts.

In brief, a two-block strip of the downtown area has been closed to all but emergency vehicles. Normal traffic is routed around the mall by one-way streets and pedestrian shoppers are given free run over the area.

Shrubs, trees and park benches dot the pavement where normally lines of creeping, honking and fuming cars and trucks wind their way toward the lake shore.

With no vehicles to control, traffic lights were shut off.

The idea was to provide a leisurely atmosphere for shopping. Its success was noted in the jingle of cash registers as merchants from 5 to 60 per cent above the same period last year.

The word is not all good, however. Some problems have developed.

The "quicky" shopper who double parks in front of a drug store and runs in for a tube of toothpaste has no place on the mall.

The parking problem was annoying at first, but gradually the public learned to leave cars in other nearby lots. Shopper surveys indicated most do not complain about walking a half block or so to the stores.

Customers are getting into the habit of using rear entrances at the stores. Some said they never knew the doors were for public use.

Business boomed the moment the mall was opened, merchants said. Many shoppers were curious and purchased things while they toured the mall. Some mothers took advantage of baby sitting facilities there while they walked through the business places.

Store clerks said customers are overwhelmingly in favor of the mall.

A drugstore reported a 6 per cent increase in sales while a five and dime store said its boost was 8 per cent.

Cleo Cooper, office supply and gift shop operator, said his store traffic increased 15 to 35 per cent, while sales soared from 20 to 70 per cent over the same period of

1957.

His competitor and chairman of the mall project, Jack Reichardt, said sales in his four stores handling clothing for men and women, office supplies and gifts, were up 16 per cent.

Voicing dissent, hardware dealer Al Jonker said he believes Grand Haven is "two years early" if it makes the change permanent" and cited the crowded parking situation and the need for improved rear entrances to stores.

Whether its origin was commercial or not, the mall in its one week existence has brought the people of Grand Haven closer together.

Hundreds attended a style show along Main street Thursday afternoon. The junior high school band was heard in a concert there one evening.

"There's no sense of rush and hurry to get the shopping done and dash back home now," one customer said. "If you meet an acquaintance on the mall, you just stop and chat awhile."

"We never had time for that before."

Michigan Mirror**State Needs Penal Code Changes**

PRISONERS are people in trouble.

The spend part, perhaps most, of their lives behind bars because they violated the law that society has developed to govern itself.

Michigan has 10,500 prisoners in three major institutions at Jackson, Marquette and Ionia; the Cassidy Lake Training School, the Detroit House of Correction and 12 camps.

Because penology has become a science in Michigan and elsewhere, prisoners no longer are lashed or starved — but major faults still exist.

"If you want to see what a prisoner looks like, look in the mirror," said Robert M. Scott, youth division director in the state correction department three years ago.

Corrections officials for years have sought to eliminate the "ancient and assinine inequities" in the state's penal code.

Director Gus Harrison points to the law which provides a longer prison sentence for possessing burglar tools than for using them.

There are 21 offenses in Michigan for which a life sentence can be imposed.

There are broad inconsistencies between the stiff penalties for crimes against property and the lighter

sentences for offenses against people.

The severe sentences for forgery and embezzlement, for instance — up to 10 years — were forced into the law books years ago by banking interests to protect themselves.

Michigan's penal code still contains a penalty for inciting Indians to riot. Because of the probate court waiver law, children under 17 can be sentenced to prison and treated like adults.

Inequities in the system were brought to a head following the 1952 riots at Jackson, which brought a major reorganization in the state corrections system.

Most of the ills of the system were traced by the experts to the penal code. Citizen groups are campaigning with officials for reforms.

Penologists insist that their concern in changing the penal code is not to soften conditions for inmates or coddle criminals who break the law.

"We believe that a more equitable code will give Michigan a better chance to help prisoners rehabilitate themselves and be restored to society," said Harrison.

Short of statutory changes, the corrections system has developed a program of self-help in each institution and camp.

There are Alcoholics Anonymous units inside the walls — even at Cassidy Lake, where prisoners are all under the minimum age of 21 which would qualify them to obtain liquor.

There are veterans' organizations, public speaking groups and academic programs. State-paid chaplains have been given a larger role in rehabilitation.

Where psychologists, the "egg-heads" of the profession, who counseled inmates, ran into conflicts with custodial personnel several years ago, they now work together.

INFERNO IN NOVI — Fire destroyed two vacant Novi barns at almost the same time Friday, leading investigators to suspect arson. Firemen from Novi, Northville, Walled Lake and Farmington fought the blazes. Here, a barn on the former Powers estate on 10 Mile near Napier goes up in flames. The other barn was half a mile away.

Mr. and Mrs. Neil Hannaford, owners of the hardware once located in the Northville Record building, paid a return visit last week and found a number of changes. The Hannafords left Northville in 1950 and now reside in Hollywood, Florida. They stayed with Mrs. Hannaford's sister and brother-in-law, Mr. and Mrs. Ray Unruh, of Millford, while visiting old friends last week.

Attention Thieves

As an afterthought to the recent break-in and theft at the Amerman school, the school board decreed at its last meeting that no money will be left in school safes at night in the future.

The high school has been following this policy, but discretion in the matter was left up to individual schools.

Now it's official and universal. So thieves, don't bother. The cupboard is bare.
