

Council Threatens to Drop Library as Costs Mount

How important is the public library to the community of Northville?

The answer to this question may very well determine whether or not the city continues to support the local Wayne county library branch.

In effect the city council said Monday night it was not willing to pay the cost of the library. The council did so by slashing the current-year \$9,171.24 bill due Wayne county on November 20 from the budget. And as yet, the city has not paid an \$8,000 fee for 1958.

In even bolder steps that indicate the council does not believe Northville citizens want to pay the cost of supporting a library Councilman John Canterbury suggested writing a letter to the county library board indicating the city was considering discontinuance of the local branch.

Councilman Richard Juday said he favored discontinuance and said he did not believe it was used as much as 25 years ago because of television.

Mayor A. Malcolm Allen suggested that the new high

school might have a library adequate for the community or, if not, perhaps the school district could take over the library.

What brought about the sudden insistence by the council that the library should be peddled?

Costs — that have increased rapidly and steadily during the past three years.

The city of Northville now pays more than \$9,000 annually to the county for the library service. Two years ago the charge was \$3,000.

Actually, the total cost of the operation of the local library is \$24,890 annually. The city pays \$9,000, the township approximately \$1,000 and the county the balance.

The formula for determining the cost is based upon the ratio between population and assessed valuation of the community. The county-wide "equalization" of all assessments two years ago sharply increased the city's cost. It had less effect on the township where the population (which includes patients at township institutions) is higher, thus reducing the ratio to township institutions.

The sudden and abrupt tripling of costs left the council

cold. Each member now wonders whether the library is worth the cost.

Librarian Mrs. Rhea Wilcox, who has been associated with the local library for 20 years, says it is used nearly twice as much now as ever before. She admits that television slowed down library interest when TV first became popular. But now the medium has stimulated new interest in reading, Mrs. Wilcox believes.

"Personally, I don't believe people will stand for the library being closed," she said.

Northville's library is one of the oldest in the county. It was started by the Woman's club.

"Many students as well as adults use the library. College students often use our library for reference work on week ends," Mrs. Wilcox stated. The library has nearly 12,000 books and has the complete facilities of the Detroit Public Library at its disposal even though the Detroit library is not a part of the county system.

One of the sore-spots connected with the library cost as far as the council is concerned is the use by residents outside

Northville city and township. Specifically, the great number of Novi residents who do not contribute to the support of the library. Some discussion concerning the possibility of charging these persons by issuing cards has been suggested.

Again, as in so many cases, the questions boil down to a matter of money. While the city council diligently cut the budget down by \$13,000 to avoid a tax increase Monday night, they did so knowing that if Northville residents want their public library the council must dig up the money to pay for it.

And while the council tied up the budget in a neat "no increase" package at one stage of Monday night's council meeting, minutes later Councilman Richard Juday called upon his fellow city councilmen to do something to prevent a recurrence of the brutal attack upon a 15-year-old Northville boy by unidentified thugs.

The answer to this problem: another policeman, another police car, another radio, a full-time dispatcher and what the city manager told the council before it made its economy cuts . . . more money. (See story on reward for information concerning youth beating elsewhere on page one).

Offer \$50 Reward In Assault on Boy

The brutal beating of a 15-year-old Northville high school boy brought sharp reaction Monday night from City Councilman Richard Juday.

Referring to the attack on Mike Myers by unknown assailants at 11 p.m. on North Center street, Councilman Juday said "this shouldn't happen in a quiet little town." The beating occurred on the evening of May 29.

The Myers' boy was slugged and badly beaten about the face by a six-foot youngster who jumped out of a car while Myers was walking along Center street.

Knocked unconscious, Myers could remember little of the incident. He managed to struggle to Councilman Juday's house to get help.

Memorial Mix-Up

Many motorists were disappointed Memorial Day when they were refused entrance to ceremonies at Rural Hill cemetery by officers on duty.

The order brought many complaints (see letter on page 12) from older residents who had enjoyed the services from their cars in years past.

Two of the cars blocked from entering were driven by Mayor A. Malcolm Allen and City Manager John Robertson.

Wednesday Mayor Allen said he had tracked down the source of the order and termed it "an honest mistake in judgment."

"This order did not come from any city official — either on the council, the city manager or myself," said Mayor Allen. "I regret the incident greatly and the inconvenience it may have caused many residents who were unable to walk the distance to the Veterans' plot. I can only say it will not happen again," the mayor concluded.

No Tax Hike for City

City taxpayers can sit back and relax — there won't be a hike in local millage this year.

Councilmen made this decision Monday night as they pared a proposed 13-mill budget to 11.5 mills, same as last year.

The cutback came as no surprise. Councilman had indicated — even while proposing the increased budget — an inclination to "hold the line" because of the passage of the \$300,000 water improvement bond last month.

This approval brought some \$40,000 back into the general fund that had earlier been borrowed by the water department. Councilmen also feared that the bond issue campaign promise that passage "would not increase taxes" might have been interpreted by voters to mean that taxes would not be boosted for any purpose.

While the mayor and the full council supported the move to reduce the budget, City Manager John Robertson did not. He reminded the council of numerous complaints from taxpayers because of poor service rendered by the city.

"You set the level of services and then criticize the departments if this service is not provided. We can only do what is possible under the funds you provide," Robertson stated.

He pointed out that the council had always found a "good reason" for holding the line on taxes. "Two years ago it was because school taxes had been increased; last year it was because of the reappraisal program; and now it's the bond issue," he stated.

The city manager did not get any details from the council. Mayor Allen agreed and further pointed out that the pension plan, salaries,

121 to Graduate Here Next Thursday

Graduation and the close of the 1958-59 school year drew near an end this week for 121 seniors and hundreds of other Northville high school and elementary grade students.

For most high school seniors, the school year will end next Wednesday with the last final examination at 1:45 p.m. Elementary grade students will be dismissed for summer vacation at the end of regular classes on Wednesday.

Optimists Line Up Critters for Rodeo

Shades of the old wild west will burst forth here Sunday, June 14 with some of the meanest critters this side of the Pecos crossing the fun.

It's all part of the annual rodeo sponsored by the Northville Optimist club. The fun starts at 2 p.m. inside the Northville Downs fence.

Heading the parade of bucking, kicking critters will be the Brahma bulls, who will try to prove that no cowboy is tough enough to ride 'em. Last year's rodeo didn't include Brahma bull riding because the cowboys couldn't get insurance coverage.

Other back-breaking entertainment includes the wild horse show. Three horses and nine riders will square off in the ring. Each team of three men must race against time in putting saddle and bridle on one critter before riding to the end of the arena.

William Taft is general chairman of this year's rodeo and William St. Lawrence is in charge of events.

Rodeo proceeds will go into the Optimist fund for boys' projects.

Taft Asks Township To Allow 56 Acres To Enter City Limits

Township board members postponed action on a request from Gerald Taft that 56 acres of his township property be annexed to the city of Northville.

Under the law the property, which is unoccupied and abuts the city limits at the southwest corner of the Taft road - Baseline intersection, could become part of the city by joint action of the city council and township board.

Taft told the board that he is planning to subdivide some 100 acres of his farm already within the city. To do this he must spread the cost of sewer facilities over the number of lots to be constructed within the subdivision. The addition of the 56 acres in the township would bring down the cost per lot of the sewer expense.

The proposed sewer to serve the Taft subdivision in the extreme northwest section of the city would extend down Taft road along Randolph and eventually southward to the Middle Rouge interceptor in the park.

Cost of the sewer would be prorated by special assessment over the properties that it would benefit. The city would participate in the cost of the lower end of the sewer. Taft explained, where overloaded sewer facilities in the eastern section of the city would be relieved.

The board decided to meet with the township planning consultant next Tuesday at 7 p.m. to study the matter.

Supervisor George Clark pointed out that the immediate tax loss was slight — approximately \$20 — but that if the property were developed it would be more valuable.

Board members Roy Terrill, Marguerite Northup and R. D. Merriam expressed concern over starting a precedent. They pointed out that much of the township property borders along the city limits of Livonia.

Attorney James Littell stated that the city could permit sewer use to the acreage even though it remained in the township, but pointed out that this was not the city policy.

He added that the request for annexation should come from the city but advised Taft to wait before requesting city action until the board had time to give him their attitude.

In other business Supervisor Clark said the township had been granted one mill on the township-county school 15-mill limitation. This is .06 of a mill higher than last year and represents the request made by the township in setting up its budget.

The state equalized valuation of the township is \$10,037,625, an increase of about 10 percent over the county equalized valuation of \$9,154,620. Valuation set by the township board of review was \$8,389,770.

In final business the board gave approval to a tentative plat submitted by the zoning board for the Snow Acres 10-lot subdivision at the southeast corner of West Seven Mile and Valencia.

Four Seek Election To Board Monday

William B. Crump

Robert H. Shafer

Charles A. Smith

Nelson C. Schrader

Three incumbents and one newcomer will seek election to three seats on the Northville board of education Monday.

One of the candidates, Board President Nelson C. Schrader, is running for a one-year unexpired term and is unopposed.

Incumbents William B. Crump and Robert H. Shafer will compete for the two three-year term seats on the board with Charles A. Smith, owner of Smith Products, an aluminum fabricating firm in Novi.

All qualified electors of the school district will vote at the same place, the Northville community building. Polls will open at 7 a.m. and close at 8 p.m.

Crump, who resides at 15 Timberlane, is a mechanical engineer and co-owner of Flow Engineering company. He attended public school in Highland Park, Ford Trade school, obtained his engineering degree at Lawrence Institute of Technology and took graduate studies at the University of Minnesota.

Crump was appointed last August to the board to fill the term of H. Adrian Willis, who left Northville to join the Daisy Manufacturing company in Arkansas. Crump is married and has two children.

Incumbent Shafer resides with his wife and three children at 18101 Sheldon road in Northville township. He has lived here since 1946 when he inactivated his commission of major and status of aerodynamics engineer in the air force to join Daisy Manufacturing company in an executive capacity. He resigned Daisy in March, 1958 to pursue other personal interests.

Shafer has been highly active in community affairs including nine years as chairman of the Northville township zoning board and also appeals board, member of the Northville-Novi area school study committee, Northville public schools citizen advisory committee, member and chairman of the Northwest Wayne planning council and area representative on the Detroit Metropolitan Area Planning commission.

Currently Shafer is secretary of the board of education. He is also a member of the administrative advisory board of St. Mary's hospital and a member and officer of the First Presbyterian church.

Smith is married and has one daughter, who is currently a student counselor in the Yakima, Washington school system. The Smiths reside at 43643 Nine Mile road.

Originally from Farmington, Missouri, Smith attended public schools and Carleton college at Farmington. In addition to heading his own firm he is also president of the Aluminum Jacketing Manufacturers association. He is a member and secretary of the board of elders of Central Woodward Christian church in Detroit. He is also a honorary life president of the Detroit Disciples Union and a member of the Northville Rotary club.

President Schrader has been a member of the board for nine years. He is married and has two children. The Schraders reside at 116 Orchard drive. Schrader attended Michigan State university and has studied at Wayne State and the University of Michigan. He is owner of Schrader's Home Furnishings and is a past president of the retail merchants association.

Trees Will Soon Beautify Northville Road Parkway

The Northville Road Parkway is due for a dressing up soon in the Beautify Northville campaign.

Dave Cameron, chairman of the rural beautification project, reported at a recent meeting of the general committee that the Northville Garden club and others have donated money to purchase trees for planting along the parkway.

Some 20 trees will be ordered immediately. The Garden club has stipulated that they \$50 contribution be used to buy only large flowering shrubs, so that they will be seen in bloom this year.

Architect's plans for the road-side landscaping is being completed, Cameron added.

The rural beauty scouts also announced favorable findings in their survey of yards. Weed control, trimming of roadsides, and trees in country areas were noted.

Another survey was launched through the schools, school committee chairman Richard Kay said.

Questionnaires covering check-points of home beauty were sent to parents. Although returns have been slow, Kay said he expects to hear of more improvements in the fall, after families have had a chance to utilize summer vacation for these projects.

He also reviewed the recent school landscaping efforts by Amerman

school children, who raised money to buy trees and shrubs and planted 22 maple trees donated by School board Treasurer Dr. Waldo Johnson from his farm.

In other reports, John Wortman, head of vacant lot improvement, told that letter will be mailed to property owners outlining ways to renovate lots.

Major suggestions, which cover the most common empty lot eyesores are:

- Rake out debris
- Remove dead trees, stumps, unsightly brush
- Remove junk, broken concrete
- Level ground to fill possible water holes
- Clean sidewalks, trim brush
- Paint inexpensive shrubs for beauty
- Cut grass and weeds

Retail and commercial improvement that sidewalk repair is still underway, but that curbs on the south side of Main street have held up work.

Yesterday Altman marked all business sidewalks needing replacement with a painted cross, and urged merchants to comply.

Members of the picture committee, Wilson Funk and Charles Freydl have been busy taking "before and after" snapshots, to be shown to various organizations.

It Was No Ordinary Jar of Beans

It was a privileged quart of beans that pickled unwittingly in one of Mrs. Wilford Cogar's Mason canning jars this past year.

Not until she was dishing out its contents for dinner one spring day did she notice that her beans had settled in kind of an historical monument — one of the first Mason jars ever to be used by American homemakers — clearly marked, "Mason, Patented November 30, 1858."

The vivacious mother of six says, as she eyes the antique treasure gingerly, it's about time that it was

retired, although she has probably been using it as casually as any ordinary jar for several seasons.

Mrs. Cogar, who grew up in the Northville area, says she thinks the old Mason was brought back when her family moved into their West Seven Mile road home from Virginia recently.

Now, when it's not put to more elegant use, such as a vase for garden irises, it's packed away out of the reach of little cooks who may some day appreciate it more for the humble but culinary heirloom it is.

Pardons Work Fine

A few local book borrowers got a pleasant jolt last week when library officials pardoned all late returns.

None of our customers was guilty of a really long-term offense, librarians reported — the guiltiest had been overdue only since January — but a number of folks took advantage of the opportunity to cash in on items that had run over a couple of days or weeks.

Others, unaware of the pardon period, were happily surprised when officials mightily refused their fine money.

They explained that this is a good way to encourage return of books that have been mislaid by adults or lost by children.

All in all it was a success, and may be repeated again next year.

OLV Mothers' Club To Meet Next Tuesday

Our Lady of Victory Mothers' club will hold its last meeting of the season next Tuesday, June 9 at 8 p.m. in the church social hall.

Chairman Mrs. Hugh Conser announces that light refreshments will be served. This being the final meeting, members are asked to make a special effort to attend, Mrs. Conser said.

Announce New Officers At Mothers' Club Picnic

At the annual picnic-meeting of the Northville Mothers' club held at the home of Mrs. H. Handorf, Mrs. Ed Angove turned the gavel over to the 1959-60 president, Mrs. Richard Kay.

Other new officers are: vice president, Mrs. Edwin Langtry; secretary, Mrs. Irvin Marburger, and treasurer, Mrs. C. W. Rodgers.

Club Readies Workshop On Flower Arrangement

The Northville branch of Woman's National Farm and Garden association will hold its annual workshop on flower arranging Monday, June 8, 12:30, at the home of Mrs. Pasquale Buonicontino.

This year's workshop will center around the arrangement of familiar garden flowers, and will be conducted by club President Mrs. N. K.

Pattison, and Mrs. Edwin Mueller, both well qualified to give instruction on this subject.

Members are requested to bring their own flowers, containers, cutters and pin point holders.

Foliage will be furnished.

Guests may accompany members who call Mrs. George Kohs or Mrs. Pattison before Friday.

The entrance to the Buonicontino home on Sheldon road will be marked by a sign and an arrow, showing the way to the residence.

Last year's workshop emphasized Japanese floral arrangements, examples of which were later shown in the annual garden club flower show.

Workshop ideas will also be used in this fall's flower show, "Ye Olde Country Flower Fair", to be held in September.

Wed in Baptist Service

The Rev. Arnold Cook of the Novi First Baptist church officiated at the wedding Saturday of Tressie Ramsey of Wixom and George Gardner of Northville in the Baptist parsonage.

Mr. and Mrs. Richard Ramsey of Walled Lake were witnesses.

Graduates from Mercy College School of Nursing

M. Patricia Madigan

Miss M. Patricia Madigan, daughter of Mr. and Mrs. William Patrick Madigan of East Eight Mile road, will receive a bachelor of science degree in nursing from Mercy college at commencement exercises tonight in McAuley auditorium.

Miss Madigan, a graduate of Ladywood high school, Livonia, is a member of Theta Alpha Chi, Sigma Kappa, and has taken an active part in the college production of "The Desert Song".

Following graduation, Miss Madigan, an ensign in the Navy Nurse Corps, will go to Newport, R.I. to begin an eight-week training course at officers candidate school after which she begins her assignment to Great Lakes hospital at Great Lakes, Illinois.

Artists Look for Sunny Saturday

About all that remains for Three Cities artists preparing their annual outdoor show is to wait for a sunny day.

Fair weather obliging, special triangular exhibit units will be set up among the trees in Plymouth's Kellogg park from 10 a.m. to 6 p.m. Otherwise, the show will be postponed until the following Saturday.

This third annual June outdoor exhibit, under the chairmanship of Barbara McKenzie of Northville, will feature some 100 items representing the year's best work by the club's 23 members. Works selected for display include paintings and sketches in several media, sculpture, jewelry and pottery.

Each entry will have an identification tag stating the name and address of the artist, medium, and title of the picture.

Many of the pieces will be for sale. A member will be on hand to answer viewers' questions about them.

As a sidelight during the show some members will give on-the-spot demonstrations in sketching, oil painting, silk screen, mosaics and copper enameling.

Among the exhibitors — all professionals or well-qualified amateurs — will be club president and Northville resident, Marjorie Becker, well-known in this area for her work with the club, and for her success in local art competitions.

As art coordinator in Livonia schools, Mrs. Becker has championed a creative approach toward art among children, encouraging them to "draw from their imagination" rather than limit their experience to "the mechanical exercise of filling in between the lines of coloring books."

As president of the club, she has also promoted adult participation in some area of art, be it fine arts, music, theater, literature, or creative expression in sewing, decorating, gardening or flower arrangement.

In the field of art education she has served on state and national committees.

She herself has been painting seriously for the past three years with oil and watercolor. Her painting of the Plymouth Outdoor Symphony last summer, won first prize in the symphony art club sponsored contest, and was later awarded to the city of Plymouth.

In May, she won second prize for water color in the Kessler Buick Woman Painter's show.

She will have some six new watercolors in Saturday's show.

The exhibit is open to the public.

WINNERS — Three Cities Art club members President Mrs. Marjorie Becker (left) and Mrs. Mabel Bacon display some of the paintings they will exhibit in the Outdoor Art show Saturday. Pictured in the background are Mrs. Bacon's oil painting "Nuclear Fission" and Mrs. Becker's water color, "Winter Silhouette", which won first and second prize, respectively, in a contest sponsored by the Wayne County Cultural Achievement committee during Michigan Week.

Guild Kickoff Tea Will Launch Membership Drive

The St. Mary Hospital Guild will sponsor a kickoff tea next Wednesday to initiate its forthcoming membership drive.

The tea, to be held from 1-4 p.m. in the home of Mrs. Fred Antil, 16855 Mayfield, Livonia, is planned as an informative event for women interested in joining the guild or in offering their help to it.

Details of the guild's volunteer and membership program will be discussed.

Persons living in communities that will be served by the hospital—Livonia, Northville, Farmington, Redford township, Plymouth, Plymouth township, Wixom, Novi and Garden City—are invited to attend.

Light refreshments will be served.

Mary Ellen Crusoe

To Receive B.A. Degree

Mary Ellen Crusoe, daughter of Mr. and Mrs. Claude Crusoe of West Nine Mile road, will be among 1,199 Marquette university students receiving degrees in June 7 commencement exercises on the Milwaukee, Wisconsin campus.

Miss Crusoe, a candidate for the bachelor of arts degree, is affiliated with Eta Sigma Phi, classics honor society; the Secondary Education club, and the Michigan club.

Archbishop William E. Cousins of Milwaukee will deliver the address.

CHEVY BESTS

Independent experts and official facts and figures prove Chevrolet's ahead of its field in seven big ways.

BEST BRAKES . . .

In direct competitive tests of repeated stops from highway speeds, conducted by NAS-CAR*, Chevy out-stopped both the other leading low-priced cars—and why not? Chevy brakes are far larger, built with bonded linings for up to 66% longer life. **BEST TRADE-IN** . . . Check the figures in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to \$123 higher than comparable models of the "other two." **BEST STYLE** . . . Popular Science magazine sums it

up: "The fact is, in its price class the Chevy establishes a new high in daring styling . . ." It's the only car of the leading low-priced three that's unmistakably modern in every line. **BEST ECONOMY** . . . No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car. **BEST ROOM** . . . Official dimensions reported to A.M.A.† make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars. **BEST**

ENGINE . . . Every motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As Sports Cars Illustrated puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." **BEST RIDE** . . . You'll be able to tell this yourself, instantly. But Motor Trend magazine expresses it this way: ". . . the smoothest, most quiet, softest riding car in its price class."

Make sure you get the most for your money—see your local authorized Chevrolet dealer!

Gay H.M.S. Christens New School

It couldn't have been a brighter opening.

A full house of parents, teachers and local residents — as curious about the new auditorium as they were interested in a night of pleasant entertainment — turned out Monday and Tuesday evenings to applaud the Northville high school choir's colorful production of the old Gilbert and Sullivan favorite, "H.M.S. Pinafore", the first school function to be held in the new senior high campus.

Eager patrons who jogged up the entrance road, still in the rough, lined their cars along the unpaved parking lot — later bounced stoically homeward — hardly less than satisfied with both the operetta and the striking lighting.

Director Leslie G. Lee deserves praise for the excellent performance. Also, Jack Van Haren and his art students for the inspired stage scenery.

Sam Chizmar's polished accompaniment, Julie Older's dance choreography, costuming by Mrs. Corrine Mayer and John Goss, and the work of Miss Florence Panattoni's make-up crew, added to the show's sparkle.

Leading characters, Pat Willing as Buttercup, Tucker Williams as Captain Corcoran, Allan Korn as Dick Deadeye, Richard Drew as Ralph Rackstraw, Judy Nauman as Josephine, David Hay as the Rt. Hon. Sir Joseph Porter, K.C.B., David LaFond as Boatswain, and Joan Baskins as Hebe, assisted by the chorus, all delivered a memorable account of the well-worn but still endearing love story of a lowly tar and the captain's daughter.

"OH BLISS, OH RAPTURE" chime the lovers Josephine (left), Judy Nauman and Ralph Rackstraw, Richard Drew and Sir Joseph's first cousin, Hebe Joan Baskins, as romance wins in the end.

AN ENTHUSIASTIC AUDIENCE witnessed the first function to be presented in the new Northville high school.

"ELYSIAN" romantic prospect and Captain of the King's Navy was David Hay as The Rt. Hon. Sir Joseph Porter, K.C.B.

"FAIR MOON to thee I sing" sighs Captain Corcoran, Tucker Williams in that dark hour when he learns that his high born daughter has pledged her troth to a simple fore mast hand.

School Board Candidates Statements

Following are statements from the three school board candidates who seek two board seats in Monday's election.

Robert H. Shafer

I consider it a distinct privilege to serve my community as a member of the board of education, and submit my record of the past three years thereof, as substantive proof of my sincerity and devoted performance of capacity.

I am proud of the achievements made and being made in our school system. This pride is to me, as I know it is to everyone else, stimulated by the knowledge that within the next few years time, with existing goals of further development realized, our school system will be rated among the top two percent of all the schools of the State of Michigan.

I wish to take this opportunity to personally thank all those many citizens of our community who are and who have contributed so much time and effort to the Curriculum Study Committee, Citizens Advisory Committee, etc. They too, should be proud of their parts in the accomplishments of our school system.

Our school system is big business, and commands constant attention to development and progress. Problems currently confronting the school system are many, extending from the required attention to teachers' salaries to all details of providing as full and as complete a curriculum as our resources will permit. The physical school plant phase of our program is soon to be accomplished; the all important program phase of operating a full and complete curriculum program within that physical structure is now possible to perform, within the area possible to our resources. It is to this interest I place my candidacy for re-election to the board of education.

NOTICE OF PUBLIC HEARING

AN ORDINANCE TO AMEND ORDINANCE NO. 39 BY THE ADDITION OF A NEW ARTICLE TO BECOME ARTICLE IV-A. AN ORDINANCE TO PROVIDE FOR THE SUBDIVISION OF PROPERTY AND THE SPECIFICATIONS AND IMPROVEMENTS TO SUBDIVISIONS.

THE CITY OF NORTHVILLE ORDAINS:

PART I.

ARTICLE IV-A
VARIANCES

Section 4A.01 Where the Planning Commission finds that extraordinary hardships may result from strict compliance with these regulations, it may vary the regulations so that substantial justice may be done and the public interest secured; provided that such variation will not have the effect of nullifying the intent and purpose of the basic plan of these regulations.

In granting variances and modifications, the Planning Commission may require such conditions as will, in its judgment, secure substantially the objectives of the standards so varied or modified.

PART II. VALIDITY.

Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared invalid.

PUBLIC HEARING ON THE ABOVE AMENDMENT IS SET FOR 8 P.M. JUNE 15, 1959 AT THE NORTHVILLE CITY HALL.

MARY ALEXANDER, CITY CLERK

NOTICE OF PUBLIC HEARING

ON PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE VILLAGE OF NOVI — NOVI, MICHIGAN

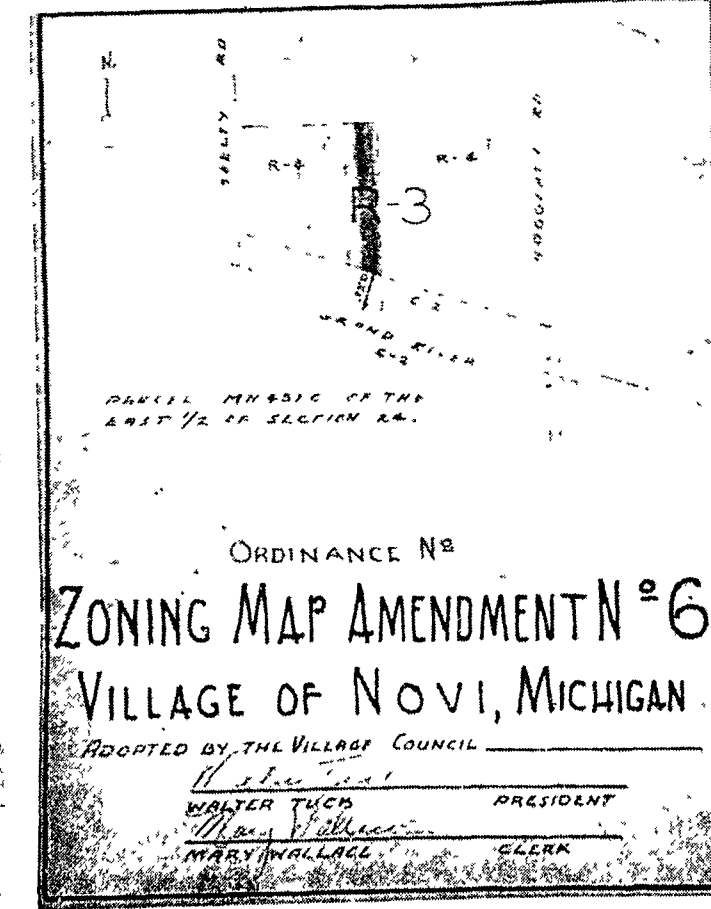

NOTICE IS HEREBY GIVEN that a Public Hearing will be held on a proposed Amendment to the Zoning Map of the Zoning Ordinance of the Village of Novi to include the following change:

A. To change that part of parcel MN451C lying 350 feet north of and parallel to the center line of Grand River Road, known as the A. Pietras property, a part of the east 1/2 of Section 24, now in a R-4 District to a R-3 District classification, for the use of the property for a Mobile Home Park.

This hearing will be held at 8:00 o'clock p.m., Eastern Standard Time at the Community Hall, located at 26350 North Novi Road, JUNE 22, 1959.

NOTICE IS FURTHER GIVEN that a copy of the Map and Ordinance may be examined at the Village offices at the Township Hall during the regular office hours each Monday through Saturday, until the date of the Public Hearing.

NOVI VILLAGE PLANNING COMMISSION
Frank Watza, Secretary

Charles A. Smith

I consider it the duty and obligation of every citizen to serve their community in some manner within their ability and capacity. If I can be of constructive service as a member of The Northville Board of Education, it will be a pleasure to serve. In my opinion we have been fortunate in that most of our board members have served with honor and distinction and I shall hope to follow in their footsteps. The sole purpose of an educational system is to educate and any school system should be geared to local needs and conditions. The fundamental purpose and objective of the school program is to make available the best and most practical program for the children. Expenditures should be justified and at the same time we must concern ourselves with the character of the times and the great urgency of education. Our objective should and must be to provide the best educational system possible within the capacity of the school district. All problems must be assessed and evaluated and a most sincere and honest effort made to solve them in a manner that will make the greatest contribution to our youth and their future. Every board of education member is responsible to two groups, (1) the children to see that they have the opportunity to develop their talents for the greatest possible good for themselves, the community and their country and the world. (2) To the taxpayers who must pay for the educational system. I am delighted to be a citizen of the Northville School District and if I can be of service it will be a happy service and I will make a sincere and honest effort to serve in a most constructive manner. My sole purpose and desire to offer myself as a candidate for this high and honorable office is to offer my assistance in "preparing our youth today, to make a better tomorrow".

William B. Crump

My interest in preserving and in some areas improving our present good school system is my principal reason for asking election to the School Board. Service on both the senior high and the junior high curriculum study committees and attendance at most regular board meetings for several years gave me some insight to the school problems, but it has taken almost a year of actual service on the board for me to acquire the "information" and background necessary to intelligently represent our electors in school matters. Now that I have that background, I believe that it would be wise for our voters to get some good out of me for the next three years. If they are willing, I will serve to the best of my ability.

ORDINANCE NO. 12
AMENDMENT TO THE ZONING ORDINANCE OF THE VILLAGE OF NOVI

THE VILLAGE OF NOVI ORDAINS:

PART I. That Ordinance No. 2, known as the Zoning Ordinance of the Township of Novi, as amended, and as adopted by the Village Council as the Zoning Ordinance for the Village of Novi, is hereby amended by Amending the Zoning Map as indicated on said Zoning Map No. 4, attached hereto and made a part of this Ordinance.

PART II. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of any Ordinance in conflict with any of the provisions of this Ordinance are hereby repealed.

PART III. WHEN EFFECTIVE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect ten (10) days after final enactment and publication.

Walter Tuck, President
Mary Wallace, Village Clerk

I, Mary Wallace, Clerk of the Village of Novi, do hereby certify that the above Ordinance was approved and adopted by the Novi Village Council at a special meeting thereof, duly called and held on the 13th day of May A.D., 1959, and was ordered to be given publication in the manner prescribed by law.

Willowbrookites Swing Out

By Mrs. George Ames — Greenleaf 4-0830

The dance sponsored by the Willowbrook Community association last Saturday evening was a huge success. Almost half of Willowbrook enjoyed the music of the Swing Kings. A few of those attending were the Clifford Farringtons, the Jack Carters, Donald MacDougalls, Kenneth Rippeys, Bill Goulds, Ed Frutcheys, Bob McKeons, Ted Coans, Bob Nelsons, Frank Nelsons, Clarence Greenes, Wayne Balls, Joe Ardittos, James Newtons, Ronald Jennings, Donald Simonsens, Harold Youngs, Robert Garbins, Bob Millers, Robert Bamfords and Dr. and Mrs. Richard Henderson.

Mr. and Mrs. Jack Carter celebrated their 17th wedding anniversary at the dance, with a party of friends which included Mr. and Mrs. O. A. Zerga and Mr. and Mrs. Ed Cozart of Detroit, and Mr. and Mrs. Joe Obbie of Birmingham.

Mr. and Mrs. Donald Simonsen gathered a group for the dance. Their guests included Mr. and Mrs. Eugene Beasley of Southfield, Mr. and Mrs. William Buchanan of Lincoln Park, Mr. and Mrs. Richard Hagne of Redford, and Mr. and Mrs. Bud Blaghorne of Royal Oak.

Mr. and Mrs. Ted Coan entertained Mr. and Mrs. Frank Nelson, Mr. and Mrs. James McCormick, Mr. and Mrs. Ed Blackwell and Mr. and Mrs. Ed Frutchey before the dance.

A number of boys from Willowbrook attended the "Scoutarama" at the John Ivory estate on Cooley Lake road last week end. The events of the week end included a talent show, cub scout and explorer demonstrations and a horse show. It was sponsored by the Ottawa district of the Clinton Valley Council, Boy Scouts of America. Among those from Willowbrook attending were Danny Simonsen, Tom Bingham, Jim Needham, Skip and John Newton, Ronnie Ward and Brian Smelt.

Mr. and Mrs. Leonard Ucinskis of East LeBost are happy to announce the birth of a daughter, Marcy Ann, May 8 at New Grace hospital, Detroit. Her birth weight was five pounds, 11 ounces. The new baby's grandparents are Mr. and Mrs. Howard Jahn of Birmingham and Mrs. Helen Ucinskis of Detroit. The Ucinskis have two other children, Kathleen, two, and Stephen, one.

Mr. and Mrs. Ralph Morse of Mooringside drive entertained Mr. and Mrs. Bob Radtke and Kathy and Ronnie, and Mr. and Mrs. Ronald Morse and their daughter, Janet, last Sunday afternoon. They finished a pleasant afternoon with a rousing baseball game in their yard.

2 Northville Men To Attend Conclave

Tom Heslip and Sid Frid will represent the Northville Exchange club at the 1959 convention of the Michigan State Exchange clubs, President Eugene King announced this week.

The two men will attend the convention to be held June 14, 15, 16 at Charlevoix.

Clarence McDorman, national vice president of the national Exchange club from Birmingham, Alabama, will be the principal speaker and guest of honor at the convention.

McDorman is owner and president of the Southern Cafeteria Operating company.

Fire Strikes Home Friday

Fire resulting in more than \$10,000 estimated damage, struck the large new home of the Eugene Crosbys at 15335 Lakeside drive, while its owners were away Friday afternoon.

Crosby, an official at Dodge truck, reached home shortly after firemen had arrived. Mrs. Crosby was vacationing with relatives in California.

Northville firemen said that a neighbor, Don F. Albright, reported the blaze when he noticed smoke coming from the locked house.

They surmised that the fire started in a basement bedroom and spread to a stairway leading to the first floor.

Actual fire damage was limited chiefly to the bedroom area which

was completely gutted. Other parts of the basement and upstairs were ruined largely by effects of smoke and heat.

The Crosbys' pet collie, confined to another section of the basement, died of suffocation.

Firemen were able to give only a rough estimate of losses; insurance investigators have not named a final figure.

Mrs. Marie LaFond, Mrs. Fred Mandilk, Mrs. Joe Gardella, Mrs. Russell Race, Mrs. Ethel Smith, Mrs. Ralph Walden and Mrs. John Klaser represented the Novi chapter of Blue Star Mothers in the Memorial Day parade.

ATTEND LANSING SESSION — Four Northville women attended the meeting of Michigan Republican women leaders in Lansing last week to hear an address by Mrs. Clare B. Williams, assistant chairman of the Republican National committee. Mrs. Williams told the audience there was deep concern in Washington over the fact that the upturn in national employment has not been fully reflected in Michigan and that 310,000 Michigan men and women still were without jobs. The Northville women dined with Mrs. Paul Bagwell at a luncheon and were later introduced to the State Senate by Senator L. Harvey Lodge of Oakland county. Pictured above (l. to r.) are: Mrs. Becky Robinson, Mrs. Elsie Price, 17th District Chairman Mrs. Gladys Smith, Northville Township Clerk Mrs. Marguerite Northup, Mrs. Williams and Mrs. Bea Carlson.

Clarke Gets BA At Rutgers Today

John W. Clarke of 720 Fairbrook, was awarded a bachelor of arts degree today by Rutgers, New Jersey's state university.

He was among approximately 2,100 students of 14 colleges and divisions of the state university who received baccalaureate or advanced degrees at the university's 1958 Anniversary Commencement here.

Dr. Mason W. Gross, newly installed 16th president of the university, conferred and delivered the commencement address.

An American civilization major, Clarke graduated from Northville high school. At Rutgers he was president of Delta Phi fraternity, sports director of the college radio station, and a member of the varsity basketball team. He previously attended Kemper Junior college.

He is the son of Mr. and Mrs. A. Russell Clarke.

M-14 Contract Let

A contract for 3.6 miles of 24-foot bituminous concrete surfacing on M-14 (Plymouth road) easterly from the Wayne-Washtenaw county line has been awarded to a Birmingham firm, the State Highway department announced this week.

A. & A. Asphalt Paving company was low bidder at \$199,325. The present 20-foot roadway will be widened 24 feet. Completion date on this contract is September 30.

Our Slip!

In giving recognition to persons participating in the Joseph Denton testimonial dinner May 23 the story appearing in The Record last week failed to mention the musical entertainment as presented by Miss Selma Schulte.

The Record regrets this oversight and appreciates being reminded how much Miss Schulte's background and piano-accompaniment music contributed to the evening's entertainment.

Lovett Tops Agency In Insurance Sales

William L. Lovett, Jr. was feted recently by the Wolverine agency of the Prudential Insurance Company for having led the agency in sales volume for each of the first five months of 1959. So far this year Bill has put more than four hundred thousand dollars worth of life and health insurance in force.

Bill, a lifelong resident of Novi, and former pitcher in the Chicago Cub farm system, resides at 44097 Marlson, with his wife and daughter. She is the former Sally Wagenschutz of Northville.

VALUE-RATE the ROCKET

The man who knows value goes Olds!

More and more medium-priced car buyers who want the most for their money are joining the swing to Olds.

Why? Because they figure up all the extra quality features and conveniences Olds has as standard equipment. They carefully consider the economy of the Rocket Engine ... the low-cost maintenance of an Olds ... its higher resale value. But most of all they ask themselves,

"Is this the kind of car my family and I will be proud to own ... one that will give us the full measure of fun and comfort we want ... is this the car whose style will stay in style?"

The overwhelming "yes" can be found in the zooming sales success of the '59 Oldsmobile. See your Oldsmobile dealer today ... Value-Rate the Rocket!

TO LEARN ABOUT

"FAMILY INVESTMENTS"

Extra income is always welcome. Most people need it for children's education or retirement. But few manage it adequately through intelligent investing, though it can be done by anyone of average income. This course looks into real estate, stocks, mutual funds, etc., as investment avenues. The problems of selection, diversification, and balance, among others, are covered. It is a discussion and lecture course profitable to anyone wishing to avail himself of the many and varied investment opportunities around. The course will consist of three 90-minute sessions on successive Wednesdays, June 17 - July 1, 8:00 - 9:00 P.M. The fee for the three sessions is \$5.00.

Stop in today at the Northville Superintendent of Schools Office, 501 W. Main or phone Feldbrook 9-3400 to register.

Former Novi Man Killed in Crash

Former Novi resident Lawrence Schilinski, 29, was killed at work last week when the truck he was driving for Waterland Trucking company collided with a train near Dundee.

He died May 30 in Monroe General hospital.

Schilinski attended Northville high school and had lived in Novi for some three years before moving to Milford and later to his present residence in Livonia. From 1947 to 1950 he served with the U.S. Navy in Korea.

He was born April 17, 1930 in Grandale, Michigan, the son of Joseph and Florence Schilinski, both of whom are still living.

He leaves his wife, Nancy, and son, John, 7, of 36755 Angeline Circle, Livonia.

He is also survived by five brothers, Frank of Livonia, Walter of Ypsilanti, Stanley of Livonia, Joseph of Portance, California and Paul of Livonia; and by five sisters, Mrs. Mary Marcom of Detroit, Mrs. Martha Brook of Detroit, Mrs. Emma Hill of Portance, California, Mrs. Lottie Gray of Plymouth and Mrs. Elizabeth Lynch of Detroit.

Funeral services were held June 3 from Our Lady of Victory church with the Rev. John Wittstock officiating. Prayers were recited at the Casterline funeral home earlier.

Burial was in the Veterans' Memorial section of Rural Hill cemetery.

NEVER ABSENT — Debra L. Harrawood, 12, daughter of Mr. and Mrs. Leo Harrawood, 2700 Novi road, has never missed a day of school nor been tardy since she started at Novi elementary school seven years ago. She will be an eighth grader next fall.

High School Boys Take Over Rotary

Juniór Rotarians took over the proceedings of Tuesday's Rotary club in Northville.

Nine Northville high school seniors who have attended sessions of the local businessmen's club during the year as "juniór Rotarians" joined together to provide the program.

Participating in the program were Henry Bathey, William Boyd, Roger Cheeseman, Jeffrey Goodrich, Robert Niemi, Fred Schwarz, Robert Starnes and Douglas Ware. Michael Gall, German foreign exchange student, was principle speaker.

NEWS AROUND NORTHVILLE

The W. E. McCarty's of East Main street this week received an autographed copy of former Northville resident, Fred Warner Neal's recently published book, "Titoism in Action". Neal is a teacher of Eastern European history in the graduate school at Claremont, California, where he now lives with his wife, Irena, and sons, Frank and Alex.

Barbara Rollings, daughter of the Clifford Rollings of Park Grove, will participate in the Honors Band Clinic to be held at Ferris Band Clinic in Big Rapids this month. Guest conductor will be Dr. Frederick Fennell, and band conductor Dacho Dachoff, both of the Eastman school of music. Selection of high school students for participation in the clinic is a special honor. Barbara will be a freshman at Ferris in the fall.

Mr. and Mrs. David Lee, son and daughter-in-law of the Leslie G. Lees of Fairbrook avenue, and their daughter, Leslie, spent the week end with their parents as they traveled east to their home in Harrisburg, Pennsylvania after attending a convention in St. Louis, Missouri.

Mary Louise Lee, daughter of Mr. and Mrs. Leslie G. Lee of Fairbrook avenue, was home for the week end from Flint where she is a teacher.

Hilts Awarded Letter For Track Performance

Bill Hilts, son of Mr. and Mrs. Lawrence Hilts, 46501 West Main, was awarded a company cross-country letter at Kemper Military school, Boonville, Missouri, for outstanding performance on his team this season. He was given high recognition for his running ability by his coach.

Hilts also was named to an all-school cross-country all-star team. Tom Bongiovanni, son of Mr. and Mrs. Tony Bongiovanni, 308 North Center, completed a course in Red Cross senior life saving at Kemper this spring.

Recover Stolen Guns

Novi police last week recovered three rifles and a shotgun stolen recently from the home of George Hicks, 135 Owenton, Walled Lake.

Two young teenagers who admitted stealing the guns were remanded to the custody of their parents. The youths had sold the guns to area residents.

Family Investment Course Offered Northville Residents

A three-session course in "Family Investments" will be offered to Northville area residents, School Superintendent Russell Amerman announced today.

The 90-minute classes at the Community Center will begin at 8 p.m. Wednesday, June 17, and will continue through July 1. The course was drawn up by the instructor, Wyatt E. Barnes, a former teacher who is now with Goodbody & Co. in Detroit.

Students will analyze and discuss the customary objectives of family investment planning in the light of their own situations. They will be guided by lectures and other material presented during the sessions. The course will examine several types of investments available to the average individual — savings banks, real estate, different kinds of bonds, stocks, mutual funds, etc. The important features of each type will be analyzed.

Then the class members will study the requirements for investment skill — study, proper evaluation of objectives and particular investments, diversifications, etc. The techniques involved are unfamiliar to most people, although they

Council Sets Meet To Discuss Planning

Representatives of the village planning board and the Novi Civic Improvement association will meet with the council Monday to discuss the master plan pertaining to industrial classification.

Arthur J. Heslip, owner of the Nine Mile property currently being considered for an industrial classification, and Waldemar C. Johnson, planning consultant, also have been invited to attend the meeting, which will start at 8 p.m. in the council chambers.

Discussion will be closed to all except those persons already mentioned. However, the meeting is open to the public. Following the joint session, the council will take up regular municipal work.

Sheriff's Posse Show At Milford Sunday

The Oakland County Sheriff's Posse (mounted division) will hold their ninth annual show Sunday at the John F. Ivory Farms, 9900 Cooley lake road, Milford.

The show will start at 9 a.m. All boy scouts and girl scouts in uniform, when accompanied by adults, will be admitted free.

THE GUILT COMPLEX

The feeling of guilt for wrong doing is "standard equipment"

for all human beings. This guilt complex is the result of wrong doing. The voice of conscience is always pointing the accusing finger for every misdeed. Not only is he made conscious that he has committed a wrong, but also that he has not behaved himself as he should. There are three ways in which one can face the problem of guilt. First: he can deny that he has done any wrong, but this will only drive the guilt complex into the sub-conscious where it will crop up time and again. Second: he may seek to rationalize his sins with the help of psychologists or psychiatrists or the things they write. Third: he may believe what God has written about the forgiveness of sins through Jesus Christ. The advice given by psychologists and psychiatrists may bring temporary relief and help us to face others in this life, but it is alone through the remedy prescribed in the Gospel that we will be able to face God in the judgment. The guilt complex doesn't stand a chance with the sinner who has trusted in Jesus Christ for the forgiveness of his sins. Sin is a real problem — face it and accept God's remedy for it. (I. John 2:12).

Obituary

MALCOLM McCALDER

Funeral services will be held today for Malcolm McCaldar, 216 West Main street, who passed away June 1 at his home, after a long illness. Mr. McCaldar, 87, was born October 29, 1871 in Bruce County, Ontario, the son of Mr. and Mrs. Malcolm McCaldar. He is survived by his wife, Bertha (Bryan), whom he married April 9, 1907 in Yorktown, Saskatchewan; by a son, Donald of Northville, and a sister, Mrs. Janet Prell. He had made his home in this area for more than 30 years and worked as a farmer and grain buyer. Last rites, conducted by the Rev. Paul Cargo of the Northville First Methodist church, were held from the Dempsey B. Ebert funeral home. Burial was in Oakland Hills cemetery.

SIX STAR ATHLETES HANG UP UNIFORMS

THE NORTHVILLE RECORD—Thursday, June 4, 1959—13

Graduation To Take Standouts

Six of Northville's top athletes turned in their uniforms this week, bringing to a close one of the most successful player combinations in the high school's history.

The individual and team performance of these six seniors parallels closely the success of the Northville athletic program during the past few years, Athletic Director Al Jones declared this week.

The six seniors are: Bill Boyd, 17, son of Mr. and Mrs. Lawrence Boyd, 44180 Durson, Novi; Jeff Goodrich, 17, son of Mr. and Mrs. C. M. Goodrich, 305 West Dunlap; Nelson Schrader, 18, son of Mr. and Mrs. Nelson C. Schrader, 116 Orchard drive; Bob Starnes, 17, son of Mr. and Mrs. Paul Rumley, 353 Beal; Fred Schwarze, 17, son of Mr. and Mrs. Fred H. Schwarze, 21066 Cambridge drive; and William (Spike) Walker, 18, son of Mr. and Mrs. William L. Walker, 42625 East Seven Mile.

"We are proud of our boys not only because of their athletic abilities," Jones explained, "but also because of their scholastic achievements. Boyd, he pointed out, is valedictorian of his graduating class, Schwarze is fourth in his class, and Starnes is mayor of the school.

Five of the six youths plan to carry their athletic abilities into college next fall; two of the six have athletic scholarships, one other has a scholastic scholarship.

In the three years that these six seniors competed in varsity athletics, Northville captured three league football championships, one league basketball crown, and two baseball division titles.

Boyd, who came to Northville from Novi school as a sophomore in 1956, lettered in baseball his first year. As a junior he lettered in football and basketball, playing quarterback with the Mustang eleven and third base and pitcher for the baseball nine.

In his senior year, the Northville valedictorian tried his luck at still another varsity sport—basketball—and came away with another letter award. He also lettered again in football and basketball.

Boyd, who has a scholastic scholarship to attend the University of Michigan as an engineering major, plans to try out for the Wolverine baseball team next spring.

Goodrich started his athletic career early at Northville. He lettered in varsity baseball as a freshman, and collected reserve football and basketball awards.

As a sophomore, the big Mustang hurler, lettered in baseball, basketball and football.

Although Goodrich missed half of the 1957-58 basketball season because of a blood disease, he still managed to help Northville to a second place finish in the league. He lettered again in basketball, baseball and football.

This past year, Northville's cage team lost Goodrich's services early in the season because of an ankle injury. His importance to team success can be weighed by the Mustangs' fourth place finish.

Goodrich, who again lettered in three sports, has a scholarship to play basketball next season at Western Michigan university. He plans to take up architecture.

Schrader earned the first two of his eight letters as a sophomore after playing reserve basketball during his freshman year. He drew varsity awards in football and track and another reserve basketball award.

As a junior the big righthander took second place in the regional track tournament in the shot event and was named to the all-league and all-suburban second football team by the Detroit Times.

A shoulder injury hampered the shot man this past season, but he still managed to capture several first place awards. He lettered in football, basketball and track.

Schrader will enter Michigan State university next fall and begin immediately to train for the Spartan's freshmen eleven.

High School Mayor Starnes came to Northville as a sophomore from Union City, Tennessee. He lettered in varsity football and track and junior varsity basketball his first year.

As a junior he received varsity awards in football, basketball and baseball.

This past season Starnes set a Northville high school record for football rushing. He carried the ball 91 times for 921 yards and a 10.1 average.

Called "the greatest halfback I've ever coached" by his football coach Ron Schipper, Starnes was named to the News' second all-suburban and the Times and Press all-league teams. He also drew honorable mention on the Press and Times all-state teams.

Starnes was named honorary captain of both the football and basketball teams last season. He also was named the "most valuable" player on this year's cage team and was

Bill Boyd

Jeff Goodrich

Spike Walker Nelson Schrader

named to the all-suburban cage team.

Starnes plans to enter the University of Louisville next fall under a football scholarship.

Schwarze, an active class officer, started school here as a sophomore. He lettered in golf his first year.

Despite his small size, Schwarze joined the Mustang eleven and the Northville cage team as a junior. He continued to star in golf, earning letters in three sports.

This past season he earned awards in football and basketball. He did not play golf this year.

Schwarze will enter the University of Michigan in the fall as a business administration major. He plans to study law later.

Walker earned five varsity letters at Northville. He was awarded his first letter for football as a sophomore. During his first two years in high school he also was a member of the Mustang golf team.

As a junior he lettered in football and track.

Last season, Walker was named the "most valuable" player by Northville's football coaches. The 170-pound fullback, was named to all three Detroit newspaper all-league squads and he drew honorable mention on the Times and Press all-state teams.

He lettered again this year as a shot specialist for Northville's track team.

Walker plans to enter the air force after graduation.

Netters End Season With 3-9 Record

Northville tennis team wrapped up its 1959 season last week with two league victories and a non-league loss.

The three final matches gave the Mustangs a 3-9 record for the season.

The Mustangs defeated Clarenceville Monday night, 5-0; edged Bloomfield Hills, 4-2, the next night, and then dropped a 2-5 contest to Oak Park Thursday.

In singles against Clarenceville, Dennis Fallon posted 6-0, 6-0 rounds; John Rodgers, 6-1, 6-1, and Scott Adams, 6-0, 6-1. Karl Karg and Don Lawrence took their doubles match, 6-0, 6-1, while Joe Gotro and Tom Long won, 6-0, 6-0.

Fallon won against Bloomfield Hills, 6-0, 6-1, while Adams won 6-3, 6-0. Rodgers dropped his singles match, 6-4, 6-3. Karg and Lawrence posted a 6-2, 8-6 victory, and Gotro and Long won 6-1, 7-5.

The Mustangs' other doubles team, Jim McCarthy and Mike Goodrich lost to the Barons, 6-3, 6-2. Fallon and Rodgers were the only two Northville players to post victories against Oak Park. Fallon won 2-6, 6-2, 6-1. Rodgers, 6-3, 6-1.

McCarthy lost 6-3, 6-1, and Adams, 6-3, 6-3. Goodrich and Bill Scherkey dropped their doubles match, 6-0, 6-2. Karg and Lawrence, 6-4, 7-5, and Gotro and Long, 6-4, 6-4.

In reviewing his team's record, Coach Ron Schipper said his players learned a lot, met hard competition, and played their best.

He indicated Northville should have a "good solid" team next year with eight veteran players back. Only Fallon and Adams will be lost through graduation.

Midgets Gain 4-Game Split

The Northville Orioles, dropped their first game of the season last week, while Northville's other midget team, the Braves, split two games.

Rosedale's Tigers, champions of the midget American League last season, handed the Orioles their first loss in a 9-4 contest at Cass Benton park Wednesday.

David Luedtke was nicked for the loss. Jim Miller, who clinched the victory for the Tigers in the seventh with a grand slam home run, was credited with the victory.

David Jerome and Joe Hay led Northville's hitting attack with two hits each. Luedtke smashed out one home run.

Earlier in the week, the Orioles notched their third win of the season in a 2-1 game with the Garfield Senators. Both Northville runs came

City Recreation Sponsors Largest Summer Program

Northville will launch its largest summer recreation program in history this month, City Recreation Director Stan Johnston announced this week.

Close to 900 youngsters are expected to take advantage of the recreation program, Johnston said, compared to the record 800 who participated in the recreation program last year.

The scout hall will be opened every day beginning June 13 for registration purposes. Hours are from 8 a.m. to noon. Interested persons wishing additional information about the program are asked to call FT-9-1676.

Registration cards for city boys and girls cost 25 cents, while cards for Novi youngsters cost \$8. One family may buy a card—but only one child can use it at a time.

Johnston said a \$15 card may be purchased covering all youngsters in a family.

The recreation program this summer includes the following activities:

SWIMMING — 9 weeks — June 15 to August 14 — Buses will leave from the Main street elementary school parking lot each week day at 1 p.m. and will return from Groome's beach, Whitmore lake, about 4 p.m. Cost, 15 cents per child. Children 8 years and older may participate. Children under 8 must be accompanied by adults 18 years old or older.

DAY CAMP — 6 weeks, June 22 to July 31 — The camp, to be located at Ford Field, is for boys and girls 5-12 years old. The camp will be operated Monday through Friday from 9 a.m. to 11:30 a.m. There will be some charge for materials used in arts and crafts.

GIRLS RECREATION PROGRAM — Starts on Monday, June 22. It will include softball, tennis, archery and golf. Girls 7 years old and older are eligible.

PEE-WEE LEAGUE — Starts Friday, June 26. The league is conducted as a school teaching fundamentals of baseball. Boys ages 5 and 6 are eligible. Games will be played at Cass Benton park.

KNOTHOLE LEAGUE — Starts June 15. Boys ages 9, 10 and 11 are eligible. Four teams will be formed. T-shirts sponsored by local merchants will be issued. Registration starts June 13.

SOFTBALL LEAGUE — Starts June 15. Boys ages 7 and 8 are eligible. Four teams will be formed. The Northville Optimist club will furnish T-shirts.

BASEBALL LEAGUES — Boys interested in playing in either the 18 and under baseball league or the 15 and under league are urged to attend the first practice this Saturday morning beginning at 9 a.m. at Cass Benton park. Registration also will be accepted by Johnston at the high school.

ZOO TRIPS — The recreation department will sponsor four trips to the Detroit Zoological park on June 25, July 9, 23 and 30. Buses will leave the Main street elementary school parking lot at 9 a.m. and will return about 3 p.m. Cost, 20 cents and a lunch. Children under 5 must be accompanied by older brothers or sisters.

In the first inning; Garfield's lone tally came in the seventh.

Gary Grys was credited with the victory.

The Braves collected four hits and five errors in losing their fourth game of the season Tuesday to the Pierson Cubs, 5-1.

Northville's lone tally came on a single by Eric Peterson, losing pitcher, a stolen base, and an error. The Braves pounded out nine hits Thursday to gain an easy 10-2 victory over the Police Pirates.

Peterson and Chuck Bailey, winning pitcher, and Jerry French each collected two hits to lead Northville's hitting attack. The Pirates used three pitchers in attempting to stop the tide of Northville hits, but it wasn't until the fifth inning when the game was called because of darkness that the barrage ended.

Baseball Title Turns Sour

Northville's division baseball championship soured a little last week as the Plymouth Rocks hurled a 16-0, one-hit boulder at the fumbling Mustangs.

The non-league loss came after Northville had captured the division title, second place in the over all Wayne-Oakland league, and a 9-3 victory over the Plymouth squad a week earlier.

Northville booted away their final game of the season Thursday in the first inning. While Northville was committing five errors, Plymouth pushed across seven runs on three hits.

Hurler Bill Boyd, who was charged with the loss and two of the first inning errors, was lifted by Coach Al Jones and replaced by Roger Atchinson.

Bob Sample relieved Atchinson after the latter gave up three hits and five runs, including a home run

by Larry Wells, in the third inning. Sample allowed only two runs on two hits.

Altogether Northville gave up 10 hits while committing nine errors. Wells and Kaiser led the Rocks' hitting attack with three hits each in five trips to the plate.

Catcher Wade Deal drew Northville's lone hit with a single in the second inning.

Winning pitcher Randy Egloff struck out eight Northville batters and gave up two walks.

The loss to Plymouth gave the Mustangs an overall 10-6 record, with an 7-3 league record. Northville's three league losses were with Milford, which captured the league title with an 8-2 record, West Bloomfield and Bloomfield Hills.

The Mustangs won their first games with both West Bloomfield and Bloomfield Hills. They played Milford only once.

Other losses included games with Plymouth, South Lyon and Oak Park.

Linksters Fire 185 To Place Second In Season Finale

Northville's four top linksters fired a 185 total to place second in a triangular Monday afternoon with Plymouth and Oak Park.

Plymouth, which recently stroked their way to within one stroke of winning the state class A golf championship, won Monday's match with a 175 card.

The second place finish gives the Mustangs an overall record of 8 wins, 3 losses and 2 ties for the season.

Mike Eastland fired a 39, four over par on the par 35 back nine at Meadowbrook Country club. Bill Reuter shot a 48, Bill Chizmar and Mike Slattery, 49.

Monday's golf match was the last one for Chizmar, graduating senior. The other players will be back next season.

War Dead Not Forgotten in Northville and Novi

WE CAN HELP — Principle Speaker John S. Canterbury called upon all Americans to pay tribute to our departed comrades by "seeking to do our part to strengthen our great land of liberty for which they so willingly sacrificed". To accomplish this he said "we can all do a better job in taking an active interest in national and international affairs . . . do more to strengthen our cherished institutions and improve our way of life . . . in the community of Northville . . . (for) the real strength and foundations of a great and free America are but a resultant of the will, the interest, the individual participation, and the moral strength of the peoples at the Grass Roots". Councilmen Canterbury spoke to an audience of two hundred or more people who followed the parade to the Veterans' Memorial plot. He was introduced by L. W. Snow, Jr., commander of the American Legion.

HAVE ONE — C. E. Langfield, dressed in his American Legion garb, helped distribute the ice cream bars to the Memorial Day throng.

H'MMM, GOOD — Suzan Wright, 1½-year-old daughter of Mr. and Mrs. Howard Wright, liked the free ice cream bars best of all the Memorial Day festivities.

BLASTING MUSKETS — Volleys were fired at Oakwood cemetery in ceremonies conducted enroute to Rural Hill's Veterans' plot. The firing squad was a Civil War replica of the first Michigan artillery.

FOR THOSE WHO DIED AT SEA — A wreath was dropped into the Rouge river from the bridge at Oakwood cemetery. Legion and VFW firing squads fired volleys at Oakwood, the bridge and Rural Hill.

FLAG WAYER — 2½-year-old Freddie Shipley liked the music of the Northville high school band and kept time with his American flag. He's the son of Mr. and Mrs. Joseph Shipley.

IN NOVI — Close to a dozen civic, fraternal and youth organizations joined with the AMVETS of Perry Kenner Post 76 in a colorful parade down Novi road from the community building to Novi cemetery across from the township-village offices. After a 12-gun salute by four AMVET riflemen, the captain of the guard placed a wreath on the

veterans' memorial (left). Earlier Saturday morning, the AMVETS took part in memorial ceremonies at Oakland Hills Memorial Gardens, 12 Mile and Novi roads, and conducted a traditional flag raising ceremony at the home of Art Trotter, 43263 11 Mile road.

MOMENT OF PRAYER — Rev. John Whitlock concluded the ceremonies at the Veterans' Memorial plot at Rural Hill cemetery with benediction. The Rev. Paul Cargo gave invocation at Oakwood cemetery ceremonies.

JAMMED — The hot Memorial Day weather made C. E. Langfield's ice cream bar treat a welcome attraction for young and old alike. Hundreds jammed the area next to Langfield's Northville Laboratories following the ceremony.
