

# Cracks, Holes, Mud, Money Cause Road Problems

Typical of most unsurfaced roads in Northville is this mud-gutted road in Oakwood subdivision. Residents of the area met last night at Amerman school to discuss their road problems.

Roads became a major concern in Northville this week — both at the council table and to the residents of Oakwood subdivision in the city's northern section.

The severe winter has taken its toll of the city's surfaced streets and the cost of repairs has the council worried.

The weather has had an assist from construction trucks, graders and the like in the Oakwood area to make the unsurfaced roads almost unusable.

A meeting of all residents of the Oakwood area was called last night (Wednesday) at the Amerman school to discuss the road situation. A. E. Jones, 791 Horton, said the meeting was called after several residents decided that "something should be done."

"We just want to find out the facts about the city's road-improvement program and when, if ever, we can expect paving," Jones said he had never been able to get an answer from the city.

City Manager John Robertson

said he was glad the residents were taking action and suggested that such a committee might be helpful in assisting the city in

developing a plan for road improvements.

Money, of course, is the main obstacle. Northville has main-

tained a policy of paving streets with general operating funds. Under the present budget funds are not available for paving. The last major road improvement project was undertaken in 1957 when curbs and gutters were installed in the South Wing street area. The council has not had funds to pave the street.

Looking at the improvements that will be needed this summer to the city's existing paved streets the city manager admitted that "we can't even begin to start paying for maintenance of these roads this year."

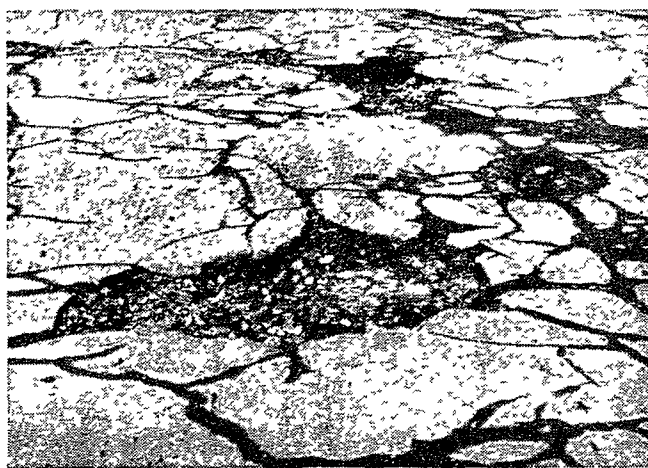

Councilman John Stubenvoll was more blunt. "Probably the only way to properly maintain our damaged paved streets is to re-surface them by special assessment. I can't see how we can keep our streets in any reasonable repair."

Mayor A. Malcolm Allen asked the city manager to give the council a report on the paved streets needing maintenance and suggested hiring a special crew for a summer-long "hot-patch-

ing" project.

Already facing financial problems in its water improvement program, the council must now

find ways to include a hefty road repair sum in its next budget, scheduled for drafting in April

The severe winter has left Northville's surfaced roads looking like this. Councilmen are now wondering where to find the money to make the necessary maintenance repairs this summer.

Wayne county has promised to fix these in April. Fast deteriorating curbs along Main street from the Spring to Rogers street and on Center in the business district will be replaced.

### Four Northville Girls Injured in Car Crash

Four Northville girls were injured seriously, when their car skidded off Five Mile road west of Eckles road in Livonia and slammed into a tree last Thursday morning. Reported in fair condition at Mt. Carmel hospital are:

Ellen Raubar, 17, daughter of Mr. and Mrs. John W. Raubar, 640 Fairbrook, suffered a compound leg fracture, jaw fracture, a serious face cut, and possible internal injuries;

Sarah Plamondon, 17, daughter of Mrs. Beatrice Plamondon, 124 High, suffered a compound leg fracture, cuts and bruises;

Janet Pauli, 14, daughter of Mr. and Mrs. Frank Pauli, 508 Gardner, suffered a neck fracture, cuts and bruises.

Janet's sister, Carolyn, 16, was hospitalized for three days at Atchison hospital and then released. She suffered multiple bruises and an ankle sprain.

According to Livonia police, the girls were on their way to school at Ladywood high when the car skidded on a patch of ice on the highway, causing the driver-owner, Miss Raubar, to lose control.

The car skidded about 85 feet along the S-curve and then smashed

### Carbon Monoxide Accident Takes Life Of Local Man

A freak accident took the lives of two fellow workers Saturday morning, one a young Northville husband and father.

Benny Polanski, 38, of 19880 Maxwell, and Urbo Kantola of Highland Park were found dead of carbon monoxide poisoning in Polanski's car after they had left work at the DeVilbiss Metal Fabricator company in Detroit.

Parked in a parking lot, the car was discovered with its engine still running. Although the exact cause of the accident has not been fully determined, police noted that the automobile had a faulty muffler.

Mr. Polanski was born April 22, 1921 in Wyandotte, Michigan, the son of Harry and Mary Polanski. His mother still lives in Detroit.

He leaves his wife, Bernice and two children, Nikolai, 3, and Nicolette, six months, and a sister, Mrs. Anthony (Olga) Pelech of Detroit.

The Polanskis have made their home in Northville for the past three years.

Funeral services were held Wednesday from the Castlerline Funeral home, the Rev. John O. Taxis of the First Presbyterian church officiating.

Burial was in Grand Lawn cemetery.

### School Bus Hit Monday By Skidding Automobile

A Northville public school bus was involved in a minor accident on Center street Monday, when the car driven by Jean Mary Rosselle of Rayson street skidded on ice and swerved into the left side of the bus.

Mrs. Rosselle reported that she was traveling only 10 mph, and bus driver, Walter Eggers, Jr. of Fourth street, stated the bus was moving at 25 mph.

No one was injured. Amount of damages have not yet been determined.

**EASTER SEAL BOOSTERS** — Mrs. Jane Devereaux, executive secretary of the Easter Seal Society of western Wayne county, told Northville Rotarians the story of the society's rehabilitation work with crippled children and adults Tuesday. She met several local helpers in the nationwide project. Left to right are Sidney Frid, Russell Amerman and Lynn Sullivan. Frid is a member of the board of directors of the Easter Seal Society, while Amerman is an honorary member and Sullivan is chairman of the current local fund campaign. Amerman served as a member of the board for 16 years and assisted with the first drive in 1934 when Percy Angove of Northville became executive director for the state. (See Speaking for The Record, page 16).

### Lutheran School Plans All Set

Coinciding with the first September opening of Northville's new high school and remodeled junior high this fall, will be the opening of another school which has been quietly in the planning for the past three years.

With public announcement of the appointment of a principal this week, the Rev. B. J. Pankow, pastor of St. Paul's Evangelical Lutheran church, reported that spade-work on St. Paul's Lutheran elementary should begin sometime in April, with completion set for September.

Preliminary architectural plans for the two-level, eight-grade building have been approved and final acceptance awaits only the formal vote of the church governing body within the next few weeks, Rev. Pankow said.

Harold Kenow, a teacher in St. Paul's Lutheran school in Farmington, accepted the local post in December.

A native of Faribault, Minnesota, Kenow is a graduate of Concordia Teachers college, River Forest, Illinois, a school maintained by the Lutheran church-Missouri Synod for the training of parochial teachers.

He will also double as instructor for upper grades in the parochial elementary. Another teacher for the lower grades has not yet been named.

Designed to accommodate some 70 youngsters, the new school will be built on Elm street, south of the church parking lot.

The split-level structure will follow the slope of the land. A two-classroom unit, also containing administrative offices and a small library, will comprise the upper level — and a large auditorium or recreation-type area, the lower. Both will have full sun-exposure.

The latter, however, will not be completed until after the September opening.

With use of partitions, Rev. Pan-

kow said, the lower area will eventually be utilized for various church and school functions, including, possibly, physical education activities.

In time, he added, the school will be annexed to the parish hall and present plans make provision for adding more classroom space later.

School costs will be financed by the congregation, Rev. Pankow declared.

Thus children of church members will attend without tuition. Others will be accepted on a tuition basis, he said.

Early registrations will be issued at an informative meeting scheduled for parents next Friday, 7:30 p.m., in the parish hall.

Since the purchase of property three years ago, building plans have been guided by members of the Northville church's board of Christian education: Raymond Heidt, chairman; Edward Baughman, secretary; Martin Strasen, Edward Drews, Robert Stover, Roger McClain and Ralph Williams, and by the St. Paul's School Building committee: Harley Balko, chairman; Adrian Wilhelm, secretary; Edward Brugman and Edward Long, Jr.

A detailed layout was requested from Architect John Allen of Farmington last week. An estimate of cost was not made.

The Northville addition will round out the list of Lutheran elementary schools in this area, Rev. Pankow pointed out. Neighboring communities of Plymouth, Farmington and Walled Lake already have one Lutheran parochial in their immediate vicinity, and Livonia has two.

Northville St. Paul's will comply with curriculum standards approved by the Michigan State Department of Public Instruction, he added, including programs of:

— special studies: geography, history, citizenship and current events

— language arts: reading, phonics, English, spelling and handwriting.

— social and general science and health education

— mathematics: number use, arithmetic and elementary algebra

— arts: music, choir, drawing, painting, handicrafts and art and music appreciation

— physical education and recreation.

Its fundamental difference, of course, is the inclusion of religious studies, which will consist of worship, Bible study, church history and doctrine.

Some of the unique aims of the parochial education system, Rev. Pankow explained, include:

— "provisions for both the temporal and eternal welfare of the child by means of an integrated Christian education."

— "daily Christian pupil fellowship as one of the most powerful factors in character and training of Christian living"

— "summit of Christian parenthood and life to strengthen the base of human society."

## Planners Hold Off On Cady St. Zoning

### City Matches County On Assessment Ratio

Although it was one of its briefest meetings in recent years, the city council still made a big decision Monday night.

An assessment ratio for inventories of 80 percent was adopted by the council to settle the complex and, frequently confounded, problem.

This figure is especially pertinent to local businesses which must pay taxes on their inventory and personal property (equipment).

Specifically, the assessment ratio means that the inventories will be assessed at 80 percent of their value. The millage applied by the city, schools and county will be applied to this "80-percent-of-value" figure to determine the tax.

The tax on personal property is applied directly against the depreciated value of the equipment as reported by the business or industry.

With "equalization factors" often increasing valuations beyond the local assessments the percentage ratio against inventories is frequently criticized for boosting the levy to 100 percent or more.

In deciding to use 80 percent the council dropped five percent from last year, thus giving merchants some relief. City Manager John Robertson pointed out that the city should probably choose the 80 percent figure rather than go lower because the county is using 80. A lower ratio would only be equalized upward by the county.

In other business Monday night the mayor and council appointed David Cameron, a council candidate, chairman of the annual "Michigan Week" program scheduled for May. Cameron, who was in the audience, accepted.

The city manager informed the council that a bill for \$9,000 had been received from the Wayne county library board for the city's share of the cost of operating the local library. Payment is due in November. The city recently protested last year's \$8,000 bill and still owes this amount.

Councilman Ed Welch was appointed to the election commission replacing Councilman John Canterbury, who is an April candidate and therefore not eligible to serve.

In final business the council decided to seek the advice of the city's insurance agent before ruling on a complaint from Mrs. Izetta Cavell, whose home on Griswold was damaged by a water pipe break. Mrs. Cavell stated that she had ordered the water shut off. No one is living in the house and the damage amounted to \$1500, thus hurting the sale of the house, Mrs. Cavell stated in a letter to the council.

### Anatomy Author To Speak Here

Local Rotarians who are mystery novel fans will meet Robert Traver, author of the best seller, "The Anatomy of a Murder", face to face next Tuesday noon.

He may choose to discuss other matters, however. He'll be introduced by Attorney Clifton Hill as Justice John D. Voelker of the Michigan Supreme Court.

A movie based on Justice Voelker's novel is scheduled to be filmed on location at Ishpeming in the Upper Peninsula, setting of the novel and also Justice Voelker's home area. It drew headline attention this week when one of the stars, Lana Turner, reportedly quit the cast.

### Township Studies Its Library Bill

In a short meeting Tuesday night the Northville township board decided to study a \$1,000 library bill from Wayne county before approval.

The proposal was made by Attorney James Littell who pointed out that the city was attempting to turn the responsibility of the library over to the school system. The bill is due for payment in November.

In other business the clerk was directed to negotiate a contract with Wayne county for dust control applications to the roads this summer. Two applications will be made with provisions for a third if needed.

Finally, the board heard Roy Utley, dog warden for the city and township, say he was no longer working for the city, as of that day. He asked the township if he could continue in the same capacity. The board approved and discussed purchase or sale of a truck owned jointly by city and township for the dog warden.

In Northville the city manager said he was not aware that Utley was no longer serving as dog warden.

Northville planning commissioners remained in exactly the same position they had been one week ago when it came time to rule upon the proposed rezoning of Cady street Tuesday evening.

On a motion offered by George Zerbel the board decided to postpone a decision two weeks until they can confer with authorities of the company proposing to construct a supermarket on Cady street.

Rezoning of the north side of Cady street from Center to Church streets was first given consideration by the board Tuesday, March 24. Although the board called for the public hearing on its own initiative, the action was prompted by the prospect of an A&P supermarket on Cady.

Under the plan the store would face the parking-alley north of Cady directly in line with a proposed merchant-sponsored parking lot on Main street between Mainville Drugs and Northville Realty. It would have parking beside the store on Cady with a delivery entrance along the Cady street side of the store.

Last week's hearing was attended by a group of Cady residents who protested the construction of the store backing on Cady. Their main objections centered around use of Cady as an alley, increased truck traffic, and a belief that their property values would suffer.

Other citizens, chiefly merchants, praised the plan and called it "a boon to business development of Northville."

The planners, although professing the belief that Cady should be zoned commercial, were hesitant to take action until it could be determined whether certain provisions for the benefit of residents of the area might be incorporated in the building plans. Presumably, these changes would include an attractive rear entrance as well as better truck-traffic control.

Planners seemed ready to act Tuesday night when Donald Hannabarger stated that the commission should forget about any proposed plans for the street and merely rule on the question of whether Cady should be commercial or not.

Harvey Ritchie agreed with Hannabarger adding, "we have studied the plan long enough and should be able to make a decision."

Zerbel won support for his point, however, that the council should meet with the company and builders to see if certain provisions could be included to comply with requests of residents. While some board members feel this was the duty of the building inspector and came under the province of the building ordinance, Zerbel remained steadfast.

The planners postponed action last week to learn whether the company would consider another location within the business district. Planning Chairman T. R. Carrington said he had been informed that the company "would not".

### Steady Losses Build Morale

Few people are as happy as the Northville TOPS (Take Off Pounds Sensibly) club when they can call a week a complete loss.

But Monday the membership was proud to report that not a single ounce had been gained in the group during the past seven days, during which they chalked up a total 56-pound weight reduction.

Only three openings remain in the club's membership which will be limited to 50.

Persons interested in joining can call Mrs. Donald Offord at FI-9-3199.

### Auxiliary to Honor Past Presidents

The Northville Lloyd H. Green unit of the American Legion auxiliary will honor their past presidents at a cooperative dinner next Wednesday evening in the home of Mrs. Wilbur Johnston, 370 Orchard drive. Dinner will be served at 6:30.

Auxiliary President Mrs. Howard Wright reports that 23 past presidents are living, 21 of whom still hold continuous memberships.

The auxiliary was organized in 1925 by Mrs. Florence Alexander, shortly after establishment of the local Legion post.

Mrs. Rudolph Kunz, 17th District president, will also be an honored guest, Mrs. Wright announced.

Members are urged to attend in recognition of years of service from their past officers.

Funds from the sale will be used for troop and general scout program expenses. Chairman in Northville is Mrs. Gerald Doub of Fairbrook avenue. District chairman is Mrs. Orson Hemingway.

### Select 3 Works by Northville Girl For 2 Major State Art Exhibits

With exhibits in both the 16th annual Scarab club advertising show currently open in Detroit, and in the Michigan Artists show scheduled to begin March 17, art student Dolores Teshka, daughter of Mr. and Mrs. Arnold Teshka of West Main street, has copped a double and singular honor.

According to her former Northville high school art teacher, Mrs. Donald Van Ingen, selection of works by one person for both of the popular annual shows, is a special honor.

Also, she adds, Dolores' entry in the Michigan Artists exhibit, to be held in the Detroit Institute of Arts, was one of 250-300 chosen from over 1,000 submitted by professional artists throughout Michigan.

Dolores is a third year student in the Detroit Society of Arts and Crafts, and plans a career in advertising.

In the Institute of Arts show, she has a charcoal drawing of a female face — one of the two she entered.

Both of her entries in the advertising exhibit were chosen — an

## Fearers Married In South Lyon

Sharon Fearer of Whitmore Lake and Michael Fearer of Plymouth were united in a double ring ceremony in the First Presbyterian church of South Lyon February 14 by Pastor Faze Larudee.

The bride was gowned in blue lace and carried white carnations. A wedding reception was held in the Whitmore Lake home of the bride and groom.

The bride is the great-granddaughter of the late Sam Pickard, a merchant in Northville for many years.

WCS to Meet Thursday  
The WCS of the Northville First Methodist church will meet next Tuesday afternoon.

The prayer group will assemble at 12 noon. At 12:30 luncheon will be served by the Filkins Circle. Devotions will be given by Mrs. Harold Marks, and a program entitled "Caravan", directed by Nancy Beard.

# Honeymooning in Niagara Falls

Wearing a lace and satin tiered gown, Janyth Kay Van Atta, daughter of Mr. and Mrs. Roy M. Van Atta of Randolph street, became the bride of Gerald Dresselhouse, the son of Mr. and Mrs. Herman Dresselhouse of Marilyn road, February 28 in St. Paul's Evangelical Lutheran church.

The Rev. B. J. Pankow performed the double ring candlelight ceremony before an altar decked with white chrysanthemums, gladioli and snap dragons.

Carl Stephens, accompanied on the organ by Miss Selma Schnute, sang "O Perfect Love" and "The Lord's Prayer".

Janyth was given in marriage by her father.

The satin skirt of her gown which formed a chapel train, was overlaid with tiered net and appliqued with alencon lace. Its bodice of lace featured a Sabrina neckline. Her fingertip veil fell from a pearl tiara crown. She carried a bouquet of orchids and stephanotis.

Carolyn Van Atta attended her sister as maid of honor. She wore a royal blue velvet dress and matching accessories and carried a white fur muff trimmed with orchids and carnations.

In matching velvet gowns and accessories of red, green, pink and rose were bridesmaids Peggy Dresselhouse, sister of the groom; Loretta Wendt, Sandy York and junior bridesmaid, Linda Russell.

They also carried white fur muffs pinned with carnations of the same hue as their dresses.

Flower girl, Nancy German, cousin of the bride, wore a floor length frock of white nylon and net with matching bonnet and carried a basket of carnations and petals.

Bobby Dresselhouse, brother of the groom, was ring bearer.

Kenneth Drake, cousin of the groom, served as best man.

Ushers were Dick Kiiken, cousin of the bride; Ray Larsen and Rick Chandler, college friends of the groom.

For her daughter's wedding, Mrs. Van Atta chose a blue lace dress, matching shoes and a sequin hat and purse.

Mrs. Dresselhouse's green lace dress was accented with pink and black accessories. Both mothers pinned on orchid corsages.

Some 300 friends and relatives attended the wedding reception at the Northville American Legion hall. Guests came from Wisconsin, Canada, Detroit, Allen Park, Jackson, Belding, Grand Rapids, Ypsilanti, Frankentmuth and neighboring communities.

They will make their home at 450 East Main street.

# Local Girl Scouts Invite Public To Their 47th Birthday Party

Probably the biggest public event of the year for local girl scouts, the Juliette Low birthday party, celebrating the 47th year of girl scouting, will be held this Sunday afternoon in the Northville community building.

Leader chairman is Mrs. Albert Leedham of Ely drive.

Some 294 Northville brownies, intermediate and senior scouts — the total Northville girl scout population — are expected to participate in the program of speeches, skits and formal scout ceremonies. All troops will perform.

Among the participants will be the three local senior scouts and an alternate slated to attend the International Girl Scout Roundup

in Colorado this summer: Stephanie Brown, Rosemary Frost, Judy Stann and Mary Ebert, respectively.

A handicrafts exhibit will be open from 2:30 to 3 p.m., and the program is scheduled for 3 to 4 p.m. Doors open at 2:30.

The public is invited. There will be no admission fee.

Northville Methodist and Presbyterian churches also plan to commemorate this birthday of girl scouting, memorialized in the name of its founder, Miss Low, by having scout members in their congregations lead Sunday services.

## Rainbow Girls to Present Teen Age Fashion Show

## GIRL SCOUT NEWS

Girl Scout Troop 234 had a busy two weeks this week and last. Tuesday the girls elected Gayle Leedham vice president and discussed the Girl Scout Fair coming Sunday. They also chose Susie Jones to model in the fashion show at the fair, and Holly Riley to present the troop's birthday money. Later, the girls discussed possible swimming plans for summer. Last week, the troop heard a talk on hair grooming by Mrs. Ralph Gallagher. They thanked her with a gift of flowers.

Mrs. W. A. Sterling's Brownie Troop 574 visited Thatchers Doll's Wardrobe shop and doll hospital last week. The girls enjoyed very much seeing how dolls which have undergone the loss of arms, eyes, legs, hair, heads or stuffing, are repaired as good as new.

Too soon, little girls grow into young ladies and take on the responsibilities of home and family.

Be sure your daughter gets some early training in thrift. Start her off with a savings account of her own. Teach her the advantages of saving part of her allowance or baby-sitting income.

That way, she'll be set for the money problems she'll face, later on.

THE LARK BY STUDEBAKER

OODLES OF OOMPH ON A HATFUL OF GAS

—regular, low-cost economy gas! A mere sprinkling of it takes The Lark for miles and miles with peak performance, whether you drive the spirited six or the super-responsive V-8. And you drive it so easily, park it so tidily, turn it so neatly—because it's a sensible three feet shorter outside than conventional cars. (But plenty of room inside for six.) And with all its economy (cuts insurance, repair and maintenance costs), it's so richly, rightly styled, it's fashion approved by Harper's Bazaar. And beautifully engineered. This is common sense on wheels, folks—and about time you tried it. You can—today. Do it!

### IN WILLOWBROOK:

## Appears in 'Jazz Age' Show

By Mrs. George Ames — GREENleaf 4-0830

Fay Dukes performed in the Jazz Age Review of the Roaring Twenties staged at the Ford auditorium last Saturday by the south Oakland county chapter of the "Sweet Adelines". Spectators from Willowbrook included Mr. and Mrs. Ted Coan, Mr. and Mrs. Ed Frutchee, Mr. and Mrs. Ed Blackwell and Thomas Dukes.

A group of Willowbrook women were invited by John Fitzpatrick, state representative from Detroit, to visit the state legislature one day last week. While they were in Lansing they met James Clarkson, the Novi area representative. The group included Jackie Schingeeck, Eleanor Freytag, Ruth Ginter, Jean Cromer, Harriet Guenther, Glenna Grant, Beulah Bahlhorn, Jean Young, Jo-

an Anderson and Mrs. Schingeeck's son, Jimmie.

The Rev. John Lee, chaplain of the Episcopal boys' camp, Chickagami, is coming to Novi March 8 to be the minister at Holy Cross Episcopal Mission here.

Kathy Freytag had a movie party to celebrate her tenth birthday on Valentine's Day. Her guests were Martha Hanna, Nancy Schingeeck, Lynn McCormick, Cheryl Richards, Susan Pauli, Jerry Lynn and Sharon Hazelton and Kathy's sister, Sharon.

Gayle Smelt participated with Emma Lewis in the bowling tournament for the wives of Elks at Jackson last Sunday.

Mr. and Mrs. David Fried enjoyed a very pleasant evening at Baker's Lounge last Friday, listening to the music of Evans Bradshaw Jazz Trio.

Helen Waugh, Ruby Cozart and Gladys Earl had a birthday luncheon for Allie Carter last Friday.

Mr. and Mrs. Robert Bamford entertained Mr. and Mrs. James Touse of Livonia last Friday evening.

At the last meeting of the Tuesday Bridge club Ann Schultz was hostess. Ann Holmes and Ann Diebel were guest players. Ann Holmes won first prize.

The Tuesday Pinochle club met at the home of Pat Iwaniec. Agnes Driscoll won first prize, Joan Cromer second, Paula Swenson third and Aldean Carter fourth.

Mr. and Mrs. Clifford Farrington are happy to announce the birth of a son, Thomas James, February 14 at William Beaumont hospital, Royal Oak. The baby weighed eight pounds. His grandparents are Mr. and Mrs. T. J. Baker of Washington, D.C. and Samuel Farrington of Detroit. The Farringtons have one other son, Jeffrey, who is five.

The Farmington Hill and Dale Garden club held a card party recently at the Dunkel junior high school. Jerry Galvin, Kay Bowman, Mary Mattern, Saralee Miller, Alice LeWitter, Marge Williams and Joan Gould attended from Willowbrook.

### NEWS AROUND NORTHVILLE

Mr. and Mrs. William Francis of Currie road attended the funeral of Mrs. Francis' uncle, George Bowles, publisher of the Tilbury, Ontario "Times" recently held in Tilbury, Ontario, Canada.

Mrs. R. G. Nelson of Napier road, secretary of the Detroit Presbyterial Society, escorted 19 girls from Northville to take part in the program at the Detroit Presbyterian meeting in Grace United Presbyterian church in Detroit Wednesday.

Mrs. C. Harold Bloom will entertain with a luncheon at her home on West Main street, Friday, before the Woman's club meeting.

Saturday night, Mr. and Mrs. C. Harold Bloom will join their regular Saturday night potluck bridge club members at the home of Mr. and Mrs. Jack Taylor in Rochester.

### Tuesday Book Club Hears Report on Egypt, Israel

The Tuesday Book club met at the home of Mrs. W. L. Howard. Mrs. Harvey Whipple read a series of letters written by Miss Florence Harrison, a professional traveler and lecturer, who returned last fall from a 6-months trip abroad, two months of which were spent in Egypt and Israel.

When she was in Egypt, Miss

Harrison visited Egypt industrial centers and reported their "amazing progress".

She also paid special tribute to the Hadassah society for its work in furthering medical progress in Israel.

**"I need my Gas Dryer now more than ever"**

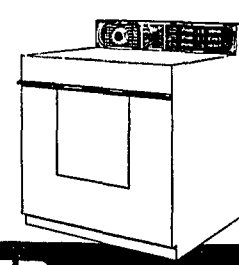

Mrs. Robert Albertson  
3293 Pirrin Waterford, Michigan

"Since our baby arrived I've had a wash to do almost every day. I appreciated our Gas Dryer before, but now I don't think I could get along without it. I have my clothes dried as fast as they're washed. Baby things always come out so soft and gentle to the skin."

Busy mothers like Mrs. Albertson deserve the convenience of an Automatic Gas Clothes Dryer. It changes a load of wet wash into the softest, fluffiest clothes you could ever put next to a baby's tender skin. All the family wash comes out so wrinkle-free that many pieces need little or no ironing.

## Letters Make Hospital Life Easier for Don Dearing

For a 12-year-old in a hospital with a leg propped-up in traction life can be mighty dreary.

And for Donald Dearing, son of Mr. and Mrs. Robert Dearing of Caldwell, a hospital ward has been home since January 10.

Donald ended up at University hospital in Ann Arbor after a toboggan

on which he was riding in Cass Benton park crashed into a tree.

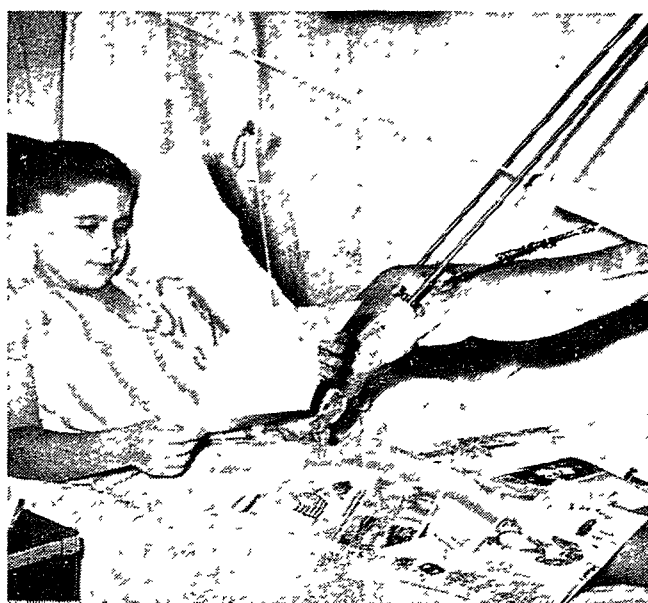

But life hasn't been as dreary as one might expect — thanks to his classmates in Miss Gertrude Martin's sixth grade room, Police Chief Joseph Denton and many other friends and neighbors.

His Main street elementary school mates have written two letters each and their "hospitality committee" has sent a card each day.

Donald has "really appreciated" these and wants the kids to know that even though he isn't in class, he's going to school. He does regular school work and some occupational therapy projects, such as making belts and cuff links.

A letter from Chief Denton was especially nice, says Donald. He's a member of Chief Denton's junior police. Donald's newspaper customers have also remembered him with cards, letters and gifts.

"I'm really lucky compared to some other kids in the ward," says Donald. His broken thigh will probably keep him confined to the hospital another four weeks.

**LETTERS HELP** — Don Dearing finds life much easier in University hospital in Ann Arbor thanks to cards, letters and gifts from friends, relatives and classmates of Miss Gertrude Martin's sixth grade room. Don, the son of Mr. and Mrs. Robert Dearing of Caldwell, has had his leg in traction since January 10 when his toboggan crashed into a tree. He suffered a badly broken hip and will be hospitalized for another four weeks.

## Novi Highlights...

Lynn will receive an inscribed copy of Webster's dictionary. She won a dictionary in the fifth grade.

The sixth graders wish to thank the Mothers club for their set of Compton's pictured encyclopedias. The books came on Wednesday and all work had to stop for a while so the pupils could examine them. They were thrilled.

Lynn Schneider, Gilbert Van Sickle and Jack Fritz brought in science experiments this week.

Nadine Snyder won the spelling bee in the fifth grade. Other fifth graders who will be eligible to compete in the Novi school spelling bee are Janis Paquette, Rebecca Lyke, George Simenton, Roberta Willaker, Patty Dye, Nancy Cotler, Victor Carter, Sharon Hazelton and Dennis Pierce.

### Novi Girl Scouts

Scout Neighborhood meeting will be held next Tuesday, March 10 at Novi school. Earlier in the day there will be a pot-luck luncheon in the home of Marge MacGillivray and registered adults in girl-scouting, leaders, committee people, association members are invited. Mrs. Shirley Myers will be special guest. If you plan to attend please call Mrs. MacGillivray or Mrs. MacDermid as soon as possible. There is training available for women who intend to lead troops next year. If you are interested, plan to attend the neighborhood meeting and get further information.

Senior Troop met at the home of Mrs. Kriedeman and discussed plans for their summer trip. This troop is re-registering at this time and \$1 registration dues is payable now by committee members as well as girls. Claudia Mairs brought treats.

Intermediate Troop 602 continued their embroidery work and made plans for soap carving next week.

Intermediate Troop 149 had a party for the new brownie troop. They had special doll favors and place mats and refreshments of

cup cakes decorated by Mrs. Belinger were served with koolaid. Songs were led by Becky Lyke and a new game was taught both troops by Mrs. Marchetti, leader.

Mrs. Smith's troop attended a party given by Intermediate Troop 149. Mrs. Martin Willacker is the co-leader of this troop. The leaders and committee members met this week at the home of Mrs. Hilram Holmes where they discussed the program for the rest of the year. Mrs. Betty Stowe was elected chairman of the troop committee.

Mrs. Hanna's troop made covers for history books and sang songs. Treats were furnished by Laura Beadle.

Brownie Troop 1023 made sock puppets. Treats were furnished by Linda Shupe, Mrs. Ortwine and Mrs. Driscoll helped in the absence of the leader.

Brownie Troop 1027 practiced flag ceremony and played games. Treats were furnished by Mrs. F'Geppert. This troop would like to take some trips during their troop meetings but need transportation. Call Mrs. Kozak if you can offer transportation at that time of day from 3-5 p.m.

## Accepts Pastorate Of Novi Holy Cross Episcopal Mission

The Rev. John E. Lee

Beginning Sunday, the Rev. John E. Lee will assume the pastorate of Novi's Holy Cross Episcopal Mission.

A native of Michigan, Mr. Lee is married and has a son and two daughters.

Until recently he had been a businessman, holding both executive and administrative positions.

He served St. Paul's church, Great Neck, New York and St. Peter's church, Cheshire, Connecticut, as a lay reader.

He has served the Diocese of Michigan as a parochial and diocesan lay reader under Archdeacon Leonard P. Hagger, the Rev. Canon Charles L. Ramsay, the Rev. Hadley Stacey, the late Canon Gordon Matthews and the Rev. Allan L. Ramsay.

Appointed lay-Vicar of St. Barnabas church, Chelsea by Bishop Emerich in 1955, he served there until June 1, 1957 when he became full-time director of the Department of Boys' Work.

As a young man he was active in scouting, YMCA and youth work. He was trained in boys' work. He has served as field secretary for the National Brotherhood of St. Andrew in the Diocese of Michigan and the Diocese of southern Ohio. He also served as chaplain at Cassidy Lake while in Chelsea.

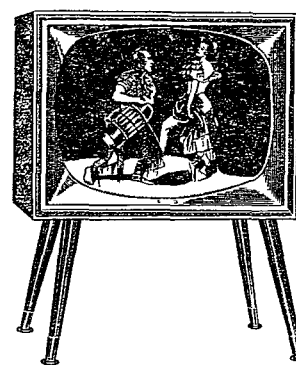

Mr. Lee was ordained to the diaconate in June, 1958 and had currently been serving as director of the department of boys' work and Camp Chickagami and assistant executive secretary of the diocese, and as a member of the youth division of the National Brotherhood of St. Andrew.

## HELLO —

I'm back — and chuck full of orange and grapefruit juice and loads of YOP to expend on the sale of YOUR property.

I asked a lady what she wanted most in a home and she replied, "D.J., what I want most in a home is me." Maybe you have just what she wants.

Are you thinking of selling? Why not give me a call and I will stop in and see you at your convenience and explain my sales plan to you.

Here's a hot one — 7 1/2 acres on 7 Mi. Rd. near Beck. 4" well is all in. Will split up.

110 A. cor. 9 Mi. and Napier. Farm bldgs. and home go with it.

Lake farm in ideal location. 30 Acres. Free listing spot.

### Amendment to Ordinance 140, City of Northville

AN ORDINANCE TO AMEND  
ORDINANCE NO. 140 DEALING  
WITH THE ESTABLISHMENT  
OF SEWER SERVICE, TREAT-  
MENT AND CONNECTION  
CHARGES AND PROCEDURE  
FOR BILLING THEREFOR.

THE CITY OF NORTHVILLE  
ORDAINS:

#### SEWER SERVICE AND TREATMENT CHARGES

Section 1. The rate to be charged for sewer service and treatment shall be fifteen (15c) cents per one thousand (1,000) gallons of water used as determined by water meter readings.

Section 2. In every instance of a single, or multiple residence which has an unmetered water supply this rate shall be \$17.00 per year.

Section 3. In every instance of a commercial unit having an unmetered water supply said rate shall be \$69.00 per year.

Section 4. In every instance of an industry having an unmetered water supply said rate shall be \$3.17 per capita per year based on the number of employees as of the date of the original service, plus 3c per calendar quarter for each employee over the base figure.

#### CONNECTION CHARGES

Section 5. A charge of \$150.00 shall be made for each 6 inch tap to the City sewer system which has

been constructed and to which all connections have been made and paid for by others than the City.

Section 6. A charge of \$250.00 shall be made for each 6 inch tap to the City sewer system constructed by the City.

Section 7. The City Council shall be set by resolution the connection fee for taps larger than 6 inch.

Section 8. All sewer connections must be inspected and approved by the City.

Section 9. In cases where there are buildings in existence prior to April 1, 1959, which have not had sewer connections made thereto, the above tapping charge shall be reduced by the sum of \$50.00 until April 1, 1961. Thereafter the tapping charge for these buildings shall be the same as set forth above.

#### BILLING

Section 10. Charges for sewer treatment shall be collected with the water bills quarterly and are payable fifteen days after the date of the bill.

#### ENFORCEMENT

Section 11. Charges for sewer service shall constitute a lien on the property served and if not paid in six months shall be placed on the next general tax roll with a 10% penalty and collected as a part of the general City taxes.

#### EFFECTIVE

This Ordinance shall take effect on March 26, 1959.

## Swainson, Dzendzel, Beadle Attend Local Demo Rally

The governor of the state of Michigan visited Northville Saturday night to address a gathering of Democrats from Northville and the surrounding area.

Actually, the speaker was Lt. Governor John Swainson, but because Governor G. Mennen Williams was out of state, Swainson was Michigan's governor.

With Swainson were the district's state senator and representative, Senator Raymond Dzendzel and Representative Harvey Beadle.

The 17th district Democratic chairman, Alfred Meyers, acted as toastmaster for the event.

Swainson termed the prospect of a \$100 million deficit at the end of the fiscal year as the result of the "failure of the legislature to appropriate sufficient money."

He had these answers to what he termed the "most asked questions":

1. Must we have added taxes to

solve state's problems?  
"We've taken all the reserve funds we can, meanwhile the state's population rate increases rapidly".

2. Can't we economize?  
"We have. There's been no new mental health or higher education building in last budget; welfare is up; of \$44.4 million more needed this year, 90 percent is for mental health and schools."

3. Why not a sales tax boost to 4 percent?  
"This would be 20 percent higher than any other state, it would not meet deficit, and would hurt lower income groups".

4. Will income and corporation tax hurt business climate in Michigan?  
"No, because it will not come on top of other taxes. Corporation franchise fee and business activity tax would be eliminated".

Senator Dzendzel and Representative Beadle followed Swainson with sharp criticism of the Republican-controlled legislature for what they termed as efforts of the Republicans to block all suggestions for solving the state's fiscal problem "to embarrass the Governor".

Other comments were made by Mrs. Elsie Gilmore, Wayne county Democratic chairman, and 17th District Chairman Meyers, who praised the Northville Democratic club for "work in the last election" and added "Northville will be Democratic before too long".

Northville Democratic Club President Mrs. C. E. Woodruff introduced the toastmaster and also presented area candidates.

Township Supervisor Candidate George Bennett spoke briefly at the conclusion of the meeting and announced campaign plans to visit all residents of the township.

## HOW GOD FORGIVES SINS

God never winks at sin nor does He ever excuse it. It takes more than a polite apology on our part to take care of the sins we commit. God is a holy and just God. He cannot tolerate sin in the least degree. His justice demands that a sinner be punished in accordance with his crime. The guilty cannot go free. Yet, the Gospel speaks authoritatively and assures the repentant sinner when it says, "Your sins are forgiven." The basis upon which God forgives sin is spoken of in Hebrews 9:26 "But now once in the end of the world hath He appeared to put away sin by the sacrifice of Himself." We can never have the assurance of forgiveness unless we understand this. The Bible plainly teaches from Genesis to Revelation that either we must suffer for our sins or else an acceptable sacrifice must suffer in our place. In the O.T. the repentant sinners sacrificed an innocent lamb which looked forward to Christ, the Lamb of God. The covenant offered to us in the Gospel is to look back by faith to what He accomplished for us on Calvary. Faith in the shedding of Christ's blood is indispensable to forgiveness. Pardon and peace are to be found alone through HIM.

## Novi Eighth Graders Post 8-0 Season Record

Novi's eighth grade basketball team wrapped up an undefeated season Thursday by crushing Hartland 51-26.

The win over Hartland — second one this season — gave the Novi cagers an 8-0 record. A year ago the eighth graders recorded three victories against seven losses.

Coach Gail Perkins' squad were only two points ahead at the half, 24-22, but the eighth graders poured in 27 points in the second half while holding Hartland to four points.

## Obituary

### MRS. IRENE M. CURTIS

Mrs. Curtis, 3919 Iris street, Waterford, passed away February 28 after a long illness. Mrs. Curtis, the sister of Fred Gotts of Northville, was born July 8, 1909 in Michigan, the daughter of Charles R. and Sarah Gotts. Her husband, William, whom she married April 26, 1934 in Belleville, survives her. She also leaves three daughters, Nancy, Joan and Sharon, of Waterford; two other brothers, Claude and Ralph Gotts of Belleville, and a sister, Mrs. Earl Gray of Plymouth. Mrs. Curtis moved to Waterford from Plymouth in 1950. She had lived in the Northville area for 16 years previous to that. She was a member of the First Methodist church of Clarkston, and a member of the Mountain View Country club Ladies' club. Funeral services were held March 4 from the Dempsey B. Ebert Funeral home. The Rev. William Richards of the Clarkston Methodist church officiated. Pallbearers were G. Wolverton, A. Beauchamp, A. Moores, W. Buckman, N. Wise and W. Gresham. Interment was in Oakland Hills Memorial Gardens.

### MRS. LILLIAN LEAVENWORTH

Funeral services will be held today (Thursday) for Mrs. Lillian Leavenworth, 91, of 45475 Grand River, Novi, who passed away at her home March 2. Mrs. Leavenworth was born October 1, 1888 in Howell, Michigan, the daughter of George and Harriet (Kaple) Allen. Her husband, Delos, preceded her in death. Mrs. Leavenworth, who had no children of her own, leaves many nieces and nephews in the Northville and Novi area and also in Ypsilanti, Detroit and Indiana. She had made her home in the community for the past 40 years. She was a member of the Novi Methodist church. The Rev. George T. Nevin of the Novi Methodist church will conduct services at 2 p.m. from the Casterline Funeral home. Interment will be in Rural Hill Mausoleum.

### Civic Association Meet To Feature TV Film

Presentation of a film made for the TV industry by the Michigan Bell Telephone company will highlight the meeting tonight of the Wixom Civic association.

The association program and film, entitled "Mr. Sun", will take place in the Wixom elementary school auditorium beginning at 8 p.m. William Richards will be in charge of refreshments. The public is invited.

## Northville City Council Proceedings

A postponed regular meeting of the Northville City Council was held at the City Hall Monday Eve., Feb. 23rd, 1959, at 8:00 P.M.

Present: Mayor Allen, Councilmen, Reed, Stubenvoll and Welch.

Minutes of last regular meeting and of the Special Meeting held Feb. 19th to canvass the votes on Water Bond issue were read and approved.

Bills amounting to \$16,182.68 from the General Fund, and \$5,497.96 were presented for payment. It was moved by Canterbury, supported by Reed, that these bills be allowed and paid. Carried.

Communications were read from G. F. Taft, and from The Springbrook Corp., owners of the property on the east side of Taft Rd. which has been annexed to the City, requesting that sanitary and storm sewer service be made available to their property. Mgr. Robertson reported on the sewage problem as it pertains to this property, and it was agreed that the City Attorney should file a formal petition with the Wayne County Rd. Comm. asking for a permit to make such connection.

Mgr. Robertson, Mayor Allen and Councilmen Canterbury and Welch were designated to work on a special assessment ordinance covering the financing of such sewer installation.

Under old business, Mgr. Robertson reported that legal council employed from Miller, Canfield, Paddock and Stone, bond attorneys, recommended strongly that the City of Northville ask for another election on the Water Bond issue. They state that the general obligation bond form of financing leaves the City more flexible and it is more economical. The earliest date another election could be held would be May 18th, and the Council must decide by Mar. 23rd, 1959, whether or not to hold such an election.

Mgr. Robertson further reported that he had gone to Lansing to consult the Municipal Finance Commission regarding tax anticipation notes, as it will be necessary to borrow money to finish out the fiscal year, due to the advances made from the General Fund to the Water Fund in anticipation of the passage of the Water Bond issue. He recommends that the Council authorize him to get permission from this Commission to borrow \$40,000.00. It was moved by Welch, supported by Stubenvoll, that the City Manager be authorized to make application for permission to borrow \$40,000. Carried.

Regarding the Wayne County Library bill, same was tabled until the Council gets a written report from the committee representing the Board of Supervisors. The committee from the City Council appointed to handle this matter is to contact the School to find out whether or not the library facilities could be handled by them.

It was moved by Stubenvoll, supported by Allen, that \$5,000.00 be transferred from the General Fund to the water fund to take care of the payment of the bill of LaPorte & Penn amounting to \$6,443.77 for work done in anticipation of the passage of the Water Bond issue. Carried.

It was moved by Welch, supported by Reed, that Garrett Barry (whose term on the Board of Review has expired) be re-appointed for a three-year term on this Board.

Under new business, the new sewer rates to be charged by the Wayne Co. Road Comm. for use of the Wayne County Interceptor Sewer were discussed. These rates are being raised from 5c per thousand gallons of water consumed to 11½c per thousand, and each new user shall pay a tapping charge of \$50 for each connection made after Apr. 1st, 1959. This charge shall be collected by the municipality and paid over to the County, together with other sewage disposal charges.

The \$50 tapping charge shall not be effective until Apr. 1st, 1961, for those buildings in existence on Apr. 1st, 1959.

It was moved by Canterbury, supported by Welch, that in order to pay the increased charge by the County for sewer amounting to 6½c per thousand gallons of water consumed that the City increase the rates charged to the customers by 5c, for a total of 15c per thousand gallons; the sewer fund absorbing the 1½c difference of the increased rate. Carried.

A discussion of personal property assessments followed. In view of the appeals made by the Detroit Edison Co., Consumers Power Co.

and the Ford Motor Co., the State Tax Commission is now setting up a policy of trying to get local communities to bring their personal property assessments down to 50 percent. They feel that those communities located in Wayne County should be able to arrive at such a reduction over a period of three years.

The Water Ordinance, which was scheduled to be acted upon at this meeting, was tabled.

Regarding the request of G. E. Miller Sales & Serv. for free parking space on the street adjacent to their garage, the Police Dept. has indicated that they do not feel it is necessary and that the request should be denied.

There being no further business, the meeting was adjourned at 10:15 P.M.

(Signed) Mary Alexander,  
City Clerk

Official Proceedings of the Northville City Council, March 2nd, 1959.

Meeting called to order at 8 P.M. Present: Mayor A. Malcolm Allen, and Councilmen Reed, Stubenvoll and Welch. Absent: Canterbury.

Bills amounting to \$7,994.10 from the General Fund and \$7,197.48 from the Water Fund were allowed and paid.

Under communications, a letter was read from Mrs. E. B. Cavell from San Diego, California regarding damage done to her vacant house at 315 Griswold road when pipes froze and burst. Mrs. Cavell claims the City is responsible for damage done as she ordered water turned off last fall and claims it was not done. The City Manager referred the matter to the City's insurance agent, C. Harold Bloom, in these matters and requested that he advise Mrs. Cavell and the City of the decision of the company.

Following this discussion, Mayor Allen requested Manager Robertson to prepare a form to be issued in duplicate for anyone requesting water turn-offs at street, form to be signed by owner and filed in the City Hall.

The clerk read a letter from Franklin P. Williams, president of S. S. Kresge Company requesting the name and address of the Michigan Week chairman so that he may be invited to attend the luncheon meeting of all Wayne County Community chairmen at 12:15, Tuesday, March 31 at the J. L. Hudson store. Dave Cameron who was present at the meeting, was asked if he would assume the chairmanship for Michigan Week and he accepted.

Sidney Frid, who was also present at the meeting stated that sidewalks from Griswold to Hutton street on the north side of East Main street had gone to pieces and should be repaired as soon as possible. In this connection, Manager Robertson was requested to contact the Bell Telephone company.

Under old business, Attorney Ogilvie read the ordinance to amend Ordinance No. 140 dealing with the establishment of sewer service, treatment and connection charges and procedure for billing therefor.

It was moved by Welch, supported by Allen that the Ordinance be published in the Northville Record March 5th and acted upon at the regular meeting of the Council to be held March 16th, 1959.

Yeas: Reed, Stubenvoll, Welch and Allen.

Nays: None. Carried.  
Councilman Welch was appointed by Mayor Allen to serve with Attorney Ogilvie on the election commission to replace Canterbury who is automatically disqualified because of running for re-election on the City Council.

Manager Robertson reported that the Booth Insulating company rendered an estimate of \$1,078 to insulate the City Hall. This includes the four walls, third floor and four louvers for ventilation. Another company will render an estimate this week.

The Wayne County Road Commission will start early in the spring to repair curbs and gutters on Main and Center streets.

Manager Robertson reported that the personal tax would be reduced from 85 percent to 80 percent this year. He also stated that it will require two weeks instead of twelve weeks to obtain the \$40,000 loan for the General Fund.

Welch requested that a Bus Stop sign be erected to replace the one knocked down and destroyed by an automobile.

(Signed) Lillian Duerson,  
Acting Clerk

# 'Back on the Farm' Right Here

**A FUTURE WINNER?** — Sophomore Linda Bulmon is hoping that her pet calf "Jill" will do as well as other Holstein cattle she has entered in the Oakland county fair. Recently Linda was accepted as a junior member of the Holstein-Friesian association of America for her outstanding work with registered Holstein.

To most Northville area residents "the farm" is something miles away from our urban mode of living.

And raising cows, pigs, sheep and chickens is hardly the typical pastime of the average Northville high school student.

But to the members of the Lucky Leaf 4-H club farm animals play an important role in their every day life.

"Tinkerbell", a year-old ewe, is a little dirty but warm and obviously satisfied inside her pen.

She's typical of the farm animals owned and raised by Northville students belonging to the Lucky Leaf club.

For the animals, the long, cold winter has been warm and friendly. It has meant a familiar footstep, a rush of cold air, and then a friendly pat or word of affection. It has meant fresh hay beds and regular meals.

For the students, the winter has meant early alarms and icy trips to the barn before breakfast and after supper. And it has meant an affectionate nuzzle and the satisfaction of importance and achievement.

Caring for animals has a deeper reward, Mrs. Henry Clark, Lucky Leaf leader, explains.

4-H'ers are establishing roots for happy, successful adult lives; they are learning the importance of a good head, helping hands, a warm heart, and health.

The Lucky Leaf club, like other 4-H organizations, stresses the 4-H's in other ways too, Mrs. Clark points out.

Later this month or early next, the 15 members of the club will show their "winter projects" of dresses, foods, leather belts and copper trays at a spring achievement exhibit. Many other 4-H clubs will enter their projects in the competitive event.

Lucky Leaf club members meet twice monthly in their own homes. During the meetings they report the progress of their various projects, including the condition of their animals which they plan to enter in the county fair next fall.

## from the PASTORS STUDY

The Rev. Peter Nieuwkoop, Pastor  
First Baptist Church, Northville

### THE STORY OF REDEMPTION

One night on the Quiz Kids radio program this question was asked of a nine year old boy: "What do you think is the most wonderful thing in all this world?" There was a long pause and then the boy answered, "I think it would be redemption." The master of ceremonies stood speechless for a moment at this unexpected answer. Then with conviction the announcer said, "I believe you are right!"

The very heart of the Gospel Message is the redemptive price which was paid by Christ on the Cross of Calvary. The Apostle Peter stated it well in 1 Peter 1:18-19; "For as much as ye know that ye are not redeemed with corruptible things such as silver and gold, from the vain conversation received by the tradition from your fathers; but with the precious blood of Christ, as a lamb without blemish and without spot." As we examine the scriptures we discover that the shedding of blood is indispensable to forgiveness. (Hebrews 9:22).

This story of redemption through blood runs as a scarlet cord through every page of the Bible. "Cut the Bible anywhere and it bleeds; it is red with redemptive truth. It is said that one out of every 44 verses in the New Testament deals with this theme, and that the death of Christ is mentioned in all, 175 times."

How important the Story of Redemption is. How it ought to be preached so that men might understand it. The Redemption price has already been paid for every person in this

world. This makes it possible for God to deal in mercy and grace with the sinner who will come in God's appointed way through Jesus Christ. When that person accepts Christ, then God has a two-fold claim upon his life. He belongs to the Lord by right of Creation, and he belongs by right of redemption.

How clearly this last thought is illustrated in a story I once read. A small boy had spent many hours making a small sail boat. It was only a toy but he took a great deal of delight in it because he had made it. After it was finished, he took it down to the stream and floated it near the shore.

One day while he was playing, a gust of wind caught the little boat and it got away from him. The current carried it down stream and it was lost. He grieved over the loss of his precious little boat.

Several weeks later he was visiting a down stream city and noticed his little boat in a pawn shop window. Some one had found it and pawned it. The lad recognized it as his boat and went in to claim it. How disappointed he was when the shop keeper explained to him that he would have to pay \$2.75 for it.

He pledged the shop keeper to keep it until he could return. After working several days he earned enough to claim his boat. He went to the town again and laid down the redemption price and received his little boat. As he walked away from the shop he carried the little boat close to him.

The old shop keeper heard him say as he passed along the street, "My little boat, you are twice mine. In the first place I made you, and in the second place I redeemed you."

MISSIONARY Glenn Floyd (center), on temporary leave of absence from his work in India, discusses some of his interesting experiences as a Baptist missionary with the Rev. and Mrs. Arnold Cook. Floyd was one of several visiting missionaries from Central America, Africa, Peru and Malaya, who lectured before members of the Novi First Baptist church last week, where Rev. Cook is pastor.

## Pastor of Salem Church Accepts Position in Indiana

With delivery of his last sermon in the Salem Congregational church Sunday, Pastor Virgil King, also pastor for the Bethel General Baptist church in Plymouth, concluded five years' ministry in this area.  
He and Mrs. King left this week for Logansport, Indiana, where the Reverend will assume pastorate of the Congregational church.  
Tuesday, friends and members of the Salem church, honored the Kings at a farewell song-fest.  
In 1958 Rev. King, for four years pastor of the Plymouth church, added leadership of the Salem congregation to his ministerial duties.  
During the year, major jobs of remodeling and purchase of a new electric organ were accomplished there.  
Rev. and Mrs. King came to the Northville area from Jackson. They have two grown children, Lois, of Portland, Indiana, and Weldon of Milan, Michigan.  
The Rev. Dr. Roy L. Aldrich, president and director of the Detroit Bible Institute, will substitute at Sunday services in Salem until a new pastor is announced.

# Mustangs Lose League Finale, Aim for Tourney

## Lakers Get Revenge In Overtime

Fans thundered their applause Friday as the curtain rang down on Northville's 1958-59 league basketball season — but the cries and shouts of jubilation were not for a Mustang encore.

The wild applause was for the West Bloomfield Lakers who wrestled an overtime victory from the Mustangs, 75-71 on the Bloomfield Court.

For Northville, the shouts were mocking tirades — for the loss dumped the Mustangs into a fourth place finish and left Coach Stan Johnston, who ended his cage career in the league, with a final defeat.

The Mustangs finished the regular season with a 5-5 record, just behind the Clarkston Wolves who grabbed third place with a 6-4 record. The fourth-place finish is the lowest any of Johnston's teams have been since he assumed the head coaching job in 1955.

Although Johnston coached his last league game Friday, he won't throw in the towel until after the cage tournaments.

Friday's loss gives Johnston a coaching record of 43 wins and 21 losses. Northville shared the league championship with Clarkston in 1956-57.

Brighton turned in its finest season in history to claim the Wayne-Oakland league title with 10 straight victories without a defeat. Holly finished second with a 9-1 record.

The Lakers earned a piece of fifth place by virtue of their upset victory over Northville and Clarkston's 62-56 loss to the Wolves. Milford and Bloomfield Hills were left with a share of last place with 1-9 records.

Northville outscored its opponents in league competition, 617-593, while non-league opponents edged the Mustangs, 298-286.

West Bloomfield spotted Northville 7 points in the first quarter of Friday's game before starting its climb toward a fourth season victory. The Lakers, who lost an earlier game to Northville, 62-50, pumped in 21 points in the second quarter to narrow the gap to 4 points at the half, 38-34.

Northville's offensive unit turned cold in the third stanza, scoring only 10 points while West Bloomfield hit nine field goals and three free shots.

The lead changed hands several times in the final quarter before Northville took command with seven quick points. Northville was headed for what looked like a sure win.

But the Lakers' John Lucadam, right guard, had other thoughts. After his teammates had chipped Northville's lead to two points, he tied the score with a field goal in the final seconds.

Then Northville took possession. But the Mustangs failed to get close to the net and Bob Starnes, forward, was forced to arch a long shot which bounced off the rim as time ran out.

The Lakers wrapped up the game in the overtime with Lucadam soliloquy the net for six of his team's eight points.

Center Jeff Goodrich had his best night of the season, scoring 26 points to take honors for Northville. Starnes was next high with 21 points.

Lucadam pumped in 11 field goals and six free shots to take scoring laurels for West Bloomfield. Teammate B. Johnston scored 21 points.

## Northville Hurler Wins Promotion

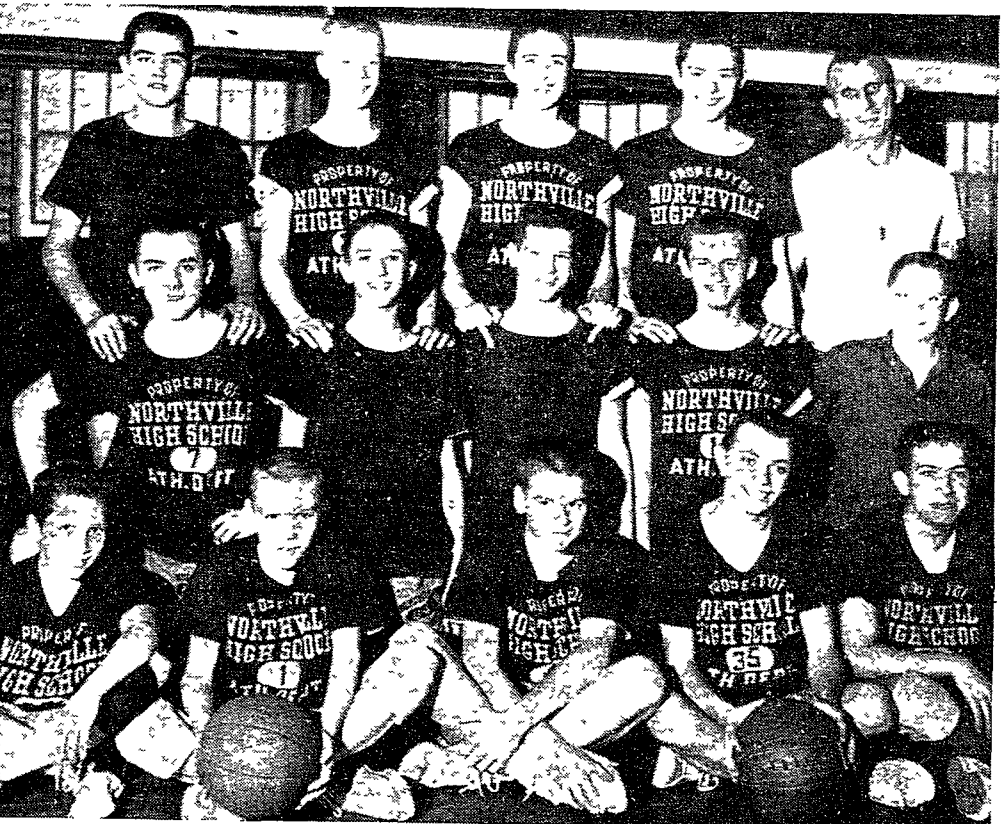

Northville's Ken Rowe, son of Mrs. Lucille Rowe, has left for the Los Angeles Dodgers' spring training camp at Vero Beach, Florida, after signing a contract to play for the Dodgers' Triple A club at Montreal in the International League.

The former Northville high school and American Legion star moved up to the Triple A club this year after playing with Macon (Ga.) Dodgers in the Class A Sally League last summer.

Rowe, star hurler for the Macon Dodgers, joined the Dodgers last spring after two years service with the army. Rowe had been with the Detroit Tigers farm club for three years.

WHICH WAY OUT? — West Bloomfield's forward, D. Alix, looks for a "way out" as Wade Deal (51) and Fred Schwarze put on the squeeze. Big Jeff Goodrich and Bob Starnes (11) look on from the rear.

FOURTEEN STRAIGHT — Pictured here are 13 of the 14 freshmen cagers who put together a season record of 14 wins and no losses. Missing is Roy Rice. Left to right (front row): Tom Slattery, Tom Long, Dan Collins, Jim Anderson, Dan Patterson; (middle row) Ed Beard, Daryl Hopper, Steve Juday, Mike Meyer, Bob Galli, manager; Paul Rumble, Dan Brown, Dick Bathey, Don Busch and Coach Joe Wilkinson.

## Colts Slump Again In Season Finale

Northville's junior varsity quintet bowed out of the 1958-59 basketball season Friday with another black eye.

This time it was West Bloomfield that delivered the punch which throttled the Colts, 48-28. It was the ninth loss against six wins for the Northville team and the second defeat handed the Colts by West Bloomfield this season.

The junior Lakers barely edged Northville in the first contest, 35-34. Opponents during the season scored 690 points to Northville's 623; the Colts averaged 42 points per game, while opponents turned in an average of 46 points.

The scoring record shows that Northville performed best in the second half, particularly in the final quarter.

Jim Patterson, Northville's center, averaged 13 points per game to lead his team in scoring. Tom Schwarze was next with an average of 6 points, followed by Bill Juday, Tom Darling and Jerry Forbes, with 5. West Bloomfield won Friday's game in the second quarter with a barrage of nine field goals and eight free shots that catapulted them to a 37-15 half-time lead. Northville scored 7 points in the first stanza, 8 in the second.

The Colts' defensive unit went to work in the third quarter, holding West Bloomfield to 11 points. Northville split the net with four field goals and two charity shots.

Coach Don VanIngen cleaned the bench in the final quarter, using all his players. The West Bloomfield coach did the same. When the slippery ball came to a halt, West Bloomfield had outscored the Colts 4-3 in the final stanza.

Tom Schwarze took scoring honors for Northville with 9 points. Next high was Jim Patterson with 8 points. J. Newton scored 17 points to take honors for West Bloomfield.

## Freshmen Wrap Up Season With 14th Straight Victory

"The pressure was on — we had to win."

Breathing a little easier and feeling very proud of the sparkling season record his team turned in, Coach Joe Wilkinson admitted his heart skipped a few beats as his freshmen fought an uphill battle to whip South Lyon in the season finale Thursday.

The victory gave the freshmen one of the most successful cage records in Northville's history — 14 straight wins without a loss.

Northville scored a total of 701 points during the season, while opponents scored 426. Steve Juday led the team in scoring with 120 points. Other high scorers were: Tom Long, 105; Dick Bathey, 90;

and Don Busch, 95.

The local quintet spotted South Lyon 9 points in the second quarter after both teams scored 9 points in the first. The score at the half was 26-17.

Northville chipped away at South Lyon's lead until the score was tied 32-32 as the third quarter ended. The lead changed hands several times in the final stanza, but Northville's Tom Long wrapped up the victory for his team by twice stealing the ball as South Lyon threatened in the closing seconds.

The freshmen outscored South Lyon 14-11 in the final quarter. High scorers for Northville were Steve Juday, 14; Tom Long, 9, and Dick Bathey, 8.

## Seek Win Tonight At Milford

Northville's varsity quintet will attempt to "dress up" its mediocre league record tonight when it clashes with Milford in the first round of the district tournament.

The game is scheduled to begin at 7:30 p.m. on the Milford court.

A win over the Redskins would give the Mustangs a crack at the district championship and the regional title.

Slapped with two defeats in league competition with Northville earlier this season, Milford will be seeking revenge on a familiar court. The opportunity to knock off one of the league teams that helped dump them into the league cellar may be the spark to light a fire.

The winner of tonight's contest will clash tomorrow with the winner of the South Lyon-Brighton game, which was to be played last night.

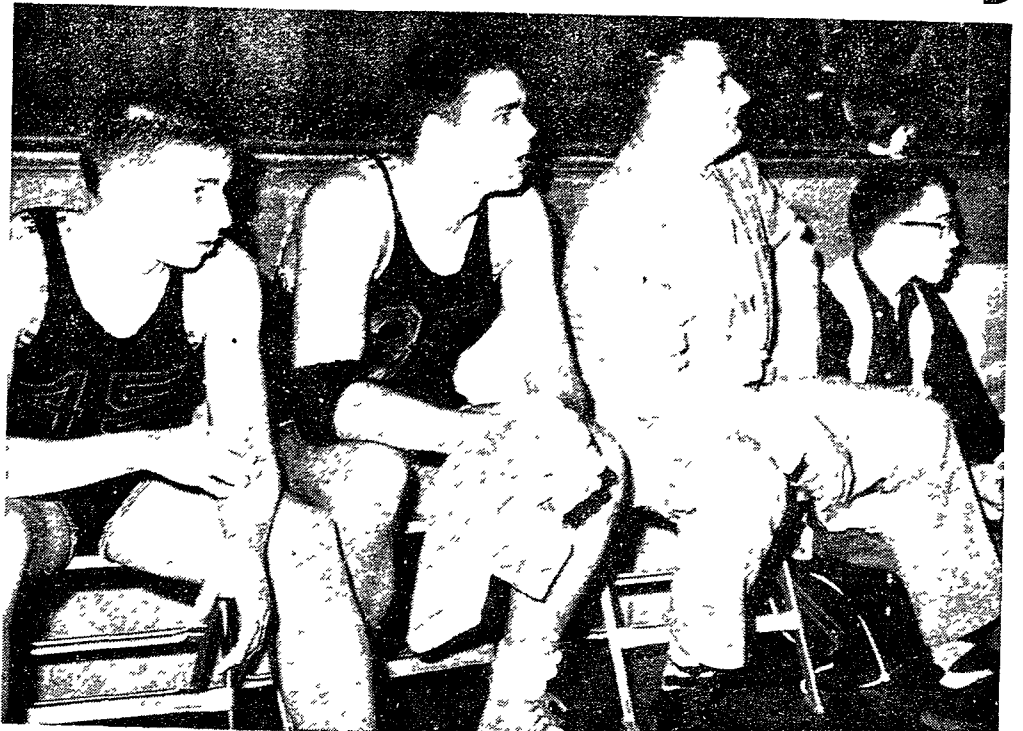

The district tourney champion will go to Willow Run to meet district winners from Milan, River Rouge and Blissfield.

Last year Northville opened its tournament campaign in good style, flattening Flat Rock, 70-53. The win turned sour, however, when Willow Run shattered the Mustangs' tournament hopes two nights later, 60-53.

The Flyers, who had averaged fewer than 40 points per game in putting together a poor 2-8 league record, surprised everyone, including the heavily favored Mustangs.

GOODBY ULCERS — Retiring Coach Stan Johnston may not have ulcers but some nervous disorder probably plagued him Friday as the two teams battled for the victory in the final seconds of his last league game. Seated on the bench with him are (left to right) Bill Boyd, Nelson Schrader and Manager Chuck Gross.

**RETIRING** — Robert G. Gregory concluded 22 years of active association with the General Filters corporation of Novi last week. Gregory, vice president in charge of engineering, joined the firm six months after it was formed. He is shown above with Mrs. Grace Redner, General Filters president, admiring a watch given Gregory. He also received a matched pen and pencil set. Gregory will remain in an advisory capacity with the firm, but from the warmer climes of Florida.

## Detroit Minister to Give Talk at Methodist Supper

A nationally-known preacher and son of a former Northville Methodist church minister, Dr. Robert Pierce, will deliver the message at the Lenten pot-luck supper to be held tomorrow (Friday) at 6:30 p.m. in the First Methodist church.

Dr. Pierce, minister of the Metropolitan Methodist church, Detroit, is the son of the Rev. Ralph M. Pierce, pastor of the Northville congregation from 1910 to 1915.

Appointed to the church made famous by M. S. Rice, Dr. Pierce has come from pulpits in Illinois and Indiana.

Since assuming duties at the Metropolitan Methodist church in 1957, he has been in great demand as preacher, lecturer and after-dinner speaker, and is considered one of the top preachers in the nation.

A nursery will be provided during the dinner, and a special program planned for the children.

The Women's Society of Christian Service will serve tea, coffee and milk. Guests are asked to bring their own table service and passing dish.

Dr. Robert Pierce

### NEWS FROM THE AMERICAN LEGION

POST 147

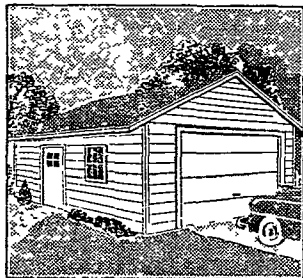

REX HOLLOMAN — REPORTER

On February 19, Senator Long (La.) joined by 55 other Senators, introduced S. 1113. Enactment of this measure would accomplish a purpose the American Legion has had for several years, namely, that the National Service Life Insurance program administered by the Veterans' Administration be reopened for one year to insurable veterans of World War II and the Korean conflict.

The 1958 national convention instructed the national organization (Res. 452) to continue its efforts to do this. In the 84th and again in the 85th Congress Senator Long had been joined by more than 50 Senators in trying to reopen the program for a one-year period. In each Congress, their bills passed the Senate unanimously but failed to pass the House.

It is vitally necessary that support of all Legionnaires be given the National Legislative Commission, when called for, if this desirable legislation is to be gotten through the House as well as the Senate.

## READERS SPEAK:

## Republicans Losing Grip In Northville

To the Editor:

The following remarks were caused by two letters printed in the Record of the 19th. My letter is late because the Record didn't arrive until the 24th. Diogenes and Mr. Lawrence wrote the letters and I'd like to say a few things now that I've wanted to for a long time. Since I still vote in Northville, I think I'm entitled to.

Since I left Northville, I've seen intolerance in Virginia and Utah. In Virginia toward the Negro, and in Utah, toward religious faiths other than the Mormon. Now I look toward home and see the same kind of rationalizing toward the Democratic Club as is used by the people of these other states. For shame! Republicans, remember when you throw mud and hint at dire consequences you are throwing those in the faces of people you say are friends. It's been a long time since Republicans have had competition. Now after your long reign you are losing your grip, and all those new Democrats have suddenly developed the plague that will wipe out Northville if they aren't stopped. Northville has a Statewide reputation as a Republican stronghold. It has gone Republican in all elections for years, and can you honestly say that that hasn't included the "non-partisan" local elections?

Now really, Mr. Lawrence. What would be behind the Democratic party efforts to get into the picture in local elections? They are local people aren't they? How many years has it been since any Democrat has held office in the local government?

Why aren't these Democratic candidates just as qualified as the incumbents? Is it because the incumbents have a little experience now? Did they use their best judgment in local affairs when they supported a water bond issue for water improvements that can be made as effectively for less money? Are Democratic candidates less thinking candidates because they are Democrat? Are they less likely to think of the good of the community because they are Democrat? Aren't they citizens of the same community as the incumbents? Or haven't some of them lived in town long enough to qualify as citizens with feeling for the city?

When people say to think about something Diogenes, they should always say think about both sides of the question. Have you? And have Northville Republicans been thinking along the lines they have since the days when great granddad was a Republican candidate for village office? Or are they thinking in terms of the changing times? This is the atomic age, remember! Northville can't sit still while the rest of the State, nation and world heads for the moon.

If Northville Republicans would take a long look back for awhile, they might discover that many of the city's Democrats are a product, not only of growth, but of Republican tactics and words. You are certainly not so blind that you can't see some of your former par-

ty over on the other side of the fence now! Ask yourselves why? Is one party really healthy for a community?

I feel better now, though, maybe some of you don't. I am a member of that Democratic Club that was made to sound so subversive to the Republican peace of Northville, and I sure am glad. Say, would you believe it! Some of my best friends are Republicans. We get along just fine, and Northville will get along with two parties just as well and better.

Mary Lou Barry

## Clarifies Position In Novi Politics

Gentlemen:

I am in receipt of a letter from a former resident of Novi Township, Mr. Charles Trickey, Jr., which I very much resent.

Mr. Trickey states that he is waiting to hear from me before writing an open letter to the people of Novi Township, in which he will (quote) "name names and dates". In order that I am not misunderstood or misquoted, I am requesting that you publish this letter directly from me.

The letter states that Mr. MacDermid told him (Mr. Trickey), that my name was the only one mentioned in a conversation with him, as backing Mr. MacDermid's candidacy for Township Clerk in the recent primary. He states further that in a letter he wrote Mr. MacDermid that (quote) "men of bitter, twisted minds have destroyed our life long friendship". Naturally, I resent this implication.

Perhaps my sincere interest in Novi is in a large part due to the fact that I was privileged to serve the Township as Treasurer, and a member of the Zoning Board, and was recently appointed to the Village Planning Commission. This service dates from 1932, a period of 27 years. During all this time, while differences of opinion arose, I recall no time in which I, or any other member, was not willing to bow to the will of the majority, in what we considered the best interests of the community. I hope never to find myself in a position, however, where I will not be able to support candidates of my choice for office.

The letter refers to political advertisement in the Novi News by Mr. MacDermid in which he states (quote) — "Vote on qualifications, not on Sympathy". In the same issue, Mr. Bachert had a political advertisement, stating among other things that he is a "Disabled Veteran World War II". Personally, I see nothing wrong with either of these advertisements. I am in complete agreement, however, with Mr. MacDermid, that being a disabled veteran is not necessarily a qualification for Public Office. I think Mr. MacDermid, who is also a veteran of World War II, has stated his position very clearly in his letter in the February 19th issue of Novi News.

I do not consider it necessary to account for or explain to Mr. Trickey any stand I may have taken, or the way I may have voted in the recent Primary election. I do wish to state, however, that I took no active part, nor did I contribute any money to anyone's campaign. I believe it is a well known fact that for the past forty years I have been an active member of a Veterans Organization, the main purpose of which has been to aid Disabled Veterans and their families. I am certain that the benefits they have so justly received are due, in no small part, to our efforts in this organization.

I believe it is everyone's duty to take an active part in politics and local government in the community in which they live. I do resent, however, anyone trying to direct, influence, or intimidate people in a community after they have moved elsewhere.

George R. Simmons

## SPEAKING

## for the Record

by BILL SLIGER

This month, through Easter Sunday, March 29, the annual Easter Seal campaign will be conducted throughout our state and nation.

It is another of the many charitable organizations to which we, as able-bodied, working citizens are asked to contribute funds. And, like each of the other organizations, it is for a "good cause", so most of us contribute something.

I believe it's possible, however, that because of the frequent appeals we give, or don't give, automatically simply because we feel we have, or have not, money to "spare".

Just as a refresher, let's take a look at the Easter Seal campaign and recall again to what use the organization puts our dollars.

Specifically, the Easter Seal Society helps physically handicapped human beings. They may be children or adults crippled by disease or accident.

Their problems are varied. For some, a properly conducted rehabilitation program may lead to complete recovery. Others, of course, are crippled for life. They, too, must be rehabilitated so that they may take an active part in community life.

The services of the Easter Seal Society are carried out through volunteers who supplement staff efforts by providing helpers for clubs and day camps, driving crippled children or adults to hospitals and clinics, and so forth. In western Wayne county we are able to see the end result of our contributions daily at the excellent new center in Inkster and the rehabilitation work carried on at the Day Camp.

Many Northville area persons have contributed time as well as money to the Easter Seal Society program. Others have received the benefit of its work.

A further reason for Northville residents to be especially interested in the success of the Easter Seal drive is the fact that one of our residents is executive director of the Michigan Society for Crippled Children and Adults.

Percy C. Angove, 45855 West Main street, has held this position for 25 years.

From correspondence received from his organization I note that the theme of their last convention was "Victory over Disabling — Winning Community Support".

In addition to helping our handicapped, it would, indeed, be a fitting tribute to Mr. Angove's 25 years of service if he could win the overwhelming support of his community in this year's campaign.

Under the chairmanship of Lynn Sullivan the Northville Rotary club prepared Easter Seal letters for mailing to every resident this week.

You can do your part by being certain to return this envelope with a small contribution.

\* \* \*

Imagine the surprise of the Dave Camerons, 760 Spring drive, when they saw a picture of themselves in Sunday's Detroit Free Press Roto magazine.

Not so surprising you say? Well, the picture was taken at the Camerons' wedding. And, in recalling the joyous occasion, the identification under the picture said the wedding took place "a year ago".

Actually, it was six years ago. And the young city council candidate and his wife now have three lovely children — Sally, 4; Tommy, 3, and Beth, 1½.

The error was caught after the Roto section had been printed. A story explaining the mistake appeared in the main news section of the Sunday edition.

## Roger Babson

## Russia Fears Germany

Babson Park, Mass. — In my column last week on Berlin and the stock market I concluded that the entire Russian-German situation depends upon whether either nation is prepared to defend itself against hydrogen or atom bombs. If Russia backs down on her Berlin ultimatum it means that her Siberian experiments with anti-missile missiles have not been a success. Surely no nation, including the United States, has a defense against them.

## Germany Hands Out No News Releases

Russia is encouraging our newspapers, radio broadcasters, and magazines to tell of her "wonderful" scientists and laboratories. You do not hear anything of what Germany is doing. Yet the so-called Russian scientists were stolen from Germany; in fact, I believe it was a German and not a Russian who built the famous "Sputnik".

Although they are saying nothing, the Germans are far ahead of either Russian or the U.S. in scientific achievement. Russia talks as if the U.S. were her great enemy; while she knows it is Germany and China she must fear. It is the present talk of protection from enemy missiles by all nations which causes the "cold war" to continue.

## Eisenhower, deGaulle &amp; MacMillan Working Closely With Dr. Adenauer

The Democrats blame Eisenhower for everything, and talk about "the elephant sleeping in the White House." Our President may be a child at politics; but he knows Europe better than anyone in public office. He knows what Germany is doing, but he keeps it to himself as Dr. Adenauer wants him to do. The same also applies to the scientific developments of France under Charles deGaulle and of Great Britain under Harold Macmillan. President Eisenhower, Prime Minister Macmillan and President deGaulle know that Germany is the protector of Western Europe. They are prepared to work closely with Dr. Adenauer. Great events are in the making — Germany has the world's best scientists, best laboratories and best fighting spirit. The Germans are not dishonest like the Russians; nor are they soft like us. They realize that in case of World War III Russia would first try to destroy West Germany. Hence, the West

Germans are making plans to prevent this.

Germany has tremendous sins for which she must ultimately repent or repay. These primarily were the unforgivable persecutions of the Jews under orders from Hitler and his cohorts. Perhaps one way Germany could atone for these crimes would be by inventing a way to make the free world safe from Russian attacks or even threats.

## Germany Will Be The Bulwark

News releases from Russia and the U.S. are mostly about ground-to-air missiles and space stunts. The real invention the United States, Great Britain, France, and especially Germany, are seeking is a ground-to-air defense missile — and Germany will secure it. When this is found, it could secure the peace for some years to come.

The primary work of defense against air missiles is being done by Germany. The world's best physicists, metallurgists and engineers are working on this problem in Germany with the help of Great Britain, France, and the U.S.A. Russia is more interested in these experiments than in conquering space. Remember that no country releases its most important inventions to the public. Such work is highly "classified". I believe a safe defense against missiles will be found. This will make Germany all-powerful in her strategic position as the bulwark of the free nations. Russia is truly afraid — not of the U.S.A. or Great Britain or France — but of Germany. Russia is handicapped and greatly embarrassed by having West Berlin and Western Germany advance so in everything while East Berlin and East Germany are stagnant.

The only way Khrushchev now sees to stop this is by absorbing Berlin. Of course, the Germans will not agree to this, nor will Great Britain, France, or the U.S.A. Such a withdrawal would be suicidal for the West. If, however, Russia could find a sure defense against German missiles, she might be willing to withdraw from Berlin and let East and West Berlin combine, with free passage guaranteed to all parts of the world. The isolation of Berlin without a Western outlet is crazy and must be rectified. I believe this will take place as soon as all nations have anti-missile missiles.

## Chats with Parents

## "Back-Talk" Age

Parents are usually astonished when a growing son or daughter suddenly changes from a polite, easily manageable child to one who talks back on the slightest provocation. This stage in the child's development is most noticeable between the ages of nine and 12. Much like the three-year-old who takes off in a run in the opposite direction when he is called, the older child seeks to establish his independence by contradicting his parents' commands and opinions. Such rejoinders as "Well, whadda ya know?", "Oh, yeah," and the like are much more on the tongue of the nine-year-old than are the more docile and polite responses of a year ago. If parents are successful in restraining the child from back-talking, he is likely to express his feelings by some facial expression or some behavior which doesn't violate the family rule against back-talk but accomplishes the same purposes for him.

The question parents often ask indicates their desire to cope with back-talk by recognizing it as a stage of normal development in the child, and then trying to meet it as patiently and intelligently as possible. No single suggestion concerning how to meet the back-talk stage will serve all parents with all children. The child who has a tendency to be aggressive may carry this assertion of independence beyond the normal range and develop to teenage habit of disparaging the suggestions and opinions of his parents, or he may think the back-talking is coming from his parents rather than from him. Parents usually recognize this tendency in their children and take appropriate steps to see that the practice does not go beyond the "normal" stage for the child's age.

The quiet, sensitive child may use the back-talk experience to develop confidence in himself. If so,

he can usually be expected to not carry it too far. In any case, it is usually better to ignore normal back-talk than to try to prevent it entirely. If the child over-does the habit or continues to do it when he enters his teens, it is time parents take a firm stand against it. Seldom can a child be talked or shamed out of the back-talk stage, nor can he be cured of it by sarcasm or parental use of childish back-talk in return. It is better to recognize it as a passing habit and to make nothing of it unless the child carries it beyond the bounds of reason. The back-talk stage is one in which the child makes his first move to meet adults on even terms. Parents should recognize this attempt as a normal one by taking the child into family discussions in which he can participate and help him establish his desire to be treated as an adult.

If he makes remarks which reveal that he considers himself ready and able to criticize the behavior and thinking of his parents, he is simply reassuring himself that he has the right to criticize another adult. He especially dislikes being reminded that he isn't an adult by being told that his hands need washing or his hair is in need of combing. He doesn't criticize his parents when their hands need attention, so why should they criticize him?

Your child stands an excellent chance of going through this stage normally and coming out of it a more mature and cooperative member of the family. Though he passes through the stage in due time, he retains the feeling of equality with adults which he gained by proving he could say "Oh yeah" instead of "Yes sir" and get by with it. Professors Mary and Frank Lawrence have included an interesting and amusing account of the nine-to-twelves in their book "How To Help Our Child in School".

## Judge Bowles' Decision Aids Smog Fight

CITIES scored a major gain against pollution of the air its citizens breathe.

In due time, with new local and state legislation, the problem of smoke and chemicals in the air may cease to exist. Contaminated air is being combatted in Michigan as well as California and several other states.

The Michigan Supreme Court held that Detroit can write an ordinance to control smoke from ships on the Detroit river.

The decision of the court upheld a ruling made earlier by Wayne County Circuit Judge George E. Bowles.

The precedent will extend to the cities on all Great Lakes where the smoke from passing or docking freighters has become a nuisance.

"We think that by now it is sufficiently clear without citation of authority that excessive air pollution by dense smoke cannot be anything but harmful to the health and welfare of a community," wrote Justice John D. Voelker, in a unanimous opinion.

The decision validated the Detroit ordinance after a legal challenge from a riverside industry that the ordinance was in conflict with Federal interstate commerce regulations.

MONEY is the major problem for local governments too. Officials of leading Michigan cities, through the powerful Michigan Municipal League, have made two major points since the drive for more state taxes began a month ago.

1. Some of them want a share of any major new state tax revenue.

2. Most of them want additional powers to levy more kinds of local taxes, in addition to the property tax.

The legislature has rejected in other years the plea of Saginaw and other cities to impose a local income tax.

The major ideas now for local governments are excise taxes, levies on motel and hotel bills and other taxes not pre-empted by state government.

VOTERS will have at least one non-controversial constitutional amendment on the April 6 ballot.

It will be the change in the name of the State Board of Agriculture to "The Board of Trustees of Michi-

gan State University of Agriculture and Applied Science."

The change, following by three years the name change of Michigan State college to Michigan State university is proposed by people who object to the confusion of terms.

Michigan now has a board of agriculture (to govern the university) and a state agricultural commission, which performs a number of services for farmers through the state department of agriculture.

\* \* \*

The university has grown from a small institution once nicknamed in derision, "Cow College", to one of the nation's leading universities, still maintaining its top-drawer agricultural curriculum but expanding to leadership in many other fields.

Voters will have the opportunity April 6 to approve the change in the name of its governing board.

At the same time, it is expected that other name changes will be voted upon in the legislature, making several more of the state's "colleges of education" into "universities."

MICHIGAN'S legislature, which started the 1959 session with a 55-55 division between Republicans and Democrats in the House now stands at 54-54.

Democrats lost the first seat when Detroit's Fred Dingman died. Republicans lost the second when former Speaker George R. Van Peursem resigned to take a post
