

Firms Win Tax Cuts In City, Township

Two utilities and three gravel firms in Northville won substantial reductions in their tax assessments as the result of decisions handed down this week by the state tax commission.

Detroit Edison and Consumers

Power company were awarded reductions on property located in the city.

Plan Party For Bridge Opening

Jubilant merchants and Novi area motorists will join with state and local officials in officially opening the new Grand River bridge near Kent lake Wednesday.

The bridge, which was opened to traffic Friday, spans the Huron river adjacent to the US-16 expressway near Kensington park. It is 200 feet long and 24 feet wide with two 2½-foot walks.

Plans for a motor parade, a ribbon cutting ceremony, and a victory celebration banquet have been completed by the Greater Grand River association which spearheaded a drive to reopen Grand River from Brighton to Farmington.

A handshake by the city mayors of Brighton and Farmington—symbolizing the reopened highway link between the two communities—on the bridge shortly after noon will highlight the grand opening celebrations.

Scores of new cars will parade from the corner of US-23 and Grand River to start the celebration at noon. The Brighton high school band will kick off the parade with several musical selections. State police will guide the cars over the parade route.

The motorcade will stop at the new bridge for several minutes for the handshaking and ribbon-cutting ceremony. State Highway Commissioner John Mackie, possibly Governor G. Mennen Williams, county highway officials, and local dignitaries are expected to be on hand for the program.

After a brief stop at the bridge, the motorcade will continue on to New Hudson, where the South Lyon high school band will perform.

From New Hudson, the parade will proceed to Novi and village and township officials will host a short welcoming program.

The parade will stop in Farmington at the end of the highway.

After the parade Grand River merchants, state, county and community officials, and guests will meet at Saratoga Farms restaurant for a luncheon program.

Grand River merchants organized two years ago to resolve several problems related to the closure of Grand River at the bridge. They sought to promote business and insure future industrial and residential development along the strip.

The state's decision to use the old Grand River bridge to carry expressway traffic over the Huron river eliminated through traffic on Grand River—and forced traffic which wanted to use the route on and off the expressway.

The combined strength of the Grand River association prompted Governor Williams to call the group "one of the strongest political factions in the state."

Construction of the bridge was started last spring by the H. C. Shingledecker of Pontiac. The contract was let at \$181,410.

Hundreds of motorists, merchants and officials were on hand for the spring dedication. In his talk before merchants at that time, Commissioner Mackie declared he never favored the "bridge theft". He said the decision was made by his predecessors.

The commissioner said similar "shortsighted treatment" was then planned at other locations when he took office, "but they were changed on my orders."

Mackie concluded discussion of this topic by declaring that "there is little room for timid thinking or small plans in the design of modern highway system which must meet the ever-increasing demands of traffic."

Calendar

Oct. 31 — Halloween party, community building, grade school age 6 to 7, grades 7-12 7:30 to 10.

Nov. 2 — Northville Co-op Nursery school meeting, home of Mrs. Alice LeWitter, Willowbrook, 8 p.m.

Nov. 3 — Mizpah Circle King's Daughters, Ruth Starkweather, 48265 West 7 Mile, 2 p.m.

Nov. 3 — WSCS smorgasbord, fellowship hall, 5, 6 and 7 p.m.

Nov. 9 — Delta Kappa Gamma, home of Mrs. J. L. McKinney, 131 Rayson street, 7:30 p.m.

Nov. 9 — St. Vincent De Paul Society feather party.

The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

Volume 89, Number 23, 16 Pages

Northville, Michigan, Thursday, October 29, 1959

10c Per Copy, \$3.00 Per Year in Advance

GRAND RIVER MOTORISTS did a double take last week when they passed the mountains of pumpkins in front of Cockrum's fruit stand and saw this life-like "jack-o-lantern". But Carl Neely, 13, son of Mr. and Mrs. Carl Neely, 43831 Grand River, assured everyone he was a friendly "goblin" just looking for a way to tell everyone that Halloween—celebration night for witches and candy-hungry children—is coming up Saturday.

Here's Meeting Times, Places

In answer to some inquiries (but, unfortunately not many) and with the hope that the information might encourage more citizens to attend meetings of their governing bodies, The Record is publishing the following schedule:

City Council meets the first and third Monday of each month at 8 p.m. at the city hall;

Township Board meets the first Tuesday of each month at 8 p.m. in the township hall;

School Board meets the first Monday of each month at the board of education offices in the Main street elementary school at 7:30 p.m. See you there.

Northville School Head To Address Businessmen

Northville Superintendent of Schools Russell Amerman will discuss the expected growth of high school student population in Northville before members of the Novi board of commerce Thursday night, November 5.

The meeting will be held at the Novi community hall with a dinner at 7 p.m. and the discussion an hour later.

'Little Goblins' Eye Parties, Treats on Halloween Eve

Goblins and witches are in for a big surprise when they ride into Northville Halloween Eve Saturday.

Waiting for them will be an army of candy-hungry youngsters dressed to scare the plants off any of the "creatures of the dark".

Many youngsters will usher in Halloween with two parties at the community building, others will drag their sack and bushel baskets up and down city streets to accept candy and treats from kind residents.

Meanwhile, five regular policemen and eight auxiliary policemen will patrol the city in three cars Friday and Saturday night to protect property owners from malicious vandals.

Police Chief Eugene King this week promised stiff fines and jail sentences for persons damaging private and city property. Property owners are urged to cooperate with the police department in prosecuting vandals.

Preparations have been completed for two parties at the community building Saturday, under the

sponsorship of the Optimist club and the city recreation department.

According to Recreation Director Stan Johnston, the party for elementary and pre-school age children will begin at 6 and end at 7:30 p.m., while the junior and senior high school students' party-dance will begin at 7:30 and last until 10.

Youngsters attending the parties will receive free refreshments, candy and treats, furnished by the two organizations and Northville retail merchants.

Masks and costumes are not necessary—but Johnston said prizes will be awarded to youngsters wearing the most outstanding costumes.

Several games are on tap, including a special musical contest and a balloon-blowing contest. A dance is planned for the older students.

Northville merchants have asked that children do not come to the stores for treats but pick them up at the community building Saturday evening. "They find it difficult to take care of 'little goblins' on busy Friday evenings, and only a few stores are open Saturday night," Johnston explained.

Word from Blue Cross Due Today

Changes Improve Hospital Outlook

UF Drive Collections Soar to \$4,000, But Fall Short of Goal

Collections from Northville's third annual United Foundations Torch drive soared to more than \$4,000 this past week—but the total still is \$1,500 short of the goal.

The drive started October 13 and ended last Friday.

Drive Chairman Mrs. William Canfield predicted confidently Tuesday that collections still funneling into the drive headquarters will boost the total up to and possibly over the \$5,505 Northville goal.

Drive captains reported the following totals through last weekend:

A. Russell Clarke, assisted by Carl Johnson and Fred Kester, select prospects solicitations, \$2,050 of the \$2,368 goal;

Jack Van Haren, school collections, \$250 of \$407;

Alton Peters, local business solicitation, \$580 of \$270;

City Manager John Robertson, "city" collection, \$300 of \$340.

Persons and businesses which have not yet contributed are urged to do so immediately. Checks and cash may be turned over to any of the drive captains or any one of the 100 women who solicited local homes.

Another progress report will be made tomorrow, Mrs. Canfield said, and total collections are expected to be up considerably by that time. She said collections here are paralleling closely the progress in the tri-county area.

A tri-county collection goal of \$17,650,000 has been set for Wayne, Oakland and Macomb counties. Donations add close to 200 agencies in the Detroit metropolitan area.

Through the western Wayne county United Community Services, Northville boy and girl scouts received indirect financial aid.

Northville King's Daughters and the Northville Recreation committee receive direct aid which last year totaled \$700.

The first year of the drive, 1957, Northville topped its goal by collecting \$5,950.

Novi Torch Drive \$900 Short of Goal

Torch drive collections jumped more than a \$1,000 during the past week—but the total still is \$900 short of Novi's goal, United Foundation officials in Birmingham reported Monday.

Local solicitors are confident, however, that funds still funneling into the Torch drive headquarters from Novi will boost the total collections up close to and possibly over the goal of \$2,975.

The future fate of Community General hospital will be determined today when the board of trustees of the Blue Cross Plan meet to consider the membership application of the Northville institution.

There have been strong indications that organizational changes made in recent weeks will satisfy the requirements for full Blue Cross participation.

To Interrupt Water Service

Public Works Superintendent Herman Hartner advised Northville housewives to prepare for a water shortage—but he can't say just when!

During the next several days the public works department will be installing new valves on water lines throughout the city. Water will be shut off for one to two hours in each area as the valves are installed.

It is suggested that during the next week housewives store an emergency supply of water in containers each morning to avoid being caught "high and dry".

Dedication Plans Set for High School

Northville's new \$2 million high school will receive its official dedication Sunday, November 8 in an afternoon program currently being planned by a committee headed by Edward F. Angove.

The program will be held in the gymnasium after which the audience will be invited to tour the building.

Opened to students for the first time this fall, the high school had its first official use last June when the 1959 class held its graduation ceremonies in the auditorium.

The campus-style building is located on a 50-acre site on North Center street near the Amerman elementary school. It cost slightly more than \$1½ million to construct with land, equipment, etc., bringing the amount to \$2 million. It was constructed by the Walter L. Couse company of Detroit. Mr. Couse is a Northville resident and will take part in the dedication ceremonies.

Other statistics on the high school include: student capacity, 650 to 900; auditorium capacity, 600; cafeteria capacity, 300; library capacity, 70; gymnasium capacity seating, 1850 to 2400 (with use of chairs); classroom area, 3 units of five rooms each with three auxiliary classrooms, three homemaking and commercial and one industrial arts, art and mechanical drawing, driver education, music and ensemble.

The program will begin at 3 p.m. with Dr. James W. Bushong, superintendent of Grosse Pointe schools, making the dedication address.

Since its opening in September the 30-bed hospital has been operating far below its capacity because patients do not receive full Blue Cross benefits. Under the present non-participating status Blue Cross will pay only \$14 per day.

If the hospital is successful in clearing the Blue Cross hurdle, directors of Community General are already planning an area-wide meeting to fully explain the new organizational arrangement, introduce board and staff members and answer any questions that may be raised.

Understandably, the series of events surrounding Community General during the past few months have led to public confusion.

Since last April, when the facility was barely operating as Sessions hospital, this is what has taken place:

— an option to purchase was taken by Dr. L. W. Snow, who endeavored to promote a community-wide effort to purchase and rejuvenate the hospital;

— Dr. H. L. Bergo, owner of a Detroit hospital, offered to purchase the hospital outright (with a partner, Abraham Farris) and operate it as a community facility on a non-profit corporation basis;

— Dr. Bergo and Farris proceeded with their plan and reportedly spent approximately \$200,000 in acquiring, remodeling, furnishing and equipping the hospital;

— shortly after the newly named Community General hospital was opened it was learned that Blue Cross no longer approved proprietary non-profit operations and it was strongly indicated that if the new owners applied for membership on this basis it would probably be turned down;

— because it has been estimated that without Blue Cross membership the hospital would lose two-thirds of its patient potential, the owners, board members and legal advisors set out to establish the hospital as genuinely "community owned";

Under the new arrangement Dr. Bergo and Farris have sold the business (but not the building and real estate) to the 10-member board of directors. The former owners hold a chattel mortgage on the equipment and furnishings for \$35,000.

The new board hopes to pay this off within three years and then acquire the Dr. Bergo-Farris stock for one dollar.

Meantime, Dr. Bergo and Farris will be leasing the building to the Community General corporation. At the end of eight years the community group has the option to purchase the building.

The details of the new organization were handled by Attorney Clifton Hill, who is also secretary on the board. Other members of the board and their terms of office are:

One year — Rev. David Davies of Plymouth, president; Secretary Hill and Dr. L. W. Snow of Northville; two years — Robert Jones of Livonia, vice president; Leland Smith and Mrs. C. E. Langfield, Northville; three years — A. M. Allen, treasurer, Northville; Gardner Niece, South Lyon, and Russell Taylor and Walter Tuck of Novi.

The corporation by-laws provide that anyone contributing \$100 during a single year is entitled to one vote in the election of the board of directors. Contributions of \$250 or more during a single year qualify a person for lifelong voting membership.

It has been indicated that attempts will be made to expand the present staff of doctors, which already includes all physicians who were at one time members of the Sessions hospital staff.

In a recent check of the hospital examiners for Blue Cross expressed pleasure at the changes made in the organizational set-up.

PLAN DEDICATION — This committee is busy completing final plans this week for the November 8 high school dedication ceremonies. Pictured above in the board of education offices are: (l. to r.)

Mrs. Crispin Hammond, Dr. Kenneth M. MacLeod, Chairman Edward F. Angove, William B. Crump, Superintendent Russell Amerman, Principal E. V. Ellison and Joseph Petrock (standing).

about WOMEN

2—Thursday, October 29, 1959—THE NORTHVILLE RECORD

NEWS AROUND NORTHVILLE

Mr. and Mrs. Charles Konopaski of Yerkes street attended the funeral of their aunt, Mrs. LaFortune at Tilbury, Ontario last Saturday.

William Krauter returned to his home on West Main street this week from the hospital in Howell, where he had been a patient.

Mr. and Mrs. Larry Meyer of Lansing were guests of the Howard Meyers on Eight Mile road last week end. Larry will graduate this December from Michigan State university.

Mrs. R. G. Nelson of Napier road went to the Grandale church in Detroit last Wednesday evening to show slides from Arizona, Brazil and church related colleges in the United States. She was assisted by the

Rev. Chandler Benton, who will soon be the new minister at Belleville.

Mr. and Mrs. J. H. McNeiece and family of Woodhill drive will leave Friday for Goshen, New York where they will attend the golden wedding anniversary of Mr. McNeiece's parents, Mr. and Mrs. W. R. McNeiece.

Miss Eva Johnson of the therapy department at Maybury sanatorium was a dinner guest of Mr. and Mrs. J. E. Straus Monday night. Miss Johnson and Miss Ida Blucher are leaving Thursday on a Caribbean cruise.

Attending the annual fall leadership training of the Detroit Presbyterial Society in Detroit yesterday were Mrs. Eldon Biery, Mrs. Philip

Fisher, Mrs. Alfred W. Parmenter, Mrs. Kurt Glaser and Mrs. Howard Meyer.

Twenty-one girls of Scout Troop No. 225 went on an overnight trip to Plymouth cabins. The Monday meeting was held at the cider mill.

Mr. and Mrs. N. F. Denne spent last Monday night with Mr. and Mrs. H. F. Wagenschutz. They were enroute to their home in Bocaaton, Florida after visiting in northern Michigan.

The Tuesday Book club met at the home of Mrs. T. N. Kampf, Jr. Mrs. W. L. Howard reviewed "Act One", an autobiography by Moss Hart.

Mr. and Mrs. J. E. Straus of Beck road entertained 16 people last Saturday night for dinner. Later the group enjoyed square dancing.

Holiday House workshop was held Tuesday night at Our Lady of Victory church social hall. Members of the Mothers' club enjoyed the work, coffee and conversation.

Mr. and Mrs. John Robertson of Ely court are in St. Louis, Missouri this week attending the City Managers' National convention.

Guests of Mr. and Mrs. J. L. McKinney of Rayson street last week were Mrs. McKinney's parents, Mr. and Mrs. L. C. Dipert of Van Loo, Ohio.

Mrs. H. R. Richardson entertained the Bolivia group last Saturday night with a dinner at her home on West Main street.

Mrs. Orrin P. Kilbourne of West Simsbury Connecticut was a guest last week end of Mr. and Mrs. Harry C. Duerson of West Main street.

Dr. and Mrs. W. L. Howard of Seven Mile road attended the Central Michigan university homecoming game with northern Illinois last Saturday. Their daughter, Phyllis, is a student there.

Robert McKeague Marries Miami Girl

Vivian Helen Shaheen and Robert A. McKeague of Miami, Florida were united in marriage October 24 in a ceremony held at St. George Syrian Orthodox church in Miami.

McKeague is the son of Mr. and Mrs. Howard W. McKeague, former residents of Northville, now residing in Miami.

The bride is the daughter of Mr. and Mrs. Nikle Shaheen of Miami. The four o'clock ceremony was performed by the Reverend Michael A. Hussan.

The bride was given in marriage by her father. Her sister, Josephine Shaheen, was maid of honor, while Geneva and Katherine Zain were bridesmaids.

Best man was Edward Eible and ushers were Robert Lynch and E. R. Browell.

Following a reception the couple

left on a honeymoon to North Carolina.

They will reside in Miami where the bridegroom is associated with an engineering firm.

Home Makers Hear Talk on Wills

Who may make a will?

The Robinson group of the Wayne County Home Economics Cooperative Extension learned the answer to this question at their October meeting last week Wednesday at the home of Mrs. James Birkelbaw.

They learned that 70 percent of the people do not prepare wills during their life which means their estates may not be distributed as they wish.

How do you go about making out a will and when should it be made, along with other questions related to planning for future family welfare, were part of the project lesson given by Mrs. John Ort and Mrs. John LaGrow.

Mrs. Robert Widmaier of Plymouth and Mrs. Russell Frid and Mrs. Bruce Turnbull of Northville were guests. Mrs. Russell Cunningham, co-hostess, served the dessert and coffee following the meeting which was conducted by Vice Chairman Mrs. John Ort.

Members of the group heard a lecture on vacation travel by automobile yesterday given by Carol Lane of Shell Oil company at St. Paul's church, Goddard road.

Mr. and Mrs. James Spagnuolo of East Main street attended the wedding of their niece last Saturday at Tilbury, Ontario.

Mrs. C. C. Yerkes entertained the Tuesday bridge club at her home on Eight Mile road with a dessert luncheon.

Last Thursday night Mr. and Mrs. J. E. Straus of Beck road celebrated their anniversary with a dinner party at Hillsdale.

Frank Bongiovanni, Sr. was released from Community hospital last week and is convalescing at his home on Yerkes street.

Mrs. Robert A. McKeague

M. E. Clark's Wed 25 Years

Mr. and Mrs. Marcus Edwin Clark celebrated their 25th wedding anniversary with their daughters Jane, Marianne and Elizabeth, and son, John, on Saturday, October 24th at a nuptial high mass at St. William's church in Walled Lake. Their residence is on West 12 Mile road in Novi. They renewed their vows and received a papal blessing from Pope John XXIII.

The wedding breakfast for the immediate family was held at Saratoga Farms and their daughter, Jane, gave the toast to her mother and father. A friend made the four-tiered wedding cake that was centered with a silver "25". Mrs. Edward Walsh and Michael Wojcik, the couple's attendants, received with them. Family was present from Clio, Royal Oak, Detroit and Novi.

Mrs. Clark wore a royal blue wool gown and whimsie and a lavender orchid, a gift of Mr. Clark. They received many beautiful silver remembrances of the day.

Mrs. Mary Alexander of Linden street spent last week end in Richland visiting Mr. and Mrs. D. C. Lawrence.

Woman's Club To Hear Dondero

The Honorable George Dondero, former U.S. Congressman, will be the guest speaker at the November 6 meeting of the Woman's club.

Dondero will discuss the St. Lawrence seaway and illustrate his talk with slides.

Mrs. D. H. Clark, program chairman, will introduce Dondero. Guests will be invited to the meeting, which will be followed by a tea.

Methodist Women Plan Smorgasbord

The Woman's Society of Christian Service of the First Methodist church is sponsoring a smorgasbord in the Fellowship hall Tuesday.

The dinner is for the public. Serving hours are at 5, 6 and 7 p.m. Tickets are available from the church office or from the WSCS circle chairmen.

Northville VFW to Hold Halloween Party Friday

The Veterans of Foreign Wars, Northville Post No. 4012, will have a Halloween masquerade party on Friday at 8 p.m.

All post and auxiliary members are invited. Clara Broda is chairman for the party.

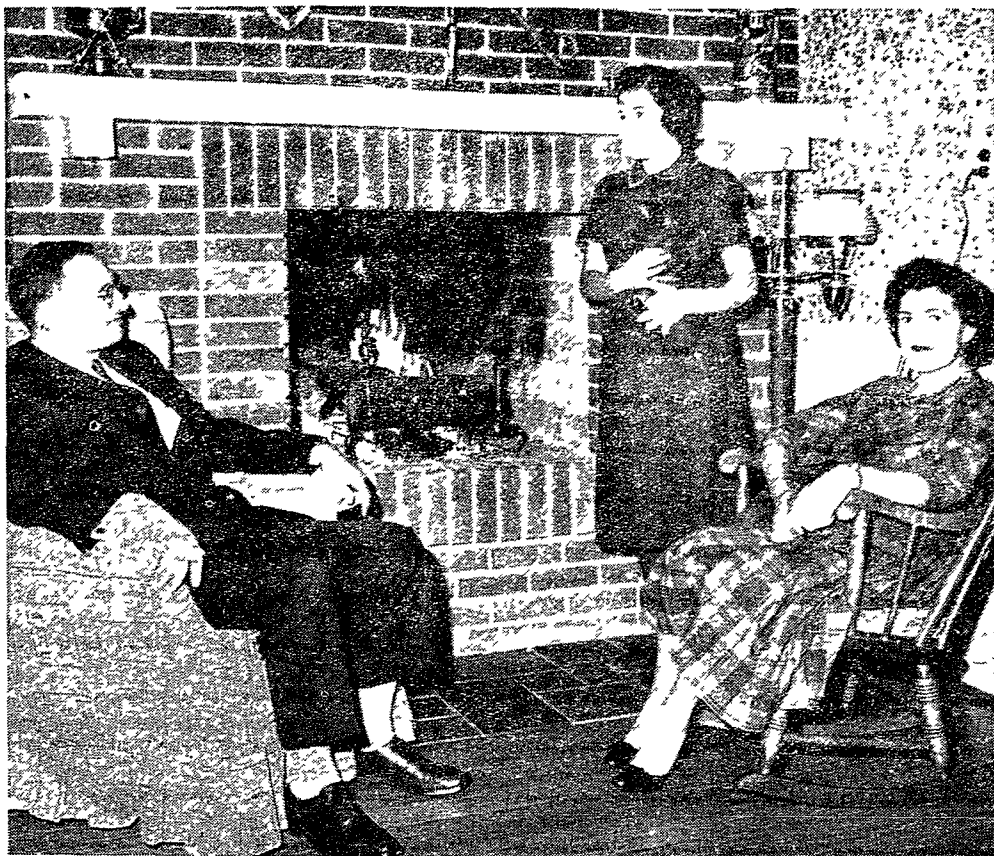

King's Daughters to Meet

The regular meeting of the Mizpah Circle of King's Daughters will be held Tuesday, November 3 at the home of Mrs. Ruth Starkweather, 48265 West Seven Mile road at 2 p.m.

Newcomer's Corner

"I look upon every day to be lost,
in which I do not make a new acquaintance."

—Samuel Johnson

NATURALIZED CITIZENS — Newcomers Mr. and Mrs. Trevor Norton and their daughter, Jill, 12, of 45041 Mayo drive in Connemara subdivision became naturalized citizens of the United States last week.

The United States was richer by two citizens last week when Mr. and Mrs. Trevor Norton, formerly of

England and newcomers to Novi's Connemara subdivision, took an oath at Detroit.

For it was eight years ago when the Nortons, along with their two children, Glyn and Jill, moved to the United States from their home in England.

The Nortons made the move at the continual urging of friends in this country and with firm convictions that they could be more active in their church here.

Their first home was at Independence, Missouri, headquarters of their church, the Reorganized Church of Jesus Christ of the Latter Day Saints. Mr. Norton is a High Priest in the international church body.

He also is a member of the Detroit International Stake Bishopric, governing body of more than 24 congregations. The family belongs to the Reorganized Church in Plymouth.

Mr. Norton, who served seven years as a captain in the Royal Army Ordnance Corps during World War II, was employed by Ford Motor company at Kansas City.

Three years later he was transferred to Highland Park where he became production control manager of Ford's trim section, a post he still holds.

Mrs. Norton also is active in her church. She is a member of the Detroit Amity Music club. She, her husband and son are musicians.

Son Glyn, now 18, is a freshman at Graceland college in Lamoni, Iowa, where he is studying inter-

national law. Glyn intends to take his citizenship examination during the summer vacation next year.

Jill, 12, automatically became a citizen of this country when her parents took their citizenship oath. (Children of naturalized citizens need not take an examination if they are 16 years old or younger.) She is a seventh grade student at Northville junior high school.

Although the Nortons had some misgivings about leaving the country where love and faith carried them through the perils of World War II, they now are thoroughly entrenched in the American way of life — and very happy with their new home at 45041 Mayo drive.

NEW ARRIVALS

Edwin Brooks (Mike) Cavell IV was born October 20 at St. Joseph hospital in Pontiac. He is the new son of Mr. and Mrs. Edwin Brooks (Casey) Cavell III of Waterford. He is the grandson of Dr. and Mrs. Edwin Brooks (Ted) Cavell II of Tawas and the great-grandson of Mrs. Edwin Brooks Cavell of West Main street and the late Dr. Edwin Brooks (Ned) Cavell I. Mike weighed eight pounds, 13 ounces.

A daughter, Margaret Marie, was born October 19 at New Grace hospital to Mr. and Mrs. Michael Green of 15708 Park road. Mrs. Green is the former Isabelle Sherman. Margaret Marie, the Green's first child, weighed 10 pounds.

Local Teacher Attends Annual Music Conference

Mrs. Leland H. Mills, piano and voice teacher, 232 South Center street, attended the Michigan Music Teachers association annual convention this week at the Rackham building on the campus of the University of Michigan in Ann Arbor. Over 60 teachers, leaders and performers in music appeared on the program of lectures and performances.

The convention offered discussion meetings in eight different areas including the teaching and study of piano, organ, voice, string instruments, wind instruments, music theory and composition.

According to Frank S. Stillings, MMTA executive secretary, approximately 225 music teachers from colleges, universities, conservatories and private studios registered at the convention.

17th ANNIVERSARY — Novi Chapter 47, Blue Star Mothers, and their guests celebrated their 17th anniversary at a luncheon at the Thunderbird Inn Monday. The group was organized in October 1942 at the home of Mrs. Luther Rix, first chapter president. Other chapter presidents since organization include: Mrs. Arthur Hilyard, Mrs. Frances Miller, Mrs. Clare Lockwood, Mrs. Paul Ginste, Mrs. R. E. Ward, Mrs. Fred Mandik and the present president, Mrs. Joe Gardella. Many of the celebrants are pictured above at the Thunderbird.

A "Wife Saver" ...

Nothing too large for the new flatwork ironer we now have in operation! What a fascinating machine. This ironer is 110" long, capable of ironing the largest sheet. As the sheet is fed into the machine, a series of belts carries it to the ironing surface and is ironed to a "hand-finish" smoothness. Thus a job of satisfaction on all your sheets and flat pieces. This is really a "wife-saver"! How wonderful to make up the bed with crisp, freshly ironed sheets. It's so reasonable and practical, too. We'll wash your sheets "snow-white" and iron them to a "smooth-as-glass" finish. The housewife who has us do her laundry, has more time for the things she'd "rather do". Why not give us a call today!

The handy work of two art teachers and a seventh grade art class is displayed above in the window of The Little People's Shop this week. Jack Van Haren's seventh graders made the Halloween masks, while Roy Petersen carved the unique face on the pumpkin (lower left).

Northville City Council Proceedings

A regular meeting of the Northville City Council was held at City Hall Monday Eve., Oct. 19th, 1959 at 8 P.M.

Absent Mayor Allen
Present: Councilmen Canterbury, Juday, Reed and Welch.

In the absence of Mayor Allen, the meeting was conducted by Mayor Pro Tem Canterbury.

Minutes of last regular meeting were read and approved.

Bills amounting to \$16,034.75 from the General Fund, \$2,938.26 from the Water Fund and \$12,365.35 from the Water Construction Fund, were presented for payment. It was moved by Juday, supported by Reed, that these bills be allowed and paid Carried.

A letter was read from the Northville Public Schools written in reply to one received by them from Mr. Robertson containing recommendations made by our City Engineer regarding the flooding of private property around the corner of Base Line and N. Center St. They stated that they would prefer to go over these and any other matters of mutual concern at a joint meeting of the Council and School Board.

City Atty Ogilvie was instructed to look into the question of whether or not the City was in any way liable for the damage to the basement of Charles Altman of 866 Grace Ave. due to flooding.

Stanley Johnston, Recreation Director, again came before the Council to report that the Township had agreed to allow him an additional \$500.00 to carry on his winter program. He was asked to make his report to the City Council in writing in time for the next regular meeting.

The Bulk Food Ordinance was the

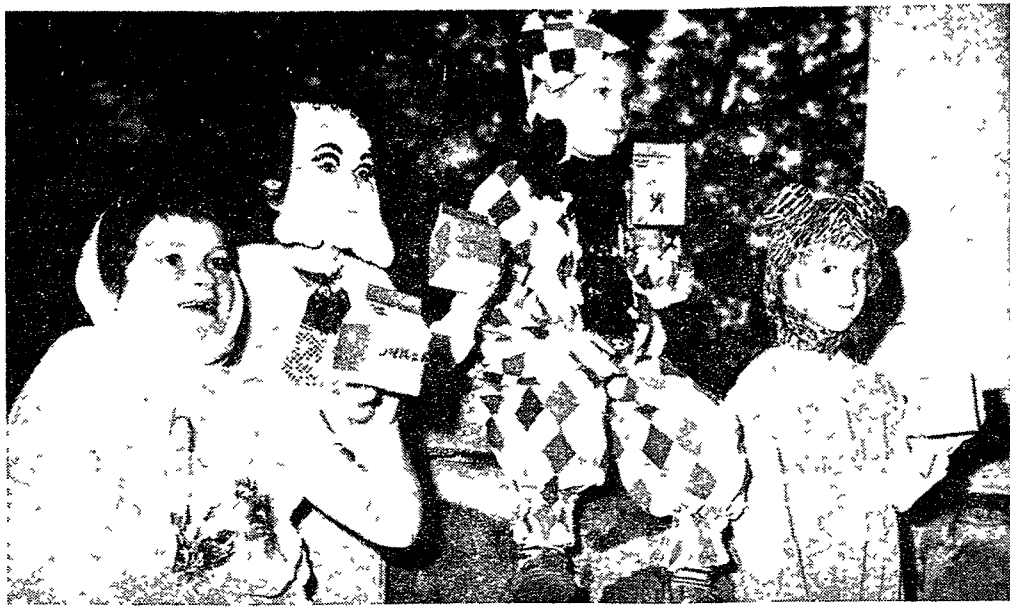

next item on the agenda. Mr. Gannon, of the Wayne Co. Health Dept. was present to answer any questions which might be asked regarding same. Several merchants were present who wanted some answers and clarification of the provisions of this ordinance, in addition to the questions asked by the City Council. After receiving satisfactory answers to all questions raised, it was moved by Reed, supported by Juday, that a notice of Public Hearing on this ordinance be published in the Northville Record, same to be held at the next regular meeting on November 2, 1959. Carried.

The Sidewalk Ordinance was the next item to be discussed. After going over the provisions of the ordinance very thoroughly, it was the opinion of the Council that the property owner should pay something towards the extraordinary costs which would be involved in some cases where considerable fill would be necessary or retaining walls would be required, etc. It was then moved by Canterbury, seconded by Welch, that the Sidewalk Ordinance be published in the Northville Record, with an addition to same that a maximum cost of \$200.00 be paid by the property owner for extraordinary costs involved in the construction of sidewalks. Public Hearing on this ordinance to be held at the next regular meeting November 2, 1959. Carried.

It was moved by Welch, supported by Reed, that the following resolution be adopted: "The City of Northville hereby RESOLVES that there shall be 'No Parking' on North Center St from Dunlap St. to the new Eight Mile Rd." Motion was carried.

Moved by Reed, supported by Juday, that the water bill of Reuben Petersen for 145 E. Main St. for the period from 6-10-59 to 9-10-59 be cancelled, due to the fact that there had been a bad leak in the water line which had registered in his meter and had caused his bill to be unusually high for the previous period, which bill he had paid. Motion was carried. The leak has now been repaired.

There being no further business, meeting was adjourned.
Signed
Mary Alexander,
City Clerk

SEE YOU SATURDAY — This quartet of Halloween-garbed kiddies will be calling at Northville area doors Saturday afternoon collecting contributions for UNICEF — the United Nations organization to help provide medicine, food and care for needy children throughout the world. Mrs. Essie Nirider and Mrs. Rolf Batzer are making arrangements for the collection. Some 200 children from the First Methodist, Baptist and Presbyterian churches are expected to help in the campaign. Shown above are: (l. to r.) Libby Cargo, Nancy Nirider, and Ron and Lynn Angove.

Two Women Hurt In Crash Saturday

Two women were hospitalized Saturday when a car smashed into the rear of their car at the corner of Randolph and West roads.

Injured were Mrs. Lucille Broyles, 36 Brookside place, and her daughter, Brenda, 17, of Dearborn. Both suffered back injuries. Mrs. Broyles was taken to the Wayne county hospital, and her daughter to Oakwood hospital.

Andy Neeley, 26159 Novi road, driver of the other car, was ticketed for negligent operation. Mrs. Broyles told police she slowed her car for a hole in the road when the other car smashed into the rear.

Two cars collided at the Main-Hutton intersection Monday resulting in extensive damage to both cars. No one was injured.

Douglas J. Tegge, 16580 Franklin road, told police he was making a left-hand turn into the municipal parking lot when his car collided with another driven by Mrs. June Borkowski of Garden City.

Mrs. Borkowski, who was headed east on Main, reportedly signaled for a left-hand turn but continued on through an amber light.

Both drivers were ticketed, Tegge for failure to yield the right-of-way, and Mrs. Borkowski for negligent operation. Trial has been set for November 7.

Fine Truck Driver For Smashing Meter

A Romulus motorist who was driving a truck last week that smashed a parking meter was fined \$10 and was ordered to make \$80 restitution after pleading guilty in court Saturday.

Peter Williams was fined by Justice of the Peace E. M. Bogart.

His truck, owned by Christian Enterprises, rolled backwards at the Center-Main intersection Thursday smashing a parking meter on Center south of Main. He told police the truck brakes failed.

Return from 4,000-Mile Southern Trip

By Mrs. Charles Ware — Market 4-1601

The Paul DePodestas have returned from a 4,000-mile trip through the southern states. They drove all around the coast of Florida and went deep sea fishing. They also visited Cypress Gardens.

Twelve guests enjoyed a lovely lunch at a toy party given at the home of the Merritt Marshalls on Pontiac trail Tuesday, October 20. Henry Madigan of Pontiac trail spent the week end in Owosso at an Elks convention.

Mr. and Mrs. Robert Simmons spent the week end in Langsburg as the guests of Mr. and Mrs. Dale Carr. The men of the party spent their time coon hunting.

Wednesday, October 21 40 guests enjoyed cards and lunch at the home of Mrs. Jesse Birchard. Proceeds will be used to purchase equipment for the coming church bazaar.

St. William's Altar Society wishes to report a profit of \$430 on their

rummage sale which was held two weeks ago.

Mr. and Mrs. Howard Coe spent Sunday in Flint as the guests of Mr. and Mrs. L. Wise.

Fred Thayer is a patient at St. Joseph's hospital, Pontiac.

The teachers of Wixom school are planning Halloween parties for each room this Friday.

Hugh Guthrie was confined to the hospital after returning from Wisconsin from his vacation.

Mr. and Mrs. Kenneth Burden were bow and arrow hunting at Mio, Michigan.

The Sunshine Social Service group will hold their next meeting November 18 at the home of Mrs. Delbert Geyer.

Mr. and Mrs. Jack Campion, Mrs. John Morris and Mrs. E. Needham of Royal Oak were Thursday guests of the Kitsons.

Mrs. John Williams and Mrs. Frank Pennell attended the Blue Star luncheon Monday at the Thunderbird Inn in Plymouth.

Mr. and Mrs. George Packer of Battle Creek were house guests from Friday until Monday of Mr. and Mrs. B. A. Kitson. Saturday dinner guests of the Kitsons were Mr. and Mrs. Ernest Folkmer of Berkeley.

Mr. and Mrs. Everett spent the week end with Rev. and Mrs. William Green at Linton, Indiana.

Mr. and Mrs. David Revitzer have a new son, Gregory David, weighing seven pounds, 12 ounces. The grandparents are the Eino Sorvaries and the senior Revitzers.

The sixth grade pupils of Wixom school were on a two-day field trip in the Proud lake recreation area. They were accompanied by their teacher, William Whitney, and Principal Miss Muggler and several fathers.

The Hi-Fi Extension group from Hickory Hills spent Monday, October 19 at a work shop at Michigan State university, Oakland branch, Rochester. They studied about Christmas gifts and enjoyed lunch at the cafeteria.

On Thursday, October 22 a black elephant party was held at the home of Mrs. Cyril Abbott by the members of the Crest club. Mrs. Jack Wesch was a special guest.

OBSERVE U.N. WEEK — AN "international tea" was held Friday afternoon at the Wixom elementary school in recognition of United Nations Week. The program was under the sponsorship of the city government of Wixom. Above (l. to r.) Mrs. R. W. Lahti, Mrs. Oscar Simmons and Mrs. Robert Vollmer, committee for the event, serve Councilwoman Lottie Chambers and Miss Ethel Mugler, school principal. A replica of the U.N. building served as a centerpiece. At right, Mrs. Joseph Stadnik presents several books concerning the U.N. to Marianna Karell. Mrs. Stadnik made the presentation on behalf of her husband, Mayor Stadnik. Marianna, who moved to this country 2½ years ago from Finland added an international touch to the occasion by accepting the city's gift on behalf of the school in her native Finnish language.

TOP SAFETY — Oscar Bullock, 14, is safety patrol "member of the month" at the Wayne County Training school. A patrol member of two months, Oscar has already been promoted to the rank of lieutenant. He is noted for being a good worker, cooperative and attentive to the responsibilities of his job.

Goodwill Pick-up

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for Tuesday, November 3. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries pick-up, call the local Goodwill representative, Maybury sanatorium Men's club, Fieldbrook 9-2682.

NOTICE OF PUBLIC HEARING CITY OF WIXOM PROPOSED ORDINANCE

The City of Wixom Council has for consideration of enactment on November 12, 1959 at 8:00 p.m. at a regular meeting, an ordinance prohibiting the purchase, possession or transportation of alcoholic beverages or intoxicating liquors by minors; prohibiting owners of motor vehicles from permitting minors to possess or transport alcoholic beverages or intoxicating liquors therein; prohibiting any persons from giving or furnishing alcoholic beverages or intoxicating liquors to minors except upon authority or pursuant to prescription of a physician; and provisions for penalty for violation of this ordinance.

This proposed ordinance shall be known and may be cited as the "Minors in possession of, and persons furnishing to minors, alcoholic beverages or intoxicating liquors".

All interested parties shall be given ample opportunity to be heard at the public hearing on said proposed ordinance.

Signed **LILLIAN BYRD**

LARGE family brick colonial, dining room, family room, large lot. Excellent location, \$24,900. 340 S. Rogers. FI-9-3207. 23x

The Buy of the Week!

A 1957 custom-built 3 br. ranch home on Cottisford Rd., Brookland Farms. One of the finest homes in the area on an easily cared for big lot (180x210) overlooking a lovely valley with big trees and a small stream on the south side. Easily reached, yet quiet and peaceful — a spot for relaxation. School bus at door. Very interesting price and terms. Call us for appointment.

A modern 2 br. ranch in a setting of beautiful gardens and trees. Fireplace, full basement, new oil furnace, near schools on N. Center.

A sound, well-kept older home on Cady, 3 br. and separate apt. with kitchenette and bath. Fenced yard with beautiful trees. 2-car garage. Can be 4 bds. or 3 bds. and apt. Brand new automatic furnace. Move fast on this one, it's priced to sell.

A 1954 3 br. ranch on large lot in nice section of Northville. Separate sewing room. Large screened porch, fireplace, storms, screens, TV antenna, ready to move in and live!

Combination store and 5 room home in Salem. With the growth of suburban living this could be a gold mine! Price is reasonable with small down payment. Here's your chance for developing a sustaining retirement business.

Here's another chance to combine home and business with a modern 4 br. home, full basement, on large lot, zoned C2. Large block garage with 10 ft. doors, suitable for machine or repair shop. On Novi Rd. between Novi and new highway.

We have several pieces of acreage that can be divided to suit the purchaser. This is your opportunity to get just what you want where you want it. But don't wait — prices on acreage are going up.

We have large lots in the most beautiful areas around Northville — Brookland, Thornapple, West Main, etc. Somebody is going to be really happy with them — it could be you!

A wonderful deal for the large family! A five bedroom home, large living room with fireplace, separate dining room, kitchen, breakfast room, enclosed porch, full basement with gas heat, 2-car garage. And a real bargain for a good location right in town.

A really beautiful home for a large family. 4 hr., 2 baths, and everything that should go with it on a beautiful 318x320 lot. Just out of Northville on West 8 Mile.

State of Michigan
THE PROBATE COURT FOR THE
COUNTY OF WAYNE
No. 479,277

In the Matter of the Estate of
ADA L. ROE, Deceased.

Notice is hereby given that all
creditors of said deceased are re-
quired to present their claims, in
writing and under oath, to said
Court at the Probate Office in the
City of Detroit, in said County, and
to serve a copy thereof upon THO-
MAS CARRINGTON, Executor, 536
W. Main, of said Estate, at North-
ville, Michigan on or before the
30th day of December, A.D., 1959,
and that such claims will be heard
by said court, before Judge Ira G.
Kaufman in Court Room No. 1221,
City County Building in the City of
Detroit, in said County, on the 30th
day of December, A.D. 1959 at 10:30
o'clock in the forenoon.

Dated October 19, 1959

IRA G. KAUFMAN
Judge of Probate

I do hereby certify that I have
compared the foregoing copy with
the original record thereof and have
found the same to be a correct
transcript of such original record.

Dated October 19, 1959

NOTICE

CITY OF WIXOM

PROPOSED AMENDMENT OF ORDINANCE NO. 40

The City of Wixom Council has for consideration of enact-
ment on October 22, 1959 at 8:00 p.m. at a regular council meeting
an amendment to Section 8 of Ordinance No. 40 entitled "Offenses
Ordinance of the City of Wixom No. 40".

THE CITY OF WIXOM ORDAINS:

that Section 8 of Ordinance No. 40 entitled (an ordinance regulating
conduct constituting an offense by persons in the City of Wixom;
preventing vice, disorder and immorality; promoting public peace
and safety; protecting public morals; protecting public and private
property and prescribing penalties for violation of its provisions.)
is hereby amended to read as follows:

Section 8 PENALTIES

Any person who shall violate the provisions of this
ordinance shall be guilty of a misdemeanor and upon con-
viction thereof, shall be punished by a fine of not exceeding
five hundred (\$500) dollars or by imprisonment in the
Oakland County jail for a period not exceeding ninety (90)
days, or by both such fine and imprisonment in the discre-
tion of the court, including the cost of prosecution.

Section 8 of Ordinance No. 40 is hereby enacted and
amended.

This amendment shall take effect 10 days after date of its
final approval by the city council of the City of Wixom.

All interested parties shall be given ample opportunity
to be heard.

Signed LILLIAN BYRD
CITY CLERK

Novi Woman Hurt In 10 Mile Crash

Donna Wallace, 47430 10 Mile road, suffered a nose fracture Saturday morning when the car she was driving smashed into a culvert on 12 Mile road near Haggerty. She was treated at Atchison hospital.

Police said Miss Wallace turned her car into the ditch to avoid hitting a car making a left-hand turn off the road.

The driver of the other car, Duane Hoose, 8395 West Five Mile, was ticketed for driving with an expired operator's license.

OLV Club Meets Tuesday

The monthly meeting of Our Lady of Victory Mothers' club will be held on Tuesday, November 3. Hostesses for this month will be Mrs. Frederick Soloman, chairman; Mrs. Clement Simoneau, Mrs. Joseph Spagnuolo, Mrs. John Spannos, Mrs. Raymond Stroutos, Mrs. Harry Stubbs, Mrs. Neil Suddendorf and Mrs. James Sugrue.

HEADED RIGHT

If you were to visit a certain church in Kansas, you probably would notice the imprint of two baby feet at the beginning of the walk leading from the street to the church. The feet are pointed in the direction of the church. Fourteen years ago when the walk was being laid, a Mother set her barefoot boy on the freshly poured concrete. She started the boy right, and now that she is dead, the heart of her boy is still going in the right direction. It makes a lot of difference whether the parents start them out right by setting an example in the attendance of Sunday School and Church. And still this is not enough, better yet the parents should set the example of a sur-rendered heart and life to Jesus Christ. Somewhere I gleaned this bit of information "Where the parents are Christians, 7 out of 12 children become Christians, too. Where the parents are not Christians, only 1 out of 12 become Christians." Whether this information is accurate I cannot say, but I do know that the example of Godly parents does make a difference. Parents, listen! God has given you a great responsibility for it is up to you to see that they are headed in the right direction.

Obituary

MRS. MABEL WARWICK

Mrs. Warwick died October 25 at the Northville State hospital at the age of 69. Mrs. Warwick was born May 16, 1891 in Detroit to William and Mary Bowman, who preceded her in death. Her husband, Albert, also preceded her in death. Survivors are a son, John, of Winter Park, Florida, and two sisters, Mrs. Nellie Hayes and Mrs. Laura Gillespie of Detroit. Funeral services were held at the Casterline Funeral home October 27 with Mrs. Mary Delbridge as reader from the Christian Science church in Detroit officiating. Interment was in Forest Lawn cemetery, Detroit.

WILFRED H. HAWBECKER

Mr. Hawbecker of 15810 Harrison road, Livonia, died October 23 at New Grace hospital, Detroit, after an illness of four days at the age of 46. Mr. Hawbecker was born May 11, 1913 to Herbert S. Boyer and Ethel Laws at Douglas, Arizona. He was married June 21, 1943 to his wife, Marian, who survives. Other survivors include his mother, Mrs. Hawbecker; two daughters, Jean and Leanne, and two sons, William and Ellis, and one grandchild, Marian. The Hawbeckers have lived in Livonia for 22 years and he was employed as an electrician with the D. L. Casey company in Detroit. Mr. Hawbecker was a member of the First United Community church in Detroit, Northville Lodge No. 186 F. & A. M., Union Chapter No. 55 R.A.M., Northville Commandry No. 39 K.T., Northville Council No. 89 R. & S. M., Moslem Temple of Detroit, Orient Chapter No. 77 O.E.S. of Northville, Scottish Rite and Trinity Shrine No. 44 W. S. of J. The funeral, under the auspices of Northville Lodge No. 186 F. & A.M., was conducted at the Casterline Funeral home Monday, October 26. The Rev. Lucien Keppel of the First United Community Church of Detroit officiated and interment was at the Park View Memorial in Livonia.

MARRIED 25 YEARS — Friends and neighbors from Northville, Plymouth and Livonia surprised the Elmer DeKays, 431 Yerkes, with a dinner party at the Canopy Inn in Brighton on their 25th wedding anniversary. Included in the many gifts was a money tree covered with silver and paper dollars. The DeKays were married by the late Reverend William Richards in Belleville October 20, 1934. They have a daughter, Mrs. Nola Earechart, and two grandchildren, William Keith and Cheryl Lynn.

Northville Woman Presides At Analysts' Convention

The third annual convention of the Michigan State chapter of Grapho Analysts was held at Lansing last week end. Approximately 150 persons attended the convclave.

Mrs. Lucille McKinney of 131 Rayson street, president of the Michigan State chapter, brought greetings to the group at the opening session.

The theme of the convention; "How can we help children through the strokes of their handwriting" was evident throughout the convention.

Edwin Merrill, dean of boys, from the Zimmerman school, Flint, spoke on "Problems in Dealing with Children". He said that grapho analysis was another tool that all teachers and parents could use in helping the child if they had some knowledge of this science.

Two teenagers, David Croteau and Gordon Powers gave their viewpoints. One of these boys had had much difficulty in school, both in behavior and actual school subjects and was allowed to withdraw from school. He was out for one year. He stated at this convention that he was helped directly through grapho analysis and this year returned to the public school with a much different attitude toward the teachers, the classmates and his parents. He is completing his senior year in the Flint school.

William H. Bannan, warden of Southern Michigan prison also presented his views of "The Individual in Prison" and how grapho analysis might have been much help to these men as youngsters. Of course, he says, one must want help, before he can be helped.

Dr. Thurman, University of Michigan, college of education, was the banquet speaker, using as his topic, "So, What's Funny".

Gene Stecconne of the International Grapho Analysis Society of Springfield, Missouri, gave instruction both Saturday and Sunday.

'Create Interest in Politics' GOP Told

Sixty Northville area Republicans heard Wayne County Chairman Norman Stockmeyer outline a program of action for club workers in a rally held Tuesday evening at the Community building.

Stockmeyer urged the newly-formed Greater Northville Republican club to canvass its community, discuss the issues, become interested in taxes and government and conduct a campaign of education within the club.

He suggested means of organizing the club to expand its membership and provide courses in politics that will instill interest and provide members with information to help combat the "Jethargy" towards community, state and national political affairs.

Club officers were introduced and it was announced that the next meeting would be held at the home of Mrs. Rita Northup, Spring drive.

The officers are: Donald Robinson, president; Mrs. Martha Milne, vice president; Betty Hoffman, recording secretary; Mrs. Ruth Tyler, corresponding secretary; A. T. Gillahan, treasurer, and Mrs. Bea Carlson and Harold Price, members of the executive board.

Chairman of Tuesday's rally was Wilson Tyler.

Premium Fuel Oil at No Extra Cost

Nowels Fuel Oil is premium Fuel Oil at no extra cost. This Premium fuel oil keeps filters and nozzles clean . . . prevents rust and corrosion in tanks and lines. Premium Nowels fuel oil eliminates service calls due to oil. Yet this fuel oil sells at regular price. Royal Start for Novi Rotary

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Thursday, October 29, 1959—9

Novi Rotarians and their wives were the guests of honor and, as such, their two tables (at top and below) were directly in front of the speakers table.

Seventeen Northville Rotarians attended Novi's charter night. At the table above are: (l. to r.) J. J. Brummel, Dick Lyons, Kenneth MacLeod, George Lockhart, R. V. LeMaster, Charles Carrington, Art Schnute and T. R. Carrington.

Novi's new Rotary club got off to a "royal" start Friday night when the club received its official charter in ceremonies conducted at the Lincoln plant.

On hand was the first president of the first Rotary club of Ethiopia, His Imperial Highness Crown Prince Asfa Wossen.

Lieutenant Governor John B. Swanson added more of the VIP touch to the event which was attended by Rotarians from more than 40 clubs in Michigan and Canada.

The new Novi club was sponsored by the Walled Lake club which was responsible for the charter banquet. Maynard Post of Walled Lake was in charge of arrangements.

The dinner was delayed nearly an hour by the late arrival of the Prince and his official party. Protocol called for a toast to the President of the United States, a toast to the Prince and finally, a toast to Her Majesty, Queen Elizabeth II. The national anthems of the United States, Ethiopia and Great Britain were also played.

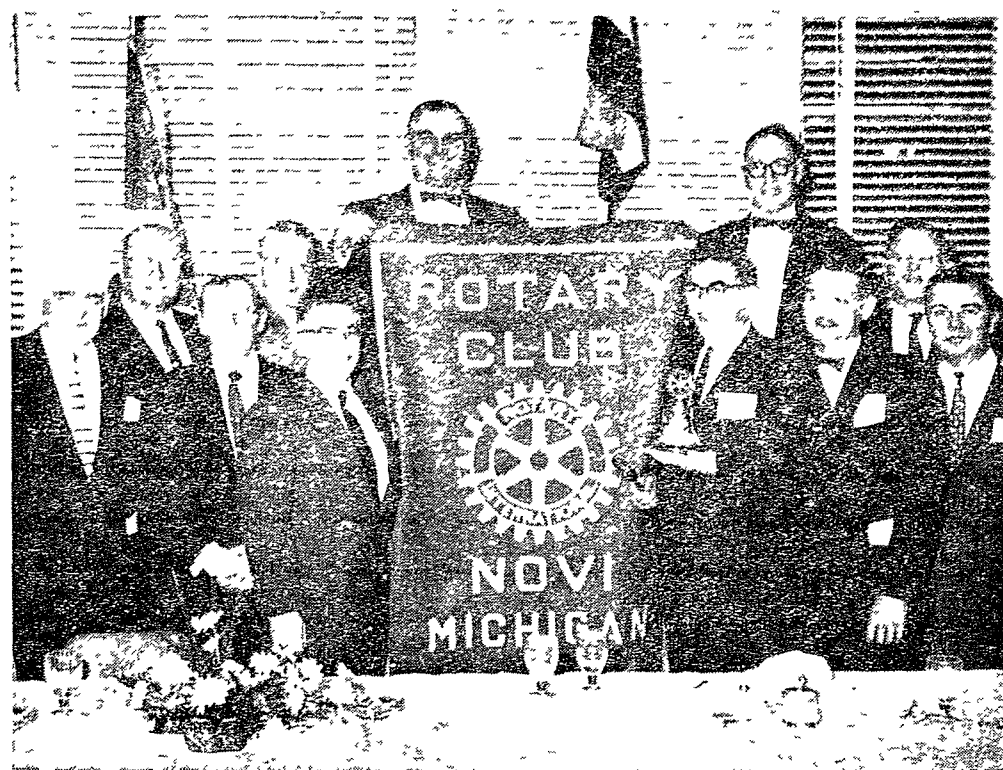

Prince Wossen is currently touring the United States as the guest of the department of commerce.

His wife, Crown Princess Medferash Worg, was too wearied by a full day of touring Detroit to attend the Rotary event. It is their first visit to the United States.

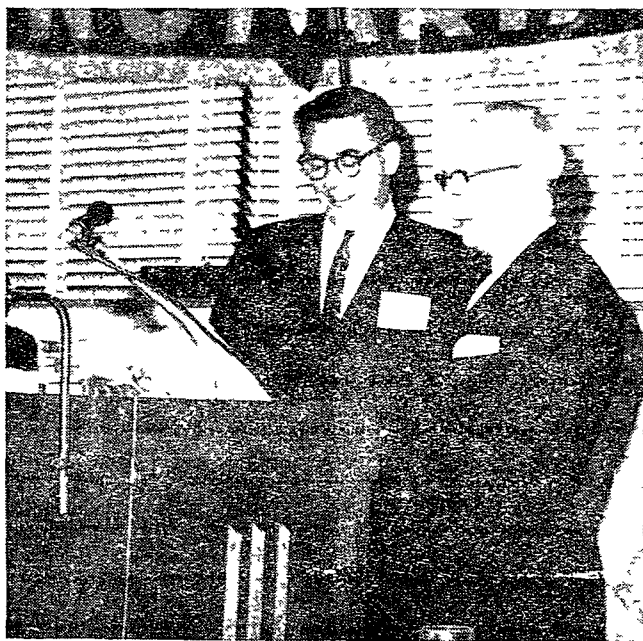

Guest speaker of the evening was Thomas R. Reid, assistant director of civic and governmental affairs for the Ford Motor company. The genial Reid, who in 1947 was elected one of America's 10 outstanding young men by the U.S. Junior Chamber of Commerce, entertained the Rotarians with his easy-going manner and sharp wit. He called for all citizens to "step out and be heard on public affairs". Reid emphasized that it is not necessary to be a "politician" to be active in community events — but that one can take part in many projects that contribute to the welfare of the community and state in which he lives.

The climax to the evening came when The Rev. William M. Hughes, Rotary Governor of District 638, presented the charter to Robert K. Anderson, Novi club president.

Novi Rotary Vice President George Kenyon introduced each of the 24 members and officers of the club.

Proud officers of the newest Rotary club are: (l. to r.) Arthur Heslip, Fred Olson, Frazer Staman, Robert Redner, George Kenyon, Leo Harwood, President Robert Anderson, William Medlyn, George Burrows, Lee BeGo'e and Fred Stricker.

The big moment came when District Governor Rev. William M. Hughes (right) presented Novi President Robert K. Anderson with the club charter.

Crown Prince Asfa Wossen of Ethiopia greets the audience of Rotarians. The Prince was the first president of the first Rotary club of his country. He is currently touring the U.S. as a guest of the department of commerce. Standing next to the Prince is a member of his royal party and Lieutenant Governor John Swainson and Maynard Post, who was program chairman for the sponsoring Walled Lake club. In the background is Walter Horstman, president of the Walled Lake Rotary club.

Speaker Thomas R. Reid added a light — as well as interesting — touch to the evening.

Novi Vice President George Kenyon introduced fellow club members.

A toast — to the President of the United States, Her Majesty, Queen Elizabeth II and the royal guest of honor, His Imperial Highness Prince Asfa Wossen (right).

Not 50%, Not 75% But 100% Automatic
It Regenerates While You Sleep

This completely automatic softener remembers to regenerate itself. Previously it was necessary in so-called "automatics" for somebody to pull a lever, or turn a switch or push a button, and to remember to do it at the right time. Not so with the Bruner Fully Automatic. Its marvelous built-in "memory" the electric calendar clock, remembers for you, and your softener regenerates just when it should, "while you sleep!"

Come in today. Learn how you will conserve money, time and effort with a FULLY AUTOMATIC Softener.

IT'S GREAT TO BE ALIVE !

Mustangs Post 30th Victory

Crush Bulldogs At Brighton

The Bulldogs growled a lot, but the Mustangs did all the biting Friday as Northville claimed its 30th straight league victory.

By crushing Brighton 20-0, Northville maintained its lead in the Wayne-Oakland league (5-0) and extended its league winning streak to 30 games — longest in local high school history.

The loss bounced the Bulldogs (2-3) into fourth place, a few percentage points behind third-place Holly which battled Bloomfield Hills to an 18-18 tie.

In other league contests last week, West Bloomfield bowled over Clarkston, 33-7, and Milford posted its first victory of the season by trouncing Clarenceville, 18-0.

The Mustangs have only two more league games left between them and their fourth straight W-O championship. Tomorrow they take on Clarkston in the Dad's Night classic, and the following Friday they invade Clarenceville.

Howell and Northville will clash in a non-league, season finale on November 13. Howell will host the contest.

A blocked punt and a recovery by Northville in the opening minutes Friday set the stage for the Mustangs' fifth win this season.

Big Wade Deal sliced through Brighton's forward wall to knock down the ball. Northville recovered.

Six plays later — highlighted by an 18-yard end run by Halfback Larry Nitzel — Northville's Halfback Dave Hay plowed nine yards over the left end to notch the Orange and Black's first touchdown.

Center Wade Deal kicked his first of two points after touchdown.

The Bulldogs threatened a few minutes later, carrying the ball to Northville's 26-yard-line in a long series of line plunges.

The assault died on the 21 after Northville was handed a five-yard penalty Northville took control and promptly lost 15 yards as the Bulldogs crashed through the line on two successive plays.

Fullback Gary Morgan's quick kick on the third down was partially blocked and the Bulldogs took possession on Northville's 25.

Again Northville's defensive unit stiffened knocking the Bulldogs back to the 37 where the Brighton attack ended with another fourth-down kick.

At the halfway point, both teams were battling for possession with Northville out front 7-0.

The Mustangs first drive from scrimmage in the third stanza netted them their second touchdown. Morgan crashed over center for the touchdown after Quarterback Steve Juday fired a 14-yard pass to Halfback Roger Atchinson and Nitzel churned upfield for 26 yards in four plays.

Deal's kick was good. Early in the fourth quarter Northville blocked another Brighton punt — but the Bulldogs recovered the loose ball on their own 12 yard line. Then on the third down — after losing nine yards — the Mustangs recovered a Brighton fumble.

Atchinson carried the ball to the one where Juday vaulted into the end zone for Northville's final touchdown.

Harbert Stars In TV Match

Meadowbrook Country Club Golf Professional Chick Harbert was the star performer of the new television match series last Sunday as he nipped Tommy Jacobs on the 18th hole.

Harbert, playing in the second match of the new program, meets Mike Souchak next Sunday. The program is on channel 4 at 4:30 p.m.

THE NORTHVILLE RECORD—Thursday, October 29, 1959—11

Dennis Gilbert, Ken Skover Win Football Quiz Money

Dennis Gilbert of Novi and Ken Skover of Northville finished one-two in last week's football contest to win \$10 and \$5, respectively.

Each of the youngsters missed three of the 15 games but Dennis was closer when it came to predicting the score of the Lions-Rams professional game.

Dennis is a 10th grader at Northville high school and a member of the junior varsity football team. Son of Big 10 football referee A. T. (Tony) Skover, Ken is currently attending the 8th grade at Birmingham, where his family will soon move from their 40240 Fairway III residence in Northville.

Competition was keen in last week's contest despite several upsets. Biggest surprise was the Detroit win at Los Angeles. Many other misses were recorded on the Illinois-Penn State, Navy-Penn (a tie), Iowa-Purdue and Michigan-Minnesota.

Four other contestants missed only three games, but didn't come close on the professional score. They were Phil Nauman, David Chabot, Howard Wilkinson and Richard Milne.

Mustangs In "Top Ten"

The Mustangs moved into the "top ten" of the weekly Associated Press state ratings last week Wednesday.

This week's ratings had not been released when The Record went to press. However, the Mustangs may have advanced from its 7th-place rating by virtue of its 20-0 win over Brighton Friday.

West Bloomfield, which suffered a humiliating homecoming loss to Northville two weeks ago, was rated 15th in AP standings. Dowagiac and Monroe Catholic were rated one and two. Kalamazoo university high was third.

Face Clarkston Tomorrow

Veteran hunters will tell you a wounded animal is more dangerous than a frightened one.

Northville's championship Mustangs would do well to keep this in mind tomorrow when they go hunting for their 31st league win tomorrow in the annual Dads' Night contest.

The Wolves of Clarkston, twice wounded in league action this season solidly cracked on the head by Northville's 1958 squad, will invade the Mustangs' gridiron fully aware of the fact that they have little chance of capturing the league crown.

But like a wounded bear, they want revenge — and a victory over the Mustangs would come closest to satisfying their anxiety.

Clarkston will bring a 3-2 record — good enough for third place — onto Ford Field. Northville, on the other hand, boasts a 5-0 record along with a string of victories that stretch back to the 1955 season.

A Clarkston win would drop the Mustangs into a first-place tie with West Bloomfield. The Wolves would then be only one game from the top. The chance of overtaking the leaders is slim, but Clarkston is making no concessions.

Last year, displaying near-perfect football both offensively and defensively, Northville rolled to its 24th straight league victory by crushing Clarkston.

After his team won, Coach Ron Schipper commented: "This is really what makes them great. They all like to play ball — Friday night they ran, blocked and tackled viciously."

Tom Slattery rifled a five-yard TD pass to Craig Bell in the second, and then in the third, Slattery plunged across the goal line in a quarterback sneak.

In the final quarter, Joe Hay crossed the magic line twice, once on a 15-yard race over center and once on a 10-yard sprint around end. Hay also scored a point after touchdown on an end run. Jeff Crawford scored Northville's other extra point on an end run.

Coach Wilkinson singled out Craig Bell and Howell for stellar offensive play and Slattery for his "terrific" deception at quarterback.

Walled Lake JV's Whip Troy, 19-7

Walled Lake's Little League junior varsity eleven overcame a half-time Troy lead Saturday to post a 19-7 victory at Walled Lake junior high school.

Touchdowns by Mike Sims and Larry Mitich iced the game for the JV squad. Russell Herron raced 50 yards for Walled Lake's opening touchdown. He also kicked the JV's lone point after touchdown.

Most impressive of Walled Lake's touchdown was a 60-yard gallop by Sims after he intercepted a Troy pass.

Outstanding defensive players for Walled Lake were Robert Chamberlain and Harry Wright. John Abrams, quarterback, sparked the offensive attack.

In other Little League games, Troy and the Walled Lake freshmen fought to a 0-0 deadlock, and the Troy varsity eleven edged Walled Lake, 7-6.

The Walled Lake Little League's squads play host to East Detroit November 4 beginning at 6:30.

Scores for Allegheny

Dave Adams, Northville junior at Allegheny college, had beautiful touchdown runs of 45 and 15 yards last week as the Gator Junior Varsity defeated the Washington and Jefferson JV's 18-0.

FOOTBALL CONTEST

WIN CASH PRIZES WEEKLY

★ IT'S FUN
★ IT'S EASY
★ ANYONE CAN WIN
★ NOTHING TO BUY
\$10 FIRST PRIZE **\$5 SECOND PRIZE**
EVERY WEEK
HERE'S ALL YOU DO . . .

In each of the 15 spaces provided below place a circle around the team you believe will win. Be sure to pick a winner in all 15 games. Note that in one game it is necessary to pick the probable score. This will be used only in case a tie occurs and then the contestant whose score is closest to the actual score will be declared the winner.

Enter just once a week, but you may enter as many weeks as you desire. In case of ties, prize money will be split.

Be sure to write your name, address and phone number

plainly in the space provided. Free entries are available at The Northville Record office.

Employees of The Record-News or sponsoring merchants are not eligible to enter.

Elementary Schools . . . A Report of Progress

During the 1958-59 school year a very successful experiment in the teaching of conversational French to pupils in the first, third and fourth grades was undertaken in both elementary schools. Demonstrations were given at local service clubs and the Parent-Teachers Association. Everyone was amazed at the progress made by the children in such a short time. The teaching was done by regular members of the staff at no additional expense to the school district.

One of the important social events of the kindergarten year is the designing, making and modeling of Easter hats. Using all types of materials each child created an original hat for the kindergarten parade.

The Russell H. Amerman School is particularly proud of their new Student Council. The election of the members of the council was preceded by a rally and nominating convention including speeches and advertising. Representatives of the Student Council appeared before the Board of Education to request permission to adopt school colors and to raise money for landscaping by selling tickets to a flower show. The Student Council also participated in Clean-Up Day and in collecting clothing for the needy as well as other school and community projects.

THE FUTURE

While it is felt that Northville offers an excellent program in the elementary schools, Parent-Teachers Committees feel that even better opportunities can be offered if funds and personnel were available for: Elementary Librarian or Resource Centers, Physical Education Program, More Psychological Service, more opportunity for the slow learner and for the gifted, expansion of the foreign language program.

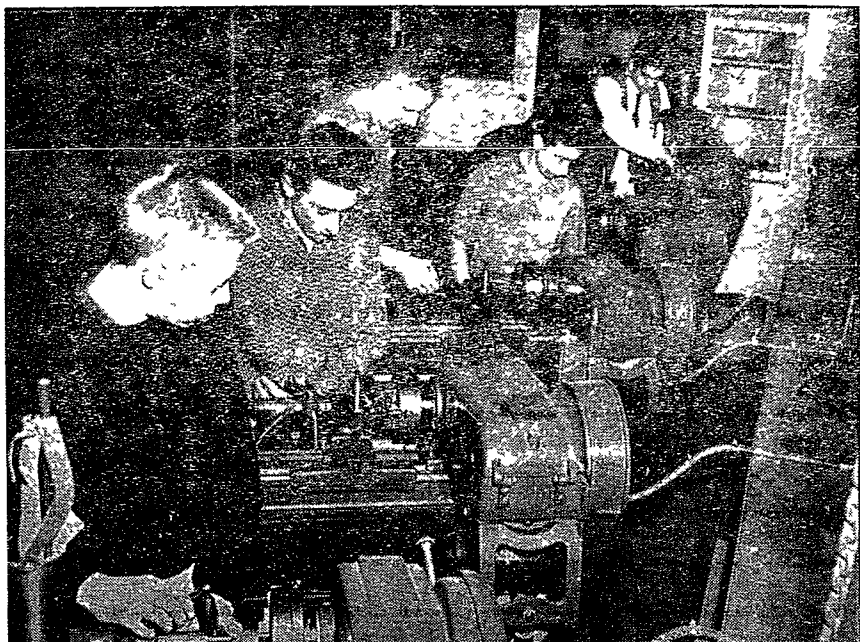

Secondary Schools And Activities

Another side of the educational offerings at Northville High School seeks to give students an opportunity to express themselves in: speech, drama, debate, oratory, radio, declamation and Forensic club work. The ability to speak or act before an audience develops self confidence and poise. The person who can express himself clearly and distinctly will have an advantage in the highly competitive world of today.

In the auditorium foyer at the new high school a visitor will see a beautifully multi-colored mosaic representing both historic Northville and the new Northville. This mosaic was a project of certain art students during the 1958-59 school year. Tiles were formed, fired, glazed and colored by the pupils engaged in the project. The total cost of all the materials was less than \$75. A mosaic of this type and size is priceless. The Detroit News Sunday Pictorial carried pictures of this work of art in the edition of Sunday, September 13, 1959. The art department also teaches: art appreciation, water and oil painting, architectural and other sketching, sculpture, jewelry, design, etc.

The high school program is not confined to purely "academic" classes. Opportunity is given boys to learn to operate wood and metal lathes, other machine tools, bench work and mechanical drawing. The shop at the new high school will offer greater opportunities to the boy seeking vocational or avocational training. Most of the machines pictured were left at the Main Street School for junior high use.

Every Northville High School graduate has taken at least two years of science during his high school years. A student may choose from: biology, physical science, chemistry, physics and life science. In a national achievement test given last year Northville High School science students scored higher than the national median. Science courses offered at Northville are not the result of "Sputnik" or crash programming, but have been included in the offerings for a number of years.

WHAT OF THE FUTURE?

The opening of the new Northville High School in September 1959 has made it possible to increase the opportunities in: Homemaking, Industrial Arts, Art and Commercial. A Guidance Program has been started. Library services

are being expanded. New equipment will give new meaning to science courses. The new auditorium will provide new challenges to the Speech, Dramatic and Music students. Increased facilities and equipment will enrich the Physical Education program. New facilities and instruments should make for even finer music organizations.

The 1959-60 school year will be one of adjustment to new buildings, programs, equipment, etc.

In order to comply with all the recommendations of the Citizens High School Curriculum Committee, additional personnel will be required to: Offer a complete Fine Arts program, provide adequate guidance services, increase

opportunity in industrial arts, commercial, homemaking and physical education and to develop an Adult Education program.

We now have the facilities — the complete educational program can only be achieved with the expenditure of additional funds for the increased personnel needed.

Northville Board of Education Minutes

October 5, 1959

The meeting was called to order at 7:30 p.m. by President Schrader. Present: Messrs. Schrader, Johnson, Crump, Shafer and Lawrence. Absent: None.

Others Present: Superintendent Amerman; Asst. Supt. MacLeod; Principals Ellison, Smith and Kay; Mr. Francis Gazlay; Mr. Wilfred Becker.

The minutes of the last regular meeting were read, one addition made, and then approved.

Communications:

1. Eberle M. Smith Associates, bill in the amount of \$634 for changes made in the trucking entrance to the receiving room at the new high school.

2. State Aid payment in the amount of \$36,000.00.

3. Amerman Heights Civic Association, asking that the school administration furnish two programs for the Association.

Board instructed Dr. MacLeod to reply that since the type of program requested would be in conflict with a duplication of planned P.T.A. programs, we postpone our meetings with their organization or select some other topics for their programs.

4. Letter from U.A.W., C.I.O. to meet with the school administrators to discuss the gift of certain reading material to the school system.

5. Northville Optimist Club, requesting permission to hold their district oratorical contest in the high school auditorium.

Report of the Superintendent:

1. Lengthy discussion of sidewalks, drainage and related matters at the high school site, which was prompted by a letter from the City of Northville dated September 26, 1959.

The Board instructed the superintendent to write to the City of Northville suggesting that we hold a joint meeting with the City commissioners to discuss and resolve all of these problems of mutual concern. The board members will hold any Thursday evening open for such a conference.

2. State Aid Loan: motion by Mr. Crump, supported by Mr. Lawrence, that we make application to the Department of Public Instruction for permission to borrow \$175,000 against 1959 State Aid. Motion carried as follows: ayes: 5; nays: 0.

3. Teacher Recruitment by Dr. MacLeod: we have secured the services of Miss Rose Meisner to teach mathematics and English in the high school to relieve the class load in these areas.

4. Roy Rue Magician: wants permission to stage a series of assemblies programs free to the students, with the compliments of a certain commercial enterprise. Board voted not to book this program this year.

5. Parking Lanes: recommend that we seek bids on having this work done. Two concerns are ready to give us a figure. Board consented.

Report of the Treasurer

Balance in General Fund,

September 30, 1959 \$107,469.18

Balance in 1949

Debt Retirement Fund \$2,405.88

Balance in 1954

Debt Retirement Fund \$2,066.91

Balance in 1957

Debt Retirement Fund—Series A \$17,937.70

Balance in 1957

Debt Retirement Fund—Series B \$27,399.93

Balance in 1957

Debt Retirement Fund—Series C \$13,322.70

Balance in Building and Site Fund \$251,774.26

Moved by Mr. Shafer and seconded by Mr. Crump that the report of the Treasurer be accepted. Carried.

Report of Special Committees:

1. Curriculum Committee: report was given by W. C. Becker — asked for an extension of time in which to prepare the final report of the committee. Permission granted.

2. Landscaping: discussed Green Ridge Nursery proposal of October 5th, i. e., (1) Sumac and pine at \$165.00 per 1,000 square feet; (2) Honeysuckle and pine at \$245.00 per 1,000 square feet. Motion by Mr. Crump, supported by Mr. Shafer, that we accept Proposal No. 1. Motion carried.

Auditing Committee:

Moved by Mr. Lawrence and seconded by Mr. Crump that bills in the amount of \$9,724.43 and payrolls totaling \$52,046.26 be approved for payment. Carried.

New Business:

1. It was decided to proceed at once with the completion of the auxiliary parking area (west of the paved parking area), grading and seeding west of the gym, and the bank and ramp north of the faculty parking area, under the direction of Mr. Crump, Mr. Shafer and Mr. Ellison.

2. Football Area: Mr. Crump was appointed to review the proposed improvements with two engineers who had previously presented plans for this development, namely a Mr. Nene D. Alix and Mr. Harold Penn. A special meeting will then be called to consider the matter.

3. Moved by Mr. Shafer that free use of the auditorium be granted the Northville Optimist club for their oratorical contest, provided there is no admission charge, but that we cannot allow them the use of cafeteria facilities at this time. Second by Dr. Johnson. Carried.

4. Moved by Mr. Crump that a letter of appreciation be sent to Mr. Ralph Willis for his care and diligence in supervising the paving, grading and drainage at the high school. Supported by Dr. Johnson. Carried.

5. Motion by Dr. Johnson and seconded by Mr. Lawrence that the school's share of the 1958 tax bill on the property purchased from Frank and Charlotte Robinson in the amount of \$30.66 be paid. Carried.

Miscellaneous:

1. Mr. Ellison reported on the cafeteria for the month of September as follows:

Bills and expenses	\$4,053.51
Receipts	2,867.28
Reimbursements	
receivable	500.56

Net deficit \$ 685.67

2. There followed considerable discussion of the school instrumental music program. The board instructed

the administrators to prepare a policy on the total band program in the school, and the high school principal to set up certain controls governing the handling of instruments at football games.

Adjournment:

Upon motion by Mr. Crump and second by Mr. Shafer the meeting was adjourned at 11:45 p.m.

MARY ALEXANDER, CITY CLERK

OUT OF THE
PAST

ONE YEAR AGO . . .

Registered voters from Northville and Northville township will cast their ballots next Tuesday for eight state, two congressional, six county and four judicial candidates.

Three propositions and county and state referendums also will be voted upon.

A special Requiem Mass was offered at Our Lady of Victory church this morning for the repose of the soul of His Eminence, the late Edward Cardinal Mooney, Archbishop of Detroit, who died in Vatican City Saturday while preparing to participate in the election of the new Pope.

Detroit harness racing figures released this week by the State Racing Commission show a 7.3 percent increase in attendance at Northville Downs this year — but a 3.2 percent decrease in handle.

Latest reports from Northville business and residential areas have pushed the Torch Drive fund over last year's total — but chances of reaching the 1958 goal appear dim.

FIVE YEARS AGO . . .

Northville high school's Mustangs showed much improvement over the two previous contests, but Clarkson's fired-up squad proved too tough, and the Mustangs went down to their second straight defeat last Friday, 19 to 13.

Unable to see the traffic light at Main and Center streets, W. E. Forney, 65 or 673 Thayer boulevard, was seriously injured Sunday morning when he walked into the side of a car driven by Edward Seitz, 128 Rayson street.

Northville's first civil defense demonstration was pronounced a success Monday night by Northville Director Oscar Hammond.

Northville motion picture fans will be able to see three recent pictures as their first movie fare in three years when the P&A theatre reopens its doors November 3.

Seven oil wells are now producing in the ten-month-old Northville field, and an eighth is expected to come in within the next few days, the state conservation department said Tuesday.

FIFTEEN YEARS AGO . . .

The Township board of Novi has named Bernard Kitson treasurer to fill the unexpired term left

vacant by the resignation of George Simmons who has served in that capacity since 1932.

"Meg" Geraghty has been named the University of Detroit's first women's athletic director, it was announced today by Lloyd Brazil, athletic director.

Miss Geraghty is the daughter of Mr. and Mrs. Robert E. Geraghty, 122 North Wing street.

Fire which started in the lean-to in the rear of the Turnbull building on West Main street, now owned by Kenneth Rathburn, gutted the building and destroyed the entire contents on both floors.

The fire was discovered about 10 p.m. Mr. Greer's tailor shop on the first floor and the living quarters on the second floor was left a heap of debris.

Northville's trotting meet wound up in a blaze of glory Saturday. A record crowd of more than 7,200 bet a record \$73,073 through the mutual windows.

TWENTY-FIVE YEARS AGO . . .

In a hard-hitting talk before approximately 50 Exchangites, Rotarians and their wives at the Methodist church house Wednesday evening Anthony Maiullo, legal representative for the Italian counsel of Detroit, compared the united Fascist government of Italy to the 48 complex and separate governments of the United States.

The Italian people, he said, under the leadership of Il Duce are prepared to do anything to perpetuate their nation.

"Over here we hide our Dillingers, our Goodriches for years and when we do get them we have to go through the red tape of extradition proceedings before we can get them before a court of justice."

The Centennial celebration of the Methodist church in Northville opens Sunday morning with a special sermon by the pastor, Rev. H. H. Mallinson.

A Republican rally will be held Wednesday evening, October 31 at the Wixom community hall. Supper will be served at six o'clock at 35 cents per plate, and a fine program will be given afterward with Congressman George A. Dondero, Circuit Court Commissioner Earl Phillips, and several other county officers as the speakers.

We're taking a tour of National Bank's New Main Office

Any time between 10 a.m. and 3 p.m. Monday through Thursday (till 5 p.m. on Fridays), we'll be happy to show you around. The tours take approximately 45 minutes.

Just walk right in and join the group following Miss Oliver or one of our other special tour guides. That way you'll be sure not to miss anything. The ultra-modern employee dining room and lounge, for example. The giant master control panels that keep tabs on the weather, wiring plumbing and even set the clocks throughout the entire building. The mile of pneumatic tubing that rushes communications to any place in the bank by merely twirling a telephone-type dial.

By all means, bring along a friend if you like.

NATIONAL BANK OF DETROIT

Member Federal Deposit Insurance Corporation

POST 147

Bob Collocott — Reporter

The preamble to the constitution of the American Legion, known by heart to millions of Americans, is one of the nation's great documents.

Novelist Mary Roberts Rinehart summed up the grandeur of the Legion's Preamble in a few words in 1941, when she asked the Legion for permission to use the Preamble in a patriotic article that the editors of Cosmopolitan magazine had asked her to write.

The Preamble "thrills and pleases," said Mrs. Rinehart. It is a "document of utmost importance" whose "wonderful words," which "say so much in so little," express "the Americanism we all still feel".

Great events produce great and simple documents.

The Legion Preamble has that direct simplicity of expression which only great experiences can release.

The Preamble, though written by specific individuals, is the expression of thoughtful love of country, and of the feeling of obligation to one's own, of thousands of men who had just been asked to die in defense of their homeland and had gone forth to do so if necessary.

In Paris March 1919, then later in St. Louis, Missouri on May 8, 9 and 10, 1919 the Preamble was first drafted then adopted.

The entire body of the St. Louis caucus adopted the final version without debate. With one exception, it is identical to the Preamble of the American Legion as it is today, and its familiar words as then adopted were:

"For God and Country, we associate ourselves together for the following purposes: to uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred percent Americanism; to preserve the memories and incidents of our associations in the great war; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness".

The final exception, the only change made in the American Legion's Preamble since then is the addition of an "s" to the words "association" and "war" in the fifth paragraph, following the admission to the American Legion of veterans of World War II.

Bag Your Dinner At Turkey Shoot

The Farmington Elks lodge will hold their second annual Turkey Shoot Sunday, November 8 at East Shore drive and 14 Mile road, Walled Lake. This event will begin at noon and is open to the public.

All nimrods are invited to get their pre-deer season practice and, with a little luck and good shooting, obtain a Thanksgiving turkey. Contestants may bring their own shotguns but she shells will be furnished.

Former Resident Recalls Old Days in Return Visit

An 86-year-old former resident of Northville — who started as an employee in the local fish hatchery and rose to become the superintendent of fisheries in Wisconsin — visited his home town last week.

He is Brayton Webster, who now lives in Saxeville, Wisconsin in the summers and in St. Petersburg, Florida during the winter.

Born here in 1873, Webster is the son of Brayton G. Webster — Civil War veteran and for many years a carpenter, justice of the peace, and a self-made lawyer without a formal education.

"I was born and raised over on downtown area.

HONORS GROUP HONORED — Edward Proctor, president of the Northville high school chapter of the National Honors Society, holds the plaque awarded the group by Parents Magazine for contributions to the school community. The society, open to membership to high school students having a B average or better, sponsors a tutoring class for students needing help in their subjects and also has started "dress-up" days to remind fellow students that neatness and attention to grooming improves one's morale and attitude. The honor society also sponsors the annual Honors Convocation emphasizing outstanding achievement in academics. Eugene Quay, Florence Panattoni and Diana Lance are teacher-advisors for the group.

"When I was a boy, the north side of the Main street had all wooden awnings over the sidewalk, all along the cobble stone pavement — about 10 feet wide."

One of the first jobs Webster had as a boy with The Record as a printers' devil. "That's when the paper was located in the basement across the street — where your drugstore is now."

Later Webster went to work for the fish hatchery here. Shortly after the turn of the Century, he moved to Pennsylvania to work in a hatchery. Still later he moved to Wisconsin where he operated the fish hatchery station at Wild Rose.

He was appointed superintendent of fisheries in Wisconsin in 1922. In 1944 he retired.

Webster recently created a "stir" in Wisconsin when a Milwaukee newspaper carried a series of articles by him in which he blamed conservation people for the disappearance of trout from Lake Michigan.

Conservation people, he declared, blame the lamprey for the destruction of the lake trout when they themselves are guilty.

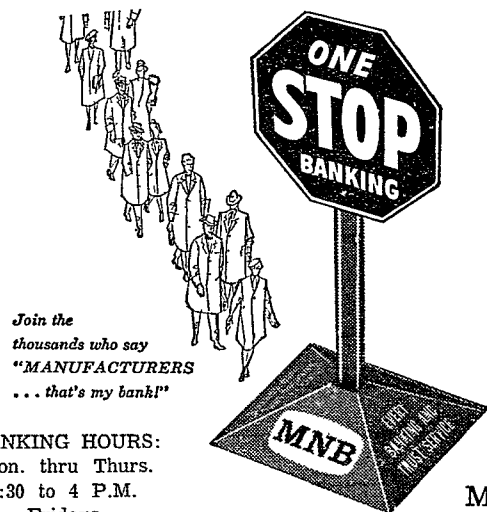

Several years ago they stopped propagating steps along Lake Michigan shores. The young fish had been destroying the lamprey before they matured and thus keep their numbers down, he said.

But once they stopped replacing the trout, the lamprey population grew swiftly, he explained.

Webster does not believe that man will be able to correct his mistake by scientific means. "The trout will come back only by some natural phenomenon — and that may be a hundred years from now."

Webster stopped here on his way to his home in Florida. He found the local hatchery closed, visited a few old friends, then left — but not before tasting cider at Parmenter's where as a small boy he delighted in sipping cider at the old mill.

SPEAKING

for the Record

by BILL SLIGER

Whether most people realize it or not, the community — or at least a group of citizens representing the area at large — is now in the business of owning and operating another hospital.

The reference is to Community General hospital, previously owned by Dr. H. L. Bergo and Abraham Farris. Two weeks ago — in rather severe measures taken to comply with regulations believed necessary to gain admittance to the Blue Cross plan — a new 10-member board of directors purchased the hospital.

Dr. Bergo and Farris still own the building and hold a chattel mortgage for about \$35,000 on the equipment and furnishings. The new board hopes to pay this off in three years and then exercise an option to buy the facility itself in eight years. (Actually, the present owners retain their stock until the mortgage is paid off — then the stock must be sold for \$1.00).

The object of the rather complicated maneuvering surrounding Community General since its opening in September comes to a conclusion today. (See story, page one).

It boils down to this: if the board of trustees of the Blue Cross Plan are willing to accept the new plan of ownership now in existence at Community General, the hospital will be in business. But, if the application is refused, we'll have the exact situation that existed when Dr. Bergo and Farris purchased the former Sessions hospital: a business with its customer-potential reduced by two-thirds (the estimated percentage of Blue Cross members in this area).

Officials of the hospital are optimistic, however, that the plan will be accepted. They have worked many hours to map the details and Blue Cross admittance is just the beginning.

It takes money to operate any hospital, and while the former owners have been very liberal in their terms of sale, it's a certainty that the next job for the new board will be to gain public financial support.

Legislative Marathon

MICHIGAN LAWMAKERS usually have at least a half year to rest up between sessions.

Not so this year. They won't even have to bother to clean out their desks. The marathon 1959 session, longest on record, has taken the legislature to within earshot of the January opening of the 1960 session.

Sounds of '60 already are being heard in the legislative chambers. A busy docket is assured.

Aftermath of the 1959 cash crisis and buildup for the 1960 fall elections will in themselves provide enough kindling to keep political fires going in the Capitol during the winter.

Investigations during the closing months of this year will provide ammunition for the opening shots of next year's legislative session.

One of the most battle-scarred issues, the state's "economic climate", has been attacked by a committee headed by Sen. Carlton H. Morris (R-Kalamazoo).

Morris will take his five-man committee to several cities before reporting to the legislature with recommendations for bringing more jobs into Michigan.

The Morris committee won't have to look hard for suggestions. The Republican State Central Committee, Gov. G. Mennen Williams' Committee on Economic Future (COMEF), and George Romney's Citizens for Michigan all have studies underway. The Michigan State Chamber of Commerce, which will be organized in December, is sure to have a few words of advice on behalf of businessmen.

Williams already has announced he will propose a state Economic Growth Act, patterned after the Federal Full Employment Act of 1946.

The most-investigated agency in the legislative interim will be the Highway Department. Sen. John H. Stahlin (R-Belding) got senate authorization to look into Highway Commissioner John C. Mackie's administrative practices.

State controls over trading stamp companies may be proposed by a study committee headed by Rep. Allison Green (R-Kingston).

Other reports will be due from committees studying everything from agriculture to zoning.

Natural resources administered by the Conservation Department will be in the object of attention in the 1960 Legislature.

Conservation officials say it will be a critical year for park development. If money is not provided for improvements, future generations will lack elbow room for outdoor recreation, they warn.

The governor and the Legislature have been unable to agree for three years on a program to finance parks. Williams wants a bonding program, the Republicans a park fee program.

Complaints about management of the state's deer herd are expected to be aired during the 1960 session.

A SHOWDOWN over state versus private shoreline rights is expected to bring a Supreme Court decision before long.

The Conservation Department and a group of property owners want the National Gypsum Co. to take down its seven million dollar loading dock in Tawas Bay.

At issue: Do shoreline owners

have the natural and inherent right to warf out to navigable waters?

National Gypsum and the Iosco Circuit Court said yes.

The Conservation Department said no and appealed to the high court in a case that could have an impact on other Michigan property owners along the Great Lakes.

Army Recruiter Office
Moved to New Location

SFC. William J. Allen, local U.S. Army recruiter for the Northville area, has moved his office from the Plymouth area and has relocated a permanent office at the chamber of commerce building, 3747 Wayne road, Wayne.

Roger Babson

Unions Hold Key to Economic Future of U.S.

Berlin, Germany — Although I am writing this in Berlin, one should not judge Germany by Berlin since it is an independent and separate community of its own. Not only is it divided between different nations, but it is entirely surrounded by Russian-controlled territory. It is a free economic island floating in a "sea" of Communism — nothing like it anywhere else in the world. Now for an answer to the question frequently asked me: Is the United States facing serious unemployment?

Even Germany has its labor unions, but practically no strikes. The union leaders and employers unite to make better goods to sell at lower prices. Hence, they are more industrious and more productive, due to longer hours and a lower cost of living. There is very little installment buying in Germany.

American labor will try to keep German products out of our country by getting Congress to raise our tariffs. This would not only increase the cost of living in the United States, but might cause Germany to "gang up" with Russia, Japan and China in an economic war. Germany may have another "Hitler" who could be an "economic Hitler" — just as powerful and ruthless as Adolf was in a military way.

Germany is now making machinery and other products to export to us in the United States. If, how-

ever, we raise our tariffs so that she cannot export to us, Germany will export machinery to other nations — especially China. I have been to China and can visualize what could happen to us if these 400,000,000 workers should be sold tractors to farm with and machines with which to make textiles, steel, and other materials needed for exporting goods to compete with us. This is probably also true as to Russia, which I visit this week.

The above means that American labor leaders have a great responsibility. They could easily bring about much unemployment in the United States from which their membership, as well as their employers and all consumers, might greatly suffer. U.S. labor is now "pricing itself" out of its market, and our labor leaders could bring about a national depression of very serious consequences.

Germany may not yet have given up its ambition to be the leading power of Europe. The Germans believe that France and England have reached their peaks due to their desire for ease and so-called security. Italy is constantly being undermined by Communist influences. The three Scandinavian countries I have heretofore commented upon. I now forecast that Germany will be one of the world's greatest powers, on a par with the United States and Russia.

This could easily occur if Ger-

many and China should work together, Germany supplying the "know-how" and machines while China supplied the raw materials and cheap but efficient labor. The two combined could crush either Russia or the U.S. in an economic war of unparalleled intensity that could bring our prosperity to a sudden end, with a stock market and real estate crash. If this happens, the blame will be laid on the doorsteps of certain selfish labor leaders.

Anyone studying the map of Europe will see that Mr. K. has some sense in desiring to solve the present crazy situation caused by dividing the great city of Berlin between the Russians and the Allies. With Berlin in the center of East Germany, which was given to Russia, a person cannot now enter or leave Berlin except by permission of Russia or by airplane. As I had not time to get a visa for East Germany, I was obliged to go from Copenhagen westward to Hamburg (one of West Germany's largest cities) and fly from there into Berlin.

What the solution will be no one knows, but the people of Berlin believe it will be settled in some satisfactory manner without any ultimatums or resort to war. World War III may come sometime, but not so long as Mr. K. is premier. He knows that if World War III were started now, not only would

the U.S., Great Britain, Germany and all the allies be against him, but also China, which he fears most of all.

To summarize this column, let me say that I worry more at this point about our United States labor leaders than I do about Mr. K.

fresh new beauty
from the only car with
Wide-Track wheels!

A car is a living thing.

And all living things must change.

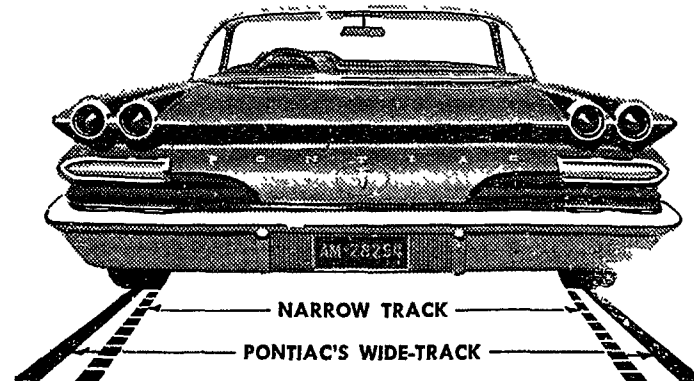

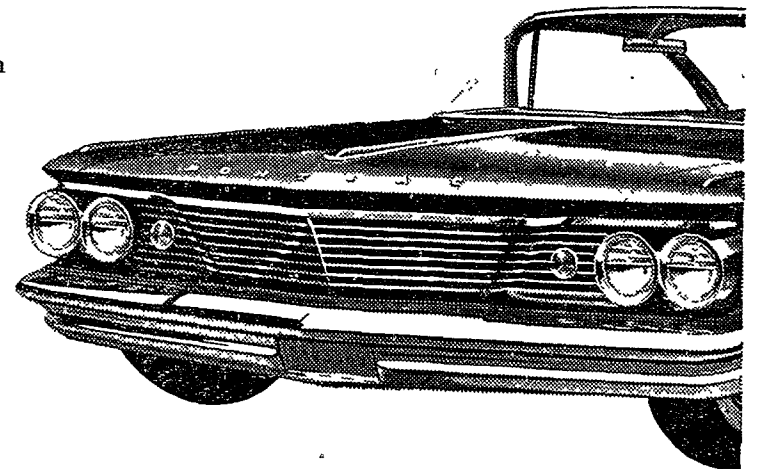

This is why the creative car builders of Pontiac took the proved principle of Wide-Track Wheel Design and surrounded it with fresh, exhilarating, totally new beauty for 1960.

The prow is styled for excitement.

The horizontal bars bear the artistry of the classical.

The perfect profile comes from just-right proportion, unity, rhythm.

The clean, graceful back contributes character where other cars seem only to reflect confusion.

With the widest track of any car, Pontiac's width is on the road—where it gives you better stability. Wide-Track widens the stance, not the car.

SEE YOUR LOCAL AUTHORIZED PONTIAC DEALER

BERRY & ATCHINSON
874 W. ANN ARBOR RD. PLYMOUTH

PONTIAC
THE ONLY CAR WITH WIDE-TRACK WHEELS

Its effect upon your attitude toward driving and owning cars can be quite radical.

For you cannot possess this automobile and be anything less than lighthearted. You cannot control it and be anything less than sportive about driving.

You cannot be seen in it and be anything less than buoyantly proud.

THERE'S NOTHING LIKE A NEW CAR—AND NO NEW CAR LIKE A PONTIAC
