

**HOME AND HAPPY** — Nine-year-old David King, who came home from the hospital Sunday, proudly shows off a model racer he learned to make while he was a patient at Sinai hospital. A model of the jet which crashed behind his home stands on the table.

## David Home from Hospital; Now He Wants to be Pilot

"Sure, I want to be a pilot — helicopter pilot," he said while fingering a model of an RF-44F Thunderbolt.

David King, 9, came home Sunday morning, anxious to see the back yard where a real Thunderbolt crashed May 1, and seriously burned he and his three-year-old sister, Elizabeth.

Both children suffered second and third degree burns as the jet fighter exploded, scattering flaming fuel

and metal throughout the neighborhood.

Elizabeth still is in the hospital, but she is improving rapidly, her parents report. She may come home in a few weeks. Right now she is too busy caring for her dolls to be lonely.

David looks and feels fine — although he is a little pale from the lack of sunshine. His facial burns are open, but rapidly healing.

Despite the memories, painful burns, operations and 40 days in the hospital, David is cheerful and obviously happy to be home.

He spends much of his time building models of jets similar to the model of the Thunderbolt given to him by his good friend Major John L. Moutier, pilot of the jet that crashed.

David was interested in airplanes before the crash, but since then he has grown even more interested. He doesn't want to be a jet pilot though, his mother said, but rather a helicopter pilot to fly rescue missions.

The fourth grader, who must soon begin to make up the schooling he missed since the crash, has already been on a very important "rescue mission."

He stayed behind to help his sister out of a hole while flames from the jet ate away their clothing.

"Bethie's (Elizabeth) foot was caught under a root in the hole. She was stuck," David told his father, Police Chief Eugene King, at the hospital.

"I'm a junior policeman, daddy, and you're supposed to help others just like the teacher says."

# Downs' Tribute, Jamaica Trip Award Highlight Celebration Today, Saturday

## New Well Boosts City Water Supply

### Plan Hearing Friday On Zoning Revisions

Northville's planning commission will hold a public hearing Friday night on amendments to the text of the city's zoning ordinance and to establish certain zoning in newly annexed areas of the city.

Chairman T. R. Carrington stated that the planners have been working on the revision of the language, terminology and provisions of the ordinance for nearly a year. The changes have been recommended by the city's planning consultant, Waldemar Johnson.

Zoning recommendations include R-1 in Yerkes Estates and Northville Heights, creation of an R-1-S (suburban residential) district north of Hill between Center and Novi and north of Maplewood to the city limits, R-2 (two family) southeast of Yerkes Estates No. 1, R-3 (multiple dwelling) west of the new Novi road and north of the new Eight Mile cut-off east of Yerkes Estates, and M-1 (light industrial) in the vicinity of the railroad and Eight Mile road.

The hearing will be held at the city hall at 8 p.m.

### To See Tigers Play

Patrol boys and service girls from Main Street and Amerman elementary schools will attend a Detroit Tigers baseball game June 29.

Richard Kay, principal of Amerman, said the boys and girls will be the guests of the Detroit Baseball company in appreciation of their work throughout the school year.

Buses will leave for Briggs stadium from the community building at 11:30 a.m. Children are advised to eat before leaving for the stadium.

Northville's ban on lawn sprinkling until late evening was lifted this week as the city's newest supply of water came into use.

Two weeks ago the long dry spell brought the city's reservoir to such a low level that City Manager John Robertson ordered an immediate daytime ban on lawn sprinkling. The city's two wells were unable to supply water fast enough to meet the demand, causing a steady drop in the reserve reservoir supply.

This week a temporary pump was installed in the city's new Novi road well site. The new source will double the city capacity.

Development of the new well site is part of the city's \$300,000 water system improvement program approved by voters last month. In addition to the new well the city will replace small water lines, add new lines to eliminate deadends in the system, construct an elevated storage tank to improve storage capacity as well as pressure in some areas, and improve the color, taste and odor of the water.

The complete improvement program cannot be undertaken until the city receives permission to sell bonds by the state municipal finance commission. Final approval is expected in about a month.

## County, City Agree On Library

Northville learned officially this week that its library will not be closed July 1 as previously threatened by the Wayne county library board.

Assurance by the county that service would continue came in the form of a letter from County Librarian Walter H. Kaiser, who acknowledged receipt of a partial payment by the city of last year's library bill. Earlier a letter from Kaiser had warned the city that unless some assurance of financial support was received the county would cease operation of the local library as of July 1.

The county action was prompted by the city council's decision to drop the \$9,000 library fee due Wayne county for 1959 from the budget. The county answered this action with a bill for \$13,368.20 — payment for 1958 service totaling \$8,000 and for 1959 up to July 1.

Last week the council replied to Kaiser's letter and indicated that the city would continue to support the library. A check for \$2,672.71 was included in the letter — one-third payment for 1958 (as per terms granted by the county).

Librarian Kaiser offered the co-operation of the library board in assisting the city council in studying the local library costs. Mayor A. Malcolm Allen has appointed Councilman John Canterbury to make a study and determine what action to take to provide relief for the increasing library cost.

Under the county formula for payment (determined by the ratio of assessed valuation to population) Northville's yearly fee has jumped from \$2,000 to \$9,000 in four years. Councilman Canterbury has suggested that the library cost might be lowered by (1) changing the formula, (2) reducing library services and (3) charging more to users (by issuing cards).

A suggestion by the council at budget time that the library might be closed because of its high cost brought an audience of 75 residents along with letters, a petition and ballots of protest to the last council meeting. The council assured residents that the library would be maintained.

Northville's Downs Days celebration reaches its climax today (Thursday) and Saturday.

The action begins with a 1 p.m. parade of horses, sulkies and band music through town and continues at the track during the afternoon.

Highlights of the tribute to the opening of the 16th season of harness racing here include:

— Thursday — 1 p.m., parade on Main street; entertainment, free races and prize awards from 2 until 4 p.m. at the Downs' grandstands;

— Thursday — 8:30 p.m., Northville night at the Downs featuring the "City of Northville Pace" and special awards;

— Saturday — 7 p.m., on Main street, awarding of 10 prizes including trip for two to Jamaica.

The promotion has been jointly sponsored by the city, retail merchants association and the Downs. Alfred Smith is

## Betting, Attendance Off In Harness Opening

Northville Downs followed the pattern set at Hazel Park as attendance at the first two nights of the 16th season here showed a drop of approximately six percent.

Betting was down proportionately.

Monday night 4,679 fans bet \$226,929 in the opening evening of the 36-night meet. On Tuesday night 3,697 harness fans bet a total of \$189,356.

In 1958 the first night attendance was 4,885 with a handle of \$240,840. The second night of the '58 season attracted 4,011 fans and a handle of \$199,288.

Last year's opening nights were "fair and warm." Downs Executive Manager John Carlo points out, while Monday and Tuesday nights were both cool.

One accident, not serious, marred Monday night's opening. Driver Jerry Niekirk was cut and shaken up when Even Tide fell on the first turn of the sixth race. Niekirk returned to place third in the eighth race.

The big attraction of the first week of racing at the Downs will be the \$11,392 H.T.A. Pace on Saturday night.

It is the seventh and final qualifying leg of the rich event sponsored by the Harness Tracks of America at various midwest and eastern tracks. The local event is expected to attract eight or 10 of the nation's standout four year olds.

Among those expected to compete are Linda's Indian, Curley Smart's O. F. Brady, Esquire Direct, Lynda Soangler, 52nd Street, Winnow, O'Brien Hanover, Rhythm Time, Prudence Adios, William Way and Saunder Mills' Fleet Byrd.

### Trash Collection Begins Monday

City residents can leave their trash in the basement, garage — or wherever they keep it — this Friday.

There will be no city trash collection.

But beginning Monday morning trash will be collected each Monday throughout the entire city. Collection of trash has been contracted to the same firm collecting garbage to relieve city public works crews.

Residents are asked to have trash at the curbs. Collection will begin at 8 a.m.

### City Studies Bids For Police Car

City councilmen passed along five bids for a new police car to the police department this week for study. It is expected that the council will act upon the department's recommendations at a special meeting next Monday night.

The council opened the bids Monday night. They were as follows: Gib Bergstrom, Studebaker Lark, \$1,225 allowance for old car, \$627.84 net; G. E. Miller, Plymouth, \$755.60 trade allowance, \$1,419 net; Bill Brown, Ford, \$750 trade allowance, \$1,387 net; Rathburn, Chevrolet, \$1,145 trade allowance, \$1,634 net; John Mach, Ford, \$902.97 trade allowance, \$1,375 net.

In other business Monday night the council indicated it would enforce the no parking ruling on streets in the track area.

Signs were posted by the police department on Wing, Center, Church, Cady, River, Beal, Yerkes and Johnson streets in the vicinity of the Downs. Specifically, the order applies to evenings during racing hours.

In a special meeting next Monday the council will hold a public hearing for the rezoning of 2½ acres on River street recently purchased by Northville Downs. The property will be zoned to permit parking of cars and trucks.

### Change Bus Stop

Police Chief Eugene King announced this week that the east-bound location of the Northville bus stop has been changed to coincide with the new location of the taxi stand.

Formerly the bus has stopped at the southwest corner of Main and Center streets. In the future the stop will be at the southeast corner of Main and Wing, King stated. On its return westward the bus will stop at the northwest corner of Main and Center as usual.

general chairman of the Downs' tribute, while Roy Stone, Fred Kester and Carl Johnson have represented the merchants in staging the event.

Mayor A. Malcolm Allen, councilmen and members of the official family along with Downs' Executive John Carlo, Driving Club President Dr. L. W. Snow and Racing Commissioner James Inglis are expected to take part in the events at the Downs.

Orlo Owen, manager at Wolverine Raceway and formerly operations manager at the Downs, will serve as master of ceremonies for the afternoon program.

The parade will form at 1 p.m. at Beal and Main street. New cars furnished by local dealers will lead the parade carrying officials of the city, Downs, Driving club and committee members. The high school band, fire engine, trucks displaying the prizes to be given away, and horses and sulkies representing 10 or more stables will complete the procession.

The parade will march from Beal up Main to Wing street and then south to Fairbrook and to the track.

At the Downs special musical entertainment will be provided by the high school orchestra and a quintet of television personalities — "Karen Mac and the Men". Karen McAllister,

Downs Announces \$2 Million  
Improvement Program  
See Pages 10 and 11

nine-year-old daughter of Mr. and Mrs. William McAllister of Northville township, is the featured vocalist of the group. They appear regularly on the WXYZ-TV "Holiday House" program.

In addition three special races will be staged. Master of Ceremonies Owen will explain the events and provide background information on harness racing.

Six of the "Downs Days" prizes will be awarded at the Thursday afternoon program. Only persons in attendance will be eligible to win. The prizes are a power lawnmower, portable television, outdoor barbecue grill, girl's and boy's bicycle and a chaise longue.

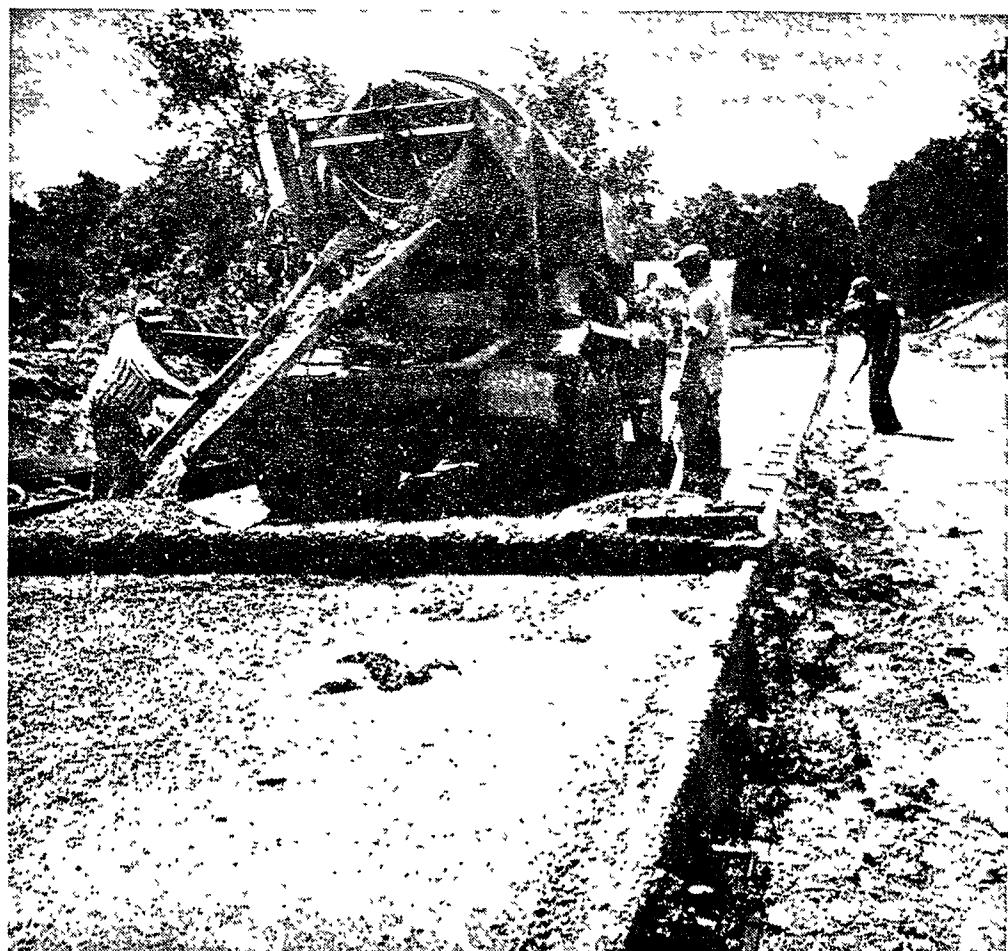

The children won't be forgotten, either. There'll be a special "candy hunt" with prizes to lucky youngsters to climax the afternoon program.

Tonight will be officially proclaimed "Northville Night" at the Downs and Mayor Allen, Manager Carlo and Co-Chairmen Smith and Stone will participate in the presentation of a blanket to the winner of the "City of Northville Pace".

City officials and retail merchants are urging local residents to attend the races and lend support to the program.

On Saturday afternoon the final — and biggest — prize will be awarded. The presentation will be made at 7 p.m. on Main near Center street. Nine smaller prizes will precede the awarding of a trip for two to Jamaica. Persons must be present to win. Tickets for the prizes are being given out by 23 participating merchants. Distribution of tickets will continue until the selection of the winners Saturday.

Arrangements for the Jamaica trip are being handled by Travel Centre of Plymouth. The trip includes all expenses for two for six nights and seven days, meals, air transportation and hotel accommodations.

**PAVING STARTED** — Half of the paving project on Center street from Base Line to Carlisle was completed last week. The remainder of the project is expected to be completed within two weeks. The resurfaced street is part of the Eight Mile cutoff project.

**LOTS OF ROOM** — Chairman Alfred Smith (left) and Fred Kester of the Retail Merchants committee inspect the barrel constructed by Smith for the "Downs Days" tickets. Prizes will be awarded Thursday and Saturday.

# about WOMEN

2—Thursday, June 25, 1959—THE NORTHVILLE RECORD

## Former Local Exchange Student Takes Bride in Bay City Rites

Former Northville high school exchange student from Germany, Karl-Heinz Wuerschling, and Lillian Marie Hoffman, were married Saturday in Bethel Evangelical Lutheran church, Bay City.

The bride is the daughter of Mr. and Mrs. Wolfgang Hoffman of Bay City. The groom's parents are Mr. and Mrs. Karl Wuerschling of Offenbach, Germany.

The Rev. Martin C. Schroeder performed the candlelight ceremony. Organist Miss Nancy Pett of Bay City accompanied the vocal selections of Miss Vyda Mae Harris of Grosse Pointe Woods.

Given in marriage by her father, the bride wore a gown of chantilly lace over satin with scalloped sash and neckline edged in iridescent and seed pearls, fashioned with fit-

ted wrist point sleeves, a molded bodice and full floor length skirt with knife pleated tulle panels and chapel train.

Her matching seed pearl and iridescent cap was secured to a fingertip veil. She carried a cascade bouquet of white roses, ivy and streamers.

Maid of honor was Patricia Tasker of Bellevue. Bridesmaids were Marlene Honold of Bay City and Mrs. Roy Stone of Kalamazoo.

The attendants were gowned identically in waltz-length dresses of sheer white nylon over taffeta, fashioned with scoop necklines, tucked bodices and knife pleated skirts and accented with ice blue sashes and accessories.

Their white picture hats were touched with blue and they carried white roses and blue daisies.

For her daughter's wedding, Mrs. Hoffman selected a dress of ice blue lace and white accessories.

Best man was James Littell of Northville. Groomsman were Herbert Licht of Bay City and Roy Stone of Kalamazoo. Assisting ushers were Paul Grein and Thomas Wood of Bay City.

A reception for 400 guests was held at Bangor township hall. Relatives and friends came from Northville, Bellevue, Coldwater, Constantine, Marne City, Detroit, Grosse Pointe Woods, Centerville, Saginaw, Kalamazoo, California, Colorado and Minnesota.

The bride is a graduate of Western Michigan university. The groom attends Western, where he is a member of Gamma Theta Upsilon honorary geography fraternity.

The newlyweds will make their home in Kalamazoo.

Karl, or Charley, as we was known by his Northville classmates and friends, arrived in this country with the first group of foreign exchange students eight years ago. After graduation from Northville high school, he returned to Germany and the following year came back to Northville and entered Western Michigan university.

## Plymouth Symphony Has Unique Summer Program

A two-concert Handel Music Festival will provide the unique and ambitious offering of the annual Plymouth Symphony summer series this year.

The festival, to be held two consecutive Sundays, June 28 and July 12, is part of the world-wide commemoration of Composer George Friderick Handel on the 200th anniversary of his death, and will be the only one to be held in the Detroit area.

The concerts will be performed by an all-string orchestra of more than 70 pieces, including guest musicians from the Detroit Symphony, the Ann Arbor Symphony, and the Detroit Women's Symphony, under the direction of Wayne Dunlap.

The German-born composer (1685-1759) gained recognition for his creative genius while a young man and during his life enjoyed respect and popularity throughout Europe and acquaintance of many renowned artists in the operatic field.

During his prolific career, Handel produced some 46 operas, 21 oratorios, more than 100 large vocal works and many dramatic, instrumental and orchestral compositions. Even as a blind man (he lost his sight at 68) he continued to work.

Undoubtedly the best known of Handel's creations is the oratorio, "The Messiah", written in only 24 days.

The festival programs are as follows:

June 28 — Festival Music from "Alcina".

Concerto in F major, Op. 4 No. 5, for organ and strings, Gordon Wilson, soloist.

Concerto Grosso in G major, Op. 6 No. 1, for strings and harpsichord, Emily Mutter Adams and Nathalie Dale, violins; Douglas Marsh, 'cello.

Arias "Care Selve" from "Atlantia"; "Arm, Arm Ye Brave" from "Judas Maccabeus"; "Where'er You Walk" from "Semele"; "Why Do the Nations" from "The Messiah"; Robert Kern, baritone.

Concerto Grosso in G minor, Op. 6 No. 6 for strings and harpsichord, Emily Mutter Adams, Nathalie Dale, violin; Douglas Marsh, 'cello.

July 12—Suite from "Xerxes".

Concerto in F major, "The Cuckoo and the Nightingale" for harpsichord and strings, Joyce Beglarian, soloist.

Concerto Grosso in E minor, Op. 6 No. 3, for strings and harpsichord, Emily Mutter Adams, Nathalie Dale, violins; Douglas Marsh, 'cello.

"Look Down Harmonious Saint", Richard Miller, tenor.

Concerto Grosso in D major, Op. 6 No. 5, for strings and harpsichord, Emily Mutter Adams, Nathalie Dale, violins; Douglas Marsh, 'cello.

The programs will begin at 6 p.m. and will be held in the orchestra shell on the Plymouth Colony Farms, two miles west of Plymouth on Joy road. They are admission free.

Another special feature of the festival will be a lecture on the life and works of Handel which will be given at 8:15 p.m. Tuesday, June 23 by Dr. William Weichlein, in Dunning-Hough library, Plymouth. Dr. Weichlein, U-M faculty member and program annotator for the symphony, will discuss some of the concert selections.

Families wishing to combine an afternoon of picnicking with the evening's music, have a large picnic area available. The site will be sprayed against insects.

## CYO to Present Two Plays Friday

Members of Our Lady of Victory branch of the Catholic Youth Organization, will present their first public program Friday, with the performance of two one-act plays, "The Red Lamp" by Hilliard Booth and "Little Jack Horner" by John Hershey, at 8 p.m. in the church social hall.

The cast of "The Red Lamp" are: Bill Madigan, Gordie Hubbert, Frank Bosak, Pat Mulligan, Mary Rahaley and Marilyn Modes.

Roles in "Little Jack Horner" will be taken by: Darryl Hopper, Regina McIsaac, Judy Zayti, Ronni Pietron, Peggy McIsaac and Max Dillenbeck.

Directors are the club's social committee sponsors, Bennie Zayti and Gordon Hubbert.

The local CYO was formed two years ago and includes 80 members. Tickets are available at the door.

Kathleen Farley, daughter of Mr. and Mrs. Merle Farley of Thayer boulevard, was feted at a graduation buffet supper last Thursday, attended by some 75 friends and relatives.

## B.P.W. Fetes Its "Miss" at Annual Dinner

Northville's Business and Professional Women closed their 1958 club season last Wednesday with a dinner meeting at Plymouth's Arbor-Lil restaurant.

A highlight of the occasion was the presentation of the annual Miss BPW award and plaque to Northville high June graduate, Joan Baskins, daughter of Mr. and Mrs. Beryl Baskins of Waterford avenue.

Selected on the basis of being the high school graduate "best prepared" for a career in business, Joan received a plaque and \$150 toward her future studies.

She plans to enter Burroughs business school this summer.

Newly installed officers for the coming year, President Miss Margaret Rager, Vice President Mrs. Harvey Ritchie, Recording Secretary Miss Eleanor Martz, Corresponding Secretary Mrs. Marion Foss and Treasurer Miss Leona Parmalee, formally presided at their first club function at the dinner.

Attending the wedding of Karl-Heinz Wuerschling and Lillian Marie Hoffman in Bay City Saturday were Mr. and Mrs. James Littell, Mr. and Mrs. M. C. Gussell, Mr. and Mrs. Elmer Wilson, Mr. and Mrs. Charles Carrington and daughter, Ruth, and Mr. and Mrs. T. R. Carrington.

MISS BPW — Joan Baskins receives her award plaque from President Margaret Rager at the BPW season's closing dinner Wednesday night.

## NEWS AROUND NORTHVILLE

Carolynn Burkman, daughter of Mr. and Mrs. John Burkman of Baseline road, has enrolled in summer school at the University of Michigan. Carolynn, an English and speech major, will be a senior this fall.

Mrs. William Chizmar and sister, Mrs. Charles Patterson, hosted a miscellaneous bridal shower last Wednesday for Joyce Alkire, in the Patterson's Bellevue home. Joyce, the daughter of Mr. and Mrs. Olen Alkire, will be married July 3 to Dick Mitchell, son of the Melvin Mitchells, on the wedding anniversary of both their parents.

Mrs. Russell Clarke of Fairbrook avenue is staying with her sister-in-law, Miss Ruth Clarke, in Sault Ste. Marie.

The Fred Gotts of West Main street entertained the Rev. Donald R. Good and family and Mrs. Betty Brundell and family of Farmington at a dinner Saturday night.

The Alfred C. Parmenters of Thayer boulevard and children, Pam and Sandy, are vacationing at their cottage on Wolverine lake.

Sandy Strasen, daughter of Mr. and Mrs. Alfred Strasen of West Six Mile road, is visiting Mr. and Mrs. Alfred Januale in Long Island, New York. She expects to return by way of Buffalo to visit her college roommate, Claire Rupp.

Mr. and Mrs. L. L. McCarthy and children, Leah and Richard, of Clement road visited relatives in Boston last week.

Larry Gotts, son of Mr. and Mrs. Fred Gotts of West Main street conducted the Sunday service at Willow Run Faith Lutheran church this week.

Cheryl Lach, daughter of Mr. and Mrs. Joseph Lach of North Center street, is a patient at New Grace hospital. She has been hospitalized for a week.

Mrs. Robert Boyd and daughters, Judy and Vicki, and Laura Bell, daughter of Mr. and Mrs. Boon Bell of Bradner road, visited Greenfield Village Sunday.

Father's Day dinner guests of the George Prices of North Center street were their children and grandchildren, Mr. and Mrs. G. Merrill Emery and daughter of Detroit,

Mrs. Curtis Myers and family of Mt. Clemens, Mr. and Mrs. Eber Lester and son of Mt. Clemens, Mr. and Mrs. Charles Heiney and family of Plymouth, Mr. and Mrs. Lawrence Parmenter and family of Plymouth and Mr. and Mrs. Earl Collins and family of Plymouth. Mrs. Myers and her children will also spend a few days here as houseguests of Mr. and Mrs. Price.

Leaving this week end for a summer vacation at Camp Davaja near Brighton will be John Miller, son of Mr. and Mrs. John Miller; Paul West, son of Mr. and Mrs. Milton West; Ricky Davis, son of Mr. and Mrs. Richard West and Tom Wright, son of Mr. and Mrs. Lawrence Wright.

Mrs. J. W. Cheetham of Thayer boulevard entertained her bridge club this week. The group had lunch

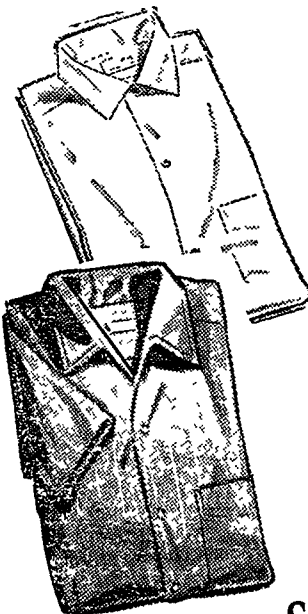

at the Mayflower Hotel and returned to the Cheetham home for cards.

Mr. and Mrs. Maxwell Austin of Walnut street returned from a trip to Illinois. They attended the wedding of Tom Johnson and Emily Rhoads in Chicago and visited relatives in Chicago, Barrington and Glenview.

Dr. Leonard R. Howard left June 19 to participate in the Air Force Medical Officers Training program at Gunter Air Force base, Alabama. After the four weeks training program he will be stationed at Schilling Air Force base, Salina, Kansas.

Mrs. John Angell of Meadowbrook road entertained a group of classmates Monday evening in honor of Mrs. Barbara Keating (nee Barbara Prunty) who was visiting her family.

quaintance."

—Samuel Johnson

ALL TEN McLAUGHLINS and their friendly German Shepherd "Ritter" fall in for a neighborly greeting. They are (front row, left to right): Ellen, Joan, Christopher; (second row): Katherine, Allison, Frederick; (back row): Matthew with Dad, and Ruth with Mother.

Northville's package offer of coun-  
try living and city convenience was  
just what the A. F. McLaughlins  
were looking for in a home site.

The former Philadelphians, who  
moved here May 10 were also con-  
vinced that a rural locale was ideal  
for raising their eight children:  
Frederick, 7; Allison, 6; Katherine  
Ann, 5; Christopher, 4; Joan, 3;  
Ellen, 2; Matthew, 19 months, and  
Ruth, 6 months.

Both Mr. and Mrs. McLaughlin  
are natives of Michigan and attend-  
ed schools in Detroit. Mr. McLaugh-  
lin graduated from Sacred Heart  
Seminary, and did post graduate  
study at Mt. St. Mary of the West  
college in Cincinnati.

He is now group manager for the  
Great West Life Assurance com-  
pany in Detroit.

The McLaughlins' attractive old  
frame house on East Eight Mile

road is furnished in part with the  
antiques they like to collect.

—Mr. McLaughlin also enjoys wood-  
working as a hobby.

The family are members of Our  
Lady of Victory church.

The three school-age children are  
enrolled in Orchard Hills school.  
Fred will be in the third grade this  
fall, Katherine in the first and  
Christopher in kindergarten.

CELEBRATES 92nd BIRTHDAY — Mrs. Eliza Turnbull of London, Ontario, is pictured here with her children last week while celebrating her 92nd birthday. With her (left to right) are: her great-grandson, Robert; grandson, Bruce, and son, Clifford. Two other sons, a daughter, a brother, and two of her sisters are still living. Mrs. Turnbull also has seven grandchildren and 15 great-grandchildren.

## Plymouth Couple Wed

Beatrice Grace Wicker of Detroit  
and Richard Charles Wiltse of Ply-  
mouth were united in marriage by  
Justice E. M. Bogart Saturday eve-  
ning, June 20. Mr. and Mrs. James  
C. Wiltse of Livonia were the at-  
tending witnesses.

## To Discuss City Incorporation Tuesday

## Novi Association to Petition For Village Zoning Referendum

Officers of the Novi Civic Improvement association were to meet with the village clerk yesterday to get approval of a petition calling for a referendum vote to suspend the zoning ordinance passed last week by the village council.

G. H. Froebel, president of the association, said Tuesday the petition would be circulated as soon as the petition met with the approval of the clerk.

The association decided to petition for a referendum vote after its battle against rezoning the 120-acre Heslip farm ended in a 4-1 council decision to change the Nine Mile property to an industrial classification.

Arthur J. Heslip, owner of the property located at 42680 Nine Mile road, originally submitted the zoning change request early last winter.

The planning board held a public hearing in April and then voted 7-1, recommending the zoning change.

A petition for a referendum vote must contain signatures of 15 percent of the registered village electorate — or approximately 300 names.

Froebel anticipates no problem in

securing the necessary signatures, since an earlier association petition, which asked the village not to change the zoning classification, contained 318 signatures.

The association president said the petition containing the signatures probably would be ready for submission to the clerk within a few weeks.

Since under the charter the council may hold the referendum vote at the next regular or special election, Froebel said, "It is my opinion that they probably would hold it on September 15" — the date of the special election on city incorporation.

Last week a large group of property owners living in the southern section of Novi township agreed to incorporate the Novi Civic Improvement association as a permanent non-profit organization "for the purpose of acting effectively and aggressively on matters of general civic concern."

"It is our desire and intention," Froebel stated, "to invite all interested individuals and groups of the entire township to join or cooperate with us in solving community problems."

Preliminary exploratory committees were selected to study objectives and methods of dealing with community issues and to develop plans for action on current problems.

C. A. Smith, publicity director for

the association, said every effort will be made to acquaint interested residents with the aims and activities of the group as they develop.

An earlier association release said the group is "dedicated to the preservation and enhancement of property values in the village of Novi through the wise long-range development of the natural assets of the village."

"And to the promotion of the general welfare of home-owners, business and professional people, and manufacturers of the village through the recognition and protection of the interests of each group for the ultimate maximum benefit of all."

Later Froebel said his group, which had the initial function of fighting the rezoning request, was ready to contribute what it can for the development of Novi.

ROBERT ANDERSON, re-elected president of the Novi Rotary club last week, will be installed along with other elected officers at noon today at Aratoga Farms. Also re-elected were George Kenyon, secretary, and Lee BeGole, treasurer. Newly elected were Bill Medlyn and Rex Hoffman, directors, and George Burrows, vice president.

## Municipal League Man To Speak at Meeting

Jerry Godwin, staff assistant with the Michigan Municipal League and editor of the Michigan Municipal Review, will be the principle speaker Tuesday night at a public meeting to discuss city incorporation.

The meeting, scheduled to begin at 8 p.m. in the community building, is sponsored by the city incorporation committee, backbone of the movement to change Novi from village to city status.

The incorporation question will be decided by village residents in an election Tuesday, September 15.

According to James Mitchell, chairman of the committee, everyone — including those people opposed to incorporation — are encouraged to attend.

Godwin will talk on "The Advantages and Disadvantages of City Incorporation from A Village". He plans to use charts and base his talk on two publications put out by the Municipal League.

The speaker holds an MA degree in government management and a BA degree in public administration from the University of Denver. He has been on the Municipal League staff for the past three years. Previously he was the administrative assistant to the city manager of Birmingham for one year.

Godwin will conduct a question and answer period after his talk.

In addition to the informative portion of the public meeting, Mitchell said, a campaign committee will be formed to "carry the facts to the people."

Many people, the chairman pointed out, are inclined to vote against an issue because they are not fully informed of the facts. "Therefore we feel it is the responsibility of this committee to inform the people so that they can properly evaluate the issues and vote intelligently."

Refreshments will be served after the meeting. The resolution setting the election date won the unanimous approval of the village council last month. In approving the resolution, the councilmen may be voting themselves right out of office.

However, they had no alternative but to set a date. Village Attorney Howard Bond told them they were required by law to set an election date because the petitions submitted by the city incorporation committee contained more than the necessary signatures of Novi property owners.

The September 15 ballot also will ask voters to elect a nine-member charter commission to write a new city charter should the change in status win approval.

If Novi votes to become a city, another 90 days is allowed to prepare the charter. The charter, along with a slate of new city candidates for the council, would then come up for another vote.

The earliest Novi could become a city then would be in early 1960.

Councilmen set the election day for September to assure a maximum village vote. Earlier summer dates were considered but discarded because many Novi residents will be on vacation during the summer.

Candidates for the charter commission have until August 15 to file petitions. August 15 also is the last day for residents to register with the village for the election.

Village Clerk Mrs. Charles Wallace said Tuesday that no petitions for the charter commission have been filed.

However, Councilman Russell Button, who offered the incorporation step as a solution to village-township differences during the annual township meeting in April has said he will seek election to the charter commission.

The only other announced candidate for the charter commission is Herbert Koester, one of the nine persons who circulated incorporation petitions.

As requested by the petitions, the election will call for a city without change of present village boundaries. The city would exclude the Northville Estates and Brookland Farms subdivisions located in Novi township but not in the village.

## Goodwill Truck Pick-up Planned Here Tomorrow

The next visit of Goodwill Industries pick-up trucks to Novi, South Lyon and New Hudson is scheduled for tomorrow.

Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call GE-8-3971.

## Consider \$10,000 Down

A township board committee is expected to meet soon with Wixom representatives to negotiate a plan for payment of the division of assets.

Novi Supervisor Frazer Staman and Clerk Hadley Bachert have board authorization to negotiate a plan for a cash settlement of half of the \$20,000 owed to Wixom. The other half would be paid later.

The officials were given the authorization at a recent board meeting after a decision not to turn over fire equipment to Wixom in lieu of a cash settlement.

## Wixom Loses Battle To Change Equalization

The city of Wixom will have to be satisfied with its first county equalized assessed valuation of \$18,982,952.

An appeal filed by the city on May 11 for alleged discrimination was denied last Friday by the state tax commission.

The county equalization board upheld its 1.94 factor maintaining that the county equalizes at close to 50 percent (of estimated value) and that Wixom used 25 percent. Therefore, the city valuations were equalized up to the county level (by a 1.94 factor). Mayor Stadnik insisted that county assessors had indicated that Wixom's 25 percent level was equal to 31 percent under county standards.

The state tax commission's report on the appeal stated "after reviewing the report of its field division and the facts presented at the hearing in the Oakland county office building on June 17, 1959, the state tax commission concluded that the allegation of discrimination in the appeal of the city of Wixom was not well founded."

Wixom's protest was filed by R.W. Lahti, city councilman and Wixom's representative on the Oakland county board of supervisors.

Under a reappraisal program undertaken last winter by the city of Wixom the city's assessed valuation was raised to \$9,763,920. This represented a boost of approximately \$450,000 over 1958. Mayor Joseph Stadnik had hoped that the reappraisal of property would bring

## Senator Lodge Speaks at Picnic

State Senator L. Harvey Lodge of the 12th Senatorial District was the guest speaker at the first annual Novi Republican club picnic Saturday afternoon.

Approximately 30 persons attended the picnic held at the home of Mr. and Mrs. Glen Buffmyer, 45945 South Pontiac trail. Mrs. Lodge also attended.

The senator's "off-the-cuff" remarks concerned suburban living and thinking. He stressed the importance of neighborhood friendliness.

On the subject of welfare, Lodge said too many people were taking advantage of welfare programs. Many of these people, he pointed out, could find work but prefer to get "free aid."

"You should care for your own families — and not be dependent upon the government so that it cannot dictate your way of life."

"You never get something for nothing," he added.

Lodge also spoke briefly on civil service, equalization, and the proposed one-cent tax bill.

George McCullum, 45700 West 11 Mile road, was the winner of a power lawnmower given away at the picnic.

The next meeting of the Republican club will be held at 8 p.m. July 6 at the Novi community building.

## Abandon Plans For Trailer Court

Plans for a Grand River trailer court have been abandoned because of "too much opposition".

Village Manager Fred Olson told The News yesterday that Mr. and Mrs. Andrew J. Pietras have withdrawn their request to rezone some 11 acres of their property to permit the erection of a trailer court.

The trailer court would have been located off Grand River between Seeley and Haggerty roads.

They withdrew their request, Olson said, because they felt there was too much opposition to it — and they did not want to create ill will among their neighbors.

A public hearing on the rezoning matter was postponed Monday night when the planning board was unable to muster a quorum. Mr. and Mrs. Pietras were not present.

The public hearing scheduled for next Monday has been cancelled because of the Pietras' decision. However, the village planners still plan to meet to discuss regular business. The public is invited.

## Bachert Joins Firm As Real Estate Salesman

Hadley Bachert, 43455 Fonda, has joined the Novi Realty agency as a real estate salesman. The agency is owned by Frank Watza.

Bachert, re-elected township clerk under the Republican banner last winter, holds a business school degree. He received his real estate license this spring.

## Spunky Chubbies Fight Fat With Calculated Inspiration

Memo to the Michigan legislature: Twenty Novi women, all members of TOPS, don't start worrying about their treasury until it starts growing. In fact, they're mighty happy when it starts dwindling.

"When our treasury goes down we know our organization is succeeding in Taking Off Pounds Sensibly," Mrs. Margaret Mairs explained last week.

TOPS is a medically approved "Chubby Anonymous" organization for helping women with their weight problems. The Novi chapter, sponsored by Dr. Lyle Fettig, was formed one year ago by 10 not-so-thin Novi women.

Sitting at the kitchen table last year after a "little snack," Mrs. Mairs and Dorothy Cherne decided to lose weight — or get bigger. "I had read about TOPS organizations in a national magazine," Mrs. Mairs recalled, "and well, I guess we thought it was a good idea."

So the two women contacted Dr. Fettig, who told them he would sponsor such an organization if they could get 10 women to join.

It wasn't hard to come up with the names of prospective members, Mrs. Mairs said. "But of course we didn't tell them that we had picked them because we thought they needed help."

In the year since the Novi chapter was formed, the 10 charter members and the subsequent joiners have shed more than 300 pounds of fat.

Betty Cotter, who delights in the fact that she now can walk across the street without losing her breath, last week was crowned "queen" of TOPS for losing the most weight — 54 pounds.

"I'm not through yet," she insists. "I'd like to lose another 54 pounds." That would put her down around 134 pounds.

What's the secret of such a commendable record?

Group therapy and counting calories, Mrs. Mairs explained.

TOPS works a lot like Alcoholics

Anonymous, she said. "Talking about each others' weight problems helps us stop overeating. It reveals numerous causes of overeating, such as nervousness and unhappiness. "I always come away from our meetings inspired."

TOPS members meet every Tuesday night at Novi school.

Each member is weighed before the meeting begins. Women who gain weight must pay 25 cents for the first added pound, a nickel for each additional pound. Women who lose 10 pounds wear a red ribbon. Each additional 10 pounds lost earns a woman a gold star.

The average weight lost weekly by each member is one to two pounds. Members who must lose 15 pounds or more are advised to see a doctor before joining TOPS.

Regular meetings, discussions and games (no snacks) follow the weighing in.

Once a member reaches her proper weight, she is encouraged to "stick with the group". She may graduate from TOPS to KOPS — Keep Off Pounds Sensibly.

## Exploders Get Jolt

Police Chief Lee BeGole this week warned Novi adults and youngsters that his department will "crack down" on persons using illegal firecrackers in the village.

His warning was issued shortly after two Novi residents reported that someone "blew up" their mailboxes with firecrackers. State police are investigating the explosions.

Two weeks ago four Milford teenage boys were fined and placed on three-months probation for exploding an army M-80 explosive cap in a Walled Lake amusement park toilet.

## Township Park Project Underway

Installation of 35 new electrical outlets for trailer units was started this week at Novi Township Dodge Brothers Park No. 2.

With completion of the wiring projects late this week or early next, erection of road and property line fencing is expected to begin.

Total cost of the wiring and fencing project at the township park is approximately \$2,000. Clerk Hadley Bachert said this week.

Another park expenditure authorized by the township board in anticipation of heavy summer use, Bachert said, was the purchase of 25 new metal base tables which cost \$700.

In addition to the fence to be erected along the lake shore frontage for safety purposes, 35 steel posts will be spaced along the opposite side of the street. The other fence will be erected along the east property boundary.

## First Village Tax Bills Readied

The first village tax bills will be in the mail by Monday morning "for sure", newly appointed Treasurer Assessor Charles Trickey, Sr., announced this week.

Village taxes are due and payable after July 1 until August 31, 1959 without penalty. The taxes may be paid during regular banking hours at the Novi branch, National Bank of Detroit.

The treasurer's hours are: Tuesday and Thursday, 1-5 p.m.; 7-8 p.m.; alternate weeks Tuesday, 1-5 p.m.; 7-8 p.m.; Saturday, 9 a.m. to noon.

## Boost Shopping Center

Village planners will meet with a commercial developer this afternoon (Thursday) to discuss the feasibility of establishing a large shopping center in Novi.

Norman Lawton, president of Star Cutter company of Farmington, will reveal latest developments of his proposed shopping center to be located on 40 acres of land in what is now called Novi Gardens subdivision.

The subdivision property, owned by Lawton, is located behind the village-township offices, parallel with Grand River.

Although Lawton was not available for comment Tuesday, village

officials have indicated that Lawton is nearly ready to launch his shopping center project. A supermarket chain is reportedly making a survey of the area.

Recently, Lawton petitioned the court to permit him to vacate sections of his subdivision plat, presumably in anticipation of a commercial building program.

Village Planning Consultant Waldemar C. Johnson, who will be present at the meeting scheduled to start at 4 p.m., has been working with plans for the development in an effort to incorporate them in village master planning.

The shopping center plans include department and drug stores, supermarket, theater, bowling alley, and several other smaller retail establishments.

It will include a large center mall, numerous flower and shrubbery gardens, and will be surrounded on three sides by large parking lots.

The planning board, according to Chairman Harry Watson, "is heartily in accord with the shopping center plans. Novi is badly in need of this type of business and we will attempt to encourage and assist the developer in every possible way," he added.

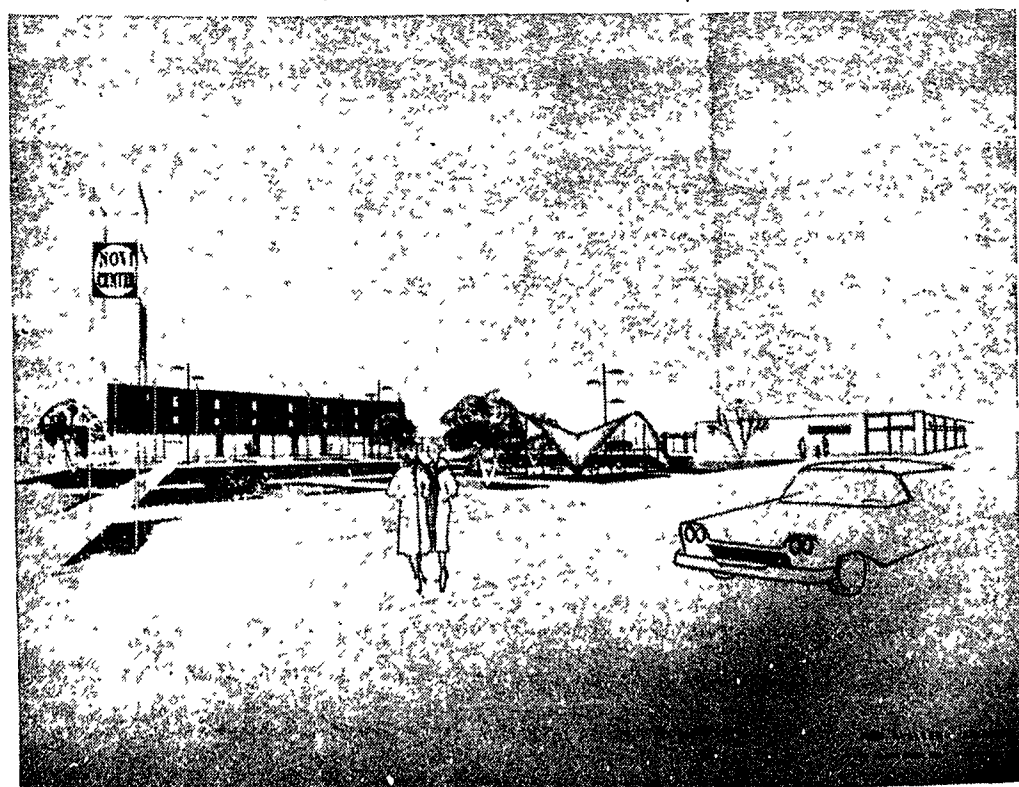

Plans for the shopping center have been considered for nearly two years. Questions of drainage and economical feasibility have been the major stumbling blocks.

These questions will be discussed in today's meeting.

Negotiations with Pontiac Osteopathic hospital to locate a new hospital on the shopping center site in place of the theater and bowling alley have been dropped, Village Manager Fred Olson said Tuesday.

The hospital reportedly had been "seriously interested" in locating in Novi. However, officials now plan to keep the present building and purchase a nearby structure to enlarge hospital facilities.

Another hospital group is interested in the site, Olson said, but he declined to name it until "something more concrete develops."

SHOPPING CENTER — The artists sketch above is a proposed shopping center to be located behind the village-township offices parallel with Grand River. Norman Lawton, president of Star Cutter company of Farmington, is the developer.

"OH NO YOU DON'T," says Margaret Mairs to Betty Cotter, "salad's okay but no cookies." Mrs. Cotter last week was crowned queen of the Novi TOPS organization for losing the most weight during the past year. Mrs. Cotter is one of the original charter members.

## NOVI HIGHLIGHTS:

## School Candidates to Speak

By Mrs. Luther Rix — Fieldbrook 9-2428

The Novi Village club is sponsoring a "Meet Your School Candidates" evening in the community building at 8 p.m. July 7. The public is invited to interview the candidates. Questions will be answered and refreshments served.

Mr. and Mrs. Harold Tuck and Patii spent the week end at Black Lake.

Mrs. Clyde Johnston was released from Providence hospital Wednesday. She will stay with her daughter, Mrs. Ted Remoin, in Farmington for a few days.

Donald Tuck has completed a short management course at Columbus university. He returned to his home in Novi Saturday.

Newcomers to Novi are Mr. and Mrs. James Haas and family of Detroit. They purchased the William Flynn home at 44911 West Grand River and Mr. Haas is in the top soil business. They wish to announce the birth of a son, George Anthony, born May 12 at Mt. Carmel hospital. They have another son, James, Jr., one year old.

Mr. and Mrs. Arthur Kreger had as Sunday guests, Mr. and Mrs. Walter Karrer of Grand Rapids, Mr. and Mrs. Orvin Smelker of Alto, Mr. and Mrs. Ivan Packard and son of Royal Oak and Mr. and Mrs. Danny Laskey and children of Taylor. The occasion was the birthday of Mrs. Kreger.

Mr. and Mrs. Alfred (Bud) Gow,

Mr. and Mrs. David O'Leary and son, Randy, and Mr. and Mrs. Edward Rix and son, David were the dinner guests of Mr. and Mrs. Luther Rix on Father's Day.

Mr. and Mrs. Rubin Ward arrived in Novi last Friday after a winter in Florida and a trip to Alaska this spring.

Mrs. William Fox of 46450 Eleven Mile road is home from Redford community hospital recovering from a spinal fracture. She had been hospitalized for some time.

Mr. and Mrs. Raymond Hammell and family left for their home at Morro Bay, California Tuesday.

Sunday guests of Mr. and Mrs. Al Harnden were Mr. and Mrs. Val Kirby, Mrs. Mary Walker and son, Mike, and Mr. and Mrs. Gail Enders, Jr. and family. They had a picnic and spent the day at the Homestead at Lower Straits lake.

Dr. and Mrs. Lyle Fettig attended the theater at Northland Playhouse Saturday evening where they saw Pat O'Brien in "Loud, Red Patrick".

Last Sunday Dr. and Mrs. Fettig took the Railroad Fun Club trip from Detroit to Jackson.

(Continued on Page 5)

## Celebrate Three Birthdays

By Mrs. George Ames — Greenleaf 4-0830

Mr. and Mrs. Cliff Farrington had a birthday party last Saturday in honor of Bill Smelt. Guests included the Smelts, Mr. and Mrs. Arlo Johns, Mr. and Mrs. Donald Simonsen, Mr. and Mrs. Art Lewis, Mr. and Mrs. James Newton, Mr. and Mrs. Harold Young, Mr. and Mrs. Walter Cavanaugh, Mr. and Mrs. Fred Hall, Mr. and Mrs. Joe Dickson and Mr. and Mrs. Carl Miller.

Susan Wharton entertained several friends at a party in honor of her tenth birthday on Saturday afternoon. Martha Hanna, Debbie Carter, Lynn McCormick, Nancy Schingee, Lillian Barton and Kathy Erwin joined in the celebration.

Last Tuesday Mr. and Mrs. Robert Bamford had a birthday dinner for Mrs. William Jackson of Detroit.

The Willowbrook III Bridge club was held at the home of Joan Gould last Wednesday evening. Joan Gould won first prize, Kay Bowman second and Jerry Galvin won the consolation prize. Sue Glass was the hostess.

Mr. and Mrs. John Parent and Mr. and Mrs. Robert McKee attended an alumni dance at U of D high school Friday evening. They enjoyed meeting old friends and dancing to the music of Ray McKinley.

Mr. and Mrs. Errol Myers spent Mr. and Mrs. H. O. Terriece spent all day last Tuesday at the "O" club on Harsen's island.

Mr. and Mrs. Robert Bamford went to Wilma's tenth high school reunion at the Bonnybrook Country club last Saturday evening.

Mr. and Mrs. Earl Myers spent the week end at the Detroit Yacht club on the yacht of Mr. and Mrs. H. O. Terriece.

Mr. and Mrs. Art Langeneckert of St. Louis, Missouri were the week end guests of Mr. and Mrs. James Wharton of Coral Lane.

Diane Morse is spending a week

end in Detroit as the guest of her grandparents, Mr. and Mrs. John Morse.

Marcy Ann, daughter of Mr. and Mrs. Leonard Uciniski of East LeBost, was baptized last Sunday at Our Lady of Victory Catholic church in Northville. Her godparents are Mr. and Mrs. R. M. LeMieux of East LeBost. After the ceremony the Uciniskis held a dinner. The guests included the baby's grandparents, Mr. and Mrs. Howard John and Mrs. Helen Uciniski; her great-grandparents, Mr. and Mrs. John Tachell, and their daughter, Betty, and Mr. and Mrs. Rex Terry and their daughter, Pam, Mr. and Mrs. Robert John and Robin and David, Mr. and Mrs. Charles Murray and Gail and Greg, Mr. and Mrs. David Mould and Mr. and Mrs. Rodney Helled.

Mr. and Mrs. William Dean and their daughter, Susie, spent the week end at Harsen's island.

## Drycleaners Issue Plastic Bag Caution

The National Institute of Drycleaning, of which Freydl Cleaners of Northville is a member, had a warning about plastic bags this week.

The institute alerted drycleaners after an Arizona physicians' report that four small children had suffocated after becoming enveloped in the clinging plastic film.

The institute has urged drycleaners to warn customers against giving plastic bags to their children as toys. The institute statement said that used properly the bags are safe and that customers have found varied uses for the bags distributed by drycleaners throughout the nation.

"Treat the bags with as much caution as headache pills, sleeping tablets, insecticides, sharp tools and flammable fluids—keep them away from children," the report concludes.

## O b i t u a r y

## CHARLES W. CHAPPELL

Former Northville resident, Charles W. Chappell of Alston, Michigan passed away June 20 at Baraga County Memorial hospital after a brief illness. Mr. Chappell, the son of Robert and Luella (Rosenburg) Chappell, was born March 18, 1904 in Lima, Ohio. His wife, the former Louise Rebb, whom he married March 17, 1928, survives him. He also leaves a daughter, Mrs. Luella Bailey of Detroit and one grandchild. Mr. Chappell worked at Maybury sanatorium for 33 years and until his retirement had made his home in Northville township for 18 years. He was a past master of Plymouth Rock Lodge F.&A.M., a graduate of Plymouth high school, and attended Michigan State university. Funeral services were held June 24 from the Schrader Funeral home, Plymouth, the Rev. M. I. Johnson, D.D. officiating. Burial was in Oakland Hills Memorial Gardens.

## ERVING SLOWEN

Funeral services were held here June 22 for Erving Slown, 7610 Byron, Detroit, who passed away June 20 at Northville State hospital. Mr. Slown was born November 12, 1899 in Arlene, Montana, the son of William I. and Jessie (Preston) Slown. He was a graduate of Yale university, a member of the Yale Alumni association and of the Third Church of Christ, Scientist in Detroit. He is survived by his wife, Lucille; by three sisters: Mrs. Dorothy E. Slown and Mrs. Lucy Oiler of Long Branch, Washington and Miss Marjorie Slown of Great Falls, Montana, and by two brothers: Warren T. of New Haven, Connecticut, and William A. Slown of Princeton, New Jersey. Mrs. Agnes Jackson of Livonia was read-

er for rites held at Casterline Funeral home Monday night. The remains were shipped to Princeton, New Jersey for burial today in Princeton cemetery.

## Novi Highlights . . .

Last Saturday Miss Joan Yarrow of Canfield, Ohio was honored at a pre-nuptial linen shower at the home of Mrs. Gertrude Yerkes on Nine Mile road. Mrs. Osmond Yerkes and Mrs. Hiram Holmes were co-hostesses. Miss Yarrow will become the bride of Robert Barker July 18.

Mr. and Mrs. Earl Foreman of Dearborn visited Mrs. Maudie St. Onge one day last week.

Friday evening visitors at the home of Mr. and Mrs. Russell Bolton were Mr. and Mrs. Raymond LaBlank (former Marilyn Sharpe). Both Mr. and Mrs. LaBlank have just been graduated from Michigan State university. Mrs. LaBlank has a home economics degree and Mr. LaBlank is an electrical engineer.

They are moving to South Bend, Indiana where Mr. LaBlank has accepted a position with the guided missile division of the Bendix corporation. The LaBlanks have a son, Mark Edward, born April 14.

Mr. and Mrs. Kenneth Bassett left last Friday for a vacation at Bell lake in the Upper Peninsula.

Marie Louise, daughter of Mr. and Mrs. Richard Thurman was christened in St. William's Catholic church, Walled Lake, Sunday. Mr. and Mrs. Ernie Schultz are the godparents. Mr. and Mrs. George Bassett and Mrs. Marie LaFond are the great-grandparents.

Rev. and Mrs. Arnold Cook left today, Thursday, for a two weeks vacation. They will visit their parents and other relatives in West Virginia and Tennessee.

All blood bank workers were invited for coffee hour Wednesday at the home of Mrs. Virginia Noble for a happy fellowship meeting. The blood bank will be held in Novi August 31 from 2 to 8 p.m. with an hour out for dinner.

Mr. and Mrs. Charles Ramsey, Mr. and Mrs. Edward Ruggles, Mr. and Mrs. Donald LaFond and Mrs. Marie LaFond had a family gathering and supper outside at the LaFond home Sunday.

Mrs. Glenn Schenimann entered Providence hospital this week for a checkup and minor surgery.

Mrs. Rudy Wendland is having a few days vacation from her job at the Novi post office. Her sister, Mrs. L. C. Cook, of Florida is her houseguest.

Mr. and Mrs. Wallace Doan entertained their children and families for Father's Day Sunday. They came from Dearborn, Livonia and Novi.

Novi Baptist Church

At the closing exercises of the Daily Vacation Bible school Sunday 116 certificates were given out. There were recitations from different classes, courses and object lessons. After the program parents and friends visited the Sunday school rooms to view the handcraft projects. Mrs. Leslie Clarke was the director.

A Billy Graham film, "Mr. Texas" will be shown at 7:30 p.m. June 28. The picture is in sound and full color. Redd Harper and Cindy Walker are featured. The public is invited.

Girl Scout News

Novi Senior Girl Scouts returned from their trip to Mammoth Caves during the week end. Claudia Mairs assisted the leader, Mrs. James Kriedeman.

Last Tuesday the adults, scouts and their children had a picnic at the home of Neighborhood Chairman Mrs. William MacDermid.

Miss Shirley Myers from Royal Oak, Southern Oakland Girl Scout Council, was present for the meeting. Mrs. Betty Petersmart of Farmington was also present.

Blue Star Mothers  
Mrs. Fred Mandlik, Mrs. Marie LaFond, Mrs. Joe Gardella and Mrs. Russell Race attended the Department of Michigan Blue Star Mothers convention in Jackson earlier this month.

What are you doing?  
Mrs. Florence Harris

## Motorcycle Catches Fire

Northville firemen were called to Edward Hines drive Sunday evening when a motorcycle burst into flame as its owner, one of a party of five cyclists, attempted to start it.

It was apparently touched off by backfire.  
The vehicle's seat and wiring were destroyed. No one was hurt.

## Paragon, Young Door Split 2 Diamond Tilts

Jim Schingee fired a no-hitter at Young Door Thursday as Paragon swept to a 14-0 victory after losing an earlier tilt to Young Door, 8-5.

Carl Payton, who led Young Door's hitting attack in the earlier contest, was charged with the loss. Jimmy Payton was the winning hurler in the earlier game.

## 20 Scouts Take Canoe Trip

By Mrs. Charles Ware — Market 4-1601

Twenty-one scouts and leaders enjoyed a week end canoe trip in the Manistee river. They started at Grayling and paddled 70 miles. There were seven canoes in all with an adult in each canoe. Fathers accompanying the scouts were Howard Coe, Norman Brackett, Charles McCall, James Burns, Arnold Carlson, Homer Cheeseman and Jim Nisson.

A two weeks Bible school is being conducted at the Wixom Baptist church. There will be a program at the school tonight.

Mr. and Mrs. Aino Pulo are the proud parents of a new daughter. They have four other children.

Mr. and Mrs. Charles Lawson are the parents of a young son, their second. Mrs. Emma McLain is the grandmother.

The Pat. DePodestas hosted 20 guests Saturday at a Father's Day party.

Mr. and Mrs. Robert Wilke are the proud parents of a new daughter. Mrs. Wilke is the former Sue Shulte.

The three other Wilke brothers, William, Charles and Donald, and their families visited their parents, the William Wilkes on Wixom on Father's Day.

Mr. and Mrs. Jesse Byrd had all of their family home on Father's Day. They were Mr. and Mrs. Ray Byrd and family, Mr. and Mrs. Erwin Welfare and family, Mr. and Mrs. Max Souby, also Mrs. Byrd's brother, Louis Muether of Detroit.

The Joseph Stadniks had dinner with Mrs. Stadnik's parents, the Fred Thayers, on Sunday.

On Thursday, June 18 the dinner guests of the Everett Pearsalls were Mr. and Mrs. Luther Pearsall and son, Fred. The occasion was Mrs. Parker's birthday.

Jim Burke of Birch Park is spending his vacation in Roscommon as guest of the John Linsays.

Bill Sekedan has been in veterans' hospital.

Father Raymond Jones of St. William's church, Walled Lake, has been given an assistant pastor to help him with his work.

Tyle Green of Holten was a guest of the Edd Wendts the week of June 6.

On Tuesday, June 9, Mrs. Ray York and daughter, Susan, were called to Indiana because of the death of her father.

Mr. and Mrs. Wesley McAtee attended the funeral of Mrs. McAtee's uncle in Howell recently. On Thursday the McAtees attended the graduation of their nephew, Paul Aubrey.

On Monday, June 8 Dick Wendt took his parents to Syracuse, New York to visit with their oldest daughter, Eleanor Daggy. Then Dick and Tyle Greening went on to Massachusetts.

FEDERAL BUILDING

843 Penniman — Plymouth

— HOURS —

Monday, Tuesday, Thursday

1 P.M. to 9 P.M.

Wednesday, Friday, Saturday

10 A.M. to 5 P.M.

Sunday, June 7 the Wendts had as their guests Mr. and Mrs. Edward Wendt and Julie of Allen Park, Mrs. Georgiana Gouldman (Mrs. Wendt's mother) from Detroit; Mrs. Wendt's brother, Raymond Gouldman, Miss Mary Parle and Mr. and Mrs. Walter E. Wendt, all of Detroit.

Monday, June 15 Mrs. Charles Ware attended the funeral of Father Patrick J. O. Sullivan of Detroit, pastor of St. Monica's church.

Week end guests of Mrs. Lowell Nicolay were Miss Virginia Whately, an air line stewardess from California, and Mrs. Nicolay's sister, Mrs. Harry Hall from Allen Park.

Mr. and Mrs. Eino Pulo are the proud parents of a new daughter, Shelley Jean, born Saturday, June 13 weighing eight pounds, 12 ounces. Shelley Jean has two sisters and two brothers.

Elect Carole Tabor  
WGS Probate Judge

Carole Tabor probably won't hand down any precedent setting decisions, but she and six other Northville girls are learning a lot at the annual Wolverine Girls' State at Ann Arbor.

In a realistic effort to learn more about government, 360 high school juniors attending the nine-day program have elected clerks, coroners and a host of other local government officials.

Carole was elected probate judge in the balloting by six mythical counties. The election results were announced by the Michigan American Legion auxiliary, sponsor of the conference.

Other local girls attending Girls' State are: Carol Krezel, Dorothy Boyer, Jay Ann Wittenberg, Sally Stroth, Ann Downer and Mary Ebert.

Farmington Company  
Gives \$6,000 to Hospital

The Star Cutter company of Farmington recently completed its \$6,000 memorial pledge to St. Mary hospital now being constructed in Livonia.

The contribution, said Sister Mary Columbine, hospital administrator, "Signifies the good will of the company toward the hospital and the people of Farmington and surrounding communities."

Hospital authorities expect the institution to be open for patient service in November of this year.

Dehoco Reports Success  
With New TB Program

Spectacular success in ferreting out new cases of tuberculosis has been reported by the Detroit House of Correction in a program launched jointly with the Tuberculosis and Health Society of Wayne county.

Using chest X-ray equipment loaned by the TB and Health Society, admissions personnel at DeHoCo have found 33 active cases of tuberculosis among the 2,798 inmates X-rayed since January 5 when the program began. That is 12 times as much tuberculosis as is found in the general population.

"It's an outstanding program," said DeHoCo Superintendent Albert Shapiro. "It provides the best possible protection for the public, and obviously for our staff and inmates. It should have been done a long time ago."

When the program opened last January, a Detroit Health department mobile unit took chest X-rays of all inmates and personnel. Since then, all new prisoners have been X-rayed as part of their admitting procedure.

The 4 by 5-inch X-ray pictures are taken with equipment bought by 7,200 Christmas Seal dollars. They are sent to nearby Maybury sanatorium for "reading" by staff experts, and returned to DeHoCo within a week. Aside from TB, 199 other lung abnormalities have been found, enabling prompt treatment where necessary.

When tuberculosis is found, patients are legally committed to hospitals for proper care. The health department in each patient's home town is notified so it may check the family for additional TB cases. If tuberculosis is caught early enough

treatment is shorter, thereby saving tax funds spent to protect the public from this contagious disease. (Detroit and Wayne county taxpayers spend \$10 million on tuberculosis care and control each year.)

At the Detroit House of Correction, Superintendent Shapiro's rehabilitation program has been aimed at social and psychological adjustment of prisoners to society. "Now we can add health to the list," Shapiro said. "It's an outstanding way to protect the public."

State Hospital Workers  
Win Achievement Award

Two Northville State hospital employees were given a \$100 special award in the second annual Hospital Achievements contest co-sponsored by the Michigan Hospital association and Blue Cross.

Wallace Westerfield and Mildred Davidson won the award for their development of a special bath tub style which enables patients too weak or crippled to step into a tub to bathe with the help of only one attendant.

Without the special tub, two attendants were required to lift a patient in and out of the tub.

The award was presented to the winners by John N. Lord, president of Michigan Blue Cross, at a special Achievement Awards luncheon during the 40th annual convention of the Michigan Hospital association Monday.

## 1-CARD OF THANKS

Northville Womens team starting their season wish to thank Essie Nirider, owner of Northville Hardware for his donation of shin guards for the recreation team.

We wish to thank the staff and nurses of Eastlawn Resthaven, the pall bearers, friends who sent notes of sympathy, flowers and Mass cards. Also the Rev. John Wittstock and Dempsey Ebert for kind and considerate services.

The Permelia C. Kohler Family

I wish to thank all my friends, neighbors, City Commission, Firemen, VFW and Auxiliary, Optimists, Eastern Star, American Legion Auxiliary and others for their special prayers, cards, and flowers sent to me while in hospital during recent illness.

Mrs. Earl Reed

My sincere thanks to my friends, neighbors and relatives, who were so thoughtful with cards, gifts and flowers, during my stay in the hospital and convalescent at home. A special thanks to Rev. Pankow and Rev. Gruno for their spiritual comfort.

F. E. Cochran

### REAL BUYS —

This cozy 2 b.r. with lovely yard and paved driveway with several appliances and fixtures is priced to sell for \$14,000 with only \$3,000 down. See inside and observe the best.

Another 2 b.r. on large lot is cheaper than rent. \$500 down takes it at a new low price.

3 b.r. ranch on corner lot is a real bargain at \$14,000 or other terms with only \$2,000 down.

Another lge. 3 b.r. on corner lot — with an extra apt. (furnished) all for the price of one home — \$18,500.

Still another low priced 2 b.r. \$9,400 with only \$1,750 dn. with a rented apt. tossed in for good measure.

Owner transferred makes this the most home for the money with \$4,000 down. 3 b.r. ranch with wonderful interior and lge. rms. — close to schools.

Cute 2 b.r. brick on 1 acre among stately trees with only \$3,000 down. A little jewel.

This is a BUYERS MARKET. Inspect today. We can get together on price as well as dn. payment. Let me try to work out a solution to your real estate problems.

**BRIDGE COMPLETION** — Construction of the new Northville road bridge over the Rouge river, south of Seven Mile road, has been completed. However, completion of the entire project, which includes approaches to the bridge, is not expected until late August or early September. The project was originally scheduled to be completed by July 1, but winter and spring weather conditions slowed down construction on the bridge. The crane in the picture above is removing sections of the old bridge. The new bridge is at the right.

### Completes Course At Ferris Institute

Martha Bloom, daughter of Mr. and Mrs. Harold C. Bloom, 710 West Main, was among the more than 450 students who were granted degrees or certificates at the seventh anniversary commencement at Ferris Institute June 14.

The commencement address was given by Justice George Edwards of the Michigan Supreme Court. Miss Bloom received a certificate in stenographic and clerical practice.

### Maybury Sends Man To Institute on Alcohol

George Sarnowski, representative from the William H. Maybury sanatorium, is attending the annual Midwest Institute of Alcohol Studies at Western Michigan university.

Fifty-eight persons from Michigan, Wisconsin, Illinois, Ohio, Iowa, Tennessee, Minnesota and Ontario, have enrolled.

The institute is sponsored by Western Michigan university, University of Wisconsin, Michigan State Board of Alcoholism and Wisconsin Council on Alcoholism.

### NEWS AROUND NORTHVILLE

Mr. and Mrs. W. J. Johnston and daughter, Beverly, of Pickford were guests of Mr. and Mrs. Wilson Funk of Yerkess avenue last week. They attended graduation exercises in Ann Arbor where John Funk received a bachelor degree in business administration. He has entered the University of Michigan law school.

Mr. and Mrs. Norman Wilkie of Cottisford road celebrated their 25th wedding anniversary Saturday evening at their home. Fifty-five guests from Bad Axe, Harbor Beach, Port Austin, St. Clair Shores, Lansing and Detroit attended. Four of the original wedding party attended.

Mrs. Marie Nutter is spending a two week's vacation with relatives and friends at Belpre in Ohio.

Mr. and Mrs. Louis Herrick and sons, Jack and David, of Santa Barbara, California are visiting their family, the Arnold Teskas of West Main street this week.

### Northville Library To Step Up Fines

The Northville Public library today announced an increase in fines on overdue books.

Beginning July 1, 1959 fines will be 5c a day for each overdue adult book and 2c a day for each juvenile book. Maximum fines were also increased to 75c for each juvenile book and \$2 for each adult book with no limit for specially designated adult books.

A disproportionate amount of time has had to be devoted to the 5 percent of library users who must be notified of overdue books, librarians said.

The increase in fines is a trend in other parts of the country as well as in the Detroit metropolitan area.

Time spent on notifying readers is costly for several reasons, they added. Books kept overtime are denied other readers and usually are books in greatest demand. Thus, more books are required and service is poorer. Secondly, it is very costly in staff time.

Some patrons, particularly students, ignore notices because maximum fines are so low.

Fines now charged have not been charged in some 25 years or more.

Books may be returned at any time using the slot in the door, Librarian Mrs. Rhea Wilcox said. If books are overdue, place the fine, wrapped in paper, in the book pocket, or pay it the following day during regular hours.

### Rotary Sponsors Fox Hills Pro-Am Golf Tourney

Michigan's top professionals will match strokes Monday at Fox Hills country club in a pro-amateur golf tournament sponsored by the Plymouth Rotary club. Proceeds will go to the Crippled Children fund.

Fox Hills' President A. Gerald Pease stated that Monday's pro-am tourney differs from regular weekly tourneys held throughout the

Detroit district in that each professional will play with a Rotarian from the area, a member of Fox Hills and a member from his own club. Instead of drawing prize money from entry fees the Plymouth Rotary has added \$500.

Forty foursomes are expected to participate in the tourney with starting times beginning at 9:30 a.m. Among the top state stars who will compete are Meadowbrook's Chick Harbert, Wally Burkemo of Franklin Hills, Horton Smith of Detroit Golf club and Tom Talkington of Washtenaw.

Several Northville Rotarians, as well as Northville members of Fox Hills, are expected to play in the event. Amateurs are allowed handicap strokes that may be applied to lower the score of his partner-professional. Each professional has three amateur partners. The professional scoring the lowest "best ball" with a partner wins the top cash prize.

The public is invited to watch their favorites perform. A chicken barbecue will be served from 4:30 until 6 p.m. Tickets for \$5 entitle fans to stroll the course watching the golfers and the barbecue dinner. Tickets are available at Fox Hills, located on West Territorial six miles west of Plymouth.

### Guild Membership Drive Enters Second Week

The St. Mary Hospital Guild membership drive to recruit 1,000 new members from Livonia, Redford, Farmington and Northville, starts its second week.

Membership Chairman Shirley Barnes announced that anyone signing before the drive is over will be a charter member of the guild.

Persons holding unreturned applications are asked to forward them to her at 15600 Westmore, Livonia, and to make membership checks payable to St. Mary Hospital Guild. For further information or request for applications, call Mrs. Maude Huff, FI-9-0312, or Mrs. William Milne, FI-9-2680.

### Goodwill Truck Pickup Set Here for Tuesday

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for next Tuesday. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative, Men's club, Maybury sanatorium, FI-9-2682.

### Wed in Kentucky

Dollas Jean Williams, daughter of Mr. and Mrs. Calvin Williams of Northville road, became the bride of Terry Musselman, son of Mr. and Mrs. Ivo Musselman of Novi June 8 in Covington, Kentucky. The Rev. Dr. K. Parks performed the ceremony in the Covington First Baptist church.

Terry is in the U.S. Navy stationed aboard the USS Saratoga at Jacksonville, Florida.

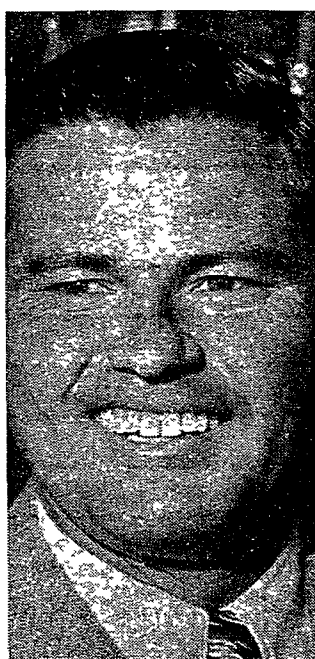

Mrs. Musselman is residing with her husband's parents in Willowbrook until he returns from the Mediterranean next spring. They will then make their home in Mayport, Florida.

### NOTICE OF FORECLOSURE SALE

A certain mortgage made by Verina Irene Peterson to THE FARMINGTON STATE BANK, a Michigan Banking Corporation of Farmington, Michigan, now by merger NATIONAL BANK OF DETROIT, A National Banking Association of the City of Detroit, Michigan, dated March 31, 1955 and recorded in the office of the Register of Deeds of Wayne County, Michigan on April 5, 1955, in Liber 12519, Pages 89-90, Wayne County Records, being in default, on which mortgage there is claimed to be due this date for principal and interest, Two Thousand One Hundred Forty-nine and 50/100 (\$2,149.50) Dollars, and no proceeding at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof, now, therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statutes in such case made and provided, notice is hereby given that on Tuesday, July 14, 1959, at ten o'clock in the forenoon (Eastern Standard Time) said mortgage will be foreclosed by sale at public auction at the Southerly or Jefferson Avenue entrance to City-County Building, in the City of Detroit, Michigan, of the premises described in said mortgage, or so much thereof as is necessary to pay the amount due with interest thereon at six percent per annum, and all costs allowed by law including an attorney fee, and also any sum paid by the mortgagee to protect its interest which premises are described as follows: "Lot 192 'Mortenson's Strawberry Acres Subdivision', being a Subdivision of the Southeast ¼ of the Northwest ¼ of Section 8, Town 1 South, Range 10 East, Redford Township, Wayne County, Michigan, as recorded in Liber 44, Page 54 of Plats, Wayne County Records."

**STATE PGA CHAMP** — Chick Harbert, golf professional at Northville's Meadowbrook Country club, notched his sixth state PGA golf title last Monday at Lakepointe Country club. Harbert fired two subpar rounds of 68-69 for a two stroke win over Gene Bone and Wally Burkemo. Harbert is also a former national PGA title holder.

### Nancy Beard Off to Europe

Nancy Beard

An air flight across the Atlantic with 88 high school companions Monday marked the first leg of Nancy Beard's summer trip to Nuremberg, Germany on the Ann Arbor-Washtenaw Council of Churches student exchange program.

The Northville senior, daughter of the Paul Beards of 8 Mile road, is the only local student participating in this year's program.

Last year, five Northville students, Carol Krezel, Chris Krauter, Julie Older, Bob Trombly and Ray Dahl, lived with "adopted" families in the

Netherlands and Germany. Nancy will make her home with Mr. and Mrs. Hermann Adam and daughters, Gisela, Waltraud, Elisabeth and Christa.

Although the details of her summer plans and itinerary are not known yet, Nancy hopes to be able to visit relatives in England.

The exchange landed in Amsterdam and left for their various homes from there.

### Home from Hospital

Mrs. Earl Reed, 320 Orchard drive, is now recuperating at home following surgery at Grace hospital.

**FIRST SEWER HOOK-UP** — The R. H. Rinehart residence, 15707 Bradner road is the first township home to be connected to the Middle Rouge sewer interceptor. Gordon and Schurman, developers of a subdivision across the street from the Rineharts last week granted the hook-up in return for an easement through their property necessary for the subdivision sewer line.

### Get 45 Days in DeHoCo For Main Street Fight

Douglas Hunter, 50, and James B. Staples, 49, patients at Maybury sanatorium were sentenced to 45 days in the Detroit House of Correction by Judge E. M. Bogart Saturday for fighting on Main street June 16.

Officers reported that the two got into a "friendly argument" after drinking last Tuesday night. Both had left the sanatorium without passes.

# \$2 Million Improvement Program Planned at Downs

While some 300 employees of Northville Downs were busy making final preparations for the 16th opening of the local harness racing track last week, Executive Manager John Carlo was already looking ahead — at least five years.

"We'll have the nicest track in this part of the country," Carlo beamed as he outlined plans of the future for the Northville oval.

His dreams for the Downs add up to more than \$2,000,000 and range from all-new, winter-type barns and new stands to a more extreme plan that calls for an underpass beneath the track so that the infield of the oval can be used for parking.

So far this spring the Downs has completed purchase and improvement of 2½-acres east of the track

on River street. This area will be used for car and truck parking by employees and officials of the track. The area has been leveled and a green picket fence constructed along the northern boundaries with a cyclone fence along River street.

A bridge constructed across a small stream on the property provides entrance from the parking lot to the track and barn area.

After the current meet Carlo said that eight frame barns along the southern boundary of the track will be replaced by block, winter-type barns. Together with the River street parking development this year's improvement project will total \$200,000.

Next on the agenda for improvements at the Downs will come the replacement of two large barn rows in the central track barn area. Then seven more winter-type barns are planned for the new barn area off Sheldon road bringing the Downs'

stall facilities up to 800. "This will be all we'll ever need," says Carlo. Presently the Downs has 650 stalls. At the new barn area site some 50,000 yards of earth have been moved this year to provide room for the construction of the seven additional barns in the future. This will

be allowed to settle for two years before building begins.

Included in Carlo's five-year plan for the Downs is the widening of the present grandstand and the replacement of all the wood frame with concrete block and steel. The stands will be widened 30 feet on each side and better overhead protection from the weather will be provided for the fans. In addition a mezzanine will be constructed in the stands so that it will not be necessary for bettors to go up or down stairs to place their wagers.

Even before the improvement of the stands, however, Carlo plans to widen the track and install new lights. "We'll get the physical plant ready first, and then provide more modern accommodations for the fans," he stated.

To gain some 10 feet in the width of the track itself the oval will be

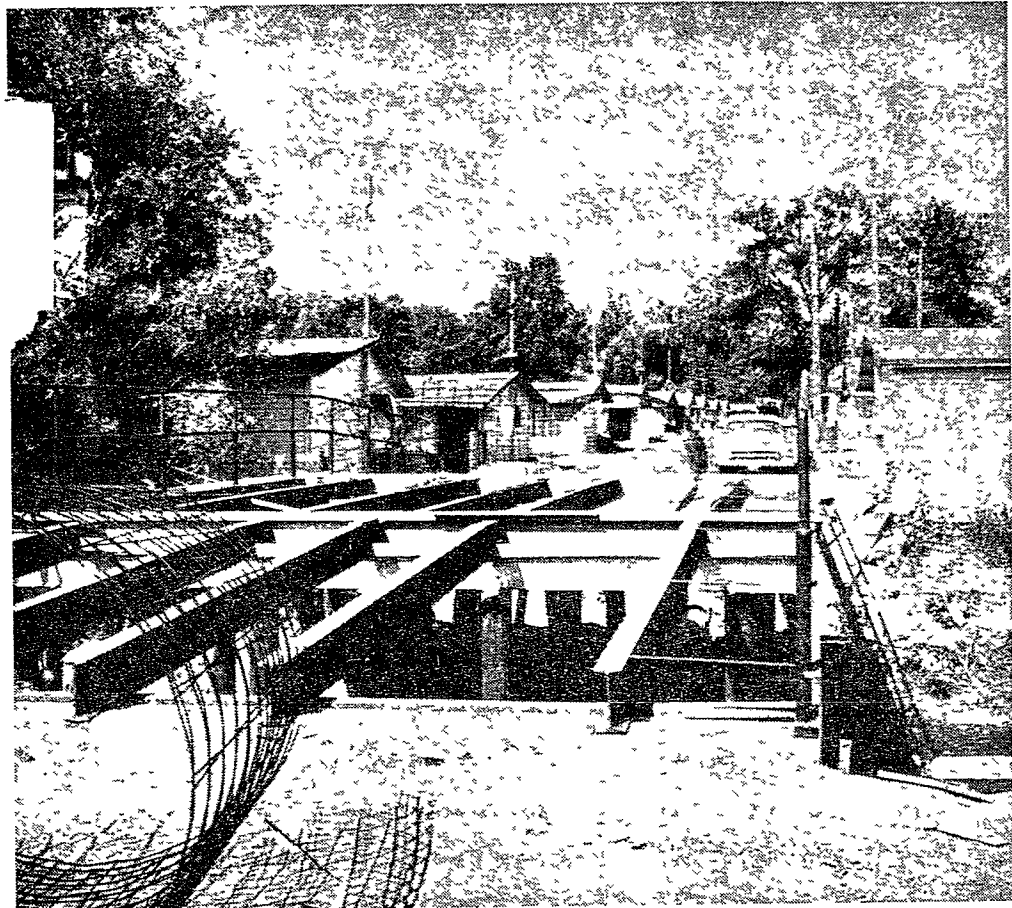

moved to the south.

Carlo has an answer for future parking needs, too. Eventually, he proposes digging a tunnel large enough to handle traffic underneath the southeast corner of the track. The track itself is banked high at this point and a deep cut would not be required to construct the underpass, Carlo points out.

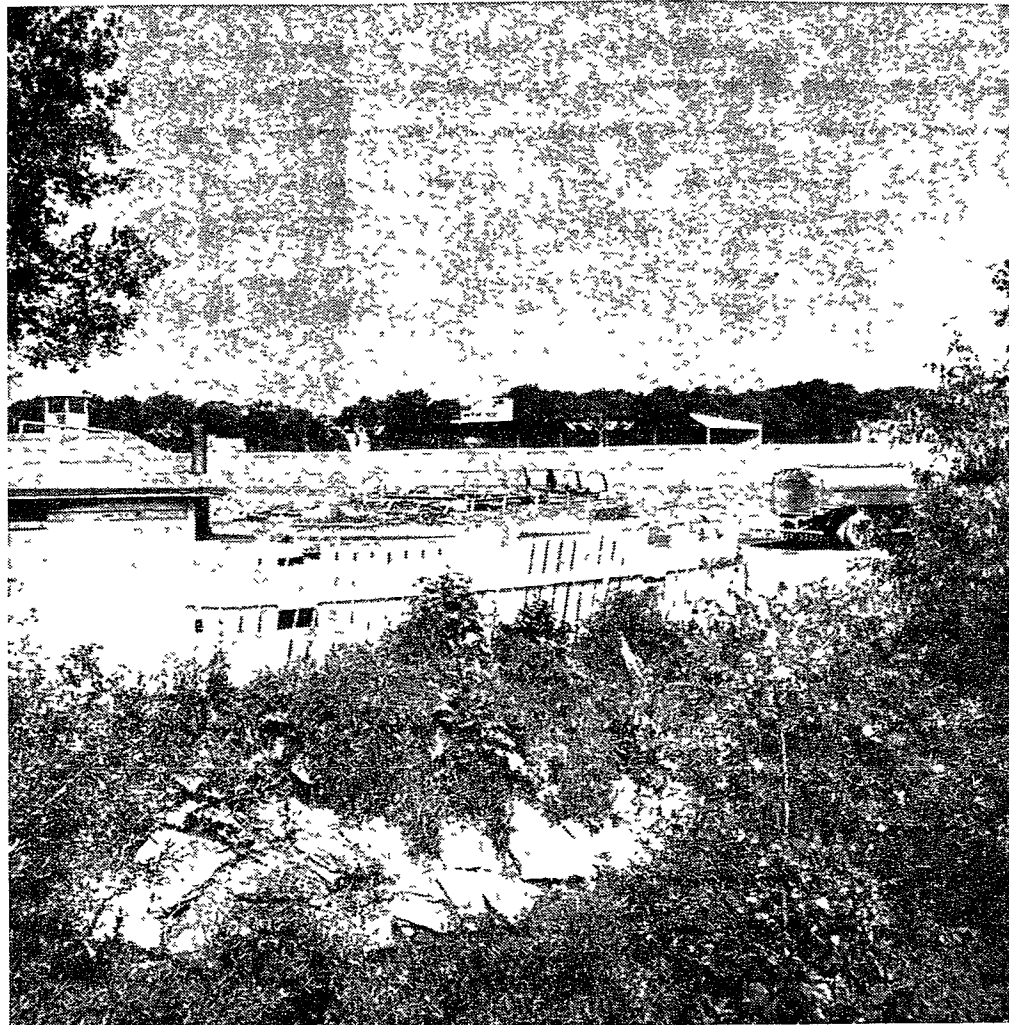

Finally, (but not within his five year plan) Carlo dreams of a modern \$500,000 clubhouse at the first turn of the track where open bleachers now stand.

This would provide the ultimate in comfort for the racing fan who might care to dine before—or during—the races. A modern, all-glass front would face the track and definite levels would divide the dining, lounge and bar areas.

"Then," says Carlo, "we'll have the finest trotting track in the state."

This bridge will serve as an entrance to the track's barn area. It connects the Downs' newly acquired property on River street to the barn area. It also provides a better exit for horsemen and horses in case of fire.

For more parking Manager Carlo proposed to build an underpass at the extreme southeast corner of the track leading from the newly acquired River street property to the track's infield. Customer cars could then be parked in the center of the oval.

Executive Manager John Carlo points to the spot where he hopes to construct a clubhouse at the Downs.

# Downs, Driving Club Started Races in '44

Sixteen seasons ago — in 1944 — Northville Downs opened a 30-night race meet. The season opened September 1 and was interrupted for one week so that horses could race at the Hillside county fair.

The first 17 nights of racing here attracted some 51,000 fans and the biggest single night of betting was \$49,000.

Last year the Downs had an average attendance of 5,000 fans nightly and they bet nearly a quarter of a million dollars every single night.

Since opening in 1944 the Downs has had as many as 11,000 fans a night and on July 22, 1955 had a record handle of \$349,150.

It all began when the Downs organization, headed by the late H. B. Dennison, contracted with the Northville Driving Club (owners of the track) to conduct night racing here. The track was granted 30 nights and eight races were staged nightly.

The Downs — the organization actually staging the races — is headed by John Carlo, executive manager of the track. Besides Carlo, other stockholders are Al and Malcolm Linehan of Adrian, Earl and Dorothy Reed of Florida, Mrs. Pearl Dennison and Tom Manley of Buffalo and Mrs. Margaret Zayti of Northville.

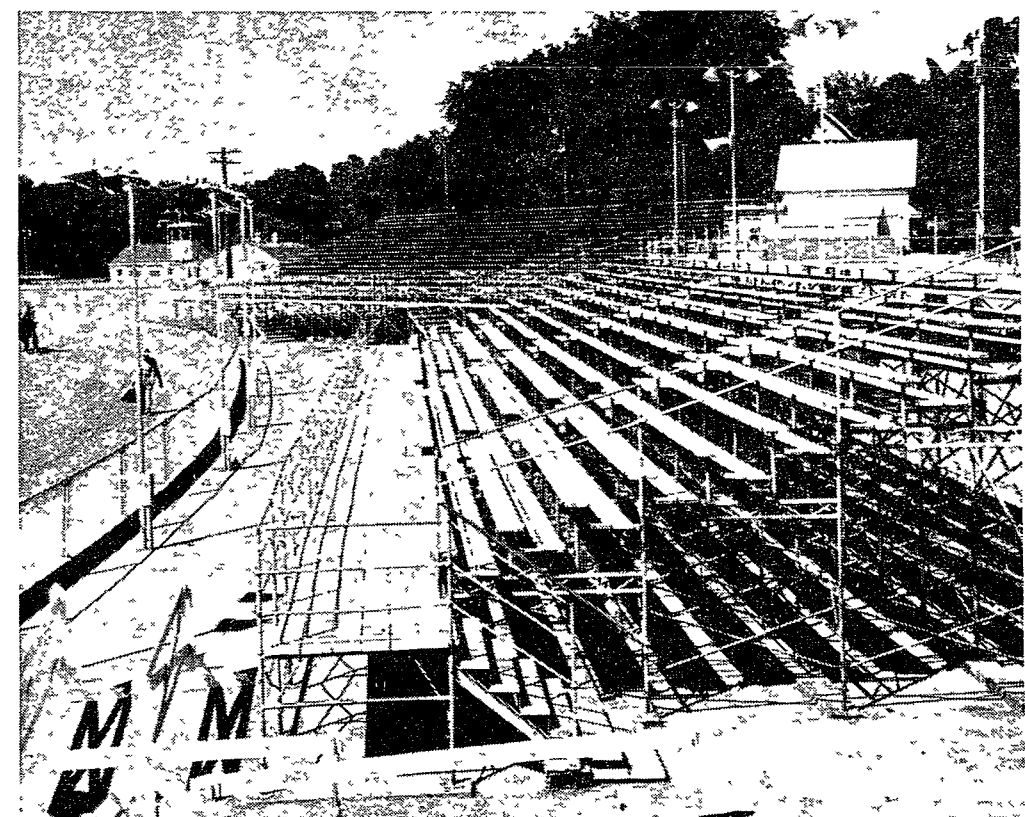

The Driving Club is composed of mainly Northville residents who are the original owners (stockholders) in the old fair grounds (now the Downs).

The Driving Club is headed by Dr. L. W. Snow. Other officers are: C. A. Hoffman, vice president; Arthur Schnute, treasurer; Clifton Hill, secretary; Frank Balden, Nelson Schrader, L. W. Snow, Jr., Gerald Taft, Russell Walker and Donald Yerkes, members of the board of directors.

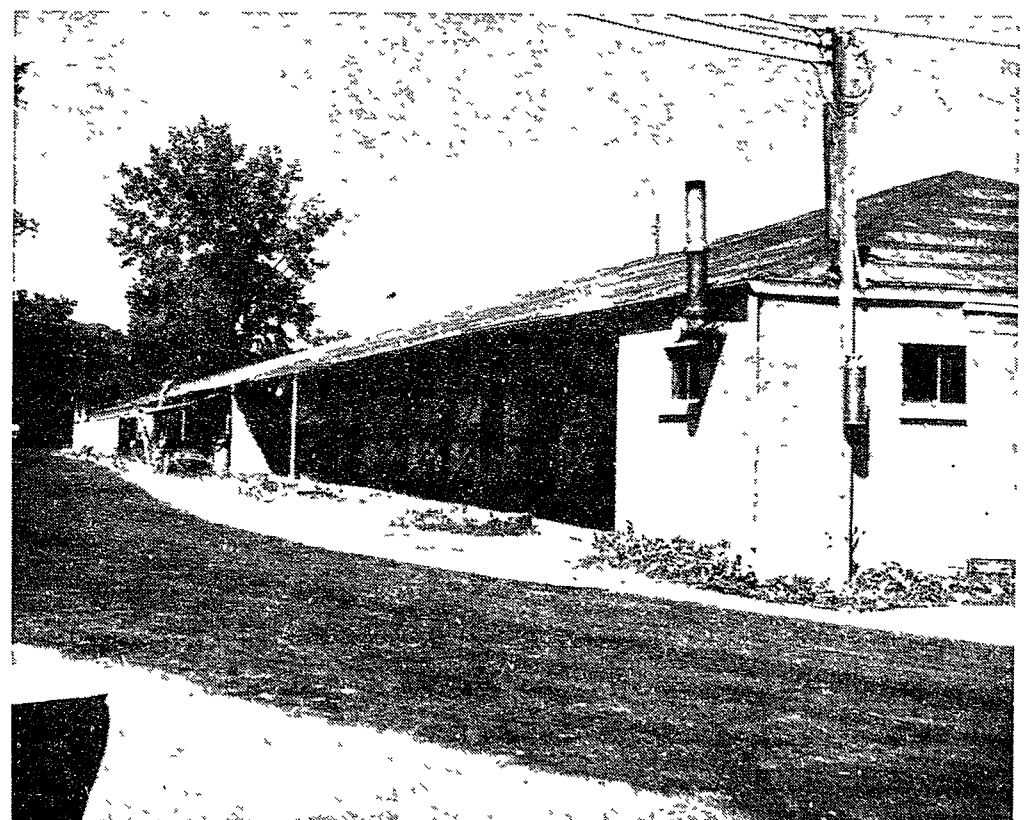

THE NORTHVILLE RECORD—Thursday, June 25, 1959—11

Busiest person at the Downs these days is Mrs. Margaret Zayti, secretary to Manager Carlo and a stockholder in the Downs.

Eventually these stands will be removed and a modern, glass-front clubhouse will face the track at the first turn.

This row of barns will be replaced with two new cement block winter-type barns.

Bulldozers pushed some 50,000 yards of earth to make this new area next to the Sheldon road barns this spring. In about two years, when earth has settled, seven more barns will be built.

## Joker Explosions Worry State Police

The recent appearance of a number of new and dangerous fireworks devices in Michigan has prompted the State Police fire marshal division to caution merchants and residents against risking arrest or injury as a result of illegal sale, possession or use of fireworks.

Two of the most hazardous "new ones" cited by Detective Captain Glenroy Walker, chief of the fire marshal division at East Lansing headquarters, are known as "atom pearls" and "tire jokers". The pearls are very explosive and constitute a definite fire hazard while the joker explodes when attached to the tire of a moving vehicle and could cause a serious accident.

All fireworks, with the exception of caps for cap pistols and sparklers containing no more than .0125 pounds of burning elements, are illegal in Michigan, Walker pointed out. Sale or possession is a misdemeanor punishable by a \$100 fine or 90 days in jail, or both.

If either a merchant or fireworks customer is in doubt about the legality of any fireworks devices, he should call the local fire chief, police department, sheriff or State Police post for the answer.

## Southern Raiders 'Financed by State'

Tennessee's "raiders" of Michigan industry are being financed by Michigan taxes, warned Congressman William S. Broomfield (R-Oakland county) last Friday.

In letters to Senators Patrick V. McNamara and Philip A. Hart (D-Michigan), Broomfield urged them to oppose passage of a Tennessee Valley Authority bill which would take the TVA out from under direct Federal control and permit further expansion of the multi-billion dollar public power facility in its present service area.

Broomfield said an editorial in the Nashville Banner proves that "those in Tennessee regard any of our businesses and industries in Michigan as fair game for their 'raiders'."

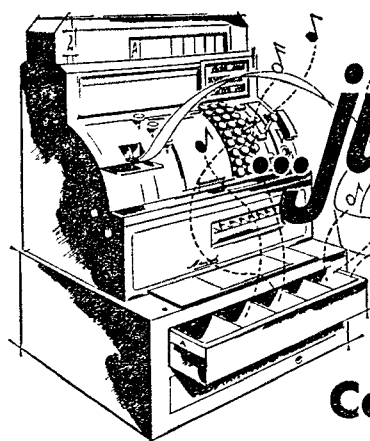

"The horrible part of this whole situation is that Michigan taxes helped pay for the construction of the Tennessee Valley Authority power plants, so that in effect our workers are paying taxes to force themselves out of jobs in Michigan."

In the article inserted by Rep. J. Carlton Loser (D-Tennessee) in the Congressional Record, the Nashville newspaper said a "new brand of raiders riding from the South" has been "mighty successful in a recent sally into Michigan" in search of new industries for the TVA area.

They are said to have turned up 23 immediate prospects for movement of plants and industry from Michigan to Tennessee at a time when Michigan is suffering severe unemployment.

"Instead of helping Michigan, we are being asked to help Tennessee by the passage of (the TVA bill), thereby facing the danger or losing even more industries from our own home state to cheap, subsidized, tax-free power," Broomfield said. The TVA bill has passed the House and is now in the hands of the Senate. Final action is expected shortly.

## from the PASTORS STUDY

The Rev. Peter Nieuwkoop, Pastor  
First Baptist Church, Northville

### THE BLESSING OF LITTLE THINGS

Life really isn't made up of "Big Things". We are born only once in our physical bodies. We have only one birthday a year. We graduate from high school or college but once. Most people get married only once. So many of the "big" things happen but once.

Life is really made up of a lot of little things, common things that happen every day. We eat three times a day and some have "coffee breaks" in between. We would be mighty unhappy if we did not get fed. We have a variety of foods. Most of us sleep under good roofs, on good beds with clean linens. We enjoy the company of relatives and friends. There is a variety of recreational activities to enjoy.

These little things are given to us of God and we should be thankful for them. This goodness of God ought to lead non-Christians to surrender themselves to Christ. It is intended that these common graces should do this for "It is the goodness of God that leadeth thee to repentance". Romans 2:4. To those who do know Christ as Lord and Saviour it should cause them to "—give thanks; for this is the will of God in Christ concerning you." I Thess. 5:18.

Allow me to share with you a poem of thanksgiving which is really I prayer. I use it many times in my private devotions. It was written by Geneva Showerman.

*I thank you, Lord, for "little things"  
The things of every day—  
A bird song clear, a blossom sweet—  
The green grass growing at my feet—  
A little child at play.*

*I thank you, Lord, for "little things"  
The sunsets red gold hue—  
The star lit sky, the buzz of bee—  
The spreading branches of a tree—  
These gifts have come from you.*

*I thank you, Lord, for "little things"  
The bandclasp of a friend—  
A happy smile, a cheering word—  
A bit of song or verse I've heard—  
All these and more you send!*

*These gifts you give are precious gifts,  
I thank you for each one;  
But far above all else you gave  
Stands Calvary's cross, and empty grave—  
The gift of Christ, Your Son!*

## Baptist Minister to Remain

Peter F. Nieuwkoop, pastor of the First Baptist Church of Northville since 1952, has declined a call to the ministry of the First Baptist Church of Van Wert, Ohio. Pastor Nieuwkoop has received several invitations from other churches in the past few months.

Since coming to Northville, Mr. Nieuwkoop has served as president of the Conservative Baptist association of Michigan, member of the board of directors of C.B.A. and a member of the board of directors of the Christian Witness to the Jews. The response to the preaching of God's Word has increased attendance to the point where a building expansion program is necessary.

The Rev. Peter F. Nieuwkoop

Plans to provide for additional church and Sunday school space are underway. The First Baptist church also contributes to the spread of the Gospel in other parts of the world through support to the following missions and missionaries: Mr. and Mrs. Allen Shaw, Africa; Wilhelm Brande, Africa; Christian Witness to the Jews, Detroit; the Christian Service Men's Center, Texas, and a mission work in Lake City, Michigan.

The pastor announced during the Sunday morning service that he plans to continue his ministry in Northville. The congregation and his many friends rejoiced at his decision to remain here.

### Jehovah's Witnesses To Attend Convention

Carson Coonce, presiding minister of Jehovah's Witnesses, announced today that the Plymouth congregation of Jehovah's Witnesses has been invited to attend a four-day convention to be held July 9-12 at the IMA auditorium in Flint. Mr. Coonce will head the delegation of about 125 persons.

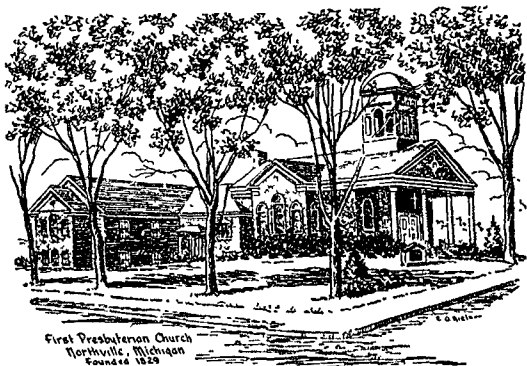

The convention is arranged by the Watchtower Bible and Tract Society of New York, Inc., located in Brooklyn. A total attendance of 8,000 is anticipated.

"The purpose of the meeting," said Coonce, "is to provide additional Bible instruction for the Witnesses enabling them to be awake to their ministerial duties."

# NOTICE OF LAST DAY OF REGISTRATION School Election

NOTICE OF THE LAST DAY OF REGISTRATION  
OF THE QUALIFIED ELECTORS OF  
**NOVI COMMUNITY SCHOOL DISTRICT**  
NOVI, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:  
WHO MAY VOTE?

Section 532 of Act 269, Public Acts of Michigan, 1955, provides the following: "The Inspectors of Election at an Annual or Special Election shall not receive the vote of any person residing in a registration School District whose name is not registered as an elector in the City or Township in which he resides . . ."

## LAST DAY OF REGISTRATION

The last day on which persons may register with the Township Clerk(s) or City Clerk to vote at the Annual School Election to be held on July 13, 1959 is JULY 3, 1959. Persons registering after 5:00 o'clock p.m., Eastern Standard Time, on the said July 3rd, 1959, are NOT ELIGIBLE to vote at the said Annual School Election.

### BOARD OF EDUCATION NO LONGER TAKES REGISTRATIONS

Under the provisions of Chapter 8 of Act 269, Public Acts of Michigan, 1955, registrations will NOT BE TAKEN BY SCHOOL OFFICIALS and only persons who have registered as general electors with the Township Clerk of the Township in which they reside, or the City Clerk if they reside in the City, are registered school electors. Persons planning to register with the Township or City Clerk must ascertain the days and hours on which the Clerk's office is open for registration.

THIS NOTICE IS GIVEN BY ORDER OF THE BOARD OF EDUCATION  
OF NOVI COMMUNITY SCHOOL DISTRICT, NOVI, MICHIGAN.  
Dated June 11, 1959

RUSSELL TAYLOR, Secretary, Board of Education

## OUT OF THE PAST

### ONE YEAR AGO . . .

A half-mile section of Northville road will be relocated later this summer to straighten out a dangerous curve that has taken a number of lives in the past.

The \$175,000 project will include a new bridge over the Middle Rouge river, according to Wayne county road commission officials.

A strike by the drivers and loaders of the Kroger company sharply reduced Northville's grocery shopping facilities.

Work is progressing on schedule for Northville's \$1,500,000 conversion from manual to dial telephone service, according to John Kamego, Michigan Bell Telephone manager here.

Nelson Schrader was re-elected to a second term as president of the Northville school board last week.

### FIVE YEARS AGO . . .

Novi housewives were breathing easier this week after the "Great Gorilla Scare" turned out to be just a case of mistaken identity.

Oakland county deputy sheriffs and humane officials were called. They found that Chi-Chi, a chin-

panzee of the "giant" variety and a distant relative of J. Fred Muggs, was chained in the basement of the C. R. Rock home, awaiting the return of its master, Foss C. Rock, a Harrison, Michigan animal trainer, and brother of C. R. Rock.

A committee of five prominent Northville citizens began a survey this week to determine the feasibility of attempting to gain city status for Northville.

Serious overcrowding of Northville high school, and the need for greater financial support are two of the most pressing problems of the Northville school district, superintendent of Schools Russell H. Amerman reported at the district annual meeting.

Dropping of tuition students was cited as a possibility unless a new high school or an addition to the present one is authorized. A third and critical problem, Amerman said, is the diminishing supply of classroom teachers.

### FIFTEEN YEARS AGO . . .

Servicemen named as American Heroes in the Northville Record were Henry N. Diem, Luther Jordan and William C. Jordan, Jr.

Thirty-one ballots were cast at the annual school election on Monday, and all 31 were given to the incumbents seeking re-election, Dr. R. M. Atchison and Howard Atwood.

Since three members of the class are now "helping Uncle Sam" three vacant chairs, with the names of the boys, Robert MacDonald, class president; Gerald Miller, honor student, and Walter Falconer, Jr., occupied the spot of honor on the platform.

### TWENTY-FIVE YEARS AGO . . .

Undefeated! Northville's baseball team, the Wolverines, stand at the top of the Michigan State League by virtue of the 12 games in which they have whipped every other team in the league decisively.

A young Republican club is to be formed in Northville under the sponsorship of C. M. Zimmerman and Dr. L. W. Snow, out-county candidate for the office of coroner.

Acceptance of the village roll, prepared by the assessor, Charles L. Blackburn, formed the most important part of the council's activities.

The tax rate, announced by Blackburn, is \$19.70 per thousand dollars valuation. The budget is \$50,000.

Mrs. Mary Tuck of Wixom spent Tuesday at the home of her son, Walter Tuck, and family.

Ability of Carmi Benton, Seven Mile road, to "step lively" behind the protection of steel stanchions saved him from serious injury when attacked Monday by a big Holstein bull in the barn at his farm.

Plans for the 20th annual Northville high school alumni banquet, to be held in the gymnasium next Friday, June 29 are fast being completed.

Officers of the alumni organization: president, Mrs. Eliza Jane Wagenschutz; vice president, Miss Grace Angell; secretary, Robert Litsenberger, and treasurer, Miss Jane Lawrence.

## CITY OF NORTHVILLE, MICHIGAN NOTICE

A PUBLIC HEARING IS SCHEDULED MONDAY, JUNE 29, 1959 AT 8 P.M. AT THE CITY HALL ON PROPOSED ZONING AMENDMENT

### AMENDMENT TO THE ZONING ORDINANCE OF THE CITY OF NORTHVILLE

#### THE CITY OF NORTHVILLE ORDAINS:

1. That Lot No. 196, Assessor's Northville Plat No. 2, part of the S½ of Sec. 3, T1S R8 E, City of Northville, be rezoned from R-2 to T1P classification.

2. That the following described portion of Lot No. 197, Assessor's Northville Plat No. 2, of part of the S½ of Sec. 3, T1S R8 E:

Beginning at the northeasterly corner of said Lot No. 197; thence S. 68° 2' 25" W. 208.23 ft. along the northerly line of said Lot 197 to an angle point; thence S. 10° 46' E. 306.32 ft. and S. 42° 19' 19" W. 84.08 ft. to a point; thence S. 8° 23' 8" E. 68.83 ft., thence N. 86° 23' 43" E. 238.68 ft. to a point on the West line of River street; thence North 14° 58' 56" W. 442.94 ft. along said line to the point of Beginning, containing 2.11 acres, more or less, be rezoned from R-1 to T1P classification.

This ordinance having been determined to be immediately necessary for the preservation of public health and safety, shall become effective immediately upon enactment thereof.

MARY ALEXANDER, CITY CLERK

# To Crown State's Miss Universe at Walled Lake

Candidate Judy Coulter of Palmer Park

The lucky judges have already been chosen, but there still will be plenty of room for kibitzers Sunday, July 5 when more than 30 bathing beauties compete for Michigan's Miss Universe title at Walled Lake park.

Billed as one of the finest contests of its kind to be held in Michigan the program will include bathing suit and formal gowns shows. The public is invited.

The bathing suit show will begin at 4 p.m., followed by an early evening pageant with girls in their formal gowns. A dance will follow the pageant.

The contest winner will receive many valuable prizes including an all-expense 10-day trip to Long Beach, California to participate in the world-wide Miss Universe Beauty Pageant to be held July 17-26.

Contestants must be 18, born before July 1, 1941, and not married. Beauty of face and figure, charm and personality are the points the judges will be looking for.

Contest judges will be Mark Beltaire, Free Press; Jean Loach, WXYZ-TV; Arnold Hersch, Detroit Times; John Finlanson, Detroit News, and Reath Victor, Pontiac Press.

Information and entry blanks may be secured at the park.

Two of the Detroit area girls who will look their loveliest come July 5 are shown here for your pre-contest judging.

Candidate Joanne Cass of Detroit

## Five Youths Fined Here

Five youths discovered cruising in a Cadillac convertible with three minor girl companions and two cases of beer tucked in the folds of the lowered top were found guilty last week by Judge E. M. Bogart for contributing to the delinquency of minors.

All plead guilty.

Except the car's owner, Albert Kenel, 21, of Garden City, the boys, Jerry Barsegian, 20, of Dearborn; Joel Wednic, 18; Ted Howell, 18, and Ronald Mitchell, 18, of Livonia, were each fined \$25 and court costs or 30 days in DeHoCo. Kenel was fined \$50 and costs or 30 days in DeHoCo.

# Orioles Move Closer To League Leaders

The Northville Orioles moved a step closer to the top of the Midget American League last week Wednesday by virtue of a 13-10 win over the Jefferson Yanks.

Wednesday's victory gave Northville a firm hold on the second place position with an

## Wins Golf Honors

Bob Morse mixed business with pleasure last week and returned to Northville with golfing honors won at Stoneham, Massachusetts.

Morse played in the annual Bear Hill member-guest tournament with his brother Don of Stoneham. The duo upset the defending champions in the first round and advanced to the finals before losing one-up on the 19th hole.

Don is the president of Sillbond Products, Inc., and Bob acts as representative for the firm in this area.

# Kritch Stars In Class 'D' Dual Role

Joe Kritch has a terrific curve; it starts at first, skirts the mound and rips across the plate.

In an "exhibition" last Tuesday—which incidentally resulted in an 8-7 victory for Northville's class D nine — Kritch left his first base post, after turning in several outstanding fielding plays, to star as a relief pitcher.

And Hurler Bill Boyd is happy he made the switch.

Boyd started the game and was sailing along behind a stiff breeze of Northville runs, when the Elks of Plymouth threatened to swamp the boat in the top of the fifth.

Two singles, a walk, and two costly Northville errors gave the Elks two more runs. Kritch took the mound with the tying run on first and with none out. He picked off the man on first, struck out the next batter, and forced the pitcher to pop out to short.

He held the Elks scoreless in the final two innings, giving Boyd and his team the first victory of the season.

Bob Starnes, Bill Trotter and Fred Steeper led Northville's hitting attack. Starnes drove in two runs with a triple to right in the first inning; Trotter collected a double and a single in two official times at bat, and Steeper hit safely in three trips to the plate.

RHE  
Plymouth Elks 2300200792  
Northville 500300-873

Willow Run cut Northville's one-game winning streak short with five sharp blows Thursday to win 4-0 on their own diamond.

But Northville was ripe for cutting, with five starters out of the lineup because of vacations, injuries and Boys' State attendance.

Joe Kritch, who came to the aid of starter Bill Boyd in the opening tilt, suffered the defeat, giving up five hits. Harry Phillips was the winning pitcher.

RHE  
Northville 000000022  
Willow Run 000103-451

Northville a firm hold on the 8-2 record while dropping the Yanks, 7-2-1, to third. The Rosedale Tigers hold the top position with nine wins and one tie.

Northville's only losses have been to the Tigers and to the Clarenceville White Sox. Rosedale tied with the Yanks in a nine-inning tilt two weeks ago.

The Yanks out-hit Northville 10 to 8, but the Orioles took advantage of the opponent's errors.

Eleven of Northville's runs came in the second and third innings.

Gary Gryns opened the second with a home run and Dave Luedtke followed with a double. An error and two walks filled the bases. After the Yanks pitcher forced home the third run with a walk, Gordie Hammond singled for another tally. Hammond scored on a long drive to center after the catch.

Hay tripled in the third to drive in two runs and then scored himself on a relay throw error. Luedtke and Hammond singled to set up the other runs.

Hay, Hammond and Luedtke took hitting honors for Northville. Hay rifled two singles, a triple and a home run in four trips to the plate; Hammond collected two singles in four times at bat, and Luedtke had a double and a single in three official times at bat.

LaRue was the winning pitcher, Conrad the loser.

In an earlier game, the Orioles buried the Grant Seals under an avalanche of hits in winning 13-6.

Northville scored in five of the seven innings of play, while the Seals scored in three. David Luedtke, ably assisted by Gary Gryns, was credited with the win. Roose was nicked for the loss.

Hammond and Hay shared hitting honors for the Orioles. Hammond collected four singles in five trips to the plate and Hay went three for four.

R H  
Orioles 43201031314  
Seals 0031020064

Northville's other midjet nine, the Braves, were trampled by the Wilcox Red Legs, 13-1, and clawed by the Taft Bears, 12-7, in National League contests last week.

The Red Legs came up with the coup de grace Thursday after the Bears humbled the Braves Tuesday.

Northville scored its lone run against the Red Legs in the second inning on successive hits by Chuck Bailey and Larry Angove. Nine of the Red Legs' runs came in the second inning on four hits, seven errors, three walks and a hit batsman.

Chuck Bailey was the losing pitcher, Jackson the winner.

R H  
Braves 01000014  
Red Legs 09400139

In the earlier diamond tilt, Northville led 7-4 going into the last half of the sixth. But the Bears exploded for eight runs in the sixth to bounce into a 12-7 lead.

Eric Peterson and Gary Stobbe shared losing roles, while Jaco and Bity teamed up for the win.

R H  
Braves 01240007  
Bears 030018-12

**HIP, HIP, HURRAH** — Five members of the Northville cheerleading squad combined work with play last week as they attended the Smith Walbridge Midwest Cheerleading camp at Syracuse, Indiana. Classes in tumbling, yell leading, footwork routines and new yells were taught

by Lawrence Herkimer, Mr. Cheerleader USA, nationally known cheerleading instructor and University of Michigan gymnastic coach. Pictured above (left to right) are: Sarah Schrader, Sharon Hersch, Karen Hill, Nancy Starkweather and Mary Bell.

# 'E' Teams At Top - - And Bottom

Two Northville baseball teams looked at each other from opposite ends of the class "E" baseball standings at the conclusion of the opening week of play Friday.

The Northville Plumbers coasted to three straight victories last week, while Northville Recreation dropped its first three games. The Plumbers beat the Clarenceville Optimists, 5-2, Clarenceville No. 2, 28-0 and Novi, 17-3. Recreation lost to Livonia Center, 11-0, Clarenceville No. 1, 11-0, and to Clarenceville No. 2, 12-10.

Highlighting the opening week of play was the no-hit, no-run Northville victory over the Optimists. Dan Brown struck out nine batters and gave up only three walks in posting the near perfect game.

Brown struck out two batters in each of the four innings he pitched before the game was called.

Meanwhile, his teammates clouted 13 hits, 11 of them in the first two innings. Jim Anderson, who along with Craig Bell lead the team in hitting, collected the only extra base hit. He smashed a triple in the fourth inning for his third hit of the game.

\*\*\*

Butch Willing allowed only three hits and struck out 11 as the Plumbers downed Clarenceville. Willing also smashed out a double and a triple to lead his team at the plate. Jim Anderson also tripled.

R H  
Northville 00122-58  
Clarenceville 00000223

\*\*\*

Craig Bell won the opener for Northville with another three-hit performance. He struck out 15 Novi batters.

Bell also collected two of his team's 17 hits.

Morrison was tagged with the loss.

We reserve the right to limit quantities. Prices and items effective at Kroger in Detroit and Eastern Michigan thru Saturday, June 27, 1959.

## SPEAKING for the Record

by BILL SLIGER

Today officials of the city of Northville are joining hands with the Retail Merchants association to pay tribute to our community's biggest taxpayer — Northville Downs.

Actually, the tribute applies to both the operation at the Downs, headed by John Carlo, and the organization owning the physical plant itself, the Northville Driving Club.

While every year most local businessmen are happy to greet the horsemen to town, an official celebration of the opening of the track season has never been undertaken before.

The idea to hold a "Northville Night" at the track was conceived by Alfred Smith, a candidate for city council last April. He thought it would be both appropriate and good fun to have a "family" afternoon at the track when everyone could enjoy free races and entertainment.

The merchants picked up the idea from there and came up with the "Downs Days" promotion currently in progress. Their event is climaxed Saturday at 7 p.m. on Main street when 10 prizes topped by a trip for two to Jamaica will be given away. Several other fine prizes including a power mower, outdoor grill, portable TV and two bicycles will be given away this afternoon at the Downs' event.

Tonight at the Downs a special "City of Northville Pace" will be staged with a blanket being awarded to the winning driver. The mayor and council and retail merchants' officials are expected to participate in the program along with Downs and Driving Club officials.

To me the idea seems like a good one.

It's no secret that relations between the city, Downs and Driving club have not always been the most cordial. Much of the time, however, the differences have stemmed from misunderstanding or, perhaps, a failure to consider all sides of a particular problem or project before it is undertaken.

Racing is admittedly a controversial industry. It has both staunch supporters and bitter opponents. Down the middle there exists a group that have no strong feelings either way and only ask that the Downs conducts its business in a manner expected of any other industry operating within the community.

Friday I spent several hours with Manager Carlo inspecting the track, barns and stands. He outlined plans for the future and explained some of the problems confronting the Downs.

If all goes according to schedule, Northville will have one of the finest track facilities in the state in five years. Improvements will include all new barns, new and enlarged stands and a general remodeling to make the facility a true beauty spot.

Beyond the five-year plan, Carlo would like to add a modern clubhouse to provide dining facilities in the area where the open bleachers are now located.

Cost of the entire improvement program is close to \$2,000,000.

Night harness racing originated at Northville Downs 16 years ago. It has grown from a \$40,000 a night business to one taking in an average of \$250,000 nightly. It's not inconceivable that five or ten years hence a similar growth will have been experienced.

Meanwhile, the complete and orderly development of every cherished facet of community life will be taking place. It seems reasonable to believe that this important local industry can grow in stride and harmony with the community.

Both the Downs and the Driving Club — an organization composed of community residents with deep local interests — have contributed substantially to the economic well-being of Northville. Today's celebration is the city's and merchants' way of saying "thank you".

## Roger Babson

### Choosing Your Home

Babson Park, Mass. — With nearly 10 percent of our population changing locations each year, these people are faced with the question: "Where shall we establish our permanent home? I shall not recommend any one state. Every state has its advantages and disadvantages. Much depends upon the health of the parents and children — whether they should go to a dry climate or a normal climate — to a hot climate or a cool climate. This is something you should talk over with your local doctor before making a decision.

#### Large vs. Small Cities or Towns

I, however, will take the responsibility of advising you to avoid big cities such as New York, Philadelphia, Chicago, St. Louis, Kansas City, New Orleans, Cleveland, Detroit, and perhaps San Francisco and Los Angeles. If you have young children, I would advise you not to locate even in any of the suburbs of these. With a total population of over 20,000,000 people, they could all expect destruction in event of World War III. Only a few cities might be destroyed; but no one knows which ones.

I do not expect to see a World War III for at least ten or more years, but the chances are that the United States will sometime be in some major war. Such a war will be fought by missiles of various kinds carrying atomic warheads. This means that one or more of the above cities will be wiped out during the first 24 hours of the war. No advance notice will be given. The surprise attacks will come as suddenly as that on Pearl Harbor. In the same way, our enemies will strike while our delegates and theirs are discussing possible peace.

#### Advantages of Small Cities

Were I looking for a job today, I should choose some small city or town fifty to one hundred miles from one of the ten big cities mentioned above. My reasons: (1) Such smaller places will never be targets of intercontinental missiles. (2) Their churches, schools, and clubs are much better for your family's future. (3) The cost-of-living is less than in a big city. (4) Your living conditions — whether in a small house or an apartment — will be much better for the rent you pay. (5) Your children will make better friends — especially if you join some church and the children attend Sunday School.

#### Land Prices and Profits

The price of land varies largely with the population of the community. This means you will get more real health and joy for a dollar invested in a small city. Furthermore, land in most large cities is at its peak for this cycle; while land in smaller cities should still be on the way up. Be sure to settle in a progressive and growing location, not

one that has seen its best days.

When buying a home be sure to get enough land. Buy a small house, but get an extra adjoining lot if possible. Buy them on the right side of a well-drained and growing city or town. Every community has its growing and most "aristocratic" portion. Start out with the prestige of living in the right section with the best neighbors — who own their homes.

#### Advantages of "College Towns"

Personally, if my wife and I were a young couple, all else being equal, we would settle in a "college town". There are nearly 500 scattered throughout the nation. These small cities and towns have especially good families and attractive atmosphere. These always have concerts and lectures which you can attend. If you can find such a community on a lake or river, this may be the place to settle.

What about the subdivisions which are springing up from Richmond southward to Florida and from Atlanta westward to Texas, New Mexico, and Arizona? Many of these are attractive, but before buying see with your own eyes what you are to get for your money. Insist upon good drainage, a fireproof house built of sand blocks which is also termite proof. Visit several subdivisions before you buy. Spend at least a month looking about in the state which you select. One more thought: Buy a house near enough to a hotel or restaurant so that you can walk if you wish to get out for a meal.

#### Becomes Air Force Nurse

Joann Burke Callaway of West Main street, daughter of Mr. and Mrs. Paul Callaway of Orchard Lake was sworn into the United States Air Force Nurse Corps this week at the Garden City recruitment office.

A graduate of the University of Michigan school of nursing, Miss Callaway has been head nurse of a psychiatric unit at Northville State hospital since her graduation.

She received a second lieutenant commission.

#### Wins Nurses Scholarship

Plymouth winner of the Northville-Plymouth Nurses scholarship award was announced this week by fund directors Dr. R. M. Atchison and Walter Couse of Northville and Dr. W. W. Hammond of Plymouth.

Sally-Jo Mathias, daughter of Mr. and Mrs. Ferris Mathias of Plymouth, was one of two recipients of this year's scholarship.

Northville Senior Carolyn Wolfgram was notified of her award during honors convocation ceremonies two weeks ago.

## Michigan Mirror

### Decisions that Influence Our Lives

THE DEPTH of its influence over the state's eight million citizens and their elected officials was again demonstrated by the Michigan Supreme Court.

In a period of just a few days early in June the high court settled legal problems stemming from family squabbles to such widely-debated state issues as taxes and labor disputes.

The court also adopted two rules of procedure that in effect remind the governor, the legislature and other judges to keep on their toes.

One rule paves the way for a quick decision on the legality of whatever tax program Gov. G. Mennen Williams and the GOP-controlled legislature agree upon. The rule allows Williams to bypass lower courts for decisions on matters of such public moment as to require early determination.

Democrats have questioned the constitutionality of the Republican plan for a penny boost in the use (sales) tax just as Republicans questioned the constitutionality of the Democratic-endorsed "piggy back" income tax that was defeated in the House.

Another new rule sets up a procedure for cracking down on any judge who brings "disrepute" to the bench. It was another of many steps the high court has taken to tighten its control over conduct of the lower courts.

The court had a 5-3 split, with the Democratic majority controlling, on adoption of both rules.

And the court had a 5-3 split on a decision that said a taxpayer has the right to get his money back when an assessor makes a mistake.

In a majority opinion that will be a guideline for future tax disputes at the local level, Justice Eugene Black, of Port Huron, said the high

tribunal upholds "the right of taxpayers to equitable relief from the unconscionable effect of crass mistakes of public officials in the field of taxation; mistakes gross enough to constitute fraud."

Black wrote another prevailing opinion he said was of "apparent statewide moment."

The opinion said the various modes of fund allocation that by constitution and statute are based on population must refer to "the most recent statewide federal census."

The court ordered state officials to distribute motor vehicle highway fund money according to Frankfort's population as determined by the 1950 census — even though much of the population now calls Alberta home.

For the second time in recent months, the Supreme Court upheld the right of strikers to engage in peaceful picketing.

The court said issuance of any injunction by the Calhoun Circuit Court forbidding peaceful picketing and the display of placards "involves denial of equity of the exercise of a basic constitutional freedom, the exercise of free speech."

In another labor matter, the state's highest court was told it would have the last word on Michigan's controversial "Ford Case". The U.S. Supreme Court rejected an appeal by Ford Motor company of the state court's ruling giving jobless pay to Michigan Ford workers idled by a strike of Ford workers in Canton, Ohio.

Lawbreakers got a break in two of the court's latest decisions. The justices said police stopping an auto to issue a traffic ticket may not also routinely search the car. It also said a burglar injured with police in hot pursuit can collect accident insurance.

The impact of supreme court action at the local level was reflected in annexation decisions. The court upheld annexation of a portion of Novi township to the city of Northville and denied a bid by Springfield to block proceedings to annex land in Springfield to Battle Creek.

The Michigan Supreme Court has been growing in size and power ever since 1805, when three justices were appointed to serve the Territorial Government of Michigan.

With their actions early in June, the eight justices now on the court served notice they will continue to exercise every bit of this power. Their opinions on issues of "statewide moment" will be codes for conduct for generations to come.

Chevy  
Gives You  
Smarter Style  
Today...

FOR  
HIGHER  
TRADE-IN  
TOMORROW!

Don't take it from us—take it from independent experts and from facts and figures that are now a matter of record. POPULAR SCIENCE sums up Chevy's unmistakably modern style this way: "The fact is, in its price class Chevy establishes a new high in daring styling..." This is one more reason your new Chevrolet will bring a higher allowance at trade-in time, as Chevy has over the years. A look at last year's used car prices\* shows Chevrolet averaged up to \$128 more than comparable models of the other leading low-priced two.

\*Guide Book figures of the National Automobile Dealers Assn.

PLUS 5 MORE BIG BESTS OVER ANY OTHER CAR IN CHEVROLET'S FIELD!

**Best Brakes.** Chevy showed the best brakes of the leading low-priced three in repeated highway speed stopping tests conducted by NASCAR.\* No wonder. Chevy's brakes, built for up to two-thirds longer lining life, are the biggest in its field.

\*National Association for Stock Car Advancement and Research.

**Best Engine.** Every motor magazine has given Chevy's passenger car and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

**Best Economy.** No doubt about this: a pair of Chevrolet sixes came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car.

**Best Room.** Dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room is up to 5.9 inches wider than comparable cars.

**Best Ride.** No doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

NO WONDER MORE PEOPLE  
ARE BUYING CHEVROLETS IN  
'59 THAN ANY OTHER CAR!

See your local authorized Chevrolet dealer for the best buy on the best seller!
