

HAPPY FAMILY — Mother and children in the Eugene King family shared their daddy's happiness upon learning of his appointment as Northville's new police chief. Shown here (left to right) are: David, Elizabeth, Mrs. King, Patricia, Gregory and baby Charles.

Officer Eugene King Gets Police Chief Post

Northville's new police chief is a real family man.

He's Eugene King, father of five, and member of the Northville police department for five years.

King's appointment to fill the position of Joseph Denton, who will retire next month, came Monday night. It was recommended by City Manager John Robertson on the basis of written and oral examinations, and approved unanimously by the city council.

A definite date has not yet been set for installation of the new chief. It has been indicated, however, that he will be administered the oath of office at a regular meeting of the city council.

King is 43 years old and was born in Struthers, Ohio. He attended Mackenzie high school in Detroit and has taken courses in police work at Wayne State and Michigan State universities. He lives at 117 South Rogers with his wife, Lorna, and five children: David, 10; Gregg, 7; Patricia, 5; Elizabeth, 3, and Charles, 10 months.

King has been an active participant in community affairs and is currently serving as president of the Northville Exchange club.

In hearing of his appointment King said:

"I am very happy to receive this appointment and the unanimous support of the city manager and the council."

"I will make a determined effort to carry on the splendid police program initiated and supported by Chief Denton."

Flowering Crabs On Sale Saturday

Local boy scouts of Troop 731 will be busy wrapping flowering crab roots this week end.

The red, pink and white blossomed crabs — chosen last week as official tree of the city — will go on sale Saturday at Green Ridge Nursery as special promotion for the annual "Beautify Northville" campaign which begins May 1.

Nursery owner John Miller reports that 300 trees are available for sale at cost to the community. Some 100 have already been promised to school children.

Depending on the species, prices range from \$1.50 to \$2.

The colorful little tree, which measures an average five feet in height, are a thrifty and ingenious means of touching up empty lots and home sites, the beautification committees declared.

Four members of Northville's police department took the examinations for chief. The written examinations required approximately 2 1/2 hours, while each officer underwent a one-hour oral test.

The written tests were standard police examinations supplied and corrected by the Michigan Municipal League. Officers were assigned numbers which were matched with their names after the exams were graded. Thus persons correcting the tests did not know the name of the applicant.

The oral examinations were given by Casper Enkemann, chief of police of the city of Ann Arbor, and Glenford Leonard, director of public safety at Oak Park.

Chief Denton is scheduled to retire the last of May. King will begin learning his duties immediately, however, and may take over sooner than Chief Denton's official retirement date.

Well... We Had The Right City!

Before they get mad and start tearing curbs out, we hasten to correct an erroneous report of last week.

We said that "Oakland" county workmen were installing new city curbs on Main, Center and Rogers streets.

Naturally, we meant Wayne county.

The project will include all city curbs on Main street from the spring to Rogers and on Rogers to Seven Mile; also Center street from Cady to Baseline.

Clean-Up Campaign Plans Set

The second annual all-out effort to "Beautify Northville" will get underway next Friday.

The month-long campaign will start with a splash — literally — as local merchants get out their brushes and boots to scrub down Main street while firemen turn on the hoses May 1.

Chairman Ed Welch has a host of other projects assigned to committees that are scheduled to take place throughout the month. They include:

- Vacant lot improvement, John Wortman;
- Rural beautification, Dave Cameron;
- Sponsorship, Charles Strautz;
- Eyesore removal, Lynn Sullivan;
- Pictures, Wilson Funk;
- Publicity, Mrs. William Cansfield;
- School, Richard Kay;
- Contests and stunts, Mrs. Arthur Carlson;
- Residential advisory and tree planting, John Canterbury;
- Industrial areas, Don Lawrence;
- Homes, Joe Petrock;
- Alleys, streets and highways, George Kohs;
- Social projects, Bill Sliger;
- Government projects, Mike Allen;
- Retail and commercial projects, Charles Altman;
- Health and safety — William McGee;
- Scrapbook, Miss Ruth Knapp.

Lynn Sullivan was elected to serve as co-chairman of the general campaign at a meeting of the coordinating council Thursday. Mrs. Gladys Wallace was named secretary, and Mrs. Peter Cucchetti, treasurer.

This year the city adopted the flowering crab as the official community tree. It will be the aim of Mrs. Carlson's committee to see that as many persons as possible purchase the flowering crabs for planting throughout the area.

Emphasis will be on sidewalk improvement, Welch said. Plans have already been made by retail merchants to back a downtown sidewalk renovation.

Other projects which have been proposed are:

- Renovation of the Methodist church tower clock;
- Fencing of the sanitary land fill at Green Valley Acres;
- Renovation of the spring;
- A kick-off parade.

NEW LUTHERAN SCHOOL — Groundbreaking ceremonies for St. Paul's Lutheran Christian day school were conducted last Sunday next to the church. The \$46,000, two-level structure is expected to be completed in time for opening classes in September. Shown here turning the first shovel is the Rev. B. J. Pankow, pastor of St. Paul's church. Looking on (l. to r.) are the building committee members: Edward Long, Jr., Edward Brugman, Harley Balko and Adrian Wilhelm.

New School Budget Up \$70,000

Water Bond Vote To Affect Budget

On the eve of its repeat water bond vote and budget finalization, the Northville city council devoted most of their time Monday to old business that will face them in the new fiscal year.

The council will meet May 4 to discuss a tentative budget adjustable to the outcome of the May 18 water bond election. Final deadline for budget approval is also May 18.

City Manager John Robertson declared that he and council members will prepare in advance an emergency budget from the original, should the bond issue fail again.

It was defeated by five votes February 16.

Reports were given by Councilman Earl Reed on recent conferences with the township and Wayne county library board.

No decision has been reached, he said, between the city and township on divisions of costs of maintaining the sanitary landfill.

To ease city costs of library support that have risen substantially during the past five years, he continued, extra measures — such as a card fee for non-residents — are now being considered by the city and library board.

Other business included a request by the Northville Estates Civic association for city fire protection.

Since Novi informed the association last week that it will discontinue providing police protection to the area, members said they felt elimination of Novi fire protection was imminent.

Cautious of involvement in Novi village-township disputes about police and fire protection, the council postponed decision until Manager Robertson could prepare a report on local fire department costs.

Robertson also told the council that no plans have been made to fill the police department vacancy when Officer Eugene King succeeds Joseph Denton as chief of police.

Following the custom of waiving school building permit fees, the council waived the fee for the Lutheran Christian Day school.

Lyon Mill Increase Passed Saturday

In a repeat vote last Saturday residents of Lyon township school district approved a three year 4-mill operating tax increase 843 to 603.

The proposal failed by less than 50 votes in an earlier election March 7, the first time the district had requested a voting increase in operating funds.

Extra Teachers Account For Most of Increase

An operating budget for 1959-60 of \$735,981 was approved last week by the Northville school board. The figure is \$70,000 higher than the 1958-59 budget.

Superintendent of Schools Russell Amerman gave three reasons for the budget boost.

1. Hiring of four to six more teachers to staff the junior high school and new high school;
2. Additional maintenance costs of operating the new high school;
3. An increase of \$200 per year in the maximum salary for teachers.

—Because the new high school was not opened this spring as anticipated, the board was able to save approximately \$13,000 in its current budget. This will be applied to the new budget.

The portion of the operating budget actually raised from local tax levy is only \$21,000 higher than last year. The remainder of the increase comes from state aid funds. Of even more significance to the taxpayer is the fact that the recommended millage for operating cannot go higher than the 17.85 maximum of last year.

But it is very likely that an additional two mills may be needed to meet debt retirement payments. The board recently sold \$635,000 in bonds to complete the high school, remodel the old high school for junior high use and purchase of a new elementary site.

Last year a 26.10 mill school tax was levied, which included 8.25 for debt retirement. If the 1959-60 debt retirement millage would go up to 10.25, the total school tax would be 28.10.

Amerman's new budget is based upon last year's valuation of \$21,131,148. If the state should increase this figure, it is possible that a two-mill boost would not be necessary, Amerman pointed out.

Of the \$70,000 added to the budget \$25,000 will go for light, heat and maintenance of the new high school. Most of the balance is for the new teachers and adding an 11th year to the teachers' maximum pay scale. Tops is now \$6400 for teachers with bachelor degrees and \$6700 with master degrees.

Amerman said the board is also concerned over Northville's minimum pay scale. It's between \$100 and \$500 lower than neighboring districts, he pointed out. Local beginning teachers start at \$4200 or \$4500, depending upon the degree they have. If money can be made available, Amerman indicated that this minimum figure might be boosted.

An increase for administrative and clerical staff members is also included in the budget.

Financially speaking, Amerman said the schools are better off than they have been in some time. State aid and local tax monies have been coming in and the board has already paid off half of the \$300,000 it was forced to borrow last fall and winter for operating funds.

The new budget must now go to the Wayne County Tax Allocation Board for approval. It will be mid-summer before the exact assessed valuation of the school district is known so that a final mill levy can be set.

Here's a break-down of the proposed budget:

Administration \$39,960

Instruction \$520,661

Operation \$113,760

Maintenance \$9,000

Fixed Charges \$9,000

Auxiliary Charges \$22,300

Capital Outlay \$14,500

Supp. Disbursements \$1,800

Contingencies \$5,000

TOTAL \$735,981

Bike Safety Program Set for 1 P.M. Saturday

The annual Bicycle Safety program, sponsored by the Northville Optimist club with the cooperation of the police department, will be conducted Saturday at the city hall beginning at 1 p.m.

All youngsters with bicycles are urged to bring them to the city hall for a safety inspection. Reflector tape for safe night riding will be installed on all bikes.

Chairman Paul Polino said Optimist emblems will be available for each youngster participating in the inspection program.

Other officers of the firm include: William S. Young, vice president, and Winston Bancroft, secretary-treasurer.

were gladioli, mums and candelabra.

Given in marriage by her father, the bride wore a floor-length gown of lace over ruffled net, appliqued with roses, featuring an apron front and sweetheart neckline edged with sequins.

Her matching fingertip veil fell from a scalloped cap trimmed with pearls and sequins. She carried white carnations.

Maid of honor was Jean Smith, sister of the bride, who wore an empire dress of pale yellow crystal-lette with scalloped neckline, puffed sleeves and net overskirt, and a veiled shell cap. Her flowers were white carnations.

Bridesmaids were Irene Engel, and Mrs. James Taylor, sisters of the groom, in matching gowns of mint green and picture hats. They carried yellow carnations.

James Taylor served as best man for his brother-in-law.

Ushers, headed by James Engel, cousin of the groom, were Jack Engel and Robert Smith, brothers of the bride and groom.

For her daughter's wedding Mrs. Smith wore a light blue acetate princess style dress, white accessories and a white carnation corsage.

Mrs. Engel chose a printed polished satin dress with a navy linen coat, white accessories and a white carnation corsage.

A reception was held at the Novi IOOF hall for 200 guests from Novi, Northville, Detroit, Livonia, Farmington, Commerce, Wixom, Davisburg, Mt. Clemens and Pontiac.

For their wedding trip to the Smoky Mountains, the new Mrs. Engel donned a blue cotton sheath dress, white accessories and a corsage from her wedding bouquet.

Both are graduates of Northville high school. Robert is employed by Western Electric company.

On their return, the newlyweds will reside at 46063 Neeson, Northville.

Mrs. Milne Elected To County UCS Post

Mrs. William Milne of Northville was unanimously elected by the delegates to the board of directors of western Wayne county United Community Services at the annual dinner-meeting held April 16 in the executive dining room of the Central Office building of Ford Motor company.

Northville and Northville township has recently been included within the fund-raising area of the United Foundation. For this reason United Community Services has brought Northville and Northville township within the metropolitan area for the planning of social services. Mrs. Milne is the first representative from Northville on a United Community Services planning board.

Mrs. Milne is past president of the Northville P-TA and is active in the Northville Woman's club. She

Mrs. William Milne

is also a member of the Northville Coordinating Council and worked for ten years for Wayne county. Mrs. Milne is the mother of two sons.

Western Wayne county United Community Services is a local advisory group to the metropolitan organization. The major responsibility is to assess the need for social welfare and health services and take appropriate steps toward the realization of services for the area. During the next year the group will be gathering facts on the need for service in Northville as part of the metropolitan area.

Begin Registration For Kindergarten

Kindergarten registrations for the fall term will be taken Monday evening at 7:30 at an informal information meeting at Amerman school, Principal Richard Kay announced this week.

Questions about preparatory health measures, transportation, and others will be discussed, and parents will have a chance to meet the kindergarten teachers.

Although letters have been sent to families indicated on census rolls as having children who have reached school age, many new residents, not included in the local census will not be notified.

For them, Kay points out the children eligible for September enrollment must be five years of age on or before December 1, 1959.

Parents are also reminded that they must present a copy of their child's birth certificate before he can be permitted to enter school.

Children registered at the Monday meeting will be invited to attend a special visitation day at the school sometime in May.

CHEERFUL Jimmy Dolan belies with his smile the story behind those casts and traction bars. Seriously injured when he was hit by a car last month, Jimmy received transfusions of blood donated by the local Red Cross.

Red Cross Blood Bank Aids Local Boy

What can the community Red Cross blood bank mean to you?

Ask these Northville parents—the Frank Dolans of Chubb road—whose 13-year-old son Jimmy was seriously hurt when struck by a car March 13.

A patient in University hospital, Ann Arbor, until recently, Jimmy received eight pints of blood—about two-thirds the amount in a grown man's body—while recovering from pelvic and leg fractures and internal injuries.

"They gave Jimmy two pints of blood right away from the hospital blood bank," Mrs. Dolan recalls, "which donors have replaced."

"Next day I was assured that any other blood we needed could be advanced from the Northville community account at the Red Cross, and we could replace it. We have not stopped urging people to visit the bloodmobile simply because our six-pints replacement have been pledged."

"The bloodmobile visit provides us the opportunity to help pass on to others the gift of life which came to our Jim—from people we will never know," Mrs. Dolan said.

Members of Northville organizations may credit donations to their own church, fraternal, patriotic, industrial or self account, or to the general community account. They are eligible to call on the resources of that account in times of emergency.

Chairman Mrs. C. C. Winter pointed out that 66 of the 90 pints added to the community account last year have been used.

This year's bloodmobile will be located at the Methodist church, 109 Dunlap street, from 2:30 to 5:00 p.m. and 6:00 to 8:30 p.m. Friday, May 1.

Registrations are being taken by

Mrs. A. C. Carlson, 201 Fairbrook, FI-9-1330; and Mrs. C. C. Winter, 230 North Rogers, FI-9-2361. Persons pledging before April 27 may register for a time convenient to themselves.

THE TRAGEDY OF AN INACTIVE FAITH
A lady afflicted with cancer believed that cancer could be cured if treated in the early stages. But she died of cancer because she did nothing about it.
A man over 40 believed it was a good idea to get at least one physical checkup a year. But he died in the midst of years because he failed to have that checkup which would have shown a heart ailment.
A family believed they would be safe in the southwest corner of the basement if a hurricane struck. They lost their lives when they failed to heed a warning signal.
How often this is repeated over and over again. All of the people were victims of their inactive faith. They knew what was right, they believed it to be true, but they failed to do anything about it.
So it is with the matters of religion as well. The Lord's half-brother James, writing under Divine Inspiration spoke of the usefulness of faith without action. In James 2:14-26 he gives us three examples:
Vs. 14-18 He speaks of a faith that confesses. A man "says" he has faith but that is as far as it goes. He has no works accompanying it. Such faith is vain says James.
Vs. 19-20 is a faith that "knows". He is fully assured that God is and there is but one God. But unless that faith is put into action, this faith, as good as it is, is also vain.
Vs. 21-26 He gives us two examples of the faith that counts. Abraham believed God and he acted immediately upon that faith by setting out to offer up Isaac. His faith was proven to be genuine because he acted upon it. Rahab the harlot, believed the promise the spies made to her and immediately tied a scarlet cord in her window. Her faith counted because she acted upon it. And friend, listen, that is the only faith that counts.

Have You Acted Upon Your Faith?
Do you honestly believe what the Bible says in the Gospel when it says, "Christ died for our sins . . . that He was buried and rose again?" (1 Cor. 15:3-4). You do? Well, fine—but what have you done about it? You do possess the faith necessary to become a Christian, but have you become a Christian? Have you put that faith into action?
Believing about Christ doesn't make you a Christian! Unless you take this faith you now have and act upon it, it will do you no good. This is the most important matter and so many sincere people have missed it!
They have wanted to do the right thing (so did the lady with cancer, the man with a heart ailment). They have hungered for God. They have perhaps been baptized, joined a church and go to church every Sunday. But they know full well that nothing has happened to them. Their consciences still plague them. They have no real peace. They are not assured of being accepted before God and fear death.
What is the trouble? Simply this, they have never put their faith in action.
How must this be done? First by repenting of your sin and all that is wrong in your life as far as God has shown you. Second by placing a personal trust in Jesus Christ receiving Him as their Lord and Saviour.
This is a definite act even as is a marriage ceremony. It's between God and yourself. You do not have to be in church to get right with God. You don't even need a preacher around. Believing the Gospel that Christ died for you, you put that fact into action by renouncing your sin and enter into an agreement with God whereby you take Jesus Christ as your Saviour (John 1:11-12 and Romans 10:13). And take it from me it—really works!

Mustangs Nip Wolves

Win League Opener After Taking Two Diamond Warmups

Despite the cold weather which hampered hitters on both sides, Northville's varsity baseball team edged Clarkston Monday in the first league game of the season, 1-0.

The Mustangs won their first two non-league tilts in games played last week.

Coach Al Jones expressed satisfaction with his squad's performance Monday, despite the fact only three Mustangs hit safely in the seven inning contest. The cold weather may have been a contributing factor for the showing at the plate, he explained.

The coach was particular pleased with the first league win because Northville will not play Clarkston again this season.

The big blow which gave Northville the victory over Clarkston came off the bat of Third Baseman Bill Boyd. The alternate third baseman — pitcher tripled teammate Dave Hay home in the fourth with two outs to give the Mustangs' their lone tally. Hay had walked.

Boyd, who pitched Northville to an earlier victory, also connected for one of the other three Mustang hits to lead the attack at the plate. Catcher Wade Deal drew the only other hit.

Hurler Jeff Goodrich allowed only three hits in taking credit for the victory. He struck out 10 batters and gave up two walks in winning his second game of the season.

Bob Porritt took the three-hit loss. The Wolves' pitcher struck out 12 batters and walked five.

The Mustangs, who were scheduled to play their second game with South Lyon yesterday, will take on West Bloomfield today on the opponent's diamond. Today's game will be the second in Wayne-Oakland league play.

Three-hit pitching and two singles by Northville's hurler Bill Boyd sparked the Mustangs to a 12-2 frolic over South Lyon last Thursday. The loss was only the second in five starts for the Lions.

Center Dave Hay started the Northville rally, stealing home in the second after rifling a single to center. The Mustangs added another run in the second, two in the third, four in the fifth and four more in the sixth.

South Lyon's two runs came in the last inning on one hit. The two other hits came in the third and fifth innings.

Catcher Wade Deal, who scored one of his two runs by stealing home, was the hottest Mustang at the plate. He collected three hits in four times at bat. Jim Anderson, Hay and Boyd each connected for two hits, while Steve Juday and Dave LaFond each took one.

The Lions' two hurlers, Fred Atchinson and Jerry Hader struck out eight batters and walked seven. Atchinson, the starter, was nicked for the loss.

Boyd, who went the distance, struck out nine batters while giving up only two walks.

With two outs in the seventh, Northville's catcher Wade Deal smashed a 340-foot triple to drive in the winning run in the season opener against Willow Run last week.

The Mustangs won the game 4-3 behind the 3-hit pitching of hurler Jeff Goodrich.

Willow Run's Flyers pushed across two runs in the top of the first and then hung on to the lead until the Mustangs tied the score in the fourth.

Willow Run moved ahead in the fifth, 3-2, but Northville came back in the sixth with another tying run. Shortstop Steve Juday was on base with a bloop single in the final inning when Deal blasted his triple high into the trees in right field.

Juday led the Mustangs' hitting attack with two hits in four trips to the plate. Jim Anderson, Deal, Bill Boyd and Goodrich each connected for one hit.

Northville looked poor in the field on several occasions, turning in five errors against Willow Run's two errors.

Goodrich, who struck out 10 Flyers, was credited with the win, while Miller took the loss.

Northville's linksters shaved four strokes from their opening golf card to score an easy victory over Clarenceville Monday in the second match of the season.

The Mustangs fired a 183 total, while the Trojans piled up 211 strokes on the par 35 back nine at Meadowbrook Country Club.

Last week Northville shot 187 at Meadowbrook to earn a tie with Brighton in the season opener.

Northville's Bill Chizmar turned in four pars to take individual honors for Northville with a 43. His partner, Mike Eastland, shot a 46 as did Mustang Bill Reuter.

Mike Slattery, who teamed up with Reuter, sliced four strokes from his first round score to take a 48.

Coach M. F. Meaker, who said cold weather may have hurt his team Monday, admitted his team faces stiff competition tomorrow at Brae-Burn golf club with Plymouth.

NO STOPPING 'EM — Nothing stood in Northville's way last week as the Mustangs pushed across 12 runs in their six inning game with South Lyon. One of the most explosive runs came as Northville's big catcher stole home as South Lyon's catcher Dave Williams waited with the ball. Not shown in the crash above is the ball which slipped from Williams' hand.

Recipe for Heartburn

Take inexperience and add a liberal portion of butterflies and you come up with a concoction that most coaches would find hard to swallow.

Tennis Coach Ron Schipper is no exception.

His young team dropped its first two opening matches without scoring a point; tomorrow the Mustangs face heavily favored Plymouth.

Northville lost to Bentley last week, 7-0, and dropped its match with Birmingham Monday, 5-0.

Any relief in sight coach?

Schipper can point to an earlier prediction: "We won't set the world on fire, but we should do pretty well in the league . . ."

There are only two other teams in the league — Clarenceville and Bloomfield Hills.

Northville Tracksters Trip In First Triangular Meet

Northville's track team tripped on the first hurdle but Coach Charles Yahne is confident that his squad learned a little in the fall.

The Mustangs placed third behind Lutheran West and Thurston in a triangular meet at Thurston last Friday afternoon.

The unofficial score was Lutheran West, 52; Thurston, 50, and Northville 35.

(Northville, which was scheduled to take on Clarenceville yesterday, will compete with 10-12 teams at the Thurston Invitational tomorrow).

Despite the third-place showing, Yahne said he was pleased with his squad's performance. He said he was sure that they would improve as the season progresses.

Tom Darling captured individual honors for the local team, placing first in broad jump and second in the 100-yard-dash and the 220. In addition, the track star helped Northville's 880 relay team win sec-

ond place.

Hugh Crawford, who performs best in the 220, suffered an ankle injury in the high jumping event and was forced to withdraw from 220 competition. However, he tied for second place in high jump before the injury.

Spike Walker turned in the surprise of the day, defeating teammate Nelson Schrader in the first-place shot race. Schrader, who according to the coach was not up to par, placed second.

The only other second place winner for Northville was Bob Starnes in the 880-yard.

Other point winners included: Tom Ritter, 3rd, 440-yard; Roger Cheeseman, 3rd, low hurdles; Ron Loynes, 4th, shot and 880-yard; Kent Frid, 4th, 440-yard, and Larry Nitzel, 4th, low hurdles.

Cheeseman, Nitzel and Jim Petrock were members of the second-place 880 relay team.

Willowbrook

Newcomers to Willowbrook this week are Dr. and Mrs. Charles LaMontagne who are now living on Mooringside drive. Dr. LaMontagne is a resident in child psychiatry at Hawthorn Center in Northville. The LaMontagnes came here from Warren, Pennsylvania. They expect to return to their original home in Montreal, Canada early in 1961. Johanne, their daughter, is six years old and attends kindergarten at Orchard Hills school.

Mr. and Mrs. Robert Ritchie of East LeBost are new residents here from Flint. Mr. Ritchie is originally from Scotland and Mrs. Ritchie from England. They came over to Windsor, Canada a few years ago. Sheila Ritchie, 11, and Patsy, 6, are attending Orchard Hills school. Mr. Ritchie is employed by Control Engineering in Detroit. Flying is his main interest and he is taking lessons in order to obtain his private pilot's license.

Mr. and Mrs. Lester Ward moved into Willowbrook from their former home on Novi road. They have three children, Ronald, 12; Deborah, 6, and David, 4. Mr. Ward runs a service station at Grand River and Beck road. Mrs. Ward is active in girl scouting.

Mrs. William Gallagher and her daughter, Ann, have just returned from a vacation divided between Gulf Breeze, Pensacola and Mobile, Florida. Their trip included a day aboard the aircraft carrier, "USS Antietam", and dinner at the captain's table.

Northville City Council Proceedings

A postponed regular meeting of the Northville City Council was held at the City Hall Monday Eve., Apr. 13th, 1959 at 8:00 p.m.

Present: Mayor Allen, Councilmen Canterbury, Reed, Stuebenvoll and Welch.

Minutes of last regular meeting were read; also report of Board of Canvassers of the Apr. 6th, 1959, Regular City Election, and same were approved.

Mayor Allen introduced the Council members to Mr. Meaker's U.S. History class, who were present to observe proceedings of the Council.

Before proceeding with business of the evening, the new officers were sworn into office by the City Clerk. Councilman Stuebenvoll vacated his seat in favor of Councilman Juday.

Before retiring Councilman Stuebenvoll stated that the last year while he has served on the Council as appointee has been a progressive one and he hoped the citizens realize that a number of things have been accomplished. He feels that the new group can provide an efficient government, and will not get into the state of our present State Legislature. He left the meeting with his best wishes.

The business of the evening was then taken up, and the following bills were presented for payment: From General Fund \$16,445.12, From Other Gov. Fund \$1,364.15, From Escrow Account 90.00, From Water Fund 1,104.21.

It was moved by Canterbury, supported by Welch, that these bills be allowed and paid. Carried.

Letter was read from the Michigan State Tax Commission serving notice on the City of Northville that an appeal from the personal property assessment in the City of Northville has been filed with them from the Detroit Edison Co. and that same has been accepted for investigation. They request that no taxes be spread against present assessments by the Northville City Board of Review until the investigation has been completed.

An order and notice of hearing in the matter of the application of the Mich. Bell Tel. Co. for authority to revise its schedule of rates and charges, was also read by the Clerk. Councilman Canterbury spoke about his objections at the time of the last increase to the rate percentage wise that was assessed to the City of Northville, which he still feels was unjust, and he thinks the Michigan Public Service Commission should be made aware of the fact that although the City of Northville has no objection to a rate increase for Michigan Bell, it does not feel its rate should be increased. It was moved by Mayor Allen, supported by Canterbury, that the following resolution be adopted:

The City Council of the City of Northville

RESOLVES, That any justified rate increase given to the Michigan Bell Telephone Co. should not be passed on to the City of Northville, as the rate schedule assessed to them percentage wise at the time of the last increase was unjust, since the number of telephones in Northville is able to call is at the lower end of the rate bracket.

Motion was carried. City Manager was instructed to inform the Commission of this action.

It was moved by Welch, supported by Reed, that a resolution be adopted making the flowering crab tree the official tree of the City of Northville, as recommended by the Northville Co-ordinating Council, Mayor Allen to issue a proclamation advising the citizens of the City of Northville of this action. Carried.

Councilman Welch expressed thanks to Mrs. Arthur Carlson, Chairman of the Committee recommending the adoption of the flowering crab as the official tree, for the work of this committee in bringing this matter to completion.

The appointment of a Mayor Pro Tem was the first item of old business, and it was moved by Mayor Allen, supported by Reed, that Councilman Canterbury be appointed to this office. Carried.

Petition was presented from E. Dunlap St. residents to have Dunlap St. Parking lot. Mrs. Chas. Carrington, who presented the petition, was informed that the City will do something about the dust immediately and that paving will be taken into consideration when the budget is made up. Mgr. Robertson was instructed to write a letter to Mrs. Carrington confirming this statement.

Regarding the Zoning Ordinance Amendment as proposed by the Northville Planning Commission, it

was moved by Canterbury, supported by Reed, that same be published in the Northville Record and that a public hearing be held on same at the City Hall at its regular meeting to be held May 4th. Providing, however, that Condition No. 2 state that site and land use plans must be approved by the City Planning Commission and the City Council prior to action on the amendment. Motion was carried.

It was moved by Reed, supported by Welch, that a resolution be adopted accepting jurisdiction from the Oakland County Road Commission of Taft Rd. from 8-Mile to north City limits at the 8 1/2 Mile Rd. and of N. Center St. from Carlyle to the north City limits at the 8 1/2 Mile Rd. Carried.

The Wayne Co. Road Commission has accepted the Taft property west of Taft Rd., which was annexed to the City of Northville, into the Middle Rouge Interceptor Sewer District. The charge for this service will be about \$100.00 per acre, the same as the previous contract.

Harvey Willard, garbage collection contractor, who was present to discuss with the City Council the renewal of his contract, pursuant to the purchase of a packer which he is contemplating buying, was asked to also submit a bid for trash pick-up along with the garbage.

Mayor Allen appointed Councilmen Welch and Reed to talk with the merchants about replacing sidewalks in front of their business places where needed.

Alfred H. Smith expressed his confidence in the new Council, and stated he has taken on a good sized project — that of having "Northville Day" during the races. The racing commissioner or a representative from his office will be present the afternoon and evening of the day to be known as "Northville Day", and he requests that the Council, or members of same entertain this official and attend the races with him. He was assured that the City Council would co-operate in every way.

A resolution was presented by Councilman Canterbury that the City owned land at the junction of Eaton Dr. and Fairbrook St. henceforth be named "Joe Denton Park" in recognition of the meritorious service of Police Chief Denton, and particularly to commend his outstanding contribution to the betterment of the youth in this community. Motion was supported by Councilman Juday, and same was carried unanimously.

Atty. Ogilvie was instructed to notify Frank E. Hills when he will be expected to vacate the property at 114 W. Main St. purchased by the City of Northville.

No further business appearing, meeting was adjourned at 12:00 midnight.

Double Birthdays Celebrated by Dinner

Mrs. Clai Boyd of Plymouth and Mr. and Mrs. Floyd Gregory of Northville gave a double birthday dinner last Sunday for Clai Boyd and their father, Arthur Gregory, of Northville. It was a surprise for Mr. Gregory, celebrating his 70th birthday. Others present were Mr. Gregory's sister, Mrs. Harry Marshall; his brother, James Gregory; his nephew and wife, Mr. and Mrs. Clare Gregory of Dexter; Mr. and Mrs. Tracy Crane of Clio; Mr. and Mrs. Gene Garner of Livonia; Mr. and Mrs. William Speer of Northville; Mrs. Don Bingham of Novi and Walter and Charlene, children of the Boyds.

Mrs. James Hollis of Center street spent last Sunday visiting her granddaughter, Mrs. Richard Bale and family of Madison Heights.

Former Northville residents, Mr. and Mrs. Paul Reda of Berkley, visited Mr. and Mrs. James Spagnuolo of East Main street and Mr. and Mrs. L. Folino of South Center street Sunday.

Tours, Lectures at Northville Hospital To Highlight 'Mental Health Week'

Local residents and special guests will be treated to a week of tours and lectures by directors and staff of Northville State hospital beginning Sunday as part of the nationwide observance of Mental Health Week April 26 - May 2.

"Operation Friendship", theme for the 1959 program, will be carried out by the hospital in conjunction with the Michigan Society for Mental Health and the State Mental Health Commission.

Monday has been set up as Public Officials' Day.

State senators and representatives elected from Wayne county, probate judges, city and county officials, press representatives, board members and newspaper editors of the Michigan Society for Mental Health have been invited to a special program.

Tuesday, the hospital will feature a Clergyman's Workshop on Mental Health, planned for the specific

needs and problems faced by clergy-

men. Wednesday, invitees from the Detroit Federation of Women's groups, the United Church Women, Detroit Archdiocesan Council of Catholic Women and the United Jewish Sisterhood, will attend another special program.

Problems encountered in caring for mentally ill children, as well as the role women's organizations can play in improving existing programs, will be discussed here by professional workers on the hospital staff.

Saturday the public is invited to an open house between 9:30 a.m. and 3:30 p.m.

Visitors may tour the grounds on the hospital bus and visits have been arranged to some of the hospital's outlying buildings. Included will be the new occupational-recreational therapy building which has a swimming pool, 700-seat auditorium, gymnasium and bowling alley.

This will be the 11th Mental Health Week to be observed nationally. The aim of "Operation Friendship" is to bring to the mental hospitals, 750,000 visitors throughout the country.

This would provide one visitor from the "outside" for every patient on the "inside". The purpose of this project is to prove to the mentally ill that their relatives, neighbors and friends really care and to of-

fer to hundreds of thousands of Americans a "live" educational experience.

Coordinating Council Elects New Officers

New coordinating council officers elected at the April meeting last week are: president, David Cameron; vice president, Mrs. Essie Nider; secretary, Mrs. O. F. Reng; and treasurer, Miss Ruth Knapp.

A report on a band shell, being studied by the Exchange club, was heard. The Mothers' club also announced they would investigate the possibility of building an outdoor swimming pool.

Book Club Retraces Marco Polo Trail

The Tuesday Book club met at the home of Mrs. F. Alden Shaw. Mrs. C. E. Woodruff reviewed "After You, Marco Polo" by Jean Bowie Shor.

Mrs. Shore and her husband Frank recently completed a tour of the route taken by Marco Polo from Vienna to Pieping in 1271.

Mrs. Oscar Graham of West Seven Mile road underwent surgery Friday at Sinai hospital in Detroit. She was returned to Aitchison hospital Monday.

MINUTES OF THE NOVI BOARD OF EDUCATION

April 8, 1959
The regular meeting of the board
of education was called to order
by the president, Mr. Heslip, at
8:15 p.m. on Wednesday, April 8,
1959.

Present were Mr. Heslip, Mr.
Taylor, Mr. Erwin, Dr. Morris and
Dr. Medlyn, with Mr. Crawford
coming in later. Absent: none.

Guests were Mr. Kenneth Let-
singer, Mrs. David Fried and Mrs.
Richard Noble.

The minutes of previous regular
and special meetings were read by
the secretary and approved as read.

Mr. Letsinger presented the facts
regarding the bus lease proposal of
McFadden Corporation. The board's
choice of chassis could be leased at
approximately \$1600 per year (de-
pendent upon cost of extra equip-
ment) billed twice yearly. Buses
are provided new, leased on a 3-
year program and exchanged for
other new buses at the end of the
three years, or if the board wished
to buy a bus at the end of the three
years, full credit toward purchase
would be given, and the bus could
be paid off in two additional years,
at the original purchase price plus
an interest rate of approximately
4 percent. The transit bus, purchase
price \$9500, leasing at \$1740 per
year, could be exchanged in 5 years,
or purchased in 8 years.

Title to the buses would be held
by the board. And since collision
costs are reimbursable by the state,
the district would be paid by the
state in the event of collision. Pub-
lic liability insurance would be paid
by the district, and reimbursed by
the state along with other transpor-
tation costs, such as tires, and main-
tenance costs, as is the case with
the buses the district now owns.

The board asked that Mr. Let-
singer send a sample contract for
examination, and decided to ex-
amine long term maintenance costs be-
fore coming to a decision.

The treasurer's report, which was
approved as read, showed the fol-
lowing balances:

General Fund	\$18,102.31
Lunch Fund	3,524.28
1957 Building & Site	1,026.93
1950 Debt Retirement Fund	8,310.86
1955 Debt Retirement Fund	42,478.52
1957 Debt Retirement Fund	35,517.17

Boiler insurance for the Orchard
Hills School was discussed. There
were two bids, from Hartford In-
surance Co., and from Lumber-
man's Mutual Casualty Co. It was
moved by Mr. Erwin, supported by
Mr. Taylor, that the boilers be in-
sured with the Hartford Insurance
Co., and that \$100,000 public li-
ability be included. The motion car-
ried.

Mrs. Fried was present to pre-
sent the new by-laws of the Novi
School Study Group for examination
by the Board. These were set aside
for later study.

Mrs. Richard Noble raised the
following three questions regarding
board policy: What is the policy re-
garding class size, what is the pol-
icy regarding the number of
months a teacher may work during
pregnancy, and what is the reason

for the difference in the price of
milk at the Novi School and the
Orchard Hills School?

Regarding class size, the board
had established a policy last Octo-
ber of limiting class size to 30 pu-
pils, whenever possible. Due to
budget problems, particularly be-
cause the state had not been able
to pay the full amount of the state
aid, it had not been possible to hire
a third teacher for the sixth grade.

There is no written policy at pre-
sent regarding pregnancy, but the
board recognized the need for such
a policy. Dr. Medlyn is to present
a policy on pregnancy for board ap-
peal.

The one-cent difference in the
price of milk between the two
schools is necessitated by the dif-
ference of one-cent in the reimburse-
ment rate. Novi School is reimburs-
ed at the rate of four cents, the
rate for a school with a Type A
lunch program; Orchard Hills is
reimbursed at a different rate, hav-
ing special milk only.

The proposed 1959-60 budget was
submitted by Dr. Medlyn and dis-
cussed by the board. The budget is
to be discussed further at a special
meeting on April 15th, before it is
submitted to the county allocation
board.

The teacher's salary schedule was
discussed but no action was taken.
It was moved by Dr. Morris, and
supported by Mr. Crawford, that
Dr. Medlyn be authorized to pur-
chase the necessary mowers to care
for the Orchard Hills lawn. Motion
carried.

Dr. Medlyn is to obtain bids on
landscaping of the Orchard Hills
building.

The board was urged to make a
stand in disapproval of the House
of Representatives Bill No. 91 per-
taining to the reorganization of non-
high school districts. Letters are to
be written by the board members in
protest of this bill.

The secretary presented a letter
from McDonald-Moore & Co. per-
taining to the successful bidding on
the \$225,000 bond issue on March 25.
A second letter from Payne, Weber,
Jackson & Curtis requested inform-
ation on the results of the bond
sale.

GENERAL
CONTRACTING

SPEAKING

for the Record

by BILL SLIGER

So many projects are "hanging fire" right now in the Northville-Nowi-Wixom area — some very similar in nature — that it would seem worthwhile to touch upon each one of them.

This may help remind residents of what's going on in their community and alert them to watch for more detailed information in regular news stories. Many of the items have already been given heavy coverage, but readers often complain that they completely missed the story.

So, in a nutshell, this is what's making news.

— The state supreme court is studying oral arguments presented by attorneys for the city of Northville and Warren Products concerning the annexation of 220 acres of Novi township into the city; the validity of the annexation law is being challenged, so a decision in favor of Warren would have widespread significance;

— Both Novi and Wixom are having troubles with sections of their incorporated boundaries wanting to return to township status. The 36-acre farm of Edmund Yerkes on Eight Mile road and two parcels totaling nearly 100 acres on Pontiac trail in Wixom belonging to Vernon and George Spencer are seeking to return to Novi township. Novi Village Attorney Howard Bond finds himself on both sides of the fence — in the case of the Yerkes request, he's working for the village to retain the land; in the Wixom case he's acting as Spencer's attorney to gain the return to township status;

— On May 18 Northville will make its second attempt to pass a \$300,000 water improvement bond. It requires 60 percent approval of property owners and last February it failed by five "Yes" votes; the election and the city council's new budget fall due on the same day and councilmen are keeping their fingers crossed that they won't have to worry about water improvement expenses in their new budget;

— School board elections are coming up — in June in Northville and July in Novi; both boards have three offices up for election; the boards have just completed their new budgets for 1959-60 and stories appear in this issue;

— Next Monday night city councilmen will hash over the pros and cons of the Cady street re-zoning for the proposed supermarket; they'll talk with planners, builders, etc., to attempt to have all information necessary to arrive at a decision at the May 4 public hearing;

— American Legion and Optimists are making last minute plans for the Joe Denton Testimonial dinner on May 23; it promises to be one of the city's biggest events ever and is being chaired by Oscar Hammond;

— Ed Welch is getting his committee ready for a bang-up "Beautify Northville" campaign starting May 1. Residents can have a lot of fun if they'll get up early and watch local merchants and businessmen scrub down the streets on opening day of the campaign.

* * *

There are many other matters that should be of deep concern to all area residents which I will try to report in my column during the next two or three weeks. I should have plenty of opportunity because by the time you have read this I will have tested the carving ability of Dr. E. T. Capuzzi.

It's the hard way to gather material for a column, but maybe next week I can tell you all about "my operation".

YOUNG OR OLD—
they need hot water!

Babies aren't the only ones that need hot water to keep clean, healthy and happy. The whole family needs, and will welcome, the wonderful convenience of having hot water, at the turn of the faucet. An Automatic Gas Water Heater gives this convenience—night and day—the year 'round. Never a worry... never a care. The Gas Water Heater is clean, fast, quiet and completely automatic... replaces hot water almost as fast as you use it! No modern home can afford to be without hot water service... it's a necessity for better, easier, more healthful living. Business and Religion

Babson Park, Mass. — I have recently received a booklet entitled "A Look Into The Future", forecasting boom and inflation ahead. It is written by the editor and staff of one of the leading investment advisory services.

One Subject Omitted

This famous writer does not in any way refer to the present moral and nonreligious conditions of the nations. This same criticism applies to most other writers on the future business outlook. President Eisenhower and his Army Chief of Staff are the only prominent people in Washington who are now doing so. Members of the Cabinet and most members of Congress act as if these great moral forces are now out-dated and only "old fogies" worry about them. To me this is a serious situation. This subject is discussed by me in a book published by the Fleming H. Revell Co., of Westwood, New Jersey, entitled "Fundamentals of Prosperity". I have also discussed the matter in another book, "Religion and Business". When times are bad, these books have a good sale, but in times like today such books are not wanted.

Fundamentals, however, should not change with time. The Ten Commandments apply today as they did thousands of years ago. In substance, they are recognized by all religions. Now, with radios, airplanes, and other means of quick communication and transportation causing a constantly smaller world, these Ten Commandments must become more realistic. It may be that we are entering a so-called "New Era" when morals will not count and churches will become social clubs; but I definitely doubt it. I further believe that what has happened during the past 150 years should be known by businessmen, whether or not history is to repeat itself. So here goes!

What Economic History Teaches

In 1789 General George Washington was elected first president of the U.S. This country then consisted of only a few states, all very poor and constantly harassed by Indian Wars. There was much unemployment and considerable discontent. Conditions, however, gradually improved until 1812 when we again got into war with England. As usual this spruced up agriculture and general business. Following peace with England, our nation witnessed its first employment boom — which reached its height in 1827. This boom was under the conservative administrations of Thomas Jefferson, the Adamses, James Madison and James Monroe.

During this first era of prosperity there developed unemployment, dishonesty, graft and inefficiency. This reaction was followed by the election of Andrew Jackson in 1828, our

first "turn to the left". The moneyed interests lost confidence and business declined further until 1837, when we experienced our first real business panic. This caused a reform in government and economic conditions — which continued until 1861, when the War between the States started. Following this war, U.S. Grant was elected president and prosperity continued, but with accompanying dishonesty, graft and the ruthless "carpet bagging". This resulted in the panic of 1873 and the depression which followed.

1874 Until After the Spanish War

The panic of 1873 brought people to their senses. Government became more honest, business more efficient, labor leaders more reasonable, and personal morals improved. Again the economic situation advanced greatly for about 18 years. During 1890-1892, however, many scandals occurred in connection with the building of railroads. This resulted in the people's loss of confidence as well as of money. Furthermore, the new settlers on Western farms were encouraged to borrow heavily on mortgages sold to Eastern investors. These mortgages were later largely defaulted when the country was hit by the great panic of 1893. Again these losses brought government officials, bankers and businessmen to their knees in repentance. Then came World War I.

Our country's business greatly profited from World War I — prosperity continued until 1929. During the boom, another increase in dishonesty, speculation and labor troubles occurred. These national sins culminated in the Stock Crash of 1929 followed by the Great Depression of the "Thirties". After the slump of 1938, World War II broke out, which stimulated business until 1945 when another short adjustment took place. Following this, due largely to the groundwork laid by the Roosevelt Administration which favored borrowing, installment purchases, legislation favorable to labor, social security and leaving the gold standard, occurred our present so-called "New Era" with its crime, waste and reckless spending.

What of the Future?

It may be that this present era is not yet approaching an end. It may be that unemployment has been corrected by federal and other legislation. It may be that the stock market can go to greater heights. I don't know; nobody knows. All I know is this — Unless crimes, inefficiency, waste, the craze for liquor, and the reckless borrowing of today cease and we return voluntarily to honesty, efficiency, temperance and thrift, we will suffer a long and severe corrective depression.

This cannot always be postponed by legislation, but only by repenting of our sins and returning to the teachings of the church. Since 1789, abnormal prosperity has always resulted in eras of godlessness; these eras have been corrected only by unemployment and a return to godliness. This is an example of Newton's Law of Action and Reaction. Perhaps the present-day brokers, bankers, industrialists and politicians can suspend this law. But based on all economic history (since Joseph's seven years of plenty followed by the seven years of famine) this economic law of Action and Reaction has been as dependable as the Law of Gravity. Let me also refer readers to their Bible's eighth chapter of Deuteronomy. For preaching on this text my ancestor, the Rev. John Rogers, was burned-at-the-stake in London in 1551 during a period of English speculation and so-called prosperity.

What's Next, Soapy?

GOV. WILLIAMS is erecting the biggest political question mark in Michigan history.

He is swinging into the shank of his sixth consecutive term with more partisan enemies than at any time since he first became chief executive in 1949.

* * *

Republicans are making capital of the near bankrupt state of the treasury and are continuing their drumfire over his link to labor leaders.

No one expects Williams to try for a seventh term as governor; his bid for the presidency, a hot and cold prediction for years, is almost a certainty.

* * *

Williams himself is silent on the subject except for general statements about everybody wanting to be president.

On a world tour, Mrs. Williams told reporters in Tokyo her husband "has had enough" and wouldn't try for governor again. Williams feigned surprise.

Now comes the report that the state's top Democratic leaders are taking deep soundings in the national political earth to see what Williams' prospects will be in 1960.

So far, the national polls have barely mentioned Williams.

National publicity about Michigan's near bankruptcy after 10 years with Williams at the helm have damaged his chances, a point that he is trying to correct in out-of-state speeches.

* * *

One writer pointed out the irony. Williams tells national audiences that Michigan is economically healthy, that it is only a matter of time before the state regains its position lost temporarily during the "national recession".

Michigan audiences hear the other side of the coin: That only alert economy by the administration is preventing bankruptcy in the face of a stubborn Republican legislature which refuses to pass an adequate tax program.

* * *

Reports indicate the Democratic strategists are preparing to launch Williams' 1960 bid in one or two

presidential preference primaries, including Wisconsin.

They are surveying the strengths and weaknesses of his potential rivals, including Senator John Kennedy, of Massachusetts.

Williams is accepting speaking invitations around the country to explain his position on various national and international subjects. These trips make frequent targets for GOP criticism, but the Governor ignores the remarks.

* * *

ECONOMY IS THE order of the day in state government, now more than ever. James W. Miller, the state controller, has ordered all trips out of the state screened, several publications suspended or modified and all expenditures reduced.

Two high officials attended meetings in New York and paid their own expenses.

A controversial highway department magazine for employees, "The Hy-Lighter" was suspended. Others have been using a less expensive printing process recently.

* * *

SENATOR HART has been receiving praise from even his critics for disclosing details of his office payroll in Washington.

House of Representative members were openly attacked for placing their relatives on payrolls. None from Michigan was involved.

When the Senate refused to make the same disclosures about all members, Hart voluntarily released a list of his employees and their salaries.

* * *

NOTES: An association of optometrists has suggested that highways should be tinted green and the centerlines painted yellow to provide less strain on the eyes of drivers.

The Highway Traffic Safety Center at Michigan State university heard a nationally-prominent physician state recently that the "driver with two drinks is more dangerous than the drunk driver."

The speaker reasoned that a drinking driver is more confident of his ability and more likely to take chances.

OUT OF THE
PAST

ONE YEAR AGO . . .

All Northville mourned the loss of its number one citizen, Claude N. "Pete" Ely, the city's only mayor, died suddenly Sunday.

Mayor Ely was not known to have been in bad health. Since his retirement last September he had been actively engaged in building a summer cottage in addition to performing his regular community duties. His sudden death from a heart attack brought to an abrupt end newly laid plans to enjoy retirement.

A request by Northville teachers for a seven percent salary boost was tabled by the board of education. But board members met the teachers half-way.

An additional \$200 was added to the present salary schedule thereby bringing starting salaries to \$4200 and putting the top level AB degree teachers at \$6200.

FIVE YEARS AGO . . .

With only a mild protest from a lone citizen, the village commission approved the proposed 1954-55 budget, calling for a 19 percent increase in taxes.

Carl Johnson, Northville gift shop owner, was elected president of the Northville Retail Merchants association, succeeding Nelson Schrader.

Louis C. Stewart, a director of Depositors State bank since its organization in 1933, resigned his post.

Judy Sechlin, Northville high school graduate, played the feminine romantic lead in the Plymouth Theater Guild play, "Mr. Barry's Etchings".

FIFTEEN YEARS AGO . . .

Rev. Clarence K. Graham, pastor and evangelist, accepted the pastorate of the Novi Baptist church.

Mrs. William Walker, Mrs. Jos-

eph Hoehl and Mrs. Edward Molena were appointed committee women to promote victory gardens in Northville.

Lt. Governor of Michigan Dr. Eugene Keyes spoke to members of the Novi Mothers' club on "The Responsibility of the Community in Child Delinquency".

Village residents started preparation for the fifth War Loan drive set for June. The fourth drive netted more than \$130,000 of war loan securities.

Leo Mainville was the only selectee certified by Board No. 61 for army duty during the week.

TWENTY-FIVE YEARS AGO . . .

To comply with department instructions, the local post office was forced to curtail service. Postmaster Carrington announced that part of the village would receive only one delivery daily. The economy measure was taken by U.S. Postmaster General James F. Farley.

Five Northville boys returned from the northern CCC camp after 10 months of outdoor living. They were Ronald Chrysler, Wayne Thompson, Richard Smith, Franklin Knight and Joseph Peck.

Taxpayers of Northville and surrounding townships were approaching the April 30 election in which they voted either to approve or disapprove the state \$37,458 bond issue for highways, hospitals and armories.

Quiet reigned within the walls of Northville's several beer gardens following the start of a campaign by the village commission and local citizens to end an era of rowdiness and disorderly conduct.

It's Nearly Time For Fair Fun Again

COMING NEXT WEEK — Scenes like this will be repeated Friday evening, May 1 as the annual Northville P-TA Fair makes its appearance at the community building, high school and Main street elementary.

In another week — Friday, May 1st to be exact — that 'really big' event will make its annual appearance in Northville.

It's the P-TA Fair, of course.

Everyone looks forward to the fun of the fair — which is almost a three-ring circus because it is conducted in three places, the community building, high school and Main street elementary.

Kiddies are especially excited about the fair, but it never fails to attract adults who suddenly remember how much fun it is to try their skill at the many games.

This year's chairman is Dempsey Ebert. He has plenty of help from Joe Petrock, Ed Angove and Dayton Deal. The latter two are already constructing booths and other midway attractions.

Ebert said this week that donations to the "white elephant" sale are needed. The committee would like household items that might be useful to others — such as can openers, vases, ashtrays, etc., but no clothing. Books are also acceptable.

School children are to bring the donated items to their rooms next Monday.

The popular "white elephant" sale will open a half-hour before the carnival begins this year for the benefit of staff workers, who in previous years have been unable to purchase the bargains because of their duties during the fair.

The fair begins at 6 p.m. and the fun continues until 10 p.m.

Last year the event netted \$900. The money was used in the following manner: Scholarships, \$500; Northville Cooperative Nursery School, \$85; Safety Patrols, \$150; CARE packages, \$50; Boys' State registration, \$46; Girls' State, \$37; and conservation school scholarship for a teacher, \$30.

John Appelhof Initiated Into Hillsdale Fraternity

John A. Appelhof, son of Mr. and Mrs. John A. Appelhof of West Ten Mile road, South Lyon, was recently initiated as an active member to Kappa Sigma Kappa, a social fraternity on the Hillsdale college campus.

John, a freshman and graduate of Cranbrook high school, has taken over the duty of co-rush chairman of the fraternity.

In this Kingswood, every window is Safety Plate Glass.

Nicest wagon that ever joined your family!

Chevy's station wagons should really be called family wagons. You can choose from five models, including the four-door nine-passenger Kingswood, with its rear-facing rear seat.

Here's a brisk and breezy wagon that'll take on any chore you name, from a trip to the beach to a journey

home from the lumberyard. There's room, you see, for a whole half-ton of cargo—a space ten feet long, with the rear seat and tailgate down.

These wagons are easy to load, too—you just roll the rear window into the tailgate and flip it down flat. No liftgate to wrestle with.

Chevrolet's so easy to handle it's a natural for the lady of the house. Big, safer brakes, too. Chevy's even

got bigger tires—they come as standard equipment on every one of our wagons. But why not fall in love with a Chevy firsthand—at your Chevrolet dealer's!

TIMES GOES FASTER — Hands on the clock and calendar pages move a lot faster for patients at Maybury sanatorium who take an active part in the recreational department. But games are scarce in some instances and patients are left to count the minutes to discharge. Shown above playing one of the most popular games, checkers, are Jack Coffey (left) and Champion Mayo. Looking on are Frank Brennan and William Gruszczynski.

Miss Bernadette Jendrisak, daughter of Mr. and Mrs. Joseph E. Jendrisak of Grace avenue, will take part in the Mercy college production of "Oklahoma" in Detroit May 1, 2 and 3.

Patients Seek Public Aid For Recreation Program

Twiddling thumbs for a year or more is no fun.

That's why patients at William H. Maybury sanatorium this week asked for public support of their newly established recreation program.

To help patients overcome touches of lethargy and redevelop a zest for living, Maybury recently organized a patients' recreation committee for liaison work between patients and hospital personnel.

The committee has already been instrumental in setting up checker and card tournaments — and just recently was given permission to go ahead with gardening and picnic plans.

Committee members are: Frank Brennan, John Hart, Bernard Sloan, Gene Detroyer, Richard Heppard and James Louis.

Members of this committee, who are themselves TB patients, are seeking help from neighboring communities for donations of all kinds of games that can be played in bed or at a table, as well as flower seeds and hand gardening tools.

Card tables and folding chairs also are needed.

Six Northville merchants already have aided the recreational program; more help is needed, committee members said, from both individuals and merchants.

Anyone who has something to donate is asked to contact Richard Parres of the Patients' Information service at the sanatorium.

To Attend AAUW Annual Convention

Delegates from the Northville-Plymouth branch of the American Association of University Women will be among the 400 women, representing 56 branches of the Michigan division of the AAUW, meeting tomorrow and Saturday in Saginaw for its 37th annual state convention.

Attending from the local chapter, President Mrs. Donald Sutherland announced, will be Mrs. Dempsey B. Ebert of Northville and Mrs. Sutherland, Mrs. Richard Fritz, Mrs. Frederick Stobbe and Mrs. Henry Walch of Plymouth.

Highlight of the convention will be the banquet address by Association President Dr. Anna L. Rose Hawkes. The keynote address will be given by the association vice president of the northeast central region Miss Alice L. Beeman of Ann Arbor. Other speakers will include Karl F. Zeisler, associate professor of journalism at the University of Michigan, and Mrs. Lucille H. McCollough of Dearborn, representative of the 16th district of Wayne county in the Michigan legislature.

At the business session of the convention, the delegates will elect a president and secretary for the next two years, adopt a state legislative program, vote on the use of fellowship funds raised by AAUW branches throughout the state. Presiding over the session will be Division President Mrs. C. M. Humphrey, Jr. of Ironwood.

TOPS Girls Now 504 Pounds Lighter

Northville "Eater Beaters" TOPS (take off pounds sensibly) club reports a grand total of 504 pounds during the first three months of the year.

Two members, Mrs. Lucy Steeper and Mrs. Sally Mallette, who have, since joining, lost all the weight they originally set out to lose, will be honored at graduation ceremonies.

Nine members are scheduled to attend the national convention of TOPS Clubs, Inc. in Chicago May 8.

BPW Elects Officers

At Monday Meeting

Business and Professional Women's club officers for 1959-60 elected at Monday's meeting are: president, Alice Ritchie; recording secretary, Eleanor Martz; corresponding secretary, Marion Foss, and treasurer, Leona Parmelee.

Plans were made for installation ceremonies and the June dinner honoring outstanding members. The International Relations committee handling table decorations honored new states Alaska and Hawaii with representative centerpieces.

WILPF Re-elects Officers

Officers for the Northville-Plymouth branch of the Women's International League for Peace and Freedom were re-elected to posts they held during the past year, at a meeting Monday.

Mrs. Cy Frid will again serve as president; Mrs. Rodney Grover, vice president; Miss Alta Powers, treasurer, all of Northville, and Mrs. Paul Kauffman of Plymouth, secretary.

Representing the local branch, Miss Powers and Mrs. C. E. Woodruff attended hearings in Lansing last week on House Bill 213 proposing a change of the Federal Employment Practices Commission to a Civil Rights Commission.

Palette and Brush Club

To Meet Next Tuesday

The Palette and Brush club will hold its annual meeting at Westlawn Methodist church, Grand River and Ohio, next Tuesday, April 28 at 11 a.m., followed by a luncheon.

Guest speaker and critic will be Robert Kennedy of Pinckney, who will tell "How a Jury Judges Pictures".

May 5 the club will have its annual birthday party luncheon at Western Golf and Country club at 12:30 p.m.

GRANDPA AN APE?

Rep. Lloyd Eastep of Jefferson City, Missouri told the House Judiciary Committee, "If you

teach a boy he comes from an animal, he'll act like it." He is sponsoring a bill barring the teaching of evolution in our schools. One only needs to scan a high school or college text, or follow the articles in Life, Time and Look magazines to see how deeply engrained this false theory is in our education system. There can be no compromise between the Revelation of God saying He made man in His own image and after His own likeness, and the evolutionists' contention. One must choose to believe the truth of God or the foolishness of man. However Rep. Lloyd Eastep makes the point that there is a connection between such teaching and man's behavior. This would of course be hard to prove. However it seems reasonable that if our young people are taught to regard this part of the Bible as error, it is but a small step to discard the moral behavior as well. By consulting the current reports on the rise of crime and delinquency by the FBI, you will see that something is sadly amiss in our day. The respect for the sacred Word and the fear of God always acts as a dam against wickedness.
