

Happy Experience Ends for Mike, Ilka

Two weeks from now German Exchange students Ilka Hartmann and Mike Gall will pick up where they left off one very short year ago.

Back at their school desks in Hamburg and Munster, their stay in America, full of surprises and new experiences, may seem like one big happy lost weekend in a land of vitamin-conscious people and Western movies.

A Rotary-sponsored sendoff party will be given for them and some 100 fellow exchange students at Wayne County Training school tonight. Friday they will take a bus to Montreal and there board ship for home.

The year has worked changes in Mike and Ilka.

Both are quick to say that they "have no real picture of Germany now."

"Munster is a very conservative town," says Mike, whose first impression of America was how casually we dress.

It's anybody's guess what Munster's impression will be when he returns to his darkly-clad circle of schoolfriends, in checkered shirts and cowboy boots, as he fully intends to.

"Like a cool cat," he laughs.

Although the pair express many of the common European criticisms of

our way of life, they don't deny that they've taken a shine to certain aspects of it—like our big cars.

They also admit they were in for a surprise about our schools.

"From what I'd heard at home," Mike explains, "I thought this would be just a year's vacation."

"But boy, you have to work."

Although they weren't entirely uncritical of the school system in areas of student course selection, and attitudes toward school, they observe that some programs can be rigorous and some students are "excellent."

Their favorite class was speech, something they wouldn't have had back home.

"I appreciate it," says Ilka, "because here I learned to speak confidently to people." Mike agrees.

In school Mike and Ilka were active in the Forensic club and student council, Ilka on the yearbook, and Mike, in track. Both have spoken before citizen and church groups.

Highlights of their stay were the trip to Washington, D.C. with the senior class. Another for Mike, was visiting the model United Nations at Hillsdale college, and for Ilka, traveling to St. Louis and Cincinnati.

Asked what they'll miss most, they say, "our friends."

"Though they're nice," Ilka adds, "I won't miss the comforts and luxuries you have."

Some luxuries they cite— "Sunday dinners every day," refrigerators, and cars.

"I was surprised you have such good cooking," Ilka comments. "You eat a lot out of cans, which I don't like, but you have a great variety of food and more meat in your diet than we."

"My family bought a refrigerator when an American exchange student came to live with us, just to make him feel at home," Mike adds. "But when he left, we sold it. We have a nice cold basement that's just as good."

Unlike many American students, they feel, they have a keen interest in national politics. They also have their own political opinions.

On dealing with the Soviet Union over East Germany, Mike says he thinks popular opinion has turned increasingly to favor bargaining with the Russians.

"Whether they are right or not," he says, "they are there, and the only way we can get East Germany back is to bargain."

On rearmament, Ilka says, "The women are mostly against it, I guess they remember the war."

Mike adds, "But the boys are enthused. Take me, for instance, I want to join the air force someday and become a jet pilot. I look on it as a chance to help my country."

Mike and Ilka have about two or three years of secondary schooling yet. They get no credit for their American sojourn.

They're not sure right now what their choice or careers will be.

"One last question," Ilka said hesitantly at the close of the interview, "The people we've met are so friendly. Do you think they really mean it?"

"HAMBURGER" Ilka Hartmann has a last American hot dog with fellow German Exchange Student Mike Gall. Ilka is a native of Hamburg, Mike, of Munster. They return home tomorrow.

Planners Air Requests For Zoning Revisions

The Northville planning commission heard protests Tuesday evening from four residents of the southeast section of Yerkes Estates subdivision concerning zoning for land adjacent to their homes.

Specifically, the residents were opposed to light industrial zoning for the Northville Lumber company, 615 East Baseline, and property surrounding the firm. The residents stated that they would prefer a commercial classification. They pointed out that an industrial development might lower the property values of their new homes.

Board members stated that the property was not suitable for commercial use and that the best land use was industrial. They pointed to strict regulations on light industrial development which include a 50-foot setback from residential areas, an 8-foot wide and 8-foot high greenbelt, and inspection of building plans by the planning commission.

After discussion the board indicated it would recommend light industrial zoning for the parcel.

Planners, who for several months have been working on revising and modernizing the city's present zoning ordinance and assigning zoning classifications to the newly annexed areas of the city in the north, later discussed zoning with officials of the D & R Building company, developers of Yerkes Estates.

Specifically, D & R officials Richard Benicke and Robert Crue asked that the eastern portion of the extreme northern part of their proposed subdivision fronting on Center and Maplewood be zoned R-1 and that only the western portion carry the more restrictive R-1S classification. The latter zoning requires

minimum 9600 square foot lots compared to 7500 square feet for R-1 areas. The board indicated agreement with the proposal.

The matter of zoning of three parcels owned by D & R along the C & O railroad and the relocated Novi road was left unsettled, however D & R maintains that FHA or GI financing for homes cannot be obtained on this land. The developers asked that a commercial classification be considered. The area lies north and south of the city's new Novi road well site.

Chairman T. R. Carrington suggested a joint meeting with the city council within two weeks to discuss the matter and other questions concerning the revision of the city zoning ordinance.

Library Charges Non-Residents 'Borrowers Fee'

A "borrowers fee" for non-residents was initiated last week in the Northville library.

The new fee was announced this week and applies to all non-residents of Wayne County. The non-county residents will be required to pay \$10 per family annually. The fee covers unlimited book withdrawals.

According to the Wayne county library board, the \$10 represents the approximate cost of serving an average borrower.

Oakland county residents of the city of Northville will not be charged the fee, county librarian Walter Kaiser stated. As city taxpayers they already contribute to the library fund.

The Northville city council stirred heavy citizen reaction last month when it dropped the \$9,000 county library fee from the budget. This action brought a letter from the county threatening curtailment of local service if assurance of payment by the city was not received. Residents, though sympathetic with the council's grievance, stood solidly behind continued library service. The city has reached an understanding with the county though means for reducing library costs are still being studied. One method suggested had been a charge to non-residents.

Kaiser said the new fee will not change the formula for charging the city and township for library service.

Officials of the library said that the new fee was prompted by the "financial situation in which the county is receiving a diminishing share of the library fees."

Under the present plan, no cards will be issued. Families paying the fee will be recorded at the local library and their requests for books honored on the basis of registration.

Novi Incumbents Win School Election

Three incumbents were voted back into office Monday as 265 Novi electors cast their ballots in the annual school board election.

Returned to office were: Dr. Harold L. Morris, Arthur J. Heslip, and Russell Taylor. Morris was elected to a one-year term and the other two men were elected to three year terms.

More than 17 percent of the eligible 1,550 electors turned out for the election, compared to less than 10 percent last year.

Superintendent of Schools William Medlyn and members of the Novi School Study Group, which pushed for a greater vote, expressed satisfaction with the turnout.

Of the 265 votes cast, 17 were blank and two were spoiled in the one-year race, and nine were spoiled in the three-year race.

Heslip, president of the board for the past year, polled more votes than any other candidate. He received 131 votes, while Morris drew 128 votes. Heslip's majority vote came as a mild surprise to many village officials and citizens who had predicted that the rezoning of Heslip's farm property for industry might slice into his popularity.

William O'Brien, an unsuccessful candidate for the school board last year, received the third largest number of votes—118. But he was a candidate for the single one-year-term only with Morris.

Other candidates for the three-year term and their vote totals were: Robert McKeon, 78; Oliver T. Rose, 73; and George Mairs, 66.

Dr. Morris was originally appointed to the board last January to serve in Kenneth Bernard's place until this election. Bernard was forced to resign because his work took him from the state.

Taylor was first elected last year to fill out the unexpired term of Mrs. Georgia Larson, who resigned to become the school superintendent's secretary.

Hospital Expands Improvement Plan

Heavy Agenda Faces City Council Monday

Northville's city council has a busy night scheduled Monday with four ordinances and specifications for some \$330,000 in water system and paving projects awaiting review and approval.

The council cancelled a special meeting to study the ordinances last Monday when Mayor A. Malcolm Allen became ill.

A public hearing is also on the agenda for Monday night. The hearing will be held to amend the city's ordinance for sewer service and connection charges due to the county's decision not to invoke a rate hike which was made effective April 1. Residents who paid the higher fees will receive a credit or refund.

The ordinances which the council is expected to review include sidewalk and litter ordinances as well as one for special assessments and bulk food.

The special assessment ordinance is expected to receive prompt attention. It is necessary to charge city residents of Oakland county for use of the Middle Rouge interceptor.

Wayne county residents have been paying this fee as a part of their taxes at the rate of \$100 per acre. Acceptance by the Wayne County road commission of the Oakland county area of the city to the sewer district necessitates the charge—and a means for making the charge (the "special assessment ordinance").

(The city made its second of four payments to the road commission for sewer service this week in the amount of \$7800.)

Added interest in the special assessment ordinance surrounds the development of some 150 acres in the northwest section of the city by Gerald Taft. New sewers to serve the proposed development will be constructed and financed by special assessment.

City Engineer Harold Penn will present the council with plans and specifications for the \$300,000 water system improvement program. He is also expected to have plans ready for advertising bids for the paving of South Wing, Fairbrook, First streets and Wing Court. The council is expected to study the plans and set a date for opening of bids on the projects.

City To Fence Dump Area

The city advertised for bids this week to complete fencing around the Gerald avenue area dump.

The council has directed the city manager to fence the entire dumping area and restrict use of the dump to residents of the city and township. An attendant will be on duty with definite hours scheduled when dumping will be permitted.

The schedule has not yet been determined.

City and township officials plan to meet this week to decide upon a contractual agreement providing for use of the city dump by township residents.

Band Wagon In Park Tonight

The tones from Northville's high school band will be enriched tonight by the use of a portable bandstand as the second of the summer series of concerts is presented at the City Hall park.

Arrangements to have the bandstand demonstrated were made by the Northville Exchange club. The club hopes to join with the Coordinating Council in conducting a drive to purchase the \$7500 portable band wagon if enough local interest is shown in the project.

Tonight's concert, which will be under the direction of Robert Williams, will begin at 8:00 p.m.

Junior High Work Moving Briskly

Rejuvenation of the junior high school is still proceeding at a brisk clip.

Spokesman for the school, teacher Donald Van Ingen, said this week that most of the "tearing down" jobs are done, and the "building up" has begun.

Construction of the glass-enclosed breezeway between the junior high and the elementary buildings began recently.

Plastering and plumbing work is also underway, and the gym balcony, which will be eliminated permanently is being removed.

Some painting, as around windows and of window sashes, has started.

Van Ingen is temporarily supervising the work in the absence of Principal Harry Smith, who is on a month's leave of absence. He will continue to assist him when Smith returns early next month.

Police Get Tough

Police warned this week that "no parking" restrictions in residential areas during racing season are being strictly enforced.

Last week, Thomas Beaudoin, 22, of Lake Orion parked his car on W. Cady street, blocking a driveway, while attending races.

The car was ticketed and towed away to the police pond.

Beaudoin found it later and drove off.

He was arrested, and tried Saturday, and ordered by Judge E. M. Bogart to pay \$20 fine, \$5 towing costs, and court costs.

The re-opening of Sessions hospital will be delayed two weeks — until August 15 — by the decision of the new owners to make extensive improvements totaling an estimated \$50,000.

The hospital has also obtained official approval of its new name — Community General Hospital, Incorporated.

It was purchased last month by Dr. Howard L. Bergo, a resident of Northville and medical director of Maybury Grand hospital in Detroit, and Abraham Farris of Detroit.

The new owners had hopes to re-open the hospital by August 1 after necessary improvements were made to bring the hospital up to state requirements. The date has now been set back to August 15.

Actual work at the 520 West Main location has resulted in the decision to make more extensive changes and improvements immediately.

Calvin Monfils, assistant administrator to Dr. Bergo at Maybury Grand and newly appointed administrator of Community General, estimated that upwards of \$50,000 will be spent for improvements and new equipment before the hospital is opened to the public.

"We are trying to give the people of the community facilities and surroundings that they have a right to expect from a privately-owned hospital," Monfils stated.

Monfils said that no second floor rooms will be used for patients. Narrow hallways on the second floor do not meet requirements of the fire marshal, he indicated, so these rooms will be used for administrative offices and storage.

He revealed that plans have already been drawn for a 50-bed addition. The new section will be constructed as a second-story across the front and extending over the west side of the hospital and 40 feet beyond the rear of the present building. To comply with health department regulations the kitchen and laundry will be moved to ground level in the rear of the new section.

Monfils stated that the new addition will be constructed as soon as the demand for bed space in the hospital warrants the expansion.

Under the present improvement program all the rooms have been redecorated. Many rooms have been completely replastered. The x-ray room has been relocated to reduce radiation and meet health department requirements. The old x-ray room will become a doctors' lounge.

New equipment includes a complete operating room suite, delivery room suite, conductive tiling, new switches with conductive grounding, sanitizing equipment, utility sinks, dishes, cabinets and utensils for kitchen and formula room, plus fire detectors and alarm system.

Monfils indicated that final determination has not been made on the full extent of new equipment.

With the elimination of second floor rooms the hospital will have a 25 to 30-bed capacity, Monfils said.

A board of directors composed of seven to ten area residents is expected to be selected in the near future. Some consideration has been given to holding an open house for the general public before the hospital is officially opened in mid-August.

Before the hospital closed it had been widely used by area physicians. Dr. Bergo has indicated that the hospital will be open to practicing physicians of the area and that the direction of the hospital will be subject to rules set up by the board of directors, owners and the administrator.

Mayor Allen Ill; Council Cancels Meeting

A special meeting of the city council was cancelled Monday night due to the illness of Mayor A. Malcolm Allen.

The mayor is confined with a respiratory ailment and is not expected to resume working for two or three days.

READY FOR TRAFFIC—You may not recognize it, but that's North Center street looking southward from Carlyle. Paving of the block-long hill has been completed by the county and traffic will be allowed over the street this week.

NEW SKYLINE—Northville's Main street is minus a building this week. The city completed its tearing down of the former Frank Hills real estate building and began filling and levelling the area. Plans call for providing an alley and parking area on the newly acquired city property between Main, Center and Dunlap streets. Improvements are not expected to be completed this year, however.

about WOMEN

2—Thursday, July 16, 1959—THE NORTHVILLE RECORD

Exchange Vows Here Saturday

In a setting of candelabra and flowers, Martha Bloom and Richard F. Lyon were united in marriage Saturday at the Northville First Presbyterian church by the Rev. Wayne Smith of Wayland, a friend of the bride and groom.

The bride is the daughter of Mr. and Mrs. C. Harold Bloom of W. Main street. The groom is the son of Mr. and Mrs. Harold A. Lyon of Bay City.

Mrs. W. G. Williams, organist, accompanied the ceremony.

The bride wore her sister's wedding gown of nylon net, fashioned with shirred nylon bodice and sleeves. A cap of seed pearls held her fingertip veil and she wore a pearl necklace, a gift from the groom. She carried a Bible decked with white orchids and stephanotis.

Matron of honor for her sister was Mrs. Robert G. Williams. Her frock of blue organdy was embroidered with white and trimmed with blue velvet ribbons. She wore a velvet bow headband and carried a white lace fan edged with real pink rosebuds.

Bridesmaids, Mrs. Joseph Early and Rebecca Coolman of Northville and Sally Hilger of South Lyon wore ensembles matching the maid of honor's, and also carried identical lace and rosebud fans.

Dick chose Richard A. Coolman of Walled Lake for best man. Ushers were Robert Freydl and Robert Erwin of Northville, Russell Maxwell of Livonia, and Albert Tobin of Garden City.

For her daughter's wedding, Mrs. Bloom selected a mauve dress of silk organza and pinned on white and pink orchids.

Mrs. Lyon wore a blue silk dress and a white orchid corsage.

The groom's aunt, Mrs. Charles

Wilcox of W. Cady street, with whom he has made his home for several years, wore a beige lace dress and a white orchid corsage.

A reception was held at the bride's home. The newlyweds left afterward on a wedding trip to Canada.

Mrs. Richard Lyon

Have Fun In the Sun

A potluck picnic and pool-side fun were combined again Monday for the Garden Club's popular annual summer outing.

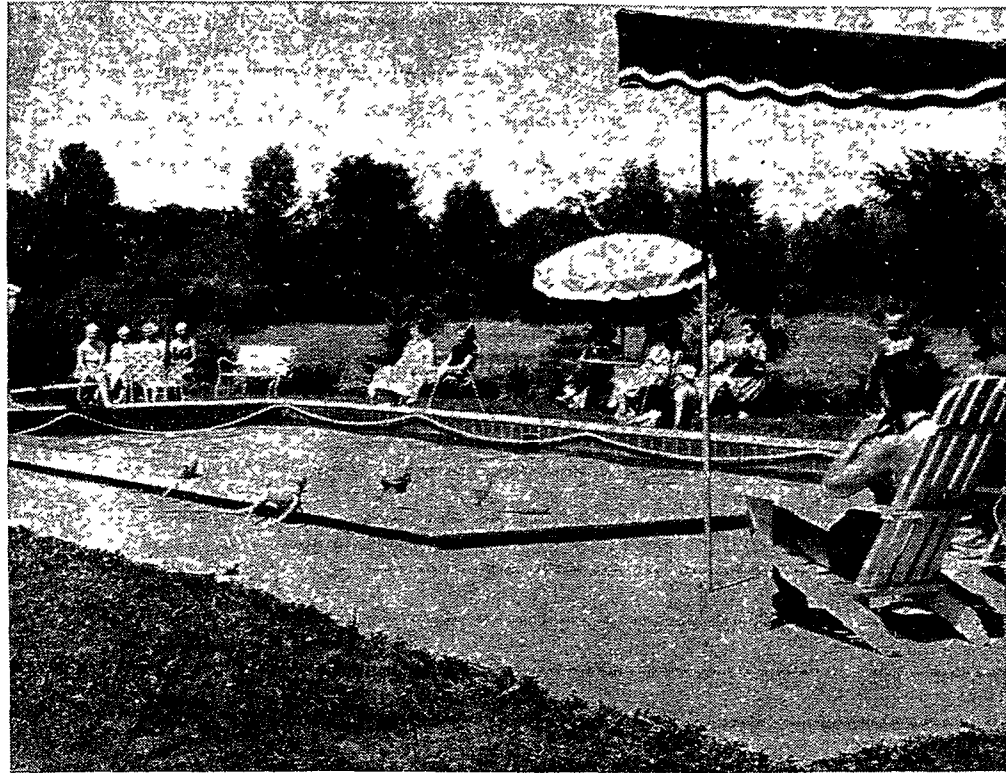

Gathering at the lovely home of member Mrs. William B. Walker, Jr., club women and their guests enjoyed a varied menu along with sunning and swimming.

A comic pantomime performed by Mrs. Hurd D. Clark, Mrs. John Northup, Mrs. Wayne McBride, and Mrs. Paul Hoffman, added another bright note to the afternoon.

Skits were followed by expert swimming and diving demonstrations given by club president Mrs. N. K. Pattison, and Mrs. C. Hill.

The program ended with all hands participating in games in and around the pool.

Assistant hostesses were Mrs. G. H. Bryan, Mrs. Paul H. Schulz, Mrs. Clyde Schoultz, and Mrs. L. Rix.

DAY FOR A DIP—Members of the Northville Garden club and their guests enjoyed an afternoon of picnic, swimming and diving Monday at the club's annual potluck picnic held on the scenic grounds of the William B. Walker, Jr. home.

Miss Coulter Is Bride

Mrs. Mary N. Jones of Northville announces the marriage of her daughter, Phyllis J. Coulter to Gerald W. Prise of Ft. Lauderdale, Florida, July 3.

The ceremony was performed by the Rev. Dr. Orlandi of the Second Presbyterian church of Ft. Lauderdale.

The newlyweds are now residing at 1616 N.E. 16th avenue, in Ft. Lauderdale.

King's College Quartet To Play at Salem Church

Salem Federated church will host a program of vocal and instrumental music July 21, by The King's Messengers, a student quartet from The King's college, Briarcliff Manor, New York.

The group will perform at the church at 7:30 p.m. as part of a 14-state summer tour, and will present vocal, violin, accordion, and trombone selections.

Monday night dinner guests of Mr. and Mrs. J. E. Straus of Beck road were Mr. and Mrs. Ira Evans of Plymouth.

NEWS AROUND NORTHVILLE

Mrs. R. W. Cavell of San Jose, California, was the houseguest this past week of Mrs. E. B. Cavell of W. Main street.

Marianne King, daughter of Mr. and Mrs. Charles King of Woodhill, gave an open house farewell party for German Exchange student, Ilka Hartmann, this week. Some 40 classmates, including Ilka's fellow exchange student, Mike Gall, attended.

Susan Blackburn, daughter of Mr. and Mrs. John Blackburn of Orchard drive, will be honored Sunday at a Garden Tea and bridal shower, given by Mrs. Crispin Hammond at the Hammond home on Timberlane. Some 30 friends and relatives will attend. Susan will be married August 15, to Bill Young of Salem.

Mrs. E. B. Cavell of W. Main street was a luncheon guest of Mrs. E. C. Gay of Birmingham Tuesday.

Mrs. Leah Tennant and daughters, Marion, and Mrs. Dorothy Stansell, and Mr. and Mrs. Rod Linton, of Dearborn, were guests at a dinner party Sunday given by Mr. and Mrs. J. E. Straus in their Beck road home. The Stansells left afterward on a tour of the West.

Mr. and Mrs. Cliff Heraper of Ferndale and Mrs. David McKee and daughter Margo of Lancaster, Pennsylvania, were Sunday dinner guests of Mr. and Mrs. J. E. Straus of Beck road. Margo will work this summer as Bryn Mawr college representative for the J. L. Hudson college shop.

Mrs. Rhea Wilcox of W. Cady street, hosted the rehearsal dinner for her nephew, Dick Lyon, and his fiancée, Martha Bloom, Friday night at her home. Twenty seven guests including attendants and their relatives attended. The groom-elect made his home with Mrs. Wilcox for several years.

Mr. and Mrs. John Blackburn, Mrs. Charles Blackburn and Sue and Johnny, spent Sunday with the senior Blackburns' daughter, Priscilla, in East Lansing. Priscilla is attending Michigan State university.

Mr. and Mrs. Eural Clark and daughter, Gloria, of High street, left Monday for a week's visit with Mr. and Mrs. Glen Jewel, former Plymouth residents, of Mecosta.

Some 36 Past Matrons and Past Patrons of Northville chapter, Order of the Eastern Star, were picnic guests of Mr. and Mrs. Walter Miller and Mr. and Mrs. William Monroe, at their adjoining cottages on Upper Pettibone Lake, Sunday.

Mr. and Mrs. Clifford Sinden and daughter, Alice, of Taft road, returned this week from a 7-day stay

BIRTH

Mr. and Mrs. William Runge of S. Center street, announce the birth of their first child, Sandra Kay, on July 1.

Born at Ridgewood hospital, Ypsilanti, the baby weighed 7 pounds 11½ ounces.

Mrs. Runge is the former Nancy Bowen.

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

TWO'S JUST COMPANY for obliging pony, Patsy, when Wayne and Becky Whitefield go for a ride. The other Whitefields are (left to right) Linda, Mother and Dad.

Newcomers George and Leah Whitefield of E. 7 Mile road, call themselves city farmers.

The former Redford Township residents and their children, Linda, 7; Becky, 5; and Wayne, 3; plan to start with an animal farm of sorts.

They have already agreed to assist Mrs. Whitefield's parents, Mr. and Mrs. Earl Clarke, in raising Welch and Apaloosa ponies on their adjoining properties.

Meanwhile, they've added a family of bunnies to their own pet collection, which also includes a friendly dog, Queenie.

Someday they hope to buy a few cows. "We think the children should have several pets to grow up with," they explain.

Although it is Mr. and Mrs. Clarke who manage the pony raising business, Mr. Whitefield, a mailman for the Redford Post Office, has late afternoon hours free to care for them while Mr. Clarke works downtown.

Native Detroiters both, Mr. and

Mrs. Whitefield claim they haven't been raised in the saddle, though—it's easy to see that they know their horses. "It's just a hobby for us right now," they say.

In a few weeks Mr. Whitefield's mother, Mrs. Hattie Whitefield, will come to live with them, too.

The girls, Linda and Becky will attend Amerman school this fall. Linda will start second grade, and

CONGRATULATIONS—American Legion Auxiliary President for the 17th District, Mrs. Peggy Crawford (left) shakes hands with newly-installed district officers from the Northville Post, Mrs. Howard Wright (center) and Mrs. Rex Holloman. Installation ceremonies were held Sunday. Mrs. Wright, first vice president of the local post, was named District Treasurer. Mrs. Holloman, post secretary, is District Historian. The District includes Northville, Plymouth, Redford, Redford Township, Livonia, and Rosedale Park.

Becky, kindergarten.

The Whitefields moved here last month.

Buenos Aires Calls Family

They're brushing up on their Spanish rapidly.

Ever since the Ray Maidments and daughters Suzanne and Lois of Six Mile road learned that they would be spending the next two years or more in Buenos Aires, Argentina, their Spanish conversation records have seen more action than a bull fight.

Mr. Maidment, a buyer for Ford Motor company, was given the opportunity to transfer to South America recently for work with the company's International Division.

The girls were immediately excited, says Mrs. Maidment.

"We can't go fast enough for them."

Newcomers to Northville just a year ago, from LaGrange, Indiana, the Maidments say they've greatly enjoyed living here, and hope some day to return.

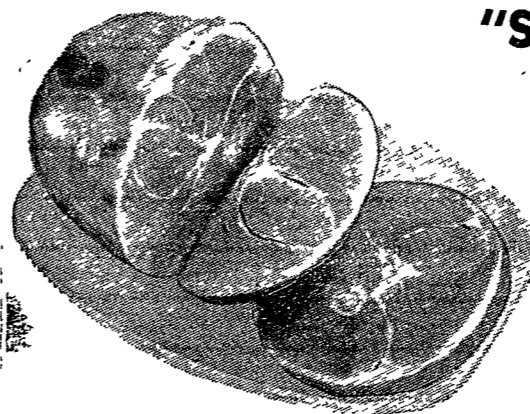

As for their decision to leave for the other side of the equator, Mrs. Maidment explains that they felt been raised in the saddle, though it would be a wonderful experience and that they are anxious to meet the Argentine people. They have never lived outside the country before.

Suzanne, a senior in high school, and Lois, a junior, will enroll in an American school in Buenos Aires.

The Maidments' son, Ray, Jr., a junior at Montana State university, plans to return to college this fall and to join the family next summer.

Mr. Maidment flew down this week to begin house-hunting.

They'll board the S.S. Brazil Monday, and will stop en route the two-week trip at various South American ports.

HI-FI Club Holds Picnic

By Mrs. Charles Ware — Market 4-1601

The Hi Fi Extension group of Hickory Hills held a family picnic on Saturday, July 11 at Oak Grove park. Fifty guests were present.

The annual home coming dance of the Hickory Hills Finnish club will be held at the Finnish camp club house this Saturday, starting at nine p.m. Music will be supplied by the Continentals. Everybody is invited.

The Del Bourgeois family has returned from spending a week in Northern Michigan.

Herbert Abrams and family have returned from their cottage at Fyfe Lake.

Mr. and Mrs. Howard Geyer and family were Sunday guests of Mrs. Lettie Geyer on West Maple road.

Tuesday, Mrs. Harold Ortwin and Mrs. Lettie Geyer visited the Howard Randolphs at Grand Ledge.

Nancy and Janice Randolph returned with them to Wixom to visit with their grandmother, Mrs. Geyer for a week.

Mr. and Mrs. Hugh Guthrie were hosts to fifteen people at a picnic on Sunday.

Mrs. Jim Roolo gave a birthday breakfast in honor of her father, Mr. Charles Thomas, Sunday. Twenty guests were present.

There will be installation of officers of the Lions club Thursday at

Willowbrook...

Mr. and Mrs. Clifford Farrington, Mr. and Mrs. William Smelt, Mr. and Mrs. Donald MacDougall, Mr. and Mrs. Jack Carter, Mr. and Mrs. Orlo Johns, Mr. and Mrs. Jack Jamison, Mr. and Mrs. Joe Ardito and Mr. and Mrs. LaVerne De-Waard, all gathered at Kent Lake for a picnic breakfast and a day of swimming on the Fourth of July. They returned to Willowbrook in the evening to enjoy a barbecue dinner at the home of the Farringtons.

Cheryl Luce, granddaughter of Mr. and Mrs. Errol Myers, of Border Hill, celebrated her third birthday with a party at the Pontiac Yacht Club last week. The guests included the Myers, Mr. and Mrs. James Conway and their daughter Connie, Mr. and Mrs. Walter Briggs and their children Walter, Lois and Louis, and Cheryl's parents, Mr. and Mrs. Chris Luce.

Mr. and Mrs. Robert Driscoll had dinner at Topinkas, before attending the Detroit-Chicago baseball game last Thursday.

The other Wednesday Bridge Club met at the home of Agnes Driscoll last week. Nora Danforth was a guest player. Ruth George won first prize, Nora Danforth second and Marguerite Parent won the consolation prize.

Mr. and Mrs. Ralph Morse entertained Mr. and Mrs. Frank Morse and their children at a barbecue dinner on the Fourth of July.

Mr. and Mrs. Robert Flattery enjoyed a trip to Bob-lo Island last Tuesday with their children Jane, Jo and Danny.

Mr. and Mrs. Donald Richmond have returned from an automobile trip which took them to Cleveland, Ohio, to Washington, Pennsylvania, where they visited Don's grandmother, Mrs. W. W. Richmond, through the Blue Ridge Mountains and back to Dayton, Ohio, where they visited Don's sister and her husband, Mr. and Mrs. Robert French. The Richmonds were accompanied by their six children, Jim, John, Rita, Margaret, Betty, Rita and Therese.

Mrs. George Ames spent last week touring Michigan in the company of her mother, Mrs. Jane B. Rothwell, and her grandmother, Mrs. Charles Brunk.

They visited the Thunder Bay area, Machinac Island, the Tahquamenon Falls, Munising, Copper Harbor, the Porcupine Mountains, Escanaba, Traverse City, Sleeping Bear Sand Dunes and Ludington.

Northville Men Buy Detroit Concern

Three Northville residents have announced the purchase of a manufacturing concern in Detroit.

The trio, George Zerbel, Robert Shafer and Gerald Woodworth, purchased the Tri-West, Incorporated plant at 19630 Fitzpatrick from Zebastian Baal.

Zerbel, president of the firm, was formerly president of Tuffy Products company and manufacturing consultant for Daisy Manufacturing company. Vice President Shafer was production manager for Daisy for 14 years. Woodworth will serve as treasurer.

The firm manufactures bolts, nuts, screws and various fasteners.

All three partners have been active in Northville city, township and school affairs. Zerbel is currently a member of the planning commission, while Shafer was recently re-elected to the school board. Woodworth formerly served on the city planning commission.

Novi Highlights . . .

Mr. and Mrs. Robert Marr are the parents of a son, Brian Lee, born July 7 in Beyer Memorial Hospital in Ypsilanti. Weight 9 pounds and 8 ounces. Mr. and Mrs. Al Gow are the maternal grandparents.

Mrs. Clyde Johnston has returned home after convalescing for two weeks at the home of her daughter, Mrs. Ted Remein in Farmington.

Mr. and Mrs. Walter Tuck have moved into their new home on East Grand River.

Mrs. Fred Loynes is recuperating from a major operation at Beyer Memorial hospital. She came home last week.

Mr. and Mrs. Russell Watrous of Royal Oak were visitors at the home of Mr. and Mrs. Ralph Walden on Sunday.

Mr. and Mrs. Dicon Tairalian of West Grand River were hosts at an Armenian Barbeque Sunday afternoon and evening. The menu included Shish-Kebab, Pilaf and Sou-Beo-reg.

Their guests were Mr. and Mrs. Walter Tuck, Mr. and Mrs. Harold Tuck and children, Mr. and Mrs. Donald Tuck and son, Dennis, Mr. and Mrs. Herb Dryer and family, Mr. and Mrs. William Smelt and son, Brian of Novi and Mr. and Mrs. Richard Gaul and son and daughter of Farmington.

Novi Baptist Church
The Mission Band will meet in the Fellowship room at the church on

Thursday (today). For a project they will be sewing on a layette for a hospital in Africa. Mrs. Rex La Plante, president will preside at the meeting.

Sunday evening, Wixom Baptist Church and Salem Congregational Church joined Novi Baptist Church in a "Singspiration" with Mr. Del Vincent leading. Refreshments were served at the close of the meeting.

Tuesday, the Unity Circle had a cleaning bee at the church. Mrs. Andrew Childress directed the working program.

Novi Girl Scouts
Visitors Day at the Girl Scout Camp will be Wednesday, July 22 after one o'clock p.m. Please park your cars upon the grounds.

Methodist Church
The film "Prodigal Son" played by "Peppy the Pup" was shown to the children in the church basement at the Sunday School Hour last Sunday.

Fireman Picnic
The second annual firemen's picnic was held on the picnic-grounds of the Star Cutter Company at Farmington on Sunday. Approximately seventy were present, which included the firemen and their families and the village and township employees and their families. There were games and prizes for the children.

Rebekah Lodge News
The second annual firemen's picnic was held on the picnic-grounds of the Star Cutter Company at Farmington on Sunday. Approximately seventy were present, which included the firemen and their families and the village and township employees and their families. There were games and prizes for the children.

The Rebekah Lodge will be discontinued during the summer months. The next meeting will be held in September.

Novi Goodfellows
The Goodfellows are in need of all manner of household articles, furniture, tools, or any other useable discards for the Goodfellow Sale in September. Please call the township hall for pick-ups.

STATE POLICE DETECTIVE
Melvin J. McFall, 51, a familiar police figure in the Novi-Northville area for the past seven years, will retire from the force after 25 years service on Monday. He will be replaced at the Redford Post by Detective John D. O'Leary. McFall, who is married and lives at Orchard Lake, will join the Oakland county sheriff's department after retirement.

\$25,000 Home To Be Given Away

The Otwell Heating & Supply Company of Plymouth is participating in a national LP-Gas sweepstakes through which residents of this area will have an opportunity to win a new \$25,000 home. "Only requirement for entering the sweepstakes is to visit our store at 882 N. Holbrook at Eckles Coal Yard and sign your name on an official entry blank," said Bill Otwell, president of Otwell Heating & Supply Co.

The spacious four-bedroom prize home will be equipped with an LP-Gas built-in range and oven, automatic LP-Gas water heater, LP-Gas refrigerator, LP-Gas space heater, smokeless and odorless incinerator and automatic clothes dryer. It will also include a free LP-Gas bulk tank fuel system.

The prize home will be built on the owner's lot by Swift Homes, Inc., Elizabeth, Pennsylvania. The sweepstakes closes on September 30. The prize home will be awarded by drawing in mid-October.

Urges Candidacy For Academy

Youths interested in becoming cadets in the U. S. Merchant Marine Academy are urged to contact Congressman William S. Broomfield (R-Oakland county).

The Academy at Kings Point, Long Island, offers a four-year course leading to a license as an officer in the U. S. Merchant Marine, a commission as ensign in the U. S. Naval Reserve and a bachelor of science degree. The sophomore year is spent as a cadet on ships of the U. S. Merchant Marine.

Tuition, room and board, required uniform and textbooks as well as medical and dental care are furnished by the Federal government.

A candidate must be single, in excellent health, must have reached his seventeenth but not his twenty-second birthday by July 1, 1960, be a high school graduate or now in his senior year.

Broomfield will appoint 10 candidates to the Merchant Marine Academy. These candidates will then compete for entrance to the Academy in nationwide tests to be given in March, 1960. Entrance to the Academy will be in August, 1960.

Those interested should write to Congressman Broomfield, Room 1422, New House Office Building, Washington 25, D.C.

NEWS AROUND NORTHVILLE

Mr. and Mrs. Frank Bongiovanni of Yerkess street, returned this week from a two-weeks vacation in Florida with their son, Eugene and family. The Eugene Bongiovanni's, former Northville residents now reside in Plymouth.

Mrs. Frances (Kearney) Lada has been a surgery patient at St. Joseph's hospital in Ann Arbor and will remain there for the next week or two. She would appreciate hearing from her friends. Her room number is 4042. Mrs. Lada is the mother of Mrs. Max L. Hollis.

Northville residents, Mrs. Joseph Sands of Napier road, Mrs. Arthur Verschaeve of Clement road, will have works exhibited in the Palette and Brush club annual art exhibit being held in Detroit this week and next.

Mr. and Mrs. Joseph Denton of Randolph street are visiting Mrs. Denton's sister, Mrs. Elizabeth Smith of Peterborough, England, and Mr. Denton's brothers and sisters, Sidney, Jack, and Edward Denton, and Mrs. Ivy Kiddle, Miss Beatrice Denton, and Mrs. Florence Anderson, of St. Ives, England. The Dentons left last Wednesday for a month's vacation in the British Isles, their first visit to their birthplace in 40 years.

The new Tremper Circle of the W.S.C.S., First Methodist church, held a potluck picnic Tuesday, at the home of Mrs. Hannah Greer of Novi.

Mr. and Mrs. Sidney Upthegrove left Sunday to attend the funeral of Mrs. Upthegrove's brother, Francis R. Carroll of Chicago. Services were held Wednesday from St. Angelus church, Chicago. The late Mr. Carroll is also survived by a brother, Doran, of Chicago.

South Lyon Couple Wed
Judy Lynn Bentley and David Chester Dixon, both of South Lyon, were united in marriage by Justice E. M. Bogart Thursday afternoon, July 9. Mrs. E. M. Bogart and Mrs. W. M. Bogart were the attending witnesses.

THE NORTHVILLE RECORD—Thursday, July 16, 1959—5

Obituary

John R. Walker
Former Northville resident, John R. Walker, 2313 Bonbright, Flint, passed away July 14, at Hurley hospital in Flint. Mr. Walker, the son of Archie and Henrietta Walker, was born June 10, 1877, in London, Ontario, Canada. His wife, Julia, preceded him in death. He is survived by a daughter, Mrs. Villette Cassidy of Flint, a brother, James R. of Flint, nieces and nephews. He also leaves three grandchildren, six great grandchildren, and five great great grandchildren. Mr. Walker was manager of Northville Recreation until his retirement in 1941, and moved to Flint seven years ago. Funeral services will be held today (Thursday) at 2 p.m. from the Cas-

terline funeral home. The Rev. Kenneth Plusquellec, assistant student pastor at the First United Presbyterian church here will officiate. Burial will be in Rural Hill cemetery.

Mrs. Vera Irene Yarbrough
Mrs. Vera Irene Yarbrough, 15400 Fry road, Northville Township, passed away July 12, at her home after an extended illness. Mrs. Yarbrough was born November 13, 1906, in Alabama, the daughter of Arthur and Ethel (Bates) Mattox. Her husband, Arthur, whom she married in Gatesville, Alabama, July 4, 1923, survives her. She also leaves her parents, now residing in Collinsville, Alabama; three sons, Jimmy of Northville; Ray of Garden City; and Billy of Wayne; and two daughters, Mrs. Virginia Wild of Waterford; and Mrs. June Toth of Flat Rock. She is survived also by a brother, Glenn Mattox of Atlanta, Alabama; three sisters, Mrs. Gladys Peek and Mrs. Ydeen Harrison of Collinsville, Alabama; and Mrs. Jewel Perry of Spring City, Tennessee; and ten grandchildren. Mrs. Yarbrough moved here in 1953 from Garden City. Services were held July 15, from the Dempsey B. Ebert funeral home, the Rev. Lynn B. Stout of Plymouth, officiating. Burial was in Rural Hill Cemetery.

Former Novi Resident Gets Los Angeles Post

Los Angeles District Attorney McKesson recently announced the appointment of Fred W. Benson, former Novi resident, to his Los Angeles county staff.

Benson, 29, who worked at Trickey's Hunting and Fishing Equipment store in Novi while attending the University of Michigan, is now living in Hawthorne, California.

He received a bachelor's degree in political science from Earham college, Richmond, Indiana, a master's degree in business administration from the University of Michigan, and a law degree also from Michigan.

Deputy District Attorney Benson has been employed as assistant analyst for a California company, and is a part time special policeman for Los Angeles county.

Injures Eye Recently In Fishing Accident

If any injury accident can be called lucky, Alan Wakenhut, 16-year-old son of Mr. and Mrs. Wynn Wakenhut of Commemora drive, experienced one last week.

While fishing with his brother, Gary, and Ken DeJonge, a fly rod fish hook caught in his eye as he was casting. The hook penetrated the cornea, but narrowly missed doing grave damage.

He was taken to University hospital, Ann Arbor, where the hook was removed, and underwent eye surgery later. He returned home Tuesday and is reported recovering satisfactorily.

Review Club to Meet

The Northville Review club will meet at the home of Mrs. E. M. Starkweather, 48265 W. 7 Mile road, next Thursday, July 23.

Mrs. Frank Beeks will review "The Testimony of the Spade" by Geoffrey Bibby, and other titles on archeology.

1—CARD OF THANKS

WE wish to thank the many friends, neighbors, Northville Lodge F.&A.M., American Legion, Salem Federated Church, for their flowers, cards and many acts of kindness. Also the Rev. Richard Burgess for his comforting words during our recent bereavement.

The family of Elizabeth Stanbro

OUR heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings and other kindness, we are deeply grateful.

John MacDonald

13-NOTICES
Philip R. Ogilvie, Atty. 113 North Center St. Northville, Mich.

STATE OF MICHIGAN
County of Wayne
ss. 475,892

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the nineteenth day of June in the year one thousand nine hundred and fifty-nine.

Present Ira G. Kaufman, Judge of Probate. In the Matter of the Estate of CLARA H. FRENCH, Deceased.

An instrument in writing purporting to be the last will and testament of said deceased having been delivered into this Court for probate; and Douglas F. French having filed therewith his petition praying that administration with will annexed of said estate be granted to himself or some other suitable person:

It is ordered, That the eleventh day of August, next, at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument, and hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Ira G. Kaufman, Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated June 19, 1959
Cecil A. Bernard, Deputy Probate Register

Seek Reapportionment

DEMOCRATS ARE STARTING another statewide fight for reapportionment of the Legislature.

The Democratic State Central committee June 23 decided to form a committee to plan for reapportionment, a drive that has new significance for Democrats because of the 1959 deadlock in the Legislature over state finances.

The State Central committee acted after party members in the 14th Congressional district adopted a statement blaming the legislative stalemate on "the undemocratic reapportionment system which permits Republicans to subvert the needs of the state to satisfy their own and their party's selfish ends".

Democrats claim areas for the Senate, a Republican stronghold by a 22-12 margin, are gerrymandered to Republican advantage.

The State Senate seats were put into the constitution in 1952 by voters.

Democrats are expected to circulate petitions to put the reapportionment issue on the ballot. It would take signatures totaling 10 percent of the votes cast for governor in the last election. This would be 231,218 based on the November 4, 1959 turnout.

There is little chance for Democrats to get the issue on the ballot through legislative action. It would require a two-thirds vote of both houses to submit the issue to the people.

Senate Democratic Leader Harold Ryan, Detroit, said the proposal "wouldn't get to first base" in the Senate.

Democratic unhappiness with the present district lineup in the Senate was behind their refusal to endorse the proposal for constitutional revision that was on the ballot in November.

Delegates for the constitutional convention would be elected from present state districts.

Some Democrats would like to see outright abolishment of the Senate and creation of a unicameral Legislature.

A more likely proposal would be for the addition of seats that would be nominated by parties and elected at-large.

Democrats say the addition of at-large lawmakers would give the population centers a bigger voice in the Senate without stirring up opposition by taking seats away from Republicans.

But any attempt at reapportionment will be more than a struggle for power between Republicans and Democrats.

It boils down to a fight between urban and rural areas.

EAST AND WEST MICHIGAN settled differences and reached agreement on a proposal to give special names to North-South highway routes in Michigan.

The Legislature passed a bill to

ADVERTISEMENTS
for
CYCLONE FENCING
for the

CITY OF NORTHVILLE, MICHIGAN
Sealed proposals will be received by the City of Northville, Michigan up to 8 P.M. Eastern Standard Time, on July 20, 1959, and promptly thereafter the proposals will be publicly opened and read aloud.

Work to be performed and material supplied as follows:

Approximately 2000 feet of 6 foot #9 gauge cyclone fencing with three strands of barbed wire on top. One 14 foot gate. Corner posts 3 inch; line posts 2 inch; top rail 1 5/8 inch.

Location City Disposal Area.
The right is reserved by the City of Northville to accept the lowest qualified bid, to reject any or all bids, or to waive informalities in bidding in interest of the City.

City of Northville, Michigan
Mary Alexander,
City Clerk

designate US-131 from the Indiana border to Kalkaska as the Mackinac Trail; M-78 and M-66 from the border to Kalkaska as the Green Arrow Route; and US-131 from Kalkaska to the Mackinac Bridge as the Green Arrow Route-Mackinac Trail.

The highway designation proposals were among the first to be made in the 1959 Legislature. It took about six months to work out a compromise.

A bill to designate a West Michigan Mackinac Trail was defeated after East Michigan interests said it would not be historically accurate. The original Mackinac Trail used by Indians went north from Saginaw.

The original Green Arrow proposal was threatened in the Senate, where backers of the Mackinac Trail bill said the state couldn't have one without the other.

But all differences were settled to enable passage of the package bill that combined the two designations.

All roads — including the Mackinac Trail and the Green Arrow Route — lead to the Mackinac Straits for Michigan sightseers.

The heavy Fourth of July influx indicated the Mackinac Bridge is still a major tourist attraction.

Ever since the bridge was opened in November of 1957, the docks used by the Mackinac Straits ferries have been considered surplus property by the state.

But the Waterways commission, which assumes jurisdiction over the docks under a bill cleared by both houses of the Legislature, said the docks have big potential.

The bill gives the commission supervision over docks at St. Ignace and Mackinac City. The two communities would retain leases of portions of the docks for auto parking.

The state would get a share of the parking receipts.

Commissioner Director Keith Wilson said the commission plans to spend about \$100,000 improving the \$4,500,000 docks, which have been deteriorating since the state ferry fleet was mothballed.

The Arnold Line and the Straits Transit Line, ferry lines to Mackinac Island, have been given leases to operate from the docks this summer.

The Straits Transit Line includes former state ferry workers who purchased one of the ferries for mainland-to-Mackinac Island service and tourist cruises.

B.P.W. Committee
To Host Open House

A committee of the Northville Business and Professional Women's Club, met at the home of Elizabeth Eltz, last week to complete favors to be used by Michigan delegates to the Regional Conference being held in Cleveland, Ohio on August 14-16.

The committee is now active on a special Christmas project.

In this connection, all members and their friends are invited to Open House on August 12, at 212 S. Rogers, from 1 to 5 and from 7 to 10.

NEW DISTRICT OFFICERS—Four members of Northville's Lloyd H. Green Post 147 of the American Legion were installed as officers of the Legion's 17th District last Sunday at the First Methodist church here. The 17th District is composed of posts in Northville, Plymouth, Livonia, Redford township, Redford-Detroit, and Rosedale Park. Shown above (l. to r.) are: John Chedrick, district commander; James Madigan, district adjutant; L. W. Snow, Jr., district finance officer; and Rex Holloman, district sergeant-at-arms. Installation ceremonies were conducted by the 17th District ritual team. A reception was held at the American Legion hall following the installation.

Edward Brugman

Father of Three
Enters Lutheran
Church Seminary

"I began looking forward more and more to the church retreats and my business began to take second place," Edward Brugman, the father of three young children, sums up his decision to leave his home and business in Novi and enter Concordia Theological Seminary in Springfield, Illinois, as a six-year student for the Lutheran ministry.

He and his wife have long been active in church work for St. Paul's Lutheran church here.

He has taught Sunday school, is presently secretary of the Lutheran Layman's League, a member of the Evangelism committee, and of the new church school building committee.

Last fall he sold his landscaping business and made application for the seminary. The Brugmans, including children Edward, Jr., 12, Larry, 10, and Marilyn, 7, will leave for Springfield August 15. They have been residents of Novi for the past six years.

Mr. Brugman is quick to express appreciation for the "inspiration and encouragement" for his decision to St. Paul's Pastor B. J. Pankow and to fellow churchmen.

No doubt much support has also come from Mrs. Brugman who has taught Sunday school and participated in many church programs. As an added service to the church, she transcribes religious texts into braille for the blind.

"I am happy that Mr. Brugman has taken this step," comments Pastor Pankow, "especially in light of the fact that there is a shortage of ministers in the church today."

"He and his family have been faithful in church attendance and interested in church work, not only in the parish but in the worldwide mission."

Mr. Brugman adds, "As I worked more and more for the Lord, my interest grew until my greatest desire was to serve Him in any way possible."

"Interest in my landscaping business dropped off until I realized that the Lord had definitely showed me what I was to do."

"There is such a great shortage of workers in the Kingdom, and I am happy that I will be able to help bring others to the saving knowledge of Jesus Christ."

Fire Destroys 'House Car'

A bus, converted to a house car, was destroyed by fire last Wednesday at the E & L Transport Co., 27575 Wixom road. The owner, Charles C. Henry of Detroit, estimated the loss at \$600.

Roger Babson

Boom in 'No Rain' Land

Babson Park, Mass. — We all know that arid lands produce the finest crops when they finally get water. Our most beautiful lettuce and similar table vegetables which come from California are now grown from land which was absolutely sterile a few years ago. The reason is that these lands, which have had no rains during the past century, are very rich in vitamins and minerals, while our normally fertile lands have had these washed away down the rivers and into the oceans. When I was in Africa last year I was told that the Sahara Desert will "blossom like a rose" when it has water.

Present Irrigation Very Wasteful

The only way we are now able to give these "no rain" lands sufficient water is by irrigation. This usually means building an expensive dam, together with canals to the area. These canals are, of course, open and the water is subject to serious evaporation. As a result, all present forms of irrigation are very wasteful, even if the water is obtainable. I believe that very few new irrigation systems will be built.

The lands, however, must have some equivalent of water, but this will be "synthetic" water. I am certain of this after my few weeks spent in New Mexico and Arizona, from which states I have just returned. There you can buy "no rain" land for \$10 an acre; but to have it irrigated — even if that is possible — will cost you over \$100 per acre.

Hot Water May Be Manufactured

Those of us who have studied chemistry know that water consists of two elements, hydrogen and oxygen. In the chemical laboratory we were taught how to decompose water into these two gases of hydrogen and oxygen; in fact, this is now being done in a commercial way by means of a beam of light. I remember, that it was dangerous to reverse the process. It created much heat and sometimes an explosion. This in rough, is the process which will take the place of present systems of irrigation; but it will be greatly simplified and costs cut. This new process can be used for all land, however far away from water it may be in this country or in any part of the entire world.

Oxygen gas can now be secured quite cheaply, but hydrogen gas is expensive and tricky. We may need a "trigger" to combine the two, but this will not long be true. Moreover, I am convinced that it will soon be easy to buy diluted hydrogen gas which will work with oxygen. This will be shipped directly to the farmer and he will make the mixture in his furrow. Furthermore, he

will want a limited explosion so as to loosen the earth before he plants his seeds.

How These Gases Will Be Applied

The "no rain" farmer, after plowing and leveling the land, will disk or harrow it preparatory to planting his seed. The disk machine which he rides will carry two tanks, one containing the hydrogen and one containing oxygen, both under pressure. These gases will be led in very small tubes to be applied to the ground directly after the disk or the harrowing machine passes. If all goes well, after or accompanying a small explosion, the hydrogen and oxygen will form water or its equivalent. This will be automatically covered with soil after the seed is dropped. This planting should result in marvelous crops.

Please do not write me for further particulars as I am neither a farmer nor a chemist. Write the company from which you buy the insecticides you use for spraying. They will be the manufacturers and distributors of these gases. Otherwise, write the company from which you buy your fertilizers. The simplest thing would be to cut out this column and send it to such manufacturer of insecticides or fertilizers, asking him if my forecast is crazy!

For fast results try a Record classified ad. Phone FI-9-1700.

Injured Seriously
In Car-Truck Crash
On Edward Hines

A 23-year-old Benton Harbor motorist was seriously injured Wednesday morning when his car crashed head-on into a truck on Edward Hines drive, a half-mile south of the Northville athletic area.

Hospital authorities reported Michael Rubin in an "acute but not critical condition". The extent of his injuries was not released by the hospital, but deputy sheriffs at the scene said Rubin probably suffered leg fractures, facial and internal injuries.

According to Jack Hassett, 27, driver of the truck, Rubin apparently lost control of his car on the curve. The car, he said, swerved across the center line into the path of the truck, owned by the Malcomson Coal Co., 21420 West Eight Mile road.

Wins Art Scholarship

Dolores Teshka, daughter of Mr. and Mrs. Arnold Teshka of W. Main street, learned recently that she has been awarded a year's tuition scholarship by the Detroit Society of Arts and Crafts.

A senior at the Arts and Crafts school, Dolores was named a scholarship recipient on the basis of her past work, ability, and the recommendations of her teachers.

WHY DO BAPTISTS
BELIEVE A CHRISTIAN
SHOULD NOT SMOKE?

E. S.

I wished I could tell you that all Baptists believe that a Christian should not smoke. Unfortunately we still have some that are still tied to the weed too. Baptists are not alone in their stand against the use of tobacco. There are other denominations who take their stand against it too. Allow me to suggest these reasons. (1) The purpose of God in the present earthly life of a Christian is to make him to be "like Jesus." See Romans 8:29, II Cor. 3:18 and 4:11. I cannot conceive of Jesus Christ sucking on a cigarette, can you? (2) The Christian's body is the dwelling place of the Holy Spirit (I Cor. 6:19). It should not be defiled with impurities. (3) Cigarette smoking is just another habit-forming way of taking dope. Nicotine is dope. I Cor. 6:12 says we should not be brought under the power of any (4) The use of tobacco is definitely injurious to the body. Just consult the latest medical reports in the Readers Digest and other journals. (5) The non-Christian world expects Christians to have a higher standard than they do. Thanks for sending in this question—Do you have a question?

Predicts 'Biggest Year Ever' In Supervised Recreation Fun

Summer recreation under city-township sponsorship is loads of fun. Just ask any one of the hundreds of Northville area boys and girls who are shattering daily participation records.

AM I DOING IT RIGHT?—Asks nine-year-old Carolyn Collacott who is decorating a jar with twisted crepe paper. It will make a fine flower vase for Mom. Carolyn's colorful jar is just one of several interesting and rewarding projects undertaken at the recreation department's day school.

weather, all of these are helping to push daily participation to an all-time high, he explained.

"We're already about 20 percent above last year's participation total at this same time. Since May when the Midget League started until now, more than 7,500 "kid-days" of energy have been burned up."

A "kid-day," Johnston explained, represents participation by one youngster in one activity for one day.

Last year the total number of "kid-days" for the entire summer program was 9,886. This year the total figure will be considerably higher, Johnston predicted. "We still have until August 14 before the program ends."

The recreation director also revealed that the total number of "spectator-days" has already climbed well above last summer's total figure of 2,818.

Although he is delighted with the enthusiastic response this year, Johnston is "scratching his head," wondering if the \$9,600 budget for his department will be sufficient.

Of this total, \$6,000 comes from the city, \$3,600 is allocated by the township.

"We're doing all we can to stretch it," he said, "but it's going to be a tough job."

Assisting Johnston in the all-important job of making summer fun safe and useful are:

Kenneth Conley, Oak Park teacher—midgets, archery, zoo trips, swimming; Mrs. Conley, day camp supervisor, zoo trips; Bob Visser, Livonia teacher—knothole, softball and hardball, swimming, 18 and under baseball, pee wees, golf;

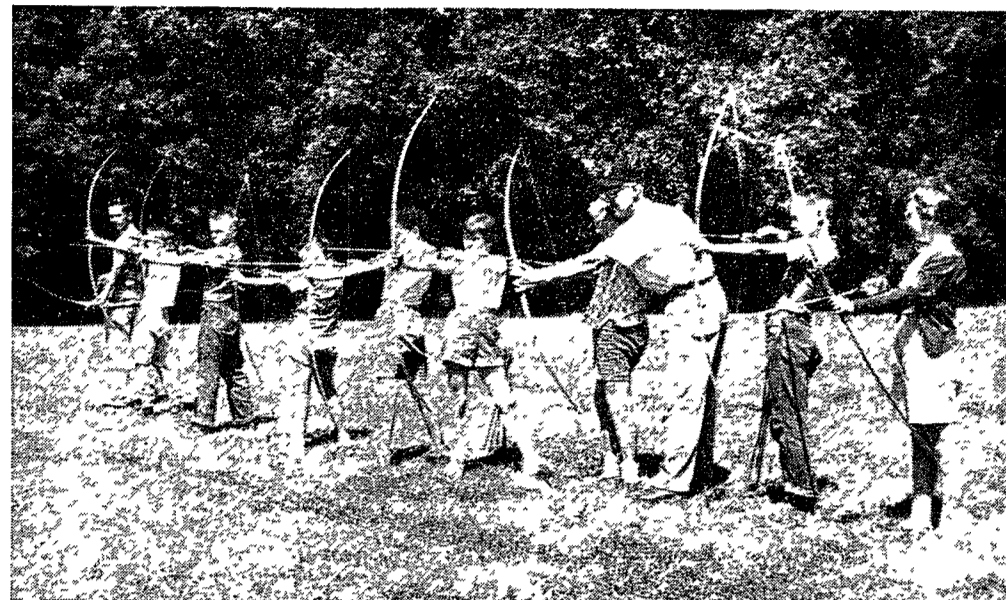

Pat Bubel, local high school athletic instructor—supervises girls' program; Carolyn Sparling, L'Anse-au-Loup teacher—assists Miss Bubel;

Mary Welch, student at Hillsdale College, Janice Dixon, Western Michigan College, Mary Hill, Central Michigan College, and Joe Kritch, Eastern Michigan University, are all summer recreation assistants.

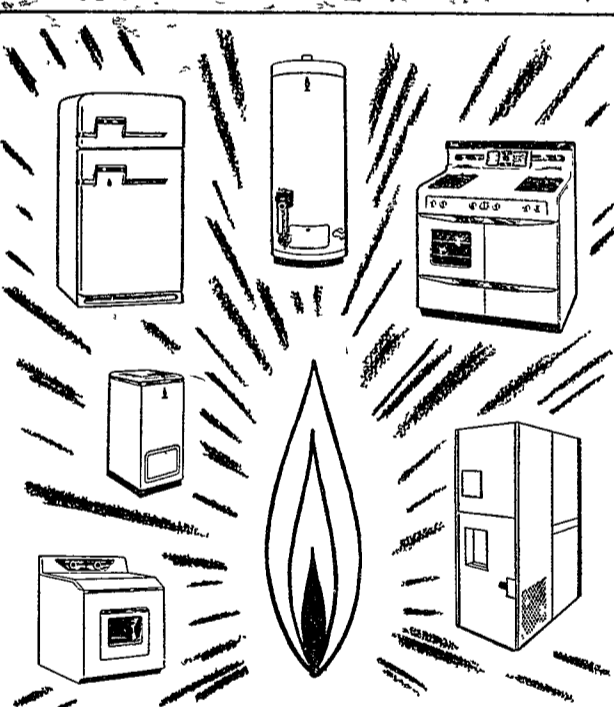

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868

Thursday, July 16, 1959—9

FUN FOR ALL—"There's something here for everyone." That's how a summer recreation leader described the summer program here sponsored by the city and the township of Northville. Hundreds of boys and girls take daily advantage of the wide variety of activities, ranging from archery (top right) to day school handicrafts (bottom right). In the center picture, Recreation Leader Bob Visser gives a golfing pointer to four enthusiasts, (left to right) Frank Pauli, Jerry LaRoque, David Wilder and Larry Angove.

Natural Gas FOR MODERN LIVING

Gas appliances fit in with modern living because they do so much more, so economically. Today's Gas ranges cook dinner by themselves in roomy, self-starting ovens. Top burners give instant, controlled heat at the twist of a dial. Silent Gas refrigerators are so up-to-date they even make and serve your ice cubes automatically! Gas clothes dryers dry clothes faster, fluffier, safer. Gas water heaters guarantee constant hot water for all your needs... even on washday. Gas heating means healthful comfort all through the house. Gas incinerators end all your garbage and trash problems. Yes, Natural Gas gives you all these modern housekeeping services, and with that built-in Gas extra bonus... economy.

from the PASTOR'S STUDY

By the Rev. B. J. Pankow, Pastor
St. Paul's Lutheran Church of Northville

GRAINS OF THOUGHT FOR VACATION TIME

Gleaned From Here and There
Our Soul cannot afford to take a vacation.

Spiritual sustenance is needed in hot weather as well as in cool.

We expect God's grace during the summer. Has He not the right to expect our devotion?

What if God were to take a vacation in His care for us?

A conscience throttled in the vacation season takes a long time to revive.

Vacation does not mean that we ask the Lord to vacate the premises of our heart for the summer season.

A churchless week-end may lead to a spiritually weak end of one's life.

He who waits on God loses no time.

A Christian has no excuse for going incognito.

Have you an hour to spare for eternity to prepare?

An hour in church is a small investment that can bring a big dividend.

At all times sin is a reality and repentance and faith in Christ a necessity.

The right way to start on the right way is right away.

Education Pays During Recession

Education pays, especially in times of economic recession.

Data just developed by the University of Michigan's Detroit Area Study (DAS) show that college-educated family breadwinners living in metropolitan Detroit enjoyed a six percent increase in income during 1958.

In sharp contrast, those with less than seven years of formal schooling suffered a 19 percent drop in family income, compared to 1957. For the Wayne-Macomb-Oakland area generally, median family income dropped five percent — from \$6,200 to \$5,900.

Half the families in metropolitan Detroit had incomes of this amount or more in 1958, while half had less. In terms of purchasing power, however, the typical Detroit family had less to spend than in 1953 and only a little more than 1954, the previous recession year.

Comment on the DAS studies, Director Harry Sharp said, "The recession of 1958 had by far its greatest impact on blue-collar workers. Income of those in skilled and semi-skilled trades fell, while white collar workers actually had a slight increase income."

"The effect of the recession on less well educated Detroiters was tremendous. Even within similar occupational groups, workers with an extended education were much less affected by the recession than were those who had little formal education."

Crippled Children Laugh, Play At Easter Seal Day Camp

Camp E-Se-Da-Ca, the summer day camp operated by the Easter Seal Society of western Wayne county at its center in Inkster, is buzzing with the excitement of crippled boys and girls.

And the Northville Rotary club, seven area Northville teenagers, and "your Easter Seal dollar" are instrumental in making these crippled children happy.

Physically handicapped boys and girls between the ages of six and 12 years are registered for two days a week at camp, while the youngsters between three and six come one day a week for a program especially designed to offer some experiences which their more active brothers and sisters take for granted.

The first week in August is set aside for a daily program for older children whose interests are a bit more grown-up than those of the younger children.

Children are divided into groups for camp activities. Each group has selected an animal as its mascot, and the children wear animal badges, made by volunteers, as well as paper hats which they have decorated to simulate the animal which they have chosen for their group insignia.

Animals are featured in their songs, stories and craft work. One of the camp highlights will be a visit

shower after shower after shower

there's always plenty of hot water

the new electric water heater way

GET IT HOT . . . GET A LOT every time. A new electric water heater provides plenty of hot, hot water for showers and all the family's needs. Detroit Edison has a new Super Supply Plan which makes heaters even more efficient and economical.

Here's the convenient, modern way to **GET IT HOT . . . GET A LOT** for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

- ☒ Efficient—the heat goes into the water
- ☒ Fast—new, more efficient heating units
- ☒ Install anywhere—need not be near a chimney
- ☒ Outer shell—cool to the touch all over
- ☒ Long life—meet Edison's rigid standards
- ☒ Edison maintains electrical parts without charge
- ☒ Automatic—all the time
- ☒ Safe—clean—quiet—modern

MICHIGAN BELL

WE HEARD ABOUT A WOMAN who was trapped on the second floor of her house recently by a burglar. She peeked down the stairs and saw him ransacking the house but couldn't call police because the only phone was on the first floor. So she kept very quiet upstairs until the burglar left with all her valuables. Our subscriber was poorer but wiser for her experience. She bought an upstairs extension telephone the very next day. A telephone in your bedroom is not only a convenience. It's a security measure as well.

OUTDOOR TELEPHONE BOOTHS

are really handy to have around—so much so, in fact, that a vacationer was found living in one in the resort town of Carolina Beach, N. C. He had set up housekeeping with an old broom, a small oil stove, a frying pan, cooking oil, eggs and cheese. There seems to be no limit to the convenience of these outdoor booths. But at the request of those who were waiting to make a call, our friend was encouraged to do his homesteading elsewhere. Folks in Michigan, incidentally, are never far from a public telephone. Michigan Bell has over 4,000 outdoor booths conveniently located along the state's highways and byways.

SONG WRITERS have been inspired by the telephone ever since 1877, just a year after its invention by Bell. That's when two marches, a polka and a solemn piece called "The Wondrous Telephone" were published. More than 70 song titles have appeared since then, many of them using the rhyme of "alone" and "phone" or "telephone." Now a new Columbia record album with songs by Polly Bergen is available. It carries the over-all title of Irving Berlin's 1924 hit, "All Alone by the Telephone"—something you needn't be any more with friends and family just a quick call away.

"My exercise consists of walking to the funerals of my friends who died from exercising."—MARK TWAIN

12-Thursday, July 16, 1959-THE NORTHVILLE RECORD

5 Year Old Scottish Eagle Eyes Downs Track Record

Scottish Eagle, the five-year-old daughter of Scottish Pence who paced to a record of 1:59.3 last Fall, will make her first appearance at Northville Downs next Wednesday (July 22) in the \$4,000 Wolverine Pace. She has ambitions of bettering the track record of 2:01

set by O. F. Brady only three weeks ago. The speedy mare, who carries the colors of Saunders Mills stable of Toledo, comes here from a successful campaign in Chicago and figures to leave the post as the favorite.

However, she'll have to dispose of the swift Linda's Indian, the four-year-old son of Indian Land owned by Bill Stevenson of Adrian, who is just now hitting the stride that enabled him to win in 1:59.4 last Fall in Lexington.

Others expected to start in the divided stake are Ken Butt's Atomic Pick, Bill Wooley's Callie Star, Rudy Nartker's Captain Counsel, C. J. Eberts' Mr. Blackbird and Dr. James Blanchard's Single Express. The stake will go off as the sixth and ninth events on the nine race card with the first post at 8:30 p.m.

Can't Win Them All

Northville's girls adult recreation team was dealt its fourth consecutive loss last week, as the Garden City ladies romped to a 10-3 victory.

The local squad outfit Garden City, 9-8, but timely fielding plays dived most of Northville's rallies before they blossomed into runs.

Betty Lou Myers was charged with the loss. N. Taylor was the winning hurler.

Garden City scored in every inning but the final two, while Northville pushed across its three runs in the final three innings.

The big blow of the game came off the bat of Mary Moore, Garden City catcher. She smashed a home run over the left fielder's head in the fourth.

Upcoming games: Tomorrow (Friday) Vincents, at Recreation Park in Ypsilanti beginning at 8:30 p.m., and Wednesday, Sumpter, at Prospect Park in Ypsilanti, 6:15.

Tennis Qualifying Matches Get Underway Tomorrow

More than a score of Northville youngsters will slam their best shots across the net this weekend in a bid for roles at the Detroit Novice Tennis Tournament.

The local qualifying rounds are set to begin tomorrow, while the state finals are scheduled at Detroit's Palmer Park, July 25 and 26, and August 8 and 9.

Tomorrow's qualifying round will begin with the girls' matches, in the 15 and under class, at 9 a.m.

Matches played Saturday will get underway at 9 a.m. in the 15 and under class for boys. The 15 and over class for boys also will begin at 9 a.m.

The girls' 15 and over class will take the court at 9 a.m. Monday. Tuesday is an "open day" for completion of unfinished qualifying matches.

Boys and girls wishing to participate must sign up for the qualifying rounds today (Thursday) between 8 to 12 noon. Entry fees are 25-cents for seniors and 10-cents for juniors.

Each contestant will receive a racket cover after playing a first round match in the finals. Trophies and medals for the qualifying rounds, as well as for the finals, will be furnished by The Detroit News, sponsor of the tournament.

High school and college players who have received letters in tennis are not eligible to compete.

Mustangs Host Flyers Tonight

Eye Class "D" Title In 'Do or Die' Battle

With the championship hanging in balance, Northville's Class D nine will be out to tip the scales in its favor tonight as first-place Willow Run takes the diamond at Cass-Benton Park. Recreation officials predict tonight's winner will be in an "excellent position" to take the "D" title. However, the final league contest is still eight games away.

N B Forgets To Stop, Wins 36-3

The National Bank nine padded its lead in the Novi Little League last week by burying Fiberglass beneath a mountain of runs, 36-3 and 13-9.

Meanwhile, Paragon and Young Door held on to their second and third positions by splitting two games, 17-0 Paragon, and 13-4 Young Door.

Hurler Jim McMillan was charged with the loss as National Bank jumped on him for 26 hits in the 36-3 fiasco. George Simenton was the winning pitcher.

Ricky White led National Bank's hitting attack, smashing two round-trippers, while teammates George Burchfield and Duane Miller each collected one home run.

In addition to his homer, Burchfield collected a triple, double and two singles in five times at the plate. Simenton scored six runs.

Ronnie Ward collected two hits in two trips to the plate in his team's losing effort.

White was credited with the second victory over Fiberglass. Stan Gillett was the loser.

Burchfield took hitting honors for National Bank, with a single and a home run. He now has seven homers to his credit for the season.

Bill MacDermaid and Pete Gatter led Fiberglass' hitting attack. MacDermaid collected two doubles and Gatter one single.

The Paragon squad protected its second place position by dropping Young Door, 17-0. John Schingeeck was the winning hurler, Jim Payton the loser.

Jim Driscoll took hitting laurels by clouting two homers—making six for the season—while Dan Simenton smashed out one round-tripper.

Young Door came back to win in the second game, 13-4. Norman Krogg gave up five hits while collecting two doubles and two singles to take credit for the victory. Schutler was the losing pitcher.

Orioles Fly Again After Wing Clip

After dropping a 6-4 tilt with league leading Rosedale last week, the Northville Orioles came back with 16 hits to swamp the Wayne Athletics, 12-2.

Northville's other Class F team, the Braves, also split two games. They trimmed the Police Pirates, 16-1, and then lost a 3-1 game to the Firemen Cardinals.

Terry LaRue gave up only three hits in paving the way to the Orioles' victory.

Five of Northville's runs came in the fifth inning. Gordie Hammond tripled and scored on the catcher's error.

Joe Hay and Gary Grays singled and John Mach walked to fill the bases.

Hay scored on a fielding error, Gary MacDermaid walked to force Grays across the plate. Then Dave Luedtke and Dan Bishop each connected for singles to score Mach and LaRue.

ORIOLES 2 0 0 4 5 3 12 16 Athletics 1 0 1 0 0 0 2 3

The Braves scored in every inning but the sixth in walloping the Pirates, 16-1. Chuck Bailey, Northville hurler, gave up only one scratch single. He struck out 15 batters.

The Pirates scored their lone run in the fourth on a walk, a stolen base, and throwing error.

Northville scored four of its runs in the seventh. Gary Stobbe doubled and then Bailey smashed out a two-bagger to drive in a run. Eric Peterson singled home Bailey and then scored on a fielding error.

Butch Pethers walked. John Gibson moved Jack O'Dell, who reached base on an error, to third with another single. O'Dell then scored on an error.

Stobbe gave up five hits as Northville lost to the Cardinals, 3-1. The Braves scored their lone run in the third on a walk, error, and singles by Stobbe and Doug Swiss.

Larry Paison collected a double

Baseball Players Suffer Fractures

The two Northville Plumbers players who were injured last week in a game with Davis & Lent are reported in good condition.

Jim Jiggins suffered an ankle fracture sliding into third base and Dan Brown suffered a jaw fracture when a hard pitch struck him. Jiggins will be sidelined for the remainder of the season.

and a single to take hitting honors for the Cardinals. Jon Beale was the losing pitcher.

BRVES 2 1 4 3 2 0 4 16 12 Pirates 0 0 0 1 0 0 0 1 1

BRVES 0 0 1 0 0 0 0 1 4 Cardinals 0 1 2 0 0 0 X 3 5

Northville Plumbers Cling to "E" Lead Despite 1-0 'Loss'

Pending the outcome of a protest game, the Northville Plumbers remain at the top of the Class E league standings this week.

The Plumbers lost a 1-0 game with Pierson last week—but the game is being protested because Pierson allegedly used transfers from another team without the consent of all "E" managers.

Pierson scored its only run in the third inning on two Plumbers errors. Craig Bell, who struck out eight batters, was the losing hurler.

In other games played last week, the Plumbers rocked Northville Recreation with eight hits to win, 13-4.

Butch Willing was credited with the victory, Mike Zayti the loss.

Willing gave up only two hits and struck out 13 in claiming the victory. In one span he struck out seven batters in a row.

The Plumbers scored five runs in the third to knotch the victory. Recreation threatened in the final inning with three runs, but the rally fell far short of the needed tallies.

In an earlier contest, the Recreation squad lost a 9-7 game to Pierson.

Playing on their own diamond, the Pierson players climbed on Johnny Kohler for four runs on two hits and six walks in the first inning.

Don Biery relieved Kohler in the first and finished the game, giving up five hits and three runs.

Northville rallied in the seventh, rapping out four hits to push across six runs.

Kohler and Rick Rebitzke each collected three hits for the losers. Mike Zayti smashed a three run homer in the top of the seventh.

RHE NORTHVILLE 0 0 0 1 0 0 6 7 8 2 Pierson 4 0 0 2 2 1 0 9 7 2

Bobcats Claw Bears, Panthers

The "winless" Bobcats aren't as harmless as they might look.

Both the Bears and the Panthers learned this lesson last week in the knot hole softball league. The Bobcats chewed a 9-7 victory over the Bears and then scratched the last-place Panthers, 19-4.

The victories were the first this season for the Bobcats who now are in third place with a 2-3 record.

The Bobcats' big hit against the second-place Bears was a long single by Mike Skelly. His single in the last inning drove in the tying runs. He and Skip French scored later on Bear errors to give the Bobcats the lead.

Jim Fox was the winning hurler, Dan Stoddard the loser. Fox was the winner in the second game and Paul Hodapp of the Panthers was the loser.

The first-place Tigers took advantage of wild Panther pitching and numerous errors to claim a 37-17 victory. Tom Krauter had two doubles and a single to drive in four runs for the losers.

Two timely hits by Bill Harrison later helped the Tigers to a 9-8 decision over the Bears. Craig MacDermaid, the losing pitcher, smashed a two-run double for the Bears. Bill Skelly scored the winning run in the bottom of the sixth.

Mike Conley and Kim Marberger were the winning pitchers for the Tigers.

The Dodgers hung on to their first place position in 'knot hole' baseball league last week, defeating the Tigers, 8-7, and the Giants, 13-3.

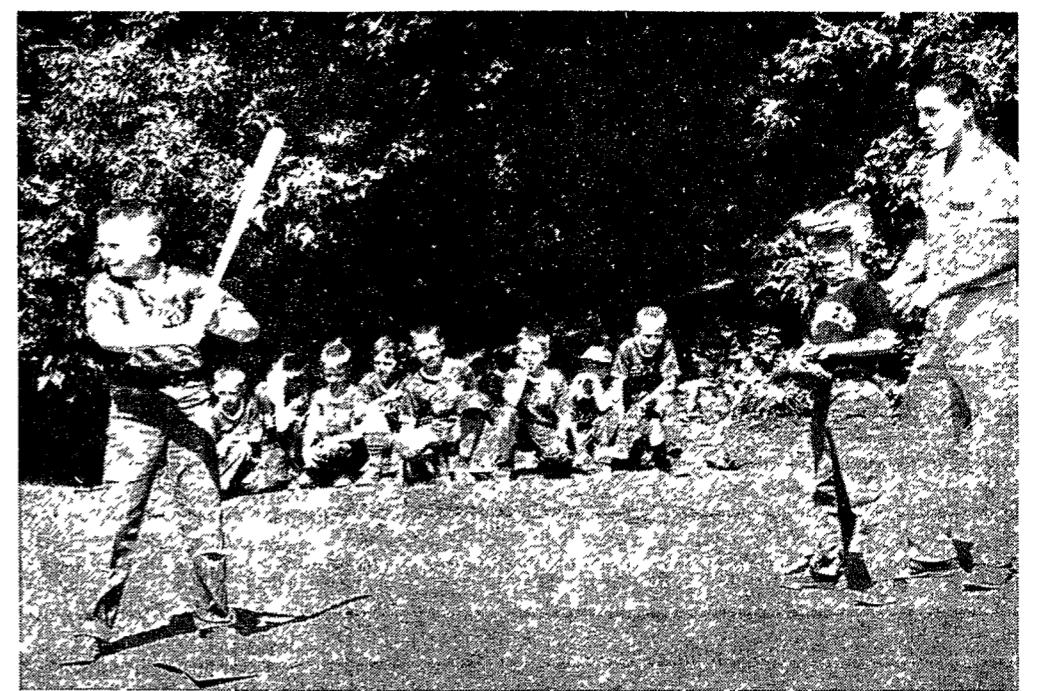

Jerry Imsland was the winning hurler in the first game and Mike Turnbull was the winner in the second game. The losers were Ken VanSickle of the Tigers and Pete Southerland of the Giants.

Turnbull's mound performance earned him a two-hitter.

Leading Dodger hitters were: Kerry Lueke, Larry Panken, Jerry Imsland, and Jim Stubbs.

In other games, the Giants defeated the Yankees, 5-2, and the Yankees beat the Tigers, 12-8. The Yankees' winning hurler, Doug Dingwall, smashed a home run with two men on to lead his team's hitting attack against the Tigers.

Bill French of the Giants was credited with the Giant victory over the Yankees.

WHERE'S THE SCOUT?—He's probably around somewhere because these young fellows in the knot hole softball league are dead serious about their performance. In the picture above, Tom Lepper, catcher for the Panthers, calls for a "wobbler" as Craig Smith of the Bears eyes the mound. Joe Kritch is the umpire. Apparently there wasn't enough "wobble" in those pitches, 'cause the Bears won, 14-5.

Gehringer Heads August Polio Drive

Charles L. Gehringer, former Tiger great and vice president of the Detroit Baseball company, will be Wayne county campaign director for the Emergency Appeal of the March of Dimes to be held in August.

"We are grateful to all the county residents who contributed in last January's March of Dimes, but the polio burden from previous years, plus last year's epidemic, have sunk us so deeply in debt, the care of all of our 2,400 polio patients is in danger of grinding to a stop," Gehringer said.

"We were carrying a big load with rising costs and when 873 cases — most of them paralytic — hit the county last year, the roof fell in."

Gehringer said the polio patients were in iron lungs at home, in hospitals and in respiratory centers. Many are growing children who need shoes, braces, wheelchairs and crutches, at intervals, to make their game fight for a come-back.

"It will take team play from all of us volunteers to make the August appeal a success. I figure Wayne county will take care of its own," he said.

Take Special Courses In Language at U-M

Charles D. Yahne, 512 Eaton, along with a hundred language teachers in the nation's grade and high schools, has enrolled in summer session refresher programs at the University of Michigan.

Louise M. Couture, 717 East Wall Lake drive, Walled Lake, also has enrolled.

For the first time nationally a program has been developed and supported by the federal government to instruct teachers in the procedures and objectives of advanced placement in the modern languages. The university is one of four U.S. educational institutions conducting the program, which is supported by the National Defense Act of 1958.

Broomfield Pushes Bill To End Southern "Raids"

An eleventh hour plea to Michigan senators to help defeat a bill which would encourage raids by TVA states on Michigan jobs was urged this week by Congressman William S. Broomfield (R-Oakland county).

In letters to Senators Patrick V. McNamara and Philip A. Hart, Broomfield pointed out that there are still 240,000 Michigan workers without jobs and that the state's unemployment is 8.3 percent, almost double the national average of 4.9 percent.

The bill to free the Tennessee Valley Authority, which includes the world's largest system of steam electric generating plants from traditional Congressional and Presidential controls, is due for early action by the Senate.

"Nobody is objecting to TVA if adequate controls are kept on this Federal monopoly," said Broomfield. "But it certainly isn't fair to permit TVA to raid areas whose taxes are helping pay for these low power rates."

The TVA bill was reported out of the Senate Public Works committee last week after being passed by the House. In effect, the bill would force the Federal government to hold a "second mortgage" on the \$1.2 billion spent in tax money to build the facilities.

Local Sailor Takes Part In Huge Navy Exercise

Richard A. Bailey, fireman, USN, son of Mr. and Mrs. Robert E. Fenimore of 410 West Main, serving aboard the destroyer USS Putnam, is scheduled to visit Buffalo, N.Y., July 17-22, as part of Operation "Inland Seas", a vast naval exercise to celebrate the opening of the St. Lawrence Seaway this summer.

Ships of this group, forming Destroyer Division 221, also visited Chicago, Ill. July 6-10. The four ships of this division will individually, or in pairs, visit numerous other ports fronting the Seaway.

Not since 1813 have American Navy ships sailed the Great Lakes in force. This operation, involving 28 ships and over 6,000 sailors and marines, will introduce the midwest to the sea-going U.S. Navy, its destroyers, amphibious force ships and the heavy cruiser USS Macon.

OUT OF THE PAST

ONE YEAR AGO . . .

One of the world's most modern telephone systems will go into service in Northville and Novi at 2:01 a.m. Sunday.

With the pull of several short pieces of twine, Michigan Bell Telephone company will initial service in its new \$1,500,000 "Fieldbrook" exchange.

Russell Taylor and Edward Erwin were named to the Novi board of education Monday in an election which drew less than 10 percent of the school district's registered voters turned out.

Eight Plymouth and Livonia youths — one a 17-year-old girl — were held by police this week after confessing to more than 100 burglaries and car thefts including seven in and near Northville.

Haller, Incorporated began operations in Northville this week with the announcement by the firm's president, John Haller, that the company had moved its facilities from Plymouth to its new Northville road plant.

FIVE YEARS AGO . . .

Interest in a new hotel for Northville has increased following publication of a story quoting Carl Johnson, president of the Retail Merchants association, on the need for such an establishment.

John F. McShane, 21, of 502 Grace street, is in a critical condition in Wayne county general hospital at Eloise, following an automobile accident just before dawn Saturday at Novi and Eight Mile roads.

Northville's first turtle tournament was so much of a success that it will become an annual event in the future, Recreation Director Stan Johnston said yesterday.

Rotary "Wheels" turned over last week when President Philip Ogilvie presented the gavel to the new chief, Harry Smith. Other officers installed were Art Schmude, treasurer; Ed Bogart, secretary, and Cy Frid, vice president.

George Lockhart of Northville was elected the first vice president of the American Society of Piano Technicians at its annual convention held at Chicago.

After 50 years of supplying most of its own electric power needs, Burroughs corporation will tie in to Edison company lines this fall at Plymouth and Detroit plants and discontinue operation of all electric generating equipment.

FIFTEEN YEARS AGO . . .

Perry Graham, David Amerman and James Howarth, the three boys from Northville who attended the Wolverine Boys' State at East Lansing last June, made a report of their experiences at the Exchange-Rotary club meeting.

Mr. and Mrs. Nicholas Defina

of Yerkes avenue, received the Purple Heart last week, from the War Department of the Navy for "wounds received in action by your son, Joseph, S2C."

Joe was reported missing in action November 19, 1942 in the Atlantic theatre of operations.

Dr. V. George Chabut, who recently purchased the Dr. Seliady home on West Dunlap, and practice, has resigned his position with Maybury sanatorium and Herman Kiefer hospital and has opened the practice of medicine here.

169 voters turned out at Novi for the primaries held in the town hall. Kelley for governor received 134 votes.

Mrs. Walter Couse, newly elected president of the Woman's club, has appointed Mrs. G. C. Woodworth chairman of the village tin can pickup project.

TWENTY-FIVE YEARS AGO . . .

The Depositors State Bank of Northville, through the aid of the federal government, is going to distribute to former depositors of the Lapham and the Northville State Savings Bank, the immense sum of \$638,000.

After weeks of negotiations with the Reconstruction Finance corporation, all preliminary steps have been taken that will make it possible to complete the full payment of the 60 percent Moratorium fund.

Playing with Shirley Condit, youthful Northville golfer, Bill Duguid, captain of Northville high school's 1935 golf team, made a hole in one on the third hole at Oakland Hills.

Neil Hannaford of Detroit took over the Babbitt Hardware store on the corner of Main and Center streets and will call his new enterprise the Northville Hardware, Inc.

Dr. J. H. Todd and George H. Stalker were elected to the Northville school board for terms of three and two years, respectively, at the annual school meeting of the Northville School District No. 2.

There is probably no boy around here who can boast of more accidents than can Freddie Casterline, husky 14-year-old son of Mr. and Mrs. Ray Casterline.

Active and always "up to something" Freddie has been seen hobbling on crutches at various times with sprains, carrying an arm in a sling after serious blood-poisoning and now here he comes last week home from camp hopping on one foot because of a bad infection.

Huge Building Program Started at Meadowbrook

NEW CONSTRUCTION — The first phase of a huge building program is progressing rapidly at Meadowbrook Country Club. Above is the additions to the men's locker room and grill. Below, is the new cocktail lounge under construction south of the promenade, overlooking the swimming pool.

The first phase of the most extensive remodeling and new construction program ever to be launched at Meadowbrook Country Club is "right on schedule".

Reed Ferguson, Meadowbrook general manager, indicated last week that the initial building program should be completed for the Motor City Open golf tournament August 13-16. Several other building projects are scheduled for completion by the start of next season.

Currently under construction or being remodeled are: A new cocktail lounge; a new patio, entrance and cloak room; extension to the men's lounge; an addition to the men's locker room, and a new entrance to the kitchen.

In addition to the projects, an addition to the kitchen, two new dining rooms and a number of smaller remodeling jobs are expected to be finished next year.

The promenade on the east side of the club house has already been enclosed with a wall of glass windows. With the installation of heating equipment, this section of the building will become a year-around attraction, Ferguson said.

A new 36x58 cocktail lounge is being built at the south end of the promenade overlooking the swimming pool. It will feature carpeting, wood paneling and wall windows.

At the north end of the promenade, an outside entrance is being remodeled. This entrance, adjacent to the grill, is off a large new patio which overlooks the 18th green.

On either side of the patio entrance will be brick planters. An attractive low brick guard rail will be built around the patio.

The west wall of the men's lounge and locker room is to be removed. Large additions to these rooms, which will extend almost to the main entrance drive, are already underway. The addition to the locker room will facilitate installation of 96 more lockers, Ferguson said.

Next to the lounge, which will feature a large fireplace, the entrance to the kitchen is being remodeled.

Later this year construction will start on an addition to the kitchen and two new dining rooms.

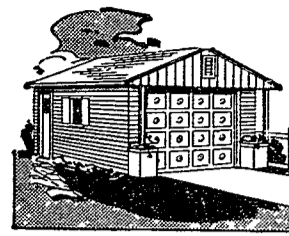

Plans are already underway, Ferguson revealed, for several other building projects to be completed within five years. These include a new main entrance, remodeled women's locker room and a new women's lounge, ballroom, auditorium, teenage recreation room and a nursery.

The general contractor of current building is Malcolm Leventen Associates.

Up a steep mud-choked wash—Positraction pays off!

Through a mountain stream—deep in Avintaquin Canyon.

NO MOUNTAIN CAT, MISTER...

That's a Chevy with Positraction!

That 3134 Fleetside has the sure-footed ways of a big western bobcat. Roams through high brush country that would buck the life out of most trucks. Crosses streams without benefit of a bridge. Climbs talus grades where pifion won't even grow. But that's all routine for this Chevy, equipped with Positraction* rear axle. It's hard at it every day for the Utah Fish and Game commission. Figure about 60,000 miles of mountaineering before this Chevy is traded. And yet the

district officer who drives it would bet his badge the tie rods won't even need replacing!

Out in that wild, climbing Utah country, Chevy's suspension and frame and brakes, its Positraction rear axle and Thriftmaster 6 power are proving themselves under rougher conditions than most test engineers could dream up. They're proving that Chevrolet's advanced engineering and design ideas pay off—in spades—when the going gets especially mean and dirty.

Positraction, of course, is a big plus on this job, providing the sure grip needed to dig through mud, snow, loose sand, whatever comes along. Could be that a Positraction-equipped ½-ton pickup is the answer for your area of operation. Or maybe a 4-wheel drive Chevy. We've got trucks that specialize in getting in and out of any kind of country. Talk to your dealer about your needs. He'll show you what tough trucks are made of.

*Optional at extra cost

No job's too tough for a Chevrolet truck!

See your local authorized Chevrolet dealer!
