

Possible Blue Cross Refusal Threatens Hospital

The future of Northville's Community General hospital — newly opened less than one week ago — became suddenly grim this week with the revelation that it might not qualify for full Blue Cross membership.

The possibility fell like a bombshell last Friday afternoon at a hospital meeting between members of the Community staff and directors and a representative of the Blue Cross plan.

Without full Blue Cross support it is extremely doubtful that the hospital could continue operations.

Specifically, the local hospital authorities learned that Blue Cross takes a dim view of "proprietary" hospitals, even when organized as a non-profit corporation.

The representative did stress

the fact that Community's problem in gaining acceptance was in its organizational set-up and not in facilities. He termed the hospital — after a preliminary examination — as a "very adequate facility for the community."

In dollars and cents the possibility that Community General would be a "non-participating" member means that Blue Cross would pay only \$14 per day of the patient's hospital cost. This is approximately one-half the average charge. Member hospitals receive full payment.

Carrying the impact upon the operation of the local hospital a step further, it is estimated that 70 percent of the persons having hospitalization insurance in this area are under the Blue Cross plan.

Therefore, without Blue Cross,

Community General would immediately lose 70 percent of its patient potential.

Friday's meeting was attended by Dr. H. L. Bergo, a Northville physician who recently purchased the former Sessions hospital and rejuvenated and renamed the facility; Administrator Calvin Monfils, and staff doctors, L. W. Snow, I. L. Sparling, A. A. Holcomb, L. M. Hotchkiss, Anthony Font and William Edmonds.

Robert A. Maurer, administrative assistant to the director of hospital affairs, represented Blue Cross.

Maurer emphasized that final determination of membership must be made by the board of trustees of Blue Cross. He said that in his opinion proprietary ownership would disqualify the local hospital.

He pointed out, however, that

the application could not be considered until the next board meeting, October 29.

Dr. Bergo, together with his partner in the ownership of the hospital, Abraham Farris, Administrator Monfils, Staff Chief Dr. V. George Chabut and Attorney Clifton Hill immediately set-out to seek means of gaining full Blue Cross acceptance.

In an attempt to approach the requirements which may be necessary for qualification, the group embarked upon a program of appointing a broader board of directors — representing communities in the entire area.

They are also hopeful that public need and sentiment will play a key role in gaining acceptance. Specifically, they believe that the need for the facility in the area is great enough to bring about

a wave of public reaction which could have some bearing on the final decision.

Maurer told The Record, however, that the organizational change would have to be much broader than this. The hospital would have to be truly "community owned" and operated, he stated.

Explaining the Blue Cross position, Maurer said this was a general rule and not specifically aimed at Community General. He pointed out that the opportunity for financial gain and the ability of one man to close or operate a hospital as he saw fit under proprietary arrangement were objectionable features and not desirable for a community.

Maurer suggested two solutions:

1. Sale of the complete facility to the community and then establishment of a board of trustees;

2. Formation of a holding company by the present owners who would then lease the building and facilities back to the community for management and control. He said definite limitations are set on the amount of rent that can be charged to the community under such a set-up.

Neither of these ideas appealed to the directors or staff members of Community General.

When Dr. Bergo and Farris purchased Session last spring — just as a community effort to take over the facility was getting underway — the general feeling of the promoters of the community effort was one of relief.

It has been pointed out that the new owners have gone much further financially in equipping and improving than believed possible under public solicitation. It has been estimated that upwards of \$150,000 has been spent in the purchase and re-opening of Sessions.

It remains unclear as to why the new owners were not better informed of the potential pitfall with Blue Cross. Directors claim that "proprietary discrimination" is a new ruling, invoked only this month. Blue Cross authorities, however, say that their plan has moved steadily in this direction and the stipulation has been enforced "about two years".

It was pointed out that inquiries for membership to Blue Cross were not made until August 24.

Blue Cross also explained that another Northville hospital under private ownership — Atchison Clinic — receives full benefits of Blue Cross because its membership existed many years before the tightening of regulations.

Meanwhile, formal application for membership in Blue Cross is being made by Community General and plans for broadening the control of the operation of the hospital will be completed before the October 29 meeting of Blue Cross trustees.

The owners are now banking that this re-organization effort — along with other public appeals — will be enough to gain membership.

At this point they are reluctant to consider community financial participation, as suggested by Blue Cross.

Novi City Vote Defeated, 5 to 1

Village residents voted against changing Novi to a city by an overwhelming 766 to 175 decision Tuesday.

While stamping their disapproval on incorporation, the electors gave the village planning board and council a vote of confidence by their 532-388 decision to retain a much debated zoning amendment.

Altogether, 986 voters cast ballots in the special election Tuesday. This means that 542 registered village electors failed to go to the polls.

Village Clerk Mary Wallace reported that nearly 100 voters were turned away from the polls because they were not registered with the village. Many of these persons thought that registration with the township was sufficient to qualify them for the election, she said.

Nevertheless the turnout was considered by both those for and against incorporation as a "good vote".

Under a state statute two years must pass before another incorporation election can be held. However, an election to change the village back to a township could be requested immediately if enough petitioners so desire.

Several residents in Novi have hinted that a movement to make this return to township status may be started. However no public action has been taken as yet.

Because city incorporation failed, the votes for the city charter commission were automatically scrapped. Seventeen candidates had sought seats on a nine-member commission to draft a charter.

Had incorporation won approval, the following nine candidates would have been elected.

Joseph Crupi, 417; Frank Watza, 346; Arthur Heslip, 326; James D. Mitchell, 322; Dean H. Lenheiser, 321; David M. Fried, 320; Dirk Groenenberg, 315; Jack Crawford, 308, and Herbert C. Dryer, 281.

The other candidates in the order of their votes were:

Leo Harrawood, 277; Russell Button, 277; Clifford A. Farrington, 231; Orlo M. Johns, 230; Bert Fisher, 208; John Kubeck, 205; Herbert Koester, 202, and Sanford Sawyer, 158.

Although the vote on the zoning proposition did not approach the 5-1 incorporation defeat, the decision was decisive — with persons on both sides claiming their vote would have been greater if wording on the proposition had not been "so misleading".

A "yes" vote on this measure would have removed the M-3 (industrial) zoning placed on some 114 acres of property, owned by Arthur J. Heslip, lying east and west of the C&O railroad on the north side of Nine Mile road and would have returned it to AG (agricultural) zoning.

The "no" vote means the zoning amendment will stand. The land was rezoned M-3 last June by the village council at the suggestion of the planning commission. Residents of the area strongly protested the action and, as a result of their efforts the question was placed on the city incorporation ballot.

The heaviest vote to repeal the amendment (243) came in the first precinct which includes the Nine Mile area and nearby Willowbrook subdivision. The vote to retain the amendment was about evenly divided between the two precincts.

Precinct one had a 46 vote edge over the other precinct in defeating incorporation. Only 77 voted for incorporation in precinct two while 98 precinct one voters favored incorporation.

Feeling both for and against incorporation had been strong. Advocates insisted that it would eliminate duplication of government (with the township) and bring harmony to Novi. Organized forces against city incorporation, on the other hand, argued that higher village taxes have not produced more service, and that city status would bring more tax increases.

Cement Sales Going Up!

Next summer may be a big year for new sidewalks in the city of Northville.

Monday night the council put the finishing touches on a proposed sidewalk ordinance that will enable the city to require that property owners to replace badly damaged walks.

Furthermore, the ordinance provides that the city is through participating in the cost of installing new walks. Presently, the city pays one-third the cost of new walks (except in the case of new subdivision developments). But under the new ordinance all sidewalk cost — new or replacement — will be paid by the property owner.

Councilmen decided to let the one third — two thirds arrangement of financing new walks in the "old" areas of the city continue for another year after passage of the ordinance, however.

They reasoned that this would give property owners who have not installed walks in front of their homes an opportunity to do so at a one-third saving in cost.

Thus, the belief is that next year many homeowners who have not yet installed sidewalks will get busy and do so next summer.

The council has indicated it will be firm in enforcing the sidewalk ordinance — both in the case of properties having no walks and those where walks are badly damaged.

Where the city decides that walks need replacing, the new ordinance provides that the property owner should be given 30-day notice to comply. The owner can do the job himself, hire it done or leave it for the city to do. In any case, the property owner pays for the installation.

Exceptions to this will arise when damage is done to the walks by city activity or where a city-owned tree causes breaking of the walk. Also, the city has indicated that it will pay for the cost of the walks if it is necessary to change the grade of the walk for road paving, etc.

Presently, in all cases except where new walk is installed for the first time, the property owner pays for the sidewalk. The ordinance will change the present condition only by giving the city the authority it does not now have to insist that walks be installed when deemed necessary.

The ordinance is expected to be approved for publication next Monday night. A public hearing will probably be held in early October before final adoption.

Rocks Put Win Streak on Line Friday

P-TA to Hold Public Open House At New High School

Local residents will get a grand tour of the new Northville high school next Thursday evening, September 24, at the annual P-TA open house.

Planners expect an attendance of 600 adults, said P-TA President Mrs. Crisp Hammond. Vice President Mrs. Fran Gazlay is program chairman.

Although teachers and students have had to make the best of unfinished entrance roads until now, the main access road off North Center street is expected to be ready for the open house, Mrs. Hammond said.

Visitors are asked to arrive between 7:30 and 8 p.m. and to go directly to the auditorium where details of the tour will be given.

The high school band will entertain arriving guests.

At 8 o'clock Principal Elroy Ellison will greet visitors and give a brief description of the new building. Maps of the school will be distributed, and the tour outlined.

Exhibits of various classroom facilities will be performed by students and teachers at scheduled intervals during the evening.

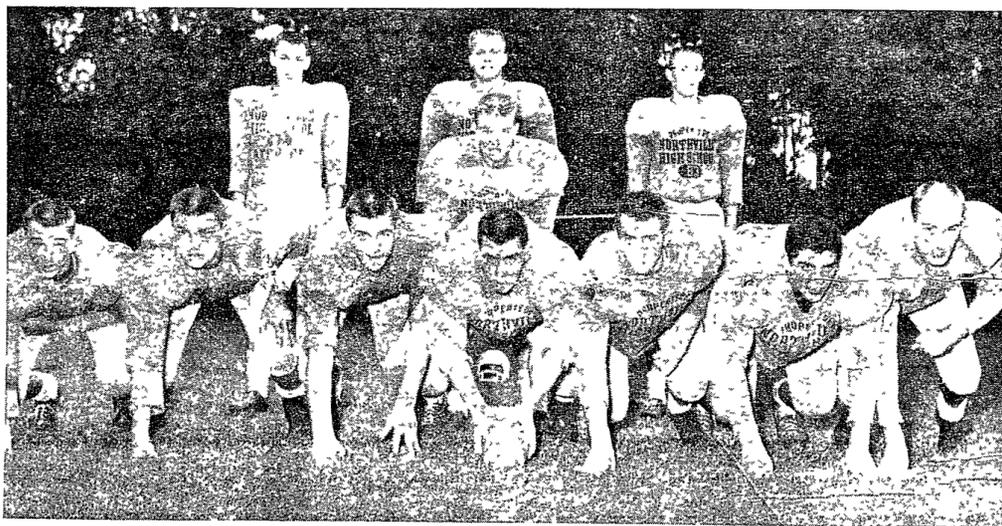

Coffee and cookies will be served to visitors during the evening by P-TA Social Chairman Alta Sorensen and her staff members.

P-TA memberships will also be taken outside the auditorium by Membership Chairmen Mr. and Mrs. Phil Nauman. New members will receive a booklet containing information about teachers, school board, administrators, and P-TA program for the year.

P-TA Hospitality Chairman Mrs. Robert Hallam will also welcome guests.

The tour is expected to last until 10 p.m.

P-TA officers, social chairman, the high school principal and administrators have planned the open house.

WE'RE READY, ARE YOU PLYMOUTH?—These Northville gridders will make up the starting eleven when the Mustangs take on arch-rival Plymouth tomorrow in the opening football game of the year. On the line (left to right) are: Dave Hay, Wade Deal, Bill Juday, Dave

Nash, Fred Mitchell, Jerry Biddle and Joe Gotro. In the backfield (left to right) are: Right Half Roger Atchinson, Fullback Gary Morgan, Quarterback Fred Steeper and Left Half Larry Nitzel. The game which will be played at Ford Field will start at 8 p.m.

Planners Pass Zoning; Ask City to Provide Park

Northville planning commissioners approved zoning recommendations for four parcels of land Tuesday night despite protests in the case of one parcel.

All of the land in question is owned by the D & R Building company, developers of Yerkes Estates subdivision in the city's extreme north-east section.

Following are the proposals which were approved by the planners.

1. To rezone the westerly 900 feet of the unplatted area which lies east of North Center street and north of Maplewood street and extending northerly therefrom to the City limits from R-1 to R-1-S classification.

2. To zone the 2.3 acre parcel of land bounded on the west by Yerkes Estates Subdivision No. 2, on the south and east by the re-located Novi road and on the north by the City of Northville's well site from R-1 to M-1 classification.

3. To zone the 2.5 acre parcel of land bounded on the west by Yerkes Estates Subdivision No. 2, on the south by the City of Northville's well site, on the east by the re-located Novi road and on the north by Allen Drive from R-1 to C-1 classification.

4. To zone the 3.75 acre parcel of land bounded on the west by Yerkes Estates Subdivisions No. 2 and No. 3, on the south by Allen Drive, on the east by re-located Novi road and on the north by the City limits from R-1 to M-1 classification.

D & R Building company officials requested that parcel four be zoned commercial rather than manufacturing (M-1). Two planners, Chairman T. R. Carrington and Alfred Smith, voted against the manufacturing designation, but five other board members supported it. The D & R officials are expected to carry their appeal to the city council, which must accept or reject the planning commission's proposals.

Planners also approved a motion that urges the city council to consider acquisition of part of parcels two and three (described above) for a recreation area. The site lies near the city-owned well-site between Novi road and the Yerkes subdivision development.

As of last week, enrollment reached a 105 increase, or 1,844 students altogether. In kindergarten and second grades, the rise was 39 more than expected, and up 44 since June. All principals reported hikes — though fairly evenly spread — in class loads.

Junior High Principal Harry Smith expressed the general feeling among administrators, "If we could stay right where we are, students will be getting the maximum for our dollar. If we don't grow much more than this, we can operate comfortably."

The unexpected popularity of mechanical drawing and commercial subjects among high schoolers also forced Ellison to do some fast shuffling. His emergency measures

Enrollment Boost Catches School Officials by Surprise

School officials were caught on the wrong foot last week, waiting for trouble to pop up around the big move to the new high school and junior high.

To everyone's surprise the change-over went off uneventfully. The big shock was to come in unexpected enrollment increases and high registration for certain senior high subjects.

The school board took quick action at its regular meeting Monday night to remedy part of the problem by authorizing high school Principal E. V. Ellison to hire additional teaching help.

Although it has not reached the point of overcrowding, the enrollment boom still has the experts amazed. The drawing power of local schools, however, was pointed out as one possible cause.

Last June 1,695 students were enrolled in Northville public schools. Administrative Assistant Dr. Kenneth MacLeod estimated a fall increase of 80, or a total of 1,775 students early this month.

As of last week, enrollment reached a 105 increase, or 1,844 students altogether. In kindergarten and second grades, the rise was 39 more than expected, and up 44 since June.

All principals reported hikes — though fairly evenly spread — in class loads.

Junior High Principal Harry Smith expressed the general feeling among administrators, "If we could stay right where we are, students will be getting the maximum for our dollar. If we don't grow much more than this, we can operate comfortably."

The unexpected popularity of mechanical drawing and commercial subjects among high schoolers also forced Ellison to do some fast shuffling. His emergency measures

Wearing the laurels of the 1958 championship, Coach Ron Schipper's Mustangs will make their debut here Friday night in the traditional contest with the ironmen of Plymouth.

The two squads will clash at 8 p.m. on the Ford Field gridiron.

Big, strong and experienced, the Rocks are ready and anxious to defeat the Mustangs who last year humbled Plymouth and then went on to trample seven successive opponents for an undefeated season.

Plymouth Coach Mike Hoben will field a starting eleven containing 10 lettermen. And although he isn't making any predictions, all indications point to a better-than-average Plymouth squad.

In a scrimmage with Highlan' Park Saturday, Plymouth displayed an avalanche of plays that completely buried the Class A opponents.

Meanwhile, Northville chewed up Belleville Saturday in preparation for Friday's game.

Schipper will toss 17 battle-hardened veterans and a pocketful of fresh ammunition at Plymouth in an attempt to retain Northville's undefeated record.

To date the Mustangs have chalked up 25 league wins in a row; their victory string in all games stands at 17.

Records show that there has been no local team as far back as 1930 that can boast such a mark. The best previous achievement was recorded in 1950 when former Coach Al Jones' gridders were tied only by Plymouth, 0-0.

Northville came within one game of a perfect season in 1956 and 1957. Both times record hopes were upset by single point losses to Plymouth — a Class A team.

Both Schipper and Hoben feel they have good teams this season — but both are quick to admit a lack of depth and a number of other weaknesses.

Hoben, who has molded his starting eleven around the triple-threat quarterback, Randy Egloff, told The Record this week that his team will be strong offensively, weak defensively.

On the other hand, Schipper believes his squad may be strong on defense, weak on offense.

If the two coaches are correct Friday's game should be a repeat of the heart-breaking contests for which the two teams are noted.

Last year, Northville won by only six points, and in the previous two contests, Plymouth squeaked to 13-12 victories.

Fred Steeper, a 5'7", 130-pound quarterback will direct the Mustangs' offensive unit for the opener. Assisting him in the backfield will be Dave Hay and Roger Atchinson, halfbacks; and Gary Morgan, fullback.

Joe Gotro and Larry Nitzel probably will start at the ends. Jerry Biddle and Wade Deal, both 200-pounders, will wall up the tackle spots, while Fred Mitchell and Bill Juday cement the guard positions. Dave Nash will start at center.

Other Mustangs who are likely to see plenty of action Friday are: Blaine Ashby, Art Fisher, Fred Mitchell, guards; Jim Petrock and Tom Ritter, ends; Mike Janchick, center; Steve Juday, quarterback; Dave LaFond and Bob Hilton, tackles.

September Brides

Mrs. Terrence Arthur Morgan

Mr. and Mrs. H. William Spirer

Mr. and Mrs. David Banks

Comer - Morgan

Wearing a traditional floor length Princess gown of dull luster satin and chantilly lace, Lou Ann Comer, daughter of Mrs. Merville R. Comer of Church street, and the late Mr. Comer, became the bride Saturday of Terrence Arthur Morgan, son of Mrs. Ransom Morgan of Crystal, Michigan and Clarence Morgan of South Lyon.

The Rev. John O. Taxis performed the evening service at the Northville First Presbyterian church. Church decorations were fugi chrysanthemums and gladioli.

The bride was given in marriage by her cousin, John Comer, of Mansfield, Ohio.

Her gown was fashioned with a lace bodice, wrist point sleeves and sabrina neckline. A Juliet cap of embroidered organdy and seed pearls secured her fingertip veil of illusion. Her flowers were white roses and stephanotis.

June Ashby of Northville was the maid of honor. Her ballerina length gown of old rose taffeta was designed with a fitted bodice and portrait neckline. She carried a cascade bouquet of white fugi mums.

Mrs. Paul Nagy of South Lyon was the bride's only other attendant. Her gown matched the maid of honor's. She carried a modern bouquet of white fugi chrysanthemums. Gordon Van Amberg of South Lyon served as best man.

Ushers were Hugh Crawford, a cousin of the bride, of Novi; Jack Derendinger of South Lyon and Gary Wiseman of Hamburg.

For her daughter's wedding Mrs. Comer selected a light blue brocade jacket dress and navy accessories and pinned on a corsage of white roses and stephanotis.

Strasen - Spirer

Three attendants in gowns of dusty blue silk organza preceded Sandra Ann Strasen to the altar of St. Paul's Lutheran church September 5 for her marriage to H. William Spirer.

The bride is the daughter of Mr. and Mrs. Alfred F. Strasen of West Six Mile road. Parents of the groom are Mrs. Alfred Januale of Plainview, Long Island, New York and George Spirer of Elmstord, New York.

The Rev. B. J. Pankow performed the double ring candlelight ceremony. Organist Lillian Zinnecker accompanied the service.

Escorted to the altar by her father, the bride wore a bouffant gown of silk organza delicately applied at the neckline and around the skirt with leaves of bombazine. Seed pearls and sequins were sprinkled along the neckline trim. A pleated cummerbund of bombazine accented the waistline. The skirt fell into a chapel train. Her crown of lace and

bombazine was outlined with seed pearls and pearl drops at the forehead, and held her fingertip veil of illusion net. She carried a cascade bouquet of white roses, fugi and snowdrift chrysanthemums.

The bride chose Claire Rupp of Grand Island, New York for her maid of honor. Identically gowned were bridesmaids Rebecca Coolman of Northville and Kristin Karg of Grand Rapids.

Attendants' crowns and circle veils matched their dresses which were fashioned with full short circular skirts, falling from a pleated bodice and lace midriff. Touches of lace were repeated in medallion designs on the skirts.

The maid of honor carried a cascade bouquet of shrimp fugi and snow drift chrysanthemums, with a dusty blue tulle trim. The bridesmaids' flowers were identical. Their bouquets were distinguished by shrimp tulle trim.

The groom chose Harry Mahnken of East Lansing for his best man. Ushers were Tom Long of East Lansing and Don Bumgardner of Pontiac.

For her daughter's wedding Mrs. Strasen selected a dusty rose lace sheath dress over taffeta with a draped chiffon front panel. She wore matching accessories and a shocking pink hat.

Mrs. Januale chose a hand-knit sheath of grey and silver accented with a mauve sash. Her accessories and feather hat were gun-metal grey.

Willis - Banks

Marriage vows were spoken September 4 by Rosemarie Willis, daughter of Mr. and Mrs. James Willis of Livonia, and David Banks, son of Mr. and Mrs. Russell Banks of Novi, at St. Paul's Presbyterian church, Livonia.

Given in marriage by her father, the bride wore a floor-length gown of blush pink Skinner satin, which she made herself, trimmed with medallion lace from Mrs. Bank's wedding dress. She wore a fingertip veil and carried white tea roses on a white Bible.

Maid of honor, Lynn Jacob of Jackson, wore a deep American beauty rose taffeta princess styled gown which tapered into a train from its waltz length front panel. Her corsage was of light pink carnations.

Attired in gowns of different shades of pink were bridesmaids Dorothy McLeod, Ann Willis and Charlotte Hull. Their gowns were fashioned like the maid of honor's. They carried dark pink carnations. Best man was Delmar King of Novi. Ushers were Richard Willis, Gibbs Gokay and Howard Banks.

For her daughter's wedding, Mrs. Willis wore a light blue print dress with full skirt and portrait neckline.

Everybody Loves Old Fashioned Flower Show

With a generous dash of home-spun whimsy the gala spirit of a country fair was captured at Saturday's fall garden show at the community building.

Staging was under the joint chairmanship of Northville Garden club's Mrs. George Kohs and Mrs. Ernest Wood.

Bright jars of jams, jellies, pickles and relishes were sold from a charming old fashioned kitchen — complete with stove-pipe, rag rug, rocker, butter churn and gramophone — designed and furnished by Mrs. Wood.

Table settings, under the direction of Mrs. R. J. Wright also drew many delighted spectators.

Focal point of the show was a red and white canopy market-place resplendent with flowers and fruits, supervised by Mrs. Paul Hoffman.

Mrs. W. L. Howard directed a

bake sale next door.

A noon luncheon was served to officers and judges by general chairman Mrs. D. Hurd Clark and co-chairman Mrs. N. K. Pattison. Judges were Mrs. C. E. Hutchins of East Lansing; Mrs. H. E. Cope, Lansing; Mrs. W. J. Ullenbruck, Dimondale; Mrs. Francis Jenkins, Dimondale; Mrs. Van De Lashmutt, Holt; Mrs. Mabel Petersen, Livonia, and Ray Henstock of Dearborn.

A record number of visitors viewed the entries of both garden club members and non-members.

Winners were:
Junior Division
Miniature arrangements, Connie Crump, first award; Marcia Lipa, Carol Lipa, second; Joyce Balko, Marcia Lipa, Kay Anderson, third; Allison Crump, honorable mention. Music at the fair, Allison Crump, first; Connie Crump, second.

Thru the Woods, Connie Crump, Allison Crump, first; Lucy Byerd, Melenie Cole, second.

Barnyard scene, Lee Wistert, Lynn Cummings, Chris Wistert, Marcia Lipa, Wendy Cummings, first; Robert Prodger, Carol Lipa, Mark Lipa, second; Emilie Wilson, Dorothy Wilson, Linda McBride, third.

Gay holiday moods, Christen Wistert, second; Emilie Wilson, Lee Wistert, third; Mark Byrd, fourth.

Melting pot, Lucy Byrd, Susan Altman, Donna MacLean, first; Denise Sterner, second; Carolyn Cokin, Carl Stephens, third; William Wilson, Emilie Wilson, Lana Whistle, fourth.

Specimens, Carl Stephens, three firsts and one second; Dave Clark, two firsts; Voss Guntzville, one first and one second; Sonia Clark, one first and one second; Keith

Mueller, one first; Doug Clark, one first; Joyce Balko, one third.

Table Settings

Firsts: Mrs. Glenn H. Cummings, Mrs. Howard Meyer, Jr., Mrs. E. O. Whittington, Mrs. Ellen Scott, Mrs. E.J. Montieth of Birmingham, Mrs. Albert Cash and Mrs. Walter Jutereback of Dearborn.

Seconds: Helen Teasel, Lola Alexander, Mrs. E. E. Mueller.

Thirds: Mrs. Howard Meyer, Mrs. Herbert Frogner, Mrs. Lawrence Masselink, Miss Ruth Knapp and Mrs. Helene Glimm of Dearborn.

Honorable mention: Mrs. Merner Eilber.

Specimens

Annuals: Mrs. W. L. Howard, 4 first, 1 third; Mrs. E. O. Whittington, 1 first, 1 second; Mrs. Howard Fuller, 1 second, 1 third; Mrs. J. Samuli, 1 third; Mrs. G. Lien, 1 third; Mrs. Fuller, 1 third.

Perennials: Mrs. C. Altman, 1 first; Mrs. T. Carrington, 1 first; Mrs. R. Willis, 1 first; Mrs. H. Greer, 1 second, 1 third; Mrs. N. Crump, 1 second; Mrs. M. Eilber, 2 thirds.

Roses: Mrs. H. Fuller, 1 first;

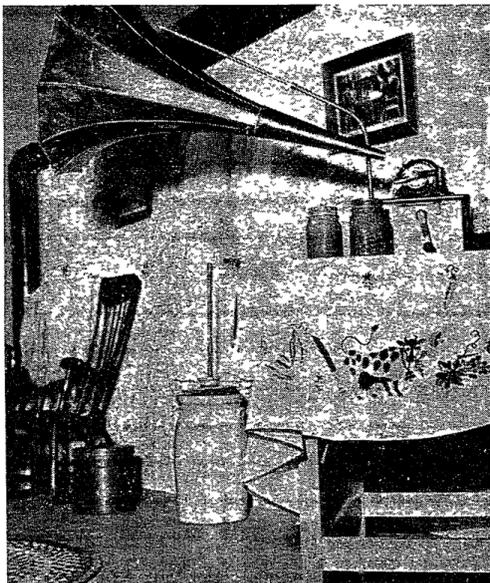

Mrs. B. Sterner, 1 first; Mrs. G. Cummings, 1 first; Mrs. J. Northrup, 1 second; Mrs. W. Crump, 1 second; Mrs. C. Rollings, 1 third; Mrs. Barb McBride, 1 third.

Tubers: Mrs. H. Fuller, 1 second, 1 third; Mrs. Samuli, 1 second; Mrs. C. Hill, 1 third.

Vegetables: Mrs. H. Greer, 3 firsts, 1 second; M. Guntzville, 2 firsts, 1 second, 1 third; Mrs. C. Hill, 1 first, 2 seconds, 1 third; Matheson, 1 first; F. Schaupter, 1 first, 1 third; E. Whittington, 1 second.

Fruit: Mrs. L. M. Eaton, 2 firsts, 1 second; Mrs. M. Guntzville, 2 thirds; Mrs. S. Clark, 1 first; Mrs. H. Fuller, 1 third; Mrs. E. Whittington, 1 third.

A list of the adult winners in the "Flower Arrangements and Plants" division will be published next week.

MEET THE FAMILY — Novi newcomers, the Darrell Lutzes of Echo Valley, are August arrivals. Pictured with pets "Nipper" and "Sable" are (left to right) Suzanne, Bonnie, David, Mark, Paul, Mr. and Mrs. Lutz and Debbie.

Ring up eight votes for rural living from the D. W. Lutzes of Echo Valley.

Darrell and Ruth Lutz and their six children, Suzanne, 11; Bonnie, 10; Paul, 8; Mark, 2; and Debbie, 1, as well as collie, "Sable", 5, and kitty, "Nipper", 12, are pleased with their new home.

Pursuing the wide open spaces the Lutzes moved here a month ago from Redford township.

A real treat for Paul was discovery of the number of snakes and frogs in the neighborhood. "I love

snakes and frogs," he beams.

His older sisters who like horses and horseback riding hope to follow up their interest here sometime.

Suzanne is in the seventh grade at Novi school. Bonnie, Paul and David are in grades 5, 3 and 1 at Orchard Hills school.

Mr. Lutz is an accountant at Cadillac Motors, and attended Massachusetts Institute of Technology.

The Lutzes lived in Flint before making their home in this area. Mrs. Lutz hails from Pennsylvania.

D.A.R. to Meet Monday

Sarah Ann Cochran chapter of the Daughters of the American Revolution, will meet Monday, September 21 at 7:30 p.m. in the Plymouth library.

A film on the Constitution will be shown. Constitution Week is to be observed all over the United States during the week of September 17-23.

Jim Brown and George Dikeman, Plymouth junior high teachers, who attended the Higgins lake conservation camp this summer through the D.A.R. scholarship, will give short talks about their experiences.

Prospective members and guests are cordially invited to attend.

Norman Somers Weds Miss Stephens In Halls Corners Methodist Church

Halls Corners Methodist church was the scene of the marriage August 29 of Deana Jane Stephens, daughter of Mr. and Mrs. Clayton Stephens of Lakeview, to Norman L. Somers, son of Mr. and Mrs. Richard I. Somers of Grace street.

The groom's maternal grandfather, the Rev. Davis, served as minister of the church 50 years ago.

Officiating at the double-ring candlelight ceremony were the Rev. R. A. Potts of Lakeview assisted by the Rev. M. Vandelin.

The bride's father escorted her to the altar decked with gladioli and palms.

She wore a gown of mousseline de soie over taffeta with a chapel train. Alencon lace edged its fitted bodice and was appliqued on the bouffant skirt.

A Juliet cap trimmed with seed pearls caught her fingertip veil of bridal illusion. She carried gladioli on a white Bible, a gift of the groom.

Maid of honor, Ann Mizga of Lakeview, wore a gown of white lace over beige satin, with a satin cummerbund and matching hat and circle veil.

Attendants, Mrs. Shirley McCollum of Novi and Ann Marie Carr of Edmore wore similar frocks in pink. All carried sprays of gladioli on ivory fans.

George McCollum of Novi was best man. Ushers were Terry Stephens of Lakeview, brother of the bride, and Charles Somers of Northville, brother of the groom.

For her daughter's wedding, Mrs. Stephens chose a pale pink lace dress and navy accessories. She pinned on a corsage of burgundy gladioli.

Mrs. Somers selected a pastel blue lace ensemble and matching accessories. Pink gladioli formed her corsage.

A reception was held at Lakeview high school gymnasium for 250 guests who came from Northville, Charlevoix, Grand Rapids, Remus, White Cloud, Blanchard, Mecosta,

Saginaw, Lake Odessa, Ionia, Big Rapids, Lansing, Morley, Laingsburg, Sparta, Caledonia and Sherman, Texas.

The newlyweds honeymooned in northern Michigan and are now making their home in Big Rapids where the groom attends Ferris institute.

Mr. and Mrs. Norman L. Somers

Review Club to Meet

The Northville Review club will meet next Thursday, September 24 at the home of Mrs. O. F. Reng, 718 Thayer boulevard.

Mrs. Waldo Johnson will review "Dear and Glorious Physician" by Taylor Caldwell.

For fast results try a Record classified ad. Phone FI-9-1700.

Great Books Group

The Great Books discussion group will resume meeting this evening (Thursday) at 8 p.m. in the downstairs meeting room of the library.

Members will be reading and discussing the Second Year Books chosen by the Great Books Foundation, beginning with the study of the Book of Ecclesiastes.

Any one interested in further information may contact the library or Mrs. George Weiss, FI-9-3190.

COMING:

TRUCKS THAT DO THE NEXT BEST THING TO PAVING EVERY ROAD IN AMERICA!

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

See them soon at your local authorized Chevrolet dealer's.

from the PASTOR'S STUDY

The Rev. Peter Nieuwkoop, Pastor
First Baptist Church, Northville

"UP FROM THE GUTTER"

One of the most common mistakes made by people today is the belief that good moral people do not need a Saviour. The message about sin and salvation is alright for the down and outer but to preach it for morally and respectful people is revolting. They simply do not like it! There is a wonderful verse in Hebrews 7:25 which says, "Wherefore He is able to save to the uttermost, them who come unto God by Him, seeing that He ever liveth to make intercession for them." Usually people take this verse to refer to men who have fallen into the depths of degradation, and from such mire of sin, God would save a man who cried out. Years ago a man heard Mel Trotter preach. (Mel had been a terrible sinner in his day. He had been a drunkard and a skid row character. When his little child was very sick, his wife gave him money to buy medicine but he spent it for liquor, and the child died. Mel Trotter was so drunk that he could not attend the funeral. Later he was marvelously saved in the Pacific Garden Mission in Chicago.) As he preached that day he told his life story and concluded with this verse: "God is able to save from the guttermost to the uttermost." It wasn't an exact quotation to be sure but it spoke the truth. As the man went home and talked of the sermon to his wife, he said, "the gutters in the streets

are not the only gutters, there are gutters high up on the roofs of the houses that need to be cleaned also." How true this is! Evil dwells in high places as well as in the low.

REASON'S FOR CHRIST'S UNPOPULARITY

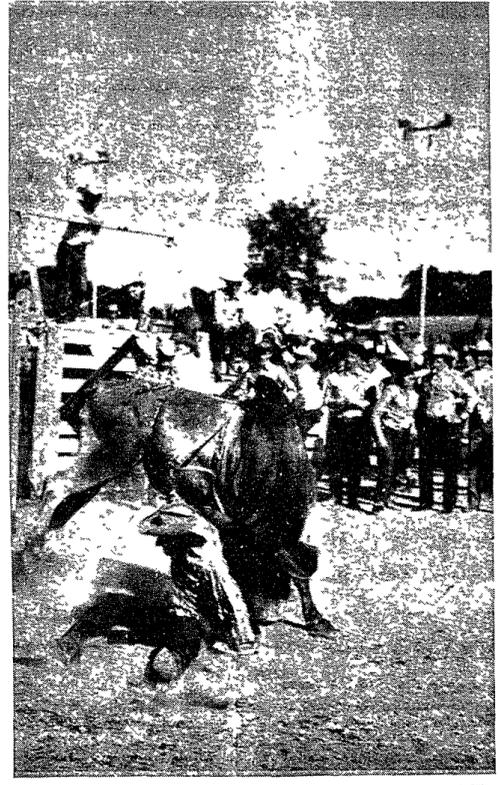

The way some people talk today we get the idea that Jesus Christ was a very popular man in his day. This is far from the truth. In the early years of His ministry, great crowds followed Him but bit by bit when they heard His message they fell away. His preaching against the sins of the day, His plain teaching about hell that awaits the unsaved, His ministry about the necessity of faith in His sacrifice for the forgiveness of sins was not very popular. Especially did the religious people of that day dislike His words. It made them feel very uncomfortable because He spoke to them as He did to any other sinner in the crowd. Finally, they were the very group that spearheaded the drive to have Jesus crucified.

ALL ON ONE SIDE
Romans 3:23 makes it plain that we are all on one side, "for there is no difference for all have sinned and come short of the glory of God." The fashionable, the higher cultured, the educated, the moral religious man as surely needs a Saviour as the skid row derelict. Humbling isn't it? Nevertheless it is true!

Rodeo Proceeds to Aid St. Mary Hospital

One of the hardest working organizations in the Northville-Plymouth-Livonia area right now is the St. Mary Hospital Guild. Upon the shoulders of these women has fallen the responsibility of furnishing the linens and dishes for the new St. Mary hospital, scheduled to open in December. It's a big project and will probably cost some \$12,000. But the ladies are a determined lot — and they've set out to earn the money

with a huge two-day wild west rodeo. The event is a regular Midwest Cowboy association approved rodeo and will feature these five main events: Saddle Bronc Riding, Bareback Horse Riding, Bull or Steer Riding — with Brahma Bulls, and Bulldogging and Calf Roping. The program will be staged at the Detroit Race Course, September 26 and 27, where parking will be free. The show gets underway at 2 p.m.

SCENES like the above will thrill rodeo fans September 26 and 27 at the Detroit Race Course in Livonia when the St. Mary Hospital Guild sponsors their professional wild west rodeo. The show will begin at 2 p.m. In addition to the program two bicycles, a bunk-house and a three-day paid vacation to New York will be given away as special prizes.

in home after home after home...

there's always plenty of hot water

the new electric water heater way

In home after home there's a new electric water heater. And the families in these homes enjoy all the hot water they want.

You can be confident that an electric water heater, plus Edison's new Super Supply Plan, will provide round-the-clock hot water for all your family's needs, too. Then you can plan your day more efficiently—do the laundry, wash dishes, schedule showers when you want to.

Here's the convenient, modern way to **GET IT HOT... GET A LOT** for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

- Efficient—the heat goes into the water
- Fast—new, more efficient heating units
- Install anywhere—need not be near a chimney.
- Outer shell—cool to the touch all over
- Long life—meet Edison's rigid standards
- Edison maintains electrical parts without charge
- Automatic—all the time
- Safe—clean—quiet—modern

LOOKING FOR A GOOD SEASON — These six members of the Northville athletic staff are hoping the local football squads are as successful this season as they were last year. They are (left to right, standing): Charles Shonta, junior high football; Al Jones, athletic director; Joe Wilkinson, junior varsity; (front): Dutch Van Ingen, assistant varsity; Ron Schipper, varsity, and Ralph Redmond, assistant junior varsity.

Fans Can't Forget '58 Contest

Memories of last year's thrilling gridiron classic with Plymouth are certain to fill the stadium Friday night when the Mustangs make their 1959 debut with the Rocks.

In that '58 game the Mustangs snapped the nemesis' jinx in an electrifying 12-6 victory before going on to win the league championship.

A capacity-plus crowd watched a near duplicate of Plymouth's squeaky 13-12 victories in 1956 and 1957. Northville gridgers took an early 6-0 halftime lead on a 39-yard gallop by Fullback Spike Walker.

Halfback Bob Starnes padded the score in the third quarter crashing over the magic line from the two. Wade Deal's two conversion attempts failed.

Until then, the Mustangs handled the Rocks decisively. Through the first three quarters, Plymouth gained only three first downs and 77 yards against Northville's first downs and 165 yards.

Smarter from the first half beating, Plymouth started a drive in the third quarter from their own 31, which ended with a 12-yard-touch-down pass. The kick was wide.

Not satisfied, the Rocks electrified the crowd in the final quarter by roaring to the Northville 10. The specter of another 13-12 score hung over the Northville bench. But the explosive drive was too late.

Happy Northville fans had a hint of things to come for their Mustangs when the Plymouth band struck up "Happy Days Are Here Again" as the game ended.

Northville JV Football Starts Tuesday Night

"It's too early to tell — but our boys are ripe for it."

That's how Coaches Joe Wilkinson and Ralph Redmond described Northville's junior varsity football players as they worked out this week in preparation for the opener with Plymouth next Tuesday at 7 p.m.

The two coaches declined to make any predictions until after the first game. The only statement they would volunteer was, "We'll hold our own."

Of the approximately 30 squad members these eleven players probably will draw the starting positions:

Joe Hay, fullback; Jim Anderson and Tom Swiss, halfbacks; Craig Bell, quarterback; Jack Engel and Bill Gallagher, ends; Bill Johns and Bill Chappel, tackles; Tom Morrison and Dan Pattison, guards, and Don Busch, center.

Grid Quiz Starts Next Week

Here's good news for Monday morning quarterbacks — and Friday afternoon prognosticators!

The annual football contest with weekly cash prizes will begin next week.

The popular feature has attracted hundreds of contestants each year. It's fun and costs nothing.

So start studying the gridiron ratings and get ready to "pick the winners".

And, oh yes. The old football professor will have a few tips for you next week to help you pick the upsets!

2nd Annual Show At Chapman Stables Set This Week End

All is in readiness for the second annual Friendship Horse show Saturday and Sunday at the Chapman stables, corner Nine Mile and Hagerly roads.

Sanctioned by the Michigan Horse show association, Lansing, the local horse event will feature close to 150 different entries, including shows, riding contests and exhibitions.

Trophies and cash prizes will be awarded winners in the various events.

Part of the proceeds received by the Friendship club will be turned over to the United Negro College fund. Tickets may be purchased at the gate.

The show will start at 10 a.m. both mornings and will continue throughout the day until about 6:30.

Mrs. Sam Kelley is the secretary of the show, Henry Jennings is the trainer of horses to be shown that are owned by Mrs. Chapman.

Start Practicing For Cross Country

Practice started Monday for Northville's first cross country team at Cass Benton park.

Coach Chuck Yahn held an orientation meeting Thursday which drew 15 candidates. More turned up for the first practice session.

The coach said he is contacting Detroit area high schools to arrange a "good schedule". Thurston and Redford are two of the schools that may be included in the schedule this fall, he said.

Although he has no records to refer to, Yahn believes Northville may field a fine team this first year.

Boys who signed up for the team by Friday were:

Mike Adas, Fred Burm, Richard Horton, Ford Hubbard, Phil Jerome, Martin Klerkx, Don Lawrence, Marvin Lemmon, Dan Ling, Mike Myers, Ron Richardson, Bill Scherker, Harold Schmidt, Howard Sherman and Jim Wharton.

Little League Gridders Eye Sunday Scrimmage

The Walled Lake area Little League football squad will charge into the St. Clair Shores eleven in a scrimmage contest this Sunday at Walled Lake junior high school.

There will be no admission for scrimmage which will get underway at 1 p.m.

The schedule for the regular season will be announced later.

Close to 100 boys from Walled Lake, Wixom, Novi and Commerce make up the Walled Lake Little League team. Walled Lake will field varsity, junior varsity and freshman teams. They are sponsored by the Crystal Echo Men's club.

Money for expenses are raised by donations, candy sales and program advertisements.

According to Bill Abrams of Wixom, one of the 13 coaches, the varsity squad — made up of boys be-

tween 9-12 years of age — will play at Briggs stadium October 18 at halftime in a professional football game.

Other coaches are Harry Chamberlain, head coach; Steve Mitich, Floyd Daniels, Chuck Scully, Cliff Champion, Ralph Buffmier, Jim Melvin, Burt Sprague, Ray Fogle, Ernie Blough, C. Moeser, and Lawrence Sims.

PROPOSED UNIFORM TRAFFIC CODE

A public hearing on the adoption of a Uniform Traffic Code for the City of Northville will be held on Monday, October 5, 1959 at the City Hall at 8:00 P.M.

The purpose of this Code is to control and regulate the operation of motor vehicles within the City of Northville and the following is a summary of the contents of this Code:

1. Definitions of words and phrases.
2. Traffic administration and authority.
3. Obedience to traffic regulations.
4. Traffic control devices.
5. Rights and duties of drivers and others.
6. Operation of bicycles, motorcycles and toy vehicles.
7. Pedestrian rights and duties.
8. Stopping, standing and parking.

Copies of the full text of the code will be open to inspection at the Northville City Clerk's office.

This is the code promulgated by the Michigan State Police Commissioner under authority granted by the Michigan Legislature.

MARY ALEXANDER,
CITY CLERK
CITY OF NORTHVILLE

THE PROBATE COURT FOR
THE COUNTY OF WAYNE
No. 475,892

In the Matter of the Estate of CLARA H. FRENCH, Deceased. Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon DOUGLAS F. FRENCH, Administrator with the will annexed of said estate, at 46078 Frederick, Northville, Michigan, on or before the 12th day of November, A.D., 1959, and that such claims will be heard by said court, before Judge Ira G. Kaufman in Court Room No. 1221, City County Building in the City of Detroit, in said County, on the 12th day of November, A.D., 1959, at 2:30 in the afternoon.

Dated Aug. 31, 1959
IRA G. KAUFMAN,
JUDGE OF PROBATE

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated Aug. 31, 1959
ALLEN R. EDISON,
Deputy Probate Register

Published in Northville Record once each week for three weeks successively, within thirty days from the date hereof. 17

Donald B. Severance,
Attorney
392 Fairbrook Court
Northville, Mich.

STATE OF MICHIGAN
County of Wayne,
ss. 478,026

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the Eighth day of September, in the year one thousand nine hundred and fifty-nine.

Present Ira G. Kaufman, Judge of Probate.

In the Matter of the Estate of RAY D. HARRISON, SR., also known as HARRISON D. HARRISON, Deceased.

The petition of Charles L. Harrison having been heretofore filed in this Court praying that administration of said estate be granted to himself or some other suitable person:

It is ordered, That the Twentieth day of October, next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Ira G. Kaufman,
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated September 8, 1959
John D. McAlbin,
Deputy Probate Register 19

Tomsetts Fly to Germany

By Mrs. Charles Ware — Market 4-1601

Mrs. Robert Tomsett (Claudia Nelson) and family have been flown to Germany by the U.S. Air Force. Her husband, Robert Tomsett, SP4, has been in Germany some time. While there the Tomsetts will live in Weisbaden.

Mr. and Mrs. L. Morris, formerly of Wixom and now of Sarasota, Florida, has been visiting friends in Wixom. Their son, Robert, a recent student at Tennessee Temple, is now working with Youth for Christ.

Tuesday, Mr. and Mrs. Leonard Russell of Detroit were visitors of Mrs. Lettie Gyer.

Dennis Green is home for a few days from the U.S. Naval base in Norfolk, Virginia.

Mr. and Mrs. Joseph Caravaglio, Sr. of Taylor, Illinois have been visiting their son and family in Birch Park.

Week end guests of the Gaedt family were Mr. and Mrs. Stanley Baker and son of Willis.

Sunday Mr. and Mrs. Bud Burkett and Mrs. Anabel Gaedt of Highland, Mr. and Mrs. Harry Braun and family of South Lyon and Mr. and Mrs. Gerald Burl and daughter of Walled Lake were guests of the Gaedt family.

More than 300 attended the annual picnic of the Birch Park Hunt club Sunday afternoon.

David Tuck celebrated his third birthday Monday with eight of his friends.

The Walter Tuck family attended the wedding Friday of Joan Tuck and Ronald Welsh of St. Timothy Lutheran church, Oak Park.

Mike DePodesta has left for his second year at Ferris Institute in Big Rapids.

The Hi-Fi Extension group will picnic at Oak Grove park today.

Last Saturday Mr. and Mrs. Paul DePodesta attended the silver wedding anniversary celebration of Mr. and Mrs. Frank DePodesta held at Meadowbrook Country club.

Mr. and Mrs. Hugh Guthrie and Debbie have returned to Racine, Wisconsin.

Hilda Furman has returned from a two weeks trip through the Upper Peninsula.

The Credit Union committee of St. William's church has received its charter from the state. Its first meeting was held last Wednesday. Membership is limited to members of St. William's and their families.

Northville City Council Proceedings

A postponed regular meeting of the Northville City Council was held at the City Hall Tuesday, Sept. 8, 1959 at 8 p.m.

Present: Mayor Allen, Councilmen Canterbury, Juday, Reed and Welch.

Minutes of last regular meeting and of three intervening specials were read and approved.

The following bills were presented for payment:

General Fund	\$18,965.91
Escrow Acct.	\$1,014.25
Water Fund	\$4,949.19

Moved by Juday, supported by Reed, that these bills be allowed and paid. Carried.

Communication was read from the Northville Board of Education regarding the problems involved in their acquiring the Community Bldg. A joint meeting of committees from both the School Board and the City Council will be held in the very near future to determine what action shall be taken in connection with this matter.

Mgr. Robertson presented a problem which exists regarding sidewalk replacement in front of 635 N. Center St., which he feels is a City problem. This sidewalk must be lowered because of the change of grades at this location. Moved by Reed, supported by Canterbury, that if the property owner will permit the City to slope the property so that the sidewalk can be put at the proper grade, the City will replace same, as recommended by the City Manager. Motion was carried.

Mgr. Robertson also reported that he would meet with Mr. Harvey Wilard during the week of Sept. 14th to discuss improvements in the trash pick-up program. He will try to switch the pick-up in the business district to Wednesday, and see if an additional one can be arranged for Saturday, the merchants to pay for this extra service.

Mr. O'Dell, proprietor of the local Hobby Shop, was present to discuss with the Council the use of Ford Field for flying model airplanes, to which some of the neighbors object because of the noise. The Council feels this is a worthwhile project that should be encouraged, and if the field is used between the hours of 3-00 and 5-30 p.m., it should not disturb neighbors too greatly. The use of the field is to be restricted to these hours.

Regarding the green belt which is to be planted on River St., Mayor Allen appointed a committee consisting of Mgr. Robertson, Councilmen Reed and Juday to meet with Mr. Miller, of Green Ridge Nursery, and John Carlo of Northville Downs, to work out the details. This green belt will be paid for from the Escrow funds deposited by Northville

Downs with the City of Northville. Regarding the purchase of tractor and back hoe for Public Works Department, Mgr. Robertson stated that this new equipment is badly needed, and he requests that the City Manager and Supt. of Public Works be authorized to negotiate a price and method of payment. Amount involved is \$7,000 or \$8,000. The Council asked that the City Manager check with other towns as to prices paid by them for similar equipment, and bring back a negotiated price.

No action was taken on the request of Northville Heights Subdividers for a reduction of their performance bond. The Council as a body will look over this property Sunday afternoon, Sept. 13, to determine what needs to be done by the subdividers to complete the work covered by their contract with the City.

Mgr. Robertson asked if the Council would favor his drawing up employee rules which would outline to the employees their rights and privileges, and what the City expects of them and what they could expect from the City. He was authorized to proceed with such a program.

A Special meeting of the City Council will be held Monday Eve., Sept. 14th, 1959, to consider the following matters:

1. Sidewalk Ordinance
 2. Proposition regarding tractor and back hoe
 3. Reduction of Northville Heights Bond
 4. Drainage problems on East and Walnut Sts.
 5. Disposition of salary increases
 6. Uniform traffic code
- There being no further business, meeting as adjourned:

(Signed)

IS THIS TRIP NECESSARY?

Who, would you say, are the most important people in our town? The young people? We like to think it is for them we are building the town and that they are the ones who will build the town tomorrow.

But will they, the young people of your acquaintance, be here tomorrow? Very largely that depends on the opportunities, the job opportunities, here at home.

The next time you hear of a young man or young woman leaving for an opportunity elsewhere, ask yourself: Is this trip necessary?

It's not practical to expect each of us to start a business or manufacturing operation just so

our own sons and daughters will have work. What we can do, though, is to contribute our efforts to attracting new industry here and to help existing industry to expand locally. We can let everyone know of our town's industrial advantages. We can show our appreciation of present industry and see that its needs are met.

If we do these things, we'll be making opportunities here at home, and that's the right place for opportunities anytime.

Join hands with your local industrial development organization and the Michigan Economic Development Department to help your community prosper.

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

Registrations Being Taken For Adult Education Classes

Now that the children have been bundled off to school again parents and other adults can turn their eyes to evening classes for themselves.

Adult education programs resume at several area schools and colleges during the next few weeks.

Fall registration for adults opened Monday at Plymouth community schools and will continue through tomorrow. Activities begin the week of September 28.

Late afternoon and early evening classes begin today at Madonna college. Registrations have been taken since Monday.

College credit courses as well as popular academic and recreational classes will be offered in the Plymouth program, co-sponsored by the school system and recreation department under Director Herbert Woolweaver.

New courses at Plymouth this term include "Charm and Beauty", "Business English", "Photography", "Reading Improvement", "Salesmanship", "Creative Script Writing" and "Skin Diving".

Eastern Michigan college will offer two extension courses for college credit; one on genetics, another on America and Europe since 1492.

An art appreciation course, partly financed by a state fund for liberal arts education, will be held Thursday nights in the Dunning-Hough library, Plymouth.

Tuition costs vary from \$3 to \$30, with most class fees at \$6 and \$7. Leaflets describing the courses and giving time and cost of classes can be obtained at The Record office.

Outlined by days, the classes are:

Monday
Basketball, business machines, community chorus, oil painting, beginning sewing, swimming, symphony, theatre guild, typing, upholstery, welding and swimming.

Tuesday
Badminton, blue print reading, beginning and advanced cake decorating, charm and beauty, golf, great books, piano and organ, advanced sewing, skin diving, shop math, conversational Spanish.

Wednesday
Amateur radio, beginning and advanced bridge, business English, creative writing, driver education, interior decorating, men's gym, beginning and advanced shorthand, square dance, Swedish gym.

Thursday
Basketball, ballroom dancing, bowling, art appreciation, genetics, America in the Atlantic Community, photography, reading improvement, philosophy, salesmanship, square dance club, stock market, advanced typing.

Friday
Creative script writing, children's theatre workshop, symphony concerts.

Registrations are being taken at the Plymouth high school adult education office from 9 a.m. to 5 p.m. and evenings, 7-9 p.m. Mail registrations will also be taken.

At Madonna college classes are offered in:

Art: drawing and composition (Wednesday, 6:30); beginning painting (Tuesday and Thursday, 4:00); ceramics (Monday, 6:30); labora-

tory in drawing and painting (Tuesday, 6:30).

Business: Principles of Marketing (Monday and Wednesday, 4:00).

Education: Methods in Elementary School Subjects (Monday and Wednesday, 4:00); Methods in English (Thursday, 4:00).

English: Advanced Writing (Tuesday, 4:00); Romantic Literature (Thursday, 4:00).

French: Survey of French Literature (Monday and Wednesday, 4:00).

History: Medieval History (Tuesday and Thursday, 4:00).

Home Economics: Costume Design (Monday and Wednesday, 4:00).

Wayne Village Clerk Made Torch Drive Head

Appointment of Clarence H. Ladd, Wayne village clerk, as co-chairman for the 1959 United Foundation Torch drive community campaign solicitation of government employees in Region II (Western) has been announced by P. Thomas Redmond, Western Wayne County Government UF campaign chairman.

The 1959 community campaign will be conducted during the period October 13-23.

In his Torch drive capacity, Mr. Ladd, who is 80, will be responsible for solicitation of more than 2,000 government employees in western Wayne county Region II, which includes Northville, Canton township, Dearborn, Dearborn township, Redford township, Livonia, Inkster, Garden City and Wayne/Nankin township.

Northville Man's Ship Now Ported at Key West

Richard F. Roe, molder second class, USN, son of Mrs. Mable McCurry of 510 Randolph street, and husband of the former Miss JoAnn Hill of Miami, Florida, is serving aboard the submarine tender USS Howard W. Gilmore operating out of Charleston, S.C.

A unit of Submarine Squadron 4, the Gilmore formerly was home ported at Key West, Florida.

L. D. Crusoe Resigns As Ford Director

Lewis D. Crusoe, resident of Novi for the past 10 years, has resigned as a member of the board of directors of Ford Motor company.

The Nine Mile resident plans to devote more of his time to a ranch at Cheboygan, Michigan and his other businesses.

A member of the board since 1950, Crusoe had been associated with the company since 1946. He had held a series of key executive positions and, at the time of his retirement in 1957 after a heart attack, was executive vice president — car and truck divisions. After retiring he continued as a member of the board.

In a resolution of appreciation for his services to the company, the board cited Crusoe's "distinguished record of performance not only in the key executive positions he held but also in the important part he played in the post-war reorganization of the company."

"Through his skill, experience and judgment he contributed substantially and importantly to the advancement of the company over the entire period of his services as an officer and director."

Born in Mora, Minnesota in 1895, Crusoe attended the University of Wisconsin Cooperative Forestry school and later earned bachelor's and master's degrees in commercial science at the University of Detroit Evening College of Commerce and Finance. He began his automotive career as a 30-cents-an-hour clerk with Fisher Body company in 1913 and, after a series of promotions, in 1930 became controller of Fisher which was by then a division of General Motors corporation.

From 1930 until his retirement from General Motors in 1945, Mr. Crusoe continued as Fisher controller and also served as assistant

Lewis D. Crusoe

treasurer of General Motors and held corporate offices in various subsidiary companies of GM.

In November, 1945 he became assistant to Ernest R. Breech, then president of Bendix Aviation corporation. In July 1946 after Mr. Breech had become executive vice president of Ford Motor company, Mr. Crusoe joined him as a member of the Ford executive staff. He was elected vice president in October of that year; vice president — finance in April, 1947; and vice president and general manager of the newly formed Ford Division in February, 1949.

He was elected vice president — car and truck divisions in January, 1955. He had become a member of the board in July, 1950.

Crusoe is married, has a married son, and lives at 44000 West Nine Mile road. His brother, Claude A. Crusoe resides at 43180 West Nine Mile road.

SPEAKING for the Record

by BILL SLIGER

A good example of what can be accomplished by the combined efforts of the city council and local businessmen are the new sidewalks now nearly completed throughout the business district.

The council — which has wanted the job done but was reluctant to enforce a soon-to-be-adopted sidewalk ordinance — appealed to the merchants for help. The retail merchants association responded by soliciting all property owners to finance the project. Meanwhile, the city obtained an excellent price by advertising for competitive bids.

Thus, nearly 100 percent of our business district is sporting new surface for pedestrian traffic. Bad areas left unimproved will undoubtedly become the first cases for invoking the sidewalk ordinance, which makes it compulsory for a property owner to replace a bad walk or have the city do it and place the cost on the owner's tax bill.

But, Northville's business district needs more than new sidewalks. It needs more and better shopping facilities if it is to attract and keep old and new customers. While the area is growing in population, it's no secret that local business is not increasing at the same pace — if at all.

The reasons are self-evident — and new and modern shopping centers sprouting up throughout the area only serve to make survival for local merchants more difficult.

So, it would seem that here again is an opportunity for co-operation between city government and the retail merchants.

But, this time the appeal for help should come from the merchants. While the threat of slow deterioration of the business district is definitely a concern of the city, it is a matter of life itself to the merchants.

This brings us to the possible relocation of A&P within the business district. It is my belief (and this opinion is shared by many business authorities both in and out of Northville) that if we allow a shopper-attraction of this magnitude to leave our downtown area we will pound the first nail in the coffin of our shopping district.

No one can deny that the relocation plans of A&P — as approved by the city planning commission and council — offer some problems. But the stakes are high and these problems are not insurmountable.

I do not know whether A&P wants or needs the assistance or encouragement of our community. Nevertheless it should be offered — stronger than it has been in the past.

Roger Babson

My Investing System

Babson Park, Mass. — Many have asked what is my definite system of investing. I hesitate to put this down in writing because it is easier to explain than to perform! The Babson System consists of three constantly changing factors, as follows:

Capitalizing the Composite Business Cycle

(1) The composite Business Cycle is a combination of a number of separate cycles. Most investment advisers forget that each commodity, each nation, and each family has its own special cycle. There are hundreds of these cycles, but we take about fifty and observe when the declines of most of them reach their low points at the same time and are ready to turn upward. In other words, if these different cycles were drawn one over the other every month, then — when most of the cycles were at their low point — that, according to the Cycle Theory, is the time to invest. This Cycle Theory, however, is only one of the three tests, all of which are very important.

Studying the Temporary Trend

(2) The Trend of the Market is determined by studying the combined earnings of the leading companies, the prices of their stocks, and other barometers such as the best-selling books and the character of what appears in the movies and on radio and on television. Bank statistics are considered, as well as the honest opinion of various advisory services which accept no advertising and are not interested in Mutual Funds. The Cycles mentioned in the above paragraph may last 20 years, with an average life of about four years. But the Trend of the Market may change every 30 days. Another thing — we try never to be "wholly bullish" or "wholly bearish"; but to say that there are a certain number of "chances" out of ten that the market will advance or a certain number of "chances" out of ten that it will decline. We remember that there is always a buyer for every seller and that the reason the market goes up some months is because people are then more impatient to buy than to sell. When it goes down people are more impatient to sell than to buy. Therefore, whatever the 20-year Business Cycle may indicate, there are certain times when one should buy stocks rather than at other times.

This especially applies to those who are buying primarily for income. Such people do not care to wait and depend wholly on the long Business Cycle; but then desire to buy whenever they have money to invest.

Selecting the Best Stocks

(3) The third factor of the Babson System is to select the stock to buy, either for profit or for income. The careful investor should, however, decide which of these two aims is his real goal. All investors should try to purchase safe securities, whether buying for income or for profit, remembering that there must be a buyer for every seller and vice versa. The question of impatience to buy or to sell is equally important in selecting definite stocks. At times investors are more impatient to buy some special popular stock than to buy some other less popular but safer stock. This means that an investor should especially study volume, remembering that in a "bear" market the volume signifies one thing, while in a "bull" market it signifies another thing. Let me say that for a profit the Babson System demands the purchase or sale of active stocks as these will show the greatest increase in a bull market. On the other hand, these same very active stocks will decline the most in a bear market. When the odds are 50-50, then the investor must do some guessing or remain out of a market.

What About Bonds?

We have not discussed bonds today in this column. Bonds have a maturity factor which stocks do not have. Also, when buying preferred stocks the investor should be sure that they are noncallable and their dividends cumulative. To study the outlook for common stocks only three factors have to be considered. But when studying bonds or preferred stocks, a fourth factor is necessary. This complicates the situation.

For those who are expecting me to make specific recommendations, I advise against now purchasing the present popular "electronic" and "space stocks, but prefer, safe growth stocks. These today are the chemicals for profit, and the public utilities for income.

2 Northville Residents Graduated at U. of M.

University of Michigan students receiving degrees at the end of the 1959 summer session numbered 1,245 — including two Northville residents.

The Northville graduates are: Elizabeth B. Mayer, bachelor of business administration, and LaGene M. Quay, master of arts.

In addition to the 1,245 graduates, an estimated three students in the U-M school of natural resources will receive degrees after the summer camp grades have been processed.

No Ph D degrees are granted following summer session, nor are there any degrees in the medical school and school of dentistry.

Mach Joins 7,000 At Ford Preview

John B. Mach of John Mach Ford Sales here joined some 7,000 other Ford dealers from throughout the nation last week visiting Ford Motor company headquarters in Dearborn.

The dealers met face-to-face with the engineers who designed the 1960 Ford cars and trucks, and discussed with Henry Ford II and others the promise that the forthcoming decade holds for the national economy and the automobile industry.

This Dearborn preview marks the first time in a quarter century that all Ford dealers have been invited to the company's headquarters.

Both Parties Eye Gubernatorial Prospects for '60

A CRITICAL period is ahead for the fast-growing field of potential candidates for governor in 1960.

And that includes the incumbent. Those closest to Gov. G. Mennen Williams insist he has not made up his mind whether to seek a seventh term.

Meanwhile, Democrats who are potential candidates, especially those on the State Administrative board, are told to keep their ambitions under wraps.

And Republicans are kept guessing.

In less than a year the campaign will be underway. Although announcements for some can be stalled off until spring, decisions must be made soon so courses can be charted and trial balloons released.

Republicans are confident '60 is their year. Forces that held before will be thrown into a pre-primary power struggle between liberals and conservatives in the party. The gap between the two appears to be widening.

Democrats have confidence because, they say, the Republican-controlled Legislature gave them issues voters will remember. But the possibility that Williams may seek another job carries with it the possibility of a free-for-all primary among Democrats.

A landslide victory in 1958 for Secretary of State James M. Hare swept him to the head of the line of Democrats waiting for Williams to vacate.

State Supreme Court Justice George Edwards has proved his popularity with voters and has wide respect among party leaders. But he says he is happy on the bench.

State Treasurer Sanford A. Brown would like the job but does not want to go through a primary fight. Attorney General Paul L. Adams, Lt. Gov. John B. Swainson and Highway Commissioner John C. Mackie are other members of Williams "cabinet" mentioned as replacement prospects.

Among Republicans, Paul D. Bagwell has the most apparent backing. His strong showing against Williams in 1958 made him a party hero. Yet many within the party are looking to industry, Washington and the State Senate for candidates for governor.

The GOP liberals see American Motors President George Romney as a good "name" candidate for the nomination. Some in the other camp look to Postmaster General Arthur Summerfield for leadership.

Some talk is heard among Republicans of Sen. Carlton H. Morris

(R-Kalamazoo) and Rep. Robert Griffin (R-Mich.) as candidates for the nomination.

Both have been on the firing line recently.

Morris was chief architect of the Republican tax stand in the Legislature.

Griffin was vaulted to prominence in Congress by the Landrum-Griffin labor reform bill.

A FAMILIAR NAME in pre-primary speculation about candidates for governor in 1958 has hinted he may announce early next year as a candidate for the U.S. Senate.

Rep. George Sallade (R-Ann Arbor) is viewed as a rebel by GOP regulars.

But his criticism of his party's legislative program has kept him in the public eye, as has his chairmanship of a national committee promoting New York Gov. Nelson A. Rockefeller for the presidency.

TWO LEADING lawmakers in Lansing are hoping Rep. Clare E. Hoffman (R-Mich.), the 84-year-old Congressman from the Third District, does not seek re-election.

Sen. Edward Hutchinson (R-Fennville) said he would like the job but would not oppose Hoffman in a primary.

mary. House Speaker Don R. Pears (R-Buchanan) would like the job and may not wait.

ANOTHER OCTOGENARIAN serving Michigan voters is Rep. Louis Cramton (R-Lapeer), who will be 84 December 2.

Cramton played an active role in the tax fight. Early in the session he sought a constitutional amendment that would have removed doubts about constitutionality of the proposed graduated personal income tax. He voted against most of the Republican use-sales tax plans.

Cramton, father of fair employment practices legislation, first served the state as law clerk in the State Senate from 1903 to 1907.

He was elected to the Michigan House of Representatives in 1908, went on to become a member of Congress and a circuit judge, and then returned to the Legislature in 1948.

NEWEST institute of higher learning in Michigan is Northwood, which will open its doors to students for the first time this year.

Northwood is located in Alma, in the remodeled former home of Ammi W. Wright, a wealthy lumber-

man who built the house in 1859 of materials imported from Europe. Many of the original art pieces and decorations remain in the school to give an atmosphere of history and tradition.

The school offers a unique mixture of business and liberal arts classes in the theory that students trained for the commercial world will be more confident, capable, enjoy life more and be promoted more rapidly if they receive some background in the basic social and cultural subjects.

First class will consist of 100 students, but the Northwood staff is expecting to grow quickly.

That First Day of School is Quite an Experience

THE FIRST DAY — "This isn't so bad," Steven Sullivan seems to be thinking as he gets a friendly assist from Kindergarten Teacher Miss Grace Pollock.

A LITTLE APPREHENSIVE — Diane Gearns isn't sure she'll enjoy "a whole day" in school. She's a new first grader and mother, Mrs. William Gearns, offers encouragement.

READY TO STAY — Thomas Grieves is a new first grader, too. He's looking forward to a full day of school and has come prepared with a new lunch container which he proudly displays for his teacher, Mrs. Ruth Carter.

OLD STUFF — For third graders Bob Wood and Jonathan Eberhart school is "old hat". They demonstrate the accepted way for third graders to carry their books.

Area Unit Withdraws from American Cancer Society To Remain in United Foundation Torch Program

The board of trustees of the western Wayne county unit of the Southeastern Michigan division of the American Cancer Society Monday evening voted unanimously to terminate its activities with the American Cancer Society and continue its operations as a unit of the Michigan Cancer Foundation. It is the only western Wayne area health agency authorized to receive funds in the interest of cancer from United Foundation Torch Drives.

The action was taken following the American Cancer Society's revocation of its Southeastern Michigan Division Charter when the division defied a national edict that all Cancer Society divisions and units engaged in federated fund-raising withdraw from such activities or face loss of their charters.

The Southeastern Michigan division has been an agency of the Greater Detroit's United Foundation for the past seven years. Upon losing its American Cancer Society charter, the division immediately took action to continue its cancer control program as the Michigan Cancer Foundation with the financial support of United Foundation.

"We are in accord with the Division Board of Trustees," Dr. Saul Karch, president of the western Wayne county unit said today. "We believe that local option should be allowed in the matter of fund-raising. We could not hope to raise as much money in independent campaigns as we are assured as an agency of United Foundation. For this reason, we stand with the division board in its decision to accept revocation of the American Cancer Society Charter rather than endanger the effective cancer control program we now have in operation."

"I would like to assure the people of this area that our program of service to cancer patients and of educational material available to all individuals, clubs and organizations desirous of obtaining them will be continued. There will be no abatement or alteration in the program we have been carrying on under the banner of the American Cancer Society. We sincerely hope the day will come when we can resolve our differences on the fund-raising issue and again resume our activities under the sponsorship of the American Cancer Society. Until that day comes, however, we will continue our cancer control activities as a unit of the Michigan Cancer Foundation."

Mrs. Harry Bartel, volunteer activities chairman for the unit, joined Dr. Karch in assurance that the program of education and service to the public would be continued. "We have a fine group of volunteers in western Wayne county," Mrs. Bartel said. "They are interested in the program that has been developed chiefly through their efforts and have assured me they will continue working for the good of the community as volunteers for the Michigan Cancer Foundation. Our office is still open at 21921 Morley street and we welcome any requests for educational material or help for persons afflicted with cancer."

Dr. Rosser L. Mainwaring, in casting his vote to officiate as a trustee for the Michigan Cancer Foundation said, "As a member of the medical profession, I can only say that a change in name will make no difference whatsoever in the professional education afforded the doctors. Neither will it affect the splendid cooperation physicians in western Wayne county provide in our cancer control program."

The board of trustees, which includes 13 doctors and 15 lay members cast a unanimous vote in support of the Michigan Cancer Foundation.

Mrs. L. M. Eaton is Northville branch chairman of the foundation, while Mrs. Wilbur Johnston is educational secretary and Mrs. Oscar Hammond service, secretary.

IN WILLOWBROOK:

Vacationers Trekking Home

By Mrs. George Ames — Greenleaf 4-0830

Mr. and Mrs. Clifford Broderson and children, Judy, Terry, Vicki and Eric, spent their vacation camping in their trailer at Wilderness state park near Mackinac City. They also visited Sault Ste. Marie and the Tahquamenon falls.

Mr. and Mrs. Robert Radtke and their children attended the wedding of Miss Deanna Nix and Richard Radtke at St. Veronica's Catholic church September 5. After the ceremony they enjoyed a wedding breakfast at Roma hall. The evening reception was also held at Roma hall.

Mr. and Mrs. Alwood Brines spent the week end at Stony Pointe with Mr. and Mrs. George Martin of Detroit.

The Robert Nelson family is at home after spending most of the summer at a cottage on Zukey lake. Mr. and Mrs. Frank Nelson spent the week end at Gratiot Inn, Port Huron, with Mr. and Mrs. Tom Ferris of Farmington.

Mrs. Clifford Farrington's sister, Mrs. Kenneth Stewart, is spending two weeks here visiting. Mrs. Stewart's home is in Washington, D.C. Mr. and Mrs. Howard Stine were accompanied by their sons, Fred and Jim, on a trip to visit relatives in Huntington, West Virginia over the Labor Day week end.

Mr. and Mrs. William Smelt and their son, Brian, have returned from a Florida vacation. They traveled through the Smokies, stopping at Gatlinburg to take the sky-lift up Mt. Crockett. They spent most of their time in Florida at Fort Lauderdale, making side trips to such places of interest as the Sea-aquarium at Miami Beach.

Mr. and Mrs. Robert McKeon spent their vacation on one of the Les Cheneaux islands with Mr. and Mrs. Robert Coleman at their cabin. Mrs. Errol Myers' sister and brother-in-law, Mr. and Mrs. Wilfred Clarke, spent last week end here as the guests of the Myers'. They were returning to their home in Mundelein, Illinois after a trip to Tonawanda, New York.

Nancy Morrison was at home for the holiday week end. She is beginning her second year of nurses' training at Harper hospital, Detroit. Mr. and Mrs. Edward J. Olah played host to Mr. and Mrs. Ken Kramer of St. Clair Shores Sunday at a dinner party.

NOVI HIGHLIGHTS:

Daisy Days This Week

By Mrs. Luther Rix — Fieldbrook 9-2428

Novi Chapter 47, Blue Star Mothers, will hold their annual Daisy Days Friday and Saturday of this week.

Walter White of Seeley road won a water ski jumping trophy at the Clark lake ski club meet recently.

Mrs. Rena Robertson of Detroit spent a few days last week visiting her sister, Mrs. Art Trotter.

Mr. and Mrs. Emerson Wadland of Hastings visited friends in Novi and Farmington last week end.

Mr. and Mrs. William MacDermaid announce the birth of a son, Jeffrey Scott, born September 7 in St. Joseph's hospital, Pontiac. The MacDermaids have three other children, Lynn 12, Billy 9 and Dennis 5 years old.

Mr. and Mrs. Dicon Tafrahan and family attended the annual picnic of the Knights of Vartan at Lola Valley park Sunday.

Mr. and Mrs. Charles Klaserer of Morrow, Ohio were the house-guests of the former's brother and sister-in-law, Mr. and Mrs. John K. Klaserer, from Friday until Monday morning.

Mrs. Fred Mandilk and Mrs. John K. Klaserer attended the Blue Star Mothers Past Presidents club in Flint Tuesday.

Bill Mairs, son of Mr. and Mrs. George Mairs is able to be back in school again after an illness that began last April. Bill is in the seventh grade.

Mr. and Mrs. Harry Watson vacationed last week as the guests of Mr. and Mrs. Frazer Staman at their summer home at Mullet lake.

This week Mr. and Mrs. Matthew Staman and daughter are having their vacation at the Staman home at Mullet lake.

Luther Rix celebrated his birthday Sunday at a family gathering at the Rix home on Fonda street. Present were Mr. and Mrs. Ed Rix of Plymouth, Mr. and Mrs. David O'Leary of New Hudson and Mr. and Mrs. George Schwarz of Detroit.

Mrs. James Frisbie and her father, Ben Frisbie, and Mrs. Hadley Bachert made a trip to Caro last Saturday to attend the funeral of a relative of Mrs. Frisbie and Mr. Benson.

Mrs. Florence Harris of West Grand River has just recently returned from a trip to California. While there she visited Mr. and Mrs. Norman Rowley, formerly of Novi who now lives in Ontario, Cal-

Novi Baptist Church News

The big event scheduled for next Saturday is a western round-up on the church lawn at 6 p.m. On the program will be games, charades, western music, western food and a camp fire service featuring "Uncle Vic Rust" with his banjo who will lead the singing.

Bill McPherson, a student at U-M will be the speaker with illustrations and magic tricks. Young people of the community are invited to attend and to come in western attire. For transportation call Carl Evans at FI-9-2965.

Others on the committee are BYF publicity, Mrs. Andrew Childress, food, and Mrs. Arnold Cook, program.

Mrs. Helen Salow, Mrs. Clyde Johnston and Mrs. Will Flint were in charge of luncheon arrangements following the annual church census Sunday.

The WSCS held its first meeting Wednesday at the church. A film on comic parables was shown after the business meeting. Hostesses were Mrs. Richard Bingham and Mrs. Lawrence Boyd.

The Novi Methodist ladies are invited to attend a meeting in the South Lyon Methodist church Tuesday, September 29. A pot-luck dinner will be served and Miss Edith Parks, missionary from Africa, will be the speaker.

Novi Girl Scouts The general public as well as parents and girl scout leaders are invited to attend an open house at the Southern Oakland Girl Scout Headquarters, 3269 Coolidge highway in Berkeley from 10 a.m. to 4 p.m.

A neighborhood scout meeting is scheduled for Thursday morning in the Novi community building.

TOPS Club The Novi TOPS club will continue to hold their weekly meetings in Novi school Tuesday evenings at 7-15. Officers are Mrs. Lawrence Berridge, president; Mrs. Robert Clemens, secretary; Mrs. Dewey Smith, treasurer; Mrs. Stephan Scherme and Mrs. George Mairs, program chairmen, and Mrs. Jean Gordon, weight recorder.

Novi Goodfellows The auction sale scheduled for Saturday, September 19 has been postponed. The new date will be announced later.

Life in Japan Described To Northville Rotarians

A picture of rapid industrial improvement, meticulously efficient farming and courteous, calm existence was painted by Industrialist Charles DeVlieg, Sr., as he spoke on the "Japan of Today" before members of the Northville Rotary club Tuesday noon.

DeVlieg, a resident of Royal Oak, is a frequent visitor to Japan. His first trip in 1952 came as a representative of the government to study manufacturing processes.

DeVlieg pointed out that tiny Japan (all four islands together equal less area than California) is crowded with 85 million people and that only 16 percent of the land is usable for farming. "Yet a family can make a comfortable living on four or five by using every little patch," he said.

When DeVlieg visited Japan in 1952, he estimated that industry was 30 to 40 years behind American techniques. "Today they are about 10 years behind us," he stated.

"Japan is rapidly losing its reputation as manufacturers of cheap material," DeVlieg pointed out. He said that the emphasis now is on quality.

Japan's mode of living captivated DeVlieg most. Especially, he enjoyed the Japanese baths and massages — "which last an hour and make you sleep like you never have before."

Finally, DeVlieg pictured Japan as a valued ally that realized its mistake in World War II.

Program chairman was Clifton Hill, who introduced DeVlieg to fellow Rotarians.

Mothers' Club To Meet Monday

Because of urgent business the Northville Mothers' club will meet one week early this month — in the newly-furnished Amerman school faculty room — Monday.

Furnishings were purchased for the school by the club, but have just been moved in.

Mrs. Frank Pauli and Mrs. Ed Angove will co-hostess the meeting.

It's Apple Blossom Time

According to D. J. Stark, 900 Scott avenue, it's May in September.

The Northville realtor says his apple tree is confused and that one of its limbs is sprouting blossoms while the rest of the tree yields apples.

It figures that he will be picking apples off the blossoming limb in December.

Council Ponders Subdivision Repairs

City councilmen decided to call in third party help to determine how far to go in requesting road and curb repairs in Northville Heights.

Councilmen examined the subdivision last Sunday after developers had asked the city to release them from a bond obligation, set-up to guarantee satisfactory performance of work within the subdivision.

Mayor A. Malcolm Allen expressed the opinion of the council by stating that he found some "28 definite areas needing repairs" and that he would not favor releasing any bond money until the repairs were made.

The council decided to have a concrete firm engineer the cracked streets and curbs and advise the city as to what extent replacement should be made.

In other business Monday night the council heard Engineer Harold Penn's suggestions for curtailing heavy flow of water from the new high school down Center and Walnut streets. The council decided to send a copy of the recommendations to the school board.

Judge to Speak At Optimist Meeting

A talk on juvenile delinquency by Detroit Judge Nathan Kaufman will highlight a meeting of the Northville Optimist club next Wednesday night.

Wives and friends are invited to the special Ladies Night program beginning at 6:45 p.m. at St. Paul's Lutheran church auditorium.

Yesterday (Wednesday) Lt. Gov. John Swainson was guest speaker at the regular Optimist club meeting.

Other upcoming events sponsored by the club include Youth Night, a program centered about athletics, on September 30; Citizenship Dinner, October 21, and Stag Night, November 18.

Camera Club to Meet

The Northville Adult Camera club will meet next Wednesday, September 23 at 7:45 p.m. in the Northville library for assignment night.

Members are asked to bring slides of vacation scenes.

AAUW to Greet New Members

Welcome of new members and slides of the AAUW Educational center in Washington, D.C. will highlight the first fall meeting of the Plymouth branch of the American Association of University Women this evening.

The meeting will be held at 7:45 p.m. in the multi-purpose room of Plymouth junior high school.

President Mrs. D. H. Sutherland and Membership Chairman Mrs. William Medlyn invite all eligible women to attend this get-acquainted meeting.

Holdings of any degree from 12 approved Michigan colleges and more than 400 colleges and universities in the nation are eligible for membership.

The scope, history and operation of the national association as well as the year's plans locally will be reviewed for guests.

Mrs. Lawrence Money will report on a July workshop at MSU.

Mass Media Study Group Chairman Mrs. Howard Raaflaub will discuss the club's coming tour of the University of Michigan TV studio set for next Thursday.

Mrs. Raaflaub also notes the national TV program on "Women" being telecast this afternoon. The program, "Are Women Losing Their Femininity" will feature as actresses members of the San Francisco branch of AAUW.

For further information call Mrs. William Medlyn, GL-3-3649 or Mrs. John Robertson, FI-9-0549.

John W. Sanders, son of Mr. and Mrs. Harry Sanders of North Center street, was home on a 12-day leave recently. He returned to Ft. Gordon, Georgia where he is a military security guard.

Obituary

Walter Smith
Walter Smith, 42-year-old owner of the newly established Thunderbird Inn, Plymouth, was killed Sunday morning when he lost control of his car and it struck a tree in Livonia on Plymouth road near Echo road.

Funeral services were conducted Wednesday at the Schrader Funeral home. Burial was in Riverside cemetery, Plymouth.

A resident of Plymouth for 40 years, Smith is survived by his wife, Sleda Ezel Smith, and two sons, Walter and Richard. Also surviving are his mother, Mary; sister, Miss Lillian Smith, and two brothers, Earl and William. All live in Plymouth except William who lives in Livonia.

In addition to owning the Thunderbird Inn, Smith owned Worden Specialty and Machine company also located on Northville road. Smith was a member of the Northville Masonic Lodge, No. 186 F&AM.

JOHN EDWARD ROWDEN
Funeral services were held last week for John Edward Rowden, 66, of Clarence Morrison road, West Branch, who passed away September 10 at University hospital, Ann Arbor. Mr. Rowden, who had been making his home recently with his sister, Mrs. Nellie Dayton, of Northville, was born October 9, 1893 in

West Branch, the son of John E. and Elgie (Benjamin) Rowden. Besides his sister he leaves no survivors. Friends honored Mr. Rowden at Casterline Funeral home September 11. Services were held from Stearns Funeral home in West Branch September 13. Burial was in Selkirk cemetery, West Branch.

HOW CAN A PERSON REALLY BE SURE OF GOING TO HEAVEN?

The assurance of a Christian's salvation is blessed truth taught in the New Testament. In I John 5:13 we read, "These things have I written unto you that believe on the name of the Son of God and that ye may KNOW that ye have eternal life, and that ye may believe on the name of the Son of God". It is evident that Paul the Apostle had this assurance from the evidence in II Cor. 5:1 and Philippians 1:23. And, bless the Lord you can know too! You see, the salvation of the repentant, believing sinner does not depend upon a covenant of works but upon a covenant of grace. God does not say "If you will do this and this and this, then if you measure up to my standard you will be admitted to heaven." He says, "Believe on the Lord Jesus Christ and thou shalt be saved" (Acts 16:31) To believe means to trust in Christ, to rely upon His sacrifice for you on Calvary and to enter into this covenant with Him by committing yourself to Him and receiving Him as your Lord and Saviour. Your salvation from that moment on depends upon God keeping His word. You may rest assured that He will honor the promise He has made to you.
