

## Building Finances Studied by School

Plagued by state-aid shortages which have caused school officials to seriously discuss curtailment of certain school operations, board members took a look at another page of its finances last week.

In a detailed analysis of expenditures to date on the new high school Superintendent Russell Amerman told board members exactly where they stood in the use of funds available from the \$3,000,000 bond issue.

The bond issue was approved to construct the high school, build an addition to the Amerman elementary school, remodel the present high school for junior high school use and purchase a site for a new elementary.

To date the school has sold \$2,350,000 worth of bonds. The Amerman addition cost approximately \$245,000; while the entire cost of the high school to date totals approximately \$1,455,000. Another \$616,000 is due on high school contracts either completed or underway.

While definite estimates cannot be determined for completion of the high school — to include landscaping and various items of equipment for the shop, athletic department, etc. — it is probable that the entire cost of the high school and Amerman addition will become \$2,500,000.

Board members must now decide how to proceed with the \$650,000 in remaining bonds. It is certain that \$150,000 will be needed to complete the high school project. An estimated \$150,000 will be used for rejuvenation of the old high school.

This would leave an estimated \$350,000 for determination of use by board members.

Among the possibilities considered by the board has been the purchase of the Community Building from the city. It has not been definitely established, however, whether this is possible under the restrictions of the bond issue.

Purchase of the building, now used almost exclusively by the school system, is generally conceded by the board as a logical and economical move if a satisfactory price arrangement can be reached with the city.

An early spring deadline for sale of the bonds makes it necessary for the board to decide which path to follow and exactly how much of the remaining \$650,000 will be sold.

## '58 Building Up In Northville; Down in Novi

Northville's subdivision activity was responsible for boosting building during 1958 by nearly 15 percent over 1957. Meanwhile, Novi felt a drop of approximately 10 percent due to a slump in commercial building in that area.

In Northville Building Inspector Stanley Waterloo issued permits for projects valued at a total of \$973,218 for the year. In 1957 permits, which included Our Lady of Victory church and the Michigan Bell Telephone dial exchange building, totaled \$868,150.

High months during 1958 were April (\$161,000), May (\$201,449), July (\$114,375), September (\$153,300) and October (\$178,525). No permits were issued in Northville in December.

Although comparative figures were not at the fingertips of Building Inspector Harold N. Ackley, he was able to come up with what he called a "reasonable estimate" of the increase or decrease of commercial and residential building permits.

The only comparative figures available were for residential permits issued in 1957 and 1958, January through June: A total of 35 permits were issued in the township in 1957, while 41 were issued in 1958.

Commercial permits are off, Ackley said, because of an unusually large volume of commercial building in 1957. He named the commercial haul-away companies established near the Lincoln plant as examples. The drop is not a result of Wixom's incorporation, he said.

Through November of last year, Ackley reported, 196 building (commercial and residential) permits had been issued for the township and 15 for the newly incorporated village.

About six percent of the permit applications are denied, Ackley said. In nearly all of these cases, he explained, the applications are denied because of zoning irregularities.

The total appraised value of the building projects for both township and village totals \$2,103,588, while building permits fees for both total \$3,677.

Ackley made 222 electrical inspections, and 107 heating inspections through November, with total inspection fees of \$1,807.25 for electrical and \$995 for heating.

One hundred dollars was collected for board of appeal hearings.

FIRST BABY — Timothy Michael McDonald, winner of Northville's first baby contest for 1959, looks up at his parents, also newcomers to Northville. Mr. and Mrs. McDonald, who live at 314 Debra Lane, moved to Northville on December 19. Timothy was born on January 2 at 4:45 a.m.

## First Baby is Real Newcomer

Everything's new about Northville's first baby of 1959.

Timothy Michael McDonald, born at 4:45 a.m. January 2, is the son of Mr. and Mrs. Charles McDonald, who are also new to Northville.

As a matter of fact they "arrived" (in Northville) just two weeks ahead of Timothy having moved into their new Northville Heights home at 314 Debra Lane on December 19.

The proud parents — Timothy is their first — were surprised to learn

they had won an array of prizes from nine area merchants. A neighbor, Mrs. Donald Offord who is also a new resident of Northville, had read about the contest in The Record and told the McDonalds. They called Friday just a few hours before the deadline.

Up until the news of Timothy's arrival it looked as if Northville's first baby would be a "Miss". Patricia Ann Sackett was born at 1:08 p.m. on January 3 to Mr. and Mrs. Ed Sackett of 464 Butler. Patricia was born at St. Joseph's hospital in Ann Arbor and weighed seven pounds, two ounces.

Timothy was born at Providence hospital in Detroit and weighed seven pounds, 15 ounces.

Mr. and Mrs. McDonald moved to Northville from Detroit. McDonald is an attorney with offices in Redford. They decided to move to Northville after Councilman Earl Reed, an acquaintance of McDonald, suggested the community.

The McDonalds, not yet fully settled in their new home and also just becoming accustomed to the routine of their new family, didn't know what they had won as parents of the city's first baby of the year.

They'll be pleased to know that at the following stores they will receive these gifts just for the asking:

E.M.B. Market, case of baby food; Novi Rexall Drugs, bottle layette; D&C Stores, Inc., pair of shoes; S. L. Brader Dept. Store, blanket; Cloverdale Farms Dairy, 15 half gallons of milk; Freydl's Women's Shop, suit; Stone's Gamble Store, set of baby scales; Tewksbury Jewellers, stainless steel fork and spoon; Jones Floral Co., a bouquet for Mother.

First baby of 1958 in the Northville-Nowi area was Sherry Coykendall who was born on January 5, 1958 to Mr. and Mrs. Keith Coykendall of Novi township.

## Boy Breaks Leg In Sliding Accident

A 12-year-old Northville boy will be confined to University hospital in Ann Arbor for three months as a result of a tobogganing accident.

Donald Dearing, son of Mr. and Mrs. Elwin Dearing of Spring drive, suffered a badly broken leg in the region of his upper thigh when the toboggan on which he was riding crashed into a tree. Donald was riding with his 11-year-old cousin, Mary Aho of Highland Park, who escaped injury. The accident happened Saturday afternoon at Cass Benton park.

Donald, a sixth grade student at Main street elementary, must remain in bed with his leg in traction for 10 to 12 weeks.

## Calendar

Thursday, January 15  
Coordinating Council, library at 8 p.m.  
Scout Roundtable, Sunset District No. 7, Methodist church, 7 p.m.  
Friday, January 16  
OES, Masonic Temple, 7:30 p.m.  
Saturday, January 17  
P-TA Story Hour, library, 10:30 a.m.  
Teen dance, American Legion hall, 1:30-5 p.m.  
Monday, January 19  
DAR, Mayflower hotel, Plymouth, 12:30 p.m.  
Tuesday, January 20  
WILPF, home of Mrs. Cy Frid, 6:30 p.m.  
Wednesday, January 21  
Past Matrons, home of Mrs. B. Freydl, 12:30 p.m.  
Second first aid class, high school, 7:30 p.m.  
Thursday, January 22  
Review club, home of Mrs. Del Hahn.

## Construction Near On 8-Mile Cut-Off

## Drive in Full Swing To Sell Water Bond

The city council's committee to "sell" the \$300,000 water improvement bond issue developed a full head of steam this week.

Sixteen public presentations of the program have already been made or definitely scheduled as the committee headed by Councilman John Canterbury makes its determined bid to "educate" the public on the need and details of the proposed program.

The bond issue will go to the voters on February 16. Only property owners are eligible to vote on the measure and they must approve it by a 60 percent majority of those voting.

In meetings held Thursday and Tuesday evenings new council candidates and several volunteer citizens were indoctrinated on the water program. Mayor Malcolm Allen, City Manager John Robertson, City Engineer Harold Penn, Superintendent of Public Works Herman Hartner and Councilman Canterbury outlined the entire picture: the history of the city's water system; the mapping and survey of present facilities; recommendations for improvements by water authorities; the improvement program as finally adopted; the financing and explanation of the proposed "revenue-general obligation" bond.

In addition to its public presentations before various local organizations the committee began plans for a mass rally, probably to be held in early February in the Community Building. Plans were also drawn for direct mail, endorsements and advertising and telephone solicitations.

To date presentations on the proposed water improvement program have been made to the Mothers' club, Methodist Women and Retail

Merchants association. Talks are scheduled within the next two weeks before the Coordinating Council, OLV Men's club, Business and Professional Women, Methodist Men's club, Teachers' club, Rotary, Exchange and Optimist clubs, American Legion, Methodist Women's Guild, VFW, Garden club and Presbyterian Men's club.

Those participating in the program and its presentations include: Mayor Allen, Councilman Canterbury, Welch and Stubenvoll; council candidates David Cameron, Paul Folino, Richard Juday, Clayton Myers, Harvey Ritchie, Lloyd Shay and Alfred Smith; Aubrey French, candidate for mayor; and Mrs. Roy Soule, Mrs. Harry Wagenschutz, Mrs. William Cansfield, Donald Hannabarger, T. R. Carrington and the city manager, engineer, attorney and superintendent of public works.

Specifically, the council decided last November to embark upon the \$300,000 water improvement program to:

1. Increase water pressure and storage facilities
2. Provide additional valves to allow repairs without interrupting service to large areas of the community; install more hydrants for proper fire protection
3. Replace undersized lines and create a "loop system" to eliminate deadends in the system, provide better pressure and allow periodic flushing without reducing pressure
4. To complete development of a new well site, pump house and pumps
5. To improve the odor and taste of the water through installation of a chlorination process.

The council was given two methods of financing the program by bonding experts.

A straight revenue bond to be retired solely by the revenues of the system; or a combination revenue-general obligation type bond, which is also retired by revenues of the water system but carries a "guarantee" of the voters thereby pledging (or "obligating") the city's tax base.

The council found that only \$190,000 with \$175,000 in interest could be raised by a straight revenue bond, while the revenue bond issue guaranteed by voters' approval would carry a lower interest rate and produce \$300,000.

Existing water rate revenues would pay off either type loan without levying additional taxes over a 27-year period.

The long-planned relocation of Baseline road will get underway this spring with a major portion of the job scheduled to be completed by August 15.

Grading and drainage structures for the 1½-mile long cut-off as well as grading and paving of North Center street from Baseline to Carlyle is included in the initial part of the project for which bids have already been received.

Although definite announcement of awarding of contracts has not been made, McQuestion & Kauthe of Dearborn submitted a low bid of \$357,023.

According to Warren Worth, engineer of highways for the Wayne county road commission, deadline for completion of this work is August 15.

Worth indicated that the county had obtained all necessary right-of-way purchases for the project.

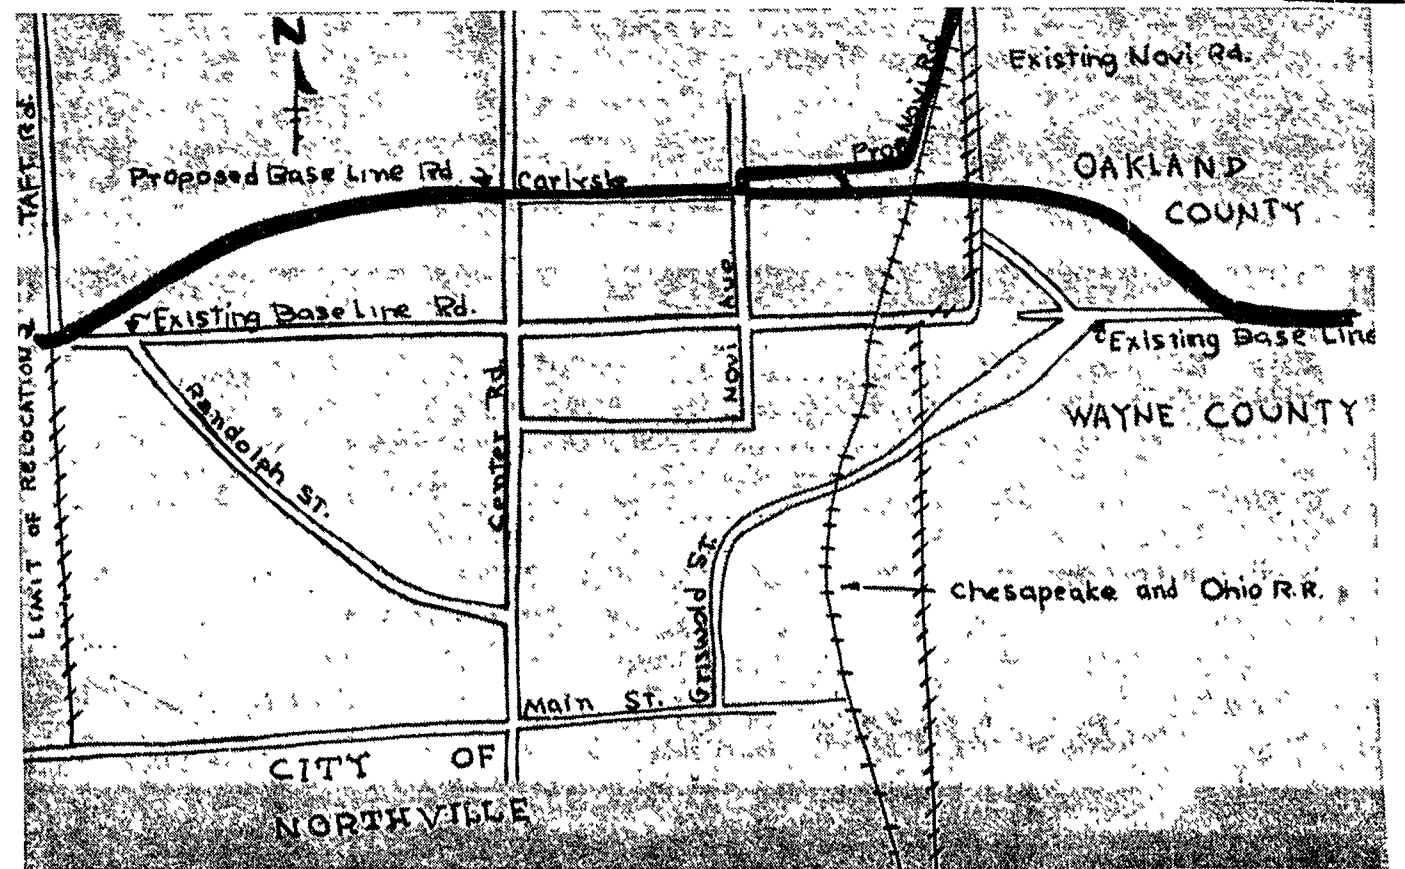

Specifically, the new Eight Mile road cut-off will begin at Eight Mile road east of Griswold and angle northwest until it comes in line with Carlyle street and then head due west until it meets Carlyle. The cut-off continues the length of Carlyle and then cuts between the Amerman elementary school and the high school finally angling south-west to join again with Baseline at Taft road.

Last year the county agreed to improve and pave North Center street to Carlyle after it was determined that a main access road to the city (Novi road) was being cut off. Federal funds are available for projects of this kind where a highway entrance is being relocated. Presumably, North Center street will serve as the main entrance to the city for persons driving from Novi.

The county also agreed to school board requests that an overpass for students be erected over the highway between the schools and that, in addition to other safety precautions, a fence be erected along the elementary side of the highway.

The present section of Novi road south of the railroad track will be sealed off on the northern end. Residents of the Warren Products area will have access to the new Eight Mile but will not be able to go straight through on Novi road as they now can.

An overpass over the C&O tracks will be built west of the present Novi road. Motorists coming from Novi will follow a cut-off entrance road that will run along the west side of the tracks. They will be able to turn off the new highway at Novi street, Horton, Carpenter, Grace or Center if they wish to come into Northville.

Heavy line shows route of new Eight Mile cut-off

## Mothers to March January 29

While dimes began a steady flow into some 100 canisters distributed throughout the business district, Northville's March of Dimes campaign began to pick up momentum this week.

Chairman Fred Stefanski announced the date and line-up for the campaign's biggest single money collection, the Mother's March.

And the school children began doing their bit by contributing to a special school collection under the chairmanship of William Hensch.

Mrs. Albert Leedham will head the porchlight, house-to-house solicitation by mothers. Any mother wishing to help in this drive may call Mrs. Leedham at FI-9-1263.

The collection will be held January 29. Captains who will assist Mrs. Leedham in the area-wide collection are: Mrs. Edward Angove, Mrs. Paul Beard, Mrs. Brian Conklin, Mrs. B. G. Elliott, Mrs. Marshall Huff, Mrs. Sidney Junod, Mrs. Gordon McKinney, Mrs. Frank Pauli, Mrs. Donald Robinson, Mrs. William St. Lawrence.

Last year the Mothers' March collected more than \$1,000, while in 1957 the drive netted \$1,500.

The 1959 March of Dimes, under the theme of "Toward Greater Victories" has expanded its program to include research into causes and possible cures and prevention of arthritis and birth defects up to 18 years of age, as well as polio victims.

STUDENTS HELP TOO — Northville public school students this week are contributing money for the current polio drive. Kay Götts and John Beerbower, fifth grade students at Amerman school, are shown here turning in class coin cards to their teacher, Stanley Golonka.

# about WOMEN

2-Thursday, January 15, 1959—THE NORTHVILLE RECORD

MASTERPIECE — Direction of extension services at the Detroit Institute of Arts, William McGonagle, checks a slide of one of the paintings reviewed at the Friday meeting of the Northville Woman's club. Looking on are (left to right): Mrs. Donald Sober, chairman of the day; Mrs. C. W. Rodgers, and Club President Mrs. C. D. Yahne, Jr.

## Tells Garden Club About House Plants

Florist and herb expert, Clarence Faunce, talked to members of the Northville Garden club Monday about his hobby of growing unusual plants indoors.

After presenting camellia corsages to some of the officers and to Mrs. Charles Walker, hostess, he explained that camellia plants can be grown indoors and that members can grow their own corsages.

The camellia plant can be left in the pot and sunk in the ground in a shady spot for summer then brought into a very cool room for the winter months, he said.

If the camellia plant does not blossom but goes to foliage the cause is too much heat. It must be kept in a very cool location.

Like rhododendrons and azaleas, camellias need acid soil to thrive and Mr. Faunce told how to acidify soil suitable for their growth. He suggested one-half cup of dry sulphur to one bushel of soil twice a year.

If geraniums are kept from year to year and the centers pinched out, the plant will not become tall and spindly and will produce blossoms all winter, he said. The younger plants have fewer blossoms. Geranium plants must not be watered too much, but should be kept a little on the dry side. He recommended for planting soil a mixture one half sandy loam, one-quarter coarse sand or fine gravel and one-quarter humus.

Another hint Mr. Faunce gave gardeners was to turn all indoor plants one-quarter turn every ten days to keep them from becoming one-sided.

When fertilizing any plant, he added, soil should be damp before adding the liquid fertilizer; otherwise it will burn.

EXOTIC DOMESTIC — Florist and herb authority Clarence Faunce, holding a home-grown camellia plant delighted members of Northville's Garden club Monday with his talk on unusual house plants. With Mr. Faunce are (left to right): Mrs. Glenn Cummings, Mrs. Charles Ratliff, Mrs. D. H. Clark and Mrs. Charles Walker, hostess for the meeting.

## Two Local Women Exhibit In Palette - Brush Show

Local exhibitors in the Palette and Brush club exhibition at the Detroit Rackham building are Mrs. Joseph Sands and Mrs. Arthur Verschaere.

The exhibit includes 27 paintings by club members and will continue January 12 through February 13.

The annual exhibition will be held at the Scarab club from January 31 to February 13.

Next regular meeting will be held at the Westlawn Methodist church January 27. Speaker will be Blissom Cohoe, instructor at Cass Tech.

## Order of Eastern Star To Meet Tomorrow Night

Orient Chapter No. 77, OES, will hold its regular meeting tomorrow (Friday), 7:30 p.m., in the Masonic Temple.

## Past Matrons Club To Meet Next Wednesday

The Past Matrons club will meet next Wednesday, January 21, 12:30 p.m., at the home of Mrs. B. Freydl on Main street, for dessert luncheon. Assistant hostesses will be Mrs. Charles Freydl, Sr. and Mrs. R. H. Johnson.

## Review Club to Meet Next Thursday

The Northville Review club will meet next Thursday, January 22 at the home of Mrs. Del W. Hahn.

The Nobel Prize winning novel, Doctor Zhivago, by Boris Pasternak, will be reviewed by Mrs. Fred O. Butler.

## Plan Day of Recollection For Catholic Leaders

All Catholic girl scout leaders in this area can attend the annual Leader's Day of Recollection at the League of Catholic Women, 120 Parsons avenue, Detroit, Friday.

Reservations may be made now at the CYO Girl Scout Office, 305 Michigan avenue, WO-3-7175.

The event is sponsored by the Archdiocesan Committee for Girl Scouts.

# Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

**MADE IT FOR CHRISTMAS** — The Donald Offord family, assembled in their attractive family room made it just in time for the Northville holidays, by arriving two days before Christmas. They are (left to right): Jim, Tom, Mr. Offord, Susan and Mrs. Offord.

One way to guarantee a memorable Christmas is to move into a new home two days before Christmas like the Donald Offords did this holiday season.

The Offords, including their children: Jim, 14; Susan, 11, and Tom, 7, are former residents of Redford township.

Though Northville is a little out of the way in terms of his job, Mr. Offord doesn't mind the daily drive to East Detroit where he is employed by Continental Aviation.

"He figured that since this was the place we liked best it was worth the effort," Mrs. Offord explains. Jim is in the eighth grade, Susan,

a sixth grade student at Amerman school, and Tom is a first grader at Amerman.

Mrs. Offord has wasted no time getting her good civic works underway here.

She set out last week to organize a TOPS (take off pounds sensibly) club in Northville, and says the local response to date is excellent.

For relaxing she likes to knit and sew.

The Offords report that they're very pleased with the new home-town and the friendliness of Northville folks.

## Births

Mr. and Mrs. James Madigan of Randolph street are the parents of a new baby boy born January 7 at Beyer hospital, Ypsilanti. The baby weighed seven pounds, 14 ounces at birth.

Mr. and Mrs. Gale Stowell of Butler street announce the arrival of a son, Randall Scott, born January 5 at Garden City Osteopathic hospital. The baby weighed eight pounds, six ounces. The Stowells have two other children, Becky, two, and Billy, 15 months.

Edward and Patricia Sackett of Butler street announce the birth January 3 of a daughter, Patricia Ann. Born at St. Joseph Mercy hospital, Ann Arbor, little Patricia weighed seven pounds, two ounces on arrival. The Sacketts have another daughter, Sherril Jean.

Mr. and Mrs. George Richards of East Cady street are the parents of a new baby girl, Mignon Therese, born January 5, at Beyer hospital, Ypsilanti. Mignon weighed seven pounds, six ounces at birth.

Mr. and Mrs. Clarence E. Renn of Walled Lake announce the birth of their first child, a son, Richard Scott, on January 7 at Sessions hospital. The baby weighed four pounds and 15 ounces. Grandparents are Mr. and Mrs. Clarence F. Renn of 12 Mile road and Theodore Gronowick of California. Mr. Renn is a former resident of Northville.

## Study U.S. Constitution At Alpha Nu Meeting

The Alpha Nu chapter of Delta Kappa Gamma met at the home of Mrs. Ruth Carter of Rayson street, Monday.

The legislation committee, in charge of the program, conducted a study of the U.S. Constitution.

Refreshments were served by the scholarship committee: Lemoyne Markham, Lucille Reeves and Maud Penhale.

## GIRL SCOUT NEWS

Brownies of Troop 222 elected new officers last week.

New president is Debbie Burr; vice president, Linda Russell; scribe, Marilyn Pubanz; unit leaders, Alice Sherman, Linda McBride and Vicki Mueller.

The girls also enjoyed a pre-Christmas party at the home of Carol Malik.

Tuesday, Girl Scout Troop 234 elected officers. Chris Moase was named president; Susan Shafer, secretary; Lorelei Mueller, treasurer, and Patsy Riley, scribe. The girls have started work on their good grooming badge. Gayle Leedham brought the treat for the meeting.

## Married Here Sunday

Miss Rose Marie Catherine Fied of Plymouth and James William Beard of Cleveland, Ohio were united in marriage by Justice E. M. Bogart on Sunday, January 11. Mr. and Mrs. Allen Morton of Plymouth were the attending witnesses.

## WATER SOFTENERS

## News Around Northville

Alfred Leonard and daughter, Delia Jo, who have been staying with the J. E. Straus' of Beck road for the past month, will return to their home in Ft. Sill, Oklahoma Saturday.

Otis H. Tewksbury of North Center street and son, Ray, are visiting Mr. and Mrs. O. R. Tewksbury, Sr. in Largo, Florida. They will return January 22.

Mrs. Eva Herrick recently celebrated her 63rd birthday. She received many beautiful gifts and cards from friends and relatives.

Mrs. Eva Herrick and Mr. and Mrs. Howard Bowring spent Friday evening at the home of Mr. and Mrs. Fred McCoy in Belleville.

Mrs. Lucille Rowe, 310 Griswold, returned this week from University hospital, Ann Arbor, where she had been confined for the past two weeks following an operation.

Miss Marian Tennant and her mother of Detroit and Mrs. Dorothy Stansall of Dearborn were weekend guests of the J. E. Straus' of Beck road. The guests arrived for dinner, but because of a sudden outbreak of bad weather, stayed for the week end.

Mr. and Mrs. J. E. Straus of Beck road will attend the Ferndale Women's club dance Saturday.

Mrs. Ruth Chase of Clement road

has returned from a three weeks' visit with her daughter, Mrs. Donald Crawford and family of Coalinga, California.

Well-known Northville residents, Mr. and Mrs. L. J. Marcoux, moved to West Hollywood, Florida last week where they will make their permanent home.

Explorer Post 755 visited Cranbrook Institute of Science Saturday. The Institute planetarium was one of the highlights of the tour. Funds collected from the post's wreath sale will be used to defray the cost of the organization's trip to Chicago planned soon.

Mr. and Mrs. L. M. Eaton of Eaton drive, returned this week after spending an 18-day vacation in Mexico.

## WILPF Plan Supper For Meeting Tuesday

The Northville-Plymouth branch of the Women's International League for Peace and Freedom will have a combined pot-luck supper and meeting next Tuesday, January 20 at the home of President Mrs. Cy Frid.

Speakers at this meeting will be Mrs. Grace Baird and Miss Blanche Reinhart of Detroit, who will talk on "Human Rights in the Fields of Labor and Education".

The supper will begin at 6:30, followed by the regular meeting at 7:45 p.m.

## P-T-A Joins in State Study Of Michigan School Needs

The Northville P-T-A will join with hundreds of other Parent-Teacher associations across the state in a major project this year of "Studying Michigan Schools".

"This fact-finding study will be one of the most extensive projects ever undertaken by the Michigan Congress of Parents and Teachers and its almost-2,000 local units," declares Mrs. Charles W. Neldrett of Pontiac, president of the Michigan Congress of Parents and Teachers. The project, explains Mrs. Neldrett, was developed to meet the requests of hundreds of P-T-A members for a guide to help them learn more about their schools and about public education in Michigan.

Local P-T-A members will seek to determine facts about the local school's educational program, teaching staff, and financial problems. The program also will give the members basic facts about public education in Michigan — including higher education.

There are four basic purposes behind this project, points out Mrs. Neldrett. These are:

- (1) To further inform citizens about the educational programs in Michigan;
- (2) To give them an opportunity to better understand their own local school programs and needs;
- (3) To point out basic issues facing education today;

(4) To provide each citizen this additional opportunity to express his individual beliefs concerning public education.

Following the Muskegon convention, the Michigan Congress sought help in developing such a program. A discussion guide, factual information about Michigan schools and an opinionnaire were developed during the summer with the assistance of the state department of public instruction and the state-supported colleges and universities.

## Boy Scout Troop 731 To Host District Roundtable

Northville Boy Scout Troop 731 sponsored by the Methodist Men's association of the First Methodist church, will host the Scout Roundtable for Sunset District No. 7 leaders tonight (Thursday) at 7 p.m.

Some 50 boy scout and explorer scout leaders from communities including Northville, Plymouth, Livonia and Wayne are expected to attend the meeting to be held in the Methodist Fellowship hall.

Claude Morgan is scoutmaster of the troop.

Troop chairman is Clyde Ferguson and assistant chairman is Charles Straus.

The Northville troop last entertained the district leaders about three years ago.

# Wixom Councilman Walter Tuck Resigns

Walter Tuck resigned last week as Wixom councilman in a move which surprised fellow council members.

Tuck's letter of resignation was read to the council, in his absence, by Mayor Joseph Stadnik.

All of the councilmen expressed surprise and regret at Tuck's decision, which, according to Stadnik, was made for "personal reasons". The resignation was accepted "with regret".

The letter read in part . . . "It is with a deep regret that I submit this letter . . . I have given it much thought and believe my decision is for the best."

Walter Tuck

## Council OKs Hiring Of Kenneth Warren To Get Out Tax Role

Wixom councilmen voted last week to approve the hiring of Kenneth Warren "to get out the tax role" for a flat fee of \$900.

The vote came after Mayor Joseph Stadnik reported he "took it upon myself" to hire Warren, who was retained earlier by the city for a reported \$4,600 to re-appraise Wixom property.

Warren's original job called for re-appraisal of properties in areas once located in Commerce and Novi townships so that the real valuations are on an equitable level.

Re-appraisal work is now nearly completed, and the actual job of getting out the tax role remains to be done.

Stadnik's report that he had hired Warren drew little objection, although Councilwoman Mrs. Lottie Chambers said Warren's salary should have been set by the council—as provided under the charter.

Warren's re-appraisal work had come under fire at an earlier meeting because, according to two citizens, Warren told them their upcoming taxes would increase sharply. Councilmen indicated that Warren had no right to make any of the statements in his appraisal work.

The deputy assessor has since denied telling people that their taxes will go up.

In other council business, the proposed annexation of the section of the Finnish Camp Association lying within Commerce township was discussed.

Councilman Gunnar Mettala reported that a census was being taken to determine if the people of voting age are in favor of annexing to Wixom. If 100 percent of these people desire annexation, Mettala said, then the area can be voted into Wixom by the Commerce township board and the Wixom council.

Councilwoman Chambers was concerned whether the 64-acres of land, which includes Sun Lake, 50 homes and 70 people would represent an asset to the city, or whether the people within the area were aware that their taxes may be jumped considerably if the area is annexed.

Mettala indicated he did not expect much objection by the Commerce board because the Camp section under question is not physically accessible as a result of existing boundaries and a swampy area.

Other matters taken up by the council:

Reported a total of \$28.73 of city money was used to support the Christmas party. The council had voted to turn over \$100. Mrs. Chambers, chairman of the party, returned the \$71.27 to the city treasury.

Agreed to study offer of the Chesapeake & Ohio railroad to lease part of their downtown Wixom property for a city parking lot.

Explained that the recent "clump down" on sale of cigarettes over the counter to minors was ordered because elementary school-age children had been caught smoking on school property during school hours.

Reported that request to Detroit Edison for installation of larger street lights had been complied with.

Reported that Novi Township Supervisor will meet with Wixom auditors to work out an agreement for the division of assets.

Commended the city road personnel for their "fine work" during the New Year's ice storm.

Suggested that the city assessor position be combined with one or two other city jobs.

Accepted invitation to attend January 14 meeting of the Michigan Municipal League at Ferndale.

Re-appointed three members of the planning commission to three-year terms. They are: Robert Wagnitz, Robert Rickard and Mrs. Charles Ware.

Seth Monroe was re-appointed to the board of review.

## Firemen Fight Fires In 3 Houses

Novi firemen battled three house fires last week, including one Sunday which caused an estimated \$7,000 damage.

Flames ate through a defective fireplace in the Walled Lake home of George Bagdasarian, 1513 East Lake drive last Sunday morning and quickly spread to a wall and the ceiling.

Firemen called to the scene were hampered by thick smoke which filled the home. However, quick action in cutting a hole in the roof above the fireplace for hoses probably saved the house from burning to the ground, Police Chief BeGole said.

BeGole, who praised the department for the firefighting job, estimated the total damage at \$7,000.

Fire was confined to the floor, wall and ceiling near the fireplace. A china cabinet was damaged, but firemen managed to save the china inside. Some smoke and water damage was reported.

In other fires, more than \$3,000 damage was caused to the home of Ronald Grant in Willowbrook when fire broke out in a utility room and ate through the ceiling into the attic.

The fire was caused by an overheated gas furnace.

An overheated oil heater on 12 Mile threatened to explode at the home of Daniel Kenny, but firemen were at the scene in time to prevent any serious fire damage. A broken chimney pipe had cut off the draft to the heater.

A car owned by Leonard Delano of Farmington was damaged by fire Monday at the Novi drive-in on Grand River. Damage was estimated at \$75. Defective wiring caused the fire, firemen said.

Announcement of a change in name for Novi's Paragon Construction company has been made by the steel fabricating firm's president, Frank DePodesta.

In a move to avoid confusion as to the specific nature of Paragon's business, DePodesta stated that the firm has officially adopted the name of "Paragon Bridge & Steel Co." The use of the word "Construction" apparently created an erroneous impression in many instances that the company was engaged in general building and contracting business, DePodesta said.

He emphasized that the change does not involve any change in ownership, management or method of operation.

Specifically, Paragon fabricates and erects structural steel, miscellaneous iron, steel for highway bridges, shipping and material racks, railroad car work and other steel products.

The fast-growing firm moved to Novi in 1954 and has expanded its facilities three times in the past four years. Last year the company completed a 60,000 square foot addition which faces Grand River Expressway. The company is located at 4400 Grand River.

Paragon, growing to become the state's second largest producer of structural steel in its relatively short history, has provided structural steel

for the John Lodge and Edsel Ford Expressways and General Motors and A.C. Spark Plug buildings in Flint, as well as the Grand River Expressway in its own backyard.

Other officers in the firm include: Gil Innes, executive vice president and secretary; John DePodesta, sales manager and treasurer; Evan Bafnab, vice president in charge of manufacturing; Paul DePodesta, vice president in charge of material control; and Arthur DePodesta, vice president in charge of erection.

Novi Voters Beware  
Warns Clerk

"Be sure you are registered with the township if you intend to vote in the township primary February 16," Clerk Hadley Bachert urged residents this week.

Village registration, he explained, is valid only for village voting — not for township voting.

At least 25 persons were turned away from the polls in November, Bachert said, because they were registered with the village and not the township.

Monday, January 19 is the deadline for township registration.

Paragon Bridge & Steel  
New Name of Novi Firm

Announcement of a change in name for Novi's Paragon Construction company has been made by the steel fabricating firm's president, Frank DePodesta.

In a move to avoid confusion as to the specific nature of Paragon's business, DePodesta stated that the firm has officially adopted the name of "Paragon Bridge & Steel Co." The use of the word "Construction" apparently created an erroneous impression in many instances that the company was engaged in general building and contracting business, DePodesta said.

He emphasized that the change does not involve any change in ownership, management or method of operation.

# Trailer Park Suit Threatens Village

## Board Sets Public Hall Rent Rules

Rental regulations for the use of the Novi community building, were adopted Monday by the township board.

The regulations must now be approved by the school board before they are put into effect.

Adoption of regulations by board members was prompted by a suit filed against the township after a group of Novi residents were allegedly denied use of the building for weekly dancing classes for their children.

Judge Holland, Oakland county circuit court judge, has indicated that no decision will be made until the merits of the case have been heard in court. No date has been set for trial.

Under the regulations adopted by the board, 18 specific organizations may use the building free of rent. Improvement associations of recognized subdivisions of the township and village government activities may also use it free of rent.

Groups or persons living within the township, but not specifically mentioned in the regulations, will be charged a minimum \$10 rental fee. Non township groups and persons will be charged \$25 for use of the hall and \$25 for the kitchen.

Those groups which may use the building free of rent are: Willowbrook Association, Board of Commerce, Mothers' Club, Farm Bureau, Boy Scouts, Girl Scouts, Civil Defense, Democratic Club, Republican Club, Oddfellows, Rebekahs, Firemen, Blue Star Mothers, AM-VETS and Auxiliary, Methodist Church, Baptist Church and Willowbrook Community Church.

The building will be available on a "first come, first serve" basis. Chairs, tables and kitchen supplies will not be permitted to leave the building.

In other business the board agreed to hire an attorney whenever legal opinions or advice is needed; adopted a memorial resolution for the late Charles W. Hamilton; voted to pay Police Chief Lee BeGole and Mrs. Dorothy Ico, receptionist, back vacation salaries; and authorized Clerk Hadley Bachert to look into the purchasing of shelving for the proposed library.

A member of the Associated Investment company this week revealed his company may bring suit against the village on grounds the local municipality has "unlawfully" turned down trailer park plans at Walled Lake.

The investment company was denied approval for a proposed \$340,000 trailer park by Village Building Inspector Harold Ackley last month.

Ackley based his denial on the grounds that the proposed park, to be located at the southeast corner of Pontiac and West roads, is zoned R-4 and R-1 for multiple and single dwellings and not R-3, trailer park.

"My partners want to go to court," John Weiss, member of the Investment company board, declared Tuesday.

Weiss declined to discuss further the grounds for legal action. He said he could not make any statement until his organization meets to make a decision.

The Detroit man said he personally would rather, in light of public objection, look for a site in another township or village.

Village appeals board members Monday referred the investment company's request for a hearing to the planning commission. The board members said they could rule only on variances — not zoning changes. Therefore, they said, the appeal should go directly to the planning commission.

A notice of the referral had not been received by the investment company Tuesday so Weiss declined to comment on it.

Although Weiss could not comment on the "legal grounds," Ackley said he believes the investment company may go into court on grounds that the village has adopted an R-3 zoning but does not provide an R-3 area within the village.

According to Weiss, "the park will be the most modern, attractive one in Michigan." He estimated the 222-unit park would cost between \$325,000 to \$340,000 to build.

Nearly \$70,000 of this total would be spent on beautification of the park, Weiss explained. A "green belt" between 200 to 300 feet wide would be planted around the 56-acre site, he said. "It would include tall shrubbery and evergreens and wide lawn."

In addition, the company plans to clean out the bottom of Walled Lake along the park's 350-foot shoreline, and construct a steel and concrete wall along the shore, he said.

"Two or three acres of land will be set aside for a school or fire department or for whatever the village wants to do with it," Weiss said.

The park proposal is expected to meet stiff opposition from residents living near the park site.

Two weeks ago, a score of Novi citizens attended a planning commission meeting intending to protest the park plan. However, the commission contended it could not hear the protests because the investment company had not made a formal request for rezoning of the site.

Donald Woodward, vice president of the West Shore Home Owners association whose members live in the vicinity of the proposed park, has said his group is opposed to the park and will do everything it can to prevent construction.

The investment company, which already has secured approval for the park from the state health department, originally planned to start construction next month with completion about May.

Oakland Civil Defense  
Authorizes Novi Hospital

The medical auxiliary class of the Novi civil defense has been notified that Novi school has been designated an emergency hospital in the event of a disaster.

Oakland county civil defense designated the school as a hospital following the graduation of 62 Novi residents from the local medical course, Eugene J. Choquet, director of Novi civil defense, revealed this week.

The graduates must still attend four weeks of training in an emergency hospital before their studies are completed.

Police auxiliary members of Novi civil defense were guests of the Farmington civil defense last week at Farmington. Plans for evacuation were discussed.

Area Men, Woman  
Fined in Novi Court

A Walled Lake woman and a Novi man here were found guilty of assault and battery last week in separate trials at the village hall.

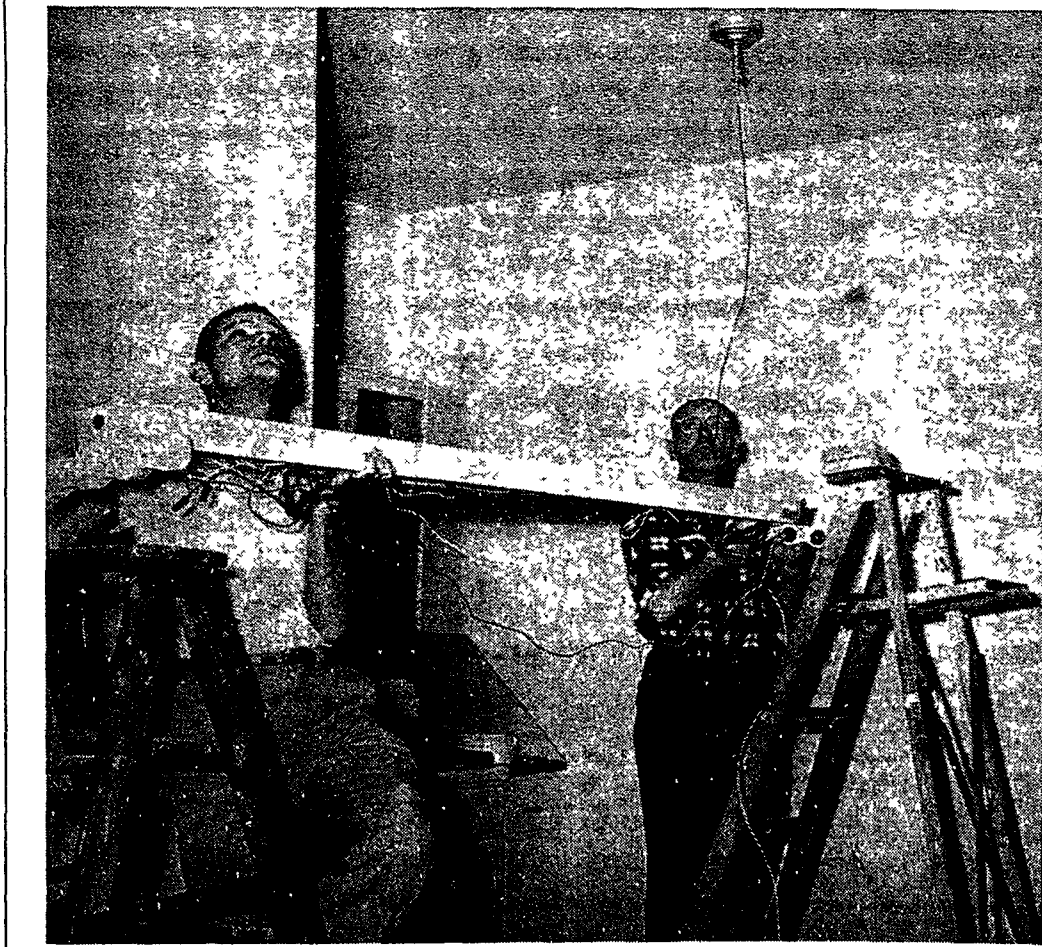

Justice of the Peace Robert Anderson ordered Mrs. Marie Clevering, 1249 East Lake drive, Walled Lake, to pay a \$35 fine and placed her on one year probation after a jury found her guilty.

Mrs. Clevering allegedly threatened her neighbor, Mrs. Emogene Fisher, with a golf club and then spit at her following an argument.

Clyde Roberts was ordered to pay a \$50 fine and was placed on two months probation after he was found guilty by Justice Anderson of hitting a fellow employee, Leslie Peck of Wayne, following an argument at C&L Transport.

In another trial last week, Lawrence Miller, 115 Parkview, Walled Lake, was found guilty of non-support and was placed on one year probation.

Harold H. Leslie, Plymouth, pleaded guilty Monday before Justice Anderson on charges of being drunk and disorderly. He paid a \$35 fine.

REDECORATE VILLAGE HALL — Village Building Inspector Harold Ackley (right) and Duane White of Walled Lake prepare to install a fluorescent light on the second floor of the village hall. The rooms formerly used as an apartment are being redecorated for use as office quarters for the township board. The first floor office will be used by village officials — under an agreement with the township.

## Spends Holiday with Parents

By Mrs. George Ames — Greenleaf 4-0830

Terry Musselman was home to spend the holiday with his parents, Mr. and Mrs. Ivo Musselman, of LeBost. He has finished boot camp and from here he went to Norfolk, Virginia to join his ship, the USS Saratoga. He has been assigned to the engine room.

The Monday Pinocle club met at the home of Clare Miller last week. Virginia Hawk, Ellen Rumble and Gladys Earl were guest players.

Virginia Hawk won first prize, Clare Miller second, Betty Johns third and Helen Beadle won booby. Connie Atkins was the hostess for the Tuesday Pinocle club.

Driscoll won first prize, Clare Miller second, Aldean Carter third, and Shirley Hurlburt consolation prize.

Mr. and Mrs. E. J. Millikin of McMahon Circle, are happy to announce the birth of a daughter, Valerie Jean, on December 26 at Highland Park General Hospital.

The baby weighed six pounds, 15 ounces at birth. Her grandparents are Mr. and Mrs. John C. Millikin of New York City and Dr. and Mrs. Lyman Heacock of Nashville, Tennessee.

The Tuesday Bridge club met Monday evening at the home of Irene McCormick. Helen Gellatly was a guest player. Irene won first prize and Barbara Coan won second.

Mrs. McCormick was also the hostess for one of the Wednesday Bridge clubs last week. On that evening June Anderson won first prize.

The other Wednesday bridge club met at the home of Margaret Bunker. Marilyn Boland of Northville was a guest player. Marguerite Parent won first prize, Agnes Driscoll second and Marilyn Boland won booby prize.

David Ames spent the week end in Detroit visiting his grandmother, Mrs. Jane Rothwell.

Mr. and Mrs. James Newton and their children, Skippy, Sharon and John, have returned from a three week vacation in Inverness, Florida.

Mr. and Mrs. Lloyd George took their family to Connellsville, Pennsylvania to spend the New Year week end with Mr. and Mrs. H. V. George.

Mr. and Mrs. Clifford Bunker and their children, Ted, Paul and Ann, had dinner Sunday with Mr. and Mrs. Clarence Bunker in Grosse Pointe.

Mr. and Mrs. Cameron Campbell have moved to their new home near Pittsburgh, Pennsylvania.

Mr. and Mrs. George Dzialak spent Sunday with Mr. and Mrs. George Ames of Mooringside drive.

Paul and Ann Bunker celebrated their eighth birthday last Sunday afternoon. Their guests included Anthony Abruzzo, Johnny Pauli, Darrell Herter and Susan O'Leary of Northville, and Mike Barnes, Vince Miklas, Michael Zavaric, Teresa Richmond, Debbie and John Bauer, Bobby and Nancy Byrd and Kathy LeBost of Willowbrook.

## Beck Road Drain Aired in Meet Here

A second meeting of the County Board of Determination was to be conducted yesterday to discuss the proposed Beck road drain.

The first meeting was held last week in Wixom but no decision was reached.

Board members must decide, after hearing from all land owners affected, if there is a necessity for the drain and whether it will be conducive to public health, convenience and welfare.

Sections of the proposed drain, to be located along Beck road near the expressway, fall within the village of Novi as well as the city of Wixom.

According to Daniel W. Barry, Oakland county drain commissioner, the state initiated the proposed drain to correct faulty drainage caused by construction of the expressway.

Barry said he would like to see the state pay between 80-85 percent of the estimated \$60,000 project, with the remaining cost shared by the county and the two municipalities concerned.

Officials attending last week's meeting said there seemed to be as many in favor of the drain as were opposed to it.

The drain commissioner has indicated that court action may be started if the board determines the drain necessary but land owners, on whose land the drainage ditch will run, object to it.

Novi Oddfellow Officers Installed Here Tuesday

Seven newly elected officers of the Novi Oddfellows were installed in a special ceremony Tuesday night at the Oddfellows hall.

William Richards replaced George Kahrl as Noble Grand.

Others installed were: Leslie Mitchell, Vice Noble Grand; James Bryan, financial secretary; James Frisbie, recording secretary; Hadley Bachert, treasurer, and George Atkinson, trustee for one year and William Mairs, trustee for three years.

The installation program was directed by a Plymouth installation team. Refreshments were served.

Novi Police Chief BeGole Elected to Two Posts

Police Chief Lee BeGole was elected secretary-treasurer of the Oakland County Law Enforcement association at Pontiac Tuesday.

Others elected at Pontiac were: president, James Parker of Holly, succeeding Walled Lake Police Chief Al Decker; and vice president, Elmer Peters of Orchard Lake.

BeGole also has been installed as treasurer of the Michigan Juvenile Officers association.

## Novi Highlights . . .

### Novi Girl Scouts

Novi Senior Scouts visited the Detroit City Bank last Monday. Mr. and Mrs. Kenneth Bassett and Mrs. Kriedeman were the supervisors for the trip and Mr. Kriedeman was the guide.

When they arrived at the bank they had their pictures taken in the vault, board room and by the IBM room. The pictures were taken for the bank's newspaper, "News and Views".

They were served lunch in the board room and after visited other parts of the bank such as the mortgage department, vaults, safety deposit boxes, the department where checks are sorted and accounts kept.

They were shown how the IBM machines are operated and talked to the president of the bank, Mr. French, who invited them into his private office where they were shown a \$3 bill.

After finishing the tour everyone went to the top of the Penobscot building, 45 floors up. They were not able to see very far due to the fog, but they felt that the trip was very enjoyable and advise other troops to take advantage of such a trip which they will find educational and interesting as well as lots of fun.

Senior Troop met at the home of Mrs. Bassett. Additional plans were made for the future. Donna Schults was the guest. They closed the meeting with the good-night circle.

Brownie Troop 1023 had election of officers: president, Karen Schneider; vice-president, Linda Williams; secretary, L. Schupe, and treasurer, Linda Killeen; reporter, Laurie Killeen, and clean-up, Allison Lyke. They strung cherries for birds to eat and were taught songs by Sharon Carke.

Intermediate Troop No. 149 planned a party for the youngest Brownies for the end of January. The Bunny Patrol will have charge of the games. Red wings, refreshments, and Pink Angels, the decorations. They are also planning a play and working on 2nd class requirements.

Intermediate Troop 602 received registration cards, planned a menu for overnight and discussed foreign Christmas customs.

New Brownie troop sang songs with Brownie records and made bird feeder strings from popcorn and cranberries. Treats were furnished by Daphne Hansor.

Novi School Library

Library club met last Thursday for its regular monthly meeting. The following officers were elected for the next half year: president, Bobby Taylor; secretary, Cathy Bentley and treasurer, Jackie Henschell. They planned a Valentine party for the February 5 meeting. Mrs. Allen gave a short talk about library books and how to prepare new books for circulation. There are now 1,550 books in the Novi school library. Reported by Rebecca Lyke.

The second grade has a new pupil. She is Judy Dickinson from Parkin, Arkansas.

Mrs. Salow's fifth grade pupils have been making reports, charts and maps on Alaska. The Alaskan unit will be completed with a bulletin board.

Joe Loynes, Richard Rock, Roger Park, Bobby Harrison, Roberta Willacker, Norman Krogg and Carl Payton have made donations of various items for the science kit to remain in Mrs. Salow's room.

Philip Presnell has been welcomed into Mrs. Salow's room.

Mrs. Katherine Penhale, sixth grade teacher, spent the holidays in Bowling Green, Kentucky with her sister and family, Mr. and Mrs. H. R. Todd, Susan and Stephan.

Larry Dickinson from Parkin elementary school, Arkansas, enrolled in the sixth grade Monday.

Mr. Perkin's eighth grade basketball team won both basketball games they played with Our Lady of Good Counsel.

The eighth grade girls celebrated Elvis Presley's birthday January 8 by wearing pink and black.

Novi Rebekah Lodge

Installation of new officers will be held Saturday evening, January 17 at 8 p.m. at the IOOF hall.

Novi Rebekah's own installing staff of Past Noble Grands will install the new officers. On the staff are Irene Staman, Mary Ann Atkinson, Rowena Salow, Doris Darling, Dorothy Snow, Kathryn Bachert, Irene Wendland, Grace Frisbie, Margaret Marshall and Marjorie Watson.

The following are the newly elected officers: Gertrude Enders, Noble Grand; Gladys Tremper, Vice Grand; Francis Curtis, recording secretary; Sharon Felchot, financial secretary, and Pearl Tamm, treasurer.

Noble Grands

The Past Noble Grands will meet next Tuesday, January 20 at the home of Marge Marshall for a potluck dinner at 6:30.

Lyster Wick Gets Transfer

Lyster Wick, 439 Yerkes, has accepted a transfer from Hudson Motor company, Detroit, to the company's new Grand Rapids plant. Wick, a life-long resident of Northville, is a cost accountant for Hudson. He will live in Grand Rapids.

2 BD. RM., aluminum sided house, by owner, Plymouth Twp. Lot 50'x150', 1 1/2-car cement block garage, basement, completely fenced. \$11,700. GL-3-3776.

## FACTS and PROPHECIES

- "A continuing boom in building at higher costs is in the making."
- "Smart People Buy Before a Boom."
- "The \$7,500 house prior to World War 2 is priced at nearly \$19,000 today and will be \$1,000 higher in Nov. 1959."
- "For the typical consumer this means — Buy When You Need a Home. Don't Wait."

## Some Good Buys

● Vacant. 7 room frame on edge of town. 1 1/2 baths. Oil heat. Needs some fixing. Priced at \$11,000. Low down payment for qualified buyer.

● Very neat one floor home carpeted throughout. 3 bd. rms. Desirable location 2 blocks from stores. 100x122 lot. \$15,000, terms.

● The much admired natural and formal landscaping of the 160x145 lot is the setting for this perfect condition 5 room white frame ranch home. Sensibly priced at \$24,500.

● Built in 1956 this 3 bd. rm. brick ranch home on 110x155 wooded lot has many features and the location to recommend it at price of \$23,900.

● For country living this very complete masonry home of 8 rooms on 5 fine acres plus out-buildings merits inspection at the price of \$28,500.

## Obituary

#### MRS. MYRTLE BRADLEY

A long-time local resident and member of an early Northville family, Mrs. Myrtle Bradley, passed away January 11 at Stoney Croft Rest Home in Rochester, Michigan. She had been in poor health for the past month. Mrs. Bradley was born January 14, 1876 in Northville. Her husband, Bert, preceded her in death nine years ago. She is survived by a niece, Mrs. Harold Stuart and three nephews, Walter Hinman and Clyde Hinman of Northville, and Maylon Hinman of Mt. Clemens. Mrs. Bradley lived in Northville some 40 years before moving to Royal Oak 10 years ago and later to Rochester. Funeral services were held from the Casterline Funeral home Wednesday. The Rev. Paul Cargo of the Northville First Methodist church will officiate. Burial will be in Rural Hill cemetery.

#### CHARLIE KIDD

Charlie Kidd, a former Northville resident, passed away January 11 at his home in Flushing, Michigan following a heart attack. Mr. Kidd was born in 1889, the son of George and Ellen Kidd. He is survived by his wife, Edna, by two daughters, Charlotte and Ardella, and five stepchildren. He also leaves four sisters, Mrs. Herman Kreger of Northville, Mrs. Earl Richardson of St. Ignace, Mrs. Eugene Dingman of Walled Lake, Mrs. Kenneth Borland of Flint; two brothers, Alex of Flint and Gordon Kidd of Linden, Michigan, and two grandchildren. He had been employed by the Globe Manufacturing company and worked 13 years at Sessions hospital in Northville. Funeral services were held Wednesday from the Regal Funeral home in Flint.

#### CLARENCE BAIRD

Clarence Baird, father of James Baird of Novi, passed away at McPherson hospital in Howell, where he made his home. He also leaves another son and daughter, 17 brothers and sisters and three grandchildren.

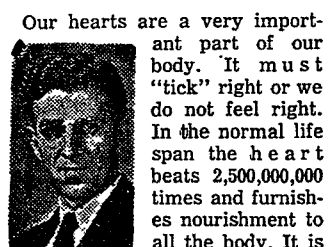

#### Teacher of Handicapped To Speak to Wixom P-TA

Mrs. Myrtle Wierenga, consultant for mentally handicapped children in the Walled Lake schools, will speak at 8 o'clock Thursday, January 22 at the Wixom P-TA meeting. After a question and answer period, refreshments will be served. A conference will be held at the University of Michigan January 17 to discuss local reaction to the P-TA project, "Studying Michigan Schools". It is a followup on the questionnaires filled out at the last P-TA meeting. Summarized conclusions of the many thousands of questionnaires will be presented for discussion.

#### Dondero to Speak at February GOP Dinner

George Dondero, former United States representative from this district, will be the featured speaker at the Novi Republican dinner at 6:30 p.m. February 14 at the community building. Tickets for the dinner will be sold to the public. Anyone wishing tickets may call Frazer Staman at FI-9-2037.

## A DISEASED HEART

Our hearts are a very important part of our body. It must "tick" right or we do not feel right. In the normal life span the heart beats 2,500,000,000 times and furnishes nourishment to all the body. It is startling to know that one out of every four who read this article will die of heart's disease. If you are one of those four would you like to have a Doctor fool you about your true condition? Is the Doctor a nice fellow when he slaps you on the back, declares you a picture of health because he doesn't want to upset you? Would you choose such a Doctor? You would be foolish if you did. Yet, isn't it strange that many people choose their preachers and churches just that way? They do not want to attend where the whole counsel of God is preached because it is too condemning. It makes them uneasy and they do not want to leave off their sinful habits. So, they shop around until they find a preacher whose messages soothe and lull them into thinking that they are a picture of spiritual health. Oh, may God give us preachers who will for the eternal sake of the people, tell them the truth.

#### Local College Student To Be on TV Program

John W. Clarke, 720 Fairbrook street, a senior at Rutgers' university, will be among the more than 100 students who will participate in two programs of the CBS television's documentary series, "The Twentieth Century", to be broadcast March 1 and 8.

The two programs, entitled "A Generation Without a Cause" will seek to show the changing attitudes of young people between the ages of 18 and 22 concerning security, moral values, religion, conservatism and liberalism.

CBS decided to film the programs at Rutgers because of the school's high academic standards and its historical traditions as the nation's eighth oldest university.

#### Teen Dance at Legion Hall This Saturday Afternoon

The Navy recruiter will sponsor a teen dance this Saturday from 1:30 to 5 p.m. at the American Legion hall.

There is no admission charge.

#### AROUND WALLED LAKE:

## New Year's Celebrations

By Mrs. Harper Dunlap — Market 4-3200

Mr. and Mrs. Clarence Cole of West Lake drive entertained with a New Year's party at their home. Guests at the party were Mr. and Mrs. John Fesler of Wolverine Lake, Mrs. Lucy Lawlor of Pontiac, Mr. and Mrs. David Lawlor of Walled Lake, Mr. and Mrs. Alex Lawlor of Walled Lake and Mr. and Mrs. Tom Blair of Glangary road.

Mr. and Mrs. Harper Dunlap and Mr. Skinner of Rexton, accompanied by Nancy Dunlap of West Bloomfield were the dinner guests of Mr. and Mrs. Daniel Chissus of Waterford on New Year's day.

Mr. and Mrs. John McGuire of Faywood had as their dinner guests New Year's day Mr. and Mrs. Tomlin and family of Pontiac.

Mr. and Mrs. Joseph Brandt of West Lake drive attended a New Year's Eve party at the home of Mr. and Mrs. James Edwards of Ferndale.

Mr. and Mrs. Clarence Cole had as their guest Mrs. Cole's father, Mr. Waterman of Vassar.

Christmas Eve, a small grease fire broke out in the kitchen of the home of Mr. and Mrs. Chuck Patten of Rexton. The damage was restricted to the kitchen.

The Joseph Brandt home was saddened by the death of Mrs. Harry Brandt of Detroit, who had been ill since Thanksgiving. Mrs. Brandt was the wife of Joseph Brandt's brother. The funeral was January 5. Mr. and Mrs. Harper Dunlap and Mr. Skinner of Rexton were guests at the home of Mr. and Mrs. Walter Skinner, Jr. in Garden City Saturday, January 10.

Last Saturday Mr. and Mrs. Joseph Brandt attended a reception at the home of Mr. and Mrs. Ar-

## Exchange Student Returns to Germany

Northville exchange student, Almut Gross, returned Sunday to her home in Goettingen, Germany, cutting short her expected stay here on the Youth For Understanding teenage program sponsored by the Ann Arbor-Washtenaw Council of Churches.

The Northville high school senior had been ill the past few months following a slight concussion received in an auto accident here, and returned to Germany on recommendation of doctors at University hospital who had been treating her, said Mrs. Arvid Andresen, executive secretary of the council and director of the teen exchange program.

Almut had been living with the Oliver Rose family of Novi since summer. Mr. Rose is assistant principal at Walled Lake high school.

Check Your Supply of Printing Needs BEFORE You Run Out

## D.A.R. Fetes 'Good Citizens'

High school girls from five area communities, including Northville, will be honored for good citizenship at the 32nd anniversary celebration Monday of the founding of the Sarah Ann Cochran chapter of the D.A.R. From Northville, Julie Older has been selected for the award.

Others are: Plymouth, Mary Jane West; Livonia, Meredith Keras; South Lyon, Kathy O'Leary, and Garden City, Jean Vogel.

A luncheon will be held Monday afternoon at the Mayflower hotel in Plymouth beginning at 12:30.

Mrs. Dwight Struthers, guest speaker, will talk on "Ladies of the White House".

Regents of other metropolitan area DAR chapters will also be present.

Julie Older

Series 60 stake shows its stuff on off-the-road jobs!

You don't have to haul 30-ton loads out of a stone quarry before your job's considered tough. The rough ones come in every weight class. And right there is where a whole fleet of Task-Force Chevies comes rolling in. As far back as they go, Chevrolet trucks have always been long on stamina and short on down-

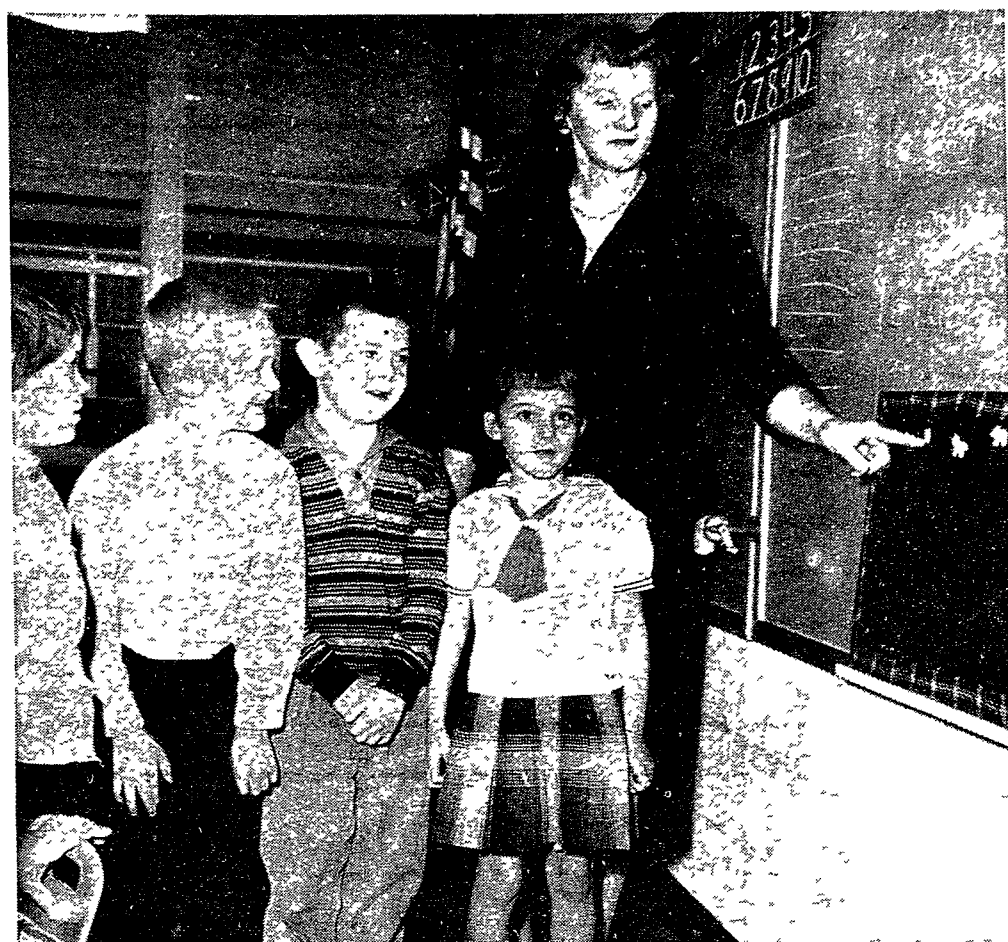

time. And now, with big tandems in the line along with every kind of model you can name . . . with the latest '59 ideas built into more might and muscle than ever before . . . you can bet a Chevy truck will whistle through any size job you've got. Your Chevrolet dealer can zero in on the exact model you need.

# French Makes Hit in Grades

## The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Thursday, January 15, 1959—9

LE "PINK" CHIEN — The pink felt dog on the blue felt board is an old buddy to children in Mrs. Scafuri's first grade class, who met him in their French lessons. Identifying the cutouts for Mrs. Scafuri are (left to right) Sherry Zayli, Clark Roehler, Henry Ronk and Valerie King. The felt board is one of the aids employed in elementary school teaching of foreign language.

TRES BIEN! Even for such an invincible American institution as the Cub Scout! Mrs. Volpert coaches one of Mrs. McCarthy's pupils as Mrs. McCarthy explains the French stamps Mrs. Volpert brought.

REPEAT AFTER ME — The children are delighted with the chance to learn a new language and to experiment with new sounds. Here, Debbie Leavenworth tries to imitate Mrs. Volpert, but Lynn Warner decides to listen once more. Mrs. McCarthy's class also makes use of French records and tape recordings.

Wander into a fourth grade classroom at Amerman school some Monday morning and you'll think you woke up in France.

The teacher's "Bonjour mes enfants!" followed by a rapid-fire chorus of "Bonjour Madame!" — however — is only part of an experimental program in elementary school teaching of foreign language now being conducted in Northville. Principals Harry Smith and Richard Kay sparked the program here after encountering repeated opinion of national educators that American students don't get enough foreign language instruction in the common two-year high school sequences.

The grade school program has been in existence for the past year. Mainly for financial reasons, a full scale program was out of the question, Kay explains, but in hiring, the principals have been on the look-out for persons with some foreign language training.

At present several types of foreign language programs are being tested. Teaching materials also range from tape recordings to pictorial devices and records, used at the teacher's discretion.

Mrs. JoAnne Hollar, fourth grade teacher at Amerman, teaches French to all fourth grade students on a periodic class-exchange basis with section teachers.

Mrs. Georgia Scafuri, first grade instructor at the school included French in her regular classroom lessons. Both women have a rich background in the language.

Contrastingly, Mrs. Helen McCarthy, third grade teacher at Main street school, has little knowledge of French, but is assisted once a week by non-teacher Mrs. Denise Volpert, a native of France.

On a smaller scale, other teachers with limited knowledge of various foreign languages have worked it into their own classes.

There are several good reasons for introducing children to a foreign language at an early age, Kay said.

Not only does it parallel their first learning of English, but at this age they are especially sensitive to sounds and words.

Again, they aren't bothered by self-consciousness that plagues their sophisticated teenage brothers and more sophisticated teenage brothers and sisters. What's more important, they enjoy the classes!

Physically, Kay added, their speech apparatus is still flexible, and they are better able to copy sounds than older persons.

For some children who have difficulty with other academic subjects, foreign language instruction—because it is so naturally easy—often captures their interest, carrying them through until they catch up on the others.

Ideally, he continued, the program would continue from kindergarten through high school, coordinated through a department on the same basis as music instruction.

But due to lack of funds, compromise programs have been suggested, such as parent-sponsored classes, advance-student assistants to regular teachers, etc.

He emphasized, however, that administrators shy away from "grabbing at the first good thing that comes along."

"We want to evolve into this slowly," he said.

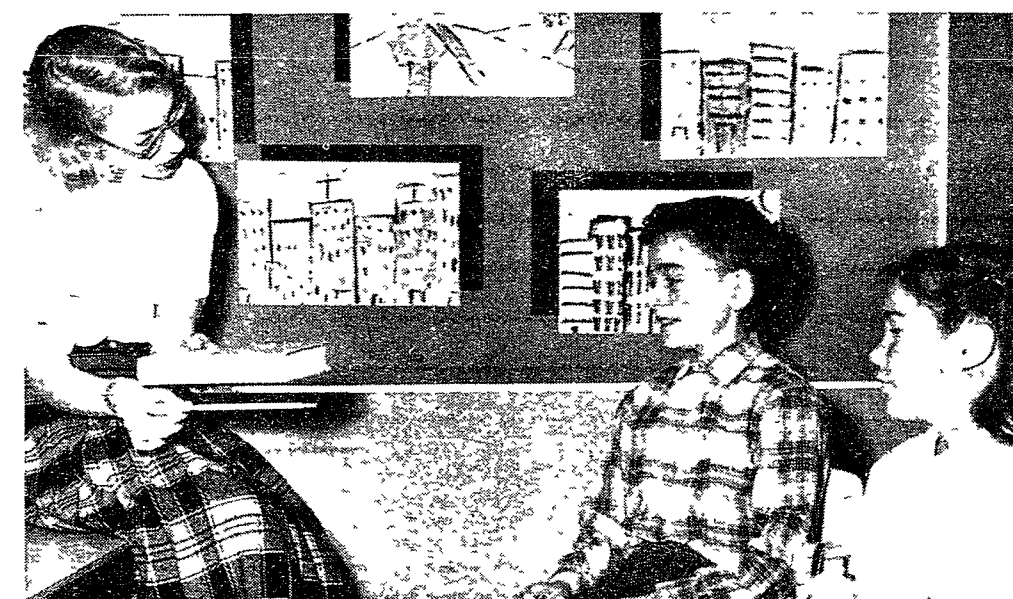

"We could kill the whole thing by adopting an unsuccessful program, or could give a black-eye to a good program by hurrying into it."

GENTLEMEN go this way, as they've been doing for many years in the old French song "On the Bridge at Avignon". Fritz Cushing bows gallantly to a fourth grade lady.

SONGS AND GAMES are good devices for teaching foreign language to young children. Mrs. Mrs. Hollar leads her class through the words and gestures of a typically expressive French tune.

"WHAT IS IT?" Mrs. Hollar asks in French. Philip Muller and Susan Yoder have the answer right on the tips of their tongues.

## Cager of the Week

HE CAPTURED SCORING LAURELS last week against Holly and added another page to his athletic successes at Northville. Seventeen-year-old Roger Atchinson has a book-full of athletic achievements — and still has more than a year of school before graduation. The "5 10", 155-pound junior has played two years of varsity basketball for Coach Stan Johnston. His most successful performances have been at guard where last week he scored 23 points. He also has performed well at varsity football and baseball. A member of the "N" club, Atchinson's hobbies are high school sports and bowling. He is the son of Mr. and Mrs. Orson Atchinson, 550 Orchard drive.

City League Moves  
Into High Gear

City recreation basketball pulled into high gear last week with contests at Plymouth, the Wayne County Training school, and here at the community gym.

Northville Recreation turned its opening guns on the Training School Indians in a 45-23 contest here in the 15 or under class. The Indians dropped their second game to the Northville Optimist Juniors, 21-13, at the training school Monday night. At Plymouth in the 18 or under class, the Novi Specials took a 48-16 beating at the hands of Plymouth Heide's, the Plymouth Optimists dumped Northville Royals, 31-17, and Plymouth VFW edged Northville Optimist Seniors, 31-30. The Training School's Red Birds lost to the Plymouth Beginger team on their own court, 29-25. In games tonight at Plymouth, the Plymouth Optimists meet Heides, the Royals take on the Red Birds, Novi Specials play Northville Optimist Seniors, and Plymouth VFW meets Begingers.

OLV Wins First Game,  
Beating Recreation, 29-17

Our Lady of Victory's basketball cagers turned in their first win of the season Saturday, defeating City Recreation II, 29-17.

Kenneth Skover took scoring honors for the victors with 11 points. Bob Turnbull was next high with 10 points.

OLV will meet City Recreation I Saturday at 9 a.m. in the community gym.

# MUSTANGS TURN SOUR IN WEEKEND GAMES

A victory bubble broke Friday night and with it popped most of Northville's title hopes.

Taking the short end of a 72-62 contest with Holly's towering quintet at Holly, the weakened Mustangs cast themselves as spoilers in the Wayne-Oakland league race.

Northville's eagers will assume this new role here tomorrow night when they clash with the fighting Brighton five — league leaders and favorites to win the championship.

A Northville win could throw a wrench into the plans of title-bound Brighton. The two teams meet only once.

Fresh from a stunning 66-49 victory over Clarkston, Brighton stands alone at the top of the league with a 3-0 record.

Clarkston, Holly and West Bloom-

## Farmington Cagers Romp to Easy Win

A blow to a fighter's stomach can do much to dampen a rally —

After suffering a paralyzing loss to Holly, the Mustangs staggered to their first home court defeat Saturday night, losing to Farmington, 47-40.

"It was terrible," Coach Stan Johnston commented after the game. "We couldn't do anything right."

"When you can't make the easy ones — you just cannot look good no matter what else you do."

Neither team was up to par, although Farmington took advantage of Northville's mistake to clinch the victory.

The Mustangs turned in their poorest shooting record this season, scoring only four baskets in the first half and seven in the final quarter. They hit 15 percent of their first quarter shots, 11 percent in the second quarter, 21 percent in the third and 25 percent in the final stanza.

Northville averaged only 58 percent at the free throw line, but it topped Farmington's 47 percent record.

Farmington took an early lead and held it throughout the game. Not until the final quarter did the Mustangs display anything that resembled a threat.

The score was 11-9 at the end of the first quarter, 25-18 at the half. The Mustangs scored only 6 points in the third quarter to Farmington's 10 points, but bounced back in the final stanza to score four floor shots and eight free throws while Farmington racked up 12 points.

Forward Bob Starnes scored nearly half of his team's points. He connected on seven floor shots and four charity tosses.

Fred Schwarze, guard, failed to make a single basket, but peppered the making 11 free shots out of 13 attempts.

Farmington's forward, Chuck Thompson, took scoring honors for his squad with six floor shots. Other high scorers were: Al LeSage, 9; Frank Clappison, 8, and Ken Cob, 7.

The non-league loss to Farmington was the first on the home court. In previous contests, the Mustangs had dumped West Bloomfield, 62-50, and Plymouth, 90-62.

field — all contenders — share second place with 2-1 records, while Millford, Clarenceville and Northville are tied for third at 1-2. Bloomfield Hills has failed to take the nod in any of the three games played.

Although he is hopeful that some freakish combination of wins and losses might leave his team on top, Coach Stan Johnston has little choice but to accept the new role.

His team is fighting to stay out of the cellar, has lost the services of its star center, and offers little experienced bench strength.

Jeff Goodrich, Northville 6' 9" center who was expected to smother the play of Holly's 6' 7" center, George McDaniels, missed the game because of an ankle sprain. The injury may keep him out of the line-up for most of the remaining games, Johnston said.

Far from being smothered, McDaniels was the spark and drive which at one point in the game out-distanced the Mustangs by 19 points. The star center connected with 12 floor shots and nine charity tosses to lead the way for the Broncos.

Northville led Holly for several minutes in the first stanza, but the Broncos bounced out front by hawking the ball from the Mustangs' boards, by taking advantage of the opponent's mistakes, and by a barrage of accurate shots.

Late in the third quarter the Mustangs turned to a zone press and suddenly came alive. Johnston's

cagers chipped away at the Broncos' lead, but the outburst was too late.

Holly came from behind to tie the score at 16 in the first quarter, and then pumped in 19 more points before the half ended. Northville came up with only 8 points in the second quarter.

The Broncos came out strong in the third stanza, but were stopped short when Northville started the press. Holly scored 16 points to Northville's 15 points.

Both teams scored 23 points in the final quarter.

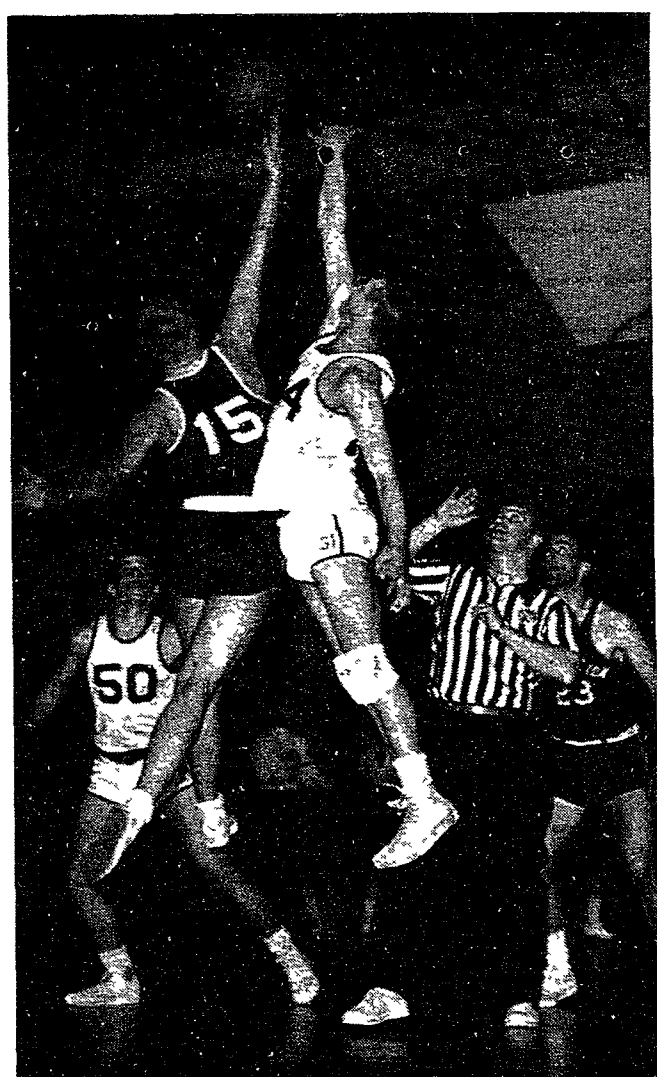

Holly took free shot as well as floor shot honors, scoring 27 baskets and 20 charity tosses. The Broncos hit for a 74 percent free throw average.

Northville scored 18 of 27 attempted free throws for 66 percent while tossing in 22 two-pointers.

Forward Ron Morlan took honors behind the stellar performance of his teammate McDaniels with 15 points. Glen Grommet was next with 9 points.

With Goodrich sidelined and star forward Bob Starnes handcuffed by the play of McDaniels, Roger Atchinson, guard, took the scoring reins for Northville. Atchinson connected on nine floor shots and five charity tosses.

Other top scorers for Northville were: Fred Schwarze, 11; Nelson Schrader, 9; Bob Starnes, 8, and Wade Deal, 7.

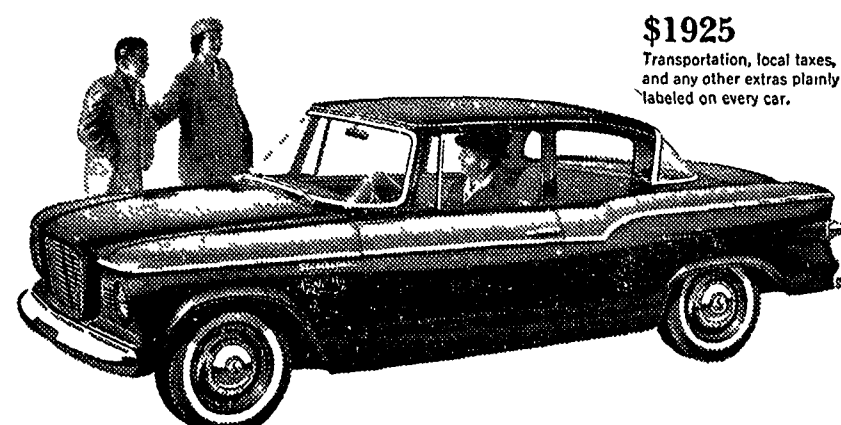

SKY'S THE LIMIT — Larry Clark (center, white jersey) barely misses the ball here as he and Farmington's Ken Cobb leap high into the air. Watching the action are Bill Boyd (50), and Harvey Chapman (23) and the referee.

## Colts Win, Lose in Scrappers

An improving junior varsity quintet last week won their first game of the season — and then dropped a 'heart breaker' the following night. The Northville Colts edged Holly Friday 44-41 to clinch their first victory in four starts.

But the taste of victory turned sour Saturday night at the community building when the Colts dropped a thrilling overtime contest with Farmington, 56-51, for their fifth loss.

The fast breaking Colts pulled ahead in the first quarter on the shooting performance of Forward Jim Patterson, but the tide turned in the second stanza and the Northville cagers floundered with two floor shots and a single charity toss. Holly, which was down at the

quarter, 12-10, held a two-point lead at the half.

Both teams scored 12 points in the third quarter. In the final quarter, the Colts galloped into the lead on seven floor shots and one free shot. Holly settled for 10 points.

The Colts dumped in 12 of 27 free throws for a 44 percent average, while Farmington peppered the nets for 20 of 30 attempts.

In losing to Farmington, the Colts turned in their finest — and their poorest performance of the season.

The local squad came up with only two baskets in the first half, scoring two floor shots and four charity tosses in the first stanza and three free throws in the second half. Northville failed to net a single point.

The Colts caught fire in the third quarter, scoring 12 points to Farmington's 10. Then in the final frame, ond. For 11 minutes of the first the Northville team thrilled the roaring fans with an amazing 27 point barrage that sent the game into overtime.

Farmington spoiled Northville's dramatic comeback with three quick baskets in the overtime period. The Colts connected on one of two free throw attempts.

Jim Patterson's stellar performance at forward in the final quarter pushed Northville into the overtime. He blistered the net with five floor shots and four free throws, after scoring two points in the first half and five in the third quarter.

St. Paul's Lutheran Church of Northville

## WHAT ARE YOU WORKING FOR?

What are you working for? Do you  
sometimes wonder? Were you dubious, as  
you entered the new year? Why are you  
struggling, working long hours, perhaps even  
holding down two jobs? Is it really worth-  
while?

## We are reading about a group of pion-

ers who want to settle in Alaska. Some of  
them have said that their purpose is to get  
more for their work, more lasting benefits.  
They expect rough sledding, hard work, lack  
of many conveniences. But in the end they  
feel that they will have more that is really  
THEIRS.

## Now, we can appreciate the noble amb-

ition that moves people to become frontiers-  
men. We shall always need true pioneers. And,  
naturally, we wish every success to the Alaska-  
bound families in their bold venture, which  
will undoubtedly be for the good of our coun-  
try. We may have entered the so-called space-  
age, but this does not change the fact that  
there are more than sufficient opportunities  
for doing good on this planet by developing  
virgin fields, by improving backward and  
poverty-stricken areas, and by showing good  
will to our fellow human beings.

## However, in one thing we must be clear

— Nothing will be really ours or eternally  
worthwhile, if we labor and struggle to the  
exclusion of spiritual benefits. Whether we  
clear brush and fell trees in Alaska or whether

## we work in a factory in Michigan, we must

ALLOW TIME for the things that are really  
lasting.

## Whether we hold the deed to 160 acres

or 160,000 acres, we know we will have to  
give it up after a very limited time. Yes, what  
is this short time in comparison with the  
hereafter? It is less than the minutest speck  
on the wall when compared with eternity.

## Working for material things alone is

not truly worthwhile. Who said so? None  
other than God Himself. Nothing will ever  
change the eternal wisdom contained in these  
words of Jesus: "Labor not for the meat which  
perisheth, but for that meat which endureth  
unto everlasting life, which the Son of man  
shall give unto you." (John 6:27).

## What is that meat which endureth unto

life everlasting? It is that spiritual food that  
Christ offers to us in His Word. Herein He  
tells us that He, the Son of God, became the  
Son of man, a human being, in order to suf-  
fer and die for our sins and thereby obtain  
for us eternal life.

## To labor for this food means to take time

to hear it and to read it. Through this Word  
God works faith in our hearts and thereby,  
without any merits of our own, gives us the  
promise of everlasting bliss — a possession  
that will never pass away, a homestead in  
heaven.

## Let us take time for the things that really

count.

## Chats with Parents

# Should Your Child Be Held Back

The mother of a fourth grader complains surprisingly that her son was promoted from the third grade last year over her protest. According to her account of the boy's problems, he has always had more than his fair share of trouble with learning to read and, consequently, with learning in general. The mother argues that the boy should have remained in the third grade until he learned to read as well as the average third grader, while the principle argument against it by his teacher was that staying with his age group would be better for his social development. The fact that the boy is taller than most boys in his regular group offers some support for the teacher's contention that he should not be held back in a group of still smaller children. His mother believes that the climate in his third grade would have been better for him in learning to read. The rather common practice of promoting pupils every year without regard for how well they are achieving has come in for criticism by some teachers and parents. But, on the other hand, so has the practice of holding them back a year. Dr. Willard Olson, nationally known authority on child growth and development, blames the disagreement about whether all children should be promoted to the next grade each year on the giving of school marks. He views the giving of marks according to how well the school thinks he is learning as creating unhealthy competition among children, even in cases where it is not solely responsible for whether or not a child is promoted. Educators are divided in opinion on this point, too. Those who favor giving marks and basing promotion on them hold

culty may be corrected by removing the cause. Poor eyesight, hearing, or generally bad physical or mental health may be an important cause of his difficulty. Teachers who are especially trained to help slow learners, or poor readers, are now employed in many schools. Helping a child catch up while staying with his own age group is a better way to solve the problem than is holding the child back in the same grade with smaller children. While the weight of evidence seems to be on the side of keeping a child with his age group, each case should be understood and then decided on the basis of its own merit.

# IN THE DEAD OF WINTER...

your clothes will have that same fresh outdoors smell, that everyone loves. Yes, an Automatic Gas Clothes Dryer will do this and more. Just set a dial and forget it! A few pennies a load is all it costs to dry your washing in the modern way. Your clothes will come out damp enough, ready to iron, or soft and fluffy, ready to fold and put away. Just think! No more basement or backyard mess. No more long hours spent doing one big washing. With an Automatic Dryer you can dry a load any time at your convenience. Washables last longer with gentle dryer care... look fresher and cleaner. Yes, modern women enjoy more hours of care-free time. You, too, will have more time for pleasure with an Automatic Gas Clothes Dryer.

# REGISTRATION NOTICE

## FOR BIENNIAL SPRING PRIMARY ELECTION

Monday, February 16th, 1959

To the Qualified Electors of the Township of Novi  
(Precinct No. 1-2) County of Oakland, State of  
Michigan

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

Notice Is Hereby Given That I Will Be At The  
NOVI TOWNSHIP HALL - 25850 Novi Rd.

Monday thru Friday - 9:00 A.M. to 5:00 P.M.

AND ON

MONDAY, JANUARY 19th, 1959 -- LAST DAY

The Thirtieth day preceding said Election

As provided by Section 498, Act No. 116, Public Acts of 1954  
From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.  
The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Hadley J. Bachert, Township Clerk

# Amendment to Zoning Ordinance of Northville Township

## AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE MICHIGAN

AN ORDINANCE ENACTED UNDER ACT 184, PUBLIC ACT OF 1943 OF THE STATE OF MICHIGAN, AS AMENDED, TO PROVIDE FOR THE ESTABLISHMENT OF ZONING DISTRICTS LYING WHOLLY WITHIN THE UNINCORPORATED PARTS OF THE TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN, WITHIN WHICH ZONING DISTRICTS THE USE OF LAND, NATURAL RESOURCES, AND STRUCTURES, INCLUDING TENTS AND TRAILER COACHES, THE HEIGHT, THE AREA, THE SIZE, AND THE LOCATION OF BUILDINGS HEREAFTER ERECTED, THE LIGHT AND VENTILATION OF SUCH BUILDING, THE AREA OF YARDS, COURTS AND OTHER OPEN SPACES, AND THE DENSITY OF POPULATION SHALL BE REGULATED: TO PROVIDE FURTHER FOR A METHOD OF ADMINISTRATION AND ENFORCEMENT OF ITS PROVISIONS AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS: TO PROVIDE FOR A BOARD OF APPEALS AND

## ITS POWERS AND DUTIES.

### THE TOWNSHIP OF NORTHVILLE ORDAINS:

PART I. That the Zoning Ordinance of the Township of Northville is hereby amended by amending Section 3.17 of Article III to read as follows:

Section 3.17 STREET FRONTAGE OF RESIDENCE LOTS. No lot in residence districts shall be used for a dwelling unless it abuts with a minimum accessible frontage of sixty (60) feet upon a street.

PART II. That the Zoning Ordinance of the Township of Northville is hereby amended by the addition of a new Article to appear and become known as Article VII-B R-4 MULTIPLE FAMILY RESIDENTIAL DISTRICTS, as follows:

### ARTICLE VII-B R-4 MULTIPLE FAMILY RESIDENTIAL DISTRICTS

Section 7B-01 USES PERMITTED. In all R-4 Districts no building or land, except as otherwise provided in this Ordinance, shall be erected or used, except for one or more of the following uses:

- All uses permitted in R-2 Districts.
- Single family terrace dwellings, attached row houses and efficiency apartments in groups of not more than sixteen (16) housekeeping units

in any one (1) building.

- Multiple dwelling and apartment houses.
- Boarding, rooming houses and tourist homes.
- Private clubs, fraternities and lodges, except those the chief activity of which is a service customarily carried on as a business.
- Hospitals, rest homes, homes for children, convalescent or the aged, sanitariums and clinics (not including animal clinics or hospitals).
- Institutions or a philanthropic or charitable nature.
- Private garages, either separated or in connected groups, having common unpierced dividing walls between contiguous private garages.

### 7B-02 HEIGHT OF BUILDINGS.

In R-4 Districts, no building, hereafter erected or altered, shall exceed thirty-five (35) feet or two and one-half (2½) stories in height, except as provided in Article XII of this Ordinance.

7B-03 R-2 USES. Any use permitted in R-2 Districts, boarding and rooming houses and tourist homes shall comply with the requirements as specified in Article VII.

7B-04 SINGLE FAMILY TERRACE DWELLINGS, ATTACHED ROW HOUSES, EFFICIENCY APARTMENTS, MULTIPLE DWELLINGS AND APARTMENTS. Single family terrace dwellings, attached row houses, efficiency apartments, multiple dwellings and apartments shall comply with the following requirements:

- Every main building, hereafter erected or structurally altered and used as a single family terrace dwelling, attached row house, efficiency apartment, multiple dwelling or apartment, shall provide a lot area of not less than four thousand (4,000) square feet for each dwelling unit with not more than one (1) bedroom and shall provide an additional five hundred (500) square feet for each additional bedroom, when said lot is not served by either a public water or a public sewerage system; shall provide a lot area of not less than three thousand (3,000) square feet for each dwelling unit with not more than one (1) bedroom and shall provide an additional five hundred (500) square feet for each additional bedroom when said lot is served by both a public water and a public sewerage system.
- Size of dwelling units shall comply with requirements of Section

3.09 of this Ordinance.  
3. Lot coverage, front yard, side yards and rear yard shall comply with the requirements of the R-2 District regulations.

7B-05 NON-RESIDENTIAL USES. Private clubs, fraternities and lodges, hospitals, rest homes, sanitariums, clinics and institutions of a philanthropic or charitable nature shall provide the following requirements:

- A front yard of not less than thirty-five (35) feet.
- Two (2) side yards, each such side yard shall not be less than thirty-five (35) feet in width.
- A rear yard of not less than fifty (50) feet.
- The principal building together with its accessory buildings, hereafter erected on any lot, shall not cover more than twenty-five (25%) of the area of such lot.

7B-06 OFF-STREET PARKING REQUIREMENTS. Off-street parking shall be provided as hereinbefore specified in Section 3.21 of this Ordinance.

PART III. That the Zoning Ordinance of the Township of Northville is hereby amended by amending the amended paragraph (f) of Section 10.01 of Article X to read as follows:

10.01 (f) Uses permitted in an R-4 District.

PART IV. That the Zoning Ordinance of the Township of Northville is hereby amended by the amending the Amended Zoning Map No. 5 attached hereto and made a part of this Ordinance.

PART V. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

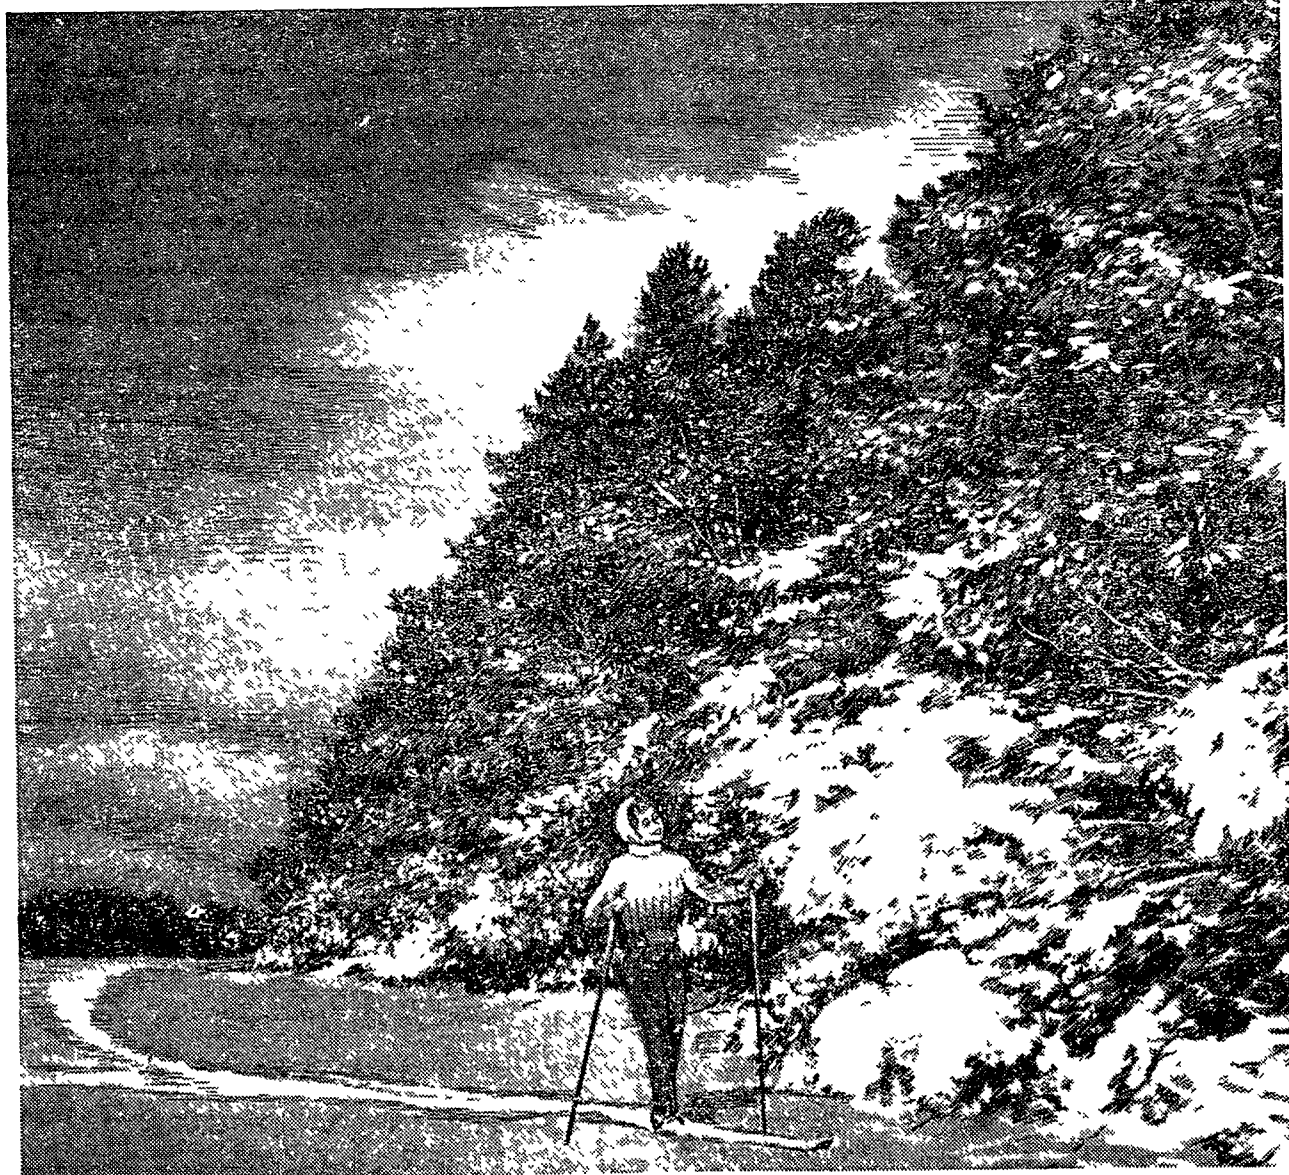

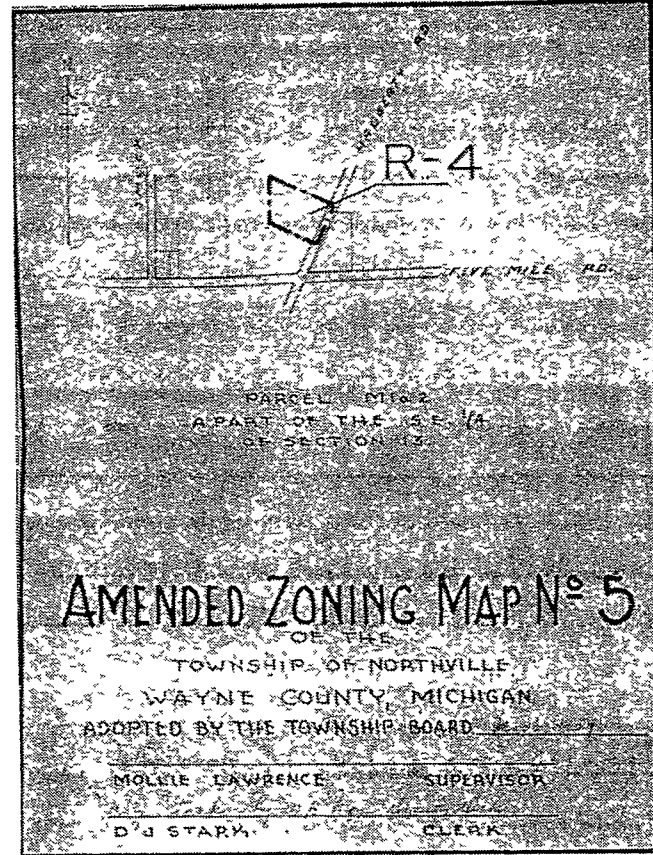

PART VI. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinances in conflict, herewith, are hereby repealed.

PART VII. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect thirty (30) days after final enactment and publication.

NORTHVILLE TOWNSHIP BOARD  
Mollie Lawrence, Supervisor  
Daniel J. Stark, Clerk

by Margaret H. Tegge, Deputy Clerk  
I, D. J. Stark, Clerk of the Township of Northville, do hereby certify that the above Ordinance was approved and adopted by the Northville Township Board at a regular meeting thereof, duly called and held on the 6th day of January A.D., 1959, and was ordered to be given publication in the manner prescribed by law.

Daniel J. Stark, Clerk  
by M. H. Tegge, Deputy Clerk

## OUT OF THE PAST

### ONE YEAR AGO . . .

William Noakes and his daughter, Barbara, two weeks, and Margaret, two, left for Vermont. Mrs. Noakes died in her sleep two weeks earlier, and although many Northville residents offered care for the girls during the day, their father felt they should be near their relatives back home.

Proceedings in the Warren Products-Northville annexation suit hit another snag. But Judge Clark J. Adams scheduled oral arguments from attorneys on Northville's request for dismissal.

A new city ordinance banning parking between the hours of 2 a.m. and 6 a.m. went into effect.

### FIVE YEARS AGO . . .

Progress finally caught up with that grand old American institution — the drug store soda fountain. Gussell's Drug store and Northville Drug revealed (without even ONE year) that they're taking out their soda fountains.

A cross section of Northville businessmen expressed cautious optimism concerning 1954 business prospects, all of them discounting widespread talk of a recession.

Northville school district voters were preparing to ballot on a \$300,000 bond issue to finance construction of a new elementary school.

Outside wall of the Northville community building was completed and roof framework nearly finished. The building was to be completed by the next spring.

### FIFTEEN YEARS AGO . . .

D. Harper Britton, Northville attorney, was appointed by the Northville township board to fill the unexpired term of Justice of the peace, left vacant by the resignation of Alton Peters.

Under the leadership of Mrs. Averill Green and her committee, the Blue Star Mothers, the "Gallants" and "E" Bond Fathers, the public schools and a number of volunteer sales people, were all set to launch the Fourth War Loan drive.

A. Russell Clarke, cashier, was added to the board at the annual election of the Depositors State Bank.

Dr. Wilbur Johnston, township and village health officer clamped down on the dog situation following an outbreak of rabies, and declared a quarantine throughout the township.

### TWENTY-FIVE YEARS AGO . . .

Dr. L. W. Snow, village president, was in Detroit presenting additional CWA projects to the Wayne County Emergency Relief commission for approval.

Mrs. Adaline Spalding Knapp opened her home on West Dunlap street for a silver tea, with proceeds going to the school cafeteria to help take care of the children who were receiving free lunches.

Rev. Kendal S. North, pastor of the First Baptist church of Northville, who filled the pulpit vacated by the Rev. W. Roscoe Barbour, delivered his first sermon in his new pastorate.

A complete new interior decoration project was underway at Ponsford's dry goods store, under the supervision of Mr. and Mrs. Maurice Lapham.

Jim Spagnuolo carried off the honors in the senior tournament card 500 group with a total of 14,710. Other winners included Mrs. Ward Masters, Mrs. Stewart Willis and Mrs. Orlow Owen.

## Military School Student Wins Football Award

Tom Bongiovanni, son of Mr. and Mrs. Tony Bongiovanni, 308 North Center, was awarded a junior varsity, reserve football letter at Kemper Military school, Boonville, Missouri, for outstanding performance on his team this season. Major J. E. Gould, director of athletics, announced this week.

Letter carriers' uniforms are a 50-50 blend of the Union Blue and Confederate Gray.

It takes 10 inches of snow to equal an inch of rain.

## Adult Education Program Registration Begins Monday

Registration begins Monday for the 63-course Recreation and Adult Education program announced by Herbert Woolweaver, Plymouth Recreation director.

The winter-semester program offers 13 new courses including two made possible by grants from the Ford Foundation. These grants were made in 20 cities offering adult education programs.

New 1959 folders outlining the courses are now available at the Northville library and Record office. Registration is from January 19 to 23 with classes beginning Monday, February 2.

Here is a list and brief description of the new courses:

**Algebra 1** taught by Bryan Bor-ing. This class is to help parents and others brush up on the subject.

**Charm and Personality** by Mrs. Jeannette Adams, with helpful hints for the fair sex.

**Oil Painting and Perspective Free Hand Drawing.** Mrs. Marion Sober will instruct the class in the fine art of drawing and coloring.

**Party Cooking.** Mrs. David Johnson. A must for all who plan to entertain.

**Piano and Organ.** Don Hanson will teach the fundamentals of playing.

**Chair Caning.** Mrs. Alma Hogle will show how to make a cane seat.

**Electronics.** Joe Sullivan (U-M), introduction to basic electricity.

**Interior Decorating.** Mrs. Richard Wheaton will show you how to change your home profitably.

**Shorthand.** Mrs. Gloria South, class for beginners.

**Effective Speech.** Mrs. Mae Beiter will instruct the class in the art of proper speaking.

**Lawn Care.** Andrew Beltroni, how to have that lawn beautiful and keep it that way.

**Psych. Human Relations 1.** Dr. A. W. Silvers, study of human behavior.

These are the courses day by day:

### Mondays

Algebra 1, Business Machines, Charm and Personality, Community Chorus, Golf, Home Repairs, Oil Painting and Perspective Free Hand Drawing, Party Cooking, Sewing (beginners), Symphony, Theater Guild, Typing (beginners), Upholstering, Welding.

### Tuesdays

Blueprint Reading, Bookkeeping, Cake Decorating (beginners and advanced), Ceramics, German, Great Books, Knitting, Piano and Organ, Sewing (advanced), Shop Math, Spanish (conversational).

### Wednesdays

Amateur Radio, Bridge (beginners), Bridge (advanced), Business English, Chair Caning, Creative Writing, Fiction: American Short Story, Driver Education, Electronics, Handwriting Analysis, Heart of the Home, Interior Decorating, Jewelry Making, Millinery, Shorthand (advanced), Shorthand (beginners), Square Dance, Swedish Gym.

### Thursdays

Ballroom Dancing, Ceramic Tiling, College Credit Courses, Dog Obedience, Effective Speech, Lawn Care, Philosophy, Psych. Human Relations 1, Rug Making, Square Dance Club, Stock Market, Silk Screening and Gift Wrapping, Typing (advanced).

## Officers Installed By Exchange Club

New officers whose terms will continue until July were installed by the Northville Exchange club last week.

Eugene King was re-elected to the office of president, while Charles Freydl, Jr., and Dempsey B. Ebert were named vice presidents. Merritt Meaker returned to office of secretary, Harold Bloom, treasurer, and Thomas Heslip was named sergeant-at-arms.

Fred Van Atta and Harle Johnson are board members at large. The club has decided to elect officers in July for a full year in the future. Previously, officers were changed twice a year.

## Registration Dates Set At Madonna College

Second semester registration for regular day students at Madonna college will take place Thursday, January 22. Classes will begin Tuesday, January 27 following the semester holiday from January 23-26.

Final examinations for courses taken during the first semester are scheduled for January 19-22.

CITY OF NORTHVILLE  
COUNTIES OF WAYNE and OAKLAND, MICHIGAN

# Notice of Registration

TAKE NOTICE that any qualified elector of the City of Northville, Counties of Wayne and Oakland, Michigan, who is not already registered, may register for the Special Election, (also for the Primary Election) to be held on the 16th day of February, 1959.

Registrations will be taken at the office of the City Clerk each working day until Monday, the 19th day of January, 1959.

THE LAST DAY FOR RECEIVING REGISTRATIONS will be Monday, the 19th day of January, 1959, on which day the said Clerk will be at his office between the hours of 8:00 o'clock a.m. and 8:00 o'clock p.m., Eastern Standard Time, for the purpose of receiving registrations of electors qualified to vote.

## PLYMOUTH GIVES YOU THE BIG DIFFERENCE

### BIG DIFFERENCE IN RIDE

Take Plymouth's TWO-MILE TRY-OUT—and see the Big Difference that Torsion-Aire Ride makes. As you'll quickly notice, there's no lean on turns, no nose-dive on stops. Such smoothness you have never known—and it's standard equipment on every Plymouth.

### BIG DIFFERENCE IN STYLE

No doubt about it, Plymouth's contemporary design is the handsomest new look for '59. Instead of going "overboard," Plymouth stylists aimed for modern good taste. Result: from rear Sport Deck to elegant grille, a car that looks expensive but isn't!

### BIG DIFFERENCE IN FEATURES

PLYMOUTH	CAR "C"	CAR "F"
Torsion-bar front suspension	✓	
Total-Contact Brakes	✓	
Electric windshield wipers	✓	✓
Most driver headroom	✓	
Most driver legroom	✓	
Greatest trunk capacity	✓	
Long-life baked enamel	✓	✓
OPTIONAL EQUIPMENT		
Swivel Seats	✓	
Rear Sport Deck styling	✓	
Push-Button transmission	✓	
Push-Button heating	✓	
Biggest engine	✓	

### BUT— YOU DON'T PAY FOR THE DIFFERENCE!

That's because all three top-selling low-price cars are priced within a few dollars of each other. They all cost just about the same, as any Plymouth salesman can prove to you. Yet only the '59 Plymouth gives you the Big Difference in ride, style, and features.

Take the "Two-Mile Try-Out" at your dealer's and see Plymouth's Big Difference

You'll agree today's best buy...tomorrow's best trade...is *Plymouth*

## Northville Council Proceedings

A regular meeting of the Northville City Council was held at City Hall Monday Eve., Jan. 5th, 1959, at 8:00 p.m.

Present: Mayor Allen, Councilmen Canterbury, Reed, Stubenvoll and Welch.

Minutes of last regular meeting read and approved.

Following bills were presented for payment:

Other Government Fund, Trans. of School Taxes \$30,000.00 General Fund \$15,242.97 Water Fund \$ 5,537.78

It was moved by Reed, supported by Welch that these bills be allowed and paid. Carried.

Itemized bill was received from J. W. Wolfston for appraisal of Green Valley Acres property amounting to \$400.00. Moved by Reed, supported by Canterbury, that this bill be paid. Carried.

Applications of Ernest Seaman, for three taxicab licenses were presented. Moved by Welch, supported by Reed, that these licenses be issued. Carried.

An ordinance relating to the Parking of Motor Vehicles all night on certain city streets, prepared by Atty. Ogilvie, was presented. This ordinance makes it unlawful for any person to park motor vehicles within any of the following designated areas between the hours of 3:00 a.m. and 5:30 a.m.

On W. Main St. (both sides) from Linden to Center Sts.

On E. Main (both sides) from Center St. to Park Place.

On Hutton St. (both sides) from E. Main to Dunlap Sts.

On N. Center St. (both sides) from Dunlap to Main Sts.

On S. Center St. (both sides) from Main to Cady Sts.

On S. Wing St. (west side) from Main to Cady Sts.

On S. Wing St. (east side) 200 ft. running south from Main St.

This being an emergency ordinance deemed to be immediately necessary for the preservation of the public health and safety, it is hereby ordered and ordained that same shall become effective immediately upon its passage, Jan. 19th, 1959. Moved by Stubenvoll, supported by Welch, that this ordinance be adopted, as presented. Carried.

The D&R Bldg. Co. submitted a bill for the City's share of the development of Novi Ave. amounting to \$13,916.99. Moved by Canterbury, supported by Reed, that the bill be paid, less the following deductions: \$800.00 determined by Mr. Penn and the City Manager as not owed by the City; engineering fee, and less inspection fees which the D&R Bldg. Co. owes to the City. Carried.

At the suggestion of Councilman Canterbury, a meeting was scheduled for Thurs. Eve., Jan. 8th, 1959, to appoint a committee to publicize the Water Bond issue.

A layout for the lighting of streets in the Yerkes Estates Sub. No. 1 was presented, and same was approved.

## Ice Fishing Catches Better This Year

With winter underway, shanty and tip-up communities are again flourishing on hundreds of inland Michigan lakes, including those in the Northville-Novl area.

Catches for the hook and line angler include perch, blue gills, speckled bass, and pike.

Spearing for pike and some other fish reaches its peak of activity during the February 1-28 sturgeon season on non-trout inland waters.

According to Howard Johnson, conservation officer for southwest Oakland county, early fishing reports indicate catches are up over last year figures. The 1957-58 season, he said, was a "very poor one, so any improvement would be welcomed."

Citizens of the transient shanty villages personify the most hardy outdoor sect.

Many forego the comforts of shelters to fish in the open. For this group, is the popular tip-up.

Tip-ups vary in design from homemade contraptions that tilt vertically when a fish pulls the line to intricate spring devices which hoist a red flag when a striking fish releases the trigger.

Shanties are standard equipment and are becoming more popular for those who mix outdoor activity with a few indoor comforts and conveniences. Often referred to as "dark houses", these shelters range from simple temporary types to more permanent and elaborately equipped ones.

proved by the City Council.

Mgr. Robertson reported that an increase in sewer rates from Wayne Co. would be effective April 1st, 1959. The rate to be charged by Wayne Co. will be 11½¢ per thousand gallons of water consumed. This is a 6½¢ increase over the present rate.

The City Manager was instructed to communicate with the Wayne Co. Road Commission regarding the connection of the 1000 ft. of property which is now in the City beyond Taft Rd. to the Wayne Co. Interceptor Sewer.

Moved by Canterbury, supported by Allen, that a resolution be adopted designating Manufacturers National Bank of Detroit as depository for the City of Northville in handling the escrow account for the \$13,000 received from Northville Downs. Carried.

Mgr. Robertson, Councilman Reed and Supt. Hartner are to make an extensive report on the future use of the spring line from Bernhard Spring.

Moved by Stubenvoll, supported by Reed, that \$132.14 be refunded to the Detroit Edison Co. for the reduction of personal taxes as directed by the State Tax Commission. Carried.

The City Council discussed the report of the Michigan Citizens Tax Study committee regarding its effect on communities where race tracks are located.

In accordance with action taken in surrounding communities, a resolution was introduced by Mgr. Robertson raising the registration fee for reciprocal electrical contractors licenses from \$1.00 to \$5.00 per year, and that the fee for Journeyman's license be raised from \$1.00 to \$2.00 per year. Moved by Welch, supported by Stubenvoll, that this resolution be adopted. Carried.

A hearing will be held Thursday, Jan. 15th, 1959, at 8:00 P.M. at the City Hall on the appeal of Lewis Clark and Roy Utley opposing their retirement on Jan. 16th, 1959.

Mgr. Robertson was instructed to draft a resolution recognizing the special work done by the Public Works Dept.

No further business appearing, meeting was adjourned.

Mary Alexander, City Clerk

## SPEAKING for the Record

by BILL SLIGER

In the next few weeks before February 16 Northville residents will be hearing a lot about the \$300,000 water improvement program.

While only property owners can decide the fate of the proposed bond issue, the program should be important to everyone who uses and pays for water in Northville.

Because the proposed improvements will be financed by revenues of the system, the user is therefore already paying at a rate to provide a better system.

A favorable vote merely guarantees the privilege of enjoying the improvements.

In other words, if the bond issue fails, the taxpayer will not save a penny. If it passes, he will not pay one extra cent for a better water system. Either way, water rates remain unchanged.

Nearly everyone who has had any association with the proposed program at all favors the plan. We say "nearly" because Sidney Frid, a former village councilman and frequent visitor at council meetings, has taken issue with the program.

Frid is apparently unconvinced that: (A) the water will be improved by the plan; and (B) that the program can be financed without placing additional burdens on the taxpayer.

Like the water consultants, bonding and financing experts, the city council, manager and engineer, we disagree with Frid.

But we also hail his interest and prodding of the council. If this program is so all-fired good for the city, then it is up to the council — every single member who unanimously approved the program — to prove it to the taxpayers.

What this community — and all others — needs is more Sid Frids to keep it alert and aware of all sides of an issue. He has shown constant interest in his community and how his tax dollar is spent. Off hand, we can't think of another single resident who has even closely approached Frid's attendance at council meetings.

Unfortunately, Frid is more frequently opposed to community improvements than in favor of them.

And this time, we believe his opposition to the February 16 bond issue vote can cost the taxpayers thousands of dollars in addition to a completely revitalized water system.

For whether the voters — who must by a 60 percent majority of the property owners approve the issue — support the program or not, the city is committed to carry out at least a portion of the plan.

This may be done by a revenue bond issue — not requiring voters' approval — but carrying a higher interest rate and allowing much less money to be borrowed.

The Record intends to support this measure wholeheartedly. We also intend to publish every objection that Frid — or any other taxpayer — cares to bring forth.

Despite the negative reaction currently associated with the term "bond issue", we believe that the city's water improvement program can win heavy, one-sided support if all the information surrounding the plan and its financing is presented to the public.

## Roger Babson

### Inside South Africa

Babson Park, Mass. So many readers of my column have written to me questions about South Africa, that I have selected 16 of the most important and am answering them here.

(1) POPULATION. The population of Africa is estimated at 135 million. Of this total, about 5 million are Mulattos, about 3 million English and other Europeans, and about 2 million Dutch, known as Afrikaanders. This leaves about 125 million Blacks, which speak nearly 200 different languages. This language barrier prevents the Communists from now getting any hold in Africa.

(2) COST OF LIVING. This is high for all groups. Black labor is very cheap, but it is very inefficient. Most articles, textiles, etc., are imported.

(3) LARGE RETAIL STORES. These are very attractive and well stocked, equal to the best in any American city of similar size. There are probably too many small retailers. The merchants are mostly Jewish, Malayan and English.

(4) BUILDING. The Blacks live in thatched-roof mud huts, while most of the white-collar people live in very attractive four-story apartments built of brick tile covered with cement.

(5) HOTELS, CHURCHES AND CLUBS. These are the same as in any American city of similar size, but much more segregated as to race and inheritance.

(6) FARM LAND. This is very high priced, at \$500 an acre and upward, and can be equalled at \$100 an acre in the United States. This high price is due to the fact that agricultural land lies only in the small valleys between the highlands and mountains.

(7) WEATHER. South Africa has its hottest months in January and February; and its coldest in July and August, with practically no freezes except in the highlands. South Africa is fast becoming a winter resort for Europeans.

(8) RAINFALL. Long periods of drought are followed by terrible floods. Someday the floods will be controlled, but not yet. The weather is fine for citrus, with no freezes and much sunshine. Drought is overcome by irrigation.

(9) BANKS. There are several local banks scattered throughout Africa; but South Africa has only four. Each of these banks has hundreds of branches. I like Barclays

Bank the best, but all are equally good. Banks pay 4% percent interest on deposits; bank stocks yield about 9 percent to stockholders. I believe these bank stocks offer the greatest opportunity for growth of any in the world.

(10) LARGE CITIES. There are only a few large cities in Africa; but all are having a marvelous growth. Forty-five years ago Johannesburg had only a thousand people, all living in tents. Today the population of this city is over 600,000, and there are dozens of skyscrapers. My favorite cities are Cape Town, Durban and Salisbury.

(11) FISHERIES. These are very prosperous, and mostly on the Southwest Coast. Frozen fish and so-called "lobster tails" (crayfish) come into the United States free of duty; but a 45 percent import duty must be paid on canned fish.

(12) LOCAL INVESTMENTS. When the South African people sell out their mining stocks, they use the profit to build apartment houses for rent. They believe that acreage, business blocks, and apartment houses are the best hedges against inflation.

(13) HIGHWAYS. These are wide and well tarred. Most white-collar workers have automobiles, which are mainly American-made. No oil of commercial grade is now found in Africa. Soft coal exists in great quantities. This is being distilled, and the distillate is being used for gasoline for autos and trucks; the residue is used for tarring the highways.

(14) MINERALS. My reason for visiting Africa was to investigate the diamond, gold, chrome and copper mines. I was interested only in the richest and longest-lived mines, of which there are not too many. I especially like those whose stocks can be bought by the purchase of American Depositary Receipts and that are listed on the New York Stock Exchange. Too many African mines are short-lived and very speculative.

(15) WATER POWER. Africa leads all continents in undeveloped water power. Three of these possibilities are now being developed. I am especially enthused about the one at the Kariba Gorge on the Zambezi river. This will be three times the size of our Hoover Dam, and has the world's largest man-made lake to supply water in the dry seasons. It will supply power to the copper mines.

## Michigan Mirror

### 'Problems, Problems' Top Legislature Tune

UNPARALLELED challenges face G. Mennen Williams, his all-Democratic administration and half-Democratic legislature in 1959, the most difficult since Michigan became a state 112 years ago. Michigan is broke and faces a \$100,000,000 deficit as the legislature convenes.

During a decade in office, Williams has asked for more money to expand virtually all services.

The problem has not been a simple one for Williams or his political opponents.

Williams on one side is pushing for more services to accommodate the state's booming population. Republicans, on the other hand, are trying to perform services within the framework of available funds.

Williams, in effect, says it is impossible without more revenue. Republicans partially agree, but say some frills of government can be eliminated and the money diverted to the necessities.

DEMOCRATS won an even 55-55 split in the House of Representatives last November 4, and there lies the problem for the party.

Everything accomplished or not accomplished by the House will now be half the responsibility of each party. The situation leaves Republican politicians rejoicing, in a "sour grapes" sort of way.

The proposed income tax program logically will start in the House, since a House-sponsored study committee is making the proposal after two years of research. Because that is the case, the Senate must wait on the House before moving ahead on appropriations. The key to the 1959 session, thus, is the House.

There are really critical needs in higher education, public health, mental health and public welfare, where a deficit of up to \$15,000,000 will exist next June 30.

Prisons are overcrowded. The new medium security institution at Ionia is half-complete, with no further appropriation in sight to make it a model of correctional endeavor.

Williams has remained silent on how to pay for the necessary increases in spending.

In the past, he has pushed hard for a corporation profits tax, but without success. Last year he urged a boost in the intangibles levy until it was noted that thousands of private bank accounts would be affected.

He has refused to go on record for or against the new income tax proposal, though it is obvious that influential Democrats in the legislature are opposed to it.

Another controversy revolves around this point.

Williams takes the constitutional view that the legislature must raise enough money to cover the cost of government by some means at its disposal. This, of course, means taxes someone must pay.

The legislature reasons that an administrator, Gov. Williams, must

not only go into detail about the needs of the state, but recommend plausible means to pay for them.

Williams advanced the corporation profits tax until Republicans came up with the idea that high taxes in Michigan are driving business out of the state.

His intangibles tax idea was borrowed from a preliminary report of the Republican legislative study committee.

Michigan's financial structure makes it a state subject to crises. When the state levies a tax, local governments contend that they are eligible for a share of its yield. In too many cases, funds are earmarked for specific uses so the legislature has little control of money spent.

That's why, for instance, the state gets only a small share of the sales tax. The school system gets two of the three percent, a half percent goes to the state and the other half percent goes to cities, townships and villages. Each governmental unit gets its percentage regardless of need.

A similar situation affects most of the tax plans in effect in the state.

The whole picture presents a challenge to Williams and his Democratic administration.

Major responsibility has shifted, by the vote of the people in the last election, to Democrats. The last hold Republicans have is in the Senate, where they have a 24 to 12 majority. This gives them an important "veto" power. Legislation must now be passed in the House, where there is an even party split; passed in the Senate, which is Republican controlled; not vetoed by the Democratic Governor.

### The standard of the world in Magnificence

Magnificent in bearing and in stature... magnificent in luxury and elegance of appointments... magnificent in performance and ease of handling—the Cadillac for 1959 is without precedent even among Cadillacs of the past. And we are certain you will approve our opinion—once you have inspected and driven it for yourself. Your dealer invites you to do so at your first opportunity.

*Cadillac*
