

Large Audience Hears Council Guarantee City Library Service

Northville is apparently in little danger of losing its library.

Some 75 residents attending Monday night's city council meeting were assured this by three of the five-member council present at the session.

The council's solid support of continuing library service was in marked contrast to some earlier discussions — but reflected the body's reaction to what they had set out to determine: does the public want the library.

For nearly two years the council has been wrestling with the rising costs of the Wayne county library service. Under the formula (determined by the ratio of assessed valuation to population) the city has watched the yearly cost rise from \$2,000 to \$9,000 during the past four years. The boost comes from the jump in assessed valuation as determined by the county and state.

Although the city had funds to pay last year's \$8,000 library bill, payment had not yet been made at budget time two weeks ago. Further, the council decided to withdraw \$9,000 earmarked for the 1959 library fee from the budget. In addition the council hinted it might write a letter to the county library board suggesting that the city was considering termination of library service.

The result of this action was a letter from the county library board calling for definite assurance that payment provisions would be made by the city or the library service would be discontinued July 1.

Citizen reaction was also immediate. Besides the residents in attendance Monday night to protest the possible closing of the library, a petition bearing 103 names, two letters from the Mothers' club and "Woman's club," and a letter from "opinion poll" ballots were recorded with the clerk.

Mayor A. Malcolm Allen welcomed the visitors and lauded their interest in the library problem. Along with Councilmen John Canterbury and Ed Welch (Councilmen Earl Reed and Richard Juday were unable to attend) he heard comments from Mrs. William Milne (who presented the petition), Mr. and Mrs. Del Hahn, Jack Swain and Mrs. J. W. Cheetham.

Before the session ended the council had decided to write a letter to the county library board assuring that "the city of Northville acknowledges and will fulfill all financial obligations." Enclosed was a check for \$2,672 — one-third payment for last year's service (the county has granted the

city three years to pay last year's bill, but has not indicated that time payments will be permitted on the current bill).

Councilman Canterbury explained the city's attitude toward the library by stating that the council had sought public opinion. He suggested that their action may have been understood, but admitted that he had proposed a letter to the county threatening to close the library "as a last resort."

"We have studied this problem for some time. Once the county paid the entire bill, and suddenly we received a \$2,000 bill, then \$3,000, and now \$9,000," Canterbury pointed out. "Maybe the people are willing to pay \$100,000," he continued.

Pointing out that the formula works an undue hardship on Northville, Canterbury said Southgate with 30,000 population pays only \$10,000 yearly for its library.

Continuing Canterbury said the city has been seeking means of cutting down expenses. Specifically, he pointed to a better agreement with the township for charging for fire protection and a current problem now being resolved, a charge for dump use to the township.

He sighted three possibilities for lowering the library cost: (1) changing the formula, (2) reducing library services, (3) charge more to users (with cards).

Canterbury also pointed out that many out-county residents (from

Novi) use the library free of charge. He said the library board was proposing a resolution to the board of supervisors authorizing a charge to be made to out-county residents using Wayne county libraries. (The resolution was passed this week).

Under the county system, however, card charges cannot be made to resident users. Canterbury indicated this restriction might be lifted.

Councilman Welch said that "at no time was any statement made at this table that we intend to close the library — we all feel strongly about the need for a good library in town."

While City Attorney Philip Ogilvie explained the formula for charging communities, he pointed out that even if the township were charged more the city's share would not be reduced. The county figures place the cost of operation of the local library at \$24,000 annually. The city pays \$9,000 and the township \$1,000. The city and township own the building jointly.

Councilman Canterbury pointed out that the township could, if it desired, contribute directly to the city library fund.

Before the meeting closed one member of the audience commended the council for trying to pare costs. "This is your duty and so long as we understand you will maintain the library, I commend your action," he stated.

Of the 61 opinion poll ballots all favored continuation of library service and many suggested an additional charge to users for library cards.

To Collect Trash Weekly in City

Weekly trash collection for city residents will begin Monday, June 22.

According to City Manager John Robertson, no collection will be made the previous Friday. Beginning June 29 curbside collection will be made each week throughout the entire city. Previously, collections were made once each two weeks on Friday.

The city recently signed a contract with the same firm handling local garbage collection to also collect trash.

Officials point out that besides providing more frequent collection, the city can now use public works' crews for other jobs considered more important. Moreover, the collector will not use the city-owned dump for disposal of the trash thus prolonging the life of the dump.

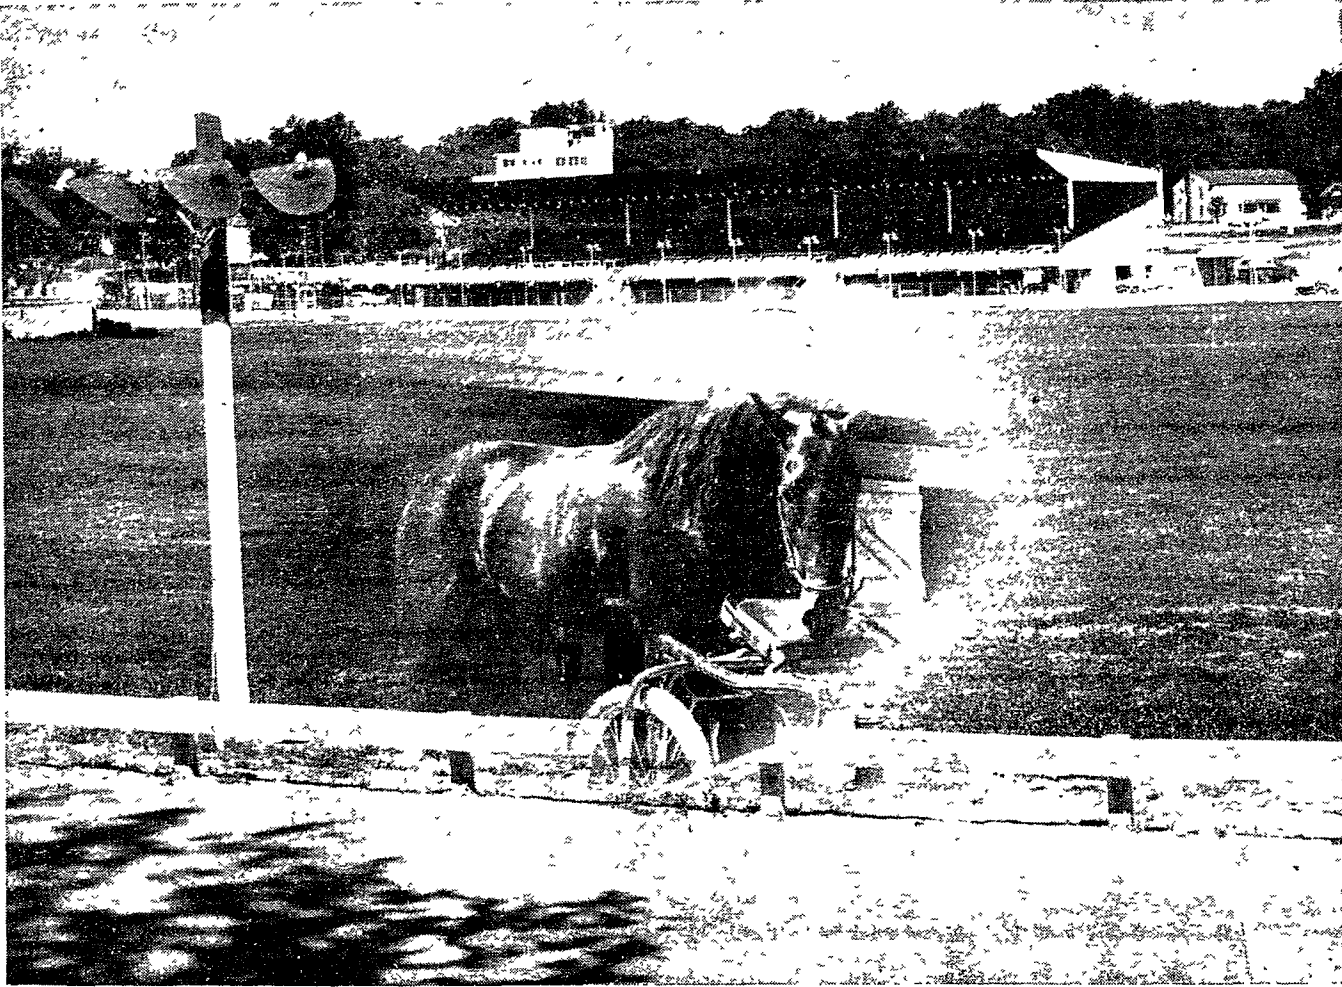

Council Completes New Appointments

The city council completed its annual appointments to boards and commissions last week and also named a civil defense advisory committee to assist Director Oscar Hammond.

Members of the civil defense committee are: Dempsey Ebert, Reverend Peter Nieuwkoop, Dr. Jan Bosch, Fred Stefanski, William Taft, Arthur Procter and Rolf Batzer.

Other new appointments include: George Kohs, zoning board of appeals; Richard Ambler, 3-year term to planning commission; Alfred Smith, complete unexpired term on planning commission of Forrest Doran; Gil Glasson, constable; Al Jones, recreation committee; and Clayton Myers, cemetery committee.

Downs Opens Season Monday

CART BEFORE THE HORSE — Oak Harbor, perhaps with thoughts of opening night at the Downs Monday, eyes its sulky and waits for

someone to "hitch-up and go." Oak Harbor is from the Fred Johnson stable. Some 650 horses moved into Downs' stables this week.

Hopes High For Betting Boost Here

Northville Downs—the state's pioneer parimutuel harness racing track—will open its 16th season Monday night in an air of optimism.

The 36-night meet, which continues through August 1, is expected to top last year's session in both attendance and handle.

"We are looking for nothing but bigger crowds and larger handles from now on," Executive Manager John Carlo said.

Last year the local track showed a definite increase in attendance but a slight dip in betting. Carlo believes that the growing attendance indicates more interest in harness racing. He blames poor economic conditions last year for the betting decline.

"Hazel Park had a tremendous meeting this spring and there isn't any reason to believe that Northville won't continue to make great strides. We believe our track is the most popular in the area and expect this year will prove our contention," Carlo added.

The daily average handle in 1958 was \$242,107, while 1957 showed an average of \$249,917. Opening night last year 5,000 fans bet \$240,840.

Speaking tax-wise, the city of Northville received some \$84,000 in tax rebates from the state last year compared to \$90,000 in 1957. The city should do better this year even if betting only holds its own. Under the new racing law the state's cut of the parimutuel betting has been increased from 4 to 4½ percent. The city receives 20 percent of the state's take, resulting in a 12½ percent boost for the city.

Already 650 horses are stabled at the Downs, while another 100 are being accommodated at Fowlerville. The Hazel Park meet closes this week.

A new parking area on River street is being readied for officials and owners. The 2½-acre area was recently purchased from the city. It is to be fenced and still awaits official re-zoning by the city.

The 1959 stakes program opens with the HTA Pace, Saturday, June 27, an \$11,392 event. It is expected that 10 of the fastest four-year-olds now in competition will appear in this event. Bye Bye Byrd, Hazel Park winner, may make his last midwest appearance in the HTA Pace before moving to New York City for the \$50,000 finale in two weeks. Other probable starters are O'Brien Hanover, Prudence Adios, Exquire Direct, Lynda Spangler, Linda's Indian, 52nd Street, Fleet Bird, Lucky Eden, O. F. Brady and Rhythm Time.

The HTA will be followed by the \$5,000 Invitational Pace on Friday, July 3. Five other stakes will be featured during the meet.

The first race is scheduled nightly for 8:30 p.m. Nine races are listed for each night.

Downs' all-time records include: largest attendance, 11,256 (Michigan Pacing Derby, 1948); largest opening night, 9,261 (1950); largest opening night handle, \$296,621 (1955); largest single night, \$349,150 (1955).

Water Problem Not So Acute

Rain and cooler weather brought relief to Northville's overburdened water system, but residents were still being requested to limit their lawn-sprinkling this week.

The city manager reported that the reservoir returned to its normal level last week end. The system reached "alarm" status earlier last week as hot, dry weather caused heavy water use.

The city's two existing wells could not pump enough water to meet the demand. A new well site near Novi road is expected to be in operation in two weeks doubling the city supply.

'Crying Boss' Saves Lives Of Northville, Pontiac Men

"It was the first time I cried since I was a kid."

But Frank Janette, owner of Janette Sanitation and Septic Tank company, Farmington, did more than cry. He and his foreman, Marvin in Burman of Farmington, saved the lives of two young men, one from Northville and another from Pontiac.

The Farmington men risked their own lives in a frantic but successful effort to save Donald Palmer, 515 West Main, and Carl Cassidy, Pontiac, from certain death as the muddy waters of a broken storm sewer threatened to drown the two men

stuck waist deep in a Willowbrook cave-in last week.

Palmer escaped serious injury, but Cassidy suffered crushed ribs and back injuries. Both were treated at Redford Community hospital.

The two men were at the bottom of a 13-foot hole at 4076 Malott, digging to uncover a broken storm sewer tile. As they neared the tile, the water "shot up with tremendous pressure." Almost immediately one wall of dirt collapsed, burying the two men to their waists.

Janette leaped into the hole which was rapidly filling with water and dug feverishly to free the men. Burman helped. More dirt slipped away from the sides as the water rose.

"I was more scared than anyone," Janette said. I dug with my hands and a shovel but I didn't seem to get anywhere with the soupy mud. And all the time the water kept getting higher.

"Finally, I had to close my eyes and push my face under the water to get at the dirt. I guess I was crying and shouting all the time."

"We got Carl out first. Don's foot was caught under his shovel. We couldn't see where to dig 'cause the water was so muddy — just had to feel our way around."

Before Palmer was finally freed, the water level had risen to just under his chin.

Richard Noble, Novi policeman, who was in Willowbrook subdivision when he received the call, was at the scene almost immediately. But the men were already out. Firemen arrived minutes later. The rescue had taken an "eternity" — about 15 minutes.

Despite his narrow escape, Palmer, whose young wife, Linda, is expecting her first child, was back to work the next day. Pointing to the would-be grave, now reinforced with wood, Palmer said "I wasn't very scared. I knew he'd get me out."

But Janette: "I was plenty scared we'd lose 'em. It's the worst thing that's happened to me since I've been in the business."

City, Township Near Dump Agreement

The city-township dump (sanitary fill) issue took an apparent step towards settlement Monday night as the city council decided upon a compromise approach.

Studying a report submitted by the city manager, the council — which two weeks ago rejected a contract prepared by Township Attorney James Littell — agreed upon a counter offer. Under the new plan, the city concedes the flat rate fee, but suggests a one year basis. Originally, the city had also asked for retroactive payments.

The council indicated that assurance would be given the township of extended use so long as the city maintains the facility. Presumably, the dump will be controlled so that only city-township residents have access.

The city's proposal now goes to the township board for consideration.

In other council business parking spaces for taxi cabs at the corner of Main and Wing streets were approved. The taxi company has moved its office from Center and Main to Main and Wing.

Finally, the council approved for public hearing June 29 an amendment to the zoning ordinance rezoning 2½ acres of River street property recently purchased by the Downs to T-1P (track parking).

Mud, Jokes, Jolts & Laughs Bused-Up Graduation Night

Uneasy speculation followed the course of Thursday morning's cloud-burst.

When it refused to let up by 4:00, administrators struck on the unique transportation idea. The entire crew of seven buses set out.

Autoists were directed back to the Main street campus when they reached roads leading into the school site.

School personnel, students and resident volunteers, armed with flashlights and so-westerns, pitched in to direct traffic and man the vehicles.

Only 25 minutes after the program was originally scheduled to begin, commencement was underway.

The Rev. B. J. Pankow, pastor of St. Paul's Lutheran church, gave the invocation and benediction.

Musical selections were provided by high school band and a senior band ensemble, under Director Leslie G. Lee, and by student pianist Richard Drew.

One hundred and twenty seniors received diplomas in the first graduation at the new high school, and first function to be held in the new gym.

'N.D.D.' Off & Running

Interest is growing and so is the fun as the Retail Merchants' association's "Northville's Downs Days" celebration enters its final 10 days this week.

Attractions gathered to lure shoppers into local stores include: — Nearly \$2,000 in prizes topped by a weeklong vacation for two to Jamaica;

— A Downs' Day celebration including a parade of horses and sulkeys, the high school band and an afternoon of free races, entertainment and fun Thursday, June 25 at the Downs;

— Fun for the kiddies with a special attraction downtown: Kiddies' rides; the rides will be located on Main street next to Northville Realty beginning Friday, June 19 through the 27th;

— A final day of prizes Saturday, June 27 at 7 p.m. on Main street when nine minor prizes and the trip to Jamaica will be awarded (a power lawnmower, two bicycles, portable TV, outdoor barbecue grill, and chaise lounge will be given away Thursday afternoon, June 25 at the Downs).

In addition, of course, the merchants — who are distributing both the tickets for the prizes and tickets for the kiddies' rides — are offering outstanding buys for all shoppers during "Downs Days".

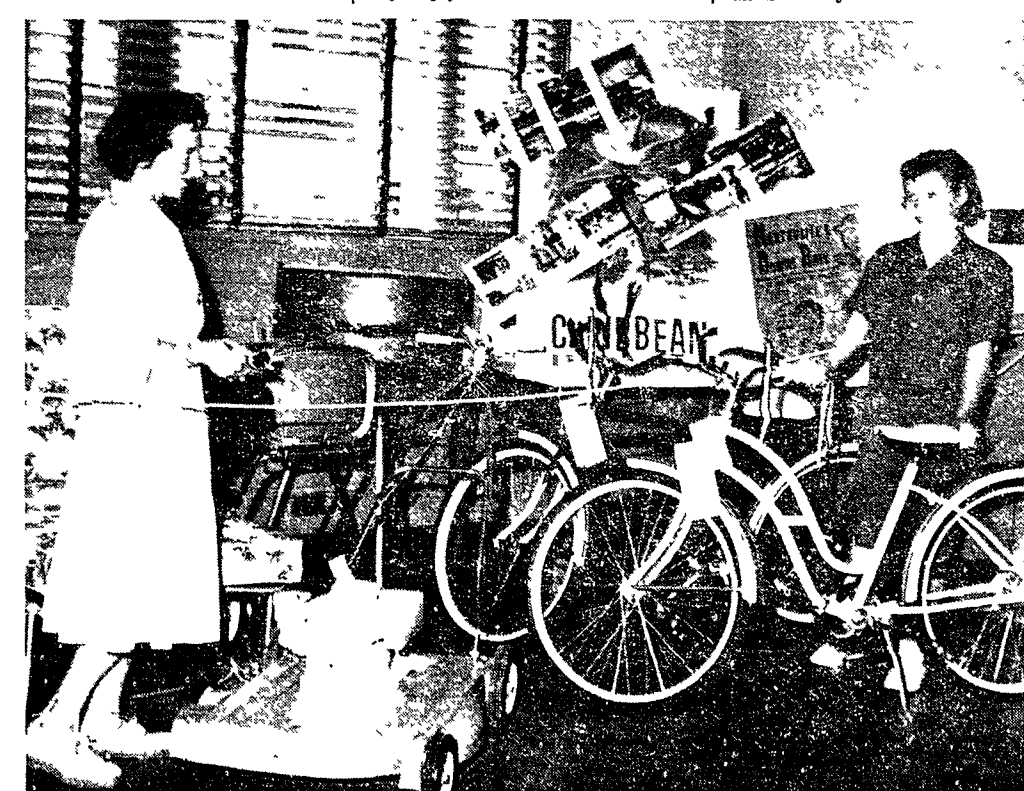

The whole celebration is centered around a tribute to the Downs as it opens its 16th season. Next week The Record will feature articles and pictures concerning the Downs—its employees, facilities, plans for the future, etc. — while on Thursday night (June 25) after the special afternoon event the Downs will stage a "Northville" race.

City officials, along with Chairman Alfred Smith and retail merchants are expected to participate in the Downs' program along with Executive Manager John Carlo.

The afternoon program will have Orlo Owen as master of ceremonies.

A television quintet of "Karen Mac and the Men" will provide entertainment. The afternoon races will be staged by various stables so that youngsters, as well as adults who may not have attended night races, may enjoy the fun of an old-fashioned, fair-type horse race.

The entire program along with the parade route will be published in next week's Record. Meantime, keep on saving those tickets. You may be basking under a Jamaica sun before you know it!

WISHFUL THINKING — Mrs. William Slattery and her 12-year-old daughter, Nancy, of 46812 Dunsany, stopped to admire the prizes on display in the Manufacturers National Bank in Northville this week. Nancy likes the bicycle, but mother prefers the week long vacation for two to Jamaica. All the prizes are to be given away as a part of the retail merchants' "Downs Days" promotion which continues through June 27.

MEET THE McMILLANS — Mr. and Mrs. John McMillan and children (left to right): Dave, John, Cheryl and Phil are newcomers in Willowbrook.

Willowbrook newcomers from Southfield Woods are John and Ella McMillan and their children, John, 12; David, 9; Philip, 6, and Cheryl, 5. The McMillans moved into their Maude Lea circle home the end of January and say they've loved every minute of it.

The boys especially approve of so much tramping and hiking area, their "own" fishin' creek and the outdoors company of wild rabbits, pheasants and kildeer.

The whole family shares an interest in sports. Mr. McMillan, who's played on adult teams himself, is assistant manager of the Novi Little League Fibreglass team, for which son John is a pitcher.

Other than joint family activities, Mrs. McMillan says she has four fascinating hobbies — ages 12 to 5. Come fall, John will be a seventh grader in Novi school. The three younger children are enrolled in Orchard Hills school. David will be a fourth grader; Philip, a second grader, and Cheryl, a beginner in kindergarten.

Mr. McMillan is employed at the Ford engineering experimental garage near Greenfield Village. He is also a member of the Willowbrook Civic association.

Both Mr. and Mrs. McMillan, who have relatives living in and around Northville, have fond memories of this area, and are happy to have found their way out here.

Lillian Zinnecker, daughter of Mr. and Mrs. Carl Zinnecker of Ridge court, returned home for summer vacation from the University of Michigan where she just completed her freshman year.

Alpha Nu Chapter Marks Birthdays

Delta Kappa Gamma, honorary teaching sorority, "came of age" this May, while its local arm, Alpha Nu chapter, stepped youthfully into its second year.

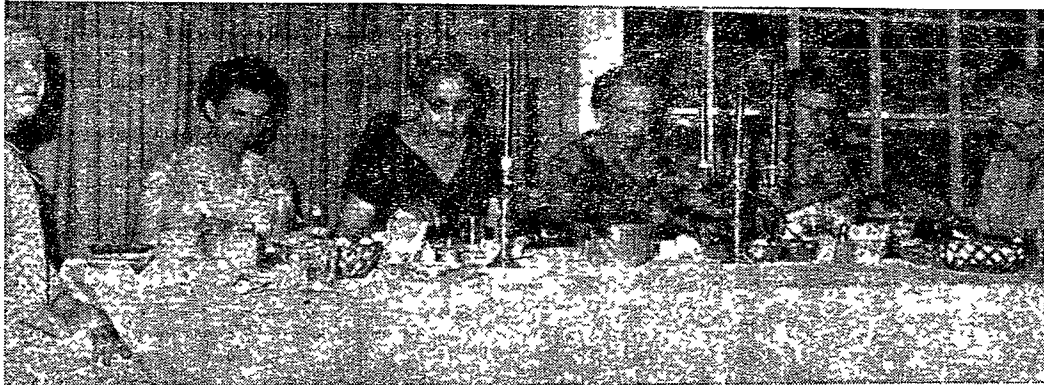

Several local members journeyed to East Lansing last month for the statewide celebration. The Northville-Plymouth membership gave a repeat fete last week at the Mayflower hotel in Plymouth.

Since its founding 21 years ago, the state organization has expanded to 44 chapters. The local branch, formed just two years ago, numbers 32 members, four of whom were initiated in ceremonies last week.

Dinner arrangements were handled by Miss Ruth Knapp, Mrs. Lucille Reeves, and Mrs. Louva Waterman, and a bright touch was added to formalities by the tiered birthday cake, made by Mrs. Mary Babbitt.

President Mrs. Ida B. Cooke presided over the installation of initiates, Mrs. Helen Bradshaw, Mrs. Elsie Johnstone, Mrs. Orpha Mosher and Mrs. Edith Renwick.

Past state executive Secretary Miss Ruth Barber of Hillsdale, and Miss Mary Lord of Charlotte, state chairman of pioneer women, founders of Alpha Nu, also attended as special guests.

VILLAGE OF NOVI, MICHIGAN ORDINANCE NO. 14

AN ORDINANCE TO REGULATE OR PROHIBIT THE FILLING OF LANDS WITHIN THE VILLAGE OF NOVI; TO REGULATE OR PROHIBIT DUMPING, DEPOSITING OR ACCUMULATION OF WASTE, RUBBISH, REFUSE, DEBRIS, JUNK OR GARBAGE; TO REGULATE THE COLLECTION, HANDLING AND DISPOSAL OF WASTE, RUBBISH, REFUSE, JUNK OR GARBAGE, TO PRESCRIBE RULES, REGULATIONS AND CONDITIONS FOR THE ISSUANCE OF PERMITS OR LICENSES FOR SAME, AND TO PROVIDE PENALTIES FOR VIOLATIONS THEREOF.

Section 17.01. The provisions of this ordinance are hereby declared to be immediately necessary for the preservation of public peace, health and safety and shall be effective immediately upon publication, the same to be in accordance with Section 7.5. (c) of the Village Charter.

Made and passed by the Village Council of the Village of Novi, this 15th day of June A.D., 1959.

Well, George Did It Reward Still Open In Boy Beating Case

Anybody could see that the skinny little varmint was a shifty character.

Or so hinted Harold Wilkins, 63, of River Rouge, fined \$10 and costs and ordered to pay \$150 for two parking meters demolished when his car rolled into them on East Main.

Charged with improper parking, Wilkins told officers he put the vehicle in gear, but his chihuahua waiting inside probably moved the gear shift out of position.

He pled guilty nevertheless before Judge E. M. Bogart.

Ugashontons Still Selling Rummage

Members of Leonard Bogotaitis' Ugashontons club are extending their rummage sale over another week end — thanks to the success of the event over the past week end.

The boys are sponsoring the event to earn enough money to go to Quebec this summer.

Anyone wishing to contribute additional items for the sale may phone FI-9-2322 or FI-9-1661. The sale is being held on Main street in the apartment building next to Mainville Drugs.

Local Autoist Fined In Car, Scooter Crash

Frank Balden of North Center street was given a suspended fine of \$5 and court costs Saturday by Judge E. M. Bogart, for failing to yield the right of way while backing out of his driveway last week, causing a collision with a motor scooter and injury of the two boys driving and riding on it.

Sunday afternoon, June 7, Balden pulled out into the path of the scooter driven by Riley P. Richard, 15, of Detroit, on North Center.

Richard and a passenger, Robert Hill, 16, also of Detroit, suffered lacerations of arms and legs in the accident and were treated at Acheson hospital.

The boys, traveling 30 mph, said they saw the car, but thought it would stop. Balden, who said he did not see the scooter, pled guilty.

Damage to the scooter was estimated at \$100.

Mrs. Louese Cansfield, 404 West Dunlap, will attend the jurisdiction school of missions of the Women's Society of Christian Service of the Methodist church at Albion college this week.

No answers have turned up yet on the beating three weeks ago of Northville student Mike Myers, 15.

Police have received several tips, but have not determined the boy's assailants, who beat him unconscious for no reason as he walked home at night on Center street.

Police Chief Eugene King reported that about 15 license numbers turned in by residents have been checked to date, but that investigation is still continuing.

The \$50 reward offered by the city of Northville to the person giving information leading to the discovery of the attackers is still open.

To Perform With WJR Band Tonight

Thirteen Northville student bandmen will participate this evening in the WJR Symphonic Band concert at Oak Park high school.

Local members of the 60-piece band who will be performing under Senior Conductor Henri Nosco will be: Christine Muller, Susan Price, Linda Klocke, Elsie Sedan, Carol Tabor, Karen Hill, Don Busch, Ivan Ely, Fern Kinnaman, Kay Berryman, Harold Hartley, Dorothy Sutherland and Pat Meyer.

Northville high school Band Director Robert Williams is broadcasting director of the organization.

The program will begin at 8:30 p.m. Admission is by ticket. The school is located at Oak Park boulevard and Coolidge highway.

VFW Dinner Sunday

Northville VFW Post 4012 will serve a chicken dinner for the public this Sunday afternoon.

The dinner will be held from 1:00 until 5:00 o'clock at the VFW hall, 138 South Main street.

Ray Maidment, Jr., son of Mr. and Mrs. Ray Maidment of Six Mile, returned this week from the University of Montana for summer vacation. He will begin his junior year of studies there this fall.

4 Northville Students Win P-TA Scholarships

Two June graduates of Northville high school and two local college sophomores planning careers in teaching were awarded scholarships by the Northville P-TA recently.

Graduating seniors Judy Chiles, daughter of Mr. and Mrs. Loren Chiles of Phoenix road, and Mary Lamp, daughter of Mr. and Mrs. Otto H. Lamp of West Nine Mile road, received scholarships of \$200 each. Judy will attend Central Michigan college and Mary will attend Eastern Michigan college this fall.

Last year's high school winners, Lillian Zinnecker, daughter of Mr. and Mrs. Carl Zinnecker of Ridge court, and Mary Hill, daughter of the George Hills of West Seven Mile road, each received a \$100 continuing scholarship. Lillian attends the University of Michigan, and Mary, Central Michigan.

Because of the financial success of the P-TA fair this spring, the executive board of the organization voted to give more than its annual minimum \$200 award. The fair is the P-TA's chief source of income during the year, and the scholarships are a major club expenditure.

The high school student scholarships were presented June 5 at the honors convocation ceremony. College recipients learned this week that the P-TA would be able to continue its financial aid to them also.

The awards are based on need and scholastic achievement. They also carry the stipulation that the recipient be preparing for the teaching profession.

CITY OF NORTHVILLE, MICHIGAN AMENDMENT TO ZONING ORDINANCE NO. 39

AN ORDINANCE TO AMEND ORDINANCE NO. 39 BY THE ADDITION OF A NEW ARTICLE TO BECOME ARTICLE IV-A. AN ORDINANCE TO PROVIDE FOR THE SUBDIVISION OF PROPERTY AND THE SPECIFICATIONS AND IMPROVEMENTS TO SUBDIVISIONS.

THE CITY OF NORTHVILLE ORDAINS:
PART I.

ARTICLE IV-A
VARIANCES

Section 4A.01. Where the Planning Commission finds that extraordinary hardships may result from strict compliance with these regulations, it may vary the regulations so that substantial justice may be done and the public interest secured; provided that such variation will not have the effect of nullifying the intent and purpose of the basic plan for these regulations.

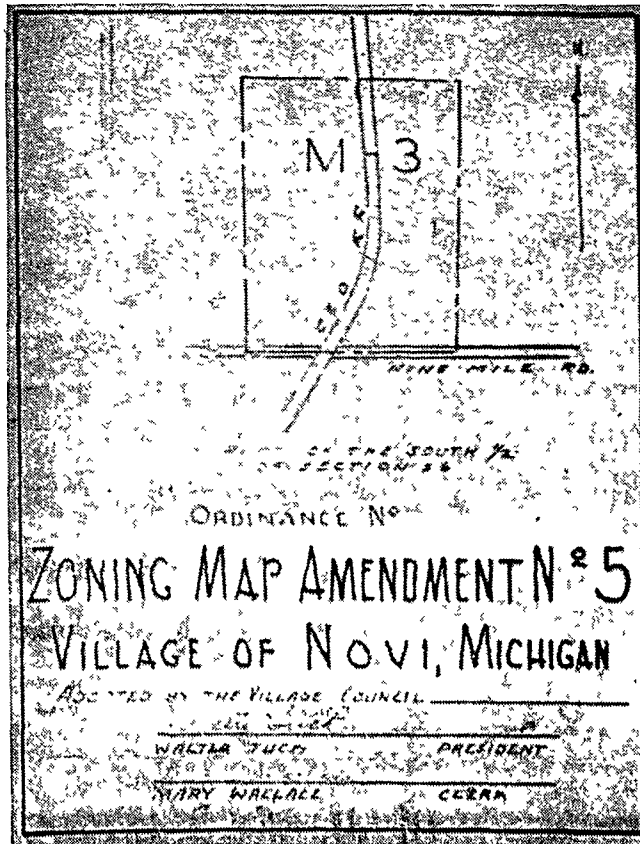

In granting variances and modifications, the Planning Commission may require such conditions as will, in its judgment, secure substantially the objectives of the standards so varied or modified.

PART II. VALIDITY.

Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared invalid.

This Amendment becomes effective June 24, 1959.

St. Mary Hospital Guild To Start Membership Drive

With the completion of St. Mary hospital in Livonia just a few short months off, a drive has begun this week to enlarge total membership of the St. Mary Hospital Guild to 2,000 women.

The organization to date numbers 1,000 members from Livonia, Farmington, Plymouth, Redford and Northville.

The Felician Sisters, who first established themselves in Livonia 20 years ago, were approached in 1952 by influential men representing Livonia, Plymouth and surrounding areas to undertake the building of a hospital.

Construction was actually begun on April 30, 1958 and tentative completion is scheduled for November of this year.

The five-story hospital has been designed along contemporary lines and includes administration, nursing, emergency, adjunct diagnostic and treatment, and service departments. More than 200 physicians have already submitted applications for staff appointment.

The purpose of the hospital guild

is to promote the interests of the hospital and its patients under administrative direction.

The guild offers four types of membership: sustaining, life, patron and active. Sustaining members participate in guild-sponsored activities. Active members offer service on one or two committees.

Committees include: membership, publicity, program, visiting, decoration, sewing, spiritual, library, ways and means, public relations and hospitality.

WCS Get-Acquainted Picnic Next Tuesday

The Woman's Society of Christian Service Circles is having individual group picnics this month, Tuesday, June 23, for the purpose of getting reacquainted with one another in the new circles.

The Seely Circle will not have a picnic because this group of young mothers remain in the same group each year while the other circle members are rotated once every two years.

The Filkins Circle will meet at the home of Mrs. James Lapham on Haggerty road; the Neal Circle at Mrs. William B. Walker, Jr., and the Tremper Circle at the "Willows" in Cass Benton park.

To Attend MEA Meet

David Soule of Novi will attend the annual Leadership conference of the Michigan Education association to be held at the MEA camp near Battle Creek June 20-22.

HAVE A DOLLAR — Gamble's Owner Roy Stone is celebrating ten years of doing business in Northville this week end. Besides an array of special bargains and gifts, he's going to give every customer who buys \$10 worth of merchandise a silver dollar (like the one he's handing to the photographer).

Graduates from U-M

Ronald Birtles, son of Mr. and Mrs. Herman Krauter of Rayson St., received a bachelor of science degree in chemical engineering from the University of Michigan last week.

He is a 1954 graduate of Northville high school.

Camera Club to Meet

The Northville Adult Camera club will meet next Wednesday, June 24 at 7:45 p.m. in the Northville library.

Members Young, Gibson and Joki will present a report, "Through the Lens".

Obituary

MRS. MARGARET CORDUKES

Mrs. Margaret Cordukes, 19625 Clement road, passed away June 11 at Eastlawn Resthaven following a stroke. Born in Bothwell, Ontario March 16, 1869, Mrs. Cordukes was the daughter of Charles and Elizabeth C. Miller Gillett. Her husband, Isaac, died in 1936. She is survived by four daughters: Mrs. Pearl Min-joe of Detroit; Mrs. G. H. Power of Northville; Mrs. Richard Sharon of Northville, and Mrs. W. C. Morris of Houston, Texas; by a son, Earl, of Van Dyke; and a brother, David Gillett of Myra, Texas. She also leaves five grandchildren, nine great-grandchildren, and five great-great-grandchildren. Mrs. Cordukes made her home in Northville since 1950. She was active in the Eastern Star organization and a member of Asbury Methodist church, Detroit. Funeral services, conducted by Dr. Arthur Leach, were held from the R. G. and G. R. Harris Funeral home in Detroit. Last rites were also held June 14 from the Robinson Funeral home in Bothwell with the Rev. William Huddleson officiating. Burial was in Bothwell cemetery.

ALBERT L. BUCK

Services were held Wednesday for former Northville resident Albert L. Buck of 148 Beuna Vista, Highland Park, who passed away June 14 at Detroit Osteopathic hospital. Mr. Buck, the son of John and Annie Buck, was born February 12, 1890 in Chatham, Ontario. He was a retired employee of Ford Motor company, Rouge division. He is survived by two cousins, Mrs. Thelma Schultz of Northville and Russell A. Park of Detroit. Last rites were from the Casteline Funeral home and Harper Mulligan Funeral home in Highland Park. The Rev. John O. Taxis of the Northville First Presbyterian church officiated. Burial was in Rural Hill cemetery.

MISS PERMELIA C. KOHLER

Miss Permelia C. Kohler, 42865 East Seven Mile, passed away June 14 at Eastlawn Resthaven after an extended illness. Miss Kohler, born September 29, 1890 in Northville, was the daughter of Anthony H. and Permelia (Vroli) Kohler. She leaves two sisters: Miss Lena Kohler and Miss Mary E. Terrill of Northville; a brother, Fred, of Plymouth; a niece, Mrs. Beverly Strasen of Northville; and two nephews, Albert Kohler of California, and Leo Kohler of Utah. She was a lifelong resident of the community and a member of Our Lady of Victory Altar Society. The Rosary was recited June 15 at the Dempsey B. Ebert Funeral home. Services were held June 16 from Our Lady of Victory church, the Rev. John Wittstock officiating. Burial was in Rural Hill cemetery.

Review Club to Meet

The Northville Review club will meet at the Clarence Davis home, 20889 Cambridge drive next Thursday, June 25.

Mrs. Paul Hoffman will review "Home on the Range".

A HUMAN ALARM CLOCK

Down in Baxter, Tenn. there is a bachelor who has been blowing reveille at five o'clock every morning for over 30 years. Each morning he climbs a 20 foot pole and blows a bugle to awaken the neighbor. Whether the neighbors appreciate his actions were not included in the article. It seems that few ever appreciate the awakening to the personal, visible return of Jesus Christ to this earth. It is apparent that the Age of Grace will not last too much longer. There are definite indications that the predictions of Prophetic Scripture are rapidly being fulfilled. Of the day and hour no man knows, but if one has any spiritual discernment he knows that the season of Grace is drawing to a close. It shall mean the opportunity of eternal salvation for every person who has heard the Gospel will be over. Their doom will automatically be sealed even though they may live to the close of the Great Tribulation. If you have any intentions of becoming a Christian you should do so now—tomorrow may be too late. The Bible says plainly, "Now is the accepted time, today is the day of salvation." Why risk an eternity when there is no good reason for doing so?

14 Local Youths At Boys' State

Fourteen Northville-Nowi youths today joined a 1,000 boys from all corners of Michigan for the 22nd annual Wolverine Boys' State on the Michigan State university campus at East Lansing.

They are: Roger Atchinson, David LaFond, Raymond Dahl, Dean Herman, Crispin Hammond, David Hay, David Stillson, Gerald Trotter, Robert Hilton, Jon Batzer, Robert Stuber, Mike Janchick, Michael Bag-

gott and Tom Darling. For the next eight days the youths will take part in a series of programs designed to give them practical experience in the mechanics of city, county and state government.

"Boys' State" is a major Americanism program sponsored by the Michigan Department of the American Legion and its 75,000 members. The program is designed to help the youths.

Rodeo Rough on Cowboys -- Record Crowd Likes It

More than 3,500 fans shouted and cheered for their favorite riders Sunday at the annual Optimist-sponsored Rodeo and Western Horse Show.

It was the largest crowd ever to attend the ground-shaking show at the Downs, General Chairman Bill Taft announced this week.

"Please thank everyone for their support," Taft said. Proceeds from the show will be used by the Optimist club for youth projects.

The M.C.A. all-around cowboy champion of 1958, Johnnie Gee, took top prize money at the rodeo with his rough but superb ride atop one of the meanest broncos.

Despite numerous falls from the broncos and Brahma bulls, only one rider, Carter Preston, 17, Detroit, was hospitalized. The youth was to be released from the hospital Monday.

Carter was thrown from "Farmer", a reputedly ferocious bronc that has never been broken.

Three of the winners of the junior horse show competition for riders 17 and younger are pictured at the left. They are (left to right): Joan Taylor, fourth; Diane DiPonio, second, and Linda Bulmon, first.

Homer Harris, a clowning daredevil who teased bulls and dared youngsters to ride his mule, is shown at the bottom center.

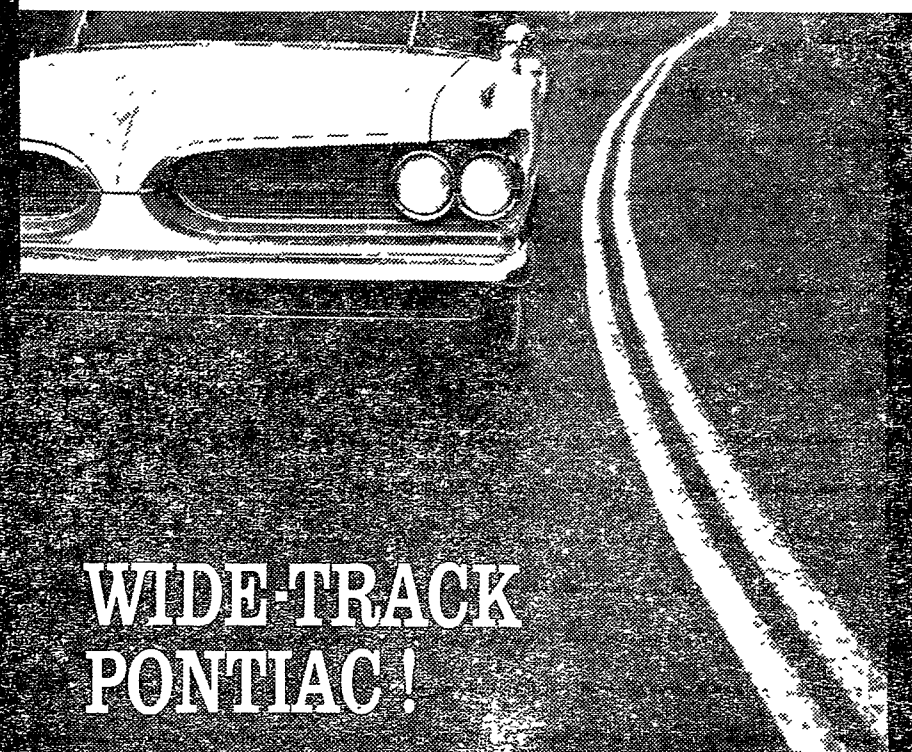

The cowboy at the bottom right finds the ground nearly as hard as the back of the Brahma bul he was riding. Another cowboy (left) enjoys a brief ride atop a bronc before being spilled to the ground.

2 Northville Men Get U-M Degrees

Degrees were conferred upon 3,865 graduates, including two Northville students, at the 115th commencement of the University of Michigan last Saturday.

The Northville graduates who received degrees are Ronald J. Birtles, 162 East Main, B.S. in engineering, and John W. Funk, 845 Grace, bachelor of business administration.

Marian Anderson gave the principal address. U-M President Harlan Hatcher presided.

In all, 6,259 students will receive U-M degrees this year. This figure includes 1,084 graduates at the end of the 1958 summer session and 1,310 February graduates. Last year's total number of degrees granted was 5,813.

Two Hospital Employees Win Contest Awards

Mrs. Martha M. Peoples and Wallace Westerfield, employees at Northville State hospital have won awards in Michigan's second annual "Search for New Hospital Achievements".

The contest, jointly sponsored by Michigan Hospital association and Michigan Blue Cross, was conducted to draw from hospitals new methods that save money and improve service in hospitals.

The nature of the wards and the suggestions will be announced at the award luncheon Monday at the Hotel Sheraton-Cadillac in Detroit.

Hilts Gets Honors At Kemper Program

Bill Hilts, son of Mr. and Mrs. Lawrence Hilts, 46501 West Main, received high honors in the recent commencement program at Kemper military school, Boonville, Missouri.

Hilts was designated to the school's Scholastic Honor Society, and for the third time this semester designated a Silver Star Cadet for having maintained a high scholastic and military grade averages and excellent disciplinary record. He also received a Kemper certificate for the second highest grade in English 3 and 4.

Dan Collins, son of Mr. and Mrs. F. S. Iler, 312 South Ely drive, a first semester cadet at Kemper, was recently advanced to Phase II New Cadet.

NOVI COMMUNITY SCHOOL
DISTRICT NO. 1
OAKLAND COUNTY, MICHIGAN
NOTES

Sealed bids for the purchase of tax anticipation notes of Novi Community School District No. 1, Oakland County, Michigan, of the par value of \$25,000.00 will be received by the undersigned at Orchard Hills School, Novi, Michigan until 8:00 o'clock P.M., Eastern Standard Time, on the 24th day of June, 1959, at which time and place they will be publicly opened and read.

The notes will be dated June 15, 1959, will mature June 30, 1960 and will bear interest at a rate or rates not exceeding 4½% per annum. Both principal and interest will be payable at such place as may be agreed upon with the purchaser. Denominations and form of notes to be at the option of the purchaser. Accrued interest to date of delivery of such notes must be paid by the purchaser at the time of delivery.

Said note or notes shall be subject to redemption prior to maturity in inverse numerical order at par and accrued interest on the first day of any month prior to maturity thereof, upon fifteen (15) days' notice served upon the holder or holders thereof, or published in a newspaper or publication circulated in the State of Michigan, which carries as a part of its regular service notices of the sale of municipal bonds.

For the purpose of awarding the notes the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the notes from July 1, 1959 to their maturity and deducting therefrom any premium. The notes will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Novi Community School District No. 1. No proposal for the purchase of less than all of the notes or at a price less than half their par value will be considered.

The loan is in anticipation of the Operating Tax due and payable December 1, 1959. Envelopes containing the bids should be plainly marked "Proposal for Notes". A certified or cashier's check in the amount of 2% of the par value of the notes drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of Novi Community School District No. 1 must accompany each bid as a guarantee of good faith on the part of the bidder. Checks of unsuccessful bidders will be promptly returned.

Bids shall be conditioned upon the unqualified opinion of the purchaser's attorney approving the legality of the notes, to be secured at the purchaser's expense. The purchaser shall furnish notes ready for execution at his expense. Notes will be delivered at 41900 Quince Drive, Novi, Michigan.

The right is reserved to reject any and all bids. Approved June 9, 1959

Notice of Public Hearing

TIME — FRIDAY, JUNE 26, 1959 — 8:00 P.M.

PLACE — NORTHVILLE CITY HALL

The Planning Commission for the City of Northville has, on its own motion, decided to the amending of the Text of the Ordinance in certain respects and to zone the annexed area in accordance with the plan filed in the City Hall and as herein described, including the following changes in the Text of the Zoning Ordinance:

PART I. Article I, Definitions, as amended, by adding Sections 1.09, 1.16 and 1.26, and by addition of two new Sections to be Sections 1.21a and 1.25 a.

PART II. Amending Sections 2.01 to include a new R-1-S District and the T-1-P District to the list of Districts. Amend Section 2.02 to change the wording with reference to the City of Northville, in place of Village of Northville.

PART III. To amend Article III by amending the 2nd paragraph of Section 3.05 to increase from 60% to 100% of the assessed valuation of a building damaged by fire, collapse or Acts of God for rebuilding a non-conforming building.

To amend the 2nd paragraph of 3.06 to require 10 feet instead of 6 feet between an accessory building and a principal building.

To amend Section 3.08 to require a minimum accessible frontage of 60 feet upon a street in residence districts.

To amend Section 3.14 by changing the "Village of Northville to the City of Northville".

To amend the 1st paragraph of Section 3.15 to clarify the Off-street Parking Requirements.

To amend paragraphs (2) and (10) of paragraph (i) of Section 3.15 to increase the number of parking spaces for multiple dwellings from 1 to 2 for each family unit, and to increase the requirement for churches from 1 parking space for each 8 seats to 1 parking space for each 6 seats and 1 space for each 20 classroom seats.

PART IV. The addition of a new Article III-A to become R-1-S Suburban Residential Districts to be used only for suburban single family homes and the community services and facilities appurtenant thereto. Requiring a lot area of not less than 9,600 square feet and with an average frontage of not less than 80 feet.

PART V. To amend paragraph (b) of Section 4.01 to permit R-1-S uses in the R-1 Districts.

To amend paragraph (f) to more specifically control accessory uses.

To amend Section 4.02 by the addition of 2 new paragraphs to provide for church and public building signs and park and playground signs.

The addition of a new Section to become Section 4.10 to regulate side yards for non-residential uses allowed in R-1 Districts.

PART IV. To amend Section 5.02 by the addition of 2 new paragraphs to provide church and public building signs and park and playground signs.

To amend 5.04 to require a lot area of 7,500 square feet with an average width of 60 feet for one and two family dwellings.

The addition of a new Section to become Section 5.09 to regulate side yards for non-residential uses allowed in R-2 Districts.

PART VII. To amend paragraph (a) of Section 6.01 to permit R-1 and R-2 uses subject to R-2 regulations in an R-3 District.

The addition of a new paragraph (i) under Section 6.01 for the regulation of home occupations in R-3 Districts.

To amend Section 6.04 to require not less than 3,000 square feet of lot area for each dwelling unit with 1 bedroom and 500 square feet additional for each additional bedroom. Lots less than 7,500 square feet in area may be used for a 1 family dwelling.

To amend Section 6.08 to require off-street parking.

The addition of a new Section to become Section 6.09 to regulate side yards for non-residential uses allowed in R-3 Districts.

The addition of a new Section to become 6.10 to limit the percentage of Lot Coverage to not more than 35%.

PART VIII. To amend paragraph (a) Section 7.01 to permit the use of existing dwellings, but prevent the construction of new dwellings in C-1 Districts.

To amend paragraph (d) of Section 7.01 to permit Class IV dry cleaning shops.

The addition of a new paragraph (e) under Section 7.01 to provide for gasoline filling stations subject to provisions and requirements of Section 12.04 (k) of the Board of Appeals.

The addition of a new paragraph (f) under Section 7.01 to provide for motels, motor courts or motel hotels, drive-in restaurants and other highway services subject to provisions and requirements of Section 12.04 (k) of the Board of Appeals.

To amend Section 7.02 pertaining to advertising signs, only, when pertaining to the sale, rental or use of the premises, or to goods sold or activities conducted, but prohibiting over-hanging signs and signs of the flashing or intermittent type.

To amend Section 7.04 to more completely spell out yard requirements in the C-1 Districts.

The addition of a new Section to become Section 7.05 to require an 8 foot greenbelt by non-residential uses when adjacent to residential districts.

The addition of a new Section to become Section 7.06 to require loading space and off-street parking in C-1 Districts.

The addition of a new Section to become Section 7.07 requiring site plan and architectural approval by the City Planning Commission.

PART IX. To amend paragraph (a) of Section 8.01 to permit the use of existing dwellings, but prevents the construction of new dwellings in C-1 Districts.

The addition of a new paragraph (d) under Section 8.01 to prohibit drive-in restaurants and gasoline filling stations from the C-2 Districts.

To amend Section 8.03 to more completely spell out yard requirements in the C-2 Districts.

To amend Section 8.04 to require an 8-foot greenbelt by non-residential uses when adjacent to residential districts.

The addition of a new Section to become Section 8.05 to require loading space and off-street parking in C-2 Districts.

The addition of a new Section to become Section 8.06 requiring site plan and architectural approval by the City Planning Commission.

PART X. To amend Article IX, M-1 Light Industrial Districts, defining the permitted uses and prescribing performance standards necessary to insure the protection of industry and to safeguard nearby residential, commercial and industrial uses of land from hazards and from noise or other radiating disturbances.

PART XI. That Article X is amended by the deletion of Section 10.02 from the Ordinance.

PART XII. To amend paragraph (e) of Section 11.01 of the Board of Appeals increasing from 60% to 100% of its then appraised value, of damage by fire, collapse, explosion or Acts of God or public enemy for the rebuilding of a non-conforming use.

The addition of a new paragraph (k) of Section 11.04 establishing standards by which the Zoning Board of Appeals is controlled in granting special exceptions.

PART XIII. The addition of a new Article to be Article XI-A, City Planning Commission Site Plan and Architectural Approval. Giving City Planning Commission authority to approve uses, its jurisdiction, purpose for site plan and architectural approval, maps and drawings required, principals to be followed, appeal and special permits.

PART XIV. To amend the Zoning Map establishing Zoning Districts of the areas annexed to the City of Northville and lying north of Eight Mile Road as follows:

A. To zone that area located north of Eight Mile Road north to the City limits, and from the City limits on the West to the west boundary of Northville Heights Subdivision extended to an R-1-S Suburban Residential District.

B. To zone that area lying north of the Wayne County line, including parcels CS17, 18, 19 and 22 and CS10C, CS13, the Northville Heights Subdivision Nos. 1, 2 and 3, all City and school properties, lying west of Center Street and including all lots lying south of Hill Street of Oakwood Subdivision and all of Yerkes Estates Subdivisions 1, 2 and 3 to an R-1 One Family Residential District.

C. To zone that area including that part of Oakwood Subdivision lying north of Hill Street between Center Street and Novi Street and the unplatted land lying north of Maplewood Street to the City limits and between Center Street and the southwest boundary of Yerkes Estates Subdivision No. 3 to a R-1-S Suburban Residential District.

D. To zone parcel CS27, consisting of 2.66 acres, lying north of the old Base Line Road, east and south of Yerkes Estates No. 1 and west of the lumber company property to a R-2 Two Family Residential District.

E. To zone that property lying east of Yerkes Estates Subdivision Nos. 2 and 3 and west of the new right-of-way of Novi Road and north of the new Eight Mile Road right-of-way to the City limits to an R-3 Multiple Dwelling District.

F. To zone that area lying north of the old Base Line Road including both sides of the railroad right-of-way south of the new right-of-way of Eight Mile Road and that part lying north of the new Eight Mile Road right-of-way lying between the west right-of-way line of the C&O Railroad and the east City limits to a M-1 Light Industrial District.

Please take notice that a Public Hearing will be held on the above described proposed Amendments to the Text of the Zoning Ordinance and the Zoning Map.

NOTICE IS FURTHER GIVEN: That the Tentative Map of said proposed Amendment and the proposed Text of the Ordinance may be examined at the City Hall during the regular office hours.

This notice given pursuant to the provisions of Section 4, Act 207 of the Public Acts of Michigan for 1921, as amended.

PROJECTING A VOICE

"O bless our God, ye people, and make the voice of his praise to be heard." Psalm 66:8
We are aware that the world is like unto a pond into which a stone has been tossed. There are ripples and reverberations to the farthest shore. The voice of communism is insistent; the voice of democracy with its claims for decency and freedom is heard. The voice of progress sweeps over barren lands; the voice of rock-bound conservatism is a whisper of its old self.

A psalmist who had experienced acoustical phenomenon such as the bounding of sound in a rocky canyon, the echo of sound in the hills, the sonorous tones of the priest's voice in the temple spoke for the Hebrews when he bade them to bless God and "make the voice of his praise to be heard." The Christian too is challenged to send their voices afar. "Go ye into all the world . . . and tell."

To the common complaint, "I have no voice that can be heard," is an African fable about a thrush and an elephant. One day in the jungle these two argued as to whose voice could be heard the farthest. They decided to have a contest to find out. Before the contest the thrush went to all his friends and said, "Now when I sing I want you all to fly far away, and while you can still hear my voice I want you to take up my note and extend it farther and farther. In this way we will win out over the elephant."

When the contest began the elephant let

out a blast through his trunk that threatened to shake down the trees. Then the thrush sounded his sweet song from his tiny throat, another thrush a few hundred yards away carried it on, another, and another, and the song went on for many miles.

Judges found that many miles away the elephant's trumpeting could not be heard, while the voice of the thrush came soft as down and clear as a flute. The thrush was wise enough to know that even a tiny bird could amplify his voice with cooperation from his fellows.

Jesus' voice did not die out, but it was sent to the ends of the earth by the disciples and those who followed in their train. The voice of the Master can be carried on and amplified now, but it takes cooperation to do it.

Where except in and through the Church is there an instrument designed for the production of the voice of Christian witness? The motto of Frank Laubach's literacy movement is "Each one reach one." The motto of the Christian movement should be "Each one, reach one." So the word should go throughout the land, and circling the earth until a host sing out,

Let every kindred, every tribe

On this terrestrial ball,

To him all majesty ascribe,

And crown Him Lord of all.

If the Christian faith has a destiny you and I have a place in it, to "bless our God . . . and make the voice of his praise to be heard."

4 Students Win Degrees

Four students from Northville and Novi were among the 536 graduate and undergraduate students who were awarded degrees Sunday at the 106th June commencement at Eastern Michigan university.

Students from Northville who received degrees were: Catherine G. Bemish, B.S., and elementary provisional teaching certificate; June C. King, B.S., and secondary provisional teaching certificate; and Alvin P. Skow, master of arts in education.

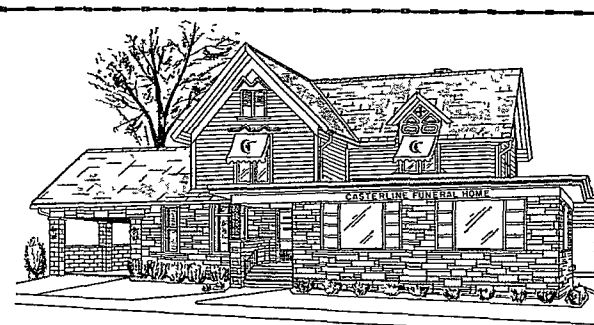

Marietta L. Velky of Novi received a A.B. degree and a secondary provisional teaching certificate.

Awarded at the commencement exercises were 73 master of arts in education degrees, 44 bachelor of arts degrees, 353 bachelor of science degrees, 11 bachelor of music education degrees and 55 bachelor of science in business administration.

There was no formal commencement address this year. Brief talks were made instead by Hilton G. Falahee, president of the faculty council and by Mrs. Louise Barbee

in home after home after home...

there's always plenty of hot water

the new electric water heater way

In home after home there's a new electric water heater. And the families in these homes enjoy all the hot water they want.

You can be confident that an electric water heater, plus Edison's new Super Supply Plan, will provide round-the-clock hot water for all your family's needs, too. Then you can plan your day more efficiently—do the laundry, wash dishes, schedule showers when you want to.

Here's the convenient, modern way to **GET IT HOT . . . GET A LOT** for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

- ☒ Efficient—the heat goes into the water
- ☒ Install anywhere—need not be near a chimney
- ☒ Long life—meet Edison's rigid standards
- ☒ Automatic—all the time
- ☒ Fast—new, more efficient heating units
- ☒ Outer shell—cool to the touch all over
- ☒ Edison maintains electrical parts without charge
- ☒ Safe—clean—quiet—modern

MICHIGAN BELL

AIR ISN'T JUST something you breathe any more. It's a special substance for protecting phone cables from the ravages of moisture. By keeping the lines open, air makes your phone service more reliable. It is pumped into the cables under pressure so that even if there are leaks, water cannot get in because the air pushes out. And the air helps locate leaks. Once the area of the leak has been located by testing, the exact spot is found by applying liquid soap over the cable—the escaping air forms a bubble.

NECKTIES AND TOBACCO ARE PROBABLY the most popular things that will be given to Dad on Father's Day. But if he's far away and can't be with you on Sunday, you can be sure that a Long Distance phone call would be at the top of a list of things he'd like to have. The usual low Sunday rates are in effect to help you enjoy a leisurely telephone visit. It's a fine way to please Dad, and it'll make you feel pretty good, too!

BESIDES BEING FATHER'S DAY,

June 21st is also the first day of Summer—time to begin thinking about vacations. But thinking alone won't make a vacation good. Only planning and preparation will do that. That's where the Yellow Pages comes in so handy. It'll tell you where to buy the diving goggles, camera film, sports clothes, sun glasses, luggage and guide books you'll need. More than that, the Yellow Pages lists hotels, motels, restaurants, theatres and other amusements, so it's the quickest way of getting to know your way around a new town. Start with the Yellow Pages and end up with a truly great vacation.

PARTING SHOTS. Bad officials are elected by good citizens who do not vote. . . . More good things are lost by indecision than by wrong decision.

Topnotchers Ride to Win

The Northville Topnotchers, riding for the local Wallace Stables and representing the Michigan Zone, won the Junior International Challenge Trophy last week at Chicago's Oak Brook Horse Show.

The victorious team members are Captain Susie Wallace, Sally Sample, Stephanie and Gail Altenburg. Misses Wallace and Sample were members of Northville High school's 1959 graduating class.

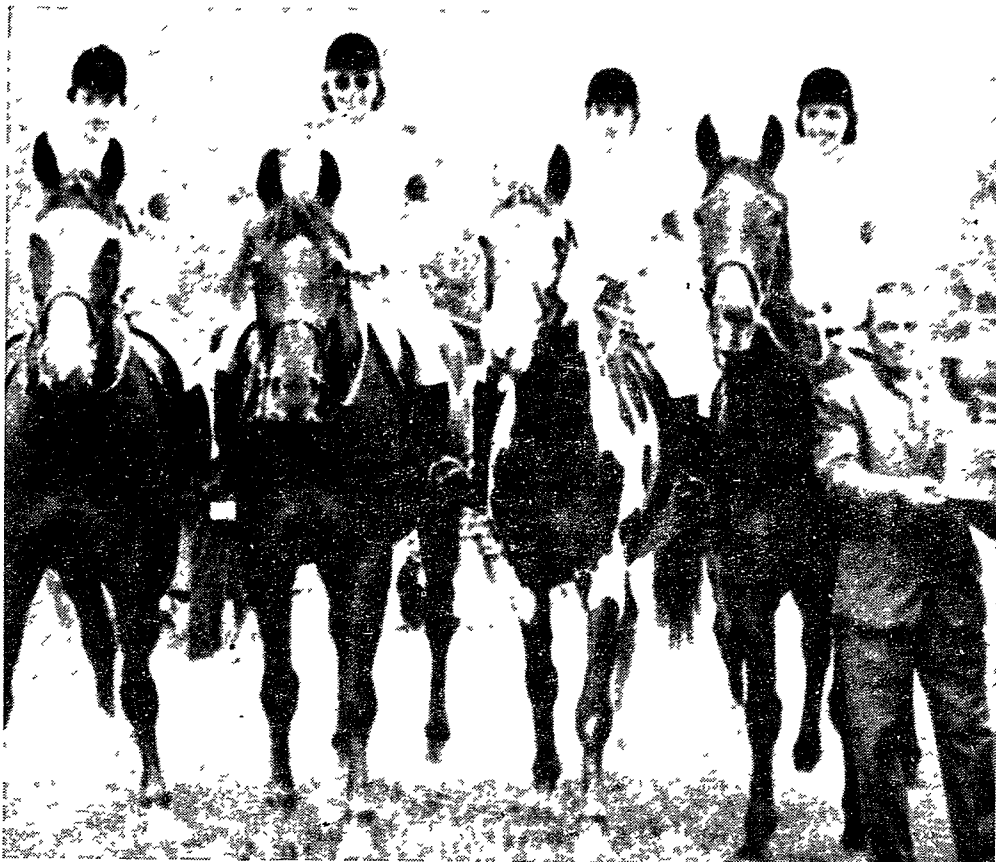

Also competing for the big trophy, emblematic of the champion stadium jumping team of North America, were the Chicago Rockets, defending champions, and the Western Ontario Canadians, champions of Ontario.

Paced by their captain, who rode the two difficult rounds without a fault, the Topnotchers finished first with 82 points. The Canadians finished second with 76 points, and the Chicago riders were third with 64 points.

The Topnotchers qualified for the challenge round at Chicago by virtue of their success last season in the Michigan league, when they won over the 13 Michigan teams of the Junior Equestrian Team competition to become the Michigan champions.

Competition was started and sponsored in Northville by the Northville Optimist club in 1952, and since has created national and international interest.

The initial competition was organized locally by J. P. Malley and consisted of three teams. Competition in Michigan created national interest and organization of teams in other areas.

BRING HOME INTERNATIONAL TROPHY — The Northville Topnotchers, Michigan representatives at Chicago's Oak Brook Horse show last week, returned home with the Junior International Challenge trophy. They are (left to right): Sally Sample, Stephanie Altenburg and Gail Altenburg. Coach John Wallace holds the trophy.

Knotholers Dressed, Ready to Play Ball

More than 40 knotholers received free T-shirts Saturday furnished by the Northville Optimist club.

All boys registered for the Knot-hole softball league were given the shirts. Boys registered for the knot-hole baseball league also will get free shirts later under the sponsorship of Northville merchants.

Approximately 70 boys, ages 9-11, have registered to play city recreation baseball in the knothole league. Other knotholers, ages 7-8, will play softball.

Practice started Saturday for both league — but boys may still register.

In other recreation news this week, Director Stan Johnston announced the first zoo trip will be conducted June 22. Buses will leave the school at 9:15 a.m. Families are welcomed.

Recreation T-shirts, which entitles the wearer to free swimming, are available at the scout hall.

IT FITS OKAY, I GUESS — Bruce Grys, 7, tells two of his pals, Randal Marburger, 7 (center), and Danny Stoddard, 8, that his new "knot-hole" T-shirt fits "okay, I guess". The shirts for baseball and softball knotholers were distributed to young players Saturday morning.

No rest for this Chevy... round the clock the engine never stops!

'At Washington's bustling National Airport, Allied Aviation Fueling counts on its radio-equipped Chevy to get crews and tank trucks to the right planes at just the right time. Aside from occasional time out for the usual service, its Thrift-master 6-cylinder engine has been running 24 hours a day for the past 9 months!

Once you've got that kind of endurance working you don't worry much about lost job time. Breakdowns go out of style the day your Chevy goes into action.

The fact is, Chevrolet trucks are dead set on dropping the word "downtime" right out of the English language. And they just might, if precision engineering and top-quality materials have anything to say about it. Chevy trucks are put together to stay together—incorporating the most advanced chassis developments, the most efficient 6-cylinder and V8 engine designs. They're built to last, built to keep Chevrolet's hard-earned reputation for reliability flying high.

Going into the real heart of Chevrolet advantages is where your dealer comes in. He'll show you, in feature after feature, that you can't buy more truck dependability—in any weight class—at any price.

No job's too tough for a Chevrolet truck!

Last of 5 State Ferries Up for Sale

SHIPPERS around the world will be asked to take a look at the price of Michigan's ferry fleet, the Vacationland, now up for sale.

The vessel is the last of the five-boat fleet which linked the upper and lower peninsulas of Michigan before the \$100,000,000 Mackinac Bridge was opened November 1, 1957. The others have been sold at a fraction of their original cost.

The Vacationland is moored alone and lonely at the St. Ignace dock, barred by the law which authorized construction of the bridge from ever making the trip again.

To protect buyers of the bridge bonds, the law states that there can be no boat in competition with the bridge, which is being paid for by tolls.

The Vacationland now is occupied by only one watchman and a few seagulls, which used to follow the fleet between Mackinaw City and St. Ignace.

The trip, which formerly took 40 minutes in good weather, is now a 10-minute drive through the sky over the bridge.

The Vacationland, the largest of the fleet, can carry 675 passengers and 140 vehicles.

Philip H. Anderson, deputy director of the purchasing division of the state department of administration, sees new hope for selling the

Vacationland in the opening of the St. Lawrence Seaway.

"Now that we have the seaway and can get her out of the Great Lakes Basin, we shouldn't have much trouble selling her," said Anderson.

HISTORY which helped end the war between the states a century ago will be repeated at Bull Run, Virginia in 1961.

Michigan will send National Guard troops to Virginia, clad in the traditional blue, to re-enact the Battle of Bull Run as part of a historical celebration.

The request came to Michigan from Virginia Governor J. Lindsay Almond to take part in the celebration.

To ease the fears of families and relatives of the men going to Virginia in two years, there are assurances that none of the guns will be loaded, with live ammunition at least.

POLITICAL observers see Governor Williams confronted with a dilemma of his own making.

His party friends and heirs apparently believe he will not be a candidate for a seventh term, but will make his stand in the national Democratic picture next year.

They have had encouragement in this belief by Williams' frequent visits to other states, his speeches

on national and international problems, and other factors.

Most of the party's strategists feel that the financial plight of Michigan has wrecked his chances for a national nomination next year.

A conference of party leaders in Denver, Colorado indicated that he must succeed in overpowering the Republican-controlled legislature this year or fail for the present in the national picture.

Indications of dissent in his own party in the legislature point only to trouble for the record setting Democratic governor.

Most of Williams' program was scrapped by the legislature when the deadline for action arrived on June 5.

It also marked the tenth year in which the legislature had refused to enact his "Seal of Quality" program for farm products, a program of promotion and standardization of products.

The nation knows of Idaho potatoes and Maine lobsters and the citrus fruits of Florida and California. The Williams program was an advertising device to produce a similar effect for Michigan agricultural products.

The programs rejected by the legislature this year also include a state building authority, an atomic energy commission, an old age commission, an automation commission, an industrial park authority, and an employment safety standards bill.

Bailey to Participate In Special Navy Cruise

Richard A. Bailey, fireman, USN, son of Mr. and Mrs. Robert E. Fenimore of 410 West Main, serving aboard the destroyer USS Putnam, is participating in "Operation Inland Seas", a cruise of 28 United States Navy warships to cities in the Great Lakes this summer.

The navy fleet, which includes destroyers, a heavy cruiser and an amphibious force of seven ships, will visit 27 cities in the seven states bordering the Great Lakes. The ships will enter the Great Lakes on June 25 and return to the Atlantic Fleet in late July.

This is the first time a major fleet has been on the Great Lakes since the War of 1812. The entry of the ocean-going fleet is made possible by the opening of the recently-completed St. Lawrence Seaway.

Urges Bank Investment

Babson Park, Mass. — A small investor should first buy a little stock in the best bank in his community. Not only is this a safe investment; but it gives him prestige and a source of advice on financial matters. After buying the stock, he should get personally acquainted with the chief executive officer, who may be the president, vice president or cashier.

(1) Life Insurance and a Home Theoretically, if we are entering into an age of inflation and you are likely to live 20 years or so, life insurance should not be a good investment. You had better put the money into a small home with an adjoining vacant lot. However, you may not live 20 years, or even five years, in which case a life insurance policy would be your very best investment.

(2) Buy Well-Diversified Common Stocks These should be listed on the New York Stock Exchange and approved by your banker friend or by a seasoned investment counselor. They should be common stocks of companies without large bond issues or cumulative preferred issues.

(3) Watch Labor Relations The greatest clouds on the investment horizon today are creeping Socialism in Government and unreasonable Labor Leaders. Perhaps the safest rule is to buy the stocks of companies which have just been through long and difficult strikes, with a final settlement satisfactory to all. These companies should be free from major strikes for a considerable time.

(4) Buy for Cash Put the certificates in a safety deposit box in the bank of which you have bought stock. If you have all your stock certificates paid for, and will hold them, you cannot be wiped out when the next panic and depression comes; good stocks always "come back". But those who buy on borrowed money or on margin usually suffer total loss.

(5) Importance of Patience For every stock buyer there must be a seller, irrespective of the price. Stocks go up when more people are impatient to buy, while stocks go down when more people are impatient to sell. Buy your stocks when other people are frightened and anxious to sell. Fortunes are made by buying — not by following — the crowd, which is usually

wrong.

(6) Importance of Facts Depend upon what the published manuals report, rather than upon tips by brokers or friends. You can always consult the manuals on file in the Trust Department of your friendly bank, free of charge. The Trust Officer will gladly help you interpret these printed reports.

(7) Investing for Income and Growth

The small investor should buy for Income and Growth rather than for speculation. I believe that the stocks of public utilities offer the best such opportunities. Later on, you can learn to buy for profit.

(8) Consider Companies Owning Land and Natural Resources

The government can print unlimited amounts of bonds and money; corporations can print more stock certificates and build more plants; but only God can make more land, oil, gas and minerals.

(9) Importance of Character

The value of stocks depends very largely upon the managements. This is something you must talk over with your banker. The manuals, card files, and other publications of the trust officer do not disclose the character of the managements. Managements are apt to be the best in companies producing useful products rather than in the liquor business, for instance, or even in companies dependent upon fashion and other intangibles.

(10) Importance of Correct Timing Stock prices have always moved in cycles of several years' duration. Each cycle consists of four periods: Prosperity, Decline, Depression and Improvement. Your banker will tell you it is unwise to buy for profit in a period of prosperity, as at present, or even a decline. Wait for a depression when your friends are all bearish and the future looks dark. Such a time will come again, to be followed by improvements and a period of great prosperity.

Events Out of the Past

ONE YEAR AGO . . .

In one of the largest votes polled in recent years Donald B. Lawrence was elected Monday to a three-year term on the Northville board of education.

With 784 votes cast, Lawrence rolled up a one-sided victory over Robert J. Herter, 593 to 188.

The school year in Northville will close tonight when nearly 100 seniors bid farewell to their alma mater in commencement exercises at the Northville community building.

A squeeze on Novi school district finances developed last week and may force either a curtailment of school services next year or a request for additional tax money from residents of the district.

The squeeze developed last week when the county tax allocation board authorized the Novi district to levy 7.93 mills next year — nearly three mills less than the 10.81 on which Medlyn had based the budget.

The sports year ended at Northville high school this week with two more trophies tucked away and a handful of individual performances jotted down in the record book.

In six sports, the Mustangs won two crowns, took three seconds, and settled for a fourth.

FIVE YEARS AGO . . .

Seventy-two Northville high school seniors will walk proudly across the stage of the new community center tonight (June 10) to receive diplomas testifying to the passing of an important milestone in their lives. Barbara Prunty will give the valedictory.

Mr. and Mrs. Wilfred Becker, 543 Dubuare, breathed easier Monday night, assured by the village commission that they no longer would have to worry about street traffic going through the living room of the house they purchased in December.

Following a two-week investigation, Comm. Earl Reed reported to the commission that apparently the village has no clear title to a strip of land 24 feet wide on the south side of Dubuare street which was

shown on the assessment rolls as having been given to the village in a street widening project years ago.

Walled Lake voters Tuesday adopted a city form of government, and backers of the movement were elated as plans were immediately instituted to decide upon the actual form the new status will take.

Novi Township's attempt to establish a police department has failed because of a ruling by the state attorney general that only justice fees can be retained from fines levied. No other funds are available.

A full schedule of events for the annual "Summer of Fun" program has been prepared by Stanley Johnston, director of recreation. Johnston, a Northville high school coach, replaces Wilson Funk, who resigned recently after directing the recreational activities for the past several years.

FIFTEEN YEARS AGO

The people of Northville responded by the news of Invasion Day by going into the various churches of the village for prayers of supplication, asking for the protection of their loved ones in service and for the early realization of a just peace.

The Northville Record celebrated its 75th birthday on June 6.

Dean Griswold of Dunlap street plans to go to East Lansing to attend the Patriarchs' luncheon, one of the annual events of graduation at Michigan State college.

Because he is the oldest living graduate of the college, Dean holds the Patriarchs' cane, having already had it in his possession for the past two years. He was a member of the graduating class of 1875 and is now approaching his 92nd birthday.

Novi tenth grade graduates were Marcella Bays, Donald Birmingham, Irene Fox, Marion Ganzer, Robert Hines, William Klaserner, Fred LaPlante, Gene Monger and Clarence Smith.

David Amerman, Perry Graham and James Howarth, members of the Northville junior class will go

to East Lansing this summer to attend Wolverine Boys' State.

PEGGY ANN Blake and Nelson C. Schrader, Jr. were voted the most popular girl and boy at Northville high school. Both planned to enter the University of Michigan next fall (1955).

Bringing to a close the high school careers of 48 seniors, the largest class ever to be graduated from the Northville high school received its diplomas from R. H. Amerman, superintendent of schools at commencement exercises held in the Wayne county training school auditorium June 7.

Miss Evelyn Kimmel delivered the valedictory address. The commencement program was in the form of a three-act play, written by two senior girls, Miss Alice Boelens and Miss Eleanor Grosvenor. Miss Catherine McKenna very ably took the part of the reader, describing each scene.

Collection of approximately \$40,000,000 in delinquent taxes accumulated during 1932 and prior years was the enormous task confronting Jacob P. Sumeracki, Wayne county treasurer.

With the victory of Jack McLoughlin in a golf tournament meet in Grand Rapids, Northville high school earned its second state championship in the 1934 season.

The other winner of a state championship was Henry Hoffman, who brought home the medal for pole vaulting at the state high school meet at Michigan state college.
