Voters to Select State, County Officers

HMM, GOOD — Ronnie Asher, 10-year-old son of Mr. and Mrs. William Asher of Grace street, is all smiles as he digs into his prize banana split. How did he win it? With his lucky Parade of Progress ticket! Ronnie was a \$1.00 gift certificate winner at Cloverdale Farms Dairy. Twenty-three local stores have winning tickets in their windows each week. Shoppers can win by saving their tickets obtained at any of the participating stores. Ten dollar gift certificates are now waiting at Atchinson's Service, Brader's, Cloverdale, Ellis Electronics, Freydl Women's, Northville Electric, Ritchie Bros. and Schrader's. Save ALL your tickets... they could be valuable. Parade of Progress days end November 29.

Future of Parking Up to Merchants

Northville's future off-street parking development was left squarely up to the community's businessmen Monday night.

In a meeting called by a parking study committee composed of two council members and two retail merchants the business representatives were told that \$10,000 is immediately needed for off-street parking and alley provisions.

And more dollars must come from the business interests if a program for parking development is to be undertaken, the committee stated.

The report was not received with enthusiastic response. Furthermore, members working to bring about a planned program for parking expressed disappointment at the comparatively small turnout of businessmen.

The meeting opened with a forecast of area growth by Robert Shafer. He told the group that they could expect a population gain of 48 percent within seven years. Using the city, township and southern half of Novi as the estimated shopping area for Northville Shafer said population in this section would total 12,900 in 1965 compared to 8,700 at present.

He pointed out that the figures were the "expected norm" and did not take into consideration any unusual developments. He added that the totals did not include area in institution patients and employees, as are generally included in studies made by the metropolitan regional planning group.

Mayor Malcolm Allen followed Shafer and pointed out that the city had spent nearly \$100,000 on off-street parking and alleys since 1951. "The city has provided this parking with practically no help from the

businessmen," Allen added. Councilman John Canterbury, second city member of the four-man parking study committee, reviewed some of the work performed by the committee during the past year. He pointed out that the city and merchants were in general agreement as to the responsibility of providing parking.

Under a general plan presented by the committee, the city and business concerns would split the cost of providing off-street parking. Canterbury pointed out that the city would not finance the recent Hills property purchase and that merchants would have to participate in the cost of developing this area into parking and alley facilities.

Both merchant members of the committee, Essie Nirider and Fred Kester, praised the city for taking the lead in off-street parking development. Both expressed concern that more off-street spaces are needed. They emphasized that the \$10,000 now needed was only the beginning. "This represents an obligation we now owe the city for what it has already done. We must continue a program for parking development if we are to remain a shopping center," they echoed.

Presumably, solicitations will begin at once on a voluntary basis. Two merchants had previously pledged a total of \$3,000.

Before Turnbull closed the meeting with a suggestion that the merchants "get together" to discuss the matter there was some general discussion on parking. Some questioned the need for more parking; others called for free off-street parking; others asked if there would be an assessment.

To the latter query Mayor Allen said, "you're not being assessed, you're being asked to buy insurance to guarantee the future business of Northville."

Torch Fund Beats '57; Behind Goal

Latest reports from Northville business and residential areas have pushed the Torch Drive fund over last year's total — but chances of reaching the 1958 goal appear dim.

With only one more day remaining before the solicitation reports deadline, the city has recorded an estimated \$2,500 compared to last year's \$2,100-plus total.

Mrs. Louise Cansfield, chairman of the women's drive, said a last-minute upswing in local collections may push the total closer to the \$4,858 goal this year.

Final efforts in the drive last year pushed the total to 116 percent over the home and business quota (\$2,100) and 134 percent over the government goal (\$350). Northville was the first community in Wayne county to top its residential goal last year.

The 1958 goal was increased partly because of the 1957 drive success and partly because of the additional sources of contributions.

Chairman for collections among city government members, John Robertson, reported that about \$325 has been received so far. Alvin Skow, chairman of the school collections unit, said totals would not be known until later.

Torch Drive funds benefit local, county, state and national agencies.

Among local girl scout and boy scout organizations which are financed through Detroit headquarters, two Northville groups, the King's Daughters service and welfare organization, and Northville recreation department receive partial financial assistance amounting to more than \$800 each year.

Remaining funds from the local collections are split among nearly 200 county and state social services which are totally or partially supported by the United Foundation, and thus available at minimum costs to all needy residents of this area.

Nearly 300 Northville and Northville township individuals and families made use of 17 of these organizations, including child care, family, health, community and youth service organizations.

Kim Battles On As Friends Help

Little Kim Smith, 18-months-old leukemia victim, was back home today after several days in the hospital and a bout with pneumonia.

She had another transfusion, but her weakened condition left her easy prey for the lung infection.

Her parents, Mr. and Mrs. Bill Smith of 4850 West Nine Mile road, learned of their blond, blue-eyed daughter's condition just four weeks ago. She's taken to University hospital each week.

Friends have responded to the Smith's plight and plan a spaghetti dinner to collect funds to help with doctor and hospital expenses.

The dinner, planned for November 8 at the American Legion building in Northville, was the idea of fellow employees of Mrs. Smith when she worked at Michigan Bell Telephone company. They donated an employees' fund towards the function and have since received other donations of food and help.

Mrs. Earl Sessions and Mrs. William Bachelor are making arrangements for the dinner. The Marlene shop, Freydl's cleaners and Officer Gil Glasson are selling tickets.

This week Mrs. Smith learned that the National Leukemia Foundation may step in and pay their medication bills. Another donation of \$10 was received, while fellow employees of Mr. Smith at the Northville Ford plant took up a collection along with employees of Novi Auto Parts.

Meanwhile Mrs. Smith's high school classmates are being rallied by Mrs. Cliff Schroder to give what they can.

And Kim remains unresponsive to medication. She has little desire to play, is too tired to walk.

WHICH WITCH — Little Roselyn Budek seems perplexed as she tries to decide which mask she should choose as her Halloween mask. The masks were made as a special project of Jack Van Haren's seventh grade arts and crafts class at Northville junior high school. Chances are you'll see all these faces roaming the neighborhood Friday night.

Parties Planned For Halloween

A hula-hoop contest will highlight two annual Halloween parties tomorrow night at the community center.

According to Stan Johnston, recreation director, the party for elementary grade students is set for 5-7 p.m., while the junior and senior high students' party will be from 7-10 p.m.

The hula-hoop contest for elementary students is scheduled to begin at 5:30 p.m. A similar contest may be held for the older students if there is enough interest shown, Johnston said.

Sponsored by the recreation department, Northville Merchants association and the Optimist club, the parties will include free refreshments and special treats, prizes for outstanding costumes, and games. A dance is planned for the older students.

Northville merchants have asked that children do not come to the stores for treats but pick them up at the community center, Johnston said. "They find it difficult to take care of 'little goblins' on busy Friday evenings," Johnston said.

Bet Dip to Affect City's Tax Share

Detroit area harness racing figures released this week by the State Racing Commission show a 7.3 percent increase in attendance at Northville Downs this year — but a 3.2 percent decrease in handle.

This dip in total handle will be reflected in the city's share of state revenue, which last year totaled \$90,000.

The total 1958 attendance at the Downs was 5,079 compared to the 4,736 total in 1957. The total \$242,107 handle was down from last year's total of \$249,917.

Both handle and attendance were down this year at Wolverine Raceway. Handle was off 5.3 percent, a drop from \$303,265 to \$287,463, while attendance dropped 4.5 percent from 6,132 to 5,859.

Hazel Park Harness Raceway, which had early racing dates, recorded sharp increases in attendance and handle. Attendance jumped a whopping 42.1 percent from 4,919 to 6,990, while handle climbed 30.9 percent from \$272,028 to \$356,172.

Total handle for Detroit area thoroughbred races was down 6.5 percent in 1958 from \$87,845,035 to \$82,177,200.

Harness racing attendance totals jumped 12.1 percent this year and total handle increased 6.2 percent from \$33,659,170 in 1957 to \$35,748,534 in 1958.

How to Use Voting Machines

Because voting machines are new to many persons in the area, instructions are printed here for registering your choice by machine November 4. Election workers will demonstrate use of the machines, if you desire, at election time.

There are three parts to each machine, a red, white and blue section. Red is for the amendments, white for party candidates and blue for non-partisan candidates.

Leaders have urged that everyone vote all three parts.

This year, the white section for party candidates carries five political parties: Democratic, Republican, Socialist Labor, Socialist Workers and Prohibition.

Voters may split their ticket for any of these parties. For example: A voter may vote for a Democratic governor, a Republican lieutenant governor, a Socialist Labor attorney general, a Prohibition state treasurer, and a Socialist Workers United States senator.

First step in using a machine is to turn the switch lever (upper left hand corner) to the right and leave it there. This closes the curtain and unlocks the machine.

If you want to vote a straight ticket, turn down the lever of your party lever. Turn up the lever at the right of the name of any candidate you wish to eliminate, and then turn down the lever at the right of the name of the candidate you wish to substitute.

Remember you cannot vote for a president of one party and a vice-president of another.

To vote a split ticket, do not turn any party lever. Turn down the lever at the right of any candidate you wish to vote for.

The party levers do not affect the non-partisan ballots. These must be voted separately.

After you are through, check your vote again. Make sure that you have voted for all offices and questions on which you wish to voice an opinion. DO NOT PUSH BACK ANY LEVERS.

Now go back to the lever at the upper left of the machine. Switch it to the left. This records your vote and opens the curtain.

Cardinal Mooney Performed Last Public Act in Northville

A special Requiem Mass was offered at Our Lady of Victory church this morning for the repose of the soul of His Eminence, the late Edward Cardinal Mooney, Archbishop of Detroit, who died in Vatican City Saturday while preparing to participate in the election of a new Pope.

The blessing of the new Northville church September 29, one month ago, was the last public function of the Senior American Cardinal.

Catholics here, as in the eight counties included in the Detroit archdiocese, will observe 30 days of mourning. As part of the observance, the altar of Our Lady of Victory church will be decked in the traditional purple and black

colors of mourning.

Following the High Requiem Mass to be celebrated tomorrow from Blessed Sacrament Cathedral in Detroit, a prayer service will be held at St. John's Provincial Seminary in Plymouth preceding burial of the body in a crypt at the seminary.

The school, founded by Cardinal Mooney in 1950, graduates all of the state's secular priests.

Rev. Father John Wittstock, pastor of Our Lady of Victory church, was present at Willow Run airport when Cardinal Mooney's body was returned Monday, and will attend the private services for archdiocesan priests and seminarians at St. John's Friday.

Third Polio Clinic Set for November 12

Northville will have its third polio clinic Wednesday, November 12 from 6 to 8:30 p.m. in the community building.

"One polio shot is not enough," County Health Commissioner Dr. Joseph G. Molner warned county residents.

"A series of four inoculations is necessary for maximum protection: second shots taken from four to six weeks after the first; third shots, from six to seven months after the second, and a booster shot one year after the third in times of epidemics like the present Detroit-area siege," he said.

More than 1,000 persons were inoculated in the two polio clinics held here October 9 and 15.

This fifth week since emergency vaccinations were begun, polio victims are still being admitted daily to hospitals, the Wayne County Medical Society announced.

By last Friday, over 800 cases were reported by the society. No cases have been reported in the Northville-Plymouth area, the society declared, but urged taking adequate precautions.

See Good Turnout Tuesday

Registered voters from Northville and Northville township will cast their ballots next Tuesday for eight state, two congressional, six county and four judicial candidates.

Three propositions and county and state referendums also will be voted upon.

Despite the absence of presidential excitement in this off election year, the hot gubernatorial race and recent visit to the area by state candidates are expected to spur voter interest.

A total of 3,491 Northville and Northville township residents are qualified to vote in the November 4 election.

Only about 100 more residents were registered in 1956, but voters trekked to the polls in unprecedented numbers, with 3,125 of the 3,579 registered voters casting their ballots.

Governor G. Mennen Williams, returned to office for a fifth term in 1956, was the most popular Democratic vote getter in the Northville area, but he, too, failed to break through the solid Republican vote.

Interest here is running high in the congressional and two state office races.

Lucas S. Miel, Detroit, has waged a vigorous campaign and has been a frequent visitor to Northville in his bid to unseat incumbent Martha W. Griffiths, who is seeking her third term as congresswoman from the 17th district.

Sterling Eaton, Republican state representative incumbent, has been campaigning locally on his success at blocking a senate approved racing measure which might have cost the city its racing tax revenues. Eaton now heads a legislative committee which is writing a new racing law.

Harvey J. Beadle, Detroit real estate businessman, who lost two years ago to Eaton, will oppose him again this year.

Democrats are running an experienced legislator in Raymond D. Dzendzel, in their bid to maintain the 18th district state senate seat. Dzendzel was elected to the house of representatives from the 12th district in 1954 and in 1956.

Opposing Dzendzel is Weldon O. Yeager, a self-employed businessman who is a newcomer to the state political scene.

Propositions on which Northville residents will vote include the tax-rate increase proposal to pay county welfare debts, and the Port of Detroit bonding proposition, and the tax-rate limitation increase proposition for the port.

City of Northville property owners will vote on the Port of Detroit bonding proposition.

The state referendum concerns a constitutional convention question, while the county referendum deals with an amendment authorizing payment of county taxes at designated banks.

All polling places will be open from 7 a.m. to 8 p.m.

In Northville, precinct 1 and precinct 2 voters will cast ballots at the Northville community building. Those in precinct 3 will vote at Armerman school.

In Northville township, precinct 1 voters are to ballot at the Main street school. Those in precinct 2 will vote at the township hall, 16860 Franklin road.

SPARSE AUDIENCE — Approximately 25 of Northville's business concerns were represented Monday night at a joint meeting with the city council. A city-merchant study committee told the businessmen that they must come up with \$10,000 to meet current parking obligations and then enter a program calling for 50-50 participation in off-street parking costs with the city. Bruce Turnbull, president of the Retail Merchants' association, is shown addressing the group as the meeting gets underway.

Members will be bringing some of their finished articles for the holiday bazaar planned for December 4.

A tea will be held at Meadowbrook Country club in conjunction with the bazaar, both continuing from 1 to 5 p.m.

Three Cities Art Club Plans Christmas Exhibit and Sale

Works of a guest artist will be included in the next three-month exhibit of the Three Cities Art club at the Dunning-Hough library in Plymouth.

Usually limited to displays by members, the exhibit this time will feature the work of Royal Hocking, art teacher at Wayne junior high school.

Hocking is a graduate of the University of Michigan and has taken advanced art studies at Wayne State university.

He has been painting for 15 years, working chiefly in oil, tempera and watercolor.

This exhibit is under the direction of club members Mrs. Marion Sober and Mrs. Lyndine Schmiecke.

Club President Marjorie Becker also announced that the coming change in the Northville library exhibit will be directed by Mrs. Beth Spaeth.

At the club's October meeting held at the home of Mrs. Edmunds on Ann Arbor trail, plans were made for the annual Christmas exhibit and sale of art works by all members.

The Christmas program will be headed by Stan Hench.

The next meeting of the club will be held at the home of Mrs. Marion Sober. Jack Van Haren will show slides of his travels and of his water colors.

Also on the agenda is discussion of fall and winter exhibits in cooperation with the Plymouth concert series.

Mrs. L. M. Eaton will be hostess for a dessert luncheon shower in her Eaton drive home this afternoon honoring Mrs. William Yahne.

Leaders Mrs. Conklin and Mrs. Gotts and girls of Girl Scout Troop 226 planned a Halloween party at their third meeting of the season last week.

MILLIONS OF KIDS will benefit from the UNICEF Halloween collections across the nation by youngsters like (left to right) Nancy Secord, Dale and Kay Sterling. Mrs. Warren Sterling, chairman of this year's project, gives her crew a smiling send-off.

200 Northville Children To Collect Funds for Needy

Exactly one week after United Nations Day, October 24, over 200 Northville children will celebrate Halloween with an international theme.

As they have for the past two years many local youngsters will offer their "trick or treat" collec-

tions to needy children in other parts of the world, through UNICEF, the United Nations International Children's Emergency Fund.

This organization, a part of the United Nations, provides medical aid, food, clothing and other necessities to millions of children in Asia, Europe, Latin America and North Africa who would otherwise be unable to afford them.

Several boys and girls in this area will carry on their Halloween rounds, milk carton collection boxes with special orange bands which they have prepared at school.

For adults who are not reached Halloween night, similar cartons have been placed in local businesses and will remain through Saturday.

The cartons were donated by the Guernsey dairy, Sealtest dairy, Borden dairy, United Dairies and the Cloverdale dairy.

Posters advertising the UNICEF collection were made by six grade girls at Main street school.

The cartons have been distributed among children through the Northville Methodist, Presbyterian and Baptist churches.

Chairman Mrs. Warren Sterling said that next year plans will be made to work with more local churches and some schools.

Mrs. Sterling has been assisted by Mrs. Helen Batzer in this year's project.

Livonia Art Guild Invites New Members

The Metropolitan Creative Art Guild, formerly the Creative Art Guild of Livonia, invites local residents to become members.

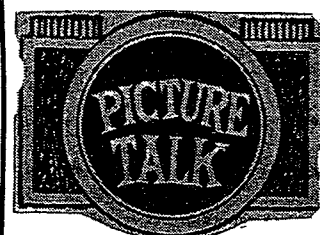

Members regularly exhibit paintings in the Livonia library.

The next meeting of the guild will be held at the home of Mrs. Stephens of Farmington. President of the group is Mrs. Gladys Tuck.

Ford Girls Club Plans Annual Reunion Dinner

The Ford Girls' club will hold its seventh annual reunion dinner next Thursday at Arbor-Lil, Lilley and Ann Arbor roads, Plymouth.

A 6:30 chicken and shrimp dinner is planned.

AN AMERICAN CLASSIC

One of the better young amateur photographers in town is our "guest columnist" this week. At our request he field tested the new 35mm Kodak Signet 80 Camera which has already been hailed as "an American classic".

Herewith his jotted comments:

"Liked new drop-in film loading, so quick and easy. Liked the Signet 80's solid feel, the way my fingers curled right into place on the controls. New pushbar let me advance film with two flicks of my thumb; no knob to wind. "Got a wide-screen, life-size, look at subjects through the viewfinder. Rangefinder made it easy to focus on details. Checked the built-in exposure meter. Found it highly accurate."

"Shot one roll of film using standard 1/2.8 Ektanar Lens. Switched to wide-angle and telephoto lenses on other rolls. Liked the way lenses snapped solidly into place. No chance of them falling out accidentally."

"Over-all reaction: Signet 80 is one whale of a lot of camera!"

Signet 80 sound like YOUR kind of camera? We'd be glad to show it and its complete set of photo aids to you any time you're in the neighborhood.

Something else worth a trip: the new Brownie Movie Camera with built-in exposure meter. It takes the guesswork out of movie-making.

Cubs to Learn American Lore

Cub Scout Pack 721, sponsored by the VFW will hold its regular monthly meeting at the VFW hall Monday at 7 p.m. under the direction of Cubmaster Art Prodder.

Theme for the meeting is "American Folklore".

Bob Reed will bring an authentic Kentucky long rifle, the type used by Davy Crockett and Daniel Boone.

He will demonstrate use of the rifle and tell a story about it.

The pack will also welcome two new dens, Den 3 with Mrs. Kenneth Conley as den mother, and Den 7 with Mrs. Geraldine Mills as den mother.

Parents of boys between the ages of 8-10 who are interested in cub scouts may attend the meeting with their boys and receive full information and applications from Mr. Prodder after the meeting.

Begin Second Year Of Novi Dance Club

The second year of cooperative modern interpretative dance classes for Novi township children will begin this Saturday.

Open to all school children (boys as well as girls in the area), age four and older, the classes will meet in the community building every Saturday at 10 a.m. throughout the school year.

Mrs. Ada Bandalene will again instruct the Novi youngsters.

Besides conducting three regular classes in Detroit, Mrs. Bandalene, a dancer for 12 years, has given dance lessons to handicapped children as therapy.

This year the classes will be organized in six-week sessions, and with a large enough number of registrants, will be divided along age and ability levels.

For more information call either Mrs. David Fried at GR-4-8834 or Mrs. Walter Pinner at GR-4-2302.

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

WELCOME BACK — The Raymond Stillsons (left to right) David, a junior at Northville high, Madeleine and Ray, returned to Northville recently after a four-year absence. That camera Dave is holding won't see much action until the family finishes the dual task of settling a home and a business. Hunting companion "Pal", the Stillsons' water spaniel will likewise join retirement this season for the same reason.

Former Northville residents, Raymond and Madeleine Stillson and son David, qualify as newcomers on at least two counts since their re-

turn this August.

After making their home in Williamston, just outside Lansing, for the past four years, they are simultaneously moving into a new home and a new business.

They recently became owners of Malkoun's State street greeting card shop in Detroit, their first venture in retailing, although Mr. Stillson has been in the greeting card business some time.

Woman's Club Plans Guest Day and Tea

Northville Woman's club has planned a guest day and tea for its next regular meeting November 7, 2 p.m., in the Northville library.

Artist Mrs. Margaret Cramer of Wayne will be the guest speaker. She will discuss and demonstrate silk-screening.

Mrs. F. D. Sober is chairman for the program; Mrs. Crispin Hammond, as social chairman, is in charge of the tea.

Meet November 4

Mizpah Circle of Kings' Daughters will hold a business meeting next Tuesday, 2 p.m., at the home of Mrs. H. R. Richardson, 800 West Main street.

Scout Leaders Attend Convention in Detroit

Nine Northville and Novi leaders were among the 3,000 girl scout adults from four states attending the 24th conference of the Great Lakes region girl scout organization in Detroit this week.

The Great Lakes region includes Illinois, Indiana, Michigan and Wisconsin.

Theme of the conference, scheduled for October 28-30, was "You Can Count on Her — Can She Count on You?"

Mrs. Francis Jennings, Neighborhood Chairman, and Mrs. Alex Lawrence, a member of the area council, attended from Northville.

Novi leaders, Mrs. Florence Loynes, Mrs. Vincent Hayes, Mrs. Billie Marchetti and Miss Jeanne Clark ushered at the convention. Mrs. William MacDermaid, Mrs. Clair Ronk and Mrs. Daniel MacGillivray, other Novi participants, attended each of the three days.

Business of the convention included discussion at a general session of girl scouting's contribution to international friendship and understanding.

Dr. Gerald Wendt, director of the Institute for Atomic Developments in New York City, discussed at

this session, the role organizations like the girl scouts play in President Eisenhower's "People-to-People" program.

The closing session Thursday morning included an address by Dr. Dorothy B. Ferebee of Washington, D.C., a girl scout national board member and former president of the National Council of Negro Women, on the place of girl scouting in the community.

Northville is part of the Huron Valley Girl Scout Council and Novi is a member of the Southern Oakland Council.

Policeman Injured In Car-Train Crash

Northville Police Officer Andy Cain returned home from Northwest hospital Wednesday after suffering serious injuries in a auto-train collision last week.

Driving home from police school in Detroit, Cain was hit by a train at a Detroit crossing.

He was hospitalized with a broken arm and head injuries, but has improved rapidly, his wife said.

His car was completely wrecked.

Readers Speak Up:

TIME FOR CHANGE

To the Editor:

After ten years in office as Governor of the greatest industrial state in America, G. Mennen Williams certainly has a sad record to look back on. Our unemployment figure is twice that of the national average. In six out of the past ten years the financial ledgers of the state have been closed with red ink, and at present we are near bankruptcy.

Williams' protection of hoodlums in labor unions has not only been bad for the state, but also for the unions, notwithstanding his claim to be their friend. In refusing extradition of John Gunaca after his assault on a worker, on the grounds that Wisconsin could not be trusted to give him a fair trial, he has announced to the world that the unions can do no wrong. Every honest and intelligent worker in the state knows that this is not true.

We have an opportunity on November 4 to change all this. Let's get rid of the man who is giving the state of Michigan a bad reputation, who is driving industry away and depriving us of work.

Victor Rust

Merchants Collecting For Christmas Lights

Solicitation began this week to collect funds for Northville's Christmas lighting program.

Chairman S. A. Ellis stated that some \$1,000 will be sought from businessmen to finance the lighting displays. The city also contributes to the program.

Ellis said all business will be contacted by letter or in person. The decorations will go up around Thanksgiving. A visit from Santa Claus will also be sponsored by the merchants shortly after this time, he said.

Working with Ellis are Charles Altman, Jr., Leland Smith, Mrs. Beth Lapham, Bruce Turnbull and Charles Ely, Jr.

NOVI GOP ELECTS DAVIS

With the election of new officers last Thursday, the Novi Republican club was re-organized, after a two-year lull in activities.

Frank Davies was elected president, Mrs. Buffmyer, vice-president, and Miss Eugenie Choquet, secretary-treasurer.

60 MEET GOP AT MALLEY'S

Between 50 and 60 local residents attended a Republican coffee and donut get-together Saturday at the J. P. Malley Farm. Congressman William Broomfield and Allen C. Ingle, candidate for state representative, were present.

Bill Pietron celebrated his 12th birthday last Wednesday. John and Jim Richmond and Clark Bell were his guests for the occasion.

Ronnie Pietron attended a hayride sponsored by the CYO in Northville Saturday afternoon.

Obituary

MRS. MARY EMILY HANERT

Mrs. Hanert, 49349 West Seven Mile road, Northville, passed away October 27 at Henry Ford hospital in Detroit. She had been ill for the past year. Mrs. Hanert was born in Pudsey, England, the daughter of Wilkinson and Martha (Ledger) Hall. Her husband, William A. Hanert, died October 14, 1956. Mrs. Hanert is survived by a son, Walter M. Hanert, of Detroit. Her son, Charles E. Hanert, of South Lyon passed away last year. She also leaves one sister, Miss Emma L. Hall of Jamestown, New York; a brother, Wilton W. Hall, also of Jamestown; six grandchildren and two great-grandchildren. Mrs. Hanert lived in Northville for the past 12 years. She was a member of the Fourth Church of Christ, Scientist, in Detroit. Funeral services will be held today (Thursday) at 2 p.m. from the Casterline Funeral home. The Rev. Patrick Clifford of West Salem Country church will officiate. Burial will be in Salem Walker cemetery.

NEWS FROM THE AMERICAN LEGION

POST 147
REX HOLLOMAN — REPORTER

"Who is eligible to belong to the American Legion?"

That's a question being asked this week, as the local American Legion post launches its 1959 membership campaign.

Vice Commander Howard C. Wright, membership chairman of the drive, points out that veterans of World War I, World War II and the Korean War who were in service on active duty during certain dates of hostility, as set by the United States Congress, are eligible for membership in the American Legion.

The eligibility dates are as follows: World War I veterans, from April 6, 1917 to November 11, 1918.

World War II veterans, from December 7, 1941 to September 2, 1945.

Korean veterans, from June 25, 1950 to July 27, 1953.

Eligible veterans are men and women who served honorably in the army, navy, marine corps, coast guard or air force of the United States during the above dates. Or citizens of the United States at the time of war who served on active duty with any of the armed forces of governments associated with the United States.

All such services should be terminated with an honorable discharge or honorable separation or continued honorably after either of above mentioned periods.

For further information, veterans are advised to contact the American Legion Post No. 147 at FI-9-3115.

The post will hold its second social event of the year on Saturday, November 1 at 8 p.m. Dancing to the juke box, cards, or just good talk and fellowship are the order of the evening. All Legionnaires and their guests are cordially invited.

LOCATIONS

Yes - even 45 yrs. ago, I was worried the week before Halloween about possible "better" locations for some of the bldgs. in Northville. Even then, my associates varied in their opinions of the best spots to "relocate" some of the 2 or 3-holders of that period on a quick moving job (without expense to the owner) on Halloween. Chick Sales went out of business - progress moved ever onward and NOW - all activities are under one roof.

Air School Financial Problems

At the well-attended second meeting of the Northville P-TA last Thursday, parents and teachers heard reports by Superintendent of Schools Russell Amerman on the conference of Michigan school administrators which he attended at Mackinac Island in September, and by Principals Kay and Stefanski on general problems and plans of local grade and high schools.

Mr. Amerman noted that, according to conference reports, a majority of Michigan school districts are having financial difficulties.

The problems resulting from new school construction and expansion of teaching staffs, he pointed out, are statewide.

He also outlined parts of a talk delivered at the conference by nationally-known educator, Dr. James B. Conant.

Among Dr. Conant's observations of and recommendations for Amer-

can school policy, were, Mr. Amer-

man said: — that any school with less than 200 graduates is too small to provide a full academic program

— that every school in the nation should conduct an academic review (Northville's third such review, now of elementary curriculum, is just getting underway)

— that there is a general national shortcoming in foreign language instruction

— that girls should be encouraged to take more mathematics and science courses, which they generally have not been electing for themselves.

Amerman School Principal Richard Kay presented a survey of some of the problems and plans in the elementary school program, in areas of music, art, foreign language, teacher recruitment, class loads, class time, physical educa-

tion, special services, instructional materials and building sites.

Assistant High School Principal Fred Stefanski discussed a similar outline in high school program areas of guidance, junior high curriculum, senior high curriculum, class loads, library, health and physical education facilities, teacher recruitment, and general operation success of separate high school and junior high buildings.

Among special needs or future plans noted by the two principals were:

— a need in all Northville schools to compete better with surrounding areas on teacher salaries.

— a need for a larger high school library and increased library personnel.

— plans to begin a foreign language program in primary grades, and to maintain the present high school program in language instruction.

— a need for a full-time psychologist in the grade schools, and for increased guidance personnel in high school.

— plans for a structured physical education program in elementary schools, and for a health coordinator in high school.

— a need for additional teachers and facilities to provide a more complete program of art and music education in elementary schools.

Mrs. Freydl Teaches Spanish On Television Channel 56

TV as a regular educational medium is still in the experimental stages.

Lecture courses for college credit were recently made available to public viewers in this area for the first time by the University of Detroit, through educational TV channel 56.

The channel, partially financed by the Detroit Department of Education and other charitable organizations, is also being used for academic experiments on other levels.

Among them are foreign language classes for elementary school, one of which is taught by Northville resident, Mrs. Robert Freydl, of North Rogers street.

Mrs. Freydl, a teacher at New-

ton elementary school in Detroit is an alternate lecturer on channel 56 this semester for second year Spanish.

This particular television class, Mrs. Freydl said, is in its second year of a three-year experiment. The educational success of the program is still being studied, she added.

She and another teacher alternately lecture on TV and then test student progress at the schools.

Foreign language instruction is offered in about five Detroit schools, Mrs. Freydl said. Her class covers grades two-eight.

Television teaching is quite different from the ordinary classroom situation, she pointed out. "It's fun, but it's hard to visualize the response of your students," she said, "and to see how much review or practice they need."

The program can be picked up in Northville too, Mrs. Freydl said, with the aid of a special antenna.

Northville JV Squad Tops Brighton, 7-6

The Northville Colts won a narrow victory Tuesday night beating the Brighton junior varsity team, 7-6.

Jim Petrock scored Northville's lone touchdown after catching a pass from Steve Juday. Petrock ran 75 yards after the catch for a touchdown. Bill Trotter kicked the extra point.

Brighton scored in the third quarter on a 5-yard run around end, but their extra point attempt failed when Northville's Terry Cherne blocked the kick.

Dick O'Hare and Jerry Biddle turned in outstanding performances on the line for Northville, while Juday captured backfield honors.

Northville's next game will be here Tuesday at 7 p.m. against Clarkson.

Orient Chapter Announces Officers

New officers were elected at the annual meeting of Orient chapter No. 77, OES, held last Tuesday in the Masonic Temple.

Worthy Matron for the coming year is Miss Elsie Woodroffe, assisted in the East by Worthy Patron Earl Gray, and in the West by Associate Patron and Associate Matron Mr. and Mrs. Leo Patterson.

Mrs. Marian Hawbecker advanced to the office of Conductress, and Mrs. Juanita Smith was elected Associate Conductress.

Secretary and Treasurer are Mrs. Ida B. Cooke and Mrs. Martha Hawes, respectively.

A list of appointed officers will be published later.

Democratic Rally Here Tonight

Northville residents interested in seeing Governor Williams at the Democratic rally tonight are reminded to be at the community building at about 7:45 p.m.

The Governor is expected to arrive for a brief visit promptly at 8 p.m. after which he will visit Plymouth, Livonia and Redford as part of Governor's Day commemoration in the 17th district.

The charter of the Northville Democratic club formed last spring will be presented by Governor Williams at this time.

Several other Democratic candidates will also be present at the rally.

P-TA Hears Discussion

During the business meeting of the P-TA last week a report was presented by Wilson Tyler on the application of a mining company for an exploratory mining lease in Porcupine Mountains state park.

He urged supporters of the fight to preserve the wilderness of the Porcupine mountains park to write to the State Conservation Commission in Lansing, stating their views.

ELECTION NOTICE

To The Qualified Electors of the County of Wayne, State of Michigan:

NOTICE IS HEREBY GIVEN

THAT AT A GENERAL ELECTION TO BE HELD IN SAID COUNTY OF WAYNE, STATE OF MICHIGAN, IN THE REGULAR VOTING PLACE IN EACH ELECTION PRECINCT IN EACH CITY AND TOWNSHIP IN THE COUNTY OF WAYNE, STATE OF MICHIGAN, ON TUESDAY, THE 4th DAY OF NOVEMBER, 1958, BETWEEN THE HOURS OF 7:00 O'CLOCK A.M. AND 8:00 O'CLOCK P.M., EASTERN STANDARD TIME, THE FOLLOWING PROPOSITIONS WILL BE SUBMITTED TO THE ELECTORS OF SAID COUNTY:

I TAX-RATE LIMITATION INCREASE PROPOSITION

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, State of Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Michigan Constitution, by three-tenths (3/10) of one (1) mill on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of five (5) years from 1959 to 1963, both inclusive, for the sole purpose of providing funds to retire debt obligations incurred by the County of Wayne in financing hospitalization and other social welfare functions which are the statutory responsibility of the County?

II PORT OF DETROIT BONDING PROPOSITION

Shall the Port Commission of the Port of Detroit, a port district established pursuant to law, co-terminus with the County of Wayne, State of Michigan, borrow the sum of not to exceed Seven Million One Hundred Thousand (\$7,100,000.00) Dollars, and issue its general obligation bonds therefor for the purpose of acquiring sites and constructing necessary port improvements in said district; provided, that none of said bonds or any portion or series thereof, shall be issued unless approved by the Board of Supervisors of Wayne County?

III TAX-RATE LIMITATION INCREASE PROPOSITION

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X, of the Michigan Constitution, by eleven one-hundredths (11/100) of one (1) mill on each dollar of assessed valuation as equalized, of all property in the County of Wayne for a period of seventeen (17) years, from 1959 to 1975, both inclusive, for the sole purpose of providing funds to pay principal and interest on bonds to be issued by the Port Commission of the Port of Detroit a port district established pursuant to law co-terminus with the County of Wayne, in the aggregate principal sum of not to exceed Seven Million One Hundred Thousand (\$7,100,000.00) Dollars if authorized by the qualified electors, for the purpose of acquiring sites and constructing necessary port improvements in said district?

ONLY PROPERLY REGISTERED ELECTORS WHO HAVE PROPERTY ASSESSED FOR TAXES WITHIN THE COUNTY OF WAYNE, OR THE LAWFUL HUSBAND OR WIFE OF SUCH PERSONS ARE ENTITLED TO VOTE ON THE BONDING PROPOSITION.
ALL PROPERLY REGISTERED ELECTORS MAY VOTE ON THE TAX-RATE LIMITATION INCREASE PROPOSITION.
THESE PROPOSITIONS ARE BEING SUBMITTED IN ACCORDANCE WITH THE FOLLOWING RESOLUTIONS ADOPTED BY THE BOARD OF SUPERVISORS OF SAID COUNTY ON THE 4th and 15th OF SEPTEMBER, 1958, BY THE REQUISITE THREE-FIFTHS (3/5) VOTE:

RESOLUTIONS OF BOARD OF SUPERVISORS OF THE COUNTY OF WAYNE

WHEREAS, the County of Wayne has diligently sought to bring the County Budget into balance within the available allocated millage allowed by the Wayne County Tax Allocation Board by pursuing every possible economy and yet provide sufficient funds to meet the ever rising costs resultant from providing statutory services to a rapidly expanding population in a period characterized by increased cost of commodities and personal services; and

WHEREAS, this available millage under the 13 mill constitutional tax limitation has remained constant for the past 6 years and has not been sufficient when applied to the equalized property valuation of the County to adequately maintain the mandatory functions of County government at a level necessary to provide minimum health and welfare standards for the citizens of the county; and

WHEREAS, the County will be faced with a deficit as of November 30, 1958, of approximately \$12,500,000 consisting primarily of unpaid bills due the City of Detroit and State of Michigan for hospitalization and other social welfare functions; and

WHEREAS, the Wayne County Board of County Auditors has advised that there is no foreseeable means of obtaining the necessary funds to pay these existing obligations except by seeking authorization from the electorate of the County for the levy of additional millage for the sole purpose of retiring said obligations;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Wayne, this 4th day of September, 1958:

1. That there be submitted to the qualified electorate of the County of Wayne, State of Michigan, at the General Election to be held in said County on Tuesday, November 4, 1958, the following proposition:

I TAX-RATE LIMITATION INCREASE PROPOSITION

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, State of Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Michigan Constitution, by three-tenths (3/10) of one mill on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of five (5) years from 1959 to 1963, both inclusive, for the sole purpose of providing funds to retire debt obligations incurred by the County of Wayne in financing hospitalization and other social welfare functions which are the statutory responsibility of the County?

2. Said proposition shall be prepared and distributed by the County in the manner provided by law, which statement on the voting machines and ballots shall state the proposition in the form set forth in the preceding paragraph.

3. All public officials of the County of Wayne, State of Michigan, and all municipal units thereof, within such time as shall be required by law, be and they hereby are directed to do and perform all acts and things which shall be necessary to be done or performed in order to submit the foregoing proposition to the electorate of said County at such General Election to be held Tuesday, November 4, 1958.

WHEREAS, the Port Commission of the Port of Detroit, a port district co-terminus with the County of Wayne, State of Michigan, established pursuant to the provisions of Act 234, Public Acts of 1925, as amended, has pursuant to the provisions of Act 234, Public Acts of 1925, as amended, approved a comprehensive port development plan on September 3, 1957, after the requisite public hearing thereon, and by resolution adopted on July 24, 1958, provided for the borrowing of the sum of not exceeding Seven Million One Hundred Thousand (\$7,100,000.00) Dollars for the purpose of acquiring the land and properties and constructing the various port facilities encompassed within said plan, subject, however, to the approval of the Board of Supervisors of Wayne County and a three-fifths (3/5) majority of the qualified electors of the County of Wayne voting thereon at a general or special election called for such purpose, as required by the provisions of said law;

AND WHEREAS, pursuant to the provisions of the above law, said resolution has been duly certified to this Board for its approval thereof and for the necessary procedures to submit the bonding proposition to vote of the qualified electors of the County of Wayne, being the municipal corporation comprising the Port District;

AND WHEREAS, extensive meetings and discussions relative to said comprehensive port development plan have been held with the Port Commission and the Port Committee and Ways and Means Committee of the Board of Supervisors of the County of Wayne, as a result of which it is the determination of the Board of Supervisors that said plan should be approved, but that only that portion of the lands and properties embraced in said plan within the following description should presently be acquired, developed and financed by the issuance of bonds, to-wit:

LAND ACQUISITION

All that area in the City of Detroit bounded on the westerly side by the easterly line of Private Claim 563, which line is 150 feet more or less, west of the westerly line of Scotten Avenue extended southerly to the U.S. Harbor Line; bounded on the north by the southerly line of the Chesapeake and Ohio Railway-Wabash Railroad Right-of-way on the east by the westerly line of the Evening News Association property and the northwesterly line of present West Jefferson Avenue and the westerly line of West Grand Boulevard at its intersection with said railroad right-of-way; and bounded on the south by the U.S. Harbor Line.

PORT FACILITIES

1. A wharf 1105 lineal feet long, sufficient for berthing two large or four small vessels.
2. Two transit sheds totaling 114,000 square feet of covered storage.
3. An open storage area of 386,000 square feet for lift-on-lift-off operation and general cargo.
4. Adequate space for maneuverability of trucks, trains, cranes and other material handling and transporting equipment.
5. Adequate facilities for storage and maintenance of equipment.
6. Office space of 10,000 square feet, for Port and Terminal Administration.
7. Heavy-lift equipment for handling unit cargos up to 50 tons.
8. Adequate rail facilities connecting to the nearest railway.
9. Security fencing, A.D.T. and lighting installations.

The balance of the land, properties, and port facilities specified in said plan to be left for future determination as to acquisition, development and financing thereof;

AND WHEREAS, the estimate of cost of the acquisition of the lands and properties within the above designated area, and the acquisition of the port facilities specified for said area has been estimated by Harley, Ellington and Day, Inc., architects and engineers, of Detroit, Michigan, to be Seven Million One Hundred Thousand (\$7,100,000.00) Dollars;

AND WHEREAS, the Port Commission of the Port of Detroit has concurred in the program herein set forth, which is a revision of its original immediate acquisition program as outlined in its resolution adopted September 3, 1957, and duly certified to the Board of Supervisors;

AND WHEREAS, the Port Commission has submitted to the Common Council of the City of Detroit, the legislative body thereof, said comprehensive port development plan, all of the area and territory embodied in said plan being located within the corporate limits of the City of Detroit, and said Common Council, by resolution, has approved said plan, all in accordance with the provisions of Section 30 of Act 234, Public Acts of 1925, as amended;

AND WHEREAS, because of uncertainties under the law as to whether the Port District is an agency of the county and thus is limited in its taxing ability for the payment of bonds by the limitations expressed in Section 21, Article X of the Michigan Constitution, or is an independent municipal corporation having a charter tax rate limitation, and thus is not subject to the limitations of said constitutional amendment under the decisions of the Michigan Supreme Court, this Board feels that it is necessary in order to provide for all eventualities to submit to the qualified electors on a separate ballot, or as a separate proposition on voting machines, a proposition providing for an increase in the constitutional tax rate limitation as authorized by said Section 21, Article X of the Michigan Constitution in an amount sufficient to provide for the payment of the principal and interest on said bonds over a maximum seventeen (17) year period;

AND WHEREAS, this Board determines that the procedures for said general election should be as provided in the so-called "County Public Improvement Act," being Act 118, Public Acts of 1923 as amended, there being no procedure specified in detail in Act 234, Public Acts of 1925, as amended, which procedures will also comply with the provisions of the general election law of the State and will provide complete notice and opportunity for the qualified electors of the County to register and vote on the propositions to be submitted;

AND WHEREAS, it is the intent and purpose of this Board and the Port of Detroit Commission, if the bonding proposition is approved by the requisite majority of qualified electors of the County of Wayne, to devote the net revenues from the operation of the port facilities to the retirement of the bonded indebtedness, thus reducing the amount of taxes necessary to be levied for the payment of said indebtedness to that extent:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF WAYNE THAT:

1. The comprehensive port development plan as proposed by the Port of Detroit Commission and approved by it by resolution is hereby approved.
2. The issuance of general obligation bonds in the amount of Seven Million One Hundred Thousand (\$7,100,000.00) Dollars for the acquisition of the lands, properties and facilities outlined in the preamble to this resolution, as a part of said comprehensive port plan, be approved.
3. There be submitted to the qualified electors of the County of Wayne, State of Michigan, at a general election to be held in said County, being the municipality whose boundaries are co-terminus with the Port of Detroit, a port district existing under the provisions of Act 234, Public Acts of 1925, as amended, on Tuesday, November 4, 1958, the following separate propositions:

II PORT OF DETROIT BONDING PROPOSITION

Shall the Port Commission of the Port of Detroit, a port district established pursuant to law, co-terminus with the County of Wayne, State of Michigan, borrow the sum of not to exceed Seven Million One Hundred Thousand (\$7,100,000.00) Dollars, and issue its general obligation bonds therefor for the purpose of acquiring sites and constructing necessary port improvements in said district; provided, that none of said bonds or any portion or series thereof, shall be issued unless approved by the Board of Supervisors of Wayne County?

III TAX-RATE LIMITATION INCREASE PROPOSITION

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X, of the Michigan Constitution, by eleven one-hundredths (11/100) of one (1) mill on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of seventeen (17) years, from 1959 to 1975, both inclusive, for the sole purpose of providing funds to pay principal and interest on bonds to be issued by the Port Commission of the Port of Detroit a port district established pursuant to law co-terminus with the County of Wayne, in the aggregate principal sum of not to exceed Seven Million One Hundred Thousand (\$7,100,000.00) Dollars if authorized by the qualified electors, for the purpose of acquiring sites and constructing necessary port improvements in said district?

4. Said propositions shall be stated as separate propositions on the voting machines or on separate ballots to be prepared and distributed by the County in the manner provided by law, which statement on the voting machines and ballot shall state the propositions in the form set forth in the preceding paragraph.

5. All public officials of the County of Wayne, State of Michigan, and all municipal units thereof, within such time as shall be required by law, be and they hereby are directed to do and perform all acts and things which shall be necessary to be done or performed in order to submit the foregoing propositions to the electors of said County at such general election to be held on Tuesday, November 4, 1958.

A three-fifths (3/5) majority of the members-elect of the Board of Supervisors of the County of Wayne, Michigan, having voted in favor of the adoption of the foregoing resolution, the Chairman thereupon declared that said resolution was duly adopted.

MUSTANGS ARE MUDDERS; ROLL OVER BRIGHTON, 26-0

The mud didn't slow down the Mustangs!
Coach Ron Schipper's undefeated gridders ground out their biggest total yardage of the season in crushing previously once-beaten Brighton, 26-0.

The win left Northville almost a cinch to cop a third-straight Wayne-Oakland league title. It also removed the biggest threat to the Mustangs' hopes for an undefeated, untied season.

Friday night Northville could do no wrong. In a game played through intermittent, and often heavy rains, the Mustangs ran and passed as though it were a sunny afternoon. They piled up 115 yards passing and 297 yards rushing for a total offensive of 412 yards.

Meanwhile, the defensive unit was holding Brighton to a total of 88 yards on the ground and in the air.

Bob Starnes and Spike Walker again led the Mustangs' offense. Starnes ran beautifully to score three times, the longest effort a smartly executed "Statue of Liberty" good for 84 yards.

Walker consistently churned up the middle for needed yardage and continued to perform as one of the best line-bucking backs ever to wear a Mustang uniform. The Starnes-Walker duo gives Northville an inside-outside running threat like Army's famed wartime "Blanchard-Davis" teams.

Sharp blocking and tackling also played a key roll in Friday night's game as the Mustangs hit a peak performance to match their Milford game.

The Mustangs scored twice in the first quarter through the air and on the ground. Starnes took a 20-yard pass from Bill Boyd for the first tally with five minutes of the first quarter left to play. Earlier Boyd had hit Starnes for 16 yards.

Starnes' Statue of Liberty score came on third down late in the first quarter. He romped 84 yards untouched as the play completely fooled Brighton. Captain Wade Deal's kick was good and Northville led 13-0 at the half.

After a scoreless third period played in a steady rain, Starnes again broke into the scoring column with a 33-yard off-tackle sprint. Larry Nitzel and Walker contributed good gains in the series of plays that led to the score.

Coach Schipper gave the entire bench an opportunity to play and the reserves proved they could score, too. In the final seconds of the game Jim Strange plunged over from the three. Deal's attempt was no good.

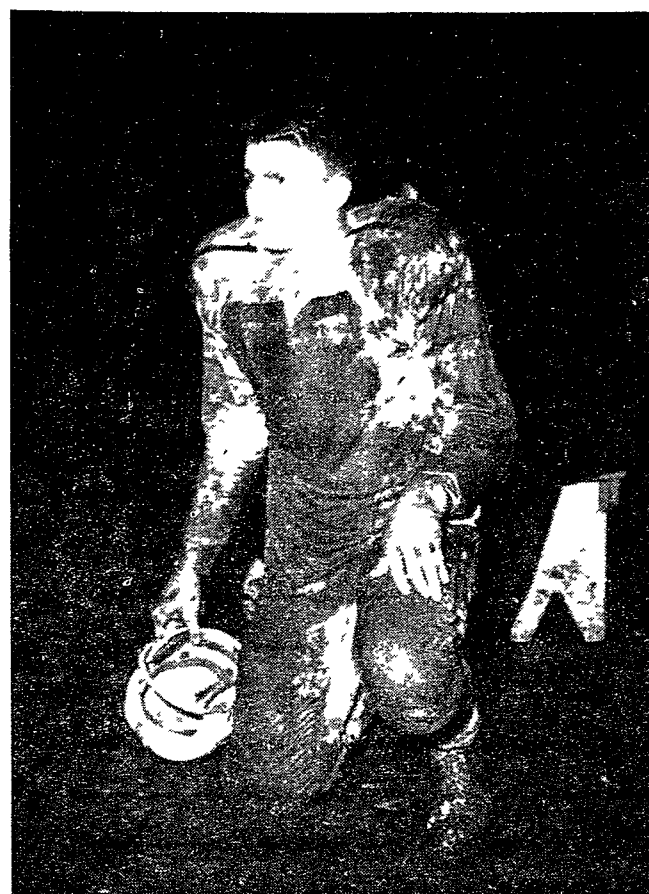

Friday night the Mustangs travel to Clarkston, victims of a 20 to 0 beating at the hands of West Bloomfield last week.

CLEAN-UP JOB — Coach Ron Schipper removes a layer of mud from Larry Nitzel's face after the fleet back returned to the bench.

BUSY BOY — Chris Poulos, team manager, ran a steady shuttle service between the sidelines and the field with a dry ball after each play.

MUSTANG MUDDER — Wade Deal, place-kicking specialist and team captain Friday night, looked like every other player after a few scrimmage plays on the mud-soaked field. Center Deal is shown kneeling on the sidelines watching play in the late minutes of the game. Numerals on uniforms of both teams were almost indistinguishable.

Novi Village Ordinances

Ordinance No. 1

NOTICE OF ENACTMENT OF ORDINANCE

Notice is hereby given that the Village Council of the Village of Novi, on October 23, 1958, enacted the following ordinance:

Ordinance No. 1. "An ordinance to adopt by reference the existing Zoning Ordinance and the existing Zoning Code Ordinance of the Township of Novi, insofar as the same affect and/or cover the territory embraced within the Village of Novi."

Said Ordinance became effective this date.

Mary Wallace,
Village Clerk

Ordinance No. 2 NOTICE OF ENACTMENT OF ORDINANCES

Notice is hereby given that the Village Council of the Village of Novi, on October 23, 1958, enacted the following ordinances:

Ordinance No. 2. "An Ordinance to create the Department of Public Safety; to combine therein the functions, duties and responsibilities

of the Police Department and Fire Department of the Village of Novi; to create the office of the Director of Public Safety and the office of Public Safety Officers; to define the duties, powers and responsibilities of the said Director of Public Safety and the Public Safety Officers."

Ordinance No. 4. "An ordinance requiring drivers of vehicles undertaking or meeting school buses to stop; requiring certain equipment and providing for penalties for violation thereof."

Said Ordinances became effective this date.

Mary Wallace,
Village Clerk

Ordinance No. 3 AN ORDINANCE TO ADOPT BY REFERENCE, WITH CERTAIN CHANGES, THE UNIFORM TRAFFIC CODE FOR MICHIGAN CITIES, TOWNSHIPS AND VILLAGES

The Village of Novi Ordains: Section 1.01. CODE ADOPTED. The Uniform Traffic Code for Cities, Townships and Villages promulgated by the Commissioner of State Police on February 14, 1958, and published in Supplement No. 13, Michigan Administrative Code, Pages 5 to 37, in accordance with Public Act 62 of 1956, State of Michigan, is hereby adopted by reference as in this ordinance modified.

Section 2.01. REFERENCES IN CODE. References in the Uniform Traffic Code for Michigan Cities, Townships and Villages to "governmental unit" shall mean the Village of Novi.

Section 3.01. CHANGES IN CODE. Sections 2.57, 5.2 and 5.4 of said

Uniform Traffic Code for Michigan Cities, Townships and Villages are amended to read as follows:

Section 2.57. Clerk to Provide Traffic Citation and Complete Forms. Traffic citation forms for notifying alleged violators to appear in answer to charges violating traffic laws and ordinances, and the corresponding complaint forms therefor in serial numbered sets consisting of one (1) copy of the citation and four (4) copies of the corresponding complaint, shall be provided by the Clerk in books and in the form prescribed by the Director of Public Safety and approved by the Village Council.

Section 5.2. Damage to Vehicle, Stopping, and Penalty. The driver of any vehicle who knows or has reason to believe that he has been involved in an accident resulting only in damage to a vehicle which is driven or attended by any person, shall immediately stop said vehicle at the scene of such accident, and shall remain thereat until he has fulfilled the requirements of Section 5.4. Every such stop shall be made without obstructing traffic more than is necessary. Any person failing to stop or comply with said requirements under such circumstances shall be guilty of a violation of this ordinance.

Section 5.4. Duties of Driver Involved in Accident with Vehicle Driven or Attended by Another Person. The driver of any vehicle who knows or has reason to believe that he has been involved in an accident resulting in injury to or death of any person, or damage to any vehicle which is driven or attended by any person, shall give his name, address and the registration number of the vehicle he is driving. Also the name and address of the owner and exhibit his operator's or chauffeur's license to the person struck or the driver or occupants of any vehicle collided with, and shall render to any person injured in such accident reasonable assistance in securing medical aid or transportation of injured person or persons.

Section 4.01. NOTICE TO BE PUBLISHED. The Village Clerk shall publish this ordinance in full in a newspaper printed or circulated in the Village, and shall at the same time, publish a supplementary notice setting forth the purpose of the said Uniform Traffic Code and of the fact that complete copies of the Code are available at the office of the Clerk for inspection by and distribution to the public at all times.

Section 5.01. SHORT TITLE. This ordinance shall be known and may be cited as "The Village of Novi's Traffic Code".

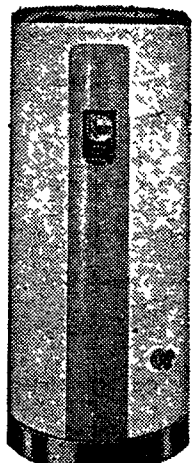

Section 6.01. EFFECTIVE DATE. This ordinance is hereby declared to be an emergency ordinance which is immediately necessary for the preservation of the public peace, health and safety, and shall become effective immediately upon publication.

Made and passed by the Village Council of the Village of Novi this 28th day of October A.D., 1958.

in home after home after home...

there's always plenty of hot water

the new electric water heater way

In home after home there's a new electric water heater. And the families in these homes enjoy all the hot water they want.

You can be confident that an electric water heater, plus Edison's new Super Supply Plan, will provide round-the-clock hot water for all your family's needs, too. Then you can plan your day more efficiently—do the laundry, wash dishes, schedule showers when you want to.

Here's the convenient, modern way to GET IT HOT... GET A LOT for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

- ☑ Efficient—the heat goes into the water
- ☑ Install anywhere—need not be near a chimney
- ☑ Long life—meet Edison's rigid standards
- ☑ Automatic—all the time

- ☑ Fast—new, more efficient heating units
- ☑ Outer shell—cool to the touch all over
- ☑ Edison maintains electrical parts without charge
- ☑ Safe—clean—quiet—modern

SPEAKING for the Record

by BILL SLIGER

In addition to selecting a slate of state and county officers at the polls next Tuesday local voters will also be asked to decide upon another important issue.

The proposal — a state constitutional convention — deserves careful consideration and, in our opinion, the support of the voters.

For the fourth time since our state constitution became effective in 1908 the electorate will have a chance to decide whether or not a general revision should be attempted.

Submission of the question must be made every 16 years by constitutional provision. The question may also be placed on the ballot at any time by the legislature, as was the case in 1948.

The convention — if called — would consist of 102 members, three from each of the existing 34 senatorial districts.

The convention could draft and send to the voters an entirely new constitution, one or more amendments to the existing constitution, or decide upon no changes at all.

The need for revision of Michigan's constitution is generally admitted by both political parties. The reason cannot be attributed to the age of our constitution, however. Only six states have more recent documents.

The convention would almost certainly consider the four year term (all state elected officials, except the highway commissioner are now elected for two-year terms). It is likely that the gubernatorial and senate terms would be extended, and possibly the house. Other areas bound to come under careful scrutiny:

Reapportionment — changing the basis for the election of state senators and representative; Lowering the voting age; Selection of judges; The 15-mill limitation and sales tax division; Organization for public school and higher education; And new flexibility for township government.

If voters approve the convention, delegates would be elected next April and they would convene in September. In either April or November of 1960, depending upon how long the convention lasted, the constitutional changes would be submitted to the voters. If adopted, the changes would take effect January 1, 1961.

Democrats have contended that choosing delegates to the convention on a senatorial district basis will give the Republicans an unfair advantage. Delegates from out-state GOP strongholds will outnumber the Democratic delegates from the more heavily populated metropolitan areas.

Nevertheless, the convention is receiving support from both sides. Northville's city council recently went on record as approving a "YES" vote on this question. Superintendent of Schools Russell Amerman also urged support of the convention before P-TA members last week.

One final suggestion.

Regardless of HOW you vote, be certain you DO — next Tuesday.

Michigan Mirror

G.O.P. Likes its Role

POLITICAL GHOSTS of 1948 are coming back to haunt Democrats and give Republicans new verve in the 1958 campaign.

They both remember the miracle of the underdog Democrat, G. Mennen Williams, who came from nowhere.

This year, Democrats everywhere are fighting that lethal attitude of all parties — apathy. Republicans are fighting for their life. For everyone, the question is: "Will Success Spoil Governor Williams?"

Democrats have signed up for billboards along the highways, have bought television time and they tour the byways in style.

Republicans are the challengers again, using amateur help and enthusiasm in lieu of money in the most energetic attack seen in Michigan by the "outs" in decades. However, there is still room for much enthusiasm and a need for unity within the GOP.

Williams is campaigning in places seldom seen by any official ranked above justice of the peace or county drain commissioner.

Republicans have a comparative unknown, especially in Wayne county, heading the ticket. He is Paul D. Bagwell, a speech professor on leave from Michigan State university whose best experience is a campaign for auditor general two years ago. He is plugging hard, but his task is tremendous.

That is what makes the 1958 campaign look like the other side of the political coin of 1948.

It was the year that Williams, a young former liquor commissioner and assistant attorney general,

started stumping the state against Republican Gov. Kim Sigler.

Perhaps he didn't know or worry when the odds were prohibitive. But he gambled, worked with a handful of enthusiastic amateurs and won. For a decade, he has held the executive office in Lansing.

Nailing down his gains, Williams — now with a solid top-to-bottom party organization operated by State Chairman Neil Staebler — has brought in his full slate of state officials.

Republicans, faced with losing control of even the House of Representatives, also remember 1948.

Bagwell relates to their party like Williams did to his in 1948. The heavy contributors have stopped backing Republicans in the wake of repeated defeats at the polls.

Bagwell, running on a shoestring, has hit all 83 counties, and so has most of his slate of unknowns. Williams, with apprehension this year, has done the same thing. Michigan voters are getting the most energetic slam-bang campaign in modern history.

In 1948 Williams won handily over Sigler — a feat that political experts are trying to assess even yet. Bagwell, now a Republican underdog who enjoys old-line party support through tradition and loyalty but counts on his amateurs for his success, hopes he can repeat Williams' miracle.

Major issues are changing as the campaign progresses.

Democrats counted on Michigan's unemployment crisis of the past year and the Sherman Adams incident in Washington to rub off on Michigan Republicans.

The Adams reaction has waned and men are starting to go back to work. Labor-management contracts have been signed and production is resuming.

Republicans cite Michigan's fiscal plight after Williams' 10 years in office. The state is headed toward an \$80,000,000 deficit next spring unless taxes are raised or new ones found.

A Senate investigating committee is finding things it says show lax administration under Williams. The fact that some of the findings are open to dispute does not detract from the impact.

Actually, the campaign issues are more gray than black or white: As examples:

Financial Status — Republicans controlling the legislature enact taxes, but Williams must approve them with his signature.

Mackinac Bridge — Williams fought for the span, but Republicans had to set up the financing and approve the project in the legislature.

Highways: Democrats are building the system, but Republicans had to approve financing in the legislature and authorize a large number of specific improvements.

"Economic climate" is also an issue.

Chats with Parents

I.Q. Tests Miss Many Important Characteristics

The present emphasis on the need for identifying students of high intelligence and training them for scientific and engineering jobs may cause concern from some parents whose child doesn't have exceptional academic ability. Actually, the total number of persons in the profession requiring a relatively high degree of intelligence is very small when compared with the sixty-odd million people who work for a living.

While I.Q. tests measure learning capacity, especially do they point out the persons who are either outstandingly intelligent or notably unintelligent, the child has a great many other characteristics which they do not measure. Many of these are just as important in the life of the child and influence his success just as much as does learning capacity of the sort measured by I.Q. tests.

Most of us can name acquaintances of our school days who, despite the opinions of their classmates that they were too dumb "to get anywhere," proved to be quite successful in their chosen occupations. Actually our judgment about them was based upon their academic success in school, their failure to measure up to standards of achievement set for them by others.

At least a part of their successes were due to characteristics which our old standby — the I.Q. Test — just doesn't measure. Let's analyze some of these traits and their importance in the success of such persons.

In the first place, intelligence is a combination of many traits; it is not, as Dr. Willard Olson of the University of Michigan points out, a simple thing. When we talk about a child's I.Q., we usually mean his book learning ability, a kind of ability of which a high degree is not absolutely essential to achievement in some fields of endeavor.

Mechanical aptitude is an example of a specialized ability which is not measured by an I.Q. test, yet it is essential in a great many occupations. Thomas Edison, said by his teacher to be a dunce, left grade school in Port Huron, after only three months of formal schooling. His mother was the only other he had and he patented his first invention in his early twenties and a thousand more useful inventions followed during his lifetime.

The importance of personality in occupational success is well-known; it is of foremost importance in all fields in which the worker must persuade people to accept his goods or ideas. The salesman or public relations worker needs varying degrees of intelligence depending upon his job, but it is difficult to imagine either without a pleasing personality. Other workers may have outstanding character, musical or artistic ability, or the ability to work skillfully with their hands, none of

which are measured by an I.Q. test. Good physical and mental health, the determination to succeed, good emotional balance, and sound judgment are all important in most fields of work and in one's social life. None of these can be measured by an I.Q. test, though there are other tests which can measure some of them. The child who has stick-to-itiveness, pleasing personality, and good mental and physical health may often enjoy greater success and happiness in life than will

the high I.Q. child who lacks some or all of these qualities. Though intelligence as measured by I.Q. tests is important, it isn't any more important to many persons than these other qualities which I.Q. tests can't measure.
