The bride's attendants were all attired in blue velvet frocks. They each carried bouquets of Fuji chrysanthemums, the maid of honor's distinguished by an orchid center.

Dick chose Douglas Lorenz for his best man.

Ushers were John Hosmer, Jr. of Medford, Massachusetts; Tom Galardi of Detroit, Jack Larson of Lansing and Jack Porter of Plymouth.

For her daughter's wedding Mrs. Millington wore a blue crepe dress and pinned on a corsage of pink roses.

77 Friends Surprise Orson Atchinsons

It's nice to have friends. A 25th wedding anniversary might be rather lonesome without them.

The Orson Atchinsons of 550 Orchard drive discovered this last Saturday evening.

Planning a "quiet evening out", the Atchinsons were greeted by a surprise party of 77 friends as they entered Del Monico's in Livonia.

Dinner and dancing followed and plenty of opportunity for the Atchinsons to reminisce of years past and happy occasions with many of the friends who shared the years with them.

Special guests were the Atchinsons' son, Roger, and Sharon Hensch and Mr. and Mrs. Earl West of Plymouth, who were best man and matron of honor at the Atchinsons' wedding.

Guests from out of town included Mr. and Mrs. Jack Dickinson of Birmingham, Mr. and Mrs. Paul Hendricks of Whitmore Lake, Mr. and Mrs. Edwin Schrader and Mrs. Arthur Johnson of Plymouth.

The party was planned by Mrs. Hugh Godfrey, Mrs. Marshall Huff and Mrs. George Miller of Northville and Mrs. Norman Atchinson of Plymouth.

King's Daughters to Meet

Northville King's Daughters will have a business meeting Tuesday, February 3 at the home of Mrs. William Cansfield, 404 West Dunlap. The meeting will begin at 2 p.m.

Merle Clarke of Sault St. Marie stopped for a week end visit with his brother and family, the Russell Clarks of Fairbrook street on his way to Japan.

SURPRISED — Mr. and Mrs. Orson Atchinson were expecting a quiet celebration of their 25th wedding anniversary last Saturday evening. They were greeted by 77 friends as they entered Del Monico's in Livonia. In the foreground a "money tree" stems from the anniversary cake.

Loraine Darling Weds Harold Fitzpatrick At Northville First Presbyterian Church

Some 200 relatives and friends attended the wedding of Loraine Darling to Harold Fitzpatrick January 10 at the Northville First Presbyterian church.

The Rev. John O. Taxis officiated at the afternoon ceremony.

Loraine is the daughter of Mr. and Mrs. Floyd Darling of Novi and the groom is the son of Mr. and Mrs. William E. Fitzpatrick of Livonia.

The bride wore a floor-length traditional gown, with a full satin underskirt and a tiered overskirt of ruffled lace featuring a high neck and long sleeves. Her fingertip veil was secured by a cap embroidered with seed pearls. She carried a bouquet of white Madonna lilies and red sweetheart rose buds.

Maid of honor, Ann O'Leary of Northville, wore a blue ballerina-length taffeta dress with lace inserts and carried a bouquet of white and blue carnations.

Bridesmaid Claudette Greenlee of Plymouth wore a matching-style dress in pink and carried pink and white carnations.

Their identically fashioned headpieces matched their dresses.

Harold chose his brother, Roger, for best man. Ushers were Tom Darling, brother of the bride, and Jack Leavenworth.

For her daughter's wedding Mrs. Darling selected a dress of grey lace over rose satin. She pinned on a pink corsage. Mrs. Fitzpatrick wore an aqua gown and black accessories with a pink corsage.

After a reception attended by 200 guests, including friends and relatives from Howell, Brighton, Wall Lake, Plymouth, Whitmore Lake, Northville, Royal Oak, Detroit and Texas, the newlyweds left for a Florida honeymoon.

For traveling the bride wore a white knit suit and avocado green accessories.

They will make their home in Livonia where Harold operates his own excavating business.

Loraine is employed by Burroughs corporation.

PORTRAIT WITHOUT "HAPPY" — Genial as they are, there's still a little friendliness missing from this picture of the George Browns, in the form of the family's neighborly black and white pooch, "Happy". She was temporarily banished to the kitchen after losing a bout with winter slush. The Browns are (left to right) Mrs. Brown, Mikey, Mr. Brown and Patty.

Anthropologist To Speak Before Mothers' Club

Professor of Anthropology at the University of Michigan, Dr. Leslie White, will be guest speaker at the "guest day" meeting of the Northville Mothers' club next Monday, January 26.

The meeting, beginning at 8 p.m., will be held in the home of Mrs. Wayne Wilcox of Seven Mile road. Dr. White attended Louisiana State university, Columbia university, the University of California and the University of Dijon in Dijon, France.

Before coming to the University of Michigan, he was an instructor at the University of Buffalo and curator of anthropology at the Buffalo museum of science.

He was raised to the position of full professor at the University of Michigan in 1943.

Dr. White has published numerous articles in professional journals and has done ethnological field work at Pueblo sites in New Mexico.

Chairman of the evening program is Mrs. Robert Yoder.

Art Club Elects 1959 Officers

New officers were elected at the January meeting of the Three Cities Art club held in the home of Mrs. Betty Spaeth last week.

President for the coming year is Mrs. Marjorie Becker; vice president, Mrs. Jessie Hudson; recording secretary, Mrs. Lindeen Smedke; corresponding secretary, Jack Simonum, and treasurer, Mrs. Mable Bacon.

Plans were also reviewed for the club's annual outdoor exhibit and for the Plymouth Symphony, Drama club and Northville and Plymouth library exhibits.

Club member Jack Van Haren will present a one-man show at the next Plymouth Symphony concert January 25.

Van Haren has exhibited at Artists' Market, Gallery 4, the Michigan Watercolor show and has won awards in Indiana. He is also a potter and does silver work.

October arrivals in Northville Heights are Mr. and Mrs. George Brown, Jr., their children, Michael George (alias Mikey) and Patricia Anne (Patty) and dog, "Happy" — true to her name.

Both Mikey and Patty have also had the pleasure of celebrating birthdays in their new home. Michael was four this December and Patricia just turned one year old this month.

This is the first time the Browns, ex-Detroiters, have lived in Northville. Mrs. Brown originally comes from Massachusetts.

The family attends Our Lady of Victory church, and Mr. Brown is employed by Burroughs corporation here.

Legion Auxiliary Plan Rummage Sale

The American Legion ladies auxiliary will sponsor a rummage sale February 12 and 13 at the Legion hall.

Proceeds will go for operating expenses of the auxiliary.

Chairman Mrs. Oscar Hammond announced this week that public donations of sale articles will be accepted and may be left at the Legion hall on Dunlap street.

Family Concert Will Please Youngsters

A concert designed to appeal especially to children will be presented by the Plymouth Symphony in its "Family Concert" program next Sunday afternoon.

Not only have the musical selections been chosen for their special interest to young listeners, but three area youth symphonies will also be featured in one number.

Music for the first half includes: Symphony No. 101 in D Major "The Clock", 1st and 2nd Movements

Symphony No. 8 Haydn
2nd Movement Beethoven
In a Clock Store Orth
Danse Macabre Saint-Saens

All these pieces are inspired by clocks or have a repetitive pattern. Some 44 youngsters from Plymouth, Milford and Livonia will later perform Mozart's Symphony D Major, No. 6.

The final work on the program, "La Boutique Fantasque" by Berlioz, story of the action in a fantastic toy shop will be accompanied by cartoon illustrations sketched on stage by Plymouth art teacher, Stanley Hench, and narrated by Joanne Hulce.

The combined junior orchestra, playing a regular concert score, will be appearing before a "live audience" for the first time.

Their separate community groups were all formed at about the same time, roughly three years ago, and are under various sponsorships.

The Milford high school orchestra, directed by Paul G. Miller, Jr. is part of the school music curriculum.

The Livonia Youth Symphony, under Bentley high school music instructor, William Savola, is sponsored by parents of the members.

The Plymouth Junior Symphony, directed by Miss Bettie Norman, is sponsored jointly by the parent symphony and the school district. As at previous concerts, a supervised nursery is provided for young children, in room 15, for a charge of 15 cents per child.

Since the "Family Concert" has proved to be very popular, families holding memberships in the Plymouth Symphony Society are urged to make their reservations early for seats by calling Mrs. James Randall, GL-3-1826, by Saturday.

The program, to be held in the Plymouth high school gym, will begin at 4 p.m.

P-TA to Ask Legislature For Funds

Bring a sharp pencil if you plan to attend the P-TA meeting tonight.

Two important writing tasks are scheduled.

A representative of the Michigan office of public instruction will distribute opinionnaires to be filled in during the business meeting.

The forms have been developed for a state-wide study of financing, educational program and teaching staff of Michigan schools by parent-teacher organizations.

Also, Legislative Chairman Mrs. Don Fowler announced that those present at the meeting will be asked to write letters to the Michigan Legislature, urging alleviation of the present shortage of school funds and to work out a long-range "stable school tax structure".

Superintendent Russell Amerman will explain the situation facing Northville schools brought about by delinquent state aid.

Paper will be provided for the letters, but members and guests are reminded to bring their own pens.

The meeting, to be held in the community building, will begin at 8 p.m.

Refreshments will be served following the meeting.

Little Steven Wiley, son of Mr. and Mrs. James Wiley of Eight Mile road, born December 30, underwent surgery last Wednesday at University hospital in Ann Arbor.

INSTALLATION — New officers of Novi Rebekahs formally assumed their posts at the annual installation ceremonies held in the Novi 100F hall Saturday night. Participating (left to right) Mrs. Pearl Tamm, treasurer for 1959 Mrs. Sharon Pelchat, financial secretary; Mrs. Laree Bell, outgoing noble grand; Mrs. Gertrude Enders, newly-elected noble grand; Mrs. Gladys Tremper, vice noble grand, and Mrs. Frances Curtis, secretary.

Metropolitan Art Guild To Hear Talk on Weaving

The Metropolitan Creative Art Guild will meet at 1 p.m. next Monday, January 26 at the home of Mrs. Virgie Rumon, 16854 Rougeway, Livonia.

The program, conducted by Mrs. Rumon, will be on weaving.

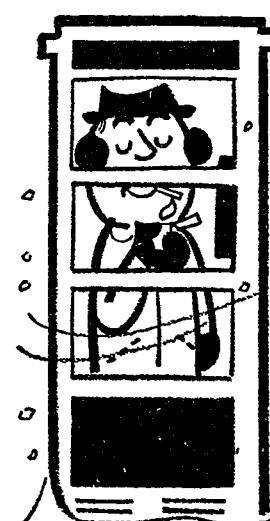

A meeting of the board will precede the program at 12:30.

Suzan Wright, 13 month old daughter of Mr. and Mrs. Howard Wright of Carpenter street, returned home last Thursday from University hospital after a 10-day serious illness of spinal meningitis. She is recovering nicely.

MICHIGAN BELL

ALEXANDER GRAHAM BELL was deeply interested in the hard-of-hearing. And so is the company that bears his name. That's why we're so pleased that a telephone company invention, the transistor, has had such a beneficial effect in the manufacture of hearing aids. For the same reason, we don't charge the hard-of-hearing for the installation of special phones. And, to make quite sure that an instrument really does make a customer's telephoning pleasant and easy, we allow a free trial period before we charge the normal monthly rental.

NEW USE FOR FAMILIAR OBJECT.

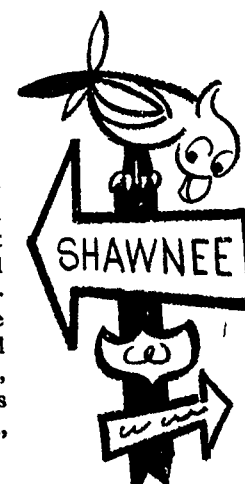

The day was chill and windy. The man on the street tried, four times, to light his cigarette . . . no luck. Then he noticed a public phone booth a few yards away. He stepped inside, shut the door and achieved success with his next attempt. Then he went his way — and we like to think that he carried with him some small feeling of gratitude to the Michigan Bell Telephone Company, for placing at his disposal a really storm-proof cigarette lighter.

CORDS GET PERMANENTS.

"Spring" type telephone cords — the kind that can't twist and catch on things — eventually lose their neat tight curls, just like a lady's hair. When this happens, they're not thrown away. Like a lady's hair they get a permanent wave. (They get it when the telephones come in for repair.) Around one million cords get the full beauty treatment each year — washing, rewinding and heat setting. \$400,000 is saved by this annually. It helps keep down telephone costs.

THE FOLLOWING STORY is

vouched for by a highly respected newspaper. A parakeet, name of Jerry, flew away from home and didn't stop until he reached Shawnee, Kan., thirteen miles as a parakeet flies. The man who found him was wondering what to do next when Jerry chirped up loud and clear: "Call Mary . . . Jackson 3-4312." The man, more from idle curiosity than anything else, dialed the said number. Believe it or not, but the person who answered was none other than Mrs. Mary Neal, Jerry's worried owner.

"What Gets Your Attention Gets YOU"

A million voices clamor for attention. The headlines tell of the latest involvement of nations and races. New nations shout for recognition and react noisily against imperialism or the status quo. Ancient creeds revive to bid for the religious mind of man. New and siren voices promise the rainbow and the gold at the end of it to those who have been shackled by sickness, poverty, illiteracy, and hopelessness. Our attention is trained upon a satellite orbiting the sun and there is clamor that we keep up the pace.

In addition to these voices that strike our minds and hearts, there are day-to-day involvements — a living to make, children to bring up, house payments to meet, house-hold chores to do, gadgets to keep in repair.

You say, "If what gets my attention gets me, it's no wonder that I'm being pulled

apart. There are too many things that demand my attention. I can't escape them."

No person can escape this complicated world. We are in it. But there is One around whom life can be organized. Jesus Christ. If the ear by which we hear the multitudinous voices of our times be attuned to hear the voice of our Lord, and if the focus of our attention be on him, Christians will find the key to personal and group living. Jesus said, "I am the way, the truth, and the life." Countless millions have found it so.

Churches should claim our attention not as the accepted part of the pattern of community life but rather as the fellowship of people whose central attention is fixed upon Christ. The Christian religion is not here to make life more complicated. It is here to bring coherence and to lift the level of life to the place where Christ's life and spirit stands.

Chats with Parents

Your Child in Stages

The usual way experts in child growth and development talk about stages of development in children, especially when they describe each as if it were in no way related to other similar stages, prompted a grandmother to write us some thoughtful comments about these stages of development. She recalls that when her children were growing up, about the only stages of development she ever heard of were those described by the terms, "baby, child, adolescent and grown." "What," she asks, "is the good of a dozen others we hear and read about now?"

Child development authorities have descriptive terms which they apply to children at various stages of their growth which are mean-
ingful to them and may be quite use-
ful to parents if they use them to try
to learn and understand their
child's needs and characteristics at
each stage of his development. The
growing child is too complex to
describe in full here, but perhaps
the importance of knowing when he
develops certain characteristics
might be touched on here enough
to be helpful to some parents.

The child's motor characteristics
— learning to toddle, walk, and then
run — will serve as a useful exam-
ple of the stages by which he de-
velops. By age 15 months or so,
most children are able to move
about unsteadily on their feet, and
straining at their mother's hands as
they do shows a desire to improve,
to experiment, to get around to
more places faster. By about age
two the child has learned to walk
somewhat more steadily, but when
he runs it is a stiff-legged, head-
long kind of forward motion and
any attempt to run around a cor-
ner, or even slow down, is likely
to result in a fall. This development
in locomotion continues to increase
and refine until the child grows into
the middle teens or beyond, with
each child and other growth and
development characteristics.

This apparent development in lo-
comotion is going on at the same
time in other of the child's quali-
ties, his mental equipment, emo-
tional habits and control, his spir-
itual formation, and in many other
phases of his personality. It is this

development of so many sides of
his personality and character at the
same time that make the process
difficult for parents to follow and
understand.

A knowledge of child development
and the approximate time, or stage,
various phases occur may often
help parents to see that the child
develops more rapidly. To know
that the two-year-old passes through
a stage of saying "no" to every
adult suggestion, to realize that the
rough, tumble and boisterous be-
havior of the eight-year-old and his
rapidly developing interest in boys
of his own age, to be aware that a
complete lack of interest in girls at
his age and a pronounced interest
in them a half-dozen years later are
usual and healthful characteristics
may reduce the concern of some
parents for fear that he isn't like
other boys of his age.

The stage which is most trying
for parents is the so-called "teen-
age" time, early adolescence, when
both boys and girls launch their
first big drive to become independ-
ent of the controls and opinions of
parents. Accompanied by a new
lack of responsibility toward house-
hold responsibilities, sprawling pos-
ture at the table or telephone, dis-
regard of the interests of other
family members, and a variety of
other new and exasperating behav-
ior, parents sometimes find it dif-
ficult to either cope with or pleas-
antly tolerate this period of devel-
opment. To recognize this period
as another passing stage in their
normal development usually makes
parents more tolerable of it. Though
a difficult stage of development for
the adolescent and the parents, it
is one in which the boy or girl needs
patience and understanding per-
haps more than at any other time
in their lives. Parents may take
some comfort that each successive
stage of development comes only
once in the child's life.

Brighton Shows Little Mercy

Mustangs Bitten By Bulldogs, 75-61

Demonstrating basketball teamwork, Brighton's league leading quintet had little difficulty Friday bowling over Northville 75-61.

In winning the one-sided contest, the Bulldogs pushed Northville deeper into the Wayne-Oakland cellar, while securing their own 'number one' position.

The sharpshooting Brighton cagers, 'dark horses' at the outset of the season, now stand alone at the top of the league with a 4-0 mark.

While Brighton was crushing Northville, Clarkston's 1957-58 championship squad was bowing to Holly. The loss forced the Wolves, who were favorites to win the title again this season, into a third place tie with West Bloomfield. Both teams have 2-2 records.

Meanwhile, Holly moved into a tie for second place with Clarenceville's cagers who knocked off the Lakers.

Tied with Milford for fourth place — just ahead of Bloomfield Hills — the Mustangs will clash with the Redskins Friday on the opponent's court.

Saturday night at the community building, Northville will face Willow Run for the second time this season. In the earlier non-league meet, the Flyers handed Northville its first loss of the season in a 71-49 scoring spree.

Northville's title hopes, shattered two weeks ago when the Mustangs dropped their second league game to Holly, appear dead after the latest loss.

The local squad is scheduled to play Brighton in only the one game. Clarenceville and Clarkston also play Northville only once. Holly will meet Northville in a second contest February 13 — but the Broncos will play host on their own court.

Coach Stan Johnston is sticking to his earlier prediction that the league winner will have to have a 9 and 1 record or at least an 8-2. Since Northville already has three losses, even a share of the crown may be out of reach.

The Mustang's inability to control the boards since the injury of their star center, Jeff Goodrich, has cost Northville many game winning points, Johnston explained. And Goodrich's severe ankle sprain is expected to keep him out of the lineup for most of the remaining games, he pointed out.

Cast as "league spoilers" after the Holly loss, the Mustangs fell down in the new role Friday. Purportedly "up" for the Brighton game, Northville's cagers grabbed an early 10-0 lead and then settled back as the Bulldogs took the reins.

Brighton failed to score a point in the first four minutes of play, but pumped in nine points in the next two minutes.

The Mustangs managed to hang on to their first quarter, 17-13 lead, until early in the second stanza. Then Brighton's barrage started. When it was over, the Bulldogs were out front 31-25 at the half.

Brighton sewed up the game in the third quarter with a flurry of two pointers coupled with outstanding floor plays. The visiting team scored on 12 floor shots and a single charity toss to increase their lead to 56-36 as the third quarter ended.

Both teams turned in fine shooting performances in the final quarter, with Northville scoring 25 points to Brighton's 19.

Sean Levan, forward, led the way in his team's winning effort by pumping in 22 points. Center Don Appleton was next with 14 points.

Northville's Fred Schwarze, shortest member of the team, won scoring honors with 18 points — 14 of them from the free throw line. He missed only one charity toss.

Captain Bob Starnes was next high for Northville with 15 points.

Red-Hot Freshmen Get 'Cold Shoulder'

Northville's freshmen cagers have won six straight games — but Coach Joe Wilkinson isn't satisfied.

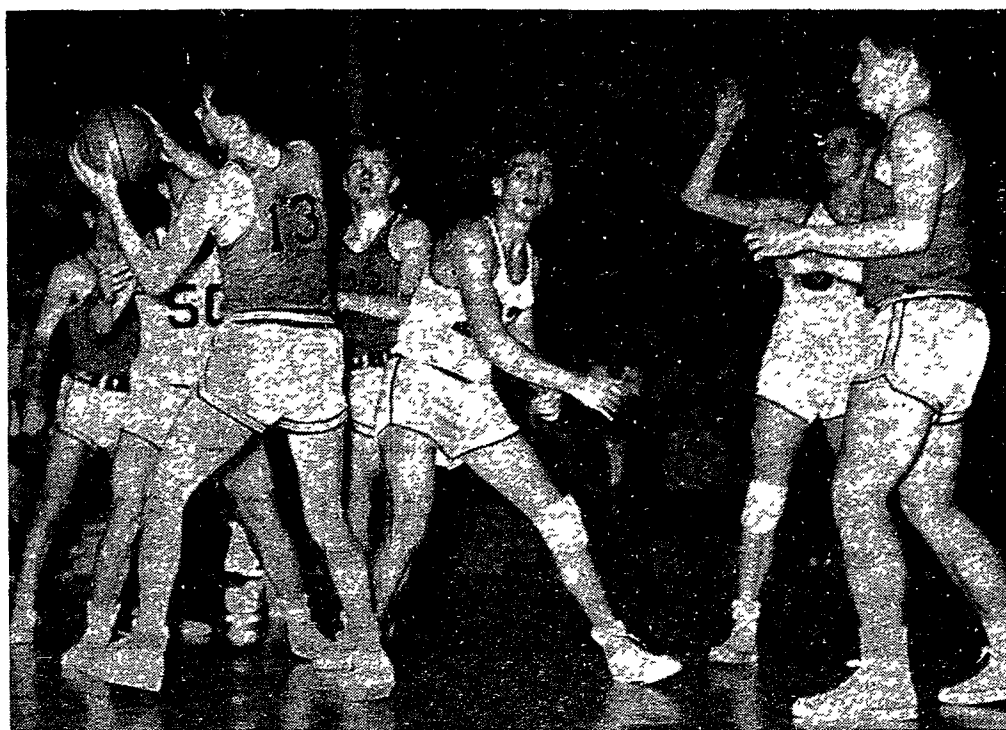

"I still don't think they are playing as well as they can," the coach said after his team turned down Clarenceville, 49-21, Friday.

The freshmen are hitting only about 27 percent of their shots, Wilkinson explained. They've got to do better if they want to win the remaining games, he added.

Earlier in the week, Northville beat Thurston 47-33, scoring more points in every quarter but the last. The score was 10-5 at the end of the first quarter, 23-17 at the half, and 41-26 going into the final stanza.

Guard Tom Long was high for Northville with 10 points and teammates Jim Anderson and Steve Judy each scored 9 points.

Wilkinson's red hot cagers were scheduled to play Whitmore Lake on the opponent's court Tuesday and will meet Dearborn Roosevelt at the community building tonight beginning at 7 p.m.

EVERYONE WANTS IT — With Brighton out front and the game nearly over, the Mustangs tried desperately to get their hands on the ball. Captain Bob Starnes lashed out to steal the ball above but Brighton's Russell Hudson (13) jerked it out of his reach. Other Mustangs in the picture are William Boyd (50) and Larry Clark (right).

Novi Lady Bowler Doesn't Fib

When Mrs. Donald Woodward, 149 Northaven, says she bowls about 129 she means it.

Last week while bowling at Walled Lake's Maple Lanes, under the Novi Heating and Air Conditioning banner, Mrs. Woodward socked the pins for a total score of 129 — three times in a row.

For her feat, Mrs. Woodward was awarded a certificate of honor by the Pontiac Association of Women's Leagues.

Incidentally, the Novi woman's average really is 129. And she's been tossing the ball for more than four years.

OLV Beats Recreation

Our Lady of Victory cagers won their second game of the season Saturday defeating City Recreation 1, 27-17 at the community building. OLV now holds a 2-2 record.

Coach Bruce Turnbull's young cagers will be out for revenge when they take on Plymouth Lutheran at 9 a.m. Saturday at the community building. The Plymouth team topped OLV earlier this season in a 14-9 defensive scrapper.

Cager of the Week

Both teams turned in fine shooting performances in the final quarter, with Northville scoring 25 points to Brighton's 19.

Sean Levan, forward, led the way in his team's winning effort by pumping in 22 points. Center Don Appleton was next with 14 points.

Northville's Fred Schwarze, shortest member of the team, won scoring honors with 18 points — 14 of them from the free throw line. He missed only one charity toss.

An opportunity for veterans holding National Service Life Insurance to buy a new type disability income rider at low cost is being offered by the Veterans Administration.

Policy holders who take advantage of the new protection will receive an income of \$10 per month for each \$1,000 of GI insurance carried if they become disabled from any cause before age 60. Previous disability rider has carried a maximum benefit of \$5 per month per \$1,000 insurance.

Payments under the rider begin after the total disability has existed for six months and continue for the duration of the disability. However, no payment is made for disabilities incurred after age 60.

Premium cost of the rider varies according to the policy holder's age, type of policy and face amount. Veterans may obtain further information from American Legion Service Officer Robert Miller, FI-9-0156. Application forms are available at all VA offices.

French Okay, But How About 3 R's?

It is with interest that I read the school news in our local paper. However, I have definitely noticed how little credit, praise and commendation our principals give to the older teachers, most of whom have served faithfully and efficiently for several years.

Maybe the new and young teachers can speak French but I wonder if they are as adept at teaching the fundamentals of the good old three R's — which all intelligent people recognize as necessary to a successful career. True it is that being able to speak French may add a little to their prestige and their own personal sophistication — yet the great majority of well-educated and successful men and women have never been compelled to use French in their business or even in their social living.

I wonder if our principals are so grounded in French? If so maybe that is responsible for neglect of duty in seeing to it that many of the grade students — also high school, can scarcely read intelligently — let alone write a legible hand — much less to know the four simple operations of arithmetic.

It is indeed a sad situation when the truly successful teachers — who are in perfect health and have the success and interest of children at heart have to be put on the shelf because of some jealousies and small minds that do not want the trouble and responsibility of helping the unfortunate child (by that I mean the child who must have much extra help in order to understand the assignment.)

These short sighted teachers will soon reach the time when they too will be asked to step aside because of that one added day of age. Then the picture will have a different perspective. One wonders is it a lack of judgment by some governing group that we don't have laws that all over 40 years of age must be shot at break of dawn — so the young and modern-minded can govern with no interference from those who have thoroughly demonstrated through years of valuable experience their accomplishments and contributions to society.

Please keep in mind as you read this that I have not yet reached the age of senility and I find many parents who agree with me.

A little French in the grades — okay but not at the expense of the necessary subjects which prepare students for advanced education and ability to earn a decent living in adult life.

(Signed)

JV Takes 6th Loss As Brighton Shines

With only one victory under their belt, Northville's junior varsity cagers were handed their sixth loss of the season Friday.

The Colts were easy prey for the hard-driving Brighton team which rolled up a 60-47 victory in the community building.

Brighton grabbed a five point, first quarter lead and then pumped in 11 points in the second quarter lead at the half, 27-23.

Northville's best scoring flurry of the game came in the third quarter — but the Colts' 14 points fell short of Brighton's 18-point total.

The visiting team tied the victory package with 15 more points in the final stanza while Northville managed to score only 10.

Forward Jim Patterson took scoring laurels for Northville with six floor shots and five charity tosses. Other high scorers were Bill Judy with 8 points and Jerry Forbes, 6.

The Colts' only win of the season came against Holly two weeks ago. Northville nearly won its second game in a contest with Farmington after chalking up the win over Holly. But Farmington edged the Colts in a thrilling 56-51 overtime contest.

Northville Eighth Graders Boast Early 3-1 Record

Northville's eighth grade basketball team, coached by Roy Pedersen, has chalked up three wins while dropping only one game thus far this season.

The eighth graders crushed Wal-laceville, 52-13; defeated Dearborn Roosevelt, 30-24, and turned back Brighton 43-26. The lone loss was against Fellrath, fast-breaking cagers who turned in a thumping 43-17 victory.

Craig Bell was high scorer for Northville in all but the Brighton game. Bill Elwell led the way against Brighton.

The local squad's next game will be against Hashton tomorrow afternoon at the community building.

Michigan's Factories, Farms and Stores Depend on Trucks

Manufacturing, farming, the retail business — all have one thing in common: each needs transportation facilities.

And, since the motor truck provides fast, flexible, direct service unequalled by any other form of transportation, more tonnage is shipped by truck in Michigan each year. (Nationally trucks haul more than 3 times as much tonnage as all other systems combined!)

Every truck you see on the road is working — working to help keep Michigan's economy humming, to help keep employment and sales high. There isn't a corner of the State that isn't served, daily by trucks. And factories and shopping centers can be located anywhere and be assured of efficient truck service so long as they're on a road.

You see how vital trucks are to Michigan.

Pounds Disappear For New TOPS

The pounds are tumbling off and everyone is happy over the success of the newly formed TOPS club of Northville.

Two weeks ago a newcomer to Northville, Mrs. Donald Offord of 309 Debra Lane, told The Record she desperately missed her TOPS (Take Off Pounds Sensibly) club of Redford and that she had already gained 24 pounds since moving to Northville.

She wanted to form a club locally. The response has been terrific, says Mrs. Offord. Twelve women signed up at the first meeting and a total of 25 at the second session.

The women meet at 7:30 p.m. at the Scout hall each Monday. New members are invited to join. The original 12 members attending the first meeting lost a combined total of 41½ pounds when weighed-in at the second meeting. So, you see, it can be done! Join up and T-O-P-S.

Short Income Tax Form Best for Easier Filing

The Internal Revenue Service announced this week that the Short Form Income Tax Return, the 1040-A, can be used by many more taxpayers when filing their Federal Income Tax Returns.

This year, taxpayers can use the Form 1040-A if their wages, subject to withholding, are less than \$10,000. Up to \$200 can be shown on the 1040-A if it was from interest, dividends, or wages not subject to withholding. However, if any combination of income adds up to \$10,000 or more, taxpayers cannot use the Form 1040-A.

In this announcement, R. I. Nixon, district director of internal revenue service, urged that all taxpayers investigate the Form 1040-A requirements.

Set \$1800 Goal in Local Easter Seal Campaign

Some \$50,000 will be needed in 1959 if the crippled children and adults in western Wayne county are to continue receiving rehabilitation services from the Eastern Seal Society of Wayne county and if direct aid is to be extended to other handicapped persons not now receiving it.

That was the goal for the 1959 Easter Seal campaign reported by Northville Rotary club member, L. C. Sullivan, chairman for the annual appeal in Northville. It opens Friday, February 27, and continues through Easter Sunday, March 29. Northville's share of this goal is \$1,800, a return of approximately 16¢ per capita.

"Over the years, the Easter Seal Society of western Wayne county has maintained a proud record of accomplishment, assisting thousands of handicapped persons through services made possible by contributors to Easter Seals," Sullivan said. Western Wayne county boasts top-quality rehabilitation services in its Easter Seal Center operated by the Easter Seal Society.

"They are programs which must, in the face of mounting costs, be maintained," Sullivan said, "but expanded even more to reach all persons who need them."

Sullivan urged all residents of Northville to respond generously when Easter Seals reach their homes about February 27.

He said that approximately 90 percent of the funds contributed during the annual Easter Seal appeal finances services within the state where raised. The remainder helps support a national program of direct service, education and research.

John Keyes of Randolph street enjoyed a rare vantage point viewing show business celebrities last week. While in New York on business Mr. Keyes happened to be seated at the Italian Colony club between tables of Peter Lind Hayes and Mary Healy and Margaret Truman Daniel.

Mrs. Teressa Shannessy of Big Rapids is spending the week with her daughter and son-in-law, Mr. and Mrs. C. Ely, Jr. of Ely drive.

The new dental office here will be the first for Dr. Grunheid under his own name. He worked briefly with other dentists after his graduation in 1956 from the University of Detroit dental school.

Dr. Grunheid was discharged from the navy in September. He served two years as a member of the naval dental corps.

Northville's newest dentist plans to move his family to this city later this year. He has a two-year-old son.

SUNDAY ELECTIONS

Senator William Langer (ND) wants national elections to be held on Sundays hoping thereby to get more people to vote. Langer pointed out that the European nations get a better turnout with Sunday balloting than the U.S. does in its Tuesday elections. He plans to introduce a bill at the next session of Congress. Before Mr. Langer introduces this bill he should stop to consider whether we wish to further forfeit the blessings of Almighty God upon our Country. The Bible sets aside one day in seven as a "Holy" Day. It is His pleasure that people honor Him on that day by setting aside their normal activities to worship and rest on that day. The vivible blessing of God is evident in the lives of those who honor God in this way. Yes, Europe has a greater turn out in the Sunday elections and Europe is in a greater turmoil and war as well. One needs only to compare the prosperity of those nations with ours, and then ask the question, "Does God have anything to do with it?" Our Country is already fast moving in the direction of the Judgment of God for her sins. Let us not haste that day by taking this stop in the wrong direction.
