

New Hospital Plan: Private Ownership

Jet Victims Doing Better

It's been nearly three weeks since an army jet miraculously crashed into the middle of a Northville residential district narrowly missing all the homes.

The only victims of the crash — David and Elizabeth King — are still hospitalized, but recovering nicely. Burning fuel from the jet splattered the children, ages nine and three, leaving them with severe first, second and third degree burns.

This week skin grafting was completed on David. Final skin grafting is scheduled Friday for Elizabeth. Both are confined to Sinai hospital where their doctor, E. T. Capuzzi, reports that their stay will depend upon the time required for burns to heal.

Countless Northville residents have sought ways to help the King family. Last week it was reported that money to cover nurses' expenses had been advanced the Kings by the pilot of the ill-fated jet, Major John Moutier.

Police Chief King admitted that private nurses' wages had to be paid and the major had advanced the money as a loan until the air force payments were received. King stated that the air force had sent application papers and advised him to obtain legal assistance in submitting his claim. He expects no difficulties in this matter.

The work load of Mrs. King has also been somewhat relieved. This week she will have a housekeeper-helper each day until the children return.

The Kings' only concern is their children — their three at home and two in the hospital. And, of course, Mrs. King must think of the next arrival, due in August.

The Kings' probably need help — but they can't say what it might be. Financially, they're pressed right now. But eventually the air force will take care of this.

Life is pretty hectic at the King home—and routine has been thrown to the winds. But the Chief and Mrs. King are thankful for the help they have received—and will continue to receive—from thoughtful neighbors and friends.

HAPPY ARRANGEMENT — Dr. L. W. Snow (left) and Dr. Howard Bergo shake hands to seal the agreement on the possible purchase of Sessions hospital. Dr. Bergo, a Northville resident, is medical director of Maybury Grand Medical hospital in Detroit. He took an option to purchase Sessions after Dr. Snow and his community-hospital committee agreed to step aside in favor of Dr. Bergo. Attorney Clifton Hill, retained by Dr. Bergo, looks on.

Community efforts to re-open Sessions hospital in Northville took a new and unexpected twist this week with the prospects of the private purchase and operation of the facility.

An option to buy Sessions hospital from Mrs. Irene Slater is now held by Dr. Howard L. Bergo, medical director of the Maybury Grand hospital in Detroit.

Dr. Bergo lives at 19351 Meadowbrook in Northville.

A definite transaction between Mrs. Slater and Dr. Bergo is almost a certainty, although financial arrangements remain to be negotiated. Attorney Clifton Hill, representing Dr. Bergo, stated that a complete listing of debts of the hospital had to be obtained as well as a settlement understanding with creditors.

Until last Wednesday a community effort, spearheaded by Dr. L. W. Snow, had reached the point of incorporation with plans to solicit public support in re-opening the 520 West Main street hospital.

Dr. Snow's group, largely supported by former staff members of the hospital, had appointed Charles McDonald, an attorney, chairman of the committee and instructed him to begin incorporation procedures.

At this point Dr. Bergo became interested in the hospital. He met with committee members last Thursday and offered to assume Dr. Snow's option and, if possible, purchase the hospital and begin immediate operation.

Dr. Bergo assured the committee that it was his intention to operate the hospital for the community. He indicated that former staff members and other area doctors accepted as qualified would be given the use of the facility.

Doctors present at last Thursday's meeting with Dr. Bergo included J. K. Bosch, Frederick Bentley, A. A. Holcomb, H. L. Morris, I. L. Sparring and Snow.

Dr. Bergo and his family moved to Northville nearly five years ago. As medical director of the 100-bed Maybury Grand Medical hospital, he specializes in industrial surgery. He is a member of the American Academy of General Practice.

Dr. Bergo indicated that he would take an active part in the administration of the Northville hospital if he is successful in acquiring it. He assured committee members that the local hospital would not be "filled with Detroit patients" and that he was "definitely interested in restoring Sessions as a hospital for this community."

Actually, Dr. Snow's option was due to expire last Monday. Instead of seeking to renew the option, Dr. Snow allowed Dr. Bergo to obtain a new 30-day option from Mrs. Slater.

Early investigations by Dr. Snow's group indicated that the hospital had some \$53,000 in outstanding debts. In addition to assuming these, the purchaser was to agree to pay Mrs. Slater \$30,000 cash.

The hospital has been nearly inoperative in recent months and requires a number of corrective repairs before the state will re-establish a maternity license.

IN MEMORIAM — Flowers are placed at the grave of Lloyd H. Green in whose memory Northville's American Legion post was named by his sister and brother, Mrs. Pauline Stamann and James Green. As Northville's only veteran killed in action during World War I, Green's grave is centered among 20 veterans' graves at the Rural Hill cemetery Veterans' Plot. He was killed one month and nine days before the armistice, four days before his nineteenth birthday.

Equalized Valuation Up; School Protests Mill Cut

A slight increase in the state equalized valuation of the Northville school district may help the local board of education meet its tight budget despite an effort by the county to bite into school millage. In its final determination announced today the state board of equalization placed a valuation of \$22,161,886 on the Northville school district.

Last year the district was valued at \$21,131,148. The level of equalization is approximately the same as last year. New building accounts for the increase. The total valuation of Wayne county dropped by \$36,000,000 to \$8,555,125,500.

Northville has already protested a move by the county to take a bigger share of the county-school-township 15 mill levy. The school's new budget is based on the same millage share as last year — 6.05. The county's request would reduce this by 45 mills.

Tentatively, the Wayne county allocation board has entered a 6.25 mill rate for the county — which would mean a loss of .15 mills, or approximately \$3,500 to the school district.

Thursday a final hearing will be held at which time Robert Shafer, board secretary, will represent Northville to support the protest.

Absentee Deadline For Election Near

The deadline for filing absentee ballots for the Northville school board election is June 6, Superintendent of Schools Russell Amerman reminded voters this week. Absentee ballots must be picked up by the board of education offices in the Main street elementary school by 2 p.m. on June 6.

Three incumbents and a newcomer are seeking election to fill three board of education seats. Present members who will seek re-election in the June 8 election are President Nelson C. Schrader, William Crump and Robert Shafer, secretary of the board.

Charles A. Smith, 44101 West Nine Mile road, is seeking election to a three-year post. He has never held an elective office.

Two of the terms up for election will be for the normal three-year period. One term, however, will be for one year to complete the three-year term of H. Adrian Willis, who moved to Arkansas.

Crump and Shafer are seeking the three-year terms. President Schrader, who has been a board member for nine years, is running for the one-year term.

Ice Cream Treat

Northville youngsters (and older, too) will again enjoy the traditional treat that always follows local Memorial Day exercises.

C. E. Langfield, president of Northville Laboratories, will provide free ice cream bars for everyone. The custom began nearly 20 years ago when Langfield purchased 400 bars and had some left over. Last year 1,600 were gobbled up.

Langfield continues the practice in memory of his father who was active in promoting activities for children. The ice cream is distributed near the Northville Laboratories site at the entrance to the cemetery.

Vandals, Thugs Smash Window, Beat Youth, Friday

Unaggravated assault of a 15-year-old boy and smashing of a store window by cruising vandals took place on each of Northville's two main streets Friday night, just minutes apart.

Northville high school student, Mike Myers, son of Mr. and Mrs. Harold Myers of Carpenter street, was beaten by an unknown assailant or assailants near the Center Street Shell station as he walked home from a date, and was found unconscious by Councilman Richard Juday on the sidewalk before his Lake street home.

Although the youth told police he remembered almost nothing about the incident, he recalled that someone had shouted at him from a car, "What're you staring at?"

He answered, "Nothing" and continued to walk when he was struck by one of the riders who left the car.

He was unable to explain how he got to Lake street or what happened after he had been hit.

Police arrived at 11:30 and took him to Aitchison hospital where he was treated for bruises on the face.

About the same time, vandals driving on Main street broke the window of the Jack and Jill shop owned by Mrs. Isabelle Willgues of Eight Mile road.

Officers surmised it was shattered by a thrown beer bottle, found in the rear of the store.

Investigation of both incidents is still underway. The Myers' boy is in good condition and recuperating at home.

Following the window-breaking, Police Chief Eugene King issued a request to local merchants to turn in their home addresses, phone numbers and information about where they can be located in the event of such a nemerGENCY.

Memorial Services Honor War Dead

600 Pay Tribute To Chief Joe Denton

As Chief Joseph Denton would say in describing Saturday night's testimonial tribute to Northville's retiring police chief:

"By golly, it was a big affair!" And it was. Nearly 600 friends, relatives and working associates jammed the community building gymnasium to honor Chief Denton upon his retirement.

Everything was just right: the food, entertainment, words and gifts. And Joe and Flo Denton enjoyed themselves thoroughly. The event was sponsored by the American Legion and the Optimist club with Oscar Hammond acting as general chairman.

While the entire proceedings brought words and expressions of sincere appreciation from Mr. and Mrs. Denton, the highlight came when Dr. L. W. Snow arose to say that there was one last gift.

It came from the Dentons' many friends in the community and Dr. Snow suggested that it might be used to visit the Dentons' birthplace — St. Ives, Huntingtongshire, in England. The gift was a check for \$2,000.

Before this final tribute the Dentons had received the first Claude N. Ely memorial award from Mayor A. Malcolm Allen; a plaque of recognition of service from Ernest Ash of the VFW, a gold police chief badge with the words "Joseph E. Denton, Chief of Police, Northville, Michigan, Retired" inscribed — a gift of the department and presented by Officer Gil Glasson, a chair which Chief Denton had comfortably used all evening from the American Legion and presented by L. W. Snow, Jr.; a set of luggage from the Michigan State police, Redford post; a service plaque from the city for Chief Denton's 15 years on the force presented by Councilman Ed Welch, and a bouquet of flowers presented by William Taft, president of the Optimist club.

Visiting police officials from Plymouth, Detroit, Novi, South Lyon, Livonia and throughout the county attended to honor Chief Denton. Wayne County Prosecutor Samuel Olson said "if we had more men like Joe Denton with his fine junior police program, we'd have fewer criminals to deal with in our office."

Mayor Allen, Optimist President Taft, Chairman Hammond joined in with words of praise for Chief Denton. A telegram was read from Northville's former, long-time mayor, C. E. Langfield praising Joe's devoted service.

To all this attention Chief Denton arose to a standing ovation and in a few words thanked his friends and pointed out that the tribute should be equally shared by "my wife and partner". He later said that he and his wife would fly to England after treatment for the chief's ailing legs is complete.

Entertainment included a medley of songs by Carl Stephens (The Dentons' son-in-law) and dancing pupils of the Lydia Brewer-Tabor school of dancing.

Invocation was by the Rev. Paul Cargo, while Mrs. Oscar Hammond, department chairman of the American Legion auxiliary, gave the benediction.

HAPPY NIGHT — Retiring Chief Joseph Denton thanked an audience of 600 friends and relatives for their gifts and kind words Saturday night. Below, Optimist President William Taft presents Mrs. Denton with a bouquet of flowers, while Joe looks on.

Northville will honor its dead of three wars Saturday in traditional Memorial Day ceremonies under the auspices of the American Legion.

All local veterans' organizations will participate in the program that will include a parade and services at Oakwood and Rural Hill cemeteries.

The parade will form at the Veterans' Memorial hall at 10 a.m. and march through the city. The parade will be headed by Parade Marshal George R. Simmons and Joseph Denton, Northville's recently retired police chief.

Included in the parade will be the colors and color guards, the high school band, firing squads (Civil War replica of the first Michigan artillery), American Legion and VFW, veterans of World Wars I and II and the Korean war, Gold Star Mothers, Blue Star Mothers, Legion and VFW auxiliaries, boy scouts, girl scouts, cub packs, camp fire girls and school children.

The parade will march east on Dunlap to Hutton and then south to Main continuing west to Wing and then south on Wing to Cady to Oakwood cemetery, then west on Rogers to Seven Mile and east to Rural Hill cemetery and to the Veterans' Memorial plot.

Services will be held at Oakwood cemetery, at the bridge where a wreath will be dropped into the Rouge river honoring veterans who died at sea, and at the veterans' plot in Rural Hill cemetery.

L. W. Snow, Jr., commander of the American Legion, reports that this year's program will differ from past year practices by holding the official exercises at the veterans' plot at Rural Hill cemetery instead of the community building.

City Councilman John S. Canterbury will deliver the main address. He will be introduced by Commander Snow.

The program will open with advancement of colors and the singing of the "Star Spangled Banner" by the audience. Robert G. Williams will lead the singing. Invocation will be given by the Reverend Paul Cargo followed by a tribute to the war dead by Charles Hix.

Before Canterbury's address the high school band will play a selection. The Reverend John Wittstock will offer the benediction. Taps and echo will be presented by Jeff Schoof and Michael Berryman.

In Novi a parade will leave the community building at 10 a.m. and continue south on Novi road to Novi cemetery across from the township hall. AMVETS will conduct brief ceremonies at Oakland Hills cemetery at 8 a.m.

Dies of Injuries From Auto Accident

A retired Novi school teacher, Mrs. Douglas French, 63, who died Saturday of injuries suffered in an automobile crash last Tuesday on Ann Arbor trail, is to be buried at 2:30 p.m. today (Wednesday) at Riverside cemetery, Union City, Michigan.

Funeral services were conducted Tuesday evening at the Casterline Funeral home, Northville. The Rev. Robert Grunow officiated.

Rev. Theron Bailey of the First Methodist church of Union City will officiate at the burial today.

Mrs. French lived with her husband at 46078 Fredrick in Northville.

She was fatally injured and her husband suffered a knee fracture when a car driven by Elroy Merchant, Jr., 12065 Beck road, crossed the center of the road and crashed into their car near 54989 Ann Arbor trail.

Mrs. French, who retired last year after 34 years of teaching, was honored by Novi school officials at a special banquet last May on the eve of her retirement. The banquet climaxed a week of tribute paid her by students and fellow teachers.

She joined the Novi school system 13 years ago, and had watched the student body grow from less than 100 to more than 500.

Mrs. French was born May 17, 1896 at Union City. She was married November 30, 1935.

Besides her husband, she leaves a sister, Mrs. H. W. Fulton, Union City, and a brother, Fred A. French, Delton, Michigan.

STAINING FRAMES for their third annual outdoor show June 6 in Plymouth's Kellogg park, are Three Cities Art club members (left to right): Roy Hocking, Mabel Bacon, Stan Hench, Jack Simonton, Chairman Barbara McKenzie and L. Dean Schmiedeke.

Park Exhibit Ready Soon

Hundreds of local persons turned out last summer to view the Three Cities Art club's second annual outdoor exhibit of sculpture, jewelry, pottery and paintings, presented in the scenic setting of Plymouth's Kellogg park against a musical backdrop of symphony recordings.

This year's show is expected to draw another enthusiastic crowd next Saturday, June 6.

Besides displaying their completed work, several of the 23 club members will give demonstrations with charcoal, watercolor, enameled, mosaics, pastel sketching and oil painting during the show.

Members are professional artists, art teachers and high qualified amateurs from Plymouth, Northville and Livonia who wish to promote an interest and appreciation for original art in the community. Throughout the year they maintain exhibits in the Northville and Plymouth libraries.

In case of inclement weather, the outdoor show will be held the following Saturday, June 13, Chairman Barbara McKenzie announced.

Sculptor Shirley Denison, pictured at right, will show several pieces in the local exhibit. She now has a sculpture of a young girl in the Detroit Arts and Crafts Society exhibit at Kerns.

THE MINDS EYE must first see a piece of sculpture as occupying space, says Mrs. Shirley Denison (right). One of her pieces to be shown in the Three Cities Art club outdoor exhibit, was modeled by her daughter (left).

OLV Students Win Awards

Twenty-two students in grades one through six at Our Lady of Victory school were recipients of scholarship award certificates presented at the Men's club Annual Award banquet Sunday afternoon.

The certificates are given in recognition of outstanding school work for the year, daily attendance and proper deportment, based on report card records.

Honored students were: first grade, David Johnston; second grade, John Bauer, Henry George and Ann Bunker; third grade, Luanne Godfrey, Stephen Williams and John Saputo; fourth grade, Anita Wetterstrom, Mary Jo Dunnabeck and Marianne LeButt; fifth grade, Antoinette Alexander, Michael Williams and Michael Bauer; sixth grade, Constance Tegge, Robert Flavin and Beth Grayson; seventh grade, Mary Heslip and Roberta Herter; and eighth grade, Patty Rahaley, Mary Wetterstrom, Jacqueline Phillips and John Bertoni.

Mrs. Henry Whetter and Mr. and Mrs. Harold Penn of West Main street have house guests from Hartlepool, England. They are Mr. and Mrs. George Davison.

Name Lead Roles For G & S Operetta

Leading characters in the Northville high school choir's presentation of the Gilbert and Sullivan operetta, "H.M.S. Pinafore" Monday and Tuesday evening in the new high school will be:

Judy Nauman, Pat Willing, Joan Baskins, Richard Drew, Tucker Williams, David Hay, Allen Korn, Stanley Hicks and David LaFond.

Other members of the choir, directed by Leslie G. Lee, will sing in the chorus.

Accompanist will be Sam Chizmar. Scenery has been prepared by the art department under Jack Van Haren. Miss Florence Panatoni is in charge of make-up.

The operetta, a well-seasoned favorite of music audiences, will provide a hearty christening for the new high school as the first function to be held there.

The program will begin at 8 p.m. each night. Tickets can be purchased at the door and from members of the cast.

FINISHING TOUCHES—Jack Van Haren, high school art instructor, adds a few finishing touches to this "story book" mural which traces the development of the city.

SIX MONTHS' WORK — Northville art students spent many after-school hours creating this 4x16-foot mosaic mural. Shown here working on the mural are left to right: Joan Lower, Richard Ritter and Jack Van Haren, art instructor.

Student Art to Decorate New High School

One of the finest art products ever to be created at Northville high school will become a permanent feature of the new high school building. A 4x16-foot mosaic mural, created

by art students, has been erected in the foyer of the new high school. Only framing and minor touchups remain to be completed.

The mural depicts characteristics

of the old, present and future of Northville. Its multi-colored designs include: Churches, factories, the original school building, farm scenes, race track, the old spring, trout stream, fish hatchery, Cass Benton park, Northville State hospital, a future clover-leaf road system and a shopping center.

According to Jack Van Haren, art instructor who conceived the

mural idea, the cost of producing the mosaic mural commercially would be about \$1,200. Actually, the mural cost only \$65 — for materials.

Twelve art students have worked directly with the project since November; 35 others worked indirectly, making tile from clay, glazing and firing the clay in a kiln.

In making the mural, Van Haren said, the students discovered many things that could not have been learned in a book.

The 12 students credited with most of the work are Joan Lower, Sherrill Loutan, Carol Spangler, Dennis Snow, Jim Robertson, Don Earehart, Richard Ritter, Don LaRoe, John Alexander, Woody Aenbacher, Gary Klocke and Sarah Mellen.

Principal Kay Named Head of County Group

Amerman school Principal Richard Kay was elected president of the Department of Elementary School Principals for the coming year at a meeting of the organization last Wednesday.

The department includes all Wayne county schools outside Detroit.

Other officers elected were: Vice president, Del Lorange, Snow school, Dearborn; secretary, Earl Gibson, Gallimore school, Plymouth; treasurer, Dwight Smith, Gibraltar school, Gibraltar; membership chairman, Ed Leibson, Bates school, Brownstown; publicity chairman, Flo Cummings, Barnes school, Grosse Pointe.

Camped Near Clam Gulch, Wills' Still Hunt Home Site

Northville's Alaskan family, Mr. and Mrs. Jerre Wills and their three young daughters, is still looking for a home.

In a letter to Mr. and Mrs. Perry P. Taylor of 340 Pennell avenue, Mrs. Willis said they recently moved their house trailer from near a Clam Gulch store to a spot a mile away near an Alaskan stream.

The move was made to give the children a place to play and to give the family better water facilities, she explained.

"We still have not found any land. The land we tried to get a week or so ago was taken over for a moose boundary — so we are looking again.

"To get good land you have to go so far back that you'd have to have a plane to get in and out. So we are just sitting and waiting and watching.

"Jerre is going into the land of ice tomorrow to see if he can find some acreage that's open.

"The other day we had a moose come up to within 50 feet of the trailer. They are all over now and the bear are out now too. Several people have seen them by their cabins.

"The girls (Cheryl 4, Susan 3, and Laurie Beth 1) are a wee bit fussy. We took them in for their polio and (D.P.T.) shots . . . I have

decided to go to a lady just 30 miles away to have the baby — instead of to the doctor (who is) about 55 miles away.

"We have a little dog now — German Shepherd and Husky. She's a little rascal, but cute as can be. We named her 'Timber'. She eats like a horse. The kids just love her.

"It is light out. The sun is shining about 8:30 every morning now. It sets about 8:30 but remains twilight all night long — never completely dark.

"The girls wake up about 4 a.m. and think it's time to get up and eat. And they don't want to go to bed at night 'because it isn't dark out'. It's all very confusing to them.

"The grass is beginning to turn green and there are birds and small animals all around us. This country is so very beautiful that you just can't get discouraged in it."

CHEVY GIVES YOU 7 BIG BESTS!

Take it, not from us, but from the published opinions of outside, independent experts and from on-the-record facts and figures: Chevrolet gives you these 7 big bests over any other car in its field!

BEST BRAKES

In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR*, Chevy out-stopped both the other leading low-priced cars—and why not: Chevy brakes are far larger, built with bonded linings for up to 66% longer life.

*National Association for Stock Car Advancement and Research

BEST STYLE

POPULAR SCIENCE magazine sums it up: "The fact is, in its price class the Chevy establishes a new high in daring styling . . . It's the only car of the leading low-priced three that's unmistakably '59 in every modern line."

BEST TRADE-IN Check the figures in any official N.A.D.A.* Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."

*National Automobile Dealers Association

BEST ENGINE

Every motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

BEST ECONOMY

No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car.

Official dimensions reported to A.M.A.† make this clear. For example, Chevy front seat hip room is up to 5.7 inches wider than competitive cars.

By the Rev. B. J. Pankow, Pastor
St. Paul's Lutheran Church of Northville

"GREATER LOVE HATH NO MAN THAN THIS . . ."

Memorial Day, or Decoration Day, calls to mind a sacrifice—the sacrifice of men and women, most of them young in years, many with promising careers before them. They answered the call of their country and laid down their lives that freedom might be our heritage. We hold this sacrifice high and every year commemorate it on the 30th of May.

Yet, however great the individual sacrifices was, no one by virtue of that sacrifice gained for himself a place in eternal glory or earned for anyone everlasting freedom. Another, much greater, sacrifice was necessary to accomplish that. This sacrifice was brought by God's own Son when He laid down His life on the cross of Calvary. This sacrifice required a love greater than any that has ever been shown or ever will be shown. Jesus referred to it when He said: "Greater love hath no man than this, that a man lay down his life for his friends." (St. John 15:13). He spoke these words the night before His crucifixion; and in the agony of His death they find their fulfillment.

By His perfect sacrifice Christ redeemed man from his worst enemies—sin, death and

the devil.

First, He has redeemed us from all sins by taking away all our guilt and by suffering all our punishment. Secondly, He has freed us from the terror of death. The Christian need not fear temporal death, since eternal death has no power over him. Thirdly, Christ has overcome the devil and conquered him, so that now the Christian can overcome his temptations with the help of God.

This wonderful freedom is intended for all but will be enjoyed only by those who repent of their sins and accept Christ as their personal Redeemer. If you have done so, then every day can become a memorial day for you—a day on which to remember Christ's matchless love, a day on which to share His love with others, a day on which to pray:

*May every heart confess Thy Name
And ever Thee adore;
And, seeking Thee, itself inflame
To seek Thee more and more!*

*Thee may our tongues forever bless,
Thee may we love alone,
And ever in our lives express
The image of our own!*

Events Out of the Past

Northville's city council quickly approved a \$289,900 budget for the 1959-60 fiscal year despite charges from two citizens that it was "too big" and didn't provide for major improvements needed in many sections of the city.

Northville relied on individual strength rather than depth Tuesday afternoon to take fourth place in the Wayne-Oakland league track finals at Milford.

Novi residents were reminded that Novi's proposed village charter was to be up for a second public hearing.

Protests against Northville's proposed school budget quieted down after a citizens committee spent more than four hours going over the lengthy document with school officials.

Dick Biery prepared to go after the state Class B 440 title when he and N. C. Schrader represented Northville in the state track finals at East Lansing.

FIVE YEARS AGO . . .

Death struck a Northville family suddenly late Monday when Roger C. LeFevre, 13, son of Mr. and Mrs. Lawrence LeFevre, 501 Cady, was killed instantly in a violent automobile-bicycle collision at the intersection of Clement road and Frederick street, on the western edge of Northville.

Rumors that production of natural gas from the new Nurreter well on Chubb road, will be restricted or banned, and that the well may not develop into the \$5,000,000 "bonanza" expected, was scotched by State Conservation department officials in Lansing.

Whether another campaign will be launched in an effort to gain city status for Northville will be determined following a village-wide survey to be conducted in the near future, it was decided at a village commission meeting.

Stanley Johnston, assistant coach at Northville high school, will be in charge of recreation activities and the annual "Summer of Fun" program, but efforts to return Wilson Funk to the post next fall continued.

A temporary injunction restraining a Detroit building firm from proceeding with erection of prefabricated houses has been granted by Circuit Judge Frank Doty of Pontiac at the request of a group of Walled Lake property owners.

Northville schools started sale of war bonds for the Fifth War Loan. The grades were expected to sell \$16,000 and the high school, \$24,000 worth of bonds.

The Rev. Lloyd Young, pastor of the local Baptist church, announced his acceptance of a unanimous call to the pulpit for an unlimited period in Northville.

St. Paul Lutheran church youth celebrated the fifth anniversary of the local Walther League.

Mrs. W. Leslie Williams and Mrs. Walter Miller were in charge of the mother and daughter supper held at the Methodist church house. The Presbyterian Little Theater of Northville announced its inaugural play would be "The Improper Mr. Proppter".

Joanne Kitchen, Joanne Montgomerie, Jack Taggart and Merritt Meaker performed the principle roles in the high school choir presentation of "The Gondoliers" by Gilbert and Sullivan.

Northville Wayne county fair board officers and directors met at the grounds to discuss construction of a new main building to replace the one destroyed by fire May 2.

Announcement of the purchase of the C. R. Horton Rexall drug store by Myron C. Gunsell was made during the week. Gunsell took

possession of the store at the time of the announcement.

For the convenience of businessmen and shoppers the Village of Northville has placed electric lights in the parking lot on the corner of Main and Center streets.

The cast in the Northville high school play "Lelawala" included Merle Frazer, Maurice Giles, Catherine Duguid, Jack Stubenvoll, Marjorie Pierpont, Jessie Nirider, Ernest Racz, Cecil Giles, James Hochkins, Winifred McCordle, Violet Johnson, Alfred Parmenter, Henry Hoffman, Eleanor Grovesner, Maurice Giles, Marion Turnbull, Charles Strautz and Robert Angove.

Stanley Hancock, golf professional at Meadowbrook Country club, led the way for low qualifiers of the entire country for the United States Open Championship by breaking one record and tying another playing on his home course.

NOTICE OF BUDGET HEARING

CITY OF WIXOM

Notice is hereby given that a Public Hearing on the 1959-1960 Budget of the City of Wixom will be held in the City Hall, 131 N. Wixom Rd., on THURSDAY, MAY 28, 1959 at 8:00 P.M.

The proposed budget and the City of Wixom's only previous fiscal budget are on file in the office of the Clerk, for public inspection during office hours: 9:00 A.M. to 5:00 P.M., Monday through Friday.

All interested persons are urged to attend this public hearing where ample opportunity will be given for all citizens to participate. All requests for added municipal services or improvements or curtailments in any items of service or other municipal functions should be presented at this hearing in order that considerations may be given the same before the approval of the budget by the City Council.

Visit to Record Recalls Start of Outstanding Career

An old friend of The Northville Record stopped in for a chat last week.

He is V. V. McNitt, president of the McNaught Syndicate and president-editor of Southbridge Evening (Mass.) News.

The 78-year-old journalist, who started in newspaper work with The Record, lives in New York. He is in Michigan to confer special honors on members of the University of Michigan journalism department.

Each year McNitt presents McNaught awards to U-M journalism students outstanding in senior and graduate work, reporting and editorial writing.

McNitt, who was graduated from

Northville high school in 1893 when Donald C. Bliss was principal, started his newspaper career as a printer's devil at The Record. Frank S. Neal was publisher of The Record at that time.

After college McNitt switched to the editorial side of newspaper work. In 1910 with the Central Press association at Cleveland. In 1916, he was invited to set up a syndicate for The New York Evening Mail.

In 1921 he established the McNaught Syndicate, which today carries such features as Joe Palooka, Mickey Finn and Dixie Dugan.

Despite his age, McNitt still is active directing the operation of his daily newspaper.

READERS SPEAK:

Criticizes Lack of P-TA Interest

To the Editor:

On the evening of Thursday, May 21st, I attended a PTA meeting at the Community Building. At this meeting, the Board of Education and the Northville School Administration presented a program designed to inform the public of the policies, the plans, and the financial position of our school district. There were approximately 50 people in attendance, one-half of whom were teachers. I know that the Board of Education and the administrators contributed a great deal of time and effort in the preparation of Thursday night's presentation. The members of the Board of Education receive no salary and expend many hundreds of hours each year attempting to give our community the education it desires for its children. We should be concerned enough to listen to what they have to say, as their efforts concern our schools, our children, our money, and our rights as voters.

The only conclusion that I can draw from such a flagrant display of disinterest is that the general public is concerned with our schools only when its children are not receiving good marks or when they are asked to vote on a tax increase. Since neither of these things were at issue at the PTA meeting, apparently most parents did not feel obligated to attend. I, personally, hope that any parent who did not feel it was necessary to be there, will have enough discretion to refrain from criticizing our school system in the future.

Our educational institutions are the roots of our freedom. The entire country, led by its President, is studying the educational problems of the nation. Millions of dollars are being expended by philanthropic groups for the same purpose. It would appear that, in this light, we have been remiss in our duties as citizens and parents.

Sincerely yours,
Joan M. Angle

Observes 25 Years As Catholic Priest

Rev. Francis J. Wojcik, Catholic chaplain of Wayne county institutions at Northville, will celebrate the silver anniversary of his ordination to the priesthood with a solemn high mass at St. Florian church, Hamtramck at 10 a.m. Sunday.

Rev. Wojcik was ordained May 27, 1934 by the Most Rev. Michael James Gallagher, bishop of Detroit, after four years of theology courses at St. S. Cyril and Methodius Seminary at Orchard Lake.

He was transferred from Sacred Heart Seminary, where he taught for several years, to Northville where he was appointed chaplain of the Northville institutions, including Maybury sanatorium, Wayne County Training school and the Detroit House of Correction.

In conjunction with these institutions he served as administrator of Our Lady of Victory parish from December 4, 1951 to June, 1952.

Rev. William J. Downey, assistant at St. Raphael the Archangel church, Garden City, and the Rev. Joseph Krajewski, assistant at St. Florian church, Hamtramck, will assist in the Sunday services.

Rt. Rev. Msgr. Vincent Borkowicz, pastor of St. Stanislaus parish, Detroit, who preached at his first solemn mass will preach the sermon Sunday.

UGASHONTONS — Saturday's city-wide trash pick-up was given a lift by the Ugashontons, Advisor Leonard Bogotaitis' newly formed boys' club. Formerly members of Explorer Post 242, the boys decided to form a new club when Bogotaitis was unable to take necessary scouting courses to remain qualified as an advisor. Now they're hunting for odd jobs to help finance a trip to Quebec this summer. Driving the truck is Paul Palmer while Skip Howell is standing at his side. On the truck (l. to r.) are: Dave Starnes, Pat Meyer, Bogotaitis, Gary Howell, Jay Leavenworth, Ron Szostek and Lee Klopfenstein.

Boys Form New Club to Stick with Leader

One of the busiest groups of boys' gested that a new advisor be selected in Northville is the Ugashontons. What's more they're loyal to their advisor.

You may remember the boys as members of Explorer Post 242. Certainly you recall their trip to Yellowstone Park last summer and the countless projects invented to finance the trip (car wash, rummage sale, bake sale, etc.)

Because their advisor, Leonard Bogotaitis, has not had time to take the required courses to remain qualified as a scout leader, it was suggested that a new advisor be selected.

Bogotaitis, a hard-working contractor, was willing to leave, but as he liked working with the boys. But the boys decided they would form their own club — with Bogotaitis as their advisor.

They chose an Indian name — Ugashontons — which, appropriately enough, means "wanderer". The boys have registered their club with the police department and have four adult sponsors — Foster Howell, Paul Palmer, Dr. Morris Klopfenstein and Howard Meyer.

They presented Advisor Bogotaitis with a gold pocket and travel watch with an alarm for his work with boys during the past five years. Bogotaitis will have a chance to use his "travel" watch soon. This summer the Ugashontons plan to journey to Quebec.

Right now they're busy earning money for the trip. They collect papers, do yard work, sell homemade bread and have a rummage sale planned for June 12 and 13. The rummage sale will be held on Main street in the apartment house between Northville Drugs and Northville Realty.

Contributions for the rummage sale are being earnestly sought by the boys. Those wishing to donate useful, but no longer wanted, items for the sale may call FI-9-2322 or FI-9-0121 for pick-up.

Members of the Ugashontons are Woody Aenechbacher, president; Gary Howell, vice president; Jay Leavenworth, secretary-treasurer; Skip Howell, Pat Meyer, Lee Klopfenstein, Ron Szostek and Dave Starnes.

Memorial Day Service

A Memorial Day service will be held at 2:30 Sunday, May 31 at the West Salem Country church on Angle road between Six and Seven Mile roads.

Mrs. Fred Luchs, wife of the pastor of the Ann Arbor Congregational church, will speak on the holiday theme.

Local Pastor Patrick Clifford announced that a program is planned in keeping with the picturesque atmosphere of the century-old church.

Alpha Nu Commemorates Sorority Anniversary

Members of the local Alpha Nu chapter of Delta Kappa Gamma, honorary teaching sorority, participated in its 21st birthday celebration at a state convention in Kellogg Center of Michigan State University May 22-24.

Lillian Zinnecker Wins Debating Scholarship

In recognition of her achievements on the University of Michigan debating team, Freshman Lillian Zinnecker, daughter of Mr. and Mrs. Carl Zinnecker of Ridge court, was awarded a \$100 scholarship on honors ceremonies of the department of speech Monday.

Lillian, valedictorian of the Northville high school class of 1958 recently distinguished herself in the Big Ten debate.

She was the only freshman competing for the scholarship against upper classmen.

Northville Area Girl Member MSU Carnival

Jan Porath, 6500 West Six Mile road, is a member of the production-directions committee setting up the 1959 Water Carnival at Michigan State University.

The carnival, June 4, 5 and 6, is an annual project under the sponsorship of the senior class. Each living unit including dormitories, sororities and fraternities, will design and build a float based on a specific theme.

The general theme of the Water Carnival this year is "Route 76". The number "76" signifies the year in which the United States became an independent nation.

Miss Porath is the daughter of Mr. and Mrs. Edward W. Porath, 6500 West Six Mile.

Library Announces Summer Schedule

Starting June 5, the Northville library will be open Friday and closed Saturday every week until September, Librarian Mrs. Rhea Wilcox has announced.

Scout Alternates Ready for Camp

In an announcement just made by the Huron Valley Girl Scout Council it was learned Senior Scout alternate delegates to the 1959 National Girl Scout Senior Round-up have an exciting adventure in store for them if they are not called upon to fill in for a delegate unable to go to Colorado.

The Lakeland Girl Scout Council of Elkhart, Indiana has completed plans and invited these alternates to join them for an encampment near Amberly, Ontario August 3-15.

The camp site located on the beach of Lake Huron includes a large wooded area. Some 140 alternate delegates from Michigan, Wisconsin, Indiana, Illinois and Canada will be transported to the site by bus. Girls from the Huron Valley Girl Scout Council will join the group at Jackson.

These alternate delegates, previously chosen by a special selection committee have been attending training sessions once a month since December to practice primitive camp skills and compile camp program ideas.

Among the girls attending the encampment in Canada will be Mary Ebert, daughter of Mr. and Mrs. E. W. Ebert, Jr. of West Dunlap street.

Madonna College to Hold Graduation This Sunday

Archbishop John F. Dearden will confer degrees at the 12th graduation exercises at Madonna college, Livonia, Sunday, May 31. The program will begin at 6 p.m. in DeSales auditorium.

Mrs. R. G. Nelson of Napier road and daughter, Linda, were in Kalamazoo and Marshall for a short stay last week. While there, they stopped at the famous Schuler's restaurant.

1—CARD OF THANKS

We wish to express our sincere appreciation for the acts of kindness, floral offerings and masses of our friends and neighbors during the recent loss of our son and husband, Conrad J. Lisek, Jr. A special thanks to our relatives, Sparks-Griffin Funeral Home, and Rev. Father Weber.

Mrs. Frances Lisek
Mrs. Conrad Lisek, Jr.

Mr. and Mrs. Joseph Denton and family wish to thank everyone who participated in the wonderful dinner and party given in their honor Saturday, May 23. We, through the medium of this paper, thank all those who were unable to reach at the time of the reception. This event will live with us throughout our lives. Such kindness could only happen in Northville, USA.

Bowlers Hold Banquet

By Mrs. George Ames — Greenleaf 4-0830

The Willowood Bowling league
held their annual banquet Thursday
evening at Hillside Inn on Ply-
mouth road. Gayle Smelt, Kay
Reiss, Elaine Simonsen, Vi Newton
and Mitzie Kriedeman attended
from Willowbrook.

Several couples from Willowbrook
attended the box social and dance
sponsored by the Novi Goodfellows
at the community hall last Saturday
night. Among them were the Wil-
liam Smelts, the Ronald Jennings,
the Harold Youngs, the Robert Mc-
Keons, the Thomas McGuire, the
Richard Cramers, the Robert Ander-
sons, the Donald Stewarts, the A.
Swensons, the Charles Boyers and
the Ronald Grants.

The Willowbrook Three Bridge
club met at the home of Jerry Gal-
vin last Wednesday evening. Sue
Glass won first prize, Kay Bowman
second and Marge Williams won the
consolation prize.

Howard McKeon, father of Robert
McKeon, is a patient at Mt. Carmel
hospital. Mrs. McKeon is acting
as his special nurse.

Mr. and Mrs. Ralph Morse of
Mooringside drive, celebrated their
14th wedding anniversary last week
by having dinner at the Adrienne
room of Paul's restaurant in Red-
ford with Mr. and Mrs. Frank
Morse of Livonia. After dinner they
went to the Krim theatre where they
saw "A Night to Remember", a
picture about the sinking of the
Titanic.

Mr. and Mrs. Jack Sinks and
their son, Jackie, and Mrs. Ted
Reeves, all of Detroit, spent Sun-
day afternoon at the home of Mr.
and Mrs. George Ames on Moor-
ingside drive.

The Tuesday Pinochle club met
last week at the home of Shirley
Hurlburt. Hattie Swindell and Be-
verly Crawford were guest players.
Mary Jane Goyt won first prize.

Honored at Baby Shower

By Mrs. Harper Dunlap — Market 4-3200

Mrs. R. D. Pitcher of Walled Lake
was the guest of honor at a baby
shower May 14 at the home of Mrs.
Cass Bobrowski. The shower was
given by Mrs. Bobrowski and Mrs.
Ken Haney. After the guest of honor
arrived the guests were seated at
card tables where they played either
pinochle or buncos. Prizes were
given to the high and low scorers
at each table. Mrs. Pitcher then
opened the gifts brought by the
guests after which a buffet lunch
was served. Guests at the shower
were Mrs. Don Woodward, Mrs.
William Gross, Mrs. William Van
Gordon, Miss Jackie Gross, Mrs.
Burt Fisher, Mrs. Emil Arbor, Mrs.
Charles Patten, Mrs. Thornley,
Mrs. Roger Curtis, Mrs. Semke,
Mrs. Gilbert, Mrs. Carney and Mrs.

Dahlager Named To Advertising Post

Rodney Dahlager
Record-News Advertising Manager

Rodney Dahlager of 839 Grace was named display advertising manager of The Northville Record and Novi News this week.

Dahlager will assist area retail merchants in planning promotions and preparing advertising copy.

For the past two years he has been a member of the display advertising staff of the Ann Arbor News where he serviced some 55 merchant accounts.

Dahlager is married and is a 1954 graduate of Northville high school. After graduation he served for two years in the armed forces.

READERS SPEAK:

Let's Restore Clock

To the Editor:
Let's highlight one of the lost identities of our small, wonderful town — "The Town Clock", that for too long has been silent.

We're in favor of a community "The Restoration and Preservation of the Town Clock" day.

Mary and Don Ware
(A native Northvillian and a native Detroit turned Northvillian).

Level Curb Sides

I believe Northville could be more beautiful if the land next to the curb on the south side of the road, from First street to Wing street could be leveled off so the county men could cut the grass and weeds.

Cub Pack 755

Meets Thursday Night

Cubs of Northville Pack 755 will meet Thursday night for their regular monthly meeting. Definite arrangements for time and place were scheduled to be made at a committee meeting last night.

Members may contact Vernon Biddle, FI-9-3395, for details.

School Board Panel Reviews Problems

It was the old refrain at the P-TA meeting Thursday night when members questioned a panel of school board members and administrators on the present quality of and future plans for Northville schools.

The consensus that there are few problems that couldn't be solved by more money, cut across several areas — from building programs to teacher pay and recruitment and recommended curriculum and facilities.

Board Secretary Robert Shafer answered queries on possibilities open to the school for raising needed funds.

He pointed out that future bond issues seem unlikely right now with the board's present debt retirement load under the 1956 bond issue.

He added that, because of the district's shortage of industry, inclusion of county and state institutions, and its chiefly residential source of taxes, its tax base has a relatively low valuation on a school per capita basis.

The most feasible alternative, he said, appears to be through millage increase.

At present, the board indicated that it would be shy of initiating any move along these lines. Probably any request for millage increase, say for raising teachers' salaries, would have to come from a citizens group.

Administrative Assistant Dr. Kenneth MacLeod outlined Northville's teacher recruitment situation, reporting that the local starting salary is lowest among surrounding suburban school districts, and without an increase in funds, cannot compete with neighboring community salaries.

To supplement Donald Lawrence's report on the adequacy of the present curriculum and facilities as compared with recommendations by national authorities and by local citizens groups, MacLeod also prepared charts on: teacher salary cost per pupil; 1958 class student curriculum selections; additional teacher pay per pupil for extracurricular activities, and projected figures of school population growth. "Unless some new housing development throws a wrench into my estimates," he said, population increases seem to present no great difficulty for the next five years at least.

The panel also reviewed the prospects and problems of purchase of the community building by the school board President Nelson Schrader reported that legislation permitting a school district of Northville's classification to purchase a building for school use, with bond money, has been passed and is now awaiting the Governor's signature. Participating in the panel were the above board members. Superintendent Russell Ammerman, MacLeod, Principal Harry Smith and Moderators Mrs. Robert Beerbower and Dr. Gordon Forrer.

Postpone June Meet Of School Board

The regularly monthly meeting of the Northville board of education will be postponed one week in June, Superintendent Russell Ammerman announced.

The board will meet June 8 at 7:30 p.m. in the Main street elementary school, instead of the usual first Monday of the month, to permit members to attend the meetings of the Wayne county board of education June 1.

Mustangs Post Win Over Rocks, 9-3

Northville's big hurler Jeff Goodrich pitched a four-hitter against Plymouth Monday night while pounding out two hits himself to give the Mustangs a 9-3 decision.

The right-hander blanked the Rocks in six of the seven innings. He struck out 13 batters and walked only two.

D. Wells was nicked for the loss. Goodrich led the hitting attack for the Mustangs with his two hits. Other Northville players who collected hits included Steve Juday, Bill Boyd, Dave Hay and Jim Anderson.

Plymouth's Shortstop Woodward drew two of the Rocks' hits, while First Baseman Thompson collected the other hit.

SCHOOL DEDICATION — St. Paul's Lutheran church dedicated its new Christian day school Sunday afternoon. Edward Brugman (left), member of the building committee, assisted in the laying of the cornerstone; the Rev. B. J. Pankow, pastor of St. Paul's, conducted the dedication service, and the Rev. W. H. Fluegge, pastor of Trinity Lutheran church, Warren, and youth chairman of the district board of Christian education, delivered the dedication message. The \$46,000, two-level structure is expected to be completed and furnished in time for the opening of classes in September.

Stanley Johnston To Quit Teaching

Stan Johnston, who resigned as Northville's varsity basketball coach at the close of the 1958-59 season, will not return to his teaching post next year.

The 35-year-old teacher has accepted a position with the Prudential Insurance Company of America, he revealed this week.

Johnston, who will remain recreation director for the city of Northville, will become the Prudential agent for the Northville area at the close of the school year. He will be working out of the Northland agency on James Couzens.

The Eastern Michigan college graduate joined the Northville school system in September of 1952. Since then he has taught physical education, mathematics, social studies and science in the junior and senior high schools.

He was assistant basketball coach under Richard Kay, now Amerman school principal, for two years before taking over the head basketball coach in 1955.

Northville's fourth-place finish this past season was the lowest that any of Johnston's teams had finished since he assumed the position. His overall win-loss record was 44 wins and 22 losses.

Northville shared the league championship with Clarkston in 1956-57.

A coaching replacement for Johnston has not yet been named.

Plan Club For Oldsters

A meeting to formulate a Golden Age club for Northville oldsters will be held at 8 p.m. June 9 at the scout hall, City Recreation Director Stan Johnston announced this week.

All interested Northville residents are urged to attend. Young people who are interested in helping to establish such a city recreation club also are invited, Johnston said.

The recreation director also announced that a "full schedule" of all summer recreational activities will be released a week from tomorrow.

Announce Summer Courses At Madonna College

Registration for summer courses at Madonna college, Livonia, is scheduled for Thursday, June 4 at 6:30 p.m.

Classes will be held June 22 — July 31, Monday through Friday. Courses from art design and color to social psychology will be offered. Tuitions is \$9 per semester hour. The college is located at 36800 Schoolcraft.

17th District GOP Plans June Cruise

Seventeenth District Republicans hope to raise a little money and keep party morale high between elections with a cruise, says Publicity Chairman Ann Richardson.

The cruise to Bob Lo on Friday evening, June 5, departing the dock at 8:15. The charge is \$1.75 per person, with ticket information available at BR-3-7276 or GA-1-1327.

"The Republican committee in the district is determined to maintain a continuing and active program. Party politics is so often painted as gloriously active at election time and ingloriously inactive between elections.

"This gathering is designed to bring together the volunteers who work so industriously during the recent election, their friends, and all others interested.

Mr. and Mrs. Forace Boyd of Lakeside, California, have been visitors of Mr. and Mrs. Jess Boyd of Dubuque street and Mr. and Mrs. Clel Boyd of Plymouth. Wednesday evening they dined at the Thunderbird Inn. Sunday, the Boyds held a family reunion at the home of Mr. and Mrs. James Boyd.

A Church Member But Unprepared

A recent trip to a Detroit hospital brought me into contact with a young mother. Since I had to wait for the lady upon whom I was calling to return from X-ray, I engaged the young mother in conversation. I asked her if she was a Christian.

She said "yes". I found her to be a member of a church and a regular attendee. She told me that her pastor chose a text from the Bible and then brought his sermon on some practical aspect of the text having to do with our present life. I explained to her what it meant to be a Christian. Then she replied, "Well, I guess I'm just a church member and not a Christian." How tragic! How dangerous! What a crime churches are committing by taking in unconverted sinners into their membership.

The philosophy of "get them in and then get them converted" is not a scriptural philosophy. It will no doubt send as many people to hell than any other sin. Church membership does not save. Only a personal experience with Jesus Christ is able to do that. Yet hundreds join a church every year hoping that this will pave the way to Heaven for them. Jesus Christ, as your Saviour, is the only hope of eternal life. Come to Him.

500 Attend St. Mary Meet

St. Mary's Hospital guild held its first general meeting at DeSales auditorium, Madonna college, May 20, with approximately 500 members present to hear Mrs. Ira Henderson, president of Northville State Hospital Auxiliary, speak.

Mrs. Henderson defined a hospital guild as an organization which contributes to the relationship between the community and the hospital. She outlined the purposes for such a guild as follows: To form a public relationship with the community, to raise funds, and to provide volunteer services.

For raising funds, she cited successful projects carried out by other hospital auxiliaries and also elaborated on various types of volunteer work that was being done in the hospitals. Members of the women's auxiliary perform all types of services in the wards except the giving of treatments and medication.

Mrs. Jan Maloche, program chairman, introduced Mrs. Mary Reissenewber, who entertained members with an organ recital.

Following the meeting a tea was held with Mrs. Mickey Diamond, co-chairman of the hospital committee, pouring, assisted by Mrs. Elizabeth Kelley, Mrs. Eileen Jones,

Mrs. Ruth Nowacki, Mrs. Dorothy Cotner, Mrs. Irene Egan and Mrs. Shirley Waack.

Mrs. Dorothy Arnold, president of the St. Mary Hospital guild, stated that after such a successful meeting the new guild is looking forward to complete organization of their efforts toward a greater service to the hospital.

The guild ways and means committee will have a general meeting next Monday, June 1 at 7:30 in Ladywood high school, Livonia, to discuss working plans for a major summer project.

Honored with Shower

Connie Schoch, daughter of Mr. and Mrs. Otto Schoch of Yerkes avenue, was honored at a miscellaneous bridal shower Thursday, given by her future sister-in-law, Mrs. Donald Sweet, in her Detroit home. Some 28 guests were present. Shower decorations and refreshments followed the color scheme of mint green and light pink, after the dress of the bride party. Connie will be married here July 11 to John Sweet.

Goodwill Pick-Up

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for Tuesday, June 2. The trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative, Men's club, Maybury sanatorium, FI-9-2692.

Mustangs Post Win Over Rocks, 9-3

Northville's big hurler Jeff Goodrich pitched a four-hitter against Plymouth Monday night while pounding out two hits himself to give the Mustangs a 9-3 decision.

The right-hander blanked the Rocks in six of the seven innings. He struck out 13 batters and walked only two.

D. Wells was nicked for the loss. Goodrich led the hitting attack for the Mustangs with his two hits. Other Northville players who collected hits included Steve Juday, Bill Boyd, Dave Hay and Jim Anderson.

Plymouth's Shortstop Woodward drew two of the Rocks' hits, while First Baseman Thompson collected the other hit.

City's Attics Get Cleaned Out

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Wednesday, May 27, 1959—11

Not to be outdone by his students Superintendent of Schools Russell Amerman pitched-in Saturday to help in the "Beautify Northville" effort. He's shown at left — dressed for the job and weather — with Dick Stamann, Campaign Chairman Ed Welch, Bill Chizmar, Charles Strautz, Claude Morgan is on the truck.

Bill Taft, Bill Milne and John Canterbury, chairman of the pick-up project, had to work hard to keep up with the truck.

Ready to go back for more is this crew composed of Alfred Smith, Aubrey French, D. Harris, Phil Jerome and Larry Kupsky. All of the workers volunteered their services.

Northville's second annual city-wide trash pick-up event was a whopping success Saturday despite rainy weather.

And local garages, closets, attics and basements ought to be thoroughly cleaned out.

Approximately forty rain-soaked volunteers manned seven trucks and between 8 a.m. and 11:30 a.m. they had disposed of 30 loads of trash in the city dump.

The 30 truck loads represented a thorough canvas of the city — including the business district — and even though the city had conducted its own weekly trash pick-up throughout half of the community on Friday, there was plenty left for the volunteer crews.

The project was all part of the annual "Beautify Northville" campaign chairmaned by Ed Welch. The trash collection project was headed by John Canterbury.

The crews had stated that, they would pick up anything that could be lifted into a truck. And residents gave them the opportunity. Mattresses, tires, toys, furniture, bottles and discards of all sizes and descriptions were picked up by the hard-working crews.

Trucks were donated for the project by Paul Palmer, C. R. Ely and Sons, Aubrey French, Bill Spess and the city.

Advisor Joseph Petrock's Explorer Post 755 led the list of volunteers with 14 boys participating. The Ugashon-ton club, headed by Advisor Leonard Bogotaitis, had eight boys helping out.

The city kept up with the steady stream of trucks unloading into the dump by keeping a bulldozer operator busy pushing and leveling the debris.

Because of the rain a picnic lunch was re-scheduled at the Canterbury's on Randolph.

Mrs. Paul Palmer, Mrs. Donald Hannabarger, Mrs. Richard Ambler, Mrs. Alfred Smith and Mrs. Canterbury fed the hungry crews.

Hundreds of residents left items at the curbside for the crews to pick up. The seven truck crews worked for three and one-half hours picking up 30 loads.

As fast as the loads were dumped Julius H. Saner, a city employee, would bulldoze the trash back into the dump.

Northville Heights Opens Chalet

Two completely new models are winning praise for their spaciousness and unique features in Northville Heights.

The Chalet is a large 41'x46' home including a 1½-car garage. Specifically designed for Northville Heights by the Glenview Building company, it has 1,250 square feet of living area on the main floor.

In addition a spacious basement, extra deep for adequate headroom, provides an opportunity for a recreation room.

A large six-foot hall closet is centered at the divided entrance of the Chalet. To the left one may enter a hallway to the kitchen-dining area.

To the right is the spacious living room highlighted by a large picture window. A hallway extends the length of the house from the living room to the bedroom area. Entrance from the garage into the hallway or basement eliminates necessity of passing through the living room.

Another feature of the Chalet is a private lavatory off the master bedroom. A door connects the lavatory to the main bath off the hallway.

Both the Chalet and the Hillside have a large glass door leading to patios.

The 43'x27' Hillside includes a

1½-car garage, full basement and one full bath with twin basin plus a half-bath at grade landing. A large living room, two master-size bedrooms are features of the 1,165 square foot living area on the main floor.

Northville Heights, located just

north of the Amerman elementary and new high school on Center street, has 50 homes occupied in subdivision number one with 30 more sites available. Subdivision number two offers 40 homesites. The lots are 65' wide and all have

paved streets, sidewalks with city water and sewer facilities.

The new Hillside model is priced at \$15,990 and the Chalet at \$17,990. Both include a 7,500 square foot lot. Thirty-year FHA mortgages are available.

The Hillside is a three-bedroom home with attached garage. Two of its bedrooms are spacious master-size. The house sells for \$15,990.

The Chalet is the larger of two new models at Northville Heights. It has 1,250 square feet of living area on the main floor and a spacious living room as well as dining-kitchen area.

A glass door leads from the dining room area in the Chalet to a patio. Circulation is the highlight of the Chalet with a split entrance leading either to this kitchen-dining area or the living room.

Mustangs Grab Second

Scalp Redskins
3-0 Here Friday
In Pitchers' Duel

Northville's baseball team climbed to second place in the Wayne-Oakland league here Friday by posting a 3-0 win over Clarenceville.

The Trojans, who were making one of their first championship bids in league competition, were dumped to third — two games behind the Mustangs.

Meanwhile, Milford's Redskins nipped the Brighton Bulldogs, 10-9, to strengthen their first place position.

Big Jeff Goodrich hurled a one-hitter in notching the victory for the Mustangs Friday. The righthander fanned 10 batters and gave up only two walks.

John Hannaford was nicked for the loss.

Bats on both teams were silenced as the opposing pitchers took turns on the mound.

But several costly wild pitches by Hannaford in the second accounted for all three of Northville's runs.

Deal led off the inning with a walk. He stole second on a wild pitch. Atchinson doubled him home with a drive to right field, stole third on a wild pitch, then was out in a similar attempt to steal home.

Then Dick Stuber walked. Bill Juday singled followed by another single by Goodrich, which drove in Stuber. Juday then scored from third on another wild pitch.

Former Mustang Winningest Hurler For Macon Dodgers

The winningest pitcher on the roster of the Macon (Ga.) Dodgers today is a big, 24-year-old right-hander who hurled for Northville high school a few short years ago.

Kenneth D. Rowe, son of Mrs. Lucille Rowe, is back with the Dodgers after earlier reports that he would play for another Los Angeles Dodgers' farm club at Montreat.

Rowe, who boasts a 4-0 record at Macon, got his start in professional baseball in 1953 when he was signed straight out of high school by the Detroit Tigers' organization.

He had played American Legion ball as a youngster and earned letters as a standout in baseball, football and basketball while in high school.

His first assignment was to Jamestown, N.Y. and then to Jackson, Mississippi, in the same year. At Jamestown he posted a 1-2 record and at Jackson a 6-7 record.

The next year he played with two more clubs, Greenville, Mississippi, and Alexandria, Louisiana during the one season.

In 1956 Rowe went to Macon for a brief pitching role before going into the army where he stayed two years before returning to professional baseball and to Macon.

Last season as a member of the Dodger staff he picked up 13 wins and had 11 losses.

Braves Lose Two More In Midget Baseball League

The Northville Braves suffered their second and third defeats of the 1959 midget baseball season last week.

Northville's other midget team, the Orioles, was rained out in their diamond tilt with the Optimist Indians of Livonia.

Wayne county training school's Phillies nipped the Braves last Tuesday, 8-7, and the Jefferson Giants crushed the Northville team Thursday, 7-3.

Coach Ken Conley sent Gary Stobbe, Al Pethers and Eric Peterson to the mound for the Braves in their game with the Giants, but the three hurlers were unable to put out the fire Stobbe was nicked for the loss.

The Braves scored one run in the second and two more in the fourth.

Novi Fiberglass Nips Paragon, 6-5

Pete Wharton of Novi Fiberglass scored on a fielder's choice last Thursday to give his team a 6-5 edge over Paragon in an extra-inning little league contest.

The win was sweet revenge for the Fiberglass youngsters who dropped a 5-1 game to Paragon two days earlier.

John McMillan, who relieved Eddy Karsnick in the sixth, was credited with the win. He pitched three innings. Fiberglass collected four hits, while Paragon collected seven.

Karsnick led the hitting attack for Fiberglass with two singles. Teammates Dave Rippe and Ralph Calkins each got one hit.

Through Friday, Fiberglass and Paragon shared the Novi little league lead with two wins and two losses each. Young Door was third with a 2-1 record, and National Bank last, 1-1.

75 Attend Banquet For League Bowlers

Approximately 75 league bowlers from Northville Lanes attended the annual bowlers' banquet Friday at the VFW hall.

League championship trophies were presented to the Bailey Dance Studio team which won the Businessmen's league, and to Freydl Cleaners & Men's Wear team which won the Monday Night House league.

Trophies also were presented to Paddock's Bar, winner of the most pins over-all average tournament on Mondays, and to C. F. Grimes of Salem, winner of the most pins over-all average tournament on Wednesdays.

Art Mitchell of the Freydl's team was awarded the sportsmanship trophy by the VFW post.

Eric Peterson opened with a hit in the second and scored on Chuck Bailey's double to right field.

In the fourth, Bailey and Larry Angove walked and Jack O'Dell was hit by a pitched ball to fill the bases. Bailey scored on John Badalut's sacrifice fly to right and Angove scored on a throwing error.

The Braves scored four runs in the top of the sixth in their game with the Phillies, but the runs were scrapped when the game was called at the end of 5½ innings because of darkness.

Northville's two hurlers, Peterson and Stobbe, gave up 13 walks and hit two batters to account for nearly all of the Phillies' runs. The Livonia squad collected only two hits.

Four of the Braves' seven runs came in the fourth inning with hits by O'Dell, Jerry French, Jim Mahoney and Stobbe. French collected the only other Northville hit in the fifth inning.

Peterson was the losing pitcher.

Through last week the Braves had lost three of their first four starts. The Orioles have won two and were rained out twice.

2 Local Netters Drop Semi-Finals In Tournament

Two Northville netters climbed to the semi-finals before falling in the regional tournament at Cranbrook Friday and Saturday.

Karl Karg and Don Lawrence, the only Mustangs to reach the third round in the tournament, dropped their doubles match with Cranbrook, 6-1, 6-1, Saturday morning. Cranbrook went on to win the championship.

The two Northville players knocked out Clarenceville in the first round, 6-1, 6-2, and then edged Bloomfield Hills, 6-4, 9-11, 6-2, Friday afternoon to earn themselves the semi-final berth.

Other first round winners for Northville, which placed third in the tournament, were Scott Adams and Dennis Fallon in singles matches.

Adams knocked out Bloomfield Hills, 6-2, 6-3, and then fell in the second round to Fitzgerald, 6-1, 6-1. Fallon posted his first round victory over Fitzgerald, 6-1, 6-2, and then lost to Cranbrook, 7-9, 7-9.

John Rogers lost his first round singles match with Cranbrook, 6-3, 6-3.

Northville's two other doubles teams also lost first round matches. Joe Gotro and Jim McCarthy fell 6-love, 6-love to Fitzgerald, and Mike Goodrich and Tom Long lost to Cranbrook, 6-4, 6-1.

The final scores:
Cranbrook 17½ points
Fitzgerald 3½
Northville 3¼
Bloomfield Hills 1¼
Clarenceville 0

Tracksters End '59 Season Near W-O League Cellar

Northville's track team closed out the 1959 season last Tuesday by placing sixth in the league tournament at Milford.

Despite the sixth place showing, Coach Charles Yahne expressed satisfaction with his squad's performance throughout the season. "They got along quite well," he pointed out, "even though there was a lot of tough competition in the league."

Nelson Schrader and Tom Darling, who two weeks ago notched starting positions in the state meet, failed to place in the annual meet at Michigan State university Saturday.

The Mustangs captured three second places, and one third, fourth and fifth in taking 13 points for sixth place in the league tournament.

Darling came in second in the 100-yard and 220-yard dashes, while

Schrader placed second in the shot. Northville's 880 relay team won third place to take three points for the Mustangs. Members of the team are Roger Cheeseman, Larry Nitzel, Jim Petrock and Darling. Spike Walker took fourth in the shot for two points, and Petrock placed fifth in the 100-yard dash for one point.

Milford took the league championship, while West Bloomfield took second. The order of the other teams was Bloomfield Hills, Brighton, Clarkston, Northville, Clarenceville and Holly.

The season record for Northville includes two second place showings, two thirds, a total of 15 points in the Thurston Invitational, fifth place in the regional tournament, and sixth in the league.

BUSINESSMEN'S LEAGUE CHAMPS — Joe Petricelli (2nd from right), captain of the championship Businessmen's Bowling team, presents his team's trophy to Bill Bailey of Bailey's Dance Studio, which sponsored the team. Other members of the team (left to right) are: Bob Calkins, Leonard Petricelli and Joe Bongiovanni.

Exodus of Educators

MICHIGAN citizens can lose by default one of the state's most valuable assets: its top grade university faculty members.

This means that the level of education supplied to U-M, MSU, WSU and the six other state supported universities and colleges will suffer substantially and for a long period.

The fact is that it takes infinitely longer to build an outstanding faculty than it does to see it fall apart.

Right now Michigan educators are worried that the state's educational machine will do just that. Why are some of the best faculty people leaving? Probably two reasons. One is financial. The other is more intangible, but it might be defined as being respected or appreciated.

Spokesmen for MSU and U-M have both pointed up this danger recently. Marvin L. Niehus, vice president at Michigan, said that if these institutions could not meet salaries offered by other universities, their most competent people would leave. President John A. Hannah reported that resignations from MSU are nearly 50 percent ahead of last year at this time. There are 147 staff members known to be leaving now as compared with 101 at this time last year.

Administrators are worried that this is just the start; that if improvement can not be made soon, that there will be a near mass exodus of top people. It is important to note that most of those who leave go to other teaching jobs; not into private industry.

This makes a delicate situation for the university leaders. They cannot make too much public clamor about their concern for fear of stimulating more people to leave and without creating a morale problem among those who stay.

The more they try to correct the issue demonstrating how low salaries are here in comparison to other schools, the more difficult they make it to attract top level faculty people for the opening created by those leaving.

It boils down to this: If top grade faculty people leave Michigan education institutions and top grade people cannot be engaged, Michigan will offer its college and university students education in classrooms manned by less than top grade teachers.

What can be done? If there is to be improvement, it must come rapidly to be most effective. If the public could simply show a pronounced concern about what is happening to its college faculties, a great gain would result.

Many professors who leave Michigan are reluctant to do so, but they feel they cannot refuse offers from other states where the salary is higher and public interest in higher education is on the upswing.

Secondly, university people seem to believe that once their situation receives public attention, the solution will be forthcoming.

One educator said, "It's time for the public to decide what kind of educational machine they want in Michigan. Once that is determined, the legislature will be better guided about how to provide it."

HIGHWAY officials are hurrying to buy the right-of-way needed for the state's \$1,250,000,000 superhighway construction program.

Land purchase hit a new high for the year in April when options were acquired on 400 pieces of land at \$1,863,000.

Condemnation hearings proved "necessity" in some cases, and the

state's legal right to take the property for a fair price was fixed by the courts on 104 other pieces of land.

The figures do not include right-of-way acquisition on the Detroit expressway system where the function is performed by the Wayne County Road Commission. "Acquisition by our own forces in the first 10 months of the current fiscal year has totaled \$13.6 million, compared to \$13.1 million in the previous full 12-month period," said Highway Commissioner John C. Mackie.

By mid-May, options had been obtained on 2,673 parcels of land in 10 months and Mackie predicted the department would exceed the goal of 3,000 parcels by July 30.

By 1960, he said the department would be moving at the rate of more than 4,500 parcels a year. Mackie said the department will need 40,000 acres of right-of-way in the next five years.

It will be needed for the 900 miles of limited access superhighways planned under the five-year program.

The speedup answered Republican charges of a slowdown. Republican leaders were gathering statistics to show that right-of-way acquisition had sagged under Mackie's administration.

His office replied that the biggest chunks of land bought before he took office July 1, 1957 were for the Detroit expressways.

MICHIGAN WEEK is over for another year.

It was by far the largest celebration in the seven-year history of the special week set aside for Michigan to advertise its wonders to other states and to the world.

There was an exchange of mayors and special events for every phase of the economy.

Urged state employees and others to write personal letters to friends and relatives in other states, suggesting they try Michigan for their vacation.

He said the plan, if even moderately successful, would help Michigan by creating more trade, thus bringing in more tax revenue "and perhaps, even helping pay your salaries."

Cromley to Speak At State Hospital

A talk by Dr. H. Cromley, director of the Children's Center of Metropolitan Detroit, will highlight a bi-monthly program meeting at the Northville State hospital June 5.

The meeting of the Northville and Hawthorn chapters of the Michigan Association of Emotionally Disturbed Children will start at 8 p.m.

Association aims include the promotion of better understanding of the problems of emotionally disturbed children.

The Hawthorn and Northville chapters have provided much assistance to the programs at both hospitals.

Individuals or clubs interested in participating in this promotion effort are invited to attend the June 5 meeting. General information about the group's activities may be obtained from Mrs. Yetta Melton, LI-3-6912.

Compromises by Herter May be Best in Long Run

Babson Park, Mass. — John Foster Dulles was a man of the highest character and a great student of law; in fact he had been senior partner of the finest law firm in New York City, Sullivan & Cromwell, of which I have long had the honor of being a client.

Christian A. Herter is also a man of the highest possible character and a great student of history. He had been a most efficient governor of Massachusetts, in which state I am proud to be a voter.

What History Teaches

We know that an able jurist like Mr. Dulles expected nations and individuals to carry out their agreements, and for this policy he has given his life. Mr. Herter expects history and events to repeat their actions, and upon this he bases his recommendations. Although he has always gone along with the "team" of which he was a member, he fearlessly states his belief. Mr. Dulles had referred to Russian agree-

ments as "the crust of a pie to be broken"; while Mr. Herter has learned from history that progress has sometimes come even from broken agreements.

History shows that from the earliest days of Babylon, Phoenicia, Persia, Egypt, Greece, Rome, England and France, the "underdog" has eventually won. As a result, the world has been better and legitimate investors have been safer. I recently returned from Africa where the natives are emerging from years of suppression, and where Democracy is fighting Colonialism. The same situation exists today in China, India, the East Indies, and perhaps the people of Russia are likewise awakening. I do not know Russia, although I have been to Europe many times. I do not believe in Communism, but probably Krushchev and other Russian leaders do not believe in Communism either. They, however, have probably learned that such talk gives them followers and power.

History teaches that conflict has always existed between the "Haves" and the "Have nots". Progress has been initiated by the "Haves", but possessions have usually undermined the generations following. Suppression has resulted in revolt, from which the "Haves" have temporarily suffered but in the end have been better off. This certainly was true of our poor farmers who fought the British in our Revolutionary War. It was an underlying factor in our Civil War. Mr. Herter could show that a similar relationship applied in World War I and II.

What Should We Do Now?

I have great respect for President Eisenhower and believe that we and the entire world are very fortunate to have him for our president. He, however, has been trained as an army officer to give orders and expect them to be carried out. I wonder how much study he has given to history? I believe in the present military policies of our government and the billions which are being spent on missiles and anti-missile weapons, atomic submarines, and other weapons. In fact, I have just returned from a visit to Cape Canaveral, where I was greatly impressed by the organization of loyal officers, scientists, and workers under the leadership of one of our greatest living generals, General Donald N. Yates. On the other hand, I wondered whether a World War III would be between the people of the United States and the people of Russia or only between our political leaders and those of Russia. Do we represent the "Haves" and the Russians the "Have nots"? I don't believe the people of either country want Communism; they be-

lieve in their hearts that it would not work or last.

I repeat that Secretary Herter will play with the "Team", but I believe his advice will be more liberally based upon history than had been Mr. Dulles' advice. I feel that Mr. Herter will ask the Team if it might not be better for us to give some of our foreign aid to the Russian people if they need food before this cold war is over. Mr. Herter, with his first name "Christian", cannot forget the struggling masses of all nations while we have millions of tons of food wasting in storage.

I do not know the answer! My purpose today is merely to beg my friends, the "Haves", not to criticize Mr. Herter if he approaches the problem in a different way than did Mr. Dulles. If history repeats itself, we, the "Haves" and our
