

Planners Eye Future with City Zoning Revisions

Working with little fanfare, Northville's nine-member planning commission has taken on the difficult task of revising the city's zoning ordinance.

The body has had the assistance of W. C. Johnson, planning consultant of the Waring and Johnson firm.

Primary purpose of the project — which has already consumed a year meeting twice monthly — is to bring the present ordinance up-to-date and assign zoning to the new areas of the city recently annexed from Novi. The ordinance has not been studied for revision for more than ten years.

Specifically, the planners strengthened the ordinance by modernizing certain phrases and definitions. For example, the planners have eliminated "personal services" (such as beauty parlors, professional offices) from R-1 (residential) districts. They have also re-defined the term "family" to mean man, wife, children, parents and any unrelated group of persons up to three. Formerly, five unrelated persons were allowed to live in a house designated R-1. This tighter definition limits roomers that may be accommodated.

Under the planners' revisions, provisions have also been made for motel and motor court zoning and a new R-1S district with larger lots (minimum 9600 square feet). Planners have also written a provision into the ordinance which provides

for approval of architectural plans for any new industrial or commercial development before the plans go to the building inspector for a permit. This latter provision was used by the planning commission before they permitted rezoning of Cady street for the proposed A & P supermarket.

Naturally, all of the planning commission's recommendations must go to the city council for final approval. Last week Planning Commission Chairman T. R. Carrington recommended that the council and planners meet jointly so that planners may explain their revised ordinance to the city fathers.

Planner George Zerbel sounded the commission's attitude on their work. "This has been a cooperative effort by an advisory group and now it's the council's responsibility to take our recommendations if they desire".

Zerbel points out that the new ordinance is more clearly defined so that there is no question in the public's mind what they may or may not do with a piece of property. "We're trying to improve present and future planning. This is merely a stop-gap preparatory to a long range master plan," he stated.

The revisions have been made to protect residents more than make new provisions for the community. Naturally, none of the changes can be made retroactive — so violations currently in practice cannot be changed, but new mal-practices

will not be permitted.

Planner L. M. Eaton said that basically the commission has sought to provide "the best use of the land available within our community". He points out that the commission studied zoning ordinances of Northville and Novi township, as well as the city's, to be certain that local zoning blends well with our neighbors.

In explaining zoning classifications which exclude any other use of the land (for example, no commercial building in manufacturing zones, or no residences in commercial zones) Johnson stated that each district should be complete within itself. "Industry needs more protection than residential", he said, "if it's desirable for industrial use, it is not desirable as residential."

The commission's only zoning recommendations to date are being made in the city's northern area in property recently annexed from Novi. Some opposition has come from Yerkes Estates residents living near the Northville Lumber company area. The firm and land surrounding it has been designated industrial by the planners. The residents fear this might hurt their property values.

Planners are quick to point out the protective features of their revised ordinance. In this particular case the zoning is light industrial. In addition to calling for site and plan

approval by the commission, a light industry must be set-back 50 feet from residential areas and provide a greenbelt of 8-foot width and the same height. Furthermore, a sound limit guarantees against excessive noise.

In this same area the developers of Yerkes subdivision are seeking commercial zoning for three parcels of land between the subdivision and Novi road and the C & O railroad. The land lies north and south of the city's new Novi road well site.

Planners feel that some 2½ acres of this land should be used for recreational purposes. Connected as it is with the city owned well site area, it could become a highly-desirable park area with picnic tables, children's swings, slides, etc., and perhaps a ball diamond.

The developers — officials of the D & R Building company — agree with the planners. They have even indicated a willingness to donate the acreage to the city. Undoubtedly, they recognize that such planning is also helpful to the future of their subdivision.

Thus future planning — and keen bargaining — by the planning commission is already paying-off for the community.

Now the council must study and approve — or reject — the planners' efforts.

HE'S DETERMINED TO WIN—Ten-year-old Bryan Tabor, son of Mr. and Mrs. Rolland Tobar, 537 West Main, is determined to win a prize in tomorrow's turtle race. He has four turtles—and he's going to enter all of them to make sure of at least one winner.

'Slowest Race in the World' Calls Turtles Out Tomorrow

The ponies may not be sitting in the stands tomorrow morning, but it's a sure bet they won't be on the Recreation Department's oval.

Close to 50 amphibious animals will steal the racing limelight as the fifth annual turtle race gets underway at the city hall at 10:30 a.m.

Sponsored by the recreation department and The Northville Record, the race will see cash prizes go to all winners.

Four races will be run, with first, second and third place prizes to be awarded for each race. In addition, three prizes will be awarded for the most distinctive or unusual jobs of turtle-decorating.

There will be races for the big fellows, medium size and the not-so-big turtles. Members of the recreation department will determine sizes.

The turtles will gallop—or maybe just crawl—out of the starting gate inside a 30-foot circle. First one to cross the outside line, barring phys-

ical coaxing, will be declared the winner.

In the past years, many amphibious favorites have disappointed their young owners by "charging" up to the finish line and then stopping inches short—sometimes even turning around for a gallop back to the starting gate.

Children—both boys and girls—of any age may participate. Each may enter as many turtles as desired, but once a turtle wins a race it is sidelined from further competition.

Recreation Director Stan Johnston advises youngsters to mark their turtles so that winners can claim their turtles correctly.

"Bring 'em back alive crews" were sent out yesterday and today, Johnston said, and if these recreation personnel aren't eaten up in the process there'll be some extra turtles for youngsters who have been unable to find their own.

Bennett to Attend Political Conference

George Bennett, 46950 Six Mile road, is one of 40 "students" selected to participate in the "Practical Partisan Politics" institute currently being conducted at the University of Michigan.

The institute, which is in session from July 19 through July 31, is being offered by the department of political science in cooperation with the Democratic and Republican

state central committees.

It is being financially supported by the Ford Foundation.

Objective of the course is to improve political skills and techniques, stimulate greater citizen participation in politics and raise political standards. The institute will feature presentations of contrasting political views on public issues, political organization and motivation, and the impact of interest groups.

Participants in the institute were selected by each major party from workers active within their respective organizations. Bennett, a Democrat, was a candidate for township supervisor this spring.

Lynn W. Eley, associate professor of political science at the university, is director of the institute. He's active as a worker for the Democratic party in Washtenaw county.

State Democratic and Republican Chairman Neil Staebler and Lawrence B. Lindemer opened the session with a discussion of practical politics, while Governor G. Mennen Williams addressed the group Tuesday. Paul D. Bagwell, unsuccessful GOP candidate for governor, spoke last night.

George Bennett

City Hikes Reward On Boy's Attacker

In hopes of securing a clue to the brutal beating of a 15 year-old Northville high school boy, city councilmen Monday night voted to increase the award for information leading to the arrest and conviction of the assailants from \$50 to \$100.

Referring to the May attack on Mike Myers by unknown assailants May 29 on North Center street, Councilman Richard Juday suggested the award increase since no concrete clues had yet been turned over to the police department.

Advertisements of the award are to be placed in area newspapers.

The Myers' boy was slugged and badly beaten about the face by a six-foot youngster who jumped out of a car while Myers was walking along Center street at 11 p.m.

Knocked unconscious, Myers could remember little of the incident. He managed to struggle to Councilman Juday's house to get help.

Police are working on the only leads provided by Myers. The size of the attacker and that the car was a 1959 black Ford.

Police Chief Eugene King said Tuesday that he had questioned several Walled Lake suspects but that they had legitimate alibis. He said police are investigating another Walled Lake suspect.

More than a score of cars matching the description supplied by Myers have been checked by police in their "all-out" attempt to track down the assailants.

"Secession" Case Set for Trial Tuesday

A trial has been scheduled next Tuesday morning before Oakland county circuit court Judge William Beers to consider a request to detach 36.7 acres of land from the village of Novi.

Village Attorney Howard Bond told the council Monday that the Margaret Yerkes case, involving Yerkes property at 12580 Eight Mile road, will be heard at Pontiac beginning at 9 a.m.

Two other disconnection cases, involving 97 acres owned by Bert Wellfare on 14 Mile road near Meadowbrook, and 106 acres owned by John

T. Meier on Haggerty near 13 Mile road, are to be tried in the fall, Bond reported.

Attorney Edmund P. Yerkes originally petitioned the court to disconnect the Eight Mile farm.

The success of his withdrawal attempt, Bond has said, probably will depend upon his ability to prove that his property can accurately be defined as a "farm". If successful the property will come under township jurisdiction.

Under a special "agricultural statute", Bond has explained, a property owner may withdraw from the village if the land is used for farming purposes only; if the land covers 10 acres or more; if it is located on the village border so as not to isolate another section of the village; and if it has not been subdivided or platted.

Upon hearing of the petition last winter, Village President Walter Tuck recalled that Yerkes "proposed village incorporation as our salvation in Novi."

He stated that of all the Eight Mile road residents, Yerkes was "the last one" that he would have expected to seek separation from the village. "He was closer to Novi than any of the southern boundary residents," Tuck said, referring to Yerkes' long tenure as justice of the peace.

Start Search for Dutch Elm Disease

The State Department of Agriculture launched its annual inspection of the Northville area Tuesday in search of trees afflicted with Dutch Elm Disease.

Lee Croteau, state inspector, will take samples of diseased and suspect trees and send them to Michigan State University for laboratory analysis to determine which trees have the disease.

Residents are urged to cooperate with the inspector when he inspects trees on their property.

Crowds, Betting Down at Track

With the racing season moving into the last week at the Northville Downs, attendance and betting totals continue to trail last year's totals.

Unless attendance and betting jump considerably this week and next, the Downs will follow the downward trend recorded at other metropolitan tracks this year, officials predict.

The largest mutual handle thus far this season was recorded last Saturday as the Chicago horses took the track for the Exchange Pace. The \$307,328 handle Saturday brings the 1959 average to \$238,545 against the 1958 average of \$245,115—a decrease of 2.68 percent.

Threatening weather cut into Saturday's record, which might have been considerably larger.

Attendance at the Downs is running about 4.22 percent below the average attendance last season, Mrs. Margaret Zayti, Downs secretary, reported. However, she pointed out that attendance has improved steadily since the 8 percent drop during the opening week.

The city receives 20 percent of the state's revenue from racing at the Downs. The states take is 4½ percent of the total mutual handle, an increase of ¼ percent over last year.

In 1959 the city received \$84,000. With the increased take for the city this year (12½ percent more for the city) the council has used an estimated income figure of \$90,000 in its current budget.

Set New Hours For City Disposal

New hours for dumping at the city dump, east of the C & O railroad tracks, were set by the city council Monday.

Under newly adopted dumping regulations, city and township residents must secure identification cards at the city hall before they will be permitted to dump in the disposal area.

Beginning August 1, the dump will be open from 10 a.m. until noon on Monday, Wednesday, and Friday; from 10 a.m. until 4 p.m. on Saturday; and from noon until 4 p.m. on Sunday.

Sam Dickey has been appointed custodian of the disposal area, in charge of locking the gates during non-dumping hours and policing the area to prevent dumping of garbage.

The township currently is negotiating with the city for a dumping contract. Preliminary reports indicate that the township prefers a four-year contract, while the city strongly advises a one-year contract.

City Manager John Robertson said Tuesday that township residents probably will be given temporary permission to dump rubbish in the city disposal area until the township board meets early next month to either accept or reject the contract.

4 Streets Included In Paving Program

Four streets and the Dunlap parking lot are to be included in the city's road improvement program this year, city councilmen decided Monday night.

The council voted to advertise for bids for surfacing of Wing, First, and Fairbrook streets, Wing Court and the parking lot. Bids are to be opened at special meeting August 10.

City Engineer Harold Penn estimated the total cost of blacktopping the four city streets and the parking lot at \$33,650. Individual estimated costs are: Wing, \$7,823; First, \$8,162; Fairbrook, \$11,493; Wing court, \$4,480; and the city parking lot, \$1,600.

Plans for resurfacing a strip of Cady street and installing a sidewalk near the Main street intersection were tabled to cut down expenses after the council agreed this project was not as vital as the others.

In earlier discussions on the improvement program, the council was undecided whether to include Wing court in current plans. However, after considering costs involved and a letter from Wing court residents requesting surfacing of the street, the council agreed Monday to include it in the program.

Councilman Ed Welch and Penn pointed out that the city would save money by having Wing court surfaced at the same time as Wing street is surfaced.

In deciding to advertise for bids, the council agreed to include a stipulation in the advertisement limiting bidders to those contractors who are pre-qualified by the state.

Other city improvement discussions included installation of water and sewer lines from South Main, under the C & O railroad viaduct, to the city dump site where erection of a public works building is planned, and installation of an 8-inch water line skirting the southern edge of the city.

The total cost of installing the sewer and water lines to the dump was estimated at \$17,865. Of this total, approximately \$12,100 would be paid by the city and the remainder paid by private property owners.

City Manager John Robertson is to meet with public works personnel to determine if some of the installation work can be done by the city to cut costs.

The council tabled action on the water line to skirt the city until the next meeting. Penn explained that the line recommended by himself, which is part of a plan to "loop" the city with water lines, will permit more circulation and assure residents of an adequate supply of water—and is approximately \$10,000 cheaper to install than an alternate line.

Other action by the council included the adoption of an amendment to the sewer service ordinance and the scheduling of a public hearing on the proposed public utility ordinance.

The amended ordinance reduces the rate for sewer service from 15 to 11 cents per 1,000 gallons of water used, and it eliminates the \$50 tap in fee.

The county's decision not to invoke a rate hike, which was made effective April 1, prompted the council's

2—THE NORTHVILLE RECORD—Thursday, July 23, 1959

Connie Schoch, Jack Sweet Married at St. Paul's Church

Constance Mae Schoch and John Festus Sweet were married July 11, by the Rev. B. J. Pankow, in an evening ceremony at St. Paul's Lutheran church.

Connie is the daughter of Mr. and Mrs. Otto Schoch of Yerkes street. Jack is the son of Mr. and Mrs. Carl Sweet of Detroit.

Chrysanthemums and candelabra formed the church decorations. Joseph Zrenchik sang "The Lord's Prayer" and "O Perfect Love". Escorted to the altar by her father, the bride wore a floor length gown of chantilly lace over satin and net. Its fitted bodice was fashioned with a scalloped neckline and wrist point sleeves. Her fingertip veil fell from a double crown of se-

quins and pearls. She carried a white Bible which was a gift of the groom, orchids, and Stephanotis.

Mrs. Sylvia Sweet, sister-in-law of the groom was matron of honor. She wore a dress of white lace over mint green satin. A circle veil headband and matching accessories completed her ensemble, and she carried a bouquet of mint-tinted carnations ornamented with a center heart of pearls.

The other attendants, Mrs. Eileen Lane and Patricia Schoch, sisters of the bride, Mrs. Janice Newman, Mrs. Mary Gee, and Mrs. Betty Bar-naart were similarly attired, but in pink. Their flowers were pink carnations.

The groom's nieces, Susan and Donna Sweet were flower girls. They wore white dotted swiss frocks and carried white baskets of pink and green carnations.

Jack chose his brother Donald for best man. Ushers were Richard Sweet, another brother, Robert Schoch, brother of the bride, Richard Lane, brother-in-law of the bride, Donald Gee, and William Newman.

For her daughter's wedding Mrs. Schoch selected an aqua silk sheath and pink accessories. Her flowers were pink roses.

Mrs. Sweet donned a lace sheath of old rose, white and rose accessories and pinned on a corsage of white roses.

A reception for 300 guests was held in the American Legion hall at Five Mile and Beech roads. Guests came from Northville, South Lyon, Plymouth, Wayne, Detroit, Ypsilanti, Ohio, New York, Pennsylvania, and Florida.

The newlyweds honeymooned at Niagara Falls.

For traveling, Connie chose a light blue dress, white accessories, and a white orchid corsage.

The bride is a 1958 graduate of Northville high school and is employed by the Burroughs corporation in Plymouth.

The groom graduated from Cooley high school, and works for Michigan Metal Fabricators in Centerline.

They are residing at their recently purchased home, 11835 Morgan street, Plymouth.

Open House To Honor Alfred Gravelles

An open house celebrating the golden anniversary of Mr. and Mrs. Alfred H. Gravelle of Ridge road will be given by their children Sunday.

Mr. Gravelle, 76, is a professional cook, who works occasionally for Meadowbrook Country Club. He and his wife, Martha, 67, were married in Cheboygan. They moved to Northville from Newberry in 1936.

Their sons, Kenneth and Gordon, and daughter, Mrs. Aulene Zuris, will host the open house.

Two hundred friends and relatives, including the Gravelles' six grandchildren, are expected to attend.

BIRTH

Mr. and Mrs. James Murray, 747 Carpenter street, announce the birth of their fourth son, Tim, on July 12, at Mt. Carmel Mercy hospital.

Tim has three brothers, Mark, Joe, and Jeff.

Engagement Announced

Barbara Lee Krist

Mr. and Mrs. Wesley Krist of Eleven Mile road, Novi, announce the engagement of their daughter, Barbara Lee, to Robert Douglas Ramp, son of Mr. and Mrs. Hollice Reed of Shearer drive, Plymouth, and the late Louis J. Ramp of Detroit.

The bride-elect is a 1958 graduate of Northville high school and attends Pontiac Business Institute.

The groom-elect, who graduated from Plymouth high school in 1957, is employed by Barnes, Gibson, and Raymond of Plymouth.

The wedding date has not been set.

St. Mary's Guild Rustles-Up Rodeo

The dust barely cleared from the Northville Optimists' double barreled rodeo success, and we learn that the broncos will return for an encore.

This time the western treat will be sponsored by the St. Mary Hospital Guild at the Detroit Race Course, Schoolcraft and Middlebelt roads, September 26 and 27.

Offering a two-day program featuring cowboy stars, authentic Indian dances, riding and roping, the Guild hopes to raise money to buy china, tableware, and linens for St. Mary's hospital, now being constructed, and scheduled to open late this fall.

Admission tickets will also give the holder a chance on an all expense paid week-end in New York for two.

An evening on the town, theater and dinner for two in downtown Detroit, will be awarded the seller of the winning ticket.

All Guild members have tickets. Helen O'Brien is in charge of tickets for Northville. General ticket chairman is Kathy Hughes, GA.1-3568. Rodeo chairman is Phyllis Robinson, GA.1-0092.

The hospital located at Levan and Five Mile roads, will serve Northville and neighboring communities, including Plymouth, Livonia, Farmington, Novi, and Garden City.

Carole Tabor Visits Methodist Churches

Carole Tabor, 16, daughter of Mr. and Mrs. Rolland Tabor, 537 West Main, will return tomorrow from a two-week tour of the east with the Methodist Youth Caravan.

A representative of the First Methodist Church here, Carole has toured scores of Methodist churches on the East Coast as part of a statewide youth program. Upon her return, she reports on youth functions in eastern Methodist churches.

Her trip, which includes visits to the United Nations building, luncheons with Michigan Congressman, and tours of federal buildings in Washington, D.C., is paid for by the local church.

Virginia Lusk

The engagement of Virginia Lusk to Edwin Schultz, has been announced by her parents, Mr. and Mrs. Leon L. Lusk of Napier road.

The groom-elect is the son of Mr. and Mrs. Leonard Schultz of Detroit. An October 24 wedding is planned.

Northville Graduate Cited For Scholarship

Karl H. Wursching has been cited for his high academic attainment by being placed on the high scholarship list at Western Michigan University, Kalamazoo, for the spring semester.

To win a place a student must carry at least 14 hours of work, have no more than five hours of B work and with only one grade of B. Wursching lives at 120 North Center, Northville. He graduated from the Northville high school.

Experts To Tour Green Ridge Nursery

Members of the Southeastern Association of Landscape Nurseries and the garden editors of three district newspapers will tour the Green Ridge Nursery July 29.

The nursery experts are visiting five of the larger Detroit area nurseries. John Miller, owner of Green Ridge, is a member of the association.

NEWS AROUND NORTHVILLE

Mr. and Mrs. David Schoultz and children, Jimmy, 5, and Laurie, 3, of East street, left Saturday for San Jose, California, where Mr. Schoultz will work as an engineer for Ford Motor Company. They will motor west and stop at points of tourist interest along the way. For the past six years Mr. Schoultz, the son of the Clyde Schoultzes of W. Cady street, has been employed as an engineer for the Lincoln-Mercury Division in Wayne. Several farewell parties were held in their honor recently.

Mr. and Mrs. Herbert Frogner are spending a few days at Torch Lake on their way to Duluth.

Mr. and Mrs. N. W. Hopkins of Lakeside drive are enroute to Boston, Massachusetts, for a week's stay.

Mrs. Wayne Steele and son, Douglas, of Wing Court, are vacationing with Mrs. Thomas Cummings at Ipperwash, Canada.

Mrs. Claude Ely of Gardner avenue entertained several friends last week at her cottage on Rifle Lake. Guests included Mrs. Leo Lawrence,

and Mr. and Mrs. H. A. Boyden of Northville, and Mr. and Mrs. H. R. Bogart of Detroit.

Russell and Marshall Clarke of San Jose, California, will be visiting their uncle and aunt, Mr. and Mrs. Russell Clarke, of Fairbrook, next week.

Linden street neighbors, Mr. and Mrs. Albert Markell, Mr. and Mrs. George Miller, Mr. and Mrs. Joe Masti, and Mr. and Mrs. J. Hoffman, had a corn roast Sunday at the Markells'.

Pfc. Wayne C. Nash, son of Mrs. Ruby Nash of Beal street, was home on furlough recently from Ft. Bragg, North Carolina. He returned last Wednesday after spending some two weeks in Northville.

Mr. and Mrs. James Carlo of Buffalo, New York, visited friends and relatives in Northville last weekend.

Mr. and Mrs. William Wittrick of E. Cady street, are spending a few days in Kentucky.

Mr. and Mrs. Stan Schaefer of 6 Mile road spent the weekend at Burt

Lake, where they visited Lt. and Mrs. Albert Iandola. Mrs. Iandola is the former Arlene Nelson.

Mr. and Mrs. Stan Waterloo of Rayson street returned from a 10 day vacation in Huron City in the Thumb area.

Mr. and Mrs. H. C. Duerson of W. Main street were guests recently of Mr. and Mrs. M. C. Gunsell at their cottage at Sand Point.

Mr. and Mrs. James Green of E. Cady street spent a few days in Port Huron recently.

APRIL NEWCOMERS to Ely Drive are Mr. and Mrs. Harold Kenow (seated), their son Stephen, and Ron Dietrich, Mrs. Kenow's brother, (left).

Northville's newest school will have a newcomer for its first principal this fall.

Harold Kenow, principal of St. Paul's Lutheran Christian Day school, his wife, Nancy, three-month-old son, Stephen, and Mrs. Kenow's

brother, Ron Dietrich, moved into their Ely drive home April 1.

Ron is a junior at Lutheran High West in Detroit.

Before coming to Northville, the Kenows lived in Farmington where Mr. Kenow was a teacher of elementary grades, music, and choir, at another St. Paul's Lutheran school.

Mrs. Kenow, former secretary for the Farmington church, and Ron are native Detroiters. Mr. Kenow hails from Minnesota. His hobby is furniture making.

NEWS AROUND NORTHVILLE

Mr. and Mrs. Robert Boyd and daughters, Judy and Vicki, of River street, left Saturday on a motor tour of Northern Michigan. The Boyds expect to travel through Alpena, Petoskey, Gaylord, Vanderbilt, and hope to see the upper peninsula. They will also visit relatives and friends on the way.

Mr. and Mrs. Ray Hinkle and son, Bill of Phoenix, Arizona, are houseguests of Mr. and Mrs. R. G. Nelson of Napier road. Mrs. Hinkle is Mrs. Nelson's sister.

Mr. and Mrs. W. C. Sliger and children are vacationing in Cadillac, Michigan.

Mrs. John Burkman of Baseline road returned Friday from Mt. Carmel Mercy hospital in Detroit, where she underwent minor surgery and had a checkup.

Mr. and Mrs. Arthur Forth of Kilrush drive, and children, Carolyn, 17, Larry, 13, Artie, 12, and Jeffrey, 5, returned from a two week vacation in Northern Michigan. The Forths toured the Straits area, camped at Black Lake, and later at Camp Interlochen, where they attended concerts at the adjoining music camp of the same name. They also visited Mrs. Forth's parents, Mr. and Mrs. Stephen Schwartz of Walloon Lake.

Jim Lawrence, son of the Alex Lawrences of Meadowbrook road, is cruising on Lake Michigan on the yacht "Metora", as guest of old family friends, the Allan Willards of Grand Rapids. Their son, Calvin, and Jim are schoolmates at Western Military Academy. Mrs. Lawrence will meet Jim at Cheboygan this weekend.

Mr. and Mrs. Donald Wilsher and children, Susan, Jane, and Lynn of Birmingham were Sunday guests of Mr. and Mrs. Ernest Wilsher of Rogers street. The families celebrated Donald Wilsher's birthday. He is the son of the senior Wilshers.

Mr. and Mrs. Louis Lockwood of Lancaster, Pennsylvania, accompanied by their daughter, Allison, and grandsons, David and Tommy, are visiting Mr. and Mrs. Del Hahn of W. Main street this week. Mrs. Lockwood is Mrs. Hahn's sister.

Mrs. Howard Meyer and daughters, Sherry Lee and Pat of 8 Mile road will attend Weidman Day celebrations in Weidman, Michigan this weekend. They will also visit Mrs. Maude Kew, a former Northville resident, who now makes her home there.

Captain and Mrs. Louie A. Babbitt and children, Cheryl, Linda, and Jack, arrived in Northville Wednesday from Spangdahen, Germany, where Captain Babbitt has been stationed with the United States Air Force for the past four years. They are visiting Captain Babbitt's parents, Mr. and Mrs. K. H. Babbitt of S. Rogers street, and Mr. and Mrs. Howard Curtin of Novi. They will soon leave for Lockbourne Air Force Base, Columbus, Ohio.

Mr. and Mrs. Robert Niemi of Woodhill road have been vacationing in New York city and Long Island for the past week, where they're enjoying touring and deep sea fishing. They are expected to return this week.

Saturday, Mr. and Mrs. J. E. Straus will host a dinner party in honor of James Robertson of Detroit and his bride-to-be, Janice Geller of Holly. Sixteen guests have been invited from Detroit, Holly, and Livonia. Weather permitting, the Strauses hope to make it an outdoor fete.

Mr. and Mrs. S. L. Brader of Sherman Oaks, California, have been visiting friends in Northville this week. They are staying with relatives in Detroit.

Mr. and Mrs. Howard Meyer of 8 Mile road attended funeral services recently for Mr. Meyer's aunt, Mrs. Mary Meyer. The late Mrs. Meyer was a member of the pioneer Meyer family, early settlers of Detroit.

Houseguests of Mr. and Mrs. Dean Lenheiser of Mayo Court were Mr. and Mrs. Richard E. Lang and children, Jeff, Tim, and Steve, of Boston, Massachusetts. They were here for eight days.

COSMOPOLITAN CONFUSION — Northville enjoyed a little of the Grand Central Station atmosphere Friday afternoon as more than 80 foreign exchange students boarded buses at the First Presbyterian church for their homeward journey. Among them were our own Mike Gall and Ilka Hartmann of Germany.

Thursday dinner guests of the J. E. Straus' of Beck road were Mr. and Mrs. Ralf Closson of Livonia and granddaughter Jan Ericson of Garden City.

Minutes of the Northville Board of Education

Regular Meeting, July 6, 1959

In the absence of the President, the meeting was called to order by Vice President William Crump at 7:40 p.m.

Present: Messrs. Crump, Shafer and Lawrence
Absent: Messrs. Schrader and Johnson

Others Present: Superintendent Amerman, Assistant Superintendent MacLeod, Principal E. V. Ellison, Miss Kathryn Giltner, Messrs. Gerald Taft, William Taft, John Miller, Lyndon Welch, Francis Gazlay.

The minutes of the last regular meeting and two special meetings were read by the Secretary, and there being no corrections or additions to the minutes, they were approved as read.

Communications:

1. Poole, Warren, Littell and Gordon, school attorneys, copy of letter written by them to Mr. William J. Hennes, attorney to Mr. and Mrs. Frank Robinson, re 1958 City taxes on property formerly owned by them, now owned by the school.

2. F. W. Bennetts, Director of Public Relations for Howard Sober, Inc., expressing his pleasure in delivering the commencement address to our 1959 graduates.

3. Dr. Keyhoe, Bureau of School Services, University of Michigan, writing in his capacity as inspector for the North Central Association of Secondary Schools and Colleges, complimenting the Northville Public Schools on the new high school.

4. Eberle M. Smith Associates, Inc., enclosing "Notice of Completion and Acceptance of Contract Work" on the new high school, for the Board to execute when ready.

Report of the Superintendent: Superintendent Amerman read to the Board a letter which he proposes to send to the school attorney, requesting a legal opinion on the possibility of the school's purchasing the Community Center, in the light of newly passed legislation. The Board approved this move.

2. State Aid Notes: Superintendent Amerman recommended that the Board authorize payment of at least one of our three outstanding notes against 1958-59 State Aid. Moved by Mr. Lawrence, supported by Mr. Shafer, that the first note, dated July 3, 1958, be paid. Motion carried.

3. Resolution to Borrow: in view of

the doubtful and precarious financial situation, the Superintendent recommended that a resolution authorizing further borrowing against State Aid appropriations be passed at this time. On motion of Mr. Shafer, supported by Mr. Lawrence, such resolution was passed. (The complete text of the resolution is on file in the Board of Education offices.)

4. Alterations to Junior High School: Superintendent gave the Board a brief report on progress, which is good. Several construction matters were discussed by the Board, brought to their attention by Mr. Welch of the architect's office. It was moved by Mr. Lawrence, supported by Mr. Shafer, that the floor in the old bookstore be removed and replaced with concrete. Motion carried and Mr. Welch was instructed to prepare a Change Order to this effect.

5. August Meeting: Superintendent recommends that the regular meeting for August be set for the 10th instead of the 3rd, because of various vacations, and this was unanimously agreed upon.

Report of Secretary: The Secretary reported the following monies received in June:

Taxes: \$342.45
State Aid: \$23,666.00
Rental Fees: \$200.00
Day School Tuition: \$1,256.64
Transportation Fees: \$55.56

Report of Treasurer:

The Treasurer reported the following balances at June 30, 1959:

General Fund \$155,492.25
1936 Bond and Coupon Account 150.00
1949 Debt Retirement Fund 2,348.07
1954 Debt Retirement Fund 3,567.60
1957 Debt Retirement Fund—
Series A 17,062.93
1957 Debt Retirement Fund—
Series B 25,764.41
1957 Debt Retirement Fund—
Series C 13,322.70
1957 Building and Site Fund 265,970.63

It was moved by Mr. Shafer, supported by Mr. Lawrence, that the report of the treasurer be accepted. Carried.

Report of Auditing Committee: The Auditing Committee approved the following bills and payrolls for payment: bills, \$5,698.99; payrolls, \$53,041.58; building and site bills, \$135,843.24. Moved by Mr. Lawrence, supported by Mr. Shafer, that bills and payrolls be paid. Motion carried.

New Business:

1. Blacktopping: Mr. Gerald Taft and Mr. William Taft appeared by invitation to discuss specifications for paving of roads and parking areas at the new high school, preparatory to the drawing up of specifications and requesting of bids on this work. Certain preliminary grading was also discussed and it was moved by Mr. Shafer that Mr. Taft be employed to do this work, at a price not to exceed \$450.00. Mr. Lawrence supported. Motion carried.

2. Landscaping: Mr. John Miller of Green Ridge Nursery gave the Board an estimate of turfing costs at the new high school. The price quoted is \$5,470.00, plus \$490.00 for retaining walls around the drainage catch basin. It was moved by Mr. Lawrence that the Green Ridge Nursery offer be accepted. Supported by Shafer. Carried.

3. Truck Ramp: Mr. Welch of Eberle M. Smith Associates, advised that he has revised the design of the ramp at the new high school, to make it more easily accessible by large transports, and has obtained

a price of \$682.00 for the work from Burger Construction Company. This matter was tabled until the next meeting.

4. Driver Education Car: bids were opened for a new driver education car, as follows:
John Mach Ford Sales—
1959 Ford Station Wagon \$2,025.47
Allowance for '56 Plymouth \$500.00
\$1,525.47

G. E. Miller Sales & Service—
Plymouth Station Wagon \$2,394.80
Allowance for '56 Plymouth \$504.80
\$1,890.00

Rathbun Chevrolet Sales—
1959 Chev. Station Wagon \$1,735.00
(including trade-in)

It was moved by Mr. Lawrence that the bid of John Mach Ford Sales be accepted. Second by Mr. Shafer. Carried.

5. Draperies: Mr. Ellison has obtained quotations from several firms on draperies for the office and auxiliary areas in the new high school. It was decided that Mr. Lawrence and Mr. Ellison act as a committee to make a decision on this matter.

6. Baseball Field: it being imperative that water be available at once for the new diamond, Mr. Ellison was given authority to purchase sufficient length of heavy hose for this purpose.

7. Shop Wiring: Mr. Shafer was assigned to go over this matter with Mr. Ellison.

8. Auditor's Adjustment: in order to comply with a recommendation by H. Earl Hanson, C.P.A., auditor of the school's accounts, it was moved by Mr. Lawrence that a resolution to borrow against undistributed 1958-59 State Aid, which was authorized on October 6, 1958 and never actuated, be cancelled. Motion was supported by Mr. Shafer and carried.

9. Depository: a resolution was introduced by Mr. Lawrence in which The Manufacturers National Bank, Northville office, was named as the official depository for all school funds, including the Activities Fund. Supported by Mr. Shafer and carried.

10. Commercial Dept. Equipment: Dr. MacLeod, Mr. Ellison and Miss Giltner presented bids from 18 companies on typewriters, adding machines, etcetera, for the commercial department. The typewriters will cost approximately \$5,000 and the other equipment approximately \$3,000. Board approved the outline of commercial equipment, leaving the selection to the administration.

11. Sewing Machines: quotations have also been received on sewing machines for the home economics department, and the Board authorized the administrators to proceed with the purchase of these machines, using their own judgment. Various other appliances requested by the homemaking teacher, to the extent of \$300.00, were authorized by the Board.

Adjournment: It was moved by Mr. Shafer that the meeting be adjourned at 12:30 a.m. Mr. Lawrence supported. Motion carried.

Robert H. Shafer
Secretary

South Lyon Sculptor Designs Playground

Abstract forms in bright color providing a new type of playground for children have been developed by a University of Michigan sculptor.

He is James E. Miller, of South Lyon, art instructor in the U-M College of Architecture and Design. Working on his own time and using reinforced concrete, he designed wall sections two and a half inches thick and five feet tall, pierced with holes of various sizes.

Resembling huge slices of Swiss cheese in form, the concrete sections provide a permanent playground installation. Each is cast in a solid color—yellow, red, brown, green, and other earth hues.

Miller's "brave new world" of concrete play forms is being erected in a naval housing development near Kingston, N.C. The mold he designed was shipped to North Carolina and cast there. "The concrete is handled in the same way as in the construction of a septic tank.

Events Out of the Past

ONE YEAR AGO

The wife of a Northville marine received a letter from her husband last Friday, saying he would soon be on his way home.

But almost at the same moment his wife was reading it, Corporal Harry W. Council, Jr. was landing on the beach at Beirut, Lebanon.

The Novi township board and developers of Connemara Hills subdivision were still at odds this week, but approval of lots went ahead just the same.

The board Monday night reaffirmed its stand that all lots in the subdivision would have to undergo new percolation tests before building permits would be issued.

The cutover to the new Fieldbrook exchange in Northville and Novi was one of the smoothest in Michigan Bell history.

Gerald avenue area residents sought relief from the nuisance of the city's dumping area in a petition read Monday night at the city council meeting.

The petition asked the city to "abate the nuisance" caused by smoldering fires in the dump.

Two new students from Germany will take up where Sue Clarke and Jurgen Hamacher left off this week.

A controversial 220 acres, which has bounced back and forth between Northville and Novi twice, seems to have finally and permanently landed in Northville.

Oakland County Circuit Judge Clark J. Adams made it official this week when he ruled against Warren Products in a suit brought by the company challenging the November 19 election.

FIVE YEARS AGO

For the first time in the history of the contest, Northville will have entries in the National Model Airplane competition during a five-day meeting which started Wednesday in Chicago.

Sponsored by the Northville Optimist club, Alvin Skow, of 530 Main street, left with his son Delano, 15, and five model planes of various types to attend the convention.

Frank LaSalle Thompson, a member of one of Northville's pioneer families, died Saturday at Atchison Memorial hospital two weeks before his 84th birthday.

Mr. Thompson, who was born Aug. 6, 1875, in Novi township, to Edwin and Eleanor Thompson, spent most of his life in Northville.

Chick Harbert, genial professional at Northville's Meadowbrook Country Club, is the newly crowned king of professional golfing ranks—National PGA champion.

Col. Ward H. Van Atta, 136 E. Cady, Northville took part last week in the Military District of Washington golf championships at Fairfax,

(Va.) Country Club.

A white albino robin was seen by C. F. Logeman Friday. The white robin was feeding with three other robins on the Merner Eilber property on Rayson street.

FIFTEEN YEARS

An "Open House" was held at the Lee Eaton home in Orchard Heights Monday afternoon and evening in honor of the ninetieth birthday of Mrs. Levi F. Eaton.

Mr. and Mrs. Eaton and their son, Lee, purchased the property on South Roger street then known as the Sadler place and specialized in raising fruit. Mr. Eaton continued his work in Detroit, commuting to Northville, until his death.

Later, most of the land was sold to a real estate syndicate for platting and was soon known as Orchard Heights with many new homes going up.

Officers of the Northville Exchange Club: President, M. J. Kolodyke; vice-president, D. Harper Britton; second vice-president, Merritt Meaker; secretary, W. Leslie Williams; sergeant at arms, C. R. Ely.

Final reports on the tin can pick-up which took place in the village last week, read two and a half tons. Instead of lagging behind its own record for last time, as did many of the other towns, Northville surged way ahead on this collection date.

25 YEARS AGO

Dr. Linwood W. Snow, well known Northville physician and former village president, now one of the leading candidates for the Republican nomination for Wayne County coroner, is making a campaign worthy of note.

In the passing of Scott A. Lovell last Friday at Ann Arbor, Northville loses another prominent business and civic leader. For the past 14 years he has been associated with Elmer L. Smith in the real estate business.

Work began Monday on excavating for a new strip of road, a part of the Middle Rouge Parkway Drive, that will do away with the dangerous Phoenix railroad crossing. It is estimated that it will be finished before winter sets in.

Henry Ford donated all the land necessary for the road improvement along the east side of the tracks, making one more gift by the noted manufacturer for park beautification in this part of the country.

The storm of protest aroused among parties concerned in the Middle Rouge Parkway drive condemnation suits last week, while somewhat subsided, has not entirely died down.

Robert Thomas, through whose

driveway the new road will go, and who was awarded \$200 for it, has refused to sign a quitclaim deed to his property. The property is located at the extreme south end of Center street.

The exterior of the new main building at the fairgrounds is to be completed this week, and inside fixtures, as well as the cement floor, will be installed during the next six or seven days.

Goodwill Truck Visit Scheduled Here Tuesday

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for Tuesday, July 28. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative Men's Club, Maybury, telephone number FI-9-2682.

Two Northville Girls Visit WMU Campus

Two Northville girls have returned from a two-day visit to Western Michigan University where they were tested and counseled concerning fall classes.

Judith A. Nauman, 21831 Connemara Dr., and Susan Rathbun, 729 Grandview, were among the 100 freshmen students who completed their registration for the first semester.

NO IMPROVEMENT—Wayne County General Hospital personnel this week reported Michael Rubin, 23 of Benton Harbor, who was driving the car above, shows no improvement. He has been placed on the critical list, with fractures of both legs and jaw and a concussion. Rubin's car crossed over the yellow line on Edward Hines drive, a half-mile south of the Northville athletic area, last Wednesday and crashed head-on into a truck. The truck driver was uninjured.

Willowbrook...

Mr. and Mrs. Lloyd George, of Malott Dr., entertained Mr. and Mrs. Harry Brennerman, of Plymouth, Wednesday evening. They enjoyed a hard fought bridge game.

Mr. and Mrs. Clifford Bunker, of Mooringside Dr., took their children, Ted, Paul, and Ann, with them to Neenah, Wisconsin, last week. They spent a week there as the guests of Mr. and Mrs. Lane Robinson. While they were there they enjoyed several get togethers with relatives and old school friends.

Mr. and Mrs. Ralph Morse, of Mooringside Dr., took their children, Diane, Susie and Jeff and June Loynes up to a cottage near Cadillac, Michigan last week.

Mr. and Mrs. Walt Pinner had Mr. and Mrs. Thomas McAuliffe and their four children, Kristine, Kelly Lynn, Tommy and Kim as houseguests recently. While they were here the Pinner had a barbecue in their honor. Other guests at the affair were Mr. and Mrs. Tom Curran and Miss Helen Curran, of Detroit.

Mrs. Grace Hunt, of Chicago, Illinois, is spending some time in Willowbrook as the houseguest of her daughter and son-in-law, Mr. and Mrs. Robert G. Byrd, of Mooringside Dr.

First national presidential nominating convention in the U.S. was held in Baltimore in 1831.

Novi Highlights

Mr. and Mrs. Alfred Gow returned Sunday evening from a five day vacation at Quebec. They also took the Thousand Island trip.

Dr. and Mrs. William Barber of Pickford, attended the wedding of the doctor's brother, Robert, in Northville, Saturday evening. The William Barbers also visited their parents, Mr. and Mrs. H. Holmes and Mr. and Mrs. A. V. Barber.

Mr. and Mrs. Glen C. Salow spent a few days of last week at their cottage near Lewiston. On Saturday they attended the wedding and reception of Mrs. Salow's niece, Miss Lois Risner. She was married to Thomas Mathews at Manibou Beach.

The George Atkinsons of Fonda St., were at their cottage near Lewiston for the weekend.

Mr. and Mrs. George Hines, who have been visiting Michigan relatives and friends for the past few weeks, returned to their home at Largo, Florida, Monday. Last Thursday evening they were the dinner guests of Mr. and Mrs. George Atkinson.

Mr. and Mrs. George Kahrl returned recently from a vacation in Northern Michigan and Wisconsin. They came home by the way of Chicago.

Mr. and Mrs. Earl Burchfield of Taft road entertained Mr. and Mrs. Rudy Lipski of Ulica for dinner on Sunday.

Mrs. William MacDermaid was given a surprise pink and blue shower in the Fellowship room of the Baptist church Tuesday evening. The shower was sponsored by the Unity Circle.

Luncheon guests of Mr. and Mrs. Russell Button last Friday were Mr. and Mrs. George Hines of Largo, Florida.

The local Civil Defense organization announced that it had conducted a successful Civil Defense alert last week. The "alerts" are held every month. "This was a definite improvement over the last test," said co-director Miss Eugenie Choquet.

Mrs. Cora MacDonald spent several days of last week with her niece, Mrs. Starr Heliker and family. Sunday, they all attended the Family Reunion at the Starr Heliker farm near Howell.

Boat Registrations Zoom Upward Day

More than a quarter of a million inland lake boats have been registered under the Michigan State watercraft licensing law.

Secretary of State James M. Hare, reports that registrations have zoomed up sharply from less than 200 per day during April to 800 or more per day in June and July.

Persons purchasing new or used watercraft can usually get their registration forms from the boat dealer from which the boat was purchased. They are also available

Ask For Paving Bids

(Continued)

action to amend the ordinance. City residents who have already paid these fees will either be given credit for their September bill or be given rebates.

The proposed ordinance places the city water supply system on a public utility basis. A public hearing on the ordinance was set for 8 p.m. on August 3.

Other council business included: Awarding of a \$4,132 contract to the New Hudson Fence company, lone bidder for the erection of a chain-link fence around the city dump;

An informal decision by the council to urge the township to consider signing a one-year contract for use of the city dump;

A council request that the city attorney draw up an ordinance requiring property owners to "keep up" vacant lots;

A decision to bill the school board for a section of the 750-foot sidewalk to be installed along the west side of the newly paved Center street north of Base Line;

A council request, prompted by a citizen's complaint, that the manager ask the garbage collection company to pick up garbage an hour later in the morning.

Mayor Recuperates After Brief Illness

Mayor A. Malcolm Allen is recuperating at his summer cottage this week after brief confinement with a respiratory ailment. He is expected to be back at work Monday.

The mayor was unable to attend the council meeting this week, and with Councilman John S. Canterbury away on vacation, Councilman Earl Reed was appointed temporary chairman of the meeting.

Urges "Common Sense" In Burning Trash Here

Northville Fire Chief William McGee this week cautioned merchants and business area residents that dry weather has made the burning of trash extremely hazardous.

"If the people will just use some common sense when they burn their trash, the downtown buildings will be safe," he said.

Screens should be used wherever possible, he suggested, and barrels should be cleaned out after trash has been burned.

Although the dry weather makes burning hazardous, city officials report that the water supply has not been affected here as it has in other Detroit area communities.

AMENDMENT TO ORDINANCE NO. 140

CITY OF NORTHVILLE

An ordinance to amend Ordinance No. 140 dealing with the establishment of sewer service, treatment and connection charges and procedure for billing therefor.

THE CITY OF NORTHVILLE ORDAINS:

SEWER SERVICE AND TREATMENT CHARGES

SECTION 1. The rate to be charged for sewer service and treatment shall be eleven (11c) per one thousand (1,000) gallons of water used as determined by water readings.

SECTION 2. In every instance of a single, or multiple residence which has an unmetered water supply this rate shall be \$14.00 per year.

SECTION 3. In every instance of a commercial unit having an unmetered water supply said rate shall be \$60.00 per year.

SECTION 4. In every instance of an industry having an unmetered water supply said rate shall be \$2.80 per capita per year based on the number of employees as of the date of the original service, plus 30c per calendar quarter for each employee over the base figure.

CONNECTION CHARGES

SECTION 5. A charge of \$100.00 shall be made for each 6 inch tap to the City sewer system which has been constructed and to which all connections have been made and paid for by others than the City.

SECTION 6. A charge of \$200.00 shall be made for each 6 inch tap to the City sewer system constructed by the City.

SECTION 7. The City Council shall set by resolution the connection fee for taps larger than 6 inches.

SECTION 8. All sewer connections must be inspected and approved by the City.

SECTION 9. All charges collected since April 1, 1959 which are in excess of the charges stated in this ordinance shall be credited on the next water and sewer bill or refunded.

BILLING

SECTION 10. Charges for sewer treatment shall be collected with the water bills quarterly and are payable fifteen days after the date of the bill.

ENFORCEMENT

SECTION 11. Charges for sewer services shall constitute a lien on the property served and if not paid in six months shall be placed on the next general tax roll with a 10% penalty and collected as a part of the general City taxes.

This Ordinance Takes Effect on July 31, 1959.

WINS RACE—Major Harvey D. Cook (right center), 41160 Ten Mile road, receives the congratulations of Brigadier General Frederick E. Leck, commander, Marine Air Reserve Training, as he led his Michigan squadron members from Grosse Ile to be the first to arrive at Cherry Point, N.C. While at Cherry Point, the Michigan Marine Squadron 222 will undergo two weeks of extensive training.

IN WIXOM:

To Hold South Seas Dance

By Mrs. Charles Ware — Market 4-1601

A South Sea Island Dance will be held at the V.F.W. Hall in Hickory Hills, this Saturday, sponsored by the Hickory Hills Civic Association. Patricia and Maureen, daughters of Mr. and Mrs. N. Moore of Wixom road, are spending the week with their grandparents in Livonia.

Timothy Callahan spent a week camping at Scottville and Ludington.

Miss Hilda Furman spent ten days with friends at Green Lake, Interlochen. They enjoyed several concerts at the music camp.

Mrs. Ray Burke is in the hospital, having had a heart attack.

Nick Sorvari is in Racine, Wisconsin, as guest of the Wahmakies. Donald Siske and family of Dearborn were Sunday guests of the Robert Merkels. They enjoyed picnicking, swimming, and playing games.

Miss Denise Stafford spent last week in Saginaw with her aunt and uncle, Mr. and Mrs. Gerald Speckers.

Mr. and Mrs. Glen Sorensen were recently visited by Mrs. Sorensen's parents, the Rev. and Mrs. William S. Bruening, and her brother.

The Norman Moores attended the recent anniversary dinner of the V.F.W. 4003 Post and Auxiliary, Farmington. Mr. Moore is a past

president of the Post. Richard Harris, U.S.N., has been home on a day's leave.

Ruth and Margaret Marshall spent one week at Methodist Camp Conway on the St. Mary's river in the upper peninsula. While there they visited the Sault Ste. Marie, and parts of Canada.

Patsy Marshall spent a week with her grandparents, the Charles Van Gusens of Sherwood.

Mr. and Mrs. Evert Pettys of Dade City, Florida, are spending a vacation in Michigan, visiting Mrs. Pettys' brother, Everett Pearsall and other relatives.

Sunday they drove to Rochester to visit Gladys Rogers, a former Wixom resident.

Mr. and Mrs. Jesse Byrd and Louis Muether spent the weekend in Chicago visiting Mrs. Elina Samelson.

Mrs. Inez Pepper visited her daughter, Monday. The Hugh Guthries' returned to Racine, Wisconsin, after vacationing in Wixom.

The Robert Smiths and Robert Volmers attended the Lions Rodeo at the Ivory Polo grounds.

Sunday guests of Mr. and Mrs. Herbert Abrams were Mr. and Mrs. Charles Jenkes and daughter.

State Publishes Fishing Booklet

A newly-revised edition of "Fishing in Michigan" has just been released by the Michigan Tourist Council.

The colorful, 32-page guide outlines year-round fishing opportunities in this vacation state. Copies are available without charge from the Council's office, Lansing 26, Michigan.

Prepared cooperatively by the Council and the Michigan Conservation Department, the popular booklet includes sections on fishing sites, boats, accommodations, camping, fish preparation and cooking, deep water trolling, ice fishing and smelt dipping, in addition to illustrated descriptions of the state's various game fish.

READERS SPEAK:

Rezoning Didn't Alter His Vote

In the Record last week you expressed surprise that Art Heslip was elected by a rather wide majority in view of the recent and strong resistance by his neighbors on the rezoning of his property to heavy industry.

(The Record and The News carried a story last week which included this sentence: "Heslip's majority vote came as a mild surprise to many village officials and citizens who had predicted that the rezoning of Heslip's farm property for industry might slice into his popularity.")

This would be no surprise if you or your staff and the four-corner government would not consider Art's neighbors as rabble rousers (see your first editorial on the subject), and "Nine Mile Road Nitwits" (quote attributed to a four-corner spokesman). You will find us rather solid citizens.

I, for one and no doubt all of the others, never questioned Mr. Heslip's character or his abilities to serve on the school board. The matters are separate and distinct, as well they should be.

In fact, after listening to the school board candidates at their get-acquainted meeting, Mr. Heslip reaffirmed my confidence in him. He again received the votes of my family. A man is rather small and child-like if he allows himself to be vindictive in matters not pertinent to the particular discussion or argument.

I have found fault with the zoning board, the village council and the village manager on the rezoning of Mr. Heslip's property. Time and space won't permit me to elaborate on all the points. However, please bear in mind that the rezoning question at best rested in precarious balance and could swing either way from its inception. Through the balance needed only a sound statement to swing to rezoning, the four-corner government saw fit to support their stand by devious ways. Our citizens need only to have sat in the open meetings to discover the apparentness of the farce of the public hearings, the prejudgments and the behind-the-scenes directed verdict.

The unrest in the Village is not due to growing pains. In the school board election, the surprise to me was the lack of voters. Do you know that by 4 p.m. only about 80 ballots were cast? This is disgraceful! I can well understand the disinterest in propositions somewhat removed from one's immediate interest. How can people

explain their disinterest in a proposition in which they are directly involved? The Village or any government for that matter will be, in many instances, run contra to the citizens' desires as long as they will only express themselves on matters touching the heart of their own particular and selfish interest.

Joseph Crupi

"Duds" Instead

To The Editor:

Our community should be proud that the Exchange Club is willing to support a fund raising campaign for the High School Band. However, does the band really need a \$7500 Bandwagon? As a former band member I would like to point out that the band needs new uniforms far more than it needs a wagon.

The present double breasted, 100% wool uniforms were purchased approximately thirteen years ago. Band membership has increased, but the number of available uniforms has not increased sufficiently to take care of each member. If the athletic department needs new uniforms every year certainly we should think of the musicians need for uniforms every thirteen years or so.

The bandwagon would be used for five or six summer concerts. Uniforms are used for school concerts, the Festival competitions, various parades, and about once a week during the football season. If the Exchange Club really wants to be of service to the band it should get off the bandstand campaign and work for the more necessary and useful band uniforms.

Yours truly,
NHS Alumnus

DRESS UP PARKING LOT—Erection of an attractive plywood fence was completed last week along one side and end of the Dunlap Parking Lot. The 172-foot fence along the west side of the lot was purchased by the city at a cost of \$370. Citizen Fred Casterline purchased the other fence section.

FOR

BITUMINOUS CONCRETE PAVEMENT

FOR THE

CITY OF NORTHVILLE, MICHIGAN

Sealed proposals will be received by the City of Northville, Michigan up to 8:00 P.M. Eastern Standard Time, on August 10, 1959, and promptly thereafter, the proposals will be publicly opened and read aloud. The proposals will be reviewed by the City Engineer and the award of the contracts will be made at a later date by the City Council.

The work to be performed consists of preparing the existing base course, priming the base and placing thereon a 2 inch thickness of Bituminous Aggregate surface course, dense graded-hot plant mix consisting of a 1 inch binder course and a 1 inch wearing course on Wing Street, Fairbrook Street, First Street and Dunlap Street Parking Lot.

Wing Court shall be excavated, a base course laid, curb and sidewalk placed and Bituminous Aggregate surface course placed.

The approximate quantities are as follows:

Prime Coat	4,400 gallons
Bituminous Aggregate Surface Course (20A-Agg)	1,460 tons
Excavation	282 c.y.
Base Course (22A)	515 c.y.
Curb	753 l.f.
Sidewalk	1,000 s.f.

No bidder may withdraw his bid within thirty (30) days after the date set for the opening thereof. Proposals shall be submitted on forms furnished by the owner. Only Contractors prequalified to do work for the Michigan State Highway Department will be permitted to bid on this work.

Each proposal shall be accompanied by a Certified Check or Bid Bond by a recognized Surety Company in the amount of at least five percent (5%) of the amount of the total estimated bid cost, payable to the City of Northville, Michigan, by the accepted bidder upon his failure to enter into a contract with the City of Northville within fifteen (15) days after the award of the contract to him.

The successful bidder will be required to furnish one hundred percent (100%) performance and one hundred percent (100%) Labor and Material Bonds.

The Contract Documents, Plans and Specifications will be on file and open to the public for inspection at the Office of the City Clerk, City, Hall, Northville, Michigan, and may be obtained at the above office; or at the office of the City Engineer, Laporte & Penn, 1470 Holden Avenue, Detroit, Michigan.

A deposit on the amount of ten dollars (\$10.00) is required for each set of Plans and Specifications, and will be returned upon receipt of the Plans and Specifications in good condition within ten (10) days after opening of the bids.

The right is reserved by the City of Northville to accept the lowest qualified bid, to reject any and all bids, or to waive informalities in bidding in the interest of the City.

CITY OF NORTHVILLE, MICHIGAN.
Mary Alexander, City Clerk

PINCHED

FOR ROOM?

Why settle for small stuffy rooms when you can have spacious ones.

Why take on a 30 yr. grind on a new home when a sturdy used home with shade trees and lawn can be sensibly financed?

1 to 5 acre lots. Not at the price the Indians sold them for—but still reasonable.

Want To Rent? I may have what you want

City of Northville Water Ordinance

AN ORDINANCE TO PLACE THE
WATER SUPPLY SYSTEM OF
THE CITY OF NORTHVILLE ON
A PUBLIC UTILITY BASIS IN
ACCORDANCE WITH THE PRO-
VISIONS OF ACT 94, PUBLIC
ACTS OF MICHIGAN, 1933, AS
AMENDED; TO PROVIDE FOR
THE CHARGING OF RATES FOR
WATER SERVICE; TO PRO-
VIDE FOR THE DISPOSITION
OF THE REVENUES OF THE
WATER SUPPLY SYSTEM; AND
TO PROVIDE FOR OTHER MAT-
TERS RELATING TO SAID SYS-
TEM.

THE CITY OF NORTHVILLE

ORDAINS:

Section 1. From and after Sept. 1, 1959, the Water Supply System of the City (as hereinafter defined) shall be operated on a public utility basis as authorized by law, particularly Act 94, Public Acts of Michigan, 1933, as amended.

Section 2. Wherever the words "the System" are used in this Ordinance, they shall be understood to mean the complete Water Supply System of the City of Northville and said System shall include the wells, well houses, pumps, water storage facilities, pumping stations, all water mains and water treatment facilities and all other facilities used or useful in connection with the obtaining, treating, storage and distribution of water and appurtenances and attachments thereto and shall also include any of the same which may hereafter be acquired.

Wherever the words "revenues" and "net revenues" are used in this Ordinance, they shall be understood to have the meaning as defined in Section 3 of Act 94, Public Acts of Michigan, 1933, as amended.

Section 3. The operation, repair and management of the System, and the acquiring of all improvements thereto, shall be under the immediate supervision and control of the City Manager, subject, however, to general overall control of the City Council.

Section 4. The System shall be operated on the basis of an operating year commencing July 1st and ending on the next following June 30th.

Section 5. The charges for water service to each premises connected to the system shall be measured by the City water meter installed in each premises and such water charges shall be as follows:

First 6,000 gallons per quarter: 50c per 1000 gallons;

Next 144,000 gallons per quarter: 25c per 1000 gallons;

Above 150,000 gallons per quarter: 11c per 1000 gallons.

The minimum charges per quarter shall be as follows:

READINESS TO SERVE CHARGE
SIZE OF METER OR SERVICE
3/4 inch 6,000 gallons or less \$2.00

1 inch 14,000 gallons or less \$5.00

1 1/2 inch 28,000 gallons or less \$8.00

2 inch 56,000 gallons or less \$15.50

For water furnished otherwise than through meters, the City Council shall fix a reasonable rate by resolution.

For building or construction purposes, the following charges shall be made for the use of water from the time of installation of the service pipe until a meter is installed.

For 3/4" Service Pipe: \$3.00 per month or fraction thereof;

For 1" Service Pipe: \$5.00 per month or fraction thereof;

For 1 1/2" Service Pipe: \$8.00 per month or fraction thereof;

For 2" and larger Service Pipe: \$15.50 per month or fraction thereof.

For fire hydrants located on private property a charge of \$25 per year shall be collected. Said charge shall be paid in four (4) equal installments payable at the time of quarterly billing.

For water being supplied to users outside the corporate limits of the City, the charge shall be double the rates inside the City.

HYDRANT RENTAL

The city shall pay in equal quarterly installments in advance the sum of \$50.00 per year per hydrant as hydrant rental for water used through fire hydrants and for the availability of such water. Such sum shall be paid from the general funds of the city into the Water Supply System Receiving Fund.

CONNECTION CHARGES

For each 3/4" or 1" connection to any water main which has been constructed and to which all con-

nections have been made and paid for by others than the City the charge shall be \$100.00.
For each 3/4" or 1" connection to any water main constructed by the City the charge shall be \$200.00.

All connections to the water system shall be subject to inspection and approval prior to use.

For connections larger than 1", the connection charges shall be fixed by the City Council by resolution.

BILLING

Charges for water service furnished by the System shall be collected in quarterly periods, and bills shall be sent to each user immediately after the end of the period and shall be due and payable at the office of the City Treasurer fifteen days after the date of the bill.

For all the bills not paid within 15 days of date of bill, a penalty of 10% shall be added.

ENFORCEMENT

The charges for water services which are under the provisions of Section 21, Act 94, Public Acts of Michigan, 1933, as amended, made a lien on all premises served thereby, unless notice is given that a tenant is responsible, are hereby recognized to constitute such a lien and whenever any such charge against any piece of property shall be delinquent for six (6) months, the City official or officials in charge of the collection thereof shall certify annually, on April 1st of each year, to the tax assessing officer of the City, the fact of such delinquency, whereupon such charge shall be by him entered upon the next tax roll as a charge against such premises and shall be collected and the lien thereof enforced in the same manner as general City taxes against such premises are collected, and the lien thereof enforced: Provided, however, where notice is given that a tenant is responsible for such charges, as provided by said Section 21, no further service shall be rendered such premises until a cash deposit of not less than Twenty-Five (\$25.00) Dollars shall have been made as security for payment of such charges.

In addition to other remedies provided, the City shall have the right to shut off and discontinue the supply of water to any premises for the nonpayment of water rates when due. If such charges are not paid within sixty (60) days after the due date thereof, then water service to such premises shall be discontinued.

Water services so discontinued shall not be restored until all sums then due and owing shall be paid, plus a turn-on charge of Three (\$3.00) Dollars.

Section 6. No free service shall be furnished by said System to any person, firm or corporation, public or private, or to any public agency or instrumentality.

Section 7. Commencing Sept. 1, 1959, the revenues of the System are hereby ordered to be set aside, as collected, and deposited in a bank to be designated by resolution of the City Council, in an account to be designated WATER SUPPLY SYSTEM RECEIVING FUND (hereinafter referred to as the Receiving Fund), and said revenues so deposited are pledged for the purpose of the following funds and shall be transferred from the Receiving Fund periodically in the manner and at the times hereinafter specified.

(A) OPERATION AND MAINTENANCE FUND:

Out of the revenues in the Receiving Fund there shall be first set aside, quarterly, into separate depository account designated Operation and Maintenance Fund, a sum sufficient to provide for the payment of the next quarter's current expenses of administration and operation of the System and such current expenses for maintenance thereof as may be necessary to preserve the same in good repair and working order.

The City Council, prior to the commencement of each operating year, shall adopt a budget cover-

ing the foregoing expenses for each year, and such total expenses shall not exceed the total amount specified in said budget, except by a vote of four-fifths (4/5) of the members of the City Council.

(B) GENERAL OBLIGATION BOND AND INTEREST REDEMPTION FUND:

There shall next be established and maintained a separate depository account designated as the General Obligation Bond and Interest Redemption Fund, which shall be used solely for the purpose of paying the principal of and interest upon general obligation bonds of the City heretofore or hereafter authorized to be issued for water improvements. The moneys in the General Obligation Bond and Interest Redemption Fund shall be kept on deposit in a bank designated by resolution of the City Council.

Out of the revenues remaining in the Receiving Fund after provision has been made for expenses of operation and maintenance of the System, there shall next be set aside, quarterly, in the General Obligation Bond and Interest Redemption Fund, a sum which will be sufficient to provide for the payment of principal of and interest upon all outstanding general obligation bonds of the City issued for water improvements, as and when the same become due and payable.

(C) SURPLUS MONIES:

Monies remaining in the Receiving Fund at the end of any operating year after satisfying the above requirements may, in the discretion of the City Council, be transferred to the General Obligation Bond and Interest Redemption Fund and used to call bonds prior to maturity or to establish a reserve therefor, or transferred to a special depository account to be established and maintained and designated as Improvement and Extension Fund and used for improvements, enlargements, extensions or repairs to the System: Provided, however, that if there shall be any deficit in the Operation and Maintenance Fund or the General Obligation Bond and Interest Redemption Fund, on account of defaults in setting aside therein

Plan 7th Annual Patient Fair At Northville State Hospital

Northville State Hospital volunteer workers will sponsor the seventh annual Patient Fair at the hospital next Tuesday and Wednesday.

A recreational event, the fair is sponsored by volunteer groups for the entertainment of hospital patients. Games of skill and chance, home made food, and a clown band furnished by the Detroit Federation of Musicians, are all features of this year's fair.

In keeping with the hospital policy, patients attend such functions as the State Fair, weekly swimming parties at Kensington Park, baseball games, the Shrine Circus, and other such events. However, since not all of the 2,200 patients can attend these events away from the hospital, projects such as the patients fair are planned by volunteer groups.

According to Dr. Philip N. Brown,

the hospital medical superintendent, "this type of recreational activity is very enjoyable to our patients. They look forward to it and it has already become a traditional event. We are also very pleased to see that other hospitals are following our example."

Mrs. Carolyn Seefeldt, director of social service, is co-ordinator of the event and is assisted by Miss Janet Paterson, director of occupational therapy, and William Davis, of the maintenance department.

Local groups sponsoring entertainment booths are: Local 7, AFL-CIO, citizens auxiliary committee of the hospital, Michigan State Employees association, National Council of Catholic Women, Northville Children's association, Northville Psychiatric association, and the Psychiatric Attendant Nurses' association.

Plan Emergency March of Dimes

Threatened by a shortage of funds just as the summer polio season begins, many Michigan communities, including Novi, will hold an emergency March of Dimes next month.

Oakland county fell only 4% short of its regular January collection goal, but increased medical costs and epidemics have rapidly eaten up funds across the nation, explained Novi Campaign Chairman Mrs. Bernard Marchetti.

Backbone of the local drive will be a door-to-door collection from 7-9 p.m. August 25. Every house in Novi and Novi Township will be solicited.

Persons interested in offering their services to the emergency drive can call Mrs. Marchetti at MA.4-3087. Mrs. Richard Bingham is chairman for the Willowbrook area.

Junior Police To Attend Tiger Baseball Game

Members of the Northville Junior Police will leave at noon today (Thursday) for their first trip to a Detroit Tigers baseball game. Another trip to Briggs Stadium for the annual Police Field Day is planned for August 9.

FINE QUALITY
PRINTING
NORTHVILLE RECORD

Violates Zone Law

Owner of a Northville construction business, Paul Palmer, was found guilty by Justice E. M. Bogart Thursday of violating a zoning ordinance.

The decision was based on testimony of neighbors and police that Palmer stored and transported building materials on and from his Thayer Boulevard property.

This violated restrictions applied to residential zoning.

Palmer, defended by Attorney Clifford Hill, explained that he had tried but was unable to find a place in Northville to store his materials. The few areas available, he said, would need policing against vandalism. Others do not fall in the zoning classification his type of business comes under.

A fine was suspended and Palmer was given 30 days to remove the building equipment and materials from his property.

Have You Seen Any Martians Lately?

Was it a firecracker or flying saucer?

One guess is as good as another firemen say, concerning the cause of a sudden explosion and resultant grass fire under the Griswold street bridge last week.

Several persons reported hearing an explosion. Then flames were spotted lapping over the dry grass and weeds at the base of the bridge.

The blaze was quickly extinguished, but not a clue remained to hint what caused it. Maybe a bomb? Maybe a firecracker—some youngsters were seen circling nearby on motorcycles, they add.

It might have been a flying saucer taking off, one speculated half in jest. That's the way they take off, he said. An explosion, a burst of flames, then ominously nothing.

Are We In The Last Days?

N. B.

There are three periods of time yet ahead according to the Scriptures. The closing days of the Age of Grace; then a period known as the Great Tribulation; then the Millennial Reign of Christ on the earth, then eternity. It would surely seem that we are nearing the end. It may be a matter of days or it may still be years in the future. There are many reasons why the end of the present age may be near. I have space to suggest but two. According to Daniel 12:4 the end of the age will be marked by increased world travel and a remarkable increase in knowledge. It would amaze you to sit down and figure out the improvements in the mode of travel in the last 50 years. Then to make a list of the things teen agers know which were not known by our great grandfathers. Another reason is the return of the Jews to the land of Palestine. On May 24, 1945 the Jews have a Government for the first time in 2400 years. This is necessary if certain prophecies concerning the end time were to be fulfilled. The stage is set, the end could come anytime. Do you have a question?

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Thursday, July 23, 1959—11

NEARLY 400 ROTARIANS, exchange students and their foster families and friends attended the annual farewell dinner Thursday night at the Wayne County Training School. Rotarian Dr. James E. Harris was chairman of the program. The dinner arrangements and facilities were under the direction of Dr. Pasquale Buoniconti, medical superintendent of the training school.

REPRESENTATIVES OF CONSULAR OFFICES in Detroit spoke briefly to exchange students from their countries. At right is Gunther Lasker, secretary to German Consul Dr. Ferdinand Friedenberg; center is W. K. Von Weiler, Netherlands Consul; and at left is Finnish Consul Harri M. Virjo.

"That horn-blower behind me got my goat..."

Even good drivers

can be forced into accidents! A hill-climbing truck ahead and a parade of honkers behind can try your patience. Some tail-gater with his lights full on you can make you boil. But don't fall for those old "let's you and him fight" routines. Traffic accidents killed 37,000 people last year. Who knows how many died because some good driver let another pressure him into taking a foolish chance? Don't let anger force you to risk lives—yours or others!

Where traffic laws are strictly enforced, deaths go DOWN!

Published in an effort to save lives,
in cooperation with the National Safety Council and The Advertising Council.

Six exchange students—completing one year in the United States under the "Youth for Understanding" program—spoke for 80 of their fellow students to an audience of nearly 400 Thursday night at the Wayne County Training School.

The event was the annual farewell dinner for foreign exchange students from throughout the state sponsored by the Northville Rotary club. The teen-age exchange program is under the sponsorship of the Michigan and Ann Arbor-Washtenaw county council of churches.

The students who gave brief remarks were Karin Reinke of Germany, Tauno Kahanpaa of Finland, Ankie Braam of Holland, Susan Smith of Ireland, Lothar Schlafke of Germany and Mike Gall of Germany (who with Ilke Hartmann of Germany resided with Northville families during the past year).

Toastmaster Clifton Hill took some playful criticism for his pronunciation of the students' names. But he beamed when it came time for Irish Susan Smith, a name he reeled off without a slip.

The youngsters admitted that words could not express their gratification for having been able to live in America—nor how sad they were to leave their new "parents". German Karin Reinke will remember Americans for the way "they look you straight in the eye", while Lothar Schlafke said that he hoped the German youngsters had proven that they are not "young, growing Hitlers". Each youngster showed remarkable command of the English language.

Other speakers included words of greeting from Rotary Vice President John Miller and Dr. Elmer A. Goerke, Rotary district governor.

Harri M. Virjo, W. K. Weiler, consuls from Finland and the Netherlands, respectively, and Gunther Lasker, secretary to the German Consul Dr. Ferdinand Friedenberg, also addressed the gathering.

The students stayed with Northville families last Thursday night and left by bus for Montreal Friday. From there they were to re-

turn by boat to Europe escorted by members of the council of churches.

Ankie Braam, exchange student from Holland looked exactly as one would imagine a Dutch girl. A tall blond, she kidded Toastmaster Hill (foreground) on his attempt at pronouncing her name and his guess that "Ankie" was a boy.

Tauno Kahanpaa of Finland tells the audience and her foster parents that she will miss America. Shown at the speakers' table (l. to r.) are: Rotary Vice President and Mrs. John Miller and Toastmaster and Mrs. Clifton Hill.

To Enter State Finals

Jackie Phillips Wins Title

SHARON NASH returns an easy shot back over the tennis net . . .

Jackie Phillips notched a narrow victory over Pat Riley in final qualifying rounds last weekend to win herself a trip to Detroit to compete in the Motor City Novice Tennis Tournament.

The junior division winner blanked Sharon Nash in the semi-finals, 6-0, 6-0, before beating Pat in three close sets, 6-8, 6-4, 7-5.

Winners of the other divisions were not known at the time of this writing. Myrl Douglas was to meet June King to determine the girls' senior division representative, and Tom Slattery and Jim Aderson were slated in the Boys' junior division finals.

The local winners will participate in the state finals at Detroit's Palmer Park, Saturday and Sunday, and August 8 and 9.

Each contestant at Detroit will receive a racket cover after playing a first round match in the finals. Trophies and medals for the qualifying rounds, as well as for the finals, will be furnished by The Detroit News, sponsor of the tournament.

High school and college players who have received letters in tennis and winners of previous novice center tournaments are not eligible to compete.

TO JACKIE PHILLIPS who won the semi-final match, 6-0, 6-0.

Recreation Department To Sponsor Contests

Two recreation department contests have been scheduled for next week Friday, recreation officials revealed this week.

An archery contest for boys and girls, ages 5 to 15, will take place at 9 a.m. at Ford Field. Prizes will be awarded in five age groups.

A golf tournament for boys and girls, 12 and over, and possibly a tournament for adults will be held at Brae-Burn golf club, 10860 West Five Mile road.

Adults and boys and girls interested in playing golf should contact the recreation department before the tournament. Contestants must pay their own green fees.

Other upcoming events include the annual pet and doll show, August 7, and the water carnival, August 14.

Downs' Final Racing Week To Feature County Trot

Swinging into its sixth and final week of its 36-night meeting, Northville Downs will give harness racing fans a chance to see the best trotters and pacers in action in a pair of stakes that stack up as just about the best of the entire summer campaign.

The features of the final week start Wednesday, July 29, with the renewal of the traditional \$4,000 Wayne County Trot. The second big event of the last six days is scheduled for Friday, July 31 in the running of a new stake, the \$5,000 Tri-Meet Pace that will bring many of the better sidewheelers from the midwest to the half-mile track.

Make Haste, the brilliant star from the Brown Valley Farm who has been campaigning in Vernon Downs and Yonkers Raceway, will return to the local wars for the Wayne County Trot.

But pitted against him will be such standouts as the three-horse entry from the George Sholly stable of Chaldale Scott, Mark Volo and Clem's Choice; Dorsey Greeno's Demon's Dream; Saunders Mills' Al-mira Worthy; Dick Buxton's Flicka Frost to mention a few of the invaders.

The Tri-Meet Pace may develop into one of the finest paces of the entire 36-nights since it matches such speed merchants as Curly's Smart's Guy Sota, Saunders Mills' Buckeye, and Irish Gallon, Chance Play, Shanravan, Mr. Blackbird, Linda's Indian and Fashion Frisco.

Wixom Orioles Win, Near First-Place Tie

The Wixom Orioles jumped into a second place tie with Multi-Lake Sunday as the Walled Lake Little League teams moved into the final week of action.

Fred Ferguson singled to right to drive in the winning run in the final inning to give Wixom a 2-1 victory over Multi-Lake. Don Rickard was the winning pitcher.

The Orioles were scheduled to meet first-place Walled Lake yesterday in the season finale. A Wixom victory would move the Orioles into a first-place tie.

Wixom's other baseball nine, the Oriole farm team, dropped their 10th game of the season, losing 16-0 to the Union Lake Indians. Gary Connelly gave up 11 hits as his team lost.

The farm club now has a 10-3 record.

Race Track Workers Hold Annual Golf Meet

Detroit area track employees held their annual golfing tournament Sunday at Motor City's eastside Beverly Hills. Sixty-five players attended.

The best score was a sizzling 70 shot by young Don Wood, who works at M.R.A. for his uncle, Trainer George White. Wood won a similar match last year at Monmouth, N.J.

Northville Downs parking attendant Ray Hartner shot a 73, M.R.A. manager Paul Ryder had an 81, race secretary Robert McAuliffe, 88, judge Homer Ellis, 90, and trainer J. Tribula, 79.

Track owners in the area gave bags, umbrellas and other prizes to both men and women who work at the horse racing business.

A chicken dinner followed.

NORTHVILLE LANES

Orioles Win Two, Drop One; Third Place Finish Probable

The Northville Orioles seemed destined for a third-place finish in the American League Class "F" standings as they launched their final week of action Tuesday.

Meanwhile, the other Class "F" squad, the Braves, are mired in sixth place in the National League.

The Orioles were scheduled to clash with the Grant Seals Tuesday afternoon in their season finale, while the Braves will wrap up their season in a diamond tilt with the Taft Bears today.

According to Oriole coach Ken Conley, there is little chance of his squad moving up in the standings unless first-place Rosedale (14-1-2) and second-place Clarenceville (16-2) are upset in their final two games. Northville has a 15-4 record.

The Orioles turned in two victories last week, but lost an important contest with Clarenceville, 6-5. Rick Roy of the White Sox gave up 11 hits in winning the game. Gary Grys, who allowed 10 hits, was the losing hurler.

Northville lost the lead in the third inning and never regained it as Clarenceville scored twice in the third, once in the fourth, and two more times in the fifth.

Joe Hay took hitting honors for Northville, smashing one home run and two singles.

In other games, the Orioles defeated the Optimist Indians, 8-2, and the Taft Badgers, 9-1. Dave Luedtke was the winning pitcher against the Indians, and Terry LaRue was the winner against the Badgers.

Leading hitters for Northville in the game with the Indians were: Gordie Hammond, one triple, two singles; Grys, one double and one single; and Dan Bishop, two singles.

LaRue gave up only two hits and struck out 11 batters in beating the Badgers. His teammates, on the other hand, rocked Dan Bradley for six hits. Leading hitters were: Hammond, two singles; Joe Hay, one double and one single; and John Mach, two singles.

The Northville Braves split their two games last week, defeating the Wayne Barons, 11-3, and losing to the Wayne Brewers.

Chuck Bailey hurled Northville to its victory over the Barons, while Eric Peterson was tagged with the Braves' loss. However, Peterson gave up only two hits in losing and Bailey gave up 3 hits.

The Brewers untied a 1-1 knot in the fifth inning with a triple to right field. The batter, Bill Cecil, scored later on an infield out.

Wayne's winning pitcher, Larry Young, gave up two hits to duplicate Peterson's performance. Peterson struck out 12 batters.

In the other game, the Braves added frosting to the cake in the seventh inning by pushing across seven runs. Leading hitters for the Braves were: Jack O'Dell, home run; and Jerry LaRoque and Jim Weidner, each had two singles.

Tosses Two-Hitter For Dodgers Victory

Little Norbert Parent just doesn't believe in the old adage that good pitchers can't hit.

The Dodger hurler tossed a two-hitter against the Yankees—pounded out two home runs to give his team a 7-4 victory in the knot hole baseball league.

Jerry Asher was the leading hitter for the Yankees. He hit a triple with two men on base.

Jerry Inslund pitched the Dodgers to their second victory, 9-4, over the basement dwelling Tigers. The win gives the Dodgers a firm hold on first place with a 7-1 record.

Robert Sproule smashed a long double with two men on for the Dodgers. Inslund collected two hits while hurling a two-hitter.

The Tigers won their first game—an extra inning 7-6 thriller over the Giants. With two outs and the score tied in the extra inning, Jim Horton lopped a triple over the right fielder's head to score Mike Horner from first to win the game.

Ken Van Sickle, the winning pitcher, collected three hits in three attempts for the Tigers. Mike Stevenson was the loser.

Keith Mueller hurled a three-hitter against the Giants to give the Yankees a 5-1 win. Pete Southerland was the loser. He had assistance from Mike Stevenson.

Mueller also was the leading batter for the Yankees, collecting two hits in two times at bat.

The Tigers continued to dominate the knot hole softball league last week, winning 28-7 over the Panthers, and 19-2, over the Bobcats. Kim Marberger was the winning hurler in both games.

Craig MacDermid hit a grand slam home run in the fourth inning to lead the Bears to victory in a come-from-behind game, 14-5. Dan Stoddard was the winning pitcher, Paul Hodapp the loser. Bill Wilcox hit two singles for the losers.

Mustang Drop 3 Games; Stumble into Third Place

The Mustangs galloped down a championship path last week, but stumbled over the Plymouth Elks, 5-2, Willow Run Flyers, 11-1, and the Clarenceville Trojans, 2-1.

Back up on their feet this week but carrying a 7-4 record, the Mustangs are no longer favorites to win the Class D baseball title. Willow Run has jumped into the lead followed by the Elks.

The victory over Northville moved Willow Run into first place with an 8-2 record. The Mustangs are tied for third place with Clarenceville (6-4). The Elks are in second place with an 8-3 record.

Should Northville win its remaining six games, it could conceivably win a piece of the "D" title, since the Flyers have two or three tough games remaining.

Mustangs And Tigers Like 'Em

Jon Nelson, ace hurler for the Clarenceville Trojans, has been signed by the Detroit Tigers to its Class D Midwest league farm club, the Decatur Commodores.

The 17-year-old pitcher, who the Mustangs knocked from the box last May in handing the Trojans their first loss of the season, was signed by Scout Ray Meyers.

Nelson hit his peak last season with a no-hitter against Bloomfield Hills. During the game he set down 14 batters on strikes.

National Bank Plows Ahead In Novi Little League Race

The National Bank nine continued its red hot hitting streak last week in pounding out victories over Paragon, 8-3, and Fiberglass, 20-5.

In other Novi Little League games, Fiberglass rolled over Young Door, 12-5, and Young Door nipped Paragon, 6-5.

Little Ricky White collected four hits in five trips to the plate in pushing National Bank's score upward against Fiberglass. He smashed two singles, a double and a triple.

Teammate John Harendson hit safely in three times at bat while George Burchfield walloped his eighth home run of the season for National Bank. Duane Miller hit safely four times and his National Bank teammate Jack Fritz collected five hits.

Miller was credited with the victory; Jim McMillan was the loser. White hurled the second victory for National Bank, while Jim Schingek took the loss.

National Bank scored their eight runs on five hits. Paragon, on the other hand, could push across only three runs on eight hits.

Miller and Birchfield took hitting honors for National Bank; Larry Galvin, Jim Driscoll, and Ronnie McHale led Fiberglass' hitting attack.

Fiberglass' ace hurler, Ralph Caliguri, struck out nine batters and gave up five hits as his team rolled over Young Door, 12-5. Jim Payton was the losing pitcher.

Caliguri and Pete Gatterer were leading hitters for Fiberglass, each collecting three hits in four times at bat. Ted Bunker's two bagger was tops for Young Door.

Norman Krogg struck out 10 batters and walked only one to help Young Door to a 6-5 win over Paragon. Jim Driscoll, who also struck

Hurler Bill Boyd fired a three hitter against the Elks at Plymouth Thursday, but a home run spoiled the menu.

Northville was leading, 2-1, when the Elks came to bat in the bottom of the fifth. An error and a walk set the stage for a three-run blow to right center by the Elks' pitcher, Manenette.

Plymouth added an insurance run in the sixth, while corking up Northville's offense. The Elks used three double plays to cut short the Mustang rallies.

Boyd drilled a single to center to score Steve Juday for the first run in the opening inning. The Northville pitcher looped a single to left in the third scoring Fred Steeper to cap the Mustangs' scoring.

Joe Kritch shouldered his second loss of the season as the Flyers jumped on him for 11 hits to win 11-1.

Meanwhile, the Mustangs could dig up one run with four hits. Bob Nauman grounded a single to right to score Dave Hay who made first on an infield hit in the fifth.

The Mustangs came up with only three hits against the Trojans as the Clarenceville hurlers struck out 16 of the 21 batters. Bill Boyd was tagged with the loss.

Northville is scheduled to meet Wayne Ford today on Wayne's diamond.

2 Northville Nines Dump Novi, 7-3, 2-0

Two Northville teams scuttled all neighborhood acts last week and pushed the Novi squad deeper into the Class "B" league cellar.

The first-place Northville Plumb-ers knocked Novi down the first flight of stairs, 2-0, while Northville Recreation pushed them the rest of the way, 7-3.

Craig Bell, hurler for the Plumb-ers, pitched a no-hit game, striking out eight of the 22 batters he faced. Tom Morrison was charged with the Novi defeat.

Northville collected six hits, but did not score until the sixth inning. Bell started the Northville rally with a single to center. Butch Willing tripled to right, scoring Bell. Then Tom Swiss rifled a double to center, scoring Willing.

Bell, Swiss, and Willing were leading hitters for Northville. Recreation picked up its first win of the season by dumping Novi. Bill Elwell, who relieved Johnny Kohler in the second, was credited with the victory. Rice was the loser.

THEY THREW MOST OF THEM BACK—Of the nearly 50 pike caught recently in Lake Wenebagon, Ontario, by Nelson Schrader (left) and Tom Carrington, only this 16-pounder was a "keeper". The other pike—which averaged four pounds were tossed back to "grow up". Carrington landed this 39 inch fish with a 20-pound test line and a daredevil. According to the oldtimers at Lake Wenebagon, Carrington said, "our single day catch was a poor one." The lake is 575 miles from Northville—about 100 miles north of Sault Ste. Marie.

Prefers Stocks to Bonds

Babson Park, Mass. The Dow-Jones Industrial Average is today about 660, compared with 350 five years ago and 170 ten years ago. Therefore, it is dangerous for one who does not have conservative recommendations from a long-established service, or from a trusted bank or brokerage official, to invest money today in common stocks. Like a trapeze artist in a circus, the higher up he gets, the more dangerous is his fall.

Bonds Versus Stocks

In view of the continued threat of inflation, I am not now advising my friends to have all of their funds in bonds — even though bonds now yield much more than stocks. This applies not only to long-term bonds but also to short-term issues. Witness the recent issuance of one-year treasury bills to yield 4%.

My father, who was a country banker in Gloucester, Massachusetts, used to tell me that preferred stocks are neither "fish nor fowl", "hay nor grass". As a rule, such stocks are redeemed if the company is successful, and wiped out if the company fails. This, however, was before President Franklin D. Roosevelt squeezed the water out of the utilities and when they were very competitive. Today, for income and safety, I believe that First Preferred Cumulative Utility Stocks are worthy of purchase, especially if issued by the local company to which you pay a monthly bill. If by any chance you can find such a local stock which is also either convertible or non-callable, it is especially attractive.

Future Of Electric Power

Whatever happens during the next few years, the output of electricity will continue to increase. This is due both to the fact that the cost of generating electricity is gradually decreasing and also to the fact that demand by municipalities, industries, and homes is constantly increasing.

Most readers of my column have seen house heating change from the use of coal to that of oil and gas. I believe that our grandchildren will see electricity take the place of oil and gas. This electricity will supply heat in the winter and air conditioning in the summer, as well as operate many home appliances not yet invented.

We do not see much direct ad-

vertising of electric power; but the newspapers are full of ads for all kinds of electric appliances, — often with no down payment required. This means that there are hundreds of thousands of dealers who are selling electric appliances which will use more electricity. No other industry is in such a favorable situation, — with a monopoly, in addition. Although the rates of electric power are controlled by State Commissions, these Commissions allow rates which will pay the interest on bonds and the dividends on preferred stocks. Electric power companies are safest from labor troubles, which are destined to become more serious with all other industries. When going crazy about "electronics" stocks, remember that electronics always depends upon and uses electricity.

Stocks With Long Dividend Records

When a reader wants a stock for income, he is interested in the number of years that the company has paid dividends. As the electric utilities are young, they have not generally had a long record. Many insurance companies, gas companies, and the like have been paying dividends for about a hundred years. Company has been paying dividends for 110 years; the Travelers Insurance has been paying for 96 years; the New Haven Water Company 82 years; and the Home Insurance Company, in which I am a great believer, for 86 years.

The following are a few other such companies coming to my memory. Their stocks are all common shares as preferreds did not exist so long ago. The Aetna (Fire) Insurance Company has paid dividends for 87 consecutive years; the Hartford Fire Insurance, 87 years; National Fire Insurance, 88 years; Phoenix Insurance, 86 years; Southern New England Telephone, 69 years; and the Security Insurance for 66 years.

Suspend His License

The operator's license of Bennie Polanski, 19890 Maxwell street, has been suspended, the Michigan Department of State revealed this week. Polanski's license was suspended for lack of financial responsibility.

Michigan Mirror

Asks for Court Decision

A NEW DRIVE opened in Lansing to help Michigan get a new constitution.

A number of prominent attorneys want the Supreme Court to in effect order the State Board of Canvassers to rule enough votes were cast in November to call a constitutional convention.

IN NOVEMBER, 821,282 voters favored calling a constitutional convention to rewrite the present Michigan charter, adopted in 1908. Only 608,365 opposed the proposal.

But, because of a 1949 ruling, the majority vote in November was not enough to call a convention. The State Board of Canvassers ruled that year a majority of all "those voting in the election," not just a majority of those voting on the question itself, was necessary to call the convention.

The Supreme Court upheld the board's 1949 ruling.

TWO FIGURES in the 1949 case have new roles in the 1959 case. Both are from Port Huron.

Attorney General Eugene F. Black, now a State Supreme Court justice, carried the board's ruling to the high court in 1949, with an assist from his deputy, Peter E. Bradt.

Bradt, now a Port Huron attorney, helped draft the petition asking the Supreme Court to reconsider the 1949 opinion.

Bradt noted revision was approved five times between 1849 and 1904 by a majority of those voting on the issue.

James E. Haggerty, Michigan State Bar president, was among the petitioners seeking reconsideration. Only two justices signing the 1949 opinion, John R. Dethmers and Leonard W. Carr, are still on the court. The petition they will consider argues the present constitution leaves Michigan in "governmental and economic helplessness."

ONE OF THE LATEST amendments to the constitution allows the Legislature to make provisions for continuity of government in event of enemy attack.

The Legislature, at the urging of Civil Defense officials, took advantage of the amendment and passed two continuity of government bills, one for state government and one for local government.

The governor would be required to appoint three "emergency interim successors" who would assume the governor's duties if the governor and the Administrative Board

are "unavailable" because of enemy attack.

Administrative Board members and officials of local government would appoint five interim successors.

SPONSORS OF THE LEGISLATION issued this statement:

"While we pray that it will never be necessary to function under these bills, if we do have to, then these bills may be the most important measures before the legislature this session.

"World tensions are mounting; atomic weapons are becoming more powerful; the means of delivering paralyzing destruction throughout the world are multiplying. There is no reason to panic or to become frightened. We do need, however, to plan and prepare insofar as human ingenuity permits for enemy attack and resultant disaster."

\$1,500,000 EQUALS three minutes saved for thousands of drivers.

The name of Sen. John Stahl (R-Belding) was not included in all of the advance publicity put out by the State Highway Department before ribbon-cutting ceremonies early in July for the new US-16 expressway that bypasses Portland, a community in Stahl's district.

But what Stahl said at the ceremonies made the department take notice.

"I checked the savings in time in traveling over the old highway through Portland as against traveling over the new \$1,500,000 limited access highway and I found that by observing all traffic regulations, including stopping at the traffic light at the foot of the hill in Portland, three minutes were saved in traveling over the new route," he said.

Stahl, one of the most active and most quoted of the freshman lawmakers, devoted his maiden speech early in the legislative session to the Highway Department. He said he was amazed at the number of "drumbeaters" the department had on its public relations staff.

The Belding Republican recently was on the losing side of a floor debate, and returned to his seat, where he found a telegram that made him remark, "at least the people back home like me."

The telegram was from Dale Stafford, Greenville editor, who praised Stahl for his fight for Freedom of Information legislation.

MUCH OF THE LEGISLATION passed in Lansing this year was designed to meet special problems in a specific community — but may effect other communities later on.

No excuse for crabgrass now

Here's the guaranteed way to end crabgrass fast — without hard work. Simply pour clean, dry CLOUT into the Scott's Spreader hopper, set the dial to 7, and start walking! CLOUT goes on uniformly — just the right amount. Kills even big, tough, full-grown crabgrass. Don't delay — blast crabgrass now, with CLOUT.

CLOUT — treats 5,000 sq. ft. — \$6.95

Need a Scott's Spreader? Save \$5.00 right now and reap the benefits year-round. CLOUT (\$6.95) plus No. 35 Spreader (\$16.95) together now only \$18.90.
