IF IT'S NEWS... AND IT HAPPENS IN NORTHVILLE... YOU CAN READ IT IN THE RECORD

Volume 89, Number 6, 12 Pages

Northville, Michigan, Thursday, July 2 1959

10c Per Copy, \$3.00 Per Year in Advance

WHO MINDS THE HEAT? — Not me says Gwen Spiker, 412 West Dunlap, as Julie Markell, 228 Linden, obligingly demonstrates her version of a backyard air conditioner. Most of the area's adult population looked, with envy upon the youngsters who defied this week's heat wave by frolicking in pools and under garden hoses.

Schedule Speed-Up On Water Program

Northville's \$300,000 water improvement program has been moved ahead approximately two months — thanks to the prompt action of the Municipal Finance Commission.

Last week the commission gave formal approval to the city for sale of bonds. The approval came just four weeks after the city's request. Normally the procedure takes three months.

City Manager John Robertson had written the commission seeking priority consideration "for the health and welfare of the community."

With the way clear to sell bonds, the city and James Pollock, financial consultant, must now prepare to advertise for the sale of the bonds. Preparation of a prospectus for the sale is expected to require three weeks.

Meanwhile, the city will advertise for construction bids on the improvement program. Bids will be subject to a "waiting period", Robertson said, so that the bond sale can be completed. By obtaining construction bids early the city will also have a better idea of the total cost and the extent of the projects that may be undertaken.

Under the present time schedule it is possible for construction to begin in early September.

The water system improvement program, approved by voters on May 18, includes a 400,000 gallon elevated storage tank, additional shut-off valves, new fire hydrants, new and larger lines and a "looping" of the system, chlorinating equipment and development of a new well site.

The bonds will be paid from revenues of the system over a 27-year period.

Series of Slip-Ups Surround Re-Zoning of River Street

For nearly two years the city council has been trying to satisfy River street residents and Northville Downs with proper use restrictions on a 2½-acre River street site to be used by the Downs for parking.

Finally, everything appeared to be in order for the last step Monday night when it came time for the council to approve rezoning.

To the embarrassment of the council, however, it was discovered that:

1. The final paragraph of the contract stipulated that the property could not be used for its intended purpose until 90 days after all the terms of the contract had been met;
2. The zoning classification (T-P1) selected by the council for the lot did not permit the type of parking (trucks and trailers in addition to passenger vehicles) that had been intended in the terms of the contract agreement between the city and the Downs.

Before the public hearing was over the council had neatly jumped these self-made obstacles and cleared the way for the lot to be used during the current season.

The land, once owned by the county, was purchased by the city and resold to the Downs under the terms of a contract which places definite use restrictions on the property. Specifically, it can be used only for parking of cars, trucks and trailers (but with no living quarters permitted) and for entrance and exit to the track.

Record to Close Friday, Saturday

Record employees are taking a vacation this week. A long week end, that is.

So that employees will not lose a holiday by having the Fourth of July fall on Saturday, the Record office will be closed all day Friday and Saturday, July 3 and 4.

The Record is normally open 8 a.m. until 5 p.m. week days and 9 a.m. until 1 p.m. Saturdays.

Bachelor Wins Trip To Jamaica

Wouldn't you know it! The winner of Northville's Downs Days' all-expenses-paid vacation for two to romantic, glamorous Jamaica is a bachelor.

He's 25-year-old Charles Dickinson of 333 Yerkes, son of Mr. and Mrs. R. D. Taylor.

Despite the fact that he couldn't decide who he might take along on his newly won vacation, Charles was elated by the prize.

"This will really help my education," he beamed. Charles is attending college at Eastern Michigan this summer and plans to teach college-level geography. Right now he's working as a child care attendant at Hawthorn Center.

Charles has already been to Guam, Korea, Honk Kong and Japan during his hitch in the navy. "I've never been to the Caribbean," he pointed out stating that it would give him an excellent chance to gain more firsthand knowledge for his future profession.

He plans to take the vacation trip after completing summer school. After graduation in January Charles will enroll at Mexico City college for advanced work in geography. Then he plans to take a trip around the world.

JAMAICA BOUND — Charles Dickinson (left) is all smiles as he accepts the certificate good for a week's vacation in Jamaica from Roy Stone, chairman of the Retail Merchants' Downs Days promotion. Dickinson, 25, is unmarried and hasn't decided who he will take along to share the vacation fun. He lives at 333 Yerkes.

Bricks Fly at Junior High

Contrary to the expectations of school officials who one month ago were pondering how to get rid of antiquated desks at the junior high school — Northville residents made a sentimental lunge for them, and within weeks carted off all 190 well-worn pieces.

Disposal of non-usable furniture and storage of the remainder cleared the way for junior high rehabilitation which has been under way some three weeks now.

With the assistance of contractors, furniture was quickly removed and stored in the community building, Main street elementary and Chapman school.

Last month the Burger Construction company of Detroit was awarded the low bid (\$199,800) contract for handling basic improvements: enlargement of the library, rewiring, re-plumbing, installation of acoustical ceiling, relocation of the heating plant to Main street elementary, overall painting, new lighting, laying of tile floors in all classrooms, re-

modeling of shower rooms and lavatories, and general enlargement of classrooms.

Main Street School Principal Harry Smith and Teacher Donald Van Ingen are overseeing the project.

In the temporary absence of Smith, who is on a month's military assignment, Van Ingen has been in full charge.

To date, Van Ingen reports, walls have been knocked out of six classrooms on the second and third floors which will be converted into four larger rooms, and out of the old library, to be remodeled as another classroom.

Floors are being broken up to permit installation of plumbing and heating connections.

The glass partition between the study hall and old library has been bricked up following the plan to convert two-thirds of the study hall into the new library, another classroom and a visual aids storage room.

Likewise, some windows have been bricked in and others enlarged to correspond with structural changes.

Other remodeling plans include construction of a glass-enclosed outside passageway between the east side of the elementary school and the back of the junior high, creation of rooms for physical education teachers and relocation of administrators' and counseling offices.

Contractors hope to complete parts of the building by September. They have been given 180 days for the project, Van Ingen said, and by the present rate of progress could be expected to finish by mid-October.

Until then, seventh and eighth grades will be accommodated in the Main street elementary and available sections of the junior high. The building will be occupied full-time just as soon as it is completed, he said.

Downs Betting, Attendance Off Eight Per Cent

Prospects of a heavy tax-take from state rebates on Northville Downs pari-mutuel handle were less than bright this week as betting slipped to 8½ per cent below last year's level.

City officials have been hopeful that this year's tax return for the city might be as high as \$100,000. Last year the state rebate from local racing dropped to \$84,000. In 1957 the amount was \$90,000. Under the state's new racing act Northville will receive 12½ per cent more than previous years because of a boost in the state's share from 4 to 4½ per cent. The city gets one-fifth of the state take.

Through last Saturday both attendance and betting has been off 8½ per cent. Friday night 5,489 fans bet \$258,225, while on Saturday this year's biggest crowd, 8,146, wagered \$296,959. On the same night last year betting hit \$321,631.

Northville's drop amounts to about \$25,000 nightly. This is not as severe as MRA in Livonia where the runners are down approximately \$86,000 nightly.

Friday night a field of 10 of the nation's top pacers will compete at the Downs in the \$5,000 Invitational in the featured event of the week.

Warns Novi Voters

Novi school district residents must be registered with the township of Novi to qualify as electors in the July 13 school election.

Superintendent of Novi Schools William Medlyn said this week he had been advised that residents registered with the village — but not the township — are not qualified to vote in the school election.

The deadline for registering with the township for the school election is tomorrow at 5 p.m.

'Community' Hospital to Open Soon

Sessions Sale Complete; New Owners Remodel

Community Hospital, Incorporated, will be the new name of the now defunct Sessions Hospital when the new institution re-opens in Northville August 1.

Announcement that purchase negotiations have been completed and work is now under way to remodel the hospital was made Tuesday by Clifton Hill, attorney for the new owners.

Greetings From the City

It's that time of year again! Some 1,300 city tax notices were mailed out this week and are payable without penalty by August 31.

This year's total roll is approximately \$107,000.

Taxpayers can gain some solace from the fact that there is no increase. The millage is the same as last year — 11.5. Taxes are Payable at the city hall. After August a 4 percent penalty is added.

Plan Fall Paving Of New Cut-off In Northville

Here's good news for school officials and residents living along the new Eight Mile road cut-off in Northville.

There's an excellent chance that the cut-off will be paved this fall.

City Manager John Robertson said that county officials were hopeful that paving from Taft road to the Bridge at the C & O railroad near Novi road and from the east side of the bridge eastward to Eight Mile road would be undertaken in September.

Tentative approval has been received from county and federal authorities to proceed with the paving. Local school authorities agreed to waive construction of the pedestrian overpass between the new high school and Amerman elementary this year so that the paving could be completed, Robertson stated.

Paving of the by-pass in the Oakland subdivision and Amerman-new high school area is expected to greatly improve traffic problems and also provide relief of dust.

Bridge work at the railroad and Novi road will not be completed when the fall paving is scheduled, Robertson said.

Hill revealed that the hospital will be jointly owned by Dr. Howard L. Bergo of Northville and Abraham Farris of Detroit. It was announced in May that Dr. Bergo, medical director of Maybury Grand hospital in Detroit, would purchase Sessions from Mrs. Irene Slater.

Farris, who according to Hill is the owner of several furniture stores and has experience in the construction of hospitals, will act as business manager of the local hospital. Dr. Bergo will be medical director.

Together they will own the building and property, located at 520 West Main street, and all the stock in Sessions Hospital, Incorporated, a non-profit corporation. According to Hill, even private hospitals are recognized by the state and federal government as non-profit corporations. Hill pointed out that under such an arrangement all profits — above salaries and rent — must be earmarked for hospital improvements.

Interest in reorganization of Sessions hospital began in April when Dr. L. W. Snow obtained an option to purchase. Under the option Mrs. Slater would receive \$30,000 and the buyer would assume the responsibility of some \$53,000 in debts.

The hospital has been virtually closed in recent months without a maternity license and specific improvements to meet state hospital standards.

Dr. Snow headed a drive to gain community-wide support and ownership of the hospital. The undertaking was given up when Dr. Bergo expressed an interest in buying the hospital outright and running it as a community facility.

In the past the hospital was widely used by area physicians. Hill said a board of directors composed of seven to ten area residents, including Dr. Bergo and Farris, will be established within a few days. He said the hospital will be open to practicing physicians of the area and that the direction of the hospital will be subject to rules set up by the board of directors and owners.

Hill said that possibly within three years the 30-bed hospital would be expanded to 80 beds. Immediately new equipment will be purchased for the operating room, new shielding and non-conductive flooring installed in the x-ray room, a new kitchen and a sprinkling system installed. The owners are hopeful that all state requirements will be met by the first of August so that full operation may begin.

City Awards Bid For Police Car

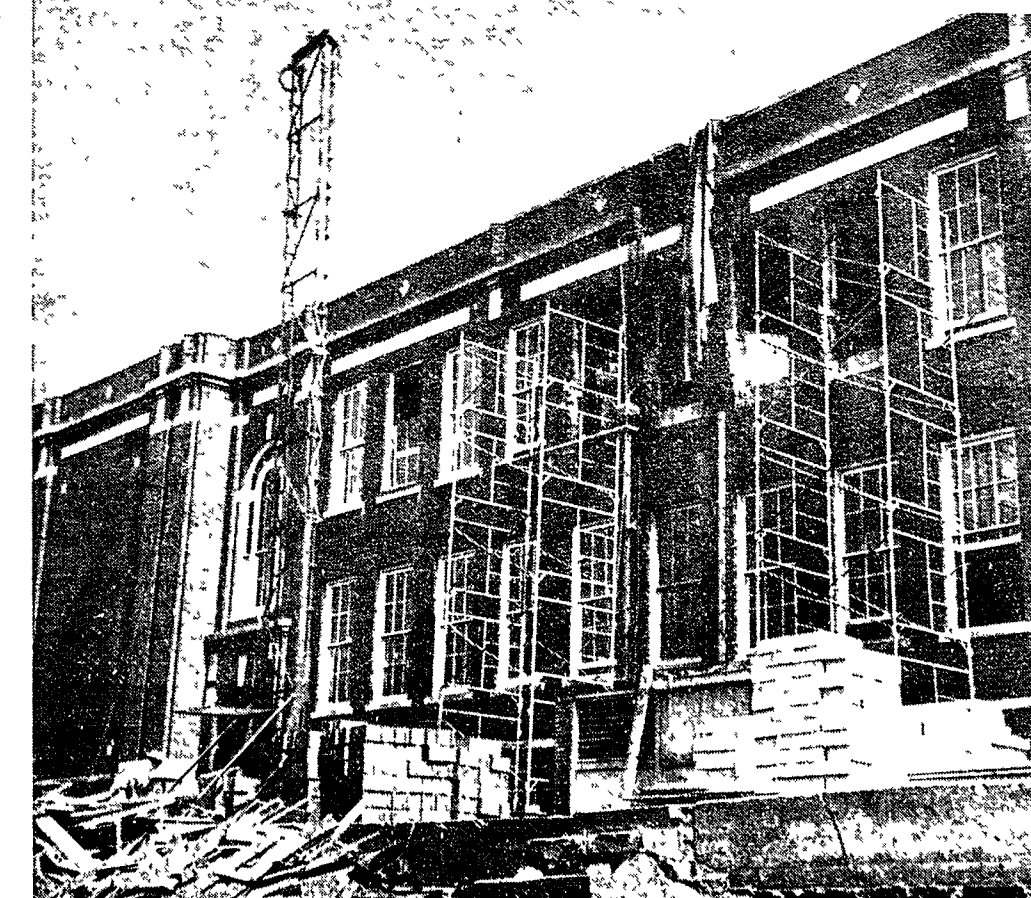

City councilmen voted to purchase a new Ford police car Monday night after studying five bids and hearing recommendations of Police Chief Eugene King.

The bid was awarded to John Mach sales of Northville. Mach's bid was \$1375 including a \$902.97 trade-in allowance for the present police car. The new car will be a four-door model.

Lowest bid came from Gib Bergstrom for a Studebaker Lark. The Lark bid, including trade, was \$627.84. Chief King noted that several changes would have to be made to install radio and other equipment in the Lark and said that department members believed that the car would not be large enough for police work.

In other business Monday night the council instructed the city manager to enforce regulations for trash pick-up. Some residents are leaving containers and articles of lumber and tree limbs that are much larger than the city ordinance governing trash collection allows.

Regular weekly trash pick-up by a private collector began Monday. In final business the council approved purchase of a 400-foot, 6-foot high cyclone fence to be installed immediately around the new Novi road well site to prevent vandalism.

SIGNS OF RENEWAL — Scaffolding, cement blocks and discarded debris in the Northville junior high backyard proclaim that work on the close to \$200,000 rehabilitation job is underway.

Bride's Father Officiates at Service Uniting Miss Andrews, J. Henning

At a double-ring ceremony performed by her father Grace L. Andrews became the bride of Jerome Edwin Henning June 20 in the Full Salvation Union Chapel where the Rev. Andrews is pastor.

Miss Andrews is the daughter of the Rev. and Mrs. James Andrews. The groom is the son of Mrs. Altha Henning of Lansing.

Mary Ann Luther was maid of honor and David Korrey, best man. Tom Andrews, a brother of the bride and Paul Andrews, the bride's cousin, were ushers.

The bride was gown in a white eyelet ballerina length dress and wore a corsage of white roses. The maid of honor wore a light blue suit with rose accessories.

For her daughter's wedding, Mrs. Andrews wore a navy blue suit and white lily corsage. Mrs. Henning chose a black suit and pinned on yellow roses.

Only the immediate families and grandparents of the bridal pair attended the wedding. Grandparents of the bride, Mr. and Mrs. Harry Estey and Mr. and Mrs. L. E. Klades, grandparents of the groom came from Lansing and Northville, respectively.

Wedding music was played by the bride's cousin, Audrey Andrews, of Ypsilanti. After a reception at the bride's home, the newlyweds left for a wedding trip to northern Michigan and are now making their home in Lansing.

Mrs. J. E. Henning

Judy M. Smith, Lewis E. Perry Married At Novi Baptist Church Saturday Evening

Judy Marie Smith, daughter of Mr. and Mrs. Rex Smith of West Nine Mile road, was united in marriage to Lewis E. Perry, son of Mr. and Mrs. Leland Perry of Farmington Saturday evening at the Novi Baptist church.

The Rev. Arnold Cook performed the service in a setting of candelabra, white gladioli and mums.

Richard Drew, a classmate of the bride, was organist for the ceremony and sang "The Lord's Prayer."

The bride was given in marriage by her father.

She wore a ballerina length gown of white chantilly lace and nylon net with a high collar and wrist point sleeves. The full skirt of nylon was met at its scalloped edge midway by a wide border of lace. Her fingertip veil was caught by a seed pearl tiara and trimmed with sequins. She carried white fuji mums and carnations.

Mrs. George Clarke of Novi was matron of honor, wearing a yellow print frock and white accessories. She carried a bouquet of yellow fuji mums.

Best man was Edwin Shultz of Detroit. Ushers were Jerry Brayman of Novi and Tom Harris of Wixom. The bride's brother, Danny, was in charge of the guest book.

For her daughter's wedding Mrs. Smith selected a pale blue lace dress in peplum style and white accessories. Mrs. Perry chose a dress of silk blue print and blue accessories.

A reception for 50 was held at the church. Guests came from Northville, Toledo, Linden, Mayville, Farmington, Novi, Southfield, New Hudson and Wixom.

For the wedding trip to northern Michigan the bride wore a white silk crepe sheath, yellow and white accessories and a white carnation corsage from her bouquet.

The bride is a June graduate of Northville high school. The groom is employed at Superior Door company in Wayne.

They will make their home at 21175 Farmington road, Farmington.

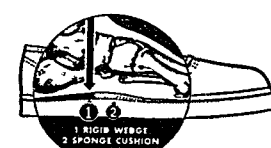

Mr. and Mrs. Lewis E. Perry

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

NEW RESIDENTS of Ely drive are Mr. and Mrs. James Breen and children, Mike and Marie.

Newcomers of just two months are the James Breens and children, Mike 6 and Marie 5.

They come to Northville Heights from northwest Detroit, and shortly before that, made their home in Park Forest, Illinois, a suburb of Chicago.

Mr. Breen, fleet manager for Morris Buick sales in Detroit, received a degree in law from Notre Dame university. Mrs. Breen is a native of Michigan and attended schools in Detroit.

As fishing and baseball enthusiasts, the Breens make the most of summer week ends at their cottage near Houghton, and say there's a good chance they've "caught all the fish in Houghton lake by now."

They also like to putter around the house. While they lived in Park Forest, a national magazine singled out their efforts by naming their home the most beautiful in the suburb.

Northville's small-town flavor appealed to the Breens who say they're still satisfied.

Past Matrons and Patrons of Northville Orient chapter, and their husbands and wives, will be guests of Mr. and Mrs. Walter Miller and Mr. and Mrs. William Munroe at their Upper Pettibone lake property next Sunday, July 12 for a cooperative picnic at 3 p.m.

Chaplain Gets Seminary Post

Fr. Edward T. Cope, who has been the Catholic chaplain at Northville State hospital, was transferred last week to St. John's Seminary, Phoenix road, Plymouth, where he will teach theology and philosophy.

Ordained in 1937, Father Cope has taught in seminaries for 15 years. During World War II, he served in the United States Navy as a chaplain for four years and, before coming to Northville State hospital last October, spent six months as the chaplain at Carmel hall in Detroit.

In addition to his duties at the hospital, he also served as chaplain at Our Lady of Providence school, Northville, and as a visiting lecturer at Detroit Mercy college.

A farewell luncheon was given at the home of Mrs. Carolyn Seefeldt, director of social service at Northville State hospital. Guests included ten of the hospital's patients who had assisted Father Cope; Reverend George P. Jerome, Protestant chaplain; Reverend Clarence H. Siess, Lutheran chaplain; Mrs. Howard Meyer, hospital volunteer assistant

to Rev. Jerome, and Miss Selma Schnute, secretary to Mrs. Seefeldt. Also present was Ray Hinz, department of vocational rehabilitation counselor.

Last Saturday, Father Cope left for Idaho and will vacation for the summer before he resumes teaching at the seminary.

He will be succeeded at the hospital by Father Paul E. Lederman, who was transferred from Dominican high school in Detroit. Father Lederman will also serve as chaplain at Our Lady of Providence school.

Richard F. Roe Gets Navy Promotion

Richard F. Roe, molder second class, USN, of 510 Randolph, Northville, was promoted to the present rate recently while serving aboard the submarine tender USS Howard W. Gilmore, operating with the U.S. Atlantic Fleet out of Key West, Florida.

Green Bermudas Hit the Range

Ypsilanti's train depot Tuesday morning was the picture of feminine ingenuity as four Northville senior scouts in dress uniform alighted a Chicago-bound coach with only a modest overnight bag each to tide them over.

Behind the scenes was nothing less than the impressive feat of establishing overnight an all-girl city of 10,000 at the foot of the United States Air Force Academy, not to mention Pike's Peak.

Under the thematic banner of "Home Frontiers", more than 7,000 girl scouts and guides, and 1,500 adults from the United States and 25 foreign countries convened at Silver Springs, Colorado this week for the second International Girl Scout Roundup.

The first, held three years ago, initiated what is hoped to become a regular triennial event.

Locally, the 10-day roundup climaxes seven months of cook-outs, camp-outs, and scurried preparation of skits, swap items and camping gear by Northville delegates Rosemary Frost, Judy Stamann and Stephanie Brown.

Their leader, Mrs. Alex Lawrence attests that the girls were really out there, frying eggs even in 8-degree weather, at the start of their boot training in December.

They met monthly through May for similar maneuvers, including two overnight trips.

Their duffle bags, green and red wing-back and pop-up tents, and various camp utensils were shipped ahead a few weeks ago.

Besides water facilities and telephone and the erection of large building units such as the hospital, which were installed by military personnel, the girls will set up their own housing.

The camp is divided into six "sections" and "patrols" composed of eight girls.

In keeping with this year's plan to insure greater contact among girls from various geographical areas, the Northville girls will be assigned separate patrols, troops and possibly camps.

The magnitude of the project, however, is reinforced by meticulous attention to details.

Thus every girl has her number and can be plucked precisely out of her tiny pop-up if need be by quick reference to record — in triplicate, adds Mrs. Lawrence —

by noting her section, camp, troop and patrol.

Like the others, the Northville quartet left equipped with skits about their hometowns, and packed thousands of souvenir mementoes of their state for swapping, discovered to be an overwhelmingly popular pastime at the last roundup.

Among their swaps are key chains from auto manufacturers, salt shakers, and dirt from Hell (near Pinckney).

They are also ready to launch entertaining demonstrations of Indian dances, dying with natural dyes, production of potato chips and candied apples, or to do a take-off on Othello.

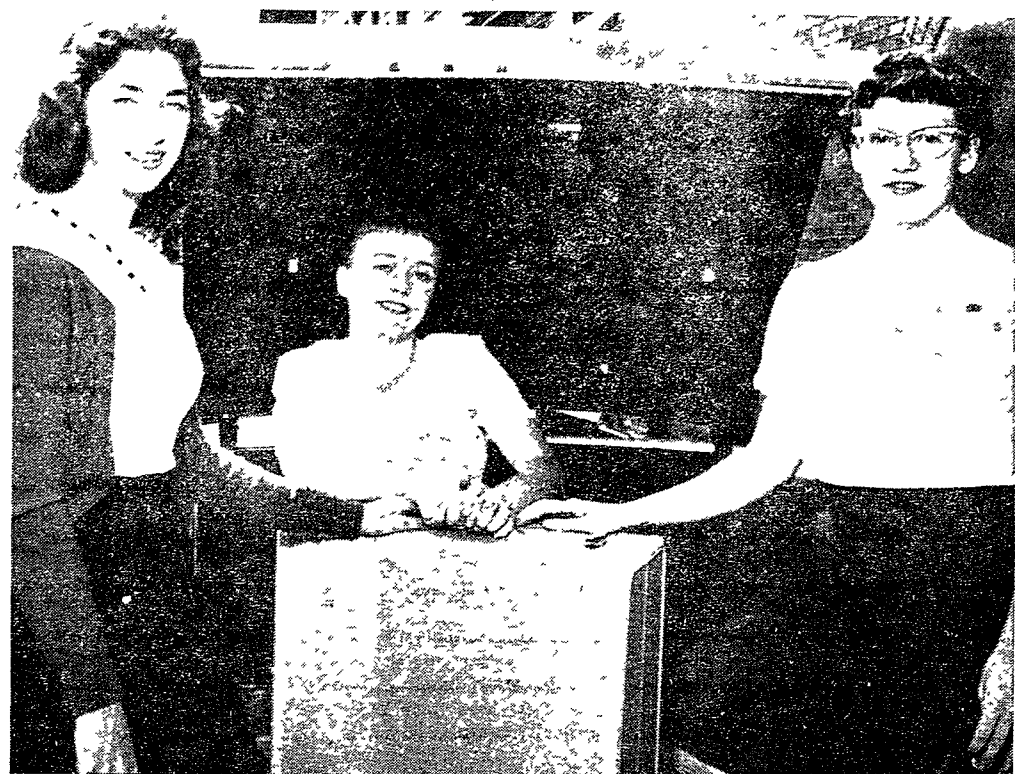

At the campsite the girls will don dark green bermudas, white blouses and straw cowboy hats.

The Northville crew are among the 40 girls chosen from some 100 applicants in the Huron Valley Council district.

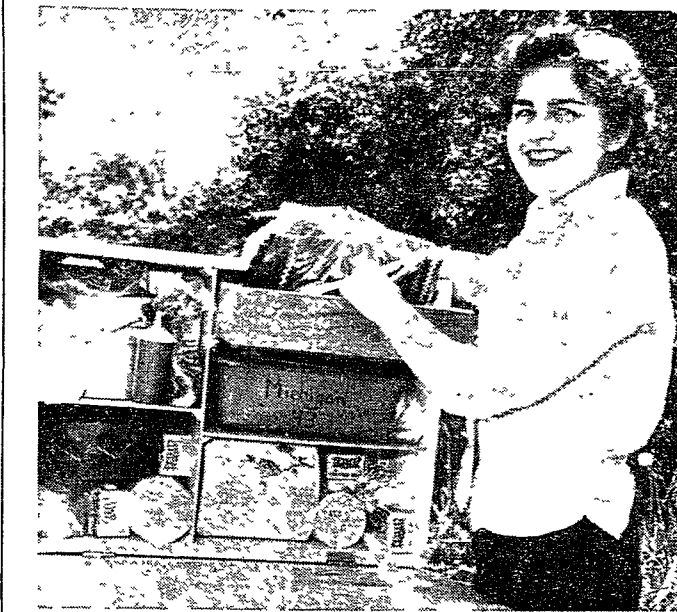

Noel F. Geppert of Novi is also attending with scouts from the Southern Oakland Council.

Joining the special all-scout train enroute from Detroit, the girls traveled to Chicago. After a short sight-seeing pause between trains, they left for Silver Springs Tuesday afternoon.

One of their first group events will be an all-camp flag ceremony, revised to honor the recent granting of statehood to Alaska.

GOING WEST are scouts (left to right): Rosemary Frost, Stephanie Brown and Judy Stamann, on their way to the International Girl Scout Roundup in Colorado. Rosemary, official reporter for the hometown paper, will write accounts of her personal experiences there for publication in The Record.

TIDY KITCHEN — Mary Southard of Ypsilanti, one of the 40 delegates from the Huron Valley Girl Scout Council packs away the kitchen she will use for the next week.

TRUE RELIGION
True religion is a matter of being controlled by the Holy Spirit.
Man is a spirit and has a physical body and a soul. His physical body connects him with this temporal world and his soul connects him with the heavenly world.
Within certain limits he has the power to control both his body and his soul. By taking a certain course he can destroy his physical body and by neglecting his soul he may lose it.
God has made it clear that our responsibility is to yield our body, soul and spirit to the control of the Spirit of God, so that the manifestations of such control are revelations of the will of God rather than being the direct expressions of our own will. Only as we do this do we have true religion.
When your body is controlled by the Holy Spirit instead of by your own spirit it will be controlled right and such righteousness constitutes true religion.
"No man can say that Jesus is the Lord (right), but by the Holy Ghost." Morality, human benevolence and Christian ethics, doctrine or idealism apart from being controlled by the Holy Spirit is not true religion.
Buddha was one of the first religious leaders to proclaim universal brotherhood. He taught purity of conduct and suppression of all improper desires. Hundreds of millions find in Buddhism both intellectual light and lofty moral guidance.
If you reject the Holy Spirit's control in

from the PASTORS STUDY
By the Rev. James F. Andrews
Full Salvation Union Chapel
your life, if you do not yield to him then you might just as well be a follower of the religion of Buddha as a follower of the Christian religion.
Mohammed, as millions of Christians do, preached eternal punishment for those guilty of murder, theft, adultery, dishonesty, luxury and other sins — and eternal rewards for those who pleased God by prayer and righteousness. By obedience to this message he said each one might attain to Islam, that is the perfect surrender of the will to God.
Thousands of Christians are trying in a similar way to win eternal life by believing intellectually in Jesus Christ, and then making efforts to follow his teachings according to their understanding of the Bible. But when they do not yield to the Holy Spirit they might just as well be a Mohammedan.
Oh God help us to see that true religion is a matter of being controlled by the Holy Spirit.
I was talking with an attorney the other day about this matter. Finally he said, "Well, I don't know what to do. I know morality, good deeds and reason is not enough. I can't depend on reason alone, and yet I don't want to give way too much to emotion. I don't know what to do."
The thing to do is to surrender to the Holy Spirit and let Him work in and through you as He sees fit.
Many will call you a fanatic if you do but that is the only way of true religion. You can give up to the Holy Spirit if you will. If you want true religion you must.

Church to Install Day School Head
Harold R. Kenow
Harold R. Kenow will be installed as the principal of the new St. Paul's Lutheran school, Northville, in a special evening service Sunday, July 5 at 7:30 p.m. in the church located at the corner of High and Elm streets. A reception will follow.
St. Paul's school will be opened in September of this year and will offer grades one through eight. A new school building is in the process of construction and is expected to be completed by August 1.
Parents interested in enrolling their children in the school may contact Mr. Kenow, FI-9-2033.

Conduct Three Church Schools this Season
Traditionally, for many youngsters, summer Bible school is as important a part of vacation activities as the multitude of recreational opportunities that fill their increased hours at home.
By September more than 300 Northville children of elementary and junior high school age, will have attended one of the three church schools being offered here this season.
Summer classes at St. Paul's Evangelical Lutheran church and the First Presbyterian church, were concluded at special programs Friday night, after a two-week session.
They will begin August 3 at the First Methodist church.
The Bible itself was this year's study subject at the Presbyterian school. As a special feature, handicraft projects were donated to the church, Eastlawn Resthaven, Maybury sanatorium, the Methodist Children's home and the Presbyterian Village.
"Going God's Way", the Lutheran church school theme, was carried out in workbook studies and handicrafts.
Daily sessions began with chapel service and a Bible story read by Pastor B. J. Pankow and were followed by separate group work.
Handicrafts were displayed at both churches during closing ceremonies.
Some 145 children in nine grade sections participated in the Presbyterian program, and 75, also in sessions at the Lutheran.

Service Projects such as these plant stands distinguished this year's handicraft program at the Presbyterian church school. Aluminum trays and offering baskets were given to the church; glass etched trays to Eastlawn; mosaic flower containers with plants and copper jewelry to Presbyterian Village; copper jewelry to the Methodist Children's Home, and scrap books and crayon holders to Maybury sanatorium.

They will begin August 3 at the First Methodist church.
The Bible itself was this year's study subject at the Presbyterian school. As a special feature, handicraft projects were donated to the church, Eastlawn Resthaven, Maybury sanatorium, the Methodist Children's home and the Presbyterian Village.
"Going God's Way", the Lutheran church school theme, was carried out in workbook studies and handicrafts.
Daily sessions began with chapel service and a Bible story read by Pastor B. J. Pankow and were followed by separate group work.
Handicrafts were displayed at both churches during closing ceremonies.
Some 145 children in nine grade sections participated in the Presbyterian program, and 75, also in sessions at the Lutheran.

CONDUCT THREE CHURCH SCHOOLS THIS SEASON
Traditionally, for many youngsters, summer Bible school is as important a part of vacation activities as the multitude of recreational opportunities that fill their increased hours at home.
By September more than 300 Northville children of elementary and junior high school age, will have attended one of the three church schools being offered here this season.
Summer classes at St. Paul's Evangelical Lutheran church and the First Presbyterian church, were concluded at special programs Friday night, after a two-week session.
They will begin August 3 at the First Methodist church.

TRUE RELIGION
True religion is a matter of being controlled by the Holy Spirit.
Man is a spirit and has a physical body and a soul. His physical body connects him with this temporal world and his soul connects him with the heavenly world.
Within certain limits he has the power to control both his body and his soul. By taking a certain course he can destroy his physical body and by neglecting his soul he may lose it.
God has made it clear that our responsibility is to yield our body, soul and spirit to the control of the Spirit of God, so that the manifestations of such control are revelations of the will of God rather than being the direct expressions of our own will. Only as we do this do we have true religion.
When your body is controlled by the Holy Spirit instead of by your own spirit it will be controlled right and such righteousness constitutes true religion.
"No man can say that Jesus is the Lord (right), but by the Holy Ghost." Morality, human benevolence and Christian ethics, doctrine or idealism apart from being controlled by the Holy Spirit is not true religion.
Buddha was one of the first religious leaders to proclaim universal brotherhood. He taught purity of conduct and suppression of all improper desires. Hundreds of millions find in Buddhism both intellectual light and lofty

Novi Highlights . . .

On the Fourth of July Mr. and Mrs. Kenneth Cook will be hosts to friends and relatives at a picnic.

Mrs. Flossie Corahden and son, Ronny, and nephew, Michael, of Wixom, and Mrs. Al Pritchard spent Monday at the Detroit zoo.

Last Friday Mrs. Orlo Johns, Mrs. Donald MacDougall, Mrs. Clifford Farrington and Mrs. Al Pritchard attended the Episcopal church in Jackson where Rev. Lee was ordained to priesthood. Rev. Lee will return to the Novi church the second Sunday in September.

Billy Trotter's guest this summer is Wes Woodring from Belaire Beach, Florida.

Mr. and Mrs. Ray McGlynn of National City, California are visiting the latter's parents, Mr. and Mrs. John Bruschi and her sister's family, Mr. and Mrs. Robert Kirkwood, for about two weeks.

Twenty-four members of Novi Girl Scout Troop 602 participated in an overnight camping trip at Camp Narrin June 10-11, under the leadership of Mrs. Daniel MacGillivray. Other adults attending were Mrs. Robert Ronk, Mrs. William MacDermaid, Mrs. Vincent Gillett and Mrs. Diana Ward Wassdor, first aid supervisor. Three girls were awarded their first class badge at the night campfire. They were Candy Ronk, Linda Gombasy and Sue F. Geppert.

Novi Baptist Church News
Ronald Ozark took his Sunday school class to Bishop lake Saturday. After a picnic lunch they all went swimming.
Mr. and Mrs. Andrew Childress

will have charge of the prayer meeting Wednesday evening. Next Wednesday Mr. and Mrs. Martin will have charge of the prayer meeting hour at the church.
Rev. Gatrell of Detroit supplied the pulpit at the Baptist church Sunday. Next Sunday, July 5 the Rev. Brusseau will deliver the morning sermon.
The Unity Circle will sponsor a work bee at the church beginning at 9 a.m. this week, Friday.

Novi Methodist Church
The older Sunday school classes may sit with church groups with their teachers during the church hour.

Sunday school awards of silver and bronze will be given to the Sunday school pupils at the church hour Sunday, July 5 is also Holy Communion Sunday.

Colored slides of the Bible will be shown downstairs for the younger Sunday school children next Sunday. The teen class shared their color film, "Bible Through the Centuries" with adults and juniors this past Sunday.

The Novi Methodist WSCS numbering 24 adults and children had a picnic at Gillett park last Wednesday.

Blue Star Mothers
The Novi Blue Star Mothers will meet next Monday evening at the home of Mrs. Fred Mandik on West road at 8 p.m.

IN WIXOM:

Finns Celebrate Holiday

By Mrs. Charles Ware — Market 4-1601

Members of the Hickory Hills Finnish Camp and their friends celebrated Johannes eve (St. John's) last Saturday with an all night dance and the traditional bon fire which was lighted at midnight. In Finland there is 24 hours of daylight in mid-summer and the bon fire is a symbol of the 24 hours of daylight.

Cub Pack 118 traveled to Detroit June 29 to watch the baseball game at Briggs stadium. They were accompanied by Scoutmaster Gerald Abrams, Elmer Cooper, Norman Moore and Mrs. Latham.

The Robert Maxwell, Jr. are the proud parents of a daughter, their first, born June 28 at St. Joseph's hospital in Pontiac.

Miss Mildred Gibson is spending the summer months at the Gibson farm on Pontiac trail.

Last Tuesday Miss Mildred Gibson and a group of teacher friends had lunch at Stoeffers honoring Mrs. Hazel Root who is retiring from the Royal Oak school system.

Miss Hilda Furman attended the funeral of her cousin, Harry Kellog, of Howell last Tuesday.

Mr. and Mrs. Elmer Cooper and three children are the house guests of the Gerald Abrams of Wixom.

Last Saturday the Charles Wares attended a house party at the Charles Hannans in Farmington township.

The Roy Burkes celebrated their 33rd wedding anniversary last Monday.

Linda Birkey took her first airplane ride last Sunday. She boarded the plane at Willow Run and traveled to Milwaukee, Wisconsin to see her new brother for the first time. Bobby McKay of Wixom road is vacationing in New Orleans.

The Walter Tucks had an open house June 14 for their daughter, Lois, who graduated from Walled

Lake high school. Ninety guests attended.

The Walter Tucks attended the wedding of Mr. Tuck's nephew, Philip Tuck to Carol Schlachter, June 20 at St. Eugene's church, Redford.

On Father's Day all the men members of the Birch Park Hunt club were served dinner by their wives.

Sunday guests of the Walter Tucks were Mr. and Mrs. Link Cey of Franklin Hills.

Mr. and Mrs. Joseph Callahan flew to Ludington Sunday but due to a storm she drove back home Sunday evening and Mr. Callahan flew the plane home Monday.

NOTICE OF FORECLOSURE SALE

A certain mortgage made by Verona Irene Peterson to THE FARMINGTON STATE BANK, a Michigan Banking Corporation of Farmington, Michigan, now by merger NATIONAL BANK OF DETROIT, a National Banking Association of the City of Detroit, Michigan, dated March 31, 1955 and recorded in the office of the Register of Deeds of Wayne County, Michigan on April 5, 1955, in Liber 12519, Pages 89-90, Wayne County Records, being in default, on which mortgage there is claimed to be due this date for principal and interest, Two Thousand One Hundred Forty-nine and 50/100 (\$2,149.50) Dollars, and no proceeding at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof, now, therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statutes in such case made and provided, notice is hereby given that on Tuesday, July 14, 1959, at ten o'clock in the forenoon (Eastern Standard Time) said mortgage will be foreclosed by sale at public auction at the Southern or Jefferson Avenue entrance to City-County Building, in the City of Detroit, Michigan, of the premises described in said mortgage, or so much thereof as is necessary to pay the amount due with interest thereon at six percent per annum, and all costs allowed by law including an attorney fee, and also any sum paid by the mortgagee to protect its interest which premises are described as follows: "Lot 192 'Mortenson's Strawberry Acres Subdivision', being a Subdivision of the Southeast 1/4 of the Northwest 1/4 of Section 8, Town 1 South, Range 10 East, Redford Township, Wayne County, Michigan, as recorded in Liber 44, Page 54 of Plats, Wayne County Records."

IN WILLOWBROOK:

See Ordination of Rev. Lee

By Mrs. George Ames — Greenleaf 4-0830

Mrs. Donald MacDougall, Mrs. Clifford Farrington, Mrs. Al Pritchard and Mrs. Orlo Johns went to Jackson last Friday to attend the ordination to the priesthood of the Reverend John Lee. Mr. Lee is the vicar of Holy Cross Episcopal Mission in Novi.

The Orlo Johns family of Coral Lane celebrated both Mr. Johns' birthday and Father's Day Sunday with a family party. Guests were Mr. and Mrs. William Dagg of Detroit, Mr. and Mrs. Frank Rivers of Southfield township and Miss Patricia Dagg of Highland Park.

Mr. and Mrs. Ed Frutchey and their children, Eddie, Tommy and Karen have recently returned from a vacation in Langhorne and Philadelphia, Pennsylvania. While there they did a considerable amount of sightseeing, visiting such places of interest as Constitution Hill and the Liberty Bell.

Mr. and Mrs. Heinz Wenger of Millstream are happy to announce the birth of a son, Mark Heinz, on June 14 at Annapolis hospital, Garden City. His birth-weight was eight pounds and five ounces. His grandparents are Mr. and Mrs. Paul Wenger of Southfield and Mr. and Mrs. Gerald Decker of Garden City. The Wengers have one other child, Cindy, who is two years old.

Mr. and Mrs. John Parent, accompanied Mr. and Mrs. John Denney and Mr. and Mrs. Ray Regner to the Detroit-Boston night baseball game last Wednesday. After the game they went on to the Detroit Athletic club.

Mrs. Robert McKeon attended the performance of "Picnic" at Northland Playhouse last Monday with her sisters, Kathleen Miloch and Nan Cross.

Mr. and Mrs. William Dean hosted a barbecue last week. Their guests were Mr. and Mrs. Norman Leonard of Highland Park and Mr. and Mrs. William Gould.

Mr. and Mrs. Robert McKeon held a going-away party last Thursday for Perc Fuller, who is leaving for South America shortly. Other guests were Mrs. Ewing of Chicago, Mr. McGarry and Mr. and Mrs. Thomas McGuire.

Mr. and Mrs. Richard Richards of East LeBost have returned from a vacation tour through Delta, Pennsylvania, Washington, D.C. and Maryland. They were accompanied by their daughter, Cheryl.

Mr. and Mrs. Robert Driscoll had a surprise family party last Saturday for Mr. and Mrs. Clarence Driscoll, who are formerly from Detroit but now live in St. Cloud, Florida. The others who attended were Mr. and Mrs. James J. Driscoll, Sr., Mr. and Mrs. John Driscoll, Jr. and Mr. and Mrs. James J. Driscoll, Jr.

Virginia Barnes was hostess to the Wednesday evening Bridge club last week. Charlotte Rasmussen was a guest player. Marty Ames won first prize, Dorothy Richmond second and Margaret Bunker won the booby prize.

NEWS AROUND NORTHVILLE

Northville Presbyterian church Pastor the Rev. John O. Taxis and family left this week for Ocean City, New Jersey, on their summer vacation. They will return the first of August. Assistant Pastor Kenneth Plusquellec will be in charge of ministerial duties in the meantime.

Mr. and Mrs. Ira J. Davis of East St. Louis, Illinois, parents of Mrs. Charles F. King of Woodhill, attended high school commencement activities during the graduation of their granddaughter, Marianne King.

Lt. Col. Lowell A. Davis, USAF, and his wife and son, Bill, spent a few days last week as houseguests of Mr. Davis' sister and brother-in-law, Mr. and Mrs. Charles King of Woodhill. He just completed a three-year assignment in Japan and is now stationed at Ohio State university as a ROTC officer.

German Exchange Student Ilka Hartman is visiting relatives in St. Louis, Missouri.

Rhonda and Roxanne Atchison, daughters of Dr. and Mrs. R. M. Atchison of Rogers street; Debbie Older, daughter of the Drake Olders of Rogers, and Vicki Merwin, daughter of the George Merwins of Cottisford, left Tuesday for a two weeks vacation at girl scout camp at Camp Cedar Lake.

13-NOTICES

Philip R. Ogilvie, Atty.
113 North Center St.
Northville, Mich.
STATE OF MICHIGAN
County of Wayne
ss. 475,892

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the nineteenth day of June, in the year one thousand and fifty-nine.

Present Ira G. Kaufman, Judge of Probate.
In the Matter of the Estate of CLARA H. FRENCH, Deceased.

An instrument in writing purporting to be the last will and testament of said deceased having been delivered into this Court for probate; and Douglas F. French having filed therewith his petition praying that administration with will annexed of said estate be granted to himself or some other suitable person:

It is ordered, That the eleventh day of August, next, at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument, and hearing said petition. And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Ira G. Kaufman, Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
Dated June 19, 1959

Novi School Board Minutes

The regular meeting of the board of education was called to order by the president, Mr. Heslip, at 8:35 P.M. on Wednesday, June 10, 1959. Present were Mr. Heslip, Mr. Taylor, Mr. Erwin, Dr. Morris, Dr. Medlyn and Mr. Crawford, who came in later. Absent: none.

The minutes of previous meetings, copies of which had been handed to the board members earlier, were reviewed. It was moved by Dr. Morris, supported by Mr. Erwin, that the minutes be accepted as published. Motion carried.

The treasurer's report which showed the following fund balances was approved as read:

General Fund, \$46,555.83
Lunch Fund, \$4,374.84
1957 Building and Site Fund, \$202,990.71
1950 Debt Retirement Fund, \$1,439.55
1955 Debt Retirement Fund, \$17,209.61
1957 Debt Retirement Fund, \$175.08
1958 Debt Retirement Fund, \$4,806.25

Dr. Medlyn presented for board signatures several teaching contracts including those of Mrs. Mildred Hamill, Miss Janice Henderson (for Junior High English), Mrs. Helen Batzer and Mr. Donald A. Knodle, the principal.

Dr. Medlyn's contract was discussed with regard to the length of term, whether it should be three or four years. It was then moved by Mr. Crawford, seconded by Mr. Taylor, that Dr. Medlyn be offered a contract for three years at \$9,000 yearly. The motion carried.

There was again discussion of bus purchase or lease. Dr. Morris, Dr. Medlyn and Mr. Loynes had made a trip to Lansing to see the transit type bus, and a demonstrator transit bus had been brought to the school. It was felt that the transit type might prove somewhat more economical due to the concentration of our population. It was moved by Mr. Crawford, supported by Mr. Erwin, that the board negotiate for two 72-passenger transit type buses, with either International or GMC chassis, on a lease basis. The motion carried.

Board members were asked to submit names of persons who might serve on the election board for the July 13 election.

Dr. Medlyn was to call the architect to begin work on the paving at the Orchard Hills School.

The County Tax Allocation Board had allowed the district a millage rate for operation of 7.98 mills on a valuation of \$11,410,551.

Bids received on painting and body work on the Ford Bus were as follows: Linn-Baker \$295 and G. E. Miller \$335. A motion was made by Mr. Erwin, and supported by Mr. Crawford to accept the bid of Linn-Baker for \$295. The motion carried.

Communications:
The secretary had received approval from Municipal Finance Commission of the \$25,000 tax anticipation loan. It was planned to set the date of sale of these notes at June 24 at 8 P.M.

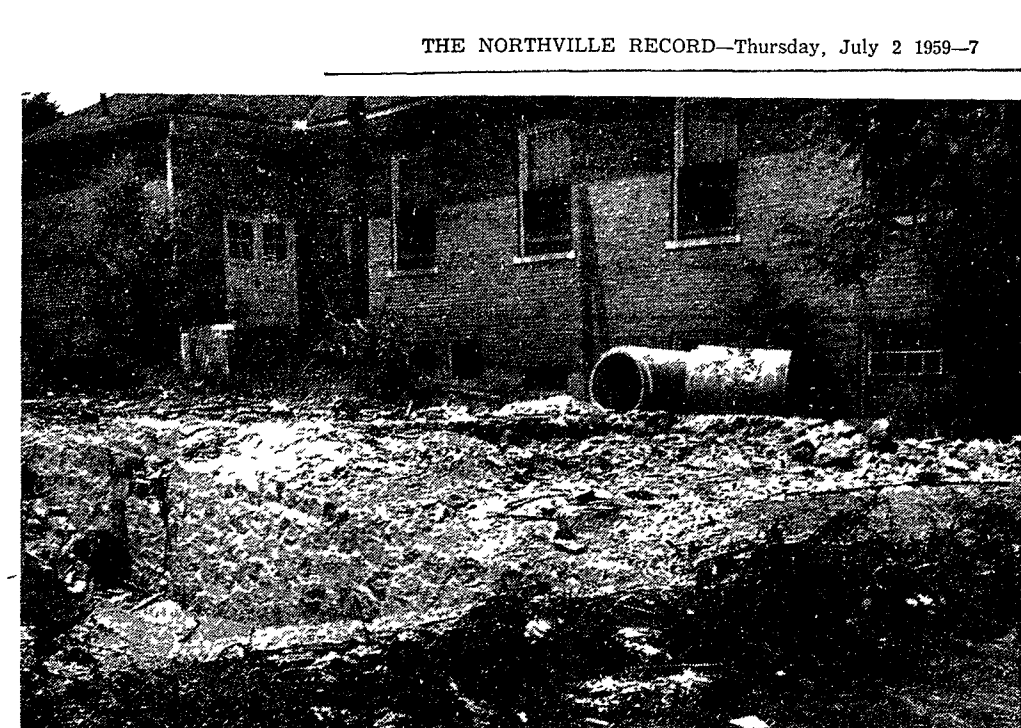

It was moved by Mr. Erwin, supported by Mr. Crawford, that the resolution of National Bank of Detroit be adopted, adding the name of Donald A. Knodle, principal, to those who may sign checks for the Student Activity Fund. Motion carried.

It was moved by Crawford, supported by Dr. Morris, that the resolution pertaining to the establishment of a 1958 Debt Retirement Fund account with National Bank of Detroit, be adopted. The motion carried.

Mr. Erwin of the audit committee, reported that Lunch Fund bills in the amount of \$756.14 and General Fund bills in the amount of \$2493.48 had been examined and found to be in order, and recommended that they be paid. The motion was supported by Mr. Taylor, and carried.

The meeting was adjourned by the president at 10:35 P.M.

Russell Taylor, Secretary
Mr. and Mrs. Bill Weiman of Walled Lake gave a birthday party in the home of Mrs. Jess Hake of Livonia. Entertainment included a motor boat ride on the lake.

GONE — Nothing but the basement remains as evidence of the house which once stood directly behind the First Presbyterian church on Church street. The house, owned by the church, was torn down and the lot will be leveled. The site was purchased two years ago by the church for future expansion. Originally it had been planned to use the house temporarily for Christian education classes, but later church officials decided it was not structurally safe for this purpose. The lot, as well as another Cady street house behind the church, will be used in the future expansion plans of the local Presbyterian church.

Past Presidents Speak at Rotary

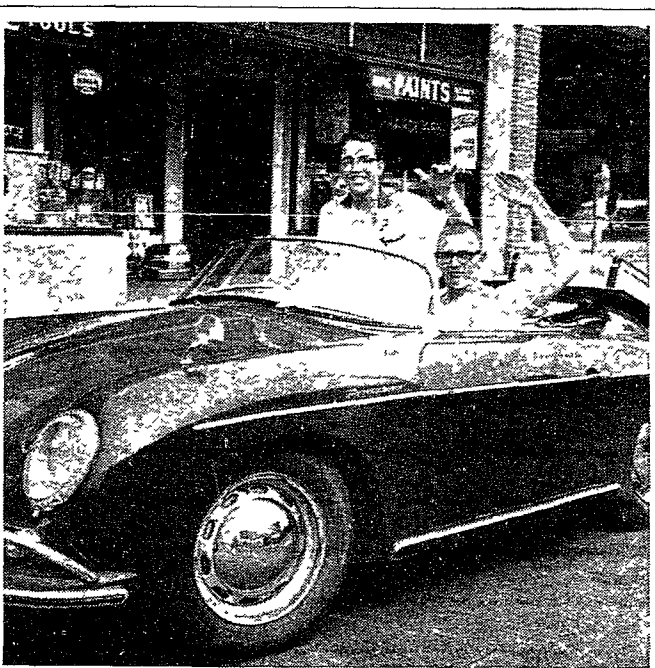

Past presidents took over the Rotary club at its weekly meeting Tuesday recalling incidents of years ago when each headed the local service club.

Cy Frid, a former president himself, acted as chairman and introduced Past Presidents Leslie Lee, Russell Amerman, Ed Bogart, T. R. Carrington and Art Schnute.

Time wouldn't allow Charles Carrington, Leland Smith, Carl Johnson and Philip Ogilvie to participate but Frid promised that the program would be continued at another meeting.

Smith closed the meeting with the award of a past president's pin to retiring president Doug Lorenz. Tuesday's meeting marked the final day of Lorenz' term. Next week Dr. Walter Belasco takes over as head of the Northville Rotarians.

Rotary will sponsor its annual Exchange Student Farewell dinner on Thursday, July 16 this year. The dinner will be held at 6:30 p.m. at the Wayne County Training school. There will be no regular meeting of the club on July 14 because of the dinner meeting.

SO-LONG, NORTHVILLE — Harold Hartley, 602 Randolph, and Chuck Gross, 625 Novi road, waved goodbye to Northville Monday as they left on a six week trip to California in Harold's sleek red Porsche. Harold is a photographer-processor for The Record and The Novi News. The two boys, along with Harold's uncle, Duane Hursley of Plymouth, will spend their nights in sleeping bags and tents. "We'll cook out, too," they added pensively as they waved their goodbyes.

ANNUAL School Election

NOTICE IS HEREBY GIVEN To the Qualified Electors of
NOVI SCHOOL DISTRICT NO. 1
THAT THE ANNUAL ELECTION WILL BE HELD ON

MONDAY, JULY 13, 1959

IN NOVI

AT

NOVI SCHOOL - 26350 NOVI RD.

The following MEMBER(S) of the Board of Education will be elected:

TRUSTEE FOR THREE YEAR TERM
HAROLD L. MORRIS
WILLIAM R. O'BRIEN

TRUSTEE FOR ONE YEAR TERM
ARTHUR J. HESLIP
GEORGE MAIRS
ROBERT MCKEON
RUSSELL TAYLOR
OLIVER T. ROSE

The Polls for the said Election will be open from 7 o'clock A.M., and remain open until 8 o'clock P.M., of the same Election day.
Dated June 15, 1959

RUSSELL TAYLOR, Secretary, Bd. of Education

The meeting was called to order at 7:40 p.m. by President Schrader. Present: All members, plus Superintendent Amerman, Dr. MacLeod, Principals Ellison, Smith and Kay, Mrs. Wilfred Becker and Mr. Francis Gazlay.

The minutes of the last regular meeting were read by the secretary and there being no additions or corrections to the minutes, they were approved as read.

Communications:

1. Wayne County Tax Allocation Board, setting our 1959 tax rate at \$7.90.

2. Washtenaw County Tax Allocation Board, setting our 1959 tax rate at \$7.70. (Subsequently corrected to \$7.90 by the Washtenaw County Tax Allocation Board.)

3. Foreign Language Study Committee, enclosing petition requesting that the teaching of foreign languages be continued in the Northville elementary schools.

4. Miss Lemoyne Markham, submitting her resignation from the high school teaching staff, effective June 12, 1959.

5. Lyndon Welch, of the architect's office, giving list of sub-contractors submitted by Burger Construction Company.

6. Eberle M. Smith, Associates, re Dean Electric's additional bill for lighting in elevator shaft at new high school.

7. Mrs. Huff's Sixth Grade, thanking Board for use of a school bus to visit a television studio.

Report of Superintendent:

1. Textbook Adoption: Dr. MacLeod advised the Board that the administration and commercial staff are recommending adoption of a new textbook, PERSONAL TYPING, written by Alan C. Lloyd and Russell J. Hosler, published by Gregg Publishing Division of the McGraw-Hill Book Company, for use of classes in personal typing. Motion by Crump, supported by Johnson, that this textbook be adopted. Carried.

2. Teacher Recruitment: Dr. MacLeod reported to the Board the following positions still unfilled: 1 Jr. High English and Social Studies, 2 Jr. High Math. and Science, 1 Jr. High Homemaking, 1 Kindergarten, 1 First Grade, 1 Sixth Grade; 1 Speech Correctionist.

3. Finances: Superintendent recommends payment of as much as possible of the outstanding note of \$150,000.00 against State Aid, in order to keep our credit good. Suggested that perhaps we pay \$100,000 at this time, and then begin proceedings to borrow against next year's State Aid.

Moved by Dr. Johnson that the Superintendent be authorized to use his own judgment re payment of note. Supported by Crump. Carried.

Moved by Shafer that Superintendent Amerman be given authority to begin proceedings for a new loan. Supported by Mr. Lawrence. Carried.

4. Transportation Summary: Mr. Ellison released cost figures on the current year's transportation, approximately \$20,566.00. We can expect 80 percent of this to be reimbursed by the State.

5. Investment: Superintendent Amerman has worked out with Mr. Clarke, of the Manufacturers National Bank, a plan for investing \$600,000 of the proceeds from the final bond sale, and recommends that this plan be adopted. Moved by Mr. Lawrence, supported by Mr. Shafer, that this program of investment be adopted. Carried.

6. Oil Tank, Amerman School: quotation from Howard Contractors for cleaning tank and installing new pre-heating units, \$850.00. Moved by Dr. Johnson, supported by Mr. Crump, that this bid be accepted. Carried.

7. Cafeteria: Superintendent reported that he has authorized Mrs. Knapp, the manager, Mr. Ellison and Dr. MacLeod to make purchases of dishes. He is also working on a salary schedule for cafeteria workers.

8. The Superintendent would like a special meeting for the purpose of discussing salary schedules for administrators, cafeteria people and clerical personnel. This meeting was set for Wednesday, the 17th at 7:30 p.m., executive session, with regular session to follow at 8:30 p.m.

Report of Secretary:

Secretary Shafer reported the following monies received during the month of May, 1959:

Tuition — \$1,836.12
Delinquent Taxes — \$1,986.28
1958 Taxes — \$24,199.83
State Aid — \$33,333.00
Primary Fund — \$30,342.36

Report of Treasurer:

Balance in General Fund, May 31, 1959, \$187,588.07
Balance in 1936 Bond and Coupon Account, May 31, 1959, \$150.00
Balance in 1949 Debt Fund, May 31, 1959, \$2,348.07
Balance in 1954 Debt Fund, May 31, 1959, \$3,511.74
Balance in 1957 Debt Fund, Series

A, May 31, 1959, \$35,909.41
Balance in 1957 Debt Fund, Series B, May 31, 1959, \$94,573.53
Balance in 1957 Debt Fund, Series C, May 31, 1959, \$17,783.95
Balance in 1957 Building and Site Fund, May 31, 1959, \$838,172.69.

It was moved by Crump, supported by Mr. Shafer, that the report of the Treasurer be accepted.

Report of Special Committees:

1. Curriculum Committee: report given by Mrs. Becker. All sub-committee reports will be in and acted upon by June 30, at which time an editorial committee will be selected to draft the whole report.

Report of Auditing Committee: The Auditing Committee approved the following bills and payrolls for payment: bills, \$5,156.46; payrolls, \$53,041.58; Building and Site: \$28,593.48. Moved by Mr. Shafer, supported by Dr. Johnson, that bills and payrolls be paid. Carried.

New Business:
1. Miss Markham's Resignation: moved by Mr. Shafer that this resignation be accepted. Supported by Mr. Lawrence. Motion carried.

2. Junior High Contractor: moved by Mr. Crump that the contract for remodeling of the Junior High School be awarded to Burger Construction Company, the low bidder, whose bid was \$199,800.00, this approval to be contingent on receipt of the contractor's certificate of insurance. The motion was supported by Mr. Shafer and carried.

3. It was moved by Mr. Shafer that Mr. Van Ingen be employed and given responsibility for removal of all furniture and equipment from the Junior High School, and to supervise the re-equipping of the building as classrooms are readied. Motion supported by Mr. Crump and carried.

4. Draperies: two bids have been received for draperies for the high school office and auxiliary classrooms. The Board looked at samples and it was moved by Mr. Lawrence that \$195.00 be allowed for draperies in the high school office, to be spent at the discretion of the administrators, and that further investigation be made of bids for other areas. Motion supported by Mr. Shafer and carried.

Adjournment:
It was moved by Mr. Lawrence that the meeting be adjourned at 10:45 p.m. Dr. Johnson supported. Motion carried.

Robert H. Shafer, Secretary

This special meeting was called to order at 10:45 p.m. by President Nelson C. Schrader, for the purpose of certifying the results of the annual school district election held on this day.

The Secretary read the statement of votes cast as reported to him by the Chairman of the Election Board. Votes cast were as follows:

Total votes cast for the office of Member of Board of Education for a full term of one year 196

For each candidate:
Nelson C. Schrader 192
William Crump 1
Robert H. Shafer 1
Donald Reed 1
Dayton Deal 1

Total votes cast for the office of Member of Board of Education for a full term of three years 429

For each candidate:
Robert H. Shafer 202
William B. Crump 171
Charles A. Smith 55
George N. Bennett 1

On motion of Mr. Lawrence, supported by Dr. Johnson, the results of the election were determined to be as follows: elected to the one-year term, Mr. Nelson C. Schrader; elected to the three-year terms (2): Mr. Robert H. Shafer and Mr. William B. Crump. The motion was carried following a vote of five Ayes and no Nays.

It was then moved by Dr. Johnson and supported by Mr. Lawrence that all members of the Board retain their present offices for the ensuing year. Motion carried.

It was moved by Mr. Lawrence and supported by Mr. Crump that this special meeting be adjourned at 11:15 p.m.

Robert H. Shafer, Secretary

Midgets Sweep 4 Diamond Tilts

Orioles, Braves Win; Hold 2nd, 7th Places

Smiles spread across their faces like glacial chisms: Northville's midget players celebrated a four-game sweep for the first time this season.

The second place Orioles felled the Pierson Gophers, 19-7, and nipped the Wilson Red Sox, 3-2, while the basement-dwelling Braves swamped the Grant Dodgers, 9-2, and the Training School Phillies, 19-4.

Northville Gals Curtsy, 15-1

Lady Luck got huffy with the Northville gals' softball team Monday night.

Batting a meager five hits they managed to sandwich in one run in the fourth, but the hard-hitting visiting Vincents with 15 runs on 20 hits, played a strictly meat-and-potatoes game all the way, pulling three and four runs in the first and second innings and 4, 3 and 1 in the fourth, fifth and sixth.

Pitchers for the Northville team were Lois Donner and Betty Myers, and catcher, June King. Pat Bubel played first base; Clara Simpson, second; Carol Sparling, third; Lora Billings, left field; Fran Phillips, right field; Myrl Douglas, center field and Jane Bittner, shortstop. Replacements were Betty Meyers, Kathy Palmer and Jackie Phillips.

Batting leaders for the local squad were Clara Simpson, June King and Jane Bittner.

Baylis, Tewkirk, Fredrick, Wooten and Corwin lead the Vincent team.

The Northville team was only recently organized.

Monday they played the DeHoCo team and at 6:15 tonight they will play at Wayne county park here.

Dodgers Win Openers To Lead Knot Holers

The city recreation knot hole baseball-softball program opened last week with five contests.

Northville's Dodgers won its opener with the Yankees, 1-0, then pounced on the Tigers 14-2; the Giants teed off on the Tigers in their opener, 16-1, then were humbled by the Yankees, 13-6; and the Tigers of the knot hole softball league chewed up the Panthers, 20-10, while the Bears crushed the Bobcats, 24-6.

First day games were rained out in the softball league.

The winning batteries: Dodgers: Pitcher Gerry Imsland and Catcher Dan Bongiovanni; and Pug Sliger and Dan Bongiovanni.

Yankees: Gary Deibert and Daily Hill.

Giants: Mike Stevenson and Pete Sutherland.

Wixom Orioles Win; Take Over Second Place

The Wixom Orioles moved into second place Sunday after trimming the Union Lake Indians, 12-7 in a Walled Lake Little League diamond tilt at Multi-Lakes.

Rick Hughes pitched steady ball for five innings with relief in the sixth, to take credit for the victory.

Timely hitting by Mike Pilo and Fred Ferguson boosted Wixom into the lead.

Wixom now has a 5-3 record, good enough for second place behind the Multi-Lake Cardinals who have yet to lose a game.

The other Wixom Little League nine, Orioles Farm team, was defeated 14-7 by Indian Lake. Gary Connley was charged with the loss.

French was the winner.

Rick Brackett led Wixom's hitting attack with two singles and a triple in four trips to the plate.

The Orioles now boast a 10-2 record — good enough for a second place tie in the American League. Losses have been to the first-place Tigers and to the second-place Clarenceville White Sox.

With the Gophers nipping at the heels of the Oriole reserves late in the game Wednesday, Coach Ken Conley brought up his resting regulars to clinch the game with an eight-run barrage in the seventh inning.

Highlighting the inning was Gordie Hammond's second home run of the game; his first round-tripper came in the fifth.

David Luedtke and Terry LaRue shared the mound duty for the winners, while Ron Collins and Larry Hawes hurled for the losers.

R H
ORIOLES 25201181910
Gophers 420100074

In Monday's game, the Orioles pushed across three big runs in the opening inning and then limited the Red Sox to two tallies in the fourth.

Gary Grys was credited with the victory, Mancini the loss.

Dave Jerome opened the first with a walk and then stole second. Gordie Hammond singled sending Jerome to third and then stole second. Joe Hay singled to score Jerome, Hammond scored on an infield out, and Hay stole second. John Mach drove in the final run with another single.

In the Red Sox' half of the fourth, Cummings singled and then scored on Fishback's triple to left field. Fishback went all the way to score on a throwing error.

Hay, Hammond and Grys took batting honors for the Orioles with each collecting two hits in four trips to the plate.

R H
ORIOLES 300000038
Red Sox 000200024

Chuck Bailey hurled a four-hit game in handing the Braves the victory over the Phillies. Velez and Payton were charged with the loss.

Eleven of Northville's 19 runs came in the fourth inning on four hits, nine stolen bases, seven errors and one walk.

Eric Peterson, who collected one triple and two singles, and Jack O'Dell, who smashed out a home run and a triple, led the Braves' hitting attack.

The Grant Dodgers, who were flying along with a red hot 6-1 Class F record crashed into the Braves' water pail in Tuesday's tilt, as Northville played near errorless ball.

John Moreau of the Dodgers pounded out a double in the second to drive in Nick Diamond, who was safe on the only Brave error.

But Jack O'Dell came across with the tying run in the fourth as Larry Angove laid down a perfect squeeze bunt.

Northville broke up the tie and clinched the victory in the sixth by pushing across six runs on two hits in one of the finest bunting exhibitions seen on the midget's diamond this season.

Gary Stobbe was the winning hurler, Diamond the loser.

O'Dell led Northville's hitting attack with a triple and two singles. Stobbe and Angove each collected two hits in three attempts.

OFF TO THE ZOO — "And mom, the lion opened his mouth and the bears were fighting and . . ." These were just a few of the comments by the excited children who returned last Thursday from the first recreation department-sponsored trip to the Detroit Zoological park. In the picture above some of the children are shown lined up and ready to leave for the zoo. Mr. and Mrs. Kenneth Conley supervised the trip. The next trip is scheduled for July 9.

Novi Paragon Upsets NBD, Wins 11-3, Gains 5-5 Tie

Last place Paragon of Novi proved last week that it cannot be counted out of the Little League race.

The Paragon youngsters swept to a 11-3 victory over first place National Bank and then were forced to settle for a 5-5 tie with the leaders in a second game. The latter game was called because of darkness.

Jim Schingeeck gave up five hits, two walks and struck out six batters in winning for Paragon. Tim Krug was the losing hurler.

Jim Driscoll of Paragon was the big man at the plate, smashing out two triples, one two-bagger and a single in four times at bat.

National Bank fought back in the second game to lead 5-3 in the last inning. But Paragon came through with two runs in their half of the inning to tie the score before the game was called.

George Burchfield connected for his fifth home run of the season to take hitting honors for National Bank. Hurler Driscoll for Paragon also rifled a drive to the outfield for a home run.

In other Little League contests, Fiberglass nipped Young Door, 14-13 and then dropped its second game to the Young Door team, 10-9.

Ralph Caliguri struck out six batters, walked 10 and gave up five hits in handing his team the first triumph. Jay Bertoni was tagged with the loss.

Young Door collected 10 hits. Jim Bertoni of Young Door hurled a nine-hitter in posting his team's victory. John McMillan was the losing pitcher.

Ralph Caliguri smashed out a home run for Fiberglass, while Ted Bunker led Young Door's hitting attack with three hits in three times at the plate.

The Little League will celebrate the Fourth of July with a double header. National Bank will clash with Young Door beginning at 2 p.m. and Fiberglass will meet Paragon at 4 p.m.

Standings

Arrows, Balls Fly Tomorrow

City Recreation's archery and golf programs for both boys and girls will swing into action here tomorrow.

Interested youngsters are urged by the recreation department to attend tomorrow's sessions.

Archery: Ages 6-9, at 9 a.m.; ages 10 and over, 10:15 a.m. Golf: Ages 12-15, at 9 a.m.; 16 and over, 10 a.m. Both programs will be conducted at Ford field.

"D" Team Wins 6-0 No-Hitter

They felt as if they had played two games, but Clarenceville's Class D baseball players looked at the scoreboard and wondered if they really had played a game.

Northville had scored six runs on nine hits while Clarenceville starved at home plate without a hit or a run.

Joe Kritch, who a week earlier sparked Northville to an 8-7 victory over the Elks, fired the no-hitter. He walked five batters in the first two innings and then went on to pitch near perfect ball, striking out ten batters.

Two outstanding defensive plays by his teammates helped Kritch to the no-hitter. Fred Steeper speared a shot on the third base side of second and fired a strike to the first baseman for the out. John White dug a sharp grounder, headed for left field, out of the dirt and tossed to first for the final out of the game.

Ron Blovet was tagged for the loss.

Northville scored four of its runs in the second and fifth innings.

With one out in the second, Bill Boyd punched a single to left and then stole second. John White walked and both runners advanced a base on a passed ball. Jerry Coleman struck out, but Bob Nauman looped a single to short left to drive in two runs.

Steve Juday singled with one out in the fifth, stole second and moved to third on a passed ball. Steeper hit a slow roller to short, scoring Juday. Kritch, who is batting an amazing .444, singled, moved to second on a poor throw to cut him off on a steal, and then score on a line shot over first by Catcher Wade Deal.

Plumbers Near Starvation In Winning Two Games, 3-0

The Northville Plumbers found the cupboard bare last week but managed to survive on handouts by two of its Class E opponents.

In 12 complete innings, the Plumbers managed to come up with only four hits in winning 3-0 over both Livonia and Wayne Ford Civic. Both opponents were charitable with errors and walks.

Dan Brown fired a one-hitter to give the Plumbers the victory over Wayne, while Craig Bell gave up three hits and struck out nine batters in beating Livonia.

Tom Swiss drew Northville's only hit against Livonia; Tom Long, Bell and Jim Jiggins were the only successful batters against Wayne.

R H
Northville 00300033
Wayne 00000001

R H
Northville 10110031
Livonia 00000003

While the Plumbers were winning their fourth and fifth victories in five starts, Northville's other Class E team, Recreation, dropped a 1-0 game to Wayne and struggled to a 6-6 tie with the Training School.

Still looking for their first win of the season, Recreation tied the score in the last half of the seventh to

come within inches of a victory over the Training School nine.

But Training School's hurler Shelton had other ideas. With bases loaded, he struck out Don Biery who had walked in his first four trips to the plate, and then fired a three-two strike to Chris Gazlay to end the inning — and the game.

Mike Zayti started the game for Northville, with Bill Elwell relieving him in the sixth.

Johnny Kahler gave up only three

hits as Northville lost a heartbreaking 1-0. Kahler drew Recreation's single hit — a double.

Wayne scored its lone run in the seventh on a walk, hit, another walk and a single to right field.

New Appeal for Arizona

Babson Park, Mass. — I try each year to visit all sections of the country. Last week I went to New Mexico and Arizona to study the possibilities of investing in large acreage, but something was called to my attention of which I will write this week.

What Is Fallout?

There are always certain amounts of Strontium-90 in the atmosphere, but usually not to any dangerous extent. Every nuclear test, however, produces more Strontium-90. Hence, there is a strong movement to suspend further nuclear tests. Even Russia pretends interest in doing so. The reason for this is that the contamination of the atmosphere by these tests is cumulative; that it, it does not pass away for a long period of years. Thus, Strontium-90 keeps on building up to a dangerous amount.

Just now there are differences of opinion between the Atomic Energy Commission and the U.S. Public Health Service as to the danger of this fallout. All parties agree that it can become very dangerous, but they disagree as to the amounts. The medical profession believes that sufficient amounts may cause cancer of the bones, leukemia, and certain other incurable diseases, as well as sex changes. It may be absorbed by children and not mature to a dangerous disease until some years after.

Every State Has

Advantages and Disadvantages
In my years of travel I have been unable to decide which of our 49 states has the most advantages. If I were able to choose which of our states I would prefer to have been born and brought up in, I would be unable to make a selection. The South has a warmer climate, which I certainly enjoy in winter; New England is the place I like in summer, although we have hot days here; while the Central States, the West, and even the Pacific Coast have their distinct advantages.

Even the differences in rainfall among the various states create advantages and disadvantages. The normal rainfall for most of the states is 40 inches or more a year, while for New Mexico and Arizona

the normal annual rainfall is only about six inches. This is a great handicap for agriculture, which can now be carried on only by expensive irrigation. I, however, was told something in this connection which I desire to pass on to readers this week. This is that the states subject to the lowest annual rainfall are those which would be freest from fallout danger.

The same mountains which surround New Mexico and Arizona and prevent the rain from falling in those states will also, I am told, prevent the fallout from settling in any serious amount. Thousands now afflicted with arthritis, bursitis and similar rheumatic difficulties are flocking to these states for the dryness of the atmosphere. If the above theory about fallout is true, the population of New Mexico and Arizona and other states with very little rainfall should rapidly multiply.

No Defense Against Fallout

For cities in the East, South and Central West, there is no known defense against fallout. The Civil Defense Authority is experimenting with evacuation of cities and the use of basements and other protections from the immediate crash of the bomb when it falls. An atom bomb would immediately slaughter people within five miles of the point of the explosion. The fallout, however, might not occur for some days after the bomb exploded. Furthermore, the direction of the wind is an important factor in the damage caused by fallout. Of course, if a bomb should be "dropped" in New Mexico or Arizona, the fallout would be as dangerous there as anywhere else, but probably this would not occur.

Let me close with one interesting fact: That the oldest continuing occupied city in the United States, namely Oraibi — which dates from more than 1000 years ago — is in Arizona; the cliff dwellers of Walnut Canyon lived near here 1200 years ago while the more progressive Navajo Indians were centered in and about northern Arizona. It seems strange, although entirely possible, that the great cycle of population for the United States may come back to Arizona where it started over 1000 years ago. In case of World War III, there could be a "gold rush" to Arizona equaling that of 1849 to California.

Revival of Bull Run

MICHIGAN BLUECOATS will be on hand for the centennial observance of the Battle of Bull Run.

Gov. G. Mennen Williams has announced plans to send a contingent to help re-enact the Civil War battle that ended in a disastrous rout of the Northern forces.

Michigan and 22 other states were invited by Virginia Gov. J. Lindsay Almond to send troops to Virginia in July, 1961, to re-enact the battle known in the South as the First Battle of Manassas Junction.

Although the battle ended with Northern forces in a rout, the fighting men of Michigan distinguished themselves in covering the retreat.

Michigan's First, Second, Third and Fourth Regiments had more than 4,000 troops in the battle area, according to a report by the Michigan Historical Commission.

At least 30 Michigan National Guard troops are expected to represent the state in the re-enactment that will be the start of a four-year Civil War centennial observance.

Floyd Haight, chairman of the Michigan Civil War Centennial Commission, said the uniforms will be provided by Ladies' auxiliaries of state guard units.

"Mr. Haight and his commission have been promised the full cooperation of state agencies and I am confident that an equal degree of support will be forthcoming from civic-minded groups in all parts of our two peninsulas," Williams said in a letter to the Virginia governor.

The Michigan troops participating in the original battle came from throughout the southern half of the Lower Peninsula.

The Second and Third Regiments, which were assigned to cover the retreat, came from Detroit, Hudson, Battle Creek, Adrian, Niles, Flint, Constantine, Kalamazoo, Grand Rapids, Saranac, Lansing, Lyons and Muskegon.

The First Regiment, which had heavy losses in the battle, had units from Jackson, Coldwater, Manchester, Ann Arbor, Burr, Ypsilanti and Marshall.

The Fourth Regiment had men from Monroe, Adrian, Sturgis, Ann Arbor, Hillsdale, Hudson, Tecumseh, Jonesville, Trenton and Dexter.

STATE OFFICIALS are turning their attention back to another war—World War I.

A bill has been introduced in the legislature by Sen. Haskell L. Nichols (R-Jackson) to allow a World War I infantryman to collect a \$108 service bonus that has been denied him 42 years.

Ross M. Hall, 58-year-old Brooklyn, Mich. factory worker, lied about his age and signed up for service in 1917 at the age of 16.

The army didn't get around to

giving him his discharge papers until 1946, which was well past the deadline for applying for the service bonus.

Now Nichols is asking the state to give Hall special consideration.

A NEW DEVELOPMENT in Michigan's modern day war against criminals is now in use.

A new Michigan law enforcement blockade plan was put in effect June 25 following a study by the Michigan State Police, the Michigan Sheriffs Association and the Michigan Association of Chiefs of Police.

"It marks a distinct advance in the methods formerly used to apprehend fleeing criminals and is believed to be the only plan of its kind patterned on a statewide basis," a joint announcement by the enforcement agencies said.

Under the plan, 253 agencies were given a predetermined schedule of blockade points to cover.

More than 50 additional agencies will "free lance" on the roads when needed to assist or relieve at control points in their areas.

"The minutes saved as well as the improved coverage is expected to result in many apprehensions which formerly were frustrated," the joint announcement said.

The blockade plan does not include the Upper Peninsula because the area has relatively few highways over which escape can be attempted.

The agencies decided to draft the plan following escapes by criminals who were able to cross the state border ahead of blockades set up on spur-of-the-moment decisions.

Fireworks, Girls Highlight Weekend At Walled Lake

Three of the biggest days in Walled Lake park history will mark the July 4th week end celebration. Fireworks, boasting every color of the rainbow, will climax the day's fun on July 3 and 4.

Finals for the "Miss Universe" Beauty pageant will be held at the park Sunday, July 5. The girl selected as "Miss Michigan" will go to Long Beach, California to compete with beauties from five continents and every state in the Union for the title of "Miss Universe" during the week of July 16.

Fred Netting and his orchestra will play for dancing in the Walled Lake Casino ballroom Friday and Saturday, July 3 and 4.

Mildred Davidson and Wallace Westerfield of Northville State hospital receive a check for \$100 from John Lord, president of Michigan Blue Cross, as winners in the second annual Hospital Achievements contest co-sponsored by the Michigan Hospital Association and Blue Cross. President Lord (center) is about to present them with a special plaque to be displayed in the hospital. The contest gave \$4,000 in cash prizes to hospital employees who submit the best ideas to save money, time and improve efficiency of hospital operation. Miss Davidson and

Westerfield won their award for developing a special bath tub stile which permits extremely weak or badly crippled patients to take a bath and enter and leave the tub with a minimum of help.

WELCOME NEWCOMERS — Mrs. Helen Adams (left), 4409 Brookwood drive, Brookland Farms subdivision, welcomes Mrs. John Mach, of 45241 Bryne, to the Novi-Northville area during one of her recent visits as part of Newcomers Calling Card, sponsored by several Northville retail merchants. Mrs. Adams calls on newcomers to the area, telling them about the local governmental structure, school systems, churches and recreational facilities, as well as something about Northville stores. Sponsoring stores have gifts for the newcomers. Newcomers Calling Card was started under Mrs. Adams' direction last spring.

Take a tip from the experts . . . in their own words . . . and from on-the-record facts and figures: More than ever, Chevrolet gives you more than any other of the leading low-priced three! More room to relax in, for instance. A sampling of official dimensions reported to A.M.A.* makes this clear. Chevy front seat hip room, for one thing, is up to 5.9 inches wider than comparable cars. And Chevy even offers more front seat head room than all but one of the high-priced cars!

Best Brakes Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a

NASCAR†-conducted test of repeated stops from highway speeds.

Best Style It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

Best Engine Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "... surely the most wonderfully responsive engine available today at any price."

Best Ride MOTOR TREND magazine calls Chevy "... the smoothest, most quiet, softest riding car in its price class." You'll be

able to tell this yourself instantly, once you take the wheel.

Best Economy No doubt about this: two Chevrolet 6's won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car, 22.38 miles per gallon—with Powerglide.

Best Trade-In Check in any N.A.D.A.† Guide Book. Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."

Lots of Fun, Prizes on 'Downs Days'

Northville's Downs Days celebration was a happy occasion for more than just the prize winners (see page one).

The parade and afternoon of fun Thursday at the Downs attracted some 1500 children and adults. At least that many lined Main street Saturday for the Jamaica trip drawing.

Thursday afternoon's festivities started badly when a mix-up re-

sulted in the high school band missing the parade. But after that all went well. Members of the orchestra quickly joined the ceremonies at the Downs and played several selections under the direction of Robert Williams.

Four special qualifying races were staged at the track. Demon Abbe, driven by G. Sholty won the first; Sterling Abbe driven by P. Tennis copped the second;

King Kay with R. Ross driving won the third; and M. McQuarrie driving Adabel Hanover won the final race.

The kids, and adults too, cheered heartily for their favorites. The winners were greeted after each race and awarded a bale of hay, compliments of Alfred Smith, chairman of the Downs' observance.

Chairman Smith, Mayor A. Mal-

colm Allen, Retail Merchants President Roy Stone, Downs' Executive Manager John Carlo and Dr. L. W. Snow, Driving Club president, took part in the official ceremonies. Each was introduced by Orlo Owen, master of ceremonies. Owen, general manager of Wolverine Raceway, also announced the races and filled-in with background information about trotting and pacing races.

Another highlight of the afternoon entertainment was the sing-

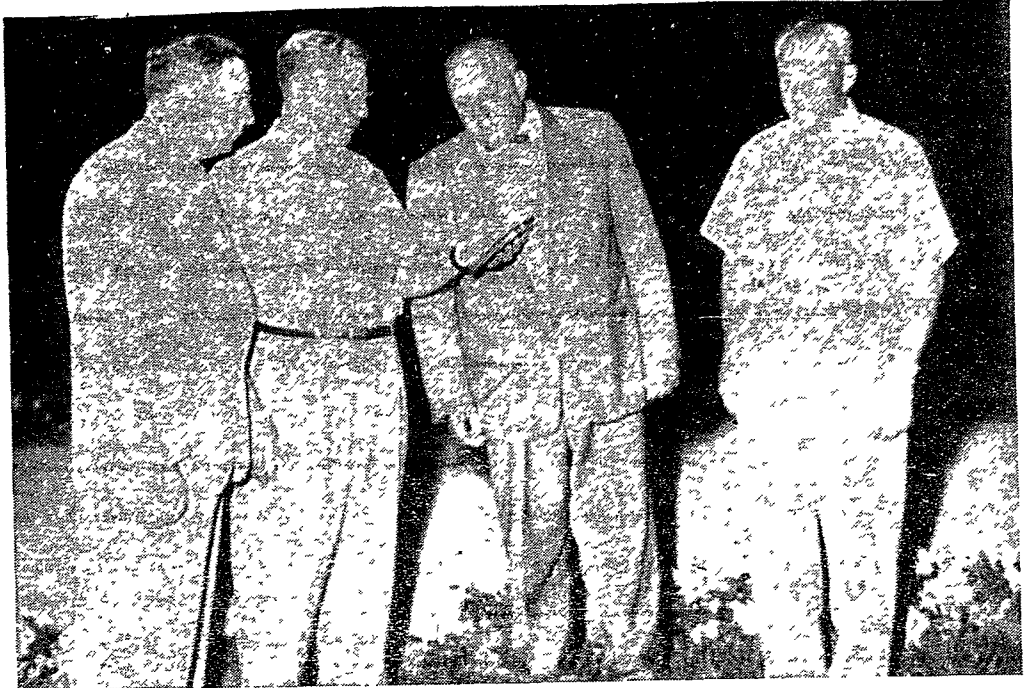

ing quintet of Karen Mac and the Men. The young television performers sang the "Baseball Song", "For Me and My Gal", "Sweet Georgia Brown" and two encores. Nine-year-old Karen is the daughter of Mr. and Mrs. William McAllister of Northville township.

The afternoon program was climaxed with a candy hunt. Hundreds of children flooded the infield of the track to find candy caramels. Lucky kiddies finding a wrapper with a "star" were

awarded a silver dollar by Stone.

(For a list of Thursday and Saturday prize winners, see page one).

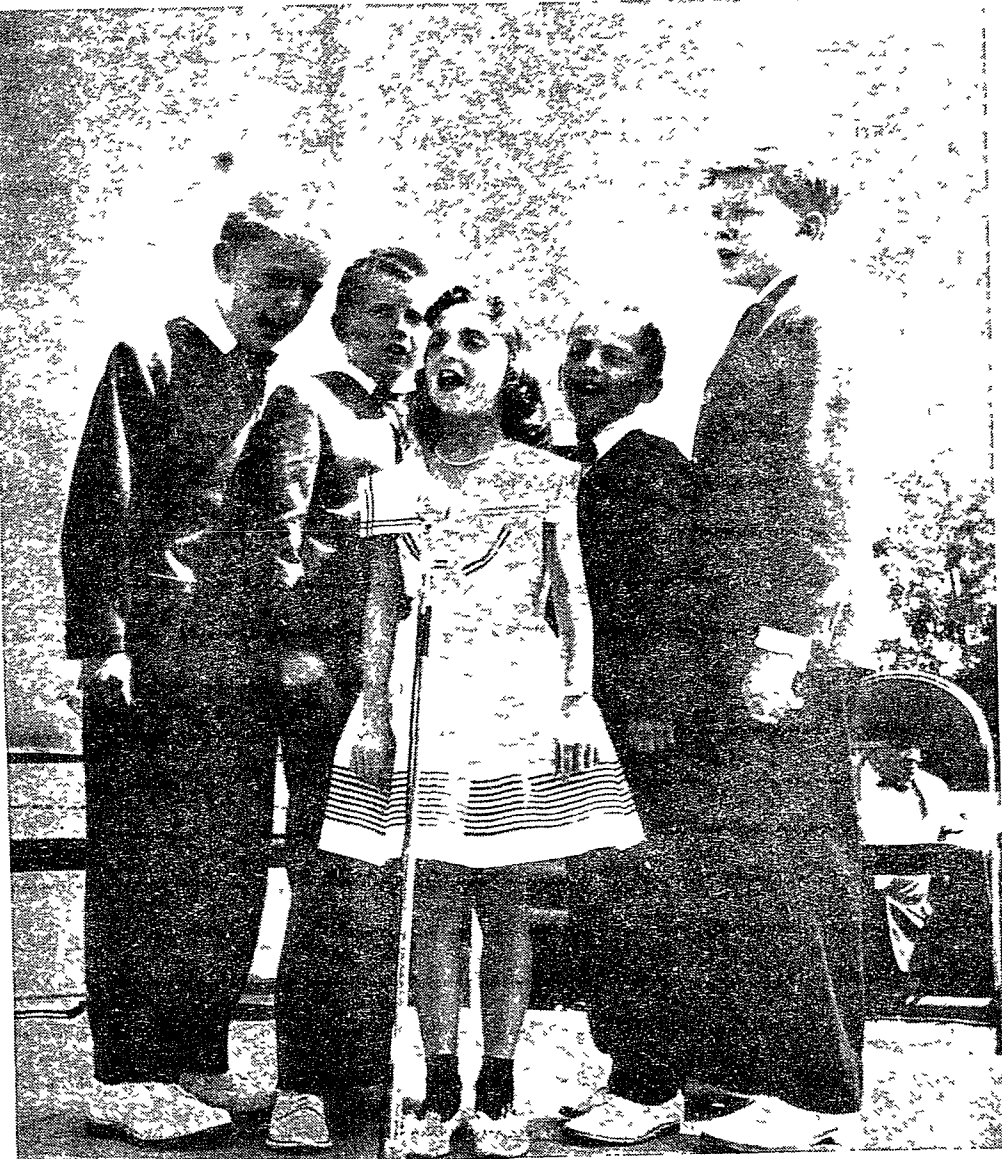

Thursday night at the Downs the feature race "City of Northville Pace" was won by Village Vicar driven by Mrs. Lucille Fleming. A blanket was presented the winner by Manager Carlo. During the same ceremonies Mayor Allen and Stone presented Carlo with a plaque in recognition of the Downs' contributions to the community.

A plaque in recognition of Downs' contributions to the community was presented Executive Manager John Carlo Thursday night following the running of the special "City of Northville Pace". Above are: (l. to r.) Mayor Allen, Carlo, Retail Merchants' President Roy Stone and Program Chairman Alfred Smith.

Crowds lined Main street Saturday night when the week-long trip to Jamaica was awarded. Charles Dickinson, 333 Yerkes, won the trip (see page one).

"Karen Mac and the Men" entertained the crowd Thursday afternoon at the merchants' Downs Days celebration. The group sings regularly on the WXYZ-TV "Holiday House" program. A parade through town Thursday afternoon started the program attended by 1,500 at Northville Downs.

Northville Youth Enlists for Six Months

Roger B. Smith, 355 Orchard drive, will begin six months active duty training at Fort Leonard Wood, Missouri on July 12, it was announced today by Major General George E. Bush, Commanding General, VI U.S. Army Corps.

The 18-year-old Smith is a member of the 309th Civilian Affairs and Military Government Group, Army Reserve, headquartered in Detroit.

After completing active duty training, the reservist will return home to continue fulfilling his military obligation.

Tremper Circle to Picnic

Tremper Circle of Northville Methodist church will meet for a 12:30 picnic July 14 at the home of Mrs. Howard Greer on Grand River.

Members who will need a ride are asked to call Mrs. Audrey Westphall, FI-9-0951, or Mrs. Faith Orphan at FI-9-1329.

NO TOWN IS AN ISLAND

No town lives alone. It lives with its neighbors and must work with its neighbors. Its people should take an interest in the things that are good for the area and should take part in programs for development of the area.

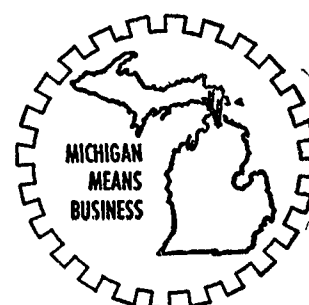

The competition among areas for business and industry is hot and growing hotter. How well an area fares in this competition usually depends

upon how well the towns of the area work and live together.

It is almost always true that as the area goes, so goes the town.

Join hands with your local industrial development organization and the Michigan Economic Development Department to help your community prosper.

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

FI-9-0744

UNWELCOME VISITORS — The Ed Welches, 222 South Wing, had a swarm of guests over the week end. Fortunately, most of them have been enticed into new quarters. The blotch shown above on the side of the Welch house is just a portion of the thousands of bees that gathered Saturday. With the help of Leslie Lee of Fairbrook, who keeps bees as a hobby, they were lured into a hive. Lee found the queen bee and placed it in a hive in a box. But the queen bee had other ideas and flew to a tree and the other bees followed. Councilman Welch then got into the act and cut the limb down bearing the bees. Again Lee placed the queen bee in the box. Monday night the bees began to cooperate and leave the Welch house for the hive. Commenting on the disturbing buzzing noise of the bees, Welch cracked, "I guess it's better than having a bee in your bonnet."

Fatally Stricken Working at Home

Well-liked Northville resident, Curtis A. Randall of 46370 West Eight Mile road, died suddenly at his small farm Friday after suffering a heart attack while he was spraying fruit trees.

Mr. Randall, a former tool and die leader at the Ford Rouge plant, moved to Northville shortly before his retirement, in 1949.

He is survived by his wife, Gertrude; two sons, Leonard of Livonia, and Clyde of Atlanta, Georgia; by two brothers, Elmer and John of Barnard, North Carolina, and two grandchildren, John and Paul.

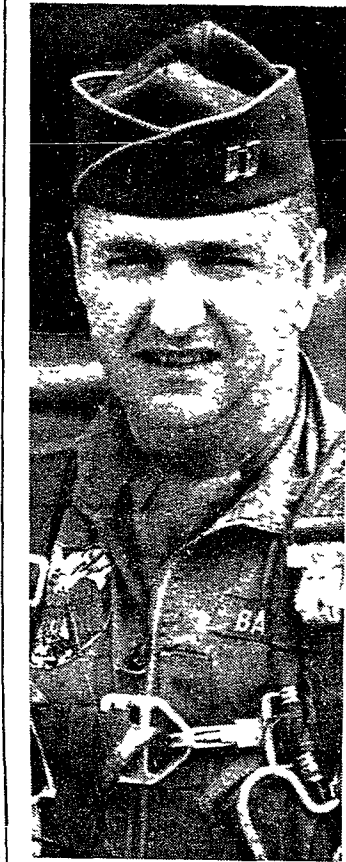

Mr. Randall was born in Marshall, North Carolina January 9, 1891, the son of John and Harriet (Goforth) Randall.

He had many friends in the Northville area, and was a member of the Masonic Lodge, 186, F.&A.M.

Services were held Monday from the Casterline Funeral home with the Rev. Kenneth Plusquellec of the First Presbyterian church officiating.

Burial was in Rural Hill cemetery.

Obituary

MRS. HATTIE BELLE KUHN

Former Novi resident, Mrs. Hattie Belle Kuhn, 936 Deer street, Plymouth, passed away June 27 at Wayne County General hospital after a long illness. Mrs. Kuhn was born March 15, 1878 in Novi, the daughter of Albert and Hannah (Hammond) Smith. Her husband, John, survives her. They were married August 4, 1909. She also leaves three daughters: Mrs. Inez Cramb of Livonia; Mrs. Ida Sulkowski of Salem, and Mrs. Ann Ingall of Plymouth; a son, Charles of Grand Rapids, and a step-son, Fred, of Detroit. She is survived also by a sister, Mrs. Sarah Passage, of Plymouth, and four brothers, Ernest Smith of Novi; Ralph Smith of Novi; Charles Smith of Northville, and Raiza Smith of Walled Lake; by 21 grandchildren and 30 great-grandchildren. Mrs. Kuhn moved to Plymouth from Novi 50 years ago. Funeral services were held June 30 from the Schrader Funeral home in Plymouth. The Rev. P. Ray Norton officiated. Burial was in Livonia cemetery.

There's Your Trouble — Right on the Screen!

An electronic method for diagnosing and correcting automobile engine troubles has been installed at Judy's Standard Service, 302 East Main street.

According to Richard Juday, the "motor analyzer" produces actual visual pictures of the operating condition of a car's engine while it is running.

The device checks spark plugs, distributor, points, condenser, cam, coil, wiring, ignition, voltage regulator, generator, battery, carburetor, valves, rings and compression. The new method eliminates "bench testing" to find the source of trouble and saves time and money for the customer, Juday stated.

Wixom to Continue Its Fight Against County "Discrimination"

"We were knocked out — but not knocked out of the ring." That's how Mayor Joseph Stadnik and Deputy Assessor Ken Warren described the city of Wixom in its fight against alleged discrimination by the county tax commission.

"As far as I'm concerned this isn't the end," Stadnik told the city council last Thursday night. He was referring to the state tax commission's recent decision to deny Wixom's appeal.

"It's strictly politics, rotten politics. I don't believe we were treated fair at any level."

An appeal filed by the city on May 11 for alleged discrimination was denied by the state two weeks ago. That means Wixom will have to be satisfied with its first county equalized assessed valuation of \$18,982,952.

More specifically, county and school millage levied against local property must be increased by multiplying the millage by 1.94. Therefore, 10 mills (for example) becomes 19.4 mills levied against the

assessed valuation of the property. City tax millage is not based on equalized valuation but on local assessments.

Series of Slipups

(Continued)

T-P1 zoning would probably prevent year around parking. It was at this point that the definition of T-P1 was examined and found to be for "passenger vehicles" only, during the racing season and 15 days thereafter.

Finally, the council decided to pass the zoning and waive the 90-day restriction for this season only. Presumably, the council will change the zoning designation to permit truck parking as called for in the contract.

Under the waiver passed by the council to allow immediate use of the lot it was agreed, however, to:

— allow no left turn onto River street from the lot and no commercial traffic on Gardner;

— permit only one exit at the southern corner, but allow the northern gate to remain for fire emergency with the provision that the greenbelt would cover the northern gate;

— waive 90-day waiting period for the current meet only with understanding that this August the greenbelt will be completed.

NORTHVILLE LODGE NO 186, F. & A. M.

REGULAR MEETING

Second Monday of each month

Thomas H. Quinn, W.M.

R. F. Coolman, Secretary

DO YOU HAVE A QUESTION?

Since change is the spice of life we would like to change our regular column into a Question Box for this summer. Many times people have a question about the Bible, or their spiritual lives and would like to ask an ordained minister about it. We are going to give you that opportunity in this column this summer. All you need to do is to write down your question, sign it, and mail it to Box 33, Northville, Michigan, or in care of the First Baptist Church. Anonymous questions will not be answered. Only your initials will appear in the paper with your answer. If the answer to your question does not appear in the column we will send you a personal reply because you took the time to write. You will not be under any obligation in the future. If you have questions concerning law, you ask a lawyer. If you have a spiritual problem then you should ask a Christian minister who should be well enough acquainted with the Bible to give you God's answer. May we hear from you?
