

Public Invited to Hear Hospital Story Tonight

"The Community General Hospital Story" will be told to area residents in the Northville Community building tonight (Thursday) at 8:00 o'clock.

Directors of the reorganized hospital will make their first determined effort to rally support and area-wide interest in contributing to the success of the facility.

Its progress since early year efforts to re-establish the former Sessions hospital has been bumpy indeed.

Serious obstacles to its success seem now to have been cleanly hurdled. Only money remains a necessary ingredient.

A big stride toward greater use of the hospital was

made with the announcement this week by Administrator Calvin Monfils that six more physicians have been admitted to the staff.

Five of the doctors are associated with Atchison Clinic. They are Drs. R. M. Atchison, E. T. Capuzzi, O. J. Robinson, John Rogers and Robert Wetterstrom. The sixth member whose application was accepted at Monday's staff meeting is Dr. Eldred Zobl of Livonia.

This brings to 26 the number of doctors on the Community General staff.

Since clearing away difficulties that arose from its

original organization, the completely remodeled and newly equipped hospital has been on the upswing.

Taking over the operation from former owners Dr. H. L. Bergo and Abraham Farris, the community board has gained admittance to the Blue Cross Plan. This step was prompted by Blue Cross insistence that proprietary ownership though non-profit in structure, was not acceptable. The former owners have given the board a chattel mortgage on the equipment along with an option to buy the building. Further money has been advanced to begin operation.

Monfils has explained that the new board will make a

determined effort to encourage staff expansion and thereby more use of the hospital. The addition of the Atchison Clinic physicians is apparently a result of this effort.

Tonight's public meeting will be directed by Board Vice President Robert Jones of Livonia. Rev. David Davies, board president from Plymouth, will be unable to attend. Other members expected to join in the explanation and question - answering session are: Clifton Hill, secretary; A. M. Allen, treasurer; and Dr. L. W. Snow, Leland Smith, Mrs. C. E. Langfield, Garnard Niece, Russell Taylor and Walter Tuck.

100 in Novi Group On Development

Close to 100 village residents joined together Monday in launching a giant committee to help decide the future of Novi.

The meeting, which was held at the Novi community building, was called by the village planners for the purpose of forming the Citizens' Committee for Tomorrow — a volunteer group designed to aid in village planning.

City Starts Work On Water Tower: New Lines Installed

First steps towards erecting a 400,000 gallon spheroid water tower were taken Monday night by the city council as it awarded contracts for excavation and foundation work.

Plans call for the 135-foot high tower to be ready for use by June. It will be located west of the new high school near the city's underground reservoir and pump house.

The council hurried preparatory work this week so that when the tower is available in the spring it can be installed immediately. The tower will provide adequate storage and pressure to eliminate any water shortage problems during the summer.

The contract for excavation work was awarded to Terra Construction company at \$400. The company, currently doing other water system projects in the city, will begin the work immediately.

A bid of \$7232 by the A. J. Etkin company was low among three bidders for installing the foundation. The council waived formal advertised bids to expedite the project before cold weather.

Installation of the water tower is part of the \$300,000 water improvement project approved by voters last May. Most new water lines have been installed "looping" the city's system to provide better circulation. Shut-off valves at various points throughout the system are still being installed.

Road Department Gets State Check

Northville's share of the Michigan Motor Vehicle Fund for the third quarter of 1959 amounted to \$4,778.

A check for that amount was received last week from the state highway department for expenditure on local roads and streets.

Novi village's share of the fund amounts to \$12,471; Walled Lake's share is \$4,608; and Wixom's share is \$4,002. Wayne county is slated to receive \$3,007,369, compared to the second highest payment of \$941,019 to Oakland county.

Motor vehicle highway funds are made up of all state gasoline, weight and diesel fuel taxes and a small amount of miscellaneous fees.

Under the distribution formula, 47 percent is for expenditure on state highways, 35 percent to counties, and 18 percent to incorporated cities and villages.

Township Names Two Committee Members

Two appointments to community groups have been announced by Northville Township Supervisor George Clark.

Luke Bathey, 18455 Sheldon road, was named to the recreation committee replacing Mrs. A. M. Lawrence, who has resigned.

Mrs. Ruth McIntyre, 15515 Lakeside drive, was appointed to represent the township on the steering committee of the Plymouth community development group.

Oilman Ambush Fails

William C. "Top" Taggart, millionaire oilman who made headlines this week when another man was mistaken for Taggart in an attempted robbery or kidnapping, was a familiar figure in this area from 1954 to 1956.

It was Taggart, wildcatting in Northville, who brought in the still-producing R. V. LeMaster well on Napier road in January, 1954. The strike brought about a two-year "oil boom". While Taggart still owns the oil wells, gas rights have been sold to Consumers Power company.

Two thugs slashed and beat another oilman in Big Rapids this week, releasing him after commenting "that's not Taggart". Police believe the attackers intended to rob or kidnap Taggart.

The oilman visited his wells here frequently and maintained a residence at the Mayflower hotel in Plymouth during the exploratory drilling period in this area.

The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

Volume 89, Number 25, 16 Pages

Northville, Michigan, Thursday, November 12, 1959

10c Per Copy, \$3.00 Per Year in Advance

GRID CHAMPS — Picture above are members of Northville's football team which won its fourth consecutive Wayne-Oakland league championship last week. They are: (front row, left to right) Dave Hay, Bill Trotter, Dick Kerozok, Curt Kohs, Jim Tuck, Bob Nauman, Dick O'Hare, Blaine Ashby; (second row): Tom Darling, Roger Atchinson, Fred Mitchell, Tom Ritter, Jim Petrock, Dave LaFond,

Bud Adas, Steve Juday, Manager Bob Galli; (third row): Assistant Coach Dutch Van Ingen, Art Fisher, Fred Steeper, Mike Slattery, Gary Kohs, Kent Frid, Dave Nash, Terry Cherne, Larry Nitzel, Dean Herman, Bob Stuber, Coach Ron Schipper; (back row): Dick Willing, Dick Bathey, Joe Gotro, Wade Deal, Jon Batzer, Walt Doan, Bill Juday, Gary Morgan, Bob Hilton, Mike Janchick, Jerry Biddle.

Crown 'Old Hat' to Mustangs

Northville tucked another championship under its already bulging belt Friday by crushing Clarenceville, 33-7.

With their lopsided victory on Trojan land, the Mustangs clinched their fourth consecutive Wayne-Oakland league championship and stretched their winning streak to 32 games.

Northville, which has not lost a league contest since October of 1955, felled all seven of its league opponents this season to claim the title. The only sour note in the otherwise

perfect season to date was the 9-0 loss to Class A Plymouth in the opener here in September.

The loss to arch rival Plymouth halted a 17-game winning streak of both league and non-league games.

Shades of Pearl

It was like an old-time Pearl White movie.

Policeman Frank Heintz was giving a driver's license road test Monday. Everything was all right until the car started across the Novi railroad tracks. Suddenly the car ran out of gas, and out of the blue, a train came roaring down the bend.

The young driver and Heintz barely had time to get out and push.

Fortunately the two weren't stranded long. To the rescue rode City Manager John Robertson who happened to be driving by just a minute after the harrowing incident.

Three Youths Admit School Vandalism

Three 12-year-old boys face juvenile court action at Pontiac next week for causing an estimated \$2,000 damage to windows in the new Orchard Hills elementary school located near Willowbrook subdivision.

Local and State Police apprehended the three boys after questioning several pupils at the school Monday morning. All three admitted taking part in the vandalism.

The boys told Police Chief Lee BeGole they were "just playing around" with air rifles. They could give no other reasons for destroying two tempered gymnasium windows and shooting holes in 20 other plate glass windows last week end. No other damage to the school or property was reported.

Most of the damaged windows are located on the west and north sides of the school building.

Two of the boys had only recently joined the Novi school system, the other attends school in Farmington. State Police said Wednesday that the boys will be turned over to probate court next week. Their parents probably will have to pay the cost of replacing the expensive windows.

Calendar

Friday, November 13

American Legion auxiliary rummage sale, Veterans' Memorial hall, 9 a.m. to 6 p.m. (first day).

Saturday, November 14

American Legion auxiliary rummage sale, Veterans' Memorial hall, 9 a.m. to 1 p.m.

Sunday, November 15

Community Chorus rehearsal, Presbyterian church, 4 p.m.

Monday, November 16

DAR, home of Mrs. Carl Bryan, 12:30.

WILPF, home of Mrs. Cy Frid, 8 p.m.

Tuesday, November 17

Holiday House bazaar, OLV church hall. Tea, homes of Mrs. Orlov Owen and Mrs. Frank Paul, both from 1 to 5.

We Top Goal In UF Drive

Northville pulled its own weight in the successful 1959 United Foundation Torch Drive — shooting over the top by more than \$500.

Officials of the United Foundation praised the city as one of only four communities in western Wayne county to push collections over its goal.

Others were the townships of Canton, North Dearborn and South Dearborn.

Northville residents reached deeper into their pockets this year than ever before and came up with \$6,118.02 for the give-once-for-all fund which helps close to 200 health and public service agencies in the Detroit area. Northville's goal this year was \$5,505.

Northville has beat its own goal every year since joining the drive in 1957.

Last year collections totaled \$5,405 to exceed a goal of \$4,858.

Results of the door-to-door collection — backbone of the local drive — were coming in up to the last minute, said Chairman Mrs. William Cansfield.

Last minute donations brought the residential total to \$2,191.73 or \$71.73 beyond the goal.

More than 100 women solicitors plus area captains worked with Mrs. Cansfield and her assistant Mrs. O. F. Reng.

City-wide, local businessmen made the biggest percentage increase over their quota of any of the special groups solicited. The community business collection — under Alton Peters — topped its goal of \$280 by more than 100 percent, to reach a total of \$693.

Highest actual contributions were turned in by Select Prospects, solicited by A. Russell Clarke. The total was \$2,472.

The school drive, headed by Jack Van Haren, pulled in \$461.79. The school goal was \$407.

City government collections under John Robertson netted \$300. The city goal was \$340.

Local agencies aided by the United Foundation are the Northville King's Daughters, Recreation department and scouts.

Gravel Operator Pinned Under 14-Ton Loader

A. M. Thomson, owner of Thomson Sand and Gravel on West Seven Mile road, narrowly escaped death Sunday afternoon when he was crushed beneath a 14-ton gravel loader.

His condition was reported as improved following an emergency operation at University hospital in Ann Arbor Sunday evening. He suffered a ruptured spleen and bowel.

Thomson, 62, was grading a road in the back, southwest section of his gravel pits when the heavy vehicle skidded over the edge of an eight-foot high embankment. The loader turned completely over pinning Thomson beneath the steering wheel. The heavy wheel was demolished as it crushed into Thomson's abdomen.

Working alone, Thomson was unable to attract help. He sounded the horn to no avail and finally managed to crawl out from the wreckage and drag himself 1000 feet down the edge of the pit. He was found by an employee of the firm, George Reavis.

Reavis helped Thomson to his house where he was attended by Dr. O. J. Robinson and rushed by ambulance to Ann Arbor.

Dr. Robinson said Tuesday that Thomson's condition was "much improved", but that he would be confined for at least 30 days.

Thomson estimated that he was trapped for nearly an hour before crawling free. The accident happened at approximately 1 p.m.

Thomson's son, Donald, who was working in another area of the pits at the time of the accident, said that the fact that his father was grading probably saved his life. The "bucket" attached to the front of the loader was tipped up, he pointed out, leaving the supporting arms extended upwards thus preventing the full force of the vehicle from falling on Thomson.

Loot Model Homes In New Subdivision

Two furnished home models in the Village Green subdivision were almost cleaned out by thieves Sunday night.

The theft of furniture and appliances was reported Monday afternoon by John C. Beauparlant, real estate agent for the D & R Building company, who discovered it when he opened the house to viewers.

Stolen were sofas, chairs, beds, a refrigerator, springs, mattresses, lamps and other small furnishings such as planters, pictures, bowls, pillows and ash trays — more than 30 pieces altogether.

An estimate of the value of the stolen goods will be made later this week, Northville Police Chief Eugene King said.

The thieves entered the homes by unscrewing the plate glass patio doors from their aluminum frames, King said. The glass was lifted neatly out. In these particular home models, he added, the patio is shut off from outside view by a high wooden fence.

No one reported seeing the theft, King said. It is believed a truck was used to cart away the loot.

This is the first large-scale theft from a model home, King said. Smaller thefts have been reported from time to time in other subdivisions.

The homes are located at 1075 Allen drive and 1063 Allen drive.

Trustee Lawrence Undergoes Surgery

A. M. Lawrence, Northville township trustee, underwent surgery Wednesday at Community General hospital.

He is expected to be confined to the hospital for 10 days.

A. M. Thomson, owner of Thomson Sand and Gravel company on West Seven Mile road, was pinned beneath this 14-ton gravel loader for nearly an hour Sunday.

Arrow on inset picture at left shows where Thomson crawled out. He is recovering following emergency surgery Sunday night at University hospital.

about WOMEN

2—Thursday, November 12, 1959—THE NORTHVILLE RECORD

NEWS AROUND NORTHVILLE

The Horace Aechbachers of East Cady heaved a sigh of relief after returning recently from a somewhat disquieting air trip to Georgia. What should have been a three hour trip for them stretched out to a nervous 13 when their plane was unable to

land because of dense fog. They were attending the funeral of Mrs. Aechbacher's father in Atlanta.

The Past Matrons club will meet for a dessert luncheon next Wednesday, November 18 at the home of Mrs. Bertha Kerr on West Main street. Mrs. E. C. Mollema will be assistant hostess.

Twenty friends of bride-to-be Margaret McGee were on hand at the home of Mrs. Bessie Goodale Thursday to celebrate her forthcoming marriage.

Mr. and Mrs. Del Hahn of West Main street returned Tuesday from a seven weeks stay in Europe. No planned itinerary, they packed their bags and took off for places on the Continent as the impulse moved

them. They visited Holland, Germany, Switzerland and Rome.

Policeman Gill Glasson is resting at home after having been released from Aitchison Memorial hospital where he had been confined with pneumonia.

Thirty-five guests from Northville, Plymouth, Livonia, Detroit and Huntington Woods attended the miscellaneous bridal shower honoring Julie Hammond Thursday evening in the home of Mrs. George Weiss. Hostesses were Mrs. Weiss, Mrs. William Crump, Mrs. Howard Meyer Sr. and Mrs. Jack Blackburn. Julie will be married to Milt Enright December 19. Julie is the daughter of the Crispin Hammonds of Timberlane.

The Robinson Extension group will meet next Wednesday, November 18 at the home of Mrs. Russell Cunningham, 9025 Ball street, Plymouth, at 12:30. "Home Care of the Sick" and "First Aid" will be discussed by Mrs. James Birkelbaw and Mrs. Norman Frid. Visitors are welcome.

Northville Wayne County Extension group met Monday at the home of Mrs. Audrey Marks, and learned some pointers about family first aid. Project leader was Mrs. Edward Mollema, Sr. A dessert-snack was served by Hostess Mrs. Marks and Co-hostess Mrs. Andrew Orphan.

Edythe Anne Bosak, daughter of Mr. and Mrs. Frank H. Bosak of Nine Mile road, was "capped" in traditional ceremonies for Mercy college freshmen last month.

DAR to Hear Commander Talk on National Defense

Commander William A. Howard of the Air Reserve will talk on "National Defense" at Monday's meeting of the Sarah Anne Cochran chapter, DAR.

Mrs. Carl Bryan will hostess the meeting in her West Main street home. A light luncheon will be served at 12:30 by the social committee.

Conscientious Objectors Subject of WILPF Talk

"Witness of the Conscientious Objector in the Atomic Age" will be the topic of discussion at next Monday's meeting of the Women's International League for Peace and Freedom.

Bill Oliver of Ann Arbor, a Quaker, will be the guest speaker. The meeting will be held at the home of Mrs. Cy Frid, 515 Dubuair street beginning at 8 p.m.

IMAGINATION and originality are Mrs. Edwin Mueller's middle name, local Garden club members say. Mrs. Mueller, speaker at Monday's club meeting, demonstrated the art of making holiday plaques, centerpieces and door decorations, out of native flowers, weeds and fruits. She shows two table arrangements here.

Bonny Lee Walker, James Pardy Speak Vows In Plymouth Presbyterian Church Ceremony

Wearing a white silk taffeta floor-length gown trimmed with imported Irish lace, Bonny Lee Walker, daughter of the William Lee Walkers of East Seven Mile road, became the bride of James V. Pardy, son of Mr. and Mrs. George Pardy of Plymouth October 24.

The Rev. Henry J. Walch officiated at the double ring candle-light service in the Plymouth Presbyterian church. The bride was given in marriage by her father.

Yellow and white fuji mums bordered the altar. Church candelabra were twined with yellow fuji mums.

Judy Hobson of Detroit sang "The Lord's Prayer" and "Because".

The bride's ensemble was completed with a fingertip veil which fell from a crown of seed pearls. She carried a bouquet of fuji mums centered with an orchid.

Matron of honor, Mrs. Priscilla King of Plymouth, wore an emerald green taffeta frock and carried yellow fuji mums and amber grapes.

Bridesmaids Sharon Hill, Fran Walter and Pat Florence, all of Northville, were identically attired in gowns of emerald green taffeta. Their bouquets were yellow fuji mums and green grapes.

The groom chose Berrie Lightfoot of Plymouth for his bestman. Ushers were Jim Arnold, James Wick and Ronald Bondie, of Plymouth.

For her daughter's wedding Mrs. Walker selected a beige jacket sheath dress, accented with russet accessories and corsage.

Mrs. Pardy chose a dress of blue lace, navy accessories and a yellow corsage.

A reception for 200 was held at the Plymouth VFW hall. Guests came from Northville, Howell, Dearborn, St. Clair Shores, Snover, Indiana and Canada.

Bonny donned a beige dress and black accessories for the wedding trip and pinned on the orchid from her bouquet.

The groom, a graduate of Plymouth high school, attends Lawrence Institute of Technology, and is employed by Barnes, Gibson and Raymond division of Associated Spring corporation.

The bride graduated from Northville high and a beauty college. The newlyweds are making their home at 783 Karmada, Plymouth.

Mr. and Mrs. James V. Pardy

Community Chorus Rehearse 'Messiah'

Rehearsals for the annual Northville community chorus Christmas presentation of the Messiah will begin this Sunday at 4 p.m. in the First Presbyterian church.

The chorus is non-sectarian and directed by Northville high school choir director, Leslie G. Lee.

All former chorus members are urged to attend, Lee said; newcomers are welcome.

The performance will be held Sunday, December 13 at 7:30 p.m. in the church hall.

Rehearsals will be held every Sunday afternoon until then at 4 p.m. in the Presbyterian church.

The Ridgewood Nurses association met Tuesday to discuss plans for its annual turkey dinner to be presented at Superior Township hall Sunday from 1-4 p.m. Tickets are being sold by staff members. The dinner helps raise money for scholarships and gifts to the Ypsilanti hospital.

Former Congressman Talks to Club On Building of St. Lawrence Seaway

Veteran civic leader and former U.S. Congressman, the Hon. George A. Dondero—here to talk on the St. Lawrence Seaway Friday — complimented the Northville Woman's club with congressional polish.

"I understand you are a solvent, going concern," the soft-spoken political retiree smiled.

He added, "Mrs. Dondero is a member of the Woman's club in our hometown too, so I appreciate your work and problems."

Then, assisted by his son, Stanton Grant Dondero, youngest Oakland County Circuit Judge, he proceeded to outline the history of the seaway in which he played a leading role.

Illustrating his talk with a colored film, he pointed out some facts about the 2 billion dollar international trade channel into the heart of the midwest — calling it the eighth wonder of the world.

Creation of the seaway which opened early this year not only faced monumental engineering obstacles, but political barriers as well. It was before Congress about 41 years, Dondero said.

Costs, too, were once held "prohibitive" by experts, he added, but he explained with pride that its cost will never pinch U.S. or Canadian taxpayers.

Costs will eventually be paid off

in tolls and through the sale of hydro-electric power.

The ex-representative praised the cooperation of Canadian leaders with whom he worked closely on the project for many years.

In honor of his personal contribution — and that of a fellow senator — a strip of the waterway was recently renamed the Wiley-Dondero canal.

Seven locks were required to make the continual adjustment of water level from one end of the seaway to the other.

The United States built two; Canada built five.

The great five-year project was completed by the 24-hour a day, six-days a week, round-the-year effort of 16,000-22,000 men.

Dredging was one of the major jobs. But other interesting problems included moving of an entire town, Iroquois, Ontario.

Huge house movers carted homes and buildings. Highways and railways were relocated and new power lines built. In all the operation only

one small vase was broken. Old Iroquois is now 40 feet under the green water of the St. Lawrence.

Other enemies were glacial till, sandstone, sandrock, clay and shale.

More than 5,000 ships have already come through the seaway, Dondero said. Some parts, such as the Welland Canal, will have to be deepened even more.

"Some day," Dondero told his audience, "I hope you'll be able to go down to the foot of Woodward and board a ship that will take you around the world."

President Mrs. Charles Yahne assured him, "I'm sure we all have days when we want to do that very thing."

BIRTH

Mr. and Mrs. Richard Robinson, now living in Garden City, announce the birth of a six pound, one ounce son, Dean, Monday, November 9 at Beyer hospital, Ypsilanti. Paternal grandparents are Mr. and Mrs. Frank Robinson of Northville.

O.E.S. INSTALLS OFFICERS FRIDAY

Garden City residents Mr. and Mrs. Leo E. Patterson were installed as Worthy Patron and Worthy Matron of Orient Chapter No. 77, Order of the Eastern Star, Friday evening.

The 69th annual installation of officers was held at the Northville Masonic Temple.

Presiding at installation ceremonies were: Doris Atwood, Beatrice Boldt, Mable Monroe, Irene Swayze, Ray Van Valkenburgh, Kerry Pattison, Virginia Dunsford, Elsie Woodroffe, Ida B. Cooke and Frank Dunsford.

Serving with the new Worthy Patron and Matron will be Mrs. Marian Hawbecker, associate Matron; Mrs. Ida B. Cooke, secretary; Mrs. Martha Hawes, treasurer; Mrs. Juanita Smith, conductress, and Mrs. Marion Green, associate conductress.

Appointed officers are: Mrs. Adeline Borkowski, chaplain; Mrs. Frances Famuliner, marshal; Mrs. Marion Boyd, organist; Mrs. Edna Tremor, Adah; Mrs. Muriel Wilson, Ruth; Mrs. Anne Quinn, Esther; Mrs. Orpha Moshimer, Martha; Mrs. Elsie Carey, Electa; Mrs. Lilian Cutright, warder, and Donald Green, sentinel.

Auxiliary officers are: Leon Boldt, American color bearer; Edna Francis, Christian color bearer, and Arlie Thomas, OES color bearer; Ray Van Valkenburgh, soloist; Bessie Goodale, assisting warder; Earl J. Smith, assisting sentinel, and Virginia Dunsford, drill instructor.

Holiday House Goes 'Antique'

There's something extra nice about sipping tea in the parlor of an old fashioned country home.

And members of Our Lady of Victory Mothers' club are capitalizing on it for their annual pre-Thanksgiving Holiday House bazaar and tea next Thursday.

Antiques are in the spotlight this year.

Sale items include a 19th century chair Bohemian glass, silver luster ware, hand-blown glass, early American cast iron ware, Toby mugs and others.

Following suit — the tea, which is held during bazaar hours from 1-5, will be served in the 130-year-old Orlow Owen home.

All furnishings in the attractively remodeled farm residence are early American style.

Tea will also be served at the home of Mrs. Frank Pauli. Bazaar items will be displayed at the Pauli house as well as at the church hall.

Bazaar goods include Christmas decorations, flowers, sweets and baked goods, knitted items, toys, aprons, doll clothes and table centerpieces.

A special feature of this year's parcel post booth will be the raffle of 10 packages that have been returned by Hollywood stars.

In the past, the bazaar consisted of a house-to-house tour. One was a "cookie house", another was the "tea house" and so on. Since the enlargement of the project, and availability of a new church hall, "tea house stands as a token of tradition."

Co-chairmen this year are Mrs. Fran Bissa and Mrs. Jeanette McIsaac.

CHAIRMEN — Mrs. Fran Bissa (left) and Mrs. Jeanette McIsaac try out a few of the sale items. Mrs. Bissa holds an old-fashioned washstand pitcher and bowl.

IN WILLOWBROOK:

Halloween Was Jolly Good

By Mrs. George Ames — Greenleaf 4-0830

The Halloween party sponsored by the Willowbrook Community association was a great success. Elaine Simonsen won first prize for her bat costume. Gil and Joe Ardito were second prize winners with their clown outfits and a group of bathing beauties with Ron Jennings among them, took third prize.

Mr. and Mrs. Gerald Laub, Mr. and Mrs. Dale Henry, Mr. and Mrs. Robert Vivian, Mr. and Mrs. John Jamison, Mr. and Mrs. Donald MacDougall, Mr. and Mrs. Clifford Farrington, Mr. and Mrs. William Smelt and Mr. and Mrs. Harold Young were among those who joined the Simonsens, Arditos and Jennings for the evening's fun.

Mr. and Mrs. Robert McKeon had a Halloween party at their home last Saturday. Their guests included Mr. and Mrs. Vince Miklas, Mr. and Mrs. Robert Coleman, Mr. and Mrs. Gilbert Cross, Mr. and Mrs. Richard Miloch, Mr. and Mrs. Thomas McGuire, Mr. and Mrs. Kenneth Sevella and Mr. and Mrs. Kenneth Millikin.

Mr. and Mrs. Howard Stine had dinner at the Thunderbird Inn in Plymouth last Wednesday.

On Wednesday Mr. and Mrs. John Parent entertained Mr. and Mrs. Jack Parent of Detroit, Clem Wines of Farmington and Dick Zimmerman of Grand Rapids.

On Saturday Mr. and Mrs. Richard Radtke of East Detroit came to the home of Mr. and Mrs. Robert Radtke for dinner.

Mrs. Radtke's mother, Mrs. Eleanor John, of Topeka, Kansas is staying with the Radtkes for several weeks.

Mr. and Mrs. Oliver Rose have moved from Willowbrook to their new home in Commerce township.

Geraldine Marie Laub was one year old last Wednesday. Mr. and Mrs. Joseph Laub of Detroit, Mr. and Mrs. Joseph Mayer of Farmington and Mr. and Mrs. Richard Schwartz and their daughter, Cindy, came to a birthday dinner in her honor and stayed for an evening of cards.

Mr. and Mrs. Del Secrist attended a "hobo" party sponsored by the Young Married group of the Farmington First Baptist church on Friday.

Mr. and Mrs. William Gould had a family dinner Monday in honor of their daughter, Mary Lynn's second birthday. Guests were Mr. and Mrs. William Dean and their daughter, Susy, Mr. and Mrs. Samuel Glass and Mr. and Mrs. John Gillespie.

Clifford Bunker and sons, Ted and Paul, attended the U-M vs. Wisconsin football game in Ann Arbor last Saturday.

Our Lady of Victory school had a Halloween party for the seventh and eighth grades last Friday. Ted Bunker, Nancy Barnes, Larry Galvin and Barbara Zivcar were among the guests who attended from Willowbrook.

Northville City Council Proceedings

A regular meeting of the Northville City Council was held at City Hall Monday Eve., Nov. 2nd, 1959, at 8:00 P.M.

Absent: Mayor Allen.
Present: Councilmen Canterbury, Juday, Reed and Welch.

In the absence of Mayor Allen, the meeting was conducted by Mayor Pro Tem Canterbury.

Minutes of last regular meeting were read and approved.
Bills amounting to \$5,886.52 from the General Fund, \$939.68 from the Water Fund and \$71,988.17 from the Water Construction Fund, were presented for payment, and it was moved by Juday, supported by Reed, that same be allowed and paid. Carried.

A letter was read from C. E. Langfield calling attention to the fact that the installation of a fire hydrant he had requested had not been completed. Mgr. Robertson reported that this work would be completed this week. Mr. Langfield also objected to the personal property assessment placed on his business, and it was suggested by Mgr. Robertson that the Council urge Mr. Langfield to appeal the matter to the State Tax Commission, as some unusual circumstances prevail in regard to the inventory of his business.

Referring to a letter received from the State Health Dept., Mgr. Robertson explained that the State would not approve sewer connections for Northville Heights Sub. No. 2 until the sewer lines in that locality are enlarged by the County. Charles Altman was again present to ask what action would be taken by the Council regarding his claim for damages done to his basement due to flooding. Acting Mayor Canterbury informed him that this matter would be taken up at an informal meeting to be held soon.

Old Business:

Bids for Pick-up trucks were opened from the following bidders:
John Mach Ford Sales, Northville \$1,397.98
Gib Bergstrom, Northville \$1,436.73
Rathburn Chevrolet Sales, Northville \$1,468.00
G. E. Miller Sales & Serv., Northville \$1,490.00
West Bros., Plymouth \$1,640.00

Moved by Juday, supported by Welch that the lowest bid, that of John Mach Ford Sales, be accepted. Carried.

Public Hearing on sidewalk ordinance was the next item of old business. It was determined that the following addition should be made to Sec. 7: "(d) Determination of Payment. Where the City has agreed

to participate in any of the costs incidental to the construction, reconstruction or repair of a sidewalk, its participation shall be limited to the paying of its share of the lowest price obtainable from any licensed sidewalk builder for the doing of the work in question." There being no one present who raised objection to the passage of this Ordinance, it was moved by Canterbury, supported by Reed, that the Sidewalk Ordinance be adopted, with the addition of the above item. Carried.

Public Hearing on the Bulk Food Ordinance was taken up next. There being no one present who raised objection to its passage, it was moved by Juday, supported by Welch, that same be adopted, and a summary published in the Northville Record of its content. Carried.

Recreation Director Stanley Johnston presented the financial report for his department requested by the Council. After reviewing same and talking with Mr. Johnston further about his need for additional funds, it was moved by Reed, supported by Welch, that the Recreation Committee be given \$500 additional. Carried.

New Business:

City Engineer Penn reported he has plans ready for Water Tank Foundation for submission to bidders, and suggested that same be submitted to several qualified contractors for bids, without going through the process of advertising for bids, as foundation should be set before real cold weather sets in. It was also recommended that Terra Construction Co. be hired to excavate for the job, as their heavy equipment is now located in Northville and work could be done at lower cost than if another contractor would have to move in equipment. It was moved by Welch, supported by Juday, that Terra Construction Co. be hired to do the excavating, provided the cost is not in excess of \$1,000. Carried.

The Council asked that at least three qualified contractors be contacted to get prices on water tank foundation, and that recommendations be brought back to Council at a special meeting to be held Monday, Nov. 9th.

Regarding addition to Wing St. well house, Mgr. Robertson reported that he had received bids on this job from the two local contractors who had bid on the Novi St. well house. Bids are as follows:

Paul Palmer \$1,180.00
Harley Cole \$994.08
Moved by Reed, supported by Juday that the low bid of Harley Cole be accepted. Carried.

At the suggestion of Atty. Ogilvie, it was moved by Reed, supported by Juday, that the attorney be instructed to prepare a release of the lease between the City of Northville and Stanley J. Fons. Carried.

Councilman Welch reported that he and Chief King had attended the dedication of the new Police Station at Ypsilanti. Mgr. Robertson was instructed to write a letter to the Ypsilanti Police Dept. congratulating them on their new building.

Councilman Canterbury feels that action should be initiated to promote more business and industrial development in Northville and surrounding territory. He proposed that representatives from Northville Township, the School Board and the City of Northville meet to formulate preliminary plans to promote such development. Council agreed this should be done.

Moved by Reed, supported by Welch, that a Resolution be adopted to provide for the deposit of all public moneys, including tax moneys coming into the hands of the City Treasurer, in the Manufacturers National Bank, Northville Branch. Motion was carried.

No further business appearing, meeting was adjourned at 11 P.M.

Signed

Mary Alexander, City Clerk

A special meeting of the Northville City Council was held at the City Hall Monday Eve., Nov. 9th, 1959 at 8:00 P.M.

Present: Mayor Allen — Councilmen Juday, Canterbury and Welch. Absent: Councilman Reed.

Call of the meeting was read as follows:

(1) Opening of bids on Water Tower foundation
(2) Discussion of purchase of Gerald Ave. property
(3) Discussion of Altman flooding complaint

(4) Special Assessment Ordinance
Bids for Water Tower foundation were opened from the following bidders:

The Chase Co., Harper Woods, Mich. \$7,950.00
R. E. Davis Co., Ann Arbor, Mich.

\$8,289.00
A. J. Etkin, Oak Park, Mich. \$7,232.00

It was moved by Canterbury, seconded by Juday, that no advantage to the City would result from formal competitive bids and moved the waiver of sealed bids. Carried.

Moved by Juday, seconded by Canterbury, that the contract for Water Tower foundation be awarded to A. J. Etkin Co., for \$7,232.00. Carried.

Discussion of Altman flooding resulted in the suggestion that a letter be written to Mr. Altman stating that the City does not wish to pay this claim for the following reasons:

1. City appears to have no legal liability.
2. City appears to have no moral liability.
3. Danger of setting precedent for damage done by storm water.
4. It appears damage was done by storm water and the City has done everything possible with the construction of storm drains to correct this problem.

Discussion of other matters on the agenda was not taken up, and there being no further business, meeting was adjourned.

Signed

John Robertson, Acting Clerk

Mrs. Jim Spagnuolo of East Main street returned home from Community General hospital Tuesday. She had been a patient there since last week.

Kappa Gamma Outlines Activities

Committees, chairmen and an activities agenda were set up Monday at the first meeting of Alpha Nu chapter of Delta Kappa Gamma, held at the home of Mrs. J. L. McKinney.

Mrs. Ida B. Cooke presided. The program was directed by Mrs. Ethel Gracey. A discussion of the Delta Kappa Gamma bulletin was led by Miss Ruth Knapp.

The next meeting will be held at the home of Miss Ada W. Fritz Saturday, November 28. Brunch at 9:30 a.m. will precede the meeting.

IN WIXOM:

Civic Assn. Names Officers

By Mrs. Charles Ware — Market 4-1601

At the regular civic association meeting held last Thursday it was decided not to hold monthly meetings unless some emergency arose.

New officers elected to head the civic association are: president, Herbert Abrams; vice president, Ted Carlson; secretary, Mrs. Cris Nisson; treasurer, Cris Nisson; board of directors, South Wixom, Bill Richards; North Wixom, Fred Thayer; Birch Park, James Sereno; Wixom Center, Hilda Furman; and Wixom-at-large, John Ruggles; secretary-at-large, G. Eggert.

Hilda Furman was a Wednesday luncheon guest of Mrs. Douglas Elliott of Bloomfield Hills.

Sunday dinner guests of the Herbert Abrams were Mrs. Abrams' parents, Mr. and Mrs. Bruce Shear of New Hudson.

The Herbert Abrams attended a post office dedication in Drayton Plains Saturday.

Mrs. Oscar Simmons entertained 12 couples at the Mettala residence after bowling Saturday at Milford Lanes.

The Hickory Hills Civic association held their regular meeting at the Hickory Hills VFW hall. Pie and coffee were served.

The Paul DePodestas entertained several couples Saturday evening. Mrs. Jack Wesch entertained Mrs. Victor Noirel of Wixom and Mrs. Leah Cramer of Birmingham last week.

Mrs. Harry Seuhr of Wixom road has been confined to her home with illness.

Wesley McAttee is home from Veterans' hospital and back to work. Lillian Byrd and Donald Ross attended a worthy matrons OES dinner in Flint last Wednesday.

Sunday Mr. and Mrs. Jesse Byrd were in Lincoln Park to visit Mrs. Byrd's brother, Louis Muether, who has been ill.

Thursday Mrs. Paul DePodesta entertained the Crest club at her home. New members were Mrs. Harry Shippy and Mrs. Jack Wesch.

Sunday guests of the Robert Merckels were Mrs. Shirley Chapman and Lynn Wiley of Monroe.

Sunday dinner guests of the Everett Pearsalls were Mr. and Mrs. Luther Pearsall of Highland Heights. Sunday callers were Mr. and Mrs. Earl Pearsall from Mason and Mr. and Mrs. Harold Pearsall from Rives Junction.

Saturday evening the Invincible Sunday school class will have a progressive party starting at the Wixom Baptist church at 6:30 p.m.

Northville Police Catch Escapee

The alertness of two Northville policemen paid off early Wednesday morning, when they apprehended an escapee from the Detroit House of Correction.

Monty Levine Crose, jailed at DeHoCo for breaking and entering, escaped at 8 Tuesday night.

Policemen Leonard Mazuchowski and Andrew Cain spotted the blue denim-clad Crose walking around Northville streets around 12:40 a.m. Stopping to question him they discovered he was the escapee.

The policemen said it was Crose's prison clothing that tipped them off.

Two Road Accidents Reported This Week

Two road accidents were reported to Northville police this week.

Tuesday a car driven by student Launa K. Darnell of Debra Lane collided with a pickup owned by David K. Waterloo at Wing and Dunlap streets.

Miss Darnell told police she had stopped at the intersection but didn't see Waterloo as she started across.

After hitting the car the pickup glanced off a parked car.

Sunday, driver Mrs. Gloria Stroutsos of Novi hit the car of Mrs. Dorothy Hartshorne of Novi as Mrs. Hartshorne paused at a stop sign.

Five-year-old Gary Stroutsos, a passenger in the second car was treated for facial cuts and bruises at Community General hospital.

Lutherans Open House Proves Big Success

Lutheran Pastor B. J. Pankow reported that the Lutheran open house week in Michigan proved to be a real success. Three hundred and nine congregations throughout the Lower Peninsula, including St. Paul's, Northville, participated.

For five successive nights services were held to which members invited their unchurched friends and neighbors.

The following figures were released by the Lutheran Open House Central committee: 3,681 expressed their interest to enroll in the pastors' classes; 3,291 persons were reported for baptism, and 4,943 children for Sunday school.

The total number attending the evening services was 241,284. A total of 40,498 attended rallies in various cities of the state. This total includes 20,000 who were present for the two rallies at the State Fairgrounds Coliseum October 31 and November 1.

Pastor Pankow explained that this soul-winning endeavor was not intended as a sporadic effort. He said: "We want Evangelism to become a way of life for our membership. Every Sunday is to be regarded as open house at St. Paul's. Everyone is welcome at the services."

All who are not affiliated with a church in the community are invited to make St. Paul's their church home.

Our members are encouraged to invite their unchurched friends and neighbors and to give them a warm welcome when they come to our church. We are glad to share the comfort of Christ's Gospel with others."

Heading the local Evangelism committee at St. Paul's are Donald Kreeger and Fred Sterner, Sr.

Driver Fined by Bogart

Douglas J. Tegge, 16580 Franklin road, and Mrs. June Borkowski of Garden City were fined \$10 and court costs Saturday by Judge E. M. Bogart.

Tegge and Mrs. Borkowski were involved in a two-car collision at Main and Hutton here October 26. Tegge was found guilty of failure to yield right of way; Mrs. Borkowski, for negligent driving.

Novi School News

Mrs. Salow's fifth grade has made a bulletin board for Education Week, November 8-14, with Peter Willacker as chairman. Richard Pierce and Linda Thompson arranged a display for Book Week November 1-7. Billy Grover reported that the fifth grade has \$2.80 in the United Nations fund. Rene Gatrell is the reporter.

Carlsbad Visitors

Two Northville residents were listed among visitors to Carlsbad Caverns National Park in New Mexico recently. They are Mr. and Mrs. Sidney Frid, 865 Grace, and Howard W. Fuller, 45850 West Seven Mile road.

The caverns are one of the eight natural wonders of the world.

The young people of the Wixom Baptist church held a skating party in Plymouth Monday evening.

THE NORTHVILLE RECORD—Thursday, November 12, 1959—5

Elect Hawthorn Doctor To Pediatrics Society

A Northville doctor has just been elected a Fellow of the American Academy of Pediatrics. He is Dr. Alfred Y. T. Chung, Hawthorn Center, 18471 Haggerty road, according to Dr. E. H. Christopherson, executive director of the academy's international headquarters here. Dr. Chung is one of 256 Fellows voted into membership at the organization's scientific meeting in Chicago. The American Academy of Pediatrics is the professional society of child specialists in the Western Hemisphere and has Fellows in the United States, Canada, Central and South America and the West Indies. Its work is dedicated exclusively to the improvement of child health and welfare. Dr. Christopherson added.

4 bd. rm. ranch, family kitchen, built-ins, large living rm., 2 fireplaces, 2 1/2 car garage, plastered, half-acre corner, landscaped. 10 Mile near Beck. Ph. Fieldbrook 9-2005.

The Buy of the Week!

A wonderful deal for the large family! A five bedroom home, large living room with fireplace, separate dining room, kitchen, breakfast room, enclosed porch, full basement with gas heat, 2-car garage. And a real bargain for a good location right in town.

A modern 2 br. ranch in a setting of beautiful gardens and trees. Fireplace, full basement, new oil furnace, near schools on N. Center.

A sound, well-kept older home on Cady, 3 br. and separate apt. with kitchenette and bath. Fenced yard with beautiful trees. 2-car garage. Can be 4 brs. or 3 brs. and apt. Brand new automatic furnace. Move fast on this one, it's priced to sell.

A 1954 3 br. ranch on large lot in nice section of Northville. Separate sewing room. Large screened porch, fireplace, storms, screens, TV antenna, ready to move in and live!

Combination store and 5 room home in Salem. With the growth of suburban living this could be a gold mine! Price is reasonable with small down payment. Here's your chance for developing a sustaining retirement business.

Business frontage on Ann Arbor Rd. in Plymouth between Lilley and S. Main. Fair price for quick sale.

Here's another chance to combine home and business with a modern 4 br. home, full basement, on large lot, zoned C2. Large back garage with 10 ft. doors, suitable for machine or repair shop. On Novi Rd. between Novi and new highway.

We have several pieces of acreage that can be divided to suit the purchaser. This is your opportunity to get just what you want where you want it. But don't wait — prices on acreage are going up.

We have large lots in the most beautiful areas around Northville — Brookland, Thornapple, West Main, etc. Somebody is going to be really happy with them — it could be you!

A 1957 custom-built 3 br. ranch home on Cottisford Rd., Brookland Farms. One of the finest homes in the area on an easily cared for big lot (180x210) overlooking a lovely valley with big trees and a small stream on the south side. Easily reached, yet quiet and peaceful — a spot for relaxation. School bus at door. Very interesting price and terms. Call us for appointment.

NOTICE OF HEARING CLAIMS

Donald B. Severance, Attorney
392 Fairbrook Court
Northville, Michigan

State of Michigan
THE PROBATE COURT FOR THE
COUNTY OF WAYNE
No. 478,026

In the Matter of the Estate of
RAY D. HARRISON, SR., also
known as Raymond D. Harrison,
Deceased.

Notice is hereby given that all
creditors of said deceased are re-
quired to present their claims, in
writing and under oath, to said
Court at the Probate Office in the
City of Detroit, in said County, and
to serve a copy thereof upon
CHARLES L. HARRISON, Admin-
istrator of said estate, at 14291
Northville Road, Plymouth, Michi-
gan on or before the 13th day of
January, A.D., 1960, and that such
claims will be heard by said court,
before Judge IRA G. KAUFMAN
in Court Room No. 1221, City County
Building in the City of Detroit,
in said County, on the 13th day of
January, A.D., 1960, at 2:30 o'clock
in the afternoon.

Dated November 2, 1959
IRA G. KAUFMAN,
Judge of Probate
I do hereby certify that I have
compared the foregoing copy with
the original record thereof and have
found the same to be a correct
transcript of such original record.
Dated November 2, 1959

ALLEN R. EDISON,
Deputy Probate Register
Published in Northville Record
once each week for three weeks
successively, within thirty days
from the date hereof.

NATIONAL EDUCATION Week was saluted this week by students of the fourth, fifth and sixth grades at Amerman school with this display at Manufacturers National bank in Northville. The posters and material were made by the students under the direction of Ralph Redman, art teacher, and Karin Watia, fourth grade teacher at Amerman.

Obituary

MRS. DOROTHY E. BUSHELL
Funeral services were held November 8 for Mrs. Dorothy Ethel Bushell, 58, of 38125 Eight Mile road, Livonia, who passed away November 5 at her home. She had been ill for the past year. Mrs. Bushell was born December 21, 1900 in London, England, the daughter of John E. and Ada (Rivett) Baker. She leaves her husband, Henry E.; a sister, Mrs. G. W. Watson of San Diego, California, and a brother, Arthur Baker, of London, England. Mrs. Bushell had made her home in the Northville area since 1926. The Rev. Paul Cargo of the Northville First Methodist church conducted last rites

from the Casterline Funeral home. Burial was in Highland Park cemetery, Ionia.

CHERYL LYNN SULKOWSKI
Cheryl Lynn Sulkowski, infant daughter of Samuel and Jane Sulkowski, 21408 Hamilton, Farmington, passed away November 9 at Detroit Osteopathic hospital. She is survived by her parents and grandparents, Oscar Sulkowski of Northville, and Mrs. Ida Sulkowski of Salem. Services will be held Thursday at 11 a.m. from the Casterline Funeral home. Burial will be in Glen Eden cemetery.

MISS IVAH A. ROBERTS
Lifelong Salem resident Ivah A. Roberts, 66, of 9660 West Six Mile, passed away November 9 after a month's illness. Miss Roberts was born August 16, 1893 in Salem, the daughter of George and Carrie (Sheffield) Roberts. She is survived by her father, Miss Roberts was a member of the Salem Federated church. Her body will lie in state at the Casterline Funeral home until noon November 12. Services will then be conducted from Salem Federated church with the Rev. Richard Burgess officiating. Burial will be in Salem Walker cemetery.

CHARLES SMITH
Charles Smith, 73, of 448 River street, passed away November 10 at Northville State hospital after an illness of four years. Mr. Smith was born in Novi, June 23, 1886, the son of Albert and Hannah Smith. He is survived by his wife, Gladys, whom he married June 15, 1924; a daughter, Miss Mary Smith, and a sister, Mrs. Tracy Passage of Plymouth. Mr. Smith moved to Northville 38 years ago from Novi. Services will be held from the Casterline Funeral home Friday at 2 p.m. The Rev. John O. Taxis will officiate. Burial will be in Rural Hill cemetery.

READERS SPEAK:

Like the Six Ball Corner Pocket, Man

Dear Sir:

Photos of our new high school in your issue of Nov. 5 were enlightening. The cafeteria rivals Thunderbird Inn, the gym would do nicely for the Pistons, and the shop outshines Ford Motor.

As to the living room, its lovely furniture surpasses that of the ordinary country club, while the intimate coziness of the reading room ensures perfect comfort during perusal of the sports page or latest TV Guide. Evidently these magnificent facilities were designed and selected by top authorities in these important fields of education.

Now if we could just scrape up enough money for a dance hall and pool tables, I believe we could lay claim to having the best high school in the State.

Yours truly,
F. R. Sproule

"Flea Market" Is Theme of Bazaar

A gay continental atmosphere will prevail Thursday, November 19 from 10 a.m. to 9 p.m. when women of St. John's Episcopal church hold their annual bazaar in the church hall.

The affair will take on a French theme this year with decorations following a pattern of the Marche aux Puces or "Flea Market" — the famous area in Paris where skillful buyers find many bargains.

In keeping with the European mood, booths featuring a wide variety of gift articles will be labeled with such appropriate French names as "Centre des Enfants", "Patisserie", "Cafiserie", "Decorations de Noel", "Articles Religieux", "L'elephant Blanc", "Boites de Surprises" and "Tabliers et Travaux a L'Aiguille" (aprons and needlework).

A sidewalk cafe "Terrasse Le Pellerin" will be set up for snacks in the morning and afternoon and a luncheon will be served there from 11 a.m. to 1 p.m. by reservation. It has been requested that reservations be made with Mrs. Howard Beck at GL-3-0138 before November 14. Price of the luncheon will be 75 cents.

Teen Dance

A disc jockey dance, featuring Ron Yates of Detroit station, WJLB, a band, and a young vocalist, is planned Saturday at the Novi Community Teen club, corner Meadowbrook and 10 Mile.

The Sparkle Tones, a small band, and Greg Leptow—billed as Detroit's answer to Ricky Nelson—will furnish the entertainment along with the disc jockey. Admission to the non-profit teenage dance is \$1 per couple, 75-cents for singles.

Colts End Season With 33-6 Victory

They didn't do as well as last year — but Coach Joe Wilkinson is mighty proud of his junior varsity gridgers.

The Colts wrapped up the 1959 season Tuesday by slapping Clarenceville with a 33-6 defeat — one point better than the varsity squad's 33-7 victory over the Trojans last Friday.

Tuesday's victory left the Colts with a season record of five wins, two losses and one tie. Last year the JV squad lost only one game.

Tom Swiss led his team in scoring against Clarenceville, with a 5-yard tally in the third period and a 55-yard touchdown gallop in the final stanza.

Fullback George Howell opened Northville's attack early in the first quarter, plunging five yards across the magic line. Mike Zayti ran over the extra point.

Bill Krist added another touchdown in the same quarter. After picking up a fumble on Clarenceville's 30, Krist dodged past a host of would-be tacklers and sprinted into the end-zone. This time Jim Anderson ran over the extra point.

In the third quarter, Craig Bell joined Swiss in scoring two more six-pointers. Bell grabbed a five-yard shot from Tom Slattery for his touchdown. Anderson added the extra point.

Clarenceville scored its lone touchdown in the final quarter in a five-yard power play over center.

Coach Wilkinson named Krist and Bell as the outstanding linemen on the Colts' 59 squad. Anderson, Howell and Tom Slattery were the outstanding backs, he said.

Dillenberg Enrolls In Penn State Course

Max C. Dillenberg of Northville is one of 109 students who enrolled at the Pennsylvania State university this fall for the winter courses in agriculture.

These courses, consist of two eight-weeks terms a year for two years and are offered during the winter months, beginning in late October or November and continuing until March.

Work is offered in three fields and among the students currently enrolled are 44 in farm equipment service and sales; 41 in turfgrass management; and 24 in ornamental nursery management.

CHURCH GYPSIES

The well known Evangelist Vance Haver said, "There are religious grasshoppers & church gypsies who never find a pastor or church good enough for them; who chase favorite preachers and live on samples brought back from Canaan instead of crossing Jordan and living in the promised land themselves, packing their notebooks with epigrams, but not hiding the Word in their hearts. Some of them have the impression that one is not living the Christian life unless he is in the state of ecstasy at a high pressure meeting. They want to fly all the time and have found no grace for running without weariness or walking without fainting. They go up like rockets and come down like rocks." One cannot blame people for looking around until they find a church, true to the Word, evangelistic and missionary minded. When they find such a church they should make it a practice to attend ALL the services of the church and put their own weight of support behind it. These church gypsies, as Haver describes them, are like sponges soaking up everything but giving out nothing. There must be at least one Christ-honoring church in your community where people are coming to know Christ and Christians are being built up in the faith. Find it and start serving Christ.

When they find such a church they should make it a practice to attend ALL the services of the church and put their own weight of support behind it. Northville Debaters Enter State Meet

Approximately 1,500 Michigan high school debaters, some of whom would sooner argue than eat, await the 1959-60 competition of the Michigan High School Forensic association which begins Monday in the Lower Peninsula.

Debate teams in 211 Michigan high schools — second largest program of its kind in the nation — will match wits on a national topic: "Resolved, that the Federal Government should substantially increase its regulation of labor unions."

The competitive debate season, which ends in February with elimination tournaments, is sponsored by the Bureau of School Services at the University of Michigan.

Miss Florence Panatoni, Northville debate coach, will again pit her team of Northville high school students against the top debaters in the state.

Last year Northville's championship debate team lost a sudden death, first round match in the Forensic association tournament at Wayne university.

The loss to Class A Royal Oak Dondro dropped Northville, which won the Wayne-Oakland league championship last season with a 7-1 record, from the tournament.

Marianne King and Charles Hix represented Northville in the elimination round.

Births

A son, Ronald Charles, was born October 29 to Mr. and Mrs. Phil Roselle of Rayson street at Mt. Carmel Mercy hospital. The baby weighed six pounds, 15 ounces. The Roselles have another son, Ricke. Grandparents are Mr. and Mrs. Charles Butmore of Northville and Mr. and Mrs. P. Roselle of Dundee.

He Puts Money in 200 Banks

BANKS HIS BANKS — Charles Schoultz, 718 East Baseline, who makes a hobby of saving small coin banks took his banks to Manufacturers National bank in Northville where they were displayed last week.

Some people collect money — but Charles Schoultz of Northville collects banks and he considers himself richer for it.

Schoultz' fortune is the enjoyment he finds in a hobby started 35 years ago "just for the fun of it."

Today the 69-year-old, retired automotive repairman, has close to 200 banks — the little coin ones parents give to their children. About 150 of his banks are the old fashioned iron type; the others are contemporary.

People who come into Schoultz' home at 718 East Baseline quickly agree with him that the mechanical banks are the most fascinating. These include one that looks like an adult eagle which spreads its wings when it feeds coins to its young; and a hunter who shoots coins into a tree stump and out pops a wounded bear.

Schoultz' banks date back to 1865. Most of them are more than 40 years old. His banks are purchased during trips around the country from junk and second-hand stores.

Collecting banks is more expensive than many other hobbies, Schoultz explained, but few are more rewarding. The smiles they bring to faces of children who visit his home are worth every cent he has put into the banks.

Joe Kritch Wins Grid Quiz

It was a tough week on the football front. Upsets were the rule rather than the exception and most contestants in the weekly quiz missed at least six games.

But the winners had only four wrong selections. Top prize of \$10 went to an avid sports fan and former semi-professional football player, Joe Kritch, 860 Spring drive.

Coincidentally, Ed Sutherland, employed at the same used car lot in Livonia as Kritch, came in second. But Sutherland had to split second prize money with Mark

Horning, 20300 Spring Lane. All three winners missed two games, but Kritch came closest to predicting the professional score. Sutherland and Horning missed the score by identical margins.

Only one other contestant, Howard D. Wilkinson, missed as few as four games. His pick on the professional score was not as accurate as the others, however.

Kritch follows sports closely and has played baseball and football as well as coaching recreation teams. His son, Joe Jr., was an outstanding Northville high school athlete

ORDINANCE No. 141

CITY OF NORTHVILLE SIDEWALK ORDINANCE

THE CITY OF NORTHVILLE ORDINANCES

Section 1 — Definitions:

(A) Preliminary Cost — Preliminary cost as used in this ordinance is hereby defined as all expenses incurred in the establishment of a sidewalk site to within one (1) foot of the sidewalk grade and shall include, but not be limited to, the expense of necessary retaining walls, embankments, excavating and filling.

(B) Final Cost — Final cost as used in this ordinance is hereby defined as the cost of removal of old concrete, if any, the labor and materials used in preparation of the base for the sidewalk, which base is not to exceed 8-inches in depth, and the labor and materials used in the laying of the concrete.

Section 2 — Council Resolution

The Council of the City of Northville shall by resolution determine the necessity for the construction, reconstruction or repair of any sidewalk in any street or alley in the City of Northville, shall declare the intention of the City to make such improvement and shall set forth therein the manner of deferring, allocating and collecting of the cost of same.

Section 3 — Notice.

The City Clerk shall, by first class mail, notify the owners of property adjoining the sidewalk which it is proposed to construct, reconstruct, or repair, of the intention of the City Council to pass a Resolution relative to the making of such improvement. This notice shall describe the specific type of improvement to be made, the date of hearing at which said Resolution shall be acted upon, the proposed manner of deferring, allocating and collecting all of the costs of same and shall be mailed to said property owners at least ten (10) days prior to the date of said hearing. Said notice shall also state that the property owner may cause said work to be done in conformity with the plans and specifications on file with the City of Northville, provided this work is completed within thirty (30) days after the date of such notice.

Section 4 — Plans and Specifications

All sidewalks shall be constructed in conformity with the plans on file in the City of Northville and in accordance with standard specifications of the City of Northville. Where the sidewalk site is so located as to require preliminary work in the nature of embankments, retaining walls, abnormal filling or excavating, etc., such work shall be done under the direction and subject to the approval of the City Engineer. All concrete used in sidewalk construction shall, twenty-eight (28) days after placement, be capable of resisting pressure of three thousand (3,000) pounds per square inch without failure.

Section 5 — Permits.

No sidewalk shall hereafter be

constructed, reconstructed or repaired in the City of Northville without a permit being obtained therefor from the City Clerk. The City Clerk shall be authorized to issue such permits upon payment of a fee to the City Treasurer of a amount of fifty (50) cents for each one hundred (100) square feet of sidewalk or fraction thereof with a minimum fee of one (\$1.00) dollar. Provided, however, that there shall be no charge for a permit to repair less than fifty (50) square feet of sidewalk. This permit shall be secured by the owner of the property abutting said sidewalk, or his agent and under the terms of this permit the owner shall agree to construct, reconstruct or repair this sidewalk in conformity with the grade established by the City of Northville, according to specifications attached to and conditions and guarantees contained in such permit, and where preliminary work is necessary same shall be done under the direction and subject to the approval of the City Engineer. The owner of the property abutting the sidewalk covered by such permit shall be responsible for the condition of said sidewalk.

Section 6 — Sidewalk — Builder — Licensed.

No sidewalk shall be constructed, built, rebuilt or repaired in the City of Northville except by a licensed sidewalk builder except as hereinafter provided. Any person, firm or corporation desiring to engage in the business of building, rebuilding, or repairing sidewalks shall make written application for a license thereof to the Council which application shall contain the full name, age and place of residence of such person and expressing his willingness to be governed in all respects by all rules, regulations and specifications which are now or may hereafter be adopted by the director of Public Works for the building, rebuilding or repair of sidewalks, and shall be signed by two or more reputable citizens vouching for the applicant's qualification for such license. If such application is approved by the Council, upon payment of the license fee of five (\$5.00) dollars, he shall be entitled to receive a builder's license. No such license shall be granted for more than one year and all such licenses shall expire on the 31st day of December each year. It shall be unlawful for any person, firm or corporation to build, rebuild or repair any sidewalks within the City of Northville after this ordinance takes effect without having first secured a permit therefor under the provisions hereof.

Section 7 — Costs.

The cost of the construction, reconstruction or repair of any sidewalk in any street or alley in the City of Northville shall be deferred, allocated and collected as follows:

A. New Construction.

If any sidewalk is constructed within one year from the date of enactment of this Ordinance one-third of the final cost thereof shall be borne by the City. Thereafter, the entire final cost of same shall be borne by the property owner. Provided, however, that should there be no sidewalk grade line established by the City then the period of time in which the City agrees to participate in the cost, as set forth above, shall be extended until one year from the date of the establishment of said grade line. Provided further, that the above provisions with regards to deferring and allocating of final costs shall not apply to sidewalks constructed in either subdivisions established under the Subdivision Ordinance, or those established under a contract with the City of Northville which has covered this matter.

B. New Construction — Preliminary Cost.

Should the City Engineer determine that preliminary work is necessary prior to construction of a new sidewalk then the cost of same shall be shared by the City and the abutting property owners as follows:

Two-thirds of said preliminary cost shall be charged against the property abutting said sidewalk and paid by the owners thereof; provided, however, that the total amount of said preliminary cost chargeable against any one abutting lot or parcel and payable by the owner or owners thereof shall not exceed the sum of \$200.

The balance of said preliminary cost shall be borne by the City. The above ratio of sharing of the preliminary cost shall remain in effect until changed by amendment to this ordinance.

The above provisions with regards to the allocating and sharing of preliminary costs shall not apply to sidewalks constructed in either subdivisions established under the Subdivision Ordinance or those established under a contract with the City of Northville which has covered this matter.

C. Reconstruction, or Repair. The entire cost of reconstruction or repair of sidewalks shall be borne by the property owners abutting upon same. Provided, however, that should replacement, or repair of a sidewalk not deemed by the City to be in need of replacement or repair has been occasioned by any of the following circumstances then the cost of said reconstruction or repair shall be borne entirely by the City:

1. Where the sidewalk grade line has been changed.

2. Where construction activities of the City has damaged the sidewalk.

3. Where trees located upon public property has caused damage to sidewalks.

4. Where the damage to the side-

walk has been caused by any other activity of the City.

D. Determination of Payment

Where the city has agreed to participate in any of the costs incidental to the construction, reconstruction or repair of a sidewalk, its participation shall be limited to the paying of its share of the lowest price obtainable from any licensed sidewalk builder for the doing of the work in question.

E. Collection of Costs

The costs allocable to the abutting property owners shall become a special assessment upon the property in accordance with the provisions of Section 11.9 of the Charter for the City of Northville. The City Council shall, in its resolution, prescribe the time and manner of collection of said costs.

Section 8 — Permit To Owner To Build.

The City Clerk is hereby authorized to grant a permit to any property owner to construct a sidewalk in front of, or adjacent to, any real estate owned by him conditioned that such owner is skillful and competent to construct the same in a manner provided in Section 4 hereof.

Section 9 — Revocation of Permit.

The Council may revoke any permit issued under the terms of this ordinance for incompetency or failure to comply with the terms of this ordinance, or the rules, regulations, plans and specifications furnished by the City for the construction, reconstruction or repair of any sidewalks. The City Manager, or his designated agent may cause work to be stopped under any permit granted for construction, reconstruction or repair of any sidewalks for any of the causes enumerated in this section until the next regular meeting of the Council.

Section 10 — Penalty.

Any person, firm or corporation who shall fail to comply with any of the provisions hereof shall, upon conviction thereof, be subject to a fine of not more than One Hundred (\$100.00) Dollars, or imprisonment in the City prison or any other place of confinement provided by the City for such purpose at the discretion of the Court, for a period of not to exceed ninety (90) days, or both such fine and imprisonment in the discretion of the Court unless otherwise provided in this Ordinance.

Section 11 — Repeal.

All ordinances or parts of ordinances conflicting with the provisions of this ordinance are hereby repealed.

Should any section, subdivision, sentence, clause or phrase of this ordinance be declared by the Courts to be invalid the same shall not affect the validity of the ordinance as a whole or any part thereof other than the part so invalidated.

Section 12 — Effective Date.

This ordinance shall become effective Monday, November 23, 1959.

But Race Clock To Do It

Mustangs Crush Trojans; Wrap Up League Crown

Racing against a spirited clock Friday, Northville's championship Mustangs galloped across the finish line four touchdowns in front of last-place Clarenceville.

Official results: Northville 33, Clarenceville 7. Fans and coaches on both sides of the Trojan's gridiron were not sure about the time. Everyone agreed — except the officials — that the game was over in record time.

Coaches and players were upset. They made that plain after the game. "I guess they (officials) were in a hurry to get home for supper," Clarenceville's coach commented to Coach Ron Schipper who also protested the rapid contest.

The two coaches viewed the "shortened" contest from different positions, however. Clarenceville felt it could have narrowed the Mustangs' winning margin with a few more minutes of playing time, while Northville contended the speedy clock deprived it of an extra touchdown or two.

But even the unusually short game could not alter the record: The Mustangs posted their seventh league victory against no losses this season, while the Trojans suffered their sixth loss against a single tie.

After stumbling out of the starting gate, the Mustangs quickly regained their balance and took an early seven-point lead.

On the second play from scrimmage, Halfback Larry Nitzel fumbled the ball on a reverse and Clarenceville took possession. Two plays later, however, the Mustangs recovered a Clarenceville fumble and launched an 82-yard drive for the tally.

Halfback Roger Atchinson sliced between tackle and end and dashed the final 16 yards for the touchdown after Nitzel and Fullback Gary Morgan marched off 60 yards in two plays.

Minutes later, Northville recovered another Trojan fumble near the mid-field stripe. Nitzel raced wide around end and galloped 42 yards for the second Mustang touchdown two plays later.

Late in the second stanza, after Northville took a short Clarenceville punt, Atchinson scored again — this time from 26 yards out.

The Mustangs turned another Trojan fumble into a touchdown in the opening minutes of the third quarter. Guard Bill Juday grabbed the ball on Clarenceville's first play from scrimmage after the Trojans took the kickoff.

Nitzel and Morgan took turns carrying to Clarenceville's four-yard line where the halfback crashed over tackle for the tally.

Then early in the fourth quarter after Clarenceville stalled on the Northville 32 in four plays, second-string quarterback Fred Steeper fired a long pass to End Jim Petrock who sprinted into the end zone for the Mustangs final touchdown.

The Trojans' lone touchdown, which spoiled Northville's shutout, came in the fourth period. Bruce Freels grabbed a kickoff on the Trojan 12-yard line, took cover behind a wall of blockers, and raced 88 yards along the sideline for the touchdown. The Trojans passed for their extra point.

Center Wade Deal kicked all three of Northville's extra points.

Mustangs 5th In State Rating

The cloud of dust the Mustangs kicked up on W-O league gridirons this season has been seen around the state.

Northville was rated number 5 in the Associated Press state Class B ratings last Wednesday after the Mustangs flattened Clarkston 27-0. The Mustangs advanced from their 7th place rating one week earlier.

This week's rating had not been released when The Record went to press.

Dowagiac, Monroe Catholic and Kalamazoo remained in the first three spots. Eaton Rapids was rated fourth, just ahead of Northville.

CLARENCEVILLE attempted nine passes in a futile attempt to overtake the Mustangs. Only one pass was completed; three were intercepted. Above Ralph Beers leaps high in an unsuccessful attempt to catch the ball.

FOLLOW THE LEADER didn't work in this case, as a Clarenceville griddler (33) knifed in from the side-line to pull down the ball carrier, Tom Darling (41), after a short gain. Wade Deal, Northville center (63), leads the way.

Deer Opener Sunday For 400,000 Hunters

Sunday is the target date for more than 400,000 hunters expected to open Michigan's regular and special firearm deer seasons.

An estimated 460,000 hunters will take to the woods during the November 15-30 seasons and the December 1-6 special season in an area of Allegan county.

Liberalized special season measures, together with archery take and buck kill, are designed to raise the whitetail harvest to 116,000, a 14 percent hike over last year's figure of 101,750.

An increase has been made in special hunting permits and areas covered under "any deer" shooting in an effort to ward off heavy deer losses this winter. In many areas, the herd left its major feeding range badly over-browsed last winter. Much of this will not recover sufficiently to carry the present herd, estimated at more than 700,000 animals, through the 1959-60 winter.

Approximately 100,000 special permits were issued this week for "any deer" hunting in 39 crop-damage and food-shortage areas which cover 18,457 square miles. Last year, 13,670 square miles fell under special seasons while 55,265 hunters were issued permits.

Successful hunters are urged to stop at one of the department's various roadside biological checking stations to have their deer aged and studied for sex, weight and antler data. These stations will be located at Standish, Sanford, Mt. Pleasant, Morley, White Cloud and the Straits of Mackinac. Information gained at these check points gives game men an insight to the general physical condition of deer, particularly those in trouble areas of the range.

By The Reverend Paul M. Cargo,
First Methodist Church of Northville

"AS THE TWIG IS BENT"

This familiar phrase, which in its completion reads, "Just as the twig is bent the tree's inclined," is not from the Bible at all, but from the pen of Alexander Pope. It has a Bible thought to it, for it is similar to Proverbs 22:6: "Train up a child in the way that he should go, and when he is old he will not depart from it." What we should be alarmed about, though, is the principle involved in both Pope and Proverbs. It is a principle of cause and effect. Good comes from good. Evil comes from evil.

We in America forget that There's the scandal of the TV quiz shows. When some of us were amazed at the knowledge of contestants, we now find out that we were being deceived. My consolation is (and yours too?) that maybe I'm not as dumb as I thought I was. The alarm is that the quiz fixes is one more indication of an America that hopes to beat the formula established a long time ago, "Whoever a man sows that shall he also reap."

The parable of Jesus about a house and its sub-structure states the case. Jesus said, "The man who comes to me, and hears my sayings, and does them is like a man who built a house. He dug deep and laid a good foundation on rock. When the time of testing came, flood and rushing water, nothing could shake the house. It was founded on rock. But the one that hears my sayings and does not do them is like a man who built his house right on the earth without any foundation whatsoever. The floods came; the

streams came. They undermined the house and it fell in ruins."

That's it! Build a house the way it should be built and it will last. Build a nation or a life on sure foundations and it will be good. We should beware of people or institutions in America that build on shaky foundations, and we should beware of people who chip away at solid foundations so carefully laid.

Illumination comes to us in the newspapers about others. Never about ourselves. We hear about the quiz fix, the cheating at West Point. We think it's terrible, just terrible! But what about ourselves? Do we ever deceive. Do we ever want something for nothing? Are we ever involved in something shady in order to get great advantage for ourselves? Do we ever lie just a wee bit instead of telling the absolute truth? What I'm getting at is that the beaver takes many a chip from the tree before it falls, and in America I suspect that the many — and not the few — are chipping at the solid foundations of truth, honor and good conduct. A nation ultimately is made up of the character of its people. The future will be dark unless we "straighten up and fly right".

An automobile responds to the turn of the steering wheel. Power steering makes it easier than ever before. A life responds to the direction that can be given it. The Christian faith gives us the pressure of the greatest Power ever known for the steering of life. Is it any wonder that the Christian faith holds that life can be bent and shaped? A Christian believes in Power steering. Let us watch to see what or who steers us.

GROUND-BREAKING — The First Baptist Church of Novi, oldest congregation in Novi, held ground-breaking ceremonies Sunday afternoon for its new house of worship at the corner of Taft and Eleven Mile roads. Taking part in the historic ceremony were (left to right) Will D. Flint, charter church member and grandson of one of the church's founders; Clyde Johnston (with shovel), chairman of trustees; Fred Olson, village manager; the Rev. Arnold B. Cook, pastor of the church, and the Rev. Richard S. Burgess of Salem, guest speaker.

Novi First Baptist Church Breaks Ground

Construction of a new Baptist church building was started Monday at the corner of Taft and Eleven Mile roads — the geographic center of Novi.

When completed early next year, the new house of worship will hold the rapidly growing congregation of the First Baptist Church of Novi.

Plans call for a sanctuary that will seat approximately 450 people, with 18 educational classrooms, offices, fellowship hall and other facilities.

By its action, the membership is expressing its confidence in the future of the community, and the prospect for larger growth, the Rev. Arnold B. Cook, pastor of the church, has said.
Church membership has doubled

within the past two years, he said, and the attendance at Sunday school has further increased the need for larger facilities.

The Novi Baptist church — which now is located on Novi road across from village offices — was organized in February, 1846, and less than a year later a frame church building was erected at the west side of the Walled Lake and Northville roads, at the southern end of the Novi corners.

The first church was dedicated to God's service on February 3, 1847, and was at that time the only church building in the township of Novi.

The present church, which cost \$3,800 to build, was dedicated September 28, 1876.

HONOR NORTHVILLE YOUTH — The Optimist club this week is saluting the youth of Northville for their accomplishments, talent, moral standards and behavior. Conceived by Optimist International, youth appreciation week is aimed at discrediting a frequent complaint that the present generation of young people is not as desirable as the previous generation. In connection with appreciation week, the Northville Optimist club yesterday (Wednesday) held a special youth program during a regular meeting. Saturday the club will sponsor a free showing of the movie, "Houdini", and cartoons for boys and girls. The film will be shown from 12:30 to 2:30 in the P&A theatre. In the picture above, David Jerome, 13, son of Rev. and Mrs. George Jerome, 743 Hutton, symbolizes the outstanding youth of Northville. David is president of the junior high school student council, active in sports, a band member, and member of a church youth group. Saluting him are Fred Casterline and John Mach, Optimist members.

FARMINGTON UNIVERSALIST CHURCH

Warner and Thomas Sts.
Walter E. Kellison, Minister

Churchmen to Lay Cornerstone Sunday

Laying of the cornerstone of St. John's Episcopal church in Plymouth will be held this Sunday at 3 p.m.

The new church at 574 Sheldon road, is expected to be ready for 1960 Easter services, Rector David T. Davies announced. Its adjoining rectory was completed in 1952.

The Rt. Rev. Richard S. Emrich, Ph.D., STD, Bishop of the Episcopal Diocese of Michigan has appointed the Very Reverend Stanley D. Dodge, Ph.D., of Ann Arbor and

dean of the Huron Valley convocation, to act on his behalf.

Sealed in the cornerstone will be copies of the Bible, a prayer book and hymnal, a wooden cross, a 1959 Diocesan Journal, a parish history, pictures of the present church on Harvey and Maple streets, pictures of the groundbreaking for the rectory and new church and a copy of the order of service for the cornerstone laying.

A number of area Episcopal clergymen will attend.

Eckles Fuel Adds Heating Service Plan

The addition of a heating department to Eckles Fuel and Supply company of Plymouth has been announced by Bob Allison, president of the firm.

The new department will feature furnace sales, parts supply and 24-hour repair service.

Allison announced that Al Wilson, a licensed heating serviceman, will head this department. Eckles holds the distributorship for Sun-Heat fuel oil, made by Blue Sunoco.

NHS Dedication: 'A Salute to Future'

14—Thursday, November 12, 1959—THE NORTHVILLE RECORD

PRINCIPLE address at Sunday's dedication of the new Northville high school was given before an audience of 1,000 by Dr. James W. Bushong, superintendent of Grosse Pointe schools. Dr. Bushong called the building "a salute to the future" and reminded his audience that "the product of this building is the future." "By providing better education today, we can build a better tomorrow," he stated. Dr. Bushong called education "most powerful" and praised the wisdom of providing fine educational facilities by saying that "if we put men together properly, the world will be alright." Shown on the stage are: (l. to r.) Principal E. V. Ellison, Board President Nelson C. Schrader, Dr. Bushong (speaking), Builder Walter L. Couse, Architect Lyndon Welch and Superintendent of Schools Russell H. Amerman. The program was conducted by Chairman Edward F. Angove.

FRONT ROW seats were reserved for this group of ladies. Six of them were graduated more than 60 years ago from Northville high school, while the seventh, Mrs. Ida B. Cooke, distinguished herself as a teacher in the Northville system for 38 years. Shown (l. to r.) are: Georgia (Palmer) Johnson, Nellie (Jostin) Freydl, Adaline (Spaulding) Knapp, Margaret (Thompson) Yerkes, Mrs. Cooke, Miss Jessie Hutton and Ann (Blair) Fry.

THE KEY to Northville high school has just been officially turned over to Board of Education President Nelson C. Schrader (left) by Architect Lyndon Welch of Eberle M. Smith Associates. Schrader expressed appreciation to the citizens of the school district for making the construction of the new school possible by lending "moral and financial assistance".

THESE BOARD of Education members (past and present) had a great deal to do with the planning of Northville's new \$2 million high school and were on hand Sunday to witness the dedication. They are: (l. to r.) Former President Robert Coolman, Past Treasurer Eural Clark, Secretary Robert Shafer, Trustee Donald B. Lawrence and Vice President William B. Crump. Treasurer Dr. Waldo T. Johnson was unable to attend the ceremonies, while Donald B. Severance, secretary of the board in 1957 attended the dedication but was not present when the picture was taken. Former Trustee H. Adrian Willis, also a member of the board during the planning stages of the high school, no longer resides in Northville.

COMMENTS from General Contractor Walter L. Couse (left): "It was more than an honor and privilege when the contract was awarded our firm to build this new high school — it was a challenge. Our children have attended school here . . . I am sure you will be well satisfied with the planning and work that has gone into this building"; Principal E. V. Ellison (right): "The building has brought renewed interest in teaching by the staff and more enthusiasm and a better opportunity to learn by the students."

"Lung" Checkups Keep Gas Meters Accurate

Your gas meter is similar to a healthy lung. It actually goes through the motions of breathing—inhalating and exhaling gas by means of little diaphragms of leather or plastic. At each intake of "breath," the meter registers how much gas is consumed.

The "lung" and other vital parts of your gas meter are regularly inspected to insure accurate measurement of gas consumption. More than 300 gas meters a day go through the scientific test and repair cycle at Consumers' General Meter Building in Jackson.

Here gas meters are tested, adjusted and repainted. Even new meters, fresh from the manufacturer, must undergo rigid tests before going into service. Only a meter of demonstrated accuracy is permitted to measure the gas that serves you.

Only GAS does so much, so well . . . the modern fuel for automatic cooking . . . refrigeration . . . water-heating . . . house-heating . . . air conditioning . . . clothes-drying . . . incineration.

CELEBRATE OPENING — Northville's newest service station — this new Speedway 79 station located at South Main and the Seven Mile road cutoff — will hold its grand opening this Friday, Saturday and Sunday. Owners Mike and Robert Green will have gifts for customers during the three-day event. The station is operated by Mike Green and is open daily until midnight.

Men in Uniform

ARMY PVT. JOHN W. Sanders, son of Mr. and Mrs. Harry R. Sanders, 504 North Center street, recently completed eight weeks of military police training at The Provost Marshal General's school, Fort Gordon, Georgia. Sanders received instruction in self defense, traffic control and the basic procedures of civil and military law. He entered the army last June and completed basic training at Fort Leonard Wood, Missouri. The 18-year-old soldier attended Northville high school.

GEORGE A. FUNKE, marine private, son of Mr. and Mrs. Alexander J. Funke, Sr. of 18303 Northville road, is scheduled to finish four weeks of individual combat training November 18 at the Marine Corps Base, Camp Pendleton, California. The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Hospital to Open Dec. 8

St. Mary Dedication Set for November 21

Dedication of the \$3,500,000 St. Mary hospital, Livonia, will be held next Saturday, November 21, it was announced this week.

The modern facility — which will serve five local communities including Northville — will open to patients December 8.

Public open house will be held the day after dedication Sunday, November 22 and the following Friday, November 27, from 1-9 p.m.

Equipped for the most complete nursing and medical service a general hospital can provide, St. Mary will serve residents of Northville, Novi, Plymouth, Livonia, Redford and Garden City.

The five-story crosier shaped structure has a capacity of 180 beds and 42 bassinets, and contains offices, a medical library and record room.

Nursing departments will be divided into medical and surgical units, the latter including operating and recovery rooms. The obstetrical section with labor and delivery rooms in addition to the regular nursery, boasts premature and suspect nurseries as well as a formula suite.

The pediatrics department will be a separate unit for care of sick children.

Service divisions include dietary, housekeeping, storage, laundry, mechanical and employees facilities.

Other services will be covered by pathology, radiology, physical

therapy, pharmacy and emergency departments.

Also provided will be chapel, daily mail distribution, telephone, radio, and television service, and a large parking lot.

Every phase of medicine and surgery will be adequately met by a staff of 110 doctors, says Hospital Director Sister Mary Columbine.

Administration of the hospital is under the Felician Sisters, a Catholic religious order now numbering about 4,000 in the United States.

The lay administrative advisory board is headed by W. W. Edgar.

Area women in the St. Mary Hospital Guild also offer volunteer services. The guild was organized by the late Mrs. Mary Roach. Mrs. Dorothy Arnold succeeded Mrs. Roach as guild president.

An aim of the guild is to finance the gift and coffee shop in the hospital lobby.

St. Mary — guided by their ideal of "love for all mankind" — is the 12th hospital to open under the direction of the Felician Sisters.

Under their leadership, planning progressed rapidly. Ground was broken only last year on April 7.

Future plans call for a 350-bed hospital, a psychiatric department and other extended services, geared to meet the needs of the growing community.

Families may look with confidence to the St. Mary hospital staff, says Sister Mary Calesantia, to carry on the tradition of "love for all mankind."

SPEAKING for the Record

by BILL SLIGER

About once or twice a year I am moved to write something about taxes, assessments, equalization factors and the like.

You have to write your thoughts on this subject down quickly or they're forgotten.

Even after brushing up on the system our state uses for levying land and personal property taxes as a result of last week's reductions granted by the state tax commission, I'm still confused and confounded.

But then, I'm certain that I am not alone in this feeling. And I am doubly convinced that our tax laws need a thorough re-vamping.

Take the case of our own community, for example.

Last week two utilities in the city and three gravel firms in the township were granted sizeable reductions in the assessments placed on personal and real property.

At the outset I want to make it clear that I do not find fault with the reductions granted, or any property owner seeking a reduction if he feels his property has been unfairly assessed.

If property has been over-assessed, then by all means it should be reduced. And in the case of the firms mentioned above, this is presumably what happened.

But let's take a look at the over-all picture for a moment. Property in the city and township is assessed according to a system set down by the county.

Admittedly, when the local governments determine their assessed valuations by county standards they expect to be about 10 percent lower than the state level. The state equalization factor comes into play here and multiplies all valuations (by 10 percent or more) to bring them up to the state level.

Both the city and township assessments were raised slightly by the county and again by the state this year.

To the average thinking taxpayer this means our assessments were too low to satisfy the state. Thus the increase by the equalization factor.

If you have followed me this far, you're probably wondering how the state can say our assessments are too low on the one hand and then turn around and grant further reductions.

It's confusing and contradictory until you analyze what is happening in all local areas pinched by rising assessments.

The plain truth is that we have no equitable, PRACTICAL means of assessing.

On paper the system may work beautifully.

But it's like the average golfer reading Sam Snead. When you try to do what he says, it just doesn't come out the same way.

The state can justify its action in granting assessment reductions throughout the county by simply pointing out that the properties in question were over-assessed — and that vast amounts of other property within the communities in question are under-assessed. And that if these properties were brought up to their proper assessment level, there would be no boost by equalization.

Sounds simple . . . until you put the ball in play.

Property owners will tell you — in no uncertain terms — that their land is not worth what the county says it is. True, they might not sell it for the proposed valuation, but there's a wide difference between an eventual selling price and what the property is worth as it is, today.

Furthermore, they are right on hand to tell local officials that they cannot continue to live in this area and pay taxes if the suggested county assessments are invoked.

In plain language, idle acreage cannot bear the tax burden apportioned to it to support our ever-growing school and governmental services.

But regardless of this, the taxpayer pays in the end. For no matter what we do to our assessments, the state determines the over-all valuation of the area and taxes are assessed on that total. It's just a matter of arithmetic. Simply apply the old reliable "equalization factor" and presto, everything comes out to the penny.

So if I don't pay my share, my neighbor will pick it up — or vice versa.

And everytime we lower an assessed valuation here, we boost the equalization factor there. Until we reach Utopia — zero assessments and 100 percent equalization.

Frankly, I think that's the answer to the state system. At least everyone would be treated the same.

It becomes more evident daily just how desperately local areas need new and diversified means for raising tax dollars. The burden, already heavy, will not grow lighter.

And while our state-level officials seek these corrections, local authorities should make some effort toward determining ways to attract tax-bearing industry and business firms to our area.

This story, passed along by Con Langfield, should be reassuring to parents who may believe that their children are not as well-mannered and behaved as they should be when they are "out with the gang".

Halloween evening the Langfields went out for dinner leaving a plate of nickles and a box of candy for the "tricksters". A note instructed the children to take one nickel and a package of candy.

Returning at midnight, the Langfields found several packages of candy and seven nickles left. "I didn't expect to find anything. It certainly proves that parents are bringing their children up properly in Northville," Langfield added.

Amernan Principal Dick Kay was not so flattering in his comments on adults last week. It seems Center street motorists passing the intersection at Carlyle thoughtlessly drove along in a steady line last week while youngsters stood in the rain waiting to cross. "It's a little thing and I'm sure that every driver would stop at the corner to let the kids cross to the school, but they just didn't think fast enough," Kay said.

It's a good point — many of us drive along so bent on getting to our destination that we forget these courtesies.

State Role in Education

WHAT IS the real role of the Michigan Department of Public Instruction in education in Michigan?

A lot of controversy has marked discussion of this topic in the past decade. Many citizens, especially those in small or comparatively poor districts, often express the feeling that the department has the obligation to "force" districts to adhere to some kind of standard of instruction for all students.

Other citizens are equally insistent that the Department avoid "meddling" in the affairs of the local district.

In response to the conflicting pressures the department has recently developed what it calls its "Basic Instructional Policy for Education in Michigan". The booklet has been given a preliminary printing and is available to any groups for study and comment.

The people who favor strong centralized control of education by the state will be disappointed.

The booklet sets up a list of "10 Commandments" for the department itself, based upon the idea that Michigan is a vast state with many different kinds of communities, which have many diversified needs in the education of their children.

First commandment: "We accept the scientific fact that everyone is unique and in the same sense similar." Each person has his own peculiar needs and abilities and his own special contribution to the good of all.

No. 2: "We believe that every person is important, has worth, and is endowed with human dignity." This is true because he is unique, there is no other quite like him, and his special value cannot be replaced. This is why democracy is the natural way of life.

No. 3: "We accept the fact that children are citizens." The constitution gives citizenship, with all its rights, privileges and responsibilities, to all who are born in our country, or who are naturalized. Conditions in school should be in keeping with the inalienable rights of the citizen.

No. 4: "We believe that American citizens are born free and equal." We are, of course, not equally endowed. But we are equal in that we are entitled to equal political rights and to equal educational opportunity. Inequalities in teacher qualifications, financial support, instructional materials, administrative leadership and school plant must be eliminated.

No. 5: "We believe every person has the right to reach his potential." The educational need of a

person grows out of both his abilities and his disabilities. Society's obligation is to help him to reach his potential, which includes an understanding of himself and others. People who know and respect themselves are on the road to adequacy.

No. 6: "We believe that close cooperation between home and school is essential." To serve the child best, the home and school should aim at the same goals and maintain a two-way system of conferring and reporting concerning the growth of the child. Parents have the right and obligation to help determine and to understand the basic educational values of their community school.

No. 7: "We believe that the school must promote the democratic ideal." The democratic ideal cannot be promoted by authoritarian means.

No. 8: "We believe in the use of the scientific method to help in determining what the education of each child should be." The basic principle of the scientific method is that we look to see what the child is like before deciding what to do. By its very nature, education must continually depend upon scientific inquiry to nudge the appropriateness of a curriculum to the individual, and the effectiveness of methods and materials employed.

No. 9: "We believe in freedom." Most of all, we believe in freedom of mind. We oppose indoctrination in any form.

No. 10: "We believe in education for imaginative, critical thinking." The best way to educate for critical thinking is by having a chance to solve problems. One doesn't learn to think by being told to think, but only by thinking.

Even though the Department of Public Instruction has many legal and specialized functions, explains Dr. Lynn M. Bartlett, superintendent of public instruction, its central purpose is developing in all communities good educational programs.

There are two methods by which the state can express its leadership. First, the staff has to carry out its administrative duties as effectively as possible. Second, strong leadership must be given to involving as many people as possible in a cooperative attempt to keep the curriculum up to date and to improving the quality of instruction.

Warsaw, Poland — Warsaw is the capital of Poland, located not quite midway between Berlin and Moscow. I will not now discuss the government of Poland, although it claims to be a free democracy with officials and "parliament" elected by the people; yet 85% of the property is owned by the municipality or state and practically all the people work for the government. It is much like Russia in many ways; but its people claim not to be Communists. The Polish people take part in no propaganda, but ask only to be let alone and left free to run their own affairs. They claim to be 100 percent neutral, but surely appear friendly toward the Russians yet hate the Germans who bombed them unmercifully during World War II.

History of Poland

The city of Warsaw was founded in the tenth century and Sunday I attended a church dating back to 1187, although Christianity was formally introduced into Poland in 962 and was actively practiced in Warsaw in 1241 when the Polish armies repelled the Mongol hordes. In fact, the whole of southern Europe owes its freedom to the armies of Poland. Again it was the Polish armies which stopped the Turks from overrunning Europe in the 17th century. The whole of Europe owes a great debt to the Polish people whose kings fought continual attacks from all sides. Poland has a most marvelous history; and through the centuries has enjoyed periods of peace and prosperity, enjoying the culture of science, art, and literature, starting with the great astronomer Copernicus and ending with the great pianist Paderewski.

Unfortunately, Poland was torn asunder during World War II and Hitler gave it a terrible and unnecessary beating, principally — so

he claimed — because of the large number of Jewish people who had escaped from Germany into Poland. As a result, nearly 800,000 innocent people perished in Warsaw between September 1, 1939 and January 17, 1945. This was not only the result of ruthless bombings, but of great fires and massacres, all under Hitler's directions. As a result the population of Poland dropped from 35,000,000 before World War II to around 28,000,000 in 1958.

Polish People Continue to be Courageous

Notwithstanding the barbarous treatment by the Germans, Poland's people continue to be happy and courageous. The people are poor, there being very few automobiles and almost no bicycles. Living costs and taxes are high; but the people are very industrious and saving. Looking out of my hotel window this morning, I counted only

three automobiles, but saw five home-made wagons with the shafts made of poles cut from forests and the harnesses of the faithful horses made of worn-out iron tires from broken cartwheels. Yet Warsaw is now mostly rebuilt and I should be proud to live in it.

Last week, in Germany, I was amazed at the energy of the Germans and noted their great activity. I wondered why this energy was not used to curb Hitler in his wickedness. It almost seems as if a vast number of Germans — in their own minds — hoped that Hitler would win. I further feel that many Germans believe another "Hitler" will

arise who will have all his energy but who will be without his sins!

Each of my readers — many of whom are loyal United States citizens, even though perhaps of German descent — must decide for himself; however, this is my reaction: Although I came to Central Europe an optimist, hoping to find some attractive German stocks and bonds to recommend, I am returning home pessimistic. The fire ignited by Emperor Wilhelm II and his Prussian followers may be yet smoldering. Wise are those who now invest their money only in the United States of America or in Canada.

Can you invest a dollar OR MORE A DAY . . .

to build an estate, or accumulate an investment fund or buy an interest in American industry?
Many Mutual Funds have plans to aid you invest as little or as much as you wish on a systematic basis.
