IF IT'S NEWS... AND IT HAPPENS IN NORTHVILLE... YOU CAN READ IT IN THE RECORD

Volume 88 Number 21, 16 Pages

Northville, Michigan, Thursday, October 16, 1958

10c Per Copy, \$3.00 Per Year in Advance

COME AND GET 'EM — This stack of hotcakes is Ed Sprunk's way of reminding Friday night's homecoming game fans of the Presbyterian Men's club pancake supper. The annual event will be held in the Fellowship Hall of the church from 5 p.m. to 7 p.m.

## Torch Drive Funds Help Local Groups

Of the 195 voluntary health and welfare services in and around Detroit which regularly benefit from the Torch Drive, are two Northville service groups.

Last year over \$17,700,000 was allocated to various such agencies in the Detroit area.

The Northville Recreation Department under Stan Johnston, and Northville Kings' Daughters, an in-

terdenominational service and welfare organization can be expected to receive approximately \$700 in contributions from the United Foundation in 1959.

Local boy and girl scouts are also partially financed by the UF, but scout funds are administered through Detroit rather than local offices.

Allocated amounts are determined by requests of agencies based on their demonstrated need.

Northville's Recreation department had been receiving \$300 annually through the Community Chest up to last year, when the Chest's services were incorporated into the United Foundation.

The department has continued to receive \$300 from the UF, but will request \$500 for 1959 to meet costs for its general program more adequately.

Money from the United Foundation is added to the general operating fund of the department, Johnston said, which is mainly financed through city and township sources.

On the other hand, United Foundation aid (about \$200) to Northville Kings' Daughters is used only for the welfare work of the organization which also maintains various medical services, local welfare committee Chairman Mrs. Clifford Winter explained.

Their welfare work in Northville includes providing money and lodging for needy travelers, baskets of food at Thanksgiving time and Christmas for needy families, money, furniture, clothing, etc. for those hit by fire, sickness or temporary financial disability.

In other Detroit areas, the United Foundation also assists Kings' Daughters in their medical services.

Mrs. Louise Cansfield, chairman of the Torch Drive in Northville, pointed out that individuals too can benefit indirectly from Torch Drive funds used to reimburse certain medical and social service centers and agencies, by being able to obtain treatment or service at minimum costs when such services are otherwise beyond their means.

Northville, participating in its second Torch Drive campaign this year, hopes to reach a goal of \$4,854.

## Seek Zoning Change For Novi Track

Novi seems headed for another "race track rezoning" question, identical to one that developed into a public referendum last year.

Promoters of the Novi track at the new Ten Mile and Taft road site told members of the board of commerce last week that rezoning of the site remains as the only incomplete detail before a "serious request" is made to the state racing commissioner for a license.

And Walter A. Cox, spokesman for the Grand River Enterprises corporation promoting the track, seemed mildly confident that a genuine request might be given favorable consideration by the racing commission.

Incorporation of Novi into a village has delayed action on the zoning change. Presumably, a new village planning commission will be named in the near future. The track request is expected to be their first matter of business.

Specifically, the 200 acre site (formerly the Chapman and Correll farms) must be changed from agricultural to manufacturing (M-3). As far as planning board members are concerned, the zoning changes request will be exactly that — a request to change zoning, not a question of whether or not a track should be allowed in the area.

Nevertheless, the question is certain to boil down to a "track zoning" point as it did in February, 1957 when the question of rezoning a parcel at Grand River and Meadowbrook for the proposed track went to the voters. It was approved 382 to 351. Backers of the track point to this as a "public referendum" favoring the location of a track in Novi. Admittedly, however, they anticipate resistance to the change.

Cox was on hand at the regular meeting of the board of commerce along with members of the board of directors of Grand River Enterprises. The corporation is headed by B. F. Gregoric.

In outlining the groups plans Cox said the facility would cost approximately \$2½ million. "This will give us the bare necessities — a one mile thoroughbred track with a 5/8th mile oval inside for trotters and adequate stands, barns and parking facilities," Cox said. He displayed a preliminary drawing of the track prepared by the engineering-architectural firm of Laucomer & Manser-H. Sanborn Brown of Detroit.

He emphasized that it would be necessary to have runners as well as trotting races to make the undertaking profitable. He said construction would begin as soon as a license commitment could be obtained.

## Novi Names Woman As Village Clerk

Novi village councilmen began making appointments Monday night and found that there were also many other problems that need immediate attention.

For a starter the council named Mrs. Charles Wallace, 46103 Grand River, village clerk. The appointment will be confirmed upon acceptance by Mrs. Wallace.

The law firm of Bond and Dillon was named by the council as village attorneys. The firm served as attorneys for the charter commission.

The council will next seek a treasurer. Written applications are currently being accepted and interviews will be held before an appointment is made. All appointments will be for a "short term," President Walter Tuck said. Presumably the new appointments will be reviewed at the end of the fiscal year, June 30.

## Surgery for City Manager

City Manager John Robertson entered University of Michigan hospital Tuesday afternoon to undergo surgery.

The exploratory operation is expected to be minor. Robertson hopes to be back at his desk by Monday.

## GOP Undertakes Northville Survey

A door-to-door canvass project was organized Monday at a meeting of Northville-area Republicans and is underway now, Donald E. Robinson, delegate from Northville township precinct No. 2 announced this week.

The survey, directed by precinct delegates in Northville and Northville township, is planned as promotion for the coming November 4 state election.

Campaign chairman for the 17th district Republican committee, Phil Baden and Mrs. Gladys Smith, the chairman of the 17th district Republican committee, were on hand at the Monday meeting to help with organization of the project.

Also present was Republican candidate for Congress from the 17th district, Lucas Miel.

Miel will attend several "coffees" being held in Northville homes next Wednesday.

They are scheduled as follows: 10 a.m. at the home of Mrs. Robert Dixon, 234 North Rogers, hosted by Mrs. Dixon and Mrs. Wilfred C. Becker, 11-30 a.m. at the home of Mrs. Donald E. Robinson, 39955 Six Mile road, and 1 p.m. at the home of Mrs. Sidney Junod, 145 Walnut.

Persons interested in attending the coffees are asked to call any of the hostesses.

## Schools to Close Earlier Next June

School will be out a week earlier in Northville next June than originally planned.

Classes will recess June 12 to align the closing date with that of surrounding community schools.

The cut will come out of spring vacation. Originally scheduled from March 27 to April 5, it will now extend from March 27 through March 31.

## To Open Furniture Bids At Special Meeting

Bids for classroom furniture for the new Northville high school will be opened in a special meeting of the school board Thursday night beginning at 7:30 p.m. in the American grade school board of education meeting room.

# Building Purchase Boosts Downtown Development

OLDEST BUILDING? — Owner Frank Hills thinks this is the oldest building in Northville. Its days are numbered, however. The building was purchased by the city this week and will be torn down for alley and parking facilities. Hills has until May 15 to vacate. As close as he can determine, the 114 West Main street building was erected in 1870.

Northville's city council took a major step in its program to help improve and develop parking and alley facilities this week with the purchase of the Frank Hills' building, 114 West Main street.

At the same time a joint meeting of city officials, business and professional people interested in the community's commercial area was called for October 27. Purpose of the session will be to review progress made thus far in parking facilities and presumably work out a plan for joint sponsorship and development of the city's business district.

The Hills' purchase has long been an aim of the city council. It is the key to creating proper access to businesses facing Main and Center streets and establishing public parking in the block.

Previously, the city had opened the area to cars by opening an alley from Dunlap next to the Methodist church. Consideration has also been given to purchasing property on Wing street to expand the parking area and provide alleys from three streets.

The city purchased the Hills' building from Frank and George Hills. The latter now resides in Downey, California. Frank lives in the building and operates a real estate business there.

The two-story building sets on a 35 by 158 foot lot. The council has indicated that the building will come down just as soon as Hills is able to leave. He has until May 15, 1959 under the purchase agreement.

According to Frank Hills, the building may be the oldest in the city. He recalls that it was built by Charles Waterman sometime after the Civil War. Hills' uncle, Frank Miller, purchased the building in 1881 and sold it to Frank and George in 1916. The brown, frame building has an overhanging porch on the second floor with supporting pillars at the sidewalk's edge, typical of construction in the era of its prime.

Hills has been conducting his real estate business from the building for 23 years.

The October 27 meeting has been carefully planned to present Northville's complete parking-alley picture. Scheduled for the VFW building, the program will include an introduction and explanation of purpose by Bruce Turnbull, president of the Retail Merchants association.

Robert Shafer, a township planning commission member and long active in area-wide planning groups, will provide information on local population and economic surveys.

Mayor Malcolm Allen is slated to review plans and accomplishments of the city, while Councilman John Cantebury will present current and future program ideas.

The businessmen's side of the story and the role they must play in the downtown development of Northville will be presented by Essie Nirider and Fred Kester.

The meeting is a climax to countless surveys and studies and will undoubtedly strike at the heart of the commercial development of Northville — financing, specifically how and from what sources.

## Ford Withdraws Local Tax Complaint

Chalk one down and two to go for Northville.

The Ford Motor company withdrew its appeal Monday before the state tax commission on the assessed valuation of its real property in Northville.

Reassessment of all property in Northville and Northville township took place last winter. Along with Ford, Detroit Edison and Consumers Power company also appealed the new assessments. Their cases were scheduled for hearing Tuesday. Final settlement is not expected this week.

## Car Vandalism Reported at 'Downs

Police Chief Joseph Denton reported this week that there have been some instances of vandalism of new cars here recently.

Three 1959 automobiles belonging to Marr Taylor parked on Northville Downs grounds had their headlights, back-up lights, parking and fender lights stolen last week.

## Some Calls, but Plenty Of 'Progress' Prizes Remain

There's still gold in them thar windows.

Northville's Parade of Progress promotion is steadily gaining more interest and shoppers are beginning to watch the windows of the 23 merchants for the free merchandising certificates.

But there are still five "unclaimed" \$10 gift certificates waiting for a lucky ticket holder to claim their prize.

Two of them are at Ellis Electronics and Ginsell's Drug Store. C. McElroy claimed the prize at EMB, while Fay O'Leary, Earl Hollis, Kenneth Meyers, Mrs. Fred Van Atta and George Kohs are other recent winners.

Each week's three stores display tickets worth \$10 gift certificates. All other participating stores give \$1 certificates. If the \$10 prizes are unclaimed, a new ticket is chosen and displayed again the next week. Thus it's possible to have six — or even more — of the \$10 prizes on display.

The tickets are given out to shoppers in all the 23 stores. On the final week of the Parade of Progress

promotion all stores will offer \$10 awards.

Shoppers are reminded to save all their tickets, however, regardless of when they were obtained. Only winning tickets are thrown away. So tickets obtained last week may turn up as winners at any week in the future.

We shouldn't tell, but here goes anyway!

In addition to Ellis Electronics and Ginsell's, Atchinson Service, Richie Bros. Laundry and Stone's Gamble store have \$10 tickets this week.

## Firemen Win ... and Lose Prizes!

A victorious team of Northville firemen left Plymouth's Fire Prevention Council with mixed emotions last week.

Winners of the "main event" competition with firemen from 10 other area departments, the Northville contingent never got out of town with their prize.

The local team of Stan Smith, Charles Freydl, Jr., Irving Ware and J. B. Leavenworth beat all comers in a water game where each department competes against another attempting to push a barrel on a cable over the other's goal by using water from high pressure hoses.

Elated with their prize — the barrel — the team, along with Chief William McGee, Fireman Pete Gross and Councilman Earl Reed stopped for coffee at Plymouth's fire station. When they returned to the fire truck the barrel was gone.

The culprits were brave, however. They announced over the fire department's shortwave radio that "Northville will get its barrel back by Christmas".

## License Bureau Changes Location

John Litsenberger, operator of Northville's license bureau announced that the office will be closed for ten days, beginning October 17 and will re-open in a new location October 27.

The bureau, presently located at Litsenberger's Center street service station, will be moved to his real estate business office on 122 West Main, formerly occupied by the Zayti Trucking company, which has moved to Eight Mile road.

Litsenberger says the move, approved by the Secretary of State, is being made so he can accommodate license customers better.

## Northville Rd. Work to Start

Contracts for the \$175,000 re-location of Northville road will be awarded later this month.

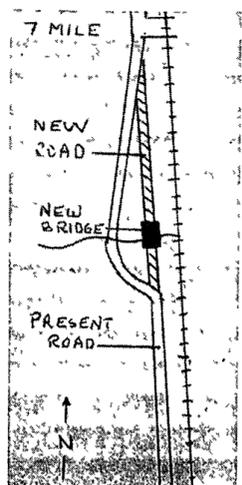

Construction probably will begin yet this year, according to Sol Lifszitz, design engineer for the Wayne county road commission.

The re-location project will include a new bridge south of Seven Mile and about 2,200 feet of new road to the east of present Northville road.

It is designed to eliminate a dangerous s-curve that has caused several fatal accidents in the past.

Most of the right-of-way has now been purchased, Lifszitz said.

Some grading and filling will be done before winter sets in, he said. It will be completed next year.

Sketch shows approximate route of the improved Northville road.

## Put Out Fire Quickly

A fire in the home of Norbert Parent, 334 Yerkes, Friday afternoon was quickly extinguished by Northville firemen.

Cause or origin of the blaze which was discovered inside one of the house's walls, is unknown, and made little damage, the fire department reported.

## Homecoming Win Means Title

A crucial battle between two of the state's football powerhouses will highlight Homecoming tomorrow night for hundreds of Northville high school alumni.

A pretty Homecoming Queen, to be selected tomorrow by her fellow students, will preside over the annual festivities.

The Northville Mustangs and West Bloomfield Lakers, both unbeaten this year, will tangle in a game that probably will determine the Wayne-Oakland league championship.

The Mustangs were rated fifth in the state by the Associated Press last week. West Bloomfield was 15th.

Both have breezed through their schedules so far, although West Bloomfield was hard-pressed to down Brighton last Friday.

Against the Mustangs' near-impenetrable defense, West Bloomfield will pit triple-threat Quarterback John Lucadam. A spectacular passer and field general, Lucadam is almost certain to take all-state honors this year.

Last year, he led the Lakers to a 12-12 halftime tie against Northville. But he was shaken up in the third quarter, and the Mustangs went on to win, 26-12.

This year, West Bloomfield has averaged about 30 points a game in racking up four straight wins. The Mustangs, on the other hand, have not allowed more than one touchdown per game this year.

Pre-game activities will be highlighted by the traditional parade of the Homecoming Queen and her court down Main street to Ford field. She will be crowned just before the parade and presented to fans during halftime.

The four candidates are Susie Rathburn, Diane Luchtman, Judy Nauman and Barbara Mapes.

The parade will start about 7:30 p.m. Game time is 8:00.

## Calendar

Thursday, October 16  
Coordinating Council, City Hall, 8 p.m.

OLV begins 3-day rummage sale, church hall.

Friday, October 17  
Homecoming game against West Bloomfield. To elect queen.

Monday, October 20  
DAR, 1312 Maple, Plymouth, 7:30 p.m.

BFW, open meeting, Presbyterian church, 6:30. Martha Griffiths, speaker.

Public tea, home of Mrs. Clifton Hill, 4 p.m. Martha Griffiths, guest.

Tuesday, October 21  
Goodwill pickup.

Northville Democratic club, home of Mrs. Harvey Whipple, 46280 West Main. Ray Dzendzel and Harvey J. Beadle, speakers.

Wednesday, October 22  
Adult Camera club, library, 7:45.

## Sentence Amended For Joseph Little

Joe Little, recently questioned in the shooting of his wife, and last week found guilty by Judge E. M. Bogart of taking a wallet from Mrs. Ward Schultz, secretary of the Methodist church, has had his sentence amended.

Originally fined \$100 and 90 days in DeHoCo, plus \$50 retribution to Mrs. Schultz, his sentence was changed Wednesday to a \$75 fine and two years' probation to be spent in his home state of Kentucky.

If he is found in Michigan during the two years he will be charged with violating probation.

WHO WILL BE QUEEN? Candidates for homecoming queen this year are (left to right) Susie Rathburn, Judy Nauman, Barbara Mapes and Diane Luchtman. Selection of the reigning beauty will take place during school Friday. She will be crowned at the homecoming game against West Bloomfield tomorrow night.

# about WOMEN

2—Thursday, October 16, 1958—THE NORTHVILLE RECORD

## Wed in Afternoon Ceremony

Mr. and Mrs. George L. Clarke

Before an altar banked with flowers in the Novi Baptist church Nancy Janet Brayman, daughter of Mr. and Mrs. Frank Wesley Brayman of West Nine Mile road, became the bride of George Louis Clarke, the son of Mrs. George Clarke and the late Mr. Clarke of Novi.

The afternoon ceremony was performed by the Rev. Arnold Cook, and Bernice Stewart sang "Because" and "The Wedding Hymn". She was accompanied by Mrs. Cook at the organ.

The bride wore a ballerina-length gown of white lace over satin with a short illusion veil and carried a bouquet of white mums and gladioli. She was given in marriage by her brother, Leo.

Matron of honor for her sister was Mrs. Rex Smith, attired in a blue lace dress. She carried a bouquet of pink chrysanthemums and gladioli.

The groom chose George Stiles of Taft road for his best man. The bride's nephew, Jerry Brayman, and Richard Ritter seated the guests.

Mrs. Brayman wore a navy blue lace dress with a corsage of white chrysanthemums.

Mrs. Clarke chose a beige sheath dress and wore a white corsage. A reception was held in the new addition to the church.

Mrs. Brayman baked the wedding cake for the guests who came from Elk Rapids, Fowlerville, Webberville, Toledo, Walled Lake, Northville and Novi.

The new Mr. and Mrs. Clarke will be receiving friends at their new home on West Eleven Mile road.

Mrs. K. H. Babbitt and Mrs. A. A. Holcomb entertained members of the Past Matrons club at a dessert luncheon in Mrs. Babbitt's home on South Rogers street, Wednesday.

## Honeymooning in Washington D.C. and Virginia

In a double ring ceremony Saturday evening, Liza Jayne Cogar, the daughter of Mrs. Henry Meirs of South Lyon, was married to Steven Folino, the son of Mr. and Mrs. Louis Folino of North Center street.

The service held in the home of Dr. and Mrs. Walter Belasco of West Main street, was performed by the Rev. Higgins of Detroit.

The bride was given in marriage by Dr. Belasco.

Blue and white chrysanthemums were arranged around the room and various floral bouquets decked the mantle.

Soloist Stanley Wickman of South Lyon sang "The Lord's Prayer", "Because" and "I Love You Truly".

The bride's gown was white nylon lace and nylon marquisette over ice blue satin, with nylon lace bodice and long pointed sleeves and a tiered ballerina-length skirt of nylon marquisette.

Her fingertip veil of ice blue marquisette was edged with lace and caught to a blue satin pill box crown trimmed with blue sequins and seed pearls. She carried a bouquet of white Fuji chrysanthemums, orchids and stephanotis.

Matron of honor was Mrs. John Klaserer of Novi, who was attired in a gown similar to that of the bride, of yellow lace and net. She carried orchid, green and yellow Fuji mums.

Bridesmaids were Patricia and Penny Graham of Walled Lake who wore matching taffeta gowns in pink and mint green respectively. Patricia carried a bouquet of orchid Fuji mums. Penny's flowers were tinted green Fuji mums.

John Klaserer of Novi served as best man.

Mrs. Meirs wore a dress of aqua lace for her daughter's wedding, a pink sequin hat and matching accessories.

Mrs. Folino selected an aqua crepe dress and black accessories. Both mothers had white orchid corsages.

A reception for 100 was held in the Belasco home immediately after the ceremony including out-of-town guests from Lansing, Detroit, Plymouth and South Lyon.

When they return from a two week's auto trip through Washington, D.C. and Virginia the new Mr. and Mrs. Folino will make their home at 374 South Wing in Northville.

Mrs. Steven Folino

## Northville P-TA to Meet

School finances will head the discussion in the second meeting of the Northville P-TA next Thursday at 8 p.m. in the community building.

A panel of school board members will be present to report on the financial outlook for Northville schools to be followed by a question and answer period.

Also on the agenda is a review by School Superintendent Russell Am-

erman of his participation in the Michigan Association of School Administrators conference held at Mackinac Island this summer.

His talk, titled "Echoes of Mackinac", will relate the financial problems and programs of schools throughout Michigan, to Northville school needs.

P-TA members are reminded that they can buy their membership cards at this meeting, and to sign the homeroom sheets before leaving.

Refreshments will be served after the business program.

Mrs. James Green of East Cady street recently returned from a tour of the New England states.

## Miss Farrell Betrothed

Joyce Farrell

Mr. and Mrs. Basil Farrell of North Sheldon road, Plymouth, announce the engagement of their daughter, Joyce, to Jerry E. Bryan, son of Mr. and Mrs. J. E. Bryan of Abilene, Texas.

Miss Farrell graduated from Northville high school in 1954 and is a graduate of Bob Jones university, where she is presently employed in one of the offices.

Mr. Bryan is studying for the ministry at the university.

The couple plan a December wedding in the First Baptist church of Northville.

## Dunlap to Speak Here

American folk songs will be the subject of a talk Friday by Wayne Dunlap, guest speaker for the meeting of the Northville Woman's club at 2 p.m. in the Northville library.

Mr. Dunlap is well-known as director of the Plymouth Symphony orchestra.

He also conducts the West Shore Symphony in the Muskegon and Grand Haven area, and the Midland Symphony.

From 1946-1953, Mr. Dunlap was on the faculty of the University of Michigan and studied in Vienna on a Fulbright scholarship from 1954 to 1955.

Mrs. Harvey Whipple, as chairman of the day, will introduce Mr. Dunlap.

## Begin New Study For Grade School Curriculum

Two years ago a curriculum study committee, composed of teachers, parents and students at the request of the Northville board of education, embarked on a study of high school curriculum in Northville.

Its conclusions, reported later to the board were used in the recent inventory of curriculum design at the high school.

Last year another similar group began research on a study of the curriculum of the junior high school.

Its findings and recommendations were passed on to the board of education formally at the first meeting of the Northville P-TA this September.

Two weeks ago the board again granted approval to another group organized to investigate curriculum at the grade school level.

Both senior and junior high projects advocated requiring a rigorous academic core of subjects, including English, science, mathematics, social studies, in addition to art and physical education, and supplemented by various vocational and avocational special-interest classes.

The second study concluded that the primary goal of junior high curriculum was the adequate preparation of students for high school.

This research was undertaken by a group of 17 lay persons, assisted by three high school students and several members of the teaching and administrative staffs.

Through frequent meetings, discussions with educators, examination of current text books and related publications, and group discussions, members developed an outline of principles to guide curriculum goals as well as practical suggestions about the choice of curriculum.

Like the first report, the junior high study findings stressed communication skills, namely oral and written comprehension and expression, as the single most important phase of education.

However, there were significant characteristics distinguishing the second report from the first: emphasis on greater coordination between certain subjects, changes in counseling programs and changes in the list of required subjects.

STUDY CURRICULUM — Members of the newly organized committee for study of the Northville elementary school curriculum discuss preliminary plans. They are (left to right) Gene Whitehorn, Chairman Wilfred Becker, Principal Richard Kay, Phyllis Cou'ler, Marge Hale and Co-chairman Mrs. Becker. The group urges Northville residents to join and hopes to get a wide cross section of the local population.

Specific suggestions mentioned closer interaction between English and social studies, between mathematics and science, between health and physical education, and among art, shop, homemaking and music appreciation classes.

The junior high report also recommended informal rather than formal counseling (as advised in the first study) by the regular teaching staff with only periodic assistance from specially trained personnel.

Notable changes in the class spectrum included disapproval of the practice of excusing students from any course for special instruction such as vocal music or instrumental music, and the absence of foreign language classes.

The new study group is headed by Mr. and Mrs. Wilfred Becker. It will begin its work by analyzing

the present curriculum in terms of its effectiveness in meeting the educational goals supported by the faculty and administration.

Principal Richard Kay suggested certain areas for research that might be especially pertinent in the

elementary education area such as facilities for emotionally disturbed children and for the gifted.

The new study group hopes to attract members from a broad cross section of religious, economic and geographical areas.

## Wed in Dearborn

St. Linus Catholic church, Dearborn, was the scene of the wedding October 4 of Mrs. Lila Collins of Northville to Frank S. Iler of Detroit.

A breakfast was served for the immediate family after the ceremony.

Mr. and Mrs. Iler are residing at 312 South Ely drive, Northville Heights. Mrs. Iler will continue her flower and gift shop business in Northville.

## Democratic Club To Meet Next Week

The Northville Democratic club will meet October 21 at 8 p.m. at the home of Mrs. Harvey Whipple, 46200 West Main, corner Woodhill.

Raymond D. Dzendzel, Democratic candidate for the state senate in the 18th senatorial district, and Harvey J. Beadle, Democratic candidate for state representative from the 21st representative district, will be the speakers at the meeting.

## Engagement Announced

Ruth Ann Johnson

The engagement of Ruth Ann Johnson to Carl R. McClure is announced by her parents, Mr. and Mrs. Sam Johnson of Walled Lake. The groom-elect is the son of Mr. and Mrs. Vester McClure of Walled Lake.

A November wedding is being planned.

Newcomers this week are the Evan Henschells who began unpacking suitcases in their Echo Valley home around the last part of August.

The family includes daughters Jacqueline, who celebrated her 11th birthday just yesterday; Patricia, eight; son Mark, two, and Grandad James Roby, Mrs. Henschell's father.

Mr. Henschell works for Detroit Edison. The girls attend the Novi grade school.

Although an all-round sportsman, by his wife's report, Mr. Henschell is notably a deer hunter in the old bow and arrow tradition.

Jacqueline, now learning from Dad is the only other archer in the family.

Carmen Henschell says she likes sewing better than shooting. She has just completed all the drapes for their new home.

Hobby-wise, both girls play the piano and both are active in girl scouting.

Mr. and Mrs. James Spagnuolo of East Main street attended a reception given in Tecumseh, Ontario, Canada, honoring the Most Reverend Emmanuel Mabathoana, O.M.I., native bishop of Leribe, Basutoland, Africa, Sunday.

## To Marry In Spring

Jeanne Carroll

Mr. and Mrs. Marley Carroll of Walled Lake announce the engagement of their daughter, Jeanne Carroll to Chris Bundoff, son of Mrs. James Bundoff and the late Mr. Bundoff of Novi.

The couple are planning a spring wedding.

Now... all America sees the one that's truly new!

Like all '59 Chevis, the Impala Sport Sedan has Safety Plate Glass all around.

## '59 CHEVROLET

It's shaped to the new American taste. It brings you more spaciousness and comfort with a new Body by Fisher. It has a new kind of finish. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. It's new right down to the tires!

Chevy's all new for the second straight year! Here with a fresh Slimline design that brings entirely new poise and proportion to automobile styling. Inside the new and roomier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead—windows are bigger, too.

When you take the wheel, you find Chevy's newness goes down deep. A new steering ratio makes handling easier than ever. New suspension engineering gives you a smoother, more stable ride. There's a new Hi-Thrift 6 that goes and goes on a gallon of gas. Vim-packed V8's. New and bigger brakes. Even tougher, safer Tyrex cord tires.

There's still more! A new finish that keeps its shine without waxing or polishing for up to three years. Impressive new Impala models. Wonderful new wagons—including one with a rear-facing rear seat. And, with all that's new, you'll find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

# ALL NEW ALL OVER AGAIN!

# Obituary

## LAURA MAY SEVERANCE

Mrs. Severance, 9585 Joy road, Plymouth, passed away at the home of her daughter, Mrs. Helen Van Dyke of Plymouth, October 12 after a long illness. Mrs. Severance was born November 18, 1867 in Harrisville, Michigan, the daughter of Francis LaChapell and Sarah (Wood) LaChapell. Her husband, Lemuel, whom she married June 15, 1898, died June 16, 1950. She is survived by a son, Ernest L., of Detroit; five daughters, Mrs. Alice Frey of Michigan City, Indiana, Mrs. Lois Carpenter of Colon, Mrs. Hazel Severance of Northville, Mrs. Helen Van Dyke of Plymouth, and Mrs. Beulah Minford of Lapeer, and a sister, Mrs. Minnie Conklin of Kalamazoo. She also leaves 12 grandchildren and six great-grandchildren. Mrs. Severance was a member of the Hasting First Presbyterian church. She had made her home in Hastings for four years. Funeral services were held October 15 from the Dempsey B. Ebert Funeral home. Rev. John O. Taxis of the Northville First Presbyterian church officiated. Interment was in Walled Lake cemetery.

died in 1954. Funeral services, conducted by relatives, were held October 13 from the Dempsey B. Ebert Funeral home. Interment was in Evergreen cemetery.

## CHRIST BURGESS

Christ Burgess, 355 East Main street, passed away suddenly October 12 at Atchison Memorial hospital. Mr. Burgess was born December 25, 1891 in Corinth, Greece. He is survived by his wife, Viola, whom he married February 3, 1917 in Detroit; by two daughters, Mrs. Donald (Constance) Wahlberg of Plymouth, Mrs. Carl (Mary Ellen) Hosier of Wayne; by two brothers, George and Gus of Corinth, and by a grandson, Jeffrey. Mr. Burgess came to Northville September 1, 1920. He had been retired from the Ford Motor company valve plant. He was a member of the Lloyd H. Green Post 147, American Legion, of Northville. Funeral services will be conducted today (Thursday) under the auspices of the American Legion from Casterline Funeral home at 1 p.m. with Rev. John O. Taxis of the Northville First Presbyterian church officiating. Interment will be in Rural Hill cemetery.

## MRS. FRANCES R. DEUTSCH

Mrs. Deutsch, 25316 Sherwood, Huntington Woods, passed away October 11 after a four months' illness. She was born December 12, 1867 in New York. She is survived by two sisters, Mrs. Laura Rodell and Miss Mary Rosenau of Buffalo, New York, and by two grandchildren, Mrs. Henry Meyer of Ann Arbor, and John H. Mahler of Huntington Woods. Her husband, Nathan,

## LUDWIG R. PETROCK

Mr. Petrock, 8565 Pinehurst, Detroit, passed away at Henry Ford hospital after a heart attack October 14. He leaves his wife, Edith; a daughter, Elizabeth Amend, of Indianapolis, and a son, Joseph, of Northville. He is also survived by three brothers, James, Joseph and Emil, all of Detroit; by two sisters, Mrs. Emma Sheppard and Mrs. Eva Bednarz of Covert, Michigan, and by four grandchildren. Funeral services will be held at 2:30 p.m. Friday from the Fred Wood Funeral home, 8450 Plymouth road. Rev. John O. Taxis of the Northville First Presbyterian church will officiate. Interment will be in Roseland Park cemetery. Mr. Petrock was born August 13, 1883, and had been a Detroit resident for 74 years. He had been an employee of the Detroit Free Press for 44 years before his retirement, and a member of the International Typographical Union for over 50 years.

**SERVICE AWARD** — Merritt Meaker, Northville Exchange club secretary for the past 13 years, was honored last week with this plaque for "outstanding services performed". The plaque was presented by Eugene King, club president, at the joint meeting of Exchange-Optimist. Meaker has been an Exchange member 15 years.

## Madonna College Sophs Hold "Mixer" Tomorrow

Ford brings Thunderbird elegance to the low-price field with

# THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

AWARDED THE GOLD MEDAL for beautiful proportions—by the Comité Français de l'Élégance at the Brussels World's Fair

Styled, powered and priced for today's driving! There never was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Élégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these 59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminum muffler that normally will last twice as long as conventional mufflers used on other cars . . . full-flow oil filtration that lets you

change oil at 4000 miles instead of the 1000 often recommended . . . new Tyrex cord tires for greater economy and safety . . . a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever . . . and two new economy power-transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

**NEW economy team Number One!** Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic

driving within everyone's car budget. It's a simplified Fordomatic with nearly 1/3 fewer parts. **NEW economy team Number Two!** Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving plus the "built-in" overdrive savings of an economy-gear axle.

Altogether NEW in everything you can see, feel or touch!

## 59 FORDS

Come in and get that NEW FORD FEELING in the cars with Thunderbird elegance

### SILVER LINING EITHER WAY

"Looker" comments:

Industrial minded: "Nice place to live here — handy to shops and stores."

Residential minded: "This is really a fine place to live — peace and quiet and handy to everything."

"Looker" from the farm: "I sorta like this right in town — not home sick at all — I believe I can smell a horse barn."

City Slicker Looker: "Gee, this is nice and roomy — and right out in the good clean air. Is that fresh cut hay that I smell?"

Yes, all sorts of people make up this area with their various likes and dislikes. But all in all — it's a pretty nice spot to have the kids grow up in. Let's talk home today.

RENT PROBLEMS?—See Stark.

Smitty: "Guess I'll give my bow and arrow back to the Indians. I did hit that hay stack, though."

Northville

Commission Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Oct. 6th, 1958 at 8 p.m.

All members of the Council were present. Minutes were read and after corrections were made, same were approved.

Bills amounting to \$49,801.77 from the General Fund and \$3,758.44 from the Water Fund were presented for payment. It was moved by Stubenvoll, supported by Reed, that these bills be paid, with the exception of No. 450, amount \$367.51 for engineering, which is to be held until approved by the City Manager. Carried.

A letter from the Michigan Motor Bus Assn. asking that the City of Northville aid them by writing to the State relative to gas tax relief for bus companies who furnish public transportation, was turned over to Atty. Ogilvie for investigation.

In compliance with a recommendation from the Michigan Municipal League, it was moved by Canterbury, supported by Welch, that the following resolution be adopted:

"BE IT RESOLVED, that the Council of the City of Northville in support of a comprehensive review of our Constitution by a duly elected convention, and

BE IT FURTHER RESOLVED, that this Council urges the citizens of Northville to vote "Yes" on the question of constitutional revision at the November 4th election."

Motion was carried. Mayor Allen informed John Poulos, who stated he felt that commercial water users should have lower rates than home owners, that this matter would be given consideration.

Atty. Ogilvie reported on the progress made regarding the purchase of the Hills property by the City, which is located at 114 W. Main St. He stated the George Hills and his wife, Hazel, would be in Northville within a few days to close up the deal as a price of \$10,000 to be paid upon execution of necessary papers. Council felt it would be desirable to extend payments over a period of a few years if possible, but if such an arrangement cannot be made, Atty. Ogilvie was authorized to complete transaction on a cash basis. Also an agreement has been reached with Frank E. Hills regarding his one-third share of his property.

Councilman Stubenvoll reported on a meeting he and Mr. Reed had with Bruce Turnbull, president of the Retail Merchants Assn. regarding Christmas street decorations. It is necessary to change the service to 100 amp. at a cost of about \$150, there is an outstanding bill owing the Northville Elec. Co. of \$189.98 for Christmas lighting on S. Main St. in 1957, which was authorized by the late Mayor Ely, and it costs about \$1,000 for greens, etc. used each year.

It was moved by Stubenvoll, supported by Reed, that the bill owing the Northville Elec. Co. be paid by the City Carried.

The City Council will notify the Retail Merchants Assn. within the next few weeks as to what further contribution they will make towards the cost of these decorations.

Moved by Canterbury, supported by Welch, that the following resolution be adopted: "BE IT RESOLVED, that the City Manager shall establish and maintain adequate records to reflect at all times by appropriate expense categories all maintenance and repair costs of each item of automotive and other major mechanical equipment owned by the City." Motion was carried.

Moved by Canterbury, supported by Stubenvoll, that the City Manager, with the assistance of the City Attorney, be directed to effect an agreement acceptable to the City Council whereby no later than Dec. 1st, 1958, the Township of Northville will commence on some satisfactory basis to begin to share in the cost of operation and maintenance of the sanitary fill operated by the City, or in the event this cannot be done, that the dump should be closed except for the use of the City taxpayers of Northville who are paying the entire cost. Motion was carried.

No further business appearing, meeting was adjourned. Mary Alexander, Clerk

## 75 Women Ring Door Bells For Northville Torch Drive

About 75 Northville women make up the team of Torch Drive solicitors who began their 10-day door-to-door campaign this week.

Among those already at work are: Mrs. Charles Carrington, Mrs. Hugh Godfrey, Mrs. Lewis Alexander, Mrs. L. Katzbeck, Mrs. Robert Herter, Mrs. Robert Wetterstrom, Mrs. Clifford Winter, Mrs. Dennis Spiker, Mrs. Fred Russell, Mrs. Hurd Sutherland, Mrs. John Swain and Mrs. A. T. Gillahan.

Others are Mrs. Gunnar Stromberg, Mrs. Laurence Hill, Mrs. James MacKay, Mrs. Herbert Frogner, Mrs. Grant Allen, Mrs. James Littell, Mrs. Philip Chase, Mrs. O. F. Reng, Mrs. Russell Clarke, Mrs. R. J. Wright, Mrs. Harold Bloom, Mrs. Francis Gazlay, Mrs. Ward Schultz, Mrs. Stanley Smith and Mrs. Lawrence LeFevre.

The list concludes with Mrs. Ed Welch, Mrs. Jack McCrumb, Mrs. Charles Mummery, Mrs. Fred Wick, Mrs. Thomas Cummings, Mrs. William Sliger, Mrs. Emma Reid, Mrs. C. A. Hoffman, Mrs. Arthur Gotts,

Jr., Mrs. Glenn Cummings, Mrs. Murray Rowland, Jr., Mrs. Harold Williams, Mrs. James Hughes, Mrs. Ruth McIntyre, Mrs. Douglas Bolton and Mrs. Howard Watterman.

### Extension Group No. 1 To Meet November 1

The Northville No. 1 Home Extension group sponsored by Michigan State university extension service, met Tuesday at the home of Mrs. Charles Foster.

Mrs. George Meirs presented the lesson on preparing meat for thrifty meals. Mrs. John Ling acted as group chairman.

The next meeting of the group will be November 10. Topic for discussion will be food planning and Christmas workshop.

### Review Club to Meet Next Thursday

The Northville Review club will meet Thursday, October 23 at the home of Mrs. Maxwell S. Austin. Mrs. O. F. Reng will review "The Stars Grow Pale" by Karl Bjarnhof.

**INVITATION LIST** — Everyone is welcome to a tea for U. S. Congresswoman Martha Griffiths next Monday. But just to make sure the word gets around, invitations were sent out by (left to right) Mrs. Clifton D. Hill, Mrs. Don G. Fowler, Mrs. Harvey Whipple and Mrs. C. E. Woodruff. Invitation or not, and regardless of political affiliation, all area residents have been invited to the tea from 2:30 to 4:30 p.m. at Mrs. Hill's home, 17440 Beck road.

Eugene F. Olsen

Northville Rotary club will be host to Eugene F. Olsen, governor of the 640th district of Rotary International, at the club's regular meeting next Tuesday noon. Olsen makes an annual visit to each of the 40 clubs in this part of Ontario and Michigan. He will address the club and confer with President Douglas Lorenz and committee chairmen on Rotary administration and service activities. Olsen is a resident of Adrian.

## Juday Leads Colts To Third Win, 20-7

Coach Joe Wilkinson's junior varsity griders copped their third game of the season Monday night with a 20-7 win over Milford.

Steve Juday led the Colt win by scoring two touchdowns and tossing a 25-yard pass to John White for the third tally. Juday scored one of the extra points on a run and passed to George Kucinskis for the second one-pointer.

The Colts scored once in the first quarter and came back after trailing 7-6 at the half to pick up two more touchdowns in the final stanza.

With an open date next week the Colts will play their next game October 24 against Brighton here.

### Hold that Pose

The first sign of graduation appeared last week for the 128 seniors at Northville high school.

They had their senior pictures taken by Spellman Studios of Detroit. The photos will be used in the yearbook and class pictures.

## CARELESSNESS IS DANGEROUS!

Surely we do not give very much serious thought about some very important matters. This carelessness was demonstrated when a donkey's name was placed on a ballot and people voted for the donkey. Boston Curtis, the donkey, won the election for the committeeman! In the west someone circulated a petition for the mayor to be hung from the nearest telephone pole, many people signed it without reading it. Now we realize that such carelessness can be dangerous in politics, but how much more dangerous is such carelessness in matters of religion. Few people are aware that Satan has as many churches as Christ. They are foolish enough to believe that "all preachers and churches are alike." They have lured into repeating, "we are all headed for the same place so what difference does it make." Oh if I could but warn people to check what you hear by an honest handling of the Word of God. The Bible clearly indicates that the end of the age would be a time of great deception. Satan and his hosts and ministers are deceivers of righteousness. Do not be careless about spiritual things — your very soul's destiny depends upon being right.

**OLD STORY** — The curve at Randolph street just east of Taft road is the scene of many accidents similar to the one above that occurred last Saturday night. The driver, James F. Brady of Detroit, was unhurt and told police that he was unfamiliar with the road and was unable to make the turn. Brady was driving into Northville and turned too sharply, his car rolling over after it struck the steep embankment. Although the road is adequately marked with signs, Chief Joseph Denton points out that the curve is very dangerous and the scene of frequent accidents.

### Organize Athletic Club At Madonna College

A women's athletic club is in the formative stage at Madonna college. Some 30 interested students met recently with physical education instructor, Miss Barbara Sowers, who will be the club adviser. Suggestions for a constitution were accepted by Beatrice Spring, acting chairman.

All Madonnites may participate in activities sponsored by the sport club. The suggested activities include both competitive and individual sports, as baseball, volleyball, ping-pong, tennis, basketball, swimming and horseback riding, along with ski week ends and camping week ends.

### DAR to Meet Monday

The regular meeting of Sarah Ann Cochrane chapter of DAR will be held Monday, October 20 at 7:30 p.m., hosted by Mrs. Walter Hammond, 1312 Maple, Plymouth.

Miss Royena Hornbeck of Kalamazoo, state chairman of national defense, will be guest speaker. Members are urged to bring good used clothing or household linens to the meeting for use by schools sponsored by the organization, and also to bring an unwrapped Christmas present for boys and girls, from 6-18, for the same schools.

### Train Volunteers For Red Cross

Northville-area women interested in volunteer work for the Red Cross Staff Aide Service can attend the one-day training course next week.

Held at the Northwest Regional Red Cross office, 32134 Plymouth road, Livonia, next Tuesday, from 9:30 a.m. to 12 noon, and 1:30 to 3:30 p.m., the course will be directed by Mrs. Hal Pigott, chairman of the Detroit chapter Staff Aide Service.

Red Cross staff aides do office work, serve at information desks, and register prospective donors at bloodmobile units and the blood center. Previous office experience or training are not necessary.

Mrs. A. C. Carlson of Northville will be registering interested women in this area.

The Northwest-area office serves Northville, Garden City, Livonia, Redford and Plymouth.

For further information or to register for the course any of the following women may be contacted: Mrs. A. C. Carlson, Northville, FI-9-1330; Mrs. Olav Barkimo, Garden City, GA-2-0896; Mrs. W. Harold Rolen, Livonia, GA-1-6665; Mrs. R. C. Rice, Redford, KE-2-2584; and Mrs. R. H. Penhale, Plymouth, GL-3-3359.

## Novi School Board Minutes

August 11, 1958

A special meeting was called to order at 8:15 by President Heslip. Present: Heslip, Crawford, Erwin, Taylor, Bernard and Dr. Medlyn.

The meeting was called for the specific purpose of deciding upon preferences in various types of furniture for each classroom, based among other features, on inspection of several different lines at Lansing and Grand Rapids. Several members of the board and Mr. Medlyn had made this trip on August 9.

### NEWS AROUND NORTHVILLE

City Manager and Mrs. John Robertson and their two children have returned from a Minnesota vacation. They visited Mrs. Robertson's parents, Mr. and Mrs. H. V. E. Johnson of Cannon Falls. Upon their return the Robertsons moved into their new home in Northville Heights.

Girl Scouts of Troop 3 held their first meeting of the season last Wednesday and elected the following officers: Cathy Mummery, president; Linda Tesh, treasurer; Shary Mills, scribe. Later the girls hiked to Parmenter's cider mill for cider and doughnuts. Leaders for this year are Mrs. Howard Hall, Mrs. E. C. Cavey, Jr. and Mrs. George Zerbel.

Mr. and Mrs. George Drayton of Wixom were visited Sunday by Mrs. Merial Walka and Mrs. Maryann Homes and her two sons, of Plymouth.

Mr. Medlyn announced that one first grade teacher had resigned, and that a new or rebuilt engine was required for one bus. It was agreed that Novi Auto Parts would be given the engine rebuilding work.

The secretary was instructed to ask for a written answer from Atkin-Fordon Co. telling the board whether or not contract completion dates would be met. No formal notice of a delay in completion of Orchard Hills school had been received to date.

The meeting was adjourned by Mr. Heslip at 11:20 p.m.

### St. John's to Hold Dessert Card Party

A smorgasbord dessert card party will be held at St. John's Episcopal church, Plymouth, next Thursday, October 23 at 1 p.m.

Tickets can be obtained from Mrs. Lawrence Hiltz, FI-9-1458.

# We Take our Shots - 858 Times

**FAMILY PROJECT** — For families like the Bernard McIsaacs getting all members to take their Salk vaccine shots is a real project. But take them, they did — nine in all. Mother shows how easy it is while Peggy, Regina, Diana, Richard, Becky, Debbie, Mary — and Dad, look on. Dr. Jacob Miller of Northville State hospital is administering the shot. Mrs. William Kinnaird and Mrs. Roy Pedersen are his nurses.

Northville — and the surrounding area — rolled up its sleeves last Thursday night and took some 858 shots of Salk vaccine.

Another polio prevention clinic was scheduled for last night (Wednesday) when it was expected that those unable to attend last week would be accommodated.

The clinics have been conducted throughout the county as part of a "crash" program by the Wayne county health department and medical society.

Through last week 108,638 persons of all ages had received shots at the clinics.

Out-county Wayne, not as severely hit by the polio epidemic as Detroit, had reported 194 cases last week and one death. Northville has no cases reported.

Last Thursday's clinic had excellent response and sponsors of the program were very satisfied with the results. Lines started forming at the Community Center one hour before the clinic started. One registration desk handled the crowd while three inoculation stations speeded-up the actual giving of the shots.

After the initial surge there was very little delay and no one had to wait long for the shots.

And there was no shortage of help. Many trained nurses and volunteer helpers were on hand and several doctors showed up unannounced to provide more than enough professional help.

Mrs. Crispen Hammond, P-TA president and chairman of the planning committee for the clinic, reported that numerous families came in together and took their shots. And age wasn't a factor. Young and old alike got in line.

Along with the P-TA and the schools, the program was aided by Mrs. Louese Cansfield of the Coordinating Council and Mrs. D. H. Grayson, representing Our Lady of Victory.

The shots were given for \$1.00. Those unable to pay this amount were excused from any payment. Approximately \$850 was collected to turn over to Wayne county for the vaccine.

Each of the persons receiving the vaccine was told when to get the next shot in the series. Health authorities are urging everyone to complete the series and also take boosters. They point out that, while polio has struck some persons who have been inoculated, cases have not been the severe paralytic type.

**EASY, DOC** — Dr. R. R. Yoder gives squinting Raymond "Butch" Newhouse a booster shot while Nurses Mrs. Helen Koester, Mrs. John Hlohinec and Terry Werdeman look on. Dr. Yoder is assistant medical superintendent at Northville State hospital.

**WALLED LAKE VISITOR** — Jerry Swartz of Walled Lake started his series with shot number one from Dr. Waldo Johnson. Nurses Mrs. Hugh Godfrey and Mrs. M. J. Willing assisted. Dr. Johnson, a member of the Northville school board, is a dentist practicing in Detroit. Like many other Northville-resident doctors he showed up at the clinic to volunteer his time.

**LINE UP** — Traffic was thinning out when this picture was taken but a steady flow followed the initial surge of persons who lined up to get polio vaccine shots last Thursday night.

# Mustangs 'at Best' over Milford

Northville rambled to its 19th consecutive league victory Friday night in crushing, workmanlike manner downing Milford 34-6.

In a mighty first-quarter effort the Mustangs racked-up 20 points while the Redskins handled the ball on only six plays and fumbled four times.

Coach Ron Schipper called Friday night the Mustangs' best team effort this year. "The first quarter was probably one of the finest periods we've ever played," he added.

Bob Starnes, Larry Nitzel and Spike Walker divided the scoring with Starnes and Nitzel picking up two touchdowns each. Wade Deal continued his fine place-kicking performance with four out of five.

Northville didn't wait to get going. Nitzel took the kick-off on the 23 and carried it back to the 30. On the first play from scrimmage Starnes almost broke away for the distance but was tripped-up by the safety man after a 27-yard gain.

The Mustangs continued their

steady play grinding out 70 yards in 12 plays with Walker scoring from the one. Deal converted and it was 7-0.

Milford fumbled the first two times it handled the ball from scrimmage. On the second slip-up Gary Morgan recovered for Northville. On the first play Starnes scooted 35 yards for another tally and Deal's kick was again good.

After the kick-off Milford again fumbled twice but managed to cover the ball both times. After being stopped by the Mustangs Milford punted to Northville's 40.

Six plays later Nitzel crashed over from the three yard line and Deal barely missed the extra point.

"Big gun in the series leading to the third tally was Starnes' 34-yard effort. Walker, Nitzel and Fred Schwarze also picked up gains in the 60-yard march.

In the second period Northville also got "fumble-itis" to play along with Milford. After Schwarze recovered a Milford bobble, Northville recovered two of its own fumbles before finally losing the ball on a fumble to Milford.

The Redskins could penetrate no deeper than the Mustangs 30-yard line. The slow second quarter ended with no scoring and most of the play taking place in Northville territory.

In the second half Milford came alive and drove 56 yards in nine plays following the kick-off for a score. John Zeeman took the ball over for the Redskins from the nine. N. C. Schrader blocked the extra point attempt.

Northville wasted no time in getting the touchdown back, however. After Nitzel returned the kick-off 20 yards to the 42 Bill Boyd completed a pass to Starnes for 58 yards and another score. Deal converted and the score was 27 to 6.

The final score was made by Nitzel from the 6. Again Deal converted

for the 34-6 ending. The Mustangs attempted only four passes and completed two. Their running attack was in high gear as they ground out 262 yards. Downfield blocking by Mustang guards and tackles was especially effective giving backs plenty of running room.

## Sports

10—Thursday, October 16, 1958—THE NORTHVILLE RECORD

### School Bus Loses Wheel

There was more than one hero at Friday night's football game between Northville and Milford.

Northville Recreation Director Stan Johnston can be credited with saving a bus-load of 28 high-schoolers from possible injury with his expert handling of a "wheel-less" bus.

Enroute home from the game the left rear dual wheels of Johnston's bus came off. With sparks flying and a few screams in his ears, Johnston brought the bus under control. No one was hurt, "but everyone was scared, including me," Johnston said.

The freak accident happened on Milford road about a mile north of the expressway. Chuck Kehrer, driving the bus behind Johnston, saw the wheel coming loose but was unable to warn Johnston. Kehrer's bus ran over the first of the dual wheels to come off, while the second wheel hit Kehrer's bus and then rolled right past the startled Johnston.

E. V. Ellison, director of transportation, brought a new bus to the scene to transport the children home.

### It's the Berries

Red raspberries are having a field day this fall.

Last week, The Record ran a photo of Ward Cook, 242 South Center, and a bunch of raspberries he picked from his garden several days before.

Now Mr. and Mrs. Matthew Borning, 48855 West Seven Mile, report that they not only have ripe raspberries in their garden, but there are still some green ones getting ready to ripen.

GRID WINNERS — Richard Willing, 15-year-old tenth grader, and Mrs. Bud Bell, a young housewife-mother, took top honors in last week's football contest. In a week of upsets Richard missed only three games to take the \$10 check which he displays for Marilyn and her three-month-old son, Steven. Marilyn confesses she got some help from her husband, star quarterback on last year's Northville high school eleven. She missed only four games. Several other entries tied Marilyn for the \$5.00 second prize but her Lions-Rams score predication was the most accurate.

### Figures

Scoring	
Northville	20 0 7 7-34
Milford	0 0 6 0-6
Statistics	
N	M

Passes completed	2 4
Passes intercepted	1 0
Punts	1 4
Punting average	34 19
Penalties	2 1
Yards penalized	30 15
Fumbles	4 5
Fumbles lost	1 2

### Full Schedule Of League Games

While Northville and West Bloomfield clash in the game that may well determine which team wears the 1958 Wayne-Oakland league crown, the six other league members will also be in action Friday night.

Once-beaten Brighton will try to keep its championship hopes alive as it meets once-beaten and oncedited Clarkston. Brighton showed up well against West Bloomfield last week end and must be considered the favorite.

Holly, fresh from its first victory (13-0 over Clarkston), will attempt to keep rolling as it takes on Clarenceville, winless in league play.

Still looking for its first win Milford will try to get started against Bloomfield.

Last week West Bloomfield dumped Brighton, 21-13, Bloomfield downed Clarkston, 7-6, and Holly topped Clarkston, 13-0.

Friday's Schedule	
Northville vs. West Bloomfield	
W-O League Standings	
Northville	3 0 0
W. Bloomfield	3 0 0
Brighton	2 1 0
Clarkston	1 1 1
Bloomfield	1 2 0
Holly	1 2 0
Milford	0 2 1
Clarenceville	0 3 0

# FOOTBALL CONTEST

IT'S FUN — IT'S EASY — ANYONE CAN WIN — NOTHING TO BUY!

**\$10<sup>00</sup>** First Prize **\$5<sup>00</sup>** 2nd Prize

**EVERY WEEK**

— HERE'S ALL YOU DO: —

In each of the 15 spaces provided below place a circle around the team you believe will win. Be sure to pick a winner in all 15 games. Note that in one game it is necessary to pick the probable score. This will be used only in case a tie occurs and then the contestant whose score is closest to the actual score will be declared the winner.

All entries must be postmarked not later than 5:00 P.M. Friday. Entries may also be brought directly to The Record office before 5:00 P.M. Mail your entries to: Sports Dept., The Northville Record, Northville, Michigan.

Enter just once each week, but you may enter as many

weeks as you desire. In case of ties, prize money will be split.

Be sure to write your name, address and phone number plainly in the space provided. Free entries are available at The Record.

Employees of The Record or sponsoring merchants are not eligible to enter.

1959 CHEVROLET — This Impala sport sedan is just one of the 14 passenger car styles being offered in the 1959 line of Chevrolets. The sleek flat top and spacious wrap-around rear window are special features of this Impala. The complete line is now being shown at Rathburn Chevrolet Sales in Northville.

PLYMOUTH BOWS — G. E. Miller Sales and Service in Northville introduced the new Plymouth models for 1959 today. This new Sport Fury 2-door hardtop features outward-canted tail fins as well as swivel front seats. The new compound windshield curves into the roof as well as wrapping around the sides.

OUT FRIDAY — The 1959 Ford will go on display at Marr Taylor Ford Sales in Northville tomorrow. The formal styling of the 1959 Ford line is exemplified by the crisp, horizontal lines of this Skyliner model, the only retractable hardtop in the industry. Ford is stressing dignity in styling as opposed to extremism.

## It's Old Stove Round-up Time! TRADE NOW AND SAVE

LOOK WHAT YOU GET WITH A  
NEW GAS RANGE  
featuring... Burner-with-a-Brain

# FREE

BIG • DEEP • 11" SQUARE

## Fry Pan

This wonderful Triple-Thick Aluminum, 4 quart Fry Pan operates like an automatic pan when used with the **BURNER-WITH-A-BRAIN** AND THE TEMPERATURE CHART ON THE HANDLE

Modern Gas Ranges Offer You:

- ★ **AUTOMATIC COOKING.** The new gas Burner-with-a-Brain makes every pot and pan you use an automatic cooking utensil. Simply set the dial . . . the flame raises and lowers itself to maintain the exact temperature you want. Does all your pot-watching for you! Foods won't burn, scorch, or dry out.
- ★ **CLOCK-CONTROLLED OVENS.** Set the timer on the new gas range oven . . . leave for the day! Whole meals cook to perfection without worry or watching.
- ★ **PERFECT BROILING.** Direct flame broiling seals in the natural tender flavor of meat. And with gas it's smokeless closed door broiling.
- ★ **TIME SAVING.** A turn of a dial and the correct cooking temperature is there . . . instantly! With a gas range foods start to cook at the moment you command.
- ★ **EASY CLEANING.** Nothing beats modern gas range design for quick and easy cleaning. Removable parts, including burners that can be washed in the sink.

**FREE INSTALLATION**

## from the PASTORS STUDY

By the Rev. James F. Andrews  
 Full Salvation Union Chapel

God desires to reveal Himself to suffering humanity. He wants to speak to all men in every state in life. To do this He must speak to them in a way they understand.

God best reveals himself to men through suffering. Are you willing to accept God's lesson of the cross?

Christ was willing to be a man of sorrows and acquainted with grief so that God might speak to men also acquainted with grief.

God did not use Christ high in the heavens seated on His throne. Men could not understand the grace of God working through Him that way.

There had to be condescension, a sacrifice, if men were to receive light. Thus Christ became that sacrifice. He did it willingly. He did it for me and for you. Amazing love—that he who had no sin should come to live among sinners for our salvation.

He tasted death for every man so that now as we near the waters of Jordan, instead of hearing only the breakers of night beating the rocks of eternal gloom, we can hear the song of angels sing in mighty triumph, "Blessed is He that was dead and is alive forevermore."

It was not God's fault that Jesus had to suffer and die. He did not delight to see such pain and woe. But it was the only way to salvation for man.

How else could men understand God's gift of eternal life—victory over death—than by Christ Jesus showing them through the willing sacrifice of Himself.

Someone had to assume man's condition in order to reveal what God could do for men in their earthly lives.

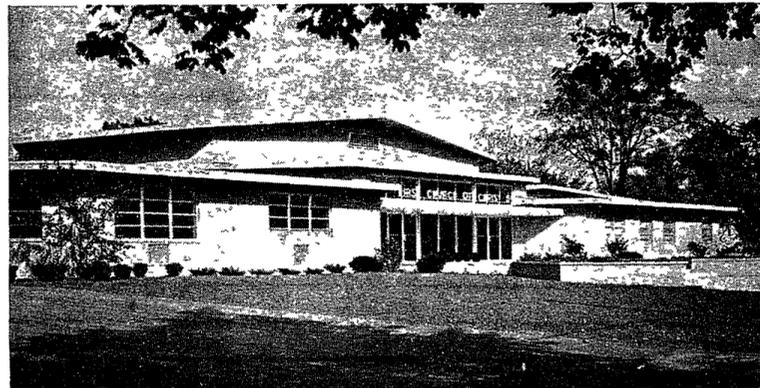

That is what Christ did during His days on earth, and He did it without sin.

But in these times His example is manifested through those who yield themselves to Him as a living sacrifice.

On the altar of that devotion men and women, boys and girls, renew the example of the cross by facing the reproach, the shame, the poverty, the ignominy, the suffering and death of the cross, who say, "Here I am Lord, send me where You will."

"Outside the camp, despised and rejected by men, my Lord wanders alone, and I would go to Him out there. His dying love has won my heart. Through Him God has spoken life and peace to my weary soul. Looking at His cross the understanding of eternal hope has dawned upon my darkened mind.  
 "Do you hear that sound? It is His voice. My Saviour calls me. I'm going, going out there to Him. He died for me. I would give my life to Him. O, it is in me. I see it. Jesus, I come, I come. Take me. Use me. Hold me."

## New Plymouth Church Opens Sunday

Christian Scientists of Plymouth will begin regular full scale services in a recently completed church at 1100 West Ann Arbor Trail, with two services Sunday, October 19—one at 10:30 a.m., and the other at 5 p.m., it was announced this week.

The new First Church of Christ, Scientist, designed by C. Dale Dykema, and erected by local contractors, is a single-story, two-building group of contemporary design, combining aluminum, glass, and buff brick with turquoise exterior wood trim.

The Sunday school building, with class room for 200 pupils, a nursery, and a room for infants, is connected with the church proper by a covered walk. This section of the new facility was finished last June, and has been in use since then.

The church auditorium has 375 auditorium-type seats, upholstered in turquoise wool. Honey beige asphalt tile covers the floor under the seats. The aisles and front and rear areas are carpeted to harmonize

with the seat upholstery. Painted masonry walls of light turquoise flank the platform, in which natural mahogany provides the dominant color note. The organ is concealed behind a wood grille.

Deep, wide windows balance each other at either side of the auditorium, and patterned glass, in alternating clear and tinted panels, separates the auditorium from the spacious narthex.

A large parking area is provided across the rear of the lot, with easy access over two wide black-topped drives. The entire parking area will be black-topped when it has properly settled.

On the opening day, Sunday school will be held only at the 10:30 hour, but the infants' room will be open and attended during both services. Wednesday evening services will be held for the first time in the new building October 22.

**NOTICE OF PUBLIC HEARING**  
 ON A PROPOSED AMENDMENT TO ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE

Please take notice that the Northville Township Zoning Board will hold a public hearing on Monday evening, November 10, 1958 at 8:00 o'clock P.M. in the Northville Township Hall for the purpose of hearing and considering a proposed new land use district classification to be known as R-4 MULTIPLE FAMILY RESIDENCE DISTRICTS, and to rezone that parcel of land located on Haggerty Road North of Five Mile Road recently Zoned as C-1, to said proposed R-4 classification. Also to consider the proposal to amend paragraph (f) of Section 10.01 of Article X to read as follows:

10.01 (f). Uses permitted in an R-4 District. It is further proposed to hear and consider a proposed amendment of Section 3.17 of Article III to read as follows:

3.17. STREET FRONTAGE OF RESIDENCE LOTS. No lot in residence districts shall be used for a dwelling unless it abuts with a minimum accessible frontage of sixty (60) feet upon a street.

The above proposal may be examined on any week day during the hours of 1:00 P.M. to 5:00 P.M. at the Northville Township Hall.

This notice given pursuant to Act 184 of Public Acts of 1943 as amended.

# Northville Board of Education Minutes

October 6, 1958

The meeting was called to order at 7:50 p.m. by President Nelson C. Schrader. Present: Mr. Crump, Mr. Shafer, Mr. Lawrence, Mr. Schrader. Absent: Dr. Waldo Johnson.

Others Present: Supt. R. H. Amerman, Administrative Assistant K. M. MacLeod, Principals E. V. Ellison, H. B. Smith, R. W. Kay, Attorney James E. Littell, PTA representative F. Gazlay, Mr. Alex Lawrence.

The minutes of the last regular meeting and one special meeting were read and it was moved by Mr. Lawrence and supported by Mr. Crump that they be approved as read. Carried.

The minutes of a special meeting held on September 15 were then read and there being no corrections or additions, it was moved by Mr. Lawrence and supported by Mr. Crump that the minutes be approved as read. Carried.

## Communications:

1. Poole, Warren, Littell and Gordon, regarding disposal of money received from sale of property to Wayne County Road Commission, advising that this money must be deposited in the Building and Site Fund.

2. Chaffee Roofing Company, giving quotation on repair of roof on kindergarten room in Main Street Grade School \$1435.00.

3. Eberle M. Smith Associates, recommending reduction of retained percentage on new high school contracts from ten to five percent, with particular reference to Howard Contractors, who have made formal application for such reduction.

4. Coordinating Council, notifying school of its concern with the polio epidemic and urging that some action be taken to provide the Salk vaccine.

## Report of Superintendent:

Baseball Field: Further investigation of Green Ridge Nursery quotation indicated that previous quotations had not been properly interpreted and that bids on different phases of the project had actually overlapped.

School Board Policies: Superintendent presented a compilation of these and also administrative staff

policies for Board perusal, to be discussed and approved at a special meeting sometime in the near future.

Renovation of High School: Mr. Ellison described plans worked out by the administration and Dr. Wells, of the County Board of Education Office. Approximate cost of this remodeling is estimated to be \$150,000, including cost of a new heating plant and new plumbing. Wiring probably should be re-done, too.

School Calendar: Superintendent recommended that the 1958-59 school calendar be amended as follows: Shorten the spring vacation to five days (March 27 to 31 inclusive) and setting the closing at June 12 (one week earlier). Ayes: Lawrence, Shafer, Crump; Nays, Schrader.

Report of the Secretary: Secretary Shafer reported receipts for the month of September totaling \$129,664.88.

Report of the Treasurer: Balance in General Fund, September 30, 1958, \$94,467.71.

Balance in 1936 Bond and Coupon Account, September 30, 1958, \$180.

Balance in 1949 Debt Retirement Fund, September 30, 1958, \$2,156.14.

Balance in 1954 Debt Retirement Fund, September 30, 1958, \$16,419.01.

Balance in 1957 Debt Fund, Series A, September 30, 1958, \$10,799.70.

Balance in 1957 Debt Fund, Series B, September 30, 1958, \$33,607.50.

Balance in 1957 Bldg. and Site Fund, September 30, 1958, \$392,365.73

TOTAL BALANCES, ALL ACCOUNTS, September 30, 1958, \$549,995.79.

Moved by Mr. Lawrence and supported

by Mr. Crump that the report of the treasurer be accepted. Carried.

Report of Special Committees: Board indicated that approval will be given to formation of the new elementary school curriculum study committee as soon as it is organized and its roster of members formally submitted to the board.

Report of Auditing Committee: Auditing Committee approved bills and payrolls for payment as follows: Bills, \$7,687.19 in the General Fund; \$121,150.20 in the Building and Site Fund. Payrolls, \$46,070.28.

Moved by Mr. Lawrence and supported by Mr. Crump that the above bills and payrolls be approved for payment. Carried.

Old Business: No. 1 Bus Retiring: Mr. Ellison reported that he has obtained a top appraisal figure of \$900 on this bus. He has a tentative sale to the Recreation Dept. for \$200, provided it doesn't have to be paid for at once.

New Business: 1. Mr. Littell advised the Board that the check from the Wayne County Road Commission will reach us within a few days.

2. Kindergarten Roof, Main St. School: on strength of Superintendent's recommendation the Chaffee quotation was tabled until greater signs of weakness appear in the roof.

3. Reduction of retainages, high school contractors: Attorney Littell recommends that Howard Contractors be advised that if we are currently satisfied that 50 percent of the work has been completed, and

that current progress is satisfactory, we could then, under the general terms of the contract, undertake to waive further retainments. Board indicated however, that they would wish for a more definite recommendation from the architect before any such agreement can be made.

4. Review of \$3,000,000 bond issue: Superintendent Amerman outlined for the Board the limitations of the issue, one of which is that the final issue, Series C, must be sold before April of 1959, in order to get the entire issue on the tax rolls within three years of the qualification. Particular reference was made to the possibility of purchase of the Community Center, which would constitute the purchase of a school site under the limitations of the bond issue. Attorney Littell was requested to furnish the Board with a written opinion regarding this matter.

5. Wayne County Road Commission — Dirt Removal: Mr. Shafer reported that arrangements have been made for removal of dirt at the site of the high school, dirt to be removed by the Road Commission and subsequently used by them as fill on the new cut-off. Certain priorities have been established for the order of removal. Probably there will be more dirt than the County can use.

6. Progress on High School: Mr. Shafer reported that building is on schedule. Several minor construction problems have presented themselves, particularly with the gymnasium roof, but these have been solved. Plastering is underway in the two-story section.

A problem has arisen regarding the home economics furnishings, which have been scheduled by the architect for March 1 readiness, while the official moving in date is a month earlier than this and all other equipment is to be ready by February 1. University School and Equipment Company, suppliers of the home ec. equipment, will make every effort to meet this date.

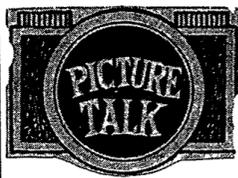

7. Change Order, Dean Electric \$117.00: Superintendent Amerman reported that investigation of the matter of the power driven door for the driver training room has revealed that the wiring was inadvertently omitted from both the specifications and the bids.

Upon receipt of this information the Board decided, on motion of Mr. Crump, supported by Mr. Lawrence that this change order be approved, with indication that the Board feels itself not responsible for this error and will try to reclaim the additional expense from the architect.

8. Resolution to Borrow: current state of finances and prospects for receipt of State Aid payments make it necessary for Superintendent Amerman to recommend further borrowing against State Aid, and possibly against Tax Anticipation notes. The necessary applications and resolutions were authorized upon motion by Mr. Shafer and Mr. Lawrence.

Adjournment: Upon motion by Mr. Crump and second by Mr. Lawrence the meeting was adjourned at 12:35 a.m.

Robert H. Shafer, Secretary

## THE BIG PICTURE

"Wouldn't you know it," the young fellow said. "The one good picture I snap of the baby smiling has a bunch of blurred toys in the foreground."

I leaned over the counter to get a closer look at the snapshot, and I had to admit the baby's smile was a real 10-carat sparkler.

"Why not try cropping out the foreground," I suggested, "and print up an enlargement of that smile."

"Cropping?" the young fellow repeated. "What's that?"

"Cropping is picture editing," I explained. "It's a way of taking out what you don't like in a picture and saving what you do like. We can crop out those blurred toys for you and print up a 5 by 7 enlargement that would be a knock-out."

"You could? Why that would be great," the young fellow said. "Look, better make that an order for a couple of prints. One won't be enough, to satisfy the grandparents."

Next time you pick up a batch of snapshots take a good look at them. Can one be converted into a prize-winner with a little cropping? We'll be glad to help you with the selection and the cropping. Just ask us the next time you pick up your pictures.

## — RESOLUTION —

WHEREAS, under Section 4, Article XVII of the Michigan Constitution of 1908, the question of a general Revision of the Constitution must be submitted to the electors at the general election in November 1958 and

WHEREAS, the State of Michigan is now living under a Constitution which, except for several major changes made by the Constitution of 1908 and subsequent amendments, is essentially the same document framed in 1850, more than 100 years ago, and

WHEREAS, it is obvious that Michigan has changed tremendously since the fundamental governmental structure was formulated, having grown in population more than threefold and having emerged as a leading industrialized and urbanized area, and

WHEREAS, meeting the challenge for effective state and local government in this dynamic period of rapid social and economic changes demands the elimination of outmoded organizational patterns and self-imposed Constitutional restrictions, and

WHEREAS, after careful deliberation and discussion, the Wixom City Council concluded by a unanimous majority that a general revision was desirable at the earliest possible moment.

NOW THEREFORE BE IT RESOLVED THAT, the Wixom City Council on this 9th day of October, 1958, went on record as recommending a "yes" vote on the question of a Constitutional revision at the November election.

## Willowbrook Man Heads AMC Division

J. F. Buck

J. F. Buck of Novi has been promoted to central division parts and service manager of American Motors corporation.

The central division includes the company's Detroit, Atlanta, Cincinnati, Cleveland and Pittsburgh zones, covering 12 states.

Buck, formerly Detroit zone parts and service manager, has been with the company since 1947, and has 21 years experience in the automotive service and sales fields.

Other positions he has held with American Motors include technical instructor, district manager, zone car distributor, parts and service merchandising manager and zone sales promotion manager.

During World War II Buck served with the U.S. Coast Guard in Europe and the South Pacific.

A native of Baltimore, Buck attended the University of Detroit.

He and his wife, Kathleen, reside at 24350 LeBost drive, Willowbrook.

### Dunninger to Appear

Dunninger, the mentalist, opens the current Redford township Town Hall series Sunday at 8 p.m. at Redford Union junior high school.

He will present a series of experiments in thought-reading, similar to those with which he has been mystifying TV and theater audiences for years.

Following Dunninger during the 1958-59 series will be Dr. G. Edward Pendray, eminent authority on rockets and the space age; Charles Egbert, Richard Corson, William L. Shirer and Nelson and Neal.

For further information about the series call Mrs. Lawton Blitz, KE-2-8502.

# To the Millions of Americans Who Helped Design the 1959 Ford Family of Fine Cars

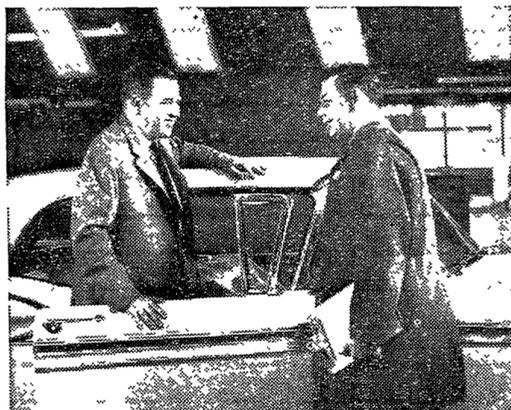

A message from Henry Ford II, Benson Ford, and William Clay Ford  
on the philosophy behind Ford Motor Company's 1959 models  
— soon to be shown by 8,972 dealers all over the country.

**F**OR 55 years our family has been in the business of making automobiles for the families of America.

First in our grandfather's and our father's time, and now in our own, we've been associated with the evolution of the American car. We've watched our cars and our ways of living change each other.

Through all these years we've tried to learn the simple secret of success in the car business: *Give the people what they want.*

Of course, when our grandfather decided to find out what people wanted, it wasn't

Henry Ford II, President of Ford Motor Company, talks about the '59 Ford with foreman Nicholas Metropoulos at assembly line of Rouge plant.

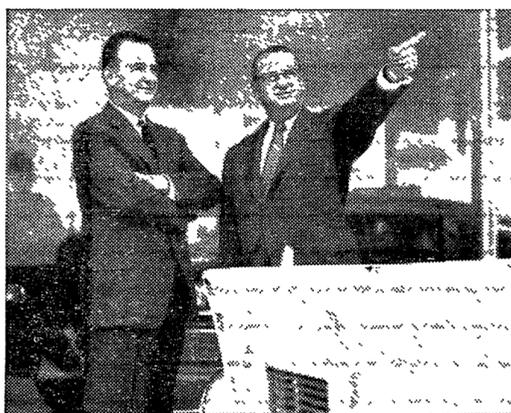

very hard. People wanted low-priced, reliable transportation. You didn't have to do much research to learn all about it.

### How things have changed!

Today, people want far more than transportation from their cars. To most of us Americans, the car is a second home.

We are the most mobile people on earth. We live in one place, work in another, send our children to school in a third, and enjoy our recreation in a fourth. We think nothing of going fifty miles to dinner, or across the country on a holiday. Is it any wonder Americans make such great demands upon our cars — or have so many ideas about them?

How do we find out what these people want — and what their ideas are? At Ford Motor Company we consider car-owner research

Benson Ford, Vice President and Chairman of Dealer Policy Board, gets local picture from Lincoln-Mercury dealer Fred Jones, Tulsa, Okla.

one of our most important assignments. We do our best to find out what you like, why you like it, what you need and want, what you take for granted in a car, and what you don't care about.

We ask questions by mail, in person, and by telephone. We get suggestions from a farmer in Arkansas and a housewife on Long Island, a salesman in Arizona, and an Ohio teenager who just got his driver's license.

### A host of new ideas

Our dealers across the country will soon be showing you the *completely new* 1959 Fords, Edsels, and Mercurys. Together with the improved 1959 Lincolns, Thunderbirds, and Mark IV Continentals, *we believe they're the most beautiful cars we've ever made.* Their styling is crisp, functional and well proportioned — every line with a purpose.

Our '59 cars are designed around *people.*

You'll find, for example, such things as wider doors to make our cars easier to get into and out of, even for ladies in the new tighter skirts; more leg room for the person in the middle, with the hump in the floor cut way down; and, you'll find all of our new cars — both V-8's and 6's — *are more economical to operate.*

You'll notice all kinds of ideas to make riding safer and easier, more comfortable and convenient — from greatly enlarged window areas to bigger luggage compartments.

Never before has our company devoted so much time, thought, effort and money to finding out, and finding the way to give *you* the things *you* want in an automobile. And we make a car for every price range, from about \$2000 to over \$7000. The choice you have is almost unlimited.

### 6 different makes — 60 different models

In the 1959 Ford Family of Fine Cars, we will offer 6 different makes — the Ford, Thunderbird, Edsel, Mercury, Lincoln, and Mark IV Continental. In these 6 makes you get a total of 60 different cars.

And if that's not enough, you can pick from so many different colors, interiors, trims, and other choices in each model that it takes an electronic brain to count them.

William Clay Ford, Vice President, Product Planning and Styling, works here with Edsel stylist Deno Taglioli on 1962 designs.

We believe you will find, in the 1959 Ford Family of Fine Cars, the car designed for you. In a sense, it was designed *by you* — designed by you and millions of other Americans.

Speaking for the entire Ford Motor Company — its 273,457 stockholders, its 150,000 employees and its 8,972 dealers all over America — may we invite you to see our new cars before you buy? Watch for announcement dates in your newspaper.
