

Parking Collection Off to Good Start

A bid by Northville merchants to provide more municipal parking and also gain a new supermarket within its business district was off to a flying start this week.

More than 100 local businessmen and property owners received letters Monday and Tuesday seeking pledges to the \$38,000 drive.

Planners Set Zoning Hearing

Planning commissioners will hold a public hearing February 24 to consider re-zoning the north side of Cady street between Center and Church from R-3 to commercial.

The decision to call for the hearing was made Tuesday night by the planners. In its informal discussions the members indicated they would favor the re-zoning.

With the progress of the merchants' parking fund drive this would presumably clear the way for construction of the proposed A&P supermarket on Cady street facing the parking-alley. The firm has indicated it will re-locate on the site if zoning is approved and the program for increased municipal parking is successful.

Top Award To Record

The Northville Record was awarded first place in general excellence competition with weekly newspapers throughout the state last Saturday.

The award was made at the 91st annual convention of the Michigan Press association in East Lansing. The newspapers were divided into five different classifications depending upon total circulation. The Record, winner of second place last year, topped all newspapers in Class C. The Michigan Press has 302 weekly newspaper members.

The Record won special praise for its attention and coverage of local activities and overall make-up.

Dr. Reid Montgomery of Florida State university acted as chief judge and was assisted by members of his staff. Winners were selected on a basis of presentation and content of news stories, general make-up, editorial comment, typography, use of pictures and advertising.

Top three winners in all classifications were:

Class E — Birmingham Eccentric, The Livonian and Highland Park; Class D — Belleville Enterprise-Roman, Howell Livingston County Press and Rochester Clarion; Class C — The Record, Tecumseh Herald and Belding Banner; Class B — Frankenmuth News Williamston Enterprise and Grandville Star; Class A — Millington Herald, Whitehall Forum and Shepherd Isabella County Republican.

MAYOR PROCLAIMS — It has been a week of signing proclamations for Mayor Malcolm Allen. He's shown above with Officer Eugene King, president of the Northville Exchange club, proclaiming February 8 to 14 National Crime Prevention Week. Dempsey Ebert heads the observance by the local club. The theme urges every citizen to help and "Be a Partner in Crime Prevention". The mayor also recognized the 49th anniversary of the Boy Scouts of America by proclaiming February 7 through 13 "Boy Scout Week". (See pictures elsewhere).

Denton to Retire

An old soldier came to the end of a long and honorable career Monday night. And like all military men it was not easy to admit. But true to his training he maintained his bearing and announced in steady tones:

"Gentlemen of the city council I am here to announce my retirement."

Northville Police Chief Joseph Denton — ex-Buglar-Boy Denton of the Boer War South African Mounted Police — ex-Major Denton of the British Indian Army Cavalry World War I — ex-patrolman and chief for 15 years in the city of Northville told the council that "my legs have let me down."

Chief Denton told the council that he would like to retire in May when he will have completed 15 years on the force.

Mayor A. Malcolm Allen accepted his resignation "with regret" and told Chief Denton "you have served your community well." Councilmen Canterbury, Reed, Stubbenvoll and Welch joined in praising the retiring chief.

"I'll be glad to give you all the assistance you need in choosing a new chief and will stay as long as you need me," stated Chief Denton.

Denton joined the Northville force in 1944. Two years later he became chief, succeeding Lisle McKinney.

Born in England in 1888 Denton joined a South African mounted police unit of the British army as a bugler boy when only 14. He later became a major in the British cavalry during World War I. He met and married Florence Stocker in 1912 and in 1921 they moved to Northville after Denton spent several months as a cowpuncher in Canada.

Mr. and Mrs. Denton have two sons and one daughter. Their son, Carlton, is a lieutenant colonel in the army reserve.

Before joining the Northville police force Denton worked at the Booth stock farm on Seven Mile road and for 19½ years worked for Philip Grennen's Farm Crest Farms. He also was employed in the plant protection department of Ford Motor company for one year.

Denton holds the King's Commission for Bravery in the field, the Mons Medal and the General Service Medal for his service during World War I. He also holds the Riot Ribbon for service with the state troops.

Chief Denton's career here has been distinguished by his interest in children. His Junior Police force has enlisted some 446 members and each, at one time or another, has worn the Junior Police T-shirt or badge. Chief Denton never fails to treat his Junior troops to free shows, a ball game in Detroit and Christmas parties.

New Racing Bill In House Committee

A new racing act — bill number 51 — has been introduced in the state house of representatives and sent to the house state affairs committee.

According to Harvey J. Beadle, twenty-first district state representative, the bill is a revision of the study compiled by a committee last summer headed by Sterling Eaton, former representative defeated by Beadle in the November election.

Representative Beadle stated that the new bill provides for retention of state rebate of revenues to communities in which tracks are located.

A bill approved by the senate last year threatened to sharply reduce or curtail these state returns to track cities. The bill died in the house of representatives after a committee was appointed to completely revise the state's racing laws.

Northville's average yearly revenue from the state rebates on pari-mutuel betting at the Downs is \$90,000.

Goodwill Truck Pickup Set Here for Tuesday

The next visit of Goodwill Industries truck pickup trucks to Northville is scheduled for Tuesday.

Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative Mrs. Lora Ault, GR-4-4294.

RETIRING IN MAY — Police Chief Joseph Denton told councilmen Monday night he will retire from active duty in May. Denton, best known for his keen interest and work with children, will complete 15 years on the force.

City to Refund Penalties On School, County Tax

City residents who were penalized four percent for paying their school and county taxes after the January 19 deadline are going to get their penalty money back.

The city council approved the unusual measure Monday night on the recommendation of City Manager John Robertson, who also serves as treasurer.

City residents now have until February 28 to pay their taxes without penalty. After this date the county assumes collection and four percent plus one-half percent per month is added to the tax bills.

The decision to relax the penalty came about as a result of a series of circumstances:

1. Township residents were not required to meet the deadline;
2. An article in the newspaper erroneously published the deadline date as January 20, instead of 19;
3. The city's receipt machine was still dated the 19th on the 20th, thus taxpayers paying penalties on the 20th had receipts showing they had paid taxes on the 19th.

Councilmen agreed that there was too much confusion surrounding the issue and only \$100 was involved.

Groundhog, Robin Get Signals Mixed

There's something for everybody this groundhog-watching week.

Whether you're a wishful thinker or a died-in-the-wool cynic about the weather, two natural indicators give you a 50-50 chance of being right.

Monday morning, groundhog day, things looked glum when our furry friend decided to turn tail on the human race and sleep off another six weeks of winter.

But Sunday, February 1, two local ladies claimed sight of Northville's first robin.

Mrs. Nellie Tibble and Mrs. Mae Winter spotted R. Redbreast high in a tree near the First Methodist church as they left after services.

Said Mrs. Tibble, he looked pretty cold and bedraggled but seemed determined to stick it out.

Councilmen Mend Water Bond Split

A proposal to adopt a resolution re-affirming its approval of the \$300,000 water improvement bond issue threw the city council into a flurry Monday night.

It ended with unanimous adoption but not before Councilman Earl Reed reeled-off a few startling remarks that brought his fellow councilmen to the edge of their seats.

Actually, the entire episode was deeply-rooted in political maneuvering.

On the one hand, the council sought to bring Reed "back into the fold" after suspecting he had cooled on the bond proposal. The "re-affirmation resolution" was a means to this end.

Reed wouldn't be trapped. Instead, he insisted that adequate publicity had not been given to the hydrant rental fee and revised improvement program as reduced to meet the revenue-bonding limitations of \$300,000. (See page six).

Reed got little support on his suggestion that the revised program had not been properly explained. Councilmen were quick to point out

Primary Election Offers Small Slate

Aside from the city's \$300,000 water bond issue, the ballot for the February 16 primary election will be a pretty tame affair.

For city and township residents the only race will be for county auditor. In the Oakland county section of the city five circuit judges will be nominated.

The candidates for Wayne county auditor are: Jordan H. Greene and William W. Lau, Republicans; and Dan Radnovich and Jacob P. Sumaracki, Democrats.

The city of Northville has no local primary. Its council race — with eight candidates for council and two for mayor — will be decided in the April election.

Northville township holds a primary, but because both Democrats and Republicans entered complete slates with only one candidate from each party for each position it is not necessary to hold a primary. The two parties will square off for the township offices in the April election.

Calendar

Friday, February 6
Woman's club, library, 2 p.m., dramatic readings by Mrs. L. Hart Wright.

Cub scout candy sale, Manufacturers National Bank, evening.

Saturday, February 7

OLV Men's club, pre-lenten dance, church social hall, 9 p.m. (A correction from page 3 article).

P-TA story hour, library, 10:30 a.m.

Monday, February 9

Board of education monthly meeting, Main street elementary, 7:30 p.m.

Mothers' club, business meeting, home of Mrs. Ed Cavey, Jr.

Garden club, home of Mrs. R. M. Atchison, South Rogers street.

Tuesday, February 10

Scout Week dinner, OLV, 6:30 p.m.

WCS, 12:30 p.m.

BPW card party, VFW hall, 8 p.m.

Wednesday, February 11

Legion auxiliary meeting, Legion hall, 8 p.m.

First aid class, high school, 7:30.

Northville Scouters Plan Birthday Party

All Northville scouting units will celebrate the 49th anniversary of scouting Tuesday with a banquet at Our Lady of Victory church.

Cubs, scouts and explorers, as well as dads, all unit leaders, committeemen, institutional representatives and local commissioners, will attend the banquet set to begin at 6:30 p.m.

A court of honor ceremony in which members of scouting units will receive awards, will highlight the program.

Entertainment will be furnished by Bob Reid, who will display his collection of Civil War guns; by LaGene Quay, science teacher, who will talk on missiles, and by Bill Williams, who will sing.

Orlow Owen will be the master of ceremonies.

MANAGER'S GREETING — Northville's City Manager John Robertson (L.) is shown here congratulating Novl's new village manager, Fred E. Olson at a special inter-community program Saturday at Novl. Also pictured with Olson, his wife and daughter, Susan, are Northville City Engineer and Mrs. Harold Penn at the right.

Record Adds 'Color Touch'

Something new has been added to The Record this week!

It's color — red to be exact. On pages 12 and 13 use of a second color during a regular press run is introduced by The Record for the first time. It's a rarity for any weekly newspaper.

The process which enables the use of a second color while at the same time printing with normal black ink on other pages was developed by the newspaper's own mechanical department.

The first "color-customer" is Lakeside Packing House. The Wallend Lake supermarket is celebrating its anniversary event with "red" hot prices — thus the color treatment.

Color advertising is available at special rates with a space requirement of two pages.

about WOMEN

2—Thursday, February 5, 1959—THE NORTHVILLE RECORD

NEWS AROUND NORTHVILLE

Mrs. Lucille Rowe returned home this week from University hospital in Ann Arbor where she had been confined recently.

Mrs. C. Lemieux of Stoney Point, Ontario, Canada, is visiting her sister, Mrs. Jim Spagnuolo of East Main street this week.

Mrs. Ruby Nash of Beal street is a patient at St. Joseph's Mercy hos-

pital in Ann Arbor where she was taken recently after she was injured in a fall on the ice.

Mrs. Oscar Karrel and son, John, of Redding, Connecticut have been guests this week in the home of Mrs. Karrel's mother, Mrs. Harvey Whipple of West Main street.

Elsa Couse, daughter of Mr. and Mrs. Walter Couse of Seven Mile

road, was home from Albion college this past week during semester break. She returned Wednesday to resume studies as a second semester freshman.

Mr. and Mrs. Glenn Jewell of Me-costa and Mr. and Mrs. Eural Clark of High street were dinner guests of the Clarks' son-in-law and daughter, Mr. and Mrs. Lawrence Mayer.

Jim Hammond, son of the Crisp-Hammonds of Timberlane, is home between semesters from Albion college. Jim will be a second semester freshman upon his return.

The Crisp-Hammonds of Timberlane have been taking advantage of the snowy, icy weather Northville has enjoyed the past two weeks, by hosting several "snow parties" at their home. The hill behind the Hammond home makes a fine toboggan slide, and their ice pond has been frozen solid like almost everything else these days.

A party of local men spent a few days in northern Michigan this week to clear woods for deer-feeding. The men, including Nelson Schrader, Dayton Deal, C. M. Goodrich, Ed Angove and Orson Atchinson, stayed at the Schrader cabin near Gaylord.

Mrs. Ward Schultz of South Rogers street has been named for jury duty.

Ardyce Atwood, daughter of Mr. and Mrs. H. Atwood of High street, was home from Albion college during semester break. Ardyce was graduated in June from Northville high school.

Northville Camera Club To Meet Next Wednesday

Assignment night for Christmas and snow scenes is scheduled for the next meeting of the Northville Adult Camera club next Wednesday, February 11, 7:45 p.m., in the Northville library.

Members enjoyed an interesting program last week, which featured an Eastman Kodak presentation, "Mansion, Magnolias and Memories".

Visitors are welcome to Wednesday's meeting.

Study 'The Ugly American' At Tuesday Book Club

The Tuesday Book club met at the home of Mrs. Donald Sober of Bradner road.

Mrs. Glenn Cummings reviewed "The Ugly American" by W. J. Lederer and Eugene Burdick.

In the book Lederer and Burdick, experts in Southeast Asian affairs, spell out why the free world is steadily losing ground in that part of the world to communists. Often this is the fault, they assert, of Americans sent there to "sell" Democracy.

Mr. Larudee, having been born in Resht, Iran of a Moslem family, is well qualified to speak on the subject.

He received his early education at the Presbyterian mission school in Resht.

In 1944 he was married to Miss Grace Wilder, missionary of the Presbyterian board.

Since September, 1958 Mr. Larudee has been pastor of the First United Presbyterian church in South Lyon.

The meeting, to be held in the Northville church Fellowship hall, will begin at 12:30 p.m.

Denise Brady and Lawrence J. Frank United in Our Lady of Victory Church

Denise Frances Brady, daughter of the Pat J. Bradys of Eight Mile road, became the bride of Lawrence J. Frank, the son of Mr. and Mrs. John Frank of Norwood, Ohio January 24 at Our Lady of Victory church. The Rev. John Wittstock officiated.

Wedding music was provided by Our Lady of Victory Sisters.

Escorted to the altar by her father, Denise was attired in a gown of white satin embroidered with seed pearls and sequins at the sweetheart neckline. Its full bouffant bustled skirt was applied with Alencon lace, sequins and seed pearls, and formed a chapel train of Alencon lace.

Her fingertip illusion veil was held by a Juliet cap of lace and seed pearls. She carried white roses and Stephanotis.

Maid of honor, Rosemary Rud-don of Birmingham wore a beige satin sheath dress with taffeta overskirt and matching accessories. She carried a bouquet of coral chrysanthemums.

The bridesmaids, in coral satin sheath dresses with matching overskirts were Elizabeth Frank of Cincinnati, sister of the groom; Barbara Theisen of Livonia, and Mar-jorie Ospleck of Detroit. Their flowers were identical bouquets of bronze mums.

Maureen Brady and Anne Seror, nieces of the bride were flower girls. They wore beige silk dresses and carried nosegays of coral mums and white lily of the valley.

Dennis Stapleton, nephew of the bride, served as ring bearer.

Larry chose Michael Muldoon of Cincinnati as best man.

Ushers were Eugene Brady, Thomas Brady and Frank D. Brady, brothers of the bride, and Edwin Freeh of Detroit.

For her daughter's wedding Mrs. Brady wore a sapphire blue gown of imported Italian silk. She pinned on a corsage of cymbidium orchids.

Mrs. Frank selected a blue silk and lace gown and also wore a corsage of cymbidium orchids.

A wedding breakfast was served for 45 guests at Carpenter hall in Redford where an evening recep-

Mr. and Mrs. Lawrence J. Frank

tion was held for 400 relatives and friends and out-of-town guests from Cincinnati, Philadelphia, Houston and Detroit.

Afterward, the newlyweds left on a honeymoon trip to Washington and New York.

For traveling the bride chose an imported Irish tweed suit with matching accessories and pinned on a corsage of carnations and Stephanotis.

The groom attends Detroit Business Institute. The bride is a graduate of Immaculata high school in Detroit and attended Clear college in Ypsilanti.

They will make their home at Golf View Manor apartments on Four Mile road, Detroit.

Gardeners to Hear Illustrated Talk

Mrs. William Lowrie will talk on Michigan's natural resources at the meeting next Monday of the Northville branch of the Woman's National Farm and Garden association.

Mrs. Lowrie is Natural Area chairman for the Michigan division.

Her talk will be illustrated with colored slides of state conservation projects, state parks and wild flowers in their natural habitat.

The meeting will be held in the South Rogers street home of Mrs. R. M. Atchison.

Assisting Mrs. Atchison as hostess will be Mrs. R. J. Scott, chairman; Mrs. E. Whittington, Mrs. L. M. Eaton, Mrs. W. Cansfield and Mrs. P. Buoniconto.

Will Talk on Middle East To Presbyterian Women

The Rev. Faze Larudee will speak at the February 11 luncheon meeting of the United Presbyterian Woman's association.

His topic will be "The Middle East".

Mr. Larudee, having been born in Resht, Iran of a Moslem family, is well qualified to speak on the subject.

He received his early education at the Presbyterian mission school in Resht.

In 1944 he was married to Miss Grace Wilder, missionary of the Presbyterian board.

Since September, 1958 Mr. Larudee has been pastor of the First United Presbyterian church in South Lyon.

The meeting, to be held in the Northville church Fellowship hall, will begin at 12:30 p.m.

Mrs. Higgins is "Queen for a Day"

Mrs. William Higgins of South Wing street had a taste of a television-type surprise last Friday afternoon.

Neighbors surprised her with an "It Could Be You" party in honor of her birthday.

Mrs. Higgins' 80th birthday had slipped by quietly a few days earlier, but when her friends learned of it, they decided it was worth a little special notice, and gathered for the celebration.

Some 16 friends of the Richard Amblers surprised them with a housewarming party at their new home on Carrington drive last week. They enjoyed a pot-luck dinner.

Mrs. William Higgins

HIGHWAY COMMISSIONER
COMMITTEEMEN FROM EACH PARTY (3)

HADLEY J. BACHERT,
Novi Township Clerk

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

ROCKERFULL — The James Grunkes' family-sized rocking chair just nicely accommodates the crisp plaid-and-tights flurry of their two young daughters, (left to right) Karen and Gayle. The Grunkes arrived in Northville October 22.

Newcomers from Chicago are the James Grunkes of Scott avenue and daughters, Karen, 9, and Gayle, 7, who arrived here the end of October.

Originally from Minneapolis, the

family keeps nominal tabs on the hometown through Mr. Grunke's work as sales supervisor for the Minnesota Mining and Manufacturing company.

Both Mr. and Mrs. Grunke are graduates of the University of Minnesota speech department. Mr. Grunke was theatre director in St. Paul for four years, and Mrs. Grunke has worked with children's

theatre groups.

Karen, a fourth grader at the Main street school, has joined in local brownie scout activities, and puts her enjoyment of singing to use as a member of the First Methodist church children's choir.

Gayle, a second grade student at Main street elementary school is also a Northville brownie scout.

Parents Introduced To Day School Head

Some 30 parents of children enrolled in the Wayne County Training school day school attended a social get-together at which Training School Director Dr. Pasquale Buoniconti introduced the new day school director, L. B. Blackmer.

The parents discussed the possibility of forming an organization among themselves. Definite plans were postponed for further consideration.

Attend Youth Fellowship Mid-Winter Conference

Ilka Hartmann, exchange student living with the Drake Olders of South Rogers street, and Marianne King, daughter of Mr. and Mrs. Charles King of Woodhill avenue, spent the week end in Trenton where they attended the meeting of the Ann Arbor District Methodist Youth Fellowship mid-winter institute along with 214 other church young people. Three other German exchange students and a student from the Netherlands were among those participating. Marianne is president of the East Wayne sub-district Methodist Youth Fellowship and a member of the Ann Arbor council.

BIRTH

Mr. and Mrs. Joseph Early of Eight Mile road announce the birth of a daughter, Wendy Johanna, on January 21 at Garden City hospital. Wendy weighed five pounds, five ounces. Grandparents are Mr. and Mrs. Clarence Rody of Currie road, and Mr. and Mrs. Charles Early of Farmington.

Auxiliary to Hold Rummage Sale

The American Legion ladies' auxiliary rummage sale will be held next Thursday and Friday February 12 and 13 at the Legion hall.

Proceeds will go into the organization's operating fund.

General Chairman Mrs. Oscar Hammond says public donations will be accepted up to the sale date. They may be left at the Legion home on Dunlap street.

Part of the sale profits will be used for payment of the auxiliary's final pledge to St. Mary's hospital, now under construction in Livonia. The balance will be used in veterans' work by the organization.

During Christmas, the ladies supplied many needy veterans and their families with groceries, clothing, toys and other necessary goods.

Those wishing to contribute toys, books and other discards, may also call FI-9-1039 for pickup.

Doors will open at the sale at 9 a.m.

Pledges Kappa Delta Sorority at Michigan State

Betsie Merriam

Betsy Merriam, daughter of Mr. and Mrs. R. D. Merriam of Beck road, has been received into Kappa Delta sorority at Michigan State university.

Formal pledging was held Sunday, January 25.

Betsie was graduated in June from Northville high school.

FRIENDS NIGHT — Members of area chapters of the Order of the Eastern Star in Wayne and Oakland counties attended Northville Orient chapter's Friends Night and initiation ceremonies at the Masonic Temple last Friday evening. Pictured here are local and visiting worthy matrons and patrons (left to right, back): H. Sager, Belleville lodge; G. Gallinger, Garden City; L. Rowe, Dearborn; H. Hunt, Plymouth; A. Hallday, Strathmoor; (front): Earl Gray, Northville; Miss Elsie Woodroffe, Northville; Mrs. G. Hunt, Plymouth; Mrs. P. Schwartz, Walled Lake, and L. James, Riverside.

from the PASTORS STUDY

By the Rev. James F. Andrews
Full Salvation Union Chapel

Without understanding, life is existence without consciousness.

As far as we know, it is possible that there is no material substance apart from the understanding of such in man. "God's thoughts are higher than man's thoughts and his ways, than man's ways." The concept of time and the understanding we now have of all material aspects of our life will be brushed out of our consciousness, when in God's will they have served their purpose.

God recognizes things as they are as well as the way they appear to be to every living creature.

God is the author of our present mode of existence. He causes all things to appear to us as they appear. He upholds all things by the word of His power.

There is a Divine purpose in every state of consciousness in which you may be exercised. He knows all about everything. He knows how I am moved with a sense of care, or responsibility, or distress, or fear, or love, or hope, or joy. All is known to God and He permits all the conscious states known to man for a purpose.

In the fullness of time it was in his plan to reveal in Christ Jesus an understanding unknown to man. It was not his good life or morality alone, but that spiritual consciousness which he possessed, that God desired to reveal.

His understanding was different. It was from God. "Lazarus sleepeth, I go to awake him out of his sleep."

"Fear not, it is not your Father's pleasure that one of these little ones should perish." "In my Father's house are many mansions, I go to prepare a place for you."

There was an understanding in his mind for which the whole world had waited. Peter recognized it. It shone in his countenance and vibrated in his words — "Thou alone hast the words of eternal life!"

It is God's desire that understanding shall be known in the personal conscious realization of each one of us. That is the place Christ went to prepare for you — a place of spiritual understanding, that where Christ is there ye may be also — shut in with God, clothed upon with that house not made with hands eternal in the heavens, conscious of those things that are not seen, that will abide when the understanding of sun, moon and stars has served its purpose and been forgotten.

What is the consciousness that fills you today? Is it a dead system of religious thought alone, words you read in the Bible and accept as true; or is it a spiritual understanding that makes your soul aflame with the realization of peace and rest and joy in the Holy Ghost — a consciousness that swallows up death in victory? Eternal Life! Eternal Love!

"Sometimes on the Rock I tremble
Faint of heart and weak of knee,
But the steadfast Rock of Ages
Never trembles under me."

Three Churches to Observe World Day of Prayer Together

Women from the Northville Methodist and Presbyterian churches and the Willowbrook Community church will gather at the Methodist church Friday, February 13 for the World Day of Prayer services.

The 1959 service has been written by Christian women of Egypt. Their committee included women from Anglican and Evangelical churches, but the majority were from the Coptic church, the ancient Egyptian church that has undergone many hardships in its struggle to keep its faith alive in the midst of hostile forces.

These descendants of one of the oldest Christian sects chose for the 1959 theme, "Lord, I Believe," as a call to a deeper experience of Christianity in their lives.

Christian Scientists To Hear Chaplain

How an understanding of God heals discord will be the topic of a Christian Science lecture to be given Tuesday evening, February 10 by Frank T. Hord of Washington, D.C., it was announced today by Fourth Church of Christ, Scientist.

A former army combat chaplain, Mr. Hord will speak in the church edifice, 5240 West Chicago boulevard, at 8 p.m. The lecture is open to the public without charge. Mr. Hord's subject will be "Christian Science Preaches the Kingdom of God and Heals the Sick".

Mr. Hord served 46 months in the United States and in the European theatre of operations during World War II as a Christian Science chaplain. He was with combat troops throughout the war, and served in the Antwerp area during the five-months' buzz-bomb siege of that important supply base on the Belgian coast.

Prior to entering the public practice of Christian Science healing, Mr. Hord was active in sales engineering, and as founder and head of a travel agency. He is currently on extended tour as a member of The Christian Science Board of Lectureship.

Each year the service is prepared in a different country. Australian women planned the 1958 service, incorporating prayers handed down by the first Christian among the aborigines. To unite all Christians in a bond of prayer is the basic purpose of World Day of Prayer. Offerings for missions at home and abroad will also be made.

The World Day of Prayer chain begins on the Tonga Islands, with Queen Salote, leading her subjects as dawn breaks over these tropic isles and ends at sunset on ice-locked St. Lawrence Island in the Aleutians.

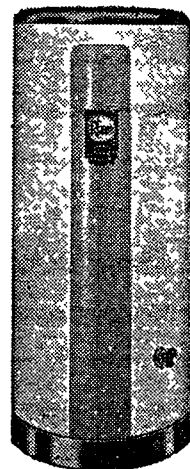

One hundred and forty-four countries on six continents will have been spanned by these prayers voiced in more than 60 languages and 1,000 dialects.

In the United States the Day, which is always on the first Friday in Lent, is sponsored by United Church Women.

Offerings for World Day of Prayer are divided between the Divisions of Home Missions and of Foreign Missions of the National Council of Churches.

At home, funds help in projects for the army of agricultural migration.

tubful after tubful after tubful...

there's always plenty of hot water

the new electric water heater way

GET IT HOT . . . GET A LOT with a new electric water heater! No more waiting for baths. No more rationing shower-time because you're low on hot water.

Thanks to Edison's Super Supply Plan, a new electric water heater is always on the alert—day or night—to supply hot water for all family needs. There is no "off" period.

Here's the convenient, modern way to **GET IT HOT . . . GET A LOT** for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

- | | |
|---|--|
| <input checked="" type="checkbox"/> Efficient—the heat goes into the water | <input checked="" type="checkbox"/> Fast—new, more efficient heating units |
| <input checked="" type="checkbox"/> Install anywhere—need not be near a chimney | <input checked="" type="checkbox"/> Outer shell—cool to the touch all over |
| <input checked="" type="checkbox"/> Long life—meet Edison's rigid standards | <input checked="" type="checkbox"/> Edison maintains electrical parts without charge |
| <input checked="" type="checkbox"/> Automatic—all the time | <input checked="" type="checkbox"/> Safe—clean—quiet—modern |

JUST WANTED MONEY — Burglars ignored hundreds of dollars worth of equipment early Sunday morning when they ransacked the office safe at Glenn C. Long Plumbing and Heating on Seven Mile road. The unlocked safe contained no money. Long (above) said the burglars entered through a rear window, broke through the office door, ransacked the safe, forced their way into a parts room, but took nothing.

GIRL SCOUT NEWS

Brownies of Troop 222 have completed work on their Valentine favors for Children's hospital. At their last meeting Susan Morany brought refreshments.

Members of Girl Scout Troop 226 put their imagination to work last week and came up with names for their two newly-formed patrols. One group will be known as the "Polywogs", captained by Kathy Cushing. The other, the "Coco-Puffs", is headed by Kathy George.

Girl Scout Troop 234 met with Troop 227 Tuesday to hear the second talk in a series by Mrs. H. Godfrey on first aid. The girls will be working on a first-aid project in their own troops. A member of each troop brought a treat.

Two new Brownie troops, numbers 573 and 574, have been formed in Northville recently. Troop 573, under the leadership of Mrs. H. V. Bissa with co-leaders Mrs. W. Gall and Mrs. A. O'Leary, held its investiture ceremony Saturday at Our Lady of Victory school. Troop 574 led by Mrs. W. A. Sterling and Mrs. C. Hill were invested last Monday at Amerman school.

Boy Scout Troop Gives Sunday Church Breakfast

Boy Scout Troop 731, sponsored by the Methodist Men's association, hosted a money-making breakfast at the church Sunday.

The approximately 115 persons attending were served a menu of bacon and eggs, hot rolls, juice, milk and coffee.

Leading ticket sales was Greg Penn, son of Mr. and Mrs. Harold Penn, with \$19.50 worth. Gary Beasley, son of Mr. and Mrs. Robert Beasley was runner-up with \$17 in sales.

Proceeds will be used to pay the boys' scout registration and insurance fees and subscriptions to Boy's Life magazine.

Two Participate In 1959 Seminar

Elsie Sedan, daughter of Mr. and Mrs. Harry Sedan of North Wing street, was a member last week of the fourth annual United Nations-Washington seminar sponsored by the Detroit Conference Methodist Youth Fellowship and the Board of Christian Social Relations.

For the second year, the Rev. Paul M. Cargo, pastor of Northville's First Methodist church, was the director.

The group of 60 youths and 25 adults toured the United Nations buildings and heard speakers of the Secretariat, UNESCO, and WHO. The tour included a bus trip to the national headquarters of the Fellowship of Reconciliation of Nyack, New York.

In Washington the group obtained interviews with Senators McNamara and Hart and with representatives. At the State Department Dr. William L. Cargo, chief of the Department of United Nations Political and Security Affairs and brother of Rev. Cargo, addressed the seminar.

Throughout the week significant questions, such as the following were raised: the arguments for and against the recognition of mainland China, military and economic aspects of the cold war, the extension of the draft law, evaluation of the work of the UN, and the place of the Christian with respect to peace.

WCS to Hear Account Of "Summer in Germany"

The Women's Society for Christian Service of the Northville First Methodist church will have a regular meeting next Tuesday, February 10.

Luncheon, beginning at 12:30, will be served by the Filkins Circle. Program for the day, entitled "Summer in Germany", will be presented by Julie Older.

Northville Gets Increase In United Foundation Aid

The Dearborn United Community Services of which Northville is a part, has announced that although the United Foundation raised less money in 1958 than in 1957 Northville will have a slight increase of money coming into the community.

The total of \$700 is to be broken down to \$200 for the relief fund of the King's Daughters and \$500 for the recreation committee. The latter is an increase of about \$200.

Novi Highlights...

Mr. and Mrs. Eugene McHale and Mr. and Mrs. Andy Kozak attended the wedding of the former's niece, Alice McHale, to Kenneth Sundman at Milford last Saturday evening. The reception was held at the veterans' hall at Loon lake.

Last Tuesday Mrs. Ethel Davis entertained the birthday club at her home in Milford. Present were Mrs. William Paquette, Mrs. Harold Orsine, Mrs. Andy Kozak, Mrs. Douglas Watson, Mrs. Kenneth Rippey and Mrs. Bob Brown. Two guests were also present. Mrs. Annie Ni-

cols, a sister-in-law of the hostess, also attended.

Mr. and Mrs. William Paquette attended a dinner-dance at Guffin's House of Beef in Farmington Saturday evening.

Nadine Snyder, daughter of Mrs. Emily Snyder celebrated her 11th birthday Thursday, January 29. A neighborhood playmate was her guest.

Mr. and Mrs. Robert Massell are the parents of a son, Stephan Robert, born January 28 in William Beaumont hospital, Royal Oak. Mrs. Massell is the former Karen Larson.

Finnny Skeltis spent last week with his aunt, Mrs. Gerickie, in Brighton.

Mr. and Mrs. Lewis Larson and daughter, Kristine and son Gregory, and Mrs. Bruce Wendland of Lansing attended the funeral of Mrs. Larson's father, J. B. Haerr, at Springfield, Ohio last Tuesday.

Mr. and Mrs. George Atkinson spent the week end at their cottage near Lewiston.

Mr. and Mrs. Stanley Orzechowski entertained at a dinner Sunday

evening honoring the latter's birthday, Mrs. Harold Miller, which occurs this month. Other guests were Mr. Miller and their son, Bill and his friend, Mr. and Mrs. Russell Main and son, Raymond of Detroit, and Mr. and Mrs. Fred Liverance of Livonia. Mrs. Main, sister of Mrs. Miller, brought a beautifully decorated birthday cake which she had made.

Mr. and Mrs. Roy Shupe of Tall road announced the birth of a daughter, Mary, born last Monday, January 26 at St. Joseph's hospital, Pontiac.

Mr. and Mrs. Shupe have been living in Novi for the past year but formerly made their home in Toronto, Canada. They have two other daughters, Linda Louise, 8, and Carol Ann, 4.

Mrs. Helen Robathan has returned to her home in Toronto, Canada after spending some time with her sister, Mrs. Roy Shupe and family.

Ralph Richardson visited his sister, Mrs. Al Harnden, last Thursday. He was enroute for a vacation in Florida.

Mr. and Mrs. Gordon Blakeslee and son, Rickie, of Lansing, Mr. and Mrs. Russell Button and children and Mr. and Mrs. Ray Warren and children all went to Willow Run airport on Sunday to see their brother, Rev. Ronald Button, and daughter, JoAnne, safely on the plane for a trip to California. Rev. Button will visit his brother, Clyde and family, in Englewood.

After the plane departed Mr. and Mrs. Warren were hosts at a family dinner party at the Warren home in Haggerty road.

Mrs. Burton Munro is visiting her sister at Highland for a few days.

Al Prichard is home from the hospital and slowly improving. He underwent major surgery in the Detroit Osteopathic hospital and was a patient there for a month.

Mrs. Theodore Poling of Ypsilanti was a house guest of Mr. and Mrs. Al Prichard last week end.

Blue Star Mothers

Mrs. John K. Klaserer entertained at luncheon the Novi chapter of the Blue Star Mothers on Monday. There were 13 members and one guest, Mrs. James Mitchell, present.

Mrs. Fred Mandlik made and decorated a cake honoring the birthdays of Mothers born in February. Mrs. Marie LaFond and Mrs. Luther Rix were honored.

The Mothers will have a bake sale in the Novi drug store Saturday, February 14 with Mrs. A. McCollum in charge. Mrs. Klaserer will assist her.

Novi Rebekah Lodge

Noble Grand Gertrude Enders would like her officers to come at seven o'clock for the next regular lodge meeting February 12 for officers practice.

Novi Baptist Church

Four babies were dedicated in the Baptist church Sunday. They were Sally, daughter of Mr. and Mrs. Leonard Cummings of Willowbrook; Susan and Diane, daughters of Mr. and Mrs. Max Munro of 11 Mile road, and Jennifer, daughter of Mr. and Mrs. Ray Warren of Haggerty road.

The Baptist church mission band will meet next week, Thursday, at the home of Mrs. Clyde Johnston.

The Workers Conference met at the church Tuesday evening. Sunday School Superintendent Del Vincent conducted the meeting.

Mrs. Salow's fifth graders elected officers for the second semester for "The Just Us Club". President is Roberta Willacker; vice president, Nadine Snyder; secretary, Janis Paquette, and treasurer, Ruth Munro.

FEDERAL BUILDING
843 - Penniman - Plymouth
— HOURS —
Monday, Tuesday, Thursday
1 P.M. to 9 P.M.
Wednesday, Friday, Saturday
10 A.M. to 5 P.M.

The pupils who have been studying Alaska think the most interesting event in the unit were the pictures Kenneth Burnstrum loaned Janis Paquette.

The pupils are writing letters to Janis Paquette's uncle, Pfc. Philip Gardella, who is in the service and stationed in Alaska. So far they have received letters, maps and booklets from the Alaskan unit.

In Mrs. Boyd's second grade one group has finished two readers this year. The second group has finished one reader and are well into the supplementary reader.

The thermometer has furnished much interest as the children watch the changes in temperature from inside the classroom to outside on the window sill. They are learning a poem about the months of the year.

Novi Girl Scouts

The Novi Senior Girl Scouts made a trip to Greenfield Village January 22-23. The supervisors were Mrs. Kenneth Bassett, Mrs. Ray Dawson and Mrs. Ernest Schultz. Mrs. Marvin Guntzville took the girls down to the village and Mrs. Ray LaFond picked them up the following day. The girls arrived at 2 p.m. and were shown the dormitory where they were to stay after which they toured the museum until four o'clock. They went back to the dorm and talked to the house mother and at five o'clock they went out to dinner at the Clinton Inn Village. Back at the dorm again they saw movies on Yellowstone park and a few cartoons. They played games in the gym and visited the swimming pool, then settled down for the night. At eight o'clock in the morning they had breakfast at the Clinton Inn after which they all went back to the museum to await transportation back home. The weather would not permit a trip through the village. They found the trip educational and interesting and enjoyed it all very much.

TOPS Trim 171

Better hurry girls!

The TOPS (Take Off Pounds Sensibly) have room for only 12 more members. The 38 regulars met again last Monday at Amerman school and proudly totaled 171 pounds in lost weight.

The club is open to women who find weight easy to gain but hard to lose. The group meets each Monday at 8 p.m.

SCOUTS HAVE BIRTHDAY — Explorer Post 755 has set up a special rock display in Northville Drug's window to help emphasize that Sunday is the 49th anniversary of the scout movement. Explorers' Don Lawrence (inside window) and Jim Petrock (center) show Scout Kent Hunter (left center) and Cub Scout Mike Horner the display.

Novi Methodist Church

The Methodist ladies study group met at the home of Mrs. Ann Schaffer in Farmington Wednesday. Next Wednesday they are scheduled to meet at the home of Mrs. Andrew McCollum on 11 Mile road. The meetings have been well attended.

Summary of Water Bond, Hydrant Fee

When property owners of the city of Northville go to the polls February 16, they'll be asked to support a \$300,000 bond issue to improve the city's water system.

The plan, several months in the making, has been widely explained before almost every group and organization in the community.

The council decided to place the proposal on the ballot after it was discovered that under a straight revenue bond issue — requiring no vote of the people — the city could raise \$190,000 and the interest of this sum would total \$175,000.

At the same time a general obligation-revenue type bond issue carrying the guarantee of the property owners of the community would raise \$300,000 with only \$200,000 interest over the same 27 year period. Sixty percent of the votes must approve the plan for passage.

It has been established that current water rates will support the bond issue without increasing the taxes. The council took action this week to insure the use of water revenues to pay off the bonds by adopting an ordinance to that effect.

And, by another resolution, the council reaffirmed its position and unanimously endorsed the project calling for voter support.

Following is an outline of the highlights of the improvement program and an explanation of the new "hydrant rental fee".

Actually, the hydrant rental fee has little to do with the water bond issue. It is a fee charged against each fire hydrant in the city paid from the general fund. In other words, the water system charges the city for its hydrant and fire protection.

The fee is widely imposed in cities throughout the state and was considered by the council two years ago. It varies from \$50 to \$200 per hydrant. Northville councilmen have decided to charge \$50.

Therefore, after all new hydrants have been installed, the water department will charge the city's general fund approximately \$6,500 annually in hydrant rental fees.

This fee will be applied whether the bond issue passes or fails. It is not limited to the 27 years during which the bonds will be retired but is a permanent charge against the city-at-large by the water department.

Specifically, the water improvement program calls for the following installations:

1. Improvement of the Novi road well site including pump and pumphouse — \$24,258; 2. Chlorinating equipment — \$4,100; 3. Additional valves — \$8,270; 4. Additional fire hydrants — \$7,650; 5. 400,000 gallon elevated water storage tower — \$116,000; 6. Additional water lines — \$68,403.

Along with the improvement of the present reservoir and installation of a water line and pumps to provide service to the high school and northwest residential area of the city the total estimated cost of the proposed program is \$298,483.

Originally, the engineer's preliminary improvement plan totaled \$443,500. This was reduced by \$60,000 by eliminating plans for a water softening unit. Further reductions were made by reducing or eliminating proposed 10-inch size lines.

A proposed 10-inch line extending some 6500 feet was eliminated entirely to provide the major saving in the new plan. This line would have extended north and south connecting the extremities of the system. This was accomplished under the adopted plan through existing and new six-inch lines.

City Engineer Harold Penn supports the improvement proposals with the declaration that the program will give Northville an "excellent" system, both from the standpoint of facilities — lines and valves — and supply and storage.

His report was given full support by James R. Pollock, water consultant, whose growth studies also point out that the improvements have been planned to provide for the anticipated growth of the community.

Other improvements would include:

15 new fire hydrants to provide adequate protection throughout the city with hydrants spaced a minimum of 500 feet apart.

95 new valves to enable workmen to isolate a break without shutting off service to large areas; presently, a break in one of the city's lines could stop water service to areas several blocks large.

Looping of the system with a network of lines to eliminate nearly all deadends; this should provide better circulation and, along with the increased size of lines, allow proper flushing of the system.

Naturally, the ultimate idea of the program is to provide water users with better water and an adequate supply and pressure to give proper fire protection.

The plan also has taken into consideration the possibility of Detroit water in this area within the next 10 years. Should this become available — as now anticipated — and the city decides to purchase from Detroit's system, the proposed improvements would be necessary and adequate to make this transition.

One advantage of Detroit water, of course, is its softness compared to Northville water. By having adequate storage to acquire its water from Detroit during the night-hours of less usage Northville could obtain lower water rates than if it was necessary to pump from Detroit during the day. The present wells could still be retained on a standby, emergency basis.

The waiver of penalty for 1958 taxes results from misunderstandings relative to the penalty effective date.

NOTICE OF PUBLIC HEARING

Time: Tuesday, Feb. 24, 1959, 8 P.M.

Place: Northville City Hall

The Planning Commission for the City of Northville has, on its own motion, decided to consider the re-zoning of the following described property from R-3 to C-2 classification:

LOTS 45, 46, 47, 48, 49, 50, 51, 52 and 54 OF ASSESSORS' NORTHVILLE PLAT NO. 1. (These lots are on the North side of Cady Street, between South Center and Church Streets).

Please take notice that a public hearing will be held on the above described re-zoning question at the time and place specified above.

This notice given pursuant to the provisions of Section 4, Act 207 of the Public Acts of Michigan for 1921 as amended.

(Signed) THOMAS R. CARRINGTON
CHAIRMAN, PLANNING COMMISSION

Second Half Rally Saves Local Cagers

The Barons may have tied the knot at Bloomfield Hills Friday, but it was the Mustangs who applied the noose.

Trailing at the end of the first half by seven points, the Mustangs staged a second-half rally to salvage a 55-47 victory over West Bloomfield.

The win boosted Northville into a three-way tie for third place in the Wayne-Oakland league race and left West Bloomfield with a share of the league door-mat.

Clarenceville and the 1957-58 Clarkson champions claim a share of third place; the Wolves earned their share by virtue of a 56-34 win over Milford, while Clarenceville was forced to remain in third after bowing to second-place Holly, 67-49.

Meanwhile, Brighton continued to dominate the league. The Broncos notched their sixth straight win Friday by edging a surprisingly aggressive West Bloomfield squad. The Lakers led Brighton throughout the contest, but let the game slip from their hands in the final seconds of play. The loss dropped West Bloomfield to fourth place.

A real battle is shaping up for tomorrow's contest between Northville and Clarenceville at the community gym. With both teams hanging onto a piece of the third place spot, a fight for survival is certain. The two teams will clash only once this season.

The Trojans will be out to snap a two-game losing streak which threatened all hopes of at least a share of the cage championship.

Coach Stan Johnston's cagers, fresh from two league victories, are equally determined to continue their winning pace. The team's ace center, Jeff Goodrich, who saw limited action last week end for the first time since he suffered a severe ankle injury several weeks ago, is expected to play four quarters of basketball tomorrow.

"His timing was way off against Bloomfield," Johnston said following Friday's game. "But he should be ready to go against Clarenceville."

The 6' 9" center managed to net only a single basket for his team's winning effort.

But while Goodrich fell short of his usual stellar performance, Northville's Nelson Schrader played what Johnston said was his finest game of the season. Playing the center position throughout most of the game, Schrader connected repeatedly with sizzling hook shots. He netted seven field goals and five free shots to take scoring honors.

Northville nearly lost the game in the first half on a combination of weak defensive maneuvers and a poor shot average. The local cagers scored only 8 points in the first stanza, 12 in the second, while the Barons hit for 14 points in the first, 13 in the second.

The Mustangs salvaged the win in the second half, however, with a tremendous 21-point barrage in the third quarter followed by 14-point salvo in the final quarter. Bloomfield Hills scored 11 points in the third quarter and 9 in the second.

Wade Deal, Northville's left forward, continued his fine shooting performance which started two weeks ago at Milford. He scored 13 points Friday. Other top scorers for Northville were Bob Starnes, forward, 11 points, and Roger Atchinson, guard, 8 points.

Douglas Danziger captured scoring laurels for the Barons, dumping in five field goals and six free shots. The Barons took the floor shot record connecting on 17 of 51 attempts for a 33 percent average, while the Mustangs hit for 19 of 68 for 28 percent. At the free shot line, however, Northville edged the host team, scoring on 55 percent of its charity tosses. Bloomfield Hills hit for 52 percent.

Saturday night, the Mustangs will travel to Plymouth where they are certain to face an angry opponent. The Rock's were humiliated by arch rival Northville earlier in the season when the Mustangs turned in a 90-62 win — their first victory of the season.

Skiing Gains Popularity
The year-round versatility and use of Michigan's state parks and recreation areas is convincingly dramatized during wintertime by the increasing popularity of skiing.

During the 1957-58 season, some 54,500 skiers slalommed, snowplowed or sitzmarked on hills, slopes and trails at Holly, Highland and Pinckney recreation areas and Porcupine Mountains state park.

Sports

THE NORTHVILLE RECORD—Thursday, February 5, 1959—7

The Coach's Corner

by STAN JOHNSTON
Northville High School Basketball Coach

I can't recall any basketball season in the past seven years that has been so riddled with player injuries as the present one.

It would be nice to have the entire squad in good physical condition for just a few games this season.

In the opener with Willow Run, Fred Schwarze was sidelined with a throat infection. We lost! Schwarze was back in action next night and we trounced Plymouth.

The next week we opened the league season against West Bloomfield with a full squad. . . . We won easily.

In our clash with Clarkson, Bob Starnes was out with a knee injury and we lost by 4 points.

Jeff Goodrich was the next player forced from the lineup. He suffered a severe ankle injury. We dropped the next four games without the services of the 6' 9" pivot man.

Somehow we pulled ourselves together to beat Milford and then came from behind to whip Bloomfield Hills. Goodrich saw a little action the latter game.

Following Friday's game, we were feeling pretty good about having the entire team together again for the two games this weekend.

But fate was against us: Schrader bruised an elbow in the Bloomfield Hills game and Schwarze suffered an ankle injury in the same contest. Both boys will be hampered tomorrow and Saturday by their injuries.

It's dangerous to anticipate who will run against Clarenceville tomorrow night. I hope we have FIVE MEN.

Maybe we would have lost those six games even if the team had been in top condition — but we sure would like to start over again and find out!

Frosh Gird Selves Against Cage Wrath

Brighton's freshman cagers will be out for revenge Monday when they clash with the local freshmen who last Thursday eked out a 39-38-point victory in the final 30 seconds of play.

The win was Northville's tenth against no losses; the loss was Brighton's first this season.

Coach Joe Wilkinson's cagers have just begun to recover from the blistering pace of last week's game.

"The boys are plenty tired . . . but they'll have to really play to win Monday," he said. The game will get underway at 7 p.m. in Brighton's gym.

Brighton nearly had the bow tied on its victory package Thursday when Northville wrapped up the win on Dick Batthey's jump shot only 30 seconds before the game ended.

The local cagers pumped in 20 points to Brighton's 22 points in the first half. The margin was narrowed to a single point as the third quarter ended, 29-28.

Don Busch took scoring laurels for Northville with 8 points. Tommy Long, Jim Anderson and Steve Judy each scored 7 points for the winners.

Star Cager Back; Colts Win 3rd Tilt

Apparently freed of their basketball doldrums, Northville's junior varsity quintet notched its third win of the season Friday, crushing Bloomfield Hills, 45-21.

The 24-point margin was by far the most impressive victory turned in by the Colts this season. Coach Don VanNingen's squad now holds a 3-7 record.

Defensively, the Northville cagers were outstanding. Bloomfield Hills managed to score only seven field goals during the entire game; the host team came up with but one basket in each of the second and third quarters. They split the nets for three field goals in the first stanza and two in the final quarter.

Meanwhile, the Colts peppered the nets with 13 points in the first quarter, 15 in the second, 11 in the third and 6 in the fourth.

The score was 28-12 at the end of the first half.

Center Jim Patterson, hoisted to the varsity squad two weeks ago to fill in at center during Jeff Goodrich's absence, returned to the Colts' lineup Friday to lead his team to victory with an 18-point barrage.

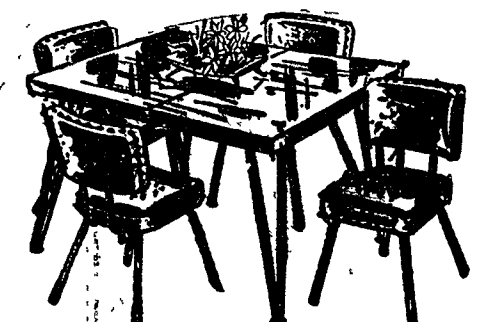

Patterson started with the Mustangs this season but was dropped to the junior varsity squad where he could see more action and help the struggling Colts. With his 18-point output Friday, Patterson now has scored a total of 84 points in six junior varsity games for a 14-point average.

Tom Schwarze, guard, was runner-up in Northville's scoring column with 9 points.

Bloomfield Hills edged Northville at the free throw line, scoring on seven of 15 charity tosses for a 47 percent average.

Five Northville Firms Join Real Estate Association

Five Northville real estate firms are members of the newly amalgamated United Northwestern Realty association and Western Wayne County Board of Realtors.

The united organization becomes one of the largest real estate groups in the state with a combined membership of more than 1200.

Northville members are: Doren Real Estate, 138 North Center; Northville Realty, 160 East Main; D. J. Stark, 900 Scott avenue; Don Merritt Agency, 125 East Main; and C. A. Lipa, 116 South Center.

A joint study committee, headed by Lawrence Steinhauer of the Western Wayne board and John Grimes, vice president of UNRA, was formed early in 1958 to consider the possibility of uniting the two groups.

The task of cementing a relationship between a realtor group and an organization not affiliated with the NAREB, seemed almost insurmountable.

The word "realtor" is not a synonym for a person who sells real estate, but is a word coined and duly protected by law and reserved for use by members of the National Association of Real Estate Boards.

The reason the UNRA is not affiliated with the Realtor movement is that it was founded on the "multi-list" premise back in 1919 prior to the time that the Realtor movement accepted the multiple listing principle as an organized or even openly talked about segment of the real estate business.

Thus the challenge of combining the two organizations to serve the area west of Woodward avenue to the Washtenaw county line was faced by the joint study committee early this year. After months of deliberation the committee formulated a plan that resulted in the amalgamation of the two groups into a working organization which will better serve the real estate needs of the people in the metropolitan area, by providing the property owner who lists his property with any one member of the newly formed group to have it made available for sale through "multi-list" in real estate offices covering over a 750 square mile area. It is now possible to list with one member office of the UNRA, western Wayne County Board of Realtors and within 48 hours, the listing is made available to 175 real estate offices with over 1,000 salesmen.

The amalgamation formula worked out, was simple, effective, and

to the mutual benefit to all concerned. The plan changed the by-laws of the two organizations so that both charters were in harmony. The two groups then agreed to be governed by one board of directors, this board to be made up of members affiliated with the realtors movement only.

The present central office of the UNRA at 19260 Grand River avenue, near Outer drive, will serve as the central office for the newly amalgamated group and Jack Jominy of 10011 Mercedes avenue in Redford township was appointed executive director.

The organization meets tonight to hear Dwight K. Hamborsky, director of Detroit area Federal Housing Administration at Cregar's dining room on Grand River at West Outer drive.

Mrs. Stopper has studied with Margaret Craske in New York and with Theodore Smith in Detroit.

For more information about the classes interested persons may call Mrs. Stopper at her home, FI-9-3039.

1—CARD OF THANKS

I wish to express my sincere thanks to everyone who remembered me during my stay in the hospital; also doctors and nurses.
Mrs. Mary Cole

My friends who were so helpful throughout the illness and bereavement of the late Fred Ehrenberg. For the beautiful floral offerings and sympathy extended, I am deeply grateful.
Mrs. Fred R. Ehrenberg

Our sincere thanks to all the people who attended our breakfast February 1, Stubb Schultz, our cook, and Mrs. Schultz for printing the tickets and to all the parents who participated in the event.
Boy Scout Troop 731

We wish to thank our friends and neighbors for their kindnesses and help during Mr. Milnes' convalescence from his recent accident. Particularly we thank Dr. Wetterstrohm, Dr. Atchison, Rev. Davies, Fred Casterline and the American Legion.
Mr. and Mrs. William S. Milne

13—NOTICES

STATE OF MICHIGAN County of Wayne, ss. 469,283

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twenty-seventh day of January, in the year one thousand nine hundred and fifty-nine.

Present Ernest C. Boehm, Judge of Probate.

In the Matter of the Estate of MARY SNYDER, Deceased.
On reading and filing the petition of Walter R. Snyder praying that administration of said estate be granted to Ella Trotter or some other suitable person:

It is ordered, That the Third day of March, next at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Ernest C. Boehm,
Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
Cecil A. Bernard,
Deputy Probate Register
Dated January 27, 1959

AN ORDINANCE TO PLACE THE WATER SUPPLY SYSTEM OF THE CITY OF NORTHVILLE ON A PUBLIC UTILITY BASIS IN ACCORDANCE WITH THE PROVISIONS OF ACT 94, PUBLIC ACTS OF MICHIGAN, 1933, AS AMENDED; TO PROVIDE FOR THE CHARGING OF RATES FOR WATER SERVICE; TO PROVIDE FOR THE DISPOSITION OF THE REVENUES OF THE WATER SUPPLY SYSTEM; AND TO PROVIDE FOR OTHER MATTERS RELATING TO SAID SYSTEM.

THE CITY OF NORTHVILLE ORDAINS:

Section 1. From and after March 1, 1959, the Water Supply System of the City (as hereinafter defined) shall be operated on a public utility basis as authorized by law, particularly Act 94, Public Acts of Michigan, 1933, as amended.

Section 2. Wherever the words "the System" are used in this Ordinance, they shall be understood to mean the complete Water Supply System of the City of Northville and said System shall include the wells, well houses, pumps, water storage facilities, pumping stations, all water mains and water treatment facilities and all other facilities used or useful in connection with the obtaining, treating, storage and distribution of water and appurtenances and attachments thereto and shall also include any of the same which may hereafter be acquired.

Wherever the words "revenues" and "net revenues" are used in this Ordinance, they shall be understood to have the meaning as defined in Section 3 of Act 94, Public Acts of Michigan, 1933, as amended.

Section 3. The operation, repair and management of the System, and the acquiring of all improvements thereto, shall be under the immediate supervision and control of the City Manager, subject, however, to general overall control of the City Council.

Section 4. The System shall be operated on the basis of an operating year commencing July 1st and ending on the next following June 30th.

Section 5. The charges for water service to each premises connected to the system shall be measured by the City water meter installed in each premises and such water charges shall be as follows:

First 6,000 gallons per quarter: 50c per 1000 gallons;
Next 144,000 gallons per quarter: 25c per 1000 gallons;
Above 150,000 gallons per quarter: 11c per 1000 gallons.

The minimum charges per quarter are as follows:

READINESS TO SERVE CHARGE
SIZE OF METER OR SERVICE
1/4 inch 6,000 gallons or less
per quarter \$3.00
1 inch 14,000 gallons or less
per quarter \$5.00
1 1/2 inch 28,000 gallons or less
per quarter \$8.00
2 inch 56,000 gallons or less
per quarter \$15.50

For water furnished otherwise than through meters, the City Council shall fix a reasonable rate by resolution.

For building or construction purposes, the following charges shall be made for the use of water from the time of installation of the service pipe until a meter is installed.

For 3/4" Service Pipe:
\$3.00 per month or fraction thereof;
For 1" Service Pipe:
\$5.00 per month or fraction thereof;
For 1 1/2" Service Pipe:
\$8.00 per month or fraction thereof;
For 2" and larger Service Pipe:
\$15.50 per month or fraction thereof.

For fire hydrants located on private property a charge of \$25 per year shall be collected. Said charge shall be paid in four (4) equal installments payable at the time of quarterly billing.

For water being supplied to users outside the corporate limits of the City, the charge shall be double the rates inside the City.

HYDRANT RENTAL

The city shall pay in equal quarterly installments in advance the sum of \$50.00 per year per hydrant as hydrant rental for water used through fire hydrants and for the availability of such water. Such sum shall be paid from the general funds of the city into the Water Supply System Receiving Fund.

CONNECTION CHARGES

For each 3/4" or 1" connection to any water main which has been constructed and to which all connections have been made and paid for by others than the City the charge shall be \$100.00.

For each 3/4" or 1" connection to any water main constructed by the City the charge shall be \$200.00.

All connections to the water system shall be subject to inspection and approval prior to use.

For connections larger than 1", the connection charges shall be fixed by the City Council by resolution.

BILLING

Charges for water service furnished by the System shall be collected in quarterly periods, and bills shall be sent to each user immediately after the end of the period and shall be due and payable at the office of the City Treasurer fifteen days after the date of the bill.

For all the bills not paid within 15 days of date of bill, a penalty of 10% shall be added.

ENFORCEMENT

The charges for water services which are under the provisions of Section 21, Act 94, Public Acts of Michigan, 1933, as amended, made a lien on all premises served thereby, unless notice is given that a tenant is responsible, are hereby recognized to constitute such a lien and whenever any such charge against any piece of property shall be delinquent for six (6) months, the City official or officials in charge of the collection thereof shall certify annually, on April 1st of each year, to the tax assessing officer of the City, the fact of such delinquency, whereupon such charge shall be by him entered upon the next tax roll as a charge against such premises and shall be collected and the lien thereof enforced in the same manner as general City taxes against such premises are collected, and the lien thereof enforced: Provided, however, where notice is given that a tenant is responsible for such charges, as provided by said Section 21, no further service shall be rendered such premises until a cash deposit of not less than Twenty-Five (\$25.00) Dollars shall have been made as security for payment of such charges.

In addition to other remedies provided, the City shall have the right to shut off and discontinue the supply of water to any premises for the nonpayment of water rates when due. If such charges are not paid within sixty (60) days after the due date thereof, then water service to such premises shall be discontinued. Water services so discontinued shall not be restored until all sums then due and owing shall be paid, plus a turn-on charge of Three (\$3.00) Dollars.

Section 6. No free service shall be furnished by said System to any person, firm or corporation, public or private, or to any public agency or instrumentality.

Section 7. Commencing March 1, 1959, the revenues of the System are hereby ordered to be set aside, as collected, and deposited in a bank to be designated by resolution of the City Council, in an account to be designated WATER SUPPLY SYSTEM RECEIVING FUND (hereinafter referred to as the Receiving Fund), and said revenues so deposited are pledged for the purpose of the following funds and shall be transferred from the Receiving Fund periodically in the manner and at the times hereinafter specified.

(A) OPERATION AND MAINTENANCE FUND:
Out of the revenues in the Receiving Fund there shall be first set aside, quarterly, into separate depository account designated Operation and Maintenance Fund, a sum sufficient to provide for the payment of the next quarter's current expenses of administration and operation of the System and such current expenses for maintenance thereof as may be necessary to preserve the same in good repair and working order.

The City Council, prior to the commencement of each operating year, shall adopt a budget covering the foregoing expenses for each year, and such total expenses shall not exceed the total amount specified in said budget, except by a vote of four-fifths (4/5) of the members of the City Council.

(B) GENERAL OBLIGATION BOND AND INTEREST REDEMPTION FUND:
There shall next be established and maintained a separate depository account designated as the General Obligation Bond and Interest Redemption Fund, which shall be used solely for the purpose of paying the principal of and interest upon general obligation bonds of the City heretofore or hereafter authorized to be issued for water improvements. The moneys in the General Obligation Bond and Interest Redemption Fund shall be kept on deposit in a bank designated by resolution of the City Council.

Out of the revenues remaining in the Receiving Fund after provision

has been made for expenses of operation and maintenance of the System, there shall next be set aside, quarterly, in the General Obligation Bond and Interest Redemption Fund, a sum which will be sufficient to provide for the payment of principal of and interest upon all outstanding general obligation bonds of the City issued for water improvements, as and when the same become due and payable.

(C) SURPLUS MONEYS:
Moneys remaining in the Receiving Fund at the end of any operating year after satisfying the above requirements may, in the discretion of the City Council, be transferred to the General Obligation Bond and Interest Redemption Fund and used to call bonds prior to maturity or to establish a reserve therefor, or transferred to a special depository account to be established and maintained and designated as Improvement and Extension Fund and used for improvements, enlargements, extensions or repairs to the System: Provided, however, that if there shall be any deficit in the Operation and Maintenance Fund or the General Obligation Bond and Interest Redemption Fund, on account of defaults in setting aside therein the amounts hereinbefore required, then transfers shall be made from such funds remaining in the Receiving Fund to such funds in the priority and order named, to the extent of such deficits.

Section 8. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance, are to the extent of such conflict hereby repealed.

Section 9. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 10. This Ordinance shall be published in full in the Northville Record, a newspaper of general circulation in the City of Northville, qualified under State law to publish legal notices, prior to its adoption and this Ordinance shall be recorded in the Ordinance Book of the City and its recording authenticated by the signatures of the Mayor and City Clerk. Further, that a summary of this ordinance shall be published within 10 days after adoption of same.

Section 11. This Ordinance shall become effective February 26, 1959.

OFFICE SUPPLIES

PASSENGER HURT SERIOUSLY — The wife of the driver of this truck was seriously injured Sunday when the truck slammed into the rear of a car, flipped over and skidded nearly 200 yards down the expressway.

State Hospital Patients' Council Honors Volunteers

Thursday, February 12, from 2 to 4 p.m., the Northville State Hospital Patients' Council is honoring its volunteers at a Valentine tea in the hospital cafeteria.

According to the patient, who is the council president, "We appreciate how much the volunteers do for us and want to take this way of saying 'thank you for everything'."

Composed of elected officers from each of the hospital's 48 units the Patients' Council meets weekly to discuss problems connected with group living to make announcements of importance to all patients and suggestions to the staff.

The three officers of the council attend one administrative staff session each week. Here they discuss suggestions, requests and complaints with department heads and are given answers which can be sent back to all patients through their ward representatives.

Current staff sponsors of the Patients' Council are Delores Johnson of the Social Service department, and Richard Altounian, an occupational therapist.

The two "Psychiatric Aides of the Year", who were elected by the Patients' Council, will receive a bond and special citation. They are Mrs. Eunice Tenpenny and Hooper Fite.

The tea is the fourth such event planned by the patients who hope to make it a yearly event.

Births

Mr. and Mrs. Robert E. Scheffer of Warren announce the birth of a daughter, Wendy Lee, on February 2 at William Beaumont hospital, Royal Oak. Grandparents are Mr. and Mrs. Raymond Scheffer of Farmington and Mr. and Mrs. Jack Blackburn of Orchard drive, Northville. Wendy has a two year old brother, Robin.

Mr. and Mrs. Per V. Iversen are proud to announce the birth of their first child, a son, David Jeffrey, January 30 at Mt. Carmel hospital. David weighed nine pounds, six ounces. Mrs. Iversen is the former Joan Perry, daughter of Mr. and Mrs. Roy Flavin of West Seven Mile road. Paternal grandparents are Mr. and Mrs. Elmar Iversen of North Center street.

Northville Democrats Attend Political Dinner

A delegation of Northville Democrats were on hand last week end for the 17th district's second annual Democratic Congressional dinner at Delmonico Inn, Livonia.

Highlighting the event was the speech by Representative Frank Thompson of New Jersey. In addition, Governor G. Mennen Williams and other local elected officials were honored during the evening program.

Attending from Northville were Mr. and Mrs. Walter Volke, Mr. and Mrs. Edward Cassel, Mr. and Mrs. John Litsenberger and Mrs. C. E. Woodruff.

Expectant Mother Seriously Injured In Truck-Car Crash

A St. John's woman was critically injured and a Detroit couple miraculously escaped serious injury Sunday afternoon when a loaded cattle truck plowed into the rear of a passenger car on US-16 expressway just east of Novi road.

Mrs. Milan R. Thurston, 24, wife of the truck driver was reported in "satisfactory" condition Tuesday at Mt. Carmel hospital. The expectant mother suffered cuts and bruises and a possible skull fracture.

The woman's husband was thrown clear of the wreckage. He reportedly suffered only minor injuries.

Enio Johnson, 55, and his wife, driver and passenger of the other vehicle, barely escaped serious injury. They were treated at the Redford medical center.

The truck struck the stopped car in the east lane of the expressway. The impact drove the trunk of the car into the front seat, cutting the vehicle into steel ribbons.

The truck overturned on the highway and 10 dazed cattle escaped uninjured. It took police from Novi, Farmington city and township, Wixom and state troopers nearly three hours to round up the cattle.

Police Chief Lee BeGole said the crash occurred when Johnson stopped his car in the highway to ask a motorist parked on the shoulder if he needed help.

NEWS FROM THE AMERICAN LEGION

The Congress of the United States annually allocates money for the operation of the Veterans Administration and its various programs to assist the veterans and alleviate his distress in time of need.

Strangely enough, though, this same Budget Bureau has repeatedly interceded and withheld funds from the VA for the operation of outpatient facilities. Only at the intervention of the American Legion National executive committee were these budgets restored, and then only at the expense of other VA services.

This could be a forecast of what will be in store for every veteran in the future when his apathy has let his Legion die from want of members.

The Lloyd H. Green Post 147 wishes to take this opportunity to congratulate the Boy Scouts of America on the observance of their birthday, February 8-14.

On February 10 at 8 p.m. at the Veterans Memorial Home, members of the city council, candidates for the council and other interested citizens will meet to discuss the bond issue for the new water system. All interested citizens are urged to attend.

Clothing Drive Planned to Aid Underprivileged

Most Americans are shocked to learn that many children in the Southern Appalachian mountains of the United States cannot attend school regularly in winter because they do not have adequate clothing and shoes.

To provide clothing for children and their families in underprivileged areas of America as well as to the victims of disaster both at home and overseas, students of the Northville schools will collect clothing during the week of February 16 in the 17th annual Bundles Day clothing collection sponsored by Save the Children Federation in schools across the nation.

Residents are urged to donate good, used summer or winter clothing for children, babies and adults. Clothing may be brought or sent to school in bags or cartons. It will be re-packed for shipment.

Low-heeled shoes and overshoes are especially requested. Also needed are serviceable coats and dresses, pants, underwear, socks, shirts, sweaters, skirts, caps, blankets, sheets and baby clothes.

This year, conditions in the southern mountains are especially acute due to unemployment and floods. Clothing is desperately needed to clothe school children as well as entire families.

Donated clothing is sent to the southern mountains, where it is made available through SCF clothing centers, at very low prices, thus enabling a poor but proud people to maintain their self-respect.

Additional clothing is distributed without charge, through county welfare and attendance officers to those who cannot afford to pay. Clothing is also stockpiled for emergency disaster use in this country and overseas.

Library Adds Five Books During Past Two Weeks

New books that have been purchased by the Northville library during the past two weeks are: "Anne Frank", a portrait in courage by German Author Ernst Schnabel; "Princess Margaret", an informal biography by British newspaperman Gordon Langley Hall; "The Peter Townsend Story" by Townsend's long-time friend, journalist Norman Barrymaine; and "The Land God Gave to Cain" by novelist and journalist Hammond Innes.

Other popular books recently acquired — all with waiting lists behind them — include: "It All Started With Marx", a spoof of Russian history and communism by Scripps college English Professor Dr. Richard Armour; "The Best of Everything" by recent Radcliffe graduate Roma Jaffe; "The Ugly American" by Lederer and Burdick; and Nobel prize-winning "Doctor Zhivago" by Boris Pasternak.

Teaches Daughter to Steal

This week I read in the paper where a Detroit woman appeared before Judge Joseph A. Gillis and admitted that she has been teaching her daughter to steal.

A store detective told the court she saw the mother and daughter take a \$7.99 skirt. The child hid the garment while the mother watched for sales people. I'm sure that you will agree with me that this was a terrible thing for a mother to do. As I pondered this, I thought about how it is possible for parents to teach their children many wrong things by setting a bad example before them. The man who drinks should not be surprised if his son turns out to be a drunkard. The mother who doesn't act like a lady will not doubt have a daughter who acts like her or even a bit worse. The parents who use God's name in vain cannot expect to have much respect for God or man. The man who speaks lightly of the Bible or of the Church need not wonder that his son grows up to be an atheist. Yes, we teach our children many things without uttering a word. May this lesson be pressed home to every parent who still have children in the moulding stage of their lives. DON'T TEACH THEM TO DO WRONG!

"Car-Free" Sledding Was Fun

Irked by last week's ice? You're probably a victim of the times — whose appreciation of the joys of winter has been dulled by the horseless carriage.

Nothing puts a sting in the weather like a whining engine, juiceless battery, or the busy hum of snow-bound tires.

Not too many years ago, things were cheerier, say Northville natives, Mr. and Mrs. Arnold Teshka. One of winter's rare treats for pre-Thunderbird youngsters, they recall, was sledding on the car-free village streets.

A popular toboggan route began at the top of Eastlawn — then Buckner — hill. Gravitating downward, you roared along High street, past the fire hall, zipped eastward on Main, and volleyed south to the race track or the old fair grounds.

For lady-like girls or gents with lady-like mothers there was the modified run from the top of Rogers street to the fish hatchery.

The Teshkas add that most of the sleds and toboggans were home-made and subject to the tender-loving ingenuity of the individual inventor.

All featured steering rudders, for more calculated efficiency, and had four wooden runners, placed like auto-wheels.

Northville also claims the first ski jump in Michigan, the Teshkas point out.

Located on the Cass Benton hill, it faced what is now the Seven Mile road cutoff.

Maybe there were a few more broken bones around, but in the good old days we were a winter paradise.

Methodist Men Plan Father-Son Dinner

The Methodist Men's club of the First Methodist church of Northville will hold its annual Father and Son banquet Monday, February 16 at 6:30 p.m.

All fathers and sons are invited. Arthur Sinclair, well known Detroit chalk-talk artist, will provide the evening's entertainment.

Tickets can be purchased from any club member or from the church office.

TEENAGERS CONTRIBUTE — Joe Alessi, owner of Royal Recreation, 120 West Main, looks over a March of Dimes sign, filled with nearly \$70 in dimes. Alessi said teenagers who eat their lunch in his business establishment contributed most of the money.

Cubs Plan Candy Sale At Bank Tomorrow Night

Cub scouts of Pack 721 will have a cashew crunch candy sale tomorrow (Friday) evening at Manufacturers National Bank.

The candy will be attractively packaged in one pound canisters. Proceeds will be used for subscriptions to Boy's Life magazine.

At the pack's regular monthly meeting Monday night, each den put on a skit after the month's theme: Cub Scout Newsman.

Dens 4 and 7 visited The Record office in January.

Announcement was also made of the formation of a new Webelos den under the leadership of Fred Cushing.

Car Gets Fast Warm-Up On Cold Winter Morning

Northville firemen quickly extinguished a fire that broke out in the motor of Earl Hall's car when he tried to start it Thursday morning. Hall of West Seven Mile road, was not injured, and damages to the car were small. Cause of the fire was not determined.

WHY DIDN'T THEY PICK OUR TOWN?

When an industry looks at our town then picks another . . . Why?

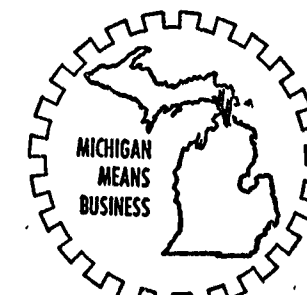

Perhaps we lost because of reasons beyond our control: the company's problems of markets, transportation, raw materials, etc.

But perhaps it was because we lack advantages which competing towns have and which we need if we are to attract industry. Usually a town can develop most of the advantages it needs if its citizens work hard enough and work together. Do we?

Perhaps the company felt that the community's attitude isn't favorable for new industry. Attitude of the people toward their present industry, toward their town and toward each other. Community attitude is not merely everybody's business. It is everybody's every day contribution — good or bad.

Join hands with your local industrial development organization and the Michigan Economic Development Department to help your community prosper.

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

SOME LIKE IT SLOW — Although many teenagers like their music with a locomotive tempo, some prefer to dance to the ever-popular instrumentals.

TIME OUT FOR POP — While the juke box, band and dancing feet are resting, teenagers take time out for pop served up by (left to right) Navy Recruiter John Goss, his wife, and Rex Holloman, dance chaperons. In the foreground are (left to right): Marilyn Harsh, Barbara Miller and Jim Bakes.

Teens' Trots Really Rock Legion Hall

Don't let that crazy Legion hall beat fool you —

Northville's veterans can stamp out a mean march, but man, they're squares compared to the youngsters that shake dust at the hall every Saturday afternoon.

Hardly a brick in the building can resist jumping in rhythm with the music streaming out of the hall basement.

Each week a teenage dance is sponsored jointly by the American Legion Post 147 and Northville's Navy recruiting station under the guidance of Naval Recruiter and Mrs. John Goss and Rex Holloman of the Legion. It was initiated last September on a "temporary" basis but proved so successful that it has become a weekly activity.

Youngsters who dance at the hall each week belong to the Northville Teenage Club — a self-appointed dance "watchdog". The club, which numbers more than 125 boys and girls, has only one requirement: Joiners must be between the ages of 13 and 19.

Boys and girls from Novi, Walled Lake and other nearby communities are included among the present membership.

The success of the free weekly dance, Club Secretary Brenda Bartschi explained last week, can be measured in part by the behavior of the teenagers who attend. Contrary to a popular belief, she said, teenagers are as fine acting as any group. "We haven't had a fight — not even an argument since the dances started," she said.

The dance chaperons also are pleased with the behavior of the teenagers: "These kids are really

great. We hope they continue to enjoy themselves."

Other club officers are: Don Goss, president; Marilyn Modos, vice president; Thomas Wiedner, treasurer; Larry Clark, publicity director, and Edythe Bosak, head of decorations.

Club meetings are usually conducted for a short period after each dance. Plans and ideas for future dances are formulated during the meetings.

There are no club dues. However, occasional donations are accepted to help pay the cost of new records for the juke box — which was purchased by the Legion.

To give the dances a professional touch, a teenage dance band from Walled Lake frequently performs without pay. Members of the band — who call themselves the Trail Blazers — include: Director Ray Tillery, guitar; Junior Tillery, guitar; Jim Booth, drums, and Ted Fredette, saxophone.

Another "added attraction" at the dance is the soft drink stand where all kinds of pop is sold.

The nearly 100 teenage boys and girls who attend the dances regularly are about evenly divided. Most come unescorted. Almost all of them rate Jack Scott, Elvis Presley and Pat Boone near the top of the popularity list, while dance music words are "runaround" and "bop". "runaround" and "bop".

CITY OF NORTHVILLE

COUNTIES OF WAYNE AND OAKLAND, MICHIGAN

NOTICE OF SPECIAL ELECTION

TO THE QUALIFIED ELECTORS OF SAID CITY:

PLEASE TAKE NOTICE that a Special Election will be held in the City of Northville, Counties of Wayne and Oakland, Michigan, on the 16th day of February, 1959, from 7:00 o'clock a.m. to 8:00 o'clock p.m., Eastern Standard Time, for the purpose of submitting to vote of the qualified electors of said City the following proposition:

Shall the City of Northville, Counties of Wayne and Oakland, Michigan, borrow the sum of not to exceed Three Hundred Thousand (\$300,000,000) Dollars and issue the general obligation bonds of the City therefor for the purpose of paying the cost of acquiring and constructing improvements to the water supply system of the City consisting of an elevated storage tank, rehabilitating the filter building, a new well site, well and housing with necessary pumps and motors, chlorinating equipment, additional water mains, hydrants, valves, and appurtenances and attachments thereto?

Only those qualified and registered electors who have property in the City assessed for taxes, or the lawful husband or wife of such persons, are qualified to vote on the above bonding proposition.

ALSO TAKE NOTICE, that the Spring Primary Election will be held in the City of Northville, Counties of Wayne and Oakland, Michigan on the 16th day of February, 1959, from 7:00 o'clock a.m. to 8:00 o'clock p.m., Eastern Standard Time, for the purpose of nominating candidates for the following offices:

FIVE (5) CIRCUIT JUDGES (Oakland County)
ONE (1) AUDITOR (Wayne County)

The places of election will be as follows:

Precinct No. 1—Northville Community Center
Precinct No. 2—Northville Community Center
Precinct No. 3—Russell Amerman Elementary School

This Notice is given by authority of the City Council of the City of Northville, Counties of Wayne and Oakland, Michigan

a mother of four speaks . . .

"My Gas Clothes Dryer
saves me hours of
hard work each week!"

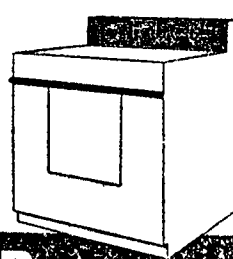

Mrs. Danis Utt
357 Buckingham
Flint, Michigan

"Our Gas Dryer is an essential part of this home. The clothes that four children can dirty in a week's time is amazing. It would be a lot of extra work to dry all that wash the old-fashioned way. It's done quick and easy with our Gas Dryer."

Busy mothers like Mrs. Utt shouldn't be without the convenience of an Automatic Gas Dryer. With the turn of a dial you get perfectly dried clothes every time . . . so soft and fluffy that ironing time can actually be cut in half. Yes, it's the fast, safe, modern way to dry clothes.

WALLED LAKE, MICHIGAN

SPEAKING

for the Record

by BILL SLIGER

Saturday we attended some of the sessions of the 91st annual Michigan Press Association convention at Kellogg Center in East Lansing.

Coming on the same week end that the governor announced his tax program, conversation naturally ran high on this subject.

Coincidentally, the new MPA president, Hillsdale Publisher Ted Hayhow, was a member of the Citizens' Advisory Tax Committee which recently sent its recommended tax program to the legislature.

He did not agree with the program as submitted by the committee however, and filed a minority report.

In an afternoon gab-session with two dozen publishers Hayhow answered questions and gave some of the opinions he had gathered on the state's tax problems after several months work on the project.

He explained that originally the committee was formed to: 1. Improve the business climate of Michigan; 2. Simplify the tax system; 3. Make taxes more equitable to all.

In Hayhow's opinion the committee departed from these objectives when they: 1. Learned that the state had a deficit of \$100 million; and 2. Decided upon a graduated income tax.

Hayhow also opposed the \$9 sales tax rebate and the elimination of personal property taxes.

Actually, Hayhow's recommendations come very close to the Governor's — except in the matter of graduated income tax — and, perhaps more important, the amount of money necessary to be raised.

The news of the state's \$100 million deficit came — understandably enough — after the election. At this point, says Hayhow, the committee bent its sights on providing enough tax dollars — and its three original objectives were forgotten.

Specifically, Hayhow's minority report recommends raising \$100 million — which is now needed to operate the state without slipping deeper in debt.

He objects to the idea of raising an additional \$40 million to pay off the state's deficit. His argument makes sense: if emergency taxes are imposed to pay off the deficit immediately, a new emergency or need would be uncovered next year and the \$40 million tax would never be removed. The deficit, instead, can be amortized over a number of years.

Hayhow also objects to the graduated income tax — which he doubts is constitutional in Michigan.

He points out that under the graduated income tax and sales tax rebate plan, 64 percent of the state's families would pay no new tax.

On this point we strongly agree with Hayhow: no one earning an income should be exempt from contributing to the support of government, even if the annual contribution is only \$1.00.

He recommends that a flat two percent income tax be imposed on individuals and corporations to bring the added \$100 million. He also suggests that this income NOT be withheld, but paid directly to the state by everyone.

In other words, EVERYONE should give a little towards the cost of government and they should KNOW they are giving it.

Perhaps then, the 64 percent who might escape any state tax would be less likely to vote for more government spending and subsidies.

What matter to a taxpayer how much money the government spends or what new services are invented if he is among the 64 percent untaxed?

Other points brought out by Hayhow included:

— Maintaining the personal property tax because it is the simplest and a substitute plan would only give more taxing authority to the state; the committee recommendation would eliminate the tax on equipment only, not on inventories, and this would hit many industrial communities particularly hard, Hayhow pointed out;

— The committee study was based on 1956 figures and that the new tax program would raise \$95 million more than the predicted \$140 million using current population and statistics;

— The state could raise another \$35 million annually by charging the federal government sales tax on its state purchases as many states do.

TOWNSHIP OF NORTHVILLE

ELECTION NOTICE

To the qualified electors of the Township of Northville, County of Wayne. Notice is hereby given that a General Primary Election will be held in the Township of Northville in the County of Wayne and State of Michigan, on the 16th day of February, 1959, from 7:00 o'clock in the forenoon until 8:00 o'clock in the evening, eastern standard time, for the purpose of nominating candidates for the office of one (1) COUNTY AUDITOR.

PCT. NO. 1 — Qualified voters (all voters residing on the west side of Sheldon Road and westerly to Twp. west line) will vote at the Northville Grade School, Main St.

PCT. NO. 2 — Qualified voters (all voters residing on the East side of Sheldon Road and easterly to Twp. east line) will vote at the Northville Township Hall, 16860 Franklin Road, Northville, Michigan.

D. J. STARK,
Northville Township Clerk

Are Stocks too High?

Babson Park, Mass. — The readers of this column really want to know whether stocks will go up further and, if so, how much further. The fact is that nobody knows and any answer is a mere guess. I, however, am absolutely unbiased in my answer. I have never accepted a commission for the sale of a share of stock or a bond, nor have I ever borrowed a penny!

My Personal Investments

My personal holdings are now about one-third in cash, one-third in short-term bonds, and one-third in a well-diversified list of common stocks. Therefore, whatever the market does is okay with me. Forgive the above personal reference; but I want to guarantee readers that this week's release is absolutely unbiased.

Moreover, I am not blaming brokers for usually being bullish. They have wages, rents and private wire costs to pay, and they find that 80 percent of their customers will trade only in the "up side". Therefore, they must be bullish or get out of the business. Magazine writers and radio news commentators know they can get their material accepted most readily by being bullish. Surely the bureaucrats in Washington know they can keep their jobs only by holding their tongues or by being optimists. I do not blame any of these; they must eat! I merely want my readers to take "with several grains of salt" what they hear and read today about the stock market outlook.

The Law of Chance

Now, what do I know? — Many years ago I took a course at the Massachusetts Institute of Technology which discussed "chance". This was later followed by studies in "Relativity" by Dr. Einstein. Briefly this law of chance means that nothing is fixed, or sure, or certain.

Everything we do must be based upon guesses. The secret of health, happiness, and prosperity is to make the right guesses and then have the self-control and persistence to follow through on these guesses.

Now let us apply this law of chance to the stock market. There is no basis for any banker, broker, or financial writer to tell you that the stock market is definitely going up or going down. Honest, intelligent, and experienced investment advisors will tell you that the chances are 60-50, or 50-50, or 40-60, or 30-70 that the market is going up. They will not hedge or straddle; they can honestly be bullish or bearish. But they will talk in terms of chance and not be imperial.

What About Special Stocks?

I recently asked the president of one of America's ten largest companies why it is so difficult to get him to give an opinion on his own stock. He replied: "Because I know that for every buyer of my stock, there must be a seller. These buyers and sellers know little about my company, yet they determine the price of its stock. But this is not

all. The stock goes up when the buyers are more anxious to buy than the sellers are to sell, and vice versa."

The above means that the price of an individual stock depends upon the impatience of the public to buy or to sell it. Impatience truly controls the price of every stock. The total average of this impatience determines the Dow-Jones Averages and all the other stock indexes. This is why no IBM or other machine can make a true forecast. Even accountants and statisticians are only morticians, exhuming and dissecting the past. They can only guess as to the moods of the people, which determine whether stocks are going up or down.

In order that readers may not think I am dodging or evading the main question, I will say that the chances are 60-40 that stocks will go down considerably in 1959. Hence the chances are in favor of those with the patience to wait longer before stocks for profit.

Former Northville Man Takes University Job

James F. Dubuar, a native of Northville, was approved last week as visiting professor of forestry at Southern Illinois university. Professor Dubuar will direct Southern's spring term forestry camp program. The forestry expert retired last summer as director of the ranger school in the State university of New York college of forestry at Syracuse, a position he had held since 1921.

He joined the faculty at New York in 1919 after two years with the U.S. Forest Service. He obtained his bachelor's and master's degrees at the University of Michigan.

Novi College Student Receives Academic Award

Joan Desarmeaux, daughter of Mr. and Mrs. Ernest Desarmeaux, 332 Farnsworth, was named to the dean's honor list for scholastic excellence during the fall term at Ferris Institute, Big Rapids. Students qualify for the honor list by maintaining at least a "B" average while carrying a full academic load. Miss Desarmeaux received special recognition at the academic honors convocation at Ferris late last month.

State Plans Youth Camps for Wayward

CAMPS FOR YOUTHS as the first major step in preventive criminology are being planned in Michigan.

They will not be for the boy who is already in trouble with the law, but for the neglected and aggressive lad who is a potential menace to society.

The idea came out of a committee on juvenile delinquency headed by Rep. Harry DeMaso (R-Battle Creek) which held a series of hearings on the subject last summer.

At the start of the 1959 legislative session, Rep. E. D. O'Brien (D-Detroit) introduced the measure to set up a pilot camp for 60 youths.

The pattern is taken from the Civilian Conservation Corps (CCC) program of the depression era when young men found themselves with time on their hands and no jobs.

Changed slightly to fit the needs of modern youths, the camps would be for those whom probate judges feel should have a change of environment before their existing circumstances cause them trouble.

Other plans of the DeMaso committee include a "family court" to "rather together all the social problems of a family for solution together."

As many as six or seven different court systems and jurisdictions now are used often on the same family. Often the problem of the parents are interrelated with those of the children.

Sending a boy to Boys Vocational School or to prison for a crime might solve the immediate problem without doing anything to remove the cause.

The family court idea is expected to run into legal problems in the recently exclusive jurisdiction of probate courts over youths through their 18th birthday.

The question is whether to give probate courts more jurisdiction over younger offenders or give probate court more jurisdiction over older youths.

Meanwhile, the state's prisons are getting more and more overcrowded.

The Michigan Crime and Delinquency Council estimates there will be a 30 percent increase in prison population by 1970 unless a greater emphasis is placed on parole and probation.

The state now has 10,500 prisoners and the budget for operating the system last year was \$15,000,000, not counting the millions spent to care families of inmates on welfare rolls.

This total cost will almost double by 1970 unless the system of preventive penology is altered in Michigan, the council said.

WASHINGTON REPORTS indicate that Senator Philip A. Hart is going to be independent of the Democratic majority leadership.

One report told of Senator Hart getting a private and friendly lecture from a veteran in the Senate, to the effect that freshman lawmakers can make or break themselves easily.

There was some talk of dissent during his last two years.

STATE PARK FEES will be proposed again in the 1959 legislature. Gov. Williams vetoed a \$2 a year

park fee once because, he said, the \$1,500,000 estimated yield was intended by the Republican legislature to erase the need for additional appropriations.

State parks got nothing for expansion, improvement and additional land acquisition.

Legislators say the plan this year will be a \$2 sticker for a full season, or 25 cents a day for those who do not want to pay the price for the full tag.

Events Out of the Past

ONE YEAR AGO...

A growing number of Novi parents were reported to be disturbed by the possibility that their children will be without a recreation program in the summer.

City councilmen approved plans for two major sewer projects and set a date to accept bids on the improvements. The sewer facilities will serve the new high school and Northville Heights subdivision and also provide badly needed drainage for the city's Oakwood area.

Northville basements were flooded when workmen in the new Northville Heights project attempted to drain swamp water through a sanitary sewer. The water backed into five basements, causing minor damage.

A special treatment center for mentally handicapped and emotionally disturbed boys was opened by the Wayne county training school.

More than a thousand dollars was collected by Northville mothers during their annual march on polio.

FIVE YEARS AGO

Herbert Koester narrowly escaped death or serious injury early Wednesday morning when a gunman shot at him through a French door of his home at 42780 West Eight Mile road. Koester told police he believed his opposition to Hoffa was the reason for the attack.

Northville mothers collected \$134.83 in their march on polio. Mrs. Eldon Biery, local March of Dimes chairman, reported.

Conditions under which the Northville community building, now under construction, may be leased to the public schools were discussed by the village commission.

The Northville Teachers' club representing some 48 faculty members in the two village schools, asked the board of education for a flat \$500 across the board salary increase for the 1954-55 school year.

Mrs. Charles Trickey, Sr., chairman of the March of Dimes Novi chapter reported that the drive beat the previous year mark with money still coming in.

Several Northville officials led by Village Commissioner Claude R. Ely were scheduled to meet with officials of other municipalities to discuss cooperative construction of an incinerator to burn garbage and rubbish.

FIFTEEN YEARS AGO

About 30 high school students, boys and girls, were actively participating in the cadet program of the Northville flight of the Civilian Air Patrol.

Three seniors were graduated from Northville high school. They were Walter Falconer, Gerald Miller and Robert McDonald. All three were scheduled to enter military service immediately.

Northville high school students scored a double victory over Plymouth. The Mustangs rocked Plymouth on the basketball court, 40-25, and the local school outdied Plymouth in war bonds.

Northville contributed about two tons of tin cans to the tin can salvage drive.

Three vacancies in the teaching staff of Northville schools were being filled temporarily by Mrs. W. H. Cansfield, Mrs. Del Hahn and Mrs. Bart Connors.

Roy Terrill, township treasurer, announced that 85 percent of the township taxes were paid, with three weeks to go.

TWENTY-FIVE YEARS AGO

Fire of undetermined origin destroyed the roof of Gary Deal's home, 303 West Main, causing \$800 worth of damage.

E. E. Brown, former editor of the Northville Record, had completed negotiations for purchase of a Milan theater owned by Harry Lush, manager of the Penniman

Allen theatres of Northville and Plymouth.

About 150 members of the 17th district American Legion and the Legion auxiliary met at the Presbyterian church house for a supper meeting. Lisle Alexander was in charge of the meeting.

Brent Munroe, a Novi boy and a member of the 4-H club of this section, was to speak on a nationwide program from Chicago. His speech was to deal with phases of gardening.

The first Ford V-8 truck to be sold in Northville was delivered to the Northville Laboratories. It was ordered by C. E. Langfield.

T. P. Biddle of Dearborn, who is the owner of the Dearborn Coach Jitney bus, has started running a three bus system which makes stops at the sanatorium, Northville, Plymouth, Five Points, Wayne and Telegraph and Michigan roads.
